1. Thus the former initial 1919-1926 fulfillment compromise of Christendom's clergy in relation to this same "disgusting thing" in 1919 (League of Nations), is now the related globalist governmental compromise of the spiritually fallen Governing Body and the Jehovah's witnesses worldwide organization in final fulfillment meaning now;

   (Revelation 8:10 And the third angel blew his trumpet. And a great star burning as a lamp fell from heaven, and it fell upon a third of the rivers and upon the fountains of waters. 11 And the name of the star is called Wormwood. And a third of the waters turned into wormwood, and many of the men died from the waters, because these had been made bitter.

**Trumpet 4**

1. And this infiltrated compromise led by the globalist Governing Body sub-agency of the United Nations has affected the Jehovah's Witnesses ministry since the Governing Body went into "lifted up" power coup in 1976 in hindsight of trends and sinful anomalies covered up that they have introduced and promoted:

   (Revelation 8:12 And the fourth angel blew his trumpet. And a third of the sun was smitten and a third of the moon and a third of the stars, in order that a third of them might be darkened and the day might not have illumination for a third of it, and the night likewise.

   2. Thus 1/3 of the "Lord's Day" since 1914 has been profaned by this "gradual" (Dan8:12) taking of full "lawless one" control under a mastery of deception (Dan11:30) now being exposed publicly prior to Temple judgment as per prophecy; (2Thess2:3-4; Mal3:1-3) since at least 1976 in progressively manifest sinful policies and activities;

   3. The final three trumpets are set apart by this meaning of the four trumpets, and as 3 separate woes with the final three trumpets;

   (Revelation8:13) And I saw, and I heard an eagle flying in midheaven say with a loud voice: “Woe, woe, woe to those dwelling on the earth because of the rest of the trumpet blasts of the three angels who are about to blow their trumpets!”

**Trumpets 5-6**

1. The 5th and 6th trumpets of the recovery of Jehovah's witnesses from the Revelation 9:1-2 "abyss" state are empowered with the heralding news of this reality, and the "thunders occurred and voices and lightnings and an earthquake" of the Temple purification purge commencement aids this enlightening update in Temple judgment;

2. The first four trumpets will follow this Temple judgment event of great prominence in the near future; as Daniel 8:11-14 timed 1150 days of minimum Temple purification judgment period parallels the purifications of the anointed Jehovah's Witnesses Christian priesthood in Zechariah 3, in the Malachi 3:1-5 final fulfillment post inspection visitation; (Isa66:6);

**Important Parallels**

1. The **globalist aligned Governing Body** of Jehovah's Witnesses are the main spiritual lawlessness and prophetic coverup perpetrators that must be removed soon;

2. These trumpet events will have a worldwide counterpart development in the Revelation 15-16 seven plagues of the seven bowls which will also activate along with this prominent multi-faceted event series of parallel prophecy globally;

3. This is a prophetic linear cycle bridging to the final world ministerial 1260 days of Revelation 11:1-19 second "two witnesses" announcing the contents and meaning of the **Kingdom of God sovereign proclamation** of the Revelation 10 "little scroll" of **guaranteed universal and earth conquest** as final warning prior to the 7th trumpet totality;
Revelation 16 - 7 Bowl (Plague) Sequence Details Upon the Worldwide System

1. These seven bowls parallel the seven trumpets to a worldwide climax of Kingdom completion;

2. The first four bowls also relate to a foursquare symbolic "earth" focused meaning in regard to the entire world system, just as the first four trumpets related to the entire Jehovah's Witnesses "earth" symbolic meaning;

3. We see too the overall "earth" comprehensiveness of the seven bowls, like the seven trumpets, is the target of all the seven bowls in overview as well upon a whole "earth" by all the plagues; (Rev16:1)

4. These signify specific meanings to the elements of the "earth" they target in the sequence as well as the wholeness of the "earth" meaning symbolically in the entire development respectively;

(Revelation 16:1) And I heard a loud voice out of the sanctuary say to the seven angels: “Go and pour out the seven bowls of the anger of God into the earth.”

Bowl 1

(Revelation 16:2) And the first one went off and poured out his bowl into the earth. And a hurtful and malignant ulcer came to be upon the men that had the mark of the wild beast and that were worshiping its image.

1. By this time national and globalist governmental worship and predatory systems (Rev13) are fully affecting most of mankind involved in this final development knowingly or unknowingly at every scale and station of human society progressively and in complex ways of hierarchical intrigues across and in many nations;

Bowl 2

(Revelation 16:3) And the second one poured out his bowl into the sea. And it became blood as of a dead man, and every living soul died, [yes,] the things in the sea.

Bowl 3

(Revelation 16:4) And the third one poured out his bowl into the rivers and the fountains of the waters. And they became blood.

1. Collectively in bowls 2 and 3 the "blood" meaning is a death like spiritual state of these systems exacerbated by progressive globalism infecting the entire world system to meet it's world domination ends, as well as the general Adamic terminal state, compounding system error and demon guidance;

2. Since 8th King world domination is not an instant event, these are progressive results as the various national systems begin to feel the effects of a world heading to and through a last world war conflict to birth a globalist government presentation for the fourth time, but with an actual world governmental super-structure in operation as apex "scarlet wildbeast" global authority;

3. A world war cycle is the accelerative process by which Babylon the Great's religious power, sovereignty and wealth can be deposed worldwide in the same general time period across multiple nations;

4. National powers are led to Babylon the Great's assets by their own multi-trillion indebtedness to the overall globalist credit system as Daniel 11:42-43 and Revelation 17:12-18 also climax in development towards globalist dominant sovereign power;

5. This is the obvious route to a new world financial hope for the national powers; the recovery of Daniel 8:25 "freedom from care" that provides the final "peace and security" of 1Thessalonians5:1-3 prior to the final attack after World War 4 is resolved placing the final "New World Order" UN 4.0;

Progressive World Judgment

1. We see the judgment that started with Jehovah's witnesses in this progression in Revelation 8, as per 1Peter4:17 stated commencement priority, extends in time to the whole world entering a divinely foretold and proclaimed judgment cycle with phases, that must progress to the final judgment of the Daniel 7:26 "court" at Armageddon;

A. The judgment of Jehovah's witnesses signals this has begun; (1Pet4:17) but takes a number of years to fully unfold prophetically and in world events foretold in detail;

2. Before that finale time of Armageddon the "sheep and goat" judgment will be completed as well as Matthew 24:29-31 manifests as Revelation 6:12-17 "gathering" to Kingdom/Temple completion prior to Armageddon;

3. God is using these initial globally dispersed dysfunctions fulfilling prophecy live and real-time to encourage people to repent to salvation and explaining the meaning; while also permitting the overall effects of elite and demon rulership going into terminal development as part of the "rocking";

4. We must realize God is permitting these globalist inspired intrigues to plague the world progressively as part of the actual "rocking the nations" becoming literal, to inspire repentance in those who these plagues affect the awareness of but inspire the recognition that this is all foretold, and they can repent and live; (Hag2:6-7);

(Revelation 16:5-7) And I heard the angel over the waters say: “You, the One who is and who was, the loyal One, are righteous, because you have rendered these decisions, 6 because they poured out the blood of holy ones and of prophets, and you have given them blood to drink. They deserve it.” 7 And I heard the altar say: “Yes, Jehovah God, the Almighty, true and righteous are your judicial decisions.”

1. But many are not repenting at this time, and so the request of Revelation 6:10 for divine vengeance is getting a prelude as people are fully affected by the governments and powers they have supported in human error coming to a climax condition of tribulations in various forms worldwide as the world goes into it's final terminal progression to Great Tribulation and Armageddon over a number of years; (Matt24:29; 24:21-22; 1Thess1:6-10);

2. God is mapping this progression over these years upon known prophecy also being proclaimed after the Jehovah's Witnesses are properly purified, adjusted and
freed of the counterfeit undercover globalists in power at Bethel;

3. That is also why Jehovah's Witnesses must be judged and purified first; (1Peter4:17) because that ministry must continue free of "man of lawlessness" obstructions to announce the truth; (Zech3:4-7)

Bowl 4

(Revelation 16:8-9) And the fourth one poured out his bowl upon the sun; and to [the sun] it was granted to scorch the men with fire. 9 And the men were scorched with great heat, but they blasphemed the name of God, who has the authority over these plagues, and they did not repent so as to give glory to him.

1. The symbolic "sun" here, by this time, is apex globalist 8th King power as the progressive super-sovereign system over earth controlling national powers like puppets; (Dan1:1-42-43);

2. The "scorching" is thus by remote pyramidal hierarchies of globalist control to affect the national masses in various ways as the nations are purposely drawn into controlled dysfunctions to control the nations toward Babylon the Great's massive religious hard assets and established wealth systems to absorb those for globalist needs of the final cycle;

3. The national powers are also required to worship the globalist wildbeast to survive and retain the now illusion of sovereignty; (Rev13:5; 16-18; Rev17:12-18)

Bowl 5

1. The 5th and 6th bowls break from the four-square earth pattern as well, as they parallel the recovery 5th and 6th trumpet heralded ministry of Jehovah's witnesses in a purified state (Rev9:1-21) whose updated information aids the effect of these plagues meaning to the world while they are occurring:

(Revelation 16:10-11) And the fifth one poured out his bowl upon the throne of the wild beast. And its kingdom became darkened, and they began to gnaw their tongues for [their] pain, 11 but they blasphemed the God of heaven for their pains and for their ulcers, and they did not repent of their works.

Globalism Spotlight and Globalist Container

1. We know from the significance of globalist 8th King developments in the second and third trumps regarding world governmental objectives in open divine exposition, that the "throne of the wildbeast" aspects of globalist 8th King domination is being fully exposed by God;

2. This exposition is significant because it finally accurately combines every defiant zenith symbol and events in various prophecies into one 8th King globalist overall meaning of the globalist "scarlet wildbeast";

A. The "King of Fierce Countenance" of Daniel 8:23-25, is also in the "King of the North" sovereign symbol of globalist world defiance to God's Kingdom climaxing at Daniel 11:44-45; they are the same event and the same as the 8th King "scarlet wildbeast" full bodied world governmental system;

B. And this globalist dominant power leads all the "kings of the earth" to the battle of Armageddon "gathering" as a multi-national array of nations worldwide progressively controlled and collected into the 8th King "scarlet wildbeast" globalist world unification with the final effect being the Revelation 19:19-21 mass defiance against God's Kingdom as the identical, the very same world climax event of Daniel 8:25; 11:44-45. (Hence Revelation 16:13-16)

C. And that whole globalist unification, guiding the national collective whole, are all led by "Gog of Magog" (Satan and the demons) as the Satanic overlords of the entire defiance at Ezekiel 38-39; is Revelation 20:1-3; Isaiah 24:21-23

D. It is ALL the same globalist dominated power system, that has gathered all the national powers into an affront on God's Kingdom after full warning has been given to this globalist 8th King system while the Messianic Kingdom is completing in their face; (Zech4:6-9)

3. That culminating world sovereignty issue is all resolved globally (Rev19:11-21) and universally (Rev20:1-3) at Armageddon;

4. That Biblical exposure of globalist reality of control is to become a plague for the overall wildbeast system national and globalist as this progresses over a number of years commencing in the near future, but irreversible all the way to Armageddon; (Joel3:9-18; Rev16:15-16; 14:14-20; Dan7:25-26; Dan12:1-12; Dan2:31-45; Zeph3:8)

5. That paralleled the Governing Body of Jehovah's Witnesses as also globalist partisan UN operations in those applicable trumpet exposés;

6. The Governing Body of this criminal racket is removed from Jehovah's Witnesses in any spiritually authoritative capacity before the finale upon world globalist powers; (2Thess2:3-12; Zech3:1-10)

Bowl 6

Armageddon Meaning Intensifies as Babylon is Opened Up

1. Significant here is the fact that the apex crystallization (Rev17:11-17) of the multi-national defiant gathering (Rev13:11-15) into globalist full 8th King centered world governmental unification fully develops in the 6th bowl plague;

2. These final culminations are delayed into the end of the series of seven bowls and trumpets;

(Revelation 16:12) And the sixth one poured out his bowl upon the great river Euphrates, and its water was dried up, that the way might be prepared for the kings from the rising of the sun.

Babylon's Euphrates Dries

1. Significant as well, is the opening up of the Babylon the Great "Euphrates river" defense system to aid this consolidation of globalist power as resources are shifted from religious sovereign use worldwide, to national recovery worldwide, to the globalist top systems to aid the globalist controlling gathering of these desperate national powers into the globalist "scarlet wildbeast" zenith sovereign power system actuality that this culminates as; (Rev17:12-18; Dan11:42-43)
2. And this deposition of global religious assets and sovereignty resourcefully aids the final culmination of the consolidative and globalist unification meaning of this conglomeration in full apex defiance to God and Christ's Kingdom authority based on this globalist "north" apex power and authority over earth:

(Revelation 16:13-14) And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the false prophet. 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire inhabited earth, to gather them together to the war of the great day of God the Almighty.

(Revelation 16:15) “Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness.”

(Revelation 16:16) And they gathered them together to the place that is called in Hebrew Har–Magedon.

Bowl 7

1. And that is that, both "Kingdom" systems of the 8th King globalists controlling many nations and Christ's Messianic Kingdom are ready to settle it once and for all, apexing at the same time, with minds set on the same planet earth;

A. The stage is set for the worldwide Armageddon "place" war;

2. The 7th trumpet Kingdom completion of the “Christ Air Event” of the 7th Bowl parallels 1Thessalonians4:17 which parallels 2Thessalonians1:6-10 which must develop from this final 7th plague to full manifestation of Kingdom gathering as well activating Matthew 24:29-31 as Revelation 6:12-17;

(Revelation 16:17-18) And the seventh one poured out his bowl upon the air. At this a loud voice issued out of the sanctuary from the throne, saying: “It has come to pass!” 18 And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great.

This parallels the 7th trumpet climax event of Kingdom completion of all 144000 under Christ:

(Revelation 11:15-18) And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: “The kingdom of the world did become the kingdom of our Lord and of his Christ, and he will rule as king forever and ever.” 16 And the twenty-four elders who were seated before God upon their thrones fell upon their faces and worshiped God, 17 saying: “We thank you, Jehovah God, the Almighty, the One who is and who was, because you have taken your great power and begun ruling as king. 18 But the nations became wrathful, and your own wrath came, and the appointed time for the dead to be judged, and to give [their] reward to your slaves the prophets and to the holy ones and to those fearing your name, the small and the great, and to bring to ruin those ruining the earth.”

This is a summary recap of the whole sequence:

(Revelation 16:19-21) And the great city split into three parts, and the cities of the nations fell; and Babylon the Great was remembered in the sight of God, to give her the cup of the wine of the anger of his wrath. 20 Also, every island fled, and mountains were not found. 21 And a great hail with every stone about the weight of a talent descended out of heaven upon the men, and the men blasphemed God due to the plague of hail, because the plague of it was unusually great.

Summary

1. This six trumpet sequence bridges the period of unknown time between temple judgment (Rev8:2-5) to purifications to the final "two witnesses" sovereign Kingdom warning of God unto the 7th trumpet;

2. Revelation 8:2-5 is the temple judgment of Daniel 8:11-14 as the purifying "fire" event of Malachi 3:1-5 and Zechariah 3:1-7;

3. We see this must go on for several years marked by world known events and prophetic periods; Dan8:14; (Temple judgment timed 1150 days); Rev8-10 (trumpets to final ministerial commission unknown time period); Revelation 11:2-3 (Deployment of final "two witnesses" 1260 day period prior to Temple completion in full 144000 Kingdom "body")

4. The Jehovah's Witnesses Temple system recovery and recommissioned ministry (Zech3:4-10; Rev9-10) must precede the cycle to unfold after (1Peter4:17) so that the world and rival sovereigns can be made aware of the significance of the temple judgment, and what will follow it for a number of years through huge world events;

5. The trumpet and bowl series is announced to Jehovah's witnesses and the world system;

6. Globalist apex world sovereign development is a theme being explained which is currently being covered up by the Governing Body of Jehovah's Witnesses;

7. The Governing Body is shown as the “man of lawlessness” clearly "in the temple of the God", as they are a well developed, hidden, planned and deployed globalist UN partisan infiltration operations seen by incontrovertible evidence of lawless sanctions and policies in compounding massive sins of adultery, reproach and bloodguilt of stumbling willfully being covered up and or excused;

A. As such they are not done attempting to deceive and aid the desolation of the Jehovah's Witnesses worldwide organization in globalist 8th King support;

B. As such they are the target of the divine purge from God's powers shown as angelic in the purification prophecies of Zechariah 3:4-7 and Revelation 8;

8. The internal Governing Body aided operations will be supporting external globalist world events as usual, and this will converge as the judgment time period expires with God's move on the Governing Body and the Jehovah's Witnesses in the 1/3 organizational compromise as per Revelation 8-9;

Temple Judgment Soon

Now that 2Thessalonians 2:3-4 is fulfilled in this prerequisite signal revelation of foretold and purposeful lawlessness in the Jehovah's Witnesses' Governing Body and logically throughout the organization, the temple judgment events can proceed at any time now;
(2 Thessalonians 2:3-4) 3 Let no one seduce you in any manner, because [temple judgment commencement] will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called “god” or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god.

Zechariah 3 Leads to Final Actual & Trumpets

About Zechariah 3

1. Zechariah 3:1 is a judicial court scene with Satan and Joshua’s “attorney” before God.
2. Zechariah 3 was written AFTER the Jerusalem temple foundation (536 BCE) in 520-518 BCE.
3. Zechariah 3 is written mainly for temple COMPLETION, and parallels the inspection, as per Zech3:1-3 of Malachi3:1-5.
4. Zech 3 is an inspection that leads to a cleansing assisted by angels (Zech3:4-7)
5. The “lawless one” cleaned out also parallels this prophecy with 2Thessalonians 2:3-9.

Zechariah 3 Ties to Revelation 8:1-5

1. That cleansing is an answer to prayers; Rev8:3;
2. That cleansing must fulfill prophecy;
3. Both accounts involve angels.
4. All prophecies of temple COMPLETION must fulfill.
5. Temple COMPLETION is also Kingdom completion, and that is beyond 1914’s scope of fulfillment.

Zechariah 3 Leads to Final Fulfillment 7 Trumpets of Revelation 8-11

1. That is how Zechariah 3 leads to the final 7 trumpet world sequence from heaven;
2. The 7th Trumpet is the third woe total conquest of the kingdom of God;
3. The Messianic Kingdom completes slightly before that conquest as per Revelation 10:7, slightly before the 7th trumpet;
4. That is also when the temple 144000 completes;
5. As in Jerusalem's typical temple completion of 515 BCE, the immortal temple of God in 144000 will also complete in the face of the enemy systems;

Jehovah’s Witnesses Must Be Cleansed and Upgraded

1. The first six trumpets of Revelation 8-9 contain an upgrade enlightenment, clarified explanations, expanded scope and exact message of judgment and herald the final judgments that came upon the JW “house” first - to cleanse it (Rev8:1-5); (1Pet4:17 is Rev8:6-13)
2. This final judgment to soon come upon the WHOLE world as well, after this initial trigger event of Zechariah 3; Rev8:1-5, will be carried out by Jehovah's witnesses anointed and "other sheep" approved to continue Revelation 9 all the way to the final "two witnesses" over an unknown time period.
3. This divine clarification and cleansed ministry with removal of all frauds in the JW temple system continues the worldwide ministry of JWs (from 1919 Rev8/9) with an upgraded exact “little scroll” truth.
4. That means Revelation 9 must bridge to the final second "two witnesses" of Revelation 11.
5. That leads from Revelation 9 to the 7th Trumpet end of the world of the rival sovereigns of the "Kingdom of the World"!; (Rev11:15-18; parallel Temple completed at Rev11:19)

Revelation 8-11 Parallels Revelation 15-16

This parallels Revelation 8-11 with Revelation 15-16 in final fulfillment of the near future.

Revelation 15 is the final precursor 144000 completion “great sign seen in heaven” as part of the "enlightenings" of Revelation 8:5 cleansing and subsequent "lightnings and voices" of truth.

These heralds guarantee from prophecy that the 144000 will complete in the duration of this series at it's ”7” climax as the 7 trumpets parallel the 7 bowls finality through to Armageddon final battle of Rev 19:19-21; Rev20:1-3.
Like Isaiah 6 and Isaiah's cleansing for divine commission, the "sanctuary of the tent of the witness" is also filled with the smoke and glory of God; Rev8:1-5, Rev15:1

This incomplete temple "tent" is not accessible as it, the "tent", awaits finalization of the completed 144000, the finished and completed Temple of Jehovah; Christ headstone set; Zech4:6-8

= Jehovah's Witnesses Final Ministry Parallels it All Through GT

Jehovah's Witnesses clarified final ministry in the near future will parallel on earth these final 7 trumpets, and final 7 bowls.

This means this will ALL come true, WHILE Jehovah's witnesses are in climax mode of prophesying worldwide!

This leads to Revelation 16:17 and the great "air event" of that 7th bowl poured on the "air"; (Ephg2:2; 6:12; 1Thess4:17)

This must find a small number of surviving anointed, "who are surviving" that Christ must gather (1Thess4:17; Luke17:37), in God's timing, not that of the wildbeast kills of Rev6:9-11 (Rev11:1-12), to complete the 144000 at this time.

= The Seventh of Everything

This 7th bowl event slightly precedes the 7th trumpet, and aligns with Revelation 10:7, and leads to absolute total conquest of earth; (Dan7:25-26; Rev19:19-21) and the universe; (Rev20:1-3)

Since Jesus Christ is the glorified "headstone", the 144000 are completed at Revelation 16:17 "it pass come to pass", which will herald the final 7th Trumpet total universal and earth conquest of Revelation19.

= Zechariah 3:4 Triggers the Preparation for the 7 Trumpets

This is more important than it may appear.

The big question: Where does Zechariah 3 link to the final Revelation cycle?

As we already can figure out now, Zechariah 3:2-9 parallels Malachi 3:1-5, the temple visitation in inspection (Zech3:1-3) and clean-out (of lawlessness in JW temple) (Zech3:4) that will have continued clarifications* and refinements as per Malachi 3 final fulfillment. (*The "lightnings" and "voices" of Rev8:5)

= These clarifications will affect the truth greatly - revealing a certain mode of final fulfillment based on the minor mode of initial fulfillment in 1914.

That is shown in the new "lightning" of Revelation 8:5, and the "voices" of explanation that follow that Revelation 8:1-4 fire cleansing in response to the "prayers of all the holy ones" in Revelation 8. That cleansing by altar fire, is similar to Isaiah 6, where Jehovah enters the temple in smoke and glory similar to Revelation 8:2-4, and Revelation 15.

Revelation 8:1-5 parallels Revelation 15:1-8, where the "tent", a symbol of an incomplete temple, is also filled with smoke. It also sees the 7 angels with the bowls prepare to pour them out as well.

The angels of the 7 trumpets and 7 bowls parallel each other, as Revelation 8:6-16; Revelation 9-11 parallels Revelation 16's seven bowls. They all end up at the same place, temple completion and kingdom completion to total conquest.

For your information the "great crowd" of Revelation 19 is the 144000 completed, before they are involved in delivering the "great crowd" of earth.

So Jehovah has shown, Zechariah 3:2-9 is the cleansing of Revelation 8:1-5, and the 7 trumpets and Revelation 16 "bowls of God's anger" in final fulfillment will lead to and overlay the "little scroll" eaten, and the final second "two witnesses" of Revelation 10 and 11 respectively.

So, this information is good to have.

When this hits the JW "house" first, as per 1Peter 4:17 (Eze3), we will know what will soon follow. The "lightning" and "voices" MUST get into the mainstream JW
system through the anointed made aware of ALL this, which transpires after the "lawless one" is revealed and neutralized.

That is why this is more important than it appears. It is the lead in to the final chapter of this period!

Zechariah 3 Leads to Final & Actual Seven Trumpets - Revelation 8-11 Will Parallel Revelation 15-16

About Zechariah 3

1. Zechariah 3:1 is a judicial court scene with "prosecutor" "resister" Satan and Joshua's "attorney" angel before God;

2. Zechariah 3 was written AFTER the Jerusalem temple foundation (536 BCE), written in 520-518 BCE along with the book of Haggai;

3. Zechariah 3 is written mainly for temple COMPLETION, and parallels the "temple inspection", as per Zech3:1-3 paralle of Malachi3:1-5;

4. Zechariah 3 is the "temple inspection" that leads to a cleansing assisted by angels (Zech3:4-7 parallels Rev8:2-5);

5. The "lawless one" cleaned out also parallels this prophecy with 2Thessalonians 2:3-9;

6. The "lawless one" is the main cause of the "befouled garments" of Zechariah 3:1;

Zechariah 3 Ties to Revelation 8:1-5

1. That cleansing is an answer to prayers; Rev8:3;

2. That cleansing must fulfill prophecy;

3. Both accounts involve God's angels;

4. All prophecies of temple COMPLETION must fulfill in the near future;

5. Temple COMPLETION is also Messianic Kingdom completion, and that is beyond 1914's scope of fulfillment - this ALL must have a final fulfillment cycle to ultimate completion and conquest climax;

Zechariah 3 Leads to Final Fulfillment 7 Trumpets of Revelation 8-11

1. That is how Zechariah 3 leads to the final 7 trumpet world sequence from heaven (Rev8:6-13);

2. The 7th Trumpet is the final and "third woe" total conquest of the kingdom of God;

3. The Messianic Kingdom completes slightly before that conquest as per Revelation 10:7, slightly before the 7th trumpet; (Rev11:15-18);

4. That is also when the temple 144000 completes;

5. As in Jerusalem's typical temple completion of 515 BCE, the immortal temple of God in the 144000 will also complete in the face of the enemy systems;

Jehovah's Witnesses Must Be Cleaned and Upgraded

1. The first six trumpets of Revelation 8:6-13; Rev9 contain an upgrade enlightenment, clarified explanations, expanded scope and exact message of world judgment and herald the final judgment of cleansing that came upon the JW "house" first - to cleanse it - and what that means for the world system (Rev8:1-5); (1Pet4:17 is Rev8:6-13);

2. This final judgment to soon come upon the WHOLE world as well, after this initial trigger event of Zechariah 3; Rev8:1-5, will be carried out by Jehovah's witnesses anointed and "other sheep" approved to continue Revelation 9 all the way to the final "two witnesses" over an unknown but brief time period;

3. This divine clarification and cleansed ministry with removal of all frauds in the JW temple system, currently operating unchecked, continues the worldwide ministry of Jehovah's Witnesses (from 1919 Rev8/9) with an upgraded and expanded but completely exact "little scroll" truth;

4. That means Revelation 9 must bridge to the final second "two witnesses" of Revelation 11; (1260 days x 2 = 2520 days; 7 "times");

5. That leads from Revelation 9 to the 7th Trumpet end of the world of the rival sovereigns of the "Kingdom of the World"; (Rev11:15-18; parallel Temple completed at Rev11:19);

Revelation 8-11 Parallels Revelation 15-16

1. This parallels Revelation 8-11 with Revelation 15-16 in final fulfillment of the near future.
2. Revelation 15 is the final precursor 144000 completion "great sign seen in heaven" as part of the "enlightenings" of Revelation 8:5 cleansing and subsequent "lightnings and voices" of truth.

3. These heralds guarantee from prophecy that the 144000 will complete in the duration of this series at it's "7" climax as the 7 trumpets parallel the 7 bowls finality through to Armageddon final battle of Rev 19:19-21; Rev20:1-3.

4. Like Isaiah 6 and Isaiah's cleansing for divine commission, the "sanctuary of the tent of the witness" is also filled with the smoke and glory of God; Rev8:1-5, Rev15; Isa6

5. This incomplete temple "tent" is not accessible as it, the "tent", awaits finalization of the completed 144000, the finished and completed Temple of Jehovah; Christ headstone set; Zech4:6-8

= Jehovah's Witnesses Final Ministry Parallels it All Through GT

1. Jehovah's Witnesses clarified final ministry in the near future will parallel on earth these final 7 trumpets, and final 7 bowls.

2. This means this will ALL come true, WHILE Jehovah’s witnesses are in climax mode of prophesying worldwide!

3. This leads to Revelation 16:17 and the great "air event" of that 7th bowl poured on the "air"; (Ephg2:2; 6:12; 1Thess4:17)

4. This must find a small number of surviving anointed, "who are surviving" that Christ must gather (1Thess4:17; Luke17:37), in God’s timing, not that of the wildbeast kills of Rev6:9-11 (Rev11:1-12), to complete the 144000 at this time.

= The Seventh of Everything

1. This 7th bowl event slightly precedes the 7th trumpet, and aligns with Revelation 10:7, and leads to absolute total conquest of earth; (Dan7:25-26; Rev19:19-21) and the universe; (Rev20:1-3)

2. Since Jesus Christ is the glorified "headstone", the 144000 are completed at Revelation 16:17 "it pass come to pass", which will herald the final 7th Trumpet total universal and earth conquest of Revelation19.

Jehovah Has Them Right Where He Wants Them: Inside

Jehovah’s organization is currently here since 1991:

(Zechariah 3:1) And he proceeded to show me Joshua [FDS/Org] the high priest standing before the angel of Jehovah, and Satan standing at his right hand [GB] in order to resist him.

Massive "Earthquake" (Zech3:1-4) to Hit Jehovah’s Witnesses BEFORE the Great Tribulation

Jehovah is about to make a distinction in His organization between Jehovah worshippers and GB worshippers, FDS worshippers and Org worshippers as well as those worshipping their own power and position in His organization, worshippers of self.

Any true anointed of Jehovah knows the organization has a problem. A temporary problem; (Zech3:1-4) A problem that will require angelic assistance from Michael and his boys as prophecy, by Jehovah's perfect prophetic strategy already revealed to be carried out in a little while:

(Zechariah 3:2-4) Then the angel of Jehovah [Michael/Christ] said to Satan: “Jehovah rebuke you (1), O Satan, yes, Jehovah rebuke you (2), he who is choosing Jerusalem! Is this one [FDS/Org] not a log snatched out of the fire?” 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to those standing before him [angels]: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”

These current developments are all identified by biblical prophecy and patterns that must repeat according to the great fulfillments already demonstrated in 515 BCE,
Jehovah uses patterns and the bible as a live communication by holy spirit with his REAL servants, and these servants transmit the meaning as it becomes known to their brothers in the fields.

Zechariah 3 - The Most Important Prophecy for Jehovah's Witnesses NOW

Zechariah 3 is a great segway prophecy to Zechariah 4. Zechariah 4 is a parallel prophecy in principle to Revelation 11 and the "Two Witnesses" (2W2) FINAL FULFILLMENT WORLDWIDE second ministry to begin soon. ALL these prophecies MUST and WILL have a grand final fulfillment that will shake this world to its core; (Mal4). Zechariah 3 leads to the completion of the Messianic Temple 144000 under Christ the "Head" "Top" "Stone":

(Zechariah 4:7) Who are you, O great mountain? Before Zerubbabel you will become a level land. And he will certainly bring forth the headstone. There will be shoutings to it: "How charming! How charming!""

(Revelation 11:12) And they heard a loud voice out of heaven say to them: "Come on up here." And they went up into heaven in the cloud, and their enemies beheld them.

(Revelation 11:19) And the temple (144000) sanctuary of God that is in heaven was opened, and the ark of his covenant was seen in his temple sanctuary. And there occurred lightnings and voices and thunders and an earthquake and a great hail.

All the above will have a FINAL fulfillment in the near future among Jehovah's people. You are seeing this light, and hearing this voice of what WILL occur soon. Zechariah 3 leads to these events, that is why Zechariah 3 is so important NOW.

Final Two Witnesses Global Ministry of Jehovah's Witnesses

There will be a final 1260 day, a second "Two Witnesses" global campaign by Jehovah's witnesses as Zechariah 3 fulfills before their very face. 2W2 is the great "little scroll" Sovereign Ultimatum of Jehovah and Christ to this world concerning the guaranteed fact the 144000 Kingdom and Temple will complete IN THE FACE of the 8th King/King of the North forces and will eliminate them to a man, and take as POW Satan and the demons their weak leaders.

2W2 is the LAST organized ministry of Jehovah through his witnesses to the world. 2W2 will deliver the reports that finally enrage the King of the North, and get him onto the battlefield of Armageddon so that Michael and Company can exterminate him with all kinds of prophesied device, technique and varied means of having some fun on the 8th Kings face TO HIS FACE!

8th King and 2Horned-Wildbeast Boys Are "On To" Jehovah's Witnesses

The 8th King, specifically the two-horned-wildbeast operatives of Revelation 13:11-15 know full well, and have known full well the claims of Jehovah's witnesses' anointed, that by divine power, these spiritual "new creation" images will leave the human form by Jehovah's power, assume divine immortal spirit state in the form of Christ the Mighty God, and will thrash the 8th King all over earth, by all means of destruction known to man, BUT from perfect supernatural powers and intellectual capacity far far beyond that of mere humans.

Flesh rotting off of the human frame, teeth turning to chalk, eyes melting, bones separating from themselves and dissolving, brains inundated with exotic celestial viruses, utter mental confusion, insanity, plague and disease like these elite wanabee "gods" aint never seen, nor will see again. Bending, shifting and reversing of physical laws, speeds at trillionths of a trillionth of a second, no "time" or "space" constraints in other words. Waves of perfectly directed earthly forces in rains, ice sheets and daggers, skin peeling sleet, heatwaves, bone freezing snows and blizzards, tank smashing hail, thousand mile an hour jet eating winds, city devouring hurricanes, remote control tornadoes, super cyclones, grinding and drilling "dust devils". Earthquakes, volcanoes, tidal waves, torrents, landslides, rock slides, flying boulders and all sorts of debris. Whatever it takes to "kill 'em all".

That is what Jehovah, Christ and the 144000 with billions of holy angels are bringing to the elites and their puppet show; (2Thess1:6-10; Joel 3:9-12)

Penetration of satellites, computer systems and weapons intelligence control with perfect understanding of these rudimentary human devices to be used against the enemy himself instead, utter inoperability of weapons systems and devices, cold and hot melting metal, glass, rubber and plastic, total blacker than black blackness, blinding light, lightning, anti-matter and even meteonic barrage and endless and precognitive "yottawatts" of perfectly directed energy with nano atomic precision. Energies NOT of this world. Energies that devour matter. Plus the ability to inhale and eat for breakfast the greatest human energies known to humans on earth, now and forever.

Shapeshifting like you aint never seen shape shifting of multiple entity forms, whole armies, from one cognitive awareness perfection and light speed dimensionless intelligence.

Stuff like that, you know.

The King of the North is Toast: Black Toast

In other words, human elite special forces and weapons security systems are pretty much toast when this day finally erupts on their heads. Hiding places in bunkers and vehicles are useless. Provisions will become maggots. Gold will become fire. That is why this final attack of Jehovah and Christ has no need to be an "instantaneous" one day event. Some places it will be the "end of the world", eventually every place will have the enemy humans dragged out and destroyed. There is no rush, they will hunt the King of the North and King of the South down like tracking wounded bears. They will save and sift the "great crowd", WHILE frying special forces like mosquitoes in terrawatt bug lites.

The Messianic Kingdom Forces are going to perfectly apply angelic and divine level absolute perfect timing and strategies like a big chess game, like a turkey shoot, and they will toss the kings of this earth, into the eternal bonfire alive, where they are hiding, as per perfect predetermined expiration hour, minute, second, to the micro-second, to the known last breath count, and last heartbeat count, since these swine's hearts started beating in Satan's womb. (No offense to earthly mammalian pigs.)

Jehovah is sanctifying His name for this period of time.

These are the things, the kind of fires, coming for the King of the North and all his little clay dolls, puppets and soldiers, and ALL lovers of sin and lies today, all the cowards afraid of the truth and all the programmed TV zombified lust and money lovers. These are the powers so intense by Jehovah and Christ, the Devil will soil his shorts, the primadonna demons will wail and be beaten down like rotten eggs, and they will all be rolled up, shelved and stuck in the freezer of abyss into active neutralization and personal withdrawal. An there aint a thing even Satan can do to stop even one of these events, his days, and the days of his evil empire of sin, are
through.

But God gives fair warning, unlike Satan.

So I am a Jehovah's witness, and I know and believe our truth from Jehovah through Christ, and I know the scale of our weak enemy in this final ministry, and the desire of Satan to stop the final 2W2 ministry, which is impossible, but he and the 2Horned-Wildbeast (2HWB), 8th King "scarlet wildbeast" (8K); "King of the North" (KN) globalist powers will try to stop us anyways. Might as well, what else have they to do but eat, drink, be merry, and try to last another day in their bean counting sins and addictions. They have a number of days written on their head, a number that will expire. Only so many grains in these hourglasses anyways.

These globalist apex, top ring "seed of Satan" powers know full well what the anointed in Jehovah's witnesses mean for their annihilation, and detachment from their lust, greed and murder orgies that they run the earth for with Satan and the alien demons. These are evil men, addicts, who are of a pseudo-human lot that is a one shot deal, permitted by God since Genesis 3:15 to be within Satan's "whole number" of allowed Satanic "seed" on earth. Most humans are not of this apex power group. Most humans on earth are used and duped by these powers; (Rev12:9; Rev13:14), and most humans on earth will end up being annihilated by these powers they are now serving; (Matt24:21-22), or set into a position of annihilation against God's Christ, Kingdom and full array of battle angels at Global Armageddon; (Rev16:13-16) Some humans will be spared; (Rev14:14-16; Rev7:9-17; 2Thess1:6-10)

Satan in Check

Satan is in checkmate and so is 8K-KN. They want to destroy the last of the 144000. But in so doing they know full well the tidal wave of immortal destructions that will bring on their little global carnival here. That is a 'dannned if you do, damned if you don't' sort of crust. Yet Satan knows and admits his time is short; (Rev12:7-10), and he knows eventually he will have to make his final move for global extermination rather than his last fest business as usual, because only the abyss awaits Satan and he will know when that point of no return arrives; (Eze38), he will be drawn to make his move. Satan has no loyalty whatsoever to ANY human being, and that means his own seed of earthing 8th King sock-puppets is fully expendable (and so are the rest), and just a means to his own lusting and power tripping ends now, but that will change. He is done, he knows it, he will enter his desperation with his abyss bound demons after 6000 years of unbridled lust, lies, murders and rape. Of course they do not want to go to the hole with bread and water.

At some point, the 144000 will be completed anyways; (Rev 11:1-19; Rev14:1-19), because the final number is collected to the Great Eagle sometime after the 1260 day event in GT, after BTG is exterminated, to begin the 1290 day period of the Sovereign Court of Daniel 7:26 final fulfillment. The King of the North and all his puppets and cronies has a court date set in that judgment. They can't pull a failure to appear, the earth is the courtroom, they are already here. The timing of that judgement is unknown. But, the KN powers will be resisting that judgment, and will be force fed fire from above anyways, to the last man strapped into the gigawatt "electric chair". 

So there Jehovah's witnesses! these guys know who you are. They know who we are at their top level control. The rest of their duped globalists, and 1% national fools, and what have you make no difference to the top of the 2HWB, 8K, KN power system. The dragon and the wildbeast are not mirrored in seven headed structure for nothing; (Rev12:1-3; Rev13:1-11).

Jehovah's Organization has been a Target for Years

These guys have wanted to infiltrate Jehovah's organization for years, and in fact these guys have been allowed to infiltrated Jehovah's organization to fulfill prophecy, and for Jehovah to give a great sign to Jehovah worshippers, and to clear out as many GB worshippers as possible. To clear out as many FDS and Org worshippers as possible as well, and as many positional worshipers of themselves as possible as well. Any pedophiles in Jehovah's org of course will also be exterminated in time, the rest are filtered out AFTER this period coming up.

IF JEHOVAH WOULD NOT ALLOW THE IDOLIZATION OF HIS OWN PERFECT GLORIOUS SON IN CHRISTENDONE, HE WILL NOT TOLERATE GB WORSHIPERS OF WORSHIPPERS IMPERFECT MEN IN HIS ORGANIZATION. YOU ALL WILL BE REMOVED SHORTLY, IN TWO WAVES.

You ought to leave now, at least you can eat, drink and be merry and have a little fun for the time you have left. For those of you that the Devil inspires and God allows to remain, this next event in Jehovah's org will call you out, then the 1260 day purge will finish you if you attempt to remain with us.

GET LOST!

Modern Judas Revealed? Yes.

See, Jesus Christ is the key to ALL truth and exposé. The Christ seven day pattern has much truth in it. That seven day pattern was from his arrival to Bethany on the Mount of Olives, to the Temple (3 times), to the Passover, to his sacrifice. That pattern overlaid in 1914 as well, it also stretched over to WW2 doctrinal final "temple cleaning", and to this final "temple termite denunciation" we are now approaching as the Temple 144000 complete very soon.

At some point, the 144000 will be completed anyways; (Rev11:1-19; Rev14:1-19), because the final number is collected to the Great Eagle sometime after the 1260 day event in GT, after BTG is exterminated, to begin the 1290 day period of the Sovereign Court of Daniel 7:26 final fulfillment. The King of the North and all his puppets and cronies has a court date set in that judgment. They can't pull a failure to appear, the earth is the courtroom, they are already here. The timing of that judgement is unknown. But, the KN powers will be resisting that judgment, and will be force fed fire from above anyways, to the last man strapped into the gigawatt "electric chair"

What we know about Judas is he exposed himself day one of Jesus seven day final pattern on earth. Yep, Judas started whining about that genuine nard perfumed oil, weeds, the fool "virgins" and the counterfeit "marriage garment" hypocrites, FROM THE TOP DOWN. Jehovah will begin His inspection, and has, in the GB bedroom, God destroyed him, he went nuts. Same with Jehovah's organization today, Jehovah is not abandoning His sheep, He is cleaning out the viral rot that has come in, the "cleaning", and to this final "temple termite denunciation" we are now approaching as the Temple 144000 complete very soon.

There is more to that whole pattern, than meets the eye at first read.

One of those little truths, is that of Judas Iscariot's operation among the apostles. Christ did not condemn all the apostles, he cleaned out the one traitor and thief, and God destroyed him, he went nuts. Same with Jehovah's organization today, Jehovah is not abandoning His sheep, he is cleaning out the viral rot that has come in, the weeds, the fool "virgins" and the counterfeit "marriage garment" hypocrites, FROM THE TOP DOWN. Jehovah will begin His inspection, and has, in the GB bedroom, right in the chairman's own dresser.

What we know about Judas is he exposed himself day one of Jesus seven day final pattern on earth. Yep, Judas started whining about that genuine nard perfumed oil, because he could have spent that on the little girls or boys downtown. Judas exposed he was a greedy thief. But Judas could NOT pervert the truth could he?

No.

THE ONLY THING A JW COUNTERFEIT JUDAS ELEMENT CAN DO IS EXPOSE THEMSELVES, STUMBLE AND BETRAY AND BE EXTERMINATED SHORTLY. THAT IS ALL THEY CAN DO. THEY CANNOT PERVERT THE TRUTH FOUNDATION. THEY TRY TO DELAY IT, WATER IT DOWN, AND MISDIRECT IT.

And it appears, in this Zechariah "befouled garments" stage, this "Judas" element is right in the "apostles", right in the 12 of Jehovah's organization, and has been there since the thing that acted as a restraint, Brother Fred Franz, was no longer able to control the Henschel allowed agents to operate unrestrained, with two great bold moves on Jehovah's organization from the getgo.
TWO UNSCRIPTURAL DECISIONS WITH MASSIVE FUTURE CONSEQUENCES FOR JEHOVAH'S ORGANIZATION!

We will cover one now.

1. Since when is Jehovah going to inspire a decision that brings reproach upon his own name?
2. Since when is Jehovah going to inspire a relationship that causes the stumbling of 500,000 people by falling out of, or never coming into Jehovah's organization?
3. Since when does Jehovah say it is ok to prostitute His beloved Daughter to the UNNGO specialized demographic promotion group?
4. Since when is it ok for the GB to take the hand of Jehovah's Daughter, with no one's permission but their own, and place it into the filthy hand of the "unclean thing"?
5. Since when did Jehovah allow a handful of men, to completely compromise the integrity of the entire "faithful and discreet slave's" global reputation? Thereby the reputation of all Jehovah's witnesses?
6. Since when does Jehovah inspire a decision that sullies the very name of Jesus Christ (Joshua), thereby Jehovah is brought into reproach, and His great Name is now attached to the UN "disgusting thing" for years.
7. Since when do men managing Jehovah's organization, claiming to be anointed, not even offer so much as one apology for such a travesty? That these poor blind men cannot even detect the seriousness of their actions by now? That these men cannot see a plain virus in full operation in their own household?

Well, since 1992, that is "since when". Since the 8th king compromised Jehovah's organization from within the GB, that is "since when".

Do you now understand why the GB has had no "new light" in 20 years?
Do you now understand why the GB cannot break from 1914 mode, although that COMPLETE PROPHETIC PATTERN is just about to go into FINAL FULFILLMENT REPLICATION in the near future?
Do you see why the GB cannot and will not ascertain Zechariah 3 until they have the termites cleaned out shortly?
Do you now understand why Elijah is now confronting the GB as per Malachi 4:5 prophecy? Why the GB is NO Elijah but in a befouled mess of serious sins compounding for 20 years?

BECAUSE ZECHARIAH 3, IS ABOUT THE GB, JOSHUA'S "RIGHT HAND", AND THE FACT THAT JEHOVAH IS GOING TO CLEAN OUT THE GB WITH A MIGHTY ANGELIC EVENT, AND PUT IN REAL PROPHETS IN THE PLACE OF THE COUNTERFEIT SELF-SMOOCHERS THAT HAVE BEEN SULLYING THE GB FOR 20 YEARS!

BY ANGELIC ASSISTANCE NO LESS!

BECAUSE THE FINAL TWO WITNESSES GLOBAL, OF THE NEAR FUTURE, CANNOT BE STOPPED BY MORTALS!! LOL

(Revelation 11) Now as for the final Two Witnesses, the finale of Revelation 9 as the worldwide segway to Revelation 10

How can these men now have raised the ire and notice of the Almighty God because these men have now raised the ire and notice of the Almighty God who is the utterance of the Sovereign Lord Jehovah,

Therefore say to the house of Israel, 'This is what the Sovereign Lord Jehovah has said: “Not for your sakes am I doing it, O house of Israel, but for my holy name, which you have profaned among the nations where you have come in.”' 23 ‘And I shall certainly sanctify my great name, which was being profaned among the nations, which you profaned in the midst of them; and the nations will have to know that I am Jehovah,’ is the utterance of the Sovereign Lord Jehovah, ‘when I am sanctified among you before their eyes.

Jehovah is now TELLING THE GB TO THEIR FACE, that the LIVING GOD, IS COMING FOR THEIR FIRST INSPECTION AND THEIR FRAUDS, and they WILL fulfill Zechariah 3, and will be proceeding with the final true "new lightning storm" over planet earth, and we will be beginning the segway ministry to the final Two Witnesses, the finale of Revelation 9 as the worldwide segway to Revelation 10-11 final fulfillment!

While the GB naps, Jehovah has been working to finish the truth without them because they must FIRST fulfill Zechariah 3. So, the retardation operatives in the GB,
Ever wonder why there are over 25 words in Revelation 9 that repeat, that occur twice? Because Revelation 9 is the bridge since 1919 to the FINAL TWO WITNESSES GLOBAL SOVEREIGN ULTIMATUM OF THE LORD JEHOVAH GOD ALMIGHTY TO THIS WORLD'S END.

Alright, I know most Jehovah's witnesses are naive about real reality in their own midst:

(Luke 16:8) And his master commended the steward, though unrighteous, because he acted with practical wisdom; for the sons of this system of things are wiser in a practical way toward their own generation than the sons of the light are.

The GB Has Been Acting Strange, Ever Noticed That?

THE GB HAS A MOLE NEST

We have good reason to believe the lack of "new light" and other strange GB developments are due to serious compromise of spirituality, for 20 years since Franz the Great, and obviously a demonically aided infiltration; (Zech3:1–2), because these things are now:

(1) systemically evident, terminally undeniable;
(2) interconnected to other negative developments as if engineered to be so;
(3) creating an unmistakable trend of idolatry IN Jehovah's house, and;
(4) attaching Jehovah's name to the very enemy system "disgusting thing", while;
(6) closing off a 2 billion person organized web ministry, and;
(8) allowing a Gehenna bound modern "son of destruction" apostate class to be unwarned as a class globally, thereby bringing all Jehovah's witnesses into the bloodguilt illustrated at Ezekiel 3:17-18.

(9) This class is also allowed to present only their side of the story with NO refutation from official ministerial sources whatsoever, with GB blessing to do so.

YO GB YOU GOTTA VIRUS!

All a big coincidence? You think this is all fooling Jehovah and Christ and the holy angels? You think this was just going to go on forever?

In other words Jehovah's organization is now running a 20 year old, now self-protecting systemic Satanically engineered org "retro-virus", a deadly virus with too much evidence, side-effects and synergy, to be purely random and accidental.

That is why Jehovah is NOW identifying what He has known all along, so that the prophetic certainty of these things, and the biblical identity of these things can be full realized by Jehovah's witnesses anointed, all Jehovah's witnesses, and the current so-called Governing Body, that:

JEHOVAH IS ON TO YOU TOO NOW, AND ALWAYS HAS BEEN, AND YOU ARE POSITIONED TO FULFILL PROPHECY JUST LIKE JUDAS ISCARIOT OF THOSE GUILTY AMONG YOU. GET READY TO MEET GOD.

FYI: You are now being targeted by Jehovah and Christ.

Engineered Three Stage Org Retro-Virus: The Evidence, Interconnectivities, and Synergistic Goal of This Well Designed Retro-Virus

[First off, I do not believe the whole GB has gone bad (then or now), but like the "Judas" type of the seven-day Christ pattern, a compromise has occurred, I REPEAT A COMPROMISE HAS OCCURRED, caused by any or all of the following in the GB: (1) Unanointed self-worshipers (weeds/fake marriage garmented), (2) anointed who went oil dry (reject foolish virgins), (3) external 8K globalist operatives, (4) plainly foolish anointed who are now involved in very very serious compounding error and sins.]

8K OP-GB Originated Viral Overview

Stage 1 - Infect:

This virus is like a retro RNA replicating virus, or a computer Trojan virus. It has infection/install, stages, procedures and functions that inter-relate to the FIRST position compromise, with multiple goals of damage, in subtle undetectable multi-processing modes. It also wants to become simply "part of the org" DNA so that even unaware future Governing Body members simply think the DNA was "always like this", "business as usual", thereby once it is running it needs no more assistance from external operatives to keep infecting and thriving.

Stage 2 - Steroid:

It runs in 10 year levels, of 3 stages (1) infect, (2) expose, (3) massive stumbling event. The goal was to create a secret invisible compromise too imbibed to be easily addressed after detection, that would create an external attack on the organizational main bodies of GB-FDS-Org, which would then react by repairing and fortifying those bodies being attacked perpetually as they were also perpetually attacked. A self reinforcing cycle would set in, like "idol steroids" on these bodies, attack-rebuild, attack-rebuild, attack-we-got-an-idol-now, attack-we-got-an-idol-now!

Goal - Faith Diffusion:
The external "attacker body" is the apostate and opposer class, that pummel the GB, FDS and Org bodies, because they have valid ammo provided by the head GB body itself, the viral entry point, the main first infection point, the GB commencing VD.

The Org then ends up progressively creating such a mitigation response to bolster it's own attacked bodies, it subtly but perpetually diffuses the formerly focused faith on Jehovah alone, to overemphasis upon the GB, the FDS and the Org, year after year after year after year after year. After year.

The viral purpose is thereby to weaken faith in Jehovah through diffusion to "bodies" of men, and create subtle but compounding idolatry, that intensifies year over year, until the bodies steal focus and sanctification from Jehovah regularly, installed in the Jehovah's witnesses minds that way, year over year.

Stage 3 - Grand Finale:

This also focuses attention, "faith" attention on bodies which can be compromised later, for a PRE-PLANNED MASSIVE STUMBLING EVENT, targeting the faith now developed upon those targeted bodies, rather than faith in Jehovah.

Negative Side Effects: Year After Year

This creates a holy spirit vacuum as well. Jehovah yanks the top level blessing, because this is perpetually subtle, yet gross sin. The secondary effect is unrepentant sin, in the leading bodies themselves, reproach, idolatry, denial and now a virus that is in self-protection mode, anyone pointing it out, is "apostate"? Stereo the bodies more! More! Kill the apostate! Protect the Viral DNA!!

The Virus RNA is now embedded in the Org DNA, even in ALL the "body" "images".

Subtle and Under the Radar:

This virus is SUBTLE and multi-tasking, 10 year subtle cyclic compounding developments to FUBAR spiritual reality (log in fire), 10 year sin base of operations, a 20 year infiltration from the top, 20 year "new light" kill switch.

Initial 10 years in viral infection (and infiltration, wake up brothers) to perpetual damages, 10 years attack and idol steroiding mitigation and diffusion of sanctification and faith AWAY from Jehovah with concurrent 10 years progressive darkness and an obvious massive stumbling grand finale event planned, then hoped for final divine condemnation by missing the final "little scroll" and the final 2W2.

But Jehovah is going to disrupt this and use it for the purpose of God, not the 8K; (Zech3:1-4)

Death Trap: End Viral Objective

The final event, the final virus function is a stumbling event designed to target the poor Jehovah's witnesses many who by now, have put way way way too much faith in these organizational idols inflated beyond all 1990 recognition in GB mental image, FDS mental image, and the Org mental image itself, things NEVER provided by Jehovah to receive ANY faith whatsoever!

Obviously those GB/FDS/Org bodies will be the compromisable "image" target of the PRE-PLANNED, PRE-PROGRAMMED stumbling event (whatever it may be), which is of course much much easier than having to attack Jehovah which is impossible to compromise. Get the idea here brothers? Can someone really just make all this up?

Had this continued in this trajectory another 10 years, the GB would be Gehenna toast, all would be lost:

(Zechariah 3:2b) Is this one [FDS/Org] not a log snatched out of the fire?

Once enough attention is drawn to the org bodies, a massive stumbling event is later targeted upon those bodies for the final stage of this virus, divine condemnation is hoped for. Those putting faith in those bodies, will be blown of the ark like dust in a little while. That is why this virus second stage main routine and objective, was to create and diffuse faith unto human bodies; the GB idol, the FDS idol and the Org idol. These are going to be whacked big time, before the GT even begins as per prophecy. We see the setup now.

Double Guarantee

BOTH the 8K GB infiltration AND Jehovah want an event, so the event is certain.

Jehovah though uses it for cleansing, the 8K infiltrators just want to noose as many as they can, the GB ran the whole thing like duped fools, well infiltrated since Henschel's time. They obviously have a compromise operating masterfully within themselves and the organization for 20 years now detectable. That organizational compromise is where the final event will be run from for maximum effect possibly. Jehovah though, is going straight into the GB to fulfill prophecy, that is the core viral rot location that has to be "immunized" as per prophecy at Zech 3:1-10.

No one dupes Almighty God you 8th King drone fools.

Jehovah will also use this now, to make a first sweep as well, and that is why this is permitted, it will filter out the GB-FDS-Org idol worshipers, wham, bam, slam see ya sam. And it will accommodate an angelically executed exercise of divine power to retake the organization for the final missions (Rev10/11), possibly exterminating but at least removing and neutralizing the infiltration by divine power as per prophecy.

It's coming, remember who is to be worshiped: JEHovah, NOT THE GB, FDS, OR ORG!

Silent Mode

In the meantime, this demon designed virus just keeps running in this "invisible mode", it is now "part of the Org", to distract any attention from itself, toward the new forming idol bodies themselves, and to subtly keep stumbling through the web, day after day, month after month, year after year, chunk another one on the GB account.

The GB tries to ignore the web, but the 8K stumbler agents do not, they spread this reality far and wide, they feed it to the apostates like candy, the innocent GB members remain blind to their own predicament (for various reasons), the infiltrators operate under formalistic facades and visuals.
Most GB it appears are just complacent, eating cherry pie as usual, or should it be apple today?, picking out ties, living the CEO blissful dream, throw another log in the fire! LOL. 

But in any event, the GB keep accruing guilt like Sodom. Befouling even Joshua's "garments" worldwide. The GB are in the fire, compromised by 8th king agents.

This obvious virus now has achieved the goal of high level enlightened blessing being suspended from the GB for years upon years; (Eze16:27), opening up perpetual apostate "women hating you" attack as per prophecy, and the final two witnesses ministry is still a big mystery up at GB land, and all the "new light" leading to it, simply does not occur to the GB. They are in la la land.

The Virus "Governing" 8K Compromised Body? In blissful delusion, they live in 1990, for 20 years, and would live there for 20 more rebathing Franz writings trying to fool the anointed and themselves, if Jehovah did not throw this DIVINE stick of dynamite into their tent and sleeping bags.

The GB are complacent, luxuriating; (Neh9:25-26), blissfully ignorant, spiritually snoozing, infiltrated easily for 2 decades big time, in "befouled garments" for a while now, but claiming to be "God's infallible unapologetic proud chosen", assuring first inspection by Jehovah's angels, Guaranteeing it!

The 8th King operatives who installed this virus, are laughing their asses off! Who knows what they have compromised for the next planned event.

This virus is very real, active, and is running, fulfilling Zechariah 3:1 real-time, for 20 years now.

Viral First Install

This designed retro-virus was installed in the GB "computer" with pre-programmed procedures and functions positioning future compromise fully engineered in and intended from the get go - and that will be laid out here in excruciating detail.

Franz Restraint

That ALL this began as Fred Franz lay dying in 1992 is no coincidence either, that is a great clue what is up with the modern and Henschel era post-Henschel era GB; 8K INFILTRATED FRAUD FRACTION.

Though this cannot compromise the true anointed to the degree of this prophecy below, this prophetic modern day subset must form in Jehovah's organization, and has, and is revealed as per prophecy, the exposure of which is also preceding the finality of the GT, and assisting the fulfillment of Zechariah 3:1-4.

(2 Thessalonians 2:3) Let no one seduce you in any manner, because it will not come unless the (GB 8K infiltration) apostasy comes first and the man of lawlessness (8K frauds) gets revealed.. (8th King operatives are the lawless subset trying to compromise Jehovah's organization)

(2 Thessalonians 2:6-8) And so now you know the thing that acts as a restraint (Fred Franz), with a view to his [GB/Org 8K Fraud Faction Undercovers] being revealed in his own due time [Now]. 7 True, the mystery of this lawlessness is already at work [I'll say, since 1991]; but only till he who is right now acting as a restraint (Fred Franz) gets to be out of the way. 8 Then, indeed, the lawless one [8K operatives] will be revealed.. [Need we say more?] LOL.

That these 8K agents and possibly plain subverted un-anointed GBers may try to implicate Fred Franz in this, that is of course common for these kinds of tacticians and prideful fatheads. These moles are in, and want to stay in, at the very least, and keep the virus running and replicating into Jehovah's organization. Like Judas pattern at Bethany, they have exposed themselves.

Yet Jehovah will use it, for His perfect advantage of course, as per prophecy already revealed of course. LOL, can't beat God fools!

This is NOT a random event, this is a well planned out, multi-level and a cyclic self-fueling creating intensifying virus, with the end goal of compromising the organization and the final 2W2 ministry, for a massive stumbling and potential betrayal intel event, just like Judas, and with probable embezzlement sideline directives, who knows what is being completed or setup as we speak. We know whatever it is, Jehovah will use it for His own final stage preceding the 2W2 mission and awareness. Jehovah is going to ring the JW bell big time! LOL.

By the way, you better wake up brothers, the real brothers.

The main goal of the current GB virus is to reproach Jehovah's name, and to cause stumbling, and to position for more serious events. BUT, Jehovah will not allow these to pervert the truth, nor will Jehovah stop haulin in sheep hand over fist, nor will Jehovah allow his entire organization to be labeled a lie.

This is still Jehovah's organization, and when He acts on these frauds shortly, ALL true Jehovah's witnesses will KNOW, Jehovah is in this organization, and He is getting active FOR REAL, fulfilling the rest of Zechariah 3:2-10, which MUST complete to that state prior to Zechariah 4 and the Revelation 10-11 "little scroll" being "eaten" by the genuine John Class, and the segway to FINAL 2W2 beginning in earnest. This is of course going to shock all Jehovah's witnesses to attention! LOL.

Yet more is to come after this, lots more, REAL light!

Jehovah is allowing this, because He can also remove all the GB, FDS and Org worshipers from His organization, and get down to steel nail REAL Jehovah's witnesses. The final clean out will occur during GT/BTG 1260 day final 2W2 ministry DURING the great tribulation commencement period leading to the FINAL FULFILLMENT Daniel 7:25-26; 12:11 1290 Day Court Judgment Phase. We are in a segway to the JW awareness of the final 2W2 reality.

Sign: You won't be learning this from the current GB, until that is cleaned out to the bone, into the marrow.

IN other words, as usual, the Almighty God laughs at any attempt to fork him over, instead HE is the one who uses the entire development for HIS great Name, HIS purpose, and HIS next move. We are going to war soon anyways in 144000 with Jehovah and Christ, might as well start to get rid of the fake JW termites NOW, even if they are way at the top of our citadel, positioning for their own removal, in nice looking suits, and every hair in place, and that fine air of mock piety in this formalistic subterfuge game that such formalisms aided the infiltration of.
These infiltrators are good! Real good! LOL, they know what formalisms to dupe the "top dog" visually fooled dumbo JWs up in our citadel.

The GB will be the FIRST place to be hit, there will be a lightning strike in the GB, before GT. Jehovah is NOT compromising the final two witnesses for no GB worshiping cult to form in Jehovah's true witnesses.

The 8K Operation GB.Retro-Virus

30 Year - 3 Stage Main Procedure (10 Year second stage)

The plan is for a full run of this virus in a approximate 30 year, 3 stage, 10 year stepping cycle. The infection of stage 1 is perpetual. The effects of stage two are cyclic, compounding and dynamic, opening the door to peripheral subservient events as well. It is two-thirds into activation right now (20 years, 2 stages), first stage is complete and running and replicated in, the second stage is perpetually compounding. The third stage is a massive stumbling event, an attempted stumbling and or betrayal coup de grace.

This all began in 1992 by the first infection procedure: install a "mainframe" (UNNGO "unclean thing") virus straight to the head (GB) of Jehovah's organization, through "Joshua's right hand" GB. Make sure this is "blessed" by the "holy men" of the GB, who are in some part, now plainly obvious 8K operatives. This infection is full.

Prophecy in ACTIVE LIVE Fulfillment (1992):

This is Zechariah 3:1, "Satan standing at [Joshua's] right hand in order to resist him", the "right hand" is the Governing Body being infiltrated and laid into zombie mode except for guiding the lower level sheep intake, THAT CANNOT be stopped, Jehovah is NOT stopping pulling sheep in.

(Zechariah 3:1) And he proceeded to show me Joshua [FDS/Org] the high priest standing before the angel of Jehovah, and Satan standing at his right hand [GB] in order to resist him. (with a virus)

GB Install, Infection, Position Targets

Stage 1: Infect and Subsequent Exposé Stage 2 Commencement

The GB.8K faction includes subverted fakes at the very least (no true anointed is this stupid), and installed this UNNGO.reproach.expose infecting retro-virus, into themselves, secretly at first (of course), with the 8K agency operatives intent of it's worldwide exposure as time went AFTER total infection, through 8K press "very convenient" and "9/11 well timed" exposé (The Guardian 10-2001), AFTER it was FULLY imbibed into the JW system beyond the point of no return or denial.

2HWA Anglo press? ("Guardian") Come on. Wake up their brothers.

Touché 8 Kingers! God gave you the move though, you gotta fulfill prophecy.

Seal It: Pepper in More Scandalous Evidence

Then in reactionary style further incriminating decisions, evidence of cover up, would of course be "recommended", further sealing the dubious scandal in the eyes of the world as truly a "dirty deal". Total God reproaching scandal had set in, obviously the point of entry of the UNNGO.1.0 "I have a good idea brothers!" is your 8K undercover agency. Henschel had to be a naive dummy, at the very least:

Ace Rothstein: [Don is dismissed from the casino] Listen, if you didn't know you're bein' scammed, you're too [forkin'] dumb to keep this job. If you did know, you were in on it. Either way, you're out. Get out! Go on. Let's go.

Summary: God's Daughter, by the GB, was injected with VD.

And the GB, "new lightless" for 20 years, still prance around as if nothing is wrong, go figure. Talk about spiritual isolation.

Objective: Hyper-Catalyze Apostate Attack on Org Bodies - Set Self-Protective, Apostate Mitigating, Organizational Body "Idol" Creation Mode into Natural Reactionary Subtle Motion - All Natural Developments Now - Virus in Full Open Operation Mode (Stage Two: 10/2001, Approx 10 Years so far)

This is all to timely as well. ((1) 9/11 - 10/6/2001 exposure, from (2) 9/1991 incept), with full 8K "all too convenient" world press exposé and planned or natural reactionary further self-incriminations, all required to provide the infectious and acidic (hypocritical) apostate mud/ammunitions in great quantity with actual evidentiary validity, for the stage two: endless apostate attack cycles upon the Org bodies GB-FDS-Org, to create a repair mode that would develop a well founded and fortified "Org", "GB", "FDS" idol mental image eventually, as enough rounds of steroids were applied by the GB, year after year after year and so on, and so forth. Cyclic and self-fueling to auto-response.

The peripheral side-effect objective is to perpetually, constantly, endlessly stumble people mainly through the web as well, and build the perpetual fueled dynamic apostate attack catalyst for the second viral function to keep being re-invigorated, endlessly as well, leading to again: "Self-Healing" Org Body Steroids until an auto-Idolatry is rooted.

Before you know it, IT'S SECOND NATURE!

More Org Idol Steroids Ad Infinitum

The natural reaction to wounded bodies is to heal them. The GB that empowered a campaign to not only heal these now conveniently attacked bodies, but to steroid them perpetually to the point they compete as idols of worship in Jehovah organization today. To the point of baptizing people in the name of sinful men in a human organization? OK! Fine! No prob now dummy sheep! No prob.

To saying things like "the slave provides this", "the salve gives us that", the "slave draws water from a rock", without at times even sanctifying Jehovah, in print, we see more than we ever did before on the WT Library CD, by simply searching those terms in the 1990-2010 years, and checking the amount of times those words are
returned, and the context of their use, in comparison to 1950-1970. They almost doubled in use, in just 10 years.

The 50s brothers had balls of steel, today's GB has powdered donuts. Jehovah IS GOING TO KICK UP THE DUST AND POWDER, IN THE GB CROTCH, I KID YOU NOT! ALL PROPHECY!

**Territorial Cut Off**

This would also create an aversion by Jehovah's witnesses, to the 2 billion person, worldwide field of the internet, also affecting the preaching work to 2 billion people on the web. Instead of entering the field like Knorr would have, the GREATEST WORLDWIDE PREACHING FIELD IN ALL HUMAN HISTORY, the GB recommends running away and go watch some TV. We gets dirty laundry, per program out there. We, the GB, have God's Daughter in UN soft-porn movies out there y'all. Whatever you do! DO NOT PREACH TO THOSE 2 BILLION PEOPLE OK!!!!

**The GB Sin Against Jehovah is REAL and Per Prophetic Final Cycle (Zech3:1-9)**

Of course the real sin, even worse than mere association, even worse than sending God's Daughter streetwalking for the UN, is the voluntary UN specialized information infiltration unit for information programming to the GB "audience", the promoters to a selected 8K target demographics, that the GB agreed to bed with publicly - purposely, recall we have an infiltration here, this is a 20 year fraud faction at work since Franz died, allowed by God for HIS checkmate, not their's.

This spearhead "Presstitute" agreement had the full GB private, then public blessing introduced by these fakes, implicating the whole GB/FDS and Org AND JEHOVAH, to be voluntary agents of the 8K/UN "information key injection group" for the demographic specialization that ONLY Jehovah's witnesses have, to penetrate Jehovah's witnesses and their audience's inner feeding circle. Subtle little propaganda "Outlines" would be fed in for 10 years, from external 8K agents, and they were.

That is the prostitution the GB will be paying the 8K pimp bill for, one way, or another, you don't FORK God's Anointed Daughter, Christ's Girl. like that and get away with it...

**IT DON'T MATTER WHO YOU ARE - F A T H E A D S.**

**Compounding Points of Injection of 8K Agents**

This went along with the unscriptural decision to also allow un-anointed "other sheep", just as easily 8K "sheep" to begin feeding the "domestics" of the "faithful and discreet slave". Obviously a very very HUGE Scriptural infraction in and of itself, and it opened further points of compromise into Jehovah's organization, by these agents and their implanted operatives, as well as dodo bird unanointed GB and dodo bird GB in general. And further holy spiritual "new light" yanked from the GB.

Now-a-days, Jehovah has to send in "new light" from the wilderness; Elijah; (Mal4:5)

*Obviously these 8K gutless roaches waited until Franz lay dying, to begin operations.*

**ID the UNNGO "big idea" entry point (1989-1991), and their is your initial known agent access, plain and simple.**

This is not a sin of a "library card", but of a JW audience "mind card", that is what the UN 8th Kings would be crafting over that ten year first cycle, to move to stage two and two birds (so far), with one GB thrown "stone". Subtle, mental install. Such as the "new world order" blasphemous quote in the Awake! 9-8-1991 kick off article as these UN Presstitutes deployed by the GB8Kers, now a completely duped whole walking into Zechariah 3:1.

"New Lights" Out

That meant the high level holy spirit was IMMEDIATELY withdrawn from the GB, BUT Jehovah would not withdraw the sheep blessing for obvious reasons. This is why the GB simply rewords old Franz articles and research manuscripts of Daniel, Revelation, Isaiah, and Ezekiel. It is good food, but dated, and it gives the appearance the GB are in the light, but they are in the dark.

The GB explained the obvious KN? Final Two Witnesses? Little Scroll = Reports of Daniel 11:44? The 2520 days? The 144000 Temple guaranteed completion before Armageddon and how? The Revelation 11 FINAL fulfillment? No. They are doing more than playing dead. Nor will they, until AFTER clean out of Zechariah 3:2-4 in a little while..

**Viral 8K Goal's Realized:**

1. Jehovah's name positioned for reproach: Check.
2. Blessing compromised, withdrawal of high level "eagle eye" holy spirit: Check.
3. Organization positioned for perpetual stage two apostate attack and perpetual worldwide stumbling: Check.
4. Create an idol building routine upon GB, FDS and Org: Check.
5. Offer subtle sacrifices to the 8th King for 10 years to 9/11: "New World Order" Bush Quote for example as a kick off sacrilege: Check.
6. Replicate retro-virus into the organization's standard operating procedure: Check.
7. Retard "two witnesses" final fulfillment information: Check.
8. Retard the exposure of the full identifying globally of the King of the North and the final fulfillment cycle of Daniel 12: Check.
9. Compound more bloodguilt on the GB daily: Check.
10. Allow further 8K operations in the organization: Check.
11. Set the virus into "self protection invisible mode": Check.
Mission accomplished! Fine work your Majesty's secret agents of the 8th King, King of the North! You live in the GB now, literally or by DNA.

But you are also in the cross hairs of God's angels shortly for an "unusual event":

At this point Jehovah wants the GB to know, had it not been for what Jehovah is going to do next, that is for those amongst you who survive this or are present and approved after this event, that had Jehovah not done this, you would be toast, you need to be humbled, and it is Jehovah who pulled YOUR ASSES out of the fire, and that fire was GEHENNA you poor guys.;(Rev3:17-18)

The virus we are speaking of is now in it's most dangerous state of operation, YOU have accepted it, and YOU feed it, and it is self-protecting now by YOU and by the fact YOU will not plainly see the obvious:

**JEHovah AINT GOING TO GIVE YOU ANY NEW LIGHT UNTIL AFTER THE FILTHY GARMENTS ARE TORN OUT OF YOUR MIDST. QUIT WHORING GOD'S DAUGHTER.**

That will be angelically aided, we do not know when, SOON, but God's prophecy doesn't lie; (Zech3:1-9) The context of the final two witnesses cannot be of course disproven, any anointed who keeps the oil supply of the lamp full, by reading God's word and applying holy spirit of the light that burns from that oil will instantly understand Revelation 10 and 11 have a final ultimate fulfillment soon, as does Daniel 12 and the 1260 day time signature ar Dan12:7 and Dan 7:25-26, ALL prophecies with a final fulfillment mode.

The final seal on this little exposé is the bible itself and the "Lightning + Rod" that accompanies this expose. It is all perfectly overlayable upon the former 1260 day, and 1290 patterns of 1914-1922, with the same overall import of those patterns, BUT with a far greater ultimate manifestation. Not a heavenly Kingdom, but one that will make an appearance in earth's "heavens" as it's "new heavens" and no one can do anything about it, in their face, live, real-time and permanent and the whole thing, THE WHOLE THING upholds and honors the former patterns and truth, but merely replicates upon them to the final completion of the 144000 Temple under the beaming "Head-Stone" Christ as per Revelation 11's parallel principle to Zechariah 4, and specifically Zechariah 4:6-8.

Ultimately no Jehovah's witness or the GB, anointed, or not, fraud or real can biblically or even logically disprove ANY of this interpretation as regards the final fulfillment upon the former patterns of 536 BCE to 515 BCE, Christ's seven day pattern in 33 CE, Christ's overall pattern of 7 years, the 1914 patterns as well. That is why God uses patterns, the sign is, the GB will not get this light UNTIL Zechariah 3:2-4, and 2-9 finalizes shortly PRECEDING, even preceding the Revelation 9 finality announcing the pre-2W2 final 1260 day ministry of Jehovah's witnesses, as that period will begin at an unknown time AFTER Jehovah's witnesses have been in preparation for it.

What is coming in Zechariah 3:2-9, will prove even this communication is authentic, Jehovah sealed through Christ, for Jehovah's anointed for future reference.

**THAT IS THE GREATEST SEAL, THE TRUTH HERE, THAT THIS ANALYSIS IS DIVINELY REVEALED FOR THIS PURPOSE: TO MAKE ANNOUNCEMENT THAT THE JEHOVAH'S WITNESSES ARE GOING TO GET A PRECURSOR EVENT FULLFILLING ZECHARIAH 3:1-4 UNMISTAKABLY, AND TO PREPARE FOR WHAT WILL FOLLOW AND LEAD TO, THE FINAL INFORMATION FOR THE FINAL, ULTIMATE TWO WITNESSES GLOBAL MINISTRY BEFORE THE COMPLETE END OF THIS WORLD'S RIVAL SYSTEMS TO A TOTALITY.**

The GB will also get this in time, for now they will live in 1990 mode. NOTHING is going to remove their lack of "new light" but divine aid, and an angelically overseen clean out. *In a little while...*

---

**GB.8K.Virus is Now in Self-Protection Invisible Mode, Just Part of the Org DNA Now...**

Now we can discuss how this current active and fully absorbed retro-virus is now in a self-protection mode, and the other negative effects it is imbuing into Jehovah's organization.

(Ezekiel 16:27) And, look! I shall certainly stretch out my hand against you and I shall diminish your allowance [of new light] and give you to the soulful desire of the [apostate] women hating you, the daughters of the Philistines, the women humiliated on account of your way as regards loose conduct.

So that above is the current run of the virus and it's effects, the GB is open to apostate attack, that attack causes further idol steroiding, diffusing faith to object bodies from Jehovah, and Jehovah has yanked the "new light" allowance further.

Everyone *Must* Be Apostle Protection Mode

Now that virus is self-protecting as well, even if Christ himself came to a congregation, unbeknownst to the elders, and brought all this up with proof, the instant reaction?

Apostate... seek and disfellowship.
Apostate... seek and disfellowship.
Apostate... seek and disfellowship.

**Subtle Ten Year Viral Idolatry Self Protection Mode**

Now the virus is actually protecting itself, to make sure NO ONE runs an "anti-virus" on it. It is also further protected by people who have grown accustomed to idolizing the GB and the Org, and now themselves, are conditioning an obvious viral lie, and protecting it, even disfellowshipping people who may honestly try to be resolving this.

**Smug Formalistic Self-Protection Mode**

Next the GB's own infection of believing it's own self-inflated idol creating press, it's own smug nature now, further seals the virus in place. That infection goes down to
the congregation level, Jehovah's witnesses are now infallible too. Elders are puffed up virus protecting drones. Denial of the sheer magnitude of this multiplex sin is now complete. It is hidden in plain sight and too big to see.

Instead of just apologizing and admitting the error in 2001, the GB went into pride mode, and instead, began over emphasizing, idolizing in effect, the FDS, GB, etc. All one has to do is search the term (FDS) on the CD, and see the number of WT occurrences in 1990-2010 vs. 1950-1970, to know it is a trend with evidence.

Obviously this reaction was a known reaction that this virus catalyzed. This is not random, this is engineered for these exact effects over time, in multiple stages.

**Thousands of Sheep a Week, Everything Must be Fine Illusion**

It is even hiding under the veneer, that Jehovah will NOT abandon the sheep, nor will Christ stop hauling the sheep in. Many brothers are simply completely fooled by this virus. It's now mixed in, and part of the Org DNA.

**Everyone Must Be Apostle Protection Mode 2**

The next development that camouflages this virus, is the fact, 99.9999% of all attacks, in global hyper-mode now, on the GB, FDS and Org are from destructive sources. the sheer magnitude of this assault actually protects the virus from the one anti-virus that is need: Honest appraisal and Biblical prophetic truth on known patterns for a good reason.

Yet, as covered, this whole affair and aftereffects was invited with valid, scandalous "befouled" conduct, and by that it will not be removed, impossible to remove in fact, until God acts upon His organization, soon in Zechariah 3:2-4's final fulfillment. The "other sheep" rarely have enough depth of biblical understanding, and not the level of spiritual insight to even comprehend the importance of the final 2W2. If the GB itself has stopped reading the bible, preferring the story that "it's at apex brothers!", "we are almost done here brothers!", of course they are not inspiring Franz level bible study. Their receptacles are dry. They breed arrogance, self idolatry, and denial instead. they are now 1990 visionaries, backward visionaries. Everything is a "new light" show, but no actual "new light", just make believe.

2W2

But in fact, the greatest phase of all Jehovah's witness history is about to commence, and GOD is going to be the one ringing the bell! Apex? What about the final 2W2 ministry? Done? What about identifying the King of the North and delivering some "little scroll" "reports" to him? RECALL Daniel 11:44-45? Recall Revelation 10:11? Revelation 11? Zechariah 3? Zechariah 4?

**Hyper-Conservatism and Formalism Viral ID Avoiding Protection Mode**

Now the GB's own apostate gun-shy barrage they themselves inspired, is making them all like turtles at the fireworks, pulling their heads in deep into there shells. Now when they NEED to examine biblical former patterns, for future fulfillments, they aren't even reading the bible, they are running an overgrown org, they won't discuss new light if they could, they have infiltrators mummifying the place, and they fear apostates, and in another 20 years of this waffling they won't figure out one thing here, but maybe a brother keeping his oil full.

**Viral Side-Effect 1**

Now we do have real external XJW apostates attacking us externally, many of them, in perpetual waves as per Ezekiel 16:27's curse. We have a Gehenna bound true apostate CLASS front that is NOT even being identified as a biblical class, like Christendom was in 1914, thus it is NOT being confronted, warned, and identified as per biblical responsibility.

The GB is allowing them to run the internet, to have one side of the stiry, and the GB is encouraing no one to preach judgment to these renegade traitor XJWs and the rest. The GB are blessing cowardice, and bloodguilt, to avoid their own dirty laundry.

*Now we see an engineered side effect undeniable in he master virus. BLOOD GUILT.*

When scripturally, this is a modern day “son of destruction” class, and we also have to WARN THEM of the danger they are in, and the severity of the sin THEY are involved with. Like Christendom in 1914. Did we run and hide from Christendom? NO! the same principle applies, but the GB's own denial and guilt is allowing these operatives to now subtly drag ALL Jehovah's witnesses into blood guilt as per Ezekiel 3.

That means we are NOT preaching and attacking in spiritual war, our archenemies, and that is fearful, weak, and another sin, that is NOW spread to all the sheep.

**Viral Side-Effect 2**

And what does that ludicrous strategy do? It closes off 2 BILLION PEOPLE IN THE INTERNET WEB FIELD from an organized, penetrating, searching, seeking, WORLDWIDE and web utilizing ministry!

**THE GREATEST FIELD TO EVER EVER OPEN UP IN ALL HUMAN HISTORY, AND AT GB LAND? AHHHH, FORGET ABOUT IT!**

Another sin.

**Viral Side-Effect 3**

And all this fear mode has the GB in hyper-conservative theological fossilization.

GB: ""No, don't adjust that "light", we will never really know who the "KingNorth" is anyhow brothers, if we don't know, no one knows, (back pat, back pat), what are the apostates going to do with it anyways? Some things can never be known y'all. We are God's chosen brothers, we are almost done, we don't need to read the bible night and day like that nut 20571. We're ok you guys, this is enough light to get us to paradise. We're almost done anyways...""

But in reality, this final puzzle piece, REQUIRES FULL TIME BIBLE STUDY WITH ANOINTING OF HOLY SPIRIT and the desire to understand and NOT think it is "all over brothers, kick back and behold the salvation of the Lord!", "pass me another slice of, uhhh, apple pie this time, thanks sister..." LOL.

1. Now who can deny, that our GB is a "log in the fire"? Zech3:1-2
2. Who can deny this is not an engineered destructive virus since inception in 1991-1992?

3. People actually fooled by this virus, GB worshipers and the GB 8K operatives, that's who believes this is all just fine and dandy.

But in reality, an angel backed earthquake is coming for the GB.

NO MAN ON EARTH IS GOING TO STOP THE 100% TRUTH COMPLETION BEFORE THE FINAL 144000 COMPLETION FOR GLOBAL HERALD IN THE FINAL TWO WITNESSES!

DAN 12 AND DAN 7:25-26 AND REV 6, AND REV 8-11; 14-16 ALL HAVE A FINAL FULFILLMENT MODE!!!! SO DOES ZECHARIAH, FOR A FULL HOUSE, CHRIST+144000 MESSIANIC TOTAL CONQUEST, AND 144000 TEMPLE COMPLETION UNDER CHRIST IN THE FACE OF THE 8TH KING, KING NORTH AND THE WHOLE WORLD!!!

Just like in 515 BCE, when that typical temple completed IN THE FACE of the enemies of Israel at that time.

The GB is in for a great humiliation. They need it. To get those "befouled garments" off, and the "robes of state" on, they will, in the interim, be exposed as naked. Read the scripture.

(Zechariah 3:2-4) Then the angel of Jehovah [Michael/Christ] said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one [FDS/Org] not a log snatched out of the fire?” 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to those standing before [angels] him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”

GB Fraud Litmus test - Courtesy Jehovah God

So, we have a litmus test before hand. Any element of infiltration or spiritual fossilization in the GB, likes things just the way they are. Real anointed in there will see this is all true.

1. The fakes will resist that the King of the North WILL be identified by Jehovah.
2. They will resist that Daniel 12 and Revelation 11 have a final fulfillment in the "two witnesses" known time period and import.
3. They will resist the truth, that like the typical temple in Jerusalem in 515 BCE, the Temple 144000 will ALSO complete in the face of the enemy; (Rev11)
4. They will want to set hand to plow and look forever back at 1914, when in fact Christendom is Christendone, the JWs is the house Jehovah is going to inspect in the final fulfillment.

This will all be new news to the GB. Why? They are running a deadly infiltrative virus that they now doctrinally are protecting, ensuring it continues to subtly ruin the spirituality of themselves first, and the other side effects daily, year over year.

Yet Jehovah is STILL blessing the sheep, and has set up these enemies for a purge that will also filter the organization of GB worshipers, FDS worshipers, Org worshipers, self and position worshipers and find the REAL Jehovah worshipers with one big angelic lightning strike.

In a little while.

It is ominous what this really means to be fulfilled very soon:

(Zechariah 3:9) Here I am engraving its engraving, 'is the utterance of Jehovah of armies, ‘and I will take away the error of that land in one day.’

Just a little while longer...

Dear GB, you've been infiltrated! You log is in the fire as we speak; (Zech3:1)!

The Governing Body of Jehovah's Witnesses and 911

Phase 1

9/11/1990

1. In 1991 the xGB and WTBTS started to promote the "New World Order" following George Bush Sr. by nearly an exact year to the day from his proclamation of the UN in NWO mode before a Joint Session of Congress on 9/11/1990;

2. The UN NWO mode "disgusting thing" (DT) was then placed in the world on 9/11/1990 before the US Congress and soon after, before the UN Security Council on a few occasions after 9/11/1990; These are the 79 "new world order" WTBTS UN/NGO quotes commencing in the Awake! UN issue of 9/8/1991 and continuing for 10 timed covert years;

So, the xGB supported globalist objectives by being partner in the Daniel 11:30-31 fulfillment of 1990-1991 dual placement of the DT in UN NWO 3.0 stance after the Cold War (WW3); World war is the DT presentation stage; (1.) 1919; WW1, LON; (2.) 1945; WW2, UN; (3.) 1990; WW3; UN/NWO...

The xGB ops do NOT expound the true meaning of this manifest "holy covenant" apostasy and UN/NGO DT "transgression" which is the basis of the prophecy to
soon fulfill at Daniel 8:11-14 temple profanation and cleansing; The DT "Baal Image" is erect up at Bethel, with xGB blessing and cover-up of revealing prophecy; (See Hosea; the whole book)

Phase 2

9/11/2001

1. Well to complement another heavy duty globalist 2Horn-wildbeast world event series leading to the declared "World War on Terror" (Daniel11:40 continuum from 1990 Gulf War globalist KN+NATO operations), the xGB is involved with the 10/2001 timed release of the UN/NGO UN relationship "news break" as DPI adjunct advertising agency;

All perfectly timed with 911;

(This just happens to time as well with the Barbara Anderson globalist operations revealing the xGB "pedophile propagation" policies;)

All just coincidental?

xGB is Very Suspicious

We have two globalist prophetic fulfilling events, that were covertly and overtly perfectly supported by the Governing Body of Jehovah's Witnesses that:

1. The xGB does not apply to modern prophecy, but keeps JWs thinking 1980-1990 and 1914 constantly focused backwards, inspite of overwhelming evidence;

2. The xGB supports with their own "lawless one" UN, cover-up and globalist 2Horn-wildbeast "temple profanations" as an infiltration group as per prophecy of Daniel 11:30-31 and Daniel 8:11-14;

Phase 3

2014 (?) Final Globalist World Event 10 Year Phase 3 Commencement

Expect the "man of lawlessness" xGB, now being revealed also as per prophecy, to support the globalist third world event very soon, quite possibly timed with a 2014 JW (1914) Centennial Temple "decoy" and GT hoax event to attempt to wipe out the JW worldwide org by deception and infiltrative set-up while this globalist engineered world event unfolds in massive impact worldwide;

Temple Judgment Instead

But in fact, this will NOT be GT, this event will be the divine judgment on the JW temple, as per Daniel 8:11-14 commencing while another 10 year phase of globalist intrigue is set in motion worldwide leading to the end; JWs will be fooled until after the "evening" of Daniel 8:14 recovery and temple cleanse completion, for final "two witnesses" final world warning recovery;

JWs think it is over, but in fact it is just getting started;

JWs expect paradise, but it is instead WW4 "fire test" time as per Zech3:2; Rev8:2-5 final cycle;

Jws will be disciplined severely for the UN/DT 20 years of gross sin condoned by the whole JW organization and the xGB apostates; (Jer30:11; Isa12; Zech3:1-9)

And this JW misconception is exactly what the MOL xGB and globalist world powers want us thinking:

A Preview UN/NWO Stand and 2014 Centennial Temple Decoy and Great Tribulation xGB Hoax?

Daniel 8:11-25

On globalist world government revelation and the Governing Body of Jehovah's Witnesses converging for one great JW hoax event around 2014;

This is speculative, but based on interesting evidence in light of biblical prophetic patterns soon to activate in a final cycle; Details in here may inadvertently be reinforced or updated by xGB objective mental priming in the coming months;

This examines the temple judgment reality and the King of Fierce countenance dual "stand" potential timing of Daniel 8:11-25, and concurrent globalist activity that may manifest; (Dan8:23) along with an xGB engineered premature "temple decoy" period now apparently being prepared by the xGB;

This may be possibly part of a greater "GT hoax" production that will have to converge with Daniel 8:11-14, Zechariah 3 at some point, but with a true significance of Bible prophecy different from xGB deceptive claims being projected by the xGB for globalist purposes;

Potential Dual Stand of Globalist Power in the Temple Judgment Period Coming

First notice two "stands" of "King of Fierce Countenance":

(Daniel 8:23-24) "And in the final part of their kingdom, as the transgressors act to a completion, there will stand up (1) a king fierce in countenance and understanding ambiguous sayings. 24 And his power must become mighty, but not by his own power. And in a wonderful way he will cause ruin, and
he will certainly prove successful and do effectively. And he will actually bring mighty ones to ruin, also the people made up of [the] holy ones. (Dan7:25-26; Dan12:7, 11; Rev11:7)

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin; (Compare Dan11:44-45; 1Thess5:1-3) And against the Prince of princes he will stand up (2), but it will be without hand that he will be broken. (Armageddon finality by the Christ and Kingdom of God)

Some Possibilities

1. Note there are two KFC "stands";
2. Note it is marked in timed significance with "in the final part of their kingdom, as the transgressors act to a completion"

Just how long into that "act to" a "completion" this extends, which fully began manifesting in the 1991 UN DT 3rd "stand" actions, seems unknown at present;

Was this stand of Daniel 8:23 in 1990?

Why then is it after the Daniel 8:11-14 "transgression causing desolation" that definitely is manifested full in 1991 in the WTBTS, by xGB sanction in Daniel 11:30b's infiltrative revelation, to the actual v. 31b:

"And they will certainly put in place the disgusting thing that is causing desolation."

Compromise and Infiltration Planning with Success

(Daniel 11:30b-31a) And he (globalist KN) will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant, 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature].

The Climax Objective

(Daniel 11:31b-32a) "And they will certainly put in place the disgusting thing that is causing desolation. 32 “And those who are acting wickedly against [the] covenant, he will lead into apostasy. (It continues after this event)

Possibility 1

1. Maybe it is after Daniel 8:11-14 because it could be that Daniel 8:23-25 is an alternative snapshot of more detail of Daniel 8:11-14, a parallel, not sequential account;
2. Since Daniel 8:23-25 details are after a descriptive summary in Daniel 8:15-22, that does break the Daniel 8:11-14 sequence to summarize the whole sequence again in parallel rather than linear progression;

Possibility 2

Or it could be this speculation examined below; please bear with me here, recalling this is speculative, but bears on a few interesting details we can think about in light of recent developments and evidence;

In this "dual-stand" speculation, it is possible that as noted at other times in scriptural places, Jesus and Daniel indicate "stands" before and after "Jerusalem" targeted events respectively; In Matthew 24:15 Jesus gives the hint of a "stand" as a signal of coming desolation - a stand of the "disgusting thing";

Christ; Before Desolation:

(Matthew 24:15) “Therefore, when you catch sight of the disgusting thing that causes desolation, as spoken of through Daniel the prophet, standing in a holy place, (let the reader use discernment,);

Daniel; After Desolation

(Daniel 12:11) “And from the time that the constant [feature] has been removed and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days.

And the 3.5 times; 1260 Days Leading to that Final Stand:

(Daniel 12:7) “It will be for an appointed time, appointed times and a half. And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish.”

(Daniel 7:25) And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, **and they will be given into his hand (Rev11:7) for a time, and times and half a time.

(Daniel 7:26) And the Court (Full 144000 with Christ finale after 1260 days; Rev11:7;) itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [him] and to destroy [him] totally.
Which is KFC Destruction Meaning:

(Daniel 8:25b) And against the Prince of princes he will stand up (2), but it will be without hand that he will be broken. (Dan7:26; Dan11:45)

Initial Stand of Daniel 8:23

(Daniel 8:23b) “And in the final part of their kingdom, as the transgressors act to a completion, there will stand up (1) a king fierce in countenance,...

Could this initial "stand" have a minor (covert) and major (overt) dual significance of DT related "stand" in this initial event?

1. This "stand" could apply to the covert stand of the UN/NGO xGB services (1991-2001) and covert UN/NWO "placement" in the WTBTS from 1991 forward; A. But few see this covert "stand", few "catch sight of the disgusting thing" as in the context of an easy to see signal warning of Matthew 24:15; Some do, but not many; yet it is still true, it will cause a desolation;

But is it the final major meaning?

Will there be an initial stand more pronounced soon? In time with the "transgressors acting to a completion" soon as well?

DT "Stands" Before Two "Desolations", Separated in Time, which May Vary in Manifestation

Will King of Fierce Countenance (KFC) be in this Pattern?

Before "Desolation" 1 - Temple Judgment (Dan8:11-14)

1. This "stand" of UN DT in NWO mode (3rd in WW history), (1990 (world "stand"); 1991 (WTBTS "stand")) is preceding a preliminary divine temple judgment limited "desolation" in Daniel 8:11-14 related to the sins of "transgression causing desolation" (Dan8:13) foretold in details in Daniel 11:30-31's UN/NGO actions; (And world significance;)

2. It can refer to a later situation in the near future possibly, where during this coming initial temple judgment "throw down" of the "established place of the sanctuary"; (Dan8:11), we just might get a preceding or concurrent "preview" "stand" of the 8th King system as "King of Fierce Countenance"; 'AS the transgressors act to a completion" in a symphonic event significance;

3. Also since this KFC is a final development of the "small horn" progression in time here, appearing later in the sequential development of the prophecy and this world domination system, a second "king", KFC, is in the sequence after this "small horn" of Britain:

(Daniel 8:9) out of one of them there came forth another horn, a small one, and it kept getting very much greater... Globalist KFC's development is shown in "the final part of the denunciation"; (Dan8:19), meaning the "stand" manifestation may be unique and a globally seen preview in the near future in this coming temple cleansing event; ("stand" 1; Dan8:23);

4. Then this "stand" may be in the near future as a paralleling prelude in which Jesus words will apply before (or in process) of the "throw down" "desolation" of that "temple cleansing" signal and event possibly, no matter how that may actually manifest (financial intrigue, covert ops, etc), in Daniel 8:11-14's reality soon:

(Daniel 8:23-24a) “And in the final part of their kingdom, as the transgressors act to a completion, there will stand up a king fierce in countenance and understanding ambiguous sayings.

And that effective power is successful:

24a And his power must become mighty, but not by his own power. And in a wonderful way he will cause ruin, and he will certainly prove successful and do effectively.

(Which incidentally is not a national power in history; they all fail as per Daniel 11:27 "but nothing succeeds");

In time after the temple cleansing this KFC "effectiveness" leads to the 1260 day "holy city" "desolation" (Rev11:2-7) after this initial "stand" and after that 2300 unit judgment period of Daniel 8:14, thus extending through the preliminary divine temple cleansing judgment, towards the foretold completion extending over all this through and after the 1260 days;

(Revelation 11:7) And when they have finished their (1260 day) witnessing, the wild beast that ascends out of the abyss (scarlet wildbeast globalists) will make war with them and conquer them and kill them.

Which Parallels*

(Daniel 8:24b) And he will actually bring mighty ones to ruin, *also the people made up of [the] holy ones.

(But note the Daniel 8:11-25 sequence is a one time fulfillment that will apply to the final part (after 1260 days) of a dual fulfillment of Revelation 11:2-7 to a completion of 2520 days.)

And that quick summary in 24b, would actually be occurring just prior to the final "stand" of the KFC system in Daniel 8:25b, but after Revelation 11:7 conquest over the holy ones, after that 1260 days of "when they have finished their witnessing, the wildbeast that ascends from the abyss will conquer them";

That event leads to this final DT stand with KFC "kingship" as one, the final "stand" Daniel covers from the removal of the constant feature and "dashing the power of the holy ones to pieces", which extends to the complete "peace and security" of "freedom from care" that logically could be climactic part of this apex event:

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be
Possible DT "Image" to Full Power System 8th King (KFC Globalists) Comprehensive Progression to the Total End

1. In effect that Daniel comprehensive overall "stand" progression (both; 23, 25b) is possibly concurrent with the preliminary "temple cleanse" "established place" desolation of Daniel 8:11-14 as a concurrently manifesting, globally proclaimed or seen accompanying globalist event;

2. In that case, Daniel 8:23 is an "image" stand, not in full power yet, leading to Daniel 8:25b zenith, which would be both the "image" and the apex world globalist KFC rulership together; A finale totality of the "image" and the "full bodied" multi-national 200 nation array worldwide, in globalist unification 8th King domination and world proclamation of this state of claimed power;

3. In this scenario speculation, a comprehensive overall DT/KFC "stand" would extend in defiance over the 1260 day continuum "two witnesses" clean "commission" to apex globalist defiance;

4. This would extend through to the completion of the KFC 8th King totality of system (Image and real 8th Kingship (KN) power "stand" at this climax time);

5. Also paralleling the completion of the 144000 Kingdom/Temple after that general post 1260 day timeframe that would also be progressing to finale;

6. Placing that climax event convergence of both KFC and the Christ Kingdom 144000, some time in the 1290 days unknown, as ‘and finally they took away” “his own rulership”, which is officially in apex defiant stance after the final “stand” of Dan8:25b;

Quick Summary:

The somewhat complicated thing, speculatively, is that the Daniel 8:23 stand may precede the 2300 units temple judgment, but that KFC "first stand" proclaimed presence will extend through to the 1260 day (and after) to the final wave of Revelation 11:7 on the approved "holy city" to fulfill this prophecy in a God approved cleansed state for JWs, and the 1260 days completing, and transitioning also to the 144000 Temple completion in the 1290 days period that will be commencing;

Then Dan8:25 "final stand" is just the culmination of this whole period from, speculatively, a fully recognizable initial stand prior to, or with, the coming temple judgment of Daniel 8:14’s 2300 units, possibly 1150 days, and an unknown recovery transition to official 2W2 through whatever kind of globalist event may develop along with this sequence of prophecy;

With all these potential great parallels possible, from real prophetic events to deceptive counterfeits paralleling, that brings me to this temple judgment event coming up in the near future, and the possible globalist world event orchestration that will potentially go along with it, in light of 2014 approaching;

And the role the xGB could consider playing;

The XGB Great 2014 Decoy Temple Centennial GT Hoax on JWs

Given These Great 2014 Potential Temple Parallels, The Question Is...

Is a 2014 Centennial Temple Decoy and GT Hoax Event in the Works by the MOL xGB?

We know the "man of lawlessness' has been covertly operating in the xGB for quite a while, that is now a no-brainer in overt bad-fruitage by evidentiary examination of xGB UN worship, cold-hearted stumbler policies and spiritual-predator propagation by smug self-righteous attitudes that are now xGB core example broadcast across the JW landscape; The elder body is now many xGB influenced 66 spiritual IQ drones;

And a JW judgment MUST come from this as per Daniel 8:11-14 real "temple cleanse" for the Daniel 11:30-31 xGB UN-NWO-Baal worship and sin festival and subsequent deep JW org and sacrificial profanation; (Hosea)

But given this heavy duty 2300 unit period that must bust forth on the JW org from God allowing a globalist world coup on the JW org, will the xGB use it for traitorous, thieving and murderous opportunity as “son of destruction” xGB as well?

You Betcha!

1. What if this MOL xGB operation attempts to mimic an +/- October 2014 centennial timing as a decoy temple event leading to a hoax GT event to use against JWs?

2. What if this MOL xGB tries to use the prophetic temple replication pattern, advancing it prematurely (like they are now), causing the actual divine judgment, possibly timed with another globalist world event, (Dan8:11-14) to appear like "Great Tribulation" commencement?

3. Will the xGB continue to prime the JW mind for premature GT hoax, while now weaving in a "temple cleanse" hoax, and centennial 2014 temple decoy event?

4. And, given the mental effect 1914 has on the JW mind, what if they try to mirror it upon a 2014 Temple Centennial that is only a strategic decoy?

5. Will this potential hoax event, be timed with another globalist world move that may have a preliminary DT placement as per Daniel8:23?

This is an xGB premature bypass diversion decoy, when in fact a whole actual divine temple replication series only begins with this event (Dan8:11-14; Zech3); And that actual period of JW judgment progresses for an approximate 10 years duration through the real "tribulation of those days" and Revelation 11: 1260 days of final global witness from God; (Matt24:29), with identified prophetically significant periods - rather than this xGB crude simplification!

Well, to say the least, something in the xGB is MOL suspect, priming JWs for a "premature" GT; That much IS revealing! GOD warns of such developments from MOL xGB.

(2 Thessalonians 2:1-3) However, brothers, respecting the presence of our Lord Jesus Christ and our being gathered together to him, (Matt24:29-31); we request of you 2 not to be quickly shaken from your reason nor to be excited either through an inspired expression or through a verbal message or
through a letter as though from us (anointed, but actually from a fraud xGB), to the effect that the day of Jehovah is here. (Such as Hoax GT by xGB) 3 Let no one seduce you in any manner, (not even the xGB frauds mental pump priming and predictive programming!), because it (the REAL temple judgment) will not come unless the apostasy (In the JW org) comes first AND the man of lawlessness (xGB and Co.) gets revealed...

(ALL THIS REVELATION FIRST: ALL Prerequisite for the rest of JW history - xGB has to be purged by actions they themselves initiate by God's covert angels - Zech3:4-7; Hos1:4-7; The xGB is "toast in time"!)

Keep Awake Spiritually to the Bible

Being about two years out from that 2014 potential date benchmark; (10/4-5/1914 to 10/4-5/2-14), we will have to consider closely, the deceptive and scripturally misapplied words that no doubt will continue to come forth from the MOL xGB, as they blasphemously start to begin setting up more decoy props, more mental priming, more "predictions" with more calls to temple scripture deceptively applied to their own hoax "temple cleansing" procedures;

Out of nowhere, after 20 years of "no light", the xGB will get much "new light" that is all hoax credibility bait;

We can keep an eye out for possible "predictive programming" as 2014 approaches, knowing full well the globalist world planners already have a world operation in the works, and being with xGB historically demonstrated aid to compliment the main globalist world move, they can set up a scenario for the intended effect, knowing they can produce the world event whenever needed to give credibility to the hoaxed production;

They can cue it right on October 4th 2012 if they want!

Keep an Eye on All of Them

1. We will just have to see what xGB claims may come forth in this possible, speculative lead-in period, to an actual temple judgment that they of course are not giving accurate details of concerning Daniel 8:11-14, Zechariah 3 actual foretold divine cleansings;

2. Nor are they expounding the solid self-incriminating evidence as to the real meaning of Daniel 11:30-31, in light of the secularly downplayed, and xGB covered up, 3rd "stand" of the UN "False-Prophetic" NWO in 1990, after Cold World War 3;

Globalist Symphonic Supports Again?

1. The "Disgusting Thing" DT has moved along with a concluding world war presentation stage at completion of the WW sequence three times so far; ((1.) 1919, WW1, LON; (2.) 1945, WW2, UN; (3.) 1990, WW3, UN NWO;

Will "Global War on Terror" "resolving" or "intensifying" allow a preliminary opportunity to fulfill Dan8:23?

2. The xGB has been supporting this 3rd UN DT NWO mode significance in actions, not in revelation of prophetic reality, since 1991;

Will "temple hoax" allow another preliminary preparation for xGB final wildbeast worship rituals?

XGB Historic Globalist Supporting Actions

I. September 8, 1991 - xGB WTBTS promotions began in 1991 in Awake! magazine supporting George Bush in the September 8, 1991 United Nations series in that journal, which soon spread to The Watchtower as well;

1. The "new world order" appears 79 times in both those WTBTS journals in ten years from 1991, beginning with the quoted proclamations of George Bush Sr. fronting the 2Horn-wildbeast before the UN Security Council in September 1990;

2. This was a "new world order" series begun on September 11th, 1990, by President George Bush Sr. before a Joint Session of the US Congress;

(Readable from the Bush on-line library and WT Library CD in directly related significance to Daniel 11:30-31 transgression calling for the Daniel 8:11-14 temple, and Zechariah 3 temple priesthood cleansing by God, foretold in divine prophecy)

Required xGB Prophetic Cover-up:

A. The xGB says nothing about the significance of a 3rd UN-DT stand in NWO mode in relation to Daniel 11:30-31 fulfilled in 1990-1991 climax "disgusting thing" event of v. 31b;

B. The xGB says nothing about the relationship of that transgression to the divine temple cleansing now called for, due to that sin, of Daniel 8:11-14;

II. October 2001 - The xGB then provided 10 years worth of adulterous scandal as an evidentiary "news break" nearly paralleling the 911-WTC event in timing;

All just coincidental again? Please...

1. This involved the officially sanctioned WTBTS (GB) relationship as one of the United Nations Non-Governmental Organizations, providing the approved UN promotional capacity for that agreement in the Department of Public Information;

2. The handy "library card" aided WT provided "information" as an "adjunct UN advertising agency", a planned UN/UN Support Org/Media information disseminator to the worldwide Jehovah's Witnesses ministerial audience and unique demographic through the Watchtower and Awake!; This was all exposed for a timed maximum effect along with a notable world event which became the globalist "World War on Terror" soon there after;

3. The xGB remains mum on prophetic significance and condoning of this reproachful DT scandal, still covertly involved with globalist objectives obviously now for years;
4. The pattern is, the xGB supports massive globalist inspired events with control of the whole Jehovah's Witnesses worldwide organizational logistics capabilities;

**Required Globalist Significance Cover-up:**

A. The xGB says nothing about the significance of a "Global War on Terror", a declared "world war" as pertaining to Daniel 11:40 and Joel 3:9-12;

B. The xGB says nothing about the formation of Global NATO in 1999 as a globalist military system supporting UN globalist (not national) objectives as this relates to Revelation 16:13-16 and the "power shift" of Revelation 17:11-17;

III. **Future - Globalist and xGB Coup De Grace** - To expect a finale climax event from the globalists as a third strike, possibly tied into 2014's JW psychological significance with 1914's "centennial" and "temple cleanse" hoax potential (now underway), all "coincidentally" supported by the xGoverning Body of Jehovah's Witnesses is not paranoid, it is logical;

1. This provides the perfect potential context for a hoax "Great Tribulation" on JWs as well, to herd JWs hither and thither, at xGB command, in 230 'isolated from JW communications' lands;

2. Yet, that overall effect is not dependent on the 2014 Centennial Temple timing, but sure would have a great effect on the worldwide organization of Jehovah's Witnesses if indeed this does manifest in this way;

3. Either way, the xGoverning Body of Jehovah's Witnesses is up to no good; They are the self-revealing "man of lawlessness" that must manifest before any of this activates in actual, not hoax, prophetic significance and fulfillment of Daniel 8:11-14;

Please share this news with as many Jehovah's witnesses and others as possible; Lives can be affected by the truth of the matter as outlined in the Bible for this very purpose to be wary of the xGB's claims - they are NOT good men, they are pretenders and fake-brothers;

**Globalist GB Infiltration of Jehovah's Witnesses Fulfills Prophecy: Prophetic Future "Final Fulfillment Mode" Cover Up**

http://temple Elijah.wordpress.com/diversion/xGB-infiltration-future-final-fulfillment-cover-up/

**Jehovah's Witnesses Have Been Given Final Truth**

First off Jehovah's Witnesses have been given the truth of all time from God Almighty through Jesus Christ. All 1914 mode prophecy proves Jehovah's witnesses prove the bible for God, sanctify His Name, and uphold God's Sovereign Supremacy by proclaiming His Messianic Kingdom power through Christ Jesus. That Kingdom and Temple arrangement, in immortal glorification to complete before Armageddon's final "war with God" will utterly humiliate, rout, ruin and destroy the 8th King/King of the North zenith globalist world order wannabees and the national collective system they are increasingly controlling to everyone's doom on planet earth except those saved by God in that period of time of Satan's climax as Gog of Magog; (Rev16:13-16 via Joel3:9-12 empowered by Rev17:12-18 parallel to Dan11:42-45; Rev14:14-19; Rev7:9-17)

**The Truth is the Globalist Target; Daniel 8:12**

So it is no wonder the globalists and the demons will attempt to send the best subversion agents they have into Jehovah's Organization (Org), and they have, and they will be neutralized and removed as per prophecy. The JW Org status of Zechariah 3:1 for the last 20 years, will be resolved in Zechariah 3:2 final fulfillment soon, and may very well be traumatic to all Jehovah's witnesses worldwide - something BIG, in Jehovah's organization, is going to happen well before "great tribulation" (GT).

It definitely will be memorable for the imposter "Governing Body" (GB) and Org globalist undercovers being exposed now, and it will all commence the great final fulfillment mode of the final Biblical prophetic sequence of prophecies to the world's complete conquest by Jesus Christ. (Zech3 will lead to Dan 12:7; 7:25 and Rev10-11 in final fulfillment cycle)

Zechariah 3 fulfillment, in a little while, is the commencing trigger event.

By that event Jehovah will recover the final ministry of Jehovah's witnesses and refine it per Malachi 3:1-4 final fulfillment as well. The 2 Thessalonians "man of lawlessness" cabal, operating in the imposter GB will be exposed and terminated from authority in God's Organization forever.

=====

**In the Meantime - They Want to Stall Jehovah's Witnesses While Looking Busy**

Jehovah's witnesses are currently undergoing a 20 year known inner compromise of our organization by infiltrator agents of the globalist world order with other serious spiritual improprieties all masquerading as approved by Jehovah God and Jesus Christ with sinister goals of subtle subversion, massive sin, spiritual backward vision, and positioning the Org for a coup de grace under an appearance of righteousness.

**But now the imposter GB and Org infiltrator "man of lawlessness" being pre-exposed as per 2 Thessalonians 2:3-9. Full exposure will occur when Zechariah 3:2-4 activates soon.**

This will all trigger a final cycle of parallel final fulfillment mode prophecy that will progress through 3 more known phases to the end of the world of all rival power on planet earth (Rev19:19-21), and in the space zones surrounding it (Rev20:1-3).

Zechariah 3 fulfilled will be like a fuse to the God bomb of all time, the Messianic Kingdom conquest; (2Thess1:6-10)

**Parallel Prophecy Triplet**
This prophetic triad is the "befouled garments" transition to "robes of state" of divine upgraded approval for completing the "good news" of the 144000 "royal priesthood" (1Pet2:9) from Jehovah and Christ in Zechariah 3:1-4 prior to the actuality of the Temple 144000 under Christ completion which is followed by complete world conquest; (Rev1:11-18; Dan2:44).

Therefore just the guaranteed Kingdom Temple completion "good news" of this affirmation from God is important and will affect the content of the "little scrolls" understood as "opened".

This Zechariah 3 manifestation will parallel the Malachi 3:1-4 current final "temple" inspection, judgement and refinement of the contemporary, modern definition of the "Temple of The God" in Jehovah's witnesses professed anointed worship system on earth, the "temple", and "those worshiping in it"; (Rev11:1-4).

The Revelation 11:1 "reed like a reed" measurement "device" will have disciplinary and shepherding pronouncements applicable to all Jehovah's witnesses in final fulfillment mode.

The global activation of Zechariah 3 will commence the final chapter of human Adamic civilization as outlined in prophetic eradication of this rebel system led by the 8th King, the presence in this imposter GB stealth control.

In this judicial inspection of Zech3:1's current state of the Jehovah's witnesses, and Mal3:1, 5; the modern manifestation and definition of the infiltrator "man of lawlessness" (2Thess2:3-9) in the Jehovah's Witnesses organization will also be revealed.

This exposure of the source cause of the "befouled garments" of Zech3:2-4 in the imposter GB and peripheral organizational undercover positioning is also a prerequisite trigger of subsequent prophetic fulfillment of grander scope, in fact universal and worldwide impact guaranteed in the near future.

Fraud GB to be Exposed Soon

This will become a full revelation of wrongdoing by an operative controlling imposter faction for 20 years now, operating within Jehovah's Witnesses "Governing Body" and organizational corporate, administrative and congregational bodies.

This dubious and subversive well disguised operation and personnel placement, which have been involved in stealth and blatant sins publicly unrepentant and unadmitted for 20 years, will be fully exposed as per prophecy in parallel multi-fulfillment mode in the near future. These "garment befouled" "GB" operators have been sullying Jehovah and Christ's name and global reputation, and bringing into ill repute the anointed "faithful and discreet slave class" remnant today on earth, and all Jehovah's witnesses worldwide, and will be removed as per Zechariah 3:4.

The infiltration is so deep and effective, divine intervention by angels of God will be involved as per Zech3:4.

Jehovah Witness Wake-Up Call

This will trigger a final fulfillment mode of prophecy to follow this commencing development that will usher in a poignant display of final fulfillment reality, and get Jehovah's witnesses attention worldwide.

This is to recover Jehovah's witnesses from the imposter GB currently operating an organizational system of Satanically engineered spiritual coma, explained partially below. This will be a symphonic organizational event worldwide, that may converge with the third level of the infiltration goal [2] of embezzling and exterminating as many Jehovah's witnesses as possible in the next 10 year globalist world domination cycle.

These globalist and GB synchronized cycles were demonstrated in marked world fashion in 1991 and 2001 (911), so a third step is guaranteed soon.

Cycles of Imposter GB Sanctioned and Engineered Sin and Real Guilt

1. The first cycle (9/1991, timed Euro NWO) introduced massive gross sin in secret (UN-DPI promo "ads") to affect Jehovah's witnesses holy spirit and high level "new light" blessing, which has been successful in bedarkening the Jehovah's witnesses by this "GB" for 20 straight years of zero "new light", no questions asked. Good.

2. The second cycle of UN scandal "breaking news" globally (10/2001 timed with 9/11), was for global reproach of Jehovah and Christ. This also sparked a subtle reactionary idolatry development in bolstering apostate attacked bodies of "GB", "Slave" and "Org" fueled by this engineered debacle worldwide.

This led to global bloodguilt on all Jehovah's witnesses by massive multi-million person stumbling worldwide, in addition to closing off the global web territory from an organized ministry. Instead the web is cordoned off for infiltrator GB sanctioned "apostate" "one-sided story" development and regular "filth feeds" ad infinitum for global distribution from the fraud GB supporting imposter aids from within the Org.

Now add bloodguilt and engineered idolatry to the "befouled garments" imposter GB smudge fest.

All in all, Jehovah's witnesses are now in a 20 year Satanic full stand accusation and resistance from within "Joshua's" "right hand" imposter "GB" itself fulfilling Zechariah 3:1 for 20 years. The spiritual "fire" of Zechariah 3:2 is therefore very real, as all Jehovah's witnesses are dragged into this enormous sin festival globally year over year, led by the imposter GB ringleaders, a Satanically aided cabal of camouflage subterfuge and obviously, HUGE sin development shown paralleling Zechariah 3:1 with 2 Thessalonians 2:9 with direct Satanic operations cited in BOTH of those scriptures.

3. Third Future Cycle: But there is much more to this infiltration than just that described thus far. [1]

Prophetic Retardation Purpose

Make JWs Think it is All About Through

The spiritual prophetic aspects is to freeze Jehovah's witnesses in an organization wide illusion that everything is done, that the work is at apex, that it is all about through.
This causes Jehovah's witnesses to:

1. **Sleep**: Become complacent;

2. **Loose Focus**: Become unfocused on the bible and prophecy in the meantime;

3. **Catatonia**: Stop searching and reading Bible prophecy for final fulfillment;

4. **Diversion**: Conceal modern prophetic manifestations and detailed identity of the 2horn-wildbeast (2HWB) and 8th King actual worldwide globalist systems of intended world domination.

5. **Backward Vision**: Keep Jehovah's witnesses focused on the minor 1914 fulfillments failing to ascertain the modern "temple" inspection phase.

5. **Dumb-Down**: Reduce and water-down spiritual feedings progressively to only new sheep levels of 1990;

**Evil Objective**: The purpose is to make Jehovah's witnesses fail to comprehend that there is a guaranteed final replication of all applicable prophecy that fulfilled in 1914-1926.

1. The purpose is to make Jehovah's witnesses miss the final ministry of Revelation 10-11 in final fulfillment understanding and action.

2. The purpose is that Jehovah's witnesses miss the final identification of the globalist "King of the North" in final fulfillment, thus never deliver the "reports" to an unknown symbolic bible character (KN is globalist world order container of the 8th King and 2HWB).

3. The purpose is to make Jehovah's witnesses miss the final ministry of Revelation 11 in final fulfillment of the second "two witnesses".

4. The purpose is to "clothe" Jehovah's witnesses spiritual identity and state in very real "befouled garments" as per Zechariah 3:1-3.

Watchtower examples of diversion: [13]

**Keep Focus on 1990 and 1914**

So this imposter GB keeps everyone focused on 1914, while recycling 1990 20 times and more if possible to aid this illusion.

1914

Although 1914 is but a minor fulfillment preview of the final fulfillment major finale (in the near future), the current imposter GB since the Henschel infiltration of 1991-1992 wants everyone in the delusion that 1914 is the end of it all, look no further.

This illusion aids not only the above objectives of Jehovah's witnesses missing the final commission and approval of God, but of also minimizing the bible's own guaranteed identification of this "son of destruction" GB "rat nest" and organizational infiltration in final fulfillment mode.

1990

The illusion that this "GB" of globalist operatives and possible misled persons is a valid spiritually approved "body" is aided by constant 20 years of recycling of the past "spiritual food" works of the pre 1991 righteous remnant and governing bodies that preceded this current GB "mole nest" of clever demonic filth.

There is simply put, zero "new light" for 20 years, but plenty of replicated, edited and reworded "spiritual food", giving the illusion the GB is legitimate, but it is not. This is aided by teams of "other sheep" who innocently carry the full work and research load of this fraud dead weight GB.

**Keep Focus on Prophetic Generalism and National Ambiguity**

So after 20 years of progressive retardation stuck in 1990 20 times, the greatest single decades of globalist 8th King activity in Europe since 1991, and in the world since 9/11/2001 is totally ignored by these globalist aids controlling the GB from within since that same time period of globalist world manifestations, all too conveniently developed at that exact time period in 1991, and 2001.

*Quite possibly the next move will also converge with globalist events as the previous 2 did as well. This third development will activate a divine intervention "temple cleaning" at some point in this progression soon.*

By this strategy...

**Goal: Hide From Jehovah's Witnesses the Following**

1. **Don't Tell JWs**: Biblical Final Fulfillment Mode Guaranteed Future Major Replication of All Kingdom Sovereign and Temple Prophecy in the Near Future

By this stall and recycle strategy Jehovah's witnesses would never realize there MUST be a final fulfillment cycle in the near future, a cycle so massive, 1914-1926 will be but a dress rehearsal.

Thus Jehovah's witnesses would never be upgraded to a paradigm shift to the final fulfillment mode of prophecy, which will be perfectly replicative of the minor fulfillment. This will be in complete harmony, like a perfect map, with 1914-1918, 1919-1922, 1922-1926 and all the meanings and events of those 1260, 1290, and 1335 day patterns BUT with worldwide and universal total impact and permanence.

Obviously then knowing all this is very important not just for Jehovah's witnesses, but for everyone in the world who will become convinced of the certainty of the prophetic outcome when they see it come true, in these initial cycles, right in front of their very eyes.
Therefore the final fulfillment mode of biblical guaranteed and certain prophecy MUST be made known to as many people as possible, so when they see it all unfolding over their very lives, they can begin to comprehend the seriousness of where this is all leading, and just maybe repent so as to be saved.

God himself through Christ is providing a program to the final act of the play, for ANYONE who is paying even the slightest attention to what is developing here NOW in front of their very face. God is giving mankind a virtual map to the end of the world, in a number of easy to identify global points, great events, and periods of time that will unfold after those events, a map, to the end of the world, and where to exit and be saved.

So certain is it, it already has a full completed minor fulfillment on the global record as a pattern that WILL and MUST repeat in the near future along the very same route, offset into the coming days. The first modern nodal point of global activation will be this Zechariah 3:2-4 parallel trigger of prophecy that everyone on earth, will see fulfill in a symphony of events.

This synergy will include known events by globalists infiltrators in the JW org, the external globalist world events that it will relate to like in 1991 and 2001, and an act of God as per Zech 3:2, and Zech 3:4 paralleling Malachi 3:1-5, and 2 Thessalonians 2:3-9 unmistakable - so keep your eyes open, take note, jot it down, it will happen soon.

Obviously this will be very important to Jehovah's witnesses when they understand all this, and see it happen, it is a wake up call for the next phase of heightened biblical understanding.

2. Don't Tell JWs: Globalism (North) versus Nationalism (South) is the Basis of the Apex Final Form of World Rulership of Revelation 17:3; 12-17 and Daniel 11:40-45 8th King Globalist System

The next thing is to keep Jehovah's witnesses national minded cows forevemore with no comprehension of the concept of globalism as a basis of world government, to be herded like everyone else to layers in the food chain of globalist engineered destruction and internment cycles no questions asked, go where ever the imposter GB sends you even if it is a concentration death camp: NOW!

No Globalism

This GB cabal does not want the concept of world government based on globalism guided by globalist principles to be understood as a simple to explain bible and world reality fulfilling, because that affects the depth of understanding of Revelation and Daniel's wildbeasts and polar kings "north" (globalism) and "south" (nationalism) to the fullness of biblical development in the final manifestation of these globalist rival systems.

This ignorance is aided by never understanding the difference and the reality of existence between national scale government(s), and global scale government. Nationalist governments (plural) and globalist government (singular) are very real world entities that need a synergy of globalist dominance, based on national ignorance and subservience to attempt 100% world domination by the singular 8th King globalists - while no nation puts 2 and 2 together.

National scale government never can rule the whole world, because they can barely rule their own territory, they are all to weak and limited in intelligence and power systems at global scale. They can dominate only so much, such as the Anglo-American national system, but that scale of power will never rule the whole world. The 8th King globalist system, WILL attempt 100% world rulership soon based on the use of many nations ignorantly providing themselves to this globalist end.

National scale governments are focused inward upon their states, globalist scale government is focused outward internationally upon all nations, and that is what gives globalist systems and focus such power - more resources, better intelligence and worldwide scale of operations.

Globalist Paradigm Explains Revelation and Daniel Rival Sovereignties More Fully

That concept would completely explain the differences between the [[national collective]] wildbeast1 of Revelation 13:1 and the [[globalist unification]] "scarlet wildbeast" of Revelation 17. Understanding that conceptual dynamic of scale and power then explains the meaning of Revelation 17:12-18 (and Daniel 11:42-43) as a national power and authority, wealth and resource shift into a globalist ruled world system voluntarily aided by national governments, to their own demise.

That concept would completely explain that the "two horned wildbeast" (2HWB) (Rev13:1) is not just the Anglo-American world [[national]] power, but in fact the [[global]]"personal wildbeast" of the elite globalists based in the Anglo-American national identity, BUT at globalist scales of world government locus of power, world financial locus of power and world collective military locus of power at globalist level worldwide but NOT subject to national sovereignty of any kind - it is a private super-sovereignty.

They appear "national" but they are globalist for real, full worldwide scope of resources and super-sovereign systems in space, communications, technology, intelligence and other super-systems that give them great global leverage and advantages. They do NOT want people understanding this reality.

Keep Satan's Head Anointed Engineers Hidden in Plain Sight

That would also explain how those advanced 2HWB (Rev13:11) globalist engineers, as Satan's anointed, also orchestrate the world "club", the global "forum", the international "image of the wildbeast" "United Nations" worldwide hub system "image"; "idol"; "disgusting thing" (Rev13:11-15) as a unification of all the national sub-elites of the entire world (Rev16:13-16) into a sole controlling (Rev13:11) globalist orchestration.

These are the 2HWB guys who operate in as much secrecy globally as possible, and do not want Jehovah's witnesses exposving this "shadowy global network" in conclusive world or parallel biblical identification that connects them to the "King of the North" of Daniel 11:40-45.

Why?

The "King of the North" leads to Daniel 12 live and real-time, and that leads to the realization that Daniel 12 has a final fulfillment, final future cycle as well. That awareness of impending manifestation therefore aligns the 1260 days of Daniel 12:7 (Dan7:25 as well) to the 1260 days also logically and prophetically having to repeat in final fulfillment mode in Revelation 11:1-4 in the future, and the full cycle of Revelation 11 "two witnesses" final fulfillment from the "little scroll" of Revelation 10 that leads to Revelation 11 in final fulfillment.

Why?

The "little scroll" will be a Sovereign Ultimatum of Jehovah God and Jesus Christ concerning assured completion of the Kingdom and Temple 144000 under Jesus Christ, King of kings in full power, universal and world conquest. That is the subject matter, proclaimed globally soon, of assured completion of Kingdom and Temple in the face of the enemy system, before the War of Armageddon that is in the "reports" of Daniel 11:44.
The imposter GB wants to stall this news as long as they can.

The globalist handled GB does NOT want to ID "King of the North", or "eat" the "little scroll", or identify that the "two witnesses" MUST prophesy again to the world (Rev10:11), therefore the "reports" (Dan11:34) will never reach an unknown recipient "King of the North", and Jehovah's witnesses will fail in that commission.

Wildbeast "Image" and Scarlet Wildbeast "Body" are Totally Different Actualities

By the time of Revelation 17, that "scarlet wildbeast" "body", is real globalist 8th King controlled power system of nations controlled by globalist advanced super-systems worldwide which is much more than an "image" by this time in global development.

That 2HWB promoted worldwide elite multi-national "unification" in UN allegiance and aided by advanced Anglo-American globalist political, finance and military systems and techniques of control of their own nations, is orchestrated by the Anglo-American elites to control those nations; (Rev17:12-18; Dan11:43), through puppet "elites" of other nations who are controlled by those Anglo-American head engineers and master common.

That thereby explains that the 8th King (scarlet wildbeast; Rev17:11) and 2HWB (Rev13:11) are all contained within the globalist pinnacle "north" "polar" world power system forming over earth symbolized in Daniel 11 as the apex "King of the North" globalist world system climax, in total control of the "Egypt", "King of the South" who is by Daniel 11:42-43, a 'she', a subservient [[national]] world system. This prophetic transformation is parallel to the [[national]] voluntary power transfer into [[globalist]] power system in Revelation 17:12-17.

In 10 years at the "UN Library" NONE of these simple globalist based concepts discussed here came forth, because the imposter GB is a globalist handled puppet show that gotta go, that want all JWs focused forever on 1990 and 1914 - they are an act.

They will further the fulfillment of prophecy when they are revealed and eradicated from Jehovah's organization in whatever way that manifests in the near future; (Zech3:1-10; 2Thess2:3-9)

Here are good Watchtower June 15, 2012 examples of diverting attention away from modern globalist reality, the actual globalist super-structure fall "scarlet wildbeast" "body" and it's engineer's "body", the two-horned-wildbeast revealed in prophecy (Rev13:11; Rev17:11-17) easily seen and researched since 9/11/2001 in marked globalist fashion; (Daniel 11:40-43) [3]

Examples of Imposter GB Attempting to Retard Jehovah's Witnesses in 1990 Thinking
"Ignore the 8th King Globalists" So Say the Imposter GB

Phase 1 GB Globalist Synchronism

Though some of this may seem like nitpicking, the collective effect of enough little details, revealed in prophecy for a reason, form a clearer big picture of truth overall. There is a reason why the imposter GB globalist agents do not want to move Jehovah's witnesses past 1990 in prophetic analysis which was expanded in marked fashion globally after 1991 by the globalists in Europe as their national puppet USSR "King of the North" was retired along with the "Berlin Wall".

That was a new level of globalist activity in a marked world event.

The significance of this globalist first step into the modern progression to world domination of this 8th King, globalist "King of the North" system progressively developing has been ignored since this imposter GB came into control after Fred Franz passed off the earthly scene in 1992.

Instead the GB went on a "new world order" quotation fest for the UN/DPI initiative with almost 100 "NWO" citations in 10 years from 1991 to 2001; (Search the Watchtower Library CD for examples of "new world order" quotes). The imposter Governing Body of Jehovah's Witnesses made GB, George Bush Sr. an honorary member of their GB, "Globalist Boys".

Phase 2 GB Globalist Synchronism

By September 11, 2001 another huge globalist world move was under way to employ and expand Global NATO (1999) worldwide, among other globalist world order objectives, that were also ignored by this imposter GB.

Instead the imposter GB had already devised a handy mental and attention diversion in global reproaching UN/NGO scandal in the UN/DPI affair "breaking news" as they provided and pimped the image of the "Virgin Daughter of Zion" as a call-girl escort and propaganda streetwalker "non-governmental organization" for UN advertising to the JW select demographic.

That handy little globalist guided and perfectly "911" timed development diverted much Jehovah's witnesses' time, energy and attention to confusion, scandal, and mitigating the apostate attacks worldwide that such reproach and hypocrisy inspired non-stop. This instead created perpetual focus on defending, repairing and steroiding the attacked organizational bodies of the "GB", "Slave" and "Org" into an idol factory subtly but progressively year over year.

The apostate imposter GB did not bring up Global NATO's significance in relation to "Har-Magedon" as a "global military fortress" system earthwide expanding to 70% global war potential scale, which Global "UNATO", in association with the United Nations represents, by the way, as the greatest war machine man has ever known.

The imposter GB also did not dare utter a peep as to the worldwide globalist significance in 500+ new worldwide military installations and supports over 10 years time as this all progressed after 9/11. Or the many "special operations" wars of US-SOCOM of Global NATO. They did not want anyone to grasp how this 8th King inspired "world invasion" actually fulfilled the "globalist paradigm" final fulfillment of the "King of the North" as a globalist world power system, expanding globally in Daniel 11:40 final fulfillment phase which kicked off on 9/11/2001.

These are now easy to see global developments that even worldly researchers are pointing out the general, not biblical, significance of in fulfillment of the "signs in sun. moon and stars" of Luke 21:25-28 that the world system itself forebodes the ominous meaning of.

This imposter GB wants everyone and his Jehovah's witness mother focused on 1990 and 1914 forever and ever, with no hint whatsoever of the global ramifications of ascendant globalist world government developing worldwide, undercover of the night and the imposter GB.

