6. That is why these periods of time are prophetically described as "3.5 times" in Daniel 7:25-26 (Dan12:7) and Revelation 11:2-4 (and other places; Rev12-13), because they fulfill at initial AND final fulfillment and that WILL and MUST repeat for a fullness of Jehovah's decreed 7 times in the near future; GUARANTEED Kingdom and Temple total completion of ALL 144000 under Christ - And Universal Victory FOREVER, permanently!!!!

7. 3.5 times x (2 (twice)) = 7 Times; 1 Time = 360 units; 7 x 360 Times = 2520 units (years or days depending on context);

Note: Even the "Two Witness", in 3.5 day "death" state (Rev11:11), twice, equals 2520 minutes per single witness (42 hours). Another "7 times"; this is a symbolic countdown to the true end of the world of rival sovereignty opposed to God's Kingdom; years, days, minutes (Dan2:31-44)

= E. God's Perfect Wisdom

In God's perfectly brilliant finality of effect to aid salvation and inform His people this final fulfillment duplication replicates the major final climax completion patterns upon the already well known minor foundation pattern beginning at 1914!

Now Jehovah's people and the world will almost have a point a, b, c map to Armageddon. THAT is divine perfect strategic aid by Bible prophecy TO SAVE HUMAN LIFE AND LET YOU KNOW WHAT THE HECK IS GOING ON!!!!!!

All the major fulfillment time periods, key events and principle of significance are already foregleamed in the minor fulfillment well known and preached 100 years approximately.

= II. Daniel Final Fulfillment Mode Requires Understanding Globalist World Power Paradigm

A. Distinguish 1914 Minor Fulfillment from the Future Major Fulfillment

1. We can examine the implications of a final fulfillment mode in Daniel, but to do so, we have to separate the minor fulfillment of the past period, from the cycle to
activate in the near future;

2. When examining this final cycle think "Final Fulfillment" not 1914 fulfillment. At some point Jehovah's witnesses will have to think in BOTH modes of fulfillment;

3. As already stated, this prophetic exercise is NOT refuting or overturning the first fulfillment cycle upon national power systems that formed and developed onward from 1914 and that established prophetic framework from 1914-1918 (Dan7:25; Dan12:7; Rev11:2-3), 1919-1922 (Dan7:26; Dan 12:11), and 1922-1926 (Dan 12:12) based on Daniel and Revelation time frames of prophecy;

(A temple inspection led to these 3 cycles as per Zechariah 3 and Malachi 3 - that too, must repeat. What was cleansed was a "man of lawlessness" which must also repeat in final fulfillment; (2Thess2:3-9));

4. All other prophetic Kingdom and Temple prophecies, and related events, such as the revealing of the "man of lawlessness" all weave into this framework reliably demonstrated in the 1914 periods and events;

5. In fact this final exercise would be useless, without a reliable foundation prophetic pattern provided by God to expand the future days upon, as God provided this for exactly this purpose to inform His people of things to come in reliable time frames, even if not knowing exact commencement dates;

6. This is why a good familiarity with Jehovah's witnesses understanding of the 1914 cycles is needed to underlay the final fulfillment cycle upon. This is why Jehovah and Christ want people to study the Bible with faith and prayer, because God has indeed already described the future to much greater detail than is currently being expanded by the WTBS. (There is a reason for this, that also relates to prophetic certainty);

B. **Distinguish Between National Power (Rev13:1) and Globalist Power (Rev17:11-17)**

1. We also have to understand that the power that will finally arise FULLY in the 8th King is a [globalist unification] that "gathers" ALL the [national powers] collectively to Har-Magedon apex defiance to God's Kingdom worldwide; (Rev16:13-16);

2. We have to understand the 8th King "scarlet wildbeast" is a real [globalist] worldwide power, far beyond it's UN "image". The 8th King is a very REAL [collective unification] of almost 200 separate [nations] and all their [national power] systems*, orchestrated under a superior globalist [multi-national] power system of global scale and private globalist sovereignty ABOVE and more powerful than any single or bloc national power nation or union;

C. **Globalist Secrecy Exposed**

1. We also have to understand the head engineer and master controller "false prophet" of this [globalist] system, the 2Horn-Wildbeast (2HWB), though based in Anglo-American [national] power is [globalist elitism] in world power philosophy, scope and resources. That is an independent globalist super-sovereign, NOT a "body" that answers to any national powers;

2. The 2Horn-Wildbeast is NOT encumbered by [national] constraints and politics (Rev13:1), hence it is it's own SEPARATE wildbeast (Rev13:11), an ACTUAL, REAL independent [globalist] scope power system of [globalist elites] based in Anglo-American [national] base systems BUT with also international, multi-national scope of influence and consolidating and growing control; (Rev13:11-15; Rev17:11-17; Dan11:42-43);

3. The 2Horn-Wildbeast is not the Anglo-American [national power] "in a special role". This instead is a Satanically anointed select [elite globalist] system that wants to remain secret and hidden. Note that the 2Horn-Wildbeast does NOT draw worship to itself, but directs worship ONLY to the [national collective] wildbeast (Rev13:1) and to it's globalist "image of the wildbeast"; (Rev13:11-15);

4. It appeals to as many classes as possible, but it itself is a big secret, God exposes them for this reason at Revelation 13:11;

5. The 2Horn-Wildbeast Anglo-American globalist elites also does not want the world to see that the "scarlet wildbeast" is also an actual, very REAL worldwide multi-national power system forming for world domination; It wants people focused on the "harmless" "image", a 17 acre United Nations complex on the East River in New York, and the "ideas" that represents - NOT the actual physical multi-national control system worldwide;

6. Jehovah's Witnesses (and others) will soon have their worldwide "globalist paradigm" of world power updated to reality in order to understand the final fulfillment modes more clearly of Daniel and Revelation's applicable and related prophetic cycles;

III. **The Root of 8th King Globalism: Daniel 7, 8 and 11**

A. **Globalist and Final Fulfillment Modes in Daniel**

_**Now put you "Final fulfillment Mode" (FFM) eyewear on in globalist power worldview;**_

1. Daniel chapters 7, 8 and 11 all perfectly indicate a final fulfillment mode; This will be shown by example after this part; For now, the 3.5 times of Daniel 7:25, MUST repeat parallel to Revelation 11:2-3 in final fulfillment in the near future, to finality of the "7 times" as shown above;

2. FFM expands the the scope of fulfillment to universal scale, even Satan (Gog) is affected by this final climax period;

3. The world scope of power is also now worldwide in scale - a very real, "full bodied", "scarlet wildbeast" 8th King is what is coming to attempt total world domination soon. (This is developing way way beyond just the UN "image");

4. FFM awareness MUST affect Jehovah's witnesses understanding of the expanded scope of world power to 8th King scale of world wide globalism.

5. Globalism is the philosophical and logistic basis of the final human world power; (8th King) a demon guided "gathering" of all [national] powers defiant to God's
6. Nationalism is a tool of globalism, NOT a form of power potential and scope required for worldwide domination;

7. Nationalism keeps the masses blind to globalist reality;

B. Daniel - From King Nebby to Globalist World Power Apex

1. Well Daniel by God's wisdom (Dan2:23,29) already outlines the root of globalism (Dan 7) and the fullness of it's developmental sovereign defiance; (Dan11 globalist "King of the North" container symbol);

2. Daniel 7 and 8 takes the Anglo root system back to it's origins from the "four horns" to the fourth "beast" that developed after Alexander died as the Macedonian (Greek) world power split and it's power was eventually absorbed into the Roman world power (6th head; 6th King; Rev17:11);

(Daniel 7:7) ... I kept on beholding in the visions of the night, and, see there! a fourth beast [Roman World Power (6th King)], fearsome and terrible and unusually strong... And it was something different from all the other beasts that were prior to it, and it had ten horns.

(Daniel 7:8) I kept on considering the horns, and, look! another horn [Britannia*], a small one, came up in among them, and there were three of the first horns that were plucked up from before it. And, look! there were eyes like the eyes of a man in this horn, and there was a mouth speaking grandiose things.

(Daniel 8:8-9) And the male of the goats [Greece], for its part, put on great airs to an extreme; but as soon as it became mighty, the great horn [Alexander] was broken, and there proceeded to come up conspicuously four instead of it, toward the four winds of the heavens. 9 And out of one of them there came forth another horn [Britannia], a small one, and it kept getting very much greater toward the south and toward the sunrising and toward the Decoration.

[Daniel's Prophecy - chap. 9 p. 137]

=C. Yes There Must and Will Be Another World Power Ascension - The 8th King!

1. The globalist unification world power in the Revelation is the 8th King "scarlet wildbeast" (Rev17:11-17). Though not an eighth "head" or "horn", it is an 8th and final ascendant king. The [whole] globalist "scarlet wildbeast", the [entire] multi-national collective, is under one sole 8th King super-sovereign locus of power of ascendant apex world power;

2. That has great meaning in the future developments of prophecy in final fulfillment;

(It may co-exist with the 7th Anglo-American national world power, but it will attempt global domination and will make ALL national powers subservient to it, including the Anglo-American national power; (Dan11:42-43 parallel with Rev17:11-17);

3. In Daniel and in world history, that origination of ascendant power is in England from it's ancient Britannia Anglo origins (ca. 43 AD) under Rome to it's defeat of France in 1815 CE (plucking the third horn; Dan7:8, 20); (See [1]);

=D. 8th Horn Meaning in Final Fulfillment Mode

1. God symbolically shows this "8th horn" origination and relationship clearly as the roots of globalism (leads to 8th King in time) which would develop in the end time from English elite (Anglo) geo-political engineering before the eventual partnership with America in 1914 CE to form the dual world power system "7th head" Anglo-American [national coalition] world power; (Rev13:11-15);

2. God shows this relative origin by England being an "8th horn" appearing in the Roman system wildbeast of Daniel 7:7's 10 horns. As Britannia arose, it was a "small horn", number 11 of the 10 pictured in the vision, but it displaced 3 horns, making 8 total horns; [10 horns - 3 horns = 7 horns; 7 horns + 1 small horn = 8 horns];

3. This "small horn" did not stay small, and extra powers were given to it:

(Daniel 7:20) ...the ten horns that were on its [Roman beast] head, and the other horn [Britannia] that came up and before which three fell [Spain, Netherlands, France], even that horn that had eyes and a mouth speaking grandiose things and the appearance of which was bigger than that of its fellows.

=E. Daniel 8 and the "8th Horn"

1. We know who this "small horn" is because Daniel 8 names Medo-Persia and Greece in the sequence of the vision.

(Daniel 8:8-9) And the male of the goats, for its part, put on great airs to an extreme; but as soon as it became mighty, the great horn was broken, and there proceeded to come up conspicuously four instead of it, toward the four winds of the heavens. 9 And out of one of them there came forth another horn, a small one, and it kept getting very much greater toward the south and toward the sunrising and toward the Decoration.
2. We know the 3.5 times here must repeat along and parallel with Revelation 11 and Daniel 12 final round of fulfillment in the near future:

(Daniel 7:25-26) And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time. 26 And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate him and to destroy him totally.

3. Verse 26 has a finality of destruction that did not occur in 1914-1918; though the full warning of that destruction did go forth from God.

4. Daniel 7 therefore links Daniel 8 in this collection of divine clues for final fulfillment mode by a reliable initial fulfillment in 1914. Daniel 7 also links this 3.5 time signature to Daniel 12:7 3.5 time signature which paralleled Revelation 11 and Daniel 7 in the initial fulfillment and must do so in the final fulfillment in the near future as well:

(Daniel 12:7) It will be for an appointed time, appointed times and a half. And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish.”

5. 1914 did not provide a finality to this finish of “all these things”, but the near future fulfillment will. 1914 provides the reliable base minor framework to know all these things, and to be aware of events and periods that must repeat, and the revelation of the modern day “man of lawlessness” who is now operating in the “temple of the God” as indicated by God through Paul for the final cycle of the near future; (2Thess2:3-9)

6. The revelation of that “lawless one”, in the JW “temple” system revealed at inspection (Zech3:1; Mal3:1-4) and removed at temple clean-out (Zech3:4-9; Mal3:5) will be the trigger event for the rest of the final fulfillment cycle to follow; (See [2]).

IV. Kingdom Finale and Globalist Hints in Daniel Final Fulfillment Cycle

A. Globalism Zenith

(Daniel 7:25) And he will intend to change times and law

1. Globalism is a greater system change of “times and law” than anything in human history of nationalism and those social engineering philosophies which came to nothing but hybrid illusions in the modern age to aid globalism's development while national masses were distracted with meaningless national scale minutia.

B. Total Annihilation of Globalist and Collective National Rival Power

1. In this sequence a very final event of total annihilation of rival sovereignty is prophesied indicating this must fulfill fully in the near future:

(Daniel 7:26) And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate him and to destroy him totally.

2. The Daniel 3.5 times, which must repeat for 7 times total, leads to that annihilation finale - this must also have a final cycle in the near future as both globalist and God's systems apex at the same time:

(Daniel 7:25-26) And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time. 26 And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate him and to destroy him totally.

3. The “holy ones” must be complete, 144000, and completely receive the Kingdom in that very completion of Revelation 11:11-19 in the near future, this has a finale of meaning and fulfillment:

(Daniel 7:27) “And the kingdom and the rulership and the grandeur of the kingdoms under all the heavens were given to the people who are the holy ones of the Supreme One. Their kingdom is an indefinitely lasting kingdom, and all the rulerships will serve and obey even them.”

4. This did not occur to a finality in 1914 - but it will:

(Daniel 7:14) And to him there were given rulership and dignity and kingdom, that the peoples, national groups and languages should all serve even him. His rulership is an indefinitely lasting rulership that will not pass away, and his kingdom one that will not be brought to ruin.

(Daniel 7:11-12) “I kept on beholding at that time because of the sound of the grandiose words that the horn was speaking; I kept on beholding until the beast was killed and its body was destroyed and it was given to the burning fire. 12 But as for the rest of the beasts, their rulerships were taken away...

C. Complete 144000 Kingdom Reception

1. These "holy ones" were incomplete in seal and existence in 1914 and therefore could not fully receive this Kingdom which is finalized at the completion of the 144000 for final, permanent "possession":

(Daniel 7:17-18) “As for these huge beasts, because they are four, there are four kings that will stand up from the earth. 18 But the holy ones of the Supreme One will receive the kingdom, and they will take possession of the kingdom for time indefinite, even for time indefinite upon times indefinite.'

2. The same principle applies to this finality and completion of all "holy ones" to finalize this finality of "appointed times" in Revelation 11:2-3 "7 times" fulfillment fully in the near future:

(Daniel 7:21-22) “I kept on beholding when that very horn made war upon the holy ones, and it was prevailing against them, 22 But the Ancient of Days came and judgment itself was given in favor of the holy ones of the Supreme One, and the definite time arrived that the holy ones took possession...
D. Final Part of the Denunciation (Destruction of Rival Sovereigns)

1. This “final part of the denunciation”, which is destruction to the rival sovereigns, must have a final fulfillment in the near future:

(Daniel 8:19) And he went on to say: “Here I am causing you to know what will occur in the final part of the denunciation, because it is for the appointed time of the end.

2. In this sequence a second and final stand against the Prince must take place as per Revelation 11 “holy city” being trampled the full “7 times” and the second and final "two witnesses" being killed; This must fulfill to completion:

(Daniel 8:25) And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

3. The leading developments to Daniel 8:25 must also have a zenith “final part of their kingdom” from the opposing globalist world power system "to a completion" beyond 1914's progress of this world power still in national intrigues, now in final globalist manifestation:

(Daniel 8:23-25) “And in the final part of their kingdom, as the transgressors act to a completion, there will stand up a king fierce in countenance and understanding ambiguous sayings. 24 And his power must become mighty, but not by his own power. And in a wonderful way he will cause ruin, and he will certainly prove successful and do effectively. And he will actually bring mighty ones to ruin, also the people made up of the holy ones. 25 And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

4. In final fulfillment mode, this 2Horn-Wildebast and "scarlet wildbeast" 8th King will be contained in an apex globalist symbolic sovereign rival container in the globalist power modal "King of the North". Michael is not standing into 100% universal domination upon a single national power, or national bloc, but upon the entirety of globalist King of the North power and all they will gather for this final war including Gog; (Rev19:19-21; Rev20:1-3; Eze 38-39:1-6)

5. All this development to universal climax, must have a final fulfillment mode cycle based upon the prophetic framework Jehovah's witnesses are already familiar with, but being held back in understanding by a "lawless one" development within the organization which will be removed so this can all proceed into JW understanding through official channels, and globally proclaimed in this final Rev8(15)-11(16) final worldwide campaign of Jehovah's Witnesses globally to completion as prophesied.

Revelation 8-11 Final Fulfillment Mode

Zech3 Leads to Rev8 Final Round
Zechariah 3:4 Triggers the Preparation for the 7 Trumpets

Rev8 Fire Cleanse – Parallels Zech3:2
Revelation 8:1-5 is a Temple Cleansing Precursor Event Parallel to Zechariah 3:4

Daniel and Revelation – Final Fulfillment Cycle of the Near Future – “7 Times” Completes
Revelation 8:1-5 is a Temple Cleansing Precursor Event Parallel to Zechariah 3:4

Since Zechariah 3 was written for the temple COMPLETION "headstone" (Zech4:6-8) upon that Isaiah 28:16 temple "FOUNDATION stone" (ca. 1914), which is precisely what Zechariah applies to - completion, then of course, scriptural and logically, Zechariah will apply to the COMPLETION phase fully in the near future.

Zechariah was even written (ca. 518 BC) AFTER the temple foundation of 537-536BCE to bolster Haggai's (ca. 520BCE) message with that second round of prophecy. [See, *** it-1 p. 583 Darius ***]

==

1. Temple Foundation

(Isaiah 28:16) therefore this is what the Sovereign Lord Jehovah has said: “Here I am laying as a foundation in Zion a stone, a tried stone, the precious corner of a sure foundation. No one exercising faith will get panicky.

==

2. Temple Head - Completion

(Psalm 118:22) The stone that the builders rejected Has become the head of the corner.

(Zechariah 4:7) And he will certainly bring forth the headstone.

==

3. Completion Stone with a Cleansing

(Zechariah 3:9) For, look! the stone that I have put before Joshua! Upon the one stone there are seven eyes. Here I am engraving its engraving, ‘is the utterance of Jehovah of armies, ‘and I will take away the error of that land in one day.’

Temple 144000 Must Complete Prior to Armageddon

That is how Jehovah shows, Zechariah MUST apply most fully to "head stone" temple COMPLETION 144000 totality, and that parallels Zechariah 3 to Malachi 3 FINAL fulfillment, so that too, MUST have a temple COMPLETION "inspection", "cleansing" and so on.

That of course links and leads to a whole other "can of worms" of bible prophecy in activation in final fulfillment, Zechariah 4 paralleling Revelation 11. This linkage is explicitly shown related to each other by Jehovah in that Revelation 11 prophecy; (Rev11:4 = Zech4:14)

Thus scripturally AND plain logic, Revelation 11 MUST be activated along with Zechariah 3-4 in final fulfillment, temple COMPLETION in due time after that CLEANSING manifestation - SOON.

====

How Does Revelation 8 Final Fulfillment Fit In?

Isaiah 6!

Read Isaiah 6, that was Isaiah's cleansing prior to his commission, and it is a temple vision, then this fire cleanse from the altar:

(Isaiah 6:5-7) And I proceeded to say: “Woe to me! For I am as good as brought to silence, because a man unclean in lips I am, and in among a people unclean in lips I am dwelling; for my eyes have seen the King, Jehovah of armies, himself!” 6 At that, one of the seraphs flew to me, and in his hand there was a glowing coal that he had taken with tongs off the altar. 7 And he proceeded to touch my mouth and to say: “Look! This has touched your lips, and your error has departed and your sin itself is atoned for.”

Well, lo and behold, look at this angel number 8, "another angel" and the prayers he is offering, this "fire" is ALSO a preliminary cleansing to the final 7trumpets that MUST follow this manifestation SOON:

(Revelation 8:1-6) And when he opened the seventh seal, a silence occurred in heaven for about a half hour. 2 And I saw the seven angels that stand before God, and seven trumpets were given them. 3 And another angel arrived and stood at the altar, having a golden incense vessel; and a large quantity of incense was given him to offer it with the prayers of all the holy ones upon the golden altar that was before the throne. 4 And the smoke of the incense ascended from the hand of the angel with the prayers of the holy ones before God. 5a But right away the angel took the incense vessel, and he filled it with some of the fire of the altar and hurled it to the earth.
And what occurs? A surge of "new light" and explanations "voices", from a premonitory 'thunder", shaking JW's up:

(Relation 8:5b) And thunders occurred and voices and lightnings and an earthquake.

And that leads to this unknown time period to this final preparation of this temple completion (ca. Trumpet 7; Rev11:11-12; 15-19) phase:

(Relation 8:6) And the seven angels with the seven trumpets prepared to blow them.

Revelation 8:1-5 Preparation for Temple Cleansing Requests
So that means Zechariah 3 cleansing, and Malachi 3, are somewhere involved in that set of Revelation 8:3 prayers that result in this answer from God in Rev8:1-5.

Revelation8:1-5 is the staging cleansing that leads to the knowledge to come forth in the intervening 7 trumpets, BUT the interim time period to the actual first trumpet, which parallels the first bowl of Revelation 16, and so on, is NOT really known as to duration. But the answer it appears, was relatively "right away"; (Rev8:5a)

Well obviously the first 4 trumpets (Rev8) will cover this development we have been shown, but with new focus of course, and greater ultimate meaning in the "burning mountain" (globalist scale world government), "lamp" (lawless one development), wormwood, 1/3 light, etc.

And that leads to the "eagles" (glorified anointed) involved in the final 3 trumpets and woes of Revelation 9:

(Relation 8:13) And I saw, and I heard an eagle flying in midheaven say with a loud voice: “Woe, woe to those dwelling on the earth because of the rest of the trumpet blasts of the three angels who are about to blow their trumpets!”

And obviously that threads on over Revelation 9 as a continuum (it is active since 1919) with a new jolt of light and commission cleansing for Jehovah's witnesses worldwide, over to Revelation 10 total understanding of the "little scroll" "opened" and "eaten" and through Revelation 11 finality of Trumpet 7 (Rev11:15-18 compare Rev10:7), right after bowl "in the air" ?! (Revelation 16:17) As Christ MUST arrive in full glory to complete the temple as Head Stone; Zech4:6-8

An Important Link in Final Fulfillment Prophecy
That Rev 8:1-5 "link in" into this progression was a big question. Now it appears from Isaiah 6's "altar fire" that this is to to be a divine "fire" cleansing in Revelation 8:1-5 leading to greater understanding; "lightnings" with better explanation; "voices". So Rev8:1-5 is good cleaning "fire" (Mal3:1-4), and a response to prayers (Rev8:3), that tells us other Jehovah's witnesses (anointed, and others) also see what is developing that we also see in the "JW org" that MUST be removed soon.

Amazing how Isaiah 6 just opened out of the blue reviewing the connection to Revelation 8:1-5. Isaiah was also in a "send me" request to God, and a Jehovah approved "divine commission" initiating in Isaiah 6, similarly related to the Zechariah 3:5-9, cleansing, ultimatum and commissioning as well:

(Zechariah 3:5-9) At that I said: “Let them put a clean turban [new JW head admin] upon his head.” And they proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by. 6 And the angel of Jehovah began to bear witness to Joshua, saying:

1. Ultimatum/Commission:

(Zechariah 3:7) “This is what Jehovah of armies has said, ‘If it is in my ways that you will walk, and if it is my obligation that you will keep, then also it will be you that will judge my house and also keep my courtyards; and I shall certainly give you free access among these who are standing by.’

2. Signal:

(Zechariah 3:8) “Hear, please, O Joshua the high priest, you and your companions who are sitting before you, for they are men serving as portents; for here I am bringing in my servant Sprout!

3. Christ Temple Finalizing and Completing "Head Stone" of Zechariah 4:6-9:

(Zechariah 3:9) For, look! the [head] stone that I have put before Joshua! Upon the one stone there are seven eyes. Here I am engraving its engraving," is the utterance of Jehovah of armies, ‘and I will take away the error of that land in one day.’

And that final "error" removed, mentioned above, may be also in the Revelation 8:1-5 lead-in "right away" "altar" "fire" cleanse from the altar by the angel (Zech3:4). That may very well be the "befouled garments" being transitioned out of the JW organization; This may very well be a massive event on the JW organization worldwide - a first strike in stealth mode convergent with a globalist world event.

AND, Isaiah defines the "earth" as Jehovah's witnesses, in at least that Revelation 8:1-5 meaning of "earth":

(Isaiah 6:3) The fullness of all the earth is his glory.”

Thus it can apply to the overall JW "temple" system that is being "filled" with this preliminary "glory of God" clean-out (Isa6:1-4), and reinvigoration of overall scope of what the final, second "two witnesses" commission really is: worldwide and a completion of the truth prior to it.

But since there can be a time pause after Rev8:1-5, for that "light" to sink in to Jehovah's Witnesses, I assume, it still seems to indicate Zechariah 3:2-9 activating will be
Revelation 8:1-5 activating TOO - yikes! lol.

Then the possibility of the subsequent unknown interim period length, when the angels "prepare to blow" those 7 trumpet world heralds, at some point guaranteed after this - like that angel "access among these" upgrade as well of Zech3:5-6, IN THE NEAR FUTURE, IN TEMPLE COMPLETION SOON.

So MAN!!! When this manifests in the final Zechariah 3:2-4 "trigger event" IN Jehovah's witnesses "temple", it is going to lead to the final round of the climax 7 Trumpets over time - all the way to the end of the world, with total focus on this actual reality in operation from God and Christ - amazing!!

So, you have arrived just in time!!!! LOL!!!

Revelation 8:11 - The Last Temple Sequence

1914 Main Patterns that Repeat in the Future

1. Temple Pattern
A. 1914-1919 provided the timed context of the Temple foundation prophetic fulfillments of Malachi3:1-5, Zech3, and Revelation 11 in minor form;
B. The near future will provide the timed context of the Temple completion prophetic fulfillments of Malachi3:1-5, Zech3, and Revelation 11 in final major form upon the same 1914-1919 pattern; (Rev11:2-3; Dan12:7; 7:25-26)

2. Kingdom Pattern
A. 1914 provided the timed context of the Kingdom birth prophetic fulfillments of Revelation 6:1-8, Psalm 110, and Revelation 11:15-18 in minor form;
B. The near future will provide the timed context of the Kingdom completion and conquest prophetic fulfillments at Armageddon of Revelation 19:11-21, Daniel 2:44, and Revelation 11:15-18 in final major form upon the same 1914 pattern;

3. Rival Kingdom Pattern
A. 1914 provided the timed context of the Satanic Kingdom final 7th (Anglo-American) and 8th (Globalist elite world government) powers in prophetic fulfillments of Revelation 13:1-15 in minor form; (Rev17:11)
B. The near future will provide the timed context of the Satanic Kingdom final 8th King Globalist elite world government completion and attempted conquest at Armageddon prophetic fulfillments of Revelation 19:11-21, Ezekiel 38, and Daniel 11:44-45 (8:25) in final major form;

Final Replication

All these patterns have prerequisites that are already beginning to repeat in their initial manifestations as shown below, and will continue to progress major activations for a number of known prophetic cycles described below;

Revelation 8-11 Outlines The Final Sequence of Prophetic Replication For The Near Future

Revelation 8-11 connects 3 critical prophetic manifestations to each other; (1) temple judgment 1150 days connects to the subsequent (2) 6 trumpets which connects to the subsequent (3) 1260 days final ministry which leads to the 7th trumpet Kingdom and Temple completion and Armageddon;

1. Revelation 8 is Temple Judgment and Cleansing Parallel with Daniel 8:11-14 as 1Peter4:17 in Priority; (Zech3); (Rev8:2-5) - That will be the signal of activation soon;
2. Jehovah's Witnesses Organization will be Desolated to Divine Specifications Due to Adulterous United Nations Promotional and Partisan Sins since 1991; (Dan8:11-14; Zech3:2; Hos4-8; 1Pet4:17)

A. When this initializing signal of temple judgment begins by world known desolations upon the Jehovah's Witnesses organization worldwide the timed Daniel 8:11-14 activation has begun; (Dan8:14)
B. This also initiates the final prophetic replication of temple completion significance in human history and will go over the designated time of Daniel 8:14 to Revelation 8-11 activations all the way to temple 144000 completion and Armageddon final resolution of sovereign world power;

Begin End of the World Sequence

This divine temple and priesthood judgment/purification on Jehovah's Witnesses "established place" (worldwide organization) as per Daniel 8:11-14 and Zechariah 3:1-7 will begin a modern activation of prophetic replication in major final form from this temple judgment signal to temple 144000 completion
under Christ by God; In the near future this must activate; (Zechariah 4:6-9; Zechariah 6:9-15; Revelation 11:11-19)

In fact certain elements are already repeating such as the revealing of the man of lawlessness as prerequisite to temple judgment; This is also how we know we are in inspection; (2 Thessalonians 2:3-4; Matthew 3:1) (See "It's Already Beginning to Repeat" below;)

Amazing Events and Rocking the Nations in Final Form; (Haggai 2:6-7)

This will unfold over years upon known periods of biblical prophecy upon former fulfilled patterns through the greatest set of human events to unfold in world history beginning soon; (1 Peter 4:17)

Some of These events will include:

1. The destruction and removal of the Jehovah's Witnesses' "man of lawlessness" faction (Revelation 8-9 symbolic "1/3") operating through the Governing Body and a full organization-wide globalist intel infiltration of Jehovah's Witnesses; (Zechariah 3:3-7; 2 Thessalonians 2:3-12; Hosea 1:4-7; Isaiah 66:6)

2. The world drive to and through World War IV paralleling the pillage and deposition of worldwide religious empire assets and sovereignty as Babylon the Great; (Revelation 17:11-18; Revelation 18)

3. The potential initial world proclamation of the final 8th King "UN" "image" before WW4 in "peace and security" hoax event to fool Jehovah's Witnesses into thinking this is "great tribulation"; of Daniel 11:44-45; (1 Thessalonians 5:1-3; Daniel 11:44-45; Daniel 8:23-25);

4. The final world proclamation of the final 8th King full "Scarlet Wildbeast" "image" and actual world government after WW4 in "peace and security" and the ominous "freedom from care" of Daniel 8:25; (1 Thessalonians 5:1-3; Daniel 11:44-45; Daniel 8:23-25);

5. The Kingdom and Temple 144,000 Completion after the 1260 days of Revelation 11:2-7; (Daniel 7:25-26; 12:7) that the 6 trumpets and 6 bowls arrive at for 7th bowl and 7th trumpet climax prior to Armageddon;

6. The rival 8th King globalist world rulership and the Messianic Kingdom will zenith into apex final diametric development both at the same time, just as they were born at approximately the same time as well in the 1914-1919 time period;

7. The Final Sheep and Goat Determination; (Daniel 7:26; Matthew 25:31-46)

8. Armageddon; (Revelation 16:13-18; Revelation 19:11-21)

Major Final World Warning Takes Years to Finalize - Take Advantage of It!

1. Revelation 8:6-12 Begins a Timed Four of Seven Trumpet Sequence of Guaranteed Heralds To Jehovah's Witnesses

A. Eventually the world will also know the meaning in trumpets 5 and 6 after recovery of judged and punished Jehovah's Witnesses; Hosea 7:16

B. These "trumpets" will be paralleling 7 "bowls" of "plagues" of worldwide significance empowered by this globalist world drive of global engineered intrigues permitted by God as per Revelation 15:16 which parallels Revelation 8-11's 7 trumpets;

2. Revelation 9:1-4 is the "Abyss" Recovery of Jehovah's Witnesses;

A. This "Abyss" is where the "established place" is "thrown down" into in Daniel 8:11-13;

B. This is after the Daniel 8:14 1150 days minimum, and bridges over time to the final 1260 days of the final world ministry of the "two witnesses";

3. That Temple Cleansing Purge of the "Governing Body of the Man of Lawlessness" and Jehovah's Witnesses Sins is Preparatory for Final Divine Commission to Follow in Revelation 10 "Little Scroll"; (Zechariah 3:1-7; 2 Thessalonians 2:3-12; Malachi 3:1-5)

4. Revelation 10 is the "Little Scroll" Sovereign Proclamation of Kingdom and Temple Guaranteed Completion Prior to Armageddon Finalizing the End of the Appointed Times of Permitted Rival Rulership as 2520 Days; (Revelation 11:2-3 Fulfills Twice in History)

5. Revelation 11 is the Final Worldwide Sovereign Ultimatum of Jehovah God and Christ Through the Final "Two Witnesses" World Ministry;

A. This activates the final 1260 days for the second time in world history;

6. Revelation 11 is the Completion of Kingdom and Temple in One Prophecy that Repeats in Initial (1914) and Final (Future) Form for "Seven Times" Decree of 2520 Days; (Revelation 11:2-3 1260 Days X 2; Revelation 11:15-19 Kingdom and Temple completion)

7. Revelation 8-11 Will Begin and End with Jehovah's Witnesses (1 Peter 4:17; Revelation 11:15-19) and is the Final Progression of Prophecy to Christ's Final Arrival in Full Power;

Jehovah's Witnesses Jolted to Reality Soon

1. As Jehovah's Witnesses figure out from God that the "Governing Body" became an implanted 8th King intelligence control team which aided the desolation of the Bethel "established place" worldwide, permitted by God due to enormous UN and other sins, the final replication of temple prophecy will be well underway; (Daniel 8:11-13; 11:30-31; 2 Corinthians 11:13-15; 2 Thessalonians 2:3-12; Zechariah 3:1-3)

2. What will also be underway in the context of this temple event is the 8th King globalist world drive to World War 4 and it's world distractions and intrigues to absorb...
and depose "Babylon the Great" religious assets and sovereignty among other goals;

3. This final World War 4 development is also to present the final 8th King globalist world government as this world war, like world war 1, 2 and 3, is also conveniently resolved for this "world peace" purpose for the fourth time presenting the "disgusting thing"; (1Thess5:1-3)

4. The exact pattern of 1914-1919 and Satan's creation of World War 1 for distraction and diversion from God's Kingdom Birth towards initial rival world government set-up as the "League of Nations" will also be repeating in major final form for the same objectives as World War 4 develops repeating this pattern to present the final 8th King globalist elite world government;

It's Already Beginning to Repeat

1. The exposure of the lawless globalist 8th King supporting Governing Body of Jehovah's Witnesses is a replication of the "man of lawlessness" manifestation in major final form; (2Thess2:3-4)

2. The sins and denial of Jehovah's Witnesses as a "nation" replicates Israel in Hosea's time in the whole book of Hosea and is also repeating prophecy now by this reality today;

A. Hosea applies to today's Bethel of Jehovah's Witnesses worldwide organization;

3. God's judgment on all of these Jehovah's Witnesses' systems is in Revelation 8 parallel with Daniel 8:11-14, Zechariah 3, Malachi 3:1-5, 1Peter 4:17 in final major temple judgment and purification form leading to temple completion;

Final 1-2-3 Sequence

1. This provides a timed initiation signal in 2300 "evenings and mornings" (1150 days minimum) of organizational permitted trampling/desolation in Daniel 8:14 timed prophecy as the parallel activation of Revelation 8:2-5;

2. That bridges Revelation 8-9 six major Jehovah's Witnesses directed trumpet heralds from God's angels to extend in time during/after the 1150 days minimum to the 1260 days of Revelation 11;

3. The 1260 days of Revelation 11 is the final warning period prior to the final 7th trumpet heralding Kingdom and Temple completion;

That is why this initial hit on the Jehovah's Witnesses worldwide organization is a critical signal event to manifest soon;

The Commencement 'Signal' Will Be Known Worldwide

1. When the Jehovah's Witnesses "established place" is desolated soon worldwide over a number of years, we all will know what it really means in prophecy and why; (Dan8:14)

2. This Governing Body of Lawlessness (Rev8:10-11) is not going to tell Jehovah's Witnesses what this means (Dan8:12) they are not anointed or Christian; they are betrayers ("son of destruction"; 2Thess2:3-4) with the globalist 8th King (Dan11:31b);

3. The Governing Body of Jehovah's Witnesses and a lawless infiltration organization-wide (Dan8:12; 11:30; 11:41) will be internally aiding and leading the God permitted globalist "established place" desolation period of Daniel 8:11-14 upon the Jehovah's Witnesses "established place of the sanctuary" until they are removed as Zechariah 3:4-7 and Hosea 1:4-7 finalize in temple purity by fire; (Zech3:2; Mal3:1-5);

Revelation 8 and 16 Parallel - The Foursquare Earth Symbolic Totality of the First Four Trumpets and Bowls

Background

1. To aid understanding of this Revelation 8 prophecy, which is about to go into modern activation in the near future with the modern final Temple judgment activation (1Pet4:17; Daniel 8:11-14; Zechariah 3; Malachi 3:1-5; Rev8:2-5), we must recognize Revelation 8-11 and 15-16 are repetitive prophecies; That is the entire Revelation 8-11 cycle will repeat all details of the initial fulfillment to completion;

A. The initial prophetic cycle fulfilled in minor fashion in 1914-1918; (1260 Days); 1919-1922; (1290 Days); 1922-1926; (1335 Days);

B. The significance of the initial cycle was the announcement and proof of the prophetically indicated Temple foundation and Kingdom birth events with an announcement of the Sovereign authority of God's Kingdom;

2. This manifested with Biblical scriptural prophetic evidence and great world events and distractions in the divinely timed series of Kingdom birth and Temple foundation significance from Daniel 12:7; 7:25 (Links to Rev11:2-3 time signature; 1260 Days; 1914); to Daniel 7:26; 12:11 (1290 Days; 1919); to Daniel 12:12 (1335 Days; 1922) ;

A. This provides the basis of the Jehovah's witnesses ministerial theme of Kingdom sovereign proclamation since 1914 and this will repeat in major Temple completion to officially end all rival earthly sovereign power opposed to God and Christ; (This will complete a divine "seven times" decree;)

B. That timed series of the 1260 days initial fulfillment began in 1914 as the 2520 years of the "appointed times of the nations" of permitted sovereign rivalry with God's Kingdom expired as per prophecy; (Luke 21:24; Dan4:16, 23, 25, 32)

3. That 1260 day period thus began the final warning campaign in days in October of 1914, and replicates in another 1260 day fulfillment in the near future that will also complete "seven times" as 1260 days + 1260 days totaling 2520 days in a split fulfillment over Temple foundation and Temple completion phases;
1. Revelation 8-11 parallels Revelation 15-16 and also parallels the general events and conditions that progressively develop through the 7 trumpets (upon Jehovah's witnesses) and 7 bowls (upon the global system) that deploy sequentially and concurrent with each other;

2. This is a linear sequence of unknown length whose 6th trumpet and 6th bowl event lead to the final 1260 days of the Revelation 10-11 "little scroll" final sovereign warning and proclamation that God's Kingdom will give prior to Armageddon;

3. This series of sevens all lead to the same place: Kingdom completion and conquest of the world and earth planetary system in totality by the Messianic Kingdom of Christ and the Kingdom of God; (Daniel 2:31-45; Rev11:15-18; Rev16:17-18; Rev6:12-17)

4. The Temple and Kingdom of God complete and go into open global worldwide manifestation prior to Armageddon as that event of Temple and Kingdom completion commences the Daniel 7:26; 12:11 1290 day Christ Court final judgment of the sheep and the goats prior to Armageddon;

The Final Sequence of Prophecy Over Years

The Temple judgment timed period of Daniel 8:14 leads to the 6 trumpets and bowls of Revelation 8-9; 15-16 that lead to the Revelation 10-11 1260 day second and final "two witnesses" final warning; that leads to Kingdom and Temple completion (Full 144000 under Christ) that commences the 1290 days period prior to Armageddon which develops at an unknown time in the 1290 day Christ Sovereign Court period of Daniel 7:26 paralleling Matthew 25:31-46 and Revelation 14:14-20;

**Revelation 8 - 7 Trumpet Sequence Details Upon Jehovah's Witnesses "Earth" System**

1. This examines the meaning of the first four trumpets and bowls as related to "earth" foursquare symbolic quad-sequence of Revelation 8;

2. There is a meaning to the first 4 trumpets (and bowls) in symbolic foursquare "earth" comprehensive symbolism and import to the totality of the "earth" systems represented that they are heralding information of judgment (trumpets) and plagues (bowls) to;

3. Revelation 8 and 16 isolate the symbolic four earth focus in description;

---

**Revelation 8 Temple Judgment - First 4 Trumpets and Jehovah's Witnesses**

1. This all concerns the final fulfillment of the near future which will replicate Revelation 8's four trumpets;

2. Revelation 8's first four trumpets symbolically concern Jehovah's witnesses "earth" in the "1/3" compromised profanations of the "man of lawlessness" (2Thess2:3-4) by then under direct active temple judgment of God as shown in Revelation 8:2-5's unique "altar fire" cleansing of Zechariah 3:2's "fire" and Daniel 8:14 Temple judgment purifications of the Temple priesthood purifications of Zechariah 3:4-7; (Parallels Malachi 3:1-5)

3. As we see Revelation 8:1-6 "altar fire" event is before the deployment of those first four trumpets being blown and their meanings in judgment; (The meaning of the judgment being heralded;)

4. This "fire" is a purification, that may involve traumatic desolations to the "established place"; the Jehovah's Witnesses worldwide organization; (Eze9-10; Isa6; Zech3:1-7; Mal3:1-5)

(Revelation 8:1-5) And when he opened the seventh seal, a silence occurred in heaven for about a half hour. 2 And I saw the seven angels who stand before God, and seven trumpets were given to them. 3 And another angel arrived and stood at the altar, having a golden incense vessel; and a large quantity of incense was given to him to offer it with the prayers of all the holy ones upon the golden altar that was before the throne. 4 And the smoke of the incense ascended from the hand of the angel with the prayers of the holy ones before God. 5 But right away the angel took the incense vessel, and he filled it with some of the fire of the altar and hurled it to the earth. And thunders occurred and voices and lightnings and an earthquake.

---

First Four Trumpets

1. After this required initial Temple purifying fire event (in a prophetic timed period; Dan8:14); (Zech3:2; Mal3:1-5), as Jehovah's witnesses "earth" "altar fire" purification process, we see the seven angels are prepared to herald, to "trumpet" the judgment unto this symbolic "earth" target; Jehovah's Witnesses worldwide in four trumpets upon related to symbolic "earth" elements;

A. Revelation's first four bowls also relate to a four-squareness of the "earth" elements receiving those plagues concurrently approximately; (Rev16:1-9)

B. What is causing this event is a worldwide 8th King development cycle also activating with notable world events and events on the Jehovah's Witnesses worldwide organization parallel and progressive; (As shown in prophecy in Daniel and Revelation in detail;)

Trumpet 1

1. The first trumpet aims at a totality of this "earth" as a comprehensive whole as the symbolic target of the "1/3" effect upon Jehovah's witnesses is the target for a reason; infiltration and spiritual profanation operations in Jehovah's witnesses worldwide organization as per prophecy for the final fulfillment cycle;

A. This still honors the principle of apostasy that Christendom typified in initial fulfillment trumpet heralds of the 1922 period forward, but this applies to an apostasy that has developed inside the Jehovah's Witnesses "earth" system, "in the temple of the God" and is the target of this purification to be removed from Jehovah's witnesses; (2Thess2:3-4; Zech3:1-3);

2. This implies a temple signal with massive events are in store to break out upon the worldwide organization of Jehovah's Witnesses to accomplish and fulfill the
And the seven angels with the seven trumpets prepared to blow them. And the first one blew his trumpet. And there occurred a hail and fire mingled with blood, and it was hurled to the earth; and a third of the earth was burned up, and a third of the trees was burned up, and all the green vegetation was burned up.

3. Then the sub elements of the "earth" are detailed as to the effects of this divine Temple judgment process on the Jehovah's Witnesses "earth's"; (Rev8:7) "sea"; (Rev8:8), spiritual "light"; (Rev8:10-11) and overall spiritual enlightenment "lights"; (Rev8:12);

Trumpet 2

1. This final fulfillment mode meaning of the "burning mountain" is also related to the initial fulfillment mode of 1922:

(Revelation 8:8 And the second angel blew his trumpet. And something like a great mountain burning with fire was hurled into the sea. And a third of the sea became blood; 9 and a third of the creatures that are in the sea which have souls died, and a third of the boats were wrecked.

Revelation—Its Grand Climax at Hand! chap. 21 p. 135 par. 24 Jehovah’s Plagues on Christendom

"But the mountaneous mass that John sees is still burning. Its being hurled into the sea well represents how, during and after the first world war, the question of government became a burning issue among mankind, especially in the lands of Christendom."

2. But today the governmental issue is not of competing national scale ideologies, but of globalist scale overall developments of progressive dominating power that are the actual foremost modern world governmental development in the world today;

3. This development of globalism as the basis of the 8th King power affected the Jehovah's Witnesses organization with globalist "man of lawlessness" compromises in the Governing Body that resulted in aligning and joining the Jehovah's Witnesses to the United Nations family of organizations;

A. Then the Governing Body completely stalled in 1990 level of scriptural awareness and covers up the significance of globalization as an "expression" of development of Revelation 16:13-16 to "gather" all the nations into one globalist based unification; (Dan8:12)

B. Most Jehovah's witnesses have never even heard of these globalization conceptual basics as a progressive reality of world power, as Jehovah's witnesses are also encouraged to prefer TV over the web portals of live information; to avoid all ministerial and research contact with the internet if at all possible;

4. That globalist inspired issue will be made public in awareness in the near future by this second trumpet to Jehovah's Witnesses and eventually the world as this judgment progresses after full activation to become part of the cleansed Jehovah's Witnesses final world ministry;

A. That is the progressive globalization governmental development issue this infiltrated Governing Body has been covering up since 1990, when the United Nation's third placement (3 of 4 foretold) as world governmental forum fulfilled Daniel 11:30-31 at that time to a mum Governing Body; (Dan11:30; 8:11-12; Zech3:1-3)

5. Eventually the Governing Body spoke up, but...

A. Instead the Governing Body and Watchtower Bible and Tract Society (WTBTS) became a United Nations partnered advertising and proclamation unit and organizational member;

B. Instead the Governing Body spearheaded the fulfillment of Daniel 11:31b in the "they will certainly place the disgusting thing" along with the United Nations partisan two-horn wildbeast authorities;

C. These are the actual globalist "King of the North" powers from Daniel 11:30 forward; not the failed deposed USSR Soviet national bloc;

D. They did this globally for 10 years of ongoing door to door promotional campaigns and cleverly covert in numerous WTBTS publications as a premiere but secretive United Nations Non-Governmental Organization of the Department of Public Information (UN NGO DPI) from 1991 to 2001;

Trumpet 3

1. Thus the former initial 1919-1926 fulfillment compromise of Christendom's clergy in relation to this same "disgusting thing" in 1919 (League of Nations), is now the related globalist governmental compromise of the spiritually fallen Governing Body and the Jehovah's witnesses worldwide organization in final fulfillment meaning now;

(Revelation 8:10 And the third angel blew his trumpet. And a great star burning as a lamp fell from heaven, and it fell upon a third of the rivers and upon the fountains of waters. 11 And the name of the star is called Wormwood. And a third of the waters turned into wormwood, and many of the men died from the waters, because these had been made bitter.

Trumpet 4

1. And this infiltrated compromise led by the globalist Governing Body sub-agency of the United Nations has affected the Jehovah's Witnesses ministry since the Governing Body went into lifted up' power coup in 1976 in hindsight of trends and sinful anomalies covered up that they have introduced and promoted:

(Revelation 8:12 And the fourth angel blew his trumpet. And a third of the sun was smitten and a third of the moon and a third of the stars, in order that a third of them might be darkened and the day might not have illumination for a third of it, and the night likewise.

2. Thus 1/3 of the "Lord's Day" since 1914 has been profaned by this "gradual" (Dan8:12) taking of full "lawless one" control under a mastery of deception (Dan11:30) now being exposed publicly prior to Temple judgment as per prophecy; (2Thess2:3-4; Mal3:1-3) since at least 1976 in progressively manifest sinful policies and activities;

3. The final three trumpets are set apart by this meaning of the four trumpets, and as 3 separate woes with the final three trumpets;

(Revelation8:13) And I saw, and I heard an eagle flying in midheaven say with a loud voice; “Woe, woe, woe to those dwelling on the earth because of
the rest of the trumpet blasts of the three angels who are about to blow their trumpets!

Trumpets 5-6

1. The 5th and 6th trumpets of the recovery of Jehovah's witnesses from the Revelation 9:1-2 "abyss" state are empowered with the heralding news of this reality, and the "thunders occurred and voices and lightnings and an earthquake" of the Temple purification purge commencement aids this enlightening update in Temple judgment;
2. The first four trumpets will follow this Temple judgment event of great prominence in the near future; as Daniel 8:11-14 timed 1150 days of minimum Temple purification judgment period parallels the purifications of the anointed Jehovah's Witnesses Christian priesthood in Zechariah 3, in the Malachi 3:1-5 final fulfillment post inspection visitation; (Isa66:6);

Important Parallels

1. The globalist aligned Governing Body of Jehovah's Witnesses are the main spiritual lawlessness and prophetic coverup perpetrators that must be removed soon;
2. These trumpet events will have a worldwide counterpart development in the Revelation 15-16 seven plagues of the seven bowls which will also activate along with this prominent multi-faceted event series of parallel prophecy globally;
3. This is a prophetic linear cycle bridging to the final world ministerial 1260 days of Revelation 11:1-19 second "two witnesses" announcing the contents and meaning of the Kingdom of God sovereign proclamation of the Revelation 10 "little scroll" of guaranteed universal and earth conquest as final warning prior to the 7th trumpet totality;

Revelation 16 - 7 Bowl (Plague) Sequence Details Upon the Worldwide System

1. These seven bowls parallel the seven trumpets to a worldwide climax of Kingdom completion;
2. The first four bowls also relate to a foursquare symbolic "earth" focused meaning in regard to the entire world system, just as the first four trumpets related to the entire Jehovah's Witnesses "earth" symbolic meaning;
3. We see too the overall "earth" comprehensiveness of the seven bowls, like the seven trumpets, is the target of all the seven bowls in overview as well upon a whole "earth" by all the plagues; (Rev16:1)
4. These signify specific meanings to the elements of the "earth" they target in the sequence as well as the wholeness of the "earth" meaning symbolically in the entire development respectively;

(Revelation 16:1) And I heard a loud voice out of the sanctuary say to the seven angels: “Go and pour out the seven bowls of the anger of God into the earth.”

Bowl 1

(Revelation 16:2) And the first one went off and poured out his bowl into the earth. And a hurtful and malignant ulcer came to be upon the men that had the mark of the wild beast and that were worshiping its image.

1. By this time national and globalist governmental worship and predatory systems (Rev13) are fully affecting most of mankind involved in this final development knowingly or unknowingly at every scale and station of human society progressively and in complex ways of hierarchical intrigues across and in many nations;

Bowl 2

(Revelation 16:3) And the second one poured out his bowl into the sea. And it became blood like of a dead man, and every living soul died, [yes,] the things in the sea.

Bowl 3

(Revelation 16:4) And the third one poured out his bowl into the rivers and the fountains of the waters. And they became blood.

1. Collectively in bowls 2 and 3 the "blood" meaning is a death like spiritual state of these systems exacerbated by progressive globalism infecting the entire world system to meet it's world domination ends, as well as the general Adamic terminal state, compounding system error and demon guidance;
2. Since 8th King world domination is not an instant event, these are progressive results as the various national systems begin to feel the effects of a world heading to and through a last world war conflict to birth a globalist government presentation for the fourth time, but with an actual world governmental super-structure in operation as apex "scarlet wildbeast" global authority;
3. A world war cycle is the accelerating process by which Babylon the Great's religious power, sovereignty and wealth can be deposed worldwide in the same general time period across multiple nations;
4. National powers are led to Babylon the Great's assets by their own multi-trillion indebtedness to the overall globalist credit system as Daniel 11:42-43 and Revelation 17:12-18 also climax in development towards globalist dominant sovereign power;
5. This is the obvious route to a new world financial hope for the national powers; the recovery of Daniel 8:25 "freedom from care" that provides the final "peace and security" of 1Thessalonians5:1-3 prior to the final attack after World War 4 is resolved placing the final "New World Order" UN 4.0;

Progressive World Judgment
1. We see the judgment that started with Jehovah's witnesses in this progression in Revelation 8, as per 1Peter4:17 stated commencement priority, extends in time to the whole world entering a divinely foretold and proclaimed judgment cycle with phases, that must progress to the final judgment of the Daniel 7:26 "court" at Armageddon;

A. The judgment of Jehovah's witnesses signals this has begun; (1Pet4:17) but takes a number of years to fully unfold prophetically and in world events foretold in detail;

2. Before that finale time of Armageddon the "sheep and goat" judgment will be completed as well as Matthew 24:29-31 manifests as Revelation 6:12-17 "gathering" to Kingdom/Temple completion prior to Armageddon;

3. God is using these initial globally dispersed dysfunctions fulfilling prophecy live and real-time to encourage people to repent to salvation and explaining the meaning; while also permitting the overall effects of elite and demon rulership going into terminal development as part of the "rocking";

4. We must realize God is permitting these globalist inspired intrigues to plague the world progressively as part of the actual "rocking the nations" becoming literal, to inspire repentance in those who these plagues affect the awareness of but inspire the recognition that this is all foretold, and they can repent and live; (Hag2:6-7);

(Relation 16:5-7) And I heard the angel over the waters say: "You, the One who is and who was, the loyal One, are righteous, because you have rendered these decisions, 6 because they poured out the blood of holy ones and of prophets, and you have given them blood to drink. They deserve it." 7 And I heard the altar say: "Yes, Jehovah God, the Almighty, true and righteous are your judicial decisions."

1. But many are not repenting at this time, and so the request of Revelation 6:10 for divine vengeance is getting a prelude as people are fully affected by the governments and powers they have supported in human error coming to a climax condition of tribulations in various forms worldwide as the world goes into it's final terminal progression to Great Tribulation and Armageddon over a number of years; (Matt24:29; 24:21-22; 1Thess1:6-10);

2. God is mapping this progression over these years upon known prophecy also being proclaimed after the Jehovah's Witnesses are properly purified, adjusted and freed of the counterfeit undercover globalists in power at Bethel;

3. That is also why Jehovah's Witnesses must be judged and purified first; (1Peter4:17) because that ministry must continue free of "man of lawlessness" obstructions to announce the truth; (Zech3:4-7)

Bowl 4

(Relation 16:6-9) And the fourth one poured out his bowl upon the sun; and to [the sun] it was granted to scorch the men with fire. 9 And the men were scorched with great heat, but they blasphemed the name of God, who has the authority over these plagues, and they did not repent so as to give glory to him.

1. The symbolic "sun" here, by this time, is apex globalist 8th King power as the progressive super-sovereign system over earth controlling national powers like puppets; (Dan11:42-43);

2. The "scouring" is thus by remote pyramidal hierarchies of globalist control to affect the national masses in various ways as the nations are purposely drawn into controlled dysfunctions to control the nations toward Babylon the Great's massive religious hard assets and established wealth systems to absorb those for globalist needs of the final cycle;

3. The national powers are also required to worship the globalist wildbeast to survive and retain the now illusion of sovereignty; (Rev13:5; 16-18; Rev17:12-18)

Bowl 5

1. The 5th and 6th bowls break from the four-square earth pattern as well, as they parallel the recovery 5th and 6th trumpet heralded ministry of Jehovah's witnesses in a purified state (Rev9:1-21) whose updated information aids the effect of these plagues meaning to the world while they are occurring;

(Relation 16:10-11) And the fifth one poured out his bowl upon the throne of the wild beast. And its kingdom became darkened, and they began to gnaw their tongues for [their] pain, 11 but they blasphemed the God of heaven for their pains and for their ulcers, and they did not repent of their works.

Globalism Spotlight and Globalist Container

1. We know from the significance of globalist 8th King developments in the second and third trumpets regarding world governmental objectives in open divine exposition, that the "throne of the wildbeast's" aspects of globalist 8th King domination is being fully exposed by God;

2. This exposition is significant because it finally accurately combines every defiant zenith symbol and events in various prophecies into one 8th King globalist overall meaning of the globalist 'scarlet wildbeast';

A. The "King of Fierce Contenance" of Daniel 8:23-25, is also in the "King of the North" sovereign symbol of globalist world defiance to God's Kingdom climaxing at Daniel 11:44-45; they are the same event and the same as the 8th King "scarlet wildbeast" full bodied world governmental system;

B. And this globalist dominant power leads all the "kings of the earth" to the battle of Armageddon "gathering" as a multi-national array of nations worldwide progressively controlled and collected into the 8th King "scarlet wildbeast" globalist world unification with the final effect being the Revelation 19:19-21 mass defiance against God's Kingdom as the identical, the very same world climax event of Daniel 8:25; 11:44-45; (Hence Revelation 16:13-16)

C. And that whole globalist unification, guiding the national collective whole, are all led by "Gog of Magog" (Satan and the demons) as the Satanic overlords of the entire defiance at Ezekiel 38-39; is Revelation 20:1-3; Isaiah 24:21-23

D. It is ALL the same globalist dominated power system, that has gathered all the national powers into an affront on God's Kingdom after full warning has been given to this globalist 8th King system while the Messianic Kingdom is completing in their face; (Zech4:6-9)

3. That culminating world sovereignty issue is all resolved globally (Rev19:11-21) and universally (Rev20:1-3) at Armageddon;
4. That Biblical exposure of globalist reality of control is to become a plague for the overall wildbeast system national and globalist as this progresses over a number of years commencing in the near future, but irreversible all the way to Armageddon; (Joel3:9-18; Rev16:13-16; 14:14-20; Dan7:25-26; Dan12:1-12; Dan2:31-45; Zeph3:8)

5. That paralleled the Governing Body of Jehovah's Witnesses as also globalist partisan UN operations in those applicable trumpet exposés;

6. The Governing Body of this criminal racket is removed from Jehovah's Witnesses in any spiritually authoritative capacity before the finale upon world globalist powers; (2Thess2:3-12; Zech3:1-10)

**Bowl 6**

**Armageddon Meaning Intensifies as Babylon is Opened Up**

1. Significant here is the fact that the apex crystallization (Rev17:11-17) of the multi-national defiant gathering (Rev13:11-15) into globalist full 8th King centered world governmental unification fully develops in the 6th bowl plague;

2. These final culminations are delayed into the end of the series of seven bowls and trumpets;

(Revelation 16:12) And the sixth one poured out his bowl upon the great river Euphrates, and its water was dried up, that the way might be prepared for the kings from the rising of the sun.

**Babylon's Euphrates Dries**

1. Significant as well, is the opening up of the Babylon the Great "Euphrates river" defense system to aid this consolidation of globalist power as resources are shifted from religious sovereignty use worldwide, to national recovery worldwide, to the globalist top systems to aid the globalist controlling gathering of these desperate national powers into the globalist "scarlet wildbeast" zenith sovereign power system actuality that this culminates as; (Rev17:12-18; Dan11:42-43)

2. And this deposition of global religious assets and sovereignty resourcefully aids the final culmination of the consolidative and globalist unification meaning of this conglomeration in full apex defiance to God and Christ's Kingdom authority based on this globalist "north" apex power and authority over earth;

(Revelation 16:13-14) And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire inhabited earth, to gather them together to the war of the great day of God the Almighty.

(Revelation 16:15) “Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness.”

(Revelation 16:16) And they gathered them together to the place that is called in Hebrew Har–Magedon.

**Bowl 7**

1. And that is that, both "Kingdom" systems of the 8th King globalists controlling many nations and Christ's Messianic Kingdom are ready to settle it once and for all, apexing at the same time, with minds set on the same planet earth;

A. The stage is set for the worldwide Armageddon "place" war;

2. The 7th trumpet Kingdom completion of the "Christ Air Event" of the 7th Bowl parallels 1Thessalonians4:17 which parallels 2Thessalonians1:6-10 which must develop from this final 7th plague to full manifestation of Kingdom gathering as well activating Matthew 24:29-31 as Revelation 6:12-17;

(Revelation 16:17-18) And the seventh one poured out his bowl upon the air. At this a loud voice issued out of the sanctuary from the throne, saying: “It has come to pass!” 18 And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great.

This parallels the 7th trumpet climax event of Kingdom completion of all 144000 under Christ:

(Revelation 11:15-18) And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: “The kingdom of the world did become the kingdom of our Lord and of his Christ, and he will rule as king forever and ever.” 16 And the twenty-four elders who were seated before God upon their thrones fell upon their faces and worshiped God, 17 saying: “We thank you, Jehovah God, the Almighty, the One who is and who was, because you have taken your great power and begun ruling as king. 18 But the nations became wrathful, and your own wrath came, and the appointed time for the dead to be judged, and to give [their] reward to your slaves the prophets and to the holy ones and to those fearing your name, the small and the great, and to bring to ruin those ruining the earth.”

This is a summary recap of the whole sequence:

(Revelation 16:19-21) And the great city split into three parts, and the cities of the nations fell; and Babylon the Great was remembered in the sight of God, to give her the cup of the wine of the anger of his wrath. 20 Also, every island fled, and mountains were not found. 21 And a great hail with every stone about the weight of a talent descended out of heaven upon the men, and the men blasphemed God due to the plague of hail, because the plague of it was unusually great.

**Summary**

1. This six trumpet sequence bridges the period of unknown time between temple judgment (Rev8:2-5) to purifications to the final "two witnesses" sovereign Kingdom warning of God unto the 7th trumpet;
2. Revelation 8:2-5 is the temple judgment of Daniel 8:11-14 as the purifying "fire" event of Malachi 3:1-5 and Zechariah 3:1-7;

3. We see this must go on for several years marked by world known events and prophetic periods; Dan8:14; (Temple judgment timed 1150 days); Rev8-10 (trumpets to final ministerial commission unknown time period); Revelation 11:2-3 (Deployment of final "two witnesses" 1260 day period prior to Temple completion in full 144000 Kingdom "body")

4. The Jehovah's Witnesses Temple system recovery and recommissioned ministry (Zech3:4-7; Rev9-10) must precede the cycle to unfold after (1Peter4:17) so that the world and rival sovereigns can be made aware of the significance of the temple judgment, and what will follow it for a number of years through huge world events;

5. We see this must go on for several years marked by world known events and prophetic periods; Dan8:14; (Temple judgment timed 1150 days); Rev8-10 (trumpets to final ministerial commission unknown time period); Revelation 11:2-3 (Deployment of final "two witnesses" 1260 day period prior to Temple completion in full 144000 Kingdom "body")

6. Globalist apex world sovereign development is a theme being explained which is currently being covered up by the Governing Body of Jehovah's Witnesses;

7. The Governing Body is shown as the "man of lawlessness" clearly "in the temple of the God" as they are a well developed, hidden, planned and deployed globalist UN partisan infiltration operations seen by incontrovertible evidence of lawless sanctions and policies in compounding massive sins of adultery, reproach and bloodguilt of stumbling willfully being covered up and or excused;

A. As such they are not done attempting to deceive and aid the desolation of the Jehovah's Witnesses worldwide organization in globalist 8th King support;

B. As such they are the target of the divine purge from God's powers shown as angelic in the purification prophecies of Zechariah 3:4-7 and Revelation 8;

8. The internal Governing Body aided operations will be supporting external globalist world events as usual, and this will converge as the judgment time period expires with God's move on the Governing Body and the Jehovah's Witnesses in the 1/3 organizational compromise as per Revelation 8-9;

**Temple Judgment Soon**

Now that 2Thessalnoians 2:3-4 is fulfilled in this prerequisite signal revelation of foretold and purposeful lawlessness in the Jehovah's Witnesses' Governing Body and logically throughout the organization, the temple judgment events can proceed at any time now;

(2 Thessalonians 2:3-4) 3 Let no one seduce you in any manner, because [temple judgment commencement] will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god.

**Zechariah 3 Leads to Final Actual & Trumpets**

= About Zechariah 3

1. Zechariah 3:1 is a judicial court scene with Satan and Joshua's "attorney" before God.

2. Zechariah 3 was written AFTER the Jerusalem temple foundation (536 BCE) in 520-518 BCE.

3. Zechariah 3 is written mainly for temple COMPLETION, and parallels the inspection, as per Zech3:1-3 of Malacho3:1-5.

4. Zech 3 is an inspection that leads to a cleansing assisted by angels (Zech3:4-7)

5. The "lawless one" cleaned out also parallels this prophecy with 2Thessalonians 2:3-9.

= Zechariah 3 Ties to Revelation 8:1-5

1. That cleansing is an answer to prayers; Rev8:3;

2. That cleansing must fulfill prophecy;

3. Both accounts involve angels.

4. All prophecies of temple COMPLETION must fulfill.

5. Temple COMPLETION is also Kingdom completion, and that is beyond 1914's scope of fulfillment.

= Zechariah 3 Leads to Final Fulfillment 7 Trumpets of Revelation 8-11

1. That is how Zechariah 3 leads to the final 7 trumpet world sequence from heaven;

2. The 7th Trumpet is the third woe total conquest of the kingdom of God;

3. The Messianic Kingdom completes slightly before that conquest as per Revelation 10:7, slightly before the 7th trumpet;

4. That is also when the temple 144000 completes;
As in Jerusalem's typical temple completion of 515 BCE, the immortal temple of God in 144000 will also complete in the face of the enemy systems; Jehovah's Witnesses Must Be Cleansed and Upgraded

1. The first six trumpets of Revelation 8-9 contain an upgrade enlightenment, clarified explanations, expanded scope and exact message of judgment and herald the final judgments that came upon the JW "house" first - to cleanse it (Rev8:1-5); (1Pet4:17 is Rev8:6-13)

2. This final judgment to soon come upon the WHOLE world as well, after this initial trigger event of Zechariah 3; Rev8:1-5, will be carried out by Jehovah's witnesses anointed and "other sheep" approved to continue Revelation 9 all the way to the final "two witnesses" over an unknown time period.

3. This divine clarification and cleansed ministry with removal of all frauds in the JW temple system continues the worldwide ministry of JWs (from 1919 Rev8/9) with an upgraded exact "little scroll" truth.

4. That means Revelation 9 must bridge to the final second "two witnesses" of Revelation 11.

5. That leads from Revelation 9 to the 7th Trumpet end of the world of the rival sovereigns of the "Kingdom of the World"; (Rev11:15-18; parallel Temple completed at Rev11:19)

Revelation 8-11 Parallels Revelation 15-16

This parallels Revelation 8-11 with Revelation 15-16 in final fulfillment of the near future.

Revelation 15 is the final precursor 144000 completion "great sign seen in heaven" as part of the "enlightenings" of Revelation 8:5 cleansing and subsequent "lightnings and voices" of truth.

These heralds guarantee from prophecy that the 144000 will complete in the duration of this series at it's "7" climax as the 7 trumpets parallel the 7 bowls finality through to Armageddon final battle of Rev 19:19-21; Rev20:1-3.

Like Isaiah 6 and Isaiah's cleansing for divine commission, the "sanctuary of the tent of the witness" is also filled with the smoke and glory of God; Rev8:1-5, Rev15; Isa6

This incomplete temple "tent" is not accessible as it, the "tent", awaits finalization of the completed 144000, the finished and completed Temple of Jehovah; Christ headstone set; Zech4:6-8

Jehovah's Witnesses Final Ministry Parallels it All Through GT

Jehovah's Witnesses clarified final ministry in the near future will parallel on earth these final 7 trumpets, and final 7 bowls.

This means this will ALL come true, WHILE Jehovah's witnesses are in climax mode of prophesying worldwide!

This leads to Revelation 16:17 and the great "air event" of that 7th bowl poured on the 'air'; (Ephg2:2; 6:12; 1Thess4:17)

This must find a small number of surviving anointed, "who are surviving" that Christ must gather (1Thess4:17; Luke17:37), in God's timing, not that of the wildbeast kills of Rev6:9-11 (Rev11:1-12), to complete the 144000 at this time.

The Seventh of Everything

This 7th bowl event slightly precedes the 7th trumpet, and aligns with Revelation 10:7, and leads to absolute total conquest of earth; (Dan7:25-26; Rev19:19-21) and the universe; (Rev20:1-3)

Since Jesus Christ is the glorified "headstone", the 144000 are completed at Revelation 16:17 "it pass come to pass", which will herald the final 7th Trumpet total universal and earth conquest of Revelation19.

Zechariah 3:4 Triggers the Preparation for the 7 Trumpets

This is more important than it may appear.

The big question: Where does Zechariah 3 link to the final Revelation cycle?

As we already can figure out now, Zechariah 3:2-9 parallels Malachi 3:1-5, the temple visitation in inspection (Zech3:1-3) and clean-out (of lawlessness in JW temple) (Zech3:4) that will have continued clarifications* and refinements as per Malachi 3 final fulfillment. (*The "lightnings" and "voices" of Rev8:5)

These clarifications will affect the truth greatly - revealing a certain mode of final fulfillment based on the minor mode of initial fulfillment in 1914.

That is shown in the new "lightning" of Revelation 8:5, and the "voices" of explanation that follow that Revelation 8:1-4 fire cleansing in response to the "prayers of all the holy ones" in Revelation 8. That cleansing by altar fire, is similar to Isaiah 6, where Jehovah enters the temple in smoke and glory similar to Revelation 8:2-4, and Revelation 15.

Revelation 8:1-5 parallels Revelation 15:1-8, where the "tent", a symbol of an incomplete temple, is also filled with smoke. It also sees the 7 angels with the bowls prepare to pour them out as well.

The angels of the 7 trumpets and 7 bowls parallel each other, as Revelation 8:6-16; Revelation 9-11 parallels Revelation 16's seven bowls. They all end up at the same place, temple completion and kingdom completion to total conquest.

For your information the "great crowd" of Revelation 19 is the 144000 completed, before they are involved in delivering the "great crowd" of earth.

So Jehovah has shown, Zechariah 3:1-9 is the cleansing of Revelation 8:1-5, and the 7 trumpets and Revelation 16 "bowls of God's anger" in final fulfillment will lead to and overlay the "little scroll" eaten, and the final second "two witnesses" of Revelation 10 and 11 respectively.

So, this information is good to have.

When this hits the JW "house" first, as per 1Peter 4:17 (Eze3), we will know what will soon follow. The "lightning" and "voices" MUST get into the mainstream JW system through the anointed made aware of ALL this, which transpires after the "lawless one" is revealed and neutralized.

That is why this is more important than it appears. It is the lead in to the final chapter of this period!

= Zechariah 3 Leads to Final & Actual Seven Trumpets - Revelation 8-11 Will Parallel Revelation 15-16

= About Zechariah 3

1. Zechariah 3:1 is a judicial court scene with "prosecutor" "resister" Satan and Joshua's "attorney" angel before God;
2. Zechariah 3 was written AFTER the Jerusalem temple foundation (536 BCE), written in 520-518 BCE along with the book of Haggai;
3. Zechariah 3 is written mainly for temple COMPLETION, and parallels the "temple inspection", as per Zech3:1-3 parallele of Malachi3:1-5;
4. Zechariah 3 is the "temple inspection" that leads to a cleansing assisted by angels (Zech3:4-7 parallels Rev8:2-5);
5. The "lawless one" cleaned out also parallels this prophecy with 2Thessalonians 2:3-9;
6. The "lawless one" is the main cause of the "befouled garments" of Zechariah 3:1;

= Zechariah 3 Ties to Revelation 8:1-5

1. That cleansing is an answer to prayers; Rev8:3;
2. That cleansing must fulfill prophecy;

Jehovah's Witnesses Must Be Cleansed and Upgraded

1. The first six trumpets of Revelation 8:6-13; Rev9 contain an upgrade enlightenment, clarified explanations, expanded scope and exact message of world judgment and herald the final judgment of cleansing that came upon the JW "house" first - to cleanse it - and what that means for the world system (Rev8:1-5); (1Pet4:17 is Rev8:6-13);

2. This final judgment to soon come upon the WHOLE world as well, after this initial trigger event of Zechariah 3; Rev8:1-5, will be carried out by Jehovah's witnesses anointed and "other sheep" approved to continue Revelation 9 all the way to the final "two witnesses" over an unknown but brief time period;

3. This divine clarification and cleansed ministry with removal of all frauds in the JW temple system, currently operating unchecked, continues the worldwide ministry of Jehovah's Witnesses (from 1919 Rev8/9) with an upgraded and expanded but completely exact "little scroll" truth;

4. That means Revelation 9 must bridge to the final second "two witnesses" of Revelation 11; (1260 days x 2 = 2520 days; 7 "times");

5. That leads from Revelation 9 to the 7th Trumpet end of the world of the rival sovereigns of the "Kingdom of the World"; (Rev11:15-18; parallel Temple completed at Rev11:19);

Revelation 8-11 Parallels Revelation 15-16

1. This parallels Revelation 8-11 with Revelation 15-16 in final fulfillment of the near future.

2. Revelation 15 is the final precursor 144000 completion "great sign seen in heaven" as part of the "enlightenings" of Revelation 8:5 cleansing and subsequent "lightnings and voices" of truth.

3. These heralds guarantee from prophecy that the 144000 will complete in the duration of this series at it's "7" climax as the 7 trumpets parallel the 7 bowls finality through to Armageddon final battle of Rev 19:19-21; Rev20:1-3.

4. Like Isaiah 6 and Isaiah's cleansing for divine commission, the "sanctuary of the tent of the witness" is also filled with the smoke and glory of God; Rev8:1-5, Rev15; Isa6

5. This incomplete temple "tent" is not accessible as it, the "tent", awaits finalization of the completed 144000, the finished and completed Temple of Jehovah; Christ headstone set; Zech4:6-8

Jehovah's Witnesses Final Ministry Parallels it All Through GT

1. Jehovah's Witnesses clarified final ministry in the near future will parallel on earth these final 7 trumpets, and final 7 bowls.

2. This means this will ALL come true, WHILE Jehovah's witnesses are in climax mode of prophesying worldwide!

3. This leads to Revelation 16:17 and the great "air event" of that 7th bowl poured on the "air"; (Ephgs2:2; 6:12; 1Thess4:17)

The Seventh of Everything

1. This 7th bowl event slightly precedes the 7th trumpet, and aligns with Revelation 10:7, and leads to absolute total conquest of earth; (Dan7:25-26; Rev19:19-21) and the universe; (Rev20:1-3)

2. Since Jesus Christ is the glorified "headstone", the 144000 are completed at Revelation 16:17 "it pass come to pass", which will herald the final 7th Trumpet total universal and earth conquest of Revelation19.
Jehovah Has Them Right Where He Wants Them: Inside

(Zechariah 3:1) And he proceeded to show me Joshua [FDS/Org] the high priest standing before the angel of Jehovah, and Satan standing at his right hand [GB] in order to resist him.

Massive "Earthquake" (Zech3:1-4) to Hit Jehovah's Witnesses BEFORE the Great Tribulation

Jehovah is about to make a distinction in His organization between Jehovah worshippers and GB worshippers, FDS worshippers and Org worshippers as well as those worshipping their own power and position in His organization, worshippers of self.

Any true anointed of Jehovah knows the organization has a problem. A temporary problem; (Zech3:1-4) A problem that will require angelic assistance from Michael and his boys as per prophecy, by Jehovah's perfect prophetic strategy already revealed to be carried out in a little while:

(Zechariah 3:2-4) Then the angel of Jehovah [Michael/Christ] said to Satan: “Jehovah rebuke you (1), O Satan, yes, Jehovah rebuke you (2), he who is choosing Jerusalem! Is this one [FDS/Org] not a log snatched out of the fire?” 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to those standing before him [angels]: “Remove the befouled garments from upon him.”

And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”

These current developments are all identified by biblical prophecy and patterns that must repeat according to the great fulfillments already demonstrated in 515 BCE, 33 CE and 1914 CE.

Jehovah uses patterns and the bible as a live communication by holy spirit with his REAL servants, and these servants transmit the meaning as it becomes known to their brothers in the fields.

Zechariah 3 - The Most Important Prophecy for Jehovah's Witnesses NOW

Zechariah 3 is a great segway prophecy to Zechariah 4. Zechariah 4 is a parallel prophecy in principle to Revelation 11 and the "Two Witnesses" (2W2) FINAL FULFILLMENT WORLDWIDE second ministry to begin soon. ALL these prophecies MUST and WILL have a grand final fulfillment that will shake this world to it's core; (Mal4). Zechariah 3 leads to the completion of the Messianic Temple 144000 under Christ the "Head" “Top” "Stone":

(Zechariah 4:7) Who are you, O great mountain? Before Zerubbabel you will become a level land. And he will certainly bring forth the headstone. There will be shoutings to it: “How charming! How charming!”

(Revelation 11:12) And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud, and their enemies beheld them.

(Revelation 11:19) And the temple (144000) sanctuary of God that is in heaven was opened, and the ark of his covenant was seen in his temple sanctuary. And there occurred lightnings and voices and thunders and an earthquake and a great hail.

All the above will have a FINAL fulfillment in the near future among Jehovah's people. You are seeing this light, and hearing this voice of what WILL occur soon. Zechariah 3 leads to these events, that is why Zechariah 3 is so important NOW.

Final Two Witnesses Global Ministry of Jehovah's Witnesses

There will be a final 1260 day, a second "Two Witnesses" global campaign by Jehovah's witnesses as Zechariah 3 fulfills before their very face. 2W2 is the great "little scroll" Sovereign Ultimatum of Jehovah and Christ to this world concerning the guaranteed fact the 144000 Kingdom and Temple will complete IN THE FACE of the 8th King/King of the North forces and will eliminate them to a man, and take as POW Satan and the demons their weak leaders.

2W2 is the LAST organized ministry of Jehovah through his witnesses to the world. 2W2 will deliver the reports that finally enrage the King of the North, and get him onto the battlefield of Armageddon so that Michael and Company can exterminate him with all kinds of prophesied device, technique and varied means of having some fun on the 8th Kings face TO HIS FACE!

8th King and 2Horned-Wildbeast Boys Are "On To" Jehovah's Witnesses

The 8th King, specifically the two-horned-wildbeast operatives of Revelation 13:11-15 know full well, and have known full well the claims of Jehovah's witnesses' anointed, that by divine power, these spiritual "new creation" images will leave the human form by Jehovah's power, assume divine immortal spirit state in the form of Christ the Mighty God, and will thrash the 8th King all over earth, by all means of destruction known to man, BUT from perfect supernatural powers and intellectual capacity far far beyond that of mere humans.
Flesh rotting off of the human frame, teeth turning to chalk, eyes melting, bones separating from themselves and dissolving, brains inundated with exotic celestial viruses, utter mental confusion, insanity, plague and disease like these elite wannebe "gods" aint never seen, nor will see again. Bending, shifting and reversing of physical laws, speeds at trillions of a trillionth of a second, no "time" or "space" constraints in other words. Waves of perfectly directed earthly forces in rains, ice sheets and daggers, skin peeling sleet, heatwaves, bone freezing snows and blizzards, tank smashing hails, thousand mile an hour jet eating winds, city devouring hurricanes, remote control tornados, super cyclones, grinding and drilling "dust devils". Earthquakes, volcanoes, tidal waves, torrents, landslides, rock slides, flying boulders and all sorts of debris. Whatever it takes to "kill 'em all".

That is what Jehovah, Christ and the 144000 with billions of holy angels are bringing to the elites and their puppet show; (2Thess1:6-10; Joel 3:9-12)

Penetration of satellites, computer systems and weapons intelligence control with perfect understanding of these rudimentary human devices to be used against the enemy himself instead, utter inoperability of weapons systems and devices, cold and hot melting metal, glass, rubber and plastic, total blacker than black blackness, blinding light, lightning, anti-matter and even meteoric barrage and endless and precognitive "yottawatts" of perfectly directed energy with nano atomic precision. Energies NOT of this world. Energies that devour matter. Plus the ability to inhale and eat for breakfast the greatest human energies known to humans on earth, now and forever.

Shapeshifting like you aint never seen shape shifting of multiple entity forms, whole armies, from one cognitive awareness perfection and light speed dimensionless intelligence.

Stuff like that, you know.

The King of the North is Toast: Black Toast

In other words, human elite special forces and weapons security systems are pretty much toast when this day finally erupts on their heads. Hiding places in bunkers and vehicles are useless. Provisions will become maggots. Gold will become fire. That is why this final attack of Jehovah and Christ has no need to be an "instantaneous" one day event. Some places it will be the "end of the world", eventually every place will have the enemy dragged out and destroyed. There is no rush, they will hunt the King of the North and King of the South down like tracking wounded bears. They will save and sift the "great crowd". WHILE frying special forces like mosquitoes in terrawatt bug lites.

The Messianic Kingdom Forces are going to perfectly apply angelic and divine level absolute perfect timing and strategies like a big chess game, like a turkey shoot, and they will toss the kings of this earth, into the eternal bonfire alive, where they are hiding, as per perfect predetermined expiration hour, minute, second, to the micro-second, to the known last breath count, and last heartbeat count, since these swine's hearts started beating in Satan's womb. (No offense to earthly mammalian pigs.)

Jehovah is sanctifying His name for this period of time.

These are the things, the kind of fires, coming for the King of the North and all his little clay dolls, puppets and soldiers, and ALL lovers of sin and lies today, all the cowards afraid of the truth and all the programmed TV zombified lust and money lovers. These are the powers so intense by Jehovah and Christ, the Devil will soil his shorts, the primadonna demons will wail and be beaten down like rotten eggs, and they will all be rolled up, shelved and stuck in the freezer of abyss into active neutralization and personal withdrawal. An there aint a thing even Satan can do to stop even one of these events, his days, and the days of his evil empire of sin, are through.

But God gives fair warning, unlike Satan.

So I am a Jehovah's witness, and I know and believe our truth from Jehovah through Christ, and I know the scale of our weak enemy in this final ministry, and the desire of Satan to stop the final 2W2 ministry, which is impossible, but he and the 2Horned-Wildbeast (2HWB), 8th King "scarlet wildbeast" (8K); "King of the North" (KN) globalist powers will try to stop us anyways. Might as well, what else have they to do but eat, drink, be merry and try to last another day in their bean counting sins and addictions. They have a number of days written on their head, a number that will expire. Only so many grains in these hourglasses anyways.

These globalist apex, top ring "seed of Satan" powers know full well what the anointed in Jehovah's witnesses mean for their annihilation, and detachment from their lust, greed and murder orgies that they run the earth for with Satan and the alien demons. These are evil men, addicts, who are of a psuedo-human lot that is a one shot deal, permitted by God since Genesis 3:15 to be within Satan's "whole number" of allowed Satanic "seed" on earth. Most humans are not of this apex power group. Most humans on earth are used and duped by these powers; (Rev12:9; Rev13:14), and most humans on earth will end up being annihilated by these powers they are now serving; (Matt24:21-22), or set into a position of annihilation against God's Christ, Kingdom and full array of battle angels at Global Armageddon; (Rev16:13-16) Some humans will be spared; (Rev14:14-16; Rev7:9-17; 2Thess1:6-10)

Satan in Check

Satan is in checkmate and so is 8K-KN. They want to destroy the last of the 144000. But in so doing they know full well the tidal wave of immortal destructions that will bring on their little global carnival here. That is a 'damned if you do, damned if you don't' sort of crux. Yet Satan knows and admits his time is short; (Rev12:7-8) Satan is in checkmate and so is 8K. So I am a Jehovah's witness, and I know and believe our truth from Jehovah through Christ, and I know the scale of our weak enemy in this final ministry, and the desire of Satan to stop the final 2W2 ministry, which is impossible, but he and the 2Horned-Wildbeast (2HWB), 8th King "scarlet wildbeast" (8K); "King of the North" (KN) globalist powers will try to stop us anyways. Might as well, what else have they to do but eat, drink, be merry and try to last another day in their bean counting sins and addictions. They have a number of days written on their head, a number that will expire. Only so many grains in these hourglasses anyways.

Satan in Check

Satan is in checkmate and so is 8K-KN. They want to destroy the last of the 144000. But in so doing they know full well the tidal wave of immortal destructions that will bring on their little global carnival here. That is a 'damned if you do, damned if you don't' sort of crux. Yet Satan knows and admits his time is short; (Rev12:7-10), and he knows eventually he will have to make his final move for global extermination rather than his lust fest business as usual, because only the abyss awaits Satan and he will know when that point of no return arrives; (Eze38), he will be drawn to make his move. Satan has no loyalty whatsoever to ANY human being, and that means his own seed of earthly 8th King sock he will know when that point of no return arrives; (Eze38), he will be drawn to make his move. Satan has no loyalty whatsoever to ANY human being, and that means his own seed of earthly 8th King sock he will enter his desperation with his abyss bound demons after 6000 years of unbridled lust, lies, murderers and rape. Of course they do not want to go to the hole with bread and water.

At some point, the 144000 will be completed anyways; (Rev 11:1-19; Rev14:1-19), because the final number is collected to the Great Eagle sometime after the 1260 day event in GT, after BTG is exterminated, to begin the 1290 day period of the Sovereign Court of Daniel 7:26 final fulfillment. The King of the North and all his puppets and covenants has a court date set in that judgment. They can't pull a failure to appear, the earth is the courtroom, they are already here. The timing of that judgement is unknown. But, the KN powers will be resisting that judgment, and will be force fed fire from above anyways, to the last man strapped into the gigawatt "electric chair".

So there Jehovah's witnesses! these guys know who you are. They know who we are at their top level control. The rest of their duped globalists, and 1% national fools, and what have you make no difference to the top of the 2HWB, 8K, KN power system. The dragon and the wildbeast are not mirrored in seven headed structure for nothing; (Rev12:1-3; Rev13:1-11).

Jehovah's Organization has been a Target for Years
These guys have wanted to infiltrate Jehovah's organization for years, and in fact these guys have been allowed to infiltrate Jehovah's organization to fulfill prophecy, and for Jehovah to give a great sign to Jehovah worshippers, and to clear out as many GB worshippers as possible. To clear out as many FDS and Org worshippers as well, and as many positional worshippers of themselves as possible as well. Any pedophiles in Jehovah's org of course will also be exterminated in time, the rest are filtered out AFTER this period coming up.

**IF JEHOVAH WOULD NOT ALLOW THE IDOLIZATION OF HIS OWN PERFECT GLORIOUS SON IN CHRISTENDONE, HE WILL NOT TOLERATE GB WORSHIPPERS OF WORSHIPPERS IMPERFECT MEN IN HIS ORGANIZATION. YOU ALL WILL BE REMOVED SHORTLY, IN TWO WAVES.**

You ought to leave now, at least you can eat, drink and be merry and have a little fun for the time you have left. For those of you that the Devil inspires and God allows to remain, this next event in Jehovah's org will call you out, then the 1260 day purge will finish you if you attempt to remain with us.

GET LOST!

**Modern Judas Revealed? Yes.**

See, Jesus Christ is the key to ALL truth and exposé. The Christ seven day pattern has much truth in it. That seven day pattern was from his arrival to Bethany on the Mount of Olives, to the Temple (3 times), to the Passover, to his sacrifice. That pattern overlaid in 1914 as well, it also stretched over to WW2 doctrinal final "temple cleaning", and to this final "temple termite denunciation" we are now approaching as the Temple 144000 complete very soon.

There is more to that whole pattern, than meets the eye at first read.

One of those little truths, is that of Judas Iscariot's operation among the apostles. Christ did not condemn all the apostles, he cleaned out the one traitor and thief, and God destroyed him, he went nuts. Same with Jehovah's organization today, Jehovah is not abandoning His sheep, He is cleaning out the viral rot that has come in, the weeds, the fool "virgins" and the counterfeit "marriage garment" hypocrites, FROM THE TOP DOWN. Jehovah will begin His inspection, and has, in the GB bedroom, right in the chairman's own dresser.

What we know about Judas is he exposed himself day one of Jesus seven day final pattern on earth. Yep, Judas started whining about that genuine nard perfumed oil, because he could have spent that on the little girls or boys downtown. Judas exposed he was a greedy thief. But Judas could NOT pervert the truth could he?

No.

THE ONLY THING A JW COUNTERFEIT JUDAS ELEMENT CAN DO IS EXPOSE THEMSELVES, STUMBLE AND BETRAY AND BE EXTERMINATED SHORTLY. THAT IS ALL THEY CAN DO. THEY CANNOT PERVERT THE TRUTH FOUNDATION. THEY TRY TO DELAY IT, WATER IT DOWN, AND MISDIRECT IT.

And it appears, in this Zechariah "befouled garments" stage, this "Judas" element is right in the "apostles", right in the 12 of Jehovah's organization, and has been there since the thing that acted as a restraint, Brother Fred Franz, was no longer able to control the Henschel allowed agents to operate unrestrained, with two great bold moves on Jehovah's organization from the getgo.

**TWO UNSCRIPTURAL DECISIONS WITH MASSIVE FUTURE CONSEQUENCES FOR JEHOVAH'S ORGANIZATION!**

We will cover one now.

1. Since when is Jehovah going to inspire a decision that brings reproach upon his own name?
2. Since when is Jehovah going to inspire a relationship that causes the stumbling of 500,000 people by falling out of, or never coming into Jehovah's organization?
3. Since when does Jehovah say it is ok to prostitute His beloved Daughter to the UNNGO specialized demographic promotion group?
4. Since when is it ok for the GB to take the hand of Jehovah's Daughter, with no one's permission but their own, and place it into the filthy hand of the "unclean thing"? For ten years, sitting in a tree? K-i-s-i-n-g.
5. Since when did Jehovah allow a handful of men, to completely compromise the integrity of the entire "faithful and discreet slave's" global reputation? Thereby the reputation of all Jehovah's witnesses?
6. Since when does Jehovah inspire a decision that nullifies the very name of Jesus Christ (Joshua), thereby Jehovah is brought into reproach, and His great Name is now attached to the UN "disgusting thing" for years.
7. Since when do men managing Jehovah's organization, claiming to be anointed, not even offer so much as one apology for such a travesty? That these poor blind men cannot even detect the seriousness of their actions by now? That these men cannot see a plain virus in full operation in their own household?

**Well, since 1992, that is "since when". Since the 8th king compromised Jehovah's organization from within the GB, that is "since when".**

Now do you, O real, REAL worshiper of Jehovah, do you see why Joshua's "garments" are "befouled"? Do you think Jehovah is REALLY ok with these decisions?

*(Zechariah 3:3) Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel.*

And now do you see why the GB is standing before the judicial angel of Jehovah? NOW. And being fully exposed as to their nakedness to come upon them soon? They must be made naked, before the "robes of state" can be placed upon Joshua.

Do you now understand why the GB has had no "new light" in 20 years?

Do you understand why the GB expounds prophecy like it is 1990?
Do you understand why the GB will NOT expose the King of the North though he is easily identifiable? Do you understand why the GB cannot comment on the final fulfillment of Revelation 11 final two witnesses and the little scroll they refuse to eat? Do you CLEARLY see why the GB can't even understand the "little scroll" (Rev10) OR the "reports" of Daniel 11:44.

Do you see why the GB cannot break from 1914 mode, although that COMPLETE PROPHETIC PATTERN is just about to go into FINAL FULFILLMENT REPLICATION in the near future? Can you see why Elijah is now confronting the GB as per Malachi 4:5 prophecy? Why the GB is NO Elijah but in a befouled mess of serious sins compounding for 20 years?

Do you now know why the GB cannot and will not ascertain Zechariah 3 until they have the termites cleaned out shortly?

BECAUSE ZECHARIAH 3, IS ABOUT THE GB, JOSHUA'S "RIGHT HAND", AND THE FACT THAT JEHOVAH IS GOING TO CLEAN OUT THE GB WITH A MIGHTY ANGELIC EVENT, AND PUT IN REAL PROPHETS IN THE PLACE OF THE COUNTERFEIT SELF-SMOOCHERS THAT HAVE BEEN SULLYING THE GB FOR 20 YEARS!

BY ANGELIC ASSISTANCE NO LESS!

BECAUSE THE FINAL TWO WITNESSES GLOBAL, OF THE NEAR FUTURE, CANNOT BE STOPPED BY MORTALS!! LOL.

(Zechariah 3:2-4) Then the angel of Jehovah [Michael/Christ] said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one [FDS/Org] not a log snatched out of the fire?" 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to those standing before [angels] him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”

Jehovah is not dumping His Daughter, the FDS, Jehovah is NOT dumping His organization. Jehovah is not dumping the whole Governing Body unless the whole thing is rotten, but He will replace the rot. He is going to create an event soon, that will verify God's existence in His organization, upon the Jehovah's witnesses global organization, before great tribulation, to get the filthy garments off the GB, and off the FDS, and off Christ's reputation globally whoZechariah 3 Joshua typifies, because these men have now raised the ire and notice of the Almighty God.

(Ezekiel 36:22-23) “Therefore say to the house of Israel, 'This is what the Sovereign Lord Jehovah has said: “Not for your sakes am I doing it, O house of Israel, but for my holy name, which you have profaned among the nations where you have come in.'” 23 ‘And I shall certainly sanctify my great name, which was being profaned among the nations, which you profaned in the midst of them; and the nations will have to know that I am Jehovah,’ is the utterance of the Sovereign Lord Jehovah, ‘when I am sanctified among you before their eyes.'

Jehovah is now TELLING THE GB TO THEIR FACE, that the LIVING GOD, IS COMING FOR THEIR FIRST INSPECTION AND THEIR FRAUDS, and they WILL fulfill Zechariah 3, and we will be proceeding with the final true "new lightning storm" over planet earth, and we will be beginning the segway ministry to the final Two Witnesses, the finale of Revelation 9 as the worldwide segway to Revelation 10-11 final fulfillment!

While the GB naps, Jehovah has been working to finish the truth without them because they must FIRST fulfill Zechariah 3. So, the retardation operatives in the GB, FAILED.

Ever wonder why there are over 25 words in Revelation 9 that repeat, that occur twice? Because Revelation 9 is the bridge since 1919 to the FINAL TWO WITNESSES GLOBAL SOVEREIGN ULTIMATUM OF THE LORD JEHOVAH GOD ALMIGHTY TO THIS WORLD'S END.

Alright, I know most Jehovah's witnesses are naive about real reality in their own midst:

(Luke 16:8) And his master commended the steward, though unrighteous, because he acted with practical wisdom; for the sons of this system of things are wiser in a practical way toward their own generation than the sons of the light are.

The GB Has Been Acting Strange, Ever Noticed That?

THE GB HAS A MOLE NEST

We have good reason to believe the lack of "new light" and other strange GB developments are due to serious compromise of spirituality, for 20 years since Franz the Great, and obviously a demonically aided infiltration; (Zech3:1-2), because these things are now:

(1) systemically evident, terminally undeniable;
(2) interconnected to other negative developments as if engineered to be so;
(3) creating an unmistakable trend of idolatry IN Jehovah's house, and;
(4) attaching Jehovah's name to the very enemy system "disgusting thing", while;
(6) causing perpetual stumbling;
(7) closing off a 2 billion person organized web ministry, and;
(8) allowing a Gehenna bound modern "son of destruction" apostate class to be unwarned as a class globally, by Jehovah's witnesses, thereby bringing all Jehovah's witnesses into the bloodguilt illustrated at Ezekiel 3:17-18.
This class is also allowed to present only their side of the story with NO refutation from official ministerial sources whatsoever, with GB blessing to do so.

YO GB YOU GOTTA VIRUS!

All a big coincidence? You think this is all fooling Jehovah and Christ and the holy angels? You think this was just going to go on forever?

In other words Jehovah's organization is now running a 20 year old, now self-protecting systemic Satanically engineered org "retro-virus", a deadly virus with too much evidence, side-effects and synergy, to be purely random and accidental.

That is why Jehovah is NOW identifying what He has known all along, so that the prophetic certainty of these things, and the biblical identity of these things can be full realized by Jehovah's witnesses' anointed, all Jehovah's witnesses, and the current so-called Governing Body, that:

JEHOVAH IS ON TO YOU TOO NOW, AND ALWAYS HAS BEEN, AND YOU ARE POSITIONED TO FULFILL PROPHECY JUST LIKE JUDAS ISCARIOT OF THOSE GUILTY AMONG YOU. GET READY TO MEET GOD.

FYI: You are now being targeted by Jehovah and Christ.

Engineered Three Stage Org Retro-Virus: The Evidence, Interconnectivities, and Synergistic Goal of This Well Designed Retro-Virus

[First off, I do not believe the whole GB has gone bad (then or now), but like the "Judas" type of the seven-day Christ pattern, a compromise has occurred, I REPEAT A COMPROMISE HAS OCCURRED, caused by any or all of the following in the GB: (1) Unanointed self-worshipers (weeds/fake marriage garmented), (2) anointed who went oil dry (reject foolish virgins), (3) external 8K globalist operatives, (4) openly foolish anointed who are now involved in very serious compounding error and sins.]

8K OP-GB Originated Viral Overview

Stage 1 - Infect:

This virus is like a retro RNA replicating virus, or a computer Trojan virus. It has infection/install, stages, procedures and functions that inter-relate to the FIRST position compromise, with multiple goals of damage, in subtle undetectable multi-processing modes. It also wants to become simply "part of the org" DNA so that even unaware future Governing Body members simply think the DNA was "always like this", "business as usual", thereby once it is running it needs no more assistance from external operatives to keep infecting and thriving.

Stage 2 - Steroid:

It runs in 10 year levels, of 3 stages ((1) infect, (2) expose, (3) massive stumbling event). The goal was to create a secret invisible compromise too imbibed to be easily addressed after detection, that would create an external attack on the organizational main bodies of GB-FDS-Org, which would then react by repairing and fortifying those bodies being attacked perpetually as they were also perpetually attacked. A self reinforcing cycle would set in, like "idol steroids" on these bodies, attack-rebuild, attack-rebuild, attack-we-got-an-idol-now, attack-we-got-an-idol-now!

Goal - Faith Diffusion:

The external "attacker body" is the apostate and opposer class, that pummel the GB, FDS and Org bodies, because they have valid ammo provided by the head GB body itself, the viral entry point, the main first infection point, the GB commencing VD.

The Org then ends up progressively creating such a mitigation response to bolster its own attacked bodies, it subtly but perpetually diffuses the formerly focused faith on Jehovah alone, to overemphasis upon the GB, the FDS and the Org, year after year after year after year after year. After year.

The viral purpose is thereby to weaken faith in Jehovah through diffusion to "bodies" of men, and create subtle but compounding idolatry, that intensifies year over year, until the bodies steal focus and sanctification from Jehovah regularly, installed in the Jehovah's witnesses minds that way, year over year.

Stage 3 - Grand Finale:

This also focuses attention, "faith" attention on bodies which can be compromised later, for a PRE-PLANNED MASSIVE STUMBLING EVENT, targeting the faith now developed upon those targeted bodies, rather than faith in Jehovah.

Negative Side Effects: Year After Year

This creates a holy spirit vacuum as well, Jehovah yanks the top level blessing, because this is perpetually subtle, yet gross sin. The secondary effect is unrepentant sin, in the leading bodies themselves, reproach, idolatry, denial and now a virus that is in self-protection mode, anyone pointing it out, is "apostate"! Steroid the bodies more! More! Kill the apostate! Protect the Viral DNA!!

The Virus RNA is now embedded in the Org DNA, even in ALL the "body" "images".

Subtle and Under the Radar:

This virus is SUBTLE and multi-tasking, 10 year subtle cyclic compounding developments to FUBAR spiritual reality (log in fire), 10 year sin base of operations, a 20 year infiltration from the top, 20 year "new light" kill switch.

Initial 10 years in viral infection (and infiltration, wake up brothers) to perpetual damages, 10 years attack and idol steroiding mitigation and diffusion of sanctification and faith AWAY from Jehovah with concurrent 10 years progressive darkness and an obvious massive stumbling grand finale event planned, then hoped for final divine condemnation by missing the final "little scroll" and the final 2W2.
But Jehovah is going to disrupt this and use it for the purpose of God, not the 8K; (Zech3:1-4)

**Death Trap: End Viral Objective**

The final event, the final virus function is a stumbling event designed to target the poor Jehovah's witnesses many who by now, have put way way too much faith in these organizational idols inflated beyond all 1990 recognition in GB mental image, FDS mental image, and the Org mental image itself, things NEVER provided by Jehovah to receive ANY faith whatsoever!

Obviously those GB/FDS/Org bodies will be the compromisable “image” target of the PRE-PLANNED, PRE-PROGRAMMED stumbling event (whatever it may be), which is of course much much easier than having to attack Jehovah which is impossible to compromise. Get the idea here brothers? Can someone really just make all this up?

Had this continued in this trajectory another 10 years, the GB would be Gehenna toast, all would be lost:

**(Zechariah 3:2b) Is this one [FDS/Org] not a log snatched out of the fire?**

Once enough attention is drawn to the org bodies, a massive stumbling event is later targeted upon those bodies for the final stage of this virus, divine condemnation is hoped for. Those putting faith in those bodies, will be blown of the ark like dust in a little while. That is why this virus second stage main routine and objective, was to create and diffuse faith unto human bodies; the GB idol, the FDS idol and the Org idol. These are going to be whacked big time, before the GT even begins as prophecy. We see the setup now.

**Double Guarantee**

BOTH the 8K GB infiltration AND Jehovah want an event, so the event is certain.

Jehovah though uses it for cleansing, the 8K infiltrators just want to noose as many as they can, the GB ran the whole thing like duped fools, well infiltrated since Henschel's time. They obviously have a compromise operating masterfully within themselves and the organization for 20 years now detectable. That organizational compromise is where the final event will be run from for maximum effect possibly. Jehovah though, is going straight into the GB to fulfill prophecy, that is the core viral rot location that has to be "immunized" as per prophecy at Zech 3:1-10.

**No one dupes Almighty God you 8th King drone fools.**

Jehovah will also use this now, to make a first sweep as well, and that is why this is permitted, it will filter out the GB-FDS-Org idol worshipers, wham, bam, slam see ya sam. And it will accommodate an angelically executed exercise of divine power to retake the organization for the final missions (Rev10/11), possibly exterminating but at least removing and neutralizing the infiltration by divine power as per prophecy.

**It's coming, remember who is to be worshiped: JEHOVAH, NOT THE GB, FDS, OR ORG!**

**Silent Mode**

In the meantime, this demon designed virus just keeps running in this "invisible mode", it is now "part of the Org", to distract any attention from itself, toward the new forming idol bodies themselves, and to subtly keep stumbling through the web, day after day, month after month, year after year, chunk another one on the GB account.

The GB tries to ignore the web, but the 8K stumbler agents do not, they spread this reality far and wide, they feed it to the apostates like candy, the innocent GB members remain blind to their own predicament (for various reasons), the infiltrators operate under formalistic facades and visuals.

Most GB it appears are just complacent, eating cherry pie as usual, or should it be apple today?, picking out ties, living the CEO blissful dream, throw another log in the fire! LOL. zzz zzzz zzz zzz.

But in any event, the GB keep accruing guilt like Sodom. Befouling even Joshua's "garments" worldwide. The GB are in the fire, compromised by 8th king agents.

This obvious virus now has achieved the goal of high level enlightened blessing being suspended from the GB for years upon years; (Eze16:27), opening up perpetual apostate "women hating you" attack as per prophecy, and the final two witnesses ministry is still a big mystery up at GB land, and all the "new light" leading to it, simply does not occur to the GB. They are in la la land.

The Virus "Governing" 8K Compromised Body? In blissful delusion, they live in 1990, for 20 years, and would live there for 20 more rehashing Franz writings trying to fool the anointed and themselves, if Jehovah did not throw this DIVINE stick of dynamite into their tent and sleeping bags.

The GB are complacent, luxuriating; (Neh9:25-26), blissfully ignorant, spiritually snoozing, infiltrated easily for 2 decades big time, in "befouled garments" for a while now, but claiming to be "God's infallible unapologetic proud chosen", assuring first inspection by Jehovah's angels, **Guaranteeing it!**

The 8th King operatives who installed this virus, are laughing their asses off! Who knows what they have compromised for the next planned event.

*This virus is very real, active, and is running, fulfilling Zechariah 3:1 real-time, for 20 years now.*

**Viral First Install**

This designed retro-virus was installed in the GB "computer” with pre-programmed procedures and functions positioning future compromise fully engineered in and intended from the get go - and that will be laid out here in excruciating detail.

**Franz Restrainment**

That ALL this began as Fred Franz lay dying in 1992 is no coincidence either, that is a great clue what is up with the modern and Henschel era and post-Henschel era GB; 8K INFILTRATED FRAUD FACTION.
Though this cannot compromise the true anointed to the degree of this prophecy below, this prophetic modern day subset must form in Jehovah's organization, and has, and is revealed as per prophecy, the exposure of which is also preceding the finality of the GT, and assisting the fulfillment of Zechariah 3:1-4:

(2 Thessalonians 2:3) Let no one seduce you in any manner, because it will not come unless the (GB 8K infiltration) apostasy comes first and the man of lawlessness (8K frauds) gets revealed. (8th King operatives are the lawless subset trying to compromise Jehovah’s organization)

(2 Thessalonians 2:6-8) And so now you know the thing that acts as a restraint (Fred Franz), with a view to his [GB/Org 8K Fraud Faction Undercovers] being revealed in his own due time [Now]. 7 True, the mystery of this lawlessness is already at work [I'll say, since 1991]; but only till he who is right now acting as a restraint (Fred Franz) gets to be out of the way. 8 Then, indeed, the lawless one [8K operatives] will be revealed. [Need we say more?] LOL

That these 8K agents and possibly plain subverted un-anointed GBers may try to implicate Fred Franz in this, that is of course common for these kinds of tacticians and prideful fatheads. These moles are in, and want to stay in, at the very least, and keep the virus running and replicating into Jehovah's organization. Like Judas at Bethany, they have exposed themselves.

Yet Jehovah will use it, for His perfect advantage of course, as per prophecy already revealed of course. LOL, can't beat God fools!

This is NOT a random event, this is a well planned out, multi-level and a cyclic self-fueling creating intensifying virus, with the end goal of compromising the organization and the final 2W2 ministry, for a massive stumbling and potential betrayal intel event, just like Judas, and with probable embezzlement sideline directives, who knows what is being completed or setup as we speak. We know whatever it is, Jehovah will use it for His own final stage preceding the 2W2 mission and awareness. Jehovah is going to ring the JW bell big time! LOL

By the way, you better wake up brothers, the real brothers.

The main goal of the current GB virus is to reproach Jehovah's name, and to cause stumbling, and to position for more serious events. BUT, Jehovah will not allow these to pervert the truth, nor will Jehovah stop hauling in sheep hand over fist, nor will Jehovah allow his entire organization to be labeled a lie.

This is still Jehovah's organization, and when He acts on these frauds shortly, ALL true Jehovah's witnesses will KNOW, Jehovah is in this organization, and He is getting active FOR REAL, fulfilling the rest of Zechariah 3:2-10, which MUST complete to that state prior to Zechariah 4 and the Revelation 10-11 "little scroll" being "eaten" by the genuine John Class, and the segway to FINAL 2W2 beginning in earnest. This is of course going to shock all Jehovah's witnesses to attention! LOL

Yet more is to come after this, lots more, REAL light!

Jehovah is allowing this, because He can also remove all the GB, FDS and Org worshipers from His organization, and get down to steel nail REAL Jehovah's witnesses. The final clean out will occur during GT/BTG 1260 day final 2W2 ministry DURING the great tribulation commencement period leading to the FINAL FULFILLMENT Daniel 7:25-26; 12:11 1290 Day Court Judgment Phase. We are in a segway to the JW awareness of the final 2W2 reality.

Sign: You won't be learning this from the current GB, until that is cleaned out to the bone, into the marrow.

In other words, as usual, the Almighty God laughs at any attempt to fork him over, instead HE is the one who uses the entire development for HIS great Name, HIS purpose, and HIS next move. We are going to war soon anyways in 144000 with Jehovah and Christ, might as well start to get rid of the fake JW termites NOW, even if they are way at the top of our citadel, positioning for their own removal, in nice looking suits, and every hair in place, and that fine air of mock piety in this purpose, and HIS next move. We are going to war soon anyways in 144000 with Jehovah and Christ, might as well start to get rid of the fake JW termites NOW, even if they are way at the top of our citadel, positioning for their own removal, in nice looking suits, and every hair in place, and that fine air of mock piety in this

These infiltrators are good! Real good! LOL, they know what formalisms to dupe the "top dog" visually fooled dumbo JWs up in our citadel.

The GB will be the FIRST place to be hit, there will be a lightning strike in the GB, before GT. Jehovah is NOT compromising the final two witnesses for no GB worshiping cult to form in Jehovah's true witnesses.

The 8K Operation GB.Retro-Virus

30 Year - 3 Stage Main Procedure (10 Year second stage)

The plan is for a full run of this virus in a approximate 30 year, 3 stage, 10 year stepping cycle. The infection of stage 1 is perpetual. The effects of stage two are cyclic, compounding and dynamic, opening the door to peripheral subservive events as well. It is two-thirds into activation right now (20 years, 2 stages), first stage is complete and running and replicated in, the second stage is perpetually compounding. The third stage is a massive stumbling event, an attempted stumbling and or betrayal coup de grace.

This all began in 1992 by the first infection procedure: install a "mainframe" (UNNGO "unclean thing") virus straight to the head (GB) of Jehovah's organization, through "Joshua's right hand" GB. Make sure this is "blessed" by the "holy men" of the GB, who are in some part, now plainly obvious 8K operatives. This infection is full.

Prophecy in ACTIVE LIVE Fulfillment (1992):

This is Zechariah 3:1. "Satan standing at [Joshua's] right hand in order to resist him", the "right hand" is the Governing Body being infiltrated and laid into zombie mode except for guiding the lower level sheep intake, THAT CANNOT be stopped, Jehovah is NOT stopping pulling sheep in.

(Zechariah 3:1) And he proceeded to show me Joshua [FDS/Org] the high priest standing before the angel of Jehovah, and Satan standing at his right hand [GB] in order to resist him. (with a virus)

GB Install, Infection, Position Targets
Stage 1: Infect and Subsequent Exposé Stage 2 Commencement

The GB_8K_faction includes subverted fakes at the very least (no true anointed is this stupid), and installed this UN.NGO.reproach.expose infecting retro-virus, into themselves, secretly at first (of course), with the 8K agency operatives intently of it's worldwide exposure as time went AFTER total infection, through 8K press "very convenient" and "9/11 well timed" exposé (The Guardian 10-2001), AFTER it was FULLY imbibed into the JW system beyond the point of no return or denial.

2HWB Anglo press? ("Guardian") Come on. Wake up their brothers.

Touched 8 Kings! God gave you the move though, you gotta fulfill prophecy.

Seal It: Pepper in More Scandalous Evidence

Then in reactionary style further incriminating decisions, evidence of cover up, would of course be "recommended", further sealing the dubious scandal in the eyes of the world as truly a "dirty deal". Total God reproaching scandal had set in, obviously the point of entry of the UNNGO.1.0 "I have a good idea brothers!” is your 8K undercover agency. Henschel had to be a naive dummy, at the very least:

Ace Rothstein: [Don is dismissed from the casino] Listen, if you didn't know you're bein' scammed, you're too [forkin'] dumb to keep this job. If you did know, you were in on it. Either way, you're out. Get out! Go on. Let's go.

Summary: God's Daughter, by the GB, was injected with VD.

And the GB, "new lightless" for 20 years, still prance around as if nothing is wrong, go figure. Talk about spiritual isolation.

Objective: Hyper-Catalyze Apostate Attack on Org Bodies - Sei Self-Protective, Apostate Mitigating, Organizational Body "Idol" Creation Mode into Natural Reactionary Subtle Motion - All Natural Developments Now - Virus in Full Open Operation Mode (Stage Two: 10/2001, Approx 10 Years so far)

This is all to timely as well, (1) 9/11 - 10/6/2001 exposure, from (2) 9/9191 incept), with full 8K "all too convenient” world press expose and planned or natural reactionary further self-incriminations, all required to provide the infectious and acidic (hypocritical) apostate mad/amunition in great quantity with actual evidentiary validity, for the stage two: endless apostate attack cycles upon the Org bodies GB-FDS-Org., to create a repair mode that would develop a well founded and fortified "Org", "GB", "FDS" idol mental image eventually, as enough rounds of steroids were applied by the GB, year after year after year after year and so on, and so forth. Cyclic and self-fueling to auto-response.

The peripheral side-effect objective is to perpetually, constantly, endlessly stumble people mainly through the web as well, and build the perpetual fueled dynamic apostate attack catalyst for the second viral function to keep being re-invigorated, endlessly as well, leading to again: "Self-Healing" Org Body Steroids until an auto-Idolatry is rooted.

Before you know it, IT'S SECOND NATURE!

More Org Idol Steroids Ad Infinitum

The natural reaction to wounded bodies is to heal them. The GB that empowered a campaign to not only heal these now conveniently attacked bodies, but to steroid them perpetually to the point they compete as idols of worship in Jehovah organization today. To the point of baptizing people in the name of sinful men in a human organization? OK! Fine! No prob now dummy sheep! No prob.

To saying things like "the slave provides this", "the salve gives us that", the "slave draws water from a rock", without at times even sanctifying Jehovah, in print, we see more than we ever did before on the WT Library CD, by simply searching those terms in the 1990-2010 years, and checking the amount of times those words are returned, and the context of their use, in comparison to 1950-1970. They almost doubled in use, in just 10 years.

The 50's brothers had balls of steel, today's GB has powdered donuts. Jehovah IS GOING TO KICK UP THE DUST AND POWDER, IN THE GB CROTCH, I KID YOU NOT! ALL PROPHECY!.

Territorial Cut Off

This would also create an aversion by Jehovah's witnesses, to the 2 billion person, worldwide field of the internet, also affecting the preaching work to 2 billion people on the web. Instead of entering the field like Knorr would have, the GREATEST WORLDWIDE PREACHING FIELD IN ALL HUMAN HISTORY, the GB recommends running away and go watch some TV. We got dirty laundry, per program out there. We, the GB, have God's Daughter in UN soft-porn movies out there y'all. Whatever you do! DO NOT PREACH TO THOSE 2 BILLION PEOPLE OK!!!!

The GB Sin Against Jehovah is REAL and Per Prophetic Final Cycle (Zech3:1-9)

Of course the real sin, even worse than mere association, even worse than sending God's Daughter streetwalking for the UN, is the voluntary UN specialized information infiltration unit for information programming to the GB "audience", the promoters to a selected 8K target demographics, that the GB agreed to bed with publicly - purposely, recall we have an infiltration here, this is a 20 year fraud faction at work since Franz died, allowed by God for HIS checkmate, not their's.

This spearhead "Presstitute" agreement had the full GB private, then public blessing introduced by these fakes, implicating the whole GB/FDS and Org AND JEHOVAH, to be voluntary agents of the 8K/UN "information key injection group" for the demographic specialization that ONLY Jehovah's witnesses have, to penetrate Jehovah's witnesses and their audience's inner feeding circle. Subtle little propaganda "Outlines" would be fed in for 10 years, from external 8K agents, and they were.

That is the prostitution the GB will be paying the 8K pimp bill for, one way, or another, you don't FORK God's Anointed Daughter, Christ's Girl. like that and get away with it...

IT DON'T MATTER WHO YOU ARE - F A T H E A D S.
Compounding Points of Injection of 8K Agents

This went along with the unscriptural decision to also allow un-anointed "other sheep", just as easily 8K "sheep" to begin feeding the "domestics" of the "faithful and discreet slave". Obviously a very very HUGE Scriptural infraction in and of itself, and it opened further points of compromise into Jehovah's organization, by these agents and their implanted operatives, as well as dodo bird unanointed GB and dodo bird GB in general. And further holy spiritual "new light" yanked from the GB.

Now-a-days, Jehovah has to send in "new light" from the wilderness; Elijah; (Mal4:5)

Obviously these 8K gutless roaches waited until Franz lay dying, to begin operations.

_ID the UNGO "big idea" entry point (1989-1991), and their is your initial known agent access, plain and simple._

This is not a sin of a "library card", but of a JW audience "mind card", that is what the UN 8th Kings would be crafting over that ten year first cycle, to move to stage two and two birds (so far), with one GB thrown "stone". Subtle, mental install. Such as the "new world order" blasphemous quote in the Awake! 9-8-1991 kick off article as these UN Prestitutes instituted by the GB8Kers, now a completely duped whole walking into Zechariah 3:1.

"New Lights" Out

That meant the high level holy spirit was IMMEDIATELY withdrawn from the GB, BUT Jehovah would not withdraw the sheep blessing for obvious reasons. This is why the GB simply rewords old Franz articles and research manuscripts of Daniel, Revelation, Isaiah, and Ezekiel. It is good food, but dated, and it gives the appearance the GB are in the light, but they are in the dark.

The GB explained the obvious KN? Final Two Witnesses? Little Scroll = Reports of Daniel 11:44? The 2520 days? The 144000 Temple guaranteed completion before Armageddon and how? The Revelation 11 FINAL fulfillment? No. They are doing more than playing dead. Nor will they, until AFTER clean out of Zechariah 3:2-4 in a little while.

Viral 8K Goal's Realized:

1. Jehovah's name positioned for reproach: Check.
2. Blessing compromised, withdrawal of high level "eagle eye" holy spirit: Check.
3. Organization positioned for perpetual stage two apostate attack and perpetual worldwide stumbling: Check.
4. Create an idol building routine upon GB, FDS and Org: Check.
5. Offer subtle sacrifices to the 8th King for 10 years to 9/11: "New World Order" Bush Quote for example as a kick off sacrilege: Check.
6. Replicate retro-virus into the organization's standard operating procedure: Check.
7. Retard "two witnesses" final fulfillment information: Check.
8. Retard the exposure of the full identifying globally of the King of the North and the final fulfillment cycle of Daniel 12: Check.
9. Compound more bloodguilt on the GB daily: Check.
10. Allow further 8K operations in the organization: Check.
11. Set the virus into "self protection invisible mode": Check.
12. DIFFUSE WORSHIP OF JEHOVAH TO GB, FDS AND ORG. CHECK

Mission accomplished! Fine work your Majesty's secret agents of the 8th King, King of the North! You live in the GB now, literally or by DNA.

But you are also in the cross hairs of God's angels shortly for an "unusual event":

At this point Jehovah wants the GB to know, had it not been for what Jehovah is going to do next, that is for those amongst you who survive this or are present and approved after this event, that had Jehovah not done this, you would be toast, you need to be humbled, and it is Jehovah who pulled YOUR ASSES out of the fire, and that fire was GEHENNA you poor guys.; (Rev3:17-18)

The virus we are speaking of is now in it's most dangerous state of operation, YOU have accepted it, and YOU feed it, and it is self-protecting now by YOU and by the fact YOU will not plainly see the obvious:

JEHOVAH AINT GOING TO GIVE YOU ANY NEW LIGHT UNTIL AFTER THE FILTHY GARMENTS ARE TORN OUT OF YOUR MIDST. QUIT WHORING GOD'S DAUGHTER.

That will be angelically aided, we do not know when, SOON, but God's prophecy doesn't lie; (Zech3:1-9) The context of the final two witnesses cannot be of course disproven, any anointed who keeps the oil supply of the lamp full, by reading God's word and applying holy spirit of the light that burns from that oil will instantly understand Revelation 10 and 11 have a final ultimate fulfillment soon, as does Daniel 12 and the 1260 day time signature at Dan12:7 and Dan 7:25-26, ALL prophecies with a final fulfillment mode.

The final seal on this little exposé is the bible itself and the "Lightning + Rod" that accompanies this expose. It is all perfectly overlayable upon the former 1260 day, and 1290 patterns of 1914-1922, with the same overall import of those patterns, BUT with a far greater ultimate manifestation. Not a heavenly Kingdom, but one that will make an appearance in earth's "heavens" as it's "new heavens" and no one can do anything about it, in their face, live, real-time and permanent and the whole thing.
THE WHOLE THING upholds and honors the former patterns and truth, but merely replicates upon them to the final completion of the 144000 Temple under the beaming "Head-Stone" Christ as per Revelation 11's parallel principle to Zechariah 4, and specifically Zechariah 4:6-8.

Ultimately no Jehovah's witness or the GB, anointed, or not, fraud or real can biblically or even logically disprove ANY of this interpretation as regards the final fulfillment upon the former patterns of 536 BCE to 515 BCE, Christ's seven day pattern in 33 CE, Christ's overall pattern of 7 years, the 1914 patterns as well. That is why God uses patterns, the sign is, the GB will not get this light UNTIL Zechariah 3:2-4, and 2-9 finalizes shortly PRECEDING, even preceding the Revelation 9 finality announcing the pre-2W2 final 1260 day ministry of Jehovah's witnesses, as that period will begin at an unknown time AFTER Jehovah's witnesses have been in preparation for it.

What is coming in Zechariah 3:2-9, will prove even this communication is authentic, Jehovah sealed through Christ, for Jehovah's anointed for future reference.

THAT IS THE GREATEST SEAL, THE TRUTH HERE, THAT THIS ANALYSIS IS DIVINELY REVEALED FOR THIS PURPOSE: TO MAKE ANNOUNCEMENT THAT THE JEHOVAH'S WITNESSES ARE GOING TO GET A PRECURSOR EVENT FULFILLING ZECHARIAH 3:1-4 UNMISTAKABLY, AND TO PREPARE FOR WHAT WILL FOLLOW AND LEAD TO, THE FINAL INFORMATION FOR THE FINAL, ULTIMATE TWO WITNESSES GLOBAL MINISTRY BEFORE THE COMPLETE END OF THIS WORLD'S RIVAL SYSTEMS TO A TOTALITY.

The GB will also get this in time, for now they will live in 1990 mode. NOTHING is going to remove their lack of "new light" but divine aid, and an angelically overseen clean out. In a little while...

GB.8K. Virus is Now in Self-Protection Invisible Mode, Just Part of the Org DNA Now...

Now we can discuss how this current active and fully absorbed retro-virus is now in a self-protection mode, and the other negative effects it is imbibing into Jehovah's organization.

(Ezekiel 16:27) And, look! I shall certainly stretch out my hand against you and I shall diminish your allowance [of new light] and give you to the soulful desire of the [apostate] women hating you, the daughters of the Philistines, the women humiliated on account of your way as regards loose conduct.

So that above is the current run of the virus and it's effects, the GB is open to apostate attack, that attack causes further idol steroiding, diffusing faith to object bodies from Jehovah, and Jehovah has yanked the "new light" allowance further.

Everyone Must Be Apostate Protection Mode

Now that virus is self-protecting as well, even if Christ himself came to a congregation, unbeknownst to the elders, and brought all this up with proof, the instant reaction?

Apostate... seek and disfellowship.
Apostate... seek and disfellowship.
Apostate... seek and disfellowship.

Subtle Ten Year Viral Idolatry Self Protection Mode

Now the virus is actually protecting itself, to make sure NO ONE runs an "anti-virus" on it. It is also further protected by people who have grown accustomed to idolizing the GB and the Org, and now themselves, are condoning an obvious viral lie, and protecting it, even disfellowshipping people who may honestly try to be resolving this.

Smug Formalistic Self-Protection Mode

Next the GB's own infection of believing it's own self-inflated idol creating press, it's own smug nature now, further seals the virus in place. That infection goes down to the congregation level, Jehovah's witnesses are now infallible too. Elders are puffed up virus protecting drones. Denial of the sheer magnitude of this multiplex sin is now complete. It is hidden in plain sight and too big to see.

Instead of just apologizing and admitting the error in 2001, the GB went into pride mode, and instead, began over emphasizing, idolizing in effect, the FDS, GB, etc. All one has to do is search the term (FDS) on the CD, and see the number of WT occurrences in 1990-2010 vs. 1950-1970, to know it is a trend with evidence.

Obviously this reaction was a known reaction that this virus catalyzed. This is not random, this i engineered for these exact effects over time, in multiple stages.

Thousands of Sheep a Week, Everything Must be Fine Illusion

It is even hiding under the veneer, that Jehovah will NOT abandon the sheep, nor will Christ stop hauling the sheep in. Many brothers are simply completely fooled by this virus. It's now mixed in, and part of the Org DNA.

Everyone Must Be Apostate Protection Mode 2

The next development that camouflages this virus, is the fact, 99.9999% of all attacks, in global hyper-mode now, on the GB, FDS and Org are from destructive sources. the sheer magnitude of this assault actually protects the virus from the one anti-virus that is need: Honest appraisal and Biblical prophetic truth on known patterns for a good reason.

Yet, as covered, this whole affair and aftereffects was invited with valid, scandalous "befouled" conduct, and by that it will not be removed, impossible to remove in fact, until God acts upon His organization, soon in Zechariah 3:2-4's final fulfillment. The "other sheep" rarely have enough depth of biblical understanding, and not the level of spiritual insight to even comprehend the importance of the final 2W2. If the GB itself has stopped reading the bible, preferring the story that "it's at apex
But in fact, the greatest phase of all Jehovah's witness history is about to commence, and GOD is going to be the one ringing the bell! Apex? What about the final 2W2 ministry? Done? What about identifying the King of the North and delivering some "little scroll" "reports" to him? RECALL Daniel 11:44-45? Recall Revelation 10:11? Revelation 11? Zechariah 3? Zechariah 4?

Hyper-Conservatism and Formalism Viral ID Avoiding Protection Mode

Now the GB's own apostate gun-shy barrage they themselves inspired, is making them all like turtles at the fireworks, pulling their heads in deep into there shells. Now when they NEED to examine biblical former patterns, for future fulfillments, they aren't even reading the bible, they are running an overgrown org, they won't discuss new light if they could, they have infiltrators mummifying the place, and they fear apostates, and in another 20 years of this waffling they won't figure out one thing here, but maybe a brother keeping his oil full.

Viral Side-Effect 1

Now we do have real external XJW apostates attacking us externally, many of them, in perpetual waves as per Ezekiel 16:27's curse. We have a Gehenna bound true apostate CLASS front that is NOT even being identified as a biblical class, like Christendom was in 1914, thus it is NOT being confronted, warned, and identified as per biblical responsibility.

The GB is allowing them to run the internet, to have one side of the story, and the GB is encouraging no one to preach judgment to these renegade traitor XJWs and the rest. The GB are blessing cowardice, and bloodguilt, to avoid their own dirty laundry.

Now we see an engineered side effect undeniable in he master virus. BLOOD GUILT.

When scripturally, this is a modern day "son of destruction" class, and we also have to WARN THEM of the danger they are in, and the severity of the sin THEY are involved with. Like Christendom in 1914. Did we run and hide from Christendom? NO! the same principle applies, but the GB's own denial and guilt is allowing these operatives to now subtly drag ALL Jehovah's witnesses into blood guilt as per Ezekiel 3.

That means we are NOT preaching and attacking in spiritual war, our archenemies, and that is fearful, weak, and another sin, that is NOW spread to all the sheep.

Viral Side-Effect 2

And what does that ludicrous strategy do? It closes off 2 BILLION PEOPLE IN THE INTERNET WEB FIELD from an organized, penetrating, searching, seeking, WORLDWIDE and web utilizing ministry!

THE GREATEST FIELD TO EVER EVER OPEN UP IN ALL HUMAN HISTORY, AND AT GB LAND? AHHH, FORGET ABOUT IT!

Another sin.

Viral Side-Effect 3

And all this fear mode has the GB in hyper-conservative theological fossilization.

GB: "No, don't adjust that "light", we will never really know who the "KingNorth" is anyhow brothers, if we don't know, no one knows, (back pat, back pat), what are the apostates going to do with it anyways? Some things can never be known y'all. We are God's chosen brothers, we are almost done, we don't need to read the bible night and day like that nut 20571. We're ok you guys, this is enough light to get us to paradise. We're almost done anyways..."

But in reality, this final puzzle piece, REQUIRES FULL TIME BIBLE STUDY WITH ANOINTING OF HOLY SPIRIT and the desire to understand and NOT think it is "all over brothers, kick back and behold the salvation of the Lord!", "pass me another slice of, uhuh, apple pie this time, thanks sister..." LOL.

1. Now who can deny, that our GB is a "log in the fire"? Zech3:1-2
2. Who can deny this is not an engineered destructive virus since inception in 1991-1992?
3. People actually fooled by this virus, GB worshipers and the GB 8K operatives, that's who believes this is all just fine and dandy.

But in reality, an angel backed earthquake is coming for the GB.

NO MAN ON EARTH IS GOING TO STOP THE 100% TRUTH COMPLETION BEFORE THE FINAL 144000 COMPLETION FOR GLOBAL HERALD IN THE FINAL TWO WITNESSES!

DAN 12 AND DAN 7:25-26 AND REV 6, AND REV 8-11; 14-16 ALL HAVE A FINAL FULFILLMENT MODE!!!! SO DOES ZECHARIAH, FOR A FULL HOUSE, CHRIST+144000 MESSIANIC TOTAL CONQUEST, AND 144000 TEMPLE COMPLETION UNDER CHRIST IN THE FACE OF THE 8TH KING, KING NORTH AND THE WHOLE WORLD!!!

Just like in 515 BCE, when that typical temple completed IN THE FACE of the enemies of Israel at that time.

The GB is in for a great humiliation. They need it. To get those "befouled garments" off, and the "robes of state" on, they will, in the interim, be exposed as naked. Read the scripture.

(Zechariah 3:2-4) Then the angel of Jehovah [Michael/Christ] said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one [FDs/Org] not a log snatched out of the fire?” 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to those standing before [angels] him: “Remove the befouled garments from upon him.”
And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”

GB Fraud Litmus test - Courtesy Jehovah God

So, we have a litmus test before hand. Any element of infiltration or spiritual fossilization in the GB, likes things just the way they are. Real anointed in there will see this is all true.

1. The fakes will resist that the King of the North WILL be identified by Jehovah.
2. They will resist that Daniel 12 and Revelation 11 have a final fulfillment in the “two witnesses” known time period and import.
3. They will resist the truth, that like the typical temple in Jerusalem in 515 BCE, the Temple 144000 will ALSO complete in the face of the enemy; (Rev11)
4. They will want to set hand to plow and look forever back at 1914, when in fact Christendom is Christendone, the JWs is the house Jehovah is going to inspect in the final fulfillment.

This will all be new news to the GB. Why? They are running a deadly infiltrative virus that they now doctrinally are protecting, ensuring it continues to subtly ruin the spirituality of themselves first, and the other side effects daily, year over year.

Yet Jehovah is STILL blessing the sheep, and has set up these enemies for a purge that will also filter the organization of GB worshipers, FDS worshipers, Org worshipers, self and position worshipers and find the REAL Jehovah worshipers with one big angelic lightning strike.

In a little while.

It is ominous what this really means to be fulfilled very soon:

(Zechariah 3:9) Here I am engraving its engraving,’ is the utterance of Jehovah of armies, ‘and I will take away the error of that land in one day.’

Just a little while longer...

Dear GB, you've been infiltrated! You log is in the fire as we speak; (Zech3:1)!

The Governing Body of Jehovah's Witnesses and 911

Phase 1
9/11/1990

1. In 1991 the xGB and WTBTS started to promote the “New World Order” following George Bush Sr. by nearly an exact year to the day from his proclamation of the UN in NWO mode before a Joint Session of Congress on 9/11/1990;
2. The UN NWO mode "disgusting thing" (DT) was then placed in the world on 9/11/1990 before the US Congress and soon after, before the UN Security Council on a few occasions after 9/11/1990; These are the 79 "new world order” WTBTS UN/NGO quotes commencing in the Awake! UN issue of 9/8/1991 and continuing for 10 timed covert years;

So, the xGB supported globalist objectives by being partner in the Daniel 11:30-31 fulfillment of 1990-1991 dual placement of the DT in UN NWO 3.0 stance after the Cold War (WW3); World war is the DT presentation stage; (1.) 1919; WW1, LON; (2.) 1945; WW2, UN; (3.) 1990; WW3, UN/NWO...

The xGB ops do NOT expound the true meaning of this manifest "holy covenant" apostasy and UN/NGO DT "transgression" which is the basis of the prophecy to soon fulfill at Daniel 8:11-14 temple profanation and cleansing; The DT "Baal Image" is erect up at Bethel, with xGB blessing and cover-up of revealing prophecy; (See Hosea; the whole book)

Phase 2
9/11/2001

1. Well to complement another heavy duty globalist 2Horn-wildbeast world event series leading to the declared "World War on Terror" (Daniel11:40 continuum from 1990 Gulf War globalist KN+NATO operations), the xGB is involved with the 10/2001 timed release of the UN/NGO UN relationship "news break" as DPI adjunct advertising agency;

All perfectly timed with 911;

(This just happens to time as well with the Barbara Anderson globalist operations revealing the xGB "pedophile propagation" policies;)

All just coincidental?
We have two globalist prophetic fulfilling events, that were covertly and overtly perfectly supported by the Governing Body of Jehovah's Witnesses that:

1. The xGB does not apply to modern prophecy, but keeps JWs thinking 1980-1990 and 1914 constantly focused backwards, inspite of overwhelming evidence;
2. The xGB supports with their own "lawless one" UN, cover-up and globalist 2Horn-wildbeast "temple profanations" as an infiltration group as per prophecy of Daniel 11:30-31 and Daniel 8:11-14;

Phase 3
2014 (?) Final Globalist World Event 10 Year Phase 3 Commencement

Expect the "man of lawlessness" xGB, now being revealed also as per prophecy, to support the globalist third world event very soon, quite possibly timed with a 2014 JW (1914) Centennial Temple "decoy" and GT hoax event to attempt to wipe out the JW worldwide org by deception and infiltrative set-up while this globalist engineered world event unfolds in massive impact worldwide;

Temple Judgment Instead

But in fact, this will NOT be GT, this event will be the divine judgment on the JW temple, as per Daniel 8:11-14 commencing while another 10 year phase of globalist intrigue is set in motion worldwide leading to the end; JWs will be fooled until after the "evening" of Daniel 8:14 recovery and temple cleanse completion, for final "two witnesses" final world warning recovery;

JWs think it is over, but in fact it is just getting started;
JWs expect paradise, but it is instead WW4 "fire test" time as per Zech3:2; Rev8:2-5 final cycle;

Jws will be disciplined severely for the UN/DT 20 years of gross sin condoned by the whole JW organization and the xGB apostates; (Jer30:11; Isa12; Zech3:1-9)

And this JW misconception is exactly what the MOL xGB and globalist world powers want us thinking;

A Preview UN/NWO Stand and 2014 Centennial Temple Decoy and Great Tribulation xGB Hoax?

Daniel 8:11-25

On globalist world government revelation and the Governing Body of Jehovah's Witnesses converging for one great JW hoax event around 2014;

This is speculative, but based on interesting evidence in light of biblical prophetic patterns soon to activate in a final cycle; Details in here may inadvertently be reinforced or updated by xGB objective mental priming in the coming months;

This examines the temple judgment reality and the King of Fierce countenance dual "stand" potential timing of Daniel 8:11-25, and concurrent globalist activity that may manifest; (Dan8:23) along with an xGB engineered premature "temple decoy" period now apparently being prepared by the xGB;

This may be possibly part of a greater "GT hoax" production that will have to converge with Daniel 8:11-14, Zechariah 3 at some point, but with a true significance of Bible prophecy different from xGB deceptive claims being projected by the xGB for globalist purposes;

Potential Dual Stand of Globalist Power in the Temple Judgment Period Coming

First notice two "stands" of "King of Fierce Countenance":

(Daniel 8:23-24) “And in the final part of their kingdom, as the transgressors act to a completion, there will stand up (1) a king fierce in countenance and understanding ambiguous sayings. 24 And his power must become mighty, but not by his own power. And in a wonderful way he will cause ruin, and he will certainly prove successful and do effectively. And he will actually bring mighty ones to ruin, also the people made up of [the] holy ones. (Dan7:25-26; Dan12:7, 11; Rev11:7)

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin; (Compare Dan11:44-45; 1Thess5:1-3) And against the Prince of princes he will stand up (2), but it will be without hand that he will be broken. (Armageddon finality by the Christ and Kingdom of God)

Some Possibilities

1. Note there are two KFC "stands";
2. Note it is marked in timed significance with

'In the final part of their kingdom, as the transgressors act to a completion'

Just how long into that "act to" a "completion" this extends, which fully began manifesting in the 1991 UN DT 3rd "stand" actions, seems unknown at present;
Was this stand of Daniel 8:23 in 1990?

Why then is it after the Daniel 8:11-14 "transgression causing desolation" that definitely is manifested full in 1991 in the WTBTS, by xGB sanction in Daniel 11:30b's infiltrative revelation, to the actual v. 31b:

"And they will certainly put in place the disgusting thing that is causing desolation."

Compromise and Infiltration Planning with Success

(Daniel 11:30b-31a) And he (globalist KN) will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant, 31 And there will be arms that will stand up, proceeding from him; and they* will actually profane the sanctuary, the fortress, and remove the constant [feature].

The Climax Objective

(Daniel 11:31b-32a) “And they* will certainly put in place the disgusting thing that is causing desolation. 32 “And those who are acting wickedly against [the] covenant, he will lead into apostasy.. (It continues after this event)

Possibility 1

1. Maybe it is after Daniel 8:11-14 because it could be that Daniel 8:23-25 is an alternative snapshot of more detail of Daniel 8:11-14, a parallel, not sequential account;

2. Since Daniel 8:23-25 details are after a descriptive summary in Daniel 8:15-22, that does break the Daniel 8:11-14 sequence to summarize the whole sequence again in parallel rather than linear progression;

Possibility 2

Or it could be this speculation examined below; please bear with me here, recalling this is speculative, but bears on a few interesting details we can think about in light of recent developments and evidence;

In this "dual-stand" speculation, it is possible that as noted at other times in scriptural places, Jesus and Daniel indicate "stands" before and after "Jerusalem" targeted events respectively; In Matthew 24:15 Jesus gives the hint of a "stand" as a signal of coming desolation - a stand of the "disgusting thing";

Christ; Before Desolation:

(Matthew 24:15) “Therefore, when you catch sight of the disgusting thing that causes desolation, as spoken of through Daniel the prophet, standing in a holy place, (let the reader use discernment,);

Daniel; After Desolation

(Daniel 12:11) “And from the time that the constant [feature] has been removed and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days.

And the 3.5 times; 1260 Days Leading to that Final Stand:

(Daniel 12:7) “It will be for an appointed time, appointed times and a half,** And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish.”

(Daniel 7:25) And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, **and they will be given into his hand (Rev11:7) for a time, and times and half a time.

(Daniel 7:26) And the Court (Full 144000 with Christ finale after 1260 days; Rev11:7:) itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [him] and to destroy [him] totally.

Which is KFC Destruction Meaning:

(Daniel 8:25b) And against the Prince of princes he will stand up (2), but it will be without hand that he will be broken. (Dan7:26; Dan11:45)

Initial Stand of Daniel 8:23

(Daniel 8:23b) “And in the final part of their kingdom, as the transgressors act to a completion, there will stand up (1) a king fierce in countenance...

Could this initial "stand" have a minor (covert) and major (overt) dual significance of DT related "stand" in this initial event?

1. This "stand" could apply to the covert stand of the UN/NGO xGB services (1991-2001) and covert UN/NWO "placement" in the WTBTS from 1991 forward;

A. But few see this covert "stand", few "catch sight of the disgusting thing" as in the context of an easy to see signal warning of Matthew 24:15; Some do, but not many; yet it is still true, it will cause a desolation;
But is it the final major meaning?

Will there be an initial stand more pronounced soon? In time with the "transgressors acting to a completion" soon as well?

DT "Stands" Before Two "Desolations", Separated in Time, which May Vary in Manifestation

Will King of Fierce Countenance (KFC) be in this Pattern?

Before "Desolation" 1 - Temple Judgment (Dan8:11-14)

1. This "stand" of UN DT in NWO mode (3rd in WW history), (1990 (world "stand"); 1991 (WTBTS "stand")) is preceding a preliminary divine temple judgment limited "desolation" in Daniel 8:11-14 related to the sins of "transgression causing desolation" (Dan8:13) foretold in details in Daniel 11:30-31's UN/NGO actions; (And world significance;)

2. It can refer to a later situation in the near future possibly, where during this coming initial temple judgment "throw down" of the "established place of the sanctuary"; (Dan8:11), we just might get a preceeding or concurrent "preview" "stand" of the 8th King system as "King of Fierce Countenance"; "AS the transgressors act to a completion" in a symphonic event significance;

3. Also since this KFC is a final development of the "small horn" progression in time here, appearing later in the sequential development of the prophecy and this world dominatin system, a second "king", KFC, is in the sequence after this "small horn" of Britain:

(Daniel 8:9) out of one of them there came forth another horn, a small one, and it kept getting very much greater...

Globalist KFC's development is shown in "the final part of the denunciation"; (Dan8:19), meaning the "stand" manifestation may be unique and a globally seen preview in the near future in this coming temple cleansing event; ("stand" 1; Dan8:23);

4. Then this "stand" may be in the near future as a paralleling prelude in which Jesus words will apply before (or in process) of the "throw down" "desolation" of that "temple cleansing" signal and event possibly, no matter how that may actually manifest (financial intrigue, covert ops, etc), in Daniel 8:11-14's reality soon:

(Daniel 8:23-24a) "And in the final part of their kingdom, as the transgressors act to a completion, there will stand up a king fierce in countenance and understanding ambiguous sayings.

And that effective power is successful:

24a And his power must become mighty, but not by his own power. And in a wonderful way he will cause ruin, and he will certainly prove successful and do effectively.

(Which incidentally is not a national power in history; they all fail as per Daniel 11:27 "but nothing succeeds").

In time after the temple cleansing this KFC "effectiveness" leads to the 1260 day "holy city" "desolation" (Rev11:7) after this initial "stand" and after that 2300 unit judgment period of Daniel 8:14, thus extending through the preliminary divine temple cleansing judgment, towards the foretold completion extending over all this through and after the 1260 days;

(Revelation 11:7) And when they have finished their (1260 day) witnessing, the wild beast that ascends out of the abyss (scarlet wildbeast globalists) will make war with them and conquer them and kill them.

Which Parallels*:

(Daniel 8:24b) And he will actually bring mighty ones to ruin, *also the people made up of [the] holy ones.

(But note the Daniel 8:11-25 sequence is a one time fulfillment that will apply to the final part (after 1260 days) of a dual fulfillment of Revelation 11:2-7 to a completion of 2520 days)

And that quick summary in 24b, would actually be occurring just prior to the final "stand" of the KFC system in Daniel 8:25b, but after Revelation 11:7 conquest over the holy ones, after that 1260 days of "when they have finished their witnessing, the wildbeast that ascends from the abyss will conquer them";

That event leads to this final DT stand with KFC "kingship" as one, the final "stand" Daniel covers from the removal of the constant feature and "dashing the power of the holy ones to pieces", which extends to the complete "peace and security" of "freedom from care" that logically could be climactic part of this apex event:

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

Possible DT "Image" to Full Power System 8th King (KFC Globalists) Comprehensive Progression to the Total End

1. In effect that Daniel comprehensive overall "stand" progression (both; 23, 25b) is possibly concurrent with the preliminary "temple cleanse" "established place" desolation of Daniel 8:11-14 as a concurrently manifesting, globally proclaimed or seen accompanying globalist event;

2. In that case, Daniel 8:23 is an "image" stand, not in full power yet, leading to Daniel 8:25b zenith, which would be both the "image" and the apex world globalist KFC rulership together; A finale totality of the "image" and the "full bodied" multi-national 200 nation array worldwide, in globalist unification 8th King domination and world proclamation of this state of claimed power;

3. In this scenario speculation, a comprehensive overall DT/KFC "stand" would extend in defiance over the 1260 day continuum "two witnesses" clean "commission" to apex globalist defiance;
4. This would extend through to the completion of the KFC 8th King totality of system (Image and real 8th Kingship (KN) power "stand" at this climax time);

5. Also paralleling the completion of the 144000 Kingdom/Temple after that general post 1260 day timeframe that would also be progressing to finale;

6. Placing that climax event convergence of both KFC and the Christ Kingdom 144000, some time in the 1290 days unknown, as "and finally they took away" "his own rulership", which is officially in apex defiant stance after the final "stand" of Dan8:25;

Quick Summary:

The somewhat complicated thing, speculatively, is that the Daniel 8:23 stand may precede the 2300 units temple judgment, but that KFC "first stand" proclaimed presence will extend through to the 1260 day (and after) to the final wave of Revelation 11:7 on the approved "holy city" to fulfill this prophecy in a God approved cleansed state for JWs, and the 1260 days completing, and transitioning also to the 144000 Temple completion in the 1290 days period that will be commencing;

Then Dan8:25 "final stand" is just the culmination of this whole period from, speculatively, a fully recognizable initial stand prior to, or with, the coming temple judgment of Daniel 8:14's 2300 units, possibly 1150 days, and an unknown recovery transition to official 2W2 through whatever kind of globalist event may develop along with this sequence of prophecy;

With all these potential great parallels possible, from real prophetic events to deceptive counterfeits paralleling, that brings me to this temple judgment event coming up in the near future, and the possible globalist world event orchestration that will potentially go along with it, in light of 2014 approaching;

And the role the xGB could consider playing;

The XGB Great 2014 Decoy Temple Centennial GT Hoax on JWs

Given These Great 2014 Potential Temple Parallels, The Question Is...

Is a 2014 Centennial Temple Decoy and GT Hoax Event in the Works by the MOL xGB?

We know the "man of lawlessness" has been covertly operating in the xGB for quite a while, that is now a no-brainer in overt bad-fruitage by evidentiary examination of xGB UN worship, cold-hearted stumbler policies and spiritual-predator propagation by smug self-righteous attitudes that are now xGB core example broadcast across the JW landscape; The elder body is now many xGB influenced 66 spiritual IQ drones;

And a JW judgment MUST come from this as per Daniel 8:11-14 real "temple cleanse" for the Daniel 11:30-31 xGB UN-NWO-Baal worship and sin festival and subsequent deep JW org and sacrificial profanation; (Hosea)

But given this heavy duty 2300 unit period that must bust forth on the JW org from God allowing a globalist world coup on the JW org, will the xGB use it for traitorous, thieving and murderous opportunity as "son of destruction" xGB as well?

You Betcha!

1. What if this MOL xGB operation attempts to mimic an +/- October 2014 centennial timing as a decoy temple event leading to a hoax GT event to use against JWs?

2. What if this MOL xGB tries to use the prophetic temple replication pattern, advancing it prematurely (like they are now), causing the actual divine judgment, possibly timed with another globalist world event, (Dan8:11-14) to appear like "Great Tribulation" commencement?

3. Will the xGB continue to prime the JW mind for premature GT hoax, while now weaving in a "temple cleanse" hoax, and centennial 2014 temple decoy event?

4. And, given the mental effect 1914 has on the JW mind, what if they try to mirror it upon a 2014 Temple Centennial that is only a strategic decoy?

5. Will this potential hoax event, be timed with another globalist world move that may have a preliminary DT placement as per Daniel8:23?

This is an xGB premature bypass diversion decoy, when in fact a whole actual divine temple replication series only begins with this event (Dan8:11-14; Zech3): And that actual period of JW judgment progresses for an approximate 10 years duration through the real "tribulation of those days" and Revelation 11: 1260 days of final global witness from God; (Matt24:29), with identified prophetically significant periods - rather than this xGB crude simplification!

Well, to say the least, something in the xGB is MOL suspect, priming JWs for a "premature" GT; That much IS revealing! GOD warns of such developments from MOL xGB:

(2 Thessalonians 2:1-3) However, brothers, respecting the presence of our Lord Jesus Christ and our being gathered together to him, (Matt24:29-31); we request of you 2 not to be quickly shaken from your reason nor to be excited either through an inspired expression or through a verbal message or through a letter as though from us (anointed, but actually from a fraud xGB), to the effect that the day of Jehovah is here. (Such as Hoax GT by xGB) 3 Let no one seduce you in any manner, (not even the xGB frauds mental pump priming and predictive programming!); because it (the REAL temple judgment) will not come unless the apostasy (In the JW org) comes first AND the man of lawlessness (xGB and Co.) gets revealed...

(ALL THIS REVELATION FIRST! ALL Prerequisite for the rest of JW history - xGB has to be purged by actions they themselves initiate by God's covert angels - Zech3:4-7; Hos1:4-7; The xGB is "toast in time"!)

Keep Awake Spiritually to the Bible

Being about two years out from that 2014 potential date benchmark; (10/4-5/1914 to 10/4-5/2-14), we will have to consider closely, the deceptive and scripturally misapplied words that no doubt will continue to come forth from the MOL xGB, as they blasphemously start to begin setting up more decoy props, more mental
priming, more "predictions" with more calls to temple scripture deceptively applied to their own hoax "temple cleansing" procedures;

Out of nowhere, after 20 years of "no light", the xGB will get much "new light" that is all hoax credibility bait;

We can keep an eye out for possible "predictive programming" as 2014 approaches, knowing full well the globalist world planners already have a world operation in the works, and being with xGB historically demonstrated aid to compliment the main globalist world move, they can set up a scenario for the intended effect, knowing they can produce the world event whenever needed to give credibility to the hoaxed production.

They can cue it right on October 4th 2012 if they want!

Keep an Eye on All of Them

1. We will just have to see what xGB claims may come forth in this possible, speculative lead-in period, to an actual temple judgment that they of course are not giving accurate details of concerning Daniel 8:11-14; Zechariah 3 actual foretold divine cleansings;

2. Nor are they expounding the solid self-incriminating evidence as to the real meaning of Daniel 11:30-31, in light of the seculary downplayed, and xGB covered up, 3rd "stand" of the UN "False-Prophetic" NWO in 1990, after Cold World War 3;

Globalist Symphonic Supports Again?

1. The "Disgusting Thing" DT has moved along with a concluding world war presentation stage at completion of the WW sequence three times so far; ((1.) 1919, WW1, LON; (2.) 1945, WW2, UN; (3.) 1990, WW3, UN NWO;

Will "Global War on Terror" "resolving" or "intensifying" allow a preliminary opportunity to fulfill Dan8:23?

2. The xGB has been supporting this 3rd UN DT NWO mode significance in actions, not in revelation of prophetic reality, since 1991;

Will "temple hoax" allow another preliminary preparation for xGB final wildbeast worship rituals?

XGB Historic Globalist Supporting Actions

I. September 8, 1991 - xGB WTBTS promotions began in 1991 in Awake! magazine supporting George Bush in the September 8, 1991 United Nations series in that journal, which soon spread to The Watchtower as well;

1. The "new world order" appears 79 times in both those WTBTS journals in ten years from 1991, beginning with the quoted proclamations of George Bush Sr. fronting the 2Horn-wildbeast before the UN Security Council in September 1990;

2. This was a "new world order" series begun on September 11th, 1990, by President George Bush Sr. before a Joint Session of the US Congress;

(Readable from the Bush on-line library and WT Library CD in directly related significance to Daniel 11:30-31 transgression calling for the Daniel 8:11-14 temple, and Zechariah 3 temple priesthood cleansing by God, foretold in divine prophecy)

Required xGB Prophetic Cover-up:

A. The xGB says nothing about the significance of a 3rd UN-DT stand in NWO mode in relation to Daniel 11:30-31 fulfilled in 1990-1991 climax "disgusting thing" event of v. 31b;

B. The xGB says nothing about the relationship of that transgression to the divine temple cleansing now called for, due to that sin, of Daniel 8:11-14;

II. October 2001 - The xGB then provided 10 years worth of adulterous scandal as an evidentiary "news break" nearly paralleling the 911-WTC event in timing;

All just coincidental again? Please...

1. This involved the officially sanctioned WTBTS (GB) relationship as one of the United Nations Non-Governmental Organizations, providing the approved UN promotional capacity for that agreement in the Department of Public Information;

2. The handy "library card" aided WT provided "information" as an "adjunct UN advertising agency", a planned UN/UN Support Org/Media information disseminator to the worldwide Jehovah's Witnesses ministerial audience and unique demographic through the Watchtower and Awake!; This was all exposed for a timed maximum effect along with a notable world event which became the globalist "World War on Terror" soon there after;

3. The xGB remains mum on prophetic significance and condoning of this reproachful DT scandal, still covertly involved with globalist objectives obviously now for years;

4. The pattern is, the xGB supports massive globalist inspired events with control of the whole Jehovah's Witnesses worldwide organizational logistics capabilities;

Required Globalist Significance Cover-up:

A. The xGB says nothing about the significance of a "Global War on Terror", a declared "world war" as pertaining to Daniel 11:40 and Joel 3:9-12;

B. The xGB says nothing about the formation of Global NATO in 1999 as a globalist military system supporting UN globalist (not national) objectives as this relates to Revelation 16:13-16 and the "power shift" of Revelation 17:11-17;
III. Future - Globalist and xGB Coup De Grace - To expect a finale climax event from the globalists as a third strike, possibly tied into 2014's JW psychological significance with 1914's "centennial" and "temple cleanse" hoax potential (now underway), all "coincidentally" supported by the xGoverning Body of Jehovah's Witnesses is not paranoid, it is logical;

1. This provides the perfect potential context for a hoax "Great Tribulation" on JWs as well, to herd JWs hither and thither, at xGB command, in 230 'isolated from JW communications' lands;

2. Yet, that overall effect is not dependent on the 2014 Centennial Temple timing, but sure would have a great effect on the worldwide organization of Jehovah's Witnesses if indeed this does manifest in this way;

3. Either way, the xGoverning Body of Jehovah's Witnesses is up to no good; They are the self-revealing "man of lawlessness" that must manifest before any of this activates in actual, not hoax, prophetic significance and fulfillment of Daniel 8:11-14;

*Please share this news with as many Jehovah's witnesses and others as possible; Lives can be affected by the truth of the matter as outlined in the Bible for this very purpose to be wary of the xGB's claims - they are NOT good men, they are pretenders and fake-brothers;*

**Globalist GB Infiltration of Jehovah's Witnesses Fulfills Prophecy: Prophetic Future "Final Fulfillment Mode" Cover Up**

http://templelijah.wordpress.com/diversion/jw-infiltration-future-final-fulfillment-cover-up/

**Jehovah's Witnesses Have Been Given Final Truth**

First off Jehovah's Witnesses have been given the truth of all time from God Almighty through Jesus Christ. All 1914 mode prophecy proves Jehovah's witnesses prove the bible for God, sanctify His Name, and uphold God's Sovereign Supremacy by proclaiming His Messianic Kingdom power through Christ Jesus. That Kingdom and Temple arrangement, in immortal glorification to complete before Armageddon's final "war with God" will utterly humiliate, rout, ruin and destroy the 8th King/King of the North zenith globalist world order wannabees and the national collective system they are increasingly controlling to everyone's doom on planet earth except those saved by God in that period of time of Satan's climax as Gog of Magog; (Rev16:13-16 via Joel3:9-12 empowered by Rev17:12-18 parallel to Dan11:42-45; Rev14:14-19; Rev7:9-17)

**The Truth is the Globalist Target; Daniel 8:12**

So it is no wonder the globalists and the demons will attempt to send the best subversion agents they have into Jehovah's Organization (Org), and they have, and they will be neutralized and removed as per prophecy. The JW Org status of Zechariah 3:1 for the last 20 years, will be resolved in Zechariah 3:2-10 future and final fulfillment soon, and may very well be traumatic to all Jehovah's witnesses worldwide - something BIG, in Jehovah's organization, is going to happen well before "great tribulation" (GT).

It definitely will be memorable for the imposter "Governing Body" (GB) and Org globalist undercovers being exposed now, and it will all commence the great final fulfillment mode of the final Biblical prophetic sequence of prophecies to the world's complete conquest by Jesus Christ. (Zech3 will lead to Dan 12:7, 7:25 and Rev10-11 in final fulfillment cycle)

**Zechariah 3 fulfillment, in a little while, is the commencing trigger event.**

*By that event Jehovah will recover the final ministry of Jehovah's witnesses and refine it per Malachi 3:1-4 final fulfillment as well. The 2 Thessalonians "man of lawlessness" cabal, operating in the imposter GB will be exposed and terminated from authority in God's Organization forever.*

====

**In the Meantime - They Want to Stall Jehovah's Witnesses While Looking Busy**

Jehovah's witnesses are currently undergoing a 20 year known inner compromise of our organization by infiltrator agents of the globalist world order with other serious spiritual improprieties all masquerading as approved by Jehovah God and Jesus Christ with sinister goals of subtle subversion, massive sin, spiritual backward vision, and positioning the Org for a coup de grace under an appearance of righteousness.

**But now the imposter GB and Org infiltrator "man of lawlessness" being pre-exposed as per 2 Thessalonians 2:3-9. Full exposure will occur when Zechariah 3:2-4 activates soon.**

This will all trigger a final cycle of parallel final fulfillment mode prophecy that will progress through 3 more known phases to the end of the world of all rival power on planet earth (Rev19:19-21), and in the space zones surrounding it (Rev20:1-3).

Zechariah 3 fulfilled will be like a fuse to the God bomb of all time, the Messianic Kingdom conquest; (2Thess1:6-10)

**Parallel Prophecy Triplet**

This prophetic triad is the "befouled garments" transition to "robes of state" of divine upgraded approval for completing the "good news" of the 144000 "royal priesthood" (1Pet2:9) from Jehovah and Christ in Zechariah 3:1-4 prior to the actuality of the Temple 144000 under Christ completion which is followed by complete world conquest; (Rev11:15-18; Dan2:44).

*Therefore just the guaranteed Kingdom Temple completion "good news" of this affirmation from God is important and will affect the content of the "little scrolls" understood as "opened."*
This Zechariah 3 manifestation will parallel the Malachi 3:1-4 current final "temple" inspection, judgement and refinement of the contemporary, modern definition of the "Temple of The God" in Jehovah's witnesses professed anointed worship system on earth, the "temple", and "those worshiping in it"; (Rev11:1-4).

The Revelation 11:1 "reed like a rod" measurement "device" will have disciplinary and shepherding pronouncements applicable to all Jehovah's witnesses in final fulfillment mode.

The global activation of Zechariah 3 will commence the final chapter of human Adamic civilization as outlined in prophetic eradication of this rebel system led by the 8th King, the presence in this imposter GB stealth control.

In this judicial inspection of Zech3:1's current state of the Jehovah's witnesses, and Mal3:1, 5; the modern manifestation and definition of the infiltrator "man of lawlessness" (2Thess2:3-9) in the Jehovah's Witnesses organization will also be revealed.

This exposure of the source cause of the "befouled garments" of Zech3:2-4 in the imposter GB and peripheral organizational undercover positioning is also a prerequisite trigger of subsequent prophetic fulfillment of grander scope, in fact universal and worldwide impact guaranteed in the near future.

**Fraud GB to be Exposed Soon**

This will become a full revelation of wrongdoing by an operative controlling imposter faction for 20 years now, operating within Jehovah's Witnesses "Governing Body" and organizational corporate, administrative and congregational bodies.

This dubious and subversive well disguised operation and personnel placement, which have been involved in stealth and blatant sins publicly unrepentant and unadmitted for 20 years, will be fully exposed as per prophecy in parallel multi-fulfillment mode in the near future. These "garment befouled" "GB" operators have been sullying Jehovah and Christ's name and global reputation, and bringing into ill repute the anointed "faithful and discreet slave class" remnant today on earth, and all Jehovah's witnesses worldwide, and will be removed as per Zechariah 3:4.

The infiltration is so deep and effective, divine intervention by angels of God will be involved as per Zech3:4.

**Jehovah Witness Wake-Up Call**

This will trigger a final fulfillment mode of prophecy to follow this commencing development that will usher in a poignant display of final fulfillment reality, and get Jehovah's witnesses attention worldwide.

This is to recover Jehovah's witnesses from the imposter GB currently operating an organizational system of Satanically engineered spiritual coma, explained partially below. This will be a symbiotic organizational event worldwide, that may converge with the third level of the infiltration goal [2] of embezzling and exterminating as many Jehovah's witnesses as possible in the next 10 year globalist world domination cycle.

These globalist and GB synchronized cycles were demonstrated in marked world fashion in 1991 and 2001 (911), so a third step is guaranteed soon.

**Cycles of Imposter GB Sanctioned and Engineered Sin and Real Guilt**

1. The first cycle (9/91/1991, timed Euro NWO) introduced massive gross sin in secret (UN-DPI promo "ads") to affect Jehovah's witnesses holy spirit and high level "new light" blessing, which has been successful in darkening the Jehovah's witnesses by this "GB" for 20 straight years of zero "new light", no questions asked. Good.

2. The second cycle of UN scandal "breaking news" globally (10/2001 timed with 9/11), was for global reproach of Jehovah and Christ. This also sparked a subtle reactionary idolatry development in bolstering apostate attacked bodies of "GB", "Slave" and "Org" fueled by this engineered debacle worldwide.

This led to global bloodguilt on all Jehovah's witnesses by massive multi-million person stumbling worldwide, in addition to closing off the global web territory from an organized ministry. Instead the web is cordon off for infiltrator GB sanctioned "apostate" "one-sided story" development and regular "filth feeds" ad infinitum for global distribution from the fraud GB supporting imposter aids from within the Org.

Now add bloodguilt and engineered idolatry to the "befouled garments" imposter GB smudge fest.

All in all, Jehovah's witnesses are now in a 20 year Satanic full stand accusation and resistance from within "Joshua's" "right hand" imposter "GB" itself fulfilling Zechariah 3:1 for 20 years. The spiritual "fire" of Zechariah 3:2 is therefore very real, as all Jehovah's witnesses are dragged into this enormous sin festival globally year over year, led by the imposter GB ringleaders, a Satanically aided cabal of camouflage subterfuge and obviously, HUGE sin development shown paralleling Zechariah 3:1 with 2 Thessalonians 2:9 with direct Satanic operations cited in BOTH of those scriptures.

3. Third Future Cycle: But there is much more to this infiltration than just that described thus far. [1]

**Prophetic Retardation Purpose**

**Make JWs Think it is All About Through**

The spiritual prophetic aspects is to freeze Jehovah's witnesses in an organization wide illusion that everything is done, that the work is at apex, that it is all about through.

This causes Jehovah's witnesses to:

1. Sleep: Become complacent;

2. Loose Focus: Become unfocused on the bible and prophecy in the meantime;
3. **Catatonia**: Stop searching and reading Bible prophecy for final fulfillment;

4. **Diversion**: Conceal modern prophetic manifestations and detailed identity of the 2horn-wildbeast (2HWB) and 8th King actual worldwide globalist systems of intended world domination.

5. **Backward Vision**: Keep Jehovah's witnesses focused on the minor 1914 fulfillments failing to ascertain the modern "temple" inspection phase.

5. **Dumb-Down**: Reduce and water-down spiritual feedings progressively to only new sheep levels of 1990;

**Evil Objective**: The purpose is to make Jehovah's witnesses fail to comprehend that there is a guaranteed final replication of all applicable prophecy that fulfilled in 1914-1926.

1. The purpose is to make Jehovah's witnesses miss the final ministry of Revelation 10-11 in final fulfillment understanding and action.

2. The purpose is that Jehovah's witnesses miss the final identification of the globalist "King of the North" in final fulfillment, thus never deliver the "reports" to an unknown symbolic bible character (KN is globalist world order container of the 8th King and 2HWB).

3. The purpose is to make Jehovah's witnesses miss the final ministry of Revelation 11 in final fulfillment of the second "two witnesses".

4. The purpose is to "clothe" Jehovah's witnesses spiritual identity and state in very real "befouled garments" as per Zechariah 3:1-3.

Watchtower examples of diversion: [3]

**Keep Focus on 1990 and 1914**

So this imposter GB keeps everyone focused on 1914, while recycling 1990 20 times and more if possible to aid this illusion.

**1914**

Although 1914 is but a minor fulfillment preview of the final fulfillment major finale (in the near future), the current imposter GB since the Henschel infiltration of 1991-1992 wants everyone in the delusion that 1914 is the end of it all, look no further.

This illusion aids not only the above objectives of Jehovah's witnesses missing the final commission and approval of God, but of also minimizing the bible's own guaranteed identification of this "son of destruction" GB "rat nest" and organizational infiltration in final fulfillment mode.

**1990**

The illusion that this "GB" of globalist operatives and possible misled persons is a valid spiritually approved "body" is aided by constant 20 years of recycling of the past "spiritual food" works of the pre 1991 righteous remnant and governing bodies that preceded this current GB "mole nest" of clever demonic filth.

There is simply put, zero "new light" for 20 years, but plenty of replicated, edited and reworded "spiritual food", giving the illusion the GB is legitimate, but it is not. This is aided by teams of "other sheep" who innocently carry the full work and research load of this fraud dead weight GB.

**Keep Focus on Prophetic Generalism and National Ambiguity**

So after 20 years of progressive retardation stuck in 1990 20 times, the greatest single decades of globalist 8th King activity in Europe since 1991, and in the world since 9/11/2001 is totally ignored by these globalist aids controlling the GB from within since that same time period of globalist world manifestations, all too conveniently developed at that exact time period in 1991, and 2001.

*Quite possibly the next move will also converge with globalist events as the previous 2 did as well. This third development will activate a divine intervention "temple cleaning" at some point in this progression soon.*

By this strategy...

**Goal: Hide From Jehovah's Witnesses the Following**

1. **Don't Tell JWs**: Biblical Final Fulfillment Mode Guaranteed Future Major Replication of All Kingdom Sovereign and Temple Prophecy in the Near Future

By this stall and recycle strategy Jehovah's witnesses would never realize there MUST be a final fulfillment cycle in the near future, a cycle so massive, 1914-1926 will be but a dress rehearsal.

Thus Jehovah's witnesses would never be upgraded to a paradigm shift to the final fulfillment mode of prophecy, which will be perfectly replicative of the minor fulfillment. This will be in complete harmony, like a perfect map, with 1914-1918, 1919-1922, 1922-1926 and all the meanings and events of those 1260, 1290, and 1335 day patterns BUT with worldwide and universal total impact and permanence.

Obviously then knowing all this is very important not just for Jehovah's witnesses, but for everyone in the world who will become convinced of the certainty of the prophetic outcome when they see it come true, in these initial cycles, right in front of their very eyes.

Therefore the final fulfillment mode of biblical guaranteed and certain prophecy MUST be made known to as many people as possible, so when they see it all unfolding over their very lives, they can begin to comprehend the seriousness of where this is all leading, and just maybe repent so as to be saved.

God himself through Christ is providing a program to the final act of the play, for ANYONE who is paying even the slightest attention to what is developing here NOW
in front of their very face. God is giving mankind a virtual map to the end of the world, in a number of easy to identify global points, great events, and periods of time that will unfold after those events, a map, to the end of the world, and where to exit and be saved.

So certain is it, it already has a full completed minor fulfillment on the global record as a pattern that WILL and MUST repeat in the near future along the very same route, offset into the coming days. The first modern nodal point of global activation will be this Zechariah 3:2-4 parallel trigger of prophecy that everyone on earth, will see fulfill in a symphony of events.

This synergy will include known events by globalists infiltrators in the JW org, the external globalist world events that it will relate to like in 1991 and 2001, and an act of God as per Zech 3:2, and Zech 3:4 paralleling Malachi 3:1-5, and 2 Thessalonians 2:3-9 unmistakable - so keep your eyes open, take note, jot it down, it will happen soon.

Obviously this will be very important to Jehovah's witnesses when they understand all this, and see it happen, it is a wake up call for the next phase of heightened biblical understanding.

2. Don't Tell JWs: Globalism (North) versus Nationalism (South) is the Basis of the Apex Final Form of World Rulership of Revelation 17:3; 12-17 and Daniel 11:40-45 8th King Globalist System

The next thing is to keep Jehovah's witnesses national minded cows for evermore with no comprehension of the concept of globalism as a basis of world government, to be herded like everyone else to layers in the food chain of globalist engineered destruction and internment cycles no questions asked, go where ever the imposter GB sends you even if it is a concentration death camp: NOW!

No Globalism

This GB cabal does not want the concept of world government based on globalization guided by globalist principles to be understood as a simple to explain bible and world reality fulfilling, because that affects the depth of understanding of Revelation and Daniel's wild beasts and polar kings "north" (globalism) and "south" (nationalism) to the fullness of biblical development in the final manifestation of these globalist rival systems.

This ignorance is aided by never understanding the difference and the reality of existence between national scale government(s), and global scale government. Nationalist governments (plural) and globalist government (singular) are very real world entities that need a synergy of globalist dominance, based on national ignorance and subservience to attempt 100% world domination by the singular 8th King globalists - while no nation puts 2 and 2 together.

National scale government never can rule the world, because they can barely rule their own territory, they are all too weak and limited in intelligence and power systems at global scale. They can dominate only so much, such as the Anglo-American national system, but that scale of power will never rule the whole world. The 8th King globalist system, WILL attempt 100% world rulership soon based on the use of many nations ignorantly providing themselves to this globalist end.

National scale governments are focused inward upon their states, globalist scale government is focused outward internationally upon all nations, and that is what gives globalist systems and focus such power - more resources, better intelligence and worldwide scale of operations.

Globalist Paradigm Explains Revelation and Daniel Rival Sovereignties More Fully

That concept would completely explain the differences between the [[national collective]] wildbeast I of Revelation 13:1 and the [[globalist unification]] "scarlet wildbeast" of Revelation 17. Understanding that conceptual dynamic of scale and power then explains the meaning of Revelation 17:12-18 (and Daniel 11:42-43) as a national power and authority, wealth and resource shift into a globalist ruled world system voluntarily aided by national governments, to their own demise.

That concept would completely explain that the "two horned wildbeast" (2HWB) (Rev13:1) is not just the Anglo-American world [[national]] power, but in fact the [[global]] "personal wildbeast" of the elite globalists based in the Anglo-American national identity, BUT at globalist scales of world government locus of power, world financial locus of power and world collective military locus of power at globalist level worldwide but NOT subject to national sovereignty of any kind - it is a private super-sovereignty.

They appear "national" but they are globalist for real, full worldwide scope of resources and super-sovereign systems in space, communications, technology, intelligence and other super-systems that give them great global leverage and advantages. They do NOT want people understanding this reality.

Keep Satan's Head Anointed Engineers Hidden in Plain Sight

That would also explain how those advanced 2HWB (Rev13:11) globalist engineers, as Satan's anointed, also orchestrate the world "club", the global "forum", the international "image of the wildbeast" "United Nations" worldwide hub system "image"; "idol"; "disgusting thing" (Rev13:11-15) as a unification of all the national sub-elites of the entire world (Rev16:13-16) into a sole controlling (Rev13:11) globalist orchestration.

These are the 2HWB guys who operate in as much secrecy globally as possible, and do not want Jehovah's witnesses exposing this "shadowy global network" in conclusive world or parallel biblical identification that connects them to the "King of the North" of Daniel 11:40-45.

Why?

The "King of the North" leads to Daniel 12 live and real-time, and that leads to the realization that Daniel 12 has a final fulfillment, final future cycle as well. That awareness of impending manifestation therefore aligns the 1260 days of Daniel 12:7 (Dan7:25 as well) to the 1260 days also logically and prophetically having to repeat in final fulfillment mode in Revelation 11:1-4 in the future, and the full cycle of Revelation 11 "two witnesses" final fulfillment from the "little scroll" of Revelation 10 that leads to Revelation 11 in final fulfillment.

Why?

The "little scroll" will be a Sovereign Ultimatum of Jehovah God and Jesus Christ concerning assured completion of the Kingdom and Temple 144000 under Jesus Christ, King of kings in full power, universal and world conquest. That is the subject matter, proclaimed globally soon, of assured completion of Kingdom and Temple in the face of the enemy system, before the War of Armageddon that is in the "reports" of Daniel 11:44.

The imposter GB wants to stall this news as long as they can.
The globalist handled GB does NOT want to ID "King of the North", or "eat" the "little scroll", or identify that the "two witnesses" MUST prophesy again to the world (Rev10:11), therefore the "reports" (Dan1:144) will never reach an unknown recipient "King of the North", and Jehovah's witnesses will fail in that commission.

Wildbeast "Image" and Scarlet Wildbeast "Body" are Totally Different Actualities

By the time of Revelation 17, that "scarlet wildbeast" "body", is real globalist 8th King controlled power system of nations controlled by globalist advanced super-systems worldwide which is much more than an "image" by this time in global development.

That 2HWB promoted worldwide elite multi-national "unification" in UN allegiance and aided by advanced Anglo-American globalist political, finance and military systems and techniques of control of their own nations, is orchestrated by the Anglo-American elites to control those nations; (Rev17:12-18; Dan11:43), through puppet "elites" of other nations who are controlled by these Anglo-American head engineers and master commen.

That thereby explains that the 8th King (scarlet wildbeast; Rev17:11) and 2HWB (Rev13:11) are all contained within the globalist pinnacle "north" "polar" world power system forming over earth symbolized in Daniel 11 as the apex "King of the North" globalist world system climax, in total control of the "Egypt", "King of the South" who is by Daniel 11:42-43, a "she", a subservient [[national]] world system. This prophetic transformation is parallel to the [[national]] voluntary power transfer into [[globalist]] power system in Revelation 17:12-17.

In 10 years at the "UN Library" NONE of these simple globalist based concepts discussed here came forth, because the imposter GB is a globalist handled puppet show that gotta go, that want all JWs focused forever on 1990 and 1914 - they are an act.

They will further the fulfillment of prophecy when they are revealed and eradicated from Jehovah's organization in whatever way that manifests in the near future; (Zech3:1-10; 2Thess2:3-9)

Here are good Watchtower June 15, 2012 examples of diverting attention away from modern globalist reality, the actual globalist super-structure full "scarlet wildbeast" "body" and it's engineer's "body", the two-horned-wildbeast revealed in prophecy (Rev13:11; Rev17:11-17) easily seen and researched since 9/11/2001 in marked globalist fashion; (Daniel 11:40-43) [3]

"Ignore the 8th King Globalists" So Say the Imposter GB

Phase 1 GB Globalist Synchronism

Though some of this may seem like nitpicking, the collective effect of enough little details, revealed in prophecy for a reason, form a clearer big picture of truth overall. There is a reason why the imposter GB globalist agents do not want to move Jehovah's witnesses past 1990 in prophetic analysis which was expanded in marked fashion globally after 1991 by the globalists in Europe as their national puppet USSR "King of the North" was retired along with the "Berlin Wall".

That was a new level of globalist activity in a marked world event.

The significance of this globalist first step into the modern progression to world domination of this 8th King, globalist "King of the North" system progressively developing has been ignored since this imposter GB came into control after Fred Franz passed off the earthly scene in 1992.

Instead the GB went on a "new world order" quotation fest for the UN/DPI initiative with almost 100 "NWO" citations in 10 years from 1991 to 2001; (Search the Watchtower Library CD for examples of "new world order" quotes). The imposter Governing Body of Jehovah's Witnesses made GB, George Bush Sr. an honorary member of their GB, "Globalist Boys".

Phase 2 GB Globalist Synchronism

By September 11, 2001 another huge globalist world move was under way to employ and expand Global NATO (1999) worldwide, among other globalist world order objectives, that were also ignored by this imposter GB.

Instead the imposter GB had already devised a handy mental and attention diversion in global reproaching UN/NGO scandal in the UN/DPI affair "breaking news" as they provided and pimped the image of the "Virgin Daughter of Zion" as a call-girl escort and propaganda streetwalker "non-governmental organization" for UN advertising to the JW select demographic.

That handy little globalist guided and perfectly "911" timed development diverted much Jehovah's witnesses' time, energy and attention to confusion, scandal, and mitigating the apostate attacks worldwide that such reproach and hypocrisy inspired non-stop. This instead created perpetual focus on defending, repairing and steroiding the attacked organizational bodies of the "GB", "Slave" and "Org" into an idol factory subtly but progressively year over year.

The apostate imposter GB did not bring up Global NATO's significance in relation to "Har-Magedon" as a "global military fortress" system earthwide expanding to 70% global war potential scale, which Global 'UNATO', in association with the United Nations represents, by the way, as the greatest war machine man has ever known.

The imposter GB also did not dare utter a peep as to the worldwide globalist significance in 500+ new worldwide military installations and supports over 10 years time as this all progressed after 911, or the many "special operations" wars of US-SOCOM of Global NATO. They did not want anyone to grasp how this 8th King inspired "world invasion" actually fulfilled the "globalist paradigm" final fulfillment of the "King of the North" as a globalist world power system, expanding globally in Daniel 11:40 final fulfillment phase which kicked off on 9/11/2001.

These are now easy to see global developments that even worldly researchers are pointing out the general, not biblical, significance of in fulfillment of the "signs in sun. moon and stars" of Luke 21:25-28 that the world system itself forebodes the ominous meaning of.

This imposter GB wants everyone and his Jehovah's witness mother focused on 1990 and 1914 forever and ever, with no hint whatsoever of the global ramifications of descendant globalist world government developing worldwide, undercover of the night and the imposter GB.

The Main Objectives (MO) of the Imposter GB and Bible Prophecy:

MO 1. Breed Complacency and No Real Need for Bible Study in Depth of Final Fulfillment Prophecy

The imposter GB teach that everything is basically fulfilled and done - congratulations, you don't really need to study the bible anymore, for therein lies our final exposure by final fulfillment prophecy that in fact has not fulfilled yet, but will fulfill very soon, exposing the fraud GB and Org globalist infiltration; (Zech3:1-9; 2Thess2:3-9; Mal4:1-5)

The GB wants to breed a subtle but effective dozing complacency respecting biblical prophecy in final fulfillment manifestations avoiding any telltale or blatant signs of their fraud undercover existence as being a biblical "man of lawlessness" prophecy that must fulfill in a little while.

So, the imposter GB keep recycling 1990 perpetually (20 times so far), saying it is almost done entirely, it is all at apex, to keep all JWs tunnel visioned backward to 1914, a temple foundation era that has expired, but in fact must replicate in the great temple completion phase we are NOW entering and into the near future.

The imposter GB call no attention whatsoever to globalist reality, and do not elucidate the truth that the 2Horn-Wildbeast (2HWB) is Anglo-American globalist elites who are based in their Anglo-American partnership of national base power in Britain and America, and use "shell game" nationalism as a veneer for their global domination operations and goals.

The imposter GB continue promoting among Jehovah's witnesses the outdated idea that the 2HWB is merely the Anglo-American dual world power, the national based 7th king, in a "special role", nothing more folks.

Do NOT reveal the actual 2HWB globalist elitist super system of Devil anointed "seed" elites with top world rulership insights given by demons for this very purpose (Rev16:13-16; Gen3:14-15) of replicating the seven headed Dragon's intellectually engineered sovereign structure (Rev12:1-3) into both the national wildbeast collective of Revelation 13:1 and the main elite world rulership project, the globalist "scarlet wildbeast" worldwide unification "8th King". That "scarlet wildbeast" is an actual, full bodied world power FINAL defiant world government zenith system earthwide composed of hundreds of nations that God's Kingdom vanquishes.
The globalists operate like Satan, upon secrecy, deception, diversion and misrepresentation under the veneer of the exact opposite claims of intent; (2Cor11:14-15) So as we know the United Nations is a highly visible world entity, but in itself it is not an actual global rulership physical power system, it is a world globalist forum, an "image" of globalist rulership philosophies and a "hub" of interested member parties from many national powers worldwide.

The imposter GB wants everyone forever focused on this generic "image" insight up to 1990 enlightenment given by Jehovah through Christ, through the anointed remnant on earth for public knowledge on the real future of such an enterprise rivaling God's Kingdom for possession of planet earth and life on earth.

But this is not the actual globalist "scarlet wildbeast" who does evolve and develop into a very real world predatory system, far far beyond ANY national power or power bloc in destructive and controlling potential. This progressively forming globalist "scarlet wildbeast" is rivaled by no other national power in human history in percentage of war potential, worldwide intelligence and financial control.

This globalist "scarlet wildbeast" full "body" is a very very real worldwide network of hundreds of nations being deceived and pawned, under increasing resource and social control under the globalist elites of the 2HWB who engineered the worldwide hub globalist "image" to penetrate the national systems of all nations on earth - by aid of the foreign elites of those nations attracted to these ideas; (Rev16:13-16).

This is then an elite controlled ring, led by the globalist 2HWB elites, so that THIS WHOLE GLOBALIST "SCARLET WILDBEAST", is in it's TOTALITY, the whole 8th King - THE ENTIRE GLOBALIST "SCARLET WILDBEAST". THE WHOLE THING, NOT A SINGLE NATIONAL HEAD, BUT THE WHOLE THING IS THE WHOLE GLOBALIST 8TH KING - ONE BIG FINAL WORLD POWER OF HUMAN HISTORY.

The imposter GB wants everyone thinking there will be no other human world power system ascending on the world scene, when in fact the globalist 8th King, also the same as the globalist "King of the North" WILL BE the final ascendant global rulership attempt with total worldwide rulership as the goal; (Dan11:42-45)

No national world power will arise at this level of percentage of total global war, finance and resource control like this globalist "scarlet wildbeast" that will own the national powers, all very soon as per Revelation 17:12-18 parallel with Daniel 11:42-43 at globalist levels of "power and authority" seizure, by national powers literally handing the globalist scarlet wildbeast their very national "kingdoms" worldwide, compromised first by globalist financial intrigue; (Dan11:43)

Article: JEHOVAH IS "A REVEALER OF SECRETS"

The Watchtower 06152012 - Paragraph 6

""John also saw a strange beast rise from that sea and receive great authority from the Devil. An angel later indicates to John that the seven heads of a scarlet beast, which is an image of the beast of Revelation 13:1, represent seven kings, or governments."" [6]

[6] Comment. (Example of MO 3)

The Scarlet Wildbeast is Real World Power Systems Based on Whole Nations Worldwide

But in actuality the "scarlet beast" is a full bodied evolving, actual wildbeast "body", a globalist unification "wildbeast" whose totality of the whole "scarlet wildbeast" is the 8th King, a single locus of power in that 8th King. That globalist 8th King that controls the full body of that "scarlet wildbeast", is that whole wildbeast system worldwide.

This was engineered into this later Revelation 17 progressive maturity from earlier developments of the 2horn-Wildbeast (2HWB) (Rev13:11) Anglo-American globalist elites through the United Nations "world forum" and elite "hub system" "image" "of the wildbeast" that they empower as per Revelation 13:11-15, before this global maturity of "scarlet wildbeast" full "body".

The United Nations world forum "image" and the actual multi-national collective "power system" controlled by globalist 8th King demon anointed elites should not be confused as being the same thing - there is a HUGE difference as time progresses since 1919 and the commencing "image" "League of Nations".

This subsequent full bodied globalist "scarlet wildbeast" does not appear in time until it's maturing development on the world scene Revelation 17. This globalist "scarlet wildbeast" of Revelation 17 is fully based on the exact national collective structure (seven heads, etc) of the national collective wildbeast of Revelation 13:1 which is a much older "wildbeast" system development now dominated by the Anglo-American national partnership 7th head of that national wildbeast, and national 7th King.

There is a huge difference between national power and globalist power.

The 8th King globalist real power system worldwide (the "scarlet wildbeast", not just it's global UN forum "image") progressively comes to dominate the world through the control of the national collective wildbeast by a full and voluntary national "power and authority" transference progression shown in Revelation 17:11-18. So complete is this transference of national power and physical assets from ALL the nations "given" to the globalist power system, parallel to Daniel 11:42-43 "pawning" of the "King of the South" "Egypt", the national powers of earth are said in Revelation 17:17 to actually "give their [national] kingdom to the [globalist 8th King scarlet] wildbeast".

So complete is this power shift to the globalist 8th King that the "scarlet wildbeast" "King of the North" "rules over the hidden treasures of the silver and gold" world bullion and physical wealth systems (not worthless fiat currency and massive debt), and "all the desirable things of Egypt", the totality of national world powers of earth, now pawned by the 8th King, the King of the North as per Revelation 17:12-17 paralleling and fulfilling Daniel 11:42-43 in relation to globalist world domination of...
As stated this awareness of a final world domination attempt, through a very real globalist world power system dominating all the nations, is what the imposter GB is attempting to retard in Jehovah's witnesses by keeping them in 1990 understanding, over and over and over again. It's still true information, but not reflecting current reality, and at times actually misleading, to be covered here.

JEHOVAH REVEALS WHAT MUST "SHORTLY TAKE PLACE"

The Watchtower 06152012 - Paragraph 5

Though Britain gained dominance, colonies in North America broke away. Even so, the United States was allowed to grow mighty, protected by British naval power. By the time the Lord’s day began in 1914, Britain had built the largest empire in history and the United States had become the greatest industrial power on earth. During World War I, the United States forged a special partnership with Britain. The seventh head of the beast had now emerged as the Anglo-American World Power. How did this head treat the seed of the woman?

[5] Comment - (Example of MO 2)
The actual lead “father” system is the British empire globalist elites from inception, they are the ones who "forged" a special “roundtable” relationship with their own creation in the “United States of America”, which they had been funding through their central banking globalist finance network since 1791 officially revealed in the clone central bank of the Bank of England in the Bank of the United States aided by Presidential puppet Tom Hamilton; (Ten dollar bill). By 1914 (12-23-1913) that central finance administration central banking arm was the Federal Reserve; a globalist scale finance conduit by which the entire World War 1 finance system was managed in the American “gravy train” of World War 1 along with the Morgan banking and investment network in America and England. England is the master mind system from which the entire orchestration of World War 1 ran.

This globally engineered "great war" event ran as the "global problem" (world war) for which the "globalist solution" (global government) would be presented directly after that engineered "world war problem" was completed to the tune of 300 billion dollars globalist banker profit. Then the "cherry on top" "League of Nations" finale to the whole bloody ordeal would be presented, tada!: the first global presentation of the globalist "world peace" forum "image of the wildbeast" in 1919, an elite globalist promotional branded hub system of world government and world peace.

All very predictable now and conveniently scripted then. Tribulation leads to a presentation of the "disgusting thing" as the solution, to the tribulation, the desolation it itself causes. Very handy.

That is why any attention to the actual locus of power in all this, the Anglo English elite globalists (at that time of WW1) is better to be hidden in any diversion possible, such as attention to the United States/UK national puppet show shell seventh head. Though a national alliance was developed prior to World War 1 between Britain and the United States of America as the Anglo-American national dual world power, the globalist union of both nations was not official until the United States joined the United Nations, they did not join the League of Nations officially, but as seen all the shadow American elite globalists (such as the Morgan bankers) had to be involved behind the scenes.

It is significant that even American national elites and politicians had initial misgivings of officially joining into this world governmental union after World War 1 and so remained detached from that "image" rendition prior to the United Nations.

The Watchtower 06152012 - Paragraph 6

Shortly after the start of the Lord’s day, the seventh head launched an attack on God’s people—the remaining ones of Christ’s brothers on earth. (Matt. 25:40) Jesus indicated that during his presence, a remnant of the seed would be active on earth. (Matt. 24:45-47; Gal. 3:26-29) The Anglo-American World Power waged war with those holy ones. (Rev. 13:3, 7) During World War I, it oppressed God’s people, banned some of their publications, and threw representatives of the faithful slave class into prison. The seventh head of the wild beast as much as killed the preaching work for a period of time. Jehovah foresaw this dramatic event and revealed it to John. God also told John that the secondary part of the seed would be revived to increased spiritual activity. (Rev. 11:3, 7-11) The history of Jehovah’s modern day servants confirms that those events took place. [6a]

More GB National Focused Diversion Away from Globalist Reality

This is not accurate to the level of detail required. This calls attention to national powers in the 7th head, instead of the globalist actual powers orchestrating this attack. This is diversion once again, by the imposter GB.

Again it is NOT the national power puppets (7th head) of the Anglo-American elite globalist "puppet masters" that attack of their own initiative. The source attack is guided by this far more powerful globalist locus of power in the 8th King system globalists (scarlet wildbeast), who control and orchestrate the whole multi-national "world war", massive profit, "gravy train" engine led by the 2Horn-wildbeast (2HWB) industrial, military and financial power systems of the globalist elites based in Anglo-American national fronts.

They like secrecy. The imposter GB keeps them secret too.

All Too Convenient, Hence Now Predictable
The fact that their "world government solution" pops up immediately after World War 1 "global war problem" shows who "causes desolation" is actually these globalist powers "disgusting thing" with this very goal of presenting the "world governmental" "solution". All too coincidental, these globalist guys are predictable now.

That "world governmental" "solution" which is an "image" and an "idol" of world rulership is guided by globalist elite powers (2HWB) far above the national puppet shows in actual power - That globalist aimed 2HWB administrates the globalist 8th King, the real final world power - that is the real attacker of Jehovah's people, everything else is the means by which to carry out the attack, such as the 7th head national powers of the national wildbeast collective of Revelation 13:1.

**Repeat as Necessary on Duped Nationalists and Masses**

That exact formula repeated in World War 2, and shows who world war and global tribulation always serves in the end, globalist profiteering at multi-trillion dollar levels, indebting national powers in the process in the multi-trillions, and then, lo and behold, propping up the "disgusting thing" solution to all man's problems to be adored and served as "the only hope for mankind" ensuring another round of this insanity, money worship, and war driven human sacrifice.

**More GB Distraction**

That is why here, the imposter globalist controlled GB wants everyone and his mother focused on the "7th head", which is just a national puppet show who take orders from far more powerful handlers in globalist realms of the 2horn-Wildbeast (2HWB) (Rev13:11) globalist Anglo-American elite puppet masters. They are so secretive, that 2HWB does NOT draw worship to itself, please note.

When they say "seventh head launched an attack" and "seventh head of the wild beast as much as killed the preaching work ", it is actually the 2HWB that is doing this through the national powers (seventh head). This is a diversion of detail that is not accurate entirely. Why? To allow the globalists to operate worldwide with no knowledge of their existence, though the bible IDs them explicitly as their own 2HWB personal Anglo-American globalist elite wildbeast - not a "special role", but a special world power system all together - elite globalists personal power system.

**[6b] Comment: (Example of MO 1)**

**No Word From Imposter GB on Final Fulfillment of Revelation 11 in the Near Future**

Indeed "The history of Jehovah's modern day servants confirms that those events took place" and in fact Revelation 11 must have a second and final "two witnesses" fulfillment. This would be a good place to mention the final fulfillment no? Of course that is what this imposter GB does NOT want Jehovah's witnesses to realize. Don't expect any "new light" until after this GB is purged in the final fulfillment o Zechariah 3:2-4.

**Paragraph 9**

Jehovah’s servants have long sought to understand the symbolic meaning of the feet of the image. Daniel 2:41 describes the mixture of iron and clay as one kingdom, not many. The clay, therefore, represents elements within the sphere of influence of the Anglo-American World Power, elements that make it weaker than the solid iron of the Roman Empire. The clay is referred to as the offspring of mankind, or the common people. [9a] (Dan. 2:43) In the Anglo-American World Power, people have risen up to claim their rights through civil rights campaigns, labor unions, and independence movements. The common people undermine the ability of the Anglo-American World Power to act with iron like strength. [9b] Also, opposing ideologies and close election results that do not end up in a clear majority have weakened the power base of even popular leaders, so that they have no clear mandate to implement their policies. Daniel foretold: The kingdom will partly prove to be strong and will partly prove to be fragile.—Dan. 2:42; 2 Tim. 3: 1-3.

**The Watchtower 06152012 - Paragraph 10**

In the 21st century, Britain and the United States have continued their special partnership, often acting together in world affairs. The prophecies about the immense image and the wild beast confirm that the Anglo-American World Power will not be replaced by some future world power. [10] This last world power may be weaker than that represented by the legs of iron, but it will not disintegrate on its own.

==============

**[10] Comment:**

**Imposter GB Deception: There will be no other world power after the Anglo-American national 7th King.**

This is completely misleading.

Yes there will not be a greater national world power than the 7th King national power partnership of the Anglo-American dual world power, BUT there will be a full manifestation of the globalist world order 8th King guaranteed by prophecy. Tat 8th King can be seen being the whole "dreadful image" of Daniel - the whole "metal man", in it's entirety as it must be standing at a place when that "stone" hits it, and that "place" is Armageddon.

That is also the whole "scarlet wildbeast" that is the whole 8th King - MUCH more than just the "image" "globalist forum", the East River UN "clubhouse" complex of brick and mortar.

So to, the 8th King Daniel prophecy parallel is that the "King of the North" will be setting up "palatial tents" of world rulership and global domination attempt - that is the 8th Kingship, a globalist kingship yet to fully manifest on the world scene. The fact that it is called in sequence King number 8, as in after King number 7, also biblically proves the 7th world power national partnership, and national dual world power system, will be pawned and owned by the 8th King globalists as per Revelation 17:12-17 paralleling Daniel 11:42-43 - even if they co-exist, the national power based 7th King will be pawned and owned, controlled and led fully to Revelation 16:13-16 in tangent with revelation 19:19-21.

Again, the imposter GB is now even misleading people on this matter, as if everything is wrapped up, all done, at apex, the United State and Britain national powers and politicians, multi-trillions in debt and unfunded liabilities, are the pinnacle of all earthly power! That's all folks! But that is a lie.
The national zenith powers will decline into debt and receivership and will be pawned financially, governmentally and militarily by the 8th King globalist order that this GB attempts to divert people's attention away from.

=========

SECOND TWO WITNESSES PROOF

Just a side note here, that proves there will be a second "two witnesses" final global ministry of Jehovah's witnesses in the near future, completing 2 cycles of 1260 days, a 2520 day "appointed times" of the "trampling of the holy city" of Revelation 11:1-4.
...the wild beast would ascend again. And rise it did—as the United Nations."

(Revelation 17:8) The wild beast that you saw was, but is not (League of Nations front), and yet is about to ascend out of the abyss (United nations front) and it is to go off into destruction. And when they see how the [globalist image] wild beast was, but is not, and yet will be present, those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world.

That is true, and that globalist formative power personnel and grouping is who have been fighting Jehovah's witnesses all along since 1914-1918 (first "two witnesses"), and who must fight against Jehovah's anointed in the future as well (last "two witnesses"), for this "wildbeast" of Revelation 11:7, is the "scarlet wildbeast" that did not arise out of the "abyss" until 1945 as the United Nations, thus this, must still occur AFTER that rise in the near future:

(Revelation 11:7) And when [the two witnesses] have finished their witnessing [in the near future], the [scarlet] wild beast that ascends out of the abyss [fronted by the UN; 1945] will make war with [the two witnesses] and conquer them and kill them. [and that is about the time the 144000 will complete for vengeance]

Imposter GB and Final Two Witnesses Cover Up

This is also final fulfillment cycle information in future fulfillment knowledge, that the imposer GB want Jehovah's witnesses to miss entirely - so they will NEVER reveal this, they must be cleaned out before this truth is known by all Jehovah's witnesses.

Paragraph 14

John described the image of the beast as an eighth king, [14a] In what sense? It is not depicted as an eighth head on the original wild beast. It is only an image of that beast. Any power it has comes from its member nations, especially from its key backer, the Anglo- American World Power. (Rev. 17:10, 11) But it does receive authority to act as a king to carry out a specific task, one that triggers a chain of events that will change history. [14b]

[14a]

Divert Attention Away from Globalist Real World Governmental Super-Structure

The "Image" is Not a Wildbeast Body But an "Image" of It

The subtle diversion here is that of identity of this "scarlet wildbeast" as a full bodied world system in dynamic completion progressively. The "image" of the "wildbeast" is only the identifying globalist world domination philosophy with a "logo", "world forum", "public branding" called the "United Nations" an idea of unification with elite globalist "magnetism" provided by the Anglo-American elites of the 2HWB. That complex in itself, is a basically harmless dilapidating urban complex of buildings, signs, sculptures, office space, storage, auditoriums and meeting rooms, as sort of globalist representative "social club" on 17 acres on the East River in New York City.

That is just a visual shell, like a globalist bank tower, or the Pentagon building, the real "power and authority" lies all around the world as actual super-sovereign systems, like defense systems, satellite communications, global intelligence networks, super advanced technological development, nuclear development and deployment, telecommunications, massive global finance computing networks, etc.

Full Bodied Very Real World Domination Scarlet Wildbeast System Global

The real power in that "image" facade system is who engineered it as the most powerful, rich and influential Anglo-Americans on planet earth (Rev13:11) in the 2HWB elite globalist system based in Anglo-American national roots. These globalist elites though have their own independent sovereignty in themselves and their super-system (2HWB and it's product the "scarlet wildbeast"). They do not answer to nation-state political authorities or nations, they own them; (Dan11:42-43), they employ those national political puppets for the big national "sleight of hand" puppet shows shows for nationalism promotions world wide, such as the Presidential elections of the United States.

The real power is what that "image" hubs out to in real world power systems of global management and control of billions of people through enslaved national powers, which is the national power systems of the member nations, guided by their own elites, who employ the same pyramidal globalist elitist control system as the 2HWB to also produce and direct their own "national theater" puppet shows for former pauper national politicians to ultimately own, control and engineer the whole national system - many many of them.

The "scarlet wildbeast" literal "body" is the actual real power systems of hundreds of member nations and others within their growing sphere of control aligned for globalist advantage. This "wildbeast" is far more than an "image" it is the real thing worldwide, and it is controlled by private globalist super advanced, super-sovereign, worldwide intelligence, financial and military control systems, among many others, utilizing total world resources of hundreds of nations and territories with computer and satellite aided real-time information and advanced algorithmic modeling.

Wildbeast "Image" Vs. Wildbeast Full Body

Thus by this time the apostle John from Christ's vision from God, though referring to an "image of the wildbeast" in it's disappearance from the world scene in World War 2, is now developing the future truth, now present on earth, of an advancement in time after the "image of the wildbeast" is created, in the development of the works of this "image" such as Revelation 16:13-16 into a full bodied very very real and actual "scarlet wildbeast" a real 8th King actual global domination predatory wildbeast system.

[14a] Comment:

"But it does receive authority to act as a king to carry out a specific task, one that triggers a chain of events that will change history."
Diametric to reality is this statement. The member nations are fully going into full ownership and control of globalist finance. They are the ones who "receive authority with the wildbeast" globalists, NOT the other way around; (Daniel 11:42-43; Rev17:12-17)

And an outright lie. "to act as a king to carry out a specific task". In fact it is an 8th King of the world system, Gog's "congregated congregation" the ultimate world apex "King of the North", not just a "specific task", but tooal attempted worldwide domination and rulership! LOL

So, we see the imposter GB continues to hide and divert attention away from the 8th King, King of the North as a real world power system of pinnacle defiance as a real world government and global infrastructure by the control on many national base systems; (Rev17:12-18; Dan11:42-43).

All in all, this imposter GB recycles 1990 understanding over and over again, attempting to divert Jehovah's witnesses from realizing the true reality of this globalist world system yet to attempt total world rulership through a typical tribulatory "problem" to present another globalist "solution"

THE IMAGE OF THE BEAST DEVOURS THE HARLOT

The Watchtower 06152012 - Paragraph 15

According to John, upon a scarlet colored wild beast— the image of the wild beast— rides a symbolic harlot, dominating it, [15a] She bears the name Babylon the Great. (Rev. 17:1-6) This harlot fittingly stands for all false religion, foremost of which are the churches of Christendom. Religious organizations have given their blessing to the image of the beast and have tried to exert influence over it. An increasingly vocal and militant group of Western intellectuals is calling for the end of religion’s influence on society. [15b]

[15a] Comment:
"According to John, upon a scarlet colored wild beast— the image of the wild beast— rides a symbolic harlot, dominating it."

Actually the power that dominates the 'scarlet wildbeast' actual worldwide "body" and "image", is the 2HWB.

Again, the imposter GB is distracting people away from the actuality of the globalists in the 2HWB, by saying a drunken whore controls this ultimate form of all globalist world power in all human history. LOL. This is just an engineered diversion to hide the actual controllers of that globalist unification "scarlet wildbeast" actual "body" (not an "image" but the real thing). This "scarlet wildbeast" is itself the final descendant "King North" of human history, the 8th King. Religious groups and clerics, a drunken wobbling whore symbol, do NOT dominate this monster of all world dominating power, please, lol.

The Babylon the Great (BTG) global empire of false-religion, and in fact the imposter GB, are freeloaders on that wildbeast. That is what is meant by her placement atop this "scarlet wildbeast", she is a heavy burden, a spiritually diseased parasite, NOT a controlling power at all, but a pimped harlot, who has ultimate handlers, she doesn't even control herself.

She is riding the the actual physical super-structure worldwide of the full bodied globalist "scarlet wildbeast", NOT the "world forum" "image" of the United Nations on 17 acres in New York. True this harlot of false-religion, like the imposter GB, will sleep with and promote the United Nations - they own her through her national kings "escorts". But this "harlot" system is just a free riding, protected loafer, dead weight, idle wealth, attempting to secure her own possessions by a relationship with the knishly national powers that are the national "ten kings" who actually have the force and protection power - not the harlot. These "ten kings" are given "authority" from the globalists through the globalist "scarlet wildbeast" to carry out this BTG asset liquidation and sovereign extermination to save their own sovereignty and financial debt scenario.

The scarlet wildbeast powers want her competing sovereign claims destroyed forever. At that point, Gog of Magog, can take the true "Cowboy of Control" seat atop his globalist scarlet wildbeast for the final assault on planet earth, and the real "great tribulation" extermination of billions of people, and an attempted total extermination of all planet earth at that period after BTG is vanquished; (Matt24:29-31; Matt24:21-22)

BTG's asset haul will actually revive the national powers, and give them the last capital fueling to exterminate BTG fully, and to also position themselves in the "peace and security" illusions of the globalists, who can then begin exterminating the "sun, moon and stars" of the national, state and local rival sovereigns of planet earth.

[15b]
"An increasingly vocal and militant group of Western intellectuals is calling for the end of religion’s influence on society."

Yes, that group is led by the 2HWB to begin the positioning of BTG for an exposure of weaknesses, frauds and corruptions, and a butchering of her quadrillions in physical assets to secure a new financial future for the multi-trillion dollar indebted national "ten kings".

That sentence is what is called a globalist predictive feed, it is not about "false religion" of you notice, it is a statement of things to come for all religious organizations. The 2HWB will attempt to hit Jehovah's witnesses and Org FIRST on the list, before the BTG assault. That is what this infiltration's climax "coup de grace" event is leading to, to debalance the JW org worldwide with a big event shortly, by the positioning created by this imposter GB and Org infiltration for 20 years.