The Main Objectives (MO) of the Imposter GB and Bible Prophecy:

MO 1. Breed Complacency and No Real Need for Bible Study in Depth of Final Fulfillment Prophecy

The imposter GB teach that everything is basically fulfilled and done - congratulations, you don't really need to study the bible anymore, for therein lies our final exposure by final fulfillment prophecy that in fact has not fulfilled yet, but will fulfill very soon, exposing the fraud GB and Org globalist infiltration; (Zech3:1-9; 2Thess2:3-9; Mal4:1-5)

The GB wants to breed a subtle but effective dozing complacency respecting biblical prophecy in final fulfillment manifestations avoiding any telltale or blatant signs of their fraud undercover existence as being a biblical "man of lawlessness" prophecy that must fulfill in a little while.

So, the imposter GB keep recycling 1990 perpetually (20 times so far), saying it is almost done entirely, it is all at apex, to keep all JWs tunnel visioned backward to 1914, a temple foundation era that has expired, but in fact must replicate in the great temple completion phase we are NOW entering and into the near future.

The imposter GB call no attention whatsoever to globalist reality, and do not elucidate the truth that the 2Horn-Wildbeast (2HWB) is Anglo-American globalist elites who are based in their Anglo-American partnership of national base power in Britain and America, and use "shell game" nationalism as a veneer for their global domination operations and goals.

The imposter GB continue promoting among Jehovah's witnesses the outdated idea that the 2HWB is merely the Anglo-American dual world power, the national based 7th king, in a "special role", nothing more folks.

Do NOT reveal the actual 2HWB globalist elitist super system of Devil anointed "seed" elites with top world rulership insights given by demons for this very purpose (Rev16:13-16; Gen3:14-15) of replicating the seven headed Dragon's intellectually engineered sovereign structure (Rev12:1-3) into both the national wildbeast collective of Revelation 13:1 and the main elite world rulership project, the globalist "scarlet wildbeast" worldwide unification "8th King". That "scarlet wildbeast" is an actual, full bodied world power FINAL defiant world government zenith system earthwide composed of hundreds of nations that God's Kingdom vanquishes.

MO 3. Continue to Focus on the "Image" of the "Wildbeast" and Divert Attention from the Actual Full Bodied "Scarlet Wildbeast" as an Actual Global Power System Composed of the Resources of Hundreds of Nations
The globalists operate like Satan, upon secrecy, deception, diversion and misrepresentation under the veneer of the exact opposite claims of intent; (2Cor11:14-15) So as we know the United Nations is a highly visible world entity, but in itself it is not an actual global rulership physical power system, it is a world globalist forum, an "image" of globalist rulership philosophies and a "hub" of interested member parties from many national powers worldwide.

The imposter GB wants everyone forever focused on this generic "image" insight up to 1990 enlightenment given by Jehovah through Christ, through the anointed remnant on earth for public knowledge on the real future of such an enterprise rivaling God's Kingdom for possession of planet earth and life on earth.

But this is not the actual globalist "scarlet wildbeast" who does evolve and develop into a very real world predatory system, far far beyond ANY national power or power bloc in destructive and controlling potential. This progressively forming globalist "scarlet wildbeast" is rivaled by no other national power in human history in percentage of war potential, worldwide intelligence and financial control.

This globalist "scarlet wildbeast" full "body" is a very very real worldwide network of hundreds of nations being deceived and pawnsed, under increasing resource and social control under the globalist elites of the 2HWB who engineered the worldwide hub globalist "image" to penetrate the national systems of all nations on earth - by aid of the foreign elites of those nations attracted to these ideas; (Rev16:13-16).

This is then an elite controlled ring, led by the globalist 2HWB elites, so that THIS WHOLE GLOBALIST "SCARLET WILDBEAST", is in it's TOTALITY, the whole 8th King - THE ENTIRE GLOBALIST "SCARLET WILDBEAST", THE WHOLE THING, NOT A SINGLE NATIONAL HEAD, BUT THE WHOLE THING IS THE WHOLE GLOBALIST 8TH KING - ONE BIG FINAL WORLD POWER OF HUMAN HISTORY.

The imposter GB wants everyone thinking there will be no other human world power system ascending on the world scene, when in fact the globalist 8th King, also the same as the globalist "King of the North" WILL BE the final ascendant global rulership attempt with total worldwide rulership as the goal; (Dan11:42-45)

No national world power will arise at this level of percentage of total global war, finance and resource control like this globalist "scarlet wildbeast" that will own the national powers, all very soon as per Revelation 17:12-18 parallel with Daniel 11:42-43 at globalist levels of "power and authority" seizure, by national powers literally handing the globalist scarlet wildbeast their very national "kingdoms" worldwide, compromised first by globalist financial intrigue; (Dan11:43)

Article: JEHOVAH IS "A REVEALER OF SECRETS"

-------------------

The Watchtower 06152012 - Paragraph 6

""John also saw a strange beast rise from that sea and receive great authority from the Devil. An angel later indicates to John that the seven heads of a scarlet beast, which is an image of the beast of Revelation 13:1, represent seven kings, or governments."" [6]

-------------------

[6] Comment. (Example of MO 3)

The Scarlet Wildbeast is Real World Power Systems Based on Whole Nations Worldwide

But in actuality the "scarlet beast" is a fully bodied evolving, actual wildbeast "body", a globalist unification "wildbeast" whose totality of the whole "scarlet wildbeast" is the 8th King, a single focus of power in that 8th King. That globalist 8th King that controls the full body of that "scarlet wildbeast", is that whole wildbeast system worldwide.

This was engineered into this later Revelation 17 progressive maturity from earlier developments of the 2horn-Wildbeast (2HWB) (Rev13:11) Anglo-American globalist elites through the United Nations "world forum" and elite "hub system" "image" of the wildbeast that they empower as per Revelation 13:11-15, before this global maturity of "scarlet wildbeast" full "body".

The United Nations world forum "image" and the actual multi-national collective "power system" controlled by globalist 8th King demon anointed elites should not be confused as being the same thing - there is a HUGE difference as time progresses since 1919 and the commencing "image" "League of Nations".

This subsequent full bodied globalist "scarlet wildbeast" does not appear in time until it's maturing development on the world scene Revelation 17. This globalist "scarlet wildbeast" of Revelation 17 is fully based on the exact national collective structure (seven heads, etc) of the national collective wildbeast of Revelation 13.1 which is a much older "wildbeast" system development now dominated by the Anglo-American partnership 7th head of that national wildbeast, and national 7th King.

There is a huge difference between national power and globalist power.

The 8th King globalist real power system worldwide (the "scarlet wildbeast", not just it's global UN forum "image") progressively comes to dominate the world through the control of the national collective wildbeast by a full and voluntary national "power and authority" transference progression shown in Revelation 17:11-18. So complete is this transference of national power and physical assets from ALL the nations "given" to the globalist power system, parallel to Daniel 11:42-43 "pawning" of the "King of the South" Egypt, the national powers of earth are said in Revelation 17:17 to actually give their [national] kingdom to the [globalist 8th King scarlet] wildbeast".

So complete is this power shift to the globalist 8th King that the "scarlet wildbeast" "King of the North" "rules over the hidden treasures of the silver and gold" world bullion and physical wealth systems (not worthless fiat currency and massive debt), and "all the desirable things of Egypt", the totality of national world powers of earth, now pawnsed by the 8th King, the King of the North as per Revelation 17:12-17 paralleling and fulfilling Daniel 11:42-43 in relation to globalist world domination of government and finance power.

As stated this awareness of a final world domination attempt, through a very real globalist world power system dominating all the nations, is what the imposter GB is attempting to retard in Jehovah's witnesses by keeping them in 1990 understanding, over and over and over again. It's still true information, but not reflecting current

The Watchtower 06152012 - Paragraph 5

Though Britain gained dominance, colonies in North America broke away. Even so, the United States was allowed to grow mighty, protected by British naval power. By the time the Lord’s day began in 1914, Britain had built the largest empire in history and the United States had become the greatest industrial power on earth. During World War I, the United States forged a special partnership with Britain. [5] The seventh head of the beast had now emerged as the Anglo-American World Power. How did this head treat the seed of the woman?

==========

[5] Comment - (Example of MO 2)

The actual lead "father" system is the British empire globalist elites from inception, they are the ones who "forged" a special "roundtable" relationship with their own creation in the "United States of America", which they had been funding through their central banking globalist finance network since 1791 officially revealed in the clone central bank of the Bank of England in the Bank of the United States aided by Presidential puppet Tom Hamilton; (Ten dollar bill).

By 1914 (12-23-1913) that central finance administration central banking arm was the Federal Reserve; a globalist scale finance conduit by which the entire World War 1 finance system was managed in the American "gravy train" of World War 1 along with the Morgan banking and investment network in America and England. England is the master mind system from which the entire orchestration of World War 1 ran.

This globally engineered "great war" event ran as the "global problem" (world war) for which the "globalist solution" (global government) would be presented directly after that engineered "world war problem" was completed to the tune of 300 billion dollars globalist banker profit. Then the "cherry on top" "League of Nations" finale to the whole bloody ordeal would be presented, tada!: the first global presentation of the globalist "world peace" forum "image of the wildbeast" in 1919, an elite globalist promotional branded hub system of world government and world peace.

All very predictable now and conveniently scripted then. Tribulation leads to a presentation of the "disgusting thing" as the solution, to the tribulation, the desolation it itself causes. Very handy.

That is why any attention to the actual locus of power in all this, the Anglo English elite globalists (at that time of WW1) is better to be hidden in any diversion possible, such as attention to the United States/UK national puppet show shell seventh head. Though a national alliance was developed prior to World War 1 between Britain and the United States of America as the Anglo-American national dual world power, the globalist union of both nations was not official until the United States joined the United Nations, they did not join the League of Nations officially, but as seen all the shadow American elite globalists (such as the Morgan bankers) had to be involved behind the scenes.

It is significant that even American national elites and politicians had initial misgivings of officially joining into this world governmental union after World War 1 and so remained detached from that "image" rendition prior to the United Nations.

The Watchtower 06152012 - Paragraph 6

Shortly after the start of the Lord’s day, the seventh head launched an attack on God’s people—the remaining ones of Christ’s brothers on earth. (Matt. 25:40) Jesus indicated that during his presence, a remnant of the seed would be active on earth. (Matt. 24:45-47; Gal. 3:26-29) The Anglo-American World Power waged war with those holy ones. [6a] (Rev. 13:3, 7) During World War I, it oppressed God’s people, banned some of their publications, and threw representatives of the faithful slave class into prison. The seventh head of the wild beast as much as killed the preaching work. (Matt. 24:45)

More GB National Focused Diversion Away from Globalist Reality

This is not accurate to the level of detail required. This calls attention to national powers in the 7th head, instead of the globalist actual powers orchestrating this attack. This is diversion once again, by the impostor GB.

Again it is NOT the national power puppets (7th head) of the Anglo-American elite globalist "puppet masters" that attack of their own initiative. The source attack is guided by this far more powerful globalist locus of power in the 8th King system globalists (scarlet wildbeast), who control and orchestrate the whole multi-national "world war", massive profit, "gravy train" engine led by the 2Horn-wildbeast (2HWB) industrial, military and financial power systems of the globalist elites based in Anglo-American national fronts.

They like secrecy. The impostor GB keeps them secret too.

All Too Convenient, Hence Now Predictable

The fact that their "world government solution" pops up immediately after World War 1 "global war problem" shows who "causes desolation" is actually these globalist powers "disgusting thing" with this very goal of presenting the "world governmental" "solution". All too coincidental, these globalist guys are predictable now.

That "world governmental" "solution" which is an "image" and an "idol" of world rulership is guided by globalist elite powers (2HWB) far above the national puppet shows in actual power - That globalist aimed 2HWB administrates the globalist 8th King, the real final world power - that is the real attacker of Jehovah’s people,
Repeal as Necessary on Duped Nationalists and Masses

That exact formula repeated in World War 2, and shows who world war and global tribulation always serves in the end, globalist profiteering at multi-trillion dollar levels, in debtoring national powers in the process in the multi-trillions, and then, lo and behold, propping up the "disgusting thing" solution to all man's problems to be adored and served as "the only hope for mankind" ensuring another round of this insanity, money worship, and war driven human sacrifice.

More GB Distraction

That is why here, the imposter globalist controlled GB wants everyone and his mother focused on the "7th head", which is just a national puppet show who take orders from far more powerful handlers in globalist realms of the 2horn-Wildbeast (2HWB) (Rev13:11) globalist Anglo-American elite puppet masters. They are so secretive, that 2HWB does NOT draw worship to itself, please note.

When they say "seventh head launched an attack" and "seventh head of the wild beast as much as killed the preaching work ”, it is actually the 2HWB that is doing this through the national powers (seventh head). This is a diversion of detail that is not accurate entirely. Why? To allow the globalists to operate worldwide with no knowledge of their existence, though the bible IDs them explicitly as their own 2HWB personal Anglo-American globalist elite wild beast - not a "special role", but a special world power system all together - elite globalists personal power system.

No Word From Imposter GB on Final Fulfillment of Revelation 11 in the Near Future

Indeed "The history of Jehovah’s modern day servants confirms that those events took place" and in fact Revelation 11 must have a second and final "two witnesses" fulfillment. This would be a good place to mention the final fulfillment no? Of course that is what this imposter GB does NOT want Jehovah's witnesses to realize. Don't expect any "new light" until after this GB is purged in the final fulfillment of Zechariah 3:2-4.

Paragraph 9

Jehovah’s servants have long sought to understand the symbolic meaning of the feet of the image. Daniel 2:41 describes the mixture of iron and clay as one kingdom, not many. The clay, therefore, represents elements within the sphere of influence of the Anglo-American World Power, elements that make it weaker than the solid iron of the Roman Empire. The clay is referred to as the offspring of mankind, or the common people. [9a] (Dan. 2:43) In the Anglo-American World Power, people have risen up to claim their rights through civil rights campaigns, labor unions, and independence movements. The common people undermine the ability of the Anglo-American World Power to act with iron like strength. [9b] Also, opposing ideologies and close election results that do not end up in a clear majority have weakened the power base of even popular leaders, so that they have no clear mandate to implement their policies. Daniel foretold: The kingdom will partly prove to be strong and will partly prove to be fragile.—Dan. 2:42; 2 Tim. 3: 1-3.

The Watchtower 06152012 - Paragraph 10

In the 21st century, Britain and the United States have continued their special partnership, often acting together in world affairs. The prophecies about the immense image and the wild beast confirm that the Anglo-American World Power will not be replaced by some future world power. [10] This last world power may be weaker than that represented by the legs of iron, but it will not disintegrate on its own.

[10] Comment:

Imposter GB Deception: There will be no other world power after the Anglo-American national 7th King.

This is completely misleading.

Yes there will not be a greater national world power than the 7th King national power partnership of the Anglo-American dual world power, BUT there will be a full manifestation of the globalist world order 8th King guaranteed by prophecy. Tat 8th King can be seen being the whole "dreadful image" of Daniel - the whole "metal man", in it's entirety as it must be standing at a place when that "stone" hits it, and that "place" is Armageddon.

That is also the whole "scarlet wildbeast" that is the whole 8th King - MUCH more than just the "image" "globalist forum", the East River UN "clubhouse" complex of brick and mortar.

So to, the 8th King Daniel prophecy parallel is that the "King of the North" will be setting up "palatial tents" of world rulership and global domination attempt - that is the 8th Kingship, a globalist kingship yet to fully manifest on the world scene. The fact that it is called in sequence King number 8, as in after King number 7, also biblically proves the 7th world power national partnership, and national dual world power system, will be pawned and owned by the 8th King globalists as per Revelation 17:12-17 paralleling Daniel 11:42:43 - even if they co-exist, the national power based 7th King will be pawned and owned, controlled and ledfully to Revelation 16:13-16 in tangent with revelation 19:19-21.

Again, the imposter GB is now even misleading people on this matter, as if everything is wrapped up, all done, at apex, the United State and Britain national powers and politicians, multi-trillions in debt and unfunded liabilities, are the pinnacle of all earthly power! That's all folks! But that is a lie.

The national zenith powers will decline into debt and receivership and will be pawned financially, governmentally and militarily by the 8th King globalist order that this GB attempts to divert people's attention away from.

ANGLO-AMERICA AND THE TWO-HORNED WILD BEAST

The Watchtower 06152012 - Paragraph 12

everything else is the means by which to carry out the attack, such as the 7th head national powers of the national wildbeast collective of Revelation 13:1.

The Watchtower 06152012 - Paragraph 12

The Watchtower 06152012 - Paragraph 12

The Watchtower 06152012 - Paragraph 12
Though the Anglo-American World Power is a mixture of iron and clay, the visions that Jesus gave to John show that this power would continue to play a key role during the last days. How so? John saw a vision of a two-horned wild beast that spoke like a dragon. What does this strange beast represent? It has two horns, so it is a dual power. John is again seeing the Anglo-American World Power but in a special role.—Read Revelation 13:11-15. [12]

[12] Comment

Imposter GB deception: The 2Horn-Wildbeast (2HWB) is just a "special role" of the national Anglo-American 7th "head" of the national "wildbeast" collective of Revelation 13:1, nothing more.

Imposter GB Says: "The 2HWB is not an actual "elite globalist" "private sovereign" "worldwide wildbeast", not very real separated power system and head administration of forming world domination attempt in the near future."

But in Reality: The 2HWB is the real master globalist lead entity, not a "special role" of a national sovereignty, but the head super-sovereignty of world globalist power directed by the Dragon personally through the demons for the Revelation 16:13-16 collective climax.

"...Anglo-American World Power but in a special role..." LOL. I'll say.

But the 2HWB is far far far more than a "special role".

The 2HWB is a completely different ruling identity (globalism) and magnitude (worldwide) of global power and the actual origin of that power in direct Satanic (dragon) anointed select guidance and alignment.

These 2HWB guys installed the imposter GB, they are their "cream of the crop" infiltrator life agent deceivers for this very purpose: hide the final details of the truth of themselves and their intentions and prophetic destiny.

This 2HWB is far different than the national wildbeast of Revelation 13:1, or ANY of it's national "heads" and "authorities" - it is TOTALLY SEPARATE, it is the Anglo-American globalist elite system of global operations that utilizes it's national base system, for globalist world domination positioning for a "gathering" climax of Armageddon: (Rev16:13-16)

Again, what this fraud GB globalist infiltration does not want any one to realize still, is that the (2HWB) are globalist elite powers of far greater strategic, financial and influential power than ANY national powers on earth, national politicians, national elites or national groups, yet they are based in these national Anglo-American identities as a handy subterfuge and base of global operations. It's just a veneer.

This wildbeast is far more than a "special role" of Anglo-America, they even have their own custom, private, personal, separate wildbeast! This two-horn wildbeast has it's own "horns", "head", "body" mobility and power. This two-horn wildbeast is NOT encumbered by six other "heads", and an enormous lumbering old worldwide national "wildbeast" body - no, this wildbeast is a sovereignty unto itself, free roaming and secret - it ONLY directs worship to the first national collective wildbeast of Revelation 13:1, and to the "image of the wildbeast", the globalist United Nations forum of Revelation 13:11-15, which this two-horned-wildbeast engineered and designed for Satan by Satanic power, it does NOT draw worship to itself - it wants to be a big secret. Think about it.

The infiltrator GB also wants it to be a big secret as well.

This is an elite, Satanically anointed, globalist power system that operates through the Anglo-American national puppet shows that it creates, funds, directs and produces all by huge globalist financial control such as the Federal Reserve "trillions of dollars" and "money from thin air" national debt system it deploys.

Of course the less people know about this blatant fraud, the better for the blatant fraud.

[13] Comment:

Second Two Witnesses Proof

Just a side note here, that proves there will be a second "two witnesses" final global ministry of Jehovah's witnesses in the near future, completing 2 cycles of 1260 days, a 2520 day "appointed times" of the "trampling of the holy city" of Revelation 11:1-4.

"...the wild beast would ascend again. And rise it did—as the United Nations."

(Revelation 17:8) The wild beast that you saw was, but is not (League of Nations front), and yet is about to ascend out of the abyss (United nations front) and it is to go off into destruction. And when they see how the [globalist image] wild beast was, but is not, and yet will be present, those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world.

That is true, and that globalist formative power personnel and grouping is who have been fighting Jehovah's witnesses all along since 1914-1918 (first "two witnesses"), and who must fight against Jehovah's anointed in the future as well (last "two witnesses"), for this "wildbeast" of Revelation 11:7, is the "scarlet wildbeast" that did not arise out the "abyss" until 1945 as the United Nations, thus this, must still occur AFTER that rise in the near future.
So, we see the imposter GB continues to hide and divert attention away from the 8th King, King of the North as a real world power system of pinnacle defiance as a

with the wildbeast" globalists, NOT the other way around; (Daniel 11:42

Diametric to reality is this statement. The member nations are fully going into full ownership and control of globalist finance. They are the ones who "receive authority
to act as a king to carry out a specific task, one that triggers a chain of events that will change history." [14b]

[14a]

Divert Attention Away from Globalist Real World Governmental Super-Structure

The "Image" is Not a Wildbeast Body But an "Image" of It

The subtle diversion here is that of identity of this "scarlet wildbeast" as a full bodied world system in dynamic completion progressively. The "image" of the "wildbeast" is only the identifying globalist world domination philosophy with a "logo", "world forum", "public branding" called the "United Nations" an idea of unification with elite
globalist "magnetism" provided by the Anglo-American elites of the 2HWB. That complex in itself, is a basically harmless dilapidating urban complex of buildings, signs,
sculptures, office space, storage, auditoriums and meeting rooms, as sort of globalist representative "social club" on 17 acres on the East River in New York City.

That is just a visual shell, like a globalist bank tower, or the Pentagon building, the real "power and authority" lies all around the world as actual super-sovereign systems, like defense systems, satellite communications, global intelligence networks, super advanced technological development, nuclear development and deployment, telecommunications, massive global finance computing networks, etc.

Full Bodied Very Real World Domination Scarlet Wildbeast System Global

The real power in that "image" facade system is who engineered it as the most powerful, rich and influential Anglo-Americans on planet earth (Rev13:11) in the 2HWB
elite globalist system based in Anglo-American national roots. These globalist elites though have their own independent sovereignty in themselves and their super-system (2HWB and it's product the "scarlet wildbeast"). They do not answer to nation-state political authorities or nations, they own them; (Dan11:42-43), they employ those national political puppets for the big national "sleight of hand" puppet shows shows for nationalism promotions world wide, such as the Presidential elections of the United States.

The real power is what that "image" hubs out to in real world power systems of global management and control of billions of people through enslaved national powers, which is the national power systems of the member nations, guided by their own elites, who employ the same pyramidal globalist elitist control system as the 2HWB to also produce and direct their own "national theater" puppet shows of former pauper national politicians to ultimately own, control and engineer the whole national system - many many of them.

The "scarlet wildbeast" literal "body" is the actual real power systems of hundreds of member nations and others within their growing sphere of control aligned for
globalist advantage. This "wildbeast" is far more than an "image" it is the real thing worldwide, and it is controlled by private globalist super advanced, super-sovereign, worldwide intelligence, financial and military control systems, among many others, utilizing total world resources of hundreds of nations and territories with computer and satellite aided real-time information and advanced algorithmic modeling.

Wildbeast "Image" Vs. Wildbeast Full Body

Thus by this time the apostle John from Christ's vision from God, though referring to an "image of the wildbeast" in it's disappearance from the world scene in World War 2, is now developing the future truth, now present on earth, of an advancement in time after the "image of the wildbeast" is created, in the development of the works of this "image" such as Revelation 16:13-16 into a full bodied very very real and actual "scarlet wildbeast" a real 8th King actual global domination predatory wildbeast system.

[14a] Comment:

"But it does receive authority to act as a king to carry out a specific task, one that triggers a chain of events that will change history."

Diametric to reality is this statement. The member nations are fully going into full ownership and control of globalist finance. They are the ones who "receive authority with the wildbeast" globalists, NOT the other way around; (Daniel 11:42-43; Rev17:12-17)

And an outright lie. "to act as a king to carry out a specific task". In fact it is an 8th King of the world system, Gog's "congregated congregation" the ultimate world apex "King of the North", not just a "specific task", but toal attempted worldwide domination and rulership! LOL.

So, we see the imposter GB continues to hide and divert attention away from the 8th King, King of the North as a real world power system of pinnacle defiance as a real world government and global infrastructure by the control on many national base systems; (Rev17:12-18; Dan11:42-43).

All in all, this imposter GB recycles 1990 understanding over and over again, attempting to divert Jehovah's witnesses from realizing the true reality of this globalist world system yet to attempt total world rulership through a typical tribulatory "problem" to present another globalist "solution"
THE IMAGE OF THE BEAST DEVOURS THE HARLOT

The Watchtower 06152012 - Paragraph 15

According to John, upon a scarlet colored wild beast—the image of the wild beast—rides a symbolic harlot, dominating it. [15a] She bears the name Babylon the Great. (Rev. 17:1-6) This harlot fittingly stands for all false religion, foremost of which are the churches of Christendom. Religious organizations have given their blessing to the image of the beast and have tried to exert influence over it. An increasingly vocal and militant group of Western intellectuals is calling for the end of religion's influence on society. [15b]

[15a] Comment:

"According to John, upon a scarlet colored wild beast—the image of the wild beast—rides a symbolic harlot, dominating it."

Actually, the imposter GB is distracting people away from the actuality of the globalists in the 2HWB. By saying a drunken whore controls this ultimate form of all globalist world power in all human history. Lol. This is not just an engineered diversion to hide the actual controllers of that globalist unification "scarlet wildbeast" actual "body" (not an "image" but the real thing). This "scarlet wildbeast" is itself the final ascendant "King North" of human history, the 8th King. Religious groups and clerics, a drunken wobbling whore symbol, do NOT dominate this monster of all world dominating power, please, lol.

The Babylon the Great (BTG) global empire of false-religion, and in fact the imposter GB, are freeloaders on that wildbeast. That is what is meant by her placement atop this "scarlet wildbeast". She is a heavy burden, a spiritually diseased parasite, NOT a controlling power at all, but a pimped harlot, who has ultimate handlers, she doesn't even control herself.

She is riding the the actual physical super-structure worldwide of the full bodied globalist "scarlet wildbeast", NOT the "world forum" "image" of the United Nations on 17 acres in New York. True this harlot of false-religion, like the imposter GB, will sleep with and promote the United Nations - they own her through her national kings she "escorts". But this "harlot" system is just a free riding, protected loafer, dead weight, idle wealth, attempting to secure her own possessions by a relationship with the knigly national powers that are the national "ten kings" who actually have the force and protection power - not the harlot. These "ten kings" are given "authority" from the globalists through the globalist "scarlet wildbeast" to carry out this BTG asset liquidation and sovereign extermination to save their own sovereignty and financial debt scenario.

The scarlet wildbeast powers want her competing sovereign claims destroyed forever. At that point, Gog of Magog, can take the true "Cowboy of Conrol" seat atop his globalist scarlet wildbeast for the final assault on planet earth, and the real "great tribulation" extermination of billions of people, and an attempted total extermination of all planet earth at that period after BTG is vanquished; (Matt24:29-31; Matt24:21-22)

BTG's asset haul will actually revive the national powers, and give them the last capital fueling to exterminate BTG fully, and to also position themselves in the "peace and security" illusions of the globalists, who can then begin exterminating the "sun, moon and stars" of the national, state and local rival sovereigns of planet earth.

[15b]

"An increasingly vocal and militant group of Western intellectuals is calling for the end of religion's influence on society."

Yes, that group is led by the 2HWB to begin the positioning of BTG for an exposure of weaknesses, frauds and corruptions, and a butchering of her quadrillions in physical assets to secure a new financial future for the multi-trillion dollar indebted national "ten kings".

That sentence is what is called a globalist predictive feed, it is not about "false religion" of you notice, it is a statement of things to come for all religious organizations. The 2HWB will attempt to hit Jehovah's witnesses and Org FIRST on the list, before the BTG assault. That is what this infiltration's climax "coup de grace" event is leading to, to debalance the JW org worldwide with a big event shortly, by the positioning created by this imposter GB and Org infiltration for 20 years.

This line is a globalist feed line.

The Watchtower 06152012 - Paragraph 17

False religion, however, will not just fade away. The harlot will remain a potent force, attempting to bend kings to her will until God plants an idea in the hearts of those in power. (Read Revelation 17:16, 17.) Soon Jehovah will cause the political elements of Satan’s system, as represented by the United Nations, to attack false religion. [17] They will destroy her influence and devastate her riches. Such an event may have seemed unlikely just decades ago. Today, the harlot teeters on the back of the scarlet-colored beast. Even so, she will not slip slowly from her seat. Her tumble will be sudden and violent.—Rev. 18: 7, 8, 15-19.

[17] Comment:

The Watchtower 06152012 - Paragraph 19

We are living in the days of the seventh head. No more heads will appear on this beast before it is annihielated. The Anglo-American World Power will be the dominant world power when false religion is eradicated. [19a] The prophecies of Daniel and John have been fulfilled to the smallest detail. [19b] We can be confident that the destruction of false religion and the battle of Armageddon will soon come. [19c] God has revealed these details in advance. Will we pay attention to the prophetic warnings? (2 Pet. 1:19) Now is the time to take sides with Jehovah and to support his Kingdom.—Rev. 14:6, 7.
Phase 2 GB Globalist Synchronism

Not exactly true. This requires the now obtuse lack of distinction between national world power and globalist world power which the imposter GB promotes.

There will be no new national dominant world power, that is true, the globalist “scarlet wildbeast” in control of over 50% of all forms of world power, far beyond any nation or national bloc of nations, controls and owns the 7the head national Anglo-American system, progressing to total control; (Rev17:12-18; Dan11:42-43)

When that percentage of control reaches critical mass of globalist advantage, YES, there will be a new world power, a globalist world order form of world power, the full ascendency of the 8th King as also the “King of the North” globalist sovereign symbol of Daniel 11:44-45 "palatial tents".

That truth is there will be a dominating globalist form of world power that is even engineering the removal of the national "power and authority" thereby controlling the national “ten kings” to also remove Babylon the Great's form of world sovereign rivalry as shown in Revelation 17:12-18.

[19b] Comment:
Utterly false. The minor prophetic cycles of Daniel and Revelation have fulfilled applicable to the scope of those prophecies in 1914 to today, and even times before this period, such as the formation of the national wildbeast collective of Revelation 13:1 that began evolving on the world scene thousands of years ago.

What this statement is doing is completely attempting to cover over the final fulfillment of all the applicable Kingdom and Temple world conquest and completion prophecies that must have a final fulfillment triggered by the removal of this evil imposter GB as Zechariah 3:2-4 has their "befouled garments" removed from Jehovah's house by angelic intervention directed by Christ.

This kind of now misleading imposter GB directed commentary, given today's developments of known globalist world power and the final fulfillment modes of Daniel and Revelation, serves to attempt to keep Jehovah's witnesses thinking all prophecy is said and done. But in fact the greatest cycle of prophetic fulfillment of all time is about to activate in global fulfillment progression all the way to Armageddon and into Christ's day one of the 1000 year reign.

This 144000 "temple completion” greatest and final, major and future prophetic cycle of modern permanent final fulfillment will basically replicate the entire 1914-1918 (1260 days; Dan12:7; Rev11:1-4), 1919-1922 (1290 day; Dan12:11; 7:26), and 1922-1926 (1335 day; Dan12:12) periodic cycles in the near future. This progression will lead Zechariah 3:1-9 fulfilled soon on the imposter GB, to great tribulation final "two witnesses" (1260), through the Babylon the Great the termination, to Christ Court (1290) of Daniel 7:26 parallel to Matthew 25:31-46 sheep and goat finalization separation. This "sheep" and "goat" finalization will parallel the winepress "sheep" of Rev14:14-16 and the "goats" of Rev14:17-19 through the “sun, moon, stars” "national, state and local” globalist engineered "blackout mode" extermination of the deepest GT period after BTG of Matt24:29-31. That worst period of the great tribulation will parallel to that salvation/ destruction judgment culmination, of a completed Kingdom 144000 under Christ (Rev14:1) of Rev14:14-19 to the “war of the great day of God the Almighty” at Armageddon AFTER the Kingdom Temple "Fighting Eagles" are fully gathered as per Revelation 10:7; 11:11-12; 16:17.

So not! "The prophecies of Daniel and John have" NOT "been fulfilled to the smallest detail.” Not even close!

And that is a great sign, this GB is full of imposters.

[19c] Comment:
This is just another way of the imposter GB making JWs feel it is all over, when in fact, it is all just beginning, the grand finale, for real, is up ahead!

Examples of Imposter GB Attempting to Conceal Globalist Wildbeasts - A Look at Watchtower June 15, 2012 Issue

"Ignore the 8th King Globalists" So Say the Imposter GB

Phase 1 GB Globalist Synchronism

Though some of this may seem like nitpicking, the collective effect of enough little details, revealed in prophecy for a reason, form a clearer big picture of truth overall. There is a reason why the imposter GB globalist agents do not want to move Jehovah's witnesses past 1990 in prophetic analysis which was expanded in marked fashion globally after 1991 by the globalists in Europe as their national puppet USSR "King of the North" was retired along with the "Berlin Wall".

That was a new level of globalist activity in a marked world event.

The significance of this globalist first step into the modern progression to world domination of this 8th King, globalist "King of the North" system progressively developing has been ignored since this imposter GB came into control after Fred Franz passed off the earthly scene in 1992.

Instead the GB went on a "new world order" quotation fest for the UN/DPI initiative with almost 100 "NWO" citations in 10 years from 1991 to 2001; (Search the Watchtower Library CD for examples of "new world order" quotes). The imposter Governing Body of Jehovah's Witnesses made GB, George Bush Sr. an honorary member of their GB, "Globalist Boys".

Phase 2 GB Globalist Synchronism
By September 11, 2001 another huge globalist world move was under way to employ and expand Global NATO (1999) worldwide, among other globalist world order objectives, that were also ignored by this imposter GB.

Instead the imposter GB had already devised a handy mental and attention diversion in global reproaching UN/NGO scandal in the UN/DPI affair "breaking news" as they provided and pimped the image of the "Virgin Daughter of Zion" as a call-girl escort and propaganda streetwalker "non-governmental organization" for UN advertising to the JW select demographic.

That handy little globalist guided and perfectly "911" timed development diverted much Jehovah's witnesses' time, energy and attention to confusion, scandal, and mitigating the apostate attacks worldwide that such reproach and hypocrisy inspired non-stop. This instead created perpetual focus on defending, repairing and steroiding the attacked organizational bodies of the "GB", "Slave" and "Org" into an idol factory subtly but progressively year over year.

The apostate imposter GB did not bring up Global NATO's significance in relation to "Har-Magedon" as a "global military fortress" system earthwide expanding to 70% global war potential scale, which Global "UNATO", in association with the United Nations represents, by the way, as the greatest war machine man has ever known.

The imposter GB also did not dare utter a peep as to the worldwide globalist significance in 500+ new worldwide military installations and supports over 10 years time as this all progressed after 911, or the many "special operations" wars of US-SOCOM of Global NATO. They did not want anyone to grasp how this 8th King inspired "world invasion" actually fulfilled the "globalist paradigm" final fulfillment of the "King of the North" as a globalist world power system, expanding globally in Daniel 11:40 final fulfillment phase which kicked off on 9/11/2001.

These are now easy to see global developments that even worldly researchers are pointing out the general, not biblical, significance of in fulfillment of the "signs in sun. moon and stars" of Luke 21:25-28 that the world system itself forebodes the ominous meaning of.

This imposter GB wants everyone and his Jehovah's witness mother focused on 1990 and 1914 forever and ever, with no hint whatsoever of the global ramifications of ascendant globalist world government developing worldwide, undercover of the night and the imposter GB.

A Possible Phase 3 [1]

The Main Objectives (MO) of the Imposter GB and Bible Prophecy:

MO 1. Breed Complacency and No Real Need for Bible Study in Depth of Final Fulfillment Prophecy

The imposter GB teach that everything is basically fulfilled and done - congratulations, you don't really need to study the bible anymore, for therein lies our final exposure by final fulfillment prophecy that in fact has not fulfilled yet, but will fulfill very soon, exposing the fraud GB and Org globalist infiltration; (Zech3:1-9; 2Thess2:3-9; Mal4:1-5)

The GB wants to breed a subtle but effective dozing complacency respecting biblical prophecy in final fulfillment manifestations avoiding any telltale or blatant signs of their fraud undercover existence as being a biblical "man of lawlessness" prophecy that must fulfill in a little while.

So, the imposter GB keep recycling 1990 perpetually (20 times so far), saying it is almost done entirely, it is all at apex, to keep all JWs tunnel visioned backward to 1914, a temple foundation era that has expired, but in fact must replicate in the great temple completion phase we are NOW entering and into the near future.

The imposter GB call no attention whatsoever to globalist reality, and do not elucidate the truth that the 2Horn-Wildbeast (2HWB) is Anglo-American globalist elites who are based in their Anglo-American partnership of national base power in Britain and America, and use "shell game" nationalism as a veneer for their global domination operations and goals.

The imposter GB continue promoting among Jehovah's witnesses the outdated idea that the 2HWB is merely the Anglo-American dual world power, the national based 7th king, in a "special role", nothing more folks.

Do NOT reveal the actual 2HWB globalist elitist super system of Devil anointed "seed" elites with top world rulership insights given by demons for this very purpose (Rev16:13-16; Gen3:14-15) of replicating the seven headed Dragon's intellectually engineered sovereign structure (Rev12:1-3) into both the national wildbeast collective of Revelation 13:1 and the main elite world rulership project, the globalist "scarlet wildbeast" worldwide unification "8th King".

This imposter GB wants everyone forever focused on this generic "image" insight up to 1990 enlightenment given by Jehovah through Christ, through the anointed remnant on earth for public knowledge on the real future of such an enterprise rivaling God's Kingdom for possession of planet earth and life on earth.

But this is not the actual globalist "scarlet wildbeast" who does evolve and develop into a very real world predatory system, far far beyond ANY national power or power bloc in destructive and controlling potential. This progressively forming globalist "scarlet wildbeast" is rivaled by no other national power in human history in percentage of war potential, worldwide intelligence and financial control.

This globalist "scarlet wildbeast" full "body" is a very very real worldwide network of hundreds of nations being deceived and pawned, under increasing resource and social control under the globalist elites of the 2HWB who engineered the worldwide hub globalist "image" to penetrate the national systems of all nations on earth - by aid of the foreign elites of those nations attracted to these ideas. (Rev16:13-16).

This is then an elite controlled ring, led by the globalist 2HWB elites, so that THIS WHOLE GLOBALIST "SCARLET WILDBEAST", is in it's TOTALITY, the whole 8th King - THE ENTIRE GLOBALIST "SCARLET WILDBEAST", THE WHOLE THING, NOT A SINGLE NATIONAL HEAD, BUT THE WHOLE THING IS THE WHOLE GLOBALIST 8TH KING - ONE BIG FINAL WORLD POWER OF HUMAN HISTORY.
The seventh head of the beast had now emerged as the Anglo-American World Power. How did this head treat the seed of the woman?

JEHOVAH REVEALS WHAT MUST "SHORTLY TAKE PLACE"

The Watchtower 06152012 - Paragraph 5

Though Britain gained dominance, colonies in North America broke away. Even so, the United States was allowed to grow mighty, protected by British naval power. By the time the Lord's day began in 1914, Britain had built the largest empire in history and the United States had become the greatest industrial power on earth. During World War I, the United States forged a special partnership with Britain. [5] The seventh head of the beast had now emerged as the Anglo-American World Power.
"During World War I, the United States forged a special partnership with Britain."

The actual older and originating lead "father" system is the British globalist elites from inception. These globalist elites (Rev:13:11) are the ones who "forged" a special "roundtable" relationship with their own creation in the "United States of America" nation base. This project they had been openly funding through their central banking globalist finance network since 1791 officially revealed in the clone "central bank" "fractional reserve banking model" of the "Bank of England" "DNA" in the "Bank of the United States" aided by Presidential globalist puppet politician Alexander Hamilton; (Ten dollar bill).

By 1914 (12-23-1913) that globalist central finance administration central banking arm was the Federal Reserve; a private globalist scale finance conduit by which the entire World War 1 finance system was managed in the American "gravy train" of World War 1 along with the Morgan banking and investment network in America and England. England is the master mind system from which the entire orchestration of World War 1 ran. America is the natural resource and industrial "independent" colony.

This globally engineered “great war” event ran as the “global problem” (world war) for which the “globalist solution” (global government) would be presented directly after that engineered "world war problem" was completed to the tune of 300 billion dollars globalist banker profit. Then the "cherry on top" "League of Nations" finale to the whole bloody ordeal would be presented, tada!: the first global presentation of the globalist "world peace" forum "image of the wildbeast" in 1919, an elite globalist promotional branded hub system of world government and world peace.

All very predictable now and conveniently scripted then. Tribulation leads to a presentation of the "disgusting thing" as the solution, to the tribulation, the desolation it itself causes. Very handy.

That is why any attention to the actual locus of power in all this, the Anglo English elite globalists (at that time of WW1) is better to be hidden in any diversion possible, such as attention to the United States/UK national puppet show shell seventh head. Though a national alliance was developed prior to World War 1 between Britain and the United States of America as the Anglo-American national dual world power, the globalist union of both nations was not official until the United States joined the United Nations, they did not join the League of Nations officially, but as seen all the shadow American elite globalists (such as the Morgan bankers) had to be involved behind the scenes.

It is significant that even American national elites and politicians had initial misgivings of officially joining into this world governmental union after World War 1 and so remained detached from that "image" rendition prior to the United Nations.

The Watchtower 06152012 - Paragraph 6

Shortly after the start of the Lord’s day, the seventh head launched an attack on God’s people—the remaining ones of Christ’s brothers on earth. (Matt. 25:40) Jesus indicated that during his presence, a remnant of the seed would be active on earth. (Matt. 24:45-47; Gal. 3:26-29) The Anglo-American World Power waged war with those holy ones. [6a] (Rev. 13:3, 7) During World War I, it oppressed God’s people, banned some of their publications, and threw incarcerated the faithful slave class into prison. The seventh head of the wild beast as much as killed the preaching work for a period of time. Jehovah foresaw this dramatic event and revealed it to John. God also told John that the secondary part of the seed would be revived to increased spiritual activity. (Rev. 11:3, 7-11) The history of Jehovah’s modern day servants confirms that those events took place. [6b]

[6a] Comment: (Example of MO 2, 3)

"...the seventh head launched an attack on God’s people... The Anglo-American World Power waged war with those holy ones."

More GB National Focused Diversion Away from Globalist Reality

This is not accurate to the level of detail required. This calls attention to national powers in the 7th head, instead of the globalist actual powers orchestrating this attack. This is diversion once again, by the imposter GB.

Again it is NOT the national power puppets (7th head) of the Anglo-American elite globalist "puppet masters" that attack of their own initiative. The source attack is guided by this far more powerful globalist locus of power in the 8th King system globalists (scarlet wildbeast), who control and orchestrate the whole multi-national "world war", massive profit, "gravy train" engine led by the 2Hom-wildbeast (2HWB) industrial, military and financial power systems of the globalist elites based in Anglo-American national fronts.

They like secrecy. The imposter GB keeps them secret too.

All Too Convenient, Hence Now Predictable

The fact that their "world government solution" pops up immediately after World War 1 "global war problem" shows who "causes desolation" is actually these globalist powers "disgusting thing" with this very goal of presenting the "world governmental" "solution". All too coincidental, these globalist guys are predictable now.

That "world governmental" "solution" which is an "image" and an "idol" of world rulership is guided by globalist elite powers (2HWB) far above the national puppet shows in actual power - That globalist aimed 2HWB administers the globalist 8th King, the real final world power - that is the real attacker of Jehovah's people, everything else is the means by which to carry out the attack, such as the 7th head national powers of the national wildbeast collective of Revelation 13:1.

Repeat as Necessary on Duped Nationalists and Masses

That exact formula repeated in World War 2, and shows who world war and global tribulation always serves in the end, globalist profiteering at multi-trillion dollar levels, indebting national powers in the process in the multi-trillions, and then, lo and behold, propping up the "disgusting thing" solution to all man's problems to be adored and served as "the only hope for mankind" ensuring another round of this insanity, money worship, and war driven human sacrifice.

More GB Distraction
That is why here, the imposter globalist controlled GB wants everyone and his mother focused on the “7th head”, which is just a national puppet show who take orders from far more powerful handlers in globalist realms of the 2horn-Wildbeast (2HWB) (Rev13:11) globalist Anglo-American elite puppet masters. They are so secretive, that 2HWB does NOT draw worship to itself, please note.

When they say “seventh head launched an attack” and “seventh head of the wild beast as much as killed the preaching work “, it is actually the 2HWB that is doing this through the national powers (seventh head). This is a diversion of detail that is not accurate entirely. Why? To allow the globalists to operate worldwide with no knowledge of their existence, though the bible IDs them explicitly as their own 2HWB personal Anglo-American globalist elite wildbeast – not a “special role”, but a special world power system all together - elite globalists personal power system.

[6b] Comment: (Example of MO 1)

"God also told John that the secondary part of the seed would be revived to increased spiritual activity. (Rev. 11:3, 7-11) The history of Jehovah’s modern day servants confirms that those events took place."

No Word From Imposter GB on Final Fulfillment of Revelation 10-11 in the Near Future

Indeed "The history of Jehovah’s modern day servants confirms that those events took place" and in fact Revelation 11 must have a second and final "two witnesses" fulfillment.

This would be a good place to mention the final fulfillment no?

Of course that is what this imposter GB does NOT want Jehovah's witnesses to realize. Don't expect any "new light" until after this GB is purged in the final fulfillment of Zechariah 3:2-4.

----------

The Watchtower 06152012 - Paragraph 10

In the 21st century, Britain and the United States have continued their special partnership, often acting together in world affairs. The prophecies about the immense image and the wild beast confirm that the Anglo-American World Power will not be replaced by some future world power. [10] This last world power may be weaker than that represented by the legs of iron, but it will not disintegrate on its own.

----------

[10] Comment: (Example of MO 3)

Imposter GB Deception: "There will be no other world power after the Anglo-American national 7th King."

"The prophecies about the immense image and the wild beast confirm that the Anglo-American World Power will not be replaced by some future world power."

This is completely misleading.

Yes there will not be a greater national world power than the 7th King national power partnership of the Anglo-American dual world power, BUT there will be a full manifestation of the globalist world order 8th King guaranteed by prophecy. That globalist 8th King can be seen being the entire, complete, whole "dreadful image" of Daniel - the whole "metal man" full body, in it's entirety as it must be standing at a place when that "stone" hits it, and that "place" is Armageddon; (Rev16:13-16; Dan2:31-44; Rev19:19-21; Dan11:44-45)

That is also the whole "scarlet wildbeast" that is the whole 8th King - MUCH more than just the "image" "globalist forum", the East River UN "clubhouse" complex of brick and mortar.

So to, the 8th King Daniel prophecy parallel is that the "King of the North" will be setting up "palatial tents" of world rulership and global domination attempt - that is the 8th Kingship, a globalist kingship yet to fully manifest on the world scene. The fact that it is called in sequence King number 8, as in after King number 7, also biblically proves the 7th world power national partnership, and national dual world power system, will be pawns and owned by the 8th King globalists as per Revelation 17:12-17 paralleling Daniel 11:42-43 - even if they co-exist, the national power based 7th King will be pawns and owned, controlled and led fully to Revelation 16:13-16 in tangent with revelation 19:19-21.

Again, the imposter GB is now even misleading people on this matter, as if everything is wrapped up, all done, at apex, the United State and Britain national powers and politicians, multi-trillions in debt and unfunded liabilities, are the pinnacle of all earthly power! That's all folks! But that is a lie.

The national zenith powers will decline into debt and receivership and will be pawned financially, governmentally and militarily by the 8th King globalist order that this GB attempts to divert people's attention away from.

ANGLO-AMERICA AND THE TWO-HORNED WILD BEAST

The Watchtower 06152012 - Paragraph 12

Though the Anglo-American World Power is a mixture of iron and clay, the visions that Jesus gave to John show that this power would continue to play a key role during the last days. How so? John saw a vision of a twohornedwild beast that spoke like a dragon. What does this strange beast represent? It has "two horns, so it is a dual power. John is again seeing the Anglo-American World Power but in a special role.—Read Revelation 13:11-15. [12]

----------

[12] Comment - (Example of MO 2)
Imposter GB deception: The 2Horn-Wildbeast (2HWB) is just a "special role" of the national Anglo-American 7th "head" of the national "wildbeast" collective of Revelation 13:1, nothing more.

Imposter GB Says: "The 2HWB is not an actual "elite globalist" "private sovereign" "worldwide wildbeast", not very real separated power system and head administration of forming world domination attempt in the near future."

But in Reality: The 2HWB is the real master globalist lead entity, not a "special role" of a national sovereignty, but the head super-sovereignty of world globalist power directed by the Dragon personally through the demons for the Revelation 16:13-16 collective climax.

"...Anglo-American World Power but in a special role..." LOL. I'll say.

But the 2HWB is far far far more than a "special role" of a national partnership power system of America and England.

The 2HWB is a completely different ruling identity (globalism) and magnitude (worldwide) of global power and the actual origin of that power in direct Satanic (dragon) anointed select guidance and alignment.

These 2HWB guys installed the imposter GR, they are their "cream of the crop" infiltrator life agent deceivers for this very purpose: hide the final details of the truth of themselves and their intentions and prophetic destiny.

This 2HWB is far different than the national wildbeast of Revelation 13:1, or ANY of it's national "heads" and "authorities" - it is TOTALLY SEPARATE, it is the Anglo-American globalist elite system of global operations that utilizes it's national base system, for globalist world domination positioning for a "gathering" climax of Armageddon; (Rev16:13-16)

Again, what this fraud GB globalist infiltration does not want any one to realize still, is that the (2HWB) are globalist elite powers of far greater strategic, financial and influential power than ANY national powers on earth, national politicians, national elites or national groups, yet they are based in these national Anglo-American identities as a handy subterfuge and base of global operations. It's just a vencer.

This wildbeast is far more than a "special role" of Anglo-America, they even have their own custom, private, personal, separate wildbeast! This two-horn-wildbeast has it's own "horns", "head", "body" mobility and power. This two-horn-wildbeast is NOT encumbered by six other "heads", and an enormous lumbering old worldwide national "wildbeast" body - no, this wildbeast is a sovereignty unto itself, free roaming and secret - it ONLY directs worship to the first national collective wildbeast of Revelation 13:1, and to the "image of the wildbeast", the globalist United Nations forum of Revelation 13:11-15, which this two-horned-wildbeast engineered and designed for Satan by Satanic power, it does NOT draw worship to itself - it wants to be a big secret. Think about it.

The infiltrator GB also wants it to be a big secret as well.

This is an elite, Satanically anointed, globalist power system that operates through the Anglo-American national puppet shows that it creates, funds, directs and produces all by huge globalist financial control such as the Federal Reserve "trillions of dollars" and "money from thin air" national debt system it deploys.

Of course the less people know about this blatant fraud, the better for the blatant fraud.

==========

The Watchtower 06152012 - Paragraph 13

This wild beast promotes the making of an image of the wild beast. John wrote that the image of the beast would appear, disappear, and then rise again. That is exactly what happened to an organization promoted by Britain and the United States, one that was intended to unite and represent the world's kingdoms. This organization appeared after World War I and was known as the League of Nations. It disappeared with the onset of World War II. During that war, God's people declared that according to the prophecy in Revelation, the image of the wild beast would ascend again. And rise it did—as the United Nations.—Rev. 17:8. [13]

==========

[13] Comment - (Example of MO 1)

Second Two Witnesses Proof

Just a side note here, that proves there will be a second "two witnesses" final global ministry of Jehovah's witnesses in the near future, completing 2 cycles of 1260 days, a 2520 day "appointed times" of the "trampling of the holy city" of Revelation 11:1-4.

"...the wild beast would ascend again. And rise it did—as the United Nations."

(Revelation 17:8) The wild beast that you saw was, but is not (League of Nations front), and yet is about to ascend out of the abyss (United nations front) and it is to go off into destruction. And when they see how the [globalist image] wild beast was, but is not, and yet will be present, those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world.

That is true, and that globalist formative power personnel and grouping is who have been fighting Jehovah's witnesses all along since 1914-1918 (first "two witnesses"), and who must fight against Jehovah's anointed in the future as well (last "two witnesses"), for this "wildbeast" of Revelation 11:7, is the "scarlet wildbeast" that did not arise out the "abyss" until 1945 as the United Nations, thus this, must still occur AFTER that rise in the near future:

(Revelation 11:7) And when [the two witnesses] have finished their witnessing [in the near future], the [scarlet] wild beast that ascends out of the abyss [fronted by the UN; 1945] will make war with [the two witnesses] and conquer them and kill them. [and that is about the time the 144000 will complete for vengeance]

Imposter GB and Final Two Witnesses Cover Up

This is also final fulfillment cycle information in future fulfillment knowledge, that the imposter GB want Jehovah's witnesses to miss entirely - so they will NEVER reveal this, they must be cleaned out before this truth is known by all Jehovah's witnesses.
John described the image of the beast as an eighth king. [14a] In what sense? It is not depicted as an eighth head on the original wild beast. It is only an image of that beast. Any power it has comes from its member nations, especially from its key backer, the Anglo-American World Power. (Rev. 17:10, 11) But it does receive authority to act as a king to carry out a specific task, one that triggers a chain of events that will change history. [14b]

The subtle diversion here is that of identity of this "scarlet wildbeast" as a full bodied world system in dynamic completion progressively. The "image" of the "wildbeast" is only the identifying globalist world domination philosophy with a "logo", "world forum", "public branding" called the "United Nations" an idea of unification with elite globalist "magnetism" provided by the Anglo-American elites of the 2HWB. That complex in itself, is a basically harmless dilapating urban complex of buildings, signs, sculptures, office space, storage, auditoriums and meeting rooms, as sort of globalist representative "social club" on 17 acres on the East River in New York City.

That is just a visual shell, like a globalist bank tower, or the Pentagon building, the real "power and authority" lies all around the world as actual super-sovereign systems, like defense systems, satellite communications, global intelligence networks, super advanced technological development, nuclear development and deployment, telecommunications, massive global finance computing networks, etc.

Full Bodied Very Real World Domination Scarlet Wildbeast System Global

The real power in that "image" facade system is who engineered it as the most powerful, rich and influential Anglo-Americans on planet earth (Rev13:11) in the 2HWB elite globalist system based in Anglo-American national roots. These globalist elites though have their own independent sovereignty in themselves and their super-system (2HWB and it's product the "scarlet wildbeast"). They do not answer to nation-state political authorities or nations, they own them; (Dan11:42-43), they employ those national political puppets for the big national "sleight of hand" puppet shows shows for nationalism promotions world wide, such as the Presidential elections of the United States.

The real power is what that "image" hubs out to in real world power systems of global management and control of billions of people through enslaved national powers, which is the national power systems of the member nations, guided by their own elites, who employ the same pyramidal globalist elitist control system as the 2HWB to also produce and direct their own "national theater" puppet shows of former pauper national politicians to ultimately own, control and engineer the whole national system - many many of them.

The "scarlet wildbeast" literal "body" is the actual real power systems of hundreds of member nations and others within their growing sphere of control aligned for globalist advantage. This "wildbeast" is far more than an "image" it is the real thing worldwide, and it is controlled by private globalist super advanced, super-sovereign, worldwide intelligence, financial and military control systems, among many others, utilizing total world resources of hundreds of nations and territories with computer and satellite aided real-time information and advanced algorithmic modeling.

Wildbeast "Image" Vs. Wildbeast Full Body

Thus by this time the apostle John from Christ's vision from God, though referring to an "image of the wildbeast" in it's disappearance from the world scene in World War 2, is now developing the future truth, now present on earth, of an advancement in time after the "image of the wildbeast" is created, in the development of the works of this "image" such as Revelation 16:13-16 into a full bodied very very real and actual "scarlet wildbeast" a real 8th King actual global domination predatory wildbeast system.

[14a] Comment - (Example of MO 3)

"Any power it has comes from its member nations, especially from its key backer, the Anglo-American World Power"

"But it does receive authority to act as a king to carry out a specific task, one that triggers a chain of events that will change history."

Diametric to reality are these statement.

The member nations (and others) are progressively going into full ownership and under complete control of globalist financiers and technocratic 8th King counsels. They, the national puppets, are the ones who "receive authority with the wildbeast" globalist puppet masters, NOT the other way around; (Daniel 11:42-43; Rev17:12-17)

These statements make it sound as if national powers are the source of the 8th Kings power in a direct allowance. But in fact the 8th King does derive power from the national base, but by full progressive control of it as per the parallel progression of power transfer from national to globalist power at Revelation 17:12-18 along with it's effects of pawned national ownership by globalist progressive control shown at Daniel 11:42-43.

Again, this masks the true locus of power consolidation that the globalist 8th King is deriving from this power shift from national powers, to the point whole nations are controlled by the 8th King, sound as if the nations are the ones in control of the progression, but they are the ones controlled by this evolution in power to globalist
centrality in the 8th King - the last ascendant "8th" King dynamically over this final period for a very good reason.

And an outright deception: "to act as a king to carry out a specific task".

In fact it is a final zenith 8th King of the whole defiant world system, Gog's "congregated congregation" the ultimate world apex "King of the North", not just a "specific task", but total attempted worldwide domination and rulership! LOL. This thing has been active since at least 1914-1919 in global manifested activity, revealed by prophecy and world events.

Daniel 7 and 8 show this dubious "little horn" early English Anglo inception supplants 3 horns in 10 horns in Daniel 7, leaving 7 horns and itself in remaining. That shows this "8th horn" as well, (10 horns) - (3 horns) = 7 horns + 1 "little horn" = 8 horns, has had globalist roots developing ever since the British system was conceived even before the United States of America became an official partner.

The point is this is not a "kingship" for a "specific task", but an old existing globalist aimed kingship culmination as part of a longer progressive continuum to global domination trajectory to Armageddon that this 8th King, 2HWB engineered globalist group leads since the days of the sole "little horn". It always had "authority" in that regard, always wanted more, and plans on all "authority and power" being ascertained in the near future; (Rev17:12-18).

Now the imposter GB is getting outright utterly ridiculous. They have to go soon, this is now actually distorting reality - God will NOT permit a complete perversion of the angelically protected overall truth developed in Jehovah witnesses since 1914 inception in special divine capacity.

Expect divine intervention soon.

So, we see the imposter GB continues to hide and divert attention away from the 8th King, "King of the North" as a real world power system of pinnacle defiance as a real world government and global infrastructure by the control of many national base systems in a dynamically intensifying progression - as shown in prophecy; (Rev17:12-18; Dan11:42-43).

All in all, this imposter GB recycles 1990 understanding over and over again, attempting to divert Jehovah's witnesses from realizing the true reality of this globalist world system yet to attempt total world rulership through a typical tribulatory "problem" to present another globalist "solution"

THE IMAGE OF THE BEAST DEVOURS THE HARLOT

The Watchtower 06152012 - Paragraph 15

According to John, upon a scarlet colored wild beast—the image of the wild beast—rides a symbolic harlot, dominating it. [15a] She bears the name Babylon the Great. (Rev. 17:1-6) This harlot fittingly stands for all false religion, foremost of which are the churches of Christendom. Religious organizations have given their blessing to the image of the beast and have tried to exert influence over it. An increasingly vocal and militant group of Western intellectuals is calling for the end of religion's influence on society. [15b]

[15a] Comment: (Example of MO 2, 3)

"According to John, upon a scarlet colored wild beast—the image of the wild beast—rides a symbolic harlot, dominating it."

A Drunken Whore Dominates the Greatest Globalist Power System of All Human History?

Actually the power that dominates the "scarlet wildbeast" actual worldwide "body" and "image", is the 2HWB who engineered it through it's "image" unification of global national elites over time to this climax full bodied "scarlet wildbeast" globalist system. (Rev13:11-15; Rev17:12-17)

Again, the imposter GB is distracting people away from the actuality of the globalists in the 2HWA as a real, actual operating elite power, by saying a drunken whore (Babylon the Great) controls this ultimate form of all globalist world power in all human history. LOL.

This is just an engineered diversion to hide the actual globalist elite controllers of that globalist unification "scarlet wildbeast" actual "body" (not an "image" but the real thing, a real worldwide super-structure of duped and controlled, owned and pawned national power systems).

This "scarlet wildbeast" is itself the final ascendant apex defiant "King North" of human history, the 8th King. Lobotomized religious groups and clerics, a drunken wobbling "whore" symbol in the Bible for good reason, do NOT dominate this globalist monster of all world dominating ascendant power, please, lol, absolutely ridiculous.

The Babylon the Great (BTG) global empire of false-religion, and in fact the imposter GB as well, are freeloaders on that wildbeast global actual system worldwide. (At least the imposter GB have a globalist job.) That is what is meant by her placement atop this "scarlet wildbeast", she is a heavy freeloading burden, a spiritually diseased enormous parasite, NOT a controlling power at all, just a meddling pimped "harlot", who has ultimate pimp handlers, she doesn't even control herself.

She is riding the the actual physical super-structure worldwide of the "full bodied" globalist "scarlet wildbeast", NOT the "world forum" "image" of the United Nations on 17 acres in New York.

True this harlot of false-religion, like the imposter GB, will sleep with and promote the United Nations - they own her through her national kings she "escorts". But this "harlot" system is just a free riding, protected asset reserve, dead weight, idle wealth, attempting to secure her own possessions by a relationship with the kingly national powers that are the national "ten kings" who actually have the force and protection power - not the harlot.

These "ten kings" are given "authority" from the globalists through the globalist "scarlet wildbeast" to carry out this BTG asset liquidation and sovereign extermination to save their own national sovereignty and financial debt scenario - that national sovereignty is also just an illusion - they are owned outright; (Dan11:42-43).

The globalists do not do the dirty work - never have, never will. They employ the national powers as legal surgeons, national butchers and asset conveyor belts to deliver up BTG wealth and "body parts" to themselves, the national powers will get a cut to improve their "globalist creditor" submitted "national credit rating" which will fuel their own final demise in the long run of GT; (Matt24:29-31)
The scarlet wildbeast globalist powers want her competing sovereign claims destroyed forever as well, for their sole global sovereignty. At that point, Gog of Magog, can take the true "Cowboy of Control" seat atop his globalist "scarlet wildbeast" for the final assault on planet earth, and the real "great tribulation" climax extermination of billions of people, erasure of nations, and an attempted total extermination of all life and all planet earth at that period after BTG is vanquished; (Matt24:29-31; Matt24:21-22)

Worldwide National Revival Fueled by BTG Body Parts

BTG's asset haul, globally in the quadrillions in physical hard assets and properties, will actually revive the bankrupted national powers. This 'capital infusion' "boost" will give them a renewed and last capital leverage to rework their globalist multi-trillion dollar debts, so they can be refueled and re-financed to butcher up BTG global assets for the globalist delivery and "down payment" and national "credit score" improvement. Then they can be self-fueled then to also exterminate the BTG system (and streamline and herd others) and remove the BTG sovereignty fully for the globalists.

This allows the national powers, totally duped and puppeted to also position themselves in the "peace and security" illusion of the globalist's "false prophet's prophecy" - they will be the ones who commence the saying whenever handy. This will align well with the final placement of the globalist 8th King, "King of the North" "disgusting thing" as new world ruler who can then begin exterminating the global populous masses in the "sun, moon and stars" "black-out" of the national, state and local rival sovereigns of planet earth as shown in Matthew 24:29-31 after BTG is removed.

Of course the impostor GB will not touch on these logical progressions registered in biblical well known timelines of minor prophetic fulfillment.

[15b] Comment:

"An increasingly vocal and militant group of Western intellectuals is calling for the end of religion’s influence on society."

Yes, that "militant group of Western intellectuals’ development is led by the 2HWB globalists to begin the positioning of BTG for an exposure of weaknesses, frauds and corruptions, and a butchering of her quadrillions in physical assets to secure a new financial future for the multi-trillion dollar indebted national "ten kings", to utter destruction in those biblical three steps: strip, pillage and destroy; (Rev17:16).

That sentence is what is called a globalist predictive feed, it is not about "false religion" if you notice, it is a statement of things to come for all religious organizations: "end of religion’s influence", The 2HWB will attempt to hit Jehovah's witnesses and Org FIRST on the list, before the BTG assault. That is what this Org infiltration's climax "coup de grace" event is leading to, to debalance the JW org worldwide with a big event shortly, by the positioning created by this impostor GB and Org infiltration for 20 years.

This line is a globalist feed line of the removal of the religious sovereignty from earth, to make way for "Gog Direct".

The Watchtower 06152012 - Paragraph 19

We are living in the days of the seventh head. No more heads will appear on this beast before it is annihilated. The Anglo-American World Power will be the dominant world power when false religion is eradicated. [19a] The prophecies of Daniel and John have been fulfilled to the smallest detail. [19b] We can be confident that the destruction of false religion and the battle of Armageddon will soon come. [19c] God has revealed these details in advance. Will we pay attention to the prophetic warnings? (2 Pet. 1:19) Now is the time to take sides with Jehovah and to support his Kingdom.—Rev. 14:6, 7.

==============

[19a] Comment: (Example of MO 3)

"We are living in the days of the seventh head. No more heads will appear on this beast before it is annihilated."

True. But also not true in principle of the final ascendant globalist rulership 8th King entire "scarlet wildbeast” body system over and controlling all national powers to enough percentage to manifest over planet earth as a one world governmental system leading to full global great tribulation (extinction mode) and worldwide Har-Magedon; (Rev16:13-16; Matt24:21-22; Matt24:29-31; Dan12:1)

The whole globalist "scarlet wildbeast” is the whole globalist 8th King - the whole "scarlet wildbeast" is the last 8th "head" system - in that way the whole "scarlet wildbeast" is like an 8th head though pictured as one enormous worldwide power system, not just a harmless "image".

The whole image of Daniel 2, from head to toe, can be seen this way as well. The whole image of Daniel 2 is the whole 8th King. The whole image of Daniel 2 is the whole "King of the North", and the "King of the South" power base, now "Queen" of the South ("she", Dan11:42), base national systems in full pawned ownership control of ascendant globalism; (Dan11:42-43)

The whole globalist unification "scarlet wildbeast" globalist world power will have full control of all the national "heads" and national collective "wildbeast" of Revelation 13:1, including the subservient multi-national manifestation of the Anglo-American nation-state power system symbolized by the 7th Head and 7th King in majority of control of the rest, while also itself being controlled by the globalist 8th King; (Rev17:11-17; Dan11:42-43)

This is what the impostor GB is attempting to divert attention away from, and to hide the progression of on the world scene.

"The Anglo-American World Power will be the dominant world power when false religion is eradicated.”

Not exactly true. This requires the now obtuse lack of distinction between limited national world power and seemingly unlimited globalist world power which the impostor GB promotes by hiding it's actuality in world evolution into globalist "one world government" under the 8th King.

There will be no new national dominant world power or bloc of power, that is true, the globalist "scarlet wildbeast" in control of over 50% of all forms of world power, far beyond any nation or national bloc of nations. The globalist 8th King controls and owns the 7th head national Anglo-American system dynamically, progressing to total control very soon; (Rev17:12-18; Dan11:42-43)

The Bible Truth: When that percentage of global control reaches critical mass through pawned national powers into globalist central advantage and irreversible consolidation, YES, there will be a new world power manifesting worldwide!
That will be the final Har-Magedon scale zenith globalist world order form of world power, the full ascendency of the 8th King as also the "King of the North" globalist sovereign symbol of Daniel 11:44-45 "palatial tent" in parallel manifestation as foretold and guaranteed by God in the Bible.

The imposter GB wants to hide and stall this reality, while appearing like "God's chosen": (2Thess2:4)

The biblical truth is, there will be a progressively dominating globalist form of world power that is even engineering the transference and removal of the national "power and authority" into globalist possession, thereby controlling the national "ten kings" in multi-trillions in debt, to also remove Babylon the Great's form of world sovereign rivalry as shown in Revelation 17:12-18 and transfer that religious wealth system to the globalists by the hand of national processors.

The WTBTS is first on the list, the presence of the imposter GB globalist cabal proves this, and it is in line with the judgment starting with the house of God as a precursor to Babylon the Great which may transpire years after this initial debalancing of Jehovah's witnesses. But that will fulfill Zechariah 3:2-4, and trigger the first real manifestation of the final fulfillment mode of bible prophecy as reality to Jehovah's witnesses. [2]

[19b] Comment - (Example of MO 1)
"The prophecies of Daniel and John have been fulfilled to the smallest detail."

Utterly false and a huge red flag the GB has been infiltrated.

The minor prophetic cycles of Daniel and Revelation have fulfilled applicable to the scope of those prophecies in 1914 to today, and even times before this period, such as the formation of the national collective wildbeast of Revelation 13:1 that began evolving on the world scene thousands of years ago.

What this statement is doing is completely attempting to cover over the final fulfillment of all the applicable Kingdom and Temple world conquest and 144000 temple completion prophecies that must have a final fulfillment triggered by the removal of this evil imposter GB as Zechariah 3:2-4 has their "befouled garments" removed from Jehovah's house by angelic intervention directed by Christ.

This kind of now misleading imposter GB directed commentary, given today's developments of known globalist world power and the final fulfillment modes of Daniel and Revelation, serves to attempt to keep Jehovah's witnesses thinking all prophecy is said and done. But in fact the greatest cycle of prophetic fulfillment of all time is about to activate in global fulfillment progression all the way to Armageddon and into Christ's day one of the 1000 year reign.

This 144000 "temple completion" greatest and final, major and future prophetic cycle of modern permanent final fulfillment will basically replicate the entire 1914-1918 (1260 days; Dan12:7; Rev11:1-4), 1919-1922 (1290 day; Dan12:11; 7:26), and 1922-1926 (1335 day; Dan12:12) periodic cycles in the near future. This progression will lead Zechariah 3:1-9 fulfilled soon on the imposter GB, to great tribulation final "two witnesses" (1260), through the Babylon the Great termination, to Christ Court (1290) of Daniel 7:26 parallel to Matthew 25:31-46 sheep and goat finalization separation. This "sheep" and "goat" finalization will parallel the winepress "sheep" of Rev14:14-16 and the "goats" of Rev14:17-19 through the "sun, moon, stars" "national, state and local" globalist engineered "blackout mode" extermination of the deepest GT period after BTG of Matt24:29-31. That worst period of the great tribulation will parallel to that salvation/ destruction judgment culmination, of a completed Kingdom 144000 under Christ (Rev14:1) of Rev14:14-19 to the "war of the great day of God the Almighty" at Armageddon AFTER the Kingdom Temple "Fighting Eagles" are fully gathered as per Revelation 10:7; 11:11-12; 16:17.

So no! "The prophecies of Daniel and John have" NOT "been fulfilled to the smallest detail." Not even close!

And that is a great sign, this GB is full of imposters.

[19c] Comment - (Example of MO 1)
"We can be confident that the destruction of false religion and the battle of Armageddon will soon come."

This is just another way of the imposter GB making JW's feel it is all over, when in fact, it is all just beginning, the grand finale of final fulfillment prophecy based on the minor patterns, for real, is up ahead!

GB Dinners: The Meat They are Missing

http://templelijah.wordpress.com/diversion/gb-dinners-missing-meat/

1. The xGB perpetually serves recycled vegetables, endless desserts (ear tickling) and watered down milk for 20 years running;

Hmmm. Why?
2. We know it was not Fred Franz who "masterminded" the UNNGO "transgression that causes desolation" (soon) on the JW org (Dan8:11), he was incapacitated a couple years before he finally died, and who knows, the manifesting rogues may have helped it along; No way would that spiritual hawk, Fred Franz, condone a UN WTBTN worldwide mental "escort service", no way, no how;

3. Fred Franz, for 50 years plus, was "the one who acts as a restraint" (2Thess2:6-8); and the minute he went incapacitated, Sir U. N. Henschel and others pushed the UN with wiley intrigues, because genuine anointed certainly would not let a hair on the head of the "Virgin daughter" of God, TOUCH the UN "disgusting thing" much less prostitute her like a call-girl, for 10 years of WT and Awake! "new world order" quotes and promos on-demand from the UN boys, unless this was a designed intrigue;

4. U.N. Henschel was a spy since before 1939 through WW2, stuck to Brother Knorr like glue progressing to this UN DT positioning of JW org checkmate; (Then placing Gerrit Loesch, the current ringleader rogue agent, The whole GB and ZO, and corporate power structure are by now, all globalist rogue agents (Dan11:41 covert invasion "entry of decoration")

(And it was a checkmate devised from way back; Dan11:30-32, that led to more intel and operations invasion of the WTBTS; They probably have 50 global intelligence groups in the org, at all different levels of the operations, at national and globalist levels of objective; Orchestrated and free-lance; It is truly the final fulfillment Rev8 symbolic 1/3 now:)

==
The Real Steak and Ribs BBQ (Since 1990)

1. In 1991, the George Bush "new world order" sloganeering campaign went public before Congress; 9/11/1991; That can be searched at the Bush Library on-line;

A. THAT was the "False-Prophet" "standing" after the "cold war", just like the LON-DT stood after WW1 and the UN-DT stood after WW2;

B. THAT is what Fred Franz would have pointed out. The NWO is a DT "false-prophecy" AND another implied "stand";

C. INSTEAD, the WTBTS began promoting the UN, UN support orgs, books and activities for 10 years of "free advertising" to the largest global magazine distribution on earth right in the WT and Awake! covert;

2. SO WE HAVE SUSPICIOUS ACTIVITY, PLAIN AND SIMPLE, COVERT, AND THEN IT WENT OVERT IN A PUBLIC SCANDAL ON 10/6/2001 TIMED WITH THE 911 WTC EVENT slightly after it;

Think that was all really just two coincidences now in 10 years, all DT and UN and NWO related? Not all JWs are this braindead;

==
Active Foul (Zech3:3): Then Jehovah, Christ, anointed and all JWs were reproached with a hypocritical real "disgusting thing" scandal, with real UN promos in subtle articles for 10 years; THAT is the "befouled garments" of Zech3:1,3;

==

3. Global NATO formed in worldwide globalist UN support capacity in 1999; THAT IS HUGELY SIGNIFICANT; A WAR MACHINE WITH 70% WORLD WAR POTENTIAL IS ERECTED, WITH 6 WORLDWIDE THEATERS OF OPERATIONS, AND THE XGB SAYS NOTHING;

A. THAT is the "god of the fortresses" (Dan11:36-39 globalist KN segway; v. 38) connected to the DT, as a clear worldwide global manifestation of Rev16:13-16 and Joel 3:9 in world globalist military implications; It is unofficially called UNATO;

B. That means the UN, theoretically, has a power punch 4-8 times larger and more powerful than Russia and China combined; Russia and China are two 80 lb pit bulls, Global NATO is a 500 pound super-lion globally positioned; (In other words, through WW3, Russia and China are potentially eventual toast or on their knees to stay (666)); Iran is just a war tech practice shooting range target, a 30 pound wiener dog;

4. Then after 911/WTC event the globalists 8th King/UNATO adjunct worldwide "terminator" proclaim "WORLD WAR" as "Global War on Terror" [GWOT]; A worldwide broad daylight multi-continent globalist military world invasion has been underway ever since; (Dan:11:40 continued)

xBG says nothing; Of course not, they are in the UN/Wildebast pocket;

==
Jerky For Later

Do we see what is going on here?

1. Since Desert Shield/Storm, Dan11:40 is fulfilled CONTINUED with [GWOT] as globalist "KingNorth" "world invasion";

2. The globalists are capital funneling and are positioning for WW3, plain and simple; (Rev16:13-16 in Joel 3:9 mode empowered by Rev17:12-18 engineering producing Dan11:42-43 final consolidation and actual capital/funding power)

3. Since the 1991 UNNGO xGB sanctioned "penetration" of "Christ's Bride" so to speak, Daniel 11:41 "entry of the Decoration" is fulfilled; They are IN the JW org; DT is IN the JW temple;

4. The Daniel 11:41b "Edom, Moab, Ammon" symbolic "escapees" ARE the infiltrators in the JW org, as all those nations were traitors and opposers to God's people;

5. Now when the NWO went public (1991), the xGB went public with them, not exposing them as per prophecy, but aiding them as per "public relations" for 10 years UN/DPI adjunct "ad agency";

6. Then at 911, the "time release" GB-UN-NGO "news break" goes public a month later; The DT, is IN the JW temple/house known to the whole world;
7. The DT/Global NATO (GN) declares "world war"; (on terror); YET that IS a prophetic continuation of Daniel 11:40 with globalist 8th King (and "sidearms" GN) public proclamation of worldwide intent;

====

THAT is NOT all astounding coincidences; It is planned, it is "man of lawlessness" manifest activities and purposeful comatose of the JW level of understanding at the perpetual 1990 level;

====

The xGB Planned Dessert (Betrayal Big Time)

Now what is next?

1. Well a THIRD xGB "move" WITH the globalist DT operations;

2. It is obvious now, they "move" right along WITH the globalist 8th King/2HornWB; And they do it in approximate 10 year intervals; 1991 (UN/NGO), 2001 (911/UN/NGO-News), 2012+ (???);

3. They are going to whack the JW org a financial blow in my opinion, the "established place" in Daniel 8:11 is the JW org; These infiltrators are all over the JW corporate "body" now as penetrator agents; (Dan8:23 "transgressors act to a completion");

4. And that will be when Dan8:11-14 "temple cleansing" will begin; also Zech3:4;

5. The "man of lawlessness" will reveal before this, soon, if not now (possible GB=FDS thing);

THAT IS NOT GOOD THINGS TO HAVE IN JEHOVAH'S FACE!!!

HENCE DANIEL 8:11-14 IS NEXT, at some point (and period) AFTER THE MAN-OF-LAWLESSNESS IS FULLY REVEALED; http://templelijah.wordpress.com/diversion/gb-dinners-missing-meat/

More Globalist 2HornWildbeast Hand Signals by xGB at Annual Meeting 2012 Public Revelation of the "Man of Lawlessness"; (2Thess2:4)

Gerrit Loesch of the xGB (Governing Body of Jehovah's Witnesses) flashes a clever little Illuminati 666, 2Horn-wildbeast hand sign to the unsuspecting audience at the October 6, 2012 Annual Meeting of Jehovah's Witnesses CEO Globalist undercover PowWow;

Stephen Lett Flash Works
JWs just have an infiltration that wants to hoax a GT event on them, that will not be GT, but the next 10 year globalist world event phase;

JWs will be put off balance, because they expect GT, because this MOL xGB has been covering up key prophetic reality since the 3rd UN/NWO "placement" of the "image" after the cold war in 1990 in the world, and in 1991 at Bethel with xGB "blessing" and management of that sin as UN/NGO;

That sin of Daniel 11:30-31, is also the "transgression causing desolation" of Daniel 8:11-14; Dan8:14 is the temple cleanse by God in the near future, but it only signals the beginning of the final cycle, not the end of it for a few years;

In other words, JWs have been hoodwinked by xGB infiltrators to be herded here and there in the next globalist 911-on-steroids super-event soon.

Those two prophecies, JWs have been misled into believing fulfilled in WW2 times;

But in fact the Daniel 11:31 fulfilled in 1991 in relation to the UN/NGO 666 fest of the xGB undercovers, dragging all JWs into that sin;

Dan8:11-14 will activate in the near future due to these UN related "disgusting thing" sins;

A. Temple Foundation minor prophetic cycle of 1914-1922 must have a Temple Completion major prophetic cycle in the near future;
B. Kingdom Birth minor prophetic cycle of 1914-1918 must have a Kingdom Completion Conquest major prophetic cycle in the near future;
C. "Jerusalem” “Holy City” “trampling” of “3.5 times” in Rev11:2 minor prophetic cycle (1914-1918) must have a "Holy City" final trampling in the major prophetic cycle for full "7 times", divine decree in 2520 total days in the near future;

Basic Principles:
1. The Initial Fulfillment Mode of 1914-1919 must have a Final Fulfillment Mode in the near future;
2. All the Temple, Kingdom and Holy City prophecies will repeat upon the same minor pattern, in worldwide scope;
3. The Temple Judgment and Cleansing Begins it All Soon - Daniel 8:11-14's 1150 day (2300 units) JW Temple Judgment will begin the final major fulfillment cycle;

Notes on the xGB Infiltration of Jehovah's Witnesses Organization and Final Bible Prophetic Temple Cycle Decoys and Hoax Scenarios Being Engineered by Man of Lawlessness Governing Body of Jehovah's Witnesses;

Entry q

Yes, as regards developments with the next globalist world move towards an 8th Kingdom in world domination progressively, they have a timed "assault" planned that like the past will compliment globalist world operations like 1991 and 2001, and that will unfold with key decoy and hoax events towards a goal the Bible clearly IDs; (2Thess2:3-13)

And we know in 1991 - in the WTBTS and xGB forming to full takeover, rather than expound and tell all about the UN DT form that arose in 1990 fulfilling major prophecy; (Dan11:30-31), as a False-Prophet, with a new, central, main "prophecy" of a "new world order" after the WW3 (Cold War) long drawn out "super event", the xGB instead became a key promoter of the NWO and UN in the 9/8/1991 Awake!; That "adultery" continued that for 10 years covert as UN/NGO agency for public information on the UN as per DPI, in a relationship that went overt in 2001, while the UN relationship was "broken off" but in fact that union just went covert in 2001;

The infiltration of JWs itself is foretold;

Thus the UN DT 3.0 in NWO False-Prophet mode, was paralleled in the WTBTS and JW temple system as a placement of that global governmental idol still in the JW org; (Dan11:30-32 is Dan8:11-14 transgression;)

Rather than tell all JWs and the world that Dan11:30-31 fulfilled in 1990-1991 with the UN NWO modal placement, they committed the manifest "transgression causing desolation" of Dan8:11-14, which leads to the whole judgment spoken of in the WHOLE book of Hosea, please read that whole book, and think of Dan8:11-14 and the current xGB and JW org condition today when you do so;

xGB Herding Trick?
Now a nuclear attack is one thing, a possibility even used as a scare tactic during the cold war;
But something as or more fear inspiring with a lack of physical destructiveness, is biological and chemical attacks that cause diseases and other dysfunctions;
That "scare tactic" alone, is how to herd and evacuate large populations to other "locations" with just a rumor, or limited bio-chem attack; Bio weapon scares can be the xGB "shepherd staff";
Which relates to subjects we have recently seen being understood by an uncommon few in the world regarding "attacks" that are not publicized, but have effects seen statistically;
GB Backs Globalist Move

The xGB will move WITH the next globalist lead event, and since they will want to “herd” JWs in as many of the 230 lands as possible, a bio-chem tactic sure would help out the xGB and xZO Zone Overseers, to herd JWs, as a possibility being speculated upon here;

Just keep it in mind, and go the opposite direction the xGB and ZO may indicate through the duped “elder body” IF this should actually manifest in the Dan8:11-14 period that must activate in time, as the xGB prepares JWs mindset for this event, and for their own move against God that WILL, in time, require covert angelic assistance; (Hos1:4-7; Bethel and xGB system are ”Israel” in that prophecy); As you see, in it's ancient fulfillment "Israel" was given to Assyrian North attack success, while "Jerusalem" was NOT given to the whole Assyrian operation;

THAT PRINCIPLE WILL REPEAT ON THE JW ORG (Israel in Hosea), but not on all JWs (Jerusalem); See Hos1:4-7

Jerusalem in Rev11:2-7 "holy city" is given (Zech14:1-3) AFTER this initial real "temple cleanse" (Dan8:11-14) and priesthood cleanse" (Zech3), with an unknown time period between the 2300 units (1150 days) and the 1260 days;

DO NOT LET THE XGB RUSH YOU AROUND ANYWHERE, AND THAT IS WHY THEY DO NOT WANT JWs UNDERSTANDING THIS PROGRESSION OUTLINED IN PROPHECY;

What must be first is 1Pet4:17 = Dan8:11-14 2300 units, which may be 1150 days, as each "evening" and "morning" adds individually to the 2300 count; (Dan8:14)

Talk to you soon, hope all is well, may we keep the faith in the Word of God, Jehovah and Christ, not humans;

Response

You seem to be the only other one who had JW’s as pure until 1990’s. And anybody who has researched prior to that would find that to be not true. You seem to have a reason to want JW’s to be pure until the 1990’s, when it's not true.

Nothing here on earth in Adamic systems is “pure” - but can be accepted by faith in Christ; The JWs have THE TRUTH, from God in basic and advanced detail; BUT that is all the more reason to have worked an inner design to coup the JWs;

The “xGB experiment” went bad from almost inception, 1-1-1976; By 1980 it was obvious some ”GB Popes” were operating factionally in the xGB and no doubt positioning throughout corporate finance and management;

As long as they had the look and the works, buzzwords and silver tongue they prospered like any good globalist MI6 or CIA lifer; (This has to be a number of intel orgs, just saying JWs can EASILY be infiltrated due to over-emphasis on outward appearances and quantifiable “works”;

It is almost to obvious when one reverse engineers this now, with these trends and evidence, that the "man of lawlessness" as Pauls' principle relates, was "mysteriously already at work" in the xGB and WTBTS system anytime since after Christendom's full expulsion from temple and covenant prophecy, so this can only be JWs in "holy covenant" in Dan11:30, and this could have been developing at any time after 1922;

(Daniel 11:30b-31a)

Anytime after 1922:

And he (globalist KN) will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those (JWs) leaving the holy covenant. 31 And there will be arms (in spiritual warfare; Eph6) that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature]. (Pollute the WHOLE JW system, writings (Rev8:10-11, final fulfillment cycle; xGB), the JW org, and the ministerial focus profaned)

But the above really became manifest later; (1Tim5:24-25) And especially from the easily provable DT benchmark of 1990;

That above, is an infiltration that Nazi Germany cannot fulfill as per current interpretive xGB error on Dan11:30-31 (and Dan8:11-14); And God let's these kinds of errors slip in like a rock in the shoe, because these kinds of contextual glitches reveal the MOL by context of actual meaning;

No wonder the xGB do NOT expound Daniel 8 and 11 in modern prophetic truth; (Our 1914–1926 truth is the temple anchor; Rev11:2-3 - THAT is accurate for good reason, it all repeats soon)

That xGB and JW org intel-infiltration was the lead in to the 1990-1991 UN NWO DT 3rd "placement" in human history since WW1 LON, and WW2 UN, after cold war as UN NWO False-Prophet mode, and the xGB WTBTS ops is IN the "they" in:

(Daniel 11:31) “And they will certainly put in place the disgusting thing that is causing desolation.

UN 1. That DT 3.0 "placement" was by 2HWB and rep pres George Bush in 9/11/1990 time before the US Congress, and soon after at the UN Security Council;

UN 2. It was in the WTBTS by xGB sanction STILL conditioned and promoted covertly to almost the same day, ad a year in 9/8/1991 in UN Issue Awake!

And THAT little pack, is the THEY, WTBTS xGB and Globalist KN (2HWB/8thKing) that " will certainly put in place the disgusting thing”; And they did, and they STILL cover it up;

So yes, this xGB led "man of lawlessness" in the JW org may be very old, but he is there at HQ (Hosea WHOLE book), because Satan knows JWs have the final truth of what is coming soon, and this next globalist world event, with the xGB timing as usual, will commence MOL revealing fully in the JW org to be expelled by God
As tricky as it is, it is what it is, JWs will be fully cleansed, again, as in 1914-1922, and will be commissioned for the final 7 trumpets/bowls angelically aided final world ministry as the 144000 Temple MUST and WILL complete before Armagedon (Rev11:15-19) as Rev8-11 will parallel Rev15-16 in final fulfillment mode in the near future finale cycle; (In the face of the rival globalist kingdom ALSO going into zenith power)

It CANNOT be stopped or reversed, all will know when God rings the JW "temple bell" worldwide; (Isa66:6)

EVEN JWs need to be caught up to Bible reality, imagine the general context of it all, as per prophecy:

(1 Peter 4:17-19) For it is the appointed time for the judgment (Dan8:11-14) to start with the house of God. Now if it starts first with us (Zech3), what will the end be of those who are not obedient to the good news of God? 18 “And if the righteous man is being saved with difficulty, where will the ungodly man and the sinner make a showing?” 19 So, then, also let those who are suffering in harmony with the will of God keep on commending their souls to a faithful Creator while they are doing good.

JWs should see, the judgment begins (Dan8:11-14) and ends (Rev10-11) with us;

This will get real interesting real soon; I speculate the decoy xGB is going to try to pull a 2014 Centennial Temple Cleansing Decoy and then on to a full globalist GT hoax on JWs worldwide!

At this depth time and evidence, over cross-scriptural matrices, perfect temple pattern harmony, with symphonic globalist and xGB MOL systemic unity of development, one cannot make this up; There is too many cross-checks now, that must be passed, that even the xGB and their "globalist aiding theology" are filtered out by;

The MOL xGB and JW orgwide Rev 8: 6-13 "1/3" infection is the real problem that is to be cleaned out (Rev8:2-5) in this coming period;

STUNNING FOR JWs who listen to the Bible, and don't worship the xGB "Bethel Golden Calves"; THAT is also why God is going to Hosea style, whack the JW worldwide works SOON; (Hos1:4-7 is Zech3:4 is Rev8:2-5 is Dan8:11-14 is Isa66:6 is Mal3:1-5 is 2Thess2:3-12 is 1Pet4:17)

Main GB Transgression and Lawless One Revelation

The USSR is Invalid in Daniel 11:36

Fred Franz died with the USSR;

The USSR also died in Daniel 11:36:

Incept-Transgression_Bare-Bones

Basic Test

(Daniel 11:36) 36 “And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

1. The USSR FAILED;

2. The USSR did NOT "prove successful until [the] denunciation will have come to a finish";

3. Russia joined the United Nations;

4. And so did the WTBTS and Governing Body;

USSR is Invalid in Daniel 11:36

1. The USSR must be removed from Daniel 11:36-43 significance, and the GB acts like there is nothing significant about all this;

2. Now even the dumbest JW chimpanzee can see the USSR cannot apply to Daniel 11:36, or anything after it;

Why is the GB Mum on this obvious glitch?

Then who does apply to this portion of Daniel 11?

The globalist 8th King is who applies to all the sovereign mega-symbols of Daniel 11:30-45, and Daniel 8:23-25;

The Main "Transgression causing Desolation" of Daniel 8:11-14 - How We Know the GB are Lawless One

1. The so-called Governing Body bypasses this prophetic significance to cover for their globalist partners, hiding the significance of globalist world government from Biblical prophecy,

2. Instead, when this was all relevant real-time, the Governing Body started promoting the "new world order" starting with the global 3rd placement announcements of the UN in NWO mode WITH George Bush Sr, in their own "sacrifice";
3. As George Bush and the two-horned-wildbeast made the Disgusting Thing world proclamation before the UN General Assembly in 1990 - the world placement of Daniel 11:31, the GB echoed that statement in 1991;

4. The GB is part of the "they" here:

   (Daniel 11:31) “And they will certainly put in place the disgusting thing that is causing desolation.

5. And that led to the complimentary setting up of the UN idol (3rd world/WTBTS stand, 1991) at Bethel for 10 years of UN/NGO promotional work with George Bush Sr.;

6. That all starting in time in the September 8, 1991 "NWO" Awake! made globally official by the GB here:

   "A few days later, President George Bush of the United States addressed the UN General Assembly. The changes he saw inspired him to say: “Not since 1945 have we seen the real possibility of using the United Nations as it was designed—as a center for international collective security.” He said this because “the United Nations reacted with such historic unity and resolve” to the Persian Gulf crisis. "For the first time, the U.N. Security Council is beginning to work as it was designed to work.” He also said: “The United Nations can help bring about a new day” if its members ‘leave terrible weapons behind.’ By doing this, they can complete the “historic movement towards a new world order and a long era of peace.”"

   (Search "new world order" on the Watchtower Library CD to see 79 WT and Awake! NWO refs in that decade;)

   The Governing Body is Prophetic Man of Lawlessness 666 Promoters

1. The Governing Body is not Christian much less anointed, and are NOT what they are masquerading as; (2Cor11:13-15; 2Thess2:3-12)

2. They are the "man of lawlessness" publicly fulfilling 2Thess2:3-4 on their own website worldwide (11/9/1991);

3. They already have plenty of indication they are misleading JWs to coup the worldwide org in the next globalist world super-event to stop the final temple completion ministry;

The Temple Cycle is Replicating

The temple foundation cycle of prophecy is now in final fulfillment mood, meaning the whole temple cycle of 1914-1918, and 1919-1922 is replicating in temple completion cycle, and that includes a modern day "lawless one" IN "the temple of the God"

The GB are Fraud JWs

The GB are masterful fraud globalist based intel operations, that is fulfilling prophecy, as the "man of lawlessness” in place for a while now sinning big time, to smash the worldwide ministry of the JWs, in this next decade leading into and through WW4;

They are purposely dumbing-down JWs to Biblical exposure of key prophecy and cycles;

JWs also have another temple judgment coming as per Daniel 8:11-14, as per this replicating cycle;

But Jehovah's witnesses think it is GT and Armageddon, so they can be led about by the globalist operatives in 230 lands at will, when this next "big one" false-flag-terror-war event hits;

Fred Franz death was very convenient for the men of lawlessness in the WTBTS;

The Basic Transgression: GB/WTBTS UN/NGO Significance in Daniel 11:31

= 

They are CIA and globalist ops, not "GB", that is why all this obvious contradictory stumbling proceeds like cancer; That is why no one can answer any of these questions until they see the obvious reality of what the so-called GB really are, they certainly are not Christian, Jehovah's witnesses or anointed;

They are a masquerade that fulfills prophecy and you will not recognize the JW worldwide org in 4 years from now, when the actual destructive objective is in full swing;

Biblical Final Fulfillment Phase and Current Patterns and Developments

This article will prove by established divine biblical patterns, already fulfilled in minor form, that the modern and final future fulfillment related to the modern "Temple of the God" (2Thess2:3-9) will also be accompanied by ALL the scriptural prophetic events and related developments that defined the former pattern in 1914 onward, to the final fulfillment true and permanent Temple completion prior to Armageddon. That 1914 proclamation and its temple foundation "good news" is in direct relationship to the final conquest of the Messianic Kingdom of Christ at temple completion of the near future.

There MUST be a final fulfillment of Kingdom and Temple COMPLETION prophesy in identical replication of the minor cycles of Daniel's 1260 day; (Dan12:7; 7:25-26); 1290 day; (Dan12:11), and 1335 day patterns of 1914-1926; (Daniel 12:12), but with the "end of the world" of ALL rival sovereigns of earth and this universe as the objective in final fulfillment mode; (Dan2:31-44).

"Man of Lawlessness" Then and Now

The "temple of the God" as defined since 1919 fully in Jehovah's witnesses as a Christian group even before their official renaming must also reveal a modern "man of lawlessness" infiltrator apostasy in this final fulfillment cycle in the near future.

This initial redefinition of "temple" through 1914-1918 was accompanied by the full exposure through that time of the fraud system Christian "Body Snatchers" ("man of lawlessness") and Christendom's expulsion from that divine reality in the 1914-1918 global proclamation and exposure, and the subsequent "temple" judgment phase of 1919-1922. This was revealed by God; (Rev1:1; Dan12:10; 2Thess2:3-9) by a set of interrelating prophetic patterns laid out fully in Daniel chapter 12 as the guide; (Dan 12:7, 12:11, 12:12), which directly relate the commencing 1260 day "time signature", also present unmistakably in other biblical prophecies of Revelation 11-13. Key events and types fall into that pattern sequence as already demonstrated in the previous minor fulfillment.

This completely links ALL the Kingdom and Temple Biblical prophetic phases for 'temple' foundation (1914) to repeat GUARANTEED, in apex "temple" completion (near future) in the SAME PATTERN of fulfillment. This will be manifested soon in the complete conquest of this universe from Satan and the demons; (Rev20:1-3), and planet Earth from Satan's globalist and national puppet shows; (Rev19:19-21)

JW "Man of Lawlessness" Infiltrator GB "Clerics"

The "man of lawlessness" MUST also have a modern day fulfillment and revealing from WITHIN Jehovah's witnesses' "Temple of the God" as it has been defined for nearly 100 years.

(2 Thessalonians 2:3-4) Let no one seduce you in any manner, because [the complete end] will not come unless the apostasy [in Jehovah's witnesses] comes first and the man of lawlessness [GB] gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called “god” or an object of reverence, so that he sits down in the temple of The God...

And that is only part of what the "Invasion of the Governing Body Snatchers" has been up to for 20 years in open operations.

Usual Suspect

Satan is implicated in both Zech3:1-4, and 2Thessalonians 2:3-9, so we have a seriously masterfully deceptive and dangerous operation at work in Jehovah's witnesses today, permitted by God, so that prophecy may be revealed, and so that Christ may manifest the absolute certainty of a final fulfillment mode activation to all REAL Jehovah's witnesses when Zech3:2-4 activates exposing the modern "man of lawlessness" operating through Jehovah's witnesses "Governing Body", fully snatched to even have infiltrated the whole organization. This is why angels, are involved in the final fulfillment mode activation of Zech3:4:

(Zechariah 3:3-4) Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to [the angels] standing before him: "Remove the befouled garments from upon him." And he went on to say to him: "See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state."

Since 1991 and the UN spiritual "adultery", Jehovah's witnesses have been in this state:

(Zechariah 3:1) And he proceeded to show me Joshua (FDS) the high priest standing before the angel of Jehovah, and Satan standing at his right hand (GB) in order to resist him.

Final Revelation 11 "Appointed Times of the Nations" in 2520 Total Days After MOL Exposed Globally

A modern "man of lawlessness" (MOL), "Judas" class "son of destruction" among the "twelve apostles" (GB) MUST be revealed before the subsequent phases of Daniel's three prophetic time frames. Those final fulfillment time frames of the near future cycle of final fulfillment must commence in the 1260 day pattern first, AFTER this revealing of the sinner "GB" infiltration, which parallels 2Thessalonians 2:3-9, with Zechariah 3:2-4 "befouled garments" clean out, and the final fulfillment mode Malachi 3 "temple" inspection, visitation and clean-up refinement as well, in final fulfillment in the near future.

Those prophecies MUST have a final activation BEFORE any subsequent "temple" and "kingdom" prophecies commence also in final fulfillment mode after this great Zechariah 3:1-4 "trigger" event.

After this Zechariah 3 "trigger event" clean-out and infiltration identification is globally known by Jehovah's witnesses the Daniel 12:7 start-up 1260 days (42 months) will parallel Revelation 11:1-7’s "trampling of the holy city" and the Temple and Kingdom completion global proclamation final fulfillment. Those "two witnesses" are typified in Zechariah 4 which also activates after this initial trigger. This is the FINAL global warning of the second "two witnesses", the final of the two worldwide
witnessings of the well known "two witnesses" once in 1914 and the second final time in the near future of Jehovah's anointed mission aided by Jehovah's witnesses everywhere, in a final 1260 day pattern.

That final "appointed time" pattern duration of the near future, totaling the well known "seven times" of the "appointed times of the nations" BUT in Revelation 11 2520 days (1260 x 2 = 2520) in the "Lord's Day" of Revelation 1:10, will be the grand finale of Jehovah's witnesses global ministry in the near future - the end of this sovereign transfer phase forever will shortly follow the end of this final warning witness and Sovereign Ultimatum of the Messianic Kingdom power.

The Final Warning

This second "two witnesses" will be the FINAL Sovereign Ultimatum of Jehovah and Christ; (Rev10:1-11; Dan11:31-44; Matt24:14), the last warning period this world will EVER be given before the utter and complete conquest of God's Kingdom and Temple system over earth, all human opposers will be terminated shortly after this final warning is completed as per Revelation 1:17; (Matt25:31-46; Rev14:17-19; Joel3:9-12).

Red Flag 1: Governing Body; No "New Light" for 20 Years for a Reason

Now we see what the snatched "Governing Body" will NEVER proclaim as stated above, and will instead attempt to hide and delay from Jehovah's witnesses' awareness with endless condoning of massive gross sins, stalling, stumbling and recycling of 1990 material, until that infiltration system is purged of these "workers of lawlessness" under a masterful veneer of "holy men". The "Brooklyn Papacy" of the Globalist infiltration units in the GB and "Org" must be exposed and removed as per the guaranteed prophecy of Zechariah 3:2-9, parallel with 2Thessalonians 2:3-9 and the final fulfillment of Malachi 3 "temple inspection", "clean out" and refinement.

The assessment and judgment of the Jehovah's witness anointed and related worship system "temple"; (Rev11:1-4) will precede all other prophetic judgments to follow this period as per biblical patterns of the house judgment; (1Pet4:17; Eze9:6)

Although Jehovah's witnesses are being inspected NOW - hence even this exposed from the anointed, the current GB snatched, will NOT be saying boo, that is a big red flag 2 they are corrupted and purposely in the dark, also, as per prophecy.

Some Jehovah's Witnesses Will See This Truth Immediately

Though, of course, some Jehovah witnesses will doubt all this, but the ones who have paid diligent attention to God's Word will see there MUST be a major fulfillment cycle finale, that leaves NO rival system alive or functioning ultimately and literally.

Many Jehovah's witnesses will see this analysis is merely pointing to the truth that Jehovah's Word must fulfill among defined "Jehovah's people" as in all times before in ancient times, the time of Christ, and since 1914. All this analysis is pointing out is that ALL the 1914-1926 patterns MUST and WILL have a final fulfillment, but with universal and worldwide impact and eventual total manifestation of the whole Kingdom Jehovah and Christ, and all 144000 and a billion angels ALL lighting up the global skies in battle array to finish the Armageddon War of God to the last "sheep" and "goat" being saved and exterminated respectively. This Zechariah 3 "trigger" will commence the rest like a program to the "play of God" "final act". The final fruitage will be secured and delivered to God, the "harvest of the earth" of Revelation 14:14-16 being completed and delivered on earth to God's very feet, at his temple courtyard, IN the 144000 Temple coverage of Revelation 7:9-17; (Zech12:7-9)

All this is is the truth that Jehovah does reveal His future works to his approved servants as a foregleam of what must transpire as Zechariah 3:2-4 activates in everyone's face worldwide in the near future:

(Revelation 1:1) A revelation by Jesus Christ, which God gave him, to show his slaves the things that must shortly take place.

(Amos 3:7) For the Sovereign Lord Jehovah will not do a thing unless he has revealed his confidential matter to his servants the prophets.

The GB Snatchers Full Viral Objective

So, let's examine the potential full objectives of this infiltration "GB" of 1991-1992 compromise, as per the Christ temple visitation and "Judas" "son of destruction" 'thief', betrayer and 'stumbler' sinner patterns and types. Christ and the bible, expose the GB spiritual vermin imposters in 2000 dollar suits, before they fulfill prophecy.

Temple Completion versus Temple Foundation

First off we are in Temple COMPLETION phase now, NOT the 1914 "temple foundation" phase any longer. Jehovah well knew that the temple completion phase would completely replicate the 1914 prophetic patterns and events, but with greater and permanent global significance. In the divine wisdom, Jehovah made certain real Jehovah's witnesses were very solidly familiar with the minor fulfillment cycle of 1914-1926 and their three sub-cycles of 1260, 1290 and 1335 days, because that full cycle MUST replicate to finality of full Kingdom and Temple completion and conquest in the near future.

Obviously Jehovah would not reveal this too soon, because it would apply to the temple completion phase, for that phase, and anything earlier would cause undue confusions, when Jehovah was merely establishing a minor pattern in 1914 to show Jehovah's witnesses conclusively what would transpire also in the final fulfillment of the temple completion of the 144000 in the face of the operative rival system of the world.

This 1914 prophetic pattern is perfect and will be the foundational guide in absolute harmony with the final fulfillment patterns. BOTH prophetic interpretations will apply to their own phase perfectly.

ALL the patterns of 1914 and of Jesus Christ's temple work and ministry from 29 CE to 33 CE will absolutely have a manifestation in the near future along the exact patterns, events and principles fully established for 1914-1926 and in Christ's time, such as the "Judas" manifestation relating to the "man of lawlessness". The original patterns in 1914-1918, 1919-1922, and 1922-1926 are all totally and completely valid, for they are the guide fulfillment pattern by which the whole future will unfold before the face of this entire world.

Jehovah and Christ are providing real Jehovah's witnesses with a reliable map to the end of the world of this system's rival world rulers, and the events which will mark and trigger that the final fulfillment mode has begun in earnest in Zechariah 3:1-10 fulfilling parallel with the exposure and identification of an infiltration of imposters in the Jehovah's witnesses, right through the head administrative "Governing Body" - "snatched" and in Satan's control as permitted by God with limitations, but to fulfill final prophecy and ring the JW bell worldwide; (Zech3:1-4; 2 Thess2:3-9; Mal3:1-4 parallel fulfillment)

The Snare and Stumbling Block is Effective
Many apostates have seen the dubious developments among the "Governing Body" symptoms of being "snatched", but felt the whole "Org" went bad. But in fact this is just a systemic foreign impostor "cancer", a "virus", a "termite" system that Jehovah by angels, will fry from the JW "Org" "log", as per the "fire" event of Zechariah 3:2, in line with Malachi 3:1-4 in the final refinement of Jehovah's witnesses to the end ministerial cycle. Most apostates simply felt stumbled and victims to the evil machinations of the "man of lawlessness" that has infiltrated the Jehovah's witnesses through it's "Governing Body".

These apostates were fully duped and led where the imposters want them, outside of Jehovah's flock.

That is why this GB "snatched" operation even exists in part, to stumble people behind the scenes, while presenting a smiling face "holy man" counsel in front of the scenes, to fool, if possible, even the "chosen ones", but it was not fully possible.

Guaranteed Target: JW

The betrayers and infiltrators are now being revealed prior to the "big event" they have planned, and that Jehovah has purposed as well, doubly certain a "big event" will hit Jehovah's Witnesses in a little while longer.

Objectives of the Zombie Governing Body Snatchers

Examples of 8th King "NWO" Globalist's Event Schedule Guiding the GB/JW Organizational Schedule Following Supporting Move

1. Globalist Step 1 (1991) - "New World Order" Revelations by Both the Globalists and the GB Snatchers

First off, ALL the Jehovah's witnesses "Org" subtle signs and planned events have been fully guided by this fraud GB since 1991-1992 under Milton G. Henschel's "watch". Notice that ALL the major GB decisions step along with the globalist "new world order" schedule of phasing. This has occurred in an approximate 10 year long series of three steps and subsequent phases - two steps in, we see the trend now.

1991 marked a new phase of globalist 8th King world activity being prepared for after the dissolution of the USSR globalist contrived "global enemy". As the Berlin Wall was being demolished, the GB snatchers were also poising the "new world order" infiltration and barrage of quotes in Jehovah's witness literature through the UN/DPI "Department of Propaganda and Infiltration". "NWO" references became quite regular in The Watchtower and Awake! magazines from 1991 to 2001, UN support org "plugging" was also quite consistent as Jehovah witnesses GB snatchers kicked off their series of UN-DPI promo articles to their own captive JW demographic audience. (Commencing with 9/8/1991 Awake!, and 10 years after.)

The Watchtower Library CD search has 45 "new world order" references for Awake! and 37 for The Watchtower in that period from 1990-1999, far outnumbering any references before or since that time in a 3000% magnitude of increased exposure. Coincidence? All one has to do is search the term "new world order" to see that GB complimentary "NWO" injection went viral in marked frequency in this period following the globalist 1991 manifestations. That is NOT accidental.

1991: Thus the 1991 NWO 8th King system phase 1, just happened to coincide with Jehovah's witnesses GB organizational "NWO" UN-DPI promotions and directives in marked fashion following along with that of the 8th King globalists - all coincidence? No.

This was of course also a massive and very real serious hidden sin and "wildbeast" promoting propaganda operation for 10 years running as well, that immediately compromised the high level holy spirit blessing, the GB itself was in active gross sin willfully engineering and spreading it secretly as well. A tiny infiltration group compromised the whole Jehovah's witnesses organization and anointed.

The GB "right eye" certainly did "grow dim", as will the "arm" shortly "dry up".

(Zechariah 11:17) Woe to my valueless shepherd [GB], who is leaving the flock! A sword will be upon his arm and upon his right eye. His own arm will without fail dry up, and his own right eye will without fail grow dim."

That "sword" is angelic and will culminate in Zechariah 3:4 activation unmistakable when it manifests soon.

Well lo and behold, in September again, but of the year 2001, a handy and predictable 10 years later, the globalist 8th King now prepares for the famous world invasion now known as the "War on Terror", as 200 trillion dollars have now, ten years later, been shifted to this war and military security initiative worldwide; (Joel 3:9), as a conservative estimate of what resulted from this "911" super-engineered military event and it's subsequent progression to world invasion aided by the new Global NATO of 1999 and other globalist military manifestations.

Now the complimentary inner GB move number two?

One month after 9/11/2001, shy 5 days, the world globalist press boys of the "scarlet wildbeast", through The Guardian newspaper, break the "handy" news of the UN-NGO-DPI hypocrisy of the "Governing Body" of Jehovah's Witnesses on October 6, 2001, all conveniently "leaked" as pre-planned from the getgo. Again, phase two of the Jehovah's witnesses infiltrated GB future plan again perfectly coincides with and is guided to the "T" for "traitor", with the globalist phase 2 world event move of "911".

2001: Again, Jehovah's witnesses' GB must follow the overriding script of the globalist second 10 year phase towards Armageddon with a reinforcing strategic complimentary move for Jehovah's witnesses organization.

911 Launch Aided JW Fog Time

What followed was a well engineered psychological diversion of Jehovah's witnesses and general world stumbling quagmire of hypocrisy and scandal that expanded like steroided cancer through the JW "brain center" and the apostate armory, courtesy the guiding "GB" conspiracy support move of "breaking news" feeding.

Instead of Jehovah's witnesses focusing on biblical prophecy being fulfilled real-time, in a great set of 8th King manifestations that even worldly researchers reveal now,
the GB went mute. Rather than renewed focus on live prophecy and the obvious globalist power paradigm shift, it was apostate gossip time and naps at GB headquarters.

Though 911 and the subsequent globalist paradigm mode of Daniel 11:40 fulfilling in the comprehensive symbolic globalist “King of the North” in unmistakable manifestations by this bold 8th King capitalized guiding war and terror developments, and subsequent endless war and global military Global NATO expansion and positioning, the Jehovah's witnesses are now focused on GB "dirty laundry", walking on eggshells in GB fed and led "apostate fear mode".

Endless 20 Year Night

Jehovah's witnesses are merely treading the "new lightless" night waves of a relentless global apostate attack fueling "Org" idol building in response, now fueled by the real sins, scandal and hypocrisy of the GB. This development also made very apparent the convenient and handily exposed sin record then already ten years imbibed into the JW body at that time, 20 years now. Somehow the ridiculous "library card" "insult to injury" excuse does not satisfy the apostates or opposers, the average man and researcher with impartial judgment or Jehovah and Christ for that matter. More Jehovah's witnesses are also coming to realize this gross sin festival empowered through the GB is indeed, very very real in Jehovah's eyes.

Jehovah's witnesses are now in spiritual fear, apprehension, 1990 backward tunnel vision, and 1914 retardation comma, in a GB inspired progression to the weakest spiritual state in all Jehovah's Witnesses' history.

The entire logical realization that major Bible prophecies were now in active expanded progression in heightened fashion, such as Revelation 16:13-16, 17:12-18, Joel 3:9 and others, was totally side-tracked. The GB did not utter a peep, but concentrated on more pressing "dirty laundry" web and press fires with also biblical prophetic significance, none of which will the GB point out as they turn themselves into the brain dead "Golden Cali“ distraction of the Jehovah's Witnesses organization, instead clothed in the "befouled garments" of Zechariah 3:1-4 for real, including the sin stained "inner garment" secrets and filthy "turban".

Instead, to the GB it is time to go into organizational idol construction and fortification mode on this new anxiety apostate attack adrenaline!

Now, via the convenient apostate endless Assault, the GB bolsters the attacked "GB" body, "Slave" body and "Org" body to create "organizational idols" right in Jehovah's "house", subtly year after year as endless salvos of GB aided apostate led attack also come upon those "bodies" from this handy little "breaking news", all perfectly timed as the initial sin was, with globalist world operations that even worldly researchers point out courageously. The fraudulent "GB"? Mums the word... Hear no evil, see no evil, speak no evil, but are the evil.

The GB is now just a purposely brain dead total act of recycling "spiritual food", a puppet theater of "new light shows" at meetings and conventions, but with terminal gross sin and darkness as the actual latent but surfacing result, just a sham pack of globalist actors in sheep's clothing, busy gee bees duping the JWs silly, serving endless watered down "milk" and mixed veggies - NO MEAT, NO NEW LIGHT, FOR 20 YEARS NOW!. Hint, hint... Red flag.

Real Sin and Stumbling Halves JW Growth

And the numbers do not lie.

Add to this set of REAL GB sanctioned sins, and the actual stumbling of upwards of 4 million people globally over 10 years perpetually, and combined with the initial gross adulterous sin in secret, this whole thing now has cut Jehovah's witnesses growth statistics in half as the trend is examined over time. It all originates in 1991 approximate point.

It is now a trend with easily seen statistical anomalies and proof of something being way wrong. It is statistically evident in the former 20 years before 1991, as compared to the 20 years after 1991, that JW expansion numbers dropped approximately 50% in growth rate percentage.

Red flag 3?

Not at GB la la land of infiltrator spies. Now the fraud “GB” say, "oh brothers, we are obviously at apex, the numbers are diminishing, the end is near! The end is near!”, when in fact they themselves are stumbling millions from the web back alley invisibly to everyone, with gross and heavy sins compounding bloodguilt for real daily, and that is what is plummeting the JW numbers along with the divine curse. GB "Judas" sanctioned sin and stumbling evil is what has cut JW numbers in half, plain and simple. JWs bring sheep in the front door, the GB shoots them in the alley.

(Malachi 2:1-2) "And now this commandment is to you, O priests. 2 If you will not listen, and if you will not lay it to heart to give glory to my name, NG0 massive global stumbling magnitude is strangely, the missing JW growth numbers and the source of divine displeasure in that, almost to the exact figure of diminished effectiveness - we have 4-8 million people in the GB back-alley dumpster. Now the GB sins are snowballing as they roll the whole works to Gehenna upon Jehovah's witnesses worldwide, while smiling from their handy Brooklyn Roundtable of innocent bloodguilt to a naive JW body worldwide. “We are God's spokesman!” “Stay the course!” “Look back!” ...

Sheep intake in the front, is simply offset by stumbling in the rear, the GB laugh at JW futility all the way to globalist doomsday.

Now the whole body of Jehovah's witnesses is also dragged into global bloodguilt, in the millions of stumbled humans, due to the actions of a small cabal secretly operating in the fraudulent GB to effect this level of transgression, all the while professing to be the "new papacy", the new infallible GB idol "cult of visuals" within the Jehovah's witnesses, professing to be innocent as anointed white doves, all the while not peeping so much as a single apology for this travesty, regardless of the justifications.

Red Flag 4: Jehovah will NOT reprehend His own name and His Son's name, nor will He inspire the stumbling of 7 million people; This GB is plainly the "inspiration" and obviously evil and in prophetic judgment soon.

Global Reproach

Now Jehovah and Christ, the anointed and JWs are in endless worldwide perpetual REAL reproach with real “befouling” GB actions and heavy unrepentant and unconfessed sins emanating in a global stench plain to all BUT most partial Jehovah's witnesses, arising from ye olde "holy men" of the GB masquerade ball, piling on more "red flag" patterns of REAL sin and bloodguilt, reproach and idolatry as we speak. Red flags 5, 6, 7, and 8...

How can the GB be instigators of gross sin and still have God's approval? They cannot, and they do not.
Now the Org is compromised for real in spiritual adulterous sins, blood guilt sins, idolatry sins, and the same masterfully deceptive GB cabal is STILL masquerading as "God's chosen", still allowing further positioning in the org for future corporate and congregational events and for the compounding of future sins associated with this spiritual checkmate from within.

The GB themselves now, are a global stumbling block by such blatantly evil engineered hypocrisy and wanton sin generation, promotion, protection and distribution.

And they will not apologize nor repent, all this shame, has the kiss of the GB upon the Org betrayal from within.

ALL this, from one planned UN "sex sin" in secret, as the GB pimps whored the image of God's "Virgin Daughter of Zion" to the "wildbeast", as if demons were running the GB, that is the magnitude of blatant sins that they continue to bless and cover for.

That my friends is called a BIG "red flag". 9.

Are they done yet? NO!

So, to expect a third "globalist body", GB and or corporate perfectly timed 8th King supporting move is not "paranoid", it is >simply logical< and common sense, a trend now, a pattern is already 2/3's of the way assured of final manifestation in 3 strikes.

We can fully expect a third GB sanctioned event to support their globalist handlers lead event as the "NWO" 8th King globalists engage another global "situation" soon. This can be any time now, in their approximate 10 year steps, that the fraud GB follow in the foothstep path of.

But to most Jehovah's witnesses, nothing seems any different, all looks virtually the same, they are being duped, with now a third phase globalist enemy goal, that according to the previous 10 year steps being matured and completed, can materialize at any time now.

Synchronicity 1: Synchronization chances will be possible that this final manifestation cycle of GB malfeasance will also coincide with the next globalist 8th King worldwide event and further move of positioning the world's nations for Armageddon, GB and NWO style teamwork.

You can see the first 20 years of two 10 year phases in 1991 and then 2001 were marked by GB organizational decisions (UNNGO) and ever so convenient inner fed expose of actual sins in 2001 immediately following the globalist lead event. This third phase is ready to go at anytime with the next global event planned by the globalist 8th King, upon a well globalist saturated and compromised Jehovah's Witness worldwide organization invaded by this stealth, but plainly brilliant and deceptive killer virus.

Yes Virginia, Jehovah's Witnesses need the "divine cleaner" to ravage their house of all termites. WE NEED it BAD.

Synchronicity 2: That is also why the fulfillment of Jehovah's own "move" (Zech3:2-4), will likely converge with this globalist GB final development as well. We now can see why ONLY Jehovah, with the use of angelic powers plainly identified as such in Zechariah 3:4, is the ONLY way to pull this poor "JW log" from the very real fire event that will attempt to swallow this "log" up as per Zechariah 3:2.

The spiritual fire?

The JW "log" is ALREADY in that serious sin conflagration of the overall spiritual blessing on the Jehovah's witnesses, BUT God does realize most JWs are plainly duped and totally deceived, and the invasion of the GB snatchers is the sinister puppet mastery of this whole affair since Fred Franz died.

GB Darkness Objective - It's All Done! Look No Further Y'all!

The GB snatchers don't want Jehovah's witnesses to ever appreciate the final fulfillment mode of the bible, or the globalist scale of the rival world power system of the globalist "King of the North" symbol that contains the "scarlet wildbeast" and "two-horned-wildbeast" globalist level administration at worldwide scope and reach of power.

Evidence? September 15, 2012 Watchtower, article "How this World Will Come to an End" - pg. 6, "NO OTHER WORLD POWER WILL ARISE" Really?

What about the 8th King, the King of the North globalist manifestation?

They want JWs to be national minded cows like every one else.

No Final Two Witnesses!

The GB does not want to reveal the final fulfillment mode of the second "two witnesses" final ministry (2W2), or the nature of the "little scroll", or the "reports" that the "King of the North" will receive from the final 2W2 anointed led by Christ final ministry. They don't want to reveal the "King of the North", or to allow the anointed to "eat" a fully understood, "opened", "little scroll"; (Rev10:1-11; Dan11:44-45)

They want JWs "hand to plow" in the "end all" of 1914 backward vision, fast asleep. zz zzzah zzzzz zzzz

How it Works:

Regurgitation and Recycling

This is accomplished by the GB snatchers, by simply regurgitating and diffusing basic teachings to endless minituita of 1990 with no real attention to future fulfillment, no "new light", and a minimal attention to even the 1914 patterns they are based on, but instead "keep eyes on 1914 everyone", just don't drill the patterns in, but diffuse it all. The suble "dumbed down" goal is to make Jehovah's witnesses as spiritually retarded as possible as far as refreshing teachings and keeping live focus on bible STUDY rather than just reading.

Though plenty of research material on the Watchtower Library CD is available, the standard fair of the GB "new material" is as much Styrofoam and "wood pulp" as possible, and ZERO "new meat", zero, zilch, nada, nothing.
Zero New Light

This fraud GB control center since 1991 is in actual gross willful sin of enormous actual magnitudes, with of course ZERO "new light" as a result, not so much as a single photon of real, significant "new light" has come from this underground infiltrated GB for 20 years, and that is a HUGE red flag 10. It's endless assorted vegetables, filler and milk diffusion, and NO "meat" but reproached writings of Fred Franz and others, from the pre 1990 era, released as the writings of the current GB massage artist editors, such as Isaiah's prophecy and Daniel's Prophecy from Fred Franz extant manuscripts.

This GB won't produce the meat of a sparrow itself, it is reprocessed and rewarded sausage and jerky of the past.

This GB control center is not even Jehovah's witnesses we must recall, but globalist spies and infiltrators, of course "new light" is NOT their objective. Just look around, it is all a Xerox word and editing act aided by the duped "other sheep" the GB employ to carry their dead weight. The "other sheep" have carried the organizational work load of "spiritual food production" for 20 years, hats off to them NOT the fraud actors in the GB Academy Award performances.

Setup JWs Like Bowling Pins

What these globalist body snatchers are attempting to do is compromise the whole Org.

The spiritual foundational weaknesses that began this mission merely aid the full progression of the full 20 year plus objective of this GB globalist infiltrated cabal. They want to destroy, debalance and try to cripple the org for good in the phase 3 coup de grace, outlined later here in more detail.

Riding a strong foursquare truth "wave" from Russell, Rutherford, Knorr and Franz God laid foundation of truth, these infiltrators are attempting to merely ride and stretch this sham out until they have accomplished a positioned Org for globalist "ground zero", Jehovah intervenes and or someone detects an identifiable trend that indicates this is an actual operation.

If no one stops them, they will herd JWs to extermination worldwide, no questions asked, that is the end goal. Jehovah's witnesses are that fooled and duped.

Red Flags Too Big to See

Therefore the first 10 years of secret sin from 1991 was undetectable but should have been addressed then and there with a public apology and full repentance from an adulterous course by the GB immediately. Instead the GB fraud faction went into purposeful smug pride and "Org" idol building modes, and subsequently shut off all Jehovah's witnesses from engaging the 2 billion people on the web and fighting back against the apostates - "mum" is the rule of engagement now in the biggest human field to open in all human history on the internet - red flag 11.

Two Flock Shepherds Aid Idol factory

The GB snatchers keep the web an active breeding and feeding ground for their own apostate "sheep" "one-sided argument", which justifies bolstering the Org idols as well, to counteract the apostate attack - everything seems as if "good intentions' prevail, but that inertia is for subtle idolatry to be formed in the organization year over year to terminal proportions. In fact a "can of disaster" is what is prevailing in Jehovah's witnesses from the GB Devil dead-zone.

These apostate and opposer groups and individuals are the actual agents of creating perpetual arguments and endless information publication to the web, based on actual GB fed hypocrisy out their own back-door, to aid in the main fuel of the stumbling of hundreds of people a day for years and years via the web, undetected but by statistics over the years, now an undeniable trend.

Prophetic Coma and Backward Tunnel Vision

Ultimately the "GB" of this compromised system, wants Jehovah's witnesses focused on 1990, and 1914 forever missing the final fulfillment phase, and being condemned with the rest due to that massive truly potential infraction. They want to spread these perpetual and massive sins across all Jehovah's witnesses, and they are, and these are enormous and hidden in plain sight. The entire Jehovah's witnesses organization is compromised plainly shown in deep sin, but under GB subterfuge as intended to mask this true development.

All a big coincidence? All a big coincidence a Jehovah's witness is who reveals all this and not an equally blind as a bat apostate puppet? The apostates can't even detect the true nature of the GB viral system, but Jehovah has Identified it for His anointed to reveal the pigs in the pen, BEFORE they are handled by God as per Zech3:2-4.

The actual shake-up of Jehovah's organization may very well completely crush the current "GB", "Slave" and "Org" idols, and may very well hit the organization extremely hard worldwide. When Zech3:2-4, and the possible parallel "striking of the shepherd" (Zech13:7) actually activates, ALL Jehovah's witnesses will know something is up. Zechariah 10-13 may also be involved in this manifestation of unmistakable final fulfillment mode that JWs will not be able to deny, when all is explained after these events.

(Zechariah 11:8) And I finally effaced three shepherds in one lunar month...

That may very well be idol worshiping shepherds of "GB", "Slave" and "Org" idol sacred cows of the GB main idol, in one concise event.

Cause and Effects: The Objective of Sin and Bloodguilt on Jehovah's Witnesses Worldwide Community in Stealth Fashion

So, as already shown, the entire body of Jehovah's witnesses has old, unaddressed and ignored sins of UN adultery (1991), which news spreads reproach worldwide, stumbling millions, and creating an apostate and opposer backlash that has aided in the creation of 3 big org idols in "GB", "Slave" and "Organization" idolatry in Jehovah's witnesses, so effective, most will not question the dubious sins perpetrated through the use of this credibility campaign. The "Elder Body" "Neo-Jesuit" sub-cult administers the protective "Inquisition" of anyone who dare accuse their sacred Golden Calf GB of dim lighting, much less sinister acts of treason, prostitution and bloodshed.

Jehovah's witnesses, by these stealth actions of their demonic perverted fake GB leadership in those in there who know about all this, the "globalist boys"; GB, are now in reproach, bloodguilt, idolatry and adultery, and few are the wiser that the "fire" of Zechariah 3:2's spiritual sin component is very very real - right NOW. Jehovah's witnesses are in the dynamic of an actual compromise that is endangering every Jehovah's witness on earth.
What's Next?

But now that that is all said and done in two phases, and merely "part" of the Org and GB DNA now, "business as usual", what is this REAL next step, the third phase going to involve in this obvious progression?

Questions the near future will answer:

When is the full GB "Judas" manifestation going to be revealed?

What does it possibly further entail?

What is the big reward, what do they ultimately have planned?

The Bible has all the clues.

Bible Identification of Criminal GB Snatchers

Again, just as biblical patterns, prophecies and principles even revealed this initial compromise, we can gather the full objective of this globalist infiltration is far worse than many realize - it is FAR from complete in assault, yet oh so near to completion.

We can use two manifestations of Judas Iscariot in the Christ Temple pattern, to know for certain, that other objectives of a far grander overall objective is planned by these GB and Org imposters.

We can also know that this is aided by the Devil (Compare Zech3:1 and 2Thess2:9), and is permitted by God to fulfill a gateway trigger prophecy (Zech3:1-10) and to set up His own next move in a fashion that will get ALL real Jehovah's witnesses attention worldwide, and cut out any "GB", "Slave" or "Org" idol cult worshipers in one fell swoop (though it may take a while to unfold) - possibly concurrent with the next globalist move on the Org converging - and it MUST now be aided by angels (Zech3:4), it is too deep, too deceptive and too effective to just let run it's full viral course another 10 years in addition to he initial 20.

Even this expose is a sign of things to come. This is all bible revealed for this purpose upon patterns that have repeated already 2 and 3 times in former developments related to this big "coup de grace" attempt by God's enemies upon Jehovah's people.

Bible Trigger Event: Jehovah Recovers the JW Ministry from the Zechariah 3:2 Fire

In the end, in whatever form God desires, Jehovah will recover the organization for the final "two witnesses" ministry which Zechariah 3 and 2Thessalonians 2:3-9, in parallel fulfillment MUST completely resolve first, before the rest of the prophetic cycles of Daniel 12, following these triggers, also goes into active fulfillment leading to great tribulation, the 144000 temple and kingdom completion and the final war at Armageddon when the globalist enemies and all the others will finally be terminated to the last breath in unrepentant man. Other major fulfillsments MUST follow this Zech 3:2-9 event cycle trigger prophecy.

What we know is this infiltration has been operating 20 years as well in marked fashion, and may have of course been positioned long before this finality of operations in a 30 year approximate manifestation plan commencing openly but secretly in 1991. Now we are 2 phases, 20 years into operations with plenty of patterns and evidence of great wrongdoing operating under a masterfully deceptive GB veneer system of formalisms that aided the infiltration. Couple that with diminished overall spirituality, over attention to JW visuals, rituals and buzzwords, witnesses are being herded for a grander objective.

Deep Infiltration

This infiltration therefore is no doubt organization wide by now, and fueled by other bad policies of the evil GB faction or totality that works very subtly and with masterful techniques of subversion. They will appear as holy as possible on the outside to gullible JWs, but they have a grander objective and want to avoid detection as long as possible for greater events to be covered here in the near future phase 3 of this infiltration grand finale event.

No doubt these globalists have other organizational compromises positioned for what they really love; money, for some kind of major event for unjust gain to their globalist swindler parties, which can also cripple the WTBTS funding and investment basis of the worldwide ministry of Jehovah's witnesses.

Sheep Still Coming

Yet all the while, God keeps bringing in new sheep, because the validity of the truth must remain in tact, the "Judas" element never is allowed to pervert the truth, they attempt to stall it all, the while stumbling and setting up further betrayals as per prophecy.

So anyone becoming a Jehovah's witness now, has a good 20 years of valid food and truth to attain everlasting life with, Jehovah and Christ will not allow that to be compromised. But stumbling and blessing withdrawal has affected the overall growth of the flock. And Jehovah and Christ will NOT allow this cabal to stifle the final "two witnesses" work of exposing the "king of the North" system for who it is, and to "eat" the fully understood "little scroll" for the FINAL worldwide ministry to the very end of the rival systems, as the 144000 Temple and Kingdom under Christ is completed in the face of this enemy system worldwide; (Rev11:15-19)

Governing Body Snatchers Coup De Grace 2012+ - 3 Future Strikes

What all the idolatry, theft of sanctification from Jehovah upon human entities, and diffusion of faith from Jehovah too this organizational idols is ultimately ensuring is less faith in Jehovah who cannot be compromised, to human bodies of imperfection that will be compromised in one massive event for the purpose of stumbling many JWs right out of the truth.

If people put faith in human bodies, they already are in danger when those idols are allowed by God to be crushed. This is the goal from 2001 forward, when the current GB imposters began steroiding there own "infallible" image, as a standard response to mitigate the apostate UNNGO fueled attacks up that body. The FDS and Org "bodies" are constantly attacked, and constantly re-steroided until after 10 years, the are plainly idols in Jehovah's house, they call attention to faith in humans, they
The GB has been caught truly red handed, exposed by God though the bible before He acts on them.

That is because the GB snatchers know, those human bodies can be affected in the future, and all focused on the GB, "Slave" and Org, will be stumbled when this major final compromise occurs.

2. Phase 3 Finale - Judas Thief Event

Well plainly the corporate organizational mechanics are a target point for this infiltration. No one does all this without also a goal of making lots of money in the process. For every spiritual infraction barely covered here, we can rest assured there is a subsequent move towards positioning the multi-millions of dollars of the WTBTS for a big theft event. Globalist engineered "hedge funds" and other compromises are a likely "shill" carrot bait for these doped WT "marks", being handled by pro globalist con men lawyers and other administrators previously positioned for this last phase.

This also fits the pattern that the Judas element, like the Christendom "man of lawlessness" is ultimately driven by a powerful love of money, and these operatives in the GB and Org are no different, they are greedy and have far more potential as evil than has been realized thus far.

Whatever it is, something big must hit the JW org worldwide, and it will be in time with the next globalist worldwide event of their own agenda as well, as all JW org events have been after a globalist event almost immediately in 1991 and 2001. Expect that trend to attempt to repeat.

3. Phase 3 Finale - Worldwide Internment Herding and Attempted Final Kill Planning and Event on Jehovah's Witnesses

As any who are fox leery have seen in the last 20 years, the GB calls undue attention to itself "in case of emergency" as if God is going to use them, rather than angels, to look out for His people in case of biblical prophetic "emergency".

Now the GB who can't even run the org, but has had to divest corporate responsibility to others (conveniently though, for positioning orgwide), and who can't even develop spiritual food itself, but needs teams of "other sheep" to actually do the work and carry their fraudulent deadwood bodies, yet we are now to expect that globally, the GB has mapped all the thousands of "safe houses" in case of a globalist "emergency".

Everyone trust the GB snatchers!

Everyone write your name and address on your luggage and clearly label it, head to the train station and food and hot showers will soon be available! You can meet the WT president even!

GB Snatchers Knows Globalist "Evacuation" Plan Alright

Well the globalist operatives in the GB snatchers are connected to a 2homed-wildbeast globalist system that certainly does know the internment and concentration camp intake system very very well, in all the countries slated for this "emergency" development, and they do know the "next emergency" cycles that will begin the human "herding" process - thus far they guide the JW move, after their own, as in 1991, and 2001.

Beyond Coincidence

The GB as shown, has known all the key timings of the globalist lead events, and has moved along with them, in 1991, and in 2001, and soon again if this all transpires according to their planning here. Of course when dealing with angels of God (Zech3:4), the best laid plans of globalist mice and men can fail, the point is they are up to no good, and even the dumbest JW on planet earth should be able to figure out by now, something is off.

The "Judas Betrayer" anti-type betrayal event is getting as many Jehovah's witnesses to show up for prison and extermination voluntarily. This is why the GB snatchers have been cleverly directing unquestioning trust to their guidance in "times of emergency" FOR 20 YEARS, using former examples from Africa, sending out Bethel Bots with this regular "feed" of "trust the GB", because they want to be the main trusted herders of Jehovah's witnesses into the martial prison systems, and the internment system of the globalists when needed, worldwide - from one call to the local elders: "head the sheep for Auschwitz brothers"! Everything is ok! We are God's chosen! Time to go! NOW!

They ALREADY know this set of "emergencies" will manifest upon the world eventually in cycles or a big bam boom event, and they want to make sure JWs are the first in line, and they want to develop the trust so that the average JW will go wherever the GB snatchers send them, when sent, ASAP, no questions asked, with a simple phone call to the zone directors, and so forth on down the line to the elders, who by this time are as duped as the rest.

They want to identify and locate all the JWs globally as well for the "wildbeast" boys, with names and addresses for pick up squads, so look out for this bold betrayal move to develop as well, a request for personal information with all the sugary "good intentions" this rat cabal is known for now. This is because they know some JWs will NOT just head to internment willingly just because the GB snatchers bless their own globalist slavery and kill centers. Some JWs they will have to try to "round up" for various reasons that they "missed the train".

That is why the Governing Body snatchers, wants YOUR trust.

DO NOT GIVE IT TO THEM!

And of course betrayal, like theft, are the chief attributes of the "Judas" type, and from "Judas" the term "son of destruction" derives; (John17:12; 2Thess2:3–9), as applied to the modern "man of lawlessness" in the bible. That is NOT accidental, the GB in action now are also murderous in betrayal intent, as well as money worshiping thieves and all around dishonorable back-stabbing polished rats.

Do NOT be fooled by the appearances of these fine globalist demon inspired actors.

Now I know some GB members may plainly be duped "dummy" GB props, with no real power, but the controlling powers since Milton Henschel and Company, in the GB, are globalist operatives who have infiltrated and align the whole GB and Org corporate injection for their further objectives of sin, stumbling, stifling and betrayal and theft.

"New Light" is NOT an objective of these deceivers, and the willful undressed compounding gross sins of this group also make sure none would be given anyways, even if they weren't globalist operatives who aren't Jehovah's witnesses at all in central control of the whole GB and "Org".

The GB has been caught truly red handed, exposed by God though the bible before He acts on them.
This is why no single Jehovah's witness in history, carries the multitude and magnitude of gross and willful sins of the unapologetic and smug current imposter GB sinner cabal. They are at Gehenna level of transgression, because they have no discernment, could care less, and are NOT Christians, but are the "man of lawlessness" actors that MUST be revealed in final fulfillment as the Zechariah 3:2-4 "trigger" activates as the commencement of the final cycle of biblical prophecy to the end, in final fulfillment mode.

This GB's days are numbered by God.

==

**Zechariah 3 Angelic Timebomb**

Well we do not know to what degree Jehovah will allow this evil cabal operating through the GB snatchers to betray Jehovah's witnesses worldwide. We do not know the convergence of their timing, and the fulfillment of Zech3:2-4 in Jehovah's timing.

We do know Jehovah does not need the GB snatchers in times of any true emergency. He has myriads of angels that can fry globalists at the drop of a hat, including those in the GB and Org infiltration right now. Jehovah will NOT need the GB snatchers to separate and herd His "sheep", angels will do that as per prophecy when that REAL "alarm signal" even has the globalists soiling their shorts, and it WILL come as per Matt24:29-31. In the meantime the GB should be ignored as regards ANY evacuation directives. It is the current fraud GB who must be herded to neutralization as per divine promise.

*They cannot be trusted, they are doomed.*

The current rotten GB snatchers will be purged, and Jehovah will take over the final ministry directly as per Zechariah 3 prophecy to lead the finality of TRUE Jehovah's witnesses' understanding worldwide for the final fulfillment phases.

The JW "Org" will be cleaned out.

**How Could This All Happen?**

Well, they needed to wait until the restraining "Hawk", Fred Franz, was weakened to the point of death to manifest as per prophecy. They waited until they could operate more freely, conveniently permitted and in time with the globalist 1991 manifestations after the USSR was dissolved as the national "King of the North" hand puppet of the actual globalist "King of the North" master puppeteer:

*(2 Thessalonians 2:6) And so now you know the thing that acts as a restraint (Brother Fred Franz), with a view to his being revealed (The GB m.o.Le nest) in his own due time.*

Now that Fred Franz was the last driving righteous overseer and the 4th foursquare foundation guard of the Jehovah's witness ministry, a time of test developed that will also be revealed in the "man of lawlessness" operating in stealth fashion, with Satanic and globalist ties, right in the GB and Organization of Jehovah's Witnesses, now revealed in precursory fashion preceding total divine exposure.

**EXPECT IT, IT IS COMING.**

We also realize that prophetic patterns MUST repeat in the final temple completion phase and visitation into Jehovah's witnesses as per 1914 prophecy, BUT in final fulfillment mode live and real-time.

This is triply shown in modern fulfillment of three inter-related prophecies showing Jehovah's witnesses "temple" are NOW being fully inspected prior to the divine clean-out "visitation" in the final fulfillment segway of these prophecies fulfilled and activated that MUST precede the final "two witnesses".

This trigger event well seen also precedes the finality of the following 1260 day Daniel and Revelation cycles and where that leads towards the rest of the well known cycles of 1290 and 1335 days to follow in sequence, as per the minor pattern of 1914 fulfillment, but with global impact to total world conquest by Christ - this is like an "end of the world" map after Zechariah 3 manifests for real for all true Jehovah's witnesses to fully take note of and be aware of completely manifested unmistakably.

*The Zech 3 trigger manifestation will be unmistakable to ALL real true Jehovah's witnesses worldwide.*

**Parallel Prophecy - Prophetic Precursor "Trigger" Fulfillment You Will See Soon in Unmistakable Manifestation (Zech3:1-10, Mal3:1-4, 2Thess2:3-9)**

*(Zechariah 3:1) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him.*

This is the status of the JW organization since the 1991 set of UN related sins began to be practiced and blessed by that Governing Body being possessed by globalist infiltrators, and any combination of anointed or fraud sleepers aiding this first sin, we do not know the actual degree and type of infiltration. As shown, it exploded like a sin bomb of "gangrene napalm" in the JW organization and global identity, and now there are many symptoms of the effects this sin, stumbling reproach and subsequent bloodguilt and idolatry have had FOR REAL.

In other words "Satan standing" as accuser and resister through the GB "right hand" of the FDS "Joshua", is aided by REAL sins that he is throwing in Jehovah's face NOW since that very real, globalist aided sin of 1991, at a key GB transition of that era into the extremely questionable oversight of Milton Henschel's GB/Org "watch". What a travesty of compounding Gehenna level sin soon developed.

In spite of the true magnitude of Jehovah's witnesses communal guilt worldwide resulting from this infiltration and obvious non-anointed oversight, Jehovah, through the lead "messenger" of Malachi 3:1, offers hope yet in Zechariah 3:2's parallel prophecy:

*(Zechariah 3:2) Then the angel of Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?”*  

By Jehovah's intervention at His own appointed time, this "log" of Jehovah's witnesses will be "snatched" from a very real "fire" spiritually, and a very real "fire" that may
develop in the secular organizational operations of Jehovah's witnesses worldwide, compromised deeply by the operations outlined here to even corporate compromise globally of the ministry of Jehovah's witnesses. We cannot know the true details of this now, but we can expect this prophecy to fully activate in time with the next 8th King global event possibly aligned as well, as per the previous 20 years of the previous two events in 1991 and 2001, aligned with organizational complimentary events with the globalist lead event.

This "befouled" state of identity and guilt, stems from the actions of the Milton Henschel era Governing Body of Jehovah's Witnesses, and has compounded to total true spiritual ruin, yet appears as if nothing out of the ordinary is going on, but, something is in actuality being seen by God and Christ:

(Zechariah 3:3) Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel.

Now the divine intervention here, you can see, will parallel the final refinement work of Malachi 3:1-4, this "garments befouled" (GB) MUST be removed from oversight and angels are involved. This is a divine intervention required to "snatch the log from the fire", and yet utilize the anointed 'Jerusalem' after the fact of this event:

(Zechariah 3:4) Then he answered and said to those standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”

This indicates clean and true anointed must be the “robes of state” of priestly service and the approved real "head covering" of the subsequent FDS actual "governing body" of Jehovah's Witnesses in whatever form necessary to accomplish the final ministry finale that MUST follow these developments:

(Zechariah 3:5) At that I said: “Let them put a clean turban upon his head.” And they proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by.

Then Jehovah will give an i/then ultimatum to the anointed, with possible angelic upgrades:

(Zechariah 3:6-7) And the angel of Jehovah began to bear witness to Joshua, saying: 7 “This is what Jehovah of armies has said, ‘If it is in my ways that you will walk, and if it is my obligation that you will keep, then also it will be you that will judge my house and also keep my courtyards; and I shall certainly give you free access among these [angels] who are standing by.’

Now we see below, further “signs” (portents) will be given through the anointed by Jehovah after this cleansing event occurs. This is also where Malachi 3:1 "messenger of the covenant" enters the parallel in Zechariah as "Sprout" who is Christ, who is brought in in a direct manifestation of prophecy and what must follow this event soon:

(Zechariah 3:8) "Hear, please, O Joshua the high priest, you and your companions who are sitting before you, for they are men serving as portents; for here I am bringing in my servant Sprout! (To Malach3:1-4)

The divine priority is that of Zechariah 4 "two witnesses" that follows this Zechariah 3 prophecy paralleling Revelation 11 which can activate soon thereafter this prerequisite clean out. That is the divinely certain and absolute guarantee that the temple "head stone" of Zechariah 4:6-9** has the full attention by Jehovah God's "all eyes" upon it. "Upon the one stone (Christ, the head stone) there are seven eyes".

The full divine "engraving" upon Christ to complete the 144000 Temple system finale is guaranteed; (Rev11:11,12,19), for as Christ was the foundation “stone” upon which all 144000 come to completion upon, Christ is ALSO the "topstone", the "capstone", the ultimate beautification "headstone" of this Temple marking it's guaranteed completion. This must all be announced to the world, even the current lack of this understanding being accepted by Jehovah's witnesses creates more "fouls".

That actual temple 144000 completion, which this news must be in advance of, is after the Daniel 12:7, Revelation 11:1-14 1260 day cycle ending at the Revelation 11:7 globalist wildbeast attack and the finished witnessing of the "two witnesses". Like 515 BCE in the typical Jerusalem Temple pattern, this 144000 Temple of Jehovah will ALSO complete in the very face of the enemy system "King of the North" globalists and all they have "gathered", and finish that war at Armageddon. (Rev16:13-16; Rev19:19-21)

(Zechariah 3:9) For, look! the stone that I have put before Joshua! Upon the one stone there are seven eyes. Here I am engraving its engraving,’ is the utterance of Jehovah of armies, ‘and I will take away the error of that land in one day.’

That the Christ Temple "headstone" can only be placed upon a completed 144000 "temple" architecture is the significance of this and Revelation 11's announcement by the second "two witnesses" of that certainty to shortly follow the expiration of the final "appointed times" in 2520 total days, in this final 1260 day final warning ministry given to planet earth's inhabitants. Then the final judgment phase of the 1290 day finale period will commence as per Daniel 12:11 1290 day parallel to Daniel 7:26 "Christ Court" final judgment phase.

***(Zechariah 4:6-9) Accordingly he answered and said to me: “This is the word of Jehovah to Zerubbabel, saying, “‘Not by a military force, nor by power, but by my spirit,” Jehovah of armies has said. 7 Who are you, O great mountain? Before Zerubbabel you will become a level land. And he will certainly bring forth the headstone. There will be shoutings to it: “How charming! How charming!”’” 8 And the word of Jehovah continued to occur to me, saying: 9 “The very hands of Zerubbabel have laid the foundation of this house, and his own hands will finish it.

The removal of Joshua's "befouled garments" will have an implied state of "naked" "exposure", as to the nature of the "befouled" identity being that of the "man of lawlessness" to be revealed at this same parallel event.

(2 Thessalonians 2:8) Then, indeed, the lawless one will be revealed

====

(Zechariah 3: 8b) ...for here I am bringing in my servant Sprout!

This Zechariah 3:8 entry of "Sprout", parallels with Christ in Malachi 3, in the final "temple" inspection and visitation in final fulfillment mode of the coming "temple" 144000 completion. This inspection currently in action throughout the JW org "temple" system has caught the Jehovah's witnesses in an apparent nap as to reality. The anointed are NOW being inspected with the whole of Jehovah's witnesses worldwide, and God started the inspection in the GB bedroom, where much globalist paraphernalia has been located which requires a resolution. A divine one.

Here Christ is soon, as this revelation goes global in greater awareness:

(Malachi 3:1) “Look! I am sending my messenger, and he must clear up a way before me. And suddenly there will come to His temple the true Lord,
whom you people are seeking, and the messenger of the covenant in whom you are delighting. Look! He will certainly come,” Jehovah of armies has said.

As per prophecy this sneak inspection as a “thief in the night” has already caught most Jehovah's witnesses in an organizational nap, dreaming JW “purdy” formalisms that don’t fool God. Yet we fully understand the deceitful and subversive nature of the current Org infiltration and the current fraud GB playing neo-papacy, complete with disfellowshipping “elder” “Inquisition” as GB idol “cult masters of trust” and sycophancy as they use the trust of Jehovah's witnesses to further their own globalist agency ends, with as little hint as possible, full “sheep” veneer to their true “wolf” intentions.

(Malachi 3:2) “But who will be putting up with the day of his coming, and who will be the one standing when he appears? For he will be like the fire of a refiner and like the eye of laundrymen.

After the “befouled garments” come off of Joshua by angelic action, a refinement in the scope and depth of the truth of prophecy in “final fulfillment mode” will be commenced in a massive “new lightning storm” fashion over all JWs who survived the idol smash fest of the “GB”, “Slave” and “Org” mental images. These idols were constructed by the globalist GB as competing “objects of worship” all under their own smug lordship, as per 2 Thessalonians 2:3-9. Once the GB fraud rats are off the “ship” permanently, this final refinement will complete:

(Malachi 3:3) And he must sit as a refiner and cleanser of silver and must cleanse the sons of Levi; and he must clarify them like gold and like silver, and they will certainly become to Jehovah people presenting a gift offering in righteousness.

Though many witnesses think organizationally they already are “gratifying to Jehovah”, that is not the case community wide, and this state will be met when all this “befouled garment” garbage is cleared from the org finally opening the way for the final fulfillment mode full understanding to follow this trigger event described above:

(Malachi 3:4) And the gift offering of Judah and of Jerusalem will actually be gratifying to Jehovah, as in the days of long ago and as in the years of antiquity.

Strategic Secrecy and Scandal Exposure Timing

Then we have the overall timing as well of a well penetrated actual stealth sin mode, unbeknownst to Jehovah's witnesses at large, doing secret spiritual damage from the Henschel fraud era GB override onward since 1991. That was having an actual effect, with no visible signs as to the actual adultery and brainwashing promotions that were actually being sanctioned and engaged in by the master cabal in the GB guiding this. The trends had no real time to develop, though signs were present of JW expansion decline. The sin was in fact affecting things.

Secret Sin Damage

By the time this handy news was released, a huge spiritual damage was already done, the org was actually already in deep gross sin, with now clearly seen purposeful planning. Add to that scandalous cover up, plain and accidental lies, and more denial, the sin became willful and purposeful, even the excuses were contrived and meaningless. The anointed body had also been violated with no one's permission but a few globalists and sycophants in the GB and corporate feelers to the UN mind brothel. This sin is heavy heavy duty.

911 Catatonia and Silencing Inquisition

This “late breaking news” was then hundily positioned with the natural terror and mental trauma of 911. It would take a few years for Jehovah's witnesses in general to logically assess the sheer magnitude of what really happened - the true enormity of this criminal set of actions. By this time the GB rolled out all the scandal numbing heroin fictions that were soon protected by a modern day Inquisition of rabid GB worshiping “Jesuit” elders who simply still live in plain denial of the gravity of this sin, totally uncomfortable and incapable of handling the average citizen or JW basic bewilderment, the fact that at the heart, this is very real. The UN armored apostate, or suspected “apostate” is even harder to handle, so the elders crucify or disfellowship who they can, and run with ears plugged from who they cannot. Like duped puppets that whole body is also dragged into this thick sin quicksand - they are sunk.

Cancer Has Spread

Well one year turned into another, now the Jehovah's witnesses are 20 years into deep organizational sins, Gehenna level infractions in themselves, being denied without so much as one peep of remorse or apology, 5 million people stunned, and the mute self-righteous acting GB still "glows in the dark” to the average duped JW, the elders form a GB cult virus protection service, and the JW ship is now fully sunk spiritually, Jehovah and Christ are now shepherding the sheep by aid of still spiritually minded, but non-anointed “other sheep”. You well know you don't have to be Sherlock Holmes to see these "other sheep" have seen anomalies from these GB zombies over the years.

Maybe it is time to speak up eh?

Trend Finally Recognized

The point is no one was going to assess this complex and nasty situation immediately, it took another 10 years for a noticeable trend to be identified, and traced back to the root of the viral infection, and all paths go back to Milton Henschel and the “globalist boys” system override of the 1991-1992 GB, as Fred Franz could no longer control these 8th King vampire agents, and the rest of the place fell like dominoes, they simply cannot and will not believe it; (2Thess2:3-9)

The 911 timing was also strategically perfect to slip this in deeper in the fog of a global traumatic event, file it with Waco now. The rest has added up to the saddest chapter in the Jehovah's witness annals. But, looks like Jehovah has a meeting scheduled with the rats on the ship in due prophetic time. They will never see the light of day again anyways, in this unrepentant or plainly evil state from the getgo, but some will meet God apparently as per Zech3:4 possibility of strange events accompanying the final manifestation of this cabal prior to full neutralization and exposure.

The never can really stop the final “two witnesses” full awareness of final fulfillment mode in kingdom and temple completion. Ultimately they can push daisies though, they will be part of Jehovah's purpose one way, or the other, in time they will expire fully.

JW Formalisms and Visuals Aided Infiltrators: Blind Jehovah's Witnesses Suckered by Visual "Spirituality"

Well it must fulfill prophecy, but there were also plain entry weak points in Jehovah's witnesses.
Maybe one of the strongest weaknesses in Jehovah's witnesses that allowed an infiltration to this degree is undue and overly coached faith in visuals, rituals and formalisms as the basis of the Jehovah's witnesses spiritual "eyesight" and "depth". Many witnesses, but not all, but many, are simply fooled by visuals, they believe they can "see" spirituality, it has to be the pretty JW picture or it is rejected with no investigation whatsoever. Any pretty picture is also accepted in the same manner.

Unfortunately for some, JW Org materialistic visual based pride is based on sham wardrobe and prop trust, and other external formalistic cues. Some Jehovah's witnesses are also easily influenced by "quantifiable spirituality" such as hours and years preaching, position and other ego drivers, all of which are just that, external signs of a spirituality that may simply not exist. This is all now simply "spiritual vanity".

If it "looks spiritual", some Jehovah's witnesses eat it up without thinking twice, certainly these do not have the depth of true biblical spiritual discernment to actually even test their own apostles as per Revelation 2:2. If it looks like the GB picture, it MUST be anointed. After 20 years of this spiritual lobotomy development an intense recovery effort will be needed to pick up what is left after the globalist and Jehovah are done thrashing the JW Org idol system.

Globalist Agents: No Prob Just Look the Part

In the meantime, any good infiltration agent can simply blend into the JWs, because Jehovah's witnesses automatically spurn the scruffy "spiritually weak" for lack of fine wardrobes and quantities of hours and other ritualistic cues, but will accept a globalist or CIA agent as long as he looks like an "anchor man", possesses a "silver tongue" with many JW rehearsed buzzwords and branding phrases, and is willing to fake it about 20 hours a week, with all the handy JW props. If you have those eyeball qualifications, Welcome "Brother"! Those things are required to be an "elder", the elders use the same criteria, not the bible go figure after 20 years of this GB coma.

The JW Org entry point weakness is obvious, the spiritual diffusion weakening, for 20 years, aids this development to terminal proportions - poor discernment results, visuals and impressions guide the course.

In other words, to a great degree even Jehovah's witnesses "management" is superficially impressionable, and have been denuded of real spiritual depth, and by that, "love" has been diminished to ONLY the "spiritually strong", in an elder body that is pretty much cut to order in the image of the fraud GB of smug pride, denial and presumption, currently influencing all these developments for 20 solid years. In other words Jehovah's witnesses own pride and unspiritual attention to visual impressions and materialisms aided the infiltration attackers subterfuge greatly - it's easy to fake spirituality as far as many Jehovah's witnesses are concerned - they think they are already there, and so are you if you look like you are already there too.

But in bitter reality, JWs should expect a heaven AND globalist sent truck load of "humble pie" soon.

Many elders are merely "infallible" proud judges in a modern day Inquisition as per "man of lawlessness" leadings. The elder body is trained to be biblically too shallow to even take on the basic apostate arguments, and they are trained to run like cowards from apostates as a fraud GB "rule of engagement": high tail it, or scurry off with your tail between your legs, per GB orders, certainly NOT the bible's command. The less evidence examined by anyone, the better, and the longer these GB snatcher creeps can run the place like this.

Though God does not judge by outward appearances, many Jehovah's witnesses judge ONLY by the thing seen, heard and counted. Most importantly it has to "look the part", and "add up" to the proper magnitude of "hours" to be accepted, everything else is denied in high tailin' ostrich fashion. Many Jehovah's witnesses have become modern anti-typical "Christendom" in their own time, thus the GB "man of lawlessness" fits in just fine. The fraud GB and agents know exactly what the JWs are looking for, a "spiritual appearing" veneer, and boy do they have one.

So, globalist sinner agents in the GB have been accepted, in spite of a pile of obvious massive sins for 20 years, hiding behind a visual veneer many of Jehovah's people have now become worshipers of in trust and faith in visuals and imperfect "bodies" of sinners (like the GB itself), from the top down - no real spiritual discernment exists, the whole organization has been duped.

Eye Ball Christians

Though Christ said judge with righteous judgment, not according to outward appearances; (John7:24) many Jehovah's witnesses do the exact opposite by habit and therefore render unrighteous judgments based on visual appearances regularly, for years, and thereby coddled and nurtured, supported and fed professional spies in their midst who "looked" like the model contrived JW. This aided organization wide globalist operatives fully trained in the exact "visual and behavioral" techniques to fool the Jehovah's witnesses and enter positions of authority, great authority, just look at the real GB - an act of demons. Merely "look the part", "talk the talk", and have hours to count - few, if any, are going to test you with the Word of God. Many Jehovah's witnesses have been trained to trust their own "prettiness" and "infallible" body; (Ezek16)

Don't worry about any real biblical discussion and testing there globalist agents, many JWs are satisfied with Watchtower diffused and mixed vegetables ad infinitum that subconsciously have been leading them away from the bible study routine and true spiritual discernment, reinforced by pretty pictures and Brooklyn models. This too, has slowly dumbed-down some Jehovah's witnesses to not be able to defend their own beliefs from the bible as well. After 20 years of this purposeful GB "JW dumb-down directive", many many JWs are virtually brain dead and spiritually dead as well in as many who behave in this way, not all, but some. A clean-out and refinement is sorely needed.

So, that is why it was easy for silver tongue globalist agents of doom, to enter and flourish in Jehovah's witnesses, many simply do not have the full depth of spirituality developed, in lieu of pretty pictures, uniforms, rigid formalisms, many visuals, and rituals that they consider "spiritually strong", no questions asked - love is secondary or tertiary to Jehovah's witnesses, "hours" is "love". If your a demon, but you pioneer, come on over for dinner! Nice black suit! Jehovah's witnesses have been fooled, under the veneers of our own trust, as deep as our own love. Reality will soon arrive upon Jehovah's witnesses worldwide.

Org Idols Look Just Fine

Allowing over emphasis, in a subtle 20 years, on the neo-papacy "GB". "Slave" and "Org" of course goes hand in hand with this visual and formalistic development addiction. Everything "looks" ok, Everything has to "look" ok in fact, Everything simply fools the average JW if it "looks" the part. No one is anointed if they don't look "anointed". Only smug globalists, and nicely teethed and grinning urbanite corporate uniformed GB "models" in plenty of pictures with library shelf backgrounds can be the ever idolized demon GB who NEVER actually study the bible. That looks anointed to many JWs.

The "Slave gives us this, that, and the other thing" can now steal sanctification half the time, from what ONLY Jehovah gives through Christ, and many moaning JWs eat it up like a chocolate "Golden Calf", the ear tickling "Sacred Cow" talk for public consumption of the fraud GB reign of 20 years of the globalist installed spiritual JW "McDonalds".
the prophecy of Zechariah 3 final fulfillment modal activation soon.

Extenuating Circumstances

Jehovah realizes a demon guided subtle killer ”shepherd” infiltration is more to blame for these negative developments than the average Jehovah’s witness, as well as Adamic imperfection, and He of course can turn this big curse into the master checkmate blessing to kick off the final "two witnesses" awareness worldwide among ALL Jehovah's people from this sinister intentioned set of fraud GB developments that have now infected the whole "spirit" of the organization.

Jehovah CANNOT allow this trajectory to hell to go on another 10 years, plain and simple, Jehovah has to take back the ministry, and do some retraining.

Jehovah also knows fully that a counsel under Christ of 144000 in immortal Kingdom and Priesthood is the ONLY replacement that is valid and approved in God's eyes, as "Adam" must be removed entirely from all of mankind anyways. The current entire fleshly organization must pass away anyways in due time, as the 144000 completes. Jehovah knows He is not transitioning Jehovah's witnesses for more imperfect human guidance, as we see any of it under proper circumstances can develop evil, but Jehovah is transitioning to a perfect world rulership, and He will destroy the self-righteous self-exalted globalist war and money worshiping predators - He will hand many of them to Satan himself, who has no real future plans for them anyways, other than destruction for these also duped pappets of his who think they will be world rulers with 8th King Oz - but in fact Satan well knows they will be exterminated at Armageddon, and that is where he leads them all.

The rest will be exterminated there by the Kingdom of God special forces, no matter where they may try to flee and hide; (Amos9:1-3)

Therefore Jehovah's priority is the final witnessing and final warning of the second and final "two witnesses" global campaign in the 1260 day period preceding the completion of the Kingdom and Temple 144000 in full power under Jesus Christ by Jehovah God Almighty's indomitable eternal power and ALL rivals will be toast and dog food shortly. Hence, the final global Sovereign ultimatum and Final warning of Jehovah God through Jesus Christ and their Jehovah's witnesses.

Jehovah will NOT abandon his people.

(Ezekiel 36:22-23) 22 “Therefore say to the house of Israel, ‘This is what the Sovereign Lord Jehovah has said: “Not for your sakes am I doing it, O house of Israel, but for my holy name, which you have profaned among the nations where you have come in.”’ 23 ‘And I shall certainly sanctify my great name, which was being profaned among the nations, which you profaned in the midst of them; and the nations will have to know that I am Jehovah,’ is the utterance of the Sovereign Lord Jehovah, ‘when I am sanctified among you before their eyes.

""Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?"" - Zechariah 3:2

Well Jehovah does NOT buy the current JW "pretty picture"; (Eze16:15, 27), and all Jehovah's witnesses are in for a prophetically guaranteed global shock soon (before great tribulation), when all this comes to fruition in the activation of this Zechariah 3 sequence in final fulfillment. Yet Jehovah will save the worshipers of Jehovah, for the final ministry of the final fulfillment of Revelation 10 and 11. and Daniel 12 worldwide as the bringers of the Sovereign Ultimatum of Jehovah and Christ to a world that will soon meet God and Christ and 20 billion angels personally to settle all this forever and ever to their face; (Deut7:9-10)

This final fulfillment mode will have to manifest itself in this initial prophetic "trigger event", then Jehovah's witnesses will come to more advanced knowledge of this entire truth of the final fulfillments of Zechariah, Daniel, Revelation and every prophecy pertaining to the finality of the Kingdom and Temple of God COMPLETION FINALE, it is the end of the world that this is leading to in a marked continuum, and this commencement segway will begin a world trek that CANNOT ever be reversed - and will be fully laid out beforehand by God, to the whole world and where this all will soon lead - the end.

After this the "King of the North" doomed globalist world order will be fully, globally identified. The globalist "King of the North" relation to the "reports" and Revelation 10 "little scroll" of the final, second "two witnesses" will become known to all remaining Jehovah's witnesses on planet earth to carry forth to the end and great delerience of the "great crowd", under the completed and blazing 144000 Kingdom of God body under Christ, in the face of all the world then remaining, directed by Jehovah and Jesus Christ for full global and universal vengeance finale of Revelation 11:15-19 and Daniel 2:31-44, Rev10:7, and 16:17 finale.

Bible Truth is the Key to Real Vision

Jehovah's witnesses who have personally been engrossed in bible study and developing a great appreciation of the former divine prophetic patterns will see, for example, that Zechariah 3-4 has already had 3 related former fulfillments in 518-520 BCE, in Christ's time, and in the period leading to and through 1914.

OF COURSE THEN, THE GREATEST TEMPLE COMPLETION PHASE OF ALL TIME WILL ALSO BE A FULLFILLMENT OF THIS GREAT BIBLE PROPHECY AND PATTERN!!!

Jehovah's witnesses who understand that the former patterns are guides so as to know the future major pattern when it begins to manifest real-time and live in their lives, such as NOW, with Zechariah 3:1 and the "man of lawlessness" entity that must be revealed in the modern "Temple of the God" Jehovah. The modern bible patterns beginning to activate in this great final fulfillment of Malachi and Zechariah 3's final sequence to temple completion of the 144000 under Christ will follow a similar sequence of events and principles found undeniable in the former patterns already fulfilled.

This is why this analysis in principle is true and guided by bible insight, not by personal imaginings. This modern real-time revelation of the "son of destruction" sequence of 2Thessalonians 2:3-9 in tangent with Zechariah 3:1-4 MUST preclude the great final prophetic cycles of Daniel and Revelation finale as this already occurred in the 1914 era fulfillment in minor form, to build faith in the certainty of the great final fulfillment completing sequence of the sanctification of God's name, through the Messianic Kingdom and Temple as per prophecy and full warning and invitation given to all mankind; (2Pet1:19-21)

This is why shallow bible rooted Jehovah's witnesses will be at the mercy of greatest visual credibility, rather than trusting bible insight, and this is why Jehovah's witnesses need to STUDY the bible, not just read it, especially the main prophetic themes and frameworks; (1Tim4:15)

If a Jehovah's witness does not have his "faith in Jehovah and Christ" searzelt on, worshipping Jehovah God ALONE, in the chariot of Jehovah about to go full blown "pedal to the metal", he will be swept overboard shortly, from top, to bottom with the "GB", "Slave" and "Org" idols and idol worshipers and the globalist spies and infiltrator engineers of the "man of lawlessness" in the near future events.

Good bye fraud GB, and good riddance, you have a divine expiration date on your head.

Jehovah's Witnesses Worldwide Organization: Requirements for Infiltration and It's Reverse Engineered Objectives

I am not writing this analysis to encourage Jehovah's witnesses to leave the organization and Jehovah and Christ's final ministry to temple completion; I am not saying we Jehovah's witnesses do not have the truth from God through the bible; In fact the very presence of divine truth is why these diabolic developments I am describing are taking place, fulfilling prophecy real-time and are being explained by a Jehovah's witness;

Many have been stumbled out of the official ministry by not perceiving the stumbling effects, blatant hypocrisy, "wormwood" injected erred policies and smug self-exaltation of the Governing Body is due to a "lawless" "mystery" (2Thess2:7) destined for exposure;

And this is foretold to have to develop right from within the "temple of the God" prior the great temple completion final fulfillment mode cycle to Armageddon;

Had these who were stumbled (Dan11:32-35, 11:41) known this was developing in Jehovah's Witnesses worldwide organization subtly and Biblically identified "mysteriously" as per guaranteed prophecy they could have remained, for the answer was not a systemic corruption, but a factional one with a terminal danger that will be removed soon for the real final temple cycle; (Rev8:2-5; Zech3:4-7; Rev8:10-11;)

These facts the non-anointed anti-christ Governing Body will not ever divulge, as they are destined for divine destruction soon, well before Armageddon; (Isa66:6; Dan8:11-14; Zech3:4-7; Hos1:4-7); And God gives them all fair warning and advanced notice; (Exe3:17-21; Gen7:4; Matt24:14)

I am telling Jehovah's witnesses to expect a massive final temple judgment and Biblical replication of major final prophetic fulfillment activating at any time after the exposure of the "man of lawlessness" publically "in the temple of the God";

This Governing Body and company are the main element that MUST be purged in the coming Temple Judgment and Cleansing of Daniel 8:11-14, paralleling Zechariah 3 Priesthood cleansing, and Revelation 8:2-5 final fulfillment mode Jehovah's witnesses' "earth" cleansing;

This cleansing will prepare Jehovah's witnesses spiritually and in actual new enlightenment for the final world ministry of Jehovah God and Christ, for Kingdom and Temple completion that will follow this initial judgement of the near future in the exact repeat prophetic sequence of 1914-1922, that is activating now with the Governing Body lifting themselves up over everyone publicly proclaimed officially by this "body" of spiritual perversion and pretense;

And that is just the beginning of what this "body" is actually up to;

This Infiltration Needed Years of Preparation

1. The Jehovah's Witnesses worldwide organization infiltration's most challenging and necessary requirement would be placing operatives to build years of full-time service in their personal record from many years ago; (Dan11:30-35)
A. The key weakness is already present in Jehovah's Witnesses' over emphasis on spiritual qualifications based on works and uniform visuals rather than actual spirituality and Biblical discernment to detect frauds; (Rev2:2; John7:24)

B. Internal agents would have to be placed years in advance of key operations manifesting even in the 1976 power-grasp to the present time wildbeast related activities of 1991-2012;

2. The visually dominant attention to appearances and superficial presentation of being a "Jehovah's witness" would not be as difficult to achieve for fraud operatives but would require consistent good acting and trained methodology;

3. All expected displayed behavior, wardrobe, expressions of belief and various verbal syntax "pure language" was easily available information provided in the Jehovah's Witnesses open nature and publications of the Christian requirements outlined voluminously for the Jehovah's Witnesses ministry;

A. Anyone determined can present this "model" without actually being Christian; (Jude4; 2Pet2:1-3)

4. Infiltrators could conceivably apply all these visual and verbal components for an internal operation in advance of full manifestations and could avoid detection for years, and place keymen to accommodate further placement over the years,

5. This could be reinforced in time by developing policy of infallibility above any suspicion subject to disciplinary action if one should accuse the "Governing Body", for example, of sin and apostasy, thus further aiding the "lawless" operation's continuation;

A. This is aided by the idolatry of a human "body" in this whole developmental history;

6. An infiltration would have to be administered progressively 30 or 40 years or more prior to the "lawless" manifestations beginning to present themselves in hindsight through the Governing Body in the mid 1970s;

7. The actions of the Governing Body of 1976 to 1981 are the key first manifestation of the "man of lawlessness" existing in that body;

A. "Inquisition" is a key feature of the typical "man of lawlessness" in human history as he has developed in principle before; Expect more of the same traits and actions undercover of a righteous veneer; (Mat7:15-20);

Therefore a historic and present infiltration of Jehovah's Witnesses for internal compromise, subversion and misleading is entirely possible and is prophetic as well in the temple completion cycle, as it was in the temple foundation times of the 1914 period;

The Grand Illusion

Installing a "Steering Wheel" in The Jehovah's Witnesses Worldwide Organization

1. To fully infiltrate Jehovah's witnesses to the next levels of influence, an internal source of organizational control would have to be developed, working through an individual, or through an authoritative group;

2. The previous oversight of the Jehovah's Witnesses organization by spiritually strong and loyal organizers and or visionaries in Charles Russell, Joseph Rutherford, Nathan Knorr and Fred Franz made a covert takeover based on a sole individual impossible in this spiritually strong early period;

3. Hence the idea of a "Governing Body" to effect control was the only recourse at this time of a successful guiding infiltration of the whole Jehovah's Witnesses organization;

4. Potential operatives could be placed throughout the organization in anticipation of developing this intrigue of leveraging this group - then exercising planned lawlessness over the years; (2Pet2:1-3)

5. This would allow a multi-member "body" to place "lawless" members within it, with remote control progressively over time, while avoiding detection, and provide a more diverse controlling strategy to effect development of a majority of imposter members progressively, and present policies of subversion through this increasingly powerful covert control even before that majority was achieved;

Project Credibility by Association

1. Now that a visionary prophetic theme was already well founded by 1950 in Jehovah's Witnesses by the likes of the continuum of the individual visionary works and guidance of Charles Russell, Joseph Rutherford and Fred Franz working in harmony, a suitable body of work of real credibility was available for implied association;

2. The convenient anonymity of the spiritual works of prophetic insight from Fred Franz and others' time forward, allowed an entry point under that "organizational" identity by simple generic association with others, as a generic group, within this spiritual developmental implied context associated with the "organization", the "faithful and discreet slave" and the "governing body" all as virtually the same authority;

A. This had to be developed, this was NOT always the case in Jehovah's Witnesses as an organization led by strong spiritual individuals from incept;

That is the key illusion;

Those are also the key "organizational" idolatries, "org"; "slave"; and "governing body" that also developed by this situation as it grew subtly over time;

3. The "Governing Body" did not produce the central foundation of Jehovah's Witnesses prophetic framework. Chosen and guided individuals developed that work, aided by God through Christ; (2Pet1:19-21);

That is a KEY to this impostership "Governing Body's" success, it is all illusional;

4. These massive Biblical developmental insights that only God could have provided through Christ, to this degree in this short a time period provided all the assumable "credibility" a future formative "man of lawlessness" "body" of "transformed super-fine apostles" could ask for;
Expect a lead-in to a 2014 decoy temple series courtesy the “man of lawlessness”;

5. All the imposters had to do was slide in subtly and take credit by association over the years with the real anointed visionaries, and maintain control once it went into their hands of the “governing body” illusion that they are the impetus of spiritual landmark development - the truth is, they are not; (2Cor11:13-15; 2Thess2:3-12; Zech3:1-3; Jude4)

6. In time, that “association” would become second nature; as if all these members of the collective “Governing Body” were all little Taze Russells and Fred Franzs running around; But, But they are NOT, and their lack of insight and insightless dated publications proves it for 20 solid years, and 20 years of also deep UN and idolatrous sins founded instead;

They are subtly developed to monstrous proportions, ring kissed idol celebrity pretenders and WT/BTS cash cow bean counters and worse; (Eze7:22)

7. The Governing Body would have to skillfully maintain the presentation of itself as the visionary and prophetic developers of the works of Charles Russell, Joseph Rutherford, and Fred Franz who were the actual God employed central visionary developers of the core prophetic theming of the Jehovah's Witnesses, not this rogue pretender group;

8. The Governing Body would have to accomplish this regularly while protecting itself from investigation, Biblical based inspection, censure and expose and conclusive detection of the actual objectives of this well engineered lawless infiltration used to progressively cripple the Jehovah's Witnesses ministry, place it into compounding gross sins and attempt to destroy it in time;

The Black Hole of the Modern Governing Body

1. The Governing Bodies, since Fred Franz died, have not developed any new insight (in fact, just the opposite) in 20 years of darkness, and have presented a meager few new “prophetic” commentary books - while programming Jehovah’s witnesses to follow the Pied Piper Governing Body like lemmings; (Zech11)

2. But these latest “offerings” are all from the editing and reshuffling wordsmithing of the former works of Fred Franz developed research, manuscripts and writings which are presented as the work of this current masquerade cabal, or are thinly topical simplified commentaries with regular errors in insight;

3. This is accomplished “by the Governing Body” while being aided by a staff of non-anointed writing and research “aids”, presenting the illusion that all this dated “fresh food” “spirituality” is “produced” by them;

A. It's all recycled plagiarism;

4. But this intended effect of “awe” and “water walking” is all illusory deceptions by mere association injected under the former anonymity of truly anointed visionaries aided by Christ in their times past, whose work all this actually is, in Governing Body Frankensteined “works” of constant recycling and reworded minutia to appear “productive”, “busy” and “believable”;

A. It is all actually stalling stagnation of a spiritually dead “governing carcass”, and many are smelling what they are actually up to, while “Israel” remains blind as per prophecy;

5. The truth is no “new light” of any prophetic significance has been offered by this masquerade group in 20 years; A projection upon themselves of the work of others, is the central illusion of this group;

A. All globalist watershed developments of the last 20 years have not even been mentioned by the “Governing Cadaver”;

6. This Governing Body has to continue the authoritative mythology and associative illusion that they are Russell, Rutherford and Franz caliber actual anointed Christians, while doing nothing more than recycling the previous body of work, looking the part, and continuing the blasphemous plagiarist claims before a doped Jehovah's Witnesses flock who are in fact led into a massive idolatry and sins aided by this illusion;

Summary of a Successful Lawless Infiltration

1. Much other evidence of a more serious nature, supports the actual lawlessness at work in the “Governing Body”, since that group usurped the authority of Nathan Knorr and Fred Franz, in corporate power play intrigues culminating in this 1976 version “body” of lopsided spiritual megalomaniacs progressively gaining control on no actual work of their own;

A. That is why they need "helpers" to even produce this overly simplified and watered down half-rations vegetarian and dessert diet of today's Jehovah's Witnesses;

B. Jehovah's witnesses have been lulled into a door to door coma of Biblical "depth" only enough to reason with new-born sheep - but not deep enough to recognize the great temple prophetic replication even though it is activating in front of the Jehovah's witnesses face;

C. Today it is hard to reason with deep prophecy with Jehovah's witnesses, they have been prophetically denuded, progressively dumbed-down and Biblically hoodwinked by lawless men;

2. This overlapping body of members, with questionable actual righteousness and no extra real authority, continue the illusion that the Governing Body always has led the Jehovah's Witnesses;

A. A lie, and they know it is untrue;

3. But in reality the works of three individuals are who were used by God to develop the central theme and prophetic foundational truth of Jehovah's Witnesses in Charles Russell, further developed by Joseph Rutherford, and highly refined and harmonized by over 50 years of the oversight of Fred Franz;

A. The "Governing Body" are illegitimate apostate frauds;

4. This Governing Body is a charade taking credit for work they are not responsible for, but are merely mimics and recyclers continuing this blasphemy live and real-time leading to judgment soon, and their removal by God; (Daniel 8:11-14; Zech3:4; 2Thess2:3-12)

5. And this "Governing Body" JW Pied Pipership is preparing for the "coup de grace" events on the worldwide organization of Jehovah's Witnesses as this culminates soon;

Governing Body of Treason

Setting the stage for the Judgement of Jehovah and Christ of Jehovah's Witnesses, Bethel and the Governing Body; (Daniel 8:11-14; Zech3; Rev8:2-5)

The Main "Man of Lawlessness" Objective in the United Nations "Disgusting Thing" Transgressions, Global Reproaches and Mass Stumblings

1. This covert preparatory control of that "governing" body effected by 1976 is what led within 15 years to the full manifestation of the secondary objectives of this infiltration's adulterous relations with the United Nations idol.

2. This actual objective of serious transgression fulfilling prophecy was to successfully "marry" the Jehovah's Witnesses (JW) worldwide organization; (Hos2:5), "befoul" the anointed identity (Zech3:3) and profane the sacrificial offering "constant feature" in verbal and written form (Dan11:31a) by the "disgusting thing" full UN historic associations to the WTGBTS and it's "Government Body";

3. This was begun in 1991 officially public (albeit covert at that time) in Awake! magazine September 8, 1991 United Nations "New World Order" proclamation issue, which publicly fulfilled Daniel 11:31 in the Governing Body (GB) participation in the "they" below in the 3rd 'placement' of the UN "disgusting thing";

(11:31b) and they (Globalists and GB) will actually profane the sanctuary (anointed identity; Zech3:1-3), the fortress (JW Organization; Daniel 8:11-14), and remove the constant [feature] (by polluted sacrifices; so far).

"And they (Globalists and GB) will certainly put in place the (3rd stand United Nations NWO after Cold WW3) disgusting thing that is causing desolation. (in the world and at Bethel providing the "transgression causing desolation" of Daniel 8:11-14)

Prophetic Cover Up of Live Prophecy

(All searchable on the Watchtower Library CD for term "new world order" found 79 times in Watchtower and Awake! between 1991 and 2001;)

Allegiance with Wildbeast Objectives of the Disgusting Thing Modern Revelation

1. This activity for 10 covert years commencing in 1991 joined George Bush Sr. in proclaiming this UN "disgusting thing" entity's "placement" in world presentation after the Cold War in 1990-1991;

A. Not Nazi Germany as is fraudulently claimed still; (Which affects Daniel 8:11-14 as well)

2. This was a highly prophetically significant 3rd manifestation of the "disgusting thing" since post WW1's League of Nations in 1919, post WW2's United Nations in 1945, as this post Cold WW3's United Nations in "New World Order" mode objective in 1990;

3. This gives us the clue to the 4th placement of the "disgusting thing" of Daniel 8:23-25 and Daniel 11:44-45 in the future, which this Governing Body cabal is attempting to conceal;

Continued Official Cover Up

1. Subsequently the infiltrated and controlled Governing Body continued to work globalist 8th King objectives by issuing an edited version of Fred Franz's work in the Daniel prophecy commentary book "Your Will Be Done" as "Pay Attention to Daniel's Prophecy" in 1999; (Though nothing of the actual fulfillments was noted)

2. This was in order to continue to mislead and apply now blatantly erred interpretations of the USSR and Nazi Germany to the "King of the North" which could not fulfill the incept application of Daniel 11:30-31 or 11:36 to those failed national and national bloc entities;

3. In fact it is the globalist Two-Horned-Wildbeast and Scarlet Wildbeast powers that make up the King of the North from Daniel 11:27 "until the denunciation will have come to a finish" (Dan11:36) by Daniel 11:45;

A. The Governing Body bypasses all of this;

4. To further the cover-up of what is really going on in the "established place" of the sanctuary" the Governing Body then continued to apply the erred application of Nazi Germany's failure to the transgression record of Daniel 8:11-14;

5. They did this while editing out portions of Daniel 8:11-25 to further isolate contradictory evidence out of Jehovah's witnesses notice;

The Bible is what exposes the Governing Body as lawless globalist partisan 8th King agency because it is time soon, for this initial judgment to begin "with the house of God"; (1Pert4:17 is Daniel 8:11-14);

Governing Body Fulfills Prophecy

Both those Daniel 8 and 11 prophecies actually apply to the globalist King North (King of Fierce Countenance) world power system in development; (Dan8:11-25 parallels Daniel 11:30-45), in league with the Governing Body "man of lawlessness" placing the "disgusting thing" in the world scene from their respective "governmental" authorities in 1990 and 1991 which is the "transgression causing desolation" and the general "transgression" and "profanation" of Daniel 8:11-14 and Daniel 11:30-31;

The Governing Body do this globalist operation while covering up the actual live meanings of Daniel's actual fulfillment in 1990-1991 in regard to the infiltration leading
Conclusive Sinful Synergy: Four Striking Coincidental Developments

A. This mega-development of monumental Biblical significance was all timed with the rather convenient removal of Fred Franz’s "restraint" against this kind of blatant Governing Body treason in relation to the "holy covenant" and the Kingdom of God and Christ; (2Thess2:7)

B. That creates 4 red-flag signal anomalies explained only one way now in:

1. Prophetic fulfillment covered up in time with key globalist King North live and real-time developments;

2. Along with the Governing Body official "bed" relations and "escort" work for the United Nations "wildbeast" interests;

3. All perfectly timed with the incapacitation and death of Fred Franz, and the rise of globalist imposter Milton Henschel and company;

4. All self-exposed "world news" in perfect timing with the next globalist development in 2001 in the Global War on Terror after the 911 World Trade Center attack;

C. All this occurred in general timing as these blatant distortions from real-time prophecy and spiritual adulteries were carried out by the lead infiltrator Milton Henschel's group's coup of authority to this traitorous manifestation of this Governing Body based globalist UN serving cabal;

Furthering Debacle of Scandal

1. The "UN library access" excuses were then proclaimed as this news went global to continue the hoodwink over Jehovah's Witnesses in general, while creating an air of utter hypocrisy and scandal to anyone researching this escapade with impartiality;

2. The Governing Body continued proclaiming the UN "New World Order", promoted United Nations organizations, UN published books, and UN joint globalist activities worldwide for 10 covert years of overt advertising journalism;

Complete Sexual Compromise; Spiritual and Literal

1. The pedophile scandal news broke at the same period of time "coincidentally";

Too Much! All Coincidental?

1. There is simply too much coincidental and synergistic developments that occurred within this small time frame to full manifestation of undeniable "lawlessness", with two perfectly timed Governing Body administered 8th King globalist supporting developments, to simply be a "random" "coincidental" development;

2. There is also too much preparatory development that must have been in place to facilitate this spiritual coup;

3. The ramifications of this core development manifesting in 1991 continue to spread and compound into new realms of heavy and perpetually expanding sins of idolatry, disloyalty, deceit, reproach and massive stumbling bloodguilt;

Jehovah’s Witnesses have an internal infiltration, decades old, that has infiltrated the entire worldwide organization of Jehovah’s Witnesses for further damaging activities; This is just the tip of the "man of lawlessness" iceberg;

Man of Lawlessness Revelation and Final Temple Judgment Prophecy Converge as Biblical Signal Activates Live and Real-Time!

The whole Governing Body lawless operation fulfilled prophecy and continues to do so as the brazen yet subtle “man of lawlessness” Governing Body is fully exposed by their own actions in light of live Bible prophecy fulfilling;

This also creates a key signal synergy of the “revealing of the man of lawlessness”, “in the temple of the God” as the Governing Body also “lifts themselves up over everybody” publicly proclaiming themselves the affirmed, one and only, “Faithful and Discreet Slave” officially from their website on November 9, 2012;

Governning Body Backs Temple Decoy Development

This will lead to the next development of the actual temple judgment, as the Governing Body continues now to create a premature “GT hoax” and decoy “temple prophetic” series to bolster the grand illusion, and to position Jehovah's Witnesses for the final “coup de grace” globalist event that will again, for the third time, coincide with a major 8th King globalist world event series soon;

The Final Dangerous Developments and Betrayal

The Son of Destruction

From the character from which that name is derived in Judas Iscariot as a murderous traitor and betrayer from within the intimate group of God's Son, we have the final manifestation that the modern Governing Body man of lawlessness is destined to become as the composite lawless one of 2 Thessalonians 2:3-12 in the near future, as this initial revelation of this "body" is revealing by evidence, and self-revelation of the Lawless Governing Body themselves;

(2 Thessalonians 2:3-12) Let no one seduce you in any manner (especially the Governing Body), because it (The initial final Temple Judgment and what it leads to) will not come unless the (Jehovah's witnesses based) apostasy comes first and the man of lawlessness (Governing Body cabal) gets revealed (as he is officially now self-revealing), (also) the son of destruction. (As these masterful deceivers and traitors betray the Jehovah's Witnesses to globalist initial intrigues paralelling 1Peter 4:17 and Daniel 8:11-14) 4 He (the Governing Body) is set in opposition (to the revelation of final truth and the good news "casting truth to the earth"; (Dan8:12)) and lifts himself up over everyone who is called “god” or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god. (As officially shown on 11/9/2012 in the Annual Meeting "Food at the Proper Time" lift up as sole “faithful and Discreet Slave”
God will complete this revealing to the full, as the Governing Body become part of the final fulfillment mode; “great star burning as a lamp fell from heaven” during and after their expulsion and neutralization never to set foot in the “temple of the God” ever again; (Isa66:6)

(Rvelation 8:10-11) And the third angel blew his trumpet. And a great star burning as a lamp fell from heaven (those leaving the “holy covenant” of Daniel 11:30-31 as the Governing Body progressive apostasy), and it fell upon a third of the rivers and upon the fountains of waters, (Profaned the “constant feature” and anointed temple; (Dan11:30-31:1) 11 And the name of the star is called Wormwood (Governing Body lawlessness and injustice). And a third of the waters turned into wormwood, and many of the men died from the waters, because these had been made bitter. (From Governing Body leavened spiritual pollutions)

The Dangerous Very Real Relationship

The greatest danger and reality is that the globalist King of the North as a composite of the main Two-Horned-Wildbeast engineers (Rev13:11-15) and the 8th King “Scarlet Wildbeast” are actually directing the Governing Body with the Devil;

Both prophecies of final temple inspection indicate Satan's involvement in Zechariah 3:1 and 2Thess2:9; The Governing Body and globalist planners have been and are working together;

The Governing Body Knows the Next World Event and Timing

This means that the Governing Body knows what the next planned globalist world events are and their timing, and that this period must proceed to another world war development, through it, and to the final 4th placement of the “disgusting thing” as a “world peace and security” idol and an actual globalist world government;

The Governing Body knows this is not the final events the Jehovah's Witnesses are being led to believe;

This is why the Governing Body has attempted to truncate and cover up the 3rd placement of the United Nations in New World Order mode in 1990 as a significant prophetic event, by bypassing this event entirely, while they instead placed the United Nations in New World Order “Disgusting Thing” manifestation at Bethel and in WTBTS publications for 10 solid years of 666 services;

Governing Evil Shepherd Pied Pipers

This means the Governing Body can mold Jehovah's Witnesses prophetic expectations with deception as shown in part, to position Jehovah's witnesses and the worldwide organizational components for globalist advantage in the next world developments;

And this is exactly what the derailing of Jehovah's Witnesses prophetic reality and understanding has been accomplishing since the 1990 takeover;

This is also why the Governing Body has been grooming unquestioned trust and organizational obedience to themselves from the sheep, they want to lead them worldwide to planned incarcinations and exterminations as "Son of Destruction"; (Zech11)

2014 Approximation: Governing Body and Globalist Aided Symphonic Hoax Events

The Governing Body is aiding the globalist camp to create a massive "Great Tribulation" like hoax event on all Jehovah's witnesses worldwide, and will lead into that development with a decoy temple development aimed at prematurely developing the context of a "Great Tribulatory" event, that will in fact be a divine judgment of the actual Temple Judgment and subsequent cleansing period of Daniel 8:11-14;

We may rightly expect the globalists aiding the Governing Body deceptions and illusion with also a proclaimed “peace and security” to further fool the Jehovah's witnesses that this is indeed the end of the world;

Not What Jehovah's Witnesses are Being Misled into Believing

But in fact the globalist know this is the beginning of the approximate 10 year cycle to lead the world to World War 4, the absorption of Babylon the Great's global assets in that period and that religious sovereign destruction, and the preparation of all out 8th King world placement to fulfill Daniel 8:25 and Daniel 11:44-45 after World War 4 is resolved;

This is all prophetically revealed and deployed by the 8th King globalists for the very same "world peace" presentation stage as the three previous world wars also provided; to present a complete world government in whatever form and branding it may appear at that time in the future as the 4th "United Nations” and actual “Scarlet Wildbeast” full bodied “8th King” world power system worldwide;

Daniel 8:11-14 Temple Judgement is What is Coming (1Peter 4:17)

Jehovah's Witnesses, as per prophecy, are caught by surprise by this actuality, as opposed to their expectations, and this will delay the Jehovah's Witnesses understanding of this final period as per the "evening" portion of the Daniel 8:14 judgment period of a minimum 1150 days;

Wobble the Witnesses for 10 Years

The globalist objective is to destroy or permanently cripple the final world ministry of Jehovah's Witnesses as the prophetic cycle of Revelation 10-11 repeats in final fulfillment mode finality;

Jehovah's Witnesses Cleansed of Governing Body Liars

This Biblical prophetic truth is not being taught by this compromised and corrupt Governing Body, and will not be taught to Jehovah's Witnesses until that "man of lawlessness” is purged in this extremely traumatic actual temple judgment and cleansing cycle as the final temple completion cycle of all Biblical prophecy commences;

Zechariah 3, Daniel 8:11-14 and Revelation 8:2-5 will all parallel in this cleansing action to manifest while the Governing Body is internally aiding the destruction and betrayal of Jehovah's Witnesses worldwide, undercover as "ministers of righteousness” until they are angelically removed as per prophecy; (Zech3:4-7; Hos1:4-7);
Final Note:

The Infiltration Incept

1. This prophecy below therefore goes back to a successful (act effectively) infiltrative planning (give consideration) and internal deployment (arms that stand) that developed any time after 1922 in Jehovah's Witnesses (or International Bible Students), since Christendom can no longer be considered part of the "holy covenant" from that time in this prophecy, this initial development, the positioning for infiltration, had to take place after WW1 - exactly when is not known:

(Daniel 11:30-31) “And he (globalist King North) will actually go back and hurl denunciations against the holy covenant and act effectively (success is the criteria, Nazi Germany failed); and he will have to go back and will give consideration to those leaving the holy covenant. (Had to be within Jehovah's Witnesses, the only ones with members actually in "holy covenant") 31 And there will be (infiltrative spiritual warfare) arms that will stand up (operate), proceeding from him; (globalist King North);

2. Parallels Daniel 11:41 "invasion";

(Daniel 11:41) He will also actually enter into the land of the Decoration, and there will be many that will be made to stumble.

3. The Governing Body Revelation Fulfilling Live and Real-Time:

(2 Thessalonians 2:3-12) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called “god” or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god. 5 Do you not remember that, while I was yet with you, I used to tell you these things? 6 And so now you know the thing that acts as a restraint, with a view to his being revealed in his own due time. 7 True, the mystery of this lawlessness is already at work; but only till he who is right now acting as a restraint gets to be out of the way. 8 Then, indeed, the lawless one will be revealed, whom the Lord Jesus will do away with by the spirit of his mouth and bring to nothing by the manifestation of his presence. 9 But the lawless one’s presence is according to the operation of Satan with every powerful work and lying signs and portents 10 and with every unrighteous deception for those who are perishing, as a retribution because they did not accept the love of the truth that they might be saved. 11 So that is why God lets an operation of error go to them, that they may get to believing the lie, 12 in order that they all may be judged because they did not believe the truth but took pleasure in unrighteousness.

(Zechariah 3:1-4) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him.

(Daniel 8:11-14 Parallel desolation portion:) 2 Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?”

(Actual Jehovah's Witnesses Status before God and Christ:) 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel.

(Daniel 8:11-14 Parallel cleansing portion:) 4 Then he answered and said to those standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”

4. The Temple Judgment of the Near Future:

(Daniel 8:11) all the way to the Prince of the army (globalist KN) put on great airs, and from (Jehovah) the constant [feature] was taken away (by profanation), and the established place (Bethel/JW organization worldwide, soon) of his sanctuary was thrown down. (By this next globalist operation on the JW organization worldwide)

(Daniel 8:12) And an army itself was gradually given over (JW infiltration and compromise), together with the constant [feature] (profanation and error), because of transgression (with the UN 3rd placement in 1990); and (XGB portion KN NWO operations) kept throwing truth to the earth (by covering up the true meaning of this prophecy and others), and it acted and had success. (As can be seen in today's "lawless one" Governing Body and the "coup de grace" to come upon the JW worldwide organization and Bethel by divine judgment allowing this globalist "desolation") And this temple judgment and time period will be a JW signal event of temple and JW anointed, JW purifications:

(Daniel 8:13-14) “How long will the vision be of the constant [feature] and of the (UN 3rd Placement) transgression causing desolation, to make both [the] holy place and [the] (JW) army things to trample on?”

(Daniel 8:14) So he said to me: “Until two thousand three hundred evenings [and] mornings; (1150 days; Minimum) and [the] holy place will certainly be brought into its right condition. (Purified as per Zechariah 3:1-10 temple priesthood parallel judgment (v1-3) and cleansing; (v4-9))”

Notes on the Fraud Governing Body Deception of Spiritual Authority

The Main GB Trick Was Attaching a Secular Corporate “Governing Body” to the Bible in Acts 15:1-33, When in Fact No Such Thing Actually Exists;

Veneer 1

That allowed a progressive covert "committee" infiltration in the hands of this "body" to develop to fullness; Keeping in mind this is NOT a Biblical actual spiritual authority of God through Christ;

(The 12 Apostles were the governance as directed by Christ, NOT some "board of directors" as some contrived mythological "supreme council" of God; That's a bunch of corporate spiritual megalomaniacs; The "body" of anointed Christians also overrides the mythical Governing Body in spiritual reality;)
This is a "body" that began to override individual anointed Christians like Nathan Knorr and Fred Franz to introduce the top four (and more) web stumbling policies of today, like UNNGO, "Pedophile Protection Plan", stone cold shining and "GB Draculas" vampiric blood dissecting desecrations; (Ignoring Acts 15:1-33 commands ironically)

**Veneer 2**

Now the books written after Rutherford's day were anonymous commentaries; This aided another layer of covert veneering that the "Governing Body" slips under to take the credit of Fred Franz and other anointed workers, when all they are are busybody bean counters and profaners, undercover;

That is how the main "Governing Body" dual facade of assumed credibilities became the vessel of covert "man of lawlessness" development; This "body" is the main JW "rat nest" from 1976 in usurped and fictional authority;

They were hidden in presumptions, protected by the "Inquisition" mandates of the 1980's in that Bethel purge fear fest when they "burned" Ray Franz, Ed Dunlap and others at the figurative "stake", and are now globalist intelligence Academy Award total acting job posers - all fake, smoke and mirrors, all make believe, all a grand illusion;

**GB Lawless AtmosFear**

That set a "fear and judgment" mentality in the JW flock, rather than open love and mercy; This was progressive.

**(James 2:12-13)** Keep on speaking in such a way and keep on doing in such a way as those do who are going to be judged by the law of a free people. 13 For the one that does not practice mercy will have [his] judgment without mercy. Mercy exults triumphantly over judgment.

That "freedom" became a coercion, that "mercy" suspicion, that "love" self-righteousness to infuse this GB DNA of subtle but actual "lawlessness" into the "elder body";

**Full JW Coup 1991**

By the time Fred Franz "restraint" (2Thess2:7) was ending as he aged and died, the GB "men of lawlessness" broke out like gangbusters almost immediately;

While Fred Franz lay dying the Milton Henschel "temple rat brigade" stormed the Bethel Citadel with the covert United Nations organizational "mating" with the "Israel of God" "Virgin Daughter";

The "coup" was now in full control;

I mean Fred Franz wasn't even dead yet, and this GB UN operative masquerading anti-christ operation of deception, based in the corrupted Governing Body of Jehovah's Witnesses, was fulfilling Daniel 11:31b purposely, providing the "temple transgression" of Daniel 8:11-14, by joining the Jehovah's Witnesses "nation" to the United Nations family of organizations sanctioned by the "Governa mental Body" of us Jehovah's Witnesses in 1991;

**Thus the UN "disgusting thing" was officially placed in the Awake! magazine September 8, 1991 issue, with the sarcastic question "What's New at the United Nations?"**

**Why the "nation" of JW "Israel", that's what is new at the United Nations! Courtesy the GB imposter cabal!**

----

**Hence a Coming Temple Judgment and Cleansing is Required**

This will require a divine purge in a massive globalist event to finalize Daniel 8:14 parallel to Zech3 "priesthood" cleansing;

That will have to take place as the final cycle of Temple and Kingdom prophecy will be activated by this temple judgment of the "established place of the sanctuary" in Bethel's desolation with the worldwide organization of the Jehovah's witnesses to the divine degree mandated. (Isa 12; Jer30:11; Mal3:1-5; Rev8:2-5)

The GB is covering this all up, though it is now easy to prove by the Bible's prophet's insight:

http://www.jehovahs-witness.net/watchtower/scandals/243617/1/Governing-Body-Prophetic-Cover-Up-and-1990-UN-NGO-Dive

**Witness Recovery Program**

Jehovah's Christian Witnesses will be recovered and cleansed from this profanation of Zech3:1-3 as per Zech3:4-7, and that final ministry will proceed over the 6 trumpets to the final "two witnesses" prophetic replication to Kingdom and Temple 144000 completion of Revelation 11:15-19;

**Man of Lawlessness Publicly Revealed**

THAT is what this will trigger soon, now that the "man of lawlessness" is fully revealed publicly "in the temple of the God": (2Thessalonians 2:3-12) THAT prerequisite in 2Thessalonians 2:3-4 is now **completed by the Governing Body themselves**, fraudulently trying to attach a worldly corporate "board of directors" to a Biblical spiritual "Faithful and Discreet Slave" anointed entity to add the final blasphemy of this body in this phase before coup-de-grace on the JW organization worldwide by UN servicing GB operatives in 100% "sit down" in the Governing Body of Jehovah's Witnesses;

**Lawless Governing Body Exposed**

The "Governing Body" experiment has failed; It NEVER should have been a fictional "supreme council" overriding apostolic authority as it's main goal of blasphemy for performing undercover lawless deeds for years in the JW org, based right from Bethel HQ;

The main blasphemy here is that the XGB are connecting a Biblical entity of Christ's anointed "body" to a non-existent meaningless "Governing Body" of mundane

And that will be initially signaled by this JW 2300 "evening and morning" "throw down" of the JW organization as it takes a massive globalist worldwide broadsided and

(2Thessalonians 2"3-4)

And so many "apostates" as the apostate XGB likes to label them, are driven into more error by not reasoning past the first reaction, into seeing that Jehovah's Witnesses have a "lawless one" element which was already foretold in the greater temple completion cycle to have to fully manifest to complete revelation as is now the case in the JW org;

And that will lead to the divine cleanout of the "temple" in the timed sequence of Daniel 8:11-14's temple judgment to remove these masterfully deceptive and sly men from the entire organization of Jehovah's Witnesses;

BUT, the JW org will go into the abyss of Revelation 9:1-4, as the "established place of the sanctuary", the JW org, is "thrown down"; And that will occur with a globalist 8th King serving, two-horned-wildbeast globalist elite engineered MASSIVE world event around the approximate 2014 period;

In that period the "man of lawlessness" expert agency of diversion in the JW org can also take full advantage of the psychological 1914
globalist 8th King serving, two

BUTG and other prophecies will be activating in a world context that no one will be able to deny, even the JW org will be checkmated, and the Watchtower will go into "silence" as Bethel goes down for a timed "desolation" due to UN and all these transgressions you are noting;

(Hosea 4:5-6) And you will certainly stumble in the daytime, and even a prophet must stumble with you, as at night. And I will put your mother to silence. 6 My people will certainly be silenced, because there is no knowledge. Because the knowledge is what you yourself have rejected, I shall also reject you from serving as a priest to me; and [because you keep forgetting the law of your God, I shall forget your sons, even I.

So, if people realized that this is prophetic guarantee of "man of lawlessness" manifestations right "in the temple of the God" that would also see the "temple of the God"

is assuredly now the Jehovah's Witnesses Christian group, and will be made more emphatic to the point Jehovah and Christ will personally fry out the 1/3 taint from the Jehovah's witnesses before the eyes of the whole world, whether they realize what this is leading to or not;

It is leading to the final cleansed commision of Jehovah's witnesses anointed as the 1260 days of Revelation 11:2-7 complete in "7 times" as 2520 days, leading to the 144000 Christ manifestation of Matt24:29-31 after that final 1260 days;

And in time, that will develop to full Kingdom of Christ Armageddon conquest;

And that will be initially signaled by this JW 2300 "evening and morning" "throw down" of the JW organization as it takes a massive globalist worldwide broadsided and asleep at the wheel hit, allowed by God due to all these sins in the midst of the JW temple fulfilling Zech3:1-3, then the cleansing of the anointed temple priesthood of Zech3:4-9;

That is basically then a 1150 day signal with possible 1150 day recovery, an unknown transitionary prep JW recovery ministry which is the 7 trumpets paralleling the 7
bowls in 1-6, to the grand finale lead in to the 7th bowl and trumpet, with a 1260 day FINAL WARNING to the world in a short but sweet "little scroll" FINAL SOVEREIGN ULTIMATUM TO PLANET EARTH AND ALL IT'S PEOPLES prior to the full Kingdom and Temple completion and the final conquest of Armageddon;

That is what JW manifest errors are signaling, NOT that the "temple of the God" is corrupt, but that certain JW leadership is the "man of lawlessness" we are told by prophecy to expect NOW;

And they are here in the "right hand of Joshua" (Zech3:1), aided by the Devil there and in 2Thess2:9 as the fraud Governing Body of Jehovah's Witnesses;

THAT is what people are seeing, and drawing the wrong conclusions, as "lawless one" expect them to do, to aid the stumbling of millions from covert media, the web, and this actual ministry of the "Sam Herd" Governing Body criminal cabal; As Paul said, "the mystery of this lawlessness" has been in operation in the JW org for years fulfilling Daniel 11:30;

The Jehovah's Witness "abyssing" (Rev9:1-4; final fulfillment mode) temple cycle hit, will signal a whole series of final prophecy repeating exactly as it's first fulfillment cycles of 1914-1918, and 1919-1922, BUT in the near future all the way to temple completion with plenty of warning for all to see, years of it in fact - years of WW4;

(Satan will also pull a massive distraction period just like 1914-1918 at that highly significant period of Kingdom birth; That truth cannot be covered up)

But JWs will be the FIRST target as an organization and much of it will be covert; 1Pet4:17 will fulfill, and we all will know the bing bang boom when that hits the world proper as well; That will just be the next 10 year cycle of the globalists kicking off, as they checkmate the JW org, all set up from within, for this externally supporting MASSIVE world military event series unfolding eventually to full WW4;

This will drag on a number of years - but at least we will know what it all means right?; and at least some prophetic patterns will be well known in actual fulfilling activations that can be demonstrated LIVE AND REAL-TIME in all our lives God willing;

The 4 stands of globalist world government and image is a handy pattern to see, and that is why the JW xGB covers this up to the world and all poor misled JWs;

That's how we know they must throw a WW4 to birth the NWO the final time;

The JW org hit will be in this preparatory period, and everyone will know when this manifests, because it has a timed prophetic sequence tied to it, for JW information, when it finally "dawns" on JWs what is going on, as per the "morning" of the 2300 evenings and morning period of at least 1150 days;

At least also, people do not have to wrestle with why the XGB does this, that and the other thing; They are the "man of lawlessness" revealed in the "temple of the God" real-time, prior to this judgment series replicating 1914-1918 complete with a World War 4 to boot;

THAT is what 2014 +/- will bring JWs and the world, a ten year trek to and through WW4 to the final "placement" of the "disgusting thing". BUT this time along with a WHOLE 8th King, and WHOLE "Scarlet Wildbeast" New World Government over planet earth as Daniel 11:44-45 and Daniel 8:25 prepare to finalize in that "freedom of care" in the post WW4 "peace and security" prior to world depopulation mode of the deepest Great Tribulation cycle of Matt24:21-22 at the Matt 24:29-31 transition period as Christ's Kingdom is ALSO manifesting live and real-time a period after that 1260 day final warning;

Man of Lawlessness Exposed Strengthens Faith

Man of Lawlessness (MOL) Prophecy Activating Changes the Whole MOL Doubt Effect to Faith in God and Prophecy

1. When I say "MOL," I mean the modern day "Man of Lawlessness" who must be revealed in the temple of the God" publicly by evidence, sinful trends and self-revelation prior to the final prophetic temple cycle; (2Thess2:3-4; Zech3:1-3)

2. These MOL sins are of the progressive, but deceptive lawlessness being purposely carried out by the imposter Governing Body of Jehovah's Witnesses "Man of Lawlessness" under the mastery of demonic aided deceptions to fulfill crucial signal prophecy prior to God's judgment starting; (1Peter4:17); (2Thess2:3-4; 2Cor11:13-15; Zech3:1-3)

3. The Governing Body works to stumble millions and to set up the Jehovah's Witnesses worldwide organization for desolations in the final globalist 8th King drive to world war 4;

4. This is an activation in itself of the final temple inspection, judgment and cleansing cycle which must be completed and revealed prior to the full temple 144000 completion under Christ;

5. So this activation is a signal, important and changes everything by prophetic enlightenment of who the Governing Body (GB) actually are; They are not Christians, much less anointed; The GB fruitage speaks for itself; (Matt7:15-20; 2Pet2:1-3)

This means the temple judgment commencement prophecy of 1 Peter 4:17 is near to activation;

Prophecy is Repeating

So when a Jehovah's witness who respects the initial temple foundation prophetic cycle as the truth, sees that the temple completion cycle repeats a temple inspection,
Why?

1. It indicates a prophetic temple judgment of massive proportions upon the Jehovah's Witnesses worldwide organizational "established place" as what will soon follow the revealing of the "man of lawlessness" as that 2Thessalonians 2:3-12 prophecy promises as a prerequisite revelation with great evidence;

2. The "Man of Lawlessness" is himself a great signal of divine judgment poised to be unleashed on the temple that the "man of lawlessness" is polluting (Dan11:30),

3. This will be destructive to the Jehovah's Witnesses organization in the MOL's "son of destruction" meaning at this coup-de-grace event soon as Daniel 8:11-14, parallel with the temple inspection and visitational cleansing of Malachi 3:1-5, actually activates as well in the near future;

4. That also parallels the Zechariah 3 Temple priesthood anointed cleansing in this purification judgment soon; (Zech3:4-7)

5. That also activates Revelation 8:2-5 "altar fire" cleanse of the Jehovah's witnesses; That begins a seven trumpet cycle that cannot be reversed once it begins; (Rev8:1-13);

6. That leads to the final Revelation 9-11 FINAL cleansed ministry of Jehovah's Witnesses as per prophecy and what it implies, it leads to temple completion before Armageddon; (Revelation 8-11 is a repeating prophecy to finale over a number of years)

====

This Changes Everything

1. So when people say this:

"man the Governing Body is such a bunch of hypocrites, man they are UN worshippers and pedophile protectors, man they are arrogant, infallible and smug, man they are obviously sinners not some "new light" 2012 annual meeting "faithful and discreet slave", the whole Jehovah's Witnesses ministry is a bunk lie!"

2. People are being affected the way the MOL wants to effect people, to stumble them out of the way to the truth and salvation; (2Pet2:1-3)

3. People who currently believe this lie and see the actual sins in the Jehovah's Witnesses must also understand that this is foretold to have to occur and be revealed prior to the final temple judgment cycle of prophecy actually activating as Daniel 8:11-14 temple cleansing actions of massive proportions nears the Jehovah's Witnesses worldwide organization;

This reality of prophetic activation cannot be reversed, prophecy will continue to fulfill to the end - this is just the beginning of the final cycle;

When People Understand This "Man of Lawlessness" Prophecy Fulfilling Now in the Governing Body Lawless Works Faith is Maintained to What Must Follow Soon;

1. With this Bible understanding of critical signal prophecy, then the MOL sin effect of doubts is just the opposite upon a person with faith, whose understanding of this required prophetic fulfillment bolsters their faith and conviction that this is indeed the Bible truth because the "man of lawlessness" is "in the temple of the God" being finally revealed for this purpose;

2. This MOL development revealed accurately proves what must follow soon in prophecy guaranteed;

3. And that also means the Jehovah's Witnesses and ministry are the "temple of the God" in the genuine anointed capacity that this MOL is attempting to suppress, violate; (Zech3:1-3) and pollute by covert means of diversion and "throwing truth to the earth"; (Dan8:11-12) in coverup of this prophetic truth;

4. The MOL also covers up what led to these lawless men taking over the Watchtower Bible and Tract Society through this MOL Governing Body administrative lead especially since 1990 and the UN relationship; (Daniel 11:30-32);

5. The whole thing fulfills prophecy explicitly since 1990 in full manifestation of the UN NGO fornications for 10 covert years of gross sins against God, Christ, Jehovah witnesses and the general world population by the Governing Body promoting sin and lies to aid the UN globalist objectives since 1990 to coverup the great prophetic significance of all this from people; (Dan11:30-31)

MOL is Exposed Now

1. Now the tables have turned on MOL, and his clever subversions of purposeful sin and hypocrisy in the Jehovah's Witnesses, such as the UN NGO adulteries, now expose the real situation in the Jehovah's Witnesses organization as actually fulfilling a great signal prophecy;

2. The active fulfillment of critical Bible prophecy in this revelation of the criminal "governing body" MOL, prior to massive temple events that will also activate to clean the MOL out of Jehovah's Witnesses and fully expose the origins of his activities, sheds new light on what is actually transpiring in the Jehovah's Witnesses ministry today;

3. Now we know what is actually going on, and why MOL covers this up;

4. MOL wants people stumbling and doubting BUT NOT seeing the significance of what is REALLY going on here;

5. MOL is being revealed by Bible prophecy prior to divine termination of the MOL as the temple judgment MUST soon follow in a huge set of events that will get the
attention of all Jehovah's Witnesses worldwide;

6. This will also get the world's attention as well - because this will expand to affect the world by 8th King globalist intrigues also being exposed per prophecy, as other prophetic fulfillment is what this will lead to the end;

This just in...

The Front Page Says it All...

Are the xGB "Lawless Ones" trying to say something here?

Do people really know what this particular revelation REALLY means soon?

(2 Thessalonians 2:3–4a) Let no one (like the xGB) seduce you in any manner, because [the judgement] will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. (Apostate xGB and org wide infiltration of the "weeds"). 4 He is set in opposition and lifts himself up over everyone...

(2 Thessalonians 2:4b) ...publicly showing himself to be a god.

The point is in the 8th King (2HWB) symbology, 4 pyramids, earth square comprehensiveness of globalist known "Novus Ordo Seclorum" symbology, with three fat S's in the 3 visible eyes, 666, on the front page of an annual meeting article called "Food at the Proper Time"?

Announcing a "faithful and Discreet Slave"?

This is surreal now!

See, the xGB are supposed to be representing GOD'S KINGDOM, NOT human jimmy-rigged globalist contraptions of human error and Edenic deep sin limitation;

And that is exactly what the xGB are doing, subtly promoting a demon kingdom over mankind, and it is all already revealed in prophecy in the "temple of the God";

These guys are now ridiculous in blatancy; They think no one notices, or those that do will be stumbled out of the truth of God's Kingdom, but like mice and men, they will end up in God's trap, they are going for the cheese already;

The WTBTS material since the UN/NGO 666 related sins, is all occultic-illuminati polluted graphics randomly presented as per Rev8:10-11;

The WT is regularly presenting spiritual ideas in obvious error to those on the ball, ideas true anointed know are false;

"Joshua" as a priestly symbol of the actual anointed is befouled and under Satanic resistance in a temple completion prophecy of Zech3:1-10;

The temple sins of the "transgression causing desolation" of Daniel 8:11-14 are the 3rd UN "placement" in 1991 (in the WTBTS) of the "New World Order" initiative of the "False-Prophet" of the 1990 UN/NWO world "placement", after WW3 (Cold War), quoted from before the Un Security Council and US Congress in the Awake! of Sept 8, 1991 from George Bush Sr. prophesying;

And these high-priests of the "scarlet wildbeast", the so-called Governing Body of Jehovah's Witnesses, are STILL in the house, and now fully manifesting in broad public daylight;

That October 6, 2012 Annual Meeting, made world news on November 9, 2012, is the first totally world manifestation of the "man of lawlessness" claiming to be the "Faithful and Discreet Slave", while really being the Evil Slave, "lifting himself over everyone", for a "sit down" in the "temple of the God";

Now the subject matter, of this world announcement, is a HUGE biblical prophecy fulfilling right in front of our faces, all leading to a very convenient 1914-2014 "centennial" in the misled JW mind;

Why?

Not good reasons is why they are doing this;

A. Temple Foundation minor prophetic cycle of 1914-1922 must have a Temple Completion major prophetic cycle in the near future;

B. Kingdom Birth minor prophetic cycle of 1914-1918 must have a Kingdom Completion Conquest major prophetic cycle in the near future;

C. "Jerusalem" "Holy City" "trampling" of "3.5 times" in Rev11:2 minor prophetic cycle (1914-1918) must have a "Holy City" final trampling in the major prophetic cycle for full "7 times" divine decree in 2520 total days in the near future;

Basic Principles:

1. The Initial Fulfillment Mode of 1914-1919 must have a Final Fulfillment Mode in the near future;

2. All the Temple, Kingdom and Holy City prophecies will repeat upon the same minor pattern, in worldwide scope;
3. The Temple Judgment and Cleansing Begins it All Soon - Daniel 8:11-14's 1150 day (2300 units) JW Temple Judgment will begin the final major fulfillment cycle;

XGB:

4. The revealing of the modern-day "man of lawlessness" as the xGB must precede the final temple cycle; (Zech3:1-9; Isa66:6)

....

In other words, it ALL repeats soon;

Operation GB "Angels of Light"; The GB.92.UN-NGO JW Viral Infiltration of Jehovah's Witnesses Revealed as Per Prophecy

This analysis is unique because it is not developed by an apostate, but by a Jehovah's witness, in active ministry and good standing, who is also anointed by Jehovah (New Covenant), in agreement with Christ's Kingdom Covenant with full awareness of every Messianic Kingdom legality. This exposé is from one with full God given expertise of every Jehovah's Witnesses prophetic sovereign progression of the 144000 Temple and Messianic Kingdom completion guaranteed to fully manifest in flaming fury in the face of the zenith "King of the North" globalist power system as its "5th King" attempts to assume world control, through the "2HornedWildBeast" globalist Anglo-American elite head engineers and administrators worldwide; (Rev17:12-18; Rev13:11-15; Rev16:13-16; Dan11:40-45)

This virus is in 3 stages, sin and infect (10 years stealth/ 1992), expose and idol build (globally 10 years since 10/2001), and a third massive stumbling event now being planned by the infiltrators of this compromised org and GB, the "coup de grace". But Jehovah and Christ, as per prophecy, will toast out the termites in Zech3:2 event now being planned by the infiltrators of this compromised org and GB, the "coup de grace". But Jehovah and Christ, as per prophecy, will toast out the termites in Zech3:2-4 final fulfillment very soon.

Stealth Masquerade Year After Year

The overall operational goal is to operate undetected while "feeding" the "sheep" a 1990 version of truth with no "new light" for now 20 years, to put Jehovah's organization and anointed into a doctrinal and revelatory "fossilization" so as to not ascertain the guaranteed final fulfillment mode of the major prophetic cycle of Daniel 7:25-26; 12; Revelation10-11 which WILL replicate in final fulfillment from the great tribulation point in the future, in the same patterns of 1914-1918 initial "Two Witnesses" (1260 days), and the Christ Court finality foregleamed in 1919-1922 (1290 day) pattern primarily.

Hand to Plow, Keep Looking Backwards to 1914, End Up In The Canal!

The objective in this spiritual retardation is to keep Jehovah's Witnesses perpetually focused on the past 1914 minor fulfillment cycle although the final fulfillment is about to replicate in a final major way in the near future. This retards Jehovah's witnesses so as not to ascertain the final temple inspection (in the near future) is of ONLY Jehovah's witnesses, and to never officially proclaim the GUARANTEED completion of the Messianic Kingdom and Temple 144000 under Christ (Rev11), prior to the Armageddon finality of Jehovah's "war of the great day of God the Almighty" global (Rev19:19-21) and universal (Rev20:1-3) conquest.

Jehovah's Witnesses be HONEST!: We Must Face the Truth of Our Sins...

Worldwide Reproach

The UN NGO, regardless of the reasoning, brought great reproach to Jehovah's Name, sullied in hypocrisy Christ's reputation and that of the anointed body on earth today and then, and compromised the reputation of every Jehovah's witness on earth. All this from a decision of a few selfish frauds in the Governing Body of Jehovah's witnesses in 1991-1992 UN NGO viral deployment.

Bloodguilt

This massive bold sin also stumbled literally millions of people worldwide from even considering Jehovah's witnesses as a vessel of divine truth. Other fell out of the truth, due to this blatant bold hypocrisy of Gehenna level sin.

Red Flag 1:

Obviously, for no possible reason, none whatsoever, will Jehovah Almighty God reproach His own name, and inspire the stumbling of millions of human beings, obstructing lives from coming to the genuine and accurate knowledge of everlasting salvation; (John17:3) NO WAY! NO HOW!

Hey GB!

NO ONE prostitutes the image of God's "Virgin Daughter of Zion" to the "UNClean thing" and gets away with it for long. The current GB, to some degree, will be COMPLETELY exposed and neutralized by God shortly as per GUARANTEED prophecy, they are on a conveyor belt to angelically backed doom, as per the DIVINELY GUARANTEED prophecy of Zechariah 3:2-4.

(Zechariah 3:1-4)

Active Now:

And he proceeded to show me Joshua (FDS) the high priest standing before the angel of Jehovah, and Satan standing at his right hand (GB) in order to resist him (FDS ministry).

About to Fulfill:

2 Then the angel of Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?” 3 Now as for Joshua, he happened to be clothed in befouled garments (GB sins) and standing before the angel. 4 Then he answered and said to those [angels] standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”

It Is Impossible for Jehovah to Inspire Gross Sin

Jehovah DID NOT inspire these sinful infiltrative actions, plain and simple. Satan did; (Zech3:1, 2Thess2:9) This is divinely permitted to manifest globally the modern final fulfillment of Zechariah 3:1-10.

This is permitted by God, and known beforehand by Him for prophetic reasons and God's own ultimate purpose to be revealed shortly.

Also this GB fraud faction "man of lawlessness" modern final fulfillment of the revealing of the GB,92 infiltration "son of destruction" betrayer "Judas" class is required as per prophecy of the final fulfillment mode. This class of traitors is revealed fully within the "12 apostles" (GB) and must ALSO be revealed globally prior to the final climax "Two Witnesses" 2.0 ministry (Rev10-11) also in final parallel fulfillment of 2 Thessalonians 2:3-9. This is permitted as per prophecy - and revealed as such before the final exposure event.

The current GB, WILL be defrocked and exposed BIG TIME! As per guaranteed prophecy! God is STARTING inspection in the GB bedroom and dresser.

This is all permitted for a globally known move by God to establish the final Revelation 10-11 “Two Witnesses” second and climax ministry of Jehovah's witnesses, anointed and “other sheep” supports for the near future, and to shift the Jehovah's Witnesses prophetic paradigm into final fulfillment mode out of the master model minor pattern of the 1914 prophetic cycle.

Initial GB.infiltration "Angels of Light" Objectives

Objective 1: Remove Top Level Blessing by Purposeful GB Led Gross Sin - Secretly at First

This gross sin perpetrated from the top administrative corrupted and compromised Governing Body and top corporate support management of Jehovah's witnesses (in some degree of infiltration of both), through pre-planned, stealth, sinful, traitorous and reproachful official "sexual" relationship with the UN, was for an initial purpose of jeopardizing Jehovah's complete blessing upon Jehovah's witnesses administrative bodies, GB and Organization ASAP.

This traitorous "fornicative" union with the United Nations (UN) Non Governmental Organizations (NGO) Department of Public Information (DPI) IMMEDIATELY resulted in Jehovah's highest level holy spirit being withdrawn from the organization, from the top, since 1991-1992. The GB had filthily agreed to aid a stealth propaganda engineered “spearhead” penetration of the globalist UN specialized demographic targeting promoters and propagandists in the target worldwide audience of Jehovah's witnesses, with GB blessing, aid, and continued guidance, while interacting with UN promotions experts for "outlines" and techniques.

The GB was now globalist "Good old Boys" and donut eating termitic parasites in the Jehovah's witness organization, (GB), the "log" of Zech3:2, has termites to fry out shortly in that "fire" event. An event no doubt aided by this infiltration as it's coup de grace stumbling and betrayal event. The current GB is divine black toast soon, as per Zech3:2 live and real-time fulfillment guaranteed.

Objective 2: Bloodguilt on All Jehovah's Witnesses

Bloodguilt on All Jehovah's Witnesses 1

This means the first goal, was compromising the ACTUAL spirituality of all Jehovah's witnesses by secretive actions, and hindering the growth projections of a sustained 5.5% Jehovah's witness growth rate as was the case for 15 years prior to 1992, to the 1-3% growth rate present today. In any event, they affected the intake
of 4 million people minimum into the truth. Bloodguilt sin would soon follow, and is perpetually expanded everyday from this "bad news" on the internet.

**Convenient Timing for the MG Henschel Frauds**

This all took place while "he who is acting as a restraint", Brother Fred Franz lay dying and passed away, and the Milton Henschel Governing Body era of gross sin slipped in. That is not coincidental that these bold compromises took place at this time, also fulfilling prophecy of this "man of lawlessness" permitted to accomplish this Satanic feat, "with a view to the lawless one being revealed in his own time", now, as Zechariah 3:2-4 goes into angelically aided action to neutralize this infiltration agency making way for the final "Two Witnesses" global ministry.

**Bloodguilt on All Jehovah's Witnesses 2**

The further strategy was to close off any organized ministry into the two billion person web field as it zenithed in accessibility from 2000 forwards. The intent was to ignore and shut-off the greatest human field to ever open in all human history, which could be actively entered to save lives. Currently Jehovah's witnesses are directed away from preaching on the internet, causing more substantial bloodguilt as the worldwide audience, efficiencies and reach of the web are stifled and ignored purposely, with of course "GB papal blessing". GB dirty laundry fed apostates is the excuse, plenty of that out there.

Result? More bloodguilt on Jehovah's whole organization.

GB: Whatever you do, don't watch the GB produced, directed and promoted UN NGO porn flicks with God's Daughter in them on the internet, and don't you preach to those two billion people either! 1% JW growth is just dandy!

**Bloodguilt on All Jehovah's Witnesses 3**

Finally, but also significant in bloodguilt, is the GB allowing their apostates children to have a full internet ministry with ONLY their side of any issue being presented. A total captive audience, courtesy the fraud GB. Along with this, the GB does not want to identify the apostate class whatsoever, and warn them as per Ezekiel 3. They want every Jehovah's witness to high tail it from the web and the apostates like cowards, also failing in the commission to warn this class of assured destruction if it remains unrepentant. Of course this also brings Jehovah's witnesses into even more blood guilt and stealthily promoted from the GB disobedience downwards to the divine commandment of preaching to all, EVERYWHERE.

**Perpetual Idol Factory and Worship of GB, Slave and Org**

This blood-soaked GB, presents itself as white as snow, and promotes the idol protection of itself and all it's asinine, obviously sinful directives to ultimately drag all Jehovah's witnesses through the collective bloodguilt of now millions of human beings. It does not raise any suspicion by simply regurgitating 1990 level feedings and light endlessly, supported by "other sheep" duped and directed to supply the GB with this recycled information. But these feedings do support the idolatry of the GB, the "Slave" and the Organization as perpetually as the apostate attacks are constantly repaired and steroided upon these new idols among Jehovah's witnesses in the GB press, peppered in regularly and oh so subtly, for ten years.

*Yes Virginia, some GB heads are gonna roll to Gehenna! SOON. All as per the prophetic script they set themselves up in.*

**GB Tries to Resist the Ultimate JW Divine Prophetic "Paradigm Shift" to Future Final Fulfillment Mode**

Plain and simple all of Daniel 12 has a final fulfillment mode through a 1260 day Great Tribulation cycle (Dan12:7), and a 1290 day salvation (sheep) and "goat" extermination cycle; (Daniel 1290), all unfolding on the former God given divine patterns in the near future. The Revelation 10 and 11 "little scroll" and "two witnesses" finale must also be within the 1260 day final warning period through great tribulation leading to the final Christ Sovereign Court of Daniel 7:25-26 final, permanent fulfillment.

The "paradigm shift" is the realization the minor 1914 "temple foundation" cycles will repeat in the near future to a T, for Temple and Messianic Kingdom 144000 GUARANTEED completion before Armageddon's finality of total global confrontation in war with God's Kingdom Forces.

**Hold the 1914 Course Curse!**

What Satan and the current fraud GB is trying to accomplish is a retardation that will set up Jehovah's witnesses for divine destruction. This relates to the FACT that the minor mini-fulfillment 1914-1922 Daniel, Zechariah and Revelation prophetic cycles have a major massive final fulfillment replication of those prophetic events and periods in the near future, but with Kingdom and Temple 144000 absolute full completion as the eternal and permanent manifestation over planet earth, NOT an invisible Kingdom as in 1914, but one that will be displayed in Earth's "Heavens" like a billion suns for total and final universal and earthly conquest and extermination of all of God's enemies.

**Brothers We Will Never Know Who KingNorth Is!**

Especially the extermination of that "King of the North" bunch of rival contenders, elite vampires, parasites and bloodsuckers. The current fraud "Termite GB" works for these globalist governors, and does not want that easy identification of the "King of the North" to be made, because that bridges to Daniel 12, and Daniel 12's final fulfillment mode becomes obvious from that full identification onwards. The GB does not want Jehovah's witnesses connecting the "King of the North" ultimate globalist sovereign symbolic shell with what is in it, the 8th King; "scarlet wildbeast" and the "2HomedWildbeast" and it's "image of the wildbeast" as globalist power components all within the King of the North Daniel 11:44-45 final defiant sovereign symbol ending at Michael Daniel 12:1.

**There is Only One Witnesses, NOT Two! Please!**

Ultimately the current GB infiltrator globalist lifer agents and or mind-drones, want Jehovah's witnesses in 1914 mode for good. They do not want Jehovah's witnesses to make the obvious connection, that ALL the 1914 prophetic cycles, must of course replicate in the near future, into the final second "Two Witnesses" global campaign of Jehovah's Sovereign Ultimatum to the world through the great tribulation 1260 day initial period.

The current GB along with the demons who guide them, does not want Jehovah's witnesses to understand the complete outlay of the great tribulation, and it's initial precursor period, are all in Daniel 8:14; Daniel 7:25-26, Daniel 12, and Revelation 10-11 IN FINAL FULFILLMENT MODE. The 1260 day final "two witnesses" is followed by the Christ Court 1290 day end cycle. Jehovah's witnesses will be preaching all the way through the 1260 day cycle.
Some Anointed Shall Retire in the Great Crowd After Armageddon, YAWN

The current GB never wants to reveal that the 144000 Kingdom and Temple "bodies" will complete in absolute totality in the face of this world, BEFORE it is destroyed in it's resister elements to a man, and that there is no rush when Christ manifests initially in the Matthew 24:29-31 progression after the BTG destruction is completed.

GB Full of Blood Donuts, No Room for "Little Scroll" Meal

The current GB does NOT want to eat the "opened little scroll" of Revelation 10, because that is directly connected to the "reports" that the "King of the North" will receive as provoking samplings of "news"; "tidings" within that "little scroll" intended by Jehovah and Christ to draw KN out into the Armageddon global arena officially, with public proclamations of destruction to Jehovah's witnesses; (Rev10 is "reports" Daniel 11:44-45)

GB 1990 Fossil Snapshot

The current GB wants witnesses to think "some prophecies are never really known", and that "King of the North?, who really knows who he is, we will find out real-time, he can't be known", when in fact "King of the North" WILL be fully identified and the "reports" will go exactly to his earthly elites and powers, to his globally identified face, for both him and Gog MUST be provoked to come out for the final war, they BOTH must be drawn into the doom arena voluntarily by "glad tidings" of their extermination, to a man, to their face.

The current GB wants NO PART in any of these guaranteed prophetic events, but they want to appear as if they are preaching the "end of the world", but they are just rehashing Fred Franz, and are stagnant with zero "new light" since? 1992 UN NGO reproach, subversion and perversion virus.

The GB does not want to take part in any Sovereign Ultimatum "little scroll" final global warning campaign, as per prophecy, they want everyone right where they are, in sin, bloodguilt, and backward 1990 visions of the defunct current infiltrated GB of Satan.

Globalists Boys (GB)

The GB controlling fraud faction are obviously Satanically controlled globalist world order imprints who have a third stage "coup de grace" stumbling event planned as the climax of all this organizational idiocry over focus. Now that they have half the JWs focused on human composed "bodies" of GB and "Slave" idols, now Org idols, they can create an event that compromises these human entities totally, and try to stumble as many Jehovah's witnesses as possible.

Since this obvious trajectory was part of the pre-planned 1992 UN NGO stealth event as it progressed in time into a spiritually weakened organization into stage 2 idol building cycles, we can only imagine what other organizational and corporate compromises have since been effected by these viral demon agents. But, we know that such an event can perfectly align with the prophetic "fire" and angelic purge of the GB coming up in Zechariah 3:2-4 from Jehovah God and Christ.

Either way, the current doomed GB will fulfill their agenda and fulfill the prophecy of their exposure and expulsion from Jehovah's organization forever to Gehenna in the eventuality, where these counterfeit fraud elements belong.

GB92 Mission Failure

Well, they failed to keep the truth fossilized didn't they, they are extinct now. Can't beat Jehovah God and Christ. You Pathetic FOOLS! LOL

The Prophetic Loop Satan and the GB Wants to Break

1. Start Loop at King North: Satan wants no awareness of King North, because that leads to Daniel 12 and the final fulfillment cycle becomes obvious. Currently King North is a crop-out piece to Daniel12.

   King North also opens up another interesting paradigm shift, from nationalist world power analysis to globalist "north" power systems. That globalist perception will greatly effect the level of detail the whole wildbeast system can be analyzed with.

2. Daniel 12 to Revelation 11 Connection: From awareness that the now identified "King of the North" apex globalist world order leads to Michael's final stand over earth, and the progression from Daniel 12:1 to the end, brings one to Daniel 12:7, and it's counterpart Daniel 7:25-26 also now in final fulfillment awareness mode. The 1260 days there automatically link the bible believer to Revelation 11 final fulfillment mode as well.

3. Sovereign Little Scroll: Revelation 11 is the ultimate sovereign kingdom, city and temple progression completion prophecy in one chapter, of all time in such comprehensive meaning. It in itself, in full understanding is a Sovereign Ultimatum, and that is the full import of those "little scrolls".

4. "Little Scroll" Link to "Reports" of Daniel 11:44: Ultimately the globalist world order, under the "King North" Daniel 11:40-45 defiant sovereign symbol, is the head recipient, (Num24:17) of promised divine extermination from God's Kingdom to shortly follow this awareness given directly to the globalist elites, to their face.

5. God's Propovcation: Satan wants no connection made between that Revelation 11 fully understood, therefore "opened" and "eaten", "little scroll" Divine Sovereign Threat to the King of the North, from a Kingly angel with "earth" and "sea" "under foot" (Rev10:8), with the damning "reports" of Daniel 11:44 that finally draw these "enraged" globalist toads (with Gog) out into the Armageddon Global Arena flying pan globally for annihilation.

6. No Witnesses: The "Two Witnesses" final global warning of Jehovah's witnesses is what delivers all this "good news" unto all, and the contender rivals, the globalist world order targets of God Almighty. They cannot escape, they must come forth for battle at Armageddon and be to subsequently fed to the dogs and birds as per prophecy, as many as are not vaporized to fine dust fertilizers or anti-material anti-realities; (Rev19:19-21; 2Thess1:6-10). The POW Satan and the demons want to avoid all this awareness globally and the reality to follow this global final proclamation; (Rev10-11; Rev20:1-3)

7. That loops back to the King of the North being helplessly and laid out annihilated. Loop complete.

8. Satan wants no "paradigm shift" so that JWs are fully and honestly warned, Jehovah and Christ are coming into this "temple", "house" and "those worshipping in it" and they are going to START in the dresser drawer of the chairman of the GB!!! (Rev11:1-4) LOL.

9. Satan wants no one to know about this final great replication of the finalities of Daniel 7:25-26, Daniel 12, Daniel 8:14, and other applicable subsets within those prophecies.
10. Satan wants no one to be aware that Revelation 8-11 WILL have a finality of completion. Other whole patterns, or parts of Revelation 6, 14, 15-16 will also have a final cycle.

11. In fact, EVERY applicable sovereign kingdom prophecy, and temple inspection prophecy, every illustration and sub-set applicable to 1914-1926 MUST be applied to Jehovah's witnesses "temple" and worship arrangement today, and in the future. (ten virgins, marriage garments, weeds, Judas "son of destruction" will ALL apply in Jehovah's witnesses)

12. Zechariah 3 is a Commencement Prophetic Prerequisite: Satan does NOT want JWs or anyone to understand Zechariah-3 MUST also have a final cycle, in fact much of Zechariah; The 'Hebrew Revelation of Temple Completion', will also have a final fulfillment mode.

Now this can all be proven NOW, because all these prophecies, have a 1914 minor model pattern well established for review, hence why they even exist, for Temple 144000 completion certainty realized by Jehovah's witnesses. That is why NO ONE, anointed or not, can disprove Zechariah 3 applies to the Org NOW.

13. Neither the GB or Satan wants any Jehovah's witness aware that Zechariah 3:1 applies to the GB NOW, and has applied to it since 1992. The current fraud infiltrated GB of course we never admit they are the "befooled garments" targeted to "pass away" by Zechariah 3:2-3's "fire" event and transition to official "robes of state". The current GB will NOT be wearing those "robes of state" but will inherit their filthy robes for all human history to follow this expose by God and the judgment to follow.

Zechariah 3 and 2Thessalonians 2:3-9 must fulfill prior to beginning the final "two witnesses" second and final world warning ministerial "little scroll" awareness to eventually commence in the official 1260 day GT cycle of Daniel 12:7; 7:25-26 and Revelation 11:1-4. The GB has been "measured", and found to be crooked frauds.

Hey GB, read the writing on the wall fools. God has you right where He wants you, where you are prophesied to meet your end; (Zechariah 3:2-4) Get ready to meet God.

14. Satan does not want mankind to understand, that the 144000 Temple MUST fully complete BEFORE the final conquest of Armageddon, like in 515BCE, that "temple 144000" and Christ; Zech4:6-8 Headstone, or finish "capstone", "topstone" WILL complete in the face of the enemy system, just as the temple in Jerusalem in 515 BCE also completed in the face of the enemies of Israel of that day.

15. Satan does not want people to know and by that escape the assured flaming fury of that period when this Kingdom Temple clicks the last Christ "head stone" into place; (Zech4:6-8). Christ is foundation "stone", 1914, and "head" "stone", and there must be of course 144000 in between.

16. Satan does not want mankind, or JWs to develop this assured and completely ascertainable, from the bible pattern final replication and unfolding, BECAUSE IT IS LIKE A ROAD MAP TO THE END OF THE WORLD! IT IS LIKE A PROGRAM TO GOD'S PLAY, THE FINAL ACT.

And that whole "map" and "program" is based on a set of patterns in ancient, Christ, and 1914 times, that are absolutely provable! Some happened 3 times! Some 2, some 1 ALREADY. It also ties the complete picture of the whole bible, the "truth temple", to 100% completion soon prior to manifestation, no loose ends regarding temple and kingdom, to "last day of last days" understanding as per Jehovah's specification, not a sinner fraud GB that needs to be whacked but good in Zechariah 3:2-4 fulfillment soon.

See then, how much the GB are currently holding back? (And that is not all that can be derived from all this, a book or ten can be derived from all this "true new light"! The GB NEVER will have a photon of "new light", they are doomed subversives, IDI by prophecy and anointed.)

Downward Statistical Evidence Since 1992

See why the JW 1990 trajectory would have been at 12-14 million witnesses by now, but from that 1992 period, the sheep intake was cut in half? Ever see a graph of that statistical evidence that something happened around 1995 that caused this? It is astounding. It is obvious something is wrong that began around that period of time.

And the apostate analysis is, "oh, they changed the generation teaching", and that caused that drop. Yeah, right. NO. The UN NGO gross active sin, has been affecting the overall Org since infect, incept, and GB inject in 1991. I do not know how that was developed, but either way, the Agent Henschel GB ops, is what opened that "can of disaster".

All coincidence that it was when the Hawk, Fred Franz lay dying and finally died that all this GB rot broke loose? All coincidence 10 years later the story is broke conveniently just after the 9/11 WTC events? All coincidence it brought on a tidal wave of apostate hyper-attack, that justified the creation of GB, FDS and Org "idol repair modes" on steroids? Maybe 5 million people stumbled in the 10 years since? Maybe more, HUGE multi-faceted blood guilt too boot. This GB is in bloody quicksand on purpose, dragging JWs in, with simply too much developed trend obvious synergistic ramifications now obvious from this "little" "library card" affair. That is ridiculous and insulting. The GB globalist ops know all this, they are laughing their asses off!

Now I know Jehovah will NOT reproach his own name, nor will He be involved in the stumbling of a million people. And certainly not for a "library card", r i d i c u l o u s ! The fraud GB is toast soon, as per Zechariah 3:2 "Termite Log Burnoff". Jehovah will make sure they hear this before the "fire" "burn off" of Zechariah 3:1 "right hand" GB forever.

The Key 1990 Daniel 11:31 Prophetic Cover Up and UN Developments That Expose the Governing Body of Jehovah’s Witnesses as a KN Globalist Infiltration Sinner Group

Daniel 11:31-36 and 1990 is Key

Here is the Fred Franz club: While Fred was working on the Daniel prophecy commentary, the “Your Will Be Done” book, the Cold War was pretty well underway and recognized. Fred could not know the USSR would soon fail, until after they failed;

So, this prophecy could not be verified, and could apply to the USSR as long as they were in operation:

(Daniel 11:36) 36 “And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish, because the thing decided upon must be done.

So, in the 1989-1991 period as the USSR collapsed and the Russians surrendered to the UN by joining it, that is threw in their chips with the Brit and US globalist elites, they FAILED; But Fred Franz was not able to comment on this, this changes the whole Daniel 11:30-45 story!

NO WAY can the USSR be considered “the king”, and “And he will certainly prove successful until [the] denunciation will have come to a finish,”

Instead the USSR were just another failure in Daniel 11:27, "and NOTHING will succeed";

....

Had Fred Franz been able to comment on this before he died, he obviously would have noted that the failure of the USSR, disqualified them from Daniel 11:36 fulfillment emphatically!

And that disqualifies USSR or Russia from Daniel 11:36–43, NONE of that is about the USSR, but it’s about ”someone”; It is about a power who WILL be successful all the way to Armageddon;
NWO Globalists as KN;

....

This is 'in the face' obvious;

Then why doesn't the XGB say something?

Why continue a USSR illusion that actually never began in Daniel 11:36???

Here is why, and how we know XGB is B A D:

1. The XGB do not want to point out, that when the USSR went down, not only did they fall out of Daniel 11 fulfillment, the UN/NWO ALSO stood up as the Globalist "The King" INSTEAD!

That was the THIRD, 3rd, UN world governmental related stand in human history, after Cold WW3;

THAT is HIGHLY significant!!!!!

Obviously the globalists AND XGB do not want people understanding the significance of this event and meaning; The less JWs and the world know, the better!

2. Now the XGB "gloss" over this, because they MUST work for globalist "The King" (Dan11:36); They are an internal fake-JW agency of the globalist NWO, who ALSO does not want people seeing the 3 stands in order:

A. (1) after WW1 = League of Nations; 1919
B. (2) after WW2 = United Nations; 1945
C. (3) after WW3 = UN-NWO; 1990

This is because the pattern becomes predictable; Globalists are now predictable; Because the 4th Stand will obviously require a WW4 developed, fought, and resolved, to present Daniel 8:25 (1Thess5:1-3) FINAL stand Globalist "World Peace Everyone!" "Freedom From Care Y'All!!";

D. after (4) WW4 = UN Image AND Scarlet Wildbeast ACTUAL worldwide government 8th King;

Knowing this relieves the ability of the XGB to herd JWs to slaughter like a bunch of dumb cows;

And the XGB don't want that!

That UN/NWO third stand, proclaimed by George Bush Sr, 9-11-1990 onward, and echoed and proclaimed likewise in the XGB UN/NGO 666ers Awake! 9/8/1991 is the Bethel "placement" of the Disgusting Thing and is crucial to see the emergent pattern, as simple as 1...-2...-3...-4; to End of the N world O!

Rather than explain this historic event fulfills Daniel 11:30-31 as KN NWO globalists AND the traitor xGB WTBTS, they do the opposite, the cover it up, and promote the UN in NWO mode from 1991;

They ignored watershed Daniel 11 activation!

Instead????

3. INSTEAD the XGB promoted the UN-NWO (for 10 covert years), rather than explain biblically what had really occurred at Daniel 11:30-31; And it's effects on the rest of Daniel 11, as that KN is UN/NWO globalists;

Why as well?

4. They can use Daniel 11:43 erred impression of Russia (USSR) to activate Daniel 11:44-45 as a globalist hoax prematurely, as a support segway for furthering the effectiveness of the overall "hoax GT" planned attack on the JW org;

Since the xGB and globalists are actually one operation at work here, they can possibly do all this to fool JWs misled mindset along with a hoax "peace and security", as applied to a decoy national "King North" that must develop for WW4 anyways, but it does not actually apply to Daniel 11:44-45, who will be globalist 8th King UN/NWO powers at Daniel 8:25 parallel with Daniel 11:44-45 AFTER WW4, YEARS from now;

God's Daniel 8:11-14 Judgment not GT

They want JWs thinking this next event is that event of the relatively distant future, but it is not; What is actually coming is God's JW judgment as per 1Peter 4:17 FIRST; The fact is that this 1991 known UN/NWO xGB Bethel Baal sin is the "transgression causing desolation" of the temple judgment prophecy of Daniel 8:11-14;

But the XGB and globalists can just pick up Daniel 11:43 where it left off as alleged USSR, and continue the Daniel 11:44-45 "goes forth in a great rage" to apply to whatever decoy and hoax "KN" and world event they want, WITH the globalist engineered event to develop soon - backed by the xGB leading the JW collective mind to this conclusion; They are working together on this, just like 1991, and 2001, to smash the JW org into oblivion;

They want to smash the JW org, dizzy it in blinded confusion (for years, if possible), to waffle it in cave quicksand for this next 10 years, WHILE the globalists complete their "Next Phase" 10 year super-plan, coming in with this next world super-event series, and that goes to WW4, to BTG asset pillaged and dissolved, to 4th Stand UN/NWO (whatever they may call it at this time), and all the way to ACTUAL Daniel 11:42-45 completed as globalist world powers all the way since Daniel 11:30-31;

JWs will be scratching there head again, "what in the?", "who bankrupted the JW org?" Where is that GT thingy? Why have 2 million JWs drove to the concentration camps with their own vehicles?
Hey! What's going on here GB???? GB help us!!!

They want to do to JWs, what they did at 911 BUT WORSE, as with the UNGGO newsbreak on 10/2001, that bewildered JWs for the whole decade, we are still waffling and denying it all -

Average JW: uhhhh, uhhhhh, what just happen?? What happen???? uhhhh, where are we now? UN/NGO OK with God right?

XGB: Yes Dear JWS, we needed a 'library card' honey, everything is AOK, 666, in deep as shinola in the temple now! Go back to door to door land, go back to sleep dear; Think "Peas-n-Securiti, THEN GT", "Peas-n-Securiti, THEN GT", "Peas-n-Securiti, THEN GT", You had a nightmares all; You OK dodo bird JWs, you OK.... Worship and Obey, worships and obey.... the GB...

So, they want to ding the JWs a last time before the XGB has to go, and they want to stump JWs as long as possible on what this ALL REALLY means after this slam actually manifests;

They want to try to stupefy JWs 10 more years, and by then, the UNNWO will be able to throw the JWs into WW4, with no lights or compass, well after this initial hoax, decay and bushwhack;

This next event on the JW org, will NOT be the end cycle "GT" finale JWs will believe it is, it will be a judgment (Dan8:11-14), and the whole progression after that judgment, will span across WW4 (Rev11), for years and two prophetic known periods (1150 days and 1260 days, minimum), to Armageddon AFTER WW4, and AFTER the NWO KN Globalist 8th King stands the 4th and final time of Daniel 8:25;

Daniel 8:25 is Daniel 11:44-45 - same placement (image and world system), same world power (globalist KN/KFC), same defeat in both those scriptures; (Rev19:19-21; Dan2:31-44)

If God did not act as per Zech3:2, JWs would be toast, the globalist XGB and the NWO intel powers would have snuffed and disoriented JWs and destroyed the final ministry;

But, no can do;

JWs have a deal with God, He will pound some JW tale (soon), and then HE and CHRIST will finish what the Bible says must be done by prophecy, a second and final Two Witnesses in the future, and that will be the final warning announcement prior to the 144000 Kingdom and Temple ACTUAL completion, under THE REAL KING Christ to smash globalist power (Rev19:11-21) permanently (when they are finally ready; Eze38:7; Joel 3:9-12) and feed them to the dogs and birds as the inferior vanished powers of Armageddon war (Eze39:17-19) as it is written, so it must be done;

(Daniel 11:36) because the thing decided upon must be done.

And that is why Daniel 11:36 applies to globalist KN powers, they will provide the collective and unified worldwide defiant context for God and Christ to glorify themselves upon as one whole "king", rather than this and that national power;

The final defiant rival symbology of Revelation and Daniel as one big globalist, worldwide collective multi-national unification attempting to claim planet earth as it's own with the Devil, is the NWO final ground-zero Armageddon "bullseye" of God and Christ at this climax event;

That type of apex collective is what Revelation 16:13-16 indicates;

... The XGB should easily be able to see this, even street and academic researchers can see this globalist evolution not far-fetched - plain and simple NO ONE is as stupid, retarded and dumb as the XGB, UNLESS it is on purpose - NO ONE is this idiotic and blind now-a-days; It is IMPOSSIBLE to be this dumb accidentally;

It MUST be on purpose;

And that is how we know the XGB are purposeful in their planned blindness and purposeful retardation of divine progress in prophecy, to FOOL JWs and to "throw truth to the ground" in cover-up for globalist objectives;

This XGB is rotten to the core; evil men, intel ops, hoodwinkers, laughing at JWs all the while;

And the Fred Franz, USSR hinge-point of 1990-1992 is when they shut down the actual Bible truth of prophecy as related to globalist King North, and instead serve the wildbeast goals and objectives;

NOW it is plain as day, the XGB are full 666 operatives, all globalist intel operational aids; This must be throughout the JW org by now;

Had Fred Franz been even 80, in 1989, NONE of this would have been "conveniently missed" and subsequently covered up, as the globalist intel op Milton Henschel "agency" did, and this XGB still does;

Who can deny the simplicity of the Daniel 11:36 test?

(Daniel 11:36) And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

Who is asleep as to think the XGB hasn't seen that SIMPLE King North criteria?

Either KN is successful to Armageddon, or it is not; NOW the XGB edit out all 'Daniel Prophecy' book commentary to smoothly bypass and butter Daniel 8:11-25 and Daniel 11:27-45 in fraudulent and erred interpretation;

THEY ARE EXTERNAL GLOBALIST INTELLIGENCE AGENCY FRAUDS working INTERNALLY in the JW org, for a very very bad reason coming up;

But, they fulfill prophecy (Dan11:30), and provide the 666 sin for judgment (Dan8:11-14), and we can ID the truth of God, by where the main attackers of it are NOW operating in full revelation, LIVE and real-time;
This cannot be made up, with this much Biblical backing, upside, downside, across, cross referenced, it ties the whole Bible together this final MOL temple rot for divine extermination PRIOR to even the 1260 day GT initial cycles;

Of course the actual globalist world event coming up, will answer it all to anyone paying a little attention to all this development; And they plan, like 911, to make it big enough to wobble the whole world another 10 years, and lead it to wherever Globalist KN wants - like WW4 and BTG quadrillion so the nations can provide the fuel, of their own post WW4, "freedom from care" "world peace and security" funeral pyre of rev:6:12-17; Matt24:29-31 as Daniel 8:25b;

That 3rd UN/NWO stand (1990), PROVES, the globalists use a WW bomb, since 1914 WW1, for UN or NWO world government purposeful presentation - it is ALL engineered. That 3rd Stand reveals the highly probable need for a 4th World War to finalize the NWO Globalist KingNorth (Scarlet Wildbeast) 8th King worldwide super-power to zenith;

That is why the XGB covers up that 3rd stand's significance, and all the watershed globalist fulfillment to follow the 1990 UN/NWO stand;

Instead, on 9/8/1991 the XGB stood the "Disgusting Thing" in the Awake! (as knew-bent UNGO beggar), followed by The Watchtower NWO pollutions, and full Bethel Wildbeast idol worship festivals that went into public awareness 10 years later - the XGB are 666 High-Priest frauds - that is why they keep JWs living in 1990 errors regarding Daniel and globalist world governmental reality;

Reply:

You know something that has always freaked me out, tempeleliah?

It is how we received "direction" in times of natural disaster/emergency to pretty much just go along with whatever the government agencies say.

Really? Do whatever FEMA says? Do whatever TSA says? LOL! HAAHAAHAHA!

=================

Yep, they want JWs following this globalist Pied Viper xGB in "lemming mind mode" for evil purposes to become operable in the next world event which may very well be a 911x200 massive worldwide super-development - we shall see, I am expecting a HUGE event to also "conveniently" occur with "1914" in the JW collective mind for the predictable "2014 XGB Temple Decoy and Hoax GT" event with the supporting globalist KN aided extravaganza, providing the "prophetic" cues like hoax "peace and security" to make it all swallowed whole by as many JWs as possible!

A total hoax job on the whole JW worldwide family;

And the xGB will sell it as GT-mageddon as long as they can hang out and muck up and stall the real truth; JEHovah AND Christ are who will HAVE TO "snatch the JW log" from the Zech3:2 fire;

They have been covering globalist revealing KN bible prophecy up, and brainwashing JWs to obey Caesar and the XGB, to the point of brazen arrogance, and conditioning of the JW mind that is surreal; Like JWs were stuck in a mental freezer 20 years ago;

It is 1990 over and over, every year since then;

Most JWs mentality is stalled in 1990, not just in the Bible prophetic meaning, but also in things the world plainly KNOWS about globalist world government;

At one time, we JWs were the visionaries with eagle eye insight; Now every conspiracy theorist and his mother knows more than JWs about geo-political globalist REALITY and uni-polar globalist governmental evolutions developing worldwide that cannot be stopped but at Armageddon;

JWs have been retarded by the XGB, simplistically bypassed to a hoax GT, and the internet shunning added to the ignorance;

JWs have become just like Christendom, be-dumbd by "men of lawlessness", and the "elder body", in general, enjoys it, because they are power tripper "daughters" of this 'Man MOL Harlot' - the elder body to some degree, has BECOME like the XGB, snug, waffling, arrogant, cold, fossilized, and reactionary, and it is ALL stemming from this MOL;

BUT, we needed to be humbled before the 1000 year reign;

Can you imagine resurrecting billions of people into what JWs are today? No, we need to teach humility, not arrogance and self-right;

Our sword has been dulled and rusted over;

BUT it is all prophecy and God uses all developments for his purposes, this error is allowing Jehovah to make a deep examination of REAL JW motives, for better or worse, in EVERY JW in all the land prior to this judgment cycle;

(That is also why XGB will try to drag the "elder body" into gross sins of judgment upon real anointed and real faithful JWs as this develops, the XGB is going into "coup-de-grace mode of sin spread like a napalm-gangrene bomb of twisted application of scripture to further sins onto the elders, BEFORE this xGB+GlobalistNWO bomb REALLY hits)

What is coming up in the world event MUST be HUGE! Satan himself, like in 1914, will be presenting an amazing parallel distraction to decoy temple and his own NWO kingdom to distract from this coming Kingdom, Temple, Christ and 144000 completion reality!

Satan is also going into overdrive for a decade long haul of diversion and subterfuge distraction;

So, we better stick to God's prophetic Word like super-glue, and get ready for some very strange days to develop as general-population JWs find out we have to go
another 10 years, at least, and we have to preach through the blazing heat of WW4 and actual "tribulation of those days" for the whole 1260 day final countdown;

And the org will be in some crippled condition, and the sackcloth of Rev11 will be REAL, as that 1260 approaches over a few years;

There is no reason to leave the org, truth or temple;

There is MORE reason to STAY and watch this all happen!

There is no reason to hate our poor misled brothers, they will be fast-tracked to reality in time, as God actually enters the temple (Isa66:6), as per Mal3:1-5, and prepares the approved JWs for the final ministry - and we can use this whole experience now, and especially in the next system of things as a good learning example of why Adamic man CANNOT be entrusted with any real responsibility - the Christ and 144000 will replace this whole circus;

As Peter stated, if the righteous one is being saved with difficulty, where does the world stand? If JWs were hoodwinked and deceived like this, how blind is the world?!

Humbling JWs will also open the door for a lot of people who will come to understand why the org was so strangely hypocritical, contradictory, and seemed to be working against love and mercy, for fear and icy coldness; We had demon-GB developing since the Schroeder/Henschel days of the 1980 Inquisition, and the GB went down hill all the way, since that first power grasp to lift itself over everyone since 1976 - THAT was the beginning of the apostasy revealing - in hindsight it is obvious, the XGB experiment has..... F A I L E D;

Within 10 years, they went FULL 666 services;

Really, we should have seen from the getgo, after 1976, the GB was already trending towards busy-body smug self-exultation, beating the sheep, and "walking on water" infallible arrogance; What a sad joke really (a masquerade), but it will humble us to never buy humans who call themselves "faithful and discreet" when in fact God and Christ make that determination, hence the question:

WHO really is the faithful and discreet slave?

This is what we need, the GFN Slave!:

(Luke 17:10) So you, also, when you have done all the things assigned to you, say, ‘We are good-for-nothing slaves. What we have done is what we ought to have done.’"

The XGB ever say that? No, they have not done anything but 666 assignments;

WHO really is the faithful and discreet slave?

Certainly not the "evil slave" GB, and as they self-approve and self-appoint themselves into the FDS sole spotlight, we know they are fully revealed frauds, BLATANTLY fulfilling 2Thess2:4 worldwide from the evil slave web;

This isn't accidental like many think and whine about the xGB, these guys know full well the worship Satan, and they are :laughing their Ssss off at JWs that they are fooling; They are fully aware of what they are, who they work for, and what they are doing, and their final objective - and that God has given JWs to them for the judgment to the proper degree; (Jer30:11)

They know all this;

That is why we cannot let their errors, make us hate the brothers, we have to pity them, and have mercy, and wait for the full recovery and that is pretty much the end cycle;

......

Now look at the blatant globalist covering lies they tell regularly in the WT:

The Watchtower June 15, 2012 – "Revealer of Secrets" Article - Paragraph 10

Imposter GB Deception:

“There will be no other world power after the Anglo-American national 7th King.”

“The prophecies about the immense image and the wild beast confirm that the Anglo-American World Power will not be replaced by some future world power.”

Reality: The “7th Head”, “7th King” Anglo-American national power system will be utterly “replaced” by the globalist “scarlet wildbeast” 8th King, the US/UK national powers will kiss it’s 666 feet.

The WHOLE Dan2 "image" and the WHOLE scarlet wildbeast are the 8th King power system that WILL arise in this next mega-apex-cycle, and WILL go head-on with God and Christ's Kingdom for planet earth!

Paragraph 19

“The prophecies of Daniel and John have been fulfilled to the smallest detail.”

LOL; Yeah, right!

The prophecies of Daniel and Revelation will REPLICATE to the smallest detail!

....
Yes, the XGB want to freeze-dry the JW mindset in 1990 level of national dominant hoodwinked understanding, keep JWs focused backward on 1914, and cover-up the entire replication of all temple and kingdom completion cycle, final fulfillment mode prophecy of the near future - to bypass us to a hoax GT, that is actually Jehovah's temple judgment for real, not this decoy xGB version underway now;

==========

JW Org is Given to the 2Horn-Wildbeast as Per Temple Judgment Prophecy

The main goal of the "GB" is infusing deep sin into the JW system, so that JWs are compromised and given over into divine judgment (Dan8:14); It is the basic biblical pattern of Adamic man, and Israel, over and over and over and over again; And the JWs are NOT immune to it either;

That deep irreversible sin occurred with the UN related adultery of 666 services to the apex enemy system of Jehovah God and Jesus Christ, it is tantamount to Israel of Hosea's time performing Baal worship in the temple;

Bethel's "Baal" is the continued UN "New World Order" promotionalss and supporting testimonials of the 3rd UN stand of 1990, after the Cold War (WW3), echoing George Bush Sr's words throughout the Watchtower and Awake! for 10 solid covert years of 666 GB worship;

So, the goal of polluting the JW "fortress" is done and completed now:

(Daniel 11:31) they will actually profane the sanctuary, the fortress, and remove the constant [feature].

And that led to setting up the UN idol at Bethel for 10 years of UN/NGO promotional work with George Bush Sr, starting in time (9/8/1991 "NWO" Awake!):

“and they will certainly put in place the disgusting thing that is causing desolation.

And that UN666 sin, is this sin of Daniel 8:12 "transgression", in modern times (1991-2001+), certainly not some 1938 JW "org chart" malfeasance adjustments as is ludicrously claimed as applying to this massive apex final JW temple cleansing signal prophecy of Daniel:

(Daniel 8:11-12) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place (JW org) of his sanctuary was thrown down. (in the near future) 12 And an (JW) army itself was gradually given over (to the infiltration of Daniel 11:30: "he will have to go back and will give consideration to those (JW GBers) leaving the holy covenant. And there will be (spiritual invasion; Dan11:41) arms that will stand up, proceeding from him (Globalist KN/2HornWB); and they will actually profane the sanctuary..."), together with the constant [feature] (All the "food at the proper time", UN cover-up, etc, etc), because of transgression (of UN/NGO 666 relations); and it kept throwing truth to the earth (covering up real prophetic significance), and it acted and had success. (as the XGB of today, and a complete JW organizational finance and logistics controlling compromise by globalist intel interests of the 2Horned-wildeast/8th King system for attack purposes in the near future against the final JW ministry)

And THAT is the judgment coming upon the JW house SOON with a globalist engineered MASSIVE world development, not the GT, and the globalist xGB KNOWS the JW org is handed to the 2Horn-wildeast for a destruction to the divine degree; (Isa12; Jer30:11; Zech3:1-7)

The Governing Body is the Man of Lawlessness "head", plain as day (self proclaimed, 11-9-2012); That "GB" experiment in a power-trip failed from incept of 1976-1980, with that ridiculous Bethel Inquisition of 1980, and the busy body policies that came after that, to the absurdity of actually getting on hands and knees to the UN-NWO as NGO for DPI propaganda plugging and world announcements within 15 years of this compromised, in hindsight MOL "body"; and us poor stupefied JWs buy these sinners!

Surreal!

SHAMEFUL!!

Absurd! We JWs DESERVE the humiliation that is coming soon!