This line is a globalist feed line.

The Watchtower 06152012 - Paragraph 17

False religion, however, will not just fade away. The harlot will remain a potent force, attempting to bend kings to her will until God plants an idea in the hearts of those in power. (Read Revelation 17:16, 17.) Soon Jehovah will cause the political elements of Satan’s system, as represented by the United Nations, to attack false religion. [17] They will destroy her influence and devastate her riches. Such an event may have seemed unlikely just decades ago. Today, the harlot teeters on the back of the scarlet-colored beast. Even so, she will not slip slowly from her seat. Her tumble will be sudden and violent.—Rev. 18: 7, 8, 15-19.
The Watchtower 06152012 - Paragraph 19

We are living in the days of the seventh head. No more heads will appear on this beast before it is annihilated. The Anglo-American World Power will be the dominant world power when false religion is eradicated. [19a] The prophecies of Daniel and John have been fulfilled to the smallest detail. [19b] We can be confident that the destruction of false religion and the battle of Armageddon will soon come. [19c] God has revealed these details in advance. Will we pay attention to the prophetic warnings? (2 Pet 1:19) Now is the time to take sides with Jehovah and to support his Kingdom.—Rev 14:6; 7.

[19a] Comment:

"We are living in the days of the seventh head. No more heads will appear on this beast before it is annihilated."

True.

"The Anglo-American World Power will be the dominant world power when false religion is eradicated."

Not exactly true. This requires the now obtuse lack of distinction between national world power and globalist world power which the imposter GB promotes.

There will be no new national dominant world power, that is true, the globalist "scarlet wildbeast" in control of over 50% of all forms of world power, far beyond any nation or national bloc of nations, controls and owns the 7th head national Anglo-American system, progressing to total control; (Rev17:12-18; Dan11:42-43)

When that percentage of control reaches critical mass of globalist advantage, YES, there will be a new world power, a globalist world order form of world power, the full ascendancy of the 8th King as also the "King of the North" globalist sovereign symbol of Daniel 11:44-45 "palatial tents". That truth is there will be a dominating globalist form of world power that is even engineering the removal of the national "power and authority" thereby controlling the national "ten kings" to also remove Babylon the Great's form of world sovereign rivalry as shown in Revelation 17:12-18.

[19b] Comment:

Utterly false. The minor prophetic cycles of Daniel and Revelation have fulfilled applicable to the scope of those prophecies in 1914 to today, and even times before this period, such as the formation of the national wildbeast collective of Revelation 13:1 that began evolving on the world scene thousands of years ago.

What this statement is doing is completely attempting to cover over the final fulfillment of all the applicable Kingdom and Temple world conquest and completion prophecies that must have a final fulfillment triggered by the removal of this evil imposter GB as Zechariah 3:2-4 has their "befouled garments" removed from Jehovah's house by angelic intervention directed by Christ.

This kind of now misleading imposter GB directed commentary, given today's developments of known globalist world power and the final fulfillment modes of Daniel and Revelation, serves to attempt to keep Jehovah's witnesses thinking all prophecy is said and done. But in fact the greatest cycle of prophetic fulfillment of all time is about to activate in global fulfillment progression all the way to Armageddon and into Christ's day one of the 1000 year reign.

This 144000 "temple completion" greatest and final, major and future prophetic cycle of modern permanent final fulfillment will basically replicate the entire 1914-1918 (1260 days; Dan12:7; Rev11:1-4), 1919-1922 (1290 day; Dan12:11; 7:26), and 1922-1926 (1335 day; Dan12:12) periodic cycles in the near future. This progression will lead Zechariah 3:1-9 fulfilled soon on the imposter GB, to great tribulation final "two witnesses" (1260), through the Babylon the Great termination, to Christ Court (1290) of Daniel 7:26 parallel to Matthew 25:31-46 sheep and goat finalization separation. This "sheep" and "goat" finalization will parallel the winepress "sheep" of Rev14:14-16 and the "goats" of Rev14:17-19 through the "sun, moon, stars" "national, state and local" globalist engineered "blackout mode" extermination of the deepest GT period after BTG of Matt24:29-31. That worst period of the great tribulation will parallel to that salvation/destruction judgment culmination, of a completed Kingdom 144000 under Christ (Rev14:1) of Rev14:14-19 to the "war of the great day of God the Almighty" at Armageddon AFTER the Kingdom Temple "Fighting Eagles" are fully gathered as per Revelation 10:7; 11:11-12; 16:17.

So no! "The prophecies of Daniel and John have" NOT "been fulfilled to the smallest detail." Not even close!

And that is a great sign, this GB is full of imposters.

[19c] Comment:

This is just another way of the imposter GB making JWs feel it is all over, when in fact, it is all just beginning, the grand finale, for real, is up ahead!

Examples of Imposter GB Attempting to Conceal Globalist Wildbeasts - A Look at Watchtower June 15, 2012 Issue

"Ignore the 8th King Globalists" So Say the Imposter GB

Phase 1 GB Globalist Synchronism
Though some of this may seem like nitpicking, the collective effect of enough little details, revealed in prophecy for a reason, form a clearer big picture of truth overall. There is a reason why the imposter GB globalist agents do not want to move Jehovah's witnesses past 1990 in prophetic analysis which was expanded in marked fashion globally after 1991 by the globalists in Europe as their national puppet USSR "King of the North" was retired along with the "BerlinWall".

That was a new level of globalist activity in a marked world event.

The significance of this globalist first step into the modern progression to world domination of this 8th King, globalist "King of the North" system progressively developing has been ignored since this imposter GB came into control after Fred Franz passed off the earthly scene in 1992.

Instead the GB went on a "new world order" quotation fest for the UN/DPI initiative with almost 100 "NWO" citations in 10 years from 1991 to 2001; (Search the Watchtower Library CD for examples of "new world order" quotes). The imposter Governing Body of Jehovah's Witnesses made GB, George Bush Sr. an honorary member of their GB, "Globalist Boys".

**Phase 2 GB Globalist Synchronism**

By September 11, 2001 another huge globalist world move was under way to employ and expand Global NATO (1999) worldwide, among other globalist world order objectives, that were also ignored by this imposter GB.

Instead the imposter GB had already devised a handy mental and attention diversion in global reproaching UN/NGO scandal in the UN/DPI affair "breaking news" as they provided and pimped the image of the "Virgin Daughter of Zion" as a call-girl escort and propaganda streetwalker "non-governmental organization" for UN advertising to the JW select demographic.

That handy little globalist guided and perfectly "911" timed development diverted much Jehovah's witnesses' time, energy and attention to confusion, scandal, and mitigating the apostate attacks worldwide that such reproach and hypocrisy inspired non-stop. This instead created perpetual focus on defending, repairing and steroiding the attacked organizational bodies of the "GB", "Slave" and "Org" into an idol factory subtly but progressively year over year.

The apostate imposter GB did not bring up Global NATO's significance in relation to "Har-Magedon" as a "global military fortress" system earthwide expanding to 70% global war potential scale, which Global "UNATO", in association with the United Nations represents, by the way, as the greatest war machine man has ever known.

The imposter GB also did not dare utter a peep as to the worldwide globalist significance in 500+ new worldwide military installations and supports over 10 years time as this all progressed after 911, or the many "special operations" wars of US-SOCOM of Global NATO. They did not want anyone to grasp how this 8th King inspired "world invasion" actually fulfilled the "globalist paradigm" final fulfillment of the "King of the North" as a globalist world power system, expanding globally in Daniel 11:40 final fulfillment phase which kicked off on 9/11/2001.

These are now easy to see global developments that even worldly researchers are pointing out the general, not biblical, significance of in fulfillment of the "signs in sun, moon and stars" of Luke 21:25-28 that the world system itself forebodes the ominous meaning of.

This imposter GB wants everyone and his Jehovah's witness mother focused on 1990 and 1914 forever and ever, with no hint whatsoever of the global ramifications of descendant globalist world government developing worldwide, undercover of the night and the imposter GB.

A Possible Phase 3 [1]

**The Main Objectives (MO) of the Imposter GB and Bible Prophecy:**

**MO 1. Breed Complacency and No Real Need for Bible Study in Depth of Final Fulfillment Prophecy**

The imposter GB teach that everything is basically fulfilled and done - congratulations, you don't really need to study the bible anymore, for therein lies our final exposure by final fulfillment prophecy that in fact has not fulfilled yet, but will fulfill very soon, exposing the fraud GB and Org globalist infiltration; (Zech3:1-9; 2Thess2:3-9; Mal4:1-5)

The GB wants to breed a subtle but effective dozing complacency respecting biblical prophecy in final fulfillment manifestations avoiding any telltale or blatant signs of their fraud undercover existence as being a biblical "man of lawlessness" prophecy that must fulfill in a little while.

So, the imposter GB keep recycling 1990 perpetually (20 times so far), saying it is almost done entirely, it is all at apex, to keep all JWs tunnel visioned backward to 1914, a temple foundation era that has expired, but in fact must replicate in the great temple completion phase we are NOW entering and into the near future.

The imposter GB call no attention whatsoever to globalist reality, and do not elucidate the truth that the 2Horn-Wildbeast (2HWB) is Anglo-American globalist elites who are based in their Anglo-American partnership of national base power in Britain and America, and use "shell game" nationalism as a veneer for their global domination operations and goals.

The imposter GB continue promoting among Jehovah's witnesses the outdated idea that the 2HWB is merely the Anglo-American dual world power, the national based 7th king, in a "special role", nothing more folks.

Do NOT reveal the actual 2HWB globalist elitist super system of Devil anointed "seed" elites with top world rulership insights given by demons for this very purpose (Rev16:13-16; Gen3:14-15) of replicating the seven headed Dragon's intellectually engineered sovereign structure (Rev12:1-3) into both the national wildbeast collective of Revelation 13:1 and the main elite world rulership project, the globalist "scarlet wildbeast" worldwide unification "8th King". That "scarlet wildbeast" is an actual, full bodied world power FINAL defiant world government zenith system earthwide composed of hundreds of nations that God's Kingdom vanquishes.

**MO 3. Continue to Focus on the "Image" of the "Wildbeast" and Divert Attention from the Actual Full Bodied "Scarlet Wildbeast" as an Actual Global Power System Composed of the Resources of Hundreds of Nations**

The globalists operate like Satan, upon secrecy, deception, diversion and misrepresentation under the veneer of the exact opposite claims of intent; (2Cor11:14-15) So as we know the United Nations is a highly visible world entity, but in itself it is not an actual global rulership physical power system, it is a world globalist forum, an "image" of globalist rulership philosophies and a "hub" of interested member parties from many national powers worldwide.

The imposter GB wants everyone forever focused on this generic "image" insight up to 1990 enlightenment given by Jehovah through Christ, through the anointed remnant on earth for public knowledge on the real future of such an enterprise rivaling God's Kingdom for possession of planet earth and life on earth.

But this is not the actual globalist "scarlet wildbeast" who does evolve and develop into a very real world predatory system, far far beyond ANY national power or power bloc in destructive and controlling potential. This progressively forming globalist "scarlet wildbeast" is rivaled by no other national power in human history in percentage of war potential, worldwide intelligence and financial control.

This globalist "scarlet wildbeast" full "body" is a very very real worldwide network of hundreds of nations being deceived and pawned, under increasing resource and social control under the globalist elites of the 2HWB who engineered the worldwide hub globalist "image" to penetrate the national systems of all nations on earth - by aid of the foreign elites of those nations attracted to these ideas; (Rev16:13-16).

This is then an elite controlled ring, led by the globalist 2HWB elites, so that THIS WHOLE GLOBALIST "SCARLET WILDBEAST", is in it's TOTALITY, the whole 8th King - THE ENTIRE GLOBALIST "SCARLET WILDBEAST", THE WHOLE THING, NOT A SINGLE NATIONAL HEAD, BUT THE WHOLE THING IS THE WHOLE GLOBALIST 8TH KING - ONE BIG FINAL WORLD POWER OF HUMAN HISTORY.

The imposter GB wants everyone thinking there will be no other human world power system ascending on the world scene, when in fact the globalist 8th King, also the same as the globalist "king of the North" WILL BE the final ascendant global rulership attempt with total worldwide rulership as the goal; (Dan11:42-45)

No national world power will arise at this level of percentage of total global war, finance and resource control like this globalist "scarlet wildbeast" that will own the national powers, all very soon as per Revelation 17:12-18 parallel with Daniel 11:42-43 at globalist levels of "power and authority" seizure, by national powers literally handing the globalist scarlet wildbeast their very national "kingdoms" worldwide, compromised first by globalist financial intrigue; (Dan11:43)

Article: JEHOVAH IS "A REVEALER OF SECRETS"

The Scarlet Wildbeast is Real World Power Systems Based on Whole Nations Worldwide

But in actuality the "scarlet beast" is a full bodied evolving, actual wildbeast "body", a globalist unification "wildbeast" whose totality of the whole "scarlet wildbeast" is the 8th King, a single locus of power in that 8th King. That globalist 8th King that controls the full body of that "scarlet wildbeast", is that whole wildbeast system worldwide.

This was engineered into this later Revelation 17 progressive maturity from earlier developments of the 2horn-Wildbeast (2HWB) (Rev13:11) Anglo-American globalist elites through the United Nations "world forum" and elite "hub system" -"image" of the wildbeast" that they empower as per Revelation 13:11-15, before this global maturity of "scarlet wildbeast" full "body".

The United Nations world forum "image" and the actual multi-national collective "power system" controlled by globalist 8th King demon anointed elites should not be confused as being the same thing - there is a HUGE difference as time progresses since 1919 and the commencing "image" "League of Nations".

This subsequent full bodied globalist "scarlet wildbeast" does not appear in time until it's maturing development on the world scene Revelation 17. This globalist "scarlet wildbeast" of Revelation 17 is fully based on the exact national collective structure (seven heads, etc) of the national collective wildbeast of Revelation 13:1 which is a much older "wildbeast" system development now dominated by the Anglo-American national partnership 7th head of that national wildbeast, and national 7th King.

There is a huge difference between national power and globalist power.

The 8th King globalist real power system worldwide (the "scarlet wildbeast", not just it's global UN forum "image") progressively comes to dominate the world through the control of the national collective wildbeast by a full and voluntary national "power and authority" transference progression shown in Revelation 17:11-18. So complete is this transference of national power and physical assets from ALL the nations "given" to the globalist power system, parallel to Daniel 11:42-43 "pawning" of the "King of the South" "Egypt", the national powers of earth are said in Revelation 17:17 to actually "give their [national] kingdom to the [globalist] 8th King scarlet wildbeast".

So complete is this power shift to the globalist 8th King that the "scarlet wildbeast" "King of the North" "rules over the hidden treasures of the silver and gold" world bullion and physical wealth systems (not worthless fiat currency and massive debt), and "all the desirable things of Egypt", the totality of national world powers of...
earth, now pawned by the 8th King, the King of the North as per Revelation 17:12-17 paralleling and fulfilling Daniel 11:42-43 in relation to globalist world domination of government and finance power.

As stated this awareness of a final world domination attempt, through a very real globalist world power system dominating all the nations, is what the imposter GB is attempting to retard in Jehovah’s witnesses by keeping them in 1990 understanding, over and over and over again. It's still true information, but not reflecting current reality, and at times actually misleading, to be covered here.

JEHOVAH REVEALS WHAT MUST "SHORTLY TAKE PLACE"

The Watchtower 06152012 - Paragraph 5

Though Britain gained dominance, colonies in North America broke away. Even so, the United States was allowed to grow mighty, protected by British naval power. By the time the Lord’s day began in 1914, Britain had built the largest empire in history and the United States had become the greatest industrial power on earth. During World War I, the United States forged a special partnership with Britain. [5] The seventh head of the beast had now emerged as the Anglo-American World Power. How did this head treat the seed of the woman?

[5] Comment - (Example of MO 2)
"During World War I, the United States forged a special partnership with Britain."

The actual older and originating lead "father" system is the British globalist elites from inception. These globalist elites (Rev13:11) are the ones who "forged" a special "roundtable" relationship with their own creation in the "United States of America" nation base. This project they had been openly funding through their central banking globalist finance network since 1791 officially revealed in the clone "central bank" "fractional reserve banking model" of the "Bank of England" "DNA" in the "Bank of the United States" aided by Presidential globalist puppet politician Alexander Hamilton; (Ten dollar bill).

By 1914 (12-23-1913) that globalist central finance administration central banking arm was the Federal Reserve; a private globalist scale finance conduit by which the entire World War 1 finance system was managed in the American "gravy train" of World War 1 along with the Morgan banking and investment network in America and England. England is the master mind system from which the entire orchestration of World War 1 ran. America is the natural resource and industrial "independent" colony.

This globally engineered "great war" event ran as the "global problem" (world war) for which the "globalist solution" (global government) would be presented directly after that engineered "world war problem" was completed to the tune of 300 billion dollars globalist banker profit. Then the "cherry on top" "League of Nations" finale to the whole bloody ordeal would be presented, tada!: the first global presentation of the globalist "world peace" forum "image of the wildbeast" in 1919, an elite globalist promotional branded hub system of world government and world peace.

All very predictable now and conveniently scripted then. Tribulation leads to a presentation of the "disgusting thing" as the solution, to the tribulation, the desolation it itself causes. Very handy.

That is why any attention to the actual locus of power in all this, the Anglo English elite globalists (at that time of WW1) is better to be hidden in any diversion possible, such as attention to the United States/UK national puppet show shell seventh head. Though a national alliance was developed prior to World War 1 between Britain and the United States of America as the Anglo-American national dual world power, the globalist union of both nations was not official until the United States joined the United Nations, they did not join the League of Nations officially, but as seen all the shadow American elite globalists (such as the Morgan bankers) had to be involved behind the scenes.

It is significant that even American national elites and politicians had initial misgivings of officially joining into this world governmental union after World War 1 and so remained detached from that "image" rendition prior to the United Nations.

The Watchtower 06152012 - Paragraph 6

Shortly after the start of the Lord’s day, the seventh head launched an attack on God’s people—the remaining ones of Christ’s brothers on earth. (Matt. 25:40) Jesus indicated that during his presence, a remnant of the seed would be active on earth. (Matt. 24:45-47; Gal. 3:26-29) The Anglo-American World Power waged war with those holy ones. [6a] (Rev. 13:3, 7) During World War I, it oppressed God’s people, banned some of their publications, and threw representatives of the faithful slave class into prison. The seventh head of the wild beast as much as killed the preaching work

[6a] Comment: (Example of MO 2, 3)
"...the seventh head launched an attack on God’s people... The Anglo-American World Power waged war with those holy ones."

More GB National Focused Diversion Away from Globalist Reality

This is not accurate to the level of detail required. This calls attention to national powers in the 7th head, instead of the globalist actual powers orchestrating this attack. This is diversion once again, by the imposter GB.

Again it is NOT the national power puppets (7th head) of the Anglo-American elite globalist "puppet masters" that attack of their own initiative. The source attack is...
They like secrecy. The imposter GB keeps them secret too.

All Too Convenient, Hence Now Predictable

The fact that their "world government solution" pops up immediately after World War 1 "global war problem" shows who "causes desolation" is actually these globalist powers "disgusting thing" with this very goal of presenting the "world governmental" "solution". All too coincidental, these globalist guys are predictable now.

That "world governmental" "solution" which is an "image" and an "idol" of world rulership is guided by globalist elite powers (2HWB) far above the national puppet shows in actual power - That globalist aimed 2HWB administers the globalist 8th King, the real final world power - that is the real attacker of Jehovah's people, everything else is the means by which to carry out the attack, such as the 7th head national powers of the national wildbeast collective of Revelation 13:1.

Repeat as Necessary on Duped Nationalists and Masses

That exact formula repeated in World War 2, and shows who world war and global tribulation always serves in the end, globalist profiteering at multi-trillion dollar levels, indebting national powers in the process in the multi-trillions, and then, lo and behold, propping up the "disgusting thing" solution to all man's problems to be adored and served as "the only hope for mankind" ensuring another round of this insanity, money worship, and war driven human sacrifice.

More GB Distraction

That is why here, the imposter globalist controlled GB wants everyone and his mother focused on the "7th head", which is just a national puppet show who take orders from far more powerful handlers in globalist realms of the 2Horn-Wildbeast (2HWB) (Rev13:11) globalist Anglo-American elite puppet masters. They are so secretive, that 2HWB does NOT draw worship to itself, please note.

When they say "seventh head launched an attack" and "seventh head of the wild beast as much as killed the preaching work ", it is actually the 2HWB that is doing this through the national powers (seventh head). This is a diversion of detail that is not accurate entirely. Why? To allow the globalists to operate worldwide with no knowledge of their existence, though the bible IDs them explicitly as their own 2HWB personal Anglo-American globalist wildbeast - not a "special role", but a special world power system all together - elite globalists personal power system.

[6b] Comment: (Example of MO 1)

"God also told John that the secondary part of the seed would be revived to increased spiritual activity. (Rev. 11:3, 7-11) The history of Jehovah's modern day servants confirms that those events took place."

No Word From Imposter GB on Final Fulfillment of Revelation 10-11 in the Near Future

Indeed "The history of Jehovah’s modern day servants confirms that those events took place" and in fact Revelation 11 must have a second and final "two witnesses" fulfillment.

This would be a good place to mention the final fulfillment no?

Of course that is what this imposter GB does NOT want Jehovah's witnesses to realize. Don't expect any "new light" until after this GB is purged in the final fulfillment of Zechariah 3:2-4.

The Watchtower 06152012 - Paragraph 10

In the 21st century, Britain and the United States have continued their special partnership, often acting together in world affairs. The prophecies about the immense image and the wild beast confirm that the Anglo-American world power will not be replaced by some future world power. [10] This last world power may be weaker than that represented by the legs of iron, but it will not disintegrate on its own.

=========

[10] Comment: (Example of MO 3)

Imposter GB Deception: "There will be no other world power after the Anglo-American national 7th King."

"The prophecies about the immense image and the wild beast confirm that the Anglo-American world power will not be replaced by some future world power."

This is completely misleading.

Yes there will not be a greater national world power than the 7th King national power partnership of the Anglo-American dual world power, BUT there will be a full manifestation of the globalist world order 8th King guaranteed by prophecy. That globalist 8th King can be seen being the entire, complete, whole "dreadful image" of Daniel - the whole "metal man" full body, in its entirety as it must be standing at a place when that "stone" hits it, and that "place" is Armageddon; (Rev16:13-16; Dan2:31-44; Rev19:19-21; Dan11:44-45)

That is also the whole "scarlet wildbeast" that is the whole 8th King - MUCH more than just the "image" "globalist forum", the East River UN "clubhouse" complex of brick and mortar.

So to, the 8th King Daniel prophecy parallel is that the "King of the North" will be setting up "palatial tents" of world rulership and global domination attempt - that is
As the United Nations—the Watchtower 06152012

The 8th Kingship, a globalist kingship yet to fully manifest on the world scene. The fact that it is called in sequence King number 8, as in after King number 7, also biblically proves the 7th world power national partnership, and national dual world power system, will be pawned and owned by the 8th King globalists as per Revelation 17:12-17 paralleling Daniel 11:42-43 - even if they co-exist, the national power based 7th King will be pawned and owned, controlled and led fully to Revelation 16:13-16 in tangent with revelation 19:19-21.

Again, the imposter GB is now even misleading people on this matter, as if everything is wrapped up, all done, at apex, the United State and Britain national powers and politicians, multi-trillions in debt and unfunded liabilities, are the pinnacle of all earthly power! That's all folks! But that is a lie.

The national zenith powers will decline into debt and receivership and will be pawned financially, governmentally and militarily by the 8th King globalist order that this GB attempts to divert people's attention away from.

ANGLO-AMERICA AND THE TWO-HORNED WILD BEAST

The Watchtower 06152012 - Paragraph 12

Though the Anglo-American World Power is a mixture of iron and clay, the visions that Jesus gave to John show that this power would continue to play a key role during the last days. How so? John saw a vision of a twohornedwild beast that spoke like a dragon. What does this strange beast represent? It has two horns, so it is a dual power. John is again seeing the Anglo-American World Power but in a special role. —Read Revelation 13:11-15. [12]

[12] Comment - (Example of MO 2)

Imposter GB deception: The 2Horn-Wildbeast (2HWB) is just a "special role" of the national Anglo-American 7th "head" of the national "wildbeast" collective of Revelation 13:1, nothing more.

Imposter GB Says: "The 2HWB is not an actual "elite globalist" "private sovereign" "worldwide wildbeast", not very real separated power system and head administration of forming world domination attempt in the near future."

But in Reality: The 2HWB is the real master globalist lead entity, not a "special role" of a national sovereignty, but the head super-sovereignty of world globalist power directed by the Dragon personally through the demons for the Revelation 16:13-16 collective climax.

"...Anglo- American World Power but in a special role..." LOL. I'll say.

But the 2HWB is far far far more than a "special role" of a national partnership power system of America and England.

The 2HWB is a completely different ruling identity (globalism) and magnitude (worldwide) of global power and the actual origin of that power in direct Satanic (dragon) anointed select guidance and alignment.

These 2HWB guys installed the imposter GB, they are their "cream of the crop" infiltrator life agent deceivers for this very purpose: hide the final details of the truth of themselves and their intentions and prophetic destiny.

This 2HWB is far different than the national wildbeast of Revelation 13:1, or ANY of it's national "heads" and "authorities" - it is TOTALLY SEPARATE, it is the Anglo-American globalist elite system of global operations that utilizes it's national base system, for globalist world domination positioning for a "gathering" climax of Armageddon; (Rev:16:13-16)

Again, what this fraud GB globalist infiltration does not want any one to realize still, is that the (2HWB) are globalist elite powers of far greater strategic, financial and influential power than ANY national powers on earth, national politicians, national elites or national groups, yet they are based in these national Anglo-American identities as a handy subterfuge and base of global operations. It's just a veneer.

This wildbeast is far more than a "special role" of Anglo-America, they even have their own custom, private, personal, separate wildbeast! This two-horn-wildbeast has it's own "horns", "head", "body" mobility and power. This two-horn-wildbeast is NOT encumbered by six other "heads", and an enormous lumbering old worldwide national "wildbeast" body - no, this wildbeast is a sovereignty unto itself, free roaming and secret - it ONLY directs worship to the first national collective wildbeast of Revelation 13:1, and to the "image of the wildbeast", the globalist United Nations forum of Revelation 13:11-15, which this two-horned-wildbeast engineered and designed for Satan by Satanic power, it does NOT draw worship to itself - it wants to be a big secret. Think about it.

The infiltrator GB also wants it to be a big secret as well.

This is an elite, Satanically anointed, globalist power system that operates through the Anglo-American national puppet shows that it creates, funds, directs and produces all by huge globalist financial control such as the Federal Reserve "trillions of dollars" and "money from thin air" national debt system it deploys.

Of course the less people know about this blatant fraud, the better for the blatant fraud.

===========================================

The Watchtower 06152012 - Paragraph 13

This wild beast promotes the making of an image of the wild beast. John wrote that the image of the beast would appear, disappear, and then rise again. That is exactly what happened to an organization promoted by Britain and the United States, one that was intended to unite and represent the world’s kingdoms. This organization appeared after World War I and was known as the League of Nations. It disappeared with the onset of World War II. During that war, God’s people declared that according to the prophecy in Revelation, the image of the wild beast would ascend again. And rise it did—as the United Nations.— Rev. 17:8. [13]
Second Two Witnesses Proof

Just a side note here, that proves there will be a second "two witnesses" final global ministry of Jehovah's witnesses in the near future, completing 2 cycles of 1260 days, a 2520 day "appointed times" of the "trampling of the holy city" of Revelation 11:1-4.

"...the wild beast would ascend again. And rise it did—as the United Nations."

(Revelation 17:8) The wild beast that you saw was, but is not (League of Nations front), and yet is about to ascend out of the abyss (United nations front) and it is to go off into destruction. And when they see how the [globalist image] wild beast was, but is not, and yet will be present, those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world.

That is true, and that globalist formative power personnel and grouping is who have been fighting Jehovah's witnesses all along since 1914-1918 (first "two witnesses"), and who must fight against Jehovah's anointed in the future as well (last "two witnesses"), for this "wild beast" of Revelation 11:7, is the "scarlet wildbeast" that did not arise out the "abyss" until 1945 as the United Nations, thus this, must still occur AFTER that rise in the near future:

(Revelation 11:7) And when [the two witnesses] have finished their witnessing [in the near future], the [scarlet] wild beast that ascends out of the abyss [fronted by the UN; 1945] will make war with [the two witnesses] and conquer them and kill them. [and that is about the time the 144000 will complete for vengeance]

Imposter GB and Final Two Witnesses Cover Up

This is also final fulfillment cycle information in future fulfillment knowledge, that the imposter GB want Jehovah's witnesses to miss entirely - so they will NEVER reveal this, they must be cleaned out before this truth is known by all Jehovah's witnesses.

==============*

The Watchtower 06152012 - Paragraph 14

John described the image of the beast as an eighth king. [14a] In what sense? It is not depicted as an eighth head on the original wild beast. It is only an image of that beast. Any power it has comes from its member nations, especially from its key backer, the Anglo- American World Power. (Rev. 17:10, 11) But it does receive authority to act as a king to carry out a specific task, one that triggers a chain of events that will change history. [14b]

[14a] Comment - (Example of MO 3)

"John described the image of the beast as an eighth king."

Imposter GB Goal: Divert Attention Away from Globalist Real World Governmental Super-structure

The "Image" is Not a Wildbeast "Body" But an "Image" of It

The subtle diversion here is that of identity of this "scarlet wildbeast" as a full bodied world system in dynamic completion progressively. The "image" of the "wildbeast" is only the identifying globalist world domination philosophy with a "logo", "world forum", "public branding" called the "United Nations" an idea of unification with elite globalist "magnetism" provided by the Anglo- American elites of the 2HWB. That complex in itself, is a basically harmless dilapidating urban complex of buildings, signs, sculptures, office space, storage, auditoriums and meeting rooms, as sort of globalist representative "social club" on 17 acres on the East River in New York City.

That is just a visual shell, like a globalist bank tower, or the Pentagon building, the real "power and authority" lies all around the world as actual super-sovereign systems, like defense systems, satellite communications, global intelligence networks, super advanced technological development, nuclear development and deployment, telecommunications, massive global finance computing networks, etc.

Full Bodied Very Real World Domination Scarlet Wildbeast System Global

The real power in that "image" facade system is who engineered it as the most powerful, rich and influential Anglo-Americans on planet earth (Rev13:11) in the 2HWB elite globalist system based in Anglo-American national roots. These globalist elites though have their own independent sovereignty in themselves and their super-system (2HWB and it's product the "scarlet wildbeast"). They do not answer to nation-state political authorities or nations, they own them; (Dan11:42-43), they employ those national political puppets for the big national "sleight of hand" puppet shows shows shows for nationalism promotions world wide, such as the Presidential elections of the United States.

The real power is what that "image" hubs out to in real world powers systems of global management and control of billions of people through enslaved national powers, which is the national power systems of the member nations, guided by their own elites, who employ the same pyramidal globalist elitist control system as the 2HWB to also produce and direct their own "national theater" puppet shows of former pauper national politicians to ultimately own, control and engineer the whole national system - many many of them.

The "scarlet wildbeast" literal "body" is the actual real power systems of hundreds of member nations and others within their growing sphere of control aligned for globalist advantage. This "wildbeast" is far more than an "image" it is the real thing worldwide, and it is controlled by private globalist super advanced, super-sovereign, worldwide intelligence, financial and military control systems, among many others, utilizing total world resources of hundreds of nations and territories with
computer and satellite aided real-time information and advanced algorithmic modeling.

Wildbeast "Image" Vs. Wildbeast Full Body

Thus by this time the apostle John from Christ's vision from God, though referring to an "image of the wildbeast" in it's disappearance from the world scene in World War 2, is now developing the future truth, now present on earth, of an advancement in time after the "image of the wildbeast" is created, in the development of the works of this "image" such as Revelation 16:13-16 into a full bodied very very real and actual "scarlet wildbeast" a real 8th King actual global domination predatory wildbeast system.

[14a] Comment - (Example of MO 3)
"Any power it has comes from its member nations, especially from its key backer, the Anglo-American World Power"

"But it does receive authority to act as a king to carry out a specific task, one that triggers a chain of events that will change history."

Diametric to reality are these statement.

The member nations (and others) are progressively going into full ownership and under complete control of globalist financiers and technocratic 8th King counsels. They, the national puppets, are the ones who "receive authority with the wildbeast" globalist puppet masters, NOT the other way around; (Daniel 11:42-43; Rev17:12-17)

These statements make it sound as if national powers are the source of the 8th Kings power in a direct allowance. But in fact the 8th King does derive power from the national base, but by full progressive control of it as per the parallel progression of power transfer from national to globalist power at Revelation 17:12-18 along with it's effects of pawned national ownership by globalist progressive control shown at Daniel 11:42-43.

Again, this masks the true locus of power consolidation that the globalist 8th King is deriving from this power shift from national powers, to the point whole nations are controlled by the 8th King, sound as if the nations are the ones in control of the progression, but they are the ones controlled by this evolution in power to globalist centrality in the 8th King - the last ascendant "8th" King dynamically over this final period for a very good reason.

And an outright deception: "to act as a king to carry out a specific task".

In fact it is a final zenith 8th King of the whole defiant world system, Gog's "congregated congregation" the ultimate world apex "King of the North", not just a "specific task", but total attempted worldwide domination and rulership! LOL This thing has been active since at least 1914-1919 in global manifested activity, revealed by prophecy and world events.

Daniel 7 and 8 show this dubious "little horn" early English Anglo inception supplants 3 horns in 10 horns in Daniel 7, leaving 7 horns and itself in remaining. That shows this "8th horn" as well, (10 horns) - (3 horns) = 7 horns + 1 "little horn" = 8 horns, has had globalist roots developing ever since the British system was conceived even before the United States of America became an official partner.

The point is this is not a "kingship" for a "specific task", but an old existing globalist aimed kingship culmination as part of a longer progressive continuum to global domination trajectory to Armageddon that this 8th King, 2HWB engineered globalist group leads since the days of the sole "little horn". It always had "authority" in that regard, always wanted more, and plans on all "authority and power" being ascertained in the near future; (Rev17:12-18).

Now the imposter GB is getting outright utterly ridiculous. They have to go soon, this is now actually distorting reality - God will NOT permit a complete perversion of the angelically protected overall truth developed in Jehovah witnesses since 1914 inception in special divine capacity.

Expect divine intervention soon.

So, we see the imposter GB continues to hide and divert attention away from the 8th King, "King of the North" as a real world power system of pinnacle defiance as a real world government and global infrastructure by the control of many national base systems in a dynamically intensifying progression - as shown in prophecy; (Rev17:12-18; Dan11:42-43).

All in all, this imposter GB recycles 1990 understanding over and over again, attempting to divert Jehovah's witnesses from realizing the true reality of this globalist world system yet to attempt total world rulership through a typical tribulatory "problem" to present another globalist "solution"

THE IMAGE OF THE BEAST DEVOURS THE HARLOT

The Watchtower 06152012 - Paragraph 15

According to John, upon a scarlet colored wild beast—the image of the wild beast—rides a symbolic harlot, dominating it. [15a] She bears the name Babylon the Great. (Rev. 17:1-6) This harlot fittingly stands for all false religion, foremost of which are the churches of Christendom. Religious organizations have given their blessing to the image of the beast and have tried to exert influence over it. An increasingly vocal and militant group of Western intellectuals is calling for the end of religion’s influence on society. [15b]

[15a] Comment: (Example of MO 2, 3)
"According to John, upon a scarlet colored wild beast—the image of the wild beast—rides a symbolic harlot, dominating it."

A Drunken Whore Dominates the Greatest Globalist Power System of All Human History?
Actually the power that dominates the "scarlet wildbeast" actual worldwide "body" and "image", is the 2HWB who engineered it through its "image" unification of global national elites over time to this climax full bodied "scarlet wildbeast" globalist system. (Rev13:11-15; Rev17:12-17)

Again, the imposter GB is distracting people away from the actuality of the globalists in the 2HWB as a real, actual operating elite power, by saying a drunken whore (Babylon the Great) controls this ultimate form of all globalist world power in all human history. LOL.

This is just an engineered diversion to hide the actual globalist elite controllers of that globalist unification "scarlet wildbeast" actual "body" (not an "image" but the real thing, a real worldwide super-structure of duped and controlled, owned and pawned national power systems).

This "scarlet wildbeast" is itself the final ascendant apex defiant "King North" of human history, the 8th King. Lobotomized religious groups and clerics, a drunken wobbling "whore" symbol in the Bible for good reason, do NOT dominate this globalist monster of all world dominating ascendant power, please, lol, absolutely ridiculous.

The Babylon the Great (BTG) global empire of false-religion, and in fact the imposter GB as well, are freeloaders on that wildbeast global actual system worldwide. (At least the imposter GB have a globalist job.) That is what is meant by her placement atop this "scarlet wildbeast", she is a heavy freeload burden, a spiritually diseased enormous parasite, NOT a controlling power at all, just a meddling pimped "harlot", who has ultimate pimp handlers, she doesn't even control herself.

She is riding the the actual physical super-structure worldwide of the "full bodied" globalist "scarlet wildbeast", NOT the "world forum" "image" of the United Nations on 17 acres in New York.

True this harlot of false-religion, like the imposter GB, will sleep with and promote the United Nations - they own her through her national kings she "escorts". But this "harlot" system is just a free riding, protected asset reserve, dead weight, idle wealth, attempting to secure her own possessions by a relationship with the kingly national powers that are the national "ten kings" who actually have the force and protection power - not the harlot.

These "ten kings" are given "authority" from the globalists through the globalist "scarlet wildbeast" to carry out this BTG asset liquidation and sovereign extermination to save their own national sovereignty and financial debt scenario - that national sovereignty is also just an illusion - they are owned outright; (Dan11:1-42-43).

The globalists do not do the dirty work - never have, never will. They employ the national powers as legal surgeons, national butchers and asset conveyor belts to deliver up BTG wealth and "body parts" to themselves, the national powers will get a cut to improve their "globalist creditor" submitted "national credit rating" which will fuel their own final demise in the long run of GT; (Matt24:29-31)

The scarlet wildbeast globalist powers want her competing sovereign claims destroyed forever as well, for their sole global sovereignty. At that point, Gog of Magog, can take the true "Cowboy of Control" seat atop his globalist "scarlet wildbeast" for the final assault on planet earth, and the real "great tribulation" climax extermination of billions of people, erasure of nations, and an attempted total extermination of all life and all planet earth at that period after BTG is vanquished; (Matt24:29-31; Matt24:21-22)

Worldwide National Revival Fueled by BTG Body Parts

BTG's asset haul, globally in the quadrillions in physical hard assets and properties, will actually revive the bankrupted national powers. This "capital infusion" "boost" will give them a renewed and last capital leverage to rework their globalist multi-trillion dollar debts, so they can be refueled and re-financed to butcher up BTG global assets for the globalist delivery and "down payment" and national "credit score" improvement. Then they can be self-fueled then to also exterminate the BTG system (and streamline and herd others) and remove the BTG sovereignty fully for the globalists.

This allows the national powers, totally duped and puppeted to also position themselves in the "peace and security" illusion of the globalist's "false prophet's prophecy" - they will be the ones who commence the saying whenever handy. This will align well with the final placement of the globalist 8th King, "King of the North" "disgusting thing" as new world ruler who can then begin exterminating the global populous masses in the "sun, moon and stars" "black-out" of the national, state and local rival sovereigns of planet earth as shown in Matthew 24:29-31 after BTG is removed.

Of course the imposter GB will not touch on these logical progressions registered in biblical well known timelines of minor prophetic fulfillment.

[15b] Comment:
"An increasingly vocal and militant group of Western intellectuals is calling for the end of religion's influence on society."

Yes, that "militant group of Western intellectuals" development is led by the 2HWB globalists to begin the positioning of BTG for an exposure of weaknesses, frauds and corruptions, and a butchering of her quadrillions in physical assets to secure a new financial future for the multi-trillion dollar indebted national "ten kings", to utter destruction in those biblical three steps: strip, pillage and destroy; (Rev17:16).

That sentence is what is called a globalist predictive feed, it is not about "false religion" if you notice, it is a statement of things to come for all religious organizations: "end of religion’s influence”. The 2HWB will attempt to hit Jehovah's witnesses and Org FIRST on the list, before the BTG assault. That is what this Org infiltration's climax "coup de grace" event is leading to, to debalance the JW org worldwide with a big event shortly, by the positioning created by this imposter GB and Org infiltration for 20 years.

This line is a globalist feed line of the removal of the religious sovereignty from earth, to make way for "Gog Direct".

The Watchtower 06152012 - Paragraph 19

We are living in the days of the seventh head. No more heads will appear on this beast before it is annihilated. The Anglo-American World Power will be the dominant world power when false religion is eradicated, [19a] The prophecies of Daniel and John have been fulfilled to the smallest detail. [19b] We can be confident that the destruction of false religion and the battle of Armageddon will soon come, [19c] God has revealed these details in advance. Will we pay attention to the prophetic warnings? (2 Pet. 1:19) Now is the time to take sides with Jehovah and to support his Kingdom.—Rev. 14:6, 7.
"We are living in the days of the seventh head. No more heads will appear on this beast before it is annihilated."

True. But also not true in principle of the final ascendant globalist rulership 8th King entire "scarlet wildbeast" body system over and controlling all national powers to enough percentage to manifest over planet earth as a one world governmental system leading to full global great tribulation (extinction mode) and worldwide Har-Magedon; (Rev16:13-16; Matt24:21-22; Matt24:29-31; Dan12:1)

The whole globalist "scarlet wildbeast" is the whole globalist 8th King - the whole "scarlet wildbeast" is the last 8th "head" system - in that way the whole "scarlet wildbeast" is like an 8th head though pictured as one enormous worldwide power system, not just a harmless "image".

The whole image of Daniel 2, from head to toe, can be seen this way as well. The whole image of Daniel 2 is the whole 8th King. The whole image of Daniel 2 is the whole "King of the North", and the "King of the South" power base, now "Queen" of the South ("she", Dan11:42), base national systems in full pawned ownership control of ascendant globalism; (Dan11:42-43)

The whole globalist unification "scarlet wildbeast" globalist world power will have full control of all the national "heads" and national collective "wildbeast" of Revelation 13:1, including the subservient multi-national manifestation of the Anglo-American nation-state power system symbolized by the 7th Head and 7th King in majority of control of the rest, while also itself being controlled by the globalist 8th King; (Rev17:11-17; Dan11:42-43)

This is what the imposter GB is attempting to divert attention away from, and to hide the progression of on the world scene.

"The Anglo-American World Power will be the dominant world power when false religion is eradicated."

Not exactly true. This requires the now obsolete lack of distinction between limited national world power and seemingly unlimited globalist world power which the imposter GB promotes by hiding it's actuality in world evolution into globalist "one world government" under the 8th King.

There will be no new national dominant world power or bloc of power, that is true, the globalist "scarlet wildbeast" in control of over 50% of all forms of world power, far beyond any nation or national bloc of nations. The globalist 8th King controls and owns the 7th head national Anglo-American system dynamically, progressing to total control very soon; (Rev17:12-18; Dan11:42-43)

The Bible Truth: When that percentage of global control reaches critical mass through pawned national powers into globalist central advantage and irreversible consolidation, YES, there will be a new world power manifesting worldwide!

That will be the final Har-Magedon scale zenith globalist world order form of world power, the full ascendency of the 8th King as also the "King of the North" globalist sovereign symbol of Daniel 11:44-45 "palatial tents" in parallel manifestation as foretold and guaranteed by God in the Bible.

The imposer GB wants to hide and stall this reality, while appearing like "God's chosen"; (2Thess2:4)

The biblical truth is, there will be a progressively dominating globalist form of world power that is even engineering the transference and removal of the national "power and authority" into globalist possession, thereby controlling the national "ten kings" in multi-trillions in debt, to also remove Babylon the Great's form of world sovereign rivalry as shown in Revelation 17:12-18 and transfer that religious wealth system to the globalists by the hand of national processors.

The WTBTS is first on the list, the presence of the imposer GB globalist cabal proves this, and it is in line with the judgment starting with the house of God as a precursor to Babylon the Great which may transpire years after this initial debalancing of Jehovah's witnesses. But that will fulfill Zechariah 3:2-4, and trigger the first real manifestation of the final fulfillment mode of bible prophecy as reality to Jehovah's witnesses. [2]

"The prophecies of Daniel and John have been fulfilled to the smallest detail."

Utterly false and a huge red flag the GB has been infiltrated.

The minor prophetic cycles of Daniel and Revelation have fulfilled applicable to the scope of those prophecies in 1914 to today, and even times before this period, such as the formation of the national collective wildbeast of Revelation 13:1 that began evolving on the world scene thousands of years ago.

What this statement is doing is completely attempting to cover over the final fulfillment of all the applicable Kingdom and Temple world conquest and 144000 temple completion prophecies that must have a final fulfillment triggered by the removal of this evil imposter GB as Zechariah 3:2-4 have their "befouled garments" removed from Jehovah's house by angelic intervention directed by Christ.

This kind of now misleading imposter GB directed commentary, given today's developments of known globalist world power and the final fulfillment modes of Daniel and Revelation, serves to attempt to keep Jehovah's witnesses thinking all prophecy is said and done. But in fact the greatest cycle of prophetic fulfillment of all time is about to activate in global fulfillment progression all the way to Armageddon and into Christ's day one of the 1000 year reign.

This 144000 "temple completion" greatest and final, major and future prophetic cycle of modern permanent final fulfillment will basically replicate the entire 1914-1918 (1260 days; Dan12:7; Rev11:1-4), 1919-1922 (1290 day; Dan12:11; 7:26), and 1922-1926 (1335 day; Dan12:12) periodic cycles in the near future. This progression will lead Zechariah 3:1-9 fulfilled soon on the imposer GB, to great tribulation final "two witnesses" (1260), through the Babylon the Great termination, to Christ Court (1290) of Daniel 7:26 parallel to Matthew 25:31-46 sheep and goat finalization separation. This "sheep" and "goat" finalization will parallel the winepress "sheep" of Rev14:14-16 and the "goats" of Rev14:17-19 through the "sun, moon, stars" "national, state and local" globalist engineered "blackout mode" extermination of the deepest GT period after BTG of Matt24:29-31. That worst period of the great tribulation will parallel to that salvation/ destruction judgment culmination, of a completed Kingdom 144000 under Christ (Rev14:1) of Rev14:14-19 to the "war of the great day of God the Almighty" at Armageddon AFTER the Kingdom Temple "Fighting Eagles" are fully gathered as per Revelation 10:7; 11:11-12; 16:17.

So no! "The prophecies of Daniel and John have" NOT "been fulfilled to the smallest detail." Not even close!

And that is a great sign, this GB is full of imposters.
"We can be confident that the destruction of false religion and the battle of Armageddon will soon come."

This is just another way of the imposter GB making JWs feel it is all over, when in fact, it is all just beginning, the grand finale of final fulfillment prophecy based on the minor patterns, for real, is up ahead!

GB Dinners: The Meat They are Missing
http://templelijah.wordpress.com/diversion/gb-dinners-missing-meat/>

1. The xGB perpetually serves recycled vegetables, endless desserts (ear tickling) and watered down milk for 20 years running;
Hmmm. Why?

2. We know it was not Fred Franz who “masterminded” the UNNGO "transgression that causes desolation" (soon) on the JW org (Dan8:11), he was incapacitated a couple years before he finally died, and who knows, the manifesting rogues may have helped it along; No way would that spiritual hawk, Fred Franz, condone a UN WTBTS worldwide mental "escort service", no way, no how;

3. Fred Franz, for 50 years plus, was "the one who acts as a restraint" (2Thess2:6-8); and the minute be went incapacitated, Sir U. N. Henschel and others pushed the UN with wiley intrigues, because genuine anointed certainly would not let a hair on the head of the "Virgin daughter" of God, TOUCH the UN "disgusting thing" much less prostitute her like a call-girl, for 10 years of WT and Awake! "new world order" quotes and promos on-demand from the UN boys, unless this was a designed intrigue;

4. U.N. Henschel was a spy since before 1939 through WW2, stuck to Brother Knorr like glue progressing to this UN DT positioning of JW org checkmate; (Then placing Gerrit Loesch, the current ringleader rogue agent; The whole GB and ZO, and corporate power structure are by now, all globalist rogue agents;(Dan11:41 covert invasion "entry of decoration")

(And it was a checkmate devised from way back; Dan11:30-32, that led to more intel and operations invasion of the WTBTS; They probably have 50 global intelligence groups in the org, at all different levels of the operations, at national and globalist levels of objective; Orchestrated and free-lance; It is truly the final fulfillment Rev8 symbolic 1/3 now;)

====

The Real Steak and Ribs BBQ (Since 1990)

1. In 1991, the George Bush "new world order" sloganeering campaign went public before Congress; 9/11/1991; That can be searched at the Bush Library on-line;

A. THAT was the "False-Prophet" "standing" after the "cold war", just like the LON-DT stood after WW1 and the UN-DT stood after WW2;
B. THAT is what Fred Franz would have pointed out. The NWO is a DT "false-prophecy" AND another implied "stand";
C. INSTEAD, the WTBTS began promoting the UN, UN support orgs, books and activities for 10 years of "free advertising" to the largest global magazine distribution on earth right in the WT and Awake! covert;

2. SO WE HAVE SUSPICIOUS ACTIVITY, PLAIN AND SIMPLE, COVERT, AND THEN IT WENT OVERT IN A PUBLIC SCANDAL ON 10/6/2001 TIMED WITH THE 911 WTC EVENT slightly after it;

Think that was all really just two coincidences now in 10 years, all DT and UN and NWO related? Not all JWs are this braindead;

====

Active Foul (Zech3:3): Then Jehovah, Christ, anointed and all JWs were reproached with a hypocritical real "disgusting thing" scandal, with real UN promos in subtle articles for 10 years; THAT is the "befouled garments" of Zech3:1,3;
3. Global NATO formed in worldwide globalist UN support capacity in 1999; THAT IS HUGELY SIGNIFICANT; A WAR MACHINE WITH 70% WORLD WAR POTENTIAL IS ERECTED, WITH 6 WORLDWIDE THEATERS OF OPERATIONS, AND THE XGB SAYS NOTHING;

A. THAT is the "god of the fortresses" (Dan11:36-39 globalist KN segway; v. 38) connected to the DT, as a clear worldwide global manifestation of Rev16:13-16 and Joel 3:9 in world globalist military implications; It is unofficially called UNATO;

B. That means the UN, theoretically, has a power punch 4-8 times larger and more powerful than Russia and China combined; Russia and China are two 80 lb pit bulls, Global NATO is a 500 pound super-lion globally positioned; (In other words, through WW3, Russia and China are potentially eventual toast or on their knees to stay (666)); Iran is just a war tech practice shooting range target, a 30 pound wiener dog;

4. Then after 911/WTC event the globalis 8th King/UNATO adjunct worldwide "terminator" proclaim "WORLD WAR" as "Global War on Terror" [GWOT]; A worldwide broad daylight multi-continent globalist military world invasion has been underway ever since; (Dan:11:40 continued)

xGB says nothing; Of course not, they are in the UN/Wildebast pocket;

====

Jerky For Later

Do we see what is going on here?

1. Since Desert Shield/Storm, Dan11:40 is fulfilled CONTINUED with [GWOT] as globalist "KingNorth" "world invasion";

2. The globalists are capital funneling and are positioning for WW3, plain and simple; (Rev16:13-16 in Joel 3:9 mode empowered by Rev17:12-18 engineering producing Dan11:42-43 final consolidation and actual capital/funding power)

3. Since the 1991 UN/NGO xGB sanctioned "penetration" of "Christ's Bride" so to speak, Daniel 11:41 "entry of the Decoration" is fulfilled; They are IN the JW org; DT is IN the JW temple;

4. The Daniel 11:41b "Edom, Moab, Ammon" symbolic "escapees" ARE the infiltrators in the JW org, as all those nations were traitors and opposers to God's people;

5. Now when the NWO went public (1991), the xGB went public with them, not exposing them as per prophecy, but aiding them as per "public relations" for 10 years UN/DPI adjunct "ad agency";

6. Then at 911, the "time release" GB-UN-NGO "news break" goes public a month later; The DT, is IN the JW temple/house known to the whole world;

7. The DT/Global NATO (GN) declares "world war"; (on terror); YET that IS a prophetic continuation of Daniel 11:40 with globalist 8th King (and "sidearms" GN) public proclamation of worldwide intent;

====

THAT IS NOT all astounding coincidences; It is planned, it is "man of lawlessness" manifest activities and purposeful comatose of the JW level of understanding at the perpetual 1990 level;

====

The xGB Planned Dessert (Betrayal Big Time)

Now what is next?

1. Well a THIRD xGB "move" WITH the globalist DT operations;

2. It is obvious now, they "move" right along WITH the globalist 8th King/2HornWB; And they do it in approximate 10 year intervals; 1991 (UN/NGO), 2001 (911/UN/NGO-News), 2012+ (??);

3. They are going to whack the JW org a financial blow in my opinion, the "established place" in Daniel 8:11 is the JW org; These infiltrators are all over the JW corporate “body” now as penetrator agents; (Dan8:23 "transgressors act to a completion");

4. And that will be when Dan8:11-14 "temple cleansing" will begin; also Zech3:4;

5. The "man of lawlessness" will reveal before this, soon, if not now (possible GB=FDS thing);

THAT IS NOT GOOD THINGS TO HAVE IN JEHOVAH'S FACE!!!

HENCE DANIEL 8:11-14 IS NEXT, at some point (and period) AFTER THE MAN-OF-LAWLESSNESS IS FULLY REVEALED;

http://templelijah.wordpress.com/diversion/gb-dinners-missing-meat/

More Globalist 2HornWildbeast Hand Signals by xGB at Annual Meeting 2012 Public Revelation of the "Man of Lawlessness";

(2Thess2:4)

Gerrit Loesch of the xGB (Governing Body of Jehovah's Witnesses) flashes a clever little Illuminati 666, 2Horn-wildbeast hand sign to the unsuspecting audience at the October 6, 2012 Annual Meeting of Jehovah's Witnesses CEO Globalist undercover PowWow;
JWs just have an infiltration that wants to hoax a GT event on them, that will not be GT, but the next 10 year globalist world event phase;

JWs will be put off balance, because they expect GT, because this MOL xGB has been covering up key prophetic reality since the 3rd UN/NWO "placement" of the "image" after the cold war in 1990 in the world, and in 1991 at Bethel with xGB "blessing" and management of that sin as UN/NGO;

That sin of Daniel 11:30-31, is also the "transgression causing desolation" of Daniel 8:11-14; Dan8:14 is the temple cleanse by God in the near future, but it only signals the beginning of the final cycle, not the end of it for a few years;

In other words, JW's have been hoodwinked by xGB infiltrators to be herded here and there in the next globalist 911-on-steroids super-event soon.
Those two prophecies, JWs have been misled into believing fulfilled in WW2 times; 
But in fact the Daniel 11:31 fulfilled in 1991 in relation to the UN/NGO 666 fest of the xGB undercovers, dragging all JWs into that sin; 

Dan8:11-14 will activate in the near future due to these UN related "disgusting thing" sins; 

This just in... 

**The Front Page Says it All...**

Are the xGB "Lawless Ones" trying to say something here? 

Do people really know what this particular revelation REALLY means soon? 

(2 Thessalonians 2:3-4) Let no one (like the xGB) seduce you in any manner, because [the judgement] will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. (Apostate xGB and org wide infiltration of the "weeds"). 4 He is set in opposition and lifts himself up over everyone...

A. Temple Foundation minor prophetic cycle of 1914-1922 must have a Temple Completion major prophetic cycle in the near future;  
B. Kingdom Birth minor prophetic cycle of 1914-1918 must have a Kingdom Completion Conquest major prophetic cycle in the near future;  
C. "Jerusalem" "Holy City" "trampling" of "3.5 times" in Rev11:2 minor prophetic cycle (1914-1918) must have a "Holy City" final trampling in the major prophetic cycle for full "7 times" divine decree in 2520 total days in the near future;  

Basic Principles:  
1. The Initial Fulfillment Mode of 1914-1919 must have a Final Fulfillment Mode in the near future;  
2. All the Temple, Kingdom and Holy City prophecies will repeat upon the same minor pattern, in worldwide scope;  
3. The Temple Judgment and Cleansing Begins it All Soon - Daniel 8:11-14's 1150 day (2300 units) JW Temple Judgment will begin the final major fulfillment cycle;
4. The revealing of the modern-day "man of lawlessness" as the xGB must precede the final temple cycle; (Zech3:1-9; Isa66:6)

In other words, it ALL repeats soon;

Notes on the xGB Infiltration of Jehovah's Witnesses Organization and Final Bible Prophetic Temple Cycle Decoys and Hoax Scenarios Being Engineered by Man of Lawlessness Governing Body of Jehovah's Witnesses;

Entry q

Yes, as regards developments with the next globalist world move towards an 8th Kingdom in world domination progressively, they have a timed "assault" planned that like the past will compliment globalist world operations like 1991 and 2001, and that will unfold with key decoy and hoax events towards a goal the Bible clearly IDs; (2Thess2:3-13)

And we know in 1991 - in the WTBTS and xGB forming to full takeover, rather than expound and tell all about the UN DT form that arose in 1990 fulfilling major prophecy; (Dan11:30-31), as a False-Prophet, with a new, central, main "prophecy" of a "new world order" after the WW3 (Cold War) long drawn out "super event", the xGB instead became a key promoter of the NWO and UN in the 9/8/1991 Awake! That "adultery" continued that for 10 years covert as UN/NGO agency for public information on the UN as per DPI, in a relationship that went overt in 2001, while the UN relationship was "broken off" but in fact that union just went covert in 2001;

The infiltration of JWs itself is foretold:

Thus the UN DT 3.0 in NWO False-Prophet mode, was paralleled in the WTBTS and JW temple system as a placement of that global governmental idol still in the JW org; (Dan11:30-32 is Dan8:11-14 transgression;)

Rather than tell all JWs and the world that Dan11:30-31 fulfilled in 1990-1991 with the UN NWO modal placement, they committed the manifest "transgression causing desolation" of Dan8:11-14, which leads to the whole judgment spoken of in the WHOLE book of Hosea, please read that whole book, and think of Dan8:11-14 and the current xGB and JW org condition today when you do so;

xGB Herding Trick?

Now a nuclear attack is one thing, a possibility even used as a scare tactic during the cold war;

But something as or more fear inspiring with a lack of physical destructiveness, is biological and chemical attacks that cause diseases and other dysfunctions;

That "scare tactic" alone, is how to herd and evacuate large populations to other "locations" with just a rumor, or limited bio-chem attack; Bio weapon scares can be the xGB "shepherd staff";

Which relates to subjects we have recently seen being understood by an uncommon few in the world regarding "attacks" that are not publicized, but have effects seen statistically;

GB Backs Globalist Move

The xGB will move WITH the next globalist lead event, and since they will want to "herd" JWs in as many of the 230 lands as possible, a bio-chem tactic sure would help out the xGB and xZO Zone Overseers, to herd JWs, as a possibility being speculated upon here;

Just keep it in mind, and go the opposite direction the xGB and ZO may indicate through the duped "elder body" IF this should actually manifest in the Dan8:11-14 period that must activate in time, as the xGB prepares JWs mindset for this event, and for their own move against God that WILL, in time, require covert angelic assistance; (Hos1:4-7; Bethel and xGB system are "Israel" in that prophecy); As you see, in it's ancient fulfillment "Israel" was given to Assyrian North attack success, while "Jerusalem" was NOT given to the whole Assyrian operation;

THAT PRINCIPLE WILL REPEAT ON THE JW ORG (Israel in Hosea), but not on all JWs (Jerusalem); See Hos1:4-7

Jerusalem in Rev11:2-7 "holy city" is given (Zech14:1-3) AFTER this initial real "temple cleanse" (Dan8:11-14) and priesthood cleanse" (Zech3), with an unknown time period between the 2300 units (1150 days) and the 1260 days;

DO NOT LET THE XGB RUSH YOU AROUND ANYWHERE, AND THAT IS WHY THEY DO NOT WANT JWs UNDERSTANDING THIS PROGRESSION OUTLINED IN PROPHECY;

What must be first is 1Pet4:17 = Dan8:11-14 2300 units, which may be 1150 days, as each "evening" and "morning" adds individually to the 2300 count; (Dan8:14)

Talk to you soon, hope all is well, may we keep the faith in the Word of God, Jehovah and Christ, not humans;

Response

You seem to be the only other one who had JW's as pure until 1990's. And anybody who has researched prior to that would find that to be not true.

You seem to have a reason to want JW's to be pure until the 1990's, when it's not true.

Nothing here on earth in Adamic systems is "pure" - but can be accepted by faith in Christ; The JWs have THE TRUTH, from God in basic and advanced detail; BUT
The “xGB experiment” went bad from almost inception, 1-1-1976; By 1980 it was obvious some "GB Popes" were operating factionally in the xGB and no doubt positioning throughout corporate finance and management.

As long as they had the look and the works, buzzwords and silver tongue they prospered like any good globalist Mi6 or CIA lifer; (This has to be a number of intel orgs, just saying JWs can EASILY be infiltrated due to over-emphasis on outward appearances and quantifiable "works";

It is almost to obvious when one reverse engineers this now, with these trends and evidence, that the "man of lawlessness" as Pauls' principle relates, was "mysteriously already at work" in the xGB and WTBTS system anytime since after Christendom's full expulsion from temple and covenant prophecy, so this can only be JWs in "holy covenant" in Dan11:30, and this could have been developing at any time after 1922:

(Daniel 11:30b-31a)

Anytime after 1922:

And he (globalist KN) will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those (JWs) leaving the holy covenant. 31 And there will be arms (in spiritual warfare; Eph6) that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature]. (Pollute the WHOLE JW system, writings (Rev8:10-11; final fulfillment cycle; xGB), the JW org, and the ministerial focus profaned)

But the above really became manifest later; (1Tim5:24-25) And especially from the easily provable DT benchmark of 1990;

That above, is an infiltration that Nazi Germany cannot fulfill as per current interpretive xGB error on Dan11:30-31 (and Dan8:11-14); And God let's these kinds of errors slip in like a rock in the shoe, because these kinds of contextual glitches reveal the MOL by context of actual meaning;

No wonder the xGB do NOT expound Daniel 8 and 11 in modern prophetic truth; (Our 1914-1926 truth is the temple anchor; Rev11:2-3 - THAT is accurate for good reason, it all repeats soon)

That xGB and JW org intel-infiltration was the lead in to the 1990-1991 UN NWO DT 3rd "placement" in human history since WW1 LON, and WW2 UN, after cold war as UN NWO False-Prophecy mode, and the xGB WTBTS ops is IN the "they" in:

(Daniel 11:31) “And they will certainly put in place the disgusting thing that is causing desolation.

UN 1. That DT 3.0 "placement" was by 2HWB and rep pres George Bush in 9/11/1990 time before the US Congress, and soon after at the UN Security Council;

UN 2. It was in the WTBTS by xGB sanction STILL condoned and promoted covertly to almost the same day, ad a year in 9/8/1991 in UN Issue Awake!

And THAT little pack, is the THEY, WTBTS xGB and Globalist KN (2HWB/8thKing) that " will certainly put in place the disgusting thing"; And they did, and they STILL cover it up;

So yes, this xGB led "man of lawlessness" in the JW org may be very old, but he is there at HQ (Hosea WHOLE book), because Satan knows JWs have the final truth of what is coming soon, and this next globalist world event, with the xGB timing as usual, will commence MOL revealing fully in the JW org to be expelled by God (Zech3:4-7) after the JW actual temple judgment of Dan8:11-14;

As tricky as it is, it is what it is, JWs will be fully cleansed, again, as in 1914-1922, and will be commissioned for the final 7 trumpets/bowls angelically aided final world ministry as the 144000 Temple MUST and WILL complete before Armagedon (Rev11:15-19) as Rev8-11 will parallel Rev15-16 in final fulfillment mode in the near future finale cycle; (In the face of the rival globalist kingdom ALSO going into zenith power)

It CANNOT be stopped or reversed, all will know when God rings the JW "temple bell" worldwide; (Isa66:6)

EVEN JWs need to be caught up to Bible reality, imagine the general context of it all, as per prophecy:

(1 Peter 4:17-19) For it is the appointed time for the judgment (Dan8:11-14) to start with the house of God. Now if it starts first with us (Zech3), what will the end be of those who are not obedient to the good news of God? 18 “And if the righteous man is being saved with difficulty, where will the ungodly man and the sinner make a showing?” 19 So, then, also let those who are suffering in harmony with the will of God keep on commending their souls to a faithful Creator while they are doing good.

JWs should see, the judgment begins (Dan8:11-14) and ends (Rev10-11) with us;

This will get real interesting real soon; I speculate the decoy xGB is going to try to pull a 2014 Centennial Temple Cleansing Decoy and then on to a full globalist GT hoax on JWs worldwide!

At this depth time and evidence, over cross-scriptural matrices, perfect temple pattern harmony, with symphonic globalist and xGB MOL systemic unity of development, one cannot make this up; There is too many cross-checks now, that must be passed, that even the xGB and their "globalist aiding theology" are filtered out by;

The MOL xGB and JW orgwide Rev 8: 6-13 “1/3” infection is the real problem that is to be cleaned out (Rev8:2-5) in this coming period;

STUNNING FOR JWs who listen to the Bible, and don't worship the xGB "Bethel Golden Calves"; THAT is also why God is going to Hosea style, whack the JW worldwide works SOON; (Hos:1:4-7 is Zech3:4 is Rev8:2-5 is Dan8:11-14 is Isa66:6 is Mal3:1-5 is 2Thess2:3-12 is 1Pet4:17)

Main GB Transgression and Lawless One Revelation

The USSR is Invalid in Daniel 11:36

Fred Franz died with the USSR;

The USSR also died in Daniel 11:36:

Incept-Transgression_Bare Bones

Basic Test

(Daniel 11:36) 36 “And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

1. The USSR FAILED;
2. The USSR did NOT "prove successful until [the] denunciation will have come to a finish";
3. Russia joined the United Nations;
4. And so did the WTBTS and Governing Body;

USSR is Invalid in Daniel 11:36

1. The USSR must be removed from Daniel 11:36-43 significance, and the GB acts like there is nothing significant about all this;
2. Now even the dumbest JW chimpanzee can see the USSR cannot apply to Daniel 11:36, or anything after it;

Why is the GB Mum on this obvious glitch?

Then who does apply to this portion of Daniel 11?

The globalist 8th King is who applies to all the sovereign mega-symbols of Daniel 11:30-45, and Daniel 8:23-25;

The Main "Transgression causing Desolation" of Daniel 8:11-14 - How We Know the GB are Lawless One

1. The so-called Governing Body bypasses this prophetic significance to cover for their globalist partners, hiding the significance of globalist world government from Biblical prophecy,
2. Instead, when this was all relevant real-time, the Governing Body started promoting the "new world order" starting with the global 3rd placement announcements of the UN in NWO mode WITH George Bush Sr., in their own "sacrifice";
3. As George Bush and the two-horned wildbeast made the Disgusting Thing world proclamation before the UN General Assembly in 1990 - the world placement of Daniel 11:31, the GB echoed that statement in 1991;
4. The GB is part of the "they" here:
   (Daniel 11:31) "And they will certainly put in place the disgusting thing that is causing desolation.
5. And that led to the complimentary setting up of the UN idol (3rd world/WTBTS stand, 1991) at Bethel for 10 years of UN/NGO promotional work with George Bush Sr.;
6. That all starting in time in the September 8, 1991 "NWO" Awake! made globally official by the GB here:

"A few days later, President George Bush of the United States addressed the UN General Assembly. The changes he saw inspired him to say: "Not since 1945 have we seen the real possibility of using the United Nations as it was designed—as a center for international collective security." He said this because "the United Nations reacted with such historic unity and resolve" to the Persian Gulf crisis. "For the first time, the U.N. Security Council is beginning to work as it was designed to work." He also said: "The United Nations can help bring about a new day" if its members ‘leave terrible weapons behind.’ By doing this, they can complete the “historic movement towards a new world order and a long era of peace.”"

(Search "new world order" on the Watchtower Library CD to see 79 WT and Awake! NWO refs in that decade;)

The Governing Body is Prophetic Man of Lawlessness 666 Promoters

1. The Governing Body is not Christian much less anointed, and are NOT what they are masquerading as; (2Cor11:13-15; 2Thess2:3-12)
2. They are the "man of lawlessness" publicly fulfilling 2Thess2:3-4 on their own website worldwide (11/9/1991);

3. They already have plenty of indication they are misleading JWs to coup the worldwide org in the next globalist world super-event to stop the final temple completion ministry:

The Temple Cycle is Replicating

The temple foundation cycle of prophecy is now in final fulfillment mode, meaning the whole temple cycle of 1914-1918, and 1919-1922 is replicating in temple completion cycle, and that includes a modern day "lawless one" IN "the temple of the God"

The GB are Fraud JWs

The GB are masterful fraud globalist based intel operations, that is fulfilling prophecy, as the "man of lawlessness" in place for a while now sinning big time, to smash the worldwide ministry of the JWs, in this next decade leading into and through WW4;

They are purposely dumbing-down JWs to Biblical exposure of key prophecy and cycles;

JWs also have another temple judgment coming as per Daniel 8:11-14, as per this replicating cycle;

But Jehovah's witnesses think it is GT and Armageddon, so they can be led about by the globalist operatives in 230 lands at will, when this next "big one" false-flag-terror-war event hits;

Fred Franz death was very convenient for the men of lawlessness in the WTBTS;

The Basic Transgression: GB/WTBTS UN/NGO Significance in Daniel 11:31

They are CIA and globalist ops, not "GB", that is why all this obvious contradictory stumbling proceeds like cancer; That is why no one can answer any of these questions until they see the obvious reality of what the so-called GB really are, they certainly are not Christian, Jehovah's witnesses or anointed;

They are a masquerade that fulfills prophecy and you will not recognize the JW worldwide org in 4 years from now, when the actual destructive objective is in full swing;

Biblical Final Fulfillment Phase and Current Patterns and Developments

This article will prove by established divine biblical patterns, already fulfilled in minor form, that the modern and final future fulfillment related to the modern "Temple of the God" (2Thess2:3-9) will also be accompanied by ALL the scriptural prophetic events and related developments that defined the former pattern in 1914 onward, to the final fulfillment true and permanent Temple 144000 completion prior to Armageddon. That 1914 proclamation and it's temple foundation "good news" is in direct relationship to the final conquest of the Messianic Kingdom of Christ at temple completion of the near future.

There MUST be a final fulfillment of Kingdom and Temple COMPLETION prophecy in identical replication of the minor cycles of Daniel's 1260 day; (Dan12:7; 7:25-26), 1290 day; (Dan12:11), and 1335 day patterns of 1914-1926; (Daniel 12:12), but with the "end of the world" of ALL rival sovereigns of earth and this universe as the objective in final fulfillment mode; (Dan2:31-44).

"Man of Lawlessness" Then and Now

The "temple of the God" as defined since 1919 fully in Jehovah's witnesses as a Christian group even before their official renaming must also reveal a modern "man of lawlessness" infiltrator apostasy in this final fulfillment cycle in the near future.

This initial redefinition of "temple" through 1914-1918 was accompanied by the full exposure through that time of the fraud system Christian "Body Snatchers" ("man of
The "man of lawlessness" MUST also have a modern day fulfillment and revealing from WITHIN Jehovah's witnesses' "Temple of the God" as it has been defined for nearly 100 years.

(2 Thessalonians 2:3-4) Let no one seduce you in any manner, because [the complete end] will not come unless the apostasy [in Jehovah's witnesses] comes first and the man of lawlessness [GB] gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God...

And that is only part of what the "Invasion of the Governing Body Snatchers" has been up to for 20 years in open operations.

Usual Suspect

Satan is implicated in both Zech3:1-4, and 2Thessalonians 2:3-9, so we have a seriously masterfully deceptive and dangerous operation at work in Jehovah's witnesses today, permitted by God, so that prophecy may be revealed, and so that Christ may manifest the absolute certainty of a final fulfillment mode activation to all REAL, Jehovah's witnesses when Zech3:2-4 activates exposing the modern "man of lawlessness" operating through Jehovah's witnesses "Governing Body", fully snatched to even have infiltrated the whole organization. This is why angels, are involved in the final fulfillment mode activation of Zech3:4:

(Zechariah 3:3-4) 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to [the angels] standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”

Since 1991 and the UN spiritual "adultery", Jehovah's witnesses have been in this state:

(Zechariah 3:1) And he proceeded to show me Joshua (FDS) the high priest standing before the angel of Jehovah, and Satan standing at his right hand (GB) in order to resist him.

Final Revelation 11 "Appointed Times of the Nations" in 2520 Total Days After MOL Exposed Globally

A modern "man of lawlessness" (MOL), "Judas" class "son of destruction" among the "twelve apostles" (GB) MUST be revealed before the subsequent phases of Daniel's three prophetic time frames. Those final fulfillment time frames of the near future cycle of final fulfillment must commence in the 1260 day pattern first, AFTER this revealing of the sinner "GB" infiltration, which parallels 2Thessalonians 2:3-9, with Zechariah 3:2-4 "befouled garments" clean out, and the final fulfillment mode Malachi 3 "temple" inspection, visitation and clean-up refinement as well, in final fulfillment in the near future.

Those prophecies MUST have a final activation BEFORE any subsequent "temple" and "kingdom" prophecies commence also in final fulfillment mode after this great Zechariah 3:1-4 "trigger" event.

After this Zechariah 3 "trigger event" clean-out and infiltration identification is globally known by Jehovah's witnesses the Daniel 12/7 start-up 1260 days (42 months) will parallel Revelation 11:1-7s "trampling of the holy city" and the Temple and Kingdom completion global proclamation final fulfillment. Those two "witnesses" are typified in Zechariah 4 which also activates after this initial trigger. This is the FINAL global warning of the second "two witnesses", the final of the two worldwide witnessing of the well known "two witnesses" once in 1914 and the second final time in the near future of Jehovah's anointed mission aided by Jehovah's witnesses everywhere, in a final 1260 day pattern.

That final "appointed time" pattern duration of the near future, totaling the well known "seven times" of the "appointed times of the nations" BUT in Revelation 11 2520 days (1260 x 2 = 2520) in the "Lord's Day" of Revelation 1:10, will be the grand finale of Jehovah's witnesses global ministry in the near future - the end of this sovereign transfer phase forever will shortly follow the end of this final warning witness and Sovereign Ultimatum of the Messianic Kingdom power.

The Final Warning

This second "two witnesses" will be the FINAL Sovereign Ultimatum of Jehovah and Christ; (Rev10:1-11; Dan11:31-44; Matt24:14), the last warning period this world will EVER be given before the utter and complete conquest of God's Kingdom and Temple system over earth, all human opposers will be terminated shortly after this final warning is completed as per Revelation 11:7; (Matt25:31-46; Rev14:17-19; Joel3:9-12).

Red Flag 1: Governing Body; No "New Light" for 20 Years for a Reason

Now we see what the snatched "Governing Body" will NEVER proclaim as stated above, and will instead attempt to hide and delay from Jehovah's witnesses' awareness with endless condoning of massive gross sins, stalling, stumbling and recycling of 1990 material, until that infiltration system is purged of these "workers of lawlessness" under a masterful veneer of "holy men". The "Brooklyn Papacy" of the Globalist infiltration units in the GB and "Org" must be exposed and removed as per the guaranteed prophecy of Zechariah 3:2-9, parallel with 2Thessalonians 2:3-9 and the final fulfillment of Malachi 3 "temple inspection", "clean out" and refinement.

The assessment and judgment of the Jehovah's witness anointed and related worship system "temple"; (Rev11:1-4) will precede all other prophetic judgments to follow this period as per biblical patterns of the house judgment; (1Pet4:17; Ezk9:6)

Although Jehovah's witnesses are being inspected NOW - hence even this exposé from the anointed, the current GB snatched, will NOT be saying boo, that is a big
Some Jehovah's Witnesses Will See This Truth Immediately

Though, of course, some Jehovah witnesses will doubt all this, but the ones who have paid diligent attention to God's Word will see there MUST be a major fulfillment cycle finale, that leaves NO rival system alive or functioning ultimately and literally.

Many Jehovah's witnesses will see this analysis is merely pointing to the truth that Jehovah's Word must fulfill among defined "Jehovah's people" as in all times before in ancient times, the time of Christ, and since 1914. All this analysis is pointing out is that ALL the 1914-1926 patterns MUST and WILL have a final fulfillment, but with universal and worldwide impact and eventual total manifestation of the whole Kingdom Jehovah and Christ, and all 144000 and a billion angels ALL lighting up the global skies in battle array to finish the Armageddon War of God to the last "sheep" and "goat" being saved and exterminated respectively. This Zechariah 3 "trigger" will commence the rest like a program to the "play of God" "final act". The final fruitage will be secured and delivered to God, the "harvest of the earth" of Revelation 14:14-16 being completed and delivered on earth to God's very feet, at his temple courtyard, IN the 144000/Temples coverage of Revelation 7:9-17; (Zech12:7-9).

All this is the truth that Jehovah does reveal His future works to his approved servants as a foregleam of what must transpire as Zechariah 3:2-4 activates in everyone's face worldwide in the near future.

(Revelation 1:1) A revelation by Jesus Christ, which God gave him, to show his slaves the things that must shortly take place.

(Amos 3:7) For the Sovereign Lord Jehovah will not do a thing unless he has revealed his confidential matter to his servants the prophets.

The GB Snatchers Full Viral Objective

So, let's examine the potential full objectives of this infiltration "GB" of 1991-1992 compromise, as per the Christ temple visitation and "Judas" "son of destruction" 'thief', 'betrayer' and 'stumbler' sinner patterns and types. Christ and the bible, expose the GB spiritual vermin imposters in 2000 dollar suits, before they fulfill prophecy.

Temple Completion versus Temple Foundation

First off we are in Temple COMPLETION phase now, NOT the 1914 "temple foundation" phase any longer. Jehovah well knew that the temple completion phase would completely replicate the 1914 prophetic patterns and events, but with greater and permanent global significance. In the divine wisdom, Jehovah made certain real Jehovah's witnesses were very solidly familiar with the minor fulfillment cycle of 1914-1926 and their three sub-cycles of 1260, 1290 and 1335 days, because that full cycle MUST replicate to finality of full Kingdom and Temple completion and conquest in the near future.

Obviously Jehovah would not reveal this too soon, because it would apply to the temple completion phase, for that phase, and anything earlier would cause undue confusions, when Jehovah was merely establishing a minor pattern in 1914 to show Jehovah's witnesses conclusively what would transpire also in the final fulfillment of the temple completion of the 144000 in the face of the operative rival system of the world.

This 1914 prophetic pattern is perfect and will be the foundational guide in absolute harmony with the final fulfillment patterns. BOTH prophetic interpretations will apply to their own phase perfectly.

ALL the patterns of 1914 and of Jesus Christ's temple work and ministry from 29 CE to 33 CE will absolutely have a manifestation in the near future along the exact patterns, events and principles fully established for 1914-1926 and in Christ's time, such as the "Judas" manifestation relating to the "man of lawlessness". The original patterns in 1914-1918, 1919-1922, and 1922-1926 are all totally and completely valid, for they are the guide fulfillment pattern by which the whole future will unfold before the face of this entire world.

Jehovah and Christ are providing real Jehovah's witnesses with a reliable map to the end of the world of this system's rival world rulers, and the events which will mark and trigger that the final fulfillment mode has begun in earnest in Zechariah 3:1-10 fulfilling parallel with the exposure and identification of an infiltration of imposters in the Jehovah's witnesses, right through the head administrative "Governing Body" - "snatched" and in Satan's control as permitted by God with limitations, but to fulfill final prophecy and ring the JW bell worldwide; (Zech3:1-4; 2 Thess2:3-9; Mal3:1-4 parallel fulfillment)

The Snare and Stumbling Block is Effective

Many apostates have seen the dubious developments among the "Governing Body" symptoms of being "snatched", but felt the whole "Org" went bad. But in fact this is just a systemic foreign imposter "cancer", a "virus", a "termite" system that Jehovah by angels, will fry from the JW "Org" "log", as per the "fire" event of Zechariah 3:2, in line with Malachi 3:1-4 in the final refinement of Jehovah's witnesses to the end ministerial cycle. Most apostates simply fell stumbling and victim to the evil machinations of the "man of lawlessness" that has infiltrated the Jehovah's witnesses through its "Governing Body".

These apostates were fully duped and led where the imposters want them, outside of Jehovah's flock.

That is why this GB "snatched" operation even exists in part, to stumble people behind the scenes, while presenting a smiling face "holy man" counsel in front of the scenes, to fool, if possible, even the "chosen ones", but it was not fully possible.

Guaranteed Target: JW

The betrayers and infiltrators are now being revealed prior to the "big event" they have planned, and that Jehovah has purposed as well, doubly certain a "big event" will hit Jehovah's Witnesses in a little while longer.

Objectives of the Zombie Governing Body Snatchers

Examples of 8th King "NWO" Globalist's Event Schedule Guiding the GB/JW Organizational Schedule Following Supporting red flag 2 they are corrupted and purposely in the dark, also, as per prophecy.
1. Globalist Step 1 (1991) - "New World Order" Revelations by Both the Globalists and the GB Snatchers

First off, ALL the Jehovah's witnesses "Org" subtle signs and planned events have been fully guided by this fraud GB since 1991-1992 under Milton G. Henschel's "watch". Notice that ALL the major GB decisions step along with the globalist "new world order" schedule of phasing. This has occurred in an approximate 10 year long series of three steps and subsequent phases - two steps in, we see the trend now.

1991 marked a new phase of globalist 8th King world activity being prepared for after the dissolution of the USSR globalist contrived "global enemy". As the Berlin Wall was being demolished, the GB snatchers were also poising the "new world order" infiltration and barrage of quotes in Jehovah's witness literature through the UN/DPI "Department of Propaganda and Infiltration". "NWO" references became quite regular in The Watchtower and Awake! magazines from 1991 to 2001, UN support org "plugging" was also quite consistent as Jehovah witnesses GB snatchers kicked off their series of UN-DPI promo articles to their own captive JW demographic audience. (Commencing with 9/8/1991 Awake!, and 10 years after.)

The Watchtower Library CD search has 45 "new world order" references for Awake! and 37 for The Watchtower in that period from 1990-1999, far outnumbering any references before or since that time in a 3000% magnitude of increased exposure. Coincidence? All one has to do is search the term "new world order" to see that GB compulsory "NWO" injection went viral in marked frequency in this period following the globalist 1991 manifestations. That is NOT accidental.

1991: Thus the 1991 NWO 8th King system phase 1, just happened to coincide with Jehovah's witnesses GB organizational "NWO" UN-DPI promotions and directives in marked fashion following along with that of the 8th King globalists - all coincidence? No.

This was of course also a massive and very real serious hidden sin and "wildbeast" promoting propaganda operation for 10 years running as well, that immediately compromised the high level holy spirit blessing, the GB itself was in active gross sin willfully engineering and spreading it secretly as well. A tiny infiltration group compromised the whole Jehovah's witnesses organization and anointed.

The GB "right eye" certainly did "grow dim", as will the "arm" shortly "dry up".

(Zechariah 11:17) Woe to my valueless shepherd (GB), who is leaving the flock! A sword will be upon his arm and upon his right eye. His own arm will without fail dry up, and his own right eye will without fail grow dim."

That "sword" is angelic and will culminate in Zechariah 3:4 activation unmistakable when it manifests soon.

Well lo and behold, in September again, but of the year 2001, a handy and predictable 10 years later, the globalist 8th King now prepares for the famous world invasion now known as the "War on Terror", as 200 trillion dollars have now, ten years later, been shifted to this war and military security initiative worldwide; (Joel 3:9), as a conservative estimate of what resulted from this "911" super-engineered military event and it's subsequent progression to world invasion aided by the new Global NATO of 1999 and other globalist military manifestations.

Now the complimentary inner GB move number two?

One month after 9/11/2001, shy 5 days, the world globalist press boys of the "scarlet wildbeast", through The Guardian newspaper, break the "handy" news of the UN-NGO-DPI hypocrisy of the "Governing Body" of Jehovah's Witnesses on October 6, 2001, all conveniently "leaked" as pre-planned from the getgo. Again, phase two of the Jehovah's witnesses infiltrated GB future plan again perfectly coincides with and is guided to the "T" for "traitor", with the globalist phase 2 world event move of "911".

2001: Again, Jehovah's witnesses' GB must follow the overriding script of the globalist second 10 year phase towards Armageddon with a reinforcing strategic complimentary move for Jehovah's witnesses organization.

911 Launch Aided JW Fog Time

What followed was a well engineered psychological diversion of Jehovah's witnesses and general world stumbling quagmire of hypocrisy and scandal that expanded like steroided cancer through the JW "brain center" and the apostate armory, courtesy the guiding "GB" conspiracy support move of "breaking news" feeding.

Instead of Jehovah's witnesses focusing on biblical prophecy being fulfilled real-time, in a great set of 8th King manifestations that even worldly researchers reveal now, the GB went mute. Rather than renewed focus on live prophecy and the obvious globalist power paradigm shift, it was apostate gossip time and naps at GB headquarters.

Though 911 and the subsequent globalist paradigm mode of Daniel 11:40 fulfilling in the comprehensive symbolic globalist "King of the North" in unmistakable manifestations by this bold 8th King capitalized guiding war and terror developments, and subsequent endless war and global military Global NATO expansion and positioning, the Jehovah's witnesses are now focused on GB "dirty laundry", walking on eggshells in GB fed and led "apostate fear mode".

Endless 20 Year Night

Jehovah's witnesses are merely treading the "new lightless" night waves of a relentless global apostate attack fueling "Org" idol building in response, now fueled by the real sins, scandal and hypocrisy of the GB. This development also made very apparent the convenient and handily exposed sin record then already ten years imbibed into the JW body at that time, 20 years now. Somehow the ridiculous "library card" "insult to injury" excuse does not satisfy the apostates or opposers, the average man and researcher with impartial judgment or Jehovah and Christ for that matter. More Jehovah's witnesses are also coming to realize this gross sin festival empowered through the GB is indeed, very very real in Jehovah's eyes.

"Jehovah's witnesses are now in spiritual fear, apprehension, 1990 backward tunnel vision, and 1914 retardation coma, in a GB inspired progression to the weakest spiritual state in all Jehovah's Witnesses' history."

The entire logical realization that major Bible prophecies were now in active expanded progression in heightened fashion, such as Revelation 16:13-16, 17:12-18, Joel 3:9 and others, was totally side-tracked. The GB did not utter a peep, but concentrated on more pressing "dirty laundry" web and press fires with also biblical
prophetic significance, none of which will the GB point out as they turn themselves into the brain dead "Golden Calf" distraction of the Jehovah's Witnesses organization, instead clothed in the "befouled garments" of Zechariah 3:1-4 for real, including the sin stained "inner garment" secrets and filthy "turban".

Instead, to the GB it is time to go into organizational idol construction and fortification mode on this new anxiety apostate attack adrenaline!

Now, via the convenient apostate endless assault, the GB bolsters the attacked "GB" body, "Slave" body and "Org" body to create "organizational idols" right in Jehovah's "house", subtly year over year as endless salvos of GB aided apostate led attack also come upon those "bodies" from this handy little "breaking news", all perfectly timed as the initial sin was, with globalist world operations that even worldly researchers point out courageously. The fraudulent "GB"? Mums the word... Hear no evil, see no evil, speak no evil, but are the evil.

The GB is now just a purposely brain dead total act of recycling "spiritual food", a puppet theater of "new light shows" at meetings and conventions, but with terminal gross sin and darkness as the actual latent but surfacing result, just a sham pack of globalist actors in sheep's clothing, busy gee bees duping the JWs silly, serving endless watered down "milk" and mixed veggies - NO MEAT, NO NEW LIGHT, FOR 20 YEARS NOW!. Hint, hint... Red flag.

Real Sin and Stumbling Halves JW Growth

And the numbers do not lie.

Add to this set of REAL GB sanctioned sins, and the actual stumbling of upwards of 4 million people globally over 10 years perpetually, and combined with the initial gross adulterous sin in secret, this whole thing now has cut Jehovah's witnesses growth statistics in half as the trend is examined over time. It all originates in 1991 approximate point.

It is now a trend with easily seen statistical anomalies and proof of something being way wrong. It is statistically evident in the former 20 years before 1991, as compared to the 20 years after 1991, that JW expansion numbers dropped approximately 50% in growth rate percentage.

Red flag 3?

Not at GB la la land of infiltrator spies. Now the fraud "GB" say, "oh brothers, we are obviously at apex, the numbers are diminishing, the end is near! The end is near!", when in fact they themselves are stumbling millions from the web back alley invisibly to everyone, with gross and heavy sins compounding bloodguilt for real, and that is what is plummeting the JW numbers along with the divine curse. GB "Judas" sanctioned sin and stumbling evil is what has cut JW numbers in half, plain and simple. JWs bring sheep in the front door, the GB shoots them in the alley.

(Malachi 2:1-2) “And now this commandment is to you, O priests. 2 If you will not listen, and if you will not lay it to heart to give glory to my name,” Jehovah of armies has said, “I shall also certainly send upon you the curse, and I will curse your blessings. Yes, I have even cursed the blessing, because you are not laying it to heart.”

The perpetual UN-NGO massive global stumbling magnitude is strangely, the missing JW growth numbers and the source of divine displeasure in that, almost to the exact figure of diminished effectiveness - we have 4-8 million people in the GB back-alley dumpster. Now the GB sins are snowballing as they roll the whole works to Gehenna upon Jehovah's witnesses worldwide, while smiling from their handy Brooklyn Roundtable of innocent bloodguilt to a naive JW body worldwide. "We are God's spokesmen!" "Stay the course!" "Look back!"...

Sheep intake in the front, is simply offset by stumbling in the rear, the GB laugh at JW futility all the way to globalist doomsday.

Now the whole body of Jehovah's witnesses is also dragged into global bloodguilt in the millions of stumbling humans, due to the actions of a small cabal secretly operating in the fraudulent GB to effect this level of transgression, all the while professing to be the "new papacy", the new infallible GB idol "cult of visuals" within the Jehovah's witnesses, professing to be innocent as anointed white doves, all the while not peeping so much as a single apology for this travesty, regardless of the justifications.

Red Flag 4: Jehovah will NOT reproach His own name and His Son's name, nor will He inspire the stumbling of 7 million people; This GB is plainly the "inspiration" and obviously evil and in prophetic judgment soon.

Global Reproach

Now Jehovah and Christ, the anointed and JWs are in endless worldwide perpetual REAL reproach with real "befouling" GB actions and heavy unrepentant and unconfessed sins emanating in a global stench plain to all BUT most partial Jehovah's witnesses, arising from ye olde "holy men" of the GB masquerade ball, piling on more "red flag" patterns of REAL sin and bloodguilt, reproach and idolatry as we speak. Red flags 5, 6, 7, and 8...

How can the GB be instigators of gross sin and still have God's approval? They cannot, and they do not.

Now the Org is compromised for real in spiritual adulterous sins, blood guilt sins, idolatry sins, and the same masterfully deceptive GB cabal is STILL masquerading as "God's chosen", still allowing further positioning in the org for future corporate and congregational events and for the compounding of future sins associated with this spiritual checkmate from within.

The GB themselves now, are a global stumbling block by such blatantly evil engineered hypocrisy and wanton sin generation, promotion, protection and distribution.

And they will not apologize nor repent, all this shame, has the kiss of the GB upon the Org betrayal from within.

ALL this, from one planned UN "sex sin" in secret, as the GB pimps whored the image of God's "Virgin Daughter of Zion" to the "wildbeast", as if demons were running the GB, that is the magnitude of blatant sins that they continue to bless and cover for.

That my friends is called a BIG "red flag" 9.

Are they done yet? NO!

So, to expect a third "globalist body", GB and or corporate perfectly timed 8th King supporting move is not "paranoid", it is >simply logical< and common sense, a trend now, a pattern is already 2/3's of the way assured of final manifestation in 3 strikes.

We can fully expect a third GB sanctioned event to support their globalist handlers lead event as the "NWO" 8th King globalists engage another global "situation" soon. This can be any time now, in their approximate 10 year steps, that the fraud GB follow in the footstep path of.

But to most Jehovah's witnesses, nothing seems any different, all looks virtually the same, they are being duped, with now a third phase globalist enemy goal, that according to the previous 10 year steps being matured and completed, can materialize at any time now.

**Synchronicity 1:** Synchronization chances will be possible that this final manifestation cycle of GB malfeasance will also coincide with the next globalist 8th King worldwide event and further move of positioning the world's nations for Armageddon, GB and NWO style teamwork.

You can see the first 20 years of two 10 year phases in 1991 and then 2001 were marked by GB organizational decisions (UNNGO) and ever so convenient inner fed exposé of actual sins in 2001 immediately following the globalist lead event. This third phase is ready to go at anytime with the next global event planned by the globalist 8th King, upon a well globalist saturated and compromised Jehovah's Witness worldwide organization invaded by this stealth, but plainly brilliant and deceptive killer virus.

*Yes Virginia, Jehovah's Witnesses need the "divine cleaner" to ravage their house of all termites. We NEED it BAD.*

**Synchronicity 2:** That is also why the fulfillment of Jehovah's own "move" (Zech3:2-4), will likely converge with this globalist GB final development as well. We now can see why ONLY Jehovah, with the use of angelic powers plainly identified as such in Zechariah 3:4, is the ONLY way to pull this poor "JW log" from the very real fire event that will attempt to swallow this "log" up as per Zechariah 3:2.

*The spiritual fire?*

The JW "log" is ALREADY in that serious sin conflagration of the overall spiritual blessing on the Jehovah's witnesses, BUT God does realize most JWs are plainly duped and totally deceived, and the invasion of the GB snatchers is the sinister puppet mastery of this whole affair since Fred Franz died.

**GB Darkness Objective - It's All Done! Look No Further Y'all!**

The GB snatchers don't want Jehovah's witnesses to ever appreciate the final fulfillment mode of the bible, or the globalist scale of the rival world power system of the globalist "King of the North" symbol that contains the "scarlet wildbeast" and "two-horned-wildbeast" globalist level administration at worldwide scope and reach of power.

Evidence? September 15, 2012 Watchtower, article "How this World Will Come to an End" - pg. 6, "NO OTHER WORLD POWER WILL ARISE" Really?

What about the 8th King, the King of the North globalist manifestation?

_They want JWs to be national minded cows like every one else._

**No Final Two Witnesses!**

The GB does not want to reveal the final fulfillment mode of the second "two witnesses" final ministry (2W2), or the nature of the "little scroll", or the "reports" that the "King of the North" will receive from the final 2W2 anointed led by Christ final ministry. They don't want to reveal the "King of the North", or to allow the anointed to "eat" a fully understood, "opened", "little scroll; (Rev10:1-11; Dan11:44-45)

They want JWs "hand to plow" in the "end all" of 1914 backward vision, fast asleep. zz zzzah zzzzz zzz.

**How it Works:**

**Regurgitation and Recycling**

This is accomplished by the GB snatchers, by simply regurgitating and diffusing basic teachings to endless minutia of 1990 with no real attention to future fulfillment, no "new light", and a minimal attention to even the 1914 patterns they are based on, but instead "keep eyes on 1914 everyone", just don't drill the patterns in, but diffuse it all. The subtle "dumbed down" goal is to make Jehovah's witnesses as spiritually retarded as possible as far as refreshing teachings and keeping live focus on bible STUDY rather than just reading.

Though plenty of research material on the Watchtower Library CD is available, the standard fare of the GB "new material" is as much Styrofoam and "wood pulp" as possible, and ZERO "new meat", zero, zilch, nada, nothing.

**Zero New Light**

This fraud GB control center since 1991 is in actual gross willful sin of enormous actual magnitudes, with of course ZERO "new light" as a result, not so much as a single photon of real, significant "new light" has come from this underground infiltrated GB for 20 years, and that is a HUGE red flag 10. It's endless assorted vegetables, filler and milk diffusion, and NO "meat" but reprocessed writings of Fred Franz and others, from the pre 1990 era, released as the writings of the current GB massage artist editors, such as Isaiah's prophecy and Daniel's Prophecy from Fred Franz extant manuscripts.

*This GB won't produce the meat of a sparrow itself, it is reprocessed and reworded sausage and jerky of the past.*

This GB control center is not even Jehovah's witnesses we must recall, but globalist spies and infiltrators, of course "new light" is NOT their objective. Just look around, it is all a Xerox and word editing act aided by the duped "other sheep" the GB employ to carry their dead weight. The "other sheep" have carried the organizational work load of "spiritual food production" for 20 years, hats off to them NOT the fraud actors in the GB Academy Award performances.

**Setup JWs Like Bowling Pins**
What these globalist body snatchers are attempting to do is compromise the whole Org.

The spiritual foundational weaknesses that began this mission merely aid the full progression of the full 20 year plus objective of this GB globalist infiltrated cabal. They want to destroy, debalance and try to cripple the org for good in the phase 3 coup de grace, outlined later here in more detail.

Riding a strong foursquare truth “wave” from Russell, Rutherford, Knorr and Franz God laid foundation of truth, these infiltrators are attempting to merely ride and stretch this sham out until they have accomplished a positioned Org for globalist “ground zero”. Jehovah intervenes and or someone detects an identifiable trend that indicates this is an actual operation.

If no one stops them, they will herd JWs to extermination worldwide, no questions asked, that is the end goal, Jehovah's witnesses are that fooled and duped.

Red Flags Too Big to See

Therefore the first 10 years of secret sin from 1991 was undetectable but should have been addressed then and there with a public apology and full repentance from an adulterous course by the GB immediately. Instead the GB fraud faction went into purposeful smug pride and "Org" idol building modes, and subsequently shut off all Jehovah's witnesses from engaging the 2 billion people on the web and fighting back against the apostates - "mum" is the rule of engagement now in the biggest human field to open in all human history on the internet - red flag 11.

Two Flock Shepherds Aid Idol factory

The GB snatchers keep the web an active breeding and feeding ground for their own apostate "sheep" "one-sided argument", which justifies bolstering the Org idols as well, to counteract the apostate attack - everything seems as if "good intentions" prevail, but that inertia is for subtle idolatry to be formed in the organization year over year to terminal proportions. In fact a "can of disaster" is what is prevailing in Jehovah's witnesses from the GB Devil dead-zone.

These apostate and opposer groups and individuals are the actual agents of creating perpetual arguments and endless information publication to the web, based on actual GB fed hypocrisy out their own back-door, to aid in the main fuel of the stumbling of hundreds of people a day for years and years via the web, undetected but by statistics over the years, now an undeniable trend.

Prophetic Coma and Backward Tunnel Vision

Ultimately the “GB” of this compromised system, wants Jehovah's witnesses focused on 1990, and 1914 forever missing the final fulfillment phase, and being condemned with the rest due to that massive truly potential infraction. They want to spread these perpetual and massive sins across all Jehovah's witnesses, and they are, and these are enormous and hidden in plain sight. The entire Jehovah's witnesses organization is compromised plainly shown in deep sin, but under GB subterfuge as intended to mask this true development.

All a big coincidence? All a big coincidence a Jehovah's witness is who reveals all this and not an equally blind as a bat apostate puppet? The apostates can't even detect the true nature of the GB viral system, but Jehovah has Identified it for His anointed to reveal the pigs in the pen, BEFORE they are handled by God as per Zech3:2-4.

The actual shake-up of Jehovah's organization may very well completely crush the current "GB", "Slave" and "Org" idols, and may very well hit the organization extremely hard worldwide. When Zech3:2-4, and the possible parallel "striking of the shepherd" (Zech13:7) actually activates, ALL Jehovah's witnesses will know something is up. Zechariah 10-13 may also be involved in this manifestation of unmistakable final fulfillment mode that JWs will not be able to deny, when all is explained after these events.

(Zechariah 11:8) And I finally effaced three shepherds in one lunar month...

That may very well be idol worshiping shepherds of "GB", "Slave" and "Org" idol sacred cows of the GB main idol, in one concise event.

Cause and Effects: The Objective of Sin and Bloodguilt on Jehovah's Witnesses Worldwide Community in Stealth Fashion

So, as already shown, the entire body of Jehovah's witnesses has old, unaddressed and ignored sins of UN adultery (1991), which news spreads reproach worldwide, stumbling millions, and creating an apostate and opposer backlash that has aided in the creation of 3 big org idols in "GB", "Slave" and "Organization" idolatry in Jehovah's witnesses, so effective, most will not question the dubious sins perpetrated through the use of this credibility campaign. The "Elder Body" "Neo-Jesuit" subcult administers the protective "Inquisition" of anyone who dare accuse their sacred Golden Calf GB of dam lighting, mush less sinister acts of treason, prostitution and bloodshed.

Jehovah's witnesses, by these stealth actions of their demonic perverted fake GB leadership in those in there who know about all this, the "globalist boys"; GB, are now in reproach, bloodguilt, idolatry and adultery, and few are the wiser that the "fire" of Zechariah 3:2's spiritual sin component is very very real - right NOW. Jehovah's witnesses are in the dynamic of an actual compromise that is endangering every Jehovah's witness on earth.

What's Next?

But now that that is all said and done in two phases, and merely "part" of the Org and GB DNA now, "business as usual", what is this REAL next step, the third phase going to involve in this obvious progression?

Questions the near future will answer:

When is the full GB "Judas" manifestation going to be revealed?

What does it possibly further entail?

What is the big reward, what do they ultimately have planned?
The Bible has all the clues.

**Bible Identification of Criminal GB Snatchers**

Again, just as biblical patterns, prophecies and principles even revealed this initial compromise, we can gather the full objective of this globalist infiltration is far worse than many realize - it is FAR from complete in assault, yet oh so near to completion.

We can use two manifestations of Judas Iscariot in the Christ Temple pattern, to know for certain, that other objectives of a far grander overall objective is planned by these GB and Org imposters.

We can also know that this is aided by the Devil (Compare Zech3:1 and 2Thess2:9), and is permitted by God to fulfill a gateway trigger prophecy (Zech3:1-10) and to set up His own next move in a fashion that will get ALL real Jehovah's witnesses attention worldwide, and cut out any “GB”, “Slave” or “Org” idol cult worshipers in one fell swoop (though it may take a while to unfold) - possibly concurrent with the next globalist move on the Org converging - and it MUST now be aided by angels (Zech3:4), it is too deep, too deceptive and too effective to just let run it's full viral course another 10 years in addition to it initial 20.

Even this exposé is a sign of things to come. This is all bible revealed for this purpose upon patterns that have repeated already 2 and 3 times in former developments related to this big “coup de grace” attempt by God's enemies upon Jehovah's people.

**Bible Trigger Event: Jehovah Recovers the JW Ministry from the Zechariah 3:2 Fire**

In the end, in whatever form God desires, Jehovah will recover the organization for the final “two witnesses” ministry which Zechariah 3 and 2Thessalonians 2:3-9, in parallel fulfillment MUST completely resolve first, before the rest of the prophetic cycles of Daniel 12, following these triggers, also goes into active fulfillment leading to great tribulation, the 144000 temple and kingdom completion and the final war at Armageddon when the globalist enemies and all the others will finally be terminated to the last breath in unrepentant man. Other major fulfillments MUST follow this Zech 3:2-9 event cycle trigger prophecy.

What we know is this infiltration has been operating 20 years as well in marked fashion, and may have of course been positioned long before this finality of operations in a 30 year approximate manifestation plan commencing openly but secretly in 1991. Now we are 2 phases, 20 years into operations with plenty of patterns and evidence of great wrongdoing operating under a masterfully deceptive GB veneer system of formalisms that aided the infiltration. Couple that with diminished overall spirituality, over attention to JW visuals, rituals and buzzwords, witnesses are being herded for a grander objective.

**Deep Infiltration**

This infiltration therefore is no doubt organization wide by now, and fueled by other bad policies of the evil GB faction or totality that works very subtly and with masterful techniques of subversion. They will appear as holy as possible on the outside to gullible JWs, but they have a grander objective and want to avoid detection as long as possible for greater events to be covered here in the near future phase 3 of this infiltration grand finale event.

No doubt these globalists have other organizational compromises positioned for what they really love; money, for some kind of major event for unjust gain to their globalist swindler parties, which can also cripple the WTBTS funding and investment basis of the worldwide ministry of Jehovah's witnesses.

**Sheep Still Coming**

Yet all the while, God keeps bringing in new sheep, because the validity of the truth must remain in tact, the “Judas” element never is allowed to pervert the truth, they attempt to stall it, all the while stumbling and setting up further betrayals as per prophecy.

So anyone becoming a Jehovah's witness now, has a good 20 years of valid food and truth to attain everlasting life with, Jehovah and Christ will not allow that to be compromised. But stumbling and blessing withdrawal has affected the overall growth of the flock. And Jehovah and Christ will NOT allow this cabal to stale the final "two witnesses" work of exposing the “king of the North” system for who it is, and to "eat" the fully understood "little scroll" for the FINAL worldwide ministry to the very end of the rival systems, as the 144000 Temple and Kingdom under Christ is completed in the face of this enemy system worldwide; (Rev11:15-19)

**Governing Body Snatchers Coup De Grace 2012+ - 3 Future Strikes**

What all the idolatry, theft of sanctification from Jehovah upon human entities, and diffusion of faith from Jehovah too this organizational idols is ultimately ensuring is less faith in Jehovah who cannot be compromised, to human bodies of imperfection that will be compromised in one massive event for the purpose of stumbling many JWs right out of the truth.

If people put faith in human bodies, they already are in danger when those idols are allowed by God to be crushed. This is the goal from 2001 forward, when the current GB imposters began sterioding there own "infallible" image, as a standard response to mitigate the apostate UNNGO fueled attacks up that body. The FDS and Org "bodies" are constantly attacked, and constantly re-steroided until after 10 years, the are plainly idols in Jehovah's house, they call attention to faith in humans, they diffuse faith and sanctification away from Jehovah, now the "slave give us this, that, and the other thing, the slave draws water from a rock".

That is because the GB snatchers know, those human bodies can be affected in the future, and all focused on the GB, "Slave" and Org, will be stumbled when this major final compromise occurs.

**2. Phase 3 Finale - Judas Thief Event**

Well plainly the corporate organizational mechanics are a target point for this infiltration. No one does all this without also a goal of making lots of money in the process. For every spiritual infraction barely covered here, we can rest assured there is a subsequent move towards positioning the multi-millions of dollars of the WTBTS for a big theft event. Globalist engineered "hedge funds" and other compromises are a likely "shill" carrot bait for these duped WT "marks", being handled by pro globalist con men lawyers and other administrators previously positioned for this last phase.
This also fits the pattern that the Judas element, like the Christendom "man of lawlessness" is ultimately driven by a powerful love of money, and these operatives in the GB and Org are no different, they are greedy and have far more potential as evil than has been realized thus far.

Whatever it is, something big must hit the JW org worldwide, and it will be in time with the next globalist worldwide event of their own agenda as well, as all JW org events have been after a globalist event almost immediately in 1991 and 2001. Expect that trend to attempt to repeat.

3. Phase 3 Finale - Worldwide Internment Herding and Attempted Final Kill Planning and Event on Jehovah's Witnesses

As any who are fox leery have seen in the last 20 years, the GB calls undue attention to itself "in case of emergency" as if God is going to use them, rather than angels, to look out for His people in case of biblical prophetic "emergency".

Now the GB who can't even run the org, but has had to divest corporate responsibility to others (conveniently though, for positioning orgwide), and who can't even develop spiritual food itself, but needs teams of "other sheep" to actually do the work and carry their fraud deadwood bodies, yet we are now to expect that globally, the GB has mapped all the thousands of "safe houses" in case of a globalist "emergency".

Everyone trust the GB snatchers!

Everyone write your name and address on your luggage and clearly label it, head to the train station and food and hot showers will soon be available! You can meet the WT president even!

GB Snatchers Knows Globalist "Evacuation" Plan Alright

Well the globalist operatives in the GB snatchers are connected to a 2horned-wildbeast globalist system that certainly does know the internment and concentration camp intake system very very well, in all the countries slated for this "emergency" development, and they do know the "next emergency" cycles that will begin the human "herding" process - thus far they guide the JW move, after their own, as in 1991, and 2001.

Beyond Coincidence

The GB as shown, has known all the key timings of the globalist lead events, and has moved along with them, in 1991, and in 2001, and soon again if this all transpires according to their planning here. Of course when dealing with angels of God (Zech3:4), the best laid plans of globalist mice and men can fail, the point is they are up to no good, and even the dumbest JW on planet earth should be able to figure out by now, something is off.

The "Judas Betrayer" anti-type betrayal event is getting as many Jehovah's witnesses to show up for prison and extermination voluntarily. This is why the GB snatchers have been cleverly directing unquestioning trust to their guidance in "times of emergency" FOR 20 YEARS, using former examples from Africa, sending out Bethel Bots with this regular "feed" of "trust the GB", because they want to be the main trusted herders of Jehovah's witnesses into the martial prison systems, and the internment system of the globalists when needed, worldwide - from one call to the local elders: "head the sheep for Auschwitz brothers"! Everything is ok! We are God's chosen! Time to go! NOW!

They ALREADY know this set of "emergencies" will manifest upon the world eventually in cycles or a big bam boom event, and they want to make sure JWs are the first in line, and they want to develop the trust so that the average JW will go wherever the GB snatchers send them, when sent, ASAP, no questions asked, with a simple phone call to the zone directors, and so forth on down the line to the elders, who by this time are as duped as the rest.

They want to identify and locate all the JWs globally as well for the "wildbeast" boys, with names and addresses for pick up squads, so look out for this bold betrayal move to develop as well, a request for personal information with all the sugary "good intentions" this rat cabal is known for now. This is because they know some JWs will NOT just head to internment willingly just because the GB snatchers bless their own globalist slavery and kill centers. Some JWs they will have to try to "round up" for various reasons that they "missed the train".

That is why the Governing Body snatchers, wants YOUR trust.

DO NOT GIVE IT TO THEM!

And of course betrayal, like theft, are the chief attributes of the "Judas" type, and from "Judas" the term "son of destruction" derives; (John17:12; 2Thess2:3-9), as applied to the modern "man of lawlessness" in the bible. That is NOT accidental, the GB in action now are also murderous in betrayal intent, as well as money worshiping thieves and all around dishonorable back-stabbing polished rats.

Do NOT be fooled by the appearances of these fine globalist demon inspired actors.

Now I know some GB members may plainly be duped "dummy" GB props, with no real power, but the controlling powers since Milton Henschel and Company, in the GB, are globalist operatives who have infiltrated and align the whole GB and Org corporate injection for their further objectives of sin, stumbling, stifling and betrayal and theft.

"New Light" is NOT an objective of these deceivers, and the willful unaddressed compounding gross sins of this group also make sure none would be given anyways, even if they weren't globalist operatives who aren't Jehovah's witnesses at all in central control of the whole GB and "Org".

The GB has been caught truly red handed, exposed by God though the bible before He acts on them.

This is why no single Jehovah's witness in history, carries the multitude and magnitude of gross and willful sins of the unapologetic and smug current imposter GB sinner cabal. They are at Gehenna level of transgression, because they have no discernment, could care less, and are NOT Christians, but are the "man of lawlessness" actors that MUST be revealed in final fulfillment as the Zechariah 3:2-4 "trigger" activates as the commencement of the final cycle of biblical prophecy to the end, in final fulfillment mode.

This GB's days are numbered by God.
Zechariah 3 Angelic Timebomb

Well we do not know to what degree Jehovah will allow this evil cabal operating through the GB snatchers to betray Jehovah's witnesses worldwide. We do not know the convergence of their timing, and the fulfillment of Zech 3:2-4 in Jehovah's timing.

We do know Jehovah does not need the GB snatchers in times of any true emergency. He has myriads of angels that can fry globalists at the drop of a hat, including those in the GB and Org infiltration right now. Jehovah will NOT need the GB snatchers to separate and herd His "sheep", angels will do that as per prophecy when that REAL "alarm signal" even has the globalists soiling their shorts, and it WILL come as per Matt24:29-31. In the meantime the GB should be ignored as regards ANY evacuation directives. It is the current fraud GB who must be herded to neutralization as per divine promise.

T**hey cannot be trusted, they are doomed.**

The current rotten GB snatchers will be purged, and Jehovah will take over the final ministry directly as per Zechariah 3 prophecy to lead the finality of TRUE Jehovah's witnesses understanding worldwide for the final fulfillment phases.

The JW "Org" will be cleaned out.

**How Could This All Happen?**

Well, they needed to wait until the restraining "Hawk", Fred Franz, was weakened to the point of death to manifest as per prophecy. They waited until they could operate more freely, conveniently permitted and in time with the globalist 1991 manifestations after the USSR was dissolved as the national "King of the North" hand puppet of the actual globalist "King of the North" master puppeteer:

(2 Thessalonians 2:6) And so now you know the thing that acts as a restraint (Brother Fred Franz), with a view to his being revealed (The GB m.o.Le nest) in his own due time.

Now that Fred Franz was the last driving righteous overseer and the 4th foursquare foundation guard of the Jehovah's witness ministry, a time of test developed that will also be revealed in the "man of lawlessness" operating in stealth fashion, with Satanic and globalist ties, right in the GB and Organization of Jehovah's Witnesses, now revealed in precursory fashion preceding total divine exposure.

**EXPECT IT, IT IS COMING.**

We also realize that prophetic patterns MUST repeat in the final temple completion phase and the final inspection and visitation into Jehovah's witnesses as per 1914 prophecy, BUT in final fulfillment mode live and real-time.

This is triply shown in modern fulfillment of three inter-related prophecies showing Jehovah's witnesses "temple" are NOW being fully inspected prior to the divine clean-out "visitatin" in the final fulfillment segway of these prophecies fulfilled and activated that MUST precede the final "two witnesses".

This trigger event well seen also precedes the finality of the following 1260 day Daniel and Revelation cycles and where that leads towards the rest of the well known cycles of 1290 and 1335 days to follow in sequence, as per the minor pattern of 1914 fulfillment, but with global impact to total world conquest by Christ - this is like an "end of the world" map after Zechariah 3 manifests for real for all true Jehovah's witnesses to fully take note of and be aware of completely manifested unmistakably.

*The Zech 3 trigger manifestation will be unmistakable to ALL real true Jehovah's witnesses worldwide.*

**Parallel Prophecy - Prophetic Precursor "Trigger" Fulfillment You Will See Soon in Unmistakable Manifestation (Zech3:1-10, Mal3:1-4, 2Thess2:3-9)*

(Zechariah 3:1) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him.

This is the status of the JW organization since the 1991 set of UN related sins began to be practiced and blessed by that Governing Body being possessed by globalist infiltrators, and any combination of anointed or fraud sleepers aiding this first sin, we do not know the actual degree and type of infiltration. As shown, it exploded like a sin bomb of "gangrene napalm" in the JW organization and global identity, and now there are many symptoms of the effects this sin, stumbling reproach and subsequent bloodguilt and idolatry have had FOR REAL.

In other words "Satan standing" as accuser and resister through the GB "right hand" of the FDS "Joshua", is aided by REAL sins that he is throwing in Jehovah's face NOW since that very real, globalist aided sin of 1991, at a key GB transition of that era into the extremely questionable oversight of Milton Hensche1's GB/Org "watch". What a travesty of compounding Gehenna level sin soon developed.

In spite of the true magnitude of Jehovah's witnesses communal guilt worldwide resulting from this infiltration and obvious non-anointed oversight, Jehovah, through the lead "messenger" of Malachi 3:1, offers hope yet in Zechariah 3:2's parallel prophecy:

(Zechariah 3:2) Then the angel of Jehovah said to Satan: "Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, who is choosing Jerusalem! Is this one not a log snatched out of the fire?"

By Jehovah's intervention at His own appointed time, this "log" of Jehovah's witnesses will be "snatched" from a very real "fire" spiritually, and a very real "fire" that may develop in the secular organizational operations of Jehovah's witnesses worldwide, compromised deeply by the operations outlined here to even corporate compromise globally of the ministry of Jehovah's witnesses. We cannot know the true details of this now, but we can expect this prophecy to fully activate in time with the next 8th King global event possibly aligned as well, as per the previous 20 years of the previous two events in 1991 and 2001, aligned with organizational complimentary events with the globalist lead event.

This "befouled" state of identity and guilt, stems from the actions of the Milton Hensche1 era Governing Body of Jehovah's Witnesses, and has compounded to total true spiritual ruin, yet appears as if nothing out of the ordinary is going on, but, something is in actually being seen by God and Christ:
Now the divine intervention here, you can see, will parallel the final refinement work of Malachi 3:1-4, this "garments befouled" (GB) MUST be removed from oversight and angels are involved. This is a divine intervention required to ‘snatch the log from the fire’, and yet utilize the anointed “Jerusalem” after the fact of this event:

(Zechariah 3:4) Then he answered and said to those standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”

This indicates clean and true anointed must be the “robes of state” of priestly service and the approved real “head covering” of the subsequent FDS actual “governing body” of Jehovah’s Witnesses in whatever form necessary to accomplish the final ministry finale that MUST follow these developments:

(Zechariah 3:5) At that I said: “Let them put a clean turban upon his head.” And they proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by.

Then Jehovah will give an if/then ultimatum to the anointed, with possible angelic upgrades:

(Zechariah 3:6-7) And the angel of Jehovah began to bear witness to Joshua, saying: 7 “This is what Jehovah of armies has said, ‘If it is in my ways that you will walk, and if it is my obligation that you will keep, then also it will be you that will judge my house and also keep my courtyards; and I shall certainly give you free access among these [angels] who are standing by.’

Now we see below, further ‘signs’ (portents) will be given through the anointed by Jehovah after this cleansing event occurs. This is also where Malachi 3:1 ”messenger of the covenant” enters the parallel in Zechariah as “Sprout” who is Christ, who is brought in in a direct manifestation of prophecy and what must follow this event soon:

(Zechariah 3:8) “Hear, please, O Joshua the high priest, you and your companions who are sitting before you, for they are men serving as portents; for here I am bringing in my servant Sprout! (To Malchi3:1-4)

The divine priority is that of Zechariah 4 “two witnesses” that follows this Zechariah 3 prophecy paralleling Revelation 11 which can activate soon thereafter this prerequisite clean out. That is the divinely certain and absolute guarantee that the temple “head stone” of Zechariah 4:6-9 has the full attention by Jehovah God’s “all eyes” upon it. ”Upon the one stone (Christ, the head stone) there are seven eyes”.

The full divine "engraving" upon Christ to complete the 144000 Temple system finale is guaranteed; (Rev11:11,12,19), for as Christ was the foundation "stone" upon which all 144000 come to completion upon, Christ is ALSO the “topstone”, the “capstone”, the ultimate beautification "headstone” of this Temple marking it’s guaranteed completion. This must all be announced to the world, even the current lack of this understanding being accepted by Jehovah’s witnesses creates more "fouls".

That actual temple 144000 completion, which this news must be in advance of, is after the Daniel 12:7, Revelation 11:14 1260 day cycle ending at the Revelation 11:7 globalist wildbeast attack and the finished witnessing of the "two witnesses". Like 515 BCE in the typical Jerusalem Temple pattern, this 144000 Temple of Jehovah will ALSO complete in the very face of the enemy system ‘King of the North’ globalists and all they have “gathered”, and finish that war at Armageddon. (Rev16:13-16; Rev19:19-21)

(Zechariah 3:9) For, look! the stone that I have put before Joshua! Upon the one stone there are seven eyes. Here I am engraving its engraving,” is the utterance of Jehovah of armies, ‘and I will take away the error of that land in one day.’

That the Christ Temple "headstone" can only be placed upon a completed 144000 "temple" architecture is the significance of this and Revelation 11's announcement by the second “two witnesses” of that certainty to shortly follow the expiration of the final “appointed times” in 2520 total days, in this final 1260 day final warning ministry given to planet earth's inhabitants. Then the final judgment phase of the 1290 day finale period will commence as per Daniel 12:11 1290 day parallel to Daniel 7:26 “Christ Court” final judgment phase.

(Zechariah 4:6-9) Accordingly he answered and said to me: “This is the word of Jehovah to Zerubbabel, saying, “‘Not by a military force, nor by power, but by my spirit,” Jehovah of armies has said. 7 Who are you, O great mountain? Before Zerubbabel you will become a level land. And he will certainly bring forth the headstone. There will be shoutings to it: “How charming! How charming!”’” 8 And the word of Jehovah continued to occur to me, saying: 9 “The very hands of Zerubbabel have laid the foundation of this house, and his own hands will finish it.

The removal of Joshua's "befouled garments" will have an implied state of "naked" "exposure", as to the nature of the "befouled" identity being that of the "man of lawlessness" to be revealed at this same parallel event.

(2 Thessalonians 2:8) Then, indeed, the lawless one will be revealed

(Zechariah 3:8) ...for here I am bringing in my servant Sprout!

This Zechariah 3.8 entry of "Sprout", parallels with Christ in Malachi 3, in the final "temple" inspection and visitation in final fulfillment mode of the coming "temple" 144000 completion. This inspection currently in action throughout the JW org "temple" system has caught the Jehovah's witnesses in an apparent nap as to reality. The anointed are NOW being inspected with the whole of Jehovah's witnesses worldwide, and God started the inspection in the GB bedroom, where much globalist paraphernalia has been located which requires a resolution. A divine one.

Here Christ is soon, as this revelation goes global in greater awareness:

(Malachi 3:1) “Look! I am sending my messenger, and he must clear up a way before me. And suddenly there will come to His temple the true Lord, whom you people are seeking, and the messenger of the covenant in whom you are delighting. Look! He will certainly come,” Jehovah of armies has said.

As per prophecy this sneak inspection as a "thief in the night" has already caught most Jehovah's witnesses in an organizational nap, dreaming JW "purdy" formalisms that don't fool God. Yet we fully understand the deceitful and subversive nature of the current Org infiltration and the current fraud GB playing neo-papacy, complete
with disfellowshipping "elder" "Inquisition" as GB idol "cult masters of trust" and sycophancy as they use the trust of Jehovah's witnesses to further their own globalist agency ends, with as little hint as possible, full "sheep" veneer to their true "wolf" intentions.

(Malachi 3:2) “But who will be putting up with the day of his coming, and who will be the one standing when he appears? For he will be like the fire of a refiner and like the lye of laundermen.

After the "befouled garments" come off of Joshua by angelic action, a refinement in the scope and depth of the truth of prophecy in "final fulfillment mode" will be commenced in a massive "new lightning storm" fashion over all JWs who survived the idol smash fest of the "GB", "Slave" and "Org" mental images. These idols were constructed by the globalist GB as competing "objects of worship" all under their own smug lordship, as per 2 Thessalonians 2:3-9. Once the GB fraud rats are off the "ship" permanently, this final refinement will complete:

(Malachi 3:3) And he must sit as a refiner and cleanser of silver and must cleanse the sons of Levi; and he must clarify them like gold and like silver, and they will certainly become to Jehovah people presenting a gift offering in righteousness.

Though many witnesses think organizationally they already are "gratifying to Jehovah", that is not the case community wide, and this state will be met when all this "befouled garment" garbage is cleared from the org finally opening the way for the final fulfillment mode full understanding to follow this trigger event described above:

(Malachi 3:4) And the gift offering of Judah and of Jerusalem will actually be gratifying to Jehovah, as in the days of long ago and as in the years of antiquity.

Strategic Secrecy and Scandal Exposure Timing

Then we have the overall timing as well of a well penetrated actual stealth sin mode, unbeknownst to Jehovah's witnesses at large, doing secret spiritual damage from the Henschel fraud era GB override onward since 1991. That was having an actual effect, with no visible signs as to the actual adultery and brainwashing promotions that were actually being sanctioned and engaged in by the master cabal in the GB guiding this. The trends had no real time to develop, though signs were present of JW expansion decline. The sin was in fact affecting things.

Secret Sin Damage

By the time this handy news was released, a huge spiritual damage was already done, the org was actually already in deep gross sin, with now clearly seen purposeful planning. Add to that scandalous cover up, plain and accidental lies, and more denial, the sin became willful and purposeful, even the excuses were contrived and meaningless. The anointed body had also been violated with no one's permission but a few globalists and sycophants in the GB and corporate feelers to the UN mind brothel. This sin is heavy heavy duty.

911 Catatonia and Silencing Inquisition

This "late breaking news" was then handily positioned with the natural terror and mental trauma of 911. It would take a few years for Jehovah's witnesses in general to logically assess the sheer magnitude of what really happened - the true enormity of this criminal set of actions. By this time the GB rolled out all the scandal numbing heroin fictions that were soon protected by a modern day Inquisition of rabid GB worshiping "Jesuit" elders who simply still live in plain denial of the gravity of this sin, totally uncomfortable and incapable of handling the average citizen or JW basic bewilderment, the fact that at the heart, this is very real. The UN armored apostate, or suspected "apostate" is even harder to handle, so the elders crucify or disfellowship who they can, and run with ears plugged from who they cannot. Like duped puppets that whole body is also dragged into this thick sin quicksand - they are sunk.

Cancer Has Spread

Well one year turned into another, now the Jehovah's witnesses are 20 years into deep organizational sins, Gehenna level infractions in themselves, being denied without so much as one peep of remorse or apology, 5 million people stumbled, and the mute self-righteous acting GB still "glows in the dark" to the average duped JW, the elders form a GB cult virus protection service, and the JW ship is now fully sunk spiritually, Jehovah and Christ are now shepherding the sheep by aid of still spiritually minded, but non-anointed "other sheep". You well know you don't have to be Sherlock Holmes to see these "other sheep" have seen anomalies from these GB zombies over the years.

Maybe it is time to speak up eh?

Trend Finally Recognized

The point is no one was going to assess this complex and nasty situation immediately, it took another 10 years for a noticeable trend to be identified, and traced back to the root of the viral infection, and all paths go back to Milton Henschel and the "globalist boys" system override of the 1991-1992 GB, as Fred Franz could no longer control these 8th King vampire agents, and the rest of the place fell like dominoes, they simply cannot and will not believe it; (2Thess2:3-9)

The 911 timing was also strategically perfect to slip this in deeper in the fog of a global traumatic event, file it with Waco now. The rest has added up to the saddest chapter in the Jehovah's witness annals. But, looks like Jehovah has a meeting scheduled with the rats on the ship in due prophetic time. They will never see the light of day again anyways, in this unrepentant or plainly evil state from the getgo, but some will meet God apparently as per Zech3:4 possibility of strange events accompanying the final manifestation of this cabal prior to full neutralization and exposure.

The never can really stop the final "two witnesses" full awareness of final fulfillment mode in kingdom and temple completion. Ultimately they can push daisies though, they will be part of Jehovah's purpose one way, or the other, in time they will expire fully.

**JW Formalisms and Visuals Aided Infiltrators: Blind Jehovah's Witnesses Suckered by Visual "Spirituality"**

Well it must fulfill prophecy, but there were also plain entry weak points in Jehovah's witnesses.

Maybe one of the strongest weaknesses in Jehovah's witnesses that allowed an infiltration to this degree is undue and overly coached faith in visuals, rituals and formalisms as the basis of the Jehovah's witnesses spiritual "eyesight" and "depth". Many witnesses, but not all, but many, are simply fooled by visuals, they believe they...
can "see" spirituality, it has to be the pretty JW picture or it is rejected with no investigation whatsoever. Any pretty picture is also accepted in the same manner.

Unfortunately for some, JW Org materialistic visual based pride is based on sham wardrobe and prop trust, and other external formalistic cues. Some Jehovah's witnesses are also easily quantifiable by "spiritual" cues such as hours and years preaching, position and other ego drivers, all of which are just that, external signs of a spirituality that may simply not exist. This is all now simply "spiritual vanity".

If it "looks spiritual", some Jehovah's witnesses eat it up without thinking twice, certainly these do not have the depth of true biblical spiritual discernment to actually even test their own apostles as per Revelation 2:2. If it looks like the GB picture, it MUST be anointed. After 20 years of this spiritual lobotomy development an intense recovery effort will be needed to pick up what is left after the globalist and Jehovah are done thrashing the JW Org idol system.

Globalist Agents: No Prob Just Look the Part

In the meantime, any good infiltration agent can simply blend into the JWs, because Jehovah's witnesses automatically spurn the scruffy "spiritually weak" for lack of fine wardrobes and quantities of hours and other ritualistic cues, but will accept a globalist or CIA agent as long as he looks like an "anchor man", possesses a "silver tongue" with many JW rehearsed buzzwords and branding phrases, and is willing to fake it about 20 hours a week, with all the handy JW props. If you have those eyeball qualifications, Welcome "Brother"! Those things are required to be an "elder", the elders use the same criteria, not the bible go figure after 20 years of this GB corna.

The JW Org entry point weakness is obvious, the spiritual diffusion weakening, for 20 years, aids this development to terminal proportions - poor discernment results, visuals and impressions guide the course.

In other words, to a great degree even Jehovah's witnesses' "management" is superficially impressionable, and have been denuded of real spiritual depth, and by that, "love" has been diminished to ONLY the "spiritually strong", in an elder body that is pretty much cut to order in the image of the fraud GB of smug pride, denial and presumption, currently influencing all these developments for 20 solid years. In other words Jehovah's witnesses own pride and unspiritual attention to visual impressions and materialisms aided the infiltration attackers subterfuge greatly - it's easy to fake spirituality as far as many Jehovah's witnesses are concerned - they think they are already there, and so are you if you look like you are already there too.

But in bitter reality, JWs should expect a heaven AND globalist sent truck load of "humble pie" soon.

Many elders are merely "infallible" proud judges in a modern day Inquisition as per "man of lawlessness" leadings. The elder body is trained to be biblically too shallow to even take on the basic apostate arguments, and they are trained to run like cowards from apostates as a fraud GB "rule of engagement": high tail it, or scurry off with your tail between your legs, per GB orders, certainly NOT the bible's command. The less evidence examined by anyone, the better, and the longer these GB snatcher creeps can run the place like this.

Though God does not judge by outward appearances, many Jehovah's witnesses judge ONLY by the thing seen, heard and counted. Most importantly it has to look the part, and add up to the proper magnitude of "hours" to be accepted, everything else is denied in high tailin' ostrich fashion. Many Jehovah's witnesses have become modern anti-typical "Christendom" in their own time, thus the GB "man of lawlessness" fits in just fine. The fraud GB and agents know exactly what the JWs are looking for, a "spiritual appearing" veneer, and boy do they have one.

So, globalist sinner agents in the GB have been accepted, in spite of a pile of obvious massive sins for 20 years, hiding behind a visual veneer many of Jehovah's people have now become worshipers of in trust and faith in visuals and imperfect "bodies" of sinners (like the GB itself), from the top down - no real spiritual discernment exists, the whole organization has been duped.

Eye Ball Christians

Though Christ said judge with righteous judgment, not according to outward appearances; (John7:24) many Jehovah's witnesses do the exact opposite by habit and therefore render unrighteous judgments based on visual appearances regularly, for years, and thereby coddled and nurtured, supported and fed professional spies in their midst who looked like the model contrived JW. This aided organization wide globalist operatives fully trained in the exact visual and behavioral techniques to fool the Jehovah's witnesses and enter positions of authority, great authority, just look at the real GB - an act of demons. Merely look the part, talk the talk, and have hours to count - few, if any, are going to test you with the Word of God. Many Jehovah's witnesses have been trained to trust their own prettiness and infallible body; (Ezek16)

Don't worry about any real bible discussion and testing there globalist agents, many JWs are satisfied with Watchtower diffused and mixed vegetables ad infinitum that subconsciously have been leading them away from the bible study routine and true spiritual discernment, reinforced by pretty pictures and Brooklyn models. This too, has slowly dumbed-down some Jehovah's witnesses to not be able to defend their own beliefs from the bible as well. After 20 years of this purposeful GB "JW dumb-down directive", many many JWs are virtually brain dead and spiritually dead as well in as many who behave in this way, not all, but some. A clean-out and refinement is sorely needed.

So, that is why it was easy for silver tongue globalist agents of doom, to enter and flourish in Jehovah's witnesses, many simply do not have the full depth of spirituality developed, in lieu of pretty pictures, uniforms, rigid formalisms, many visuals, and rituals that they consider "spiritually strong", no questions asked - love is secondary or tertiary to Jehovah's witnesses, "hours" is "love". If your a demon, but you pioneer, come on over for dinner! Nice black suit! Jehovah's witnesses have been fooled, under the veneers of our own trust, as deep as our own love. Reality will soon arrive upon Jehovah's witnesses worldwide.

Org Idols Look Just Fine

Allowing over emphasis, in a subtle 20 years, on the neo-papacy "GB", "Slave" and "Org" of course goes hand in hand with this visual and formalistic development addiction. Everything "looks" ok. Everything has to look "ok" in fact. Everything simply fools the average JW if it looks the part. No one is anointed if they don't look "anointed". Only smug globalists, and nicely teethed and grinning urbanite corporate uniformed GB "models" in plenty of pictures with library shelf backgrounds can be the ever idolized demon GB who NEVER actually study the bible. That looks anointed to many JWs.

The "Slave gives us this, that, and the other thing" can now steal sanctification half the time, from what ONLY Jehovah gives through Christ, and many mooing JWs eat it up like a chocolate "Golden Calf", the ear tickling "Sacred Cow" talk for public consumption of the fraud GB reign of 20 years of the globalist installed spiritual JW "McDonald's".

Jehovah's witnesses will now be eating a big WHOLE humble pie for dessert, and a loud awakening slap in the face of the real reality that we are in as per the prophecy of Zechariah 3 final fulfillment modal activation soon.
Extenuating Circumstances

Jehovah realizes a demon guided subtle killer "shepherd" infiltration is more to blame for these negative developments than the average Jehovah's witness, as well as Adamic imperfection, and He of course can turn this big curse into the master checkmate blessing to kick off the final "two witnesses" awareness worldwide among ALL Jehovah's people from this sinister intentioned set of fraud GB developments that have now infected the whole "spirit" of the organization.

Jehovah CANNOT allow this trajectory to hell to go on another 10 years, plain and simple, Jehovah has to take back the ministry, and do some retraining.

Jehovah also knows fully that a counsel under Christ of 144000 in immortal Kingdom and Priesthood is the ONLY replacement that is valid and approved in God's eyes, as "Adam" must be removed entirely from all of mankind anyways. The current entire fleshly organization must pass away anyways in due time, as the 144000 completes. Jehovah knows He is not transitioning Jehovah's witnesses for more imperfect human guidance, as we see any of it under proper circumstances can develop evil, but Jehovah is transitioning to a perfect world rulership, and He will destroy the self-righteous self-exalted globalist war and money worshiping predators - He will hand many of them to Satan himself, who has no real future plans for them anyways, other than destruction for these also duped puppets of his who think they will be world rulers with 8th King Oz - but in fact Satan well knows they will be exterminated at Armageddon, and that is where he leads them all.

The rest will be exterminated there by the Kingdom of God special forces, no matter where they may try to flee and hide; (Jn9:1-3)

Therefore Jehovah's priority is the final witnessing and final warning of the second and final "two witnesses" global campaign in the 1260 day period preceding the completion of the Kingdom and Temple 144000 in full power under Jesus Christ by Jehovah God Almighty's indomitable eternal power and ALL rivals will be toast and dog food shortly. Hence, the final global Sovereign ultimatum and Final warning of Jehovah God through Jesus christ and their Jehovah's witnesses.

Jehovah will NOT abandon his people.

(Zechariah 36:22-23) 22 “Therefore say to the house of Israel, ‘This is what the Sovereign Lord Jehovah has said: ‘Not for your sakes am I doing it, O house of Israel, but for my holy name, which you have profaned among the nations where you have come in.’”’ 23 ‘And I shall certainly sanctify my great name, which was being profaned among the nations, which you profaned in the midst of them; and the nations will have to know that I am Jehovah,’ is the utterance of the Sovereign Lord Jehovah, ‘when I am sanctified among you before their eyes.

"'Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?'" - Zechariah 3:2

Well Jehovah does NOT buy the current JW "pretty picture"; (Eze16:15, 27), and all Jehovah's witnesses are in for a prophetically guaranteed global shock soon (before great tribulation), when all this comes to fruition in the activation of this Zechariah 3 sequence in final fulfillment. Yet Jehovah will save the worshipers of Jehovah, for the final ministry of the final fulfillment of Revelation 10 and 11, and Daniel 12 worldwide as the bringers of the Sovereign Ultimatum of Jehovah and Christ to a world that will soon meet God and Christ and 20 billion angels personally to settle all this forever and ever to their face; (Deut7:9-10)

This final fulfillment mode will have to manifest itself in this initial prophetic "trigger event", then Jehovah's witnesses will come to more advanced knowledge of this entire truth of the final fulfillments of Zechariah, Daniel, Revelation and every prophecy pertaining to the finality of the Kingdom and Temple of God COMPLETION FINALE, it is the end of the world that this is leading to a marked continuum, and this commencement segway will begin a world trek that CANNOT ever be reversed - and will be fully laid out beforehand by God, to the whole world and where this all will soon lead - the end.

After this the "King of the North" doomed globalist world order will be fully, globally identified. The globalist "King of the North" relation to the "reports" and Revelation 10 "little scroll" of the final, second "two witnesses" will become known to all remaining Jehovah's witnesses on planet earth to carry forth to the end and great deliverance of the "great crowd", under the completed and blazing 144000 Kingdom of God body under Christ, in the face of all the world then remaining, directed by Jehovah and Jesus Christ for full global and universal vengeance finale of Revelation 11:15-19 and Daniel 2:31-44, Rev10:7, and 16:17 finality.

Bible Truth is the Key to Real Vision

Jehovah's witnesses who have personally been engrossed in bible study and developing a great appreciation of the former divine prophetic patterns will see, for example, that Zechariah 3-4 has already had 3 related former fulfillments in 518-520 BCE, in Christ's time, and in the period leading to and through 1914.

OF COURSE THEN, THE GREATEST TEMPLE COMPLETION PHASE OF ALL TIME WILL ALSO BE A FULFILLMENT OF THIS GREAT BIBLE PROPHECY AND PATTERN!!!

Jehovah's witnesses who understand that the former patterns are guides so as to know the future major pattern when it begins to manifest real-time and live in their lives, such as NOW, with Zechariah 3:1 and the "man of lawlessness" entity that must be revealed in the modern "Temple of the God" Jehovah. The modern bible patterns beginning to activate in this great final fulfillment of Malachi and Zechariah 3's final sequence to temple completion of the 144000 under Christ will follow a similar sequence of events and principles found undeniably founded in the former patterns already fulfilled.

This is why this analysis in principle is true and guided by bible insight, not by personal imaginings. This modern real-time revelation of the "son of destruction" sequence of 2Thessalians 2:3-9 in tangent with Zechariah 3:1-4 MUST precede the great final prophetic cycles of Daniel and Revelation finale as this already occurred in the 1914 era fulfillment in minor form, to build faith in the certainty of the great final fulfillment completing sequence of the sanctification of God's name, through the Messianic Kingdom and Temple as per prophecy and full warning and invitation given to all mankind; (2Pet1:19-21)

This is why shallow bible rooted Jehovah's witnesses will be at the mercy of greatest visual credibility, rather than trusting bible insight, and this is why Jehovah's witnesses need to STUDY the bible, not just read it, especially the main prophetic themes and frameworks; (1Tim4:15)

If a Jehovah's witness does not have his "faith in Jehovah and Christ" seatbelt on, worshiping Jehovah God ALONE, in the chariot of Jehovah about to go full blown "pedal to the metal", he will be swept overboard shortly, from top, to bottom with the "GB", "Slave" and "Org" idols and idol worshipers and the globalist spies and infiltrator engineers of the "man of lawlessness" in the near future events.

Good bye fraud GB, and good riddance, you have a divine expiration date on your head.

Jehovah's Witnesses Worldwide Organization: Requirements for Infiltration and It's Reverse Engineered Objectives

I am not writing this analysis to encourage Jehovah's witnesses to leave the organization and Jehovah and Christ's final ministry to temple completion; I am not saying we Jehovah's witnesses do not have the truth from God through the bible; In fact the very presence of divine truth is why these diatetic developments I am describing are taking place, fulfilling prophecy real-time and are being explained by a Jehovah's witness;

Many have been stumbled out of the official ministry by not perceiving the stumbling effects, blatant hypocrisy, "wormwood" injected erred policies and smug self-exaltation of the Governing Body is due to a "lawless" "mystery" (2Thess2:7) destined for exposure;

And this is foretold to have to develop right from within the "temple of the God" prior the great temple completion final fulfillment mode cycle to Armageddon; (Zech3:1-3)

Had these who were stumbled (Dan1:32-35; 11:41) known this was developing in Jehovah's Witnesses worldwide organization subtly and Biblically identified "mysteriously" as per guaranteed prophecy they could have remained, for the answer was not a systemic corruption, but a factional one with a terminal danger that will be removed soon for the real final temple cycle; (Rev8:2-5; Zech3:4-7; Rev8:10-11;)

These facts the non-anointed anti-christ Governing Body will not ever divulge, as they are destined for divine destruction soon, well before Armageddon; (Isa66:6; Dan8:11-14; Zech3:4-7; Hos1:4-7); And God gives them all fair warning and advanced notice; (Eze3:17-21; Gen7:4; Matt24:14)

I am telling Jehovah's witnesses to expect a massive final temple judgment and Biblical replication of major final prophetic fulfillment activating at any time after the exposure of the "man of lawlessness" publicly "in the temple of the God";

This Governing Body and company are the main element that MUST be purged in the coming Temple Judgment and Cleansing of Daniel 8:11-14, parallelizing Zechariah 3 Priesthood cleansing, and Revelation 8:2-5 final fulfillment mode Jehovah's witnesses' "earth" cleansing;

This cleansing will prepare Jehovah's witnesses spiritually and in actual new enlightenment for the final world ministry of Jehovah God and Christ, for Kingdom and Temple completion that will follow this initial judgement of the near future in the exact repeat prophetic sequence of 1914-1922, that is activating now with the Governing Body lifting themselves up over everyone publicly proclaimed officially by this "body" of spiritual perversion and pretense;

And that is just the beginning of what this "body" is actually up to;
This Infiltration Needed Years of Preparation

1. The Jehovah's Witnesses worldwide organization infiltration's most challenging and necessary requirement would be placing operatives to build years of full-time service in their personal record from many years ago; (Dan11:30-35)

A. The key weakness is already present in Jehovah's Witnesses' over emphasis on spiritual qualifications based on works and uniform visuals rather than actual spirituality and Biblical discernment to detect frauds; (Rev2:2; John7:24)

B. Internal agents would have to be placed years in advance of key operations manifesting even in the 1976 power-grasp to the present time wildbeast related activities of 1991-2012;

2. The visually dominant attention to appearances and superficial presentation of being a "Jehovah's witness" would not be as difficult to achieve for fraud operatives but would require consistent good acting and trained methodology;

3. All expected displayed behavior, wardrobe, expressions of belief and various verbal syntax "pure language" was easily available information provided in the Jehovah's Witnesses open nature and publications of the Christian requirements outlined voluminously for the Jehovah's Witnesses ministry;

A. Anyone determined can present this "model" without actually being Christian; (Jude4; 2Pet2:1-3)

4. Infiltrators could conceivably apply all these visual and verbal components for an internal operation in advance of full manifestations and could avoid detection for years, and place keymen to accommodate further placement over the years,

5. This could be reinforced in time by developing policy of infallibility above any suspicion subject to disciplinary action if one should accuse the "Governing Body", for example, of sin and apostasy, thus further aiding the "lawless" operation's continuation;

A. This is aided by the idolatry of a human "body" in this whole developmental history;

6. An infiltration would have to be administered progressively 30 or 40 years or more prior to the "lawless" manifestations beginning to present themselves in hindsight through the Governing Body in the mid 1970s;

7. The actions of the Governing Body of 1976 to 1981 are the key first manifestation of the "man of lawlessness" existing in that body;

A. "Inquisition" is a key feature of the typical "man of lawlessness" in human history as he has developed in principle before; Expect more of the same traits and actions undercover of a righteous veneer; (Matt7:15-20);

Therefore a historic and present infiltration of Jehovah’s Witnesses for internal compromise, subversion and misleading is entirely possible and is prophetic as well in the temple completion cycle, as it was in the temple foundation times of the 1914 period;

The Grand Illusion

Installing a "Steering Wheel" in The Jehovah's Witnesses Worldwide Organization

1. To fully infiltrate Jehovah's witnesses to the next levels of influence, an internal source of organizational control would have to be developed, working through an individual, or through an authoritative group;

2. The previous oversight of the Jehovah's Witnesses organization by spiritually strong and loyal organizers and or visionaries in Charles Russell, Joseph Rutherford, Nathan Knorr and Fred Franz made a covert takeover based on a sole individual impossible in this spiritually strong early period;

3. Hence the idea of a "Governing Body" to effect control was the only recourse at this time of a successful guiding infiltration of the whole Jehovah's Witnesses organization;

4. Potential operatives could be placed throughout the organization in anticipation of developing this intrigue of leveraging this group - then seizing power through it - then exercising planned lawlessness over the years; (2Pet2:1-3)

5. This would allow a multi-member "body" to place "lawless" members within it, with remote control progressively over time, while avoiding detection, and provide a more diverse controlling strategy to effect development of a majority of imposter members progressively, and present policies of subversion through this increasingly powerful covert control even before that majority was achieved;

Project Credibility by Association

1. Now that a visionary prophetic theme was already well founded by 1950 in Jehovah's Witnesses by the likes of the continuum of the individual visionary works and guidance of Charles Russell, Joseph Rutherford and Fred Franz working in harmony, a suitable body of work of real credibility was available for implied association;

2. The convenient anonymity of the spiritual works of prophetic insight from Fred Franz and others' time forward, allowed an entry point under that "organizational" identity by simple generic association with others, as a generic group, within this spiritual developmental implied context associated with the "organization", the "faithful and discreet slave" and the "governing body" all as virtually the same authority;

A. This had to be developed, this was NOT always the case in Jehovah's Witnesses as an organization led by strong spiritual individuals from incept;

That is the key illusion;

Those are also the key "organizational" idolatries, "org"; "slave"; and "governing body" that also developed by this situation as it grew subtly over time;

3. The "Governing Body" did not produce the central foundation of Jehovah's Witnesses prophetic framework. Chosen and guided individuals developed that work, aided by God through Christ. (2Pet1:19-21);
That is a KEY to this impostership "Governing Body's" success, it is all illusional;

4. These massive Biblical developmental insights that only God could have provided through Christ, to this degree in this short a time period provided all the assumable "credibility" a future formative "man of lawlessness" "body" of "transformed super-fine apostles" could ask for;

5. All the imposters had to do was slide in subtly and take credit by association over the years with the real anointed visionaries, and maintain control once it went into their hands of the "governing body" illusion that they are the impetus of spiritual landmark development - the truth is, they are not; (2Cor11:13-15; 2Thess2:3-12; Zech3:1,3; Jude4)

6. In time, that "association" would become second nature; as if all these members of the collective "Governing Body" were all little Taze Russells and Fred Franzs running around. But, they are NOT, and their lack of insight and insightless dated publications proves it for 20 solid years, and 20 years of also deep UN and idolatrous sins founded instead;

They are subtly developed to monstrous proportions, ring kissed idol celebrity pretenders and WTBTS cash cow bean counters and worse; (Eze7:22)

7. The Governing Body would have to skillfully maintain the presentation of itself as the visionary and prophetic developers of the works of Charles Russell, Joseph Rutherford, and Fred Franz who were the actual God employed central visionary developers of the core prophetic theming of the Jehovah's Witnesses, not this rogue pretender group;

8. The Governing Body would have to accomplish this regularly while protecting itself from investigation, Biblical based inspection, censure and exposé and conclusive detection of the actual objectives of this well engineered lawless infiltration used to progressively cripple the Jehovah's Witnesses ministry, place it into compounding gross sins and attempt to destroy it in time;

The Black Hole of the Modern Governing Body

1. The Governing Bodies, since Fred Franz died, have not developed any new insight (in fact, just the opposite) in 20 years of darkness, and have presented a meager few "new" prophetic commentary books - while programming Jehovah's witnesses to follow the Pied Piper Governing Body like lemmings; (Zech11)

2. But these latest "offerings" are all from the editing and reshuffling wordsmithing of the former works of Fred Franz developed research, manuscripts and writings which are presented as the work of this current masquerade cabal, or are thinly topical simplified commentaries with regular errors in insight;

3. This is accomplished "by the Governing Body" while being aided by a staff of non-anointed writing and research "aids", presenting the illusion that all this dated "fresh food" "spirituality" is "produced" by them;

A. It's all recycled plagiarism;

4. But this intended effect of "awe" and "water walking" is all illusory deceptions by mere association injected under the former anonymity of truly anointed visionaries aided by Christ in their times past, whose work all this actually is, in Governing Body Frankensteined "works" of constant recycling and reworded minutia to appear "productive", "busy" and "believable";

A. It is all actually stalling stagnation of a spiritually dead "governing carcass", and many are smelling what they are actually up to, while "Israel" remains blind as per prophecy;

5. The truth is no "new light" of any prophetic significance has been offered by this masquerade group in 20 years; A projection upon themselves of the work of others, is the central illusion of this group;

A. All globalist watershed developments of the last 20 years have not even been mentioned by the "Governing Cadaver";

6. This Governing Body has to continue the authoritative mythology and associative illusion that they are Russell, Rutherford and Franz caliber actual anointed Christians, while doing nothing more than recycling the previous body of work, looking the part, and continuing the blaspemrous plagiarist claims before a duped Jehovah's Witnesses flock who are in fact led into a massive idolatry and sins aided by this illusion;

Summary of a Successful Lawless Infiltration

1. Much other evidence, of a more serious nature, supports the actual lawlessness at work in the "Governing Body", since that group usurped the authority of Nathan Knorr and Fred Franz, in corporate power play intrigues culminating in this 1976 version "body" of lopsided spiritual megalomaniacs progressively gaining control on no actual work of their own;

A. That is why they need "helpers" to even produce this overly simplified and watered down half-ration diet of today's Jehovah's Witnesses;

B. Jehovah's witnesses have been lulled into a door to door coma of Biblical "depth" only enough to reason with new-born sheep - but not deep enough to recognize the great temple prophetic replication even though it is activating in front of the Jehovah's Witnesses face;

C. Today it is hard to reason with deep prophecy with Jehovah's witnesses, they have been prophetically denuded, progressively dumbed-down and Biblically hoodwinked by lawless men;

2. This overlapping body of members, with questionable actual righteousness and no extra real authority, continue the illusion that the Governing Body always has led the Jehovah's Witnesses;

A. A lie, and they know it is untrue;

3. But in reality the works of three individuals are who were used by God to develop the central theme and prophetic foundational truth of Jehovah's Witnesses in Charles Russell, further developed by Joseph Rutherford, and highly refined and harmonized by over 50 years of the oversight of Fred Franz;

A. The "Governing Body" are illegitimate apostate frauds;
4. This Governing Body is a charade taking credit for work they are not responsible for, but are merely mimics and recyclers continuing this blasphemy live and real-time leading to judgment soon, and their removal by God; (Daniel 8:11-14; Zech3:4; 2Thess2:3-12)

5. And this “Governing Body” JW Pied Pipership is preparing for the “coup de grace” events on the worldwide organization of Jehovah’s Witnesses as this culminates soon;

Expect a lead-in to a 2014 decoy temple series courtesy the “man of lawlessness”;

Governing Body of Treason

Setting the stage for the Judgement of Jehovah and Christ of Jehovah's Witnesses, Bethel and the Governing Body; (Daniel 8:11-14; Zech3; Rev8:2-5)

The Main "Man of Lawlessness" Objective in the United Nations "Disgusting Thing" Transgressions, Global Reproaches and Mass Stumblings

1. This covert preparatory control of that "governing" "body" effected by 1976 is what led within 15 years to the full manifestation of the secondary objectives of this infiltration's adulterous relations with the United Nations idol.

2. This actual objective of serious transgression fulfilling prophecy was to successfully "marry" the Jehovah's Witnesses (JW) worldwide organization; (Hos2:5), "befoul" the anointed identity (Zech3:3) and profane the sacrificial offering "constant feature" in verbal and written form (Dan11:31a) by the "disgusting thing" full UN historic associations to the WTBTS and it's "Government Body";

3. This was begun in 1991 officially public (albeit covert at that time) in Awake! magazine September 8, 1991 United Nations "New World Order" proclamation issue, which publicly fulfilled Daniel 11:27 in the Governing Body (GB) participation in the "they" below in the 3rd "placement" of the UN "disgusting thing";

(Daniel 11:31b and they (Globalists and GB) will actually profane the sanctuary (anointed identity; Zech3:1-3), the fortress (JW Organization; Daniel 8:11-14), and remove the constant [feature] (by polluted sacrifices; so far).”

“And they (Globalists and GB) will certainly put in place the (3rd stand United Nations NWO after Cold WW3) disgusting thing that is causing desolation. (in the world and at Bethel providing the "transgression causing desolation" of Daniel 8:11-14)

Prophetic Cover Up of Live Prophecy

(All searchable on the Watchtower Library CD for term "new world order" found 79 times in Watchtower and Awake! between 1991 and 2001.)

Allegiance with Wildbeast Objectives of the Disgusting Thing Modern Revelation

1. This activity for 10 covert years commencing in 1991 joined George Bush Sr. in proclaiming this UN "disgusting thing" entity's "placement" in world presentation after the Cold War in 1990-1991;

A. Not Nazi Germany as is fraudulently claimed still; (Which affects Daniel 8:11-14 as well)

2. This was a highly prophetically significant 3rd manifestation of the "disgusting thing" since post WW1’s League of Nations in 1919, post WW2's United Nations in 1945, as this post Cold WW3's United Nations in "New World Order” mode objective in 1990;

3. This gives us the clue to the 4th placement of the "disgusting thing" of Daniel 8:23-25 and Daniel 11:44-45 in the future, which this Governing Body cabal is attempting to conceal;

Continued Official Cover Up

1. Subsequently the infiltrated and controlled Governing Body continued to work globalist 8th King objectives by issuing an edited version of Fred Franz's work in the Daniel prophecy commentary book "Your Will Be Done" as "Pay Attention to Daniel's Prophecy" in 1999; (Though nothing of the actual fulfillments was noted)

2. This was in order to continue to mislead and apply now blatantly erred interpretations of the USSR and Nazi Germany to the "King of the North" which could not fulfill the incept application of Daniel 11:30-31 or 11:36 to those failed national and national bloc entities;

3. In fact it is the globalist Two-Horned-Wildbeast and Scarlet Wildbeast powers that make up the King of the North from Daniel 11:27 “until the denunciation will have come to a finish” (Dan11:36) by Daniel 11:45;

A. The Governing Body bypasses all of this;

4. To further the cover-up of what is really going on in the established place of the sanctuary the Governing Body then continued to apply the erred application of Nazi Germany's failure to the transgression record of Daniel 8:11-14;

5. They did this while editing out portions of Daniel 8:11-25 to further isolate contradictory evidence out of Jehovah's witnesses notice;

The Bible is what exposes the Governing Body as lawless globalist partisan 8th King agency because it is time soon, for this initial judgment to begin "with the house of God"; (1Pet4:17 is Daniel 8:11-14);
Governing Body Fulfills Prophecy

Both those Daniel 8 and 11 prophecies actually apply to the globalist King North (King of Fierce Countenance) world power system in development; (Dan8:11-25 parallels Dan11:30-45), in league with the Governing Body "man of lawlessness" placing the "disgusting thing" in the world scene from their respective "governmental" authorities in 1990 and 1991 which is the "transgression causing desolation" and the general "transgression" and "profanation" of Daniel 8:11-14 and Daniel 11:30-31;

The Governing Body do this globalist operation while covering up the actual live meanings of Daniel's actual fulfillment in 1990-1991 in regard to the infiltration leading to the "disgusting thing" of Daniel 11:30-31, and the temple judgment that transgression will require soon in Daniel 8:11-14;

Conclusive Sinful Synergy: Four Striking Coincidental Developments

A. This mega-development of monumental Biblical significance was all timed with the rather convenient removal of Fred Franz's "restraint" against this kind of blatant Governing Body treason in relation to the "holy covenant" and the Kingdom of God and Christ; (2Thess2:7)

B. That creates 4 red-flag signal anomalies explained only one way now in:

1. Prophetic fulfillment covered up in time with key globalist King North live and real-time developments;

2. Along with the Governing Body official "bed" relations and "escort" work for the United Nations "wildbeast" interests;

3. All perfectly timed with the incapacitation and death of Fred Franz, and the rise of globalist imposter Milton Henschel and company;

4. All self-exposed "world news" in perfect timing with the next globalist development in 2001 in the Global War on Terror after the 911 World Trade Center attack;

C. All this occurred in general timing as these blatant distractions from real-time prophecy and spiritual adulteries were carried out by the lead infiltrator Milton Henschel's group's coup of authority to this traitorous manifestation of this Governing Body based globalist UN serving cabal;

Furthering Debacle of Scandal

1. The "UN library access" excuses were then proclaimed as this news went global to continue the hoodwink over Jehovah's Witnesses in general, while creating an air of utter hypocrisy and scandal to anyone researching this escapade with impartiality;

2. The Governing Body continued proclaiming the UN "New World Order", promoted United Nations organizations, UN published books, and UN joint globalist activities worldwide for 10 covert years of overt advertising journalism;

Complete Sexual Compromise; Spiritual and Literal

1. The pedophile scandal news broke at the same period of time "coincidentally";

Too Much! All Coincidental?

1. There is simply too much coincidental and synergistic developments that occurred within this small time frame to full manifestation of undeniable "lawlessness", with two perfectly timed Governing Body administered 8th King globalist supporting developments, to simply be a "random" "coincidental" development;

2. There is also too much preparatory development that must have been in place to facilitate this spiritual coup;

3. The ramifications of this core development manifesting in 1991 continue to spread and compound into new realms of heavy and perpetually expanding sins of idolatry, disloyalty, deceit, reproach and massive stumbling bloodguilt;

Jehovah's Witnesses have an internal infiltration, decades old, that has infiltrated the entire worldwide organization of Jehovah's Witnesses for further damaging activities: This is just the tip of the "man of lawlessness" iceberg;

Man of Lawlessness Revelation and Final Temple Judgment Prophecy Converge as Biblical Signal Activates Live and Real-Time!

The whole Governing Body lawless operation fulfilled prophecy and continues to do so as the brazen yet subtle "man of lawlessness" Governing Body is fully exposed by their own actions in light of live Bible prophecy fulfilling;

This also creates a key signal synergy of the "revealing of the man of lawlessness", "in the temple of the God" as the Governing Body also "lifts themselves up over everybody" publicly proclaiming themselves the affirmed, one and only, "Faithful and Discreet Slave" officially from their website on November 9, 2012;

Governing Body Backs Temple Decoy Development

This will lead to the next development of the actual temple judgment, as the Governing Body continues now to create a premature "GT hou" and decoy "temple prophetic" series to bolster the grand illusion, and to position Jehovah's Witnesses for the final "coup de grace" globalist event that will again, for the third time, coincide with a major 8th King globalist world event series soon;

The Final Dangerous Developments and Betrayal

The Son of Destruction
From the character from which that name is derived in Judas Iscariot as a murderous traitor and betrayer from within the intimate group of God's Son, we have the final manifestation that the modern Governing Body man of lawlessness is destined to become as the composite lawless one of 2 Thessalonians 2:3-12 in the near future, as this initial revelation of this "body" is revealing by evidence, and self revelation of the Lawless Governing Body themselves;

(2 Thessalonians 2:3-12) Let no one seduce you in any manner (especially the Governing Body), because it (The initial final Temple Judgment and what it leads to) will not come unless the (Jehovah's witnesses based) apostasy comes first and the man of lawlessness (Governing Body cabal) gets revealed (as he is officially now self-revealing), (also) the son of destruction. (As these masterful deceivers and traitors betray the Jehovah's Witnesses to globalist initial intrigues parallel 1 Peter 4:17 and Daniel 8:11-14) 4 He (the Governing Body) is set in opposition (to the revelation of final truth and the good news "casting truth to the earth": (Dan8:12)) and lifts himself up over everyone who is called "god" (or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god. (As officially shown on 11/9/2012 in the Annual Meeting "Food at the Proper Time" lift up as sole "faithful and Discreet Slave" blasphemers;)

God will complete this revealing to the full, as the Governing Body become part of the final fulfillment mode; "great star burning as a lamp fell from heaven" during and after their expulsion and neutralization never to set foot in the "temple of the God" ever again; (Isa66:6)

(Revelation 8:10-11) And the third angel blew his trumpet. And a great star burning as a lamp fell from heaven (those leaving the "holy covenant" of Daniel 11:30-31 as the Governing Body progressive apostasy), and it fell upon a third of the rivers and upon the fountains of waters. (Profaned the "constant feature" and anointed temple; (Dan11:30-31)) 11 And the name of the star is called Wormwood (Governing Body lawlessness and injustice). And a third of the waters turned into wormwood, and many of the men died from the waters, because these had been made bitter. (From Governing Body leavened spiritual pollutions)

The Dangerous Very Real Relationship

The greatest danger and reality is that the globalist King of the North as a composite of the main Two-Horned-Wildbeast engineers (Rev13:11-15) and the 8th King "Scarlet Wildbeast" are actually directing the Governing Body with the Devil;

Both prophecies of final temple inspection indicate Satan's involvement in Zechariah 3:1 and 2Thess2:9; The Governing Body and globalist planners have been and are working together;

The Governing Body Knows the Next World Event and Timing

This means that the Governing Body knows what the next planned globalist world events are and their timing, and that this period must proceed to another world war development, through it, and to the final 4th placement of the "disgusting thing" as a "world peace and security" idol and an actual globalist world government;

The Governing Body knows this is not the final events the Jehovah's Witnesses are being led to believe;

This is why the Governing Body has attempted to truncate and cover up the 3rd placement of the United Nations in New World Order mode in 1990 as a significant prophetic event, by bypassing this event entirely, while they instead placed the United Nations in New World Order "Disgusting Thing" manifestation at Bethel and in WTBTS publications for 10 solid years of 666 services;

Governing Evil Shepherd Pied Pipers

This means the Governing Body can mold Jehovah's Witnesses prophetic expectations with deception as shown in part, to position Jehovah's witnesses and the worldwide organizational components for globalist advantage in the next world developments;

And this is exactly what the derailing of Jehovah's Witnesses prophetic reality and understanding has been accomplishing since the 1990 takeover;

This is also why the Governing Body has been grooming unquestioned trust and organizational obedience to themselves from the sheep, they want to lead them worldwide to planned incarcerations and exterminations as "Son of Destruction"; (Zech11)

2014 Approximation: Governing Body and Globalist Aided Symphonic Hoax Events

The Governing Body is aiding the globalist camp to create a massive "Great Tribulation" like hoax event on all Jehovah's witnesses worldwide, and will lead into that development with a decoy temple development aimed at prematurely developing the context of a "Great Tribulatory" event, that will in fact be a divine judgment of the actual Temple Judgment and subsequent cleansing period of Daniel 8:11-14;

We may rightly expect the globalists aiding the Governing Body deceptions and illusion with also a proclaimed "peace and security" to further fool the Jehovah's witnesses that this is indeed the end of the world;

Not What Jehovah's Witnesses are Being Misled into Believing

But in fact the globalist know this is the beginning of the approximate 10 year cycle to lead the world to World War 4, the absorption of Babylon the Great's global assets in that period and that religious sovereign destruction, and the preparation of all out 8th King world placement to fulfill Daniel 8:25 and Daniel 11:44-45 after World War 4 is resolved;

This is all prophetically revealed and deployed by the 8th King globalists for the very same "world peace" presentation stage as the three previous world wars also provided; to present a complete world government in whatever form and branding it may appear at that time in the future as the 4th "United Nations" and actual "Scarlet Wildbeast" full bodied "8th King" world power system worldwide;

Daniel 8:11-14 Temple Judgement is What is Coming (1Peter 4:17)

Jehovah's Witnesses, as per prophecy, are caught by surprise by this actuality, as opposed to their expectations, and this will delay the Jehovah's Witnesses understanding of this final period as per the "evening" portion of the Daniel 8:14 judgment period of a minimum 1150 days;

Wobble the Witnesses for 10 Years
The globalist objective is to destroy or permanently cripple the final world ministry of Jehovah's Witnesses as the prophetic cycle of Revelation 10-11 repeats in final fulfillment mode finality;

Jehovah's Witnesses Cleansed of Governing Body Liars

This Biblical prophetic truth is not being taught by this compromised and corrupt Governing Body, and will not be taught to Jehovah's Witnesses until that "man of lawlessness" is purged in this extremely traumatic actual temple judgment and cleansing cycle as the final temple completion cycle of all Biblical prophecy commences;

Zechariah 3, Daniel 8:11-14 and Revelation 8:2-5 will all parallel in this cleansing action to manifest while the Governing Body is internally aiding the destruction and betrayal of Jehovah's Witnesses worldwide, undercover as "ministers of righteousness" until they are angelically removed as per prophecy; (Zech3:4-7; Hos1:4-7);

Final Note:

The Infiltration Incept

1. This prophecy below therefore goes back to a successful (act effectively) infiltrative planning (give consideration) and internal deployment (arms that stand) that developed any time after 1922 in Jehovah's Witnesses (or International Bible Students), since Christendom can no longer be considered part of the "holy covenant" from that time in this prophecy, this initial development, the positioning for infiltration, had to take place after WW1 - exactly when is not known:

(Daniel 11:30-31) “And he (globalist King North) will actually go back and hurl denunciations against the holy covenant and act effectively (success is the criteria, Nazi Germany failed); and he will have to go back and will give consideration to those leaving the holy covenant. (Had to be within Jehovah's Witnesses, the only ones with members actually in "holy covenant") 31 And there will be (infiltrative spiritual warfare) arms that will stand up (operate), proceeding from him; (globalist King North);

2. Parallels Daniel 11:41 "invasion":

(Daniel 11:41) He will also actually enter into the land of the Decoration, and there will be many that will be made to stumble.

3. The Governing Body Revelation Fulfilling Live and Real-Time:

(2 Thessalonians 2:3-12) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called “god” or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god. 5 Do you not remember that, while I was yet with you, I used to tell you these things? 6 And so now you know the thing that acts as a restraint, with a view to his being revealed in his own due time. 7 True, the mystery of this lawlessness is already at work; but only till he who is right now acting as a restraint gets to be out of the way. 8 Then, indeed, the lawless one will be revealed, whom the Lord Jesus will do away with by the spirit of his mouth and bring to nothing by the manifestation of his presence. 9 But the lawless one’s presence is according to the operation of Satan with every powerful work and lying signs and portents 10 and with every unrighteous deception for those who are perishing, as a retribution because they did not accept the love of the truth that they might be saved. 11 So that is why God lets an operation of error go to them, that they may get to believing the lie, 12 in order that they all may be judged because they did not believe the truth but took pleasure in unrighteousness.

(Zechariah 3:1-4) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him.

(Daniel 8:11-14 Parallel desolation portion:) 2 Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?”

(Actual Jehovah's Witnesses Status before God and Christ:) 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel.

(Daniel 8:11-14 Parallel cleansing portion:) 4 Then he answered and said to those standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”

4. The Temple Judgment of the Near Future:

(Daniel 8:11) all the way to the Prince of the army (globalist KN) put on great airs, and from (Jehovah) the constant [feature] was taken away (by profanation), and the established place (Bethel/JW organization worldwide, soon) of his sanctuary was thrown down. (By this next globalist operation on the JW organization worldwide)

(Daniel 8:12) And an army itself was gradually given over (JW infiltration and compromise), together with the constant [feature] (profanation and error), because of transgression (with the UN 3rd placement in 1990); and (XGB portion KN NWO operations) kept throwing truth to the earth (by covering up the true meaning of this prophecy and others), and it acted and had success. (As can be seen in today's "lawless one" Governing Body and the "coup de grace" to come upon the JW worldwide organization and Bethel by divine judgment allowing this globalist "desolation")

And this temple judgment and time period will be a JW signal event of temple and JW anointed, JW purifications:

(Daniel 8:13-14) “How long will the vision be of the constant [feature] and of the (UN 3rd Placement) transgression causing desolation, to make both [the] holy place and [the] (JW) army things to trample on?”

(Daniel 8:14) So he said to me: “Until two thousand three hundred evenings [and] mornings; (1150 days; Minimum) and [the] holy place will certainly be brought into its right condition. (Purified as per Zechariah 3:1-10 temple priesthood parallel judgment (v1-3) and cleansing; (v4-9))”

Notes on the Fraud Governing Body Deception of Spiritual Authority
The Main GB Trick Was Attaching a Secular Corporate "Governing Body" to the Bible in Acts 15:1-33, When in Fact No Such Thing Actually Exists;

Veneer 1

That allowed a progressive covert "committee" infiltration in the hands of this "body" to develop to fullness; Keeping in mind this is NOT a Biblical actual spiritual authority of God through Christ;

(The 12 Apostles were the governance as directed by Christ, NOT some "board of directors" as some contrived mythological "supreme council" of God; That's a bunch of corporate spiritual megalomaniacs; The "body" of anointed Christians also overrides the mythical Governing Body in spiritual reality;)

This is a "body" that began to override individual anointed Christians like Nathan Knorr and Fred Franz to introduce the top four (and more) web stumbling policies of today, like UNNGO, "Pedophile Protection Plan", stone cold shunning and "GB Draculas" vampiric blood dissecting desecrations; (Ignoring Acts 15:1-33 commands ironically)

Veneer 2

Now the books written after Rutherford's day were anonymous commentaries; This aided another layer of covert veneering that the "Governing Body" slips under to take the credit of Fred Franz and other anointed workers, when all they are are busybody bean counters and profaners, undercover;

That is how the main "Governing Body" dual facade of assumed credibilities became the vessel of covert "man of lawlessness" development; This "body" is the main JW "rat nest" from 1976 in usurped and fictional authority;

They were hidden in presumptions, protected by the "Inquisition" mandates of the 1980's in that Bethel purge fear fest when they "burned" Ray Franz, Ed Dunlap and others at the figurative "stake", and are now globalist intelligence Academy Award total acting job posers - all fake, smoke and mirrors, all make believe, all a grand illusion;

GB Lawless AtmosFear

That set a "fear and judgment" mentality in the JW flock, rather than open love and mercy; This was progressive

(James 2:12-13) Keep on speaking in such a way and keep on doing in such a way as those do who are going to be judged by the law of a free people. 13 For the one that does not practice mercy will have [his] judgment without mercy. Mercy exults triumphantly over judgment.

That "freedom" became a coercion, that "mercy" suspicion, that "love" self-righteousness to infuse this GB DNA of subtle but actual "lawlessness" into the "elder body";

Full JW Coup 1991

By the time Fred Franz "restraint" (2Thess2:7) was ending as he aged and died, the GB "men of lawlessness" broke out like gangbusters almost immediately;

While Fred Franz lay dying the Milton Henschel "temple rat brigade" stormed the Bethel Citadel with the covert United Nations organizational "mating" with the "Israel of God" "Virgin Daughter";

The "coup" was now in full control;

I mean Fred Franz wasn't even dead yet, and this GB UN operative masquerading anti-christ operation of deception, based in the corrupted Governing Body of Jehovah's Witnesses, was fulfilling Daniel 11:31b purposely, providing the "temple transgression" of Daniel 8:11-14, by joining the Jehovah's Witnesses "nation" to the United Nations family of organizations sanctioned by the "Governmental Body" of us Jehovah's Witnesses in 1991;

Thus the UN "disgusting thing" was officially placed in the Awake! magazine September 8, 1991 issue, with the sarcastic question "What's New at the United Nations?"

Why the "nation" of JW "Israel", that's what is new at the United Nations! Courtesy the GB imposter cabal!

Hence a Coming Temple Judgment and Cleansing is Required

This will require a divine purge in a massive globalist event to finalize Daniel 8:14 parallel to Zech3 "priesthood" cleansing;

That will have to take place as the final cycle of Temple and Kingdom prophecy will be activated by this temple judgment of the "established place of the sanctuary" in Bethel's desolation with the worldwide organization of the Jehovah's witnesses to the divine degree mandated; (Isa 12; Jer30:11; Mal3:1-5; Rev8:2-5)

The GB is covering this all up, though it is now easy to prove by the Bible's prophetic insight:

http://www.jehovahs-witness.net/watchtower/scandals/243617/1/Governing-Body-Prophetic-Cover-Up-and-1990-UN-NGO-Dive rsion-Basics

Witness Recovery Program
Jehovah's Christian Witnesses will be recovered and cleansed from this profanation of Zech3:1-3 as per Zech3:4-7, and that final ministry will proceed over the 6 trumpets to the final "two witnesses" prophetic replication to Kingdom and Temple 144000 completion of Revelation 11:15-19;

Man of Lawlessness Publicly Revealed

THAT is what this will trigger soon, now that the "man of lawlessness" is fully revealed publicly "in the temple of the God"; (2Thess2:3-12) THAT prerequisite in 2Thessalonians 2:3-4 is now completed by the Governing Body themselves, fraudulently trying to attach a worldly corporate "board of directors" to a Biblical spiritual "Faithful and Discreet Slave" anointed entity to add the final blasphemy of this body in this phase before coup-de-grace on the JW organization worldwide by UN servicing GB operatives in 100% "sit down" in the Governing Body of Jehovah's Witnesses;

Lawless Governing Body Exposed

The "Governing Body" experiment has failed; It NEVER should have been a fictional "supreme council" overriding apostolic authority as it's main goal of blasphemy for performing undercover lawless deeds for years in the JW org, based right from Bethel HQ;

The main blasphemy here is that the XGB are connecting a Biblical entity of Christ's anointed "body" to a non-existent meaningless "Governing Body" of mundane worldly insignificance; It's an old clever lie in other words;

---

I am not telling JWs to leave the organization, I am telling them things are NOT as they appear - JWs are being diverted, the Bethel Titanic is way off course now, and JWs need to know a massive temple judgment of God's anger is in store with the next globalist 8th King GB final coup-de-grace surprises and worldwide event(s) cycle to fulfill Daniel8:11-14 SOON;

Prophetic Diversion of Jehovah’s Witnesses in 1990

On "Man of Lawlessness" Manifestation fulfilling 2Peter 2:1-3; (2Thessalonians 2"3-4)

Jehovah’s Witnesses have the divine truth, they just do not know the divine truth after 1990 levels of understanding, and that is why "Man of Lawlessness" is in the JW organization;

Here is what we need to understand a little more clearly here, to not be fooled by the first predictable reaction;

Generally speaking the effect on you and many others created by these kinds of bad policies and contradictory developments is formulaic;

The lawless elements inside the Jehovah's Witnesses organization are not making these errors "accidentally" or with "good intentions" or "lack of insight" into biblical principles as many imagine, and so they sense the utter hypocrisy and leave the JWs, or never join us;

These things are done on purpose to create these effects in other words; People cannot seem to see through this part of this little illusion the XGB has going for quite some time now;

====

These stumbled and misled people is the exact intent of these XGB errors, these elements in JW org WANT you to abandon the source of truth, they want people making a linear reasoning, from point A error, to point B conclusion that it is all erred, no truth here, no need to look any further into, continue on in sin y'all;

That is how the "man of lawlessness" element cut JWs numbers from 14 million 1990 projection of real brothers, to today's 7 million; The UN/NGO, Pedophile Protection Policies, shunning overkill and various hypocritical wafflings have stumbled literally tens of millions of people, in that percentage is the lost 7 million potential Jehovah's Witnesses who are now lost;

That is the kind of REAL bloodguilt the Governing Body is broadcasting on all witnesses, and how the bloodshed of ancient Israel in Hosea for example, applies today to the "Israel of God" whose "befouled garments" are very real before God; (Zech3:3);

And so many "apostates" as the apostate XGB likes to label them, are driven into more error by not reasoning past the first reaction, into seeing that Jehovah's Witnesses have a "lawless one" element which was already foretold in the greater temple completion cycle to have to fully manifest to complete revelation as is now the case in the JW org;

And that will lead to the divine cleanout of the "temple" in the timed sequence of Daniel 8:11-14's temple judgment to remove these masterfully deceptive and sly men from the entire organization of Jehovah's Witnesses;

BUT, the JW org will go into the abyss of Revelation 9:1-4, as the "established place of the sanctuary", the JW org, is "thrown down"; And that will occur with a globalist 8th King serving, two-horned-wildbeast globalist elite engineered MASSIVE world event around the approximate 2014 period;

In that period the "man of lawlessness" expert agency of diversion in the JW org can also take full advantage of the psychological 1914 globalist 8th King serving, two from the entire organization of Jehovah's Witnesses;

And that will lead to the divine cleanout of the "temple" in the timed sequence of Daniel 8:11-14's temple judgment to remove these masterfully deceptive and sly men from the entire organization of Jehovah's Witnesses;

BTG and other prophecies will be activating in a world context that no one will be able to deny, even the JW org will be checkmated, and the Watchtower will go into "silence" as Bethel goes down for a timed "desolation" due to UN and all these transgressions you are noting;
1. When I say "MOL" I mean the modern day "Man of Lawlessness" who must be revealed "in the temple of the God" publicly by evidence, sinful trends and self-revelation prior to the final prophetic temple cycle; (2Thess2:3-4; Zech3:1-3)

And in time, that will develop to full Kingdom of Christ Armageddon conquest;

And that will be initially signaled by this JW 2300 “evening and morning” “throw down” of the JW organization as it takes a massive globalist worldwide broadsided and asleep at the wheel hit, allowed by God due to all these sins in the midst of the JW temple fulfilling Zech3:1-3, then the cleansing of the anointed temple priesthood of Zech3:4-9;

That is basically then a 1150 day signal with possible 1150 day recovery, an unknown transitional prep JW recovery ministry which is the 7 trumpets paralleling the 7 bowls in 1-6, to the grand finale lead in to the 7th bowl and trumpet, with a 1260 day FINAL WARNING to the world in a short but sweet "little scroll" FINAL SOVEREIGN ULTIMATUM TO PLANET EARTH AND ALL ITS PEOPLE prior to the full Kingdom and Temple completion and the final conquest of Armageddon;

That is what JW manifest errors are signaling, NOT that the "temple of the God" is corrupt, but that certain JW leadership is the "man of lawlessness" we are told by prophecy to expect NOW;

And they are here in the "right hand of Joshua" (Zech3:1), aided by the Devil there and in 2Thess2:9 as the fraud Governing Body of Jehovah’s Witnesses;

THAT is what people are seeing, and drawing the wrong conclusions, as "lawless one" expect them to do, to aid the stumbling of millions from covert media, the web, and this actual ministry of the “Sam Herd” Governing Body criminal cabal; As Paul said, "the mystery of this lawlessness” has been in operation in the JW org for years fulfilling Daniel 11:30;

The Jehovah's Witness "abyssing" (Rev9:1-4; final fulfillment mode) temple cycle hit, will signal a whole series of final prophecy repeating exactly as it's first fulfillment cycles of 1914-1918, and 1919-1922, BUT in the near future all the way to temple completion with plenty of warning for all to see, years of it in fact - years of WW4; (Satan will also pull a massive distraction period just like 1914-1918 at that highly significant period of Kingdom birth; That truth cannot be covered up:)

The globalist JW XGB will more than likely now develop the final groundwork in the JW mind for a premature decov hoax mimic on that 1914-2014 "temple centennial" for the psychological effect they can spring on the JWs who are by and large, sitting ducks, in "befouled garments" that are REAL sins, deep sins, serious sins; (Zech3:3);

The sins of the Governing Body "man of lawlessness" and masterful operations of subversion;

But JWs will be the FIRST target as an organization and much of it will be covert; 1Pet4:17 will fulfill, and we all will know the bing bang boom when that hits the world proper as well; That will just be the next 10 year cycle of the globalists kicking off, as they checkmate the JW org, all set up from within, for this externally supporting MASSIVE world military event series unfolding eventually to full WW4;

This will drag on a number of years - but at least we will now know what it all means right?; and at least some prophetic patterns will be well known in actual fulfilling activations that can be demonstrated LIVE AND REAL-TIME in all our lives God willing;

The 4 stands of globalist world government image is a handy pattern to see, and that is why the JW xGB covers this up to the world and all poor misled JWs;

That's how we know they must throw a WW4 to birth the NWO the final time;

The JW org hit will be in this preparatory period, and everyone will know when this manifests, because it has a timed prophetic sequence tied to it, for JW information, when it finally "dawns" on JWs what is going on, as per the "morning" of the 2300 evenings and morning period of at least 1150 days;

At least also, people do not have to wrestle with why the XGB does this, that, and the other thing; They are the "man of lawlessness" revealed in the "temple of the God" real-time, prior to this judgment series replicating 1914-1918 complete with a World War 4 to boot;

THAT is what 2014 +/- will bring JWs and the world, a ten year trek to and through WW4 to the final "placement" of the "disgusting thing", BUT this time along with a WHOLE 8th King, and WHOLE "Scarlet Wildbeast" New World Government over planet earth as Daniel 11:44-45 and Daniel 8:25 prepare to finalize in that "freedom of care" in the post WW4 "peace and security" prior to world depopulation mode of the deepest Great Tribulation cycle of Matt24:21-22 at the Matt 24:29-31 transition period as Christ's Kingdom is ALSO manifesting live and real-time a period after that 1260 day final warning;

= Man of Lawlessness Exposed Strengthens Faith

Man of Lawlessness (MOL) Prophecy Activating Changes the Whole MOL Doubt Effect to Faith in God and Prophecy

1. When I say "MOL" I mean the modern day "Man of Lawlessness" who must be revealed "in the temple of the God" publicly by evidence, sinful trends and self-revelation prior to the final prophetic temple cycle; (2Thess2:3-4; Zech3:1-3)
2. These MOL sins are of the progressive, but deceptive lawlessness being purposely carried out by the imposter Governing Body of Jehovah's Witnesses "Man of Lawlessness" under the mastery of demonic aided deceptions to fulfill crucial signal prophecy prior to God's judgment starting; (1Peter4:17); (2Thess2:3-4; 2Cor11:13-15; Zech3:1-3)

3. The Governing Body works to stumble millions and to set up the Jehovah's Witnesses worldwide organization for desolations in the final globalist 8th King drive to world war 4;

4. This is an activation in itself of the final temple inspection, judgment and cleansing cycle which must be completed and revealed prior to the full temple 144000 completion under Christ;

5. So this activation is a signal, important and changes everything by prophetic enlightenment of who the Governing Body (GB) actually are; They are not Christians, much less anointed; The GB fruitage speaks for itself; (Matt7:15-20; 2Pet2:1-3)

*This means the temple judgment commencement prophecy of 1 Peter 4:17 is near to activation;*

**Prophecy is Repeating**

So when a Jehovah's witness who respects the initial temple foundation prophetic cycle as the truth, sees that the temple completion cycle repeats a temple inspection, judgment and cleanse similar to the temple judgment foundation phase (1914-1919), they understand this is extremely significant and important;

Why?

1. *It indicates a prophetic temple judgment of massive proportions upon the Jehovah's Witnesses worldwide organizational "established place" is what will SOON follow* the revealing of the "man of lawlessness" as that 2Thessaloimians 2:3-12 prophecy promises as a prerequisite revelation with great evidence;

2. The "Man of Lawlessness" is himself a great signal of divine judgment poised to be unleashed on the temple that the "man of lawlessness" is polluting (Dan11:30),

3. This will be destructive to the Jehovah's Witnesses organization in the MOL's "son of destruction" meaning at this coup-de-grace event soon as Daniel 8:11-14, parallel with the temple inspection and visitational cleansing of Malachi 3:1-5, actually activates as well in the near future;

4. That also parallels the Zechariah 3 Temple priesthood anointed cleansing in this purification judgment soon; (Zech3:4-7)

5. That also activates Revelation 8:2-5 "altar fire" cleanse of the Jehovah's witnesses; That begins a seven trumpet cycle that cannot be reversed once it begins; (Rev8:1-13);

6. That leads to the final Revelation 9-11 FINAL cleansed ministry of Jehovah's Witnesses as per prophecy and what it implies, it leads to temple completion before Armageddon; (Revelation 8-11 is a repeating prophecy to finale over a number of years)

====

**This Changes Everything**

1. So when people say this:

   "man the Governing Body is such a bunch of hypocrites, man they are UN worshippers and pedophile protectors, man they are arrogant, infallible and smug, man they are obviously sinners not some "new light" 2012 annual meeting "faithful and discreet slave", the whole Jehovah's Witnesses ministry is a bunk lie!"

2. People are being affected the way the MOL wants to effect people, to stumble them out of the way to the truth and salvation; (2Pet2:1-3)

3. People who currently believe this lie and see the actual sins in the Jehovah's Witnesses must also understand that this is foretold to have to occur and be revealed prior to the final temple judgment cycle of prophecy actually activating as Daniel 8:11-14 temple cleansing actions of massive proportions nears the Jehovah's Witnesses worldwide organization;

   *This reality of prophetic activation cannot be reversed, prophecy WILL continue to fulfill to the end - this is just the beginning of the final cycle;*

**When People Understand This "Man of Lawlessness" Prophecy Fulfilling Now in the Governing Body Lawless Works Faith is Maintained to What Must Follow Soon;**

1. With this Bible understanding of critical signal prophecy, then the MOL sin effect of doubts is just the opposite upon a person with faith, whose understanding of this required prophetic fulfillment bolsters their faith and conviction that this is indeed the Bible truth because the "man of lawlessness" is "in the temple of the God" being finally revealed for this purpose;

2. This MOL development revealed accurately proves what must follow soon in prophecy guaranteed;

3. And that also means the Jehovah's Witnesses and ministry are the “temple of the God” in the genuine anointed capacity that this MOL is attempting to suppress, violate; (Zech3:1-3) and pollute by covert means of diversion and "throwing truth to the earth"; (Dan8:11-12) in coverup of this prophetic truth;
4. The MOL also covers up what led to these lawless men taking over the Watchtower Bible and Tract Society through this MOL Governing Body administrative lead especially since 1990 and the UN relationship; (Daniel 11:30-32);

5. The whole thing fulfills prophecy explicitly since 1990 in full manifestation of the UN NGO fornications for 10 covert years of gross sins against God, Christ, Jehovah witnesses and the general world population by the Governing Body promoting sin and lies to aid the UN globalist objectives since 1990 to coverup the great prophetic significance of all this from people; (Dan11:30-31)

MOL is Exposed Now

1. Now the tables have turned on MOL, and his clever subversions of purposeful sin and hypocrisy in the Jehovah's Witnesses, such as the UN NGO adulteries, now expose the real situation in the Jehovah's Witnesses organization as actually fulfilling a great signal prophecy;

2. The active fulfillment of critical Bible prophecy in this revelation of the criminal "governing body" MOL, prior to massive temple events that will also activate to clean the MOL out of Jehovah's Witnesses and fully expose the origins of his activities, sheds new light on what is actually transpiring in the Jehovah's Witnesses ministry today;

3. Now we know what is actually going on, and why MOL covers this up;

4. MOL wants people stumbling and doubting BUT NOT seeing the significance of what is REALLY going on here;

5. MOL is being revealed by Bible prophecy prior to divine termination of the MOL as the temple judgment MUST soon follow in a huge set of events that will get the attention of all Jehovah's Witnesses worldwide;

6. This will also get the world's attention as well - because this will expand to affect the world by 8th King globalist intrigues also being exposed per prophecy, as other prophetic fulfillment is what this will lead to the end;

This just in...

The Front Page Says it All...
Are the xGB "Lawless Ones" trying to say something here?

Do people really know what this particular revelation REALLY means soon?

(2 Thessalonians 2:3-4a) Let no one (like the xGB) seduce you in any manner, because [the judgement] will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. (Apostate xGB and org wide infiltration of the "weeds"). 4 He is set in opposition and lifts himself up over everyone...

(2 Thessalonians 2:4b) ...publicly showing himself to be a god.

The point is in the 8th King (2HWB) symbology, 4 pyramids, earth square comprehensiveness of globalist known "Novus Ordo Seclorum" symbology, with three fat S's in the 3 visible eyes, 666, on the front page of an annual meeting article called "Food at the Proper Time"?

Announcing a "faithful and Discreet Slave"?

With a big scarlet backdrop on the stage? (Scarlet wildbeast)

This is surreal now!

===

See, the XGB are supposed to be representing GOD'S KINGDOM, NOT human jimmy-rigged globalist contraptions of human error and Edenic deep sin limitation;

And that is exactly what the xGB are doing, subtly promoting a demon kingdom over mankind, and it is all already revealed in prophecy in the "temple of the God";

These guys are now ridiculous in blatancy; They think no one notices, or those that do will be stumbled out of the truth of God's Kingdom, but like mice and men, they will end up in God's trap, they are going for the cheese already;

The WTBTS material since the UN/NGO 666 related sins, is all occultic-illuminati polluted graphics randomly presented as per Rev8:10-11;

The WT is regularly presenting spiritual ideas in obvious error to those on the ball, ideas true anointed know are false;

"Joshua" as a priestly symbol of the actual anointed is befouled and under Satanic resistance in a temple completion prophecy of Zech3:1-10;

The temple sins of the "transgression causing desolation" of Daniel 8:11-14 are the 3rd UN "placement" in 1991 (in the WTBTS) of the "New World Order" initiative of the "False-Prophet" of the 1990 UN/NWO world "placement", after WW3 (Cold War), quoted from before the Un Security Council and US Congress in the Awake! of Sept 8, 1991 from George Bush Sr. prophesying;

And these high-priests of the "scarlet wildbeast", the so-called Governing Body of Jehovah's Witnesses, are STILL in the house, and now fully manifesting in broad public daylight;

That October 6, 2012 Annual Meeting, made world news on November 9, 2012, is the first totally world manifestation of the "man of lawlessness" claiming to be the "Faithful and Discreet Slave", while really being the Evil Slave, "lifting himself over everyone", for a "sit down" in the "temple of the God";
Now the subject matter, of this world announcement, is a HUGE biblical prophecy fulfilling right in front of our faces, all leading to a very convenient 1914-2014 "centennial" in the misled JW mind.

Why?
Not good reasons is why they are doing this;

---

A. Temple Foundation *minor prophetic cycle* of 1914-1922 must have a Temple Completion *major prophetic cycle* in the near future;

B. Kingdom Birth *minor prophetic cycle* of 1914-1918 must have a Kingdom Completion Conquest *major prophetic cycle* in the near future;

C. "Jerusalem" "Holy City" "trampling" of "3.5 times" in Rev11:2 *minor prophetic cycle* (1914-1918) must have a "Holy City" final trampling in the *major prophetic cycle* for full "7 times" divine decree in 2520 total days *in the near future*;

Basic Principles:
1. The Initial Fulfillment Mode of 1914-1919 must have a Final Fulfillment Mode *in the near future*;
2. All the Temple, Kingdom and Holy City prophecies will repeat upon the same minor pattern, in worldwide scope;
3. The Temple Judgment and Cleansing Begins it All Soon - Daniel 8:11-14's 1150 day (2300 units) JW Temple Judgment will begin the final major fulfillment cycle;

XGB:
4. The revealing of the modern-day "man of lawlessness" as the xGB *must precede* the final temple cycle; (Zech3:1-9; Isa66:6)

In other words, it ALL repeats soon;

This analysis is unique because it is not developed by an apostate, but by a Jehovah's witness, in active ministry and good standing, who is also anointed by Jehovah (New Covenant), in agreement with Christ's Kingdom Covenant with full awareness of every Messianic Kingdom legality. This exposé is from one with full God given expertise of every Jehovah's Witnesses prophetic sovereign progression of the 144000 Temple and Messianic Kingdom completion guaranteed to fully manifest in flaming fury in the face of the zenith "King of the North" globalist power system as it's "8th King" attempts to assume world control, through the "2HornedWildbeast" globalist Anglo-American elite head engineers and administrators worldwide; (Rev17:12-18; Rev13:11-15; Rev16:13-16; Dan11:40-45)

This is not meant to stumble, but strengthen ALL Jehovah's witnesses anointed and "other sheep" "one flock", and all interested in the indomitable rule of Jehovah God through Jesus Christ for all eternity, as the "King of the North" and "King of the South" power systems are relegated to dog food and pushing up daisies in one Almighty display of TRUE Super-Power! Even Gog of Magog is going down hard; (Eze38-39; Isa24:21-23)

Peace and plenty, blessings and eternal life shall reign foreverymore! Long live the Kings, Jehovah and Jesus Christ! Get ready to meet 20 billion angels in full battle array at Global Har-Magedon, repent now! Rejoice! (Rev19:6-8)

**Governing Body of Jehovah's Witnesses is Not What it Appears to Be**

1992 Infiltration Objectives

This will outline the infiltration of the Governing Body of Jehovah's Witnesses, it's inner corporate management structure compromise and the objective of all three bold moves of this infiltration, from the (1) incept UN NGO scandal injection, to the (2) separation and infiltration of governing and corporate management, to the positioning entry access "blessing" and the need to have information feeds to the fraud GB by (3) unanointed "other sheep" aligned "GB aid" researchers to unknowingly aid this infiltration by carrying the "Governing Body's" research and developmental work for 20 years.

This virus is in 3 stages, sin and infect (10 years stealth/1992), expose and idol build (globally 10 years since 10/2001), and a third massive stumbling event now being planned by the infiltrators of this compromised org and GB, the "coup de grace". But Jehovah and Christ, as per prophecy, will toast out the termites in Zech3:2-4 final fulfillment very soon.

Stealth Masquerade Year After Year

The overall operational goal is to operate undetected while "feeding" the "sheep" a 1990 version of truth with no "new light" for now 20 years, to put Jehovah's
organization and anointed into a doctrinal and revelatory "fossilization" so as to not ascertain the guaranteed final fulfillment mode of the major prophetic cycle of Daniel 7:25-26; 12; Revelation 10-11 which WILL replicate in final fulfillment from the great tribulation point in the future, in the same patterns of 1914-1918 initial "Two Witnesses" (1260 days), and the Christ Court finality foregleamed in 1919-1922 (1290 day) pattern primarily.

Hand to Plow, Keep Looking Backwards to 1914, End Up In The Canal!

The objective in this spiritual retardation is to keep Jehovah's Witnesses perpetually focused on the past 1914 minor fulfillment cycle although the final fulfillment is about to replicate in a final major way in the near future. This retards Jehovah's witnesses so as not to ascertain the final temple inspection (in the near future) is of ONLY Jehovah's witnesses, and to never officially proclaim the GUARANTEED completion of the Messianic Kingdom and Temple 144000 under Christ (Rev11), prior to the Armageddon finality of Jehovah's "war of the great day of God the Almighty" global (Rev19:19-21) and universal (Rev20:1-3) conquest.

Sin, stumble and stall, all while appearing as "anointed" Governing Body, a fraud idol, a masterful deception for two decades now. But, they merely align with prophecy that also must fulfill on their heads; (Zech3:1-10)

The current fraud infiltrated Governing Body of Jehovah's Witnesses and FDS/JW Org is here:

(Zechariah 3:1) And he proceeded to show me Joshua (FDS) the high priest standing before the angel of Jehovah, and Satan standing at his right hand (GB) in order to resist him.

Jehovah's Witnesses be HONEST!: We Must Face the Truth of Our Sins...

Worldwide Reproach

The UN NGO, regardless of the reasoning, brought great reproach to Jehovah's Name, sullied in hypocrisy Christ's reputation and that of the anointed body on earth today and then, and compromised the reputation of every Jehovah's witness on earth. All this from a decision of a few selfish frauds in the Governing Body of Jehovah's witnesses in 1991-1992 UN NGO viral deployment.

Bloodguilt

This massive bold sin also stumbled literally millions of people worldwide from even considering Jehovah's witnesses as a vessel of divine truth. Other fell out of the truth, due to this blatant bold hypocrisy of Gehenna level sin.

Red Flag 1:

Obviously, for no possible reason, none whatsoever, will Jehovah Almighty God reproach His own name, and inspire the stumbling of millions of human beings, obstructing lives from coming to the genuine and accurate knowledge of everlasting salvation; (John17:3) NO WAY! NO HOW!

Hey GB!

NO ONE prostitutes the image of God's "Virgin Daughter of Zion" to the "UNClean thing" and gets away with it for long. The current GB, to some degree, will be COMPLETELY exposed and neutralized by God shortly as per GUARANTEED prophecy, they are on a conveyor belt to angelically backed doom, as per the DIVINELY GUARANTEED prophecy of Zechariah 3:2-4.

(Zechariah 3:1-4)

Active Now:

And he proceeded to show me Joshua (FDS) the high priest standing before the angel of Jehovah, and Satan standing at his right hand (GB) in order to resist him (FDS ministry).

About to Fulfill:

2 Then the angel of Jehovah said to Satan: "Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire? 3 Now as for Joshua, he happened to be clothed in befouled garments (GB sins) and standing before the angel. 4 Then he answered and said to those [angels] standing before him: "Remove the befouled garments from upon him." And he went on to say to him: "See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state."

It Is Impossible for Jehovah to Inspire Gross Sin

Jehovah DID NOT inspire these sinful infiltrative actions, plain and simple. Satan did; (Zech3:1; 2Thess2:9) This is divinely permitted to manifest globally the modern final fulfillment of Zechariah 3:1-10.

This is permitted by God, and known beforehand by Him for prophetic reasons and God's own ultimate purpose to be revealed shortly.

Also this GB fraud faction "man of lawlessness" modern final fulfillment of the revealing of the GB-92 infiltration "son of destruction" betrayer "Judas" class is required as per prophecy of the final fulfillment mode. This class of traitors is revealed fully within the "12 apostles" (GB) and must ALSO be revealed globally prior to the final climax "Two Witnesses" 2.0 ministry (Rev10-11) also in final parallel fulfillment of 2 Thessalonians 2:3-9. This is permitted as per prophecy - and revealed as such before the final exposure event.
The current GB, WILL be defrocked and exposed BIG TIME! As per guaranteed prophecy! God is STARTING inspection in the GB bedroom and dresser.

This is all permitted for a globally known move by God to establish the final Revelation 10:11 “Two Witnesses” second and climax ministry of Jehovah's witnesses, anointed and "other sheep" supports for the near future, and to shift the Jehovah's Witnesses prophetic paradigm into final fulfillment mode out of the master model minor pattern of the 1914 prophetic cycle.

Initial GB infiltration "Angels of Light" Objectives

Objective 1: Remove Top Level Blessing by Purposeful GB Led Gross Sin - Secretly at First

This gross sin perpetrated from the top administrative corrupted and compromised Governing Body and top corporate support management of Jehovah's witnesses (in some degree of infiltration of both), through pre-planned, stealth, sinful, traitorous and reproachful official "sexual" relationship with the UN, was for an initial purpose of jeopardizing Jehovah's complete blessing upon Jehovah's witnesses administrative bodies, GB and Organization ASAP.

This traitorous "fornicative" union with the United Nations (UN) Non Governmental Organizations (NGO) Department of Public Information (DPI) IMMEDIATELY resulted in Jehovah's highest level holy spirit being withdrawn from the organization, from the top, since 1991-1992. The GB had filthily agreed to aid a stealth propaganda engineered “spearhead” penetration of the globalist UN specialized demographic targeting promoters and propagandists in the target worldwide audience of Jehovah's witnesses, with GB blessing, aid, and continued guidance, while interacting with UN promotions experts for “outlines” and techniques. The GB was now globalist "Good old Boys" and donut eating termitic parasites in the Jehovah's witness organization, (GB), the "log" of Zech3:2, has termites to fry out shortly in that "fire" event. An event no doubt aided by this infiltration as it's coup de grace stumbling and betrayal event. The current GB is divine black toast soon, as per Zech3:2 live and real-time fulfillment guaranteed.

Objective 2: Bloodguilt on All Jehovah's Witnesses

Bloodguilt on All Jehovah's Witnesses 1

This means the first goal, was compromising the ACTUAL spirituality of all Jehovah's witnesses by secretive actions, and hindering the growth projections of a sustained 5.5% Jehovah's witness growth rate as was the case for 15 years prior to 1992, to the 1-3% growth rate present today. In any event, they affected the intake of 4 million people minimum into the truth. Bloodguilt sin would soon follow, and is perpetually expanded everyday from this "bad news" on the internet.

Convenient Timing for the MG Henschel Frauds

This all took place while "he who is acting as a restraint", Brother Fred Franz lay dying and passed away, and the Milton Henschel Governing Body era of gross sin slipped in. That is not coincidental that these bold compromises took place at this time, also fulfilling prophecy of this "man of lawlessness" permitted to accomplish this Satanic feat, "with a view to the lawless one being revealed in his own time", now, as Zechariah 3:2-4 goes into angelically aided action to neutralize this infiltration agency making way for the final "Two Witnesses" global ministry.

Bloodguilt on All Jehovah's Witnesses 2

The further strategy was to close off any organized ministry into the two billion person web field as it zenithed in accessibility from 2000 forwards. The intent was to ignore and shut-off the greatest human field to ever open in all human history, which could be actively entered to save lives. Currently Jehovah's witnesses are directed away from preaching on the internet, causing more substantial bloodguilt as the worldwide audience, efficiencies and reach of the web are stifled and ignored purposely, with of course "GB papal blessing". GB dirty laundry fed apostates is the excuse, plenty of that out there.

Result? More bloodguilt on Jehovah's whole organization.

GB: Whatever you do, don't watch the GB produced, directed and promoted UN NGO porn flicks with God's Daughter in them on the internet, and don't you preach to those two billion people either! 1% JW growth is just dandy!

Bloodguilt on All Jehovah's Witnesses 3

Finally, but also significant in bloodguilt, is the GB allowing their apostates children to have a full internet ministry with ONLY their side of any issue being presented. A total captive audience, courtesy the fraud GB. Along with this, the GB does not want to identify the apostate class whatsoever, and warn them as per Ezekiel 3. They want every Jehovah's witness to high tail it from the web and the apostates like cowards, also failing in the commission to warn this class of assured destruction if it remains unrepentant. Of course this also brings Jehovah's witnesses into even more blood guilt and stealthily promoted from the GB disobedience downwards to the divine commandment of preaching to all, EVERYWHERE.