That is all said and done now, Jehovah's witnesses have sinned against Jehovah and Christ and against the "holy covenant", and continue to believe a UN666 "library card" is a valid reason and excuse to profane God's Holy Name, and to stumble as many people as there are JWs; JWs should be at 12 million minimum; The UN sins alone have stumbled probably 8 MILLION human beings; JW growth rates have been halved since 1990;

And that is what this little hidden message means:

That is not the only hidden pollutions and mockery in the WTBTS;
Jehovah has His own "agents";

The XGB/Corporate fake-JWs are restructuring the entire financial framework of the WTBTS to align with the globalist tapestry of investment engineering worldwide, and will continue this secretive work (like the UN/NGO, JWs won't find out until it is way too late), in spite of the fact many in the WT Bethel org KNOW weird things are going on, and remain too fearful, in denial or too stupefied to finger these operations because inside globalist legal and financial "overseers" are setting up the JW org for implosion and seizure of collateral globally (over years of the stranglehold), and no one is saying boo at Bethel;

They are cringing to the GB "Popes", who are apostate and have no spiritual authority anyways, it is all conditioned brainwash of the MOL; Subtle, and now JWs are in the oven; (Zech3:2)

They have bought the operation as legit, and God is allowing it; (Eze7:22) ALL things must repeat;

The XGB have inside globalist information of the possibility of nuking Wall Street to aid the cover-up of a 100 trillion dollar timed and controlled implosion to be rolling across the US commencing with the next major globalist event phase to prepare the BTG liquidation phases a few years from now; (As well as other weaker orgs and groups;)

(That event is on the "faith in Action" DVD cover of part 2, as globalists Barr and Jaracz stand their pointing (Barr) to ground zero;)

A similar dollar based implosion will be systematically released in this period across the EU, the rest of the world will be aligned for the 4th placement of world governmental image and super-structure in about 8-15 years, plus minus;

That takes place through the engineered 4th world war, which is the development this will lead to prepare the globalist WW "birthing womb" for a world government resolution after that WW, as in the 3 WWs prior to it,

1. in post WW1; for LON, 1919,
2. in post WW2, for UN, 1945,
3. in post Cold WW3 for UN-NWO (in world and WTBTS placement; Awake! 9/8/1991);
4. in post WW4 "peace and security" and "freedom from care"; Dan8:25 = Dan11:44-45

The WW4 event will meet several known objectives of world war, final human sacrifice in that period to Satan for final world governmental privilege, worldwide application of forced or willing 666 determination, implode current financial system into a "new world financial" uni-polar system, set Satan as sole Gog world ruler, and birth the human form of globalist unification at apex 8th King scarlet wildbeast image AND actual world power system with globalized ability to control and depose whole nations;

The XGB want JWs thinking those events developing over 10 years from now, are happening at this next globalist event as GT, but it is a temple decoy cleanse, GT hoax, and all run by the xGB "man of lawlessness" going into full betrayer "son of destruction" mode over the JW worldwide organization;

They are BLATANT and BRAZEN now, JWs are now going into deeper sin, and the xGB will pile on more "Inquisitional" sins against faithful JWs and anointed, to apply as much sin, prior to this known judgment of God coming on the temple as per 1Peter4:17 = Daniel 8:11-14, so the xGB wants JWs DEEP in sin, so that event can be as destructive as possible, by divine punishment decree;

....

The XGB globalists who run the WTBTS progressively after Lloyd Barry was whacked (the last actual Christian and anointed in the GB), Loesch continues the CIA, BVT, MI6, BND based intel operation now spanning over 50 globalist sub-groups for control of Watchtower finances and congregational logistics;

This is a HUGE operation on th worldwide JW Org; (And it was easy to infiltrate because JWs but visuals and work quantities as "spirituality"; CIA in the US "field"

The WHOLE GB and ZO are all globalist intel operators - and they will walk out of the WTBTS with over 500 million dollars in secured assets, and they will get a derivatives compromised stranglehold on a billion in WTBTS global properties, at globalist legal levels, to shut-down and or tie up the JW ministry for this next 10 years, to absolute completed ruination of the JW org, as ALREADY being predictively programmed as a known "evil plot hatched" to exterminate the JWs worldwide;

The Temple decoy and hoax GT planned for the JW mindset of 1914=2014 "centennial" temple cleanse, will be aided by a massive globalist worldwide false-flag event, for which the JW org will just be one rotten egg in the basket to be seized and controlled, to debalance and wobble, and if possible obliterate the JW ministry for the next 10 years;

But that is a temple judgment of the actual fulfillment of Daniel 8:11-14, for the Daniel 11:30-31 3rd UN-NWO placement sins and supporting sins of the globalist GB under agent Henschel, Gangas and Schroeder's central lead control to continue placing agnets and override and shut up Fred Franz concerning the fall of the USSR, which disqualified the USSR from Daniel 11:36, and all Daniel after v. 36;

THAT OF COURSE CHANGES THE WHOLE MEANING OF DANIEL 11 "KING NORTH"; THE XGB ARE COVERING THIS GLOBALIST KN UP;

...and it calls into question the "errd Nazi application" of Daniel 11:30-31 as well, because "THEY will certainly place the disgusting thing" is impossible for the Nazi's as they were anti-Brit-elite global-government, and they did NOT exist when the UN was placed in 1945 anyways, so the "THEY" cannot be Nazi Germany, and must be a globalist aligned world power that Dan11:36: "will certainly prove successful" until [the] denunciation will have come to a finish", along with traitors in the JW "holy covenant" as Christendom cannot apply to any "holy covenant" after 1919-1922 period;

IF it failed, it cannot apply to Daniel 11:30-45 - that operation WILL be successful all the way to Armageddon;

The XGB "success" will be until removal by God long before Armageddon; (Zech3:4-7 during Dan8:14)

This Dan8:14 1150 day signal will lead to the rest, and JWs will NOT be able to deny it all any longer;

GB is Purposely "Playing Dumb"
This is prophetic exposition and criteria so basic, and so easy to access historically in light of globalism, that ignoring it at the level of the XGB cover-up MUST be on purpose; NO ONE, not even a chimp, is this stupid, it has to be purposeful stupidity to set up the JW org for a massive coup-de-grace, and a half billion dollar globalist externally aided, XGB internally provided, WTBTS complete compromise into globalist financial webs;

And that will all spring in the next world super-event, that will over a period of time, walk the world to WW4, and through WW4, to the final presentation of globalist world government, WHILE shutting up the final JW ministry;

And that is why Zech3:4-7, and Hosea 1:4-7 indicate God will intervene as per Zech3:2 JW log snatch from the globalist fires;

The XGB is playing JW gullibility, this cannot be so conveniently stupefied in 1990 thinking, without a "man of lawlessness" manifestation that is actually taking place as prophesied, "in the temple of the God";

That is what JWs are dealing with, but like Israel, are too proud, GT fearful and blind to see it;

That is how the ancient pattern, repeats in every detail; Bethel is going down as the "established place" is thrown down, as per Daniel 8:11-14 in the near future super world event cycle;

1Peter4:17 indicates the JW house is smashed FIRST, then the rest of the prophetic cycles proceed AFTER the JW “throw down”, this is NOT GT coming up, JWs are being misled into that thinking so they can be herded to exterminations, internment and prisons, guided by the xGB and ZO, in 230 lands that are all globalist compromised JW operations;

Many CIA are top WTBTS officials - and other globalist orgs similar to the functionality of MI6, CIA, BND, etc - there are a hundred sub-specialties in that globalist intel system, and many of them are infused in the JW worldwide organization for the final “coup de grace” on the JW final ministry, before JWs even comprehend the final ministry second “two witnesses” fulfillment;

JW Org will be over-hauled, you won't recognize the place 3-4 years from now when this is in full swing;

=====

The Kingdom of God administered by Jesus Christ is the FINAL Uni-Polar Universalist Government that will provide the solution to restore actual life to planet earth that was lost in the Adamic curse, and everything under the Adamic hierarchy of Genesis 1:28:

(Genesis 1:26-28) And God went on to say: “Let us make man in our image, according to our likeness, and let them have in subjection the fish of the sea and the flying creatures of the heavens and the domestic animals and all the earth and every moving animal that is moving upon the earth,” 27 And God proceeded to create the man in his image, in God’s image he created him; male and female he created them. 28 Further, God blessed them and God said to them: “Be fruitful and become many and fill the earth and subdue it, and have in subjection the fish of the sea and the flying creatures of the heavens and every living creature that is moving upon the earth.”

That subjection was to be in divine righteousness, not the death slavery (Heb2:14) that Adam and Eve went under, and that has spread to all living things on earth, and even dogs and cats have similar diseases that humans have, and the whole life system was infected progressively through one sin, and the deep errors that developed after that;

This corruption is that death and decay that the whole planetary system of earth is undergoing, it is not natural, and it's source, through Adam's God given hierarchical responsibility and blessing, turned to curse of death, is the Devil, the Hebrews 2:14 causor of death and slaversies through that death, to try to destroy all life on earth in time (Matt24:12-22);

(Romans 8:18-22) Consequently I reckon that the sufferings of the present season do not amount to anything in comparison with the glory that is going to be revealed in us. 19 For the eager expectation of the creation is waiting for the revealing of the sons of God. 20 For the creation was subjected to futility, not by its own will but through him that subjected it, on the basis of hope 21 that the creation itself also will be set free from enslavement to corruption and have the glorious freedom of the children of God. 22 For we know that all creation keeps on groaning together and being in pain together until now.

And that adoption has had to take place from Adamic “children”, to be brought into that new relationship with God, through Christ, to destroy the Devil:

(Hebrews 2:14-16) Therefore, since the “young children” are sharers of blood and flesh, he also similarly partook of the same things, that through his death he might bring to nothing the one having the means to cause death, that is, the Devil; 15 and [that] he might emancipate all those who for fear of death were subject to slavery all through their lives. 16 For he is really not assisting angels at all, but he is assisting Abraham’s seed.

And this final sequence restores the blessing lost, and the life lost in the Adamic sin, whose origination of intent is Satan, who dies with his lot, then the full curses of Gen3:14-17 are resolved and removed:

(Revelation 22:1-3) And he showed me a river** of water of life, clear as crystal, flowing out from the throne of God and of the Lamb 2 down the middle of its broad way. And on this side of the river and on that side [there were] trees of life producing twelve crops of fruit, yielding their fruits each month. And the leaves of the trees [were] for the curing of the nations. 3 And no more will there be any curse.

Animals are included in the Christ restoration of matt19:28:

(Ezekiel 47:9) And it must occur that every living soul that swarms, in every place to which the double-size torrent** comes, will get life.

....

All rival obstacles to this restoration will be given due warning, such as the NWO 8th King system, then they will repent or not, and be swept away like dust; BUT God will give due and fair FULL warning before Christ stops turning the other cheek, and whips out the super-celticial super-swords of the 144000 and ALL the angels under his power (Rev19:19-21)- that is what the Bible is all about, justice once and for all for this period of controversy:

(Daniel 2:35-44) At that time the iron, the molded clay, the copper, the silver and the gold were, all together, crushed and became like the chaff from the summer threshing floor, and the wind carried them away so that no trace at all was found of them. And as for the stone that struck the image, it became a large mountain and filled the whole earth.... 44 “And in the days of those kings the God of heaven will set up a kingdom that will never be brought to ruin. And the kingdom itself will not be
passed on to any other people. It will crush and put an end to all these kingdoms, and it itself will stand to times indefinite;

That will all take place soon, and no human powers can stop this resolution of sovereignty; Even the Devil will be bagged with his armies of demons, so this is going to be a big event, and God will give a series of final warning periods before the Temple and Kingdom completes;

From the first 3 World Wars, we know Daniel 8:25 and Daniel 11:44–45, with the Matthew 24:29-31 "break point" 144000 completion indicates a final World War 4 cycle, a final world government placement, and the depopulation drive, during that brief peace, of Daniel 8:25:

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

That period of “freedom from care” is also this final proclamation of the NWO 4th placement (whatever they may call it at that time is not known):

(1 Thessalonians 5:1-3) Now as for the times and the seasons, brothers, you need nothing to be written to you. 2 For you yourselves know quite well that Jehovah’s day is coming exactly as a thief in the night. 3 Whenever it is that they are saying: “Peace and security!” then sudden destruction is to be instantly upon them just as the pang of distress upon a pregnant woman; and they will by no means escape.

.....

Jehovah's witnesses think that is coming up, but that is a hoax because the Governing Body is an infiltration leading JWs to this WW4 prelude coming up, while JWs think this actual post WW4 period is what is coming next;

What is coming next is another 10 year cycle of the NWO, a 40 year series that began in 1990 with that UN NWO George Bush Sr. series of world announcements; (Daniel 11:31);

This will be the third decade that leads to and through WW4; The last decade, completing 40 years, would have been the final depopulation and earth rebalancing efforts of the NWO powers; But that is cut off after this third phase, as per Matt24:21-22, which is Rev6:12-17, which is at the Matt24:29-31 breakpoint, which is after the final 1260 day series of Revelation 11:2-3, Dan7:25; 12:7; Rev13:5; Rev12:6,14;

Christ's Kingdom and the post WW4 NWO 8th King "Scarlet Wildbeast" will go into apex power at the same approximate time in human history, that is 8-15 years from now, +/-; At the end of this planned approximate 10 year NWO phase;

That is (3) 40 year cycles since +/- since 1910; But the final decade will need to be cut off, Satan also has different final objectives than the NWO, he plans to roast them up as well; (Eze38; Rev19:19-21)

Ultimately Satan acquiring grand finale is what is driving mankind now; (Rev20:1-3), even the NWO is irrelevant when he gets the world to light computing central control, which is only a few years off, they have two light-physics defying developments already in the web news, and that is why this has to stretch past 2020;

The nature of these two developments, and plasmonster implications, will change artificial intelligence and satellite based computing at globalist levels forever, by 2020;

http://www.futurity.org/top-stories/laser-is-as-small-as-a-virus/

This next decade is the critical 8-15 year segway, this is all approximated, but the NWO have their work cut out for them in this next ten years, it is do or die for them; They are being driven, Satan is under increased pressure as well, he just wants to get that final depopulation network functional, centralized, in nano scales, and under his control, and if it goes to a centralized light-computing network of all these weapons and directed energy systems here, then that is a very real possibility;

Expect plenty of distractions as this next 10 years unwinds, but God will give a full warning and opportunity to anyone, even NWOers, to get with the winning power system, BEFORE it goes into it's own depop mode of Matthew 24:21-22 to shut down the madness on earth for good, and save all life from the mass comprehensive extinction that will become possible when man goes into this next realm of energy and computing power; Even now it is dangerous, but 10 years from now it will make nukes and HAARP look like child's play; Nukes and HAARP will just be a couple bullets in the worldwide magazine;

That is not "conspiracy theory", that is science, energy understanding and computing evolving to where it is going soon;

=====

That is not "conspiracy theory", that is science, energy understanding and computing evolving to where it is going soon; photon cuts the "backscatter".

This is all approximated, but the NWO have their work cut out for them in this next ten years, it is do or die for them; They are being driven, Satan is under increased pressure as well, he just wants to get that final depopulation network functional, centralized, in nano scales, and under his control, and if it goes to a centralized light-computing network of all these weapons and directed energy systems here, then that is a very real possibility;

Expect plenty of distractions as this next 10 years unwinds, but God will give a full warning and opportunity to anyone, even NWOers, to get with the winning power system, BEFORE it goes into it's own depop mode of Matthew 24:21-22 to shut down the madness on earth for good, and save all life from the mass comprehensive extinction that will become possible when man goes into this next realm of energy and computing power; Even now it is dangerous, but 10 years from now it will make nukes and HAARP look like child's play; Nukes and HAARP will just be a couple bullets in the worldwide magazine;

That is not "conspiracy theory", that is science, energy understanding and computing evolving to where it is going soon;

But the actual reason for filtration of significant dates this is not as it appears to most people;

Fred Franz died with the USSR;

And when his live and real-time Daniel commentary and attention died with him, the USSR also died in Daniel 11:36:

(Daniel 11:36) And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

Now even the dumbest JW chimpanzee can see the USSR cannot apply to Daniel 11:36, or anything after it;

Then who does?

The globalist 8th King is who applies to all the sovereign mega-symbols of Daniel 11:30–45, and Daniel 8:23–25;

The so-called Governing Body bypasses this significance to cover for their globalist partners, hiding the significance of globalist world government from Biblical prophecy, and instead, when this was all relevant real-time, the Governing Body started promoting the "new world order" starting with the global 3rd placement announcements of the UN in NWO mode WITH George Bush Sr., before the UN General Assembly - the world placement of Daniel 11:31, and the
GB is part of the "they" here:

"And they will certainly put in place the disgusting thing that is causing desolation. (Daniel 11:31)

And that led to the complimentary setting up the UN idol (3) at Bethel for 10 years of UN/NGO promotional work with George Bush Sr, starting in time (9/8/1991 "NWO" Awake!) made GB official here:

(Protocol 7) GB=FDS will apply the preparatory "divide and conquer" acid to the worldwide association of Jehovah's Witnesses

"...A few days later, President George Bush of the United States addressed the UN General Assembly. The changes he saw inspired him to say: "Not since 1945 have we seen the real possibility of using the United Nations as it was designed—as a center for international collective security." He said this because "the United Nations reacted with such historic unity and resolve" to the Persian Gulf crisis. "For the first time, the U.N. Security Council is beginning to work as it was designed to work." He also said: "The United Nations can help bring about a new day" if its members 'leave terrible weapons behind.' By doing this, they can complete the "historic movement towards a new world order and a long era of peace."

So the Governing Body is not Christian much less anointed, and are NOT what they are masquerading as; (2Cor11:13-15; 2Thess2:3-12)

They are the "man of lawlessness" publicly fulfilling 2Thess2:3-4; But they already have plenty of indication they are misleading JWs to coup the worldwide org in the next globalist world super-event to stop the final temple completion ministry;

The temple foundation cycle of prophecy is now in final fulfillment mode, meaning the whole temple cycle of 1914-1918, and 1919-1922 is replicating in temple completion cycle, and that includes a modern day "lawless one" IN "the temple of the God"

And this diminishing referencing of these patterning dates related to the first temple foundation cycle of prophecy, is to minimize the chances that JWs will detect a final fulfillment cycle is activating, and that the GB are masterful fraud globalist based intel operations, that is fulfilling prophecy, as the "man of lawlessness" in place for a while now sinning big time, to smash the worldwide ministry of the JWs, in this next decade leading into and through WW4;

They are purposely dumbing-down JWs to Biblical exposure of key prophecy and cycles;

JWs also have another temple judgment coming as per Daniel 8:11-14, as per this replicating cycle;

But they think it is GT and Armageddon, so they can be led about by the globalist operatives in 230 lands at will, when this next "big one" false-flag-terror-war event hits;

Protocols of the Learned Governing Body Infiltrators of Brooklyn

Operation Divide and Conquer

I. Crack the Foundation; Pour in Acidic "New Light"

A. Release "new Light" to soften and undermine the JW foundation and body;

1. That the Governing Body (GB) is the sole Faithful and Discreet Slave (FDS) "new light" blasphemy will do the acidic masterful divisional weakening trick;

a. Approximately 1/3 Jehovah's Witnesses will be for it, 1/3 undecided, 1/3 will know instantly it is treason; JW foundation will crack into 1/3s;

b. This will be perpetual compromise of a core teaching related to 1914, opening the door for further "anointed class" symbolic assaults as the xGB (Governing Body rogues) goes to coup de grace operation finale;

2. The purpose is to weaken the Jehovah's Witnesses (JW) body for approximately a year or two prior to final impact of the globalist coup-de-grace iron-fist of financial embezzlement, planned internments, and overall mayhem in 230 lands WITH the next globalist "two-horned-wildbeast" (2HWB) lead move world catastrophic event "911" cubed;

3. You xGB moved WITH the 2HWB handlers in 1991 as UN/DT NWO "placed" in JW "temple" fulfilled Dan11:30-31 in the JW org;

4. That "news" breaks WITH the globalist 911 event, on 10/2001 moved WITH the 2HWB lead;

All xGB moves are WITH the wildbeast boys lead move as a supporting agency; This WILL repeat for coup de grace events until clean out; (Zech3:4-7; Hos1:4-7)

GB=FDS will apply the preparatory "divide and conquer" acid to the worldwide association of Jehovah's Witnesses;

5. Let it set in a little; Divide now, conquer later; Set-up Jehovah's Witnesses like a bowling pin, for the next world catastrophic event cycle, globalist 8th King bowling ball impact soon;

II. Hoax Temple Cleanse Neo-Inquisition: Mimic Prophecy Before it Fulfills for Real

A. Begin the parallel "temple cleanse" before the real divine temple cleansing;

1. Defile JW Temple Further: Remove as many real Jehovah's Witnesses and anointed Jehovah's Witnesses as possible, call them dirty infidels, burn them at the
Kingdom Hall stake! Onward!

2. Jehovah's Witnesses numbers may start to go flat and drop, but hey! That is because of? TEMPLE CLEANSING!! any negative effects are covered by "bible prophecy" the xGB is fulfilling as FDS for further credibility to MOL!

3. xGB leads the Neo-Inquisition, drawing the Neo-Jesuit "elder-body" into more gross sins and bloodguilt further than just the 8 million stumbled by the UN DT 3.0 in the WTBTS in 1991;

4. The "temple cleansing" blasphemy is a subtle mimic prior to real bible prophecy many are expecting, this is the "weed" clean out everyone! Report all murmurers! It is your Christian duty to worship the Governing Body! Help us rid the place of real Jehovah's Witnesses!! Set up the perfect sinful state of Jehovah's Witnesses further, prior to the REAL temple judgment of Dan8:11-14 which will come with the next globalist event;

5. Get a full 1/3 of Jehovah's Witnesses into total condemnation state; (Rev8, FPM)

Destroy as many Jehovah's Witnesses spiritually as possible;

III. Hoax GT: Make Globalist Planned Jehovah's Witnesses Assault Worldwide Look Like GT

A. Tell Jehovah's Witnesses the actual judgment STARTS with them, and that this little xGB "new light" "Inquisition" is that "temples judgment";

1. But in reality this is just a MOL hoax "temple cleansing", they full well know a globalist attack is coming on the Jehovah's Witnesses system LATER; This is psychological prep work, to setup Jehovah's Witnesses in the "coup-de-grace" finale to come soon after this;

2. So, get this "house judgment" out of the way in the Jehovah's Witnesses mind, thin the Jehovah's Witnesses herd as best you can, and let Jehovah's Witnesses sit and think about it, and we will send forth more "new darkness"; we can release more hoax credibility statements as time progresses justifying great evils, as if it is bible prophecy fulfilling;

B. Now that Jehovah's Witnesses think the Jehovah's Witnesses "house judgment" is about through, though it has not even started yet for real, we can present the actual "house judgment" of Dan8:11-14 as a great worldwide "GT hoax" to herd Jehovah's Witnesses all over the world to internment and slaughter houses; And the Jehovah's Witnesses will follow the WTBTS Popes like the lemmings follow the Pied Piper; It will look like GT! But it's not!

C. So xbrothers, remember to push GT GT GT and NO expounding reality of any prophecy after 1990, when we manifested full xGB control; Keep Jehovah's Witnesses in Governing Body trance; That way we can herd them to doom that much faster and more effectively; NO QUESTIONS ASKED!

IV. Keep Confounding and Killing Jehovah's Witnesses Until Someone Stops Us

A. The Zone Overseers, who are all globalist logistical internment herders, will have the whole Jehovah's Witnesses system of extermination all mapped out and overlaid over the 230 lands;

1. As the xGB planned "hoax GT" progresses orders of relocation are sent out to the VARIOUS DUPED "elder body" and branch offices, if any one is suspicious we use the WT article predictive programming "brothers, it looks like a powerful government did in fact "hatch an evil plot" to exterminate Jehovah's Witnesses", shoot brothers, they got some of us; The "slave" did warn us of this, so they are of course not involved in anyway;

2. And then keep with that story, and no one will get past the ZOners to question anything! We will box all info and intel in our own circuitry! Jehovah's Witnesses will have no inter communication between themselves across the lands; We can herd, whack and imprison as many Jehovah's Witnesses as we want, with the same formula, over and over and over until finally some elders or branch overseers FINALLY, maybe, maybe not, catch on to our murderous actuality!

3. Even if one Jehovah's Witness "land" figures out we are killing the Jehovah's Witnesses, they are so isolated from each other it could take months or years for them to actually communicate to warn the others! We will have a bloody field day!!!

4. We will just grin and deny it, and split WT "hedged" millions in Singapore, Cayman's and Zurich later! Cheers! See ya! Suckers! We will pick up the WTBTS securitized properties later, for the "new world order";

5. By the time the real GT comes, Jehovah's Witnesses will have missed the divine Rev10:11 final fulfillment commission! Mission accomplished! Conquest!

===

That is why Jehovah is the one who must snatch this JW log from the very real fire as this transpires as per prophecy; Zech3

In reality, Jehovah's Witnesses will complete the second of "two witnesses" worldwide final ministry no mater what may have crept into the Governing Body since 1991;

Next on the infiltrated xGB agenda;

The globalists (2HWB/8thKing) have been in the Jehovah's Witnesses org for years (Dan11:30), this is just "coup de grace" time - phase 3, grand clean-up, so the xGB goal is the destruction of the Jehovah's Witnesses ministry and as many Jehovah's Witnesses spiritually and physically as possible;

BUT IT FULLFILLS PROPHECY RECALL! Man of Lawlessness must reveal prior to the world's end cycles; And they will be cycles that will drag by one month at a time for years upon prophecies Jehovah's Witnesses already know well, 2300 units (one time fulfillment), 1260 days (1914 and near future fulfillment) and 1290 days (1914 and near future fulfillment);

WE WILL SEE THESE PATTERNS IN FULL REPEAT BEGINNING WITH THE MOL (xGB) REVELATION AND THE JW TEMPLE JUDGMENT AS PER 1PET4:17 AS DAN8:11-14 MANIFESTED SOON;

So, this xGB knows the JW org is given to the fire; (Zech3:2), that is also their goal;
The Basic Facts of Diversion

The King of the North

Once we see that the Soviet Union (USSR) could not fulfill Daniel 11:36 we know Jehovah's Witnesses are being misled and purposely stuck at Daniel 11:43 expectations in error;

(Daniel 11:36b) ... And he will certainly prove successful until [the] denunciation will have come to a finish;

Anomaly Error One

In fact that 1990 event of the dissolution of the USSR, the end of cold WW3 and the prophetic 3rd placement of the United Nations in global victory proclamation after that war is at Daniel 11:30-31;

The USSR never made it into Daniel 11 much less all the way to Daniel 11:42-43;(All National intrigues in world war are summarized in one sentence in Daniel 11:27: "and nothing will succeed");

With a clear statement of required "success until the denunciation will have to to a completion" at Armageddon at Daniel 11:36 we may ask:

Why is the Governing Body ignoring this easy to see error in application to the USSR failure in Daniel 11?

What's up with that?

Anomaly Compromise Two

And that just so happens to be when the Governing Body of the Watchtower Bible and Tract Society joined the Untied Nations as a global proclamation promotional partner and organization as United Nations Non Governmental organization (UN-NGO) in 1991-1992;

As Fred Franz was being silenced from any comment, and then deceased;

We have to ask, is that all a big coincidence at a critical 3rd United Nations 8th King manifestation after the cold war?

And why is the Governing Body promoting that global proclamation in the Awake! of September 8, 1991 for 10 subsequent years rather than explain this easy to see prophetic critical development?

Why does the Governing Body stick to an error that is easily disproven by the very failure of the USSR?

Could it be?

It appears the Governing Body of Jehovah's Witnesses is in fact a United Nations serving core diversion group;

It is in broad daylight, so no one can claim "conspiracy theory", this is blatantly obvious;

Four Fronts of Attack?

The other point of logic is that (1) Daniel 8:25 is allegedly "King of the South": "King of Fierce Countenance" Anglo-American [[national]] world power "standing" against God's Kingdom at Armageddon in the final Daniel 8:23-25 world power apex drive;

And (2) Daniel 11:44-45 is the alleged rival of the "King of the South" as the finale "King of the North" system also "standing" in "placement" of "palatial tents" against God's Kingdom in the "land of decoration" at Armageddon;

Well we cannot have both rival systems making a global sovereignty "placement" and claim at the same time, at the same place; They have to be the same [[globalist]] unification 8th King world power system as (3) Revelation 19:19-21 under Gog at (4) Ezekiel 38;

It is all the same final defiant globalist 8th King system;

Governing Body is Fraud Infiltration Unit

This is how we know the Governing Body of Jehovah's Witnesses is compromised and not actually Christian or anointed;

They are setting up Jehovah's Witnesses for a foretold desolation which must connect the Daniel 11:30-31 Untied Nations worship actions of the Governing Body to the temple transgression of Daniel 8:11-14 at the same time in the 1990-1991 compromise and continued cover up;

That Attempts to Break the Armageddon Globalist Developmental Connection

But it is being revealed as fraud prior to temple judgment;

Final Temple Prophecy
http://templelijah.wordpress.com/gb-8k-infiltration/the-sin/final-temple-prophecy/

Final Temple Prophecy

The Sin of 1990

(Daniel 11:30-32) “And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature]. “And they will certainly put in place the disgusting thing that is causing desolation. 32 “And those who are acting wickedly against [the] covenant, he will lead into apostasy by means of smooth words.

Systemic Profanations

(Daniel 11:31a) And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary (anointed), the fortress (organization), and remove the constant [feature] (by sinful secret profanations).

Continued Infiltration

(Daniel 11:32) “And those who are acting wickedly against [the] covenant, he will lead into apostasy by means of smooth words.

United Nations Organization

(Daniel 11:31b) “And they (UN and Governing Body) will certainly put in place the disgusting thing that is causing desolation. (United Nations 3rd placement of 1990)

1. The Governing Body joined the United Nations as the government of the Jehovah's Witnesses;
3. The Governing Body conceals prophecy that foretold all these events;

Coverup and Diversion

1. This diverts awareness of the prophetic connection of these sinful events to the temple transgression and required temple judgment and cleansing of Daniel 8:11-14; (Zech3:1-10) with false interpretation;
2. This diverts awareness that Daniel 11:30-45 is all globalist King of the North 8th King activities since 1990, not the USSR in 1945;

United Nations Operatives

1. This proves that the Governing Body have been compromised for globalist 8th King objectives in this 1990 manifestation:
   A. They squelched Fred Franz commentary,
   B. They joined the United Nations
   C. They promote United Nations Organization, support organizations, books, and activities since 1991 covert and overtly;
   D. They subvert and coverup the actual prophetic truth that the Governing Body aided the fulfillment of prophecy with the United Nations rather than expound the truth of these developments; (Daniel 11:30-31; Daniel 8:11-14);

Man of Lawlessness Revealed

1. By these actions obviously the Governing Body are the "man of lawlessness” control center that are the leading temple profaners, "in the temple of the God” that must be removed from Jehovah's witnesses as per prophecy and temple judgment-cleansing; (Zech3:1-3; 2Thess2:3-12)
2. Which leads to the temple judgment and priesthood cleansing which they are diverting attention away from; (Daniel 8:11-14; Zech3:1-10; Rev8:2-5; Mal3:1-5)

The Temple Judgment

(Daniel 8:11-14) 11 And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down. 12 And an army itself was gradually given over, together with the constant [feature], because of transgression; and it kept throwing truth to the earth, and it acted and had success. 13 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

Parallel Daniel 11:30 Profanations

(Daniel 8:11) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down.

Describes the Infiltration

(Daniel 8:12a) And an army itself was gradually given over, together with the constant [feature], because of transgression;

Describes the Coverup
(Daniel 8:12b) and it kept throwing truth to the earth, and it acted and had success.

Describes the Transgression

(Daniel 8:13) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation (connected to the “disgusting thing that causes desolation”, to make both [the] holy place and [the] army things to trample on?”

Prescribes a Timed Temple Judgment and Cleansing Period

(Daniel 8:14) So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

Parallel Fulfillment

Thus Daniel 11:30-31 and Daniel 8:11-14 are explicitly connected to the same set of Governing Body led actions, coverup and continued diversions to meet 8th King goals commencing in 1990 with the United Nations third world placement;

The Governing Body is diverting attention away from all this by continuing the illusion that the USSR in 1945, rather than 8th King UN globalists in 1990, are the genuine “King of the North”;

That conceals from the world and Jehovah's witnesses critical globalist world developments that fulfilled prophecy in 1990, and continue to fulfill prophecy that will severely affect Jehovah's witnesses in the required temple judgment that the Governing Body are also concealing as UN operatives;

More GB Info - and a New Strategy to Get Around this Frontal GB Exposé as Needed

Now I see, in the excitement of seeing all this “lawless one” requirement in the final temple inspection and clean out phase, a frontal assault on the GB 816 may be the wrong approach. I call them the 816 because the latest GB with “Sanderson” (slanderson), makes 8 guys, with 16 chins between them.

Lloyd Barry, (GB 1975–1999), was probably the last genuine anointed with any authority in the writing and teaching areas of committee development.

As you may know he “dropped dead” while giving a talk in Hawaii in 1999 (July 2).

http://www.findagrave.com/cgi-bin/fg.cgi?page=gr&GRid=38129290

In my opinion Barry was the last “loose end” real anointed with authority to oversee writing, and the possible subsequent realization of the UNNGO ramifications as big sin to break as scandal after his death. I feel he was killed and had another 10-15 years in him or more; From that point, “writing” development was sealed up for the infiltration. impotent sideline anointed with no influence were tolerated, as far as governing body teaching (or appointment), and were going to also vanish in time, naturally, or who really knows how; if you know what I mean;

John Barr ended up as Barry's "replacement" overseeing writing according to some sources, no doubt controlled or an agent himself, hence the Barry removal made way for this "stagnation agent" in doctrinal non development, the guy pointing at the explosion on the Faith In Action, Part 2, DVD cover is John Barr.

I have no idea about Jaracz, but both him and Barr exited in apparent death in 2010; Now it is all locked up for the infiltrators;

But since Henschel was a strong influence in the GB and corporate things since 1991–1992 (When Franz went physically incapacitated and died 12-22-1992), Gerrit Losch (“Garrote Leash”) was plopped in (1994) as apparent future ring leader to assume Henschel’s role upon his exit (2003) (in my opinion);

Now look at this flimsy GB imposter list experience:

Active

Samuel Herd (1999); years GB; 12
Geoffrey Jackson (2005) 7
Gerrit Lösch (1994) 18
Anthony Morris (2005) 7
Guy H. Pierce (1999) 12
David H. Splane (1999) 12
New: Mark Sanderson (2012) 0

(Even their names have dual meaning in most cases; All are in AFTER the main infiltration UN/NGO event of 1991; Notice NO ONE transitions from 1980s GB inception, 1977 (Sydlik) to 1994 (Losch) is a 17 year "gap")

They made sure no pre UN "old timers" were transitioning in, in my opinion, hence this younger GB with no experience in comparison with past GBs. This "GB" are
now all in place, in my opinion, all globalist operatives now - even the experience level is questionable to have all newbies "in office":

Look at the overall experience years in the GB compared to the past:

**Deceased**

Frederick William Franz (1944–1992) 48
Lyman Alexander Swingle (1945–2001) 56
Milton George Henschel (The lead agent in my opinion) (1947–2003) 56
Carey W. Barber (1977–2007) 29
John E. Bary (1977–2010) 32

(GB members who overlapped into UN/NGO)

You can see from the dates the formation of this active ring proceeds after Gerrit (1994) with no one earlier than 1994; That's why Barry had to be put out of the way, he was a seasoned WTBTS anointed (in my opinion) writer and had authority in that committee; His death is suspicious in this context;

Please read all of this;

**BUT** This is an update on a new strategy and a couple points.

**New Strategy**

The thing we need to focus on, is not the "infil-traitors" GB, but on the Zechariah 3, Malachi 3, Rev 8:2-5 GUARANTEED Temple cleansing events that kick off the rest. Eventually that progression leads to the "lawless one" because it has to, it is part of the cycle as in 1914 - by then, people see this is Biblical FIRST, then the "man of lawlessness" is just a part of a far bigger, fully scriptural picture;

As we see, "temple inspection" was JUST as Jesus said, like a thief, most JWs have NO idea inspection is basically completed now, now it is time for the judgment cleansing of Zech3:2/Rev8:2-5, THEN the 7 trumpets to follow at an unknown time;

See, if we can get JWs to consider the bible's own word and prophecy which defines Temple inspection and cleansing very well, in final temple completion mode, the "man of lawlessness" just becomes part of the overall more important story, that is what must be "cleansed" from the temple, hence it is the main reason why the temple needs to be inspected and cleansed, because the bible already indicates Satan will continue to infiltrate until he is abyssed.

Same with this lawless one, if Jehovah and Christ did not act, they would end up corrupting the JW organization and religion to FUBAR, it would all be history; This "cleansing" is by DIVINE, not human means, we just get to announce it prior to commencement;

BUT, Jehovah and Christ will not let that corruption beyond repair happen, and 20 years of these befouled GB "rat droppings" in the temple is long enough, it cannot go on another 10 years or it will be unrecoverable.

But the context that better reveals that, I see now, is explaining Zechariah 3-4 and Haggai's significance at temple completion AFTER the foundation work;

That leads to all the 1914-1922 characters and events, and time periods associated with this temple foundation work, but this activation of final temple completion prophecy (in the near future), has the same characters and events/periods as before, like the "man of lawlessness'', the "weeds'', the foolish virgins, the "two witnesses'', the wildbeast attack (Rev11:7) the 1260 the 1290, etc, ALL that has to have a temple completion inspection, cleansing and Rev10-11 commissioning fulfillment, BUT with final permanence, global scale, and JW temple focus, NOT Christendone any longer;

See, once we see this is ALREADY in the bible, we can shoot down the argument that we are "making this all up" from our own imagination, or are "wise in our own eyes"; Sorry folks, Zechariah is AFTER temple foundation, it cannot apply in final major fashion in 1914, because that was a temple foundation.

Zechariah is NOT human wisdom, it is very angelic and of course from divine origins, but Zechariah has a lot of angel, face to face, communication, and a lot of direct angelically assisted operations like ch. 3 and 6. Zechariah is as important to temple prophecy of completion as Daniel is to kingdom prophecy of completion; Zechariah is the Hebrew "Temple Revelation" so to speak; Zech4 accompanies Rev11, and all Zechariah has features throughout Rev8-11 parallel with Rev15-16, 19, 20.

It is the ultimate Temple prophecy of the Hebrew scriptures for divine details.

**SO OF COURSE A REAL GB OF ANOINTED WOULD HAVE ALREADY HAD 10 SOLID YEARS (Minimum) OF WATCHTOWERS AND BOOKS UPON THE ZECHARIAH TEMPLE COMPLETION THEMES, AND IT'S IMPORT AND CONNECTION TO REVELATION!!!**

**BUT THEY DON'T - AND THAT IS A RED RED RED FLAG**

WE ARE NOT MAKING THIS UP! THIS IS ALREADY IN THE BIBLE!!! IMPORTANT STUFF!
All it took was God activating it to awareness prior to activation, the "sparking" of Revelation 8:2-5;

**REVELATION 8:2-5 IS THE KICK OFF SEQUENCE THAT ALIGNS WITH ZECH3, AND LEADS TO REV 11 AND ZECH 4;**

That is what we need to tell as many people as we can about.

= **AND VERY IMPORTANT**

We do not know how long Revelation 8:2-5 and Zech 3:2-9 will take.

We do not know how severe this globalist infiltration will be in "coup de grace" finale on the org, which infiltrative apostasy is also shown in Daniel 11 in even initial fulfillment mode BUT in globalist world power paradigm significance as a secret covert action to infiltrate JWs:

See how the apostate traitors are developed, "given attention" here AFTER WW1?:::

(Daniel 11:30-32)

Infilt-traitors:

"And he will actually go back (after WW1) and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant.

Manifested objective completed:

31 And there will be arms that will stand up (think spiritual warfare in this covert action), proceeding from him (KN-2HWB globalists); and they will actually profane the sanctuary, the fortress, and remove the constant feature. "And they will certainly put in place the disgusting thing that is causing desolation.

And more Infilt-traitors:

32 “And those who are acting wickedly against the covenant, he will lead into apostasy by means of smooth words. But as regards the people who are knowing their God, they will prevail and act effectively.

See how apostate traitors are mentioned before AND after the "disgusting thing" injection? In this case covert and secretive;

Well, yes, that had a fulfillment in Christendom and WW2 true, BUT it has more meaning NOW IN the JW temple.

After WW1, the real globalist KN system came to realize, the more you attack and frontally assault JWs, the bigger and stronger they become, the more they spread, that is a futile strategy. It does NOT work, the globalists figured this all out in the WW1 period trying to war on JWs.

See what I mean? Time for globalist "Plan B" was logical;

The globalist KN powers of the 2HWB faction, that runs the 8th King "scarlet wildbeast" ALL making up the globalist "King of the North" REALIZED they needed a NEW STRATEGY INSIDE THE JW ORG to be more effective over time they:

finally old KN globalists, as per prophecy "give consideration to those leaving the holy covenant"

- at that time after WW1, from 1919 forward... This has relevance because they were ALREADY using the Christendom frauds since even before WW1, these are different ones "leaving the holy covenant"; this is focused on and in JWs and the org;

See, apostasy, that is not completely effective from the Christendom location as well, Christendom can only create frontal assaults and persecution - that only makes JWs grow. What the globalists needed was INSIDE traitors inside JWs and the org, to do a new strategy, far more spiritually damaging from inside - and that kind of infiltration and planning takes time - but the planned "wham" is BIG and Daniel by God says it was brewing since after WW1.

So, Daniel 11:30-32 implies that after WW1, the globalists started planning to get INTO the JW org, by infiltration means, from within, and they did, BUT they did not act in a major way - it took time, until "he who acts as a restraint", Fred Franz, who was Rutherford's developing counselor on scripture, and was Knorr's right hand man, then Franz himself became president and lead GBer, when he was "put out of the way", incapacitated at 98 years of age blind in 1991, and who died by 12-1992 - then they made the big move.

In that state is when they pulled fast moves immediately - the UNNGO-DPI relationship and wildbeast campaign in the Awake! and Watchtower for 10 years;

THAT is when, a second fulfillment, a covert fulfillment, of Dan11:31 manifested, after much planning and infiltration:

31 And there will be (infiltration) arms (in spiritual warfare against the brothers, from the globalists) that will stand up (become active in the JW org), proceeding from him (globalist KN); and they will actually profane the sanctuary, (with the UN relationship and sins - 1991-2001) the fortress (the JW org), and remove the constant feature. (JW top-down worship became "befouled" (Zech3:1-3 "fouls" activated))

"And they will certainly put in place the disgusting thing (that is causing desolation. The UN became linked to the JW temple, INSIDE it, by the UN/NGO affair being initiated and still condoned and justified)

= Now Daniel 11:36-41 is an alternative recap of Daniel 11:27-32, it too, get this, shows the "disgusting thing" infiltrators as "entered" into the "land of decoration" (JWs):

(Daniel 11:40-45) (Since after WW1) “And in the time of the end the king of the south will engage with him in a pushing, and against him the king of the north will storm with chariots and with horsemen and with many ships; and he will certainly enter into the lands and flood over and pass through.
Notice this FIRST "land of Decoration" entered in v. 41? Then AFTER this, there is a second "Israel" location in v. 45 later, the final one in the future**

41 He will also actually enter (with infiltrators) into the land of the Decoration (1), (in other words, infiltration UN/NGO) and there will be many [lands] that will be made to stumble. But these are the ones that will escape out of his hand, Edom and Moab and the main part of the sons of Ammon. (Those escapees "Edom, Moab, Ammon" are classic enemies of Israel in the bible, they are the traitors in this covert mode of prophecy, that is happening at the initial fulfillment leading into, and underlying, the final fulfillment in overt mode as well)

Well "many [lands] that will be made to stumble" [lands] is inserted, it can read "many that will be made to stumble" due to this action of "He will also actually enter into the land of the Decoration". That could just be as easily "many [people] that will be made to stumble".

That "entry" into "decoration" (JWs), was the UN/NGO in 1991 AND the infiltrators ("arms that will be made to stand") that manifested it. Now true, this will all have in final fulfillment mode, an overt, visible world known event as Dan11:42-43 climax in globalist ownership of the national powers as per Rev17:12-17 and that climaxest at full "Armageddon" of Dan11:44-45; BUT, in covert stealth mode, this does apply to the secret infiltration operation begun in Daniel 11:30-32 "infiltrator" planning on "those leaving the holy covenant" as defined among JWs after WW1, and results in the same thing, in v. 35 and 41, after that secret offense goes public: "stumbling";

(Daniel 11:35) And some of those having insight will be made to stumble (after the "disgusting thing" as the UN/NGO) (Well, in 10 years of scandal press, millions have now stumbled on just the UN debacle, not to mention the "Pedophile Paradise" the GB also are supporting:) BOTH Daniel "disgusting thing" and infiltrator "entry" prophecies have evidence in the JW org, and traitors are connected to the inception at Dan11:30-32 developed by the real, globalist, KN powers centered in the 2HWB;

42 And he will keep thrusting out his hand against the lands; and as regards the land of Egypt, she will not prove to be an escapee. 43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. And the Libyans and the Ethiopians will be at his steps.

And he will keep thrusting out his hand against the lands; and as regards the land of Egypt, she will not prove to be an escapee. 43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. And the Libyans and the Ethiopians will be at his steps.

44 "But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction.

The final DT stand:

**45 And he will plant his palatial tents between the grand sea and the holy mountain of Decoration (2); and he will have to come all the way to his end, and there will be no helper for him.

So, we see two separated "land of decoration" entries described in the above, that can apply to the very real events of the future, BUT also apply to the secret events since after WW1 and manifested in 1991 in the UN "disgusting thing" STILL housed in the Watchtower "temple" in v. 41 (That has fulfilled in this covert meaning);

What is worse, these infiltrators may have cut off the official UN/NGO-DPI relationship in 2001, BUT the real relationship continues on and on, and that is where also the "profane the sanctuary" is active since 1991 to today, even if they cut off the UN relationship officially, unofficially it is still an active infiltration to keep the "disgusting thing" in the JW temple; hence "befouled garments" all over the place: "Joshua" anointed, the temple, the "fortress" org, the land (all JWs), the "constant feature" is befouled, it is all polluted by this development that is STILL active;

Of course in time Jehovah MUST clean them out; They are in so deep and so effectively they need to be removed by God as per 2Thess2:3-9 parallel to Zech3:2-9; Mal3:1-5

Prepare

So, we do not know how serious this will get, and that is why it may take a year or two or three, who knows, for JWs to figure this out EVEN AFTER the big event, BUT what we are working on now from Jehovah through Christ from the Bible ALREADY written down as guaranteed prophecy, is what JWs will need to accept;

That is why you and I have to make records of this all over the internet and privately, we do not know exactly how Jehovah is going to ripple all this in, BUT HE WILL, IT IS ALL PROPHECY, AND IT IS ALL THINGS ALREADY IN THE BIBLE, THAT JWS WILL HAVE TO ACCEPT, THE Rev8 "2/3's" that get through this, and those in the 1/3 state that may repent;

Also, this will very likely be a "thief in the night" event as usual, and most JWs will be blind-sided, just the way it is when we let a progressively dying GB run the show like a bunch of popes for 20 years, now they are a full comatose cadaver; OF COURSE JWs will be affected big time!

Plus, this may hit WITH a globalist MASSIVE hit on the world and the org at the same time;

A "THIEF IN THE NIGHT" GRAND SLAMMER! BOTH JENOVAY AND THE ENEMY SYSTEM GLOBALISTS ARE GUARANTEED TO HIT THE TEMPLE HARD!

THE GLOBALISTS WANT TO DESTROY IT, JENOVAY JUST WANTS TO CLEAN IT, AND FINISH THE TEMPLE COMPLETION WORK AND FINAL COMMISSION;

SO, YOU HAVE A COMMISSION, OR ELSE JENOVAY WOULDN'T TELL YOU ALL THIS, SO WE HAVE A PREVIEW, SO WE NEED TO TREAT IT WITH THE IMPORTANCE IT HAS, IT IS A REAL MISSION, AND IT WILL IN TIME CHANGE JENOVAY'S WITNESSES THINKING FOR THE FINAL LEG OF THIS END PHASE.

It is also well suited for the internet field too boot!
"GT" and 1260/1290 Needs to Be Clarified AWAY from current GB Fossil Thought

The thing is, like many prophecies all we can do is offer information from the bible to support anything we say, or even speculate, nothing will compare to the credibility the first phases of this will give this prophetic truth;

That is the same problem with the world, they won't believe it until it happens; And even then, in both cycles, Revelation shows many simply are not “well disposed for everlasting life”, being to here and now and pleasure and or addiction oriented, even the sky falling on their very heads will not make them awake so as to repent;

BUT, not everyone is like that; There are some in the world that need to be given this map to the end of the world; Once they see one inception, then two, or whatever, some will click in in their heads and start to get with repentance, and that is shown in those “killed” in Revelation 11 after the “earthquake”, are those being saved by repenting;

See the importance of what Jehovah is doing here through Christ?

Even after the 1260:

(Revelation 11:11-13) And after the three and a half days spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud, and their enemies beheld them. 13 And in that hour a great earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven.

Jehovah will STILL be accepting genuine repentance.

(Revelation 14:6-7) And I saw another angel flying in midheaven, and he had everlasting good news to declare as glad tidings to those who dwell on the earth, and to every nation and tribe and tongue and people, 7 saying in a loud voice: “Fear God and give him glory, because the hour of the judgment by him has arrived, and so worship the One who made the heaven and the earth and sea and fountains of waters.”

Theangel in "midheaven" shows he is directing that message to earthlings; even in this post 144000 FFmode segway to the "harvest of the earth" Jehovah is STILL appealing to people for salvation;

And this is after BTG is gone, further repentance call:

(Revelation 14:8-12) And another, a second angel, followed, saying: “She has fallen! Babylon the Great has fallen, she who made all the nations drink of the wine of the anger of her fornication!” 9 And another angel, a third, followed them, saying in a loud voice: “If anyone worships the wild beast and its image, and receives a mark on his forehead or upon his hand, 10 he will also drink of the wine of the anger of God that is poured out undiluted into the cup of his wrath, and he shall be tormented with fire and sulphur in the sight of the holy angels and in the sight of the Lamb. 11 And the smoke of their torment ascends forever and ever, and day and night they have no rest, those who worship the wild beast and its image, and whoever receives the mark of its name. 12 Here is where it means endurance for the holy ones, those who observe the commandments of God and the faith of Jesus.”

The point is we do not know how deeply into the 1290 this will extend; Rev14:1 is a 1290 commencing event;

Another point is, without appreciating this all in a final fulfillment guaranteed, JWs are missing a ton of light and understanding; They are being dumbed down to be herded to extermination in anything that even resembles GT, like a massive globalist world event that cannot be GT yet, but can be used as a hoax to herd JWs like GB "pied piper" "lemmings".

That is why this GB focuses only on GT, with a simplistic view, totally bypassing this entire body of final fulfillment cycle that explains deep GT is a ways into and after "the tribulation of those days" on BTG; (Matt24:29-31)

They also do not explain the judgment STARTS with the JW "house";

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God.

JWs Have to Preach To and Thru GT+

This is more evidence this GB is lost because if things went on the way they are going, Armageddon climax, which can be ANYTIME in the 1290, even at the end of it, would come, and people would NOT realize they can still repent through GT and even into deep GT in the 1290;

Right now the GB teaches a view of GT that makes it sound like that is the end of it, when in fact the 1260 will overlay "the tribulation of those days" on BTG in some way, and that will be the CLIMAX anointed JW ministry - by association it will also be the CLIMAX "other sheep" ministry as well, that means JWs preach THROUGH GT, not just to GT;

An error like this, would of course jeopardize millions of lives, so however Jehovah does this, he will make all this as clear as a bell for not only JWs, but the WHOLE world that can accept it;

JEHOVAH IS MAKING A RELIABLE 1260 AND 1290 "TWO SQUARE" MAP TO THE END OF THE WORLD, THAT WILL HAVE AN UPGRADED AND APPROVED JW MINISTRY LEADING TO AND THROUGH THOSE PERIODS - OBVIOUSLY "INFORMAL" WITNESSING WILL BE A GREAT IMPERATIVE; WE DO NOT KNOW HOW THINGS WILL DEVOLVE EVERYWHERE ON EARTH.

Also, there are many in the world now, that will become JWs whether officially or not, and be saved that do not understand this yet; conversely there are some frauds in the JW "1/3" that will not be entering, not counted as sheep;

Things are not as they appear, and this GB wants it to stay like this, befouled, disapproved, sinning, stalling, stumbling as long as needed to whack the JWs worldwide as many times as they can, or maybe one huge event, we do not know exactly - BUT Jehovah will resolve this, yet, it may be very traumatic; This MAY be the
"shepherd" being struck, not certain on that; But in any event, it will be noticeable, and may have other events from the opposition occurring along with this fulfillment;

Then of course it will be obvious to most JWs, 'time to actually study the bible like it hasn't all come true yet', and they will, and the answers are already being opened by Jehovah now, in anticipation of this "wake up call": Zech4:1; Rev11:1

More GB Coma for JWs
The point being, this GB is saying, WT-6/15/12 -

'all the prophecies of Daniel and Revelation have fulfilled to the smallest detail'.
Not true.
In fact the WHOLE Cycle repeats!!!!
Then they sat, WT-6/15/12 -

"There will not be another world power"
Not true.
In fact the biggest most powerful world power 8th King, KN complex with 2HWB will arise in finality as the FINAL human world power; That is why he is King 8.
Now they are starting to outright lie in print; Jehovah will not tolerate this "lawless one" much longer;

===
What I am saying is JWs will need to be put on the understanding fast track QUICKLY, and it is prophesied here in light and explanation:

(Revelation 8:5-6)
Cleansing:
5a But right away the angel took the incense vessel, and he filled it with some of the fire of the altar and hurled it to the earth.

Enlightenment and explanation:
5b And thunders occurred and voices and lightnings and an earthquake.

Preparation to be under these 7 angels in full approved commission to follow:

6 And the seven angels with the seven trumpets prepared to blow them.

=
This is all part of this process we are seeing open up in the Bible from Jehovah;

(Amos 3:7-8) For the Sovereign Lord Jehovah will not do a thing unless he has revealed his confidential matter to his servants the prophets. 8 There is a lion that has roared! Who will not be afraid? The Sovereign Lord Jehovah himself has spoken! Who will not prophesy?'

So we have to prophesy that it is already in the Bible;

See, we DO NOT have another 20 years to play dead like this GB was having us do, once that "lawless one" is exposed and dumped; Time is too short for Jehovah to haggle with the fossilized GB;
JEHOVAH AND CHRIST will be blasting truth in like you wouldn't believe, we do not have even 5 years to sit around haggling all this, so Jehovah is finishing it all up, FROM THE BIBLE ALREADY WRITTEN, just needing a fast-track scripturally and logically backed rationale and explanation that Jehovah opens in His time;

And now we just have to continually make it accessible for Jehovah's and Christ's angelic use all over the world, and HE WILL use it in His own due time, and He will open it all to a complete truth, BEFORE it all comes true further than Revelation 8:2-5, which will just be a "God Slap" in the face to the JW system to Rev11:1 GET UP!!!!!;

The Grand Finale awaits, NO we are far from done! LOL

==
But also remember the context; This is heading for 100% Kingdom of God completion within at most 118.36 years from 1914 October, as 120 years of 360 day lunar years of the "days of Noah" (Gen6:3; Matt24:27) and 7 of those years is in the 1260/1290 end period; That would put total 1260 beginning at 2025;

But this is speculation, maximum time period, it may well be shorter; The point is, these changes coming into the temple arrangement and org are not to continue a human based system on earth as is now the case even with the anointed; This will provide lessons for the 1000 year reign, a final lesson in God's prophecy and letting men get too much power progressively over time EVEN IN God's own arrangement, this is how Adamic man ends up;

But Jehovah will recover this for his own final ministry that He will cause:

(Revelation 11:3) And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth."
So along with the Zech 3 clean "robes of state" finality of completing the 144000, will be guaranteed "sackcloth" for the anointed and by association the whole JW flock; This is the priority that has to come forth as this "befouled" state is resolved, for it must be resolved, as you see, this is NOT the priority of this GB and they are now attempting to mislead JWs to miss the whole final "two witnesses", and in fact may very well attempt a final "coup de grace" to whatever degree they can with the aid of their source globalists, to debalance, bankrupt and destroy the JW ministry permanently; God will NOT allow that 100% success, but they may very well slam the org good, yet that cannot stop the final "two witnesses", it will fuel it;

They are fighting God, and in this progress He will take the velvet gloves off shortly and neutralize the enemy to also a completion, that is what is coming in time, and in not much time even if we extended it 120 years from 1914;

We are going into the end cycle, the world will not be ready, many witnesses will not be ready, but God will get them ready, and the world will have to go into the phase it has been warned about for 100 years and more from the Bible;

New Strategy: Proof of Temple Completion Mode

= Prophetic Modes That Repeat Prophecies to Progressive Finale

[Modes: Ancient, Christ Era, 1914, Future Finale]

= From the Beginning - The First Prophecy

From the first and oldest prophecy at Genesis 3:15, springs all subsequent prophecy in the restoration of the divine blessing; (Gen1:26-28), turned to divine curse by sin; (Gen3:6-24; Gen12:3) by God’s "seed":

(Genesis 3:15) And I shall put enmity between you and the woman and between your seed and her seed. He will bruise you in the head and you will bruise him in the heel.’

That "serpent" Satan and his seed are also cursed with assured destruction:

(Genesis 3:14) And Jehovah God proceeded to say to the serpent: “Because you have done this thing, you are the cursed one.; (Eze28:16-17; Rev20:10)

All prophecy therefore has to do with the sanctification of God's name, which is connected to prophetic purpose and the reproached "image" in sinful man of Adamic offspring:

(Revelation 19:10) the bearing witness to Jesus is what inspires prophesying.

Thus by Revelation 21-22, the entire blessing and perfected "image of God" is returned to mankind by a "seed" in human perfection; Jesus Christ who is also called Last Adam (1Cor15:45), replaces the foremost "seed" of Satan in sinful Adam, and the sinful woman Eve with himself as Eternal Father of mankind (Isa9); The Bridal recovery new "woman" (Rev21:1-5) provides the procreative counterpart; These also destroy the Devil and the demon rebels; (Rom16:20)

Thereby the first prophecy and God's will done on earth, as in heaven, is accomplished.

As we see, the effects of this cursed ground produces all sorts of Satanic seed as weeds, thorns and thistles in symbolism of Satan's allowance to bring into existence his own offspring; (John 8:44; 1John3:12; Eph2:2)

God also brought into existence in mankind, from perfect heavenly source the Christ "seed" and those brought into that relationship as God's children; (Heb2:14; Rom8:18-22)

The majority of mankind is caught between the influences of these two "seeds" in their foremost manifestation.

The Prophetic Framework has Parts that Repeat for Emphasis of Meaning

Problem and Solution - Establishing the Central Theme

This covers 6000 years of a prophetic record written from approximately 1500 BCE to 98 CE spanning the history of man, and the prophecies of recovery; The central theme of the recovery is a sovereign agency appointed by God the Sovereign Supreme Power, the Kingdom of God in it's Messianic Kingdom form through christ; (Dan2:31-44; Col1:13-14; Rev5:10)

Associated with this ruling agency appointed by God for the recovery of the universal and earth sovereignty to Jehovah God by kingdom rulership; (1Cor15:24-28) is a Temple of Jehovah purification arrangement for the forgiveness and perfecting of humankind, and the purification and glorification of all life that is affected by the human state of sin; (Gen1:27-28; Rev21:1-5)

That priesthood of 144000 are all under the High Priest Jesus Christ for this purpose related to recovery of human beings, to transition them out of Adamic lineage, which is terminal, into the lineage of Jesus Christ the perfect man purposed to provide this life replacement of Adamic paternity; (Ps110; Ps2; Heb5-10) The 144000 perfected in Christ's "life giving spirit" (1Cor15:45) of 'last Adam' provide the maternal perfection as Christ's 'Bride'.

Replication Teaches Growing Significance

The types developed in ancient Bible history and prophecy and Israel's ancient and early types, have repeated in numerous ways as God develops these themes in the context of human history and Satan's sovereign rivalry developed in human power on earth; (Dan2, 7, 8, 11, 12; Rev 13, 16, 17)

Christ's history on earth culminated much Hebrew prophecy, and that "daystar" of light development made certain the prophecies hinging on Christ are also certain to fulfill in singular or repetitive fashion; (1Pet1:19-21)

In the Christian apostles by divine inspiration many types are developed to identify their progressive and final anti-typical meanings. Jerusalem and Babylon have taken on dual meanings in typical and anti-typical forms; The kingdom and priesthood have done likewise; David has pictured Jesus Christ, as has Melchizedek, Isaac and Moses; Abraham pictured Jehovah;

In such developments of deep meaning, repetition has been used by God to teach the principles of the final forms of Christ's person as seed, Son of God, King, Priest, Judge, the anointed Christ of God. The Mosaic law covenant provided types of anti-typical sacrifice for forgiveness of sins, and Lamb for deliverance to union, salvation and perfection in both human and spirit realms of Christ's perfection and existence;

Many patterns repeated at Christ's manifestation; For instance, Zechariah 3-4 had a typical fulfillment in 520 BCE to 515 BCE at the completion drive of the Jerusalem earthly temple; That type repeated in Christ's day as an approved "priesthood" was delivered from the befouled Pharisaic and other abominations of Aaronic and Levitical priesthood of Israel;

That type repeated in a minor form in 1914-1922 as the anointed of Jehovah were cleansed from a Christendom Babylon tainted "temple" system for approved and commissioned 'temple foundation" "robes of state" (Zech3:2-9); But of course, logically, that prophecy's greatest fulfillment will be at the great temple completion of the near future;

Well Defined Temple Focus

That far more intimate and well defined "temple" is now the anointed of Jehovah, those professing anointing and "those worshipping in" that temple system completely separated now; (Rev11:1) Christendom has nothing to do any longer with the "temple of the God" since 1919 onward; (2Thess2:3-9) and was removed for this purpose of a well focused and defined final temple. This isolates the temple completion phase inspection and final cleansing of the near future devoid of such a "befouled" abomination;

Logically as well, if Jehovah inspected and cleansed the temple foundation phase, it stands to reason of course He and Christ will inspect things closely at temple completion phase;

Zechariah 3-4 Fulfills Four Times

That is why Zechariah 3-4 has four cycles as shown in Israel typical Jerusalem Temple (520-515 BCE), Christ era (29-36 CE) "Temple"; (John2:18-22), Anointed temple foundation1914 CE and the near future anointed Temple completion. This final cycle of inspection and cleansing operations of the near future will trigger a replication of the whole 1914 cycle again but in final fulfillment mode, because temple inspection and cleansing is by fire refinement and judgment as Malachi 3:1-5 also replicates now (inspection; judiciary; Zech3:1) and in the near future;

All the events, periods and significance of prophetic meaning, but in climax finale form worldwide and in the temple, must also repeat as experienced by tested Christians in 1914-1926 of anointed and earthing destined "sheep";

Zechariah 3-4 Proves a Final Temple Inspection and Cleansing

This is why Zechariah 3 activated past Zechariah 3:1 judicial scene, the current state of Jehovah's witnesses temple system "High Priest" (Zech3:3 "befouled" reality), will launch Revelation 8:2-5 "altar" "fire" cleanse commission (Isa6) and the "seven trumpets" finale all the way through Revelation 11 paralleling Revelation 15-16 to temple completion; This is also Kingdom completion and conquest as highlighted in Revelation 11's temple (Rev11:1-4; 11:19) and kingdom (Rev11:15) significance; Revelation 11 is Zechariah 4's Christian counterpart prophecy of temple completion principle (Christ "headstone" Zech4:6-9); ("two anointed ones" Rev11:4; Zech4:14);

More Proof of a Final Temple Inspection and Cleansing in the Near Future

1. The great significance that cannot be denied is in the Zechariah and Haggai types; They were both written around 520-518 BCE after temple foundation for prophetic motivation by divine guarantee. That principle must apply to the anti-typical temple completion as well;

2. Both prophecies imply a "visitation" (Hag2:1-7) upon the priesthood and temple (Zech3:1-4) prior to temple completion; (520-515 BCE), The priesthood cleansed, approved and commissioned in "robes of state" after temple foundation; (537-536 BCE); (Zech3:2-9; Hag2:13-19)

3. Though this can apply in minor principle in the anointed Christian periods leading up to and through 1914, but that was a temple foundation phase; The Zechariah 3 cleansing type of the priesthood is after temple foundation as shown, just before temple completion, after the temple foundation phase;

4. That is when the Zechariah 3-4 prophecy climaxes in major final form in the near future, after 1914 temple foundation at the coming cleansing for temple approval, final commission (Rev 8:2-5; Rev10-11) and completion;

5. There is no way, divinely impossible, that Zechariah 3-4 cannot have a final fulfillment in major form at the completion phase of the anti-typical Temple of Jehovah which is the 144000 completion under Christ as "Head Stone" (Zech4:6-9) as he was also "Foundation Stone" (Isa 28:16; 1Pet2:6)

This is the whole climax of the bible with Kingdom completion for this pre-Armageddon period!

6. There is no way Jehovah is setting a "Head Stone" in the Christ; (Zech4:7b), in the Temple of Jehovah; (Rev3:12) as a final crowning achievement of permanent divine coronation upon an incomplete "temple" architecture, that is, upon an incomplete 144000 in resurrected spirit glorification; The 144000 MUST be complete for this event, before Armageddon climax, for it in fact;
7. The Temple of Jehovah 144000 must be fully completed under Jesus Christ prior to the climax of Armageddon commencing the 1290 period of Christ Court of Daniel 7:25-26 (Dan12:7) as the 3.5 times there, and in Revelation 11:2-3 leads to the 1290 days of Daniel 12:11 after the "constant feature" is removed per Revelation 11:7 war of the wildbeast upon the "two witnesses" which picture the anointed remnant;

8. As with Haggai and Zechariah's prophecy, that typical Jerusalem Temple was rebuilt and completed in the face of the enemies of Israel; Same thing with the anti-Temple of Jehovah in Christ and the 144000; that too, will complete in the face of the enemy, as divine temple, directing the final salvation of humans (Rev14:14-16; Rev7:15 "temple") and the final annihilation of the enemy and rival systems; (Rev14:17-20 "temple")

So the greatest replication of all prophecy in Kingdom and Temple completion mode, in all human history, is about to activate in Zechariah 3. All Sovereign Kingdom and Temple prophecy for this period must climax and complete in the foretold grand finale that has had a number of minor cycles to affirm the certainty of the finale; (2Pet1:19-21)

(Isaiah 43:10-11) “you are my witnesses,” is the utterance of Jehovah, “even my servant whom I have chosen, in order that you may know and have faith in me, and that you may understand that I am the same One. Before me there was no God formed, and after me there continued to be none. 11 I am Jehovah, and besides me there is no savior. (Isaiah 43:10)

I am Jehovah, and besides me there is no savior. (Isaiah 43:10)

(1Pet4:17) you are my witnesses, in order that you may know and have faith in me, and that you may understand that I am the same One. Before me there was no God formed, and after me there continued to be none. 11 I am Jehovah, and besides me there is no savior.

(Isaiah 55:11) my word that goes forth from my mouth will prove to be. It will not return to me without results, but it will certainly do that in which I have delighted, and it will have certain success in that for which I have sent it.

Jehovah is due in HIS Temple SOON: (1Pet4:17)

Now just because the xGB has turned out to be MOL (2Thess2:5-12), doesn’t absolve a Jehovah’s witness from their own personal vow to Jehovah through Christ; (Same thing happened in Christ's time;)

Nor does it mean Jehovah will abandon the JW temple;

Au contraire, Jehovah will COME INTO THE TEMPLE AND NEUTRALIZE HIS ENEMIES AS THIS PROGRESSES; (ISA 66:6)

Prophecy is what must FIRST be fulfilled;

JWs might as well get used to the truth that 1Peter4:17 comes on JWs BEFORE the GT on BTG;

Jehovah must first cleanse the temple for real (Dan8:11-14) and the priesthood (Zech3) before JWs can be given final commission in a cleansed, "1/3" purged state; (Rev8:2-13)
Here is how it all transpired:

1. USSR drops out of Daniel 11 fulfillment; relegated to "nothing will succeed" of Dan11:27, as is Nazi Germany and the rest since WW1 approximately;

2. Fred Franz who would have commented on this meaning, that the NWO King North was placed in 1990, fulfilling Dan11:31 by False-Prophet, 2HWB proclamations before the US Congress (9/11/90) and the UN Security Council (9/24/90) by George Bush Sr. priest of the 8th King temple;

3. Instead, Fred Franz, the 2Thess2:3-12 "one who acts as a restraint" against "transgression that causes desolation" and the "man of lawlessness" is very conveniently, given the gravity of this event, incapacitated and soon dies;

4. In covert fashion, the "man of lawlessness" faction in the JW org begins to manifest, by joining George Bush Sr. and the 2HWB in also proclaiming "new world order" as the chief false-prophetic mantra of the UN/DT 3.0 placed globally after WW 3.0 (Cold War) on 9/11/1990.

5. This occurs worldwide as the UN/DT 3.0 in NWO mode is placed in the JW temple by Milton Henschel and Co. and in the worldwide distribution of the Watchtower and Awake! for 10 years; 79 "NWO" references and quotes, not to mention 100s of UN, UN support org, book and activities also highlighted and "plugged" for the JW demographic and world audience for 10 years; (The term "new world order" appears 79 times in that decade in the WT and Awake!; Verifiable on the WT Lib CD from 2001 forward.)

6. The xGB fulfills the full manifestations of Daniel 11:30-32, and Daniel 11:41 as "those who leave the holy covenant" who covertly "enter" the "decoration" with evil intent; The xGB commits the "transgression that causes desolation" related to the placement of the "DT that causes desolation" in the JW temple, as covert "man of lawlessness" IN the "temple of the God" in "transformed" 2Cor1:13-15 "angel of light" mode; (All anointed are implicated; Zech3:3)

7. In 2001, timed with 911/WTC, the xGB globalist NWO KN (8th King+2HWB (head7 scarlet wildbeast)) handlers event, the xGB is "conveniently" exposed for undercover adulteries with the UNNGO Department of Public Information as an adjunct "world wildbeast ad agency" for free UN advertising globally, with a "library card" to research books, orgs and activities to "plug" regularly in the Watchtower and Awake!,

All while keeping the new Dan 11:27-43 fulfillment, applied to NWO globalist "King of the North" hush hush;

8. Therefore 1Peter4:17 is to begin upon JW org, Zech 3:2 "log", Dan8:11-14 "established place", Dan11:30-31 "fortress" shortly;

All temple prophecy repeats:

King North is globalist 8th world power:

And God provides a reliable in a map to the end:

Timeline of UN-NGO/NWO GB Sins Leading to JW Temple Judgment (The Real One, not the Fake GB Hoax "Cleansing")

First of I am Jehovah's witness, telling JWs that a JW house/temple judgment (1Pet4:17) of unbelievable proportions will virtually wipe the JW org off the face of the earth soon; (Dan8:11-14), and that is from globalist powers allowed by Jehovah, He who is not happy with Jehovah's Witnesses United Nations (United Nations Non-Governmental Organization (UN/NGO) sins and idol worship in his house of the G;

I am not encouraging JWs to leave the organization, or the ministry or the vow that we WILL be held to by Deities who expect obedience to the death, regardless if the Pharisees (xGB) are in the JW org, as was the case in Christ's day; Christ stuck to the mission; (Zech5)

But I tell JWs the whole prophetic cycle of 1914-1922 will repeat in final fulfillment mode activating soon, in the temple completion cycle, just as it fulfilled in the minor temple foundation cycle (1914-1926), and all real JWs will be expected to resume duties in an approved and cleansed state after this current JW infiltration is eradicated by God in temple cleansing (Dan8:11-14; Isa66:6) and priesthood cleansing (Zech3) for the final world warning campaign of the Sovereign Ultimatum (little scroll) of Jehovah God and Christ in the near future second "two witnesses" worldwide final ministry from God; (Rev10-11)

Firstly the xGB Apostasy is Prophetic - IT MUST Fulfill FIRST

This scripture below indicates a planned infiltration of the JW org by globalists, developing apostate JWs, (and others; v. 32; still operable in the "temple of the God") is currently active to profane and subvert Jehovah's witnesses by spiritual warfare prior to the big 1991 Governing Body (GB) sanctioned UN-NGO/NWO PR manifestation:

(Daniel 11:30-32) "And he (globalist KingNorth; (gKN)) will actually go back and hurl denunciations against the holy covenant and act effectively (in the JW org, etc); and (gKN) will have to go back and will give consideration to those (JWs) leaving the holy covenant (in the WTBTS);

31a And there will be (infiltrative) arms that will stand up (in spiritual warfare; Eph6:12), proceeding from (gKN); and they (gKN and JW traitors) will actually profane the (JW) sanctuary (by UN/NGO services), the fortress (JW Org), and remove the constant feature. (Pollute JW sacrifices from then on; To coming desolation as per Dan8:11-14)

31b "And they (gKN and JW traitors) will certainly put in place (In world and WTBTS) the disgusting thing (UN in NWO mode) that is causing desolation. (And that parallels the "transgression causing desolation" of Dan8:11-14 in 1991 in the WTBTS xGB sanctioned adulteries)

32 "And those who are acting wickedly against the covenant (more WT traitors), (gKN) will lead into apostasy by means of smooth words. (So, the infiltration continues, expands, and is present in the JW org today;)

Secondly it is Organized

Please note that the xGB agents move in a slight delay along with, and after a major globalist leading world event as UN and globalist "New World Order" (NWO) supporters; (As UN NGO); (1991 UN-NWO, 2001 UN)

The end of the engineered Cold War NWO placement (9/11/1990) was such an event that produced a delayed complimentary move by the WTBTS xGB in 1991
And it Suppresses the Truth

They also covered up the fact that prophecy of Daniel 11:30-32 had indeed fulfilled in the UN 3.0 NWO stance of 9/11/1990 proclaimed by GB (George Bush) and xGB (Governing Body) working hand in hand for globalist scarlet wildbeast interests;

That is where it all began to fully manifest 20 years ago;

Timeline - Compounding Gross Sin Napalm Gangrene xGB Timebomb Went Off 1991

**Phase 1 - Covert Gehenna Level Sins (1991)**

(##) = Sin Tally

1. GB WTBTS sanction a UN/NGO Department of Public Information (DPI) Public Relations agreement for UN/Disgusting Thing 3.0 in False-Prophet's NWO Mantra Mode; (9/8/1991 Awake!) (1)

2. Internal profanation of the temple/priesthood (2-3), organization (4), and the JW sacrifice (5); (Ongoing) is accomplished for 10 covert years of UN supporting promotions;

Daniel 11:31 they (gKN and JW traitors) will actually profane the (JW) sanctuary (by UN/NGO services), the fortress (JW Org), and remove the constant feature. (Pollute JW sacrifices from then on;)

This results in high level holy spirit removed and blessing withdrawn; (Hag1; Mal1; Zech1) The betrayal targeted JW flock under divine shepherding; (Zech11)

10. years of Wildbeast adultery ensues in covert mode as xGB peppers and plugs the UN and NWO to it's global audience mind; (Hundreds of sins)

**Phase 2a - United Nations Worship and Escort Services Exposed (2001)**

4. UN/NGO "news release" timed with 911 event for full effect is released with pedophile protection policies news in May 2002;

In other words xGB globalist operations go covert while United Nations relationship goes "world news" overt;

**Phase 2b - Idol Erection and Stumble Fest and More Bloodguilt (Ongoing)**

5. xGB uses "apostate", "opposer" and general valid criticism of obvious real hypocrisy as a pretext to idolatrously fortify the attacked "bodies" of "GB" (6), "Slave" (7) and "Org" (8) in the WT, creating an idol construction routine (9) that builds with every self-exalting WT publication article to "repair" the PR damages of engineered reproach; (Hundreds upon hundreds of sins)

In other words it is a self-fueling synergistic strategy for compounding sins perpetually not "accidental" or "random" but "symbiotic";

6. Regularly, sanctification of Jehovah's name and Christ's Kingdom publicity is stolen (Zech5) (9-10) by undue attention given to the xGB idol "under construction" and their support idols of "Slave" and "Org" along with a 10 year and growing United Nations "Disgusting Thing" (UN/DT) as NWO pushing monster-idol in the JW temple in full worldwide view and publication; (11)

In other words it is deeply established now, terminal, was subtle and is real regularly practiced gross sin condoned and unconfessed by the xGB; The WT no longer talks about Jehovah, but about themselves, and topical newbie sheep minutia recycled to pretend to look busy and holy;

**Mega Internet "Sam Herd" Phase**

7. Now the xGB and globalist planners create an oppositional web "herd" of opposers and critics on the internet fed by general xGB globalist puppeted shenanigans piped out regularly to the web, in public actions and ideation in the realm of hyper-absurdity and ridiculousness; (12, thousands of sins)

In other words "Apostates" are xGB fed, grown and shepherded on the 2 billion person web by the xGB who by policy exclude JWs from any reparatory participation in that massive worldwide field;

8. This is another sin, JWs never have been encouraged or organized to "bear thorough witness" to these 2 billion people, many inaccessible by traditional means who could be reached by the internet; (13, millions of sins)

**SuperSin:** By this strategy the oppositional xGB led "satan (sam) herd" on the web have a captive audience 24/7/365, with a one-sided argument, in the largest global territory to open up in human history, with only a “branch office” (the jw website) and no JWs in force, just a few JW web-pioneers in unofficial Godsends missions;

**Brazen Manifestation**

9. The xGB is so brazen, blatant and surreal in hypocrisy and bad policy, JWs accept their enormous claims and tomfooleries because the contrary obvious implication of the overt “JW” “man of lawlessness” for 20 known years is simply unacceptable to the average duped JW; Yet, that is exactly what it is occurring; (14)

In other words it is hidden in plain sight, too big to see, now just part of the JW org backdrop;

**Mega Stumbling Bloodguilt**

10. This willing, condoned and regular adultery, idolatry, reproach, lies, theft and murder by stumbling proves it is purposeful in evil actions and compound in dynamic effects; This is beyond a merely "stupid" “GB” as many duped bystanders linearly react as part of the formula on the unaware general population, it is brilliant in evil planning and the great actual effect of stumbling millions of people from the web globally, covertly daily in the hundreds; (15)
In other words, JWs approving of this have blood on their hands in the millions by complicity and community guilt with the "mother" (Hos2:5) xGB and NOW innocent blood-tainted JW org; (Eze9:4)

11. With the UN/NGO scandal and obvious pedophile propagating invitationals creating organized scams in multi-millions in "out of court settlements" (and real abuses), 8 to 12 million people are stumbled in 10 years, robbers con the temple regularly; (Eze7:22)

12. Hundreds of millions of people worldwide see the reproach, and JW see the stats of the JW growth rate being cut in half in a 20 year trend since the 1990 projections; Now 8 million projected JW's missing, where did they go?

Stumbled by the xGB;

In other words something has to give; The 1991 United Nations (UN) harlotry (blessing removal) and the subsequent overt "man of lawlessness" sinner operations since 2001 have JW's sunk in perpetual, deep and compounded, multi-layered, voluminous, expanding sin, while in total denial, adding more sin to the sins; (Zech3:2-3)

Mega Global Reproach of Jehovah

13. All one has to ask is one simple question to see the "man of lawlessness" fulfilling in the xGB and org evil developments AS WE SPEAK;

*Is Jehovah really going to inspire xGB Milton Henschel and Co, to bring grand reproach globally upon His own Name from a brazen adultery with the UN-NGO for UN/NWO and give that His approval and blessing?*

With no reprimal of any sort?

You GOTTA be nuts! (1Pet4:17; Zech3)

Please;

===============

From One Thing

So that is how, from an established infiltration of the JW org, fulfilling prophecy in Daniel 11:30, and finally manifesting in the UN/DT (disgusting thing; Dan11:31; Matt24:15) 3.0 dual "placement" sin of 1991, also fulfilling Daniel 11:31b, all this compound situation of gross sins originated, one thing leading to another;

And it continues to be condoned and continued by Jehovah's witnesses now as a group as we await God's judgment on this most shameful era in Jehovah's Witnesses history, and lament the brazen "man of lawlessness" (MOL) Governing Body in our midst who has 90% of JW's sharing in his sins and totally oblivious of the judgment due (Dan8:11-14);

The "Man of Lawlessness" is now obviously "IN the temple of the God" publicly self-revealed; (2Thess2:3-4)

And what it the root?

Unbridled xGB self-exaltation, pride, and habitual sinning trend apparently engineered to be such, just like Satan himself; (2Cor11:13-15), who now covertly rules the WT/BTS from the xGB "right hand" of "Joshua" for a "short period of time" as well, in a "1/3" coming judgment in final fulfillment mode; (Rev8:2-13); (Zech3:1; 2Thess2:3-12 in 2Cor11:13-15 mode)

But as we know this was aided externally; (Dan11:30)

The judgment coming on JW's to cleanse temple (Dan8:11-14) and to cleanse priesthood for recover (Zech3:2-9) is now being made known before 1Peter4:17 erupts on the JW house worldwide - SOON;

GB Cover Up: United Nations Third World Placement 1990 (Dan11:31)
The GB Sinner Objectives for UN Partisanship; Prophetic Cover Up to Aid Globalist Secrecy...

The Governing Body of Jehovah's Witnesses is covering up the third United Nations placement in prophecy and world history as the "disgusting thing" fulfilling Daniel 11:31 in 1990 as Cold World War 3 ended; (See Awake! 9/8/1991 Issue)

The Governing Body says nothing about this event because they are UN operatives as "man of lawlessness" as "they will certainly place the disgusting thing" partisans of Daniel 11:30-31; (2Thess2:3-4)

Instead, at this very moment in history 1990-1991, the GB became United Nations official organized NWO promoters to over 100 million people in their world audience demographic; The 3rd UN placement was all hush hush as prophecy, but all trumpets and scarlet red carpet at Bethel;

1. This coverup severs the Bible continuum of 4 biblical United Nations 8th King related "disgusting thing" placements at number 2 UN placement of 1945 from the continuation and importance of this 3rd UN placement in 1990 (Dan11:30-31) en route to Armageddon's 4th "disgusting thing" placement of Daniel 8:25; 11:44-45 in the future;

2. This obscures the Biblically laid out 1-2-3-4 globalist world government continuum to Armageddon finale as these four stands of the "disgusting thing" in Bible prophecy and modern world history lead to world war 4 and the final 4th placement of the UN 4.0 of Daniel 8:25;

Kill the JW Org Worldwide; Wipe Bethel Off the Map...

1. This sets up Jehovah's Witnesses for a hoax GT kill shot "coup de grace", globalist backed hitjob appearing as the end sequence of Daniel 11:44-45;

A. In reality this is actually the beginning of the temple judgment phase with years to temple completion over 3 known prophetic periods of Daniel 8:14; Rev8-9 (6 trumpets) and Revelation 10-11 1260 days to 7th Trumpet finale;

B. This transpires as the globalist 8th King goes to and through "World War 4" for 4th world placement of global government at apex after WW4 is conveniently resolved for this world government presentation as in 1919 (Rev13:11-15); 1945 (Rev17:8-11) and 1990 (Daniel 11:31); (Fourth placement: Daniel 8:25; 11:45; Rev19:19-21)

That is why this quadruple phased UN continuum is important to understand in the Bible!

GB Smoke Screen to Hide Bible Reality

1. This obscures the Governing Body as the "man of lawlessness" infiltrator anti-Christian sinners, fulfilling the modern Daniel JW temple transgression series in 1990 as UN "lover" sinergy as that United Nations' 3rd placement was mirrored at Bethel (Awake! 9/8/1991 as UN NGO adjunct promoters for 10 years) by this fraud Governing Body "lawless one" legacy of today's UN posers;

2. While the Governing Body got on all fours for the UN they are in service to, these lawless purposeful frauds fulfill live and real UN "lover" "sinergy" as that United Nations' 3rd placement was mirrored at Bethel (Awake! 9/8/1991 as UN NGO adjunct promoters for 10 years) by this fraud Governing Body of Jehovah's Witnesses is covering up the third United Nations placement in prophecy and world history as the "disgusting thing" fulfilling Daniel 11:31 in 1990 as Cold World War 3 ended; (See Awake! 9/8/1991 Issue)

This will be a world signal event of the beginning of the end of the world;

USSR and Nazi Lies and Delusions

1. The Governing Body covers this up by sticking to the USSR Daniel 11 errd interpretation of the past made impossible as the USSR collapsed around 1990 invalidating Daniel 11:36; 11:42-43 from Soviet fulfillment hence all USSR is invalid in Daniel 11;

King North is NOT the Soviet failures (Dan11:27b), King North is apex 8th King globalism and elite globalist world government;

2. Daniel 8 cannot apply to world war 2 as well for a number of reasons: There is no reason why God would time (Dan8:14) an insignificant Watchtower org chart modification (in 1938) as if that was the "transgression causing desolation" when the JW org was not desolated like it is going to be in this next hit;

God times Daniel 8:14 2300 units because it leads to the 6 trumpets in final fulfillment cycle of Revelation 8-11 (And eventually the end of the world of the 8th King)

Too Many Anomalies

The Governing Body of globalist infiltrates in the JW org use these flimsy smokescreens to work their mass sinner magic at Bethel now for at least 20 solid undercover years fulfilling Zech3:1-3 "befouled garments" in tangent with 2Thessalonians 2:3-12 "man of lawlessness" final temple judgment phase revelation of these frauds as per the final temple prophecy sequence;

This was all as Fred Franz was shut up, and the Milton Henschel GB Circus went into power as globalist UN lovers; This is TOO MANY convenient UN friendly GB coincidences to be random and accidental coincidence;

The GB are fraud globalist intel ops, plain and simple;

The United Nations and Governing Body Partnership and Synchronicity of Objectives - WTBTS UN NGO Basic Parallels

Overview
Evidence and parallels of the United Nations Governing Body control of the Watchtower Bible and Tract Society fully since 1990 eventually becomes obvious based on many pieces of symphonic evidence with globalist world activities and goals;

The large amount and great significance of these synchronous anomalies covered below are simply too numerous and well timed to be just randomly coincidental;

Bible prophetic fulfillment, the United Nations and the Governing Body are all in astounding synchronicity for 20 years as the Governing Body remains silent on these events and their implication to Bible prophecy;

Yet the Governing Body is quite vocal in joining the globalist proclamations of the 3rd United Nations world placement of modern geopolitical history in 1990 to present;

**Synchronicity 1**

**United Nations World System**

1. The Cold War (WW3) ends;
2. USSR Dissolves;
3. Russia Joins the United Nations;
4. The United Nations goes on a post Cold War promotional tour of the world in New World Order proclamations before the UN General Assembly;

**Watchtower Bible and Tract Society**

1. Fred Franz incapacitated and dies;
2. Fred Franz is unable to comment on the significance of the USSR dissolution and failure as a national governmental bloc;
A. This disqualified the USSR from fulfilling Daniel 11:32-43 in "King of the North" significance as previously interpreted by Jehovah's Witnesses as success to Armageddon was not reached as a requirement of fulfilling Daniel 11:36;
3. The Governing Body of Jehovah's Witnesses makes no comment on these astounding world events at this time or later, as the USSR fails someone has to be the actual "King of the North" entity at this time, but the Governing Body sticks with the USSR impossibility;
4. The Governing Body begins a subterfuge campaign to bypass UN "King of the North" globalist developments which actually fulfill Daniel 11:30-31 by focusing on the failed USSR to fulfill Daniel 11 prophecy;
A. In actuality the globalist United Nations 8th King system can be the only actual "King of the North" successful all the way to Armageddon as the dominant world governmental system in progress manifesting in 1990 in a global proclamation fulfilling Daniel 11:31;
5. Instead of covering these developments in detail, the Milton Henschel led globalist Governing Body crew takes command of Jehovah's Witnesses and the Watchtower Bible and Tract Society and begins leading the organization into massive sins, prophetic coverup, stumbling and reproachful activities under masterful subterfuge;
A. This United Nations partnership aids proclamation of the UN 3rd placement and covers up 8th King UN developments in relation to modern Bible prophecies being fulfilled;
B. That these massively significant developments all happen at the same time is beyond coincidence in hindsight now;

**Synchronicity 2**

**United Nations World System**

1. On September 11, 1990 the 3rd United Nations prophetic world placement as world government development in New World Order mode announced before US Congress by then President George Bush Sr goes global;
2. This fulfills Daniel 11:31 1990 "disgusting thing" commencement and also goes before the United Nations General Assembly and Security Council;
3. The Gulf War declared and proclaimed as a test of New World Order "mettle" coincides with this proclamation of the UN 3rd Placement;
4. This fulfills Daniel 11:40 commencement as this prophecy progresses from this point of fulfillment;

(The failed USSR cannot apply to Daniel 11:36 explicitly or to Daniel 11:32-43 as previously thought; The 8th King UN globalist system does;)

**Watchtower Bible and Tract Society**

1991

1. The Governing Body and WTBTS release September 8, 1991 Awake! magazine also proclaiming 3rd United Nations placement as designate promoters for UN New World Order directives;
2. Governing Body makes no comment on this 3rd United Nations world placement event or the significance of the globalist aligned Gulf War and Daniel 11:31, 40;
3. Instead the WTBTS joins the United Nations as "non-governmental organization" by its governmental body as they attach the "Israel of God" anointed nation to the United Nations as one of its organizations.

4. The Governing Body covertly undertakes ten years of UN, UN affiliate, UN book, and UN world activity promotions as the Bethel spearhead of Governing Body services in the UN Department of Public Information;

A. Awake and Watchtower quote UN General Assembly and Security Council speeches and claims of George Bush Sr. and others as this commence in this Awake! 9/8/1991 issue of UN promos;

5. This United Nations and Governing Body union fulfills Daniel 11:31; "They will certainly place the disgusting thing" as a team effort between the United Nations and the Governing Body's secretive operations planned for future exposure;

A. The Governing Body makes no comment on this United Nations partnership at that 1991-2001 period of time;

6. An obvious globalist aligned infiltrative compromise of the Governing Body fulfills Daniel 11:30-31 (Dan8:12); Daniel 11:41 in permitted globalist UN covert invasions of Bethel by subversive covert infiltration aided by the Governing Body;

7. The Governing Body leads Jehovah's Witnesses organization wide profanations and spiritual desecrations spread "gradually", fulfilling Daniel 11:30 and Daniel 8:11-12;

A. The JW "army is gradually given over" to 8th King control plainly seen since 1990;

8. Daniel 11:30b; "Those leaving the holy covenant" are indeed the Governing Body of Jehovah's Witnesses as much synchronous evidence begins to be assembled that these are the head of the "man of lawlessness" in this "temple of the God";

**Concurrence 2 - 1999**

**United Nations World System**

1. Global NATO forms as United Nations scale globalist world military system for globalist objectives;

2. This is an extremely significant development in globalist military progress intensively expanding the fulfillment of Revelation 16:13-16 and Joel 3:9-12 in worldwide military unification and preparations;

**Watchtower Bible and Tract Society**

1. The Governing Body makes no comment on this United Nations aligned globalist world military system in Global NATO;

A. It's just another misled day at Bethel;

2. It is covertly obvious in hindsight that the Governing Body is covering UN revealing prophecy, world placement of globalist government, and military expansions in wars and military systems worldwide;

3. The Governing Body makes no comment on any of these events fulfilling prophecies, or their own official involvement with the 666 services they are engaged in;

4. Daniel 11:40 invasion of the world by 8th King globalists intrigue and the Daniel 11:41 invasion of the WTBTS continues unabated or exposed as the Governing Body continues the charade;

**Concurrence 3 - 2001**

**United Nations World System**

1. World Trade Center 911 events provide pretext for Global War on Terror, as a globalist military positioning world invasion expands in a world declaration of war;

2. Daniel 11:40 continues in globalist world military expansions and "invasions" for ultimate World War 4 positioning expansion;

3. Trillions of dollars are diverted to globalist world military needs, and the financial massive debt of national governments in this 2001-2011 decade;

**Watchtower Bible and Tract Society**

1. Convenient press releases expose the Governing Body WTBTS United Nations UN-NGO relationship and ten years of advertising campaigns deploying millions Jehovah's Witnesses to spread UN public information to their unique demographic in millions upon millions of magazines;

A. All this for ten years while no Jehovah's witnesses are aware of their involvement in UN information spreading in an organized and officially sanctioned relationship with the Governing Body and traitorous Bethel top hierarchies;

2. The "Pedophile Protection Policies" also revealed at the same time in an amazing synchronous set of developments again;

3. Governing Body spiritual sexual sins (along with pedophile harboring sexual sins) and profanations go into global reproach phase as millions are stumbling in the subsequent decade;

4. Internal Governing Body organized "filth feeds" fuels external apostate web attack as Governing Body isolates the web for the apostate ministry encouraging Jehovah's Witnesses to avoid the internet;
5. JW growth rate is cut in half in twenty years of lies, sins and cover-up since 1990 as massive covert but highly publicized Governing Body led reproach campaigns stumble 8 to 20 million people or more;

6. Lies, lies and more lies are told by the Governing Body as they manifest as the "man of lawlessness" in public sins and blasphemous claims as the only pre-approved faithful and discreet slave in the world;

7. 20 years of Governing Body sanctioned and approved gross sin and full organizational compromise to globalist intelligence operations aids deception;

8. Governing Body denies all sins;

**Concurrence 4 - Future Synchronous Event with Governing Body**

**United Nations World System**

1. External deceptions of the mass public aids false prophetic set-up of Jehovah's Witnesses by Governing Body coverup and subterfuge;

3. Bethel worldwide organization of Jehovah's Witnesses "established place thrown down" in finale events of Daniel 8:11-14 as Zechariah 3:1-7 as Revelation 8:2-5 activates in the final judgment cycle beginning with Jehovah's Witnesses as per 1Peter4:17;

4. Daniel 11:40 intensifies as a huge 8th King inspired world event cycle manifests the globalist drive for eventual World War 4 and Babylon the Great by starting with the pillage and desolation of the WTBTS;

**Watchtower Bible and Tract Society**

1. Jehovah's Witnesses misled by the Governing Body and hanging at Daniel 11:44 imagine this is the "great tribulation" and the "end of the world";

   A. But in fact this event series is the beginning of the final temple cleansing phase temple judgment;

   B. This is the beginning of the last prophetic cycle that will go on for years in Daniel 8:14 minimum 3.19 year time period, Revelation8-9 six trumpets (and bowls) and Revelation 10-11 1260 days of Revelation 11:2 in linear sequence;

2. Many Jehovah's witnesses are brainwashed to "obey the organization" to survive setting them up for specially planned 8th King world disasters which target Jehovah's Witnesses as the Governing Body globalists betray them;

3. Many Jehovah's witnesses are misled into a premature mind set by Governing Body subversions and cover-up and are herded by Governing Body worldwide 'Zone Oversight' to internment and prisons as this is planned with the globalist system;

   A. These anomalies have a coup-de-grace final event planned as all this has been leading to this conclusion since 1990;

4. The Jehovah's Witnesses ministry goes into the abyss of inactivity as the globalist go into world overdrive leading over time to 4th UN placement; (Dan8:23-25 is Dan11:44-45)

5. Bethel is fully invaded by globalist world powers worldwide culminating Daniel 11:41;

6. Jehovah's Witnesses are checkmate by the "man of lawlessness" now fully exposed in the temple of the God; (2Thess2:3-12; Zech3:1-3)

7. This Governing Body aided hoax GT is actually the long awaited temple judgment that catches most Jehovah's Witnesses and the world system sound asleep; (1Pet4:17; Dan8:11-14; Mal3:1-5)

8. The world judgment of God has begun and will drag on according to well known prophetic cycles that initially fulfilled in the 1914 era; (1Pet4:17)

**United Nations World System**

1. The United Nations system prepares to present the fourth and final version of "disgusting thing" "image" and world government after World War 4, as in the 3 previous world wars in 1919; WW1, 1945; WW2, 1990; WW3;

**Watchtower Bible and Tract Society**

1. The Governing Body has been concealing the 3rd United Nations "disgusting thing" placement that they aided in the proclamation of in 1990, so that Jehovah's Witnesses and the world do not see the logical continuum of four placements of the "disgusting thing" progressing to full world government;

**Temple Cleanse by Fire**

1. The Jehovah's witnesses are cleansed over 3 to 6 years as per Daniel 8:14 of all lawless UN partisans and weed Jehovah's Witnesses by horrific world events on the sinful Bethel organization;

2. The Governing Body is terminated, Watchtower ceases to circulate, Bethel seizes up in world financial intrigues as Jehovah's Witnesses enter the abyss state of Rev9:1;

**Four Trumpets Deploy**

1. As Jehovah's Witnesses are entering the desolated "abyss" state of Revelation 9:1-4, the first sequential 4 trumpets herald God's judgment on the transgression and "befouled" state of the Jehovah's witnesses; (Rev8:6-12);

2. Jehovah's Witnesses are eventually purged of the globalist Governing Body and recommissioned for the end of the world final ministry of Revelation 9-11;
World Judgment Commencement

This initial Temple Judgment that commences the final cycle starts with Jehovah's witnesses (1Pet4:17; 2Thess2:3-12), but eventually those 7 trumpets and 7 bowls will become the finale of signals of world judgment globally as well;

Prerequisite Fulfilled

This revelation of the "man of lawlessness" as the Governing Body of Jehovah's Witnesses is a long awaited final development as prerequisite of the judgment which must be after this revealing:

(2 Thessalonians 2:3-4) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god.

This has been fulfilled in "man of lawlessness" as per this evidence presented here, and by self-revelation as this rogue body claims to be the pre-approved "faithful and discreet slave" according to their own "new light" at the 2012 Annual Meeting of Jehovah's Witnesses corporation;

THAT PUBLIC REVELATION BY ABSURD BLASPHEMY, SINCE THERE IS NO GOVERNING BODY FOUND IN THE BIBLE, AND THIS SELF ACCOLADE IS CERTAINLY PREMATURE TO THE JUDGMENT WHICH CHRIST WILL MAKE, NOT UN GLOBALISTS IN THE GOVERNING BODY INFRINGEMENTS;

Continued Cover Up

1. This is why this rogue Governing Body of globalist intelligence operatives is not teaching Jehovah's witnesses about the final fulfillment in temple judgment, cleanse and completion cycle;

A. They throw truth to the earth in subversion and subterfuge also fulfilling more prophecy; (Daniel 8:12)

Temple Judgment Signal

1. Daniel 8:11-14 is the signal that commences the final prophetic cycle to temple completion and Armageddon;

2. The six trumpets and six bowls are all parallel heralds (on Jehovah's witnesses judgment) and plagues of world judgment converging in the recovery ministry of Jehovah's witnesses in the 5th and 6th trumpets to herald the totality worldwide to and through the final ministry;

Revelation 11 "Two Witnesses" 1260 Day Finale;

1. This all leads to the final world ministry of all time in this Adamic ending era as the 5th and 6th trumpets lead to the recommissioning of Jehovah's Witnesses who pass this judgment or repent into a cleansed state as the objective of this judgment; (Dan8:14; Zech3:4-7; Mal3:1-5)

2. That ministry is the Revelation "little scroll" sovereign Kingdom of God proclamation of assured completion and conquest of Christ's Messianic Kingdom in the commission of the final "two witnesses" fulfillment of Revelation 11 for 1260 days;

Dangerous Diversion

1. A critical feature of this development is that the "end" that Jehovah's witnesses are being misled to anticipate is actually the beginning of a number of timed sequences of world judgment prophecies that commence with the "house of God" as per prophecy of 1Peter4:17 which will be the initial Daniel8:11-14 temple judgment timed period; (Dan8:14 2300 "evenings and mornings";)

2. This means the JW Temple is in inspection now, and this is why the "man of lawlessness" is being revealed in Bethel as the Governing Body leads that deception because this judgment is nigh;

3. Obviously from 1990 full manifesting inception, this group is not going to self incriminate then or now by commenting on these prophecies other than towing an illusion of the USSR past;

JW Full Infiltration Reverse Engineered

http://templelijah.wordpress.com/diversion/3-degrees/separation/

GOVERNING BODY INFILTRATIONS;

SELF ACCOLADE IS CERTAINLY PREMATURE TO THE JUDGMENT WHICH CHRIST WILL MAKE, NOT UN GLOBALISTS IN THE GOVERNING BODY INFRINGEMENTS;

Daniel 11 King North Notes on the UN 3rd Placement of the Governing Body as UN NGO at Bethel

The main thing is this infiltration is foretold (along with MOL manifestation; 2Thess2:3-12)) at Daniel 11:30 with the verse 31 and 32 effects over time; That is NOT a world war 2 fulfillment as JWs think, and George Bush pointed to the 3rd UN placement event that it actually was, while directing attention to the 2 previous "placements" of the "disgusting thing" in WW1 and WW2, while announcing the UN in NWO mode in 1990 and 1991:

*** Awake'91 9/8 p. 4 What Is Happening at the United Nations? ***

"""Note what Mr. Perez de Cuellar said in his report: "Twice in this century, after two devastating wars, the possibilities of building a peaceful global order were not fully realized." President Bush used almost the same words in his address to a joint session of the U.S. Congress on March 6, 1991. "Twice before in this century, an
entire world was convulsed by war. **Twice this century**, out of the horrors of war hope emerged for enduring peace. **Twice before**, those hopes proved to be a distant dream, beyond the grasp of man.**

Emphasis mine as the WTBTS also placed the DT (in JW temple as "man of lawlessness" in JW temple as well, NOW really being revealed while self-revealing) with this commencing set of UN promo articles (9/8/1991), and also, George Bush is implying the "cold war", WW3 "different than at the first" (Dan11:29b) ending resolution (USSR dissolution) is the opportunity once again, a third time, for third DT "world government" "placement" in 1990 (world); 1991 (WTBTS), from the WT's own mouth, but with far more deceptive purposes;

**The point is Daniel 11:31 is the 3rd placement of the DT in 1990, and in 1991 IN the JW temple, and further fulfilling Daniel 11:30:**

(Daniel 11:30-32) he will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant feature. “And they will certainly put in place the disgusting thing that is causing desolation. 32 “And those who are acting wickedly against the covenant, he will lead into apostasy;

That apostasy is the globalist UN affiliated (8thKing/2HornWildbeast) operatives who are ALL the xGBing of Jehovah's Witnesses today, and all the ZO and all throughout the org to a deep degree for financial and corporate compromise - a whim-bam doozy is coming on our JW house as per 1Pet4:17 = Dan8:11-14; THE xGB NOT ONLY SET UP THE UN-DT 3.0 IN NWO MODE IN 1991 WITH GEORGE BUSH IN THE WORLD SCENE AS REP OF THIS POWER SYSTEM IN WTBTS PUBLICATIONS, THEY ALSO COVERED OVER DANIEL 11:27-43 TRUE APPLICATION AND 1990 SIGNIFICANCE WHICH IS NOT THE USSR, BUT GLOBALIST KING OF THE NORTH; AND THE UN-DT-NWO HAS A DUAL SIGNIFICANCE IN THE JW ORG NOW FOR 20 YEARS;

That ties to the Dan8:11-14 "transgression of desolation" on the JW org SOON, here, which also CANNOT apply to WW2 times, but applies to the still active UN/8thKing "transgression" in UN/NWO relationship and infiltration of the JW org, all over the place:

**Daniel 8:11-14** And all the way to the Prince of the army it put on great airs, and from him the constant feature was taken away, and the **established place** of his sanctuary was thrown down. 12 And an (JOw) army itself was gradually given over (compromised), together with the constant feature (polluted by DT), because of transgression (UN/NGO and cover-up); and it kept throwing truth to the earth (cover up of key prophecies of Dan8 and 11), and it acted and had success. (which Nazi Germany and the USSR did NOT have "success" like this globalist KN infiltration)

13 And I got to hear a certain holy one speaking, and another one who proceeded to say to the particular one who was speaking: “How long will the vision be of the constant feature and of the transgression causing desolation, to make both the holy place and the army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings and mornings; and the holy place will certainly be brought into its right condition.” (temple purification back to approval, minus all the frauds; *Zech3*)

So that is the JW anointed temple cleanse mode commencement SOON, that will shock the bejeebers out of your average JW (and will be a HUGE signal to JWs something is wrong, the "evening" of the judgment);, and Zech3 is the fulfillment of priesthood cleansing that will parallel this event IN THE NEAR FUTURE;

1. So Dan8:11-25 and Daniel 11:27-45 are all about globalist KN (King of Fierce Countenance) and they ARE PARALLEL IN SIGNIFICANCE;
2. This means all the JW "teachings" are fossilized in 1980-1990 for a reason;
3. This means this current so-called "temple cleanse" this fraud xGB is activating is a hoax, to lead JWs to the judgment explained above, with JWs thinking? GT GT

That will be a GT hoax WITH the next globalist world event cycle, just like before in 1991 and 2001; **This whole thing is a JW setup!**

The 8th King boys in the xGB KNOW the JW org is given to the judgment of Zech3:2, 1Pet4:17 which is Dan8:11-14, so they will make the best of it and try to cripple, debalance, bankrupt and destroy as many JWs as they can in covert infiltration to finale phase soon, as already "predictively programmed" in WT, for example: "what if a powerful government has hatched an evil plot to exterminate the JW org????" as per WT 9/15/2012 if I am not mistaken; YES, what if???

This infiltration is also **foretold** as stated; (So tell a friend I kid you not!!)

What if that "powerful government hatching an evil plot" **ALSO** run the xGB as well???? Man, you can't make this up! **THEY DO RUN THE xGB!!!!**

But as per 2Thess2:3-12, Zech3:4 and Hosea 1:4-7 Jehovah will enter the temple and clean it out also in stealth mode as per angelic assistance in Isa66:6 mode in this process of 2300 units, to give the globalists a little private message of His own; I AM IN MY TEMPLE NOW, WHENEVER YOU GLOBALISTS ARE READY, JUST LET CHRIST AND I, JEHOWAH ALMIGHTY GOD, JUST LET US KNOW! (Eze58:7; Joel3:9-12)

And they will!

**But NOT SO FAST!**

This real "temple purification" (Dan8:11-14 "2300") leads to a cleansed JW purge for real (Rev8:6-13) after the also parallel "altar fire" cleanse on the JW "earth" as per Rev8:2-5 (is Zech3:2) And that leads over an unknown transitional period to Rev10:11 (1260 after "little scroll" eaten, as in an approved divine commission of Zech3:4-7, in final fulfillment mode of the ACTUAL "temple completion" phase to the final, second, "two witnesses" again, which JWs should know that "holy city" of Rev11:2-3, MUST ALSO have "7 times" pass over it as per standard completion cycle, BUT in 2520 days, the first 1260 days was a split fulfillment, in minor temple foundation mode in the 1914-1918 temple foundation/kingdom birth period;

**Final Act Mapped Out by God for Even JWs Who Know NOTHING About This "Officially"** (And no wonder, the xGB is ALL globalist ops and "man of lawlessness" in blatant exposure)

So, we are seeing God lay out a "end of the world" mapping upon the original, minor temple foundation cycle of 1260 days, and 1290 days, after the 2300 "unit", 1150 day minimum judgment of the JW "established place of the sanctuary" which is the org, NOT the temple, which is trampled fully, later, in Rev11:2-3, 11:7 (Rev13:5; Rev12:6, 14; Dan7:25; 12:7);
ALL of those scriptures “3.5 times” period cycles MUST repeat explicitly or in principle to FULL “7 times” in final fulfillment mode to temple completion and Christ Court (Dan7:26 is Matt25:31-46) of that conquest which will unfold while the globalists (8th King/KN/KFC) are reaching the real “peace and security” AFTER the 1260 days 2times/essenses “finishes”, as the “freedom of care” of Daniel 8:25;

That is all prior to the all out “extinction mode”, after WW4 resolves for final DT placement (Dan8:23-25; Dan11:45) of deep extended, re-empowered GT, with BTG “fuel” of “capital transfixion” (Rev17:12-18) that the Matt24:29 “tribulation of those days” provides for this “immediately after” “peace and security” “freedom of care” deceptive globalist purpose which becomes Matt24:30-31; Rev6:12-17 “black-out” of the “sun, moon and stars”, or in human symbol meaning, national, state and local power systems in a massive Mat24:21-22 depopulation drive; (also 2Thess1:6-10; 1Thess5:1-3; 1Thess4:17 is Rev16:17 “air event”), which Gog is the head driver of; That is when Eze 38 and Christ of Rev19:19-21, go into Dan 11:45 and Dan 8:25 FULL ZENITH of BOTH Kingdoms at FULL Armageddon super-event, in the 1290 day cycle at an unknown time period in it;

And “peace and security” before the BTG event is to fool JWs it will be a planned hoax, that goes along INTO the GT hoax (possibly), that this hoax “temple cleansing” xGB directive NOW activating with this GB=FDS is leading a softened JW org into after a few months, a year, or two, of letting this FDS=GB divisive acid set in;

They want to lead JWs to a hoax GT to get as many in prison and internment in a mix of 230 lands as possible; (Along with other key crippling and destructive objectives as covert as possible, to coincide with the next globalist world super-event, like a super-911)

It is all a planned effect, all foretold and laid out in the bible already, so THIS IS ALL GETTING VERY CLOSE is what this all indicates as the scriptures open up, and cross ref every which way for validation across the bible; ALL of Hosea apply to JWs NOW, for example; Zech 3 is along with Dan8:11-14, for example, etc.

JWs will be sitting ducks according to current xGB worship; God will have to “snatch the JW log”;

(Zechariah 3:1-2) And he proceeded to show me Joshua (JW anointed priesthood) the high priest standing before the angel of Jehovah, and Satan standing at his right hand (xGB) in order to resist him. 2 Then the angel of Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?”

That fire will be soon; This parallels Dan8:11-14;

Home from the Kingdom Hall about an hour. A couple of the points in the public talk and the Watchtower study have given me reason to ponder. Of course these are things we've discussed and are issues that will be dealt with soon.

One pertains to the public talk, “Are You Really Making Jehovah Your Stronghold?”. I'm assuming the same talks are given worldwide in each respective congregation. As the elder was moving through the talk, he mentioned the oft-quoted and referenced Scripture relating to the cry of "Peace and Security" ringing in destruction and the declaration of Babylon the Great, et al. I realize that these are indeed parts of Scripture and prophecy. What I immediately thought as the presentation talk ensued, was that this is; as you said,...”1992” (and prior) spiritual food. As you and I know and even countless other worldly people have surmised,...things are not right with the world on many different levels. It's frustrating to sit back and be fed this soft food, fit for an infant; yet we know that Jehovah will have to intervene angelically or otherwise to get his organization on track.

I'm not giving up on Jehovah, Brother,...just observing and seeing how things evolve and are fitting in with the stream of time.

Yeah, I know what you mean. Set your inner mind for the development of the final "two witnesses" "paradigm shift" that must occur after all this "sheet-hits-the-fansation". Develop great patience, this is going to get interesting. Just have some fun with it, that is my attitude now, Jehovah mellowed me out, I am a "bump on a log", I have fallen "between the cracks", thank God really! All I need is being inquisitioned as apostate Mike! They already think I'm a flake, lol! And, to tell you the truth, it is much better that way, I do not get involved in things that would end up leading to a "you know what you guys?!". LOL, I know why and understand why this is simply TOO mind blowing for the average elder. It IS disturbing, because it was designed to be disturbing, and it ain't done yet, it's going to explode soon. This isn't all just sitting in idle, self-protection mode forever.

I believe the events that must hit this org, are going to pare it down to Jehovah's witnesses with your attitude, "not giving up on Jehovah" just as the apostles who remained faithful to Jesus Christ, "stuck to him in his trials", as he led all worship to Jehovah, yet faith to Jehovah as well as himself, as that is God's will. ONLY those two persons are to receive faith. ONLY Jehovah receives the worship. But in the context of God's house, obviously the Pharisees and others were drawing people's faith to themselves, a development that culminated 37 approximate years later, in the extermination of 9 out of 10 people that followed the Pharisees to doom.

Demographically then, it changed a little over that period, but even after full house abandonment, those evil men continued to fight Christ and the truth, all the while presenting themselves as God's "chosen ones".

But, the disciples saw through them, because the holy spirit, will direct a worshiper of Jehovah to where focus needs to be, on Jehovah through Christ. Same today, while presenting themselves as God's "chosen ones".

Same today, no matter what happens with the human "bodies" that Jehovah provides then or today, we need to stick to the further objective of the final "two witnesses" ministry, and the segway that leads to that, may go on for a while because GT commencing is about the time the 2W2 officially is marked for 42 months, 1260 days by ministry.

So set your mind, heart, prayers, and all patience to that expectation, Jehovah will NOT allow this GB/Org trajectory, to go on another 10 years. It can't. If this rampant idolatry continues this way, that Zech3:14 “log in the fire” is where it would end up without being snatched out, 100% rejected.

Of course, Jehovah and Christ did not build this organization to be hijacked by globalists, dried virgins, frauds, or drifting anointed. NO WAY! LOL. That is why I pray very hard now to understand more regarding the coming events, because Zech3:14 indicates angelic assistance and direct action of Christ:

(Zechariah 3:3-4) Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to those [angels] standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”
We are not in the "robes of state" that will be a signal of official approval for "priesthood" "state" services to follow into two witnesses final. I also am assuming Jehovah will allow enough time to develop the final fulfillment "paradigm shift" to the inevitable future replication of the 1260-1290 and 1335 day patterns of the future. And all those foreglean models from 1914 forward, will of course already demonstrate fully, the principles of each period, to be revealed in depth for this finality purpose as these go into final and permanent fulfillment in these actuality cycle to total conquest.

See, it completely honors the former perfection of pattern. Except the climax of these cycles is permanent! See the great reality that truly awaits Jehovah's witnesses that pass through this temporary purifying "burn off":

(Zechariah 3:1-2) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then the angel of Jehovah said to Satan: "Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?"

See, that "fire" is prepared, in fact all the developments since the 1992 HUGE infractions have assured this conflagration - they have set up the org for a crack. I'll explain that more later. But this FDS Org "log" has not yet been placed into that "fire" a-brewing. By the time that happens, and as clearly shown, it requires Jehovah and the judicial Angel Christ in the prophecy, to save this "log" from this fire, the resulting state will be removal of "befouled" garments, then a period of naked exposure (implied), then "robes of state".

The nakedness (all this being exposed fully) is implied in the transition from "befouled garments" to "robes of state". The fact that the GB cannot receive light to see this all is, a greatly biblically revealed indication we are truly "befouled" and now that is covering even "Joshua", ultimately a symbol of Christ's reproach by the GB, Satan "right hand" predicament. By extension the FDS is "befouled", by extension the whole Jehovah's witnesses "one flock", the whole global org, is "befouled" as Jehovah views it. Jehovah Himself, is in global reproach by all this. The whole org is now just dreaming if they think Jehovah is not angered and about to act. And of course, the GB will not admit Zech 3:1 is about them, and "their foul".

And we see the reason is supernaturally aided:

(Zechariah 3:1) And he proceeded to show me Joshua the high priest (FDS) standing before the angel of Jehovah, and Satan standing at his right hand (GB) in order to resist him.

Obviously the "right hand" has Satanic compromise is what this means; relates to 2Thess2. that "right hand" of the FDS, or "Joshua" symbol, is the GB. Now we also see in the subset, modern "final fulfillment paradigm" mindset, that ALSO the "man of lawlessness" is due to "the operation of Satan" in scripture, these are relating for an exposure of such "lawless one gets revealed". Joshua is implied "naked" between "wardrobe" change. Now true, Jehovah will NOT allow the FDS, and His Org to go to the degree of total condemnation like the 1914 "man of lawlessness", as with Christendom, we will also have a "son of destruction" (betrayer) in our house, that MUST be revealed, IN JWs top level, before the finality of all the next cycles. So Zech3, and 2Thess2 relate, and are prerequisite for the rest of the developments and changes to follow.

What Satan wants resist, is the information that comes with this final fulfillment "paradigm shift" development from Jehovah and Christ to finality of all these patterns in the near future, based on the past patterns, but of course with future focus of assured replication.

See, we cannot forever think the judgment only applies to Christendom. Christendom is Christendone. That whole thing was sealed rejected by 1919, and henceforth the news of that certainty went forth in that commencing fulfillment of Revelation 8-9, from 1919 and perpetual. We are sort of like a scratched record now, stuck in Christendom exposure mode, but in reality, Jehovah is ion JW exposure mode! Warm up time. "Log in fire", lol.

But at some point that Revelation 8-9 will have also a duplication leading to GT/2W2. A repetition, guaranteed repetition finality, concerning the "house" now, Jehovah's witnesses, NOT Christendone any longer, and of course Jehovah witnesses have to at some point for a period of time, be made aware that Jehovah and Christ are coming in, to inspect Jehovah's witnesses, NOT anyone else.

See the importance of this news?

See how this will make Jehovah's witnesses truly more conscientious of ourselves as a "body" and as individuals?

Right now witnesses think GT is like a door to paradise, but GT commencement and for 1260 days, is the greatest ministry of JW history, THROUGH GT. This will forever change the JW mental mode of reality, GT will be explained like a "board game", from square one (1260) to seven (1290)!

True, the 2W2 may not have a formal corporate backing of tools at some point (for obvious reasons), BUT it will also have direct angelic assistance, all shown also in Revelation 9 (and other places), and Zechariah's applicable revelations - angels in Zech3:7 "those standing by". Read Revelation 9, and see how many words, subject words, like nouns, that double over 25. That's because Rev 9 will have as it's segway to 2W2, it will have the pre-2W2 complete information be broadcast to the world, this is the second time, for a period of time leading up to the official beginning of 2W2 in God's known timing, not our own.

So, this Rev9, which has been going on since 1919, is an exciting mobilization of the Daniel 8:14 "armies" of BOTH anointed and "other sheep", as we all head into this final battle with the wildbeast. Now there are some "other sheep" who will be marked "GC", and no one is going to touch them, Definitely anointed will be given to the hand of the wildbeast up to a divinely determined "killed number"; (Rev6:9-11; Rev11:7; Zech14:1-2). BUT, there is also some "who are surviving" that are gathered to the "Great Eagle" of Rev12 (zehesi:6-10), and those "gather the chosen ones from heaven's extremity (144) to earth's extremity (GC)"), anointed transference (Jude14; Dan12:3 for real) and GC. And those can be proven in a number of ways.

Well ALL this, and more, is what Satan would want to shut down in the GB awareness, and he has. But as you see, NO ONE forks God over, He finishes it up anyhow!

1. Satan wants no awareness of King North.
2. No awareness of actually eating the "opened little scroll".
3. No connection between that "little scroll", from an angel with earth and sea "under foot", with the "reports" of Daniel 11:44.
4. Satan wants no "paradigm shift" so that JWs are fully and honestly warned, Jehovah and Christ are coming into this "temple", "house" and "those worshipping in it" and they are going to START in the dresser drawer of the chairman of the GB!!! (Rev11:1-4) LOL.
5. Satan wants no one to know about this final great replication of the finalities of Daniel 7:25-26, Daniel 12, Daniel 8:14, and other applicable subsets within those prophecies.
6. Satan wants no one to be aware that Revelation 8-11 WILL have a replication. Other whole patterns, or parts of Revelation 6, 14, 15-16 will also have a final cycle.

7. In fact, EVERY applicable sovereign kingdom prophecy, and temple inspection prophecy, every illustration and sub-set applicable to 1914-1926 MUST be applied to Jehovah's witnesses "temple" and worship arrangement today, and in the future. (10 virgins, marriage garments, weeds, Judas "son of destruction")

8. Satan does NOT want JWs or anyone to understand Zech3:4 MUST also have a final cycle, in fact much of "Zechariah the Hebrew Revelation of Temple Completion", as I call it, will also have a final fulfillment mode.

Now this can all be proven NOW, because all these prophecies or most of them, have a 1914 minor model pattern. That is why NO ONE, anointed or not, can disprove Zechariah 3 applies to the Org NOW.

Why?

Because that was already the 520 BCE segway prophecy to that typical temple completion. In 1914, it was in minor principle also applicable to the remnant then, and leading up to that "temple foundation" period. We are NOW in temple completion mode again, totality of completion, the ultimate meaning of Zech 4/Revi.

Of course this must replicate the third time. Why? Because we are at temple completion mode.

9. Satan does not want mankind to understand, that the 144000 Temple MUST fully complete BEFORE the final conquest of Armageddon, like 545BCE, that "temple 144000" and Christ; Zech4:6-8 Headstone, or finish "capstone", "topstone" WILL complete in the face of the enemy system, just as the temple in Jerusalem also completed in the face of the enemy.

10. Satan does not want people to know the assured flaming fury of that period when this Kingdom Temple clicks the last Christ "head stone" into place; (Zech4:6-8).

Christ is foundation "stone", 1914, and "head" "stone", and there must be of course 144000 in between.

11. Satan does not want mankind, or JWs to develop this assured and completely ascertainable, from the bible pattern final replication and unfolding, BECAUSE IT IS LIKE A ROAD MAP TO THE END OF THE WORLD! IT IS LIKE A PROGRAM TO GOD'S PLAY, THE FINAL ACT.

And that whole "map" and "program" is based on a set of patterns in ancient, Christ, and 1914 times, that are absolutely provable! Some happened 3 times! Some 2, some 1 ALREADY. It also ties the complete picture of the whole bible, the "truth temple", to 100% completion, no loose ends regarding temple and kingdom, to last days understanding as per Jehovah's spec, not a sinner GB that needs to be whacked but good in Zech3:2-4.

See then, how much they are currently holding back? (And that is not all that can be derived from al, this, a book or two can be derived from all this)

See why our 1990 trajectory would have been at 11 million witnesses by now, but from that 1992 period, the sheep intake was cut in half? Ever see a graph of that statistical evidence that something happened around 1995 that caused this? It is astounding. It is obvious something is wrong that began around that period of time.

And you know the apostate analysis is, "oh, they changed the generation teaching", and that caused that drop. Yeah, right. NO. The UNNGO sin, has been affecting the overall Org since infect, inept, inject. I do not know how that was developed, but either way, the Henschel GB, is what opened that "can of disaster".

All coincidence that it was when the Hawk, Fred Franz lay dying and finally died? All coincidence 10 years later the story is broke after 9/11? All coincidence it brought on a tidal wave of apostate attack, that justified the creation of GB, FDS and Org "idol repair" on steroids? Maybe 3 million people stumbled? Maybe more, HUGE blood guilt too boot. This GB is in quicksand, simply too much ramifications obvious from this "little" "library card" affair. That is ridiculous and insulting. The globalists know all this, they are laughing their asses completely off.

Now I know Jehovah will NOT reproach his own name, nor will He be involved in the stumbling of a million people. And certainly not for a "library card", r i d i c u l o u s! They are laughing at us.

Then lo and behold, towards the end of the Watchtower study; on paragraph 13, pg. 26: the admonition is made to steer clear of apostates, "or anyone who is claiming to be a brother but is dishonoring God." As I'm sure you've read,..."We are not benefited by trying to refute the arguments of apostates or those who are critical of Jehovah's organization. In fact it is spiritually dangerous and improper to peruse their information, whether it appears in written form or it is found on the Internet". Gee, I wonder if they've considered what Jehovah thinks, let alone the other members of the FDS? I understand the counsel given at Matthew 7:6, but at the same time should we always cower and run with our tail between our legs when opposition rears its ugly head? Seems the, "fear of man" issue has taken over. Russell, Rutherford and others sure weren't opposed to speaking up, eh? I feel badly for all the brothers (and sisters) who've been criticized or worse for asking questions. Of course we need to be loyal to Jehovah to the end.

Just curious about your thoughts, I know the gears are always turning in your noggin'....lol.

Yep, I saw that, thinking, hmmm, if they only knew here in the song what was REALLY up now. That "admonition" is simply this virus GB.92.un ngo, in "self-protection" "silent mode" now. It is hiding its own RNA in the Org DNA.

As we can see though, Jehovah is on to them, and exposing all this now. It's all going to come flying out ten 20 foot cobras in a pillowcase.

Pray for patience like I do, I have a big mouth when the fire gets rolling, so to speak, all I need now is complications from the elders.

so I pray to Jehovah instead as much as I can, first off, just how interesting this all is, and how God's word is what "IDs" ALL of it, LOL. No one sneaks anything past Jehovah, since before even Christendom, Jehovah knew this would be developing today. Prophecy is what must first be sanctified in God's name as calling all this millennia ago, as per Zechariah, and even Ezekiel and others have elements of what MUST develop in Jehovah's "house".

Unfortunately, though, the GB will not be applying this to it's usefulness now, that will come after this transition of Zech3:2-4.

That is why it is so good to pay attention to Jehovah's Word, plainly, He is NOT done, it is still unfolding, and honestly Mike, this climax is going to be worth the wait. This climax will out shine the whole process to getting to this point. I have a complete analysis now, of what is really going on since 1991-1992, right at the change of guard, and believe it, Fred Franz was a guard, a restraint, in this organization, it is NOT accidental Jehovah set him up like a hawk through Knorr's time, and for 50 more years. O do NOT implicate Fred Franz whatsoever, He was true blue all for Jehovah. In fact some of his works of God given understanding for the
PATIENCE is the word. This “virus” the org is running, is stealth, from demons, and now in “self protection” mode. Meaning DO NOT even bring it up to elders, they are not prepared for the magnitude of what this really means. Have some fun just knowing something is brewing, and Jehovah is letting you know like me, beforehand. I recommend not saying anything “down below”, because Jehovah is going in “from the top”. This needs to be handled obviously by Jehovah and Christ in their perfect strategy. So now, really wait on Jehovah and read Zech3:4 a few times, that all awaits final mode fulfillment, in that order, 3 to 4.

Just keep your mind and heart bracing for what is to follow, the greatest ministerial import of ALL Jehovah’s witnesses history, and WE need to stick to Jehovah, and also realize we don’t jump ship, because some rats are onboard. Those termites will be burned out in the Zech3:2 “log” “fire dip”.

Also, what is unique about the analysis developing here, is it is NOT intended as “destructive criticism”, but constructive criticism. This is from an not apostate, but an anointed that is revealing things, not with intent to stumble people, but, it is a delicate situation they have us, and Jehovah and Christ in. I also have no idea the extent of the GB and corporate compromise of course. In 1992 a few clues developed, 1, they moved fast, the (1) UNNOG, (2) “other sheep” GB aids, and (3) GB corporate board split, all in the same approximate “triple whammy”, all around the “changing of the guard” - in my opinion Milton Henschel always was a spy, Knorr’s “secretary” all very convenient, then this. Merely my opinion.

Now I feel we do have “globalist agents” who are “lifer” spies and subversives in the org, and the GB - we have a “vial install” with a 3 phase goal. BUT, I do not know how many anointed are being duped by a combination of circumstances, one, the sheer magnitude of the sin, and the million person stumbling, is in itself a frightful reality that many will just deny, out of sheer fright and guilt! The other is statistically Jehovah has cut the sheep intake, due to their actions, NOT His, so He is still hauling in sheep, but not near as many as pre 1992 numbers. So, they are in the illusion everything is peachy keen. But statistically, the stats themselves do not lie, something BIG happened around 1992, that affected the total trajectory present for 15 and 20 years before that critical point.

First off, on the 3 stages of this virus, the first was getting a real big sin in the works, that would affect the holy spirit from the getgo. Then soak that in for 10 years, and “release” the info to the globalist owned and run press. Phase two would be the reproach stage, and the attack stage, that would naturally mind you, allow for the perpetual and subtle GB/FDS/Org “idol” building stages. Now, it is all “slave this, that, and the other thing”. NO WAY does Jehovah like that. And see how sly? It is already God provided bodies that we already respect, that are being subtly “steroided”, all fueled by the internet apostate attack perpetually, an attack with real, hypocrisy ammo.

Now, the “virus” is in self protection mode, just bring these things up, and get ready for a reactionary “apostate inquisition” by elders who are simply unaware what is REALLY being run. The, the 2 billion person internet, is also abandoned, why? The GB knows, hey we have UN soft-pornos we directed, with the “Virgin Daughter of Zion” in them. Don’t no one go preaching, or peaking at what we did please! Thanks!

And not so much as one apology. You bet Jehovah is not happy whatsoever, BUT He knew it prophetically had to occur, He is after the frauds, not the army of the two witnesses that is ALSO stuck in this drama now. Plus, the whole thing will allow Jehovah to sift out GB, Slave and Org idol worshipers, by getting them to repent, or getting them out.

How? Because all this stage two idol building is for the purpose of “diffusing” faith and worship unto human “bodies”. They are spreading focus away from Jehovah, unto “bodies” that can be affected by a corporate compromise. The third stage of this virus is to have a huge stumbling event, to cap off the UNNOG story break, but it doesn’t have to relate to it, it may be financial, or who knows, what about.

But by the time that hits, people will have had their minds too focused by the GB WT press, unto these now clearly organizational idols. That is why they are subtly shifting focus to this idols for a decade and more, so the “ops” can whack the “mental image” of those idols, and stumble as many as possible. Of course this is my opinion based on seeing this as an engineered development Zech3:1 Satanic resistance “at the right hand”.

BUT, Jehovah will allow it, because those idols NEED to be smashed anyways, and he will burn the “log” a little in this event, the way I read it now. The globalist ops are NOT done with JWs. They want to get the Org off balance in a big way I believe, not just as bad as it is now, but a big event I feel.

This is why I am also suspect of the “other sheep” agents. Not them individually, in fact they are strong and plainly fully duped. The use of these, is because the GB, in many of them, are NOT even JWs, fraud agents, good ones, they know ALL the formalisms and buzzwords. They themselves are getting “fed” information from strong “other sheep”, who are doing their darndest to “research” and develop great food. See what I mean? These sheep are going overboard to do their best, with completely honorable reasons! Then these frauds have all the work done for them, they just edit and present, and everything is still “spiritual” but of course not strong “other sheep”, who are doing their darndest to “research” and develop great food. See what I mean? These sheep are going overboard to do their best, with absolutely honorable reasons! Then these frauds have all the work done for them, they just edit and present, and everything is still “spiritual” but of course not genuine, because they need to curtail certain “light”. Such as KingNorth, now a plainly obvious biblical figure in many ways, too many clues now that KN is a globalist power generic level at the least detail. KN, leads naturally to Daniel 12 final fulfillment, and these guys want no one going there.