Perpetual Idol Factory and Worship of GB, Slave and Org

This blood-soaked GB, presents itself as white as snow, and promotes the idol protection of itself and all it's asinine, obviously sinful directives to ultimately drag all Jehovah's witnesses through the collective bloodguilt of now millions of human beings. It does not raise any suspicion by simply regurgitating 1990 level feedings and light endlessly, supported by "other sheep" duped and directed to supply the GB with this recycled information. But these feedings do support the idolatry of the GB, the "Slave" and the Organization as perpetually as the apostate attacks are constantly repaired and stereoied upon these new idols among Jehovah's witnesses in the GB press, peppered in regularly and oh so subtly, for ten years.

Yes Virginia, some GB heads are gonna roll to Gehenna! SOON. All as per the prophetic script they set themselves up in.

GB Tries to Resist the Ultimate JW Divine Prophetic "Paradigm Shift" to Future Final Fulfillment Mode

Plain and simple all of Daniel 12 has a final fulfillment mode through a 1260 day Great Tribulation cycle (Dan12:7), and a 1290 day salvation (sheep) and "goat"
Hold the 1914 Course Curse!

What Satan and the current fraud GB is trying to accomplish is a retardation that will set up Jehovah's witnesses for divine destruction. This relates to the FACT that the minor mini-fulfillment 1914-1922 Daniel, Zechariah and Revelation prophetic cycles have a major massive final fulfillment replication of those prophetic events and periods in the near future, but with Kingdom and Temple 144000 absolute full completion as the eternal and permanent manifestation over planet earth, NOT an invisible Kingdom as in 1914, but one that will be displayed in Earth's "Heavens" like a billion suns for total and final universal and earthly conquest and extermination of all of God's enemies.

Brothers We Will Never Know Who KingNorth Is!

Especially the extermination of that "King of the North" bunch of rival contenders, elite vampires, parasites and bloodsuckers. The current fraud "Termite GB" works for those globalist guys, and does not want that easy identification of the "King of the North" to be made, because that bridges to Daniel 12, and Daniel 12's final fulfillment mode becomes obvious from that full identification onwards. The GB does not want Jehovah's witnesses connecting the "King of the North" ultimate globalist sovereign symbolic shell with what is in it, the "8th King", "scarlet wildbeast" and the "2HornedWildbeast" and it's "image of the wildbeast" as globalist power components all within the King of the North Daniel 11:44-45 final defiant sovereign symbol ending at Michael Daniel 12:1.

There is Only One Witnesses, NOT Two! Please!

Ultimately the current GB infiltrator globalist lifer agents and or mind-drones, want Jehovah's witnesses in 1914 mode for good. They do not want Jehovah's witnesses to make the obvious connection, that ALL the 1914 prophetic cycles, must of course replicate in the near future, into the final second "Two Witnesses" global campaign of Jehovah's Sovereign Ultimatum to the world through the great tribulation 1260 day initial period.

The current GB along with the demons who guide them, does not want Jehovah's witnesses to understand the complete outlay of the great tribulation, and it's initial precursor period, are all in Daniel 8:14; Daniel 7:25-26, Daniel 12, and Revelation 10-11 IN FINAL FULFILLMENT MODE. The 1260 day final "two witnesses" is followed by the Christ Court 1290 day end cycle. Jehovah's witnesses will be preaching all the way through the 1260 day cycle.

Some Anointed Shall Retire in the Great Crowd After Armageddon, YAWN

The current GB never wants to reveal that the 144000 Kingdom and Temple "bodies" will complete in absolute totality in the face of this world, BEFORE it is destroyed in it's resister elements to a man, and that there is no rush when Christ manifests initially in the Matthew 24:29-31 progression after the BTG destruction is completed.

GB Full of Blood Donuts, No Room for "Little Scroll" Meal

The current GB does NOT want to eat the "opened little scroll" of Revelation 10, because that is directly connected to the "reports" that the "King of the North" will receive as provoking samplings of "news", "tidings" within that "little scroll" intended by Jehovah and Christ to draw KN out into the Armageddon global arena officially, with public proclamations of destruction to Jehovah's witnesses; (Rev10 is "reports" Daniel 11:44-45)

GB 1990 Fossil Snapshot

The current GB wants witnesses to think "some prophecies are never really known", and that "King of the North?, who really knows who he is, we will find out real-time, he can't be known", when in fact "King of the North" WILL be fully identified and the "reports" will go exactly to his earthly elites and powers, to his globally identified face, for both him and Gog MUST be provoked to come out for the final war, they BOTH must be drawn into the doom arena voluntarily by "glad tidings" of their extermination, to a man, to their face.

The current GB wants NO PART in any of these guaranteed prophetic events, but they want to appear as if they are preaching the "end of the world", but they are just rehashing Fred Franz, and are stagnant with zero "new light" since? 1992 UN NGO reproach, subversion and perversion virus.

The GB does not want to take part in any Sovereign Ultimatum "little scroll" final global warning campaign, as per prophecy, they want everyone right where they are, in sin, bloodguilt, and backward 1990 visions of the defunct current infiltrated GB of Satan.

Globalists Boys (GB)

The GB controlling fraud faction are obviously Satanically controlled globalist world order implants who have a third stage "coup de grace" stumbling event planned as the climax of all this organizational idolatrous over focus. Now that they have half the JWs focused on human composed "bodies" of GB and "Slave" idols, now Org idols, they can create an event that compromises these human entities totally, and try to stumble as many Jehovah's witnesses as possible.

Since this obvious trajectory was part of the pre-planned 1992 UN NGO stealth event as it progressed in time into a spiritually weakened organization into stage 2 idol building cycles, we can only imagine what other organizational and corporate compromises have since been effected by these viral demon agents. But, we know that such an event can perfectly align with the prophetic "fire" and angelic purge of the GB coming up in Zechariah 3:2-4 from Jehovah God and Christ.

Either way, the current doomed GB will fulfill their agenda and fulfill the prophecy of their exposure and expulsion from Jehovah's organization forever to Gehenna in the eventuality, where these counterfeit fraud elements belong.

GB92 Mission Failure

Well, they failed to keep the truth fossilized didn't they, they are extinct now. Can't beat Jehovah God and Christ. You Pathetic FOOLS! LOL
The Prophetic Loop Satan and the GB Wants to Break

1. Start Loop at King North: Satan wants no awareness of King North, because that leads to Daniel 12 and the final fulfillment cycle becomes obvious. Currently King North is a crop-out piece to Daniel12.

King North also opens up another interesting paradigm shift, from nationalist world power analysis to globalist “north” power systems. That globalist perception will greatly effect the level of detail the whole wild beast system can be analyzed with.

2. Daniel 12 to Revelation 11 Connection: From awareness that the now identified “King of the North” apex globalist world order leads to Michael’s final stand over earth, and the progression from Daniel 12:1 to the end, brings one to Daniel 12:7, and it’s counterpart Daniel 7:25-26 also now in final fulfillment awareness mode. The 1260 days there automatically link the bible believer to? Revelation 11 final fulfillment mode as well.

3. Sovereign Little Scroll: Revelation 11 is the ultimate sovereign kingdom, city and temple progression completion prophecy in one chapter, of all time in such comprehensive meaning. It in itself, in full understanding is a Sovereign Ultimatum, and that is the full import of those “little scrolls”.

4. “Little Scroll” Link to “Reports” of Daniel 11:44: Ultimately the globalist world order, under the “King North” Daniel 11:40-45 defiant sovereign symbol, is the head recipient; (Num24:17) of promised divine extermination from God’s Kingdom to shortly follow this awareness given directly to the globalist elites, to their face.

5. God’s Provocation: Satan wants no connection made between that Revelation 11 fully understood, therefore “opened” and “eaten”, “little scroll” Divine Sovereign Threat to the King of the North, from a Kingly angel with “earth” and “sea” “under foot” (Rev10:8), with the damning “reports” of Daniel 11:44 that finally draw these “enragd” globalist toads (with Gog) out into the Armageddon Global Arena frying pan globally for annihilation.

6. No Witnesses: The “Two Witnesses” final global warning of Jehovah’s witnesses is what delivers all this “good news” unto all, and the contender rivals, the globalist world order targets of God Almighty. They cannot escape, they must come forth for battle at Armageddon and to be subsequently fed to the dogs and birds as per prophecy, as many as are not vaporized to fine dust fertilizers or anti-material anti-realities; (Rev19:19-21; 2Thess1:6-10). The POW Satan and the demons want to avoid all this awareness globally and the reality to follow this global final proclamation; (Rev10-11; Rev20:1-3)

7. That loops back to the King of the North being helpless and laid out annihilated. Loop complete.

8. Satan wants no “paradigm shift” so that JWs are fully and honestly warned, Jehovah and Christ are coming into this “temple”, “house” and “those worshipping in it” and they are going to START in the dresser drawer of the chairman of the GB!!! (Rev11:1-4) LOL.

9. Satan wants no one to know about this final great replication of the finalities of Daniel 7:25-26, Daniel 12, Daniel 8:14, and other applicable subsets within those prophecies.

10. Satan wants no one to be aware that Revelation 8-11 WILL have a finality of completion. Other whole patterns, or parts of Revelation 6, 14, 15-16 will also have a final cycle.

11. In fact, EVERY applicable sovereign kingdom prophecy, and temple inspection prophecy, every illustration and sub-set applicable to 1914-1926 MUST be applied to Jehovah’s witnesses “temple” and worship arrangement today, and in the future. (ten virgins, marriage garments, weeds, Judas “son of destruction” will ALL apply in Jehovah's witnesses)

12. Zechariah 3 is a Commencement Prophetic Prerequisite: Satan does NOT want JWs or anyone to understand Zech3-4 MUST also have a final cycle, in fact much of “Zechariah; The Hebrew Revelation’ of Temple Completion”, will also have a final fulfillment mode.

Now this can all be proven NOW, because all these prophecies, have a 1914 minor model pattern well established for review, hence why they even exist, for Temple 144000 completion certainty realized by Jehovah's witnesses. That is why NO ONE, anointed or not, can disprove Zechariah 3 applies to the Org NOW.

13. Neither the GB or Satan wants any Jehovah's witness aware that Zechariah 3:1 applies to the GB NOW, and has applied to it since 1992. The current fraud infiltrated GB of course we never admit they are the “befouled garments” targeted to “pass away” by Zechariah 3:2-3’s “fire” event and transition to official “robes of state”. The current GB WILL NOT be wearing those "robes of state" but will inherit their filthy robes for all human history to follow this expose by God and the judgment to follow.

Zechariah 3 and 2Thessalonians 2:3-9 must fulfill prior to beginning the final “two witnesses” second and final world warning ministerial “little scroll” awareness to eventually commence in the official 1260 day GT cycle of Daniel 12:7; 7:25-26 and Revelation 11:1-4. The GB has been “measured”, and found to be crooked frauds. Hey GB, read the writing on the wall fools. God has you right where He wants you, where you are prophesied to meet your end; (Zech3:2-4) Get ready to meet God.

14. Satan does not want mankind to understand, that the 144000 Temple MUST fully complete BEFORE the final conquest of Armageddon, like in 515BCE, that “temple 144000” and Christ; Zech4:6-8 Headstone, or finish “capstone”, “topstone” WILL complete in the face of the enemy system, just as the temple in Jerusalem in 515 BCE also completed in the face of the enemies of Israel of that day.

15. Satan does not want people to know and by that escape the assured flaming fury of that period when this Kingdom Temple clicks the last Christ “head stone” into place; (Zech4:6-8). Christ is foundation “stone”, 1914, and “head” “stone”, and there must be of course 144000 in between.

16. Satan does not want mankind, or JWs to develop this assured and completely ascertainable, from the bible pattern final replication and unfolding, BECAUSE IT IS LIKE A ROAD MAP TO THE END OF THE WORLD! IT IS LIKE A PROGRAM TO GOD'S PLAY, THE FINAL ACT.

And that whole “map” and “program” is based on a set of patterns in ancient, Christ, and 1914 times, that are absolutely provable! Some happened 3 times! Some 2, some 1 ALREADY. It also ties the complete picture of the whole bible, the “truth temple”, to 100% completion soon prior to manifestation, no loose ends regarding temple and kingdom, to “last day of last days” understanding as per Jehovah's specification, not a sinner fraud GB that needs to be whacked but good in Zech3:2-4 fulfillment soon.

See then, how much the GB are currently holding back? (And that is not all that can be derived from all this, a book or ten can be derived from all this “true new light”!)
The GB NEVER will have a photon of "new light", they are doomed subversives, IDd by prophecy and anointed.

**Downward Statistical Evidence Since 1992**

See why the JW 1990 trajectory would have been at 12-14 million witnesses by now, but from that 1992 period, the sheep intake was cut in half? Ever see a graph of that statistical evidence that something happened around 1995 that caused this? It is astounding. It is obvious something is wrong that began around that period of time.

And the apostate analysis is, "oh, they changed the generation teaching", and that caused that drop. Yeah, right. NO. The UN NGO gross active sin, has been affecting the overall Org since infect, incept, and GB inject in 1991. I do not know how that was developed, but either way, the Agent Henschel GB ops, is what opened that "can of disaster".

All coincidence that it was when the Hawk, Fred Franz lay dying and finally died that all this GB rot broke loose? All coincidence 10 years later the story is broke conveniently just after the 9/11 WTC events? All coincidence it brought on a tidal wave of apostate hyper-attack, that justified the creation of GB, FDS and Org "idol repair modes" on steroids? Maybe 5 million people stumbled in the 10 years since? Maybe more, HUGE multi-faceted blood guilt too boot. This GB is in bloody quicksand on purpose, dragging JWs in, with simply too much developed trend obvious synergistic ramifications now obvious from this "little" "library card" affair. That is ridiculous and insulting. The GB globalist ops know all this, they are laughing their asses off!

Now I know Jehovah will NOT reproach his own name, nor will He be involved in the stumbling of a million people. And certainly not for a "library card", ridiculous and insulting. The GB globalist ops know all this, they are laughing their asses off!

The Key 1990 Daniel 11:31 Prophetic Cover Up and UN Developments That Expose the Governing Body of Jehovah's Witnesses as a KN Globalist Infiltration Sinner Group

Daniel 11:31-36 and 1990 is Key

Here is the Fred Franz clue: While Fred was working on the Daniel prophecy commentary, the "Your Will Be Done" book, the Cold War was pretty well underway and recognized; Fred could not know the USSR would soon fail, until after they failed;

So, this prophecy could not be verified, and could apply to the USSR as long as they were in operation:

(Daniel 11:36) 36 “And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

So, in the 1989-1991 period as the USSR collapsed and the Russians surrendered to the UN by joining it, that is threw in their chips with the Brit and US globalist elites, they FAILED; But Fred Franz was not able to comment on this, this changes the whole Daniel 11:30-45 story!

NO WAY can the USSR be considered "the king", and "And he will certainly prove successful until [the] denunciation will have come to a finish;"

Instead the USSR were just another failure in Daniel 11:27, "and NOTHING will succeed";

....

Had Fred Franz been able to comment on this before he died, he obviously would have noted that the failure of the USSR, disqualified them from Daniel 11:36 fulfillment emphatically!

And that disqualifies USSR or Russia from Daniel 11:36-43, NONE of that is about the USSR, but it is about "someone"; It is about a power who WILL be successful all the way to Armageddon;

NWO Globalists as KN;

....

This is 'in the face' obvious;

Then why doesn't the XGB say something?

Why continue a USSR illusion that actually never began in Daniel 11:36???

Here is why, and how we know XGB is BAD:

1. The XGB do not want to point out, that when the USSR went down, not only did they fall out of Daniel 11 fulfillment, the UN/NWO ALSO stood up as the Globalist "The King" INSTEAD!

That was the THIRD, 3rd, UN world governmental related stand in human history, after Cold WW3;

THAT is HIGHLY significant!!!!!!

Obviously the globalists AND XGB do not want people understanding the significance of this event and meaning; The less JWs and the world know, the better!

2. Now the XGB "gloss" over this, because they MUST work for globalist "The King" (Dan11:36); They are an internal fake-JW agency of the globalist NWO, who ALSO does not want people seeing the 3 stands in order:

   A. (1) after WW1 = League of Nations; 1919
   B. (2) after WW2 = United Nations; 1945
   C. (3) after WW3 = UN-NWO; 1990

D. after (4) WW4 = NWO Image AND Scarlet Wildbeast ACTUAL worldwide government 8th King;

This is because the pattern becomes predictable; Globalists are now predictable; Because the 4th Stand will obviously require a WW4 developed, fought, and resolved, to present Daniel 8:25 (1Thess5:1-3) FINAL stand Globalist "World Peace Everyone!" "Freedom From Care Y'All!!";
Knowing this relieves the ability of the XGB to herd JWs to slaughter like a bunch of dumb cows; And the XGB don't want that!

That UN/NWO third stand, proclaimed by George Bush Sr, 9-11-1990 onward, and echoed and proclaimed likewise in the XGB UN/NGO 666ers Awake! 9/8/1991 is the Bethel "placement" of the Disgusting Thing and is crucial to see the emergent pattern, as simple as 1...2...3...4; to End of the N world O!

Rather than explain this historic event fulfills Daniel 11:30-31 as KN NWO globalists AND the traitor xGB WTBTS, they do the opposite, the cover it up, and promote the UN in NWO mode from 1991;

They ignored watershed Daniel 11 activation!

Instead????

3. INSTEAD the XGB promoted the UN-NWO (for 10 covert years), rather than explain biblically what had really occurred at Daniel 11:30-31; And it's effects on the rest of Daniel 11, as that KN is UN/NWO globalists;

Why as well?

4. They can use Daniel 11:43 erred impression of Russia (USSR) to activate Daniel 11:44-45 as a globalist hoax prematurely, as a support segway for furthering the effectiveness of the overall "hoax GT" planned attack on the JW org;

Since the xGB and globalists are actually one operation at work here, they can possibly do all this to fool JWs misled mindset along with a hoax "peace and security", as applied to a decoy national "King North" that must develop for WW4 anyways, but it does not actually apply to Daniel 11:44-45, who will be globalist 8th King UN/NWO powers at Daniel 8:25 parallel with Daniel 11:44-45 AFTER WW4, YEARS from now;

God's Daniel 8:11-14 Judgment not GT

They want JWs thinking this next event is that event of the relatively distant future, but it is not; What is actually coming is God's JW judgment as per 1Peter 4:17 FIRST; The fact is that this 1991 known UN/NWO xGB Bethel Baal sin is the "transgression causing desolation" of the temple judgment prophecy of Daniel 8:11-14;

But the XGB and globalists can just pick up Daniel 11:43 where it left off as alleged USSR, and continue the Daniel 11:44-45 "goes forth in a great rage" to apply to whatever decoy and hoax "KN" and world event they want, WITH the globalist engineered event to develop soon - backed by the xGB leading the JW collective mind to this conclusion; They are working together on this, just like 1991, and 2001, to smash the JW org into oblivion;

They want to smash the JW org, dizzy it in blinded confusion (for years, if possible), to waffle it in cave quicksand for this next 10 years, WHILE the globalists complete their "Next Phase" 10 year super-plan, coming in with this next world super-event series, and that goes to WW4, to BTG asset pillaged and dissolved, to 4th Stand UN/NWO (whatever they may call it at this time), and all the way to ACTUAL Daniel 11:42-45 completed as globalist world powers all the way since Daniel 11:30-31;

JWs will be scratching there head again, "what in the?", "who bankrupted the JW org?" Where is that GT thingy? Why have 2 million JWs drove to the concentration camps with their own vehicles?

HEY! What's going on here GB???? GB help us!!!

They want to do to JWs, what they did at 911 BUT WORSE, as with the UNNGO newsbreak on 10/2001, that bewildered JWs for the whole decade, we are still waffling and denying it all -

Average JW: uhhhh, uhhhhh, what just happen??? What happen???? uhhhh, where are we now? UN/NWO OK with God right?

XGB: Yes Dear JWs, we needed a "library card" honey, everything is AOK, 666, in deep as shinola in the temple now! Go back to door to door land, go back to sleep dear; Think "Peas-n-Securitee, THEN GT", "Peas-n-Securitee, THEN GT", "Peas-n-Securitee, THEN GT", You had a nightmares all; You OK dodo bird JWs, you OK... Worship and Obey, worship and obey... the GB...

So, they want to ding the JWs a last time before the XGB has to go, and they want to stump JWs as long as possible on what this ALL REALLY means after this slam actually manifests;

They want to try to stupefy JWs 10 more years, and by then, the UNNWO will be able to throw the JWs into WW4, with no lights or compass, well after this initial hoax, decoy and bushwhack;

This next event on the JW org, will NOT be the end cycle "GT" finale JWs will believe it is, it will be a judgment (Dan8:11-14), and the whole progression after that judgment, will span across WW4 (Rev11), for years and two prophetic known periods (1150 days and 1260 days, minimum), to Armageddon AFTER WW4, and AFTER the NWO KN Globalist 8th King stands the 4th and final time of Daniel 8:25;

Daniel 8:25 is Daniel 11:44-45 - same placement (image and world system), same world power (globalist KN/KFC), same defeat in both those scriptures; (Rev19:19-21; Dan2:31-44)

If God did not act as per Zech3:2, JWs would be toast, the globalist XGB and the NWO intel powers would have snuffed and disoriented JWs and destroyed the final ministry;

But, no can do;

JWs have a deal with God, He will pound some JW tale (soon), and then HE and CHRIST will finish what the Bible says must be done by prophecy, a second and final Two Witnesses in the future, and that will be the final warning announcement prior to the 144000 Kingdom and Temple ACTUAL completion, under THE REAL KING Christ to smash globalist power (Rev19:11-21) permanently (when they are finally ready; Eze38:7; Joel 3:9-12) and feed them to the dogs and birds as the inferior vanquished powers of Armageddon war (Eze39:17-19) as it is written, so it must be done;
(Daniel 11:36) because the thing decided upon must be done.

And that is why Daniel 11:36 applies to globalist KN powers, they will provide the collective and unified worldwide defiant context for God and Christ to glorify themselves upon as one whole “king”, rather than this and that national power:

The final defiant rival symbology of Revelation and Daniel as one big globalist, worldwide collective multi-national unification attempting to claim planet earth as it's own with the Devil, is the NWO final ground-zero Armageddon “bullseye” of God and Christ at this climax event;

That type of apex collective is what Revelation 16:13-16 indicates;

... The XGB should easily be able to see this, even street and academic researchers can see this globalist evolution not far-fetched - plain and simple NO ONE is as stupid, retarded and dumb as the XGB. UNLESS it is on purpose - NO ONE is this idiotic and blind now-a-days; It is IMPOSSIBLE to be this dumb accidentally;

It MUST be on purpose;

And that is how we know the XGB are purposeful in their planned blindness and purposeful retardation of divine progress in prophecy, to FOOL JWs and to “throw truth to the ground” in cover-up for globalist objectives;

This XGB is rotten to the core; evil men, intel ops, hoodwinkers, laughing at JWs all the while;

And the Fred Franz, USSR hinge-point of 1990-1992 is when they shut down the actual Bible truth of prophecy as related to globalist King North, and instead serve the wildbeast goals and objectives;

NOW it is plain as day, the XGB are full 666 operatives, all globalist intel operational aids; This must be throughout the JW org by now;

Had Fred Franz been even 80, in 1989, NONE of this would have been "conveniently missed" and subsequently covered up, as the globalist intel op Milton Henschel "agency" did, and this XGB still does;

Who can deny the simplicity of the Daniel 11:36 test?

(Daniel 11:36) And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

Who is so asleep as to think the XGB hasn't seen that SIMPLE King North criteria?

Either KN is successful to Armageddon, or it is not; NOW the XGB edit out all 'Daniel Prophecy' book commentary to smoothly bypass and butter Daniel 8:11-25 and Daniel 11:27-45 in fraudulent and erred interpretation;

THEY ARE EXTERNAL GLOBALIST INTELLIGENCE AGENCY FRAUDS working INTERNALLY in the JW org, for a very very bad reason coming up;

But, they fulfill prophecy (Dan11:30), and provide the 666 sin for judgment (Dan:8:11-14), and we can ID the truth of God, by where the main attackers of it are NOW operating in full revelation, LIVE and real-time;

This cannot be made up, with this much Biblical backing, upside, downside, across, cross referenced, it ties the whole Bible together this final MOL temple rot for divine extermination PRIOR to even the 1260 day GT initial cycles;

Of course the actual globalist world event coming up, will answer it all to anyone paying a little attention to all this development; And they plan, like 911, to make it big enough to wobble the whole world another 10 years, and lead it to wherever Globalist KN wants like WW4 and BTG quadrillion so the nations can provide the fuel, of their own post WW4, "freedom from care" "world peace and security" funeral pyre of rev6:12-17; Matt24:29-31 as Daniel 8:25b;

That 3rd UN/NWO stand (1990), PROVES, the globalists use a WW womb, since 1914 WW1, for UN or NWO world government purposeful presentation - it is ALL engineered; That 3rd Stand reveals the highly probable need for a 4th World War to finalize the NWO Globalist KingNorth (Scarlet Wildbeast) 8th King worldwide super-power to zenith;

That is why the XGB covers up that 3rd stand's significance, and all the watershed globalist fulfillment to follow the 1990 UN/NWO stand;

Instead, on 9/8/1991 the XGB stood the "Disgusting Thing" in the Awake! (as knew-bent UNNGO beggar), followed by The Watchtower NWO pollutions, and full Bethel Wildbeast idol worship festivals that went into public awareness 10 years later - the XGB are 666 High-Priest frauds - that is why they keep JWs living in 1990 errors regarding Daniel and globalist world governmental reality;

Reply:

You know something that has always freaked me out, templeelijah?

It is how we received "direction" in times of natural disaster/emergency to pretty much just go along with whatever the government agencies say.

Really? Do whatever FEMA says? Do whatever TSA says? LOL! HAHAAHAHAHA!

============
Yep, they want JWs following this globalist Pied Viper xGB in "lemming mind mode" for evil purposes to become operable in the next world event which may very well be a 911x200 massive worldwide super-development - we shall see, I am expecting a HUGE event to also "conveniently" occur with '1914" in the JW collective mind for the predictable "2014 XGB Temple Decoy and Hoax GT" event with the supporting globalist KN aided extravaganza, providing the "prophetic" cues like hoax "peace and security" to make it all swallowed whole by as many JWs as possible!

A total hoax job on the whole JW worldwide family;

And the xGB will sell it as GT-mageddon as long as they can hang out and muck up and stall the real truth; JEHOVAH AND CHRIST are who will HAVE TO "snatch the JW log" from the Zech3:2 fire;

They have been covering globalist revealing KN bible prophecy up, and brainwashing JWs to obey Caesar and the XGB, to the point of brazen arrogance, and conditioning of the JW mind that is surreal; Like JWs were stuck in a mental freezer 20 years ago;

It is 1990 over and over, every year since then;

Most JWs mentality is stalled in 1990, not just in the Bible prophetic meaning, but also in things the world plainly KNOWS about globalist world government;

At one time, we JWs were the visionaries with eagle eye insight; Now every conspiracy theorist and his mother knows more than JWs about geo-political globalist REALITY and uni-polar globalist governmental evolutions developing worldwide that cannot be stopped but at Armageddon;

JWs have been retarded by the XGB, simplistically bypassed to a hoax GT, and the internet shunning added to the ignorance;

JWs have become just like Christendom, be-dumbed by "men of lawlessness", and the "elder body", in general, enjoys it, because they are power tripper "daughters" of this 'Man MOL Harlot' - the elder body to some degree, has BECOME like the XGB, smug, waffling, arrogant, cold, fossilized, and reactionary, and it is ALL stemming from this MOL;

BUT, we needed to be humbled before the 1000 year reign;

Can you imagine resurrecting billions of people into what JWs are today? No, we need to teach humility, not arrogance and self-right;

Our sword has been dulled and rusted over;

BUT it is all prophecy and God uses all developments for his purposes, this error is allowing Jehovah to make a deep examination of REAL JW motives, for better or worse, in EVERY JW in all the land prior to this judgment cycle;

(That is also why XGB will try to drag the "elder body" into gross sins of judgment upon real anointed and real faithful JWs as this develops, the XGB is going into "coup-de-grace mode of sin spread like a napalm-gangrene bomb of twisted application of scripture to further sins onto the elders, BEFORE this xGB+GlobalistNWO bomb REALLY hits)

What is coming up in the world event MUST be HUGE! Satan himself, like in 1914, will be presenting an amazing parallel distraction to decoy temple and his own NWO kingdom to distract from this coming Kingdom, Temple, Christ and 144000 completion reality!

Satan is also going into overdrive for a decade long haul of diversion and subterfuge distraction;

So, we better stick to God's prophetic Word like super-glue, and get ready for some very strange days to develop as general-population JWs find out we have to go another 10 years, at least, and we have to preach through the blazing heat of WW4 and actual "tribulation of those days' for the whole 1260 day final countdown;

And the org will be in some crippled condition, and the sackcloth of Rev11 will be REAL, as that 1260 approaches over a few years;

There is no reason to leave the org, truth or temple;

There is MORE reason to STAY and watch this all happen!

There is no reason to hate our poor misled brothers, they will be fast-tracked to reality in time, as God actually enters the temple (Isa66:6), as per Mal3:1-5, and prepares the approved JWs for the final ministry - and we can use this whole experience now, and especially in the next system of things as a good learning example of why Adamic man CANNOT be entrusted with any real responsibility - the Christ and 144000 will replace this whole circus;

As Peter stated, if the righteous one is being saved with difficulty, where does the world stand? If JWs were hoodwinked and deceived like this, how blind is the world?!

Humbling JWs will also open the door for a lot of people who will come to understand why the org was so strangely hypocritical, contradictory, and seemed to be working against love and mercy, for fear and icy coldness; We had demon-GB developing since the Schroeder/Henschel days of the 1980 Inquisition, and the GB went down hill all the way, since that first power grasp to lift itself over everyone since 1976 - THAT was the beginning of the apostasy revealing - in hindsight it is obvious, the XGB experiment has...... F A I L E D;

Within 10 years, they went FULL 666 services;

Really, we should have seen from the getgo, after 1976, the GB was already trending towards busy-body smug self-exultation, beating the sheep, and "walking on water" infallible arrogance; What a sad joke really (a masquerade), but it will humble us to never buy humans who call themselves "faithful and discreet" when in fact God and Christ make that determination, hence the question:

WHO really is the faithful and discreet slave?

This is what we need, the GFN Slave!:

...
Luke 17:10 So you, also, *when you have done* all the things assigned to you, say, ‘We are good-for-nothing slaves. What we have done is what we ought to have done.’"

The XGB ever say that? No, they have not done anything but 666 assignments;

WHO really is the faithful and discreet slave?

Certainly not the “evil slave” GB, and as they self-approve and self-appoint themselves into the FDS sole spotlight, we know they are fully revealed frauds, BLATANTLY fulfilling 2Thess2:4 worldwide from the evil slave web;

This isn't accidental; like many think and whine about the xGB, these guys know full well the worship Satan, and they are laughing their Ssss off at JWs that they are fooling; They are fully aware of what they are, who they work for, and what they are doing, and their final objective - and that God has given JWs to them for the judgment to the proper degree; (Jer30:11)

They know all this;

That is why we cannot let their errors, make us hate the brothers, we have to pity them, and have mercy, and wait for the full recovery and that is pretty much the end cycle;

......

Now look at the blatant globalist covering lies they tell regularly in the WT:

**The Watchtower June 15, 2012 – ”Revealer of Secrets” Article - Paragraph 10**

Imposter GB Deception:

"There will be no other world power after the Anglo-American national 7th King."

"The prophecies about the immense image and the wild beast confirm that the Anglo-American World Power will not be replaced by some future world power."

Reality: The “7th Head”, “7th King” Anglo-American national power system will be utterly “replaced” by the globalist “scarlet wildbeast” 8th King, the US/UK national powers will kiss it’s 666 feet.

The WHOLE Dan2 "image" and the WHOLE scarlet wildbeast are the 8th King power system that WILL arise in this next mega-apex-cycle, and WILL go head-on with God and Christ's Kingdom for planet earth!

**Paragraph 19**

"The prophecies of Daniel and John have been fulfilled to the smallest detail."

LOL; Yeah, right!

The prophecies of Daniel and Revelation will REPLICATE to the smallest detail!

....

Yes, the XGB want to freeze-dry the JW mindset in 1990 level of national dominant hoodwinked understanding, keep JWs focused backward on 1914, and cover-up the entire replication of all temple and kingdom completion cycle, final fulfillment mode prophecy of the near future - to bypass us to a hoax GT, that is actually Jehovah's temple judgment for real, not this decoy xGB version underway now;

=========

**JW Org is Given to the 2Horn-Wildbeast as Per Temple Judgment Prophecy**

The main goal of the "GB" is infusing deep sin into the JW system, so that JWs are compromised and given over into divine judgment (Dan8:14); It is the basic biblical pattern of Adamic man, and Israel, over and over and over and over again; And the JWs are NOT immune to it either;

That deep irreversible sin occurred with the UN related adultery of 666 services to the apex enemy system of Jehovah God and Jesus Christ, it is tantamount to Israel of Hosea's time performing Baal worship in the temple;

Bethel's "Baal" is the continued UN "New World Order" promotionals and supporting testimonials of the 3rd UN stand of 1990, after the Cold War (WW3), echoing George Bush Sr's words throughout the Watchtower and Awake! for 10 solid covert years of 666 GB worship;

So, the goal of polluting the JW "fortress" is done and completed now:

(Daniel 11:31) they will actually profane the sanctuary, the fortress, and remove the constant [feature].

And that led to setting up the UN idol at Bethel for 10 years of UN/NGO promotional work with George Bush Sr, starting in time (9/8/1991 "NWO" Awake!):
And they will certainly put in place the disgusting thing that is causing desolation.

The Governing Body of Jehovah's Witnesses is part of the parties in the "they" in "they will certainly put in place the disgusting thing" and they will profane this, that and the other thing:

And that UN666 sin, is this sin of Daniel 8:12 "transgression", in modern times (1991-2001+), certainly not some 1938 JW "org chart" malleasance adjustments as is ludicrously claimed as applying to this massive apex final JW temple cleansing signal prophecy of Daniel:

(Daniel 8:11-12) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place (JW org) of his sanctuary was thrown down. (in the near future) 12 And an (JW) army itself was gradually given over (to the infiltration of Daniel 11:30: "he will have to go back and will give consideration to those (JW Gbers) leaving the holy covenant. And there will be (spiritual invasion; Dan11:41) arms that will stand up, proceeding from him (Globalist KN/2HornWB); and they will actually profane the sanctuary..."), together with the constant [feature] (All the "food at the proper time", UN cover-up, etc, etc). because of transgression (of UN/NGO 666 relations); and it kept throwing truth to the earth (covering up real prophetic significance), and it acted and had success. (as the XGB of today, and a complete JW organizational finance and logistics controlling compromise by globalist intel interests of the 2Homed-wildebast/8th King system for attack purposes in the near future against the final JW ministry)

And THAT is the judgment coming upon the JW house SOON with a globalist engineered MASSIVE world development, not the GT, and the globalist xGB KNOWS the JW org is handed to the 2Horn-wildebast for a destruction to the divine degree; (Isa12; Jer30:11; Zech3:1-7)

The Governing Body is the Man of Lawlessness "head", plain as day (self proclaimed, 11-9-2012); That "GB" experiment in a power-trip failed from incept of 1976-1980, with that ridiculous Bethel Inquisition of 1980, and the busy body policies that came after that, to the absurdity of actually getting on hands and knees to the UN-NWO as NGO for DPI propaganda plugging and world announcements within 15 years of this compromised, in hindsight MOL "body"; and us poor stupefied JWs buy these sinners!

Surreal!

SHAMEFUL!!!!

Absurd! We JWs DESERVE the humiliation that is coming soon!

That is all said and done now. Jehovah's witnesses have sinned against Jehovah and Christ and against the "holy covenant", and continue to believe a UN666 "library card" is a valid reason and excuse to profane God's Holy Name, and to stumble as many people as there are JWs; JWs should be at 12 million minimum; The UN sins alone have stumbled probably 8 MILLION human beings; JW growth rates have been halved since 1990;

And that is what this little hidden message means:

That is not the only hidden pollutions and mockery in the WTBTS:

*Jehovah has His own "agents";*

The XGB/Corporate fake-JWs are restructuring the entire financial framework of the WTBTS to align with the globalist tapestry of investment engineering worldwide, and will continue this secretive work (like the UN/NGO, JWs won't find out until it is way too late), in spite of the fact many in the WT Bethel org KNOW weird things are going on, and remain too fearful, in denial or too stupefied to finger these operations because inside globalist legal and financial "overseers" are setting up the JW org for implosion and seizure of collateral globally (over years of the stranglehold), and no one is saying boo at Bethel;

They are cringing to the GB "Popes", who are apostate and have no spiritual authority anyways, it is all conditioned brainwash of the MOL; Subtle, and now JWs are in the oven; (Zech3:2)

They have bought the operation as legit, and God is allowing it; (Eze7:22) **ALL things must repeat**;

The XGB have inside globalist information of the possibility of nuking Wall Street to aid the cover-up of a 100 trillion dollar timed and controlled implosion to be rolling across the US commencing with the next major globalist event phase to prepare the BTG liquidation phases a few years from now; (As well as other weaker orgs and groups;)

(That event is on the "faith in Action" DVD cover of part 2, as globalists Barr and Jaracz stand their pointing (Barr) to ground zero;)

A similar dollar based implosion will be systematically released in this period across the EU, the rest of the world will be aligned for the 4th placement of world governmental image and super-structure in about 8-15 years, plus minus;

That takes place through the engineered 4th world war, which is the development this will lead to to prepare the globalist WW "birthing womb" for a world government resolution after that WW, as in the 3 WWs prior to it,
2. in post WW2, for UN, 1945,

3. in post Cold WW3 for UN-NWO (in world and WTBTS placement; Awake! 9/8/1991);

4. in post WW4 "peace and security" and "freedom from care"; Dan8:25 = Dan11:44-45

The WW4 event will meet several known objectives of world war, final human sacrifice in that period to Satan for final world governmental privilege, worldwide application of forced or willing 666 determination, implode current financial system into a "new world financial" uni-polar system, set Satan as sole Gog world ruler, and birth the human form of globalist unification at apex 8th King scarlet wildbeast image AND actual world power system with globalized ability to control and depose whole nations;

The XGB want JWs thinking those events developing over 10 years from now, are happening at this next globalist event as GT, but it is a temple decoy cleanse, GT hoax, and all run by the xGB "man of lawlessness" going into full betrayer "son of destruction" mode over the JW worldwide organization;

They are BLATANT and BRAZEN now, JWs are now going into deeper sin, and the xGB will pile on more "Inquisitional" sins against faithful JWs and anointed, to apply as much sin, prior to this known judgment of God coming on the temple as per 1Peter4:17 = Daniel 8:11-14, so the xGB wants JWs DEEP in sin, so that event can be as destructive as possible, by divine punishment decree;

The XGB globalists who run the WTBTS progressively after Lloyd Barry was whacked (the last actual Christian and anointed in the GB), Loesch continues the CIA, BVT, Mi6, BND based intel operation now spanning over 50 globalist sub-groups for control of Watchtower finances and congregational logistics;

This is a HUGE operation on th worldwide JW Org; (And it was easy to infiltrate because JWs but visuals and work quantities as "spirituality": CIA in the US "field" have actually assisted people "into the truth", that is how masterful the deception is, the WHOLE XGB is pretenders)

The WHOLE GB and ZO are all globalist intel operatives - and they will walk out of the WTBTS with over 500 million dollars in secured assets, and they will get a derivatives compromised stranglehold on a billion in WTBTS global properties, at globalist legal levels, to shut-down and or tie up the JW ministry for this next 10 years, to absolute completed ruination of the JW org, as ALREADY being predictively programmed as a known "evil plot hatched" to exterminate the JWs worldwide;

The Temple decoy and hoax GT planned for the JW mindset of 1914=2014 "centennial" temple cleanse, will be aided by a massive globalist worldwide false-flag event, for which the JW org will just be one rotten egg in the basket to be seized and controlled, to debalance and wobble, and if possible obliterate the JW ministry for the next 10 years;

But that is a temple judgment of the actual fulfillment of Daniel 8:14-11, for the Daniel 11:30-31 3rd UN-NWO placement sins and supporting sins of the globalist GB under agent Henschel, Gangas and Schroeder's central lead control to continue placing agents and override and shut up Fred Franz concerning the fall of the USSR, which disqualified the USSR from Daniel 11:36, and all Daniel after v. 36;

THAT OF COURSE CHANGES THE WHOLE MEANING OF DANIEL 11 "KING NORTH"; THE XGB ARE COVERING THIS GLOBALIST KN UP;

...and it calls into question the erred Nazi application of Daniel 11:30-31 as well, because "THEY will certainly place the disgusting thing" is impossible for the Nazi's as they were anti-Brit-elite global-government, and they did NOT exist when the UN was placed in 1945 anyways, so the "THEY" cannot be Nazi Germany, and must be a globalist aligned world power that Daniel 8:14, so the xGB wants JWs DEEP in sin, so that event can be as destructive as possible, by divine punishment decree;

That is why Zech3:4-7, and Hosea 1:4-7 indicate God will intervene as per Zech3:2 JW log snatch from the globalist fires;

The XGB is playing JW gullibility, this cannot be so conveniently stupefied in 1990 thinking, without a "man of lawlessness" manifestation that is actually taking place as prophesied, "in the temple of the God";

That is what JWs are dealing with, but like Israel, are too proud, GT fearful and blind to see it;

That is how the ancient pattern, repeats in every detail; Bethel is going down as the "established place" is thrown down, as per Daniel 8:11-14 in the near future super world event cycle;

1Peter4:17 indicates the JW house is smashed FIRST, then the rest of the prophetic cycles proceed AFTER the JW "throw down", this is NOT GT coming up, JWs are being misled into that thinking so they can be herded to exterminations, interment and prisons, guided by the xGB and ZO, in 230 lands that are all globalist compromised JW operations;

Many CIA are top WTBTS officials - and other globalist orgs similar to the functionality of Mi6, CIA, BND, etc, etc - there are a hundred sub-specialties in that
The Kingdom of God administered by Jesus Christ is the FINAL Uni-Polar Universalist Government that will provide the solution to restore actual life to planet earth that was lost in the Adamic curse, and everything under the Adamic hierarchy of Genesis 1:28:

(1 Thessalonians 5:1) That period of "freedom from care" is also this final proclamation of the NWO 4th placement (whatever they may call it at that time is not known):

(Hebrews 2:14) And through him that subjected it, on the basis of hope that he might bring to nothing the one having the means to cause death, that is, the Devil;

(Hebrews 8:12) having a better covenant, through a better promise of better things to come, and he will execute an oath bound to him that he had made before a merciful act was brought about by him. 

(Hebrews 2:17) For this reason he is the mediator of a new covenant, so that those who are called may have an inheritance that is imperishable.

(Hebrews 8:17) of the middle of the earth and of the waters below, and of the trees producing fruits, and of every tree bearing its kind of fruit from the earth, and of the birds of the air and of every kind of wild animal that moves upon the earth; and the Lord God said to them: 

(Ezekiel 47:1-9) And it must occur that every living soul that swarms, in every place to which the double-size torrent comes, will get life.

(1 John 2:28) And we know that the Son of God came to destroy the devil, and he did this more certainly and more completely. And he will destroy the devil himself, as he said in the apocalyptic vision:

(1 John 5:18) And people will not stop speaking against us, and in the end we will make our way there to continue our work, and we will understand that we are eating the fruit of the tree we found.

(1 Thessalonians 5:1) That period of "freedom from care" is also this final proclamation of the NWO 4th placement (whatever they may call it at that time is not known):

(Hebrews 2:17) For this reason he is the mediator of a new covenant, so that those who are called may have an inheritance that is imperishable.

(Hebrews 8:17) of the middle of the earth and of the waters below, and of the trees producing fruits, and of every tree bearing its kind of fruit from the earth, and of the birds of the air and of every kind of wild animal that moves upon the earth; and the Lord God said to them: 

(Ezekiel 47:1-9) And it must occur that every living soul that swarms, in every place to which the double-size torrent comes, will get life.

(1 John 2:28) And we know that the Son of God came to destroy the devil, and he did this more certainly and more completely. And he will destroy the devil himself, as he said in the apocalyptic vision:

(1 John 5:18) And people will not stop speaking against us, and in the end we will make our way there to continue our work, and we will understand that we are eating the fruit of the tree we found.
What is coming next is another 10 year cycle of the NWO, a 40 year series that began in 1990 with that UN NWO George Bush Sr. series of world announcements; (Daniel 11:31);

This will be the third decade that leads to and through WW4; The last decade, completing 40 years, would have been the final depopulation and earth rebalancing efforts of the NWO powers; But that is cut off after this third phase, as per Matt24:21-22, which is Rev6:12-17, which is at the Matt24:29-31 breakpoint, which is after the final 1260 day series of Revelation 11:2-3, Dan7:25; 12:7; Rev13:5; Rev12:6,14;

Christ's Kingdom and the post WW4 NWO 8th King "Scarlet Wildbeast" will go into apex power at the same approximate time in human history, that is 8-15 years from now, +/-: At the end of this planned approximate 10 year NWO phase;

That is (3) 40 year cycles since +/- since 1910; But the final decade will need to be cut off, Satan also has different final objectives than the NWO, he plans to roast them up as well; (Eze38; Rev19:19-21)

Ultimately Satan abyssing grand finale is what is driving mankind now; (Rev20:1-3), even the NWO is irrelevant when he gets the world to light computing central control, which is only a few years off, they have two light-physics defying developments already in the web news, and that is why this has to stretch past 2020;

The nature of these two developments, and plasmonster implications, will change artificial intelligence and satellite based computing at globalist levels forever, by 2020;

http://www.futurity.org/top-stories/this-laser-is-as-small-as-a-virus

This next decade is the critical 8-15 year segway, this is all approximated, but the NWO have their work cut out for them in this next ten years, it is do or die for them; They are being driven, Satan is under increased pressure as well, he just wants to get that final depopulation network functional, centralized, in nano scales, and under his control, and if it goes to a centralized light-computing network of all these weapons and directed energy systems here, then that is a very real possibility;

Expect plenty of distractions as this next 10 years unwinds, but God will give a full warning and opportunity to anyone, even NWOers, to get with the winning power

Fred Franz died with the USSR;

And when his live and real-time Daniel commentary and attention died with him, the USSR also died in Daniel 11:36;

(Daniel 11:36) 36 “And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

Now even the dumbest JW chimpanzee can see the USSR cannot apply to Daniel 11:36, or anything after it;

Then who does?

The globalist 8th King is who applies to all the sovereign mega-symbols of Daniel 11:30-45, and Daniel 8:23-25;

The so-called Governing Body bypasses this significance to cover for their globalist partners, hiding the significance of globalist world government from Biblical prophecy, and instead, when this was all relevant real-time, the Governing Body started promoting the "new world order" starting with the global 3rd placement announcements of the UN in NWO mode WITH George Bush Sr., before the UN General Assembly - the world placement of Daniel 11:31, and the GB is part of the "they" here:

“And they will certainly put in place the disgusting thing that is causing desolation. (Daniel 11:31)

And that led to the complimentary setting up the UN idol (3) at Bethel for 10 years of UN/NGO promotional work with George Bush Sr. starting in time (9/8/1991 "NWO" Awake!) made GB official here:

(Search "new world order" on the Watchtower Library CD to see 79 WT and Awake! NWO refs in that decade;

"A few days later, President George Bush of the United States addressed the UN General Assembly. The changes he saw inspired him to say: “Not since 1945 have we seen the real possibility of using the United Nations as it was designed—as a center for international collective security.” He said this because “the United Nations reacted with such historic unity and resolve” to the Persian Gulf crisis. “For the first time, the U.N. Security Council is beginning to work as it was designed to work.” He also said: “The United Nations can help bring about a new day” if its members ‘leave terrible weapons behind.’ By doing this, they can complete the “historic movement towards a new world order and a long era of peace.””

……
So the Governing Body is not Christian much less anointed, and are NOT what they are masquerading as; (2Cor11:13-15; 2Thess2:3-12)

They are the "man of lawlessness" publicly fulfilling 2Thess2:3-4; But they already have plenty of indication they are misleading JWs to coup the worldwide org in the next globalist world super-event to stop the final temple completion ministry;

The temple foundation cycle of prophecy is now in final fulfillment mode, meaning the whole temple cycle of 1914-1918, and 1919-1922 is replicating in temple completion cycle, and that includes a modern day "lawless one" IN "the temple of the God"

And this diminishing referencing of these patterning dates related to the first temple foundation cycle of prophecy, is to minimize the chances that JWs will detect a final fulfillment cycle is activating, and that the GB are masterful fraud globalist based intel operations, that is fulfilling prophecy, as the "man of lawlessness" in place for a while now sinning big time, to smash the worldwide ministry of the JWs, in this next decade leading into and through WW4;

They are purposely dumbing-down JWs to Biblical exposure of key prophecy and cycles;

JWs also have another temple judgment coming as per Daniel 8:11-14, as per this replicating cycle;

But they think it is GT and Armageddon, so they can be led about by the globalist operatives in 230 lands at will, when this next "big one" false-flag-terror-war event hits;

Protocols of the Learned Governing Body Infiltrators of Brooklyn

Operation Divide and Conquer

I. Crack the Foundation; Pour in Acidic "New Light"

A. Release "new Light" to soften and undermine the JW foundation and body;

1. That the Governing Body (GB) is the sole Faithful and Discreet Slave (FDS) "new light" blasphemy will do the acidic masterful divisional weakening trick;
   a. Approximately 1/3 Jehovah's Witnesses will be for it, 1/3 undecided, 1/3 will know instantly it is treason; JW foundation will crack into 1/3s;
   b. This will be perpetual compromise of a core teaching related to 1914, opening the door for further "anointed class" symbolic assaults as the xGB (Governing Body rogues) goes to coup de grace operation finale;

2. The purpose is to weaken the Jehovah's Witnesses (JW) body for approximately a year or two prior to full impact of the globalist coup-de-grace iron-fist of financial embezzlement, planned internments, and overall mayhem in 230 lands WITH the next globalist "two-horned-wildbeast" (2HWB) lead move world catastrophic event "911" cubed;

3. You xGB moved WITH the 2HWB handlers in 1991 as UN/DT NWO "placed" in JW "temple" fulfilled Dan11:30-31 in the JW org;

4. That "news" breaks WITH the globalist 911 event, on 10/2001 moved WITH the 2HWB lead;

All xGB moves are WITH the wildbeast boys lead move as a supporting agency; This WILL repeat for coup de grace events until clean out; (Zech3:4-7; Host1:4-7)

GB=FDS will apply the preparatory "divide and conquer" acid to the worldwide association of Jehovah's Witnesses;

5. Let it set in a little; Divide now, conquer later; Set-up Jehovah's Witnesses like a bowling pin, for the next world catastrophic event cycle, globalist 8th King bowling ball impact soon;

II. Hoax Temple Cleanse Neo-Inquisition: Mimic Prophecy Before it Fulfills for Real

A. Begin the parallel "temple cleanse" before the real divine temple cleansing;

1. Defile JW Temple Further: Remove as many real Jehovah's Witnesses and anointed Jehovah's Witnesses as possible, call them dirty infidels, burn them at the Kingdom Hall stake! Onward!

2. Jehovah's Witnesses numbers may start to go flat and drop, but hey! That is because of? TEMPLE CLEANSING!! any negative effects are covered by "bible prophecy" the xGB is fulfilling as FDS for further credibility to MOL!

3. xGB leads the Neo-Inquisition, drawing the Neo-Jesuit "elder-body" into more gross sins and bloodguilt further than just the 8 million stumbled by the UN DT 3.0 in the WTBS in 1991;

4. The "temple cleansing" blasphemy is a subtle mimic prior to real bible prophecy many are expecting, this is the "weed" clean out everyone! Report all murmurers! It is your Christian duty to worship the Governing Body! Help us rid the place of real Jehovah's Witnesses!! Set up the perfect sinful state of Jehovah's Witnesses further, prior to the REAL temple judgment of Dan8:11-14 which will come with the next globalist event;

5. Get a full 1/3 of Jehovah's Witnesses into total condemnation state; (Rev8, FPM)

Destroy as many Jehovah's Witnesses spiritually as possible;
III. Hoax GT: Make Globalist Planned Jehovah's Witnesses Assault Worldwide Look Like GT

A. Tell Jehovah's Witnesses the actual judgment STARTS with them, and that this little xGB "new light" "Inquisition" is that "temple judgment";

1. But in reality this is just a MOL hoax "temple cleansing", they fully well know a globalist attack is coming on the Jehovah's Witnesses system LATER; This is psychological prep work, to set up Jehovah's Witnesses to control them in the "coup-de-grace" finale to come soon after this;

2. So, get this "house judgment" out of the way in the Jehovah's Witnesses mind, thin the Jehovah's Witnesses herd as best you can, and let Jehovah's Witnesses sit and think about it, and we will send forth more "new darkness"; we can release more hoax credibility statements as time progresses justifying great evils, as if it is bible prophecy fulfilling;

B. Now that Jehovah's Witnesses think the Jehovah's Witnesses "house judgment" is about through, though it has not even started yet for real, we can present the actual "house judgment" of Dan8:11-14 as a great worldwide "GT hoax" to herd Jehovah's Witnesses all over the world to internment and slaughter houses; And the Jehovah's Witnesses will follow the xGB Popes like the lemmings follow the Pied Piper; It will look like GT! But it's not!

C. So xbrothers, remember to push GT GT GT and NO expounding reality of any prophecy after 1990, when we manifested full xGB control; Keep Jehovah's Witnesses in Governing Body trance; That way we can herd them to doom that much faster and more effectively; NO QUESTIONS ASKED!

IV. Keep Confounding and Killing Jehovah's Witnesses Until Someone Stops Us

A. The Zone Overseers, who are all globalist logistical internment herders, will have the whole Jehovah's Witnesses system of extermination all mapped out and overlaid over the 230 lands;

1. As the xGB planned "hoax GT" progresses orders of relocation are sent out to the VARIOUS DUPED "elder body" and branch offices, if any one is suspicious we use the WT article predictive programming "brothers, it looks like a powerful government did in fact "hatch an evil plot" to exterminate Jehovah's Witnesses", shoot brothers, they got some of us; The "slave" did warn us of this, so they are of course not involved in anyway;

2. And then keep with that story, and no one will get past the ZOners to question anything! We will box all info and intel in our own circuitry! Jehovah's Witnesses will have no inter communication between themselves across the lands; We can herd, whack and imprison as many Jehovah's Witnesses as we want, with the same formula, over and over and over until finally some elders or branch overseers FINALLY, maybe, maybe not, catch on to our murderous actuality!

3. Even if one Jehovah's Witness "land" figures out we are killing the Jehovah's Witnesses, they are so isolated from each other it could take months or years for them to actually communicate to warn the others! We will have a bloody field day!!!

4. We will just grin and deny it, and split WT "heded" millions in Singapore, Cayman's and Zurich later! Cheers! See ya! Suckers! We will pick up the WTBTS securitized properties later, for the "new world order";

5. By the time the real GT comes, Jehovah's Witnesses will have missed the divine Rev10:11 final fulfillment commission! Mission accomplished! Conquest!

===

That is why Jehovah is the one who must snatch this JW log from the very real fire as this transpires as per prophecy; Zech

In reality, Jehovah's Witnesses will complete the second of "two witnesses" worldwide final ministry no mater what may have creeped into the Governing Body since 1991;

Next on the infiltrated xGB agenda;

The globalists (2HWB/8thKing) have been in the Jehovah's Witnesses org for years (Dan11:30), this is just "coup de grace" time - phase 3, grand clean-up, so the xGB goal is the destruction of the Jehovah's Witnesses ministry and as many Jehovah's Witnesses spiritually and physically as possible;

BUT IT FULLFILLS PROPHECY RECALL! Man of Lawlessness must reveal prior to the world's end cycles; And they will be cycles that will drag by one month at a time for years upon prophecies Jehovah's Witnesses already know well, 2300 units (one time fulfillment), 1260 days (1914 and near future fulfillment) and 1290 days (1914 and near future fulfillment);

WE WILL SEE THESE PATTERNS IN FULL REPEAT BEGINNING WITH THE MOL (xGB) REVELATION AND THE JW TEMPLE JUDGMENT AS PER 1PET4:17 AS DAN8:11-14 MANIFESTED SOON;

So, this xGB knows the JW org is given to the fire; (Zech3:2), that is also their goal;

The Basic Facts of Diversion

The King of the North

Once we see that the Soviet Union (USSR) could not fulfill Daniel 11:36 we know Jehovah's Witnesses are being misled and purposely stuck at Daniel 11:43 expectations in error;

(Daniel 11:36b) ... And he will certainly prove successful until [the] denunciation will have come to a finish;

Anomaly Error One

In fact that 1990 event of the dissolution of the USSR, the end of cold WW3 and the prophetic 3rd placement of the United Nations in global victory proclamation after that war is at Daniel 11:30-31;
The USSR never made it into Daniel 11 much less all the way to Daniel 11:42-43; (All National intrigues in world war are summarized in one sentence in Daniel 11:27: "and nothing will succeed");

With a clear statement of required "success until the denunciation will have to to a completion" at Armageddon at Daniel 11:36 we may ask:

Why is the Governing Body ignoring this easy to see error in application to the USSR failure in Daniel 11?

What's up with that?

**Anomaly Compromise Two**

And that just so happens to be when the Governing Body of the Watchtower Bible and Tract Society joined the United Nations as a global proclamation promotional partner and organization as United Nations Non Governmental organization (UN-NGO) in 1991-1992;

As Fred Franz was being silenced from any comment, and then deceased;

We have to ask, is that all a big coincidence at a critical 3rd United Nations 8th King manifestation after the cold war?

And why is the Governing Body promoting that global proclamation in the Awake! of September 8, 1991 for 10 subsequent years rather than explain this easy to see prophetic critical development?

Why does the Governing Body stick to an error that is easily disproven by the very failure of the USSR?

**Could it be?**

It appears the Governing Body of Jehovah's Witnesses is in fact a United Nations serving core diversion group;

It is in broad daylight, so no one can claim "conspiracy theory", this is blatantly obvious;

**Four Fronts of Attack?**

The other point of logic is that (1) Daniel 8:25 is allegedly "King of the South"; "King of Fierce Countenance" Anglo-American [[national]] world power "standing" against God's Kingdom at Armageddon in the final Daniel 8:23-25 world power apex drive;

And (2) Daniel 11:44-45 is the alleged rival of the "King of the South" as the finale "King of the North" system also "standing" in "placement" of "palatial tents" against God's Kingdom in the "land of decoration" at Armageddon;

Well we cannot have both rival systems making a global sovereignty "placement" and claim at the same time, at the same place; They have to be the same [[globalist]] unification 8th King world power system as (3) Revelation 19:19-21 under Gog at (4) Ezekiel 38;

It is all the same final defiant globalist 8th King system;

**Governing Body is Fraud Infiltration Unit**

This is how we know the Governing Body of Jehovah's Witnesses is compromised and not actually Christian or anointed;

They are setting up Jehovah's Witnesses for a foretold desolation which must connect the Daniel 11:30-31 United Nations worship actions of the Governing Body to the temple transgression of Daniel 8:11-14 at the same time in the 1990-1991 compromise and continued cover up;

That Attempts to Break the Armageddon Globalist Developmental Connection

But it is being revealed as fraud prior to temple judgment;

**Final Temple Prophecy**

---

**Final Temple Prophecy**

**The Sin of 1990**

(Daniel 11:30-32) “And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature]. “And they will certainly put in place the disgusting thing that is causing desolation. 32 “And those who are acting wickedly against [the] covenant, he will lead into apostasy by means of smooth words.

**Systemic Profanations**

(Daniel 11:31a) And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary (anointed), the fortress (organization), and remove the constant [feature] (by sinful secret profanations).
Continued Infiltration
(Daniel 11:32) “And those who are acting wickedly against [the] covenant, he will lead into apostasy by means of smooth words.

United Nations Organization
(Daniel 11:31b) “And they (UN and Governing Body) will certainly put in place the disgusting thing that is causing desolation. (United Nations 3rd placement of 1990)

1. The Governing Body joined the United Nations as the government of the Jehovah’s Witnesses;
3. The Governing Body conceals prophecy that foretold all these events;

Coverup and Diversion
1. This diverts awareness of the prophetic connection of these sinful events to the temple transgression and required temple judgment and cleansing of Daniel 8:11-14; (Zech3:1-10) with false interpretation;
2. This diverts awareness that Daniel 11:30-45 is all globalist King of the North 8th King activities since 1990, not the USSR in 1945;

United Nations Operatives
1. This proves that the Governing Body have been compromised for globalist 8th King objectives in this 1990 manifestation:
A. They squelched Fred Franz commentary,
B. They joined the United Nations
C. They promote United Nations Organization, support organizations, books, and activities since 1991 covert and overtly;
D. They subvert and coverup the actual prophetic truth that the Governing Body aided the fulfillment of prophecy with the United Nations rather than expound the truth of these developments; (Daniel 11:30-31; Daniel 8:11-14);

Man of Lawlessness Revealed
1. By these actions obviously the Governing Body are the "man of lawlessness” control center that are the leading temple profaners, "in the temple of the God” that must be removed from Jehovah’s witnesses as per prophecy and temple judgment-cleanup; (Zech3:1-3; 2Thess2:3-12)
2. Which leads to the temple judgment and priesthood cleansing which they are diverting attention away from; (Daniel 8:11-14; Zech3:1-10; Rev8:2-5; Mal3:1-5)

The Temple Judgment
(Daniel 8:11-14) 11 And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down. 12 And an army itself was gradually given over, together with the constant [feature], because of transgression; and it kept throwing truth to the earth, and it acted and had success. 13 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

Parallel Daniel 11:30 Profanations
(Daniel 8:11) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down.

Describes the Infiltration
(Daniel 8:12a) And an army itself was gradually given over, together with the constant [feature], because of transgression;

Describes the Coverup
(Daniel 8:12b) and it kept throwing truth to the earth, and it acted and had success.

Describes the Transgression
(Daniel 8:13) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation (connected to the "disgusting thing that causes desolation", to make both [the] holy place and [the] army things to trample on?”

Prescribes a Timed Temple Judgment and Cleansing Period
(Daniel 8:14) So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right
Parallel Fulfillment

Thus Daniel 11:30-31 and Daniel 8:11-14 are explicitly connected to the same set of Governing Body led actions, coverup and continued diversions to meet 8th King goals commencing in 1990 with the United Nations third world placement:

The Governing Body is diverting attention away from all this by continuing the illusion that the USSR in 1945, rather than 8th King UN globalists in 1990, are the genuine "King of the North":

That conceals from the world and Jehovah's witnesses critical globalist world developments that fulfilled prophecy in 1990, and continue to fulfill prophecy that will severely affect Jehovah's witnesses in the required temple judgment that the Governing Body are also concealing as UN operatives;

More GB Info - and a New Strategy to Get Around this Frontal GB Exposé as Needed

Now I see, in the excitation of seeing all this "lawless one" requirement in the final temple inspection and clean out phase, a frontal assault on the GB 816 may be the wrong approach. I call them the 816 because the latest GB with "Sanderson" (slanderson), makes 8 guys, with 16 chins between them.

Lloyd Barry, (GB 1975–1999), was probably the last genuine anointed with any authority in the writing and teaching areas of committee development.

As you may know he "dropped dead" while giving a talk in Hawaii in 1999 (July 2).

In my opinion Barry was the last "loose end" real anointed with authority to oversee writing, and the possible subsequent realization of the UNNGO ramifications as big sin to break as scandal after his death. I feel he was killed and had another 10-15 years in him or more; From that point, "writing" development was sealed up for the infiltration. impotent sideline anointed with no influence were tolerated, as far as governing body teaching (or appointment), and were going to also vanish in time, naturally, or who really knows how; if you know what I mean;

John Barr ended up as Barry's "replacement" overseeing writing according to some sources, no doubt controlled or an agent himself, hence the Barry removal made way for this "stagnation agent" in doctrinal non-development, the guy pointing at the explosion on the Faith In Action, Part 2, DVD cover is John Barr.

I have no idea about Jaracz, but both him and Barr exited in apparent death in 2010; Now it is all locked up for the infiltrators;

But since Henschel was a strong influence in the GB and corporate things since 1991-1992 (When Franz went physically incapacitated and died 12-22-1992), Gerrit Losch ("Garrote Leash") was plopped in (1994) as apparent future ring-leader to assume Henschel's role upon his exit (2003) (in my opinion);

Now look at this flimsy GB imposter list experience:

Active

Samuel Herd (1999); years GB: 12
Geoffrey Jackson (2005) 7
Gerrit Lösch (1994) 18
Anthony Morris (2005) 7
Guy H. Pierce (1999) 12
David H. Splane (1999) 12
New: Mark Sanderson (2012) 0

(Even their names have dual meaning in most cases; All are in AFTER the main infiltration UN/NGO event of 1991; Notice NO ONE transitions from 1980s GB inception, 1977 (Sydlik) to 1994 (Losch) is a 17 year "gap")

They made sure no pre UN "old timers" were transitioning in, in my opinion, hence this younger GB with no experience in comparison with past GBs. This "GB" are now all in place, in my opinion, all globalist operatives now - even the experience level is questionable to have all newbies "in office":

Look at the overall experience years in the GB compared to the past:

Deceased

Frederick William Franz (1944–1992) 48
Lyman Alexander Swingle (1945–2001) 56
Milton George Henschel (The lead agent in my opinion) (1947–2003) 56
Carey W. Barber (1977–2007) 29
John E. Barr (1977–2010) 32

(GB members who overlapped into UN/NGO)

You can see from the dates the formation of this active ring proceeds after Gerrit (1994) with no one earlier than 1994; That's why Barry had to be put out of the way, he was a seasoned WTBTS anointed (in my opinion) writer and had authority in that committee; His death is suspicious in this context;

Please read all of this;

= =

BUT This is an update on a new strategy and a couple points.

New Strategy

The thing we need to focus on, is not the "inflit-traits" GB, but on the Zechariah 3, Malachi 3, Rev 8:2-5 GUARANTEED Temple cleansing events that kick off the rest. Eventually that progression leads to the "lawless one" because it has to, it is part of the cycle as in 1914 - by then, people see this is Biblical FIRST, then the "man of lawlessness" is just a part of a far bigger, fully scriptural picture;

As we see, "temple inspection" was JUST as Jesus said, like a thief, most JWs have NO idea inspection is basically completed now, now it is time for the judgment cleansing of Zech3:2/Rev8:2-5, THEN the 7 trumpets to follow at an unknown time;

See, if we can get JWs to consider the bible's own word and prophecy which defines Temple inspection and cleansing very well, in final temple completion mode, the "man of lawlessness" just becomes part of the overall more important story, that is what must be 'cleansed' from the temple, hence it is the main reason why the temple needs to be inspected and cleansed, because the bible already indicates Satan will continue to infiltrate until he is abyssed.

Same with this lawless one, if Jehovah and Christ did not act, they would end up corrupting the JW organization and religion to FUBAR, it would all be history; This "cleansing" is by DIVINE, not human means, we just get to announce it prior to commencement;

BUT, Jehovah and Christ will not let that corruption beyond repair happen, and 20 years of these befouled GB "rat droppings" in the temple is long enough, it cannot go on another 10 years or it will be unrecoverable.

But the context that better reveals that, I see now, is explaining Zechariah 3-4 and Haggai's significance at temple completion AFTER the foundation work;

That leads to all the 1914-1922 characters and events, and time periods associated with this temple foundation work, but this activation of final temple completion prophecy (in the near future), has the same characters and events/periods as before, like the "man of lawlessness", the "weeds", the foolish virgins, the "two witnesses", the wildbeast attack (Rev11:7) the 1260 the 1290, etc, ALL that has to have a temple completion inspection, cleansing and Rev10-11 commissioning fulfillment, BUT with final permanence, global scale, and JW temple focus, NOT Christendone any longer;

See, once we see this is ALREADY in the bible, we can shoot down the argument that we are "making this all up" from our own imagination, or are "wise in our own eyes"; Sorry folks, Zechariah is AFTER temple foundation, it cannot apply in final major fashion in 1914, because that was a temple foundation.

Zechariah is NOT human wisdom, it is very angelic and of course from divine origins, but Zechariah has a lot of angel, face to face, communication, and a lot of direct angelically assisted operations like ch. 3 and 6. Zechariah is as important to temple prophecy of completion as Daniel is to kingdom prophecy of completion; Zechariah is the Hebrew "Temple Revelation" so to speak; Zech4 accompanies Rev11, and all Zechariah has features throughout Rev8-11 parallel with Rev15-16, 19, 20.

It is the ultimate Temple prophecy of the Hebrew scriptures for divine details.

SO OF COURSE A REAL GB OF ANOINTED WOULD HAVE ALREADY HAD 10 SOLID YEARS (Minimum) OF WATCHTOWERS AND BOOKS UPON THE ZECHARIAH TEMPLE COMPLETION THEMES, AND IT'S IMPORT AND CONNECTION TO REVELATION!!!

BUT THEY DON'T - AND THAT IS A RED RED RED FLAG

WE ARE NOT MAKING THIS UP! THIS IS ALREADY IN THE BIBLE!!! IMPORTANT STUFF!

All it took was God activating it to awareness prior to activation, the "sparking" of Revelation 8:2-5;

REVELATION 8:2-5 IS THE KICK OFF SEQUENCE THAT ALIGNS WITH ZECH3, AND LEADS TO REV 11 AND ZECH 4;

That is what we need to tell as many people as we can about.

= =
AND VERY IMPORTANT

We do not know how long Revelation 8:2-5 and Zech 3:2-9 will take.

We do not know how severe this globalist infiltration will be in "coup de grace" finale on the org, which infiltrative apostasy is also shown in Daniel 11 in even initial fulfillment mode BUT in globalist world power paradigm significance as a secret covert action to infiltrate JWs:

See how the apostate traitors are developed, "given attention" here AFTER WW1?:-:

(Daniel 11:30-32)

Infil-traitors:

“And he will actually go back (after WW1) and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant.

Manifested objective completed:

31 And there will be arms that will stand up (think spiritual warfare in this covert action), proceeding from him (KN-2HWB globalists); and they will actually profane the sanctuary, the fortress, and remove the constant feature. “And they will certainly put in place the disgusting thing that is causing desolation.

And more Infil-traitors:

32 “And those who are acting wickedly against the covenant, he will lead into apostasy by means of smooth words. But as regards the people who are knowing their God, they will prevail and act effectively.

See how apostate traitors are mentioned before AND after the "disgusting thing" injection? In this case covert and secretive;

Well, yes, that had a fulfillment in Christendom and WW2 true, BUT it has more meaning NOW IN the JW temple.

After WW1, the real globalist KN system came to realize, the more you attack and frontally assault JWs, the bigger and stronger they become, the more they spread, that is a futile strategy. It does NOT work, the globalists figured this all out in the WW1 period trying to war on JWs.

See what I mean? Time for globalist "Plan B" was logical;

The globalist KN powers of the 2HWB faction, that runs the 8th King "scarlet wildbeast" ALL making up the globalist "King of the North" REALIZED they needed a NEW STRATEGY INSIDE THE JW ORG to be more effective over time they:

finally old KN globalists, as per prophecy "give consideration to those leaving the holy covenant"

- at that time after WW1, from 1919 forward... This has relevance because they were ALREADY using the Christendom frauds since even before WW1, these are different ones "leaving the holy covenant", this is focused on and in JWs and the org;

See, apostasy, that is not completely effective from the Christendom location as well, Christendom can only create frontal assaults and persecution - that only makes JWs grow. What the globalists needed was INSIDE traitors inside JWs and the org, to do a new strategy, far more spiritually damaging from inside - and that kind of infiltration and planning takes time - but the planned "wham" is BIG and Daniel by God says it was brewing since after WW1.

So, Daniel 11:30-32 implies that after WW1, the globalists started planning to get INTO the JW org, by infiltration means, from within, and they did, BUT they did not act in a major way - it took time, until "he who acts as a restraint", Fred Franz, who was Rutherford's developing counselor on scripture, and was Knorr's right hand man, then Franz himself became president and lead GBer, when he was "put out of the way", incapacitated at 98 years of age blind in 1991, and who died by 12-1992 - then they made the big move.

In that state is when they pulled fast moves immediately - the UNNGO-DPI relationship and wildbeast campaign in the Awake! and Watchtower for 10 years;

THAT is when, a second fulfillment, a covert fulfillment, of Dan11:31 manifested, after much planning and infiltration:

31 And there will be (infiltration) arms (in spiritual warfare against the brothers, from the globalists) that will stand up (become active in the JW org), proceeding from him (globalist KN); and they will actually profane the sanctuary, (with the UN relationship and sins - 1991-2001) the fortress (the JW org), and remove the constant feature. (JW top-down worship became "befouled" (Zech:3:1-3 "fouls" activated))

“And they will certainly put in place the disgusting thing (that is causing desolation. The UN became linked to the JW temple, INSIDE it, by the UN/NGO affair being initiated and still condoned and justified)

= Now Daniel 11:36-41 is an alternative recap of Daniel 11:27-32, it too, get this, shows the "disgusting thing" infiltrators as "entered" into the "land of decoration" (JWs):

(Daniel 11:40-45) (Since after WW1) “And in the time of the end the king of the south will engage with him in a pushing, and against him the king of the north will storm with chariots and with horsemen and with many ships; and he will certainly enter into the lands and flood over and pass through.

Notice this FIRST "land of Decoration" entered in v. 41? Then AFTER this, there is a second "Israel" location in v. 45 later, the final one in the future**

41 He will also actually enter (with infiltrators) into the land of the Decoration (1), ( in other words, infiltration UN/NGO) and there will be many [lands] that will be made to stumble. But these are the ones that will escape out of his hand, Edom and Moab and the main part of the sons of Ammon. (Those escapees "Edom, Moab, Ammon" are classic enemies of Israel in the bible, they are the traitors in this covert mode of prophecy, that is happening at the initial fulfillment leading into, and
underlying, the final fulfillment in overt mode as well)

Well "many [lands] that will be made to stumble" [lands] is inserted, it can read "many that will be made to stumble" due to this action of "He will also actually enter into the land of the Decoration". That could just be as easily "many [people] that will be made to stumble".

That "entry" into "decoration" (JWs), was the UN/NGO in 1991 AND the infiltrators ("arms that will be made to stand") that manifested it. Now true, this will all have in final fulfillment mode, an overt, visible world known event as Dan11:42-43 climax in globalist ownership of the national powers as per Rev17:12-17 and that climax as at full "Armageddon" of Dan11:44-45; BUT, in covert stealth mode, this does apply to the secret infiltration operation begun in Daniel 11:30-32 "infl-traitor" planning on "those leaving the holy covenant" as defined among JWs after WW1, and results in the same thing, in v. 35 and 41, after that secret offense goes public: "stumbling";

(Daniel 11:35) And some of those having insight will be made to stumble (after the "disgusting thing" as the UN/NGO) (Well, in 10 years of scandal press, millions have now stumbled on just the UN debacle, not to mention the "Pedophile Paradise" the GB also are supporting;) BOTH Daniel "disgusting thing" and infl-traitor "entry" prophecies have evidence in the JW org, and traitors are connected to the inception at Dan11:30-32 developed by the real, globalist, KN powers centered in the 2HWB;

42 And he will keep thrusting out his hand against the lands; and as regards the land of Egypt, she will not prove to be an escapee. 43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. And the Libyans and the Ethiopians will be at his steps.

= These v. 44 "reports" CANNOT happen until AFTER the temple cleansing, because those "reports" are from information in the "little scrolls", sovereign doom information for KN, which this GB is NOT delivering; They are KN "hand-maidens" and implanted agents instead - the infl-traitors are in there and they will NOT be approved to deliver these messages, they do not want to even identify globalist KN;

= 44 “But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction.

The final DT stand:

**45 And he will plant his palatial tents between the grand sea and the holy mountain of Decoration (2); and he will have to come all the way to his end, and there will be no helper for him.

= So, we see two separated "land of decoration" entries described in the above, that can apply to the very real events of the future, BUT also apply to the secret events since after WW1 and manifested in 1991 in the UN "disgusting thing" STILL housed in the Watchtower "temple" in v. 41 (That has fulfilled in this covert meaning);

What is worse, these infiltrators may have cut off the official UN/NGO-DPI relationship in 2001, BUT the real relationship continues on and on, and that is where also the "profane the sanctuary" is active since 1991 to today, even if they cut off the UN relationship officially, unofficially it is still an active infiltration to keep the "disgusting thing" in the JW temple; hence "befouled garments" all over the place: "Joshua" anointed, the temple, the "fortress" org, the land (all JWs), the "constant feature" is befouled, it is all polluted by this development that is STILL active;

Of course in time Jehovah MUST clean them out; They are in so deep and so effectively they need to be removed by God as per 2Thess2:3-9 parallel to Zech3:2-9; Mal3:1-5

---

**Prepare**

So, we do not know how serious this will get, and that is why it may take a year or two or three, who knows, for JWs to figure this out EVEN AFTER the big event, BUT what we are working on now from Jehovah through Christ from the Bible ALREADY written down as guaranteed prophecy, is what JWs will need to accept;

That is why you and I have to make records of this all over the internet and privately, we do not know exactly how Jehovah is going to ripple all this in, BUT HE WILL, IT IS ALL PROPHECY, AND IT IS ALL THINGS ALREADY IN THE BIBLE, THAT JWS WILL HAVE TO ACCEPT, THE Rev8 "2/3's" that get through this, and those in the 1/3 state that may repent;

Also, this will very likely be a 'thief in the night' event as usual, and most JWs will be blind-sided, just the way it is when we let a progressively dying GB run the show like a bunch of popes for 20 years, now they are a full comatose cadaver; OF COURSE JWs will be affected big time!

Plus, this may hit WITH a globalist MASSIVE hit on the world and the org at the same time;

A "THIEF IN THE NIGHT" GRAND SLAMMER! BOTH JEHOVAH AND THE ENEMY SYSTEM GLOBALISTS ARE GUARANTEED TO HIT THE TEMPLE HARD!

THE GLOBALISTS WANT TO DESTROY IT, JEHOVAH JUST WANTS TO CLEAN IT, AND FINISH THE TEMPLE COMPLETION WORK AND FINAL COMMISSION;

SO, YOU HAVE A COMMISSION, OR ELSE JEHOVAH WOULDN'T TELL YOU ALL THIS, SO WE HAVE A PREVIEW, SO WE NEED TO TREAT IT WITH THE IMPORTANCE IT HAS, IT IS A REAL MISSION, AND IT WILL IN TIME CHANGE JEHOVAH'S WITNESSES THINKING FOR THE FINAL LEG OF THIS END PHASE.

It is also well suited for the internet field too boot!
Things are not as they appear, and this GB wants it to stay like this, befouled, disapproved, sinning, stalling as long as needed to whack the JWs worldwide in the JW "1/3" that will not be entering, not counted as sheep;

WITNESSING WILL BE A GREAT IMPERATIVE; WE DO NOT KNOW HOW THINGS WILL DEVOLVE EVERYWHERE ON EARTH.

UPGRADED AND APPROVED JW MINISTRY LEADING TO AND THROUGH THOSE PERIODS

JEHOVAH IS MAKING A RELIABLE 1260 AND 1290 "TWO SQUARE" MAP TO THE END OF THE WORLD, THAT WILL HAVE AN UPGRADED AND APPROVED JW MINISTRY LEADING TO AND THROUGH THOSE PERIODS - OBVIOUSLY "INFORMAL" WITNESSING WILL BE A GREAT IMPERATIVE; WE DO NOT KNOW HOW THINGS WILL DEVOLVE EVERYWHERE ON EARTH.

Also, there are many in the world now, that will become JWs whether officially or not, and be saved that do not understand this yet; conversely there are some frauds in the JW "1/3" that will not be entering, not counted as sheep;

Things are not as they appear, and this GB wants it to stay like this, befouled, disapproved, sinning, stalling, stumbling as long as needed to whack the JWs worldwide as many times as they can, or maybe one huge event, we do not know exactly - BUT Jehovah will resolve this, yet, it may be very traumatic; This MAY be the "shepherd" being struck, not certain on that; But in any event, it will be noticeable, and may have other events from the opposition occurring along with this fulfillment;

The point is we do not know how deeply into the 1290 this will extend; Rev14:1 is a 1290 commencing event;

Another point is, without appreciating this all in a final fulfillment guaranteed, JWs are missing a ton of light and understanding; They are being dumbed down to be herded to extermination in anything that even resembles GT, like a massive globalist world event that cannot be GT yet, but can be used as a hoax to herd JWs like GB "pied piper" "lemmings".

That is why this GB focuses only on GT, with a simplistic view, totally bypassing this entire body of final fulfillment cycle that explains deep GT is a ways into and after "the tribulation of those days" on BTG; (Matt24:29-31)

They also do not explain the judgment STARTS with the JW "house";

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God.

===

JWs Have to Preach To and Thru GT+

This is more evidence this GB is lost because if things went on the way they are going, Armageddon climax, which can be ANYTIME in the 1290, even at the end of it, would come, and people would NOT realize they can still repent through GT and even into deep GT in the 1290;

Right now the GB teaches a view of GT that makes it sound like that is the end of it, when in fact the 1260 will overlay "the tribulation of those days" on BTG in some way, and that will be the CLIMAX anointed JW ministry - by association it will also be the CLIMAX "other sheep" ministry as well, that means JWs preach THROUGH GT, not just to GT;

An error like this, would of course jeopardize millions of lives, so however Jehovah does this, he will make all this as clear as a bell for not only JWs, but the WHOLE world that can accept it;

JEHOVAH IS MAKING A RELIABLE 1260 AND 1290 "TWO SQUARE" MAP TO THE END OF THE WORLD, THAT WILL HAVE AN UPGRADED AND APPROVED JW MINISTRY LEADING TO AND THROUGH THOSE PERIODS - OBVIOUSLY "INFORMAL" WITNESSING WILL BE A GREAT IMPERATIVE; WE DO NOT KNOW HOW THINGS WILL DEVOLVE EVERYWHERE ON EARTH.

For it is the appointed time for the judgment to start with the house of God.

For it is the appointed time for the judgment to start with the house of God.

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God.
Then of course it will be obvious to most JWs, "time to actually study the bible like it hasn't all come true yet", and they will, and the answers are already being opened by Jehovah now, in anticipation of this "wake up call"; Zech4:1; Rev11:1

More GB Coma for JWs

The point being, this GB is saying, WT-6/15/12 -

"all the prophecies of Daniel and Revelation have fulfilled to the smallest detail".

Not true.

In fact the WHOLE Cycle repeats!!!!

Then they sat, WT-6/15/12 -

"There will not be another world power"

Not true.

In fact the biggest most powerful world power 8th King, KN complex with 2HWB will arise in finality as the FINAL human world power; That is why he is King 8.

Now they are starting to outright lie in print; Jehovah will not tolerate this "lawless one" much longer;

====

What I am saying is JWs will need to be put on the understanding fast track QUICKLY, and it is prophesied here in light and explanation:

(Revelation 8:5-6)

Cleansing:

5a But right away the angel took the incense vessel, and he filled it with some of the fire of the altar and hurled it to the earth.

Enlightenment and explanation:

5b And thunders occurred and voices and lightnings and an earthquake.

Preparation to be under these 7 angels in full approved commission to follow:

6 And the seven angels with the seven trumpets prepared to blow them.

= 

This is all part of this process we are seeing open up in the Bible from Jehovah;

(Amos 3:7-8) For the Sovereign Lord Jehovah will not do a thing unless he has revealed his confidential matter to his servants the prophets. 8 There is a lion that has roared! Who will not be afraid? The Sovereign Lord Jehovah himself has spoken! Who will not prophesy?'

So we have to prophesy that it is already in the Bible;

See, we DO NOT have another 20 years to play dead like this GB was having us do, once that "lawless one" is exposed and dumped; Time is too short for Jehovah to haggle with the fossilized GB;

JEHOVAH AND CHRIST will be blasting truth in like you wouldn't believe, we do not have even 5 years to sit around haggling all this, so Jehovah is finishing it all up, FROM THE BIBLE ALREADY WRITTEN, just needing a fast-track scripturally and logically backed rationale and explanation that Jehovah opens in His time;

And now we just have to continually make it accessible for Jehovah's and Christ's angelic use all over the world, and HE WILL use it in His own due time, and He will open it all to a complete truth, BEFORE it all comes true further than Revelation 8:2-5, which will just be a "God Slap" in the face to the JW system to Rev11:1 GET UP!!!!!;

The Grand Finale awaits, NO we are far from done! LOL

===

But also remember the context; This is heading for 100% Kingdom of God completion within at most 118.36 years from 1914 October, as 120 years of 360 day lunar years of the "days of Noah" (Gen6:3; Matt24:27) and 7 of those years is in the 1260/1290 end period; That would put total 1260 beginning at 2025;

But this is speculation, maximum time period, it may well be shorter; The point is, these changes coming into the temple arrangement and org are not to continue a human based system on earth as is now the case even with the anointed; This will provide lessons for the 1000 year reign, a final lesson in God's prophecy and letting men get too much power progressively over time EVEN IN God's own arrangement, this is how Adamic man ends up;

But Jehovah will recover this for his own final ministry that He will cause:
(Revelation 11:3) And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth.

So along with the Zech 3 clean "robes of state" finality of completing the 144000, will be guaranteed "sackcloth" for the anointed and by association the whole JW flock; This is the priority that has to come forth as this "befouled" state is resolved, for it must be resolved, as you see, this is NOT the priority of this GB and they are now attempting to mislead JWs to miss the whole final "two witnesses", and in fact may very well attempt a final "coup de grace" to whatever degree they can with the aid of their source globalists, to debalance, bankrupt and destroy the JW ministry permanently; God will NOT allow that 100% success, but they may very well slam the org good, yet that cannot stop the final "two witnesses", it will fuel it;

They are fighting God, and in this progress He will take the velvet gloves off shortly and neutralize the enemy to also a completion, that is what is coming in time, and in not much time even if we extended it 120 years from 1914;

We are going into the end cycle, the world will not be ready, many witnesses will not be ready, but God will get them ready, and the world will have to go into the phase it has been warned about for 100 years and more from the Bible;

New Strategy: Proof of Temple Completion Mode

= Prophetic Modes That Repeat Prophecies to Progressive Finale

[Modes: Ancient, Christ Era, 1914, Future Finale]

= From the Beginning - The First Prophecy

From the first and oldest prophecy at Genesis 3:15, springs all subsequent prophecy in the restoration of the divine blessing; (Gen1:26-28), turned to divine curse by sin; (Gen3:6-24; Gen1:23) by God's "seed":

(Revelation 19:10) the bearing witness to Jesus is what inspires prophesying.

Thus by Revelation 21-22, the entire blessing and perfected "image of God" is returned to mankind by a "seed" in human perfection; Jesus Christ who is also called Last Adam (1Cor15:45), replaces the foremost "seed" of Satan in sinful Adam, and the sinful woman Eve with himself as Eternal Father of mankind (Isa9); The Bridal recovery new "woman" (Rev21:1-5) provides the procreative counterpart; These also destroy the Devil and the demon rebels; (Rom16:20)

Thus by Revelation 21-22, the entire blessing and perfected "image of God" is returned to mankind by a "seed" in human perfection; Jesus Christ who is also called Last Adam (1Cor15:45), replaces the foremost "seed" of Satan in sinful Adam, and the sinful woman Eve with himself as Eternal Father of mankind (Isa9); The Bridal recovery new "woman" (Rev21:1-5) provides the procreative counterpart; These also destroy the Devil and the demon rebels; (Rom16:20)

That priesthood of 144000 are all under the High Priest Jesus Christ for this purpose related to recovery of human beings, to transition them out of Adamic lineage, which is terminal, into the lineage of Jesus Christ the perfect man purposed to provide this life replacement of Adamic paternity; (Ps110; Ps2; Heb5-10) The 144000
perfected in Christ's "life giving spirit" (1Cor15:45) of 'last Adam' provide the maternal perfection as Christ's 'Bride'.

Replication Teaches Growing Significance

The types developed in ancient Bible history and prophecy and Israel's ancient and early types, have repeated in numerous ways as God develops these themes in the context of human history and Satan's sovereign rivalry developed in human power on earth; (Dan2, 7, 8, 11, 12; Rev 13, 16, 17)

Christ's history on earth culminated much Hebrew prophecy, and that "daystar" of light development made certain the prophecies hinging on Christ are also certain to fulfill in singular or repetitive fashion; (1Pet1:19-21)

In the Christian apostles by divine inspiration many types are developed to identify their progressive and final antiypical meanings. Jerusalem and Babylon have taken on dual meanings in typical and antiotypical forms; The kingdom and priesthood have done likewise; David has pictured Jesus Christ, as has Melchizedek, Isaac and Moses; Abraham pictured Jehovah;

In such developments of deep meaning, repetition has been used by God to teach the principles of the final forms of Christ's person as seed, Son of God, King, Priest, Judge, the anointed Christ of God. The Mosaic law covenant provided types of antiypical sacrifice for forgiveness of sins, and Lamb for deliverance to union, salvation and perfection in both human and spirit realms of Christ's perfection and existence;

Many patterns repeated at Christ's manifestation; For instance, Zechariah 3-4 had a typical fulfillment in 520 BCE to 515 BCE at the completion drive of the Jerusalem earthly temple; That type repeated in Christ's day as an approved "priesthood" was delivered from the befouled Pharisaic and other abominations of Aaronic and Levitical priesthood of Israel;

That type repeated in a minor form in 1914-1922 as the anointed of Jehovah were cleansed from a Christendom Babylon tainted "temple" system for approved and commissioned "temple foundation" "robes of state" (Zech3:2-9); But of course, logically, that prophecy's greatest fulfillment will be at the great temple completion of the near future;

Well Defined Temple Focus

That far more intimate and well defined "temple" is now the anointed of Jehovah, those professing anointing and "those worshiping in" that temple system completely separated now; (Rev11:1) Christendom has nothing to do any longer with the "temple of the God" since 1919 onward; (2Thess2:3-9) and was removed for this purpose of a well focused and defined final temple. This isolates the temple completion phase inspection and final cleansing of the near future devoid of such a "befouled" abomination;

Logically as well, if Jehovah inspected and cleansed the temple foundation phase, it stands to reason of course He and Christ will inspect things closely at temple completion phase;

Zechariah 3-4 Fulfills Four Times

That is why Zechariah 3-4 has four cycles as shown in Israel typical Jerusalem Temple (520-515 BCE), Christ era (29-36 CE) "Temple"; (John2:18-22), Anointed temple foundation1914 CE and the near future anointed Temple completion. This final cycle of inspection and cleansing operations of the near future will trigger a replication of the whole 1914 cycle after but in final fulfillment mode, because temple inspection and cleansing is by fire refinement and judgment as Malachi 3:1-5 also replicates now (inspection; judiciary; Zech3:1) and in the near future;

All the events, periods and significance of prophetic meaning, but in climax finale form worldwide and in the temple, must also repeat as experienced by tested Christians in 1914-1926 of anointed and earthling destined "sheep";

Zechariah 3-4 Proves a Final Temple Inspection and Cleansing

This is why Zechariah 3 activated past Zechariah 3:1 judicial scene, the current state of Jehovah's witnesses temple system "High Priest" (Zech3:3 "befouled" reality), will launch Revelation 8:2-5 "altar" "fire" cleanse commission (Isa6) and the "seven trumpets" finale all the way through Revelation 11 paralleling Revelation 15-16 to temple completion; This is also Kingdom completion and conquest as highlighted in Revelation 11's temple (Rev11:1-4; 11:19) and kingdom (Rev11:15) significance; Revelation 11 is Zechariah 4's Christian counterpart prophecy of temple completion principle (Christ "headstone" Zech4:6-9); ("two anointed ones" Rev11:4; Zech4:14);

More Proof of a Final Temple Inspection and Cleansing in the Near Future

1. The great significance that cannot be denied is in the Zechariah and Hagai types: They were both written around 520-518 BCE after temple foundation for prophetic motivation by divine guarantee. That principle must apply to the antiotypical temple completion as well;

2. Both prophecies imply a "visitation" (Hag2:1-7) upon the priesthood and temple (Zech3:1-4) prior to temple completion; (520-515 BCE), The priesthood cleansed, approved and commissioned in "robes of state" after temple foundation; (537-536 BCE); (Zech3:2-9; Hag2:13-19)

3. Though this can apply in minor principle in the anointed Christian periods leading up to and through 1914, but that was a temple foundation phase; The Zechariah 3 cleansing type of the priesthood is after temple foundation as shown, just before temple completion, after the temple foundation phase;

4. That is when the Zechariah 3-4 prophecy climaxxes in major final form in the near future, after 1914 temple foundation at the coming cleansing for temple approval, final commission (Rev 8:2-5; Rev10-11) and completion;

5. There is no way, divinely impossible, that Zechariah 3-4 cannot have a final fulfillment in major form at the completion phase of the antiotypical Temple of Jehovah which is the 144000 completion under Christ as "Head Stone" (Zech4:6-9) as he was also "Foundation Stone; (Isa 28:16; 1Pet2:6)

This is the whole climax of the bible with Kingdom completion for this pre-Armageddon period!
6. There is no way Jehovah is setting a "Head Stone" in the Christ; (Zech4:7b), in the Temple of Jehovah; (Rev3:12) as a final crowning achievement of permanent divine coronation upon an incomplete "temple" architecture, that is, upon an incomplete 144000 in resurrected spirit glorification; The 144000 MUST be complete for this event, before Armageddon climax, for it in fact;

7. The Temple of Jehovah 144000 must be fully completed under Jesus Christ prior to the climax of Armageddon commencing the 1290 period of Christ Court of Daniel 7:25-26 (Dan12:7) as the 3.5 times there, and in Revelation 11:2-3 leads to the 1290 days of Daniel 12:11 after the "constant feature" is removed per Revelation 11:7 war of the wildbeast upon the "two witnesses" which picture the anointed remnant;

8. As with Haggai and Zechariah's prophecy, that typical Jerusalem Temple was rebuilt and completed in the face of the enemies of Israel; Same thing with the anti-typical Temple of Jehovah in Christ and the 144000; that too, will complete in the face of the enemy, as divine temple, directing the final salvation of humans (Rev14:14-16; Rev7:15 "temple") and the final annihilation of the enemy and rival systems; (Rev14:17-20 "temple")

So the greatest replication of all prophecy in Kingdom and Temple completion mode, in all human history, is about to activate in Zechariah 3. All Sovereign Kingdom and Temple prophecy for this period must climax and complete in the foretold grand finale that has had a number of minor cycles to affirm the certainty of the finale; (2Pet1:19-21)

(ISA 43:10-11) “you are my witnesses,” is the utterance of Jehovah, “even my servant whom I have chosen, in order that you may know and have faith in me, and that you may understand that I am the same One. Before me there was no God formed, and after me there continued to be none. 11 I— I am Jehovah, and besides me there is no savior.”

(ISA 55:11) my word that goes forth from my mouth will prove to be. It will not return to me without results, but it will certainly do that in which I have delighted, and it will have certain success in that for which I have sent it.

King of the North - Two Witnesses
http://kingnorth.wordpress.com/

Jehovah is due in HIS Temple SOON; (1Pet4:17)

Now just because the xGB has turned out to be MOL (2Thess2:3-12), doesn't absolve a Jehovah's witness from their own personal vow to Jehovah through Christ; (Same thing happened in Christ's time;)

Nor does it mean Jehovah will abandon the JW temple;

Au contraire, Jehovah will COME INTO THE TEMPLE AND NEUTRALIZE HIS ENEMIES AS THIS PROGRESSES; (ISA 66:6)

Prophecy is what must FIRST be fulfilled;
JWs might as well get used to the truth that 1Peter4:17 comes on JWs BEFORE the GT on BTG;

Jehovah must first cleanse the temple for real (Dan8:11-14) and the priesthood (Zech3) before JWs can be given final commission in a cleansed, "1/3" purged state; (Rev8:2-13)

Here is how it all transpired:

1. USSR drops out of Daniel 11 fulfillment; relegated to "nothing will succeed" of Dan11:27, as is Nazi Germany and the rest since WW1 approximately;
2. Fred Franz who would have commented on this meaning, that the NWO King North was placed in 1990, fulfilling Dan11:31 by False-Prophet, 2HWB proclamations before the US Congress (9/11/90) and the UN Security Council (9/24/90) by George Bush Sr. priest of the 8th King temple;
3. Instead, Fred Franz, the 2Thess2:3-12 "one who acts as a restraint" against "transgression that causes desolation" and the "man of lawlessness" is very conveniently, given the gravity of this event, incapacitated and soon dies;
4. In covert fashion, the "man of lawlessness" faction in the JW org begins to manifest, by joining George Bush Sr. and the 2HWB in also proclaiming "new world order" as the chief false-prophetic mantra of the UN/DT 3.0 placed globally after WW 3.0 (Cold War) on 9/11/1990.
5. This occurs worldwide as the UN/DT 3.0 in NWO mode is placed in the JW temple by Milton Henschel and Co. and in the worldwide distribution of the Watchtower and Awake! for 10 years; 79 "NWO" references and quotes, not to mention 100s of UN, UN support org, book and activities also highlighted and "plugged" for the JW demographic and world audience for 10 years; (The term "new world order" appears 79 times in that decade in the WT and Awake!; Verifiable on the WT Lib CD from 2001 forward.)
6. The xGB fulfills the full manifestations of Daniel 11:30-32, and Daniel 11:41 as "those who leave the holy covenant" who covertly "enter" the "decoration" with evil intent; The xGB commits the "transgression that causes desolation" related to the placement of the "DT that causes desolation" in the JW temple, as covert "man of lawless" IN the "temple of the God" in "transformed" 2Cor11:13-15 "angel of light" mode; (All anointed are implicated; Zech3:3)
7. In 2001, timed with 911/WTC, the xGB globalist NGO KN (8th King+2HWB (head7 scarlet wildbeast)) handlers event, the xGB is "conveniently" exposed for undercover adulteries with the UN NGO Department of Public Information as an adjunct "world wildbeast ad agency" for free UN advertising globally, with a "library card" to research books, orgs and activities to "plug" regularly in the Watchtower and Awake!
8. All while keeping the new Dan 11:27-43 fulfillment, applied to NGO globalist "King of the North" hush hush;
9. Therefore 1Peter4:17 is to begin upon JW org, Zech 3:2 "log", Dan8:11-14 "established place", Dan11:30-31 "fortress" shortly;

All temple prophecy repeats:

King North is globalist 8th world power:
And God provides a reliable in a map to the end:

Timeline of UN-NGO/NWO GB Sins Leading to JW Temple Judgment (The Real One, not the Fake GB Hoax "Cleansing")

First off I am Jehovah's witness, telling JWs that a JW house/temple judgment (1Pet4:17) of unbelievable proportions will virtually wipe the JW org off the face of the earth soon; (Dan8:11-14), and that is from globalist powers allowed by Jehovah, He who is not happy with Jehovah's Witnesses United Nations (United Nations Non-Governmental Organization (UN NGO)) sins and idol worship in his house of the xGB;

I am not encouraging JWs to leave the organization, or the ministry or the vow that we WILL be held to by Deities who expect obedience to the death, regardless if the Pharisees (xGB) are in the JW org, as was the case in Christ's day; Christ stuck to the mission; (Zech5)

But I tell JWs the whole prophetic cycle of 1914-1922 will repeat in final fulfillment mode activating soon, in the temple completion cycle, just as it fulfilled in the minor temple foundation cycle (1914-1926), and all real JWs will be expected to resume duties in an approved and cleansed state after this current JW infiltration is eradicated by God in temple cleansing (Dan8:11-14; Isa66:6) and priesthood cleansing (Zech3) for the final world warning campaign of the Sovereign Ultimatum (little scroll) of Jehovah God and Christ in the near future second "two witnesses" worldwide final ministry from God; (Rev10-11)

Firstly the xGB Apostasy is Prophetic - IT MUST Fulfill FIRST

This scripture below indicates a planned infiltration of the JW org by globalists, developing apostate JWs, (and others; v. 32; still operable in the "temple of the God") is currently active to profane and subvert Jehovah's witnesses by spiritual warfare prior to the big 1991 Governing Body (GB) sanctioned UN-NGO/NWO PR manifestation:

(Daniel 11:30-32) “And he (globalist KingNorth; (gKN)) will actually go back and hurl denunciations against the holy covenant and act effectively (in the JW org, etc); and (gKN) will have to go back and will give consideration to those (JWs) leaving the holy covenant (in the WTBTS).

31a And there will be (infiltrative) arms that will stand up (in spiritual warfare; Eph6:12), proceeding from (gKN); and they (gKN and JW traitors) will actually profane the (JW) sanctuary (by UN/NGO services), the fortress (JW Org), and remove the constant feature. (Pollute JW sacrifices from then on; To coming desolation as per Dan8:11-14;)

31b “And they (gKN and JW traitors) will certainly put in place (In world and WTBTS) the disgusting thing (UN in NWO mode) that is causing desolation. (And that parallels the "transgression causing desolation" of Dan8:11-14 in 1991 in the WTBTS xGB sanctioned adulteries)
And those who are acting wickedly against the covenant (more WT traitors), (gKN) will lead into apostasy by means of smooth words. (So, the infiltration continues, expands, and is present in the JW org today.)

Secondly it is Organized

Please note that the xGB agents move in a slight delay along with, and after a major globalist leading world event as UN and globalist "New World Order" (NWO) supporters; (As UN NGO); (1991 UN-NWO, 2001 UN)

The end of the engineered Cold War NWO placement (9/11/1990) was such an event that produced a delayed complimentary move by the WTBTS xGB in 1991 (Awake! 9/8/1991), as they promoted the UN/NWO with George Bush for a solid 10 years of global promotions through Watchtower and Awake! distribution and NWO hand signals at conventions, hidden graphics, changed logos, etc;

And it Suppresses the Truth

They also covered up the fact that prophecy of Daniel 11:30-32 had indeed fulfilled in the UN 3.0 NWO stance of 9/11/1990 proclaimed by GB (George Bush) and xGB (Governing Body) working hand in hand for globalist scarlet wildbeast interests;

That is where it all began to fully manifest 20 years ago;

**Timeline - Compounding Gross Sin Napalm Gangrene xGB Timebomb Went Off 1991**

**Phase 1 - Covert Gehenna Level Sins (1991)**

(#) = Sin Tally

1. GB WTBTS sanction a UN/NGO Department of Public Information (DPI) Public Relations agreement for UN/Disgusting Thing 3.0 in False-Prophet's NWO Mantra Mode; (9/8/1991 Awake!) (1)

2. Internal profanation of the temple/priesthood (2-3), organization (4), and the JW sacrifice (5); (Ongoing) is accomplished for 10 covert years of UN supporting promotions;

Daniel 11:31 they (gKN and JW traitors) will actually profane the (JW) sanctuary (by UN/NGO services), the fortress (JW Org), and remove the constant feature. (Pollute JW sacrifices from then on;)

This results in high level holy spirit removed and blessing withdrawn; (Hag1; Mal1; Zech1) The betrayal targeted JW flock under divine shepherding; (Zech11)

3. 10 years of Wildbeast adultery ensues in covert mode as xGB peppers and plugs the UN and NWO to it's global audience mind; (Hundreds of sins)

**Phase 2a - United Nations Worship and Escort Services Exposed (2001)**

4. UN/NGO "news release" timed with 911 event for full effect is released with pedophile protection policies news in May 2002;

In other words xGB globalist operations go covert while United Nations relationship goes "world news" overt;

**Phase 2b - Idol Erection and Stumble Fest and More Bloodguilt (Ongoing)**

5. xGB uses "apostate", "opposer" and general valid criticism of obvious real hypocrisy as a pretext to idolatrously fortify the attacked "bodies" of "GB" (6), "Slave" (7) and "Org" (8) in the WT, creating an idol construction routine (9) that builds with every self-exalting WT publication article to "repair" the PR damages of engineered reproach; (Hundreds upon hundreds of sins)

In other words it is a self-fueling synergistic strategy for compounding sins perpetually not "accidental" or "random" but "symbiotic";

6. Regularly, sanctification of Jehovah's name and Christ's Kingdom publicity is stolen (Zech5) (9-10) by undue attention given to the xGB idol "under construction" and their support idols of "Slave" and "Org" along with a 10 year and growing United Nations "Disgusting Thing" (UN/DT) as NWO pushing monster-idol in the JW temple in full worldwide view and publication; (11)

In other words it is deeply established now, terminal, was subtle and is real regularly practiced gross sin condoned and unconfessed by the xGB; The WT no longer talks about Jehovah, but about themselves, and topical newbie sheep minutia recycled to pretend to look busy and holy;

**Mega Internet "Sam Herd" Phase**

7. Now the xGB and globalist planners create an oppositional web "herd" of opposers and critics on the internet fed by general xGB globalist puppeted shenanigans piped out regularly to the web, in public actions and ideation in the realm of hyper-absurdity and ridiculousness; (12, thousands of sins)

In other words "Apostates" are xGB fed, grown and shepherded on the 2 billion person web by the xGB who by policy exclude JW's from any reparatory participation in that massive worldwide field;

8. This is another sin, JW's never have been encouraged or organized to "bear thorough witness" to these 2 billion people, many inaccessible by traditional means who could be reached by the internet; (13, millions of sins)

**SuperSin:** By this strategy the oppositional xGB led "satan (sam) herd" on the web have a captive audience 24/7/365, with a one-sided argument, in the largest global territory to open up in human history, with only a "branch office" (the jw website) and no JWs in force, just a few JW web-pioneers in unofficial Godsend missions;

**Brazen Manifestation**
9. The xGB is so brazen, blatant and surreal in hypocrisy and bad policy, JWs accept their enormous claims and tomfooleries because the contrary obvious implication of the overt “JW” “man of lawlessness” for 20 known years is simply unacceptable to the average duped JW; Yet, that is exactly what it is occurring; (14)

In other words it is hidden in plain sight, too big to see, now just part of the JW org backdrop;

Mega Stumbling Bloodguilt

10. This willing, condoned and regular adultery, idolatry, reproach, lies, theft and murder by stumbling proves it is purposeful in evil actions and compound in dynamic effects; This is beyond a merely "stupid" "GB" as many duped bystanders linearly react as part of the formula on the unaware general population, it is brilliant in evil planning and the great actual effect of stumbling millions of people from the web globally, covertly daily in the hundreds; (15)

In other words, JWs approving of this have blood on their hands in the millions by complicity and community guilt with the "mother" (Hos2:5) xGB and NOW innocent blood-tainted JW org; (Eze9:4)

11. With the UN/NGO scandal and obvious pedophile propagating invitationals creating organized scams in multi-millions in "out of court settlements" (and real abuses), 8 to 12 million people are stumbled in 10 years, robbers con the temple regularly; (Eze7:22)

12. Hundreds of millions of people worldwide see the reproach, and JWs see the stats of the JW growth rate being cut in half in a 20 year trend since the 1990 projections; Now 8 million projected JW's missing, where did they go?

Stumbled by the xGB;

In other words something has to give; The 1991 United Nations (UN) harlotry (blessing removal) and the subsequent overt “man of lawlessness” sinner operations since 2001 have JWs sunk in perpetual, deep and compounded, multi-layered, voluminous, expanding sin, while in total denial, adding more sin to the sins; (Zech3:2-3)

Mega Global Reproach of Jehovah

13. All one has to ask is one simple question to see the "man of lawlessness" fulfilling in the xGB and org evil developments AS WE SPEAK;

Is Jehovah really going to inspire xGB Milton Henschel and Co, to bring grand reproach globally upon His own Name from a brazen adultery with the UN-NGO for UN/NWO and give that His approval and blessing?

With no reprimal of any sort?

You GOTTA be nuts! (1Pet4:17; Zech3)

Please;

=============

From One Thing

So that is how, from an established infiltration of the JW org, fulfilling prophecy in Daniel 11:30, and finally manifesting in the UN/DT (disgusting thing; Dan11:31; Matt24:15) 3.0 dual "placement" sin of 1991, also fulfilling Daniel 11:31b, all this compound situation of gross sins originated, one thing leading to another;

And it continues to be condoned and continued by Jehovah's witnesses now as a group as we await God's judgment on this most shameful era in Jehovah's Witnesses history, and lament the brazen "man of lawlessness" (MOL) Governing Body in our midst who has 90% of JWs sharing in his sins and totally oblivious of the judgment due (Dan8:11-14);

The "Man of Lawlessness" is now obviously "IN the temple of the God" publicly self-revealed; (2Thess2:3-4)

And what it the root?

Unbridled xGB self-exaltation, pride, and habitual sinning trend apparently engineered to be such, just like Satan himself; (2Cor11:13-15), who now covertly rules the WTBTS from the xGB "right hand" of "Joshua" for a "short period of time" as well, in a "1/3" coming judgment in final fulfillment mode; (Rev8:2-13); (Zech3:1; 2Thess2:3-12 in 2Cor11:13-15 mode)

But as we know this was aided externally; (Dan11:30)

The judgment coming on JWs to cleanse temple (Dan8:11-14) and to cleanse priesthood for recover (Zech3:2-9) is now being made known before 1Peter4:17 erupts on the JW house worldwide - SOON;

Governing Body of Man of Lawlessness DevelopmentMan of Lawlessness Exposed Strengthens Faith

Synchronicity – United Nations and Governing Body Partnership

GB Cover Up: United Nations Third World Placement 1990
GB Cover Up: United Nations Third World Placement 1990 (Dan11:31)

The GB Sinner Objectives for UN Partisanship; Prophetic Cover Up to Aid Globalist Secrecy...

The Governing Body of Jehovah’s Witnesses is covering up the third United Nations placement in prophecy and world history as the "disgusting thing" fulfilling Daniel 11:31 in 1990 as Cold World War 3 ended; (See Awake! 9/8/1991 Issue)

The Governing Body says nothing about this event because they are UN operatives as "man of lawlessness" as "they will certainly place the disgusting thing" partisans of Daniel 11:30-31; (2Thess2:3-4)

Instead, at this very moment in history in 1990-1991, the GB became United Nations official organized NWO promoters to over 100 million people in their world audience demographic; The 3rd UN placement was all hush hush as prophecy, but all trumpets and scarlet red carpet at Bethel;

1. This coverup severs the Bible continuum of 4 biblical United Nations 8th King related "disgusting thing" placements at number 2 UN placement of 1945 from the continuation and importance of this 3rd UN placement in 1990 (Dan11:30-31) en route to Armageddon's 4th "disgusting thing" placement of Daniel 8:25; 11:44-45 in the future;

2. This obscures the Biblically laid out 1-2-3-4 globalist world government continuum to Armageddon finale as these four stands of the "disgusting thing" in Bible prophecy and modern world history lead to world war 4 and the final 4th placement of the UN 4.0 of Daniel 8:25;

Kill the JW Org Worldwide; Wipe Bethel Off the Map...

1. This sets up Jehovah's Witnesses for a hoax GT kill shot "coup de grace" globalist backed hitjob appearing as the end sequence of Daniel 11:44-45; A. In reality this is actually the beginning of the temple judgment phase with years to temple completion over 3 known prophetic periods of Daniel 8:14; Rev8-9 (6 trumpets) and Revelation 10-11 1260 days to 7th Trumpet finale;

B. This transpires as the globalist 8th King goes to and through "World War 4" for 4th world placement of global government at apex after WW4 is conveniently resolved for this world government presentation as in 1919 (Rev13:11-15); 1945 (Rev17:8-11) and 1990 (Daniel 11:31); (Fourth placement: Daniel 8:25; 11:45; Rev19:19-21)

That is why this quadruple phased UN continuum is important to understand in the Bible!

GB Smoke Screen to Hide Bible Reality

1. This obscures the Governing Body as the "man of lawlessness" infiltrator anti-christian sinners fulfilling the modern Daniel JW temple transgression series in 1990 as UN “lover” "sinery" as that United Nations' 3rd placement was mirrored at Bethel (Awake! 9/8/1991 as UN NGO adjunct promoters for 10 years) by this fraud Governing Body "lawless one" legacy of today's UN posers;

2. While the Governing Body got on all fours for the UN they are in service to, these lawless purposeful frauds fulfill live and real-time Daniel 8:11-13 (Daniel 11:30-31) which leads to the timed temple judgment in the near future of Daniel 8:14/Zech3/Rev8:2-5 (Daniel 11:41) as God hands the JW organization to the globalist UN powers for desolations due to this "transgression causing desolation"'s (Dan8:13)

This will be a world signal event of the beginning of the end of the world;

USSR and Nazi Lies and Delusions

1. The Governing Body covers this up by sticking to the USSR Daniel 11 erred interpretation of the past made impossible as the USSR collapsed around 1990 invalidating Daniel 11:36; 11:42-43 from Soviet fulfillment hence all USSR is invalid in Daniel 11;

King North is NOT the Soviet failures (Dan11:27b), King North is apex 8th King globalism and elite globalist world government;

2. Daniel 8 cannot apply to world war 2 as well for a number of reasons; There is no reason why God would time (Dan8:14) an insignificant Watchtower org chart modification (in 1938) as if that was the "transgression causing desolation" when the JW org was not desolated like it is going to be in this next hit;

God times Daniel 8:14 2300 units because it leads to the 6 trumpets in final fulfillment cycle of Revelation 8-11 (And eventually the end of the world of the 8th King)

Too Many Anomalies
The Governing Body of globalist infiltrators in the JW org use these flimsy smokescreens to work their mass sinner magic at Bethel now for at least 20 solid undercover years fulfilling Zech3:1-3 “befouled garments” in tangent with 2Thessalonians 2:3-12 “man of lawlessness” final temple judgment phase revelation of these frauds as per the final temple prophecy sequence.

This was all as Fred Franz was shut up, and the Milton Henschel GB Circus went into power as globalist UN lovers; This is TOO MANY convenient UN friendly GB coincidences to be random and accidental coincidence;

The GB are fraud globalist intel ops, plain and simple;

The United Nations and Governing Body Partnership and Synchronicity of Objectives - WTBTS UN NGO Basic Parallels

Overview

Evidence and parallels of the United Nations Governing Body control of the Watchtower Bible and Tract Society fully since 1990 eventually becomes obvious based on many pieces of symphonic evidence with globalist world activities and goals;

The large amount and great significance of these synchronous anomalies covered below are simply too numerous and well timed to be just randomly coincidental;

Bible prophetic fulfillment, the United Nations and the Governing Body are all in astounding synchronicity for 20 years as the Governing Body remains silent on these events and their implication to Bible prophecy;

Yet the Governing Body is quite vocal in joining the globalist proclamations of the 3rd United Nations world placement of modern geopolitical history in 1990 to present;

Concurrence 1 - 1990

Synchronicity 1

United Nations World System

1. The Cold War (WW3) ends;
2. USSR Dissolves;
3. Russia Joins the United Nations;
4. The United Nations goes on a post Cold War promotional tour of the world in New World Order proclamations before the UN General Assembly;

Watchtower Bible and Tract Society

1. Fred Franz incapacitated and dies;
2. Fred Franz is unable to comment on the significance of the USSR dissolution and failure as a national governmental bloc;
A. This disqualified the USSR from fulfilling Daniel 11:32-43 in “King of the North” significance as previously interpreted by Jehovah's Witnesses as success to Armageddon was not reached as a requirement of fulfilling Daniel 11:36;
3. The Governing Body of Jehovah's Witnesses makes no comment on these astounding world events at this time or later, as the USSR fails someone has to be the actual "King of the North" entity at this time, but the Governing Body sticks with the USSR impossibility;
4. The Governing Body begins a subterfuge campaign to bypass UN "King of the North" globalist developments which actually fulfill Daniel 11:30-31 by focusing on the failed USSR to fulfill Daniel 11 prophecy;
A. In actuality the globalist United Nations 8th King system can be the only actual "King of the North" successful all the way to Armageddon as the dominant world governmental system in progress manifesting in 1990 in a global proclamation fulfilling Daniel 11:31;
5. Instead of covering these developments in detail, the Milton Henschel led globalist Governing Body crew takes command of Jehovah's Witnesses and the Watchtower Bible and Tract Society and begins leading the organization into massive sins, prophetic coverup, stumbling and reproachful activities under masterful subterfuge;
A. This United Nations partnership aids proclamation of the UN 3rd placement and covers up 8th King UN developments in relation to modern Bible prophecies being fulfilled;
B. That these massively significant developments all happen at the same time is beyond coincidence in hindsight now;

Synchronicity 2

United Nations World System

1. On September 11, 1990 the 3rd United Nations prophetic world placement as world government development in New World Order mode announced before US Congress by then President George Bush Sr goes global;
2. This fulfills Daniel 11:31 1990 "disgusting thing" commencement and also goes before the United Nations General Assembly and Security Council;

3. The Gulf War declared and proclaimed as a test of New World Order "mettle" coincides with this proclamation of the UN 3rd Placement;

4. This fulfills Daniel 11:40 commencement as this prophecy progresses from this point of fulfillment;

(The failed USSR cannot apply to Daniel 11:36 explicitly or to Daniel 11:32-43 as previously thought; The 8th King UN globalist system does;

Watchtower Bible and Tract Society

1991

1. The Governing Body and WTBTS release September 8, 1991 Awake! magazine also proclaiming 3rd United Nations placement as designate promoters for UN New World Order directives;

2. Governing Body makes no comment on this 3rd United Nations world placement event or the significance of the globalist aligned Gulf War and Daniel 11:31, 40;

3. Instead the WTBTS joins the United Nations as "non-governmental organization" by it's governmental body as they attach the "Israel of God" anointed nation to the United Nations as one of it's organizations;

4. The Governing Body covertly undertakes ten years of UN, UN affiliate, UN book, and UN world activity promotions as the Bethel spearhead of Governing Body services in the UN Department of Public Information;

   A. Awake and Watchtower quote UN General Assembly and Security Council speeches and claims of George Bush Sr. and others as this commence in this Awake! 9/8/1991 issue of UN promos;

5. This United Nations and Governing Body union fulfills Daniel 11:31; "They will certainly place the disgusting thing" as a team effort between the United Nations and the Governing Body's secretive operations planned for future exposure;

   A. The Governing Body makes no comment on this United Nations partnership at that 1991-2001 period of time;

6. An obvious globalist aligned infiltrative compromise of the Governing Body fulfills Daniel 11:30-31 (Dan8:12); Daniel 11:41 in permitted globalist UN covert invasions of Bethel by subversive covert infiltration aided by the Governing Body;

7. The Governing Body leads Jehovah's Witnesses organization wide profanations and spiritual desecrations spread "gradually", fulfilling Daniel 11:30 and Daniel 8:11-12;

   A. The JW "army is gradually given over" to 8th King control plainly seen since 1990;

8. Daniel 11:30b; "Those leaving the holy covenant" are indeed the Governing Body of Jehovah's Witnesses as much synchronous evidence begins to be assembled that these are the head of the "man of lawlessness" in this "temple of the God";

Concurrence 2 - 1999

United Nations World System

1. Global NATO forms as United Nations scale globalist world military system for globalist objectives;

2. This is an extremely significant development in globalist military progress intensively expanding the fulfillment of Revelation 16:13-16 and Joel 3:9-12 in worldwide military unification and preparations;

Watchtower Bible and Tract Society

1. The Governing Body makes no comment on this United Nations aligned globalist world military system in Global NATO;

   A. It's just another misled day at Bethel;

2. It is covertly obvious in hindsight that the Governing Body is covering UN revealing prophecy, world placement of globalist government, and military expansions in wars and military systems worldwide;

3. The Governing Body makes no comment on any of these events fulfilling prophecies, or their own official involvement with the 666 services they are engaged in;

4. Daniel 11:40 invasion of the world by 8th King globalists intrigue and the Daniel 11:41 invasion of the WTBTS continues unabated or exposed as the Governing Body continues the charade;

Concurrence 3 - 2001

United Nations World System

1. World Trade Center 911 events provide pretext for Global War on Terror, as a globalist military positioning world invasion expands in a world declaration of war;

2. Daniel 11:40 continues in globalist world military expansions and "invasions" for ultimate World War 4 positioning expansion;
Trillions of dollars are diverted to globalist world military needs, and the financial massive debt of national governments in this 2001-2011 decade;

**Watchtower Bible and Tract Society**

1. Convenient press releases expose the Governing Body WTBTS United Nations UN-NGO relationship and ten years of advertising campaigns deploying millions Jehovah's Witnesses to spread UN public information to their unique demographic in millions upon millions of magazines;

A. All this for ten years while no Jehovah's witnesses are aware of their involvement in UN information spreading in an organized and officially sanctioned relationship with the Governing Body and traitorous Bethel top hierarchies;

2. The "Pedophile Protection Policies" also revealed at the same time in an amazing synchronous set of developments again;

3. Governing Body spiritual sexual sins (along with pedophile harboring sexual sins) and profanations go into global reproach phase as millions are stumbling in the subsequent decade;

4. Internal Governing Body organized "ilth feeds" fuels external apostate web attack as Governing Body isolates the web for the apostate ministry encouraging Jehovah's Witnesses to avoid the internet;

5. JW growth rate is cut in half in twenty years of lies, sins and cover-up since 1990 as massive covert but highly publicized Governing Body led reproach campaigns stumble 8 to 20 million people or more;

6. Lies, lies and more lies are told by the Governing Body as they manifest as the "man of lawlessness" in public sins and blasphemous claims as the only pre-approved faithful and discreet slave in the world;

7. 20 years of Governing Body sanctioned and approved gross sin and full organizational compromise to globalist intelligence operations aids deception;

8. Governing Body denies all sins;

**Concurrence 4 - Future Synchronous Event with Governing Body**

**United Nations World System**

1. External deceptions of the mass public aids false prophetic set-up of Jehovah's Witnesses by Governing Body coverup and subterfuge;

3. Bethel worldwide organization of Jehovah's Witnesses "established place thrown down" in finale events of Daniel 8:11-14 as Zechariah 3:1-7 as Revelation 8:2-5 activates in the final judgment cycle beginning with Jehovah's Witnesses as per 1Peter4:17;

4. Daniel 11:40 intensifies as a huge 8th King inspired world event cycle manifests the globalist drive for eventual World War 4 and Babylon the Great by starting with the pillage and desolation of the WTBTS;

**Watchtower Bible and Tract Society**

1. Jehovah's Witnesses misled by the Governing Body and hanging at Daniel 11:44 imagine this is the "great tribulation" and the "end of the world";

A. But in fact this event series is the beginning of the final temple cleansing phase temple judgment;

B. This is the beginning of the last prophetic cycle that will go on for years in Daniel 8:14 minimum 3.19 year time period, Revelation8-9 six trumpets (and bowls) and Revelation 10-11 1260 days of Revelation 11:2 in linear sequence;

2. Many Jehovah's witnesses are brainwashed to "obey the organization" to survive setting them up for specially planned 8th King world disasters which target Jehovah's Witnesses as the Governing Body globalists betray them;

3. Many Jehovah's witnesses are misled into a premature mind set by Governing Body subversions and cover-up and are herded by Governing Body worldwide 'Zone Oversight' to internment and prisons as this is planned with the globalist system;

A. These anomalies have a coup-de-grace final event planned as all this has been leading to this conclusion since 1990;

4. The Jehovah's Witnesses ministry goes into the abyss of inactivity as the globalist go into world overdrive leading over time to 4th UN placement; (Dan8:23-25 is Dan11:44-45)

5. Bethel is fully invaded by globalist world powers worldwide culminating Daniel 11:41;

6. Jehovah's Witnesses are checkmate by the "man of lawlessness" now fully exposed in the temple of the God; (2Thess2:3-12; Zech3:1-3)

7. This Governing Body aided hoax GT is actually the long awaited temple judgment that catches most Jehovah's Witnesses and the world system sound asleep; (1Pet4:17; Dan8:11-14; Mal3:1-5)

8. The world judgment of God has begun and will drag on according to well known prophetic cycles that initially fulfilled in the 1914 era; (1Pet4:17)

**United Nations World System**

1. The United Nations system prepares to present the fourth and final version of "disgusting thing" "image" and world government after World War 4, as in the 3
The Governing Body has been concealing the 3rd United Nations "disgusting thing" placement that they aided in the proclamation of in 1990, so that Jehovah's witnesses and the world do not see the logical continuum of four placements of the "disgusting thing" progressing to full world government;

1. The Jehovah's witnesses are cleansed over 3 to 6 years as per Daniel 8:14 of all lawless UN partisans and weed Jehovah's Witnesses by horrific world events on the sinful Bethel organization;

2. The Governing Body is terminated, Watchtower ceases to circulate, Bethel seizes up in world financial intrigues as Jehovah's Witnesses enter the abyss state of Rev9:1;

As Jehovah's Witnesses are entering the desolated "abyss" state of Revelation 9:1-4, the first sequential 4 trumpets herald God's judgment on the transgression and "befouled" state of the Jehovah's witnesses; (Rev8:6-12);

2. Jehovah's Witnesses are eventually purged of the globalist Governing Body and recommissioned for the end of the world final ministry of Revelation 9-11;

This initial Temple Judgment that commences the final cycle starts with Jehovah's witnesses (1Pet4:17; 2Thess2:3-12), but eventually those 7 trumpets and 7 bowls will become the finale of signals of world judgment globally as well;

2. Theselonians 2:3-4) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god.

This has been fulfilled in "man of lawlessness" as per this evidence presented here, and by self-revelation as this rogue body claims to be the pre-approved "faithful and discreet slave" according to their own "new light" at the 2012 Annual Meeting of Jehovah's Witnesses corporation;

THAT PUBLIC REVELATION BY ABSURD BLASPHEMY, SINCE THERE IS NO GOVERNING BODY FOUND IN THE BIBLE, AND THIS SELF ACCOLADE IS CERTAINLY PREMATURE TO THE JUDGMENT WHICH CHRIST WILL MAKE, NOT UN GLOBALISTS IN THE GOVERNING BODY INFILTRATIONS;

This is why this rogue Governing Body of globalist intelligence operatives is not teaching Jehovah's witnesses about the final fulfillment in temple judgment, cleanse and completion cycle;

A. They throw truth to the earth in subversion and subterfuge also fulfilling more prophecy; (Daniel 8:12)

1. Daniel 8:11-14 is the signal that commences the final prophetic cycle to temple completion and Armageddon;

2. The six trumpets and six bowls are all parallel heralds (on Jehovah's witnesses judgment) and plagues of world judgment converging in the recovery ministry of Jehovah's witnesses in the 5th and 6th trumpets to herald the totality worldwide to and through the final ministry;

1. This all leads to the final world ministry of all time in this Adamic ending era as the 5th and 6th trumpets lead to the recommissioning of Jehovah's Witnesses who pass this judgment or repent into a cleansed state as the objective of this judgment; (Dan8:14; Zech3:4-7; Mal3:1-5)

2. That ministry is the Revelation "little scroll" sovereign Kingdom of God proclamation of assured completion and conquest of Christ's Messianic Kingdom in the commission of the final "two witnesses" fulfillment of Revelation 11 for 1260 days;

A critical feature of this development is that the "end" that Jehovah's witnesses are being misled to anticipate is actually the beginning of a number of timed sequences of world judgment prophecies that commence with the "house of God" as per prophecy of 1Peter4:17 which will be the initial Daniel8:11-14 temple judgment timed period; (Dan8:14 2300 "evenings and mornings");

2. This means the JW Temple is in inspection now, and this is why the "man of lawlessness" is being revealed in Bethel as the Governing Body leads that deception because this judgment is nigh;

3. Obviously from 1990 full manifesting inception, this group is not going to self incriminate then or now by commenting on these prophecies other than towing an
Daniel 11 King Notes on the UN 3rd Placement of the Governing Body as UN NGO at Bethel

The main thing is this infiltration is foretold (along with MOL manifestation; 2Thess2:3-12)) at Daniel 11:30 with the verse 31 and 32 effects over time; That is NOT a world war 2 fulfillment as JWs think, and George Bush pointed to the 3rd UN placement event that it actually was, while directing attention to the 2 previous "placements" of the "disgusting thing" in WW1 and WW2, while announcing the UN in NWO mode in 1990 and 1991:

*** Awake!91 9/8 p. 4 What Is Happening at the United Nations? ***

"""Note what Mr. Perez de Cuellar said in his report: "Twice in this century, after two devastating wars, the possibilities of building a peaceful global order were not fully realized.” President Bush used almost the same words in his address to a joint session of the U.S. Congress on March 6, 1991. "Twice before in this century, an entire world was convulsed by war. Twice this century, out of the horrors of war hope emerged for enduring peace. Twice before, those hopes proved to be a distant dream, beyond the grasp of man."""

Emphasis mine as the WTBTS also placed the DT (in JW temple as "man of lawlessness" in JW temple as well, NOW really being revealed while self-revealing) with this commencing set of UN promo articles (9/8/1991), and also, George Bush is implying the "cold war", WW3 "different than at the first" (Dan11:29b) ending resolution (USSR dissolution) is the opportunity once again, a third time, for third DT “world government” "placement" in 1990 (world); 1991 (WTBTS), from the WT's own mouth, but with far more deceptive purposes;

The point is Daniel 11:31 is the 3rd placement of the DT in 1990, and in 1991 IN the JW temple, and further fulfilling Daniel 11:30:

(Daniel 11:30-32) he will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant feature. “And they will certainly put in place the disgusting thing that is causing desolation. 32 “And those who are acting wickedly against the covenant, he will lead into apostasy;

That apostasy is the globalist UN affiliated (8thKing/2HornWildbeast) operatives who are ALL the xGoverning Body of Jehovah's Witnesses today, and all the ZO and all throughout the org to a deep degree for financial and corporate compromise - a wham-bam doozy is coming on our JW house as per 1Pet4:17 = Dan8:11-14;

That ties to the Dan8:11-14 "transgression of desolation" on the JW org SOON, here, which also CANNOT apply to WW2 times, but applies to the still active UN/8th King "transgression" in UN/NWO relationship and infiltration of the JW org, all over the place:

(Daniel 8:11-14) And all the way to the Prince of the army it put on great airs, and from him the constant feature was taken away, and the established place of his sanctuary was thrown down. 12 And an (JW) army itself was gradually given over (compromised), together with the constant feature (polluted by DT), because of transgression (UN/NGO and cover-up); and it kept throwing truth to the earth (cover up of key prophecies of Dan8 and 11), and it acted and had success. (which Nazi Germany and the USSR did NOT have "success" like this globalist KN infiltration)

13 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant feature and of the transgression causing desolation, to make both the holy place and the army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings and mornings; and the holy place will certainly be brought into its right condition.” (temple purification back to approval, minus all the frauds; Zech3)

So that is the JW anointed temple cleanse mode commencement SOON, that will shock the bejeebers out of your average JW (and will be a HUGE signal to JWs something is wrong, the "evening" of the judgment;), and Zech3 is the fulfillment of priesthood cleansing that will parallel this event IN THE NEAR FUTURE;

1. So Dan8:11-25 and Daniel 11:27-45 are all about globalist KN (King of Fierce Countenance) and they ARE PARALLEL IN SIGNIFICANCE;
2. This means all the JW "teachings" are fossilized in 1980-1990 for a reason;
3. This means this current so-called "temple cleanse" this fraud xGB is activating is a hoax, to lead JWs to the judgment explained above, with JWs thinking? GT GT GT, which will NOT be GT for real, but a known judgment upon the JW "established place" and why; They now this, they are NOT telling JWs;

That will be a GT hoax WITH the next globalist world event cycle, just like before in 1991 and 2001; This whole thing is a JW setup!

The 8th King boys in the xGB KNOW the JW org is given to the judgment of Zech3:2, 1Pet4:17 which is Dan8:11-14, so they will make the best of it and try to cripple, debalance, bankrupt and destroy as many JWs as they can in covert infiltration to finale phase soon, as already "predictively programmed" in WT, for example: "what if a powerful government has hatched an evil plot to exterminate the JW org??" as per WT 9/15/2012 if I am not mistaken; YES, what if???

This infiltration is also foretold as stated; (So tell a friend I kid you not!!!)
What if that "powerful government hatching an evil plot" ALSO run the xGB as well??? Man, you can't make this up! THEY DO RUN THE xGB!!!!!

But as per 2Thess2:3-12, Zechariah 3:4 and Hosea 1:4-7 Jehovah will enter the temple and clean it out also in stealth mode as per angelic assistance in Isa66:6 mode in this process of 2300 units, to give the globalists a little private message of His own; I AM IN MY TEMPLE NOW, WHENEVER YOU GLOBALISTS ARE READY. JUST LET CHRIST AND I, JEHOVAH ALMIGHTY GOD, JUST LET US KNOW! (Eze38:7; Joel3:9-12)

And they will!

But NOT SO FAST!

This real "temple purification" (Dan8:11-14 "2300") leads to a cleansed JW purge for real (Rev8:6-13) after the also parallel "altar fire" cleanse on the JW "earth" as per Rev8:2-5 (is Zechariah 3:2); And that leads over an unknown transitional period to Rev10-11 (1260 after "little scroll" eaten, as in an approved divine commission of Zechariah 3:4-7, in final fulfillment mode of the ACTUAL "temple completion" phase to the final, second, "two witnesses" again, which JWs should know that "holy city" of Rev11:2-3, MUST ALSO have "7 times" pass over it as per standard completion cycle, BUT in 2520 days, the first 1260 days was a split fulfillment, in minor temple foundation mode in the 1914-1918 temple foundation/kingdom birth period;

Final Act Mapped Out by God for Even JWs Who Know NOTHING About This "Officially" (And no wonder, the xGB is ALL globalist ops and "man of lawlessness" in blatant exposure)

So, we are seeing God lay out a "end of the world" mapping upon the original, minor temple foundation cycle of 1260 days, and 1290 days, after the 2300 "unit", 1150 day minimum judgment of the JW "established place of the sanctuary" which is the org, NOT the temple, which is trampled fully, later, in Rev11:2-3, 11:7 (Rev13:5; Rev12:6, 14; Dan7:25; 12:7);

ALL of those scriptures "3.5 times" period cycles MUST repeat explicitly or in principle to FULL "7 times" in final fulfillment mode to temple completion and Christ Court (Dan7:26 is Matt25:31-46) of that conquest which will unfold while the globalists (8th King/KN/KFC) are reaching the real "peace and security" AFTER the 1260 days 2witnesses "finishes", as the "freedom of care" of Daniel 8:25;

That is all prior to the all out "extinction mode", after WW4 resolves for final DT placement (Dan8:23-25; Dan11:45) of deep extended, re-empowered GT, with BTG "fuel" of "capital transunion" (Rev17:12-18) that the Matt24:29 "tribulation of those days" provides for this "immediately after" "peace and security" "freedom of care" deceptive globalist purpose which becomes Matt24:30-31, Rev6:12-17 "black-out" of the "sun, moon and stars", or in human symbol meaning, 'national, state and local' power systems in a massive Matt24:21-22 depopulation drive; (also 2Thess1:6-10; 1Thess5:1-3; 1Thess4:17 is Rev16:17 "air event"), which Gog is the head driver of; That is when Eze 38 and Christ of Rev19:19-21, go into Dan 11:45 and Dan 8:25 FULL ZENITH OF BOTH Kingdoms at FULL Armageddon super-event, in the 1290 day cycle at an unknown time period in it;

And "peace and security" before the BTG event is to fool JWs, it will be a planned hoax, that goes along INTO the GT hoax (possibly), that this hoax "temple cleansing" xGB directive NOW activating with this GB=FDS is leading a softened JW org into after a few months, a year, or two, of letting this FDS=GB divisive acid set in;

They want to lead JWs to a hoax GT to get as many in prison and internment in a mix of 230 lands as possible; (Along with other key crippling and destructive objectives as covert as possible, to coincide with the next globalist world super-event, like a super-911)

It is all a planned effect, all foretold and laid out in the bible already, so THIS IS ALL GETTING VERY CLOSE is what this all indicates as the scriptures open up, and cross ref every which way for validation across the bible; ALL of Hosea apply to JWs NOW, for example; Zech 3 is along with Dan8:11-14, for example, etc. JWs will be sitting ducks according to current xGB worship; God will have to "snatch the JW log";

(Zechariah 3:1-2) And he proceeded to show me Joshua (JW anointed priesthood) the high priest standing before the angel of Jehovah, and Satan standing at his right hand (xGB) in order to resist him. 2 Then the angel of Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?"

That fire will be soon; This parallels Dan8:11-14;

Home from the Kingdom Hall about an hour. A couple of the points in the public talk and the Watchtower study have given me reason to ponder. Of course these are things we've discussed and are issues that will be dealt with soon.

One pertains to the public talk, "Are You Really Making Jehovah Your Stronghold?". I'm assuming the same talks are given worldwide in each respective congregation. As the elder was moving through the talk, he mentioned the oft-quoted and referenced Scripture relating to the cry of "Peace and Security" ringing in destruction and the decimation of Babylon the Great, et al. I realize that these are indeed parts of Scripture and prophecy. What I immediately thought as the presentation talk ensued, was that this is; as you said, "1992" (and prior) spiritual food. As you and I know and even countless other worldly people have surmised,...things are not right with the world on many different levels. It's frustrating to sit back and be fed this soft food, fit for an infant; yet we know that Jehovah will have to intervene angelically or otherwise to get his organization on track.

I'm not giving up on Jehovah, Brother,...just observing and seeing how things evolve and are fitting in with the stream of time.

Yeah, I know what you mean. Set your inner mind for the development of the final "two witnesses" "paradigm shift" that must occur after all this "sheet-hits-the-fanition". Develop great patience, this is going to get interesting. Just have some fun with it, that is my attitude now, Jehovah mellowed me out, I am a "bump on a log", I have fallen "between the cracks", thank God really! All I need is being inquisitioned as apostate Mike! They already think I'm a flake, lol! And, to tell you the...
truth, it is much better that way, I do not get involved in things that would end up leading to a "you know what you guys!". LOL, I know why and understand why this is simply TOO mind blowing for the average elder. It IS disturbing, because it was designed to be disturbing, and it ain't done yet, it's going to explode soon.

This isn't all just sitting in idle, self-protection mode forever.

I believe the events that must hit this org, are going to pare it down to Jehovah's witnesses with your attitude, "not giving up on Jehovah" just as the apostles who remained faithful to Jesus Christ, "stuck to him in his trials", as he led all worship to Jehovah, yet faith to Jehovah as well as himself, as that is God's will. ONLY those two persons are to receive faith. ONLY Jehovah receives the worship. But in the context of God's house, obviously the Pharisees and others were drawing people's faith to themselves, a development that culminated 37 approximate years later, in the extermination of 9 out of 10 people that followed the Pharisees to doom.

Demographically then, it changed a little over that period, but even after full house abandonment, those evil men continued to fight Christ and the truth, all the while presenting themselves as God's "chosen ones".

But, the disciples saw through them, because the holy spirit, will direct a worshipper of Jehovah to where focus needs to be, on Jehovah through Christ. Same today, no matter what happens with the human "bodies" that Jehovah provides then or today, we need to stick to the further objective of the final "two witnesses" ministry, and the segway that leads to it, that may go on for a while because GT commencing is about the time the 2W2 officially is marked for 42 months, 1260 days by Jehovah.

So set your mind, heart, prayers, and all patience to that expectation, Jehovah will NOT allow this GB/Org trajectory, to go on another 10 years. It can't. If this rampant idolatry continues this way, that Zech3:1-4 "log in the fire" is where it would end up without being snatched out, 100% rejected.

Of course, Jehovah and Christ did not build this organization to be hijacked by globalists, dried virgins, frauds, or drifting anointed. NO WAY! LOL. That is why I pray very hard now to understand more regarding the coming events, because Zech3:4, indicates angelic assistance and direct action of Christ:

(Zechariah 3:3-4) Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to those [angels] standing before him: "Remove the befouled garments from upon you, and there is a clothing of you with robes of state."

We are not in the "robes of state" that will be a signal of official approval for "priesthood" "state" services to follow into two witnesses final. I also am assuming Jehovah will allow enough time to develop the final fulfillment "paradigm shift" to the inevitable future replication of the 1260-1290 and 1335 day patterns of the future. And all those foregleam models from 1914 forward, will of course already demonstrate fully, the principles of each period, to be revealed in depth for this finality purpose as these go into final and permanent fulfillment in these actuality cycle to total conquest.

See, it completely honors the former perfection of pattern. Except the climax of these cycles is permanent! See the great reality that truly awaits Jehovah's witnesses that pass through this temporary purifying "burn off":

(Zechariah 3:1-2) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then the angel of Jehovah said to Satan: "Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?"

See, that "fire" is prepared, in fact all the developments since the 1992 HUGE infractions have assured this confiscation - they have set up the org for a crash. I'll explain that more later. But this FDS Org "log" has not yet been placed into that "fire" a-brewing. By the time that happens, and as clearly shown, it requires Jehovah and the judicial Angel Christ in the prophecy, to save this "log" from this fire, the resulting state will be removal of "befouled" garments, then a period of naked exposure (implied), then "robes of state".

The nakedness (all this being exposed fully) is implied in the transition from "befouled garments" to "robes of state". The fact that the GB cannot receive light to see this all, is a great biblically revealed indication we are truly "befouled" and now that is covering even "Joshua", ultimately a symbol of Christ's reproach by the GB, Satan "right hand" predicament. By extension the FDS is "befouled", by extension the whole Jehovah's witnesses "one flock", the whole global org, is "befouled" as Jehovah views it. Jehovah Himself, is in global reproach by all this. The whole org is now just dreaming if they think Jehovah is not angered and about to act. And of course, the GB will not admit Zech 3:1 is about them, and their "out".

And we see the reason is supernaturally aided:

(Zechariah 3:1) And he proceeded to show me Joshua the high priest (FDS) standing before the angel of Jehovah, and Satan standing at his right hand (GB) in order to resist him.

Obviously the "right hand" has Satanic compromise is what this means; relates to 2Thess2. that "right hand" of the FDS, or "Joshua" symbol, is the GB. Now we also see in the subset, modern "final fulfillment paradigm mindset, that ALSO the "man of lawlessness" is due to "the operation of Satan" in scripture, these are relating for an exposure of such "lawless one gets revealed", Joshua is implied "naked" between "wardrobe" change. Now true, Jehovah will NOT allow the FDS, and His Org to go to the degree of total condemnation like the 1914 "man of lawlessness", as with Christendom, we will also have a "son of destruction" (betrayer) in our house, that MUST be revealed, IN JWs top level, before the finality of all the next cycles. So Zech3, and 2Thess2 relate, and are prerequisite for the rest of the developments and changes to follow.

What Satan wants to resist, is the information that comes with this final fulfillment "paradigm shift" development from Jehovah and Christ to finality of all these patterns in the near future, based on the past patterns, but of course with future focus of assured replication.

See, we cannot forever think the judgment only applies to Christendom. Christendom is Christendone. That whole thing was sealed rejected by 1919, and henceforth the news of that certainty went forth in that commencing fulfillment of Revelation 8-9, from 1919 and perpetual. We are sort of like a scratched record now, stuck in Christendom exposure mode, but in reality, Jehovah is ion JW exposure mode! Warm up time. "Log in fire", lol.

But at some point that Revelation 8-9 will have also a duplication leading to GT/2W2. A repetition, guaranteed repetition finality, concerning the "house" now, Jehovah's witnesses, NOT Christendone any longer, and of course Jehovah witnesses have to at some point for a period of time, be made aware that Jehovah and Christ are coming in, to inspect Jehovah's witnesses, NOT anyone else.

See the importance of this news?
See how this will make Jehovah's witnesses truly more conscientious of ourselves as a "body" and as individuals?

Right now witnesses think GT is like a door to paradise, but GT commencement and for 1260 days, is the greatest ministry of JW history, THROUGH GT. This will forever change the JW mental mode of reality, GT will be explained like a "board game", from square one (1260) to seven (1290)!

True, the 2W2 may not have a formal corporate backing of tools at some point (for obvious reasons), BUT it will also have direct angelic assistance, all shown also in Revelation 9 (and other places), and Zechariah's applicable revelations - angels in Zech3:7 "those standing by". Read Revelation 9, and see how many words, subject words, like nouns, that double - over 25. That's because Rev 9 will have as it's segway to 2W2, it will have the pre-2W2 complete information be broadcast to the world, this is the second time, for a period of time leading up to the official beginning of 2W2 in God's known timing, not our own.

So, this Rev9, which has been going on since 1919, is an exciting mobilization of the Daniel 8:14 "armies" of BOTH anointed and "other sheep", as we all head into this final battle with the wildbeast. Now there are some "other sheep" who will be marked "GC", and no one is going to touch them, Definitely anointed will be given to the hand of the wildbeast up to a divinely determined "killed number"; (Rev6:9-11; Rev11:7; Zech14:1-2). BUT, there is also some "who are surviving" that are gathered to the "Great Eagle" of Rev12 (2theesi1:6-10), and those gather the chosen ones from heaven's extremity (144) to earth's extremity (GC), anointed transference (Jude14; Dan12:3 for real) and GC. And those can be proven in a number of ways.

Well ALL this, and more, is what Satan would want to shut down in the GB awareness, but. As but you see, NO ONE fork God over. He finishes it up anyhow!

1. Satan wants no awareness of King North.
2. No awareness of actually eating the "opened little scroll".
3. No connection between that "little scroll", from an angel with earth and sea "under foot", with the "reports" of Daniel 11:44.
4. Satan wants no "paradigm shift" so that JWs are fully and honestly warned, Jehovah and Christ are coming into this "temple", "house" and "those worshipping in it" and they are going to START in the dresser drawer of the chairman of the GB!!! (Rev11:1-4) LOL.
5. Satan wants no one to know about this final great replication of the finalities of Daniel 7:25-26, Daniel 12, Daniel 8:14, and other applicable subsets within those prophecies.
6. Satan wants no one to be aware that Revelation 8-11 WILL have a replication. Other whole patterns, or parts of Revelation 6, 14, 15-16 will also have a final cycle.
7. In fact, EVERY applicable sovereign kingdom prophecy, and temple inspection prophecy, every illustration and sub-set applicable to 1914-1926 MUST be applied to Jehovah's witnesses temple and worship arrangement today, and in the future. (10 virgins, marriage garments, weeds, Judas "son of destruction")
8. Satan does NOT want JWs or anyone to understand Zech3-4 MUST also have a final cycle, in fact much of "Zechariah the Hebrew Revelation of Temple Completion", as I call it, will also have a final fulfillment mode.

Now this can all be proven NOW, because all these prophecies or most of them, have a 1914 minor model pattern. That is why NO ONE, anointed or not, can disprove Zechariah 3 applies to the Org NOW.

Why?

Because that was already the 520 BCE segway prophecy to that typical temple completion. In 1914, it was in minor principle also applicable to the remnant then, and leading up to that "temple foundation" period. We are NOW in temple completion mode again, totality of completion, the ultimate meaning of Zech 4/Rev11.

Of course this must replicate the third time. Why? Because we are at temple completion mode.

9. Satan does not want mankind to understand, that the 144000 Temple MUST fully complete BEFORE the final conquest of Armageddon, like 515BCE, that "temple 144000" and Christ; Zech4:6-8 Headstone, or finish "capstone", "topstone" WILL complete in the face of the enemy system, just as the temple in Jerusalem also completed in the face of the enemy.
10. Satan does not want people to know the assured flaming fury of that period when this Kingdom Temple clicks the last Christ "head stone" into place; (Zech4:6-8).
11. Christ is foundation "stone", 1914, and "head" "stone", and there must be of course 144000 in between.
12. Satan does not want mankind, or JWs to develop this assured and completely ascertainable, from the bible pattern final replication and unfolding, BECAUSE IT IS LIKE A ROAD MAP TO THE END OF THE WORLD! IT IS LIKE A PROGRAM TO GOD'S PLAY, THE FINAL ACT.

And that whole "map" and "program" is based on a set of patterns in ancient, Christ, and 1914 times, that are absolutely provable! Some happened 3 times! Some 2, some 1 ALREADY. It also ties the complete picture of the whole bible, the "truth temple", to 100% completion, no loose ends regarding temple and kingdom, to last days understanding as per Jehovah's spec, not a sinner GB that needs to be whacked but good in Zech3:2-4.

See then, how much they are currently holding back? (And that is not all that can be derived from al, this, a book or two can be derived from all this)

See why our 1990 trajectory would have been at 11 million witnesses by now, but from that 1992 period, the sheep intake was cut in half? Ever see a graph of that statistical evidence that something happened around 1995 that caused this? It is astounding. It is obvious something is wrong that began around that period of time.

And you know the apostate analysis is, "oh, they changed the generation teaching", and that caused that drop. Yeah, right. NO. The UNNGO sin, has been affecting the overall Org since infect, incept, inject. I do not know how that was developed, but either way, the Henschel GB, is what opened that "can of disaster". All coincidence that it was when the Hawk, Fred Franz lay dying and finally died? All coincidence 10 years later the story is broke after 9/11? All coincidence it the overall Org since infect, incept, inject. I do not know how that was developed, but either way, the Henschel GB, is what opened that "can of disaster".

The globalists know all this, they are laughing their asses completely off!
Then lo and behold, towards the end of the Watchtower study; on paragraph 13, pg. 26; the admonition is made to steer clear of apostates, "or anyone who is claiming to be a brother but is dishonoring God." As I'm sure you've read,..."We are not benefited by trying to refute the arguments of apostates or those who are critical of Jehovah's organization. In fact it is spiritually dangerous and improper to peruse their information, whether it appears in written form or it is found on the Internet". Gee, wonder if they've considered what Jehovah thinks, let alone the other members of the FDS? I understand the counsel given at Matthew 7:6, but at the same time should we always cover and run with our tail between our legs when opposition rears its ugly head? Seems the, "fear of man" issue has taken over. Russell, Rutherford and others sure weren't opposed to speaking up, eh? I feel badly for all the brothers (and sisters) who've been criticized or worse for asking questions. Of course we need to be loyal to Jehovah to the end.

Just curious about your thoughts, I know the gears are always turning in your noggin',...lol.

Yep, I saw that, thinking, hmmm, if they only knew here in the cong what was REALLY up now. That "admonition" is simply this virus GB.92.unngo, in "self-protection" "silent mode" now. It is hiding its own RNA in the Org DNA.

As we can see though, Jehovah is on to them, and exposing all this now. It's all going to come flying out ten 20 foot cobs in a pillowcase.

Pray for patience like I do, I have a big mouth when the fire gets rolling, so to speak, all I need now is complications from the elders.

so I pray to Jehovah instead as much as I can, first off, just how interesting this all is, and how God's word is what "ID's" ALL of it, LOL. No one sneaks anything past Jehovah, since before even Christendom, Jehovah knew this would be developing today. Prophecy is what must first be sanctified in God's name as calling all this millennia ago, as per Zechariah, and even Ezekiel and others have elements of what MUST develop in Jehovah's "house".

Unfortunately, though, the GB will not be applying this to it's usefulness now, that will come after this transition of Zech3:2-4.

That is why it is so good to pay attention to Jehovah's Word, plainly, He is NOT done, it is still unfolding, and honestly Mike, this climax is going to be worth the wait. This climax will out shine the whole process to getting to this point. I have a complete analysis now, of what is really going on since 1991-1992, right at the change of guard, and believe it, Fred Franz was a guard, a restraint, in this organization, it is NOT accidental Jehovah set him up like a hawk through Knorr's time, and for 50 more years. O do NOT implicate Fred Franz whatsoever, He was true blue all for Jehovah. In fact some of his works of God given understanding for the minor phase are very very handy for this phase, such as the "Paradise Restored by Theocracy" book, chapter 10, on Zech 3.

PATIENCE is the word. This "virus" the org is running, is stealth, from demons, and now in "self protection" mode. Meaning DO NOT even bring it up to elders, they are not prepared for the magnitude of what this really means. Have some fun just knowing something is brewing, and Jehovah is letting you know like me, beforehand. I recommend not saying anything "down below", because Jehovah is going in "from the top". This needs to be handled obviously by Jehovah and Christ in their perfect strategy. So now, really wait on Jehovah and read Zech3-4 a few times, that all awaits final mode fulfillment, in that order, 3 to 4.

Just keep your mind and heart bracing for what is to follow, the greatest ministerial import of ALL Jehovah's witnesses history, and WE need to stick to Jehovah, and also realize we don't jump ship, because some rats are onboard. Those termites will be burned out in the Zech3:2 "log" "fire dip".

Also, what is unique about the analysis developing here, is it is NOT intended as "destructive criticism", but constructive criticism. This is from not an apostate, but an anointed that is revealing things, not with intent to stumble people, but, it is a delicate situation they have us, and Jehovah and Christ in. I also have no idea the extent of the GB and corporate compromise of course. In 1992 a few clues developed. 1, they moved fast, the (1) UNNGO, (2) "other sheep" GB aids, and (3) GB corporate board split, all in the same approximate "triple whammy", all around the "changing of the guard" - in my opinion Milton Henschel always was a spy, Knorr's "secretary" all very convenient, then this. Merely my opinion.

Now I feel we do have "globalist agents" who are "lifer" spies and subservives in the org, and the GB - we have a "vial install" with a 3 phase goal. BUT, I do not know how many anointed are being duped by a combination of circumstances, one, the sheer magnitude of the sin, and the million person stumbling, is in itself a frightful reality that many will just deny, out of sheer fright and guilt! The other is statistically Jehovah has cut the sheep intake, due to their actions, NOT His, so He is still hailing in sheep, but not near as many as pre 1992 numbers. So, they are in the illusion everything is peachy keen. But statistically, the stats themselves do not lie, something BIG happened around 1992, that affected the total trajectory present for 15 and 20 years before that critical point. First off, on the 3 stages of this virus, the first was getting a real big sin in the works, that would affect the holy spirit from the getgo. Then soak that in for 10 years, and "release" the info to the globalist owned and run press. Phase two would be the reproach stage, and the attack stage, that would naturally mind you, allow for the perpetual and subtle GB/FDS/Org "idol" building stages. Now, it is all "slave this, that, and the other thing". NO WAY does Jehovah like that. And see how sly? It is already God provided bodies that we already respect, that are being subtly "steroided", all fueled by the internet apostate attack perpetually, an attack with real, hypocrisy ammo.

Now, the "virus" is in self protection mode, just bring these things up, and get ready for a reactionary "apostate inquisition" by elders who are simply unaware what is REALLY being run. The, the 2 billion person internet, is also abandoned, why? The GB knows, hey we have UN soft-pornos we directed, with the "Virgin Daughter of Zion" in them. Don't no one go preaching, or peaking at what we did please! Thanks!

And not so much as one apology. You bet Jehovah is not happy whatsoever, BUT He knew it prophetically had to occur, He is after the frauds, not the army of the two witnesses that is ALSO stuck in this drama now. Plus, the whole thing will allow Jehovah to sift out GB, Slave and Org idol worshipers, by getting them to repent, or getting them out.

How? Because all this stage two idol building is for the purpose of "diffusing" faith and worship unto human "bodies". They are spreading focus away from Jehovah, unto "bodies" that can be affected by a corporate compromise. The third stage of this virus is to have a huge stumbling event, to cap off the UNNGO story break, but it doesn't have to relate to it, it may be financial, or who knows what.

But by the time that hits, people will have had their minds too focused by the GB WT press, unto these now clearly organizational idols. That is why they are subtly shifting focus to this idols for a decade and more, so the "ops" can whack the "mental image" of those idols, and stumble as many as possible. Of course this is my opinion based on seeing this as an engineered development fulfilling Zech3:1 Satanic resistance "at the right hand".
This is why I am also suspect of the "other sheep" aids. Not them individually, in fact they are strong and plainly fully duped. The use of these, is because the GB, in many of them, are NOT even JWs, fraud agents, good ones, they know ALL the formalisms and buzzwords. They themselves are getting "fed" information from strong "other sheep", who are doing their darndest to "research" and develop great food. See what I mean? These sheep are going overboard to do their best, with completely honorable reasons! Then these frauds have all the work done for them, they just edit and present, and everything is still "spiritual" but of course not progressive, because they need to curtail certain "light". Such as KingNorth, now a plainly obvious biblical figure in many ways, too many clues now that KN is a globalist power generic level at the least detail. KN, leads naturally to Daniel 12 final fulfillment, and these guys want no one going there.

Yet, they may very well have a little "new light" contingency plan, who knows. But at some point they know, when the Daniel 12 "can of worms" opens, that will lead to Dan 12:7 and 12:11, which 12:7 naturally links to Rev11 final 2W, which links to "little scroll" Rev10, which pops back to Dan11:44 "reports", and the whole prophetic paradigm naturally shifts to final fulfillment future mode! They do not want that "shift" to occur, that is what Satan is resisting.

And this is not all the anomalies and synergies popping up from this. I know it is Jehovah's time soon as well, because I did not understand any of this before the memorial. See what I mean? Even Zech 3 opened up to my mental awareness of it's gravity in the last 2 weeks, because I have been going over Zech and Haggai a lot in this process, because Rev 11 2W relates to Zech 4 explicitly.

This aint all make believe Mike! LOL. I tell you, read those older books on the CD, specifically the 1914-1918 and 1919-1922 fulfillments, because that is the mode we will be flowing into, NO ONE is going to stop Jehovah and Christ from these future developments, and Zechariah 3:1-9 will be a known event in some way, shape or form.

Which leads me to the few I have spoken to about these things, I know too, they have PURPOSELY been dumming down the sheep. Now the food is all good, and great for the first 5, 10 years, and there is plenty of sheep provisions, so Jehovah is not allowing them to cut off new sheep development, but as far as prophetic patterns of the past, that we should be drilling in for "field mode" of the future, they are not doing that, they have been diffusing into other things in this department for 20 years now. No doubt the "new light" plug was yanked long ago as per Eze16:27, "diminished allowance" and the apostate "women hating you" endless attack curse.

This is why I feel Jehovah will take over with at least 5 full years of drilling it all in, to the "final mode" "paradigm shift" that will blow the average JW mind when it finally comes out, and come out it must. Just my opinion of course, on this timing... But I can tell you, I do not know how Jehovah and Christ are going to pull this off! LOL, but it will be going into serious JWs who are left after this purge, ones woken up to reality, through that Zech3:2-4 "fire test" of the org "log", and angels will have to be involved.

I see such a takeover, angels will have to be in play, I just do not know what they will be doing. It may be a total repentance for all I know. But honestly, I think we have problems requiring people being "disappeared", by angels, one way, or another. We DO have serious inner problems. BUT, as you can see, Jehovah STILL completes the truth regardless of GB self-induced coma, LOL!!!! That really blows my mind, and makes me know Jehovah IS about to enter the Org with an axe, and the GB name tag is not an escape, BUT the target!

NO ONE FORKS OVER GOD'S DAUGHTER'S IMAGE, CHRIST'S WOMAN, IN GLOBAL REPROACH, AS IF SHE IS AN "U.N.clean thing" MIND HUSTLER, AND GETS AWAY WITH IT, NO ONE! I KID YOU NOT! HEADS ARE GOING TO BE ROLLING OVER THIS GB PIMPED AFFAIR!

That is why relax, and study and pray, don't say anything unless you really know the person well, and just keep in expectation of something patiently, at some point may be even a couple years wait for the Zech3:2-4 transitional, we do not know, but something, something is brewing in Camp Jehovah AND the globalist camp, and this org is the target of both as well. And always remember, in the end, we will all exterminate those bloodsuckers to their faces. People have sat around for years cursing and taunting God's angels, and one of these days, they are going to show up, and they are going to go and stand right in front of some of these loudmouths, face to face, and they are going to speak for themselves. One fine day, people are going to get their traps shut forever, by the very entity they have provoked. They will be torn limb from limb, aint one Devil worshiper as well, who is walking out of this or expecting any mercy. Of course Jehovah is going to be saving as well, so He will judge all people, and some will be shown mercy, on repentance as that Matt25:31-46 "court" completes to the full.

The time will come to really settle the score wall to wall, and full warning of it all will have been fully 2W2 provided even before that finality of 1260 to temple completion in the commencing 1290 following that. In that 1290, we do not know how long into it until total extermination, and we know, Christ doesn't have any pressure or need to rush when his angels are outnumbering all opponents, so they can sift out sheep, right through anything. That 1290 may very well go the full 1290 as Christ finishes the "circuit of Israel".

what is the UNATO?? Lol

A globalist military coalition. Think of UNATO, Global NATO like the "United Nations" of armies.

Okay so these agents are humans run by satan. who don't work for any government but they just wanna bring down the organization. like when jehovah tells us to do something the devil tells them to do something.

Am I right????????????

Yeah, Satan has been allowed to slip in a little into the org, as per prophecy. Ultimately a demon strategy is at work, not some human cabal, but they are employing top level "lifers" of their own. Whether organized, and maybe some who went "dry", either way, the GB has been compromised, the trends and stats cannot lie a big problem is being set up. PLUS, prophetically the pattern fits like a puzzle piece in Zech3 and 2Thess2 occurring in modern fulfillment, hand in hand.

Plus it is masterfully hidden. And it has Jehovah in a tight spot for a while, because He wants to pull in sheep, while this is all happening. that "sheep blessing" though, is also an illusion that everything is peachy keen. It is for the sheep, but not for the shepherds. We went from a 5.5% pre 92 growth rate, to a 1-3% post 92 growth rate for 10 years. OBVIOUSLY something has happened.

And this drop just happens to align in time with? UNNGO streetwalking God's Daughter event.

First off Jehovah knew about this over 2000 years ago, everything MUST fulfill prophecy. Therefore believing that with TOTAL faith in God's Word, His infallible
forecasting is also in the bible to guide us. And it is, that is why this development does not fool an anointed who keeps the "oil receptacle" full.

The "oil receptacle" is a symbol of paying constant attention to God’s Word and daily life, current events, and trends in the organization.

This principle is in the 10 virgins illustration. They picture true anointed who "go dry" and end up being rejected. So, over time, this has been a selection requiring testing and no automatic guarantee.

This is why the GB in some part today are the following in some combination I believe:

1. Anointed. But are being fooled as to the overall true situation that has developed.
2. Fake anointed, but still JWs.
3. Anointed who went dry.

See Frederick, statistics indicate something is up as well, this is now a trend:

"The rate of growth of publishers has dropped from an average 5.64% per annum over the 15 years prior to 1995, to 2.55% in the 15 years after 1995. Had growth remained above 5%, the 4,950,344 Witnesses in 1995 would have exceeded 11 million in 2010. Instead, there were only 7 million in 2010 - a difference of 4 million people. Factors on conversion and retention, such as Internet education, resulted in growth of 2 million instead of 6 million, just one third of that expected in 1995."

Now the real apostates and opposers try to use the above, and say it is because of the "generation teaching" change of 1995.

But in fact this downward trajectory is due to the UNNGO gross sin (in secret at that time), that was not at this time visible to publishers and the world, but some part of the GB knew what they were up to. That is what has caused missing 3 million people. It just happens to coincide with the estimated number stumbled approximately after the 2001 news as well.

I mean first whoring God's Daughter to the UN, THEN causing bloodguilt like this? You know heads are going to roll, you know some guys who think this is just dandy, are toast if they do not admit the magnitude of this sin. So, something has to bring this ALL to a head. They also have compromised the entire organization, and that will be the "firetest" climax in my opinion. I do not know what, but something big in one way or another, is going to hit the JW idol ship. Oh yeah! I forgot to throw in our idolatry too boot!! Expect a reprisal, and BIG one "in a little while longer", whatever that may mean, a year? 2? 3? We shall see.

The globalists want to try to defunct the whole org. They want JWs to be thrown off balance. BUT Jehovah also wants to use it at the same time, for a little house cleaning. They will NOT checkmate God, He will pawn them, some how, in any event 2W2 will prepare from this event forward.

Ever since 92, we can actually see the drop in percentage of growth, we should be over 10 million witnesses today, but this Zech3:1 Satanic "resistance" at the "right hand" of "Joshua" is VERY real since 92. It is also foreshadowed in Ezekiel, after this weakened state in the GB from after Franz death in 1992, other things have slipped in, as foretold in Ezekiel.

(Ezekiel 7:22) “And I shall have to turn away my face from them, and they will actually profane my concealed place, and into it robbers will really come and profane it.

That UNNGO thing, did anger Jehovah, but He waits, but He also withdrew holy spirit "new light" and blessing, it is statistically obvious, as indicated in the stats, BUT that was brought on by the GB’s little secret foray.

It has NOTHING to do with any adjustment of teachings, it has to do with the UNNGO sin, plain and simple. And then the globalists also strategized to release that info, timed with 9/11, on 10/6/2001 in the Guardian newspaper - that went global asap.

After 9/11, we would have had a natural increase surge, because globally traumatic events make many people consider their spirituality more anxiously. Instead, the mother of all scandals erupt in the JWs, then the globalists shot it out to the world, to counteract the 9/11 “soul searching”, and they did. Not only was it the UNNGO secret sin affecting us (since 92), then came the apostate barrage along with the ACTUAL worldwide public reproach of Jehovah's name, and gutless denial by the GB, although this has stumbled over a million people STILL they will not even apologize once. SAD.

Now do we see why Joshua NOW has befouled garments as per Zech3:1-3.

Now do we clearly see why that "fire" (Zech3:2) has been prepared by GB actions that even "befoul" the FDS and Christ's global reputation. All JWs are called into reproach.

Now this "fire", that we are getting close to, but are not in yet, will be a purification:

(Zechariah 3:2) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then the angel of Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?”

But it has to go into that fire, all the way, soon.

Jehovah has some termites to burn out of the org log, and some deadwood and idols to fry out.

AFTER that purifying fire event, this will occur:

(Zechariah 3:3-4) Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to those [angels] standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”
I do not know what this "fire" event will be, but Jehovah will snatch the org out of it, purified to His specification, because then all this stuff I have been showing you, MUST be made known to all Jehovah's witnesses. Angels will be involved in some way.

Now you know we have 3 idols that Jehovah WILL allow to be whacked in mental image, and as far as the org, there will be some kind of big event in the org. The GB idol, and the FDS idol, along with the Org idol, and ALL those overly focused on those idols now, WILL be "fired".

I mean put to a test, not GT, but as to whether they worship Jehovah, or those idols. Jehovah did not set up those blessings, for them to become idols. In Christendom, Jehovah did not even allow Christ, to become an idol, he rejected them.

But with JWs, Jehovah did NOT create this org, to be hi-jacked by no globalist agents or fake anointed actors, or burned out parasites, so He is going to put that GB through a wringer, and get it back to the anointed spec, for the final ministry that MUST be completed at least utilizing the org facilities while they can be used, then it will go into the free mode through GT some time after all this, when the actual 1260 begins - that may be a few years down the road - in my opinion.

That means of course a pre-2W ministry will be finishing up the Rev 9 global ministry leading over an unknown time period all the way to 1260 time (GT time on BTG), to the actual start time of the two witnesses officially on Jehovah's stopwatch. There will be a lead in ministry, a "warm up" for the world, that will lay out the end of the world, on a "map" or a prophetic "program" exactly along the pattern of 1914-1918, and 1919-1922. Those correspond to the 2W/2GT 1260, which is followed by a glorification Temple completion that ushers in the final 1290 day period of the Christ Court of Daniel7:26.

In that period, Christ will be making final separations and various exterminations as per God's complete will and control, so we do not know how long into that 1290, the total judgment phase will go. We know the "winepress" mode will be deployed on the wicked, after the ALL the sheep of the world are pulled out. There may just end up being 100 million people in the great crowd. That is the completion of the "circuit of Israel" that Christ said does not complete UNTIL he comes in an finishes it:

(Matthew 10:23) When they persecute you in one city, flee to another; for truly I say to you, you will by no means complete the circuit of the cities of Israel UNTIL the Son of man arrives.

So now is the time to get extra determined to stick to Jehovah and Christ through the trials that JWs and the GB and the anointed have brought on ourselves. This period MUST be straightened out, Jehovah is NOT happy with us anointed and He is NOT happy with us living in denial of the gravity of the UNNGO sin.

But, if we see it correctly, even this discipline IS A GREAT BLESSING! IT IS A PRIVILEGE TO BE HAMMERED BEYOND RECOGNITION BY GOD AND CHRIST!

LOL

IT SHOWS THEY CARE!!!! IT SHOWS THEY HAVE CHOSEN US ALL, FOR THE FINAL MINISTRY OF ALL TIME!!!! SO STICK TO JEHOVAH, WORSHIP JEHOVAH, HAVE FAITH ONLY IN JEHOVAH AND CHRIST, REMEMBER THE VALUE AND POWER OF CHRIST'S BLOOD, AND NOTHING CAN STOP US FROM MAKING THE FINAL MINISTRY A SUCCESS BY JEHOVAH'S POWER, THROUGH THE TOTAL END OF THIS RIVAL SYSTEM, IN IT'S FACE, IN GOD'S OWN SWEET TIME!

But we are getting very close to the roller coaster letting loose. I am very curious how Zech3:2-4 will play out. I have NO DOUBT Satan is at the "right hand", IN the GB to some degree, since 1992. That is what Jehovah must obviously remove. The Devil has to have all influence in there squelched.

That will take a great event BY GOD, this GB log is as good as in the fire in God's eyes. I am just too curious what God is going to pull, and also what these globalists may try to pull. They should converge at some point in this chess game. Satan has to be put out of the way of the "right hand" of "Joshua" BEFORE the final 2W2 can even be prepared for.

As you can see, this idea has not even dawned on the current GB. Even this news, is like a scorpion in their dessert. Whatever rat globalists that may be in their were thinking, "yeah we will delay it all, they will never catch up now!", Jehovah ah's finished it here in spite of their efforts. They have FAILED to delay and obscure the very knowledge of the truth from Jehovah and Christ (2W) that the a second "two witnesses" MUST occur. That the whole prophetic cycle will replicate in the near future.

They would have hoped no one EVER put all this together from Jehovah through Christ, LOL, but one cannot stop Jehovah's word now can they. Even this news is spitting in their very face! Though they have not seen it yet, they will, I guarantee Jehovah will plop it on their desk in time, just to see the look on their face.

Buncha fockers, eat it, here you go: F--A--1--L. Good try.

LOL

You can't make this stuff up folks; Jehovah's witnesses have a "man of lawlessness" operating right under the noses of the whole flock;

Did this "stand out" to anyone else?? I'm not looking very closely folks, this is the stuff that just sort of "pops out" at you...
The xGB MOL does indeed fulfill prophecy in more than one way;

(Ezekiel 8:17-18) And he went on to say to me: ‘Have you seen this, O son of man? Is it such a light thing to the house of Judah to do the detestable things that they have done here, that they have to fill the land with violence and that they should offend me again, and here they are thrusting out the shoot to my nose? 18 And I myself also shall act in rage. (Dan8:11-14)

So I am not telling Jehovah's witnesses to “jump ship”, I am telling JWs to expect a judgment, and the removal of the lawless xGB and Co., and that may in fact be very destructive to the worldwide org, because this MOL xGB will not leave on their own; (God will cleanse the JW temple, and resume the final ministry is all that is happening (Rev11))

What the xGB want to do in this world event coming up (2014+), is orchestrate inner JW organizational directives along with their globalist main controllers; And they want to do this, like 1991, and 2001, WITH the lead world move of a globalist world super-event, however the next "911" false-flag operations may develop; (Or whatever, expect a BIGGIE!)

Jehovah's witnesses might as well know, that like 1991’s UN/NGO covert deep relationship with no outside approval or discussion, the xGB and corporate globalist fraud JW finance technocrats are shifting the main “nest eggs” of the JW org into the globalist "basket" by financial positioning covertly;

So, JWs should expect this financial reorganization (now taking place) in the billions of JW org dollars (and hard assets) to mean a financial intrigue against the JW org soon, in multiple countries;

This is because this re-shuffling (in secret for the major WTBTS international re-capitalization decisions) in "secured" assets (and funds), for the required "leveraged" and "collateralized" hedged derivatives "reorganizing”, unknown to most JWs around the world, at globalist tiers of investment and sovereign authority, and that will mean disaster in due time;

The real JW brothers are being conned by globalist guided experts (like the xGB infiltrators);

Those JW org "eggs" are, as we speak, being handed to the globalist side of the "fence" (all legally, "to expand the work brothers!"). "It's God's will JWs should go bankrupt!") in prepared "baskets" of Ezekiel 7:22 thievery to try to bankrupt and discontinue as much as possible, the worldwide ministry of Jehovah's witnesses WITH a huge world super-event soon, for the next 10 year trek to "New Worldwide Globalist Government" and inevitable Armageddon war;

(Ezekiel 7:22) “And I shall have to turn away my face from them, and they will actually profane my concealed place, and into it robbers will really come and profane it.

The properties of the JW org worldwide are all tied into this intrigue as securitized collateral that can be pawned and tied up in years and years of potential legalities and "negotiations" at supra-national legal levels of decision making;

But we don't have years and years to finish the ministry, ok? (God will enter the scene as per Daniel 8:11-14 in light of Hos1:4-7; Zech3:4-7)

THAT is what JWs should be expecting soon when this xGB and globalist event series initiates soon, initiating as well, Daniel 8:11-14; for the whole, now seen, repeating Biblical cycle over a number of years - GT is NOT next, a judgment is, the xGB want to hoax a GT and all kinds of world JW confusion - they, the xGB "vipers" are the ones who have "hatched in the evil plot" by a powerful 2horn-wildbeast globalist "government" to exterminate the JW org as per WT predictive programming: (WT 6/15/2012 predictive programming)

Be ready and awake, it is coming...

XGB Live and Real-Time Manifestation of the "Man of Lawlessness" “Evil Slave”; A Prophetic Self Revelation Requirement; (2Thessalonians 2:3-12)

Excerpts from:

XGB text in bold and blue;

http://www.jehovahs-witness.net/watchtower/scandals/242384/1/FDS3dGB3b-The-Real-Objectives-of-This-New-Light3b
This "new light" reasoning complex of further reaching strategy is for the diametric objective of centralizing the alleged "anointed" authority into a sole body, the "Governing Body" in the last days of the "last days", while at the same time discrediting and shutting up the individual dispersed genuine anointed and their potential insights from the holy spirit through the flock worldwide, while not revealing that dynamic is actually at work;

Let's examine these xGB operators' overall technique in just this little sampling of the "wormwooded" announcements out recently:

**When Did Jesus Appoint “the Faithful and Discreet Slave” Over His Domestics?**

Consider the context of Jesus’ words in Matthew chapter 24. All the verses listed here were to be fulfilled during Christ’s presence, “the conclusion of the system of things.”—Verse 3.

“The tribulation of those days.”—Verse 29.  
“This generation.”—Verse 34.  
“That day and hour.”—Verse 36.

The “day your Lord is coming.”—Verse 42.  
“At an hour that you do not think to be it, the Son of man is coming.”—Verse 44.

Logically, then, “the faithful and discreet slave” must have appeared after Christ’s presence began in 1914.

Well, that Matthew 24:29-44 period all had a minor fulfillment in the periods from the statement of this prophecy (33 CE) to 70 CE (and to the first apostasy MOL ops as Christendom);

So indeed a Christ era "Faithful and Discreet Slave" was inspected at the time of the judgment on Jerusalem in 70 CE, but as we know, a "man of lawlessness" also soon developed into institutional Christendom to curtail that "slave's" work to small, but consistent threads of development for hundreds of years leading to Kingdom birth and another minor judgment;

BOTH are valid, as Christ determined who was actually his "faithful slave", not claimants, and that is why those judgments occurred in minor form;

Thus the xGB wants to sever the connection to the anointed of the past, in that initial minor fulfillment of this Matthew 24 prophecy and even the 1914-1922 judgment cycle of temple foundation;

**Objective 1: Disconnect**

First the dispersion of anointed from Christ's time as authoritative sources of divine truth has to be severed and dispelled, as begun in the above reasoning, and continued here:

Moreover, Jesus indicated that this “slave” would appear during a time when a legitimate question would be: “Who really is the faithful and discreet slave?” Jesus’ apostles had miraculous gifts of holy spirit, so there was scant reason to raise that question in the first century C.E. (1 Corinthians 14:12, 24, 25)

But, is that true that "there was scant reason to raise that question in the first century C.E."; really? Is that actually TRUE?

Why did Christ commend the anointed for identifying the frauds by testing them in the congregation in Ephesus? (In the first century CE by the way):

(Revelation 2:2) I know your deeds, and your labor and endurance, and that you cannot bear bad men, and that you put those to the test who say they are apostles, but they are not, and you found them liars.

How did they find them to be liars? They tested them with the Word;

Jesus himself raised the question, and commended the "faithful slave" qualities and character that the "fraudful slaves" be proven to be frauds;

Although they were anointed by holy spirit, the apostles and other first-century Christians were not “the faithful and discreet slave” prophesied by Jesus.

They wrote the Christian Greek scriptures, but they are not the "Faithful and Discreet Slave" for that minor fulfillment period? They were genuine prophets, but not "Faithful and Discreet Slave"? And these urban CEO xGB pretenders who are not even Christian much less anointed are now the sole, one and only, self-determined "faithful and discreet slave"?

It is getting absurd now, and in that absurdity, in the magnitude of this claim, is where the lie and liars are hiding in plain sight, now publicly fulfilling 2Thess2:4: "publicly showing himself to be a god" while "lifting himself over EVERYONE";

This begins the xGB reasoning process towards apostate isolation of authority, by eliminating any association of the "Faithful and Discreet Slave" to anointed of the past, or to minor prophetic patterns of the past;

This acts against the authority of "the least of these my brothers" who are dispersed anointed worldwide, by eliminating any association of the "Faithful and Discreet Slave" with any of these former anointed since 33 CE dispersed globally to 1919, and even from the remote anointed ones not in the Bethel cahoots of the "evil slave" fraud-anointed of today;

**Objective 2: Discredit**

The point is to discredit and shut-up as many potential anointed pronouncements from this modern dispersion of anointed indicating the xGB are a manifesting "man of lawlessness" in brazen, yet deceptive PUBLIC manifestation fulfilling 2Thessalonians 2:4 explicitly;

Like the temple foundation revelation of this former "lawless one" proclaimed at that time by the International Bible Students (1914 to 1919+),
A revealing of the "lawless one" in modern times must precede the final temple completion phase, from the preliminary inspection of the temple (Mal3:1; Zech3:1-3), to the cleansing (Mal3:2-5; Zech3:4-9) and completed temple judgment; (Dan8:11-14);

The xGB wants NO ONE making this connection;

It is reasonable to conclude, then, that Jesus appointed "the faithful and discreet slave" over "his domestics" during his presence, "the conclusion of the system of things."

It is reasonable, that is true, but the reasoning is faulty and has a further objective to be demonstrated further below, with a goal of covering up the "mystery of the lawlessness" (2Thess2:7) currently now operating in full power, covertly and overtly, in the Governing Body of Jehovah's Witnesses, controlling a progressive organization wide infiltration, as per prophecy; (Dan11:30);

Objective 3: Continue the Cover Up
The xGB also want to cover-up the significance of Daniel 11:30-31, as the UN (NGO-DPI) promotional sin involved in 1991, by their instigation, as the main "transgression causing desolation" (soon) in Daniel 8:11-14's temple judgment requirement of the near future;

The xGB wants NO ONE making this connection as well;

Objective 4: Seize Authority

"Who Really Is the Faithful and Discreet Slave?"
Jesus was referring, not to an individual, but to a composite "slave"—a group working together as one body. Jesus said that the slave (1) is appointed to a supervisory role "over [the master's] domestics" and (2) gives the domestics spiritual "food at the proper time."

From 1919 on, there has always been a small group of anointed Christians at the world headquarters of Jehovah's Witnesses. Those are professed anointed, by suggestion here presented as an unquestioned fact, this aids the mental illusion this xGB is creating in Jehovah's Witnesses today;

In fact since 1976 there has been, at the very least, a prophetic non-anointed, anti-Christian infiltration in factional part then, in the xGB - producing deceptive frugality and "wormwood" that culminated in the "wildbeast" 666 worship of 1991, and the prophetic cover-up from that time forward as Fred Franz's "restraint" progressively weakened to his death;

After that this xGB got down on hands and knees for the wildbeast UN in broad daylight, revealed publicly 10 years after the fact as UN/NGO "adjunct advertising agency" of the UN-DPI; They promoted the "New World Order" right along with George Bush Sr., hand in hand promoters worldwide for 10 secretive years; (Search "new world order" on the Watchtower Library CD from 1991 to 2001 and see for yourself; Awake! 9/8/1991 commencement)

These frauds are NOT Christian or anointed, they are freeloader, plagiarist pretenders taking credit for the work of God through Christ through genuine anointed brothers; And the xGB are aligning future thieves in the organization's financial centers as well; (Eze7:22)

They have supervised our worldwide preaching work and have been directly involved in preparing and dispensing spiritual food.

But in fact the "xGB and Co." have been recycling materials from the past, covering up prophetic modern day significance of Daniel, Zechariah, Revelation and other prophecies, and editing non-anointed writing and research work into masterful behavior control propaganda, as also an implied non-anointed alleged "Governing Body" by association with this arrangement develops;

There has been no "new light" since the UN/NGO sins of 1991, and nothing new offered since Fred Franz died, only a re-hashing of Fred Franz era manuscripts, and new sheep level feedings for everyone with no depth of spiritual insight for the entire "household", all carried by well meaning "other sheep" and xGB hand-picked implants;

A diet of watered down old minutia, old bread and vegetables, with plenty of ear-tickling "creature worship" desserts is what this xGB has been "serving" for 20 years, while polluting a symbolic "1/3" of Jehovah's Witnesses teachings; (Rev8:10-11);

Now along with the UN Baal idol, the erect themselves a stretch higher than everyone else;

In recent years, that group has been closely identified with the Governing Body of Jehovah's Witnesses.

Clever wording that, it should read:

In recent years, that group is the Governing Body of Jehovah's Witnesses.

Alas! They have answered the question: "Who Really Is the Faithful and Discreet Slave?"

But ONLY Christ will answer that question in truth of judgment!

The evidence points to the following conclusion: "The faithful and discreet slave" was appointed over Jesus' domestics in 1919. That slave is the small, composite group of anointed brothers serving at world headquarters during Christ's presence who are directly involved in preparing and dispensing spiritual food. When this group work together as the Governing Body, they act as "the faithful and discreet slave."

Another fine and smoothly worded paragraph adding ambiguity to the usurpation as the MOL "lifts himself up over everyone", including and especially the "least of these my brothers" (e.g. in effect Christ himself);
These evil operators blatantly fulfill 2Thessalonians 2:3-4, while wording it to appear conditionally interpreted, dependent on "group effort" "activity", and "direct involvement" (which includes non-anointed "sacrificial" preparation of the majority of the material today), and they merely "act" in this "slave" capacity when they are "active" in this way.

That's called waffling wish-wash; These guys OWN the "cookie jar" now; They are just making it blasphemously official;

All perfectly muddled up usurpation sugary wording, "working together" indeed, in direct fulfillment of the "evil slave" class (Matt24:48-51) of the "man of lawlessness" being revealed live and real-time, by his own PUBLIC self admission, self-righteous grasping, and brazen blasphemy "sit down" "in the temple of the God" - in broad daylight;

These guys are laughing at Jehovah's witnesses;

Who Are the "Domestics"?

Jesus said that "his domestics" would receive "food at the proper time." All genuine followers of Jesus are fed by "the faithful and discreet slave." Therefore, all of Christ's disciples—both individual anointed Christians and members of the "other sheep"—are "his domestics."—John 10:16.

This removes the anointed authority in the modern context: Rather than the "Faithful and Discreet Slave" composite class feeding the anointed "household" "domestics", who in turn feed all other sheep, other anointed further and mankind and interested ones, now all are fed by the "evil slave" direct, instead;

No need to expect any extra insight and understanding from remote bible reading anointed;

Objective 5: Shut Up the Anointed on Modern Prophetic Fulfillment Events and Cycles;

This minimizes the belief that the anointed in the dispersed field actually are capable of having any TRUTH insight into things deeper than this obviously compromised central GCB comatose "body" "black-hole"; And of course the ability to speak about it to the brothers in that context can now be a disfellowshipment offense;

And that aids the "operation of Satan" of the modern day "Governing Body" of Jehovah's Witnesses from being detected, WHILE fulfilling the prophecy of the "man of lawlessness" - bringing all Jehovah's witnesses into further communal sins of Daniel 8:11-14, which must soon manifest in complete fulfillment;

Just enough ambiguity and word shuffling is ingeniously worded into the "new light" mental and spiritual "black-hole" "explanation", to leave a personal shadow of doubt based on an imprecise description and finely muddled definition, to spread this development organization wide, upon as many unsuspecting Jehovah's Witnesses as possible;

And more predictable psychological credibility tactics:

After the speaker explained this aspect of Jesus' prophecy, the audience erupted in sustained applause.

Enter canned "volcanic" applause for credibility effect of common media brainwash techniques of the trained clapping seal effect;

Several in attendance later expressed their profound gratitude that Jesus considers them among "his domestics."

Add the effect of profound gratefulness and acceptance as if the word of Jesus himself was spoken by these brazen counterfeit pretenders;

More Error:

When Does Jesus Appoint the Slave “Over All His Belongings”?

Jesus said that the “master on arriving” (literally, “having come”) will appoint the slave “over all his belongings.” When does the Master, Jesus, arrive?

The expression translated “on arriving” is a form of the Greek word erkhomai. Verses 42 and 44 of chapter 24 translate a form of erkhomai as “coming.” In those verses, Jesus is referring to his coming as Judge during the great tribulation.—Matthew 24:30; 25:31, 32.

Jesus’ appointment of the “slave” over his “belongings,” then, must also be a future event. He will make that appointment during the great tribulation.

Since Christ does not appear until after the "tribulation of those days" (Matt 24:29-31), it would be nice to use actual biblical prophecy to elucidate "great tribulation" to the degree the Bible actually allows:

Christ must complete the approved 144000 from the remnant in the period after the 1260 days of Revelation 11:2-12 in the major final fulfillment mode; Thus, the question of who really is the "Faithful and Discreet Slave" will be answered in the middle of the tribulation period, but before the deep Great Tribulation ("sun, moon" "blackout"; Rev6:12) after the "tribulation of those days" break-point of Matthew 24:29-31;

Obviously, again, Christ judges the actual status of all anointed claimants at that time, permanently; That they are actually anointed, and to be inspected, is the only general characteristic made at this time; No specifics such as this brazen xGB crowns themselves with is even possible - it is a generic "anointed" judgment, for better, or worse, NOT now, but then at that time;

ALL anointed are to be judged, ALL faithful anointed are in line for receiving a favorable judgment upon continued faithfulness at the actual judgment;
More canned credibility wording, and a song sung to the new self-revealed "evil slave", as "faithful slave", the main objective of the "man of lawlessness" blasphemy in this beginning to the actual precursor Daniel 8:11-14 temple cleansing judgment:

After such an upbuilding and historic program, those in attendance heartily joined in singing “The Light Gets Brighter” (Song No. 116) from Sing to Jehovah. Its lyrics include these appropriate words:

“Our Lord has appointed a trustworthy slave,
Through whom He gives food in due season.
The light of the truth has grown brighter with time,
Appealing to heart and to reason.”

Now we are seeing the xGB operators already anticipating that the candy-poison must be forced in further from any last second spit-outs, by a handy song to prove that the "new light" must actually be "new light" and to wash the spiritual cyanide all down deep into the psyche, and a nice trite rhyme could apply just as well to Satan and his "evil slave", in his "angel of light mode", but now the xGB MOL can hit the stage in the sole spotlight; TaDa! (2Cor11:13-15)

Appealing to heart and reason is what Satan always has done, the issue is whether it is valid reason or not, truth or error, not "reason" alone; There is invalid "reason" for everything this MOL xGB does, but there is never any real excuse;

This MOL xGB's days are numbered (Zech3:4-7; Hos1:4-7), and they want to take Jehovah's witnesses down with themselves as globalist wildbeast workers that they are; This will activate as Daniel 8:11-14 fulfills soon, commencing the initial prophetic period of Daniel 8:14, preceding the final prophetic temple completion cycle of Revelation 11;

**ZECHARIAH 3 FINAL FULFILLMENT MODE REVEALS TROUBLE IN PARADISE, JW PARADISE**

With bittersweet regret but also divine excitement, I am driven to tell Jehovah's witnesses everywhere that I am no longer... no I am not disassociating, no I am not turning coating on the brothers, I am no longer observing the GB idolatry, that has now also set into the FDS idol, and the Org idol, to create a massive future stumbling event. I am now compelled to PROVE from the bible's LIVE prophecies that the "Governing" "Body" is now a Frankenstein of the demons. Sorry to say, one infraction led to another, the Henschel spy, and so forth, and now their very fruitage, Jehovah has revealed, is revealing what is operating in the 1992 to current Governing Body of Jehovah's witnesses.

Subversive infiltrators of the globalist 2-horn-wildbeast and 8th King/KN opponents.

I have the tattoo, these fakes do not. That is why it is also my responsibility to reveal the meaning of Zechariah 3 REAL-TIME! The fraud infiltrators surely will not, and cannot.

JEHOVAH AND CHRIST CANNOT BETRAY JEHOVAH'S WITNESSES, FOR THE VERY NAME SAKE, PURIFYING FIRE WILL GO LIVE AMONG JEHOVAH'S ORGANIZATION AND PEOPLE; ZECH3:4

**KEEP IN EXPECTATION OF ZECHARIAH 3:4 LIVE AND FINAL FULFILLMENT IN A LITTLE WHILE LONGER**

I am a Heaven's Angels Light Biker Club member. We do not blow off our photor cycle gang, and those who ride with us, because a couple "h-UN-s" have snuck into the gang. NO WAY, NO HOW! The JW tat is here to stay. We do NOT abandon ship for a few rats. No, we wait till the big kegger at the rally, and we catch the rats buzzed at 4:40 am, in the proper state of repose and we are prepared for what will happen next. They aren't. This event is purposed for Zechariah 3:4 final fulfillment and where that must lead. The Heaven's Angels JW Light Club is currently in Zechariah 3:1-3 holding pattern.

This prophecy is fulfilling in front of all our faces NOW:

(Zechariah 3:1-3) And he proceeded to show me Joshua (FDS) the high priest standing before the angel of Jehovah, and Satan standing at his right hand (GB) in order to resist him. 2 Then the angel of Jehovah said to Satan: "Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log (Org) snatched out of the fire?" 3 Now as for Joshua, he happened to be clothed in befouled garments (GB actions since 1992) and standing before the angel.

**GB Spade is a GB Spade**

Now I have finally, finally come to admit, upon pure logic and lots of prayer that Jehovah's witnesses are in the midst of an inner betrayal event, a severe inner compromise of the GB and Org, that has been in clear operation for 20 years, after Fred Franz' death approximately. And, of course, Jehovah has ALREADY revealed it per prophecy.

This in NO WAY implicates ANY Governing Body since Fred Franz, and before 1992. Those guys were the REAL McCoy, and we will take the GB Toolbox control center back, SHORTLY.

---

It's Obvious, Too Big to See at First

This evidence is simply too conclusive, when examined after years of this trend as well:
1. Jehovah God Almighty will NOT inspire actions that bring grand, massive, perpetual, worldwide reproach upon His own name, the King of All Lightning Clubbers will NOT do such a thing, no how, no where, no way, for no reason. CERTAINLY NOT FOR A UN LIBRARY CARD.

2. Jehovah God Almighty will NOT inspire ACTIONS that stumble globally, perpetually, at least 500,000 people in 10 years, maybe far more than that. There may be 3 or 4 million people who simply WILL NEVER CONSIDER BECOMING A JEHOWAH'S WITNESS because of the great post 1992 Henssel GB hypocrisy of the UN-GNO scandal NOW attached to Jehovah's Name and Jehovah's witnesses name worldwide by that selfish and infiltrative GB action: d-i-s-a-s-t-e-r awaits the rats, NOT the whole JW club.

The GB of the last 20 years, pimped God's Daughter into the UN brothel, street walked Christ's Girl FOR 10 YEARS, PLAIN AND SIMPLE, and they are NOT going to get away with that GREAT SIN. NO ONE IS! JEHOWAH IS, I REPEAT, IS ANGRY!

THERE IS NO WAY IN HEAVEN, HELL (CURRENT GB) OR EARTH, THAT JEHOWAH GOD HAS ANYTHING TO DO WITH THIS TRAVesty AND NO WAY HE INSPIRED IT, OUR HEAVEN'S ANGELS LIGHT CLUB HAS BEEN COMPROMISED BIG TIME! FROM INSIDE THE GB CONTROL CENTER!

But, neither Jehovah, Christ, me, or any true worshiper of Jehovah God Almighty, through Jesus Christ, is going to abandon being in the heaven's angels, just because some scum have slipped into the GB and the org in 3000 dollar suits and smiles, masquerading, I say masquerading as Jehovah's angels.

That is right. Jehovah, The Heaven's Angels Owner, and Jesus Christ, The Club President, are the ones who will deal with the termites in our Heaven's Angel's Photos Cycle Club as per Zech3:4! Don't you worry, these rats are going to be removed by AT LEAST angels. How exactly we do not know. When exactly we do not know, but soon. That exactly it will happen we do know, it is divine prophecy!

(Zechariah 3:1-4) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then the angel of Jehovah said to Satan: "Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?" 3 Now as for Joshua, he happened to be clothed in befouled garments (GB sins, retarding temple completion news) and standing before the angel. 4 Then he answered and said to those [angels] standing before him: "Remove the befouled garments from upon him." And he went on to say to him: "See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state."

Any anointed who has kept the "oil" supply full, that is, reads and studies the Word Of God like eating food and drinking water, ALREADY knows Zechariah 3 is THE MOST IMPORTANT PROPHECY CONCERNING JEHOWAH'S PEOPLE CURRENTLY IN ACTION - LIVE - REAL-TIME, AS WE SPEAK!

Why? The Temple 144000 Completion for one thing, is where zech 3 leads to, and...

Zechariah 3 is a Great Modern Prophetic Signal - It Also Indicates Something is Wrong: "Befouled"

Because Zechariah 3 pictures the great segway to the typical Jerusalem Temple completion that occurred after Joshua's "befouled" state was changed in approximately 520 BCE, and the Israelites completed the Jerusalem Temple in the face of their enemies, the same way the 144000 temple is also going to complete in the near future in the face of God's enemies as the final fulfillment of this prophecy in Zechariah 3 leads to those events guaranteed to repeat for a finality of fulfillment (Rev11).

All anointed and others also know, Jehovah's prophecies all repeat, replicate, and roll over at the divine timing they are intended to go into final fulfillment, as per their minor fulfillments, with various perfect principles and or events emphasized and finalized. For example, Jesus arrived at Bethany on the Mount of Olives 6 days before the Passover, making that whole segway from Bethany, to the Temple visits, to the Passover new covenant and Kingdom covenant to the full sacrifice a 7 day approximate time frame for us to learn of key events from then, for his finality of "visitation" now.

Modern Temple Inspect is of Jehovah's Witnesses NOT Christendone; (Rev11:1-4)

In 1914 many of the same principles were present in the Daniel and Revelation minor/model time periods equaling seven years approximately in the 1914-1918 1260 day period and the 1919-1922 1290 day period. There was also the 1335 day period that followed those, making a time pattern in years, similar to Christ's ten day pattern, which would include his resurrection. Those are teaching patterns for very good reasons, they have truths from God in them, concerning the future final fulfillment cycle.

We are past 1914 everyone. We are in final fulfillment mode, NOT involving Christendom, but Jehovah's witnesses. Christendone is headed for demolition, JWs are headed for close close inspection.

A point is, Jehovah does all these repeats to build faith and to convey important information concerning a GUARANTEED repeating cycle in the near future, just like the previous cycles in 520 BCE, 33 CE, 1914 CE and the near future finality. Certain developments that typified Christendom in 1914, must of course repeat in the temple system today: Jehovah's witnesses worldwide.

To repeat, today the temple system is no longer Christendone of course, that was the whole point of the 1914-1922 overall pattern, to clean out the "cave of robbers" permanently then, and found the new temple system as per prophecy in Malachi 3, and other important temple prophecies. Jehovah's people were selected for this final work.

Temple Foundation vs. Temple Completion

1914 was also a foundation work, NOT a completion work, but an "under construction" time period since then that would lead to the great completion of the 144000 Temple system, a very great future event, THAT WOULD HONOR THE FORMER PATTERNS. Temple 144000 completion of "seal" has a great event; (Rev7), temple completion of 144000 "glorification" is the end of the world of rival sovereigns; (Rev14)

The GB will NOT be revealing this, ok.

This is why we know the Governing Body of Jehovah's Witnesses has big problems right now.
BIG PROBLEMS OF PURPOSEFUL RETARDATION, INFILTRATION AND COMPROMISE. LONG PERIODS OF SERIOUS, GEHENNA SEVERE SINFUL DECISIONS THAT NO ANOINTED WOULD MAKE IN GOOD CONSCIENCE. NO ANOINTED WOULD IN GOOD CONSCIENCE AGREE WITH THIS GB, THEY ARE ROTTING FROM THE INSIDE. BIG SINS THAT REVEAL ALSO, FOR VARIOUS REASONS, WHY THIS HAS GONE ON, FULLYFILLING A PROPHETIC PATTERN.

DENIAL

The anointed few who are in the GB today (if that), and from 1992, have not come to grips with the magnitude of the sin of prostituting God's Daughter to go streetwalking for the UN propagandists in the minds of Jehovah's witnesses for the UN psychological and demographic promotions group. Some anointed may have very well been compromised to Gehenna for this HUGE infraction.

Red Flags

1. But most telling, is that after 100s of thousands of people have easily been stumbled over this worldwide, the Governing Body of Jehovah's Witnesses, STILL, in spite of it all, STILL will not say "we apologize". RED FLAG!

2. We can also plainly see they are not prepared for the final repetition, in the near future, of the great prophetic cycle of Daniel and Revelation 10-11. We can see Zechariah 3, that reveals to the anointed and other believers, that we have termites in that "log in the fire" of Zech3:2.

3. This is NOT going to be commented on by the current GB with any true insight, UNTIL after Zech3:4 clean-out completes, because THEY, the GB since 1992, are the primary cause of the "befouled garments" that are now affecting even Jehovah's name. To any, if there are any anointed even left in this pack of actors, the sheer magnitude of this sin, is such to make one shudder; that aids it's being covered over; fear and guilt.

4. And yet, the fact that Jehovah still owns the organization, and will NOT stop shepherding sheep in, gives the strange illusion that everything is hunky dory in the GB. But everything is NOT hunky dory in the GB, we have too many signs that at the very least, unanointed are running the joint for their own bellies and exultation, at the very least "fake marriage garmented" frauds, and or fool parched and "oil gone dry" "virgins". No new light in? TWENTY years.

But, more likely in combination with all this, we have apparently been overstepped by a Satanically inspired infiltration, yet prophecy makes it clear that is EXACTLY WHAT HAS OCCURRED, AND WILL REQUIRE DIRECT DIVINE INTERVENTION TO ROUTE THESE RATS OUT OF THE CLUB:

(Zechariah 3:1-2) And he proceeded to show me Joshua (FDS) the high priest standing before the angel of Jehovah, and Satan standing at his right hand (GB) in order to resist him. 2 Then the angel of Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?”

Now that "log" has NOT been snatched from the fire IT IS IN yet, that must occur by Zechariah 3:4 in the future. Zechariah 4 and it's counterpart in Revelation 10-11 WILL NOT proceed in final fulfillment until Zechariah 3:4 occurs in a little while.

Fruitage Diagnosis: Satan Stance

The "resisting" stance of Satan, at Joshua's "right hand" is a stance of Satan IN the "right hand" GB itself to some degree of enough compromise for 20 years to be a trend trying to obstruct the final prophetic proclamation and is shown now to be:

(1.) self evident like Judas at Bethany; (John12:6);

(2.) to be undeniable in negative overall progressive effect to the organization, even idolatrous in three forms GB/FDS/ORG;

(3.) to be systemically obvious now, compounding and synergistic in a 20 year trend and;

(4.) to be masterfully subversive with NO outward appearance, and;

(5.) to be bringing ALL Jehovah's witnesses into various forms of compounding bloodguilt, which;

(6.) can all be proven from the bible principally and prophetically, not a mere man's opinions, and from the evidence at hand.

But that they have been controlling the place progressively since 1992 is obvious finally - repetitive "food" but no "new light", mock humility, smug, thankless, unapologetic, ingrates, arrogant, and idol erecting "steroid" GB/FDS/Org progressive idolatrous developments very subtly are BIG red flags for the last 10 years.

These guys ARE OBVIOUSLY NOT TRUE ANOINTED, have enough controlling numbers or influence to subvert any who are, who are fooled by visuals and formalisms - and subconsciously blinded by the sheer guilt denial of the magnitude of this operation - just look at the magnitude of the 1992 "disgusting thing" sin against Jehovah. Think these drunken harlots are getting away with that? LOL, NO CAN DO!

Feeding the GB Fraud Faction: Duped "Other Sheep"

That is one reason, but certainly not the only reason, since 1992 as well, they have "other sheep" feeding them information. They need it. The "other sheep" have NO idea what is happening. Many of these GB fraud agents are not even Jehovah's witnesses at all of course, and do not want to expose themselves as such, because no fraud can write true guiding Christian articles - they know buzzwords and formalisms, and they don't write, they "edit", they use a sampling first from a strong minded "other sheep" duped one. They sample from "other sheep" who are spiritual, and who know nothing out of the ordinary is going on.

This is in no way, blaming or accusing ANY "other sheep" REAL Jehovah's witnesses of any impropriety. That it also opens this up to undercover termite "sheep" is obvious, but these can only "propoganda pepper" in subversive guiding for organizational (finance, intel, etc) compromise NOT teachings, Jehovah will not allow a full
Fred Franz Reworded Ad Infinitum

The other technique is regurgitation. Endlessly the GB fraud faction reword Fred Franz manuscripts (and other pre 90s brothers), pawning off the Daniel and Isaiah book, as if it was "new light" for all mankind that they had written - they didn't, they smoothed out Franz extant manuscripts. Now nothing wrong with Fred Franz having compiled those fine books (and others), and it is full of light, the point is though, not any light of the current GB - old light truth. It's all an act, a "light show", by at least a controlling faction puppet GB (Some one pulls their strings, ok?).

We can plainly see, NO NEW LIGHT HAS SHOWN FROM THE GB IN 20 YEARS. Zechariah 3 is a mystery, Revelation 10-1 final fulfillment, a convenient mystery. King of the North, a handy mystery, Daniel 12 final fulfillment through Revelation applicable sections, a PURPOSEFUL mystery. The King of the North today, is obvious. And more obvious, yet again and again. And again and again.

Objective Resistance: Shut Up the Final Two Witnesses Global Ministry

The main objective of these undercover frauds in action within the the modern Governing Body of Jehovah's Witnesses, besides subtle, viral, radiating gross sins, is to try to delay the identity of the "King of the North", the final "two witnesses", final 2520 day total global ministry; and sovereign ultimatum in the "opened little scroll" "reports" worldwide of the FINAL fulfillment cycle of Daniel 12, Revelation 10-11, and Zechariah 3-4.

The current GB doesn't want anyone to know these finalizing truths.

Like the 144000 will be completing very soon, BEFORE Armageddon. GB Agent Whisper: "Let's all keep it a big secret, ok?, you are doing fine sheepies, just fine, we love and approve of you! It is us, we, GB! Worship ye olde fraud GB idol!"

Get it? THESE GUYS SHOULD NOT ONLY KNOW ALL THIS, THEY SHOULD BE SAYING SOMETHING AS WELL (YEARS AGO), BUT THEY ARE FRAUD UNDERCOVER CONTROLLED GB SPRAY PAINTED WHITE COCKROACHES, TERMITES, AND PARASITES!

Zechariah 3:4 MUST Fulfill SOON

The current GB fraud elements are going to have the divine neutralizer pay them a visit soon as per Zechariah 3:4, the only way to get them out, is a big prophetic event from God. Jehovah pulls this JW "log from the fire" in that fire, the termites will be removed. (GB Virus92) Whatever is left over will be aided or fully replaced, with REAL prophets of God, for the final "two witnesses 2.0" beta-prep ministry soon after. Jehovah is going to overhaul the GB to HIS spec, not that of fake executive agents.

And proving that statement of truth from God's word, a guaranteed prophecy with a guaranteed final fulfillment sequence WHICH MUST OCCUR SOON is recorded for the brothers of Christ TRUE Jehovah's witnesses here, in Zechariah 3:3-4:

(Zechariah 3:3-4) Now as for Joshua, he happened to be clothed in befouled garments (Current GB 20 year sinfest) and standing before the angel. 4 Then he answered and said to [ANGELS] those standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”

We have another "m-o-l-e" prophecy at 2Thess:2:3-9, that like Zechariah 3:4's angelic direct assistance in that procedure this too is supernaturally aided, this too implicates the operation of Satan, this TOO must be revealed in the MODERN prophetic final cycle of today, IN the temple of God, Jehovah's witnesses anointed and professed anointed, eg, GB, and here it is, in front of the face of all with eyes to see:

(2 Thessalonians 2:3-9) Let no one seduce you in any manner, because it will not come unless the modern, final fulfillment apostasy comes first and the man of lawlessness gets revealed, the son of destruction. [the "Judas" modern day counterpart IN THE "12 apostles"; GB]

4 He is set in [subversive and subtle] opposition and lifts himself up over everyone [Organizational idolatry] who is called "god" ["Slave" idol] or an object of reverence [Org idol], so that he sits down [controller] in the temple of The God, publicly showing himself to be a god. [Frauds claiming to be anointed in GB control faction or complete takeover]

Do you not remember that, while I was yet with you, I used to tell you these things? And you said to me, "Teacher, you will tell us when this is happening and show us the sign when it is about to happen." You were also asking me, "Are you the one who is to come and establish the kingdom?" But I tell you, it will not be you who tells me, "Lord, are you coming today?" But he who is doing the work of the Father will come in a cloud with power and great glory. I tell you the truth, it will be a sign against you. (Mark 13:32-33)

4 Then [Now], indeed, the lawless one will be revealed [the fraud takeover in the current GB, NOW!], whom the Lord Jesus will do away with by the spirit of his mouth and bring to nothing by the manifestation of his presence. [angels]

9 But the lawless one’s presence is according to the operation of Satan...[Zech:3:1]

Sound familiar?

(Zechariah 3:1) And he proceeded to show me Joshua (FDS) the high priest standing before the angel of Jehovah, and Satan standing at his right hand (GB) in order to resist him.

The GB.92 Cult Will Go Extinct Soon
Personally I am sticking to Jehovah's witnesses of course, and so is Jehovah and Christ, EVEN stronger than I did before, because these fake GB rats aint taking over the Heaven's Angel's 144000 Celestial Cycle Club. But this answers, from Jehovah, much of the questions some witnesses have validly raised, and why the subtle and outright stumbling stunts that are occurring in Jehovah's organization as we speak.

JEHOVAH WILL NOT INSPIRE ANYTHING, SUCH AS THE UNNGO, THAT REPROACHES HIS OWN NAME, CERTAINLY NOT FOR A "LIBRARY CARD", IN FACT FOR NOTHING, IT IS IMPOSSIBLE FOR GOD TO REPROACH HIMSELF. IMPOSSIBLE!!!

THE GB HAS A BAD INNER COMPROMISE AS PER MODERN FINAL FULFILLMENT PROPHECY. STICK TO JEHOWAH, WORSHIP ONLY JEHOWAH, STICK TO THE COMMANDMENT TO PREACH, LET JEHOWAH HANDLE THESE SLIPPERY PIGS AS PER ZECH 3:4, SOON.

GB Idol Factory - 10 years, Mission Accomplished - The Slave Give Us This, That and the Other Thing

This is why the modern GB exalts itself, and it's other Org idols, they are NOT anointed, they are frauds to some degree, enough to pull this off for 20 years.

But, Judas could ONLY stumble and betray and be destroyed, and same with these demonized freaks, they CANNOT affect the sheep intake, they cannot affect the truth itself, and soon they cannot affect anything whatsoever. These parasites of the globalists will be exposed and neutralized BY GOD; Zech:3:4

It answers how a 10 year onslaught of GB self generated and invited reproach, has brought an avalanche of destructive apostates upon the GB, and FDS and Org "bodies", and how constant "steroid" bolstering of those "bodies" has actually created 3 big idols right in Jehovah's witnesses with smaller ones built from the "head rot" smug attitude of the current infallible SELF exalted GB, that after 10 years of this, actually believe their own subtle idol steroiding press. It looks like half the JWs are also being fooled to be GB idol worshipers as well.

The infiltrators worked on God given, and well respected "bodies" subtly and progressively for 10 and 20 years, to build an idol routine that few would suspect over this time period, it was very very subtle. Now they are fully erect idols in many JW minds, diffusing faith to bodies of imperfect men AWAY from Jehovah, who can now be compromised for a big stumbling event, with global impact.

This is why some Jehovah's witnesses are more focused on the "Governing Body", and the "slave", and "The Org" than upon Jehovah. In fact, the GB has aided putting Jehovah on the "back burner" of many Jehovah's witnesses minds, to the point many elders and Jehovah's witnesses are serving formal appearances, and rituals in the congregation, ignoring their own so-called "weaker" brothers and sisters, condoning of endless reproaching "GB Does UNNGO" soft-porn movies (all over the internet) with God's Daughter in them, and other travesties without so much as a single "we're sorry everyone", not one apology from our smug GB rat nest.

Jehovah Will Fry the GB Termites From The Org Log; (Zech3:1-2)

BELIEVE A TRUE ANOINTED RATHER THAN RATS, THESE GUYS ARE IN TROUBLE WITH JEHOWAH, AND JEHOWAH IS NOT GOING TO ALLOW THIS TRAJECTORY TO PROCEED ANOTHER 10 YEARS, JEHOWAH WILL ACT, AND RETAKE THE ORG, AS PER ZECH3:4.

REAL Jehovah worshiping witnesses is what is going to be left over. NOT "GB idol" worshipers, NOT "FDS idol" worshipers, NOT "Organ" worshipers, but JEHOWAH WORSHIPERS.

This GB undercover "rat nest" has infiltrated for more than reproach, stumbling and retardation tactics, they are going to compromise the whole organization soon, they are going to pull a coup de grace stumbling event, and Jehovah is going to let them, because these GB/FDS/Org idols and those now focused on these idols are going to get whacked big time.

This is the end objective of even why this GB undercover "rat nest", since 1992, has had the overall plan to build these idols in the first place, catalyzed by the waves of UNNGO reproachful attack to begin the routine. These agents from Satan want to diffuse worship and faith focus from Jehovah God, who cannot be compromised, towards imperfect human "bodies", "idols" that can be compromised, and will be compromised and made naked:

Future event:
(Zechariah 3:4) Then he answered and said to [the angels] standing before him: “Remove the befouled garments [current infected GB frauds] from upon him.”

[Here in time: Naked. Implied state of "Joshua" in "nakedness" between "garments", that is the FULL exposure of this truth outlined here, that is the FULL exposure of the "son of destruction" revealed in the GB compromised faction and Organizational rat nest]

And he went on to say to him: “See, I have caused your error to pass away from upon you...

The error "passes", rats removed, while Joshua FDS is still "exposed", then]

and there is a clothing of you with robes of state.”

Then, Jehovah has healed the breech!

The "robes of state" is the approved clothed body of the FDS that will eventually go into approved royal 144000 priesthood as this is segway in the near future, to the proclamation of the FUTURE GUARANTEED replicating cycles of Daniel 12, and Revelation 11 (Two Witnesses) and Zechariah 4 (1260/1290 days), telling the world of the "little scroll" guaranteed completion of the Messianic Kingdom and Temple in the face of the world enemies, permanently at the battle of Armageddon. King North MUST be revealed to receive those "reports".

The composite globalist enemy, in the comprehensive sovereign rival globalist symbol of the "King of the North" is revealed, and these "little scrolls" are the "reports" (Dan11:44-45) that draw KN onto the global Armageddon battlefield with Gog of Magog (Eze38). This catalyzes the "war of the great day of God the Almighty" for certain, permanent, everlasting destruction of all the rivals (Rev19:19-21) as Jehovah and Jesus Christ in the Messianic Kingdom Temple 144000...
obliterate ALL the enemies of God from planet Earth.

This final sequence is easy to understand! Guaranteed, like a map, like a God play program; final act! the two witnesses must proclaim this for 1260 days leading to this final conquest.

No wonder the fraud gb won't reveal this! lol

That is why zechariah 3:4 must fulfill before any "new light" and sovereign prophetic temple fulfillments proceed leading to the great tribulation.

Fulfill it will, Guaranteed!

Get ready! stay awake! keep in expectation of it! soon!

Basic Master Pattern of Prophetic Replication

Sin; Judgment; Cleanse; Recovery; Commission-Final Sovereign Announcement Warning; Completion of Body; Final Sacrifice/Salvation; Armageddon

This outlines the prophetic replication patterns upon the central kingdom symbolic entities that are completing in this replication from birth/foundation phase (fulfilled) to completion and world conquest phase (to fulfill soon);

This outlines the final sovereign kingdom of God warning period that is the purpose of this replication of prophetic fulfillment in full world view with a final proclamation of it's meaning and sovereign proclamation that develops as this prophecy repeats to completion;

This shows the kingdom birth and completion phasing requires two fulfillments of prophecy for each phase; The Temple foundation and completion phasing shows the same replication requirement principle; This phasing drives the prophetic replication;

Four Biblical Teaching Symbols and Patterns - Kingdom, Temple, Jerusalem, Bride

I. Temple and Kingdom Parallel Related Prophetic Replication Principle

A. Kingdom Pattern

A.1 The Kingdom is The Central Symbol

A.2 Kingdom Phasing Basis for Prophetic Replication

1. Kingdom Birth
   a. 1914 fulfillment

2. Kingdom Completion
   b. Future fulfillment

A.1 Divine Sovereignty

1. The final global warning of the impending world sovereign conquest is given leading to the completion of the Kingdom 144000 power system as the climax of this prophetic cycle to world conquest; (Rev11:15-18)

2. A final invitational call to repentance and surrender develops as this cycle progresses;

A.2 Sovereign Permission of Gentile Rulership Period

1. This period defines a divinely described and permitted temporary allowance period of rival sovereign rulership of earth as 2520 years marked by a prophetic "seven times" cycle from 607 BCE to 1914 CE; (Dan4:16, 23, 25, 32; Luke 21:24)

2. That temporary "appointed times" 2520 year period began as the symbol of divine rulership in Jerusalem ceased with the destruction of Jerusalem by the Babylonians in 607 BCE;

3. This has been the central message of Jehovah's witnesses since the prophetically demonstrated 1914 expiration date of the "appointed times of the nations" of this 2520 year period since 607 BCE;

4. This was 2520 years as 7 symbolic periods of 360 years based on a lunar year of days symbolizing years; (7 x 360 = 2520); (Eze4:6);

5. This marked the beginning of a special final warning ministry of Christ proclaiming this truth to planet earth's nations; (Rev1:10; Rev10-11; Matt24:14)

A.3 Divine Decree Seven Times Pattern

1. This prophetic pattern is not only measured in years that mark this "seven times" period, but also n days of the final warning;
The 1260 days is split in two fulfillment in 1914-1918 and the near future finale to total 2520 days:

A. 4 Seven Times Periods

1. 2520 Years
   a. Marks time period of sovereign permission as 2520 years;

2. 2520 Days
   a. Marks final warning period as 2520 Days;
   b. 1260 days fulfilling twice as 2520 days; (1260 x 2 = 2520)

A.5 Prophecy Repeats

1. Revelation 8-11 has a prophetic replication as two fulfillments upon foundation (1914-1918) and completion phases (future) to allow for 2520 days as 1260 days twice split over time as a dual fulfillment;
   a. The 1260 days of Revelation 11:2-3 will replicate for a total 2520 days divine warning world ministry of Jehovah's witnesses; (Daniel 7:25; Dan12:7; Rev12:6, 14; Rev 13:5)

B. Temple Pattern

B.1 The Temple is a Kingdom Parallel

B.2 Temple Phasing - Prophetic Replication

1. Temple Foundation
   a. 1914 Period; 1919 Arrival

2. Temple Completion
   b. Future

B.3 Kingdom and Temple Parallel From The Beginning Exodus; (Ex19:5-6; 1Pet2:9)

II. Jerusalem Holy City and Kingdom Parallel Related Prophetic Replication Principle

A. Sovereign Limit 1 - 2520 Years

A.1 Jerusalem "Holy City" "trampling" is permitted to mark rival sovereign period as 2520 years; (Dan4:16, 23, 25, 32; Luke 21:24)

B. Sovereign Limit 2 - 2520 Days

B.1 Jerusalem "Holy City" “trampling” is permitted to mark final warning period as 2520 days; (Reve11:2-3)

C. Jerusalem Holy City

C.1 Jerusalem Holy City is a Kingdom Parallel; (Rev11; Rev21-22)

C.2 Jerusalem Holy City Phasing - Prophetic Replication

1. Jerusalem Initial Trampling; (Rev11:2-3; Dan 7:25; 12:7)
   a. 1914-1918 fulfillment

2. Jerusalem Final Trampling; (Replicates Rev11:2-3; Dan 7:25; 12:7)
   b. Future fulfillment

C.3 Jerusalem Foundation and Completion

III. The Prophetic Replication Division

A. The Split Phasing

A.1 The 2520 days of the final warning period are split into a dual fulfillment separated by an unknown time period;
A.3 The interim period is a world ministry of Jehovah's witnesses that leads to and announces the ultimate final period;
A.4 That ultimate climax final warning period is marked in prophecy by Divine prophecy foretelling divinely significant spiritual and world events over a number of years;

B. Temple Signal and Sequential Prophetic Activation
B.1 This final cycle repeats all the 1914-1918 elements, but begins with a unique period as a signal event; (Dan8:11-14)
B.2 These identifiable prophetically foretold periods are laid out in a temple judgment signal, (1Pet4:17; Dan8:11-13) a temple purification and recovery period; (Dan8:14; Zech3:4-6; Rev8-9) to a Divine commissioning period in a cleansed state; (Zech3:7; Rev10) to the final 1260 day warning period; (Rev11) as divinely described sequential periods of significant marked fulfillments;

C. Temple Inspection - Man of Lawlessness
C.1 The final replication phase signal prelude is the prerequisite revealing of the source of temple transgression (Dan8:11-14; Zech3:1-3) as the modern final fulfillment "man of lawlessness" seated "in the temple of the God"; (2Thess2:3-4; Zech3:1-3; Mal3:1-3)
1. This has fulfilled initially with a revealing of serious transgressions by this "man" past, present and future;

D. Temple Judgment
D.1 The final prophetic replication phase starts (1Pet4:17) as a Divine temple judgment activates to remove the lawless parties; (2Thess2:5-12) and temple-wide profanations; (Rev8:2-12) with a marked temple judgment time period until temple purification (Dan8:11-14) and priesthood purification (Zech3:4-7) is reached;
1. We will know when this activates very soon as 1Peter 4:17 is Daniel 8:11-14 temple judgment, it is a Divine guarantee with much evidence that the "man of lawlessness" is covering up; (Dan8:12; Dan11:30-31);

E. Split Phasing Divides the Prophetic Replication
E.1 This prophetic division between initial and final fulfillments is upon these elements reiterated below for review;

1. The Kingdom Phasing
a. Kingdom Birth Phase and Kingdom Completion Phase

2. The Temple Phasing
a. Temple Foundation Phase and Temple Completion Phase

3. The Holy City Phasing
a. Initial Trampling Phase and Final Trampling Phase

4. The Body: Bride
a. Also phased in prophecy, though not explicitly, there is an engagement and marriage arrangement of Christ;
b. The body of Christ is pictured by the Bride as well as the Kingdom, Temple and Jerusalem symbols;
c. That "Body" must be a complete "Bride" prior to the marriage and so the pattern is seen in this truth as well; (Luke 12:32-40)

F. Malachi and Zechariah Temple Priesthood Cleansings
F.1 Note: Malachi3 has a 1914 Temple foundation focus and also applies to the final cleansing at temple judgment prior to Temple completion;
F.2 Zechariah3 Cleansing Relationship is after Temple foundation, explicit to the Temple completion finale;
F.3 In 1914, Zechariah3 applies in principle, not in major meaning of the final cleansing as per Zechariah3:4-6 and final designate "faithful and discreet slave" commission of Zechariah3:7;

IV. Prophetic Replication to Completion of All Patterns
A. All Elements Repeat in Completion Phase with Unique Commencement and Finale Event
A.1 Temple Inspection

1. Transgression/Sin;
   a. Daniel11:30-31; Daniel8:11-14; Zechariah3:1-3

2. Man of Lawlessness Revealed; Evil Slave;
   a. This class is revealed "in the temple";
   b. 2Thessalonians2:3-12; Matt 24:48-51; Luke 12:41-48;
   c. Court inspection; Zechariah3:1-3

3. Weeds; Foolish Virgins; Imposters

A.2 Temple Judgment;

1. 1Peter4:17; Daniel8:11-14; Zechariah3; Malachi3:1-5;
2. Activates Revelation8:2-5
3. Activates Trumpets and Bowls; Revelation8:6-13; 9:1-21

A.3 Temple Cleanse;

1. Daniel8:14; Zechariah3; Revelation8:2-5

A.4 Ministerial Recovery;

1. Zechariah3:7; Revelation8:6-13; 9:1-21

A.5 Divine Commission-Final Sovereign Announcement Warning;

A.6 Completion of Body;

1. Final Holy City Trampling;
   a. Revelation11:1-7; Zechariah14:1-3

2. Kingdom, Temple Completion;

3. Christ Arrival; Completion of 144000

A.7 Final Sacrifice/Salvation;

1. Final Christ Court Judgment
   a. Daniel7:26 (Dan12:11)

2. Sheep/Goats Final Separation
   a. Matthew25:31-46; Revelation7:9-17; 14:14-20

A.8 Armageddon;

a. War of the Great Day of God the Almighty;
   b. Revelation16:13-16; Joel3:9-18; Daniel2:31-44; 2Thessalonians1:6-10; Dan8:23-25; 11:44-45; Rev19:19-21; Eze38

B. Some Highlights

B.1 Signals Commencement of Entire Final Cycle

1. 1Peter4:17 is Daniel8:11-14;

B.2 Provides Temple Purification

1. Daniel8:11-14 is Zechariah3 is Malachi3:1-5 is Revelation8:2-5;
B.3 Fulfills All Former Prophetic Events and Meanings in A Final Fulfillment Cycle

B.4 Allows Legal Ministerial Commission Foretold to Deploy Final Ministry
1. Revelation 10:11; Zechariah 3:7; Matthew 24:45-47

B.5 Allows Final Warning Validation
1. Once this is activated in temple judgment which implies a world notable significant event and series of developments, insightful Bible students will be aided by God to grasp the meaning of the prophetic replication; (Rev 8:2-13; Rev 9:1-4)

2. In addition to the spiritual Biblical elements repeating and completing here, many former worldly distraction patterns will also repeat and or climax; (Rev 12:6,14; 13:5; Dan 7:25; Dan 12:7; Dan 8:23-25; 11:44-45; Rev 19:19-21; Eze 38)

3. Some 1914 patterns that repeat at a larger apex scale are world war and global financial intrigues; (Matt 24:6; 24:21-22; 29-31; Rev 17:12-18; Dan 11:42-43; Joel 3:9)

4. World war provides the typical world government presentation cycle itself as a global intrigue to present world government after the world war is resolved as in WW1 (Rev 13:11-15), WW2 (Rev 17:8-11) and cold WW3, which all had a form of globalist government presented after this conflicts;

5. World war and related intrigues and desolations create conditions of desperation to facilitate predation;

6. In a case of World War 4 this would create conditions to finally climax the Babylon the Great prophecy beyond the 1914 foregleam to total wealth transfer to national powers in need of globalist financial aid;

7. In that process both national and religious sovereignties are deposed; Babylon the Great to total termination of authority, national "kings" to complete subservience to the scarlet wildbeast world governmental system;

8. Though these patterns are not covered in this outline, they are covered in prophecy in detail and they all had a foregleam minor fulfillment in the World War 1 distraction period created by Satan to obscure God's Kingdom sovereign reality

C. Significance of This Replication Period
C.1. Gives a final warning over years upon prophecy repeating on a demonstrated foundation of known periods and meanings
C.2. Provides a unique global signal in temple judgment
C.3. Outlines the massive world events to follow the signal as evidence in detailed ministry;
C.4. Allows final ingathering of "desirable things" to salvation;

V. Final Kingdom Sovereign Announcement and Ultimatum
A. Kingdom Completion Announcement
B. Temple Completion Announcement
C. Final 1260 Days of Holy City Trampling
D. Final World Court of the Sheep and Goats
E. 144000 Completion
F. Armageddon

Basic Master Pattern of Prophetic Replication

Biblical Teaching Patterns
I. Temple and Kingdom Related
A. Kingdom Sovereignty
Warning and impending issue and resolution upon completion of Kingdom power;

1. Sovereign Permission of Gentile Rulership Period
This period of divine allowance for rival sovereigns is in years and marked by prophecy;
1914 is the expiration date;
This was 2520 years as 7 periods of 360 years;

2. Divine Decree Seven Times

Years
Marks season of permission;

Days
Final Warning Period is in Days

B. Temple From The Beginning Exodus

II. Jerusalem Holy City and Kingdom Related

A. Sovereign Limit 1
Trampling permitted to mark permitted period;

B. Sovereign Limit 2
Trampling permitted to mark final warning;

III. The Prophetic Division

A. The Split Phasing
The 2520 days of the final warning period are split to accommodate the phasing from start to finish, with development time in between the foundation and completion phases of all divine elements;

1. Kingdom Phasing
   Birth and Completion
   Kingdom Birth
   Final Announcement
   Kingdom Completion

2. The Temple Phasing

IV. Prophetic Replication to Completion of All Patterns

A. All Elements Repeat in Completion Phase
1. Provides Temple Purification
2. Validates All Former Prophetic Events and Meanings
3. Allows Legal Commission Foretold
4. Allows Final Warning Validation
5. Signals Commencement

B. Significance
1. Gives a final warning over years upon prophecy repeating on a demonstrated foundation of known periods and meanings
2. Provides a unique global signal in temple judgment
3. Outlines the massive world events to follow the signal as evidence in detailed ministry;
4. Allows final ingathering of "desirable things" to salvation;

V. Final Kingdom Sovereign Announcement and Ultimatum
A. Kingdom Completion Announcement

C. Final 1260 Days of Holy City Trampling
D. Final World Court of the Sheep and Goats
E. Armageddon

Parallel Rival World Power Initial Development in 1914 Patterns Repeats to Climax in the Future
1. The cyclic replication of prophetic Kingdom patterns paralleling also competing rival world power developments and worldwide distraction events is shown in the Bible and in world history as in 1914 to be outlined here;
2. Significant Biblical patterns repeat for people's awareness of what it means in relation to prophecy concerning God's Kingdom sovereign completion and Armageddon finality;
3. Another significant pattern with these world power developments - one of competitive distraction - will repeat in the future as well, also based on the initial pattern of 1914 in both prophetic and world significance;

A Convergence of Significant Developments
1. There is great prophetic and world significance in the Messianic Kingdom sovereign ultimatum and world proclamation fulfilling in 1914.
   A. This is especially significant after 1700 years of Christendom and world follies seemed to have buried the true Christian hope in hypocrisy and futility;
   2. What makes it even more notable is the unique global magnitude of the concurrent world events that also manifested in 1914 distracting attention away from this “Good News of the Kingdom” at that time and after; (Matt24:6, 14)
   3. Significant also was the apex world power national alliance in England and America which formed prior to World War 1 which ended birthing also the first form of globalist world governmental forum which arose as the League of Nations in 1919;
   4. Three massive world events and God's Kingdom proclamation all at the same time?
   A. Four random massively significant developments and events synchronizing with Bible prophecy foretelling the Kingdom of God in initial fulfillment manifestations all at this same time period of 1914 to the very year? All just a big coincidence?
   5. And there is more symphonic events that cannot be accidental in this quantity, synchronicity and magnitude of significance;

Dual Kingdom Foundations
What it means is both God and Satan brought their respective initial "Kingdom" into dual world presentation with competitive proclamations at the same time;
1. Even the initial manifestation of these super-natural born rival powers in Jesus Christ's Messianic Kingdom and Satan's 7th world power and embryonic 8th King "disgusting thing" "image of the wildbeast" were in competitive conflict for world attention from 1914 inception; (Rev13:1; 11-15)
   Even the initiating manifestations of these opposing "World Kingdoms" were in competition from incept;
2. The synchronous timing of major Biblical Kingdom prophecy paralleling major rival world power development at this worldwide scale and continued evolution is also beyond coincidence;

The Great Distraction
Satan orchestrated the greatest world distraction of all human history in 1914 away from God's Kingdom reality and proclamation to focus world attention on world war and human governmental solutions;
1. That these world governmental solutions manifested in apex national alliance form (7th King Anglo-America) and embryonic globalist unification form (8th King "League of Nations" "image") within approximately 6 years time from 1914 is also astounding;

Obvious Conflict of Interest
1. These diversionary world powers with common sovereign objectives of world rulership are logically going to be viewed by God's Kingdom King Christ Jesus as
rival power systems to his Kingdom; (Psalm2)

A. And these unifying rival world powers begin making these world domination claims while the very Kingdom Sovereign warning to desist from this defiant activity is being proclaimed worldwide?

Again, all coincidence?

Long Time Coming

1. No, this culminating dispute over world sovereignty is heading for Armageddon to settle the controversy permanently; (Rev16:13-16; Joel3:9-17)
2. Furthermore prophetically that is where this is leading, that is the significance of the original divine announcement - planetary sovereignty;
3. These are diametrically opposed developments with engineered distractions to aid the unification all nations against God's Kingdom by distraction to their doom, while diverting attention from God's Kingdom as a reality;

The Final Distraction

1. And this exact strategy of worldly distraction by huge world developments erupting quickly will repeat with the prophetic replication of this Kingdom final warning cycle to completion in the near future upon this same pattern, but at full zenith of both power systems;

First Pattern Minor Fulfillment

1914 God's Kingdom Birth (Messianic Kingdom)

1. Sovereign Proclamation as Appointed Times of the Nations End
2. 2520 Years of Gentile Sovereign Permission Expires as 2520 Days Begins

First Distraction Pattern

1. World War 1
2. 1914 Rival Seventh Power Anglo-American Partnership
3. 1919 Rival "Disgusting Thing" "Image" of 8Th King Globalist World Power

As Gentile Sovereign Permission Expires Human Powers Make World Domination Apex Claims

1914-1918

1. World Warning Ministerial Initiation - (1260 days)
2. World Distraction - World War 1 Leads to League of Nations World Placement 1
3. 1260 Days Peak Satanic and Wildbeast Resistance

1919-1922

1. World Warning Ministry Continues
2. Biblical Enlightenment Progresses

1922-1926

1. World Warning Ministry Continues
2. Refines 7 Trumpets and 7 Bowls Meanings
3. Little Scroll Sovereign Ultimatum Understood
4. Jehovah's Witnesses World Ministry Continues

Initial Kingdom 1914 Events

1. God's Kingdom Announces Messianic Birth
2. Satan Initiates Final Rival Kingdom Foundation 7th 8th Kings
3. God's Kingdom Ministry Deploys
4. Satan Builds Massive World Distraction
Note These are Parallel Developments Commencing at the Same Time

This Pattern Will Repeat in the Near Future in All Details

Bridging Patterns and Diversion
Four DT Stands
JW Infiltration and Coverup
Attack 1
Attack 2
Armageddon
Won't this kind of accusation of the Governing Body as the "man of lawlessness" stumble Jehovah's witnesses?

No, not real Jehovah's witnesses who have paid attention to prophecy to be reasonable so as to perceive what the will of God is NOW, not just in 1990 where the Governing Body derailed into UN objectives; (Eph5:17)

1. One has to understand that this evidence is more importantly the revealing of the modern day "man of lawlessness" in the final fulfillment cycle;

2. Temple judgment in final fulfillment soon, is where the "man of lawlessness" being revealed NOW must lead to in prophecy; (This is why JWs are being fed recycler vegetable minutia since 1990; It is an act;)

3. There is a required prophetic condition that must be met, and has been met, as a prerequisite before the judgment of God can proceed:

(2 Thessalonians 2:3) Let no one seduce you in any manner (DO NOT BE FOOLED!), because (God's judgment) will not come unless the apostasy comes first and the man of lawlessness gets revealed;

1. This will therefore be made known by God to those awake to Bible prophecy now;

2. And that is what is being revealed in the Jehovah's Witnesses temple system as the lawless purposeful Governing Body charade;

Let's Wake Up and Pay Attention

1. Rather than stumble a Jehovah's witness or "secret disciple" this needs to wake us up to a vigilant mindset of paying close attention to what MUST follow in prophetic fulfillment as temple judgment phase after this initial required revelation of the "lawless one" has met with God's degree of revelation;

2. Once we understand this, the "man of lawlessness" doubts he seeds by lawless actions and policies actually build our faith, because the "lawless one" has to be revealed IN "the temple of the God"; And he is...

3. This Temple Judgment of God STARTS with Jehovah's Witnesses (and proceeds to Armageddon in time):

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God.

1. This Temple Judgment is due to infiltrations of transgression led by the "man of lawlessness" revealed, connected to the Governing Body UN NGO affairs and relationships for 10 covert years officially sanctioned and implemented:

(Daniel 8:11-12) And all the way to the Prince of the army it (Globalist 8th King) put on great airs, and from him the constant [feature] was taken away (by profanation unacceptability first), and the established place (JW organization) of his sanctuary was thrown down. (Spiritually to literally)

12 And an army (of JWs) itself was gradually given over (by Daniel 11:30, 32 infiltrations) to (Globalist 8th King and the Governing Body agency), together with the constant [feature] (by spiritual profanations), because of transgression (Related to the 1991-2001 UN NGO "disgusting thing" WTBTS GB promotions); and it kept throwing truth to the earth (in cover up), and it acted and had success. (As can now be shown successful at this undercover lawless work in Jehovah's witnesses organization)

(The lawless infiltrations of Daniel 11:30, 32 and the effects of the disgusting thing sin of Daniel 11:31 affect the JW temple and progress to worse states of sin as these are covered over by the "man of lawlessness")

And this temple judgment guarantee is for a timed period of this signal prophetic fulfillment soon to temple cleanse completion;

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation (effects of son of destruction and the disgusting thing sin of Daniel 11:30-31), to make both [the] holy place and [the] army things to trample on?"

14 So he said to me: "Until two thousand three hundred evenings [and] mornings; (1150 days minimum; 2Kings15:16 morning and evening sacrifice counts as one) and [the] holy place will certainly be brought into its right condition."; (Temple in purified condition by removal of "man of lawlessness" and other sinners in the JW ministry)

Prophecy is ALREADY Beginning to Repeat to Temple Judgment!

So the revealing of the man of lawlessness in Jehovah's Witnesses temple of God system, is in itself a signal that the above period of activated temple judgment (Rev8:2-5; Zech3; Mal3:1-5) is soon to follow;

IMPORTANT

1. This Daniel 8:14 is 1Peter4:17 activating after the "man of lawlessness" is revealed;

2. This Daniel 8:11-14 period is due to sins and infiltration at Daniel 11:30-32 and Daniel 11:41;

3. This Daniel 8:11-14 is the Zechariah 3 Temple priesthood cleanse in prophecy at temple judgment phase prior to temple completion of the 144000 under Christ; This is also Malachi 3:1-5;

4. This Daniel 8:11-14 temple judgment is also Revelation 8:2-5 "altar fire" JW "earth" cleanse and judgment of Revelation 8:6-12 (first four trumpets) and leads to the final trumpets and the Revelation 11 1260 days to trumpet 7;

A. This temple "established place" desolation will put the JW system into the abyss of Revelation 9:1-2 awaiting the recovery of the 5th and 6th trumpets;

5. Thus this revealing of the "man of lawlessness" is extremely important news and revelation that must lead to massive events upon the Jehovah's Witnesses worldwide organization and the world system globally as well as per important prophetic final fulfillment phasing to temple completion;
God's prophecy fulfilling in front of our faces is no cause for stumbling but for stronger faith that the rest of the prophecy will fulfill as well;

Question

Just a question. I see you re-configuring prophecy through the prism of the JW doctrine/world. You seem to have some form of timeline in mind for the prophecy. I believe you are sincere in your belief. But, if your prophecy does not unfold as you feel it should- will you make a total break with the JW organization mind set or will you just begin to remodel your beliefs like Harold Camping and others?

Man of Lawlessness and Jehovah's Witnesses Judgment and Temple Purification

Please read this entire rationale, because there are things that will be affirmed soon: I want to show that what is developing is a signal event of temple profanations and purification that precedes the final Biblical progression of Adamic human history to the end, over a number of years over prophetic patterns that have already fulfilled once;

Firstly, Jehovah's Witnesses do have a Biblical "property" that makes great sense; I am using almost everything we already know is true, up to the 1990 point of engineered diversion;

The USSR errors could not be commented on until after the USSR failed, and Fred Franz was not given that opportunity;

And that is where the JW's were hijacked;

But rather than let it stumble us, as this news and evidence does to millions of people, who do not understand this is a great signal of “man of lawlessness” and what it means, we see it is the "man of lawlessness" and we can then have faith that everything prophesied related to that "lawless one" is also about to activate a second time in modern human history!!!

And the GB wants people stumbling of course, BUT NOT knowing this truth, because no longer do people stumble, now we know what temple the man of lawlessness is in; He MUST be "IN the temple of the God", not external to it, for the final temple purification and completion cycle;

We are seeing prophetic reality actually in active fulfillment that must lead to far greater events, to that Kingdom also completing on stated divine schedule, all programmed ALREADY, into the Bible map;

====

But obviously JWs also have some very serious problems that are developing behind the GB facade, doing most of the damage through the 2 billion person web, worldwide, while JWs have little idea of the stats and trends that prove something not good, has developed in the JW top administrations;

And that is lawlessness, and multi-million person perpetual stumbling, on valid sinful policies and partnerships, and those are blood guilt of all JWs, these are spiritual murders, backed covertly by polluting practices very cleverly undertaken by the Governing Body;

Actually so well done is this covert "attack" from within, when reverse engineering it one finds such a number of subtle amazing details, that it had to require in-depth strategic intelligence to carry this out, with this mastery of subterfuge, and such an effectiveness as to cut JW numbers in half, or into 1/3 of what JWs could have been, had no sins of this magnitude, and no killers of this expertise and demonic guidance been at Bethel for years of preparations;

All that in 20 years of manifested climax effects; 10 years peaking on the web stumbling front; And we JWs are none the wiser in general;

These guys are NOT dodo birds, like they make out to stumble even more in the world, these guys are EXPERTS at subversion and covert tactics and techniques of multiple layers of progressive control; (Dan8:12; Dan11:30) from corporate to individual, while carrying on a ministry that appears to the causal observer and even attentive JW inside the org, to be busy and productive;

But it is busy and productive on another front as well; Sin and MURDER in the spiritual sense is also at work 24/7/365; "sons of destruction"; (2Thess2:3-4) And that
is going to have an apex development IN the JW organization in time;

This cannot just go on forever like this, and they know that;

But this will all reinforce prophecy, tell Jehovah's witnesses what is really going on, and reiterate the message of Sovereign certainty of God's Kingdom powers to be;

The core message is STILL is a Kingdom from beyond the celestial universe, has MADE A PUBLIC CLAIM to planet Earth; That is what 1914 is all about; The human lease has expired, time for eviction, and in that process salvation for those surrendering now to this power;

And for non-destructive final objectives; And to exterminate a human progression on planet earth that is easily shown to be a slow death for the planet; (Rev15:11-18);

And upon timed prophecy before, during and after - not at all is God a "mystery" at Rev1:1; He is plainly spelling out what is really going on, and for the reason it is up to each human to decide for themselves, God takes no prisoners like that, nor does He force obedience as his rivals do;

And being a fair Kingdom and a very very powerful group, these guys are giving a FULL AND FAIR WARNING to the planetary leaders of planet Earth, from the top down, to an acceptable degree, that can actually be completed by the power system itself upon arrival and after for a timed period of "Court" (Dan7:26 for Dan12:11 timing approximate), so the JW ministry is not the only witness the world will get in the end, and innocent lives are to be evaluated according to divine criteria for salvatory goals, not destructive if that can be avoided;

Meaning only evil and mean predatory people are to be tagged for termination; (Hence the "mark" of the wildbeast, which is basically a symbolism of a predatory system, that produces predatory humans, of all orders of predatory types, as much as possible; BUT, it is not systemic, and there is a way out of the termination; (Christ's sacrifice, 1, repentance, 2;) (God can obviously use that sacrifice even on some not in full knowledge of what is going on, as per Matt24:31-46 for those judged to salvation)

That is all biblical, but being covered up as well, for a fossil view that began in 1976, in order to retard JWs slowly, so that today, 1990 is has been repeating 1970 for 20 years, and JWs are repeating 1990 twenty more;

This is because God will not open actual "new light" to a lawless bunch of rogues in the "board of directors" who are NOT what they claim to be; And they have done this progressively for years, to the 100% coup that developed by 2000, to today's all fake GB actors;

That is why JWs get no "new light" that is actually new light, lawless sin, from central command, has God only backing new sheep intake for salvation purposes, setting up the GB for extermination of power, and setting up the final leg of prophecy over years to explain all this when this blackhole GB obstacle is removed from a spiritual authority not ever found in the Bible accept in the 12 apostles, NOT some mythical "board of governors";

THAT was allowed by God, to give the "man of lawlessness" an inch, so he would take a mile, and they will hang themselves soon, as all "son of destruction" does this self-revelation and ruination, and the GB is no different; That is why they are patterned on Judas, not on Christ truth;

So...

The foundational truth is biblical, that is the 1914-1918 pattern that is pretty easy to demonstnate the Bible students rationale;

The JW organization of today is a leadership that also is prophetic;

Unfortunately, and fortunately, it is BAD prophecy that they are fulfilling;

What is unfortunate is that it will have very serious effects on the WTBTS and JW org and reputation;

What is fortunate, is that when it hits, it will be UNDENIABLE, we will not be discussing past prophecy, we will be discussing a series of fulfillments in LIVE and Real-Time activation:

1. Man of Lawlessness will be fully revealed and eventually purged; With no question the GB was a part ""CIA"" and globalist intel operations externally engineered to oppose news of God's final Kingdom proclamation prior to completion and conquest - and to attempt to stop the final warning period of Rev10-11; (2Thess2:3-4 is fulfilling as we speak, with the MOL GB as the evil in the JW system (Rev8:10-11))

2. So Temple and priesthood must be purified from these liars and effects; (1Peter4:17 is Rev8:2-5; is Dan8:14 is Zech3:4-7 is Mal3:1-5 in final fulfillment activation;)

3. And that leads to the activation of the 6 trumpets from Rev8:2-5 temple events; to their herald of judgment and meaning (Rev8:6-13);

4. That eventually recovers JWs from a very real desolation and judgment, free of GB sinners and orgwide sinners;

5. And that leads to final commission of again, the LAST, the FINAL time God and Christ are going to give the world 1260 days final warning and full notification of what is coming after that 1260 days completes; (Rev11:2-7; Rev11:15-18);

And that Rev8-11 cycle parallels the final cycle of Rev15-16 as well; And that is the end, but it takes temple judgment, 6 trumpet/bowl parallel earth shaking developments, 1260 days final warning, then the 7th bowl and trumpet and Kingdom completion;

And still, it is not done!

But we will see also a completed 8th King world government far beyond UN scale of operations, the end of Babylon the Great, a final world conflict, and many other events that had a minor foregleam in the 1914-1918, 1919-1922 periods, but this time to the big finale of Armageddon;

So you, me, and many others, will actually SEE this all take place over 7 to 14 years, plus/minus, after the temple purification begins;

Since it is just a prophetic fulfillment that is repeating, that can be affirmed and proven every which way but loose, it is not if it will come true, it is when;

I bet my life, we all will see this unfold because it is prophecy repeating, God is giving the world a very thorough, kind, fair, and totally complete and patient warning,
This is the complete transition to full 144000 Kingdom and Temple completion power under Christ, and even if the world kills them, and it will - IT ONLY MAKES THEM STRONGER!!!! (Like Christ himself)

The 8th King is damned if he does, damned if he don't, and that is what it is about, taking planet earth (Rev19:11-21), by a full Christ Court of 144000 immortal warriors; (Dan7:25-26) ready to settle accounts with the earth predators, rivals and slave drivers, warlords, greed bankers and politicians once and for all, AFTER FULL AND COMPLETE OPPORTUNITY and warning AND EVEN PLEADING TO SURRENDER has completed; (Rev11:2-19)

That is why this will complete; The warning of God's Kingdom to planet earth is no joke or insanity, we need to get ready to see this unfold patiently, but through massive world events EXACTLY where God said it was going and how and when, to enough degree to choose life, over death;

This is just the second and final Kingdom announcement gearing up, with plenty of formerly covered over evidence of what it means - earth is getting the new and final owner, and the world leaders are getting the final warning announcement;

The rest will sort of prove itself, starting with the JW org going into desolations, for the Dan8:14 timing, after the MOL is now revealed, and will be terminated by God as per a prophetic signal that it is starting for real; (1Pet4:17)

This is the course MOL has taken JWs to in the UN NGO that is a big signal something aint right in our JW land Bethel:

Jehovah's Witnesses UN NGO Significance to Temple Purification Soon
http://www.topix.com/forum/religion/jehovahs-witness/TJ0OR8MDL9CIQO71Q

So, I believe the future will convince you, and others, and give you and others the opportunity to really choose life with full assurance of what is coming next, over a number of years, NOT like a kill-switch; (Although the globalist world events that mark certain places in this progression, WILL be like kill-switch, fast and brutal events - those guys do not mess around, those guys are done; And God is telling them to their face very respectfully, they are tagged for termination at the end of the process, or they can surrender like anyone else;

JWs are being hung out to dry as the first signal that this is all real; You will see that in time; Not much time at that, so just make a note, that is all I ask anyone, just jot it down, it will come;

Jehovah's Witnesses Temple Purification Event Timed Period

Question
I don't understand the application of 2Kings 16:15 to Temple purification of Daniel 8:14 timed period of 23000 evenings and mornings?

Reply
See this timed prophecy has 2300 evenings AND mornings in the count:

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant feature and of the transgression causing desolation, to make both the holy place and the army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings and mornings; and the holy place will certainly be brought into its right condition.” (Purified condition)

Some say 2300 days is implied by "evening and morning" as a logical day;

But if both portions add to the count like this:

(2 Kings 16:15) And King Ahaz went on to command him, even Urijah the priest, saying: “Upon the great altar make the burnt offering of the morning smoke, also the grain offering of the evening..."

Then each day has two "sacrifices" or the 2300 has two units deducted for each "evening and morning", meaning 1150, or 2300/2, days of cleansing actions minimum;

But Daniel 8:26 reaffirms a symbology:

(Daniel 8:26) “And the thing seen concerning the evening and the morning, which has been said, it is true.

Which means the darkness of 1150 days possibility to cleansed state of "right condition" may be followed by a enlightening "morning" of possibly also 1150 days; So the whole prophecy may be 3,194 years + 3,194 years (6.38 yrs) of total judgment, to evening "abyss", to morning "enlightenment" as Revelation 8:2-5 shows a climax of"voices and lightnings", which are known to be from former fulfillment, explanations and enlightenment; tied into this altar fire cleanse as per Isa6 principle:

(Revelation 8:5) But right away the angel took the incense vessel, and he filled it with some of the fire of the altar and hurled it to the (JW system) earth. And thunders occurred and voices and lightnings and an earthquake.

And that is what information empowers the trumpet heralds that follow here:

(Revelation 8:6) And the seven angels with the seven trumpets prepared to blow them.

And four of those go off, leading to the 5th and 6th abyss recovery, which implies the first four trumpets are being made known to JWs first, while in a
desolated state, enlightening us all to what is really going on, as angels aid this recovery - and that may mean another period of "the morning" timed (another 1150 days), not sure, but as it unfolds, that aids the bewildered state of "the evening", as Daniel 8:14, 26 puts the "evening" first, the darkness due to the actual situation, then the "morning" in the overall meaning of JWs being in the full darkness as to what is happening at that time, for 1150 days, then they are enlightened, and the trumpets "prepare to blow" to fully aid what those heralds mean in temple judgment, and what the "1/3" implies in Rev8:6-12, 9:13-15 (v. 15b, 1/3), for the whole JW system that is recovering, but in a completely cleansed state;

And that will of course proceed to what this all means, Rev9 to 10, 11, 1260 days some unknown period of time while this is developing:

That is why I say, for now, the 2300 evenings and mornings total timing is yet to be revealed, in my opinion, while it is happening, so I am speculating, but I feel there is a valid possible rationale to it;

Jehovah's Witnesses Being Set Up - How?

Comment

MOL (the man of lawlessness; 2Thess2:3-4) has been concealing the identity of the King of the North (Dan11:30-45) part in an attempt to cover it's own infiltration in among Jehovah's people (Jehovah's Witnesses), we JW's have taken lightly the serious consideration of bible prophecy having complete fulfillment. Like it's okay to accept partial fulfillment of prophecy and only bits and pieces of it.

Reply

Yes, the Governing Body "man of lawlessness" fulfill this clever development, subtle but steady for years:

(Daniel 8:12) [Infiltrative subtle/steady subversion and control:]

12 And an army itself was gradually given over, together with the constant [feature], because of transgression; [cover up and lies:] and it kept throwing truth to the earth, and it acted and had success.

So they use that hyper-pious, conservatively rigid stance, to hold on to the USSR interpretive inertia, as if that was all there was to say about Daniel 11:32-43, and WW2 for Daniel 11:30-31, when none of it is any of that but all 1990 3rd UN stand in a 3 out of 4 continuum, that is now unseen by JWs and the world, as we now aid globalist developments to remain secretive to biblical prophecy, and people at large, by teaching a USSR illusion that failed when the USSR failed, and that is why they could not let Fred Franz even scribble the truth on a napkin;

They are now sauvé bullshitters, towing an erred party line of USSR KN fulfillment, with much momentum of the past; WHILE the GB aided also the proclamation worldwide of the UN 3rd placement to fulfill Dan11:30-31, and Dan8:11-12 in 1990-1991 progressively, so they would be self incriminating if they say anything (Dan11:30, for example, traitors MUST be present since 1990 and before);

They are DEVILS!!! Under a veneer of mock anointed, retarding it all, subverting and diverting for globalist objectives;

READ THIS VERY CAREFULLY:

So, when JWs should be waiting for Daniel 11:40-41 to continue in progressive development, in progress also since 1990 (Gulf War, 1999 Global NATO, to 2001/911 GWOT), to climax as per Dan8:11-14 context events of another globalist world development, to usher in, progressively, over years, the Daniel 11:42-43 pawning of national powers, by Revelation 17:12-18 intrigues of Babylon the Great (BTG) and national sovereign transfer, in this next globalist chess move, to develop over years, JWs are here, prematurely by this current setup, INSTEAD (prematurely advanced to the wrong portion of Daniel):

(Daniel 11:44-45) “But there will be reports (Actually Rev10-11 timing, years from now) that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction.

[4th UN placement and world government:]

45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

And that places JWs at the final fourth placement TOO SOON!!! HOAX!!!;

That Daniel 11:44-45 progression is well after Daniel 11:42-43 in this overall development; Because Daniel 11:44 is "reports" that are partly, if not all, "little scroll" sovereign Kingdom proclamation climaxing as the 1260 days is ending YEARS after temple judgment, which is actually what is next!!!!;

BUT JWs think that Daniel 11:44 is next, then GT and Armageddon;

BUT, in fact, temple judgment is next! Due to the infiltration of Daniel 11:41; and then the progressive developments of Daniel 11:42-43 King North super-pawn of national powers is what this next world war cycle will bring about;

Daniel 11:44-45 will be at Daniel 8:25 time, AFTER even BTG is gone by the 6th bowl, years later than JWs are thinking now, being set-up to be pawned during these preliminary events by this purposeful "oversight" as well;

Daniel 11:44-45 will be YEARS from when JWs are expecting it next; That sets up the JW mindset for a fall, and a trap! JWs actually have to still go through the apex developments of Daniel 11:40-41, that lead the world through Daniel 11:42-43, that is what is to develop next in 8th King development as King North;

And that is why the "man of lawlessness" Governing Body is sticking to the failed USSR illusion, to keep JWs thinking that what will develop next will be the prelude to Armageddon by Great Tribulation, but it will not be that development;
It will be tribulatory on the Bethel organization, but it will be a temple judgment that is foretold, not Great Tribulation yet; In fact the JW organization will go down to a divine degree before Babylon the Great developments; (Rev16:12)

See what that simplification and premature advance is doing?

They are setting up JWs for an "end of the world" hoax (with a divinely permitted temple judgment that WILL provide a tribulation alright, but NOT the one JWs are expecting), that is only the globalist intrigues and prelude to the next world war, whenever that develops from where this is going, to the BTG coffers 6 bowls into that time frame, after the temple judgment, after 5 bowls and trumpets;

JWs will think they are at Armageddon (bowl 6 and 7), but this is the beginning of bowl 1, trumpet 1 after the "established place of the sanctuary" is "thrown down" to climax "due to transgression"; (Dan8:11-13)

JWs are MISSING all that prophetically REQUIRED development, so KN 8th King powers can use this illusion against JWs and pawn Bethel and as many JWs in the world system as they can for 1150 days approximately, because JWs will be "GT" and "Armageddon" mentally primed, but the desolation is actually divinely permitted Daniel 8:14, Rev8:2-5, ONLY THE BEGINNING of the last cycle NOT the end of it!!!!!

Thus this illusional mindset makes the JW organization and JWs extremely vulnerable to various attacks they will think is the end, when it is a punishment for the UN NGO affairs, and a temple judgment period that must occur to remove the "man of lawlessness"; So it will be a biggie, no doubt;

BUT IT IS A TRAP!!!!!!!!!!!!

SINISTER!!!!

Jehovahs_Witnesses_Temple_Judgment_2014...

The Prophetic Loop Satan Wants to Break

1. Start Loop at King North: Satan wants no awareness of King North, because that leads to Daniel 12 and the final fulfillment cycle becomes obvious. Currently King North is a crop-out piece to Daniel12.

King North also opens up another interesting paradigm shift, from nationalist world power analysis to globalist "north" power systems. That globalist perception will greatly effect the level of detail the whole wildbeast system can be analyzed with.

2. Daniel 12 to Revelation 11 Connection: From awareness that the now identified "King of the North" apex globalist world order leads to Michael's final stand over earth, and the progression from Daniel 12:1 to the end, brings one to Daniel 12:7, and it's counterpart Daniel 7:25-26 also now in final fulfillment awareness mode. The 1260 days there automatically link the bible believer to? Revelation 11 final fulfillment mode as well.

3. Sovereign Little Scroll: Revelation 11 is the ultimate sovereign kingdom, city and temple progression completion prophecy in one chapter, of all time in such comprehensive meaning. It in itself, in full understanding is a Sovereign Ultimatum, and that is the full import of those "little scrolls".

4. "Little Scroll" Link to "Reports" of Daniel 11:44: Ultimately the globalist world order, under the "King North" Daniel 11:40-45 defiant sovereign symbol, is the head recipient; (Num24:17) of promised divine extermination from God's Kingdom to shortly follow this awareness given directly to the globalist elites, to their face.

5. God's Provocation: Satan wants no connection made between that Revelation 11 fully understood, therefore "opened" and "eaten", "little scroll" Divine Sovereign Threat to the King of the North, from a Kingly angel with "earth" and "sea" "under foot" (Rev10:8), with the damning "reports" of Daniel 11:44 that finally draw these "enraged" globalist toads (with Gog) out into the Armageddon Global Arena frying pan globally for annihilation.

6. No Witnesses: The "Two Witnesses" final global warning of Jehovah's witnesses is what delivers all this "good news" unto all, and the contender rivals, the globalist world order targets of God Almighty. They cannot escape, they must come forth for battle at Armageddon and to be subsequently fed to the dogs and birds as per prophecy, as many as are not vaporized to fine dust fertilizers or anti-material anti-realities; (Rev19:19-21; 2Thess1:6-10). The POW Satan and the demons want to avoid all this awareness globally and the reality to follow this global final proclamation; (Rev10-11; Rev20:1-3)

7. That loops back to the King of the North being helpless and laid out annulled. Loop complete.

8. Satan wants no "paradigm shift" so that JWs are fully and honestly warned, Jehovah and Christ are coming into this "temple", "house" and "those worshipping in it" and they are going to START in the dresser drawer of the chairman of the GB!!! (Rev11:1-4) LOL.

9. Satan wants no one to know about this final great replication of the finalities of Daniel 7:25-26, Daniel 12, Daniel 8:14, and other applicable subsets within those prophecies.

10. Satan wants no one to be aware that Revelation 8-11 WILL have a finality of completion. Other whole patterns, or parts of Revelation 6, 14, 15-16 will also have a final cycle.

11. In fact, EVERY applicable sovereign kingdom prophecy, and temple inspection prophecy, every illustration and sub-set applicable to 1914-1926 MUST be applied to Jehovah's witnesses "temple" and worship arrangement today, and in the future. (ten virgins, marriage garments, weeds, Judas "son of destruction" will ALL apply in Jehovah's witnesses)

12. Zechariah 3 is a Commencement Prophetic Prerequisite: Satan does NOT want JWs or anyone to understand Zech3-4 MUST also have a final cycle, in fact much of "Zechariah; The Hebrew Revelation of Temple Completion", will also have a final fulfillment mode.
Now this can all be proven NOW, because all these prophecies have a 1914 minor model pattern well established for review, hence why they even exist, for Temple 144000 completion certainty realized by Jehovah's witnesses. That is why NO ONE, anointed or not, can disprove Zechariah 3 applies to the Org NOW.

13. Neither the GB or Satan wants any Jehovah's witness aware that Zechariah 3:1 applies to the GB NOW, and has applied to it since 1992. The current fraud infiltrated GB of course we never admit they are the "befouled garments" targeted to "pass away" by Zechariah 3:2-3's "fire" event and transition to official "robes of state". The current GB will NOT be wearing those "robes of state" but will inherit their filthy robes for all human history to follow this exposé by God and the judgment to follow.

Zechariah 3 and 2Thess2:3-9 must fulfill prior or beginning the final "two witnesses" second and final world warning ministerial knowledge to eventually commence in the official 1260 day GT cycle of Daniel 12:7; 7:25-26 and Revelation 11:1-4. The GB is been measured, and found to be frauds.

Hey GB, read the writing on the wall fools. God has you right where He wants you, where you are prophesied to meet your end; (Zech3:2-4) Get ready to meet God.

14. Satan does not want mankind to understand, that the 144000 Temple MUST fully complete BEFORE the final conquest of Armageddon, like in 515BCE, that "temples 144000" and Christ; Zech4:6-8 Headstone, or finish "capstone", "topstone" WILL complete in the face of the enemy system, just as the temple in Jerusalem in 515 BCE also completed in the face of the enemies of Israel of that day.

15. Satan does not want people to know and by that escape the assured flaming fury of that period when this Kingdom Temple clicks the last Christ "head stone" into place; (Zech4:6-8). Christ is foundation "stone", 1914, and "head” "stone", and there must be of course 144000 in between.

16. Satan does not want mankind, or JW's to develop this assured and completely ascertainable, from the bible pattern final replication and unfolding, BECAUSE IT IS LIKE A ROAD MAP TO THE END OF THE WORLD! IT IS LIKE A PROGRAM TO GOD'S PLAY, THE FINAL ACT.

And that whole "map" and "program" is based on a set of patterns in ancient, Christ, and 1914 times, that are absolutely provable! Some happened 3 times! Some 2, some 1 ALREADY. It also ties the complete picture of the whole bible, the "truth temple", to 100% completion soon prior to manifestation, no loose ends regarding temple and kingdom, to "last day of last days" understanding as per Jehovah's specification, not a sinner fraud GB that needs to be whacked but good in Zech3:2-4 fulfillment soon.

See then, how much the GB are currently holding back? (And that is not all that can be derived from all this, a book or ten can be derived from all this "true new light"! The GB NEVER will have a photon of "new light", they are doomed subversives, IDd by prophecy and anointed.)

Downward Statistical Evidence Since 1992

See why our 1990 trajectory would have been at 11 million witnesses by now, but from that 1992 period, the sheep intake was cut in half? Ever see a graph of that statistical evidence that something happened around 1995 that caused this? It is astounding. It is obvious something is wrong that began around that period of time.

And you know the apostate analysis is, "oh, they changed the generation teaching", and that caused that drop. Yeah, right. NO. The UNGO gross active sin, has been affecting the overall Org since infect, incept, and GB inject. I do not know how that was developed, but either way, the Henschel GB ops, is what opened that "can of disaster".

All coincidence that it was when the Hawk, Fred Franz lay dying and finally died? All coincidence 10 years later the story is broke after 9/11? All coincidence it all the way to the Prince of the army put on great airs, and from him (God) the constant [feature] was taken away, and the established place of his sanctuary was thrown down. (by profanation first) And [the Jehovah's Witnesses] itself was gradually given over [to the 8th King UN globalists], together with the constant [feature], because of transgression [in UN adultery]; and [The Governing Body] kept throwing truth to the earth [with coverup and deceptions], and [the whole infiltration] acted and had success.

13 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?" 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be [purified by God's judgment as this ordeal climaxes];

(Daniel 8:11-14) And all the way to the Prince of the army [8th King UN globalists] put on great airs, and from him (God) the constant [feature] was taken away, and the established place of his sanctuary was thrown down. (Daniel 11:30-31) And [8th King UN globalists] will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to [Governing Body] leaving the holy covenant.

31 And there will be [infiltrative internal] arms that will stand up, proceeding from [8th King UN globalists]; and [8th King UN globalists and the Governing Body] will actually profane the sanctuary, the fortress, and remove the constant [feature].

31b And [8th King UN globalists and the Governing Body] will certainly put in place the disgusting thing that is causing desolation, [Which is the United Nations third world placement in 1990 and the Bethel placement in 1991 in the Jehovah's Witnesses worldwide "constant feature" for public world promotions of the United Nations "New World Order"]

The Locust Signals in Biblical Prophecy

Let us be very realistic, of course there are unknowns as to how God is going to pull off this next miracle, but He is;

The 1914 basis of the truth is a miracle; Given the longevity of the former Christendom clergy "man of lawlessness" and the general occult infusion of the "enlightenment"
of the so-called "Renaissance", in spite of the first century truths, man was lost again in false religions, anti-spiritual and secular;

By 1914 it was all "Babylon" again ALL of it, worldwide;

God is not gearing Jehovah's witnesses up for another 100 year world ministry, but for a short but sweet, powerful and permanent "little scroll" final proclamation to planet earth's powers and peoples of GUARANTEED Kingdom completion and subsequent conquest; (Rev10:11)

God is preparing the Jehovah's witnesses and warning/inviting the world for the Christ and 144000 in full Kingdom power; THAT is what this temple judgment is leading to, and with the "lawless one" also revealing, means it is not far off.

This recent "lawless one" revealing indicates in a subtle but significant way it is activating even now, perceivable to those paying full attention to the Bible and Christ and not to men and human "bodies", by holy spirit; Again this is hidden from the idol worshippers, misled and the "wise and intellectual" ones who follow organisic law rather than faith, love and mercy;

But the truth come out, as many are being severely misled and God knows the actuality of how this occurred, and He will judge righteously given the masterful disguise the MOL is under;

Fear and judgment is what JWs run on due to MOL "1/3" "wormwooded" spiritual "constant feature" polluted to mislead JWs and keep their mindset stagnant two decades in the past;

MUCH has changed on the 8th King front in these last twenty years, and NONE of it is applied to the prophetic intensifications of Daniel and Revelation, and Joel 3:9; BUT the 8th King has been fulfilling scripture in those key sovereign development prophecies; Sovereign rivalry and sovereign fulfillment of God's purpose clearly activating before our eyes in just this least year even more so; (2Pet1:19-21)

We are at the great transitional sequence to the 144000, over Babylon the Great's removal in a massive Satanic distraction of "desolations" that are caused by the "disgusting thing" preparing his final 8th King, two-horned-wildbeast globalist elite aided climax sequence likewise;

God is recovering JWs through this temple judgment to prepare us for a completion of the final "organization" of God, Christ, the 144000, and Christ's full angelic command for divine purposes related to Christ heavenly appointed sovereign agency to aid the finalization of the completion and subsequent conquest of the Messianic Kingdom, the "mountain" to become earth's sovereign power for 1000 years; (Dan2:31-45; Zech6:1; 14:3-5)

We have a temple judgment that will need a divine recovery phase, and the 6 trumpets are that bridge of Biblical reality to the finality;

Revelation 9's 5th and 6th trumpets will be a highlight "invasion" leading to the 7th trumpet, so are intimately involved with that "King over" this final world ministry of God in a prelude judgment, cleansing, and recovery to full enlightenment to the final "little scroll" commission that will become the final "two witnesses" sovereign ultimatum of God and Christ;

(Satan is never called a king, just diadicic symbol as that was kicked out of heaven when described as such, not tolerated in the sovereign court of Christ as he assumed heavenly kingship (The "crown" of the woman; Rev12:1) for GOD to birth and bring forth the Messianic Kingdom foundation upon the Christ.)

That's why any reference to actual kingship, has to be the anointed Christ or powers from his divinely appointed agency for God; That ties back to the "destroyer" of Egypt's firstborn; (Ex12:12), and upon Assyrian forces later (Isa37); This means to a deliverance WILL take place in this recovery from the "abyss";

Covert destruction will be guaranteed upon globalist powers and proxies who attempt to abort God's purpose in this bridging ministerial period between temple judgment and the temple completion; (Hos1:4-7)

The seven trumpets will blow no matter what they do!

Christ knows the abyss, because he has been there in it's fullest meaning:

*** ***

( Jonah 2:1-5) Then Jonah prayed to Jehovah his God from the inward parts of the fish 2 and said: "Out of my distress I called out to Jehovah, and he proceeded to answer me. Out of the belly of Sheol I cried for help. You heard my voice. 3 When you threw me [to] the depths, into the heart of the open sea, Then a very river encircled me. All your breakers and your waves—over me they passed on. 4 And as for me, I said, 'I have been driven away from in front of your eyes! How shall I gaze again upon your holy temple?' 5 Waters encircled me clear to [the] soul; the watery deep itself kept enclosing me. Weeds were wound around my head. (John19:2)

Rh8 Jonah 2:5
[Or, "the surging waters themselves." Heb., tehohm; LXXVg, "an abyss."]

What is coming WILL put Jehovah's witnesses in that abyss state while alive into inactivity, but a divine recovery will come during and after the four first trumpets herald reality of prophecy to Jehovah's people;

The Trumpets

1. Activate shortly after the temple judgment commences (Rev8:1, 6) - and may aid us in that temple cleansing period, as they are even NOW in foreshadowing fulfilling Amos3:7; (Dan8:14 is Zech3:4-7)

2. Herald the complete meaning of the judgments and prophetic fulfillments;

3. Bridge Jehovah's witnesses from temple judgment 2300 "evenings and mornings" (1150 days minimum; maybe 2300 days) to this 7 sequence of divine heralds as trumpets (the bridging) to the 1260 day finale to temple and kingdom completion;

4. Are directed to Jehovah's witnesses "earth" developments contrary, "set in opposition" (2Thess2:3-4; Dan8:11-12; Dan11:30b-31) to God's will for His people; The world will also be told these things;

*** ***
5. Herald the final ministry while keeping JWs collected from the scattering effects of the 8th King assault on the “established place” (Dan8:11) to deliver the awareness of the final Revelation 10-11 mission to JWs - aided by angels in heightened fashion shown in many scriptures in this period; (Rev9:13-15; Hos1:4-7; Zech3:4-7; Zech 6:1-8; Zech1:10-16; Eze9-11)

6. Herald the alarm signal, the “invasion” war signal, the divine events that trumpets of God are known for in principle - these will be leading to the greatest finale of Adamic human history for this period!

7. Jehovah's witnesses will be judged and enlightened to those who pass the Malachi 3:1-5 "fire" of refinement and purification for the final very important mission to be backed by God, Christ and the angels and "eagles" (Glorified spirit brothers of Christ) of his command;

Get excited sister, this is the real thing coming up with a set of signal meanings that no doubt will get much clearer than this draft, when Jehovah FULLY opens this up!!!

Now on the "locusts", "armies" and the transition to another wave of divine invasion that is Revelation 8-9;

Israel and Egypt - Transition One with a Judgment

"Locusts" have appeared literal and symbolic at important transitions furthermore a divine sign of divine judgment - a full coverage judgment signal; (like the locusts in the ecosystem); (Exodus 10:1-20; Psalm78; 105:34-35; Jer51:27)

In Egypt the locusts were the eighth of God's judgments in that series of divine plagues as the Israelites were going to be transitioning into the law covenant with God through Moses; The locusts aided that transition out of Egypt, and the darkness on Egypt as a plague followed the locusts; (That principle is coming on the world in those trumpets and bowls actual manifestations that have developed from the world itself in opposition to God's will and Kingdom;

This was watershed transition from God was highly significant because it was the first time in human history that God entered a covenant with a whole nation of people, not just a man like Abraham; (Gen12:3; 22:17-18), but the whole nation of his descendants in the significant covenanted portion of Israel's twelve tribes;

THAT TRANSFORMATION IS VERY SIGNIFICANT STILL!

And it repeats in principle in time towards the Christian era as Israel matured to the appearance of that promised Christ’s seed"; It repeats as Christianity also matures to the full seed of the whole body, Christ and the 144000; (Gal3:29)

Early Christian Era - Another Transition (2) with a Judgment

In Joel's prophecy of Joel2:1-11 "locusts" accompany another foretold transition of "Israel" by God that was taking place as we are fully aware now, but at that time this was another watershed milestone event; Let's not lose sight of the fullest meaning of these transformations, they are all leading to the greatest one to come;

God sends out an "invasion" to tell the world, to collect some from among the formerly ignorant as the "good news" is opened to them, based on the Word fulfilling for those paying attention to the Bible and those being turned to pay attention to prophecy by the "invaders";

Israel we must note, had been an inwardly focused religion, likened to a walled off nation from the rest of the world; (Eph2:13-16) They did not go out on missions externally for proselytizing; if one wanted to observe the Mosaic law, one attached themselves to the Jews; They were dispersed by divine punishments in 740 BCE, 607 BCE and 70 CE, not as a mission to spread their faith;

Therefore note, the Jews did not go out preaching; This transformation coming at the time of Christ cannot be understated it is great in world impact;

The prophets of Israel were special vessels of special circumstances to the Jews mostly, with sometimes included pronouncements to other nations in the realm of a judgment; Like Tyre and Edom, Egypt and Babylon and others;

The details of the judgement on external nations was given through a prophet like Jonah or Amos and others, because those nations were involved with injustices i general or to Israel with other criminal activities (Amos1-2);

They were warned and would get their accounting in due time as prophesied - for our benefit today as well, it makes the reliability of prophecy stronger by historical evidence the judgments were all carried out. By and large Israel was a protected isolated nation by divine design to protect the national vessel of the "seed" to come, among other objectives related to the law and the priesthood oversight;

Well when the "seed" finally arrived, Jesus came to destroy that "wall" (yet create a body):

(Phesinss 2:13-16) But now in union with Christ Jesus you who were once far off have come to be near by the blood of the Christ. 14 For he is our peace, he who made the two parties one and destroyed the wall in between that fenced them off. 15 By means of his flesh he abolished the enmity, the Law of commandments consisting in decrees, that he might create the two peoples in union with himself into one new man and make peace; 16 and that he might fully reconcile both peoples in one body...

God by Jesus also transitioned the aim of faith of Israel's remnant towards God through His Son, by a "new covenant" relationship; (Jer30:31-34) This was a great transformation to a perfect atonement and comprehensive sacrifice based faith for righteousness for those who accepted Christ;

The nation of Israel rejected him by the actions of the leaders and elites of Israel and many of the people; (John1:11-13), But a remnant transitioned with him to the way of Christianity, the "faith of Jesus" (Rev14:12), which was an outwardly projecting, "invading", progressive and spreading kind of religious faith directive from God through Christ;

The apostles are examples of the penetrating nature the new faith was going to take on - tell everyone the good news! No more languishing in Jerusalem wondering when Messiah was going to appear, living in the past!
Christ by God's will revolutionized the faith and its means of growth, yet retained a "body", distributed but centralized in accurate knowledge of truth around the Word; We have to appreciate that this was a miraculous transformation to draw the Gentile nations worldwide into the salvation being provided by faith, into "one body";

Faith required those with faith to build faith in others and that would expand on that principle; (Rom10:11-17) The entire former reality of the Jews as a separated religion with inward focus was revolutionized into a apostle-like outwardly projecting and spreading faith to "the most distant parts of the earth"; (Isa8:9-10; Luke24:44-49; Acts1:6-8)

Keep in mind as we progress this outward projected, holy spirit driven, first century "invasion" of the Devil's world and the uniqueness of it! It was a "revolution" that must have a climax a very REAL war at Armageddon; God is just being Mr. Nice Guy right now, in time He will explode on His enemies; (Deut 7:9-10)

This is salvation mode in these "invasions" from God; This is divine, not human;

(Galatians 1:11) For I put you on notice, brothers, that the good news which was declared by me as good news is not something human;

**Joel's Locusts Picture This Continual Invasion**

Therefore the locusts of Joel's prophecy have a huge meaning as to what this portended for Satan's world at that time, a demon monopoly that had NEVER before experienced a complete holy invasion of truth, by divine purpose of the way God by Christ would "break up the works of the Devil" by this spiritual war; (John3:8b)

Even since Egypt, these locusts are still spreading worldwide in a spiritual sense; "Egypt" IS truly plagued by God; (Dan11:42-43; Isa19:11-15);

We have to picture what was REALLY happening and IS happening, Satan's monopoly of minds is being ATTACKED by God and Christ; It IS a war in a spiritual sense;

(2 Corinthians 10:4-5) For the weapons of our warfare are not fleshly, but powerful by God for overturning strongly entrenched things. For we are assaulting on Satan's world, NEVER before had God sent the truth outwards in this manner, NEVER! Now it was empowered by him for this kind of war an offensive war by constant invasion, and as we see with Jehovah's witnesses, God has to the degree shown in prophecy so far, ACCOMPLISHED HIS MISSION to the degree we are at, but more is to come, but we are not done sister; (Hab2:12-14)

**Satan Fires back First by Covert Invasion of His Own**

And neither is Satan's salvo in the "man of lawlessness" on the internal to aid a barrage by Satan on the "established place" by his 8th King special operations very soon! Satan is not done either!

Picture a war, because believe it or not this IS a war we are in, a spiritual one (Eph6:10-18), and one that WILL be fully resolved in due time, but it is not the due time yet, it is temple judgment time, the inspection is about complete, and Jehovah's witnesses by and large missed notice of it die to lawless central activity by you know who;

Satan has indeed sent his own invasion into the organization!!! This IS real!!

But back to the "locust" symbolic importance as we progressed to Christ's arrival;

---

**Christian Locusts**

This prophecy below is the desolation of all the things Satan has entrenched in Adam, and this system of things that are being exposed by this whole army of "locusts" that STARTED with Christ as the first outward projected emissary of his own people;

And that led to this, BUT this applies in ongoing fashion as the waves of battle are met with more waves of locusts, this was the first one concerning the first Christians:

( Joel 2:1-11) "Blow a horn in Zion, O men, and shout a war cry in my holy mountain. Let all the inhabitants of the land get agitated; for the day of Jehovah is coming, for it is near!

2 It is a day of darkness and gloominess, a day of clouds and thick gloom, like light of dawn spread out upon the mountains. "There is a people numerous and mighty; one like it has not been made to exist from the indefinite past, and after it there will be none again to the years of generation after generation.

3 Ahead of it a fire has devoured, and behind it a flame consumes. Like the garden of Eden the land is ahead of it; but behind it is a desolate wilderness, and there has also proved to be nothing thereof escaping.
4 “Its appearance is like the appearance of horses, and like steeds is the way they keep running.

5 As with the sound of chariots on the tops of the mountains they keep skipping about, as with the sound of a flaming fire that is devouring stubble. It is like a mighty people, drawn up in battle order.

6 Because of it, peoples will be in severe pains. As for all faces, they will certainly collect a glow [of excitement].

7 “Like powerful men they run. Like men of war they go up a wall. And they go each one in his own ways, and they do not alter their paths.

8 And one another they do not shove. As an able-bodied man in his course, they keep going; and should some fall even among the missiles, the [others] do not break off course.

9 “Into the city they rush. On the wall they run. On the houses they go up. Through the windows they go in like the thief. 10 Before it [the] land has become agitated, [the] heavens (of Eph6:12; Isa24:21-23) have rocked. Sun and moon themselves have become dark, and the very stars have withdrawn their brightness. (The system lights are shown to be darkness; Luke 21:25-28)

The Key Power and Reason:

11 And Jehovah himself will certainly give forth his voice before his military force, for his camp is very numerous. For he who is carrying out his word is mighty; for the day of Jehovah is great and very fear-inspiring, and who can hold up under it?”

See where this is all leading to?

Sign of Another Imminent Transition

Meaning there will be a divinely sent series of signs or portents that become one big sign (as we know from that teaching even since 1914-1919's events), BUT that sign is dynamic, and will intensify in severity and spread of world events just as the Revelation 6 Devil horses intensify over the Lord's Day since 1914;

This is NOT static but dynamic and we are at a new transition to be brought forth fully activating at the temple judgment - with a divine signal to those paying close attention, for those to understand later who have been misled or are "doing lawlessness"; (Mark 13:37-43; Note that is a conclusion of "A" "system of things", NOT "THE" "system of things"); (This "weed" cleanout is in Dan8:14 and is first.)

That is why I note 2Thess2:1-2, it shows that the Day of Jehovah actually begins with the events immediately in the progression AFTER the apostasy is operative AND the "man of lawlessness gets revealed"; Jehovah's Day is activating in the temple judgment, and will mark that initiation to Armageddon as the climax event of Jehovah's Day, "the war of the great day of God the Almighty";

BUT this temple judgment will be very very divinely significant!

So make no mistake Donna, a HUGE world change is no doubt coming with this temple judgment for the benefit of those who can come to understand what it means, and God will drag it out with Satan as Satan gets active as well, so people have a known period of time of what this REALLY means! This will be big enough to affect the whole world and JWs at the same time in a notable manner;

Apostasy Pattern

Well as we know the first century Christians were soon taken over by the wrong forces and they continued to use the spirit of invasion, but for evil purposes; Satan hijacked the momentum, and bent it to conquest and empires, who used this impetus of the expressive expanding nature of Christianity for war and pillage, domination and lies;

That pattern in principle is active in Jehovah's witnesses organization now; But for a different purpose, but we have been invaded, and they have violated "God's space", and He already foretold that they would (Daniel 11:30-35; Dan11:41) and that he will then fry and kick their asses out and chase and hound them to the end;

Let us keep in mind what they have done, and who they are messing with, God will rebuke in due time, but to the proper degree to set up the world context to SAVE people as this full meaning to globalist extents is fully expounded with angelic aid, worldwide;

Well look at the modern pattern of just 100 years ago, keeping all this transitional miraculous reality in mind, that back then, we were also invaded since after the first century apostasy; Then the Reformation fizzled into more lawlessness; The only thing spreading was the leaven of the "man of lawlessness" of that period;

Transition Three with a Judgment - 1914 "Last Century" Christians

1914's release was another transition - a HUGE event to God and Christ HUGE - a new plateau would be ascended, the thing that saved us sister, was do to this next wave of locust-like assault!! It was another hallmark preparatory period; The "Lord's Day" from 1914 identified for yet another world invasion; This one had a good start like 33 CE, was not to be hi-jacked by men for a good portion of the foundational work, and the foundation was permanent;

AND that foundation of the truth that explains the central theme and major Kingdom and Temple frameworks of the Bible CANNOT be uprooted; ANGELS protect this since it has been laid in that 1914-1922 period; The "abyss" the brothers and sisters went into at that time is a well known part of our ministry's teaching, well used to be well known till MOL started water it all down;
Whether people believe it or not, God was using less than 20,000 anointed to spearhead this worldwide assault with the foresight of Russell and others aided by Christ. Had that been destroyed as they did try (Rev12:6, 14; Dan7:25; Rev11:2-3) we would have NO truth in this world; So it is very significant in spite of detractors.

That 1914-1918 assault and even near failure on the part of the brothers being in fear and also sins, was a very real attempt by Satan to shut-up the final, but initial leg of the "good news";

The meaning of those brothers and sisters coming out of that "abyss" is great, it is also another war against every vestige of this world's lies; It is far more significant than it appears to the world in general, and even JWs are being dumbed-down to these patterns as if it is no longer of use;

And it was after the initial first four trumpets, parallel with the first four bowls of FULL earth meaning in a four-square and complete pronouncement of God that was TRULY being proclaimed progressively to the world from especially 1922 forward when the anointed grew to like 70,000 by 1926, when this invasion really grew;

A Continuum that Must Be Revitalized

And it's a continuum as you will see;

Whether the brothers knew or not at that time of 1914 (which they understood later as a whole), divine judgments and divine plagues in minor form, and to come, in far grander scale, were being told to the whole world as those 5th and 6th trumpets in minor form in initial fulfillment was spreading like locusts worldwide as Jehovah's witnesses ministerial "movement" of that time;

And it continues, and this is what they want to sever, the continuum to the finale;

SO IT IS WAR; The globalists see it, but JWs are not getting the whole picture; Transition 4 With a Judgment SOON

Divine Desolation of Diametric Spiritual Places

That is why God is involved with a "locust" desolation that is purely spiritual destruction of all of Satan's lies, whether people accept it or not, we do have the truth up to 1990, and that truth, is the truth of the unacceptability of this 666 marked world system in God's eyes;

This divinely guaranteed and forewarned desolation of everything Jehovah's witnesses have spoken since 1919 by divine timing of that Dan7:26 "court" in initial fulfillment is going to become real, through a progression of events, not a big bam, all said and done;

The world plagues itself, that is it provides the means by which God allows the world to suffer these divine plague events from it's own leaders hands, it's own system and it's own ways and injustices;

(Revelation 16:5-9) And I heard the angel over the waters say: “You, the One who is and who was, the loyal One, are righteous, because you have rendered these decisions, 6 because they poured out the blood of holy ones and of prophets, and you have given them blood to drink. They deserve it.” 7 And I heard the altar say: “Yes, Jehovah God, the Almighty, true and righteous are your judicial decisions.” 8 And the fourth one poured out his bowl upon the sun; and to [the sun] it was granted to scorch the men with fire. 9 And the men were scorched with great heat, but they blasphemed the name of God, who has the authority over these plagues, and they did not repent so as to give glory to him.

Desolation Will Become Literal Progressively

That is why those "locusts" portend divine destruction on every final vestige of Satan's lies, whether people accept it or not, we do have the truth up to 1990, and that truth, is the truth of the unacceptability of this 666 marked world system in God's eyes;

This divinely guaranteed and forewarned desolation of everything Jehovah's witnesses have spoken since 1919 by divine timing of that Dan7:26 "court" in initial fulfillment is going to become real, through a progression of events, not a big bam, all said and done;

The world plagues itself, that is it provides the means by which God allows the world to suffer these divine plague events from it's own leaders hands, it's own system and it's own ways and injustices;

(Revelation 16:5-9) And I heard the angel over the waters say: “You, the One who is and who was, the loyal One, are righteous, because you have rendered these decisions, 6 because they poured out the blood of holy ones and of prophets, and you have given them blood to drink. They deserve it.” 7 And I heard the altar say: “Yes, Jehovah God, the Almighty, true and righteous are your judicial decisions.” 8 And the fourth one poured out his bowl upon the sun; and to [the sun] it was granted to scorch the men with fire. 9 And the men were scorched with great heat, but they blasphemed the name of God, who has the authority over these plagues, and they did not repent so as to give glory to him.

(Daniel 8:25) ...and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand... (Zech14:3)

When Christ engages the "air" in that Revelation 16:17 event "immediately after the tribulation of those days" (Matt24:29-31) it will be at a time when full Kingdom power will be needed to "cut short the days" (Matt24:21-22);

This is because the "four winds" (Rev7:1-3) will be fully operable and deployed in Daniel 8:25 mode;

(Daniel 8:25) …and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

That above precedes the final world government "stand" as the Great Tribulation (GT) is an event that has engineering makers, phases of intensity, and overall objective - this one is full assault on the "sun, moon and stars" of the world system "national, state and local" power systems;

A point being these desolating "locusts" are heading into actual desolations to progress in time;

Great Tribulation in it's deepest form is a human origination, human engineered event that God uses to desolate in the "winepress" but he did not build that "winepress" of weaponry, the nations did as guided by elite globalists for demonic purposes in the final grand slam; (Angels will override it, and use it against itself; (Zech14:3-15; Rev14:17-20; Joel3:9-12)

At 2Thess1:6-10 this deepest GT has "those who cause tribulation for you" in their apex globalist destructive form of that Matthew 24:21-22 "no flesh would be saved" potential extinction mode;

If indeed God and Christ did not deploy against that attempted world extermination by the 8th King with technologies 10 years advanced from those of today - with
Gog in control to boot - all would be destroyed; But Christ will manifest and destroy them instead; Hence that symbolism of "Gog of Magog" is unique for a reason; And ten years now, is like 20 years in the 1950s as far as demon aided technological advancement that make nuclear technology look like bows and arrows;

**Locust Upgrade of Continuum to Armageddon**

Thus those "locusts" will be armed in the final phase with a lot more ammunition than the duds the MOL has loaded JWs with for 20 years in full control of stifling JW insight; 70 years in evidentiary infiltration with little things that compound to millions stumbled since back then (not to mention UNNGO, Pedophile Paradise, and the blood issues you related earlier);

THIS IS WAR!!! That is why those locusts can and do picture a final world invasion, as they did the initial invasions of Joel, and the 1914 manifestation of Christ at God's temple foundation works; Ad they start with the MOL "1/3" operations to expose those for what they are; Complete coverage!

Sister! Not one part of this world after Adam's sin and massively compounding error is acceptable to God, it only gets worse as time goes by as in Genesis 6's culmination of corruptions; That is why the "locusts" are pictured in full coverage and in battle;

This assault has come from God, and the final wave will also come from God through the Temple judgment to kick it off as that progresses;

**Temple Light**

That will progress from the "evening" of the temple judgment (Dan8:14, 26), total JW darkness, to an enlightenment of temple purification "morning" that God pictures here:

(Revelation 8:5) But right away the angel took the incense vessel, and he filled it with some of the fire of the altar and hurled it to the earth. And thunders occurred and voices and lightnings and an earthquake.

That's a short scripture with an enormous amount of meaning; It's "altar" "fire" (See Isa6) so it is a cleansing that may very well employ desolations (as in Eze 10-11); The "thunders" roll to all JWs because of a temple "storm" with multiple significance (globalist and GOD!);

The "voices" are explanations that are accurate from God, the lightnings are a veritable "lightning shower" of REAL "new light" a "new lightning" storm;

This is a good earthquake here (Like Rev11:19 at the final temple completion), as bad as it seems, as bad as it will get, it is revolutionary times coming on Jehovah's witnesses!

In fact that Revelation 8:5 scripture is comprehensive to include the understandings to come from the first four trumpets that herald the REAL explanations of the judgments many JWs are denying;

**First Four Trumpets are Abyssed Locust Steroids**

That is why the first four trumpets are 4-square (so are the bowls), if you will notice on your next read, they are all earth symbolism - a foursquare full coverage "earth" symbol totality - every elemental part is of earth, or seen from earth (sun, moon, stars);

The trumpets and bowls 5-7 break the earth related symbology, if you will notice with a read of both the 7 trumpet and 7 bowl sequences;

The first 4 trumpets are on the JW "earth" system in judgment - these are the explanations and the judgments in Revelation 8:7-12 below; All the same things that applied in the minor fulfillment after 1918 are accurate in principle, we just know now the "1/3" effects can even relate to Satan's "1/3" (Rev12:4) compromise of heaven and the angels who went apostate as well from the divine truth;

It appears to be the overall effects that the covert apostasy has had on Jehovah's witnesses as a whole;

**God's World Chess Check Move**

It also ties the origin down to a world government issue in the second trumpet, because the "mountain" headed for fire (and a burning issue) that is the collective multinational "gathering" against God (Rev16:13-16; Ps1; Joel3:9-12; Dan2:31-44) under a globalist unification system, is the very source of the "man of lawlessness" operations that even tie the "lamp" of Revelation 8:10-11 to Job 18, as Satan and the globalists he inspires are behind this entire judgment!

See the beauty in what God is doing?

The very thing the apostate-fraud-JWs" are trying to conceal in globalist world government as an actual multi-national worldwide super-system (far more than just the "image") since 1990 at a marked globalist UN 3rd placement event, will now become the central issue!!

It brings God's Kingdom to the fore as the ultimate reality that now has a globalist defiant system forming for a head-on Armageddon collision of all time!

**MOL is Globalist Born**

It also explains the implications in Daniel 8's temple "transgressors act to a completion" being closely related to this globalist final world order attempt (Dan:8:11-23); Daniel 11:30-31 shows that the origin of the apostasy is a globalist infiltration used to divert JWs into actually aiding the 3rd placement of the UN in 1990, by UNNGO promotionals in 1991 Awake! (9/8/2012) and a decade covert thereafter, to go overt in 2001 in world exposé to return to covert profaning missions;
The four trumpets touch on these elements and allow a full explanation when God decides to deploy angels to assist this herald:

(Revelation 8:1-2) And when he opened the seventh seal, a silence occurred in heaven for about a half hour. 2 And I saw the seven angels that stand before God, and seven trumpets were given them.

Then this will have actual angelic assistance to herald to JWs the reality we are in (and the world will hear about it candidly in time - while getting their four bowls as well);

These symbols of Revelation 8:7-12 are overall sub-systems and meaning in the Jehovah's witnesses worldwide community and organization;

Also note this "fire" is condemnatory judgment, not the "altar fire" any longer but part of that judgment, this is the clean-out and call to repentance of the disciplinary phases however they may unfold to recovery aided by God by these heralds:

(Revelation 8:7-12)

JW Org "earth"

7 And the first one blew his trumpet... hail and fire mingled with blood, and it was hurled to the earth...;

JW communal common "sea"

(JWs WILL be updated to globalism meanings while globalist interests will be purged from the community infiltration one way or another:)

8 And the second angel blew his trumpet... a great mountain burning with fire was hurled into the sea...;

(Zechariah 4:7) Who are you, O great mountain? (globalists profaning and impeding the temple awareness) Before Zerubbabel [you will become] a level land. And he will certainly bring forth the headstone. There will be shoutings to it: “How charming! How charming!”

A principle of the judgment meaning of a burning mountain:

(Jeremiah 51:25) “Here I am against you, O ruinous mountain,” is the utterance of Jehovah, “you ruiner of the whole earth; and I will stretch out my hand against you and roll you away from the crags and make you a burnt-out mountain.”

JW knowledge and teachings (The profaned "constant feature")

10 And the third angel blew his trumpet... a great star... fell upon a third of the rivers and upon the fountains of waters...;

The JW "celestial heavens": GB (Org), Bethel, elder body

12 And the fourth angel blew his trumpet. And a third of the sun was smitten and a third of the moon and a third of the stars...;

Now this is important, all this meaning, however God refines it to this event, will be pumped into that "cavalry" and "armies" military force invasion from the "abyss" by holy spirit (Zech4:6) to follow after this four trumpet initial progression of understanding and acceptance of discipline, as the fifth and sixth trumpets deploy to the grand finale of the Kingdom and Temple seventh trumpet;

See how those cavalry and armies will now have a new impetus for invasion?

Rather than be dumbed down as if the 8th King was merely a 17 acre UN building complex in New York, we will see what is really going down, this is a WHOLE "scarlet wildbeast" on the way, "image" AND worldwide power system actuality;

Revelation 9 Bridge from Daniel 8:14 "2300" to Revelation 11:2-3 "1260"

Revelation 9 is full recovery final ministry prelude leading to official final commission of the "little scroll" and the final "two witnesses" that will carry it out to the seventh trumpet event, the full 1260 days will be completed; The first four trumpets were an important lead-in to this fifth and sixth trumpets as all six bridge from temple judgment 2300 "evenings and mornings" to the final "two witnesses" 1260 days, over an unknown but important recovery period;

(Revelation 9:1-3) And the fifth angel blew his trumpet. And I saw a star that had fallen from heaven to the earth, and the key of the pit of the abyss was given him. 2 And he opened the pit of the abyss, and smoke ascended out of the pit as the smoke of a great furnace, and the sun was darkened, also the air, by the smoke of the pit. 3 And out of the smoke locusts came forth upon the earth; and authority was given them, the same authority as the scorpions of the earth have.

A Smoking Judgment!

The smoking aftermath of this "transgression causing desolation" (Dan8:13) is fitting for the "abyss" state JWs will have gone into in this temple judgment for this recovery; it will be a divine judgment, carried out by 8th king system globalist intel worldwide aided by their national wildbeast extension (Rev13:1), but cut short at the proper degree; (Hos1:4-7; Isa12; Jer30:11)

This JW "log" will be smoking, from the Zechariah 3 context of the temple priesthood purification so it relates to the temple judgment perfectly parallel:

(Zechariah 3:2) Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is
This "abyss" is just a symbolic meaning of a death-like-inactivity judgment that will put JWs into a period of bewilderment (and Rev11 preparatory sackcloth) as also foretold in the culmination of Daniel 8:11-14 when that climaxes in an actual "established place" being "thrown down" worldwide;

That is not the temple, but it's base of operations, it's "established place" "of the sanctuary"; (Dab8:11) Other translations give additional insight into these nuances and that Daniel 8:14 is a temple purification;

Daniel 8:12 shows a gradual covert infiltration and JW "army" compromise is shown;

For example Common English Bible Daniel 8:12:

In an act of rebellion, another force will take control of the daily sacrifice.

(Rev9:4) And they were told to harm no vegetation of the earth nor any green thing nor any tree, but only those men who do not have the seal of God on their foreheads.

These are not people in the open population these are the 5 fraud virgins who have no oil - that is they are NOT actually anointed or have gone bad (so lack that insight from reading God's word as applied to the meaning of the oil receptacle in the Greatest Man book):

(Matthew 25:11-12) Afterwards the rest of the virgins also came, saying, 'Sir, sir, open to us!' 12 In answer he said, 'I tell you the truth, I do not know you.'

And as well to show this is not general human population, these trumpets five and six are on the JW "1/3" judgment, this whole attack back is on the MOL and his world order that he actually is in league with with the globalists;

That is also why being Christian will become a reality, the "wildbeast" is not going to be happy MOL is no longer stroking his fur, and whispering "sweet nothings" to the JW population, so we can whisper endless 1990 nothings to the world in the daily sacrifice for 20 years;

Angelic Sortie

Here is also more angelic aid related to Zechariah 6:1-8 four angelic chariots overseeing the progress to temple coronation of Zechariah 6:9-15; Four in earthwide coverage of angelic sorties supporting God's will and unfolding purpose;

This is because we are entering a very important transition, that is being covered up as the MOL xGB "throws truth to the ground" and compromised the "army" at Daniel 8:12;

This major angelic "kill" mission may be a one time event for the major fulfillment, and aids the big assault of the 6th trumpet invasion which will be purified and will know what is actually laid out before them:

(Rev9:12-15) The one woe is past. Look! Two more woes are coming after these things. 13 And the sixth angel blew his trumpet. And I heard one voice out of the horns of the golden altar that is before God 14 say to the sixth angel, who had the trumpet: “Untie the four angels that are bound at the great river Euphrates.” 15 And the four angels were untied, who have been prepared for the hour and day and month and year, to kill a third of the men.

Those are the related angelic deployments that will fulfill Hosea 1:4-7, in Amos 9:1-3 mode that put down the complete objectives of the 8th King externals that are going beyond "Bethel" to Jerusalem in the field after the organization is laid low;

"Armies" in Daniel 8 is "Army" in Revelation 9

That "army" of Daniel 8:12 and 8:13 ties to the overall meaning of Revelation 9's recovered "military force" (Joel2:11; Psalm110:3) for spiritual warfare; That is also why almost 50 words and like meanings duplicate in Revelation 9, it is in two modes of operation, from "abyss" 1919 onward, to "abyss" again in the near future, to recovery (Eze37) to the final "two witnesses", to full 144000 completion before Armageddon, to that universal war;

Revelation 9 is a bridge to Revelation 11 "two witnesses" and that much of it occurs twice; No other book does this replicating pattern of wording and meaning doubled up like this:

http://templelijah.wordpress.com/85-2/

Hosea also shows the Bethel judgment will be severe, even "silencing"; (Hosea4)

(Hosea 2:5) For their mother has committed fornication.

(Hosea 4:5-6) And you will certainly stumble in the daytime, and even a prophet must stumble with you, as at night. And I will put your mother to silence. 6 My people will certainly be silenced, because there is no knowledge.

Daniel 11:30-35 shows a progression of intensity that can be applied to this from the 1990 period as these "transgressors act to a completion"; (Dan8:11-23)

(Revelation 9:4) And they were told to harm no vegetation of the earth nor any green thing nor any tree, but only those men who do not have the seal of God on their foreheads.

These are not people in the open population these are the 5 fraud virgins who have no oil - that is they are NOT actually anointed or have gone bad (so lack that insight from reading God's word as applied to the meaning of the oil receptacle in the Greatest Man book):

(Matthew 25:11-12) Afterwards the rest of the virgins also came, saying, ‘Sir, sir, open to us!’ 12 In answer he said, ‘I tell you the truth, I do not know you.’

And as well to show this is not general human population, these trumpets five and six are on the JW "1/3" judgment, this whole attack-back is on the MOL and his world order that he actually is in league with with the globalists;

That is also why being Christian will become a reality, the "wildbeast" is not going to be happy MOL is no longer stroking his fur, and whispering "sweet nothings" to the JW population, so we can whisper endless 1990 nothings to the world in the daily sacrifice for 20 years;

Angelic Sortie

Here is also more angelic aid related to Zechariah 6:1-8 four angelic chariots overseeing the progress to temple coronation of Zechariah 6:9-15; Four in earthwide coverage of angelic sorties supporting God's will and unfolding purpose;

This is because we are entering a very important transition, that is being covered up as the MOL xGB "throws truth to the ground" and compromised the "army" at Daniel 8:12;

This major angelic "kill" mission may be a one time event for the major fulfillment, and aids the big assault of the 6th trumpet invasion which will be purified and will know what is actually laid out before them:

(Rev9:12-15) The one woe is past. Look! Two more woes are coming after these things. 13 And the sixth angel blew his trumpet. And I heard one voice out of the horns of the golden altar that is before God 14 say to the sixth angel, who had the trumpet: “Untie the four angels that are bound at the great river Euphrates.” 15 And the four angels were untied, who have been prepared for the hour and day and month and year, to kill a third of the men.

Those are the related angelic deployments that will fulfill Hosea 1:4-7, in Amos 9:1-3 mode that put down the complete objectives of the 8th King externals that are going beyond "Bethel" to Jerusalem in the field after the organization is laid low;
That is terminated by covert angelic means, whatever way God will do it, to clear this transitional period to carry out this bridging ministry to the final Revelation 11:7 globalist assault a number of years over this period;

The world WILL receive news of what is REALLY going down;

This period must move on Babylon the Great and another world war cycle as Satan builds the same kind of distractions to divert attention away from Kingdom completion news, and as world war provides the eventual 'engineered for effect' "world peace" resolution by which the world governmental image was three times previously used to present a globalist "disgusting thing" after all three world wars (cold war included; Daniel 11:29b); (Which in 1991 the GB aided the placement and worldwide promotional);

This final "stand" and "palatial tents" of Daniel 8:25 and Daniel 11:45 respectively, are both after a period of destructions, and will present the image and the 8th world kingdom government at globalist worldwide scale 8th King "scarlet wildbeast";

JW Defibrillation Jolts

This means that by the time JWs are released from the "abyss" that the globalist throw us into in the God decreed judgment of Daniel 8:11-14, these bowls will have been going off in the world parallel with the trumpets, to be reinforced as Jehovah's witnesses are fully recovered aided by these understandings and angelic "blasts" of herald;

The first 4 plagues are on the the world system "earth" in judgment in major form - these are the explanations being carried out by the 5th and 6th trumpet ministries progressively and the judgments must be known, and their actual effects will be in grander scale; (That is also why there has to be a stretch of time between temple judgment and the two witnesses 1260 days, which culminates all this as refined as it is going to get;

That is why this is so serious, it is a fuse to Armageddon, but as we see God can use this to have great Biblical evidence upon live and real-time world events of earthshaking proportions to save more people over this period that transpires into time over the trumpets sequence for this very purpose - to save some people;

Whatever it is, it is going to be fully known by the world, to the degree the bowl's "plagues" will be understood in relation to the initial fulfillment principles, but with greater awareness of the globalist system wrecking the havoc behind the scenes in reality;

Globalist in Cross Hairs

It is a singular "sun" (no "moon, stars") in Revelation 16:8, meaning a globalist apex solar centralizing "sun" is really controlling all the sub-system "scorching" - these plagues are due to globalist engineered intrigues; The globalists are targeted by God in exposè as being a key figure of influence in both the JW system and the worldwide system which will be also affected by globalist intrigues, disguised as nationalism, religious war, terror, financial intrigue; etc; (Dan:8:23-25)

This is the reality JWs are not understanding properly as we live in 1990 level of bent awareness; Even "conspiracy theorists" are ahead of JWs today in understanding "New World Order" 8th King globalist concepts as very real formative systems at work to a climax in the world system today;

The xGB MOL is the reason why JWs are hoodwinked concerning globalization as the basis in globalism theories of globalist world government as an actual superstructure upon a 200 multi-national worldwide collective being "pawned" in Daniel 11:42-43 and Revelation 17:12-18; The national powers are in this process in those prophecies with Babylon the Great's sovereignty pawned as well by the same dynamic that delivers both of them into globalist 8th King control or dissolution (BTG);

The national powers get to keep their illusion of sovereignty a little while longer; For a price;

The important thing being the globalist world event(s) that affected the JW temple system, will also affect the world system; And the first four bowls of plagues have an earth four-square symbology as well;

JW and World System Parallel Development

This is seven plagues on the full world system being manifested that has to parallel the trumpets as they are manifesting as well, from divine angelic aid from Christ in those heralds - and recall the actual instigation of world distress is the globalist 8th King also preparing a kingdom manifestation of his own to rival Christ's in nearly the exact same timing of zenith for BOTH power;

So these plagues end up at the "air" event of Revelation 16:17; But notice this first four are also in a quadruple foursquare "earth" elemental symbology:

(Revelation 16:2-9)
2 And the first one went off and poured out his bowl into the earth...;
3 And the second one poured out his bowl into the sea...;
4 And the third one poured out his bowl into the rivers and the fountains of the waters...;
8 And the fourth one poured out his bowl upon the sun...;

Dual Judgment Parallel

This "bowl of plagues" manifesting is also speculatively during, through, and AFTER the temple judgment at some point in that development (Dan8:11-14 = Rev8:2-5 = Zech3:2-7) just like the trumpets being angelically guaranteed to deploy and parallel with them in whatever way that occurs;

This is because the central globalist world event or events coming soon will be affecting the totality, JWs and the world, in different ways in different places; The whole thing being given to the globalists is part of both system's judgments, the JWs and the world system;

Hence this mega-divine deployment is parallel and concurrent as it unwinds; BOTH systems are getting a judgment explained, the JW "earth" is recovered as the developmental "center of the earth" (Eze38:12b) for the earthly sheep is forming to final form, and additional "sheep" affected positively by this initial "rocking the nations" for real, as the guaranteed nucleus of the foundational "new earth" are also adding to the herald forces;
Thus much of this is for learning principles most applicable in the early 1000 year reign, and to complete this final leg of truth blasting the trumpets to each man of this earth; It's a "special ministry" that WILL lead into the "temple" being fully completed:

 Revelation 7:15 That is why they are before the throne of God; and they are rendering him sacred service day and night in his temple; and the One seated on the throne will spread his tent over them.

That is why the "tent" is "over them", the "great crowd" are on earth "under the tent", and the temple has added the courtyard planetary system to be also purified under Christ to perfection; Therefore one does not need to be "in heaven" to be in this temple spiritually; No limitations exist at this time, Satan is canned in abyss as well POW with the demons of Armageddon; (Isa24:21-23)

Just as the 8th King under "King North" globalist sovereign symbolic container of all globalist powers was spreading "palatial tents" in the grand finale period after the 1260 days (Daniel 11:44-45), Christ's "palace" is the actual "tent of God and He will be with them" on earth in spiritual powers:

(Psalms 45:15) They will be brought with rejoicing and joyfulness; They will enter into the palace of the king.

That is the "earth harvest" "gift" that Christ and the Bride deliver to Jehovah:

(Zephaniah 3:10) 10 "From the region of the rivers of Ethiopia the ones entreating me, [namely,] the daughter of my scattered ones, will bring a gift to me.

That was spared ones of "Gentiles" at this time:

(Daniel 11:43) And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. And the Libyans and the Ethiopians will be at his steps.

---

We see God is laying out a map from temple judgment to Armageddon, with a guaranteed 7 trumpet sequence in order leading to this end time perfectly in a way 1914 only fulfilled in a minor form, as even the "trumpets" then were shuffled;

That 1914 period began with the seventh trumpet! (The Messianic Kingdom birth), and the rest followed after that upon Christendom's apostasy being judged and exposed; God allows this purposed "glitches" to draw studiers deeper into His Word;

Now the major fulfillment will be in perfect order, because JWs and those coming out of the world will be made to understand what the sequence means, and is leading to, in all the trumpets and the bowls;

But that principle will apply to the rogues in the org today:

(Zephaniah 1:4-6) I will cut off from this place the remaining ones of the Baal, the name of the foreign-god (globalist; Daniel 11:39a) priests along with the (apostate) priests, 5 and those who are bowing down upon the roofs to the army of the heavens, and those who are bowing down, making sworn oaths to Jehovah and making sworn oaths by Malcam; (god of Ammonites; (enemy traitor); meaning two-faced traitors) 6 and those who are drawing back from following Jehovah and who have not sought Jehovah and have not inquired of him."

[Insight Vol1 p. 93 Ammonites]

God's promise to the modern day traitors pictured by Moab and Ammon:

(Zephaniah 2:8-9) "I have heard the reproach by Moab and the abusive words of the sons of Ammon, with which they have reproached my people and kept putting on great airs against their territory. 9 Therefore, as I am alive," is the utterance of Jehovah of armies, the God of Israel, "Moab herself will become just like Sodom, and the sons of Ammon like Gomorrah, a place possessed by nettles, and a salt pit, and a desolate waste, even to time indefinite.

These are also in the Daniel 11:41 account of the JW infiltration invasion:

(Daniel 11:41) He will also actually enter into the land of the Decoration (Daniel 11:30; Dan8:12), and there will be many that will be made to stumble. But these are the ones that will escape out of his hand, Edom and Moab and the main part of the sons of Ammon. (They "escape" because they are part of the enemy system of traitors, but they are included in the sequence here, because they are involved in it;)

Whatever It Is That is Coming Has to be Big!

AN IMPORTANT THING IS, WHATEVER THIS EVENT OR EVENTS ARE AND THEIR WORLDWIDE SEQUENCE, IT WILL BE VERY BIG TO HAVE THIS KIND OF PROLONGED EFFECT COMPREHENSIVELY ON JWS AND THE WORLD FOR THE YEARS TO FOLLOW THE INITIAL "EXPLOSION" WHATEVER IT MAY BE;

It will change the trajectory of the world for the next 10 years to the 8th King objectives of Daniel 8:23-25; Daniel 11:42-45; and Revelation 16:13-16 and Revelation 17:12-18 to apex development upon the world system;

What is coming will be the "fire" of Zechariah 3:2 that requires divine deliverance as a "log snatched from the fire" (Hos1:4-7) to make this final ministry possible; And God by Christ will make certain, of course, this finale of the Revelation Word manifests to the enlightenment and conclusion that it will lead to with marked understandings along the way! (Rev1:1 will continue)

EXCITING!!!
Trumpets are from God so Everything Associated with Them is Heralded as to It's Meaning

That all the "seven trumpets" are angelically aided heralds means God is involved in every trumpet in sequence intensifying in meaning, and parallel with the judgment actually coming on the world after this temple judgment signal, in all seven of those bowls that will parallel, and go along with the JW recovery that these trumpets will herald by divine power and guarantee to temple completion;

The world will be given this guaranteed sequence after the "lawless one" stagnation and profanation is removed, and that may take a few years, we shall see;

Revelation 8's first four trumpets are therefore the blasts of truth that will empower the Revelation 9 5th and 6th trumpet heralded recovery from an "abyss" state upon Jehovah's witnesses because the "established place of the sanctuary" will have an apex "throw down" event that is far more intense than this "sleeper cell" profaning infiltration of undercover fakes; (Daniel 8:11; Zech3:2;)

The Revelation 8-9 "bridge" is important because it will tie together the periods of temple judgment to temple completion, with a temple ministry of sovereign ultimatum "little scroll" announcing the implications of what these developments really mean, and are inevitably leading to;

This is why Christ made certain Revelation's 1914 initial understanding has been foundationally set in Jehovah's witnesses understanding, because the principles will continue to apply to this major scale upgrade fulfillment leading to 100% Kingdom and Temple completion and universal authority!

Simple Outline of Major Prophetic Milestones to Armageddon Divine War Finality

The Basic Message: As the United Nations centered world government completes over a final developmental cycle (Daniel 11:42-45) of a number of years so does the Messianic Kingdom complete all 144000 under King Jesus Christ and the final sovereign confrontation (Har-Magedon) for planet Earth's world rulership will occur.

I. Modern Apostasy and Lawlessness Signal of Final Judgment Cycle; (2Thess2:1-4; Zech3:1; 1Pet4:17);

A. Jehovah's Witnesses Organized Apostasy and World Government Cover Up

1. The significance of this ministerial apostate prophetic signal at Bethel is in the Jehovah's witnesses' (JW) loss of United Nations (UN) related world government developmental and prophetic tracking after the first two UN placements as prophecy in 1919 (Post-WW1; Rev13:11-15; League of Nations) and 1945 (Post-WW2; Rev17:8-11; United Nations) where tracked properly as prophecy.

2. The 1990 3rd UN placement (Dan11:31b) as "new world order" initiative and 4th UN final placement (of the future Dan11:45) significance was subverted in the Daniel 11:30-45 8th King "King North" prophetic fulfillment of the final two UN placements of four total since 1990 by Bethel organized subversion with a UN NGO signal alliance. (Dan11:31);

3. Since the original two UN placements exposition by Jehovah's witnesses (1920s to 1970s; after 1945) also contained a Messianic Kingdom "birth" parallel sovereign announcement concurrent with 8th King UN placement tracking, the world observable UN completion trajectory to a final Armageddon conflict based partly on UN world government completion is also fully lost since 1990 as to a concurrent Messianic Kingdom completion phase significance.

4. Bethel based apostasy supporting such cover-up as led by the "Governing Body of Jehovah's Witnesses" (incept 1976 coup), identifies that signal prerequisite of revealing (2Thess2:3) of such a final lawless signal indicating a final judgment and prophetic cycle (1Pet4:17) is due to activate again over prophetic markers (Rev8-11; Rev15-16) and periods (Dan8:14; Dan12) also covered up by the Bethel UN NGO apostate objective to aid 8th King developmental secrecy as regards modern prophecy fulfillment and developments in details in the Daniel 11:30b-45 continuum activated in 1990;

II. Final Temple Judgment - JW Organization Representative
Judgment in Global Tribulation Commencement Context - (Timed Dan8:13-14; Rev8:1-6 Dan11:42-43);

The 1990 approximate concurrence of UN 3rd placement after the Cold War (Dan11:29) and the Bethel UN NGO marked signal defection prophecy as Daniel 11:31-32, Dan8:11-13 and Matthew 24:15 is public record. This UN NGO alliance defines the Daniel 8:13 temple judgment indictment "transgression causing desolation" (as UN NGO) that leads to Daniel 8:14 timed temple judgment desolation requirement and eventual recovery of the Christian ministry as first world signal and signal of the final prophetic and 8th King world developmental cycle starting.

*The purpose of a final temple judgment is to clarify the final cycle by removal of Bethel's organized subversive obstacles in a UN NGO transgression divine judgment signal accounting.*

A. Phase 1: Temple Judgment; (Dan8:13); JW Organizational Desolation; (Dan8:14 "evening"; Rev8; Zech3:2);

1. This timed "evening" phase of the temple judgment (Dan8:26) is for signal and verification to JWs and others to recover from the temple judgment. The temple desolation is required for UN NGO signal transgressions at Bethel as core "befouling" of Zechariah 3:1-3 temple inspection parallel determination. Jehovah's witnesses and a cleansed Christian ministerial group some years later in final Revelation 9 meaning, hence Daniel 8:14 is a timed temple judgment as desolation "evening" and recovery "morning" in a purified condition. (The timing is 2300 days or 1150 days depending on the actual way the prophecy unfolds);

2. 1Peter4:17 temple judgment commencement principle activates as Daniel 8:13-14 and parallels Revelation 8-11 meaning, commencing as Revelation 8:2-5 temple judgment parallel.

B. Phase 2: Temple Cleansing; Ministerial Recovery and Clarification (Dan8:14 "morning" and "right condition"; Rev9; Zech3:4-5; Mal3:1-5);

1. The purpose of a final temple judgment cycle is to clarify the final prophetic cycle understanding and explanation (little scroll) by eventual divine removal of Bethel's organized subversive obstacles after the "evening" judgment requirement (phase 1) completes, to allow a final Kingdom completion warning to deploy in the "morning" enlightenment phase (phase 2) as per prophecy continuing in a fuller prophetic replication to be activated by that temple desolation signal.

2. The 1150 days and 2300 days possibilities are present in the cryptic nature of the Daniel 8:14 temple judgment timing description, so it must open more fully in time as it proceeds, and requires attention to it as seen in it's wording and Daniel 8:26 re-affirmation of importance.

Timed Temple Judgment of Jehovah's Witnesses – Daniel 8:13-14

FYI - The Verification Events Coming Soon as Timed Period
III. Final Kingdom Warning Eventual Deployment (Rev10-11; Zech3:6-7; Timed: Dan12:7; Dan7:25; Rev 11:2-3);

This 1260 days is marked by a full sovereign explanation of Messianic Kingdom completion and 8th King completion prophecy as "little scroll" prior to Armageddon.

ALL FOUR OF FOUR FORETOLD UNITED NATIONS PROPHETIC DEVELOPMENTS FULFILLED AND FULFILLING IN THE FOURTH AND FINAL 8TH KING UN WORLD GOVERNMENT ARE MADE FULLY KNOWN IN THIS "DISTURBING" (DAN11:44; REV11:7) FINAL 1260 DAY PERIOD

A. Final Kingdom Completion Warning Period of 1260 Days

1. A valid continuation of the Christian Kingdom completion and 8th King completion tracking ministry in a high profile manner of world attention deploys a full sovereign explanation (Rev10; little scroll) as marked timed prophecy (Rev11; two witnesses) some time after or in the temple recovery phase (Rev9) while a final world tribulation will be in development of Daniel 11:42-43 global 8th King wealth and finance globalization intrigues.

2. This final Kingdom warning ministry to develop some years after the temple desolation commencement is a timed 1260 day prophecy repeating the 1914-1918 preview fulfillment prophecies and patterns to complete form of final Messianic Kingdom completion (all 144000; Christ final coronation event) and 8th King completion (world government) warning.

3. This temple-desolation-to-recovery to final ministerial Kingdom warning deployment must develop in a global tribulation context forming and intensifying eventually manifesting the whole Daniel 11:42-45 progression of final 8th King UN world government completing intrigues as parallels of Revelation 16 seven plagues.

B. 8th King World Government Phase Overall Global Context; (Dan11:42-45; Timed Climax: Rev13:5);

1. 8th King world intrigues of Daniel 11:42-43 wealth and finance globalization must activate the final cycle leading in time to Daniel 11:44-45 as the Daniel 11:42-45 final UN world government phase that merges into Daniel 12 final fulfillment timed prophetic periods.

Daniel 12 Repeats to UN 4th Placement as Complete World Government 8th King
http://templelijah.wordpress.com/daniel-12/daniel-12-repeats-to-un-4th-placement-as-complete-world-governm

IV. Final Ministerial Cessation; (Dan11:44; Rev11:7; Cessation Marks Approximate Dan12:11 1290 Day Period Commencement - 144000 Completion Marks Period Starting Finally)
The clarified Christian ministry resulting from the final temple judgment cleansing (Mal3:1-5; Zech3:1-5), with a valid final Kingdom sovereign warning (Rev10 "little scroll") deployed as a 1260 day timed final ministerial period (Rev11:2-3; Dan12:7) as "two witnesses" (Rev11) must eventually be ceased globally by 8th King completing world government intrigues; (Rev11:1-7 parallel Dan11:44);

Seven Seals and Messianic Kingdom Birth and Completion

V. Tribulatory Phase Ends into World Government; (Matt24:29; Dan8:25; Isa41:1; Timed Incept: Dan12:11);

The fourth time repeating formula of world war/tribulation phase resolved to present 8th King world government in a finale world "peace and security" resolution culminates as in 1919, 1945 and 1990 but now in final form as four of four UN placements. The resolving of the "tribulation of those days" (Matt24:29) aids UN world government global acceptance credibility; (Matt24:29; Dan8:25 "freedom from care");

In this critical transitional period of "two witnesses" final ministerial removal and final 8th King UN placement Christ will arrive as Messianic Kingdom completion proceeds as the event to mark Daniel 12:11 1290 days commencement, not yet the complete end.

A. Final Globalization International Administrations Becomes World Government; (Dan11:44-45; Dan8:25);

1. The Revelation 16:13-16 globalization dynamic of that final international "gathering" of all nations under a world government completes; (Dan11:42-45 cycle; Rev17:11-18 final national sovereign transference); (Globalization provides the many global administrations that collectively define an actual world government as the central administration of the whole 8th King "scarlet wildbeast" world government);

2. The "two horned wildbeast" is the guiding Anglo-American elite globalist uni-polar control system.

B. Collective National Sovereign Deposition in Subservience; (Rev16:13-16; Rev17:11-18);

1. 8th King globalized UN "image" nucleus forming to full world governmental power (scarlet wildbeast) deposes all former national autonomies by subservience into 8th King globalized final sovereign totality. (Rev17:12-17);

C. Religious Sovereign Deposition in Complete Removal; (Rev16:12; Rev17:15-18)

1. Babylon the Great (BTG) religious empire as the specialized global spiritual sovereignty (Rev17:18) and massive global asset storage system (Rev17:15-18; Rev18) is deposed at the end of the "tribulation of those days" and world government cycle (Rev16:12; Rev17:15-18) as a world peace supporting development for UN world government believability, final cycle national recovery massive capital infusion boost, and final divine judgment of that global institution. (Rev18:8; Rev17:15-18);

2. All national sovereigns and BTG are deposed in a parallel process as per Revelation 17:11-18.
D. Final World Peace Statement; (1Thess5:1-3; Dan8:25);

1. A final 8th King UN world peace proclamation of it's completed world sovereign "8th King" totality is a public world statement period of complete world rulership in a uni-polar final consolidated form as "scarlet wildbeast" globalist unification and complete world government. (1Thess5:1-3; Dan8:25);

2. 8th King completed world government and final rival sovereign world rulership public claim is an apex sovereign prerequisite met enabling a Messianic Kingdom sovereign response (2Thess1:6-10) upon a completed 8th King system (Rev19:19-21), by a concurrently completing Messianic Kingdom agency. (Rev11:11-19; Rev16:17-21); to resolve the final world rulership issue. (Dan21:31-45);

E. 8th King Final Sovereign Completion; (Dan8:25; Dan11:45; Dan12:11);

1. The entirety of all "scarlet wildbeast" worldwide functioning world government infrastructure will define the international sovereign climax symbols of the Daniel 2 "image", Daniel 8 "King of Fierce Countenance", Daniel 11 "King of the North" and Revelation 17 "8th King" as the identical globalized final world government form.

2. This is the functioning and stated world government 8th King complete based on it's United Nations formative nucleus as Revelation 13:11-15 "image" "of the wildbeast" international forum as a globalized unified sovereign whole and the final "two horned wildbeast" Anglo-American globalist elite world government architecture completed and proclaiming world sovereignty. (Dan12:11);

3. All progressive Bible prophecy sovereign culmination is equaling, converging into, and identical to, the globalized type 8th King world government power comprising all the subservient and member national powers (Rev13:1) in that final defiant sovereign whole "scarlet wildbeast" against the Messianic Kingdom at the Armageddon "gathered/globalized" global situation of final divine war. (Dan11:42-45 + Rev17:11-18 = Rev16:12-16 as Rev19:19-21);

8th King UN World Government Progress as Gauge to Armageddon Arrival
http://templelijah.wordpress.com/un-fourth-cycle-soon/8th-king-un-world-government-progress-as-gauge-to-a-

VI. Christ Arrival; (Matt24:30; Rev6:12-17; Rev1:7; Rev19:11-18);

Christ arrives into this approximate overlapping and merging final 8th King and world sovereign completion
development simultaneously to effect a "sheep" "gathering" and final separation priority prior to final world judgment finalized in the divine war phase. (Matt24:29-31; Rev6:12-17; Matt25:31-46; Rev14:14-); This is after the Revelation 11:2-3 (Dan12:7; 7:25) 1260 days ends and the symbolic "3.5 days" "two witnesses" death state also expires. (Rev11:7-13);

This will mark approximate Daniel 12:11 1290 day period of "constant feature" removal (as two witnesses removed), and 8th King final placement signals of Messianic Kingdom actual completion phase.

A. Seventh Plague and Trumpet Complete (Rev11:15-19; Rev16:17-21; 1Thess4:17);

1. The developmental gauge of seven plagues and seven trumpets significance in final world tribulatory effects culminate in their respective 8th King (Rev16:12-16) and Messianic Kingdom (Rev11:15-19) completions as a continuum of world seen milestones to Armageddon divine war climax.

B. 144000 Completion; (Rev11:11-12; Matt24:31; Rev14:1);

1. The Messianic Kingdom totality completes in all 144000 (Rev14:1) as Christ is kinged as King-Priest (Zech6:9-15) upon that final Messianic Kingdom, Temple and Court (Dan7:25-26) "body" official required completion to complete the final salvation and world judgment process. (Rev7; Rev14:1-20; Matt25:31-46);

C. Final Sheep Securement (Matt25:31-46; Rev14:14-20);

1. The final "great crowd" (Rev7:9-17) of earth "sheep" are secured prior to all out Messianic Kingdom divine war under a newly completed Christ Kingdom completion deploying into the 8th King completion developments for a final phase (Dan12:11), not immediate "the end" divine war climax.

VII. Final Sovereign World Rulership Conflict; Armageddon Divine War Climax (Rev19:19-21; 1Thess1:6-10;)

A. 8th King Defeat and Deposition; (Dan2:31-45; Joel3:9-17);

B. Satanic Defeat and Abyssing; (Rev20:1-3; Isa24:21-22; Eze38-39);

VIII. Millennial Kingdom World Conquest Victory; (Timed Incept: Dan12:12; Rev7:9-17;)

The official full Messianic Kingdom sovereign universal and world rulership begins.(Rev21-22); No rivals are present in the Daniel 12:12 period reception.
Summary:

1. The import of the final prophetic cycle is that United Nation world government completion triggers Armageddon divine war phase after Christ's arrival for simultaneous Messianic Kingdom completion final phase.

2. The resulting JW temple judgment organizational ministry desolation is the first world signal of the final phase starting.

3. The same elements of the first prophetic preview of this development is present in the JW 1914-1918 era Messianic Kingdom birth announcement ministry that unfolded over WW1 into the first UN League of Nations manifestation in 1919 as the primary pattern.

4. The final cycle will have a similar Messianic Kingdom completion announcement unfolding into to the final 8th King UN fourth placement as world government upon the same pattern as 1914-1918.

5. The current JW ministry is now purposely diverted by Bethel leadership and is the reason why a JW temple judgment will remove those obstacles over a timed temple judgment desolation and recovery period as per Daniel 8:13-14. JWs are not informed of this final cycle by a Governing Body stalling and misinformation act to conceal an active diversion in progress.

6. That event to unfold over some years from a marked initial event or series of events will mark the commencement of the final cycle of prophecy and UN world government development over a final global tribulatory period to be resolved into final UN world government as Daniel 11:42-45 merges into Daniel 12 final fulfillment and Daniel 8:14 parallel activation of Revelation 8-11 parallel Revelation 16 seven trumpets and seven plagues with meanings to be explained in the final recovered and cleansed Christian ministry from current JW leadership foretold subversions.

7. The entire final cycle is approximately timed as Daniel 12 final fulfillment underlying the Revelation applicable replication sequences as primarily Revelation 8-11 JW focused events and Revelation 16 world focused event.

8. The basic prophetic concept is that the final world government developmental cycle is based on the 1914 prophetic pattern replicating with also a final Messianic Kingdom completion developmental drive.

Great Tribulation Phases and Meanings - 144000 Completion Prelude

A World Government Process with Dual Kingdom Significance in 8th King and Messianic Kingdom Approximate Concurrent Completions Prior to Armageddon Divine War Phase

Three Tribulation Phases Identified in the Overall Great Tribulation in Bible Prophecy

A. This "tribulation of those days" (Matt24:29) spiritual signal and meaning starts the overall "great tribulation broader meaning. The "tribulation of those days" includes both Daniel 8:14 temple judgment timed period verification (initial "trampling" marked; Dan8:13) and Daniel 12:7 final warning timed period (1260 days).
The temple judgment purification eventually culminates into Revelation 11:1-7 1260 days parallel of clarified final Kingdom warning and it's conclusion (also the second "trampling" marked in final form; Rev11:7; ); (Mal3:1-5 final fulfillment);

B. The whole "tribulation of those days" encompasses the whole Messianic Kingdom completion signal prelude in the prophetic final fulfillment cycle replication of Revelation 8-11 that leads to Jesus Christ's final arrival, Messianic Kingdom completion and the final Daniel 12:11 timed period (1290 days) of final salvation mission. (Matt10:23);

C. This "tribulation of those days" (a sub-tribulation) is also used for 8th King world government presentation purpose and also encompasses that 8th King world government and "image" completion as complete 8th King "scarlet wildbeast" totality for the first time in human history. For also 8th King formulaic world government presenting use, the "tribulation of those days" ends into the greatest potential world recovery of all human history (Isa41:1; 1Thess5:1-3; Dan8:25 "freedom from care") under 8th King sovereign completion. Christ also arrives to complete the 144000, for Messianic Kingdom completion, and that Kingdom first priority final sheep separation work. (Matt25:31-46 parallel Rev14:14-20);

D. Thus the "tribulation of those days" marks a final phase and dual completion phase of the opposing world governments as 8th King and Messianic Kingdom over that "tribulation of those days" cycle ending to Christ arrival and Messianic Kingdom completion events. It also develops a signal warning period which the "tribulation of those days" must become to alert sheep and potential sheep of the Christ sheep "gathering" and completion process that precedes Armageddon divine war by some time - it is not "the end" the "tribulation of those days" concludes into, but into a comprehensive completion period.

E. The end of the "tribulation of those days" and the end of the "great tribulation" are at two different points in time and result in different outcomes. The "tribulation of those days" is a warning of the greater judgment ending the overall "great tribulation" to come after it concludes.

2. Overall "Great Tribulation" Worldwide Context; (Matthew 24:21-22; Revelation 7:14);

A. This is the overall "great" tribulation period that ends at Armageddon some time after the "tribulation of those days" commencement ends.

B. The "tribulation of those days" is the "great tribulation" commencing period as a "sub-tribulation" meaning within the overall "great tribulation" global context meaning and it ends before the whole "great tribulation" period ends.

3. God's Tribulation as Armageddon Finality; (2Thessalonians 1:6-10);

A. This divine "tribulation" is a final judgment period of the Revelation 6:9-11 request for justice finalized in the global Armageddon divine war that ends the "great tribulation" completely.

Overall Salvation Period of Daniel 12:7 and Daniel 12:11 Time Periods

1. Thus the "tribulation of those days" is a warning period, where before it (Luke21:25 signals), and into it (Rev9-10, Dan8:14; Rev11:1-7; Dan12:7), and for a time after it (Dan12:11) God offers salvation to those in agreement with Christ's Kingdom rulership which "tribulation of those days" is all signaling completion of
over a number of years marked by reliable prophecy some of which is repeating to affirm the final meaning.

2. The Daniel 12:7 final warning period of 1260 days is in the latter part of the "tribulation of those days" as it's marked concluding period, the Daniel 12:11 1290 days is after the "tribulation of those days". Both are guaranteed salvation periods open for sheep. Daniel 12:11 is the final sheep securing marker as Christ in complete Messianic Kingdom empowerment "subdues in the midst of" his [completed 8th King] "enemies" (Ps110) for final salvation purposes as worldwide sheep securement well before final Armageddon conquest and final world judgment.

3. Daniel 12:7 1260 days (Rev11:2-3) is the final period of sheep persecution. Daniel 12:11 at the "tribulation of those days" end, is an extended period of salvation for sheep to come under divine protection prior to "the end", and that is why a full explanation of the salvation meaning of this period will become known in due time - to save human beings as first priority with great signal periods and extended time frame of salvation invitation to anyone desiring to live under Christ Kingdom rule forever.

1. Tribulation of those Days

Required 8th King and Messianic Kingdom Sovereign Completions

1. An 8th King globalist unification "scarlet wildbeast" sovereign totality (Rev17:8-18) administered through the international collective wildbeast subservient national systems (Rev13:1) is a prerequisite apex sovereign completion required before Christ can actually arrive to complete the Messianic Kingdom 144000, under his final Kinged rulership, and have a sovereign rival to depose. Christ cannot arrive prematurely as many expect, for no full 8th King completion of rival sovereignty and final world rulership claims globally publicly stated yet exist. (Dan11:42-45; Rev16:12-16; Rev17:11-17; 1Thess5:1-3);

2. The "tribulation of those days" provides the progression to that 8th King and Messianic Kingdom sovereign completion climax requirement.

Tribulation of those Days Details

A. The "tribulation of those days" is a temple "holy city" focused prophetic marker of spiritual temple judgment meaning that starts as part of the Great Tribulation commencement definitely marked as such in it's prophetic context by Jesus Christ to be explained below. The "tribulation of those days" is a uniquely defined, shorter and dual significant sub-tribulation within the "great tribulation", and serves as a signal of the commencement of the final cycle of prophecy (Rev8-11) and 8th King inspired world events (Rev16) marked in that prophetic progression to dual "kingdom" completion (8th King and Messianic Kingdom) prior to Armageddon.

B. The JW final temple judgment starts (1Pet4:17) the "tribulation of those days" meaning as spiritual "Jerusalem" judgment with or in the "great tribulation" progressive world context (Rev16). It is timed as a temple judgment commencement period in a prophetically marked Daniel 8:13-14 8th King inspired initial "trampling" desolation event of spiritual significance.

C. Though temple judgment starts the "tribulation of those days" meaning, the "tribulation of those days" continues on past the Daniel 8:14 initial temple judgment JW "trampling" signal and timing eventually into an including the full 1260 days final warning period to end the "tribulation of those days".
D. The spiritual significance of the "tribulation of those days", in a certain temple judgment decree of God in Daniel 8:11-14 apostate developments of the modern Bethel temple associated "established place" JW ministry, is due to the "transgression causing desolation" (Dan8:13) as the UN NGO 8th King alliance with Bethel from circa 1990 requiring a judgment accounting.

E. This Daniel 8:13 "transgression causing desolation" (on the Bethel org, soon), is shown in modern Jehovah's witnesses (JW) developments now active at Bethel as directly related to the "disgusting thing that causes desolation" (Dan11:31b), directly related to the UN NGO "disgusting thing" covenant and co-promotional Bethel endorsement as a UN co-proclamation operation - with a cover-up of prophecy (Dan8:12b) - that became more obvious after the 1990 UN 3rd placement (Dan11:31b) was co-promoted by Bethel as UN NGO, yet was also actively concealed as prophetic by the Bethel lead apostate subversion - at the same time. (Dan11:30b-32a);

F. Bethel also conceals the 8th King as King North identity for the 3rd (1990; Dan11:31b) and 4th (future; Dan11:45) UN placements of Daniel 11:30-45 with USSR "king north" impossible fictions (Dan11:36) retained as the primary "king north" smokescreen.

G. Future events in Daniel 11:42-45 final 8th King world government cycle (Dan11:45), as Daniel 11:42-43 8th King global wealth and finance globalization intrigues begins part of the global context to develop progressively in ways yet unknown into a global tribulation period marked further by Revelation 16 "seven plagues" meaning of the initial four plagues.

H. A temple judgment period starting the "tribulation of those days" meaning is required to remove the Bethel apostasy, (2Thess2:1-4, 8); to allow a final accurate "little scroll" final Messianic Kingdom completion ministry and details to be known. The "tribulation of those days" will encompass the whole temple judgment purifying (Dan8:14; Rev8) and final warning deploying (Dan12:7; Rev9-11) divine operation;

**Temple Judgment Context of Initial 8th King "Trampling" Starts "Tribulation of Those Days" Context**

1. Daniel 8:11-14 provides the Bethel 8th King related ("small horn" 8th King root) subversion context (Dan8:11-12), the temple indictment, judgment decree (Dan8:13) and judgment phases and timing (Dan8:14, 26) associated with this eventual temple judgment event focused on the Christian anointed (Dan11:30b-32 parallel) and it's formerly approved ministerial context associated with the Bethel Jehovah's witnesses system. (Matt13:36-40; Zech3:1-3);

A. That temple judgment required "trampling" for UN NGO offenses in the near future begins the "tribulation of those days". A preceding tribulation catalyst may occur prior to actual Bethel events or it may be concurrent.

2. That the temple profanation climax (Zech3:3) is carried out by 8th King guidance (Dan11:30b) with Bethel leadership collusion (Dan11:31), marked in the 1990 3rd United Nations (UN) placement, UN NGO Bethel co-placement and prophetic cover up (Dan8:12) becomes more obvious from those 1990 events and the prophetic pattern certainty it fits:

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation to make both [the] holy place and [the] army things to trample
8th King United Nations World Government Final Cycle - Final Prophetic Replication and Milestones

14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

(Daniel 8: 13) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the (profaned and subverted; Dan11:30b) constant [feature] (of JW ministerial offerings and of the transgression causing desolation (UN NGO alliance and co-promotions fulfilling Daniel 11:31b) to make both [the] holy place (temple "established place"; Dan8:11; Dan11:31a) and [the] (JW worldwide) army things to trample on?” (in 8th King "attack" aided temple desolation "fire" of Zechariah 3:2 and Revelation 8);

Temple Judgment Timed Period

(Daniel 8: 14) So he said to me: “Until two thousand three hundred evenings (desolation phase; Rev8) [and] mornings (recovery phase; Rev9); and [the] holy place will certainly be brought into its right condition.” (Temple judgment purification completed in this time period parallel Zechariah 3:4-5, Revelation 8:3-5, Mal3:1-4; 2Thess2:8);

3. Thus that UN NGO focused temple judgment meaning and 8th King involvement in a Bethel anointed defection and subsequent infiltration subversion campaign is the causative development that will activate the "tribulation of those days" as a required 8th King first "temple" "trampling" is allowed by God to account for transgression as the initial signal event in the "tribulation of those days" starting.

4. Thus we have clear UN NGO connections to "disgusting thing" signal (Matt24:15) prior to judgment activation and the Bethel adulterous cause of it (Dan8:13), that Christ makes further connection to in connection with the "great tribulation" signal development as Bethel's modern apostate condition is signaling as well.

(More on this defection and infiltration later);

Christ Differentiates the Tribulation Meanings

1. Jesus Christ describes both of these tribulations differently to distinguish there is an important distinction. (Matt24:21; 24:9); That this overall "tribulation" is also called "great" by Christ as "great tribulation" (Matt24:21-22), indicates it's overall greater context of world meaning. (Rev7:9-17);

A. It's "great tribulation" commencement connection to the "Jerusalem" "holy city" signal judgment context of anointed Christian judgment also marking the "tribulation of those days" commencement is thus related but distinguished further (Matt24:29) for reasons explained here in more detail.

B. We also have the Matthew 24:15-22 desolation signal "when you catch sight of the disgusting thing that causes desolation" as Bethel UN NGO in the connecting context to modern times:

(Matthew 24:15-22) “Therefore, when you catch sight of the disgusting thing that causes desolation, as spoken of through Daniel the prophet, standing in a holy place, (let the reader use discernment,) in this case the discernment is Daniel 11:31b Bethel UN NGO as Daniel 8:13 "transgression causing desolation) 16 then let those in Judea begin fleeing to the mountains. 17 Let the man on the housetop not come down to take the goods out of his house; 18 and let the man in the field not return to the house to pick up his outer garment. 19 Woe to the pregnant women and those suckling a baby in those days! 20 Keep praying that your flight may not occur in wintertime, nor on the sabbath day; 21 for then there will be
great tribulation such as has not occurred since the world's beginning until now, no, nor will occur again. 22 In fact, unless those days were cut short, no flesh would be saved; but on account of the chosen ones those days will be cut short.

2. And although the "Jerusalem" UN NGO "disgusting thing" context is clearly tied to the "great tribulation" activation, Jesus Christ gives a further clue as to the "tribulation of those days" having to end - yet not into "the end" - but into a marked final kingdom and 8th King completion period; Dan12:11 - thus Christ's tribulation distinction is important to understand.

A. That the "tribulation of those days" does not end into the "end of the world" usually implied following the Revelation 6:12-17 parallel is important to understand in also the way the 8th King system typically uses tribulation resolution formula/concept to present UN renditions (four times in prophecy and world history) and what that must also lead to, not "the end" but a world recovery to make the "wildbeast" ever so appealing to mankind for the finale 8th King world government.

3. The "tribulation of those days" must include the final Messianic Kingdom completion warning period as the Daniel 12:7 timed parallel to Revelation 11:2-3 final 1260 day "trampling" period of the second and final "two witnesses" Kingdom proclamation ministry which conclude the "tribulation of those days" and the 1260 days at the approximate same time. (Rev11:2); (Note that is a second and final 8th King trampling that marks "tribulation of those days" conclusion; The final removal of the final "two witnesses" ministry may extend beyond the 1260 days briefly as per Revelation 11:7 indicating "after the 1260 days completes" the "two witnesses" are deposed.);

4. That the final "two witnesses" is "little scroll" warning of the post-"tribulation of those days" event of Christ's final arrival for the key first priority of the 144000 remnant and earth sheep gathering event is provable from more prophecy and Daniel 12 timed periods after this key Christ event becomes more obvious as the Revelation 11:11-12 parallel Messianic Kingdom completion prelude event here:

(Matthew 24:29-31) “Immediately after the tribulation of those days (1260 days ends; Rev11:7-12 conclusion timing) the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. 30 And then the sign of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven with power and great glory. 31 And he will send forth his angels with a great trumpet sound (7th trumpet related immediate prelude of Messianic Kingdom completion), and they will gather his chosen ones together from the four winds (of that sub-tribulation of those days), from one extremity of the heavens to their other extremity (both "sheep" groups heavenly and earthly);

A. 144000 completion parallel in Matthew 24:31 "gathering" is the Revelation 11:11-12 final fulfillment meaning:

(Revelation 11:11-13) And after the three and a half days (a final symbolic 144000 completion transitional period after the 1260 days) spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud, and their enemies beheld them. 13 (with a repentance and salvation purpose:) And in that hour a great earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven.
144000 Court Completion Parallel to Daniel 7:25-26

1. Thus the post 1260 days alignment of Daniel 7:25 as Daniel 12:7 identical parallel 1260 days ending in the "tribulation of those days" here... :

   (Daniel 7:25) And he (8th King) will speak even words against the Most High, and he will harass continually (including the tribulation period context/the holy ones themselves of the Supreme One. And he will intend to change times and law (globalization climax into world government) and they will be given into his hand for a time, and times and half a time (1260 days in the "tribulation of those days" phase);

...Aligns this subsequent Daniel 7:26 completed "Court", cited below, to the meaning of a completed Messianic Kingdom 144000 "body" judicial "court" required to carry out the final judgments under Christ. (aligns with Matt25:31-46 Christ "sit down" meaning);

2. That important 144000 completion event leads to and into the next Daniel 12 period of Daniel 12:11 (1290 days) to transpire after the Daniel 12:7 1260 days (as ending with the "tribulation of those days"), as the Daniel 7:25 parallel 1260 days expiring into this event allows the Daniel 12:11 1290 period parallel to be made to Daniel 7:26 subsequent to Daniel 7:25 1260 days expiring into this meaning:

   (Daniel 7:26) And the Court itself proceeded to sit (a Christ over 144000 completion meaning), and his (8th King) own rulership they finally took away (implies a time period in "finally") in order to annihilate [him] and to destroy [him] totally. (Armageddon divine war phase parallel);

3. Once we see the 8th King world-war-to-world-government "formula" also uses tribulation in general, now in final form as a "tribulation of those days" for 8th King parallel purpose for his own world power consolidation objective and for world government completion to be presented again after a well engineered world tribulation as in 1919, 1945 and 1990, then we see then what the "tribulation of those days" is really ending into: a final world government and UN 8th King presentation in an actual world recovery period - as usual - into which period Christ also arrives for his own Kingdom completion process finale.

4. Although this "tribulation of those days" encompasses the whole spiritual judgment meaning it is also a period of divinely permitted 8th King "harassment" and engineered world desperation to some severe but not total degree, thus having a comprehensive meaning as 8th King and Messianic Kingdom both complete using "tribulation of those days" respective signal and developmental aspects and period for marked final developments.

5. Thus too, an 8th King guaranteed world recovery is the post-sub-tribulation goal, not perpetual collapse. We are talking a believable and final 8th King world government offer to all the world going on in this period with enormous wealth and power, including the Babylon the Great wealth store transferred for national recovery, to compete with Christ's own Kingdom invitation. The 8th King wants his world government solution to be very believable and desirable, and resolving a world tribulation, by design, adds to the hopeful effect.

World Tribulation Context of Kingdom Ministerial Deployment Repeats in the Future

1. Like the 1914 "two witnesses" ministerial segway deploying through World War 1's "tribulation" arriving at
the 1919 League of Nations first UN related placement of four in the Bible, the Daniel 12:7 parallel Revelation
11:2-3 preview fulfillment 1260 day sovereign warning Kingdom proclamation period expires approximately
with the "tribulation of those days" ending into a similar but final world governmental presentation.

2. Thus the "tribulation of those days" that started with temple judgment and led to the final ministerial
cessation signal and warning period is ended by also parallel 8th King intrigues (Rev11:7). The "great
tribulation" is ended some time later at Armageddon as Christ arrives prior to that final event to complete
the 144000 and the sheep separation judgment in that complete Daniel 7:26 Messianic Court marking the Daniel
12:11 1290 day period parallel commencing for a marked time period of salvation as priority, not the
immediate end yet. (Dan9:27; Gen7:4 principle of both Daniel 12:7 and 12:11 periods being a symbolic
"seven days", a symbolic "week" of salvation offered);

3. The Revelation 11:11-12 144000 completion symbol and it's symbolic "3.5 day" "two witnesses"
prelude-to-completion death state (constant feature removed; Dan12:11) must also transpire into the Daniel
12:11 period and conclude into 144000 completion amidst a continuing final sheep gathering of earthling
totality. That must go on for some unknown but brief time elapsed before Christ arrives as both the "constant
feature" removal and the final "disgusting thing" as world government are manifest concurrently as per Daniel 12:11 requirement.

4. That Daniel 12:11 "constant feature" removed as Revelation 11:7 and 8th King placed as Daniel 11:45 is
the Daniel 12:11 defining requirement of that final 1290 day period starting. Into it the 144000 must complete
after that dual requirement is met in "constant feature" removed and 8th King world government placement.
(shown and explained more below later.);

Tribulation of those Days - Spiritual Significance - Jerusalem
"Holy City" Context

1. This "tribulation of those days" defines a "Jerusalem" temple judgment and final ministerial period cessation
both defined by their respective 8th King inspired "trampling" events - as start and end points - two 8th King
"trAMPLing". (Dan8:13; Rev11:2; 11:11-7);

2. Two scripturally indicated "trAMPLings" by the 8th King define the start and end point of the "tribulation of
those days" significance to "Jerusalem" anointed Christian context. An 8th King "trampling" starts the period
(Dan8:13) and a final 8th King "trampling" proceeds in it's last portion (1260 days) ends it (Rev11:2, 7); A
time period marked by the "tribulation of those days" elapses between those "trAMPLings".

First 8th King Trampling - Tribulation of Those Days Commencement Marker

1. The first "trampling" is the Daniel 8:13 initial temple judgment event coming soon for the UN NGO based
"transgression causing desolation". This "trampling" is prophetically timed and is a "evening" and "morning"
dual phase temple judgment in that order of meaning of JW "evening" darkness and the "morning"
enlightenment recovery. (The "evening" is in the Rev9 abyss "darkness", the "morning" is the opening of that
"abyss" of temple desolation into temple recovery. (Rev9:1-4));

2. The first "trampling" (Dan8:13; Rev8) as temple desolation meaning leads to the temple purification
recovery (Rev9), final ministerial deployment (Rev10) and a final "two witnesses" (Rev11) 1260 day period
ending into a final 8th King "trampling". (Rev11:7).
A. That "tribulation of those days" entire period must encompass the Daniel 8:14 "trampling" timing as temple judgment, an unknown transition period duration (or lack thereof), and the Daniel 12:7 1260 day final "trampling" as final Kingdom warning period timing as Revelation 11:2-7 parallel expiration of the final 1260 day period as the Revelation 11:2 final "trampling" requirement.

3. The "tribulation of those days" begins in the temple judgment desolation initial "trampling" in a world tribulation context beginning:

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation (UN NGO), to make both [the] holy place and [the] army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

A. That is a Revelation 8:3-5 "fire of the altar" purification parallel; (Eze9-10; Zech3:2; Isa6:6-8; Mal3:1-5; Zech3:4-5);

Last 8th King Trampling - Tribulation of Those Days End Marker

1. The "tribulation of those days" spiritual significance ends at the removal of the "two witnesses" final "trampling" climax (Rev11:2):

(Revelation 11:7) And when they have finished (Rev11:3 1260 days must expire) their witnessing, the wild beast that ascends out of the abyss (of a world war tribulation inactivity; Rev13:3; 17:8) will make war with them and conquer them and kill them. (Dan12:11 "constant feature" in pure form removed);

2. The "holy city" final "trampling" connection is also timed and related to the Christian anointed meaning as it's own "appointed times" meaning:

(Revelation 11:2-3) But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth. (The "sackcloth" condition in JWs recovered results from the first temple judgment "trampling");

3. The "tribulation of those days" ends (when "two witnesses" "constant feature" removed) into the post "3.5 days" "two witnesses" death state and the eventual arrival of Christ to complete the 144000 and secure the sheep in the "sheep and goat" judgment period as the 8th King is also achieving world government completion:

(Revelation 11:11-12) And after the three and a half days spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud, and their enemies beheld them. (144000 completion meaning; 1Thess4:17 aided);

4. Paralleling this Christ arrival event:

(Matthew 24:29-31) “Immediately after the tribulation of those days (implying a sub-tribulation ends) the
sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. 30 And then the sign (known to Christians first: Rev12:1) of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven (Rev11:12) with power and great glory. 31 And he will send forth his angels with a great trumpet sound (Rev10:6-7), and they will gather his chosen ones together from the four winds (Rev7:1), from one extremity of the heavens to their other extremity. (both sheep groups "gathered" to completion);

5. The initial symbolic "sun, moon, stars" darkening effect is due to world government "new world order" eclipsing national powers as "old world order", as eventually world government is eclipsed by Messianic Kingdom completion manifesting openly (Ps110) well prior to the actual final divine war phase of final Armageddon. So this period has an unknown overall duration and exact events portrayed are not fully known. It is marked by astounding developments in both 8th King and Messianic Kingdom completion manifestations.

6. Thus the initial 8th King "trampling" (Dan8:13) is upon a profaned state of modern JW ministerial rejection (Zech3:3; Dan11:31a) by God marking "tribulation of those days" starting point. The final "trampling" (Rev11:2, 7) is in an approved condition by God deploying the subsequently cleansed and clarified final Kingdom completion warning "little scroll" recovered out of former profanations by the temple judgment and purification. (Mal3:1-5; Zech3:1-5);

A. The 8th King is behind both "tramplings". Bethel's internal apostasy and subversion operation aids the first 8th King "trampling".

Trampling Definition Defining "Tribulation of Those Days" Appointed End Point Proof

1. We see a spiritual decree of "appointed times" and a period of extended justice applied by God is also present in more "tribulation of those days" scriptural parallels - and this detail below is how we know the "tribulation of those days" parallel cited here also has a required concluding "appointed times" completion element related to that "tribulation of those days" end point in this Matthew 24:15-22 judgment parallel:

(Luke 21:20-24) "Furthermore, when you see Jerusalem surrounded by encamped armies (Dan11:30b "arms that stand up" at Bethel UN NGO Daniel 11:41 infiltration) then know that the desolating (Dan8:13) of her has drawn near. 21 Then let those in Judea begin fleeing to the mountains, and let those in the midst of her withdraw, and let those in the country places not enter into her; 22 because these are days for meting out justice (Dan8:13; Dan11:30b-32), that all the things written may be fulfilled. 23 Woe to the pregnant women and the ones suckling a baby in those days! For there will be great necessity upon the land and wrath on this people; 24 and they will fall by the edge of the sword and be led captive into all the nations; and Jerusalem will be trampled on by the nations, until the appointed times of the nations are fulfilled (THAT marks the "tribulation of those days" end point meaning as a divine decree requirement; Dan4:16, 23, 25, 32);

A. That completion directive in Luke 21:24 also relates, as in the 2520 years overall fulfillment of the "appointed times of the nations" ending in 1914, to a far shorter 2520 days "appointed times" meaning in the context of Revelation 11 "two witnesses" "holy city" "trampling" occurring two times. (Rev11:2 connection of "trampling" requirement).

B. It is actually two world witnesses of 1260 days completing in 1914-1918 and the future final Kingdom
8th King United Nations World Government Final Cycle - Final Prophetic Replication and Milestones

completion final warning prelude ceased by 8th King final "trampling" that is required. And that final 1260
days of the future will complete the specified 2520 days "seven times" as the "appointed time" expiration and
full completion defined in the "tribulation of those days" also ending in that connection. (The overall "great
tribulation" will continue, the "tribulation of those days" significance will end first);

2. Thus the extended meaning of "and Jerusalem will be trampled on by the nations, until the appointed times
of the nations are fulfilled" is also being fulfilled as Revelation 11:2 parallel final "holy city" "trampling" that
will end the "tribulation of those days" spiritual meaning. We see now "seven times" requirement must also
apply to the Revelation 11:2 "holy city" trampling", thus two fulfillments are required, the last in the final
phase "tribulation of those days".

3. The "tribulation of those days" extends to and through the final 1260 day timed decree completed into the
second 8th King attack (Dan11:44; Rev11:7) and final "trampling" of Revelation 11:1-7 which fulfills fully
after temple judgment (Dan8:13-14) and temple recovery and the final cleansed ministerial "little scroll"
deployed as "two witnesses" again successfully (Rev10:11; 11:7); and again ceased after the full final 1260
days expires.

4. That final Kingdom completion warning ministerial cessation results this time in the 8th King final
placement ("abyss" rise meaning of Daniel 11:45; 12:11 parallel final world government final "disgusting
thing" "placement") as world government parallel at Revelation 11:7 "appointed times" 2520 day total
"trampling" culmination period ending well after initial JW temple judgment and timing of Daniel 8:13-14;

"Tribulation of Those Days" Spans Revelation 8-11 Final Fulfillment

1. Daniel 8:14 "right condition" is the result of the Revelation 8:3-5 temple judgment parallel "fire of the altar"
purification. (Eze10; Isa6:6-8; Zech3:2; Mal3:1-4 fire purification principle;) Thus Revelation 8 activates in the
"tribulation of those days" commencement as Revelation 8:3-5 temple judgment.

A. The first four trumpets eventually explain the temple judgment meaning to Christian anointed and JWs
recovered, and leads to another world ministerial preparation in Revelation 9 subsequent trumpets 5 and 6 as
first of two woes, and merges into the seventh trumpet third woe prelude of Revelation 10 to the final "two
witnesses" deployment of Revelation 11:1-7, where the final 8th King "trampling" concludes the "tribulation
of those days" and it's spiritual meaning. (Thus the "Tribulation of Those Days" spans Revelation 8-11 in final
fulfillment and leads to the seventh trumpet event);

2. Thus a JW timed temple judgment of the Daniel 8:13 "trampling" activating in some way with the initial 8th
King global finance intrigues (Daniel 11:42-43) creates a parallel context to define a "tribulation of those
days" starting as some sort of 8th King initial "trampling" to come on the JW organization in this period as
signal associated entity of the anointed Christian ministry - now overrun by the signal Bethel apostasy.
(2Thess2:1-4);

3. The tribulation and temple context must continue into the ministerial recovery purpose of the temple
judgment purification and develop into a final world warning ministry over some years explaining the true
world development it will be deploying within. That cleansed ministry is to continue for it's foretold duration
(Dan12:7; Rev11:2-3, 7) to be ceased as a final 8th King "trampling" in the Revelation 11 replication ending
the "tribulation of those days" spiritual.

4. Thus the "tribulation of those days" encompasses the whole Revelation 8-10 parallel to temple judgment
and recovery progression and most of Revelation 11 up to Revelation 11:7 "two witnesses" 8th King
deposition. The "two witnesses" "3.5 day" symbolic death state ending (Rev11:8-12) sees the Christ arrival of post-1260 days Matthew 24:29-31, parallel Revelation 6:12-17 events.

5. Daniel 12:7 parallel of Revelation 11:2-3 1260 day timing is within the "tribulation of those days" concluding concurrently in final spiritual meaning. Daniel 12:11 contains the "3.5 day" symbolic death state of the "two witnesses" after the "constant feature" removal marker after the "tribulation of those days" ends in the final 1260 day second 8th King "trampling" completed. Daniel 12:11 is therefore not a "tribulation of those days" timed period, but continues into the overall "great tribulation" still active until Armageddon divine war phase ending at apparently the conclusion of the Daniel 12:11 1290 days. (Dan9:27; Gen7:4 full "seven" principle may apply);

**Judgment Starts on Jehovah's Witnesses Not Babylon the Great**

1. Thus the final world judgment pictured in the JW temple judgment starts with Jehovah's witnesses anointed (1Pet4:17 as Dan8:13-14 as Rev8:3-5) in a temple associative context of Bethel apostasy to affect all Jehovah's witnesses. (2Thess2:1-4; Zech3:1-3; 2Cor11:13-15); It cannot start with Babylon the Great's deep Revelation 16:12-19 final fulfillment sixth plague judgment preparation meted out fully after the seventh plague (Rev16:17) completes; (Rev16:19; Rev17:11-18);

2. The extended global deposition process (Rev17:15-18; Rev18) of the enormous Babylon the Great empire of religious confusion may also approximately begin in this "two witnesses" attack period (Rev11:7; Dan8:25; 11:44 parallel attack period), but must be completed after it, and after 144000 completion it leads to, for a few reasons shown here in more detail later.

A. The false religious "harlot" global systems and confusions will aid the whole final cycle confusions and divisions and the final resistance to the final Kingdom "little scroll" sovereign message also containing news of that Babylon the Great and Christendom spiritual judgment certainty. Babylon the Great, as "harlot", aids the final 8th King world government process.

B. The 8th King will know the whole global religious empire is given into his hand as "two witnesses" and Babylon the Great religious meanings finalizing at the end of the 8th King world government cycle. ("true" and "false" religion will ultimately make no difference to 8th King powers in the end - they have their own "religion". (Luke4:5-8));

C. Babylon the Great (BTG) will also aid the required global "BTG divide and 8th King conquer" divisiveness of the final period of 8th King "north" ascension into world governmental completion. After that BTG harlot-like "usefulness" is complete, BTG can then be deposed as no longer needed, for 8th King world government will be complete.

D. That BTG deposition as the known war mongering "harlot" system, also aids 8th King world "peace and security" believability in the process of removing that world known war fomenting system.

E. And Babylon the Great massive wealth and asset stores global will aid the final period, in post "tribulation of those days" world recovery, in a real "freedom from care" of the final 8th King world "peace and security" period. Babylon the Great assets boost and fuel the final leg of the 8th King "world government" phase to aid global recovery with real 8th King world rulership incentives. (Rev13:16-18);

3. Thus it is logical and scriptural (Rev16:17-19) that Babylon the Great is used for a final cycle confusion and error process and for it's finale "world pace" and "world recovery" effect upon spiritual sovereign removal
parallel to national sovereign transference climax. (Rev17:11-18);

4. Babylon the Great is not the "tribulation of those days" commencement (which is on JWs; 1Pet4:17), and must be present after that sub-tribulation completes.

A. Bethel teaches this error to cover up the true meaning of the coming Bethel judgment and desolation and to confuse the final cycle meaning at that time for as long as possible into the Daniel 8:13-14 timing and phasing. (The Bethel engineered erred theological diversion devices are covered in greater detail at the end of this article.);

More UN NGO Signal Connections to Bethel Internal 8th King Compromise

1. Thus too, the Matthew 24:15 "disgusting thing" UN NGO signal of coming JW "Jerusalem" desolation connected to the Bethel UN NGO "standing were it ought not be standing" has an "encamped [8th King] armies" parallel counterpart in Luke 21:20 as well, and is indicative of Bethel's internal impostor factions (Dan11:41; Dan8:11-12) now "encamped" throughout the JW worldwide organization well outlined in the Daniel 8:11-14 and Daniel 11:30-35 parallels of this developments roots.

A. It is also logical the UN NGO is simply the "tip" of the Bethel internally hidden "iceberg" with 8th King ties that must have been and must still be positioned in Bethel for it's "gradually given over" (Dan8:12) apostate development and coming climax. (Rev8:10-11; Zech11; Dan8:13; Zech3:2);

B. Since JWs exposed the first two UN placements as prophecy after 1919 (Rev13:11-15) and 1945 (Rev17:8-11) UN events, the Bethel subversion had to mature to full control after that successful UN exposition period prior to the 1990 (Dan11:31b) 3rd UN placement cover-up.

C. Thus the 1976 "Governing Body" dictatorial Bethel coup and control center is the "unusual suspect" for the subsequent subversion purposes fully realized by 1990's 3rd UN prophetic cover-up and co-promotionals as UN NGO.

D. Those external-to-internal connected 8th King "arms that stand up" (Dan11:31) in the Bethel organization will aid the Daniel 8:13 temple judgment desolation initial 8th King "trampling" allowed by God as the temple judgment desolation for purification purpose due to the UN NGO core "transgression causing desolation" now in the JW ministry and also "standing" at Bethel (Matt24:15) and "encamped" (Luke 21:20; Dan11:41) in and around the Bethel organization guiding the foretold subversion to completion. (Dan8:23);

E. The 8th King must know a temple judgment desolation will be given into their hand due to JW organizational sins and treason (Isa36:10; Hos1:4-7), now fully in place for years by this operation's guidance aided by the non-Biblical Governing Body superimposed dictatorial control center.

F. That gradual development in a Bethel internal "supreme" "body" is what allowed factional defection to full infiltration to mature (Dan11:30b-32) under a veneer of divine authority slowly and deceptively impressed on JWs as factually Biblical since 1976. (By threat of also inquisitional banishment to those attempting to expose the operation. That Bethel "inquisition" was founded in the early 1980s as a protective device for the Governing Body apostates' and impostors' operations to remain in power);

2. That 8th King "invasion" and positioning into the Bethel "Jerusalem" associated ministerial "established place" environment is foretold in parallel in the Daniel 11:40-41 post 1990 8th King progression of Daniel 11:30-45 now active in the world and at Bethel up to Daniel 11:41 fulfillment now in operation at Bethel:
(Daniel 11:40-41) . . . “And in the time of [the] end (1990 3rd UN marker forward) the king of the south (Generic world national powers in decline) will engage with him (King North globalist 8th King progressive global developments) in a pushing, and against him (collective declining national powers, the king of the north (globalist "north" ascending power) will storm with chariots and with horsemen and with many ships; and he will certainly enter into the (collective national king south) lands and flood over and pass through. 41 He (8th King as King North) will also actually enter into the land of the Decoration (Luke21:20 parallel of 8th King guided Bethel infiltrations) and there will be many [people] that will be made to stumble. (As this is the teamed effort diversionary infiltration of Daniel 11:30-32, and it also has a Bethel global reproach campaign now stumbling millions of people; 2Pet2:1-3);

3. The connection to 8th King operations and objectives, positioned in the Bethel past leading to this 1990 culmination of the "disgusting thing" UN NGO signal with the 3rd UN placement (Dan11:31b), and on to complete JW diversion today, is also foretold in ministerial profanations and internal preparations in all it's key players in (1) 8th King, (2) "those leaving the holy covenant" and the (3) "arms that stand up" into the Bethel system that effected this compromise and UN alliance:

(Daniel 11:30b-31a) . . .“And he (8thKing/King North globalists) will actually go back and hurl denunciations against the holy covenant and act effectively (continual success - see Daniel 11:36b) and he will have to go back and will give consideration to those leaving the holy covenant (former JW Christian anointed defectors) 31a And there will be (infiltrator subversion) arms that will stand up, proceeding from him; (8th King/King North globalists) and they (team effort with the Governing Body network) will actually profane the sanctuary (temple arrangement internally compromised; 2Thess2:3-4; Zech3:1-3), the fortress (JW organization internally compromised) and remove the constant [feature]. (Truth profaned first, leading to a desolation actual JW "constant feature" removal as profaned; (Dan8:13 trampling));

4. Which possibly decades long development initially led to the Bethel UN NGO in 1990 approximate period in support of the 3rd United Nations placement of Bible prophecy (of 4 total) and world events now covered up by Bethel as "they" in their collusion also "place the disgusting thing" at Bethel itself in UN NGO meaning:

A. The prophecy Identifies ALL parties of the transgression (Dan8:13) and diversions as acting TOGETHER (the "they" in Daniel 11:30b-31) while in fulfillment, and as a team effort of the (1) 8th King/King North, Bethel's (2) "those leaving the holy covenant" core apostasy defectors and subsequent (3) 8th King "arms that stand up" to effect this UN and UN NGO backed endorsing event in 1990-1991:

(Daniel 11: 31b) “And THEY will certainly put in place the disgusting thing that is causing desolation. (Placed in world as United Nations 3rd placement "New World Order" objective, 1990; and at Bethel as UN NGO co-promoters as "Proclaimers of 8th Kingdom" from 1991 forward (Awake! 9/8/1991));

5. The Daniel 8:11-12 subversion parallels of the precursor developments of UN NGO transgression now perfectly parallel Daniel 11:30-31 UN and UN NGO events in this description below, also tied to 8th King subversion planning as a direct parallel in time and meaning at Bethel:

(Daniel 8:11-12) . . .And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away (first by profanation) and the established place (Bethel JW worldwide organization) of his sanctuary was thrown down. 12 And an (JW worldwide) army itself was gradually
given over (to 8th King infiltrative control) together with the constant [feature] (imbibed with UN NGO and key misinformation), because of transgression; (UN NGO and other sins permits allowance of the compromise by removed divine blessing and discernment while fulfillment of prophecy is effected for greater future purpose); and it kept throwing truth to the earth (cover up, misinformation), and it acted and had success. (Dan11:30 "act effectively"; completely successful subversion operation deployed through the Governing Body and installed Bethel agents through an anointed defection of the past);

6. And that modern apostate development prophecy, now fully derailing the JW UN prophetic tracking assignment, connects the Bethel apostate signal development of that Daniel 11 prophecy:

(Daniel 11:32a) “And those who are acting wickedly against [the] covenant (which can be any JW now), he (8th King/King North) will lead into apostasy*(2Thess2:3) by means of smooth words...(from Bethel's wordsmiths);

...To the final temple judgment signal apostasy and it's "man of lawlessness" identity at Bethel as the key signal that activates as a first signal of temple judgment coming:

(2 Thessalonians 2:3-4) . . .Let no one seduce you in any manner, because it (temple judgment to Armageddon) will not come unless the apostasy* comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition... (Now fully present at Bethel "in the temple" associated ministry);

Thus a great modern prerequisite for temple judgment and the final cycle starting is met in all prophetic contexts.

7. Now we know what the Bethel apostate clergy and Governing Body control center "body" are actually defining: The "evil slave" and "man of lawlessness" container locale in modern final form at Bethel "in the temple" arrangement environment as the central controllers of the whole apostasy with definite 8th King ties and 8th King final objectives of ministerial destruction. (Hos1:4-7; Dan8:13-14; Hos6:1-3);

More on the Seven Times "Appointed Times" Completion Requirement Parallel as 2520 Days

1. The "until the appointed times of the nations are fulfilled" fulfills 2520 years decree in 1914 well known by most JWs. (Dan4:16, 23, 25, 32; Luke21:20-24); But in 1914 in Revelation 11 first fulfillment another "appointed times" period started as that 2520 years "seven times" decree expired. The Christian anointed focused "holy city" also requires a "seven times" "trampling" as "seven times" as 2520 days "appointed time" parallel meaning, but on spiritual Jerusalem fully in Revelation 11 time periods. (Rev1:10);

2. This must occur in two 1260 day witnessing periods ultimately ceased - one 1260 day marked period of "trampling" at Messianic Kingdom "birth" phase as initial proclamation period (1914-1918), and one final 1260 days marked "trampling" at Messianic Kingdom completion phase as final proclamation period of the future combining as the 2520 days "appointed times" "seven times".
A. Hence literally "two" "witnesses" takes place; (Matt24:14); once Revelation 11 has it's final fulfillment during the "tribulation of those days" element to Revelation 11:1-7 "constant feature" cessation in then a pure form that second Kingdom witness will complete. (Matt24:14);

3. That 2520 days, as an intimate Christian anointed "holy city" "seven times" requirement in the "last days" is related to the 2520 years overall decree - but is also related to the "Jerusalem" "holy city" "trampling" in Revelation 11:2-3 in a dual fulfillment - the Revelation 10:11 divine requirement of TWO witnessings of "little scroll" sovereign Kingdom invitation and warning provides the two fulfillments of the two witnessings:

(Revelation 10:11) And they say to me: “You must prophesy again with regard to peoples and nations and tongues and many kings.”

4. That initial trampling of "3.5 times", half the "seven times" duration, occurred in Revelation 11:1-7 preview fulfillment in 1914-1918 (1260 days) Kingdom birth phase "two witnesses" ministry and it's first ministerial cessation of that first "two witnesses" first "little scroll" Kingdom ministry.

5. The future final "3.5 times" "seven times" completing second half of the divine decree, occurs in the future Kingdom completion phase final Kingdom ministry warning and it's ministerial cessation as final 8th King "trampling" of Revelation 11:1-7 final fulfillment in a final 1260 days requirement completing the "appointed times of the nations" (Dan4:16, 23, 25, 32) "seven times" requirement principle as finally a full 2520 days completion.

A. That final "two witnesses" Kingdom completion phase ministry and "trampling" completes the whole "seven times" "holy city" "trampling" requirement now also in Revelation 11 final "Lord's Day" (Rev1:10) contextual final meaning concerning the required "seven times" "appointed times" in final form.

B. As shown earlier this 2520 days completion in the final 1260 days expiring also completes the "tribulation of those days" spiritual "Jerusalem" meaning as it's end point.

6. This "3.5 times" time signature that manifested in 1914-1918 cross links Daniel 7:25; Daniel 12:7; and Revelation 11:2-3; as identical final ministerial periods with their extra details. That 1260 day time signature also cross links to final Satanic and wildbeast principles in Revelation 12:6.14 and Revelation 13:5 1260 day concurrent periods with their respective contextual meanings for also a future final fulfillment 1260 day "time, times and half a time" manifestation prior to the Messianic Kingdom completion and Armageddon.

7. Thus that "tribulation of those days" is to have a temple judgment world signal upon the JW organization to lead over the Daniel 8:14 temple desolation and recovery purification timing, which also eventually leads to the final 1260 days ministerial warning and the completion of these final "seven times" as 2520 days as the whole spiritual significance of the "tribulation of those days" marked by it's respective modern "tramplings" completing a related final "appointed times".

A. What this is all actually leading to well before Armageddon in Christ's Messianic Kingdom completion arrival must become known in that final ministry to be ceased after that final 1260 days of the future timing expires into the full "appointed times" completed in all forms.

8. The "tribulation of those days" completion of the "appointed times" 2520 days completion will lead to Christ's Messianic Kingdom (incomplete) arrival for full Messianic Kingdom completion and Christ's final King-Priest crowning and temple crown-stone completion reality.
Tribulation of Those Days Key Meanings

1. The "tribulation of those days" does not end into "the end", but into an 8th King completion and Christ arrival Messianic Kingdom 144000 completion approximately concurrent.

2. The final 1260 days warning is within the "tribulation of those days" final portion to end into events marking the completion of both meanings approximately concurrently.

3. The "tribulation of those days" ends into also the approximate start of the Daniel 12:11 1290 days.

4. The "tribulation of those days" encompasses the Christian ministerial final period from temple judgment commencement (Dan8:13-14; Rev8) to eventually "two witnesses" final Kingdom warning removal some years later. A respective "trampling" event marks both the start and eventual end period and end point of the "tribulation of those days".

5. The "tribulation of those days" ends into 8th King world government final presentation and the signal final world "peace and security" period as a great world recovery to aid 8th King world "healing" power "admiration" effect (Rev13:3; 17:8b) and overall world acceptance.

6. The "tribulation of those days" leads to an awareness of Christ's arrival for also completion purposes. (Hag2:7);

7. Once the "tribulation of those days" starts, it will not end until an 8th King world government is completing for the presentation purpose of what a tribulation resolution provides.

Tribulation of those Days - 8th King Use - 8th King Tribulatory Resolution for World Government Presentation

1. The 8th King use of this tribulation is for a "peace and recovery" resolution in the principle of what typically has been used as a world war resolution period to end a tribulation preparatory cycle for ultimately United Nations "peace" presentation purposes. In 1919 after WW1 resolved, 1945 after WW2 resolved, and 1990 after WW3 Cold War resolved (Dan11:29), a world war/tribulation was resolved for a UN peace resolution and presentation to follow that tribulation period.

A. Thus expecting a fourth cycle climax to a matured world government is now predictable by just 8th King uses of this formula three previous times. Prophecy adds the final affirmation of a fourth cycle as Daniel 11:30-45 is actually the final two UN placements.

2. In effect the world tribulatory "problem" is what the 8th king takes credit for solving as the "world government" "solution" to maximize the recovery hopefulness effect of this resolution after the nations are properly prepared with an extended severe tribulation for a maximized UN presentation overall positive effect. (Rev13:3, 17:8 admiration principle at work three times);

A. Thus a "tribulation of those days" resolution (Matt24:29) principle of using a world war/tribulation desperation to be resolved for maximum psychological effect is present in the 1919 League of Nations presentation (Rev13:11-15) and world recovery "healing" period after WW1. Again, for the second time at
that time, that world-war-to-world-government formula and formulaic presentation process was used in the 1945 United Nations re-emergence after WW2 was resolved into a similar world peace and recovery period (Rev17:8-11), for again an admirable world psychological reaction of accepting the 8th King "solution" to the former tribulation "problem":

8th King Completing Recovery Healing Principle Highlighted in Tribulation Resolution

(Revelation 13:3-4) And I saw one of its heads as though slaughtered to death, but its death-stroke got healed (the recovery principle) and all the earth followed the wild beast with admiration (led to the League of Nations "solution" climax (Rrev13:11-15)) 4 And they worshiped the dragon because it gave the authority to the wild beast, and they worshiped the wild beast with the words:“Who is like the wild beast, and who can do battle with it?”

Re-emergence of the UN "Image" and Objective After Tribulation Resolved Principle

(Revelation 17:8) The wild beast that you saw was (League of Nations 1919-1939), but is not, and yet is about to ascend out of the abyss (United Nations 1945), and it is to go off into destruction (Daniel 11:30-45 final two UN placements); And when they see how the wild beast was, but is not, and yet will be present, those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world.

World War 3 Cold War Resolution

1. That UN "admiration" process resurfaced in 1990 in a United Nations "new world order" initiative presentation after a unique (Dan11:29) WW3 Cold War was resolved into a 3rd UN presentation. The "tribulation" ending principle was a psychological relief as nuclear "WW3" was averted in potentially formerly typical "hot war" form by the implied UN 8th King victor resolution and USSR dissolution.

A. Russia's joining the United Nations a final time as a USSR UN Security Council seat replacement added to the overall "world peace" desired effect. (Russia was expelled with the USSR from the League of Nations in 1939, but was a USSR UN member in spite of obvious ideological differences throughout the "cold war");

2. In any event that UN milestone of Cold War resolution by "cold" means also used a psychological relief and "world peace" implied recovery effect to place itself a third time in 1990 with the same formula after a unique WW3 "cold war" period was resolved into a UN global presentation as "new world order" objective. (Dan11:29-31);

3. Because of this world-war-to-world-government formula used three times previously, and a final prophetic cycle that replicates the 1914-1918 overall WW1-to-recovery-to-world government events of the League of Nations presentation, a fourth use of tribulation as the coming "tribulation of those days" contextual parallel period is shown to resolve (Matt24:29), as before, into the fourth and final UN "image" presentation with a complete 8th King world government in final prophecy in this final cycle, is now intuitive of what the final cycle will actually mean in relation to 8th King world government maturity process.

A. The secular recorded historic manner in which the United Nations former renditions emerged three times so far, and the repeating prophetic details of the first UN cycle as League of Nations, now combine reliably to
clarify this fourth and final cycle as now intuitive and predictable 8th King formulaic behavior to present world government.

4. Thus the final Christian judgment period (Dan8:13-14; Rev8) and eventual final Kingdom warning proclamation as final "two witnesses" (Rev9-11) is a ministerial deployment into this tribulation period by then in global operation.

A. As in the Revelation 11 first fulfillment 1914-1918 first "two witnesses" ministerial deployment into WWI's tribulation period, and the eventual 1919 League of Nations presentation it led to (Dan12:11 first fulfillment), the final 8th King cycle will also involve a similar but fully global tribulation period into which a final Kingdom completion "two witnesses" final ministry must also deploy as that leads to another, but final, tribulation resolved to present a complete 8th King world government and UN "image" at the end of this sub-cycle.

B. The "tribulation of those days" will actually end into a concurrent 8th King world recovery phase. That is the clue of prophecy and the 8th King quadruple UN cycle already used three times.

*Like the first time of Daniel 12:11 initial fulfillment as League of Nations (Rev13:11-15 parallel), the final UN placement arrives at Daniel 12:11 in final fulfillment, as Daniel 11:42-45 must merge into Daniel 12 "during that time".*

5. Of course that 60, 70 and 80 year old Bethel "full time Bible studiers" of 1990 did not comment (or were not allowed to comment as the case may be), on this 3rd UN "world event in light of Bible prophecy" as fulfilling Daniel 11:31, dumping the USSR "King North" now impossibility (Dan11:36) for 8th King reality, and not even commenting insightfully on the monumental globalist 8th King implications of this Cold War cessation, is indication Bethel is a compromised ministry fully after 1945 2nd UN exposure as prophecy.

6. Stunningly, instead, Bethel joined that post Cold War 3rd UN placement initiative as "new world order" UN NGO co-promoters (Awake! 9/8/1991) and continue to conceal the 3rd UN placement actual meaning and it's King North = 8th King main character, and it's final development progression since 1990 in the Daniel 11:30-45 as a required continuum. (Dan11:36);

*(Daniel 11:36) "And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish because the thing decided upon must be done.*

7. And in that signal Bethel compromise an important final piece of the coming fourth tribulation cycle activation signal (2Thess2:3-4) is now known as the reason why the temple judgment and purification is required to also activate into the final tribulation cycle context at some point concurrently as Daniel 11:42-43 final 8th King finance and ownership globalization process and global intrigues activation.

**Daniel 12:7 1260 Days Transition to Daniel 12:11 1290 Days**

1. Since the Daniel 12:7; parallel Revelation 11:2-3 1260 days expires in that "tribulation of those days" also concluding (Matt24:29), it's Daniel 12:7 (1260 day) time period conclusion into Daniel 12:11 (1290 day) timed period transitional commencement can be made.
2. This Daniel 12:11 1290 day time period marker is important. It is to be identifiable in the future in a "two witnesses" "constant feature" removal and the fourth UN placement as world government marking this 1290 day period commencement. It is a Messianic Kingdom completion signal period to see that manifestation provided in those two signal as also an 8th King completion preceding the Messianic 144000 final "gathering".

A. It is a Messianic Kingdom completion in the completed 8th King's face:

(Revelation 11:12) And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud (Matt24:29-31 parallel) and their enemies beheld them.

3. That will replicate this prophecy's 1918-1919 League of Nations presentation and concurrent first "two witnesses" "constant feature" removal event, but in final 8th King form of "placing of the disgusting thing" and the final "two witnesses" "constant feature" removed in the future:

(Daniel 12:11) “And from the time that the constant [feature] has been removed (Rev11:7; Dan11:44-45 timing) and there has been a placing of the disgusting thing that is causing desolation (Dan8:25; 11:45; Rev11:7), there will be one thousand two hundred and ninety days.

4. Thus both the League of Nations and the final UN 8th King world government both wind up at Daniel 12:11 in their respective fulfillments.

5. Thus as in the 1914-1918 first "two witnesses" cessation period leading to the 1919 League of Nations "disgusting thing" as the concurrent dual feature prophetic marker at that time in "constant feature" removal and 8th King "placement" co-existing, a final "two witnesses" cessation event at 8th King fourth and final placement will replicate the first UN related placement meaning as the final UN placement finality along with final "two witnesses" "constant feature" removal as the marked signal concurrence in some manner.

Unique Daniel 11:44-45 Connection to Daniel 12 Replication

*Note that Daniel 11:42-43 is to activate next, in the future, and provide Daniel 12:7 tribulatory context, but must lead to the culmination of Daniel 11:44-45 in time extending through the Daniel 12:7 1260 days ending into the Daniel 12:11 1290 day period marked in part by that final 8th King UN "disgusting thing" placement.*

1. The cessation of the "two witnesses" final ministry resulting in that Daniel 12:11 identifying feature is due to the "two witnesses" "little scroll" "report" exposure of the 8th King prophecy inspiring the final 8th King's resistance to the Messianic Kingdom "little scroll" sovereign message of guaranteed conquest by Christ. This is part of the "disturbing" aspect of the "little scroll" as a clearly delineated continuum and timeline to Armageddon that the 8th King reacts against as that final world government is "placing".

(Daniel 11:44-45) “But there will be reports (at least partly as "little scroll" "report" parallel) that will disturb him (8th King), out of the sunrising (Christ's domain) and out of the north (Jehovah's domain), and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. (including the "two witnesses" in this period of disturbing reports as Rev11:7 parallel) And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him. (Armageddon as Rev19:19-21);
2. Which above 8th King attack scenario parallels this Revelation 11:7 final fulfillment attack on the "two witnesses":

(Revelation 11:7) And when they have finished their (1260 day required) witnessing, the wild beast that ascends out of the abyss (scarlet wildbeast 8th King final form) will make war with them and conquer them and kill them. (Dan12:11 "constant feature" removed);

3. Since this parallel world government culmination must be accompanied by a final 8th King sovereign world government world "peace and security" final world rulership statement period we can connect this "peace and security" to the Daniel 8:25 "freedom from care" effect of 4th UN and 8th King world government placement:

(1 Thessalonians 5:1-3) Now as for the times and the seasons, brothers, you need nothing to be written to you. 2 For you yourselves know quite well that Jehovah's day is coming exactly as a thief in the night. 3 Whenever it is (at 4th UN placement finale) that they are saying: “Peace and security!” then sudden destruction is to be instantly upon them just as the pang of distress upon a pregnant woman; and they will by no means escape.

World Peace and Final 8th King Destruction Operations Concurrent

1. A "freedom from care" in that 8th King world "peace and security" is developing while the 8th King is also wrapping up some final destructive objectives concurrently. This is why the 8th King "brings many to ruin" during "a freedom from care" while the fourth UN 8th King world government is "standing up" as "he will certainly go forth in a great rage in order to annihilate and to devote many to destruction" parallel to Daniel 11:44:

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

2. Thus the attack scenario parallels of Revelation 11:7, Daniel 11:44 and Daniel 8:25 are all the same 8th King selective destruction event accompanying 8th King final world government and UN "image" placement during an 8th King world peace period. (inverse Matt24:6 meaning, there will be NO "wars and reports of wars" in formerly typical nation vs. nation form, it will all be 8th King uni-polar, one sided war potential for the 8th King selective objective);

3. It is "world peace" by 8th King uni-polar power definition as well as the concurrent removal period of the "two witnesses" that aids 144000 completion of the Messianic Kingdom body. Since the "two witnesses" ministerial entourage is much smaller than Babylon the Great (BTG) worldwide empire of false religion (also slated for destruction; Rev17:15-18; Rev16:12) and the "two witnesses" final warning ministry is also the primary initial target of 8th King resistance since even the temple judgment commencement (Dan8:13 "trampling" to Rev11:7 final "trampling"), the "two witnesses" are removed first, Babylon the Great is the final entity to be deposed by the 8th King in prophecy.

A. Both the "two witnesses" and Babylon the Great are 8th King final destruction operation targets during a freedom from care", a "freedom from care" also real and active in the world system recovery period; (Rev11:10; Rev18:9-18); Thus it is a time period, the "sudden destruction" is of an instant nature, it's arrival period "whenever it is that they saying" is not, but is an implied period of time.

4. It is also logical a Babylon the Great deposition in these climax concurrent periods of Revelation 16:12-16
and Revelation 17:11-18 aids the 8th King "world peace" effect and believability by deposing the war fomenting religious empire at the end of the cycle, to aid the 8th King world government presentation. The BTG massive hard wealth store also aids a final astronomical wealth and capital boost for the actual national recovery potential of a real "freedom from care" at the same time; (Isa41:1);

A. Thus BTG hard wealth and assets in perhaps a quadrillions in hard wealth stores provides a final stage boost for 8th King world peace and recovery needs at the end of the cycle:

(Isaiah 41:1-5)“Attend to me in silence, you islands; and let national groups themselves regain power. Let them approach. At that time let them speak. Let us come up close together for the judgment itself. 2 "Who has roused up [someone] from the sunrise? [Who] proceeded in righteousness to call him to His feet, to give before him the nations, and to make [him] go subduing even kings? [Who] kept giving [them] like dust to his sword, so that they have been driven about like mere stubble with his bow? 3 [Who] kept pursuing them, kept peacefully passing along on his feet over the path [by which] he did not proceed to come? 4 Who has been active and has done [this], calling out the generations from the start? “I, Jehovah, the First One; and with the last ones I am the same.” 5 The islands saw and began trembling. They drew near and kept coming.

5. The 144000 must also complete prior to BTG's destruction judgment as the full "court" Messianic "judiciary" required complete entity (Dan7:26) of the Messianic Kingdom complete judiciary system to oversee the final judgment period that also includes the final sheep and goat judgment and separation and the final world judgment and 8th King deposition. In the sheep and goat final judgment, Christ must "sit down" on the throne of Messianic Kingdom completion over all 144000. (Daniel 7:26; Matt25:31-46);

A. Sheep and goats are determined first (Matt25:31-46; Rev14:14-20), BTG judged next (Rev17:15-18; 18:8), and eventually the 8th King is judged in the carrying out of the full world judgment climax. (Rev19:19-21), as well as Satan and the demons at the very end; (Rev20:1-3; Isa24:21-22);

6. That "sheep and goat" determination event precedes "the end" by some time as Christ "goes subduing in the midst" of his enemies in final fulfillment (Ps110) very real final form, while the 8th King is a complete rival world sovereign and also in some final foretold operations prior to Har-Magedon absolute divine war phase activation. (Rev19:11-21);

A. Christ's arrival first priority is 144000 remnant sheep completion, then the "great crowd" earthling sheep securement under divine protection (Zech12:6-9; Rev7, Rev14) for the rest of the period unfolding concluding Daniel 12:11 1290 days remaining period, however long it may be by that time.

7. For this reason of a world peace "freedom from care" and final 8th King destructive intrigues concurrent is the indication the overall "great tribulation" is continuing upon other earthly entities after the "tribulation of those days" has ended in it's meaning of events.

8. The "great tribulation" is shown in final form as parallel meaning of "those who make tribulation for you" at 2Thessalonians 1:6 continuing to the end. It is a selective tribulation under 8th King divinely permitted authority (Rev16:8-9), in a functioning world system shown by prophecy and logic that the 8th King system will be the most powerful and richest in wealth, resources and control in it's history.

A. Thus it is not a "great tribulation" for 8th King globalist elites and some others in the supporting world system, yet it is "great tribulation" for some others. (Matt24:36-42; Rev11:10; Rev16:12-17; Rev18:9-19 all have clues of a world functioning during the tribulation period)
9. In fact for some 8th Kingers, it will be a "king of the world" world rulership world celebration for a while. And thus the "tribulation of those days" resolved (Matt24:29), also serves an 8th King world government presentation:

UN 1-2-3-4 - The Quadruple Repeating 8th King Tribulation-to-World-Government Formula

1. We have four United Nations placements shown in prophecy. We have three example where the 8th King "image" presentation as the UN follows a tribulation period resolved in three world wars including the 1990 Cold War resolution at USSR dissolution:

There are Four UN "World Government" “Disgusting Thing” Placements in Bible Prophecy as a Continuum to Armageddon

1 of 4. 1919; League of Nations

A. First World Government Cycle: World War 1 resolution leading to the League of Nations presentation in 1919;

2 of 4. 1945; United Nations

A. Second World Government Cycle: World War 2 resolution leading to the United Nations presentation in 1945;

B. Fulfilling Revelation 17:8-11;

3 of 4. 1990; United Nations “New World Order” Initiative

A. Third World Government Cycle: World War 3 “Cold War”** (Dan11:29) resolution leading to the United Nations presentation in "New World Order” initiative in 1990;

B. Fulfilling: Daniel 11:31b;

4 of 4 (Near Future); Final Scarlet Wildbeast World Government and United Nations International Globalist Forum

A. Fourth and Final World Government Cycle: WW4 resolution leading to the United Nations and 8th King world government total presentation in the relatively near future;

B. To finally fulfill Daniel 12:11 replicating as Daniel 8:23-25; Daniel 11:44-45 final 8th King world government; Replicating Revelation 11:7 with Daniel 12:11 as Daniel 11:44-45, post World War 4, 8th King attack mode grand finale in the fourth and final UN world government based ‘disgusting thing’ placement in the near future;

Unique Cold War and Global War on Terror Deployments Marked in Daniel 11:29
**Principle**

(*The Cold War period "tribulation" was psychological but very real. It was the global unease over potential nuclear annihilation "WW3" and a constant atmosphere of "soviet aggression" (and vice versa) that provided the psychological fear context to be resolved and thus used by the UN 8th King when presenting that 1990 UN "new world order" initiative as a period of relief from the Cold War mostly psychological atmosphere of tension.*

1. The tribulation and the world war were of a "cold" nature "it will not prove to be at the last (unique cold war and or deployment) the same as at the first" (typical hot war in two WWs). (Dan11:29); Yet it was still a world war, merely unique in deployment and manifestations as noted in Daniel 11:29's clue. And it did produce a third United Nations "disgusting thing" placement in 1990, and in 1991 at Bethel as UN NGO; (Awake 9/8/1991);

2. A fourth tribulation cycle, with a unique fourth world war aspect already begun, called the "global war" "on terror", that can escalate any time, will produce a fourth tribulation resolution for a fourth United Nations "image" presentation and also a world government completed as 8th King - in whatever way it may catalyze and develop.

3. Prophecy and 8th King developmental nature indicate a final tribulation cycle must end (Matt24:29) into 8th King world government and Christ's arrival to complete his own Messianic Kingdom 144000 agency "body" prior to the absolute "the end". (Matt24:6, 14);

In simplest terms as the United Nations international forum nucleus "image" also completes with the 8th King world government completion, the actual end period leading to Armageddon will arrive with that completion in some approximate but assured form. It is the secular gauge to Armageddon prophecy assures it will transpire as written. The "tribulation of those days" leads to that development.

### 2. Overall Great Tribulation

**Overall Context of World Development**

1. Since the temple judgment priority on Jehovah's witnesses (1Pet4:17) is a Daniel 8:13-14 purification parallel to Revelation 8:3-5 activating Revelation 8's "seven trumpet" preparation (Rev8:1-2,6) to JW "earth" as first informed of temple judgment meaning in first four trumpets and eventual global deployment, the Revelation 16 "seven plagues" approximate if not exact parallel events will provide the worldwide context of divinely permitted tribulation developments in it's first four plagues specific to the world "earth" system to parallel first four trumpet meaning specific to the JW "earth" arrangement.

A. Thus from noting "tribulation of those days" connection to "holy city" "Jerusalem" and temple event meanings, and these required parallels of JW judgment and world judgment to come as it's warning, the "tribulation of those days" is part of the more extensive "great tribulation":

**Great Tribulation Global Context Meaning**

(Revelation 16:1) And I heard a loud voice out of the sanctuary say to the seven angels:"Go and pour out the seven bowls of the anger of God into the earth." (*must occur in great tribulation forming and
"Tribulation of Those Days" Great Tribulation Commencement Parallel Meaning

(Revelation 8:1-6) And when he opened the seventh seal, a silence occurred in heaven for about a half hour. 2 And I saw the seven angels that stand before God, and seven trumpets were given them. 3 And another angel arrived and stood at the altar, having a golden incense vessel; and a large quantity of incense was given him to offer it with the prayers of all the holy ones upon the golden altar that was before the throne. 4 And the smoke of the incense ascended from the hand of the angel with the prayers of the holy ones before God. 5 But right away the angel took the incense vessel, and he filled it with some of the fire of the altar and hurled it to the earth. (a "fire" purification and JW temple "tribulation of those days" "earth" context meaning upon JW "earth" system)

And thunders occurred and voices and lightnings and an earthquake. 6 And the seven angels with the seven trumpets prepared to blow them.

2. Thus as per 8th King formulaic use of world tribulation developed to be resolved prior to and aiding a United Nations presentation, and God's allowance of such conditions as intensified "plagues" of "wildbeast" authority (Rev13:2, 5) on earth to effect some final awareness and repentance (Rev16; Hag2:7) in part (Rev15:1), this period is to be a world signal of tribulation context globally in various economic and military forms, as usual.

A. The Jehovah's witnesses organizational "earth" judgment is a precursor co-developing signal of a greater judgment it is warning of. (1Pet4:17); Thus it's "tribulation of those days" is also specific upon the JW "earth" and "Jerusalem" Christian meaning.

3. The "great tribulation" is an extended global national "rocking" period God will use to effect some final "sheep" determinations in the final cycle prior to Armageddon divine war phase with plenty of warning to eventually deploy as final official "two witnesses" ministynto the "great tribulation" as in the 1914-1918 primary ministerial pattern that also led to a UN related manifestation after that tribulation ended.

4. These "rocking" prophecies below are to be fulfilled with much other prophecy finalizing uniquely (Dan11:42-45) and repeating (Dan12; Rev8-11; Rev15-16) in respective applicable cases upon the 1914 preview pattern of the early Jehovah's Witnesses as International Bible Students Association Kingdom "birth" proclamation - but now in prelude to Messianic Kingdom completion mode as final fulfillment during the final "great tribulation" development.

A. The warning "rocking" climaxing in "great tribulation" globally:

(Haggai 2:7) "'And I will rock all the nations(great tribulation) and the desirable things(repentance; Rev11:13) of all the nations must come in(to the sheep side of the judgment) and I will fill this house with glory,' (144000 temple completion under Christ final King-Priest)Jehovah of armies has said.

B. And what it is signaling as leading inevitably to:

(Haggai 2:20-22) And the word of Jehovah proceeded to occur a second time to Haggai on the twenty-fourth [day] of the month, saying: 21“Say to Zerubbabel the governor of Judah, ‘I am rocking the heavens and the earth. (Rev6:12, 11:13, 19, 16:18 final Kingdom completion "earthquake" period); 22 And I shall certainly overthrow the throne of kingdoms(Rev16:10-11) and annihilate the strength of the kingdoms of the nations; and I will overthrow [the] chariot and its riders, and [the] horses and their
riders will certainly come down, each one by the sword of his brother:” (Armageddon finality);

5. The Temple Judgment Warning:

(Malachi 3:1-3) “Look! I am sending my messenger, and he must clear up a way before me. And suddenly there will come to His temple the [true] Lord, whom you people are seeking, and the messenger of the covenant in whom you are delighting. Look! He will certainly come; Jehovah of armies has said. 2 “But who will be putting up with the day of his coming, and who will be the one standing when he appears? For he will be like the fire of a refiner and like the lye of laundrymen. 3 And he must sit as a refiner and cleanser of silver and must cleanse the sons of Levi; and he must clarify them like gold and like silver, and they will certainly become to Jehovah people presenting a gift offering in righteousness.

A. And the event it is warning of:

(Malachi 4:1) “For, look! the day (Armageddon divine war finality phase) is coming that is burning like the furnace, and all the presumptuous ones and all those doing wickedness must become as stubble. And the day that is coming will certainly devour them,” Jehovah of armies has said, “so that it will not leave to them either root or bough.

6. The coming JW temple judgment desolation is a warning of more things to come afterwards as final prophetic fulfillments:

(Ezekiel 5:14-15) “And I shall make you a devastated place and a reproach among the nations that are all around you before the eyes of every passerby. 15 And you must become a reproach and an object of reviling words, a warning example and a horror to the nations that are all around you, when I do in you acts of judgment in anger and in rage and in raging reproofs. I myself, Jehovah, have spoken.

(Zechariah 3:8-9) “Hear, please, O Joshua the high priest, you and your companions who are sitting before you, for they are men [serving] as portents; for here I am bringing in my servant Sprout! 9 For, look! the stone that I have put before Joshua!

(Isaiah 11:12) And he will certainly raise up a signal for the nations and gather the dispersed ones of Israel; and the scattered ones of Judah he will collect together from the four extremities of the earth.

Great Tribulation of Greater Overall Culmination Severity

(Matthew 24:21-22) ... for then there will be great tribulation such as has not occurred since the world's beginning until now, no, nor will occur again. 22 In fact, unless those days were cut short, no flesh would be saved; but on account of the chosen ones those days will be cut short.

1. A period where "no flesh would be saved" is of a far more severe nature than the "tribulation of those days" meaning. In complete 8th King uni-polar power it may be implying the Satanic agenda, is by "Gog of Magog" manifestation time period (Eze38), in full power and even overriding 8th King potential "bring many to ruin" objectives of a world military and technology system now in the hands of a sole sovereign power ultimately in Satan's progressive control - and a world weapons system no longer used for national sovereign protection, but available for final functions.
2. Thus we get the gist of a potential worldwide extinction mode that could develop by means of a human war science and weapons network at apex development over the last few years upon an already massive world base development of destructive potential in many forms now in also Satan's hands to some degree, as the "Gog of Magog" symbolic manifestation must have a final meaning.

A. And Satan is permitted a final manifestation - it is required by God:

(Ezekiel 38:7) "Be ready, and let there be preparation on your part, you with all your congregation (Rev19:19-21), those congregated alongside you, and you must become their guard.

3. When we consider Satan is going to the abyss (Rev20:1-3) and can ultimately care less of the 8th King deluded plans to rule the world, we can see his ultimate agenda is what is meant to be empowered by misled mankind in 8th King final control and forming the system of that final destructive empowerment all the while. Satan is not planning to rule the world much longer, he knows his time is short (Rev12:12) and the abyss is where he is going is fully realized.

4. Thus his last hurrah is for a desired final grand slam according to his own understanding of what this period will mean for him and the demons; (Rev20:1-3; Isa24:21-22); And why at some point God must "cut short the days" as Satan will not meet his objective fully. The misled nations (Rev12:9) and 8th King are just a tool of greater demon power and objective for ultimately a final use in their agenda that the 8th King provides the potential centralized system for in some apex form at the end of the period.

5. We can also understand removing the mass religious "harlot" freeloader (Rev17:15-18), upon the scarlet "wildbeast carrying her" (certainly not driving the wildbeast system, but used by it like a "prostitute" in symbolic meaning of spiritually adulterous religions aiding 8th King objectives), in the final sixth plague to seventh plague period (Rev16:12), allows Satan to assume a truly driving role over the "seven headed" "wildbeast" (Rev13:1 national collective and Rev17:3, 11-17 globalist unification) from his "seven headed" "dragon" over-lordship (Rev13:1-3, 5) as the primary superhuman intellectual guide of that whole wildbeast system to a globalized whole uni-polar power authority for his own final objectives.

6. It is also fitting that before that final "winepress" period of Revelation 14:14-20 truly greatest 8th King inspired selective tribulatory period, Christ must arrive and complete Messianic Kingdom as also final complete rival sovereign to effect instead such destructive potential upon the wildbeast system itself, rather than all creation under 8th King going into Satanic control to some fuller degree ceased in time, as Christ uses their own weapons against themselves to some degree. (Hag2:20-22; Zech14:12-14);

7. Thus "great tribulation" is a complete ending for reasons beyond the "tribulation of those days" meaning and after it as results of true 8th King and Satanic uni-polar power fully in their hands for a final period of time. And why Christ arrives to oversee and control that period of time from total ruin "no flesh would be saved" at some point in it's final maturation becomes logical as well for spiritual or physical potential reasons. That he secures the sheep first to be removed from the final theater of divine war globally is also fitting for the main priority of the Christ arrival; salvation.

Tribulation Context of Prophetic Parallel to Daniel 12 Final Fulfillment Replication

1. As in this Daniel 12 preview fulfillment in the 1914-1918 period of an initial Christian ministerial regrouping and world sovereign warning ministry deploying into a world tribulation principle context of WW1, Daniel 12:1 had a preview "tribulation" foregleam fulfillment in 1914 WW1 period. This must repeat in
And during that time Michael will stand up, the great prince who is standing in behalf of the sons of your people. And there will certainly occur a time of distress (great tribulation parallel) such as has not been made to occur since there came to be a nation until that time (Matt24:21); And during that time your people will escape, every one who is found written down in the book.

2. Thus all the tribulatory patterns and 1260 day tribulation pattern, and the Christian ministerial and 8th King developmental parallels (Dan7:25; 12:7 Rev11:2-3; 12:6.14; 13:5), of the initial Christian ministry that became Jehovah's witnesses (1914-1918), are all also interlinked across prophecies to their tribulation 1260 day parallel portion context in 8th King (Rev13:5) and Kingdom of God developmental import (Dan7:25; 12:7), Christian ministerial warning deployment, (Rev11:2-3) and the timed period framework of Daniel 12 to replicate as a reliable underlay of these periods and their meaning for final form - of all the same elements to respective completions.

A. Providing a replication of the core sovereign diametric process framework of 8th King and Messianic Kingdom development, as Daniel 12 and Revelation 8-11, 15-16 timed and sequenced progressions greatly aids the understanding of the final cycle that employs the same means and elements to the same end, but in final form. It's not a "new interpretation" it is simply an awareness it all repeats.

B. The unique 8th King final cycle segway of Daniel 11:42-45 merging into the final fulfillment of Daniel 12 as repeating allows the whole 8th King final cycle since 3rd UN placement to 4th UN placement to update prophetic reality since 1990 all actually fully described in the Daniel 11:30-45 actual 8th King fulfillment details of the final 3rd and 4th UN placements.

C. The unique Daniel 8:13-14 temple judgment co-development and timing also aids understanding where this final cycle is actually starting. Timing it into a replication parallel of Revelation 8 first four trumpets temple judgment meaning descriptions will aid doubting JWs and others to eventually understand what is really going on after that time of initial Daniel 8:14 "evening" confusions laid into the purposeful 8th King aiding Bethel subversion "operation of error".

3. Daniel 8:14 (unique fulfillment) and Daniel 12 (replication fulfillment) timing help gauge the Revelation 8-11 seven trumpets and Revelation 16 seven plagues also replicating final progressions to Armageddon.

4. The unique signal events of Daniel 8:13-14 and the final 8th King developmental cycle of Daniel 11:42-45 activating into this tribulation are the primary unique prophecies manifesting to define this final 8th King cycle start point and 8th King developments of Daniel 11:42-45. These overlaying prophecies provide world and temple tribulation context descriptions and continue after the Daniel 8:14 timed final temple judgment, continuing as the final 8th King progression of Daniel 11:42-45 within the Daniel 11:30-45 3rd (1990; Dan11:31) and 4th (future; Dan11:42-45) UN placement progression.

A. Daniel 11:42-45 8th King intrigues, to start with a world wealth and financial pawning of Daniel 11:42-43, must in time merge into Daniel 12 "during that time" of the final 8th King cycle of the unique Daniel 11:42-45 final 8th King phase activation of the near future for some years as also a final "time of distress" as this final "great tribulation" commencement catalyzes.

5. Daniel 8:14 provides the unique tribulation commencement temple signal, and the initial timing for verification to lead to the extended final time periods of Daniel 12. Daniel 12:7 1260 days will be in an active world tribulation period defining the final phase of the "tribulation of those days" significance; (Rev11:1-7
Great Tribulation Context of 144000 Sealing Completion Prelude

(Rest of the text is not shown in the image.)
(Revelation 7:9-17) After these things I saw, and, look! a great crowd, which no man was able to number, out of all nations and tribes and peoples and tongues, standing before the throne and before the Lamb, dressed in white robes; and there were palm branches in their hands. 10 And they keep on crying with a loud voice, saying: “Salvation [we owe] to our God, who is seated on the throne, and to the Lamb.” 11 And all the angels were standing around the throne and the elders and the four living creatures, and they fell upon their faces before the throne and worshiped God, 12 saying: “Amen! The blessing and the glory and the wisdom and the thanksgiving and the honor and the power and the strength [be] to our God forever and ever. Amen.” 13 And in response one of the elders said to me: “These are dressed in the white robes, who are they and where did they come from?” 14 So right away I said to him: “My lord, you are the one that knows.” And he said to me: “These are the ones that come out of the great tribulation, and they have washed their robes and made them white in the blood of the Lamb. 15 That is why they are before the throne of God; and they are rendering him sacred service day and night in his temple; and the One seated on the throne will spread his tent over them. 16 They will hunger no more nor thirst anymore, neither will the sun beat down upon them nor any scorching heat, 17 because the Lamb, who is in the midst of the throne, will shepherd them, and will guide them to fountains of waters of life. And God will wipe out every tear from their eyes.”

A. Revelation 14, 14:1 also shows the 144000 completion as actual prior to the final sheep and goat parallels of the Revelation 14:14-20 final judgment parallel description to Matthew 25:31-46.