Yet, they may very well have a little “new light” contingency plan, who knows. But at some point they know, when the Daniel 12 “can of worms” opens, that will lead to Dan 12:7 and 12:11, which 12:7 naturally links to Rev11 final 2W2, which links to “little scroll” Rev10, which pops back to Dan11:44 “reports”, and the whole prophetic paradigm naturally shifts to final fulfillment future mode! They do not want that “shift” to occur, that is what Satan is resisting.

And this is not all the anomalies and synergies popping up from this. I know it is Jehovah’s time soon as well, because I did not understand any of this before the memorial. See what I mean? Even Zech 3 opened up to my mental awareness of it’s gravity in the last 2 weeks, because I have been going over Zech and Haggai a lot in this process, because Rev 11 2W relates to Zech 4 explicitly.

This aint all make believe Mike! LOL. I tell you, read those older books on the CD, specifically the 1914-1918 and 1919-1922 fulfillments, because that is the mode we will be flowing into, NO ONE is going to stop Jehovah and Christ from these future developments, and Zechariah 3:1-9 will be a known event in some way, shape or form.

Which leads me to the few I have spoken to about these things, I know too, they have PURPOSELY been dumming down the sheep. Now the food is all good, and great for the first 5, 10 years, and there is plenty of sheep provisions, so Jehovah is not allowing them to cut off new sheep development, but as far as prophetic patterns of the past, that we should be drilling in for “field mode” of the future, they are not doing that, they have been diffusing into other things in this department for 20 years now. No doubt the “new light” plug was yanked long ago as per Ezer16:27, “diminished allowance” and the apostate “women hating you” endless attack curse.

This is why I feel Jehovah will take over with at least 5 full years of drilling it all in, to the “final mode” “paradigm shift” that will blow the average JW mind when it finally comes out, and come out it must. Just my opinion of course, on this timing. But I can tell you, I do not know how Jehovah and Christ are going to pull this off! LOL, but it will be going into serious JWs who are left after this, ones woken up to reality, through that that Zech3:2-4 “fire test” of the org “log”, and angels will have to be involved.

I see such a takeover, angels will have to be in play, I just do not know what they will be doing. It may be a total repentance for all I know. But honestly, I think we
have problems requiring people being "disappeared", by angels, one way, or another. We DO have serious inner problems. BUT, as you can see, Jehovah STILL completes the truth regardless of GB self-induced coma, LOL!!!! That really blows my mind, and makes me know Jehovah IS about to enter the Org with an axe, and the GB name tag is not an escape, BUT the target!

NO ONE FORKS OVER GOD'S DAUGHTER'S IMAGE, CHRIST'S WOMAN, IN GLOBAL REPROACH, AS IF SHE IS AN "U.N.clean thing" MIND HUSTLER, AND GETS AWAY WITH IT, NO ONE! I KID YOU NOT! HEADS ARE GOING TO BE ROLLING OVER THIS GB PIMPED AFFAIR!

That is why relax, and study and pray, don't say anything unless you really know the person well, and just keep in expectation of something patiently, at some point may be even a couple years wait for the Zeck3:2-4 transitional, we do not know, but something, something isbrewing in Camp Jehovah AND the globalist camp, and this org is the target of both as well. And always remember, in the end, we will all exterminate those bloodsuckers to their faces. People have sat around for years cursing and taunting God's angels, and one of these days, they are going to show up, and they are going to go and stand right in front of some of these loudmouths, face to face, and they are going to speak for themselves. One fine day, people are going to get their traps shut forever, by the very entity they have provoked. They will be torn limb from limb, aint one Devil worshiper as well, who is walking out of this or expecting any mercy. Of course Jehovah is going to be saving as well, so He will judge all people, and some will be shown mercy, on repentance as that Matt25:31-46 "court" completes to the full.

The time will come to really settle the score wall to wall, and full warning of it all will have been fully 2W2 provided even before that finality of 1260 to temple completion in the commencing 1290 following that. In that 1290, we do not know how long into it until total extermination, and we know, Christ doesn't have any pressure or need to rush when his angels are outnumbering all opponents, so they can sift out sheep, right through anything. That 1290 may very well go the full 1290 as Christ finishes the "circuit of Israel".

==

what is the UNATO?? Lol

A globalist military coalition. Think of UNATO, Global NATO like the "United Nations" of armies.

Okay so these agents are humans run by satan. who don't work for any government but they just wanna bring down the organization. like when jehovah tells us to do something the devil tells them to do something.

Am I right??????????

Yeah, Satan has been allowed to slip in a little into the org, as per prophecy. Ultimately a demon strategy is at work, not some human cabal, but they are employing top level "lifers" of their own. Whether organized, and maybe some who went "dry", either way, the GB has been compromised, the trends and stats cannot lie a big problem is being set up. PLUS, prophetically the pattern fits like a puzzle piece in Zeck3 and 2Thess2 occurring in modern fulfillment, hand in hand.

Plus it is masterfully hidden. And it has Jehovah in a tight spot for a while, because He wants to pull in sheep, while this is all happening, that "sheep blessing" though, is also an illusion that everything is peachy keen. It is for the sheep, but not for the shepherds. We went from a 5.5% pre 92 growth rate, to a 1-3% post 92 growth rate for 10 years. OBVIOUSLY something has happened.

And this drop just happens to align in time with? UNNGO streetwalking God's Daughter event.

First off Jehovah knew about this over 2000 years ago, everything MUST fulfill prophecy. Therefore believing that with TOTAL faith in God's Word, His infallible forecasting is also in the bible to guide us. And it is, that is why this development does not fool an anointed who keeps the "oil receptacle" full.

The "oil receptacle" is a symbol of paying constant attention to God's Word and daily life, current events, and trends in the organization.

This principle is in the 10 virgins illustration. They picture true anointed who "go dry" and end up being rejected. So, over time, this has been a selection requiring testing and no automatic guarantee.

This is why the GB in some part today are the following in some combination I believe:

1. Anointed. But are being fooled as to the overall true situation that has developed.
2. Fake anointed, but still JWs.
3. Anointed who went dry.

See Frederick, statistics indicate something is up as well, this is now a trend:

"The rate of growth of publishers has dropped from an average 5.64% per annum over the 15 years prior to 1995, to 2.55% in the 15 years after 1995. Had growth remained above 5%, the 4,950,344 Witnesses in 1995 would have exceeded 11 million in 2010. Instead, there were only 7 million in 2010 - a difference of 4 million people. Factors on conversion and retention, such as Internet education, resulted in growth of 2 million instead of 6 million, just one third of that expected in 1995."

Now the real apostates and opposers try to use the above, and say it is because of the " generation teaching" change of 1995.

But in fact this downward trajectory is due to the UNNGO gross sin (in secret at that time), that was not at this time visible to publishers and the world, but some part of the GB knew what they were up to. That is what has caused missing 3 million people. It just happens to coincide with the estimated number stumbled approximately after the 2001 news as well.

I mean first whoring God's Daughter to the UN, THEN causing bloodguilt like this? You know heads are going to roll, you know some guys who think this is just dandy, are toast if they do not admit the magnitude of this sin. So, something has to bring this ALL to a head. They also have compromised the entire organization, and that will be the "firetest" climax in my opinion. I do not know what, but something big in one way or another, is going to hit the JW idol ship. Oh yeah! I forgot to throw in our idolatry too boot!! Expect a reprisal, and BIG one "in a little while longer", whatever that may mean, a year? 2? 3? We shall see.

The globalists want to try to defunct the whole org. They want JWs to be thrown off balance. BUT Jehovah also wants to use it at the same time, for a little house
Ever since 92, we can actually see the drop in percentage of growth, we should be over 10 million witnesses today, but this Zech3:1 Satanic “resistance” at the “right hand” of “Joshua” is VERY real since 92. It is also foreshadowed in Ezekiel, after this weakened state in the GB from after Franz death in 1992, other things have slipped in, as foretold in Ezekiel.

(Ezekiel 7:22) “And I shall have to turn away my face from them, and they will actually profane my concealed place, and into it robbers will really come and profane it.

That UNNGO thing, did anger Jehovah, but He waits, but He also withdrew holy spirit “new light” and blessing, it is statistically obvious, as indicated in the stats, BUT that was brought on by the GB’s little secret foray.

It has NOTHING to do with any adjustment of teachings, it has to do with the UNNGO sin, plain and simple. And then the globalists also strategized to release that info, timed with 9/11, on 10/6/2001 in the Guardian newspaper - that went global asap.

After 9/11, we would have had a natural increase surge, because globally traumatic events make many people consider their spirituality more anxiously. Instead, we had the mother of all scandals erupt in the JWs, then the globalists shot it out to the world, to counteract the 9/11 “soul searching”, and they did. Not only was the UNNGO secret sin affecting us (since 92), then came the apostate barrage along with the ACTUAL worldwide public reproach of Jehovah’s name, and gutless denial by the GB, although this has stumbled over a million people STILL they will not even apologize once. SAD.

Now do we see why Joshua NOW has befouled garments as per Zech3:1-3.

Now do we clearly see why that "fire" (Zech3:2) has been prepared by GB actions that even " befoul" the FDS and Christ’s global reputation. All JWs are called into reproach.

Now this "fire", that we are getting close to, but are not in yet, will be a purification:

(Zechariah 3:1-2) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then the angel of Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?”

But it has to go into that fire, all the way, soon.

Jehovah has some termites to burn out of the org log, and some deadwood and idols to fry out.

AFTER that purifying fire event, this will occur:

(Zechariah 3:3-4) Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to those [angels] standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”

I do not know what this "fire" event will be, but Jehovah will snatch the org out of it, purified to His specification, because then all this stuff I have been showing you, MUST be made known to all Jehovah’s witnesses. Angels will be involved in some way.

Now you know we have 3 idols that Jehovah WILL allow to be whacked in mental image, and as far as the org, there will be some kind of big event in the org. The GB idol, and the FDS idol, along with the Org idol, and ALL those overly focused on those idols now, WILL be “fired”.

I mean put to a test, not GT, but as to whether they worship Jehovah, or those idols. Jehovah did not set up those blessings, for them to become idols. In Christendone, Jehovah did not even allow Christ, to become an idol, he rejected them.

But with JWs, Jehovah did NOT create this org, to be hi-jacked by no globalist agents or fake anointed actors, or burned out parasites, so He is going to put that GB through a wringer, and get it back to the anointed spec, for the final ministry that MUST be completed at least utilizing the org facilities while they can be used, then it will go into the free mode through GT some time after all this, when the actual 1260 begins - that may be a few years down the road - in my opinion.

That means of course a pre-2W2 ministry will be finishing up the Rev 9 global ministry leading over an unknown time period all the way to 1260 time (GT time on BTG), to the actual start time of the two witnesses officially on Jehovah’s stopwatch. There will be a lead in ministry, a “warm up” for the world, that will lay out the end of the world, on a ‘map’ or a prophetic “program” exactly along the pattern of 1914-1918, and 1919-1922. Those correspond to the 2W2/GT 1260, which is followed by a glorification Temple completion that ushers in the final 1290 day period of the Christ Court of Daniel7:26.

In that period, Christ will be making final separations and various exterminations as per God’s complete will and control, so we do not know how long into that 1290, the total judgment phase will go. We know the “winepress” mode will be deployed on the wicked, after the ALL the sheep of the world are pulled out. There may just end up being 100 million people in the great crowd. That is the completion of the “circuit of Israel” that Christ said does not complete UNTIL he comes in an finishes it:

(Matthew 10:23) When they persecute you in one city, flee to another; for truly I say to you, you will by no means complete the circuit of the cities of Israel UNTIL the Son of man arrives.

So now is the time to get extra determined to stick to Jehovah and Christ through the trials that JWs and the GB and the anointed have brought on ourselves. This period MUST be straightened out, Jehovah is NOT happy with us anointed and He is NOT happy with us living in denial of the gravity of the UNNGO sin.

But, if we see it correctly, even this discipline IS A GREAT BLESSING! IT IS A PRIVILEGE TO BE HAMMERED BEYOND RECOGNITION BY GOD AND CHRIST!

LOL

IT SHOWS THEY CARE!!!! IT SHOWS THEY HAVE CHOSEN US ALL, FOR THE FINAL MINISTRY OF ALL TIME!!!! SO STICK TO JEHOVAH, WORSHIP JEHOVAH, HAVE FAITH ONLY IN JEHOVAH AND CHRIST, REMEMBER THE VALUE AND POWER OF CHRIST’S BLOOD, AND NOTHING CAN STOP US FROM MAKING THE FINAL MINISTRY A SUCCESS BY JEHOVAH’S POWER, THROUGH THE TOTAL END OF THIS RIVAL SYSTEM, IN IT'S FACE, IN GOD'S OWN SWEET TIME!
But we are getting very close to the roller coaster letting loose. I am very curious how Zech3:2-4 will play out. I have NO DOUBT Satan is at the "right hand", IN the GB to some degree, since 1992. That is what Jehovah must obviously remove. The Devil has to have all influence in there squelched.

That will take a great event BY GOD, this GB log is as good as in the fire in God's eyes. I am just too curious what God is going to pull, and also what these globalists may try to pull. They should converge at some point in this chess game. Satan has to be put out of the way of the "right hand" of "Joshua" BEFORE the final 2W2 can even be prepared for.

As you can see, this idea has not even dawned on the current GB. Even this news, is like a scorpion in their dessert. Whatever rat globalists that may be in their were thinking, "yeah we will delay it all, they will never catch up now!", Jehovah has finished it here in spite of their efforts. They have FAILED to delay and obscure the very knowledge of the truth from Jehovah and Christ (2W) that the a second "two witnesses" MUST occur. That the whole prophetic cycle will replicate in the near future.

They would have hoped no one EVER put all this together from Jehovah through Christ, LOL, but one cannot stop Jehovah's word now can they. Even this news is spitting in their very face! Though they have not seen it yet, they will, I guarantee Jehovah will plop it on their desk in time, just to see the look on their face. Buncha fockers, eat it, here you go: F--A--I--L. Good try.

LOL

You can't make this stuff up folks; Jehovah's witnesses have a "man of lawlessness" operating right under the noses of the whole flock;

Did this "stand out" to anyone else?? I'm not looking very closely folks, this is the stuff that just sort of "pops out" at you...

The xGB MOL does indeed fulfill prophecy in more than one way:

(Ex 8:17-18) And he went on to say to me: “Have you seen this, O son of man? Is it such a light thing to the house of Judah to do the detestable things that they have done here, that they have to fill the land with violence and that they should offend me again, and here they are thrusting out the shoot to my nose? 18 And I myself also shall act in rage. (Dan 8:11-14)

.......

So I am not telling Jehovah's witnesses to "jump ship", I am telling JWs to expect a judgment, and the removal of the lawless xGB and Co., and that may in fact be very destructive to the worldwide org, because this MOL xGB will not leave on their own; (God will cleanse the JW temple, and resume the final ministry is all that is happening (Rev11))

What the xGB want to do in this world event coming up (2014+), is orchestrate inner JW organizational directives along with their globalist main controllers; And they want to do this, like 1991, and 2001, WITH the lead world move of a globalist world super-event, however the next "911" false-flag operations may develop; (Or whatever, expect a BIGGIE!)

Jehovah's witnesses might as well know, that like 1991's UN/NGO covert deep relationship with no outside approval or discussion, the xGB and corporate globalist fraud JW finance technocrats are shifting the main "nest eggs" of the JW org into the globalist "basket" by financial positioning covertly;

So, JWs should expect this financial reorganization (now taking place) in the billions of JW org dollars (and hard assets) to mean a financial intrigue against the JW org soon, in multiple countries;

This is because this re-shuffling (in secret for the major WTBTS international re-capitalization decisions) in "secured" assets (and funds), for the required "leveraged" and "collateralized" hedged derivatives "reorganizing", unknown to most JWs around the world, at globalist tiers of investment and sovereign authority, and that will
mean disaster in due time;

_The real JW brothers are being conned by globalist guided experts (like the xGB infiltrators);_

Those JW org "eggs" are, as we speak, being handed to the globalist side of the "fence" (all legally, "to expand the work brothers!"). "It's God's will JWs should go bankrupt!") in prepared "baskets" of Ezekiel 7:22 thievery to try to bankrupt and discontinue as much as possible, the worldwide ministry of Jehovah's witnesses WITH a huge world super-event soon, for the next 10 year trek to "New Worldwide Globalist Government" and inevitable Armageddon war;

(Ezekiel 7:22) "And I shall have to turn away my face from them, and they will actually profane my concealed place, and into it robbers will really come and profane it.

The properties of the JW org worldwide are all tied into this intrigue as securitized collateral that can be pawned and tied up in years and years of potential legalities and "negotiations" at supra-national legal levels of decision making:

But we don't have years and years to finish the ministry, ok? (God will enter the scene as per Daniel 8:11-14 in light of Hos1:4-7; Zech3:4-7)

THAT is what JWs should be expecting soon when this xGB and globalist event series initiates soon, initiating as well, Daniel 8:11-14: for the whole, now seen, repeating Biblical cycle over a number of years - GT is NOT next, a judgment is, the xGB want to hoax a GT and all kinds of world JW confusion - they, the xGB "vipers" are the ones who have "hatched in the evil plot" by a powerful 2horn-wildbeast globalist "government" to exterminate the JW org as per WT predictive programming; (WT 6/15/2012 predictive programming)

Be ready and awake, it is coming...

XGB Live and Real-Time Manifestation of the "Man of Lawlessness" "Evil Slave"; A Prophetic Self Revelation Requirement; (2Thessalonians 2:3-12)

Excerpts from:

XGB text in **bold** and *blue*;

http://www.jehovahs-witness.net/watchtower/scandals/242384/1/FDS3dGB3b-The-Real-Objectives-of-This-New-Light3b

---

This "new light" "reasoning" complex of further reaching strategy is for the diametric objective of centralizing the alleged "anointed" authority into a sole body, the "Governing Body" in the last days of the "last days", while _at the same time_ discrediting and shutting up the individual dispersed genuine anointed and their potential insights from the holy spirit through the flock worldwide, _while not_ revealing that dynamic is actually at work;

Let's examine these xGB operators' overall technique in just this little sampling of the "wormwooded" announcements out recently:

_When Did Jesus Appoint "the Faithful and Discreet Slave" Over His Domestics?_

Consider the context of Jesus' words in Matthew chapter 24. All the verses listed here were to be fulfilled during Christ's presence, "the conclusion of the system of things."—Verse 3.

"The tribulation of those days."—Verse 29.
"This generation."—Verse 34.
"That day and hour."—Verse 36.
The "day your Lord is coming."—Verse 42.
"At an hour that you do not think to be it, the Son of man is coming."—Verse 44.

_Logically, then, “the faithful and discreet slave” must have appeared after Christ’s presence began in 1914._

Well, that Matthew 24:29-44 period all had _a minor fulfillment_ in the periods from the statement of this prophecy (33 CE) to 70 CE (and to the first apostasy MOL ops as Christendom);

So indeed a Christ era "Faithful and Discreet Slave" was inspected at the time of the judgment on Jerusalem in 70 CE, but as we know, a "man of lawlessness" also soon developed into institutional Christendom to curtail that "slave's" work to small, _but consistent_ threads of development for hundreds of years leading to Kingdom birth and another minor judgment;

BOTH are valid, as Christ determined who was actually his "faithful slave", not claimants, and that is why those judgments occurred in minor form;

Thus the xGB wants to sever the connection to the anointed of the past, in that initial minor fulfillment of this Matthew 24 prophecy and even the 1914-1922 judgment cycle of temple foundation;

 Objective 1: Disconnect

First the dispersion of anointed from Christ's time as authoritative sources of divine truth has to be severed and dispelled, as begun in the above reasoning, and continued here:

_Moreover, Jesus indicated that this “slave” would appear during a time when a legitimate question would be: “Who really is the faithful and discreet slave?” Jesus’ apostles had miraculous gifts of holy spirit, so there was scant reason to raise that question in the first century C.E. (1 Corinthians 14:12, 24, 25)_
But, is that true that "there was scant reason to raise that question in the first century C.E."; really? Is that actually TRUE?

Why did Christ commend the anointed for identifying the frauds by testing them in the congregation in Ephesus? (In the first century CE by the way):

(Revelation 2:2) 'I know your deeds, and your labor and endurance, and that you cannot bear bad men, and that you put those to the test who say they are apostles, but they are not, and you found them liars.'

How did they find them to be liars? They tested them with the Word;

Although they were anointed by holy spirit, the apostles and other first-century Christians were not "the faithful and discreet slave" prophesied by Jesus.

They wrote the Christian Greek scriptures, but they are not the "Faithful and Discreet Slave" for that minor fulfillment period? They were genuine prophets, but not "Faithful and Discreet Slave"? And those urban CEO xGB pretenders who are not even Christian much less anointed are now the sole, one and only, self-determined "faithful and discreet slave"?

It is getting absurd now, and in that absurdity, in the magnitude of this claim, is where the lie and liars are hiding in plain sight, now publicly fulfilling 2Thess2:4: "publicly showing himself to be a god" while "lifting himself over EVERYONE";

This begins the xGB reasoning process towards apostate isolation of authority, by eliminating any association of the "Faithful and Discreet Slave" to anointed of the past, or to minor prophetic patterns of the past;

This acts against the authority of "the least of these my brothers" who are dispersed anointed worldwide, by eliminating any association of the "Faithful and Discreet Slave" with any of these former anointed since 33 CE dispersed globally to 1919, and even from the remote anointed ones not in the Bethel cahoots of the "evil slave" fraud-anointed of today;

Objective 2: Discredit

The point is to discredit and shut-up as many potential anointed pronouncements from this modern dispersion of anointed indicating the xGB are a manifesting "man of lawlessness" in brazen, yet deceptive PUBLIC manifestation fulfilling 2Thessalonians 2:4 explicitly:

Like the temple foundation revelation of this former "lawless one" proclaimed at that time by the International Bible Students (1914 to 1919+), a revealing of the "lawless one" in modern times must precede the final temple completion phase, from the preliminary inspection of the temple (Mal3:1; Zech3:1-3), to the cleansing (Mal3:2-5; Zech3:4-9) and completed temple judgment; (Dan8:11-14);

The xGB wants NO ONE making this connection;

It is reasonable to conclude, then, that Jesus appointed "the faithful and discreet slave" over "his domestics" during his presence, "the conclusion of the system of things."

It is reasonable, that is true, but the reasoning is faulty and has a further objective to be demonstrated further below, with a goal of covering up the "mystery of the lawlessness" (2Thess2:7) currently now operating in full power, covertly and overtly, in the Governing Body of Jehovah's Witnesses, controlling a progressive organization wide infiltration, as per prophecy; (Dan11:30);

Objective 3: Continue the Cover Up

The xGB also want to cover-up the significance of Daniel 11:30-31, as the UN (NGO-DPI) promotional sin involved in 1991, by their instigation, as the main "transgression causing desolation" (soon) in Daniel 8:11-14's temple judgment requirement of the near future;

The xGB wants NO ONE making this connection as well;

Objective 4: Seize Authority

"Who Really Is the Faithful and Discreet Slave?"

Jesus was referring, not to an individual, but to a composite "slave"—a group working together as one body. Jesus said that the slave (1) is appointed to a supervisory role "over [the master's] domestics" and (2) gives the domestics spiritual "food at the proper time."

From 1919 on, there has always been a small group of anointed Christians at the world headquarters of Jehovah’s Witnesses.

Those are professed anointed, by suggestion here presented as an unquestioned fact, this aids the mental illusion this xGB is creating in Jehovah's Witnesses today;

In fact since 1976 there has been, at the very least, a prophetic non-anointed, anti-Christian infiltration in factional part then, in the xGB - producing deceptive fruitage and "wormwood" that culminated in the "wildbeast" 666 worship of 1991, and the prophetic cover-up from that time forward as Fred Franz's "restraint" progressively weakened to his death;

After that this xGB got down on hands and knees for the wildbeast UN in broad daylight, revealed publicly 10 years after the fact as UN/NGO "adjunct advertising agency" of the UN-DPI; They promoted the "New World Order" right along with George Bush Sr., hand in hand promoters worldwide for 10 secretive years; (Search "new world order" on the Watchtower Library CD from 1991 to 2001 and see for yourself; Awake! 9/8/1991 commencement)

These frauds are NOT Christian or anointed, they are freeloader, plagiarist pretenders taking credit for the work of God through Christ through genuine anointed brothers; And the xGB are aligning future thieves in the organization's financial centers as well; (Eze7:22)
They have supervised our worldwide preaching work and have been directly involved in preparing and dispensing spiritual food.

But in fact the “xGB and Co.” have been recycling materials from the past, covering up prophetic modern day significance of Daniel, Zechariah, Revelation and other prophesies, and editing non-anointed writing and research work into masterful behavior control propaganda, as also an implied non-anointed alleged “Governing Body” by association with this arrangement develops;

There has been no “new light” since the UN/NGO sins of 1991, and nothing new offered since Fred Franz died, only a re-hashing of Fred Franz era manuscripts, and new sheep level feedings for everyone with no depth of spiritual insight for the entire “household”, all carried by well meaning “other sheep” and xGB hand-picked implants;

A diet of watered down old minuita, old bread and vegetables, with plenty of ear-tickling “creature worship” desserts is what this xGB has been “serving” for 20 years, while polluting a symbolic “1/3” of Jehovah's Witnesses teachings; (Rev8:10-11);

Now along with the UN Baal idol, the erect themselves a stretch higher than everyone else;

In recent years, that group has been closely identified with the Governing Body of Jehovah's Witnesses.

Clever wording that, it should read:

In recent years, that group is the Governing Body of Jehovah's Witnesses.

Alas! They have answered the question: “Who Really Is the Faithful and Discreet Slave?”

But ONLY Christ will answer that question in truth of judgment!

The evidence points to the following conclusion: “The faithful and discreet slave” was appointed over Jesus' domestics in 1919. That slave is the small, composite group of anointed brothers serving at world headquarters during Christ's presence who are directly involved in preparing and dispensing spiritual food. When this group work together as the Governing Body, they act as “the faithful and discreet slave.”

Another fine and smoothly worded paragraph adding ambiguity to the usurpation as the MOL "lifts himself up over everyone", including and especially the "least of these my brothers" (e.g. in effect Christ himself);

These evil operators blatantly fulfill 2Thessalonians 2:3-4, while wording it to appear conditionally interpreted, dependent on "group effort" “activity”, and “direct involvement” (which includes non-anointed “sacrificial” preparation of the majority of the material today), and they merely “act” in this "slave" capacity when they are “active” in this way.

That's called waffling wish-wash; These guys OWN the “cookie jar” now; They are just making it blasphemously official;

All perfectly muddled up usurpation sugary wording, “working together” indeed, in direct fulfillment of the “evil slave” class (Matt24:48-51) of the "man of lawlessness" being revealed live and real-time, by his own PUBLIC self admission, self-righteous grasping, and brazen blasphemy “sit down” “in the temple of the God” - in broad daylight;

These guys are laughing at Jehovah's witnesses;

Who Are the “Domestics”?

Jesus said that “his domestics” would receive “food at the proper time.” All genuine followers of Jesus are fed by “the faithful and discreet slave.” Therefore, all of Christ’s disciples—both individual anointed Christians and members of the “other sheep”—are “his domestics.”—John 10:16.

This removes the anointed authority in the modern context; Rather than the “Faithful and Discreet Slave” composite class feeding the anointed "household” “domestics”, who in turn feed all other sheep, other anointed further and mankind and interested ones, now all are fed by the “evil slave” direct, instead;

No need to expect any extra insight and understanding from remote bible reading anointed;

Objective 5: Shut Up the Anointed on Modern Prophetic Fulfillment Events and Cycles;

This minimizes the belief that the anointed in the dispersed field actually are capable of having any TRUTH insight into things deeper than this obviously compromised central xGB comatose “body” “black-hole”; And of course the ability to speak about it to the brothers in that context can now be a disfellowshipment offense;

And that aids the "operation of Satan" of the modern day "Governing Body" of Jehovah's Witnesses from being detected, WHILE fulfilling the prophecy of the "man of lawlessness" - bringing all Jehovah's witnesses into further communal sins of Daniel 8:11-14, which must soon manifest in complete fulfillment;

Just enough ambiguity and word shuffling is ingeniously worded into the "new light" mental and spiritual "black-hole" "explanation", to leave a personal shadow of doubt based on an imprecise description and finely muddled definition, to spread this development organization wide, upon as many unsuspecting Jehovah's Witnesses as possible;

And more predictable psychological credibility tactics:

After the speaker explained this aspect of Jesus' prophecy, the audience erupted in sustained applause.

Enter canned “volcanic” applause for credibility effect of common media brainwash techniques of the trained clapping seal effect;

Several in attendance later expressed their profound gratitude that Jesus considers them among “his domestics.”

Add the effect of profound gratefulness and acceptance as if the word of Jesus himself was spoken by these brazen counterfeit pretenders;
More Error:

When Does Jesus Appoint the Slave “Over All His Belongings”?

Jesus said that the “master on arriving” (literally, “having come”) will appoint the slave “over all his belongings.” When does the Master, Jesus, arrive?

The expression translated “on arriving” is a form of the Greek word erkhomai. Verses 42 and 44 of chapter 24 translate a form of erkhomai as “coming.” In those verses, Jesus is referring to his coming as Judge during the great tribulation.—Matthew 24:30; 25:31, 32.

Jesus’ appointment of the “slave” over his “belongings,” then, must also be a future event. He will make that appointment during the great tribulation.

Since Christ does not appear until after the “tribulation of those days” (Matt 24:29-31), it would be nice to use actual biblical prophecy to elucidate “great tribulation” to the degree the Bible actually allows:

Christ must complete the approved 144000 from the remnant in the period after the 1260 days of Revelation 11:2-12 in the major final fulfillment mode; Thus, the question of who really is the “Faithful and Discreet Slave” will be answered in the middle of the tribulation period, but before the great Tribulation (”sun, moon” “blackout”; Rev6:12) after the “tribulation of those days” break-point of Matthew 24:29-31;

Obviously, again, Christ judges the actual status of all anointed claimants at that time, permanently; That they are actually anointed, and to be inspected, is the only general characteristic made at this time; No specifics such as this brazen xGB crowns themselves with is even possible - it is a generic “anointed” judgment, for better, or worse, NOT now, but then at that time;

ALL anointed are to be judged, ALL faithful anointed are in line for receiving a favorable judgment upon continued faithfulness at the actual judgment;

... More canned credibility wording, and a song sung to the new self-revealed “evil slave”, as “faithful slave”, the main objective of the “man of lawlessness” blasphemy in this beginning to the actual precursor Daniel 8:11-14 temple cleansing judgment:

After such an upbuilding and historic program, those in attendance heartily joined in singing “The Light Gets Brighter” (Song No. 116) from Sing to Jehovah. Its lyrics include these appropriate words:

“Our Lord has appointed a trustworthy slave,
Through whom He gives food in due season.
The light of the truth has grown brighter with time,
Appealing to heart and to reason.”

Now we are seeing the xGB operators already anticipating that the candy-poison must be forced in further from any last second spit-outs, by a handy song to prove that the “new light” must actually be “new light” and to wash the spiritual cyanide all down deep into the psyche, and a nice trite rhyme could apply just as well to Satan and his “evil slave”, in his “angel of light mode”, but now the xGB MOL can hit the stage in the sole spotlight; TaDa! (2Cor11:13-15)

Appealing to heart and reason is what Satan always has done, the issue is whether it is valid reason or not, truth or error, not “reason” alone; There is invalid “reason” for everything this MOL xGB does, but there is never any real excuse;

This MOL xGB’s days are numbered (Zech3:4-7; Hos1:4-7), and they want to take Jehovah’s witnesses down with themselves as globalist wildbeast workers that they are; This will activate as Daniel 8:11-14 fulfills soon, commencing the initial prophetic period of Daniel 8:14, preceding the final prophetic temple completion cycle of Revelation 11;

ZECHARIAH 3 FINAL FULFILLMENT MODE REVEALS TROUBLE IN PARADISE, JW PARADISE

With bittersweet regret but also divine excitement, I am driven to tell Jehovah's witnesses everywhere that I am no longer... no I am not disassociating, no I am not turning coating on the brothers, I am no longer observing the GB idolatry, that has now also set into the FDS idol, and the Org idol, to create a massive future stumbling event. I am now compelled to PROVE from the bible's LIVE prophecies that the "Governing" "Body" is now a Frankenstein of the demons. Sorry to say, one infraction led to another, the Henschel spy, and so forth, and now their very fruitage, Jehovah has revealed, is revealing what is operating in the 1992 to current Governing Body of Jehovah's Witnesses.

Subversive infiltrators of the globalist 2-horn-wildbeast and 8th King/KN opponents.

I have the tattoo, these fakes do not. That is why it is also my responsibility to reveal the meaning of Zechariah 3 REAL-TIME! The fraud infiltrators surely will not, and cannot.

JEHOVAH AND CHRIST CANNOT BETRAY JEHOVAH'S WITNESSES, FOR THE VERY NAME SAKE, PURIFYING FIRE WILL GO LIVE AMONG JEHOVAH'S ORGANIZATION AND PEOPLE; ZECH3:4

KEEP IN EXPECTATION OF ZECHARIAH 3:4 LIVE AND FINAL FULFILLMENT IN A LITTLE WHILE LONGER
I am a Heaven's Angels Light Biker Club member. We do not blow off our photor cycle gang, and those who ride with us, because a couple "b-UN-s" have snuck into the gang. NO WAY, NO HOW! The JW tut is here to stay. We do NOT abandon ship for a few rats. No, we wait till the big kegger at the rally, and we catch the rats buzzed at 4:40 am, in the proper state of repose and we are prepared for what will happen next. They aren't. This event is purposed for Zechariah 3:4 final fulfillment and where that must lead. The Heaven's Angels JW Light Club is currently in Zechariah 3:1-3 holding pattern.

This prophecy is fulfilling in front of all our faces NOW:

(Zechariah 3:1-3) And he proceeded to show me Joshua (FDS) the high priest standing before the angel of Jehovah, and Satan standing at his right hand (GB) in order to resist him. 2 Then the angel of Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log (Org) snatched out of the fire?” 3 Now as for Joshua, he happened to be clothed in befouled garments (GB actions since 1992) and standing before the angel.

GB Spade is a GB Spade

Now I have finally, finally come to admit, upon pure logic and lots of prayer that Jehovah's witnesses are in the midst of an inner betrayal event, a severe inner compromise of the GB and Org, that has been in clear operation for 20 years, after Fred Franz' death approximately. And, of course, Jehovah has ALREADY revealed it per prophecy.

This in NO WAY implicates ANY Governing Body since Fred Franz, and before 1992. Those guys were the REAL McCoy, and we will take the GB Toolbox control center back, SHORTLY.

===

It's Obvious, Too Big to See at First

This evidence is simply too conclusive, when examined after years of this trend as well:

1. Jehovah God Almighty will NOT inspire actions that bring grand, massive, perpetual, worldwide reproach upon His own name, the King of All Lightning Clubbers will NOT do such a thing, no how, no where, no way, for no reason. CERTAINLY NOT FOR A UN LIBRARY CARD.

2. Jehovah God Almighty will NOT inspire ACTIONS that stumble globally, perpetually, at least 500,000 people in 10 years, maybe far more than that. There may be 3 or 4 million people who simply WILL NEVER CONSIDER BECOMING A JEHOVAH'S WITNESS because of the great post 1992 Henschel GB hypocrisy of the UN-NGO scandal NOW attached to Jehovah's Name and Jehovah's witnesses name worldwide by that selfish and infiltrative GB action: d-i-s-a-s-t-e-r awaits the rats, NOT the whole JW club.

The GB of the last 20 years, pimped God's Daughter into the UN brothel, street walked Christ's Girl FOR 10 YEARS, PLAIN AND SIMPLE, and they are NOT going to get away with that GREAT SIN. NO ONE IS! JEHOVAH IS, I REPEAT, IS ANGRY!

THERE IS NO WAY IN HEAVEN, HELL (CURRENT GB) OR EARTH, THAT JEHOVAH GOD HAS ANYTHING TO DO WITH THIS TRAVESTY AND NO WAY HE INSPIRED IT, OUR HEAVEN'S ANGELS LIGHT CLUB HAS BEEN COMPROMISED BIG TIME! FROM INSIDE THE GB CONTROL CENTER!

BUT, NEITHER JEHOVAH, CHRIST, ME, OR ANY TRUE WORSHIPER OF JEHOVAH GOD ALMIGHTY, THROUGH JESUS CHRIST, IS GOING TO ABANDON BEING IN THE HEAVEN'S ANGELS, JUST BECAUSE SOME SCUM HAVE SLIPPED INTO THE GB AND THE ORG IN 3000 DOLLAR SUITS AND SMILES, MASQUERADING, I SAY MASQUERADING AS HEAVEN'S ANGELS.

That is right, JEHOVAH, The Heaven's Angels OWNER, and Jesus Christ The Club President, are the ones who will deal with the termites in our Heaven's Angel's Photor Cycle Club as per Zech3:4! Don't you worry, these rats are going to be removed by AT LEAST angels. How exactly we do not know. When exactly we do not know, but soon. That exactly it will happen we do KNOW, it is divine prophecy!

(Zechariah 3:1-4) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then the angel of Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?” 3 Now as for Joshua, he happened to be clothed in befouled garments (GB sins, retarding temple completion news) and standing before the angel. 4 Then he answered and said to those [angels] standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with new garments.”

Any anointed who has kept the "oil" supply full, that is, reads and studies the Word Of God like eating food and drinking water, ALREADY knows Zechariah 3 is THE MOST IMPORTANT PROPHETIC CONCERNING JEHOVAH'S PEOPLE CURRENTLY IN ACTION - LIVE - REAL - TIME, AS WE SPEAK!

Why? The Temple 144000 Completion for one thing, is where zech 3 leads to, and...

Zechariah 3 is a Great Modern Prophetic Signal - It Also Indicates Something is Wrong: "Befouled"

Because Zechariah 3 pictures the great segway to the typical Jerusalem Temple completion that occurred after Joshua's "befouled" state was changed in approximately 520 BCE, and the Israelites completed the Jerusalem Temple IN THE FACE OF THEIR ENEMIES, THE SAME WAY THE 144000 TEMPLE IS ALSO GOING TO COMPLETE IN THE NEAR FUTURE IN THE FACE OF GOD'S ENEMIES as the final fulfillment of this prophecy in Zechariah 3 leads to those events GUARANTEED TO REPEAT FOR A FINALITY OF FULFILLMENT (Rev11).

All anointed and others also know, Jehovah's prophecies all repeat, replicate, and roll over at the divine timing they are intended to go into final fulfillment, as per their minor fulfillments, with various perfect principles and or events emphasized and finalized. For example, Jesus arrived at Bethany on the Mount of Olives 6 days before the Passover, making that whole segway from Bethany, to the Temple visits, to the Passover new covenant and Kingdom covenant to the full sacrifice a 7 day approximate time frame for us to learn of key events from then, for his finality of "visitation" now.

Modern Temple Inspect is of Jehovah's Witnesses NOT Christendone; (Rev11:1-4)
In 1914 many of the same principles were present in the Daniel and Revelation minor/model time periods equaling seven years approximately in the 1914-1918 1260 day period and the 1919-1922 1290 day period. There was also the 1335 day period that followed those, making a time period in years, similar to Christ's ten day pattern, which would include his resurrection. Those are teaching patterns for very good reasons, they have truths from God in them, concerning the future final fulfillment cycle.

We are PAST 1914 everyone. We are IN final fulfillment mode, NOT involving Christendom, but Jehovah's witnesses. Christendom is headed for demolition, JWs are headed for close close inspection.

A point is, Jehovah does all these repeats to build faith and to convey important information concerning a GUARANTEED repeating cycle in the near future, just like the previous cycles in 520 BCE, 33 CE, 1914 CE and the near future finality. Certain developments that typified Christendom in 1914, must of course repeat in the temple system today: Jehovah's witnesses worldwide.

To repeat, today the temple system is no longer Christendom of course, that was the whole point of the 1914-1922 overall pattern, to clean out the "cave of robbers" permanently then, and found the new temple system as per prophecy in Malachi 3, and other important temple prophecies. Jehovah's people were selected for this final work.

Temple Foundation vs. Temple Completion

1914 was also a foundation work, NOT a completion work, but an "under construction" time period since then that would lead to the great completion of the 144000 Temple system, a very great future event, THAT WOULD HONOR THE FORMER PATTERNS. Temple 144000 completion of "seal" has a great event; (Rev7), temple completion of 144000 "glorification" is the end of the world of rival sovereigns; (Rev14)

The GB will NOT be revealing this, ok.

This is why we know the Governing Body of Jehovah's Witnesses has big problems right now.

BIG PROBLEMS OF PURPOSEFUL RETARDATION, INFILTRATION AND COMPROMISE. LONG PERIODS OF SERIOUS, GEHENNA SEVERE SINFUL DECISIONS THAT NO ANOINTED WOULD MAKE IN GOOD CONSCIENCE. NO ANOINTED WOULD IN GOOD CONSCIENCE AGREE WITH THIS GB, THEY ARE ROTTING FROM THE INSIDE. BIG SINS THAT REVEAL ALSO, FOR VARIOUS REASONS, WHY THIS HAS GONE ON, FULFILLING A PROPHETIC PATTERN.

DENIAL

The anointed few who are in the GB today (if that), and from 1992, have not come to grips with the magnitude of the sin of prostituting God's Daughter to go streetwalking for the UN propagandists in the minds of Jehovah's witnesses for the UN psychological and demographic promotions group. Some anointed may have very well been compromised to Gehenna for this HUGE infraction.

Red Flags

1. But most telling, is that after 100s of thousands of people have easily been stumbled over this worldwide, the Governing Body of Jehovah's Witnesses, STILL, in spite of it all, STILL will not say "we apologize". RED FLAG!

2. We can also plainly see they are not prepared for the final repetition, in the near future, of the great prophetic cycle of Daniel and Revelation 10-11. We can see Zechariah 3, that reveals to the anointed and other believers, that we have termites in that "log in the fire" of Zech3:2.

3. This is NOT going to be commented on by the current GB with any true insight, UNTIL after Zech3:4 clean-out completes, because THEY, the GB since 1992, are the primary cause of the "befouled garments" that are now affecting even Jehovah's name. To any, if there are any anointed even left in this pack of actors, the sheer magnitude of this sin, is such to make one shudder, that aids it's being covered over, fear and guilt.

4. And yet, the fact that Jehovah still owns the organization, and will NOT stop shepherding sheep in, gives the strange illusion that everything is hunky dory in the GB. But everything is NOT hunky dory in the GB, we have too many signs that at the very least, unanointed are running the joint for their own bellies and exultation, at the very least "fake marriage garmented" frauds, and or fool parched and "oil gone dry" "virgins". No new light in? TWENTY years.

But, more likely in combination with all this, we have apparently been overstepped by a Satanically inspired infiltration, yet prophecy makes it clear that is EXACTLY WHAT HAS OCCURRED, AND WILL REQUIRE DIRECT DIVINE INTERVENTION TO ROUTE THESE RATS OUT OF THE CLUB:

(Zechariah 3:1-2) And he proceeded to show me Joshua (FDS) the high priest standing before the angel of Jehovah, and Satan standing at his right hand (GB) in order to resist him. 2 Then the angel of Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?”

Now that "log" has NOT been snatched from the fire IT IS IN yet, that must occur by Zechariah 3:4 in the future. Zechariah 4 and it's counterpart in Revelation 10-11 WILL NOT proceed in final fulfillment until Zechariah 3:4 occurs in a little while.

Fruitage Diagnosis: Satan Stance

The "resisting" stance of Satan, at Joshua's "right hand" is a stance of Satan IN the "right hand" GB itself to some degree of enough compromise for 20 years to be a trend trying to obstruct the final prophetic proclamation and is shown now to be:

(1.) self evident like Judas at Bethany; (John12:6);

(2.) to be undeniable in negative overall progressive effect to the organization, even idolatrous in three forms GB/FDS/ORG;

(3.) to be systemically obvious now, compounding and synergistic in a 20 year trend and;

(4.) to be masterfully subversive with NO outward appearance, and;

But that they have been controlling the place progressively since 1992 is obvious finally - repetitive "food" but no "new light", mock humility, smug, thankless, unapologetic, ingrates, arrogant, and idol erecting "steroid" GB/FDS/Org progressive idolatrous developments very subtly are BIG red flags for the last 10 years.

These guys ARE OBVIOUSLY NOT TRUE ANointed, have enough controlling numbers or influence to subvert any who are, who are fooled by visuals and formalisms - and subconsciously blinded by the sheek guilt denigration of the this operation - just look at the 1992 "disgusting thing" sin against Jehovah. Think these drunken harlots are getting away with that? LOL, NO CAN DO!

Feeding the GB Fraud Faction: Duped "Other Sheep"

That is one reason, but certainly not the only reason, since 1992 as well, they have "other sheep" feeding them information. They need it. The "other sheep" have NO idea what is happening. Many of these GB fraud agents are not even Jehovah's witnesses at all of course, and do not want to expose themselves as such, because no fraud can write true guiding Christian articles - they know buzzwords and formalisms, and they don't write, they "edit", they use a sampling first from a strong minded "other sheep" duped one. They sample from "other sheep" who are spiritual, and who know nothing out of the ordinary is going on.

This is in no way, blaming or accusing ANY "other sheep" REAL Jehovah's witnesses of any impropriety. That it also opens this up to undercover termite "sheep" is obvious, but these can only "propaganda pepper" in subsersive guiding for organizational (finance, intel, etc) compromise NOT teachings, Jehovah will not allow a full override. The virus stems from the UNNGO incept, as per the infiltration goals, and we probably have a few of those "others" peppered around the Org.

Fred Franz Reworded Ad Infinitum

The other technique is regurgitation. Endlessly the GB fraud faction reword Fred Franz manuscripts (and other pre 90s brothers), pawnning off the Daniel and Isaiah book, as if it was "new light" for all mankind that they had written - they didn't, they smoothed out Franz extant manuscripts. Now nothing wrong with Fred Franz having compiled those fine books (and others), and it is full of light, the point is though, not any light of the current GB - old light truth. It's all an act, a "light show", by at least a controlling faction puppet GB (Some one pulls their strings, ok?).

We can plainly see, NO NEW LIGHT HAS SHOWN FROM THE GB IN 20 years, Zechariah 3 is a mystery, Revelation 10-1 final fulfillment, a convenient mystery, King of the North, a handy mystery, Daniel 12 final fulfillment through Revelation applicable sections, a PURPOSEFUL mystery. The King of the North today, is obvious. And more obvious, yet again and again. And again and again.

===

Objective Resistance: Shut Up the Final Two Witnesses Global Ministry

The main objective of these undercover frauds in action within the the modern Governing Body of Jehovah's Witnesses, besides subtle, viral, radiating gross sins, is to try to delay the identity of the "King of the North", the final "two witnesses", final 2520 day total global ministry, and sovereign ultimatum in the "opened little scroll" "reports" worldwide of the FINAL fulfillment cycle of Daniel 12, Revelation 10-11, and Zechariah 3-4.

The current GB doesn't want anyone to know these finalizing truths.

Like the 144000 will be completing very soon, BEFORE Armageddon. GB Agent Whisper: "Let's all keep it a big secret, ok?, you are doing fine sheepies, just fine, we love and approve of you! It is us, we, GB! Worship ye olde fraud GB idol!"

Get it? THESE GUYS SHOULD NOT ONLY KNOW ALL THIS, THEY SHOULD BE SAYING SOMETHING AS WELL (YEARS AGO), BUT THEY ARE FRAUD UNCOVERED CONTROLLED GB SPRAY PAINTED WHITE COCKROACHES, TERMITES, AND PARASITES!

Zechariah 3:4 MUST Fulfill SOON

The current GB fraud elements are going to have the divine neutralizer pay them a visit soon as per Zechariah 3:4, the only way to get them out, is a big prophetic event from God. Jehovah pulls this JW "log from the fire" in that fire, the termites will be removed. (GB Virus92) Whatever is left over will be aided or fully replaced, with REAL prophets of God, for the final "two witnesses 2.0" beta-prep ministry soon after. Jehovah is going to overhaul the GB to HIS spec, not that of fake executive agents.

And proving that statement of truth from God's word, a guaranteed prophecy with a guaranteed final fulfillment sequence WHICH MUST OCCUR SOON is recorded for the brothers of Christ TRUE Jehovah's witnesses here, in Zechariah 3:3-4.

(Zechariah 3:3-4) Now as for Joshua, he happened to be clothed in befouled garments (Current GB 20 year sinfest) and standing before the angel. 4 Then he answered and said to [ANGELS] those standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”

We have another "in-o-l-e" prophecy at 2Thess2:3-9, that like Zechariah 3:4's angelic direct assistance in that procedure this too is supernaturally aided, this too implicates the operation of Satan, this TOO must be revealed in the MODERN prophetic final cycle of today, IN the temple of God, Jehovah's witnesses anointed and professed anointed, eg, GB, and here it is, in front of the face of all with eyes to see:

(2 Thessalonians 2:3-9) Let no one seduce you in any manner, because it will not come unless the [modern, final fulfillment] apostasy comes first and the man of lawlessness gets revealed, the son of destruction, [the "Judas" modern day counterpart IN THE "12 apostles"; GB]

4 He is set in [subversive and subtle] opposition and lifts himself up over everyone [Organizational idolatry] who is called "god" ["Slave" idol] or an
object of reverence [Org idol] , so that he sits down [controller] in the temple of The God, publicly showing himself to be a god. [Frauds claiming to be anointed in GB control faction or complete takeover]

5 Do you not remember that, while I was yet with you, I used to tell you these things?

6 And so now you know [Fred Franz - 1992] that acts as a restraint, with a view to [the GB frauds] being revealed in his own due time. [7:53 PM 7/27/2012]

7 True, the mystery of this lawlessness is already at work [Since 1991 UNNGO scandal inject viral incept]; but only till [Fred Franz ] who is right now acting as a restraint gets to be out of the way.

8 Then [Now], indeed, the lawless one will be revealed [the fraud takeover in the current GB, NOW!], whom the Lord Jesus will do away with by the spirit of his mouth and bring to nothing by the manifestation of his presence. [angels]

9 But the lawless one’s presence is according to the operation of Satan...[Zech3:1]

Sound familiar?

(Zechariah 3:1) And he proceeded to show me Joshua (FDS) the high priest standing before the angel of Jehovah, and Satan standing at his right hand (GB) in order to resist him.

The GB.92 Cult Will Go Extinct Soon

Personally I am sticking to Jehovah's witnesses of course, and so is Jehovah and Christ, EVEN stronger than I did before, because these fake GB rats aint taking over the Heaven's Angel's 144000 Celestial Cycle Club. But this answers, from Jehovah, much of the questions some witnesses have validly raised, and why the subtle and outright stumblingsthis that are occurring in Jehovah's organization as we speak.

JEHOVAH WILL NOT INSPIRE ANYTHING, SUCH AS THE UNNGO, THAT REPROACHES HIS OWN NAME, CERTAINLY NOT FOR A "LIBRARY CARD", IN FACT FOR NOTHING, IT IS IMPOSSIBLE FOR GOD TO REPROACH HIMSELF. IMPOSSIBLE!!!

THE GB HAS A BAD INNER COMPROMISE AS PER MODERN FINAL FULFILLMENT PROPHECY. STICK TO JEHOVAH, WORSHIP ONLY JEHOVAH, STICK TO THE COMMANDMENT TO PREACH, LET JEHOVAH HANDLE THESE SLIPPERY PIGS AS PER ZECH 3:4, SOON.

GB Idol Factory - 10 years, Mission Accomplished - The Slave Give Us This, That and the Other Thing

This is why the modern GB exalts itself, and it's other Org idols, they are NOT anointed, they are frauds to some degree, enough to pull this off for 20 years.

But, Judas could ONLY stumble and betray and be destroyed, and same with these demonized freaks, they CANNOT affect the sheep intake, they cannot affect the truth itself, and soon they cannot affect anything whatsoever. These parasites of the globalists will be exposed and neutralized BY GOD; Zech3:4

It answers how a 10 year onslaught of GB self generated and invited reproach, has brought an avalanche of destructive apostates upon the GB, and FDS and Org "bodies", and how constant "steroid" bolstering of those "bodies" has actually created 3 big idols right in Jehovah's witnesses with smaller ones built from the "head rot" smug attitude of the current infallible SELF exalted GB, that after 10 years of this, actually believe their own subtle idol steroiding press. It looks like half the JWs are also being fooled to be GB idol worshipers as well.

The infiltrators worked on God given, and well respected "bodies" subtly and progressively for 10 and 20 years, to build an idol routine that few would suspect over this time period, it was very very subtle. Now they are fully erect idols in many JW minds, diffusing faith to bodies of imperfect men AWAY from Jehovah, who can now be compromised for a big stumbling event, with global impact.

This is why some Jehovah's witnesses are more focused on the "Governing Body", and the "the Slave", and "The Org" than upon Jehovah. In fact, the GB has aided putting Jehovah on the "back burner" of many Jehovah's witnesses minds, to the point many elders and Jehovah's witnesses are serving formal appearances, and rituals in the congregation, ignoring their own so-called "weaker" brothers and sisters, condoning of endless reproaching "GB Does UNNGO" soft-porn movies (all over the internet) with God's Daughter in them, and other travesties without so much as a single "we're sorry everyone", not one apology from our smug GB rat nest.

Jehovah Will Fry the GB Termites From The Org Log; (Zech3:1-2)

BELIEVE A TRUE ANOINTED RATHER THAN RATS, THESE GUYS ARE IN TROUBLE WITH JEHOVAH, AND JEHOVAH IS NOT GOING TO ALLOW THIS TRAJECTORY TO PROCEED ANOTHER 10 YEARS, JEHOVAH WILL ACT, AND RETAKE THE ORG, AS PER ZECH3:4.

REAL Jehovah worshiping witnesses is what is going to be left over. NOT "GB idol" worshipers, NOT "FDS idol" worshipers, NOT "Organ" worshipers, but JEHOVAH WORSHIPERS.

This GB undercover "rat nest" has infiltrated for more than reproach, stumbling and retardation tactics, they are going to compromise the whole organization soon, they are going to pull a coup de grace stumbling event, and Jehovah is going to let them, because these GB/FDS/Org idols and those now focused on these idols are going to get whacked big time.

This is the end objective of even why this GB undercover "rat nest", since 1992, has had the overall plan to build these idols in the first place, catalyzed by the waves of UNNGO reproachful attack to begin the routine. These agents from Satan want to diffuse worship and faith focus from Jehovah God, who cannot be compromised, towards imperfect human "bodies", "idols" that can be compromised, and will be compromised and made naked:

Future event:

(Zechariah 3:4) Then he answered and said to [the angels] standing before him: “Remove the befouled garments [current infected GB frauds] from
upon him."

[Here in time: Naked. Implied state of "Joshua" in "nakedness" between "garments", that is the FULL exposure of this truth outlined here, that is the FULL exposure of the "son of destruction" revealed in the GB compromised faction and Organizational rat nest]

And he went on to say to him: “See, I have caused your error to pass away from upon you...

[The error "passes", rats removed, while Joshua FDS is still "exposed", then]

and there is a clothing of you with robes of state.”

Then, Jehovah has healed the breech!

The "robes of state" is the approved clothed body of the FDS that will eventually go into approved royal 144000 priesthood as this is segway in the near future, to the proclamation of the FUTURE GUARANTEED replicating cycles of Daniel 12, and Revelation 11 (Two Witnesses) and Zechariah 4 (1260/1290 days), telling the world of the "little scroll" guaranteed completion of the Messianic Kingdom and Temple in the face of the world enemies, permanently at the battle of Armageddon. King North MUST be revealed to receive those "reports".

The composite globalist enemy, in the comprehensive sovereign rival globalist symbol of the "King of the North" is revealed, and these "little scrolls" are the "reports" (Dan11:44-45) that draw KN onto the global Armageddon battlefield with Gog of Magog (Eze38). This catalyzes the "war of the great day of God the Almighty" for certain, permanent, everlasting destruction of all the rivals (Rev19:19-21) as Jehovah and Jesus Christ in the Messianic Kingdom Temple 144000 obliterate ALL the enemies of God from planet Earth.

THIS FINAL SEQUENCE IS EASY TO UNDERSTAND! GUARANTEED, LIKE A MAP, LIKE A GOD PLAY PROGRAM; FINAL ACT! THE TWO WITNESSES MUST PROCLAIM THIS FOR 1260 DAYS LEADING TO THIS FINAL CONQUEST.

NO WONDER THE FRAUD GB WON'T REVEAL THIS! LOL

That is why Zechariah 3:4 MUST fulfill BEFORE any "new light" and sovereign prophetic temple fulfillments proceed leading to the great tribulation.

FULFILL IT WILL, GUARANTEED!

GET READY! STAY AWAKE! KEEP IN EXPECTATION OF IT! SOON!

Basic Master Pattern of Prophetic Replication

Sin; Judgment; Cleanse; Recovery; Commission-Final Sovereign Announcement Warning; Completion of Body; Final Sacrifice/Salvation; Armageddon

This outlines the prophetic replication patterns upon the central Kingdom symbolic entities that are completing in this replication from birth/foundation phase (fulfilled) to completion and world conquest phase (to fulfill soon);

This outlines the final sovereign Kingdom of God warning period that is the purpose of this replication of prophetic fulfillment in full world view with a final proclamation of it's meaning and sovereign proclamation that develops as this prophecy repeats to completion;

This shows the Kingdom birth and completion phasing requires two fulfillments of prophecy for each phase; The Temple foundation and completion phasing shows the same replication requirement principle; This phasing drives the prophetic replication;

Four Biblical Teaching Symbols and Patterns - Kingdom, Temple, Jerusalem, Bride

I. Temple and Kingdom Parallel Related Prophetic Replication Principle

A. Kingdom Pattern

A.1 The Kingdom is The Central Symbol

A.2 Kingdom Phasing Basis for Prophetic Replication

1. Kingdom Birth
   a. 1914 fulfillment

2. Kingdom Completion
   b. Future fulfillment

A.1 Divine Sovereignty

1. The final global warning of the impending world sovereign conquest is given leading to the completion of the Kingdom 144000 power system as the climax of this prophetic cycle to world conquest; (Rev11:15-18)

2. A final invitational call to repentance and surrender develops as this cycle progresses;
A.2 Sovereign Permission of Gentile Rulership Period

1. This period defines a divinely described and permitted temporary allowance period of rival sovereign rulership of earth as 2520 years marked by a prophetic "seven times" cycle from 607 BCE to 1914 CE; (Dan4:16, 23, 25, 32; Luke 21:24)

2. That temporary "appointed times" 2520 year period began as the symbol of divine rulership in Jerusalem ceased with the destruction of Jerusalem by the Babylonians in 607 BCE;

3. This has been the central message of Jehovah's witnesses since the prophetically demonstrated 1914 expiration date of the "appointed times of the nations" of this 2520 year period since 607 BCE;

4. This was 2520 years as 7 symbolic periods of 360 years based on a lunar year of days symbolizing years; (7 x 360 = 2520); (Eze4:6);

5. This marked the beginning of a special final warning ministry of Christ proclaiming this truth to planet earth's nations; (Rev1:10; Rev10-11; Matt24:14)

A.3 Divine Decree Seven Times Pattern

1. This prophetic pattern is not only measured in years that mark this "seven times" period, but also n days of the final warning;

2. The 1260 days is split in two fulfillment in 1914-1918 and the near future finale to total 2520 days;

A.4 Seven Times Periods

1. 2520 Years
   a. Marks time period of sovereign permission as 2520 years;

2. 2520 Days
   a. Marks final warning period as 2520 Days;
   b. 1260 days fulfilling twice as 2520 days; (1260 x 2 = 2520)

A.5 Prophecy Repeats

1. Revelation 8-11 has a prophetic replication as two fulfillments upon foundation (1914-1918) and completion phases (future) to allow for 2520 days as 1260 days twice split over time as a dual fulfillment;

   a. The 1260 days of Revelation 11:2-3 will replicate for a total 2520 days divine warning world ministry of Jehovah's witnesses; (Daniel 7:25; Dan12:7; Rev12:6, 14; Rev 13:5)

B. Temple Pattern

B.1 The Temple is a Kingdom Parallel

B.2 Temple Phasing - Prophetic Replication

1. Temple Foundation
   a. 1914 Period; 1919 Arrival

2. Temple Completion
   b. Future

B.3 Kingdom and Temple Parallel From The Beginning Exodus; (Ex19:5-6; 1Pet2:9)

II. Jerusalem Holy City and Kingdom Parallel Related Prophetic Replication Principle

A. Sovereign Limit 1 - 2520 Years

A.1 Jerusalem "Holy City" “trampling” is permitted to mark rival sovereign period as 2520 years; (Dan4:16, 23, 25, 32; Luke 21:24)

B. Sovereign Limit 2 - 2520 Days

B.1 Jerusalem "Holy City" “trampling” is permitted to mark final warning period as 2520 days; (Reve11:2-3)

C. Jerusalem Holy City

C.1 Jerusalem Holy City is a Kingdom Parallel; (Rev11; Rev21-22)

C.2 Jerusalem Holy City Phasing - Prophetic Replication

1. Jerusalem Initial Trampling; (Rev11:2-3; Dan 7:25; 12:7)
a. 1914-1918 fulfillment

2. Jerusalem Final Trampling; (Replicates Rev11:2-3; Dan 7:25; 12:7)

b. Future fulfillment

C.3 Jerusalem Foundation and Completion

III. The Prophetic Replication Division

A. The Split Phasing

A.1 The 2520 days of the final warning period are split into a dual fulfillment separated by an unknown time period;

A.2. This allows the prophecy to accommodate the significance or the phase of these Kingdom entities from start to finish, foundation to completion, with development time in between the two phases of all divine related elements shown in prophecy;

A.3 The interim period is a world ministry of Jehovah's witnesses that leads to and announces the ultimate final period;

A.4 That ultimate climax final warning period is marked in prophecy by Divine prophecy foretelling divinely significant spiritual and world events over a number of years;

B. Temple Signal and Sequential Prophetic Activation

B.1 This final cycle repeats all the 1914-1918 elements, but begins with a unique period as a signal event; (Dan8:11-14)

B.2 These identifiable prophetically foretold periods are laid out in a temple judgment signal, (1Pet4:17; Dan8:11-13) a temple purification and recovery period; (Dan8:14; Zech3:4-6; Rev8-9) to a Divine commissioning period in a cleansed state; (Zech3:7; Rev10) to the final 1260 day warning period; (Rev11) as divinely described sequential periods of significant marked fulfillments;

C. Temple Inspection - Man of Lawlessness

C.1 The final replication phase signal prelude is the prerequisite revealing of the source of temple transgression (Dan8:11-14; Zech3:1-3) as the modern final fulfillment "man of lawlessness" seated "in the temple of the God"; (2Thess2:3-12; Zech3:1-3; Mal3:1-3)

1. This has fulfilled initially with a revealing of serious transgressions by this "man" past, present and future;

D. Temple Judgment

D.1 The final prophetic replication phase starts (1Pet4:17) as a Divine temple judgment activates to remove the lawless parties; (2Thess2:5-12) and temple-wide profanations; (Rev8:2-12) with a marked temple judgment time period until temple purification (Dan8:11-14) and priesthood purification (Zech3:4-7) is reached;

1. We will know when this activates very soon as 1Peter 4:17 is Daniel 8:11-14 temple judgment, it is a Divine guarantee with much evidence that the "man of lawlessness" is covering up; (Dan8:12; Dan11:30-31);

E. Split Phasing Divides the Prophetic Replication

E.1 This prophetic division between initial and final fulfillments is upon these elements reiterated below for review;

1. The Kingdom Phasing

a. Kingdom Birth Phase and Kingdom Completion Phase

2. The Temple Phasing

a. Temple Foundation Phase and Temple Completion Phase

3. The Holy City Phasing

a. Initial Trampling Phase and Final Trampling Phase

4. The Body: Bride

a. Also phased in prophecy, though not explicitly, there is an engagement and marriage arrangement of Christ;

b. The body of Christ is pictured by the Bride as well as the Kingdom, Temple and Jerusalem symbols;

c. That "Body" must be a complete "Bride" prior to the marriage and so the pattern is seen in this truth as well; (Luke 12:32-40)

F. Malachi and Zechariah Temple Priesthood Cleansings

F.1 Note: Malachi3 has a 1914 Temple foundation focus and also applies to the final cleansing at temple judgment prior to Temple completion;

F.2 Zechariah3 Cleansing Relationship is after Temple foundation, explicit to the Temple completion finale;

F.3 In 1914, Zechariah3 applies in principle, not in major meaning of the final cleansing as per Zechariah3:4-6 and final designate "faithful and discreet slave" commission of Zechariah3:7;

IV. Prophetic Replication to Completion of All Patterns

A. All Elements Repeat in Completion Phase with Unique Commencement and Finale Event

A.1 Temple Inspection
1. Transgression/Sin;
   a. Daniel11:30-31; Daniel8:11-14; Zechariah3:1-3

2. Man of Lawlessness Revealed; Evil Slave;
   a. This class is revealed "in the temple";
   b. 2Thessalonians2:3-12; Matt 24:48-51; Luke 12:41-48;
   c. Court inspection; Zechariah3:1-3

3. Weeds; Foolish Virgins; Imposters

A.2 Temple Judgment;
1. 1Peter4:17; Daniel8:11-14; Zechariah3; Malachi3:1-5;

1. Revelation10-11; Zechariah3:7; Matthew24:45-47

B.5 Allows Final Warning Validation
1. Once this is activated in temple judgment which implies a world notable significant event and series of developments, insightful Bible students will be aided by God to grasp the meaning of the prophetic replication; (Rev8:2-13; Rev9:1-4)
2. In addition to the spiritual Biblical elements repeating and completing here, many former worldly distraction patterns will also repeat and or climax; (Rev12:6,14; 13:5; Dan7:25; Dan12:7; Dan8:23-25; 11:44-45; Rev19:19-21; Eze38)
3. Some 1914 patterns that repeat at a larger apex scale are world war and global financial intrigues; (Matt24:6; 24:21-22; 29-31; Rev17:12-18; Dan11:42-43; Joel3:9)
4. World war provides the typical world government presentation cycle itself as a global intrigue to present world government after the world war is resoled as in WW1 (Rev13:11-15), WW2 (Rev17:8-11) and cold WW3, which all had a form of globalist government presented after this conflicts;
5. World war and related intrigues and desolations create conditions of desperation to facilitate predation;
6. In a case of World War 4 this would create conditions to finally climax the Babylon the Great prophecy beyond the 1914 foregleam to total wealth transfer to national powers in need of globalist financial aid;
7. In that process both national and religious sovereignties are deposed; Babylon the Great to total termination of authority, national "kings" to complete subservience to the scarlet wildbeast world governmental system;
8. Though these patterns are not covered in this outline, they are covered in prophecy in detail and they all had a foregleam minor fulfillment in the World War I distraction period created by Satan to obscure God's Kingdom sovereign reality

Parallel Rival World Power Initial Development in 1914 Patterns Repeats to Climax in the Future

1. The cyclic replication of prophetic Kingdom patterns paralleling also competing rival world power developments and worldwide distraction events is shown in the Bible and in world history as in 1914 to be outlined here;

2. Significant Biblical patterns repeat for people's awareness of what it means in relation to prophecy concerning God's Kingdom sovereign completion and Armageddon finality;

3. Another significant pattern with these world power developments - one of competitive distraction - will repeat in the future as well, also based on the initial pattern of 1914 in both prophetic and world significance;

A Convergence of Significant Developments

1. There is great prophetic and world significance in the Messianic Kingdom sovereign ultimatum and world proclamation fulfilling in 1914. 1

A. This is especially significant after 1700 years of Christendom and world follies seemed to have buried the true Christian hope in hypocrisy and futility;

2. What makes it even more notable is the unique global magnitude of the concurrent world events that also manifested in 1914 distracting attention away from this "Good News of the Kingdom" at that time and after; (Matt24:6, 14) 2

3. Significant also was the apex world power national alliance in England and America which formed prior to World War 1 which ended birthing also the first form of globalist world governmental forum which arose as the League of Nations in 1919; 3,4

4. Three massive world events and God's Kingdom proclamation all at the same time?

A. Four random massively significant developments and events synchronizing with Bible prophecy 5 foretelling the Kingdom of God in initial fulfillment manifestations all at this same time period of 1914 to the very year? 6 All just a big coincidence?

5. And there is more symphonic events that cannot be accidental in this quantity, synchronicity and magnitude of significance;

Dual Kingdom Foundations

What it means is both God and Satan brought their respective initial "Kingdom" into dual world presentation with competitive proclamations at the same time;

1. Even the initial manifestation of these super-natural born rival powers in Jesus Christ's Messianic Kingdom and Satan's 7th world power and embryonic 8th King "disgusting thing" "image of the wildbeast" were in competitive conflict for world attention from 1914 inception; (Rev13:1; 11-15)

Even the initiating manifestations of these opposing "World Kingdoms" were in competition from incept; 7

2. The synchronous timing of major Biblical Kingdom prophecy paralleling major rival world power development at this worldwide scale and continued evolution is also beyond coincidence;

The Great Distraction

Satan orchestrated the greatest world distraction of all human history in 1914 away from God's Kingdom reality and proclamation to focus world attention
on world war and human governmental solutions;

1. That these world governmental solutions manifested in apex national alliance form (7th King Anglo-America) and embryonic globalist unification form (8th King "League of Nations" "image") within approximately 6 years time from 1914 is also astounding;

**Obvious Conflict of Interest**

1. These diversionary world powers with common sovereign objectives of world rulership are logically going to be viewed by God's Kingdom King Christ Jesus as rival power systems to his Kingdom; (Psalm2)

A. And these unifying rival world powers begin making these world domination claims while the very Kingdom Sovereign warning to desist from this defiant activity is being proclaimed worldwide?

Again, all coincidence?

**Long Time Coming**

1. No, this culminating dispute over world sovereignty is heading for Armageddon to settle the controversy permanently; (Rev16:13-16; Joel3:9-17)

2. Furthermore prophetically that is where this is leading, that is the significance of the original divine announcement - planetary sovereignty;

3. These are diametrically opposed developments with engineered distractions to aid the unification all nations against God's Kingdom by distraction to their doom, while diverting attention from God's Kingdom as a reality;

**The Final Distraction**

1. And this exact strategy of worldly distraction by huge world developments erupting quickly will repeat with the prophetic replication of this Kingdom final warning cycle to completion in the near future upon this same pattern, but at full zenith of both power systems;

**First Pattern Minor Fulfillment**

1914 God's Kingdom Birth (Messianic Kingdom)

1. Sovereign Proclamation as Appointed Times of the Nations End

2. 2520 Years of Gentile Sovereign Permission Expires as 2520 Days Begins

3. 1919 Rival "Disgusting Thing" "Image" of 8Th King Globalist World Power

*Bridging Patterns and Diversion*

Four DT Stands

JW Infiltration and Coverup

Attack 1

Attack 2
This temple "established place" desolation will put the JW system into the abyss of Revelation 9:1 awaiting the recovery of the 5th and 6th trumpets; (first four trumpets) and leads to the final fulfillment (1260 days to trumpet 7; (5; Zech3; Mal3:1) is soon to follow; (1150 days minimum; 2Kings15:16 morning and evening sacrifice counts as one) and the army things to trample on? Must be covered over by the "man of lawlessness"

2. Once we understand this, the "man of lawlessness" doubts he seeds by lawless actions and policies actually build our faith, because the "lawless one" has to be revealed IN "the temple of the God"; And he is...

3. This Temple Judgment of God STARTS with Jehovah's Witnesses (and proceeds to Armageddon in time):

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God.

1. This Temple Judgment is due to infiltrations of transgression led by the "man of lawlessness" revealed, connected to the Governing Body UN NGO affairs and relationships for 10 covert years officially sanctioned and implemented:

(Daniel 8:11-12) And all the way to the Prince of the army it (Globalist 8th King) put on great airs, and from him the constant [feature] was taken away (by profanation unacceptability first), and the established place (JW organization) of his sanctuary was thrown down. (Spiritually to literally)

12 And an army (of JWs) itself was gradually given over (by Daniel 11:30, 32 infiltrations) (to Globalist 8th King and the Governing Body agency), together with the constant [feature] (by spiritual profanations), because of transgression (Related to the 1991-2001 UN NGO "disgusting thing" WTBTS GB promotions); and it kept throwing truth to the earth (in cover up), and it acted and had success. (As can now be shown successful at this undercover lawless work in Jehovah's witnesses organization)

(The lawless infiltrations of Daniel 11:30, 32 and the effects of the disgusting thing sin of Daniel 11:31 affect the JW temple and progress to worse states of sin as these are covered over by the "man of lawlessness")

And this temple judgment guarantee is for a timed period of this signal prophetic fulfillment soon to temple cleanse completion;

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation (effects of son of destruction and the disgusting thing sin of Daniel 11:30-31), to make both [the] holy place and [the] army things to trample on?"

14 So he said to me: "Until two thousand three hundred evenings [and] mornings; (1150 days minimum; 2Kings15:16 morning and evening sacrifice counts as one) and [the] holy place will certainly be brought into its right condition.", (Temple in purified condition by removal of "man of lawlessness" and other sinners in the JW ministry)

Prophecy is ALREADY Beginning to Repeat to Temple Judgment!

So the revealing of the man of lawlessness in Jehovah's Witnesses temple of God system, is in itself a signal that the above period of activated temple judgment (Rev8:2-5; Zech3; Mal3:1-5) is soon to follow;

IMPORTANT

1. This Daniel 8:14 is 1Peter4:17 activating after the "man of lawlessness" is revealed;

2. This Daniel 8:11-14 period is due to sins and infiltration at Daniel 11:30-32 and Daniel 11:41;

3. This Daniel 8:11-14 is the Zechariah 3 Temple priesthood cleanse in prophecy at temple judgment phase prior to temple completion of the 144000 under Christ; This is also Malachi 3:1-5;

4. This Daniel 8:11-14 temple judgment is also Revelation 8:2-5 "altar fire" JW "earth" cleanse and judgment of Revelation 8:6-12 (first four trumpets) and leads to the final trumpets and the Revelation 11 1260 days to trumpet 7;

A. This temple "established place" desolation will put the JW system into the abyss of Revelation 9:1-2 awaiting the recovery of the 5th and 6th trumpets;
5. Thus this revealing of the "man of lawlessness" is extremely important news and revelation that must lead to massive events upon the Jehovah's Witnesses worldwide organization and the world system globally as well as per important prophetic final fulfillment phasing to temple completion;

God's prophecy fulfilling in front of our faces is no cause for stumbling but for stronger faith that the rest of the prophecy will fulfill as well;

Question
Just a question. I see you re-configuring prophecy through the prism of the JW doctrine/world. You seem to have some form of timeline in mind for the prophecy. I believe you are sincere in your belief. But, if your prophecy does not unfold as you feel it should- will you make a total break with the JW organization mind set or will you just begin to remodel your beliefs like Harold Camping and others?

Man of Lawlessness and Jehovah's Witnesses Judgment and Temple Purification

Please read this entire rationale, because there are things that will be affirmed soon; I want to show that what is developing is a signal event of temple profanations and purification that precedes the final Biblical progression of Adamic human history to the end, over a number of years over prophetic patterns that have already fulfilled once;

Firstly, Jehovah's Witnesses do have a Biblical "property" that makes great sense; I am using almost everything we already know is true, up to the 1990 point of engineered diversion;

The USSR errors could not be commented on until after the USSR failed, and Fred Franz was not given that opportunity;

And that is where the JWs were hijacked;

But rather than let it stumble us, as this news and evidence does to millions of people, who do not understand this is a great signal of "man of lawlessness" and what it means, we see it is the "man of lawlessness" and we can then have faith that everything prophesied related to that "lawless one" is also about to activate a second time in modern human history!!!

And the GB wants people stumbling of course, BUT NOT knowing this truth, because no longer do people stumble, now we know what temple the man of lawlessness is in; He MUST be "IN the temple of the God", not external to it, for the final temple purification and completion cycle;

We are seeing prophetic reality actually in active fulfillment that must lead to far greater events, to that Kingdom also completing on stated divine schedule, all programmed ALREADY, into the Bible map;

====

But obviously JWs also have some very serious problems that are developing behind the GB facade, doing most of the damage through the 2 billion person web, worldwide, while JWs have little idea of the stats and trends that prove something not good, has developed in the JW top administrations;

And that is lawlessness, and multi-million person perpetual stumbling, on valid sinful policies and partnerships, and those are blood guilt of all JWs, these are spiritual murders, backed covertly by polluting practices very cleverly undertaken by the Governing Body;

Actually so well done is this covert "attack" from within, when reverse engineering it one finds such a number of subtle amazing details, that it had to require in-depth strategic intelligence to carry this out, with this mastery of subterfuge, and such an effectiveness as to cut JW numbers in half, or into 1/3 of what JWs could have been, had no sins of this magnitude, and no killers of this expertise and demonic guidance been at Bethel for years of preparations;

All that in 20 years of manifested climax effects; 10 years peaking on the web stumbling front; And we JWs are none the wiser in general;

These guys are NOT dodo birds, like they make out to stumble even more in the world, these guys are EXPERTS at subversion and covert tactics and techniques of multiple layers of progressive control; (Dan8:12; Dan11:30) from corporate to individual, while carrying on a ministry that appears to the causal observer and even attentive JW inside the org, to be busy and productive;

But it is busy and productive on another front as well; Sin and MURDER in the spiritual sense is also at work 24/7/365; "sons of destruction"; (2Thess2:3-4) And that
is going to have an apex development in the JW organization in time;

This cannot just go on forever like this, and they know that;

But this will all reinforce prophecy, tell Jehovah's witnesses what is really going on, and reiterate the message of Sovereign certainty of God's Kingdom powers to be;

The core message is still a Kingdom from beyond the celestial universe, has MADE A PUBLIC CLAIM to planet Earth; That is what 1914 is all about; The human lease has expired, time for eviction, and in that process salvation for those surrendering now to this power;

And for non-destructive final objectives; And to exterminate a human progression on planet earth that is easily shown to be a slow death for the planet; (Rev15:11-18);

And upon timed prophecy before, during and after - not at all is God a "mystery" at Rev1:1; He is plainly spelling out what is really going on, and for the reason it is up to each human to decide for themselves, God takes no prisoners like that, nor does He force obedience as his rivals do;

And being a fair Kingdom and a very very powerful group, these guys are giving a FULL AND FAIR WARNING to the planetary leaders of planet Earth, from the top down, to an acceptable degree, that can actually be completed by the power system itself upon arrival and after for a timed period of "Court" (Dan7:26 for Dan12:11 timing approximate), so the JW ministry is not the only witness the world will get in the end, and innocent lives are to be evaluated according to divine criteria for salvationary goals, not destructive if that can be avoided;

Meaning only evil and mean predatory people are to be tagged for termination; (Hence the "mark" of the wildbeast, which is basically a symbol of a predatory system, that produces predatory humans, of all orders of predatory types, as much as possible; BUT, it is not systemic, and there is a way out of the termination; (Christ's sacrifice, repentance, 2;) (God can obviously use that sacrifice even on some not in full knowledge of what is going on, as per Matt24:31-46 for those judged to salvation)

That is all biblical, but being covered up as well, for a fossil view that began in 1976, in order to retard JWs slowly, so that today, 1990 is has been repeating 1970 for 20 years, and JWs are repeating 1990 twenty more;

This is because God will not open actual "new light" to a lawless bunch of rogues in the "board of directors" who are NOT what they claim to be; And they have done this progressively for years, to the 100% coup that developed by 2000, to today's all fake GB actors;

That is why JWs get no "new light" that is actually new light, lawless sin, from central command, has God only backing new sheep intake for salvation purposes, setting up the GB for extermination of power, and setting up the final leg of prophecy over years to explain all this when this blackhole GB obstacle is removed from a spiritual authority not ever found in the Bible accept in the 12 apostles, NOT some mythical "board of governors";

THAT was allowed by God, to give the "man of lawlessness" an inch, so he would take a mile, and they will hang themselves soon, as all "son of destruction" does this self-revelation and ruination, and the GB is no different; That is why they are patterned on Judas, not on Christ truth;

So...

The foundational truth is biblical, that is the 1914-1918 pattern that is pretty easy to demonstrate the Bible students rationale;

The JW organization of today is a leadership that also is prophetic;

Unfortunately, and fortunately, it is BAD prophecy that they are fulfilling;

What is unfortunate is that it will have very serious effects on the WTGBTS and JW org and reputation;

What is fortunate, is that when it hits, it will be UNDENIABLE, we will not be discussing past prophecy, we will be discussing a series of fulfillments in LIVE and Real-Time activation:

1. Man of Lawlessness will be fully revealed and eventually purged; With no question the GB was a part "CIA" and globalist intel operations externally engineered to oppose news of God's final Kingdom proclamation prior to completion and conquest - and to attempt to stop the final warning period of Rev10-11; (2Thess2:3-4 is fulfilling as we speak, with the MOL GB as the evil in the JW system (Rev8:10-11))

2. So Temple and priesthood must be purified from these liars and effects; (1Peter4:17 is Rev8:2-5; is Dan8:14 is Zech3:4-7 is Mal3:1-5 in final fulfillment activation;)

3. And that leads to the activation of the 6 trumpets from Rev8:2-5 temple events; to their herald of judgment and meaning (Rev8:6-13);

4. That eventually recovers JWs from a very real desolation and judgment, free of GB sinners and orgwide sinners;

5. And that leads to final commission of again, the LAST, the FINAL time God and Christ are going to give the world 1260 days final warning and full notification of what is coming after that 1260 days completes; (Rev11:2-7; Rev11:15-18);

And that Rev8-11 cycle parallels the final cycle of Rev15-16 as well; And that is the end, but it takes temple judgment, 6 trumpet/bowl parallel1 earth shaking developments, 1260 days final warning, then the 7th bowl and trumpet and Kingdom completion;

And still, it is not done!

But we will see also a completed 8th King world government far beyond UN scale of operations, the end of Babylon the Great, a final world conflict, and many other events that had a minor foregleam in the 1914-1918, 1919-1922 periods, but this time to the big finale of Armageddon;

So you, me, and many others, will actually SEE this all take place over 7 to 14 years, plus/minus, after the temple purification begins;

Since it is just a prophetic fulfillment that is repeating, that can be affirmed and proven every which way but loose, it is not if it will come true, it is when;

I bet my life, we all will see this unfold because it is prophecy repeating. God is giving the world a very thorough, kind, fair, and totally complete and patient warning, and all one has to do is surrender to God Almighty's Christ to be saved, because there will NOT be another 100 year ministry when this hits;
This is the complete transition to full 144000 Kingdom and Temple completion power under Christ, and even if the world kills them, and it will - IT ONLY MAKES THEM STRONGER!!!! (Like Christ himself)

The 8th King is damned if he does, damned if he don't, and that is what it is about, taking planet earth (Rev19:11-21), by a full Christ Court of 144000 immortal warriors; (Dan7:25-26) ready to settle accounts with the earth predators, rivals and slave drivers, warlords, greed bankers and politicians once and for all, AFTER FULL AND COMPLETE OPPORTUNITY and warning AND EVEN PLEADING TO SURRENDER has completed; (Rev11:2-19)

That is why this will complete; The warning of God's Kingdom to planet earth is no joke or insanity, we need to get ready to see this unfold patiently, but through massive world events EXACTLY where God said it was going and how and when, to enough degree to choose life, over death;

This is just the second and final Kingdom announcement gearing up, with plenty of formerly covered over evidence of what it means - earth is getting the new and final owner, and the world leaders are getting the final warning announcement;

The rest will sort of prove itself, starting with the JW org going into desolations, for the Dan8:14 timing, after the MOL is now revealed, and will be terminated by God as per a prophetic signal that it is starting for real; (1Pet4:17)

This is the course MOL has taken JWs to in the UN NGO that is a big signal something aint right in our JW land Bethel:

Jehovah's Witnesses UN NGO Significance to Temple Purification Soon
http://www.topix.com/forum/religion/jehovahs-witness/TJ30R83DL9CIQO71Q

So, I believe the future will convince you, and others, and give you and others the opportunity to really choose life with full assurance of what is coming next, over a number of years, NOT like a kill-switch; (Although the globalist world events that mark certain places in this progression, WILL be like kill-switch, fast and brutal events - those guys do not mess around, those guys are done; And God is telling them to their face very respectfully, they are tagged for termination at the end of the process, or they can surrender like anyone else;

JWs are being hung out to dry as the first signal that this is all real; You will see that in time; Not much time at that, so just make a note, that is all I ask anyone, just jot it down, it will come;

Jehovah's Witnesses Temple Purification Event Timed Period

Question

I don't understand the application of 2Kings 16:15 to Temple purification of Daniel 8:14 timed period of 23000 evenings and mornings?

Reply

See this timed prophecy has 2300 evenings AND mornings in the count:

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant feature and of the transgression causing desolation, to make both the holy place and the army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings and mornings; and the holy place will certainly be brought into its right condition.” (Purified condition)

Some say 2300 days is implied by "evening and morning" as a logical day;

But if both portions add to the count like this:

(2 Kings 16:15) And King Ahaz went on to command him, even Urijah the priest, saying: “Upon the great altar make the burnt offering of the morning smoke, also the grain offering of the evening,..

Then each day has two "sacrifices" or the 2300 has two units deducted for each "evening and morning", meaning 1150, or 2300/2, days of cleansing actions minimum;

But Daniel 8:26 reaffirms a symbology:

(Daniel 8:26) “And the thing seen concerning the evening and the morning, which has been said, it is true.

Which means the darkness of 1150 days possibility to cleansed state of "right condition" may be followed by a enlightening "morning" of possibly also 1150 days; So the whole prophecy may be 3.194 years + 3.194 years (6.38 yrs) of total judgment, to evening "abyss", to morning "enlightenment" as Revelation 8:2-5 shows a climax of "voices and lightnings", which are known to be from former fulfillment, explanations and enlightenment; tied into this altar fire cleanse as per Isa6 principle:

(Revelation 8:5) But right away the angel took the incense vessel, and he filled it with some of the fire of the altar and hurled it to the (JW system) earth. And thunders occurred and voices and lightnings and an earthquake.

And that is what information empowers the trumpet heralds that follow here:

(Revelation 8:6) And the seven angels with the seven trumpets prepared to blow them.

And four of those go off, leading to the 5th and 6th abyss recovery, which implies the first four trumpets are being made known to JWs first, while in a desolated state, enlightening us all to what is really going on, as angels aid this recovery - and that may mean another period of "the morning" timed (another 1150 days), not sure, but as it unfolds, that aids the bewildered state of "the evening", as Daniel 8:14, 26 puts the "evening" first, the darkness due to the actual situation, then the "morning" in the overall meaning of JWs being in the full darkness as to what is happening at that time, for 1150 days, then they are enlightened, and the trumpets "prepare to blow" to fully aid what those heralds mean in temple judgment, and what the
"1/3" implies in Rev8:6-12, 9:13-15 (v. 15b, 1/3), for the whole JW system that is recovering, but in a completely cleansed state;

And that will of course proceed to what this all means, Rev9 to 10, 11, 1260 days some unknown period of time while this is developing;

That is why I say, for now, the 2300 evenings and mornings total timing is yet to be revealed, in my opinion, while it is happening, so I am speculating, but I feel there is a valid possible rationale to it;

**Jehovah's Witnesses Being Set Up - How?**

**Comment**

*MOL (the man of lawlessness; 2Thess2:3-4) has been concealing the identity of the King of the North (Dan11:30-45) part in an attempt to cover it's own infiltration in among Jehovah's people (Jehovah's Witnesses), we JW's have taken lightly the serious consideration of bible prophecy having complete fulfillment. Like it's okay to accept partial fulfillment of prophecy and only bits and pieces of it.*

**Reply**

Yes, the Governing Body "man of lawlessness" fulfill this clever development, subtle but steady for years:

**(Daniel 8:12) [Infiltrative subtle/steady subversion and control:]**

12 And an army itself was gradually given over, together with the constant [feature], because of transgression; [cover up and lies:] and it kept throwing truth to the earth, and it acted and had success.

So they use that hyper-pious, conservatively rigid stance, to hold on to the USSR interpretive inertia, as if that was all there was to say about Daniel 11:32-43, and WW2 for Daniel 11:30-31, when none of it is any of that but all 1990 3rd UN stand in a 3 out of 4 continuum, that is now unseen by JWs and the world, as we now aid globalists developments to remain secretive to biblical prophecy, and people at large, by teaching a USSR illusion that failed when the USSR failed, and that is why they could not let Fred Franz even scribble the truth on a napkin;

They are now s auve bullshitters, towing an erred party line of USSR KN fulfillment, with much momentum of the past; WHILE the GB aided also the proclamation worldwide of the UN 3rd placement to fulfill Dan11:30-31, and Dan8:11-12 in 1990-1991 progressively, so they would be self incriminating if they say anything (Dan11:36, for example, traitors MUST be present since 1990 and before);

They are DEVILS!!! Under a veneer of mock anointed, retarding it all, subverting and diverting for globalist objectives;

**READ THIS VERY CAREFULLY:**

So, when JWs should be waiting for Daniel 11:40-41 to continue in progressive development, in progress also since 1990 (Gulf War, 1999 Global NATO, to 2001/911 GWOT), to climax as per Dan8:11-14 context events of another globalist world development, to usher in, progressively, over years, the Daniel 11:42-43 pawning of national powers, by Revelation 17:12-18 intrigues of Babylon the Great (BTG) and national sovereign transfer, in this next globalist chess move, to develop over years, JWs are here, prematurely by this current setup, INSTEAD (prematurely advanced to the wrong portion of Daniel):

**(Daniel 11:44-45) “But there will be reports (Actually Rev10-11 timing, years from now) that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction.**

[4th UN placement and world government:]

45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

And that places JWs at the final fourth placement TOO SOON!!! HOAX!!!;

That Daniel 11:44-45 progression is well after Daniel 11:42-43 in this overall development; Because Daniel 11:44 is "reports" that are partly, if not all, "little scroll" sovereign Kingdom proclamation climaxing as the 1260 days is ending YEARS after temple judgment, which is actually what is next!!!;

BUT JWs think that Daniel 11:44 is next, then GT and Armageddon;

BUT, in fact, temple judgment is next! Due to the infiltration of Daniel 11:41; and then the progressive developments of Daniel 11:42-43 King North super-pawn of national powers is what this next world war cycle will bring about;

Daniel 11:44-45 will be at Daniel 8:25 time, AFTER even BTG is gone by the 6th bowl, years later than JWs are thinking now, being set-up to be pawned during these preliminary events by this purposeful "oversight" as well;

Daniel 11:44-45 will be YEARS from when JWs are expecting it next; That sets up the JW mindset for a fall, and a trap! JWs actually have to still go through the apex developments of Daniel 11:40-41, that lead the world through Daniel 11:42-43, that is what is to develop next in 8th King development as King North;

And that is why the "man of lawlessness" Governing Body is sticking to the failed USSR illusion, to keep JWs thinking that what will develop next will be the prelude to Armageddon by Great Tribulation, but it will not be that development;

It will be tribulatory on the Bethel organization, but it will be a temple judgment that is foretold, not Great Tribulation yet; In fact the JW organization will go down to a divine degree before Babylon the Great developments; (Rev16:12)

See what that simplification and premature advance is doing?
They are setting up JWs for an "end of the world" hoax (with a divinely permitted temple judgment that WILL provide a tribulation alright, but NOT the one JWs are expecting), that is only the globalist intrigues and prelude to the next world war, whenever that develops from where this is going, to the BTG coffers 6 bowls into that time frame, after the temple judgment, after 5 bowls and trumpets;

JWs will think they are at Armageddon (bowl 6 and 7), but this is the beginning of bowl 1, trumpet 1 after the "established place of the sanctuary" is "thrown down" to climax "due to transgression"; (Dan8:11-13)

JWs are MISSING all that prophetically REQUIRED development, so KN 8th King powers can use this illusion against JWs and pawn Bethel and as many JWs in the world system as they can for 1150 days approximately, because JWs will be "GT" and "Armageddon" mentally primed, but the desolation is actually divinely permitted Daniel 8:14, Rev8:2-5, ONLY THE BEGINNING of the last cycle NOT the end of it!!!!!

Thus this illusional mindset makes the JW organization and JWs extremely vulnerable to various attacks they will think is the end, when it is a punishment for the UN NGO affairs, and a temple judgment period that must occur to remove the "man of lawlessness"; So it will be a biggie, no doubt;

**BUT IT IS A TRAP!!!!!!!!!!!**

SINISTER!!

The Prophetic Loop Satan Wants to Break

1. Start Loop at King North: Satan wants no awareness of King North, because that leads to Daniel 12 and the final fulfillment cycle becomes obvious. Currently King North is a drop-out piece to Daniel12.

King North also opens up another interesting paradigm shift, from nationalist world power analysis to globalist "north" power systems. That globalist perception will greatly effect the level of detail the whole wildbeast system can be analyzed with.

2. Daniel 12 to Revelation 11 Connection: From awareness that the now identified "King of the North" apex globalist world order leads to Michael's final stand over earth, and the progression from Daniel 12:1 to the end, brings one to Daniel 12:7, and it's counterpart Daniel 7:25-26 also now in final fulfillment awareness mode. The 1260 days there automatically link the bible believer to Revelation 11 final fulfillment mode as well.

3. Sovereign Little Scroll: Revelation 11 is the ultimate sovereign kingdom, city and temple progression completion prophecy in one chapter, of all time in such comprehensive meaning. It in itself, in full understanding is a Sovereign Ultimatum, and that is the full import of those "little scrolls".

4. "Little Scroll" Link to "Reports" of Daniel 11:44: Ultimately the globalist world order, under the "King North" Daniel 11:40-45 defiant sovereign symbol, is the head recipient; (Num24:17) of promised divine extermination from God's Kingdom to shortly follow this awareness given directly to the globalist elites, to their face.

5. God's Provocation: Satan wants no connection made between that Revelation 11 fully understood, therefore "opened" and "eaten", "little scroll" Divine Sovereign Threat to the King of the North, from a Kingly angel with "earth" and "sea" "under foot" (Rev10:8), with the damning "reports" of Daniel 11:44 that finally draw these "enraged" globalist toads (with Gog) out into the Armageddon Global Arena frying pan globally for annihilation.

6. No Witnesses: The "Two Witnesses" final global warning of Jehovah's witnesses is what delivers all this "good news" unto all, and the contenter rulers, the globalist world order targets of God Almighty. They cannot escape, they must come forth for battle at Armageddon and be subsequently fed to the dogs and birds as per prophecy, as many as are not vaporized to fine dust fertilizers or anti-material anti-realities; (Rev19:19-21; 2Thess1:6-10). The POW Satan and the demons want to avoid all this awareness globally and the reality to follow this global final proclamation; (Rev10:11; Rev20:1-3)

7. That loops back to the King of the North being helpless and laid out annihilated. Loop complete.

8. Satan wants no "paradigm shift" so that JWs are fully and honestly warned, Jehovah and Christ are coming into this "temple", "house" and "those worshipping in it" and they are going to START in the dresser drawer of the chairman of the GB!!! (Rev11:1-4) LOL.

9. Satan wants no one to know about this final great replication of the finalities of Daniel 7:25-26, Daniel 12, Daniel 8:14, and other applicable subsets within those prophecies.

10. Satan wants no one to be aware that Revelation 8-11 WILL have a finality of completion. Other whole patterns, or parts of Revelation 6, 14, 15-16 will also have a final cycle.

11. In fact, EVERY applicable sovereign kingdom prophecy, and temple inspection prophecy, every illustration and sub-set applicable to 1914-1926 MUST be applied to Jehovah's witnesses "temple" and worship arrangement today, and in the future, (ten virgins, marriage garments, weeds, Judas "son of destruction" will ALL apply in Jehovah's witnesses)

12. Zechariah 3 is a Commencement Prophetic Prerequisite: Satan does NOT want JWs or anyone to understand Zech3-4 MUST also have a final cycle, in fact much of Zechariah; The 'Hebrew Revelation of Temple Completion", will also have a final fulfillment mode.

Now this can all be proven NOW, because all these prophecies, have a 1914 minor model pattern well established for review, hence why they even exist, for Temple 144000 completion certainty realized by Jehovah's witnesses. That is why NO ONE, anointed or not, can disprove Zechariah 3 applies to the Org NOW.

13. Neither the GB or Satan wants any Jehovah's witness aware that Zechariah 3:1 applies to the GB NOW, and has applied to it since 1992. The current fraud infiltrated GB of course we never admit they are the "befooled garments" targeted to "pass away" by Zechariah 3:2-3's "fire" event and transition to official "robes of state". The current GB will NOT be wearing those "robes of state" but will inherit their filthy robes for all human history to follow this exposed by God and the judgment to follow.
Zechariah 3 and 2Thess:2:3-9 must fulfill prior or beginning the final "two witnesses" second and final world warning ministerial knowledge to eventually commence in the official 1260 day GT cycle of Daniel 12:7; 7:25-26 and Revelation 11:1-4. The GB is been measured, and found to be frauds.

Hey GB, read the writing on the wall fools. God has you right where He wants you, where you are prophesied to meet your end; (Zech3:2-4) Get ready to meet God.

14. Satan does not want mankind to understand, that the 144000 Temple MUST fully complete BEFORE the final conquest of Armageddon, like in 515BCE, that "temple 144000" and Christ; (Zech4:6-8 Headstone, or finish "capstone", "topstone" WILL complete in the face of the enemy system, just as the temple in Jerusalem in 515 BCE also completed in the face of the enemies of Israel of that day.

15. Satan does not want people to know and by that escape the assured flaming fury of that period when this Kingdom Temple clicks the last Christ "head stone" into place; (Zech4:6-8), Christ is foundation "stone", 1914, and "head" "stone", and there must be of course 144000 in between.

16. Satan does not want mankind, or JWs to develop this assured and completely ascertainable, from the bible pattern final replication and unfolding, BECAUSE IT IS LIKE A ROAD MAP TO THE END OF THE WORLD! IT IS LIKE A PROGRAM TO GOD'S PLAY, THE FINAL ACT.

And that whole "map" and "program" is based on a set of patterns in ancient, Christ, and 1914 times, that are absolutely provable! Some happened 3 times! Some 2, some 1 ALREADY. It also ties the complete picture of the whole bible, the "truth temple", to 100% completion soon prior to manifestation, no loose ends regarding temple and kingdom, to "last day of last days" understanding as per Jehovah's specification, not a sinner fraud GB that needs to be whacked but good in Zech3:2-4 fulfillment soon.

See then, how much the GB are currently holding back? (And that is not all that can be derived from all this, a book or ten can be derived from all this "true new light"! The GB NEVER will have a photon of "new light", they are doomed subservives, ID'd by prophecy and anointed.)

Downward Statistical Evidence Since 1992

See why our 1990 trajectory would have been at 11 million witnesses by now, but from that 1992 period, the sheep intake was cut in half! Ever see a graph of that statistical evidence that something happened around 1995 that caused this? It is astounding. It is obvious something is wrong that began around that period of time.

And you know the apostate analysis is, "oh, they changed the generation teaching", and that caused that drop. Yeah, right. NO. The UNNGO gross active sin, has been affecting the overall Org since infect, incept, and GB inject. I do not now that how that was developed, but either way, the Henshel GB ops, is what opened that "can of disaster".

All coincidence that it was when the Hawk, Fred Franz lay dying and finally died? All coincidence 10 years later the story is broke after 9/11? All coincidence it brought on a tidal wave of apostate attack, that justified the creation of GB, FDS and Org "idol repair" on steroids? Maybe 5 million people stumbled? Maybe more, HUGE blood guilt too book. This GB is in bloody quicksand, simply too much ramifications now obvious from this "little" "library card" affair. That is ridiculous and insulting. The globalists know all this, they are laughing their asses off!

Now I know Jehovah will NOT reproach his own name, nor will He be involved in the stumbling of a million people. And certainly not for a "library card", r i d i c u l o u s! The fraud GB is toast soon, as per Zech3:2 "Termite Log Burnoff".

Daniel 8:11-14) And all the way to the Prince of the army [8th King UN globalists] put on great airs, and from him (God) the constant [feature] was taken away, and the established place of his sanctuary was thrown down. (by profanation first) 12 And [the Jehovah's Witnesses] itself was gradually given over [to the 8th King UN globalists], together with the constant [feature], because of transgression [in UN adultery]; and [The Governing Body] kept throwing truth to the earth [with coverup and deceptions], and [the whole infiltration] acted and had success.

13 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?" 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be [purified by God's judgment as this ordeal climaxes];

(Daniel 11:30b-31) "And [8th King UN globalists] will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to [Governing Body] leaving the holy covenant.

31 And there will be [infiltrative internal] arms that will stand up, proceeding from [8th King UN globalists]; and [8th King UN globalists and the Governing Body] will actually profane the sanctuary, the fortress, and remove the constant [feature].

31b "And [8th King UN globalists and the Governing Body] will certainly put in place the disgusting thing that is causing desolation. [Which is the United Nations third world placement in 1990 and the Bethel placement in 1991 in the Jehovah's Witnesses worldwide "constant feature" for public world promotions of the United Nations "New World Order"]

The Locust Signals in Biblical Prophecy

Let us be very realistic, of course there are unknowns as to how God is going to pull off this next miracle, but He is;

The 1914 basis of the truth is a miracle; Given the longevity of the former Christendom clergy "man of lawlessness" and the general occult infusion of the "enlightenment" of the so-called "Renaissance", in spite of the first century truths, man was lost again in false religions, anti-spiritual and secular;

By 1914 it was all "Babylon" again ALL of it, worldwide;

God is not gearing Jehovah's witnesses up for another 100 year world ministry, but for a short but sweet, powerful and permanent "little scroll" final proclamation to planet earth's powers and peoples of GUARANTEED Kingdom completion and subsequent conquest. (Rev10-11)

God is preparing the Jehovah's witnesses and warning/inviting the world for the Christ and 144000 in full Kingdom power; THAT is what this temple judgment is leading to, and with the "lawless one" also revealing, means it is not far off.
This recent "lawless one" revealing indicates in a subtle but significant way it is activating even now, perceivable to those paying full attention to the Bible and Christ and not to men and human "bodies", by holy spirit; Again this is hidden from the idol worshipers, misled and the "wise and intellectual" ones who follow organisic law rather than faith, love and mercy;

But the truth come out, as many are being severely misled and God knows the actuality of how this occurred, and He will judge righteously given the masterful disguise the MOL is under;

Fear and judgment is what JWs run on due to MOL "1/3" "wormwooded" spiritual "constant feature" polluted to mislead JWs and keep their mindset stagnant two decades in the past;

MUCH has changed on the 8th King front in these last twenty years, and NONE of it is applied to the prophetic intensifications of Daniel and Revelation, and Joel 3:9; BUT the 8th King has been fulfilling scripture in those key sovereign development prophecies; Sovereign rivalry and sovereign fulfillment of God's purpose clearly activating before our eyes in just this least year even more so; (2Prt1:19-21)

We are at the great transitional sequence to the 144000, over Babylon the Great's removal in a massive Satanic distraction of "desolations" that are caused by the "disgusting thing" preparing his final 8th King, two-horned-wildbeast globalist elite aided climax sequence likewise;

God is recovering JWs through this temple judgment to prepare us for a completion of the final "organization" of God, Christ, the 144000, and Christ's full angelic command for divine purposes related to Christ heavenly appointed sovereign agency to aid the finalization of the completion and subsequent conquest of the Messianic Kingdom, the "mountain" to become earth's sovereign power for 1000 years; (Dan2:31-45; Zech6:1; 14:3-5)

We have a temple judgment that will need a divine recovery phase, and the 6 trumpets are that bridge of Biblical reality to the finality;

Revelation 9's 5th and 6th trumpets will be a highlight "invasion" leading to the 7th trumpet, so are intimately involved with that "King over" this final world ministry of God in a prelude judgment, cleansing, and recovery to full enlightenment to the final "little scroll" commission that will become the final "two witnesses" sovereign ultimatum of God and Christ;

(Satan is never called a king, just diabolic symbol as that was kicked out of heaven when described as such, not tolerated in the sovereign court of Christ as he assumed heavenly kingship (The "crown" of the woman; Rev12:1) for God to birth and bring forth the Messianic Kingdom foundation upon the Christ)

That's why any reference to actual kingship, has to be the anointed Christ or powers from his divinely appointed agency for God; That ties back to the "destroyer" of Egypt's firstborn; (Ex12:12), and upon Assyrian forces later (Isa37); This means to a deliverance WILL take place in this recovery from the "abyss";

Covert destruction will be guaranteed upon globalist powers and proxies who attempt to abort God's purpose in this bridging ministerial period between temple judgment and the temple completion; (Hos1:4-7)

The seven trumpets will blow no matter what they do!

Christ knows the abyss, because he has been there in it's fullest meaning:

*** ***

(Jonah 2:1-5) Then Jonah prayed to Jehovah his God from the inward parts of the fish 2 and said: “Out of my distress I called out to Jehovah, and he proceeded to answer me. Out of the belly of Sheol I cried for help. You heard my voice. 3 When you threw me [to] the depths, into the heart of the open sea, Then a very river encircled me. All your breakers and your waves proceeded to answer me. Out of the belly of Sheol I cried for help. You heard my voice. 3 When you threw me [to] the depths, into the heart of the open sea, Then a very river encircled me. All your breakers and your waves proceeding to answer me. Out of the belly of Sheol I cried for help. You heard my voice. 4 And as for me, I said, ‘I have been driven away from in front of your eyes! How shall I gaze again upon your holy temple?’ 5 Waters encircled me clear to [the] soul; the watery deep itself kept enclosing me. Weeds were wound around my head. (John19:2)

Rh8 Jonah 2:5 [Or, “the surging waters themselves.” Heb., tehohm; LXXVg, “an abyss.”]

What is coming WILL put Jehovah's witnesses in that abyss state while alive into inactivity, but a divine recovery will come during and after the four first trumpets herald reality of prophecy to Jehovah's people;

The Trumpets

1. Activate shortly after the temple judgment commences (Rev8:1, 6) - and may aid us in that temple cleansing period, as they are even NOW in foreshadowing fulfilling Amos3:7; (Dan8:14 is Zech3:4-7)

2. Herald the complete meaning of the judgments and prophetic fulfillments;

3. Bridge Jehovah's witnesses from temple judgment 2300 "evenings and mornings" (1150 days minimum; maybe 2300 days) to this 7 sequence of divine heralds as trumpets (the bridging) to the 1260 day finale to temple and kingdom completion;

4. Are directed to Jehovah's witnesses "earth" developments contrary, "set in opposition" (2Thess2:3-4; Dan8:11-12; Dan11:30b-31) to God's will for His people; The world will also be told these things;

5. Herald the final ministry while keeping JWs collected from the scattering effects of the 8th King assault on the "established place" (Dan8:11) to deliver the awareness of the final Revelation 10-11 mission to JWs - aided by angels in heightened fashion shown in many scriptures in this period; (Rev9:13-15; Hos1:4-7; Zech3:4-7; Zech6:1-8; Zech1:10-16; Ez9:11)

6. Herald the alarm signal, the "invasion" war signal, the divine events that trumpets of God are known for in principle - these will be leading to the greatest finale of Adamic human history for this period!

7. Jehovah's witnesses will be judged and enlightened to those who pass the Malachi 3:1-5 "fine" of refinement and purification for the final very important mission to be backed by God, Christ and the angels and "eagles" (Glorified spirit brothers of Christ) of his command;

Get excited sister, this is the real thing coming up with a set of signal meanings that no doubt will get much clearer than this draft, when Jehovah FULLY opens this up!!!
Israel and Egypt - Transition One with a Judgment

"Locusts" have appeared literal and symbolic at important transitions furthermore a divine sign of divine judgment - a full coverage judgment signal; (like the locusts in the ecosystem); (Exodus 10:1-20; Psalm 78: 105:34-35; Jer1:27)

In Egypt the locusts were the eighth of God's judgments in that series of divine plagues as the Israelites were going to be transitioning into the law covenant with God through Moses; The locusts aided that transition out of Egypt, and the darkness on Egypt as a plague followed the locusts; (That principle is coming on the world in those trumpets and bowls actual manifestations that have developed from the world itself in opposition to Gods will and Kingdom;

This was the watershed transition from God was highly significant because it was the first time in human history that God entered a covenant with a whole nation of people, not just a man like Abraham; (Gen12:3; 22:17-18), but the whole nation of his descendants in the significant covenanted portion of Israel's twelve tribes;

THAT TRANSFORMATION IS VERY SIGNIFICANT STILL!

And it repeats in principle in time towards the Christian era as Israel matured to the appearance of that promised Christ "seed"; It repeats as Christianity also matures to the full seed of the whole body, Christ and the 144000; (Gal3:29)

Early Christian Era - Another Transition (2) with a Judgment

In Joel's prophecy of Joel2:1-11 "locusts" accompany another foretold transition of "Israel" by God that was taking place as we are fully aware now, but at that time this was another watershed milestone event; Let's not lose sight of the fullest meaning of these transformations, they are all leading to the greatest one to come;

God sends out an "invasion" to tell the world, to collect some from among the formerly ignorant as the "good news" is opened to them, based on the Word fulfilling for those paying attention to the Bible and those being turned to pay attention to prophecy by the "invaders";

Israel we must note, had been an inwardly focused religion, likened to a walled off nation from the rest of the world; (Eph2:13-16) They did not go out on missions externally for proselytizing; if one wanted to observe the Mosaic law, one attached themselves to the Jews; They were dispersed by divine punishments in 740 BCE, 607 BCE and 70 CE, not as a mission to spread their faith;

Therefore note, the Jews did not go out preaching; This transformation coming at the time of Christ cannot be understated it is great in world impact;

The prophets of Israel were special vessels of special circumstances to the Jews mostly, with sometimes included pronouncements to other nations in the realm of a judgment; Luke Tyre and Edom, Egypt and Babylon and others;

The details of the judgement on external nations was given through a prophet like Jonah or Amos and others, because those nations were involved with injustices i general or to Israel with other criminal activities (Amos1-2);

They were warned and would get their accounting in due time as prophesied - for our benefit today as well, it makes the reliability of prophecy stronger by historical evidence the judgments were all carried out. By and large Israel was a protected isolated nation by divine design to protect the national vessel of the "seed" to come, among other objectives related to the law and the priesthood oversight;

Well when the "seed" finally arrived, Jesus came to destroy that "wall" (yet create a body):

(Ephesians 2:13-16) But now in union with Christ Jesus you who were once far off have come to be near by the blood of the Christ. 14 For he is our peace, he who made the two parties one and destroyed the wall in between that fended them off. 15 By means of his flesh he abolished the enmity, the Law of commandments consisting in decrees, that he might create the two peoples in union with himself into one new man and make peace; 16 and that he might fully reconcile both peoples in one body...

God by Jesus also transitioned the aim of faith of Israel's remnant towards God through His Son, by a "new covenant" relationship; (Jer30:31-34) This was a great transformation to a perfect atonement and comprehensive sacrifice based faith for righteousness for those who accepted Christ;

The nation of Israel rejected him by the actions of the leaders and elites of Israel and many of the people; (John1:11-13). But a remnant transitioned with him to the way of Christianity, the "faith of Jesus" (Rev14:12), which was an outwardly projecting, "invading", progressive and spreading kind of religious faith directive from God through Christ;

The apostles are examples of the penetrating nature the new faith was going to take on - tell everyone the good news! No more languishing in Jerusalem wondering when Messiah was going to appear, living in the past!

Christ by God's will revolutionized the faith and it's means of growth, yet retained a "body", distributed but centralized in accurate knowledge of truth around the Word;

We have to appreciate that this was a miraculous transformation to draw the Gentile nations worldwide into the salvation being provided by faith, into "one body";

Faith required those with faith to build faith in others and that would expand on that principle; (Rom10:11-17) The entire former reality of the Jews as a separated religion with inward focus was revolutionized into an apostle-like outwardly projecting and spreading faith to "the most distant parts of the earth"; (Isa8:9-10; Luke24:44-49; Acts1:6-8)

Keep in mind as we progress this outward projected, holy spirit driven, first century "invasion" of the Devil's world and the uniqueness of it! It was a "revolution" that must have a climax a very REAL war at Armageddon; God is just being Mr. Nice Guy right now, in time He will explode on His enemies; (Deut 7:9-10)

This is salvation mode in these "invasions" from God; This is divine, not human;

(Galatians 1:11) For I put you on notice, brothers, that the good news which was declared by me as good news is not something human;
Therefore the locusts of Joel's prophecy have a huge meaning as to what this portended for Satan's world at that time, a demon monopoly that had NEVER before experienced a complete holy invasion of truth, by divine purpose of the way God by Christ would "break up the works of the Devil" by this spiritual war; (1John3:8b)

Even since Egypt, these locusts are still spreading worldwide in a spiritual sense; "Egypt" IS truly plagued by God; (Dan11:42-43; Isa19:11-15);

We have to picture what was REALLY happening and IS happening, Satan's monopoly of minds is being ATTACKED by God and Christ; It IS a war in a spiritual sense;

(2 Corinthians 10:4-5) For the weapons of our warfare are not fleshly, but powerful by God for overturning strongly entrenched things. 5 For we are overturning reasonings and every lofty thing raised up against the knowledge of God; and we are bringing every thought into captivity to make it obedient to the Christ

See the "locust" in that kind of uprooting and complete desolation in that scripture to come upon Satan's lies?

Yes this is God's war, a triumph in the making by "weak things" (1Cor1:26-29) and it's not pretty to those being warned of the meaning; (2Cor2:14-17) but is good news to others;

Locust Continuum

Notice the very end of this prophecy of Joel 2:1-11 below it is leading to the complete end; These locusts are a continuum; They go down in "abyss" over history, they come out with a vengeance from God!

That's why the "locusts" have to be a full coverage, ongoing and spreading thoroughly "scouring" symbology individually and as a whole, God will carry it out to the purposed degree and Christ will finish it, the salvation and the destruction; (Matt10:23; Man25:31-46; Rev14:14-16)

Also picture how true Christianity in the first century Christians was indeed an mega-assault on Satan's world, NEVER before had God sent the truth outwards in this manner. NEVER! Now it was empowered by him for this kind of war an offensive war by constant invasion, and as we see with Jehovah's witnesses, God has to the degree shown in prophecy so far, ACCOMPLISHED HIS MISSION to the degree we are at, but more is to come, but we are not done sister; (Hab2:12-14)

Satan Fires back First by Covert Invasion of His Own

And neither is Satan's salvo in the "man of lawlessness" on the internal to aid a barrage by Satan on the "established place" by his 8th King special operations very soon! Satan is not done either!

Picture a war, because believe it or not this IS a war we are in, a spiritual one (Eph6:10-18), and one that WILL be fully resolved in due time, but it is not the due time yet, it is temple judgment time; the inspection is about complete, and Jehovah's witnesses by and large missed notice of it die to lawless central activity by you know who;

Satan has indeed sent his own invasion into the organization!!! This IS real!!

But back to the "locust" symbolic importance as we progressed to Christ's arrival;

Christian Locusts

This prophecy below is the desolation of all the things Satan has entrenched in Adam, and this system of things that are being exposed by this whole army of "locusts" that STARTED with Christ as the first outward projected emissary of his own people;

And that led to this, BUT this applies in ongoing fashion as the waves of battle are met with more waves of locusts, this was the first one concerning the first Christians:

( Joel 2:1-11) “Blow a horn in Zion, O men, and shout a war cry in my holy mountain. Let all the inhabitants of the land get agitated; for the day of Jehovah is coming, for it is near!

2 It is a day of darkness and gloominess, a day of clouds and thick gloom, like light of dawn spread out upon the mountains. “There is a people numerous and mighty; one like it has not been made to exist from the indefinite past, and after it there will be none again to the years of generation after generation.

3 Ahead of it a fire has devoured, and behind it a flame consumes. Like the garden of Eden the land is ahead of it; but behind it is a desolate wilderness, and there has also proved to be nothing thereof escaping.

4 “Its appearance is like the appearance of horses, and like steeds is the way they keep running.

5 As with the sound of chariots on the tops of the mountains they keep skipping about, as with the sound of a flaming fire that is devouring stubble. It is like a mighty people, drawn up in battle order.

6 Because of it, peoples will be in severe pains. As for all faces, they will certainly collect a glow [of excitement].

7 “Like powerful men they run. Like men of war they go up a wall. And they go each one in his own ways, and they do not alter their paths.

8 And one another they do not shove. As an able-bodied man in his course, they keep going; and should some fall even among the missiles, the [others] do not break off course.

9 “Into the city they rush. On the wall they run. On the houses they go up. Through the windows they go in like the thief. 10 Before it [the] land has become agitated, [the] heavens (of Eph6:12; Isa24:21-23) have rocked. Sun and moon themselves have become dark, and the very stars have withdrawn their brightness. (The system lights are shown to be darkness; Luke 21:25-28)
The Key Power and Reason:

11 And Jehovah himself will certainly give forth his voice before his military force, for his camp is very numerous. For he who is carrying out his word is mighty; for the day of Jehovah is great and very fear-inspiring, and who can hold up under it?"

See where this is all leading to?

Jehovah's Day and Armageddon; (2Pet3:10; 1Thess5:1-3; 2Thess2:1-12) That Joel glimpse all ties to Revelation 9, Matthew 24:29-31 as Rev6:12-17 and Luke 21:25-28 and other spiritual overtones; Luke 21:25-28 is "signs" of a period BEFORE the "sun, moon and stars" blackout and fall; Mark 13:24-27 and Matthew 24:29-31 as is they are "falling" and going power-down black out of the failure of the world's "lights";

Sign of Another Imminent Transition

Meaning there will be a divinely sent series of signs or portents that become one big sign (as we know from that teaching even since 1914-1919's events), BUT that sign is dynamic, and will intensify in severity and spread of world events just as the Revelation 6 Devil horses intensify over the Lord's Day since 1914;

This is NOT static but dynamic and we are at a new transition to be brought forth fully activating at the temple judgment - with a divine signal to those paying close attention, for those to understand later who have been misled or are "doing lawlessness"; (Mark 13:37-43; Note that is a conclusion of "A" "system of things", NOT "THE" "system of things"); (This "weed" cleanout is in Dan8:14 and is first,)

That is why I note 2Thess2:1-2, it shows that the Day of Jehovah actually begins with the events immediately in the progression AFTER the apostasy is operative AND the "man of lawlessness gets revealed"; Jehovah's Day is activating in the temple judgment, and will mark that initiation to Armageddon as the climax event of Jehovah's Day, "the war of the great day of God the Almighty";

BUT this temple judgment will be very very divinely significant!

So make no mistake Donna, a HUGE world change is no doubt coming with this temple judgment for the benefit of those who can come to understand what it means, and God will drag it out with Satan as Satan gets active as well, so people have a known period of time of what this REALLY means! This will be big enough to affect the whole world and JWs at the same time in a notable manner;

Apostasy Pattern

Well as we know the first century Christians were soon taken over by the wrong forces and they continued to use the spirit of invasion, but for evil purposes; Satan hijacked the momentum, and bent it to conquest and empires, who used this impetus of the expressive expanding nature of Christianity for war and pillage, domination and lies;

That pattern in principle is active in Jehovah's witnesses organization now; But for a different purpose, but we have been invaded, and they have violated "God's space", and He already foretold that they would (Daniel 11:30-35; Dan11:41) and that he will then fry and kick their asses out and chase and hound them to the end;

Let us keep in mind what they have done, and who they are messing with, God will rebuke in due time, but to the proper degree to set up the world context to SAVE people as this full meaning to globalist extents is fully expounded with angelic aid, worldwide;

Well look at the modern pattern of just 100 years ago, keeping all this transitional miraculous reality in mind, that back then, we were also invaded since after the first century apostasy; Then the Reformation fizzled into more lawlessness; The only thing spreading was the leaven of the "man of lawlessness" of that period;

Transition Three with a Judgment - 1914 "Last Century" Christians

1914's release was another transition - a HUGE event to God and Christ HUGE - a new plateau would be ascended, the thing that saved us sister, was do to this next wave of locust-like assault!: It was another hallmark preparatory period; The "Lord's Day" from 1914 identified for yet another world invasion; This one had a good start like 33 CE, was not to be hi-jacked by men for a good portion of the foundational work, and the foundation was permanent;

AND that foundation of the truth that explains the central theme and major Kingdom and Temple frameworks of the Bible CANNOT be uprooted; ANGELS protect this since it has been laid in that 1914-1922 period; The "abyss" the brothers and sisters went into at that time is a well known part of our ministry's teaching, well used to be well known till MOL started waterling it all down;

Whether people believe it or not, God was using less than 20,000 anointed to spearhead this worldwide assault with the foresight of Russell and others aided by Christ; Had that been destroyed as they did try (Rev12:6, 14; Dan7:25; Rev11:2-3) we would have NO truth in this world; So it is very significant in spite of detractors;

That 1914-1918 assault and even near failure on the part of the brothers being in fear and also sins, was a very real attempt by Satan to shut-up the final, but initial leg of the "good news";

The meaning of those brothers and sisters coming out of that "abyss" is great, it is also another war against every vestige of this world's lies; It is far more significant than it appears to the world in general, and even JWs are being dumbed-down to these patterns as if it is no longer of use;

And it was after the initial first four trumpets, parallel with the first four bowls of FULL earth meaning in a four-square and complete pronunciation of God that was TRULY being proclaimed progressively to the world from especially 1922 forward when the anointed grew to like 70,000 by 1926, when this invasion really grew;

A Continuum that Must Be Revitalized

And it's a continuum as you will see;

Whether the brothers knew or not at that time of 1914 (which they understood later as a whole), divine judgments and divine plagues in minor form, and to come, in far grander scale, were being told to the whole world as those 5th and 6th trumpets in minor form in initial fulfillment was spreading like locusts worldwide as Jehovah's
witnesses ministerial "movement" of that time;

And it continues, and this is what they want to sever, the continuum to the finale;

SO IT IS WAR; The globalists see it, but JWs are not getting the whole picture;

**Transition 4 With a Judgment SOON**

**Divine Desolation of Diametric Spiritual Places**

That is why God is involved with a "locust" desolation that is purely spiritual destruction of all of Satan's lies, whether people accept it or not, we do have the truth up to 1990, and that truth, is the truth of the unacceptability of this 666 marked world system in God's eyes;

This divinely guaranteed and forewarned desolation of everything Jehovah's witnesses have spoken since 1919 by divine timing of that Dan7:26 "court" in initial fulfillment is going to become real, through a progression of events, not a big bang, all said and done;

The world plagues itself, that is it provides the means by which God allows the world to suffer these divine plague events from it's own leaders hands, it's own system and it's own ways and injustices;

(Revelation 16:5-9) And I heard the angel over the waters say: “You, the One who is and who was, the loyal One, are righteous, because you have rendered these decisions, 6 because they poured out the blood of holy ones and of prophets, and you have given them blood to drink. They deserve it.” 7 And I heard the altar say: “Yes, Jehovah God, the Almighty, true and righteous are your judicial decisions.” 8 And the fourth one poured out his bowl upon the sun; and to [the sun] it was granted to sear the men with fire. 9 And the men were scorched with great heat, but they blasphemed the name of God, who has the authority over these plagues, and they did not repent so as to give glory to him.

**Desolation Will Become Literal Progressively**

That is why those "locusts" portend divine destruction on every final vestige of Satan's world, it really is war, as much as people may doubt, the real 144000 engines, under Christ and billions of angels only appear for actual battle at a zenith of Kingdom completion that is concurrent with an 8th King world power and technology zenith as well, and Gog of Magog "with all his bands" is also going to manifest in possibly a way man has never seen;

When Christ engages the "air" in that Revelation 16:17 event "immediately after the tribulation of those days" (Matt24:29-31) it will be at a time when full Kingdom power will be needed to "cut short the days" (Matt24:21-22);

This is because the "four winds" (Rev7:1-3) will be fully operable and deployed in Daniel 8:25 mode:

(Daniel 8:25) ...and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

That above precedes the final world government "stand" as the Great Tribulation (GT) is an event that has engineering makers, phases of intensity, and overall objective - this one is full assault on the "sun, moon and stars" of the world system "national, state and local" power systems;

A point being these desolating "locusts" are heading into actual desolations to progress in time;

Great Tribulation in it's deepest form is a human origination, human engineered event that God uses to desolate in the "winepress" but he did not build that "winepress" of weaponry, the nations did as guided by elite globalists for demonic purposes in the final grand slam; (Angels will override it, and use it against itself; (Zech14:3-15; Rev14:17-20; Joel3:9-12)

At 2Thess1:6-10 this deepest GT has "those who cause tribulation for you" in their apex globalist destructive form of that Matthew 24:21-22 "no flesh would be saved" potential extinction mode;

If indeed God and Christ did not deploy against that attempted world extermination by the 8th King with technologies 10 years advanced from those of today - with Gog in control to boot - all would be destroyed; But Christ will manifest and destroy them instead;

Hence that symbology of "Gog of Magog" is unique for a reason; And ten years now, is like 20 years in the 1950s as far as demon aided technological advancement that make nuclear technology look like bows and arrows;

**Locust Upgrade of Continuum to Armageddon**

Thus those "locusts" will be armed in the final phase with a lot more ammunition than the duds the MOL has loaded JWs with for 20 years in full control of stifling JW insight; 70 years in evidentiary infiltration with little things that compound to millions stumbled since back then (not to mention UNNGO, Pedophile Paradise, and the blood issues you related earlier);

**THIS IS WAR!!!** That is why those locusts can and do picture a final world invasion, as they did the initial invasions of Joel, and the 1914 manifestation of Christ at God's temple foundation works; Ad they start with the MOL "1/3" operations to expose those for what they are; Complete coverage!

Sister! Not one part of this world after Adam's sin and massively compounding error is acceptable to God, it only gets worse as time goes by as in Genesis 6's culmination of corruptions; That is why the "locusts" are pictured in full coverage and in battle;

This assault has come from God, and the final wave will also come from God through the Temple judgment to kick it off as that progresses;
Temple Light

That will progress from the "evening" of the temple judgment (Dan8:14, 26), total JW darkness, to an enlightenment of temple purification "morning" that God pictures here:

(Revelation 8:5) But right away the angel took the incense vessel, and he filled it with some of the fire of the altar and hurled it to the earth. And thunders occurred and voices and lightnings and an earthquake.

That's a short scripture with an enormous amount of meaning; It's "altar" "fire" (See Isa6) so it is a cleansing that may very well employ desolations (as in Eze 10-11); The "thunders" roll to all JWs because of a temple "storm" with multiple significance (globalist and GOD!);

The "voices" are explanations that are accurate from God, the lightnings are a veritable "lightning shower" of REAL "new light" a "new lightning" storm;

This is a good earthquake here (Like Rev11:19 at the final temple completion), as bad as it seems, as bad as it will get, it is revolutionary times coming on Jehovah's witnesses!

In fact that Revelation 8:5 scripture is comprehensive to include the understandings to come from the first four trumpets that herald the REAL explanations of the judgments many JWs are denying;

First Four Trumpets are Abyssed Locust Steroids

That is why the first four trumpets are 4-square (so are the bowls), if you will notice on your next read, they are all earth symbology - a foursquare full coverage "earth" symbol totality - every elemental part is of earth, or seen from earth (sun, moon, stars);

The trumpets and bowls 5-7 break the earth related symbology, if you will notice with a read of both the 7 trumpet and 7 bowl sequences;

The first 4 trumpets are on the JW "earth" system in judgment - these are the explanations and the judgments in Revelation 8:7-12 below; All the same things that applied in the minor fulfillment after 1918 are accurate in principle, we just know now the "1/3" effects can even relate to Satan's "1/3" (Rev12:4) compromise of heaven and the angels who went apostate as well from the divine truth;

It appears to be the overall effects that the covert apostasy has had on Jehovah's witnesses as a whole;

God's World Chess Check Move

It also ties the origin down to a world government issue in the second trumpet, because the "mountain" headed for fire (and a burning issue) that is the collective multinational "gathering" against God (Rev16:13-16; Ps1; Joel3:9-12; Dan2:31-44) under a globalist unification system, is the very source of the "man of lawlessness" operations that even tie the "lamp" of Revelation 8:10-11 to Job 18, as Satan and the globalists he inspires are behind this entire judgment!

See the beauty in what God is doing?

The very thing the apostate-fraud-"JWs" are trying to conceal in globalist world government as an actual multi-national worldwide super-system (far more than just the "image") since 1990 at a marked globalist UN 3rd placement event, will now become the central issue!!

It brings God's Kingdom to the fore as the ultimate reality that now has a globalist defiant system forming for a head-on Armageddon collision of all time!

MOL is Globalist Born

It also explains the implications in Daniel 8's temple "transgressors act to a completion" being closely related to this globalist final world order attempt (Dan:8:11-23); Daniel 11:30-31 shows that the origin of the apostasy is a globalist infiltration used to divert JWs into actually aiding the 3rd placement of the UN in 1990, by UNNGO promoters in 1991 Awake! (9/8/2012) and a decade covert thereafter, to go overt in 2001 in world exposé to return to covert profaning missions;

The four trumpets touch on these elements and allow a full explanation when God decides to deploy angels to assist this herald;

They are readied before the whole sequence activates:

(Revelation 8:1-2) And when he opened the seventh seal, a silence occurred in heaven for about a half hour. 2 And I saw the seven angels that stand before God, and seven trumpets were given them.

Then this will have actual angelic assistance to herald to JWs the reality we are in (and the world will hear about it candidly in time - while getting their four bowls as well);

These symbols of Revelation 8:7-12 are overall sub-systems and meaning in the Jehovah's witnesses worldwide community and organization;

Also note this "fire" is condemnatory judgment, not the "altar fire" any longer but part of that judgment, this is the clean-out and call to repentance of the disciplinary phases however they may unfold to recovery aided by God by these heralds:

(Revelation 8:7-12)

JW Org "earth"

7 And the first one blew his trumpet... hail and fire mingled with blood, and it was hurled to the earth...;

JW communal common "sea"
8 And the second angel blew his trumpet... a great mountain burning with fire was hurled into the sea...;

(Zechariah 4:7) Who are you, O great mountain? (globalists profaning and impeding the temple awareness) Before Zerubbabel (you will become) a level land. And he will certainly bring forth the headstone. There will be shoutings to it: "How charming! How charming!"

A principle of the judgment meaning of a burning mountain:

(Jeremiah 51:25) "Here I am against you, O ruinous mountain," is the utterance of Jehovah, "you ruiner of the whole earth; and I will stretch out my hand against you and roll you away from the crags and make you a burnt-out mountain."

JW knowledge and teachings (The profaned "constant feature")

10 And the third angel blew his trumpet... a great star... fell upon a third of the rivers and upon the fountains of waters...;

The JW "celestial heavens": GB (Org), Bethel, elder body

12 And the fourth angel blew his trumpet. And a third of the sun was smitten and a third of the moon and a third of the stars...;

Now this is important, all this meaning, however God refines it to this event, will be pumped into that "cavalry" and "armies" military force invasion from the "abyss" by holy spirit (Zech4:6) to follow after this four trumpet initial progression of understanding and acceptance of discipline, as the fifth and sixth trumpets deploy to the grand finale of the Kingdom and Temple seventh trumpet;

See how those cavalrys and armies will now have a new impetus for invasion?

Rather than be dumbed down as if the 8th King was merely a 17 acre UN building complex in New York, we will see what is really going down, this is a WHOLE "scarlet wildbeast" on the way, "image" AND worldwide power system actuality;

Revelation 9 Bridge from Daniel 8:14 "'2300' to Revelation 11:2-3 '1260'

Revelation 9 is full recovery final ministry prelude leading to official final commission of the "little scroll" and the final "two witnesses" that will carry it out to the seventh trumpet event, the full 1260 days will be completed; The first four trumpets were an important lead into this fifth and sixth trumpets as all six bridge from temple judgment 2300 "evenings and mornings" to the final "two witnesses" 1260 days, over an unknown but important recovery period;

(Relation 9:1-3) And the fifth angel blew his trumpet. And I saw a star that had fallen from heaven to the earth, and the key of the pit of the abyss was given him. 2 And he opened the pit of the abyss, and smoke ascended out of the pit as the smoke of a great furnace, and the sun was darkened, also the air, by the smoke of the pit. 3 And out of the smoke locusts came forth upon the earth; and authority was given them, the same authority as the scorpions of the earth have.

A Smoking Judgment!

The smoking aftermath of this "transgression causing desolation" (Dan8:13) is fitting for the "abyss" state JWs will have gone into in this temple judgment for this recovery; it will be a divine judgment, carried out by 8th king system globalist intel worldwide aided by their national wildbeast extension (Rev13:1), but cut short at the proper degree; (Hos1:4-7; Isa12; Jer30:11)

This JW "log" will be smoking, from the Zechariah 3 context of the temple priesthood purification so it relates to the temple judgment perfectly parallel:

(Zechariah 3:2) Then [the angel of] Jehovah said to Satan: "Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?"

JW "Vacation" Not Permanent

This "abyss" is just a symbolic meaning of a death-like-inactivity judgment that will put JWs into a period of bewilderment (and Rev11 preparatory sackcloth) as also foretold in the culmination of Daniel 8:11-14 when that climaxes in an actual "established place" being "thrown down" worldwide;

That is not the temple, but it's base of operations, it's "established place" "of the sanctuary"; (Dab8:11) Other translations give additional insight into these nuances and that Daniel 8:14 is a temple purification;

Daniel 8:12 shows a gradual covert infiltration and JW "army" compromise is shown;

For example Common English Bible Daniel 8:12:

In an act of rebellion, another force will take control of the daily sacrifice.

(Dan8:11-25 additional translation http://templelijah.wordpress.com/219-2/)

"Armies" in Daniel 8 is "Army" in Revelation 9

That "army" of Daniel 8:12 and 8:13 ties to the overall meaning of Revelation 9's recovered "military force" (Joel2:11; Psalm110:3) for spiritual warfare; That is also why almost 50 words and like meanings duplicate in Revelation 9, it is in two modes of operation, from "abyss" 1919 onward, to "abyss" again in the near future, to
recovery (Eze37) to the final "two witnesses", to full 144000 completion before Armageddon, to that universal war;

Revelation 9 is a bridge to Revelation 11 "two witnesses" and that much of it occurs twice; No other book does this replicating pattern of wording and meaning doubled up like this:

http://templelijah.wordpress.com/85-2/

Hosea also shows the Bethel judgment will be severe, even "silencing"; (Hosea4)

(Hosea 2:5) For their mother has committed fornication.

(Hosea 4:5-6) And you will certainly stumble in the daytime, and even a prophet must stumble with you, as at night. And I will put your mother to silence. 6 My people will certainly be silenced, because there is no knowledge.

Daniel 11:30-35 shows a progression of intensity that can be applied to this from the 1990 period as these "transgressors act to a completion"; (Dan8:11-23)

(Revelation 9:4) And they were told to harm no vegetation of the earth nor any green thing nor any tree, but only those men who do not have the seal of God on their foreheads.

These are not people in the open population these are the 5 fraud virgins who have no oil - that is they are NOT actually anointed or have gone bad (so lack that insight from reading God's word as applied to the meaning of the oil receptacle in the Greatest Man book):

(Matthew 25:11-12) Afterwards the rest of the virgins also came, saying, ‘Sir, sir, open to us!’ 12 In answer he said, ‘I tell you the truth, I do not know you.’

And as well to show this is not general human population, these trumpets five and six are on the JW "1/3" judgment, this whole attack-back is on the MOL and his world order that he actually is in league with with the globalists;

That is also why being Christian will become a reality, the "wildbeast" is not going to be happy MOL is no longer stroking his fur, and whispering "sweet nothings" to the JW population, so we can whisper endless 1990 notings to the world in the daily sacrifice for 20 years;

Angelic Sortie

Here is also more angelic aid related to Zechariah 6:1-8 four angelic chariots overseeing the progress to temple coronation of Zechariah 6:9-15; Four in earthwide coverage of angelic sorties supporting God's will and unfolding purpose;

This is because we are entering a very important transition, that is being covered up as the MOL xGB "throws truth to the ground" and compromised the "army" at Daniel 8:12:

This major angelic "kill" mission may be a one time event for the major fulfillment, and aids the big assault of the 6th trumpet invasion which will be purified and will know what is actually laid out before them:

(Revelation 9:12-15) The one woe is past. Look! Two more woes are coming after these things. 13 And the sixth angel blew his trumpet. And I heard one voice out of the horns of the golden altar that is before God 14 say to the sixth angel, who had the trumpet: “Untie the four angels that are bound at the great river Euphrates.” 15 And the four angels were untied, who have been prepared for the hour and day and month and year, to kill a third of the men.

Those are the related angelic deployments that will fulfill Hosea 1:4-7, in Amos 9:1-3 mode that put down the complete objectives of the 8th King externals that are going beyond "Bethel" to Jerusalem in the field after the organization is laid low;

That is terminated by covert angelic means, whatever way God will do it, to clear this transitional period to carry out this bridging ministry to the final Revelation 11:7 globalist assault a number of years over this period;

The world WILL receive news of what is REALLY going down;

This period must move on Babylon the Great and another world war cycle as Satan builds the same kind of distractions to divert attention away from Kingdom completion news, and as world war provides the eventual 'engineered for effect' "world peace" resolution by which the world governmental image was three times previously used to present a globalist "disgusting thing" after all three world wars (cold war included; Daniel 11:29b); (Which in 1991 the GB aided the placement and worldwide promotions);

This final "stand" and "palatial tents" of Daniel 8:25 and Daniel 11:45 respectively, are both after a period of destructions, and will present the image and the 8th world kingdom government at globalist worldwide scale 8th King "scarlet wildbeast";

JW Defibrillation Jolts

This means that by the time JWs are released from the "abyss" that the globalist throw us into in the God decreed judgment of Daniel 8:11-14, these bowls will have been going off in the world parallel with the trumpets, to be reinforced as Jehovah's witnesses are fully recovered aided by these understandings and angelic "blasts" of herald;

The first 4 plagues are on the the world system "earth" in judgment in major form - these are the explanations being carried out by the 5th and 6th trumpet ministries progressively and the judgments must be known, and their actual effects will be in grander scale; (That is also why there has to be a stretch of time between temple judgment and the two witnesses 1260 days, which culminates all this as refined as it is going to get;

That is why this is so serious, it is a fuse to Armageddon, but as we see God can use this to have great Biblical evidence upon live and real-time world events of earthshaking proportions to save more people over this period that transpires into time over the trumpets sequence for this very purpose - to save some people;

Whatever it is, it is going to be fully known by the world, to the degree the bowl's "plagues" will be understood in relation to the initial fulfillment principles, but with
greater awareness of the globalist system wreaking the havoc behind the scenes in reality;

**Globalist in Cross Hairs**

It is a singular "sun" (no "moon, stars") in Revelation 16:8, meaning a globalist apex solar centralizing "sun" is really controlling all the sub-system "scorching" - these plagues are due to globalist engineered intrigues; The globalists are targeted by God in exposer as being a key figure of influence in both the JW system and the worldwide system which will be also affected by globalist intrigues, disguised as nationalism, religious war, terror, financial intrigue; etc; (Dan8:23-25)

This is the reality JWs are not understanding properly as we live in 1990 level of bent awareness; Even "conspiracy theorists" are ahead of JWs today in understanding "New World Order" 8th King globalist concepts as very real formative systems at work to a climax in the world system today;

The xGB MOL is the reason why JWs are hoodwinked concerning globalization as the basis in globalism theories of globalist world government as an actual super-structure upon a 200 multi-national worldwide collective being "pawned" in Daniel 11:42-43 and Revelation 17:12-18; The national powers are in this process in those prophecies with Babylon the Great's sovereignty pawned as well by the same dynamic that delivers both of them into globalist 8th King control or dissolution (BTG);

The national powers get to keep their illusion of sovereignty a little while longer; For a price;

The important thing being the globalist world event(s) that affected the JW temple system, will also affect the world system; And the first four bowls of plagues have an earth four-square symbology as well;

**JW and World System Parallel Development**

This is seven plagues on the full world system being manifested that has to parallel the trumpets as they are manifesting as well, from divine angelic aid from Christ in those heralds - and recall the actual instigation of world distress is the globalist 8th King also preparing a kingdom manifestation of his own to rival Christ's in nearly the exact same timing of zenith for BOTH power;

So these plagues end up at the "air" event of Revelation 16:17; But notice this first four are also in a quadruple foursquare "earth" elemental symbology:

(Revelation 16:2-9)

2 And the first one went off and poured out his bowl into the earth...;
3 And the second one poured out his bowl into the sea...;
4 And the third one poured out his bowl into the rivers and the fountains of the waters...;
8 And the fourth one poured out his bowl upon the sun...;

**Dual Judgment Parallel**

This "bowls of plagues" manifesting is also speculatively during, through, and AFTER the temple judgment at some point in that development (Dan8:11-14 = Rev8:2-5 = Zech3:2-7) just like the trumpets being angelically guaranteed to deploy and parallel with them in whatever way that occurs;

This is because the central globalist world event or events coming soon will be affecting the totality, JWs and the world, in different ways in different places; The whole thing being given to the globalists is part of both system's judgments, the JWs and the world system;

Hence this mega-divine deployment is parallel and concurrent as it unwinds; BOTH systems are getting a judgment explained, the JW "earth" is recovered as the developmental "center of the earth" (Eze38:12b) for the earthing sheep is forming to final form, and additional "sheep" affected positively by this initial "rocking the nations" for real, as the guaranteed nucleus of the foundational "new earth" are also adding to the herald forces

Thus much of this is for learning principles most applicable in the early 1000 year reign, and to complete this final leg of truth blasting the trumpets to each man of this earth; It's a "special ministry" that WILL lead into the "temple" being fully completed:

(Revelation 7:15) That is why they are before the throne of God; and they are rendering him sacred service day and night in his temple; and the One seated on the throne will spread his tent over them.

That is why the "tent" is "over them"; the "great crowd" are on earth "under the tent", and the temple has added the courtyard planetary system to be also purified under Christ to perfection; Therefore one does not need to be in heaven to be in this temple spiritually; No limitations exist at this time, Satan is canned in abyss as well POW with the demons of Armageddon; (Isa24:21-23)

Just as the 8th King under "King North" globalist sovereign symbolic container of all globalist powers was spreading "palatial tents" in the grand finale period after the 1260 days (Daniel 11:44-45), Christ's "palace" is the actual "tent of God and He will be with them' on earth in spiritual powers:

(PSalm 45:15) They will be brought with rejoicing and joyfulness; They will enter into the palace of the king.

That is the "earth harvest" "gift" that Christ and the Bride deliver to Jehovah:

(Zephaniah 3:10) 10 "From the region of the rivers of Ethiopia the ones entreating me, [namely,] the daughter of my scattered ones, will bring a gift to me. That was spared ones of "Gentiles" at this time:

(Daniel 11:43) And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. And the Libyans and the Ethiopians will be at his steps.

---

We see God is laying out a map from temple judgment to Armageddon, with a guaranteed 7 trumpet sequence in order leading to this end time perfectly in a way 1914
only fulfilled in a minor form, as even the "trumpets" then were shuffled;

That 1914 period began with the seventh trumpet! (The Messianic Kingdom birth), and the rest followed after that upon Christendom's apostasy being judged and exposed; God allows this purposed "glitches" to draw studiers deeper into His Word;

Now the major fulfillment will be in perfect order, because JWs and those coming out of the world will be made to understand what the sequence means, and is leading to, in all the trumpets and the bowls;

But that principle will apply to the rogues in the org today:

(Zephaniah 1:4-6) I will cut off from this place the remaining ones of the Baal, the name of the foreign-god (globalist; Daniel 11:39a) priests along with the (apostate) priests, 5 and those who are bowing down upon the roofs to the army of the heavens, and those who are bowing down, making sworn oaths to Jehovah and making sworn oaths by Malcam; (god of Ammonites; (enemy traitor); meaning two-faced traitors) 6 and those who are drawing back from following Jehovah and who have not sought Jehovah and have not inquired of him."

[Insight Vol p. 93 Ammonites]

God's promise to the modernday traitors pictured by Moab and Ammon:

(Zephaniah 2:8-9) “I have heard the reproach by Moab and the abusive words of the sons of Ammon, with which they have reproached my people and kept putting on great airs against their territory. 9 Therefore, as I am alive,” is the utterance of Jehovah of armies, the God of Israel, “Moab herself will become just like Sodom, and the sons of Ammon like Gomorrah, a place possessed by nettles, and a salt pit, and a desolate waste, even to time indefinite.

These are also in the Daniel 11:41 account of the JW infiltration invasion:

(Daniel 11:41) He will also actually enter into the land of the Decoration (Daniel 11:30; Dan8:12), and there will be many that will be made to stumble. But these are the ones that will escape out of his hand, Edom and Moab and the main part of the sons of Ammon. (They "escape" because they are part of the enemy system of traitors, but they are included in the sequence here, because they are involved in it;)

Whatever It Is That is Coming Has to be Big!

AN IMPORTANT THING IS, WHATEVER THIS EVENT OR EVENTS ARE AND THEIR WORLDWIDE SEQUENCE, IT WILL BE VERY BIG TO HAVE THIS KIND OF PROLONGED EFFECT COMPREHENSIVELY ON JWS AND THE WORLD FOR THE YEARS TO FOLLOW THE INITIAL "EXPLOSION" WHATEVER IT MAY BE;

It will change the trajectory of the world for the next 10 years to the 8th King objectives of Daniel 8:23-25; Daniel 11:42-45; and Revelation 16:13-16 and Revelation 17:12-18 to apex development upon the world system;

What is coming will be the "fire" of Zechariah 3:2 that requires divine deliverance as a "log snatched from the fire" (Hos1:4; 17:12; Daniel 11:42) to make this final ministry possible; And God by Christ will make certain, of course, this finale of the Revelation Word manifests to the enlightenment and conclusion that it will lead to with marked understandings along the way! (Rev1:1 will continue)

EXCITING!!!

Trumpets are from God so Everything Associated with Them is Heralded as to It's Meaning

That all the "seven trumpets" are angelically aided heralds means God is involved in every trumpet in sequence intensifying in meaning, and parallel with the judgment actually coming on the world after this temple judgment signal, in all seven of those bowls that will parallel, and go along with the JW recovery that these trumpets will herald by divine power and guarantee to temple completion;

The world will be given this guaranteed sequence after the "lawless one" stagnation and profanation is removed, and that may take a few years, we shall see;

Revelation 8's first four trumpets are therefore the blasts of truth that will empower the Revelation 9 5th and 6th trumpet heralded recovery from an "abyss" state upon Jehovah's witnesses because the "established place of the sanctuary" will have an apex "throw down" event that is far more intense than this "sleeper cell" profaning infiltration of undercover fakes; (Daniel 8:11; Zech3:2;)

The Revelation 8-9 "bridge" is important because it will tie together the periods of temple judgment to temple completion, with a temple ministry of sovereign ultimatum "little scroll" announcing the implications of what these developments really mean, and are inevitably leading to;

This is why Christ made certain Revelation's 1914 initial understanding has been foundationally set in Jehovah's witnesses understanding, because the principles will continue to apply to this major scale upgrade fulfillment leading to 100% Kingdom and Temple completion and universal authority!

The Daniel 11:36 USSR Invalidity Test the Governing Body Purposely Ignores for Subterfuge of Globalist UN 8th King Development

1. The basic test that reveals the Governing Body are teaching deception regarding globalist 8th King developments since 1990 is this scripture - a single line in it:

(Daniel 11:36) “And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

The Bypass Coverup

1. You see that line in their allegedly applied to the USSR by the GB?
   A. "'And he will certainly prove successful until [the] denunciation will have come to a finish;"

2. That cannot apply to the USSR because they failed and were dissolved long before the "denunciation will have come to a finish" which is Rev 16:17, Rev 11:15-18 and Armageddon;

3. In other words the "denunciation" is the world conquest upon a "King of the North" who will be active from at least Daniel 11:36;

4. In fact the Governing Body took special efforts to bypass a commentary on this line of Daniel 11:36 in the Daniel Prophecy book chap. 16 pp. 275-276 (1999);

5. There the commentary completely ignores "and he (KN) will certainly prove successful until the denunciation will have come to a completion" as far as commenting on it's meaning in regard to a failed USSR that CANNOT fulfill this prophecy;

8th King Ignored by GB

1. Someone does, 8th King globalists will be present and successful at Armageddon;

GB Treason in Broad Daylight

1. And it just so happens the Governing Body entered a promotional relationship as a United Nations organization at the same time that this prophecy fulfilled fulfilling Daniel 11:30-31 with the "King North" 8th King globalists of the UN;

2. That was a 3rd United Nations related globalist world governmental "image" "disgusting thing" that the Governing Body is purposely ignoring;

3. We know it is purposeful because it does not take a prophet to easily see that:

   "'And he will certainly prove successful until [the] denunciation will have come to a finish;"

CANNOT apply to the Soviet Union; Nor can they be involved with Anglo elite world government placement in the United Nations as that is what the Cold War was all about, staying out of the yoke of American and English globalist slaveries;

The Actual Fulfillment and Meaning; UN 3rd World Placement 1990

1. THIS is what actually happened in 1990 that the Governing Body must be purposely ignoring as a globalist serving operation:

(Daniel 11:30b-31) "And [8th King UN globalists] will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to [Governing Body] leaving the holy covenant.

31 And there will be [infiltrative internal] arms that will stand up, proceeding from [8th King UN globalists]; and [8th King UN globalists and the Governing Body] will actually profane the sanctuary, the fortress, and remove the constant [feature].

31b "And [8th King UN globalists and the Governing Body] will certainly put in place the disgusting thing that is causing desolation, [Which is the United Nations third world placement in 1990 and the Bethel placement in 1991 in the Jehovah's Witnesses worldwide "constant feature" for public world promotions of the United Nations "New World Order"]

Governing Body of the Man of Lawlessness

The Governing Body:

1. Fulfills the infiltration and treasons of the "man of lawlessness" in league with the United Nations objectives at 3rd world placement "disgusting thing" in 1990-1991, for 10 years as covert world promoters;

2. Covers up the actual prophetic meaning of Daniel 11:30-31 (Daniel 8:11-14 transgression) with an invalid Nazi and USSR subterfuge that cannot apply;

3. Persists in this lying illusion while setting up the Jehovah's Witnesses worldwide organization for a coup-de-grace with the next set of globalist world developments leading to the 4th United Nation globalist world government placement as per Daniel 8:25; 11:45;

I. Daniel 11-12 Final Fulfillment Mode in Globalist Power Paradigm

http://templelijah.wordpress.com/ffm/daniel-11-12-final-fulfillment-mode-in-globalist-power-mode/
A. Remember this Dynamic: Nationalist versus Globalist

II. Daniel 11 in Final Fulfillment since 1914 and the Near Future Cycle

1. There are two modes of Bible prophecy in the "last days" period that Jehovah's witnesses will be made familiar with. Jehovah's witnesses are already familiar with one mode, the minor fulfillment cycle of this prophetic progression that corresponded to Messianic Kingdom birth and temple foundation in 1914.

2. There must also be a familiarity now with the final fulfillment mode "temple completion" cycle of the near future which will replicate this fulfillment cycle to grand finale of Messianic Kingdom and Temple completion;

3. That includes in final fulfillment, the initial fulfillment preparatory period leading to the well known triple sequence that fulfilled between 1914 and 1926 upon three prophetically defined time periods. Those periods fulfilled in (1) 1914-1918, (2) 1919-1922, and (3) 1922-1926, and all periods had biblical definition as to the events and meaning that defined those periods upon scripturally identified time lines and kingdom and temple significance.

Now or Later

4. Jehovah's witnesses must understand both initial fulfillment and final fulfillment mode;

5. Jehovah's witnesses must comprehend the difference also between national power paradigm and globalist power paradigm;

A. Three Time Periods of Daniel and Revelation (See [2])

1. Those three Bible time lines commenced with the 1260 day well known "time, times and half a time" of bible prophecy and that corresponded to the 1914-1918 minor initial fulfillment. (December 28, 1914 to June 21, 1918)

2. The second Bible time line followed with a short gap to the 1290 day time period of Daniel 12:11 in bible prophecy that corresponded to the 1919-1922 minor initial fulfillment. (January 18, 1919 to September 9, 1922)

3. The last (third) Bible time line followed with a very short gap to the 1335 day time period of Daniel 12:12 in bible prophecy that corresponded to the 1922-1926 minor initial fulfillment. (September 14, 1922 to May 19, 1926)

All those time periods must fulfill again in a major final fulfillment to temple completion and complete Messianic Kingdom conquest at the War of Armageddon;

B. The Differences Between 1914 Fulfillment and the Final Fulfillment Cycle

Intimate Temple Inspection

1. The "temple" worship system will be focused upon Jehovah's witnesses world wide, and all persons professing or secretly developing discipleship (secret disciples; John19:38) as professed anointed and "other sheep" all pursuing true Christianity in identity in either heavenly or earthly hope.

Globalist World Power Paradigm

2. The other difference will be the scope and magnitude of the final 8th King globalist power system and the scale of it's attempted global domination opposed to the Messianic Kingdom and God's Christ Universal King; By this time approaching in bible prophecy, this worldwide globalist power system will contain all globalist wildbeasts in the globalist modal paradigm of the globalist "King of the North" sovereign defiant symbol of Daniel 11 at it's zenith;

C. Globalism: The Final World Power is Coming

1. Though these globalist use national scale and national bloc "King of the North" puppets, the real power behind this theater of deception is the globalist 2Horn-Wildbeast (2HWB) that engineered the globalist unification "image of the wildbeast" and that in time became a very real, multi-national power system as the 8th King of Bible prophecy, the full-bodied globalist unification "scarlet wildbeast" - the final rival world power of Bible prophecy; (Rev13:11-15; Rev17:11-18)

D. Globalism is an Important Concept for Jehovah's Witnesses to Comprehend

1. Globalism as a basis of world government and domination is a very important concept for Jehovah's witnesses to understand. Globalist world government is not national in scale but worldwide in magnitude, and is the ascendant and final world power beyond the 7th King national power system. All the national powers will serve the globalist world order soon by being owned and pawned by it; (Dan11:42-43);

2. This globalist system consolidates the pyramidal powers of approximately 200 nations worldwide to achieve a "scarlet wildbeast" actual worldwide super-structural system far more powerful than the globalist forum UN "image";

3. It is also centrally consolidating more powerful and globally extensive authority in progressive formation than any individual nation or national union; this 8th King is the sole power of the whole thing - the whole wildbeast.

4. ALL the nations are being gathered to Armageddon, under this sole locus of power; (Joel3:9-12) That is the difference between the national 7th King Anglo-American world power, and the globalist worldwide power that has pawned the 7th King for globalist "King of the North" (8th King; 2HWB globalists) purposes; (Rev 17:11-18 is Daniel 11:42-43)

II. Daniel 11 in Final Fulfillment since 1914 and the Near Future Cycle

A. Remember this Dynamic: Nationalist versus Globalist
1. In 1914 and the initial fulfillment, and it's subsequent interpretation, God well knew this deception utilizing national puppets and mind enveloping shells of nationalism would conceal the globalists who are actually operating World War to capture nations progressively over time by debt and industrial controlling power (ownership);

2. This initial pattern (1914 to 1990) is therefore seen through national power paradigm understanding, as is fully applicable in this mode of prophetic forecast development during this first world war and afterwards;

   *In fact it must be valid from God, or the foundational truth of the pattern, and what it provides as the basis for the final fulfillment, would be useless without a valid initial pattern framework of prophecy;*

3. But now we have to see the bigger globalist paradigm picture, and the fact that this globalist "disgusting thing that causes desolation" and the globalist locus of power (2Horn-Wildbeast) that engineered that "disgusting thing" world peace forum "image of the wildbeast", is really the power that orchestrates the whole world war scenario since 1914;

4. The globalist "disgusting thing" world presentation pattern is simple; They create a huge world war "problem" for which they present the world peace "solution" after the "tribulation" and "desolation".

5. Predictable now, they did this after WW1 with the League of Nations in 1919, and after WW2 with the United Nations in 1945 "problem then solution" strategy.

6. In the interim war, the overall globalist funded investment and industrial complex makes trillions in actual profit and capital expansion, and indebts nations in trillions for decades thereafter controlling the next cycle;

7. The nations are fully duped in national minded shells while the real "world war" is between globalists pawning these nations for a worldwide controlling super-sovereignty to manifest from these cycles to this third and last cycle coming up; (Dan8:23,25)

8. World war between nations never was going to result in one nation ruling the world; a globalist power super-structure is the only way to achieve the level of power and control to sustain such a scale of domination;

9. That means the domination of all the nations individually is the goal; and world war, aids the enslavement of national powers to globalist finance, technological and geo-political technocrats of the 2Horn-Wildbeast (Anglo-American globalist elites) and the UN "image" all these worldwide nations' elites scurry to to preserve their own sovereignty.

10. These "scarlet wildbeast" national elites are being once removed from the strategic reality for which they are drawn into the "scarlet wildbeast"; The national powers are twice removed from this reality; The masses are totally in the dark, three times removed from globalist world order reality;

11. All the while, this is where all of them are being gathered: Har-Magedon; (Rev16:13-16 via Rev17:11-18);

**B. The Dynamic to Remember: It All Harmonizes in Multiple Modes**

1. Therefore we have an initial cycle of fulfillment with prophetic symbols representing national powers;

2. We also have a globalist world power that is setting up positions and developments that will manifest during this cycle from 1919 to now, but will require this understanding to recognize in this prophecy in globalist influence.

3. This will then lead to a final fulfillment cycle as this initial cycle begins to manifest the objectives of the globalists who empowered the national world war engine to achieve a further reaching goal of national control, from a globalist centrally consolidated locus of power;

4. In final fulfillment mode, all these prophetic sequences will ALL harmonize because ultimately it is describing the workings of the globalist "King of the North" through national powers that took on the role of national "Kings" "of the North" and "King of the South";

5. Ultimately all national "kings" will be pawned into the globalist world order power system represented by the ultimate meaning of the "King of the North" as apex globalist power ascending under Gog as even Babylon the Great will be deposed of global sovereign power;

6. Revelation 17:11-18 is a sovereign power transfer of all national "power and authority" to globalist super-sovereign finality;

7. All this will effect the following commentary in final fulfillment mode revealing globalist influence and manifestation as final "King of the North";

**III. Daniel 11 in Globalist Power Paradigm**

1. In Final Fulfillment Mode (FFM) and in Globalist Power Paradigm (GPP) this is the point in Daniel 11 we can apply the final fulfillment mode and actually apply it to this globalist "King of the North" sovereign defiant development from inception to the final part of the final denunciation cycle leading to Armageddon.

**A. In Final Fulfillment Mode**

(Daniel 11:27) “And as regards these two kings, their heart will be inclined to doing what is bad, and at one table a lie is what they will keep speaking. But nothing will succeed, because the end is yet for the time appointed.

1. The "two kings" here in Daniel 11:27, are now globalist (north) and nationalist (south) power struggles on the planet earth "one table" that develop in spite of the fact the national powers do not realize they are being pawned by globalist designs reaching fruition of intended effects;

2. It is good to realize that since this time, a national "king of the north" has always been erected by a globalist actual "king of the north" greater sovereign power in operation;

3. Thus whether the German Weimar Republic (ca. 1919-1933), or German Third Reich Nazi's (ca. 1930s) under Hitler, or the USSR (ca. 1950s) "Kings" "of the North", these were all erected under a larger umbrella of globalist power for huge military-industrial multi-lateral expansion and worldwide finance, market and investment capitalization and profits;
4. The source of the funding, and profit and planning at that multi-national level is the true "king of the North" globalist power benefiting from this "gravy train" of illusion and human sacrifice;

5. Jesus indicated the "disgusting thing", a globalist world power system, is the chief cause of "desolation". In spite of the national illusions, the real "world war" is between globalist (north) and national (south) focused power and locus of operations;(Matt24:14; Dan11:31);

6. Some organized grouping was planning, enabling and funding this whole thing on all combatant sides and it wasn't the former paupers Stalin, Hitler or Mussolini; all required a far larger finance network to prepare for world war, much less deploy it in multi-billions (WW1) and multi-trillions (WW2) in profit potential conveniently leaving the combatant nations powers in similar scale public and national debt for decades;

a. General Smedley Butler told the truth; War is a Racket.

http://en.wikipedia.org/wiki/War_Is_a_Racket

http://www.ratical.org/ratville/CAH/warisaracket.html

7. All the national Kings of the North fail up through the USSR; "Nothing shall succeed" - That is a clue as to the final identity of the King of the North who will succeed until stopped at the "end of the denunciation"; The USSR did not fulfill Daniel 11:36;

8. The entire prophecy's main fulfillment is a globalist King of the North power system in formation from Daniel 11:27-45, to his end; (Daniel 11:45)

(Daniel 11:28) "And he will go back to his land with a great amount of goods, and his heart will be against the holy covenant. And he will act effectively and certainly go back to his land.

1. As stated, it is never the public coffers (national economies) that are filled with profits, it is the globalist coffers and their puppets who amass astronomical piles of blood-money from these massively industrially engineered conflicts. From 1700 to 1900 this was becoming a science in the industrial finance and investment networking engine through which huge war profits are channeled in these conflicts;

2. The less the national masses and politicians know of this network of power, the better for the networks profitable operations above the scenes, funding and profiting from both sides of these conflicts that led to the science of world war deployed at a scale never seen before in human history. The profits and progressive industrial expansion and capability were also at a relative scale of enormity;

(Daniel 11:29) "At the time appointed he will go back, and he will actually come against the south; but it will not prove to be at the last the same as at the first.

1. That this is called "the south" is a subtle reference to the national world collective (Egypt symbol) in this final fulfillment mode. And yes, in final fulfillment mode, in principle of globalism versus nationalism as completely different philosophies of power, this is the unique period in human history co-developing with national cloaked world war. But in reality, the globalist power is what was increasing power and consolidation, through a national collective system that was being indebted and perpetually made weaker subtly for years;

2. That covert reality is how globalism "north", has been coming against the national collective "south";

(Daniel 11:30a) And there will certainly come against him the ships of Kittim, and he will have to become dejected.

1. Though this is symbolic in principle, as national "islands" and "ships" (Kittim symbol) in the human "seas" of global humanity resisted total subservience to globalist interests naturally or on purpose, whether they knew it or not, the elite system was indeed "dejected" into having to formulate new strategies and financial intrigues to control nations progressively, and multi-national infiltrations of puppet politicians to align regulation progressively to serve globalist interest with a further reaching goal;

2. If a huge national bloc of power could not rule the world or itself effectively, such as the Soviet Union, then neither would a bunch of globalists be able to use pure force to capture the world system - it would take time and progressive development;

3. An irritative development supporting subtler intrigues was needed based in stealth progressive financial domination, aided by national politicians and elites allowing regulations that would mature into the globalist overall interest. War itself was such a symphony of profitable intrigue;

4. A similar realization was at work in removing religious obstructions. Though World War 1, a surprise surfaced for the globalist and world system, and that was Jehovah's witnesses. It was a shock that such a small group, could carry such a powerful message of prophetic divine doom to the globalist and nationalist powers - and not be merely "shut off";

5. It was a shock as well that these could not be removed by force, instead it made them grow ever faster instead. World War 1 and subsequent developments after that period, made the globalist elite powers, and their national puppets realize banning, burning, firing and killing this group would not work;

6. In BOTH these cases, national and religious, a new form of strategic objective was needed, inside control of both nations and religions to more effective degrees;

7. But this effect of this development applies today since after World War 1. Globalists attempting to infiltrate religions to do stealth surveillance and corruptive damage subtly is common, not a "conspiracy" but a reality. As seen, Christendom was fully infiltrated and subservient to "Caesar" even during World War 1. Governments and organizations are regularly spied on and infiltrated worldwide;

8. Jehovah's witnesses, more so than the rest, would need to be "attacked" in a similar internal way, but the penetration would NOT be as easy as it was with corrupted Christendom;

9. That is why the globalist "King of the North" "will have to go back" to the drawing board of strategy and "will give consideration to those leaving the holy covenant" as Jehovah's witnesses anointed and associates, and that means those who can be controlled from the inside of the Jehovah's Witnesses organization. This developed after World War 1 with total globalist focus;

10. "Dejection" is also part of the world war "problem" to globalist world government "solution" formula; At some point national "Kings of the North" had to be retired for the effect of that defeat would have on the positive light thrown upon the globalist world "solution" to be presented shortly after these global conflicts; WW1, WW2 and the Cold War so far;
(Daniel 11: 30b) “And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant.

1. Now a key understanding here, is the "King of the North" setting up the "disgusting thing". According to initial fulfillment interpretation, that is a "King of the South" entity engineered by the 2Horn-Wildbeast Anglo-American world power system, NOT the "King of the North" national powers; (Rev13:11-15)

2. Well that is still in harmony with reality, but this King North is shown intimately connected to the placement of the "disgusting thing", which Nazi Germany had no interest in presenting to the world, if this is applied to the 1945 United nations global presentation after WW2; (But it is not, for these inconsistencies shown)

3. It will be shown, a globalist King North, in far more modern times, is who this prophecy is applying to, not Nazi Germany, but the UN/NWO presentation after the Cold War made official by George Bush Sr. before a Joint Session of Congress on September 11, 1990;

4. That King of the North is involved with the UN "disgusting thing" and the UN False-Prophet's main mantra of "the dream of a new world order";

**B. Reminder Again: Think Multi-Modal**

A point developing here is that:

1. Even in national paradigm of initial fulfillment as interpreted by Jehovah's Witnesses since 1914, the globalist "King of the North" main locus of power was operative since 1914 in marked finance and planning fashion; God in prophecy understands that humans would not comprehend this dynamic until the final fulfillment cycle, as globalism came more into focus on the world stage of world government actuality;

Therefore the initial fulfillment is valid in national scope of fulfillment with national players as "Kings" "North" and "South" only in principle, the reality is globalist in scope;

2. This means that in this representative round of initial 1914 commencing prophecy, in key applicable areas, the globalists will have a 1914 fulfillment in the national puppetry of the various "King of the North" national identities since 1914, as well as their own globalist intrigues applicable to the final round of prophecy in a continuum of effects with the initial fulfillment;

This would not be ascertained until globalist orchestration was better understood after 1990;

3. And this formula will still repeat in applicable fashion, from the effects of all these developments on the world scene progressively, for the final fulfillment of the near future when the globalist 8th King and the overall sovereign symbolic container he is within (KN), will attempt to manifest for total world domination at the Armageddon final worldwide conflict with God's Kingdom forces; (Daniel 8:23-25)

4. In Daniel 11:28-32 and beyond, this all developed around the "consideration of those leaving the holy covenant" for effects in the JW organization, that did in fact parallel the world presentation of the 1991 "New World Order" of the UN "disgusting thing" (DT);

= **C. Think BIG - REAL BIG!**

1. In Final Fulfillment Mode, in Globalist Power Paradigm, this globalist 2Horned-Wildbeast is part of the globalist "King of the North" and so is it's globalist world project; (Rev13:11-15), the globalist "scarlet wildbeast" 8th King is also part of the "King of the North" globalist sovereign apex symbol.

2. And they have been positioning for a prophetically identified infiltration of Jehovah's witnesses since after World War 1. That is the gist of the developments that precede the placement of the DT;

3. What is happening here is part of the infiltration. This prophecy applies in principle to 1919 in the "League of Nations" first manifestation as world governmental peace forum. But this placement is the last in the series so far in human history on the world stage as the UN "New World Order" as proclaimed by George Bush Sr., first on 9/11/1990, and others subsequently; This occurred as the USSR fell, and Russia "surrendered" to the UN by joining it in 1991;

4. Parallel to this event, this is also the first manifestation in 1991 (UN/NGO) of the 'disgusting thing' in the Jehovah's witness "temple" system as defined since 1919 free of Christendom corruptions, so Christendom cannot be those "leaving the holy covenant";

**(Daniel 11: 31) And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant feature. “And they will certainly put in place the disgusting thing that is causing desolation.

1. This is the UN/NGO infiltration "profanation" of the anointed "temple", the subsequent "befouling" of that "Joshua" class "identity" as per Zechariah 3:1-3, and the spread of this corruptive infiltration and sinful effects subtly throughout the "fortress" of the JW organization;

2. This is how a truly approved "constant feature" has been greatly affected since the Milton Henschel era globalist backed compromise after Fred Franz was incapacitated and died. Brother Fred Franz was the 2 Thessalonians 2:3-9 "one who acted as a restraint" to keep the JW temple clean of this kind of dubious developments;

3. That is why in final fulfillment mode, this "lawless one" development in the Jehovah's Witnesses organization continues until divine revealing of the "man of lawlessness" and his removal by God as per Zech3:2-9 parallel with 2Thessalonians 2:3-9 and Revelation 8:1-5;

4. As we see, none of this was noted after 1991 and the fall of the USSR, though that greatly impacts the interpretation based on the USSR's success, but in fact it failed, "nothing will succeed" (Dan11:27) is where the USSR ended up; The NWO mode of the DT is what is in place, empowered by globalist King of the North NOT the USSR as previously held;

5. This infiltration continues to Revelation 8 "1/3" penetrative effects in final fulfillment mode:

**(Daniel 11:32) “And those who are acting wickedly against the covenant, he will lead into apostasy by means of smooth words. But as regards the people who are knowing their God, they will prevail and act effectively."
1. In final fulfillment mode, there will be some in the Jehovah's witnesses "temple" system that will become the "lawless one" identified, and they are already active; (2Thess2:3-9) Prophecy reveals in a number of ways this must occur; (This information being stifled is evidence for 20 years;)

2. It aids a refining work as shown in Malachi 3:1-5 and Zechariah 3 in final fulfillment mode at temple completion complimentary to the initial pattern at temple foundation of 1914-1918+;

(Daniel 11:33) And as regards those having insight among the people, they will impart understanding to the many. And they will certainly be made to stumble by sword and by flame, by captivity and by plundering, for some days.

And more infiltration continues:

(Daniel 11:34) But when they are made to stumble they will be helped with a little help; and many will certainly join themselves to them by means of smoothness.

1. A preliminary cleansing leading to final fulfillment of Zechariah 3, Malachi 3:1-5; and Rev8:1-5 progresses to and through the full of Daniel 8:11-14 "temple cleansing" in the "time of the end";

(Daniel 11:35) And some of those having insight will be made to stumble, in order to do a refining work because of them and to do a cleansing and to do a whitening, until the time of the end; because it is yet for the time appointed.

1. That time appointed will "spark" (Rev8) the final round of prophecy we are discussing here all the way through these established patterns, now repeating with the "man of lawlessness" through the rest of the Daniel and Revelation 1260 day, 1290 day and 1335 day finale progressions;

2. This continues to total temple clean-out, final world ministry of the "two witnesses", the completion of the 144000 after the "holy city" is fully trampled, and on to the final separation of the "sheep and the goats" to Armageddon;

IV. Daniel 11:36 - The Clean Break to Globalism [1]

A. Globalist King of the North is Ultimate Meaning

1. Although Jehovah's witnesses can try to apply these next verses to the USSR as the national "King of the North", certain features, in FFM, identify this power system, as leading to the manifestation of the globalist "King of the North" as completely unique on the world scene in his final manifestation world drive to Armageddon;

2. Keep in mind another global "boogey man" national, or national coalition "King of the North" may very well arise, but certain qualities of power will NEVER be attainable to national power (nothing will succeed for them), blocs or coalitions to the degree of consolidation NOW present and getting more powerful in the globalist world order actual globalist "King of the North" symbolic complex of globalist wildbeasts, 2Horn-Wildbeast and scarlet wildbeast;

3. Jehovah's witnesses are not "wrong", it is that we did not know where to stop with the USSR application in national bloc perspective of the initial fulfillment. The globalist perspective of the applicable portion of Daniel 11, in final fulfillment will also apply, but most fully since this will climax in that "King of the North" "palatial tents" opposed to spiritual Israel which will result in full Armageddon "war of the great day of God the Almighty";

4. The USSR could not fulfill this requirement: "And he will certainly prove successful until the denunciation will have come to a finish"

5. Keep in mind we are speaking final fulfillment applicability in globalist "King of the North" paradigm;

(Daniel 11:36) "And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until the denunciation will have come to a finish; because the thing decided upon must be done.

1. Well all national power megalomaniacs do "according to their own will" and exalt themselves and magnify themselves. BUT globalism as a basis of world power IS above every national power complex "god" of the nations, it IS the final world power type and scope, so this megalomania is extreme based on this reality;

It is also successful;

2. The USSR did not exactly "prove successful" very long. But this "King of the North", in final fulfillment, in globalist scale "will certainly prove successful until the denunciation will have come to a finish", and that denunciation is Daniel 11:45 total obliteration by God's Kingdom;

3. This globalist "King of the North" must fulfill prophecy to the utter detail "because the thing decided upon must be done", and this is 'decided upon" by God Almighty and therefore cannot be stopped, stalled or reversed from occurring fully it "must be done";

4. There is a finality of prophecy here that was not fulfilled at the scope the globalist "King of the North" will progress "successful" to total destruction, and permanent conquest of God's Kingdom over this sovereign rival at worldwide apex beyond any national power or coalition in human history;

(Daniel 11:37) And to the God of his fathers he will give no consideration; and to the desire of women and to every other god he will give no consideration, but over everyone he will magnify himself.

1. Globalism is the unique and powerful governmental application that truly leaves all national "gods" and national minded objectives way behind; This is true potential world rulership to 100%, not limited mad fantasies of men like Adolph Hitler who could not sustain even their own sphere of national power much less a whole world.

2. Globalism is an advanced science that affect all "power and authority": that formerly defined the national power system, but applied in advanced ways to an entire collection of nations and a whole world;

(Daniel 11:38) But to the god of fortresses, in his position he will give glory; and to a god that his fathers did not know he will give glory by means of gold and by means of silver and by means of precious stone and by means of desirable things.

1. This ascendant Globalism "god" is the foremost development of the "god of fortresses" as Joel 3:9-12's global militarization prophecy fulfills parallel with the needed
"gold" and "silver" and "desirable things" control of Daniel 11:42-43;

2. This continues progressively climaxing as that development intensifies Revelation 17:11-17 "power transfer" from national to globalist which climaxes the final "gathering of all the nations" to Armageddon (Revelation 16:13-16);

3. Without that actual wealth and capital infusing power (worldwide), this scale of global power would not be possible, and this power, rather than national "power" with multiple trillions in debt and unfunded liabilities is what separates globalist power from national illusions of power which are actually in decline due to this dynamic; (Rev17:12-18);

4. The only hope the national powers have, is Babylon the Great assets to infuse a "recovery" and their final death throes to completion as this unwinds for real.

(Daniel 11:39a) And he will act effectively against the most fortified strongholds, along with a foreign god.

1. And so globalism is this "god" foreign to the normal thinking of all nation-state and national powers of the former millennium of development to that national apex, now in decline for ascendant globalism;

(Daniel 11: 39b) Whoever has given him recognition he will make abound with glory, and he will actually make them rule among many; and the ground he will apportion out for a price.

1. Since this power is now engineering and running the globalist "image" "of the wildbeast", the UN, that is where the globalist elites dole out recognition, "one hour" of power and glory, and allow them to rule national pyramids of the "many" for globalist benefit.

2. Debt slavery of whole nations to fiat currencies based on digital accounts and worthless paper, with huge credit bubbles and multi-trillions in debt is how the national ground, that these powers used to own, is apportioned out to them for a price, a national "mortgage" of debt slavery.

3. And this is how the globalist financial intrigues devised since before 1914, have infiltrated these unquestioning nations, and "pawned" them without a shot fired. In extreme cases, and for more war profit, global military application is also a form of "pawning" national powers, into globalist ownership.

4. Slowly but surely the globalist powers have amassed over 50% control in all aspects of what defined "power and authority" in the national realm, and the nations are focused on the walls of nationalism not perceiving the king that is pawning them and controlling them to Armageddon;

5. Aiding this progression, was the developments after the 911 event.

(Daniel 11:40) “And in the time of the end the king of the south will engage with him in a pushing, and against him the king of the north will storm with chariots and with horsemen and with many ships; and he will certainly enter into the lands and flood over and pass through.

1. That "pushing" is national powers being devoured; Notice how "him" in "and against him the king of the north will storm" becomes a "her" by verse 43 "Egypt (King South national systems); she will not prove to be an escapee";

2. This invisible globalist invasion in Daniel11:40 applies to the "Global War on Terror" and the many special operations and military expansions that accompanied that "war" for the last 10 years.

3. Though it can apply to the USSR in initial fulfillment, in final fulfillment mode it goes to complete rulership of global wealth and finance system (gold) and "desirable things" of as much national properties in debt ownership as possible through hundreds of screening proxy nations and private organizations like China and the Federal Reserve;

4. National Russia never even "ruled" it's own finances properly, much less ruled global bullion ownership and the architectural control of the global financial and investment/market system based on that wealth control;

5. Ultimately this applies to the actual world owners in progressive and dynamic national; globalist power.

(Daniel 11:41) He will also actually enter into the land of the Decoration, and there will be many lands that will be made to stumble. But these are the ones that will escape out of his hand, Edom and Moab and the main part of the sons of Ammon.

1. That again hints at the infiltration "entry" of the Jehovah's witnesses, and can also apply to the final actual initial and final placement of the global "disgusting thing" in the near future in harmony with the final objective. The "entry" "into the land of Decoration" is the corrupting "lawless one” infiltration of Jehovah's witnesses organization worldwide now in operation awaiting final temple clean-out by God; (Zech3:4);

2. The "escapees" are symbolized by the known biblical enemies of God's people in classic Edom, Moab and Ammon - these are the traitors and infiltrators operating undercover in the Jehovah's witnesses today;

(Daniel 11:42) And he will keep thrusting out his hand against the lands; and as regards the land of Egypt, she will not prove to be an escapee.

1. Now, in final fulfillment mode, the "King of the South" is the whole Anglo-American nationally controlled and influenced systems of earth (Egypt) that have succumbed to that finance and operations model for years now;

2. The national powers are all debt pawned, and that leads to property and power pawnning of eventual progressive globalist receivership, ownership and control of all their national lands and organizational powers worldwide in "the lands" symbol;

(Daniel 11:43) And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. And the Libyans and the Ethiopians will be at his steps.

1. As a result globalist power, not national power, possess the majority global bullion;

This also represents the very basis of world wealth physically and by design of the system, the globalist finance network to administer that "wealth" as debt and currency worldwide;

3. Everyone else left over, the smaller less assimilated nations, the "Libyans and the Ethiopians" will be sucked into globalism as well in time, if time kept going on for
And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish.

and his left hand to the heavens and to swear by the One who is alive for time indefinite:

the bank there of the stream. Then one said to the man clothed with the linen, who was up above the waters of the stream:

knowledge will become abundant.

(Daniel 12:4

Matthew 13:43) At that time (Jude 14) the righteous ones will shine as brightly as the sun in the kingdom of their Father.

1. This is also an allusion to the final gathering glorification of the anointed in this finale period:

V. Daniel 12 - Final Fulfillment Mode

A. Michael's Universal Conquest Sequence

(Daniel 12:1) “And during that time Michael will stand up, the great prince who is standing in behalf of the sons of your people. And there will certainly occur a time of distress such as has not been made to occur since there came to be a nation until that time. And during that time your people will escape, every one who is found written down in the book.

1. In FFM, this is Universal conquest; Michael is used in context when vanquishing Satan; Gog will be the universal component of the King of the North:

(Ezekiel 38:15) And you will certainly come from your place, from the remotest parts of the north, you and many peoples with you... [The King of the North and all controlled by him; (Rev19:19-21); Gog "with no helper" as well; (Rev20:1-3)]

2. This is total Universal conquest of heavens and earth;

(Daniel 12:2) And there will be many of those asleep in the ground of dust who will wake up, these to indefinitely lasting life and those to reproaches and to indefinitely lasting abhorrence.

A projection to Revelation 11:15-18 resurrection amongst other prophecies foretelling this in the 1000 year reign of Christ's Kingdom;

(Daniel 12:3) “And the ones having insight will shine like the brightness of the expanse; and those who are bringing the many to righteousness, like the stars to time indefinite, even forever.

1. This is also an allusion to the final gathering glorification of the anointed in this finale period:

(Matthew 13:43) At that time (Jude 14) the righteous ones will shine as brightly as the sun in the kingdom of their Father.

(Daniel 12:4-6) “And as for you, O Daniel, make secret the words and seal up the book, until the time of the end. Many will rove about, and the true knowledge will become abundant.” And I saw, I Daniel, and, lo! there were two others standing, one on the bank here of the stream and the other on the bank there of the stream. Then one said to the man clothed with the linen, who was up above the waters of the stream: “How long will it be to the end of the wonderful things?”

Now the angel gives time periods that must have two fulfillments one at kingdom/temple birth/foundation, one at kingdom/temple completion and final conquest. (See [2])

B. The 1260 Days (Holy City Trampling Phase)

(Daniel 12:7) And I began to hear the man clothed with the linen, who was up above the waters of the stream, as he proceeded to raise his right hand and his left hand to the heavens and to swear by the One who is alive for time indefinite: “It will be for an appointed time, appointed times and a half. And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish.”
1. Parallels of 1260 Time Signature:

(Revelation 7:9-10) And he said to me: “These are the ones that come out of the great tribulation, and they have washed their robes and made them white in the blood of the Lamb. 11 That is why they are dressed in white robes, and we have finished their witnessing, the wild beast that ascends out of the abyss will make war with them and conquer them and kill them.

(Daniel 12:8) Now as for me, I heard, but I could not understand; so that I said: “O my lord, what will be the final part of these things?”

(Daniel 12:9) And he went on to say: “Go, Daniel, because the words are made secret and sealed up until the time of the end.

(Daniel 12:10) Many will cleanse themselves and whiten themselves and will be refined. And the wicked ones will certainly act wickedly, and no wicked ones at all will understand; but the ones having insight will understand. (Rev:1)

C. The 1290 Days - 144000 Temple Completion Phase

(Daniel 12:11) “And from the time that the constant feature has been removed and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days.

1. Parallels of “Court” Events Within this 1290 Day Period After the 1260 Days:

(Daniel 11:45) And he will plant his palatial tents between the grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

(Daniel 7:26) And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate him and to destroy him totally.

(Matthew 25:31-32) “When the Son of man arrives in his glory, and all the angels with him, then he will sit down on his glorious throne. 32 And all the nations will be gathered before him, and he will separate people one from another, just as a shepherd separates the sheep from the goats.

(Matthew 24:29-31) 29 “Immediately after the tribulation of those days (1260) the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. 30 And then the sign of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven with power and great glory. 31 And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones together from the four winds, from one extremity of the heavens to their other extremity.

(Revelation 6:12-14) And I saw when he opened the sixth seal, and a great earthquake occurred; and the sun became black as sackcloth of hair, and the entire moon became as blood, 13 and the stars of heaven fell to the earth, as when a fig tree shaken by a high wind casts its unripe figs. 14 And the heaven departed as a scroll that is rolled up, and every mountain and every island were removed from their places.

2. Note that in FFM, the word “temple” denotes all 144000 in completion at this time:

(Revelation 11:11-13) And after the three and a half days spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud, and their enemies beheld them. 13 And in that hour a great earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven.

(Revelation 11:19) And the temple sanctuary of God that is in heaven was opened, and the ark of his covenant was seen in his temple sanctuary. And there occurred lightnings and voices and thunders and an earthquake and a great hail.

(Revelation 14:14-20) ... another angel emerged from the temple sanctuary... And the one seated on the cloud thrust in his sickle on the earth, and the earth was reaped. 17 And still another angel emerged from the temple sanctuary that is in heaven, he, too, having a sharp sickle... And the angel thrust his sickle into the earth and gathered the vine of the earth, and he hurled it into the great winepress of the anger of God...

(Revelation 16:17-18) And the seventh one poured out his bowl upon the air. At this a loud voice issued out of the sanctuary from the throne, saying: “It has come to pass!” 18 And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great.

D. The 1335 days - After Armageddon "Great Crowd" Orientation

(Daniel 12:12) “Happy is the one who is keeping in expectation and who arrives at the one thousand three hundred and thirty-five days!

1. Parallel:

(Revelation 7:9-17) After these things I saw, and, lo! a great crowd, which no man was able to number, out of all nations and tribes and peoples and tongues, standing before the throne and before the Lamb, dressed in white robes; and there were palm branches in their hands. 10 And they keep on crying with a loud voice, saying: “Salvation we owe to our God, who is seated on the throne, and to the Lamb.” 11 And all the angels were standing around the throne and the elders and the four living creatures, and they fell upon their faces before the throne and worshiped God, 12 saying: “Amen! The blessing and the glory and the wisdom and the thanksgiving and the honor and the power and the strength be to our God forever and ever. Amen.” 13 And in response one of the elders said to me: “These who are dressed in the white robes, who are they and where did they come from?” 14 So right away I said to him: “My lord, you are the one that knows.” And he said to me: “These are the ones that come out of the great tribulation, and they have washed their robes and made them white in the blood of the Lamb. 15 That is why they are before the throne of God; and they are rendering him sacred service day and night in his temple; and the One seated on the throne will spread his tent over them. 16 They will hunger no more nor thirst anymore, neither will the sun beat down upon them nor any scorching heat, 17 because the Lamb, who is in the midst of the throne, will shepherd them, and will guide them to fountains of waters of life. And God will wipe out every tear from their eyes.”

(Daniel 12:13) “And as for you yourself, go toward the end; and you will rest, but you will stand up for your lot at the end of the days.”
Three Time Periods of Daniel and Revelation

1. The 1260 Day Period - Initial Fulfillment: 1914-1918
   A. This "time (1), times (2), and half a time (.5)" prophetic time signature corresponds to a "time" being a linear time measure that contains 360 units in the lunar year. Therefore this 3.5 times equals 1260 (3.5 times x 360 units) units which may represent years or days;
   B. This prophetic time signature is described as the Biblical "time, times, and half a time"; (3.5 times), "forty two months" (30 x 42 = 1260 days) and "one thousand two hundred and sixty days" (3.5 x 360). The "month" measure is a lunar month of 30 days; This can correspond to years or days in prophecy depending on context;
   C. With initial minor fulfillment completed and the final major fulfillment in the near future, these will all total the "seven times" of Bible prophecy in 2520 units; (7 x 360 = 2520);
   D. In the continuous 2520 years "seven times" there was no need to break down the "appointed times of the nations" into two fulfillments, it was a continuous "7 times" of year units from 607 BCE to 1914 CE in years, 2520 years;
   E. The replication of prophecy with an interim ministerial period breaking up the continuity is why these periods are described in 3.5 time segments, because they fulfill twice separated by a time period, not continuous; But after the final fulfillment periods elapse, this will equal also the spiritually perfect designated "seven times";

(Daniel 7:25-27) And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time. 26 And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate him and to destroy him totally. 27 "'And the kingdom and the rulership and the grandeur of the kingdoms under all the heavens were given to the people who are the holy ones of the Supreme One. Their kingdom is an indefinitely lasting kingdom, and all the rulerships will serve and obey even them."

Parallels:

(Daniel 12:7) And I began to hear the man clothed with the linen, who was up above the waters of the stream, as he proceeded to raise his right hand and his left hand to the heavens and to swear by the One who is alive for time indefinite:

Relation to "Appointed Times of the Nations";

References

"He will act effectively against the most fortified strongholds, along with a foreign god. Whoever has given him recognition he will make abound with glory, and he will actually make them rule among many; and the ground he will apportion out for a price." (Daniel 11:39) Trusting in his militaristic "foreign god," the king of the north acted most "effectively," proving to be a formidable military power in "the last days." (2 Timothy 3:1) Those who supported his ideology were rewarded with political, financial, and sometimes military support.

[2]

2. The 1290 Day Period - Initial Fulfillment: 1919-1922

(Daniel 12:11) "And from the time that the constant feature has been removed and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days.

3. The 1335 Day Period - Initial Fulfillment: 1922-1926

(Daniel 12:12) "Happy is the one who is keeping in expectation and who arrives at the one thousand three hundred and thirty-five days!"
but we all know Nazi's were Not Pro English

And he (Nazi Germany KN) will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they** will actually profane the sanctuary, the fortress, and remove the constant [feature]. “And they** will certainly put in place the disgusting thing that is causing desolation.

Nazi's were Not Pro English-Elite World Government Fans

1. But we all know Germany was not fond of Anglo governmental and financial slavery to the English elites through the League of Nations through the “Paris Peace Pipe”, and for no reason therefore, would Hitler or Germany endorse the “disgusting thing” UN that was yet to be placed in 1945, or be more willing to accept that elite forged yoke in that form far worse than the LON;
Then how could "they" place the DT?

2. The Germans of that time had NOTHING (directly) to do with the League of Nations/United Nations creation or promotions, therefore in WW2 would rather destroy the English spawned "disgusting thing" if power could be sustained, rather than "place" it in the world again as their master system to be in league with it as this scriptural interpretation of us JWs would imply;

Then why would "they" place the DT?

Then in no way can Nazi Germany be part of the "they" here:

31b And they will certainly put in place the disgusting thing that is causing desolation.

And that "they" above, is this "they" below of "King North" and the "arms that proceed from him", "him" being KN, "they" working in unison:

31a And there will be arms that will stand up, proceeding from him (KN); and they (KN and "arms") will actually profane the sanctuary...
So, we JWs should expect a heavy judgment soon, as the xGB is purged in the REAL temple cleansing of Daniel 8:11-14 traumatic “fire” of Zech 3:2, not this fake temple cleansing performed by the neo-papal xGB “neo-Inquisition” in the near future as God’s infallible “Faithful and Discreet Slave” frauds, but actually the fully manifested “man of lawlessness” IN “the temple of the God”; (2Thess2:3-12 in 2Cor11:13-15 mode of deceptions)

The anointed priesthood is also cleansed in this period as per Zech 3:

JWs, KNOW that a judgment is coming that will commence the full final cycle of all prophecies that fulfilled in the 1914-1918 and 1919-1922 temple foundation phase, in temple completion phase;

Fred Franz Files

Why The NWO Replaces the USSR in Daniel 11

Wrong Place at the Right Time

1. Frederick W. Franz went incapacitated and died at a critical point in modern political history as being tracked prophetically in Daniel 11’s King of the North progression of the Union of Soviet Socialist Republics (USSR); It was also a critical point in prophetic analysis based on that historical outcome;

2. The dissolution of the USSR made it inconsistent with certain features of Daniel's prophecy that must be present with the actual final King of the North as a planter of "palatial tents" and other successes leading to that finality; (Daniel 11:45)

3. Fred Franz and the USSR went incapacitated and died about the same time, 1991-1992; Therefore Fred Franz could not comment on these final USSR "King North" developments which no doubt would have affected the current interpretation at that time; The dissolution of the USSR and ending of the "Cold World War" added critical clues as to Russia's limited role as a national King North, with a national coalition in the USSR and it's prophetic limits;

4. The ending of the "Cold War" was also a critical event and cross roads for world government as a national or globalist based entity in human history for world rulership, as the utter failure and inability of the development of a mammoth national power system as a means to dominate the world became illustrated again in the USSR's fall as this article will show the significance of related to the Daniel 11 prophecy;

5. That Fred Franz could not comment on these significant developments in world history at full mental capacity, in fact at all as far as we know, is a critical feature of these crucial developments being ignored today still, twenty years later, by Jehovah's Witnesses "Governing Body" lead administration as they pertain to important prophecy since 1990;

Geico Body Cave Dwellers

It is like the Governing Body of Jehovah's Witnesses lives in a 1990 cave on purpose, as if they never have read Daniel 11 again since 1990 and the fall of the Soviet Union; It is like they are purposely prophetically "brain dead"; We may ask why? And in fact the Daniel 11 prophecy answers the question;

CSI: Earth - King North Daniel Forensics

1. The dissolution of the USSR and the implied loss of the "Cold War" provided key clues in that "failure" noted in Daniel 11 generically and specifically, that logically and historically updates the meaning of all the national "King North's" in Daniel's prophecy as one set of failures (Dan11:27)

2. It also answers why, in part, the USSR and or the others do not progress successfully, but in principle, much past Daniel 11:27 in any real finality of fulfillment, in this noted portion of the prophecy;

3. The USSR is one that "will not succeed" seen in hindsight since 1991, and why he (and others) have failed is noted in part:

(Daniel 11:27) “And as regards these two kings, their heart will be inclined to doing what is bad, and at one table a lie is what they will keep speaking. But nothing will succeed, because [the] end is yet for the time appointed.

Birds of a Feather

1. But there are general commonalities here that do apply; All these kings have a common inclination towards "badness", a common "table" and a common "lie" and a common failure as "nothing succeeds"; Nationalism fails as a means to rule the world noted here, seen in hindsight as compared to the prophetic progress (and success noted) of globalist world government; ("the king"; Dan11:36)

2. That verifiable dynamic is also shown now more clearly in the prophecy to be a final globalist King of the North by various unique clues that cannot apply to indebted and limited national powers, but requires their orchestration in a multi-national array of power controlled by one locus of "power and authority" beyond their national scope of power and intelligence; (Rev17:11-17)

3. That implied comparative failure, in fact sums up every national power struggle between national rulerships attempting to broadcast sovereign power beyond their own national borders successfully to eventual world domination; It won't happen because it is yet for the end time for one, and these single nations and coalitions are too limited in resources and insight as history proves time and time again;

4. But the prophecy provides the logical comparative framework of prophetic sustainable "success", a requirement that will emerge with one able to meet it, according to prophecy and globalist international power (8th King) that will utilize many nations to reach a globalist world rulership objective successfully to the end; Daniel 11:30, 11:36, 11:39, 11:43;

The signal attribute to determine ultimate King North is success or failure in the end time progression with a final sustainability by that final king;

1. No national based "King North" has ever sustained this success, and neither did the USSR, thus the USSR cannot be applied to these sustained final successes of the Daniel 11 prophecy - but he may apply in principle momentarily by his intent and temporary effectiveness;
2. The final globalist King North will on the other hand, be sustained in successes as shown in prophecy in a number of places; (Including Daniel 8:23-25 which is a globalist world power, NOT the national Anglo-American system, for reasons covered in this analysis;)

Some Final Success Stories National King North Does Not Sustain

Globalist KN Success 1

(Daniel 11:30) "And he will actually go back and hurl denunciations against the holy covenant and act effectively";

Ultimately Nazi Germany and the USSR had no effect on the holy covenant, and even their limited effectiveness is debatable; They made JWs grow in fact, and fulfilled prophecy furthering that growth;

Globalist KN Success 2

(Daniel 11:36a) "the king will actually do according to his own will";

The definitive clue that the USSR is summed up in prophecy in the collective national failure of Daniel 11:27 "nothing will succeed", albeit with great world power inertia, is that the final globalist King North is successful to the very end;

And that success proceeds after the fall of the USSR who did not even enter the "time of the end" of the "last days", and this is the greatest clue as to the longevity of the final King of the North precluding all national powers who by now lack resourceful consolidative power required, eliminating all potential power players here, but ascendant globalist power;

Globalist KN Success 3

(Daniel 11:36b) "And he will certainly prove successful until the denunciation will have come to a finish";

No national King North ever was the apex fulfillment of this scripture, but globalist King North will be:

Globalist KN Success 4

(Daniel 11:39) "And he will act effectively against the most fortified strongholds";

Bankrupted USSR and Russia certainly were not enthroned on the rulership of all earthly wealth even capturing the "King South" domain of "Egypt" treasures:

Globalist KN Success 5

(Daniel 11:43) And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt.

USSSR Not the Final King of the North Well Before Even Daniel 11:36

1. The USSR was now defined as part of that collective national and national-coalition failures, part of the "nothing will succeed" from WW1 to Cold War;

2. That failure of Communism/Socialist theory applied to national governmental and social systems disqualifies the USSR and Russia from the finality of the prophecy due to that manifest complete ideological failure;

3. Though the USSR national "King North" can apply in principle, it is not sustained successfully as the prophecy requires for final fulfillment as the globalist King North (8th King system) is accomplishing NOW and will complete as per prophecy; The USSR was just a national "King North" tool of the ultimate globalist King North for ultimate globalist objectives;

4. The national "King of the North" USSR (and the rest of the national powers) do not "act effectively" in any sustainable way; They are NOT the final fulfillment of these scriptures, even if they applied temporarily in principle; (Daniel 11:30, 11:36, 11:39, 11:43)

5. This failure of the succession of national "King North"s from WW1 (Germany under Kaiser Wilhelm) to WW2 (Nazi Germany) through Cold War (USSR) was "because" the "end is yet for the time appointed" and strategic/resource limitations;

6. This means that none of those national Kings North as manifested through that approximately 60 year period from 1914 actually entered the "time of the end" of the "last days" as this is a complete end period that does have an active "King of the North" and he is a globalist power development;

7. The Daniel "time of the end" is not all of the "last days", but the end of them; All these national kings participated in only "last days" in the "Lord's Day" since 1914 of Rev 1:10, yet before the "time of the end"; The USSR is included in these verse 27 failures in the Daniel 11 prophecy and never did enter the "time of the end" of the "last days" which is another signal feature removing the USSR from final fulfillment possibility of Daniel 11:28-36;

8. Other prophetic clues compared to the history of this USSR final failure provide several other Daniel 11 provided identifiers of the final apex "King North" that prove the USSR is not delineated in Daniel 11 in any finality other than just a generic national "King North" that fails;

9. The Russian King North does not play a prominent role in the prophecy as his own "over-rated" presence seemed to dictate in the 1958 to current JW "understanding" where he is the star to verse 43; But the hindsight fact is, the USSR does not make it past verse 27 but in principle, and that one that does not sustain success;

10. The USSR does not apply in any finality to Daniel 11:30, 11:36, 11:39, and 11:43; In fact then, the USSR cannot apply to anything relating to final apex, currently operative globalist King North. Like Nazi Germany, the USSR just adds to the "world war" puppet show diversions and intrigues as a national King North puppet tool and destructive "bogeyman" to what is really going on in the world power globalist game;

Globalist King North Master of Puppets
1. Daniel 11:27-45 will be in final fulfillment primarily applied to the globalist King North control of both the national "King North" and "King South" puppet show "players" for world distraction as the apex "king" of all human history, the finale;

2. Even "King South" becomes a subservient feminine symbol by Daniel 11:43:

(Daniel 11:42) And he will keep thrusting out his hand against the lands; and as regards the land of Egypt (King South domain), she will not prove to be an escapee.

3. Another national, religious or ideological "King North" can still be utilized by the globalist powers, but it will be only illusory "bogey man" sucker's bait given power; No national power could ever out compete the globalist Global NATO 50% plus global war potential;

Daniel 11:27 is a Key Scripture to Understand a Key Paradigm Shift to Globalism in this Prophecy

1. This prophetic segway is defining a crucial new paradigmatic view of consolidative globalism versus divided nationalism that Fred Franz was not able to elucidate, and for reasons to be discussed here, this crucial paradigmatic understanding still eludes JWs.

2. To understand this final section of Daniel 11, one has to view this with both nationalistic King North puppets and histories in mind and the globalist King North puppet master and his history in mind;

3. In time the King North "Puppet Master" must take over the whole show at the appointed time of the end;

(Daniel 11:27) “And as regards these two kings, their heart will be inclined to doing what is bad, and at one table a lie is what they will keep speaking. But nothing will succeed, because the end is yet for the time appointed.

Similar Attitudes

1. Both "national versus national", and globalist influencing and controlling national "king" "badness" can be shown in history and prophecy in this statement;

"And as regards these two kings, their heart will be inclined to doing what is bad, and at one table a lie is what they will keep speaking."

2. There is a common "badness" in all parties this can be applied to as nationalistic or globalist entities;

3. There is a common earthly "table" that applies to the aspirations of all powers that have gone to war in any form to expand territory to the limitations of their power; Globalism is attempting to use all nations to achieve it's own "table" of final world control;

4. They all speak the same "lie" and have the same related "one thought"; (Rev17:11-17) and that is a sovereign world rulership preservation and expansion whether of nationalist or globalist mindset acquired and maintained by any means possible;

Globalism Becoming

1. Globalism is a powerful theory of power logic and operations that can be applied to everything that defines national "power and authority", like finance, government and military, but applied to globalist international focused power reality, rather than internal national resource management; (Rev17:12-18)

2. This is applied by complex progressive domination by superior insight, resources and computer/satellite aided intelligence power with an effective formulaic application of consolidation principles consistently over time; (Dan8:23-25)

3. Yet from WW1 to Cold War, through three national "kings" of the "north", even the globalist "King of the North" in progressive power consolidation does not fully realize his objective until the appointed time of the end;

4. Nothing succeeds in the interim until the finality of their kingdom power apexes in the near future; Yet the globalist power is never an utter complete failure, it is always growing in power for the next phase (Dan8:23-25)

5. But nothing will succeed in the meantime nationally, because the end is yet for the time appointed, based on sustained successes of globalist power consistently, and the natural decline of national power due to these dynamics bent to globalist consolidation of resources;

Master of Illusion

1. Therefore the actual historic truth is that no national power, "King North" or otherwise, becomes financially actually rich from war. All the national powers end up with war debt and usually reparations debt as well that is shifted to the masses and takes years to "pay off";

2. That is how globalists use national powers against themselves by limited understanding of the real world rulership objective and the source of the big financing center that funds both sides of the war, to profit from both sides industries, while administering incredible debt in the aftermath;

KaChing North

1. These "resources" or "goods" must end up, and have ended up in the globalist progressive power camp in a progressively expanding and consolidative fashion over time:

(Daniel 11: 28) “And he will go back to his land with a great amount of goods, and his heart will be against the holy covenant. And he will act effectively and certainly go back to his land.

2. The one who pocketed 250 billion dollars in established industrial capital and actual profits in WW1, and 5 trillion in WW2 and 40 trillion in the Cold War was the globalist King North forming above the shells of divided nationalism during this entire period to the end of the Cold War;
This next scripture could apply to WW1 in principle, but in a fuller sense it is the climax of a whole developmental period starting with WW1 and ending at the Cold War end, as will be shown:

(Daniel 11:29) “At the time appointed he will go back, and he will actually come against the south; but it will not prove to be at the last the same as at the first.

A Significant Evolution in Globalist Ascension upon National Decline

1. But in fact WW1, in hindsight, was an engineered and planned commencement of a progression to Cold War, not a random event as is commonly taught and imagined;

The Cold War conclusion was the signal decline of national power in principle and the signal ascendency of the "New World Order" globalization upon that dynamic vacuum of power.

2. The globalist self-made and self-appointed "victors" placed their "disgusting thing" (DT) in spirit and principle as well in 1991 in NWO style, affirming a triumph of the United Nations concept and principles; This implied victory was by the USSR catastrophic failure marked in implied triumph by the DT-NWO public world proclamation "placement" after this "cold world war" conflict was resolved in the Cold War ending;

(That is a common world war "problem" to eventual finale globalist world governmental "solution" presentation to the world formula;)

3. That was "different than the first time" of any previous war cycle; It certainly did not "prove to be at the last the same as at the first" in this drawn out progression to a sub-climactic "fade out" ending of the Cold War.

Also hugely significant was an actual symbolic rise of globalization "image" as a victor for the first time, not just a global UN government forum as in 1945; Russia conveniently surrendered to the UN by joining it; The NWO showed up in Berlin with jackhammers and champagne to "tear down the wall!", the Berlin Wall came crashing down as the curtain of the great puppet show ending;

4. Much more was being said and done there than meets the eye or ear, and that is partly due to no significant actual JW commentary on this significant development; It was to the Governing Body as if nothing at all happened prophetically, while they promoted the same "new world order" mantra in the Watchtower and Awake! for 10 years on the public record promoting the "new world order" with George Bush Sr., honorary GB;

Some Key Differences from "First" Time to "Last "Time

1. The very nature of the Cold War itself was different than the beginning of the world war process of intense hot warfare as in WW1 and WW2;

2. The Cold War had periods of scattered "hot wars", but the overt declaration or identification of "world war" was not present but implied;

3. The Cold War was extended for many years longer than both world wars combined, with far less intensity of application over that period;

4. The "Cold War" birthed a new kind of "disgusting thing" (DT) manifestation as the "new world order" (NWO) a new globalist ethereal mantra of grandiosity; Not clearly understood it is true, but significant then and now for anyone researching the objective and other details surrounding this false prophecy as proclaimed by it's "prophets" as a "dream" and "objective";

5. Globalism itself entered a new era of global operations and apex power formation also not clearly seen by the world, but in operation none the less;

Globalism is Also What is Totally Different

1. The climax awareness is the pre-birth of proclaimed "New World Order" with globalization as the worldwide "life blood" presented through unique globalist orchestration of world war and it's resolution;

That is the greatest feature of globalist actual ascendant power being recognized (by some) behind all world wars and how it did "not prove to be at the last the same as at the first", even in understanding this reality behind world war;

2. For those paying attention to the prophecy of Daniel from God that was a key difference in realization of the true world "locus of power" being an actual globalist engineered system, not some "conspiracy", but an actual world governmental power in formation; For those also paying attention to the development of geo-political current affairs after this event, globalism is the basis of the United Nations development efforts, but that must have an effect on the actual way national powers are ruled above their own nations;

Meaning the 17 acre "image" of the "wildbeast" United Nations is not the only part of an actual worldwide power system that is forming upon 200 national powers in a multi-national unified array for world rulership;

3. Globalization is the heart and body of a new world order, not nationalism, which is just a piece in the globalist puzzle;

That is a key understanding also shown in this critical point in Daniel's prophecy, where the USSR no longer applies, but NWO globalist King North does apply fully, from Daniel 11:36 forward, and in climax final fulfillment of the principle features of Daniel 11:27-32 as applied to globalist King North, not the USSR that failed before the "time of the end";

In effect JWs need to swap the USSR out, and put the NWO in to that final Daniel 11 progression;

4. The "last" of that world war cycle for this phase before the "time of the end" (to 1991), "hot" or "cold", was indeed completely different than the beginnings and pretext objectives of any world war cycle previous to this event or in national limited wars before World War 1, or in the two world wars that followed;

5. The "cold war" was the more significant unique war application and globalist actual objective of fast-tracked nuclear, weapons, missile, satellite and computer advanced technological development, among other globalist applied emergent systems maturing and expanding in this period after WW2;
6. Even the presentation of the "disgusting thing" (DT) was unique as a false-prophetic proclamation of the "False-Prophet's" main mantra of the "new world order" prophecy; "the dream of a new world order"; George Bush Sr. (9/11/1990)

7. Globalism as a world theory of rulership also became better known after this 1991 period of "new world order" campaigning initiated by George Bush Sr., before the U.S. Congress on September 11th, 1990;

The Scripted Obligatory "Dejection"

(Daniel 11:30a) And there will certainly come against him the ships of Kittim, and he will have to become dejected.

That "dejection" was and is a standard part of the world war show (all of them in principle), as well as the resistance of nationalistic powers who were not willing or able to be dominated fully by globalist sovereign control yet. (Revelation 17:12-17 shows the eventual transfer of sovereignty to globalist powers)

For national significance, in hindsight, the national King North "puppet" always goes down, as the Anglo-American national world power King South "puppet" always arises victorious along with the globalist "image" it is connected to in the presentation of the League of Nations (1919) and the United Nations (1945) and the "New World Order"; (1991) (Obviously, the UN-NWO fell off the JW radar very conveniently in 1991)

In hindsight, this is all part of the standard WW script; "Dejection", or defeat of the national "King of the North" (nKN) is a required element of the globalist victory formula to present the principally triumphant or newly applicable globalist world government "solution" as the "only hope for mankind" and "Kingdom of God on earth" in the most appealing and complimentary victorious light possible;

This globalist "world peace" "solution" all just happens to come around, 3 times now, after a great engineered world war "problem" desolation and conflict is conveniently concluded for this very effect; Create the horrible "problem" for which the beautiful "solution" is ready to be presented next to "save the day", or take credit for the victory;

This process is obviously, in hindsight now, all formulaic, the predictable intended climax for "image of the wildbeast" positive presentation which is engineered and presented by elements in the globalist King North (gKN) formative power system, namely the Two-Horn-Wildbeast as globalist elite engineers of this whole "war and peace" process and blasphemous "peace product" presentation on the massive yet globalist contrived world stage show;

Multiple Applications by Principle to Pinnacle Fulfillment

1. This updated interpretation still honors the previous JW interpretation as applied to WW1's "dejection" of the nKN, and WW2 had a similar "dejection"; The same principle always applies in an obligatory formula such as Daniel is exposing from God; What changes is the "ships", if one rendered them literally; But the "ships" and "Kittim" are symbolic; Yet that still honors the condition of WW1's nKN "dejection"; Yet applies to the successive global wars (hot and cold) as well;

2. The "ships of Kittim" is a symbology of many "vessels" of nationalism that are thrown against the national "King of the North" to produce this engineered "dejection" over time, for the above noted effect of birthing world government as a highly desirable means of "world peace and security" AFTER the convenient war cycle and the concluding "dejection";

3. So that honors the previous JW interpretation and still leads to a climax fulfillment anti-type that must take it all further, all the way to and through the "time of the end"; (Daniel 11:36)

4. WW2 and Cold War also had "holy covenant" "denunciators", "profanation" attempts (Nazi and Soviet infiltrators in the JW org) and obstructive attacks on Jehovah's "fortress" (organization) and "constant feature" (ministry) in all theaters of nKN influence in WW2 and Cold War;

5. This shows this is a formulaic principle of these operations regardless of context, but these WW2 and Cold War events were not the final fulfillment; Yet these can still be applied to this prophetic description, but not to the full - BUT that did come as will be shown more here;

6. None of the former operations (1914-1945) had an ongoing success of true "effectiveness" which is needed in the prophetic feature to a recognized apex of fulfillment; (Dan8:23-25 has the same principle of a similar development)

7. In 1991 there was a sustained "effectiveness" of DT "placement" that manifested in a dual significance, in two different "places" of the same DT manifestation, a huge prophetic signal that can be demonstrated. This globalist profanation "success" will continue all the way to Daniel 8:11-14 removal of this effect; That is how successful this is, and why it is the final fulfillment of this scripture as will be described here;

Great Dual Significance

The greatest significance of this period is the parallel dubious performance of the WTBTS along with this world manifestation of the "disgusting thing"; in NWO form, at the end of this Daniel 11:30-32 description and prophecy;

All the "kings" are against the "holy covenant", so WW2 and Cold War nKN are not the apex final fulfillment; But one does become the climactic apex in time and it was manifesting before this time of public and private revelation as well in 1991; The apex enemy of the "holy covenant" is globalist King North (8th King + 2HWB globalists) it's most formidable rival for the rulership of the earth by God's Messianic Kingdom; (Rev 11:7; 13:7)

Though of no account as a threat to God's Kingdom power in reality, globalist King North is the main engineer of the "disgusting thing" as a defiant "world peace idol" and an actual multi-national globalist unification against God's Messianic Kingdom sovereign power;

That globalist King is the one with the most significant denunciations against God himself by collective and authoritative effect; That globalist King is the one with the most significant comprehensive collective power forming to climax; That globalist King is the one with the most significant effective affects upon Jehovah's witnesses even now in covert fashion manifesting to undeniable;

(Daniel 11:30b) "And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant."

Clues of Greater Significance

1. This period transpires from after WW1 and after the rejection of Christendom in 1919 as part of the "holy covenant" even in former JW interpretation; These
intrigues noted in verse 30b begin to develop after the first attack on the "holy covenant" and the "holy ones" after the 1914-1918 period of attack;

2. Therefore these leaving the "holy covenant", that the gKN "gives consideration to" are in the "holy covenant" after 1919 as described here, which cannot be Christendom any longer by this time; What they actually are is former Jehovah's witnesses who turned infiltrator traitor to work internally in the JW worldwide organization from unknown periods after WW1, through WW2, to manifest more clearly and brazenly later; (Zech3: 2Thess2:3-12)

3. The other clue that this has greater globalist significance than Nazi Germany and Christendom as is currently interpreted by JWs, is that this King North is the driving force of the "disgusting thing" (DT) itself in this verses 30-32 sequence;

4. This King North initiates the progression that results in the DT placement again; Neither Nazi Germany, the USSR or any King North national power is the main engineer of the DT; They all fight the King South DT national champion Anglo-Americans; This King North is ultimately a King North who is involved with the origination, developmental engineering and various placements of the DT such as this one;

5. This King North is globalist world power actually at work since even WW1, to accomplish this "world government" feat, presented after each successive world conflict from WW1, to WW2, to the Cold War in one form or another;

**Double Whammy**

The greatest final application of what follows below is all applied to globalist King North resources and planning to an action of global significance in the world system, and in the JW organization progressively to a key signal climax;

(Daniel 11:31a) And there will be arms that will stand up, proceeding from him;

Those "arms" have stood up in the JW organization in spiritual warfare from way back, but manifested in time; They are why none of this information is being examined as regards the USSR inability to fulfill this prophecy after the downfall of that symbolic national King of the North and other implications covered in this report;

These "arms" are in spiritual war, proceeding from globalist King North:

(Ephesians 6:12-13) we have a wrestling, not against blood and flesh, but against the governments, against the authorities, against the world rulers of this darkness, against the wicked spirit forces in the heavenly places. 13 On this account take up the complete suit of armor from God

With dubious negative effects in time progressively to the climax signal result:

(Daniel 11:31b) and they will actually profane the sanctuary, the fortress, and remove the constant feature.

This is the "befouled" (Zech3:3) internal effect these "transgressors" (Dan8:11-14) have progressively had on the JW organization since this operation began to manifest more and more features of sins originating from within the JW system itself; "In the temple of the God"; (2Thess2:3-12 in 2Cor11:13-15 steal "transformation")

The temple now has a "man of lawlessness" forming to a full revealing from this infiltration, as this evidence points to as well; Currently this group is in a masterful infiltrative "transformation" as "ministers of righteousness" recycling JW minutia and playing the part of a "GB"; (2Cor11:13-15)

The organizational "fortress" by now is compromised with these operators and corruptions as well, and that effects the overall JW "sacrifice" being polluted in more compounding ways manifesting after the UN/NGO relationship. We are talking over 100 anomalies easily compounding since 1991;

That WTBTS UNNGO Department of Public Information (DPI) relationship was the pinnacle "adukterous" transgression, because it mirrored globalist DT proclamation in the JW temple system of the DT "new world order" campaigning that was ALSO manifesting in the world system in the 1991 "stand" of the "False Prophet" parallel ing it in the WTBTS writings, as if planned; (It was planned, that is what a UN-DPI agent does, provide public information about the UN to it's demographic globally unique audience)

**Temple DT Idol Placed**

1. Thusly this has a significant and officially sanctioned placement in the WTBTS and the JW temple system publicly now from it's own "Governing Body of Jehovah's Witnesses" adjunct UN "ad agency" services in covert to overt fashion:

(Daniel 11:31c) “And they will certainly put in place the disgusting thing that is causing desolation.

2. The rogue xGB members behind this did place the "disgusting thing" in the JW temple at this time of 1991 by official sanction which became world news and active scandalous reproach ongoing in 2001 (10/6/2001) approximately timed with the 911 WTC events, as this UN/NGO/DPI relationship spontaneously was "exposed";

**U.N. Henschel Baby**

This was all carried out as Fred Franz went incapacitated and died; From that point forward, no comment whatsoever has materialized in print from the Governing Body of Jehovah's Witnesses upon very obvious features of the prophecy that can no longer be finally applied to the USSR and Russia in the capacity of any truly significant King of the North manifestation;

**Sleight of Hand**

1. But there is a greatly significant globalist King of the North manifestation in progress NOW and yet to form to worldwide apex in this prophecy that can only apply to globalist King North after the USSR national "King North" went down;

2. Thereby globalist King North himself, and other clues are also missed in the misapplication of this prophecy to the USSR in final fulfillment and the resistance and apparent lack of Biblical attention to adjusting this huge oversight by continued JW "sideshow distractions" from the xGB;

3. And that being for 20 years, a development that would not have occurred had Fred Franz been able to comment on these prophetic developments in light of the USSR's final collapse as retired national King North puppet, rather than Milton henschel, the globalist stooge, running the place into coma, continued by Gerrit Loesch's and globalist Co. in purposeful continuation of JW coma for future coup on the JWs;

4. And as we see developmental inconsistencies here, the Governing Body still fails to update the obvious problems that the fall of the USSR created as applied to
Daniel 11:36 forward. This also affects the final fulfillment applicability of Daniel 11:27-35 which neither Nazi Germany or the USSR as national King North manifestations could fulfill in a sustained manner of success.

Globalist Operations Continue

The globalist King North has fulfilled this section of prophecy, and must continue all the way to the finality of the judgment to come in time; (Dan11:36b; Dan8:11-14), all the way even into the JW temple system, as the infiltration is obviously now affecting all Jehovah's witnesses prophetic awareness by outdated errors that could be fixed by careful examination of historical developments since 1990;

That is how successful this globalist King North effects on the truth have become, a temple cleansing is what must result from this dangerous seizure of the JW "established place" by these transgressors within the JW top hierarchies from the Governing Body across the JW system; (Dan8:11-14)

No one could just accidentally overlook these developments for 20 years, with timed anomalies that parallel huge globalist world events in 1991 and 2001;

And Daniel by divine inspiration informs us after this event, the infiltration would expand and continue to grow, even as some JWs went prophetically comatose in 1990 levels of erred understanding in regard to Daniel 8 and 11, the truth would come out in time (with a judgment; 1Pet4:17; Dan8:14);

Irreversible

But as noted this scriptural application takes place all the way to the "time appointed" "time of the end" which is the finality of the whole sequence and links all this to Daniel 8:11-25 "transgressors" as well:

(Daniel 11:32) “And those who are acting wickedly against the covenant, he will lead into apostasy by means of smooth words. But as regards the people who are knowing their God, they will prevail and act effectively.

As was shown in principle in the case of Nazi Germany and the USSR, the effects of this stumbling can apply to any "harassment" period, in the fulfillment of this prophecy in minor or major final form and in principle; (Dan7:25) Some of the final effects described partially in this prophecy will be seen in the "trampling" of the "established place thrown down" in disciplinarian actions from God as per Daniel 8:11-14 when Jehovah requires the foretold accounting of this "transgression causing desolation";

This Segway is a Continuum

So this has multiple valid application and a final cycle:

(Daniel 11:33) And as regards those having insight among the people, they will impart understanding to the many. And they will certainly be made to stumble by sword and by flame, by captivity and by plundering, for some days.

And more questionable infiltrator "growth" will continue:

(Daniel 11:34) But when they are made to stumble they will be helped with a little help; and many will certainly join themselves to them by means of smoothness.

But a refining results and this is a continuum through to the "time of the end";

(Daniel 11:35) And some of those having insight will be made to stumble, in order to do a refining work because of them and to do a cleansing and to do a whitening, until the time of the end; because it is yet for the time appointed.

That is where this sequence takes a clean break to globalist fulfillment;

==================

Without Fred Franz JWs Fail to Make This New Truth Known from 1991 Incept to Today

Since Fred Franz died in this period as well, this has not been noted by any updated JW prophetic exposition since 1958-1991 saw the USSR in progress to a then unknown outcome until final failure;

Why?

Instead, the WTBTS became an adjunct promotional for the "new world order" proclamation of the "False-Prophet" and the UN disgusting thing, which is a term that appeared over 70 times in the Watchtower and Awake! of the 1991 to 2001 period of worldwide promotional services for the "new world order";

===

Globalism as a world theory of rulership also became known after this 1991 period in "new world order campaigning"; In fact, the WTBTS also went public with this proclamation; Not exposing the prophetic meaning, but by being public information agents in the United Nations Non-Governmental Organizations, as Department of Public Information adjunct promotional advertising agents by subtle means for 10 years from 1991 to 2001, referring to the "new world order" 79 times in those ten years in the Watchtower and Awake! magazines;

That "NWO" began to be formalized in 1914 in union (two-horn-wildbeast) and operations (finance and world war) and global governmental "image" presentation as the League of Nations after WW1 and the United Nations after WW2 and the False-Prophet mantra "New World Order" after the Cold War;

Now it is in the WTBTS "temple"; ([Daniel 8:11-14 MUST resolve this soon])
At Daniel 11:36, verse 36 there is the definitive prophetic removal of the USSR from fulfilling this scripture:

(Daniel 11:36) “And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful UNTIL [the] denunciation will have come to a FINISH..."

KEY: Russia or the USSR did not "certainly prove successful until the denunciation will have come to a finish";

In fact they never reached the denunciation which STARTS with the judgment of God's house FIRST:

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God. Now if it starts first with us, what will the end be of those who are not obedient to the good news of God?

And as Peter under inspiration implies the signal denunciation of God's house is followed by the completion of the judgment on BTG, the world, and the final 8th King ascendant world power and all his and Gog's crew; (Rev19:19-21; 20:1-3; Eze38-39; Dan11:44-45)

TRUTH:
Fred Franz had he lived and was not incapacitated while this unfolded in prophecy would have noted the USSR could not fulfill Daniel 11:36;

If the USSR could not fulfill verse 36, it could not fulfill anything afterwards either, the USSR was just another failure summed up here:

(Daniel 11:27) But NOTHING WILL SUCCEED, because the end is yet for the time appointed.

The USSR did not even enter the "time of the end" of the "last days", because they mark the end time; the "last days" of the "last days" are marked by Russia's USSR fall;

UN-NWO Disgusting Thing Stands (1) - 1990

This is because the "disgusting thing" high priests stood up as the "False-Prophet" and uttered their triumphant entry mantra "the dream of a new world order" main false-prophecy as George Bush Sr's "5th Objective" before the US Congress on September 11th 1990;

George Bush Sr. 9/11/1990: Address Before a Joint Session of the Congress -

We stand today at a unique... moment.... Out of these troubled times, our fifth objective -- a new world order -- can emerge: a new era... Today that new world is struggling to be born, a world quite different from the one we've known... This is the first assault (Iraq Kuwait Invasion) on the new world that we seek, the first test of our mettle. (Gulf War)... in defense of principle and the dream of a new world order.

Update Obviously Needed

Now obviously Jehovah's witnesses have not been officially updated on this obvious revision to Daniel 11:27-45, because the DT we see in the UN/NWO surrender of the USSR, and Russia joining the UN by 1991 was not able to be commented on by Brother Fred Franz; (The DT's FIRST implied victory stand, not just a UN forum of "hope", but the Victor of the Cold War - very significant!!!!!!)

GB Speaks

But the Governing Body and the WTBTS did make an announcement, and rather than expose the UN/NWO meaning in Daniel 11:30-32, they joined in the promotions of the "new world order", as per prophecy in v. 30-32 with 79 quotes and references in 10 years (1991-2001) as the UN/NGO Department of Public Information spreaders, adjunct "ad agency" for the UN DT "NWO" mantra and objectives;

Rather than expose it, in The Watchtower and Awake!'s massive global distribution, they joined the NWO "False-Prophet's" proclamation;
And still, they play dumb, because we no longer have brothers in the GB, but those who leave the "holy covenant" in Daniel 11:30-32, which leads to this simultaneous parallel stand of the DT in world history known by all:

UN-NWO Disgusting Thing Stands (2) in JW Temple by GB Sanction - 1991

===

TRUTH:
Fred Franz would not have let this slip in;

This leads to the full "denunciation will have come to a finish" in Daniel 8:11-14, and another update of prophetic meaning to come forth in Daniel 8:11-25; (Also conveniently covered by the rogue xGB) See [1]

===

So from the fullest final fulfillment meaning, the NWO swaps in at Daniel 11:28 and continues the trek of prophecy of what was formerly mistakenly believed to be fulfilled by the USSR (or Nazi Germany; just another failure of Dan11:27);

The USSR is barely mentioned in Daniel 11, just a part of "nothing will succeed"; that is the container of the USSR national King North = Just Another Failure based on Nationalism;

The REAL "King of the North" is globalist 8thKing+globalist-2Horn-Wildbeast, as all apex globalist power on earth, the full 8th King super-system (FULL bodied "scarlet wildbeast"; Rev17:3, 11-17) to come soon, as another final world power, King number 8, as also shown in the "King of Fierce Countenance" as well; (Dan8:23-25) The FINAL Kingdom of Adamic Mankind;

The judgment on the JW temple; (Zech3; Dan8:11-14), will lead to this awareness fully, will be traumatic, will lead to a cleansing and to the final fulfillment 7 times (2nd 1260 days = 2520 days) of the 2witnesses as Rev8-11 has a final cycle; (Rev11:2-3 will repeat to ACTUAL Kingdom and Temple completion; Rev11:15-19; Rev11:11-12)

And that's all she wrote;

If the rogue GB was legit, they would have pointed this out in 1991, rather than "place the disgusting thing that is causing desolation" which is the "transgression that causes desolation" in the JW temple as apostate globalist adjunct operatives;

(Daniel 11:30-32) “And he (globalist KN; (gKN)) will actually go back and hurl denunciations against the holy covenant and act effectively; and (gKN) will have to go back and will give consideration to those leaving the holy covenant [in the WTBTS], 31 And there will be arms that will stand up (spiritual warfare), proceeding from (gKN); and they (gKN and traitors) will actually profane the sanctuary (by UN/NGO), the fortress (Org), and remove the constant feature. (Pollute JW sacrifices)

“And they (gKN and traitors) will certainly put in place the disgusting thing (UN in NWO mode) that is causing desolation. (And that parallels the desolation transgression of Dan8:11-14)

32 “And those who are acting wickedly against the covenant (more WT traitors), (gKN) will lead into apostasy by means of smooth words.

And THAT is still going on in the WTBTS until Zech3/Dan8:11 clean out the "men of lawlessness” SOON; (Zech3:4; 2Thess2:3-12)

GUARANTEED; (Isa66:6)

Daniel 11:27-45 Foretells JW Infiltration

This will show how an infiltration has been prophesied which developed AFTER WW1.

1. Though this has fulfilled with [national] kings north (N-KN) and south (KS), this commentary focuses on [globalist] King North (G-KN) operating in the 2Horn-wildbeast (2HWB (Rev13:11)) main engineers of the "scarlet wildbeast" 8th King (SW8K)"disgusting thing" (DT) as it developed from League of Nations (LN) to United Nations (UN) identity (Rev13:11-15); (globalist KingNorth = 2HWB + SW8K globalists)

2. A point is this prophecy has a progression with [national] significance, at the same time [globalist] significant operations are revealed which lead to a [globalist] finale King of the North (GKN) by Daniel 11:40-45 fully manifest now and progressing in power on the world scene;

3. This is a [globalist paradigm] commentary on infiltration of Jehovah witnesses organization since after WW1 (1919+);
(Daniel 11:30-32)

Infil-traitors:

"And he (GKN) will actually go back (after WW1) and hurl denunciations against the holy covenant (Jehovah's anointed (JA)) and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant.

[A point is here, the GKN already had Christendom in it's pocket as puppets; This "will give consideration to those leaving the holy covenant" was concentrated on Jehovah's witnesses (then International Bible Students Association members of professed JA)

Manifested Globalist King North Objective Completed:

31 And there will be arms that will stand up (spiritual warfare in this covert action), proceeding from him (GKN); and they (with infiltration in JWs) will actually profane the sanctuary (1991), the fortress (JW Org), and remove the constant feature (Pollute the top level ministry (GB)). “And they will certainly put in place the disgusting thing that is causing desolation. (UN-NGO-DPI affair)

And more Infil-traitors: Now that the apostasy is in place, "aids" can be positioned as agents;

32 "And those who are acting wickedly against the covenant, he will lead into apostasy by means of smooth words. But as regards the people who are knowing their God, they will prevail and act effectively;

See how apostate traitors and potential agents are mentioned before AND after the "disgusting thing" injection? In this case covert and secretive, before and after the main action (1991) under Milton Henschel;

Well, yes, that had a fulfillment in Christendom and WW2 true, BUT it has more meaning NOW IN the JW temple related to globalist infiltration and objectives to pollute worship of Jws from the top (GB);(Zech3:3-1).

= Rationale:

1. After WW1, the real globalist GKN system came to realize, the more you attack and frontally assault JWs, the bigger and stronger they become, the more they spread, that is a futile strategy. It does NOT work, the globalists figured this all out in the WW1 period trying to war on JWs.

2. The time for globalist "Plan B" was logical after WW1 lessons were learned;

3. The globalist GKN powers of the 2HNB faction, that runs the 8th King "scarlet wildbeast" ALL making up the globalist "King of the North" REALIZED they needed a NEW STRATEGY INSIDE THE JW ORG to be more effective over time they:

4. GKN globalists, as per prophecy "give consideration to those leaving the holy covenant" in the JW org.

(At that time after WW1, from 1919 forward... This has logical extended relevance because they were ALREADY using the Christendom frauds since even before WW1, these are different ones "leaving the holy covenant" given consideration, this is focused on and in JWs and the org;)

= Same Reason

1. Christendom apostasy is not completely effective. Christendom can only create frontal assaults and persecution - that only makes JWs grow faster. What the globalists needed was INSIDE infiltr-traitors (InJW) inside JWs and the org, to do a new strategy, far more spiritually damaging from inside - and that kind of infiltration and planning takes time - but the planned near-future "wham" is BIG and Daniel by God says it was brewing since after WW1.

2. Daniel 11:30-32 implies that after WW1, the globalists started planning to get INTO the JW org, by infiltration means, from within, and they did, BUT they did not act in a major way immediately; it took time, until "he who acts as a restraint", Fred Franz, Knorr's right hand man, then Franz himself became president and lead GBer, when he was "put out of the way", incapacitated at 98 years of age blind in 1991, died by 12-1992 - then the "InJW" made the big move in 1991 UN debacle sin.

3. In that state is when they pulled fast moves immediately - the UNNGO-DPI relationship and wildbeast campaign in the Awake! and Watchtower for 10 years of "new world order" quotes - just search the WT-Library CD to see them;

THAT is when, a second fulfillment, a covert fulfillment, of Dan11:31 manifested, after planning and infiltration:

(Daniel 11:31) And there will be (infiltration) arms (in spiritual warfare against the brothers, from the globalists) that will stand up (become active in the JW org), proceeding from him (globalist KN); and they will actually profane the sanctuary, (with the UN relationship and sins - 1991-2001) the fortress (the JW org), and remove the constant feature. (JW top-down worship became "befouled" (Zech3:1-3 "Israel" activated))

"And they will certainly put in place the disgusting thing ( that is causing desolation. The UN became linked to the JW temple, INSIDE it, by the UN/NGO affair being initiated and still condoned and justified) =

Second Prophecy of JW Infiltration

1. Now Daniel 11:36-41 is an alternative recap of Daniel 11:27-32, it too, get this, shows the "disgusting thing" infiltrators as "entered" into the "land of decoration" (JWs) two times v. 41 (covert (1) (this may manifest overt)) and final DT placement (2) (v. 45):

(Daniel 11:40-45) (Since after WW1) "And in the time of the end the king of the south will engage with him in a pushing, and against him the king of the north will storm with chariots and with horsemen and with many ships; and he will certainly enter into the lands and flood over and pass through.
implies TWO actions regarding "Spiritual Israel" (The Decoration);

(Daniel 11:41) He will also actually enter (with infiltrators) into the land of the Decoration (1), (in other words, infiltration UN/NGO) and there will be many [ lands] that will be made to stumble. But these are the ones that will escape out of his hand, Edom and Moab and the main part of the sons of Ammon. (Those escapees "Edom, Moab, Ammon" are classic enemies of Israel in the bible; they are the traitors in this covert mode of prophecy, that is happening at the initial fulfillment leading into, and underlying, the final fulfillment in overt mode in progress)

1. Notice this FIRST “land of Decoration” entered in v. 41? Then AFTER this, there is a second “Decoration” location in v. 45 later, the final one in the future** That implies TWO actions regarding "Spiritual Israel" (The Decoration);

1. Well “many [ lands] that will be made to stumble”, [lands] is an inserted word, it can read “many that will be made to stumble” due to this action of hypocritical entry of UN/NGO "into the land of the Decoration". That could just be as easily "many [people] that will be made to stumble".

2. That “entry” into "decoration" (JWs), was the UN/NGO in 1991 AND the infiltrators ("arms that will be made to stand") that manifested it (and are still in the org until the "lawless one" is revealed and cleaned out in final fulfillment).

3. Now true, this will all have in final fulfillment mode, an overt, visible world known event as Dan11:42–43 climax in globalist ownership of the national powers as per Rev17:12-17 and that climax at full "Armageddon" of Dan11:44-45;

4. BUT, in covert stealth mode, this does apply to the secret infiltration operation begun in Daniel 11:30-32 "infiltrator" planning on "those leaving the holy covenant" as defined among JWs now well defined "temple of the God" (2Thess2:3-9) after WW1, and results in the same thing, in v. 35 and 41, after that secret offense went public (10/6/2001): mass, perpetual "stumbling” of the web:

**= (Daniel 11:35) And some of those having insight will be made to stumble (after the DT as the UN/NGO) (Well, in 10 years of scandal press, millions have now stumbled on the UN debacle.) BOTH Daniel DT and infil-traitor "entry" prophecies have evidence in the JW org, and traitors are connected to the infiltration at Dan11:30-32 developed by the real, globalist, GKN powers centered in the 2HWB;

= (Daniel 11:42-43) And he will keep thrusting out his hand against the lands; and as regards the land of Egypt (KS), she (now subservient) will not prove to be an escapee. (Rev17:12-17) 43 And he (GKN) will actually rule over the hidden treasures of the gold and the silver (World wealth power) and over all the desirable things of Egypt (World globalist ownership). And the Libyans and the Ethiopians will be at his steps. (Everyone else [national] is poised to be sucked in as well)

= Temple Cleansing Required Soon

1. These v. 44 "reports" CANNOT happen until AFTER the temple cleansing, because those "reports" are from information in the "little scrolls", sovereign doom information for GKN, which this infiltrated GB is NOT delivering: They are KN "hand-maidens" and implanted agents instead - the infiltr-traitors are in there and they will NOT be approved to deliver these messages, they do not want to even identify globalist GKN;

= (Daniel 11:44) "But there will be reports (little scroll) that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. (Dan8:25; Rev19:19-21; Eze38)

The final DT stand after the 1260 day period of the second "two witnesses":

**(Daniel 11:45) And he will plant his palatial tents between the grand sea and the holy mountain of Decoration (2); and he will have to come all the way to his end, and there will be no helper for him.

= JW Temple Still Unclean; (Zech3:1)

1. So, we see two separated "land of decoration” entries described in the above, that can apply to the very real events of the future, BUT also apply to the secret events since after WW1 and manifested in 1991 in the UN "disgusting thing" STILL housed in the Watchtower "temple" in v. 41 (That has fulfilled in this covert meaning);

2. What is worse, these infiltrators may have cut off the official UN/NGO-DPI relationship in 2001, BUT the real relationship continues on and on, and that is where also the "profane the sanctuary” is active since 1991 to today, even if they cut off the UN relationship officially, unofficially it is still an active infiltration to keep the DT in the JW temple; hence "befouled garments" (Zech3:1,3) all over the place: "Joshua" anointed, the temple, the "fortress" org, the land (all JWs), the "constant feature" is befouled, it is all polluted by this development that is STILL active;

3. No wonder this GB has not had "new light" in 20 years, in spite of the greatest globalist prophetic activations in ALL human history! They are purposefully stagnant;

4. Of course in time Jehovah MUST clean them out; They are in so deep and so effectively they need to be removed by God as per 2Thess2:3-9 parallel to Zech3:2-9; Mal3:1-5;

Fred Franz Files: Why The NWO Replaces the USSR in Daniel 11
GB Cover Up: United Nations Third World Placement 1990 (Dan11:31)
The Governing Body of Jehovah’s Witnesses is covering up the third United Nations placement in prophecy and world history as the “disgusting thing” fulfilling Daniel 11:31 in 1990 as Cold World War 3 ended; (See Awake! 9/8/1991 Issue)

The Governing Body says nothing about this event because they are UN operatives as “man of lawlessness” as ”they will certainly place the disgusting thing” partisans of Daniel 11:30-31; (2Thess2:3-4)

Instead, at this very moment in history in 1990-1991, the GB became United Nations official organized NWO promoters to over 100 million people in their world audience demographic; The 3rd UN placement was all hush hush as prophecy, but all trumpets and scarlet red carpet at Bethel;

1. This coverup severs the Bible continuum of 4 biblical United Nations 8th King related “disgusting thing” placements at number 2 UN placement of 1945 from the continuation and importance of this 3rd UN placement in 1990 (Dan11:30-31) en route to Armageddon's 4th “disgusting thing” placement of Daniel 8:25; 11:44-45 in the future;

2. This obscures the Biblically laid out 1-2-3-4 globalist world government continuum to Armageddon finale as these four stands of the “disgusting thing” in Bible prophecy and modern world history lead to world war 4 and the final 4th placement of the UN 4.0 of Daniel 8:25;

Kill the JW Org Worldwide; Wipe Bethel Off the Map...
1. This sets up Jehovah’s Witnesses for a hoax GT kill shot ”coup de grace” globalist backed hitjob appearing as the end sequence of Daniel 11:44-45;

A. In reality this is actually the beginning of the temple judgment phase with years to temple completion over 3 known prophetic periods of Daniel 8:14; Rev8-9 (6 trumpets) and Revelation 10-11 1260 days to 7th Trumpet finale;

B. This transpires as the globalist 8th King goes to and through “World War 4” for 4th world placement of global government at apex after WW4 is conveniently resolved for this world government presentation as in 1919 (Rev13:11-15); 1945 (Rev17:8-11) and 1990 (Daniel 11:31); (Fourth placement: Daniel 8:25; 11:45; Rev19:19-21)

That is why this quadruple phased UN continuum is important to understand in the Bible!

GB Smoke Screen to Hide Bible Reality
1. This obscures the Governing Body as the “man of lawlessness” infiltrator anti-christian sinners fulfilling the modern Daniel JW temple transgression series in 1990 as UN “lover” “sinergy” as that United Nations’ 3rd placement was mirrored at Bethel (Awake! 9/8/1991 as UNNGO adjunct promoters for 10 years) by this fraud Governing Body “lawless one” legacy of today's UN posers;

2. While the Governing Body got on all fours for the UN they are in service to, these lawless purposeful frauds fulfill live and real-time Daniel 8:11-13 (Daniel 11:30-31) which leads to the timed temple judgment in the near future of Daniel 8:14/Zech3/Rev8:2-5 (Daniel 11:41) as God hands the JW organization to the globalist UN powers for desolations due to this "transgression causing desolation" (Dan8:13)

This will be a world signal event of the beginning of the end of the world;

USSR and Nazi Lies and Delusions
1. The Governing Body covers this up by sticking to the USSR Daniel 11 erred interpretation of the past made impossible as the USSR collapsed around 1990 invalidating Daniel 11:36; 11:42-43 from Soviet fulfillment hence all USSR is invalid in Daniel 11;

King North is NOT the Soviet failures (Dan11:27b), King North is apex 8th King globalism and elite globalist world government;

2. Daniel 8 cannot apply to world war 2 as well for a number of reasons; There is no reason why God would time (Dan8:14) an insignificant Watchtower org chart modification (in 1938) as if that was the “transgression causing desolation” when the JW org was not desolated like it is going to be in this next hit;

God times Daniel 8:14 2300 units because it leads to the 6 trumpets in final fulfillment cycle of Revelation 8-11 (And eventually the end of the world of the 8th King)
Too Many Anomalies

The Governing Body of globalist infiltrators in the JW org use these flimsy smokescreens to work their mass "sinner magic" at Bethel now for at least 20 solid undercover years fulfilling Zechariah 3:1-3 "befouled garments" in tangent with 2 Thessalonians 2:3-12 "man of lawlessness" final temple prophecy sequence;

This was all as Fred Franz was shut up, and the Milton Henschel GB Circus went into power as globalist UN lovers; This is TOO MANY convenient UN friendly GB coincidences to be random and accidental coincidence;

The GB are fraud globalist intel ops, plain and simple;

Master Mind Globalism in Daniel and Revelation Prophecy

http://templelijah.wordpress.com/302-2/

Globalism as a basis of world governmental philosophy and a real power paradigm of Biblical symbology is important to understand conceptually in the final phase of Adamic human history leading Armageddon;

Newly Manifested Globalist World Power

The paradigm of world power that quickly manifested itself after the fall of the national "King of the North" puppet system (Dan11:27-28) is developed worldwide by the globalist elites of the Anglo-American Two-Horned-Wildbeast (2HWB); (Rev13:11);

Worldwide Consolidation

Though based in a national power system (Rev13:1 7th "head"), this elite power is now consolidating a multi-national "scarlet wildbeast" (SWB) globalist system far more powerful than it's United Nations "image of the wildbeast" which is just a globalist "hub club", for national elites the world over; (Rev16:13-16; Rev13:11-15)

Top Down Control

The globalist elite Anglo-American based engineers of this system (Rev13:11-15), run this through a pyramidal control system of progressive globalist power consolidation headed by "the Dragon", Satan the Devil; (Rev13:2,4,7)

Secrecy and Concealment

From there the 2HWB is the apex controlling power, shown as very secretive in Revelation 13:11-15; The 2HWB does NOT draw worship to itself, but ONLY to the national wildbeast (Rev13:1) and it's "image of the wildbeast" (Rev13:11-15) as a false-prophetic globalism world peace system;

It therefore has broad appeal worldwide, but remains a globalist elite concealed system, even bible commentators relate this 2HWB to national 7th head power; (Rev13:1) But it is globalist in objective; It is a separate wildbeast in Revelation 13:11 for a reason;

Beyond National Scope and Power

Though it is identified with a national alliance of Britain and America, it is BEYOND a national power in scope, it controls national powers progressively by globalist advanced intelligence and powerful worldwide technocracies of finance, military, and geo-politics, among other global networking.

The 8th King SWB is a multi-national collective based (Rev13:1) array in a worldwide globalist unification "scarlet wildbeast" (Rev17:3) according to Anglo-American governmental, financial and military system design; This is an actual globalist "wildbeast" earthwide super-structure based on multi-national power systems;

It's scope is far beyond the 17 acre United Nations "image" complex in New York; That was the attractive elite hub, to array many nations and organizations into globalist philosophy and financial web engineering, the basis of most of this voluntary conquest; (Rev17:12-18; Dan11:43)

The Bible Nails Them

This study will explain that the Bible already conceptualized this zenith globalist development in perfect detail, to it's ultimate clash with God's Kingdom at the climax universal battle known as Armageddon; (Dan2:31-44), where even Satan and the demons will go "Gog" POW into abyss, and this entire collective globalist unification system will be destroyed permanently and forever into it's final push for 8th King world domination; (Rev19:19-21; Rev20:1-3; Dan 11:44-45)

Deceivers

Like Satan himself, this globalist system's chief advantage is secrecy and top down manipulation by advanced intelligence development and demon aid; The secrecy and concealment of the system is aided by nationalism based mass mental shells, that keep the people focused on a increasingly pawned power system, national power;

Globalist "North" Ascends Upon National "South" Decline

In the final fulfillment cycle of Daniel (7-8, 11-12) and Revelation (8-19), globalist world power is the paradigm reality; The national powers will be pawned; (Rev17:11-18), along with Babylon the Great's sovereignty; (Rev17:18), and led directly to Armageddon; (Rev19:19-21), where Satan knows full well, all rival power will be annihilated by Christ; (Dan7:26; Dan8:25) At that climax, that Dan7-8 "small horn" has "gone global" and is globalist 8th King world power guided by the 2HWB machinations for global domination; (Rev16:13-16)

Ultimate Sovereign Defiance of Human History

The "King of the North" (KN) may have another national puppet "bogeyman" for another global war, but that REAL globalist "King of the North" is actually in control and it is ALL globalist power worldwide (2HWB [+ SWB (8th King)]) diant to God's Kingdom at Armageddon where those Daniel 11:45 "palatial tents" are globalist in worldwide scope; By that time, the "King of the South", feminized in Dan 11:42b "Egypt", is all national powers worldwide in globalist control led to divine
The globalist "King of the North" is the ultimate sovereign defiant system in human history at zenith of Daniel 11:44–45; (Rev19:19-21; Eze38:13-16) The "little scrolls" (Rev10) in final fulfillment "two witnesses" (Rev11) contain those "reports" that draw the KN fish to the fry; (Zeph1:14-18; 3:8)

Globalist Wildbeast Manifests in 1914 as Dual Horn Anglo-American Head Engineers of UN Globalism

It promotes nationalism first because nationalism is the main blind, shell and national "ant farm" to control the masses for massive profit, human sacrifice and global positioning by world war, and war in general:

(Revelation 13:11-13) And I saw another wild beast ascending out of the earth, and it had two horns like a lamb, but it began speaking as a dragon. 12 And it exercises all the authority of the first wild beast in its sight. And it makes the earth and those who dwell in it worship the first wild beast, whose death-stroke got healed. 13 And it performs great signs, so that it should even make fire come down out of heaven to the earth in the sight of mankind.

Then it erects the globalism idol of world peace to draw in multi-national prospects into the main demonic strategy:

(Revelation 13:14-15) And it misleads those who dwell on the earth, because of the signs that were granted it to perform in the sight of the wild beast, while it tells those who dwell on the earth to make an image to the wild beast that had the sword-stroke and yet revived. 15 And there was granted it to give breath to the image of the wild beast, so that the image of the wild beast should both speak and cause to be killed all those who would not in any way worship the image of the wild beast.

It has has other objectives:

(Revelation 13:18) Here is where wisdom comes in: Let the one that has intelligence calculate the number of the wild beast, for it is a man’s number; and its number is six hundred and sixty-six.

(Revelation 13:16-17) And it puts under compulsion all persons, the small and the great, and the rich and the poor, and the free and the slaves, that they should give these a mark in their right hand or upon their forehead, 17 and that nobody might be able to buy or sell except a person having the mark, the name of the wild beast or the number of its name.

By this globalist elite "image" hub system, and the collecting of national elites worldwide, the world is gathered by demonic aid to a climax defiance against God:

(Revelation 16:13-16) And I saw three unclean inspired expressions that looked like frogs come out of the mouth of the dragon... wild beast and... false prophet. (2HWB) 14 They are... expressions inspired by demons and perform signs, and they go forth to the [national] kings of the entire inhabited earth, to gather them together to the war of the great day of God the Almighty.... 16 And they gathered them together to the place that is called in Hebrew Har–Magedon.

By these "insights" and "understanding" is the source of the demon inspired "expressions" and "signs" of advanced control and worldwide appeal:

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand.

(Daniel 8:23-24) "And in the final part of their kingdom, as the transgressors act to a completion, there will stand up a king fierce in countenance and understanding ambiguous sayings. 24 And his power must become mighty, but not by his own power. And in a wonderful way he will cause ruin, and he will certainly prove successful and do effectively.

By this demon aided strategy this top ruling globalist elite attracts a tier of interest of other national elites with globalist aspirations and the desire to protect their own sovereign systems, by controlling the people, by methods which are more sophisticated and advanced;

The Armageddon Web

This is how the 2HWB, by developing the "image of the wildbeast" United Nations globalist hub system, engineers the array of the multi-national powers attracted to these ideas and gathers "the [national] kings of all the inhabited earth" to an Armageddon worldwide development of sovereign defiance to God's Kingdom;

The 8th King member national powers, in globalist unified array, are once removed from the 2HWB top of the global power pyramid;

Underneath these top multi-national powers, is their national pyramids, constructed into alignment with 2HWB ultimate globalist objectives twice removed from the top controlling system globalist wildbeast;

The less the national powers know, the better for the apex tier strategy;

This "one thought" these national elites have, is sovereign preservation, and they set up their national pyramids to become increasingly subservient to globalist hidden objectives; And God permits this, because it will lead to Babylon the Great's assets being absorbed into this globalist vortex, by national controlled dynamics, as the debt blackhole gains mass over time to total bankruptcy;

"Egypt" National Puppet Show

Like Babylon picturing false-religious systems (Isa21:9; Rev17-18; 18:4), Egypt in the Bible pictures national power systems of the world system that used to have autonomous sovereign power nationally; (Dan11:42-43), regionally and imperially at times; Now this national power paradigm is being replaced by globalist power paradigm progressive reality, and the dynamic and symptoms of this national decline in sovereignty are shown in the Bible as well;

The national puppets, symbolized by Egypt; "King of the South", his first capital, are all suckerin in by globalist superior governmental regulatory and financial cons that prey on the limitations of national minded rulers;

(Isaiah 19:11-15) The princes of Zoon are indeed foolish. As regards the wise ones of Pharaoh's counselors, their counsel is something unreasonable. How will you men say to Pharaoh: “I am the son of wise ones, the son of kings of ancient time”? 12 Where, then, are they—the wise men of yours—that they may now tell you and that they may know what Jehovah of armies has counseled concerning Egypt? [national powers worldwide] 13 The princes of Zoon [ten kings basically] have acted foolishly, the princes of Noph have been deceived, the keymen [national top administrations] of her
tribes have caused Egypt to wander about. 14 Jehovah himself has mingled in the midst of her the spirit of disconsortness; [related to the "God put it into their hearts" context of national desperation; (Luke21:25)] and they have caused Egypt to wander about in all its work, just as someone drunk is made to wander about in his vomit. 15 And Egypt will not come to have any work that the head or the tail, the shoot or the rush, can do. [Various economic vacuums]

And that leads to a progressive consolidation of power worldwide into 8th King globalist control by debt and finance domination first, aiding national power transfer into globalist 8th King power system, for consolidated and centralized, but multi-national globally distributed 8th King globalist world domination formation progressively;

(Revelation 17:12-18) “And the ten horns that you saw mean ten kings [national powers]... they do receive authority as [national] kings one hour with the [globalist] wild beast. 13 These [national kings] have one thought [sovereign preservation], and so they give their [national] power and authority to the [globalist] wild beast... 17 For God put it into their hearts to carry out his thought [destroy BTG], even to carry out their one thought [attempted national sovereignty preservation] by giving their [national] kingdom [by debt and intrigue] to the [globalist] wild beast, until the words of God will have been accomplished.

As we see the financial checkmate above (Dan11:43) leads to BTG assets [first], devouring the BTG system [second], and removal of religious sovereignty [third], all shown in this Revelation 17:12-18 dynamic real-time progression active now in the world in marked national financial implosion globalist engineering;

(Revelation 17:15-18) And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns [national powers] that you saw, and the [globalist unification] wild beast, these will hate the harlot and will make her [1] devastated and naked, and [2] will eat up her fleshy parts and [3] will completely burn her with fire. 17 For God put it into their hearts to carry out his thought... 18 And the woman whom you saw means the great city that has a kingdom [rival sovereignty to 8th King] over the [national] kings of the earth.”

Debt Dirt National Mortgage

The intelligence in transfer of ownership to globalist entities hidden in all kinds of national and multi-national facades is shown in Daniel in 8th King globalist paradigm of the internationalist "King of the North" progression to total national domination progressively:

(Daniel 11:39) And he will act effectively against the most fortified strongholds, along with a foreign god. Whoever has given him recognition he will make abound with glory, and he will actually make them rule among many; and the ground he will apportion out for a price.

We see no “stronghold” is impenetrable to the globalization "god" because it attacks militarily only as a last resort of for geo-political positioning; The main invasion is financial the very nations "ground he will apportion out for a price"; The price is the terms of globalist finance engineering devices; Those who give globalism recognition through the UN and especially through application of 2HWB strategies upon their own nations do get globalist "recognition" and globalist system does allow these to "abound with glory" for that "one hour" of power noted in Revelation 17:12;

It is one hour for the national powers, because their power is "given" to the globalist "scarlet wildbeast" to total transference of "power and authority" and the physical [national] "kingdom [by receivership] to the [globalist] wild beast"; Rev17:17

As we see this has equaled multi-trillions in national debts with hundreds of trillions in unfunded and riskily obligations; A derivatives black-hole is also present in alarmingly lopsided leverages in the banking system; The nations have collateralized and securitized everything they own(ed) to secure this “sovereignty” as sovereignty does carry a price tag nationally; The globalists set the price worldwide;

Total Checkmate: King of the South He is a She

Now Daniel 11 foretells a stunning transformation; The symbolic masculine "King of the South" get's a "sex change" to feminine subservience to globalization's King of the North:

(Daniel 11:42) as regards the land of Egypt, she will not prove to be an escapee.

Why to some degree is the transformation made possible to the total pawnning of the "King of the South"? Bankrupt national finance, the globalists run the global wealth system, as symbolized by gold ownership:

(Daniel 11:43) And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt.

All the "desirable things of Egypt", the national systems, is now pawned by the globalist King of the North; This must be a globalist scale of power, because no nation on earth "rules over" the "gold"; The Anglo-American 7th head national system is multi-trillions in debt, and all nations carry huge debt, though not always devouring their whole GDP;

Egypt Women

Isaiah also by God's inspiration foretold this transformation in power dominance for "Egypt":

(Isaiah 19:16-17) In that day Egypt will become like women, and it will certainly tremble and be in dread because of the waving of the hand of Jehovah of armies which he is waving against it. 17 And the ground of Judah must become to Egypt a cause for reeling. Everybody to whom one mentions it is in dread because of the counsel of Jehovah of armies that he is counseling against him.

Unemployment

(Isaiah 19:15) And Egypt will not come to have any work that the head or the tail, the shoot or the rush, can do. [Various economic woes]

Global Uprisings

This has social effects seen here prior to the great tribulation; These are just "signs" of impending collapse:

(Luke 21:25-26) “Also, there will be signs in [national power systems] sun and moon and stars, and on the earth anguish of nations, not knowing the way
out because of the roaring of the sea [of peoples in protest and revolt] and its agitation, 26 while men become faint out of fear and expectation of the things coming upon the inhabited earth; for the powers of the heavens [human power systems] will be shaken.

Either way, there is no hope for national finance until Babylon the Great's multiple trillions in hard assets, investment and properties are absorbed into the national system; This is why the set-up aided by God's "thought" in Revelation 17:12-18 is brilliantly deployed by the globalist 8th King to maneuver national powers to the "last resort" of financial salvation, the "treasures" (Rev17:4) of Babylon the Great;

**National Subservience**

Not only is Babylon the Great's rival sovereignty to globalization vanquished, with a jolt of recovery to the nations, this will fund the final transfer of ownership to globalist final finance terms for a new financial order at the expense of national sovereignty guaranteed;

**Sovereignty is Not Cheap**

Obviously if a finance private sovereign system prints money, and controls the creation of digital accounts, money as a form of wealth is not their goal; They own the "money tree", they run the global "orchards"; They have even decoupled precious metals from the currency backing, and by debt intrigue now back debt with national assets; All from a system that prints it's own money from thin air go figure; So understanding that "ambiguous saying" is also how this "treasure of the gold and silver" is a "hiden tasure";

It is a conversion medium to convert that wealth fiction into actual capital and hard wealth through motivation of human work, through approximately two hundred of nations; The world's biggest business, war and weapons production and technology, is where a majority of this capital is going to fulfill prophecy for the preparation:

(Ezekiel 38:7) "Be ready, and let there be preparation on your part, you with all your congregation, those congregated alongside you, and you must become their guard."

**Joel 3:9 Military Expansion**

That dynamic "preparation", as per guaranteed prophecy and world reality, requires multi-national cooperation, and as we see, they are progressively relinquishing actual control to a sole super-sovereignty in the 8th King and a worldwide multi-national super-structure (scarlet wildbeast) for it's use upon a globalist unification at the top.

This is why national resources are being "beaten" into weapons complexes worldwide, especially on expansive steroids since 2001. This is the ultimate aim of all the financial positioning for globalist wealth control:

(Proclaim this, you people, among the nations, 'Sanctify war! Arouse the powerful men! Let them draw near! Let them come up, all the men of war! 10 Beat your plowshares into swords and your pruning shears into lances. As for the weak one, let him say: “I am a powerful man.” 11 Lend your aid and come, all you nations round about, and collect yourselves together.’" To that place, O Jehovah, bring your powerful ones [the angels] down. 12 “Let the nations be aroused and come up to the low plain of Jehoshaphat; for there I shall sit in order to judge all the nations round about.

So this military development aids this "congregated congregation" on earth, ultimately guided by demon "expressions" that have had to run through human proxy systems as per Revelation 16:13-16; We see then the parallel dynamic of wealth and "power and authority" control in Revelation 17:12-18 paralleling the maturation of Daniel 11:42-43 wealth monopoly at globalist scale, is required to produce such an enormous worldwide military based affront to Gods Kingdom as clearly shown in prophetic and actual world development progressively;

That requires many super-sovereign logistic, communication and intelligence systems to support this enterprise of "military global super-fortress";

**Multi-National Fear Driven Security**

Interestingly, national sovereignty is maintained by the control and monopolization of the most powerful violence potential in the sovereign realm; That is what sovereignty ultimately is, the elite in a national realm protecting, expanding and acquiring their wealth and more wealth and power;

**World War Fear**

Well world war fear, and the fear of loss of power, drives the national "ten kings" "one thought" to preserve their own sovereignty, and that always equals military and financial control; We see they are aimed at security and their finances are now run by a super-sovereign power knowing this formula; War fear thus drove this mad cycle, and World War 1 interestingly enough, as if engineered to be so, provided the first manifestation of the "solution" in a hope of a globalist philosophy for preserving national sovereignty, the League of Nations; upon national collective cooperation;

Which brings us to Daniel, by God's inspiration, nailing the gist of the dynamic:

**God of Fortresses**

(Daniel 11:38) But to the god of fortresses, in his position he will give glory; and to a god that his fathers did not know he will give glory by means of gold and by means of silver and by means of precious stone and by means of desirable things.

Now globalism is "a god that his fathers did not know", and ultimately Satan, in control of the "god of fortresses" manifesting on earth is the one the globalist unified King of the North sovereignty "will give glory by means of gold and by means of silver and by means of precious stone and by means of desirable things"; The wealth required to do this, is all shown consolidated for the globalist major control of the world system, and was required to build this "fortress"; This fortress is the very definition of the Megiddo symbolism in Har-Magedon; It was the site of the first recorded battle in human history, and the last;

**Armageddon**

(Revelation 19:19-21) And I saw the wild beast and the kings of the earth and their armies gathered together to wage the war with the one seated on the horse and with his army. 20 And the wild beast was caught, and along with it the false prophet that performed in front of it the signs with which he misled those who received the mark of the wild beast and those who render worship to its image. While still alive, they both were hurled into the fiery lake that burns with sulphur. 21 But the rest were killed off with the long sword of the one seated on the horse, which sword proceeded out of his mouth. And all the birds were filled from the fleshy parts of them.
(Ezekiel 38:18-23) “And it must occur in that day, in the day when Gog comes in upon the soil of Israel,’ is the utterance of the Sovereign Lord Jehovah, ‘that my rage will come up into my nose. 19 And in my ardor, in the fire of my fury, I shall have to speak. Surely in that day a great quaking will occur in the soil of Israel. 20 And because of me the fish of the sea and the flying creatures of the heavens and the wild beasts of the field and all the creeping things that are creeping on the ground and all mankind that are upon the surface of the ground will be bound to shiver, and the mountains will actually be thrown down and the steep ways will have to fall, and to the earth even every wall will fall.’ 21 ‘And I will call forth against him throughout all my mountaneous region a sword,’ is the utterance of the Sovereign Lord Jehovah. ‘Against his own brother the sword of each one will come to be. 22 And I will bring myself into judgment with him, with pestilence and with blood; and a flooding downpour and hailstones, fire and sulphur I shall rain down upon him and upon his hands and upon the many peoples that will be with him. 23 And I shall certainly magnify myself and sanctify myself and make myself known before the eyes of many nations; and they will have to know that I am Jehovah.’