4. The Mark 13:24 "that tribulation" as "tribulation of those days" parallel to Matthew 24:29-31 shows the arrival of Christ as that tribulatory period ends is for a sheep completion work - yet this is not the end of the "great tribulation" but of the "tribulation of those days" portion to complete the final Messianic Kingdom agency to deploy for some time period well before final Armageddon divine war as per Daniel 12:7 timing transitioning into Daniel 12:11 timing meaning. This is as the 1260 days have fully ended as Revelation 11:7-12 events of completion - this "four winds" is thus the "great tribulation" continuing in broader meaning:

(Mark 13:24-27) “But in those days, after that tribulation, the sun will be darkened, and the moon will not give its light, 25 and the stars will be falling out of heaven, and the powers that are in the heavens will be shaken. 26 And then they will see the Son of man coming in clouds with great power and glory. 27 And then he will send forth the angels and will gather his chosen ones together from the four winds (of great tribulation; Rev7:1) from earth’s extremity (earth sheep) to heaven’s extremity (144000 remnant sheep).

5. This is the parallel period leading to the Christ arrival, and the symbolic "two witnesses" symbolic "resurrection" meaning of 144000 completion "come on up here" in the "cloud" present in Matthew 24:30 "clouds" and Mark 13:26 "clouds":

(Revelation 11:7-13) And when they have finished their witnessing (1260 days must complete Daniel 12:7; Rev11:2-3 requirement), the wild beast that ascends out of the abyss (of a final world war/tribulation period) will make war with them and conquer them and kill them. 8 And their corpses will be on the broad way of the great city which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled. 9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days, and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another, because these two prophets (Zech4 temple completion connection) tormented those dwelling on the earth. 11 And after the three and a half days spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them:
Come on up here.” And they went up into heaven in the cloud, and their enemies beheld them. And in that hour a great earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven.

6. Thus the Revelation 6:12-17 sixth seal parallel description of the Christ sheep completing priority arrival event of Matthew 24:29-31 and Mark 13:24-27 parallel event is to secure the sixth seal included, Revelation 7 "sheep" completions shown in both heavenly and earthly groups. This Revelation 6:12-17 sixth seal event is the arrival of Christ (thus why a prelude to seventh seal full Kingdom completion detailing of Rev8-11 seven trumpets) to do such completions first and why it is a sixth seal major event noted as such due to it's completion prelude meaning of the Christ arrival event significance.

A. This is why this event is the climax of that progression (to climax more as seventh trumpet in time), but is still not the absolute "end of the world" of rival sovereigns, but of the start of the Messianic Kingdom 144000 completion and the final sheep securing as it's first priority after 144000 completion under Christ:

(Revelation 6:12-17) And I saw when he opened the sixth seal, and a great earthquake occurred; and the sun became black as sackcloth of hair, and the entire moon became as blood, 13 and the stars of heaven fell to the earth, as when a fig tree shaken by a high wind casts its unripe figs. 14 And the heaven departed as a scroll that is being rolled up, and every mountain and [every] island were removed from their places. ("and their enemies beheld them" parallel:) 15 And the kings of the earth and the top-ranking ones and the military commanders and the rich and the strong ones and every slave and [every] free person hid themselves in the caves and in the rock-masses of the mountains. 16 And they keep saying to the mountains and to the rock-masses: “Fall over us and hide us from the face of the One seated on the throne and from the wrath of the Lamb, 17 because the great day of their wrath has come, and who is able to stand?”

7. Thus Revelation 7 also firmly connects a great tribulation aspect of broadest meaning of which the "tribulation of those days" is just a marked signal portion of. Revelation 7 connects it to 144000 completion meaning and "great crowd" completion meaning as Revelation 14 supporting parallel record of coming final events. We can also understand in the entire tribulation period now extended over the 1260 days sub-"tribulation of those days" meaning, God is using tribulation to in part effect final repentance (Rev15:1; 16:8-11; Rev11:13) with a "portent" of a global wake-up call "rock the nations" for some who will clearly see it is all real and they can take the full opportunity to align with the "sheep" side of the final gathering:

(Joel 2:30-32) “And I will give portents in the heavens and on the earth, blood and fire and columns of smoke. 31 The sun itself will be turned into darkness, and the moon into blood (Matt24:29-31; Rev16:12-17 reference) before the coming of the great and fear-inspiring day of Jehovah. 32 And it must occur that everyone who calls on the name of Jehovah will get away safe; for in Mount Zion and in Jerusalem there will prove to be the escaped ones, just as Jehovah has said, and in among the survivors, whom Jehovah is calling;”

Final Signal and Warning Ministry

1. Thus a temple judgment on a now apostate Bethel system (2Thess2:1-4, 8; Zech3:1-3; 1Pet4:17; Dan8:13-14; Rev8:3-5), and a world tribulatory context into which that must unfold (Rev8-11; Rev15-16), and the ominous news of what it really means once the Bethel "lawless one" is removed (2Thess2:8; Zech3:4-5) allowing a final accurate explanatory ministry (Rev9-11), will all form an initial and ongoing signal for people. The world must be made aware of this development and what it means as a certain prophetic
and world event trajectory, with key Kingdom and 8th King milestones in progress with more to come, as the final prophetically mapped trajectory to actual Armageddon.

2. That a temple judgment (Rev8) leads to a purification and recovery (Rev9) and a final "little scroll" deployment (Rev10) as "two witnesses" (Rev11) into that tribulation as final warning, will aid awareness of the final meaning and Kingdom completion certainty and all it implies in Har-Magedon final meaning as the 8th King is also completing a globalist unification sovereignty of all nations now fully defying a second Kingdom sovereign warning. (A true "appointed times of the nations" expiration and 8th King "eviction");

A. Thus UN world government world news is the secondary world seen development to use as an indirect means to gauge the actual Har-Magedon arrival. UN completion will approximately be concurrent with Christ Messianic Kingdom completion as per Daniel 12:11 activation period. But Christ is going into a sheep "gathering" mode of extended nature from the Daniel 12:11 timing - not an immediate end.

(Psalm 110:2) The rod of your strength Jehovah will send out of Zion, [saying:] "Go subduing in the midst of your enemies."

3. Thus the "tribulation of those days" upon the Christian anointed "Jerusalem" "holy city" from temple judgment desolation and purification (Dan8:13-14; Rev8:3-5), to final ministerial recovery (Rev9-10) and final cessation by 8th King resistance (Dan11:44 parallel Rev11:7), is to become a great signal period of the final cycle of prophecy and final 8th King world government development sure to trigger the Armageddon Messianic Kingdom final response in time - as God's own final tribulation.

3. **God's Tribulation**

1. Now that we see former world and ministerial history of 1914-1919, prophecy, and 8th King developmental history all indicate the "great tribulation" can be understood in far more detail than is presently known by Jehovah's witnesses organizationally and the world as a whole, and it can be connected in a reliable timeline (Dan8:14; Dan12) to see it's greater significance of some elements, such as the "tribulation of those days" within it.

A. We see the tribulation starts as a temple judgment and world signal, is used by 8th King powers, and is a prelude to Christ's final arrival as both 8th King and Messianic Kingdom complete at the period after the "tribulation of those days". (Matt24:29-31);

2. Thus we also know how an 8th King "world peace" can also have destructive operations "during a freedom from care", with destructive operations going on in Daniel 11:44 and Daniel 8:25 concurrent (Rev11:7 parallel) within that final world "peace and security" period (1Thess5:1-3). That can all take place while the 8th King is completing world government, and completes it as "disgusting thing" full final placement (Dan12:11 parallel), while a final removal of any resistors and certain prophetic entities is going on simultaneously.

A. The prophetic parallels of the same period give added detail and meaning.

3. And thus that "those who make tribulation" as 8th King resistors upon Christians in this climax period must eventually get a divine payback of a divine "tribulation" now to come upon the 8th King and wildbeast
supporters globally to end the whole "great tribulation" period as God repays "tribulation to those who make tribulation for you":

(2 Thessalonians 1:6-10) This takes into account that it is righteous on God's part to repay tribulation to those who make tribulation for you, 7 but, to you who suffer tribulation, relief along with us at the revelation of the Lord Jesus from heaven with his powerful angels 8 in a flaming fire, as he brings vengeance upon those who do not know God and those who do not obey the good news about our Lord Jesus. 9 These very ones will undergo the judicial punishment of everlasting destruction from before the Lord and from the glory of his strength, 10 at the time he comes to be glorified in connection with his holy ones and to be regarded in that day with wonder in connection with all those who exercised faith, because the witness we gave met with faith among you.

A. This is how we know too the "great tribulation" is created, "who make tribulation" by humans, ultimately 8th King for now known world government purposes.

4. Thus that event, apparently concluding the Daniel 12:11 1290 period of Messianic Kingdom complete "Court" (Dan7:26), ends the "great tribulation". It would be the Armageddon divine "war of the great day of God the Almighty" parallel.

5. And we see due to 144000 completion that had to precede a full Messianic Kingdom final Kinging of Christ as King-Priest (Zech4:6-9; 6:9-15), only earth sheep are present of all the sheep to survive as eye-witnesses of that final conquest "to be regarded in that day with wonder in connection with all those who exercised faith" in that earthly "great crowd" delivered "out of" the "great tribulation" by God and Christ's sovereign retort.

(Zechariah 12:7-9) “And Jehovah will certainly save the tents of Judah first (anointed remnant gathered fully before earth sheep at Mark 13:27 sequence) to the end that the beauty of the house of David (previously glorified anointed spirits with Christ "David" and the beauty of the inhabitants of Jerusalem (collective whole "flock") may not become too great over Judah. (Kingdom domain); (144000 completion "beautification" "balance" is met) 8 In that day Jehovah will be a defense around the inhabitants of Jerusalem; (By full Kingdom forces implied in Kingdom/temple completion previous and the one (humans) that is stumbling among them (inhabitants of Jerusalem; thus includes human counterparts in fullest meaning) must become in that day like David (a human symbol of faith miraculously filled with holy spirit - not stumbling any longer) and the house of David (144000 with Christ) like God, like (Michael Mighty God) Jehovah’s angel before them. (as the "wall of fire" of Zech2:5 protecting the "great crowd" at Armageddon period) 9 And it must occur in that day (Armageddon) [that] I shall seek to annihilate all the nations that are coming against Jerusalem. (Including earthly interests);

6. Now we see the "tribulation of those days" ending is not the same as the "great tribulation" ending. The "tribulation of those days" provides a final wake up call and warning period meaning while the 8th King again uses world tribulation to obscure again a Kingdom sovereign message (Rev10:11), and to call attention to 8th King world government hope (Rev13:3; 17:8), by tribulation peace resolution with great potential world recovery "freedom from care".

7. Thus for many of earth's inhabitants and all the nations now under 8th King super-sovereign "north" uni-polar culmination, the greatest world recovery of all world history (for some people) is what the "tribulation of those days" is actually ending into as far as 8th King objectives for that tribulation use to present a world peace final sovereign world government and final sovereign rulership statement as believable and acceptable as possible.
Some Key Adjustments Out of Current Bethel Deceptive Fictions

Jehovah’s Witnesses Judged First, Babylon the Great Judged at the End of the 8th King Final Cycle to World Government

1. The final period begins with a JW judgment as a signal of a later assured world judgment “the judgment” totality:

(1 Peter 4:17-18) For it is the appointed time for the judgment to start with the house of God. Now if it starts first with us, what will the end be of those who are not obedient to the good news of God?
18 “And if the righteous [man] is being saved with difficulty, where will the ungodly [man] and the sinner make a showing?”

2. Babylon the Great's (BTG) judgment is late in the final cycle, not at it's start, as a sixth plague maturing event seen in the removal of Babylon the Great "Euphrates" river symbol of world support of "peoples and crowds and nations and tongues" (Rev17:15) as the globalization "gathering" of all the nations is maturing into 8th King world government as a deep tribulation sixth plague event:

(Revelation 16:12-16) And the sixth one poured out his bowl upon the great river Euphrates(Parallels 6th trumpet), and its water was dried up, that the way might be prepared for the kings from the rising of the sun. (Babylon the Great being set-up for Revelation 17:15-17 parallel events by removal of human defenses (Rev17:15))
13 And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. (complete 8th King globalizing influence culminating)
14 They are, in fact, expressions inspired by demons and perform signs (have a valid angelic scientifically based success guaranteed)and they go forth to the kings of the entire inhabited earth (culminating in this final period)to gather (globalization basis) them together to the war of the great day of God the Almighty (parallels Revelation 17:12-18 and Daniel 11:42-43 sovereign culminations into globalist 8th King power)
15 “Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness.”
16 And they gathered them (by Dan11:42-43 and Rev17:11-17 8th King wealth and power consolidations; globalization completions culminate this process into a world government) together (into final 8th King globalist unification symbolized in completion by 4th UN "placement" and proclamations) to the place that is called in Hebrew Har–Magedon. (Joel 3:9-17; Dan2:31-45);

3. And that national sovereign transfer of power to globalist elites in the 8th King globalized world administrations crystallizing into a full world government in this Revelation 17:11-18 final sequence as a progressive time period also includes the parallel Babylon the Great concurrent deposition as spiritual sovereign (Rev17:18) in this parallel final period to culminate with Revelation 16:12-16at the end of the 8th King final cycle heading into 8th King world government sovereign uni-polarity:

(Revelation 17:11-18) And the wild beast that was but is not, it is also itself an(globalist)eighth [king], but springs from the seven, and it goes off into destruction. 12“And the ten horns that you saw mean ten (national) kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the (globalist)wild beast. 13 These have one thought (sovereign expansion and or
preservation), and so they give their (national based) power and authority to the (globalist apex forming) wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so]: 15 And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns (national powers) that you saw, and the wild beast (globalist power), these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire. (absorbing religious sovereignty and assets) 17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their (national based) kingdom to the (globalist ascendant) wild beast, until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth.” (the target religious sovereignty);

4. And that sixth plague has a sixth trumpet direct parallel "Euphrates" reference:

(Revelation 9:13-15) And the sixth angel blew his trumpet. And I heard one voice out of the horns of the golden altar that is before God say to the sixth angel, who had the trumpet:“Untie the four angels that are bound at the great river Euphrates.” (angels who effect BTG vulnerability) 15 And the four angels were untied, who have been prepared for the hour and day and month and year, to kill a third of the men. (Symbolic: Many leave BTG to find individual salvation to Christ directly, in fact he will be in planet Earth's domain permanently, yet true God anointed sovereign Mighty God);

Babylon the Great Deposed After 144000 Completion at the End of the Cycle

1. Thus Babylon the Great is present and aiding the whole final cycle, including the "two witnesses" ministerial cessation; Revelation 14 shows the Babylon the Great deposition statement is after the Revelation 14:1 144000 completion:

(Revelation 14:1-8) And I saw, and, look! the Lamb standing upon the Mount Zion, and with him a hundred and forty-four thousand having his name and the name of his Father written on their foreheads... 8 And another, a second angel, followed, saying:“She has fallen! Babylon the Great has fallen, she who made all the nations drink of the wine of the anger of her fornication!”

2. Revelation 16:17-19 seventh plague Christ "air" arrival to complete the 144000 (1Thess4:17) precedes Babylon the Great's final destruction in Revelation 16:19:

(Revelation 16:17-19) And the seventh one poured out his bowl upon the air. At this a loud voice issued out of the sanctuary from the throne, saying:“It has come to pass!” 18 And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great. 19 And the great city split into three parts, and the cities of the nations fell; and Babylon the Great was remembered in the sight of God, to give her the cup of the wine of the anger of his wrath.

3. The "two witnesses" are shown dead upon the "broad way" of the Christendom portion (Matt7:13) of the overall Babylon the Great "great city" meaning (Gen10:8-12; Rev17:18; Rev18) needing to be present even after the "two witnesses" are killed in final fulfillment as the place displaying a removed "two witnesses" final Kingdom warning ministry in symbolic form:

(Revelation 11:7-8) And when they have finished their witnessing, the wild beast that ascends out of the abyss will make war with them and conquer them and kill them. 8 And their corpses will be on the
broad way of the great city (still existent as BTG) which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled.

4. Thus the coming tribulation, as severe as it is, must resolve into an 8th King world recovery at a period that will also see the Christ manifestation for also a simultaneous Messianic Kingdom completing purpose, not yet "the end", and the whole period is thus a warning period even into Babylon the Great's destruction into an 8th King world government "world peace" effect, for people to take advantage of the Messianic Kingdom offer to be saved in Christ's sacrificial free offering to all:

(Revelation 14:6-7) And I saw another angel flying in midheaven, and he had everlasting good news to declare as glad tidings to those who dwell on the earth, and to every nation and tribe and tongue and people, 7 saying in a loud voice: “Fear God and give him glory, because the hour of the judgment by him has arrived, and so worship the One who made the heaven and the earth and sea and fountains of waters.”

(Revelation 18:4) And I heard another voice out of heaven say: “Get out of her, my people, if you do not want to share with her in her sins, and if you do not want to receive part of her plagues.

(Revelation 14:8-12) And another, a second angel, followed, saying: “She has fallen! Babylon the Great has fallen, she who made all the nations drink of the wine of the anger of her fornication!" (Then the final 8th King entity present for the final judgment:) 9 And another angel, a third, followed them, saying in a loud voice: “If anyone worships the wild beast and its image, and receives a mark on his forehead or upon his hand, 10 he will also drink of the wine of the anger of God that is poured out undiluted into the cup of his wrath, and he shall be tormented with fire and sulphur in the sight of the holy angels and in the sight of the Lamb. 11 And the smoke of their torment ascends forever and ever, and day and night they have no rest, those who worship the wild beast and its image, and whoever receives the mark of its name. 12 Here is where it means endurance for the holy ones, those who observe the commandments of God and the faith of Jesus.”

5. We also see the current Bethel engineered theology with the signal "disgusting thing" UN (UN NGO) alliance is designed to bewilder JWs in the final cycle with a severe transgression also operative ensuring a JW organizational desolation in the commencing period to continue as JWs think it is "the attack on Babylon the Great" and an "end of the world" that will not transpire as JWs expect, leaving those JWs deceived by Bethel in mass confusion and scattered condition.

A. That deception is designed to conceal events coming on Bethel as temple judgment ramifications made to appear for fraudulent reasons present in the Bethel engineered "explanations" for this purpose.

Daniel 11:44-45 Next Bethel Deception

1. The next smokescreen already programmed into the Bethel "operation of error" (2Thess2:11-12) is positioned at the Daniel 11:44 deception as Bethel promotes the lie that the USSR, as mythical "King of the North", already fulfilled Daniel 11:42-43 as the Bethel mythical "ruler of the [worldwide] silver and the gold" and outright owner of all the national powers' "desirable things" as the bankrupted and defunct "Soviet Union".

A. In reality Daniel 11:42-43 activates in the future as the 8th King wealth "pawning" financial globalization process:
And he (8th King/King North) will keep thrusting out his hand against the (national) lands; and as regards the land of Egypt (collective national powers; King South "capital"), she (feminized King South) will not prove to be an escapee. (captured by globalist power intrigues of first a financial nature:)

43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (Thus 8th King/King North rules the world wealth, wealth system and all "desirable things" of national "Egypt" "King South" powers in full globalist progressive ownership);

2. Of course such a future development clearly already programmed into massive national debt conditions worldwide will be an 8th King actual globalized wealth rulership as Daniel 11:42-43 rather explicit meaning of a "gold" rulership global.

3. Thus whatever events develop in the Daniel 11:42-43 intrigues going global, for the Daniel 8:13 initial "trampling" of the JW "army and holy place", can now be made to look like Daniel 11:44 activating by use of this Bethel engineered theology made possible at this advanced position and "on hold" (Dan11:36) by retaining the USSR as King North fiction for over twenty years. A new fraudulent King North entity can also potentially be promoted by Bethel to extend the illusion at that time.

A. The Daniel 11:45 next development as also then prematurely advanced in the JW collective mindset thus naturally implies the "end of the world next" expectation as also to able to deceive JWs in a period that must go on for some years - at a completely different position in the actual prophecy.

4. Since Daniel 11:42-43 is a "clear as a bell" 8th King world wealth and finance globalization phase is what marks a feature of the final cycle activating, Bethel is prematurely advancing JW expectation too far in Daniel 11, and out of sync with the actual 8th King globalization process (a globalization that culminates into world government).

5. Thus JWs are also expecting a premature "end of the world cycle" as Bethel also co-promotes the idea among JWs that "the end can come any day now brothers!". In reality Daniel 11:42-43 intrigues will continue as the whole of Daniel 11:42-45 8th King final cycle of globalization leading to 8th King complete world government. In that cycle commencement - to go on for some final years - Bethel can present those intrigues as Daniel 11:44-45 prematurely as an "end of the world" error.

A. And by that the confusion among JWs in an actual Daniel 11:42-43 context developing for a Bethel desolation temple judgment signal of Daniel 8:13, perceived as Daniel 11:44 activating for completely different reasons in the deception expectation, JWs will then be in total confusion for a period in that final cycle commencement, as what JWs expect will not manifest as Har-Magedon, but must continue as temple judgment into the final cycle beginning, not ending.

6. But since a tribulation will be manifesting amidst a Bethel organizational desolation that much of the temple judgment desolation reality, unknown as such to JWs, will fit the Daniel 11:44 Bethel hoax. JWs will indeed expect an "attack", but will not know it is Daniel 8:13 first 8th King "trampling" temple judgment requirement, but will think it is Daniel 11:44 attack mode, which will be a prematurely expected event of the end of the cycle that JWs can then apply incorrectly to the Bethel "trampling" event as already set up in the Bethel engineered theological error.

7. Thus JWs will not perceive a final cycle activation and will not perceive the temple judgment actually starting the final cycle for quite some time, but will think it is simply "the end" for some lost years in the Daniel 8:14 "evening" period of darkness (Hos6:1-3) as parallel of the Revelation 9 "abyssed" state JWs are actually heading into as timed temple judgment desolation requirement. Now we know why recovered JWs for the
Revelation 9-11 progression are in "sackcloth"; (Rev11:2-3);

**Bethel's Peace and Security Carrot**

1. Since we know by prophecy and 8th King developmental progress and history a final cycle is required, we know a true final 8th King complete world government world "peace and security" statement cannot be a real thing until the end of the cycle. Thus we are suspicious of Bethel's use of this "peace and security" primed expectation amongst JWs so prevalent in Bethel literature. We will just have to wait and see if a premature application of that event is also used to kick off the Bethel desolation events aiding JW misperception of what is really activating.

**Great Tribulation**

1. Although Jehovah's witnesses have the general truth a tribulation of unique global magnitude will develop, as we see the detailing possible from the last twenty years of 8th King expanding globalization as the formative basis of a world government progressing in modern prophetic threads of great insight from the Bible is not connected in Bethel teaching.

2. The purposely deceptive and ambiguous Bethel theological teachings and stagnation in the past and it's promoting the general "great tribulation" ambiguities aids the process of uncertainty, while claiming otherwise. Instead the "great tribulation" is to be perceived by JWs as basically the "end of the world", when in fact it is a process of final globalization acceleration just beginning. Thus Bethel can aid that development by bewildering JWs when that process begins in Daniel 11:42-45.

3. A final cycle is not known by JWs organizationally at present, nor is the temple judgment requirement, and obviously the active apostasy within Bethel is also not understood.

**United Nations Tracking Derailing and Misperception**

1. By Bethel losing track of the four United Nations developmental placements since the 3rd UN placement was concealed by Bethel in 1990, JWs are also not understanding the progressive manner in which 8th King world government must form at the end of the final cycle. To JWs the "United Nations" "image" (Rev13:11-15) is the apex world sovereign, when in fact it is just an "image" of 8th King world government as it's international hub. The UN and world government are what complete 8th King and "scarlet wildbeast" global totality.

2. So to JWs all 8th King development came to an apex in the 1945 2nd UN placement (Rev17:8-11), and the Daniel 11:30-45 final two UN placements as a continuum since 1990 (3rd UN placement, Dan11:31b) is considered to be a national progression of power in the WW2 era in Nazi Germany and the USSR, in still maintained error, according to Bethel's purposely misleading "theological" policy of cover-up, stagnation and stumbling.

3. Thus the very detailed prophecy that explains what is really going on in 8th King final developments as the final "King North" and the Bethel apostasy accompanying the progression, actually fully aiding it, is also off the JW radar of awareness. And by that United Nations tracking stall and diversion after 1945, JWs do not perceive a required 8th King world government, in addition to it's UN "image" is required before Christ manifests, for he is not coming to conquer a seventeen acre UN complex in New York State - he is coming for the whole earthly planetary system which will be the then sovereign domain of the 8th King world government comprising all nations when that final required rival sovereignty completes as actual 8th King, and
stated as such (1Thess5:1-3), over the final cycle.

4. In the meantime what started as a valid Christian ministry properly tracking UN 8th King developments parallel to Messianic Kingdom developments since 1914 to the 2nd UN placement of 1945, is now fully subverted by the Bethel apostasy. JWs do not understand as well that the Messianic Kingdom also must be a complete universal sovereign power. That is all 144000 must be present for Christ to complete Kingdom final coronation by God and to complete the temple arrangement all based on the "body of the Christ" as completed based on Christ's foundation (1Pet2:4-6; Isa28:16) to then be completed as Jesus Christ is set by God as final King of kings in final Messianic Kingdom kinged form (Rev19:11 "many diadems") and as the temple crown-stone finality (Zech4:6-9; 6:6-10), now full King-Priest as foretold (Zech6:9-15), and certain, and then also complete as the 8th King designate conqueror. (Ps110);

5. Then the two complete "kings" and "kingdoms" can meet at the Har-Magedon "war of the great day of God the Almighty" (Rev16:13-21) to settle the sovereign issue of earthly world rulership (Rev19:11-21), and with Christ and Satan the universal sovereign issue is also settled. (Rev20:1-3; Isa24:21-22);

**Coming JW Bewilderment and Scattering Phase**

1. In any event the UN NGO is not the end of the Bethel subversion story, but it's main red flag. We see Bethel has a "self fulfilling prophecy" in place amongst JWs that can make Bethel desolation events of the 8th King final cycle starting, look like "the end" to JWs misled by these Bethel purposeful deceptions. Such prophetic error already well programmed into the collective JW psyche organizationally, is actually providing a great hoax potential to aid final 8th King development from being exposed as prophetic fulfillment as long as possible.

2. That trend of concealing 8th King prophetic developments in modern UN and world events fulfilling critical prophecy markedly manifest since the 1990 3rd UN placement is now well rooted at Bethel. It is also now full of other red flags of what Bethel is also doing engineering a manufactured theological set-up to further aid also the UN 4th placement cycle to also aid 8th King secrecy. Not connecting King North to 8th King activity in Daniel 11:30-45 since 1990 is also part of the Bethel overall deception campaign for 8th King purposes in addition to the UN NGO signal alliance.

3. Thus a Bethel Daniel 8:13 8th King inspired "trampling" can be made to look like the fictitious Bethel promoted premature attack on Babylon the Great starting. JWs will then eventually potentially perceive a Daniel 11:44 activation way out of sync with reality. Together it is a recipe for a few years of total JW bewilderment in what is actually a multi-year final phase of 8th King required final world government developments in a multi-year global tribulation context to go on for some years in front of derailed JW faces, with no expected Christ arrival and Armageddon, until some Daniel 8:14 "morning" temple recovery phase lights go on.

    **Instead Bethel will be 8th King desolated to some severe degree (Dan8:13), and JWs will all the while have thought it was "prophecy fulfilling". Which it is, just not the prophecies JWs will be misled to believe are fulfilling.**

4. And thus in time will the Bethel apostasy come to an end by the hand of God as temple judgment concluding; (1Peter4:17; Dan8:13-14; 2Thess2:8; Zech3:4-5). Revelation 8-11 will be what has activated with Daniel 11:42-45 as Revelation 16 parallel into which actuality JWs will be "abyss" released in Revelation 9 parallel to that temple judgment "morning" phase temple recovery of Daniel 8:14.
5. God will instead be requiring a final Kingdom completion ministerial push into the greatest tribulation of all world history in progress heading to 8th King complete world government and Christ's parallel Messianic Kingdom completing manifestation. (Rev10:11; Rev10-11);

**Required 8th King and Messianic Kingdom Sovereign Completions**

1. An 8th King globalist unification "scarlet wildbeast" sovereign totality (Rev17:8-18), administered through the international collective wildbeast subservient national systems (Rev13:1) is a prerequisite apex sovereign completion required before Christ can actually arrive to complete the Messianic Kingdom 144000, under his final Kinged rulership, and actually have a sovereign rival to depose. Christ cannot arrive prematurely as many expect, for no full 8th King completion of rival sovereignty and final world rulership claims globally publicly stated yet exist. (Dan11:42-45; Rev16:12-16; Rev17:11-17; 1Thess5:1-3);

2. The UN alone is not that world government, just it's "image".

**Great Tribulation in General**

Since this period is really a formulaic stressing of the national powers at unique global scale for a final national sovereign capitulation to world governmental authority (Rev17:11-18), being overseen by the already richest and most powerful 8th King system in it's own history, it's "great tribulation" manifestation will be complex and severe but not total world collapse or the immediate "end of the world". It is an engineered fourth cycle based on former renditions of a well designed national financial engine compromise also meant to progress to a globalized financial solution over time of a climax in military related intrigues to also stress national governmental bodies, as well as commercial, business and institutional entities.

The purpose is a final cycle of globalist 8th King consolidations of the power and wealth extracted from the divided nations while creating the "birthing" "pangs of distress" and desperation to "birth" final world government as the "only hope" and final "solution". Tribulation accelerates that process, and 8th King systems with be the only solution for the national engineered meltdowns.

Once this great tribulation begins, the "tribulation of those days" element will not end until world government is being achieved.

Though one cannot know the true nature of the events to come upon a world of complex interaction where monetary functioning is the core fuel of the systems, it is good to understand it is a process intended to form a recovery as the 8th King goal it is not an ambiguous end scenario, it must have the foretold recovery climax and preceding "great tribulation" conditions. Given the varied nature of nations and their individual state systems also enslaved to monetary and finance systems systemically and internationally making economies subject to various "breakdown", the actual wealth backed (rather than debt fueled) financial element is a key to 8th King ultimate control as the primary means of coercion.

That core 8th King power will only get stronger and actually be a world wealth and ownership ruling system (Dan11:42-43), as a primary first goal. That is a clue it is not an absolute world collapse coming, but an engineered one of historic proportions utilizing the debt framework and casino like financial apparatus already in place, already designed to achieve this effect in a controlled manner. Like a casino someone programs the games and someone understands the science and mathematics, it is not random mayhem as it appears to be.

This financial controlling globalization process is found in the simple features of the Daniel 11:42-43 wealth
and ownership globalization concept, which extracts final financial power to the 8th King system, a "King North" national "pawning" process, to levels already designed at globalized legal levels to transcend national governmental power for final sovereign definitions when the time comes for such "recovery" foundations.

The 8th King is, generally speaking, a private power system, it's own forming super-sovereignty, composed of many organizations and corporations now shelling the national powers in trans-national fashion in mostly unseen but ever present ways, well designed and ever growing in authority. The Revelation 13:16-18 economic nature of coercion of national powers, groups and individuals based on financial strategies is directly connected to the 8th King Daniel 11:42-43 wealth globalization meaning at a level far beyond former national or national bloc power. By prophecy it is guaranteed a final cycle will develop and all nations will be consolidated in a global world power structure of a globalist unification 8th King uni-polar yet collective global sovereignty. (Rev16:12-16; 17:8-18);

Thus in all the world wars ultimately planned and funded by core elite systems for all combatant sides, and powered by an industrial technology core and financial, military and political technocratic guides behind the scenes for empowering that globalist elite core in every cycle while indebting nations before, during, and after the cycle, this process is actually well designed. It merely repeats at larger scales in each cycle. It must have descending levels of ignorance to carry out in the national powers fueled by ideological, religious, commercial and nationalistic issues that are not the core globalization set-up issue that is actually what is taking place since even WW1. And that globalization process is also dynamic before, during, and after these former world war cycles. It keeps growing and going to it's intended goal: world government.

Thus national elites attempting to preserve a sovereignty (Rev17:12-17), ultimately going into global levels of power, are also wealth and finance dependent and in that "pyramid" of national power attempting to preserve itself, yet needing it's national societal base maintained, are now to be fully subject to the core globalist enormous wealth and monetary "pyramid" controllers positioned as actually now the only solution, now due to national levels of enormous debt that does have an overall well diffused yet central master creditor operating through the subject nation, other nations and their financial and investment trans-national corporate networks. While everyone is focused on the national debt, few picture the globalist creditor.

The point is the tribulation will work out in complex and varied ways. There must be ebbs and flows in sub-cycles working out 8th King objectives behind the developments. Even now nations differ in their economic development and strength, yet it is all subject to "fuel" in various forms including monetary. Thus the tribulation will ebb and flow, have peaks and troughs of various ramifications in financial, military, governmental and commercial realms which will affect all nations to varying degrees, in common and unique ways, as the effects cascade down to the street and go on for some duration.

Knowing it is not a devolution to the end of the overall "system of things", but a final evolution to completed globalization administrations collectively forming into a very real world governmental "power and authority" sovereignty, can be helpful to dispel the coming confusions sure to manifest. Because though it will be a tribulation of world scope impact, confusions merely aid the process. And there are plenty of world government and financial intrigue descriptions out there, but unreliable big picture. Even Jehovah's witnesses are in a 1970 level of globalization awareness as the primary "gathering" power to culminate the Har-Magedon meaning. as globalization must lead to it's world government biggest picture No access to reliable central information, but plenty of philosophical distractions, is what keeps nations divided within and without and subject to private powers that are now too well organized, unified and deeply internationally installed to be reversed now, but must complete a final sovereign consolidation.

A globalist momentum taking a good two hundred years of applied war and financial strategies, climaxing in a
world war cyclic finance and industrial engine in the last 100 years, cannot simply be reversed by the weaker elements just catching on to what is going on. It would require a similar progression of time and power to reverse the globalist trend. Divided and misdirected national power aiding the somewhat hidden globalist goal are not going to unify to defy, but to empower the 8th King.

It is basically too late, the 8th King boys knew what was going on even before WW1 to have orchestrated such an event with the proper financial circuitry, industrial base, globalizing militant direction and governmental delusion necessary to carry out a 300 billion dollar WW1 gravy train engine start-up while indebting national powers to the tune of 50 billion dollars, while embedding the powerful corporate network in these nations administering the "recovery". By WW2 it was a 5 trillion dollar gravy train packing the hard wealth to the globalist, doling out the debt to the nations, and thus it compounds geometrically, and the final cycle will tip the power balance to the point of no return affirming it is already at the point of no return.

And that is how they set up a reliable power progression to rule the world when the 8th King completes an actual final sovereign power and proclamation. (Dan8:25; 11:45; 12:11; 1Thess5:1-3);

And in that power and wealth consolidation equaling ultimate sovereign defining authority (Rev16:12-16; 17:11-18), at worldwide scale, we know a core 8th King system will in fact get richer and more powerful in the process, and it's required national entities over and into national powers will also get stronger and more developed as the national stressed target entities, to capitulate in some form as units within the nations and states, are aligned or absorbed into the central power system. (Imagine the Babylon the Great process of Revelation 17:15-18 applied in principle to other global institutions in the concept of "new world ordering"). That process is what global tribulation aids and accelerates - reliably - formulaically - scientifically - certainly. Lack of reliable information and the big picture at national and individual level aids the process, "divide and conquer" so to speak. The less people know the better for 8th King world government.

But we do have a reliable information source and repeating patterns in world and spiritual dimensions that aid understanding the final cycle.

God's prophecy is the reliable information when it is explained in it's big picture. God's Kingdom coming to earth as the final world rulership. (Matt6:10) The Bible is already mostly prophecy that actually has become world history. Thus the rest of prophecy must also become world history to a completion, and in that is the reliable future forecast now also seen in world governmental news and research now proliferating at global scales. Thus a final cycle and a final warning, rather than an instant "end of the world" scenario is what the big picture contains. Even the 8th King requires a final cycle to complete world government and the tribulation aids the process as described in concept here.

Because God desires none to be destroyed a final cycle is also guaranteed as a warning wake up call for many. It is GUARANTEED God will give the world an ever clearer final warning and free invitation to go under His Kingdom power. As surely as the 8th King is also attempting to take control, nations will have only two choices in the final cycle climax, God's Kingdom or 8th Kingdom. That the world in general is handed to the 8th Kingdom for a while is designed into what objective it is already serving like it or not: human world governmental completion.

Thus this must have a final outworking over a number of years, and it will not be predictable but in a general sense due to the globalist and national system complexities and advanced planning being implemented in this final cycle to achieve the 8th King world government goal. But we know a tribulation will also be part of a big world signal forming as in time the complete prophetic information must also emerge as a "little scroll" final sovereign description of also final Messianic Kingdom developments purposed to converge into the 8th King
climax as foretold.

Salvation is God's first goal by the Christ free access to such a reality. Thus the sheep determination, and making the "right side" of that gathering is an offer to be open to all people. It cannot ultimately have an organizational human intermediation, Christ is the only party leading to God. The Bible is the direct message from God to humans. From what will happen to the JW worldwide organization we will know this is true. From what is slated for Babylon the Great we will also know this is true. Free access to the Christ life paid ransom is what must be made fully known. Individual repentance is between the person, Christ and God. But it is important to personally make a full capitulation to the Kingdom of God as God's sovereign agency coming, because God cannot be fooled. Yet God also offers Christ's pass into that salvation, at a time it will be needed.

We merely have a reliable rationale and prophecy that it takes a few last years to reach that climax condition, but a world recovery is the 8th King goal, as usual, not absolute 100% collapse. In fact the 8th King is already in 50% world resource control, in some areas more, many national elites already understand world government is inevitable, thus they will align their own power to achieve the world globalization goal to form world government as surely as tribes became states and states became nations, nations must become states of a globalized whole sovereign power in this irreversible evolution. Prophecy also indicates this will occur.

Meaning they plan to rule the world not destroy it. Yet as described by Bible awareness more powerful superhuman demonic entities are who is actually driving the plans of 8th King "mice and men", and ultimately their agenda is what will be empowered. (Eze38); Getting to that point is their objective as well in the final cycle of Adamic human power. We have the basic understanding as in Genesis 11, world governmental completion will trigger a divine response. (Zeph3:8-9, and incidentally a language reset relating to Genesis 11 divine intervention);

But we also know God is mapping out the trip to Armageddon with marked milestones along the way in prophecy and world events with enough time to take advantage of the realization that when human 8th King world government comes first in what will be a marked completion process, so will God's Messianic Kingdom of Christ also arrive for a completion and salvation phase prior to full sovereign resolution of just who the universal super-power authority shall be that rules planet earth forever.

We see in the logic of a final cycle the need of a completed final human 8th King sovereignty, and it's public proclamation of such world rulership. Christ cannot arrive prior to such a completion, but in it, as the required 8th King culminated defiant world rulership system. Thus a final sovereign cycle of both kingdoms is needed, or else Christ would arrive into a world system with no actual defined rival sovereign at apex.

We can assume that as the tribulation cycle is maturing and going towards completion, the 8th King will get more vocal as regards the world government intent and inevitability. And in those milestones preceding a final "peace and security" is a way to monitor the approximate actual arrival of Christ and Armageddon, for a completed rival 8th King in totality of "scarlet wildbeast" "image and world government is required for final sovereign resolution, as is the Messianic Kingdom 144000 completion to also give news concerning it's own final phase to full maturity prior to it's completion.

The Kingdom completion priority in all 144000 to complete the temple significance of Christ's crown stone "capping" (Zech4:6-9) as Messianic Kingdom officially crowned King of kings (Rev17:14; Rev16:11-21 prerequisite) as King-Priest (Ps110; Zech6:9-15) is what Jehovah's witnesses have lost focus of by in part losing tracking of the rival 8th King live developments and progression of Daniel 11:30-45 due to Bethel and Governing Body subversion, also foretold;
This makes the temple judgment required (Zech3:1-3; Dan8:13-14; Rev8:3-5; 1Pet4:17) as well as foretold for the final prophetic fulfillment cycle for the purification (Zech3:4-5) and final clarification leading to "little scroll" commission (Zech3:6-8; Rev10) and reception. Then the final "two witnesses" eventual final 1260 day Messianic Kingdom completion invitational and sovereign proclamation to conclude the "tribulation of those days" (Rev11) will take place as foretold.

(Revelation 10:5-7) And the angel that I saw standing on the sea and on the earth raised his right hand to heaven, 6 and by the One who lives forever and ever, who created the heaven and the things in it and the earth and the things in it and the sea and the things in it, he swore: "There will be no delay any longer; 7 but in the days of the sounding of the seventh angel, when he is about to blow his trumpet, the sacred secret of God according to the good news which he declared to his own slaves the prophets is indeed brought to a finish."

(Revelation 11:15-19) And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: "The kingdom of the world did become the kingdom of our Lord and of his Christ, and he will rule as king forever and ever." 16 And the twenty-four elders who were seated before God upon their thrones fell upon their faces and worshiped God, 17 saying: "We thank you, Jehovah God, the Almighty, the One who is and who was, because you have taken your great power and begun ruling as king. 18 But the nations became wrathful, and your own wrath came, and the appointed time for the dead to be judged, and to give [their] reward to your slaves the prophets and to the holy ones and to those fearing your name, the small and the great, and to bring to ruin those ruining the earth." 19 And the temple [sanctuary] of God that is in heaven was opened, and the ark of his covenant was seen in his temple [sanctuary]. And there occurred lightnings and voices and thunders and an earthquake and a great hail.

(Psalm 2:1-8) Why have the nations been in tumult And the national groups themselves kept muttering an empty thing? 2 The kings of earth take their stand And high officials themselves have massed together as one Against Jehovah and against his anointed one, 3 [Saying:] "Let us tear their bands apart And cast their cords away from us!" 4 The very One sitting in the heavens will laugh; Jehovah himself will hold them in derision. 5 At that time he will speak to them in his anger And in his hot displeasure he will disturb them, 6 [Saying:] "I, even I, have installed my king Upon Zion, my holy mountain." 7 Let me refer to the decree of Jehovah; He has said to me: "You are my son; I, today, I have become your father. 8 Ask of me, that I may give nations as your inheritance And the ends of the earth as your own possession.

Daniel 12 Repeats to UN 4th Placement as Complete World Government 8th King

The Daniel 8:14 Temple Judgment Purification to Daniel 12 Timed Periods and Armageddon

1. The lawless Bethel condition scripturally indicates the final temple judgment cycle can proceed soon;
(2Thess2:1-4; Zech3:1-3);
2. That judgment cycle is for the "transgression causing desolation" of Daniel 8:11-14 parallel to Daniel 11:30-32 Bethel and 3rd UN placement events that resulted in Bethel's UN NGO covenant and continued cover up of the 8th King as King North from the final Daniel 11:27-45 sequence of prophecy that connects the 3rd UN placement (Dan11:31b) after the "cold war" (Dan11:29) to it's fourth and final world government placement drive of Daniel 11:42-45 of the near future.

3. Timing of temple judgment at Daniel 8:13-14 must develop into the final 1260 days repeating warning of Messianic Kingdom completion certainty and final resolution of planet Earth's final "world government".

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.” ("right condition" as temple purification);

Bethel Lawlessness and Eventual Temple Judgment Will Signal Daniel 8:13-14 Has Begun

1. Not only is Bethel a United Nations agency now, they also cover up critical final 8th King United Nations prophecy in the process that must actually lead to Daniel 12's replication upon the 1914 prophetic patterns of Daniel 12:7; Daniel 12:11 and Daniel 12:12 timing; but in a final fulfillment replication to completion.

2. The JW temple judgment, desolation and purification recovery is to clarify where mankind has actually progressed in the trek to actual Armageddon over some years as this prophecy fulfills in time the Daniel 8:14 timed temple judgment as Revelation 8 parallel leading to Revelation 9 JW "abyss" temple judgment desolation and recovery of a purified temple arrangement to undertake the final Kingdom completion warning of the second of "two witnesses" final ministry.

A. The JW temple judgment will activate Revelation8-11 as a continuum leading to a purified JW Christian ministry (Zech3:4-5) that must in time lead to Revelation 10 "little scroll" final sovereign announcement (Zech3:6-9) to the world of Kingdom completion certainty contained in this pattern as Revelation 11 repeats as "two witnesses" in a 1260 day repeating final Kingdom warning prophetic period prior to actual Kingdom completion, sheep and goat final separation work and Armageddon divine war.

3. Thus contrary to JW expectations the end is not yet, the beginning of the final prophetic cycle is starting (1Pet4:17) with the JW temple judgment, desolation and purifications out of modern "man of lawlessness" Governing Body and Betel "evil slave" activities operating under a veneer of a once divinely approved ministry; (2Thess2:1-4; Zech3:1-3);

The "tribulation of those days" ending and the use of Babylon the Great (BTG) to the end of the cycle after that sub-tribulation ends as a synergistic world peace hope inducement effect and a UN 8th King reality to come (1Thess5:1-3) for UN world government presentation (Dan8:25 "freedom from care") is both cyclic, logical and present in final fulfillment prophetic details.

The 1260 Days replication completes the "Lord's Day" defined period of Revelation 1:10 "seven times" as 1260 days occurring twice, one proclamation at each Messianic Kingdom phase from birth to completion as 2520 days, a required "trampling" period in days of also the Revelation 11:2 "Holy City" in principle of the overall 2520 years that ended in 1914 into this final Kingdom proclamation as TWO witnessings of
that guaranteed Kingdom completion

Daniel 12:7 (Revelation 11:2-3) Final 1260 Day Kingdom Completion Warning

1. This article describes actual world events leading to, into, and after the 1260 days clues of Daniel 12:7 and Revelation 11:2-3 1260 day timing references that must replicate as prophetic fulfillment in the final cycle of the approved and cleansed ministry this temple judgment of Daniel 8:13-14 of Jehovah's witnesses must lead to. (The 1260 days parallels Daniel 12:7 with Daniel 7:25, Revelation 11:2-3, Revelation 12:6,14 and Revelation 13:5 related time signatures and event principles for final fulfillment);

2. The 1260 days comes some time after the Daniel 8:14 unique temple judgment signal timed period, and as it ends into a final 8th King attack at 4th United Nations placement (Dan12:11; Dan11:45; Dan8:25) as world government in Revelation 11:7's replication of 8th King Revelation 11:2 concluding "trampling". At that final "holy city" trampling in an approved state, the 2520 days (seven times) of total Revelation 11:1-7 fulfillment in two phases of Kingdom birth (1260 days; 1914-1918) and Kingdom completion (1260 days; future final fulfillment) will also complete into the initial manifestation of Christ to finalize the 144000, and to proceed with final sheep and goat separation after the 1260 days, and 3.5 days "two witnesses" death state completes.

3. Mankind is going to see some very amazing events when Christ arrives to complete Messianic Kingdom power for God's Kingdom arrangement after the 1260 days of final Kingdom warning completes approximate with the "tribulation of those days" ending in that event and it's spiritual significance that defines the "tribulation of those days" meaning within the greater overall tribulation at selective but global scale.

(Matthew 24:29-31) 29 "Immediately after the tribulation of those days the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. 30 And then the sign of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven with power and great glory. 31 And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones together from the four winds, from one extremity of the heavens to their other extremity.

4. In that Messianic Kingdom completing "gathering" arrival after the 1260 days of final world warning of impending Messianic Kingdom completion, Christ will "gather to himself" (2Thess2:1) what is remaining of the 144000 remnant (1Thess4:17), who with Christ's angels will then gather in the rest of the sheep and make final separation of the goats, before the actual accomplished end of the rival sovereign system and all unrepentant supporters.

A. (1Thess4:17; 1Cor15:50-51; Jude 14; Zech4:6-9 parallels)

5. Thus the recognition of the certainty of the 1260 days final warning and Kingdom completion proclamation period (Rev9-11) is important to understand as it must precede the Messianic Kingdom agency completion just as the first 1260 days Kingdom proclamation pattern of 1914-1918 followed and accompanied the Kingdom of God crowning (Rev12:1) of Christ and the birth phase of the Messianic Kingdom (Rev12:5) agency and it's foretold first proclamation of "two witnesses". (Rev10:11);

A. The final 1260 days of final fulfillment precedes the Messianic Kingdom completion drive, as a similar proclamation accompanied Messianic Kingdom birth events, which complete their respective Kingdom phases, birth and completion, after the respective 1260 days completed/completes. (Rev11:7-13);
(Revelation 11:1-3) And a reed like a rod was given me as he said: “Get up and measure (symbol of guaranteed completion) the temple [sanctuary] of God and the altar and those worshiping in it. 2 But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. (1260 days) 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth.”

(Daniel 12:7) And I began to hear the man clothed with the linen, who was up above the waters of the stream, as he proceeded to raise his right [hand] and his left [hand] to the heavens and to swear by the One who is alive for time indefinite: “It will be for an appointed time, appointed times and a half (1260 days) And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces (parallel Rev11:7-10; Dan12:11), all these things will come to their finish.” (parallel Rev10:6-7; Rev11:15-19; Rev16:17-18);

(Daniel 7:25) And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time (1260 days);

Daniel 12 Will Repeat in Final Form

1. The 1260 day period is Daniel 12's replication of timed prophetic periods (Dan12:7; 12:11; 12:12) beginning with the 1260 days of Daniel 12:7 "appointed time, appointed times and a half" which is guaranteed to arrive with the final the 8th King (King North Dan11:27-45) Daniel 11:42-45 near future progression of fulfillment from globalized world financial system initiation events (Dan11:42-43) to the 4th and final UN "disgusting thing" placement of Daniel 11:44-45 as the final progression as United Nations based "image" a complete world government 8th King "scarlet wildbeast";

2. That 8th King live future progression of Daniel 11:42-45 must activate into Daniel 12:1 "during that time" overlap concurrency. That 8th King world government preparatory progression of the future indicates Daniel 12 has a final fulfillment with these final 8th King United Nations (UN) related events of the future, over some years as per Daniel 12's underlying sequence of final prophetically timed periods of 1260 days (Dan12:7), 1290 days (Dan12:11) and 1335 days (Dan12:12);

3. It is all a gauged approximate timeline to actual Armageddon globalization into full 8th King world government and divine war. (Rev16:13-16);

Cross Reference Parallel Identical 1260 Days Final Fulfillment

1. Daniel's foundational 1260 days of Daniel 12:7 cross links to the 1260 days of Revelation 11:2-3 and Daniel 7:25 as an identical final period of world warning with details of accompanying events. They are a concurrent 1260 day period of related parallel fulfillment.

2. That 1260 day time signature to unfold in the near future also cross links to 1260 day events of Revelation 12:6,14 (Gog parallel) and Revelation 13:5 (scarlet wildbeast parallel):

Gog of Magog Events Parallel to First Fulfillment

(Revelation 12:6) And the woman fled into the wilderness, where she has a place prepared by God,
that they should feed her there a thousand two hundred and sixty days.

(Relation 12:14) But the two wings (deliverance occurs twice) of the great eagle were given the woman, that she might fly into the wilderness to her place; there is where she is fed for time and times and half a time (1260 days) away from the face of the serpent.

Final Wildbeast Parallels to First Fulfillment

(Relation 13:5) And a mouth speaking great things and blasphemies was given it (final globalizing scarlet wildbeast 8th King going into completion), and authority to act forty-two months was given it. (1260 days);

Thus the 1260 days period meaning present in 1914-1918 will also have completing replication parallels to Satanic (Ezekiel 38 Gog of Magog) and "scarlet wildbeast" 8th King final developments (Rev19:19-21) opposing the Messianic Kingdom proclamation in that 1260 day final fulfillment period.

3. That final fulfillment final wildbeast authority is as an 8th King global government is leading to completion through a world tribulatory cycle designed to create the chaos and it's resolution from which 8th King "new world order" final world government will emerge in final form as the final UN placement of Adamic world history as the 1260 day period is ending all meanings concurrently.

A. The trampling of Messianic Kingdom designate "holy city" for the 42 months time signature relates to rival 8th King sovereign symbolism in it's finalizing "wildbeast" rival sovereign authority as the significant diametric entity carrying out this final defiant "trampling" of Revelation 13:5 also noted as 42 months.

Final 8th King Trampling Attack

1. We know these 8th King completion events follow the 1260 day completion, by the guarantee the 1260 days completes into a final 8th King successful attack on the "two witnesses" which symbolize the anointed remnant's final world warning ministry deployment worldwide:

(Relation 11:7) And when they have finished their witnessing (1260 days finished), the wild beast that ascends out of the abyss (Rev17:8-17 "scarlet wildbeast" must come from a final state of inactivity "abyss" state) will make war with them and conquer them and kill them. (removal of "constant feature" parallel to Dan 12:7 1260 day ending, and Dan12:11 190 day commencement);

(Note: The initial 8th King attack in incomplete form occurs in Daniel 8:13 as Daniel 8:14 timed temple judgment leading to a purified Christian ministry later deployed into the final 1260 days of Revelation "little scroll" final Kingdom warning as Revelation 11 second "two witnesses")

2. The final 8th King "attack" has two parallels with similar features of 8th King completion. This Daniel 11:44 attack precedes the 4th UN placement of Daniel 11:45:

(Daniel 11:44-45) "But there will be reports that will disturb him (Rev10 "little scroll" report parallel) out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction (attack parallel to Rev11:7) 45 And he will plant his palatial tents (UN completion symbol) between [the] grand sea and the holy mountain of Decoration; (Jerusalem symbolic site of the "holy city" symbolic meaning of this 8th King counterfeit) and he will have to
come all the way to his end, and there will be no helper for him.(Armageddon divine war meaning);

3. This 8th King identical attack "during" a "freedom from care" must progress from that initial preceding attack, through the world government placement, to be carried out during that freedom from care of world "peace and security":

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care(peace and security parallel; 1Thess5:1-3) he will bring many to ruin.(attack parallel to Rev11:7)And against the Prince of princes he will stand up, but it will be without hand that he will be broken.(Armageddon divine war meaning);

4. This indicates that post 1260 days attack leads to the "3.5 days" unknown transitional period of "two witnesses" symbolic death state, and continues onward as the 8th King completes a world "peace and security" "freedom from care" that still has one sided 8th King uni-polar attacks in progress on the "two witnesses" that must extend "during a freedom from care" to also Babylon the Great (BTG);

5. We know Daniel 11:42-45 will merge into Daniel 12 as the global Daniel 11:44-45 attack event ceases the by then clarified "constant feature" (as "little scroll") and presents the "palatial tents" 4th UN placement parallel in both those features in Daniel 12:11. Thus Daniel 11:44-45 8th King attack event and world government "disgusting thing" "palatial tents" placement parallel Daniel 11:45 meaning and Daniel 12:11 features of both "constant feature" removal (Rev11:7) and UN fourth placement as a concurrent signal identification of this period's commencement:

(Daniel 12:11) 11 "And from the time that the constant [feature] has been removed(Rev11:7) and there has been a placing of the disgusting thing(Dan11:45) that is causing desolation, there will be one thousand two hundred and ninety days.

6. Thus the final 1260 days ends into the symbolic "3.5 day" second "two witnesses" death state in this event killing the "two witnesses" final "constant feature" offering of "little scroll" truth of final Messianic Kingdom warning period of 1260 days completed and ended:

Daniel 12:11 Constant Feature Removal Parallel

(Revelation 11:7-10) And when they have finished their witnessing(1260 days completes), the wild beast that ascends out of the abyss(as 8th King scarlet wildbeast Daniel 12:11 final UN placement; Daniel 11:44-45 parallel) will make war with them and conquer them and kill them.(Daniel 12:11 constant feature removal of "little scroll" final warning Messianic Kingdom completion ministry) And their corpses will be on the broad way of the great city(Babylon the Great; Rev16:19, still present) which is in a spiritual sense called Sodom and Egypt(BTG parallel), where their Lord was also impaled.(outside of Jerusalem, "Sodom" Christendom and national "Egypt" powers involved and present) And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days(the symbolic transitional period to the Daniel 12:11; 1290 days) and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another, because these two prophets tormented those dwelling on the earth(Indicates world system is functioning as this occurs as Revelation 8:9-18 parallel of Revelation 6:12-17 meaning);

Post 3.5 Days 144000 Completion Events Parallel Matthew 24:29-31 Timing and Identical Event
(Revelation 11:11-12) And after the three and a half days spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud (parallel Matt24:30 "clouds") and their enemies beheld them. And in that hour a great earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven.

144000 Messianic Kingdom "Body" Completion

1. Since the 14400 completion is symbolized after the 1260 days and after that final symbolic 3.5 day death state of unknown but brief duration, Revelation 14:1 gives us a final sequence from 144000 completion finalized after those periods, to a number of events to follow that 144000 completion. The point here to notice is Babylon the Great is still present here as well after 144000 completion thus removed finally after 144000 completion:

(Revelation 14:1) And I saw, and, look! the Lamb standing upon the Mount Zion, and with him a hundred and forty-four thousand having his name and the name of his Father written on their foreheads.

2. A final period of acceptance of repentance is finalizing but still in action in this first angelic proclamation finalizing:

(Revelation 14:6-7) And I saw another angel flying in midheaven, and he had everlasting good news to declare as glad tidings to those who dwell on the earth, and to every nation and tribe and tongue and people, saying in a loud voice: “Fear God and give him glory, because the hour of the judgment by him has arrived, and so worship the One who made the heaven and the earth and sea and fountains of waters.”

3. Babylon the Great must fall after that period cited above makes a final appeal to those still in her (Rev18:4), that leads to Babylon the Great removal and divine judgment ending in that phase in literal final fulfillment. Revelation 11:11-12 effects of repentance in some is parallel into this final appeal.

A. The 144000 of Revelation 14:1 is completed before Babylon the Great is deposed as this second angelic proclamation:

(Revelation 14:8) And another, a second angel, followed, saying: “She has fallen! Babylon the Great has fallen, she who made all the nations drink of the wine of the anger of her fornication!” (parallels Rev16:12-16 and Rev17:12-18; Rev9:13-15);

4. The wildbeast is still active and the admonition of the Revelation 14:6-7 final appeal, by implication, is to resist final wildbeast worship in the form of the finalized 4th UN world government and image placement (Dan11:45; 12:11) which is in progress of completion in this period after the 1260 days preparatory period of Revelation 13:5 wildbeast authority phase parallel:

(Revelation 14:9-10) And another angel, a third, followed them, saying in a loud voice: “If anyone worships the wild beast (8th King world government) and its image (and it’s UN forum) and receives a mark (Rev13:14-18) on his forehead or upon his hand, 10 he will also drink of the wine of the anger of God that is poured out undiluted into the cup of his wrath, and he shall be tormented with fire and
sulphur in the sight of the holy angels and in the sight of the Lamb.

5. Since the 144000 have completed as per Revelation 14:1 as result of Revelation 11:11-13 events (parallel Matt24:30-31), the earth sheep have now been secured for the "harvest of the earth" (Rev14:14-16; which will be shown to be starting as the 1290 days commences, and completed at some time before the 1290 days are ending);

A. This final sequence parallels the "sheep and goat" judgment and separation of Matthew 25:31-46;

Sheep Gathering Parallel:

(Revelation 14:14-16; Matt25:31-46 Parallel) And I saw, and, look! a white cloud, and upon the cloud someone seated like a son of man, with a golden crown on his head and a sharp sickle in his hand. 15 And another angel emerged from the temple [sanctuary], crying with a loud voice to the one seated on the cloud: “Put your sickle in and reap, because the hour has come to reap, for the harvest of the earth is thoroughly ripe.” 16 And the one seated on the cloud thrust in his sickle on the sickle on the earth, and the earth was reaped. (sheep are taken in);

6. The goats are parallel here as separated into the winepress of destruction:

(Revelation 14:17-20) And still another angel emerged from the temple [sanctuary] that is in heaven, he, too, having a sharp sickle. 18 And still another angel emerged from the altar and he had authority over the fire. And he called out with a loud voice to the one that had the sharp sickle, saying: “Put your sharp sickle in and gather the clusters of the vine of the earth, because its grapes have become ripe.” (Joel 3:13-14 parallel) 19 And the angel thrust his sickle into the earth and gathered the vine of the earth, and he hurled it into the great winepress of the anger of God. 20 And the winepress was trodden outside the city, and blood came out of the winepress as high up as the bridles of the horses, for a distance of a thousand six hundred furlongs. (goats are removed parallel to Rev19:19-21);

1260 Days Parallels

1. Revelation 11 leads to the 7th trumpet Kingdom completion, by a final sequence wherein the final ministerial warning of the "two witnesses" ends in a final 8th King attack, and a 3.5 day symbolic period of final live anointed gathering (1Thess4:17), as we know any anointed are instantly resurrected in this period (Rev 14:13 since first fulfillment). Thus anointed killed (Rev6:9-11) have no actual death state (1Cor15:50-51), and thus this death state is symbolic of the "two witnesses" ministry ending into the gathering of the living anointed sheep as "those who are surviving" of 1Thessalonians 4:17 as anointed sheep "gathering" period just prior to the 144000 "body of the Christ" "coming alive" in full completion parallel to Revelation 14:1.

Review the Meaning and Parallels

After 1260 Days

(Revelation 11:7) And when they (two witnesses as anointed remnant) have finished their witnessing (after 1260 days as "their witnessing" period; Rev11:3) the wild beast that ascends out of the abyss (apparently as a final world war is resolved for 4th UN placement in that rise in Rev17:8-11 principle, but final fulfillment) will make war with them and conquer them and kill them. (Dan12:11 removal of "constant feature");
Two Witnesses Death State

(Revelation 11:8-10) And their corpses will be on the broad way of the great city which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled. 9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days (unknown death state, symbolic period of time), and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another, because these two prophets tormented those dwelling on the earth. (people present in "freedom from care" prior to initial Christ manifestation.);

144000 Completion Events

(Revelation 11:11-13) And after the three and a half days (unknown transitional period) spirit of life from God entered into them (as a complete 144000 body completing), and they stood upon their feet (all 14400 symbolically complete), and great fear fell upon those beholding them (world awareness; Rev1:7 parallel). 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud (parallel Matt24:30 "clouds") and their enemies beheld them. (in the 8th King and BTG face) 13 And in that hour a great earthquake occurred (marks the Kingdom completion event), and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven. (has Christ manifesting world understood events);

Parallel Periods

(Matthew 24:29-31) 29 “Immediately after the tribulation of those days (approximate end of 1260 days, apparently marked by end of second 8th King "Jerusalem" period (Rev11:2) attack of Rev11:7 the sun will be darkened (parallels Rev6:12), and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. 30 And then the sign (seen by believers first in sign; Rev12:1 principle) of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation (Rev6:12-17 parallel with Rev1:7) and they will see the Son of man coming on the clouds of heaven with power and great glory. (parallels Rev1:7) 31 And he will send forth his angels with a great trumpet sound (7th trumpet), and they will gather his chosen ones (anointed first; Zech12:7-9) together from the four winds (of Rev7:1 tribulation) from one extremity of the heavens to their other extremity. (both heavenly and earthly sheep gathering; Parallels Jude14; Mark13:27);

(Luke 17:34-37) I tell you, In that night (of the sun "black as sackcloth" darkness) two [men] will be in one bed; the one will be taken alone, but the other will be abandoned. (sheep gathering and goat abandonment in progress) 35 There will be two [women] grinding at the same mill; the one will be taken along, but the other will be abandoned.” (separation performed by Christ's angels Matt24:31,36 —— 37 So in response they said to him: “Where, Lord?” He said to them: “Where the body is (Christ in the air; Rev16:17 event; 1Thess4:17), there also the eagles (anointed; Rev8:13) will be gathered (2Thess2:1; 1Thess4:17 "gathering") together.” (Parallels Jude14; Matt24:31; Mark13:27);

(Jude 14-15) Yes, the seventh one [in line] from Adam, Enoch (symbol of live transference at similar world judgment preceding Noah’s day), prophesied also regarding them, when he said: “Look! Jehovah came with his holy myriads (parallels Matt24:31; Mark13:27) 15 to execute judgment against all, and to convict (parallels "Court" of Dan7:26 and Matt25:31) all the ungodly concerning all their ungodly deeds that they did in an ungodly way, and concerning all the shocking things that ungodly sinners spoke
against him.” (parallels Rev14:16-20);

(Mark 13:24-27) “But in those days, after that tribulation (approximate end of 1260 days as "Jerusalem" "holy city" final trampling of Rev11.2), the sun will be darkened, and the moon will not give its light, 25 and the stars will be falling out of heaven, and the powers that are in the heavens will be shaken. (parallels Rev6:12-17 events) 26 And then they will see the Son of man coming in clouds with great power and glory. (parallels Rev1:7; Matt24:30; Rev6:12-17) 27 And then he will send forth the angels and will gather his chosen ones together from the four winds, from earth’s extremity (earth sheep) to heaven’s extremity (anointed sheep). (Parallels Jude14; Matt24:31; Zech12:7-9);

(Revelation 6:12-17) And I saw when he opened the sixth seal, and a great earthquake occurred (parallels Kingdom completion "earthquake" Rev11:13, 19, 16:18) and the sun became black as sackcloth of hair (parallels Matt24:29; Mark 13:24) and the entire moon became as blood, 13 and the stars of heaven fell to the earth, as when a fig tree shaken by a high wind casts its unripe figs. 14 And the heaven departed as a scroll that is being rolled up, and every mountain and [every] island were removed from their places. 15 (opposer goats present:) And the kings of the earth and the top-ranking ones and the military commanders and the rich and the strong ones and every slave and [every] free person hid themselves in the caves and in the rock-masses of the mountains. 16 And they keep saying to the mountains and to the rock-masses: “Fall over us and hide us from the face of the One seated on the throne and from the wrath of the Lamb, (parallels Rev9:6 prelude "they will desire to die but death keeps fleeing from them") 17 because the great day of their wrath has come, and who is able to stand?”

(Revelation 1:7) Look! He is coming with the clouds("clouds" cross links Matt24:30 "clouds" and Rev11:2 "cloud" as parallel), and every eye will see him, and those who pierced him; and all the tribes of the earth will beat themselves in grief because of him(parallels Rev6:12-17) Yes, Amen.

 Joel 3:13-16 “Thrust in a sickle, for harvest has grown ripe. Come, descend, for [the] winepress has become full. The press vats actually overflow; for their badness has become abundant. 14 Crowds, crowds are in the low plain of the decision, for the day of Jehovah is near in the low plain of the decision. 15 Sun and moon themselves will certainly become dark, and the very stars will actually withdraw their brightness. 16 And out of Zion Jehovah himself will roar, and out of Jerusalem he will give forth his voice. And heaven and earth certainly will rock; but Jehovah will be a refuge for his people, and a fortress for the sons of Israel.

(Zechariah 12:7-9) “And Jehovah will certainly save the tents(earth location) of Judah first (144000 completion is priority) to the end that the beauty of the house of David and the beauty of the inhabitants of Jerusalem may not become too great over Judah. (balanced completion of all 144000) 8 In that day Jehovah will be a defense among the inhabitants of Jerusalem (Zech2:5 “wall of fire”) and the one that is stumbling among them must become in that day like David (faithful human sheep symbol) and the house of David like God (144000 house completion), like Jehovah’s angel before them. (like Michael in Christ power as gauntlet of earth sheep protection) 9 And it must occur in that day (Armageddon divine war event; Rev19:19-21) [that] I shall seek to annihilate all the nations that are coming against Jerusalem. (Armageddon parallel);

1. Daniel 7:26 and 12:7 features: "And he will intend to change times and law (world globalization), and they (two witnesses parallel) will be given into his hand for a time, and times and half a time." (1260 days) parallels this identical period: "It will be for an appointed time, appointed times and a half. (1260 days) And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces (completion of "two
witnesses" killed"), all these things will come to their finish." (Rev10:6-7; Rev16:17-18); (Including the 4th UN placement of Daniel 12:11)

Into Daniel 12:11 1290 Days

1. Which develops into this affirmed removal of the "constant feature" and the "two witnesses" in Revelation 11:7 8th King final attack, by implication of that ministerial "constant feature" removal as 1290 days commences after both these manifestations of "constant feature" removal and UN 4th placement are present concurrently:

   (Daniel 12:11) “And from the time (indicates a short period of time possibly) that the constant [feature] has been removed (in death of "two witnesses"; and "finishing of the dashing of the power of the holy people to pieces" parallel) and there has been a placing of the disgusting thing that is causing desolation (Dan11:45 and Dan8:25 parallel), there will be one thousand two hundred and ninety days.

2. Which "the constant feature has been removed" parallels this 8th King killing of the "two witnesses":

   (Revelation 11:7) And when they have finished their (1260 days of) witnessing, the wild beast that ascends out of the abyss will make war with them and conquer them and kill them.

3. And a related concurrency of "two witnesses " ministerial "constant feature" removal and a fourth UN placement is made.

4. The removal of the "two witnesses" and their "constant feature" (little scroll and a UN fourth world placement in a concurrent state of manifestation of both events marks the beginning by this dual feature requirement of the commencing of the 1290 days, after the 1260 days and the "3.5 days" unknown period of transition to complete 144000 has ended.

5. Which "disgusting thing" placement cross links to the UN 8th King "palatial tents" and the last "stand" of the 8th King in parallel symbology of the identical 4th UN placement as Daniel 12:11 final features parallel identical final events:

   (Daniel 11:45) And he (8th King as King North) will plant his palatial tents (worldwide "tents" plural) between [the] grand sea and the holy mountain of Decoration ("Jerusalem" location indicates final UN placement as Kingdom counterfeit, taking Rev11:2 location in conquest of the "two witnesses") and he (8th King complete) will have to come all the way (Rev16:13-16; 17:11-17 finalizing) to his end, and there will be no helper for him. (Armageddon divine war);

   (Daniel 8:25b) ... And against the Prince of princes he (8th King as King of Fierce Countenance) will stand up (final UN placement), but it will be without hand that he will be broken. (Armageddon divine war);

Sun Symbol Registered Times

1. These lights of human society can include all forms of human "power and authority" as sources of "lights" of human and societal guidance now "going out" and changing countenance as national powers also transition to globalized 8th King finalities as the global government:
(Matthew 24:29) “Immediately after the tribulation of those days the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

(Revelation 6:12-13) And I saw when he opened the sixth seal, and a great earthquake occurred; and the sun became black as sackcloth of hair, and the entire moon became as blood, 13 and the stars of heaven fell to the earth, as when a fig tree shaken by a high wind casts its unripe figs.

(Joel 3:13-16) “Thrust in a sickle (Rev14 parallel), for harvest has grown ripe. Come, descend, for [the] winepress has become full. The press vats actually overflow; for their badness has become abundant. 14 Crowds, crowds are in the low plain of the decision, for the day of Jehovah is near in the low plain of the decision. 15 Sun and moon themselves will certainly become dark, and the very stars will actually withdraw their brightness. (precedes final events) 16 And out of Zion Jehovah himself will roar, and out of Jerusalem he will give forth his voice. And heaven and earth certainly will rock; but Jehovah will be a refuge for his people, and a fortress for the sons of Israel.

2. That "sun" going black is this "sun" given authority previously to "scorch the men with fire" as a symbol of 8th King authority in the final UN placement drive worldwide:

(Revelation 16:8-9) And the fourth one poured out his bowl upon the sun; and to [the sun] it was granted to scorch the men with fire. 9 And the men were scorched with great heat, but they blasphemed the name of God, who has the authority over these plagues, and they did not repent so as to give glory to him.

3. And that "sun" wildbeast authority symbol going black must be at the end of this period of "sun" authority:

(Revelation 13:5) And a mouth speaking great things and blasphemies was given it, and authority to act forty-two months was given it.

4. And that darkness must relate to the 8th King as top "sun" also being darkened:

(Revelation 16:10-11) And the fifth one poured out his bowl upon the throne of the wild beast. And its kingdom became darkened, and they began to gnaw their tongues for [their] pain, 11 but they blasphemed the God of heaven for their pains and for their ulcers, and they did not repent of their works.

(A point is 8th King globalized power eclipses national powers in that national "sun" dimming parallel as both are dimmed by the first Messianic Kingdom manifestations as those shown above parallel into Revelation 6:12-17 meaning of Christ manifesting well before final judgment into that Daniel 12:11 prelude 1290 day period of that significance; Thus even as dimmed by the "power and glory" of Christ and Messianic Kingdom completed power revealing itself, the 8th King globalized multi-national system is still functioning and perceiving the end, thus losing all countenance of personal power as that "sun" is truly going down permanently; Psalm 110 parallel.)

5. Revelation 16:10-11 precedes but will overlap into this final Armageddon consolidation period of full globalization of all the nations into the 8th King "scarlet wildbeast" system worldwide as the ultimate form of national worldwide gathering as Babylon the Great's defense system is also compromised (Rev16:12) leading into this period indicating BTG is still present here:
(Revelation 16:12-16) And the sixth one poured out his bowl upon the great river Euphrates (BTG defense as Rev17:15 human "waters"), and its water was dried up, that the way might be prepared for the kings from the rising of the sun. (Christ Kingdom conquest on BTG by use of 8th King and "ten horns")

13 And I saw three (final globalization) unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire inhabited earth, to gather them together (globalized union against God's Kingdom) to the war of the great day of God the Almighty. 15 “Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness.” 16 And they gathered them together to the place that is called in Hebrew Har–Magedon. (full globalization marks finality of union and defiance as 8th King globalist unification container of all the nations);

6. And this sovereign consolidation into globalist 8th King world government power as 4th UN prelude from national sovereign transfer here also includes Babylon the Great's presence, stripping pillage, devouring and destruction in that sequence in this parallel identical period of Armageddon "gathering" culminations:

(Revelation 17:12-18) “And the ten horns (national collective going into 8th King control) that you saw mean ten kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the (globalist 8th King) wild beast. 13 These have one thought (sovereign unified preservation) and so they give their (national) power and authority (transferred) to the (globalist 8th King) wild beast. 14 These (together, Rev16:13-16 gathered into globalization) will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so].” (all 144000 as complete Messianic Kingdom) 15 And he says to me: “The (BTG defense system; Rev16:12) waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 (BTG judgment sequence:) And the (national collective) ten horns that you saw, and the (globalist 8th King) wild beast, these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire (BTG asset and sovereign deposition) 17 For God put [it] into their hearts to carry out his thought (BTG's judgment; Rev18:8), even to carry out [their] one thought (sovereign unification into 8th King) by giving their (national) kingdom to the (globalist 8th King) wild beast, until the words of God will have been accomplished. 18 (BTG is this deposed sovereignty:) And the woman whom you saw means the great city that has a kingdom over the kings of the earth.” (in that sequence paralleling Daniel 11:42-43 and Revelation 16:12-16 events, national sovereignty is deposed for globalist super-sovereignty and BTG sovereignty is fully deposed);

7. Which "darkening" effect preceded it all in the Revelation 9 prelude development marking temple desolation "smoking" significance of judgment.

A. That period precedes by a number of years developments leading eventually to the final 1260 day final warning period (Rev11) symbolized here as JWs come out of the temple judgment desolation "abyss" of the Daniel 8:13 8th King "trampling" desolation of Daniel 8:13-14 with the purified final ministry as prelude effect of darkness.

B. Thus progressive news as Revelation 9 world ministry recovery, clarified and deploying to merge in Revelation 10 and 11 has a progressive effect as it foregleams darkening effects to become world reality when that ministry ends.
C. Thus the progressive merging fifth and sixth plague effects have merging 5th and 6th trumpet parallels:

(Revelation 9:2) And he opened the pit of the abyss (of JW temple desolation; Rev8:2-5; Dan8:13-14) and smoke ascended out of the pit as the smoke of a great furnace (world seen JW judgment), and the sun was darkened, also the air, by the smoke of the pit.

8. Which also leads to a Babylon the Great defense system compromise related event paralleling Revelation 16:12 here in it's foregleam of things to become reality shortly after this sixth trumpet signal:

(Revelation 9:13-15) And the sixth angel blew his trumpet. And I heard one voice out of the horns of the golden altar that is before God 14 say to the sixth angel, who had the trumpet: "Untie the four angels that are bound at the great river Euphrates?" (angels who effect BTG vulnerability) 15 And the four angels were untied, who have been prepared for the hour and day and month and year, to kill a third of the men.

Babylon The Great Deposed at Strategic Timing for UN Peace Effect and Global Capital Boost

1. We know then Babylon's destruction as a religious sovereignty will be as a climax event while UN world government placement is going into finality also absorbing national sovereignty in that Revelation 17:12-18 sequence. Babylon the Great aids the final cycle to it's culmination (rev16:12-17) by being deposed at the end of the cycle aiding UN 8th King "world peace" believability (1Thess5:1-3) and providing massive asset stores for actual national recovery in that "freedom from care" boost of Daniel 8:25 as Isaiah 41:1 national recovery.

2. Thus this concurrence of BTG deposition is also for maximum psychological "peace and security" effect worldwide as religious institutional war mongering must end by 8th King authority taking world peace credit for that deposition of the war fomenting religious institutional quagmire as a whole. It must accompany a final world war/tribulation resolution (Matt24:29) to also achieve that actual "peace and security" effect worldwide a final time.

A. That synergy is logical, used in part previously three times to present a UN presentation, and has a great combined effect of believability and hope as the world will by then be presented the ultimate UN world government presentation as the climax of this intended tribulatory preparation, it's resolution and BTG deposition at key timing to maximize the world peace effect.

3. Thus BTG final confusions and war mongering aids the final world war period general confusion and misleading interpretations unto her deposition and destruction as a worldwide institute of religious harlotry to serve the 8th King and national powers globalization process now completed and no longer needed in that supporting role in that manner any longer.

A. We know final consolidation of globalist 8th King power as Armageddon prelude national "gathering" into 8th King globalization culmination is taking place in that period as well. We also know final Messianic Kingdom completion is also taking place simultaneously "in their face" in this final progression to the climax with a concurrently completed 8th King world government and final global sovereign claim; (1Thess5:1-3);

B. Thus this 8th King final formula aids a great delusion on believability to fool the world in grandest form as that "scarlet wildbeast" is actually doomed as per Revelation 191-19-21 final events this is leading to.
4. We know that by coercion the 8th King must use force in some cases (Rev13:16-18); Thus the "during a freedom from care" is a hint of destructive activity"during" a peaceful activity of those final 8th King developments concurrently, happening simultaneously, in a uni-polar 8th King UN peace proclamation context of "no national wars or reports of wars" (Matt24:6) yet still "bring many to ruin";

A. And all that development must culminate in an 8th King UN 4th placement world government and it's world "peace and security" series of final proclamations as "whenever it is that they are saying peace and security" indicating a period of "saying" this final UN sovereign statement of world government worldwide "peace":

(1 Thessalonians 5:1-3) Now as for the times and the seasons, brothers, you need nothing to be written to you. 2 For you yourselves know quite well that Jehovah's day is coming exactly as a thief in the night. (as the whole Messianic Kingdom completion catches the world "enemies" by surprise; (Rev11:12); Rev11:7-13 sequence) 3 Whenever it is that they are saying:“Peace and security!” (as main theme of 8th King UN 4th and final placement) then sudden destruction is to be instantly (destruction is instant, period leading to it is not; Dan12:11) upon them just as the pang of distress upon a pregnant woman; and they will by no means escape.

Tribulation of Those Days Relationship to "Jerusalem" Judgment Symbol Period Defined

1. The "tribulation of those days" must begin with JW temple "Jerusalem" first desolation signal event of Daniel 8:13 trampling. The "tribulation of those days" must include the 1260 days events that appears to end with the final "two witnesses" Jerusalem Revelation 11:2 "holy city" completing event in the Jerusalem judgment principle of the "tribulation of those days" original meaning in Christ's prophecy. "Tribulation of those days" starts with JW temple judgment desolating purification of Daniel 8:13-14 and ends with the "two witnesses" killed event of the final 8th King trampling of Revelation 11:2-3 final fulfillment.

2. Babylon the Great destruction is finalized after a period the "two witnesses" and others in "devote many to destruction" are also being vanquished by finalizing selective 8th King coercive power, but must be after 144000 completion by a few scriptural clues.

3. Thus Babylon the Great is still present and operating after the "two witnesses" are killed aiding that resistance in their own sector of diminishing but significant influence as 8th King and UN agendaservicers".

144000 Complete as Babylon the Great Still Exists

Clue 1:

1. Babylon the Great must be vanquished by the "kings from the rising of the sun" using the 8th King and "ten horns". This BTG destruction is then soon after 144000 Messianic Kingdom completion allows Christ's world sovereignty as officially "kinged" to take effect in final King-Priest coronation of that full Kingdom to actually be the king of the domain of earth at BTG's destruction; while the 8th King is also ruling yet unobstructed by Christ in Psalm 110 parallel.

(Psalm 110:2) The rod of your strength Jehovah will send out of Zion, [saying:]“Go subduing in the midst of your enemies.”
2. That parallels Revelation 11:15 events to Revelation 16:17 events of finality of Christ's full Kingship and full 144000 present to judge that final BTG system in Revelation 16:17-18 sequence as complete in that BTG enemy's face as well as per Rev11:12. (Rev18:8); The "Court" of Daniel 7, 7:26 in full 144000 must be that final judging entity under Christ:

(Daniel 7:25-26) And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time.(after that final 1260 days:) 26 And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [him] and to destroy [him] totally.

Clue 2:

3. Revelation 16:17-18 leads to BTG vanquished in Revelation 16:19 after 144000 completion that follows the Christ "air" event of Revelation 16:17 (1Thess4:17 parallel).

(Revelation 16:19) And the great city split into three parts, and the cities of the nations fell; and Babylon the Great was remembered in the sight of God, to give her the cup of the wine of the anger of his wrath.

4. Both Revelation 11:7-12 "great city" and Revelation 16:19 "great city" as Babylon the Great are present after 144000 completion in those sequences.

(Revelation 11:8) And their corpses will be on the broad way of the great city which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled.

5. Since by the time of final fulfillment Christendom is a part of Babylon the Great officially recognized as per prophecy after 1919, this symbolic "tenth" of this "city" as the overall existing Babylon the Great and it's symbol "city" is still present as this "1/10" "fall" is of those coming out of that "city" as events of the final "two witnesses" ministry of Revelation 11:7-12 and it's Kingdom completion meaning, and parallel to the final appeal of Revelation 14:2-7 and it's effect affects some repentance to final salvation:

(Revelation 11:13) And in that hour a great earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven.

6. Since only a symbolic "1/10" of the "city" falls, the overall BTG "city" is still existent after the "two witnesses" are killed in a symbolic "3.5 day" death state to transition into 144000 completion meaning.

Clue 3:

7. The Revelation 14:1 lamb "standing" in Kingdom power and 144000 completion precedes the complete fall of Babylon the Great at Revelation 14:8.

(Revelation 14:1,8) And I saw, and, look! the Lamb standing upon the Mount Zion, and with him a hundred and forty-four thousand having his name and the name of his Father written on their foreheads. ... 8 And another, a second angel, followed, saying:"She has fallen! Babylon the Great has fallen, she who made all the nations drink of the wine of the anger of her fornication!"

8. Thus 144000 completion precedes Babylon the Great's final deposition.
A. A final appeal is sown as Revelation 14:2-7 leads to the "Babylon the Great has fallen" announcement in final form.

**The Nature of Completed 8th King "World Peace"**

1. Thus "during" "a freedom from care" implies a world war period cannot be active to also make a world "peace and security" proclamation, but may be ending into a period of 8th King uni-polar power wrapping up loose ends "during" the period of ease and "peace and security" as one-sided 8th King uni-polar sovereign world actions of a dual nature; destructive and peaceful at the same time. The "during" clue is that both destructive and peaceful events are taking place by sole 8th King power simultaneously.

2. Since the "two witnesses" are killed in this period, it is also the period of 144000 completion as all these events at global scale are overlapping in some unknown degree in a complex peace and attack mode of the 8th King. That means the Christ manifestation to effect that 144000 completion is occurring while the 8th King is placing the 4th "disgusting thing" world manifestation as world government and image. (Dan12:11) Thus the UN world government possibly ongoing completion news as signaled by the final "peace and security" statements globally, are a world known indication of the Armageddon timing nearing climax, as both the 8th King and Kingdom of Christ will be completing approximately concurrently, as both will make worldwide proclamations of worldwide sovereign intent concurrently.

3. The final 1260 day period of Kingdom proclamations of sovereign worldwide guarantee will lead into this period as the "little scroll" disturbing "reports" to the 8th King powers which will incite a finalizing 8th King reaction of resistance and attack.

**Details of World Functioning During Great Tribulation**

1. Thus this principle of a period of divine judgment in a functioning world system:

(Matthew 24:36-42) "Concerning that day and hour nobody knows, neither the angels of the heavens nor the Son, but only the Father. 37 For just as the days of Noah were, so the presence of the Son of man will be. 38 For as they were in those days before the flood, eating and drinking, men marrying and women being given in marriage, until the day that Noah entered into the ark; 39 and they took no note until the flood came and swept them all away, so the presence of the Son of man will be. 40 Then two men will be in the field: one will be taken along and the other be abandoned; 41 two women will be grinding at the hand mill: one will be taken along and the other be abandoned. 42 Keep on the watch, therefore, because you do not know on what day your Lord is coming.

2. Leads through the 1260 days as a period of selective tribulation on the earth's weakest classes and institutional/corporate/social entities. And even after the destruction of the "two witnesses" and then Babylon the Great, the world is still operable and even celebrating and mourning in these clues:

3. After the anointed ministry is destroyed as symbolic "two witnesses":

(Revelation 11:10) And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another, because these two prophets tormented those dwelling on the earth.

4. After Babylon the Great is slated for destruction in an unknown period during and shortly after the "two witnesses" "kill" events we see a fully functioning world system portion is active and in awareness of the situation of BTG's ongoing demise:
(Revelation 18:9-20) 9 "And the kings of the earth who committed fornication with her and lived in shameless luxury will weep and beat themselves in grief over her, when they look at the smoke from the burning of her, 10 while they stand at a distance because of their fear of her torment and say; Too bad, too bad, you great city, Babylon you strong city, because in one hour your judgment has arrived! 11 "Also, the traveling merchants of the earth are weeping and mourning over her, because there is no one to buy their full stock anymore, 12 a full stock of gold and silver and precious stone and pearls and fine linen and purple and silk and scarlet; and everything in scented wood and every sort of ivory object and every sort of object out of most precious wood and of copper and of iron and of marble; 13 also cinnamon and Indian spice and incense and perfumed oil and frankincense and wine and olive oil and fine flour and wheat and cattle and sheep, and horses and coaches and slaves and human souls. 14 Yes, the fine fruit that your soul desired has departed from you, and all the dainty things and the gorgeous things have perished from you, and never again will people find them. 15 "The traveling merchants of these things, who became rich from her, will stand at a distance because of [their] fear of her torment and will weep and mourn, 16 saying, ‘Too bad, too bad—the great city, clothed with fine linen and purple and scarlet, and richly adorned with gold ornament and precious stone and pearl, 17 because in one hour such great riches have been devastated! ‘And every ship captain and every man that voyages anywhere, and sailors and all those who make a living by the sea, stood at a distance 18 and cried out as they looked at the smoke from the burning of her and said, ‘What city is like the great city?’ 19 And they threw dust upon their heads and cried out, weeping and mourning, and said, ‘Too bad, too bad—the great city, in which all those having boats at sea became rich by reason of her costliness, because in one hour she has been devastated! 20 “Be glad over her, O heaven, also you holy ones and you apostles and you prophets, because God has judicially exacted punishment for you from her!”

5. And that is just prior to this period of awareness that is mass darkness, but may extend into a symbolic "3.5 days" period of maybe even months prior to this event period:

(Revelation 6:12-17) And I saw when he opened the sixth seal, and a great earthquake occurred; and the sun became black as sackcloth of hair, and the entire moon became as blood, 13 and the stars of heaven fell to the earth, as when a fig tree shaken by a high wind casts its unripe figs. 14 And the heaven departed as a scroll that is being rolled up, and every mountain and [every] island were removed from their places. 15 And the kings of the earth and the top-ranking ones and the military commanders and the rich and the strong ones and every slave and [every] free person hid themselves in the caves and in the rock-masses of the mountains. 16 And they keep saying to the mountains and to the rock-masses: “Fall over us and hide us from the face of the One seated on the throne and from the wrath of the Lamb, 17 because the great day of their wrath has come, and who is able to stand?”

The Turning Point

1. But since that Revelation 6:12-17 segway is leading to 144000 completion that must precede the full destruction of Babylon the Great, the immensity of that deposition of sovereignty, but retention of assets and properties for 8th King use in 100s of trillions of former dollar valuation, must have an awareness of sealed judgment from 8th King decree prior to a finalization that takes some time to complete. The seeming contradiction is in the fact the world's hopefulness in the "3.5 days" unknown time period of "two witnesses" death state must turn into an awareness of the Christ manifestation after that period expires into 144000 Christ gathering (Matt24:29-31) and completion, and these periods of those world states of perception changing can be complex at worldwide scale but must overlap into a full awareness of coming judgment finalizing.
2. And Christ's initial manifestation is to believers as a "sign" first in this progression, that also aids the understanding of this transition period covered above. This is an event not known to all the world yet:

(Matthew 24:29-30a) “Immediately after the tribulation of those days the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. 30 And then the sign of the Son of man will appear in heaven,...

3. "And then" may indicate a period of brief time between the "sign of the Son of Man" to believers and the full manifestation to all the world before, during or after 144000 completion that leads to the "they will see the Son of Man" events:

(Matthew 24:30b-31) ..and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds(Rev11:12 "cloud" parallel) of heaven with power and great glory. 31 And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones together from the four winds, from one extremity of the heavens to their other extremity.

4. And in that transition Babylon the Great events may be beginning, but cannot end until after the Matthew 24:31 angelic events finalize all 144000. And that must be in the unknown period of 3.5 days which can be longer than a literal 3.5 days as in the 1914-1918 period ending into a recovery death state of several months leading into 1919. The Babylon judgment of "one day" (Rev17:8) and "one hour" (Rev17:10) is the certainty of judgment from all quarters, not the complete absorption of all BTG assets - though that must occur. And destruction is of BTG's religious institutional sovereignty (Rev17:18), not necessarily a destruction of millions of dollars in assets and properties that can merely be converted for 8th King globalist and national uses as "eat up here fleshy parts" and strip off the ornaments of wealth along with the "robe" of sovereign identity. There is no reason to destroy valuable assets, just the BTG power controlling them.

5. And that indicates after Babylon the Great is fully destroyed on a known worldwide level of judgment, that period of actual completion can logically have a beginning that then stretches over the Revelation 11:7-12, post 1260 days, "3.5 days" of "two witnesses" death state of 8th King destruction mode, as Christ's manifestation eventually appears to believers and eventually all the world, and that is after "the tribulation of those days" has ended marked by "two witnesses" "holy city" ending tribulation, as then a complete Kingdom 144000 witness BTG's finalizing destructions.

6. That means that initial tribulatory period ends into a "freedom from care" for some and the final UN placement activities, as the 8th King makes claims of "peace and security", as other destructive activity in full 8th King control is also leading into, and "during" that period which will include BTG's deposition in that phase continuing after the "two witnesses" are killed.

7. That means that unknown "3.5 days" that leads to world known events of recognition:

(Matthew 11:11-13) And after the three and a half days spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud, and their enemies beheld them. 13 And in that hour a great earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven.

...is the critical period of beginning BTG judgment after prelude concurrent "two witnesses" deposition, while making 4th UN placement finalizations as "out of the abyss" into a "freedom from care" for some humans on
earth, but not all of earth's inhabitants as some must also be being "ruined" during a freedom from care" as the (8th King) "will bring many to ruin";

8. That ruination mode is a continuation of the pre "palatial tents" destruction parallel to "freedom from care" activation with the 8th King when "he (8th King) will certainly go forth in a great rage in order to annihilate and to devote many to destruction" to start the phase of attack in Daniel 11:44 prior to UN 4th placement of Daniel 11:45. That selectively destructive period also kills the "two witnesses" and leads into that final "3.5 days" unknown transition period to full 144000 of their death state which precedes the open Christ manifestation.

9. That means the BTG attack commencement and the "two witnesses" may be in the same 8th King attack mode commencing, but BTG's size and other prophetic requirements means she will last longer and also be used for final 8th King world peace themes. That is how the noted BTG destruction phase judgment by world inhabitants can be in that 3.5 days period of unknown time transition to 144000 completion which sees the end of BTG's judgment shortly thereafter the "two witnesses" killed.

This indicates:

A. The 1260 days end period is not the complete end, but a marked transition of "two witnesses" destructions leading soon to Babylon the Great deposition. Babylon's judgment may indeed come "in a day", but the process of absorbing a quadrillion in hard assets and properties and selective desolations and absorptions from Babylon the Great as a world empire and institutional structure globally may be projected for some years at worldwide scale to aid the national recovery illusion with actual recovery aided by these BTG resources, for "peace and security" and "freedom from care" full 8th King effects.

B. But her judgment must be made known as divine, 8th King and national decreed deposition. The process will drag on after that judgment is known in actual absorptions and redistribution of BTG assets that must aid world national recovery into 8th King alignments as the 4th UN placement is also completed.

(Isaiah 41:1) “Attend to me in silence, you islands; and let national groups themselves regain power. Let them approach. At that time let them speak. Let us come up close together for the judgment itself.

C. The 1290 days of Kingdom and 144000 completion and final sheep and goat separation of humans will be taking place for a marked period still offering this salvation invitation even after the 1260 days and 3.5 days periods end in Revelation 14:1 full 144000 completion:

(Revelation 14:6-7) And I saw another angel flying in midheaven, and he had everlasting good news to declare as glad tidings to those who dwell on the earth, and to every nation and tribe and tongue and people, 7 saying in a loud voice: “Fear God and give him glory, because the hour of the judgment by him has arrived, and so worship the One who made the heaven and the earth and sea and fountains of waters.”

D. And Christ is completing his own ministry:

(Matthew 10:23) When they persecute you in one city, flee to another; for truly I say to you, you will by no means complete the circuit of the cities of Israel until the Son of man arrives (completing the ministerial salvation of sheep in the 1290 days);

(Matthew 25:31-33) “When the Son of man arrives in his glory, and all the angels with him, then he
will sit down on his glorious throne. 32 And all the nations will be gathered before him, and he will separate people one from another, just as a shepherd separates the sheep from the goats. 33 And he will put the sheep on his right hand, but the goats on his left.

E. Which is finalized at Revelation 14:14-20; Matthew 25:31-46 parallels;

F. Since this 1260 day period:

(Daniel 7:25) And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time.

G. Precedes this complete "Court":

(Daniel 7:26) And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [him] and to destroy [him] totally.

H. Daniel 7:26 must be at the beginning of the 1290 days as Daniel 12:7 1260 days leads to Daniel 12:11 1290 days commencement requirement of removal of "two witnesses" "constant feature" and the 4th UN placement "disgusting thing" finalized. As Daniel 12:7 parallels Daniel 7:25, Daniel 12:11 must parallel Daniel 7:26 meaning as it's timing:

(Daniel 12:11) “And from the time that the constant [feature] has been removed and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days.

I. The Daniel 7:26 Court is the identical parallel of "he will sit down on his glorious throne" of Matthew 25:31, after the arrival with his angels of Matthew 24:29-31 for final sheep and goat separation work finalizing into the 1290 days as the end of the 1260 days, and the "3.5 days" "two witnesses" death state conclusion, all lead to that initial Christ manifestation in full power of Kingdom completion commencing official Daniel 12:11 timing amidst those two prerequisite markers of (1.) "constant feature" removal and (2.) UN "disgusting thing" final placement.

J. The 144000 must be completed prior to that Christ "sit down on his glorious throne" as full coronated King-Priest and the 144000 must be completed to define the Christ Messianic Kingdom "Court" "body" and enable that final King-Priest Coronation event of Zechariah 6:9-15 (Zech4:6-9 temple "crowning stone" parallel);

The Daniel 12:12 1335 Day Cut Off Commencement

1. By implication:

(Daniel 12:12) “Happy is the one who is keeping in expectation and who arrives at the one thousand three hundred and thirty-five days!

2. That period must also have "unhappy" "goats" who do not "keep in expectation" at that final determination as Revelation 14:17-20 destruction of the goats must take place shortly before the 1335 days commences, and happy are the sheep to avoid that destruction and happy is the feature of those entering that 1335 day phase.
Full "Seven" Day Grace Period Possibility

1. The seven days of the 1260 days and the 1290 days combined as seven years approximation (7.083 lunar years), may indicate God is extending salvation for that full "seven days" principle prior to total judgment. The "week" of Daniel 12:7 and 12:11 timed period combined may have "seven day" grace periods of salvation parallels as shown in these principles of similar "seven day" salvation periods preceding a final judgment of God:

   (Genesis 7:4) For in just seven days more I am making it rain upon the earth forty days and forty nights

   (Genesis 7:10) And seven days later it turned out that the waters of the deluge came upon the earth.

2. Which can symbolize after "seven days", 1260 days + 1290 days as approximate 7 years as "seven days" symbology, the parallel to the "flood" divine judgment final "seven day" period of literal days, the divine judgment of Armageddon can finalize, and that would be in the beginning and into the 1335 days;

   (Daniel 9:27) “And he must keep [the] covenant in force for the many for one week (seven days parallel) and at the half of the week he will cause sacrifice and gift offering to cease (which would be a parallel to when the 1260 days ended with Rev11:7 and Rev12:11 "constant feature" final removal as "gift offering to cease" as all 144000 go into heavenly spirit position for final conquest in that period transition);

3. The Christ connection of sacrifice parallel to two witnesses killed as symbolic of also sacrificial "constant feature" ending is also present in Revelation 11:

   (Revelation 11:7-8) And when they have finished their witnessing, the wild beast that ascends out of the abyss will make war with them and conquer them and kill them. 8 And their corpses will be on the broad way of the great city which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled.

4. That "half of the week" in this final fulfillment framework application and parallel possibility, would parallel in principle the 1260 days "half of the week" having ended and "two witnesses" "gift offering" ceased as the "two witnesses" are killed (Rev11:7; Dan12:11) as a parallel to this principle marking the half of the seven year 1260 day plus 1290 day seven year week, as the 1290 days is the final "half of the week."

5. In any event sheep go under divine protection up on arrival of Christ and his angels as the 1260 days is ending, as he completes his own ministry, and the anointed and earth sheep leading to the end of the 1260 days will have completed that portion of the assignment (Rev9-11:7) that led to Christ's actual arrival to begin an extended and timed 1290 day period of final sheep and goat separation by the 144000 completion as "save the tents of Judah first" priority completes the 144000 to aid the final "Court" sheep and goat separation work.

6. With enough cross referencing validation of various features of the 1260 days and it's end, we can ascertain it leads to Christ's first manifestation, and his first task at 144000 completion in a "3.5 day" transition from the "two witnesses" death state, and of those "who are surviving" to be "changed in the twinkling of an eye" to spirit form from formerly anointed human conditions to complete the finality as a live salvation of even the anointed remnant surviving the Revelation 6:9-11 "killed number" as a living finality to the 144000. (1Thess4:14);
(Zechariah 14:5) And you people will certainly flee to the valley of my mountains; because the valley of
[the] mountains will reach all the way to Azel. And you will have to flee, just as you fled because of the
[earth]quake in the days of Uzziah the king of Judah. And Jehovah my God will certainly come all the
holy ones being with him.

7. Thus all 144000 "holy ones" and all God's angels are present at that "earthquake" marker to cross reference
this Kingdom completion marker also seeing a 144000 completion symbology:

(Revelation 11:11-13) And after the three and a half days spirit of life from God entered into them, and
they stood upon their feet, and great fear fell upon those beholding them. And they heard a loud
voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud, and
their enemies beheld them. And in that hour a great earthquake occurred, and a tenth of the city
fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and
gave glory to the God of heaven.

8. Which is these finalizing "earthquakes" as well ushering in God, Christ and "all the holy ones":

(Revelation 11:15-19) And the seventh angel blew his trumpet. And loud voices occurred in heaven,
saying: “The kingdom of the world did become the kingdom of our Lord and of his Christ, and he will
rule as king forever and ever.” And the twenty-four elders who were seated before God upon their
thrones fell upon their faces and worshiped God, and saying: “We thank you, Jehovah God, the
Almighty, the One who is and who was, because you have taken your great power and begun ruling as
king. And the nations became wrathful, and your own wrath came, and the appointed time for the
dead to be judged, and to give [their] reward to your slaves the prophets and to the holy ones and to
those fearing your name, the small and the great, and to bring to ruin those ruining the earth.” And
the temple [sanctuary] of God that is in heaven was opened, and the ark of his covenant was seen in his
temple [sanctuary]. And there occurred lightnings and voices and thunders and a great earthquake and a
great hail.

(Revelation 16:17-20) And the seventh one poured out his bowl upon the air. At this a loud voice issued
out of the sanctuary from the throne, saying: “It has come to pass!” And lightnings and voices and
thunders occurred, and a great earthquake occurred such as had not occurred since men came to be
on the earth, so extensive an earthquake, so great. And the great city split into three parts, and the
cities of the nations fell; and Babylon the Great was remembered in the sight of God, to give her the
cup of the wine of the anger of his wrath. Also, every island fled, and mountains were not found.

9. Which fits the prophetic indication Babylon the Great is going down in that post 1260 day period and after
the 3.5 days transition to complete 144000 as the 8th King is in completion activities also to complete into fina
United Nation placement. Thus many events are overlapping in concurrent parallel final forms of completion,
and the Messianic Kingdom will also complete in this period to oversee the final tasks as the main feature of
the Daniel 12:11 1290 day period meaning and function - Christ actually ruling as King-Priest in the face of
his enemies as also completed in 8th King diametric world government sovereignty.

Part 2 - The Nature of Overall Great Tribulation and "Tribulation
of those Days" Component

Tribulation of Those Days Ending and Great Tribulation Ending are Two Different Events and
Meaning

1. The Matthew 24:29 cessation of the "tribulation of those days" as a principle of a judgment period IS ALSO a device formerly also present as the UN resolves a tribulation period as a world war into a UN presentation. (Like 1919, 1945 and 1990). As per Christ it is the "disgusting thing" that "causes desolation" and that tribulation is engineered for it's own benefit of presenting a UN "solution" to that desolation "problem" as it is resolved with global statements.

2. In effect the world war tribulation (WW1, WW2) or anxiety cycle (cold war), as in the cold war phase (Dan11:29), aids the desire for UN "admiration" as per the effect noted in Revelation 13 and 17 for the orchestrated global hopefulness in this "world peace" UN body.

http://templelijah.wordpress.com/world-war-4-un-4-0/world-recovery-after-world-war-4/

3. Notice why the world admires the UN wildbeast system in it's recovery:

(Revelation 13:3-4) And I saw one of its heads as though slaughtered to death, but its death-stroke got healed, and all the earth followed the wild beast with admiration. And they worshiped the dragon because it gave the authority to the wild beast, and they worshiped the wild beast with the words: "Who is like the wild beast, and who can do battle with it?"

(Revelation 17:8) The wild beast (globalist 8th King) that you saw was, but is not, and yet is about to ascend out of the abyss (Rev11:7), and it is to go off into destruction (Dan11:45). And when they see how the wild beast was, but is not (as engineered WW4 erupts), and yet will be present (for fourth and final UN placement as world government), those who dwell on the earth will wonder admiringly (the desired 8th King effect as in all the historic UN related placement processes; see Rev13:3 related "sword stroke" recovery effect that must also replicate as a final world conflict is resolved for maximum "world peace" effect), but their names have not been written upon the scroll of life from the founding of the world. (provides a final judgment cue); (And that will relate to the Revelation 13?sword stroke got healed world recovery principles for maximum final 8th King world "admiration" effect (Rev 13:3; 17:8) shown in Revelation 13 parallel as well, also replicating in a great world recovery hope after a final world conflict/tribulation resolved, presents the UN fourth and final manifestation as per prophecy also repeating.).

That very UN "admiration principle" aided by tribulatory anxieties being resolved globally will be used a final time in grand fashion guaranteed!

"Tribulation of those Days" Required Ending Significance

1. Like JW's now in general, people do not understand this final tribulation will also end into the climax of all UN manifestations as recovery hope and actuality, the final world peace statement (1Thess5:1-3), and actual fully functioning 8th King world government in addition to it's "image" like no other time in world history. And the Babylon the Great (BTG) error as supposedly starting that judgment, actually after that cycle of tribulation as judged, adds to the obscurity now of what is actually happening in that final tribulation.

2. In fact BTG being dissolved after the tribulation is more useful for the UN to really achieve a global/public cessation of the religious warmonger system adding to their "world peace" believability in that final drive of Revelation 16:12-16 6th plague final fulfillment. And BTG resources aids the national recovery as per Isa41:1 and Daniel 8:25 guarantee of also a "freedom from care" resulting from a world recovery aided by BTG trillions in hard assets, absorbed in the Revelation 17:15-18 parallel final 8th King sovereign transference
sequence paralleling Rev16:12-16. That all adds up after "that tribulation" (Mark13:24-27 "tribulation of those
days" parallel of Matt24:29-31) period as a very believable "peace and security" of 1Thess5:1-3 which is an
implied world rulership sovereignty claim of the UN as "image" AND complete world government.

3. As of now that sole actual UN sovereign rulership culminating soon is not present, and will be made a
complete sovereign actuality in that Daniel 8:25, 11:45, 12:11 parallel to that 8th King complete sovereign
period and announcement finale (1Thess5:1-3). Christ cannot arrive prematurely to conquer an 8th King who
is really not a true full 8th King yet, but only king designate (Dan11:36 "the king") as per the UN "image"
announcements of intent to be realized to the full at the end of the final cycle as per the Daniel 11:42-45
finalization of Daniel 11 merging into Daniel 12 live and real-time "during that time" (Dan12:1), the time of
Daniel 11:42-45 of this phase coming up.

4. Which Daniel 12 time periods of Daniel 12:7 and 12:11 underlay all of Revelation 8-11 and 15-16 at some
point after temple judgment of Dan8:14 (temple judgment) segway to that final cycle in earnest.

5. So Christ distinguishing the cessation of the "tribulation of those days" (Matt24:29; Mark13:24), which of
course has a relationship to 8th King use of that tribulation resolution feature of "peace" claims to present a
UN manifestation, has far more meaning when we know this cycle was present in the first prophecy cycle of
1914 as well, and repeated in 1945 and 1990. But Christ is also distinguishing it from the "great tribulation"
logically, meaning that "tribulation of those days" does not end in Armageddon, it ends both tramplings of
Daniel 8:13 unique, and Revelation 11:2-3 repeating to that second trampling of Revelation 11:1-7 before the
final phase (Dan12:11) period and into it, it ends into Daniel 12:11 period starting as the completion of the
Revelation 11:7-10 final events of "constant feature" removal as the 8th King assumes full sovereign power.

**Overall Great Tribulation End Later**

1. Armageddon divine war events in the Daniel 12:11 final period maturity ends the overall "great tribulation"
in final Kingdom conquest.

(Matthew 24:21-22) for then there will be great tribulation such as has not occurred since the world:
beginning until now, no, nor will occur again. 22 In fact, unless those days were cut short, no flesh
would be saved; but on account of the chosen ones those days will be cut short.

(2 Thessalonians 1:6-10) This takes into account that it is righteous on God's part to repay tribulation
to those who make tribulation for you. 7 but, to you who suffer tribulation, relief along with us at the
revelation of the Lord Jesus from heaven with his powerful angels in a flaming fire, as he brings
vengeance upon those who do not know God and those who do not obey the good news about our
Lord Jesus. 9 These very ones will undergo the judicial punishment of everlasting destruction from
before the Lord and from the glory of his strength, 10 at the time he comes to be glorified in connection
with his holy ones and to be regarded in that day with wonder in connection with all those who
exercised faith, because the witness we gave met with faith among you.

*Note: In effect the "tribulation of those days" starts the great tribulation as part of it, it's spiritual
tribulation judgment meaning ending with the 1260 days ending, but the overall "great tribulation"
proceeds as one-side 8th King engineered and inspired 'those who make tribulation for you' continuing
to Armageddon complete resolution of all tribulation and tribulators (the 8th King desolater).

2. Though a "peace and security" exists when the 8th King places the 4th UN placement at the end of that
"tribulation of those days" as Revelation 11:7-10 repeats, he then goes into a further attack mode as "during" "œ
freedom from care" as parallel Daniel 11:44 attack, and Revelation 11:7 attack. Meaning though the spiritual
significance of "tribulation of those days" ends with the "two witnesses" killed this final time, as "tribulation of
those days" ending as per Daniel 12:11 the constant feature is removed again, but in it's clean "little scroll"
form AND the UN "disgusting thing" is placed the fourth time, the 8th King is still causing selective
tribulation as "those who cause tribulation" (2Thess1:6-10), DURING that "freedom from care", meaning a
broader "great tribulation" (GT) of one-sided uni-polar 8th King power is continuing and going into force of
8th King sole agenda.

3. That overall greater "great tribulation" is what is ended as Armageddon.

Sheep Goat Separation Precedes Final Armageddon Events

1. A final remnant gathering of 1Thessalonians 4:17, preceding or leading into 1Thessalonians 5:1-3 and the
final "sheep and goat" separation MUST take place prior to complete final world judgment as Revelation
14:14-16 sheep parallel precedes Revelation 14:17-20 goat parallel of Matthew 25:31-46 as that whole
Matthew 24:29-31 sequence precedes the ultimate end by apparently the whole Daniel 12:11 1290 day period.

2. That destructive 8th King sole uni-polar power completing progressively is to be demonstrated on the "two
witnesses" (2W) again, and will continue to BTG in that final period, and other institutional entities being
"new ordered" into 8th King final agendas which we can only speculate on past the the 2W and BTG attack
meanings made clear in the Bible. (Rev13:5, 16-18 fullest meanings leading over that "42 months" to a full
uni-polar 8th King power);

3. And that is when BTG is actually deposed and in that "peace and security", we can see it will be a uni-polar
8th King complete military control "peace" we are talking about, so there may be other targets as per Daniel
11:44 and Daniel 8:25 parallels of attacks, but it will be a one-sided attack by a sole 8th King power removing
whatever it is besides the "two witnesses" and Babylon the Great as per that final 8th King agenda. That is the
period beyond the "tribulation of those days" that Christ ends fully as per Matthew 24:21-22 and
2Thessalonians 1:6-10 as the "great tribulation" fullest meaning of Revelation 7:9-17.

4. The "tribulation of those days" is spiritually significant to temple/Jerusalem/holy city symbolisms of
"trampling" and precursor judgment (1Pet4:17), a marked phase of the overall "great tribulation" starting,
which will not be a tribulation for those present as "those making tribulation for you" as 2Thessalonians 1:6-10
parallel of Revelation 6:12-17.

5. The "tribulation of those days" is selective on temple "Jerusalem" as the "1/3" "earth" JW focused symbol of
Revelation 8, the overall great tribulation is selective on worldly elements as per the Revelation 16 first six
plagues containing the whole global tribulatory context, hence "great" tribulation. And in this uni-polar 8th
King war potential, traditional national "wars and reports of wars" are ceased (Matt24:6) because national
powers will be subservient fully to 8th King military domination as per Revelation 17:12-17 culmination of
Joel 3:9-12.

6. Thus it is really a "world peace" according to a one-sided 8th King definition, sovereignty, agenda and
proclamation for much of the world as the globalized military system can then be used for 8th King agenda
fully, with no national distraction instead they are Ezekiel 38 "congregated" as per Revelation 19:19-21 into
final globally united defiance of God and Christ and Messianic Kingdom.

7. And all that logic and calibration is present in BOTH prophecy repeating and the UN world tribulation
cycle also repeating world events as well as prophecy again since 1914 upon Daniel 12, the UN phase as a
four time sub-cycle leading to full 8th King world government overall as per 1919, 1945 and 1990 and this final phase.

There are Four World Government “Disgusting Thing” Placements in Bible Prophecy as a Continuum to Armageddon

1 of 4. 1919; League of Nations

A. First World Government Cycle: World War 1 resolution leading to the League of Nations presentation in 1919;

2 of 4. 1945; United Nations

A. Second World Government Cycle: World War 2 resolution leading to the United Nations presentation in 1945;

B. Fulfilling Revelation 17:8-11;

3 of 4. 1990; United Nations “New World Order” Initiative

A. Third World Government Cycle: World War 3 “Cold War” resolution leading to the United Nations presentation in “New World Order” initiative in 1990;

B. Fulfilling: Daniel 11:31b;

4 of 4 (Near Future); Final Scarlet Wildbeast World Government and United Nations International Globalist Forum

A. Fourth and Final World Government Cycle: WW4 resolution leading to the United Nations and 8th King world government total presentation in the relatively near future;

B. To finally fulfill Daniel 12:11 replicating as Daniel 8:23-25; Daniel 11:44-45 final 8th King world government; Replicating Revelation 11:7 with Daniel 12:11 as Daniel 11:45, post World War 4, 8th King attack mode grand finale in the fourth and final UN world government based 'disgusting thing' placement in the near future;

Tribulation of Those Days Commencement Starts Great Tribulation

1. Thus as Daniel 8:13-14 activates Revelation 8:1-6 in 1Peter4:17 priority on the JW "temple", the "great tribulation" activates and does start with the "tribulation of those days" component significant in a "holy city" initial judgment (Dan8:13) while a global tribulatory distraction period is activating, like WW1 usage of that feature to detract from the Kingdom "little scroll" message that must be cleansed to deployment and be attacked for a second "trampling" as per Rev11:2-3 1260 days repeating and to end with the "tribulation of those days" as Rev11:7. (At which time the UN comes from the "abyss" (Rev11:7) of inaction in the "tribulation of those days" period resolving to present itself, ascending from that abyss a final time as Dan12:11 - and guiding the rest of the globally selective "great tribulation" conclusion 8th King agenda).
2. These things are now completely prophetically symphonic of what that final "tribulation of those days" means and what it's end means as well.

3. Thus the initial temple cleansing (Dan8:14 "right condition") results in that progressive period to full meaning in final clarifying and fulfillments of Malachi 3:1-5 and Zechariah 3:1-5 final meaning, and that eventual clean "little scroll", "handed" by the angel of God, recommissions that final Revelation 10-11 marked ministry as 1260 days as the ultimatum of Zechariah 3:6-7 and it's Zechariah 3:8-9 "portent" of Kingdom and temple completion as that Zechariah 4 "head stone" and "two witnesses" parallel of Revelation 11 becomes known as that "head stone" is Christ that must and will be placed by God himself on what MUST be a completed 144000 temple "body".

A. (Zechariah 3:6-7 is the "faithful and discreet slave" designate ultimatum paralleling Matthew 24:45-51 final meaning in precursor temple judgment determinations of "faithful" and "evil" starting in the final cycle commencement. (1Pet4:17))

4. And because by that time the JW temple judgment turns the tables on the explanatory and evidentiary actuality of prophecy starting a final cycle, and leads to sovereign elements manifesting for all the world to see in 8th King UN events and tribulations, that explanation in that clarified and clean "little scroll" is of course very "disturbing" to opposers (Rev11:10) as the 8th King is the chief form of that opposition and is reacting to those "reports that disturb" him in mainly that "little scroll" message that provokes the final attack of Daniel 11:44 as Revelation 11:7 as Daniel 8:25 parallel 8th King final attacks against the two witnesses second version.

5. That marks the final "trampling" phase on a clean "constant feature" and "holy city" of Revelation 11:2-3 final requirement and Christ ends that "tribulation of those days" as 8th King will also want to resolve that world war and or tribulation period as well as the 1260 days and 3.5 days "two witnesses" death state ends (Rev11:7-12). BUT that is just Daniel 12:11 requirements met and manifest in "constant feature" removal AND 8th King final UN "placement" commencement of 1290 days, not yet the end, but Christ's Matthew 24:29-31 final 144000 living remnant gathering (1Thess4:17), and final sheep and goat separations of what is then all earth sheep because the full Daniel 7:26 "Christ Court" must be over a full 144000 "court" "body" to mark the Matthew 25:31-46 "sit down on his glorious throne" as Christ is "crowning stone" (Zech4:6-9) of the temple and Messianic Kingdom "court" completion as Zechariah 6:9-15 official "King Priest" well before the finality of Daniel 12:11’s conclusion of the 1290 days.

6. Meaning as per Psalm 110, in final form, Christ rules as Messianic King-Priest officially starting in Daniel 12:11 period, in the face of an 8th King also completing the sovereign completion of his defiance.

7. Prophecy repeating to this climax fully describing it is the ultimate preview of the ultimate showdown of Armageddon that a complete 8th king and complete Messianic Kingdom converge to!

**Daniel 12:12 1335 Days Clues**

**Question:**

*If there is a globalization of sustaining & prolonging power for the 4th UN cycle and the elites, who control the worlds money and resources, and who are the false prophets and unite with Satan to proclaim Satan himself is the father/god and force the human race to bow down to him and give him honor and glory, which is the three blasphemous shown at Revelation 16:13, then how can Daniel 12:12&13 take place if*
this power continues?

Response:

The whole 1260 Day, 1290 Day and 1335 Day Sequence:

(Daniel 12:7-13) And I began to hear the man clothed with the linen, who was up above the waters of the stream, as he proceeded to raise his right [hand] and his left [hand] to the heavens and to swear by the One who is alive for time indefinite: “It will be for an appointed time, appointed times and a half. And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish.” 8 Now as for me, I heard, but I could not understand; so that I said: “O my lord, what will be the final part of these things?” 9 And he went on to say: “Go, Daniel, because the words are made secret and sealed up until the time of [the] end. 10 Many will cleanse themselves and whiten themselves and will be refined. (Temple purification of Daniel 8:14 culmination) And the wicked ones will certainly act wickedly, and no wicked ones at all will understand; but the ones having insight will understand. 11 “And from the time that the constant [feature] has been removed and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days. 12 “Happy is the one who is keeping in expectation and who arrives at the one thousand three hundred and thirty-five days! 13 “And as for you yourself, go toward the end; and you will rest, but you will stand up for your lot at the end of the days.”

"Happy is the one" indicates only that selection of Christ enters the Daniel 12:12 1335 day period commencement.

Daniel 12:12 Significance to Final World Judgment Completion

Daniel 12:12-13 is the cut off period, only "happy" people "keeping in expectation" enter it. There can be no 8th King or Satan in Daniel 12:12. But there can be 8th King and Satan as Gog in Daniel 12:11 1290 days. And there is a prelude leading to that Daniel 12:11 climax of 8th King power over the 1260 days of Daniel 12:7. That Daniel 12:7 and 12:11 periods have rival system climax developments completing, and in ruling power for a while to be deposed before the Daniel 12:12 period starts.

The Daniel 12:7 period ends into 8th King world "peace and security" (1Thess5:1-3); That is also parallel to Revelation 11:7-10 gift giving celebrating two witnesses death. That is also "freedom from care" of Daniel 8:25. That is also existing opposers still present as Revelation 6:12-17 and Revelation 18:9-19 period of time. The end is not an instant event, but the Daniel 12:7 parallel of 1260 days completion as Matthew 24:29-31; Jude14; Revelation 11:7-14; Matthew 25:31-46; Revelation 14:14-20; Revelation 6:12-17 parallel period leads into Daniel 12:11 second period 1290 days timed. In or at the end of that period is when "they finally" (Dan7:26) take 8th King rulership away.

In reality as per Matthew 24:29, the coming tribulation for 8th King use to resolve and present the UN world government with a convincing world "peace and security", must end. And it will end into a period of "freedom from care" hopefulness for those misled by the the wildbeast. BTG deposition at the end of the cycle aids that final recovery, and adds to the believability the 8th King is actually achieving world "peace and security".

Although Christ is manifesting also in the same period commencement after the 1260 days into the 1290 days starting, we do not know exactly how that will be taking place, because he will be first priority securing sheep, and monitoring 8th King keeping Gog and him in limits.
Thus the 8th King is going into completion over the final tribulation ending leg of the 1260 days, which is also a Revelation 11:1-7 final world warning period while that tribulation nears it's Matthew 24:29 end. And the 8th King completes as "place the disgusting thing" as Daniel 12:11 1290 days begins as parallel Daniel 11:45 and Daniel 8:25 events. So the 8th King is in full rulership for some period of the 1290 days.

The full cut off is Daniel 12:12 third period 1335 days.

The Happy Ones Clue

Happy is the one "keeping in expectation" who gets to that point:

(Daniel 12:12-13) “Happy is the one who is keeping in expectation and who arrives at the one thousand three hundred and thirty-five days! 13“And as for you yourself, go toward the end; and you will rest, but you will stand up for your lot at the end of the days.”

Which implies unhappy are those not keeping in expectation.

And that Revelation 11:7 removal of final but approved "constant feature" must parallel Daniel 12:11 as the "two witnesses" final ministry deposed. (Which aids 144000 completion)

(Daniel 12:11) “And from the time that the constant [feature] has been removed and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days. (The clue is this is 8th King 4th UN placement world government just starting world rulership in complete form, as a stated world sovereign (1Thess5:1-3))

In that period is when Christ's priority is first sheep gathering leading to a judgment that may parallel the happy and unhappy states of people as final sheep and goat judgments.

Marriage of the Lamb Reception for Earthling Sheep

The expectation and happiness is:

(Revelation 19:7-9) 7 Let us rejoice and be overjoyed, and let us give him the glory, because the marriage of the Lamb has arrived and his wife has prepared herself. 8 Yes, it has been granted to her to be arrayed in bright, clean, fine linen, for the fine linen stands for the righteous acts of the holy ones.” 9 And he tells me: “Write: Happy are those invited to the evening meal of the Lamb’s marriage.”

Those are not just the Kingdom members, earthly sheep must go into that "evening meal" as this ceremony must bring in sheep as final living sacrifice to God as "harvest of the earth" of Revelation 14:14-16, taken in prior to winepress destruction of the goats as parallel to those thrown into that winepress and thus happy and unhappy states.

That Daniel 12:12 third period of Daniel 12 is this "third watch" period that is the "marriage" "evening meal" "reception" entire post Messianic Kingdom conquest development as the Daniel 12:11 1290 days ends, Messianic Kingdom completion is also completion of the Christ Bridal "Body":

Page 81
This marriage parallel also notes the parallel meaning of the three Daniel periods of Daniel 12:7, 12:11 and 12:12 as "three watches" parallel for the master's developments as:

(Luke 12:35-40) "Let your loins be girded and your lamps be burning (Matt 25:1-13 ten virgins reference; First Watch: Daniel 12:7 1260 days Rev11:2-3 parallel) and you yourselves be like men waiting for their master when he returns from the marriage, so that at his arriving 1260 day ending event as Matt24:29-31 parallel of Rev11:7-14 and knocking they may at once open to him. (wise virgins, happy sheep, but more time by prophecy must unfold) 37 HAPPY are those slaves whom the master on arriving finds watching! (for ultimately all 3 watches of Daniel 12) Truly I say to you, He will gird himself and make them recline at the table (the Kingdom will have come to earth as Jesus prayed while on earth, let your kingdom come) and will come alongside and minister to them. (Jesus as per Rev21 makes a direct life connection to earthly sheep, Kingdom comes to earth as new world rulership)

38 And if he arrives in the second watch (Dan12:11 commences as 1260 day first watch ends as Rev11:7), even if in the THIRD (Dan 12:12), and finds them thus, HAPPY are they! 39 But know this, that if the householder had known at what hour the thief would come, he would have kept watching and not have let his house be broken into. (Bethel infiltration of Daniel 11:41; 11:30-31; 8:12-13; 40 you also, keep ready, because at an hour that you do not think likely the Son of man is coming.)

It appears the post 1260 days Christ manifestation parallels Matthew 24:29-31; Jude14; Revelation 11:7-14; Matthew 25:31-46; Revelation 14:14-20; Revelation 6:12-17 parallels of that initial manifestation of Christ is not yet the total end of the world.

But the 8th King completion (Dan12:11; Dan11:45; Dan8:25), and Christ also completing Revelation 14:1, 144000 last anointed sheep as 1Thessalonians 4:17, and making final earthly sheep gathering and goat determinations, but not yet instant destruction or conquest is the significance of that period of Daniel 12:11. (The 1260 days parallel as Dan12:7; Rev11:2-3; Dan7:25, events after those markers are occurring after Christ's revelation. (Matt24:29-31));

Seven Days of Grace?

The Daniel 12:11 1290 days is a period of Christ bringing sheep into full protection, and as Noah's time had a seven day final warning period of miraculous animal arrival to the ark, this 1290 day period may be a final period of people making final sheep determinations as per Matthew 25:31-46 unfolding over the Daniel 1290 day period, as "finally" [8th King] "rulership they took away" as Daniel 7:26, which is after Daniel 7:25 1260 days, but not necessarily immediate.

Final earth "sheep" come in into Christ's Kingdom "ark" completed as parallel of a world judgment salvation meaning:

(Genesis 7:8-10) Of every clean beast and of every beast that is not clean and of the flying creatures and everything that moves on the ground, 9 they went in by twos to Noah inside the ark, male and female, just as God had commanded Noah. 10 And seven days later it turned out that the waters of the deluge came upon the earth.

Daniel 9:27 has a parallel principle of a "seven day" sacrificial period that 1260 days and 1290 days can combine in two final grace periods to approximate seven years of open opportunity for sheep intake by
covenant application of sacrificial provision for all sheep:

(Daniel 9:27) “And he must keep [the] covenant in force for the many for one week; and at the half of the week he will cause sacrifice and gift offering to cease.

The half of the week is the 1260 days that ends into the cessation of the "two witnesses" ministry. (Rev11:7);

IN PRINCIPLE of that prophecy concerning Christ's sacrifice, a related salvational "sacrifice" can also cease at the end of the 1290 days and the final sacrificial "gift offering" of the final earth sheep to God is complete as that Revelation 14:14-20 overview of final offering of the "harvest of the earth" as "great crowd" of "sheep" of the final 2Thessalonains 1:6-10 deliverance of Christ in the 1290 day period, maybe at it's end, if God extends this "seven day" meaning to cover people with salvation offer in the whole Daniel 12:7 and 12:11, 1260 day and 1290 day, principle "seven day" as seven years period.

Thus the start of 1335 days is the final "happy" and faithfully "keeping in expectation" goal of entering the actual marriage, because earth sheep are entering a marriage covenant as adopted children beginning to be "led to waters of life" and "having their tears wiped from their eyes" as the ones going under Messianic Kingdom 1000 year rulership from day one as the Kingdom in Revelation 21 and Matthew 6:10 clue "Kingdom comes" "comes down from heaven" and spreads it's "tent" over planet earth (Isa54), now in direct supernatural contact with all life on Earth to start the Matthew 19:28 re-creation regeneration of Romans 8:18-22 and Revelation 21-22.

**Modern Bethel Error and Temple Judgment Commencement of the Whole Final Cycle of Prophecy**

This is why the current JW ministry not tracking UN development as prophecy since 1990 3rd UN placement at UN NGO time, and not informing the world of all this required development, must be judged and desolated, purified and recovered to make a final clean and truthful world warning announcement explaining the 3rd and 4th UN placements of Daniel 11:30-45, as it did in the first two UN placements as prophecy in 1919 and 1945.

Somewhere between 2nd UN placement of 1945 and 3rd UN placement of 1990, JWs were derailed. We know the GB arose in that period, and the GB is the source of this defection and subversion since 1976 incept control of this dictatorship overrunning the anointed "body of the Christ" with an add-on "governing" "body" actually "set in opposition" as foreign body "in the temple" by claims, defectors and impostors (Dan11:30b-31a).

As we see they cover up UN 3rd and 4th placement progression of Daniel 11:30-45, hide King North as 8th King identity and developments in that progression, blaspheme God and Christ, and override the anointed and their ministry with "operation of error" as 2Thessalonians 2:1-12 fulfills in this prophecy covering up JW Bethel development REQUIRING (Dan8:13) judgment, removal and a re-clarification to prophetic reality.

It is GUARANTEED Bethel will NOT be permitted by God to continue this deception much longer. As we see very important 4th UN placement cycle information is also being subverted by the current Bethel dictators (Isa1-5, 28), and the JW organization must be "desolated" (Dan8:13) for a huge "transgression causing desolation" as UN NGO Bethel version of the "disgusting thing that causes desolation" (Matt24:15), but as we see far more error is going on than just the UN endorsement. There is also Daniel 8:12 subversion and cover up in operation by Bethel planning and promotions.
Expect a MASSIVE judgment to come on the JW org, and in time everything we are trying to fully understand will come to full light when God's holy spirit comes into the ministry, rather than the current evil and befouled spirit of Bethel as Zechariah 3:1-3 parallel to 2Thessalonians 2:3-4, 9.

And we know the coming tribulation in fact ends (Matt24:29) into 8th King world government and world "peace and security" to aid the overall wildbeast and Satanic deceptions. This is NOT "the end" coming up, God will provide enough time, and marked periods, to fully warn mankind of the reality that Bethel is now covering up. By Daniel 8:14 and Daniel 12:7 timing alone is an approximate decade of initial judgment and recovery activity prior to Christ's initial full manifestations into Daniel 12:11 period, to also go on for a while as 1290 days meaning and duration.

All in all God is giving an approximate but detailed "map" to Armageddon over events that will be world historic news as well marking the prophecy continuum of Daniel 8 and 12 as it is all manifesting live and real-time.

Seven Seals and Messianic Kingdom Birth and Completion - Revelation 4-8:1 "Scroll" Meaning

Revelation 4 - Heavenly Court of the Messianic Kingdom Completion Seven Sealed "Scroll" Prelude

(Note: This final fulfillment cycle (of the near future) explanation agrees with the original Jehovah's witnesses' initial prophetic interpretation from the 1914 era foreword and is based on it with a final cycle awareness that Daniel 12 and parts of Revelation must repeat in final form as the 8th King completes world government as does God Christ complete the 144000 and the Messianic Kingdom earthly sovereign agency over a final prophetic phase of some years marked in Daniel 8:14 and Daniel 12:7 (Rev11:2-3).);

Important: Keep in mind when reading this explanation an initial fulfillment validity is guiding the final fulfillment details covered here as two fulfillments and two phases, one at Messianic Kingdom "birth" phase of 1914-1918 and one in the future as the final Messianic Kingdom completion phase of the future 1260 day final Kingdom invitation and sovereign warning of Revelation 8-11 replicating continuum - both fulfillments are valid for their Kingdom and temple developmental phase);

Heavenly Kingdom Court Scene:

(Revelation 4:1-6) After these things I saw, and, look! an open door in heaven (Christian anointed access), and the first voice that I heard was as of a trumpet (and leads to seven trumpets) speaking with me, saying: “Come on up here, and I shall show you the things that must take place” (Rev1:1; Christian anointed entry of heaven (explained later) and involvement with final Kingdom revelation).2 After these things I (John; earthly anointed type) immediately came to be in [the power of the] spirit: and, look! a throne was in its position in heaven, and there is one seated upon the throne (Jehovah God Almighty central figure of ceremony). 3 And the one seated is, in appearance, like a jasper stone and a precious red-colored stone, and round about the throne [there is] a rainbow like an emerald in appearance. 4 And round about the throne [there are] twenty-four thrones (pictures initial and final anointed
presence), and upon these thrones [I saw] seated twenty-four elders dressed in white outer garments (Rev6:9-11), and upon their heads golden crowns. 5 And out of the throne there are proceeding lightnings and voices and thunders; and [there are] seven lamps of fire burning before the throne, and these mean the seven spirits of God. (Rev6:9-11, 5 And before the throne there is, as it were, a glassy sea like crystal).

The Heavenly Ceremony of Kinged Christ's Scroll Reception and Mission Preview

Overview: Revelation 4-7 is giving a Kingdom scroll summary as first a six seal overview leading to a seventh seal full explanation contained in Revelation 8-11 more detailed explanations as parallels to the six seals, under Christ's King of God's Kingdom authority (Rev12; Dan7:9-14) leading to the Messianic Kingdom birth phase (1914 period), and the required completion final phase (future) of prophecy and Adamic world history to culminate in a concurrent 8th King world government completion and presentation (Dan12:11; 11:45) and final sovereign world "peace and security" proclamation (1Thess5:1-3) of that completed "scarlet wildbeast" international "image" and world government global totality.

1. Revelation 4-5 provides an official heavenly "Court" scene in vision given to the apostle John that outlined Kingdom events of God's Kingdom and the "birth" founding of the Messianic Kingdom power (and subsequent mission and understanding in the scroll with seven seals) yet to complete, and to become a completion (and unified whole sovereignty) with Christ as the central figure of the mission understanding and deployment.

A. The period is marked in initial understanding upon the main Revelation patterns defined in the Daniel 12 underlying timed periods that unfolded in first fulfillment preview form since 1914. (Daniel 12:7 (Revelation 11:2-3), 12:11, 12:12);

B. The Messianic Kingdom "birth" was completed by this time in the Revelation 4 proceedings as evidenced by the "twenty four older persons" present as the "infant" form "male child" of Christ's Kingdom "body" secondary foundation. (Rev21:14);

C. Revelation 12:1-12 has already taken place also removing Satanic presence from the heavenly scene by this time. (Thus the enemy horses of seals 2-4 are about to be released as sign of Satan's anger and "woe to the earth" concurrent with Kingdom announcements to result from this commission of Christ "Lamb of God"

2. This preview of a Kingdom completion message, framework and understanding "scroll" is from God (Rev1:1), given Christ as the "Lamb of God" as seven seals are opened once for each unique seal, and are understood as a whole "opened" "scroll" in initial and accurate meaning as God's heavenly Kingdom power brings about final Messianic Kingdom birth and completion phases progressively but once in time.

A. This reception, and opening of the scroll doesn't repeat, the initial meaning merely takes on final significance in a final fulfillment of what is outlined since 1914. (the second side of the scroll); This Kingdom completion understanding of that Messianic Kingdom "body" requirement of 144000 completion, to allow Christ's final King coronation event by God upon a full Messianic Kingdom "body", is the final important feature of the final message to come forth in time (the reverse side of that two-sided scroll).

Thus a final phase pattern is forming on the preview phase pattern of 1914 as the scroll is two-sided, in dual fulfillment meaning; it has an initial fulfillment meaning that guides the final fulfillment meaning as a unified whole "scroll" to the completion it leads to and describes;
3 It is for this eventual climax completion that divine authority and divine understanding in Christ's kinged role in God's Kingdom first since 1914 - preceded reception of the scroll - as the leading preview needed (and explained since 1914 upon prophetic patterns made known in the Jehovah's witnesses (JW) world Christian ministry initially), outlining initial valid meanings of that scroll's manifesting commencement features in it's seals revelations towards Messianic Kingdom completion and full unification with God's Kingdom, upon the initial pattern unfolding since 1914.

4. The presence of God, Christ, angels, angelic groups, spirit glorified anointed, and human anointed symbology in the apostle John's "guest" presence means a unity of divine powers and entities in the mission will be employed in heaven and on earth to carry out the "scrolls" proclamation as a Kingdom message framework.

5. The final fulfillment details as the second side of that scroll as a finalizing replication, is yet to be made known to collective JWs and the world ministerial audience due to a spiritual departure at Bethel as "those leaving the holy covenant" made official as Daniel 11:30-31 events climaxed into a 3rd United Nations placement in 1990 as Bethel became a supporting organization as UN NGO of the 8th King system and subversion objectives officially thereafter, as foretold, as also a repeating signal and principle of organized apostasy and lawlessness subverting the final phase understanding. (Zech3:1-3; 2Thess2:1-4; Dan11:30-35; Dan8:12-13);

6. This is why the scroll understanding is "opened" as a single event in 1914 inception onward, and it's one-time event of "breaking" the seven seals occurred from 1914 as the unique meaning went on to be explained progressively as part of the ministerial mission "ride" of the Christ "white horse" guiding a world ministry of accurate truth from that point forward, as now a Bethel diversion campaign obscures the final meaning.

7. The "scroll's" first side is 1914 Kingdom birth phase preview fulfillment, the "scroll's" second side is the Kingdom completion final phase final fulfillment. (See[4] Daniel 12 Replication) (See [8] Prophetic Replication);

8. The apostle John did not just see a "door opened in heaven" and look into it, he was brought "personally" into the symbolic scene in heaven of future events at that time, meaning Christian anointed have, and will again as humans, take part in this scroll's final announcement and events as the final 144000 completing members upon approval by faith and faithfulness to the end; (Rev14:9-12); The "twenty four older persons" symbolically indicate spirit-form anointed will also aid the process, as will angels, all under Christ, for God's Kingdom purpose.

9. "I saw, and, look!" is a directive from the Bible from God to all mankind as the intended final recipients of the "scroll" message to which this heavenly ceremony leads quickly. God's Kingdom is coming as promised; (Matt6:10);

**Revelation 5 - Two-Sided Scroll - Kingdom Birth and Completion as Dual Fulfillment Cycles**

1. The central role of Christ the Lion and "the lamb" as King of God's Kingdom is highlighted as the sole appointee of Jehovah God Almighty:

*(Revelation 5:1-5) And I saw in the right hand (first directive mission from God) of the One seated*
upon the throne a scroll written within and on the reverse side, sealed tight with seven seals. 2 And I saw a strong angel proclaiming with a loud voice: “Who is worthy to open the scroll and loose its seals?” 3 But neither in heaven nor upon earth nor underneath the earth was there a single one able to open the scroll or to look into it. 4 And I gave way to a great deal of weeping because no one was found worthy to open the scroll or to look into it. 5 But one of the elders says to me: “Stop weeping. Look! The Lion that is of the tribe of Judah, the root of David, has conquered so as to open the scroll and its seven seals.” (Christ as central commissioned figure approved by God for the mission understanding and deployment);

Comprehensive Scroll of Secrets Needing to be Made Known

1. The scroll is received, unsealed and "opened" once in an accurate preview understanding and deployment (The seventh seal leads to the seven trumpets full explanation since 1914, the Revelation 4-8:1 setup symbolizes actual heavenly events that brought that enlightenment forth since 1914 marked prophetic period). Yet the two-sided nature of the scroll - "written within and on the reverse side" - means two manifestations of the guiding Kingdom birth initial phase (scroll side one) to the Messianic Kingdom completion final phase (scroll side two) and unification in a common "scroll" Kingdom prophetic pattern import (announced as well as such, since 1914 in initial preview meaning of Messianic Kingdom "birth").

In effect the seven seals by seventh seal progressive enlightenment completing, contain all seven trumpets final heralds and more detailed explanations in seventh seal connectivity to Revelation 8-11 as included in the seventh seal. (For two cycles of fulfillment);

2. Two cycles of prophecy; the prophetic certainty requires a Messianic Kingdom 144000 completion phase (Zech4:6-9) after the Kingdom birth phase for a final Christ King-Priest crowning (Zech6:9-15) in the completion phase upon all 144000 in spirit glorified form - for an earth focused universal sovereign completion. Thus from Kingdom birth to eventual completion, the rest is to finalize to final conquest of an also completing 8th King rival totality (and it's seals 2-4 distractions, like in 1914 and WW1), which is also to have a climax final cycle upon the 1914 Daniel 12 patterns in the future as a repetition to completion. (Rev19:19-21; Rev20:1-3);

(Note: Daniel 11:42-45 unique and final 8th King developments (of the future) must merge into Daniel 12 live and real-time, indicating as well, Daniel 12 has a final fulfillment cycle as well; Plainly Daniel 11:42-43 implies wealth and finance intrigues as 8th King "King North" pawning of the "king south" national declining powers collectively - we see obvious worldwide national debt development will aid Daniel 11:42-43 8th King developments to begin as the final cycle is also starting);

3. The first side of the scroll thus opens as a Messianic Kingdom "birth" preview of the second side meaning of Messianic Kingdom completion to also unfold over final prophetic periods into the final phase of also 8th King concurrent completion development as the common parallel with the original 1914 cycle producing the 1919 UN related League of Nations also "infant" 8th King system as international "peace" forum and formative world government. (Daniel 11:42-45 merges into Daniel 12 as timed underlay to give temporal context to the Revelation replicating prophecies);

(Revelation 5:6-10) And I saw standing in the midst of the throne and of the four living creatures and in the midst of the elders a lamb as though it had been slaughtered, having seven horns and seven eyes, which [eyes] mean the seven spirits of God that have been sent forth into the whole earth. 7 And he went and at once took [it] out of the right hand of the One seated on the throne. 8 And when he took the scroll, the four living creatures and the twenty-four elders fell down before the Lamb, having each
one a harp and golden bowls that were full of incense, and the [incense] means the prayers of the holy ones. 9 And they sing a new song (Rev14:3; 15:3), saying: “You are worthy to take the scroll and open its seals, because you were slaughtered and with your blood you bought persons for God out of every tribe and tongue and people and nation, and you made them to be a kingdom and priests to our God, and they are to rule as kings over the earth.” (the Messianic Kingdom directive is explicitly stated as result of Christ's first earthly mission to secure sacrificial purchase and legal authority in "new covenant" (Luke22:19-20) to found "kingdom covenant" (Luke22:28-30) as the means to this completion objective of an earthly sovereign Kingdom world government);

4. That everyone - in Christ, angelic, anointed organizational and personal anointed prophet (John) symbols is present before God, indicates the importance of this event in this vision, and it's guaranteed final world impact of all these revealed "secrets" of a Kingdom full "scroll" meaning and message. That "scroll" is the key Revelation Kingdom outline to manifest to completion soon.

Basis of the Prophetic Replication Awareness - The Original 1914 Jehovah's Witnesses' World Ministry

1. Thus the original International Bible Students Association (IBSA) becoming Jehovah's Christian Witnesses world ministry deployed successfully through two United Nations (UN) placements fulfilling marked prophecy in 1919 as the League of Nations as Revelation 13:11-5 (Dan12:11 first fulfillment), and in 1945 as the United Nations as Revelation 17:8-11 is the basis of understanding the final prophetic cycle - it is already there in the first fulfillment, it is just updated to completion details of both Messianic Kingdom and 8th King sovereign completions and final sovereign conflict. (Daniel 11:42-45 + Rev17:11-18 = Rev16:12-16 Armageddon)

A. Thus JWs tracking UN development and Kingdom development side-by-side is a valid initial understanding of the initial Revelation, Daniel 7, and Daniel 12 prophecies, times, meanings and patterns that form the framework of the final fulfillment replication. That parallel diametric sovereign development must continue, and requires a final cycle, not an instant "end of the world", but Daniel 11:42-45 (and Dan12) finalization phase over some years yet to begin, not "end" as JWs are misconceiving.

2. Thus an awareness of a prophetic replication required in the future, upon the same pattern as the past in all sovereign and developmental aspects, re-affirms the foundational work of Jehovah's witnesses initial Kingdom ministry, rather than undermine it, thus allowing the prophecy to "explain itself" upon the former reliable pattern merely updated to current Messianic Kingdom and 8th King developments since 1945 and into the future final phase climax.

Progressive Bethel Subversion After Second UN Placement of 1945

(Note: That Bethel, as claimant anointed Jehovah's witnesses "headquarters" of the whole JW ministry, did not track the 3rd United Nations placement (Dan11:31b) of 1990 as a "new world order" (NWO) mode of manifestation objective as Daniel 11:30-45 continuum, as 8th King as King North (Dan11:36), but instead joined the NWO proclamation campaign as UN NGO and concealed the prophecy with furthered USSR error, is evidence and prophecy of apostasy fulfilling (again) indicating the valid ministry of Jehovah's witnesses from 1914 to 1945 was overrun between the tracked 2nd UN exposition as prophecy (1945) and the concealment of the 3rd UN manifestation as insignificant in 1990.

This is accomplished by foretold Bethel based anointed defectors and subverters with 8th King ties clearly described in the very prophecy as Daniel 11:30b-32 that Bethel conceals the true meaning of.
Thus as "the transgressors act to a completion" (Dan8:23) at Bethel, also an 8th King (King North) began manifesting as also "King of Fierce Countenance" as identical globalist "8th King" assumes final world government meaning of all sovereign rival symbols in Daniel 2, 8, 11, and Revelation 17 - including the "King of the North" of Daniel 11:27-45. This completed understanding is also diverted by modern "man of lawlessness" Bethel leadership, progressively installed as the self-appointed non-Biblical "Governing Body" "lifting themselves over everyone" since the 1976 Bethel coup of said foreign "body" as also a developing "evil slave" center of apostate organized control, in addition to the "lawless one" central cell of development since that time, positioned prior to it as per Daniel 11:30b-31a and Daniel 8:11-12 meanings of subversion connected to 8th King developmental planning support. We already have "the body of the Christ", a "governing" "body" is an unneeded, non-Biblical, non-divine, and lawless additional "body" naturally "set in opposition" (2Thess2:3,4) from incept dictatorial seizure as "lifting themselves over everyone" from that time in 1976 Bethel coup);

1. This is why a final cycle awareness made known to JWs by means of a temple judgment in the final fulfillment meaning of Revelation 8, is required for the Bethel transgressors completing apostasy to be completely removed (Zech3:4-5; 2Thess2:8, Mal3:1-5 Isa66:6; final fulfillment parallels) amidst a JW organizational global desolation to the Daniel 8:13-14 degree and timing necessary. (In Daniel 8:13 the "transgression causing desolation" is the UN NGO);

A. This is why Revelation 5 scroll and "seven seals" import has also a final meaning leading first to temple judgment signal, to the removal of the Bethel lawless obstacles, and a recovery of final truth that also describes the nature of the final signal apostasy, and it's final temple judgment precursor requirement that the seventh seal leads to in Revelation 8 (first four trumpets) final fulfillment requirement meaning.

2. Thus a refocus on Messianic Kingdom completion priority and final temple and truth clarification (Zech3:1-5; Mal3:1-5) is also the Kingdom related import of the final seven seals meaning in the second side of the "scroll", leading to awareness of a final replication of Revelation 8 as the point of seventh seal connectivity (Rev8:1), and Daniel 12 (Dan8:14 leads to Dan12:7 (Rev11:2-3)) replication as the timed underlying guiding framework, for replication of parts of Revelation.

A. As for example Revelation 8-11 (Rev15-16) must have a final cycle leading to temple judgment of Jehovah's witnesses, and a temple purification and recovery, a final warning commission and "little scroll" message, and finally the Messianic Kingdom completion it is all portending (Zech3:6-9);

B. Daniel 8:14 timing and Daniel 12:7 timing combined, must transpire prior to Christ's arrival into that final phase. This is also how we know it is not "the end" instantly, but it requires some final years, and a final Kingdom proclamation prior to Christ's final arrival leading into Daniel 12:11 timing, also not the immediate "the end".

First Full Revelation Commentary from 1963/1969 Source Research

1. The Jehovah's Witnesses related "Revelation—Its Grand Climax at Hand!" (1988) book has great validity for the first fulfillment details and for the most part all the preview meanings, periods (Dan12 cross reference), principles, sovereign players and ministerial import of Kingdom birth to greatly aid understanding the final prophetic replication cycle requirement as do many other JW books prior to the real Bethel Governing Body completed stranglehold of the truth of today's JW ministry.

A. The information in that book was present in the majority of it's understanding in two other books in 1963
and 1969 as the "Babylon the Great Has Fallen" book, and "Then is Finished the Mystery of God" book. Thus by 1969 JW's reached the plateau of peak spiritual development for the first phase from which Bethel's apostasy of today is the continual decline to the temple judgment import the seven seals first leads to (Rev8) as the temple cleansing (Dan8:13-14) prerequisite (1Pet4:17) requirement for validly explaining the Kingdom completion final phase commencement of the near future.

2. This analysis here agrees completely with all symbology present in the Revelation Grand Climax book initial understanding completed since 1969 in the source research as the basis of that 1988 publication. This rationale merely furthers the understanding to a prophetic replication requirement awareness of the future, based on the initial understanding, but showing it too is not complete as all things are set to complete in the near future of the replicating portions of Revelation's prophecy outlining it all.

3. All current official Jehovah's Witnesses commentary on the one time fulfilling Daniel 8:9-25 and Daniel 11:27-45 parallels is invalid as applying to WW2 era Bethel "temple" Christian ministerial development. Instead that pattern applies to intrigues and sources of it that first signaled in 1990 UN NGO alliances and Bethel cover up, fitting those details to the last detail of the prophetic patterns, apostasy, spiritual "lawless" intrigues and sovereign meaning.

4. Bethel now conceals, rather than tracks, the 3rd UN placement of 1990 as significant, or it's Daniel 11:30-45 required continual success (Dan11:36) to the fourth and final UN placement of Daniel 11:45 - totally truncating and diverting JW awareness of significant 8th King activity as "King of the North" and the final cycle is describes as Daniel 11:42-45.

5. Thus the USSR as King North Bethel purposeful fiction, rather than 8th King reality (since 1990 affirmed), is maintained at Bethel as part of the cover (Dan8:12), as that 3rd United Nations placement of Daniel 11:31b is not commented on by that organized apostate "ministerial" system now signaling the final form of 2Thessalonians 2:3-4 "man of lawlessness" operations of error.

6. Daniel 8:11-14 temple judgment sequence is thus also covered up by Bethel as the key transgressors in that prophecy (Dan8:23a). That final temple judgment meaning is not explained properly to modern JW's. The fact the "small horn" of Daniel 7 and 8 is the globalist "8th horn" root system, and it's "King of Fierce Countenance" is that 8th King identical parallel is also not explained fully, but instead national power systems are the "dead end" fictional stall that Bethel employs to aid covering up globalization dynamics from JW understanding as the basis of final apex world government "gathering" components. (Rev16:13-16; Rev17:12-18);

7. King North as 8th King identical meaning is also diverted by Bethel clerics for a defunct national bloc "dead end" as the failed USSR that also cannot fulfill apex "north" global government power. Thus all Daniel sovereign developmental prophecy is converging into 8th King apex "north" meaning as the final form of earthly world power as final completed rival of Christ's Messianic Kingdom as Daniel 2, 7, 8, 11, and 12 all end into this convergent and all encompassing globalist 8th King system at Armageddon. Bethel suspends JW and ministerial audience understanding of this required sovereign completion of temple judgment, 8th King sovereignty and Messianic Kingdom as requirements, and the final cycle it all climaxes over is also concealed.

8. Initial Daniel 7 and Daniel 12 preview fulfillment understanding of JW's is valid as related to Revelation's
initial fulfillment parallels, and Daniel 7 will replicate and finalize certain parts of that prophecy (Dan7:25-26),
as Daniel 12 must completely replicate with the Revelation sequences of the final Kingdom completion cycle
to commence in the near future.

9. Daniel 8 and 11, as noted, require updates out of the Bethel apostate reality to explain 8th King (and
globalization) actual developmental milestones since 1990 that Bethel conceals and suspends commentary on
to aid 8th King UN developmental secrecy as regards prophecy and world globalization developments in
secular research and world government "new world order" histories. (See[5] Bethel Apostasy)

10. But in any event, Jehovah's witnesses were definitely given the overall initial accuracy, prophetic
framework understanding, and key Kingdom meanings of the initial fulfillment cycle since 1914, which of
course already defines the final cycle of the future merely updated for some key developments that affirm it's
requirement and which awareness is then intuitive and already present in the initial preview fulfillment patterns
of Daniel 12, Revelation 8-11 and Revelation 15-16 as primary parallel framework and timing leading to a
final fulfillment over the final 8th King world government cycle.

11. Once the prophetic replication and final cycle certainty is understood, even the Bethel apostasy merely
assumes it's role as a repeating principle and prophetic signal actually already giving evidence of the final
cycle as started, just not in globally felt ways that it will in time develop into. The modern Bethel apostasy
and the lawlessness "body" "in the temple" claims and ministerial environment, are prerequisite revelations made
just prior to the judgment cycle making it all known as part of the final ministry as per 2Thessalonians 2:1-4, 8
and the logic therein. (Rev10-11);

**Kingdom Completion Priority and It's Primary Christ Agent of Divine Completion**

1. Revelation 4-5 has a symbolic preview (Rev4:1-8), of an actual 1914 incept heavenly official event, court
and assembly that relates in principle to this Kingdom completion scene in principle:

(Hebrews 12:22-24) But you have approached a Mount Zion and a city of [the] living God, heavenly
Jerusalem, and myriads of angels, 23 in general assembly, and the congregation of the firstborn who
have been enrolled in the heavens (all 144000, completion) and God the Judge of all, and the spiritual
lives of righteous ones who have been made perfect, 24 and Jesus the mediator of a new covenant, and
the blood of sprinkling, which speaks in a better way than Abel's [blood].

2. Revelation 4 is also this 1914 heavenly scene parallel:

(Daniel 7:9-10) “I kept on beholding until there were thrones placed and the Ancient of Days sat down.
His clothing was white just like snow, and the hair of his head was like clean wool. His throne was
flames of fire; its wheels were a burning fire. 10 There was a stream of fire flowing and going out from
before him. There were a thousand thousands that kept ministering to him, and ten thousand times ten
thousand that kept standing right before him. The Court took its seat, and there were books that were
opened.

3. And related to this completion meaning yet to finalize fully in the final fulfillment:

(Revelation 14:1-5) And I saw, and, look! the Lamb standing upon the Mount Zion, and with him a
hundred and forty-four thousand having his name and the name of his Father written on their
foreheads. 2 And I heard a sound out of heaven as the sound of many waters and as the sound of loud
thunder; and the sound that I heard was as of singers who accompany themselves on the harp playing
on their harps. 3 And they are singing as if a new song before the throne and before the four living creatures and the elders; and no one was able to master that song but the hundred and forty-four thousand, who have been bought from the earth. 4 These are the ones that did not defile themselves with women; in fact, they are virgins. These are the ones that keep following the Lamb no matter where he goes. These were bought from among mankind as firstfruits to God and to the Lamb, 5 and no falsehood was found in their mouths; they are without blemish.

4. Thus the import of God's Kingdom completing unity in Messianic Kingdom guaranteed completion in progress now is present in details of the Revelation 4-5 heavenly "court" set-up and the presence and reception by Christ of the Revelation 5 scroll and seven seals as secrets opened (Col2:3) as the whole Kingdom progressive meaning of the scroll. (Rev1:1; 2Pet1:19-21) It is shown in Revelation 5:1-5 Christ as "Lion of the tribe of Judah" and "the Lamb" (Rev5:6) is chosen by God to receive, understand and guide the entire scroll directives from God as the unique being of all creation worthy to do so - related to the successful sacrificial mission of Jesus Christ completed in it's earthly aspect. (John19:30);

5. This must have an initial meaning in 1914 as Christ was Kinged in God's Kingdom "given rulership and dignity and kingdom", of things to actually finalize in Messianic Kingdom complete King-Priest crowning upon full kingdom and priesthood "that the peoples, national groups and languages should all serve even him", a condition not fully realized on all planet earth until the final fulfillment cycle (Ps2):

(Daniel 7:13-14) “I kept on beholding in the visions of the night, and, see there! with the clouds of the heavens someone like a son of man happened to be coming; and to the Ancient of Days he gained access, and they brought him up close even before that One. 14 And to him there were given rulership and dignity and kingdom, that the peoples, national groups and languages should all serve even him. His rulership is an indefinitely lasting rulership that will not pass away, and his kingdom one that will not be brought to ruin.

More Completion Meanings in Revelation Numbers

Progressive "Seven" Symbolized Completions

1. The "seven" number symbol is a temporal progressive timing and a spiritual whole, spiritual completion meaning that it is leading to as progressive understanding, opened in time, leads to the complete explanation of the complete actualities they portend and describe for Messianic Kingdom completion.

(Revelation 4:5-6) And out of the throne there are proceeding lightnings and voices and thunders; and [there are] seven lamps of fire burning before the throne, and these mean the seven spirits of God.

(Revelation 5:1) And I saw in the right hand of the One seated upon the throne a scroll written within and on the reverse side, sealed tight with seven seals.(meaning when the "secret" was sealed in it's seven parts, it was not possible to understand until unsealing);

(Revelation 5:6) And I saw standing in the midst of the throne and of the four living creatures and in the midst of the elders a lamb as though it had been slaughtered, having seven horns and seven eyes, which [eyes] mean the seven spirits of God that have been sent forth into the whole earth (triple 7 totality in Christ);
2. ALL those "sevens", like the "seven seals", will have their own progressive completions. These "sevens" occur in details from Revelation 4 forwards in relation to Messianic Kingdom guaranteed guidance, power, inspection and insights. We know by other clues a dual phase manifestation is indicated guided by and leading to these "seven" completions in two phases, one at Kingdom birth, and one at Kingdom completion.

Comprehensive Earth Effect "Fours"

Four Living Creatures

1. Four-square clues of the usage of number "4" indicates comprehensive earthly effects are to be manifested in both cycles of Revelation fulfillment progression to the overall climax picture of meaning that replicates key meanings of the initial cycle into the final cycle.

2. Cherubic angels are pictured in that "four living creatures" symbol present in Revelation 4-7, 14-15, and 19, mentioned 11 times in Revelation as a parallel to Ezekiel 1:5, with earthly final missions of angels supporting the Kingdom ministry and judgments as the meaning:

(Revelation 4:6-8) And in the midst of the throne and around the throne [there are] four living creatures that are full of eyes in front and behind. 7 And the first living creature is like a lion, and the second living creature is like a young bull, and the third living creature has a face like a man’s, and the fourth living creature is like a flying eagle. 8 And as for the four living creatures, each one of them respectively has six wings; round about and underneath they are full of eyes. And they have no rest day and night as they say: “Holy, holy, holy is Jehovah God, the Almighty, who was and who is and who is coming.”

(Revelation 15:7) And one of the four living creatures gave the seven angels seven golden bowls that were full of the anger of God, who lives forever and ever.

(Ezekiel 1:4-5a) And I began to see, and, look! there was a tempestuous wind coming from the north, a great cloud mass and quivering fire, and it had a brightness all around, and out of the midst of it there was something like the look of electrum, out of the midst of the fire. 5 And out of the midst of it there was the likeness of four living creatures...

First Four Seals, Trumpets and Plagues Picture Comprehensive "Earth" Worldwide Impact

1. We know in the first four seals an actual global deployment of diametric powers go forth against Christ's first seal "white horse" in the three subsequent seals' red, black, and pale horses, and the final three seals give further completion priority clues and final details of meaning of Christ's final arrival - and concurrent opposition. Thus the first four seals have a unique worldwide meaning as "foursquare" inter-relatedness to global effects progressing from this concurrent development. Later is explained the first four trumpets to which the seventh seal leads, also has a unique "foursquare" earthly aspect, as does the first four plagues present in that quadruple "foursquare" grouping respectively.

("24" in "twenty four older persons" covered later, below)

Threes

1. Threes indicate an intensified emphatic effect of the things described, such as Christ's three "sevens" at
Revelation 5:6, and the world war intensified global effects of the triple riding three horses of seals 2-4. That is actually 8th King development inspired "horses" as complete "war" in various forms on planet earth in a marked manner as Christ's "white horse" "ride" deploys globally, as a marked parallel process of Kingdom mission to the end.

**Implied Twos**

The three co-riding enemy horses of Revelation 6:3-8 have two distinct climax phases in WW1 and the future relating to initial and final fulfillment phase prophetic context. The triplicate enemy horses thus have two cycles of intensified "riding", although they are active continuously since 1914 in all world wars and various "war" cause and effects. Christ's "white horse" has two phases of riding as well, in Kingdom "birth" proclamation cycle of Revelation 6:1-2 and in the Kingdom conquest cycle of Revelation 19:11-21;

**Total Kingdom of God Consolidating Power Shown Progressive in Revelation 4-5**

1. The progressive required final sovereign Kingdom of God unification proceeding from (1) God's sole sovereign power undisputed in heaven by removal of Satan (Rev12:7-12 to Rev4:8-11), to (2) the Messianic Christ following "authority of [God's] Christ" officially (Rev5:11-12), to (3) full unification of both complete sovereign powers also complete in this final combined power for full universal and earthly sovereign totality (Rev5:13-14) is also outlined in Revelation 4-5.

2. This is shown in this progression of power, three times this proclamation of progressive rightful power is spoken implying Kingdom agency as the means to this end:

(1.) About God Almighty (God's Kingdom Sovereignty of Heaven):

(Revelation 4:8-11) And as for the four living creatures, each one of them respectively has six wings; round about and underneath they are full of eyes. And they have no rest day and night as they say: “Holy, holy, holy is Jehovah God, the Almighty, who was and who is and who is coming.” 9 And whenever the living creatures offer glory and honor and thanksgiving to the one seated upon the throne, the one that lives forever and ever, 10 the twenty-four elders fall down before the One seated upon the throne and worship the One that lives forever and ever, and they cast their crowns before the throne, saying: 11 “You are worthy, Jehovah, even our God, to receive the glory and the honor and the power, because you created all things, and because of your will they existed and were created.”

1. Accomplished as Satan was cast from the heavenly sovereign environment permanently setting the heavenly sovereign domain of God's Kingdom as opposer free.

(2.) About Christ the Lamb (Messianic Kingdom Sovereignty to complete as Earth's sovereign agency):

(Revelation 5:11-12) And I saw, and I heard a voice of many angels around the throne and the living creatures and the elders, and the number of them was myriads of myriads and thousands of thousands, 12 saying with a loud voice: “The Lamb that was slaughtered is worthy to receive the power and riches and wisdom and strength and honor and glory and blessing.”

2. Requires Messianic Kingdom sovereignty to be completed for the universal and earthly domain rulership

(3.) About both God Almighty and Christ (God's Kingdom unity of the super-universal sovereign whole) :
(Revelation 5:13-14) And every creature that is in heaven and on earth and underneath the earth and on the sea, and all the things in them, I heard saying: “To the One sitting on the throne and to the Lamb be the blessing and the honor and the glory and the might forever and ever.” 14 And the four living creatures went saying: “Amen!” and the elders fell down and worshiped.

1. Accomplished as the finale of 1 Corinthians 15:24-28 as heavenly, universal and earthly unification under God's will and purpose - all enemies deposed permanently.

**Heavenly and Universal Will of God Done on Earth**

1. In that final heavenly and universal proclamation, all creation is in complete form stating the final announcement as now in unified form all creation is to be affected positively by this final completion of power in Messianic Kingdom under God's overall Kingdom power also appointed to Christ until mission completion as God's Kingdom authority. (1Cor15:24-28);

(Romans 8:18-22) Consequently I reckon that the sufferings of the present season do not amount to anything in comparison with the glory that is going to be revealed in us. 19 For the eager expectation of the creation is waiting for the revealing of the sons of God. 20 For the creation was subjected to futility, not by its own will but through him that subjected it, on the basis of hope 21 that the creation itself also will be set free from enslavement to corruption and have the glorious freedom of the children of God. 22 For we know that all creation keeps on groaning together and being in pain together until now.

(1 Corinthians 15:24-28) Next, the end, when he hands over the kingdom (God's heavenly Kingdom first given Christ as appointed King for Messianic Kingdom completions to his God and Father, when he has brought to nothing all government and all authority and power. 25 For he must rule as king until [God] has put all enemies under his feet. 26 As the last enemy, death is to be brought to nothing. 27 For [God] “subjected all things under his feet.” But when he says that ‘all things have been subjected,’ it is evident that it is with the exception of the one who subjected all things to him. 28 But when all things will have been subjected to him, then the Son himself will also subject himself to the One who subjected all things to him, that God may be all things to everyone.

**Dual Kingdom Power and Dual King Christ In Progress**

1. Thus Christ exercises bi-lateral power in form of heavenly and earthly authority completing, as God's Kingdom pictures heavenly spiritual sovereignty, as Messianic Kingdom pictures universal and earthly physical sovereignty forming into a whole sovereignty of God Almighty fully restored in all creation heavenly and earthly as the "will of God" to be done in that totality of "Kingdom come" unity:

(Matthew 6:9-10) “Our Father in the heavens, let your name be sanctified. 10 Let your kingdom come. Let your will take place,as in heaven, also upon earth.

(Matthew 28:18-20) And Jesus approached and spoke to them, saying: “All authority has been given me in heaven and on the earth, 19 Go therefore and make disciples of people of all the nations, baptizing them in the name of the Father and of the Son and of the holy spirit, 20 teaching them to observe all the things I have commanded you. And, look! I am with you all the days until the conclusion of the system of things.”

2. Although true in Jesus Christ's authority given upon a successful first earthly mission in the "last Adamic"
human flesh to spirit immortal promotion, Revelation 4-5 is outlining the actual official heavenly Kingdom prophetic events that came after Christ left Earth, as outlined in prophetic details defining the first International Bible Students Association Kingdom ministry to become known later as Jehovah's Christian Witnesses as that Christian ministry made these things known marked by 1914 events and it's ensuing Christian ministry "scroll" initial understanding given.

**It is made official as per prophecy and world events for a Kingdom proclamation invitation and sovereign warning verifiable content in prophecy and world events unfolding as per prophecy.**

3. That whole prophetic meaning and initial sequence in world and heavenly history was by the progressive full initial understanding of Revelation and Daniel 7, 12 meaning in a preview fulfillment. The main Revelation 5 "received" and "opened" "scroll" (Rev1:1) had to also contain it's 'first side' initial "little scroll" (Rev10-11) detailed counterpart understanding in time (that also will replicate), and it's Kingdom related first "two witnesses" and "little scroll" import as initial Kingdom message to the whole world upon this accurate awareness of initializing Messianic Kingdom birth meaning, now even being made known in awareness as to it's completion phase meaning as well.

**The "two witnesses" must also occur a second time (thus "two" "witnesses") in the final prophetic replication phase, as also a final Kingdom invitation and warning for Messianic Kingdom completion phase prelude global announcement.**

4. We see this is God's Kingdom power as the overall heavenly power of God encompassing all things as part of His will and creation "because of your will they existed and were created" as "new creation" related in the new Messianic Kingdom agency "born" (Rev12:1-6) for eventual complete universal and earthly sovereign rulership that individual 144000 members as "new creation" (Gal6:15-16) eventually form the kingdom collective "body" "new creation" of for Christ's final Messianic Kingdom coronation.

**Exodus 34:10** In turn he said: “Here I am concluding a covenant: Before all your people I shall do wonderful things that have never been created in all the earth or among all the nations; and all the people in the midst of whom you are will indeed see the work of Jehovah, because it is a fear-inspiring thing that I am doing with you.

**Exodus 19:5-6** And now if you will strictly obey my voice and will indeed keep my covenant, then you will certainly become my special property out of all [other] peoples, because the whole earth belongs to me. 6 And you yourselves will become to me a kingdom of priests and a holy nation: These are the words that you are to say to the sons of Israel.”

**Galatians 6:15-16** For neither is circumcision anything nor is uncircumcision, but a new creation [is something]. 16 And all those who will walk orderly by this rule of conduct, upon them be peace and mercy, even upon the Israel of God.

5. The Lamb first receives power in God's Kingdom (Rev12:1) as anointed and appointed "christ" of God (Rev12:7-12) to carry out the actualities of the meanings of what is contained in the scroll with the seven seals relating to Messianic Kingdom completion for restorative power. A "re-creation" of Earth's "all creation" in Adamic error and corruptions is the mission of the Messianic Kingdom; (Matt19:28; Rom8:18-22; Gen1:26-28); as God's "will done on earth" in His sanctification and the Almighty power of His "Purposeer" Name, Jehovah Almighty God in fullest truthful meanings and outworking. (Isa55:11); forever...

**Matthew 19:28-29** Jesus said to them:“Truly I say to you, In the re-creation, when the Son of man
sits down upon his glorious throne, you who have followed me will also yourselves sit upon twelve thrones, judging the twelve tribes of Israel. 29 And everyone that has left houses or brothers or sisters or father or mother or children or lands for the sake of my name will receive many times more and will inherit everlasting life.

Revelation 6

Seven Seals as First Truth Framework

1. The "seven seals" is outlining the process symbolically of this Kingdom completion objective of God's purpose, and gives indication a dual fulfillment is to come forth since 1914, including that ministry as the guiding pattern.

(Revelation 5:1) And I saw in the right hand of the One seated upon the throne a scroll written within and on the reverse side, sealed tight with seven seals.

2. The two-sided nature of the scroll indicates a dual fulfillment cycle whose final fulfillment is based on the initial preview explained since 1914 events of Daniel 12 and Revelation were better understood as the Kingdom of God and the Messianic Kingdom designate made global sovereign proclamations of things to come in an invisible meaning of Christ's "crown" authority as armed with a "bow" as a long range weapon symbol of a prelude heavenly rule, upon a "White Horse" of God's Kingdom power in spiritual ministerial "war" first to complete the ministerial deployed message of the Messianic Kingdom completion certainty, and it's mission in a "birth" and "completion" phasing eventually fully understood and announced.

3. Another indication of a dual phasing:

(Revelation 4:6) And in the midst of the throne and around the throne [there are] four living creatures that are full of eyes in front and behind."("front and behind" indicates a dual meaning of also four-square angelic deployment);

First Seal

1. Christ's Kingdom power and mission deployment is symbolized in the first seal being opened and implies progressive Kingdom sovereign development:

(Revelation 6:1-2) And I saw when the Lamb opened one of the seven seals, and I heard one of the four living creatures say with a voice as of thunder:“Come!” 2 And I saw, and, look! a white horse; and the one seated upon it had a bow; and (1) a crown was given him, and (2) he went forth conquering and (3) to complete his conquest.

2. A "crown is given" Christ is God's Kingdom initial coronation meaning as the "12 starred crown" of the "woman" of Revelation 12:1 (Gen3:15 "woman" not crowned at that time) as Christ's King authority preceding the Messianic Kingdom birth - necessary from God to continue that Messianic Kingdom development. Thus a crown is given in God's Kingdom meaning first, Christ "goes forth" in ministerial duties outlined in the "seven seals" meanings since 1914, and yet has to "complete his conquest" which will be in coming Kinged capacity of a complete Messianic Kingdom totality upon all 144000.

A. Thus a progressive sovereign process is implied in that wording of Christ eventually completing Messianic
Kingdom as the divine instrument of final sovereign conquest of the earth (Rev19:19-21) and universe (Rev20:1-3) to come.

(1.) "a crown was given him" is official Kinged authority (Rev12:1) of God's Kingdom from God, not full Messianic Kingdom and Kinging yet - part of the very related heavenly ceremony described here.

(2.) "he went forth conquering" is the initial Psalm 110 "subduing in the midst of his enemies" as Christ deploys the final Kingdom ministry as a conquest by faith others can partake of in spiritual victory; (1John5:5): It is deployed over an approximate century as we see now.

(3.) "to complete his conquest" is the final Messianic Kingdom completion and full universal/earthly focused sovereign agency completion and conquest actuality being described in the scroll and seven seals understandings leading into Revelation 8-11 seventh seal full details - and the final phase "completion" of that Messianic Kingdom "conquest" of Jesus Christ as Revelation 19:11-21 final "white horse" Armageddon "war of the great day of God the Almighty" charge for real.

(Note: We may note the Christ and White Horse of Revelation 19:11-21 (completing his conquest) has the final fulfillment meaning (as King of the Messianic Kingdom) that Revelation 6's Christ "white horse" foregleams (as King of God's Kingdom) in previews and final warning import of Kingdom completion in two phases. This is why the Kinged Christ of Revelation 6:1 has a "bow" symbol of a "long range" weapon of his invisible heavenly focused Kingdom of God power - for an extended warning deployment, an initial "ride". But as per Revelation 19 final phase meaning, Christ has a "sword" symbol of "up close and personal" warfare as Christ truly arrives as Messianic Kingdom full earthly sovereign as the preview warning outlined in Revelation becomes reality. Thus a dual phase of manifestation is also present in that illustration.)

Messianic Kingdom Full Conquest

This is to be the real thing as Matthew 24:29-31 (Rev6:12-17) progresses to this "complete his conquest" in this final cycle climax:

(Revelation 19:11-16) And I saw the heaven opened, and, look! a white horse. And the one seated upon it is called Faithful and True, and he judges and carries on war in righteousness. 12 His eyes are a fiery flame, and upon his head are many diadems. He has a name written that no one knows but he himself, 13 and he is arrayed with an outer garment sprinkled with blood, and the name he is called is The Word of God. 14 Also, the armies that were in heaven were following him on white horses, and they were clothed in white, clean, fine linen. 15 And out of his mouth there protrudes a sharp long sword, that he may strike the nations with it, and he will shepherd them with a rod of iron. He treads too the winepress of the anger of the wrath of God the Almighty. 16 And upon his outer garment, even upon his thigh, he has a name written, King of kings and Lord of lords.

Unique Signal Since 1914 - Both Sovereign Rivals Deploy Earthly "Horses" Concurrently

1. We see in the first four seals, four horses are riding including the three enemy horses ride (Rev6:3-8) concurrent with Christ's white horse (Rev6:1-2) as he began the whole process as first seal emissary of God. The fours are of earthly comprehensive effects meaning, the three enemy horses are the triple form totality of
emphatic effects of world war relationship to death, economic famine and "1/4" significant global misery that results from world war/marketeering and general war development as 8th King "disgusting thing" causing "desolation" features in all world wars and general human rulership nature of the "wildbeast" predatory systems, to also climax in this last phase of Adamic human development to Armageddon.

(Revelation 19:19-21) And I saw the wild beast and the kings of the earth and their armies gathered together to wage the war with the one seated on the horse and with his army. 20 And the wild beast was caught, and along with it the false prophet that performed in front of it the signs with which he misled those who received the mark of the wild beast and those who render worship to its image. While still alive, they both were hurled into the fiery lake that burns with sulphur. 21 But the rest were killed off with the long sword of the one seated on the horse, which [sword] proceeded out of his mouth. And all the birds were filled from the fleshy parts of them.

2. Thus we see the three enemy horses in triple form of world effect maximized, that this development is describing a signal feature of "woe to the earth because the Devil has come down to you" (as required casting of Satan prior to the Revelation 4 heavenly setup), and these effects are aligned with 8th King nature of power, the "horses" of the rival 8th King sovereign development, ultimately of Satanic origin.

(Revelation 13:1-2) And I saw a wild beast ascending out of the sea, with ten horns and seven heads, and upon its horns ten diadems, but upon its heads blasphemous names. 2 Now the wild beast that I saw was like a leopard, but its feet were as those of a bear, and its mouth was as a lion's mouth. And the dragon gave to [the beast] its power and its throne and great authority.

3. We saw in the 1914-1919 World War 1 cycle "problem", to eventually birth the League of Nations 8th King designate (1919) "solution", that a tribulation period is defined prophetically and in world events of this period's global "woe to the earth". The manifestation of Satan's anger and "woe to the earth" seen forming concurrently with the "authority of God's Christ" (Rev12:10) Kingdom message deployment of Revelation 6:1-2 in 1914 is clearly related. As Christ previously took initial action as God's King to remove rival sovereign usurpers from heaven (the domain of God's overall Kingdom), leading to Revelation 6:1-8 "horse" deployments global, this event developed just prior to the official ride of the "white horse" to announce a coming change in earthly domain sovereignty:

(Revelation 12:7-12) And war broke out in heaven: Michael and his angels battled with the dragon, and the dragon and its angels battled 8 but it did not prevail, neither was a place found for them any longer in heaven. 9 So down the great dragon was hurled, the original serpent, the one called Devil and Satan, who is misleading the entire inhabited earth; he was hurled down to the earth, and his angels were hurled down with him. 10 And I heard a loud voice in heaven say: “Now have come to pass the salvation and the power and the kingdom of our God and the authority of his Christ because the accuser of our brothers has been hurled down, who accuses them day and night before our God! 11 And they conquered him because of the blood of the Lamb and because of the word of their witnessing, and they did not love their souls even in the face of death. 12 On this account be glad, you heavens and you who reside in them! Woe for the earth and for the sea, because the Devil has come down to you, having great anger, knowing he has a short period of time!

4. From there the rival three horses of 8th King supporting development deploy against Christ's white horse, as also a distraction from Messianic Kingdom birth awareness unfolding concurrently with WW1. The "three horses" are also a unique effect exacerbated by the new industrialized global war platform as Satanic anger and woe. Such a war finance system also emerged at the same period of time as an 8th King globalist profiteering device as well, and their handy world government 8th King inception also emerged as the League
of Nations as that WW1 cycle ended - as a Kingdom of God warning was also being announced - all simply beyond "coincidence", but foretold reality of more "riding" to come from the 8th King globalist powers establishing their own "world government" in the process for final phase climax.

*Those unique global developments in world history all in symphonic form within four approximate years since 1914 is very telling of what is really going on here. It is not random or accidental, it is designed, and it is dynamically progressing to it's objective every day.*

(See[1] World Recovery after Tribulation of those Days); (See[3] UN World Government Quadruple Cycle); (See[2] Daniel 11:42-45 as Final 8th King Cycle);

**Dual Sovereign Entities and Proclamations Mark 1914 Period**

1. The key point is as Messianic Kingdom was born and gave global announcement progressively since 1914, so was a "League of Nations" also born in this period (WW1 to 1919), birthed from the "womb" of WW1 desolation resolved for express 8th King designate purpose of presenting their League of Nations "disgusting thing" as a global peace bringer. Thus the "disgusting thing causing desolation" has a related purpose and self-same source.

   A. That "League of Nations" signal globalist unification international forum "image" was unique as a globalist world government nucleus in contrast to national defined world power formerly the pinnacle of tribal power consolidation in world developments. It also came with diametric sovereign announcements as a parallel of contending sovereign development is well marked in history with significant unique developmental signals.

   *It is simply beyond coincidence a globalist world government "birth" should also present a "kingdom initiative" concurrent with the Messianic Kingdom "birth" announcement of the exact same time period.*

2. Few realize that 1914-1919 period is when the stage of the ultimate Armageddon showdown was set and so were it's two main sovereign characters in 8th King and King Christ - and both are dynamically progressing to that confrontation. This sovereign conflict must and will be settled permanently - that is also part of the "scroll' and "little scroll" message - it will not be static, *will* climax soon.

3. Revelation 6's first four seals contain concurrent deployments of Christ and woeful enemy horses at the same time, in the same period. These entities representing earthly final developments paralleling, respectively supporting their own sovereign developments as either Messianic Kingdom as Christ's "white horse", or 8th King "horses" from the "disgusting thing that causes desolation" system.

   A. That the 8th King uses organized world war and tribulation to enrich the globalist top power system, and to coerce nations and people by creating the perceived need of a "world government" "solution" presented by the same power that also created the desolation "problem", is now more fully understood, and who is benefiting in that globalist elite system, while national "south" decline and debt slavery is the globalist ascendancy of "north" power.

   *Thus the future climax Daniel 11:42-43 8th King world wealth power culmination soon to unfold, is directly connected to a century of world war and general war borne national debt scenarios (Joel3:9) and the globalist self-invented world finance and monetary system administering it - it too is not a big coincidence, it is designed, and it has a final objective:*

   *(Daniel 11:42-43) And he (8th King globalists)will keep thrusting out his hand against the(national King*
43 And he will actually rule over the hidden treasures of the gold and the silver (global bullion basis of world wealth) and over all the desirable things of Egypt. (national ownership pawned by 8th King globalists);

Four United Nations Cycles Requires Final Cycle

1. World War 1 produced a 'world-war-to-world-government' 8th King formula in it's first use, to repeat in WW2 and WW3 (cold war) to also resolve those world wars into a United Nations presentation. So the initial 1914-1918, 1919 pattern of also 8th King developments outlines also a formulaic use of world war to birth world government for the first time in human history. (It too repeats it's formulaic pattern: 1919, 1945, 1990, and the future);

2. Thus a prophetic replication that also outlines logically and intuitively the final 8th King cycle, and a final cycle as also employing the same formula and effects a final time to present final UN based world government is also predictable from simply 8th King developmental characteristics in three former world government cycles in WW1, WW2 and WW3 (cold war).

A. A seven seals final phase overview meaning as repeating to a complete climax also completes the whole seven seals foregleam in final form as Revelation 4's heavenly inaugural set-up leads to Revelation 5 as the seven seals connect Revelation 5-8 (as complete Rev8-11 seven trumpets), and into a final more detailed Revelation 8-11 final sequence to unfold over a final cycle of human history of world government development.

In that final phase as a prophetic replication cycle is the second side meaning of the Revelation 5 two-sided scroll common Kingdom developmental theme. The first side already laid out the 1914-1918 first cycle meaning as regards both Messianic Kingdom and 8th King incept and development.

3. All that final cycle detail is outlined fully in a final prophetic fulfillment cycle describing the key entities, meanings and events to activate in the future in thamique, one-time, Daniel 11:42-45 final developments leading to Daniel 12 (as replication) whose timing underlies all of Revelation 8-11 (as replication) from incept unique Daniel 8:13-14 temple judgment commencement timing as Revelation 8:1-6 parallel events; symbolizing that temple judgment, desolation and final purification - to which sequence the scroll with seven seals led also for final fulfillment details, and also outlines in basic form developments connecting into Revelation 11:1-7 (replication) parallel of Daniel 12:7 timing and events repeating.

(Nota: The meaning of two phases of this progression from WW1 to the final phase coming up (Dan11:42-45) is contained in the initial concept, merely repeating Revelation's core meaning and pattern into a final cycle manifesting the same principles of Messianic Kingdom and 8th King conflict of sovereignty, but to a completion and to the Armageddon grand finale which such a pattern repeating would map the way to upon Daniel 8:14 and Daniel 12 timing unfolding sequentially.)

The final cycle coming up has a unique JW temple judgment signal as Daniel 8:13-14 to commence Revelation 8 in noticeable fashion.

Seals 2-4 - Dual Deployment of Dual Sovereign Development

1. Thus the authority of the next three seals (2-4) defining the aspects of World War 1 global tribulations,
death and effects to continue a rival mission (Dan12:1 initial "time of distress"), whose 8th King brokered "peace" resolution develops as the world war resolved resulted in a globalizing "League of Nations" "image" presentation and "world peace" mission statement (Rev13:11-15; Dan12:11 first fulfillment), is shown in the illustration/prophecy of these three enemy horses whose combined effects progressively define Satan's "woe to earth" also starting in this period in prophecy and world history soon concurrent with Christ’s "white horse" "ride" as shown in context and sequence since 1914:

(Revelation 6:3-8) And when he opened the second seal, I heard the second living creature say: “Come!” 4 And another came forth, a fiery-colored horse; and to the one seated upon it there was granted to take peace away from the earth so that they should slaughter one another; and a great sword was given him. 5 And when he opened the third seal, I heard the third living creature say: “Come!” And I saw, and, look! a black horse; and the one seated upon it had a pair of scales in his hand. 6 And I heard a voice as if in the midst of the four living creatures say: “A quart of wheat for a denarius, and three quarts of barley for a denarius; and do not harm the olive oil and the wine.” 7 And when he opened the fourth seal, I heard the voice of the fourth living creature say: “Come!” 8 And I saw, and, look! a pale horse; and the one seated upon it had the name Death. And Hades was closely following him. And authority was given them over the fourth part of the earth, to kill with a long sword and with food shortage and with deadly plague and by the wild beasts of the earth.

(Note: These three deadly "horses" are the nature of the "desolation" caused by "disgusting thing" actual guiding development as that "seven headed" "wildbeast" also mirrors Satanic "dragon" "seven headed" purpose and intelligence as Satan's primary "woe to earth" agency progressively heading to final completion and conflict.)

2. Thus those first four seals in the foursquare significance of earthly totality symbolize the effects of two rival sovereign developments in earthly diametric missions (Messianic Kingdom and 8th King), at the same time in initial global deployment (1914-1918), and continuing their "rides".

A. And this is marked by the significance of a Kingdom announcement going forth into a first world war period of 1914-1918, which world war conflict produced a global tribulation of world war as the "desolation" feature of the "disgusting thing" actually "causing" it for psychological "world peace" hope effects as it is resolved into a League of Nations diametric sovereign presentation and world announcement to accompany it as "world government" meaning.

As shown in prophetic principles becoming history describing world events, that is far beyond coincidence as that League of Nations is an incept globalization form of unique world government. (Genesis 10-11 Nimrod concept revisited);

3. Thus projecting an 8th King completion cycle into the future, employing world war and tribulation a fourth time since 1914, is intuitive for that 8th King sovereign entity to complete using it's own formula already used three times previously in 1919, 1945, and 1990 so far. That a Messianic Kingdom final warning will also deploy into the final cycle, a fourth UN tribulation birthing cycle, is already contained in the final fulfillment of the prophecy (as well as the world-war-to-world-government 8th King formula used from incept WW1 period guiding master pattern) that will repeat such meanings and messages to a completion as the seventh seal leads to Revelation 8-11 final detailed sequence of that Messianic Kingdom completion drive.

4. Thus as we see the first four seals outline a dual deployment of dual sovereigns with a Revelation 4-7 overall Kingdom completion import, we see the fifth and sixth seals reinforce the concept of a required divine Messianic Kingdom completion objective (Rev6:9-11), and the major event that precedes it as the final
"gathering" of Christ in that completion arrival (Rev6:12-17) in literal ways formerly merely previewed in the first fulfillment.

Daniel 12 Parallels

1. This dual sovereign progression completion concurrently developing in this first four horses rides in the same time in history since 1914 is also present in Daniel 12 in related clues:

(Daniel 12:1) "And during that time Michael will stand up, the great prince who is standing in behalf of the sons of your people. And there will certainly occur a time of distress such as has not been made to occur since there came to be a nation until that time. (as preview form, WW1, and final form in replication) And during that time your people will escape, every one who is found written down in the book. (Mal3:16);

2. Which above period initial cycle resulted in the first "two witnesses" proclamation of that initial Kingdom reality from 1914, to be "dashed to pieces" as the first "two witnesses" kill of Revelation 11:7's first fulfillment. Which Revelation 11:2-3 1260 days parallels this identical period:

(Daniel 12:7) And I began to hear the man clothed with the linen, who was up above the waters of the stream, as he proceeded to raise his right [hand] and his left [hand] to the heavens and to swear by the One who is alive for time indefinite: "It will be for an appointed time, appointed times and a half. (This 1260 days period occurs twice in Kingdom birth and completion phases) And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish."

3. And this completed "constant feature" removal in that Revelation 11:7 "two witnesses" "kill" event, has a concurrent rival sovereign "disgusting thing" placement of 1919 as the League of Nations parallel in the principle of dual sovereign development while the Messianic Kingdom "birth" announcement was being made (and resisted to climax) in 1914-1918 marked prophecy:

(Daniel 12:11) "And from the time that the constant [feature] has been removed (Rev11:7) and there has been a placing of the disgusting thing that is causing desolation (first 8th King UN manifestation as the League of Nations), there will be one thousand two hundred and ninety days.

4. All that initial preview fulfillment marking the 1914-1918 (Dan12:7) and 1919-1922 (Dan12:11) era developments of the "white horse" ride commencement and the three enemy horses of world war and 8th King global tribulatory intrigues of the first four seals, must have a replication cycle upon the same pattern, as the 8th King in final form will again arrive at Daniel 12:11 "during that time" of the final cycle as 8th King Daniel 11:42-45 merging developments "during that time".

(Note: As the first fulfillment of this Revelation cycle resulted in Revelation 13:11-15 League of Nations as Daniel 12:11 first fulfillment in 1919, so a replication of Revelation's sovereign prophecy with repeating meaning and events will align a final UN world government and "image" placement as Daniel 8:25 and Daniel 11:45 fulfill as Daniel 12:11 replication period destination of the future final phase to the same key period of Daniel 12 as the first phase meaning, but in final form as the 4th United Nations placement of Bible prophecy and world history in the future must again wind up at Daniel 12:11, the final time.)

(Daniel 11:44-45) "But there will be reports (final "two witnesses" "little scroll" detailed evidence) that will disturb him (8th King as King North), out of the sunrising and out of the north, and he will certainly go
forth in a great rage (Dan8:25; Rev11:7) in order to annihilate and to devote many to destruction.

(including the "two witnesses" at Rev11:7) 45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; (Daniel 12:11 parallel 4th UN placement) and he will have to come all the way to his end, and there will be no helper for him (Armageddon divine war phase; Rev19:19-21);

5. Thus as the Daniel 12:7 1260 days of 1914-1918 merged into that first WW1 era tribulation "time of distress" as preview also of final fulfillment, so must a final world tribulation (Matt24:29; Dan12:1 as Daniel 11:42-45 intrigues) be used by 8th King interests as foretold to result in a final Kingdom completion ministry of a second "two witnesses" to also be resisted by the 8th King completion power as Revelation 11:1-7 (Dan11:44) parallel Daniel 12:7 (Dan7:25) as that second 1260 days of final warning concludes into a final 8th King "placement".

6. Thus the continuing first four seals' four "horse" deployments will again climax in final form upon the same principle as the 1914-1918 marked "ride" of prophecy to mark WW1 inception of the continued use of world war engineered and resolved to present UN world governmental renditions in 1919, 1945 and 1990 - and a final "foursquare" fourth UN placement of Daniel 12:11; 11:45; 8:25 of the future final cycle of prophecy and 8th King world events.

**Daniel 12:11 Repeats in Respective First and Last UN "Disgusting Thing" Placements**

1. This will occur twice as both the first cycle and the last cycle arrive here:

(Daniel 12:11) "And from the time that the constant [feature] has been removed (as first, then final two witnesses killed: Rev11:7) and there has been a placing of the disgusting thing that is causing desolation (as League of nations and the fourth and final UN world government; Dan11:45) there will be one thousand two hundred and ninety days.

A. In the first cycle of 1914-1918, Revelation 13:5, 11-15 events lead to the League of Nations in Daniel 12:11 "placing of the disgusting thing" after WW1 "desolation".

B. In the last cycle Daniel 11:42-45 of the future will lead to a final UN based world governmental 8th King and full "scarlet wildbeast" (Dan11:45 result of Rev17:12-17) and also arrive at Daniel 12:11 in Daniel 12's replication.

(See[4] Daniel 12 Replication)

**Messianic Kingdom Completion Priority of Fifth and Sixth Seals**

**Christ's Arrival to Complete 144000 and Great Crowd Gathering**

**Fifth Seal**

1. Keeping in mind an overview is presented in all the seals, the first four seals deploy a dual sovereign "ride" of Kingdom and 8th King world developments present during World War 1 as a defined whole worldwide meaning, the break to the fifth seal results in a completion decree as this killed "number was filled", must complete that portion of the Kingdom body "membership".
2. Thus not only is justice a theme of this fifth seal, a 144000 completing requirement is also indicated as prerequisite as some of this was relating to the killing of the first "two witnesses" which ministerial 1260 days was occurring in the first four seals deploying "horses":

   (Revelation 6:9-11) And when he opened the fifth seal, I saw underneath the altar the souls of those slaughtered because of the word of God and because of the witness work that they used to have. 10 And they cried with a loud voice, saying: “Until when, Sovereign Lord holy and true, are you refraining from judging and avenging our blood upon those who dwell on the earth?” 11 And a white robe was given to each of them; and they were told to rest a little while longer, until the number was filled also of their fellow slaves (any Christian) and their brothers (anointed) who were about to be killed as they also had been.

A. Thus a number to be killed, not necessarily the destiny of all anointed Christians as enemy kills, means this implies a period of attack as manifested in the first "two witnesses" period of initial fulfillment and the final phase period replication to aid completion of the 144000. Since Revelation 7 gives completion details of the 144000 and the earth sheep of the "great crowd", both groups have permitted kills also implying it is limited at some point.

B. Since earth sheep have a hope of actually never dying, and the final anointed are "gathered" "surviving" as per 1 Thessalonians 4:17 at the timing of Matthew 24:29-31 parallel Revelation 6:12-17 in final fulfillment, not all anointed die an Adamic death but are "gathered" "in the twinkling of an eye, ...we shall be changed". (1Cor15:50-52 final fulfillment meaning) Thus Enoch's prophecy of Jude 14-15 "gathering" parallel takes on a secondary meaning as to why Enoch (a transference type) spoke these words of Revelation 6:12-17 parallel event:

   (Jude 14-15) Yes, the seventh one [in line] from Adam, Enoch, prophesied also regarding them, when he said: “Look! Jehovah came with his holy myriads, 15 to execute judgment against all, and to convict all the ungodly concerning all their ungodly deeds that they did in an ungodly way, and concerning all the shocking things that ungodly sinners spoke against him.”

C. Thus more completion indications are present in Revelation 6:9-11 for both "sheep" groups when we see it is in an important sequence leading to Kingdom completion final phases. Final anointed and earth sheep are "gathered" alive as God, not the 8th King or Satan, determines exact 144000 completion timing and secures earth sheep into the "no kill" zone of completing Messianic Kingdom power. (Zech12:6-9; Zech2:5)

   (Zechariah 2:5) And I myself shall become to her,” is the utterance of Jehovah, “a wall of fire all around, and a glory is what I shall become in the midst of her?”"

Sixth Seal

1. The sixth seal reveals the actual prophetically cross-related dynamic of the completion final "gathering" sequence as the answer to the fifth seal justice request and prerequisite 144000 completion requirement revealed. The sixth seal mirrors symbolic effects of that 144000 completion drive of Matthew 24:29-31 parallel events of Christ's final "gathering" arrival (hence why the Revelation "seven seals" and two-sided scroll have a meaning of final fulfillment upon a replication of this cycle in climax final meaning over another extended world tribulation that must end (Matt24:29) into 8th King world government and that period):

   (Revelation 6:12-17) And I saw when he opened the sixth seal, and a great earthquake occurred; and the sun became black as sackcloth of hair, and the entire moon became as blood, 13 and the stars of
heaven fell to the earth, as when a fig tree shaken by a high wind casts its unripe figs. 14 And the
heaven departed as a scroll that is being rolled up, and every mountain and [every] island were
removed from their places. 15 And the kings of the earth and the top-ranking ones and the military
commanders and the rich and the strong ones and every slave and [every] free person hid themselves
in the caves and in the rock-masses of the mountains. 16 And they keep saying to the mountains and to
the rock-masses: “Fall over us and hide us from the face of the One seated on the throne and from the
wrath of the Lamb, 17 because the great day of their wrath has come, and who is able to stand?”

2. And that event preview is this event parallel of Matthew 24:29-31 that all had a minor preview
manifestation in 1914-1918 and that WW1 "tribulation" and it's relation to "two witnesses" spiritually meant
"tribulation of those days" after which Kingdom and League of Nations import is set to dim national sovereign
power in their own ways as hints of things to come. But this must have a final actual manifestation for which
the 1914-1918 is a foregleam preview pattern of initial fulfillment:

(Matthew 24:29-31) “Immediately after the tribulation of those days (tribulation resolves; aided by those
three enemy horses ride now "completing" into 8th King UN 4th placement (Dan11:7; Dan12:11 final) world
government "peace and security" (1Thess5:1-3) and "freedom from care" (Dan8:25); 8th King uni-polar
"world peace" "war" continues (Dan8:25; Dan11:44; Rev11:7)) the sun will be darkened, and the moon
will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken.
30 And then the sign of the Son of man will appear in heaven, and then all the tribes of the earth will
beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven with
power and great glory. 31 And he will send forth his angels with a great trumpet sound, and they will
gather his chosen ones together from the four winds (Rev7:1 "four winds" allusion) from one extremity
of the heavens to their other extremity. (Both, heavenly (1Thess4:17) and earthly (Rev14:14-16) final
"sheep" are gathered; See Mark13:24-27);

A. Both Revelation 6:12-17 and Matthew 24:29-31 (Mark13:24-27) indicate Christ manifests to complete the
Messianic Kingdom in an operative world system (Matt24:37-42; Rev11:10; Rev18:9-18) in the face of
everyone including the 8th King and supporters. (Rev19:19-21);

3. Thus the fifth and sixth seals are Kingdom completion directives and guarantees and the 6th seal link to the
pivotal Christ manifestation event of Revelation 6:12-17 (Matt24:29-31; Rev1:7; Jude 14-14; Mark13:24-27).
And as we see the sixth seal that sets up the final "gathering" event period by direct reference, also goes further
in detail and certainty of completion into the Revelation 7:1-8 full description of the 144000 "twelve tribes"
sealed completion leading to actual completion as part of the sixth seal sequence and directly related to the fiftf
and sixth seal Kingdom completion themes. Thus 144000 completion and "great crowd" completion is the
sixth seal import in great detail with cross referenced features, such as tribulatory context, the lamb's blood
sacrificial power, earth sheep group completion, and final Kingdom conquest overview.

Sixth Seal Includes Revelation 7 Comprehensive Completion Information

(Note: Since Revelation 8:1 is a seventh seal unsealing marker, the sixth seal is all Revelation 6:12-17 and
Revelation 7:1-17 information "unsealed" as a whole in the sixth seal, and it has Messianic Kingdom
144000 completion emphasis and what it leads to next - the "great crowd" gathering completion as well -
all before the complete "the end" - thus a great warning is being previewed for final cycle form
activation. The Revelation 6:12-17, Matthew 24:29-31 event is some time after the Daniel 12:7 (Rev11:2-3)
final 1260 day warning and it's "3.5" day final "two witnesses" death state as also Revelation 11:11-12
parallel of this identical "gathering".);
1. Revelation 7 is definitely part of the sixth seal as seventh seal in Revelation 8 commencement thus the seven seals span Revelation 7, and as we see it's completion detailing is the most specific in the Bible concerning the 144000 Messianic Kingdom "body". The "great crowd" details support Matthew 25:31-46 and Revelation 14:14-20 final judgment details of who those final "sheep" are, and what their divine sacrificial significance is as "harvest of the earth".

2. The Revelation 7 "four winds of the earth" overall "great tribulation" context links those Revelation 7:1-8 and 7:9-17 meanings and sequences to the "tribulation of those days" spiritual component concluding (and approximately ending the 1260 days; Dan12:7; Rev11:2-3; Dan7:25) into the Matthew 24:29-31 sequence as the fully manifested final arrival of Jesus Christ as that Revelation 6:12-17 (Rev11:11-12) key parallel of the final Christ "gathering" mode to complete the 144000, and the earth sheep group as completing Messianic Kingdom first priority upon that arrival. The "tribulation of those days" ends into 8th King complete power as well, it is not "the end of the world" yet, but the Daniel 12:11 timed period commencement. Thus the "great tribulation" overall context of 8th King triple-enemy-horse ride climax of the seals 2-4, is what is ended later a greater global context of Armageddon.

(Note: In any event, sheep alive at that event of Matthew 24:29-31 will go under "no kill" divine guaranteed full protection (Dan12:6-9) for the rest of the actual "end of the world" of rival sovereigns to come as 1Thessalonians 5:1-3 and 2Thessalonians 1:6-10 final sequences as Daniel 7:26 "finally took [8th King] rulership away" - that too is marked in sixth seal significance by extension of what that Christ arrival actually means.)

3. The "tribulation of those days" is part of the "great tribulation", but is a spiritually defined component that ends into 8th King completed sovereign (Dan11:45; 12:11; 1Thess5:1-3; Dan8:25) system Christ can eventually actually depose as a complete and present 8th King full sovereign rival, and part of the reason why Christ arrives at such a completion (Matt24:29-30), to also complete the Messianic Kingdom conquering totality (Matt24:31) - yet "the end" is not immediate according to Daniel 12 meanings and timed periods replicating, it ends the 1260 days component, and the "3.5 days" final "two witnesses" death state marked transition into 144000 completion. (See [4] Daniel 12 Replication, below, for a fuller explanation.);

**Revelation 7 - Detailed Completion Affirmation (Still Sixth Seal)**

1. Revelation 7 therefore contains now detailed Messianic Kingdom body 144000 completion information (and earthly "great crowd" completion details) to support the fifth and sixth seal revelations Christian member completion theme. Revelation 7 also has the "great tribulation" context (relating to those three enemy horses climax effects for 8th King presentation benefit), already foregleamed in the initial WW1 global tribulation effects, but for the final phase repeating principle of these seven seals completing in a replication of the Revelation main prophecy (in the parts applicable to the repeat).

2. This 144000 completion is reaffirmed after seal 5 and into seal 6 leading to more Revelation 7 completion details included in the sixth seal:

(Revelation 7:1-8) After this I saw four angels standing upon the four corners of the earth, holding tight the four winds of the earth(final tribulation meaning) that no wind might blow upon the earth or upon the sea or upon any tree. 2 And I saw another angel ascending from the sunrising, having a seal of [the] living God; and he cried with a loud voice to the four angels to whom it was granted to harm the earth and the sea, 3 saying: “Do not harm the earth or the sea or the trees, until after we have sealed the slaves of our God in their foreheads.” 4 And I heard the number of those who were sealed, a hundred and forty-four thousand, sealed out of every tribe of the sons of Israel: 5 Out of the tribe of
Judah twelve thousand sealed; out of the tribe of Reuben twelve thousand; out of the tribe of Gad twelve thousand; 6 out of the tribe of Asher twelve thousand; out of the tribe of Naphtali twelve thousand; out of the tribe of Manasseh twelve thousand; 7 out of the tribe of Simeon twelve thousand; out of the tribe of Levi twelve thousand; out of the tribe of Issachar twelve thousand; 8 out of the tribe of Zebulun twelve thousand; out of the tribe of Joseph twelve thousand; out of the tribe of Benjamin twelve thousand sealed.

3. Thus completion of the 144000 remaining members, as that remnant final sealing is a completion prerequisite to lead to a final tribulation cycle as only God and Christ know the actual status of that final sealing required prior to full Messianic Kingdom completion, and the releasing of the "four winds of the earth". What we know is that that is either complete or very close to completion for final cycle activations at this current time (1/2014). (Zech3:1-3 temple priesthood inspection implied completion as well);

Earth Sheep "Great Crowd" Completion Result

1. Since the 144000 are the "first fruits", as per logic and Mosaic law patterns, a final "sacrificial" gift offering is also to be effected as delivered by Christ and the 144000 to God: the earthly sheep as a completed group saved are the final gift "taken in men", and why the Messianic Kingdom must complete and make the sheep securement the first objective.

2. Thus another completion, that of earthly "sheep" as "great crowd" of "harvest of the earth" is indicated with Revelation 14:14-16 (Matthew 25:31-46 "sheep") parallels of final "gathering" period of Revelation 6:12-17 and Matthew 24:29-31 events detailed further here in Revelation 7:9-17 and connected to the Lamb's initial sacrificial mission as blood atonement cleansing, providing this salvation from Earth's final rival sovereign development phase, great tribulation and judgment:

(Revelation 7:9-12) After these things I saw, and, look! a great crowd, which no man was able to number, out of all nations and tribes and peoples and tongues, standing before the throne and before the Lamb (now present "locally" on earth as per Rev6:12-17 and Matt24:29-31 events as Matt25:31-46 "sits down on his glorious throne") dressed in white robes; and there were palm branches in their hands. 10 And they keep on crying with a loud voice, saying: “Salvation [we owe] to our God, who is seated on the throne, and to the Lamb.” 11 And all the angels were standing around the throne and the elders (144000 completed form present) and the four living creatures, and they fell upon their faces before the throne of God; (at this time, a "throne" of the Kingdom "come to earth"; Matt6:;10) and they are rendering him sacred service day and night in his temple; (also present as "come down from heaven" to earth's "courtyard" domain at this time; Rev11:19) and the One seated on the throne will spread his tent over them. (Rev21:1-5 "tent" over earth; Isa54 final fulfillment parallel. 16 They will hunger no more nor thirst anymore, neither will the sun beat down upon them nor any scorching heat, 17 because the Lamb, who is in the midst of the throne, will shepherd them, and will guide them to fountains of waters of life.