Prior to 1260 days in 2300 Unit (1150 Day) Daniel 8:11-14 JW Temple Cleanse Event

(Daniel 8:23-25) “And in the final part of their kingdom, as the transgressors act to a completion, there will stand up a king fierce in countenance and understanding ambiguous sayings. 24 And his power must become mighty, but not by his own power. And in a wonderful way he will cause ruin, and he will certainly prove successful and do effectively. And he will actually bring mighty ones to ruin, also the people made up of the holy ones. 25 And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

Final Sequence to Christ Court 1290 Days

(Daniel 7:25-26) And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time. (1260 Days Rev11:2-3) 26 And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate him and to destroy him totally. (1290 Days; Dan12:11)

Parallel Prophecy

These are globalist power prophecies, the same 8th King system:

(Daniel 11:44-45) “But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. 45 And he will plant his palatial tents between the grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

The Last Evolution: Scarlet Wildbeast

http://templelijah.wordpress.com/195-2/

We have to use a little basic logic to see the "scarlet wildbeast" (SWB) is the last "wildbeast" in this progression of "wildbeast" and "image" development which climax in this final evolution; The "image" represents an actual worldwide multi-national power system that takes time to develop to that level; Just as the now full [national collective] "wildbeast" (1) of Revelation 13:1 took time to evolve from the "sea" of mankind over thousands of years, so too, the rest must develop over time after this first 7headed monstrous predatory systems has developed before them; (Gen11:1-9 evolved to Dan7:1-8; Rev13:1-15)

Therefore the two-horned wildbeast (2HWB) of Revelation 13:11 also took time to develop from the national collective "wildbeast" (Rev13:1) "earth", an established human system evolved before it; It was defined in "two horns" by 1914 in the Anglo British and American United States coalition of politics, finance, industrial weapons partnership by which they grinded that "gravy train" in WW1 for 300 billion dollars in profit, assets, and established money making capital enterprises all founded in the blood of World War 1; eg, a Satanic blessing afforded by human sacrifice provided to the Devil in that conflict;

Thus they are truly apex predators on earth, the basic meaning of the wildbeast symbol; Blood guzzling killers;

That first globalist symphonic worldwide "master intrigue" (Dan8:23,25) also provided the 'world war womb' by which globalist "League of Nations" was born. Thereby, Satan the "Dragon", the ultimate architect of human rebellion and organized predation; (Rev13:1-2), raised up this worldwide minded "in-League" over time. This was finally accomplished to this scale of planning and deployment, through the 2HWB global planners and international private supra-national systems, as the first human governmental unification of defiance to God's Kingdom born in this approximate 1914-1919 period since the civilization of Babel's defiant unification in rebellion; (Gen11:1-9)

In time, another divine intervention is due, just as at Babel;

Well, that end product, that took much time to evolve into this dangerous worldwide intent of total union, is the whole reason why the "desolation" of "world war" is engineered to ultimately provide the funding, expansion, war-desolation, "birth" and "presentation" worldwide to mankind of the "image of the wildbeast"; (Rev13:11-15) as the world "solution" to put hope in for "world peace"; All this after a convenient world war desolation problem; Then again in WW2; Then again in cold WW3; That is not random, accidental or coincidence, it is now predictable from two previous times this formula has run on globalist "intrigue" and "insight"; (Dan8:23-25)

Globalist Government Ultimate Causer

Jesus Christ points out, the "globalist thing" is the main engineer of world war desolation, it is the core designer of world war to provide such a problematic tribulation worldwide to present itself as the world peace solution:

(Mark 13:14) the disgusting thing that causes desolation;

That boils it all down to one chief cause of world war, globalist megalomania aided by Satan the Devil;
So too, this final Revelation 17 "scarlet wildbeast" takes time to mature, after all this progressive development to become an actual "full-bodied", worldwide, multi-nationally composed, "globalist unification" that must arise not as an "image" of the wildbeast alone, and an "image" of that 8th Kingship alone, but the real thing - a true world dominating global power to come "stand up" AFTER the national "7th head Anglo-American "head" is made FULLY subservient to it, by GIVING it's Kingdom to this ACTUAL, multi-nationally based final super-sovereign 8th Kingdom of all Adamic human history:

(Relation 17:11-18) And the wild beast that was but is not, it is also itself an eighth king, but springs from the seven, and it goes off into destruction. 12 "And the [national collective] ten horns that you saw mean [national collective] ten kings, who have not yet received a [national] kingdom, but they do receive authority as [national] kings one hour with the [globalist] wild beast. 13 These have one thought, and so they give their [national collective] power and authority to the [globalist unification] wild beast.

14 These [both nationalists and globalists] will battle with the Lamb [Rev19:19-21; Dan11:44-45; Dan8:23-25], but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him will do so." 15 And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues.

16 And the [national collective] ten horns that you saw, and the [globalist unification] wild beast, these [both nationalists and globalists] will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire.

17 For God put it into their hearts to carry out his thought, even to carry out their one thought by giving their [national collective] kingdom to the [globalist unification] wild beast, until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth."

No wonder then the [globalist unification] "scarlet wildbeast" has the same "mirrored" structure as the national collective wildbeast:

(Relation 13:1) [National Collective Wildbeast] .. a wild beast ascending out of the sea, with ten horns and seven heads, and upon its horns ten diadems, but upon its heads blasphemous names.

(Relation 17:3) [Globalist Unification Wildbeast:] ..a scarlet-colored wild beast that was full of blasphemous names and that had seven heads and ten horns.

Globalist Wildbeast 8th King Pawns ALL National Powers

1. But this "scarlet wildbeast" comes to full power later in time, it will become far more than a 17 acre UN "image"; It MUST be an actual world rulership global super-structure composed of many national powers who have sold their kingdom souls to the globalists by first, massive debt, to utter pawning by the 8th King;

That is why we know this "King of the North" is ultimately a globalist world power NOT in any debt, it runs the globalist wealth system:

(Daniel 11:42-43) And he will keep thrusting out his hand against the [national] lands; and as regards the [nationalists] land of Egypt, she will not prove to be an escapee. 43 And [the globalist KN] will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of [national collective] Egypt.

2. And it has turned the national collective "King of the South" now, into a subservient, fully pawned "she" "king" in this prophecy as Egypt is the original seat of the "King of the South" and symbolizes ALL the national powers being progressively owned by the "scarlet wildbeast" as it evolves into a real world power - right in front of everyone's faces, right on their TVs and newspapers - multi-trillion dollar debt, will lead to World War 3, and then the national powers will be 100% pawned by globalist King North - we will see a handy national "puppet" King North of an unknown "bogeyman" identity to finish of this illusion that has vanquished national "sovereignty" into globalist "scarlet wildbeast" FULL domination forming to apex after this war progresses and ends;

3. In that prelude to, and the actual final World War 3 progression, Babylon the Great, and in fact as much religious wealth and weaker organizational wealth of the world as possible, will be seized by the debt-dead, death-stroked, national "ten kings" as their last desperate attempt to "re-work" their now fully terminal globalist 8th King multi-trillion dollar debts into a reworked globalist 8th king "new world financial" hope;

4. That is when the globalist own the world by receivership and stakeholder interests of even BTG's former multi-trillions sucked to them, through the national vacuums;

And they will do just that, that is the consolidative purpose described at Revelation 17:11-18's "power and authority" transference progression to full globalist power;

How It Works

1. The national powers AND the globalist power have "one thought", sovereign preservation for the nationalist "future" and sovereign seizure instead, for the globalist 8th King desire of true world rulership; They CANNOT have both, that is the purpose of globalist financial domination, it will vanquish national sovereignty, while the national powers are trying to preserve it (an illusion) with more globalist owned funding, conveniently consolidated in globalist worldwide control as per Daniel 11:42-43's own progression parallel with revelation 17:12-17;

The globalist 8th King has by then - through WW3, over time, in full, pawned complete control and ownership, not only of the worldwide wealth basis system in the symbolic meaning of "ruling" the "gold and the silver" but also "all the desirable things" of the national power's assets and physical nations, symbolized as [national collective] "Egypt", "queenled" "king" of the "South" - d o n e;

2. God Himself ensures that that thinking is developed in ALL these rival sovereignty's desires completely ("into their hearts"; Rev17:17), because this quest for sovereign preservation of the national power's "one thought", which will cost trillions and trillions of "dollars" re-financed again, will inevitably lead to the BTG assets;

3. That will lead to the global annihilating of Babylon the Great's sovereign power, by the loss of her multi-trillions in hard wealth and all properties/assets worldwide in "gold and precious stone and pearls"; (Rev17:4);

4. For the needed national "credit boost" the "BTG Bank" is the FIRST step and "last resort" withdrawal to even hope for a globalist worked "re-finance" for the national survival; A furtherance that can only be provided by globalist "gold rulers" for something in exchange; A 666 and making BTG "devastated and naked";

5. That is Globalist 8th King Super-Checkmate; 2 Birds, One "Stone"

A. BTG loses sovereign existence entirely stripped of "purple and scarlet" (sovereignty), and all her wealth "gold and precious stone and pearls";
Final Checkmate of God in One King

1. Jehovah, for Christ's conquest, also bags ALL the national powers, into ONE globalist collective "King of the North" 8th King super-sovereignty (with 2HWB globalist elites), to finish it ALL off in one sovereign defiant target at Armageddon war; King of kings pawns ALL of them; Rev19:19-21

2. That is ALL "birds", One "Stone"; (Dan2:31-44)

The Final World Peace and Security Idolatry Presented After World War 3;

1. That is how this repeated World War (3) and debt-death compounding "sword stroke" upon the national "head" WILL be "healed" as the "hopeful" outcome of the national powers into the prophetic "freedom from care" as many survivors are thriving after BTG goes down; Rev18:9-19; Rev11:10

How We Know it WILL Replicate in the Future

Principle Repeat of 42 Months to Full "7 Times";

The "holy city" is Revelation 11:2-3, must also have "7 times" of completion of "trampling" upon it by divine decree; That means the 1260 days, must repeat to become 2520 days of that "appointed times"; It is split, because it manifests at Kingdom birth in 1914-1918, and must manifest at Kingdom completion in the near future, upon the same set of minor pattern fulfillments of 914-1918 and 1919-1922, 1260 days and 1290 days respectively;

That links Revelation13:7 "42 months" of "trampling of the holy city" to Revelation 11:2-7 s "war" on the "holy ones" to completion of 7 times, that must and will repeat in the near future:

(Relation 13:5-7) And a mouth speaking great things and blasphemies was given it, and authority to act forty-two months was given it. 6 And it opened its mouth in blasphemies against God, to blaspheme his name and his residence, even those residing in heaven. 7 And there was granted it to wage war with the holy ones and conquer them, and authority was given it over every tribe and people and tongue and nation.

(Relation 11:2-3, 7) But as for the courtyard that is outside the temple sanctuary, cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth."... 7 And when they have finished their witnessing, the wild beast that ascends out of the abyss will make war with them and conquer them and kill them.

Death-Stroke Repeats as Does the Healing by BTG Asset Medicine

And this is why this death-stroke that occurred in World War 1, with the same formula in WW2, must repeat in prophetic pattern in World War 3 to a climax of this principle of attack on now the last of the fully sealed 144000 remnant on earth (Rev12:6; 14), who must be sealed and completed before these "four winds" blow in final World War 3 for completed conquest of God's Kingdom glorified anointed, Babylon the Great and the national powers, the 3 last "kings" that the "small horn" [8], now enormous in the 8th King will "put down"; (This is the "king of fierce countenance", globalist 8th King)

Final Parallel Conclusion

That is why Christ manifests AFTER the "tribulation of those days" which is the demise of BTG and a last global conflict of worldwide proportions as with Kingdom birth distraction (WW1), also in Kingdom completion a big Satanic distraction is planned related to the apex of Satanic Kingdom development along with and parallel to God's Kingdom climax as well - it ALL repeats in principle, but with universal implications;

Babylon the Great's Death is the Last National Resurrection

The tribulation of those days" is the beginning of the Great Tribulation but it will result in a worldwide national recovery for the final set-up of GT Extinction Mode of Matt24:29-31; Rev6:12-17; Dan8:23-25; That is why Jesus identifies that break in the great tribulation upon BTG;

BTG's demise is the recovery of the national powers, but that recovery is short-lived, and at that time is when Christ manifests and completes the Kingdom 144000 after the 1260 days, commencing the 1290 days; (Dan7:25 (1260) results in Dan7;26 (1290); (Dan 12:11 (1290) after Dan 12:7 (1260));

There will be no real national recovery until Babylon the Great's massive global wealth is absorbed as the greatest "re-capitalization national infusion" in all human history; That is how this final "death-stroke" upon the national collective wildbeast of Revelation 13:1; shown in Revelation 13:3-7, 12 is "healed" temporarily for full globalist world governmental effect (as before)- it creates a "freedom from care" and it fuels the final REAL "black-out of the sun, moon and stars" in GT Extinction Mode of Matt24:21-22 at Dan11:44-45 and Dan8:23-25;

That "freedom from care" turns into a national nightmare of global genocidal megalomania of Gog and his "four winds" of "earth" globalist wildbeasts in for the final sacrifice to Satan, prior to abyssing;

As in WW1's pattern, "immediately after that tribulation" (Mark13:24) that is when the globalist full unification "disgusting thing" will arise from the WW3 "abyss" it must commence into, as apex completed "image of the wildbeast" AND the WORLD-WIDE full-bodied "scarlet wildbeast" in full reign of the 8th King officially manifested in full defiance to God's Kingdom; That is all contained with the 2HWB in the [globalist] "King of the North" sovereign symbol climax with Gog - no BTG;

The national powers, vanquished of actual sovereignty are readied for full extinction in the "sun black as sackcloth" as Rev19:19-21 develops in final "winepress" destructions to be intervened upon by Christ and God's Messianic Kingdom powers; In that 8th King commuting reign, Christ's Kingdom manifests in their face while they are attempting final global depopulation in deepest resumed great tribulation surprise attack of Daniel 8:23-25;

JWs Being Mislaid

JWs are expecting deep GT to go continuous and terminal from Babylon the Great's removal; They are not being told of the attack on the JW org "established place" for the "transgression causing desolation" that the UN/NGO really has become at Daniel 8:11-14; That divinely allowed "desolation" upon the "established place" of the "sanctuary" is upon the JW worldwide organization, now infiltrated by "lawless ones" from the imposter xGB across the whole international corporate structure planted by foretold globalist organizational origination; (Dan11:30-32, 41)
That all began years ago, but manifested in 1991 under the globalist agent Milton Henschel, who placed the current ringleader Gerrit Loesch and the whole xGB are now all globalist lifer infiltrators; Fred Franz was the last true God appointed "one acting as a restraint"; The other anointed were quickly "retired "naturally"; That is how the "constant feature" is also removed in this covert fulfillment since 1991, none of the GB are anointed (or even Christian), none of the "spiritual food" has been prepared by anointed progressively since 1992 (Franz's death) to recycler veggies they now "act busy" producing; This fraud "man of lawlessness" invasion wants to use this divine judgment to make JWs think the GT is upon them - because the judgment MUST start with the "house of God"; 1Pet4:17 so the timing of Daniel8:11-14 will be very convenient for this hoax; Then all this xGB idolatry subtly developed for 20 years, and all the "trust the GB" and "obey the GB" priming, with predictive programming [1], will allow the JWs to be led to interments all over the world, directed by these murderers in the xGB today for this purpose, in the next prelude to World War 3 globalist event such as 9/11, but at a far larger scale;

Biblical Reality

But as we see, even this "tribulation of those days" (Matt24:29) and this "transgression causing desolation" upon the JW org "established place" (Dan8:11-14), are NOT the "end of the world" per se, but a trek over two divinely marked periods of years to national recovery illusion, which provides the world context for the final world "peace and security" statement after WW3;

1. The Daniel 8:11-14, 1150 days (2300 evenings/mornings) leads through the JW "temple cleansing" (Zech3:2-9);

2. That leads to the 1260 day approved final "two witnesses" global sovereign ultimatum of Jehovah and Christ, and that vanquishing in final "trampling" of the "holy city" (Rev11:1-3; Zech14:1-3; 2520 total days) leads to the national recovery along with the vanquishing of BTG in the same approximate period;

3. That leads to the completion of the 144000, commencing the Christ Court 1290 days; (Rev11:11-12; 15-19) in the face of global survivors and enemy systems; (Rev11:10; Rev18:9-19; Rev6:12-17); Court is Daniel 7:26 for Daniel 12:11 time period as Matthew 25:31-46 finalizes by Christ, the full kingdom and the angels; (Zech12:7-9; Rev14:14-20)

4. Parallel within that 1260 to 1290 transition "immediately after the tribulation of those days", and in to that 1290 period is the "freedom from care" (Dan8:23-25) and the final "world peace and security" proclamation from the apex 8th King world rulership; (1Thess5:1-3)

5. That final attack is the Revelation 19:19-21 Armageddon total defiant world system in parallel with the Gog attack of Ezekiel 38-39 as Daniel 11:44-45 globalist and universal "King of the North" meets the end by Jehovah and Christ in the finality of it all, "the war of the great day of God the Almighty"; (Rev16:13-16; Joel3:9-12; Rev20:1-3)

Final Abyss Rise of the Official 8th King Super-Sovereignty

This demonic super-orchestration, similar to the WW1 distraction and world progression in the 1260 to 1290 days, but to zenith totality in final fulfillment, is far more effective to fool all mankind and attempt to force them all to worship the globalist and nationalistic wildbeasts; Satan wants to "666" (Rev13:14-18) as many people prior to their destruction, which a simplistic plunge into global great tribulation in one fell swoop would not provide, nor will it honor former prophetic patterns in the 1914 progressions which God provides so that His people are aware of reality in the "final part of the indignation";

This all fulfills prior to and leads to the "vinepress of the anger of God" extinction mode as permitted by God to eventually "sudden destruction is to be instantly upon" those who make tribulation, the ultimate engineers of the Great Tribulation for this purpose, that requires a divine intervention of universal proportions fully revealed; And the final deliverance of the "great crowd"; (Rev7:9-17 after 2Thess1:6-10; after 1Thess5:1-3; which is Rev19:19-21; Rev20:1-3; The end; (Matt24:14))

No Rush: Biblical Time Periods that MUST Fulfill

That is a (1.) 1150 day; (Dan8:11-14), (2.) 1260 day; (Rev1:1-2-3; Dan7:25; Dan12:7), (3.) 1290 day; (Dan12:11; Dan7:26) progression to Armageddon War to the (4.) 1335 "great crowd" orientation period after total Kingdom conquest, with unknown transitional time periods between them all.

This is all to and through the judgment on JW temple (and subsequent temple cleansing for final JW commission (1150)), the BTG tribulation to utter annihilation, through WW3 (1260), to national recovery and "world peace", to 144000 completion (1290), to Armageddon War to the apparent "marriage feast" of Daniel 12:12 1335; over known prophetic periods as shown and scripturally cross-referenced in many ways logically and linearly, and upon the former 1914-1926 minor fulfillment patterns;

Jehovah's witnesses do not need to be rushed around by an errant xGB; Those "lawless ones" are due for a divine purge from Jehovah WITH their UN idol with them; (Is66:5; Zech3:4-9) And someone needs to nail them for what they are: pretenders; fakes; imposters; no "new light"; liars, stalkers, recyclers, "men of lawlessness" frauds; INFILTRATORS, as per prophecy; It is ALREADY beginning to repeat in the "revealing of the man of lawlessness" before the "temple cleanse" and before the "Day of Jehovah"; There they are, IN "the temple of the God" AT "Joshua's" "right hand"; (2Thess2:3-9; Zech3:1-4)

That is what JWs need to know, so as not to be rushed by hoax events, designed to bankrupt, debalance, persecute and exterminate JWs by use of this lack of knowledge of biblical prophecy against us;

"What if a powerful government were to hatch a plot to exterminate Jehovah's Witnesses as an organization?"

Well the 2Horn-Wildbeast globalist "governmental" planners has laid this "egg" in the JW organization (as foretold), and that is who is sitting in the fraud xGB "man of lawlessness" spewing these ideas, because that is exactly the plot they have "hatched";

But true, Jehovah will in time exterminate them, but they will get a 1150 day desolation on the JW organization as they attempt to fulfill their own mission of theft and betrayal, Judas Iscariot's chief attributes are also in these infiltrators; Jehovah will allow a desolation to a limited degree (Isa12), "because of transgression"; (Dan8:11-14) And that transgression was the UN/NGO covert, overt, then covert again relationship with the xGB sinners; Now the "leaven" is organization wide;

The Ultimate Final Fulfillment Loop to Revelation 8-11; 14-16 in Finale, from Zechariah3; Malachi 3:1-4; 2Thessalonians “Man of Lawlessness” Kick-Off By God Almighty as Per Guaranteed Prophecy.

Yes, even the north south American Civil War can be applied with some creativity to Dan11, because the "kings" in these kinds of conflicts always fulfill Daniel 11:27; They have commonalities throughout human history;

But one particular development is the apex real fulfillment, the biggest king, and that is why Daniel 11:36 calls this king, THE King; (Globalist system)

It surely is NOT the USSR because he failed, as per that sentence of successful requirement in Daniel 11:36:

(Daniel 11:36) *And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvellous things. And he will certainly prove successful until the denunciation will have come to a finish.*

Now the XGB gloss over this... Red flag!

There was absolutely no comment as to the actual significance of Daniel 11:36 (when the USSR collapsed), and hence Daniel 11:30-31 and hence Daniel 8:11-14 as the WT/BTS Governing Body sinner infiltrations and spiritual adulterers for the King North (KN) NWO globalist intelligence operations were injected fully into the Jehovah’s Witnesses organization "fortress", "constant feature" "sacrifice" and ministerial “army” (as Franz died);

(Daniel 11:31) *And there will be (infiltrator) arms that will stand up, proceeding from (globalist KN NWO intel sources); and (GB traitors and KN NWO) will actually profane the sanctuary, the fortress, and remove the constant [feature]. (by spiritual profanation, diversions, and cover ups rendering it disapproved by God)*

And to cap it all off:

“*And they (GB traitors and KN NWO) will certainly put in place the disgusting thing (3rd UN 1990-1991 post Cold WW3 UN proclamation and Bethel placement and UN/NGO relationship) that is causing desolation [*x*].*

(Daniel 8:11): all the way to the Prince of the army (globalist KN) put on great airs, and from (Jehovah) the constant [feature] was taken away (by profanation), and the established place (Bethel/JW organization worldwide soon) of his sanctuary was thrown down. (By this next globalist operation on the JW organization worldwide)

(Daniel 8:12) And an army itself was gradually given over (JW infiltration and compromise), together with the constant [feature] (profanation and error), because of transgression (with the UN 3rd placement in 1990); and (XGB portion KN NWO operations) kept throwing truth to the earth (by covering up the true meaning of this prophecy and others), and it acted and had success. (As can be seen in today’s “lawless one” so-called Governing Body and the “coup de grace” to come upon the JW worldwide organization and Bethel by divine judgment allowing this globalist “desolation”)

And this temple judgment and time period will be a JW signal event of temple and JW anointed, JW purifications:

(Daniel 8:13-14) “*How long will the vision be of the constant [feature] and of the (UN 3rd Placement) transgression causing desolation [*x*]. to make both [the] holy place and [the] (JW) army things to trample on?*”

(Daniel 8: 14) So he said to me: “Until two thousand three hundred evenings [and] mornings; (1150 days; Minimum) and [the] holy place will certainly be brought into its right condition. (Purified as per Zechariah 3:1-10 temple priesthood parallel judgment (v1-3) and cleansing; (v4-9))”

More Obvious XGB Engineered Prophetic Cover Up

The XGB are not dummies, they are highly intelligent “CIA”, a generic term used here to meaning a globalist backed fake JW infiltration group worldwide in scope that is subtly and masterfully subverting and diverting the Jehovah’s Witnesses ministry of Jehovah Almighty God and Jesus Christ to create massive sins on the JW flock - and to set the JW organization up for a fall;

Who can sit at the “GB” table for 20 years and ignore this single Daniel passage that disqualifies the USSR from Daniel 11:36-43?

(Daniel 11:36) “*And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvellous things. And he will certainly prove successful until the denunciation will have come to a finish;* because the thing decided upon must be done.

The USSR failed; The USSR cannot "certainly prove successful until the denunciation will have come to a finish";

Easily seen there in one sentence, the current XGB cover-up of this prophecy must be on purpose, this is clear as day that ONLY KN globalists can fulfill this as 8th King powers successful all the way to Armageddon when God and Christ stop them; (Daniel 11:44-45 is Daniel 8:25);

-----

BUT WHY?

Well they do not want to sell incriminate as fillers of traitor prophecy and transgression as MOL, but there is more, and that website analysis you showed me answered one possibility;

They (xGB and globalists) want to be able to apply Russia, or any other national world power or bloc that may arise for WW4 puppet show uses;

BUT THIS IS ACTUALLY A GLOBALIST DEVELOPMENT IN DANIEL 11:30-45!!!

The XGB want to aid the general illusion that this is NOT a globalist 8th King King North; WT6/15/2012 "there will not be another world power" brothers!

Why that lie?
Because they can pick up Daniel 11:43 as collapsed USSR where it left off anytime now, and they can hoax JWs into thinking this is about to take place - but it isn't:

(Daniel 11:44-45) . . . But there will be reports that will disturb him, out of the rising and out of the north, and he will certainly go forth in a great rage*** in order to annihilate and to devote many to destruction. 45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; (Armageddon) and he will have to come all the way to his end, and there will be no helper for him.

IN REALITY, that is at Daniel 8:25, AFTER WW4:

(Daniel 8:25) 25 And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care (real peace and security, NOT the hoax one that they may use speculatively speaking) he will bring many to ruin***. (Armageddon) And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

What is really happening SOON is this:

WW4 prep and what leads to it is a continuation of this that began in 1990 invasion of Iraq, Desert Storm, Gulf War:

(Daniel 11:40-43) . . . “And in the time of [the] end the king of the south (national duped powers) will engage with him (globalist KN actual developments) in a pushing, and against him the king of the north will storm with chariots and with horsemen and with many ships; (of global NATO) and he will certainly enter into the (worldwide national) lands and flood over and pass through, (over a number of years since 1990)

And that expanded more after 911 as “World War on Terror” 2001, the “global war” on terror - BUT they are actually just positioning a worldwide 10 year expansion of Global NATO (1999) for WW4 and the prelude to it coming up - how long that takes we do not know;

JWs will think it is the end, BUT IT IS JUST THE BEGINNING;

This, below, is the JW infiltration of the post 1990 UN/NGO developments as a clue this is covert, and can become overt soon Daniel 8:11-14 “established place” “thrown down” as it develops under XGB control in the near future, BUT it began in 1990 to manifest as UN affiliation of the GB and WTIBTS:

41 He will also actually enter (the infiltration UN/NGO; This is Daniel 11:30-31; These are parallel 30-35; 36-39; 40-45 NOT sequential, but they do shuffle into each other) into the (national) lands and the Decoration (org), and there will be many that will be made to stumble, (millions stumbling, by UNNGO hypocrisy and other bad GB policies; I removed [lands] the inserted word) But these are the ones that will escape out of his hand, Edom and Moab and the main part of the sons of Ammon. (Those 3 nations are traitor and opposer nations in bible history, so they symbolize enemies of “Israel” JWs, that escape because they are the infiltration in many globalist controlled “lands” aiding this - all symbolic)

THIS IS WHAT IS ACTUALLY ABOUT TO FULLFIL AS WELL, THIS IS TOTAL NATIONAL “EGYPT” BANKRUPTCY INTO GLOBALIST KN PAYING TO A COMPLETION, IT IS ALSO THE COMPLETION OF REV 17:12-18 WHEN BTG IS ABSORBED:

42 And he (gKN) will keep thrusting out his hand against the (national south worldwide) lands; and as regards the land of Egypt, she (King South nationals becomes a subservient she) will not prove to be an escapee. 43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (They will own the national powers as per Rev17:12-18) And the Libyans and the Ethiopians will be at his steps. (Those are peon nations that can be sucked in later, because they are subservient to the whole thing, they have to be)

So we need to think GLOBALIST 8th King “KN” here SUCCESSFUL ALL THE WAY TO ARMAGEDDON, see what XGB are trying to do here;

They are trying to advance a feeling of GT and Armageddon finally on JWs, BUT in fact it is a God allowed temple judgment and cleansing, just the beginning of the final cycle, 1150 days, unknown transition of 7 trumpets activating in sequence, to 1260 days, 144000 completion;

They want to stall, confuse, incarerate, stumble and cripple the JW org by making it think it is GT - and when it hits, most JWs will be GB inspired CLUELESS, but the globalists are going to attack JW finances and "throw down" as it develops under XGB control in the near future, BUT it began in 1990 to manifest as UN affiliation of the GB and WTIBTS:

But these are the ones that will escape out of his hand, Edom and Moab and the main part of the sons of Ammon. (Those 3 nations are traitor and opposer nations in bible history, so they symbolize enemies of "Israel" JWs, that escape because they are the infiltration in many globalist controlled “lands” aiding this - all symbolic)

That will delay JWs, as per Dan8:14; BUT, it is God's prophecy being fulfilled, it must happen like this;

Daniel 11:42-43 is what is REALLY activating further to completion, and that is going to take time and WW4 to complete; BTG is the bigger asset target by this WW event cycle;

They want to be performing that "checkout"; during WW4 to completion "paying", on national "Egypt" (King South national powers"), leading the world to and through WW4 over +/- 10 more years planned, WHILE poor confused GB fed and led JWs think it is v44 "he will certainly go forth in a great rage in order to annihilate and to devote many to destruction."

See what I mean?

JWs will be dizzy wondering what the heck is going on???

Daniel 8:11-14 is what will be going on;

AND actually it is just v40 spiking "he will certainly enter into the (national) lands and flood over and pass through" (worldwide) expanding for total WW4 positioning; BECAUSE Globalist KN runs BOTH national KS and KN decoy puppet show for this final DT "birthing" WW!

Globalist KN will FINISH his "world invasion" (v40) in this period!

He won't get to v 44 "reports" until JWs are cleansed AFTER Dan8:14, because those "reports" come from the final "two witnesses", the real disturbing "bad news" for globalist KN of the "little scroll" Sovereign Ultimatum of Alimghy God and Christ, that KN will be annihilated after the 1260 days, after 144000 completes!

This way the XGB hoaxers can pick up the JW prophetic false "action" at Daniel 11:44-45 AS A BIG HOAX!!!!, and that is to confuse JWs FOR A COUPLE YEARS OR SO (OR MORE, NOT SURE), because Armageddon is actually after WW4 NOT AT THIS TIME coming up, it is after the 1260 days, after the 144000 complete, after Matt24:29-31 (Rev6:12-17), which will not have happened yet, it will just be the initial events that will lead to WW4, the beginning, NOT the end;

See the confusion this can cause JWs?

-----

The Daniel 11:30-31 3rd UN placement in 1990, after cold WW3, is what the XGB is covering up ALSO because we can see it is a pattern, and the XGB and their globalist chums do NOT want this easy-to-see pattern to be shown Biblically;

World Governmental Image/ Government
1. 1919; after WW1 = DT LON 1
2. 1945; after WW2 = DT UN 2
3. 1990; after WW3 = DT UN NWO mode, 3

And Daniel 11:44-45 and Daniel 8:25 is the 4th stand, that has to be after WW4;

They do NOT want people making this connection:

4. 2020+/-, after WW4 = FINAL DT AND globalist 8th King world government NWO 4; (final "peace and security"); “freedom from care”;

They do not want JWs, or the world, figuring this out, and that 3rd UN stand total cover-up of 1990-1991 by the XGB is aiding this illusion;

---

So that web you showed me is interesting, they see parts of this, but are stuck in the national KN mental shell of illusion; But they are closer or as close as this false GB interpretation; They are set-up also for the globalist Russia or Russia/China bloc illusion;

The globalist want people thinking NATIONAL;

---

I think in the overall sense, Satan as Gog is part of the KN symbol too, but I do not mention it much, to avoid confusion:

King North Multi-Realm Sovereign Symbol

Interesting that they do see the Ezekiel 38 parallel, that final super-attack is one Rev19:19-21; 20:1-3 finale after the "freedom from care"; 1260, and the final "peace and security"; BUT, the 144000 will be completed in that period; Matt24:29-31 "gathering";

Eventually JWs will figure this out as God and Christ recover the "temple" for the REAL grand finale! JWs will need the first 4 trumpets blasted in our ears by God to continue the 5th and 6th final ministry to big 7, LOL;

Talk to you soon;

JW Catatonics - Fred Franz Dies, So Does "New Light" in JW Org;

At Daniel 11, verse 36 there is the definitive prophetic removal of the USSR from fulfilling this scripture:

(Daniel 11:36) “And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful UNTIL [the] denunciation will have come to a FINISH...

== KEY: Russia or the USSR did not "certainly prove successful until the denunciation will have come to a finish";
==

JW Catatonics - Fred Franz Dies, So Does "New Light" in JW Org;

So there is where the lost trek to the current JW situation began; 1991; The GB lost it's compass (Fred Franz) and Milton Henschel took over; U.N. Henschel, who wasn't even a real Christian much less anointed, but a globalist intel agent made sure after Franz "convenient" incapacitation that JWs miss the following:

UN Henschel Missions:

1. The USSR dropped out of ALL Daniel 11 interpretation, relegated to the "failure bag" of all national KNs at Daniel 11:27 "nothing will succeed";

(Daniel 11:27) But NOTHING WILL SUCCEED, because the end is yet for the time appointed.

Make sure JWs don't catch on to this update;

2. As the USSR collapsed and Russia "surrendered" to the 8th King United Nations by becoming a member of that globalist union, the significance of the end of the Cold World War, as significant as WW1 and WW2 was, MUST be missed by JWs; (Hence "no comment" was permitted from Franz due to incapacitation);

Make sure JWs stay in 1990 level of biblical understanding;

3. Before a Joint Session of the US Congress, George Bush Sr. announces "The Fifth Objective", "The Dream of a New World Order" on September 11, 1990; Henschel was to make sure the significance of this "False-Prophet" "disgusting thing" worldwide stand, proclaimed by a high-priest of the 2-Horn-Wildbeast fell OFF the JW prophetic radar permanently;

Make sure, Sir Henschel, that spiritual radar glitch remains;

Mission accomplished fulfilling scripture:

(Daniel 11:30a) “And he (globalist KN) will actually go back and hurl denunciations against the holy covenant and act effectively;

Henschel and Co. acted far more effectively then Nazi Germany or the USSR to whom none of that prophecy applies; It applies to the infiltration of the JW org even prior to the Henschel mission completion;
Daniel 11:30b) …and (Globalist KN) will have to go back and will give consideration to those leaving the holy covenant [in the WTBTS].

4. And that is the "transgression causing desolation" (Dan8:11-14) (soon) manifesting in the UN/NGO DPI for NWO that turned the WTBTS into a partner proclamation agency for the "New World Order" "disgusting thing":

""President George Bush of the United States addressed the UN General Assembly... “For the first time, the U.N. Security Council is beginning to work as it was designed to work.”... By doing this, they can complete the “historic movement towards a new world order and a long era of peace.”"

The WTBTS chimed, proclaimed and promoted NWO right along with George Bush as he rounded the world proclaiming UN-NWO mantras and pow wowing, as the drum beating WTBTS xGB also rounded the world in The Watchtower and Awake!, for 10 covert years, doing likewise, even quoting the 2HWB High-Priest verbatim;

Make sure JWs STAY in this massive sin by condoning it and the obviously rogue apostate xGB;

JW SuperSin

Instead of pointing out the significance of Daniel 11:30-32 in light of the USSR collapse, they instead became "New World Order" publicity agents worldwide;

(Fred Franz certainly would have noted the significance of the NWO "disgusting thing" stand after the Cold War implied triumph of the UN;

JW GB Fulfills Prophecy

“And they (Globalist KN and xGB traitors) will certainly put in place the disgusting thing (UN/DT in NWO mode; 1991) that is causing desolation. (And that parallels the desolation transition of Dan8:11-14)

To this day, the globalist operatives in the xGB still promote the NWO, here is GBer Stephen Lett flashing the "Illuminati NWO" 666 sign during a congregational talk:

Lett;

GI Henschel: Mission Accomplished

So, Milton Henschel was successful as per prophecy, "acted effectively"; He then placed Gerrit Loesch (1994) to lead the ring to the coup-de-grace event after his departure; Today, the whole xGB and ZO admins, as well as the corporate financial system of the WTBTS is all overrun with globalist intelligence operatives and JW traitors;

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God. Now if it starts first with us, what will the end be of those who are not obedient to the good news of God?

And as Peter under inspiration implies the signal denunciation of God's house is followed by the completion of the judgment on BTG, the world, and the final 8th King ascendant world power and all his and Gog's crew; (Rev19:19-21; 20:1-3; Eze38-39; Dan11:44-45)

TRUTH:

Fred Franz had he lived and was not incapacitated while this unfolded in prophecy would have noted the USSR could not fulfill Daniel 11:36;

If the USSR could not fulfill verse 36, it could not fulfill anything afterwards either, the USSR was just another failure summed up here:

The USSR did not even enter the "time of the end" of the "last days", because they help mark the end time commencement;

UN-NWO Disgusting Thing Stands (1) - 1990

This is because the "disgusting thing" stood up as the "False-Prophet" and uttered their mantra 'the dream of a new world order' main false-prophecy as George Bush Sr's "5th Objective" before the US Congress on September 11th 1990;

George Bush Sr. 9/11/1990: Address Before a Joint Session of the Congress -

We stand today at a unique... moment,... Out of these troubled times, our fifth objective -- a new world order -- can emerge: a new era,... Today that new world is struggling to be born, a world quite different from the one we've known...This is the first assault (Iraq Kuwait Invasion) on the new world that we seek, the first test of our mettle. (Gulf War)... in defense of principle and the dream of a new world order.

Update Obviously Needed

Now obviously Jehovah's witnesses have not been officially updated on this obvious revision to Daniel 11:27-45, because the Cold War UN/DT slipped under the JW radar;

GB Speaks

But the Governing Body/ WTBTS did make an announcement, and rather than expose the UN/NWO meaning in Daniel 11:30-32, they joined in the promotions of the "new world order" with 79 quotes and references in 10 years (1991-2001) as the UN/NGO Department of Public Information spreaders, adjunct "ad agency" for the UN DT "NWO" mantra and objectives;
Rather than expose it, in The Watchtower and Awake!'s massive global distribution, they joined the NWO "False-Prophet's" proclamation of: "New World Order everyone!" Hurrah!!

And still, they play dumb, because we no longer have brothers in the GB, but those who leave the "holy covenant" in Daniel 11:30-32, which leads to this simultaneous parallel stand of the DT in world history known by all:

UN-NWO Disgusting Thing Stands (2) in JW Temple by GB Sanction - 1991

====

TRUTH:
Fred Franz would not have let this slip in;

This leads to the full "denunciation will have come to a finish" in Daniel 8:11-14, and another update of prophetic meaning to come forth in Daniel 8:11-25; (Also conveniently covered by the rogue xGB) See [1]

====

So from the fullest final fulfillment meaning, the NWO swaps in at Daniel 11:28 and continues the trek of prophecy of what was formerly mistakenly believed to be fulfilled by the USSR (or Nazi Germany; just another failure of Dan11:27);

The USSR is barely mentioned in Daniel 11, just a part of "nothing will succeed", that is the container of the USSR national King North = Just Another Failure based on Nationalism;

The REAL "King of the North" is globalist 8thKing-globalist-2Horn-Wildbeast, as all apex globalist power on earth, the full 8th King super-system (FULL bodied "scarlet wildbeast"; Rev17:3, 11-17) to come soon, as another final world power, King number 8, as also shown in the "King of Fierce Countenance" as well; (Dan8:23-25) The FINAL Kingdom of Adamic Mankind;

The judgment on the JW temple; (Zech3; Dan8:11-14), will lead to this awareness fully, will be traumatic, will lead to a cleansing and to the final fulfillment 7 times (2nd 1260 days = 2520 days) of the 2witnesses as Rev8-11 has a final cycle; (Rev11:2-3 will repeat to ACTUAL Kingdom and Temple completion; Rev11:15-19; Rev11:11-12)

And that's all she wrote;

If the rogue GB was legit, they would have pointed this out in 1991, rather than "place the disgusting thing that is causing desolation" in the JW temple as apostate globalist adjunct operatives;

(Daniel 11:30-32) "And he (globalist KN; (gKN)) will actually go back and hurl denunciations against the holy covenant and act effectively; and (gKN) will have to go back and will give consideration to those leaving the holy covenant [in the WTBS]. 31 And there will be arms that will stand up (spiritual warfare), proceeding from (gKN); and they (gKN and traitors) will actually profane the sanctuary (by UN/NGO), the fortress (Org), and remove the constant feature. (Pollute Adamic sacrifices)

"And they (gKN and traitors) will certainly put in place the disgusting thing (UN in NWO mode) that is causing desolation. (And that parallels the desolation transgression of Dan8:11-14)

32 “And those who are acting wickedly against the covenant (more WT traitors), (gKN) will lead into apostasy by means of smooth words.

And THAT is still going on in the WTBS until Zech3/Dan8:11 clean out the "men of lawlessness" SOON; (Zech3:4; 2Thess2:3-12)

GUARANTEED; (Isa66:6)

Jehovah's Lead Visionaries Versus The Governing Body Illusion

In hindsight now, strangely enough, the Franz's, Fred and Ray, changed the entire course of JW history, in their own way, once this final phase unfolds and "Man of Lawlessness" "Governing Body" is removed; Fred was the lead harmonization "visionary" of prophecy. Ray exposed the illusion that the Governing Body was progressing to to create the illusion that they are visionaries;

Fred probably saw this development, and rather than cause waves, he gave the Governing Body an inch, and they took the mile and will hang themselves in time now seen in hindsight as to what they really are; "Man of Lawlessness";

The general JW family have basically had 1 lead visionary, that God showed some basics to, in the context of other men along with Brother Russell, it was all going this way eventually, even Isaac Newton understood the possibility of a preparatory invisible reign of Christ - so even Charles Russell had precursors and aid of course;

The Governing Body are deceitfully acting as if they are this visionary history, but they are just recyclers and bean counters pretending;

From Russell, Rutherford took the lead, and Fred Franz assisted Rutherford more than is commonly known, the point was, the developments from 1914, League of Nations "Disgusting Thing" (DT) 1.0, 1919, to the United Nations, DT 2.0, would solidify the prophetic and historical master pattern to found the basis of Daniel 2, 7, 8, 11 and Rev 13, and 17;

Fred Franz NOT the Governing Body is who explained all that development;

See what the "Man of Lawlessness" Governing Body are trying to pull off here?

But anyways...

When the United Nations officially arose in 1945 from the inaction of the League of Nations in WW2, Revelation 13 and Rev 17 became clear as a bell, as Daniel 7
and 8 benchmarked the progression of these world powers with names, from Babylon to Medo-Persia to Greece, Rome and the UK was easy enough to pick up over time;

Daniel 2 "dreadful image" lays the progressive pattern as well:

Globalism is the Key Reality Being Missed

Globalism has not been so easy to pick up, and this hindsight that the Governing Body has been "Man of Lawlessness" from incept (1976), at that level of committee power, was logically the purposeful goal of this engineered compromise; THIS IS NOT SOME OVERSIGHT, THIS IS ON PURPOSE;

Whether it was Rutherford and Franz, or Knorr and Franz, Fred Franz and the admin teamwork lead, was the actual visionary prophetic lead system of the JWs; Fred Franz was the one that God gave Daniel and Revelation eagle eyes to through Christ;

The point is, the WTBTS was better off with Franz and Knorr making the key decisions, than what developed when the Schroeder/Henschel "Governing Body" hooligans began filling the Governing Body with lopsided anti-christian non-anointed control; The seizure of control of the Governing Body over Knorr and Fred Franz, was the beginning of the end of the JWs as we knew them from 1950 to 1970, when the brothers were REAL;

In hindsight the whole Governing Body is just an overblown mythology of power play for corporate purposes revealed by Ray Franz, that extended outward to the flock like a sheep beating iron rod soon after the Henschel freakshow got control;

Please keep in mind, Fred Franz was like 83 in 1976, and once the Governing Body went into power over him, policies were born that have become the top 3 multi-million person stumbing topics of all JW history;

THIS IS REAL, AND VERY SERIOUS HUMAN BLOOD ON THE Governing Body HEADS; MILLIONS OF GALLONS OF IT; PUT 2 AND 2 TOGETHER, THOSE PURPOSELY BLOODBURDENED MEN ARE NOW THE DEVIL, IN THE JW ORG;

By 1980 we had that Ray Franz targeting Inquisitional witch-hunt of the Brooklyn Neo-Papacy, and all the info Ray Franz put out reveals "Man of Lawlessness" was active in his time at incept; (Unfortunately for Ray Franz, he did not understand prophecy was fulfilling in the temple completion lead-in segway; NOW we know)

That Bethel Inquisition was a plain disgrace, and the shunning "doctrine" that soon developed, shows other ice-heart key globalist Satanists were in the Governing Body to create policies that would damage sheep, and cause the truth to be "spoken of abusively";

By 1991, with the UN/NGO 666 Governing Body blessed Baal sins at Bethel, totally overriding Fred Franz as he lay dying, it is clear as a bell these men were not anointed loyal Christians, in fact it is questionable if a man like Milton Henschel was even Christian at all; He appears in hindsight to have been a Knorr glued spy through WW2; And he was the lead 666 sinner of 1991;

Well, when the USSR dropped into failure, they also dropped OUT of Daniel 11:36 contention;

Fred Franz, now 98 or so, was not able to comment on this AND IT IS HIGHLY IMPORTANT!, and none of the others were anything but blind bats to cover up what the USSR dropping out of Daniel 11:36 possibility actually means;

IT MEANS THE ENTIRE DANIEL 11:30-45 SEGWAY IS NOT A NATIONAL, BUT A GLOBALIST POWER KING NORTH, THAT WILL PROVE SUCCESSFUL, "UNTIL THE DENUNCIATION WILL HAVE COME TO A FINISH";

(Daniel 11:36) And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

A chimpanzee can figure out that the USSR did NOT prove successful period! The USSR is NOT in Daniel 11:36 until [the] denunciation will have come to a finish; because the thing decided upon must be done.

So the contradiction is, the WTBTS with "Man of Lawlessness" Governing Body blessing, promoted this 3rd Stand of the UN DT 3.0, in NWO mode HERE:

"A few days later, President George Bush of the United States addressed the UN General Assembly. The changes he saw inspired him to say: ‘Not since 1945 have we seen the real possibility of using the United Nations as it was designed—as a center for international collective security.’ He said this because “the United Nations reacted with such historic unity and resolve” to the Persian Gulf crisis. “For the first time, the U.N. Security Council is beginning to work as it was designed to work.” He also said: “The United Nations can help bring about a new day” if its members “leave terrible weapons behind.” By doing this, they can complete the historic movement towards a new world order and a long era of peace.”"

The point being before the General Assembly of the United Nations, that is a worldwide UN "Disgusting Thing" Placement, George Bush Sr., as a top 2Horned-Wildbeast globalist official, placed this "disgusting thing":

(Daniel 11:31) “And they will certainly put in place the disgusting thing that is causing desolation.

The "they" in that statement includes the Governing Body and WTBTS that "placed" the "disgusting thing" in that Awake! magazine and JW "Bethel Temple", and 78 more "New World Order" quotes and references, and many UN books and support orgs promoted for 10 covert years; (Search the WT Lib CD and see how many time "new world order" appears - it is blatant advertising for the UN);

TODAY'S SO-CALLED GOVERNING BODY AS ALL SATANIST UN 666 WORSHIPERS WHO STILL COVER THIS FACT UP!

And they are revealed as per 2Thess3:3-4 prerequisite before the Daniel 8:11-14 temple smashing of Bethel, the xGB, and the worldwide organization of Jehovah's witnesses, because that 1991 Governing Body Beast and Devil worship on-going festival MUST and WILL be accounted for from the JW temple system;

(Daniel 8:11-12) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place (JW org) of his sanctuary was thrown down. (in the near future) 12 And an (JW) army itself was gradually given over (to the infiltration of Daniel 11:30: "he will have to go back and will give consideration to those (JW GBers) leaving the holy covenant. And there will be (spiritual invasion; Dan11:41) arms that will stand up, proceeding from him (Globalist KN2/HornWB); and they will actually profane the sanctuary..."), together with the constant [feature] (All the "food at the proper time", UN cover-up, etc, etc), because of transgression (of UN/NGO 666 relations); and it kept throwing truth to the earth (covering up real prophetic significance), and it acted and had success. (as the XGB of today, and a complete JW organizational finance and logistics controlling compromise by globalist intel interests of the 2Horned-wildebast/8th King system for attack purposes in the near future against the final JW ministry)

THAT is the worst thing going in all JW history; The Governing Body "Man of Lawlessness" are a criminal ANTI-CHRIST sham, and shame;

What If Fred Franz Would Have Lived?

Well, the USSR would have to have dropped OUT of all the Daniel prophecy right where they began;

(Daniel 11:36) And he will certainly prove successful until the denunciation will have come to a finish...

It is just plain obvious that cannot be Russia or the USSR nor can any scripture after Daniel 11:36 apply to them;

The USSR FAILED, they were NOT successful;

Thus had Fred Franz lived, it would have been back to the Daniel 11 drawing board from Daniel 11:36 forward to Daniel 11:43;

That Daniel 11 sequence as currently applied to the USSR "KN", is in error as the USSR's failure invalidates them from the required profile of success to the end;

And further, we see no possibility of the USSR's bankruptcy yet somehow complete rulership of the "gold and the silver" of the basis of world wealth as King South is neutered into subservience as the "Queen of Egypt" (south original domain in Daniel 11):

(Daniel 11:42-43) as regards the land of Egypt, she (KS) will not prove to be an escapee. 43 And he (KN) will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (KS national domain)

So we may wonder how can the Governing Body of Jehovah's Witnesses still refuse to update this obvious "glitch" in Daniel 11?

The answer WILL surprise you;

Cold War Globalist Idol Womb

Again, had Fred Franz lived, the next major "world peace" development that accompanied the fall of the USSR, and Russia joining the United Nations at the end of the Cold War, would have been an OBVIOUS major event to investigate related to Bible prophecy for it involved "disgusting thing" placement in 1990;

In time, this prophetic connection to globalist world governmental 8th King UN "image"; (Rev17:11-17; Rev13:11-15), would answer the question as to who the "King of the North" is from Daniel 11:27 forward in world success to the end, as required per prophecy, as other discrepancies appear in the prophecy from this USSR glitch and related UN presentation;

Globalist United Nations in NWO Mode (1990)

After the Cold World War ended another presentation of globalist world governmental "disgusting thing" was presented for a third time to the world in the form of the False-Prophet; (Rev13:11) proclaiming the objective of a "new world order" on September 11th 1990 before the US Congress connected to the United Nations...
before the UN Security Council shortly thereafter;

No one can ignore the significance of this event; Why does the GB do so?

With this further development, Fred Franz would have logically been floored; He would have to reverse back six verses in Daniel 11, to Daniel 11:30-31, where lo and behold, a “disgusting thing” (DT) is also placed on the world scene! Could it be connected? Is an update to reality due?

Is this a third UN/DT placement in 1990 rather than WW 2 and the UN 1945 placement?

Well that question would logically arise as the USSR bottomed out of prophecy. A re-read would be called for; a UN global presentation would logically connect to Daniel 11:30-31 for another, closer look at the prophecy; These two events are simply to closely connected in live, real-time developments in 1990 to just be ignored;

A no brainer; A no brainer the current GB still does ignore; Why?

Nazis Knocked Out

In fact even Nazi Germany drops out of Daniel 11:30-31 contention as well. As is common knowledge, they had nothing to do with the League of Nations or a then non-existent United Nations and could be therefore no part of the DT placement in the “they shall certainly place the” DT of Daniel 11:31 due to that resistance to English elite servitude;

As Nazi Germany, they were also non-existent in power when that UN “disgusting thing” was placed in 1945, so they could not apply to the Daniel 11:30-31 prophecy in any way.

Then who does apply? When?

Logically the King of the North and King of the South in all the world wars are summed up in one sentence:

(Daniel 11:27) But nothing will succeed, because the end is yet for the time appointed.

A national north and south “kings” fail until the appointed time; 1914 to 1990 was still not yet that time by as the USSR's failure gives evidence of; All national “kings” north or south, from WW1 to Cold War, all fail, nothing succeeds; Neither Germany or Russia proceed past Daniel 11:29;

Desolater Becomes More Obvious

World war is a “desolation” production that is engineered for the finale presentation of the ”disgusting thing”, “that causes” and uses that ”desolation”, in it's ending “peace” resolution, to present the world with globalist world government as the only solution for world peace;

This world war to DT presentation has occurred three times since 1919;

As Jesus stated, the globalist “disgusting thing” is what “causes desolation”, no interpretation needed, it is what it is, it is the globalist causer of world war:

(Matthew 24:15) the disgusting thing that causes desolation

So now with these two major glitches in current JW interpretation of Daniel 11:27-43, by plain history and logic, placing the Daniel 11:31 context in 1990 with the UN NWO, why is no comment made?

This is not that difficult to see;

Fred Franz’ Revenge

Well had Fred Franz lived through this, as a functioning influential member of the Governing Body, he certainly would have said something about this easily detected prophetic glitch and significant presentation of globalist UN world governmental “prophecy” rather than go on a WTBTS, xGB sanctioned, UN “disgusting thing” NWO “advertising campaign” and “public relations service” commenced in print 9/8/1991 for 10 years in the Watchtower and Awake! as a UN/NGO for public information dissemination on globalist UN books and organizations worldwide;

And that is why the rogue Governing Body will not update the Daniel 11 interpretation or expose the activities of their globalist owners since 1990, for whom they still cover this up for, as part of the prophecy in Daniel 11:30:

(Daniel 11:30) those leaving the holy covenant

The apostate Governing Body of Jehovah’s Witnesses is a globalist wildbeast 666 serving agency infiltration, this is too glaring to be accidental, it is on purpose for 20 years running fulfilling 2 Thessalonians 2:3-12;

But at least we know why the UN library card would be needed for the NWO section and promotional research on the UN and NWO festivities planned;

This affects Daniel 8:11-25 as well; It is a parallel “transgression causing desolation” from the JW xGB in 1991, not 1932 or 1938;

I think your comments have real credibility. The questions is: What should Jehovah's TRUE followers do since the WT has been taken over by Christendom-like agents?

......

Pray ALOT, and read ALOT of Bible and OLD books and old Watchtowers; The Revelation Grand Climax book is still good, but understand that was a MINOR, 1914 cycle, what is coming is the MAJOR final completion cycle, the REAL thing, not a minor foregleam, that 1914-1922 was; But they are related, this is the reality "in person" so to speak that is developing as we speak;
God is coming with full Christ Kingdom, they are at the doors; FOR REAL!

Be patient and AWAKE to further developments that MOL will be developing before Daniel 8:11-14 really activates; MOL knows what he wants to do to JW's, and MOL developed from globalist KingNortgh powers; (Daniel 11:30-31) and that UN/NWO as UNNOG sin, is the "transgression causing desolation" of Daniel 8:11-14; Dan11:11 is in the near future, NOT an anticipated Nazi persecution;

That coming "desolation" is what is due upon the JW "established place" "of the sanctuary"; Not the "sanctuary" itself, but the worldwide JW org, to a divine degree; (Jer30:11) (Remember, the globalists KNOW this is given by God and why, a BIG 666 sin onboard JW org, JW's are in the dark, and like Israel, still deny the UN/UNGO sin and what it REALLY is going to mean, SOON;)

But...

Realize that God is not just going to end the world according to JW expectations; He is going to give one last incredibly detailed prophetic cycle based on the minor temple foundation cycle of 1914-1922 to all JWs and to all the world that can be reached; This 1150 days of Dan8:14 temple cleansing MUST lead to a cleaned up JW final ministry of Revelation 11 "two witnesses", because that 1260 days, MUST complete as "7 times" of the "holy city will be trampled" (Rev11:2) for a total 1914-1918, and the near future final attack (not this initial cleansing), for a total 1260+1260 or 2520 days, a sort of "snapshot" of the "appointed times of the nations" on God's anointed and supporting earthing ministry;

So this cleansing period of Daniel 8:11-14, a unique cycle, will lead to a transition to cleansed approval of God through Christ of Jehovah's witnesses, minus MOL and rejected JW's worshipping the xGB, to the final attack of years after this initial attack, to fulfill AFTER the 1260 day final JW ministry of Revelation 10-11, announcing the guaranteed completion of the Temple (Rev11:11-12; 15-19) and Kingdom under Christ, ALL 144000 will be completed in that post "tribulation of those days" (1260 day included) period of the break-point at Matthew 24:29-31 "gathering";

Chris will make the final completion of his own ministry, separating the sheep from the goats, where Matt25:31-46 is in the Daniel 7:26 final "Christ Court" and is Revelation 14:14-16, which must finalize AFTER the 1260 days, in the 144000 complete final 1290 day cycle of Dan12:11;

Exactly when Armageddon is finalized in that period is not known;

In this way, with MOL and Dan8:14 temple cleansing seen by all JWs and all the world, God is giving an approximate mapping to the end of the world of rival sovereigns, upon established patterns of prophecy from the former temple foundation minor pattern, to this major final fulfillment mode temple completion finale;

So, this Dan8:14 (1150 days) minimum "established place" "thrown down" and temple cleansing is also Rev8:2-5 and Zech3:2-9; and leads to the recovery period of true enlightenment; And that is the 7 trumpets also going into the final fulfillment mode, those angels of Zechariah 3, have other angels of Rev8-9 and Rev15-16 assisting this final cycle to the Rev10 "little scroll" commission, which is finalized and proclaimed in the Rev 11 1260 days final sequence; After Rev11:7 final attack on the anointed (Rev6:9-11; Rev13:9-10; Zech14:1-3), and God's own actions by Christ at Matt24:31; Luke17:37; Mark13:27, the 144000 complete AFTER that 1260 days is completed;

That commences the final sheep and goat separation and the 1290 days final period, but we do not know when full Armageddon will develop; BUT, the 8th King will also be at apex of Daniel 8:25, Daniel 11:44-45, Rev19:19-21, and Eze 38 is an attack on earthling JWs AFTER the 144000 are completed; That is why they have "no wall" and are considered by Jehovah the "center of the earth", the "nucleus" of the "new earth" as Rev19:19-21 and Rev20:1-3 resolve permanently;

So, we cannot be misled by the xGB over-simplification, that they want to use against JWs to try to impede this understanding and to try to shut-down the 2witnesses 2.0 before it even begins;

So, read Daniel 8:11-25 and Daniel 11:27-45 and know those are NWO globalist 8th King and two-horned-wildbeast elite powers, not national powers; The nations are pawned at Daniel 11:42-43 as Revelation 17:11-17 progresses to completion through WW4 over a period of time; BTG is absorbed and destroyed in this period; The JW "sheep" will also be scattered in this period, but angels will be involved more prominently with JWs in the field; (Zech3:7)

The "scarlet wildbeast" is a globalist unification, of national elites, collected by the 2-horn-wildbeast globalist elites as the 7th head of that globalist wildbeast main controllers, the WHOLE thing is the 8th King, FAR FAR more than just a 7 area UN "image" in New York; This coming power system, is an actual worldwide, super-technologized, progressively expanding in power, "New World Order" central world government super-sovereign worldwide 200 multi-national super-structure, a uni-power system (8th King) of the climax 666 that it is designed to become "image" AND "scarlet" whole bodied "wildbeast"; (Dan8:23-25; Rev17:11-17)

Just Keep Preaching because this is the truth, MOL will be removed, this is OUR temple, NOT the fraud xGB sinners and fraud fake brothers; They will be assisted OUT, by angels, in whatever way God does that; (Hos1:4-7; Zech3:4-7; Isa66:6) They, like Judas, merely fulfill prophecy and set their own owner globalists up for full exposure to the world as the source of this compromise for years;

We have the truth of God, that is why they targeted us;

And newbie sheep are still being brought in to the truth (Zech11:4-17 "Flock meant for the killing"), and newbies have a lot to catch up on, and have plenty of real food to even get to experienced JW 1990 levels of prophetic understanding, so keep bringing people into the truth; Even experienced JWs are being fooled right now; Don't let this development of MOL stop your preaching, because MOL will be cleaned out soon; (Zech3:4-7 Hos1:4-7);

MOL is also foretold in Zech11:

(Zechariah 11:17) Woe to my valueless shepherd (xGB), who is leaving the flock! A sword will be upon his arm and upon his right eye. His own arm will without fail dry up, and his own right eye will without fail grow dim." (no actual "new light")

Just because the MOL is "in the temple of God" does not make it not God's Temple, JWs are in an agreement with God through Christ, like Israel was, and there is NO WAY Jehovah and Christ are backing out now; INSTEAD they are coming IN, Isa66:6, to discipline and cleanse the JWs according to divine insight and perfect justice to fulfill prophecy; Zech3, Dan11:14-14, Mat3:1-5;

READ ALOT OF BIBLE LIKE ISAIAH; Isaiah foretold both the 740 BCE attack on Israel, and the 607 Attack; THAT pattern is the (740 node) Dan8:11-14 first attack as God permits globalists to attack the JW org, but as per Hosea 1:4-7, God shuts it down in the proper time; Then a number of years later, the Revelation 11:2-7 final attack occurs on "Jerusalemin" (607 node) (Zech14:1-3); But JWs are in a fully approved state at that time; That attack is so that the 7 times are completed as 2520 days and the 144000 temple completes in the face of the enemy, like in 515 BCE;

THEN, it's all over; But we do not know when in the 1290 days is the actual end (Dan12:7 is Daniel 7:25; Dan12:11 is Daniel 7:26), we know Jehovah will complete
This is Just the Beginning of that Final Set of Periods

What we are seeing is, the very very beginning of the final kingdom/temple cycle sparking up, that will repeat the whole 1914-1918, and 1919-1922 prophetic minor patterns to major JW cleansing fulfillment;

And that Daniel 8:11-14 temple cleanse SOON to initiate, and the parallel Zechariah 3-1-9 "temple priesthood" cleansing, will prepare JWs for the FINAL, second, 2Witnesses, 2 last world ministry of Jesus's approved anointed and earth sheep to the ACTUAL completion of the 144000 temple under Christ as per Zechariah 6-9, sister pattern to Revelation 11:11-12, 15-19; (That takes time to get from the 1150 day cleanse (Dan8:14, 26), over an unknown recovery period, to the 1260 cleaned and approved final commission of JWs) (Covert angels are involved at Zechariah 3-7 and Hosea 1-4-7)

JWs WILL be in "sackcloth" by that time (Rev11), BUT approved JWs are all that will be left, by that time the temple is CLEAN! The xGB will be purged out by the 1150 days, cleaned out totally by the recovered Revelation 11's 1260 day final? time completion cycle; 3.5 times, is ONLY HALF the required trampling of 2520 days, "7 times";

So, just HAVE FUN! Yes, the NWO is real, and so is God and Christ's forces; Be patient and rejoice with this stuff, because now we actually are SEEING prophecy in initial activation (2Thess2:4)! Be cautious as a serpent, but like a dove in innocence; This MUST first and foremost, fulfill God's Word, and it will; But be careful, obviously they will even disfellowship anointed speaking the truth, and that is what MOL is all about, the evil slave, beating the faithful slave, while claiming to be the faithful slave, and saying the anointed are the evil slave;

Any DFing on the grounds of truth, is irrelevant to Jehovah, the WHOLE xGB are apostate and spiritually dead, what can they say? What can misled elders say? So, we have to be patient, and understand JWs will need enlightenment once this really hits, and some are ready to understand this NOW, and NOT go where the xGB try to send us; The xGB are killers at heart, plain and simple, they want to nix and betray real JWs;

We are not the only JWs starting to realize something is not right, BUT it is no excuse to leave the JW temple - THEY will be leaving, not us!; Jesus dealt with also bad men in power in the temple; So did the brothers in 1914; Just be patient and understand that the xGB will soon be playing even dirtier and trying to kill and bankrupt JWs as part of the central control system with the ZO (which is probably ALL globalist ops by now, appointed by the central ring leaders; Loesch is the oldest member (1994) all are in the post UN/NGO knowledge; Gerrit Loesch probably inherited the Henschel "ring" to lead the inner MOL works now in the xGB - but it has to go to key corporate finance and logistics systems as well)

See, the xGB and JW frauds are what are removed in Revelation 8:2.13 "four trumpets"; Revelation 8:2-5 "fire" is ALTAR "fire", like Isaiah 6 cleansing fire for commission; Rev 8:5+ fires are different, they are judgment fires on 1/3 of the JW house that is out of whack with God's requirements, and this is produced by the "lamp fallen from heaven" in modern fulfillment, as Rev 8-11, and Rev 15-16 ALL have a final fulfillment cycle;

Rev8:10-11 applied to Christendom clergy way back in 1919-1922 temple judgment - that was like 100 years ago! We JWs cannot keep applying things to the Christendom MOL any longer!; TODAY that applies to the xGB; THEY are the main source of "wormwood" error and injustice, especially after Fred Franz died, "the one acting as a restraint" with other genuine anointed - now the WHOLE xGB are pretenders;

So, wait for Daniel 8:11-14 to activate; Then know a minimum 1150 days (2300 e/m), will be acted upon the JW org, and it may be severe, worldwide, and accompanied by a big globalist engineered world event, to add to the hoax they are playing on the JWs in this period to debalance and attempt to wipe-out, or at least severely cripple the final ministry;

Then God will recover the JW temple (Zechariah 3:2), and REAL "new light" and REAL anointed (Zechariah 3:4-7) will be put into place, over an unknown period of recovery, leading to the 1260 days of CLEAN Revelation 10-11 final commission;

This is years of development, NOT an instant GT like they are selling JWs; Yes it will lead to the "tribulation of those days", but this is God's permitted globalist attack on the JW "established place" in the Daniel 8:11-14 signal temple judgment and cleansing; (But the real thing, not the hoax event currently being deployed by xGB)

But realize, the globalists will be also leading the world into another world war, and the "tribulation of those days" also develops after this initial Daniel8:11-14 commencement;

MOL is publicly self-revealed on the jworg website, on November 9, (11-9), 2012; So, this is the case now:

(2 Thessalonians 2:3) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction.

The apostasy is revealing, the MOL is revealing, and NOW, "it", the Daniel 8:11-14 initial period of 1Peter4:17 can develop with no prerequisite needed, because NOW "the apostasy comes first and the man of lawlessness gets revealed" has fulfilled in an big world announcement where the xGB has totally lifted themselves up over everyone, for a public "sit down" as "god" in the JW temple, even quoted as Christ authority in that web article on the "annual meeting";

xGB quote: "Several in attendance later expressed their profound gratitude that Jesus considers them among "his domestics.""

......

Of course tell as many JWs as you can, that you feel can understand and trust the bible enough to see the Bible already pegs these guys; That is why they have been on a JW "dumb down" campaign since 1991; Now we have some JWs, some, not all, who worship the xGB, and listen to them more than God's own Word; We have a number of competiting "idols" that the xGB has erected in the JW org temple, the "org" itself is an idol, the xGB is an idol, the "slave" has been used as an xGB idol, and of course the big UN pollutions of 1991-2001 in the "daily sacrifice" from Bethel; ALL Hosea applies to this initial judgment on Bethel;

Just keep on preaching, this is still the truth, but know Daniel 8:11-14 did NOT fulfill in Nazi Germany in WW2, and neither did Daniel 11:30-31; That is all since 1990, and for the near future;

The entire Daniel 11:36-45 cycle is ALL NWO globalists as KN; It's not simply "hanging" at verse 43 as USSR, and all of a sudden a national KN will fulfill 44-45 (the globalist full 36-45 sequence is by ONE NWO power system); All national "KNs" are just globalist KN puppets for world war purposes; World war is to present
globalist image and world government;; There will be another national "bogey man" no doubt, but the final fulfillment of Daniel 11:44-45 is AFTER WW4, as the UN/NWO (or whatever they may call it) sets itself in final placement, number 4 and final; (Dan8:25, is Dan11:44-45 final attack, not a world war, but a massive global depopulation; Matt24:21-22, that falls into Gog control; Rev19:19-21);

That is all YEARS away; At the very least 1150 days + 1260 days; "tribulation of those days" can start any time though in the Daniel 8:11-14 period, and definitely after it, as the world is walked to WW4 so that BTG can be set up for asset pillage, by dead broke national powers, in multi-trillions in debt, with a world war to put it all into overdrive - probably kicked of with a super-911 like event to wobble the nations, AND the JW org;

The xGB will try to use that false-prophecy of USSR to apply it to the globalist developments as if it is picking up there, and Daniel 11:44-45 is fulfilling in this next globalist world event; BUT, this is not the end here, this is the beginning also of the next 10 year globalist cycle as well;

They are trying to fool JWs, plain and simple, but the Bible exposes them; So, just read it all, and pray on it, and KEEP READING THE BIBLE in Zechariah, Daniel, revelation and the rest, because it is about to all REPEAT in the final cycle of Rev8-11 parallel with Rev15-16;

Just stay in the temple arrangement, pray to God through Christ, and expect a major storm to be the "evening" darkness of Daniel 8:14, 26, as JWs figure out something is way way wrong with what the xGB has told them to expect; It is just a hoax;

Also realize, when this hits, JWs will be lost, and will need helpful REAL truth to know what the heck is going on! Daniel 8:11-14 is what will be going on, not "GT" as expected; Yes, it will be tribulatory, but not the grand finale, but just the signal beginning of the final cycle;

Keep studying it for yourself to accept the basic concept if you see fit, upon studying the revealing prophecies of Daniel 7, 8, 11, 12, and Zechariah, especially Zech3;

See, Zechariah was written (520-518 BCE) after typical Jerusalem temple foundation (536 BCE), prior to temple completion in 515 BCE; So, Zechariah applies most completely to Temple Completion of the future; Zechariah 3 is the cleansing of the temple priesthood anointed, currently in xGB "befouled garments", parallel with the Daniel 8:11-14 temple cleansing; BOTH temple and priesthood are to be cleaned up;

Talk to you soon, thanks;

(Israel 59:5) 5 The eggs of a poisonous snake are what they have hatched, and they kept weaving the mere cobweb of a spider. Anyone eating some of their eggs would die, and the egg that was smashed would be hatched into a viper.

templejah, you are entitled to your beliefs. You seem to realize the WTBTS is jacked up, that's good. Please answer this sincere question in one paragraph or less. Why do you and some other posters here believe that Fred Franz was a real GB member, as opposed to the "false" GB of today? Please use scriptures. If you cannot answer that question, then please consider the possibility that every "solution " you feel you have may have started with a false premise.

That'll take more than a paragraph or less; LOL - this is NOT make believe, so please be patient and just give this a chance according to the Bible's temple plot line;

The Premise is Guaranteed to Fulfil Prophecy; The Answer is Already in the Bible

But, on Fred Franz; Contrary to "org" directive, some of us became familiar with who wrote what books at Bethel; Fred Franz had an insight that cannot be faked, from way back - He was a JW's JW so to speak; His insight was advanced in subtle ways as well, God put Fred "ahead" of his time; (This is the first absolutely retrograde, insightless GB, since 1990; they are fossilized; Franz had "eagle eyes", these guys have "black holes"; They are riding Fred's wave and taking credit for things they did not accomplish as a GB);

So, the answers to any anomalies now (and there are many), are in the Bible as per prophecy;

Prophecy MUST fulfil FIRST; I always backed the GB (Franz era and prior), but that was up to the point I realized this "GB" went progressively full traitor and rose up against Fred Franz (and all anointed, and all JWs);

The Daniel 11, and Daniel 8 updates which the USSR fall signaled, which the GB needed to explore DEEPLY, URGENTLY, were completely shut up, and Fred went down zonked and dead, so he could not update JWs as required;

He did not have an opportunity to comment on the USSR dropping OUT of Daniel 11 by prophetic default; (Daniel 11:30, 11:36, 11:39, 11:43; CANNOT be the USSR, instead it is 8thKing+2HWB/NWO = Globalist KingNorth "success";)

That is HUGELY significant to anyone even dimly aware of the linearity of say Daniel 11; Even if someone is not a JW but follows the Bible's basic "cliff notes", they can understand this watershed event;

The USSR dropping out, meant ALL the prophetic application to the USSR also MUST drop out because of the requirement of Daniel 11:36:39,43 that KN is successful all the way to, and through, the final judgment period; THERE IS NO SIDESTEPPING THAT PROPHETIC TRUTH ABOUT REAL, FINAL, KN;

The USSR previously thought "KN", failed; (It is just Dan 11:27 "nothing will succeed") But the teaching was like a tattoo on the JW skin, impossible to remove; KN USSR FOREVER; And the very presence of the USSR is partly responsible for this over emphasis of them in Daniel 11;

And as we see now, since 1991, the 8th King in NWO "victory mode", made official, "standing", "placed" DT by George Bush Sr. before the US Congress and the UN Security Council is HUGELY significant; THAT MUST become the final KingNorth, and it has, a globalist super-power in the making; (Dan8:23-25; Rev17:12-18)

And that "stand", "place the disgusting thing", is as foretold at Daniel 11:30-32, NWO, UN/DT official proclamation and actions after another world war, the "Cold War";

CONTRARY TO JW COMA, THIS IS HUGE!!!

The 8thKing is who is the globalist final version of "King North", and has been pulling the WorldWar strings since WW1; That means what used to apply to the USSR and Germany (In either mode) in Daniel 11:27-43 (as currently expounded by the "GB"), actually applies to 8thKing AND the False-Prophet in NWO mode, as the composite globalist unification "King of the North" who WILL prove successful all the way to Armageddon;
King North Globalist Checkmate

The national powers are his pawns, (they just don't know it yet, but they will SOON) (gelding King South; Dan11:42-43, total sovereign transfer and BTG conquest; Rev17:11-18)

Instead the WTBTS GB sanctioned a "New World Order" campaign of their own; (UN-NGO Department of Public Propaganda)

Now come on! One cannot make this up; A person can search the NWO term, in quotes on the WTLibrary CD, and up pop 79 "new world order" refs and quotes, timed along with GB Sr. (George Bush), as the "brothers" promote the NWO for 10 years from 1991-2001, and many UN orgs and books, for a worldwide free advertising campaign, RATHER THAN MENTION PROPHETIC OBVIOUS UPDATE!!!!!!!!

THAT is treason against the Kingdom of God and the REAL King of kings, plain and simple; JWs are deluded this is not happening due to them like a bear trap; KAAAWHHAAAAAPPAAAAAAARACK; They are still chewing their legs off; Time to face reality, Jehovah IS PISSED; As per prophecy, (so He already knew all this, BUT, He will be acting soon; Zech3; Dan8:11-14; Isa66:6; Rev8:2-5)

WHO I ask, WHO would be simply this dumb? It is ON PURPOSE; No one is simply this purposely retarding in obvious needed prophetic updates; The less people know about global government (NWO), the better for the final objectives, and that is also this rogue GB's objective, dumb-down the JWs for final super-coup, globalists will be whacking the JW org, and Jehovah too; (1Pet4:17);

But God will snatch the JWs from the fire; (Zech3:2) For a cleansed final ministry! (Rev10-11; 2520th day, in second 1260 cycle) Don't give up hope real steel-balls JWs!!!!

BUT, BE AWAKE! BE READY!!

Fred Franz "Silenced" is Therefore a Critical Piece of the Puzzle

Fred Franz is then the "one who acted as a restraint" to such "transgressions causing [JW org] desolation [soon]" manifesting to this degree in the alleged "GB". And the context and import of the symphonic developments are way way beyond mere coincidence, and it gets worse as that led to the 911 perfectly timed "news break" (10/6/2001) of this UN-NWO adjunct promotional relationship;

So, Fred and the progressively rogue GB under Henschel "transformation" fulfill this prophecy in modern final fulfillment mode:

(2 Thessalonians 2:3-9) it will not come unless the (false-JW rogues) apostasy comes first and the man of lawlessness gets revealed, the son of destruction. (rogue GB) 4 (rogue GB) is set in opposition and lifts (rogue GB) up over everyone (anointed and others) who is called "god" or an object of reverence, so that he sits down in the temple of The God (JW "established place of the sanctuary), publicly showing (rogue GB) to be a god. (Lifted up over even Christ's "least of these my brothers) 5 Do you not remember that, while I was yet with you, I used to tell you these things? 6 And so now you know [Fred Franz and real anointed] that acts as a restraint, with a view to (rogue GB) being revealed in his own due time.

7 True, the mystery of this lawlessness (JW Org Infiltration; Dan11:30-32) is already at work (for some time before 1991 manifestation); but only till [Fred Franz] who is right now acting as a restraint gets to be out of the way. 8 Then, indeed, the lawless one (rogue GB) will be revealed, whom the Lord Jesus will do away with by the spirit of his mouth (Zech3:4-6) and bring to nothing by the manifestation of his presence. (Final destruction) 9 But the lawless one’s (Rogue xGB and total JW org infiltration) presence is according to the operation of Satan; (2Cor11:13-15; Zech3:1)

Ultimately it's Satan's GB Right Now (Zech3:1)

And that "Satan standing at the right hand" (xGB) ties to Zech3:1, and Zech 3 parallels Daniel 8:11-14; And before you know it, the WHOLE 1914-1918 patterns reveal a replication that MUST also fulfill "7 times" in Revelation 11, in a cleansed (Dan8:14; Zech3:4) but "sackcloth" state; So, the rogue GB leads to a final cycle of prophetic final fulfillment mode in the near future - and helps provide awake JWs and those being convinced of all this, a timed [map to the end of the world] so to speak; In fact the rogue "lawless one" xGB commences the cycle with their self reveal a supernatural power (Dan11:30; 2Cor11:13-15; 2Thess2:3-12))

MOL Signals

So that is how we know by this purposeful "GB" ignorance (since 1991), and traitorous UN/NWO DPI promotions swapped in instead, this is where the MOL manifests (already at work); We know that up till Fred Franz, legitimate Christian operations were underway in the WTBTS, and no way would Fred Franz have missed the significance of the fall of the USSR in the context of required success all the way to the final denunciation at Dan1:36, the effectiveness of Dan11:30, 36, 39, 43;

No way would Franz set prophecy aside, prophecy with now HUGE inconsistencies, to promote the "new world order" with the "2HornWildbeast" globalist elites instead;

NO WAY, NO HOW;

This xGB is apostate fraud pretenders; They are acting, and they know they are acting;

JWs are in a state of imagined righteousness as a body; But Zech3:3 is the reality;

(Zechariah 3:3) Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel.

But a cleansing will come:

(Zechariah 3:4-5) Then he answered and said to those [angels] standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”
And a clean actually anointed final head admin:

5 At that I said: “Let them put a clean turban upon his head. (The angels take the filthy xGB “turban” to the dump, out of the way, neutralized in whatever way Isa66:6 manifests)

(Isaiah 66:6) There is a sound of uproar out of the city, a sound out of the temple! It is the sound of Jehovah repaying what is deserved to his enemies. (fraud rogue GB, and org infections)

And thus begins the final round of prophecy, for years in prophetic periods already fulfilled in minor from in 1914-1922, all the way to Temple completion and Armageddon, the end of globalist KN and Co. (Rev19:19-21; Dan2:31-44)

This is where the xGB manifested they are not Christian, but UN/NGO by promoting the NWO in the WT and Awake! INSTEAD for 10 years rather than comment on this obvious Daniel update;

Here is where the Daniel 11:31 DT 3.0 was "placed" in the JW Temple; Here is where the "transgression that causes desolation" was committed as per Daniel 8:11-14; Rather than tell the world that prophecy of Dan8:11-15 and Dan11:27-45 run parallel now and in the near future as globalist King North (also KingFierceCountenance; Dan 8:23-25) the MOL xGB covers this up, and tells JWs GT is next, but in fact JW temple judgment is what is really next; 1Pet4:17 is Dan8:11-14; And that leads to the 4th and final DT 4.0 manifestation also as per divine prophecy:

Globalist GB Infiltration of Jehovah's Witnesses Fulfills Prophecy: Prophetic Future "Final Fulfillment Mode" Cover Up

http://templelijah.wordpress.com/diversion/gb-infiltration-future-final-fulfillment-cover-up/

Jehovah's Witnesses Have Been Given Final Truth

First off Jehovah's Witnesses have been given the truth of all time from God Almighty through Jesus Christ. All 1914 mode prophecy proves Jehovah's witnesses prove the bible for God, sanctify His Name, and uphold God's Sovereign Supremacy by proclaiming His Messianic Kingdom power through Christ Jesus. That Kingdom and Temple arrangement, in immortal glorification to complete before Armageddon's final "war with God" will utterly humiliate, rout, ruin and destroy the 8th King/King of the North zenith globalist world order wannabees and the national collective system they are increasingly controlling to everyone's doom on planet earth except those saved by God in that period of time of Satan's climax as Gog of Magog; (Rev16:13-16 via Joel3:9-12 empowered by Rev17:12-18 parallel to Dan11:42-45; Rev14:14-19; Rev7:9-17)

The Truth is the Globalist Target; Daniel 8:12

So it is no wonder the globalists and the demons will attempt to send the best subversion agents they have into Jehovah's Organization (Org), and they have, and they will be neutralized and removed as per prophecy. The JW Org status of Zechariah 3:1 for the last 20 years, will be resolved in Zechariah 3:2-10 future and final fulfillment soon, and may very well be traumatic to all Jehovah's witnesses worldwide - something BIG, in Jehovah's organization, is going to happen well before "great tribulation" (GT).

It definitely will be memorable for the impostor "Governing Body" (GB) and Org globalist undercovers being exposed now, and it will all commence the great final fulfillment mode of the final Biblical prophetic sequence of prophecies to the world's complete conquest by Jesus Christ. (Zech3 will lead to Dan 12:7; 7:25 and Rev10-11 in final fulfillment cycle)

Zechariah 3 fulfillment, in a little while, is the commencing trigger event.

By that event Jehovah will recover the final ministry of Jehovah’s witnesses and refine it per Malachi 3:1-4 final fulfillment as well. The 2 Thessalonians "man of lawlessness" cabal, operating in the imposter GB will be exposed and terminated from authority in God’s Organization forever.

=====

In the Meantime - They Want to Stall Jehovah's Witnesses While Looking Busy

Jehovah's witnesses are currently undergoing a 20 year known inner compromise of our organization by infiltrator agents of the globalist world order with other serious spiritual improprieties all masquerading as approved by Jehovah God and Jesus Christ with sinister goals of subtle subversion, massive sin, spiritual backward vision, and positioning the Org for a coup de grace under an appearance of righteousness.

But now the imposter GB and Org infiltrator "man of lawlessness" being pre-exposed as per 2 Thessalonians 2:3-9. Full exposure will occur when Zechariah 3:2-4 activates soon.

This will all trigger a final cycle of parallel final fulfillment mode prophecy that will progress through 3 more known phases to the end of the world of all rival power on planet earth (Rev19:19-21), and in the space zones surrounding it (Rev20:1-3).

Zechariah 3 fulfilled will be like a fuse to the God bomb of all time, the Messianic Kingdom conquest; (2Thess1:6-10)

Parallel Prophecy Triplet

This prophetic triad is the "befouled garments" transition to "robes of state" of divine upgraded approval for completing the "good news" of the 144000 "royal priesthood" (1Pet2:9) from Jehovah and Christ in Zechariah 3:1-4 prior to the actuality of the Temple 144000 under Christ completion which is followed by complete world conquest; (Rev11:15-18; Dan2:44).

Therefore just the guaranteed Kingdom Temple completion "good news" of this affirmation from God is important and will affect the content of the "little scrolls" understood as "opened".

This Zechariah 3 manifestation will parallel the Malachi 3:1-4 current final "temple" inspection, judgement and refinement of the contemporary, modern definition of the "Temple of The God" in Jehovah's witnesses professed anointed worship system on earth, the "temple", and "those worshiping in it"; (Rev11:1-4).
The global activation of Zechariah 3 will commence the final chapter of human Adamic civilization as outlined in prophetic eradication of this rebel system led by the 8th King, the presence in this imposter GB stealth control.

In this judicial inspection of Zech3:1's current state of the Jehovah's witnesses, and Mal3:1, 5; the modern manifestation and definition of the infiltrator "man of lawlessness" (2Thess2:3-9) in the Jehovah's Witnesses organization will also be revealed.

This exposure of the source cause of the "befouled garments" of Zech3:2-4 in the imposter GB and peripheral organizational undercover positioning is also a prerequisite trigger of subsequent prophetic fulfillment of grander scope, in fact universal and worldwide impact guaranteed in the near future.

Fraud GB to be Exposed Soon

This will become a full revelation of wrongdoing by an operative controlling imposter faction for 20 years now, operating within Jehovah's Witnesses "Governing Body" and organizational corporate, administrative and congregational bodies.

This dubious and subversive well disguised operation and personnel placement, which have been involved in stealth and blatant sins publicly unrepentant and unadmitted for 20 years, will be fully exposed as per prophecy in parallel multi-fulfillment mode in the near future. These "garment befouled" "GB" operators have been sullying Jehovah and Christ's name and global reputation, and bringing into ill repute the anointed "faithful and discreet slave class" remnant today on earth, and all Jehovah's witnesses worldwide, and will be removed as per Zechariah 3:4.

The infiltration is so deep and effective, divine intervention by angels of God will be involved as per Zech3:4.

Jehovah Witness Wake-Up Call

This will trigger a final fulfillment mode of prophecy to follow this commencing development that will usher in a poignant display of final fulfillment reality, and get Jehovah's witnesses attention worldwide.

This is to recover Jehovah's witnesses from the imposter GB currently operating an organizational system of Satanically engineered spiritual coma, explained partially below. This will be a symphonic organizational event worldwide, that may converge with the third level of the infiltration goal [2] of embezzling and exterminating as many Jehovah's witnesses as possible in the next 10 year globalist world domination cycle.

These globalist and GB synchronized cycles were demonstrated in marked world fashion in 1991 and 2001 (9/11), so a third step is guaranteed soon.

Cycles of Imposter GB Sanctioned and Engineered Sin and Real Guilt

1. The first cycle (9/1991, timed Euro NWO) introduced massive gross sin in secret (UN-DPI promo "ads") to affect Jehovah's witnesses holy spirit and high level "new light" blessing, which has been successful in bedarkening the Jehovah's witnesses by this "GB" for 20 straight years of zero "new light", no questions asked. Good.

2. The second cycle of UN scandal "breaking news" globally (10/2001 timed with 9/11), was for global reproach of Jehovah and Christ. This also sparked a subtle reactionary idolatry development in bolstering apostate attacked bodies of "GB", "Slave" and "Org" fueled by this engineered debacle worldwide.

This led to global bloodguilt on all Jehovah's witnesses by massive multi-million person stumbling worldwide, in addition to closing off the global web territory from an organized ministry. Instead the web is cordoned off for infiltrator GB sanctioned "apostate" "one-sided story" development and regular "filth feeds" ad infinitum for global distribution from the fraud GB supporting imposter aids from within the Org.

Now add bloodguilt and engineered idolatry to the "befouled garments" imposter GB smudge fest.

All in all, Jehovah's witnesses are now in a 20 year Satanic full stand accusation and resistance from within "Joshua's" "right hand" imposter "GB" itself fulfilling Zechariah 3:1 for 20 years. The spiritual "fire" of Zechariah 3:2 is therefore very real, as all Jehovah's witnesses are dragged into this enormous sin festival globally year over year, led by the imposter GB ringleaders, a Satanically aided cabal of camouflage subterfuge and obviously, HUGE sin development shown paralleling Zechariah 3:1 with 2 Thessalonians 2:9 with direct Satanic operations cited in BOTH of those scriptures.

3. Third Future Cycle: But there is much more to this infiltration than just that described thus far. [1]

Prophetic Retardation Purpose

Make JWs Think it is All About Through

The spiritual prophetic aspects is to freeze Jehovah's witnesses in an organization wide illusion that everything is done, that the work is at apex, that it is all about through.

This causes Jehovah's witnesses to:

1. Sleep: Become complacent;
2. Loose Focus: Become unfocused on the bible and prophecy in the meantime;
3. Catatonia: Stop searching and reading Bible prophecy for final fulfillment;
4. Diversion: Conceal modern prophetic manifestations and detailed identity of the 2horn-wildbeast (2HWB) and 8th King actual worldwide globalist systems of intended world domination.
5. Backward Vision: Keep Jehovah's witnesses focused on the minor 1914 fulfillments failing to ascertain the modern "temple" inspection phase.

5. Dumb-Down: Reduce and water-down spiritual readings progressively to only new sheep levels of 1900;

Evil Objective: The purpose is to make Jehovah's witnesses fail to comprehend that there is a guaranteed final replication of all applicable prophecy that fulfilled in 1914-1926.

1. The purpose is to make Jehovah's witnesses miss the final ministry of Revelation 10-11 in final fulfillment understanding and action.

2. The purpose is that Jehovah's witnesses miss the final identification of the globalist "King of the North" in final fulfillment, thus never deliver the "reports" to an unknown symbolic bible character (KN is globalist world order container of the 8th King and 2HWB).

3. The purpose is to make Jehovah's witnesses miss the final ministry of Revelation 11 in final fulfillment of the second "two witnesses".

4. The purpose is to clothe Jehovah's witnesses spiritual identity and state in very real "befouled garments" as per Zechariah 3:1-3.

Watchtower examples of diversion: [31]

Keep Focus on 1990 and 1914

So this imposter GB keeps everyone focused on 1914, while recycling 1990 20 times and more if possible to aid this illusion.

1914

Although 1914 is but a minor fulfillment preview of the final fulfillment major finale (in the near future), the current imposter GB since the Henschel infiltration of 1991-1992 wants everyone in the delusion that 1914 is the end of it all, look no further.

This illusion aids not only the above objectives of Jehovah's witnesses missing the final commission and approval of God, but of also minimizing the bible's own guaranteed identification of this "son of destruction" GB "rat nest" and organizational infiltration in final fulfillment mode.

1990

The illusion that this "GB" of globalist operatives and possible misled persons is a valid spiritually approved "body" is aided by constant 20 years of recycling of the past "spiritual food" works of the pre 1991 righteous remnant and governing bodies that preceded this current GB "mole nest" of clever demonic filth.

There is simply put, zero "new light" for 20 years, but plenty of replicated, edited and reworded "spiritual food", giving the illusion the GB is legitimate, but it is not. This is aided by teams of "other sheep" who innocently carry the full work and research load of this fraud dead weight GB.

Keep Focus on Prophetic Generalism and National Ambiguity

So after 20 years of progressive retardation stuck in 1990 20 times, the greatest single decades of globalist 8th King activity in Europe since 1991, and in the world since 9/11/2001 is totally ignored by these globalist aids controlling the GB from within since that same time period of globalist world manifestations, all too conveniently developed at that exact time period in 1991, and 2001.

Quite possibly the next move will also converge with globalist events as the previous 2 did as well. This third development will activate a divine intervention "temple cleaning" at some point in this progression soon.

By this strategy...

Goal: Hide From Jehovah's Witnesses the Following

1. Don't Tell JWs: Biblical Final Fulfillment Mode Guaranteed Future Major Replication of All Kingdom Sovereign and Temple Prophecy in the Near Future

By this stall and recycle strategy Jehovah's witnesses would never realize there MUST be a final fulfillment cycle in the near future, a cycle so massive, 1914-1926 will be but a dress rehearsal.

Thus Jehovah's witnesses would never be upgraded to a paradigm shift to the final fulfillment mode of prophecy, which will be perfectly replicative of the minor fulfillment. This will be in complete harmony, like a perfect map, with 1914-1918, 1919-1922, 1922-1926 and all the meanings and events of those 1260, 1290, and 1335 day patterns BUT with worldwide and universal total impact and permanence.

Obviously then knowing all this is very important not just for Jehovah's witnesses, but for everyone in the world who will become convinced of the certainty of the prophetic outcome when they see it come true, in these initial cycles, right in front of their very eyes.

Therefore the final fulfillment mode of biblical guaranteed and certain prophecy MUST be made known to as many people as possible, so when they see it all unfolding over their very lives, they can begin to comprehend the seriousness of where this is all leading, and just maybe repent so as to be saved.

God himself through Christ is providing a program to the final act of the play, for ANYONE who is paying even the slightest attention to what is developing here NOW in front of their very face. God is giving mankind a virtual map to the end of the world, in a number of easy to identify global points, great events, and periods of time that will unfold after those events, a map, to the end of the world, and where to exit and be saved.

So certain is it, it already has a full completed minor fulfillment on the global record as a pattern that WILL and MUST repeat in the near future along the very same route, offset into the coming days. The first modern nodal point of global activation will be this Zechariah 3:2-4 parallel trigger of prophecy that everyone on earth, will see fulfill in a symphony of events.
This synergy will include known events by globalists infiltrators in the JW org, the external globalist world events that it will relate to like in 1991 and 2001, and an act of God as per Zech 3:2, and Zech 3:4 paralleling Malachi 3:1-5, and 2 Thessalonians 2:3-9 unmistakable - so keep your eyes open, take note, jot it down, it will happen soon.

Obviously this will be very important to Jehovah's witnesses when they understand all this, and see it happen, it is a wake up call for the next phase of heightened biblical understanding.

2. Don't Tell JWs: Globalism (North) versus Nationalism (South) is the Basis of the Apex Final Form of World Rulership of Revelation 17:3; 12-17 and Daniel 11:40-45 8th King Globalist System

The next thing is to keep Jehovah's witnesses national minded cows forevemore with no comprehension of the concept of globalism as a basis of world government, to be herded like everyone else to layers in the food chain of globalist engineered destruction and internment cycles no questions asked, go wherever the imposter GB sends you even if it is a concentration death camp: NOW!

No Globalism

This GB cabal does not want the concept of world government based on globalism guided by globalist principles to be understood as a simple to explain bible and world reality fulfilling, because that affects the depth of understanding of Revelation and Daniel's wildbeasts and polar kings "north" (globalism) and "south" (nationalism) to the fullness of biblical development in the final manifestation of these globalist rival systems.

This ignorance is aided by never understanding the difference and the reality of existence between national scale government(s), and global scale government. Nationalist governments (plural) and globalist government (singular) are very real world entities that need a synergy of globalist dominance, based on national ignorance and subservience to attempt 100% world domination by the singular 8th King globalists - while no nation puts 2 and 2 together.

National scale government never can rule the world, because they can barely rule their own territory, they are all to weak and limited in intelligence and power systems at global scale. They can dominate only so much, such as the Anglo-American national system, but that scale of power will never rule the whole world. The 8th King globalist system, WILL attempt 100% world rulership soon based on the use of many nations ignorantly providing themselves to this globalist end.

National scale governments are focused inward upon their states, globalist scale government is focused outward internationally upon all nations, and that is what gives globalist systems and focus such power - more resources, better intelligence and worldwide scale of operations.

Globalist Paradigm Explains Revelation and Daniel Rival Sovereignties More Fully

That concept would completely explain the differences between the [[national collective]] wildbeast of Revelation 13:1 and the [[globalist unification]] "scarlet wildbeast" of Revelation 17. Understanding that conceptual dynamic of scale and power then explains the meaning of Revelation 17:12-18 (and Daniel 11:42-43) as a national power and authority, wealth and resource shift into a globalist ruled world system voluntarily aided by national governments, to their own demise.

That concept would completely explain that the "two horned wildbeast" (2HWB) (Rev13:1) is not just the Anglo-American world [[national]] power, but in fact the [[global]] "personal wildbeast" of the elite globalists based in the Anglo-American national identity, BUT at globalist scales of world government locus of power, world financial locus of power and world collective military locus of power at globalist level worldwide but NOT subject to national sovereignty of any kind - it is a private super-sovereignty.

They appear "national" but they are globalist for real, full worldwide scope of resources and super-sovereign systems in space, communications, technology, intelligence and other super-systems that give them great global leverage and advantages. They do NOT want people understanding this reality.

Keep Satan's Head Anointed Engineers Hidden in Plain Sight

That would also explain how those advanced 2HWB (Rev13:11) globalist engineers, as Satan's anointed, also orchestrate the world "club", the global "forum", the international "image of the wildbeast" "United Nations" worldwide hub system "image"; "idol"; "disgusting thing" (Rev13:11-15) as a unification of all the national sub-elites of the entire world (Rev16:13-16) into a sole controlling (Rev13:11) globalist orchestration.

These are the 2HWB guys who operate in as much secrecy globally as possible, and do not want Jehovah's witnesses exposing this "shadowy global network" in conclusive world or parallel biblical identification that connects them to the "King of the North" of Daniel 11:40-45.

Why?
The "King of the North" leads to Daniel 12 live and real-time, and that leads to the realization that Daniel 12 has a final fulfillment, final future cycle as well. That awareness of impending manifestation therefore aligns the 1260 days of Daniel 12:7 (Dan7:25 as well) to the 1260 days also logically and prophetically having to repeat in final fulfillment mode in Revelation 11:1-4 in the future, and the full cycle of Revelation 11 "two witnesses" final fulfillment from the "little scroll" of Revelation 10 that leads to Revelation 11 in final fulfillment.

Why?
The "little scroll" will be a Sovereign Ultimatum of Jehovah God and Jesus Christ concerning assured completion of the Kingdom and Temple 144000 under Jesus Christ, King of kings in full power, universal and world conquest. That is the subject matter, proclaimed globally soon, of assured completion of Kingdom and Temple in the face of the enemy system, before the War of Armageddon that is in the "reports" of Daniel 11:44.

The imposter GB wants to stall this news as long as they can.

The globalist handled GB does NOT want to ID "King of the North", or "eat" the "little scroll", or identify that the "two witnesses" MUST prophesy again to the world (Rev10:11), therefore the "reports" (Dan11:44) will never reach an unknown recipient "King of the North", and Jehovah's witnesses will fail in that commission.

Wildbeast "Image" and Scarlet Wildbeast "Body" are Totally Different Actualities

By the time of Revelation 17, that "scarlet wildbeast" "body", is real globalist 8th King controlled power system of nations controlled by globalist advanced super-systems worldwide which is much more than an "image" by this time in global development.
That 2HWB promoted worldwide elite multi-national "unification" in UN allegiance and aided by advanced Anglo-American globalist political, finance and military systems and techniques of control of their own nations, is orchestrated by the Anglo-American elites to control those nations; (Rev17:12-18; Dan11:43), through puppet "elites" of other nations who are controlled by these Anglo-American head engineers and master conmen.

That thereby explains that the 8th King (scarlet wildbeast; Rev17:11) and 2HWB (Rev13:11) are all contained within the globalist pinnacle "north" "polar" world power system forming over earth symbolized in Daniel 11 as the apex 'King of the North' globalist world system climax, in total control of the 'Egypt', "King of the South" who is by Daniel 11:42-43, a 'she', a subservient [[national]] world system. This prophetic transformation is parallel to the [[national]] voluntary power transfer into [[globalist]] power system in Revelation 17:12-17.

In 10 years at the "UN Library" NONE of these simple globalist based concepts discussed here came forth, because the imposter GB is a globalist handled puppet show that gotta go, that want all JWs focused forever on 1990 and 1914 - they are an act. They will further the fulfillment of prophecy when they are revealed and eradicated from Jehovah's organization in whatever way that manifests in the near future; (Zech3:1-10; 2Thess2:3-9)

Here are good Watchtower June 15, 2012 examples of diverting attention away from modern globalist reality, the actual globalist super-structure fall "scarlet wildbeast" "body" and it's engineer's "body", the two-horned-wildbeast revealed in prophecy (Rev13:11; Rev17:11-17) easily seen and researched since 9/11/2001 in marked globalist fashion; (Daniel 11:40-43) [3]

Jehovah's Witnesses Worldwide Organization: Requirements for Infiltration and It's Reverse Engineered Objectives

I am not writing this analysis to encourage Jehovah's witnesses to leave the organization and Jehovah and Christ's final ministry to temple completion; I am not saying we Jehovah's witnesses do not have the truth from God through the bible; In fact the very presence of divine truth is why these diacritic developments I am describing are taking place, fulfilling prophecy real-time and are being explained by a Jehovah's witness;

Many have been stumbled out of the official ministry by not perceiving the stumbling effects, blatant hypocrisy, "wormwood" injected erred policies and smug self-exaltation of the Governing Body is due to a "lawless" "mystery" (2Thess2:7) destined for exposure;

And this is foretold to have to develop right from within the "temple of the God" prior the great temple completion final fulfillment mode cycle to Armageddon; (Zech3:1-3)
Had these who were stumbled (Dan11:32-35; 11:41) known this was developing in Jehovah's Witnesses worldwide organization subtly and Biblically identified "mysteriously" as per guaranteed prophecy they could have remained, for the answer was not a systemic corruption, but a factional one with a terminal danger that will be removed soon for the real final temple cycle; (Rev8:2-5; Zech3:4-7; Rev8:10-11;)

These facts the non-annointed anti-christ Governing Body will not ever divulge, as they are destined for divine destruction soon, well before Armageddon; (Isa66:6; Dan8:11-14; Zech3:4-7; Hos1:4-7); And God gives them all fair warning and advanced notice; (Exe3:17-21; Gen7:4; Matt24:14)

I am telling Jehovah's witnesses to expect a massive final temple judgment and Biblical replication of major final prophetic fulfillment activating at any time after the exposure of the "man of lawlessness" publicly "in the temple of the God";

This Governing Body and company are the main element that MUST be purged in the coming Temple Judgment and Cleansing of Daniel 8:11-14, paralleling Zechariah 3 Priesthood cleansing, and Revelation 8:2-5 final fulfillment mode 'Jehovah's witnesses' "earth" cleansing;

This cleansing will prepare Jehovah's witnesses spiritually and in actual new enlightenment for the final world ministry of Jehovah God and Christ, for Kingdom and Temple completion that will follow this initial judgement of the near future in the exact repeat prophetic sequence of 1914-1922, that is activating now with the Governing Body lifting themselves up over everyone publicly proclaimed officially by this "body" of spiritual perversion and pretense;

And that is just the beginning of what this "body" is actually up to;

This Infiltration Needed Years of Preparation

1. The Jehovah's Witnesses worldwide organization infiltration's most challenging and necessary requirement would be placing operatives to build years of full-time service in their personal record from many years ago; (Dan11:30-35)

A. The key weakness is already present in Jehovah's Witnesses' over emphasis on spiritual qualifications based on works and uniform visuals rather than actual spirituality and Biblical discernment to detect frauds; (Rev2:2; John7:24)

B. Internal agents would have to be placed years in advance of key operations manifesting even in the 1976 power-grasp to the present time wildbeast related activities of 1991-2012;

2. The visually dominant attention to appearances and superficial presentation of being a "Jehovah's witness" would not be as difficult to achieve for fraud operatives but would require consistent good acting and trained methodology;

3. All expected displayed behavior, wardrobe, expressions of belief and various verbal syntax "pure language" was easily available information provided in the Jehovah's Witnesses open nature and publications of the Christian requirements outlined voluminously for the Jehovah's Witnesses ministry;

A. Anyone determined can present this "model" without actually being Christian; (Jude4; 2Pet2:1-3)

4. Infiltrators could conceivably apply all these visual and verbal components for an internal operation in advance of full manifestations and could avoid detection for years, and place keymen to accommodate further placement over the years,

5. This could be reinforced in time by developing policy of infallibility above any suspicion subject to disciplinary action if one should accuse the "Governing Body", for example, of sin and apostasy, thus further aiding the "lawless" operation's continuation;

A. This is aided by the idolatry of a human "body" in this whole developmental history;

6. An infiltration would have to be administered progressively 30 or 40 years or more prior to the "lawless" manifestations beginning to present themselves in hindsight through the Governing Body in the mid 1970s;

7. The actions of the Governing Body of 1976 to 1981 are the key first manifestation of the "man of lawlessness" existing in that body;

A. "Inquisition" is a key feature of the typical "man of lawlessness" in human history as he has developed in principle before; Expect more of the same traits and actions undercover of a righteous veneer; (Matt7:15-20);

Therefore a historic and present infiltration of Jehovah's Witnesses for internal compromise, subversion and misleading is entirely possible and is prophetic as well in the temple completion cycle, as it was in the temple foundation times of the 1914 period;

The Grand Illusion

Installing a "Steering Wheel" in The Jehovah's Witnesses Worldwide Organization

1. To fully infiltrate Jehovah's witnesses to the next levels of influence, an internal source of organizational control would have to be developed, working through an individual, or through an authoritative group;

2. The previous oversight of the Jehovah's Witnesses organization by spiritually strong and loyal organizers and or visionaries in Charles Russell, Joseph Rutherford, Nathan Knorr and Fred Franz made a covert takeover based on a sole individual impossible in this spiritually strong early period;

3. Hence the idea of a "Governing Body" to effect control was the only recourse at this time of a successful guiding infiltration of the whole Jehovah's Witnesses organization;

4. Potential operatives could be placed throughout the organization in anticipation of developing this intrigue of leveraging this group - then seizing power through it - then exercising planned lawlessness over the years; (2Pet2:1-3)

5. This would allow a multi-member "body" to place "lawless" members within it, with remote control progressively over time, while avoiding detection, and provide a more diverse controlling strategy to effect development of a majority of imposter members progressively, and present policies of subversion through this increasingly powerful covert control even before that majority was achieved;
Project Credibility by Association

1. Now that a visionary prophetic theme was already well founded by 1950 in Jehovah's Witnesses by the likes of the continuum of the individual visionary works and guidance of Charles Russell, Joseph Rutherford and Fred Franz working in harmony, a suitable body of work of real credibility was available for implied association;  
2. The convenient anonymity of the spiritual works of prophetic insight from Fred Franz and others' time forward, allowed an entry point under that "organizational" identity by simple generic association with others, as a generic group, within this spiritual developmental implied context associated with the "organization", the "faithful and discreet slave" and the "governing body" all as virtually the same authority;  
   A. This had to be developed, this was NOT always the case in Jehovah's Witnesses as an organization led by strong spiritual individuals from incept;  
   
   That is the key illusion;  
   
   Those are also the key "organizational" idolatries, "org"; "slave"; and "governing body" that also developed by this situation as it grew subtly over time;  
3. The "Governing Body" did not produce the central foundation of Jehovah's Witnesses prophetic framework; Chosen and guided individuals developed that work, aided by God through Christ; (2Pet1:19-21);  
   
   That is a KEY to this impostership "Governing Body's" success, it is all illusional;  
4. These massive Biblical developmental insights that only God could have provided through Christ, to this degree in this short a time period provided all the assumable "credibility" a future formative "man of lawlessness" "body" of "transformed super-fine apostles" could ask for;  
5. All the imposters had to do was slide in subtly and take credit by association over the years with the real anointed visionaries, and maintain control once it went into their hands of the "governing body" illusion that they are the impetus of spiritual landmark development - the truth is, they are not; (2Cor11:13-15; 2Thess2:3-12; Zech3:1,3; Jude4)  
   
   6. In time, that "association" would become second nature; as if all these members of the collective "Governing Body" were all little Taze Russells and Fred Franzs running around; But. But they are NOT, and their lack of insight and insightless dated publications proves it for 20 solid years, and 20 years of also deep UN and idolatrous sins founded instead;  
   
   They are subtly developed to monstrous proportions, ring kissed idol celebrity pretenders and WTBTS cash cow bean counters and worse; (Eze7:22)  
7. The Governing Body would have to skillfully maintain the presentation of itself as the visionary and prophetic developers of the works of Charles Russell, Joseph Rutherford, and Fred Franz who were the actual God employed central visionary developers of the core prophetic theming of the Jehovah's Witnesses, not this rogue pretender group;  
8. The Governing Body would have to accomplish this regularly while protecting itself from investigation, Biblical based inspection, censure and exposé and conclusive detection of the actual objectives of this well engineered lawless infiltration used to progressively cripple the Jehovah's Witnesses ministry, place it into compounding gross sins and attempt to destroy it in time;  

The Black Hole of the Modern Governing Body

1. The Governing Bodies, since Fred Franz died, have not developed any new insight (in fact, just the opposite) in 20 years of darkness, and have presented a meager few "new" prophetic commentary books - while programming Jehovah's witnesses to follow the Pied Piper Governing Body like lemmings; (Zech11)  
2. But these latest "offerings" are all from the editing and reshuffling wordsmithing of the former works of Fred Franz developed research, manuscripts and writings which are presented as the work of this current masquerade cabal, or are thinly topical simplified commentaries with regular errors in insight;  
3. This is accomplished "by the Governing Body" while being aided by a staff of non-anointed writing and research "aids", presenting the illusion that all this dated "fresh food" "spirituality" is "produced" by them;  
   
   A. It's all recycled plagiarism;  
4. But this intended effect of "awe" and "water walking" is all illusory deceptions by mere association injected under the former anonymity of truly anointed visionaries aided by Christ in their times past, whose work all this actually is, in Governing Body Frankenstein "works" of constant recycling and reworded minutia to appear "productive", "busy" and "believable";  
   
   A. It is all actually stalling stagnation of a spiritually dead "governing carcass", and many are smelling what they are actually up to, while "Israel" remains blind as per prophecy;  
5. The truth is no "new light" of any prophetic significance has been offered by this masquerade group in 20 years; A projection upon themselves of the work of others, is the central illusion of this group;  
   
   A. All globalist watershed developments of the last 20 years have not even been mentioned by the "Governing Cadaver";  
6. This Governing Body has to continue the authoritative mythology and associative illusion that they are Russell, Rutherford and Franz caliber actual anointed Christians, while doing nothing more than recycling the previous body of work, looking the part, and continuing the blasphemous plagiarist claims before a doped Jehovah's Witnesses flock who are in fact led into a massive idolatry and sins aided by this illusion;  

Summary of a Successful Lawless Infiltration

1. Much other evidence, of a more serious nature, supports the actual lawlessness at work in the "Governing Body", since that group usurped the authority of Nathan Knorr and Fred Franz, in corporate power play intrigues culminating in this 1976 version "body" of lopsided spiritual megalomaniacs progressively gaining control on no actual work of their own;  
   
   A. That is why they need "helpers" to even produce this overly simplified and watered down half-rations vegetarian and dessert diet of today's Jehovah's Witnesses;
B. Jehovah's witnesses have been lulled into a door to door coma of Biblical "depth" only enough to reason with new-born sheep - but not deep enough to recognize the great temple prophetic replication even though it is activating in front of the Jehovah's witnesses face;

C. Today it is hard to reason with deep prophecy with Jehovah's witnesses, they have been prophetically denuded, progressively dumbed-down and Biblically hoodwinked by lawless men;

2. This overlapping body of members, with questionable actual righteousness and no extra real authority, continue the illusion that the Governing Body always has led the Jehovah's Witnesses;

A. A lie, and they know it is untrue;

3. But in reality the works of three individuals are who were used by God to develop the central theme and prophetic foundational truth of Jehovah's Witnesses in Charles Russell, further developed by Joseph Rutherford, and highly refined and harmonized by over 50 years of the oversight of Fred Franz;

A. The "Governing Body" are illegitimate apostate frauds;

4. This Governing Body is a charade taking credit for work they are not responsible for, but are merely mimics and recyclers continuing this blasphemy live and real-time leading to judgment soon, and their removal by God; (Daniel 8:11-14; Zech3:4; 2Thess2:3-12)

5. And this "Governing Body" JW Pied Pipeship is preparing for the "coup de grace" events on the worldwide organization of Jehovah's Witnesses as this culminates soon;

Expect a lead-in to a 2014 decoy temple series courtesy of the "man of lawlessness":

**Governing Body of Treason**

**Setting the stage for the Judgement of Jehovah and Christ of Jehovah's Witnesses, Bethel and the Governing Body:** (Daniel 8:11-14; Zech3; Rev8:2-5)

**The Main "Man of Lawlessness" Objectives in the United Nations "Disgusting Thing" Transgressions, Global Reproaches and Mass Stumblings**

1. This covert preparatory control of that "governing" body effected by 1976 is what led within 15 years to the full manifestation of the secondary objectives of this infiltration's adulterous relations with the United Nations idol.

2. This actual objective of serious transgression fulfilling prophecy was to successfully "marry" the Jehovah's Witnesses (JW) worldwide organization; (Hos2:5), "befoul" the anointed identity (Zech3:3) and profane the sacrificial offering "constant feature" in verbal and written form (Dan11:31a) by the "disgusting thing" full UN historic associations to the WTBS and it's "Government Body";

3. This was began in 1991 officially public (albeit covert at that time) in Awake! magazine September 8, 1991 United Nations "New World Order" proclamation issue, which publicly fulfilled Daniel 11:31 in the Governing Body (GB) participation in the "they" below in the 3rd "placement" of the UN "disgusting thing";

   (Daniel 11:31b) and they (Globalists and GB) will actually profane the sanctuary (anointed identity; Zech3:1-3), the fortress (JW Organization; Daniel 8:11-14), and remove the constant [feature] (by polluted sacrifices; so far).

   "And they (Globalists and GB) will certainly put in place the (3rd stand United Nations NWO after Cold WW3) disgusting thing that is causing desolation. (in the world and at Bethel providing the "transgression causing desolation" of Daniel 8:11-14)

**Prophetic Cover Up of Live Prophecy**

   (All searchable on the Watchtower Library CD for term "new world order" found 79 times in Watchtower and Awake! between 1991 and 2001:)

**Allegiance with Wildbeast Objectives of the Disgusting Thing Modern Revelation**

1. This activity for 10 covert years commencing in 1991 joined George Bush Sr. in proclaiming this UN "disgusting thing" entity's "placement" in world presentation after the Cold War in 1990-1991;

   A. Not Nazi Germany as is fraudulently claimed still; (Which affects Daniel 8:11-14 as well)

2. This was a highly prophetically significant 3rd manifestation of the "disgusting thing" since post WW1's League of Nations in 1919, post WW2's United Nations in 1945, as this post Cold WW3's United Nations in "New World Order" mode objective in 1990;

3. This gives us the clue to the 4th placement of the "disgusting thing" of Daniel 8:23-25 and Daniel 11:44-45 in the future, which this Governing Body cabal is attempting to conceal;

**Continued Official Cover Up**

1. Subsequently the infiltrated and controlled Governing Body continued to work globalist 8th King objectives by issuing an edited version of Fred Franz's work in the Daniel prophecy commentary book "Your Will Be Done" as "Pay Attention to Daniel's Prophecy" in 1999; (Though nothing of the actual fulfillments was noted)

2. This was in order to continue to mislead and apply now blatantly err interpretations of the USSR and Nazi Germany to the "King of the North" which could not fulfill the incept application of Daniel 11:30-31 or 11:36 to those failed national and national bloc entities;
3. In fact it is the globalist Two-Horned-Wildbeast and Scarlet Wildbeast powers that make up the King of the North from Daniel 11:27 "until the denunciation will have come to a finish" (Dan11:36) by Daniel 11:45;

A. The Governing Body bypasses all of this;

4. To further the cover-up of what is really going on in the "established place of the sanctuary" the Governing Body then continued to apply the erred application of Nazi Germany's failure to the transgression record of Daniel 8:11-14;

5. They did this while editing out portions of Daniel 8:11-25 to further isolate contradictory evidence out of Jehovah's witnesses notice;

The Bible is what exposes the Governing Body as lawless globalist partisan 8th King agency because it is time soon, for this initial judgment to begin "with the house of God"; (1Pet4:17 is Daniel 8:11-14);

Governing Body Fulfills Prophecy

Both those Daniel 8 and 11 prophecies actually apply to the globalist King North (King of Fierce Countenance) world power system in development; (Dan8:11-25 parallels Daniel 11:30-45), in league with the Governing Body "man of lawlessness" placing the "disgusting thing" in the world scene from their respective "governmental" authorities in 1990 and 1991 which is the "transgression causing desolation" and the general "transgression" and "profanation" of Daniel 8:11-14 and Daniel 11:30-31;

The Governing Body do this globalist operation while covering up the actual live meanings of Daniel's actual fulfillment in 1990-1991 in regard to the infiltration leading to the "disgusting thing" of Daniel 11:30-31, and the temple judgment that transgression will require soon in Daniel 8:11-14;

Conclusive Sinful Synergy: Four Striking Coincidental Developments

A. This mega-development of monumental Biblical significance was all timed with the rather convenient removal of Fred Franz's "restraint", against this kind of blatant Governing Body treason in relation to the "holy covenant" and the Kingdom of God and Christ; (2Thess2:7)

B. That creates 4 red-flag signal anomalies explained only one way now in:

1. Prophetic fulfillment covered up in time with key globalist King North live and real-time developments;

2. Along with the Governing Body official "bed" relations and "escort" work for the United Nations "wildbeast" interests;

3. All perfectly timed with the incapacitation and death of Fred Franz, and the rise of globalist imposter Milton Henschel company;

4. All self-exposed "world news" in perfect timing with the next globalist development in 2001 in the Global War on Terror after the 911 World Trade Center attack;

C. All this occurred in general timing as these blatant distractions from real-time prophecy and spiritual adulteries were carried out by the lead infiltrator Milton Henschel's group's coup of authority to this traitorous manifestation of this Governing Body based globalist UN serving cabal;

Furthering Debacle of Scandal

1. The "UN library access" excuses were then proclaimed as this news went global to continue the hoodwink over Jehovah's Witnesses in general, while creating an air of utter hypocrisy and scandal to anyone researching this escapade with impartiality;

2. The Governing Body continued proclaiming the UN "New World Order", promoted United Nations organizations, UN published books, and UN joint globalist activities worldwide for 10 covert years of overt advertising journalism;

Complete Sexual Compromise; Spiritual and Literal

1. The pedophile scandal news broke at the same period of time "coincidentally";

Too Much! All Coincidental?

1. There is simply too much coincidental and synergistic developments that occurred within this small time frame to full manifestation of undeniable "lawlessness", with two perfectly timed Governing Body administered 8th King globalist supporting developments, to simply be a "random" "coincidental" development;

2. There is also too much preparatory development that must have been in place to facilitate this spiritual coup;

3. The ramifications of this core development manifesting in 1991 continue to spread and compound into new realms of heavy and perpetually expanding sins of idolatry, disloyalty, deceit, reproach and massive stumbling bloodguilt;

Jehovah's Witnesses have an internal infiltration, decades old, that has infiltrated the entire worldwide organization of Jehovah's Witnesses for further damaging activities; This is just the tip of the "man of lawlessness" iceberg;

Man of Lawlessness Revelation and Final Temple Judgment Prophecy Converge as Biblical Signal Activates Live and Real-Time!

The whole Governing Body lawless operation fulfilled prophecy and continues to do so as the brazen yet subtle "man of lawlessness" Governing Body is fully exposed by their own actions in light of live Bible prophecy fulfilling;

This also creates a key signal synergy of the "revealing of the man of lawlessness", "in the temple of the God" as the Governing Body also "lifts themselves up over everybody" publicly proclaiming themselves the affirmed, one and only, "Faithful and Discreet Slave" officially from their website on November 9, 2012;
This will lead to the next development of the actual temple judgment, as the Governing Body continues now to create a premature "GT hoax" and decoy "temple prophetic" series to bolster the grand illusion, and to position Jehovah's Witnesses for the final "coup de grace" globalist event that will again, for the third time, coincide with a major 8th King globalist world event series soon;

The Final Dangerous Developments and Betrayal

The Son of Destruction

From the character from which that name is derived in Judas Iscariot as a murderous traitor and betrayer from within the intimate group of God's Son, we have the final manifestation that the modern Governing Body Man of lawlessness is destined to become as the composite lawless one of 2 Thessalonians 2:3-12 in the near future, as this initial revelation of this "body" is revealing by evidence, and self revelation of the lawless Governing Body themselves;

(2 Thessalonians 2:3-12) Let no one seduce you in any manner (especially the Governing Body), because it (The initial final Temple Judgment and what it leads to) will not come unless the (Jehovah's Witnesses based) apostasy comes first and the man of lawlessness (Governing Body cabal) gets revealed (as he is officially now self-revealing), (also) the son of destruction. (As these masterful deceivers and traitors betray the Jehovah's Witnesses to globalist initial intrigues paralleling 1 Peter 4:17 and Daniel 8:11-14) 4 He (the Governing Body) is set in opposition (to the revelation of final truth and the good news "casting truth to the earth"); (Dan8:12) and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god. (As officially shown on 11/9/2012 in the Annual Meeting "Food at the Proper Time" lift up as sole "faithful and Discreet Slave" blasphemers;)

God will complete this revealing to the full, as the Governing Body become part of the final fulfillment mode; "great star burning as a lamp fell from heaven" during and after their expulsion and neutralization never to set foot in the "temple of the God" ever again; (Isa66:6)

(Revelation 8:10-11) And the third angel blew his trumpet. And a great star burning as a lamp fell from heaven (those leaving the "holy covenant" of Daniel 11:30-31 as the Governing Body progressive apostasy), and it fell upon a third of the rivers and upon the fountains of waters. (Profaned the "constant feature" and anointed temple; (Dan11:30-31)) 11 And the name of the star is called Wormwood (Governing Body lawlessness and injustice). And a third of the waters turned into wormwood, and many of the men died from the waters, because these had been made bitter. (From Governing Body leavened spiritual pollutions)

The Dangerous Very Real Relationship

The greatest danger and reality is that the globalist King of the North as a composite of the main Two-Horned-Wildbeast engineers (Rev13:11-15) and the 8th King "Scarlet Wildbeast" are actually directing the Governing Body with the Devil;

Both prophecies of final temple inspection indicate Satan's involvement in Zechariah 3:1 and 2Thess2:9; The Governing Body and globalist planners have been and are working together;

The Governing Body Knows the Next World Event and Timing

This means that the Governing Body knows what the next planned globalist world events are and their timing, and that this period must proceed to another world war development, through it, and to the final 4th placement of the "disgusting thing" as a "world peace and security" idol and an actual globalist world government;

The Governing Body knows this is not the final events the Jehovah's Witnesses are being led to believe;

This is why the Governing Body has attempted to truncate and cover up the 3rd placement of the United Nations in New World Order mode in 1990 as a significant prophetic event, by bypassing this event entirely, while they instead placed the United Nations in New World Order "Disgusting Thing" manifestation at Bethel and in WTBTS publications for 10 solid years of 666 services;

Governing Evil Shepherd Pied Pipers

This means the Governing Body can mold Jehovah's Witnesses prophetic expectations with deception as shown in part, to position Jehovah's witnesses and the worldwide organizational components for globalist advantage in the next world developments;

And this is exactly what the derailing of Jehovah's Witnesses prophetic reality and understanding has been accomplishing since the 1990 takeover;

This is also why the Governing Body has been grooming unquestioned trust and organizational obedience to themselves from the sheep, they want to lead them worldwide to planned incarcerations and exterminations as "Son of Destruction"; (Zech1:1)

2014 Approximation: Governing Body and Globalist Aided Symphonic Hoax Events

The Governing Body is aiding the globalist camp to create a massive "Great Tribulation" like hoax event on all Jehovah's witnesses worldwide, and will lead into that development with a decoy temple development aimed at prematurely developing the context of a "Great Tribulatory" event, that will in fact be a divine judgment of the actual Temple Judgment and subsequent cleansing period of Daniel 8:11-14;

We may rightly expect the globalists aiding the Governing Body deceotions and illusion with also a proclaimed "peace and security" to further fool the Jehovah's witnesses that this is indeed the end of the world;

Not What Jehovah's Witnesses are Being Misled into Believing

But in fact the globalist know this is the beginning of the approximate 10 year cycle to lead the world to World War 4, the absorption of Babylon the Great's global assets in that period and that religious sovereign destruction, and the preparation of all out 8th King world placement to fulfill Daniel 8:25 and Daniel 11:44-45 after World War 4 is resolved;

This is all prophetically revealed and deployed by the 8th King globalists for the very same "world peace" presentation stage as the three previous world wars also
provided; to present a complete world government in whatever form and branding it may appear at that time in the future as the 4th "United Nations" and actual "Scarlet Wildbeast" full bodied "8th King" world power system worldwide;

Daniel 8:11-14 Temple Judgement is What is Coming (1Peter 4:17)

Jehovah's Witnesses, as per prophecy, are caught by surprise by this actuality, as opposed to their expectations, and this will delay the Jehovah's Witnesses understanding of this final period as per the "evening" portion of the Daniel 8:14 judgment period of a minimum 1150 days;

Wobble the Witnesses for 10 Years

The globalist objective is to destroy or permanently cripple the final world ministry of Jehovah's Witnesses as the prophetic cycle of Revelation 10-11 repeats in final fulfillment mode finally;

Jehovah's Witnesses Cleansed of Governing Body Liars

This Biblical prophetic truth is not being taught by this compromised and corrupt Governing Body, and will not be taught to Jehovah's Witnesses until that "man of lawlessness" is purged in this extremely traumatic actual temple judgment and cleansing cycle as the final temple completion cycle of all Biblical prophecy commences;

Zechariah 3, Daniel 8:11-14 and Revelation 8:2-5 will all parallel in this cleansing action to manifest while the Governing Body is internally aiding the destruction and betrayal of Jehovah's Witnesses worldwide, undercover as "ministers of righteousness" until they are angelically removed as per prophecy; (Zech3:4-7; Hos1:4-7);

---

Final Note:

The Infiltration Incept

1. This prophecy below therefore goes back to a successful (act effectively) infiltrative planning (give consideration) and internal deployment (arms that stand) that developed any time after 1922 in Jehovah's Witnesses (or International Bible Students), since Christendom can no longer be considered part of the "holy covenant" from that time in this prophecy, this initial development, the positioning for infiltration, had to take place after WW1 - exactly when is not known:

(Daniel 11:30-31) **"And he (globalist King North) will actually go back and hurl denunciations against the holy covenant and act effectively** (success is the criteria, Nazi Germany failed); and he will have to go back and will give consideration to those leaving the holy covenant. (Had to be within Jehovah's Witnesses, the only ones with members actually in "holy covenant") 31 And there will be (infiltrative spiritual warfare) arms that will stand up (operate), proceeding from him (globalist King North);

2. Parallels Daniel 11:41 "invasion";

(Daniel 11:41) He will also actually enter into the land of the Decoration, and there will be many that will be made to stumble.

3. The Governing Body Revelation Fulfiling Live and Real-Time:

(2 Thessalonians 2:3-12) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god. 5 Do you not remember that, while I was yet with you, I used to tell you these things? 6 And so now you know the thing that acts as a restraint, with a view to his being revealed in his own due time. 7 True, the mystery of this man of lawlessness is already at work; but only till he who is right now acting as a restraint gets to be out of the way. 8 Then, indeed, the lawless one will be revealed, whom the Lord Jesus will do away with by the spirit of his mouth and bring to nothing by the manifestation of his presence. 9 But the lawless one's presence is according to the operation of Satan with every powerful work and lying signs and portents 10 and with every unrighteous deception for those who are perishing, as a retribution because they did not accept the love of the truth that they might be saved. 11 So that is why God lets an operation of error go to them, that they may get to believing the lie, 12 in order that they all may be judged because they did not believe the truth but took pleasure in unrighteousness.

(Zechariah 3:1-4) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him.

(Daniel 8:11-14 Parallel desolation portion:) 2 Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?”

(Actual Jehovah's Witnesses Status before God and Christ:) 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel.

(Daniel 8:11-14 Parallel cleansing portion:) 4 Then he answered and said to those standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”

4. The Temple Judgment of the Near Future:

(Daniel 8:11) all the way to the Prince of the army (globalist KN) put on great airs, and from (Jehovah) the constant feature was taken away (by profanation), and the established place (Bethel/JW organization worldwide, soon) of his sanctuary was thrown down. (By this next globalist operation on the JW organization worldwide)

(Daniel 8:12) And an army itself was gradually given over (JW infiltration and compromise), together with the constant feature (profanation and error), because of transgression (with the UN 3rd placement in 1990); and (XGB portion KN NWO operations) kept throwing truth to the earth (by covering up the true meaning of this prophecy and others), and it acted and had success. (As can be seen in today's "lawless one" Governing Body and the "coup de grace" to come upon the JW worldwide organization and Bethel by divine judgment allowing this globalist "desolation")

And this temple judgment and time period will be a JW signal event of temple and JW anointed, JW purifications:
Daniel 8:13-14) “How long will the vision be of the constant [feature] and of the (UN 3rd Placement) transgression causing desolation, to make both [the] holy place and [the] (JW) army things to trample on?”

Daniel 8:14) So he said to me: “Until two thousand three hundred evenings [and] mornings; (1150 days; Minimum) and [the] holy place will certainly be brought into its right condition. (Purified as per Zechariah 3:1-10 temple priesthood parallel judgment (v1-3) and cleansing; (v4-9))”

**Man of Lawlessness Exposed Strengthens Faith**

**Man of Lawlessness (MOL) Prophecy Activating Changes the Whole MOL Doubt Effect to Faith in God and Prophecy**

1. When I say "MOL," I mean the *modern* "Man of Lawlessness" who must be revealed "in" the temple of the God publicly by evidence, sinful trends and self-revelation prior to the final prophetic temple cycle; (2Thess2:3-4; Zech3:1-3)

2. These MOL sins are of the progressive, but deceptive lawlessness being purposely carried out by the imposter Governing Body of Jehovah's Witnesses "Man of Lawlessness" under the mastery of demonic aided deceptions to fulfill crucial signal prophecy prior to God's judgment starting; (1Peter4:17); (2Thess2:3-4; 2Cor11:13-15; Zech3:1-3)

3. The Governing Body works to stumble millions and to set up the Jehovah's Witnesses worldwide organization for desolations in the final globalist 8th King drive to world war 4;

4. This is an activation in itself of the final temple inspection, judgment and cleansing cycle which must be completed and revealed prior to the full temple 144000 completion under Christ;

5. So this activation is a signal, important and changes everything by prophetic enlightenment of who the Governing Body (GB) actually are; They are not Christians, much less anointed; The GB fruitage speaks for itself; (Matt7:15-20; 2Pet2:1-3)

*This means the temple judgment commencement prophecy of 1 Peter 4:17 is near to activation;*

**Prophecy is Repeating**

So when a Jehovah's witness who respects the initial temple foundation prophetic cycle as the truth, sees that the temple completion cycle repeats a temple inspection, judgment and cleanse similar to the temple judgment foundation phase (1914-1919), they understand this is extremely significant and important;

Why?