Page 108
(Rev22:1-3; thus a continuing “guiding” process of perfecting humans to sinlessness, as heavenly anointed "sheep" are already guided fully to life immediately)And God will wipe out every tear from their eyes? (Rev21:1-5);

3. Thus that sixth seal outlines an entirety of final "gathering" of 144000 Kingdom "body" members to lead to a full earth sheep "gathering" as final separating and securing process well before final world judgment as it's precursor in action of a full 144000 "Court" under Messianic Kinged Jesus Christ. The sixth seal reiterates completion details and context and provides points in the prophetic framework as marked events into which other supporting prophecies align.

4. The same 144000 completion sequence is present in Revelation 14 affirmation of this process as 144000 complete prior to world judgment and final securing of the earth sheep as "harvest of the earth" first also shown in this sequence:

(Revelation 14:1,14-20) (144000 completion first:) And I saw, and, look! the Lamb standing upon the Mount Zion, and with him a hundred and forty-four thousand having his name and the name of his Father written on their foreheads. (Messianic Kingdom fully complete, Christ "standing" as King-Priest fully King of kings) ... (Matt25:31-46 parallel - Then world judgment (Dan7:26 full 144000 "Court" with Christ) - sheep:) 14 And I saw, and, look! a white cloud, and upon the cloud someone seated like a son of man, with a golden crown on his head and a sharp sickle in his hand. 15 And another angel emerged from the (completed) temple [sanctuary], crying with a loud voice to the one seated on the cloud: “Put your sickle in and reap, because the hour has come to reap, for the harvest of the earth is thoroughly ripe.” 16 And the one seated on the cloud thrust in his sickle on the earth, and the earth was reaped. 
   (Goats:) 17 And still another angel emerged from the (no longer Hebrews or Rev15 "tent", but complete temple 144000 upon and under Christ foundation and crowning "stone") temple [sanctuary] that is in heaven, he, too, having a sharp sickle. 18 And still another angel emerged from the altar and he had authority over the fire. And he called out with a loud voice to the one that had the sharp sickle, saying: “Put your sharp sickle in and gather the clusters of the vine of the earth, because its grapes have become ripe.” 19 And the angel thrust his sickle into the earth and gathered the vine of the earth, and he hurled it into the great winepress of the anger of God. 20 And the winepress was trodden outside the city, and blood came out of the winepress as high up as the bridles of the horses, for a distance of a thousand six hundred furlongs. (Armageddon war phase completed as Rev19:19-21);

Seven Seals Framework

Seals 1-4 - Christ Inception "Ride" and Dual Sovereign Deployment

1. Thus the first four seals outline a Messianic Kingdom "white horse" sovereign world drive to world kingdom of Christ completing (Rev11:15), and the red, black and pale horses concurrent "rides" that produce world tribulatory war and death effects in support of 8th King development of globalized world government concurrently as the global context.

A. That foursquare of four seals indicates a complete earthly effect also present in the first four trumpets and the first four plagues regarding their respective "earth" meaning focus, as comprehensive effects of their respective "earth" meanings in Revelation 8-11 (Christian "earth") and Revelation 15-16 (Global "earth"), first four seals all "earth" effect in that "four" Revelation symbology.

Seal 5 - Comprehensive Christian Member Completion and Final Judgment Directive
2. The fifth seal portends a divine guarantee of anointed 144000 completion and justice explicitly stated by God, and hints of earth seep group completion as well, affirmed in Revelation 7.

**Seals 6 - Pivotal Christ Kingdom Final Gathering Event - Pre Messianic Kingdom Completion Event**

3. The sixth seal foregleams the final arrival of Christ to make that 144000 completion first, as previewed in warning form in the original IBSA and Jehovah's Witnesses ministry of 1914-1918 marked by prophecy, and onward to a progressive awareness of replication, that actually finalizes the final gathering completion of Messianic Kingdom and the final earth sheep well before final Armageddon world judgment sentence is carried out.

A. The sixth seal outlines all spiritual completions of 144000 and the sheep of earth, hence total Messianic Kingdom power completion prior to Armageddon final war phase.

4. Thus the global effects and meanings of those first six seals form a massive world signal framework meaning collectively, to features present and intensifying since 1914 and WW1 that must continue to progress to a finalization and a replication of that whole cycle in a last world tribulation whose spiritual component ends (Matt24:29) into 8th King world government first (Dan8:25 "freedom from care" period of 1Thess5:1-3 8th King world "peace and security" final sovereign proclamation period), not the end of the world immediately, as also included in the sixth seal focus of events preceding the end.

(Note: The seventh seal as grand summary of it all, contains all of Revelation 8-11, and all it's 1260 days Revelation 11:2-3 cross links to Daniel 7:25-26 and Daniel 12:7-12:11 continuity and Revelation 12:6, 14 and Revelation 13:5 related developments in principle for final events - in effect all of Daniel 12 is a seventh seal linked sequence underlying all Revelation 8-11 and Revelation 15-16 seven trumpet and seven plague parallels and timing; Since Revelation 8:1-6 (replicating) parallels Daniel 8:13-14 (unique fulfillment), final temple judgment is what the seventh seal connects to first in that final sequence as the signal event of the final phase beginning in earnest, not ending for quite some time - a fully mapped and timed world warning is what is developing on prophecy and guaranteed final 8th King intrigues of the unique Daniel 11:42-45 8th King final phase)

**Seventh Seal Meaning and Features**

So what does the seventh seal mean in final fulfillment? (Kingdom Completion)

Since it is the final seal, the last "secret", it too is has a final meaning to be revealed in the detailed full explanation it leads to in the seven trumpets as far fuller explanations of seventh seal import - Kingdom completion as a final process and phase. What the seventh trumpet ultimately portends and is - is Messianic Kingdom and Temple completion development (Rev8-11). The seventh seal opens the complete Kingdom completion details previewed in the 1914 era fulfillment import as it activates Revelation 8-11 understanding for final specific details, of the same general process covered briefly and outlined in the first six seals, described in far greater detail in the seventh seal's seven trumpets connection. The seventh seal is the seven trumpets, the seven trumpets are temple judgment (Rev8), ministerial purification and recovery (Rev9), final Kingdom warning commission (Rev10) and "two witnesses" deployment (Rev11), and Messianic Kingdom completion and final conquest, 7th Trumpet finale!! (Rev11:15-19);

1. Thus the seventh seal completes the understanding of the "sacred secret" as not just the Kingdom of God purpose to form a Messianic Kingdom for Earth's final sovereign agency with Earth as it's Kingdom "domain",
but also the required completion of that Messianic Kingdom (and it's final prophetic phase and replication) in this outlined process as seven seals leads to seven trumpets and the whole awareness of a Messianic Kingdom completion prior to that actual event fully explained first, and eventually manifested completely:

(Revelation 10:5-7) And the angel that I saw standing on the sea and on the earth raised his right hand to heaven, 6 and by the One who lives forever and ever, who created the heaven and the things in it and the earth and the things in it and the sea and the things in it, he swore: “There will be no delay any longer; (final phase activation) but in the days of the sounding of the seventh angel (final Kingdom proclamation concluding), when he is about (not yet 7th trumpet blowing) to blow his trumpet, the sacred secret of God according to the good news which he declared to his own slaves the prophets is indeed brought to a finish.” (The full explanation "brings to a finish" the understanding of the "sacred secret" fully, prior to it's actual Kingdom final manifestation - the "two witnesses" recovered and cleansed Christian ministry is what finishes that "sacred secret" in "little scroll" final Messianic Kingdom guaranteed completion announcement);

2. Thus all sixth seal portents and even Christ initial Revelation 6:12-17 parallel Matthew 24:29-31 actual arrival yet precedes this final event sequence:

(Revelation 11:15) And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: “The kingdom of the world did become the kingdom of our Lord and of his Christ, and he will rule as king forever and ever.” (Since Christ is the one and only "last Adam" world heir (Gen1:26-28 blessing restoration) and "Son of David" Messianic Kingdom heir and sole covenantal beneficiary party (in God's covenantal promise) as final Messianic King, this is not the "kingdom" Christ "hands back" to God, but the one brought about by God's Kingdom overall to effect this final rulership under God's ultimate Supreme Sovereignty being fully restored in this process (1Cor15:24-28) and purpose of God's will, also to "be done on earth" by unified Kingdom of God power; Christ "hands back" the overall Kingdom of God kingdom power he was given initially to oversee this entire progression to the destruction of the "last enemy" as death; (Heb2:14; 1Cor15:24-28), at which time that Supreme Heavenly Kingdom over all creation is returned to God as Supreme Sovereign of all);

3. The "seventh seal" finishes the "sacred secret" as fully understood, previewed and preached finally in the prophecy for final completion. It also has two forms of verification in initial and final fulfillment, actually "two" global "witnessings". (Rev11); The seventh seal now sets up the full explanation of this initial and final progression in full in the following Revelation 8-11 sequence it connects into (Rev8:1), set to activate in final fulfillment as the exact 1-7 trumpet order, in more intimate details of how Messianic Kingdom agency is to complete over the final cycle. (Respecting all principles of the 1914 era preview fulfillment, but finalizing the fullest meaning of completion - a divine full "seven");

4. That Messianic Kingdom must complete fully in full conquest as well after a commencing signal spiritual judgment (Rev8 as 1Pet4:17; Dan8:14; Later explained as first four trumpet meanings of temple judgment to JWs "earth" as trumpet alarm target) and it's required "fire of the altar" temple purification ("fire" symbol: Rev8:2-5; Zech3:2, 4-5; Dan8:14 "right condition") to found a final clarification (Mal3:1-5) and recovery of that Christian ministry (Rev9: trumpets 5 and 6 original anointed/earth sheep deployment ministerial principle repeats; and it's guaranteed recovery period) and the final Kingdom proclamation commission (Rev10 "little scroll"; Zech3:6-7) and a final world Kingdom warning deployment (Rev11:1-7 "two witnesses" also repeating; Rev10:11) over six trumpets to the seventh trumpet event it is proclaiming and warning of prior to Messianic Kingdom completion and final salvation and destruction events.

5. Thus the seventh seal contains Revelation 8-11 seven trumpets which contain further information on events
outlined in Revelation 5’s scroll and it’s seven seals (Rev4-8:1) as things that must activate in final form as world context of temple judgment and final Christian ministry that must deploy, again (Rev10:11), into a world tribulation - just like in the 1914-1918 preview cycle, but in final form. It is based in the final fulfillment upon all the initial fulfillments meanings and principles completing all entities involved in the preview fulfillment in their 8th King and Messianic Kingdom final concurrent forms.

**Seventh Seal First Signal - JW Temple Judgment Starts Final Cycle (Revelation 8:1-6)**

1. The seventh seal begins the process of seven trumpets preparing and then manifesting and being initially understood for final form awareness as the final cycle JW temple judgment. That temple judgment signal and event begins the final Revelation 8-11 phase activating towards Kingdom completion. The seven trumpets are also a parallel connection to the Revelation 15-16 seven plagues that greatly details the world "earth" context of events that the temple judgment phase is developing with and into, that finalize what Revelation 4-7 has outlined in general details and progression - but live and real-time in final form.

2. The cleansing of the now befouled (Zech3:1-3) JW ministry and temple (Dan8:13-14) is required before collective JW awareness is made complete. Hence why a seventh seal leading first to the temple cleansing judgment of Revelation 8 is so important to clear out current JW Bethel obstacles now impeding final replication awareness and not present as a final world warning that must develop after Revelation 8 temple "earth" cleansing event.

A. Hence why the seventh seal starts with a final required temple judgment at the last point of a valid ministry in Jehovah's witnesses as the now diverted "temple" vessel requiring adjustment to allow the final understanding to go forth, as subverted now successfully by the Bethel foretold final apostasy and lawlessness center. They are what requires removal as the "1/3" factional profanation in the JW ministry (Rev8:12 parallel) and it's 100% "operation of error" "Governing Body" root "lie" (2Thess2:3-4, 9-12; Rev8:10-11 parallel);

3. This is the temple judgment as the first awareness of the seventh seal final continuum of Revelation 8-11 final sequence activating to be marked as starting Daniel 8:14 by JW organizational desolation (Dan8:13 "trampling" precursor and indictment for UN NGO "transgression causing desolation"):

(Relation 8:1-7) And when he opened the seventh seal, a silence occurred in heaven for about a half hour. (the full "scroll" import is being taken in) 2 And I saw the seven angels that stand before God, and seven trumpets were given them. 3 And another angel arrived and stood at the altar, having a golden incense vessel; and a large quantity of incense was given him to offer it with the prayers of all the holy ones upon the golden altar that was before the throne. 4 And the smoke of the incense ascended from the hand of the angel with the prayers of the holy ones before God. 5 But right away the angel took the incense vessel, and he filled it with some of the fire of the altar (cleansing symbol; Isa6:6-8; Zech3:2; Mal3:1-5) and hurled it to the earth. And thunders occurred and voices and lightnings (full explanation and enlightenment to come later) and an (the temple judgment) earthquake. 6 And the seven angels with the seven trumpets (of temple judgment and completion alarm proclamations) prepared to blow them. (after temple judgment begins, the alarms can go forth as the first four trumpet's explain the judgment requirement and meaning:) 7 And the first one blew his trumpet...

4. Thus Daniel 8:14 temple judgment timing:

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say
to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings (desolation phase) and mornings (recovery phase); (Dan8:26 verified) and [the] holy place will certainly be brought into its right condition.” (temple purification "right condition");

(Daniel 8:26) “And the thing seen concerning the evening (timed temple desolation phase meaning) and the morning (timed temple recovery phase meaning), which has been said, it is true. (angelically stated again as divine verification - guaranteed in the JW temple judgment) And you, for your part, keep secret the vision, because it is yet for many days;” (Those days are expired, that specific, unique, one time JW temple judgment coming "secret", is a seventh seal first signal revelation);

This is why Revelation 8 JW temple judgment and desolation "evening" is the "abyss" state "darkness" of Revelation 9:1-2, and that "abyss" opens into light of temple judgment "morning":

(Revelation 9:1-2) And the fifth angel blew his trumpet. And I saw a star that had fallen from heaven to the earth, and the key of the pit of the abyss (of the temple judgment desolation requirement of Daniel 8:13 "trampling" decree) was given him. (Christ as Mal3:1-2; 2Thess2:8 arrival at the temple to effect cleansing completion of Zech3:4-5) And he opened the pit of the abyss (Dan8:14 "evening" ends; Hos6:1-3, Dan8:14 "morning" of light and recovery begins) and smoke ascended out of the pit as the smoke of a great furnace (Zech3:2; Rev8:2-5) and the sun was darkened (fifth plague parallel; Rev16:10; meaning it leads to a full 5th seal final explanation of Kingdom and 8th King contextual certainty), also the air (demon Eph6:12 "authorities" go to Eze38:7 permitted "guard" mode as agitated "the powers of the heavens will be shaken" (Luke21:26; Isa24:21-22) by the smoke (of the temple judgment desolation; Zech3:2) of the pit. (Dan8:14 "evening"); (the world sees the judgment, and in time is told what it means (first four trumpet comprehensive meanings) as the final phase has begun with JW temple judgment, in earnest - Rev6:12-17 is in Revelation 11:11-12 time period, this is just the temple cleansing import to eventually lead into and merge with Revelation 10-11 as that becomes part of the fifth and sixth trumpet ministry unto 7th trumpet warning and arrival);

5. Thus Daniel 8:14 temple judgment timing is Revelation 8's temple judgment parallel leading in time to Daniel 12's parallel at Daniel 12:7 to Revelation 11:1-7 timed final warning of the cleansed "two witnesses", as Revelation 8 temple judgment and purification meaning proceeds to Revelation 9-11 final Kingdom ministry recovery and deployment. (Zech3:1-5; Mal 3:1-5; 2Thess2:8 final fulfillment);

The seventh seal final phase understanding starts with JW temple judgment as required purification to allow enlightenment to proceed through the seven trumpets final deployment as that Daniel 11:42-45 final cycle context of Revelation 16 parallel plagues starts, as the JW ministry must be clarified first - hence temple judgment of Revelation 8 (Dan8:13-14) is where the seventh seal starts in preparation of seven trumpets understanding and proclamations: "And I saw the seven angels that stand before God, and seven trumpets were given them...[temple judgment; (Rev8:2-5)] And the seven angels with the seven trumpets prepared to blow them..." (prepared to make judgment alarm announcements known and understood first by JW anointed and JWs coming out of that judgment "evening" phase of desolations);

Important Seventh Seal Inclusive Cross Linked Prophecy to Revelation 8-11

Review: Timed Temple Judgment Daniel 8:14, Seventh Seal Revelation 8:1-6 Parallel

1. Daniel 8:14 timed temple judgment timing, as final fulfillment Revelation 8:1-6 parallel of Daniel 8:14 "evening" (leading to first four trumpets), as overall Revelation 8 parallel of that temple desolation "trampling" (Dan8:13), must then cover the Revelation 9 "morning" of temple recovery and purification (trumpets five and six) to Revelation 10 final "little scroll" commission of a cleansed Christian ministry for the eventual final fulfillment Revelation 11:2-3 1260 day timing of the final "two witnesses" deployment of the final Kingdom completion warning prior to the seventh trumpet of Revelation 11:15.

2. Seventh trumpet prelude parallels of Revelation 16:17; Matthew 24:29-31; Revelation 6:12-17 are approximate 7th trumpet prelude event of Christ's arrival and final "gathering" mode (Rev11:11-12) - Christ completes 144000 "gathering" prior to seventh trumpet Messianic Kingdom completion - so that is not the end yet, that is Daniel 12:7 (Rev11:2-3, 7) 1260 days ending into Revelation 11:11 "3.5 days" (unknown time period) "two witnesses" death state unto Daniel 12:11 1290 days starting.

A. This temple judgment timed period is what starts the final cycle as Revelation 8 parallel (1Pet4:17):

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right (temple cleansed) condition.” (as Revelation 8 concludes as the final cycle in in progress as it's commencing temple judgment signal);

(Note: That Daniel 8:14 commencing temple judgment signal timed period expiring over Revelation 8-9, must activate into the final 1260 days warning of Revelation 10-11 in some back to back, or unknown transition, as Revelation 9 recovered final Christian ministry merges into Revelation 10-11.);

Next: Daniel 12 "Time Signature" as 1260 Days Final Cycle Link to Other Supporting Prophecy

1. The seven trumpets connect through Revelation 8-11 as a continuous prophecy and eventually provides the "3.5 times" signature of 1260 days at Revelation 11:2-3 that cross link to Daniel 12:7 and Daniel 7:25 allowing fuller meaning to directly relate to the final sequence.

Note that Daniel 8:14 temple judgment timing of Revelation 8 final fulfillment events must precede this Daniel 12:7 final 1260 days period to form a valid final Christian ministry.

2. Thus the seven seals outline leads to seven trumpets that also must approximately parallel seven plagues events as milestone meanings to reliably map the final trajectory to Armageddon Kingdom and 8th King details of world events that must repeat the foundational principle, upon the same timed pattern provided by God in Daniel's applicable parts of prophecy in Daniel 8 and 12, to finality with world events and milestones occurring live and real-time enroute as further evidence it is "the end" phase. (Matt24:6, 14);
Main Kingdom Development Related 1260 Days "3.5 Times" Cross Links

(Revelation 11:2-3) But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city (Luke 21:24 final phase as 1260 days) underfoot for forty-two months. 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth."

(Daniel 7:25-26) And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time. 26 And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [him] and to destroy [him] totally.

(Daniel 12:7) And I began to hear the man clothed with the linen, who was up above the waters of the stream, as he proceeded to raise his right [hand] and his left [hand] to the heavens and to swear by the One who is alive for time indefinite: "It will be for an appointed time, appointed times and a half. And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish."

Note that this final 1260 days "trampling" will complete the far more intimate spiritual meaning of 2520 days (1260 days two times) as the final "seven times" meaning and requirement of Revelation 11:2 "holy city" "trampling".

(Luke 21:23-24) For there will be great necessity upon the land and wrath on this people; 24 and they will fall by the edge of the sword and be led captive into all the nations; and Jerusalem will be trampled on by the nations, until the appointed times of the nations are fulfilled (as 2520 years, and Revelation 11:2, 2520 days; "seven times" totality);

(Note: Jehovah's witnesses already understand that Daniel 4 outlined "seven times" principle as 2520 years of the trampling of Jerusalem in the removal of the Davidic/Judah line of kings since 607 BCE to 1914 CE by gentile power permitted by God as a literal manifestation in history bridging Mosaic covenant and new covenant, Jewish and Christian, period transitions as well.

What JWs do not understand is that in 1914 the "holy city" (Rev11:2) also took on a completely anointed Christian aspect of the "son of David" Christ lineage also permitted a "seven times" "trampling" of anointed Christian final members starting in 1914-1918 as 1260 days of "trampling" of the anointed partial remnant as that "holy city". And that must proceed to the final cycle of 1260 days "trampling" as Revelation 11:1-7 repeats in final form into 2520 days as the required "seven times" of "holy city" "trampling" in Revelation's continuing theme of that sovereign permission of gentile, 8th King culminative defiance of the Messianic Kingdom. The Messianic Kingdom 144000 "holy city" agency completes as a result of that final "trampling" (Rev11:7 as Rev6:9-11) and unto the final Christ gathering it will trigger as 1Thessalonians 4:17 "air" event of Revelation 16:17-19 7th plague parallel "air" event, and the 7th trumpet event of Messianic Kingdom completion it leads to.

Thus the fifth and sixth seal are re-affirmed in Revelation 11 and 16 final events of their respective 7th trumpet and 7th plague events, to which the seventh seal connected for greater detail of this final "trampling" unto Messianic Kingdom completion.);
Rival 8th King Sovereign Concurrent Final Development Period Link to 1260 Days

1. The "3.5 times" time signatures of Revelation 11:2-3 link to periods marked in Revelation 12:6,14 and Revelation 13:5 that outline Satanic (Rev12) and wildbeast (Rev13) principles (and periods to come) that accompany the sovereign Kingdom process in co-activations of those timed periods relating to Satanic (Eze38:7) and 8th King (Dan11:44 as Rev11:7) final resistance.

A. The Revelation 6-7 outline of first six seals also contains these parallels of Kingdom developmental progress and proclamation amidst Satanic and rival world power resistance with diametric claims and missions as concurrent.

2. Revelation 11:2-3 "3.5 times" time signature cross links to also Daniel 7:25-26 event progression and Daniel 12:7 events and meaning, for a final activation of Daniel 12 as final 8th King developments of Daniel 11:42-45 of the future, merge into Daniel 12 "during that time" of final 8th King events in final form.

Satanic Principle of Resistance as 1260 Days Permitted

(Revelation 12:6) And the woman fled into the wilderness, where she has a place prepared by God, that they should feed her there a thousand two hundred and sixty days.

(Revelation 12:14) But the two wings (two deliverances by Christ, 1914-1918 related, and future) of the great eagle were given the woman, that she might fly into the wilderness to her place; there is where she is fed for a time and times and half a time away from the face of the serpent.

1. The Gog of Magog manifestation of Satan "from the remotest parts of the north" in Ezekiel 38-39 is the modern parallel of the 1914 "dragon" cast from heaven to earth's vicinity in Revelation 12. Satan's next casting is into abyss in this final phase climax; (Rev20:1-3; Isa24:21-22);

8th King/Wildbeast Principle of Resistance as 1260 Days Permitted

(Revelation 13:5) And a mouth speaking great things and blasphemies was given it (wildbeast), and authority to act forty-two months was given it.

Note: Thus all these 1260 days periods unfold as a concurrent complex of final developments regarding their respective sovereign entities.

(See[4] Daniel 12 Replication);

Revelation 8 - Final Temple Judgment Leads to Kingdom Completion

1. Thus the seventh seal, in preview fulfillment or final fulfillment, outlines spiritual symbolisms of real world and spiritual signal preliminary judgment and developmental events that have a common principle at work both times, and the seventh seal leads into a fuller explanation of what this all means as outlined in seven trumpets to come contained in that final seal as the whole Revelation 8-11 continuum which also connects to Daniel and deeper into Revelation with those key time signatures - thus why the seventh seal leads here:

(Revelation 8:1-2) And when he opened the seventh seal, a silence occurred in heaven for about a half
hour. 2 And I saw the seven angels that stand before God, and seven trumpets were given them.

2. Thus Revelation 8-11 as a seven trumpet gauged continuum that the seventh seal connected to (and contains), greatly details the events and comprehensive completion process that is outlined in a general framework by the first six seals meanings as a whole process, and the official heavenly Kingdom context it develops from in Revelation 4-5, as also a progression leading to completions of Messianic Kingdom and earthly "sheep" salvation gathering as the objective made explicit in Revelation 7.

(Note: Revelation 6-8 seven seals are not a sequence of order as if seven seals activate seven trumpets as next ordered events, but as parallel of the same six seals events outlined for deeper explanations in Revelation 8-11's actual ordered final sequence. The seven seals are an outline of now understood events to finalize fully in the seven trumpets containing extended information (and certain timing links) of all seven seals information in Revelation 8-13, and 15-16 in more detail. The seven trumpets overall meaning of the completion they detail are already present in the seven seals general outline. Thus the seven seals overview leads to the seventh seal containing a deeper explanation in the import of the seven trumpets which further detail the Revelation 5 two-sided "scroll" and it's "seven seals" meaning as an opening "sacred secret" totality being made known, now known in two cycles.);

Final Fulfillment Cycle Reliably Timed and Cross Linking Daniel and Revelation
Final Fulfillment Details

By Revelation 8:1-6 final temple judgment meaning as linked to developments and indictment at Daniel 8:13-14, Revelation 8's Daniel timing in Daniel 8:14 must lead to the later Daniel 12:7 timing linked to Revelation 11:2-3. Thus the entire final sequence of timed temple judgment signal of Daniel 8:14 aligning to Revelation 8:2-5 activation leading to Daniel 12:7 timing as Revelation 11:2-3 final timed 1260 day final Messianic Kingdom notification is fully founded for understanding a final cycle that must start with JW temple judgment and desolation (1Pet4:17; Dan8:14; Rev8:2-5) and lead to the final developments leading to Messianic Kingdom completion.

1. Thus what was an initial Christian understanding of sovereign Kingdom theme and Messianic Kingdom birth made known in the subsequently deployed world ministry of Jehovah's witnesses since 1914, detailing the main framework and purpose by many more supporting Biblical details, is to be deployed a final time (Rev10:11) with Revelation replication awareness as a final cycle of the same dual sovereign progression present in the preview fulfillment, but in final form - with more details - such as the fact must and will all repeat.

(Revelation 10:11) And they say to me: “You must prophesy again with regard to peoples and nations and tongues and many kings.”

2. Thus Revelation 8-11 replicates seven trumpet actualities towards the Messianic Kingdom birth cycle first (1914-1918 cycle), in time progressing to the Messianic Kingdom completion to have a world ministry deployed into it's final developments and arrival on the same pattern repeating - in the future. That is a very handy "program" to have and understand in the coming days of final 8th King world intrigues leading to UN world government and "image" as a completed whole "scarlet wildbeast". (Dan11:42-45 + Rev17:11-18 = Rev16:12-16);

Temple Judgment Pattern - Modern Man of Lawlessness

1. Thus the initial Christendom overall "house of God" judgment (1Pet4:17) that was the original Revelation 8
meaning of 1914-1918; 1919, is now revisited in final form upon the far more focused Jehovah's witnesses ministerial "house of God" system that has derailed as a result, not of Christendom clerics' errors, but due to the foreign body development as the "Governing Body" (GB) "clerics" that have introduced a different form of subversion (Dan8:12) into Bethel's ministerial clerical system, as also a repeating apostasy (Dan11:32a; 2Thess2:3) and modern "man of lawlessness" principle with all the attendant adulteries and reproach repeating "in the temple" in final form even now - including successful cover-up; Dan8:12b).

(Note: Though cleverly "hidden in plain sight", this Bethel lawless signal indicates the final phase has already begun, just not in earnest yet, but in signal apostasy for those paying attention to Bethel's "lawless one" conduct and falsified Daniel 8:9-25 and 11:27-45 interpretations aiding their concealment.)

2. In like manner to the Christendom judgment that resulted in their 1919 League of Nations endorsement as "God's Kingdom on earth" and continuing to support of the United Nations "disgusting thing" version of globalized world government "image" (and prophetic diversion) in and after 1945, the diverted Bethel system became UN NGO at the third United Nations manifestation (Dan11:30-31) after the "cold war" in 1990. (Dan11:29); (Also while key prophecy was fulfilling with UN import of continued 8th King development as Daniel 11:30b-31.);

A. Like Christendom's clergy diverting prophecy to conceal 8th King UN meaning (Rev13:11-15; Dan12:11 first fulfillment), after they aligned with that world power (Rev17:3 inclusive) and sovereign rival of God's Kingdom at League of Nations incept event (1919) and after (1945; Rev17:8-11), Bethel and the Governing Body also divert 3rd UN (Dan11:31b; 1990) and 4th UN (Dan11:45; Future) "disgusting thing" placement meanings (Dan8:12) of Daniel 11-30-45's required continuum (Dan11:36) to conceal King North as apex 8th King development since 1990 as a UN NGO undercover extension into the Bethel apostasy and lawless system. (Matt24:15; Dan11:41; Dan11:32a; Luke21:20);

(Note: The impossible USSR "King of the North" interpretive error revealed at USSR failure (Dan11:36), retained at Bethel, provides the UN developmental concealing diversion for Daniel 11:31-45);

Apostasy and Man of Lawlessness Prerequisite Met at Bethel

(2 Thessalonians 2:3-4) 3 Let no one (including Bethel) seduce you in any manner, because it (the final judgment and gathering cycle) will not come unless the *apostasy comes first and the man of lawlessness gets revealed, the son of destruction. (all modern Bethel features of this signal development) 4 He is set in opposition (an add-on "GB" "body") and lifts himself up over everyone (sole dictatorial council since 1976, and sole "faithful and discreet slave" since 2012) who is called "god" or an object of reverence, so that he sits down in the temple of The God (UN NGO Bethel "lord's of the faith"), publicly showing himself to be a god. (Such as the GB concept itself, and its sole "faithful and discreet slave" self-appointment - now world known, public revelations of supreme self-appointed grandiosity);

(Daniel 11:32) "And those who are acting wickedly against [the] covenant (can now be anyone in the apostate JW development), he (8th King as King North) will lead into *apostasy by means of smooth words. (typical Bethel "superfine apostle" veneer and "transformation". (1Cor11:13-15));

1. Thus even that original pattern of UN alliance (Matt24:15), the apostasy, and the "man of lawlessness" is now present in final form at Bethel "in the temple" arrangement preceding a final judgment cycle as a signal, already shown in the nature of the prophecy having a dual fulfillment meaning as but another signal repeating principle and development. What was a first globalist world government incept event in 1919 as League of Nations through a world war and tribulation cycle, must replicate in principle as a world war/tribulation cycle
leading into 4th placement UN world government in the same, but far extended global manner as the first fulfillment cycle of 1914-1918. (Daniel 8:25; 11:45: 12:11 Revelation 11:7 4th UN placement parallels);

*We now even have a "Jehovah's witnesses" form of the "man of lawlessness" UN allies at Bethel;*

2. Bethel also creates a prophetic subversion employing a premature "end of the world" expectation in JWs that will lead to a period of temple judgment confusion as the "tribulation of those days" starts, to end in 8th King world government, not "the end" JWs are expecting immediately. JWs are thinking it is "the end" terminal phase (Dan11:44 positioning error) conclusion coming up, when in fact it is the beginning of the final phase, not it's end yet. (See[2] Daniel 11:42-45 as Final 8th King Cycle); (See[5] Bethel Apostasy); (See[6] Bethel's Premature "End of the World" Diversion);

*And we have also the "lawless one" apostate Bethel signal development in place as well for the final cycle, just like Christendom's cleric system principle of 1914-1922 signal events of the first cycle.

**Global Tribulatory Development Context**

1. Thus the tribulatory aspect as resulting from the 2nd, 3rd and 4th seal enemy "horses" riding for such negative world effects supporting UN world government eventual birthing and developmental presentations (after a world war each time; 1919, 1945, 1990), is also further detailed in Revelation 15-16 seven plagues as a global developmental context of God revealing judgments on world systems undergoing 8th King "new world ordering" in earnest. (Hag2:7 final fulfillment); (for example Revelation 6th plague final international "gathering" is aided by 8th King globalization);

*(Revelation 16:12-16) And the sixth one poured out his bowl upon the great river Euphrates, and its water was dried up, that the way might be prepared for the kings from the rising of the sun. 13 And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire inhabited earth, to gather them together to the war of the great day of God the Almighty (globalization is the main form of national "gathering" administrations set to form actual globalist 8th King world government) 15 “Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness?’ 16 And they gathered (completed) them together to the place that is called in Hebrew Har-Magedon.*

2. The broader seven plagues "earth" global context parallels of concurrent development with the JW focused seven trumpets "earth" judgment now coming in final fulfillment (1Pet4:17; Dan8:13-14; Rev8:1-6), are to be evident as the world context of developments accompanying the now completing rides of the first four seals' "horses" meaning of Christ's authority and Kingdom completion mission "in the midst of" oppositional missions of rival 8th King development parallels, into which global intrigue JW temple judgment unfolds; (Dan8:13-14 as Rev8:2-5 judgment and purification meaning; Zech3:2);

3. The parallels of that global "earth" world context of the six plagues (Rev16) and of the temple "earth" specificity of temple judgment (Rev8-9) as the first six trumpet alarms and developments, as a preview signal of things to come, tie all Revelation 8-11 seven trumpets as parallel deployment in the Revelation 15-16 accompanying seven plagues broader world context in the first four of those respective trumpets and plagues meanings (but continuing into all 7) - also a foursquare meaning of earthly totality in the first four trumpets and plagues as well as the first four seals. (And that respects the initial fulfillment understanding and principles merely updated for final developments);
4. This means the Revelation temple judgment of a full JW "earth" system (in final fulfillment meaning) has a whole world judgment foregleam manifesting first as a warning signal, with alarm signals as four trumpets describing the core temple judgment meanings first. It means the first four plagues are the global context of developments and related warning judgments that the first four trumpets comprehensively deploy into (as JW judgment and exposition), and parallel approximately concurrent as Messianic Kingdom and 8th King powers prepare for dual completions indicated in the import of the trumpets and plagues as also to be fully explained live and real-time by a recovered JW Christian ministry.

**Warning Milestones over Daniel 8:14; Daniel 12:7 Years into Daniel 12:11 Final Period of Dual Sovereign Development**

*Thus the progression of prophetic events foretelling world events as milestones of great meaning in each of those seven trumpets and plagues in their respective system focus, provides a clear and progressively backed final warning as a continuum of prophecy marked world events in 8th King and Kingdom final progression that must lead to where the 7th plague and 7th trumpet wind up, the Christ revelation to complete Messianic Kingdom, sheep and goat final assessment, Babylon the Great judgment and deposition and final world judgment of Armageddon in 8th King deposition.*

(See[1] World Recovery after Tribulation of those Days); (See[2] Daniel 11:42-45 as Final 8th King Cycle); (See[3] UN World Government Quadruple Cycle);

**Respective Sovereign Culminations**

1. Revelation 8-11 progresses over seven trumpets to a Messianic Kingdom manifestation (Rev10:7) as Revelation 11:15-19, while Revelation 16 climaxes in final globalization "gathering" of the 8th King system at Revelation 16:12-16 (6th plague; Babylon the Great still present; Rev17:12-18 parallel) over seven plagues, as both respective progressions of trumpets (Rev8-11) and plagues (Rev16) result in their respective diametric sovereign entity completed and ushered in by those trumpets (Messianic Kingdom) and plagues (scarlet wildbeast 8th King; Rev16:13-16 parallels Rev17:11-17 meaning); Hence their spiritual (Rev8-11) and world context (Rev16) aspects.

2. Thus Revelation 8 first four trumpets of judgment explained to JWs as 1Peter4:17 "house judgment" priority of the Daniel 8:13-14 timed temple judgment desolation/purification parallel to Revelation 8:2-5 "fire of the altar" cleansing, must become a great preliminary world signal (as JW org desolation; Dan8:13) as later those first four trumpets of judgment alarm and meaning are explained by God with Christ guided angelic aid for a recovered and purified Christian ministry (as trumpets 5-6, again, explain temple recovery in progress) that must make those final announcements, again (Rev10:11), amidst a world tribulation foregleamed in WW1 preparing to present final 8th King world government, again, but as the finale of this process begun in 1914-1919 in relation to 8th King power.

*(Note: This is why the 1919 "disgusting thing" first UN placement of the League of Nations manifestation of Revelation 13:11-15 as parallel Daniel 12:11, must manifest again, in the future, as the 4th UN "disgusting thing" placement as Daniel 11:45 again to Daniel 12:11 parallel (repeating in final form), as Daniel 12 replicates, in final form, as the final fulfillment climax of Revelation 11:7 "two witnesses" "constant feature" removal arrives at the final destination of the 8th King "disgusting thing" to Daniel 12:11 (replicating) on the same pattern as the first manifestation; Both the first and the last UN placements wind up at Daniel 12:11;)*
The 7th Trumpet Messianic Kingdom completion is parallel to the 7th plague Christ "air" event of 1Thessalonians 4:17 meaning as Revelation 16:17-19 results in Revelation 11:15-19 Kingdom completion and eventual full conquest of Babylon the Great and the 8th King. (Rev16:17-21); Thus Daniel 12 Messianic Kingdom aspects also develop in Daniel 12:7, 12:11 and 12:12 in climax form, also on the same patterns as 1914-1918, 1919-1922 and 1922-1926, in the future final 8th King world government drive.

Comprehensive Completions

1. Therefore all the previews of things in the 1914 ministry and meaning requiring completion in a comprehensive whole of spiritual and world developments leading to sovereign resolution of world power amidst a completing explanation of it's process as a repeating principle unfolding to a grand completion deploying in final form of prophecy, again, must also complete.

Judgment

(1 Peter 4:17) For it is the appointed time for the(comprehensive world) judgment to start with (begins with, upon) the house of God. (as the former 1914-1918; 1919, cycle "judgment" defined Jehovah's witnesses out of Christendom, as now JWs are a derailed Christian ministry as the last point of a valid 8th King UN and Kingdom tracking ministry (1945; 2nd UN placement); Temple judgment is an overall "the judgment" commencement to eventually lead to full world judgment totality as the commencing portion and world signal as JW Bethel desolation judgment); (See[7] Timed Temple Judgment);

1. The preliminary world judgment meanings explained in the 1914 ministry and it's spiritual judgment ramifications of that time now must go into the final phase "world judgment starting with full temple judgment, and eventually Babylon the Great judgment and complete world judgment last, in that order, as the preceding spiritual judgments add to the evidence of the final cycle active as a whole eventual world judgment.

2. This is why the Kingdom "Court" (Dan7:26) 144000 and final Christ King-Priest coronation by God precedes the Babylon the Great final judgment of Revelation 16:12-16 sixth plague parallel of Revelation 17:11-18 as a full divine Messianic "Court" is what oversees the final judgments of Babylon the Great, the whole world population, and the 8th King as the sovereign earthly "court" of the completed Messianic Kingdom "sit down". (Matt25:31; 19:28);

3. The initial temple judgment purification "trampling" (Dan8:13) starts the "tribulation of those days" (Matt24:29-31) meaning of spiritual "Jerusalem" (and temple) judgment to produce a cleansed ministry that proceeds over Revelation 9-11:7, as the "two witnesses" deploying that recovered ministry some years later are again "trampled" in Revelation 11:1-7 (second 8th King "trampling") to define the approximate end of that "tribulation of those days" as it is also being resolved in final 8th King world government (and world peace statement; 1Thess5:1-3; Dan8:25 "during a freedom from care", "during" which time the also final 8th King uni-polar sovereign attack occurs), and approximately spanning the final 1260 days in some converging manner. (as in 1914-1918 and WW1); as Daniel 12:11 also describes.

4. This is why Daniel 12:11 in final fulfillment has a removed "constant feature" as a result of that final "two witnesses" 8th King kill of Revelation 11:7-10, as the 4th UN placement 8th King is also placing final "disgusting thing" (world government) as that "tribulation of those days" (Matt24:29) is ending. Thus the "two witnesses" are removed prior to Babylon the Great's (BTG) final judgment, which "two witnesses killed"
event aids 144000 completion; (Rev11:7-12);

(Revelation 11:7-13) And when they have finished their witnessing (after 1260 days completes) the wild beast that ascends out of the abyss will make war with them and conquer them and kill them. 8 And their corpses will be on the broad way of the great city (BTG still present as collective final "great city" meaning; Rev16:19) which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled. (The Christendom apostate Jerusalem symbol has since officially merged into greater BTG container of false religion, thus "great city" is applicable to BTG global. In relation to "also impaled" as a general Davidic king symbol, the last one (King Zedekiah; 2Kings25:7; Eze12:13) died in Babylon, as related to Christ being that king's final replacement also killed "outside Jerusalem". 9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days (a transitional period after the 1260 days completes to full 144000 completion pictured later here in final fulfillment completion meaning as segway into Daniel 12:11 1290 days approximate) and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves (including BTG still existent); and they will send gifts to one another, because these two prophets (Zech4) tormented those dwelling on the earth. (Thus the world system is still operating; Rev18:9-18 11 (144000 completion meaning:) And after the three and a half days (unknown symbolic period; segway to Daniel 12:11 timing) spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: "Come on up here." And they went up into heaven in the cloud, and their enemies beheld them. 13 And in that hour a great (temple completion) earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven. These "kills" are like the "two witnesses" "kill", approved of God for salvation, this final witness and final events results in some final sheep producing repentance as Matthew 24:29-31 and Revelation 6:12-17 is that 144000 completion context of world manifestations of Christ prior to Armageddon final divine war phase);

5. Thus that Revelation 11:11-12 meaning of 144000 completion leads to the 7th trumpet signal of Messianic Kingdom final completion;

(Revelation 11:14-15) The second woe is past. Look! The third woe is coming quickly. 15 And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: "The kingdom of the world did become the kingdom of our Lord and of his Christ, and he will rule as king forever and ever."

Sovereign Announcement

1. The Kingdom of God and Messianic Kingdom proclamations that were paralleled by 8th King diametric sovereign announcements also in foundational form must go over a final cycle of replication to the final form of those sovereign powers and their final global diametric sovereign announcements.

2. For Messianic Kingdom it is the final 1260 days Kingdom warning announcement (little scroll) of the "two witnesses" leading to Messianic Kingdom completion. For the 8th King completion it is the final world "peace and security" statement of that completed world government:

(1 Thessalonians 5:1-3) Now as for the times and the seasons, brothers, you need nothing to be written to you. 2 For you yourselves know quite well that Jehovah's day is coming exactly as a thief in the night. 3 Whenever it is that they are saying: "Peace and security!" then sudden destruction is to be instantly upon them just as the pang of distress upon a pregnant woman; and they will by no means
3. Which is the parallel world effect of this "freedom from care" at 8th King last "stand" into full world government:

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. (like the "two witnesses", and eventually BTG; Rev17:15-18) And against the Prince of princes he will stand up (Dan11:45; 12:11 parallel; abyss rise of Rev11:7 in final fulfillment of 8th King coming out of world war/tribulation the last time as final world peace proclaimer of 8th King completed world government) but it will be without hand that he will be broken. (Armageddon divine war phase);

Final Deployment

1. The first "two witnesses" Kingdom ministerial preview phase of 1260 days as Revelation 11:2-3 and Daniel 7:25; 12:7 timed parallels in 1914-1918 must replicate as a second and final "two witnesses" world deployment, hence "two" "witnessings" as well as Messianic Kingdom final warning, as Messianic Kingdom and 8th King approach completion over the final cycle as Daniel 11:42-45 8th King final world-drive merges into a final fulfillment of Daniel 12 amidst another world tribulation cycle as in 1914-1918, but in final form.

2. Thus the Revelation 6:1-8 quadruple horse "ride" will have climax effect as well of that "ride" continuing into the final phase.

Seven Times

1. The incomplete "3.5 times" decree and time signature definition of duration in literally 1260 days that occurred in the 1914-1918 Kingdom birth cycle, must complete as "seven times" in the same principle of divine allowance (Luke21:24) in this final period of 1260 days of the future completing the 2520 days of final "holy city" "trampling" of Revelation 11:2, now occurring twice - once at Kingdom birth phase (1260 days), and once at Kingdom completion prelude phase (1260 days) completing the divine "seven times"; as 2520 days, 1260 days + 1260 days.

Kingdom

1. The anointed "body of the Christ" meaning of a 144000 completion defines the Messianic Kingdom body, also represented as Temple, Holy City, Bride and Court completions of that identical 144000 full number. What started in live resurrection to populate this "body" in heaven in even 1914 as foundational members of the "24 elders" symbology (Rev21:14), now known to JWs in the post 1918 judgment meanings as all deceased anointed in first resurrection commencing after that 1919 period, must complete to final 144000 totality over this final cycle. (That an anointed secondary foundation (Rev21:14) actually was present in 1914 is explained later fully);

(Zechariah 14:3-5) "And Jehovah will certainly go forth and war against those nations as in the day of his warring, in the day of fight. 4 And his feet will actually stand in that day upon the mountain of the olive trees, which is in front of Jerusalem, on the east; and the mountain of the olive trees must be split at its middle, from the sunrise and to the west. There will be a very great valley; and half of the mountain will actually be moved to the north, and half of it to the south. 5 And you people will certainly flee to the valley of my mountains; because the valley of [the] mountains will reach all the way..."
And you will have to flee, just as you fled because of the [earth]quake in the days of Uzziah the king of Judah. And Jehovah my God will certainly come, all the holy ones being with him.

(Revelation 17:14) These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so].

8th King

1. The 8th King "scarlet wildbeast" must complete full world government (Dan8:25; 11:45; 12:11; Rev11:7) and make a final world peace sovereign statement period; (1Thess5:1-3; Matt24:6 inverted); (See[2] Daniel 11:42-45 as Final 8th King Cycle); (See[3] UN World Government Quadruple Cycle);

Tribulation

1. A final tribulation cycle must complete and ends it's "tribulation of those days" component (Matt24:29), into 8th King world government as Christ arrives (Matt24:29-31) to also complete the final stage of his Messianic Kingdom gathering. (See[1] World Recovery after Tribulation of those Days); (See[4] Daniel 12 Replication);

Armageddon Gathering

1. Full 8th King globalization effects Revelation 16:12-16 final "gathering" of all nations in completion of 8th King world power based on a globalist unification of full international earthly power; (Rev19:19-21); must also complete over this final cycle.

Armageddon Final Conflict of Complete Rival Sovereigns

Firstly, Christ cannot arrive to depose a complete 8th King globalist world sovereignty until it is complete and actually fully exists - which is not now the case, nor will it be for a number of years. And the incomplete Messianic Kingdom must also be complete as the instrument of that conquest - also now in incomplete form. Thus the Christendom and Bethel premature end diversions are revealed to serve final cycle confusions, not understanding.

Dual Fulfillment

1. The element of divine wisdom in a repetition of fulfillment from initial form to final form over a century approximate of full initial explanation, is that a repeating pattern and principle previously understood and described is at work a final time with the same key players, whose initial warning fulfillment is now manifesting in actual final world events of that Revelation 6-7 (Rev8-11; Rev15-16) continuum in actual final form, already previewed in the 1914 WW1 era fulfillment. (See [8] Prophetic Replication);

A. Thus no one has to re-invent Revelation and Daniel understanding, the first fulfillment explains the final fulfillment. One just has be merely aware of the required replication and make a few historic updates to 8th King (Dan11:30-41) and temple judgment developments (Dan8:11-14) now covered up by Bethel's leadership that have occurred in striking manner since especially 1990, and will continue to occur to climax.

Evidence
1. Thus world events and UN milestones will be evidence that the prophecy already outlined, being explained as prophecy, again becomes world history, and is actually activated and continuing irreversibly to the 8th King completion and Armageddon climax as the final developmental objectives of the whole cycle to found Messianic Kingdom total universal sovereignty including it's Earth domain cleared of the rival 8th King system completed and it's supporters permanently (Rev19:19-21) - with full detailed warning over some final gauged years (Dan8:14; Dan12:7) leading to that final conquest of God and Christ as final Kingdom sovereignty of planet earth, and the universe (Rev20:1-3).

Gauged Map to Armageddon

1. By such awareness that a United Nation completion of "new world order" world government is a trigger of Armageddon divine war phase we have a map of prophecy to Armageddon based on world milestones all will see with time to understand and make a "right side" sheep alignment for final events if they choose to do so.

A. United Nations "New World Order" "world government" intent, progress and completion world news to eventually become more clearly stated by the 8th King designate, will be a handy way to monitor Armageddon's arrival. When 8th King completes, so will Messianic Kingdom, and the two shall meet in final battle. (Dan2:31-45; Zeph3:8-9; Joel3:9-17; Eze38-39; 2Thess1:6-10; Rev19:19-21; Rev16:13-21);

Ministerial "Little Scroll" Sovereign Content

Sequential Order

1. Contrary to 1914 and seventh trumpet lead-in foregleam events (1914-1918; Rev10-11; Dan12:7) and somewhat shuffled trumpet meaning thereafter (1919 5th trumpet; 1922 6th trumpet; 1922-1925 trumpets 1-4), the final sequence goes in trumpet 1-7 order as do the seven plagues proceed in order, and the exposition of the guaranteed Messianic Kingdom completion forming in that order is the "little scroll" sovereign warning content. It is "little" in duration of deployment as 1260 days, but has the Revelation 5 "scroll" full meaning in it's contents as final Messianic Kingdom sovereign proclamations.

Comprehensive Totality

1. The first four seals, trumpets and plagues all have an earthly foursquare totality of meaning and effects.

2. Whereas seals 1-6 outline a completing process and it's details of concurrent world power development from both Messianic Kingdom and 8th King founding and completion drives in the replication and dual phase meaning connecting to the seven trumpet sequence (seventh seal), the first four trumpets describe the temple judgment meanings in detail, as do the first four plagues describe world development judgment meanings as preliminary judgment components in the worldwide "earth" system undergoing final global 8th King intrigues (tribulation), thus setting up final effects of the last 3 trumpets and plagues as concurrent.

(Note: This is why the last three trumpets are also the three "woes" further defining the first four trumpets special meaning, because they portend a climaxing meaning affirmed in first four trumpet significance, and it's final period of time more apparent in action as both 8th King completion authority, intrigues and effects, and Messianic Kingdom pre-completion final warning details all warning of the seventh seal and seventh trumpet finale, are in progress concurrently, parallel, all the way to actual Armageddon divine war for Earth's world rulership.)
Christian Anointed Access to Heaven and Kingdom Completion Clues

First Resurrection Starts - Kingdom/Temple Foundation and Construction Phase

(Revelation 4:1-3) After these things I saw, and, look! an opened door in heaven (heavenly access to anointed pictured) and the first voice that I heard was as of a trumpet, speaking with me, saying: “Come on up here (Apostle John pictures collective anointed furthering completion finalized at Revelation 11:7-12 events alluded to in "come on up here” statement) and I shall show you the things that must take place.” (Rev1:1 understanding opened to anointed through Christ for all people and sheep) After these things I immediately came to be in [the power of the] spirit: and, look! a throne was in its position in heaven, and there is one seated upon the throne. 3 And the one seated is, in appearance, like a jasper stone and a precious red-colored stone, and round about the throne [there is] a rainbow like an emerald in appearance. (God's Kingdom focus first, which led to Messianic Kingdom birth (24 elders mean "birth" already occurred in Rev4 scene), symbolizing anointed "gathering" to heaven by first resurrection on-going to completion over first and final cycles of Revelation replicating prophecy parts);

(Revelation 4:4-6) And round about the throne [there are] twenty-four thrones, and upon these thrones [I saw] seated twenty-four elders dressed in white outer garments, and upon their heads golden crowns. (Symbolic picture of anointed foundation 144000, and it’s final “24 divisions” of priesthood meaning as eventually all 144000) And out of the throne there are proceeding lightnings and voices and thunders; and [there are] seven lamps of fire burning before the throne, and these mean the seven spirits of God. (Thus progressive completions of spiritual import are to come forth fully over the whole development of both cycles of prophecy)

Official Christ Final Mission Appointment

(Revelation 5:1-5) And I saw in the right hand of the One seated upon the throne a scroll written within and on the reverse side (indicates a whole meaning, deployed in dual form) sealed tight with seven seals. (indicates a progressive and complete awareness of sealed sacred secrets) And I saw a strong angel proclaiming with a loud voice: “Who is worthy to open the scroll and loose its seals?” (super-universal question) But neither in heaven nor upon earth nor underneath the earth was there a single one able to open the scroll or to look into it. 4 And I gave way to a great deal of weeping because no one was found worthy to open the scroll or to look into it. (Pictures early anointed yearning to understand prophecy that was about to unfold in this first cycle of Kingdom proclamation and afterwards) But one of the elders says to me: “Stop weeping. Look! The Lion that is of the tribe of Judah, the root of David, has conquered so as to open the scroll and its seven seals.” (Christ appointed as the agency of God’s purpose to reveal the full scroll meaning in seven sacred secrets completing the whole "sacred secret” and Kingdom meaning to completion);

(Revelation 5:6-10) And I saw standing in the midst of the throne and of the four living creatures (Cherubic angelic earthly import and missions; Ez1) and in the midst of the elders a lamb as though it had been slaughtered, having seven horns and seven eyes, which [eyes] mean the seven spirits of God that have been sent forth into the whole earth. (In the lamb is full power, vision and understanding now of the final Revelation meaning tying the whole Bible together) And he went and at once took [it] out of the
right hand of the One seated on the throne. (The "scroll" of divine mandates is from God Almighty) 8 And when he took the scroll (Christ officially is given and accepts final ministerial mission), the four living creatures and the twenty-four elders fell down before the Lamb, having each one a harp and golden bowls that were full of incense, and the [incense] means the prayers of the holy ones (24 Elders all having some priestly utensils pictures heavenly priest body in addition to "golden crown" kingly body as King-Priest to be Christ's king-priests in eventual full Kingdom and priesthood body) 9 And they sing a new song, saying: "You are worthy to take the scroll and open its seals, because you were slaughtered and with your blood you bought persons for God out of every tribe and tongue and people and nation, 10 and you made them to be a kingdom and priests to our God, and they are to rule as kings over the earth.” (Proclamation of Christ's Messianic Kingdom eventuality, sacrificial purchase and qualifications);

1. Thus the significance in heavenly Kingdom of God crowning of Christ as the first seal opened in that scroll overall meaning, is a Kingdom "white horse" ride that started with the "last days" period (Rev1:10) since 1914, of a progressively clearer Messianic Kingdom birth and completion meaning deploying amidst world "woe to earth" starting in the unique and first world war is also a sign of things to come from the distracting 8th King - it repeats to final form in related manner.

2. Thus the wildbeast employing desolations and tribulations is present in industrialized global warfare to found massive start-up capital infusion on a self-invented monetary and finance system also expanding at supra-national scales engulfing the national systems in each world war cycle, and always ending the world war for a UN peace resolution and forming world government presentation. (Four UN cycles: 1919, 1945, 1990, future); (See[3] UN World Government Quadruple Cycle);

3. That world war "problem" ending peace resolution formula is for highlighting globalist world government "solution" in the progressive 8th King "scarlet wildbeast" development, which is also shown concurrent with Christ's "ride" as the next three seals release the three enemy "horses" of war, plague and death that is the "disgusting thing's" trademark method of organized war and it's nationally debilitating effects as the resolving world tribulation stage to present world government forum, recovery and notions as needed, positive and believable - and well timed - every time.

4. The completion directive of the 5th seal (Rev6:9-11) and it's 6th seal (Rev6:12-17) foregleam details of that completion, including the prelude events of Christ's actual arrival (Matt24:29-31 parallel), with a final "gathering" objective, leads to a 7th seal that outlines that whole seven seal general process in greater detail in Revelation 8-11's seven trumpets, and connects explicitly or in principle to Revelation 12-13, and the seven plague parallels of Revelation 15-16; (And as shown earlier, Daniel is also connected in, thereby all sovereign prophecy can be aligned in final fulfillment into this reliable framework of Revelation and Daniel)

**Concurrent Sovereign Completions**

1. Thus the sixth seal results in the post 1260 days completion event parallel of Revelation 11:7-13 (Matt24:29-31; Rev6:12-17) that precedes Armageddon by possibly the whole Daniel 12:11 1290 days period of Christ literally having completed Messianic Kingdom (Dan7:26 parallel) in the also just completed 8th King's face, and ruling as world sovereign about to destroy the 8th King, with full fair warning, amidst final sheep and goat separation finalization, in the midst of the completed 8th King as final Psalm 110 parallel "subduing in the midst of [his] enemies" in literal manner worldwide.

2. As we see the whole seven seals, seven trumpets and seven plagues all lead to an awareness of the completion of many elements enroute to Kingdom conquest completion of Armageddon - completed. As an emphatic set of triple 7's, it is to be hammered home completely as seven symbolizes total spiritually mandated
completion; (Even the "seven headed" "dragon", though opposed to God, is a seven based spiritual completion permitted by God to complete also the "seven headed" "wildbeast" versions of Revelation 13:1 (national) and Revelation 17:8-18 (globalist) whose eventual rival 8th King sovereign completion allows a diametric Messianic Kingdom sovereign reaction; (2Thess1:6-10; Zeph3:8-9; Dan2:31-45; Joel 3:9-17)

3. Therefore the sixth seal event is not yet the complete end of the world of rival sovereignty, but a final massive sign and manifestation of Christ to complete 144000 in that "gathering" first, to oversee the "sheep and goat" pre-sentence "court" judgment as the 144000 also complete that judicial "court" aspect of Daniel 7:26, after the Daniel 7:25 "3.5 times", 1260 day parallel completes as Revelation 11:7-12. Thus Christ finishes his own Kingdom ministry (Matt10:23) in super-natural perfect power, and the entire sequence since 1914, replicating into the final Kingdom and 8th King world developments, is prelude evidence of what is actually developing, intensifying while it is all developing; (Revelation 11:1-7);

4. Thus all seven seals have been explained in initial form since 1914 progressively to also provide insight into the final form it must repeat into as all things climax and complete. This is why 1914-1918 began with 7th trumpet preview meaning picturing the entire Revelation 4-5 set-up of the actual heavenly ceremony leading to Christ's "white horse" initial deployment to guide the earthly ministry to completion, and it has an initial phase at Kingdom birth (1914-1918) and a final phase at Kingdom completion (future) of the same Daniel 12 periods also repeating to finality.

**Trumpet Awareness**

1. In first fulfillment the meanings of all the trumpets are made known in detail after the fact of fulfillment and hence trumpets 1-4 meaning in trumpets 5 and 6 deploying as anointed and earth sheep ministry give evidence of seventh trumpet events of Revelation 4-5 in 1914, and other scriptures of that official prophecy-marked and timed event and subsequent period in progressive hindsight finalized for the most part by 1922-1926, but ongoing.

2. In final fulfillment all the final meaning is to be explained before the seventh trumpet event of final Messianic Kingdom completion, as trumpets 1-4 will describe the JW temple judgment, desolation and purification, as again trumpets 5 and 6 deploy as respective anointed in final "two witnesses" fullest ministerial deployment meaning, and the earth sheep to be included in that final world "invading" ministry prior to "Kingdom come" as the final 1260 day warning period to result in Revelation 6:12-17 events of Revelation 11:7-13 parallels of Matthew 24:29-31 final "gathering" event. In final fulfillment all seven trumpets deploy in order.

(Note: Revelation 14 is a unique overview of also the 144000 completion process, final proclamations and judgment sequence foregleamed in the 1914 pattern, but to become an actuality in final fulfillment. Revelation 17 gives details of 8th Kingdom final developments to complete super-sovereign deposition of national sovereignty and religious sovereignty in the same final sequence (Rev17:12-18) as context of the Babylon the Great details of Revelation 17-18. Revelation 19 contains the final arrival of Christ upon the same "white horse" pattern of Revelation 6, but must include Christ's final King-Priest coronation events, upon a complete 144000 Messianic Kingdom, temple, holy city and bridal body prerequisite, thus it pictures final arrival amidst a final "scarlet wildbeast" fully globalized and unified worldwide affront to the Messianic Kingdom earthly sovereignty in Revelation 19:19-21 that results in final Armageddon divine war phase connected to Revelation 16:12-16 final events leading to that conflict and final sovereign resolution.)
Anointed Kingdom/Temple Foundational Live Birth Required in 1914 Leading to Temple Construction Phase of 1919 Onward to Completion

A Kingdom "birth" "foundation" must also be the concurrent Temple "foundation" as Jesus Christ is the "foundation" of both those divine entities as parallels, that an official heavenly event would mark (Rev4-5), as God lays that foundation, for all divine agencies, by setting Jesus Christ as God's Kingdom "kinged", in such an official basis of all Messianic Kingdom and temple work to come, as it's "cornerstone", of course as prophetically marked as operative in official manner for final missions of announcement and eventual total completion; 1914 events. (That initial "great" "sign seen in heaven" as Revelation 12:1 "kingdom birth" eventual awareness, as the Matthew 24:29-31 post initial 1260 days preview fulfillment understanding opening up fully as to Kingdom and temple foundational meanings).

1. As Jesus Christ is the "foundation" "stone":

(Psalm 118:22) The stone that the builders rejected Has become the head of the corner.

(1 Peter 2:6) For it is contained in Scripture: "Look! I am laying in Zion a stone, chosen, a foundation cornerstone, precious; and no one exercising faith in it will by any means come to disappointment."

2. And a continuing of temple construction to completion is implied:

(Ephesians 2:19-22) Certainly, therefore, you are no longer strangers and alien residents, but you are fellow citizens of the holy ones and are members of the household of God, 20 and you have been built up upon the foundation of the apostles and prophets, while Christ Jesus himself is the foundation cornerstone. 21 In union with him the whole building, being harmoniously joined together, is growing into a holy temple for Jehovah. 22 In union with him you, too, are being built up together into a place for God to inhabit by spirit.

3. We also have a secondary foundational clue further upon Christ:

(Revelation 21:14) The wall of the city also had twelve foundation stones, and on them the twelve names of the twelve apostles of the Lamb.

4. Thus the crowned woman is crowned as such prior to the Messianic Kingdom birth.

(Revelation 12:1-2) And a great sign was seen in heaven, a woman arrayed with the sun, and the moon was beneath her feet, and on her head was a crown of twelve stars, 2 and she was pregnant. And she cries out in her pains and in her agony to give birth.

5. And since the King designate of that yet incomplete Messianic agency is immortal and already present in heaven for official foundational work to be laid by God in prophecy indicating 1914's end of the "appointed times of the nations" as seven full times of Daniel 4 (Luke21:24), this "living" "child" had to be an actual living entity, newly born into heaven, whose also very real birth leading to an earthly sovereign agency is what Satan attempted to undermine attempting to abort the Messianic Kingdom birth process (Gen3:15):

(Revelation 12:3-4) And another sign was seen in heaven, and, look! a great fiery-colored dragon, with seven heads and ten horns and upon its heads seven diadems; 4 and its tail drags a third of the stars of
heaven, and it hurled them down to the earth. And the dragon kept standing before the woman who was about to give birth, that, when she did give birth, it might devour her child.

6. Thus it appears the "24 elders" symbology is representative of a secondary "twelve foundation stones" that were also made present shortly after Christ was officially empowered by God as King of God's Kingdom to actually be the first members of that "male child's" Messianic Kingdom "body" present at that time, "birthed" a such, yet like Christ, active in God's Kingdom and Messianic Kingdom capacities just being founded - a bi-lateral power system forming under Christ's dual roles.

(Revelation 3:12) "The one that conquers—I will make him a pillar in the temple of my God, and he will by no means go out [from it] anymore, and I will write upon him the name of my God and the name of the city of my God, the new Jerusalem which descends out of heaven from my God, and that new name of mine.

7. After Satan's removal and the first action of the "authority" of God's Kinged Christ:

(Revelation 12:7-12) And war broke out in heaven: Michael and his angels battled with the dragon, and the dragon and its angels battled 8 but it did not prevail, neither was a place found for them any longer in heaven. 9 So down the great dragon was hurled, the original serpent, the one called Devil and Satan, who is misleading the entire inhabited earth; he was hurled down to the earth, and his angels were hurled down with him. 10 And I heard a loud voice in heaven say: “Now have come to pass the salvation and the power and the kingdom of our God and the authority of his Christ because the accuser of our brothers has been hurled down, who accuses them day and night before our God!

11 And they conquered him because of the blood of the Lamb and because of the word of their witnessing, and they did not love their souls even in the face of death. 12 On this account be glad, you heavens and you who reside in them! Woe for the earth and for the sea, because the Devil has come down to you, having great anger, knowing he has a short period of time."

8. The rest of the post temple cleansing of anointed on earth would mark the 1919 meaning of the Daniel 12:11 and Daniel 7:26 parallel of beginning the populating of that temple in construction, and the Messianic "court" parallel of 144000 "body". This "The Court" and this scene is a parallel of Revelation 4-5 "court" of 1914 official heavenly Kingdom events - it is the initial meaning of this "court":

(Daniel 7:9-10) “I kept on beholding until there were thrones placed and the Ancient of Days sat down. His clothing was white just like snow, and the hair of his head was like clean wool. His throne was flames of fire; its wheels were a burning fire. 10 There was a stream of fire flowing and going out from before him. There were a thousand thousands that kept ministering to him, and ten thousand times ten thousand that kept standing right before him. The Court took its seat, and there were books that were opened.

9. And that 1914 event leads to a preview of this (1914-1918) "court" cited above and a final Messianic "Court" 144000 completion (future) prior to complete world judgment in a final phase replication of this sequence as a final 1260 days; "3.5 times" completes 2520 days requirement of "seven times" completion. This Christ "Court" must be including all 144000 in final judgment preparatory completion as that Messianic judicial "court" (Matt25:31):

(Daniel 7:25-26) And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law (full globalization "new order"), and they will be given into his hand for a time, and times and half a time.
26 And the Court itself proceeded to sit (all 144000 with Christ; Matt 25:31) and his own rulership (8th King) they finally took away, in order to annihilate [him] and to destroy [him] totally.

10. That "Court" is the Messianic Kingdom related earthly directed judicial system completing prior to final judgment. Just as "twenty four older persons" has an initial foundational meaning and a completion meaning of all 144000, so does the "court" have an initial preview and completion meaning present in Revelation as well in initial and final fulfillment. That 144000 completion to come, is in the final post 1260 day final warning period of that climax main event leading to Revelation 6:12-17 preview meaning of the final gathering period of Matthew 24:29-31 actuality to come.

11. Only 144000 completion can be the fullest meaning of this Messianic Kingdom authority as enabling the final Christ coronation as King of the Messianic Kingdom upon a full 144000 body:

(Daniel 7:17-18) "As for these huge beasts, because they are four, there are four kings that will stand up from the earth. 18 But the holy ones of the Supreme One will receive the kingdom, and they will take possession of the kingdom for time indefinite, even for time indefinite upon times indefinite."

(Daniel 7:21-22) "I kept on beholding when that very horn made war upon the holy ones, and it was prevailing against them, 22 until the Ancient of Days came and judgment itself was given in favor of the holy ones of the Supreme One, and the definite time arrived that the holy ones took possession of the kingdom itself.

12. That "judgment" has an initial Revelation 4-5 event meaning (such as scroll delivery to Christ reception of it from God, leading to 144000 heaven access in time), and it's final completed judgment meaning as all 144000 "holy ones took possession of the kingdom itself" as the grand finale of completion leading to Christ's actual, final, Messianic King-Priest coronation. (Zech6:9-15);

13. Thus the temple completion parallel also requires 144000 temple "stones" in completion to allow Christ to also be the "head stone", the crowning completion of the Kingdom Temple spiritual whole, also the last "stone" in the temple - set by God, not himself, as was the foundation - Christ is temple builder of all 144000 in between:

(Zechariah 4:6-9) Accordingly he answered and said to me: "This is the word of Jehovah to Zerubbabel, saying, "Not by a military force, nor by power, but by my spirit," Jehovah of armies has said. 7 Who are you, O great mountain? Before Zerubbabel [you will become] a level land. And he will certainly bring forth the headstone There will be shoutings to it: "How charming! How charming!"

8 And the word of Jehovah continued to occur to me, saying: 9 "The very hands of Zerubbabel have laid the foundation of this house, and his own hands will finish [it]."

14. This does not refute foundational Christian awareness of the 1919-1922 significance of continued Kingdom and Temple "construction", but merely places the living "male child" entity in first birthed form as the same living "24 elders" symbolism representing some live foundational anointed actually present as that "birth's" "male child" "infant", implying Christ was immediately "built" upon as the Revelation 21:14 "twelve foundation stones" of that New Jerusalem "city" "wall" shortly after 1914, before the 1919 broader anointed first resurrection continuation.

A. This just aligns Kingdom "birth" and Temple "foundation" as an identical event with Biblical evidence and logic, and clarifies that period of time's fuller meaning, for final 144000 completion priority events coming up, which completion divine decree is not currently understood by most anointed Christians, and is not part of the
JW world ministry for reasons "set in opposition" at Bethel. (2Thess2:1-4);

15. The presence in Revelation 4 of the symbolically shown "twenty four older persons", and "their" symbolic but real actions, statements and involvement, is also divine evidence a real anointed presence had to be involved in Revelation 4-5 developments as shown as 1914 events after the Kingdom "birth" they are also the symbol of as "male child" initial Messianic Kingdom members (on earth, and in real-life as 12 apostles, at least, at that 1914 "birth" timing), and into spirit-form anointed assisted initial Messianic Kingdom ministry deployment of Revelation 6:1-2;

(Note: This aligns Revelation 12:6, 14 "1260 days" signatures to the 1914-1918 events - not 1919-1922 events as implied in the Revelation Grand Climax book - whose overall Revelation initial fulfillment commentary was correct since it's original form as part of the Babylon the Great Has Fallen commentary of 1963, and the Then is Finished the Mystery of God commentary of 1969. As stated formerly, the original 1914 understanding of Daniel 7, 12 and Revelation first fulfillment is accurate and is required to understand the replication of Revelation and Daniel 12 in final form on the same patterns, but towards completion of all things being described. That complete 1260 day harmony of cross referencing is logical for all the scriptures it links. )

The Brother Clue

1. Thus when stating "our brothers" here just after that Kingdom birth, it is that foundational anointed voice present to witness Satan's ouster as anointed brothers are directly involved with the earthly issue being highlighted in human anointed integrity accused (by extension all humans; Job1-2):

(Revelation 12:10) And I heard a loud voice in heaven say:"Now have come to pass the salvation and the power and the kingdom of our God and the authority of his Christ, because the accuser of our brothers has been hurled down, who accuses them day and night before our God!

Angels could not have spoken as "brothers" of the "accused" anointed humans relating to anointed Christian human witnesses of God:

(Revelation 12:11) And they conquered him because of the blood of the Lamb and because of the word of their witnessing, and they did not love their souls even in the face of death(Rev14:12);

2. That Revelation 12:10 "our brothers" statement has to be from foundational spirit form anointed present at Satan's removal from heaven, and the first meaning of "twenty four older persons" with "golden crowns" in a foundational Messianic Kingdom authority with Christ, that completes as the 144000 in the process as final "twenty four older persons" totality of Kingdom, temple, holy city, bride and court 144000 completion under King Christ as full completion. (In harmony with a dual phase and dual fulfillment reality being described);

3. The "male child" infant had to be defined byliving, actual, real, spirit form,"new creation" as Christ is no "infant" and cannot define that "baby" "body". The twelve apostles as the first representative members of "the body of the Christ" are what defines that "male child" in infancy of the Revelation 21:14 meaning in 1914 shortly after Christ assumed "crown of twelve stars" Kingdom of God power as subservient "woman" symbol to be the means God produces the "male child" by his "woman" the appointed and royal "mother" in Revelation 12. This fully respects the foundational understanding, merely adding needed detail of who that "male child" as infant represents in actual first living members of the Messianic Kingdom in a completion development over short time of an approximate century and a world ministry announcing that fact.
A. It also follows logic that the earthly Kingdom covenant first members also become the first form of the very real thing in heaven.

(Luke 22:28-30) “However, you are the ones that have stuck with me in my trials; 29 and I make a covenant with you, just as my Father has made a covenant with me, for a kingdom, 30 that you may eat and drink at my table in my kingdom, and sit on thrones to judge the twelve tribes of Israel.

4. Thus Messianic Kingdom and the Temple and the Holy City all have 1914 foundational work as 1919 led into the "construction" phase of gathering deceased anointed in live spirit form, and "gathering" the rest of the 144000 "body" by use of the world ministry with a Kingdom and Temple completion objective detailed as part of the final warning and Christian anointed world call.

Dual Kingdom Christ

1. Since the 24 priestly divisions and the "twenty four older persons" having priestly number and utensils (Rev5:8) implies a priestly symbol, the "golden crowns" also imply a kingly role, a king-priest symbolic meaning and a relationship to a bi-lateral human pattern (Zech6:9-15), as the "male child" is such a design, as are humans a bilateral symmetrical creation and organism. Thus doubling the known "12" tribal organizational number as a bi-lateral pattern found also in the 24 priestly divisions of full-time temple service is another logical meaning. Christ as master pattern employs a "12 starred" "crown" of heavenly aspects, and a 12 tribal order of 144000 earthly sovereign aspects, who must apply by Christ heavenly powers to earthly realms upon full completion of this bi-lateral "body".

2. Christ's "bi-lateral" power in heaven and earth thus encompasses heavenly Kingdom authority to effect Messianic Kingdom birth and maturation to completion. Hence why the "woman" of Revelation 12 parallel to Genesis 3:15 uncrowned "woman" is crowned prior to Messianic Kingdom birth.

(Matthew 19:28) Jesus said to them: “Truly I say to you, In the re-creation, when the Son of man sits down upon his glorious throne, you who have followed me will also yourselves sit upon twelve thrones, judging the twelve tribes of Israel.

(Matthew 20:20-21) Then the mother of the sons of Zebedee approached him with her sons, doing obeisance and asking for something from him. 21 He said to her: “What do you want?” She said to him: “Give the word that these my two sons may sit down, one at your right hand and one at your left, in your kingdom.”

(Matthew 25:31-33) “When the Son of man arrives in his glory, and all the angels with him, then he will sit down on his glorious throne. 32 And all the nations will be gathered before him, and he will separate people one from another, just as a shepherd separates the sheep from the goats. 33 And he will put the sheep on his right hand, but the goats on his left.

3. The "twenty four older persons" is a foundational symbology of spirit form anointed aiding Christ as
High-Priest to complete the rest of the 144000 and allow full Christ King-Priest capacity in a Messianic Kingdom sovereignty aimed at Earth's rulership:

(Revelation 4:4-6) And round about the throne [there are] twenty-four thrones, and upon these thrones [I saw] seated twenty-four elders dressed in white outer garments, and upon their heads golden crowns. 5 And out of the throne there are proceeding lightnings and voices and thunders; and [there are] seven lamps of fire burning before the throne, and these mean the seven spirits of God. 6 And before the throne there is, as it were, a glassy sea like crystal.

(Revelation 5:9-10) And they sing a new song, saying: “You are worthy to take the scroll and open its seals, because you were slaughtered and with your blood you bought persons for God out of every tribe and tongue and people and nation, 10 and you made them to be a kingdom and priests to our God, and they are to rule as kings over the earth.” (Thus both kingly and priestly symbols are present in the "twenty four older persons");

(Isaiah 24:21-23) And it must occur in that day that Jehovah will turn his attention upon the army of the height in the height, and upon the kings of the ground upon the ground. 22 And they will certainly be gathered with a gathering as of prisoners into the pit, and be shut up in the dungeon; and after an abundance of days they will be given attention. 23 And the full moon has become abashed, and the glowing [sun] has become ashamed, for Jehovah of armies has become king in Mount Zion and in Jerusalem and in front of his elderly men with glory.

A. So where agreement statements of "the lamb's" related judgment decrees of God's approval and commission for receiving the scroll and opening it's seals and making that known on earth are made in heaven in Revelation 4-5's account of actual events, that basic actual entity symbolized by the "twenty four older persons" must have been present at that time, actually in stated concurrence in vision to the apostle John of future events certain to have true meaning; (Rev1:1; 4:1).

B. That the twelve apostles are directly referenced in a secondary foundational capacity upon the foundation "stone" Christ as Revelation 21:14, and that this is a preliminary preview initial fulfillment to explain what must be final prophetic replication, the "24" aspect also must repeat the involvement of those twelve foundational apostles in Messianic Kingdom completion directives for both the "birth" and "completion" phases.

C. Thus a twelve tribal order is applied twice in it's heavenly power under Christ to aid Kingdom completion for both phases. We see Christ as heavenly King also employs a "crown of twelve stars" (Rev12:1) in heavenly Kingdom subservient "woman" capacity that preceded the Messianic Kingdom birth as a number of also divine organization also present in the "12" tribal orders of the 144000. (Rev7:5-8);

D. Since the angelic, not anointed, "twelve stars" of Revelation 12:1 precede that foundational work of anointed 144000 "12" tribal founding in that sequence of Messianic Kingdom "birth", it must apply to "12" angelic orders and heads of angels in heavenly Kingdom capacity at Christ's command as Michael, of which Michael in archangelic and by then Mighty God (Isa9:6) capacity would be appointed divine authority of, from God as also the heavenly creative instrument by which God bore all angels through Michael (Col1:13-20) as that pre-christ heavenly first Son of God the only Archangel and type, the top personage in heavenly capacity of that "crowned", "pregnant" "woman" of God's heavenly family of angels first appointed in that capacity. Michael is the "crown" totality of that "authority of God's Christ" at Revelation 12:7-10 upon that "woman".
E. The same "woman" of Genesis 3:15, also the bearers of Christ himself as righteous "seed" and first "brother" of all anointed; (Heb2:14); yet "Eternal Father" (Isa9:6) of all earth sheep to be gathered into him (Eph1:1-23) as the new "last Adam", second man" (1Cor15:45-47) appointed earthly perfect human defined salvational "patriarch" in God's purpose in that whole sacrifice of Jesus Christ. (Heb8-10);

(Note: Michael is Christ's title in a sovereign role of heavenly sovereign issue being settled (in God's Kingdom), not an earthly sovereign issue there, when Satan and the demons were cast from heaven; Some anointed Christians witnessed that event, but did not take part in it, as "Michael and his angels" battle the "dragon", because angels, not anointed, were involved in the heavenly sovereign issue.

Christ and anointed 144000 resolve earthly/universal sovereign issues (by Messianic Kingdom), holy angels are in like manner as the above principle, not involved with human sovereign issues. The demon angels who have involved themselves in human and earthly sovereign issues, are who Christ must abyss and the anointed assist, to clear the earthly sovereign domain, as in heaven, of Satanic presence. Holy angels never have refuted God's Sovereignty, and thus need no sovereign resolution, they assist Christ and God.

Humans after the 1000 year reign, then must continue the sovereign resolution in God's favor to maintain perfection and everlasting existence. Humans will be the last persons to resolve the sovereignty question Satan has raised on earth, and this is why Messianic Kingdom is provided as background to uphold God's Sovereignty as the one to choose in the end for the earthly sovereign issue yet to be resolved after the 1000 years ends and Satan is released, with the demons, for raising his issue again. Hence why Messianic Kingdom development is necessary to guide that final sovereign resolution with parties in Christ, 144000 and Christians who are involved with the earthly sovereign issue.)

4. Thus the twenty four priestly divisions of "seven day" service per division, and it's year long service in temple duties, is a comprehensive symbol in all aspects of anointed aid under Christ in complete spirit-form foundational, and as all 144000 under Christ in temple services to the completion of the earthly restoration totality.

(Revelation 20:11-15) And I saw a great white throne and the one seated on it. From before him the earth and the heaven fled away, and no place was found for them. 12 And I saw the dead, the great and the small, standing before the throne, and scrolls were opened. But another scroll was opened; it is the scroll of life. And the dead were judged out of those things written in the scrolls according to their deeds. 13 And the sea gave up those dead in it, and death (as a comprehensive state beyond "the common grave of mankind" meaning; Eze47:9) and Hades gave up those dead in them, and they were judged individually according to their deeds. 14 And death and Hades were hurled into the lake of fire. This means the second death, the lake of fire. 15 Furthermore, whoever was not found written in the book of life was hurled into the lake of fire.

5. That Messianic Kingdom universal and earthly agency under heaven's ultimate authority in unity is the completion objective of this final phase to resolve final sovereign issue on earth. That total Kingdom completion is what the seven seals are portending, explaining and leading to, and in the dual process (to manifest twice, guaranteed) all other completions in progress will also finalize, including the 8th King world government sovereignty to actually be a completed rival system for Christ's arrival to have an actual defiant apex 8th King enemy to depose.

Sovereign Prerequisite of Christ's Arrival
1. As of now neither the Messianic Kingdom, or the 8th King world government "scarlet wildbeast" is complete and thus are not ready for final Armageddon final phase battle. (Joel 3:9-12); The 8th King also requires a final phase of completing development; (Dan11:42-45; Rev16); These and other completions are what this final phase will bring about over the unique temple judgment fulfillment and timing of Daniel 8:14 signal event (starting Rev8, to Rev8-11), leading to the replication of Daniel 12:7, 12:11 timed periods, repeating - to completion.

A. Hence the Armageddon completion prelude 8th King military globalization completion taunt of God Almighty will also complete a related Revelation feature of that required 8th King totally "placed" complete (Dan11:45; 12:11) and stated (1Thess5:1-3) world government "scarlet wildbeast" during this final cycle of the near future:

( Joel 3:9-12) “Proclaim this, you people, among the nations, “Sanctify war! Arouse the powerful men! Let them draw near! Let them come up, all the men of war! 10 Beat your plowshares into swords and your pruning shears into lances. As for the weak one, let him say: “I am a powerful man.” 11 Lend your aid and come, all you nations round about, and collect yourselves together.” To that place, O Jehovah, bring your powerful ones down. (The Kingdom/Christ and the holy angels) 12 “Let the nations be aroused and come up to the low plain of Jehoshaphat; for there I shall sit in order to judge all the nations round about. (Armageddon and Revelation 16:12-16 "gathering" details of globalization basis);

Kingdom Objective: Ultimate Completion of God's Will and Purpose

1. Ultimately the Messianic Kingdom is an earthly sovereignty required to then carry out the rest of the Revelation 20:4-15, Revelation 21-22 objectives of a restoration of earthly completion.

(Revelation 21:1-6) And I saw a new heaven and a new earth; for the former heaven and the former earth had passed away, and the sea is no more. 2 I saw also the holy city, New Jerusalem, coming down out of heaven from God and prepared as a bride adorned for her husband. 3 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” 5 And the One seated on the throne said: “Look! I am making all things new.” Also, he says: “Write, because these words are faithful and true.” 6 And he said to me: “They have come to pass! I am the Alpha and the Omega, the beginning and the end. (the completion) To anyone thirsting I will give from the fountain of the water of life free.

2. The Messianic Kingdom is the means to that "end". Thus Messianic Kingdom completion is leading to ultimate completion:

(Psalm 2:1-9) Why have the nations been in tumult And the national groups themselves kept muttering an empty thing? 2 The kings of earth take their stand And high officials themselves have massed together as one Against Jehovah and against his anointed one, 3 [Saying:]“Let us tear their bands apart And cast their cords away from us!” 4 The very One sitting in the heavens will laugh; Jehovah himself will hold them in derision. 5 At that time he will speak to them in his anger And in his hot displeasure he will disturb them, 6 [Saying:]“I, even I, have installed my king Upon Zion, my holy mountain.” 7 Let me refer to the decree of Jehovah; He has said to me: “You are my son; I, today, I have become your father. 8 Ask of me, that I may give nations as your inheritance And the ends of the
earth as your own possession. 9 You will break them with an iron scepter, As though a potter's vessel you will dash them to pieces.”

(Revelation 21:9-14) And there came one of the seven angels who had the seven bowls which were full of the seven last plagues, and he spoke with me and said: “Come here, I will show you the bride, the Lamb’s wife.” 10 So he carried me away in [the power of the] spirit to a great and lofty mountain, and he showed me the holy city Jerusalem coming down out of heaven from God 11 and having the glory of God. Its radiance was like a most precious stone, as a jasper stone shining crystal-clear. 12 It had a great and lofty wall and had twelve gates, and at the gates twelve angels, and names were inscribed which are those of the twelve tribes of the sons of Israel. 13 On the east were three gates, and on the north three gates, and on the south three gates, and on the west three gates. 14 The wall of the city also had twelve foundation stones, and on them the twelve names of the twelve apostles of the Lamb.

(Psalm 110:1-7) The utterance of Jehovah to my Lord is: “Sit at my right hand Until I place your enemies as a stool for your feet.” 2 The rod of your strength Jehovah will send out of Zion, [saying:] “Go subduing in the midst of your enemies.” 3 Your people will offer themselves willingly on the day of your military force. In the splendors of holiness, from the womb of the dawn, You have your company of young men just like dewdrops. 4 Jehovah has sworn (and he will feel no regret): “You are a priest to time indefinite According to the manner of Melchizedek?” 5 Jehovah himself at your right hand Will certainly break kings to pieces on the day of his anger. 6 He will execute judgment among the nations; He will cause a fullness of dead bodies. He will certainly break to pieces the head one over a populous land. 7 From the torrent valley in the way he will drink. That is why he will raise high [his] head.

(Isaiah 65:17-19) “For here I am creating new heavens and a new earth; and the former things will not be called to mind, neither will they come up into the heart. 18 But exult, you people, and be joyful forever in what I am creating. For here I am creating Jerusalem a cause for joyfulness and her people a cause for exultation. 19 And I will be joyful in Jerusalem and exult in my people; and no more will there be heard in her the sound of weeping or the sound of a plaintive cry.”

3. Thus this blessing lost and it's hierarchical effects due to sin and the sovereign issue of rejecting God's rulership:

(Genesis 1:26-28) And God went on to say: “Let us make man in our image, according to our likeness, and let them have in subjection the fish of the sea and the flying creatures of the heavens and the domestic animals and all the earth and every moving animal that is moving upon the earth.” 27 And God proceeded to create the man in his image, in God's image he created him; male and female he created them. 28 Further, God blessed them and God said to them: “Be fruitful and become many and fill the earth and subdue it, and have in subjection the fish of the sea and the flying creatures of the heavens and every living creature that is moving upon the earth.”

4. Due to these divine curses:

(Genesis 3:14-19) And Jehovah God proceeded to say to the serpent: “Because you have done this thing, you are the cursed one out of all the domestic animals and out of all the wild beasts of the field. Upon your belly you will go and dust is what you will eat all the days of your life. 15 And I shall put enmity between you and the woman and between your seed and her seed. He will bruise you in the head and you will bruise him in the heel.” 16 To the woman he said: “I shall greatly increase the pain of your pregnancy; in birth pangs you will bring forth children, and your craving will be for your
husband, and he will dominate you.” 17 And to Adam he said: “Because you listened to your wife's voice and took to eating from the tree concerning which I gave you this command, ‘You must not eat from it,’ cursed is the ground on your account. In pain you will eat its produce all the days of your life. 18 And thorns and thistles it will grow for you, and you must eat the vegetation of the field. 19 In the sweat of your face you will eat bread until you return to the ground, for out of it you were taken. For dust you are and to dust you will return.”

5. Have a covenantal basis of the means of restoration by that Genesis 3:15 righteous seed, in a "ground" of symbolic meaning of all the "nations of the earth" to be blessed in this completion promised:

(Genesis 12:3) And I will bless those who bless you, and him that calls down evil upon you I shall curse, and all the families of the ground will certainly bless themselves by means of you.

(Genesis 22:17-18) I shall surely bless you and I shall surely multiply your seed like the stars of the heavens and like the grains of sand that are on the seashore; and your seed will take possession of the gate of his enemies. 18 And by means of your seed all nations of the earth will certainly bless themselves due to the fact that you have listened to my voice?”

6. As the Messianic Kingdom completion leads to these completions as it's objective:

(Revelation 21:1-6) And I saw a new heaven and a new earth; for the former heaven and the former earth had passed away, and the sea is no more. 2 I saw also the holy city, New Jerusalem, coming down out of heaven from God and prepared as a bride adorned for her husband. 3 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” 5 And the One seated on the throne said: “Look! I am making all things new.” Also, he says: “Write, because these words are faithful and true.” 6 And he said to me: “They have come to pass! I am the Alpha and the Omega, the beginning and the end. (the completion) To anyone thirsting I will give from the fountain of the water of life free.

(Revelation 22:1-5) And he showed me a river of water of life, clear as crystal, flowing out from the throne of God and of the Lamb 2 down the middle of its broad way. And on this side of the river and on that side [there were] trees of life producing twelve crops of fruit, yielding their fruits each month. And the leaves of the trees [were] for the curing of the nations. 3 And no more will there be any curse. But the throne of God and of the Lamb will be in [the city], and his slaves will render him sacred service; 4 and they will see his face, and his name will be on their foreheads. 5 Also, night will be no more, and they have no need of lamplight nor [do they have] sunlight, because Jehovah God will shed light upon them, and they will rule as kings forever and ever.

7. And hence why and how the seven seals lead to the understanding of why and how a full completion of full Kingdom of God and Messianic Kingdom sovereign power is so important, and why 8th King obstacles must be removed fully.

(1 Corinthians 15:24-28) Next, the end, when he hands over the kingdom (God's Kingdom, the initial Kingdom of Christ's Kingship) to his God and Father, when he has brought to nothing all government and all authority and power. 25 For he must rule as king until [God] has put all enemies under his feet. 26 As the last enemy, death is to be brought to nothing. 27 For [God]“subjected all things under his feet.” But when he says that ‘all things have been subjected,’ it is evident that it is with the exception of
the one who subjected all things to him. 28 But when all things will have been subjected to him, then the Son himself will also subject himself to the One who subjected all things to him, that God may be all things to everyone.

That is how Revelation loops back to Genesis 1, by way of "last Adam" "re-creation" (Matt19:28) of all lost in Adam (Heb2:14), and the glorification of the Earth and it's life system totality as the "paradisiac" Messianic Kingdom courtyard of eternal life blessing restored (Ps133) in Jesus Christ for all mankind (Eze47) as "God's will done on Earth, as in Heaven" - divinely guaranteed; (Matt6:10);

Simple Outline of Major Prophetic Milestones to Armageddon
Divine War Finality
I. Modern Apostasy and Lawlessness Signal of Final Judgment Cycle; (2Thess2:1-4; Zech1:3; 1Pet4:17);

A. Jehovah's Witnesses Organized Apostasy and World Government Cover Up

1. The significance of this ministerial apostate signal at Bethel is in the JW loss of United Nations related world government developmental and prophetic tracking after the 2 UN placements as prophecy in 1919 (Post-WW1; Rev13:11-15) and 1945 (Post-WW2; Rev17:8-11) where tracked properly.

A. The 1990 3rd UN placement (Dan11:31b) as "new world order" initiative and 4th UN final placement (of the future Dan11:45) significance was subverted in the Daniel 11:30-45 8th King "King North" prophetic fulfillment of the final two UN placements since 1990 by Bethel organized subversion with a UN NGO signal alliance. (Dan11:31);

2. Since the original two UN placements exposition by Jehovah's witnesses (1920s to 1970s; after 1945) also contained a Messianic Kingdom "birth" sovereign announcement concurrent with 8th King UN placement tracking, the world observable UN completion trajectory to a final Armageddon conflict based partly on UN world government completion is also fully lost since 1990 as to a concurrent Messianic Kingdom completion phase significance.

3. Bethel based apostasy supporting such cover-up as led by the "Governing Body of Jehovah's Witnesses" (1976 coup) identifies that signal prerequisite of revelation (2Thess2:3) of such a final lawless signal indicating a final judgment and prophetic cycle (1Pet4:17) is due to activate again over prophetic markers (Rev8-11; Rev15-16) and periods (Dan8:14; Dan12) also covered up by the Bethel UN NGO apostate objective to aid also 8th King developmental secrecy as regards modern prophecy fulfillment and developments in details in the Daniel 11:30b-45 continuum activated in 1990;

II. Final Temple Judgment - JW Organization Representative Judgment in Global Tribulation Commencement Context - (Timed Dan8:13-14; Rev8:1-6 Dan11:42-43);

The 1990 approximate concurrence of UN 3rd placement after the Cold War (Dan11:29) and the Bethel UN NGO marked signal defection prophecy as Daniel 11:31-32, Dan8:11-13 and Matthew 24:15. This UN NGO alliance defines the Daniel 8:13 temple judgment indictment "transgression causing desolation" (as UN NGO) that leads to Daniel 8:14 timed temple judgment desolation requirement and recovery of the Christian ministry as first world signal and signal of the final prophetic and 8th King world developmental cycle starting.

*The purpose of a final temple judgment is to clarify the final cycle by removal of Bethel's organized subversive obstacles.*

A. Phase 1: Temple Judgment; (Dan8:13); JW Organizational Desolation; (Dan8:14 "evening"; Rev8; Zech3:2);

1. This timed "evening" phase of the temple judgment (Dan8:26) is for signal and verification to JW's and others to recover from the temple judgment for UN NGO signal transgressions at Bethel some years later.

2. 1Peter4:17 principle activates as Daniel 8:13-14 parallels Revelation 8-11 commencing as Revelation 8:2-5 temple judgment parallel.
B. Phase 2: Temple Cleansing; Ministerial Recovery and Clarification (Dan8:14 "morning" and "right condition"; Rev9; Zech3:4-5; Mal3:1-5);

1. The purpose of a final temple judgment cycle is to clarify the final prophetic cycle understanding and explanation by eventual divine removal of Bethel's organized subversive obstacles after the "evening" phase 1 completes, to allow a final Kingdom completion warning to deploy in the "morning" enlightenment phase as per prophecy continuing.

III. Final Kingdom Warning Eventual Deployment (Rev10-11; Zech3:6-7; Timed: Dan12:7; Dan7:25; Rev 11:2-3);

A. Final Kingdom Completion Warning Period of 1260 Days

1. A valid continuation of the Christian Kingdom completion and 8th King completion tracking ministry in a high profile manner of world attention deploys a full sovereign explanation (little scroll) as marked timed prophecy (two witnesses) some time after or in the temple recovery phase while a final world tribulation will be in development of Daniel 11:42-43 global 8th King wealth and finance globalization intrigues.

2. This final Kingdom warning ministry to develop some years after the temple desolation commencement is a timed 1260 day prophecy repeating the 1914-1918 preview fulfillment prophecies and patterns to complete form of final Kingdom completion and 8th King completion warning.

3. This temple-desolation-to-recovery to final ministerial Kingdom warning deployment must develop in a global tribulation context forming and intensifying eventually manifesting the whole Daniel 11:42-45 progression of final 8th King UN world government completing intrigues as parallels of Revelation 16 seven plagues.

B. 8th King World Government Phase Overall Context; (Dan11:42-45; Timed Climax: Rev13:5);

1. 8th King world intrigues of Daniel 11:42-43 wealth and finance globalization must activate the final cycle leading in time to Daniel 11:44-45 as a Daniel 11:42-45 final UN world government phase that merges into Daniel 12 final fulfillment timed prophetic periods.

IV. Final Ministerial Cessation; (Dan11:44; Rev11:7; Timed Cessation: Dan12:11)

The cleansed Christian ministry resulting from the temple judgment cleansing with a valid final Kingdom sovereign warning (Rev10 "little scroll") deployed as a 1260 day timed final ministerial period (Rev11:2-3; Dan12:7) as "two witnesses" (Rev11) must be eventually ceased by 8th King completing world government intrigues; (Rev11:1-7 parallel Dan11:44);

V. Tribulatory Phase Ends into World Government; (Matt24:29; Dan8:25; Isa41:1; Timed Incept: Dan12:11);

The fourth time repeating world war/tribulation phase resolved to present 8th King world government in a finale world "peace and security" resolution culminates as in 1919, 1945 and 1990 but now in final form. The resolving of the "tribulation of those days" aids UN world government acceptance; (Matt24:29; Dan8:25 "freedom from care");
B. Final Globalization becomes World Government; (Dan11:44-45; Dan8:25);

1. The Revelation 16:13-16 globalization dynamic of that final international "gathering" of all nations under a world government completes; (Dan11:42-45 cycle; Rev17:11-18 final national sovereign transference);

C. National Sovereign Deposition in Subservience; (Rev16:13-16; Rev17:11-18);

1. 8th King globalized UN "image" nucleus forming to full world governmental power deposes all former national autonomous into 8th King globalized final sovereign totality. (Rev17:12-17);

D. Religious Sovereign Deposition in Complete Removal; (Rev16:12; Rev17:15-18)

1. Babylon the Great religious empire as specialized global spiritual sovereignty (Rev17:18) and massive global asset storage system (Rev17:15-18; Rev18) is deposed at the end of the "tribulation of those days" and world government cycle (Rev16:12; Rev17:15-18) as a world peace supporting development for UN world government believability, final cycle national recovery massive capital infusion boost, and final divine judgment of that global institution. (Rev18:8; Rev17:15-18);

E. Final World Peace Statement; (1Thess5:1-3; Dan8:25);

1. A final 8th King UN world peace proclamation of it's completed world sovereign "8th King" totality is a public world statement period of complete world rulership in a uni-polar final consolidated form "scarlet wildbeast".

2. 8th King completed world government and final rival sovereign claim is a apex sovereign prerequisite met enabling a Messianic Kingdom sovereign response (2Thess1:6-10) upon a completed 8th King system (Rev19:19-21), by a concurrently completing Messianic Kingdom agency. (Rev11:11-19; Rev16:17-21); to resolve the final world rulership issue.

E. 8th King Final Sovereign Completion; (Dan8:25; Dan11:45; Dan12:11);

1. The entirety of all "scarlet wildbeast" world governmental worldwide functioning world government infrastructure will define the international sovereign climax symbols of the Daniel 2 "image", Daniel 8 "King of Fierce Countenance", Daniel 11 "King of the North" and Revelation 17 "8th King" as the identical globalized final world government form.

2. This is the functioning and stated world government 8th King complete based on it's United Nations formative nucleus as Revelation 13:11-15 "image" "of the wildbeast" international forum as a globalized unified sovereign whole and the final "two horned wildbeast" globalist elite world government architecture completed and proclaiming world sovereignty.

3. All progressive Bible prophecy sovereign culmination is equaling, converging into, and identical to, the globalized type 8th King world government power comprising all the subservient and member national powers in that final defiant sovereign whole against the Messianic Kingdom at the Armageddon global situation of final divine war. (Dan11:42-45 + Rev17:11-18 = Rev16:12-16 as Rev19:19-21);

VI. Christ Arrival; (Matt24:30; Rev6:12-17; Rev1:7; Rev19:11-18);

Christ arrives into this approximate overlapping and merging final 8th King and world sovereign development
simultaneously to effect a "sheep" "gathering" and final separation priority prior to final world judgment finalized in divine war phase. (Matt24:29-31; Rev6:12-17);

A. Seventh Plague and Trumpet Complete (Rev11:15-19; Rev16:17-21; 1Thess4:17);

1. The developmental gauge of seven trumpets and seven plagues significance in final world tribulatory effects culminate in their respective 8th King and Messianic Kingdom completions as a continuum of signal to Armageddon divine war climax.

B. 144000 Completion; (Rev11:11-12; Matt24:31; Rev14:1);

1. The Messianic Kingdom totality completes in all 144000 (Rev14:1) as Christ is kinged as King-Priest (Zech6:9-15) upon that final Messianic Kingdom, Temple and Court (Dan7:25-26) "body" to complete the final process.

C. Final Sheep Securement (Matt25:31-46; Rev14:14-20);

1. The final "great crowd" of earth "sheep" are secured prior to all out Messianic Kingdom divine war under a newly completed Christ Kingdom completion deploying into the 8th King completion developments for a final phase (Dan12:11), not immediate "the end" divine war climax.

VII. Final Sovereign World Rulership Conflict; Armageddon Divine War Climax (Rev19:19-21; 1Thess1:6-10;)

A. 8th King Defeat and Deposition; (Dan2:31-45; Joel3:9-17);

B. Satanic Defeat and Abyssing; (Rev20:1-3; Isa24:21-22; Eze38-39);

VIII. Millennial Kingdom World Conquest Victory; (Timed Incept: Dan12:12; Rev7:9-17);

The official full Messianic Kingdom sovereign universal and world rulership begins.(Rev21-22);

======

Summary:

1. The import of the final prophetic cycle is that United Nation world government completion triggers Armageddon divine war phase after Christ's arrival for simultaneous Messianic Kingdom completion final phase.

2. The resulting JW temple judgment organizational ministry desolation is the first world signal of the final phase starting.

3. The same elements of the first prophetic preview of this development is present in the JW 1914-1918 era Messianic Kingdom birth announcement ministry that unfolded over WW1 into the first UN League of Nations manifestation in 1919 as the primary pattern.
4. The final cycle will have a similar Messianic Kingdom completion announcement unfolding into the final 8th King UN fourth placement as world government upon the same pattern as 1914-1918.

5. The current JW ministry is now purposely diverted by Bethel leadership and is the reason why a JW temple judgment will remove those obstacles over a timed temple judgment desolation and recovery period as per Daniel 8:13-14. JWs are not informed of this final cycle by a Governing Body stalling and misinformation act to conceal an active diversion in progress.

6. That event to unfold over some years from a marked initial event or series of events will mark the commencement of the final cycle of prophecy and UN world government development over a final global tribulatory period to be resolved into final UN world government as Daniel 11:42-45 merges into Daniel 12 final fulfillment and Daniel 8:14 parallel activation of Revelation 8-11 parallel Revelation 16 seven trumpets and seven plagues with meanings to be explained in the final recovered and cleansed Christian ministry from current JW leadership foretold subversions.

7. The entire final cycle is approximately timed as Daniel 12 final fulfillment underlying the Revelation applicable replication sequences as primarily Revelation 8-11 JW focused events and Revelation 16 world focused event.

8. The basic prophetic concept is that the final world government developmental cycle is based on the 1914 prophetic pattern replicating with also a final Messianic Kingdom completion developmental drive.

**The Divine Advantage of the Prophetic Replication for Jehovah's Witnesses**

First, the "man of lawlessness" and "evil slave" are already repeating patterns that must be permitted by God as per prophecy that forms a signal for Christians paying attention to the 2Thessalonians 2:1-12 prophecy. (Matt24:48-51; Zech3:1-5) The signal is the "man of lawlessness" revelation at Bethel indicates as prerequisite (2Thess2:3) that the temple judgment and all events to follow it in prophecy can now proceed starting with Jehovah's witnesses; all as per prophecy (1Pet4:17 as Dan8:13-14 as Rev8:1-6);

As in the former pattern "man of lawlessness" the modern version at Bethel in the Governing Body "clergy" lead class is also connected by explicit evidence to support of the "wildbeast" activity in the final progression as UN NGO in co-promotions (Dan11:30-32), cover up and diversion (Dan8:12b) and aiding of attack on anointed and earthly Christians as climax events. (UN NGO is Daniel 8:13 "transgression causing desolation" to the JW worldwide organization leading to Daniel 8:14 desolation (evening) and purification (morning) period of temple judgment as a timed verification of this unique commencing prophecy);

Thus what is apparent to some now in Bethel apostasy (Dan11:32a as 2Thess2:3) will also lead to the temple judgment and purification (Zech3:1-10; Mal3:1-5; Dan8:13-14) to remove this "lawless one" (Zech3:4-5) as the primary source of modern Christian error as this modern Bethel "operation of error" (2Thess2:11-12) has now broken Jehovah's witnesses awareness of the true state of the parallel sovereign progressions of Daniel 8:11-14 and 11:30-32 as culminating 8th King root and final elements maturing into globalized world government beyond the scale and function of the United Nations alone.

---

**Advantages in Prophetic Replication**
1. JWs can now be updated as to globalism implications as the basis of the 8th King globalist unification (Rev17:11-17; Rev16:13-16) of the national collective wildbeast (Rev13:1) as 8th King scarlet wildbeast world government basis globally.

2. It fulfills major prophecy in a harmonized continuum which can be understood (and preached) before it all occurs rather than in typical JW hindsight as was the case with the Daniel 12 and Revelation 8-11 fulfillments of 1914 and after.

3. By Bethel UN involvement (Dan11:30b-31) and cover-up (Dan8:12b), the final prophetic replication will newly highlight and fully describe in prophecy and world events the globalist 8th King progression from it's 3rd UN placement and diversion point of 1990 (Dan11:31b) as Daniel 11:30-45 is all actually 8th King activity from 3rd to 4th UN placement Armageddon finality as a continuum (Dan11:36). (Rev8:8-9; Dan11:30-35; Dan8:11-14); (The UN NGO and other Bethel UN activity can be exposed at it's point of active subversions in 1990 until removal from the temple; (2Thess:8; Isa66:6));

4. Since it is based on a former preview fulfillment with full interpretive meaning in minor 1914 form, interpretation is minimal as all elements in the Daniel 12, 1914-1918 (Dan12:7), 1919-1922 (Dan12:11), 1922-1926 (Dan12:12) foundational prophetic pattern merely repeat into the final Christian warning to 8th King globalist world government completion and the completion of the Messianic Kingdom. The Daniel 11:30-45 progression since 1990 to 4th and final UN placement of Daniel 11:45 will naturally connect Daniel 11:42-45 live fulfillment to Daniel 12 "during that time" of the final 8th King progression to Armageddon.

5. The former trajectory of JWs into Bethel and GB led apostasy is fully revealed and connected to it's role in promoting UN 8th King developments and the apostasy and lawlessness undeniable Bethel presence to begin the final prophetic replication signal. (2Thess2:1-4; Zech3:1-3; Dan11:32a);

6. JWs do not have to stagnate another 30 years under apostate rulers and comatose Bethel "prophetic interpretation" now removed; (Zech3:4-5) Instead God through Christ can deliver the entire Biblical sovereign Kingdom and rival meaning, and the full temple patterns in "one sitting", rather than misled and now Biblically backward JWs haggling for another decade while the 8th King completes in their face, rendering the JW ministry a failure - which cannot occur as per prophecy.

7. With reliable Daniel 8:13-14 temple judgment timing and Daniel 12 replicating timing JWs have a map to Armageddon long before the actual event that can be taught to others to understand this final 8th King world drive to world government (Dan11:42-45; Rev16) that started, not ended, the final cycle must lead to the required 4th UN placement of world government and it's image as well as the final 8th King sovereign proclamation. This can now be fully explained upon a former reliable and related prophetic pattern already well known from 1914, and a reliable prophetic replication in progress that started with undeniable (after JW org desolation) JW "house" judgment (1Pet4:17) as the high profile beginning of explicit prophetic replication far more recognizable to the whole world than today's Bethel apostate "man of lawlessness" signal now active, but perceived by few as prophecy.

8. The prophetic replication with Kingdom completion as the main theme reinforces the foundational Kingdom birth proclamations of 1914-1918 preview fulfillment.

**Critical Progression to Armageddon in 8th King "World News"**

1. Since this completing prophetic replication describes 8th King and Messianic Kingdom completions in
prophecy with supporting world events seen by all, the progression of the UN world government and its own coming revelations of progress and completion will gauge the actual trek to Armageddon as the UN world government must complete just prior to divine war (Dan11:45; Dan12:11) with sovereign proclamations (1Thess5:1-3; Dan8:25) of world rulership intent and active globalized sovereignty.

2. Both God's Kingdom and the 8th King will be making competitive sovereign proclamations (Rev11:1-7) as the purified JW ministry proceeds from Revelation 8 temple judgment to Revelation 9 desolation and recovery to Revelation 10 acceptance of the "little scroll" of final Kingdom completion messages to Revelation 11 second "two witnesses" deployment of that Messianic Kingdom final warning for 1260 days finality of Kingdom warning.

Bethel's Interpretive Deceptions and Why They are Promoted

1. Even now Jehovah's witnesses and other interested in the Bible prophecy can understand the how and why of Bethel's key errors of purposeful false interpretation to create the delusion amongst JWs that "it can end any day now brothers!". But in fact Daniel 11:42-43 8th King world financial coup of the national powers must occur first as all this worldwide national debt will allow, and that alone takes some years leading to Daniel 11:44-45 finality. (Thus it cannot "end any day now").

A. Bethel promotes this obvious lie to aid JW confusion in the actual 8th King events and intrigues that will activate Daniel 11:42-43 next as also context of Bethel desolation of Daniel 8:13 "trampling" phase.)

2. Thus Daniel 11:44 as promoted "to fulfill next", is not what is actually next with an unknown mystery King North to be filled with more error by Bethel as a hoax. The Daniel 8:13 8th King "trampling" for UN NGO "transgression" is what is next leading to Daniel 8:14 JW temple judgment and purification, and that divinely required JW "trampling" is what Bethel is attempting to cover up with the Daniel 11:44 prematurely advanced interpretative hoax, out of sync with 8th King reality.

3. We know the 8th King is King North in the final Daniel 11:30-45 instead of the USSR fictional cover up account promoted by Bethel even after UN 3rd placement of 1990 (Dan11:31b) after the "cold war" (Dan11:29), when Bethel dedicated itself to the UN NGO - which is not an innocent coincidence.

4. We know from the prophetic replication of Revelation 16, that Babylon the Great is present all the way to near Armageddon in 6th plague Revelation 16:12-16 finalities to aid globalization deception, and to be used as a "world peace" supporting element of 4th UN placement in religious sovereign deposition (Rev17:15-16) whose absorbed assets will also aid the Daniel 8:25 "freedom from care" of the 1Thessalonians 5:1-3 final 8th King full world government world "peace and security" proclamations. The judgment starts with JWs as per 1Peter 4:17 not Babylon the Great positioned at the ending period of the final cycle; (Rev16:12-16; Rev17:12-18; Rev9:13-15);

Bethel UN Aiding Goals

Thus even now the prophetic deceptions Bethel is using are exposed with their debilitating strategic purposes also revealed to mislead, bewilder and deactivate JWs while covering up actual 8th King final activity activating towards 4th UN placement and Armageddon, all in the same Daniel 11 interpretive subversion.

Thus when the 8th King goes into world overdrive shown by prophecy and even globalist projections to take a number of years as Daniel 11:42-43, JWs will instead think it is "the end of the world" final sequence of Daniel 11:44-45, which will make JW vulnerable in those 8th King first events worldwide, and will bewilder
JWs later as no Armageddon will arrive for a number of years, and JWs will be fully derailed into the Revelation 9 "abyss" of inactivity in temple desolations.

And all that lawless Bethel is developing to aid 8th King UN developmental final cycle objectives.

Final Temple Judgment and Jehovah's Witnesses

Kingdom Come: The Final Revelation is the Final Replication of Prophecy

Awareness of Prophetic Replication

1. The final Daniel and Revelation framework of prophetic revelations pertaining to Messianic Kingdom completion are merely an awareness that the Kingdom birthing cycle (1914-1918) and it's diametric "8th King" globalized system rival of world rulership manifestation of that time period (1919; League of Nations), will continue and again unfold according to marked prophecy in repeating form.

2. This final cycle of prophecy and world events described in the prophecy will climax to a dual completion of both global sovereign systems and elements for final resolution of world rulership according to time periods of Daniel 8:14 and Daniel 12 in a final fulfillment cycle of a number of years.

3. The awareness is that the 1914-1918 and 1919-1922 cycles of Daniel 12 and parallel Revelation 8-11; (15-16) calibrated (seven trumpets) sequences will replicate in final form in the near future over the underlying Daniel 8:14 unique timed temple purification phasing and replicating Daniel 12: 7, 11, 12 timed periods.

4. Though the connecting underlying prophetic framework and sovereign principles repeats in the future, certain sovereign elements of Daniel 2, 8 and 11; Revelation 13, 17 will continue their progress as unique final manifestations of 8th King United Nations based world government "scarlet wildbeast" as "disgusting thing" and it's "image" final presentation.

5. Other elements of former 1914-1926 fulfillments of Daniel 12 underlying Revelation 6, 8-11, 12-14, 15-16, 17-19 initial foregleam fulfillment will again replicate final actual sovereign world rulership entities and final actual events and climax meanings contained in preview form in the years since 1914 as that portion of the Christian ministry merges into the final cycle of Bible prophecy and 8th King and Messianic Kingdom final progressions simultaneously leading to the Armageddon resolution.

6. A prophetic replication aids the final and complete understanding of this coming multi-year cycle of sovereign phasing because it is merely repeating to final form reducing the need to reinvent Daniel and Revelation meaning.

7. The coming prophetic repeat has a reliable initial understanding since the 1914-1926 preview cycle in awareness of the Messianic Kingdom sovereign allowance period (Luke21:24; Dan4) of unauthorized
"gentile" rule reaching a complete expiration and the concurrent League of Nations globalist world government government significance as "image" is fully understood as the unifying rival to Christi's Kingdom world rulership.

8. The context of world tribulation, false religion final judgment, and recovered Christian ministerial deployment ceased a final time all repeats elements present in the 1914 cycle for approximately a century of that Messianic Kingdom proclamation ministry extolling these facts from elucidated Bible prophecy of Revelation 10-11 central "little scroll" initial meaning deployed in the first "two witnesses" global ministry of the International Bible Students who became Jehovah's witnesses since and after 1914.

9. That will all repeat in sovereign final significance in actualizing final form to universal reality along the same sovereign theme of conflicting final "Kingdom" resolution of Earth's final world rulership entity as 8th King or Messianic Kingdom.

**Intuitive "Interpretation"**

1. The "interpretation" is therefore rather an intuition of a guaranteed replication in the near future unfolding of the original prophetic pattern to climax form well marked by all the original sovereign features and entities over also timed periods of prophecy allowing verification live and real-time enroute to Armageddon reality.

   A. This is therefore not a reinvention of prophecy but a re-affirmation of the original 1914-1918 Messianic Kingdom Christian ministry validity in final form merely repeating to finality.

2. Extra "interpretive" world event detail now unknown to/uncommented on by Jehovah's witnesses as an organizational whole is provided by post 1945 United Nations and supporting related world governmental developmental activity as 8th King United Nations and globalist historic developments described in Daniel 8:11-25 and Daniel 11:30-45 and other prophecies, (Joel3:9-12; Ps2, 110), currently covered up by progressive Bethel subversion since Governing Body incept authoritative/dictatorial coup from 1976 forward; (Dan8:12);

3. This modern Bethel diversion of prophecy and 8th King development milestones and it's needed update point in Jehovah's witnesses "organized" ministerial understanding and exposition is especially marked since the ignoring of the 1990 3rd UN placement ("new world order" mode) as per Daniel 11:30-31 prophecy and it's connection to the 4th UN placement continuum of Daniel 11:30-45 as the final two UN placements of four total, currently unexplained by Jehovah's witnesses in lieu of a USSR "King North" failed prophetic interpretation diversion for UN NGO objectives of UN developmental concealment related to fulfilling prophecy since 1990; (Dan11:36);

   A. That Bethel subversion of the the critical prophecies also explaining the modern final diversion is contained in Daniel 8:11-14 and Daniel 11:30-35 as the same prophecies and time periods now obscured and misinterpreted by Bethel leadership entities also revealing themselves as the lawless (2Thess2:3-4) profanation (Zech3:1-3) foretold to accomplish this feat successfully in those very prophecies for 8th King objectives in the final cycle. (Dan8:12, Dan11:30b-31);

   B. Like Christendom cleric world councils of post 1919 and the League of Nations placement, today's Bethel co-places it's own version of UN endorsement (Dan11:31) marking the critical transgression (Dan8:13) at 3rd UN placement in similar pattern of now modern lawlessness signal. (Dan11:30-32; Dan8:12; 2Thess2:3-4; Zech3:1-3);
C. Bethel ignores the significance of the USSR dissolution as also disqualifying that national bloc political entity from a "King North" of actual globalized magnitude (8th King), required continuity (Dan11:36) and meaning as Bethel merely stretches the pre USSR now fictional account over the 3rd UN placement of 1990 as also insignificant and unforetold and unfulfilled to conceal reality of UN 3rd placement with a USSR focused diversion.

D. Bethel merely repeats statements from the former JW ministerial era to conceal the Daniel 11:30-45 and Daniel 8:9-25 co-relationship in lieu of pre USSR collapse and WW2 organizational impossibilities offered as interpretations of those prophecies now in clear error since the USSR collapse and Bethel UN NGO compromises.

4. Another intuitive pattern predictable now is a secular four phase overall cycle of UN development since 1914-1919 in four formulaic phases in 1919, 1945, 1990 and the fourth cycle of the future.

A. This quadruple UN birthing and presentation cycle employs a form of world war to resolve into a world government presentation like the WW1 (1919), WW2 (1945), cold war (1990) cycles resulting in tribulation resolution for UN developmental presentations of their time periods.

B. This formulaic cycle of a UN presenting process will, for the fourth and final time, repeat a world tribulatory context* for the final 8th King UN world government development with a recognizable formulaic pattern repeating in world tribulation/war in some form resolved into the final UN world government presentation.

5. Thus the prophecy's first fulfillment meaning and principles and known UN world government birthing formula sub-cycles "explain" and "interpret" themselves in the final cycle before it begins and as it progresses updated with UN and globalist developmental milestones since 1990 currently purposely ignored by Bethel leadership as themes that must progress to world government completion (Rev17:12-18; 16:13-16), final presentation (Dan11:45; 12:11) and final sovereign global claims (Dan8:25; 1Thess5:1-3);

A. Prophecy also contains details of this formulaic use of world tribulation to birth human world government in context of massive world distractions away from God's Kingdom awareness. (Dan12:1; Matt24:29-31; Dan8:25b);

B. Prophecy also provides an approximate timeline (Dan8:14, 12) of this final sequence and it's key identifying events along this multi-year cycle. (Dan8:14 timing leads to Dan12 timed periods);

D. Bethel ignorance of the 3rd UN placement of 1990 and it's 3rd and 4th UN continuum of Daniel 11:30-45 is suspect in a synergy of other lawless signals of that period significance such as the UN NGO and prophetic diversion campaign.

6. The Governing Body has "lifted up" and revealed idolatrous tendencies from 1976 inception marking the controlling source of today's matured JW organizational apostasy as foretold at Zechariah 3:1-3,
2Thessalonians 2:1-12 (Dan11:30b-32a) in final modern form.

7. This is why JW growth rate and productive spirituality has declined and stagnated progressively under the "Governing Body" idol tenure and "guidance" in a now trended and statistically backed spiritual plummet and now well documented "operation of error" publicly seen globally.

Update of Daniel 11 United Nations Meaning

1. Jehovah's witnesses no longer include valid 8th King developmental details of Daniel 11:30-45 which provide the final two (of four total) United Nations manifestation of 1990 (Dan11:31) and the future final cycle of Daniel 11:42-45.

3. Identification of this subversive truncation of a UN 1-2-3-4 super-cycle aids recognition of how the final and fourth phase must unfold and allows other supporting prophecy repeating in principle to be placed properly in this final sequence.

4. Thus it is not "the end" preparing to activate next, it is the beginning of this fourth phase of world tribulation (Dan11:42-45) leading to a final UN 8th King completion presentation in "tribulation of those days" eventual resolution (Matt24:29) to birth human world government a final time after a word tribulation cycle is resolved for this final "world peace" effect. (1Thess5:1-3 parallel Dan8:25);

5. Final Messianic Kingdom completion details paralleling UN completion details have also been lost by the JW organizational diversion.

6. The JW "Kingdom ministry" is now fully off course and completely subverted for at least twenty years of UN related subversions from Bethel's top leadership.

Original Prophetic Elements in Manifesting in Prophecy of World Events in Final Forms

1. As in 1914-1918 (Daniel 12:7) and 1919-1922 (Daniel 12:11), in the future both forms of world government as 8th King and Messianic Kingdom will be at the center of the developmental continuum in finalizing developments towards the objective of these respective conflicting world rulership entities providing evidence regarding both world government completions as a prophetically marked progression to Armageddon sovereign finality marked by both these entities developmental progress.

2. These developments will be of secular world history occurring live and real-time continuing the completing development of world rulership attempt as a UN centric world government entity (8th King) progressing to it's final global sovereign "world peace" statements (1Thess5:1-3) and global "freedom from care" effects (Dan8:25) as per prophecy outlining this trek upon a former fulfillment with marked (Rev8-11; Rev15-16) and timed periods (Dan12) leading to the final complete Messianic Kingdom confrontation.

3. Key prophecy also describes features that will identify key events of this final UN world government cycle concurrent with Messianic Kingdom developmental signal markers of sovereign meaning to become more apparent as time progresses into the final phase of Adamic world history and the termination of the 8th King permanently. (Rev10-11; Zech3:4-10);
4. Messianic Kingdom world manifestations of a final warning ministry (Rev10-11), diametric final sovereign statements of that Kingdom (little scroll) and subsequent completion of the 144000 Kingdom "body" (Zech4:6-9; Rev14:1; Rev7) will also manifest concurrent with the UN world government development of the diametric system and it's final defiant claims of world sovereignty in final form. (Rev17:1-18; Rev16:13-16);

5. Thus 8th Kingdom developmental completions and statements will parallel rival Messianic Kingdom global ministerial statements in the final 1260 day prelude (Dan12:7; Rev11:2-3) to these finalizations in this multi-year final cycle leading to Christ's final manifestation (Matt24:29-31) as full Messianic King upon a full 144000 Messianic Kingdom "body". (Zech4:6-9; 6:9-15; Rev19:11-21);

6. These two opposing world government entities must converge to Armageddon final resolution of world power. (Dan8:23-25; Dan11:42-45; Rev16:13-16; Dan2:31-45);

7. This is why the final cycle must in time be fully explained (Rev10-11; Matt24:14) as to where it must lead while it is progressing to the guaranteed climax revelation and confrontation with the Messianic Kingdom going into completion and full power in the completed 8th King's face. (Rev10-11; Eze38-39; Rev19:11-21);

8. This is why the Revelation 10-11 "little scroll" containing this final cleansed ministerial proclamation of the Messianic Kingdom will be the "disturbing" "reports" (Dan11:44) parallel of the 8th King's bad news and the Daniel 11:44-45 final 8th King reaction against the final "two witnesses". (Rev11:7 parallels Dan11:44-45 and Dan8:25 attacks "during" final UN placement completion);

**Several Verifications Will Manifest**

**Timed Temple Judgment Period**

1. The first unique marker of the repeating prophetic cycle commencing is the judgment of the Jehovah's Witnesses compromised Christian ministerial system to unfold according to prophecy providing the judgment indictment (Dan8:13; Zech3:1-3), the 8th King source of the desolation "trampling", and the outcome of the action timed in a judgment-desolation phase of Daniel 8:14, 26 "evening" and purification-recovery phase "morning" resulting in a final clarified world ministry (Rev10 as Zech3:4-8) pertaining to Messianic Kingdom sovereign completion as per Daniel 8:13-14 as 1Peter4:17 priority.

2. This initial and unique temple judgment is timed (Dan8:14) for doubting Jehovah's witnesses in the Revelation 8:1-6 final fulfillment temple "earth" judgment parallel of this pre-commission judgment and purification meanings (Zech3:4-5; Mal3:1-5) to become more obvious as the judgment progresses into initial world tribulatory prelude developments as context of other prophetic continuums activating and repeating; (Isa6:6-8; Zech3:6-8);

3. Revelation 8-11 continuum must parallel the Revelation 15-16 continuum in sequence of seven trumpets and plagues in final fulfillment.

**Dual Phase of Temple Judgment and Final Phase Cleansing**

1. The Daniel 8:14, 26 commencement (1Pet4:17) of the temple judgment period of "2300 evenings and mornings" provides a tentative 2300 day overall temple judgment timing to be composed of two phases in an "evening" desolation phase followed by a "morning" recovery phase of possibly equal duration of 1150 days.
(3.19 years) for each respective phase totaling 2300 verifiable days (6.38 years) of judgment, cleansing and recovery leading to a "morning" of enlightenment (Rev8:5) out of the current Jehovah's witnesses' fulfilled final apostasy development. (2Thess2:1-4)

2. Thus the developments in this temple desolation and recovery and their timing and meaning will be verifiable as provided in the prophecy as JWs are currently in a darkness state that must get worse in the initial "trampling" of this Daniel 8:13-14 judgment "evening" phase that starts this judgment.

3. The purpose of the judgment is to remove JW error for a re-clarified final Messianic Kingdom announcement preceding 8th King and Messianic Kingdom completion to Armageddon and final world judgment to eventually manifest over Daniel 12 underlying Revelation 8-11 and Revelation 15-16 parallel final fulfillment replications.

4. The use of a prophetic replication times and outlines the sovereign theme of the final fulfillment upon a well understood preview fulfillment.

The Timed Temple Purification Judgment:

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the (profaned) constant [feature] (removed) and of the transgression causing desolation (UN NGO endorsement), to make both [the] (JW anointed) holy place and [the] (JW ministerial) army things to trample on? (globally; organizationally) 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition." (temple purification of Revelation 8:1-6; Eze3-10);

Verifications

Timed Prophetic Periods and Other Temporal Calibrations

1. Verification of prophetic veracity can be provided by the timing of the temple developments contained in the Daniel 8:13-14 prophecy and the nature of the clarification from current JW error related to UN NGO alliances (Dan11:31b), diversion (Dan11:30-31) and progressive cover-up (Dan8:12) currently concealed and promoted by apostate Bethel as foretold for the Messianic Kingdom final proclamation clarification of Zechariah 3:1-7 and Malachi 3:1-5 paralleling Revelation 10 re-commission of the final "two witnesses" of Revelation 11.

2. This critical lawless development now active in the JW world ministry progressive in the Governing Body corrupting tenure is also a prelude indication of why a temple judgment and purification is necessary to recover Jehovah's witnesses and other confused/misled Christians concerning the true nature of this final cycle and prophecy.

A. Revelation 8 first four divine trumpets will herald this alarm and meaning of the temple judgment to approved and repenting Jehovah's witnesses first, and others soon thereafter as the temple "evening" progresses to temple "morning" of purification; (Rev9-11);

3. The Daniel 8:14, 26 timing and verifiable developments of judgment, cleansing and recovery will parallel Revelation 8-9 meanings leading to a clarified final Kingdom warning "little scroll" as Revelation 10-11 replication of an eventual final 1260 day warning ministry in final form deploys leading to actual Messianic Kingdom and 8th King climax to the long foretold Armageddon finality actually manifesting.
A. Revelation 9 "abyss" of temple desolation "opening" is the Daniel 8:14 "morning" of enlightenment to prophetic reality;

B. Revelation 8 pictures the temple judgment now specifically on the JW organizational ministry as per 1Peter 4:17 as Daniel 8:13-14 parallel.

4. The unique Daniel 8:14 timed period leads into the repeating Daniel 12 timed periods (Dan12:7, 11, 12) in approximate sequence which merging events are further "calibrated" over time by the meanings and events of the seven trumpets of Revelation 8-11's continuum and the parallel seven plagues events of the Revelation 15-16 continuum.

5. Thus temple events of Daniel 8:14, leading to a purified temple completion announcement parallel to Messianic Kingdom completion meaning and final proclamation will lead to the final 1260 day (Dan12:7; Dan7:25; Rev11:2-3) and 1290 day (Dan12:11; Dan7:26) periods of Messianic Kingdom and UN world government developmental significance.

A. Revelation 11 pictures Kingdom, temple and "holy city" completion parallel meanings.

**Overall Prophetic and Historic Repeat**

1. Another overall verification is in the basic meaning of the first Christian Kingdom birth ministry as a rival sovereign announcement of guaranteed world rulership being inherited and given to Christ amidst a world manifestation of the rival "8th King" "scarlet wildbeast" system which in the 1914-1922 original Daniel 12 cycles also made a world manifestation as a globalist organization (League of Nations) with world rulership intent concurrent with the 1914 Christian ministry;

A. That sovereign theme must repeat as final manifestations globally known to the foretold finality of these same world government rivals present in the 1914-1919 era manifestations.

2. Thus the basic meaning of God's Kingdom giving a global sovereign guarantee in 1914 amidst the first League of Nations manifestation of the rival world rulership foundation and statements of it's own intent as formative world government in 1919 as world history unfolding upon guiding prophecy fulfilling replicates in these core meanings to final forms of both world government systems to resolve this great conflict as "the war of the great day of God the Almighty" as Armageddon's universal war phase as this prophetic continuum fulfills in the near future upon the same overall pattern of prophecy and sovereign themes.

3. The undeniable trajectory to world governmental apex systems will be contained in the final progression just as it was in the initial 1914 manifestations of both these systems' world government presentations of that time but now to final forms of completion, presentation and world/universal confrontation. (Eze38-39; Rev19:19-21; Rev14:14-20; Zeph3:8-9)

4. The original developmental inception on the world scene has thus been dynamic, ongoing and in progress since 1914 marked by more prophecy leading to the final progression of both systems to ultimately an Armageddon global scale resolution of who it is that will rule planet earth forevermore well marked by the original prophetic and world event continuum underlying the final progression upon a similar pattern repeating to said climax conflict and finality of world judgment concurrent.

5. Since this is a multi-year prophetically marked final sequence, marked prophetic events and final milestones
of each world governmental development described in prophecy foretelling key world events manifesting over that time period will be present and made more and more obvious as all progresses along this temporal trajectory of prophecy and world events leading to Armageddon as verification of the veracity of this final Kingdom warning to eventually fully manifest from the progression of these developments to climax signals marking key milestones preceding actual Armageddon divine war phase.

6. This repeating final cycle reinforces by re-clarification the original 1914-1918 JW Christian ministry currently being overturned by internal Bethel apostasy, subversion and alliances with UN supporting organizations concealing the final cycle meanings from JWs in specific and the JW world audience in general for over 20 years now.

7. The collective overall repeating principle of foretold apostasy leading to temple judgment and a ministerial purification to accurately explain the final cycle while it is unfolding is a great verification of the overall comprehensive meaning of the world developments which will then be fully active leading to actual Armageddon with full warning by description of the prophetic progression and it's world events it has foretold as these manifest on the world scene in final forms.

**World Events Related to Tribulation and World Government**

1. Thus what will become world events eventually involving clearer UN world government statements and progress will be forecast explicitly by prophecy and will add to the credibility of this final synergy of prophecy replicating and foretelling world tribulation and world government events of marked significance becoming world history live and real-time throughout the final cycle.

2. United Nation world government completion must converge with Messianic Kingdom "world government" completion as Har-Magedon over this final cycle of prophecy and world developments; (Rev16:12-21; Revelation 11:1-19);

3. Altogether timed periods, prophetic replications in live fulfillment, and sovereign themes completing will mark the validity of the final cycle in a detailed and unique manner aiding the final Christian ministry.

**First High Profile Signal: First Christian Ministerial Cessation at Final Cycle Commencement; (Temple Judgment: Daniel 8:13 "trampling")**

1. This JW Bethel apostasy is the reason why the current JW Christian ministry will be permitted by God to suffer a unique signal desolation and polluted "constant feature" cessation due to profanation and error that is aiding 8th King development by Bethel official sanction with no valid prophetic commentary since 1990 exposing UN developments fulfilling key prophetic features since that time. (Dan8:13-14);

2. Thus it is a current polluted JW ministry that is being allowed desolation by God, by 8th King powers as per prophecy (Dan8:13-14), that provides the context of the clarification of the truth of final prophecy (Rev8-9), carried out by God and Christ, in a final temple judgment as that desolation proceeds and ends this signal temple judgment first in the sequence; (1Pet4:17);

3. The Daniel 8:13-14 timed temple judgment leads in time to the final 1260 days clarified and purified final warning ministry of the Messianic Kingdom providing a great commencement signal and great meaning of what these events are portending. (Zech3:1-10; Zech4:6-9; Rev8-11);
4. The temple judgment of Daniel 8:13-14 is a unique, non-repeating signal event and segway to the rest of the prophetic cycle that also must manifest after this signal of great significance is activated for a number of final years outlined in Daniel 12, Revelation 8-11 and Revelation 15-16 underlying "calibration" framework and timing.

**Key Sovereign Elements of the Original 1914 Era Fulfillment Repeating in the Future to Completion of the Whole**

**8th Kingdom**

1. A final UN completing world government presentation after the future tribulatory cycle is resolved (Matt24:29) is the repeating 8th King progressive objective of completion continuing the initial foundational sovereign meaning of the 1914-1919 League of Nations manifestation and functions as world governmental entity after the World War 1 "tribulation" ended.

2. This is repeating the sovereign theme in related final fulfillment of the first prophetic cycle of prophetic world government inception "image" of 1919 League of Nations after WW1, now progressing to finalizing form as United Nations "image" and full world government "scarlet wildbeast" "8th King" completed world government after a similar but final world tribulation distraction, and resolution for the final UN birthing cycle and final 8th King global presentation.

3. Both the 1914-1918, 1919-1922 phases of Daniel 12:7, 11 and the future replication of that marked and timed phasing of Daniel 12:7 and 12:11 will include these world government developmental features now fully completing towards the foretold climax foregleamed in the original 1914 Kingdom warning pattern but in actual apex and real form in full function and live timing for a number of final years as per Daniel 12 leading to the Armageddon confrontation in complete forms of these rival world governments.

4. Thus the initial Daniel 12:11 parallel of 1919's Revelation 13:11-15 fulfilling the first UN related League of Nations manifestation will replicate for the fourth and final UN placement of that now completed "disgusting thing" as Daniel 12:11 in repeating final form.

5. Events of Daniel 11:42-45 as UN "King North" 8th King final phasing must merge in Daniel 12 timed periods and meanings leading to the fourth and final UN placement and to the ultimate sovereign confrontation of Armageddon.

**Messianic Kingdom**

1. A final Messianic Kingdom world government announcement (Rev10:11; Rev11) preceding completion of the 144000 Kingdom "body" (Rev7, 14:1), full Messianic crowning of Jesus Christ (Zech6:9-15; Zech4:6-9) and full Messianic Kingdom activation will re-visit to completion in the near future the original preview 1914-1918 Kingdom birth announcement in final meaning.

2. Like the rest of the prophecy context of very real world events this 1914 era foregleam will also proceed to worldwide and universal reality as foretold in both warning periods of 1914 and the future replication of the whole main pattern and meaning into an eventual final 1260 day Kingdom proclamation, warning and final invitation replicating Revelation 11 in final meaning.

**World Tribulatory Birthing Prelude**
1. As with World War 1, 2 and 3 (Cold War; Dan11:29), a final world war/tribulation cycle will precede the United Nations world government manifestation in complete form just as in the three previous renditions of this 8th King world government in 1919, 1945 and 1990 but now in it's fourth and final sub-cycle of this overall UN world government super-cycle to 8th King completed world rulership and final sovereign statements (1Thess5:1-3) as affront to the also completing Kingdom of Christ to finalize this final phase in the near future concurrent with 8th King completion. (Dan12:11; Rev11:7-15);

2. Christ will confront a finalized global 8th Kingdom "scarlet wildbeast" and it's final sovereign affront and sovereign world proclamation as evidence of the completion of this as yet incomplete "8th King" final rival for world rulership. (This is why the world cannot "end" until the 8th King makes a final consolidated actual world sovereignty and public claims of that sovereignty in final form as an actual world super-sovereign "world government" currently not present on the world scene);

3. That tribulation that leads to UN final world government must end into the final 8th King presentation as per Matthew 24:29 and Revelation 14 parallel.

4. That United Nations world government final "disgusting thing" placement will fulfill that part of the Daniel 12:11 prophecy (replicating as Daniel 12 ends) with a final sovereign proclamation of world peace emphasized by that world tribulation resolved and ending into the foretold UN world "peace and security" and "freedom from care" parallels of 1Thessalonians 5:1-3 and Daniel 8:25.

5. This is also the replicating principle of a world war/tribulation "abyss" of UN inactivity as peace enforcer from which a complete and globally presented "scarlet wildbeast" must arise from into world "peace and security" and actual global peace authority repeating the parallel of Revelation 11:7 and Revelation 17:8-11 "abyss" ascension principles of UN "recovery" in final form leading in time to Armageddon.

A. This is why Revelation 7:1-8 includes a concurrent tribulatory aspect accompanying final 144000 sealing leading to Revelation 14:1 completed 144000 Messianic Kingdom body concurrent with 8th King use of world tribulation to present it's diametric rival world government simultaneously.

B. Thus UN completion of sovereign multi-national consolidation and unification described in Revelation 16:12-16 and Revelation 17:11-18 into full "scarlet wildbeast" world government has the Messianic Kingdom 144000 full number completion as it's parallel in Messianic Kingdom completion description in the prophecy at approximately the same period shortly after 8th King world government final completion and sovereign statements.

6. Since this parallels events of Daniel 12:11 and Daniel 7:26 following a completed Revelation 11:1-7 final 1260 days, this following 1290 day period (Dan12:11; parallel Dan7:26; Matt25:31-46; Rev14:14-20) begins approximately with the final, then clean "constant feature" removal (Rev11:7; Dan12:11 parallel) of the final cleansed and accurate warning ministry (Rev11:7; Dan11:44) describing this sequence along with the fourth UN placement of the "disgusting thing" as world government (Dan12:11) born in final form from that tribulation resolution in Matthew 24:29-31 parallels to events in Revelation 6:12-17 and Revelation 11:7-14.

A. This is why those very explicit "little scroll" final "reports" are so "disturbing" to the 8th King world governmental rulers as guaranteed termination is the import of the Messianic Kingdom message now in climax actual form given to the 8th King.

7. The 3.5 day "two witnesses" death state of that "constant feature" removal by the final completed 8th King
resistance is the transitional period of unknown actual duration between the final 1260 days of final warning ministry being ended by 8th King attack (Rev11:7) after it's successful 1260 day deployment and the next marked period of Daniel 12:11 1290 days beginning into that "constant feature" cessation and final UN presentation of the "disgusting thing" concurrent, parallel, simultaneously in approximate but notable and globally marked terms.

8. Thus the wealth control and financial nature of Daniel 11:42-43 accelerates world conditions into Daniel 11:44-45 fourth UN manifestation as Daniel 11:42-45 must merge into Daniel 12 as per Daniel 12:1 "during that time" of Daniel 11:42-45 phase time period maturing to final form.

A. The events of Revelation 11:1-7 is Daniel 12:7 parallel;

B. The events of Daniel 11:44-45 is Daniel 12:11 parallel;

Final Sovereign World Rulership Statements of Both Kingdom Systems

1. Both world government systems will manifest final sovereign claims and statements worldwide to all planet earth prior to final global confrontation marking final features of this prophetic fulfillment with these climax world events well seen by all in a year over year dynamic of ever clearer events marked by the prophecy describing these final world events of 8th King and Messianic Kingdom final developments and global statements of intent.

2. Information on prophecy of this detail and validity will refocus the JW Christian ministry upon Messianic Kingdom and UN 8th King progress and reality.

===

Elemental Replication of Key Sovereign Meanings

1. Thus all the sovereign themes and elements and world rulership focus of the original International Bible Students Association/Jehovah's Witnesses ministry of 1914 forward outlined in prophecy will be repeating those sovereign elements (and clarified ministry) in final forms amidst actual world events manifesting prophetic fulfillment details describing these finalities of both world governments concurrently allowing this final progression to be mapped to it's sovereign destination (Har-Magedon) by undeniable world events already described in the prophecy, now merely repeating and finalizing for real to the foretold climax.

2. Like Christendom's League of Nations alliance marked apostasy, the JW Bethel ministry repeats that lie and error (2Thess2:11-12) and also has gone off course after the 2nd UN manifestation of 1945 and has stalled in the late 1960's spiritually for a Governing Body led diversion campaign concealing 3rd (1990) and 4th (future) UN 8th King developments of the Daniel 11:30-45 prophetic continuum of final UN world governmental "King North", while publicly endorsing the 8th King system as UN NGO for 10 official Bethel sanctioned years since 1990.

3. Thus Bethel's Christendom-like UN NGO alliance repeating principle is just the tip of the iceberg of their overall subversive effects of Bethel cover-up (Dan8:12; Dan11:32a) also present in Governing Body led diversion of critical 8th King/King North developmental information since 1990.

4. Bethel repeats a modern and final form of "man of lawlessness" identified by progressive apostasy and the signal UN NGO alliance with and subversion for the 8th King system and it's objectives as the first indication
of a full replication now in progress by this signal (2Thess2:3-4 as Dan11:41 compromise and infiltration) that
must lead into the activation of Daniel 11:42-45 uniquely merging into Daniel 12 as underlying context and
timing of Revelation 8-11 "seven trumpets" JW "earth" significance in sequential activation in final form.
(parallels Revelation 15-16 "seven plagues" worldwide significance of global context meaning);

Final Warning Period (Future 1260 Days) Repeats First Warning Period (1914-1918) Emphasis

1. The initial 1914-1918 Christian ministry marked by a 1260 day period of initial Messianic Kingdom
sovereign warning proclamation outlined in Daniel 12:7 (Dan7:25; Rev11:2-3) which led to the parallel
manifestation of the embryonic "8th King" League of Nations globalized world government foundational
"image" and hub system in 1919 will replicate in the future upon a final 1260 day period Kingdom
proclamation. (Has Rev13:5; 12:6, 14 1260 day parallels);

2. Thus this repeating cycle of Bible sovereign prophecy and UN world progressive development and history
contained the same parallel prophecies then repeating (or finalizing) leading to completed United Nations
based multi-national deployed worldwide globalist government manifestation eventually triggering features of
Daniel 12:11 in final replicating form that must also repeat and complete into the same world government
significance. (Daniel 2, 7, 8, 11, 12; Revelation 13, 17);

3. Daniel 11:42-45 is a unique final cycle continuation of the Daniel 11:30b-45 continuum (Dan11:36) marked
in 1990 3rd UN placement that will lead into the Daniel 12 prophetic replication and final phase of 8th King
completion.

Final Warning Period Deploys Amidst an Engineered World Tribulation

1. As in 1914-1918 amidst World War 1 tribulation and distractionary world government birthing period and
prelude, the final Christian ministry will also deploy into a similar global tribulation and distraction as a
repeating world tribulation also used to birth the final form of UN world government in then completed form
and extended global "scarlet wildbeast" function of UN stated objectives of uni-polar globalist world
sovereignty made more vocal as time progresses.

2. Those UN world government vocalizations to manifest in the final cycle and definitely near it's full 8th
King completion will further aid identification of the prophecy fulfillment and progress and will eventually
contain the final defiant claims of world rulership sovereign statements, Kingdom message resistance
(Rev11:7) and effects. (1Thess5:1-3; Dan8:23-25; Rev11:7-10);

3. Like 1914-1918 and the initial 1260 day period marking an initial Kingdom of God warning announcement
concurrent with 8th King defiant manifestation of the rival world government (as the League of Nations),
another 1260 day truly final warning period as per prophecy will precede the final UN world government
manifestation in then complete and final form as a final Messianic Kingdom global warning of impending
"Kingdom come".

Ultimate Convergence of All Sovereign Prophecy

1. Attack phases of Messianic Kingdom proclamation resistance at Revelation 11:7, Daniel 8:25 and Daniel
11:45 all parallel with that final UN placement and defiance context.

2. All sovereign symbols of Daniel 2 whole "image", Daniel 8 "King of Fierce Countenance", Daniel 11
"King of the North" and Revelation 17 8th King and "scarlet wildbeast" are all the identical 8th King
sovereign completion in whole "scarlet wildbeast" form of a declared 8th "King" stated sovereignty and global world government system.

3. All Kingdom, temple and "holy city" "Jerusalem" Messianic Kingdom and priesthood symbology also converges into an identical complete Messianic Kingdom universal and world government meaning.

4. The final Messianic Kingdom ruling sovereign power system and it's 8th King completed sovereign rival and then existent sovereign totality will all complete and converge to the Armageddon divine war phase of final resolution of Earth's actual world government as all this converging completions lead to that event. (Rev6; Rev19; Rev20:1-3);

**Final Warning Period Leads to United Nations World Government Culmination and Messianic Kingdom Culmination**

1. Thus what led in 1914-1918 to an initial UN world government manifestation as the League of Nations while the initial Messianic Kingdom birth announcement was being globally proclaimed in that initial marked 1260 day period of Revelation 11:2-3 "two witnesses" world ministry (parallel Dan12:7; 7:25), will replicate and again lead to the same but advanced dual manifestation of these same opposing "World Kingdom" powers (Rev11:15), but in climax form and eventual full confrontation of both these world government "Kingdom" entities in complete form for final resolution of Earth's world rulership.

**Final Warning Period Message "Little Scroll" Is Resisted by 8th Kingdom for Second Christian Ministry Cessation**

1. As this irreversible Armageddon trajectory becomes clearer and clearer with subsequent years and world event milestones of each world government system, so will the "disturbing" effects (Dan11:44) to some aligned with the 8th Kingdom (Rev17:11-18) which will produce the final Christian ministerial attack parallels of Daniel 8:25, Daniel 11:44-45 and Revelation 11:7-10 leading into UN world government completion amidst this final warning ending amidst 8th King resistance.

2. Thus the initial 8th King attack permitted by God for temple judgment purposes as Daniel 8:11-14 "trampling" for Daniel 11:31b "disgusting thing" related "transgression causing desolation" for Bethel UN NGO 8th King promoting and supporting activity will lead to a clarified ministerial recovery and final Messianic Kingdom clear sovereign proclamation leading to the final 8th King cessation of the second "two witnesses" world ministry preceding actual 144000 completion (Rev11:11-12) and Armageddon after the 1260 day final warning ends.

3. The progression from Daniel 8:13-14 first 8th King attack and the final reaction in a second 8th King attack of Revelation 11:1-7 will span a number of prophetically marked years and will be marked by signal events and timing for verification.

**8th King Final Attack Aids 144000 Completion of Messianic Kingdom Rulership Under Crowned King-Priest Jesus Christ**

1. In effect the final 8th King resistance to these "little scroll" "reports" of the final Messianic Kingdom 1260 day warning period will result in actions against that ministry and it's prophetic truth bearers that aids spiritual completion of the 144000 to the Revelation 6:9-11 extent purposed by God prior to his own final completion of the 144000 of "those who are surviving" (1Thess4:17) of the 144000 remnant placed under King-Priest Christ as the Messianic Kingdom fully complete for final battle with the 8th King, in his face.
2. 144000 completion along Zechariah 4:6-9 and Zechariah 6:9-15 principles allows full Christ final Messianic Kingdom and Temple coronation as final "King-Priest" upon a full Kingdom and temple 144000 body in required completion preceding that earth shaking event.

**World Scene Progressively Manifests All Initial Fulfillment Elements and Meanings of World Rulership and It's Final Developmental Global Context**

1. Thus adding to the verifiability of this final cycle meaning of prophecy fulfilling as world events of 8th King and Messianic Kingdom finalizing developments will be timed periods of marked Kingdom meaning (Dan12:7; Rev11:2-3) amidst unique 8th King focused world government progression (Rev16:13-16; 17:11-17) to completion in a well seen global fashion. (Rev19:11-21; Rev1:7; Jude14; Matt24:29-31);

2. Thus the entire final cycle of prophecy and world events it is describing clearly since initial 1914-1918 preview forms will be a verifiable trajectory of a period of years leading to actual Armageddon mapped and described in advance to aid the motivation of repentance in those who will come under Messianic Kingdom rulership as cooperative.

**The Bible Map to Kingdom Come**

1. As time progresses into this prophetically mapped final phase of a number of marked periods describing distinguishing events in these periods of Daniel 8:14, Daniel 12:7, Daniel 12:11, Daniel 12:12 the foretold destination and significance of a completed 8th King world government will become more clearly understood as these events mark the trek to Biblical global "Har-Magedon". (Rev16:13-16 globalized "gathering" into Rev17:11-18 final "scarlet wildbeast" consolidation);

2. Thus United Nations final development world government objectives being more clearly stated globally through a worldwide context of tribulation that must eventually end in that prelude significance to present this final world government completion paralleled by final Messianic Kingdom warning over a timed 1260 day period in that engineered tribulation is like a gauged timeline over the final years leading to Armageddon divine war for sovereign rulership of planet Earth.

3. The final "little scroll" Messianic Kingdom ministry is therefore going to be very clear and verifiable by prophecy and UN world events as to where this must be ending as this final phase completes into God and Christ's actual manifestation in full and complete Kingdom power.

4. The benefit of a timed verifiable prophetic replication is to aid the believability of the final Messianic Kingdom warning message of the short 1260 day, but powerful "little scroll" final ministry.

5. This is why by subversion through Bethel and world distractions and resistance marking temple judgment desolations of Daniel 8:13-14, the 8th King system is even now attempting to divert the final cycle truth and eventually will attempt a JW organizational cessation of ministry divinely permitted due to transgression and error.
6. Rather then completely remove the JW world ministry prematurely as per prophecy, this will signal the final cycle as God and Christ perform a foretold recovery and ensure a final period of global warning;

7. All temple judgment preview meanings for the final cycle are present in the prophets. (Isa37:36-38 foregleam as Rev9 angelically aided recovery as Hos1:4-7; Isa31:8-9; Micah5:6-7 cessation of first 8th King attack with the three years desolation signal timing of Daniel 8:14 as Hos6:1-3 and Isa38:4-8; leading to the final Christian ministerial purification and final deployment of Revelation 9-11);

**Current JW Diverted and Lawless State Requires Desolation**

"Trampling" of Daniel 8:13

**I. Signal (Now Active): JW Foretold Apostasy Marks Final Cycle Activation Now Present**

1. As per 1Peter 4:17 the overall judgment starts with Christian anointed identified using the Bethel ministerial system now profaned and in transgression.

2. Thus the Daniel 11:32a resultant apostasy marked by the UN NGO Bethel dedications and co-promotions of the 3rd UN placement (Dan11:31b) is the "in the temple" apostasy and work of the modern "man of lawlessness" manifestation in the Governing Body of Jehovah's Witnesses and the Bethel cleric system they control as 2Thessalonians 2:3-4 fulfills the signal final apostasy in Bethel.

A. The "lie" and "operation of error" now exist and operate by official and purposeful apostate Bethel sanction, policy and promotions. (2Thess2:9-12; Zech3:1-3); in connection to UN compromise, purposeful prophetic subversion and lawless Bethel activity publicly known and practiced regularly. (Dan8:12; Dan11:30-32a);

3. The Daniel 8:13-14 temple judgment thus parallels the 1Peter4:17 priority and commencement target of that judgment and purification parallels of Revelation 8:1-6; Zechariah 3:1-5 and Malachi 3:1-5.

4. JW temple judgment will thus activate Revelation 8-11 as a seven trumpet JW-to-world alarm continuum paralleling it's world context development as Revelation 15-16 seven plagues.

**II. Signal (Future): Temple Judgment Marked by JW Organizational Desolation Culminates Anointed Scattering**

1. The gradual apostasy of Jehovah's witnesses from internal sources of defection, infiltration and subversion has already began creating doubt, controversy and lawlessness that is resulting in anointed confusions exacerbated by an ingenious misinformation campaign from within Bethel targeting the concealment of the final progression of 8th King/King North development in prophetic diversion and cover up.

2. The foundational truths are being undermined utilizing Bethel lawless conduct and purposeful doctrinal
waffling and contradictions that detract from the original Messianic Kingdom and UN 8th King prophetic tracking focus of world events fulfilling prophecy now ignored by Bethel as policy.

3. A repetitious ministry of trivial details, spiritual stagnation, purposeful error and idolatrous organizational distractions now stagnate actual spiritual progress and understanding of advanced 8th King developments of the last twenty years while creating a delusion of a premature end and a self-approved JW ministry.

4. Thus events that will mark a temple judgment in required desolation of Daniel 8:13-14 by an 8th King orchestrated coup and attack can be made to look like the terminal end of the world events of prematurely advanced Daniel 11:44 expectation among Jehovah's witnesses out of sync with the actual Daniel 11:42-45 activation that must start with Daniel 11:42-43 global wealth and finance intrigues leading to 8th King control of these systems in globalized form.

A. Thus Bethel is promoting a framework of delusion based on purposely erred interpretation covering up 8th King/King North developments for now twenty years and creating a "self fulfilling prophecy" by this diverted and fictional theology to present a temple judgment desolation beginning the final cycle, as a terminal end prematurely promoted to conceal the nature of the actual desolation with a premature "end of the world" JW hoax and delusion to aid the final 8th King completion phase that will instead materialize over the ensuing years.

5. In that confusion Christian anointed will actually be fully scattered (Zech13:7)as this development of subversion and infiltration amidst an organized apostasy climaxes; (Dan11:30-31, 41) to it's objective of attempting a full JW ministerial cessation before the final phase understanding can be realized accurately among Jehovah's witnesses.

This is why a temple judgment and signal desolation must occur as context of a clarified adjustment to actual meaning in the near future and timed period of Daniel 8:13-14.

III. Signal (Future): Timed Desolation and Recovery Marks Final Phase in Earnest

1. The desolating effects of the temple judgment will mark the actual commencement of Daniel 8:14 timing and the final phase replication of Revelation 8-9 beginning the Revelation 8-11 final sequence.

2. The guaranteed failure of 8th King internal Bethel operations to fully cease the JW ministry will be marked by a recovery of truth free from current Bethel lawless impediments neutralized as per prophecy leading to the final ministerial recovery period of Daniel 8:14 "morning" meaning of divine enlightenment after temple judgment, desolation and purification of the "evening" commencing phase of that judgment.

3. Such a development in the now erred JW ministry according to the times periods and meanings of Daniel 8:14 will be a great signal to Jehovah's witnesses ascertaining these developments.

4. The first four trumpets of Revelation 8 are a divine prophetic guarantee God and Christ, with angelic aid, will make these issues of temple judgment pictured in Revelation 8 final fulfillment known to Jehovah's witnesses Christian anointed first and eventually will form part of the basis of the final revelation of the final "little scroll" ministry as Revelation 9 must merge into Revelation 10-11 meaning of final Messianic Kingdom warning ministry developing from this desolation and purification.

IV. Signal (Future): World Tribulation Marks UN Fourth Cycle to World Government Resolution
1. In the temple judgment of Revelation 8 meaning a progressive global context outlined in symbolic terms in Revelation 15-16 first four plagues will be developing as a global contextual signal of what is activating. (Hag2:7 final parallel);

2. The guaranteed recovered and globally deployed final ministerial warning (Rev9-11) will describe the then globalizing context of these developments and their ultimate meaning as the purpose of the temple judgment and purification is to make this final "little scroll" meaning known prior to 8th King completion and Armageddon.

**Jehovah's Witnesses Currently Thoroughly Subverted**

1. Current anointed body and other Christians are now spiritually scattered by confusion and error aided by Bethel subversion calling into question the entire Messianic Kingdom ministry.

2. Kingdom focus and UN prophetic tracking responsibility has been lost by modern JWs under Bethel's progressive apostate tenure of Governing Body guidance now well off course in a catatonic spiritual state of repeating trivia, therapeutic doctrine and erred theological interpretation aiding the delusion of a premature end and an accurate ministry concluding.

3. The JW United Nations prophetic tracking has been truncated at the second UN manifestation of 1945 after WW2 while the 1990 3rd UN manifestation following the global "cold war" (Dan11:29) is ignored for an impossible defunct USSR "King North" interpretation.

4. The 3rd and 4th UN manifestations of Daniel 11:31-45 are now untracked and uncommented on by Jehovah's witnesses as an organized ministry.

5. Instead Bethel dedicated themselves to the UN objective as UN NGO in 1990 concurrent with the subversion of the real 8th King meaning of Daniel 11:30-45 as modern final "King North" being fully covered up since 1990; (Dan8:12);

6. Now Bethel lawlessness diffuses focus and awareness of the true state of 8th King development in all of Daniel 11:30-45 for endless stumbling minutia and doubt creation undermining the whole former Kingdom ministry being subverted under Governing Body corruptions progressively since 1976.

7. And this is why it is crucial the JW worldwide organization be desolated as a world seen signal of the corruptions to be removed in time to free the actual truth of prophecy and were it is leading and what this final phase actually means and will lead to.

**Other Diversions of JW Theology and Awareness of Globalization Implications**

1. The Bethel cleric system also does not inform people that the coming tribulation is a temple judgment context initially, and ends as per prophecy of Matthew 24:29 into the repeating UN world tribulation resolving world government presentation.

2. Bethel does not inform people a full UN world sovereignty does not exist in it's image form, or in any true uni-polar world ruling capacity at this time making a Christ "conquest" impossible upon a non-existent rival world sovereign in completion and fully stated defiant intent.

3. The Bethel system of error also promotes the idea the judgment starts with "Babylon the Great" empire of
false-religion, when in fact the judgment starts with the actual Christian anointed "house of God".

4. Thus in reality Babylon the Great aids the final cycle, is present even after 144000 completion in key prophetic clues, is deposed at the end of the fourth and final UN cycle which deposition aids the believability and credibility of actual world "peace and security" and whose resources aid that world recovery period of an actual "freedom from care" as Babylon the Great is present and deposed in the finalities of Revelation 16:12-18 paralleling Revelation 17:11-18 and Revelation 18 events of Babylon the Greats deposition.

5. The apostate Bethel ministry also ignores and will not explain modern globalism implications and globalization significance as the final "gathering mechanism of multi-national unification into a final 8th King globalist world government of Revelation 16:13-16 meaning in national sovereign deposition of the parallel Revelation 17:11-17 sequence.

6. By and large globalization is ignored by Bethel to aid 8th King globalist development as insignificant leading into the final phase of that globalization completions.

7. This is why the JW "mindset" and understanding of prophecy and world events has stalled in 1970 levels of globalized government understanding.

**Proofs of Required Prophetic Replication:**

**Seven Times Clue**

1. The 1260 days 3.5 times (Dan7:25; 12:7; Rev11:2-3, 12:6,14, 13:5) is an incomplete number until it occurs twice and that seven totality of 3.5 times two, twice manifesting, relates to the final "appointed times of the nations" as 2520 days (seven times as days of Revelation 11:2-3) of the final ministerial period which repeats amidst a unique globalist version of world governmental development resisting that message, again. (Rev10:11);

2. The 2520 days of two witnessings as "two witnesses" twice relating sovereign developmental information on 8th Kingdom and Messianic Kingdom development relates to the finality after the overall 2520 years "seven times" that led to the 1914-1918 initial revelation of the final progression meaning needing completion in a second fulfillment.

3. This temple foundation and completion phases, and Kingdom birth and completion phases BOTH have a prelude 1260 day, 3.5 time final warning proclamation accompanying each phase completing as seven complete "times" in the final phase of completion prelude.

**Dual Judgment Pattern**

1. The dual judgment pattern is present in Israel's judgments of 740 BCE (Hosea; Isaiah, Micah, Amos) preceding an initial finality of judgment in 607 BCE in sovereign removal of the divine dynasty of Davidic kings of Israel marking that "appointed times" trampling commencement for 2520 years. (Jeremiah, Ezekiel, Daniel);

2. The ancient and Christ era climax judgments of Jerusalem in 607 BCE and 70 CE also represent a dual judgment scenario in a critical spiritual transition and transformation.
3. Christ's two temple cleansings, one after baptism (John2:13-22; 30 CE), one before sacrifice (Matt21, Mark11, Luke19; John 12; 33 CE) represents a dual judgment pattern.

4. The initial judgment of all Christendom leading to a focused final anointed Christian judgment at the end of that overall final ministerial cycle also represents a dual judgment scenario marked in 1918-1922 and proceeding to the more focused judgment on Jehovah's witnesses as the second judgment principle.

**Dual Judgment Phasing**

1. Kingdom birth must progress to Kingdom maturity as two phases outlined in prophecy as foregleam of 1914-1918 and the reality of the near future as each phase has a prelude ministerial announcement proclaiming the respective phase.

2. Temple foundational cleansing and identification of anointed Christian significance must also progress to from temple foundation to temple completion of all 144000 as a dual phase wherein significance of initial temple judgment of 1918-1922 is revisited in the final phase of the near future with the precursor Daniel 8:14 temple judgment leading to temple completion in the same post 1260 day (Dan12:7; Dan7:25) completion and eventual activation of Daniel 12:11 1290 day period (Dan7:26 parallel) then replicating, but in final phase completion as signaled by the unique fulfillment of Daniel 8:13-14 and it's temple purification "right condition final phase meaning.

3. In this way a temple purification begins the final ministerial and prophetic sequence allowing Revelation 8-11 and Revelation 15-16 to proceed this final time in exact order of trumpets 1-7 and plagues 1-7 rather than starting the cycle, as in 1914, with Revelation 10-11 significance and ministerial Kingdom events first.

A. In final fulfillment Revelation 8 is focused temple judgment of Jehovah's Christian witnesses anointed and "established place" rather than than a broader judgment of all Christendom as in 1918-1922 meaning.

4. Thus what was ascertained later in the ministry of Jehovah's witnesses after 1922, in somewhat non sequential manifestation of original Revelation 8-11 meaning, will now be ascertained prior to and in live fulfillment in sequence of all seven trumpets and plagues paralleling in activations to Armageddon in order and now final meaning of completion.

**Incomplete 1914 Versions of Symbolic Entities Manifesting to Final Judgments**

1. world judgment was not finalized in the 1914 era preview foregleams but the pattern of a "house of God" judgment starting the cycle and relating to expanding judgments of Babylon the Great, the 8th King and the whole world were set forth in the understandings revealed in and after the 1914-1918 affirmation of Messianic Kingdom and 8th King prophecy converging to finality.

**The 8th King "Scarlet Wildbeast" is Incomplete**

1. The pinnacle of a complete and globally stated fully functioning uni-polar super-sovereignty as world government to finalize in the 8th King globalist system as a multi-national worldwide unification defiant to Messianic Kingdom rulership has not completed.

2. The incept "image of the wildbeast" did emerge as a revisited version of Genesis 11 developments of world government intent, but remained merely an "image", an incomplete actual global sovereignty, it was an international forum presented globally in 1919 as the "League of Nations" fulfilling Daniel 12:11 parallel with

3. Christ's Messianic Kingdom which is also incomplete in only partial 144000 presence, cannot arrive to depose an 8th King who is not yet a true uni-polar sovereign king of the world in final multi-national "scarlet wildbeast" worldwide governmental infrastructure and final globally stated sovereign claims; (1Thess5:1-3; Rev17:12-18);

4. Thus a final actual completion phase is required for full globalization leading to uni-polar 8th King globalized world sovereignty as "scarlet wildbeast", "King of Fierce Countenance", "King of the North", whole Daniel 2 "image" identical world governmental apex system rival to Christ's Kingdom.

**Babylon the Great is Still Present**

1. The complete judgment of Babylon the Great beyond the 1914-1926 and continuing foregleam of that judgment (Rev18:8), and exposure of the Babel origins and error of that world empire of false religion is yet to complete and in effect a final phase of the developments leading to that religious sovereign (Rev17:18) deposition are yet to finalize.

**The Messianic Kingdom is Incomplete**

1. Christ became King by God's appointment of God's Kingdom overall as the crowned "woman" of Revelation 12's heavenly crown power.

2. The Messianic Kingdom was merely born at that time, was yet incomplete and cannot have an official Christ coronation upon an incomplete Messianic Kingdom agency of future world sovereignty finalized.

3. Thus Jesus Christ must yet gather the final Kingdom members of the 144000 before the "head stone" of Christ's King-Priest coronation of Zechariah 4:6-9 and Zechariah 6:9-15 can actually complete his own sovereign Messianic Kingdom entity to the full.

4. This means a final phase of that completion and the 1260 day repeating world warning accompanying that Messianic Kingdom completion phase is yet to manifest to usher in this complete as the 8th King system is also completing it's final form.

5. Thus the temple is yet incomplete as is the complete "seven times" Revelation 11:2-3, 2520 day "trampling" of the as yet still partially earthly "holy city" represented by the anointed remnant of the 144000 still on earth as humans that must complete that final 1260 day period of final world warning being resisted by the 8th King powers as Daniel 8:25, Daniel 11:44-45 and Revelation 11:1-7 have parallels leading to the same period of these completions.

**Final Kingdom Ministry Incomplete**

1. Thus the Matthew 24:14 final witness to the nations which will merge Revelation 9-11 into the period of Christ's post tribulatary manifestation of Matthew 24:29-31 has yet to complete it's final 1260 day "little scroll’ mission to precede and lead into actual Messianic Kingdom completion.

**Other Incomplete Developments**

1. Matthew 24:6 "wars and reports of wars" being also present means "the end" cannot come until the 8th
King actually achieves it's own one-sided world "peace and security" under an actual operative and stated world uni-polar 8th King globalist world government and sovereignty.

2. At such time of 8th King completed sovereign parallels of 1Thessalonians 5:1-3 "peace and security" statement period "while they are saying" "world peace" and the Daniel 8:25 "freedom from care" global atmosphere period to develop under 8th King world rulership UN placements of Daniel 11:44-45 and Daniel 12:11's replication period commencement, there will be no national based "wars and reports of wars" at which time "the end" prerequisite of "peace and security" will be met, and "the end" can come.

3. As the 8th King is in world sovereign uni-polar operation Babylon the Great's divisive and war supporting global institutional sovereignty is removed (Rev16:12; Rev17:15-18) in that process of Revelation 16:12-16 and Revelation 17:11-18 as national sovereignty (Rev17:11-17) is also being deposed into 8th King world government.

4. At this time the Messianic Kingdom is also completing it's final warning ministry of Revelation 11 and completing it's own final sovereign entity as Messianic Kingdom going into approximate concurrent completion with the 8th King as all these incomplete foregleams of the 1914 era ministerial announcement become final realities globally converging into final Armageddon developmental global resolution period.

**Prophetic Replication Outlining Final Phase Due**

1. Thus all the 1914 foregleams and previews are just that, indications of things that must complete and finalize and in that requirement a final phase and final cycle of prophecy and world events will outline the proceedings while they are active for a clear indication of where it is leading as these previews and foregleams in the initial Jehovah's witnesses Christian ministry, now also incomplete, must become reality.

2. So the most important element in the process, the final warning of these things becoming realities is also incomplete now as Jehovah's witnesses have not completed the Messianic Kingdom ministry, have lost the 8th King UN tracking assignment at 1945, are teaching error that conceals 8t King final developments, temple judgment and the final replicating cycle, and are in UN NGO major transgression as all these inconsistencies must be resolved.

3. Thus a Christian ministerial judgment and purification to actually speak a soon to be clarified prophetic truth must be effected first in the temple judgment that leads to an awareness of these prophetic realities about to replicate on the world scene in a final phase and cycle of 8th King and Messianic Kingdom developments also going into full activation.

4. God cannot yet finalize a world judgment if His own Kingdom ambassadors are now also in transgression, also 8th King allies as UN NGO and also in error as to what is coming upon planet Earth's populations in this final 8th King world drive to world government.

5. The Christian ministry itself requires a final phase of judgment first, leading to purification later and a final actually accurate "little scroll" announcement to be effected from that final temple judgment phase leading into and possibly as the final 8th King world government competing cycle is activating a global tribulatory period to birth that final 8th King "scarlet wildbeast" entity and to create a global period of massive distraction away from the final Messianic Kingdom completion and warning announcement of Revelation 10-11 replicating to finality.

6. All these incompletions indicate a final cycle is required to finalize all these developments and prophecy
into final forms.

**Prophecy Reveals Details of Compromise and Subversion**

1. In all the below scriptures/prophecy the "small horn" (8th Horn, 8th King) root (Dan8) and final "King North" (Dan11) are the identical globalist 8th King world government system eventually in collusion (Dan11:30b-32) with post 1922 defector anointed Christians that progresses to total compromise of the Christian ministry.

2. All the key players and 8th King related developments leading to today's corrupted Bethel ministry are present in these prophetic details and fit the post WW2 world and Bethel developments after the UN 2nd placement climaxing in the 1990 UN 3rd placement cover-up as prophecy and Bethel's own UN dedication, endorsement and co-promotional campaign far more precisely at this timing and in these details perfectly matching Bethel's UN allegiance and apostasy far more completely than the WW2 era and prelude period fictional interpretations used to cover-up the significance of this post 1990 period.

3. A clue is these are the same key prophecies explaining the current JW development in detail that are now instead explained in impossible interpretations by the Bethel cleric system concealing the true meaning of the following developments especially marked since 1990 3rd UN placement and it's Bethel prophetic diversion campaign:

**Daniel 8**

(Daniel 8:11) And all the way to the Prince of the army it (8th King) put on great airs, and from him the constant [feature] was taken away (profaned then ceased), and the established place of his sanctuary was thrown down. (in eventual temple desolation of Daniel 8:13-14 parallel of Daniel 11:30-31 prelude developments and transgression signals);

(Daniel 8:12) And an (JW ministerial) army itself was gradually given over (to 8th King control), together with the constant [feature] (subversion and profanation; Zech3:1-3), because of transgression (Bethel UN NGO and general idolatry and lawlessness); and it (8th King) kept throwing truth to the earth (subversion and cover-up), and it (8th King) acted and had success. (would be "effective" at the subversion operation);

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] (polluted and removed) and of the transgression causing desolation (UN NGO main temple transgression), to make both [the] holy place (anointed temple) and [the] (JW ministerial) army things to trample oil? (globally) 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right (purified) condition.’

**Daniel 11**

(Daniel 11:30b) “And he (8th King) will actually go back and hurl denunciations against the holy covenant (Christendom excluded by this time) and act effectively; and he (8th King) will have to go back and will give consideration to those leaving the holy covenant. (who after 1922 can only be associated with the Jehovah's witnesses Christian anointed valid ministry of that time going into foretold defection);
And there will be (8th King infiltration) arms that will stand up (as Daniel 11:41; Luke 21:20 parallel), proceeding from him (8th King); and they (a key collusion with Bethel and the 8th King powers) will actually profane the sanctuary (Zech3:3), the fortress (organizational subversion), and remove the constant [feature]. (by first profanation leading to Daniel 8:13 trampling removal of JW polluted constant feature);

And they (8th King/Bethel partnership and collusion) will certainly put in place the disgusting thing that is causing desolation. (UN; UN NGO 1990);

And those who are acting wickedly against [the] covenant (can be anointed, or other Christians), he (8th King leading planning) will lead (by impostors) into apostasy (2Thess2:3-4) by means of smooth words. (As Bethel clever plausibilities and "superfine" ministerial illusions; 2Cor11:13-15) But as regards the people who are knowing their God, they will prevail and act effectively. (eventually the real truth comes forth);

1. These two prophetic sequences of Daniel 8:11-14 and Daniel 11:30-31 parallel and merge in their actual fulfillment details indicating 8th King guided Bethel compromise, Bethel's direct participation in the 3rd UN global placement (1990), and Bethel's purposeful cover-up of this prophetic and world developmental reality intended to continue as long as possible to mislead JWs and the world audience as this development forms the basis of God's judgment of Jehovah's witnesses to signal and start the final cycle of prophecy with a temple and truth purification. (1Pet4:17; Dan8:13-14; Rev8:1-6; Zech3:1-8);

**Key Elements Identified by the Prophecy**

**A. Christian Anointed Defection Root**

1. In any context of this prophecy, fictional (1940s) or accurate (1990) "Those leaving the holy covenant" indicates Christian defection after 1918-1922 disqualification of Christendom organized contention as being in "the holy covenant", so only Jehovah's witnesses associated Christian anointed can apply here.

2. Christendom cannot apply after 1922 to this prophecy implicating Bethel as evidenced in their signal public UN NGO endorsement, collusion, and subversion operation now active from Bethel's top administration.

A. The UN NGO key public compromise is just the "tip of the iceberg" regarding Bethel anti-Christian operations.

3. Thus Christian anointed defection at Bethel opens the way to the 8th King organizational infiltration to subvert and resist the Christian ministry internally by 8th King planning and resources to "lead (JWs) into apostasy" progressively.

**B. 8th King Planning**

1. "He (King North as 8th King) will give consideration to those leaving the holy covenant" (at Bethel); This indicates 8th King involvement targets defector Bethel anointed first in a unique "consideration" to develop into an internal subversion possibly over decades.

2. That Jehovah's witnesses exposed the first 2 UN placements of 1919 and 1945 as prophecy, but ignore the 3rd UN placement of 1990 and it's 3rd and 4th UN placement continuum into the the future (Dan11:36) in the Daniel 11:30-45 final 8th King progression, we know the subversion achieves success fully after 1945 but
may have been developing for decades at Bethel to achieve the 1990 UN dedication and full JW ministerial subversion.

3. The "Governing Body" is the corrupted control center that arose in this interim period of diversion between 1945 and 1990 in the 1976 Bethel coup and initial "lift up" now seen in hindsight as 2Thessalonains 2:3's first manifestation at Bethel of this now undeniably lawless "body";

A. The "Governing Body" factional to full subversive central control development is logically the 8th King and demonically inspired entity (2Thess2:9; Zech3:1-3) as "set in opposition" to the "body of the Christ" in it's very non-Biblical origins, fraudulent claims, and additional "body" relationship that from incept is the locus of progressive idolatry, corruption and deception in Jehovah's witnesses organized ministry.

C. Infiltration Result

1. "there will be arms that stand up" are the parallel Daniel 11:41 internal Bethel infiltration that results from the initial Bethel anointed compromise.

   (Daniel 11:41) He (8th King) will also actually enter (infiltrate) into the land of the Decoration (by Bethel access), and there will be many [(people)] that will be made to stumble. (as a result of Bethel lawlessness campaign);

2. Luke 21:20 "encamped armies" picture these "arms that stand up" in Bethel infiltration.

   A. Matthew 24:15 "disgusting thing" UN NGO "standing where it ought not" is also paralleled by this signal UN endorsement and partnership from Bethel as UN NGO and subversion center.

   B. The UN NGO "transgression causing desolation" of Daniel 8:13 indictment is the high profile key idolatry and spiritual adultery of this subversion that leads to the "desolation" of Bethel system housing that abomination publicly as UN NGO public and historic partnership.

3. That the "Governing Body" ignores and leaves all these obvious issues unaddressed amidst obvious organizational productive decline due to Bethel lawlessness made public indicates the whole Governing Body and much of Bethel's top administrations are all 8th King planted, guided and supported impostors.

   A. In effect the once Christian anointed ministry employing Bethel's resources and locations to carry out a valid Messianic Kingdom ministry is now overrun by Governing Body complete and Bethel factional anti-Christian frauds warping the ministry to their own 8th King guided agenda.

4. The initial acceptance of the "governing body" as Biblical and credible allowed a 37 year long subtle subversion development to be virtually unrecognized by Jehovah's witnesses and others until lawless evidence, trends, negative statistics and regular stumbling begin to reveal the true nature of Bethel and the central idolatries of it's Governing Body an idol of deception in an of it's own "body".

   A. Eventually now apparently disconnected Bethel lawlessness is instead directly connected to signal apostasy and lawlessness prophecy actually activating that must lead to the JW organizational judgment first. (2Thess2:3-4 modern signal leads to 1Peter4:17 as Daniel 8:13-14; Rev8:1-6 temple judgment);

D. King North/8th King Guidance and Planning
1. "and an (JW) army... was gradually given over" [to [8th King] control]. This indicates the subversion is a gradual process especially marked under nearly 40 years of Governing Body guidance and dictatorial power developed for this purpose of diversion for 8th King control and objectives.

A. A WW2 and prelude era decade described in the fictional Betel interpretation was not sufficient time or "effectiveness" to actually subvert the entire JW ministry successfully at that time or produce an actual "transgression causing desolation" by temple transgressors (Dan8:23); thus the 1930-1940 varied versions of interpretation in both Daniel commentaries cannot apply - the pattern fits post 1945 Bethel developments climaxing in the 1990's UN NGO. (Dan8:12);

2. "He (8th King) will give consideration to those leaving the holy covenant" indicates 8th King involvement, and a unique form of "consideration" of Bethel Jehovah's witnesses, as Christendom was already League of Nations allied.

3. The 8th King successfully targets - "gives consideration" - and corrupts Bethel anointed leading the JW ministry to form a defection to fully allow further infiltration of the Bethel corporate organization over time and to subvert it's ministerial direction to aid 8th King development as foretold. (2Cor11:13-15 as 2Thess2:1-12; Zech3:1-3);

A. The first climax of the subversion objective is the UN NGO United Nations endorsement and Bethel partnership which now brings the whole temple and ministry under guaranteed judgment; (Dan8:13);

4. The Governing Body concept going into 1976 dictatorial coup proves to be the 8th King Bethel infiltration access point and guidance system infecting the whole Bethel system in time; (Rev8:10-12);

E. 8th King Related Compromise and Bethel Collusion

1. "And they (8th King, 8th King "arms" and Bethel) will certainly put in place the disgusting thing (UN 1990) that is causing desolation." (UN NGO 1991);

A. Thus the only entities possibly defining the "they" in this scripture is in King North as 8th King lead planners, "those leaving the holy covenant" as defector Christian anointed, and 8th King "arms that stand up" (Luke21:20) impostors (Dan11:41) in Bethel subversion activities resulting in a 3rd UN placement aided by Bethel collusion as UN NGO also covering up prophetic significance of this event as part of that UN NGO dedication and endorsement in unison with 8th King powers.

F. Subtle Progressive Development

1. "gradually given over" and "will lead into apostasy" implies a progressive subversion development now well trended from Bethel in lawless maturity over 37 years marked by the initial Governing Body "lifting themselves over everyone" of 1976.

A. The 37 years percentage of the entire Christian ministry since 1914 (100 years approximate) is roughly the "1/3" symbolic compromise described in Revelation 8:12 applied to Jehovah's witnesses in developments leading to the final fulfillment of Revelation 8-11.

B. The Governing Body corruptive effects are symbolized into Revelation 8:10-11 "1/3" "wormwood" adulteration of the Christian ministry in final fulfillment meaning.
C. The entire "1/3" compromise and judgment symbology of Revelation 8-9 applies to modern Jehovah's witnesses as that symbolic "earth" system to go under judgment first.

G. Cover Up

1. "and it (8th King) kept throwing (prophetic) truth to the earth (cover up), and it (8th King) acted and had success."; Thus "it", 8th King planning and resources, is the guiding system of Bethel's internally placed subversion operation as "they" can be seen now as a unified operation with Bethel.

2. The 8th King identity as "King North" and "King of Fierce Countenance" is concealed by Bethel as a globalized final "scarlet wildbeast" form completing to aid 8th King development secrecy and lack of modern 8th King developmental prophetic commentary.

A. In effect Jehovah's witnesses are stalled in 1970 as far as spiritual understanding affected by awareness of modern 8th King globalization developments leading to world governmental base systems since that time. (Even the 3rd UN placement fell of the JW radar in 1990.);

3. The United Nations 1-2-3-4 quadruple super-cycle of four UN presenting phases of (1.) 1919, (2.) 1945, (3.) 1990 and (4.) the future final phase is truncated in Daniel 11:30-45 continuum of actual 3rd and 4th UN placement meaning, subverted by Bethel UN allies with the USSR fictions essentially breaking that required continuum (Dan11:36) and hiding it's King North identification as 8th King developments.

4. The prophecy itself is diverted in Daniel 8:9-25 and Daniel 11:30-45 full parallel meanings instead covered over with impossible former interpretations by Bethel theological subverting tactics.

A. National power systems and national bloc developmental dead ends are used to conceal what are actually globalist apex world government developments.

5. Thus everything in these prophecies converges to 1990 UN activity and Bethel UN NGO in ways beyond coincidence as the critical descriptive prophecy exposing Bethel's subversion is subverted itself for fictional accounts concealing this reality from JW's and the world audience.

6. Thus there is more to Bethel's lawless subversion than just the UN NGO itself;

A. The UN NGO is the public signal "transgression causing desolation" connecting Daniel 8:13 to Daniel 11:31b "disgusting thing causing desolation" in the 1990 3rd UN placement developments and subsequent Bethel UN NGO.

B. That required and guaranteed "desolation" for UN NGO related "transgression" must come first to the JW organization. (1Pet4:17);

H. Effective Subversion Operation

1. "... and it (8th King) acted and had success" (in holy covenant and JW ministerial opposing operations);

2. "And he (8th King) will actually go back and hurl denunciations against the holy covenant and act effectively;"

3. Thus an effective and successful initial subversion is foretold as successful and permitted by God for greater
future purposes.

A. We plainly see the "success" and "effectiveness" of Bethel's subversion.

B. Such an effective diversion and subversion of the global Christian ministry was not present in 1945 events.

C. The internal nature of this ministerial compromise means the subversion is one of truth (Dan8:12) mixed with critical errors first, making the "constant feature" spiritually unacceptable and ceased, that will lead to an external "trampling" (Dan8:13) of the Christian ministry as the final result of this "operation of error", temporarily ceasing the JW world ministry, which will provide the context of the temple judgment and resulting truth and temple purifications; (Rev8-9; Dan8:13-14; 1Pet4:17);

I. Apostasy Foretold and Present

1. "And those who are acting wickedly against [the] covenant, he (8th King) will lead into apostasy by means of smooth words" parallels and connects to the 2Thessalonians 2:3-4 signal apostasy development and the "man of lawlessness" "body" manifesting together "in the temple" arrangement as a great initial signal of coming temple judgment. (Zech3:1-3);

Final Signal Develops: Organized Apostasy and Lawlessness "in the temple"

1. In replicating fashion of key developments present in the initial 1914 cycle in apostate Christendom's cleric councils, a final modern lawlessness and apostate signal is ascertained in the more focused post 1914 JW Christian ministry by prophetic and developmental evidence in the final fulfillment mode as this principle and prophecy prerequisite also replicates first landing to the final fulfillment cycle it signals:

(2 Thessalonians 2:3-4) Let no one seduce you in any manner, because it (temple judgment; final cycle) will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction.
4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god. (Such as defined by the "Governing" "Body" self-exalted "lifted up" and "sit down" "Bethel kings" self-appointed, pre-approved status and the fully subverted Bethel system and ministry apostasy);

2. Thus all these Bethel and UN developments especially noteworthy since 1990 are defining the modern Christian apostasy which now no longer tracks UN prophecy, endorses it's world government objective as UN NGO, and sets up a theological "operation of error" that will leave JW's fully bewildered and organizationally inoperative when this culminates as Daniel 8:13-14 temple judgment and desolation also concealed from modern Jehovah's witnesses and the world audience.

J. Man of Lawlessness

1. Thus in repeating fashion of 8th King alliance and purposeful subversions of prophecy in Christendom from 1919 forward in League of Nations endorsements, Bethel and it's "Governing Body of Jehovah's Witnesses" is revealed as the lawless and apostate guidance and corruption control center of modern times signaling the final temple judgment cycle with a similar defection related to also a UN 8th King public dedication and a resulting prophetic diversion and a foretold lawlessness campaign to discredit the foundational Christian Kingdom ministry and conceal UN world government producing developments from prophetic commentary.

K. Operation of Error
1. The entire Bethel ministry is now in an "operation of error" of subversion, treason and cover-up as per Revelation 8 "1/3" symbolic magnitude of compromise, profanation and subversion gradually maturing to needed judgment and removal in the final fulfillment cycle to come.

L. The Lie

1. The UN aiding endorsements, membership, co-promotions and deceptive goals of Bethel make the whole JW ministry of approximate post 1960's development a "lie" aiding the 8th King "lie" as it's main feature of "transgression causing desolation" amidst a host of other lawless signal developments, trends and organizational idolatries.

2. Bethel is now a key component of the 8th King "lie" filling out the world scene of such deceptions. (Ps2);

3. The Governing Body is an example of the first Bethel "lie" leading to more lies that enabled this compromise by a fraudulent "body" being accepted as Biblical when it is an add-on "body" not actually mentioned or described in the Bible anywhere, but was rationalized and superimposed on scripture by human reasoning, corporate tradition (board of directors) and plausibilities merely superficially attaching such a mythical authority as divine as the root of this "lie" and "operation of error" controlling "body".

4. Obviously such a truth impeding development will in time suffer God's judgment and effective removal and exposure of this lie and error first, to clarify reality for the world system heading into the final 8th King world government drive as the critical information to be concealed by the Bethel apostates and lawless ones.

(2 Thessalonians 2:7-8) True, the mystery of this lawlessness is already at work; but only till he who is right now acting as a restraint gets to be out of the way. (anointed defection and Bethel override progressively)

8 Then, indeed, the lawless one will be revealed (Governing Body "right and" and head (Zech3:1-3, 5) of the Bethel cleric system of lawlessness and apostasy), whom the Lord Jesus will do away with by the spirit of his mouth and bring to nothing by the manifestation of his presence. (In temple judgment as first event; 1Pet4:17; Dan8:13-14)

(2 Thessalonians 2:9-12) But the lawless one's presence is according to the operation of Satan (Zech3:1) with every powerful work and lying signs and portents 10 and with every unrighteous deception for those who are perishing, as a retribution because they did not accept the love of the truth that they might be saved. 11 So that is why God lets an operation of error go to them, that they may get to believing the lie, 12 in order that they all may be judged because they did not believe the truth but took pleasure in unrighteousness. (This permission of Bethel evil developments is the basis of the temple judgment as not all Christian will succumb to Bethel organized lawlessness, idolatries and apostasy; (Dan11:32b-35; Matt25:1-13);

Temple Judgment and Purification

1. Thus the temple judgment is fully set-up for needed commencing activation (Zech3:1-5) with the activation of the fourth UN cycle (Dan11:42-45) to world government completion over those ensuing years marked by the accurate prophecy eventually freed from Bethel subversions. (Dan12; Rev8-11; Rev15-16);

2. Thus as temple judgment activates with Daniel 11:42-45 final UN related progression as Revelation 8-11 and Revelation 15-16 also activate, the rest of the prophecy must also manifest in a final fulfillment overall replication to Messianic Kingdom and 8th King diametric completions over the Daniel 12 repeating timed
3. God permits this "operation of error" in Bethel "in the temple" anointed association to signal the final temple judgment for greater purposes in the final cycle and final Messianic Kingdom completion ministry to develop out of this foretold Bethel subversion.

4. Thus all Christian initializing judgment illustrations of Christ, like the "ten virgins" and the "wheat and the weeds", also have a temple judgment determination applied first (1Pet4:17) to completion of that final purification to found the truth clarification of the recovery and final cleansed Christian ministry minus any Bethel lawlessness merely subsequently revealed in the process as part of the prophecy permitted to develop and required to manifest for a signal of judgment replication to final form.

5. Bethel's fulfillment of apostate lawless prophecy becomes part of the final ministerial record of prophecy actually fulfilling first on Jehovah's witnesses as great evidence the entire prophetic cycle must then also continue to manifest as one thing leads to another all the way to Armageddon over a number of prophetically defined periods and years.

**Final Fulfillment Parallels**

1. 1Peter4:17 parallels 2Thessalonians2:1-4 apostate lawless indicator of judgment as Daniel 8:13-14 indictment and temple judgment of the Zechariah 3 and Malachi 3:1-5 judgment and purification requirement repeating also in final form.

2. Revelation 8 parallels the temple judgment to lead in time to Revelation 9 recovery and final ministerial deployment of the Revelation 10-11 clean ministry as the re-commission of Zechariah 3:4-7 parallels Revelation 10 "little scroll" reception and mission, (again, Rev10:11); to deploy as Revelation 11;

3. Daniel 11:42-45 merging into Daniel 12 provides underlying timing and meaning of the progression of Revelation 8-11 and Revelation 15-16 seven trumpets and plagues as parallels of Haggai 2:7 final global rocking;

4. Daniel 7:25, Daniel 12:7 and Revelation 11:2-3, Revelation 12:6,14, Revelation 13:5 all have 1260 day, 3.5 times parallels in explicit or principle form of the sequence leading to Messianic Kingdom and 8th King world government completions.

5. Revelation 16:13-18 parallels sovereign developments of Revelation 17:12-18 present in Daniel 11:42-45 meanings and Daniel 8:23-25 parallels of Revelation 11:1-15 timing of final "two witnesses" ministry and trumpets as Revelation 9 must merge into Revelation 10-11 as the 8th King is in final completion phase of the whole Revelation 16 sequence paralleling the whole Revelation 8-11 sequence.

A. 7th plague must precede 7th trumpet Messianic Kingdom completion (Rev10:7) as 1Thessalonians 4:17 final "gathering" of those who are surviving among the anointed remnant at that time complete Revelation 11:14-19 meanings.

A. The Revelation 10-11 "little scroll" replication is the last of the Matthew 24:14 witness to the nations "and then the end will come";

9. The attack scenarios of uni-polar one-sided 8th King global authority climaxing in Revelation 13:5 meaning is the Daniel 11:44-45, Daniel 8:25 and Revelation 11:7 8th King attack parallels "during" "a freedom from care" parallel of 1Thess5:1-3 UN 8th King world "peace and security" final sovereign proclamation period.

A. In related principle of UN inactivity during a world war the final Revelation 17:8-11 ascension of a 4th UN "scarlet wildbeast" parallels the abyss ascension of that wildbeast in Revelation 11:7 as 4th UN placement and final 8th King UN world government presentation parallel.

B. Both the "two witnesses" first and Babylon the Great and others will be targets of that final uni-polar 8th King attack phase during a "freedom from care" and proclaimed world "peace and security" period of 8th King completed world government - thus "world peace" is defined by the 8th King uni-polar agenda then in full operation.

10. That globalized consolidation of Revelation 16:13-16 (Ps2) as Revelation 17:11-17 is the full "congregation" of Gog of Magog of Ezekiel 38-39 and the "congregated" and consolidated 8th King allied "kings" and "armies" of Revelation 19:19-21;

12. Isaiah, Micah, Hosea, and Amos have parallels to initial judgment that Joel, Habakkuk, and Zephaniah bridge to final judgment parallels in Jeremiah and Ezekiel clarified further by Zechariah, Haggai and Malachi and other prophecies as Daniel and Revelation provide the spiritual structural framework into which all prophecy connects in final form foregleamed by initial foregleam fulfillments leading to this climax development.

13. Once one sees the basic concept in God repeating judgments and principles many times leading to the climax summary of all of it, one can find many more parallels of the past that are now present in the current Christian condition and will be manifesting in this final cycle as other prophets contain details that are applicable to modern times all the way to it's conclusion.

14. Revelation 17:8-18 final 8th King globalization of world sovereignty revisits Genesis 11 world government attempt under implied King Nimrod centered in "his kingdom" cities as mainly Babel and it's "tower of Babel"; Zephaniah 3:8-9 globalized unification and human language reset to a sole "pure language", for real, in final form, connects final 8th King world government activity as triggering a divine intervention
whose language component connects to God's former divine intervention in Genesis 11 to break human globalized unification for the purposes of resisting divine decree.

A. The 8th King completion as sole world sovereign is merely the Genesis 11 "Tower of Babel" world government attempt in it's final version and form of global defiance to the Messianic Kingdom.

**Contrary to current JW subversion:**

1. The overall judgment to proceed over a number of prophetically marked periods starts with Jehovah's witnesses not Babylon the Great. (1Pet4:17);

2. Daniel 11:30-45 is the 3rd (Dan11:31b) and 4th (Dan11:45) 8th King UN manifestation continuum (Dan11:36) as final "King North" meaning of globalist world government.

A. Daniel 11:42-43 must manifest in 8th King world wealth control prior to Daniel 11:44-45;

3. Daniel 8:11-14 is the modern final temple judgment sequence paralleling events and developments in Daniel 11:30-35.

4. That ensuing tribulation eventually ends (Matt24:29) into an 8th King guided world recovery (Isa41) signal period (Dan8:25) and world "peace and security" final 8th King sovereign statement series (1Thess5:1-3) of that completion as Daniel 12:11 "disgusting thing" final placement as parallel of Daniel 11:44-45, Daniel 8:25, Revelation 11:7 identical developments.

5. Babylon the Great aids the 8th King deceptions and confusions of this final cycle to it's conclusion and is present into the 6th plague of Revelation 16:12-16 final fulfillment and Revelation 17:12-18 final sovereign developments of her deposition to aid the world peace effect and resourceful world recovery by her deposition and asset absorption at the end of the 8th King world government cycle. (Rev16:12; Rev17:15-18);

6. The period coming on Jehovah's witnesses and the world is not the end, but the beginning of the Daniel 11:42-45 final phase merging into Daniel 12 timed periods as Revelation 8-11 and Revelation 15-16 final sequence to 8th King world government and Messianic Kingdom concurrent completion marked by JW temple judgment of Daniel 8:13-14 as the commencing signal development.

7. Since the 8th King is already in control of over 50% of world wealth (and other world power components in government and military) to expand in 8th King consolidation in the coming Daniel 11:42-43 world wealth globalization intrigues, though severe the final tribulation is an engineered event of selective stressing not total world collapse.

A. That orchestrated global tribulation aids 8th King consolidation of the final portions of wealth (Dan11:42-43), military (Joel3:9-12) and sovereign power (Rev17:12-18) and the resultant irreversible controlling "king north" polarity as "the tribulation of those days" is designed to create a global atmosphere for world peace hopefulness as the tribulation ends into a final UN world government presentation as in the three former sub-cycles of 1919, 1945 and 1990.

B. The Christian ministerial "trampling" of Daniel 8:13-14 and eventually the final "trampling" completed 8th King attack of Revelation 11:1-7 replication will mark the spiritual symbolisms of the "tribulation of those days" start and end points. (The 8th King attack on Babylon the Great (Rev17:15-18) may begin in the final attack phase of the "two witnesses" in some manner);
C. Babylon the Great is still present as the final "two witnesses" are killed and thus the Kingdom completes to monitor that final Babylon the Great judgment (Rev18:8) and final 8th King phase completions in their midst. (Rev6; Ps110); (Rev14:1-13; Rev16:12-21; Rev18:9-15 and Rev11:7-10 indicate Babylon the Great is present as the 144000 complete and shortly thereafter, thus still present after the "two witnesses" are killed);

D. The "Sodom and Egypt" "great city" meanings of Babylon the Great influence means that religious system will aid 8th King "war with the two witnesses" and must be present and also resisting the "two witnesses" final Messianic Kingdom message.

E. The Revelation 16:19 clue is the "great city" is destroyed in post 7th plague (7th trumpet parallel), 144000 completing events.

8. An actual 8th King operative world super-sovereignty is required prior to Christ's actual Messianic Kingdom conquest as such a full 8th King uni-polar world power is currently non-existent as an operative uni-polar world sovereignty and requires a final worldwide globalization cycle (Dan11:42-45; Rev17:11-18) to complete said rival sovereign "scarlet wildbeast" as complete world government in addition to the UN central "image".

A. Christ cannot arrive to depose a non-existent rival sovereignty in complete form.

B. Christ arrives after the "tribulation of those days" ends as parallel Matthew 24:29-31 and Revelation 11:7-12 sequence events.

C. The Messianic Kingdom is also incomplete and must also have a final phase of completion to enable the final King-Priest coronation of Christ as official Messianic Kingdom full King.

9. All these things indicate "the end" is some prophetically defined and marked years away, and a final globalization cycle and judgment cycle is what is beginning (not ending) in the activation of Daniel 11:42-45 - it is not "the end" lawless UN allied Bethel claims will occur next as such deceptive confusion will aid the final 8th King cycle completion for a while into that tribulation starting on Jehovah's witnesses delayed in understanding as that cycle begins.

The Prophetic Replication Redefines, Recommissions and Redeploys the Final Purified Christian Ministry from Current Bethel "Operation of Error"

1. The original Christian defining ministry of Jehovah's witnesses original developing interpretations of these prophecies in initial form provides the guiding pattern of the final fulfillment sequence, events, elements and final sovereign meanings.

A. The original significance of JWs tracking two UN prophetic manifestations of 1919 and 1945 and then derailing that prophetic and world event tracking at the 3rd UN placement of 1990 is the key issue and that subversion is the core objective of the lawless UN 8th King aiding diversion and a significant part of the "operation of error" that now invalidates the full meaning of the JW, now compromised Christian ministry.

B. Diverting that understanding also subverts JW understanding of also the Messianic Kingdom final developmental cycle as it too is no longer tracked and explained properly by Jehovah's witnesses.

C. Thus the ultimate meaning of the JW Christian ministry in UN 8th King and Messianic Kingdom required
completion and the required final prophetic cycle to full Armageddon confrontation is also now lost and not present in the subverted JW Christian ministry.

D. These issues are not trivial, nor is the Christian ministry complete or acceptable to God as many JWs are now misled to believe by the Bethel UN allied deceivers.

2. Thus the revelation of the replication of all sovereign prophecy and completion of key Messianic Kingdom, 8th Kingdom and Temple sequences will merely redefine the Jehovah's witnesses original Christian ministry to refocus on 8th King and Messianic Kingdom final events correctly, upon a timed and replicating framework of great spiritual and world government significance in prophecy repeating in detail rather than abandon or "reinvent" the JW religion according to the erred course of its current leadership of approximately 40 years of Governing Body diversion, idolatries, subtle corruptions and world known lawlessness and UN allegiances now undermining that critical Christian ministry as foretold. (Revelation 8:10-12);

A. That final Christian ministerial redeployment must be into a progressing world tribulation and final 8th King cycle also activating as overall world context of the whole final phase;

3. The temple cleansing removal of the Bethel lawless factions and the removal and exposure of the actual Governing Body "man of lawlessness" "in the temple" foreign "body", agenda and non-biblical origins will mark the end of the temple desolation "evening" of JW darkness as that error and lie must give way to the temple "morning" of final enlightenment and a great world signal of what will follow these developments guaranteed in the prophecy and 8th King trajectory to resist the Messianic Kingdom also completing in simultaneous fashion towards the Har-Magedon final resolution of who Earth's final rulership entity shall become.

Final Bethel Subversions

1. Bethel and the Governing Body will aid 8th King objectives until divine removal; (2Thess2:8; Zech3:4-5; Zech11);

2. Bethel promotion of the "Daniel 11:44 next" as the expected next unknown "King North" events allows the actual 8th King/King North events of Daniel 11:42-43 world wealth intrigues and Daniel 8:13-14 temple desolation to be presented to Jehovah's witnesses and the world as "the end" and terminal "great tribulation" in error.

A. This fiction will present what must be future events prematurely and out of sync with the final 8th King globalization cycle of the Daniel 11:42-45 sequence to merge into Daniel 12's replication to use that illusion to cover up what prophecy is actually activating.

B. With this fiction the temple desolation for UN NGO sins (Dan8:13) and 8th King alliances (Dan11:31b) can be made to look to JWs like "the end of the world" and a Babylon the Great attack scenario to aid the hoax and illusion of a premature end amidst a now "self fulfilling" and well expected desolation of the JW organization but not for the actual reasons (Dan8:13) presented to JWs deceived into this hoax.

C. A final fictional version of "King North" can then be presented as "fulfilling prophecy" to further conceal actual 8th King King North final events of Daniel 11:42-45;

D. The JW organizational desolation and incomplete ministry can then be "explained" with fictional rationale to mislead, delay and bewilder JWs further as long as possible into the final 8th King cycle beginning, sold to
JWs as "the end", aiding the derailment of the JW ministry and delaying the recovery to valid truth as long as possible.

E. Bethel lawless operations want to delay JW awareness of prophetic and world event reality as long as possible by this well placed and presented fictional scenario amidst actual JW organizational desolations backing the illusion as JW perceived "end of the world", which will actually be the required temple desolation, not the JW expected "end of the world", but the beginning of the final phase.

3. A possible 2014 centennial timing relationship to 1914 may be used to exacerbate the effects of the illusion which goal is to derail and bewilder JWs as long as possible into the final 8th King multi-year globalization cycle of Daniel 11:42-45 as JWs perceive an "end" scenario in error;

4. Since the 8th King and Bethel are in collusion, a possible 8th King decoy and premature "peace and security" statement from an incomplete world governmental system may aid this Bethel illusion to further bewilder and mislead JWs in this final cycle activation period fully misidentified as to actual significance;

A. Whatever develops in reality, Bethel and the 8th King want to provide an explanation and actual world events big enough to make JWs think it is the terminal "great tribulation" phase leading to the "end of the world" shortly thereafter;

B. It will be a tribulation, but it will go on for years and be resolved as per prophecy (Matt24:29) into UN 8th King final world government, and the 8th King and Bethel want JWs unaware of that final cycle and it's duration and prophetic meaning as long as possible into those final years. (Prophecy identifies the extent of Bethel and 8th success in maintaining this illusion; (Dan8:13-14; Hos1:4-7; Hos6:1-3);

C. Thus Bethel engineered theology ignoring post 1990 8th King progress has key placed "self fulfilling" JW expectations allowing a reverse engineering of what Bethel is attempting to do from these hints in current theological error set-up in the JW collective mind to aid the JW organizational "trampling" of Daniel 8:13 and it's concealment as temple judgment while JWs perceive the events in error as Daniel 11:44 attack manifesting, actually out of sequence and in error causing more subsequent bewilderment and potential of JWs being herded into 8th King Bethel organizational conduits "at that time"; (WT quote (WT 11/15/2013, pg. 20, par. 17, #3);

5. Thus part of the overall Bethel lawless development is creation of a fraudulent theology designed to cover-up the JW organizational desolation with fictional explanations to undermine the actual ministerial explanations with now well implanted fictional theology to attempt to destroy and delay the JW valid awareness as long as possible for a grand illusion of what will be a premature "end of the world" expectation in JWs unaware of this reality.

6. Thus the Bethel system can continue to ride this illusion well into the temple desolation period of Daniel 8:13-14 "evening" (Hos6:1-3) delaying JW valid understanding as long as possible as the 8th King embarks into the final UN cycle with no valid exposition from Jehovah's witnesses now deluded by Bethel purposeful subversive deceptions for decades of lawless apostate preparation.

7. This is why divine removal of these Bethel well rooted impediments is necessary and contained in the temple judgment desolation prophetic details to provide the needed purification and recovery context of a valid Christian ministry by divine intervention in stealth manner to secure a final ministry and period of recovery to explain this final cycle as the "little scroll" eventual final world warning to result from the current JW organizational apostasy.
A. The temple judgment of Jehovah's witnesses will provide a high profile global signal and attention in time to the actual meaning as 8th King globalist and Messianic Kingdom issues are at the heart of this judgment and must come forth into the final explanation globally.

B. The prophetic replication fully harmonizes the entirety of prophetic meaning and sovereign import of final resolution of planet Earth's final Kingdom rulership; (Rev11:15-19);

**Timed Temple Judgment of Jehovah's Witnesses - Daniel 8:13-14**

The final temple judgment of Jehovah's witnesses is a timed prophecy with two phases as "evening" darkness beginning the judgment in temple desolation and a "morning" recovery period with "evening" darkness first:

(Daniel 8:14) So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition: ("right condition" = Mal3:1-5 and Zech3:4-5 purification of temple and priesthood);

If each "evening" and "morning" add towards the 2300 count, this is 1150 days (3.194 years);

If each "evening" and "morning" are counted as one "day", this is 2300 days (6.38 years); If it is a phasing it is 1150 days of each phase; This is a divinely provided timed signal prophecy of JW organizational desolations in order that stubborn and misled Jehovah's witnesses can understand it is the temple judgment (made aware in Revelation 8 first four trumpets) which begins the final cycle of prophecy replicating Revelation 8-11 after the temple judgment unique signal timed period;

The overall world judgment to proceed from this signal temple judgment begins with Jehovah's witnesses (not Babylon the Great as per Bethel apostate purposeful error):

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God.

It is not premature Daniel 11:44 either, as deceptively promoted by apostate Bethel to cover up the temple desolation "trampling" as if it is the "end of the world" prelude of Daniel 11:44-45;

This temple desolation is for the "transgression causing desolation" (UN NGO) as the dubious Bethel dedicated United Nations Non Governmental Organization (UN NGO) Bethel alliances and Bethel co-promotions (Awake! 9/8/1991 inception) of the 3rd United Nations placement at Daniel 11:31b after the "cold war" concluded as the prophetically and historically unique "cold" world war 3 as also a prophetic identifier (Dan11:29) in 1990:

(Daniel 8:13) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the (Dan11:31 Bethel profaned) constant [feature] and of the transgression causing desolation (UN NGO fulfills Matt24:15), to make both [the] holy place and [the] (JW) army things to trample on?” (by 8th King Bethel aided intrigues)

That 8th King first "trampling" will come from the very same source as the Bethel dedication, the 8th King, as the Governing Body also covers up King North actuality as the 8th King fulfilling prophecy from Daniel 11:30-45, as a prophetically required "successful" continuous 8th King prophecy (Dan11:36 requirement) from 3rd UN placement of Daniel 11:31b in 1990 (supported by Bethel UN NGO 1991), to the 4th and final UN placement at Daniel 11:45 Armageddon prelude to God's complete denunciation (Dan11:36);
Thus Bethel is the foretold apostasy leaders as Daniel 11:32 parallels final "man of lawlessness" revealed in the Governing Body at 2Thessalonians 2:1-4 by his UN adulteries and other organized lawlessness affecting all JWs; (Zech3:1-3; 2Pet2:1-3; 2Cor11:13-15); The temple inspection now completing finds Bethel "befouled garments" profaning the anointed priesthood at Zechariah 3:1-3;

Affirmation of the temple judgment "evening" and "morning" phases of final JW temple judgment and purification of the Bethel apostates now leading the ministry into profanation and transgression as foretold (Dan8:11-14; Dan11:30-35) is given by the angel Gabriel affirming the temple prophecy periods of darkness and enlightenment are the truth (Rev8:1-6):

(Daniel 8:26) “And the thing seen concerning the evening and the morning, which has been said, it is true.

Thus the "evening" period of the JW temple judgment is in desolations and spiritual darkness due for 8th King UN NGO covenants, and the "morning" period is the foretold recovery to JW enlightenment:

(Isaiah 17:14) (Daniel 8:14 "evening" and "morning" temple judgment phase parallel:) 14 At evening time, why, look! there is sudden terror. Before morning—it is no more. This is the share of those pillaging us, and the lot belonging to those plundering us. (Eventually God covertly strikes the 8th King operations (Rev9) eventually prophetically progressing to the 8th King extermination at Armageddon);

Revelation 8 in final fulfillment indicated by the JW temple judgment and desolation is the "fire of the altar" purification overview (Isa6:6-8; Rev8:1-6) paralleling the temple judgment of Daniel 8:13-14 (1Pet4:17), as Revelation 9 "abyss" is where Jehovah's witnesses are going for some years of this signal temple desolation, until the timed period of the desolation "evening" phase of temple judgment is met;

Revelation 9 foretells this recovery after the timed desolation (Dan8:14) is met in Hosea's three year signal to affirm Daniel 8:14 to JWs in Hosea's (the whole book) final fulfillment Bethel indictment:

(Hosea 6:1-3) “Come, you people, and do let us return to Jehovah, for he himself has torn in pieces but he will heal us. He kept striking, but he will bind us up. 2 He will make us alive after two days. On the third day he will make us get up, and we shall live before him. 3 And we will know, we will pursue to know Jehovah. Like dawn, his going forth is firmly established. And he will come in like a pouring rain to us; like a spring rain that saturates [the] earth.'

In Hosea 6:2 the three "days" are symbolic of three years of Jehovah's required desolation of the JW temple for serious transgression paralleling the Daniel 8:14 divine decree of timing as also 1150 days, 3.19 years of "evening" in JW temple desolation for UN related transgressions;

Which Daniel 8:14 affirming period of approximately three years is also found in the Assyrian deliverance prelude "sign for you" of Isaiah 37:30-32, as a divine signal prior to God's angel wiping out 185,000 Assyrians (Isa37:36) in limited covert manner, which the Revelation 9 JW temple recovery Destroyer (Rev9:11) will also do to the 8th King covertly to end the temple desolation "evening" period, as JWs come out of the Revelation 9 "abyss" to "light", to effect the temple purification and foretold JW ministerial recovery after the temple desolation of approximately three years ends, leading to JW recovery, upon a divine signal timing and meaning:

(Isaiah 37:30-32) ““And this will be the sign for you: There will be an eating this year of the growth
from spilled kernels, and in the second year grain that shoots up of itself; but in the third year sow seed, you people, and reap, and plant vineyards and eat their fruitage. (cleansed "constant feature" restored with final warning meaning of a prophetic replication of Rev8-11 in progress)

31 And those who escape of the house of Judah (Hos1:7), those who are left remaining approved JWs through the temple judgment, will certainly take root downward and produce fruitage upward. 32 For out of Jerusalem a remnant will go forth and those who escape out of Mount Zion. The very zeal of Jehovah of armies will do this.

8th King Attempts to Overextend the Divine Desolation Decree on Jehovah's Witnesses Globally

The 8th King "Assyrians" and the Bethel 8th King placed impostors (Dan11:30-31, 41; Luke21:20; Matt24:15) know God will give JWs into the judgment for the UN NGO "transgression causing desolation" (Dan8:13) as that is why the "man of lawlessness" Governing Body even "placed" the "disgusting thing" at Bethel as UN NGO virtually in secret in 1991 in the first place, to draw JWs into judgment as foretold - and the 8th King "Assyrians" know the judgment:

( Isaiah 36:10) And now is it without authorization from Jehovah that I have come up against this land to bring it to ruin? Jehovah himself said to me, 'Go up against this land, and you must bring it to ruin.'”

But God will not allow the 8th King to go beyond the divine decree ( Isa37:30; Dan8:14), as in the Isaiah 36-38 account the Assyrians also tried to go beyond God's Israel judgment (740 BCE) to attempt to also take Jerusalem in divinely illegal attempted over-extension of the judgment only to meet the Destroyer Angel of God in the night; The same thing will happen to the 8th King anti-temple, anti-JW overextended global operations beyond decree, also prophetically and covertly carried out by this King Angel Apollyon/Abaddon to mark the end of the signal period;

The lawless Bethel factions and Governing Body are fully removed in this period's climax as well, the 8th King is merely delayed by God to carry out the temple recovery;

The 8th King first "trampling" (Dan8:13) of Bethel symbolized "Israel" rulership, will not extend to JW Christians being wiped out completely in the worldwide field as the angelically protected "Jerusalem" symbolized deliverance of Revelation 9's Destroyer Christ is shown also in Hosea 1:7:

(Hosea 1:4-7) (Bethel desolation certain:) And Jehovah went on to say to him: “Call his name Jezreel, for yet a little while and I must hold an accounting for the acts of bloodshed of Jezreel against the house of Jehu (anointed body), and I must cause the royal rule of the house of Israel (Bethel) against the house of Jehu (anointed body), and I must cause the royal rule of the house of Israel (Bethel) to cease. 5 And it must occur in that day that I must break the bow of Israel in the low plain of Jezreel (Bethel's desolation) 6 And she proceeded to become pregnant another time and to give birth to a daughter. And He went on to say to him: “Call her name Lo-ruhamah, for I shall no more show mercy again to the house of Israel (Bethel judged), because I shall positively take them away. (Guaranteed Jerusalem deliverance:) 7 But to the house of Judah I shall show mercy, and I will save them by Jehovah their God; but I shall not save them by a bow or by a sword or by war, by horses or by horsemen.”

Which "save them by Jehovah their God" was by, and will be by in the near future, by covert angelic means:
(Isaiah 37:33) “Therefore this is what Jehovah has said concerning the king of Assyria (8th King symbol as temple judgment desolator): “He will not come into this city, nor will he shoot an arrow there, nor confront it with a shield, nor cast up a siege rampart against it” (See Isa31:8-9; Mic5:5-6);

And that will end the 8th King divinely permitted "trampling" temple attack of Daniel 8:13-14 for the UN NGO "transgression causing desolation" as Jeremiah's book of Lamentations, in final fulfillment, describes the JW temple "evening" of that divinely required desolation for serious UN related fornications by JW leadership at Bethel in the Governing Body and WTS centers of lawlessness;

8th King Set Back

This Destroyer aided global 8th King covert assault will set the 8th King as "sun" (Rev16:8-9) back "ten steps" as a sign of JW temple recovery in that unknown period of restoration provided, to allow the JW temple recovery to proceed from temple judgment, desolation and purification (Rev8-9; Zech3:4-5)) to the final cleansed JW commission of Revelation 10-11 some years later;

Thus the final 8th King attack of Revelation 11:1-7 replicating in final fulfillment while accompanying his drive to and completion of the 4th UN world government final placement (Dan11:44-45; Dan8:25; Dan12:11 (replicating)) at a timed period (Rev11:2-3) divinely delayed from Revelation 8-9 temple judgment first 8th King "trampling" desolation over the final world warning (Rev10 "little scroll") to the final 8th King attack of Revelation 11 after the final 1260 days expires. (Rev11:7);

This 8th King symbolized delay shown below, will allow that temple recovery to proceed, and require 8th King resumed attack some years later:

(Isaiah 38:8) 8 Here I am making the shadow of the steps that had gone down on the steps [of the stairs] of Ahaz by the sun retrace backward ten steps?"” And the sun gradually went back ten steps on the steps [of the stairs] that it had gone down.

Good King Hezekiah's recovery pictures the JW anointed temple recovery; God will conclude the 8th King effected temple desolation of Daniel 8:13-14 to allow a temple recovery to clean up the JW ministry from Governing Body pollutions (Rev8:10-11) as that add-on "body" is naturally "set in opposition" to the "body of the Christ"; (2Thess2:1-8); This JW temple judgment therefore is activating Revelation 8-11 in final fulfillment as a guiding prophetic replication for God's people to know what is really going on since even the temple judgment and it's prerequisite Bethel and Governing Body "man of lawlessness" and their UN 8th King related apostasy; (2Thess2:3-4; Dan11:30b-31);

Jehovah's witnesses must be cleansed of lawless leaders, deceptive Daniel 8 and 11 teachings and various JW "weeds" (Zech3:1-5; Mal3:1-5; 2Thess2:8) well prior to Armageddon, as the Israel pattern is now repeating plainly in Jehovah's witnesses denial amidst Bethel's repeating pattern of organized lawlessness and apostasy, as per prophecy as a divine signal enabling the final temple judgment of Jehovah's witnesses; (2Thess2:3; Dan11:32; Dan8:11-13);

When Bethel is desolated in a plain starting signal from God, MARK your calendar; JWs will go to the Revelation 9 "abyss" for three years unto recovery and complete purification on all temple trespassers; (Isa66:6);
FYI - The Verification Event(s) and Timing Coming Soon

**Verification of Temple Judgment Soon - To Go On For Some Years**

1. There will be an overall catalyzing event(s) of many possible causes or combinations from unknown for now source(s); as military, terror, technological; (real or false-flag) and or a critical natural disaster event(s).

   A. (That will be Daniel 11:42-43 activating in overall Daniel 11:42-45 4th UN world government progression to Armageddon over an approximate decade);

   B. That/those event(s) will eventually become a global situation developing into signal tribulation to go on for some years. (Rev16; Hag2:7; Dan11:42-45 must merge into Daniel 12 "during that time");

2. That will form a global and developmental context of immediate or eventual JW Bethel financial and organizational attack (as Dan8:13 indictment "trampling" by 8th King planning) on the JW worldwide organization corporate and ministerial resource base which will affect the entire JW ministry temporarily ceasing it's operations; (Dan8:11-12) (That will activate Daniel 8:13-14 as 1Peter4:17 (Rev8:1-6; Zech3:2; Isa6:6-8 purification desolation/meaning of final temple judgment)

3. That will form a world tribulatory development at eventual global scale that will continue as a worldwide tribulation/war development to eventually resolve (Matt24:29) into UN world government as in the three former uses of hot or cold world war resolved in 1919, 1945, and 1990 into UN "world peace" presentations. (Dan11:42-45);

**The Coming Proof Sequence**

1. The Daniel 8:14 dual phase timing verifications (of "evening" desolation and "morning" recovery sequences; Dan8:26) will unfold in divine judgment upon the last formerly approved Christian ministry (JWs) exposing the first 2 UN prophetic manifestations (1919; Rev13:11-15; 1945 Rev17:8-11; 1920-1970+/-), and covering up the third UN manifestation since 1990 (Dan11:31b), as Bethel UN NGO.

   A. That Bethel and JW based prophetic UN sequence cover-up is why God is removing the subversion as part of the temple desolating purification process.

**Timed Temple Judgment Phases:**
(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the (polluted) constant [feature] (removal) and of the transgression causing desolation (UN NGO), to make both [the] holy place and [the] (JW and anointed) army things to trample on?” (8th King planned "trampling" desolation of JW org) 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.” (temple purification; Zech3:4-5)

2. This timing and eventually known meaning as Revelation 8 (final fulfillment) first four trumpets will be verification of where the Daniel 8:13 "transgression causing desolation" required "trampling" is targeted (on JWs) by 8th King intrigues (to attempt to silence all UN prophetic meaning), internally aided by Bethel, permitted by God as a signal event of more prophecy to fulfill during and after this time period expires.

A. The overall Revelation 16 final fulfillment first four plagues will provide the global context meaning of these overall developments into which context Bethel will go down hard for UN NGO and cover-up; (Dan8:12b; Dan8:13; Isa66:6);

B. The JW organizational temple judgment desolation and it's verifiable timed period will be proof for doubting JWs (and others) as to the true meaning of these events unfolding.

3. The connection to valid former UN exposition as prophecy in the former JW ministry (1914-1970) and cover up of the third UN placement (1990) as UN NGO, and it's connection to the 4th UN cycle in activation at that time proceeding to UN world government as 8th King final fulfillment, will be the direct reasons for this ministerial attack permitted by God, as the 8th King attempts to silence the overall UN world government progressive eventuality (Dan11:30-45) as leading to impending and inevitable Armageddon divine war in a super-cycle of four UN placements since 1919 ending into the 4th placement coming up (Dan11:45 4th UN manifestation). (Dan11:42-45 + Rev17:11-18 = Rev16:12-18);

**Ministerial Recovery Proof**

1. The JW ministry will be purified and clarified of all current Bethel UN diversions, and redeployed as a final world warning of also Kingdom completion concurrent with UN world government completion for the years after the Daniel 8:14 "evening" desolation to actual Armageddon.

2. The JW ministerial cessation will be the parallel Revelation 9 "abyss" state of final fulfillment as Dan8:14 "evening" darkness of temple desolation. The recovery of Daniel 8:14 "morning", will be the Revelation 9:1-4 "abyss" being opened releasing JWs from the desolation phase of the 8th King by covert supernatural means to ensure a ministerial clarification of the UN 1-2-3-4 phase then completing, and the assured recovery of the Christian ministry for final world warning deployment.

A. There will be enough final years to fulfill this prophecy and warning live and real-time into 8th King UN 4th placement as full world government concurrent. (Dan12:7, 11; Rev11:1-7; Rev 11:7 as Dan 11:44 final attack ending into Matt24:29-31 as Rev11:8-14)

3. These things are replicating known Christian temple judgment principles, this time amidst the final UN drive to actual world government and it's tributary "birthing" stage.

**Timed Verification and Signal Events**

1. These initial signal events are timed (Dan8:14) because even JWs will be doubting the meaning for the
initial years of the desolation in utter confusion in a ceased Christian ministry, temporarily ended as per Daniel 8:13, to meet 8th King objectives of UN prophetic concealment and to allow UN NGO judgment accounting from God by a desolation concurrently in action. (Dan8:13-14);

A. (The overall divine judgment is for the Bethel "transgression causing desolation" as UN NGO which accompanied Bethel's deceptive diversion of UN 3rd placement meaning as the Daniel 11:30-45 King North continuum (Dan11:36) as actually 8th King developments also concealed by Bethel impostors and defectors; (Dan11:30-32; Dan8:11-13 parallel prelude Bethel apostate developments leading up to the 1990 UN NGO related full defection of the formerly valid Christian ministry exposing the first 2 UN placements properly in 1919 and 1945.)

Anointed Clean Out First in Cycle (1Peter 4:17; Matthew 25:1-13);

1. The anointed judgment and removal of five "foolish virgins" in all Christian anointed worldwide is required years prior to Armageddon to deploy five approved "wise virgins" in holy covenant to carry out the final Kingdom completion ministry of Revelation 9-11. It is a great signal period appealing to all Christians and people, not just JWs who will be the focus for world attention to make the final UN and Messianic Kingdom issue fully known - which issue is currently covered up by Bethel's foretold lawless apostasy (Zech3:1-3; Dan11:32a; 2Thess2:3-4).

A. Fraud anointed are also cleared from the final ministry as in the "I never knew you" Matthew25:11 statement.

2. God already knows people will doubt and all the virgins have fallen asleep spiritually (Matt25:5, 1-13; parallels Rev9:4 meaning), so this signal is timed (Dan8:14) in a greater overall world development that must continue, to first appeal to the five "wise virgins" of what will follow as it is already present in minor preview form in the initial JW ministry from 1914 that did successfully expose 2 UN placements and Messianic Kingdom developmental truth concurrently.

3. The JW ministry was valid until recent UN NGO Bethel defectors overran the formerly valid Christian ministry of Jehovah's witnesses by internal Bethel compromise (2Thess2:3-4; Zech3:1-3; Dan11:30-32a) led by the Governing Body foreign human installed (1976) claimant but impostor temple entity not of divine origin (2Thess2:11-12) as only the "body of the Christ" is the divinely approved "holy covenant" body being clarified and recovered at that time of needed and well foretold purification.

A. The "body of the Christ" is not dependent on Bethel for identification as anyone believing the Bible as God's Word in Christ can be used by God for final anointed selection.

B. But Christian anointed of 1914-1960+- did employ the ministerial resources identified with Bethel as a means to an end, and did use that center of operations to carry out the initial global Kingdom ministry in approved form - as proven by exposure of the first 2 UN placements and meaning as no other claimant Christian group made such concurrent Kingdom proclamations of truth and urgency of times as did what became JWs from IBSA roots. Yet God, as before, can call anointed from any location of his spiritual temple courts. The Bethel judgment will serve as an eventually well known signal of more fulfillments to come.

C. This is a renewed Christian final call to regroup in a valid final ministry. (Hence the Rev8 "trumpet" alarm meaning)

4. The Governing Body will be permanently deposed and exposed in the end period of the Bethel desolations.
By anointed context and relations JWs will also be judged first and exposed as UN allied co-promotional and misinformation agency since at least 1990 mostly by deceptions of the Governing Body subversion control center. (Rev8; 1Pet4:17);

The Coming Decade

Since these things take place over a number of years of initial world tribulatory development at global scale with massive financial meltdowns and intrigues as precursor developments (Dan11:42-43), great events over sufficient time will prove the veracity of these prophecies as they manifest to even a stubborn anointed Christian body currently asleep, unaware, in denial or in defection or truly seeking the truth.

The anointed body is the ultimate target of the judgment and 8th King intrigues providing the context of desolation in a much broader worldwide set of developments leading to 4th UN placement by use of world tribulation to resolve and make final UN world government presentation an approximate decade after temple desolation starts.

Eventually world events and divine provided guaranteed timing (Dan8:14 + Dan12) and greater meanings will become undeniable to approved and repentant anointed to spearhead what is to follow (Rev9-11) guided by Christ for God;

Four Time: World War to World Government Formula

Obscuring Three World War Continuum So Far Including The Cold War Hides The Actual Quadruple UN Super-Cycle Active Since 1914-1919

There has developed since 1990 in increasing fashion a broader assessment of the actual final foundational cycle for a new world order actually being implemented as seen in national governmental, financial and military manipulations that must lead to a resolution which empowers globalized system of administration fully. Many of these Luke 21:25 affirming "signs" are describing or implying the structural erosion of former nation-state systems as now facilitated for a greater global dynamic at a unique multi-national global scale).

What is described below is a quadruple cycle process already in world operation since 1914 and World War 1 leading to the League of Nations globalizing entity that contains the main pattern of all these four phases resulting in a UN world government presentation of it's advancement at those times in 1919, 1945, 1990 and he future.

This actually simple "insight" is based on past UNO-NWO related developments as a repeating process that manifested in public view after a world war conflict was resolved, since 1919 and the "League of Nations" internationalist hub forum, and in 1945, and in 1990, and the future. "Insights" in that the pattern is actually hidden in plain sight, this is not "theory" but history now, and as such ironically the bigger pattern seems a mystery to most researchers touching on globalization issues whose nucleus is indeed the "United Nations" and it's charter extended to globalized maximum projections, also to not just be theory, but applied over the next two decades, and theoretically the rest of earth's human history.

This "summarizes" what many see in other details but fail to elucidate to it's final meaning and the actual nature of the progression in a fourth time manifesting world cycle to a UN world government completion, a world peace born from a tribulatory phase designed to be resolved (Matt24:29) into this final global sovereignty. This summarizes in simple concept form, what all the "conspiracy theory" and globalization research ends up guessing at as the overall meaning of what they are describing in various ways that will
actually lead to the same global outcome. In general many see pieces of the puzzle, but none reliably project the final "big picture" of what will actually achieve a UN defined period of "world peace" after a major world tribulation period birthing this UN world government "solution" is resolved in ways unknown in detail, but already seen three times in UN world history in general.

**UN 1-2-3-4 Super Cycle**

The first distraction to try to refocus clearly around, is the fact the "cold war" was a world war of unique character, described as "cold" to identify the key feature of what is otherwise a third world war. Therefore it's formulaic and cyclic relationship to WW1 and WW2 was a continuation of then three sub-cycles resulting in a United Nations progressive and expanding manifestation to conclude the cycle.

And this "distraction" by the "cold war" description and disconnection from that 1-2-3 progression nature and outcome, by that somewhat ambiguous "cold war" world historic descriptive terminology is important to see through, because that cold war description, as implying it is not a true "world war", diverts awareness and attention away from a world war 1-2-3 phasing progression now present. This psychological disconnection of the public recognition of those three world wars inter-relationship to UN world government presentation now truncated and essentially removed from public psychological awareness also aids concealment of what is actually formulaically occurring here. In fact three times now, it has all been actually a fully UN presenting related continuum to world government developing presentations, three times, employing a form of world war, 1-2-3, now three times, in what eventually became a public UN related presentation AFTER those conflicts were resolved into a United Nations developmental statement and ongoing international forum in 1919, 1945 and 1990.

And that natural distraction from an actually present world-war-to-world-government continuity also truncates what will actually become in this fourth and final cycle a 1-2-3-4 manifestation overall United Nations developmental super-cycle employing world war in some form, again, to resolve into the NWO core UN proclamation (of the future decade), as in the three previous renditions of this sub-cycle since 1914 and WW1.

It is also important to realize that from the say 25% approximate financial world wealth control of the Anglo-American elite system forming unofficially since 1860 marked that percentage of control, prior to WW1, each UN rendition/WW cycle has added at least another 10% of consolidation of core globalist power - meaning the actual UN supporting world network has also expanded greatly and became more powerful with each WW cycle as time has progressed. It is not a benign world government development, but one intending 4 cycles to COMPLETE it's intent of an actual world government in dynamic fashion employing the same formula.

And this is a very important continuum of now reliable repetition of development and use of world war to understand and see in an actually well connected and purposeful manner, because now we see the use of three worldwide scale conflicts (including the cold war), regardless of hot or cold actually distracting descriptive features of continuity recognition of the more important UN development presentation, did in fact result in a peace resolution highlighting UN related validity, credibility, progress and continued existence in a public global statement campaign following those global war conflicts' resolutions every time the cycle ran.

As far as public UN related nucleus NWO developments, the post cold war UN presentation of 1990+ actually included the "new world order" "objective" as part of that UN manifestation. Thus UN and emerging NWO are closely related developments of an actual worldwide sovereign finality to come in a fourth cycle that is now connected and also logical.
"New World Order", is a "new" "order" of global management, another way of saying new world government connected to the United Nations international forum as it's mantra.

Thus with three uses of a world war "problem" in some form, hot or cold, those "tribulations" did in fact become conveniently resolved for a UN based world peace "solution", three times, in this formulative process within the first 80 years of it's deployment since 1914 and WW1. Thus logically the use of this very effective global war-to-resolution formulative dynamic and it's required fourth cycle of UN birthing is now intuitive as are the features of it's process from world war/tribulation global prepping effects, to it's peace resolution, to it's world government presentation.

And like the "cold war's" ability to drop off the radar of world meaning obscuring this actual continuum, the fourth "world war" already began in phase II (since the Gulf War) in 2001 as the "Global War on Terror", another way of saying "world war" "on terror". Again, the unique deployment and branding of this also now "world war" in fourth rendition is obscuring now also the 4th cycle of "global war" usage already in preliminary global positioning activation for over a decade now for the final cycle to activate in earnest to a final fourth UN manifestation in completed world government intended form.

In reality the Gulf War and Global War on Terror are for globalist positioning purposes not national sovereign preservation but the eventual capitulation of it in the final cycle. The Gulf War marked the first globalist war development to eventually result in Global NATO definition of 1999 as the convenient development of globalized military preceding the Global War on Terror.

"This is the first assault (Iraq Kuwait Invasion) on the new world that we seek, the first test of our mettle. (Gulf War)... in defense of principle and the dream of a new world order. - George Bush Sr. September 11, 1990

==

Global War on Terror is World War 4 Already Deploying

Now the "Global War on Terror" can use an already deployed and termed "world war", as unique "global war" "on terror" (GWOT) as already a stated reality, to merely escalate further into what is already a fourth world war in progress - and also aided in "hidden in plain sight" concealment by it's also unique character of description and deployment and contrast to traditionally known historic "hot" world war. A world war is already in progress and few recognize it as such, and that aids the lack of awareness, and severance of a continuum of UN development using world war to resolve in time, for "world peace", as the "cold war" "branding" also aided this diversion of awareness of the easier seen dynamic behind it all starting with WW1.

And thus, as with the cold war psychologically disconnecting descriptive nature, but in any event actually a third world war resolved in 1990, the fourth world war/tribulation cycle is also psychologically concealed as not actually being a "world war" - which aids concealment of this UN 1-2-3-4 super-cycle in the 3-4 process since 1945-1990 and after. But in fact GWOT is a world war, even declared as such, merely unique in deployment when compared to WW1 and WW2 - yet truly global, and globalist serving, in nature, and in this overall world-war-to-world-peace UN birthing formula as well.

The uncertainty of this final cycle and it's engineered nature aids the deployment of it and this is why this quadruple super-cycle is obscured from public global awareness, yet it is actually easy to see what is going on when it is simply explained in it's basic repeating pattern.

And thus a United Nations quadruple cycle overall in this approximate past century of development, closely
and directly associated with world war resolution four times in this final UN projection cycle of the next
decade employing this cyclic dynamic, is also an actually logical and easily seen 4 time, 4 phase set of
sub-cycles, of a UN birthing "super-cycle" overall, when we see through the natural mental truncation it's
descriptive character has had as implying it is not really world war since the cold war, when it's deployment
center and branding descriptions is all that is unique about it, it is a fourth world war cycle coming up,
regardless how they "brand" it, to again birth a United Nations fourth and final rendition development parallel
with the fourth sub-cycle, that must achieve it's own uni-polarity as world sovereign global government and
it's sovereign global world "peace and security" final proclamation period.

And this has interesting implications guaranteed in the final cycle.

1. Thus it is not "the end of the world" coming up, just the end of the national sovereign "order" as we knew it.
It is all just beginning in fact, is slated for a final approximate 10 year cycle and following final "ordering"
including the final resolution of a fourth world war that births this final world government.

2. A "world peace" under uni-polar global government MUST result true to it's former three cyclic objectives unrealized but stated.

3. The lack of knowledge, overall fear, uncertainty or apathy preceding the cycle in clearly over 90% of the
world population as a whole aids the intended preparatory uncertainty effect for later presenting a then to e
hoped for world government as a global peace bringer, as many assumed the worst for this final phase.

A. Completely contrary to what most think is "the end of the world as we know it", which aids the overall
global anxiety transitioned to world hopefulness of a successful world government - for many they will have
no other choice, a world recovery also results from the end of the final cycle.

Thus the design of fear and uncertainty, coupled with actual world war engineered to be eventually resolved
into a final global sovereign peace proclamation period, aids the overall world government development and
it's believability.

Side note, another subject entirely, but also logical:

The "peace" that must form this fourth time intuitively, is based on the fact a uni-polar sole military control is
what it will equal (hence not really peace, but one-sided war potential, so to speak), at which time period a
military inventory of this "world peace" global assurance of power monopoly system can then be deployed in
it's final stage of function, aiding the reduction of world population in a controlled fashion, with a sole power
and agenda guiding that obviously required activity at which time world weaponry to fortify national
sovereign definitions, is of course no longer needed for a national sovereignty that also ceases to exist, but can
be retained for other purposes until a manageable population size results, in theory.

The quadrupling nature of this super-cycle adds a final dimension of awareness to what many are trying to
explain since 1914 and WW1 resolved into the League of Nations in 1919, that many are ultimately painting a
canvas for in fourth and final phase details very clearly as well by induction of much advanced research. They
(globalist elites) will eventually achieve a "world peace" after a final drawn out cycle as before, but of course
that is also subject to the unique definitions of uni-polar power and "peace".

No nation will be able to withstand that consolidative control of world military, and that is their "peace" once
that system is fully globalized, and in the control it is heading naturally consolidatively into, following finance
and other globalizing aspects of the declaration of national sovereignty (and actual power) into globalist...
sovereign ascension upon which it was all really based, clearly seen in the last three world wars - a fourth cycle is logical and can be seen as to where it will lead in time.

It is also interesting the psychological fear complex of the unknown, also minimizes some researchers ventures into this area, but now we see a triple phase preceding it almost guarantees the overall pattern of the fourth phase. The elites plan to rule the world, not destroy it.

A Messianic Kingdom can only arrive when an actual earth based 8th King global sovereignty and public claims are completed and fully functioning which is not yet existent in the UN "image".

8th King UN World Government Progress as Gauge to Armageddon Arrival

Worldwide Globalization Provides 8th King World Government Components

It's Not "Ending" Next, It's Just Beginning The Daniel 11:42-45 Final 8th King Cycle

Wealth and Financial Globalization is First 8th King Rulership Component Process Commencing the Final Cycle. (Daniel 11:42-43);

1. The financial, military and governmental intrigues of especially the last twenty years found in easily accessible research on these various core global developments aids the multi-faceted globalization process. This globalization process evolves dynamically as these supra-national technocratic administrations must consolidate into a collective worldwide infrastructure of international guidance in uni-polar form on the Anglo-American globalist elite model - for a world government final objective.

A. In time of the coming decade approximate, this eventually must become a full fledged world government based on all the national collective systems in control of an 8th King globalized scale governance completing.
Globalization culminating leads to world government already in progress. Prophecy outlines the key components and it's inter-related process.

2. Key prophetic themes and descriptions and world developmental globalization events, research and news describing various forms of this historic world globalization evolution provide wealth/finance, military and governmental details as the core themes of "power and authority" development found in the descriptive context of these prophecies covered below outlining today's main globalization developments.

3. In fact the research and news analyses now globally proliferating are so voluminous and of such increasingly indicative detail, many other forms of the effects of globalization can be found beyond the core finance, military and governmental developments, and within them in far greater details within finance, military and governmental/political globalization subject matter and their historic record of development that resulted from this dynamic globalization process since even 1914/WW1 and the 1919 League of Nations "new world order".

4. The final 8th King phase of globalization leading to world government is outlined in Daniel 11:42-45; (As the concluding phase (Dan11:42-45) of Daniel 11:30-45 leading to the fourth and final UN placement as part of the Daniel 11:30-45 continuum (Dan11:36).

A. This Daniel 11:30-45 non-stop and unbroken progression is marked by the 1990 3rd UN placement (Dan11:31), and it's progression to that fourth cycle (Dan11:42-43) and fourth UN placement (Dan11:45) of the future is part of that final sequence of the 3rd of 4, and 4th of 4 United Nations manifestations.

5. Below are some key prophecies containing the core basic developmental principles of the globalization power triad of (1) wealth/finance, (2) military/technology and (3) government where globalization processes now active in the world are consolidating the most powerful forms of world power in centralizing 8th King control. These mostly private power sovereign administrations are in globally distributed supra-national corporations and power groups worldwide as part of the guidance system of overall globalization process (Rev13:11-15) to eventually consolidate into the "8th King" world government whole (full bodied scarlet wildbeast worldwide totality) in the future finale cycle.

World wealth control is shown as a primary 8th King goal for what becomes more obvious reasons over time. Hard wealth and world ownership authority is really the key driving wheel of the whole process. National debt is just the fuel that drives the nations into subservience in a progressive manner over cycles of power consolidation as more and more hard wealth ends up in globalist elite control in each cycle. Thus a final cycle will be the 8th King globalist elite "cherry on top" forming world government by full power consolidation in a final phase of some years.

The World Government Triad of Globalized Power and Authority

1. Wealth and Financial Globalization

A. For example the worldwide national multi-trillion dollar debt and unfunded liability crisis is logically an aid to the final financial and wealth globalization process phase outlined explicitly here:

(Daniel 11:42-43) And he will keep thrusting out his hand against the lands; and as regards the land of Egypt, she will not prove to be an escapee. 43 And he will actually rule over the hidden treasures of the
gold and the silver and over all the desirable things of Egypt. And the Libyans and the Ethiopians will be at his steps.

(Daniel 11:42-43) And he (8th King/King North symbol of globalist power) will keep thrusting out his hand against the (national) lands (by means of finance and war developments aiding consolidation of global power into 8th King hands); and as regards the land of Egypt (the symbol of collective national powers; King South "capital", Anglo-American national alliance dominant finance system networked internationally) she (feminized King South made subservient (Rev17:11-17) to King North globalists) will not prove to be an escapee. (captured by globalist wealth/finance power intrigues of first a financial/wealth basis globalization nature:) 43 And he will actually rule over (is an 8th King global finance/wealth rulership) the hidden treasures (by a global finance mechanic generally unseen by people) of the gold and the silver (basis of world wealth as "gold" symbol) and over all the desirable things of Egypt. (Physical assets in 8th King globalized control by ultimate ownership); (Thus 8th King/King North rules the world wealth, wealth system and all "desirable things" of national "Egypt" "King South" powers in full globalist progressive ownership and world wealth domination);

B. That above process of a globalization of global wealth and assets into 8th King globalist control over a period of time is a signal element to mark the initial purpose of the final phase and it's prophetic commencement. The Daniel 11:42-43 prophecy actually describes the end result of worldwide financial and monetary meltdown already now seen prepared in the national debt scene globally since around 2008 becoming world news. It is beyond coincidence that King North (8th King) wealth control by implied supra-national financial globalization devices is to be the outcome in prophecy and assured coming world developments as clearly set-up now in multi-hundreds-of-trillions in national debts and liabilities.

Even governmental corporations of state are subject to "foreclosure" in the consolidation process whose "solution" lies in 8th King world government "recovery" power - with a "price" of full 8th King control.

C. The need of controlling global wealth and assets in consolidating fashion is to also ensure the final cycle is fueled properly from the start and through to the conclusion of the cycle and to control the means of engineering that financial tribulation globally. This is why this wealth globalization component is the first form of 8th King world power on the globalist agenda to be seen in marked fashion in the final phase as per prophecy, and in the clear logic of were huge national indebtedness must lead in time.

D. Reliable wealth and asset control will aid the finalizing military and governmental consolidation processes to accelerate and converge parallel into world government over the duration of Daniel 11:42-45. Once that 8th King consolidation of power into world government completing is achieved deep in the final cycle, world religious institutional empire hard wealth and assets can then boost the final stage of the post-tribulatory (Matt24:29) world recovery to formulaically complement the final world government presentation. (These details are covered below, as prophecy (Rev17-18), but it is also logical when religious spiritual sovereign and wealth deposition will occur);

2. Military Globalization - Parallel Development

A. The globalized military system as seen in principle in Global NATO core (1999) is a function of financial control and vice versa, and thus the finance and military element must be globalizing concurrently - and this dual control aids governmental control globally as well as the core "power and authority" target to further extend down into eventually fully subservient national governments at global scale.

B. The global militarization theme is present here in final globalization developing form in 8th King
progressive full control:

(Joel 3:9-11) “Proclaim this, you people, among the nations, ‘Sanctify war! Arouse the powerful men! Let them draw near! Let them come up, all the men of war! 10 Beat your plowshares into swords and your pruning shears into lances. As for the weak one, let him say: “I am a powerful man.” 11 Lend your aid and come, all you nations round about, and collect yourselves together.” To that place, O Jehovah, bring your powerful ones down.

(C. Elements of this global militarization, United Nations alignment and various historical pretexts of it's expansion are present in developments like "Global NATO" and the "Global War on Terror" (GWOT) and in much global research, trends and statistics. That massive national debt just so happens to be indirectly directly proportional to world war expansion is part of the formula of stressing national powers for the final cycle. Even the "global war" term is a unique form of self-stated "world war".

D. Thus what some see in post 911 development as a GWOT, it's expansion can also be seen as a global positioning of a globalizing military system for a final world war development already begun in unique form in such a "global war" "on terror". GWOT can easily turn into a second phase of "global war".

E. The roots of this development extend back to the 1990 Gulf War as directly connected to "new world order" objectives, George Bush Sr.'s response to the Iraq invasion of Kuwait as "first test of our (new world order) mettle" as a first attack on "the emerging new world order". (Joint Session of Congress 9-11-1990; Daniel 11:40 commencement; on-going 8th King military expansion).

3. Governmental Globalization is the 8th King Sovereign Globalization Finale of World Government

A. All the globalization developments in wealth/finance and military/technology progressive control to eventually consolidate into 8th King uni-polar globalized power worldwide finally aids the transfer of national sovereign power by subservient deposition to the 8th King globalized super-sovereign self-defined world
owner, wealth/finance controller and uni-polar global military authority. A global tributary accelerant merely aids national coercion to surrender national sovereignty to 8th King globalists.

B. That kind of uni-polar control of finance and war/military systems ensures national powers must become subservient proxy “sovereigns” of a far larger globalized world government sovereignty finalizing this global network and worldwide infrastructural whole (Rev17 scarlet wildbeast) into a uni-polar "8th King" actual completed globalist world sovereign system in this sovereign transference process as the final process to finalize in sovereign terms an actual world government:

(Revelation 17:11-18) And the wild beast that was but is not, it is also itself an eighth [king], but springs from the seven, and it goes off into destruction. 12“And the ten horns that you saw mean ten kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the wild beast. 13 These have one thought, and so they give their power and authority to the wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so]! 15 And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns that you saw, and the wild beast, these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire. 17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their kingdom to the wild beast, until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth.”

(Revelations 17:11-18) And the wild beast that was but is not, it is also itself an eighth [king], but springs from the seven (Rev13:1 national collective “wildbeast from the sea”) and it goes off into destruction. (Rev19:19-21); 12 “And the ten horns that you saw mean ten (national) kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the globally (globalist) wild beast. 13 These have one thought (sovereign expansion and or preservation, world rulership) and so they give their (national based) power and authority to the (globalist apex forming) wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so]! 15 And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns (national powers) that you saw, and the wild beast (globalist power), these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire. (absorbing religious sovereignty and assets parallel with the national sovereign transference) 17 For God put [it] into their hearts (nationalist and globalists power) to carry out his thought (Rev18:8; BTG judgment), even to carry out [their] one thought (sovereign preservation) by giving their (national based) kingdom to the (globalist ascendant) wild beast (8th King), until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth.” (the target religious sovereignty);

C. Globalization is the main form of this international "gathering" of all collective national powers into this 8th King globalized system. This "gathering" culminates into world government in all forms for world power and authority as a whole defiant mass against God's Kingdom sovereign power for final resolution:

(Revelation 16:12-16) And the sixth one poured out his bowl upon the great river Euphrates, and its water was dried up, that the way might be prepared for the kings from the rising of the sun. 13 And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire
inhabited earth, to gather them together to the war of the great day of God the Almighty. 15 Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness. 16 And they gathered them together to the place that is called in Hebrew Har–Magedon.

(Revelation 16:12-16) And the sixth one (sixth plague deep into the final globalization cycle) poured out his bowl upon the great river Euphrates (Parallels 6th trumpet) and its water was dried up (national masses support; Rev17:15), that the way might be prepared for the kings from the rising of the sun. (Babylon the Great being set-up for Revelation 17:15-17 parallel events by removal of human defenses (Rev17:15)) 13 And I saw three unclean inspired (mainly globalization "gathering") expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. (complete 8th King globalist influence culminating in a parallel globalist 8th King power) 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the (national) kings of the entire inhabited earth (culminating in this final period) to gather (globalization unity) them together to the war of the great day of God the Almighty. (parallels Revelation 17:12-18 and Daniel 11:42-43 culminations into globalist 8th King power) 15 Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness. 16 And they gathered them (by 8th King wealth (Dan11:42-43) and sovereign power (Rev17:11-17) consolidations) together (into final 8th King globalist unification symbolized in completion by 4th UN "placement" and proclamations) to the (globalized situation; worldwide) place that is called in Hebrew Har–Magedon. (Joel 3:9-17; Where Dan2:31-45 "image" is "standing" as 8th King parallel);

D. Thus whether by financial or military conquest or both, the globalist 8th King ends up controlling the duped national powers over time in four repetitions of this cyclic formula since 1914 and World war 1. It is clear why financial and military control eventually leads to national sovereign deposition to the globalist world power uni-polar sovereign finality as wealth and power defines ultimate sovereignty. Nations will have neither, but must succumb sovereign power to the 8th King means to achieve a semblance of both.

E. This 8th King "head of gold" ruling symbology of the whole Daniel 2 "immense image" as whole 8th King "scarlet wildbeast", to be standing at the "Har-Magedon place", is the part of "amazing activity" of Habakkuk 1:5 that will see a concurrent Messianic Kingdom completion of all 144000 as a parallel spiritual development in the completed 8th King’s face.

F. A globalized world government will surpass all forms of national and national bloc former power and be the ultimate meaning of all sovereign prophecy and the target of Christ's Messianic Kingdom final replacement "world government" for Earth's final universal rulership permanently leading to the 1Corinthians 15:24-28 Supreme Sovereignty of God Almighty and His "will done on earth" (Matt6:10), not that of the temporary 8th King. (Rev11:15-19);

(Habakkuk 1:5) 5 “See, you people, among the nations, and look on, and stare in amazement at one another. Be amazed; for there is an activity that one is carrying on in your days (end of last days, Daniel "time of the end") [which] you people will not believe although it is related.

World Government Sovereign 8th King Completion Results
1. Eventually the globalizing wealth, military and national governmental regulatory consolidation will result in 8th King world government in addition to the United Nations nucleus as the international world government forum "image" (Rev13:11-15), as a completed whole "scarlet wildbeast" (Rev17:8-18) fully present, functioning as worldwide government.

A. The 8th King must also be finally self-stated (1Thess5:1-3) sovereign power worldwide in the final human worldwide sovereign "world peace" system and final 8th King sovereign proclamation; 8th King of the World as globalized super-sovereign. (Rev16:12-16 culmination).

2. These prophecies outline the context of a fourth United Nations "disgusting thing" placement in final form, which connects to world government development seen today to culminate in Revelation 17:11-18 and Revelation 16:12-16 culminations to form this global presentation to mark this sovereign climax event of the future:

(Daniel 11:44-45) "But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. 45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

(Daniel 11:44-45) "But there will be reports (includes Rev 10-11 little scroll import of final Messianic Kingdom 1260 day final warning period; Rev11:1-7 final fulfillment) that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. (this occurs "during" the 8th King "freedom from care" as a dual development with the 8th King "world peace" final sovereign statement period; Dan8:25; Rev11:7) And he will plant his palatial tents (Dan12:11) between [the] grand sea and the holy mountain of Decoration; (plural palatial "tents" as earthly symbolism of UN distributed world government in 4th UN placement as also counterfeit of God's Kingdom thus symbolically at God's Zion "location", yet this is global government worldwide) and he will have to come all the way to his end (Armageddon denunciation of Dan11:36), and there will be no helper for him. (King North as 8th King deposed (Dan7:26; 8:25); Satan goes down as Gog "guard" (Eze38:7) "from the remotest parts of the north" as well, as Rev19:19-21 leads to Rev20:1-3 (Eze38); Isa24:21-22);

3. Parallels:

(Daniel 12:11) "And from the time that the constant [feature] has been removed and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days.

(Daniel 12:11) "And from the time that the constant [feature] (in post JW temple judgment purified "little scroll" form) has been removed (Rev11:7) and there has been a placing of the disgusting thing (4th UN placement with world government; Dan11:45; 8:25; Rev11:7 final "abyss" ascension as full 8th King world government finale in Rev17:8-11 principle from a final world war that is causing desolation, there will be one thousand two hundred and ninety days. (Dan7:26 parallel);

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand.
And in his heart he will put on great airs, and DURING a freedom from care (1 Thess 5:1-3 "peace and security" period of 4th UN 8th King world government) he will bring many to ruin. (Dan 11:44; Rev 11:7)

And against the Prince of princes he will stand up (as 8th King complete), but it will be without hand that he will be broken. (Rev 19:19-21; Eze 38-39);

4. And the final 8th King world peace proclamation as Armageddon "trigger" in the period "whenever it is that they are saying" and events to follow must manifest as final world signal in the 8th King related realm of earthly power climax:

(1 Thessalonians 5:1-3) Now as for the times and the seasons, brothers, you need nothing to be written to you. 2 For you yourselves know quite well that Jehovah's day is coming exactly as a thief in the night. 3 Whenever it is that they are saying: "Peace and security!" then sudden destruction is to be instantly upon them just as the pang of distress upon a pregnant woman; and they will by no means escape.

5. Globalization leading to world government globalist unification aids this final and sovereign whole affront to God's Kingdom:

(Revelation 19:19-21) And I saw the wild beast and the kings of the earth and their armies gathered together to wage the war with the one seated on the horse and with his army. 20 And the wild beast was caught, and along with it the false prophet that performed in front of it the signs with which he misled those who received the mark of the wild beast and those who render worship to its image. While still alive, they both were hurled into the fiery lake that burns with sulphur. 21 But the rest were killed off with the long sword of the one seated on the horse, which [sword] proceeded out of his mouth. And all the birds were filled from the fleshy parts of them.

**Required 8th King Sovereign Completion Prior to Christ's Arrival**

1. Logically such an actual worldwide sovereign "8thKing" totality and completion is required for Jesus Christ and the Messianic Kingdom to actually have a defiant rival system to depose for final conquest. Until that 8th King is present as complete, functioning and stated as world sovereign, Christ cannot arrive prematurely to depose a for now non-existent rival as far as being a completed world government.

2. Thus the final 8th King world governmental completion developments and news, over a final drawn out global phase, will mark the actual trajectory to Armageddon Messianic Kingdom response to be signaled by an 8th King world government completion with some key milestones along the way such as resolving the final world tribulation into a world recovery and world peace presentation of said world government.

**1. Placement of 8th King World Government and United Nations Image**

A. The final 8th King significance is that for the first time a world government will be placed with it's fourth time present UN "image" concurrently, not just a United Nations "image" presentation as in 1919, 1945 and 1990, but soon the whole world government system full infrastructure and the UN "image" forum.

**2. Final 8th King Sovereign World Peace and Security Statement Period**

A. The 8th King will bring about a post world "tribulation of those days" resolution (Matt 24:29) as the signal
"freedom from care" (Dan8:25), an actual global world recovery by massive wealth potential (Isa41:1; Dan11:42-43), a full deposition of war fomenting global religious sovereignty (Rev17:15-18; 16:12) and a final world "peace and security", "while they are saying" world peace period, of sovereign self-stated 8th King culmination.

3. Christ's Arrival Can Then Take Place in Full Messianic Kingdom Sovereign Response

A. This is when Christ arrives to complete the Messianic Kingdom 144000 concurrently (Matt24:29-31; Rev16:12-17) for a final universal resolution of the world rulership issue in completed, final and permanent form. (Rev19:19-21; Rev20:1-3; Dan2:31-45; Eze38-39);

B. This also debunks the general Christendom expectation of a "rapture" to escape that global tribulation. In effect Christ does not arrive until after the "tribulation of those days" is resolved; (Matt24:29). Thus the Christendom pre-tribulation "rapture" timing logic is out of sync with the Bible timeline of events.

Thus JWs are also expecting Christ prematurely (for other reasons) due to this sovereign completion requirement of both the 8th King and the Messianic Kingdom 144000, and that is why those final sovereign systems complete in concurrent fashion as well.

Final World Globalization Cycle Requirement Indicators

1. Thus contrary to the Jehovah's witnesses "end of the world any day now" Bethel programmed expectation and misinformation complex, and the general world uncertainty as to if there is a final cycle and what it means, a number of things in world development and prophecy indicate it is an 8th King final globalization phase requirement that can "start any day now", not end yet, and goes on for some years.

2. A human world government cannot simply pop out of thin air - and the UN alone is not such a world government (just it's "image"). It must develop to functional completion beyond "image", theory and stated intent.

A. Prior to that world government culmination it must create the powerful incentives in a worldwide context of tribulatory persuasiveness (in a number of forms related to finance and military strategies) to draw the national sovereigns into itself as the only global solution. And that only globalist "solution" to national "problems" is in a globalized power system actually capable, powerful, extremely wealthy and hopeful in credible potential for that final 8th King sovereign world government presentation and it's "world peace" actual world sovereign authority in full actual power for eventually a real world recovery aiding such believability. (Isa41:1; Dan8:25 "freedom from care"; 1Thess5:1-3 world "peace and security");

3. Bringing the national powers to their knees by an engineered tribulation for an engineered recovery and great hope made real aids the process of national acceptance of a "new world order" naturally initially resisted by nations valuing independent sovereign autonomy formerly.

4. Actual hard wealth greatly aids sovereign definition (not currency, debt and income), military domination protects it, and it will all be in globalists hands, not the national powers and that will define the globalist 8th King actual super-sovereign "King" "North" uni-polarity. That is why wealth control first, leads to military control later, that together creates, defines and adjusts the parallel national governmental entity and it's
direction to empower globalist regulatory overrides to strengthen the globalist financial and military overall goal progressively from within formerly sovereign national systems. (And to install new governments in various formerly globalist defiant systems);

That will take a little more time and some truly global events to finalize.

*And thus is another solid proof the JW mindset is actually expecting an "end" prematurely and in Bethel's engineered ambiguous manner that merely aids the confusion.*

1. Globalization as a Process

A. Globalizing the final financial "solution" as an 8th King final wealth control design in itself requires more time. It also requires that the former national finance system centered engineered and controlled "problem" meltdown must also take place globally in some form to facilitate the final globalist financial and wealth globalization "solution" process as outlined in principle in Daniel 11:42-43. (Thus exactly how, and for how long Daniel 11:42-43 proceeds until full 8th King wealth control is not fully known, but it is for some years apparently, due to the complexity of the global financial situation.)

B. The other "new world order" globalization components of global military consolidation and geo-political, world war and national governmental implications in that process will also require a severe final upheaval of the "old world order" national systems globally, altogether indicating a complex final phase must transpire over even a decade of such culminations, it cannot be simply an overnight development at this time. (2/2014);

2. Tribulation Required to Accelerate Globalization Consolidations into Final World Government Form

A. Thus we see not only is a final phase of globalization required, but so is a world tribulation period as context for final world government power consolidation development and the final resolving "world peace" context of it's final global world government presentation.

B. The soon-to-be "globalized" tribulation context is an accelerant to crystallize the core centralizing complex of distributed global administrations to more powerful forms of consolidated power and control in order to form a real fully functioning world government network. A global multi-faceted tribulation process in a number of forms is thus also part of the tried and true globalist "world government formula" of accelerating and aiding the globalizing power consolidation process.

*This 'world tribulation/world war-to-world-government' process and globalist formula was used successfully three times already since 1914, and this is a process not an instant event and that required tribulation process indicates an extended final phase.*

C. Thus a final global tribulation form (Rev7:1-3; Matt24:21-22) of this process formerly used in WW1 (leading to 1919 League of Nations), and WW2 (leading to 1945 United Nations) and WW3 Cold War (leading to 1990 UN "New World Order" mode) is required in a finale form, upon the same principle, to aid and lead to the final world government and UN final presentation - as that tribulation is also guaranteed to be resolved in that "tribulation of those days" sub-process (Matt24:29), with signal spiritual meaning as well, as a great final milestone event with world news leading to the final 8th King world government presentation.

D. Thus formulaic world "tribulation" is also "globalized", so to speak, in worldwide form as a world power consolidation aiding process, and as a world government milestone to those aware of it's meaning and the
ultimate purpose of it's "world peace and recovery" resolution.

E. The globalist power system is not directing a total world collapse, but only a severe stressing of portions of the world system globally to facilitate consolidation fall out of the weaker national entities (including the national governmental corporations themselves) into 8th King control in an engineered manner (as usual, UN 1-2-3 and 4). It will be severe, but it is designed for a recovery period as well, and the 8th King presentation that accompanies that final part of the process.

F. The "Global War" "on Terror" is already a form of "world war" deployed in unique form since 2001 like it's Cold War globalist aiding counterpart of Daniel 11:29 principle. Thus the potential fourth world tribulation, fourth world war engine, fourth cyclic means to fourth UN presentation, is already in place - it merely needs a second phase catalyst of some form. This 8th King aiding "global war" continues in the Daniel 11:40 8th King world invasion principle (started in the Gulf War (1990) as a globalist connected conflict) by deceptive but effective means as foretold; (Dan11:36-41; Dan8:23-25);

A number of world researchers and the globalists themselves also foresee and describe a final globalization cycle requirement in general and specific terms.

3. Prophecy Indicates a Final Cycle Requirement

A. Bible prophecy as the Daniel 11:42-45 final King North (8th King) cycle also indicates a final phase requirement with great evidence in the nature of Daniel 11:42-43 global wealth control aspects of that prophecy seen plainly prepared in national financial debt and monetary compromise. With Daniel 11:42-45 as the actual final phase yet to activate concluding the overall 3rd UN (1990) to 4th UN (future) placement continuum of Daniel 11:30-45, eventually to merge into Daniel 12 final fulfillment "during that time" (Dan12:1), that also indicates a final 8th King phase as "King North" identical character in that final sequence as an extended time period marked by certain key events. (A financial globalization is an example of a key event to be known by all the world marking the prophecy for those considering it's veracity);

B. Revelation 16:12-16 and Revelation 17:12-18 and other progressive prophecies culminating paralleling Daniel 11:42-45 developments, also indicate a final cycle of the overall globalization-to-world-government process is guaranteed as an 8th King world sovereign milestone prelude period.

C. Thus what is about to activate Daniel 11:42-43 first as a wealth and finance globalization period and finalization signal, will actually begin a multi-year final phase leading to world government as the culminating globalization process means to that world government end. The manifestation of the Daniel 12:7 1260 day timed period (parallel Rev11:2-3), to manifest and conclude deeper into that final globalization phase completing (Dan11:44-45), indicates a number of final years elapsing. Daniel 12:7 period eventually leads to the globalized tribulatory context to be resolved (Matt24:29-31) into a final 8th King world government, as we do not know how long Daniel 11:42-43 finance globalization intrigues will proceed before final globalization developments result in world government as the Daniel 11:44-45 final events marking Daniel 12:11 following period commencement.

D. The Revelation 8 "seven trumpet" and Revelation 16 "seven plague" approximate parallel developments also indicate a marked process and extended time period in a final fulfillment finale.

E. In any event it is a final drawn out 8th King globalization phase we are seeing gearing up for eventual global deployment to form the final world government consolidating process and it's world government in complete form (8th King).
The Biggest Picture: World Government

1. In world developmental understanding of globalism and globalization leading to an actual world government we see a final phase clearly required. In world research, trends and statistics we now understand the overall formulaic world war and tribulatory economic aspects that aid globalist wealth and power consolidation. That is prepared by wealth and national governmental regulatory control ever more fully in the globalist elite hands guiding the overall process (Rev13:11-15 example) for decades; We see prophecy clearly outlines the financial/wealth, military and sovereign consolidating "gathering" features of all the developments present in secular research and globalism dynamics itself.

2. Thus the entire logic of nationalism leading to globalism as a globalization process leading to world government progressively over time by design is fully understood by many people of varied backgrounds and levels of expertise in secular, philosophical, academic and religious communities globally, to name just a few, as globalization touches all aspects of the national realm beyond it's finance, military and government core developments.

3. A clear trajectory to the world government objective and it's final requirements, even known in principle or in details prior to a divine sovereign confrontation it will trigger, is therefore also known a good decade before it actually completes, to activate in the final required phase soon.

   Whether one is a secular or religious researcher for respective or merging rationale, it all becomes clear a world government is what is coming over the final cycle. Plainly it cannot be "the end of the world" coming up, it is a final 8th King cycle about to begin in earnest in world tribulatory and financial intrigues.

1970 Forever: The Jehovah's Witnesses Bethel Cultured Globalization Ignorance

1. With Jehovah's witnesses organizationally, where a prophetic foundation in two United Nations placements as 1919 League of Nations (Rev13:11-15) and 1945 United Nations (Rev17:8-11) was fully explained as prophecy and world events, but the 3rd (1990) and 4th (future) UN placement is truncated and concealed (Daniel 11:30-45) as a UN 1-2-3-4 certain process to world government, we have a glaring red flag of a big problem with a Bethel core cause.

2. That Bethel cultures purposeful ignorance of globalization in general and specific to world governmental final development among JWs, keeping them in a perpetual 1970s mindset regarding globalization understanding and world government implications, adds to the suspicious context and asks the question of what is the true Bethel motive of such organized backwardness, for so many years, regarding globalization forming world government?

   A. As globalization is now a plainly clear dynamic on-going world development leading to world government, we thus conclude Bethel and it's "Governing Body of Jehovah's Witnesses" are purposely diverting this awareness to aid world government development by aid of 8th King prophetic concealment among JWs, plainly seen since the 1990 3rd United Nations placement in "new world order" mode was completely ignored as significant prophetically by Bethel - in fact joined by Bethel instead. (Dan11:31; UN NGO co-proclaimers of 8th Kingdom)

3. That 1990 3rd UN placement (Dan11:31) was also deemed insignificant as a world event of
8th-King-as-King-North relatedness by Bethel's clergy as well for the defunct USSR fiction, as Bethel found it approvable to actually join the UN, as Russia did as well at that post Cold War timing, and also join that UN "new world order" campaign (Awake! 9/8/1991) as a covert UN NGO (Dan8:13), a non-governmental, yet promotional UN organization for a decade as Bethel still promotes globalization backwardness among JWs to this day. Many red flags are now waving over the Bethel UN castle and it's Daniel 8:11-13 JW "army".

Thus the Bethel big red flags of apostasy (Dan11:32a; 2Thess2:3), lawlessness, compromise, infiltration and UN collusion are undeniable, and also prophetic; (Dan8:11-14; Dan11:30-35; 11:41; 2Thess2:3-4; Zech3:1-3); It appears in time between the 1945 2nd UN placement JW tracking, and the subsequent 1990 loss of 3rd UN placement tracking, it is the convenient 1976 "Governing Body" dictatorial cell of diversion and corruption that becomes the unusual suspect of such spiritual criminal activity in progress. (Dan8:12b); It seems in the formation of that additional "body", by self-invented super imposition on Acts 15:1-33 as a fictitious "divine" corporate "board of directors", is how the current subversion problem was guided and continues to develop to their own final objective. (Zech11; 2Thess2:8);

And Now for World Government (Eventually): 8th King Pedal to the Metal

1. And now overall, the world research is connecting globalization as a process to end into world government - but not connecting it's significance to prophecy. JWs are connecting prophecy up to 1945, but they are not connecting the globalization-to-world government understanding to prophecy and modern world developments.

A. And thus globalization's relationship to final 8th King world government final phase and completion objective is not connected to prophecy either, as globalization itself is a foreign concept to JWs as Bethel policy. Now in those two realms of information never meeting, all fully connected understanding is truncated from it's critical supporting evidentiary effect one realm could provide for the other, and vice versa.

2. Thus the 8th King can embark on the final phase into general world confusions and JW confusions and neither can reliably connect it all to guaranteed prophecy as the ultimate source of certainty as to what it all means. JWs in a coming bewilderment in that 8th King activation of the final phase, will also not be able to explain what is really going on for some years. (Dan8:13-14; Hos6:1-3) In fact JWs will think themselves it is "the end of the world" when all this starts, when in fact it will be the Daniel 11:42-45 final 8th King globalization process\textit{beginning}, heading for world government completion over that coming decade from commencement of the final cycle\textit{just beginning} - certainly not it's end.

Ironically, due to Bethel theological lobotomy, globalization-less JW publication content, and anti-internet taboos and policy, it appears JWs now know less than the world regarding the 8th King world government process, go figure, and will be one of the most lost groups on earth as one year of the "end of the world" turns into two and three years with no "end of the world", and so on.

3. Thus Jehovah's witnesses are also initially pawned by King North (Dan11:41; now) as the 8th King, a "King North" they think is the defunct "USSR" national bloc of the past as dictated in comatose form by the Bethel internal UN aiding agency fronted by the "Governing Body" complete act, and expert subversion and stalling production and control center aiding that ongoing 8th King globalization and prophecy cover-up; (Daniel 11:41; Luke21:20; Dan8:13-14; Dan8:11-12; Matt24:15);
For 10 years as UN NGO "at the UN library" it appears Bethel learned little about globalization or world government (and taught even less), so little in fact it must be on purpose. How can everyone else - and his mother - understand globalization leads to world government yet Bethel fossilizes all "world events in light of Bible prophecy" in a perpetual 1970 spiritual ice age? It has to be purposeful.

4. The more the world itself (Luke 21:25) gives "signs" of globalization details leading to world government, the more Bethel is exposed as a purposeful JW dumbing down mindset factory aiding 8th King globalist elite developmental secrecy.

(Luke 21:25-26) “Also, there will be signs (portents that precede the actual event of Matt 24:29-31 actuality) in sun and moon and stars (from the lights of worldwide political, institutional and societal sources and on the earth anguish of nations, not knowing the way out because of the roaring of the sea and [its] agitation, 26 while men become faint out of fear and expectation of the things coming upon the inhabited earth; for the powers of the heavens will be shaken. (in foregleam warning fashion, the "old world order" gives signals it's "sky is falling" for all to see before it occurs for the "new world" "order" replacement system of world government to emerge from that transitional "chaos")

(Daniel 7:25) And he (8th King) will intend to change times and law... (Globalization leading to global sovereign world government is the ultimate form of changing "times and law" at a worldwide scope, by a uni-polar sole sovereign 8th King);

All sovereign prophecy of Daniel 2, 7, 8, 11 and Revelation 13 and 17 final sovereign apex symbology is converging into an identical 8th King full "scarlet wildbeast" globalist unification totality of meaning. The final 8th King world government, beyond national power, but including all of it worldwide, is the globalized final type of world rulership containing all national powers in eventually voluntary "give their power and authority" subservience to the 8th King sovereign consolidation as world government and it's final United Nations "image" that has " pictured" it since 1919 as a whole sovereign affront to God's Kingdom.

Even the Bible's apex globalist sovereign symbology as "immense image" (Dan2), "small horn" root (Dan7, 8), King of Fierce Countenance (Dan8), King of the North (Dan11) and 8th King "scarlet wildbeast" are all "globalizing" into one "8th King" world government meaning.

That 8th King world government and UN completion trajectory over a world tribulation for some years eventually resolved, with known prophetic world event milestones along the way to become world news in the process, is the gauge to Armageddon's divine war event actually manifesting.

More Information:

As shown in more detail in prophecy and Bethel subversion tied to 8th King developmental cover up, the Bethel subversion campaign is also part of a process that had to precede the 1990 3rd UN placement concealment. It is also shown in prophecy and by this overwhelming 8th King related diversion evidence from Bethel that the 8th King world government cover up objective is what is active at today's Bethel in now full form and creating a period of confusion in the final cycle among JWs is part of their objective. Thus covering up a final cycle and eventual world government certainty is part
of the Bethel purposeful apostate and impostor goal and is also a prophetic signal the final phase is near activation.

8th King UN World Government Progress as Gauge to Armageddon Arrival

Jehovah's witnesses are expecting "the end of the world any day now". But in fact a final 8th King world government phase in it's fourth cycle [2], is about to begin, rather than end. And it must logically and prophetically go on a number of years.

One of the basic logical points to prove a final cycle is needed to finalize a global sovereign power as 8th King, is the fact the United Nations is not a world government yet.

And even when that UN nucleus world government completes it's form of global super-sovereignty the UN is just the international forum nucleus that contained some of it's developmental philosophies that have principles that touch on core "power and authority" currently exercised by autonomous national powers or other nations in control of key aspects of weaker nations "power and authority"; (Rev17:12-18); Meaning actual world government is beyond, but including, the UN in scale and function and is not yet present in full operation and sovereign final proclamation. (1Thess5:1-3 as Dan8:25);

Thus God and Christ cannot arrive to depose a non-existent global super sovereign. The United Nations is just the "image" of that world government totality of Revelation 17:1-18. JW's are being misled for a hoax of premature "end of the world" expectations and perceptions in error. [2]

These principles of globalization theories and sciences in much UN based research and publication, to aid it's charter and objective, cover governmental aspects of development that can also apply to financial and military globalization developed in further detail in other organizations and institutions external to the UN. Yet most of these related other peripheral but important aspects of global power are in conceptual and at times operating development in organizations and institutions also associated with the UN elite network in supra-national form. Meaning the UN itself is not alone in world government development.

The presentation of Global NATO (1999) that must also have a globalizing form of administration is an example of a military alliance that is like a UN of world military power so to speak. Some times it is called UN-NATO. Like the globalizing military element external to the UN but related to it's objective, specialized organizations and institutions are devoted to world wealth control and finances. Expansion of an international financial network in also globalizing fashion has preceded all modern national government and military aspects of even Anglo national power, because wealth power is what ultimately establishes government and employees law, order and military systems to protect and expand that wealth.

Sovereignty is actually very expensive.

Worldwide national debt at record levels is the related development. A giant clue national powers are living on borrowed sovereignty about to be "foreclosed" and "received" by the 8th King master "creditor" is they are running on debt, not actual wealth. (relates to Daniel 11:42-43); [3]

= Beat Your Plowshares Into Swords
This is why a finalizing military globalizing empire, such as that undertaken by the Anglo-American elites using national veneers to expand in a pretextual "Global War on Terror", a form of "world war" in unique deployment (Dan11:29; similar to the "cold war" cycle), is not cheap, but as per prophetic and actual world developmental principle is very expensive and requires a redirection of wealth from national coffers formerly ostensibly for national liabilities and use, to be redirected to multi-trillion dollar wars, establishing 100s of overseas and domestic bases, martial and security systems, and all the supporting network involved - at global scale.

A global positioning of such magnitude can escalate a final phase of "global war"; [1b]

And that is why international financial control is needed to aid that transference of actual wealth, to support external military "empire building" that must have a reliable base of final future expansion resources secured for aiding final world government actual deployment as one thing (Dan11:42-43) leads to another (Rev17:11-18). The Daniel 1142-43 [3] commencing progression of the wealth and ownership basis of the world national system is therefore prepared and it's necessity for continued globalized military expansion for a final cycle of consolidation is now understood.

This is why God informs Christians of this dynamic as a world Joel 3:9 8th King "sanctification" of this kind of military expansion that will in fact stress the nations basic material needs in favor of military and other globalizing expansion. (Rev6:6); This is yet to fully finalize along with Daniel 11:42-43 financial globalization objectives required to aid this military globalizing development foretold:

( Joel 3:9-11) 9 "Proclaim this, you people, among the nations,'Sanctify war! Arouse the powerful men! Let them draw near! Let them come up, all the men of war! 10 Beat your plowshares into swords and your pruning shears into lances. As for the weak one, let him say: "I am a powerful man." 11 Lend your aid and come, all you nations round about, and collect yourselves together." To that place, O Jehovah, bring your powerful ones down.

As we see that is a divine taunt as well as a prophecy, and the globalized military expansion finalizations "among the nations" is a trigger for the "powerful ones" as God's Kingdom powers to arrive at such time of a full military completion as well, as a collective of "collect yourselves together" as ultimately a full globalization of sovereign defiance not yet existent is required to enable Armageddon Messianic Kingdom response. (2Thess1:6-10) Which international 8th King globalist sovereign completing collection is a direct relationship to the "gathering" of Revelation 16:12-16 6th plague Armageddon finalities in this parallel next:

(Joel 3:12) “Let the nations be aroused and come up to the low plain of Jehoshaphat; (Rev19:19-21; Eze38) for there (Rev16:16) I shall sit in order to judge all the nations round about (Zeph3:8-9);

And this parallels Revelation 14:14-20 final judgment also parallel to Armageddon divine war phase:

(Joel 3:13-17) “Thrust in a sickle, for harvest has grown ripe. Come, descend, for [the] winepress has become full. The press vats actually overflow; for their badness has become abundant (Rev14:17-20) 14 Crowds, crowds are in the low plain of the decision, for the day of Jehovah is near in the low plain of the decision. 15 Sun and moon themselves will certainly become dark, and the very stars will actually withdraw their brightness. (Matt24:29-31 timing) 16 And out of Zion Jehovah himself will roar, and out of Jerusalem he will give forth his voice. (The Word of God; Rev19:11-21) And heaven and earth certainly will rock; but Jehovah will be a refuge for his people, and a fortress for the sons of Israel. 17 And you people will have to know that I am Jehovah your God, residing in Zion my holy mountain. And Jerusalem must become a holy place; and as regards strangers, they will no more pass through
And God issues another taunt as well to Satan and the demons to actually become a divinely permitted vanguard to that 8th King system when it is fully "congregated" in that final sovereign consolidation (Rev17:11-17) and it's sovereign claims of world rulership (1Thess5:1-3):

(Ezekiel 38:7) ""Be ready, and let there be preparation on your part, you with all your congregation, those congregated alongside you, and you must become their guard."

Thus contrary to JW Bethel engineered delusions, great world developments are where national financial straits will be leading in time, much more final preparation of 8th King power is needed before God and Christ arrive for war. And as we see, the Global NATO and Anglo-American elite are busy fulfilling that prophecy of Joel 3:9-11 as Daniel 11:40 globalist world invasion, merely a world war preparatory expansion, and commensurate actual expense, under a pretextual veneer; (Dan8:25a); to prepare for the final world tribulation cycle that will end (Matt24:29) into 8th King complete sovereignty.

Global Financial Intrigue Marks Final Cycle Commencement

A point is the financial tumult the nations will soon be continuing into in even more intensive manner will undermine national economies and investment, but it will consolidate more financial and wealth power into 8th King expanding and consolidating control as such financial uni-polarity is needed to continue the final military globalization process and to fuel it's final deployments. (Dan8:25; Dan11:44-45); A final world conflict positioning expansion is actually what all the post 2001 (911) Global NATO related military expansion is actually for in that "Global War on Terror" pretext world invasion.

In reality a "world war" is in progress in a unique form of deployment since 2001; The financial ramifications of such expansion will climax as Daniel 11:42-45 activates in earnest.

Such a massive global supra-national military system has expenses which in part created the national debt compromise of finances at worldwide scale, that aids this financial 8th King King North world wealth controlling pawning move to result in the final cycle activation to aids it's continuance forward into full globalization required for an actual 8th King complete world sovereign presentation:

(Daniel 11:42-43) And he (King North/8th King) will keep thrusting out his hand against the(King South national)lands; and as regards the land of Egypt(King South Anglo-American national "capital") *she (submissive national powers)will not prove to be an escapee.(national powers will be 8th King pawned) 43 And he (8th King globalists)will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt.(complete world wealth domination first);

Potential world war or other world stressing tribulatory events developing in this final phase merely aid the 8th King power and wealth consolidation process acceleration. And once that financial and wealth pawning is in globalist 8th King control in even greater degree than at present over 50% world finance control, the national sovereign power transference will be greatly facilitated worldwide as wealth is what secures actual sovereignty, and that wealth will be in 8th King control.

This coming world tribulation, as with WW1 and WW2 and the unique WW3 Cold War period, will be severe but engineered to expand 8th King power consolidation and to be resolved into the final UN world government presentation of an actually functioning world government 8th King "scarlet wildbeast" in addition
to the UN "image";

The required eventual voluntary (but at first coerced) surrender of the national sovereignty (Rev17:12-18) is based on the coercive (Rev13:16-17) use of sole worldwide national recovery power coming only from 8th King globalizing systems. The only recovery option will be from massively enriched and empowered 8th King systems that consolidated power and wealth during this final cycle. It will afford to the nations a recovery hope, for an eventual national recovery via a final subservience to the 8th King globalization alignment it is facilitating. (Isa41:1*) No nation will recover in post world war "peace and security" period or before without 8th King "assistance":

(Revelation 13:16-17) And it puts under compulsion all persons, the small and the great, and the rich and the poor, and the free and the slaves, that they should give these a mark in their right hand or upon their forehead, 17 and that nobody might be able to buy or sell except a person having the mark, the name of the wild beast or the number of its name.

And that is how national sovereignties will eventually capitulated to 8th King globalization into a globalist unification final 8th King worldwide sovereign completion God and Christ can actually confront at Armageddon - as of now this completed sovereign entity is not complete and requires a final phase of development to complete this prophecy:

(Revelation 17:11-18) And the wild beast that was but is not, it is also itself an (globalist)eighth [king], but springs from the seven, and it goes off into destruction. 12*And the ten horns that you saw mean ten (national) kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the (globalist)wild beast. 13 These have one thought (sovereign expansion and or preservation), and so they give their (national based) power and authority to the (globalist apex forming) wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so]! 15 And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns (national powers) that you saw, and the wild beast (globalist power), these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire.(absorbing religious sovereignty and assets)17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their (national based) kingdom to the (globalist ascendant)wild beast, until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth.” (the target religious sovereignty);

Thus Daniel 11:42-45 finance and expansion developments paralleling Revelation 17:11-18 final globalist sovereign developments will equal this final consolidative Har-Magedon "gathering" as full globalization is the main force of collecting nations to "that place" (Joel 3:11), the "low plain of the decision" (Joel3:14), the place the complete Daniel 2 "immense image" is standing, the global "place" called Har-Magedon:

(Revelation 16:13-16) And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire inhabited earth, to gather them together to the war of the great day of God the Almighty. 15*Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness.” 16 And they gathered them together to the place that is called in Hebrew Har–Magedon.
Thus the Daniel 2 "immense image", the Daniel 8 "King of Fierce Countenance", the Daniel 11 "King of the North" are all identical symbologies of final globalized world government totality beyond national powers, beyond UN "image" meaning as the reality of that "image" as equating to the WHOLE COMPLETED 8th King Scarlet Wildbeast globalist world rulership structure having absorbed and in full control of the Revelation 13:1 national collective "wildbeast from the sea" of this human governmental evolution since Genesis 10-11 origins.

And that Armageddon prerequisite completed rival 8th King globalist world government system employing all the national powers officially stated worldwide will be met. This massive final feat and completion will require the final cycle of Daniel 11:42-45 to merge into Daniel 12's full replication that leads to the Daniel 12:11 fourth and final UN 8th King placement as "image" and the actual "scarlet wildbeast" full world government in actual live worldwide super-sovereign operation.

Those finalizing developments lead into and parallel the finality of Daniel 11:

\[
\text{(Daniel 11:44-45) \ldots \text{But there will be reports} (Rev10:11) \text{that will disturb him (8th King/King North), out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction}} (\text{Rev11:7; Dan8:25; Rev19:19-21 parallel}) 45 \text{ And he (complete 8th King "scarlet wildbeast" 4th UN world government placement) will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; (Dan12:11 parallel) and he will have to come all the way to his end, and there will be no helper for him (Armageddon);}
\]

**Bethel Diversions**

Thus Jehovah's witnesses expecting "the end" next, are ignoring the fact complete globalized defiant 8th King world sovereignty is not yet complete and much more national based sovereign capitulation is needed centering on full wealth, finance and asset control of Daniel 11:42-43. [3]

Instead a final cycle is required to provide the final completion "power and authority" transferred to this 8th King global rival to God's Kingdom. And JWs will be sold the BEGINNING of that final cycle as 8th King intrigues of Daniel 11:42-43 to expand globally in time just starting soon, as if it is "the end of the world", described to JWs as the end of the cycle by various Bethel misapplied and premature prophecy.

We know what is promoted to JWs as "Daniel 11:44-45 next", cannot be next on the 8th King agenda until full world wealth control is increased in the near future to fuel this final globalization process. Daniel 11:42-43 finance intrigues at global scale is what must activate prior to Daniel 11:44-45 events some years into that cycle as it merges into Daniel 12 "during that time"; (Dan12:1);

And further, contrary to JW delusions that the "great tribulation" is as good as "the end", that "tribulation of those days" element will end (Matt24:29) into an 8th King global government world recovery (Isa41:1*) as world "peace and security" (1Thess5:1-3) and the "freedom from care" (Daniel 8:25) of that final sovereign climax and it's 8th King complete final sovereign proclamations.

Like the three world wars previously, including the cold war (Dan11:29), used to aid a UN manifestation in 1919, 1945 and 1990, a final world tribulation will also be used to birth UN world governmental 8th King finalities.
That is the final cycle/phase requirement soon to activate that UN NGO allied Bethel is concealing and diverting attention away from for a premature "the end" scenario supporting a hoax development to bewilder Jehovah's witnesses and others during that final cycle as long as possible; (Dan8:13-14); Rather than be "the end" next, that final phase prophetic and world event cycle will just be beginning and will result in 8th King "world peace" as it's final proclamation; (Dan11:44-45; Dan8:25; Rev11:7; Dan12:11; 1Thess5:1-3);

That is when and in what 8th King completed condition God and Christ will also finalize the Messianic Kingdom (Rev14:1; Matt24:29-31), and resolve this climax world sovereignty issue permanently.

This is why prophecy that already became world history [1] in dynastic and national sovereign progression since Genesis 11 to the revisited next globalist "expression" of "gathering" into a League of Nations in 1919 in Revelation 13:11-15, and it's continual fulfillment to the United Nations (Rev17:8-11) of 1945, and onward to the "new world order" UN expression of 1990 (Dan11:31b), will also reliably and irreversibly progress to the conditions further foretold in the final cycle, as yet unfulfilled climax prophecy as Daniel 12:11 and Daniel 11:45; 8:25 parallels of 8th King final 4th placement United Nations zenith to manifest over the next decade approximate.

Thus the world can be in denial for a while longer, but eventually the "proper world events" will bring globalized world government intent to public attention in the final years of this fourth and final phase of UN presenting developments as Daniel 11:42-45 unwinds into Daniel 12 final fulfillment as a replication. [4]

**United Nations Completion Progress is Gauge to Actual Armageddon Activation**

This is why in the future, as the original two UN related manifestation tracking ministry (1919-1970) of Jehovah's witnesses is freed from Bethel modern Babel bondage (1Pet4:17) and diversion of the 3rd and 4th UN meanings (Dan11:30-45), people can track the trajectory to Armageddon based on not just prophecy and world events, but the completion directives, statements and news of the United Nations itself as it nears world governmental completion. In the coming Daniel 11:42-45 final phase will come UN statements climaxing as 1Thessalonians 5:1-3 world peace sovereign claim climax of full 8th King world government as that tribulation is resolved (Matt24:29) into world recovery hope.

Thus a completing UN centered world government progress is also a gauge to monitor the assured arrival of God's sovereign response at Armageddon. Until that 8th King is actually full and globally proclaimed "8th King" in full bodied "scarlet wildbeast" completion of world government, God and Christ cannot arrive to settle the sovereign issue until such issue is at zenith completion of globalist unification 8th King final defiance to lead into the Armageddon phase of divine war.

This is why the UN allied deceivers of Bethel as more than just UN NGO conceal the UN 1-2-3-4 super-cycle to 8th King world government [2], and it's final 4th phase of the overall UN 1-2-3-4 cycle which three times previously uses a global world war/tribulation event as the resolving stage to present it's world government solution.

UN 1 of 4. 1919 - WW1 resolution leading to the League of Nations presentation in 1919; (Daniel 12:11; Revelation 13:11-15);

UN 2 of 4. 1945 - WW2 resolution leading to the United Nations presentation in 1945; (Revelation 17:8-11);

UN 3 of 4. 1990 - WW3 "Cold War" resolution leading to the United Nations presentation in "New World Order" initiative in 1990; (Daniel 11:31);
UN 4 of 4. ???. - WW4 resolution leading to the United Nations and 8th King world government total presentation in the relatively near future; (Daniel 8:23-25; Daniel 11:44-45; Replicating Revelation 11:7 and Daniel 12:11);

**In the Coming Decade**

This coming fourth phase is the last one and it is well marked in Daniel 8:14 signal timing of JW judgment first (1Pet4:17), leading to Daniel 12 prophecy and timing periods later, of significant developments eventually marking final UN placement events as at the cycle completion Daniel 12:11 parallels Daniel 11:45 and Daniel 8:25; Since Daniel 11:42-45 must merge into Daniel 12 "during that time", live and real-time in the future, the Daniel 12:7 - 1260 day period - of parallel Revelation 11 timing final world warning (Rev11:2-3) must also develop in this final cycle once lawless Bethel subverters are removed by Christ as per 2Thessalonians 2:8 final phase fulfillment of temple judgment purification of Daniel 8:13-14; 1Peter 4:17 parallel; (Zech3:1-5; Mal3:1-5);

That temple judgment is what is next in context of this final phase activation, not yet "the end of the world" of rival sovereign. (Daniel 8:13-14 as Revelation 8:1-6); It will take the Daniel 8:13-14 "evening" phase completion to remove the Betel impediments enabling "morning" enlightenment and recovery of a true final warning ministry; (Rev8-9). That activates the whole final fulfillment of Revelation 8-11 in sequence. [4]

Kingdom Come: The Final Revelation is the Final Replication of Prophecy

*(Isaiah 41:1) “Attend to me in silence, you islands; and let national groups themselves regain power. Let them approach. At that time let them speak. Let us come up close together for the judgment itself.

**US King South Lead Financial System Must Collapse into 8th King Control**
King South National Powers Must Falter Financially First

Due to the globally complex and inter-related nature of the world financial and economic systems, we do not know what will be the catalyst by which all other economic foundations are shaken; Meaning a financial system of this complexity would create a condition in which all national currencies will be affected in some way; In the complexity is also a way to control the effects and how that is controlled is unknown; If the US Dollar suffers a gradual or abrupt devaluation, it's systemic reliance will affect all currencies, but it is not it's own catalyst in creating that initial event or events; Many variables can start the cycle alone or in tangent; Thus this is not predicting a US Dollar implosion in an abrupt fashion, though it may be, but in a variable controlled setting designed to steer the national powers financial systems into a financial globalization process above former national power control; The dollar and other major systemic foundations will become a factor in the process; Other developments not related directly to global financial and monetary systems, like various forms of war, can also affect and accelerate the process;

In basic terms of prophecy and global developments we are all capable of being aware of [1], in Daniel 11 King North (globalist 8th King power) and King South (national powers) "pushing" (Dan11:27-45, v. 40), the US Anglo-American lead national system of the King South "Egypt" national global realm of power is now in terminal position for aiding the global undermining of the global national powers financial systems;

The confidence in the US Dollar as a reserve currency as the US debt game continues to climax in yet unknown form is the only thing, with production of more "money", keeping the thing afloat; (Other potential catalysts can start an abrupt or controlled plunge;)

That is a global national financial compromise in the making plainly seen by many worldwide;

That potential and inevitable implosion of dollar value and confidence in it will affect all inter-related worldwide national finance and investment at a scale beyond the US and Federal Reserve power to control; (or any other national power or proxy devices as many national currencies are reliant on the dollar's sustained value);

When the dollar goes, it all goes down; Temporarily, but severely; No matter what it is that starts that implosion; [1] The speed at which it "goes down" is not known, or the severity of the effects, due to the complex means of controlling various financial factors; The potential is real;

That is the guaranteed global financial development's basic concept of affecting the key national device of valuation that will potentially require an 8th King provided globalist level of power and financial control to complete the globalization of national financial power into globalist absolute control in finance consolidation first (by prophecy and globalist strategy), as 8th King (King North) globalist power of control, beyond the power and scale of the Anglo-American national system (King South national lead), will be the ONLY recourse left;

The financial set-up of the national powers first is also shown in Daniel 11 prophecy;

At this time of full financial and monetary compromise Daniel 11:42-43 will begin a cycle to culminate as the 8th King King North globalists receive final financial power as the world bails out of dollars, banks fail worldwide, US bonds implode, interest rates spike, gold and silver values skyrocket in dollar terms, etc;

This will be as an 8th King new world financial system will have to be deployed to "bail out" the US and the
national powers amidst a situation of falling employment and rising prices worldwide;

In other words a prophetic financial tribulation develops first (Dan11:42-43), sealing 8th King globalist consolidation/globalization of financial control worldwide (Rev17:12-18), on the fall of "King South" "Egypt" national collective power, with the US/Anglo-American 7th head national system (Rev13:1) leading the plunge with the US Dollar however it may manifest, into a subservient "she"* world role as financial pawn with the other national powers;

We are all witnessing the 12 year positioning of worldwide national debt that will empower the following at global scale soon:

(Daniel 11:42-43) And he (King North/8th King) will keep thrusting out his hand against the(King South national) lands; and as regards the land of Egypt(King South Anglo-American national "capital") *she (submissive national powers) will not prove to be an escapee. (national powers will be 8th King pawned) 43 And he (8th King globalists) will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (complete world wealth domination first);

This final cycle of collapse of national power consolidating/globalizing into globalist power in actuality (Rev17:11-17), will take some years;

**The Bethel JW Deception for 8th King objective**

Misled Jehovah's witnesses will think it is Daniel 11:44 activating [2], as Bethel will attempt to identify a decoy "new King North" when this turns to war, to further cover-up 8th King developments until removal of Bethel's apostasy (Dan11:32; 2Thess2:1-8), and to also provide a handy decoy to blame the JW desolation on, diverting attention from Bethel's prophetic and actual role in the actual 8th King inspired "trampling" of Daniel 8:13-14 as the final temple judgment; (For UN NGO "transgression causing desolation"; Dan8:13-14); The Babylon the Great attack illusion can then also be promoted to further the cover-up and further confuse JWs now fully under "man of lawlessness" control; (Dan11:32; 2Thess2:3);

In fact apex (King North) 8th King globalist power developments have been active since Daniel 11:27, 31b as the 3rd UN placement (Dan11:31b; 1990) leads continually (Dan11:36) to the 4th UN final placement at Daniel 11:45; In 1991 Bethel set-up their own "disgusting thing" version of that 3rd UN placement at Bethel as UN NGO with full GB and Watchtower Society approval and covert intrigue; (Matt24:15; Dan11:31b part of "they will certainly place the disgusting thing");

Thus the final cycle of 8th King consolidation and globalization of power from national power to 8th King globalist power (Rev17:12-18), and it's eventual world war continuation of the "Global War on Terror" (in whatever form necessary) and a real world tribulation (Matt24:29), will be perceived for a while by JWs as "the end of the world" due to this key Bethel deception;

But by prophetic certainty of a final cycle (Dan11:42-45) and required 8th King final developmental consolidation of power (Rev17:12-18; Rev16:13-16) leading to the actual 4th UN world government placement (Daniel 11:45; Dan8:25), this is in fact the BEGINNING of the final prophetic and world cycle, NOT it's end as JWs will believe in Bethel promoted error of Daniel 11:44 premature fulfillment hoax;

So we see the Bethel "Daniel 11:44 next" illusion of "the end", which is an actual 8th King attack some years later, must develop after a full national worldwide wealth and asset transfer to the globalist 8th King level of power as Daniel 11:42-43; "King South" US Dollar collapse will be the catalyst of world financial collapse
pegged to that dollar's engineered demise, for an 8th King financial system globalization rescue, and in the process, full ownership of the national powers "gold and silver" and "desirable things", which upheaval will fuel or result from, the final world war cycle or prelude, at some point to be resolved for the fourth time since 1919 WW1 (1945 WW2, 1990 Cold WW3); for the final UN world government placement a number of years after the initial national compromise of their financial systems to coerce the consolidation into a fully globalized 8th King finance solution; (Dan11:45);

Which will in time turn into a globalized military "solution" and a final world government full globalization; JWs will be lost for at least 3 years of that process (Dan8:14), misled by the Bethel globalist factions now creating a "Daniel 11:44 next" illusion, which must actually come after the Daniel 11:42-43 collapse of King South national powers (financially), and full 8th King globalist scale "rulership" of the "gold and the silver" complete basis of worldwide wealth supra-national wealth domination - the final 8th King "super-sovereignty" of worldwide financial power; (No way can a failed USSR be a successful King North; Dan11:36);

Instead Jehovah's Witnesses' temple hard wealth and securitized assets will be "desolated" (transferred to another system) and added to the 8th King booty as well, as JWs think it is "the attack on Babylon the Great" - by a "new King North" decoy as the "attacker" filled by some final Bethel deceptions aiding 8th King and their own intrigues' concealment;

**But it is JWs own temple judgment that MUST START the process of world judgment; (1Pet4:17);**

(1 Peter 4:17) *For it is the appointed time for the judgment to start with the house of God (as Dan8:13-14);*

*Babylon the Great attack is but another Bethel deception to confuse JWs come temple judgment and desolation time for the UN NGO transgression against God and the Kingdom of Christ;*

In effect, in final fulfillment replication of Revelation 8-11 paralleling Revelation 15-16, Babylon the Great (BTG) ends the cycle; Babylon the Great is present through the whole final Revelation 16 6th plague globalization "gathering" in final fulfillment in the future (Rev16:12-16), shown as alive and well at Revelation 16:12 BTG set-up, and Revelation 17:15-16 BTG asset and sovereign pillage to end the cycle along with full Revelation 16:13-16 globalization into 8th King final national "gathering" just prior to Armageddon, some years into Daniel 11:42-43 culminating as 8th King wealth power consolidation progresses into Daniel 11:44-45 final events;

In effect that Babylon the Great quadrillion of hard wealth and assets is the final method of globalized national recovery (Isa41:1) to aid the "freedom from care" and world "peace and security" effect of the 4th UN world government placement (Dan8:5; 11:45) that will resolve this final world war and tribulation cycle (Matt24:29) pawning the last defiant national powers like Iran, China and Russia in the process of this unique final world war cycle;

Three world wars, including the "cold war" all resolved for their own foretold UN related placements in 1919; after WW1 (Rev13:11-15); in 1945; after WW2 (Rev17:8-11); in 1990, after cold WW3; (Dan11:29; 31b). The 4th UN placement predictably will include a unique WW4 (Dan11:29 principle) resolved for 8th King world government at Daniel 8:25 parallel to Daniel 11:45 and Daniel 12:11 replicating with Daniel 12 as Daniel 11:42-45 developments arrive to Daniel 12:1 "during that time";

The divinely required JW temple desolation which begins the final cycle at Daniel 8:13-14 as 1Peter 4:17, will be made to appear as the "end of the world" to JWs by apostate 8th King serving Bethel, when in fact the
period stretches on for a number of prophetically marked years as Daniel 8:13-14 parallels Revelation 8-9 as Daniel 12 replicates underlying Revelation 8-11 final prophetic sequence in final fulfillment mode of replication;

Now you know why JWs in general are at 1980s levels of prophetic understanding, being misled and derailed by the UN NGO Governing Body 8th King subversion of Bethel (WTS), also foretold; (Dan11:30-35; Dan8:11-13; Dan11:41; Luke 21:20. UN NGO as "disgusting thing" at Matt24:15), and why JWs perceive "King North" as the USSR national bloc impossibility;

We also know why many JWs no longer "pay attention" to prophecy by Bethel's subversive leadership diversions into error; (2Thess2:11; Zech3:1-3);

**Final Set Up Seen in World Financial News**

Though the US Dollar and the currencies that are based on it's reserve currency status are not the only danger in a complex global process of engineered economic control through these national weaknesses now present at astronomical national magnitudes, it is plainly known now worldwide the potential risk growing daily with the national debt backing that teetering US Dollar [1], thus the dollar itself, it is already devaluing; (Luke21:25-28)

Though we cannot know the actual catalyst, ramifications and timing to manifest once a severe enough jolt affects worldwide markets and dollar confidence, we can clearly see a globalization of national finance and investment power into 8th King power is the only place a powerful enough solution exists (Rev13:17) as also shown in the Daniel 11:42-43 precursor 8th King events leading to Daniel 11:44-45;

Thus Daniel 11:42-43 national set-up is active in front of our eyes now, with great worldwide evidence;

Since some years later, Daniel 11:44 will parallel the final 8th King attack of Revelation 11:7 after a final world warning Christian ministry has been purified from today's "befouled" JW world presence and reputation (Zech3:1-3), we can expect Daniel 11:42-43 global finance intrigues in 8th King developments to accompany a US King South portion national financial power falter (due to it's dollar lynchpin) with the concurrent JW temple judgment and ministerial 8th King (UN NGO) "trampling" desolation (Dan8:13) through Revelation 8 into 9 (leading to Rev 10-11), as the final fulfillment first four plagues of Revelation 16 must provide world and prophetic context of the foretold JW fall into judgment into Revelation 9 "abyss" of JW ministerial inactivity due to the temple desolation; (Dan8:11-14; 1Pet4:17; 2Thess2:1-4);

Meaning Daniel 11:42-43 initiates an approximate first four plague process leading to Daniel 11:44-45 events in the 6th plague set up of Babylon the Great (Rev16:12) and the globalization effects empowering "they go forth to the kings of the entire inhabited earth, to gather them together to the war of the great day of God the Almighty" of Revelation 16:13-16 during that Daniel 11:44 parallel to Revelation 11:1-7 final world warning concluding into a final 8th King attack phase (Rev11:7) and into the 4th UN placement of Daniel 11:45 as an "image" and a final globalist unification world government "8th King"; That completes the worldwide defiant process of globalized sovereignty enabling the war with the Kingdom of Christ also ready for the final conflict; (Rev19:11-21; Rev20:1-3 parallel);

Though the US national reputation and others will be covered by various rationale, in reality the US national power with many others, will actually be the King South nationalists being coercively financially pawned by King North (8th King) globalist elite devices as foretold, which will climax in national sovereign deposition to globalist 8th King worldwide super-sovereign "power and authority" of the Revelation 17:11-18 process
culminating first by financial "power and authority" transferred to globalist control;

We can also see why bankrupted USSR certainly has nothing to do with Daniel 11:42-43 fulfillment as all Daniel 11:30-45 is 8th King as King North dubiously covered up by Bethel's apostasy (Dan11:32; Dan8:12) in spite of obvious prophetic failure of interpretation;

**New World Financial System - 8th King Pawns (Buys) King South National Powers**

Though operable as a national world wide collective with the Anglo-American "7th head" (Rev13:1) leadership, King South national powers will become fully financially subservient to 8th King globalist unifiers of globalization "gathering" in this process ready to activate globally on all the nations, as the globalist two-horned wildbeast Anglo-American elite globalist lead system manifests financial "7th head" globalized control of the globalist "scarlet wildbeast" (Rev17:12-18) in this economic dimension's initial manifestation leading to full national sovereign transfer to the 8th King (Rev17:12-17; Rev16:13-16) by the 6th plague of final fulfillment Revelation 16 parallels, by way of comprehensive globalization of their national governmental, military and financial core systems going into globalist authority;

(Revelation 13:16-17) And it puts under compulsion all persons, the small and the great, and the rich and the poor, and the free and the slaves, that they should give these a mark in their right hand or upon their forehead, 17 and that nobody might be able to buy or sell except a person having the mark, the name of the wild beast or the number of its name.

A world war or global terror development will merely accelerate and aid the 8th King globalization process, and eventually will provide the context of the final peace resolution [3], as Daniel 8:25 "freedom from care" preceding 4th UN world government placement parallels 1Thessalonians 5:1-3 world "peace and security" proclamations of that final 8th King "scarlet wildbeast" system; (4th UN placement; Dan8:25 = Dan11:45 = Dan12:11 (replication));

That will be the time Jesus inversely describes as period "during" "a freedom from care" of NO "wars and reports of wars"; (Matt24:6); THEN the end can come; (1Thess5:1-3), after a final prophetic cycle also completes with God's Messianic Kingdom of Christ and the 8th King apex "King of the North" finality shown to be concurrent by final fulfillment prophecy and world events signaling this inevitable development and conclusion as Armageddon;

*What is coming is not "the end" yet; It is the BEGINNING of the end, mapped in prophecy and world events over some years;*

Gerald Celente - Dollar Meltdown
The United Nations Call For One World Currency Relates to Daniel 11:42-43 Cycle Starting Soon

UN Monetary Globalization Call Relates to Daniel 11:42-43 Soon

The United Nations economists are again alluding to globalization of the world monetary national systems into a globalist finalizing financial network. [1]

The details of final globalization of world national financial systems as initial objective of the overall 8th King globalization process, shown also here in Daniel 11:42-43 below, directly relates to this latest UN statement prior to 4th UN cycle full activation meaning here:

(Daniel 11:42-43) And he (8th King/King North) will keep thrusting out his hand against the(national) lands; and as regards the land of Egypt(collective national powers; King South "capital") she (feminized King South) will not prove to be an escapee. (captured by globalist power intrigues of first a financial nature:) 43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (Thus 8th King/King North rules the world wealth, wealth system and all}
"desirable things" of national "Egypt" "King South" powers in full globalist progressive ownership);

1. What Daniel 11:42-43 is foretelling is a final 8th King finance and wealth monopoly globalization cycle that foretells an 8th King (King North) wealth control "pawning" of "King South" national powers (King South final polarity as world national powers in "south" subservience and decline) by 8th King (King North globalist final top polarity as apex world power) power, by global economic/financial intrigues to activate soon.

A. This is also related in the prophecy and world reality to worldwide national asset control as "all the desirable things of Egypt" as the King South collective worldwide national system is now fully debt compromised.

B. Wherein in this guaranteed prophetic phase culmination as King North is 8th King globalist ascendancy to an internationalized finalizing form of world rulership and the foretold 8th King global sovereign apex that precedes Christ's Kingdom arrival to dispute that final zenith 8th King claim. (Dan8:25 as 1Thess5:1-3);

2. In the UN fourth cycle outline from God as per Daniel 11:42-45, to fully activate Daniel 11:42-43 soon, we see a financial globalization process precedes the sovereign transfer of national power to globalist "power and authority" of subsequent Revelation 17:12-18, Revelation 16:12-16, Daniel 11:44-45 parallels.

A. [[1] As shown in the Fox News video clip (and other news sources), the United Nations is now again publicizing the idea of a globalized monetary system from signals going in this direction of globalization for some years now.]

3. This is indeed a generally well "hidden" 8th King wealth consolidation system from most people's understanding at global scale.

4. It is logical for the coming decade of completing globalization processes, that the 8th King globalist have a reliable sovereign transference and capital fueling system going into place more fully in globalist control for the final cycle.

5. That they "rule" the "silver and the gold" and "all the desirable things" is an 8th King meaning of ruling the very basis of historic wealth valuation as primary precious metals and hard assets, and even the physical apportioned planetary lands nations will no longer "own". (Dan11:39);

8th King Already the Richest in Globalist Elite History

1. This current 8th King momentum of world wealth control is based on the current 50% and more world wealth control already under globalist control, to facilitate the rest of the consolidation completions which this final cycle of the 4th UN phase and temporary, but severe, world tribulation will facilitate. [3]

National Massive Debt Set-up Already Prepares Final Cycle Meltdowns

1. The enormous worldwide national debt scenario in 100s of trillions in debt, unfunded liabilities and volatile currencies already under 8th King "master credit" distribution and issuance as the basis of all that debt/currency relationship is the perfect national set-up already in place worldwide, systemic and terminal in the national systems to aid engineered financial meltdown.

A. Those inevitable debt consequences can then direct national bankruptcy and insolvency world "problem" to the 8th King globalist financial/monetary only "solution" for some years of final consolidation developments
and actual financial globalization.

2. The scale of collective national debts and the magnitude of the core globalist world currency and credit system underpinning the most powerful of those nations already (at 60%+ magnitudes, such as US Dollar (USD) reserve volume internationally), means a globalization of all finance and investment "power and authority" would have to accompany a new globalized monetary system as they are all inter-related.

A. The international corporate, investment, banking, markets/commerce and financial network (mainly digital) is already in place, merely to be transformed based on worldwide digital super-systems into a planned final globalized international "wealth super-government" as a globalist 8th King network far above understanding, global deployment or authority of national governments. [3]

(Daniel 11:39) And he will act effectively against the most fortified strongholds (including the USSR or any other national power), along with a foreign god. (globalism paradigm shift) Whoever has given [him] recognition (as globalist supporting) he will make abound with glory, and he will actually make them rule among many (in UN elite circles leading to world sovereignty over all nations from their globalist elite supports in many UN aligned nations); and [the] ground he will apportion out for a price. (and in that world "mortgage" of nations, the 8th King will also "foreclose" and receive all these "lands" as per Dan 11:42-43 phase culminations as final globalist world owner);

**Final 8th King Consolidation Cycle**

1. It is the 8th King that ends up with the irreversible full world asset "desirable things" control over a number of years in the globalization projection, as nations are running on debt and unstable USD inter-linked fiat currency at over 60% USD "world reserve currency" underpinning, and the overall credit/debt system is already designed to consolidate more and more hard assets to the already nearly globalized [3] "master creditor" consistently over the whole debt deployment cycle of the last century.

2. A world economic tribulation or massive crash scenario merely accelerates the overall globalization/consolidation process in 8th King advantage, since the core wealth system it is absorbed into, is in globalist predominant control already, it's credit end is not for indebted national accessibility but as "collective debtor".

A. The whole world credit and currency system can then be globally transformed into an 8th King globalization "recovery" system in which 8th King designed "recovery" scenarios the national powers (over cycle duration) must transfer ownership power and that means sovereign autonomy is also given to 8th King globalist final authority in this cycle progressively and accelerating naturally to 100% control.

**8th King Quadruple Formula - UN 1-2-3-4**

1. And logically the catalyzing of this coming fourth United Nations cycle for the next decade, by use of a world tribulation catalyst that will end (Matt24:29) into a completed 8th King world sovereignty just prior to Christ's arrival (Matt24:30-31) is merely a fourth time repeating principle and formula of the use of world conflict and engineered tribulation as a means to a greater end.

A. This very same formula that birthed:

1. The League of Nations after WW1 in 1919;
2. The United Nations after WW2 in 1945, and

3. The UN "New World Order" initiative after WW3 "cold war" in 1990;

4. Will be used a fourth time to birth UN world government as the culmination of this fourth phase of this UN 1-2-3-4 super-cycle employed since 1914.

B. This coming world tribulation will aid the globalization of not just financial system control and direction first, but in time the actual national sovereignty based on wealth control, because globalist 8th King will be absorbing national sovereignty as the financial, asset and overall wealth begins to consolidate fully under 8th King control. Control of wealth and it's basis is the control of sovereign power by the control of financial, governmental and military "power and authority". (Rev17:11-18);

**Tribulation Aids Consolidation**

1. That financial and wealth transformation will sustain the initial periods of this final globalization process, and why it is not a total world collapse, but a severe engineered stressing of national powers globally to absorb the weaker financial, institutional and business entities in the cycle. (Rev13:16-18);

A. (Babylon the Great (BTG) as potentially a quadrillion or more in hard asset storage will aid the final leg of the process, as shown at the end of the 8th King final cycle as per Revelation 16:12-16 and Revelation 17:12-18. It is also logical to use BTG to the end of the cycle for other reasons);

2. Thus world tribulation provides the overall world "problem" to be resolved into a final United Nations world government "solution" at the end of the overall cycle, as well as stress the national systems worldwide during the cycle to coerce (Rev13:16-17) transference of wealth power and sovereign power into 8th King final controlling percentage well on the way to 100% world control over the years to follow as this will now be fully irreversible, to be governed by 8th King technocratic globalized "Super Corporatocracy", not the national governments.

A. (The "scarlet wildbeast" "body" as 8th King actual world government far beyond the UN in scale and function, but including it as nucleus, international central forum and "image" "of the wildbeast" in apex, hence "north" world "king" form.)

3. Thus wealth control in 8th King hands will aid sovereign control later:

*(Revelation 17:11-18) And the wild beast that was but is not, it is also itself another eighth king, but springs from the seven, and it goes off into destruction. 12‘And the ten horns that you saw mean ten kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the wild beast. 13 These have one thought, and so they give their power and authority to the wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so]. 15 And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns that you saw, and the wild beast, these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire. 17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their kingdom to the wild beast, until the words of God will have been*
accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth.” (the target religious sovereignty);

4. Thus financial globalization of Daniel 11:42-43 will facilitate national sovereign transference of "power and authority" to globalist 8th King super-sovereign world power in time as shown in Revelation 17:11-18 and Revelation 16:12-16 final phase sequences. [2]

5. As we see that Revelation 17:11-18 sovereign transformation includes national power transference as "ten kings" who "give their power and authority" to the "scarlet wildbeast" 8th King which facilitates a parallel process of religious sovereign deposition as Babylon the Great's "kingdom over the kings of the earth" is removed in this final sequence, as both are going into final phase of 8th King power ascendancy as Revelation 16:13-16 and Daniel 11:42-45 parallels. (See [2]);

= How JWs Are Being Misled By Three Key Bethel Deceptions

I. Great Tribulation Ambiguity

1. Now we know JWs are purposely being sold an overly simplified version of a premature "end of the world" and a "great tribulation" that is a supposed terminal end sequence, when in fact that tribulation is an engineered, three time previously deployed, UN world government "birthing" device that actually ends, as before, and as per the prophecy; (Matt24:29);

2. Thus financial, religious and or political intrigues can be created globally to depose Bethel in the overall context, and JWs can be sold a hoax illusion as a Bethel "explanation" of events that will not be the events actually unfolding, nor at the position in time JWs will perceive in error. It cannot be "the end" yet, it is the beginning of the final cycle as Daniel 11:42-45 main sequence starting.

II. Babylon the Great Attack Premature Expectation

By the use of the Bethel "Babylon the Great (BTG) attacked first" fiction, Bethel can further aid the hoax as JWs will think it is the BTG attack phase starting, but as per prophecy Babylon the Great is an operative global religious institution that will:

1. Aid the final globalization cycle for it's duration by confusion and error further applied to the masses by globalist controlled religious leaders;

2. Be deposed for the world "peace and security" effect at the end of the cycle aiding UN world government credibility and believability; (Dan8:25; 1Thess5:1-3)

3. Provide a final worldwide asset boost at the end of the cycle during Rev17:15-18 global deposition of BTG, for world recovery, whose resource and wealth base globally can then aid national recovery, and the "freedom from care" period at the end of the cycle; in that UN 8th King world government world "peace and security" final recovery manifestation worldwide under full UN 8th King world government in final completed and world sovereign publicly stated form worldwide.

III. "Daniel 11:44 Next" - The Bethel Hoax Main Deception
1. The current Bethel positioning of the JW collective mind to expect Daniel 11:44 as next is also going to aid cover-up of identity of the actual "trampling" Bethel will be undergoing as Daniel 8:13 "transgression causing desolation" ramifications of the UN endorsement as UN NGO.

2. Bethel can thus make the Daniel 8:13 guaranteed Bethel desolation look like Daniel 11:44 "attack" deceptively, an entirely different attack scenario, for entirely different reasons, at the near end of the UN globalization process overall - certainly not next and impossible to be next in 8th King globalization taking some years to complete.

3. The USSR King North fiction is how Bethel keeps JWs baited with these lies and advanced too far into the prophecy, and too far into the 8th King globalization process.

A. Obviously a failed USSR cannot fulfill any part of Daniel 11:27-45 except "but nothing will succeed" nationally in Daniel 11:27 meaning.

4. Thus Bethel will be aiding this "attack" reality with a deceptive meaning, by use of a misapplied Daniel 11:44 "King North" "attack" scenario, prematurely advanced too far into the actual final 8th King globalization process, which will be actually starting with Daniel 11:42-43 soon, not Daniel 11:44-45.

A. Daniel 11:44-45 is a prelude to full world government at the near end of the cycle actually just starting to activate as Daniel 11:42-43.

B. Thus Bethel can also apply a decoy "King North" "meaning" as "attacker" as well to try to further conceal 8th King activity of Dan8:13 "trampling" as long as possible.

C. And this aids a Bethel desolation scenario that will also be misrepresented to JWs successfully also as long as possible into Daniel 8:14 timing of temple judgment, desolation, purification and recovery.

5. The now defunct and non-existent USSR cannot fulfill the required continuum of Daniel 11:36b, or full world wealth control of Daniel 11:42-43, nor do they aid placement of the "disgusting thing" in UN 1990 3rd manifestation - Bethel is who aided and fulfilled the meaning of "those leaving the holy covenant" for the United Nations 3rd placement aid as UN NGO (and more, obviously). (Matt24:15; Dan11:30-31) - it is the 8th King who engineers and leads the Bethel apostasy; (Dan11:30b-31b, 32a);

6. This is because all of Daniel 11:30-45 is about a King North who is actually the 8th King and final globalization continuum in the 3rd UN placement (Dan11:31b; 1990) to the 4th UN placement phase of Daniel 11:42-45 soon to activate fully and go into the future final cycle and final UN manifestation triggering Armageddon at the end of this fourth and final UN phase.

A. Daniel 11:41 is Bethel's current state of invasion by infiltrative subversion. (Luke 21:20; Dan8:11-13; Dan11:30-35);

B. Daniel 11:40 is globalist 8th King world military positioning active since the Gulf War 1990, into Global NATO manifestation (1999), to Global War on Terror (GWOT) as a further unique form of "world war" as per Daniel 11:29 principle in use since the "cold war".

7. This "global war" is thus already present and can proceed to whatever escalation will become necessary as Daniel 11:42-43 intrigues unfold globally over time.
A. Now that the post 911 GWOT has created around 1000 new worldwide military installations for eventual 8th King full control, fully positioned now for a final world war to bring in the last nations into full 8th King subservience aided by their national financial meltdowns in financial globalization as well, we can see what 911 provided as a useful worldwide pretext for continued Daniel 11:40 globalist world military expansions, undertaken with little fanfare for now over a decade of final phase preparation and positioning globally, as few understand what is actually going on here.

8. Of course none of that is explained further by Bethel, it is all covered up for a perpetual "1980" JW mindset, theology and brainwash to aid Bethel's downfall in the final cycle made to appear to JWs as "the end of the world".

A. But it will not end as JWs expect, it will just proceed with final 8th King globalization processes for some years, and leave JWs bewildered and temporarily ceased as a world Christian ministry in organized fashion. (as foretold in Daniel 11:30-32a, Dan8:11-14 parallels culminating in 1990 UN NGO and Bethel apostasy sign of 2Thess2:3-4; 1Pet4:17)

9. Thus Bethel's UN NGO affair is only part of the story and their operation includes covering up the final 8th King globalization phase as significant 3rd and 4th UN placements of an over all UN 1-2-3-4 cycle since 1990, from what the UN started in it's first two JW explained 1919 and 1945 prophetic fulfillments of UN development as Revelation 13:11-15 and Revelation 17:8-11 respectively.

A. They also cover up the FACT this final cycle of Daniel 11:42-45 merges into Daniel 12 "during that time", live and real-time in the future, and is thus an extended period in Daniel 12 timings and durations, and indicates a final prophetic cycle will also be activating as JW temple judgment of Daniel 8:13-14 is 1Peter4:17 judgment priority as Revelation 8 replication events.

The Real 8th King Final Phase to 4th United Nations as World Government Placement

Financial Globalization Prelude Developments

(Daniel 11:42-43) And he (8th King/King North) will keep thrusting out his hand against the(national) lands; and as regards the land of Egypt(collective national powers; King South "capital"), she (feminized King South) will not prove to be an escapee. (captured by globalist power intrigues of first a financial nature:) 43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (Thus 8th King/King North rules the world wealth, wealth system and all "desirable things" of national "Egypt" "King South" powers in full globalist progressive ownership);

Final 8th King Attack Phase; (Daniel 8:25; Revelation 11:7 Parallel in Daniel 12:7; Revelation 11:1-3 Parallel 1260 Days Completion);

(Daniel 11:44) “But there will be reports("little scroll")that will disturb him(4th placement bound UN 8th King), out of the sunrising and out of the north(ultimately from Christ and God) and he will certainly go forth in a great rage(Dan8:25 ruinations; Rev11:7 war with "two witnesses" in order to annihilate and to devote many to destruction.(Including BTG at end of cycle); (provides Rev11:7 8th King attack context)
Final 8th King World Government Completion

(Daniel 11:45) And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; (plural palatial "tents" as earthly symbolism of UN distributed world government in 4th UN placement as also counterfeit of God's Kingdom and at God's Zion "location") and he will have to come all the way to his end (Armageddon denunciation of Dan11:36), and there will be no helper for him. (King North as 8th King deposed (Dan7:26; 8:25); Satan goes down as Gog "guard" (Eze38:7) "from the remotest parts of the north" as well, as Rev19:19-21 leads to Rev20:1-3 (Eze38); Isa24:21-22);

Parallels:

(Daniel 12:11) “And from the time that the constant [feature] (in post JW temple judgment purified "little scroll" form) has been removed (Rev11:7) and there has been a placing of the disgusting thing (Dan11:45; 8:25; Rev11:7 final "abyss" ascension as full 8th King world government finale that is causing desolation, there will be one thousand two hundred and ninety days. (Dan7:26 parallel);

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and DURING a freedom from care (1Thess5:1-3 "peace and security" period of 4th UN 8th King world government) he will bring many to ruin. (Dan11:44; Rev11:7) And against the Prince of princes he will stand up (as 8th King complete), but it will be without hand that he will be broken. (Rev19:19-21; Eze38-39);

Warning on Returning to Jehovah's Witnesses

The final temple judgment cycle of 1Peter4:17; Daniel 8:13-14 will begin in context of Daniel 11:42-43 activations as Revelation 8 judgment and purification (Rev8:1-6) and "trumpets" being with Revelation plagues in a sequential approximately parallel progression of those seven trumpets and plagues as JW "earth" context (Rev8), and worldwide "earth" context (Rev16).

Thus what JWs have been saying for years will start to activate, but as we see the twist is JWs are also subverted by error (2Thess2:1-4, 11-12) for the final cycle. So some may try to return to JWs, but this too is not now a good idea as per Matthew 24:15 warning, for Bethel will now be a global logistically controlled trap system in as many situations as can be orchestrated for Jehovah's witnesses to be led by Bethel to 8th King capture during the beginning of this final cycle(See [4])

It is best to now just wait for the foretold divine purification of Zechariah 3 parallel to Daniel 8:14 "right condition" as Malachi 3:1-5 parallels 2Thessalonians2:8 meaning of Christ's final temple entry to deploy Revelation 9-11 prophetic replication, and to precede Kingdom completion by parallel temple completion events (Rev11:15-19) and final world warning of "little scroll" to be deployed as Revelation 9 merges into Revelation 10 (Zech3:6-7) as final "two witnesses" (Rev11), the second and final of TWO world witnessings (Rev10:11) concerning Kingdom development, now in completion cycle as well, converging with 8th King completion for Armageddon divine war resolution at the end of this cycle to start soon.
World "Signs"

Of course there are far more "signs seen in sun, moon and stars" (Luke21:25-28) of this current system's national systems (sun), supporting institutions (moon) and individual societal lights of understanding secular meanings (stars) than just these few links shown below.

The amazing aspect of Luke 21:25-28 is the world's secular sources and well reported governmental and financial structural compromises explained by even globalists themselves and world experts as well as researchers and theorists are at an all time high of impending financial tribulation, among other 8th King related "signs" of the final globalization cycle we are already in, merely awaiting the "proper set of world events" to catalyze the rest of the phase.

""We are on the verge of a global transformation. All we need is the right major crisis and the nations will accept the New World Order."" - David Rockefeller.

Financial intrigues at global scale will be part of "the right major crisis".

Enoch's Clue of 144000 Completion Manner

Three Types of First Resurrections? Two Final Completion of the 144000 Biblical Events...

What is demonstrated here is the resolution to the question of whether any anointed will "survive" Armageddon and "great tribulation" (GT) in the human form. It appears the stand with the Lamb on Zion in overall symbol of power will be "literal" in that all 144000 will be present in spirit form for the final Messianic Kingdom conquest of this universal sovereignty (new heavens) and the earth territory being brought into "new earth" reality starting with the "blessing" of the "sheep" of Matt 25:31-42 in the "great crowd". (Matt19:28; Rom8:18-22)

It appears that Enoch's transference mentioned in Genesis, Hebrews (and Jude in a unique reference) can very well apply
at Armageddon prelude events allowing Jehovah His reality that "nothing is too extraordinary" for Him (Gen18:14), and He will have empowered Christ to complete the Messianic Kingdom fully. God purposes for His Son's Kingdom "Royal Family" 144000 at His EXACT appointed time and not another's, because that enables God to set Christ as King of kings in final form as Messianic King and to set Christ as the Temple crown-stone - full King-Priest over a full Messianic Kingdom and divine Priesthood.

(Revelation 14:1) And I saw, and, look! the Lamb standing upon the Mount Zion, and with him a hundred and forty-four thousand having his name and the name of his Father written on their foreheads.

Jude mentions Enoch's prophecy concerning prelude Armageddon arrival of God with His "myriads", a reference also associated with Christ at Armageddon "War of God Almighty". This is for a reason in the bible with greater meaning, because the Christ arrival is for a sheep salvation period of some duration in Daniel 12:11, and many indications from scripture show a living gathering of both final sheep groups, heavenly and earthly, is to take place.

This is why this 144000 completion prelude (not yet Armageddon divine war finality, but comprehensive sheep completions):

(Matthew 24:29-31) “Immediately after the tribulation of those days the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. 30 And then the sign of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven with power and great glory. 31 And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones together from the four winds, from one extremity of the heavens to their other extremity.

Was first foretold by Enoch.

(Jude 14-15) Yes, the seventh one [in line] from Adam, Enoch, prophesied also regarding them, when he said: “Look! Jehovah came with his holy myriads, 15 to execute judgment against all, and to convict all the ungodly concerning all their ungodly deeds that they did in an ungodly way, and concerning all the shocking things that ungodly sinners spoke against him.”

And Enoch is the transference clue for the final 144000 completing meaning of 1Thessalonians 4:17.

A careful examination of a few key inter-related biblical features in this sequence is what is covered here, and touches on other prophetic significance such as the signal "peace and security" statement as to what it will trigger in effect. The overall great tribulation will be in progress in the post-“tribulation of those days” phase ended, as 8th King complete world government final sovereign statement period. The Armageddon conquest divine war parallel of God’s war at 2Thessalonians 1:6-10 is in a period after a complete warning is finalizing by Christ himself. (Matt10:23); ( "Tribulation of those days" meaning proof);
First Resurrections

(1 Thessalonians 4:15) For this is what we tell you by Jehovah’s word, that we the living who survive (not dead anointed) to the presence of the Lord (Matt24:29-31; Rev16:17) shall in no way precede those who have fallen asleep in death:

1. Dead Resurrected 1 (Died before the Messianic Kingdom Birth):

(1 Thessalonians 4:16). because the Lord himself will descend from heaven with a commanding call, with an archangel’s voice AND with God’s trumpet, and those who are dead in union with Christ will rise first.

2. Dead Resurrected 2 (Died after the Messianic Kingdom Birth):

(1 Corinthians 15:51) Look! I tell YOU a sacred secret: We shall not all fall asleep in death, but we shall all be changed, 52 in a moment, in the twinkling of an eye, during the last trumpet. For the trumpet will sound, and THE DEAD will be raised up incorruptible, and we shall be changed.

(These are those "who survive to the presence of the Lord"... but who died during that time, though they did survive into Christ’s enthroned presence, they are noted as dead, they do not precede those in union with Christ who already were asleep in death who "rise first". Yet both groups pictured die. One merely does not "sleep" in death, they are resurrected instantaneously. (Rev14:13))

3. Transference 3 (Alive at Armageddon):

After the 1Thessalonians 4:16 comprehensive resurrection of the dead before Christ’s presence and those during his presence who have died physical deaths, we see this third categorical inclusion of those "who are surviving" (not described as having died at all), WHEN Christ is "in the air":

(1Thessalonians 4:17) AFTERWARD we the living WHO ARE SURVIVING will, TOGETHER with them, be caught away in clouds (possibly invisibly; Rev11:11-12) to meet the Lord in the air; and thus we shall always be with the Lord. (at Rev16:17 seventh plague Christ "air event" of Matt24:31);

What aids this awareness is knowing all 1914 era sovereign Kingdom prophecy will repeat. And the Daniel 12 timed periods have great final meaning in that final fulfillment guarantee and 144000 completion importance is part of the final Christ Messianic Kingship requirement. Thus 1Thessalonians 4:17 must have a final fulfillment meaning.

Meeting versus Destination

1. Firstly, a "meeting" is not a destination, it is a point of coming together, a place of temporary connectivity (a "connection" 2Thess1:10), a rendezvous. These final 144000 already sealed are meeting Christ "in the air". Why not "in heaven"? Well that is not a meeting, but the destination if that was the case in this crucial scripture. It is because the
"Kingdom come" is a Messianic Kingdom come to earth in full ruling power as defined by a complete Kinged Christ of that 144000 Kingdom "body of the Christ".

2. It appears instead Christ is in descending to earth's vicinity ('air' (Eph2:2) 'heavenly places' (Eph6:12)) to conclude great tribulation at Armageddon in the "war of righteousness".

3. Which equals the completing of this number in "standing" on Zion at that finality of this time prior to the "winepress" (Rev19:15) event:

(Revelation 14:1) And I saw, and, look! the Lamb standing upon the Mount Zion, and with him a hundred and forty-four thousand having his name and the name of his Father written on their foreheads.

4. From this sealing, while in the flesh of those "who are surviving" prior to Great Tribulation, to a required completion - a clue not available to Christians prior to the Revelation (Isa8:18):

(Revelation 7:1-4) After this I saw four angels standing upon the four corners of the earth, holding tight the four winds of the earth, that no wind might blow upon the earth or upon the sea or upon any tree.
2 And I saw another angel ascending from the sunrising, having a seal of the living God; and he cried with a loud voice to the four angels to whom it was granted to harm the earth and the sea, 3 saying:"Do not harm the earth or the sea or the trees, until after we have sealed the slaves of our God in their foreheads." 4 And I heard the number of those who were sealed, a hundred and forty-four thousand. . .

Is "Sudden Destruction" Great Tribulation?
1. Then in this sequence (1 Thess5:1-3) is the implied "end", "great tribulation" (GT) commencing? No, the "great tribulation" will be in progress. This is 2Thessalonians1:6-10's instant attack at the "revelation of the Lord from heaven" WHILE GT is in progress INTO and AFTER Babylon the Great is annihilated after 144000 for 8th King final world "peace and security" final effect.

2. After Paul alludes to the 144000 completion, the "sealed" "who are surviving":

(1Thessalonians 4:17) AFTERWARD we the living WHO ARE SURVIVING will, TOGETHER with them, be caught away in clouds to meet the Lord in the air; and thus we shall always be with the Lord.

3. He goes further in the stream of logic as we see continuing the 1Thess4:17 continuum to that period and "who are surviving" and into the "peace and security" clue. Paul is leading to the final end event "sudden destruction" in this sequence of thought between 1Thess4:15-17 and 1Thess5:1-3; the previous kingdom completion detail of what is transference while alive in union with Christ at Armageddon, which will finish this "sudden destruction" (2Thess1:6-10) event by a completed Messianic Kingdom 144000, and Paul's allusion to it in 1Thess4:17 relates to this in the continuum of what he is getting at giving detail of those "who are surviving" and that we know the finality of the end is a completed Messianic Kingdom assembly for "instant" destruction, a period in GT, but "sudden" and thorough "none escape" - yet
getting to that point will take time (Dan12:11):

(1 Thessalonians 5:1-3) Now as for the times and the seasons, brothers, you need nothing to be written to you. 2 For you yourselves know quite well that Jehovah's day is coming exactly as a thief in the night. 3 Whenever it is that they are saying: “Peace and security!” (a final 8th King sovereign world government statement period) then sudden destruction is to be instantly upon them just as the pang of distress upon a pregnant woman; and they will by no means escape.

4. The other detail that supports this is not the commencement of GT, but WHILE it is in progress, is that the destruction is "sudden" and "instantly", but the period leading to it may go on for a period of final warning time. Though GT commencement is sudden no doubt, the destruction is not, it carries on over a period of time, and many of the orchestraters in fact "escape" as shown also in Amos9:1-3 dual wave of destructions, and the kings, and merchants observing BTG destroyed (Rev18:9-19) and other survivors (Rev11:10; Rev6:12-17) not in the BTG "sharing of her sins".

A. "Instantly upon them" implies a judgment of direct divine means and targeted "upon them", BUT the great tribulation is orchestrated by these very same powers in 2Thess1:6-10 "those who make tribulation for you" and in that sequence that "tribulation" gets the final divine response "upon them". They avoid "great tribulation" "upon them" because they are the members of the "kings" and "wildbeast" that engineer the GT and are actually the richest and most powerful they have ever been and get richer and more powerful by means of world tribulations.

B. The point being the "peace and security" proclamation may come immediately after Babylon the Great is destroyed, when "those who make tribulation", with Gog and Magog by that time manifesting, notice Jehovah's people still in existence (not operation; Rev11:7 precedes BTG judgment), which when they attack them, that is the "war of God" trigger of 2Thess1:6-10 and Eze38:18-20. And only earth seep are left after the 144000 completes as also a protective "wall of fire"; (Zech2:5; 12:6-9);

5. That the completed 8th King world government is proclaiming "peace and security" may very well be because they now view BTG as the former major impediment to peace, being now gone, hence "peace and security" is achievable in their estimation in their one world governmental order and adds believability to te climax 8th King UN "world peace" period of Daniel 8:25 "freedom from care".

**Enochian Transference Foregleam**

Why would Jehovah, in His word, allude to Enoch, a "holy one" of his time, as to a divinely revealed prophecy concerning NOT the flood, though uttered in that prelude period, but the final judgment at Armageddon? This is in Jude for extended meaning DURING that final judgment "with his powerful angels" that Jude is speaking of, after the Matt24:29-31 arrival of Christ for 144000 completion also a parallel to this prophecy:

(Jude 14-15) Yes, the seventh one in line from Adam, Enoch, prophesied also regarding them, when he said: “Look! Jehovah came with his holy myriads, 15 to execute judgment against all, and to convict all the ungodly concerning all their ungodly deeds that they did in an ungodly way, and concerning all the shocking things that ungodly sinners spoke against him.”
(Hebrews 11:5) By faith Enoch was transferred so as not to see death, and he was nowhere to be found because God had transferred him; for before his transference he had the witness that he had pleased God well.

That is revealed because transference is not out of the question to complete the 144000 according to Jehovah's exact timing NOT the GT events which that completion will usher the end of:

(Zechariah 14:3-5) 3 “And Jehovah will certainly go forth and war against those nations...in the day (Armageddon) of fight...And you people(great crowd) will certainly flee to the valley of my mountains...And Jehovah my God will certainly come, all the holy ones(Christ and the 144000) being with him.

"Air" is NOT Heaven but Heavens, the Heavenly Places of Ephesians 6:12; 2:2

When would Christ be "in the air"? It this "air" the seventh plague pours on:

(Ephesians 2:2) the ruler of the authority of the air...

(Revelation 16:17-19) And the seventh one poured out his bowl upon the air. At this a loud voice issued out of the sanctuary from the throne, saying: “It has come to pass!” 18 And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great. 19 And the great city split into three parts, and the cities of the nations fell; and Babylon the Great was remembered in the sight of God, to give her the cup of the wine of the anger of his wrath.

That leads to this event:

(Revelation 19:11-21) 11 And I saw the heaven opened, and, look! a white horse. And the one seated upon it is called Faithful and True, and he judges and carries on war in righteousness... 14 Also, the armies that were in heaven were following him on white horses, and they were clothed in white, clean, fine linen. ... He treads too the winepress of the anger of the wrath of God the Almighty (which ties to Rev14:1 and Rev14:17-20).... And I saw the wild beast and the kings of the earth and their armies gathered together to wage the war with the one seated on the horse and with his army. 20 And the wild beast was caught, and along with it the false prophet that performed in front of it the signs with which he misled those who received the mark of the wild beast and those who render worship to its image. While still alive, they both were hurled into the fiery lake that burns with sulphur. 21 But the rest were killed off with the long sword of the one seated on the horse, which sword proceeded out of his mouth.

Great Tribulation and the "Trumpet" of the Final Gathering
(Matthew 24:29-31) “Immediately after the tribulation of those days the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. 30 And then the sign of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven with power and great glory. (2Thess1:6-10) 31 And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones together from the four winds (an allusion to great tribulation of Rev7:1-3; 9-17), from one extremity of the heavens to their other extremity.

(1Thess4:16) "because the Lord himself will descend from heaven with a commanding call, with an archangel’s voice AND with God’s trumpet, and those who are dead in union with Christ will rise first."

1. Though that trumpet does apply to the herald of Christ's enthroned presence, in Matt24:31 it applies to also the post great tribulation angelic protective gathering and final "air" strike of 2Thess1:6-10. The "trumpet sound" is an angelic herald and signal event for both the remaining anointed "who are surviving" and the "great crowd" who by this overshadowing protection of God's angels are brought "out of the great tribulation" which is ending here to "Immediately after the tribulation" they are passing through into a period to bypass the later Armageddon divine war in salvation through that final judgment directly by Christ.

2. This leads to 144000 completion and ten earth sheep securement, not yet Armageddon war phase:

(Mark 13:24-27) 24 “But in those days, after that tribulation, the sun will be darkened, and the moon will not give its light, 25 and the stars will be falling out of heaven, and the powers that are in the heavens will be shaken. 26 And then they will see the Son of man coming in clouds with great power and glory. 27 And then he will send forth the angels and will gather his chosen ones together from the four winds (of GT), from earth's extremity (great crowd completion) to heaven's extremity (144000 completion by transference of those "who are surviving").

3. In that manner the God, Christ and their full Messianic Kingdom 144000 will proceed then to "pay back tribulation to those who make tribulation"; That is the end "all the holy ones [144000] being with Him" with Jehovah and Christ.

Pre-Tribulation "Signs" and "Anguish of Nations" Preceding "Powers of the Heavens" being Shaken:

(Luke 21:25-32) 25 “Also, there will be signs in sun and moon and stars, and on the earth anguish of nations, not knowing the way out because of the roaring of the sea and its agitation, 26 while men become faint out of fear and expectation of the things coming upon the inhabited earth; for the powers of the heavens will be shaken. 27 And then they will see the Son of man coming in a cloud with power and great glory. 28 But as these things start to occur, raise yourselves erect and lift your heads up, because your deliverance is getting near.”

[This is the comprehensive "deliverance" of "his chosen ones together from the four winds (of GT), from earth's extremity
With that he spoke an illustration to them: “Note the fig tree and all the other trees: 30 When they are already in the bud, by observing it you know for yourselves that now the summer is near. 31 In this way you also, when you see these things occurring, know that the kingdom of God is near. 32 Truly I say to you, This generation will by no means pass away until all things occur.

So it is actual that generation will NOT pass away until all these things have occurred, they are the anointed "who are surviving" appointed to Enoch-like transference.

Some anointed will not die Adamic death, but be transferred at the time of the final battle as Enoch may very well have pictured, taking part in the cessation of the trumpet 7, concluding them all, (which they helped herald forth), for the complete 144000 at the Armageddon strike, as the "holy ones" are also shown in 1Thess1:10 as being connected with that event.

(2 Thessalonians 1:6-10) 6 This takes into account that it is righteous on God’s part to repay tribulation...at the revelation of the Lord Jesus from heaven with his powerful angels in a flaming fire, as he brings...the judicial punishment of everlasting destruction from before the Lord...10 at the time he comes to be glorified in connection with his holy ones...regarded in that day with wonder in connection with all those who exercised faith.

That "connection" is "meet""the Lord in the air" apparently.

Gives final meaning to Jesus words:

(Matthew 16:27-28) For the Son of man is destined to come in the glory of his Father with his angels, and then he will recompense each one according to his behavior. 28 Truly I say to you that there are some of those standing here (Rev14:1) that will not taste death at all until first they see the Son of man coming in his kingdom.”

The 144000 Completion like the Sealing Completion (Rev7:1-3) will be Controlled by Jehovah

1. The principle of the completion of the 144000 is stated in Revelation:

(Revelation 13:9-10) If anyone has an ear, let him hear.

A. Killed and resurrected by transference:
10a If anyone is meant for captivity, he goes away into captivity. (Ps68:18); 

B. Killed by the enemy and resurrected in traditional first resurrection: 

10b If anyone will kill with the sword (of the spirit), he must bskilled with the sword. Here is where it means the endurance and faith of the holy ones. 

C. That "captivity" is symbolic for this "capture": 

(Psalm 68:18) You have ascended on high; You have carried away captives; You have taken gifts in the form of men... 

(Ephesians 4:8-10) Wherefore he says: “When he ascended on high he carried away captives; he gave gifts in men.” 9 Now the expression “he ascended,” what does it mean but that he also descended into the lower regions, that is, the earth? 10 The very one that descended is also the one that ascended far above all the heavens, that he might give fullness to all things. 

(Isaiah 8:18) 18 Look! I and the children whom Jehovah has given me are as signs and as miracles in Israel from Jehovah of armies, who is residing in Mount Zion. 

(Hebrews 2:11-13) For both he who is sanctifying and those who are being sanctified all stem from one, and for this cause he is not ashamed to call them “brothers,” 12 as he says: “I will declare your name to my brothers; in the middle of the congregation I will praise you with song.” 13 And again: “I will have my trust in him.” And again: “Look! I and the young children, whom Jehovah gave me.” 

D. The final "gathering" is of captives, in that way Jehovah also controls the exact timing of the 144000 completion, not Satan, not the wildbeast and not humans. 

2. "Sword" Killed Anointed 

A. These are two types of "death" that lead to the immortal resurrection in the finality of the 144000 completion in the near future. During the first desolation of Great Tribulation this appointed number must have a completion, but this is not the ultimate completion of the 14000, but very close, notice the altar: 

(Revelation 6:9-11) And when he opened the fifth seal, I saw underneath the altar the souls of those slaughtered because of the word of God and because of the witness work that they used to have. 10 And they cried with a loud voice, saying: “Until when, Sovereign Lord holy and true, are you refraining from judging and avenging our blood upon those who dwell on the earth?” 11 And a white robe was given to each of them; and they were told to rest a little while longeruntil the number was filled also of their fellow slaves and their brothers who were about to be killed as they also had been. 

(Revelation 11:1) And a reed like a rod was given me as he said:“Get up and measure the temple sanctuary of God and the altar and those worshiping in it.
B. Well that altar in its symbolic measuring means it is to be completed most assuredly in this form of sacrifice of the 144000, not as atonement of course, but in doing God’s will to the death. This then fully represents in God’s will to save 144000 for a special possession of the holy priesthood under the High Priest Jesus Christ; (Rev5:9-10; Rev14:1-5; 1Pet2:4-10)

(Romans 12:1) Consequently I entreat you by the compassions of God, brothers, to present your bodies as a sacrifice living, holy, acceptable to God, a sacred service with your power of reason.

C. Though the altar is associated primarily with the atonement sacrifice of Jesus Christ as God’s will for the salvation of mankind in all exercising faith in that provision, the completed 144000 will constitute the finality of the blood spilled also on this altar of God’s will as these follow the lamb no matter where he goes, including heaven provided by the ransom sacrifice of Jesus Christ ultimately completing this 144000 temple arrangement for real.

3. Heavenly Transference of Final Anointed 144000 Remnant

A. We see the final completion of the 144000 though, is at the final gathering of Christ himself:

(Luke 17:34-37) I tell you, In that night two men will be in one bed; the one will be taken along, but the other will be abandoned. 35 There will be two women grinding at the same mill; the one will be taken along, but the other will be abandoned.” 36 —— 37 So in response they said to him: “Where, Lord?” He said to them: “Where the body is, there also the eagles will be gathered together”:

B. The "eagles" are the anointed remaining ones at the end of the world of the rival sovereigns of planet earth which shortly follows the completion of the 144000.

C. That above separation and gathering is at this event:

(Mark 13:24-27) 24 “But in those days, after that tribulation, the sun will be darkened, and the moon will not give its light, 25 and the stars will be falling out of heaven, and the powers that are in the heavens will be shaken. 26 And then they will see the Son of man coming in clouds with great power and glory. 27 And then he will send forth the angels and will gather his chosen ones together from the four winds (of great tribulation; Rev7:1-3), from earth’s extremity (earthling sheep) to heaven’s extremity (heavenly sheep final 144000).

D. That is why Enoch's prophecy, a man "taken" by God so as not to see death, relates the context of this final event:

(Jude 14-15) Yes, the seventh one in line from Adam, Enoch, prophesied also regarding them, when he said: “Look! Jehovah came with his holy myriads, 15 to execute judgment against all...

E. So in the end of this event, at the official temple completion, Jehovah by Christ will control the exact timing of the temple completion which must be complete before, of course, the headstone Christ can be "set" eternally into place:
Accordingly he answered and said to me: “This is the word of Jehovah to Zerubbabel, saying, “Not by a military force, nor by power, but by my spirit, Jehovah of armies has said. 7 Who are you, O great mountain? Before Zerubbabel you will become a level land. And he will certainly bring forth the headstone. There will be shoutings to it: “How charming! How charming!”” 8 And the word of Jehovah continued to occur to me, saying: 9 “The very hands of Zerubbabel have laid the foundation of this house, and his own hands will finish it.

4. Full Christ Court Phase

New Appointed Word Rulers in Final Judgment

A. Since the 144000 are the Christ judiciary of the earthly sovereignty of the Messianic Kingdom, they must with Christ be part of this final judgment phase.

(Daniel 7:26-27) And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate him and to destroy him totally. 27 “And the kingdom and the rulership and the grandeur of the kingdoms under all the heavens were given to the people who are the holy ones of the Supreme One. Their kingdom is an indefinitely lasting kingdom, and all the rulerships will serve and obey even them.

B. This would complete sometime before this court phase separation and gathering:

(Matthew 25:31-33) “When the Son of man arrives in his glory, and all the angels with him, then he will sit down on his glorious throne. 32 And all the nations will be gathered before him, and he will separate people one from another, just as a shepherd separates the sheep from the goats. 33 And he will put the sheep on his right hand, but the goats on his left.

C. Since the anointed must complete first:

(Zechariah 12:7-9) “And Jehovah will certainly save the tents of Judah first (anointed are recovered in the world field first)

D. The final Christ Court must be after this phase of completion.

144000 Temple

1. A clue is the complete word context of "temple" is used in Revelation only after 144000 complete in final fulfillment:

Principle:

(Revelation 3:12) “The one that conquers—I will make him a pillar in the temple of my God.”
First 144000 Temple Completion Account in Revelation (but after great tribulation):

(Revelation 7:14-15) “These are the ones that come out of the great tribulation, and they have washed their robes and made them white in the blood of the Lamb. 15 That is why they are before the throne of God; and they are rendering him sacred service day and night in his temple; and the One seated on the throne will spread his tent over them.

2. These are delivered through great tribulation in this event with a completed 144000 temple:

(Revelation 14:15-16) And another angel emerged from the temple sanctuary, crying with a loud voice to the one seated on the cloud: “Put your sickle in and reap, because the hour has come to reap, for the harvest of the earth is thoroughly ripe.” 16 And the one seated on the cloud thrust in his sickle on the earth, and the earth was reaped.

3. This related adverse judgment is after the 144000 complete as well, the "court" execution:

(Revelation 14:17-19) And still another angel emerged from the temple sanctuary that is in heaven, he, too, having a sharp sickle. 18 And still another angel emerged from the altar and he had authority over the fire. And he called out with a loud voice to the one that had the sharp sickle, saying: “Put your sharp sickle in and gather the clusters of the vine of the earth, because its grapes have become ripe.” 19 And the angel thrust his sickle into the earth and gathered the vine of the earth, and he hurled it into the great winepress of the anger of God.

First in Linear Time (Two Witnesses Final Fulfillment) 144000 Temple Completion Account

(Revelation 11:19) And the temple sanctuary of God that is in heaven was opened, and the ark of his covenant was seen in his temple sanctuary.

1. The "ark of the covenant" seen in the "temple" signifies the "new covenant" and "kingdom covenant" salvation is now complete to this heavenly phase of completed 144000 immortal and incorruptible existence enabling Christ's final Messianic Kingdom crowning and temple crown-stone completions.

Great Tribulation Phases and Meanings— 144000 Completion Prelude
Jesus Arrives to Earth for 144000 Completion First Priority

There is a Prelude Period of Comprehensive Sheep Priority Prior to Armageddon

(H贯彻ebras 1:5-6) For example, to which one of the angels did he ever say?“You are my son; I, today, I have become your father”? And again: “I myself shall become his father, and he himself will become my son”? 6 But when he again brings his Firstborn into the inhabited earth, he says: “And let all God’s angels do obeisance to him.”

1. We pick up the future Christ Armageddon prelude arrival development here after the "tribulation of those days" sub-tribulation completes into 8th King completion:

(Matthew 24:29-31) 29 “Immediately after the tribulation of those days the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. 30 And then the sign of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven with power and great glory. 31 And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones together from the four winds, from one extremity of the heavens to their other extremity.

2. The awareness here is understanding that "the tribulation of those days" are these "days for meting out justice, that all the things written may be fulfilled" and apply to the spiritual "Jerusalem" temple judgment, purification and recovery:

(Luke 21:20-22) “Furthermore, when you see Jerusalem surrounded by encamped armies, then know that the desolating of her has drawn near. 21 Then let those in Judea begin fleeing to the mountains, and let those in the midst of her withdraw, and let those in the country places not enter into her; 22 because these are days for meting out justice, that all the things written may be fulfilled.

3. And the thing being fulfilled in this divine judgment "meting out justice" is first this temple judgment in time leading to the "two witnesses" recovered ministry as the 1Peter 4:17 (Rev8:3-5) final fulfillment parallel in detail of indictment and temple judgment timing verification:

(Daniel 8:13) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the (profaned and subverted; Dan11:30b)
'That Tribulation' is NOT the Babylon the Great Destruction Phase

1. Mark 13:24 "in those days, after that tribulation" and Matthew 24:29 "the tribulation of those days" applies to the temple judgment and recovery phase in the "great tribulation" as an overall Great Tribulation sub-tribulation period signal upon the "holy city" and in time the "two witnesses" ultimately, not Babylon the Great. Complete destruction of the global empire of false-religion occurs after 144000 completion as a sixth to seventh plague event Rev16:12-21 to render this judgment before a complete Messianic Kingdom "court" (Dan7:26):

(Revelation 18:8) That is why in one day her plagues will come, death and mourning and famine, and she will be completely burned with fire, because Jehovah God, who judged her, is strong.

2. BUT the Great Tribulation must and does go on for this comprehensive set of human classes is still active:

(Revelation 18:9-19) “And the kings of the earth who committed fornication with her and lived in shameless luxury will weep and beat themselves in grief over her, when they look at the smoke from the burning of her, 10 while they stand at a distance because of their fear of her torment...15 The traveling merchants of these things, who became rich from her, will stand at a distance because of their fear of her torment...17 ...And every ship captain and every man that voyages anywhere, and sailors and all those who make a living by the sea, stood at a distance...because in one hour she has been devastated!

Jesus Arrives in Finality Before BTG Destroyed

3. Jesus Christ therefore will not arrive for "the sign of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven with power and great glory" until "Immediately after the tribulation of those days" upon the "Jerusalem" definition of Christian spiritual estate, the Great Tribulation itself goes on for a period to the climax conquest of Christ's "revelation... from heaven with his powerful angels as he brings vengeance on those"; (2Thess1:6-10).

4. The end of the "tribulation of those days" is not the end of the "great tribulation", but a prelude Christ Messianic Kingdom completion period; (Dan12:11);

Jesus Christ Earthly Jerusalem Temple Visitations and Parallel Finalities

1. Now we can examine the first two visits of Jesus Christ to the temple in Jerusalem for clues about this also second visit in kingly power after the enthronement of Christ at his first "temple" visit in the 1914-1919 period of prophecy and "the
great sign seen in heaven" reality of Revelation12:1-12 in heaven at that time when Christ first cleared the heavens of the "cave of robbers" Satan and the demons.

2. After his baptism (29 CE), anointed as the official Christ, Jesus visited the temple for the first time (30 CE) to cleanse it of commercial activity and organized crime networks as also a preview of the final temple visit. (Has a "robber" Bethel parallel as well, and implies a final temple visit as well). Christ’s second temple visitation on earth was as king designate after his triumphal entry into Jerusalem in 33 CE. In heaven in 1914 Christ arrived as that King designate to be officially enthroned in God’s Kingdom as that King (Rev12:1 crown meaning) and designate for future King of the Messianic Kingdom after it’s birth in Revelation 12:1-6 completes in all 144000 full Messianic Kingdom completion.

3. Implying also two phases and two related fulfillment periods. In his Michael designation as heavenly ruler in God’s Kingdom, heaven’s sovereign domain was cleansed of the criminal racket of Satan and the demons in Revelation 12:7-10. (also a foregleam of Earth’s sovereign domain to be cleansed of Satan to abyss as a Messianic Kingdom final action for the Adamic period);

4. Jesus Christ then set as the "Angel of the Covenant" or Messenger and began fulfillment of Malachi 3 (which must also have a final temple judgment fulfillment, as it had a 1918 period initial fulfillment - the principle of repeating patterns of increasing significance to completion is used by God.):

(Malachi 3:1-4) “Look! I am sending my messenger, and he must clear up a way before me. And suddenly there will come to His temple the true Lord, whom you people are seeking, and the messenger of the covenant in whom you are delighting. Look! He will certainly come,” Jehovah of armies has said. 2 “But who will be putting up with the day of his coming, and who will be the one standing when he appears? For he will be like the fire of a refiner and like the lye of laundrymen. 3 And he must sit as a refiner and cleanser of silver and must cleanse the sons of Levi; and he must clarify them like gold and like silver, and they will certainly become to Jehovah people presenting a gift offering in righteousness. 4 And the gift offering of Judah and of Jerusalem will actually be gratifying to Jehovah, as in the days of long ago and as in the years of antiquity.

5. In 1914 this was the spiritual cleansing work that led to the truth of Jehovah and His Kingdom purpose and the recognition of all subsequent prophecy as the "great sign seen in heaven" concerning Christ’s official enthronement as King as the "good news of the Kingdom" began to be preached in accurate knowledge earth wide "for a witness to all the nations then the end will come". Christ’s initial temple visit made the same issues known for the first time. 1914-1918 was a re-affirmation, the future will manifest the finality it is all leading to.

**Christ's Temple Visit Patterns**

What we learn from Christ’s two earthly Jerusalem Temple visits in 30CE and 33CE is this dual "visitation" principle pattern meaning:

1. There will be a second "New Jerusalem" "temple" visitation (33 CE parallel) on earth after 1914 (30 CE first temple visit parallel) and that corresponds to a point in the period of time "immediately after the tribulation of those days" not upon Babylon the Great, but upon the "Jerusalem" JW temple "a system of things". After the 144000 complete, completing
Babylon the Great's destructive judgment will finalize, marking the second judgment of Christ after the sheep and goat
determination judgment, not yet "the end" of goats, but a sheep securement priority prior to Armageddon.

A. That final arrival is direct to the "temple" is now certain (for the coming cleansing first; Dan8:14 unique timed temple
judgment), as previous temple visitation patterns suggest the "sign of the Son of Man" and events surrounding it to
follow (Dan12:7; 12:11), may involve a "seven" time period and be more spiritually elaborate than first realized; (Gen7:4;
Dan9:27; John12:1)

2. As in the earthly "Triumphal Entry" into Jerusalem pattern of the King Designate Jesus Christ on the ass's colt in
33CE, we see Revelation also pictures Jesus arriving upon a "white horse" in his initial 1914 visitation (Rev6), and in his
final visitation to earth as two white horse depictions of Christ, one in God's Kingdom crowning of 1914, and one in the
future Messianic Kingdom crowning as "many diadems":

(Revelation 19:11-16) And I saw the heaven opened, and, look! a white horse. And the one seated upon it is
called Faithful and True, and he judges and carries on war in righteousness. 12 His eyes are a fiery flame,
and upon his head are many diadems. He has a name written that no one knows but he himself, 13 and he
is arrayed with an outer garment sprinkled with blood, and the name he is called is The Word of God.
14 Also, the armies that were in heaven were following him on white horses, and they were clothed in
white, clean, fine linen. 15 And out of his mouth there protrudes a sharp long sword, that he may strike
the nations with it, and he will shepherd them with a rod of iron. He treads too the winepress of the anger
of the wrath of God the Almighty. 16 And upon his outer garment, even upon his thigh, he has a name
written, King of kings and Lord of lords.

A. That arrival of Revelation 19 is as King of the complete 144000 Messianic Kingdom. Revelation 6
"arrival" "presence" was as Christ as King of God's Kingdom first; (Rev4-6; Rev12:1 "crown");

3. The final Jerusalem visitation in the earthly foregleam of Jesus was to Bethany, six days before the Passover at
Jerusalem. The Passover significance parallel is it's relation to the Armageddon deliverance of God's people by the "blood
of the Lamb" as parallel to the time of Israel's deliverance out of Egypt by God through angelic means of persuasion;
(Ex13:14; 14:14);

A. The related symbolism to the "passover" is at Armageddon through the great tribulation in Revelation 7:9-17 at the
final "passover" of those "powerful angels in a flaming fire" of 2 Thessalonians 1:6-10 is unmistakable in the final earth
visit to "New Jerusalem's" "temple" for prelude and 144000 completion and subsequent earthly conquest:

(Revelation 7:9-14) After these things I saw, and, look! a great crowd, which no man was able to number,
out of all nations and tribes and peoples and tongues, standing before the throne and before the Lamb,
dressed in white robes; and there were palm branches in their hands. 10 And they keep on crying with a
loud voice, saying: “Salvation we owe to our God, who is seated on the throne, and to the
Lamb...14...These are the ones that come out of the great tribulation, and they have washed their robes
and made them white in the blood of the Lamb.

B. And even the "great crowd" foregleam was present at Christ's earthly visitation also with palm branches in their hands
and proclamations of salvation and blessing:

(John 12:12-13) The next day the great crowd that had come to the festival, on hearing that Jesus was coming to Jerusalem, took the branches of palm trees and went out to meet him. And they began to shout: “Save, we pray you! Blessed is he that comes in Jehovah’s name, even the king of Israel!”

4. What may also prove significant in the final reality is that the account of Christ’s second visit to Jerusalem’s temple, from Bethany, had a period of six days before the seventh day arrival of the Passover, a known finality of meaning spiritually. (It also aligns Christ’s sacrifice at the mid-point approximate (Dan9:27), to the final “two witnesses” “sacrifice and gift offering to cease” at the Daniel 12:7 1260 day conclusion midpoint to Daniel 12:11 1290 days starting):

(John 12:1-36) Accordingly Jesus, six days before the passover, arrived at Bethany, where Lazarus was whom Jesus had raised up from the dead.

A. Approximately midway to the time of the Great Passover of 33CE, or about 3 days after his arrival to Bethany from Jericho, is when Jesus arrived the second time at the Jerusalem temple, putting the foregleam glorification of the Christ coming “into Jerusalem, into the temple” a possible time period “immediately after the tribulation of those days” but before final Armageddon war for the actual 144000 completion event; (Mark11:11; Matt24:29);

(B. Hence the covenant principle extends the full week as years in Christ’s overall ministry and in days in his temple 7 days pattern to Daniel 127 and 12:11 timed periods as well in principle:

(Daniel 9:27) “And he must keep [the] covenant in force for the many for one week; and at the half of the week he will cause sacrifice and gift offering to cease.

5. Jesus "cleanses" the "temple" environment of criminals as noted, and also makes an inspection:

(Mark 11:11a) And he entered into Jerusalem, into the temple; and hlooked around upon all things...

6. We see a dual glorification in Christ’s earthly visit as well, and both have the principle and the reality that Satan was cast from heaven in the first heavenly initiated visit phase in 1914 (extending to Earth in 1918-1919, Dan12:7 to Dan12:11 transition in initial fulfillment, initial temple visitation) and will be cast to abyss on the second visitation (Rev20:1-3) which was the first authoritative statement Christ made at that arrival in Jerusalem; (Rev20:1-3):

(John 12:27-30) Now my soul is troubled, and what shall I say? Father, save me out of this hour. Nevertheless, this is why I have come to this hour. 28 Father, glorify your name.” Therefore a voice came out of heaven: “I both glorified it and will glorify it again.” 29 Hence the crowd that stood about and heard it began to say that it had thundered. Others began to say: “An angel has spoken to him.” 30 In answer Jesus said: “This voice has occurred, not for my sake, but for your sakes. 31 Now there is a judging of this world; now the ruler of this world will be cast out

7. The "sign" of the complete "temple" completion of the 144000 "body" of Christ and "temple" of God was shown by Christ at the first temple visit in Jerusalem on earth. (1Cor3:16; 1Cor6:19; Eph2:21)
(John 2:13-19) Now the passover of the Jews was near, and Jesus went up to Jerusalem. 14 And he found in the temple those selling cattle and sheep and doves and the money brokers in their seats. 15 So, after making a whip of ropes, he drove all those with the sheep and cattle out of the temple, and he poured out the coins of the money changers and overturned their tables. 16 And he said to those selling the doves: “Take these things away from here! Stop making the house of my Father a house of merchandise!” 17 His disciples called to mind that it is written: “The zeal for your house will eat me up.” 18 Therefore, in answer, the Jews said to him: “What sign have you to show us, since you are doing these things?” 19 In answer Jesus said to them: “Break down this temple, and in three days I will raise it up” (Rev 11:11-12 parallel);

8. That real "New Jerusalem" "temple" has greater significance now:

(Revelation 3:12) “The one that conquers—I will make him a pillar in the temple of my God, and he will by no means go out from it anymore, and I will write upon him the name of my God and the name of the city of my God, the new Jerusalem which descends out of heaven from my God.

9. Resurrection from the dead is also implied in the overall sign of Jonah as applicable to the resurrection of Christ noted in John 2:19:

(Matthew 12:39-40) In reply he said to them: “A wicked and adulterous generation keeps on seeking for a sign, but no sign will be given it except the sign of Jonah the prophet. 40 For just as Jonah was in the belly of the huge fish three days and three nights, so the Son of man will be in the heart of the earth three days and three nights.

10. The spiritual nature of this "temple" is shown here; (Heb 9:11):

(Mark 14:58) ‘I will throw down this temple that was made with hands and in three days I will build another not made with hands.’

11. Jesus Christ’s perfect "body" is implied in the "cornerstone" priority of his own firstborn resurrection to spirit immortality; (Heb 7:16):

(John 2:18-21) Therefore, in answer, the Jews said to him: “What sign have you to show us, since you are doing these things?” 19 In answer Jesus said to them: “Break down this temple, and in three days I will raise it up.” 20 Therefore the Jews said: “This temple was built in forty-six years, and will you raise it up in three days?” 21 But he was talking about the temple of his body.

12. And at his second earthly temple visit Christ showed by illustration his death would bear much fruit as he is also "firstborn from the dead"; (Rev 1:5) to spirit incorruptible immortality (Heb 2:14):

(John 12:23-24) But Jesus answered them, saying: “The hour has come for the Son of man to be glorified. 24 Most truly I say to you, Unless a grain of wheat falls into the ground and dies, it remains just one
grain; but if it dies, it then bears much fruit.

13. And we see the "temple" and "body" of Christ are one great spiritual meaning of Christ's immortal 144000 priesthood:

(Romans 12:4-5) For just as we have in one body many members, but the members do not all have the same function, 5 so we, although many, are one body in union with Christ, but members belonging individually to one another.

(1 Corinthians 6:19-20) What! Do you not know that the body of you people is the temple of the holy spirit within you, which you have from God? Also, you do not belong to yourselves, for you were bought with a price.

14. And that purchase "bought with a price" is noted only three times by word "bought" in Revelation to show most definitely the 144000 are the first-fruit "purchase" temple arrangement of God:

(Rev 5:9-10) with your blood you BOUGHT persons for God out of every tribe and tongue and people and nation, 10 and you made them to be a KINGDOM and PRIESTS to our God, and they are to rule as KINGS over the earth.

(Rev 14:3-4) the hundred and forty-four thousand, who have been BOUGHT from the earth...These were BOUGHT from among mankind as firstfruits to God and to the Lamb.

15. And the Priests of the Temple, the 144000 are the first resurrection:

(Revelation 20:4-6) And they came to life and ruled as KINGS with the Christ for a thousand years... This is the first resurrection. 6 Happy and holy is anyone having part in the first resurrection; over these the second death has no authority, but they will be PRIESTS of God and of the Christ, and will rule as KINGS with him for the thousand years.

**Messianic Kingdom Temple 144000 Completed for Conquest**

1. So this final visitation unto the remnant of the 144000 "little flock" will be for a full gathering into Christ at this pivotal time in human history (Matt24:29-31 parallel):

(Mark 13:24-27) 24 "But in those days, after that tribulation... they will see the Son of man coming in clouds with great power and glory. 27 And then he will send forth the angels and will gather his chosen ones together from the four winds(Rev7:1-3), from earth's extremity (earthling sheep) to heaven's extremity (144000 remnant).

2. And this completion must be done on those 144000 remnant "who are surviving" as Christ is in a junction "in the air" in final fulfillment meaning of Revelation 16:17 seventh plague parallel in final fulfillment:
(1 Thessalonians 4:17) Afterward we the living who are surviving will, together with them, be caught away in clouds to meet the Lord in the air...

(Revelation 16:17-19) And the seventh one poured out his bowl upon the air. (1Thess4:17 parallel) At this a loud voice issued out of the sanctuary from the throne, saying: “It has come to pass!” (Messianic Kingdom completion in (8th King completion period) and leading to all completions) 18 And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great. (How we know BTG is destroyed after 144000 completion:) 19 And the great city split into three parts, and the cities of the nations fell and Babylon the Great was remembered in the sight of God, to give her the cup of the wine of the anger of his wrath.

3. Into this event period in 1 Thessalonians 4-5 continued parallel account from God as a Messianic Kingdom completion and 8th King completion are required for final sovereign resolution:

(1 Thessalonians 5:2-3) For you yourselves know quite well that Jehovah’s day is coming exactly as a thief in the night. 3 Whenever it is that they are saying: “Peace and security!” then sudden destruction is to be instantly upon them

4. And that "sudden destruction" is "in connection" with the 144000 completed "holy ones":

(2 Thessalonians 1:6-10) ...it is righteous on God’s part to repay tribulation to those who make tribulation for you, 7 but, to you who suffer tribulation, relief along with us at the revelation of the Lord Jesus from heaven with his powerful angels 8 in a flaming fire, as he brings vengeance upon those...10 at the time he comes to be glorified in connection with his holy ones(completed 144000; Zech12:6-9) and to be regarded in that day with wonder in connection with all those(earthling sheep) who exercised faith, because the witness we gave met with faith among you(great crowd).

5. And this parallels that this Satanic attack in full assemblage of Revelation 19:19-21:

(Ezekiel 38:18-19)“‘And it must occur in that day, in the day when Gog comes in upon the soil of Israel,‘ is the utterance of the Sovereign Lord Jehovah,‘that my rage will come up into my nose. 19 And in my ardor, in the fire of my fury, I shall have to speak. Surely in that day a great quaking will occur in the soil of Israel.

6. Will have an impenetrable gauntlet around the great crowd as shown here by God as in 2 Thessalonians 1:6-10 fulfilling Revelation 7:9-17:

(Zechariah 12:8-9) In that day Jehovah will be a defense around the inhabitants of Jerusalem; and the one that is stumbling among them must become in that day like David (earthling), and the house of David (144000 kings) like God, like Jehovah’s angel before them (great crowd). 9 And it must occur in that day that I shall seek to annihilate all the nations that are coming against Jerusalem.
7. Fulfilling this comprehensive prophetic promise of God:

(Zechariah 14:5) And Jehovah my God will certainly come, all the holy ones (144000) being with him.

8. And these are given the Messianic Kingdom at "the definite time" of this final visitation and conquest:

(Daniel 7:22) the Ancient of Days came and judgment itself was given in favor of the holy ones of the Supreme One, and the definite time arrived that the holy ones took possession of the kingdom itself.

(Daniel 7:27) 27 "And the kingdom and the rulership and the grandeur of the kingdoms under all the heavens were given to the people who are the holy ones of the Supreme One. Their kingdom is an indefinitely lasting kingdom, and all the rulerships will serve and obey even them.

9. So this sequence is fulfilled in the day of that Armageddon "war of the great day of God the Almighty":

(Revelation 17:14) These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him will do so?

(Daniel 2:44) "And in the days of those kings the God of heaven will set up a kingdom that will never be brought to ruin. And the kingdom itself will not be passed on to any other people. It will crush and put an end to all these kingdoms, and it itself will stand to times indefinite;

(Daniel 2:35) At that time the iron, the molded clay, the copper, the silver and the gold were, all together, crushed and became like the chaff from the summer threshing floor, and the wind carried them away so that no trace at all was found of them. And as for the stone that struck the image, it became a large mountain and filled the whole earth.

**Enoch Connection**

1. The anointed have to "be killed" one way or another, even if by God, in transference:

(Deuteronomy 34:5) After that Moses the servant of Jehovah died there in the land of Moab at the order of Jehovah.

(Genesis 5:24) And Enoch kept walking with the true God. Then he was no more, for God took him.

2. Now Jehovah loved Moses and Enoch, they were terminated with a far grander reward in mind of the REAL earthly "promised land". So, completing the final 144000 is by divinely timed perfection, and instantaneous, this has a final application to this trumpet actual final fulfillment, that is the real thing. Think  **FINAL FULFILLMENT** actuality in the near future in all of these:

(Revelation 10:6-7) he swore:“There will be no delay any longer; 7 but in the days of the sounding of the
seventh angel, when he is about to blow his trumpet, the sacred secret of God according to the good news which he declared to his own slaves the prophets is indeed brought to a finish.”

3. Symbolic 144000 completion:

(Revelation 11:11-12) 11 And after the three and a half days spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud, and their enemies beheld them.

4. The "air event" leads directly to the totality event of 144000 completion soon after:

(Revelation 16:17) And the seventh one poured out his bowl upon the air. At this a loud voice issued out of the sanctuary from the throne, saying: “It has come to pass!

5. The sanctuary is a hint at temple completion, because here, the 144000 have not yet completed, it is still a "tent" as it was in Hebrews when Christ arrived at the "tent", not a complete temple, just as the Moses pattern also shows, a tent, not the 144000 yet:

(Revelation 15:5-6) And after these things I saw, and the sanctuary of the tent of the witness was opened in heaven, 6 and the seven angels with the seven plagues emerged from the sanctuary.

(Revelation 16:17) And the seventh one poured out his bowl upon the air.

6. That "air" is of course also Satan's realm in Eph2:2, so that plague of course will disturb the demons greatly***.

(1 Thessalonians 4:17) Afterward we the living who are surviving will, together with them, be caught away in clouds to meet the Lord in the air.

(1 Corinthians 15:51-52) Look! I tell you a sacred secret: We shall not all fall asleep in death, but we shall all be changed, 52 in a moment, in the twinkling of an eye during the last trumpet. For the trumpet will sound, and the dead will be raised up incorruptible, and we shall be changed.

7. And when that trumpet sounds, that's all she wrote for this world:

(Revelation 11:15) And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: “The kingdom of the world did become the kingdom of our Lord and of his Christ, and he will rule as king forever and ever.”

(Revelation 11:19) And the temple sanctuary of God that is in heaven was opened, and the ark of his covenant was seen in his temple sanctuary.

8. That "measured" "temple" of Revelation 11:1 was not a completion yet, the measuring is assurance it will complete. So,
"temple" is only used in Revelation final fulfillment when the 144000 are totally complete. Rev7:9-17, Rev 14, and Rev 11, between Rev 6 and Rev 19.

9. The "ark" "in" the temple, is the fulfillment of the "new covenant" and "kingdom covenant", the measured "altar" will of God to complete the 144000, which is necessary to end the GT finally, destroy all rival sovereigns, deliver the GC, abyss Satan, which all sanctifies Jehovah’s Name, and vindicates His Supreme Sovereignty, for He willed all these things to complete to this climax very soon, forever.

***Isaiah 34:4-5) And all those of the (demon) army of the heavens must rot away. And the heavens must be rolled up, just like a book scroll; and their army will all shrivel away, just as the leafage shrivels off the vine and like a shriveled fig off the fig tree. 5“For in the heavens my sword will certainly be drenched. (Sword Michael of Isa 27:1, but not at the Satan kill event as in 27:1.)

This is why this 144000 completion prelude:

(Matthew 24:29-31) “Immediately after the tribulation of those days the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. 30 And then the sign of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven with power and great glory. 31 And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones together from the four winds, from one extremity of the heavens to their other extremity.

Was first foretold by? Enoch.

(Jude 14-15) Yes, the seventh one [in line] from Adam, Enoch, prophesied also regarding them, when he said: “Look! Jehovah came with his holy myriads, 15 to execute judgment against all, and to convict all the ungodly concerning all their ungodly deeds that they did in an ungodly way, and concerning all the shocking things that ungodly sinners spoke against him.”

And Enoch is the transference clue for the final 144000 completing meaning of 1Thess4:17.

Page 258
Timing and Other Error and Required Globalized Sovereignty

Many religions are right about Armageddon in concept - divine intervention. JWs as well. But the nature of it and significance of the "place" eludes many. With JWs it is the timing that eludes them. JWs think "it can end any day now brothers!!".

But according to Bible logic, prophecy, and the basic globalization process of the rival world government of humans on planet earth (8th King) a final cycle (Dan12; Rev8-11; Rev16 parallel) and another decade prior to full human international government actually completing is required.

And without that "8th King" actually being a KING beyond a UN "image" meaning (Rev13:11-15), function and scope, there can be no Armageddon. It needs to be a real world government fully empowered internationally, a real 8th King full bodied "scarlet wildbeast". (Rev17:8-18)

So JWs have premature expectations and a stalled theology that will toss them into the beginning of that final cycle as bewildered as the next guy, because it must go on a number of years (Dan8:14; + Dan12:7(Rev11:2-3)) and a few Bible events and world events beyond the JW "deadline" also must manifest as per Bible prophecy and internationalist projections marking the final progression.

---

So if you are privy to basic logical appreciation, over the next decade human "8th King" world government will indeed become vocal prior to completion beyond current elite murmurings and low key press. Once the world has passed the "point of no return" for national sovereign power (financially next; (Dan11:42-43)), soon to start the final slide of national sovereign declination into internationalist ascendancy, you can gauge UN centric world governmental totality of international completion by their own announcements.

And that is your monitor to know when an "Armageddon event" of divine intervention could actually be all systems go. As the UN world government completes, that would also trigger Armageddon prelude finalities. (Dan8:25; Dan11:45 Dan12:11; Rev11:7; Rev19:19-21)

So JWs live mentally in 1970 perpetual world snapshot as to globalization awareness as the primary basis of the "gathering" power of Rev16:13-16 as foundational world government power internationally. They got the basic gist of a sort of repeating Genesis 11 "globalism" and divine intervention nature of an Armageddon event on a renewed form of globalized world kingdom (Zeph3:8-9), but they are premature in it's manifestation forecast, and it's basic prophetic requirement to have a completed and announced (1Thess5:1-3) rival world government as full 8th King for Christ's Kingdom to be fighting.

If God and Christ came down "any day now", they would find no human Kingdom ready for battle; (Joel3:9-12).

Thus by plain logic, the 8th King actual world government must complete before any Armageddon divine war could even theoretically manifest. And that will require a final globalization cycle for full national sovereign deposition of financial and governmental "power and authority" completely (Rev17:12-18), and that will take a good decade to achieve.

The final cycle can start any day (Dan11:42-45), but it can not end as expected by JWs prematurely, before that final cycle completes.
Rival Sovereign Completion Required

Firstly the UN is not a complete world sovereignty, so God and Christ cannot show up to war with a non-existent entity.

But as Daniel 11:42-45 actually starts to unfold to that actual world government sovereignty, then we see Daniel 11:45 parallels the 4th UN event of placement of Dan12:11.

And Daniel 12:1 statement it occurs "during that time" of Daniel 12, Daniel 11:42-44 must merge into Daniel 12:7 which parallels the 1260 days of Rev11:2-3 as a concurrent parallel. Thus the attack of Daniel 11:44 parallels the attack of Revelation 11:7, after the 1260 days is complete.

And in that completion thus Daniel 7:25 parallel 1260 days ends into Daniel 7:26 meaning of Christ's Kingdom authority.

Thus as Daniel 11:42-45 must be live and real-time events of the future, and require the full timing of Dan8:14, Dan12:7 and Dan12:11, "Armageddon" is many years into the cycle, and even into the Daniel 12:11 1290 days as Daniel 1144-45 must merge, live and real-time into Daniel 12 at some point in future human events and history happening.

Meaning Daniel 7:26 "Christ Court" must be Matt25:31-46 Christ sheep goat separations occurring as Matt24:29-31 "tribulation of those days" basically ends with the 1260 days final warning precursor as Rev6:12-18 parallel of Rev1:7, and then it must extend 1290 days as sheep securement leads to the Armageddon war phase finalizing as "finally his rulership was taken away":

(Daniel 7:26) And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [him] and to destroy [him] totally.

The "finally" wording indicates Christ is in active "gathering" as full King in the 8th King face for quite some time as 1Thess5:1-3 final world "peace and security" sovereign 8th King proclamation must become 2Thess1:6-10 (Rev19:19-21) in a final Kingdom conquest at the end of the Daniel 12:11 Kingdom Court phase.

Thus it cannot "end any day now". Bethel can "end any day now", but the overall world system must go into financial globalization as per Dan11:42-43 and into actual sovereign globalization of Dan11:44-45 culminating Rev16:12-16 as Rev17:12-18, and in tat phase as shown in those sequences, Babylon the Great is deposed, with national "power and authority" transference into globalized 8th King world power at the end of the cycle to create the Daniel 8:25 "freedom from care" of world "peace and security" in actually the greatest potential world recovery in all human history as BTG aids capital boost and world peace effects as deposed war monger well known as a chief aid of war, thus peace and security will actually be believable as the 8th King world government places 4th UN as Daniel 12:11, 11:45 and 8:25 parallel as the tribulation ending as per Matt24:29, like WW1, WW2 and cold war "tribulation" resolution into a UN peace statement, aids the UN final presentation but as a full 8th King world sovereignty.

And as that condition is met, the rival Messianic Kingdom sovereign can then react as foretold, upon an actually existent climax world rulership contender of all nations in 8th King globalized unification against the Kingdom of God.

World Peace and Security is a Sovereign Statement of 8th King Completion
(1 Thessalonians 5:1-3) Now as for the times and the seasons, brothers, you need nothing to be written to you. 2 For you yourselves know quite well that Jehovah's day is coming exactly as a thief in the night. 3 Whenever it is that they are saying: “Peace and security!” then sudden destruction is to be instantly upon them just as the pang of distress upon a pregnant woman; and they will by no means escape.

"while they are saying" indicates a time period.

Since we are talking UN 4th placement of world government timing at Daniel 8:25, 11:45, and 12:11 identical parallels of international governmental completion, hence a real 8th "King" system, taking a number of years from now, that statement is part of a worldwide sovereign proclamation series of that world government in full form, beyond the scale and power of the UN schematic forum.

World "peace and security" is the time of NO "reports of wars". It is also the time of Daniel 8:25 "freedom from care" as this next world tribulation cycle must end (Matt24:29) into actual world recovery and the peace and security effect and hope under a globalized world government as 8th King finality.

And it is no surprise really. WW1, WW2, and cold WW3 (Dan11:29), all ended a world war and tribulation of some sort to birth and present a form of the United Nations in the process in 1919, 1945 and 1990. Chaos to world government order is a formula seen there now three times in world history.

To expect a final world tribulation and war cycle leading to a fourth UN presentation in finally final form, is intuitive, it does not even need prophecy to understand world war is the psychological persuasion that makes world peace and UN world government all the more appealing in the process as the "peace bringer".

Thus before any real "end of the world" can come in the final conflict with Christ's Kingdom authority, a fully globalized world government representing all the national collective under it (Rev16:13-16; Rev17:11-18) must make a final sovereign statement series worldwide, and "peace and security" is that final hopeful statement "during a freedom from care" that will be the greatest world recovery period of all human history after this next world tribulatory cycle expires over say 7-10 years from national collapse activations of Daniel 11:42-43 that lead to Daniel 11:44-45 where King North is 8th King world powers, not non-existent USSR fictions.

Globalized world government based on the UN foundation is no longer "conspiracy", it is elite internationalist policy. It starts with financial globalization processes of Dan11:42-43 that aid sovereign national transfer of "power and authority" of Revelation 17:11-17, which culminates Revelation 16:13-16 "gathering" of national powers into international unification of the 8th King. The primary force of that national "gathering" is actual globalization processes of finance, government and military globally into 8th King power, and everything else that triad controls in national powers naturally declining into international government ascension naturally dominating the world.

It actually will be "peace and security" for a while under that matured system after a number of years of final world government completion in the future.

Contrary to JW brainwash, it cannot "end any day now brothers!". National financial systems and Bethel are what can end any day now in some manner aiding globalization in the overall fuller process to actual world government beyond the UN "conference room" within that completing worldwide administration.

Thus as well a true "peace and security" statement of any real world government completed meaning also cannot come as prematurely as JWs are expecting. A hoax can develop though, or Bethel can purposely
misinterpret a world allusion to such a perceived statement prematurely, which will only aid the Bethel corporate downfall in a period of Daniel 11:42-43, that JWs will think is Daniel 11:44-45 activating prematurely and out of sync with actual prophecy and world governmental globalization as a drawn out process not at that required actual level of world government maturity for a number of years.

By these premature expectations by Bethel misapplied prophecy, JWs will be further bewildered in the actual period of Daniel 11:42-43, because it will not be the "end of the world", it will be the beginning of the worldwide globalization process in earnest, that must take several years to complete as per even internationalis projections.

Bethel Serves UN Development Secrecy Agenda related to Prophecy (Primarily Provided by the Daniel 11:30-45 USSR Fictions)

Renewed focus of the JW primary original tracking of UN development has stalled. It is apparent JWs are mum on UN 3rd manifestation of 1990 as Bethel instead became a UN NGO co-promoter of that governmental statement of global order - the "new world order" term that spikes in JW publications between 1991-2001.

So between the lines, Bethel has become a UN annex that also diverts any Biblical awareness that a 3rd UN placement leads to a final 4th UN placement to complete super-cycle from 1919, 1945, 1990 and the future. To JWs in general, all time stopped at UN 2nd placement of 1945 - nothing else matters. And if JWs and others lost track of that trajectory to where it leads as the primary focus of the tracking of the rival 8th Kingdom of mankind (UN full world government) since the 1920's to 1990 lost, slowly deprogrammed to inconsequential by the Bethel hypnotists, then no other pressing JW truth of the past matters either any longer in JW reality. It is all now an afterimage illusion.

JWs do not realize that they are no longer the same JWs as 1940s version, they are no longer Kingdom witnesses, but UN affiliates and co-promoters to their segment of the world audience for UN purposes, not God's Kingdom any longer.

So even JWs are now lulled into a coma and can't even keep track of their own former ministerial priority of the main subject matter here: World Rulership. That trajectory formerly tracked by JW, forming a far larger momentum of that 1930-1960 peak of spiritual concern in tracking, what were then, modern UN events and Messianic Kingdom events, that both manifested concurrently at approximately the same time of 1919 League of Nations rival proclamation first, as JWs started to congeal a Kingdom of God proclamation meaning as the impetus of their 1914 ministry continuation, is now lost completely.

At one time a United Nations development was big news to JWs. Not any more! It's all "the organization", and GB, blah, blah, blah.

Even if it was all make believe, JWs did directly affront the then formative "new world order" UN related system with a diametric statement of world rulership destiny from 1920s to 1960s. Today's JWs instead are UN NGO and hush hush the whole UN continued evolution, that like post WW1, WW2 and cold war, also will, as per formula, require a tumultuous final world cycle of globalization finalities to eventually present an actual world government, say a decade from now. (Hence why the Matt24:29 "tribulation" also ends in "peace and security" at that time. To JWs this makes no sense, because Bethel is UN stagnant).
JWs are setting up their own end game prematurely. Strangely, JWs have created a self fulfilling prophecy that instead ends their own ministry "any day now", rather than the obvious realization a final globalization cycle is needed to complete the "8th King" world government far beyond in scale and function, but including, the UN. So as David Rockefeller and Henry Kissinger and others in the developmental thinktanks of 8th King world government now proclaim a final cycle, JWs instead preach a premature end, which can only be realized on Bethel now as a self fulfilling prophecy, not the world system as a whole.

Or else God and Christ would show up to find no contender ready for battle for earth's sovereign supremacy, according to JWs own rules of engagement. So weirdly, JWs have taken an exit way way off "the road to life" and abandoned their former destination and meaning, as well as modern awareness of globalization, and are themselves lacking any true hub of unity in that diversion now complete.

It's a strange let down by lead Bethel snoozing hypocrites. Hopefully people can stay in tune with the Bible that already does outline all four renditions of UN evolution to final form (Dan11:31-45), and that must continue in development to were it must lead.

JWs, as a whole in general, have of course not progressed in UN understanding since 2nd placement UN 1945. To JWs, the 1990 UN "new world order" statements as another way of saying world governmental order, are totally insignificant, and harmless. One can even join the UN proclamations henceforth as UN NGO, and jump ship from the Messianic Kingdom former proclamation and cause, and everything is just fine.

It is just a matter of time and JWs will also be scattered, the unity is already gone, Bethel is a grenade ready to blow. It cannot simply remain a static affair either for Bethel or the UN final cycle inevitable activation soon. True it goes on a decade, but JWs will be scattered at the start of that cycle to finalize their true condition since 1990 easily seen in hindsight from before then.

And that will be a signal many have been seeking. What occurs after is a required purification and clarification of reality. The UN will be in it's developmental drive to complete actual world government, and JWs will need to wake up, and face the facts.

Well even stranger is from a world of many 20 million, God only saved 8 people at the flood. It is what it is, not all people will aid the smooth transition to and after Christ's 1000 year reign, so come people have to be deactivated, and possibly recovered later under better conditions and circumstances.

Not all people will make the final cut as well.

JWs had a valid ministry from 1914 to 1950 to expose the first two UN placements (of 4 total to Armageddon) of 1919 and 1945 as fulfilling prophecy in the 4 UN placement trek to Armageddon.

Christ's Kingdom, not human world government on UN basis is what is appointed by God to rule the earth. So in time when the UN completes world government progressively making world announcements to that effect, that is the progression to actual Armageddon. Of course those hoping in a human world government solution will be sorely disappointed, but it is what it is, 100 years of warning preceded the big purge of God.
All the faithful Biblical characters proclaimed Jehovah as God Almighty and are thus witnesses to that fact.

(Revelation 1:5) Jesus Christ, “the Faithful Witness.

JWs today proclaim UN NGO world government between the lines of their ministry and cover up the 3rd and 4th UN placements of Daniel 11:30-45 since 1990 as proof the JW ministry corrupted after the all exposing 2nd UN placement of 1945.

Sometime in that interim between 1945 and 1990, JWs were subverted by what proves in hindsight to be the 1976 Governing Body cell of lawlessness and subversion as the central control of modern JWs now covering up UN prophecy from the time Bethel became UN NGO co-worshipers of the UN wildbeast image. (Matt24:15).

So serious judgment must befall the JW organization for that UN NGO "transgression causing desolation" as Daniel 8:13, as Dan8:11-13 events parallel 1990 UN and UN NGO culminations of Daniel 11:30-32a concurrently. Daniel 11:32a foretells the Bethel apostasy linked to modern fulfillment of 2Thess2:3-4 as the obviously self-exalted and supremely positioned Governing Body core JW blasphemy.

When you see the national powers begin to collapse as national finance and monetary systems globally soon to progress to terminal, that is preparation for UN 8th King Daniel 11:42-43 globalization of an international finance and monetary solution that must ascend upon the national power decline.

What will "ascend" after that financial pawning of all the nations from 100s of trillions in unfunded debt and liabilities is UN world government who will also pawn the national sovereignties in that drawn out process; (Rev17:12-18).

Thus neither JWs or mankind can reverse where this is all leading to as Daniel 11:44-45 is the final Armageddon progression, and it will be plainly marked by UN global proclamations of world government intent, progress and completion as world "peace and security" proclamations as a world recovery will result from the tribulation that ends as per Matt24:29-31 marking the Daniel 11:42-44 8th King world events.

Since this all unfolds over several years, with all kinds of supporting 8th King events, evidence and world government statements, all can plainly monitor the actual progression to Armageddon which MUST be preceded by a UN world government completion and final sovereign worldwide proclamation.

That will take some years to fulfill as Revelation 8 is JW temple judgment, Rev9 is JW temple desolation and recovery, Rev10 is the final Kingdom completion "message" (little scroll) and Rev11 is the final deployment of the final warning of God for 1260 days preceding actual Armageddon and Kingdom of God completion concurrent with UN world government completion.

It cannot thus get any clearer what the JW organizational desolation commencement soon, is leading to later.

**World War Aids World Governmental Completion**

There is no doubt the main internationalist globalization accelerant and wealth consolidation engine is world war, and all forms of organized war. Whether military or markets.
So the Daniel 11:42-43 process of mass national financial globalization will be no doubt aided by some sort of world tribulatory accelerant to hasten the national bankruptcy initial implosions, all engineered since even before WW1 to facilitate the final wealth consolidation and finance globalization that will aid the national transference of national sovereignty into full internationalized globalization of uni-polar world power as the 8th King by way of Revelation 17:11-18 processes, aided by financial lubricants of Daniel 11:42-43 to finalize Revelation 16:13-16 globalization applications as the main force of national "gathering".

Even the globalists and other experts worldwide describe a similar process that must begin with national bankruptcy cycles to secure a globalized financial and monetary system foundational guidance system first. (which is Dan11:42-43).

So in effect the real rocking begins with the next national bankruptcy and final world war cycles, or whatever it is that will be the catalyst and accelerant of the process;

And since it is really Haggai 2:7 "rock the nations" culminating as the first four modern plagues of Revelation 16 leading to Revelation 16:13-16 in the process of Daniel 11:42-45 plus Revelation 17:12-18 consolidations into uni-polar 8th King governmental power, that rocking starts in the next world cycle of national finance and monetary collapse into 8th King globalization processes accelerated, and "rocking the nations" that did begin with world war in general and World War 1 in specific as a benchmark of the internationalization process, as the main impetus of this overall internationalizing process of a final world government requiring a number of cycles, four of them, to complete.

It is a drawn out cycle over some years that will result in a massive world recovery for many people in many nations as the "freedom from care" of Daniel 8:25 that parallels Daniel 11:44-45 final events as a world proclamation series must accompany full world globalization as a world rulership as per 1Thess5:1-3 world "peace and security".

So what is coming is just like the three previous world wars including the cold war (Dan11:29), that provide a world chaos by which internationalized order is birthed in this process of globalization now in it's fourth round, thus what is beginning will be severe, but it is not "the end of the world", it is the BEGINNING of the final process of internationalization consolidating all national "power and authority" into a final world order of things.

That recovery will be aided by the religious empire quadrillion in today's dollar value hard assts after the final world war cycle is near or in completion to aid the national recovery and a great world hope in the benefits of a sole world international uni-polar world power, while world religious sovereignty (Rev17:18; Rev16:12) is deposed completely. Thus the actual "the end" is not for a number of years, as this process merely repeats the first three world war processes to a culmination inherent in the final evolution of the cycle a number of years after all these things take place.

It is actually a natural evolution to form international government as naturally as the nationalization that had to precede it into various national "unions" that facilitate this type of world governmental system. It cannot be reversed in it's trajectory, and confusion and uncertainty aids the process, when in fact it will develop a form of actual world peace in the end of the rocking phase, under a uni-polar world power system capable of enforcing that peace on any national or group resistance.

That allows the new power system, with an extra ten years of tech development and tested deployment (in the final world war), to follow up the next decade in theory, with these kinds of global purges that are really
one-sided as no one human, group or nation on earth can stand against a globalized, space centered weapons system basically automated and artificially intelli genced to carry out most of these final peace mandates down to every square inch of planet earth "automatically" as programmed, and anywhere in the physical system, underground, under the sea or in air or space.

Get ready for a bumpy national ride that must smooth out in time.

**Viewing the Entire JW Ministry as Error is not Valid**

I understand that initial reaction, as if these frauds of today were present in 1914, which they were not. It is not the size of the group preaching a truth, it is the magnitude of what that supposed truth means. When speaking of a confrontation between the Kingdom of God appointed world rulership and a human world government globalized into full operation making statements of world rulership to the contrary, the magnitude of the resolution is conceptually enormous.

And that confrontation is what Revelation 10-11 is about. But in 1914 there was no world governmental forum that had arisen as a rival to God's Kingdom until 1919. At that time of the International Bible Students, it was eventually ascertained that contrary to church alliances with the League of Nations, the League of Nations was the first international forum of globalization that actually uniquely made public proclamation of a world rulership concept. Elite members of that forum's development then and today explicitly describe the world government that will form around that schematic outline in the United Nations.

The point is, JWs from 1914 to 1950 did explicitly track and explain the first two UN related developments of 1919 as the League of Nations and the 1945 United Nations were forms of this globalizing world governmental basis of internationalization as foretold.

The important aspect is the national sovereign progression of Daniel 2, 7, 8 and 11 is not static, it connects to Revelation 13 and 17 finalities not of national power as any world rulership, but a collective of multi-national power as a true globalized world government. In such a system, the UN forum is but a "conference room" in that world government worldwide infrastructure with full access to all national "power and authority". (Rev17:12-18; Rev16:13-16).

Well JWs today have a mindset the UN schematic is the final form of what must actually be a globalized full world government. And JWs instead joined the UN at the moment of the UN 3rd placement after the cold war in that 1990 period. Thus JWs are not informing mankind that Daniel 11:30-45 is impossible to be USSR failure. By Daniel 11:36 the actual 8th King 3rd and 4th placements of Daniel 11:31b and Daniel 11:45 must be a continuum of success leading to a fully globalized world government.

So in effect JWs have truncated all development of the UN at 1945, and instead cover up 1990 UN developments as prophecy, and were that must lead, and instead Bethel co-promoted that UN system as UN NGO for 10 years, rather than explain like all 4 UN placements, the 3rd post cold war (Dan11:29) UN placement is foretold. Currently JWs are saying the 3rd UN placement after cold WW3 is inconsequential and not prophetic. Thus JWs are truncating a prophetic continuum that is significant and foretold and leads to UN based full world government over the progression of Daniel 11:42-45 as UN 8th King, not the USSR or any other national power or bloc of power, but as a globalization of all national power collectively (Rev17:12-18) into a final world governmental system. (Rev16:13-16).

And that Daniel 11:42-45 progression will take some years to globalize world finance from national multi-trillion dollar sovereign debts. Instead JWs are saying "it can end any day now", when in fact Daniel
11:42-43, the actual next progression in 8th King world wealth globalization, will take a number of years to complete. The UN system of today is not a world government yet, so too, the end cannot come until Daniel 11:45 "palatial tents" of worldwide 8th King rulership, and all that will take time.

But currently the JW system is covering up this prophecy and well known globalization development logic to affect national finances first (Dan11:42-43) that facilitates the globalization "gathering" of Revelation 16:13-16 to full form taking some years as Rev17:12-18 is the actual national sovereign transfer that 8th King financial control of Dan11:42-43 aids. Thus a sovereign progression of guaranteed prophetic fulfillment to come, that needs to be understood fully as full globalized world government in Daniel 2, 8, 11 and Revelation 17, is currently a derailed dead end teaching of the UN of 1945 as the pinnacle of world power in JW "theology", which it is not.

It is important because the eventually world seen trek to 4th UN placement world government (over a number of years), and it's increased vocalization of such world sovereign uni-polar intent, is a progression marked by events to full 8th King world government that must complete before Armageddon confrontation with God's Kingdom, and thus that progression to full world government in globalized form over the next decade. With this knowledge, is an 8th King developmental gauge to monitor the actual progression to Armageddon over a number of years. (contrary to JW brainwash, it is NOT an overnight transition).

Currently JWs are setting themselves up and others to perceive the massive world events that will activate Daniel 11:42-43 next (in national debt implosion), as JW Daniel 11:44-45 final "attack" sequence of an unknown to JWs "King North", a prophetic application out of sync with prophetic and globalization reality, because the process takes a number of years, requires world war and full national subservience in that process, and JWs will go down organizationally in that period thinking it is "the end of the world" that will not arrive as expected as Daniel 11:44-45, because instead it is the BEGINNING of the final 8th King globalization process activating Daniel 11:42-43.

What aids that realization is knowing the USSR has never been "King North" and that Dan11:30-45 is all 8th King UN activity, which as well JWs are not aware of, and are teaching a subversion that is allowing them to be set-up and bewildered in the national collapse cycle of Daniel 11:42-43.

And that cannot be all accidental to have such a handy JW "theology" that can also cover up the financial desolation of Bethel, with a hoax King North attack as cover (applying Dan11:44), and also using the "it's the attack on Babylon the Great brothers!" as another subterfuge, for what will be an attack on Bethel and WT finances, because the "house of God" judgment begins the final cycle of prophecy, not Babylon the Great. (1Pet4:17);

And classic JWs from 1914 to 1950 were the ones making the world aware of this process of sovereign conflict culminating to world government, that is now fully truncated in 1990 for UN NGO related error and the total derailing of the JW ministry. No one else has or is making this sovereign progression to Armageddon known, and even JWs are no longer doing so, thus that Bethel obstacle is the only impediment to this truth. Known globalization projection reinforce the world government reality, that this next world collapse will be severe, but it will result in a world recovery in globalized finance, government and military under sole 8th King authority, to be presented when the cycle ends in world "peace and security".

What is coming up is not the end of the world, but the starting of that cycle. JWs are teaching it is "the end of the world" due to theology advanced to far in Daniel 11’s 8th King progression, because they are misled to believe King North was the failed USSR. Thus it will go on for some years, and in those years God will make a final clarification as to the actual point in the actual point in the progression the world is actually in, because
even Daniel 11:42-43 will take some years to fully globalize a world finance and monetary system, and it will be plainly known to all present.

Obviously the current GB in tenue since 1976 is the root of this predicament which very gradually diverted JWs in UN objectives of prophetic cover up and alliances, and must know exactly what they are doing in this process, to squelch the actual information of that world government's multi-year progression to actual completion and actual Armageddon as foretold clearly in Daniel 11:30-45. That actual progression summons the actual arrival of the Kingdom of God to confront one globalized entity opposed to Christ's rulership in that final 8th King world government completion.

It does not matter to God if all that proclaims it is 100 stones on the ground in the end. The important thing is not the source of the proclamation, but what they must be saying, because the Kingdom of God will indeed come (Matt6:10), and there will be a final world judgment of sheep and goat in separation, and with valid information on prophecy and certainty, with massive world events in progress at that time for a number of years, more people can place faith in God's Kingdom, rather than human world government that will present itself in the greatest and most apparently hopeful period of recovery and optimism in all world history as world war and religions are deposited in the process to aid the effect of 8th King world "peace and security" and a worldwide "freedom from care"; (1Tess5:1-3; Dan8:25). None of that from worldly quarters can come until 8th King world government goes into actual power of world peace temporarily.

God and Christ will guarantee it will be explained from prophecy completely before the climax. From there people have to make their own decision as to which government they are loyal to, and in that is part of the basis of sheep and goat determination prior to the absolute end. Daniel 12 as the destination "during that time" of Daniel 11:42-45 leading to Daniel 12 live and real-time, has timed periods that indicate Christ takes over the whole planet in timed and worldwide theaters of operation over some years, not in a day, and in that period (Dan12:11) he will secure sheep first.

In any event this is going on for years from the point of Bethel desolations. And there is huge amounts of prophetic detail being bypassed by non-anointed and fraud Bethel, and every piece of it will be made known before and during the final 1260 days of Daniel 12:7 and Rev11:2-3 final warning period. But it takes a few years from Bethel desolations to get to that period, and in all those years people can use that information for salvation and actual hope, because Christ will not only be "at the doors", he will kick tem down in the enemy face (Rev6:12-17) and will be in world operations while they are still existing. Once sheep go under Christ's protection at that 1260 day ending, nothing can touch them, and it is guaranteed they will be in Christ's earthly camp for the Daniel 12:11 period of time, while the 8th King is going into partial deconstructions as Christ finalizes the sheep and goat separation over a period of time in that Daniel 12:11 period.

Nothing is coming forth in any real quantity worldwide until well after Bethel's desolation of timed Daniel 8:13-14. Thus that sign will aid recovery of many currently duped JWs and others, and will extend into the final 1260 days as JWs come out of Revelation 9 abyss and proceed to Rev10 and 11 in purified form, free of the Bethel apostasy and modern "man of lawlessness" in it's final version, as the whole thing is already repeating in that presence as the 2Thess2:3-4 prerequisite. Of course JWs have fallen asleep on that watch as well; (Matt25:5);

**Are Jehovah's Witnesses Derailed into a Factional Apostasy or Completely Wrong?**

Well it is a two-edged sword, rather than a clean condemnation; Here is what I mean.
1914 'JWs to become' were in the midst of a very unique "illuminati" event, that is the "League of nations" first internationalist world government forum in world history since Genesis 11, in 1919; But it was to be a few years afterwards that 'JWs to be' rendered Revelation 13:11-15 as an "illuminati" project signaling a unique period in human history and human governmental evolution, for internationalist, or what some call globalist, government, as world government is far far different than typical national governments regardless of ideological basis;

Just presenting the League of Nations was truly an astounding world event for the Illuminati.

So basically it is JWs who have linked the Revelation 13:11 "two horned wildbeast" as an independent internationalist elite Satanic anointed "illuminati" who use Revelation 13:1 invited "masons" to build the "image of the wildbeast" (Rev13:11-15) which is this UN related "League of Nations" main "illuminati" world government to have four cycles of world presentation, each after a world war; (and each foretold);

WW1 produced the League of Nations (Rev13:11-15; 1919), WW2 produced a revamped version as the United Nations (Rev17:8-11; 1945) and cold world war 3 (Dan11:29) produced the Illuminati version of a "New World Order" mode of initiative of that United Nations world government (Dan11:31b; 1990); That third UN Illuminati placement is also foretold at Daniel 11:31b, as are all UN placements foretold in the Bible; The 4th UN placement is full Illuminati "King North" world government at Daniel 11:45; (Like their pal anointer Satan as also King of the "remotest parts of the north", meaning outer space, will also manifest with 4th placement; (Eze38-39).

So JWs also exposed the UN 2nd placement as Biblical prophecy, that time prior to it's arrival, rather than in hindsight;

But in 1990, rather than expose the 3rd UN placement of Daniel 11:30-32, JWs became Illuminati UN NGO, and instead co-promoted the 3rd UN placement with world placement quotes in their journals starting with Awake! 9/8/1991;

So JWs have exposed Illuminati as two-horned wildbeast elite internationalist world government architects since say 1920, yet in 1990 they join the two-horned wildbeast with anointed members in the Governing Body, not of God, but of the Devil, as is obvious with their 10 years of UN co-promotions right under JW noses as "illuminati" covenanted UN NGO;

And there in lies the two edged sword;

Some time after the full world Biblical expose' of the United Nations of 1945 as "seed of Satan" activity of a second UN placement as foretold, and before the 3rd UN placement of 1990 also foretold (Dan11:31b), JWs started instead to cover up the United Nations prophecies, as 3rd placement (Dan11:30-31) must lead to the 4th UN placement logically at Daniel 11:45;

Since JWs were the ONLY ones on planet earth connecting the "illuminati" world government to prophecy, they certainly could not originally have been aligned with the "illuminati" in exposing this critical feature in 2 UN related placements fulfilling Bible prophecy in 1919 and 1945, no "illuminati" exposes his own operations, especially ones the world at that time had no idea was also in prophecy;

(All Christian claimantexposers of Revelation wildbeasts and Illuminati activities are based on 1920 and 1940 work of JWs, NO ONE ELSE exposed the truth of that sovereign defiant progression leading to Armageddon,
JWs pioneered that truth for God by Christ, no other way could the Illuminati be exposed properly, and JWs did it first, in connection to Bible prophecy, not the "illuminati" in general)

Thus according to this rationale and "theory", JWs have to have been compromised prior to the 3rd UN placement to cover up it's significance, and instead join the Illuminati world campaign of promotions in 1991-2001 as allied Illuminati UN NGO;

And who came about in 1976, just 15 years prior to the JWs joining the Illuminati "UN family of organizations", in 1991?

Ye Olde Governing Body, that's who.

The Governing Body in Bethel takeover of 1976, taking all individual leader power from Nathan Knorr and Fred Franz for a "rule by committee" that had to have Illuminati placements (in hindsight evidence), then in factional control, NOW in full control, is the entry point into JWs some time after UN 2nd placement exposure of the 1940s;

I think you can put it all together now; JWs have not been "illuminati" from day one, it is an expert subversion (and foretold) and takeover by "illuminati" scale intelligence to subvert the whole Christian ministry through Bethel as an "illuminati" UN annex and control center heading for fourth placement UN (Matt24:15 UN NGO), while JWs are still at 2nd placement understanding.

That is why diverting the 3rd and 4th UN prophetic placements is also an Illuminati goal, because of JWs worldwide reach with information to many millions of people, not just JWs;

... 

But of course such a trespass must have ramifications and a purge from Christ who is far stronger than Satan or the dying "illuminators" who are mere Adamic men with expiration dates that cannot be reversed. Meaning you WILL see some astounding events develop in JWs, who by and large have no idea what we are talking about, in the next 5 years. I mean a covert divine Christ being "visitation" to remove the Illuminati elements in JWs - GUARANTEED, because JWs have to expose the 3rd and 4th UN placements because of course, that leads to an Armageddon JWs are now derailed from comprehending due to this subversion; (and so is the JW audience misled as well);

UN world government is very serious Illuminati world domination affairs that WILL end in the conquest of God and Christ in power of the Messianic Kingdom opponent. And that is why the Illuminati use JWs to now actually cover-up and subvert that actuality now scheduled in the next approximate decade; (Dan11:42-45 connects to Dan12 live and real-time). STARTING (1Pet4:17) with the JW "visitation" of Christ and a few angels to boot the Bethel subversion prior to the absolute end.

==

Thus JWs exposed the Illuminati main control center (Rev13:11), their basis of workers (Rev13:1) and their final world governmental internationalist world government; (Rev17:12-17); Thus JWs cannot be fully Illuminati, nor was their origins with that group, but opposed to it in Messianic Kingdom anointed of God - similar to Illuminati anointed of Satan, BUT of course members of the Christ of God as also anointed, but diametric "Knights"; And that is who JWs will given back to, Christ's lead anointed Knight's in the anointed "body of the Christ" to head for 144000 completion of the rival world government against the Illuminati in the
Messianic Kingdom, to annihilate the Illuminati world government, whose days are numbered. (Rev19:19-21)

No other religious group has had this key Christ "roundtable" within their system of faith after the 1914 period of affirmation in head on Illuminati exposure by prophecy - and that is why it will also be returned, because it is prophecy; (Zech4:6-9), and it sets up the perfect final expose' to eventually develop from this purification and initial visitation of Christ in covert form, but in Earth's physical and universal space (Zech9:8), to remain as such until Armageddon to oversee the final mission. (Rev10-11)

The Effect of Global Recovery after Tribulation of Matthew 24:29

The death-stroke of the one "wildbeast from the sea" upon it's dominant head (Rev13:3-4), and the "abyss" rise of Rev17:8-11 are related by the "admiration" principle effect on people of earth. First off the effect it has on people when healed, and re-arising, is also similar:

(Revelation 13:3-4) And I saw one of its heads as though slaughtered to death, but its death-stroke got healed, and all the earth followed the wild beast with [[admiration]]. 4 And they worshiped the dragon because it gave the authority to the wild beast, and they worshiped the wild beast with the words: “Who is like the wild beast, and who can do battle with it?”

(Revelation 17:8) And when they see how the wild beast was, but is not, and yet will be present, those who dwell on the earth will wonder [[admiringly]]...

The principle relating this effect in both Revelation 13 and 17 examples is that people admire the wildbeast (formative to complete world government) because they are positively and hopefully affected by the recovery after a world war, and are positively persuaded by also "world peace" claims and temporary developments that the wildbeast ends up being highlighted with as the means of peace, and is validated and justified in existence to assure such peace as a human forming world government.

World war peace resolution and overall recovery to birth world government formative presentation [[is a formula]] that relates to this dynamic of presenting the positive world government "solution" to the previous world war and tribulation "problem", with a notable recovery and period, to aid the world government reception with admiration of the claims and function of forming human world government. (and the formula will have four cycles, three times it has already been used to present a UN related manifestation)

The whole cycle highlights human forming 8th King world government as to be admired and worshiped.

The two wildbeasts in Rev 13 and Rev 17 are related, like seven heads, but different in developmental stage, and had different forms of recovery at different times in history in those Rev13 and 17 prophecies. One was a literal financial recovery after World War 1 aiding League of Nations initial world presentation and positive reception overall, one was a re-establishment of the United Nations related "world peace" forum after World War 2 as a functioning international forum once again along with a recovery guided by Anglo-American elites, thus predominantly for nations aligned in that camp, but most nations were positively affected to some degree.

1. Whereas World War 1 gave birth to the original League of Nations "image of the wildbeast" (Rev13:11-15), the overall recovery from that world war and it's peace resolution added to the credibility of establishing a world governmental schematic in that first version of the United Nations as the League of Nations of 1919. People admired the claims and promises of the League of Nations as the world came out of a limited but still
severe tribulation whose negative effects intensified the positivity and hopes of the peace claims and effects of what was born as the first formative world government presentation (since Gen11) in also economic recovery especially for the Anglo-American "head". (As we know Germany's lack of recovery, reparation debt burdens, and treaty restrictions led to WW2).

2. When the League of Nations went impotent in World War 2, and WW2 was fought, a similar post world war presentation was again made upon the same formula of world war "problem" resolved to highlight the conceptual world government "solution" and the United Nations arose, and the effect was again one of worldwide admiration aided by economic recovery. (Rev17:8);

3. Though World War 3 is termed "cold war", it was still a world war scale development, merely denoted as cold in nature because it was unique. It's deployment was longer in duration and mainly played out by ideological intrigues and expansion of both opposing systems throughout the world. The "tribulation" was also different, it was one of potential nuclear war, a psychological stressor. So again, after such a unique world war development (Dan11:29) marks this period we also had a 3rd United Nations presentation as the "emerging new world order", and again it took credit for the avoidance of nuclear world war 3, but in fact a downplayed world war had been in action. For the third time in 1990, a world war resolved into a forming 8th King world government presentation. (Dan11:30-31).

Similarly to the Daniel 11:29 feature of this use of unique world war type at the end of the cycle we are again in a world war that developed after 911 as the "global war on terror" (GWOT). "Global war" is just another way of saying "world war on terror", so it too is unique in nature of deployment as per Dan11:29. And it has not been resolved and can escalate in time, or have a temporary closure effect. That 1000 or so new military bases (and numerous national security complexes) expanded worldwide with that GWOT development and trillions in debts and expenses for the national powers can be researched by those interested. (US-SOCOM "secret wars", for example) So this whole Global NATO military expansion is positioning for something BIG, and it is merely disguised effectively in deployment and redirection of resources to support that actually 8th King military system expansion as Global NATO directed. (actual continuation of Daniel 11:40 8th King world invasion).

4. But the overall effect of GWOT and related debt developments is already beginning the initial set-up and final formulaic cycle, that already played out in now three world wars previously that result in a worldwide healing for another rendition of the United Nations world government forum. Thus 100s of trillions in national debts and unfunded liabilities is already setting up the next cycle of world tribulation and unique war. (Dan11:42-43) And as per Matt24:29 that tribulation will resolve again, and we can expect a fourth UN presentation to take credit for that world "peace and security" resolution over a number of years leading to that sovereign 8th King proclamation (1Thess5:1-3), as this must be a drawn out final cycle. (Dan11:42-45).

It is intuitive now, they already used this formula three times in 1919, 1945 and 1990. Expecting a grand finale use again of this world government formula to present full world government as full bodied "scarlet wildbeast" as complete 8th King world sovereignty is predictable just from the internationalist use of this type of 'world-war-resolution-to-world-government-presentation' progression. It is also foretold as Rev17:12-18 and Rev16:12-16 culminations along with Dan11:42-45.

And again, it will be admired for the "freedom from care" recovery (Dan8:25) and "world peace" (1Thess5:1-3) it will achieve as the strategy of the Dragon and 8th King is to mislead as many people as possible into this final wildbeast system, and they will prepare an admiration enticing grand super deception to make sure this recovery and world government 8th King presentation is the grand finale about a decade into that final phase from it's activation.
The Jehovah's Former Witnesses Self Fulfilling Prophecy Aids Cover Up of Final Cycle

Prophets foretell future events that interpreters explain. They are two separate functions and entities usually. Prophets, like Daniel, usually did not understand the full meaning of their prophecy.

As per 2Peter 1:19-21, an interpretation that is accurate, must come from God. So an interpretation of accuracy initially must be opened by God, such as recognizing a nucleus of human world government (in the League of Nations as Rev13:11-15) is unique and indeed ominous if in fact Christ is the appointed world ruler to come. That means a conflict will occur as both complete kingdom in the prophecy and reality.

So is the interpretation of Revelation 13:11-15 correct in world government formative manifestation as an "image" or nucleus of that kind of globalized world power?

People have to make their own decision.

At the churches Revelation 13:11-15 has many interpretations, none of which must offend their allegiance to the League, still maintained since the 1920s. With JWs, they have a similar agreement with the UN as UN NGO. And like the church interpreters not signing off on IBSA interpretations of Revelation 13, JWs do not reveal the UN 8th King as King North of the 3rd UN placement of 1990 at Daniel 11:31b either, in tangent with their UN NGO services internal to Bethel. (As Bethel too, made agreement in tangent with a UN worldwide manifestation and fulfillment of prophecy (Dan11:30-31), a development similar to the 1919 League of Nations endorsement with Christendom cleric councils, purposeful diversions, spiritual adulteries, and so on).

So Bethel or JWs cannot be prophets by logical default explained here, but only interpreters; and are not valid interpreters either, for like their twin sister world government escorts of 1919 in Christendom's leading associations, today's Bethel UN escort service has JWs also concealing a UN development as per prophecy as King North identity concealed, as if the USSR "places the [UN] disgusting thing", which is of course impossible and thus a falsehood now maintained as Bethel prophetic interpretive policy. (Only the 8th King can be final King North as a Dan11:30-45 continuum as per Daniel 11:36)

Thus distinguishing a prophet who spoke things he/she did not understand, and an interpreter who can make true or false explanations of prophecy is important to logically understand to easily disqualify post 1945 JWs at 1990 evidence as never prophet, but merely false interpreters now.

JWs did expound the 2nd UN placement of 1945 as prophecy of Rev17:8-11. But again, one has to make their own determination of it's validity in both those first two UN placements JWs explained regarding 1919 and 1945 UN manifestations, as others covered it up with various false interpretations in relation to JWs view of their 1919 and 1945 veracity of interpretation.

UN 1-2-3-4 Continuum Broken

But now what is a UN 1-2-3-4 continuum when we include Daniel 11:30-45 final two UN placements (1990; future) as 3rd (1990) and 4th (future) renditions, with the JW expounded first two UN placements of 1919 and 1945, we do not now have a valid publicized 1-2-3-4 UN developmental continuum to implied world
government and Armageddon (Dan11:45), because in 1990 JWs went UN NGO, and could not explain Daniel 11:27-45 properly so as not to betray their UN allies by proper exposition of that 1990 post "cold war" (Dan11:29) 3rd UN placement of actual Daniel 11:30-31 intrigues at Bethel in UN collusion.

Rather, Bethel betrays God, Christ and the Kingdom in such diversions and purposeful error obscuring and obviously very important UN developmental feature in prophecy, world government development and general Christian and public awareness.

The Bethel self-incrimination in that prophecy of Dan11:30-32a and Dan8:11-13 parallels, hence it's diversion and cover up, is fairly obvious in the prophecy itself and it's wording, fitting only the patterns in the UN NGO and 3rd UN manifestation of 1990, not to mention the JW subversion (Dan8:12a) and diversion of interpretation later (Dan8:12b), as church central clerics did the same thing in 1919 and 1945.

Thus the Bethel connection to "set in opposition" apostasy and "lawless one" "in the temple" claiming anointed Christian membership also activates a repeat in striking manner of 2Thessalonians 2:1-4, as a side note of the meaning of all these repeating developments made evident at Bethel since 1990 UN NGO and cover up.

= Example of Misapplied "Interpretation"

So JWs are not prophets or valid interpreters, because even the Daniel 11:44, now delusion of "attack", "to fulfill next brothers", is based on USSR fiction promoted by the Bethel clergy. And that USSR fictional position in the prophecy is advanced too far into Daniel 11 as far as the overall 8th King globalization process. Thus as Daniel 11:42-43 obvious coming global debt intrigues ends in a national collective pawning to subservience as captured "King South" ("Egypt" capital symbol) wealth and finances, by a globalized 8th King "King North" credit and finance system, JWs will think those intrigues are Daniel 11:44; prematurely.

And thus the internal UN operation at Bethel, obvious in it's allegiance (UN NGO) and interpretive diversions, can then internally aid implosion/embezzlement of Bethel organizationally and financially in the same worldwide context of debt and investment meltdowns, and the 8th King can proceed with Daniel 11:42-45 to 4th UN placement as also full international government - and JWs will be sold a brilliant hoax "interpretive" "explanation" already in place for such use to cover up the developments as JW perceive in error "prophecy fulfilling brothers!".

Now the UN 1-2-3-4 super-cycle since 1919 can then complete with no obstruction as to Bible prophecy, and place a fully functioning world government (Dan11:45; 8:25; 12:11) like a decade into that final cycle, with no potential JW problem, or aid, as JWs already aided the UN development to even get this far with no prophetic exposure, and misapplied prophecy to aid the JW delusions.

**Self Fulfilling Prophets**

In a way, JWs are prophets now.

In fact the Bethel theology is so well engineered, JWs are now "self fulfilling prophets" as a purposeful interpretive deception is obviously at work in JWs in marked manner since 1990 and the USSR deposition which of course renders King North impossible as per Daniel 11:36 to fulfill in the USSR, so that error must be purposely maintained to position JWs psychologically at Daniel 11:44 prematurely, which can be very useful later to finish off the JW organization as JWs actually expect that desolation in their own "self fulfilling prophecy".
Only problem is it will not be Daniel 11:44, or the desolation JWs think is in action (Dan8:13 "trampling"), and by the time they figure it out, of course it will be way too late, the 8th King will be pedal to the metal towards world government having just run over JWs organizationally as the latest road kill in that roughly ten year trip to 4th UN placement. (Dan8:14 + Dan12:7 timing combined to reach Dan12:11 4th UN placement as Dan11:45 "palatial tents" of international government).

So yes, Bethel does have self-fulfilling prophets foretelling the JW future for the 8th King. And Bethel does have prophetic interpreters engineering JW theology to hoax JWs. And like 1919, it all has a clear tie in to UN related organizational operations at Bethel, signaled in the UN NGO. And it is all actually foretold, but covered up with Betel deceptions since 1990. And in this unique case the "prophet" and the "interpreter" is the GB pre-installed foreign "body" (1976) aiding the whole process of subversion (Dan11:32a). In most cases prophet and interpreter are separate functions and entities.

Thus according to even UN final placement projections, it cannot end as prematurely as JWs are misled to believe, as such deception aids the Bethel coup coming up. Rather than it being the JW expected "end of the world", it will be the BEGINNING of the final 8th King phase of completion, and the final prophetic cycle fulfilling, taking some years to complete as Daniel 11:42-45. (Rev17:12-18; Rev16:13-16 co-culminations)

Of course that's my "interpretation", people have to make their own determinations. Bethel though, is a defunct visionary and an effective UN annex system (Luke21:20; Matt24:15), as many do agree now.

John: Well, Thanks, TJ. I enjoy so much reading your letters. Sometimes, though, I can't even get through them all! Ha ha! But that's ok...I know your heart burns with the fire of this spirit we have. Keep it coming, and post it for all to enjoy, OK?

OK John, that is why I post this reply publicly. Please at some point read it all.
On the Significance of the United Nations 1-2-3-4 Super-Cycle to 8th King World Government 1919 to Unknown Future Placement 4

Well after 37 years of a factional Governing Body (foreign body by the way, not the "body of the Christ") that obviously had to fully corrupt in time, many do not realize the import of the Kingdom ministry that was originally brought forth by Christian anointed not called JWs at that time. The point was soon to be established that Kingdom and 8th King sovereign progression go side by side in the Bible from the time of Egypt's enslavement of Israel (Gen-Deut), to the Assyrian initial judgment of God on apostate Israel (Isaiah, Hosea, Micah; Joel, Amos to some degree related to early judgment), to the Babylonian judgment (Jeremiah, Ezekiel, Daniel), to the Persian Cyrus anointed role in Israel's release and the Medo-Persian aid in the second temple construction. (Ezra, Nehemiah, Zechariah Haggai) And on to Greece and Roman influence, as Greece was the source support for the creation of the Septuagint creation, though not of direct interplay prophetically, Greece was an overall friendly world power like Medo-Persian, to the Jews. Daniel mentions Babylon, Medo-Persia and Greece by name and benchmark in the symbology of Daniel 2's "immense image" for an important reason.

Of course that led to the Romans, and the entire priestly system by that time, in fulfillment of the second Zechariah 3 meaning, Christ is the one who "removed the error of that land in one day". By such time the form of the Israel covenant ceased, as Christ fulfilled the law perfectly in it's actual intent, and was the only Jew to do so, entitling him alone as foretold to the "legal right" to all the covenantal benefits that the Jews overall lost in covenantal breech, but some in particular accepted Christ and by that "he gave them authority to be God's children"; (John 1). And with that legal right Christ transfers all benefits of the Mosaic meaning to the new covenant.

Thus the Daniel 2, 7, 8 and 11 progressions of the national based power system that has been accompanying the Israel pattern to Christian pattern as a rival system, not always unfriendly, but still a progression we need to understand, for Daniel's sovereign symbology of this rival system as that "immense image" of Daniel 2, ends up a complete sovereign defiance (Dan2:31-45) to a Kingdom completion that also must culminate into final form as well - the sovereign rival system and Christ's Kingdom MUST BOTH complete a final form of diametric power for Armageddon's climax. So in time, the earthly rival rulership that Daniel's sovereign progression connects to in Revelation 13, 17, sovereign rival completion, paralleling God's Kingdom rulership completion, that must converge into final resolution of who will actually rule planet earth.

(Revelation 19:19-21) 19 And I saw the wild beast and the kings of the earth and their armies gathered together to wage the war with the one seated on the horse and with his army. 20 And the wild beast was caught, and along with it the false prophet that performed in front of it the signs with which he misled those who received the mark of the wild beast and those who render worship to its image. While still alive, they both were hurled into the fiery lake that burns with sulphur. 21 But the rest were killed off with the long sword of the one seated on the horse, which [sword] proceeded out of his mouth. And all the birds were filled from the fleshy parts of them.

(Daniel 2:31-35) "You, O king, happened to be beholding, and, look! a certain immense image. That image, which was large and the brightness of which was extraordinary, was standing in front of you, and its appearance was dreadful. 32 As regards that image, its head was of good gold, its breasts and its arms were of
silver, its belly and its thighs were of copper, 33 its legs were partly of iron and partly of molded clay. 34 You kept on looking until a stone was cut out not by hands, and it struck the image on its feet of iron and of molded clay and crushed them. 35 At that time the iron, the molded clay, the copper, the silver and the gold were, all together, crushed and became like the chaff from the summer threshing floor, and the wind carried them away so that no trace at all was found of them. And as for the stone that struck the image, it became a large mountain and filled the whole earth.

(Daniel 2:41-45) “And whereas you beheld the feet and the toes to be partly of molded clay of a potter and partly of iron, the kingdom itself will prove to be divided, but somewhat of the hardness of iron will prove to be in it, forasmuch as you beheld the iron mixed with moist clay. 42 And as for the toes of the feet being partly of iron and partly of molded clay, the kingdom will partly prove to be strong and will partly prove to be fragile. 43 Whereas you beheld iron mixed with moist clay, they will come to be mixed with the offspring of mankind; but they will not prove to be sticking together, this one to that one, just as iron is not mixing with molded clay. 44 “And in the days of those kings the God of heaven will set up a kingdom that will never be brought to ruin. And the kingdom itself will not be passed on to any other people. It will crush and put an end to all these kingdoms, and it itself will stand to times indefinite; 45 forasmuch as you beheld out of the mountain a stone was cut not by hands, and [that] it crushed the iron, the copper, the molded clay, the silver and the gold. The grand God himself has made known to the king what is to occur after this. And the dream is reliable, and the interpretation of it is trustworthy.”

(Revelation 11:15) And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: “The kingdom of the world did become the kingdom of our Lord and of his Christ, and he will rule as king forever and ever.”

That WILL occur in time here on planet earth.

And as we see, the national power system of these progressive growth into a "seven headed" wildbeast, has it's roots back to Egypt, which has it's roots back to Genesis 10 and Genesis 11 attempt at a first world rulership system under Nimrod, that God scattered and confounded by the language confusion. Meaning defiant globalization WILL meet with divine intervention again; Zeph 3:8-9) The Bible covers all the individual national progression of Egypt, Assyria, Babylon, Medo-Persia, Greece, Rome, and the Anglo-American world power, because these eventually MUST GLOBALIZE. And that WILL trigger the final divine intervention, just like Genesis 11, but not as non-destructive as that period. The nations will unite as a globalized principle of all world powers into the complete power systems shown as complete wildbeast symbols in Rev 13 and 17 - meaning the whole meaning is greater than the sum of the national parts. But in that ultimate culmination defining more than just the individual parts of former world power as national entities, their collective assemblage is by Revelation 17, identified by early Christians in the IBSA, as a globalization now represented by the UN "image" of this ultimate system as the United Nations international forum of world unification of national powers that ultimately form a completed world government system in the coming years, and ultimately will be the rival of God's Kingdom.

That means the national progression leads to a final globalization, and why the national progression is important to track into it's initial forms of globalized "image", because that globalization will have a fourth and final cycle to complete as a fully globalized world government, 1-2-3-4, Armageddon time. That final cycle of that WILL surpass national power into a final globalization 8th King is like a gauge to monitor the actual arrival of the divine intervention at Armageddon that it WILL trigger.

Well the IBSA based anointed Christians, identified the initial form of that internationalization forum as the "League of Nations" as Rev13:11-15 fulfilling. And make no mistake of world complacency, like the Babel
unification and tower of Babel, a human order intending collective unification, even in "image" form, is NOT to be taken lightly by God, as He did not take the Genesis 11 unification lightly either.

(Genesis 11:7-9) Come now! Let us go down and there confuse their language that they may not listen to one another’s language.” 8 Accordingly Jehovah scattered them from there over all the surface of the earth, and they gradually left off building the city. 9 That is why its name was called Babel, because there Jehovah had confused the language of all the earth, and Jehovah had scattered them from there over all the surface of the earth.

And God will reset the human language to one in the final intervention, thus they are connected:

(Zephaniah 3:8-9) “Therefore keep yourselves in expectation of me, is the utterance of Jehovah, ‘till the day of my rising up to [the] booty, for my judicial decision is to gather nations, for me to collect together kingdoms, in order to pour out upon them my denunciation, all my burning anger; for by the fire of my zeal all the earth will be devoured. 9 For then I shall give to peoples the change to a pure language, in order for them all to call upon the name of Jehovah, in order to serve him shoulder to shoulder.

And that will be under Christ's Kingdom, not 8th King globalized world government collected for this purpose.

====

Meaning one of the only reasons God does not act now, as he did at Babel, is that the "image" is NOT a full fledged world rulership system, it does not have the full endorsement of the national sovereigns who must voluntarily transfer their actual sovereign "power and authority" to that United Nations actuality as actual 8th King world government as per Rev17:12-18. Currently member nations are members by elite influence, NOT national politicians entirely. In fact the US did not join the League of Nations, and this is because national politicians were not comfortable with the ultimate danger of losing sovereign autonomy. So even UN membership, as the US did finally ascribe to, as did Russia, Germany and so on, is not full national subservience and fully aligned sovereign surrender to 8th King full authority.

BUT that will come as full financial globalization (Dan11:42-43) will affect the final "gathering" culmination of Rev16:13-16, and Revelation 17:12-18 into a world unified, fully multi-nationally collected affront to God's Kingdom that is ALSO going into it's final "gathering" mode of sheep for Kingdom finality and the finality of the final sacrificially symbolic gift to God in the "harvest of the earth". (Rev14:14-16).

Thus in strikingly parallel convergence BOTH of those completions, God's Messianic Kingdom of Christ AND the 8th King, must come in the final globalization progression that has not begun yet, but we plainly see 100s of trillions in national debt and unfunded liabilities now in the national governmental corporate identities, is a set up for that globalization solution of an 8th King finance and monetary system to aid the progression, as the whole world will not cease to operate, only the parts being consolidated into national control of stronger fiscal entities, who will either align with 8th King finance systems voluntarily, or be they will be compelled to do so as per Rev13:16-18. Other more resistant national entities will be persuaded by more extreme measures by ultimately Global NATO military globalization that has been in full action since 1999, and is aligned as 8th King worldwide military system, sometimes even termed UN-NATO. That military system is up to four times more powerful in actual military capability as Russia and China combined. In some measures of war potential it is over 60%, even 70% of total worldwide war potential power. Even if it was 50%, that is far more powerful than any national bloc collective could ever achieve independent of the US portion of that global military system.
And who defines the US national government corporate entity? The UN. And not just them but any member of the UN, meaning the ultimate receiver of a sovereign default as that corporate national entity, will fall into international scale receivership of some UN appointed "guardian". But a nation can voluntarily enter a recovery and sort of hand that power into the UN financial guardian system, and be recovered into whatever that will manifest as. That it will manifest is as certain as those national debts must resolve somehow at massive irreversible scale. And how did the US and EU core monetary nations get into this mess since 911 so fully? National governmental reregulation of financial allowances that permitted this escalation, that ultimately means a national seizure of wealth in ultimate ownership as per Daniel 11:42-43, that will merely change hands behind the scenes, the original "desirable things of Egypt" and the "hidden treasures of the gold and the silver" remain were they were, they just have a new top level ownership by a recovery deal. That is were trillions in sovereign national debt must lead to as the only recourse of recovery in the years to come. It is obviously not an accidental development, if you know what I mean. It required planning and direction aided by national power negligence enticed by massive profits now, but enormous debt burdens later. Debt that will ultimately be owned by 8th King master credit and finance system. It's a setup in other words that MUST develop further, it cannot remain static indefinitely. A world war or terror development will merely accelerate the inevitable process.

Thus financial control is a means to control the guidance of ultimate national sovereignty, because independent national sovereignty is not cheap, and must be aligned with protective powers now almost fully globalized into 8th King power. Even if Russia, China and Iran resisted as a bloc the Global NATO system that grew as this debt grew, it is like 3 pit bulls verses a 700 pound lion in his prime. As with Iran, it is more like a Beagle, than a pit bull, but Global NATO already far outweighs the biggest potential national or national alliance resistant entities in the world. Meaning in time, even if it had to go military, Russia and China could not withstand a conflict with the sustainability of Global NATO, in time to retain their social systems, they too will become subservient to the 8th King. They will have to choose their existing power subservient to the 8th King, or complete loss of their societal progress attempting sovereign independence, they cannot have both, and they and the 8th King KNOW they cannot do both things, and neither can any other national power, they are done, it is just a matter of time, and the only recovery will be the 8th King solution, and they have it mass quantity. But they will not give it for free, they want the nation in return as ultimate owners, and ultimate owners of silver and gold and foundational commodities soon to include oil in a progression of consolidation that can only end up, in time, in 8th King power.

It is all just a matter of time and catalyzing events.

Thus this final cycle that must complete a full 8th King world governmental sovereignty of national fully allied power is quite a process, but by prophecy of Revelation 17:12-18 they will give in in time.

Thus it is important to track this sovereign progression of required globalization because it must have a final cycle, and it must confront the world soon as national powers who must and will capitulate whether financially, militarily or both. (Rev13:16-18).

The point being as well, the IBSA identifying the first UN placement as the "image of the wildbeast" (Rev13:11-15; Dan 12:11 first fulfillment) and it's revival as the United Nations in 1945 as the 2nd UN placement (Rev17:8-11) is a significant thread not found in any other religion on earth, as Jehovah's witnesses identified by that name by that time, proclaimed the 2nd UN placement meaning. Well the post "cold war" 3rd UN placement now of world history as per George Bush Sr. and others (including UN NGO Bethel) "new world order" campaigning, was a third manifestation in a UN world government cycle having four manifestations according to Bible history.
Thus JWs have lost track of a 1-2-3-4 UN placement sequence at 3rd placement tat is very very important to understand, because it MUST and will lead to a fourth world war and or tribulation cycle to complete the 4th UN resolution context of final world recovery from national negligence, as final 8th King world government.

That 4th placement must come after what is already brewing as an engineered world tribulation and possible war. And JWs will go down in the start of that cycle, as per prophecy (1Pet4:17 as Dan8:13-14), and as per 8th King objectives to have none of this exposed as per prophecy, as JWs are already now since 1990 concealing the 3rd UN manifestation significance as UN NGO, and now play dumb Bethel, all 8th King allies. And due to that treason against God's Kingdom by spiritual adultery with the UN system, and aiding it's developmental concealment misleading mankind, Bethel will of course, as Jerusalem in similar allied form with Rome "we have no king but Caesar", fall into a foretold judgment as per 1Pet4:17 that will start the signal of the final cycle.

JWs are the latest UN harlots, the churches are UN harlots since inception 1919, so JWs are the ones who will be the target of God AND the 8th King, because also they did have an initial understanding to track 2 UN placements, but only fairly recently compromised. They are the ones who told the world about it while claiming to be Jehovah's witnesses as ambassadors of that Messianic Kingdom, and for that negligence of joining the UN rival system as UN NGO, they must also fall under judgment. God cannot judge the churches twice for the same offense, their judgment was live and real-time as they endorsed the UN related League of Nations in 1919, that is a done deal, irrelevant in the judgment coming on JWs for new offenses since 1990, against Kingdom loyalty and loyalty to God and Christ by public reproach as UN harlots in well known world publicized manner.

Since the churches clerical lead system will not expose UN activity as well, and was already League of Nations allied since after 1919, they are not the system the 8th King worries about silencing on the 8th King end, they are already loyal harlots like the JWs. It is the potential of JW prophetic exposition recovery of all four UN placements and it's Armageddon implication as to why JWs are also targeted for removal in the beginning of the process, to ministerially fully silence even the first two UN placement understanding that is now also an 8th King target. That threat of Biblical exposure is NOT present at Churchville, it is present in extant JW Bethel writings.

Thus JWs are targeted by two powerful forces, God and the 8th King, and thus a judgment is guaranteed as God gives Bethel to their 8th King masters as per Dan 8:11-14.

Thus true, they will in time target all Christian claimants, but they do not have to worry about church leaders and lead administration being disloyal to the UN. Thus God by JW Christian desolation will again tell all Christians and all people:

(Revelation 14:9-12) And another angel, a third, followed them, saying in a loud voice: 'If anyone worships the wild beast and its image, and receives a mark on his forehead or upon his hand, 10 he will also drink of the wine of the anger of God that is poured out undiluted into the cup of his wrath, and he shall be tormented with fire and sulphur in the sight of the holy angels and in the sight of the Lamb. 11 And the smoke of their torment ascends forever and ever, and day and night they have no rest, those who worship the wild beast and its image, and whoever receives the mark of its name. 12 Here is where it means endurance for the holy ones, those who observe the commandments of God and the faith of Jesus.'

Thus it is Bethel and JWs who should be saying all this since 1990 USSR King North failure. As obviously the USSR will never surpass the 8th King ascendant rise from 3rd to 4th UN placement in actual Dan11:30-45
meaning. And it is JWs who now expect this final globalization starting, to be the "end of the world". But in fact it is the start of the final cycle coming up. JWs expect the "attack" to begin of Babylon the Great, but in fact the "trampling" of Dan8:13 will start with Bethel. JWs expect that attack misapplied to Daniel 11:44-45 final progression prematurely is what is coming next. Instead Daniel 11:42-43 world wealth power going under 8th King control is what will only be beginning next. Thus JWs think the 2nd UN placement of 1945, of a UN 17 acre complex in NY state is the ultimate pinnacle of 8th King as scarlet wildbeast power, but in fact that world government is what is born at the end of this final cycle soon to start.

Thus that JW system of guidance just covered in the above, is what will be misleading people into similar illusion when this next cycle of Daniel 11:42-45 activates in earnest. And for several years JWs will be fully as lost as anyone else, the 8th King borne subversion in Bethel (Dan11:30-31; Dan8:12-13) as indeed misled JWs so fully as to be completely unreliable in explanation of the final cycle, and fully misled to be captured as much as possible in it, as Bethel will also be 8th King captured as more than theological positioning is at work at Bethel, but also logistical and financial as well, to fall into the Daniel 11:42-43 activation phase. Thus any possible ministerial system recovery to pick up where JWs derailed, will be severely hampered, not to mention the magnitude of JW globalization ignorance of the overall process by which the 8th King first owns and pawns nations (Dan11:42-43), and then receives final "power and authority" in national sovereign transference (Rev17:12-18);

This process known by many world researchers and experts, is known as a globalization reality to come, but not as prophetic. To JWs who know prophecy but none of this globalization certainty or even understanding of it's basic process, the connection to prophecy is not being made, the entire reality of globalism is as unreal to JWs as a person from 1950 who generally had no idea globalization was even a world governmental basis of power.

So, the whole process is broken from connecting it to key tracking prophecy, and the world is as lost to prophetic implications, as JWs are lost to globalization described in prophecy, neither camp of knowledge is making the needed connection to globalization and prophecy, or prophecy and 8th King final globalization. Some world geo-political experts know it is a final cycle requirement, to JWs it is now the end of the world. So again, the logical connection to balance a reality of prophecy and 8th King globalization as foretold fully in it, is lost. And will continue to be lost even as cycle starts up in earnest.

That is no joke John, and as a result of this comprehensive lack of understanding due to JW negligence for the most part, right now many of God's people are veering on the danger of trying to serve two masters, because when this fourth cycle hits, the 8th King will go into a world tribulation mode designed to coerce everyone to submit voluntarily by many devices, including religions that already have turned harlot, as even JWs are now a harlot system serving UN covered up meaning of this final progression since 1990. And this cycle will begin, and proceed, and God will raise up a final world warning from anointed first, and he will broaden the invitation far beyond temporarily condemned JWs. Many JWs potential "weeds" and wafflers, the ones not deeply rooted in love for God, Christ and the Kingdom hope, must be disciplined to see reality. And that discipline is the final "1/3" symbolic purge of Revelation 8 coming up. And by that signal a wider final call will eventually begin from God, to again all people currently in all kinds of institutions, including Babylon the Great and te churches, and lost JWs, etc.

Now as this goes into the darkness for even JWs in that initial judgment, it must in time also come to light what is REALLY going on in the world scene, that the 8th King is about to complete a world unification of all nations in FULL voluntary submission of their governments and elites (in time), that WILL trigger Armageddon. And that is why God will also make a competitive sovereign proclamation of Christ's Kingdom
power as the one who WILL rule the "kingdom of the world" (Rev11:15) FOREVER. And in that recovery
anointed Christians MUST be the ones to lead the final proclamation of God's Kingdom certainty, WHILE the
8th King is going into pinnacle world power, and it is not going to be much longer than that eventual final
1260 days when the "wildbeast that ascends from the abyss" WILL make war WITH them, and will conquer
and kill the final "two witnesses".

As you can probably see, a full description of what this actually means deploying while it is actually
happening is not going to sit well with some people. It is a daunting message, it does mean an actual "the end"
of Matt24:14. And that end is what will arrive just as Christ stated. And it will be described before Christ
arrives at least 1260 days. (And that is not yet the ultimate end); So it is a seriously heavy message, and it will
have developmental evidence in world globalization progress that will eventually be vocal of intent. Once it is
too late, te 8th King globalists can fully let everyone know a real world government is the intent. For now, as
in silencing JWs on the matter, the less people know the better for 8th King purposes, the more ignorance,
surprise and division exists, the easier it will be for the 8th King to assume full power. A some point it must
become common knowledge, after it is way way too late to reverse while in it's final cycle deeper phase.

So in time the 8th King himself will resist the final message as per Daniel 11:44 disturbing reports as the
Revelation 11:7-10 two witnesses war and kill.

==

But such activity merely aids Kingdom completion as the final killed number of Rev6:9-11 completes. BUT as
per 1Thess4:17 some anointed MUST be "who are surviving" to be gathered in live form into Kingdom power
as Christ arrives shortly after that 1260 days and final "two witnesses" death state is achieved. And that live
gathering of parallel Rev11:7-12 and Matt24:29-31 WILL complete the Messianic Kingdom royal family, and
Christ can then be the "head stone" final stone as coronated King-Priest to full go into Messianic Kingdom
power as per Zech4:6-9. 6:9-15. And as per Zech12:6-9, to final earth sheep of Matt25:31-46 and
Rev14:14-20 sequence are then also secured for survival BEFORE Armageddon, as the Kingdom MUST
complete in the 8th King face.

The MOST important aspect of Christian 1914 reformation TRUTH to be reaffirmed soon in a clean final
Christian ministry, for earth sheep - is to encourage them to make the sheep side of that final intake of
Matt24:29-31 (Mark13:24-27; Jude14) after the Kingdom fully completes. The ONLY "sheep" left at Matthew
25:31-46 are earth sheep, because when Christ "sits down on his glorious throne" ALL Kingdom members
MUST be in spirit form, in total completion, and that Kingdom then separates and takes in all the earth sheep
in a final ministry of Christ, so to speak, (Matt10:23), where his angels will collect even people who may not
be aware of Christ's reality, the ones saying huh? "when did we see you naked??" with a positive outcome.
The final salvation is by sacrificial purchase power Christ can apply to humans who can be cooperative,
and not to defiant blasphemers who will end up as goats. And so we do not have to think God, in the end
sequence, will be limited by human ministerial efforts, He owns even fallen mankind by Christ's "last Adam"
blood purchase all the way back to Abel, all the way to the last born child of the Adamic age.

The way people treat each other, is what Christ will look at, the first two commandments interrelationship of
love of neighbor being for many in lack of knowledge, as good as love of God. For those in full awareness of
the first commandment to love Jehovah and worship only God, and to love neighbor, which is also more than
human by the way, for God loves all things, these can be saved in more aware circumstances. But by
Matt25:31-46, we know some sheep will not realize they are sheep, until that very great salvation period.

(Romans 2:14-16) For whenever people of the nations that do not have law do by nature the things of the law,
these people, although not having law, are a law to themselves. 15 They are the very ones who demonstrate
the matter of the law to be written in their hearts, while their conscience is bearing witness with them and, between their own thoughts, they are being accused or even excused. 16 This will be in the day when God through Christ Jesus judges the secret things of mankind, according to the good news I declare.

For anointed the final proclamation of what it all means as far as God's Kingdom Messianic completion certain to arrive with 8th King completion is the ultimate final message God will command, because those caught with 666 allegiance as marked slaves, cannot be covered by the sacrifice, as goats are not saved in this final progression, and people have to be aware the final judgment WILL arrive as to sheep and goat standing, and it requires being unallied with any 8th King world government affiliation or loyalty, that "new world order" is doomed, and God will also tell some within that system, because at this time, even late into this period, God will still accept surrender, even after Kingdom completion:

(Revelation 14:6-7) And I saw another angel flying in midheaven, and he had everlasting good news to declare as glad tidings to those who dwell on the earth, and to every nation and tribe and tongue and people, 7 saying in a loud voice: “FEAR God and give him glory, because the hour of the judgment by him has arrived, and so worship the One who made the heaven and the earth and sea and fountains of waters."

And that appeal is made while Babylon the Great as harlot worship systems with divided loyalty is finally going down in the Rev17:12-18 and Rev16:12-16 final progression into finalized globalization under a full 8th King. These things will come, so now some Christians living in denial must start to face reality, and it is reality that will have years to arrive, BUT will be marked by world known 8th King activity. In God's wisdom there will be a recovery and enough time to make the final prophetic truth fully known.

==

And as with stubborn JWs, it is not going to be instantly accepted even by those who originally had the first two UN placements in prophecy as an exposition of part of their ministry. Even the desolation of Bethel will not get through to some JWs. And that is why the Daniel 8:14 desolation and purification is timed. And that is why in Revelation 8 final fulfillment it is by angelic means the trumpet alarm signals are given in those first four trumpets first, because as Peter stated by God's spirit, "the righteous one is being saved with difficulty", not because undeserved kindness lacks power, but because human self-righteousness, like today's JWs, defeats the power of faith in that sacrificial basis of undeserved kindness unto actual divine forgiveness as one of it's chief benefits at this time.

So the divine rejection of the JW Christian apostasy will be made fully known, because it is now a man worshiping and performance based counterfeit system that opposes faith in undeserved kindness, and by that critical eye on the straw in the eyes of others, while condoning a UN allegiance right at Bethel's own log covered face, the hypocrisy inherent in humans trying to establish our own righteousness, is why many JWs also do not truly love each other as we should, because we were, and they are trained by Bethel to instead always be weighing their brothers and sisters in scales of human righteous assessments based on hours, days and years "in service", visual impressions of spirituality, vain traditions of former "righteous acts of the holy ones" that JWs imagine are their modern acts and thus are used as a blinder, and things such as these have rendered the JW system now useless to complete faith. It can still start faith, but the lawless purposeful Bethel apostates soon corrupt that faith into for their own fame as central organizational idols and distractions, that cascade down into the congregational level idol worship of other organizational entities.

Thus God smashing that Bethel system of idols, and their UN NGO centerpiece real meaning needing exposition and confession, will very abruptly clue in those paying attention God will not buy superficial non-spirituality as acceptable. There is no way JW modern versions of Baal worship will escape a judgment of
a magnitude commensurate with the worldwide scale of the JW organization of this idolatry. The core purpose of the demonically inspired corruption of the JW ministry is to ultimately also truncate the UN placement progression awareness, while also corrupting the former reformation of anointed lead that was present in JWs of the distant past.

The "man of lawlessness" at Christendom is already complete in diverting Christian attention away from a reality that must progress to climax. The rival sovereign progression that MUST be fully revealed in time in 4 UN placements and four world tribulation cycles to present those placements, that is present in JW foundational ministry to 1969, must be continued out of Bethels obstruction of the understanding of the 1990 UN manifestation. And that is also why it is guaranteed the suppression of this awareness at Bethel will also meet a direct divine removal, not human, but 2Thess2:8 actuality, because the world must understand the 3rd UN placement will arrive at Daniel 11:44-45 eventually as 4th and final UN manifestation as 8th King world government.

And since this is banished from even JW consideration, this is only a beginning of something that will be marked by JW desolations for UN NGO sins, and it will be timed, and in that judgment even anointed can be found in the 5 foolish virgins, and not ready to actually take on the commission of the final expose of that final UN cycle, because in time, the Messianic Kingdom completion will converge into the 8th King resistance of that final "two witnesses" message, and true Christian testing to the death at times, will be a worldwide reality. And that is why God is waking up anointed and others even now, who can start to prepare spiritually and mentally for what must become a final Christian reformation revival of the final ministry warning of Kingdom completion with 8th King world government completion, and it must progress to planetary war with God's Kingdom for earth, and eventually people alive will be judged as either sheep or goat, and it will be final, and God certainly will give a thorough final warning and invitation.

The timed nature of Dan8:14 will aid very doubtful JWs to the meaning also backed up by 4 explanations of the judgment in Rev8:1-12. Thus if God will be tat patient with JWs who should be saying all this since 1990, He will also be patient with general worldlings, and others, who have no idea of the meaning of even the first 2 UN placements.

And since JWs must actually become an example of what not to do, the call again must go out to all Christians, because if one group in part, like Israel, rejects the king as many JWs actually are doing, then God will provide his ministerial needs from others who recognize this is the final progression of a few years, and this is the real thing, and no one can sit on the fence between sheep and goat, people will all be judged in the final sequence as one or the other in the very near conclusion Dan 12:11 period. And as ignorance can cover some people by Christ's purchase power, not all people will be in such ignorance, because when God foretells a final ministry, it will meet the divine objective by God's power not man's - there will be a final valid ministerial recovery and final deployment.

And as you see in my claims, as true or false, time will tell the events I say the Bible foretells starting with the JW desolations for UN NGO adultery by their core leadership. And when that signal hits, as already marked by a fully seen Bethel apostate organized reality (Zech3:1-13; Dan11:32a; 2Thess2:1-4), the rest will follow for a decade or so, as God already marks the time in Dan 8:14, and Dan12, and the connections are in Daniel 8 and 11 as to what the JW "transgression causing desolation" is as UN NGO allies, and the church leadership cannot be guilty twice for their own League of Nations initial loyalty at that first test, meaning the churches as UN promoters by not expounding the true meaning, are not in this judgment, but members individually will be called out, as even the JW ministry is being rejected officially, and the one to come from that first two UN placement prophecies, MUST make the 3rd and 4th UN connection and make it known globally.
God is fully aware of the true Christian state of the world, that it is asleep as per Matt25:5, distracted by minutia of teachings on this and that, and has lost focus. Even JWs are now a system of blindness and in worse sins than the churches because JWs had the first Kingdom and 8th King pronouncements in their midst. JWs were supposed to be able to see patterns replicating, as that was the basis of understanding the Israel and Jerusalem patterns that replicated on the Christendom system, when they too aligned with Caesar in 1919 as League of Nations advocates. Now JWs are UN NGO UN advocates, the pattern repeats right in front of their face, but like Jerusalem they are blinded by their leaders diversions - everyone else is guilty, JWs imagine they are pre-approved and will bypass a judgment, but they are already the start of the final pattern.

Thus mankind as a whole is not in good hands at this time to understand reality as far as what MUST be made known in this final cycle. The worship of the wildbeast is the main final determinant of death, plain and simple, and even JWs are trying to have their cake and eat it too, and so are many other scattered anointed merely distracting themselves as well (and it is understandable, the main ministry is defunct), and God fully knows the dangerous plight of the whole thing, it is NOT by and large having any proper reminders that being anointed is not a guarantee until tested, and it will be tested. Many anointed have fallen in the past, and that by disloyalty due to fear and man pleasing, and it happened right at Bethel, and it will happen again, and that is why God has to do a judgment now, to get the wheat initially separated for the final ministry. This is not high pressure at this time, as stated all 10 virgins nod off in the delay period, so I am not judging anyone, I am saying collectively we anointed are now wandering sheep, because their is no central recovery yet, and even that recovery will take time, but a brief “little scroll” ministry must hit the UN nail on the head, it is not going to be a ministry of anointed minutia as JWs have turned it into, and as is the case in general, because a man like me cannot impel the recovery, God and Christ will do it, in it's time, by their powers, and THEY, not I, will call in their own sheep in the anointed priority to do the final warning campaign as per Rev10-11.

There is now way today's anointed state can remain static, it MUST carry out a final ministry as per Rev 10:11. If left on it's own, in today's state, Christian anointed would be sitting ducks come Daniel 11:44 time. But as foretold, Christ WILL recover and deploy a final ministry. Rev10 and 11 MUST have a final fulfillment, NO WAY is God going to just let the 8th King have this final phase all to his own, and like right now, if that were the case then, the 8th King would indeed have a captive audience. But that will NOT be the final case. And it is anointed Christians who MUST carry that Rev10:11 mandate forward, like it or not.

And rather than it be a 100 year slow devolution to impotence as with JWs, always present in Adamic man by nature to corrupt, this is a ten year Daniel 12 guided time frame to get to Christ's first manifestation as that tribulation coming MUST end as per Matt24:29; (Matt24:29-31) Thus this final push, in a way I do not know at present, must be a fast track ministry that covers the most important aspects of life, loyalty to God and Christ and their Kingdom reality, or death, loyalty to a manmade “new world order”. And as this winds down to actual world government, people will have only those two choices, national allegiance will be irrelevant because the top national powers will have given their allegiance to the UN 8th King by that time, fully (Rev17:12-18). I am not saying national allegiance remnants will not exist, but that it will all direct to direct 8th King wildbeast loyalty, and that is the decision all mankind in varying degrees will be faced with. As obviously the larger national powers have greater ability to inform their masses, than say “indians” deep in the Amazon rain forests and other similar remote places on earth with people now living far off any known grid or on it's very fringes, even in east Russia for example, or deep Africa.

So, one can doubt or consider what I say, because it is a long process coming up, and it will be marked by events that will verify my statements as true or false in time, and as Biblical reality or error. A man that actually represents a truth, cannot be self appointed, either God's truth will come forth, or it will not. God must ultimately be the one who brings forth His own truth, He is not subject to human random attempts. Nor can a man see anything actually true without being first shown it. Man does not decide to embark on a self
appointed actual apostleship, he either is, or is not, selected by God. And if he is selected for a special need of truth exposition, it will come true. If he even believes strongly that he is such, but is not actually such, it will not come true. GOD is the one who as with Abraham, does the selecting and is the source and one who pushes a vital truth forward in His own time and way. And He cannot be dependent on Adamic man, because Adamic man ALWAYS will fail in certain aspects, ONLY underserved kindness and God's power through Christ can make ANY Adamic man stand. A man standing on his own power and his own self-righteousness will fall, until that undeserved kindness actuality of reception of grace NOT DESERVED is TRULY fully accepted. Those attempting to establish their own righteousness, as even the apostles attempted at times, will fail and will have to be aided by God to understand Christ's merit and sacrifice IS THE ONLY REASON man can be accepted by God at this juncture of sin.

God cannot be fooled as we can by our own desire. He knows if he can continue to guide us into needed changes, because it is common that Adamic man WILL wander if not totally reliant and always connecting to God's power, not our own. Christ, although being an actually perfect man, ALWAYS NEEDED to connect by prayer to God. If he being perfect REQUIRED divine power assistance, how much more so we imperfect men? And if in time one cannot be guided to higher levels of faith and reliance on God, not self, of course God must remove those who fail after enough guidance. In Hebrews Paul is very clear even anointed can and have failed. (Heb6:1-8; 10:26-27) So we cannot be complacent or think we will not be tested and everything will be hunky dory, it certainly was not the case for Christ, yet not all are tested to that degree, and some must be alive when Christ arrives to fulfill the meaning of Jude 14 (at 1Thess4:17 timing), and who it was that uttered that prophecy, Enoch, a live transference example that will complete 1Thess4:17.

==

Keep in mind the Christian man who said this:

(Hebrews 6:1-8) For this reason, now that we have left the primary doctrine about the Christ, let us press on to maturity, not laying a foundation again, namely, repentance from dead works, and faith toward God, 2 the teaching on baptisms and the laying on of the hands, the resurrection of the dead and everlasting judgment. 3 And this we will do, if God indeed permits. 4 For it is impossible as regards those who have once for all been enlightened, and who have tasted the heavenly free gift, and who have become partakers of holy spirit, 5 and who have tasted the fine word of God and powers of the coming system of things, 6 but who have fallen away, to revive them again to repentance, because they impale the Son of God afresh for themselves and expose him to public shame. 7 For example, the ground that drinks in the rain which often comes up on it, and then brings forth vegetation suitable to those for whom it is also cultivated, receives in return a blessing from God. 8 But if it produces thorns and thistles, it is rejected and is near to being cursed; and it ends up with being burned.

(Hebrews 10:26-31) For if we practice sin willfully after having received the accurate knowledge of the truth, there is no longer any sacrifice for sins left, 27 but [there is] a certain fearful expectation of judgment and [there is] a fiery jealousy that is going to consume those in opposition. 28 Any man that has disregarded the law of Moses dies without compassion, upon the testimony of two or three. 29 Of how much more severe a punishment, do you think, will the man be counted worthy who has trampled upon the Son of God and who has esteemed as of ordinary value the blood of the covenant by which he was sanctified, and who has outraged the spirit of undeserved kindness with contempt? 30 For we know him that said: “Vengeance is mine; I will recompense”; and again: “Jehovah will judge his people.” 31 It is a fearful thing to fall into the hands of [the] living God.
Also said this:

(Romans 7:21-25) I find, then, this law in my case: that when I wish to do what is right, what is bad is present with me. 22 I really delight in the law of God according to the man I am within, 23 but I behold in my members another law warring against the law of my mind and leading me captive to sin's law that is in my members. 24 Miserable man that I am! Who will rescue me from the body undergoing this death? 25 Thanks to God through Jesus Christ our Lord! So, then, with [my] mind I myself am a slave to God's law, but with [my] flesh to sin's law.

So having discernment to balance our own "I behold in my members another law warring against the law of my mind and leading me captive to sin's law that is in my members. Miserable man that I am!" with the ability to NOT give up the fight, and NOT self condemn ourselves but keep in mind Christ's identification in that sacrifice by undeserved kindness is how that "miserable man" can be accepted by God. Submission to undeserved kindness will aid us not falling into unrepentance by giving up in any way, or self condemning, we just accept our miserable Adamic state with the knowledge it is temporary and the assured hope Christ as the perfect form in either fleshly or spirit realities.

====

I of course must leave my own words to have to take the true or false test. And I know it is not tomorrow that will occur and that what is coming up is a final cycle of a number of years, as the 8th King also will not complete tomorrow. And I know it is not up to me, or my power or will, God has always become active as He said, He would in times past, and He must do it again, and as usual even in initial form it is always as a "thief in the night" to those not on His Word. And unfortunately ego and prideful competition has been the downfall of many religions and many in them, because ego is not the determinant of God's selection, and those self selecting due to ego, are not truly motivated by the proper desire. In my speculation many selected have had no idea formerly of their anointing until it arrives, and to many it is a surprise, not something they chose to grasp to have bragging rights, or in some selfish competitive motive. The human perfect form of Christ is not to be disparaged, for those that must assume that form in earthly perfection in the majority of mankind to assume Last Adam form. Christ's perfection cannot be known or compared to the current state of man, so many thinking being perfect human is beneath them are of course unaware of what they are speaking, for Christ's perfect human form is the total lost Adamic power and then some, because Christ concluded that form as fully tested, he is beyond Adam in power he is "made perfect", and some will have opportunity to find out what that REALLY means.

Being a perfect human in Christ form as Last Adam, rather than Adam sinful and dead, cannot be comprehended at this time, there is NO actual comparison.

In either case heavenly or earthly it will be a limited number to pass the final Satanic tests, because human desire can mislead people, and people not truly making that change to allow spiritual fruitage to be cultivated, will of course offer diametric fruitage of which self deception is the first to bud, like Satan, Adam or the woman, self deception occurs first, and leads to more and more sin once one is fooled by their own heart and thinks human ego and pride is acceptable to God to deem themselves worthy prior to the test. As the Bible states, faith is not a possession of all people, and not all humans are rightly disposed for everlasting existence. But we cannot judge who is who, lest we fall also into a similar self-righteousness on that end thinking we can simply see spirituality, judging according to thing seen or heard. Of course as Christ said on testing apostles (Rev2:2) as the first commendation of Rev 2, and being discerning of "fruitage", we cannot play dumb either, we just cannot know as with Manasseh that God may give the repentance to these ones that will lead to faith later, as God is far more patient than humans as you know. It's love that NEVER fails, all Adamic
replacements for love, and there are many, will fail.

= 

But as per Rev8:10-11 principle, the JW truth is not fully lost or absent. (just as good as lost in leaven effect) The original Christian Bible Students reformation and clarification must be respected. If we allow the Bethel apostasy to make us doubt this entire movement from incept as many now say the foundational apostles of the modern age in Russell, Rutherford and Fred Franz are all corrupted men, then these people will no longer have the valid anchor that did separate wheat from weeds in 1914 inception to fully identify an anointed truth given by God to know where the UN system was leading. If one allows the Bethel apostates and the web discrediting campaign to also reject the entire movement these will lose the foundational Kingdom and temple truth basis that is what God will finish the Kingdom and temple truth upon, prior to actually completing the Kingdom and temple power as a King-Priest finality. (Zech4:6-9; 6:9-15);

Early Bible students who became known as Jehovah's witnesses in the early 1930s, did have a unique clarified Bible meaning. Now some JWs drop from the organization which is good, but soon like a frying pan to the fire, they return to church errors long ago removed with that era's weeds. The JW fall is not also saying identified church corruptions are now by default acceptable. They over correct and believe the entire Bible student's ministry is also all bad, due to brazen lawlessness at Bethel culturing doubt, and creating a progression of doubt that for some is not just leaving JWs, but they will also leave God and will return into Babylon's errors of false religion. Tat is as good as also losing sight of the meaning of the first UN progression, because no other religion makes this cycle known as a 1-2, much less a 1-2-3-4 UN placement cycle that must eventually be revealed. Living in denial a world government will come, will only aid it's arrival to mislead people. Of course JWBethylon is little better, but at least the foundation was accurate, and we cannot lose that foundation, because it is the basis of the completion and inventing a new Christianity is not the goal - clarifying Bethel later error and getting rid of it is the goal. The anointed temple is what NEEDS to be purified from Bethel deceptions, any in church deceptions are still in a profaned state from a purification of 100 years ago, that cannot be recovered in those long gone institutions. Claiming the whole thing is rotten, is as bad as accepting church clerical rot as any better or acceptable now that JWs defaulted. The only salvageable foundation is in the Bible students clarification of Kingdom and UN reality as diametric systems that WILL meet in a final confrontation and battle. The basis of God's final warning must also reveal the status of the rival system.

So it must start somewhere, some one has to make this clarification, anointed minutia is not making this awareness known of the UN progression into the rival and completed 8th King system. And without that understanding, anointed would be sitting ducks, can't have the cake and eat it too, and can't allow fear of man and death allow the 8th King to command a ring kiss or even the slightest capitulation, or worse a JW UN NGO partnership. Look how slyly that 666 slipped in to and onto the whole Bethel reality. They, to this very day, STILL do not tell all JWs about their UN NGO affairs in official publication. That is called TREACHERY, some JWs who would see Matt24:15 "disgusting thing" in the UN NGO and FLEE, are now still in it's JW temple ignorant of the fact.

THAT is how sneaky and effective the 666 is. The overall Church global institute has been there 94 years. JWs 21 years.

It is very trying right now, for due to Bethel apostasy even JWs are now in Babylon's error and worse, they are being taught it is ok to worship the wildbeast as long as you get something perceived as needed out of it, like a "library card". Modern JWs are being taught by "two horned wildbeast" associates right at Bethel whose origins founded the original "image of the wildbeast" (Rev13:11-15), and who now mislead JWs by
JezeBethel lead (Hosea), to also support the UN as UN NGO! JW's have wildbeast priests running, directing and owning the Bethel corporate complex worldwide and directing the now fraud ministry! They are not random hypocrites, they are Satan central; (2Cor11:13-15). The Devil ALREADY has the churches in UN alliances since 1919, he wants to ruin the latest JW UN annex as well, THAT is the goal. And it is pretty well sealed thus far, both systems sealed 666.

In any reformation to come to flee the JW system, one will also have to flee the older UN aligned churches as well in this final call. NONE of them are acceptable in their present state. How God does that is yet to be seen, that he will is GUARANTEED by final climax prophecy. Of course God is going to climax prophecy in the very climactic period it foretells!! It does NOT end with 70 CE Jerusalem and 1914 CE Christendom, it MUST have a final purification cycle and full call into Babylon to GET OUT NOW!! JW's are plainly even Babylon annex temple now!!! A JW judgment is merely logical.

As you posted, if I am not mistaken, about the BIG LIE, many JW’s feel this is pure insanity on my part to describe the utter reality actually at Bethel! I understand they are deceived, not I, and that yes, they will want to deny even the possibility of the big lie. So John, you plainly see that JW’s leaving the organization and plunging into another fire, are being lost because Bethel's lawless decades are now making even anointed question the entire initial ministry. There are many anointed today who would not have been selectable had it not been for foundational Bible Students making that sovereign proclamation and clarification of 1914-1926 in a reformed manner. Not that there was not always anointing since Pentecost, but this was a big world call. There is no way Trinitarians can actually be anointed by a God they do not comprehend! We can not flee JW’s so far as to get fully lost again. We cannot tell Christians shoot! Bethel corrupted! Anything goes now! You are free free free!!! We have to retain basic discernment of what we have received here from original Bible student clarifications. We did not get this from church known errors, and League of Nations sell outs that they mostly all still are, like JW’s, by lead cleric deceptions. Though some groups may now perceive the issue more clearly, one cannot be in God's Kingdom and in the UN as even endorsers at the same time, it is one, or the other. And no doubt many church aligned anointed will walk right into the 8th King 666 system, the true discernment will not be in all people, and in the church spirit of rebellion the only recourse is the 8th King, there is no in between in the final cycle.

And those kinds of truths that JW’s used to have, are why some flee JW’s, not because they perceive the real issue of apostasy in JW’s. Some people, plain and simple will not pick up their torture stake, but they will claim full rights anyways. It is what it is, we can all fall into that self-deception, but it is what it is. Many are called, few will be chosen due to the Adamic nature capable of fully overtaking some with self-deceptions. Someone has to be the ones gnashing their teeth. Someone has to be weeds, someone has to be the vessels of wrath, it is a Biblically spelled out reality.

You know, it takes a balance to leave JW’s, and yet stick to known basic truths, and not just get totally lost thinking this will remain static and JW’s will avoid a judgment as carriers of original Kingdom and UN meaning truth, now corrupted and adulterous. Of course JW’s have a judgment coming. NO ONE can ID themselves as GOD's witnesses by His name, or even title and simply sleep with the UN world government rival, and think they will escape a judgment. God's cross hairs are on JW's NOW, the churches went UN back in 1919 for the most part, they fell off the radar 100 years ago. It is JW’s who had UN prophecy to track and expound live and real-time, who dropped the ball and bedded the UN system, it is JW’s who are the focal point of the first 2 UN manifestation meanings now concealing the 1990 3rd UN meaning. It is JW’s who WILL come under judgment, BUT the ramifications will result in another worldwide call to all Babylon entities: WITH GOD’S PEOPLE STILL IN THEM!

Thus a JW humiliation and signal, has a greater meaning once it is realized WHY JW’s are going down
organizationally, they stopped tracking the UN progression to Armageddon, are selling a premature end
deception, are not explaining 3rd or 4th UN placement meaning, and are TOTALLY LOST and misleading
their audience into similar cultured ignorance. Can God really allow all Christianity to simply languish in lost
focus here?? No, he cannot, so watch JWs that is the bullseye of God's initial judgment arrival, 1Pet4:17
cannot apply to churches, although the call will go out to them, because as confirmed UN affiliates they are
already judged as such in their own 1919 endorsements, from that time they are a UN house, just like JWs
now. After 94 years as such, it is apparent the churches will never expose the UN system, they will forever
bed with it. The JW system is what has a recoverable initial truth, the churches have no UN sovereign
understanding or where it must lead and cannot be recovered as institutions. Individuals in them can be
recovered into the final ministry not yet identified, but it MUST pick up the ball the JW institution dropped
fully in 1990 as UN NGO, and fumbled more fully as actually covering up UN 3rd placement meaning as it
must progress to a fourth cycle soon.

This is far more serious for all Christians than is commonly realized.

Bethel is not only allowing, but encouraging a lax attitude behind the scene, to hope JWs leaving will wander
back to known error. And if this just continued, the sheep would be wandering in minutia, not rejected per se,
but with no ultimate direction as to the climax progression that WILL befall mankind unto final 8th King work
government. Bethel allows and encourages Christian Kingdom members to actually lose focus of what MUST
arrive in the rival system, and the duty like Christ to speak these things to all, including the Bethel elites and
world elites in it's own time, as obviously God must back his own movement in His own way, as fully
foretold, yet some do not see Bethel lawlessness is connecting to a NEEDED judgment and removal of those
misleading weeds, before God can actually come in with Christ for final Malachi 3:1-5 clarification and
preliminary judgment signal on JWs as recent wildbeast worshipers who NEED to be informed by GOD, that
the UN NGO and whole course of the modern ministry since especially 1990, is NOT acceptable and valid
Christianity any longer. JWs are becoming the latest weed patch, plain and simple. Their allowing UN seeds
to be planted in the ministry is proof. Those seeds cannot remain as they are now spreading.

Of course that is a Jeremiah message to proud and stubborn JWs, they will not accept it in large repentance
until AFTER the Bethel system is desolated. And God by forbearance and patience, is willing to restore any
human, not just JWs, to understand this final mission is a life or death mission that MUST be completed to
divine satisfaction individually, and it will be the GREATEST Christian test of all human history, and it is
about to fall on a sleeping house to start the cycle, and it will not even start to be recovered until three years of
desolations. Thus this is not a message of judgment, but recovery needed in that judgment because we have all
now lost the central focus, we see the Kingdom, but must accept the final Rev10:11 command. We have to
speak that Kingdom for public witnesses again, in time, to all the nations who by then, will be globalizing into
final 8th King power worldwide.

Obviously to many, it will NOT be a message they want to hear. (Rev11:8-10). But to others, it will be the
information that will save their lives, because in that "little scroll" information is the GUARANTEE the
Kingdom is coming, and by great evidence in live world events at that time, it will be obvious the rival system
8th King is also completing in front of everyone's face, fully vocal by that time. Thus this final information
will build final faith. And God is going through the entire 1260 days and the 1290 days to continue to accept
repentance, because the "two witnesses" is not everyone, it is a vessel to the world to affect far more people
than can possibly actually be in the ministry, the "two witnesses" are witnessing to people not in the "two
witnesses" vessel, but who can be saved by that truth. Meaning many not actually taking part in the final
ministry, the majority in those to receive witness, can be saved, they are the reason why a final ministry must
make known absolute 8th King completion meaning as a trigger of Armageddon finalities.

But as stated my words will be proven only by the events I claim the Bible claims will arrive first with JW judgment (1Pet4:17 as Dan8:13-14 as Rev8:2-5), and from then it is several years to gauge for oneself the events that will accompany that JW judgment as 8th King final cycle activation, and you, me, and anyone to hear this now and later, have a number of years to judge the veracity of the claim of meaning for themselves. I do not say "if that happens", for me personally I know it is prophecy now covered up by Bethel that already explains the final intuition, because the original interpretation has already been proclaimed fully for 70 years now in complete form. This is not an interpretation, this is an awareness the minor form of fulfillment is already known, and will repeat to final meaning. It is an awareness of replication, the thing already explained itself in preview meaning since 1914. It is now intuitive, not interpretation for those who do not lose sight of the original 1914 anointed ministry and UN revelations to follow up to 1969.

As far as King North importance in Daniel 11, it would not be diverted as the USSR by Bethel UN NGO allies if it was not crucial to understand the 3rd and 4th UN placement progression must lead to Armageddon. Of course that is important! Billions of people will be present when Armageddon arrives! Current JW subversion is not helping them, but misleading them in today's form. Thus removing current cover up of Dan 8:11-14 and 11:30-31 as it applies to Bethel's self-incrimination already present in those prophecies, that is the only actual prophetic update taking place. Of course it is obvious a defunct and non-existent USSR can never actually be apex, pinnacle, zenith King North international world government power of the 8th King. (Dan11:36b) So it is not hard to prove who King North ultimate ascension of human world power MUST be in 8th King and totality of "scarlet wildbeast". It is also obvious the world must be driven into that unification, at first many national obstacles will NOT want to surrender their sovereign power to a world collective dictatorship, and those obstacles are slated for removal or coercion in the initial financial downfall of national economic systems to enough degree to form a world tribulatory cycle that may be accelerated by more 8th King engineering to aid the initial cycle of the globalization process.

The world will not be able to live in denial indefinitely, because it WILL soon smack us in the face. And this process must begin at some point in human time soon, and that is the time JWs will go down first, and it will continue to roll on over Bethel and into worldwide national financial implosions and war or terror accelerants, and it will continue to push the nations to world government over that coming decade as per very specific prophecy. No matter at what point Bethel is toppled in that context of world finance implosion and economic contraction, it will fall in, and the thing that rolls over Bethel WILL continue on to 4th UN placement in that coming decade after Bethel implosion. As example Daniel 11:42-43 is clearly a wealth and ownership prophecy at worldwide scale of a final controlling entity. Rev17:12-18 "power and authority" is clearly a sovereign transition to 8th King power. But as I claim from prophecy, this must take time and many marked events in 8th King and God's Kingdom dynamics, to actually finalize over easily a full decade. And it is not just prophecy that indicates this timing. Full world globalization under a total world government is NOT going to simply happen over night, it will take years and HUGE world events to empower that transition. And too, the 8th King is not just going to sit idly by, but WILL attempt world rulership for real.

Thus a message self claiming to take a decade or slightly longer, 12 years, approximately at most, from JW implosion to Christ first manifestation in actual seen power as Matt24:29-31 Rev11:7-12 parallel, is pretty much a low pressure message!LOL. The implications is what contains the implied ramifications of a message that will become more pressurized as these years roll by. In any event God and Christ, not I, will make themselves known to their people when they are ready, that is when God gets active. BUT it is a kind confronting that MUST occur also in this sequence.

God cannot allow the anointed to simply wander around with no final mission of great world import, he WILL
make a regrouping just as he did in 1914 era. Of course this is the completion group, of that Kingdom REALITY. This is the final cycle. And God is patient, obviously Christians are already under a silent invisible attack as we speak, and God will not allow the final ministry to be terminated before it even begins. I am confident by prophecy the next ten years will see a full 8th King globalization upon a final globalization cycle, and it will in it's own way, rock the world as Rev16, and it will imply everything climactic in Revelation and Rev 11 and 16 MUST also transpire with that to be well seen 8th Kingdom drive to world power. The 1914 cycle is NOT the ultimate and final fulfillment to come, and the more one thinks about it in terms of an 8th King who is taking it all very serious, the more logical it is God and Christ will confront that collective madman in his own progression with the TRUTH of 8th King guaranteed EXTERMINATION by God's Kingdom, the whole point of Dan 2, 7, 8 and 11 they ALL end in Christ's CONQUEST. Rev14, 19 and Eze 38 END in Christ's conquest! Rev 6, 7, 11 and 16 end in Christ's conquest. God's conquest as well. And there are other prophecies like Joel 3, Isa24, Ps2 and 110 that end in Christ's conquest.

God WILL conquer this world from the thieves and predators with the demons now trying to keep a possession not theirs., but given to CHRIST. (Ps2) And we as Christians MUST understand that climax will come, and leading into it must also come God and Christ's final message of GUARANTEED CONQUEST and we need to have a strong desire to be IN that conquest, this is not a tea party, the Kingdom will eventually get violent to protect the sheep, people will die at Armageddon, we do have enemies who want to KILL us, and we will be fighting back in spirit form when the time of God's war activates! (Rev17:14) It cannot simply remain static. The 8th King will see to that, because they will be doing their world government final Rev16:13-16 "gathering" soon. Eventually all that is written will start to activate as God already foretells that final 8th King drive to full world power and eventually complete destruction. These days of a clam before the storm will end.

But too, the "great tribulation" also ends, contrary to JW deception, and it ends into Christ's initial manifestation long before the final battle at Armageddon:

(Matthew 24:29-31) “Immediately after the tribulation of those days the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. 30 And then the sign of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven with power and great glory. 31 And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones together from the four winds, from one extremity of the heavens to their other extremity.

It is plain as day, JW teaching a GT as end of the world are teaching a lie. The tribulation must end into 8th King world power and recovery as well as "freedom from care" at Dan8:25 can only be "peace and security" of 1Thess5:1-3, both at the end of their respective parallel sequence into Armageddon.

Thus JWs have a self-defeating mindset if they think what is coming is the end. It is not the end, but the BEGINNING of the final cycle that leads to Matt24:29. Keep that in mind John, we all need to know what is coming is NOT the end, it must recover in time into the real climax period of Matt24:29-31. Thus error, ambiguities and anxiety of what will be the final outcome of truly tribulatory events, are of course things leaving the uninformed vulnerable, and that is why the Bethel liars culture this lie into JWs, to make them vulnerable in this cycle start period, to try to sweep as many JWs into the organizational herding process for 8th King capture, plain as day in that WT 11/15/13 pg. 20, par. 17, statement 3.

So I feel you and me are hearing this because it must unfold several years, and God will get directly active in making known as per 4 trumpets what must be carried forth later. Of course I have to be patient with those just being presented with this information, and faithful God and Christ will be the ultimate ones to again make their
final purpose fully realized by their servants. (Rev1:1) Ultimately for me not to lose focus and act like some ego driven leader, which I am neither, I remain in faith God and Christ will create a notable manifestation for believers to understand by their power, not mine, BUT it will be backed up in a Bible continuum that must also complete. God's Word is important as a totality, and God will aid comprehension of the totality from Genesis to Revelation because it is a continuum in several sequences that returns Genesis 1:26-28 blessing, but by last Adam Christ in all forms man and spirit realities he is to God, by Rev21-22 finalities, Rev22:3 curse removal in particular. Revelation basically loops back to Genesis 1 as Matt19:28 and Rom8:18-22 meanings; (Eze47).

God's word MUST complete, even JWs keep it truncated and diverted into error in it's critical sequences. The UN "image" is NOT the ultimate form of power, as also JWs are misled to believe. A UN centered actual 200 nation complex of world government is 8th King total power yet to come, THAT is the pinnacle form of wildbeast comprehensive power and meaning, including, but not limited to the UN "image" that it was all based upon to a true completion. The Bible students, and then JWs, are the only group originally identifying the first two UN placements of what is a 1-2-3-4 super-cycle in prophecy and what will become world history at 8th King finalization. Though there are others are in agreement with Rev13 and 17 meanings as expounded fully since 1950 by JWs, the core thread of that prophetic exposition is what the 8th King will also want to remove as thoroughly as he has removed the 1990 3rd UN placement awareness from JWs.

Whether people realize it or not, world rulership is the central issue on planet earth of all who actually do that ruling now in decentralized national form, and all subjects under the laws that come from those governments. And that issue must again become central, because now ALL the nations will be confronted by the 8th King to centralize all world rulership into that super-sovereignty to come. Thus like it or not for all mankind, all mankind will eventually be faced with 8th King world government as surely as their own national powers will be absorbed by that final world power. Thus in this calm before the storm that must usher in this world government, we must realize the national scene of today will be undergoing radical changes and massive events pushing them at global scale, and these nations will have no alternative in time, but to join the final UN system in it's actual world government capacity, no matter what they may label that final form of government as.

No nation can or will escape as far as worldly nations of earth, but people in them CAN escape!

We have the luxury from the Bible as per Rev17:12-18 to know nations will actually "give their power and authority" and "their kingdoms" to that globalized "scarlet wildbeast" as distinct from the national collective Rev13:1 classic seven headed wildbeast, but of same form, but extended power based on that national power system pawned and made subservient financially first at Dan 11:42-43. It is a natural evolution to a globalized climax, as certain as states forming nations, that nations will form a final unification of all nations as a globalized world government 8th King finality. We also will have the luxury so to speak of seeing this unfold for several years providing events already marked in prophecy to see where it must lead concluding Rev 8-11 and 16, 7th trumpet and 7th plague events.

It will get more obvious over time what is actually progressing and were it must actually lead.

The churches clerical leadership and elites have for almost a century endorsed what JWs have recently also endorsed as UN NGO in 1992. So to expect either of them to about face without a drastic change in what UN affiliation means, that is accepting 666 capacity as servants of that world government, is unrealistic. To claim JWs are any better than the churches is belied by their UN NGO former adulteries. To claim churches are any better than anyone else are belied by the fact they do not expound UN ultimate final placement meaning and also are aligned as UN bedfellows. Thus no organizational actual truth exists any longer.
To simply discard the ultimate meaning expounded by JWs in those first two UN placements is not wise. For although JWs cover up the 3rd UN manifestation after the cold war (Dan11:29-31), it WILL lead to the fourth UN placement of Daniel 11:45, Dan 8:25 and Dan 12:11 (final fulfillment) parallel climax as a final "abyss" rise scarlet wildbest of Rev11:7. If one discards and continues to cover up this UN 1-2-3-4 post world war placement sequence and super-cycle to 8th King world government inevitability, one can end up not seeing what it means in the climax cycle coming up, and one will possibly give in to wildbest finality, and no one marked 666, and many will be marked 666, can actually be saved, because one must choose either Christ's Kingdom or the UN as their world government. And in the war phase of Rev16:13-16 as Rev19:19-21, those aligned with the rival system will be given a final warning and those not responding, there is no choice for Christ but to wipe out that rival world government and it's adherents.

The churches by and large, and now even JWs, are trying to serve two masters and not say what this ultimately WILL develop into, because the 8th King will confront every nation with required subservience. If the USSR fell into 8th surrender, which it did when Russia joined the UN, there is no national power or bloc who can withstand a now many times more powerful 8th King military system as Global NATO and other cooperatives. (Like the Gulf Cooperation Council). It is only a matter of time before Russia and China as two powerful national powers, must capitulate to 8th King subservience, for they combined are not 25% the power of a Global NATO and full network military globalized power, they cannot defeat the now ready world forces of the 8th King merely disguised as US and other national military systems, but are a full and extended Global NATO.

As per Rev17:12-18 and Rev16:13-16 certainty of God's prophecy, ALL national power including Russia and all of Asia, WILL capitulate in time voluntarily to 8th King globalized authority - even if at first they resist or fight a world war, they WILL give in, not to the US national power, but to the 8th King globalized power. In the end, and even some now, all their most powerful elites are doing is forsaking national power sovereignty, to receive it in a globalized form under 8th King world government (Dan11:39), where the elites in official fashion will rule their own nations, where in many cases now, national governments are run by financial, industrial and military elites who populate the national governments with hand picked politicians. In the finality of globalization, elites will merely trade national sovereign declination for globalist power ascendency to be masters of their own domain, yet have to ultimately answer to Anglo-American globalist elites as top 8th King architects as two-horned wildbeast. Meaning the voluntary national kingdom surrender of sovereignty of Revelation 17:12-18 will have a logical dynamic, the nationalista servants of the past are already being over powered in national governmental regulatory direction to serve a common objective of globalist world government in finance first, and when that financial power ends up to where it is going, 8th King control, entire national powers sovereign vacuum of bankruptcy will have only one recourse of recovery, Daniel 11:42-43 recovery into 8th King financial globalization.

Every dynamic of world power development is working in the 8th King globalizing advantage, and ultimately against national rogue power, those rogues will be roped in, or come in voluntarily, it is inevitable in the overall power dynamics, the nations will not be able to individually survive without 8th King assistance. (Rev13:16-18).

The point is it is only a matter of short time, even if 10 years, before this cycle must crystallize all national power into a real 8th King world government. And as it is the opposing final power system of God's Kingdom, alliance with it will be the determinant of life or death at the climax periods of Rev 11, 16, 17 and 19 and Daniel 8 and 11. ALL of Daniel and Revelations national based sovereign progressions end up at Armageddon, because all the national powers end up in the 8th King, and because that battle of sovereign ultimate supremacy is where this is all leading ON PLANET EARTH, and why God's Kingdom will arrive.
8th King United Nations World Government Final Cycle - Final Prophetic Replication and Milestones

HERE as requested by Christ:

(Matthew 6:9-10) “Our Father in the heavens, let your name be sanctified. 10 Let your kingdom come. Let your will take place, as in heaven, also upon earth.

Thus even Christians dodging this issue now, will be confronted with it with everyone else later, and it must come to a global head for every man woman and child on planet earth. And that is why the UN progression as a rival world government competitive with Christ's Kingdom will become the central issue facing all mankind and all Christians, and it must go one way, or the other, there is no fence come Armageddon, and even Christians are dodging the issue and the responsibility to warn the world of the ramifications of a complete human world government rival system. It MUST trigger the divine intervention. JWs even joined that UN system as co-promoters of it! And there is little hope any other Christian system is making the distinction, as they are for the most part UN allies since the League of Nations presentation, or as oblivious as to globalization ramifications as 99% of the world public.

Thus, by Bethel subversion the only thread of this realization in explaining the first two UN placements of 1919 and 1945, is now lost fully as they cover up the 3rd UN placement as UN NGO co-placers. And if Christians think this can just remain a non-issue indefinitely, they will soon be rudely awakened and it will go on a decade, so God will have time to define the central issue and the central recovery ministry however it may arise, it must arise and it is the final Christian mission that if it did not arrive, the 8th King would simply engulf every Christian on earth as easily as they have now devoured Jehovah's witnesses.

There is no way we can simply avoid the world government issue indefinitely. And even if it seems a "conspiracy theory", or a long ways off, all mankind will also be faced with the issue including their own national based ruling governmental elites and financial elites who must capitulate to pinnacle world government power, and that will affect every citizen under national power, as that citizenship must transfer to globalist 8th King world power. If you live deep in the rain forest or mountains, you may avoid the issue a little longer than most, but in time it is projected to come to all people. (it will be cut short prior to meeting that projection).

Although by sacrificial power Christ can save anyone he wants, even those ignorant of his existence, the more one knows of the Kingdom of Christ reality, the better it is for them to avoid wildbeast world governmental compromises. And since this goes on a decade more or less, it will not be left up to a mere man to empower what only God and Christ guarantee they will clarify to a "little scroll" final truth and world invitation and warning of impending FULL Kingdom arrival to take over planet Earth's sovereign power FOREVER. The 8th King is temporary even in his pinnacle power, and that ultimate confrontation many identify with Armageddon's meaning of resolution, will indeed arrive worldwide.

We just have to be looking for and awaiting this recovery from God, because today's Christians have no ministerial focus regarding the climax meaning of the UN progression, and ultimately making the final sheep side of the final separation, and staying clear of 666. True many can focus on the Bible, Bible truths and aiding others, BUT more will be required by those who must take part in the final second "two witnesses" Kingdom proclamation that precedes Christ's actual Rev 11 and 16 arrival, Rev19:11-21 for anointed alive at that time. And although many saved will not actually have to be in that ministry ultimately, as the "two witnesses" must have an intended world audience just finding out this truth, many will need to have the issue clearly explained to them. Avoiding 666 will in time become an attempted global application and life and death matter. They will get some, but not all. (Christ completes his own ministry as per Matt10:23 so any loose ends can be also brought in). It's a BIG salvation in the end, not everyone, but more than lost JWs are currently teaching awareness of.
And that resolution will take place on earth, so those using the heaven escape also have to face reality the Kingdom arrives HERE in time, right into the skies of planet earth, plainly shown in Matt6:10 and Rev21. That is the arrival we need to focus on while still in human flesh. Continually keeping the Kingdom a distant heavenly entity is not aiding awareness of what Rev 21 means. That Messianic Jerusalem comes down to earth, and though of spiritual nature, as per Rev 22 it's presence never ever will leave! We cannot let man's incomplete understanding of even physical reality, much less heavenly reality, cloud our understanding Christ's Kingdom will rule earth far more directly than even the demons of Genesis 6, but with restorative objectives, obviously not sin and invasions. But it must be "hands on" as well as spiritual, and why Christ has access to a human form to aid that "contact" and a perfect spirit form to aid that spiritual contact.

**The United Nations Development has Four Cycles in World History and Bible Prophecy**

To make a long story short, when the United Nations matures into world government in about 10 years, Christ arrives to dispute their claim to planet Earth. The United Nations developmental history is a 1-2-3-4 super-cycle marked by UN 1990, 3rd placement, when Bethel decided to join the UN as UN NGO. Not coincidence.

The next cycle of world storm will end (Matt24:29) into UN world government for real. At such time the King of Kings arrives to dispute their claims in open court (Dan7:26) in person. (Dan12:1), a period prior to Armageddon divine war phase (Rev19:19-21) of Rev16:13-16.

The map of the prophets, now covered up by Bethel, but given by God through Christ is as follows for the next approximate decade. (So make a copy, it will come in handy for future reference, but will become available again after Dan8:13-14 sub-cycle completes into "Sun of Righteousness"

```---

Do not lose hope, what is to begin is just the beginning, NOT the end (except for Bethel first; 1Pet4:17):

The United Nations development towards final world government has four cycles in world history and Bible prophecy as follows:

1. 1919 - Rev13:11-15 (Dan12:11 first fulfillment) as League of Nations after WW1;
   A. International Bible Students Association (IBSA) explained as prophecy;

2. 1945 - Rev17:8-11 as United Nations after WW2;
   A. Jehovah's Witnesses (JW) explained as prophecy;

3. 1990 - Daniel 11:31b as United Nations "New World Order" Initiative after WW3 (Cold War) (Dan11:29);
   A. Covered up by Bethel as UN NGO, not explained as prophecy by any religious group;

```

Page 296
A. Not currently explained by Bethel in lieu of a premature "end of the world" deception.

B. To be explained after the JW temple judgment desolation, purification and removal of lawless Bethel engineered subversion (2Thess2:1-4; Dan11:30-31; Dan8:11-13);

**World War Defines the Start of the Cycle;**

1. World war/tribulation is the pretext development "problem" to be resolved into the UN "solution" formulaically to occur four times in world history.

**Resolution Defines the End of the Cycle into a UN Manifestation and World Presentation;**

1. Three times so far in history, UN related developments have used this "formula" of world war to peace resolution to present UN development of the cycle period.

2. A fourth cycle is indicated as Daniel 11:42-45 as part of the 3rd and 4th UN presentation cycle of Daniel 11:30-45;

**Jehovah's Witnesses Expounded First 2 UN Cycles of 1919 and 1945**

1. JWs did explain the first two UN manifestations as prophecy properly from 1920s to 1960s. After UN second placement of 1945, JWs were gradually (Dan8:11-13) diverted and led into UN NGO "transgression causing desolation" (Dan8:13) by 1990, rather than explain the 3rd UN placement of that post cold war time as prophecy and significant.

2. Thus the UN 1-2-3-4 developmental cycle, and it's use of world tribulation/war phase to facilitate the post resolution UN presentation, indicating a final cycle of Daniel 11:42-45, is unknown to JWs and their world audience.

**Bethel/GB Covers Up 3rd UN Placement**

1. Bethel covers up Daniel 11:30-45 1990 marked fulfillment commencement as a cycle as a defunct USSR development;

2. Bethel fails to expose King North as 8th King in that final sequence of the 3rd and 4th UN final placements as a Daniel 11:36 required continuum.

3. Bethel instead became a UN co-promoter as UN NGO, and covers up prophecy of parallel Daniel 11:30-32a and Daniel 8:11-14 1990 culminations into UN NGO signal lawlessness.

**Bethel Sells an Engineered Hoax**

1. This purposely deceptive interpretation by Bethel advances JWs too far in Daniel 11 as Daniel 11:44 expected next. This is out of sync with actual Daniel 11:42-45 8th King developments to develop soon.

A. This is also premature in promoting an "end of the world", as even the UN world government globalization process requires a number of years to complete.
2. Since King North is kept as a fictional symbolic entity misapplied to the USSR to keep this fictional position in the prophecy, a fictional King North and a premature "attack" expectation are also deceptively retained and useful for hoax events.

3. In this way Bethel can make the required JW organizational desolation of Daniel 8:13-14 appear as the prematurely misapplied Daniel 11:44 attack as a hoax and deceptive expectation now well promoted into JWs to expect a desolation, but not the one they will think is in action.

**Final Cycle is to Begin Soon**

1. Thus as the UN fourth cycle is starting, JWs can be sold that series of commencing events as "the end of the world". But it will not be "the end", it will be the beginning of the final UN world cycle. Bethel is actually the targeted entity to remove as a basis of the Christian ministry, now "befouled" (Zech3:1-3) by Bethel defector apostates and impostors. (Dan11:41 as Luke 21:20).

**The Final Cycle is Timed Approximately**

1. A prophetic replication description and timed framework is how the final cycle and sub-phases are foretold;
   
   A. It begins with JW temple judgment as per 1Peter 4:17.

2. The JW temple desolation (Dan8:13; Rev8:2-5) and recovery is a unique signal and timed prophecy for future verification at Daniel 8:14.

   A. It has an "evening" and "morning" phase of apparently 1150 days for each phase.

3. Although the principle of temple judgment for purification purposes is also repeating, the Daniel 8:14 timed period is unique as is the desolation requirement of Daniel 8:13.

4. It activates known prophetic replications of:
   
   A. Zechariah 3:1-10;
   
   B. Malachi 3:1-5;
   
   C. Revelation 8:1-13; Desolation phase of fire purification of Rev8:1-6; (Zech3:2 "fire"; Isa6:6-8 "fire");
   
   D. Revelation 9:1-21 Recovery phase of understanding and redeployment; (Dan8:14 "morning" phase);

**Revelation 8-11 Overall Cycle Starts with JW Temple Judgment**

1. Dan8:13-14, 1Peter4:17 and Rev8:1-6 are the main parallel prophecies activating the final cycle as signal commencement.

2. Dan8:14b "right condition" of purification is Zechariah 3:1-5 and Malachi 3:1-5 cleansing parallels.

3. Zechariah 3:1-3 is temple inspection, Zechariah 3:4-5 is the purification by Zech3:2 "fire", Zechariah 3:6-7 is the recommission of Revelation 10 ultimatum, Zechariah 3:8-10 is the final "portent" of Revelation 11:1-13 meaning manifesting as the second and final "two witnesses".
The Replication of Prophecy: UN Fourth Cycle as Daniel 11:42-45 Merges into Daniel 12 Live Fulfillments

1. Daniel 12:7 timing must be in Daniel 11:42-43 initial globalization cycle shown by cross related features.

A. Thus all of Daniel 11:42-45 must merge into Daniel 12 "during that time" (Dan12:1).

2. The Revelation 11:2-3 final "death" of the "two witnesses" at Revelation 11:7 completed 1260 days cycle parallels the attack of Daniel 11:44 to aid cross-related events and timing.

A. Thus Daniel 11:42-43 overall world context of temple judgment (Rev8-9) extends from Revelation 8 to Revelation 11:1-7 as Daniel 11:44 defines Revelation 11:7 concurrent "attack" phase concluding in ministerial cessation of "two witnesses"; (A number of years after the coming JW temple desolation "trampling" of Dan8:13).

B. The "constant feature" removal of Daniel 12:11 is the result at the near end of the cycle a number of years after JW temple judgment coming up.

3. The Revelation 10 "little scroll" in Revelation 11 "two witnesses" global deployment is part of the "reports" that disturb (Dan11:44) the 8th King after Daniel 11:42-43 phase of financial globalization leads to Daniel 11:44 activation, amidst a recovered Christian ministry accurately explaining this cycle.

4. The UN 4th placement of the Daniel 11:44-45 phase is the final "disgusting thing" placement at Daniel 12:11.

A. That 4th UN placement is concurrent with final "constant feature" removal. (Dan12:11 as Rev11:7);

5. The Daniel 11:45 UN 4th placement "palatial tents" is the parallel to Revelation 11:7 "scarlet wildbeast" "abyss" ascension of a final cycle of Revelation 17:8-11, as culminated Revelation 17:12-18 meaning of 4th UN placement as full 8th King and "scarlet wildbeast" world government. (Dan11:42-45 and Rev17:12-18 culminate Rev16:12-16 final cycle climax);

A. Daniel 11:45 parallels Daniel 8:25, Daniel 12:11 and Revelation 11:7 events of the final national sovereign transference into full UN world government international sovereign power as Revelation 11:12-18 and Revelation 16:13-16 culminates.

6. Daniel 8:14 as Revelation 8 first, and Daniel 12:7 later, leading to Daniel 12:11 underlay the prophetic replication providing timing and event significance of the periods and maturation to 4th UN placement and Messianic Kingdom completion. (This also indicates "the end" is a drawn out final cycle as well.);

7. Revelation 8-11 will replicate leading to a second "two witnesses" cycle focused on JW temple judgment microcosm "earth" cleansing symbology of judgment and 4 Rev8 trumpet heralds of explanation of the judgment and purification that results in Revelation 9 recovery and ministerial redeployment.

A. The seven trumpets proceed in order.

8. Revelation 16 is the seven plague sequence of overall world events that will mark the trek to UN 4th
placement as Daniel 11:42-45 underlies these development.

A. Revelation 8 and 16 trumpets and plagues will approximately parallel in order in co-developments of the final cycle prophetic events and descriptions in this prophetic sequence.

B. Revelation 16 is the overall world developmental context (Hag2:7 final fulfillment) of Revelation 8 JW judgment focused signal developments proceeding in the temple judgment first. (1Pet4:17);

9. The purpose of temple judgment is to recover a Christian ministry cleansed and clarified to carry the final cycle meaning while it is in progress signaled by the JW temple judgment and Daniel 8:13-14 period of JW temple judgment and recovery.

The Prophetic Final Cycle has Features Defining Each Phase as a Final Sequence

1. Daniel 8:14 2300 Days - Temple judgment, desolation, purification, recovery timed by Daniel 8:14 as 2300 days;

A. That required purification leads to the 1260 days final warning;

2. Daniel 12:7 1260 Days - Final 1260 day warning of Kingdom completion phase is in the "little scroll" with all formerly covered up prophecy explained with the final cycle explanation.

A. This is the "two witnesses" second Kingdom proclamation to precede Kingdom come as Daniel 12:7 parallel with Revelation 11:2-3.

3. Daniel 12:11 1290 Days - The final "constant feature" removal and UN 4th placement concurrent will also trigger Christ arrival and eventual Armageddon final sovereign resolution of Revelation 16:12-17.

Daniel 12 Provides Timing Verifications and Period Meanings after Temple Recovery

1. Daniel 12 outlines the 1260 day final warning phase as Daniel 12:7, that starts the post temple judgment recovery culmination as a final warning ministry proclaiming Messianic Kingdom completion certainty.

2. Daniel 12:7 1260 day replication cross-relates to concurrent 1260 days significance respective to these parallels:

A. Daniel 7:25 1260 days;

B. Revelation 11:2-3 1260 days;

C. Revelation 12:6, 14 1260 days;

D. Revelation 13:5 1260 days;

The 1260 Days Leads to the Daniel 12:11 1290 Days

1. The 1260 days ends with the "tribulation of those days" approximately also ending into another world war/tribulation cycle resolved as world "peace and security" final UN 8th King "placed" sovereign proclamation for UN world government presentation marked as Matt24:29 and Matt24:30-31 following events
in those prophecies.

A. That ends into the Revelation 11:7-12 "two witnesses" symbolic death state;

B. That activates Daniel 12:11 1290 days approximately at the end of the post 1260 days, 3.5 "days" condition;

2. Thus Matthew 24:29-31 has parallels to:

A. Revelation 11:7-13;

B. Matthew 25:31-46 as Daniel 7:26 "Christ Court";

C. Revelation 6:12-18 events;

D. Revelation 14:14-20 final sheep goat separation parallels;

5. The parallel is Daniel 7:25 1260 days conclusion leading to Daniel 7:26 "court" is parallel to Daniel 12:11 1290 Days, and complete Messianic Kingdom "Court" as all 144000 of Revelation 14:1 identical climax.

6. Thus Messianic Kingdom completion of Revelation 11:8-13 and Revelation 14:1 is completing in Daniel 12:11 1290 days event marker and initial period.

A. The 4th UN placement in full world government must be approximately concurrent with this Messianic Kingdom completion.

7. Sheep and goat separation must precede final Armageddon war phase by a completed Messianic Kingdom "court".

8. God Coronates Christ King-Priest (Zech4:6-9; 6:9-15) into a full Messianic Kingdom "gathered" in the period (Matt24:29-31) of also 8th King 4th UN completion.

9. The 1290 days must lead to, in some part of that sequence or it's ending, Armageddon finality after full world judgment of sheep and goats as the precursor Christ objective; (Matt25:31-46; Rev14:14-20);

Importance of Final Cycle Proclamation to Result from JW Organizational Desolations and Temple Purification Phase

1. IBSA and JW's did define a sovereign progression of 2 United Nations placements in 1919 and 1945 as prophecy along with a Messianic Kingdom birth competitive sovereign proclamation statement at the same period of League of Nation initial placement of Revelation 13:11-15.

2. That sovereign continuum of both Messianic Kingdom and 8th King developmental periods defined in the original Daniel 12 preview period of 1914-1926 and after, is a valid Christian ministry and provides the basic initial pattern of the coming replication.

3. The foretold lawlessness diversion and apostasy of Bethel by foreign "Governing" "Body" lead as a non-biblical trespassing entity "set in opposition" to the "body" "of the Christ" signals the final cycle has
already started in the lawless signal of 2Thessalonians 2:1-4 as Daniel 11:32a parallel "apostasy" manifestation of the 1990 culminating Daniel 11:30b-31 Bethel defection, subversion and UN co-promotions aiding the UN 3rd placement and it's concealment as a UN 1-2-3-4 continuum concluding in Daniel 11:30-45 continuation. (Dan11:36 required continuum);

A. The UN NGO parallel of Daniel 8:11-14 subversion and the UN NGO key "transgression causing desolation" (Dan8:13) as climax of this foretold apostasy parallels actual 1990 defining events of Daniel 11:30-32a performed at Bethel. (2Thess:2:3-4);

4. Thus that modern final cycle "man of lawlessness" centered at Bethel in the Governing Body of Jehovah's Witnesses (and their network) must be removed as the Zechariah 3:1-3 parallel modern "befoulers" and subverters of this ministry marked as 1990 UN NGO events in a foretold final temple judgment and purification phase.

5. Development of the 1976 Governing Body system of override and self lifted coup defining initial 2Thessalonians 2:3-4 manifestations is the pre-positioned lawless control center that gradually guided the rest of the subversion process (Dan8:12; Dan11:31a) and their Bethel final United Nation dedication, endorsements and co-promotions as the Bethel UN NGO of 1990, just fifteen years later.

A. The temple judgment will parallel the coup-de-grace Governing Body activity as they assist 8th King planners in attempted full desolation of the Bethel JW organizational ministry by finance and organizational desolation in context of the Daniel 8:13 "trampling" phase permitted by God to also judge the temple and provide a temple purification context of Daniel 8:14b.

B. The UN NGO is the root "transgression causing desolation" of Daniel 8:13 to cause this judgment requirement.

6. The post temple judgment desolation removal of the Bethel core "lawless one" (2Thess:2:8; Zech3:4-5; Isa66:6), will allow a reconnection of the original JW Christian ministry in the first 2 UN placement notification as to significance as prophecy and world events soon clarified to continue into the 3rd and 4th UN placement events of Daniel 11:30-45 explained properly while that fourth UN cycle is in action.

A. Thus that cleansed and restored ministry (Rev8-9) updated \valid information will be the "little scroll" basis of the Revelation 10-11 final Kingdom proclamation to result from this temple action. (with enough time to be announced as well);

7. The temple judgment thus activates in well seen ways the reality the final cycle will have begun and must proceed into the maturation of the co-developments to manifest over a number of years leading to UN 4th placement manifestation as world government as the Messianic Kingdom sovereignty also completes concurrently as both head for the full Armageddon final resolution of the sovereign issue and final foretold conflict (Armageddon) of earth's rulership totality.

The Bethel Governing Body Apostate Developments

1. The UN NGO is the modern pattern replication of Christendom's cleric council endorsement of the 1919 League of Nations similar endorsement and diversion of the Revelation 13:11-15 fulfillment manifestation of that first United Nations related development fulfilling key prophecy.
2. Like 1919 and Christendom's UN endorsement concurrent with a UN first manifestation, the Bethel Governing Body endorsement also manifested with a UN related prophetic manifestation subsequently subverted from JW and world attention as the actual fulfillment of Daniel 11:31b in 1990 UN and Bethel UN NGO co-related placement events as "they" certainly did place the disgusting thing in the world system in 1990 and subsequently at Bethel as 1991-2001 UN NGO development.

3. Thus the prophetic diversion of the Bethel modern "man of lawlessness" parallel now "in the temple" accompanies also a massive stumbling and misinformation campaign based on various other lawless Bethel policies designed to discredit the original IBSA and JW ministries of the 1914-1950 period of valid ministerial exposition.

4. Thus the 2Thessalonians 2:1-4 feature of both the apostasy development and the "man of lawlessness" organized lead of the apostasy is present in dual development and manifestations easily seen now in many other Bethel developments designed to stumble millions of people and discredit and distract from former prophetic revelations previously properly expounded by JWs.

Key Hoaxes

1. The use of Daniel 11:44 as a premature context of an "attack" to be used to cover up actual temple judgment desolation events is supported by other Governing Body promoted error; (2Thess2:11-12).

A. The judgment actually begins upon JWs as per 1Peter4:17 requirement; (parallel Dan8:13-14; Rev8:1-6);

2. The GB promotes the deception that Babylon the Great attack scenario is to develop next as a deceptive hoax to further divert awareness of actual events activating.

A. Final cycle Revelation 16:12-16 and Revelation 17:12-18 sovereign deposition of national sovereignty into 8th King sovereign totality and final globalization "gathering" culminating places BTG at the end of the cycle, not it's beginning in those parallel sequences;

B. This is certain as per the prophecy once we know of the prophetic replication that is activating in very literal form to develop in this final prophetic and 8th King UN cycle.

C. This replication is also concealed or unknown to Bethel subverts.

3. A tribulation will indeed develop as context of previously described UN final presentation use of that tribulatory period to be resolved into 4th UN placement as before.

A. Contrary to Bethel selling the "tribulation of those days" as an end all "great tribulation" terminal progression into Armageddon prematurely and in error, that tribulation must end as per Matthew 24:29;

4. That tribulatory period coming soon must resolve into a final and 4th placement UN proclaimed world "peace and security" sovereign statement period of global national unification as a parallel marked "freedom from care" period of 1Thessalonians5:1-3 and Daniel 8:25 respectively co-developing concurrently near the end of the cycle.

A. That 8th King UN final sovereign proclamation is the worldwide rulership rival claim that God, Christ and full Kingdom powers will dispute on earth to final resolution of planetary sovereign world rulership; (Rev5:10); (Forever, permanently, final);
Reality

1. Thus the overall Bethel hoax and decoy agenda is revealed by the cross related features affirming the final cycle of prophetic replication disproving Bethel contradictions by Biblical certainties, and indicating a final drawn out cycle (Dan11:42-45) must develop to climax over some years, not the Bethel deceptively promoted instant "end of the world" promoted to confuse JWs in that final cycle commencement period.

2. The Bethel subversion objective is to undermine the global JW corporate organizational ministerial basis at the start of the final cycle, thus leaving JWs bewildered in the Daniel 8:13-14 period of temple desolation ("evening") to be Bethel misrepresented by misapplied, premature and deceptive interpretational hoax retained in Daniel 11:44, and elsewhere, to aid an overall great deception as a diversion upon JWs currently misled and deceived by Bethel's "man of lawlessness" subversion center. (2Cor11:13-15; 2Thess2:3; Zech3:1-3);

A. The Bethel revealed "lawless one" is attempting to subvert 4th UN placement prophetic information as they did 3rd UN placement in their continuing UN services until expulsion of 2Thessalonians 2:8.

3. Thus JW temple desolation as the first marked signal event of 1150 days (Dan8:14 "evening"), will be followed by the JW ministerial recovery as the second verifiable event apparently of an additional 1150 days (Dan8:14 "morning"), that must develop into a final Kingdom proclamation ministerial clarification (Rev10-11) as a final world warning, as a final 1260 day event, at a for now unknown commencement point as the third verifiable event to lead into the fourth event in this final sequence: the final UN manifestation as the fourth cycle UN 8th King "scarlet wild beast" world government development that will coincide shortly into a Messianic Kingdom and Christ prelude manifestation for a 1290 day eventual duration of concluding world judgment and Armageddon events.

FLEE! - You Can Now Safely Leave the JW Org! (Matthew 24:15)

In fact it is recommended, and it may not be so easy to leave later.

(Matthew 24:15-16) “Therefore, when you catch sight of the disgusting thing that causes desolation (UN NGO), as spoken of through Daniel the prophet, standing in a holy place, (let the reader use discernment,) 16 then let those in Judea begin fleeing to the mountains.

Since in modern form the "disgusting thing" is the UN NGO, it may be a good time to drop out of the JW org and there is more reason to do so before the coming national financial implosions and intrigues begin the final globalization cycle. (One does not want to get caught in the JW org spider web being set-up as per WT 11/15/13 pg. 20, par. 17, #3 statement).

And that final 8th King globalization cycle culminates in a world globalized financial system first; (Dan11:42-43). Then world government a few years later; (Dan11:44-45);

And that takes a number of years and in time leads to full national sovereign transfer into an actual 8th King world government super-sovereignty; (Rev17:12-18). 8th King globalization is the final form of Revelation 16:13-16 national "gathering", and takes a final cycle and a few years of events and prophecy fulfilling to complete. (This is also why Bethel covers up the ultimate meaning of all these critical prophecies needing to be understood).
Now it is not just prophecy, but world understanding of the globalization process that affirms it cannot "end any day now brothers!", because a full 8th King world government beyond the UN schematic must precede the end, and a full 8th King world government takes a final cycle of globalization to complete over some years, all fully described in prophecy.

The Bethel Self Fulfilling Prophecy

Which leads us to far more sinister developments now engineered and retained in JW theology that can use "end of the world" thinking in JWs and misapplied Bethel prophecy to actually assist the desolation of Bethel which is the entity that can "end any day now brothers!".

Misapplied Prophecy Out of Sync with Globalization Process

The 8th King is King North from Daniel 11:27-45, not Nazi Germany or the USSR errors with purpose, described below.

Since Daniel 11:42-43 is a globalized 8th King "ruler of the gold", that is what multi-trillions in national debts will lead to, as Daniel 11:42-43 must fulfill next.

JWs think that is the bankrupt and non-existent USSR, so 8th King King North activity of Daniel 11:30-45 is covered up by Bethel to aid this "theology" of cover up to be described next.

1. That deception encourages JWs to "expect Daniel 11:44 to fulfill next brothers!"

A. And that allows a fictional "King North" attacker to be applied by Bethel, AND the opportunity to present Daniel 11:42-43 national financial collapse events beginning the process, as misapplied Daniel 11:44-45 supposedly ending the process. But that is all out of sync with globalization and prophetic reality. The USSR retained King North fiction and error allows this positioning. [1]

B. Thus the desolation of Daniel 8:13 temple judgment "trampling" for UN NGO "transgression causing desolation" that must and will come soon to the JW organization, can then be made to appear as something totally different, premature, and out of sync with global and prophetic reality.

2. In those drawn out developments of Dan11:42-43 actually activating, as context of Bethel's desolation of Dan8:13-14, is the opportunity now for another diversionary covered up in the already JW pre-programmed deception "the attack on Babylon the Great has begun brothers!". That hoax can then be applied to what will actually be an attack on Bethel's corporations and finances as the judgment begins with JWs, not BTG. (1Pet4:17);

3. And that covers up the actual source of the whole operation centered at Bethel.

JW Engineered False Expectation

1. And in all that the "end of the world" JW mental preoccupation will allow the Bethel financial and organizational desolation to be undertaken with internal Bethel aid (2Thess2:3-4), and JWs will think it is all something else entirely, and actually aid the final two to three year process as the Bethel org directs JWs to wherever they want to direct them globally in this period of time in national engineered collapse of finances globally (and maybe other accelerants like war or terror or natural disaster). (WT 11/15/13 pg. 20, par. 17,
8th King United Nations World Government Final Cycle - Final Prophetic Replication and Milestones

statement #3)

A. That couple to three years (Dan8:14; Hos6:1-3; Isa37:30-32) will be the "evening" darkness phase of the Daniel 8:13-14 temple desolation requirement for purifications by "fire"; (Zech3:2; Mal3:1-4; Rev8:1-6; Isa6:6-8);

2. Thus Bethel engineered theology is aiding the desolation operations upon Bethel with handy cover up believed now by millions of JWs, the end will not come as expected by JWs, and JWs will be left bewildered and scattered as Bethel's implosion is completed.

3. And instead the Daniel 11:42-45 final progression to UN world government is what will actually be in progress and just beginning in the Bethel desolation, not ending for some years - and must lead to a purified JW ministry to announce the Kingdom Messianic completion this Rev8-11 cycle prophetic replication of Daniel 12 is actually leading to as Daniel 11:42-45 MUST arrive live and real-time to Daniel 12 for final fulfillment "during that time".

The Total World Judgment “The Judgment’ Begins With Jehovah’s Witnesses

DETAILED PROOF

In fact that fleeing "Jerusalem" (Matt24:15) will have literal benefits:

WT quote (WT 11/15/2013, pg. 20, par. 17, #3):

““Elders who are reading this article can draw some useful conclusions from the account we have just considered:…

[And sandwiched into the admonishment:]
At that time, the lifesaving direction that we receive from Jehovah's organization may not appear practical from a human standpoint. All of us must be ready to obey any instructions we may receive, whether these appear sound from a strategic or human standpoint or not.

Obviously Bethel is planning to use the org, to herd JWs to capture.

"At that time" the JW org will become an 8th King spider web. No wonder Christ says to FLEE NOW from Jerusalem. (Matt24:15) with UN NGO "disgusting thing" discernment of Daniel 11:31b.

Obviously "at that time" that the inner Bethel "lawless one" is manifesting the foretold betrayal of Zechariah 11, as "son of destruction" (2Thess2:3b) as both Zech 11 and 13 have direct prophecies concerning Judas Iscariot as original "son of destruction" and that first "let the sheep be scattered" (Zech13:7) of the "flock mean for the killing" (Zech11), the betrayal of JWs is set up already in organizational trust and a global logistic system to use that trust for the wrong purposes to trap JWs "at that time". In fact at no time in the Bible is trust ever directed to humans, only God and Christ.

Now we plainly see that a UN aligned lawless element (Matt24:15) is "in the temple" NOW, already indicating a final cycle of temple judgment is what 2Thess2:3 is prerequisite for indicating 1Pet4:17 next. So many JWs and others have recognized the lawlessness, but are not connecting it to the prophecy replicating for a final cycle.

Since the cycle uses early anointed insight provided by God through Christ (1914-1960 or so) with first complete Revelation understanding in initial fulfillment (Rev1:1; complete by 1969), the effects of the "lawless one" operating in progressive manner from Bethel to today's total deformation of Christian truth is to also make Christians, anointed Christians and others completely doubt all JW truth from IBSA root reformation foretold as Rev8-11 that fulfilled from 1914 in a non-sequential manifestation of the "two witnesses" starting the cycle with the 7th trumpet foregleam preview.

They want to undermine the Daniel 12 1914-1926 cycles as a basis of actual temple and Kingdom truth. And their lawlessness well known (2Pet2:1-3) aids the stumbling process of Dan11:32-35.

A GB lawless control even manifested in the first 1976 Bethel power seizure and initial "lifting themselves
over everyone" at Bethel from that period, in a "body" that is NOT of Biblical origin or mandate (but secular and of worldly corporate origination: "board of directors"), but rationalized into Acts 15:1-33 from the JW past, to accommodate an additional "body" that of course being error and contrivance of man, is naturally "set in opposition" to the one and only Biblically described and actual anointed "body of the Christ".

The apostles as first members of the "body of the Christ" did NOT answer to any "Governing Body", ONLY to God through Christ, PERIOD. There is no such thing as a Jerusalem "Governing Body", it is invented, super-imposed, and reinforced by human reasoning, not Biblically termed, and NEVER directly mentioned or described in the Bible or at Rev2-3, or at Acts 15:1-33. It is a LIE, plain and simple, no such "extra" "body" was EVER inspired by God. It is a blasphemy permitted by God for final 2Thess2:1-4 lawless signal development to mark temple judgment as able to proceed after any time the "apostasy" AND the "man of lawlessness" are TOGETHER "IN the temple" in terminal "sit down" and "lifting themselves over everyone" reaffirmed in latest form as the GB =FDS total blasphemy of self approval of a divinely non-existent body. The only "body" they are is as "evil slave" and "lawless one" "set in opposition" to God, Christ and the "body of the Christ".

They are the foretold abomination "in the temple" actually owning it's ministry as the JW organizational ministerial means they are running and polluting with UN and other wormwood; (Rev8:10-11).

The entire GB concept as applied to Christian leadership as some divine approved body is itself the God permitted lie that actually, instead, originates the JW apostate condition of today (Dan11:32a; 2Thess2:3), with a dubious history of self-appointment by way of a Bethel coup that by the early 1980s also became a self protecting inquisition to seal the GB corruption central "body" from any external removal from within the temple arrangement. The entire idea of a dictatorial neo-papal, add-on body as JW "lords of the faith" has been slowly and gradually cultured into JWs for now 37 years. And the Dan8:11-14 and Dan11:30-32 effects of that compromise are manifest 15 years after the 1976 "lift up" as now UN NGO.

A BIG RED FLAG of lawlessness!!!!

And with that UN NGO of the 3rd UN manifestation in human history (1990), JWs were misled to promote the UN, but did not explain the UN placement after the cold war (Dan11:29) in 1990 , was in fact prophecy as God foretells all 4 UN placements, 1-2-3-4, leading to Armageddon, thus very important to understand as a 1-2-3-4 foretold UN progression to full 8th King power at Daniel 11:45.

And the 3rd (Dan11:31b) and 4th (Dan11:45) UN placements are in a required continuum (Dan11:36) of "success until the denunciation is finished" at Armageddon at Daniel 11:45 as Daniel 11:30-45 is all 8th King as King North in 3rd and 4th UN foretold placements, and JWs by Bethel subversion of Dan8:12, also cover up these critical meanings and Daniel 8 and 11 understandings.

Bethel is CONCEALING King North's true 8th King identity in Daniel 11:27-45 cycle of 8th King completion. Bethel is CONCEALING the 1-2-3-4 UN placement continuum fully foretold as such in prophecy.

Of course the UN NGO is the JW transgression of treason at a historic JW magnitude with also diversion of truth, that marks Daniel 8:13 "transgression causing desolation". And of course like Israel and Baal worship, God will give JWs to the 8th King the system has served (Dan8:13 indictment), for a marked cycle of desolation as Daniel 8:14 "evening". In light of the 1976 lift up of the GB made possible by the 8th King "consideration of those leaving the holy covenant" (Dan11:30b-31a), and "arms" that came into Bethel as subversion agents (Luke21:20 parallel to Matt24:15), as "THEY will certainly place the disgusting thing" of
that 3rd UN placement of 1990, Bethel was a world known UN NGO co-placers and co-promoters (Awake! 9/8/1991) as 8th King colluding allies fulfilling elements in Daniel 8:11-13 and Daniel 11:30-32 in far more striking and direct ways than the USSR and WW2 fictions of the "Daniel's Prophecy" book.

That book merely carried over and smoothed out fictions from Fred Franz' time that he could not update in light of the USSR failure Fred Franz was not allowed to comment on as per GB dictatorial override, the fact a USSR failure also fails this prophetic requirement of CONTINUAL success in Daniel 11:30-45 developments of 8th King progressive power, could NOT be made known to JWs since 1990:

(Daniel 11:36) And he will certainly prove successful until [the] denunciation will have come to a finish;

Thus the USSR is not successful from 3rd to 4th UN placements, but the 8th King is, and in Daniel 11:30-31 it is obvious the 8th King "gives consideration" to holy covenant members at Bethel who are the only ones in holy covenant after the 1918-1922 first judgment cycle, and are the only ones who can also then defect, as Christendom was disqualified years prior. The 8th King can only be considering JW anointed at Bethel in 1990, or even in the 1940s erred fictional account. [1]

And thus the USSR can not be "on hold" at Daniel 11:44, as JWs are misled to believe as a "mystery" "King North" is expected to arise, yet the 8th King has stood up in 1990 at Daniel 11:31b, merely covered up by UN NGO Bethel related operations to cover the prophecy for their UN partners. (Daniel 11:41 is the Bethel subversion "invasion" marking Luke 21:20 conditions at Bethel, by Matt24:15 UN NGO)

And in no way is a bankrupted USSR also a globalized "King of the Gold":

(Daniel 11:42-43) And he will keep thrusting out his hand against the lands; and as regards the land of Egypt (national powers), SHE (made subservient King South) will not prove to be an escapee. 43 And he (8th King) will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of (national worldwide domain) Egypt.

That above 8th King prophecy is what MUST develop next, not Daniel 11:44. It is a world financial globalization into 8th King control. And it's setup is obvious in world news and world financial debt developments, the enormous national debts worldwide will help facilitate the financial globalization process of Daniel 11:42-43 into 8th King power as a ruler of the basis of worldwide wealth as symbolized by "the silver and the gold", and through a massive receivership will come into ultimate possession of "all the desirable things" of national collective "King South" "Egypt".

That is as a collective of all national powers becoming subservient and pawned, not destroyed, by King North 8th King final world globalization processes that aid the Rev17:12-18 sovereign transfer of national sovereignty into 8th King ultimate "scarlet wildbeast" globalized power beyond, but including, the scope and function of the UN. Control of national wealth and assets in Dan11:42-43 aids 8th King actual world government development, and that takes a few years over the whole Daniel 11:42-45 cycle to manifest in the future.

========

But JWs?
JWs are now expecting an attack scenario at Daniel 11:44 to develop next. And by that connection of Daniel 11:44-45 expectation to develop next, JWs are also expecting a premature "end of the world" process to begin with prematurely applied Daniel 11:44.

What is ACTUALLY to be happening NEXT will be world intrigues activating Daniel 11:42-43, but JWs will be misled to think it is a phony "King North", and Daniel 11:44 applied prematurely and out of sync with the 8th King world globalization process - and most importantly OUT OF SYNC with Daniel 11:42-43 actual prophecy activating.

Thus the "trampling" desolation of Daniel 8:13 for UN NGO "transgression causing desolation" which will actually be activating in the Daniel 11:42-43 cycle:

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?" Will be sold off to JWs as Daniel 11:44 "attack". Thus the process that leads to temple purification by desolation "fire" (Zech3:2; Rev8:2-5; Isa6:6-8):

(Daniel 8:14) 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition."

Will be made to appear as "the end of the world brothers!" to JWs by use of the advanced Daniel 11:44 set-up error of misapplied prophecy. And a cycle that must go on for "2300 evenings and mornings" in two phases of "evening" and "morning" (Dan8:14, 26), will be unknown to JWs. And so will the fact Dan8:13-14 activates final fulfillment Rev8 as JW "earth" judgment parallel to temple judgment and leads to a final 1260 days as 2520 days total "two witnesses" witnessing (Rev11:3) and total "seven times" as 2520 days "holy city" "trampling" as per Rev11:2, 7 replicating. All as Rev8-11 is actually what is activating WITH Dan11:42-43.

Thus JWs will be in total error as to what is REALLY activating a final 8th King globalization cycle of Daniel 11:42-45!!!

So this deceptive "end" JWs are awaiting is actually the beginning of the temple purification cycle (Dan8:14), and a truth clarification (Rev10 clean "little scroll") for a final world Kingdom completion phase ministry (Rev11:2-3), that results from Rev 8-9 ministerial recovery from the temple desolation abyss that this total confusion and scattering to befall JWs will land JWs into, to put on the "sackcloth" of Rev 11, for a ministry God plainly states must occur a final time, must repeat, must deploy again...:

(Revelation 10:11) And they say to me: "You MUST prophesy AGAIN with regard to peoples and nations and tongues and many kings."

... to warn of Kingdom completion certainty that Rev8-11 leads to this time in sequence of 7 trumpets in order. And Daniel 12, were Daniel 11:42-45 is leading to "during that time" of Daniel 11:42-45, MUST also replicate the Daniel 12 timed periods of 1260 days, 1290 days and 1335 days.

Well are JWs expecting a ministry in the 8th King face also forming to completion of 8th Kingdom, in the height of a worldwide tribulation (that eventually ends; Matt24:29), for a final 1260 days of FINAL divinely
REQUIRED witnessing?

No, JWs think it is all over as Daniel 11:44-45, in error, when in fact it is all JUST BEGINNING the final replication of Dan12 and Rev8-11 (and Rev15-16 a world context developments as Dan11:42-45), and this will test the resolve of true Christians to carry this "little scroll" eventually fully clarified ministry into final mission in a world limited tribulation (Matt24:29), as Zech3:6-7 divine ultimatum to anointed Christians parallels re-commission of Rev10, and Zech 3:8 to Zech4:1-9 parallels "two witnesses" world portent final warning announcement of guaranteed Kingdom and temple completion; (Zech4:6-9).

And that is why the "man of lawlessness" is currently "in the temple" arrangement to mislead JWs and to set up JWs with what is now known as Daniel 11:44 premature fictions based on USSR error that covers up actual 8th King King North activity from Daniel 11:30-45.

And by that Bethel engineered deception, JWS WILL BE TOTALLY LOST AND SCATTERED WITH NO PROPHETIC COMPASS OR TRUTH!!

[1]

Temple Judgment Background – Governing Body Covers Up “King of the North” Actual 8th King Meaning

USSR Fails, Also Fails as King North, as UN Third Placement of 1990 Assumes King North Identity as 8th King!
http://templelijah.wordpress.com/more-man-of-lawlessness/extra-extra-read-all-about-it-ussr-fails-also-fails-as

And now some anointed Christian witnesses out of Jerusalem, out of the "befouled" Bethel organization, as commanded for UN NGO "disgusting thing standing were it ought not" (Matt24:15; Luke21:20), are now getting wised up by God through Christ of the true evil that is operating at Bethel. (Zech3:1-3; 2Thess2:1-4) The Bethel "lawless one" intends to use a Daniel 11:44 prematurely misapplied prophecy out of sync, to use an 8th King world intrigue and engineered attack phase to lead to UN 4th placement over some years as Dan11:42-45, to cover up the JW temple desolation of Dan8:13. Eventually as Dan8:14 "evening" ends as per Hos6:1-3; Isa37:30-32, they are kicked out of the temple by God and Christ as per 2Thess2:8, Mal3:1-5, Zech3:1-7, Rev8.

BUT JWs will have a period of intense darkness.

BUT in the process they will desolate the JW organization and leave JWs scattered and bewildered for at least a couple years, leading to 3 years as Dan8:14 evening requirement (Hos6:1-3), as the polluted constant feature will also come to an end, temporarily. (as per Dan8:11-14; 11:31a; culminations). The JW org is going down, and as it goes down they want to drag as many JWs down as well as per that (WT 11/15/2013, pg. 20, par. 17, #3) WT statement all primed and ready to herd JWs in "disgusting thing” Jerusalem to wherever the 8th King wants - by use of the JW organizational management system!!, as this final cycle truly activates, for that initial "evening" period of Dan8:13-14 desolations on the JW org, for UN NGO "transgression causing desolation".

And the UN NGO is the core transgression that permits this desolation actually required by God as per Daniel 8:13-14 judgment indictment for the temple purification process to "right condition" of anointed Christian purity in Daniel 8:14. (parallel Zech3:4-5) And all those critical key prophecies of Daniel 11:30-31 and Daniel 8:12-13 parallels culminating in 1990 UN NGO, are the core Bethel cover up, diverted and subverted prophecies that foretell their criminal 8th King collusion WHILE it is fulfilling, they are covering it all up with
Thus Bethel is diverting attention away from the very prophecies (Dan8:11-13; 11:30-31) that describe actual FORETOLD and self-incriminating Bethel lawless activity:

1. it's 8th King origination, (Dan11:30b, 31a);

2. it's Christian defection and apostasy, it's "gradually given over" subversion (Dan8:12), even it's cover up (Dan8:12b);

3. it's infiltration of "arms that stand up" (Dan11:30-31a);

4. and it's 3rd UN placement relationship to that diversion and the UN NGO Bethel 8th King collusion operation (Dan11:31b 8:13);

...And it is ALL beyond Bethel denial, and this CANNOT be applied to WW2 and the USSR, no way no how, it is ALL Bethel wildbeast worship in brilliant masterful deception of demonic proportions as per Zech3:1, 2Thess2:9, 2Cor11:13-15 made plain as day eventually, from 1990 lawless developments in UN collusion and cover up.

And that is why it is too big to see, hidden in plain sight, and JWs do not want to believe their Bethel "super fine apostles" are actually wildbeast high priests.

But that is exactly what the GB is, as good as Satan and the demons sitting in the Governing Body [2], and sowing masterfully deceptive evidence of operation intending to also trap as many JWs as possible in the Dan8:14 "evening" total JW darkness period of the Rev9 abyss plunge of temple desolation parallel.

[2]

Malachi's Prophecy – Temple Judgment and Christ's Temple Presence

Thus in God's original Genius, a replication of prophecy even now starting as the "lawless one" is initially revealed at Bethel (2Thess2:1-12), that leads to JW judgment first not BTG (1Pet4:17), that activates Rev8 (as Dan8:13-14 as Rev8:1-6) as JW temple judgment parallel and on to Rev 9 temple desolation and King Christ "Destroyer" (Rev9:11) recovery, and into Dan8:14 "morning" of that post "evening" recovery to purified "right condition" - temple purification of Zech3:4-5 and Mal3:1-5 parallel precursor to the final cycle of Rev10-11.

Thus if JWs did not have a foundation Daniel 12 truth in an initial fulfillment to base the replicating final fulfillment upon, as Dan11:42-45 must lead to Daniel 12 "during that time", and the "holy city" MUST be "trampled" a full "seven times" as 1260 days of 1914-1918 and 1260 days of the future, as Kingdom birth and Kingdom maturation GUARANTEED proclamation prophecies, JWs would be lost. Many JWs would try to invent a totally new religion (even now Bethel is doing such a thing), but in fact this is NOT a interpretation, this is a simple recognition Daniel 12 and Rev8-11 which Dan 12:7 links to in Rev11:2-3, MUST repeat for 2520 days as 1260 days "two witnesses" TWICE, TWO witnessings of Kingdom certainty.

The awareness is Rev8-11 and Dan12 REPEAT, they MUST replicate by live, literal, and final fulfillment as
the 8th King AND Messianic Kingdom are BOTH completing CONCURRENTLY to foretold Armageddon climax!!!

The only interpretational update is the real 8th King activity of Daniel 8 and 11 currently diverted since 1990 as Bethel went UN NGO and 8th King concealers as King North instead, NOT the USSR fictions. From that 1990 UN fornication of Bethel by purposeful UN NGO policy, we see the real worst manifestation of the fact the GB is the "body" not of Christ, but of the "man of lawlessness" and Bethel "evil slave" revealed by God as per prophecy prior to the temple judgment final cycle that leads over timed prophecy of Dan8:14 and Rev11:2-3 (Dan12:7) to Christ's initial manifestation of Matt24:29-31 (Rev6:12-17) as the Daniel 12:7, Rev11:2-3 1260 days ends into symbolic 3.5 days of "two witnesses" killed state of Rev 11:7 at Dan11:44 actual 8th King future attack well after the temple judgment.

It ALL must repeat to ultimate climax and completions. AND God is going to warn the world a FINAL time as 1260 days finality of the Christian anointed ministry.

And Daniel 12:11 in final fulfillment replication, shows that is at the 4th UN placement and "two witnesses" concurrent final removal of a then "little scroll" true "constant feature" as Christ heads into the 1290 days in Kingdom completing power, to secure the final sheep first in the process as Matt25:31-46 parallels Rev14:14-20 after Rev14:1 shows, in final fulfillment all 144000 on Zion with the "lamb STANDING" in Kingdom Messianic full power, but not in complete extermination of the 8th King yet, but in "harvest of the earth" final sheep gathering that first completes the 144000 (1Thess4:17; Zech12:6-9), then secures all the earth sheep (Zech2:5), as only earth sheep are left in Matt25:31-46 as Christ's "throne" is symbolized in 144000 completion and his final King-Priest coronation (Zech6:9-15) upon a complete Kingdom and priesthood, as Christ as head stone (Zech4:6-9) MUST cap, king, a COMPLETE temple arrangement of all 144000 "pillars" upon his also cornerstone foundation, as Christ starts and completes the temple, as GOD must "set" Christ as King Stone (King-Priest ultimate crowning; Zech6:9-15), the Christ final temple "stone", the one in Zech3:8-9 that the "two witnesses" in effect, have "set before them".

(Zechariah 3:8-9) “Hear, please, O Joshua the high priest, you and your companions who are sitting before you, for they are men [serving] as portents; for here I am bringing in my servant Sprout! 9 For, look! the stone that I have put before Joshua! Upon the one stone there are seven eyes. Here I am engraving its engraving, ‘is the utterance of Jehovah of armies,’ and I will take away the error of that land in one day.’

Which is this Head Stone Christ:

(Zechariah 4:6-9) Accordingly he answered and said to me: “This is the word of Jehovah to Zerubbabel, saying, “‘Not by a military force, nor by power, but by my spirit,’ Jehovah of armies has said. 7 Who are you, O great mountain? Before Zerubbabel [you will become] a level land. And he will certainly bring forth the headstone. There will be shoutings to it: “How charming! How charming!”’” (two witnessings) 8 And the word of Jehovah continued to occur to me, saying: 9“‘The very hands of Zerubbabel have laid the foundation of this house, and his own hands will finish [it].

Which is temple completion, which is Messianic Kingdom completion, which is the point of the final ministry proclamation, the guaranteed Kingdom and temple completions of Rev11:7-19, and Rev16:17-19 in 7th trumpet and 7th plague finality. (Rev10:6-7).

Now obviously the Bethel system of "the truth" is now the 2Thess2:1-12 "the lie" (partial, but severe, Rev8:10-11), and they are not actually Christian much less anointed, and they are now a good 30 years behind
prophetic reality, and they purposely make JWs ignorant of the 8th King globalization cycle that must take several more years to actually become a full fleged world government, actual 8th King rulership. And that final cycle, temple judgment, and so on, Bethel is covering up.

It is not "the end" coming up, it is the BEGINNING of the final prophetic cycle, and the beginning of the final 8th King globalization cycle, which globalization is the basis of Rev16:13-16 "gathering" power in all former national "power and authority" as mainly finance, governmental power and military power as globalizations into 8th King super-sovereignty as per Rev17:12-18 culminations paralleling Rev16:121-6 6th plague near final events of this process a number of years from now.

(And as you see in Rev16:12 "Euphrates" reference to BTG, and Rev17:15-18, Babylon the Great is present until the end of the final fulfillment cycle, and as per Rev14 sequence, goes down officially as Rev16:17-19 judgment after 144000 completion, and may likely be leading into it as 8th King attacks of Dan8:25 and 11:45 parallel Rev11:7. as Rev 17:15-16);

Thus the "attack will start with Babylon the Great" is another Bethel misleading error, the attack starts with JW "house" as Dan8:13 "trampling" coming up, is 1Pet4:17 final cycle activation, as Rev8 parallel to temple judgment in final form to purify the truth and priesthood; (Zech3:4-5).

At present, JWs are now totally off course, and way way behind actual prophetic understanding, and when the 8th King and GB "man of lawlessness" toss JWs in "abyss" of organizational destruction in Rev8-9 progression, JWs will be scattered, as per Zech13:7 "sword" is from the "son of destruction" aid to 8th King attackers as a team effort, present also as UN NGO from 1991 as foretold. (But God will and Christ will covertly end that 8th King spree beyond the temple judgment decree of Dan8:14 "evening" as per Hos1:4-7; Isa31:8-9, Mic5:6-7, Isa36-38 - and in that "morning" of Dan8:14, 26, the JW recovery of Rev9 will begin. And it appears it is timed as well, for 3.194 years of "morning" recovery, as was the "evening" also the first half of the 2300 "evenings and mornings" of Dan8:14, 26.

And that MUST lead to the final 1260 days of the final warning, and that is why God and Christ MUST open a recovery period and delay the 8th King operations against temple and JWs until Rev11:7 permitted final "trampling".

So a whole lot of development in spiritual and 8th King world dimensions is yet to unfold. And any anointed can ask God through Christ directly by prayer and request, and they will indicate this is true. (Dan8:26). JWs will have no time to invent a new wheel, and no time to haggle another 20 years over prophecy God will DIRECTLY hand to them, as in the "little scroll" principle. JWs are in HOT WATER and very real danger, but it's outcome is all foretold by God.

===

Thanks, also God bless you, and keep the oil burning and supplied by request to God for holy spirit through Christ. It IS all coming to a head soon, and the temple judgment activation of JWs mostly as a "thief in the night", the "night" of Matt25:1-13 final fulfillment activation soon.

The Governing Body Claims "Apostolic Succession" - Watchtower 7/15/13

The Governing Body now makes the claim to an "Apostolic succession" similar to their Catholic papal "man of lawlessness" father as they follow in his footsteps as modern "man of lawlessness" "in the temple" revealed prior to Jehovah's witnesses temple judgment [1]:

"""The channel he used for spiritual feeding was clearly recognizable. After all, the apostles—the original members of the governing body—could provide visible proof of heavenly backing."

(WT 7/15/13 pg. 18, par. 12)
The apostles were the original members of the "body of the Christ" - NOT a "governing body". The apostles and the older men were described as the "apostles and the older men", NOT as a "governing body". And there is a reason why they were distinctly separated in this way, so as to NOT form another body, that in time would be "set in opposition" by it's very existence to the one and only divinely approved and anointed and appointed "body of the Christ".

The "governing body" was super-imposed and reasoned into the Bible, does not actually exist, and is by it's own self-appointed existence "set in opposition" to the "body of the Christ" as a competitor, thus opposed to Christ, thus opposed to God. That fraud "body" will be destroyed as a blasphemy of fiction, in front of JWs faces in the coming temple judgment cycle of Daniel 8:13-14 after they culminate the "evening" of the "son of destruction" period of that judgment as betrayers, in UN 8th King service as they have been from incept, to have positioned for the 1990 UN NGO (Dan11:30b-31).

2Thessalonians 2:8 "lawless one" removal is Zechariah 3:3-5 and Mal3:1-4 parallel temple cleansing for the final cycle, that the modern "man of lawlessness" at Bethel is already replicating in lawless "operation of error" at Bethel.

(2 Thessalonians 2:8) Then, indeed, the lawless one will be revealed, whom the Lord Jesus will do away with by the spirit of his mouth and bring to nothing by the manifestation of his presence.

And thus the Watchtower of July 15, 2013 basically attempts to demolish the original Christian Kingdom and temple foundational cycle truth of Daniel 12 time periods that must replicate as the basis of the Messianic Kingdom completion cycle of all 144000 under King-Priest Christ's final coronation event; (Zech4:6-9; Zech6:9-15).

The "faithful and discreet slave" Governing Body blasphemy of this Watchtower issue affirms the final "lift up" of this modern and final "lawless one" body in worldwide public proclamations:

(2 Thessalonians 2:3-4) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god.

Now the apostasy (Dan11:32a) and it's Bethel Governing Body clerical leaders as the "man of lawlessness" have culminated their own self revelation "in the temple" that precedes the final judgment cycle as a prophetic signal, that starts not with Babylon the Great's judgment, but with the judgment cycle of Jehovah's witnesses anointed claimants and the whole congregation worldwide. (1Pet4:17 as Dan8:13-14 as Rev8:1-6);

The JW temple judgment context can proceed any time now as replication of Revelation 8-11 will activate in Revelation 15-16 tandem events for the start of the Daniel 8:14 temple judgment and purification desolation (Dan8:13; UN NGO "transgression causing desolation") prophetically TIMED period that begins the final progression to Armageddon some years later.

Final Temple Judgment and Jehovah's Witnesses

The Trek to Armageddon in JW Known Prophecy

Well thank God Christians will already have the Armageddon main pattern already explained in preview form, if we respect early Christian anointed truth from God through Christ of the early IBSA and JW movements. By appreciating a few formerly established Kingdom decrees and patterns of that 1914 to say 1950 ministry we already have a known prophetic pattern that merely awaits UN final disgusting thing complete world government placement.

We know Daniel 11:27-45 is actually 8th King as King North globalizing governmental activity, that Bethel and JWs now cover up since the 3rd UN manifestation of Bible and world history in 1990, as Bethel became UN NGO instead. (and that is no innocent coincidence) Obviously Bethel's goal of covering up Daniel 11:27-45 as 8t King developments is in the UN's best interest because it includes the divine exposé by prophecy of the 3rd UN placement of 1990 at Daniel 11:31b, which Bethel took part in as UN NGO as "THEY will certainly place the disgusting thing" as "those leaving the holy covenant" WITH the 8th King (hence UN NGO) which in 1945 or 1990 was a "holy covenant" only amongst Jehovah's witnesses Christians. That 3rd UN placement (Dan11:31b) leads to the fourth and final UN placement of Daniel 11:45. That is also why it is a UN 8th King goal to conceal this final world government continuum plainly in prophecy covered up (Dan8:12b) by Bethel.

Thus the national sovereign debt crisis in 100s of trillions worldwide nationally will actually aid fulfillment of Daniel 11:42-43 as an 8th King globalized financial rlership of power formerly in national governmental regulatory oversight. Thus we are all plainly seeing in world web news, the multi-100s of trillions in national debts that must implode into a fully 8th King centered globalized monetary, finance, investment, market and economic system FIRST.

(Daniel 11:42-43) And he (8th King globalists) will keep thrusting out his hand against the (national) lands; and as regards the land of Egypt (King South symbolic national domain), she (subservient to 8th King) will not prove to be an escapee. (8th King pawned soon) 43 And he (8th King) will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (national wealth goes into globalist 8th King control).

And that itself is not "Armageddon". But in time leads to Daniel 11:44-45 and Daniel 11:45 is an Armageddon parallel of final fulfillment 7th plague and 7th trumpet developments a number of years after the coming internationalist 8th King pawning of "Egypt" King South national finance and ownership.

(Daniel 11:45) And he will plant his palatial tents (UN final placement of "disgusting thing"; Dan8:25; 12:11) between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him. (Armageddon divine war finality);

And no wonder Bethel sells JWs the Daniel 11:44 mystery "King North" "attack" illusion prematurely next, as actually the worldwide national financial default must occur first catalyzing Daniel 11:42-43. This way enemy Bethel can make JWs think "the end is here" as per a misapplied Daniel 11:44-45, to cover up the JW organizational desolation to take place in Daniel 11:42-43 intrigues as per prophecy actually to develop as 8th
King intrigues next, and that is all covered up with Bethel false prophetic interpretation out of sync with world reality and prophecy.

Which leads us INSTEAD, to the JW temple judgment of Daniel 8:13-14 8th King divinely required "trampling" for UN NGO "transgression causing desolation" as what is actually materializing in these near future events that will occur as the national powers also begin a financial and economic meltdown to be recovered into 8th King globalized financial power first concurrent with the actual Daniel 11:42-43 fulfillment NOT Daniel 11:44-45 yet.

Thus the unique pattern is Daniel 8:13-14 temple "right condition" is the "house" judgment of 1Peter4:17 priority, whose "fire of the altar" purification of Revelation 8:1-6 (Isa6:6-7) is the parallel connecting all these prophecies and principles. (Zech3:2 "fire");

JWs then go into the Revelation 9 temple judgment desolation "abyss" of world inactivity in temple desolation, to be recovered by Christ as Revelation 9 ministerial invasion of purified truth carries the recommissioned Revelation 10 final "little scroll" good news of the certainty of 144000 completion and Messianic Kingdom completion as well. That leads to Revelation 11 as a final 1260 days of final world warning that the Daniel 8:14 timed period must lead to still preceding Armageddon for final warning. Thus Revelation 8-11 is a replicating continuum leading to Armageddon; (Rev11:15-19);

Thus in JW anointed truth, Revelation 11:2 "holy city" is "tramped" in 1914-1918 at Kingdom birth for 1260 days, and is "trampled" again (Rev11:1-7) for Kingdom completion precursor for 1260 days of the future. And that equals the specialized "seven times" of anointed "Jerusalem trampled on by the nations" for "seven times" divine decree as 2520 days combining these two periods as Revelation 8-11 is the God given repeating pattern also used to usher in Kingdom completion final world proclamation after JW have been purified and recovered as per Revelation 8-9.

Daniel 11:42-45 to begin initial fulfillments of the precursor context of the JW temple judgment desolations of 1150 to 2300 days, plus the 1260 days of the purified final JW Kingdom completion ministry (Dan12:7) that that JW temple judgment leads to in time as Revelation 8-11 replicates seven trumpets with Revelation 16's Armageddon leading seven plagues approximately concurrent into the future and towards actual Armageddon.

Thus there can be no actual Armageddon for at least the Daniel 8:14 temple judgment timed period of JW desolations of 1150 to 2300 days, plus the 1260 days of the purified final JW Kingdom completion ministry of Revelation 11:2-3 (Dan12:7) that that JW temple judgment leads to in time as Revelation 8-11 replicates seven trumpets with Revelation 16's Armageddon leading seven plagues approximately concurrent into the future and towards actual Armageddon.

Thus it is 7 to 10 years from the [[beginning]] of the JW temple desolation "trampling" of Daniel 8:13 (1Pet4:17), to Christ's first post 1260 days and post "3.5 days" of "two witnesses" death state, divine manifestation (Matt24:29-31) to complete all 144000 (Rev6:9-11; 1Thess4:17), and even then Babylon the Great is still present (Rev16:12; Rev17:12-18; Rev9:13-15), and Armageddon is still only in Revelation 16:13-16 culminating "gathered" formation preceding 7th plague and 7t trumpet Christ conquest finalities.
As long as we respect early anointed JW Kingdom and temple truth of 1914-1950, and what it is based on in Daniel 12, we can already have the full pattern of a divine replication of that pattern again (Rev10:11), so true Christians and others coming in after the Bethel judgment, can have a very clear map to Armageddon's approximate finality, with great 8th King final globalization developments finalizing the "gathering" of Revelation 16:13-16 (Rev17:12-18), which BEGINS with an 8th King finance system foundation at Daniel 11:42-43, which in time, over some years leads to Daniel 11:44-45. (Daniel 11:44 actual 8th King attack is Rev11:7. The Daniel 11:44 "reports" are in the Rev10 "little scroll").

God provides this prophetic and world developmental mapping, because He is not creating a new religion, he is judging JWs and cleaning out the "befouled garments" that currently cover up these easy to understand former truths and necessary continuation and replication, by Bethel subversions as God's target of removal; (2Thess2:8; Mal3:1-5).

After the soon to be undeniable JW event of 1Peter4:17 as Dan8:13-14 timed prophecy for further affirmation, and Rev8:1-6 temple judgment parallel, the first four trumpets by divine aid employing angels to recoverable JWs and others achieving proper standing in specific first, will make all this known as the basis of the "little scroll" PROOF by world events fully foretold of the certainty of Kingdom completion, 8th King globalization completion and Armageddon a number of years prior to the divine war.

And that easy to affirm replication is the basis of the final world warning that divinely cleansed at tat time JWs MUST do again:

(Revelation 10:11) And they say to me: "You must prophesy AGAIN with regard to peoples and nations and tongues and many kings."

Armageddon is yet some years away from even JW temple judgment initiation. JW temple judgment, on the other hand, is right around the corner along with national financial collapse that will lead into it all, possibly intensified by world war and terror developments or other disasters to accelerate the initial national plunge in an engineered manner.

**The 8th King and 8th King UN NGO Allied Bethel KNOWS Something Big is About to Happen Soon**

So do a lot of other people and researchers, theorists, groups, etc. It will not be "Armageddon" as Bethel misleads JWs to confuse them and aid the cessation of that formerly anti-UN ministry. It is already ceased as far as any accuracy now.

What is about to start will take a decade or so to resolve in a tribulation cycle starting and ending as per Matt24:29. That is because UN world government as 8th human kingdom is planning to rule the world, not destroy it, so even the "great tribulation" Bethel preaches is also not "the end of the world" according to their own Bible and rules of engagement of Armageddon.

Like WW1 and WW2 and cold war that birthed UN related renditions after those conflicts were resolved, a world tribulation of type engineered and designed, is for the chaos effect from which new order is established. This coming "new order" is a full UN centric but greatly expanded international, multi-national world government totality. Not just an international UN forum "image" of such a world government in progress, but the Rev17:12-18 and Rev16:13-16 real thing, global uni-polar ultimate power world government. (Dan11:42-45 final cycle).
And that is not going to occur tomorrow, it takes years to realize and a final globalization cycle aided by a
tributary aided consolidation of world power upon a final national decline that must also recover (Isa41:1)
into a "freedom from care" (Dan8:25) and a world "peace and security" (1Thess5:1-3) a number of years after
inception of the final cycle. A completion phase is also a requirement of that international secular system itself.

Thus Bethel is NOT so brain dead as to not see this. As per internal UN NGO reality, they are merely aiding
the process by also derailing and removing the JW organizational system to aid this final cycle in that sector of
potential opposition in exposure of Daniel 11:30-45 as the 3rd (of 4) and 4th (of 4) UN placements in
prophecy and world history and projections. And by that Bethel engineered deception they sell JWs a
premature "the end" cycle and a handy self fulfilling prophecy of Bethel's financial and organizational
destinations, over a couple years to aid the beginning of this final globalization phase.

Bethel full well knows (as do world elites) that final globalization cycle has a beginning as Dan11:42-43
financial pawning phase of globalization of national economies and finances, but they will sell that to JWs as
terminal Daniel 11:44-45 attack phase misapplied and premature in the phasing, which it will not thus actually
be, and cannot be in the process of actual world globalization into world governmental power. And that by
prophecy AND the globalization projection itself.

Bethel states a tribulation is coming. That much is true. But it is Bethel that "can end any day now brothers!",
not the overall world system. And that tribulation cycle must end as in the three previous world war/tribulation
formulas presenting a form of, at that time not yet complete, world government in 1919, 1945 and 1990, and
as stated plain as day at Matt24:29 the tribulation cycle ends. It ends into full world government 8th King
actuality.

Bethel knows what the real target is in the start of the final cycle as far as their operations, to attempt to shut
down JWs permanently organizationally for starters. These delusions in JW theology aid that process.

And that is why they sell JWs a potential for great anxious confusion that can aid a Bethel implosion,
internally aided by Bethel's top administration, and covered up with misapplied prophecy so JWs have no idea
what is [i]really[/i] going on. As far as an event or events coming up, the web has been full of that vibe in
increasing fashion since even 911. The national financial condition of multi-100s-of-trillions in national debt
and unfunded liabilities sets up the Daniel 11:42-43 finance/wealth cycle plainly obvious in that meaning of
financial and monetary globalization first, upon total control of the "gold and the silver" basis of world wealth,
and all national holdings as the "all the desirable things of Egypt", as "Egypt" is finale "King South" collective
worldwide national declination, a "southbound" downward spiral of world power in national form, in symbol,
upon which international power ascends to apex "King North".

International global government power is what King North is as 8th King ultimately. (Dan11:27-45) Another
detail Bethel also subverts successfully. (Dan11:30-31; Dan8:11-14). It's getting a little too logical Bethel is a
UN allied troop of expert actors leading JWs into an engineered multi-year purposeful catastrophe on a
worldwide scale as merely part of the inception activities of the final world globalization cycle that has to go
on after that inception, for another 10 years, plus/minus.

Many in the world already know the UN plans to be the center of a real uni-polar world government. (Even
Ron Paul (and Vladimir Putin, and many others) plainly describes it as such) And that is exactly what the "8th
King" will achieve for a while.

Bethel is aiding the initial deceptions to cover up that final cycle as long as possible while they aid Bethel's
organizational deconstruction process for a couple years in this first 8th King "trampling" as the temple judgment desolation; (Hos6:1-3; Dan8:13-14). The "temple" is anointed Christians, Bethel merely represents it's "established place" as per Dan8:11-12. The attack will target anointed Christians in now the Bethel Zech3:1-3 "befouled" priesthood reproach, supplied by the Bethel abominations.

Once Upon a Time JW's Tracked UN Development as Prophecy Properly

1914 JW Ministerial Foundation (1914-1970) Identifies World Rulership Issue in Dual Kingdom Completions - 8th Kingdom and Messianic Kingdom

The 1990 UN NGO Ministerial Diversion and the Final Apostasy Now Operating at Bethel and What Used to Make Jehovah's Witnesses' Prophecy Tracking Unique at One Time

A Unique Biblical Structure of Prophecy and It's World Power History as One

1. A feature of the earlier Jehovah's witnesses' Christian development of prophetic understanding that is unique and important is it's structured Kingdom of God theme. That affirmable framework is backed by a historical sovereign progression outlined in prophecy across the Bible from Genesis to Revelation. That Bible teaching ministry of Jehovah's witnesses explained formerly unfulfilled prophetic portions in modern terms of that time from 1914 to 1919 (League of Nations meaning of Revelation 13:11-15) and after for a period.

2. This reliable structure of prophetic explanation across time and Genesis national histories (Gen10-11), to the prophecies of God's prophets to follow in this continuum, contained valid explanations of the divinely transmitted hidden symbologies. This reliable sovereign structure was the overall basis of the truth framework to unfold progressively as centuries turned to millennia and things culminated in the League of Nations form of globalist world government "image".

   A. Tracing the Genesis 3:15 "seed" arrival of who came to be known as Jesus Christ as the agent of the restoration of the lost blessing (Gen1:26-28; Gen12:3; 22:17-18) turned to death curse in the Edenic sin (Gen3:14-17) also weaved through the national histories. This provided a Kingdom of God progressive development to also be trackable that paralleled the rival national sovereign system leading to a globalized forum of world government in the 8th King League of Nations signal manifestation.

   B. Thus the whole comprehensive sovereign progression of the 8th King world government system and the Kingdom of God Messianic Kingdom agency became solidly identified by Jehovah's witnesses. This was a ministerially revealed significant global signal of the also very real trajectory to global Armageddon where these two eventually completed kingdoms would meet for sovereign resolution over now reliably mapped prophecy.

3. Ancient Israel's interaction with Egypt, Assyria, Babylon, Medo-Persia, Greece and Rome and the Christian era interaction with Rome, and the Anglo-American national alliance as marked world powers became the context of the developing "seven headed" structure of Revelation's wildbeasts. (Rev13:1; Rev17:3, 12-18). This sovereign seven headed wildbeast was to end up as a globalized 8th King "scarlet wildbeast" world government totality in time, based on it's "image" "of the wildbeast" developmental representation.
A. Thus this prophetic structure was revived from the dead past as Christendom's various prophecy dead-ends were brought to life as relevant to the modern times from which context Jehovah's witnesses formed and would continue to explain continuously to conclusion like no other religion on earth.

4. Now that required continuum of prophecy of what became world history consistently had a modern historical set of benchmarks anyone could use to see prophecy manifest after it fulfilled in the key events. One could logically understand the national-to-globalist progression would continue past the national powers, and beyond the UN "image", to a Revelation 16:13-16 consolidated globalization "world government" in time, in that worldwide final "gathering" to Har-Magedon culminating.

**Now the world government attempt of King Nimrod and his Babel and Nineveh city complex (Gen10:8-12) governmental center and it's "tower of Babel" (Gen11:1-9) religious priesthood is connected to the modern 8th King globalization of world government and the final attempt at another world government completion upon the same defiant theme in the near future. (Zecp3:8-9; Rev17:12-18; Rev16:12-16); Both of these human world government attempts will have triggered a divine intervention in the end.**

**Bible Prophecy Becomes Modern Reality**

1. This JW ministry thus provided understanding of the Bible prophetic truth in world historical and spiritual continual timelines with real meanings and parallels in a structured cohesiveness that ties the whole Bible together from cover to cover.

A. This prophetic exposition upon modern events and information connects prophecy to a dynamic world power progression that is continuing in further United Nations developments that must in time have the foretold global sovereign climax at Armageddon between the completed 8th King and the completed Messianic Kingdom diametric world governments. (Rev17:11-18 + Dan11:42-45 = Rev16:12-19 Armageddon final sequence);

2. No other "religion" on earth explained that final guaranteed sovereign confrontation as not only a real trajectory marked by modern world events, but as also mapped in the Bible over world and spiritual developments concurrent and continuous in world history and modern history since 1914's World War 1 event.

A. That that sovereign resolution would take place on earth was made emphatically clear by Jehovah's witnesses. (Matt6:10);

3. The true sovereign implication and meaning was explained in the League of Nations world government foundational global presentation that arose in 1919 with the Messianic Kingdom birth announcement of 1914-1918 to develop in time in clearer details, from the same period and concurrent events of that significant time in world and spiritual history.

**No other Christian group made such a valid ministerially globally promoted explanation connected to modern world events proven to be fulfilling key sovereign prophecy in continuous trajectory to Armageddon.**

4. That prophetic timeline as a sovereign structure proving that all prophecy is to eventually become world history combined with also the unique personal identification of Jehovah Almighty God (Ps83:18) and His
Son Jesus Christ (John17:3), which then focused attention on their actual personal unique role in their unified purpose of Kingdom rulership of planet Earth; (Gen1:26-28; Matt6:10);

5. The guaranteed Messianic Kingdom universal rulership becomes far more real and solidly defended due to these explanations that no other religious group was or has given but Jehovah's Witnesses. The truth of that Kingdom's sovereign conquest to come (Dan2:31-45; Rev19:19-21) became very real to Christian Jehovah's witnesses (JW) and others positively affected by them as it was all backed by real world events fulfilling prophecy in striking ways since 1914.

Faith Aided By Histories of Prophectic Fulfillments

1. Faith was given a foundation in historical facts of progressive prophecy fulfilling and describing world events coming true that could not remain static in signaling God's Kingdom coming to Earth to resolve the issue of the sin in Eden and it's sovereign rebellion now spread to all the nations worldwide. (2Pet1:19-21);

A. Early Jehovah's witnesses named names, explained prophecy in historical meanings as well as in up-to-date modern world events up until around 1970, and proved the Messianic Kingdom manifestation would parallel a world rival 8th King development as a parallel progression to settle the earthly sovereign issue permanently at Har-Magedon.

2. The progression of national power from the days of Babel (Gen11) and Egypt (Exodus), across Daniel 2,7-8,11 sovereign bridges to Revelation 13 and 17 modern times, to the final globalized world power unification to come under the Revelation 8th King was solidly laid out for people to understand by faith aided by known history.

A. That 8th King "world government" was being previewed in his "United Nations" (UN) "image", and was becoming very real in development at one time to Jehovah's witnesses as the early JW ministry progressed and deepened in world sovereign meaning along with UN developmental evidence and progress from 1919 to 1945 in the first two UN "disgusting thing" "placements". (Rev13:11-15; Dan12:11; Rev17:8-11);

It became clear the 8th King and Messianic Kingdom "world governments" develop to completion side by side all the way to Armageddon. (Dan11:36); Paying attention to these developmental signals would aid understanding of the arrival of the actual Armageddon final world developments and it's final prophetic sequence describing it all in needed detail. (Dan12; Rev8-11; Rev15-16; Rev14, 19);

Two Kingdom Rivals Plainly Identified for Earth's Rulership Finality

1. In that defendable prophetic structured framework identifying Bible timelines connected to world developmental timelines of both the Messianic Kingdom and the 8th King maturing development, people since 1914 could watch prophecy become world government foundational history before their very eyes. That was all solidly backed by historical proof of a dual world government development that must also complete to climax and become a complete world history foretold by more prophecy to fulfill after 1945. (Dan11:27-45; Dan8:9-25);

2. It was no coincidence that God's Messianic Kingdom of Christ "birth" was concurrently proclaimed leading to the League of Nations globalist world governmental "image" "birth" proclamation as well in that 1914-1919 period. In short time Jehovah's witnesses (first as IBSA) fully explained Revelation 13:11-15 as that first League of Nations manifestation after the World War 1 (WW1) "sword-stroke" of the Revelation 13 prophetic context as also a clear world development of unique world war. That paralleled the first UN related
"disgusting thing" placement of Daniel 12:11 initial fulfillment in 1919 parallel League of Nations meaning;

Jehovah's Witnesses Were Tracking and Explaining Prophecy Live and Real-Time

1. Into such a Bible truth framework foundation, across a now progressively explained irreversible sovereign continuum from Genesis to Revelation 22, all prophetic details of the prophets including Jesus Christ now fell into proper place in a defendable structured framework of both history and prophecy.

A. And the sovereign rival birth of the League of Nations also progressed to it's post World War 2 (WW2) United Nations (UN) manifestation in 1945 fulfilling more sovereign 8th King prophecy as Revelation 17:8-11. The importance of this reliable foundational reference structure is the ability to cross relate other prophecy and event sequences with means of cross verification in the Bible itself as well as significant world histories.

2. Jehovah's witnesses were also exposing all the core elements of Babel religious influence of error aiding rival 8th King world government development (Gen11) and cover up by confusion, diversion and misinterpretation.

3. The world system's political and social error dividing nations for eventual 8th King conquest (Dan11:36-45; Rev17:11-18; 16:12-16) was also being fully explained by Jehovah's witnesses up to that time. Accordingly it was the truly most informative Christian ministry of all time in a context of supporting developmental world signals fulfilling prophecy beyond mere coincidence in it's timely concurrence of multiple significant events.

Very Important: Jehovah's Witnesses were now tracking BOTH of the first two United Nations manifestations as prophecy fulfilling to and for some time after 1945.

No other Christian group of that era or after made this expose' of Revelation and Daniel prophecy as the League of Nations (1919; Rev13:11-15) to United Nations (1945; Rev17:8-11) designate "world government" continuum as highly significant world event meaning that fulfilled key prophecy as the core rival 8th King world government system opposing the Messianic Kingdom earthly rulership in God's King Christ divine designate to arrive upon their dual completion at Armageddon's culmination.

United Nations Shown to be Progressive Over Time to Completion of World Government

1. Everything was now being given even more proof of prophecy as significant world events in the world national powers' progression to a globalizing 8th King unification. This eventual 8th King world government completing meaning reflected in the global "United" Nations international forum as the "image" was being shown logically and prophetically to progress even further to it's complete world government rulership "scarlet wildbeast" objective. That 8th King world government totality would thus be completing upon that existent UN "nucleus" and "image" "of the wildbeast".

2. Though the United Nations is just an "image" of world government, as a "picture" of the 8th King world government not yet complete but in the making, the trajectory of it's clear development to that completion to come, as prophecy and ongoing globalist world developments, was now solidly demonstrated in it's first two UN developmental world presentations.

Repeating World War-to-World Government Formula Recognizable
1. The 8th King formulaic use of world war "tribulation" was also being seen as the primary form of "desolation" the "disgusting thing that causes desolation" was using to present it's world governmental forum in developmental progress.

2. After these two world wars were resolved, now two times after WW1 and WW2 peace resolutions, a respective UN related world government themed presentation and world "peace" objective statement took place as the world war finale development.

3. Now the world war "problem" clearly led to the globalizing elite world government "solution" as also a process being beyond mere coincidence - twice up to that time.

That 8th King principle of presenting world government renditions formulaically through an engineered world war context and it's "world peace" resolution is also important to understand, and it repeated again, after the Cold War WW3 and it's world peace resolution into the 3rd UN presentation of 1990. (Dan11:29-31); Now three times a form of world war resolved led to an updated UN manifestation.

Important World Power Principles Implied

(1) Bible Sovereign Symbols Have a Whole Meaning of World Government

1. This Biblical and world historical development of national power's progression in seven key national lineages of world power in (1) Egypt, (2) Assyria, (3) Babylon, (4) Medo-Persia, (5) Greece, (6) Rome and the (7) Anglo-American national alliance outlined in both Daniel (Dan2,7,8; Dan2:38; Dan8:20-21) and Revelation (Rev17:8-11), springing from Genesis 10's 70 nations is not the entirety of the final progression of human world power in those seven national ascensions.

2. There is an 8th King and a final form of world power beyond national power: globalized world power.

A. The globalist type United Nations international forum "image" of world government is a schematic and guiding charter/blueprint of world governmental concepts and collective planning but is itself not a world government, nor a complete true 8th King in and of itself. It is just an international/globalist form "image" of world government that has yet to form to a completion as a comprehensive global world government.

The Bible's Daniel 2, 7, 8 and 11 and Revelation 17 final symbolically pictured sovereign entities based on the national powers also have a bigger meaning in those whole symbols as a complete picture of globalized world power beyond the scope of it's national parts.

3. For example the Daniel 2 "immense image", though composed of various national parts, also has a whole "image" meaning of the totality of the symbol representing the totality of human world power it represents. The whole thing has globalized meaning as do it's progressive national parts leading to that globalized culmination.

A. The Revelation 13 and 17 "seven headed" wildbeasts also have a total meaning, though in seven heads as parts, the total picture of the whole being greater than the sum of it's parts is of a whole globalist world rulership system - a true 8th King complete consolidation of world power as a functioning full world government. The whole thing has meaning as do it's parts.

4. All those symbols as a whole, composed of smaller parts, progressing over time in national meaning, are all
globalist type world power consolidation totalities as a whole, as the whole meaning identical to the whole 8th King "scarlet wildbeast" meaning of full comprehensive world government. In the end the 8th King is the UN "image" center and a functioning actual world government as a whole. A totality of final global sovereign power completion. The whole thing has meaning beyond the various parts.

(2) National Government and Global Government are Different

1. National power systems and global world power systems are not the same form of government. Though national powers and alliances of multi-national power have demonstrated aspirations of world rulership it has all been a failure to realize. (Dan11:27 "nothing will succeed"); Instead the wars and world wars that extended these national power aspirations from local to regional to extra-national invasions and colonial-like occupations have only enriched the globalist power system while indebting the national powers in preparation, deployment and reparation debts related to these wars and world wars. Globalized world government is different than national government.

A. Globalist world power objectives are inter and intra-national in scope to control national powers whose focus must remain internal to the nation but must eventually be guided by a supreme global super-sovereign power understanding the inter-dynamics of all the nations. National powers do not have access to this kind of intelligence and information power globally, and national powers cannot do two forms of rulership, national and global, at the same time. Globalist world power is what a final world governmental evolution will be based on in this human developmental experiment in self rulership founded in the Edenic sovereign rebellion from God's sovereignty.

(3) God's Kingdom and the United Nations are not the Same Thing

1. God's Kingdom and the United Nations and it's eventual 8th King world government are not the same thing and are diametrically opposed to one another. Jesus Christ's Messianic Kingdom earthly sovereign agency is not the United Nations. Jesus Christ is not coming to join the UN and split global booty with a bunch of money and power seeking technocrats, financiers, warlords, politicians, academics and priests, he is coming to remove their world rulership attempt.

(4) The United Nations "Image" is Not Complete World Government

1. The problem is at this time JWs consider the United Nations "image" as the pinnacle of world power. But in fact UN world government 8th King is yet to complete that apex of sovereignty over a fourth and final required world tribulation/war cycle - 8th King world government does not yet officially exist completely.

A. And that 3rd cycle ending, that led to the 3rd UN placement of 1990 (Dan11:31), marks the final two UN placements in their final trajectory (Dan11:30-45) to Armageddon as the third (1990) of four (future) UN placements total in Bible prophecy and world history.

Bethel Goes Silent

1. Now just as that 1990 post Cold World War 3 (Dan11:29) 3rd UN rendition cycle ended and the 3rd UN placement occurred, and the recognizable process to present world government was now in three renditions, Bethel went mum. Now as the above implications could have been made manifest and explained clearly by Bethel, Bethel said nothing.
In effect, up to that time in the JW ministry everything was being tracked properly and consistently...

Then Everything Changed - The Bethel Ministerial Exit 1990 and the Loss of the UN Tracking Assignment

1. After 1945 in Jehovah's witnesses ministry everything was right on track, everything was unfolding perfectly upon prophecy and world events in this irreversible sovereign progression to Armageddon - and JWs were telling the world all about it!

A. Then something eventually happened that changed everything not only in the spiritual Christian status of Jehovah's witnesses, but in the validity and relevance of it's soon to be out-dated sovereign prophetic tracking assignment of United Nations developments soon to be derailed, fully ignored and covered up by Bethel's policy.

2. Soon after 1945 the Jehovah's witnesses Christian ministerial accuracy and UN tracking work was to be diverted and it's global ministerial exposition was to be affected by error as the JW ministry was to effectively stall in 1945 2nd UN placement exposition and explained meaning. This loss of UN tracking was accomplished by treating the 1990 3rd UN manifestation in the post Cold War (Dan11:29-31) resolution period as of no account - prophetically, globally and historically. And even more was to unfold as evidence of severe ministerial departure at Bethel.

   Out of the blue it seemed, Jehovah's witnesses were instead adjoined to the 8th King UN "image" by their Bethel leaders and it's "Governing Body" as a United Nations Non-Governmental Organization (UN NGO) - yet at the same time saying nothing regarding the significance of that 3rd United Nations world presentation! (Dan11:31);

The UN NGO Transgression Fulfills Prophecy

1. That fateful but foretold (Dan11:31; Dan 8:13) UN covenant with Bethel's endorsement and the detrimental effect it had on it's global JW ministerial arm as it's co-promotional "UN Department of Public Information" UN NGO global agency, occurred in approximately the 1990 time period as the then modern 3rd United Nations (UN) placement was occurring in the post Cold War (Dan11:29) resolution amidst the USSR dissolution. (Dan11:30b-32a);

   Thus UN 3rd placement "disgusting thing" features of Daniel 11:31 and Daniel 8:13 parallels connected solidly to the Bethel UN NGO "disgusting thing" fulfillment and thus also became active in the Bethel system purposely in that 1990-1991 actually prophetically marked period.

2. That significant UN post Cold War "peace" resolution provided the world stage for that latest UN world event of that third of four United Nations world presentations (UN 3: Dan11:31, 1990; UN 4: Dan11:45, Future). That 3rd UN placement occurred as the 1990 United Nations "New World Order" initiative and world presentation and soon came to include Bethel as a co-promotional UN NGO global advertising agency to the unique JW global demographic.

3. Soon thereafter the term "new world order" appeared over 70 times in Bethel publications from 1991 to 2001 starting in UN NGO Awake! 9/8/1991 magazine as part of this Bethel backed UN world promotional campaign as signal UN NGO. (Matt24:15; Dan8:13; Dan11:31); Henceforth Bethel quoted UN General
Assembly statements of that UN 3rd placement as the extent of their commentary and their global sharing in it's "disgusting thing" placement. (Dan11:31);

Now the UN 8th King prophetic and world history tracking work was totally derailed in the JW ministry for a diametric form of 8th King promotions by internal Bethel aid. Bethel’s point of revealed apostasy is now fully known as also prophecy fulfilling in symphony with marked UN 8th King world events.

Bethel and Jehovah's Witnesses Have Changed

1. Now it was not just Daniel 8 and 11 being subverted but so was the whole Messianic Kingdom commentary that could have been developed concurrently as these 8th King world events made clear signals of it's diametric purpose opposed to God's Kingdom. Now all live and real-time prophetic enlightenment aiding valid commentary of world sovereignty events plainly in the making was also ceased at Bethel.

2. Instead Bethel echoed the seemingly endless past and fully subverted the once live response to 8th King world events that also squelched Jehovah's witnesses former foresight and insight as to what these events really mean. Instead today's backward minded Bethel ministry, in both historical and spiritual dimensions of retardation, is what Jehovah's witnesses try to pass off as live truth, valid commentary and accurate prophetic exposition as now the whole JW ministry now reflects Bethel's dated and backward minded attitude.

Today's Jehovah's witnesses, by this core Bethel subversive influence, are nothing like the 1920's and 1940's Christian's exposing 8th King current events and developments as prophecy live and real-time to the world. Today's Bethel is a UN annex. Today's JW ministry is a UN aiding misinformation diversion.

Bethel and Governing Body Main Distractions and Complimentary Idolatries

1. Today Bethel and the Governing Body are little more than brazen idols of distraction and the center of an organized foretold apostasy as it's "man of lawlessness" lead cleric system in modern form now fully compromised into the 8th King agenda.

2. Today's Bethel is a spiritually catatonic yet hyper-piously reactionary distraction designed to make themselves and organizational issues, hypocrisy, doctrinal wafflings and critical lawlessness the high of the ministry rather than reacting live and real-time to live world developments with spiritual and intelligent commentary on active 8th King globalization-to-world government developments plainly known to even the world now. (Luke21:25);

3. In effect Bethel covers up live 8th King developments clearly leading to world government over a required final cycle with much world evidence and secular commentary with "smokescreen" samplings from the JW past ministry of UN features with only 1945 relevance. The whole Bethel ministry is now a facade and deceptive act in which constant 8th King cover up is the live and real-time dynamic.

4. In addition to UN alliances, cover up and core transgressions today's Bethel also stumbles more people away from God than they assist into "the truth" with a well concealed to some hypocrisy campaign also deployed along with the whole overall apostasy.

Thus Bethel is also a mass stumbling reproach globally (2Pet2:1-3), in addition to their 8th King services being rendered simultaneously.

5. This total Bethel departure from the entire prophetic tracking ministry and all of it's live relationship to
Messianic Kingdom objectives, for an endless stagnation in a distant past, in major transgression and error (Dan8:11-13; Dan11:30-32), is made painfully obvious since 1990 and the Bethel purposeful if not totally thoughtless United Nations UN NGO covenant.

Bethel is Exposed by the Self Incrimination in the Prophecies They Cover Up

1. But by the prophecies we need to be paying attention to live and real-time, it is shown the now active Bethel events and their ramifications now and to come are themselves prophecy fulfilling!

2. In fact the Bethel apostasy is already the main signal repeating principle (2Thess2:1-4) indicating the entire 1914-1918 Daniel 12 and Revelation 8-11, 15-16 main prophecy is also about to repeat with an 8th King set of commencing world events as the context of the temple judgment of Jehovah's witnesses first to mark this critical final activation of final fulfillment prophecy to Armageddon and Kingdom come.

3. The Bethel apostasy and it's "man of lawlessness" center of organized operations indicates the final cycle of prophecy will soon fully activate.

4. As the news of the United Nations "image" and it's 8th King world government completion reality progresses to full globalized unification of all the nations (Rev17:11-18) so will the main trigger of Armageddon also manifest in that event and period. Thus 8th King completion news is a gauge to the actual arrival of Christ to come for a concurrent Messianic Kingdom 144000 completion himself, with God. (Rev16:13-16; Zech14:5; 1Thess4:17; Mark13:24-27); And this signal reality is now fully absent from the Bethel ministry and fully unknown to most JWs by organizational Bethel policy.

Bethel Apostasy Proof

Bethel Subversion Example 1 - The Matthew 24:15 UN NGO Signal

(Matthew 24:15-16) “Therefore, when you catch sight of the (UN NGO; Dan11:31) disgusting thing that causes desolation, as spoken of through Daniel the prophet (modern Dan11:31 "disgusting thing that causes desolation" as parallel of Dan8:13 "transgression causing desolation", standing in a holy place (in the JW "constant feature" ministry as UN NGO), let the reader use discernment,) 16 then let those in Judea begin fleeing to the mountains. (Because the JW Bethel desolation judgment for that UN NGO "transgression causing desolation" is near; 1Pet4:17; Dan8:13-14; Rev8:3-5);

1. In hindsight of that covert Bethel UN NGO revelation coming out from the world press in October of 2001, the developing earlier trend of internal Bethel control enabled by the "Governing Body" dictatorial Bethel coup of 1976 becomes obviously suspect in this calamitous spiritual development. The evidence is the UN 3rd placement was to manifest just 14-15 years later in 1990 with the 1991 Bethel "UN NGO" global co-promotions of that 3rd UN placement. (Dan11:31);
2. That Bethel internal compromise (Dan 11:30-31) from 1976, and soon thereafter it's signal UN endorsement (Matt 24:15) all climaxed into that UN NGO 8th King prophecy fulfilling now as a Bethel publicly known spiritual compromise - as they, the 8th King and Bethel, fulfilled prophecy together - and as expected (Dan 8:12b) Bethel says nothing about it. (Dan 8:11-13; Dan 11:30-32a):

(Daniel 11:30-31) (3rd UN placement 1990:) “And they (team effort) will certainly put in place the disgusting thing that is causing desolation (3rd UN placement, 1990; UN NGO, 1991, at Bethel; Matt 24:15; Dan 8:13 "transgression causing desolation");

In addition to that UN NGO spiritual adultery the prophetic tracking of the 8th King in the modern UN system developments was also now lost by JWs as now Bethel policy significantly marked by these concurrent UN related 1990 events.

Bethel Subversion Example 2 - Modern King North as 8th King Connection Concealed

1. Now the Bethel JW ministry did not develop an up-to-date commentary of Daniel 11 (Daniel 11:27-45) to accurately reflect that "King North" 3rd UN manifestation, for a third time as prophecy at Daniel 11:31, was an undeniable 8th King world event connection to "King North" final identity. Furthermore, to Bethel the 3rd UN placement was not even a significant world event worthy of insightful commentary, but rather "new world order" global placement quotes from George Bush Sr. was the new Watchtower and Awake! commentary.

2. Instead Bethel leadership covered up (Dan 8:12) the King North as 8th King reality and the 1990 3rd UN placement meaning (Dan 11:31) proving it. What developed at Bethel was instead a distracting ministerial facade echoing the JW past, embellishing it with many pretty pictures and other teaching diversions, as Bethel proceeded with a global UN promotions operation in a decade long "UN NGO" world advertising campaign (Awake! 9/8/1991) highlighting the UN "New World Order" objective in the JW world ministerial publications.

3. In this way the JW "constant feature" was now terminally polluted with 8th King propaganda as Bethel policy - for the "library card" as a purposefully ridiculous excuse to add insult to injury.

All this 8th King cover-up is carried out to this day while Bethel provides ever more subterfuge sampled from the past JW ministry, as now a foretold JW prophetic diversion campaign and apostasy is still active (Dan 11:32a), in addition to the UN NGO transgression (Dan 8:13) and Bethel's covert UN concealing missions now Bethel's ongoing official policy.

Bethel Apostasy is Globally Manifest

1. In other words, Bethel went globally apostate publicly as also foretold, and in fulfillment at the same time as it is all covered up at Bethel. In hindsight this critical JW ministerial diversion has developed in the "Governing Body" managerial experiment and trended development for nearly 40 years progressing "gradually" (Dan 8:12) from bad to worse and into more error, stumbling (Dan 11:32-35, 41) and cover-up in the process; (2Thess 2:1-4; Zech 3:1-3; 2Pet 2:1-3);

Modern Bethel and Governing Body Man of Lawlessness
1. Thus a modern "man of lawlessness" in the Governing "Body" and Bethel leading clerics is being revealed with their apostate production also connected to Daniel 11 prophecy manifest in marked fashion in 1990.

(2 Thessalonians 2:3-4) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. He is set in opposition and lifts himself up over everyone...

(Daniel 11:32) “And those who are acting wickedly against [the] covenant (at Bethel), he (8th King/King North) will lead into apostasy by means of smooth words. (The Bethel "smooth words" 8th King cover-up in the JW publications is part of the smoothly justified apostasy);

Bethel Subversion Example 3 - Worldwide Globalization Understanding Uncommented by Bethel as Further Objective Obscuring Final 8th King World Government Cycle

1. Now all modern historical details of the globalist world government development in the 8th King and UN relationship, and it's globalization process understanding, now readily available in voluminous worldwide analyses and research, are completely concealed explicitly by Bethel since 1990 in marked fashion.

A. After over twenty years in that trended Bethel subversion development since 1990, we now see Bethel's globalization ignorance campaign amongst JWs is also aiding 8th King UN developmental secrecy as to uncommented world globalism research and prophetic exposure leading to retarded 8th King world government understanding among modern Jehovah's witnesses.

As further evidence of Bethel's purposeful 8th King cover up, Bethel's clerics will not discuss or teach even now well known basic globalization or geo-political understandings supporting the better understanding of world government developmental trends and developments increasingly globally seen since 1990.

2. Today's Jehovah's witnesses, by Bethel policy, have no idea about globalism basics as being the fundamental 8th King world government global power consolidation dynamic now active all over the world.

A. Jehovah's' witnesses have no idea about globalization as an ongoing development related to the Revelation 16:13-16 8th King international "gathering" phenomena that is aided by globalization consolidations. JWs have no inkling globalization maturation leads to the complete 8th King world government administrative components progressively, because Bethel will not discuss anything that exposes further 8th King world developmental evidence in world geo-political sciences, globalism sciences or in modern prophecy fulfilling. (Dan11:30-41);

The JW collective mind is therefore now living in a perpetual 1970 level of world and spiritual awareness regarding 8th King world government. The entire UN tracking ministry of Jehovah's witnesses is now derailed and effectively defunct; The final required 8th King globalization-to-world-government phase is now unknown to the backward collective JW mentality and absent from the JW world ministry.

JWs Stalled and Set Up for Final Cycle Bewilderment

1. Rather than 8th King globalization (Rev16:13-16) - culminating into a required global government super-sovereignty (Rev17:11-18) - over a future final 4th UN phase of 8th King prophecy (Dan11:42-45) -
JWs think "it can end any day now brothers!". Though the final phase is about to begin as Daniel 11:42-45, JWs think instead, by Bethel delusions, that it is all over.

2. JWs are fully stalled, derailed, deluded and misled and expecting a fully premature "end of the world". The logical UN 1-2 manifestation from 1919 to 1945 leading in prophecy (Dan11:30-45) to conclusion with the 3rd UN placement of 1990 and 4th UN placement of the future is unheard of to JWs.

This sets up JWs for mass bewilderment when that Daniel 11:42-45 final 8th King phase begins soon.

3. Now JWs, together in the well advanced Bethel purposeful deception production, live an engineered delusion of a former ministry in constantly plagiarized and repeated details covering up modern 8th King reality. Now JWs are immersed psychologically in a complete Bethel/8th King allied stalling act and the Bethel engineered cover-up under a deceptive ministerial veneer.

**JWs Now Cover Up 8th King as Final King North Certainty**

1. Modern Bethel and JWs are therefore acting as if a UN 3rd placement (Dan11:31; 1990) is not part of the 8th King final world governmental non-stop progression to lead to the final UN presentation (Dan11:45) full world government in the future Armageddon climax 4th UN placement of Bible prophecy:

   (Daniel 11:45) And he (8th King/King North) will plant his palatial tents (4th UN placement as world government) between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end (Armageddon), and there will be no helper for him.

JWs cannot even tell that "King North" is the 8th King in a final prophecy sequence!

2. It is obvious from the get-go only the 8th King can and will fulfill that Daniel 11:45 portion of the global prophecy of "palatial tents" as world government worldwide as the end of the Daniel 11:42-45 final 8th King phase of the future. But now JWs have lost the 1990 3rd UN placement connection (Dan11:31) to that 4th UN placement (Dan11:45) as a required continuum:

   (Daniel 11:36) “And the king (8th King marked in 3rd UN placement of Dan11:31) will actually do according to his own will, and he will exalt himself and magnify himself above every god (including the USSR); and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish (non-stop "success" to Armageddon) because the thing decided upon must be done.

**Bethel Apostasy is as Far as Daniel 11 Has Fulfilled**

1. And now the proper modern Daniel 11 fulfillment position in Daniel 11:41, in current Bethel 8th King compromise (Dan11:30-31; Luke21:20), is also lost, and the reason why JWs have lost direction and lost the UN tracking assignment of BOTH the 3rd and 4th UN placement meanings:

   (Daniel 11:41) He (8th King) will also actually enter into the land of the Decoration (infiltrates the Bethel ministry internally) and there will be many [people] that will be made to stumble. (Matt24:15; Luke21:20 signal development present now at Bethel; Stumbling people is also the lawless Bethel subversion goal.);

2. Now the Jehovah's witnesses' Christian ministry is fully misdirected, compromised and profaned as per
prophecy; (Dan8:11-14; Dan11:30-35; Rev8:10-11). And now the important progression of prophetic certainty proven by world events foretold in such now lost modern detailed 8th King developmental connections, is also now broken as a continuum (Dan11:36) of concurrent 8th King and Messianic Kingdom culminations. (Dan12:11);

**Now JWs Lost Final Two UN Placement Tracking**

1. That the 8th King and Messianic Kingdom completions require a final developmental phase in the near future commencement, that the 3rd UN placement (1990) must lead to a final UN placement of the future (Dan11:45), as a continuous 8th King "will certainly prove successful" continuously to Armageddon, is now lost upon JWs. (Daniel 11:30-45);

2. Now the first two UN placements properly explained by Jehovah's witnesses as prophecy (Rev13:11-15; 17:8-11) cannot be connected to the last two UN placements of Daniel 11:30-45 as a UN 8th King 1-2-3-4 guaranteed continuum to Armageddon due to this Bethel truncation and diversion of prophetic and 8th King reality.

*By all this the JW ministry has lost the 3rd and 4th United Nations 8th King placement meanings and it's global ministerial exposition- and that aids the final 8th King world government development with now JW aided error and misinformation in the worldwide ministry regarding the 8th King as King North of Daniel 11:30-45, and the final Daniel 11:42-45 8th King required globalization completion cycle to full world government to begin soon.*

**Overview: The Importance of the First Two UN Placements Prophetic Tracking Continuum From 1919 to 1970 and the 1990 Bethel Signal Apostasy UN Diversion Campaign**

**A. JWs Laid The "Kingdom Come" Issue as a Framework of Logic**

1. The International Bible Students (IBSA), by God's aid through Christ, laid a unique Christian ministerial theme that focused on the Kingdom of God as the source of the universal earthly rulership that would deploy as the Messianic Kingdom agency. That the Messianic Kingdom was to soon be the earth focused world rulership under Jesus Christ as God Almighty's anointed King of kings right on planet earth was made known globally. (Zech4:6-9; Dan2:31-45; Rev19:11-21; Rev21:1-5);

2. The prophetic sovereign theme of that Jehovah's witnesses Kingdom of God ministerial deployment, as a foretold (Dan7:25; Dan12; Rev10-11), developed in the 1914 era foundational ministry that soon developed to far greater detail by 1930. In that progress in understanding, more information came forth affirming much Daniel and Revelation underlying prophetic meaning in important timelines, modern world event meanings and required continuums of 8th King and Messianic Kingdom co-development towards Armageddon's foretold resolution of the sovereign world rulership issue now backed by marked world events after 1914.

*Messianic Kingdom prophecy and 8th King UN world events were now inseparable as both developing concurrently enroute to Armageddon as a reliable continuum and affirmable trajectory backed by more prophecy foretelling more UN 8th King world events as time progressed.*
3. Thus a prophetic thread of certainty was also explained as an interlinked framework and continuum outline that was mapping the Kingdom of God manifestation in preview form over time, in it's Kingdom proclamation concurrent with also 8th King developments as a significant timed gauge in sovereign warning in a prophetically timed manner backed by world events marking the prophecy. In basic terms when the 8th King completes world government, the Messianic Kingdom final sovereign response will be triggered after that event; (Dan12:11; Matt24:29-31; Rev6:12-17);

4. That logical progression to required 8th King sovereign completion as world government, prior to and enabling the final Messianic Kingdom completion and reaction is fully unheard of to JWs today. And that Bethel engineered ignorance aids the JW premature "end of the world" delusion.

First Two United Nations Placements Explained Properly by JWs Live and Real-Time

1. The original 1914 JW Kingdom ministry made clear that a League of Nations globalist world government foundation was also laid and proclaimed at that time that led to the second United Nations related manifestation. That is now foundationally beyond question in the 8th King's concurrently developing diametric rivalry to the Kingdom of God, which Kingdom of God made it's own sovereign proclamation of that 1914-1918 prophetically marked period concurrently.

2. That Jehovah's Christian witnesses identified that 1919 first League of Nations (Rev13:11-15; Dan12:11) prophecy, and the subsequent 1945 second (Rev17:8-11) United Nations prophecy and placements as marked prophetic fulfillments is very important. It is an example of the Jehovah's witnesses' concurrent UN tracking assignment of explaining sovereign meaning in prophecy fulfilling in also the rival 8th King world government system parallels with the Messianic Kingdom "birth" announcement progressing over time as expected. And that tracking and up-to-date commentary needed to be maintained as significant as time proceeded past the 1945 2nd UN placement.

3. That timed proof of prophecy was marked by the overall sovereign significance based on the Jerusalem sovereign deposition of 607 BCE linked to the Israel/Judah/Davidic Kingdom covenant of God as the "appointed times of the nations" ending in 1914. (Dan4:16,23,25,32; Luke21:24); The initial fulfillment of Daniel 12 smaller scale timed prophetic periods (Dan12:7; 12:11; 12:12) marking significant Kingdom meanings from 1914 and 1926 ministerial manifestation was also developed starting in 1914.

4. Thus the end of the 2520 years "appointed times" led to the initial Messianic Kingdom "birth" ministry deployed as per solid prophecy - with 8th King related world events also marking it's significance. An overall framework was thus defendable in a progression of developmental features of the Messianic Kingdom agency from Daniel 12's timed periods initially fulfilling and underlying the applicable Kingdom ministerial Revelation 8-11 prophecy. (Dan7:25; Dan12:7; Rev11:2-3; Rev12:6,14; Rev13:5 parallels);

5. That comprehensive and proven timed framework and it's sovereign milestones and meanings, it's dual "kingdom" theme and it's manifested features, also provided a reliable linking of Daniel and Revelation structured sovereign prophetic outlines. Now Daniel and Revelation were also progressing together to Armageddon upon marked global events. By the theme and timing in the first fulfillment of Daniel 12:7 1260 days of 1914-1918's time signature, the Revelation 11-13 cross relation was solidly established as that co-related parallel prophecy fulfilling.

6. That Kingdom hub of real meaning created a far greater sovereign picture into which other supporting
prophecy could then be linked reliably from all the prophets. When that prophetic structured framework, with real world events of 1914-1919, became backed even further in the 1945 2nd UN placement meaning, it became even more pronounced as valid when compared to the out-dated interpretations and disconnected nature of Christendom's theology. Though that from such context the IBSA separated, the overall difference is astounding to those understanding the now big "world government" picture that now was surfacing.

*That an 8th King designate "birth" also appeared in globalist diametric form as an intended human world rulership in an international forum "nucleus" of the 8th Kingdom "image" of world government as the League of Nations, with the Messianic Kingdom announcement, at roughly the same period of time, is of course in retrospect beyond coincidence.*

7. Thus an 8th King and Messianic Kingdom completion parallel was thoroughly founded in prophecy and backed by world events in 8th King world government development. That foundation provided a continual live and real-time responsibility for Jehovah's witnesses to track prophecy continually. Jehovah's witnesses also were required to explain the supporting world events correctly as prophecy when they appeared on the world scene in applicable fashion. Thus Jehovah's witnesses were to be constantly providing the key meanings of prophecy and it's described world events which were guaranteed to continue to fulfill and to describe future 8th King and Messianic Kingdom developments beyond 1945; (Dan11:27-45; Dan8:9-25; Rev16; Rev17);

**B. Earthly Purpose of God Fully Explained**

1. The purpose of God to fulfill the Genesis 1:26-28 (Gen12:3; 22:17-18) Edenic blessing on earth as God's "will done on earth" (Matt6:10; Eph1-3) by means of Christ to circumvent the Edenic sin and sovereign rebellion issue was also made far clearer than the Christendom scenario of a mass exodus from earth to heaven or hell. And the manifestation of the 8th King and Messianic Kingdom required final agencies' respective proclamations claiming to be the world power to fulfill God's "will done on earth" also appeared at the same 1914-1919 timing and were noted as concurrent yet diametrically opposed as to which world government would rule planet Earth.

2. This focused the reality of Christ and the Kingdom of God coming to earth (Matt6:10) as a real anticipated event among true Christians, and what it would mean for the rival 8th King sovereignty was explicitly stated. (Dan2:31-45; Rev19:19-21) Jehovah's witnesses used to make it clear God's Kingdom is not a globalist elite UN "expression of God's Kingdom on earth" and Jesus Christ is not coming to join the United Nations and that more than implied a sovereign global war with God, which was made clear in the JW ministry like no other ministry on earth.

3. Now that ministerial tracking work has ended up as a foretold Bethel ministerial diversion endorsing the UN as UN NGO, as many again are unaware of the true sovereign issue in dynamic development here currently swept under the Bethel rug.

**C. Kingdom Issue Fully Explained**

1. Thus the Kingdom issue and world rulership issue was clarified fully in forms explained clearly to become final world government entities that resolve that sovereign issue in a final conflict related to the Armageddon meaning.

**D. God's Supreme Unique Identity Fully Explained**

1. A clear distinction between God and His Son Jesus Christ was clearly made in Jehovah God's Name
describing the definitive unique Almighty God as an individual person.

**E. Jesus Christ's Role in God's Purpose Fully Explained**

1. Jesus Christ's role as God's Word, messenger, anointed servant and King to carry out God's will was also clearly defined from various Christendom confusions.

**F. The Christian Ministerial Responsibility Fully Explained**

1. The Kingdom and ministerial responsibility of Christian exclusive devotion and exclusive worship of God alone, by access through Jesus Christ's sacrifice as the only two persons to receive faith and trust was also clarified. As Christendom joined the League of Nations endorsement and true Christians endorsed God's Kingdom, the distinction was made clear. (To be noted later, because that distinction was clear, but obscured in recent times as the 1990 Bethel 3rd United Nations endorsement as UN NGO is now the modern JW "two masters" status. (Dan11:31b; Matt6:24; 24:15);

**G. Prophetic Rival System Sovereign Progression Nearly Fully Explained**

1. Thus what is a required tracking of Messianic Kingdom developments and 8th King developments in prophecy and world events and developments to lead to a climax period of human history was set as an early Christian ministerial theme of the Jehovah's Christian witnesses. (But now noted as derailed in modern Bethel loss of the 3rd UN meaning in prophecy in 1990 - thereby losing the required focus of tracking those two kingdom developments in modern world events fulfilling prophecy and their parallel developments.);

**H. World Rulership Conflict Principle Fully Explained**

1. Thus two diametric "kingdom" sovereignties, in side by side concurrent development, was identified as was the assured global location of that sovereign resolution. (Rev16:12-18);

**The Final Climax Concept Not Fully Explained**

1. That this kingdom and world rulership dual development would progressively lead to the Armageddon climax in time was shown in conceptual form in the initial fulfillment pattern of Daniel 12 and Revelation 8-11 parallels up to the understanding of that period. That understanding is now suffering a loss of focus due to Bethel's diversion campaign and organized signal apostasy. (2Thess2:3; Dan11:30-31; Dan11:32a; Zech3:1-3);

2. Now since 1976 and nearly forty years of "gradually given over" (Dan8:12) internal Bethel compromise, led by the Governing Body method of factional-to-full control, the JW ministry has warped with the Christian ministerial focus. This resulted in time, "gradually", in the UN NGO covenant and all it implies in 8th King aiding promotion, deception and cover-up and further resulted in the last twenty full years of missing Biblical commentary at Bethel regarding 8th King developments clearly fulfilling more prophecy since 1990 and the 3rd UN placement of that time. (Dan11:31; Dan8:11-14, 23);

3. Thus it is not JWs "moving ahead" or in danger of "pushing ahead" but rather JWs having falling far behind at least 20 years. JWs are now fully behind the Biblical and world times as far as 8th King development amidst a Bethel spiritual lawlessness and stumbling campaign actually fueled by this Bethel spiritual criminal activity and it's public record spread globally by the internet.
4. In effect of the full 37 years since 1976 of this "Governing Body" centered subversion and transgression (Rev8:10-11), really that whole time period (Rev8:12) is now a reflection of the JW progressive subversion into now full apostasy. Thus now full JW communal apostasy is enabled by Bethel's organized means of administering it and concealing it to some, but not to all, at the same time as they develop and deploy it.

5. Accordingly the 8th King tracking in it's significant events since 1990 and the growing globalization-to-world-government awareness even in the world's research is all concealed issues by Bethel policy. In that purposeful Bethel engineered 8th King developmental ignorance among JWs, JWs are also incapable of explaining or proving the final cycle of 8th King development of the future (Dan11:42-45; Rev17:11-18), or it's signal development as the Daniel 11:30-41 continuum since 1990. JWs have been fully derailed with a modern ministerial irrelevance now stalled in 1970 perpetually.

6. Thus JWs are incapable of explaining prophecy in final fulfillment properly and are in actual Bethel engineered error regarding Daniel 11:27-45 (King North as 8th King) and Daniel 8:9-25 ("small horn", "King of Fierce Countenance" as 8th King) as an identical 8th King final phase of world rulership development in those parallel prophecies. Now all sovereign prophecy of King North and the King of Fierce Countenance are globalized world government meaning fully transcending Bethel's national defined dead-end fictions, now both converging into their identical globalist 8th King world government meanings and their final development and placement sequences.

Instead Jehovah's witnesses now promote a premature end and "Babylon the Great" attack scenario at an overly advanced position ("Daniel 11:44 next" error) in a fictional Daniel 11 "USSR is King North" interpretation concealing the final 8th King cycle reality (Dan11:42-45) outlined in Daniel 11:30-45. Thusly JW theology is now hi-jacked and engineered in the key Daniel 11 error to aid the confusion in the final cycle period's commencement.

Temple Judgment Unknown to JWs

1. The coming timed temple judgment of Daniel 8:11-14 as consequence of the Daniel 8:13 UN NGO as that "transgression causing desolation" of Daniel 11:31b placing of the "disgusting thing" as Bethel UN NGO, as co-developing with these lawless Bethel subversions, is also unknown to Jehovah's witnesses.

2. That Daniel 8:13-14 activates as 1Peter 4:17 as parallel of Revelation 8:3-5 final fulfillment commencing the final Revelation 8-11 final cycle parallels is also unknown to modern Jehovah's witnesses. All these prophetic certainties are covered up with WW2 era fictions by the Bethel apostate leaders. That Bethel has killed the real-time prophetic understanding so have they paralyzed the JWs understanding prophecy continues to fulfill and in fact it must all replicate in final form in the near future as a live and real-time final set of marked years and 8th King final world government cycle currently hidden by this purposeful Bethel "theological" coma.

3. Now Jehovah's witnesses teach an erred Daniel 8:9-25 and Daniel 11:30-45 parallel actual 8th King scenario since 1990 marked manifestations as a WW2 era and USSR Cold War era fictional fulfillment maintained through the fall of the USSR and the 3rd UN placement of 1990 after the Cold War resolution.

4. That the final temple judgment cycle that actually starts upon Jehovah's witnesses in the final 8th King cycle context of Daniel 11:42-45 is also unknown to Jehovah's witnesses. JWs think instead all prophecy of Daniel and Revelation has fulfilled "to the smallest detail"; (WT 6/15/2012 Article: JEHOVAH ISA REVEALER OF SECRETS’);
JWs are now deluded sitting ducks, set up by apostate Bethel, for the 8th King first "trampling" of Daniel 8:13-14 coming soon as the JW temple judgment significance; (1Pet4:17); That temple desolation event can then be made to look like the fictions in the engineered theological deception aiding a great hoax potential upon Jehovah’s witnesses to cover up the reality of what is actually manifesting.

4. Now Bethel and the 8th King can present that temple desolation of Daniel 8:13 to JWs as premature Daniel 11:44 "the end of the world starting brothers!" premature "attack on Babylon the Great" and most JWs will be none the wiser for quite some time; (Dan8:14; Hos6:1-3; Isa37:30);

Current JW Status: The Final 8th King and Temple Judgment Cycle is not Fully Explained

A. Though the final cycle of prophecy and world events is contained in the first Kingdom and 8th King cycle of Daniel 12 of 1914-1926, merely repeating in final form in the near future, with unique prophetic signals of:

1. Daniel 8:13-14 temple judgment of Jehovah's witnesses and;

2. Daniel 11:42-45 final 8th King phase of global intrigues activating;

JWs are fully unaware of this reality.

B. Bethel subversion has created this spiritual retardation. Thus we have a loss of the 8th King UN tracking assignment by Bethel that developed after the 1945 2nd UN placement was explained properly, leading to a now complete cover-up of the 1990 3rd and future 4th UN placements by Bethel subversion.

CSI Bethel - The Governing Body Unusual Suspect

Time, Offense and Scene of the Crime

1. Thus sometime after 1945 and a successful tracking of two UN prophetic developments through that period the third UN placement of 1990 was concealed and ignored with a signal UN NGO Bethel endorsement. (Dan11:31; 8:13; Matt24:15); That apostasy finally surfaced in 1990 from an internal Bethel development predating that time in positioning (Dan8:11-13), empowered by foretold 8th King aided anointed defection and infiltration (Dan11:30b-35, 41), as in time a Bethel subversion developed to the point of endorsing the UN 8th King as UN NGO by 1990.

2. Covering up the Daniel 8 and 11 relative prophecies of that development, and covering up the King North (and King of Fierce Countenance) identity as only possible in the 8th King in Daniel 11:30-45 and Daniel 8:11-25, all co-developed with this now ominous internal Bethel UN NGO development.

3. We therefore ask: What happened to the JW ministry here in this interim time period between 1945 and 1990?

As we put 2 and 2 together the "unusual suspect" in this case, to develop at Bethel between 1945 and 1990 approximately, is of course the 1976 Bethel dictatorial coup by the "Governing Body" dictatorial development that sprung up and seized Bethel control in this interim period.
The Main Suspect: Governing Body Unique in JW History and Neo-Papal in Christian History

1. That internal Bethel "cell" of unique and timely development was the new, potentially factionally controlled, and non-Biblical, yet scripturally super imposed "rule by committee" "Governing Body" method of Bethel JW ministerial guidance. That timely development amounts to a self-glorified, self-appointed and specialized corporate "board of directors" - as a mythical divine supreme council - that went into group control in 1976 after the Bethel ministry was in full successful operation formerly led by individual anointed Christian guidance in Charles Russell, Joseph Rutherford, Nathan Knorr and Fred Franz.

2. This new type of "committee" "guidance" at Bethel was therefore also unique in all JW history since 1914, but was sold off as an existing divine entity dating back to the days of the apostles, and the early IBSA ministry - which is not the truth. (Acts 15:1-33 and Revelation 2-3 do not mention any mythical "governing body" of apostolic "popes"; 2Thess2:1-4; 2Cor11:13-15);

A. The "governing body" is not a Biblical term or entity as well and had to be super-imposed and implied by human rationale upon the one time Jerusalem Acts 15:1-33 emergency circumcision clarification meeting to even install such an idea in the mass JW mind in error. (2Thess2:11-12).

B. Now Jehovah's witnesses and Bethel house a neo-papacy complete with a clergy and laity class and an organized Bethel coercive inquisition applied as an artificial and distracting intermediary between God and the JW "sheep" replacing Christ in the process. Organizational judgment and ritual works replace undeserved kindness and Bethel sanctifies itself instead of God and that provides the Governing Body smokescreen of fear to continue the apostasy unabated.

3. In hindsight this experiment in Governing Body centered catastrophe is the single worst failure of JW history from the inception of this "divine body" that led to even more serious transgression and eventual full departure from the Christian ministry in time "gradually given over" (Dan8:11-13) to this 8th King serving apostasy.

4. The "governing body" invention and it's Bethel installation by intrigue as a "supreme council" - or Bethel's modern Papal-like "Lords of the Faith" - is unique to 1976 and after in Jehovah's witnesses, and that is telling for the critical developments that soon followed. It's method of ambiguous group rule and it's dictatorial threatening style was also unique to that fateful 1976 inception and after as prior to that time the "body of the Christ" was recognized as the only divine entity identified by God, Christ and the Bible.

5. There simply is no such thing as the "governing body", all divine authority is in Jesus Christ by God's appointment and thus secondarily to his "body" of anointed of which the 12 apostles were the first members upon faithful continuation of the responsibility by faith and obedience. When one defected a replacement was selected by God and in time that apostolic body ceased in existence as the "body of the Christ" continued the work by also God's selection.

6. The "Judas" "Governing Body" picture is all Bethel is indicating (2Thess2:3-4). This is because never has and never will God place an intermediary authority between Christ and his own "body" as the Governing Body has assumed and "lifted themselves" into. God certainly will not set a group of UN servicing Bethel lawless ones over anointed Christians, instead Bethel's apostasy and "lawless one" shall fully fulfill the signal apostasy towards it's temple purification expulsion signaling a final temple judgment cycle. (Zech3:1-5);

Thus the "governing" "body" is actually a manmade additional body added later, whose very existence is
naturally "set in opposition" (2Thess2:4) to the "body of the Christ" which the so-called "Governing Body" claims to be the supreme authority of. Thus Bethel is now a neo-papal system in reality, merely modified to fit the Bethel urban CEOs of the modern Bethel corporations.

7. And now it is Bethel and the pre-positioned corporate "Governing Body" fingerprints that are all over the UN NGO main Bethel idol of transgression. (Dan8:13);

In hindsight two Bethel books foregleamed their own apostasy:

God’s Kingdom of a Thousand Years Has Approached (1973);
chap. 18 p. 387 par. 51 Bringing the “Man of Lawlessness” to Nothing;

"That body of apostles, like a composite person, was then,"right now," as Paul times it, standing in the way of the organizing of a corporate ‘man of lawlessness’ within the entire Christian congregation and in control of it."

Man’s Salvation Out of World Distress at Hand! (1975);
chap. 12 p. 207 par. 5 Christendom and Judaism Now Facing Desolation;

"However, as, in the parable, the enemy came by night when men slept and oversowed the same field with weed seed, or bearded darnel seed, so later on, when baptized professing Christians did not keep awake and on the watch against the invasion of error and pretenders, Satan the Devil would sow imitation Christians in among the true sons of the kingdom."

Only a divine judgment can now remove the Bethel stranglehold on "the truth". (1Pet4:17; Zech3:1-5; Dan8:13-14);

Now the Christendom quagmire of ideas stemming from the 1919 League of Nations endorsement is supported by the more recent Bethel quagmire and it's 1990 period UN NGO United Nations endorsement.

Faithful and Discreet Slave "New Light" is Final Bethel and Governing Body "Man of Lawlessness" Lift Up Signal of Blasphemous Apex

2. The significance of this "faithful and discreet slave is only the Governing Body" statement from Bethel is a final "lifting themselves over everyone" lawlessness signal in brazen and complete fashion prior to the temple judgment commencement.

3. Now we know the whole Governing Body is knowingly "set in opposition" and fully compromised along with much of Bethel and the worldwide organization in factional compromise and are now producing some final key blasphemies in astounding final fashion as purposeful as ever could be.

4. Expect more apostate signals from Bethel, as they will also aid 8th King first "trampling" (Dan8:13) intrigues upon the JW worldwide organization from internal positions in Bethel and the JW worldwide org for
use of organizational logistics, financial and intelligence means to aid the 8th King ministerial cessation end and objectives to complete coup-de-grace attempt.

5. And that 8th King Bethel "desolation" will be permitted by God to account for the UN NGO "transgression causing desolation" to the divine limit of the Daniel 8:13-14 temple judgment indictment and decree of timing and desolation (evening) to purification (morning) phase meaning meeting the divinely required Daniel 8:14b "right condition" of temple purity (Zech3:1-5) and truth (Mal3:1-5) prior to deploying the truly accurate final warning Kingdom completion phase ministry of Revelation 10-11. (Zech3:6-7);

The Bethel Purposeful Delusions for Final Cycle JW Confusions

_Now Jehovah's witnesses are in a lackadaisical attitude of scriptural apathy and indifference thinking it is all ending in a Bethel engineered scenario of pure error ignoring everything in prophecy and 8th King world events since 1990 completely covered over._

The entire final cycle logic from prophecy is not present in JW awareness and understanding.

Instead Bethel has engineered their theology to cover up events with fictional interpretations out of sync with the final 8th King globalization process revealed in prophecy to commence in the final cycle concealed to the JW collective mind by this well engineered delusional smokescreen.

1. Bethel promotes Daniel 11:44-45 as activating next when it is Daniel 11:42-43 8th King wealth and asset intrigues that are to mark the final cycle activation.

2. Bethel promotes an "attack on Babylon the Great" as a first signal event impossible in the final cycle as BTG goes down late in 6th-7th plague timing; (Rev16:12-19; Rev17:11-18).

3. Bethel also promotes a fictitious "peace and security" statement potential that can only be truly valid under 8th King world government at the end of the final cycle, after a number of years of final cycle fulfillment solidly timed in Daniel 8:14 and Daniel 12:7 timings and benchmarked meanings.

**Jehovah's Witnesses Now and Later Totally Fooled**

1. Thus Jehovah's witnesses are psychologically primed for Bethel desolation events to appear as one set of prophecy fulfilling (Dan11:44), when in fact the Daniel 8:13-14 first 8th King trampling and divine timing (Dan8:14) will be starting, not ending, the final cycle. Temple judgment desolation "evening" of Daniel 8:14 as the Daniel 8:13 "trampling" for the UN NGO "transgression causing desolation" is what will be active as the final temple judgment signal sequence BEGINS the whole final cycle activation in earnest.

2. Now Jehovah's witnesses can potentially watch a JW worldwide organizational desolation take place and think it is prophecy fulfilling. (Dan11:44-45); Which it will be, but not the prophecy (Dan8:13) JWs think is fulfilling. In this way the final 8th King cycle begins, as JWs perceive in error that it is all ending.

3. In that way the 8th King proceeds to commence a multi-year final globalization culmination into actual world government as JWs will not be aware of this reality for quite some time. God is requiring again (Rev10:11) a final "two witnesses" second warning period deployment proclaiming Kingdom completion phase truth, into this 8th King cycle active globally, and that is another awareness not present in modern JWs.

4. In effect the climax and homestretch of the whole Christian ministry in the true "hour of test" final phase
will be activating while Jehovah's witnesses are expecting instead a premature "the end" scenario completely contrary to Biblical prophetic final fulfillment and 8th King final globalization requirements.

5. Thus JWs are also set up for a mass stumbling and sheep scattering event (Zech11, 13:7) and great potential disappointment and assured bewilderment when the "Armageddon" they expect does not arrive for a number of final years, and instead God has judged the temple as profaned (Zech3:1-3; 2Thess2:3-4) and purposed a final ministerial push.

The Main Target of The 8th King Coming First "Trampling" of Daniel 8:13 Temple Desolation Events (Daniel 8:13-14)