1. It indicates a prophetic temple judgment of massive proportions upon the Jehovah's Witnesses worldwide organizational "established place" is what will SOON follow the revealing of the "man of lawlessness" as that 2Thessalonians 2:3-12 prophecy promises as a prerequisite revelation with great evidence;

2. The "Man of Lawlessness" is himself a great signal of divine judgment poised to be unleashed on the temple that the "man of lawlessness" is polluting (Dan11:30),

3. This will be destructive to the Jehovah's Witnesses organization in the MOL's "son of destruction" meaning at this coup-de-grace event soon as Daniel 8:11-14, parallel with the temple inspection and visitational cleansing of Malachi 3:1-5, actually activates as well in the near future;

4. That also parallels the Zechariah 3 Temple priesthood anointed cleansing in this purification judgment soon; (Zech3:4-7)

5. That also activates Revelation 8:2-5 "altar fire" cleanse of the Jehovah's witnesses; That begins a seven trumpet cycle that cannot be reversed once it begins; (Rev8:1-13);

6. That leads to the final Revelation 9-11 FINAL cleansed ministry of Jehovah's Witnesses as per prophecy and what it implies, it leads to temple completion before Armageddon; (Revelation 8-11 is a repeating prophecy to finale over a number of years)

===

**This Changes Everything**

1. So when people say this:

"man the Governing Body is such a bunch of hypocrites, man they are UN worshippers and pedophile protectors, man they are arrogant, infallible and smug, man they are obviously sinners not some "new light" 2012 annual meeting "faithful and discreet slave", the whole Jehovah's Witnesses ministry is a bunk lie!"

2. People are being affected the way the MOL wants to effect people, to stumble them out of the way to the truth and salvation; (2Pet2:1-3)

3. People who currently believe this lie and see the actual sins in the Jehovah's Witnesses must also understand that this is foretold to have to occur and be revealed prior to the final temple judgment cycle of prophecy actually activating as Daniel 8:11-14 temple cleansing actions of massive proportions nears the Jehovah's Witnesses worldwide organization;

This reality of prophetic activation cannot be reversed, prophecy WILL continue to fulfill to the end - this is just the beginning of the final cycle;
When People Understand This "Man of Lawlessness" Prophecy Fulfilling Now in the Governing Body Lawless Works Faith is Maintained to What Must Follow Soon;

1. With this Bible understanding of critical signal prophecy, then the MOL sin effect of doubts is just the opposite upon a person with faith, whose understanding of this required prophetic fulfillment bolsters their faith and conviction that this is indeed the Bible truth because the "man of lawlessness" is "in the temple of the God" being finally revealed for this purpose;

2. This MOL development revealed accurately **proves what must follow soon** in prophecy guaranteed;

3. And that also means the Jehovah's Witnesses and ministry are the "temple of the God" in the genuine anointed capacity that this MOL is attempting to suppress, violate; (Zech3:1-3) and pollute by covert means of diversion and "throwing truth to the earth"; (Dan8:11-12) in coverup of this prophetic truth;

4. The MOL also **covers up what led to these lawless men** taking over the Watchtower Bible and Tract Society through this MOL Governing Body administrative lead especially since 1990 and the UN relationship; (Daniel 11:30-32);

5. The whole thing **fulfills prophecy explicitly since 1990** in full manifestation of the UN NGO fornications for 10 covert years of gross sins against God, Christ, Jehovah witnesses and the general world population by the Governing Body promoting sin and lies to aid the UN globalist objectives since 1990 to coverup the great prophetic significance of all this from people; (Dan11:30-31)

**MOL is Exposed Now**

1. Now the tables have turned on MOL, and his clever subversions of purposeful sin and hypocrisy in the Jehovah's Witnesses, such as the UN NGO adulteries, now expose the real situation in the Jehovah's Witnesses organization as actually fulfilling a great signal prophecy;

2. The active fulfillment of critical Bible prophecy in this revelation of the criminal "governing body" MOL, prior to massive temple events that will also activate to clean the MOL out of Jehovah's Witnesses and fully expose the origins of his activities, sheds new light on what is actually transpiring in the Jehovah's Witnesses ministry today;

3. Now we know what is actually going on, and why MOL covers this up;

4. MOL wants people stumbling and doubting BUT NOT seeing the significance of what is REALLY going on here;

5. MOL is being revealed by Bible prophecy prior to divine termination of the MOL as the temple judgment MUST soon follow in a huge set of events that will get the attention of all Jehovah's Witnesses worldwide;

6. This will also get the world's attention as well - because this will expand to affect the world by 8th King globalist intrigues also being exposed per prophecy, as other prophetic fulfillment is what this will lead to the end;

The Key 1990 Daniel 11:31 Prophetic Cover Up and UN Developments That Expose the Governing Body of Jehovah's Witnesses as a KN Globalist Infiltration Sinner Group

Daniel 11:31-36 and 1990 is Key

Here is the Fred Franz clue: While Fred was working on the Daniel prophecy commentary, the "Your Will Be Done" book, the Cold War was pretty well underway and recognized; Fred could not know the USSR would soon fail, until after they failed;

So, this prophecy could not be verified, and could apply to the USSR as long as they were in operation:

(Daniel 11:36) “And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

So, in the 1989-1991 period as the USSR collapsed and the Russians surrendered to the UN by joining it, that is threw in their chips with the Brit and US globalist elites, they FAILED; But Fred Franz was not able to comment on this, this changes the whole Daniel 11:30-45 story!

NO WAY can the USSR be considered "the king", and "And he will certainly prove successful until [the] denunciation will have come to a finish;"

Instead the USSR were just another failure in Daniel 11:27, "and NOTHING will succeed";

....

Had Fred Franz been able to comment on this before he died, he obviously would have noted that the failure of the USSR, disqualified them from Daniel 11:36 fulfillment emphatically!

And that disqualified USSR or Russia from Daniel 11:36-43, NONE of that is about the USSR, but it is about "someone"; It is about a power who WILL be successful all the way to Armageddon;

NWO Globalists as KN;

....

This is 'in the face' obvious;

Then why doesn't the XGB say something?

Why continue a USSR illusion that actually never began in Daniel 11:36???

Here is why, and how we know XGB is B A D:

1. The XGB do not want to point out, that when the USSR went down, not only did they fall out of Daniel 11 fulfillment, the UN/NWO ALSO stood up as the Globalist "The King" INSTEAD!

That was the THIRD, 3rd, UN world governmental related stand in human history, after Cold WW3;

THAT is HIGHLY significant!!!!!

Obviously the globalists AND XGB do not want people understanding the significance of this event and meaning; The less JWs and the world know, the better!

2. Now the XGB "gloss" over this, because they MUST work for globalist "The King" (Dan11:36); They are an internal fake-JW agency of the globalist NWO, who ALSO does not want people seeing the 3 stands in order:

A. (1) after WW1 = League of Nations; 1919
B. (2) after WW2 = United Nations; 1945
C. (3) after WW3 = UN-NWO; 1990

This is because the pattern becomes predictable; Globalists are now predictable; Because the 4th Stand will obviously require a WW4 developed, fought, and resolved, to present Daniel 8:25 (1Thess5:1-3) FINAL stand Globalist "World Peace Everyone!" "Freedom From Care Y'All!!!";

D. after (4) WW4 = NWO Image AND Scarlet Wildbeast ACTUAL worldwide government 8th King;

Knowing this relieves the ability of the XGB to herd JWs to slaughter like a bunch of dumb cows;

And the XGB don't want that!

That UN/NWO third stand, proclaimed by George Bush Sr, 9-11-1990 onward, and echoed and proclaimed likewise in the XGB UN/NGO 666ers Awake! 9/8/1991 is the Bethel "placement" of the Disgusting Thing and is crucial to see the emergent pattern, as simple as 1...2...3...-4; to End of the N world O!
Rather than explain this historic event fulfills Daniel 11:30-31 as KN NWO globalists AND the traitor xGB WTBTS, they do the opposite, the cover it up, and promote the UN in NWO mode from 1991;

They ignored watershed Daniel 11 activation!

Instead????

3. INSTEAD the XGB promoted the UN-NWO (for 10 covert years), rather than explain biblically what had really occurred at Daniel 11:30-31; And it's effects on the rest of Daniel 11, as that KN is UN/NWO globalists;

Why as well?

4. They can use Daniel 11:43 erred impression of Russia (USSR) to activate Daniel 11:44-45 as a globalist hoax prematurely, as a support segway for furthering the effectiveness of the overall "hoax GT" planned attack on the JW org;

Since the xGB and globalists are actually one operation at work here, they can possibly do all this to fool JWs misled mindset along with a hoax "peace and security", as applied to a decoy national "King North" that must develop for WW4 anyways, but it does not actually apply to Daniel 11:44-45, who will be globalist 8th King UN/NWO powers at Daniel 8:25 parallel with Daniel 11:44-45 AFTER WW4, YEARS from now;

God's Daniel 8:11-14 Judgment not GT

They want JWs thinking this next event is that event of the relatively distant future, but it is not; What is actually coming is God's JW judgment as per 1Peter 4:17 FIRST; The fact is that this 1991 known UN/NWO xGB Bethel Baal sin is the "transgression causing desolation" of the temple judgment prophecy of Daniel 8:11-14;

But the XGB and globalists can just pick up Daniel 11:43 where it left off as alleged USSR, and continue the Daniel 11:44-45 "goes forth in a great rage" to apply to whatever decoy and hoax "KN" and world event they want, WITH the globalist engineered event to develop soon - backed by the xGB leading the JW collective mind to this conclusion; They are working together on this, just like 1991, and 2001, to smack the JW org into oblivion;

They want to smash the JW org, dizzy it in blinded confusion (for years, if possible), to waffle it in cave quicksand for this next 10 years, WHILE the globalists complete their "Next Phase" 10 year super-plan, coming in with this next world super-event series, and that goes to WW4, to BTG asset pillaged and dissolved, to 4th Stand UN/NWO (whatever they may call it at this time), and all the way to ACTUAL Daniel 11:42-45 completed as globalist world powers all the way since Daniel 11:30-31;

JWs will be scratching there head again, "what in the?", "who bankrupted the JW org?" Where is that GT thingy? Why have 2 million JWs drove to the concentration camps with their own vehicles?

HEY! What's going on here GB????? GB help us!!!

They want to do do JWs, what they did at 911 BUT WORSE, as with the UNNGO newsbreak on 10/2001, that bewildered JWs for the whole decade, we are still waffling and denying it all -

Average JW: uhhhhhh, uhhhh, what just happen??? What happen???? uhhhh, where are we now? UN/NGO OK with God right?

XGB: Yes Dear JWs, we needed a "library card" honey, everything is AOK, 666, in deep as shinola in the temple now! Go back to door to door land, go back to sleep dear; Think "Peas-n-Securitee, THEN GT", "Peas-n-Securitee, THEN GT", "Peas-n-Securitee, THEN GT", You had a nightmares all; You OK dodo bird JWs, you OK.... Worsheep and Obey, worsheep and obey... the GB...

So, they want to ding the JWs a last time before the XGB has to go, and they want to stump JWs as long as possible on what this ALL REALLY means after this slam actually manifests;

They want to try to stupefy JWs 10 more years, and by then, the UNNWO will be able to throw the JW into WW4, with no lights or compass, well after this initial hoax, decoy and bushwhack;

This next event on the JW org, will NOT be the end cycle "GT" finale JWs will believe it is, it will be a judgment (Dan8:11-14), and the whole progression after that judgment, will span across WW4 (Rev11), for years and two prophetic known periods (1150 days and 1260 days, minimum), to Armageddon AFTER WW4, and AFTER the NWO KN Globalist 8th King stands the 4th and final time of Daniel 8:25;

Daniel 8:25 is Daniel 11:44-45 - same placement (image and world system), same world power (globalist KN/KFC), same defeat in both those scriptures; (Rev19:19-21; Dan2:31-44)

If God did not act as per Zech3:2, JWs would be toast, the globalist XGB and the NWO intel powers would have snuffed and disoriented JWs and destroyed the final ministry;

But, no can do;

JWs have a deal with God, He will pound some JW tale (soon), and then HE and CHRIST will finish what the Bible says must be done by prophecy, a second and final Two Witnesses in the future, and that will be the final warning announcement prior to the 144000 Kingdom and Temple ACTUAL completion, under THE REAL KING Christ to smash globalist power (Rev19:11-21) permanently (when they are finally ready; Eze38:7; Joel 3:9-12) and feed them to the dogs and birds as the inferior vanquished powers of Armageddon war (Eze39:17-19) as it is written, so it must be done;

(Daniel 11:36) because the thing decided upon must be done.

And that is why Daniel 11:36 applies to globalist KN powers, they will provide the collective and unified worldwide defiant context for God and Christ to glorify themselves upon as one whole "king", rather than this and that national power;

The final defiant rival symbology of Revelation and Daniel as one big globalist, worldwide collective multi-national unification attempting to claim planet earth as it's own with the Devil, is the NWO final ground-zero Armageddon "bullseye" of God and Christ at this climax event;
That type of apex collective is what Revelation 16:13-16 indicates; …

The XGB should easily be able to see this, even street and academic researchers can see this globalist evolution not far-fetched - plain and simple NO ONE is as stupid, retarded and dumb as the XGB, UNLESS it is on purpose - NO ONE is this idiotic and blind now-a-days; It is IMPOSSIBLE to be this dumb accidentally;

It MUST be on purpose;

And that is how we know the XGB are purposeful in their planned blindness and purposeful retardation of divine progress in prophecy, to FOOL JWs and to "throw truth to the ground" in cover-up for globalist objectives;

This XGB is rotten to the core; evil men, intel ops, hoodwinkers, laughing at JWs all the while;

And the Fred Franz, USSR hinge-point of 1990-1992 is when they shut down the actual Bible truth of prophecy as related to globalist King North, and instead serve the wildbeast goals and objectives;

NOW it is plain as day, the XGB are full 666 operatives, all globalist intel operational aids; This must be throughout the JW org by now;

Had Fred Franz been even 80, in 1989, NONE of this would have been "conveniently missed" and subsequently covered up, as the globalist intel op Milton Henschel "agency" did, and this XGB still does;

Who can deny the simplicity of the Daniel 11:36 test?

(Daniel 11:36) And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

Who is so asleep as to think the XGB hasn't seen that SIMPLE King North criteria?

Either KN is successful to Armageddon, or it is not; NOW the XGB edit out all 'Daniel Prophecy' book commentary to smoothly bypass and butter Daniel 8:11-25 and Daniel 11:27-45 in fraudulent and erred interpretation;

THEY ARE EXTERNAL GLOBALIST INTELLIGENCE AGENCY FRAUDS working INTERNALLY in the JW org, for a very very bad reason coming up;

But, they fulfill prophecy (Dan11:30), and provide the 666 sin for judgment (Dan8:11-14), and we can ID the truth of God, by where the main attackers of it are NOW operating in full revelation, LIVE and real-time;

This cannot be made up, with this much Biblical backing, upside, downside, across, cross referenced, it ties the whole Bible together this final MOL temple rot for divine extermination PRIOR to even the 1260 day GT initial cycles;

Of course the actual globalist world event coming up, will answer it all to anyone paying a little attention to all this development; And they plan, like 911, to make it big enough to wobble the whole world another 10 years, and lead it to wherever Globalist KN wants;

That is why they keep JWs living in 1990 development as related to globalist King North, and instead serve the wildbeast goals and objectives;

That type of apex collective is what Revelation 16:13-16 indicates; … 

The XGB should easily be able to see this, even street and academic researchers can see this globalist evolution not far-fetched - plain and simple NO ONE is as stupid, retarded and dumb as the XGB, UNLESS it is on purpose - NO ONE is this idiotic and blind now-a-days; It is IMPOSSIBLE to be this dumb accidentally;

It MUST be on purpose;

And that is how we know the XGB are purposeful in their planned blindness and purposeful retardation of divine progress in prophecy, to FOOL JWs and to "throw truth to the ground" in cover-up for globalist objectives;

This XGB is rotten to the core; evil men, intel ops, hoodwinkers, laughing at JWs all the while;

And the Fred Franz, USSR hinge-point of 1990-1992 is when they shut down the actual Bible truth of prophecy as related to globalist King North, and instead serve the wildbeast goals and objectives;

NOW it is plain as day, the XGB are full 666 operatives, all globalist intel operational aids; This must be throughout the JW org by now;

Had Fred Franz been even 80, in 1989, NONE of this would have been "conveniently missed" and subsequently covered up, as the globalist intel op Milton Henschel "agency" did, and this XGB still does;

Who can deny the simplicity of the Daniel 11:36 test?

(Daniel 11:36) And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

Who is so asleep as to think the XGB hasn't seen that SIMPLE King North criteria?

Either KN is successful to Armageddon, or it is not; NOW the XGB edit out all 'Daniel Prophecy' book commentary to smoothly bypass and butter Daniel 8:11-25 and Daniel 11:27-45 in fraudulent and erred interpretation;

THEY ARE EXTERNAL GLOBALIST INTELLIGENCE AGENCY FRAUDS working INTERNALLY in the JW org, for a very very bad reason coming up;

That 3rd UN/NWO stand (1990), PROVES, the globalists use a WW womb, since 1914 WW1, for UN or NWO world government purposeful presentation - it is ALL engineered; That 3rd Stand reveals the highly probable need for a 4th World War to finalize the NWO Globalist KingNorth (Scarlet Wildbeast) 8th King worldwide super-power to zenith;

That is why the XGB covers up that 3rd stand's significance, and all the watershed globalist fulfillment to follow the 1990 UN/NWO stand;

Instead, on 9/8/1991 the XGB stood the "Disgusting Thing" in the Awake! (as knew-bent UNNGO beggar), followed by The Watchtower NWO pollutions, and full Bethel Wildbeast idol worship festivals that went into public awareness 10 years later - the XGB are 666 High-Priest frauds - that is why they keep JWs living in 1990 errors regarding Daniel and globalist world governmental reality;

Reply:

You know something that has always freaked me out, templeelijah?

It is how we received "direction" in times of natural disaster/emergency to pretty much just go along with whatever the government agencies say.

Really? Do whatever FEMA says? Do whatever TSA says? LOL! HAHAHAHAHA!

=================

Yep, they want JWs following this globalist Pied Viper xGB in "lemming mind mode" for evil purposes to become operable in the next world event which may very well be a 911x200 massive worldwide super-development - we shall see. I am expecting a HUGE event to also "conveniently" occur with "1914" in the JW collective mind for the predictable "2014 XGB Temple Decoy and Hoax GT" event with the supporting globalist KN aided extravaganza, providing the "prophetic" cues like hoax "peace and security" to make it all swallowed whole by as many JWs as possible!

A total hoax job on the whole JW worldwide family;

And the xGB will sell it as GT-mageddon as long as they can hang out and muck up and stall the real truth; JEHOVAH AND CHRIST are who will HAVE TO "snatch the JW log" from the Zech3:2 fire;
They have been covering globalist revealing KN bible prophecy up, and brainwashing JWs to obey Caesar and the XGB, to the point of brazen arrogance, and conditioning of the JW mind that is surreal; Like JWs were stuck in a mental freezer 20 years ago;

It is 1990 over and over, every year since then;

Most JWs mentality is stalled in 1990, not just in the Bible prophetic meaning, but also in things the world plainly KNOWS about globalist world government;

At one time, we JWs were the visionaries with eagle eye insight; Now every conspiracy theorist and his mother knows more than JWs about geo-political globalist REALITY and uni-polar globalist governmental evolutions developing worldwide that cannot be stopped but at Armageddon;

JWs have been retarded by the XGB, simplistically bypassed to a hoax GT, and the internet shunning added to the ignorance;

JWs have become just like Christendom, be-dumbed by "men of lawlessness", and the "elder body", in general, enjoys it, because they are power tripper "daughters" of this 'Man MOL Harlot' - the elder body to some degree, has BECOME like the XGB, smug, waffling, arrogant, cold, fossilized, and reactionary, and it is ALL stemming from this MOL;

BUT, we needed to be humbled before the 1000 year reign;

Can you imagine resurrecting billions of people into what JWs are today? No, we need to teach humility, not arrogance and self-right;

Our sword has been dulled and rusted over;

BUT it is all prophecy and God uses all developments for his purposes, this error is allowing Jehovah to make a deep examination of REAL JW motives, for better or worse, in EVERY JW in all the land prior to this judgment cycle;

(That is also why XGB will try to drag the "elder body" into gross sins of judgment upon real anointed and real faithful JWs as this develops, the XGB is going into "coup-de-grace mode of sin spread like a napalm-gangrene bomb of twisted application of scripture to further sins onto the elders, BEFORE this xGB+GlobalistNWO bomb REALLY hits)"

What is coming up in the world event MUST be HUGE! Satan himself, like in 1914, will be presenting an amazing parallel distraction to decoy temple and his own NWO kingdom to distract from this coming Kingdom, Temple, Christ and 144000 completion reality!

Satan is also going into overdrive for a decade long haul of diversion and subterfuge distraction;

So, we better stick to God's prophetic Word like super-glue, and get ready for some very strange days to develop as general-population JWs find out we have to go another 10 years, at least, and we have to preach through the blazing heat of WW4 and actual "tribulation of those days" for the whole 1260 day final countdown;

And the org will be in some crippled condition, and the sackcloth of Rev11 will be REAL, as that 1260 approaches over a few years;

There is no reason to leave the org. truth or temple;

There is MORE reason to STAY and watch this all happen!

There is no reason to hate our poor misled brothers, they will be fast-tracked to reality in time, as God actually enters the temple (Isa66:6), as per Mal3:1-5, and prepares the approved JWs for the final ministry - and we can use this whole experience now, and especially in the next system of things as a good learning example of why Adamic man CANNOT be entrusted with any real responsibility - the Christ and 144000 will replace this whole circus;

As Peter stated, if the righteous one is being saved with difficulty, where does the world stand!? If JWs were hoodwinked and deceived like this, how blind is the world??

Humbling JWs will also open the door for a lot of people who will come to understand why the org was so strangely hypocritical, contradictory, and seemed to be working against love and mercy, for fear and icy coldness; We had demon-GB developing since the Schroeder/Henschel days of the 1980 Inquisition, and the GB went down hill all the way, since that first power grasp to lift itself over everyone since 1976 - THAT was the beginning of the apostasy revealing - in hindsight it is obvious, the XGB experiment has...... F A I L E D;

Within 10 years, they went FULL 666 services;

Really, we should have seen from the getgo, after 1976, the GB was already trending towards busy-body smug self-exultation, beating the sheep, and “walking on water” infallible arrogance; What a sad joke really (a masquerade), but it will humble us to never buy humans who call themselves "faithful and discreet" when in fact God and Christ make that determination, hence the question:

WHO really is the faithful and discreet slave?

This is what we need, the GFN Slave!;

(Luke 17:10) So you, also, when you have done all the things assigned to you, say, ‘We are good-for-nothing slaves. What we have done is what we ought to have done.’”

The XGB ever say that? No, they have not done anything but 666 assignments;

WHO really is the faithful and discreet slave?

Certainly not the "evil slave" GB, and as they self-approve and self-appoint themselves into the FDS sole spotlight, we know they are fully revealed frauds, BLATANTLY fulfilling 2Thess2:4 worldwide from the evil slave web;

This isn't accidental like many think and whine about the xGB, these guys know full well the worship Satan, and they are :laughing their Sssss off at JWs that they are fooling; They are fully aware of what they are, who they work for, and what they are doing, and their final objective - and that God has given JWs to them for the
Judgment to the proper degree; (Jer30:11)

They know all this;

That is why we cannot let their errors, make us hate the brothers, we have to pity them, and have mercy, and wait for the full recovery and that is pretty much the end cycle;

......

Now look at the blatant globalist covering lies they tell regularly in the WT:

The Watchtower June 15, 2012 – "Revealer of Secrets" Article - Paragraph 10

Imposter GB Deception:

“"There will be no other world power after the Anglo-American national 7th King."

“The prophecies about the immense image and the wild beast confirm that the Anglo-American World Power will not be replaced by some future world power.”

Reality: The “7th Head”, “7th King” Anglo-American national power system will be utterly “replaced” by the globalist “scarlet wildbeast” 8th King, the US/UK national powers will kiss its 666 feet.

The WHOLE Dan2 “image” and the WHOLE scarlet wildbeast are the 8th King power system that WILL arise in this next mega-apex-cycle, and WILL go head-on with God and Christ's Kingdom for planet earth!

Paragraph 19

“The prophecies of Daniel and John have been fulfilled to the smallest detail.”

LOL; Yeah, right!

The prophecies of Daniel and Revelation will REPLICATE to the smallest detail!

....

Yes, the XGB want to freeze-dry the JW mindset in 1990 level of national dominant hoodwinked understanding, keep JWs focused backward on 1914, and cover-up the entire replication of all temple and kingdom completion cycle, final fulfillment mode prophecy of the near future - to bypass us to a hoax GT, that is actually Jehovah's temple judgment for real, not this decoy xGB version underway now;

=========

JW Org is Given to the 2Horn-Wildbeast as Per Temple Judgment Prophecy

The main goal of the "GB" is infusing deep sin into the JW system, so that JWs are compromised and given over into divine judgment (Dan8:14); It is the basic biblical pattern of Adamic man, and Israel, over and over and over and over again; And the JWs are NOT immune to it either;

That deep irreversible sin occurred with the UN related adultery of 666 services to the apex enemy system of Jehovah God and Jesus Christ, it is tantamount to Israel of Hosea's time performing Baal worship in the temple;

Bethel's "Baal" is the continued UN "New World Order" promotonals and supporting testimonials of the 3rd UN stand of 1990, after the Cold War (WW3), echoing George Bush Sr's words throughout the Watchtower and Awake! for 10 solid covert years of 666 GB worship;

So, the goal of polluting the JW "fortress" is done and completed now:

(Daniel 11:31) they will actually profane the sanctuary, the fortress, and remove the constant [feature].

And that led to setting up the UN idol at Bethel for 10 years of UN/NGO promotional work with George Bush Sr, starting in time (9/8/1991 "NWO" Awake!):

“And they will certainly put in place the disgusting thing that is causing desolation.

The Governing Body of Jehovah's Witnesses is part of the parties in the "they" in "they will certainly put in place the disgusting thing" and they will profane this, that and the other thing;

And that UN666 sin, is this sin of Daniel 8:12 "transgression", in modern times (1991-2001+), certainly not some 1938 JW "org chart" malfeasance adjustments as is ludicrously claimed as applying to this massive apex final JW temple cleansing signal prophecy of Daniel:

(Daniel 8:11-12) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place (JW org) of his sanctuary was thrown down. (in the near future) 12 And an (JW) army itself was gradually given over (to the infiltration of Daniel 11:30: "he will have to go back and will give consideration to those (JW GBers) leaving the holy covenant. And there will be (spiritual invasion; Dan11:41) arms that will stand up, proceeding from him (Globalist KN2HornWB); and they will actually profane the sanctuary..."), together with the constant [feature] (All the "food at the proper time", UN cover-up, etc, etc), because of transgression (of UN/NGO 666 relations); and it kept throwing truth to the earth (covering up real prophetic significance), and it acted and had success. (as the XGB of today, and a complete JW organizational finance and logistics controlling
compromise by globalist intel interests of the 2Horned-wildebast/8th King system for attack purposes in the near future against the final JW ministry)

**And THAT is the judgment coming upon the JW house SOON** with a globalist engineered MASSIVE world development, not the GT, and the globalist xGB KNOWS the JW org is handed to the 2Horn-wildeast for a destruction to the divine degree; (Isa12; Jer30:11; Zech3:1-7)

The Governing Body is the Man of Lawlessness "head", plain as day (self proclaimed, 11-9-2012); That "GB" experiment in a power-trip failed from incept of 1976-1980, with that ridiculous Bethel Inquisition of 1980, and the busy body policies that came after that, to the absurdity of actually getting on hands and knees to the UN-NWO as NGO for DPI propaganda plugging and world announcements within 15 years of this compromised, in hindsight MOL "body"; and us poor stupefied JWs

Surreal!

SHAMEFUL!!!!

Absurd! We JWs DESERVE the humiliation that is coming soon!

That is all said and done now, Jehovah's witnesses have sinned against Jehovah and Christ and against the "holy covenant", and continue to believe a UN666 "library card" is a valid reason and excuse to profane God's Holy Name, and to stumble as many people as there are JWs; JWs should be at 12 million minimum; The UN sins alone have stumbled probably 8 MILLION human beings; JW growth rates have been halved since 1990;

And that is what this little hidden message means:

That is not the only hidden pollutions and mockery in the WTBTS;

*Jehovah has His own "agents";*

The XGB/Corporate fake-JWs are restructuring the entire financial framework of the WTBTS to align with the globalist tapestry of investment engineering worldwide, and will continue this secretive work (like the UN/NGO, JWs won't find out until it is way too late), in spite of the fact many in the WT Bethel org KNOW weird things are going on, and remain too fearful, in denial or too stupefied to finger these operations because inside globalist legal and financial "overseers" are setting up the JW org for implosion and seizure of collateral globally (over years of the stranglehold), and no one is saying boo at Bethel;

They are cringing to the GB "Popes", who are apostate and have no spiritual authority anyways, it is all conditioned brainwash of the MOL; Subtle, and now JWs are in the oven; (Zech3:2)

They have bought the operation as legit, and God is allowing it; (Eze7:22) **ALL things must repeat**;

The XGB have inside globalist information of the possibility of nuking Wall Street to aid the cover-up of a 100 trillion dollar timed and controlled implosion to be rolling across the US commencing with the next major globalist event phase to prepare the BTG liquidation phases a few years from now; (As well as other weaker orgs and groups)

(That event is on the "faith in Action" DVD cover of part 2, as globalists Barr and Jaracz stand their pointing (Barr) to ground zero;)

A similar dollar based implosion will be systematically released in this period across the EU, the rest of the world will be aligned for the 4th placement of world governmental image and super-structure in about 8-15 years, plus minus;

That takes place through the engineered 4th world war, which is the development this will lead to to prepare the globalist WW "birthing womb" for a world government resolution after that WW, as in the 3 WWs prior to it,

1. in post WW1; for LON, 1919,
2. in post WW2, for UN, 1945,
3. in post Cold WW3 for UN-NWO (in world and WTBTS placement; Awake! 9/8/1991);
4. in post WW4 "peace and security" and "freedom from care"; Dan8:25 = Dan11:44-45

The WW4 event will meet several known objectives of world war, final human sacrifice in that period to Satan for final world governmental privilege, worldwide application of forced or willing 666 determination, implode current financial system into a "new world financial" uni-polar system, set Satan as sole Gog world ruler, and birth the human form of globalist unification at apex 8th King scarlet wildbeast image AND actual world power system with globalized ability to control and depose whole nations;

The XGB want JWs thinking those events developing over 10 years from now, are happening at this next globalist event as GT, but it is a temple decoy cleanse, GT hoax, and all run by the xGB "man of lawlessness" going into full betrayer "son of destruction" mode over the JW worldwide organization;

They are BLATANT and BRAZEN now, JWs are now going into deeper sin, and the xGB will pile on more "Inquisitional" sins against faithful JWs and anointed, to
apply as much sin, prior to this known judgment of God coming on the temple as per 1Peter4:17 = Daniel 8:11-14, so the xGB wants JWs DEEP in sin, so that event can be as destructive as possible, by divine punishment decrees;

....

The XGB globalists who run the WTBTS progressively after Lloyd Barry was whisked (the last actual Christian and anointed in the GB), Loesch continues the CIA, BVT, MI6, BND based intel operation now spanning over 50 globalist sub-groups for control of Watchtower finances and congregational logistics;

This is a HUGE operation on th worldwide JW Org; (And it was easy to infiltrate because JWs but visuals and work quantities as "spirituality"; CIA in the US "field" have actually assisted people "into the truth", that is how masterful the deception is, the WHOLE XGB is pretenders)

The WHOLE GB and ZO are all globalist intel operatives - and they will walk out of the WTBTS with over 500 million dollars in secured assets, and they will get a derivatives compromised stranglehold on a billion in WTBTS global properties, at globalist legal levels, to shut-down and or tie up the JW ministry for this next 10 years, to absolute completed ruination of the JW org, as ALREADY being predictively programmed as a known "evil plot hatched" to exterminate the JWs worldwide;

The Temple decoy and hoax GT planned for the JW mindset of 1914-2014 "centennial" temple cleanse, will be aided by a massive globalist worldwide false-flag event, for which the JW org will just be one rotten egg in the basket to be seized and controlled, to debalance and wobble, and if possible obliterate the JW ministry for the next 10 years;

But that is a temple judgment of the actual fulfillment of Daniel 8:11-14, for the Daniel 11:30-31 3rd UN-NWO placement sins and supporting sins of the globalist GB under agent Henschel, Gangas and Schroeder's central lead control to continue placing agents and override and shut up Fred Franz concerning the fall of the USSR, which disqualified the USSR from Daniel 11:36, and all Daniel after v. 36,....

THAT OF COURSE CHANGES THE WHOLE MEANING OF DANIEL. 11 "KING NORTH"; THE XGB ARE COVERING THIS GLOBALIST KN UP;

...and it calls into question the erred Nazi application of Daniel 11:30-31 as well, because "THEY will certainly place the disgusting thing" is impossible for the Nazi's as they were anti-Brit-elite global-government, and they did NOT exist when the UN was placed in 1945 anyways, so the "THEY" cannot be Nazi Germany, and must be a globalist aligned world power that Dan11:36: "will certainly prove successful until [the] denunciation will have come to a finish", along with traitors in the JW "holy covenant" as Christendom cannot apply to any "holy covenant" after 1919-1922 period;

If it failed, it cannot apply to Daniel 11:30-45 - that operation WILL be successful all the way to Armageddon;

The XGB "success" will be until removal by God long before Armageddon; (Zech3:4-7 during Dan8:14)

This Dan8:14 1150 day signal will lead to the rest, and JWs will NOT be able to deny it all any longer;

GB is Purposely "Playing Dumb"

This is prophetic exposition and criteria so basic, and so easy to access historically in light of globalism, that ignoring it at the level of the XGB cover-up MUST be on purpose; NO ONE, not even a chimp, is this stupid, it has to be purposeful stupidity to set up the JW org for a massive coup-de-grace, and a half billion dollar globalist externally aided, XGB internally provided, WTBTS complete compromise into globalist financial webs;

And that will all spring in the next world super-event, that will over a period of time, walk the world to WW4, and through WW4, to the final presentation of globalist world government, WHILE shutting up the final JW ministry;

And that is why Zech3:4-7, and Hosea 1:4-7 indicate God will intervene as per Zech3:2 JW log snatch from the globalist fires;

The XGB is playing JW gullibility, this cannot be so conveniently stupefied in 1990 thinking, without a "man of lawlessness" manifestation that is actually taking place as prophesied, "in the temple of the God";

That is what JWs are dealing with, but like Israel, are too proud, GT fearful and blind to see it;

That is how the ancient pattern, repeats in every detail; Bethel is going down as the "established place" is thrown down, as per Daniel 8:11-14 in the near future super world event cycle;

1Peter4:17 indicates the JW house is smashed FIRST, then the rest of the prophetic cycles proceed AFTER the JW "throw down", this is NOT GT coming up, JWs are being misled into that thinking so they can be herded to exterminations, internment and prisons, guided by the xGB and ZO, in 230 lands that are all globalist compromised JW operations;

Many CIA are top WTBTS officials - and other globalist orgs similar to the functionality of MI6, CIA, BND, etc, etc - there are a hundred sub-specialties in that globalist intel system, and many of them are infused in the JW worldwide organization for the final "coup de grace" on the JW final ministry, before JWs even comprehend the final ministry second "two witnesses" fulfillment;

JW Org will be over-hauled, you won't recognize the place 3-4 years from now when this is in full swing;

=====

The Kingdom of God administered by Jesus Christ is the FINAL Uni-Polar Universalist Government that will provide the solution to restore actual life to planet earth that was lost in the Adamic curse, and everything under the Adamic hierarchy of Genesis 1:28:

(Genesis 1:26-28) And God went on to say: “Let us make man in our image, according to our likeness, and let them have in subjection the fish of the sea and the flying creatures of the heavens and the domestic animals and all the earth and every moving animal that is moving upon the earth," 27 And God proceeded to create the man in his image, in God’s image he created him; male and female he created them. 28 Further, God blessed them and God said to them: “Be fruitful and become many and fill the earth and subdue it, and have in subjection the fish of the sea and the flying creatures of the heavens and every living creature that is moving upon the earth.”

That subjection was to be in divine righteousness, not the death slavery (Heb2:14) that Adam and Eve went under, and that has spread to all living things on earth, and even dogs and cats have similar diseases that humans have, and the whole life system was infected progressively through one sin, and the deep errors that developed
This corruption is that death and decay that the whole planetary system of earth is undergoing, it is not natural, and it's source, through Adam's God given hierarchical responsibility and blessing, turned to curse of death, is the Devil, the Hebrews 2:14 causer of death and slaveries through that death, to try to destroy all life on earth in time (Matt24:21-22);

(Romans 8:18-22) Consequentially I reckon that the sufferings of the present season do not amount to anything in comparison with the glory that is going to be revealed in us. 19 For the eager expectation of the creation is waiting for the revealing of the sons of God. 20 For the creation was subjected to futility, not by its own will but through him that subjected it, on the basis of hope 21 that the creation itself also will be set free from enslavement to corruption and have the glorious freedom of the children of God. 22 For we know that all creation keeps on groaning together and being in pain together until now.

And that adoption has had to take place from Adamic "children", to be brought into that new relationship with God, through Christ, to destroy the Devil:

(Hebrews 2:14-16) Therefore, since the "young children" are sharers of blood and flesh, he also similarly partook of the same things, that through his death he might bring to nothing the one having the means to cause death, that is, the Devil; 15 and [that] he might emancipate all those who for fear of death were subject to slavery all through their lives. 16 For he is really not assisting angels at all, but he is assisting Abraham's seed.

And this final sequence restores the blessing lost, and the life lost in the Adamic sin, whose origination of intent is Satan, who dies with his lot, then the full curses of Gen3:14-17 are resolved and removed:

(Revelation 22:1-3) And he showed me a river** of water of life, clear as crystal, flowing out from the throne of God and of the Lamb 2 down the middle of its broad way. And on this side of the river and on that side [there were] trees of life producing twelve crops of fruit, yielding their fruits each month. And the leaves of the trees [were] for the curing of the nations. 3 And no more will there be any curse.

Animals are included in the Christ restoration of matt19:28:

(Ezekiel 47:9) And it must occur that every living soul that swarms, in every place to which the double-size torrent** comes, will get life.

.....

All rival obstacles to this restoration will be given due warning, such as the NWO 8th King system, then they will repent or not, and be swept away like dust; BUT God will give due and fair FULL warning before Christ stops turning the other cheek, and whips out the super-celtial super-swords of the 144000 and ALL the angels under his power (Rev19:19-21)- that is what the Bible is all about, justice once and for all for this period of controversy:

(Daniel 2:35-44) At that time the iron, the molded clay, the copper, the silver and the gold were, all together, crushed and became like the chaff from the summer threshing floor, and the wind carried them away so that no trace at all was found of them. And as for the stone that struck the image, it became a large mountain and filled the whole earth.... 44 “And in the days of those kings the God of heaven will set up a kingdom that will never be brought to ruin. And the kingdom itself will not be passed on to any other people. It will crush and put an end to all these kingdoms, and it itself will stand to times indefinite;

That will all take place soon, and no human powers can stop this resolution of sovereignty; Even the Devil will be bagged with his armies of demons, so this is going to be a big event, and God will give a series of final warning periods before the Temple and Kingdom completes;

From the first 3 World Wars, we know Daniel 8:25 and Daniel 11:44-45, with the Matthew 24:29-31 "break point" 144000 completion indicates a final World War 4 cycle, a final world government placement, and the depopulation drive, during that brief peace, of Daniel 8:25:

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

That period of "freedom from care" is also this final proclamation of the NWO 4th placement (whatever they may call it at that time is not known):

(1 Thessalonians 5:1-3) Now as for the times and the seasons, brothers, you need nothing to be written to you. 2 For you yourselves know quite well that Jehovah’s day is coming exactly as a thief in the night. 3 Whenever it is that they are saying: “Peace and security!” then sudden destruction is to be instantly upon them just as the pang of distress upon a pregnant woman; and they will by no means escape.

.....

Jehovah's witnesses think that is coming up, but that is a hoax because the Governing Body is an infiltration leading JWs to this WW4 prelude coming up, while JWs think this actual post WW4 period is what is coming next;

What is coming next is another 10 year cycle of the NWO, a 40 year series that began in 1990 with that UN NWO George Bush Sr. series of world announcements; (Daniel 11:31);

This will be the third decade that leads to and through WW4; The last decade, completing 40 years, would have been the final depopulation and earth rebalancing efforts of the NWO powers; But that is cut off after this third phase, as per Matt24:21-22, which is Rev6:12-17, which is at the Matt24:29-31 breakpoint, which is after the final 1260 day series of Revelation 11:2-3, Dan7:25; 12:7; Rev13:5; Rev12:6,14;

Christ's Kingdom and the post WW4 NWO 8th King 'Scarlet Wildbeast' will go into apex power at the same approximate time in human history, that is 8-15 years from now, +/- At the end of this planned approximate 10 year NWO phase;

That is (3) 40 year cycles since +/- since 1910; But the final decade will need to be cut off, Satan also has different final objectives than the NWO, he plans to roast them up as well; (Eze38; Rev19:19-21)

Ultimately Satan abyssing grand finale is what is driving mankind now; (Rev20:1-3), even the NWO is irrelevant when he gets the world to light computing central control, which is only a few years off, they have two light-physics defying developments already in the web news, and that is why this has to stretch past 2020;

The nature of these two developments, and plasmonster implications, will change artificial intelligence and satellite based computing at globalist levels forever, by 2020;

http://www.futurity.org/top-stories/this-laser-is-as-small-as-a-virus/
This next decade is the critical 8-15 year segway, this is all approximated, but the NWO have their work cut out for them in this next ten years, it is do or die for them; They are being driven, Satan is under increased pressure as well, he just wants to get that final depopulation network functional, centralized, in nano scales, and under his control, and if it goes to a centralized light-computing network of all these weapons and directed energy systems here, then that is a very real possibility;

Expect plenty of distractions as this next 10 years unwinds, but God will give a full warning and opportunity to anyone, even NWOers, to get with the winning power system, BEFORE it goes into it's own depop mode of Matthew 24:21-22 to shut down the madness on earth for good, and save all life from the mass comprehensive extinction that will become possible when man goes into this next realm of energy and computing power; Even now it is dangerous, but 10 years from now it will make nukes and HAARP look like child's play; Nukes and HAARP will just be a couple bullets in the worldwide magazine;

That is not "conspiracy theory", that is science, energy understanding and computing evolving to where it is going soon;

But the actual reason for filtration of significant dates this is not as it appears to most people;

Fred Franz died with the USSR;
And when his live and real-time Daniel commentary and attention died with him, the USSR also died in Daniel 11:36;

(Daniel 11:36) 36 "And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

Now even the dumbest JW chimpanzee can see the USSR cannot apply to Daniel 11:36, or anything after it;

Then who does?
The globalist 8th King is who applies to all the sovereign mega-symbols of Daniel 11:30-45, and Daniel 8:23-25;
The so-called Governing Body bypasses this significance to cover for their globalist partners, hiding the significance of globalist world government from Biblical prophecy, and instead, when this was all relevant real-time, the Governing Body started promoting the "new world order" starting with the global 3rd placement announcements of the UN in NWO mode WITH George Bush Sr., before the UN General Assembly - the world placement of Daniel 11:31, and the GB is part of the "they" here:

"And they will certainly put in place the disgusting thing that is causing desolation. (Daniel 11:31)

And that led to the complimentary setting up the UN idol (3) at Bethel for 10 years of UN/NGO promotional work with George Bush Sr, starting in time (9/8/1991 "NWO" Awake!) made GB official here:

(Search "new world order" on the Watchtower Library CD to see 79 WT and Awake! NWO refs in that decade;)

"A few days later, President George Bush of the United States addressed the UN General Assembly. The changes he saw inspired him to say: “Not since 1945 have we seen the real possibility of using the United Nations as it was designed—as a center for international collective security,” He said this because the “United Nations” reacted with such historic unity and resolve” to the Persian Gulf crisis. “For the first time, the U.N. Security Council is beginning to work as it was designed to work.” He also said: “The United Nations can help bring about a new day” if its members ‘leave terrible weapons behind.’ By doing this, they can complete the “historic movement towards a new world order” and a long era of peace.”"

Governing Body is not Christian much less anointed, and are NOT what they are masquerading as; (2Cor11:13-15; 2Thess2:3-12)
They are the “man of lawlessness” publicly fulfilling 2Thess2:3-4; But they already have plenty of indication they are misleading JWs to coup the worldwide org in the next globalist world super-event to stop the final temple completion ministry;
The temple foundation cycle of prophecy is now in final fulfillment mode, meaning the whole temple cycle of 1914-1918, and 1919-1922 is replicating in temple completion cycle, and that includes a modern day "lawless one" IN "the temple of the God"

And this diminishing referencing of these patterning dates related to the first temple foundation cycle of prophecy, is to minimize the chances that JWs will detect a final fulfillment cycle is activating, and that the GB are masterful fraud globalist based intel operations, that is fulfilling prophecy, as the "man of lawlessness" in place for a while now sinning big time, to smash the worldwide ministry of the JWs, in this next decade leading into and through WW4;

They are purposely dumbing-down JWs to Biblical exposure of key prophecy and cycles;

JWs also have another temple judgment coming as per Daniel 8:11-14, as per this replicating cycle;

But they think it is GT and Armageddon, so they can be led about by the globalist operatives in 230 lands at will, when this next "big one" false-flag-terror-war event hits;

Protocols of the Learned Governing Body Infiltrators of Brooklyn
Operation Divide and Conquer

I. Crack the Foundation; Pour in Acidic "New Light"

A. Release "new Light" to soften and undermine the JW foundation and body;

1. That the Governing Body (GB) is the sole Faithful and Discreet Slave (FDS) "new light" blasphemy will do the acidic masterful divisional weakening trick;
   a. Approximately 1/3 Jehovah's Witnesses will be for it, 1/3 undecided, 1/3 will know instantly it is treason; JW foundation will crack into 1/3s;
   b. This will be perpetual compromise of a core teaching related to 1914, opening the door for further "anointed class" symbolic assaults as the xGB (Governing Body rogues) goes to coup de grace operation finale;

2. The purpose is to weaken the Jehovah's Witnesses (JW) body for approximately a year or two prior to full impact of the globalist coup-de-grace iron-fist of financial embezzlement, planned internments, and overall mayhem in 230 lands WITH the next globalist "two-horned-wildbeast" (2HWB) lead move world catastrophic event "911" cubed;

3. You xGB moved WITH the 2HWB handlers in 1991 as UN/DT NWO "placed" in JW "temple" fulfilled Dan11:30-31 in the JW org;

4. That "news" breaks WITH the globalist 911 event, on 10/2001 moved WITH the 2HWB lead;

   All xGB moves are WITH the wildbeast boys lead move as a supporting agency; This WILL repeat for coup de grace events until clean out; (Zech3:4-7; Hos1:4-7)

   GB=FDS will apply the preparatory "divide and conquer" acid to the worldwide association of Jehovah's Witnesses;

5. Let it set in a little; Divide now, conquer later; Set-up Jehovah's Witnesses like a bowling pin, for the next world catastrophic event cycle, globalist 8th King bowling ball impact soon;

II. Hoax Temple Cleanse Neo-Inquisition: Mimic Prophecy Before it Fulfills for Real

A. Begin the parallel "temple cleanse" before the real divine temple cleansing;

1. Defile JW Temple Further: Remove as many real Jehovah's Witnesses and anointed Jehovah's Witnesses as possible, call them dirty infidels, burn them at the Kingdom Hall stake! Onward!

2. Jehovah's Witnesses numbers may start to go flat and drop, but hey! That is because of? TEMPLE CLEANSING!! any negative effects are covered by "bible prophecy" the xGB is fulfilling as FDS for further credibility to MOL!

3. xGB leads the Neo-Inquisition, drawing the Neo-Jesuit "elder-body" into more gross sins and bloodguilt further than just the 8 million stumbled by the UN DT 3.0 in the WTBTS in 1991;

4. The "temple cleansing" blasphemy is a subtle mimic prior to real bible prophecy many are expecting, this is the "weed" clean out everyone! Report all murmurers! It is your Christian duty to worship the Governing Body! Help us rid the place of real Jehovah's Witnesses!! Set up the perfect sinful state of Jehovah's Witnesses further, prior to the REAL temple judgment of Dan8:11-14 which will come with the next globalist event;

5. Get a full 1/3 of Jehovah's Witnesses into total condemnation state; (Rev8, FFM)

   Destroy as many Jehovah's Witnesses spiritually as possible;

III. Hoax GT: Make Globalist Planned Jehovah's Witnesses Assault Worldwide Look Like GT

A. Tell Jehovah's Witnesses the actual judgment STARTS with them, and that this little xGB "new light" "Inquisition" is that "temple judgment";

1. But in reality this is just a MOL hoax "temple cleansing", they full well know a globalist attack is coming on the Jehovah's Witnesses system LATER: This is psychological prep work, to set up Jehovah's Witnesses to control them in the "coup-de-grace" finale to come soon after this;

2. So, get this "house judgment" out of the way in the Jehovah's Witnesses mind, thin the Jehovah's Witnesses herd as best you can, and let Jehovah's Witnesses sit and think about it, and we will send forth more "new darkness"; we can release more hoax credibility statements as time progresses justifying great evils, as if it is bible prophecy fulfilling;

B. Now that Jehovah's Witnesses think the Jehovah's Witnesses "house judgment" is about through, though it has not even started yet for real, we can present the actual "house judgment" of Dan8:11-14 as a great worldwide "GT hoax" to herd Jehovah's Witnesses all over the world to internment and slaughter houses; And the Jehovah's Witnesses will follow the xGB Popes like the lemmings follow the Pied Piper; It will look like GT! But it's not!

C. So xbrothers, remember to push GT GT GT and NO expounding reality of any prophecy after 1990, when we manifested full xGB control; Keep Jehovah's Witnesses in Governing Body trance; That way we can herd them to doom that much faster and more effectively; NO QUESTIONS ASKED!

IV. Keep Confounding and Killing Jehovah's Witnesses Until Someone Stops Us

A. The Zone Overseers, who are all globalist logistical internment herders, will have the whole Jehovah's Witnesses system of extermination all mapped out and overlaid over the 230 lands;

1. As the xGB planned "hoax GT" progresses orders of relocation are sent out to the VARIOUS DUPED "elder body" and branch offices, if any one is suspicious we
use the WT article predictive programming "brothers, it looks like a powerful government did in fact "hatch an evil plot" to exterminate Jehovah's Witnesses", shoot brothers, they got some of us; The "slave" did warn us of this, so they are of course not involved in anyway;

2. And then keep with that story, and no one will get past the ZOners to question anything! We will box all info and intel in our own circuitry! Jehovah's Witnesses will have no inter communication between themselves across the lands; We can herd, whack and imprison as many Jehovah's Witnesses as we want, with the same formula, over and over and over until finally some elders or branch overseers FINALLY, maybe, maybe not, catch on to our murderous actuality!

3. Even if one Jehovah's Witness "land" figures out we are killing the Jehovah's Witnesses, they are so isolated from each other it could take months or years for them to actually communicate to warn the others! We will have a bloody field day!!!

4. We will just grin and deny it, and split WT "hedged" millions in Singapore, Cayman's and Zurich later! Cheers! See ya! Suckers! We will pick up the WTBTS securitized properties later, for the "new world order";

5. By the time the real GT comes, Jehovah's Witnesses will have missed the divine Rev10:11 final fulfillment commission! Mission accomplished! Conquest!

That is why Jehovah is the one who must snatch this JW log from the very real fire as this transpires as per prophecy; Zech3

In reality, Jehovah's Witnesses will complete the second of "two witnesses" worldwide final ministry no mater what may have creeped into the Governing Body since 1991;

Next on the infiltrated xGB agenda;

The globalists (2HWB/8thKing) have been in the Jehovah's Witnesses org for years (Dan11:30), this is just "coup de grace" time - phase 3, grand clean-up, so the xGB goal is the destruction of the Jehovah's Witnesses ministry and as many Jehovah's Witnesses spiritually and physically as possible;

BUT IT FULFILLS PROPHECY RECALL! Man of Lawlessness must reveal prior to the world's end cycles; And they will be cycles that will drag by one month at a time for years upon prophecies Jehovah's Witnesses already know well, 2300 units (one time fulfillment), 1260 days (1914 and near future fulfillment) and 1290 days (1914 and near future fulfillment);

WE WILL SEE THESE PATTERNS IN FULL REPEAT BEGINNING WITH THE MOL (xGB) REVELATION AND THE JW TEMPLE JUDGMENT AS PER 1PET4:17 AS DANN 11-14 MANIFESTED SOON;

So, this xGB knows the JW org is given to the fire; (Zech3:2), that is also their goal;

The Basic Facts of Diversion

The King of the North

Once we see that the Soviet Union (USSR) could not fulfill Daniel 11:36 we know Jehovah's Witnesses are being misled and purposely stuck at Daniel 11:43 expectations in error;

(Daniel 11:36b) ... And he will certainly prove successful until [the] denunciation will have come to a finish;

Anomaly Error One

In fact that 1990 event of the dissolution of the USSR, the end of cold WW3 and the prophetic 3rd placement of the United Nations in global victory proclamation after that war is at Daniel 11:30-31;

The USSR never made it into Daniel 11 much less all the way to Daniel 11:42-43;(All National intrigues in world war are summarized in one sentence in Daniel 11:27: "and nothing will succeed");

With a clear statement of required "success until the denunciation will have to to a completion" at Armageddon at Daniel 11:36 we may ask: Why is the Governing Body ignoring this easy to see error in application to the USSR failure in Daniel 11?

What's up with that?

Anomaly Compromise Two

And that just so happens to be when the Governing Body of the Watchtower Bible and Tract Society joined the Untied Nations as a global proclamation promotional partner and organization as Untied Nations Non Governmental organization (UN-NGO) in 1991-1992;

As Fred Franz was being silenced from any comment, and then deceased;

We have to ask, is that all a big coincidence at a critical 3rd United Nations 8th King manifestation after the cold war?

And why is the Governing Body promoting that global proclamation in the Awake! of September 8, 1991 for 10 subsequent years rather than explain this easy to see prophetic critical development?

Could it be?

It appears the Governing Body of Jehovah's Witnesses is in fact a United Nations serving core diversion group;
Four Fronts of Attack?

The other point of logic is that (1) Daniel 8:25 is allegedly "King of the South"; "King of Fierce Countenance" Anglo-American [[national]] world power "standing" against God's Kingdom at Armageddon in the final Daniel 8:23-25 world power apex drive;

And (2) Daniel 11:44-45 is the alleged rival of the "King of the South" as the finale "King of the North" system also "standing" in "placement" of "palatial tents" against God's Kingdom in the "land of decoration" at Armageddon;

Well we cannot have both rival systems making a global sovereignty "placement" and claim at the same time, at the same place; They have to be the same [[globalist]] unification 8th King world power system as (3) Revelation 19:19-21 under Gog at (4) Ezekiel 38;

It is all the same final defiant globalist 8th King system;

Governing Body is Fraud Infiltration Unit

This is how we know the Governing Body of Jehovah's Witnesses is compromised and not actually Christian or anointed;

They are setting up Jehovah's Witnesses for a foretold desolation which must connect the Daniel 11:30-31 United Nations worship actions of the Governing Body to the temple transgression of Daniel 8:11-14 at the same time in the 1990-1991 compromise and continued cover up;

That Attempts to Break the Armageddon Globalist Developmental Connection

But it is being revealed as fraud prior to temple judgment;

Final Temple Prophecy

The Sin, The Judgment, The Recovery, The Final Ministry - The Truth...

http://templelijah.wordpress.com/gb-8k-infiltration/the-sin/final-temple-prophecy/

Timeline of UN-NGO/NWO GB Sins Leading to JW Temple Judgment (The Real One, not the Fake GB Hoax "Cleansing")

First off I am Jehovah's witness, telling JWs that a JW house/temple judgment (1Pet4:17) of unbelievable proportions will virtually wipe the JW org off the face of the earth soon; (Dan8:11-14), and that is from globalist powers allowed by Jehovah, He who is not happy with Jehovah's Witnesses United Nations (United Nations Non-Governmental Organization (UN NGO)) sins and idol worship in his house of the xGB;

I am not encouraging JWs to leave the organization, or the ministry or the vow that we WILL be held to by Deities who expect obedience to the death,

But I tell JWs the whole prophetic cycle of 1914-1922 will repeat in final fulfillment mode activating soon, in the temple completion cycle, just as it fulfilled in the minor temple foundation cycle (1914-1926), and all real JWs will be expected to resume duties in an approved and cleansed state after this current JW infiltration is eradicated by God in temple cleansing (Dan8:11-14; Isa66:6) and priesthood cleansing (Zech3) for the final world warning campaign of the Sovereign Ultimatum (little scroll) of Jehovah God and Christ in the near future second "two witnesses" worldwide final ministry from God; (Rev10-11)

Firstly the xGB Apostasy is Prophectic - It MUST Fulfill FIRST

This scripture below indicates a planned infiltration of the JW org by globalists, developing apostate JWs, (and others; v. 32; still operable in the "temple of the God") is currently active to profane and subvert Jehovah's witnesses by spiritual warfare prior to the big 1991 Governing Body (GB) sanctioned UN-NGO/NWO PR manifestation:

(Daniel 11:30-32) “And he (globalist KingNorth; (gKN)) will actually go back and hurl denunciations against the holy covenant and act effectively (in the JW org, etc); and (gKN) will have to go back and will give consideration to those (JWs) leaving the holy covenant (in the WTBTS),

31a And there will be (infiltrative) arms that will stand up (in spiritual warfare; Eph6:12), proceeding from (gKN); and they (gKN and JW traitors) will actually profane the (JW) sanctuary (by UN/NGO services), the fortress (JW Org), and remove the constant feature. (Pollute JW sacrifices from then on; To coming desolation as per Dan8:11-14,)

31b “And they (gKN and JW traitors) will certainly put in place (In world and WTBTS) the disgusting thing (UN in NWO mode) that is causing desolation. (And that parallels the "transgression causing desolation" of Dan8:11-14 in 1991 in the WTBTS xGB sanctioned adulteries)

32 “And those who are acting wickedly against the covenant (more WT traitors), (gKN) will lead into apostasy by means of smooth words. (So, the infiltration continues, expands, and is present in the JW org today;)

Secondly it is Organized

Please note that the xGB agents move in a slight delay along with, and after a major globalist leading world event as UN and globalist "New World Order" (NWO) supporters; (As UN NGO; (1991 UN-NWO, 2001 UN)

The end of the engineered Cold War NWO placement (9/11/1990) was such an event that produced a delayed complimentary move by the WTBTS xGB in 1991 (Awake! 9/8/1991), as they promoted the UN/NWO with George Bush for a solid 10 years of global promotions through Watchtower and Awake! distribution and NWO hand signals at conventions, hidden graphics, changed logos, etc;

And it Suppresses the Truth
They also covered up the fact that prophecy of Daniel 11:30-32 had indeed fulfilled in the UN 3.0 NWO stance of 9/11/1990 proclaimed by GB (George Bush) and xGB (Governing Body) working hand in hand for globalist scarlet wildbeast interests;

That is where it all began to fully manifest 20 years ago;

Timeline - Compounding Gross Sin Napalm Gangrene xGB Timebomb Went Off 1991

Phase 1 - Covert Gehenna Level Sins (1991)

(0) = Sin Tally

1. GB WTBTS sanction a UN/NGO Department of Public Information (DPI) Public Relations agreement for UN/Disgusting Thing 3.0 in False-Prophet's NWO Mantra Mode; (9/11/1991 Awake!) (1)

2. Internal profanation of the temple/priesthood (2-3), organization (4), and the JW sacrifice (5); (Ongoing) is accomplished for 10 covert years of UN supporting promotions;

Daniel 11:31 they (gKN and JW traitors) will actually profane the (JW) sanctuary (by UN/NGO services), the fortress (JW Org), and remove the constant feature. (Pollute JW sacrifices from then on;)

This results in high level holy spirit removed and blessing withdrawn; (Hag1; Mal1; Zech1) The betrayal targeted JW flock under divine shepherding; (Zech11)

3. 10 years of Wildbeast adultery ensues in covert mode as xGB peppers and plugs the UN and NWO to it's global audience mind; (Hundreds of sins)

Phase 2a - United Nations Worship and Escort Services Exposed (2001)

4. UN/NGO "news release" timed with 911 event for full effect is released with pedophile protection policies news in May 2002; In other words xGB globalist operations go covert while United Nations relationship goes "world news" overt;

Phase 2b - Idol Erection and Stumble Fest and More Bloodguilt (Ongoing)

5. xGB uses "apostate", "opposer" and general valid criticism of obvious real hypocrisy as a pretext to idolatrously fortify the attacked "bodies" of "GB" (6), "Slave" (7) and "Org" (8) in the WT, creating an idol construction routine (9) that builds with every self-exalting WT publication article to 'repair' the PR damages of engineered reproach; (Hundreds upon hundreds of sins)

In other words it is a self-fueling synergistic strategy for compounding sins perpetually not "accidental" or "random" but "symbiotic";

6. Regularly, sanctification of Jehovah's name and Christ's Kingdom publicity is stolen (Zech5) (9-10) by undue attention given to the xGB idol "under construction" and their support idols of "Slave" and "Org" along with a 10 year and growing United Nations "Disgusting Thing" (UN/DT) as NWO pushing monster-idol in the JW temple in full worldwide view and publication; (11)

In other words it is deeply established now, terminal, was subtle and is real regularly practiced gross sin condoned and unconfessed by the xGB; The WT no longer talks about Jehovah, but about themselves, and topical newbie sheep minutia recycled to pretend to look busy and holy;

Mega Internet "Sam Herd" Phase

7. Now the xGB and globalist planners create an oppositional web "herd" of opposers and critics on the internet fed by general xGB globalist puppeted shenanigans piped out regularly to the web, in public actions and ideation in the realm of hyper-absurdity and ridiculousness; (12, thousands of sins)

In other words "Apostates" are xGB fed, grown and shepherded on the 2 billion person web by the xGB who by policy exclude JWs from any reparatory participation in that massive worldwide field;

8. This is another sin, JWs never have been encouraged or organized to "bear thorough witness" to these 2 billion people, many inaccessible by traditional means who could be reached by the internet; (13, millions of sins)

SuperSin: By this strategy the oppositional xGB led "satan (sam) herd" on the web have a captive audience 24/7/365, with a one-sided argument, in the largest global territory to open up in human history, with only a "branch office" (the jw website) and no JWs in force, just a few JW web-pioneers in unofficial Godsend missions;

Brazen Manifestation

9. The xGB is so brazen, blatant and surreal in hypocrisy and bad policy, JWs accept their enormous claims and tomfooleries because the contrary obvious implication of the overt "JW" "man of lawlessness" for 20 known years is simply unacceptable to the average duped JW; Yet, that is exactly what it is occurring; (14)

In other words it is hidden in plain sight, too big to see, now just part of the JW org backdrop;

Mega Stumbling Bloodguilt

10. This willing, condoned and regular adultery, idolatry, reproach, lies, theft and murder by stumbling proves it is purposeful in evil actions and compound in dynamic effects; This is beyond a merely "stupid" "GB" as many duped bystanders linearly react as part of the formula on the unaware general population, it is brilliant in evil planning and the great actual effect of stumbling millions of people from the web globally, covertly daily in the hundreds; (15)

In other words, JWs approving of this have blood on their hands in the millions by complicity and community guilt with the "mother" (Hos2:5) xGB and NOW innocent blood-tainted JW org; (Eze9:4)

11. With the UN/NGO scandal and obvious pedophile propagating invitationals creating organized scams in multi-millions in "out of court settlements" (and real
12. Hundreds of millions of people worldwide see the reproach, and JW's see the stats of the JW growth rate being cut in half in a 20 year trend since the 1990 projections; Now 8 million projected JW's missing, where did they go?

Stumbled by the xGB;

In other words something has to give; The 1991 United Nations (UN) harlotry (blessing removal) and the subsequent overt "man of lawlessness" sinner operations since 2001 have JW's sunk in perpetual, deep and compounded, multi-layered, voluminous, expanding sin, while in total denial, adding more sin to the sins; (Zech3:2-3)

Mega Global Reproach of Jehovah

13. All one has to ask is one simple question to see the "man of lawlessness" fulfilling in the xGB and org evil developments AS WE SPEAK;

Is Jehovah really going to inspire xGB Milton Henschel and Co, to bring grand reproach globally upon His own Name from a brazen adultery with the UN/NGO for UN/NWO and give that His approval and blessing?

With no reprisal of any sort?
You GOTTA be nuts! (1Pet4:17; Zech3)

Please;

==============

From One Thing

So that is how, from an established infiltration of the JW org, fulfilling prophecy in Daniel 11:30, and finally manifesting in the UN/DT (disgusting thing; Dan11:31; Matt24:15) 3.0 dual "placement" sin of 1991, also fulfilling Daniel 11:31b, all this compound situation of gross sins originated, one thing leading to another;

And it continues to be condoned and continued by Jehovah's witnesses now as a group as we await God's judgment on this most shameful era in Jehovah's Witnesses history, and lament the brazen "man of lawlessness" (MOL) Governing Body in our midst who has 90% of JW's sharing in his sins and totally oblivious of the judgment due (Dan8:11-14);

The "Man of Lawlessness" is now obviously "IN the temple of the God" publicly self-revealed; (2Thess2:3-4)

And what is the root?

Unbridled xGB self-exaltation, pride, and habitual sinning trend apparently engineered to be such, just like Satan himself; (2Cor11:13-15), who now covertly rules the WTBTS from the XGB "right hand" of "Joshua" for a "short period of time" as well, in a "1/3" coming judgment in final fulfillment mode; (Rev8:2-13); (Zech3:1; 2Thess2:3-12 in 2Cor11:13-15 mode)

But as we know this was aided externally; (Dan11:30)

The judgment coming on JW's to cleanse temple (Dan8:11-14) and to cleanse priesthood for recover (Zech3:2-9) is now being made known before 1Peter4:17 erupts on the JW house worldwide - SOON;

The United Nations and Governing Body Partnership and Synchronicity of Objectives - WTBTS
UN NGO Basic Parallels

Overview

Evidence and parallels of the United Nations Governing Body control of the Watchtower Bible and Tract Society fully since 1990
eventually becomes obvious based on many pieces of symphonic evidence with globalist world activities and goals;

The large amount and great significance of these synchronous anomalies covered below are simply too numerous and well timed to be just randomly coincidental;

Bible prophetic fulfillment, the United Nations and the Governing Body are all in astounding synchronicity for 20 years as the Governing Body remains silent on these events and their implication to Bible prophecy;

Yet the Governing Body is quite vocal in joining the globalist proclamations of the 3rd United Nations world placement of modern geopolitical history in 1990 to present;

**Concurrence 1 - 1990**

**Synchronicity 1**

**United Nations World System**

1. The Cold War (WW3) ends;
2. USSR Dissolves;
3. Russia Joins the United Nations;
4. The United Nations goes on a post Cold War promotional tour of the world in New World Order proclamations before the UN General Assembly;

**Watchtower Bible and Tract Society**

1. Fred Franz incapacitated and dies;
2. Fred Franz is unable to comment on the significance of the USSR dissolution and failure as a national governmental bloc;
   A. This disqualified the USSR from fulfilling Daniel 11:32-43 in "King of the North" significance as previously interpreted by Jehovah's Witnesses as success to Armageddon was not reached as a requirement of fulfilling Daniel 11:36;
3. The Governing Body of Jehovah's Witnesses makes no comment on these astounding world events at this time or later, as the USSR fails someone has to be the actual "King of the North" entity at this time, but the Governing Body sticks with the USSR impossibility;
4. The Governing Body begins a subterfuge campaign to bypass UN "King of the North" globalist developments which actually fulfill Daniel 11:30-31 by focusing on the failed USSR to fulfill Daniel 11 prophecy;
   A. In actuality the globalist United Nations 8th King system can be the only actual "King of the North" successful all the way to Armageddon as the dominant world governmental system in progress manifesting in 1990 in a global proclamation fulfilling Daniel 11:31;
5. Instead of covering these developments in detail, the Milton Henschel led globalist Governing Body crew takes command of Jehovah's Witnesses and the Watchtower Bible and Tract Society and begins leading the organization into massive sins, prophetic coverup, stumbling and reproachful activities under masterful subterfuge;
   A. This United Nations partnership aids proclamation of the UN 3rd placement and covers up 8th King UN developments in relation to modern Bible prophecies being fulfilled;
   B. That these massively significant developments all happen at the same time is beyond coincidence in hindsight now;

**Synchronicity 2**

**United Nations World System**

1. On September 11, 1990 the 3rd United Nations prophetic world placement as world government development in New World Order mode announced before US Congress by then President George Bush Sr goes global;
2. This fulfills Daniel 11:31 1990 "disgusting thing" commencement and also goes before the United Nations General Assembly and Security Council;
3. The Gulf War declared and proclaimed as a test of New World Order "mettle" coincides with this proclamation of the UN 3rd Placement;
4. This fulfills Daniel 11:40 commencement as this prophecy progresses from this point of fulfillment;
   (The failed USSR cannot apply to Daniel 11:36 explicitly or to Daniel 11:32-43 as previously thought; The 8th King UN globalist system does;)

**Watchtower Bible and Tract Society**

1991

1. The Governing Body and WTBTS release September 8, 1991 Awake! magazine also proclaiming 3rd United Nations placement as designate promoters for UN New World Order directives;
2. Governing Body makes no comment on this 3rd United Nations world placement event or the significance of the globalist aligned Gulf War and Daniel 11:31, 40;
3. Instead the WTBTS joins the United Nations as “non-governmental organization” by it's governmental body as they attach the "Israel of God" anointed nation to the United Nations as one of it's organizations;

4. The Governing Body covertly undertakes ten years of UN, UN affiliate, UN book, and UN world activity promotions as the Bethel spearhead of Governing Body services in the UN Department of Public Information;

A. Awake and Watchtower quote UN General Assembly and Security Council speeches and claims of George Bush Sr. and others as this commence in this Awake! 9/0/1991 issue of UN promos;

5. This United Nations and Governing Body union fulfills Daniel 11:31; "They will certainly place the disgusting thing" as a team effort between the United Nations and the Governing Body's secretive operations planned for future exposure;

A. The Governing Body makes no comment on this United Nations partnership at that 1991-2001 period of time;

6. An obvious globalist aligned infiltrative compromise of the Governing Body fulfills Daniel 11:30-31 (Dan8:12); Daniel 11:41 in permitted globalist UN covert invasions of Bethel by subversive covert infiltration aided by the Governing Body;

7. The Governing Body leads Jehovah's Witnesses organization wide profanations and spiritual desecrations spread "gradually", fulfilling Daniel 11:30 and Daniel 8:11-12;

A. The JW "army is gradually given over" to 8th King control plainly seen since 1990;

8. Daniel 11:30b; "Those leaving the holy covenant” are indeed the Governing Body of Jehovah's Witnesses as much synchronous evidence begins to be assembled that these are the head of the "man of lawlessness" in this "temple of the God”;

**Concurrence 2 - 1999**

**United Nations World System**

1. Global NATO forms as United Nations scale globalist world military system for globalist objectives;

2. This is an extremely significant development in globalist military progress intensively expanding the fulfillment of Revelation 16:13-16 and Joel 3:9-12 in worldwide military unification and preparations;

**Watchtower Bible and Tract Society**

1. The Governing Body makes no comment on this United Nations aligned globalist world military system in Global NATO;

A. It's just another missed day at Bethel;

2. It is covertly obvious in hindsight that the Governing Body is covering UN revealing prophecy, world placement of globalist government, and military expansions in wars and military systems worldwide;

3. The Governing Body makes no comment on any of these events fulfilling prophecies, or their own official involvement with the 666 services they are engaged in;

4. Daniel 11:40 invasion of the world by 8th King globalists intrigue and the Daniel 11:41 invasion of the WTBTS continues unabated or exposed as the Governing Body continues the charade;

**Concurrence 3 - 2001**

**United Nations World System**

1. World Trade Center 911 events provide pretext for Global War on Terror, as a globalist military positioning world invasion expands in a world declaration of war;

2. Daniel 11:40 continues in globalist world military expansions and ‘invasions” for ultimate World War 4 positioning expansion;

3. Trillions of dollars are diverted to globalist world military needs, and the financial massive debt of national governments in this 2001-2011 decade;

**Watchtower Bible and Tract Society**

1. Convenient press releases expose the Governing Body WTBTS United Nations UN-NGO relationship and ten years of advertising campaigns deploying millions Jehovah's Witnesses to spread UN public information to their unique demographic in millions upon millions of magazines;

A. All this for ten years while no Jehovah's witnesses are aware of their involvement in UN information spreading in an organized and officially sanctioned relationship with the Governing Body and traitorous Bethel top hierarchies;

2. The "Pedophile Protection Policies" also revealed at the same time in an amazing synchronous set of developments again;

3. Governing Body spiritual sexual sins (along with pedophile harboring sexual sins) and profanations go into global reproach phase as millions are stumbling in the subsequent decade;

4. Internal Governing Body organized "filth feeds" fuels external apostate web attack as Governing Body isolates the web for the apostate ministry encouraging Jehovah's Witnesses to avoid the internet;
JW growth rate is cut in half in twenty years of lies, sins and cover-up since 1990 as massive covert but highly publicized Governing Body led reproach campaigns stumble 8 to 20 million people or more;

6. Lies, lies and more lies are told by the Governing Body as they manifest as the "man of lawlessness" in public sins and blasphemous claims as the only pre-approved faithful and discreet slave in the world;

7. 20 years of Governing Body sanctioned and approved gross sin and full organizational compromise to globalist intelligence operations aids deception;

8. Governing Body denies all sins;

**Concurrence 4 - Future Synchronous Event with Governing Body**

**United Nations World System**

1. External deceptions of the mass public aids false prophetic set-up of Jehovah's Witnesses by Governing Body coverup and subterfuge;

3. Bethel worldwide organization of Jehovah's Witnesses "established place thrown down" in finale events of Daniel 8:11-14 as Zechariah 3:1-7 as Revelation 8:2-5 activates in the final judgment cycle beginning with Jehovah's Witnesses as per 1Peter4:17;

4. Daniel 11:40 intensifies as a huge 8th King inspired world event cycle manifests the globalist drive for eventual World War 4 and Babylon the Great by starting with the pillage and desolation of the WTBTS;

**Watchtower Bible and Tract Society**

1. Jehovah's Witnesses misled by the Governing Body and hanging at Daniel 11:44 imagine this is the "great tribulation" and the "end of the world";

A. But in fact this event series is the beginning of the final temple cleansing phase temple judgment;

B. This is the beginning of the last prophetic cycle that will go on for years in Daniel 8:14 minimum 3.19 year time period, Revelation8-9 six trumpets (and bowls) and Revelation 10-11 1260 days of Revelation 11:2 in linear sequence;

2. Many Jehovah's witnesses are brainwashed to "obey the organization" to survive setting them up for specially planned 8th King world disasters which target Jehovah's Witnesses as the Governing Body globalists betray them;

3. Many Jehovah's witnesses are misled into a premature mind set by Governing Body subversions and cover-up and are herded by Governing Body worldwide 'Zone Oversight' to internment and prisons as this is planned with the globalist system;

A. These anomalies have a coup-de-grace final event planned as all this has been leading to this conclusion since 1990;

4. The Jehovah's Witnesses ministry goes into the abyss of inactivity as the globalist go into world overdrive leading over time to 4th UN placement; (Dan8:23-25 is Dan11:44-45)

5. Bethel is fully invaded by globalist world powers worldwide culminating Daniel 11:41;

6. Jehovah's Witnesses are checkmate by the "man of lawlessness" now fully exposed in the temple of the God; (2Thess2:3-12; Zech3:1-3)

7. This Governing Body aided hoax GT is actually the long awaited temple judgment that catches most Jehovah's Witnesses and the world system sound asleep; (1Pet4:17; Dan8:11-14; Mal3:1-5)

8. The world judgment of God has begun and will drag on according to well known prophetic cycles that initially fulfilled in the 1914 era; (1Pet4:17)

**United Nations World System**

1. The United Nations system prepares to present the fourth and final version of "disgusting thing" "image" and world government after World War 4, as in the 3 previous world wars in 1919; WW1, 1945; WW2, 1990; WW3;

**Watchtower Bible and Tract Society**

1. The Governing Body has been concealing the 3rd United Nations "disgusting thing" placement that they aided in the proclamation of in 1990, so that Jehovah's witnesses and the world do not see the logical continuum of four placements of the "disgusting thing" progressing to full world government;

**Temple Cleanse by Fire**

1. The Jehovah's witnesses are cleansed over 3 to 6 years as per Daniel 8:14 of all lawless UN partisans and weed Jehovah's Witnesses by horrific world events on the sinful Bethel organization;

2. The Governing Body is terminated, Watchtower ceases to circulate, Bethel seizes up in world financial intrigues as Jehovah's Witnesses enter the abyss state of Rev9:1;

**Four Trumpets Deploy**

1. As Jehovah's Witnesses are entering the desolated "abyss" state of Revelation 9:1-4, the first sequential 4 trumpets herald God's judgment on the transgression and "befouled" state of the Jehovah's witnesses; (Rev8:6-12);

2. Jehovah's Witnesses are eventually purged of the globalist Governing Body and recommissioned for the end of the world final ministry of Revelation 9-11;
World Judgment Commencement

This initial Temple Judgment that commences the final cycle starts with Jehovah's witnesses (1Pet4:17; 2Thess2:3-12), but eventually those 7 trumpets and 7 bowls will become the finale of signals of world judgment globally as well;

Prerequisite Fulfilled

This revelation of the "man of lawlessness" as the Governing Body of Jehovah's Witnesses is a long awaited final development as prerequisite of the judgment which must be after this revealing:

(2 Thessalonians 2:3-4) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god.

This has been fulfilled in "man of lawlessness" as per this evidence presented here, and by self-revelation as this rogue body claims to be the pre-approved "faithful and discreet slave" according to their own 'new light' at the 2012 Annual Meeting of Jehovah's Witnesses corporation;

THAT PUBLIC REVELATION BY ABSURD BLASPHEMY, SINCE THERE IS NO GOVERNING BODY FOUND IN THE BIBLE, AND THIS SELF ACCOLADE IS CERTAINLY PREMATURE TO THE JUDGMENT WHICH CHRIST WILL MAKE, NOT UN GLOBALISTS IN THE GOVERNING BODY INFRINGEMENTS;

Continued Cover Up

1. This is why this rogue Governing Body of globalist intelligence operatives is not teaching Jehovah's witnesses about the final fulfillment in temple judgment, cleanse and completion cycle;

A. They throw truth to the earth in subversion and subterfuge also fulfilling more prophecy; (Daniel 8:12)

Temple Judgment Signal

1. Daniel 8:11-14 is the signal that commences the final prophetic cycle to temple completion and Armageddon;

2. The six trumpets and six bowls are all parallel heralds (on Jehovah's witnesses judgment) and plagues of world judgment converging in the recovery ministry of Jehovah's witnesses in the 5th and 6th trumpets to herald the totality worldwide to and through the final ministry;

Revelation 11 "Two Witnesses" 1260 Day Finale;

1. This all leads to the final world ministry of all time in this Adamic ending era as the 5th and 6th trumpets lead to the recommissioning of Jehovah's Witnesses who pass this judgment or repent into a cleansed state as the objective of this judgment; (Dan8:14; Zech3:4-7; Mal3:1-5)

2. That ministry is the Revelation "little scroll" sovereign Kingdom of God proclamation of assured completion and conquest of Christ's Messianic Kingdom in the commission of the final "two witnesses" fulfillment of Revelation 11 for 1260 days;

Dangerous Diversion

1. A critical feature of this development is that the "end” that Jehovah's witnesses are being misled to anticipate is actually the beginning of a number of timed sequences of world judgment prophecies that commence with the "house of God" as per prophecy of 1Peter4:17 which will be the initial Daniel8:11-14 temple judgment timed period; (Dan8:14 2300 "evenings and mornings");

2. This means the JW Temple is in inspection now, and this is why the "man of lawlessness" is being revealed in Bethel as the Governing Body leads that deception because this judgment is nigh;

3. Obviously from 1990 full manifesting inception, this group is not going to self incriminate then or now by commenting on these prophecies other than towing an illusion of the USSR past;

JW Full Infiltration Reverse Engineered

http://templelijah.wordpress.com/diversion/w-full-infiltration-reverse-engineered/

Prophetic Diversion of Jehovah’s Witnesses in 1990

Governing Body Man of Lawlessness? - Three Degrees of Separation in 1990

The Final Chapter

1. For Jehovah's Witnesses to get back on track, the original point of departure must be revisited, understood and corrected;

2. That diversion's location is in the Daniel 11:27-31 prophetic segway and actual fulfillment and meaning as opposed to the 1990 illusions, sins and errors the Governing Body still promotes and teaches in relation to this prophecy to divert Jehovah's Witnesses' attention away from modern prophetic reality and Governing Body United Nations globalist ties;
3. That error and needed correction connects to and also affects the proper understanding of Daniel 8:11-14's "transgression" and "temple judgment" purification event of the near future;

A. And that parallels Zechariah 3 "temple priesthood" purification;

B. And that parallels Malachi 3:1-5 temple judgment and cleansing;

C. And that parallels Revelation 8:2-5 divine purifications of the whole Jehovah's Witnesses "flock" (earth symbol Rev8:4); in the near future;

4. And that changes the whole Jehovah's Witnesses story...

This is 1 Peter 4:17 about to activate soon:

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God. Now if it starts first with us, what will the end be of those who are not obedient to the good news of God?

The Current Diversion

1. The current Governing Body diversion occurs from the point of departure into error and deep sins in approximately 1990 surrounding monumental 8th King developments on the world and prophetic scene;

2. The basic departure from truth is that rather than point out the significance of the third United Nations world placement in 1990 fulfilling Daniel 11:31b after the Cold War and the Soviet Union (USSR) dissolution, the Governing Body of Jehovah's Witnesses instead began covertly but publicly "placing" the "disgusting thing" in-house and promoting the United Nations "New World Order" objectives, organizations and products to the world in 1991 in the Awake! (9/8/1991) and The Watchtower magazines;

3. The Governing Body officially became one of the United Nations organizations, just when Fred Franz oversight lapsed; (2 Thess2:7) All coincidence?

4. Jehovah's Witnesses missed the entire meaning of these dreadfully symphonic and prophetically important events, and the Governing Body aids this deception in a way that goes beyond mere oversight; (Daniel 11:30)

5. The removal by dissolution of the USSR from fulfilling Daniel 11:36-43 was simply ignored as obviously the USSR could not be "successful until the denunciation will have come to a finish" (v. 36); the Governing Body continues to bypass the significance of this event in ignored prophecy that obviously aids actual globalist King of the North developments then manifesting;

6. That is blatant treason and lawlessness against God's Kingdom, especially in light of what the Governing Body are also covering up in prophecy and 8th King globalist developments then and after, all being conveniently ignored by the so-called Governing Body blatant traitors;

Jehovah's Witnesses plainly have the "man of lawlessness" revealed in our "temple";

The Engineered 1990 Derailing of the Jehovah's Witnesses

Diversion 1 - USSR Error

1. The Governing Body still apply Daniel 11:36-43 to the USSR when historically now, the USSR cannot fulfill the criteria of Daniel 11:36 itself in this sentence shown below- thus disqualifying the USSR from any scriptural significance after this disqualification to fulfill this first scripture:

(Daniel 11:36) And he (King North) will certainly prove successful until [the] denunciation will have come to a finish;

2. Obviously the USSR failed, and cannot "prove successful until the denunciation" completes at Armageddon's permanent divine resolution;

3. But the real "King of the North" is fulfilling this scripture and will fulfill it successfully until the denunciation removes him permanently from world power;

A. The real King of the North is actually globalist 8th King powers who will "prove successful" all the way to Armageddon war; (Revelation 19:19-21 is Daniel 8:25 is Daniel 11:44-45)

This Governing Body diversion, hoodwink and United Nations alignment is at the exact timing and critical point of this modern fulfillment of Daniel 11:31 in 1990-1991;

4. It doesn't get any more obvious what the Governing Body is up to, and who they ultimately work for, but we will cover the diversion's other features of prophetic cover up and lawless alternative activities;

What interest would the Governing Body have in covering this up, and instead promoting this world power's "image" as a United Nations organization?

Diversion 2 - Nazi Germany Error in Daniel 11:31

1. Daniel 11:31 cannot apply to Nazi Germany as well, because the inclusive "they" in this scripture is impossible for Nazi Germany:

(Daniel 11:31) And there will be arms that will stand up, proceeding from him (globalist King North); and they will actually profane the sanctuary, the fortress, and remove the constant [feature]. “And they will certainly put in place the disgusting thing that is causing desolation.

2. Because Nazi Germany was non-existent when the United Nations was placed in 1945 according to the currently held erred interpretation proffered by the Governing Body it is impossible for Nazi Germany to be the "disgusting thing" promoting "King of the North" in this scripture;
Prophetic Continuum Continued:

Witnesses final truth and final biblical understanding;

1. The proper identity of that prophetic and historical set of events and timing, and it's very important meaning and significance changes the trajectory of the Jehovah's Witnesses organizational structure as is also currently being taught in error;

2. And that infiltration and profanation is this 1991 manifestation from a 8th King/King North (Globalist 8th King authorities and the Governing Body) and remove the constant feature, proceeding from him, (8th King/King North); and they (together) will actually profane the sanctuary (anointed), the fortress (organization), and remove the constant [feature] (by profanation and maybe worse at Daniel 8:11-14 activation).

4. No legitimate "Bible Student" could simply ignore all this; the Governing Body must be purposely ignoring globalist 8th King developments to cover for their real friends at the United Nations and company; There is too much related United Nations promotions going on as well, for this to simply be "for a library card" and an "innocent oversight", these men are called blatant and brazen, albeit masterful frauds; (2Cor11:13-15; Jude4; 2Pet2:1-3)

Obviously the Governing Body is the main transgressing lead in the "temple of the God" and purposely avoids self incrimination while fulfilling modern prophecy as transgressors (Dan8:12,13,23); The Governing Body continues to "throw truth to the earth"; (Dan8:12) in these cover ups and subversive diversion;

Coup De Grace on Jehovah's Witnesses Worldwide Organization

And this is all leading to a final Governing Body administered "son of destruction" coup-de-grace event cycle, with globalist 8th King supporting world manifestations (as usual) that will parallel with the Daniel 8:11-14 actual Temple judgment;

The Governing Body must manifest all features of "Judas" type and the "Man of Lawlessness" in every detail before removal; (2Thess2:3-12 in 2Cor11:13-15 mode of operation for Zechariah 3 fouled hypocrisy)

Master Diversion by Infiltration Led by The Imposter Governing Body "Lawless One"; (2Thess2:9)

1. This allows this subtle and progressive infiltrative development to finally manifest fully in Jehovah's Witnesses organization:

A. Daniel 8:12

In an act of rebellion, another (8th King) force will take control of the (JW) daily sacrifice. - Common English Bible;

Through sin, the (JW) army was put in (8th King) power, along with the regular burnt offering. - Complete Jewish Bible;

People sinned there instead of offering the proper daily sacrifices, and true religion was thrown to the ground. - Good News Translation

And on account of transgression the (JW) host will be given over to the (8th King) horn along with the regular sacrifice; and it will fling truth to the ground and perform its will and prosper. - New American Standard

2. And that infiltration and profanation is this 1991 manifestation from a previously well developed compromise in the Jehovah's Witnesses organization led by the Governing Body of Lawlessness:

(Daniel 11:30-31) He (8th King/King North) will have to go back and will give consideration to those (Governing Body Jehovah's witnesses and supports) leaving the holy covenant. 31 And there will be (infiltrative undercover) arms that will stand up (in the Jehovah's witnesses organization), proceeding from him (8th King/King North); and they (together) will actually profane the sanctuary (anointed), the fortress (organization), and remove the constant [feature] (by profanation and maybe worse at Daniel 8:11-14 activation).

3. Which Leads to the United Nations 3rd Stand Sin and Subsequent Cover Up

(Daniel 11:31) “And they (Globalist 8th King authorities and the Governing Body) will certainly put in place the disgusting thing that is causing desolation.

And that is the main Governing Body led ongoing operational transgressions, objective diversions and prophetic cover ups that this rogue Governing Body has been progressively maturing to from the 1976 first "lift up" intriguers of that foundation of the "Governing Body Illusion";

Back On Track Soon After Temple Judgment Removal of Rogue Governing Body and Company

1. The proper identity of that prophetic and historical set of events and timing, and it's very important meaning and significance changes the trajectory of the Jehovah's Witnesses final truth and final biblical understanding;

Prophetic Continuum Continued:
This awareness also provides a new actual modern connection to Daniel 7:25-26 and 8:11-25 and other key Biblical final fulfillment mode sequences to Armageddon:

1. That is highly significant; (No wonder the Governing Body seek to derail this easily substantiated understanding;)

2. The significance of this awareness is that this shows a continuum to a full prophetic replication of the entire "3.5 times", 1260 day cycle of Biblical temple prophecy where referenced for the bible in the near future,

Seven Times Must Complete in 2520 days

1. Which as seen now, must progress in final fulfillment mode as the divinely decreed "seven times" complete, or 2520 days as the final "trampling of the holy city" (Rev11:2) of God's anointed prior to the Kingdom and Temple completion of the 144000 under Christ;

End of the World Prophetic Mapping

1. This all now leads with timed prophetic sequences, a veritable Biblical end of the world map that will be seen by all to this finality over a number of years;

2. And that is the final "appointed times of the nations" in Revelation 11:2-3 in 2520 days split into two fulfillments with temple foundation in 1914 and temple completion in the near future;

Jehovah's Witnesses Must Be Back Tracked by God, Reversed and Reconnected to Biblical Reality from the Point of Diversion and Error

1. Here is the actual correct reconnection point of prophetic reality which applies in place of the erred 1990 Governing Body engineered diversion of treason and purposeful bypass to the reconnect the correct continuum of prophetic interpretation, which is the great Kingdom and Temple modern completion significance and what it really means for Jehovah's Witnesses and the world in general;

NOW!

2. Jehovah's Witnesses are barely half way there prophetically speaking, the Governing Body of engineered error is saying Jehovah's Witnesses can now expect Great Tribulation and deliverance;

A. That is not true; The Governing Body are not done misleading Jehovah's Witnesses; And they know it;

B. Worse developments are due from the Governing Body and they will not want to blow their cover, they want to direct the disasters on Jehovah's Witnesses worldwide organization from within until removed by God; (Zech3:4-7; Hos1:4-7)

Future Accurate Prophetic Connections Elucidated Linearly to Armageddon

Overview of Significance

1. Replication of Prophetic Times

A. What the actual significance and corrected connectivity continued of Daniel 11 will mean, is a modern connection to Daniel 12's final cycle, which implies a well known timed prophetic replication (1260/1290 days; (Dan12:7; 12:11)) as the progression of the actual significance and events of Daniel 11:40-45 continue to mature and parallel all this, and that leads to the final fulfillment mode of Daniel 12 in the near future - the actual replication;

B. What the actual accurate connectivity of Daniel 11 will mean is Daniel 7 and 8 are also seen in new light of a modern continuation of fulfillment; In fact "The prophecies of Daniel and John have [NOT] been fulfilled to the smallest detail."[*] they have a major round of repeat fulfillment and a temple completion prophetic final major repeat cycle;

C. The Governing Body is implying it is all Biblically through in prophetic fulfillment, to further the illusion that an 8th King will not rise in total power; Now they are lying right in the Watchtower to meet these ends;

[*] The Watchtower – June 15, 2012; Article: JEHOVAH IS “A REVEALER OF SECRETS”; Paragraph 19

2. Modern Fulfillments of Major Prophecy

A. The Temple and priesthood judgments and continuum of modern fulfillment are activated with solid logical and scriptural real-time connections to Zechariah 3:1-10 and Malachi3:1-5 as the "man of lawlessness" prerequisite exposure and revealing is now manifesting in the Governing Body as well; (2Thess2:3-4)

B. That is a HUGE required signal activated of impending temple judgment that can now proceed any time!

3. Connection to Revelation’s 7 Trumpets and Bowls

A. That ministerial "temple" anointed and contextual purification series and the main impetus for this cleansing action in the presence of the "lawless one" and his extended activities in Jehovah's Witnesses organization connects strongly to Revelation 8:2-5 "altar fire" cleanse;

B. That continuum and cross reference is in line with the prophetic temple replication cycle, and begins a perfect sequence of 7 trumpets and 7 bowls parallel in world significance when this activates;

A. A timed possible initial 1150 day minimum temple judgment; (Dan8:14; 2300 "evenings and mornings") of massive proportions to Jehovah's Witnesses "established place (worldwide organization) of the sanctuary thrown down"; (Dan8:11) is identified properly for the near future; (See 2Cor4:9)

B. This 1150 days temple judgment purification activation and completion is Revelation 8:2-5 "altar fire” purification of Jehovah's witnesses "earth", and the intervening Revelation 8:6-13 and Revelation 9:1-21 trumpet sequence of worldwide heralds leading to Armageddon; (Mal3:1-5) in this final fulfillment repeated cycle;

(Malachi 3:1) “Look! I am sending my messenger, and he must clear up a way before me. And suddenly there will come to His temple the [true] Lord

C. That event above, like the inspection now, catches Jehovah's Witnesses off guard and expecting something else;

D. The globalists know what this transgression is leading to the Jehovah's Witnesses organization handed over to them for a period of destruction; (Dan8:11-14; Hos7:8-11; Jer4:7)

5. Six Trumpet heralds

A. This final fulfillment seven trumpet series (first six) is relevant to Jehovah's Witnesses "1/3" orgwide betrayal (compare Rev12:4's betrayal) and is the developing divine cleansing and recovery period as the "man of lawlessness” is being removed by Christ; (Zech3:4-7; 2Thess2:3-12))

6. Final Ministerial Commission

A. This new enlightenment leads to a refreshed and purified commissioning of remaining Jehovah's Witnesses approved, leading to the final "Sovereign Ultimatum" of God's Kingdom and Temple guaranteed to complete soon in the "little scroll" (Rev10) complete understanding, commission and world announcement of the final "two witnesses" (Rev11);

7. Timed Connection to Armageddon

A. In that sequence from the 1150 day temple judgment purification, over this recovery segway of unknown length, Jehovah's Witnesses arrive at the divinely determined commencement of the 1260 days final cycle;

B. The actual manifestation of the Crowned Temple King-Priest Christ (Zech4:6-9; 6:9-15) and the full completion of the 144000 is shortly after this 1260 day period expiration; (Rev11:7; 11-12; Matt24:31)

C. That following complete temple period is for 1290 days, the occurrence of the finality of Armageddon in this final gathering period of earth interests of the Kingdom of God is not known;

The Temple and Kingdom Connections

Temple Meaning

1. That globalist 8th King manifestation of 1990 in Daniel 11:30-31 and the related actual and very real Governing Body temple transgression is now identified properly;

A. This intimately relates the 1990 8th King United Nations action concurrent with the Governing Body of Jehovah's Witnesses working with the 8th King globalists as worldwide promoters;

B. That development then directly connects to the actual meaning of Daniel 8:11-25 in modern temple significance related to this 1990-1991 affair;

C. Now we see why the Governing Body is acting and continuing the sins and the cover up;

2. That impending divine purification parallels Zechariah 3:1-10 divine court and "befouled" temple priesthood purification;

3. That "fire" cleanse of Zechariah 3:2 parallels with Revelation 8:2-5 "altar fire" cleanse signal as Jehovah's Witnesses are cleansed of the "man of Lawlessness” and all these diversions and related sins; (See Isa6)

Temple Purified

1. This is the activation point of the first of the seven trumpets preparation (Rev8:6) after the initial temple judgment (Dan8:11-14) begins as Revelation 8:1-5 progresses to Revelation 8:6-13 recovery; explained below;

2. After this temple cleansing Jehovah's Witnesses can be recovered for the actual final world ministry and understanding leading into it;

Kingdom Meaning

1. That globalist 8th King manifestation as the identified final world power developing to apex clearly seen prophetically and historically since the 1990 events then ties to the actual meaning of Daniel 8:23-25 as also a globalist world power "King of Fierce Countenance" in rival kingdom significance;

A. That means Daniel 8:11-25 and Daniel 11:30-45 are parallel in progression;

B. That means Daniel 8:25 and Daniel 11:44-45 are the same Armageddon event; (Rev19:19-21)

C. That means there are actually four worldwide placements of the "Disgusting Thing" world governmental image;

(1.) Post WW1, 1919, League of Nations;

(2.) Post WW2, 1945, United Nations;
Seven Trumpets and Bowls

Seven Trumpets Counts Down

Seven Trumpets

Prerequisite Activated: Governing Body of Jehovah's Witnesses Man of Lawlessness Exposed

A. That has fulfilled further publicly (2Thess2:3-4) as the Governing Body presumptuously "lift themselves up" as the pre-approved, self-appointed "Faithful and Discreet Slave" exclusively and publicly on their website; (November 9, 2012); (2Cor10:12)

B. And that pretense disguised development will get worse, and lead into the final Governing Body strategies of a decoy "temple cleansing" series and a hoax "Great Tribulation" to mislead and capture Jehovah's Witnesses, and attempt to bankrupt, thief, and destroy the worldwide organization of Jehovah's Witnesses aided by external globalist 8th King aid; (Ez3:22)

2. The genuine Temple judgment and cleansing's primary target of profanation removal is the "man of lawlessness" Governing Body and company "in the temple of the God" throughout the Jehovah's Witnesses worldwide organization;

A. They are all removed in this period of desolations by angelic covert aid; (Isa66:6; Hos1:4-7; Zech3:2-7)

B. This period may very well be during a massive 8th King globalist inspired world event series to add to the hoaxbelievability, such as a hoax "peace and security" proclamation, a hoax "King of the North" to pick up at Daniel 11:44-45, and other events and false-prophetic application to trap Jehovah's Witnesses;

3. That temple judgment is actually Daniel 8:11-14 prophetically timed period that parallels the "temple priesthood" anointed cleansing of Zechariah 3:4-7; (And the surprise "visit" and judgment of Malachi 3:1-5 igniting Revelation 8:2-5)

4. This is a "temple" event more significant than 1914 that precedes the final 1260 days (formerly in 1914-1918) by a unknown time period of Jehovah's Witnesses purification, recovery and true enlightenment to the completion;

5. The seven trumpets activate shortly after or as the temple is judged and cleansed of the "lawless one"; (Rev8:2-5)

6. It appears those first four trumpets (Rev8:6-13) are part of the angelically aided recovery (Zech3:4-7) and enlightening indictment of what this all actually means, inclusive of Revelation 8:1-13's meaning, as this unfolds live; as the Governing Body is exposed,-neutralized and removed; (Hos1:4-7) and this understanding is officially given by God to His people;

A. The Governing Body operational origins and globalism as the 8th King basis of world power is exposed - the very thing the Governing Body seek to conceal;

7. This comprehensive divine worldwide exposure (8th King globalists influential connection to temple judgment sins; (Dan11:30-31) is the subject of the first four trumpets; The Governing Body is revealed fully in Revelation 8:10-11 as "fallen";
8. In final fulfillment mode, the "1/3" symbol of Revelation 8-9 is typifying fraudulent and removed "Jehovah's witnesses" who may be called to repentance depending on conditions and level of sin;

A. There is obvious Governing Body sin levels (Rev8:10-11) that verge on the edge of "Gehenna" by the possibility of sins against the "holy spirit"; Don't expect to see those rogue actor drones in heaven or on earth after they are shut down and the Millennial Reign proceeds after explicit timed prophetic periods are being made known;

9. And those first four trumpets parallel the first four bowls; All Revelation 8-11 repeats, parallel to the replication of Revelation 15-16;

10. This temple purification is the approximate activation point of the first four trumpets which will proceed sequential in perfect order through all seven to Temple 144000 completion, Kingdom completion and Armageddon; (Rev10:7; Rev11:15-19; Rev16:17)

11. Revelation 6-22 can now be fit into the final fulfillment sequences reliably;

**Trumpets 5-6**

1. As this proceeds, we near the actual 5th and 6th trumpet continuous of the Jehovah's Witnesses worldwide ministry recovery and re-empowering segway continuing to the final worldwide ministry of the second "two witnesses" which must replicate for full seven times;

A. That ministry announces guaranteed Kingdom and Temple completion in the face of the rival 8th King apexing systems to the world for the final warning and invitation;

B. That will complete the "appointed times" in "seven times" or 2520 days which precedes the Kingdom/Temple completion;

2. These completed "7 times"; 2520 days were in two fulfillments one at initial temple foundation (1914-1918) 1260 days (3.5 times) and second at the final temple completion cycle to Armageddon (near future) additional 1260 days (3.5 times) equaling the related "appointed times" divine mandate of 2520 days (7 times) for Revelation 11:2-7;

A. That should be a well known prophetic concept by Jehovah's Witnesses related to the "seven times" of the 2520 year "appointed times of the nations" that ended exactly as this "seven times" in 2520 days began upon this symbolic "holy city" representing the last of the anointed of God ministry from 1914 to Temple completion and then Armageddon;

B. That is a divine countdown so to speak;

3. Which brings us to the completing of the Daniel 7:25 "time, times and half a time" (3.5 times) parallel with Daniel 12:7 "time, times and half a time" (3.5 times) also replicating to completion, and after it's "seven times" completion (Rev11:7) to Kingdom and Temple 144000 official divine completion; (Zech4:6-9);

**The 1814400 Minute Warning**

*This is thus a progression with plenty of time and warning, with plenty of biblical prophetic demonstration to the finality of the actual end of the world of rival sovereignty opposed to God's Kingdom;*

*It is preceded by the Daniel 8:14 temple cleansing period and an unknown transitional period to the 1260 days of Revelation 11:2-3;*

**Seventh Trumpet**

1. And that 1260 day completion is also Kingdom completion and the Christ Court period of Daniel 12:11 (1290 days) in finality and fullness commencing at an unknown but brief period after the 1260 days have ended;

(Matthew 7:26) And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [him] (Globalist 8th King) and to destroy [him] totally.

A. This is when Matthew 25:31–46 completes at the Matthew 24:29–31 post "tribulation of those days" "gathering" period and the deepest "Great Tribulation" intensifications resume of Revelation 6:12-17 (Matt24:29-31) and Matthew 24:21-22 which is also 2Thessalonians 1:6-10;

B. This is also the Revelation 14:14-20 "harvest" and "winepress" period finality;

2. The actual Armageddon and Gog of Magog event develops in this 1290 day period, when the 144000 are completed as temple and kingdom of Christ in the face of the Gog and 8th King globalist enemy systems worldwide; (Rev19:19-21; Eze38-39; Rev20:1-3)

A. This is the period when the globalist 8th King also manifests a final placement of rival world power and unannounced destructions as per Daniel 8:25 and Daniel 11:44-45; (The final "peace and security" of 1Thess5:1-3)

B. This occurs in a "freedom from care" (Dan8:25) that appears to be the final "peace and security" (1Thess5:1-3) segway prior to the final surprise "great tribulatory" destructive assault on the world by Gog and the 8th King final stand after World War 4;

3. That is the deepest portion of the Great Tribulation as a Matthew 24:21-22 "extinction mode" that is "cut short" when there are no longer "wars and reports of wars" and the final end can arrive; (Matt24:6)

(Matthew 24:6) you are going to hear of wars and reports of wars; see that you are not terrified. For these things must take place, but the end is not yet.

A. In other words after World War 4 (and 8th King full placement with world government), you are going to hear of "no wars and no reports of wars" in "peace and security" and a "freedom from care"; see that you are not misled. For these things must take place, and that is the end; (Matt24:6; Dan8:25; 1Thess5:1-3)

B. That is the developmental context of the final Armageddon War;

We May Rightly Ask: Bethel, Why Do We Ignore All This? This is No Longer Ignorance;
Beware: That is what this Governing Body engineered diversion is attempting to bypass, and install a premature temple decoy leading to a "great tributary" hoax event played on Jehovah's Witnesses supported by a near future major globalist worldwide event or series of events to trap Jehovah's Witnesses with false expectations, groomed obedience to lawless frauds, and heavy organizational sins requiring divine judgment; All prayers for the removal of this lawless Governing Body cabal and its organization wide operatives in this judgment and coming exposé by God and Christ are needed; (Revelation 8:3-6) And another angel arrived and stood at the altar, having a golden incense vessel; and a large quantity of incense was given him to offer it with the prayers of all the holy ones upon the golden altar that was before the throne. 4 And the smoke of the incense ascended from the hand of the angel with the prayers of the holy ones before God. 5 But right away the angel took the incense vessel, and he filled it with some of the fire of the altar and hurled it to the earth. And thunders occurred and voices and lightnings and an earthquake. 6 And the seven angels with the seven trumpets prepared to blow them.

The Governing Body Garments Befoulers (GB) Will Be Removed Soon; (Zechariah 3:1-4) And he proceeded to show me Joshua (symbol of the anointed) the high priest standing before the angel of Jehovah, and Satan standing at his right hand (Governing Body) in order to resist him. 2 Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?” (Daniel 8:11-14; Rev8:2-5) 3 Now as for Joshua, he happened to be clothed in befouled garments (GB Sin base) and standing before the angel. 4 Then he answered and said to those (angels) standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your (GB) error to pass away from upon you, and there is a clothing of you with robes of state.”

Bethel Will Take a God Permitted Beating From Their Globalist King North Soon Aided by the Man of Lawlessness Governing Body (Daniel 8:11-14) the established place (Bethel and worldwide org) of his sanctuary was thrown down... “Until two thousand three hundred evenings [and] mornings; (1150 days minimum) and [the] holy place will certainly be [purified by fire] brought into its right condition.”

Prophetic Diversion of Jehovah's Witnesses in 1990

1. The actual fulfillment of Daniel 11:30-31 (1990-1991), is the United Nations 3rd placement of world government “image” manifestation as the "New World Order" proclamation;
2. That went before the US Congress (9-11-1990), the United Nations Security Council and General Assembly by George Bush Sr., “two-horned-wildbeast” “high priest” fulfilling Daniel 11:31 “they will certainly place the disgusting thing that is causing desolation”;
A. When that occurred, the Governing Body had lost Fred Franz input and restraint (2Thess2:7) and instead they promoted the United Nations "NWO” 3rd placement in the Awake! 9-11-1991 United Nations Issue; The Governing Body is part of the “they” in "they will place the disgusting thing";
B. That went on for 10 years of Governing Body and Scarlet Wildbeast co-promotions with the "two-horned-wildbeast" globalists as the UN/NGO DPI adjunct Watchtower “advertising agency” debacle was carried out with nary a notification upon the JW general population, it was 10 years of covert deployment that the Governing Body carried out;
C. The Governing Body still says nothing at all about this development and it's world and Biblical significance;
D. The "Government Body" of Jehovah's Witnesses became the "Israel" JW Government and Nation that joined the United Nations in 1991; And they pulled this off for 10 covert years without consulting Jehovah's Witnesses "nation" in any form;

1. That is the REAL temple “transgression causing desolation” of Daniel 8:11-14 also at this 1990-1991 period; That too is ignored by the Governing Body, holding to the Nazi Germany impossibility of fulfillment for this scripture; (See Daniel 8:11-14 basic proofs);
A. This is too many "coincidences", at critical point in world geo-political history and Bible prophetic fulfillment timing to be all a random set of events;
B. All globalist 8th King major developments like the 3rd United Nations placement (1990), Global NATO as a UN military system (1999) and the fully globalist declared "World War on Terror" (2001) are simply all ignored by the Governing Body as to features of Daniel 11:40;
C. Jehovah's Witnesses are being completely misled as to the true state of the "temple" and the lost course of Biblical reality as the temple heads for judgment not a premature "Great Tribulation" as JWs are being misled to believe; (See 1990.diversion)

1. ALL this easily demonstrated updated prophecy now, is ignored by the Governing Body since 1990;
2. These "Bible Students” cannot simply be this "dumb" this has to be a purposeful masquerade as "brothers" (2Cor13:11-15) while actually being globalist 8th King operatives serving world government cover-up goals, to remove this significance from the Jehovah's Witnesses world ministerial audience's comprehension and from the Jehovah's Witnesses as well, for a further goal that this will aid:
A. And to drag Jehovah's Witnesses into SERIOUS divine sins against God and Christ; (Zech3:3)
B. And that is why the Fred Franz lapse of oversight into death, as this all transpired is also significant; (2Thess2:7)

1. And so the Governing Body leave Jehovah's Witnesses hanging at Daniel 11:44-45, positioned here in error on purpose, waiting for that segway to "GT" to fulfill, which is an error setting up Jehovah's Witnesses for a premature planned "GT Hoax" event soon;

A. In reality, the globalist 8th King (real King North) is now continuing and hanging at Daniel 11:40 (WW4 prep), and v. 41 JW org "invasion";

B. The JW Governing Body want to make Jehovah's Witnesses think that Great Tribulation is next, but temple judgment is actually what is coming in the Daniel 8:14 timed sequence of temple cleansing to remove these fake JW GB and company; (Parallel Zech3; Rev8:2-5; Mal3:1-5)

C. The event will be tribulatory, but not the one the Jehovah's Witnesses will be expecting, and so are vulnerable by blind obedience to killers in the Governing Body and Zone Oversight;

D. What is also coming is an internal Governing Body aided covert set of "desolations" on Bethel finances and the JW worldwide org, permitted by God, "because of transgressions" (Dan8:12) of the UN "Baal" worship at Bethel these last 20 years since 1991 made official, known worldwide in 10-2001 (Also timed with a globalist world event; Global War on Terror);

E. And that GB "Illusion" will be reinforced by two-horned-wildbeast and 8th King globalist "King North" massive world operations to aid the illusion on the Jehovah's Witnesses, to herd us helter shelter by GB obeyed commands, and to destroy our ministry and as many Jehovah's Witnesses as possible to debalance and stunt the ministry for the actual 10 year cycle that is unfolding to and thru WW4, that poor misled Jehovah's Witnesses think is GT next, so we have been fooled;

F. Jehovah's Witnesses expect the "end of the world" any time now; In reality that is 7 to 14 (to even possibly 20) years away (we do not know exactly); WW4 is what is coming next we do know;

G. And this is all in the prophetic sequence that Jehovah's Witnesses have been misled off of in 1990; Now we see why the "evil slave" GB is up to this trickery, and JW idolization of the GB is aiding it;

[5] Divine Temple Cleanse and Deliverance; MOL Purged by Covert Angels

1. But that leads instead to a deliverance (Hos1:4-7 is Zech 3:4-7 culmination), a real temple cleansing, and the transition of Jehovah's Witnesses to Biblical reality in "sackcloth" prep leading to Revelation 11 in final fulfillment mode of the future;

A. And that recovery period, after the Daniel 8:11-14 "temple judgment" timed 2300 units (1150 days minimum), will lead through 6 consecutive trumpets to the official "little scroll" commission (Rev10) of the Jehovah's Witnesses FINAL world warning world ministry as the "two witnesses" (Rev11) replicates for the Temple 144000 Completion announcement at Christ official manifestation to follow after that 1260 day period;

B. The divine judgment that is coming on the Jehovah's Witnesses Organization ("established place"; Dan8:11) is therefore a signal to Jehovah's Witnesses and the world, of what is following;

C. That transition after/during temple judgment is accompanied by a sequential world known 7 trumpet and 7 plague final sequence parallel to one another; (Rev8:-11 parallels Rev15-16) all the way to Kingdom and Temple completion prior to Armageddon;

D. The undeniable official revelation of the Jehovah's Witnesses Governing Body as self-lifted above everyone on earth and in the JW org as self-appointed and self-approved "Faithful and Discreet Slave" is A RED FLAG OF GREAT SIGNIFICANCE, as they went public with this obligatory blasphemy of the modern temple cycle "man of lawlessness";

E. This is significant because this "lawless one" undeniable revelation in the Jehovah's Witnesses Governing Body of criminal subterfuge is the prerequisite signal event to precede the final temple cycle as per 2Thess2:3-4;

1. This had to occur First and it has:

2 Thessalonians 2:3-4 Let no one seduce you in any manner, because it (Daniel8:11-14 commencement judgment to start with) will not come unless the (GB and JW org factional) apostasy comes first and the man of lawlessness (GB lead) gets revealed (as it has now), the son of destruction, ("Judas" Betraying thieves to develop later in this) 4 (The Governing Body MOL) is set in opposition and lifts himself up over everyone (GB=FDS blasphemy) who is called "god" or an object of reverence, so that he sits down (finalized and terminal) in the temple of The God, publicly showing himself;

As the Governing Body proclaims their superior position on their website on November 9, 2012 as the sole "Faithful and Discreet Slave";

The entire final sequence of Adamic human rebellion begins with the JW judgment soon:

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God. Now if it starts first with us, what will the end be of those who are not obedient to the good news of God?

And that will be Daniel 8:11-14 commencing;

The rest will follow in time to temple completion and Armageddon, that is why this is so important for human salvation to see and understand this signal event series;

1. This temple and priesthood cleansing is taking place for a good reason; (Dan8:11-14; Zech3; Rev8:2-5; Mal3:1-5)

A. This future prophetic series will fulfill prophecy in emphatic demonstrable ways Biblically mapped to Jehovah's Witnesses and the world alike for the future route to God's Kingdom conquest at Armageddon;

B. This prophetic series will be a JW and world prophetic signal of what must follow upon two known prophetic time periods of the 1150 days minimum temple cleansing of Daniel 8:14 (2300 "evenings and mornings") first and the 1260 days of Revelation 11:2-3 to follow;
C. This 1260 day second "two witnesses" development to finality follows after an unknown but marked recovery period (Rev8:6-13; Rev9:1-21; (Marked by the 7 trumpets sequence finale)) after the Dan8:14 1150 days minimum and leads to the Revelation 10 "little scroll" final commission; 

D. That 1260 day commission is the second and final "two witnesses" that finalizes in "7 times" of 1260 days in two fulfillments in 1914-1918 and the near future second testimony to the world of the completion of God's Kingdom and Temple; 

E. The Temple and Kingdom 144000 complete shortly after the 1260 days; 

F. And in that final period of time Armageddon global battle for planet earth's world rulership will be fought; 

JW Temple Judgment

I am pointing out what God brought forth from the Word since Memorial 2012 – which is not a transgression for pointing out our own JW transgressions frankly and honestly just like Jeremiah did; Or Hosea, or Ezekiel, etc

So some say I am not Jehovah’s witness, because they do not like what I have to say, again like Jeremiah did; Or Hosea, or Ezekiel; NOT TRUE; I am Jehovah’s witness for the temple judgment coming;

I will explain below;

I am just telling JWs to STAY in the temple, but expect a temple judgment and cleanse NOT the actual GT as tributary as this may get, this is NOT the GT coming it, it is ONLY the beginning of the whole final temple/kingdom completion cycle!

===

Also information wise, the "new creation" is the most potent part, because it is the spirit begotten state that is the real spirit "seed" that becomes the "Christ formed" in the anointed one at birth (baptism symbol) and actual rebirth to spirit by release; (1Pet1:23; 1John3:9) When Christ was baptized he was begotten as God's son by holy spirit; BORN, The anointing is a separate Christening of selection in the case of Christ, as the pattern; It is true, an invitation as well, but it is a preliminary seal to potential approval of the PERSON inside that is God's child, and Christ brother;

It is FAR more than just "anointing", and that should be stressed, but it is not, it is NOT just "holy spirit" available to all, the anointed ARE a "spirit being" in an Adamic body waiting to release by ransom; THAT is way more than just the Christening, as significant as that is, the "seed" is real in the real anointed:

(1 John 3:9) 9 Everyone who has been born from God does not carry on sin, because His [reproductive] seed remains in such one, and he cannot practice sin, because he has been born from God.

And even earth sheep will be born into Christ, birthed by his Bridal 144000, in the 1000 year reign; The 144000 are just a spirit form, of the perfect Christ being, and his human being will be made available to human beings to get OUT of Adam as well, but into Christ the perfect living man;

I usually do not mention my calling, but I have to for what will follow, that the GB are NOT the "lord's of my faith" and they are NOT what they claim to be;

I want to clarify that, because we now have men who will not clarify this "anointed" meaning for the sheep of either realm, and are feeding the anointed, new sheep level feedings that are just therapeutic doctrines with NO meat, but up to 1990 levels - we are stagnated by error;

Plain and simple the "new light" died with Frederick Franz; Now I know many say, "brother, do not idolize a man", but it's OK to idolize the "body" of men? No, it is not and I will prove from the Bible all this;

1. If Jehovah's witnesses lose the ability to reason from the Bible, we will not progress past 1990 and the UN sin, and that is when God cut off the new light, the REAL new light, but he did NOT cut off the sheep intake;

I was baptized after the UN sins were activated in the Awake! 98/1991 issue, so I know the holy spirit is still operative on the sheep, BUT we are being purposely held back in 1990 understanding; (And I will completely prove from the Bible when, why and how)

2. I do not tell JWs to leave the organization, or that God is not using it; In fact Russell and Rutherford laid the foundation by God's spirit through Christ (Zech4:6-9) that Fred Franz and Knorr were raised on;

That was how Knorr was able to concentrate on organizational innovations, WHILE Fred Franz was the main visionary prophetic interpreter that God used through Christ; Fred Franz, I know from Bethelites from long ago to today, Fred Franz was the main harmonizing force that God used so that Knorr was able to propel a refined teaching OF GOD that had come through brother Russell and was furthered and protected by JF Rutherford and finalized up to 1990 by Fred, and that was pushed worldwide by mostly earth sheep, fulfilling the initial Rev 5th and 6th trumpet blasts of Rev9, in that temple foundation cycle;

THAT TRUTH CANNOT BE UPROOTED;

I have ZERO problem with Russell and Rutherford's protective and or strong arm styles carried out according to their own personalities, IT NEEDED IT, I am glad to high heaven that JF Rutherford had the proper personality to route out any possible takeovers; As you may know in BOTH World Wars 1 and 2 the org had an attempted coup, and BOTH presidents died AT THE PEAK of those wars; Think that was natural death? NO, they were not - EVERY WT actual anointed president from Russell, to Rutherford, Knorr and Franz were hastened into death by various means, in spite of being 99 Fred Franz could have lived to be 107;

And NOW they have taken over the org after Franz (2Thess2:7) and the BIBLE, not me, but GOD through Christ is opening up just what is going on; We have frauds in the A WHOLE JW org positioned for another coup attempt;

THIS is real truth, and this is real Christ reality, real anointed and this wildbeast is going to broadside JWs and catch us TOTALLY by surprise, THAT is what has been forming in this org since Fred Franz left earth;

Russell, Rutherford, Knorr and Franz, four APOSTLES with aid from God and the brotherhood built this orgs foundational truth by Christ's aid, NOT the "governing body" - they are actors taking credit for TRUE anointed work; There is no "governing body" in Acts 15:1-33; It was attached later; "Governing Body" is a secular corporate term meaning "board of directors" - there us no "board of directors" in Acts 15;

Bethel Open Letter – Acts 15 and the Illusion of the Governing Board of Directors
ALL I AM SAYING IS TRUST ONLY JEHOVAH AND CHRIST NOT A BODY OF SINFUL FALLIBLE MEN, THEY HAVE BECOME AN IDOL NOW;
TRUST JEHOVAH, LISTEN TO THE BIBLE, WORSHIP JEHOVAH, HAVE FAITH IN JEHOVAH GOD AND CHRIST ALONE - ALONE!! NO ONE ELSE BUT GOD AND CHRIST PERIOD!!!

A TEMPLE JUDGMENT, A BIG BIG BIG TEMPLE JUDGMENT IS NIGH;

But stick to the Jehovah's witnesses because the sinners are leaving NOT Jehovah's witnesses in truth;

I tell Jehovah's witnesses to STAY in the temple BUT expect a temple judgment AND A CLEANSE that will actually fulfill Daniel 8:11-14; IN THE VERY VERY NEAR FUTURE!!!

But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for [[forty-two months]]; 3 And I will cause my two witnesses to prophesy a [[thousand two hundred and sixty days]] dressed in sackcloth.

MUST REPEAT in a MAJOR final fulfillment that results in ALL 144000 in completion; That 1260 days above, WILL become 2520 days, there are TWO "holy city" tramplings and TWO 'two witnesses' - that is why it is called TWO witnesses, it is God giving the world TWO warnings of what is to come;

What Jehovah's Witnesses Need To Know About the Seven Times of Revelation 11

The whole prophetic cycle is repeating, and I am not condemning JW's but telling them, WE are being lied to by an imposter body; THE MAN OF LAWLESSNESS (MOL) IS NOW REVEALING IN THE TEMPLE OF THE GOD PUBLICLY FULLFILLING 2THES2:3-4;

When did the MOL manifested a Big Sign? >>>1991 UN/NGO SINS

Sorry to say, since after Fred Franz was 'put out of the way' (2Thess2:7) there has been no actual "new light" in the truth; And that is because the Milton Henschel GB attached the "Israel of God" to the UN with NO anointed permission; That is an "Israel" "nation" OF GOD (NOT the UN!!), now associated with the "disgusting thing" UN/NGO and God is not happy about this lie;

Fred Franz Dies With "New Light" in JW Org
That is the befouled state of Zech3:1-3; That is the "transgression causing desolation" at Daniel 8:11-14;

Allow me to explain what Fred Franz could not get the chance to comment on:

In 1990, after the Cold War, the UN placed for the 3rd time as "disgusting thing"; THAT is what Daniel 11:30-31 actually fulfilled, NOT Nazi Germany who was non-existent as a world power in 1945 as we have applied the UN then, to Daniel 11:31;

That is NOT true, Fred Franz could not have known this yet in his time because the USSR was still successfully operating;

Fred Franz was incapacitated and could not comment on the meaning of the USSR going down, and that update would have changed our trajectory;

Prophetic Diversion of Jehovah’s Witnesses in 1990

Daniel 11:30-31 NWO-8th King Not Nazi Germany

When the USSR went down, as Fred could not have known this [[until]] they went down, which he could not comment on and never did get to comment on this, this prophecy formerly about the USSR cannot be true:

(Daniel 11:36) ...And he (KN) will certainly PROVE SUCCESSFUL until [the] denunciation will have come to a finish;

See, the USSR did NOT "prove successful"; They cannot fulfill Daniel 11:36 OR anything after it;

But the 8th King is who will prove successful ALL THE WAY TO ARMAGEDDON; Someone DID fulfill Daniel 11:30-36, in fact Daniel 11:30-41, and that is globalist 8th King and 2Horn-wildbeast powers as the REAL King of the North;

But did the GB report this change? No.

INSTEAD MILTON HENSCHEL (GB) COVERTLY JOINED WITH THE 8TH KING AND ALSO PROCLAIMED THE 3RD PLACEMENT IN LAST DAYS HISTORY OF THE UNITED NATION DISGUSTING THING on Sept 8, 1991 in the Awake! "What's New at the United Nations?" and other articles in that issue; They QUOTED George Bush Sr.'s UN 3rd Placement speech from the UN General Assembly world stand;

THAT is how they "placed" the UN in God's temple; And Fred Franz was not around to restrain them;

Rather than adjust the meaning of Daniel 11:30-31 as the 3rd placement after cold war of the UN, this GB has JOINED the UN; AND covered up this truth, while they proclaimed UN "New World Order" for 10 solid years in WT and Awake! that anyone can search the WTLib CD for;

GB - Incept UN Transgression 1991 Basics Covers Up Dan11:31

In other words, the GB is part of the "they" with the 8th King reps, in this prophecy in the 1990-1991 period:

(Daniel 11:31b) “And [[they]] will certainly put in place the disgusting thing that is causing desolation.

And this is the infiltration that foretold this undercover Milton Henschel led cabal:

(Daniel 11:31a) And there will be (spiritual) arms that will stand up, proceeding from him (KN as 8th King); and [[they]] will actually profane the sanctuary (JW anointed), the fortress (JW org/Bethel), and remove the constant [feature]. (Profane the daily sacrifice like that Awake! issue 1991)

In other words, Milton Henschel (and others) was an agent; THAT is why they did not let Fred Franz comment on this earthshaking news in 1990;

And that infiltration is foretold in Daniel 8:11-14, and that cannot be Nazi Germany as well, that is all "small horn" matured to Anglo-American engineered 8th King powers; Dan8:11-14 "transgressions" are the Daniel 11:30-31 United Nations relationship and reproach;

And they heard a loud voice out of heaven say to them: “Is this cloud of Rev 11:12...”

30...they will see the Son of man coming on the clouds of heaven with power and great glory.

These "clouds" of Matt24:30:

30...they will see the Son of man coming on the clouds of heaven with power and great glory.

Faithful and Discreet Slave Designate

THAT is when Christ makes the REAL FDS decision here:

(Zechariah 3:4-7) Then he answered and said to those [angels] standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.”

5 At that I said: “Let them put a clean turban (REAL anointed) upon his head.” And they [angels] proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by. 6 And the angel of Jehovah began to bear witness to Joshua (anointed after temple cleanse), saying:

The Commission Offer

7 “This is what Jehovah of armies has said, ‘If it is in my ways that you will walk, and if it is my obligation that you will keep, then also it will be you that will judge my house and also keep my courtyards; and I shall certainly give you free access among these [angels] who are standing by.’

THAT is when the FDS is appointed officially leading to the final "two witnesses" 6 trumpets AFTER this coming minimum 3 year long temple judgment and cleansing when God will give Bethel to the UN 8th King powers NOW in the GB;

But he will cut that attack off at Hos1:4-7;

ALL of Hosea applies to the lead in conditions to this first judgment coming in Daniel 8:11-14 which is this:

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God.

The temple judgement for the completion phase STARTS with JWs, Daniel 8:114 and ENDS with CLEAN JWs by Revelation 10-11; YEARS later over the 1150 days, an unknown transition of 6 trumpets, to the 1260 days;

At the 1260 days, the WHOLE temple pattern of 1914-1918 and 1919-1922, and 1922-1926 WILL REPEAT upon that foundational pattern;

AFTER the 1260 days here in final fulfillment:

(Revelation 11:11-12) And after the three and a half days spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud, and their enemies beheld them.

THAT is the symbolic completion of the 144000 here:

(Matthew 24:29-31) (1260 days ends)

“Immediately after the tribulation of those days...

(The deepest GT of Daniel 8:25; Dan11:44-45 begins after a final post WW4 "peace and security”; Rev6:12-17:)

...the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

(Christ manifests for the 1290 day commencement:)

30 And then the sign of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven with power and great glory.

(The 144000 are completed and Matt25:31-46 sheep/goats is completed and finalized)

31 And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones together from the four winds, from one extremity of the heavens to their other extremity.
That is why this v. 8 statement: "The wild beast that you saw was, but is not," occurs again in v. 11, because the "scarlet wildbeast" will go into an abyss of WW4 and will come out of it here:

(Revelation 19:11-16) And I saw the heaven opened, and, look! a white horse. And the one seated upon it is called Faithful and True, and he judges and carries on war in righteousness. 12 His eyes are a fiery flame, and upon his head are many diadems. He has a name written that no one knows but he himself, 13 and he is arrayed with an outer garment sprinkled with blood, and the name he is called is The Word of God. 14 Also, the armies that were in heaven were following him on white horses, and they were clothed in white, clean, fine linen. 15 And out of his mouth there protrudes a sharp long sword, that he may strike the nations with it, and he will shepherd them with a rod of iron. He treads too the winepress of the anger of the wrath of God the Almighty. 16 And upon his outer garment, even upon his thigh, he has a name written, King of kings and Lord of lords.

That "winepress" is the goats of Matt25:31-46 and Revelation 14:17-20 IN the Christ Court 1290 day period, when Armageddon can occur at any time in that 1290 days, but after the 1260 days, this must complete to finality in the near future:

(Revelation 11:7) And when they have finished their witnessing, the wild beast that ascends out of the abyss will make war with them and conquer them and kill them.

And that will be the final form of this wildbeast from WW4 "abyss":

(Revelation 17:8-11) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss, and it is to go off into destruction. And when they see how the wild beast was, but is not, and yet will be present, those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world. 9 "Here is where the intelligence that has wisdom comes in: The seven heads mean seven mountains, where the woman sits on top. 10 And there are seven kings: five have fallen, one is, the other has not yet arrived, but when he does arrive he must remain a short while. 11 And the wild beast that was but is not, is also itself an eighth king, but springs from the seven, and it goes off into destruction.

That is why this v. 8 statement: "The wild beast that you saw was, but is not," occurs again in v. 11, because the "scarlet wildbeast" will go into an abyss of WW4 and will come out of it here:

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care (Final REAL peace and security) he will bring many to ruin. (Matthew 24:29 Rev6:12 "black out" of sun, moon, stars human powers by 8th King and Gog) And against the Prince of princes he will stand up (from abyss into full 8th King power, 4th world placement of UN, or whatever they may call it), but it will be without hand (Armageddon) that he will be broken.

And that is the EXACT SAME 8TH KING AS THIS ONE:

(Daniel 11:44-45) “But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. 45 And he will plant his palatial tents (as 8th King power, 4th world placement of UN, or whatever they may call it) between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, (Armageddon) and there will be no helper for him.

Which is the finale with ALL 144000 present:

(Revelation 19:19-21) 19 And I saw the wild beast and the kings of the earth and their armies gathered together to wage the war with the one seated on the horse and with his army. 20 And the wild beast was caught, and along with it the false prophet that performed in front of it the signs with which he misled those who received the mark of the wild beast and those who render worship to its image. While still alive, they both were hurled into the fiery lake that burns with sulphur. 21 But the rest were killed off with the long sword of the one seated on the horse, which [sword] proceeded out of his mouth. And all the birds were filled from the fleshy parts of them.

THAT is the completion of the Temple 144000 under Christ fulfilling Zech6:1-15 and Zech4:6-9 to totality;

IN THE FACE OF THE 8TH KING SUPER-POWER IN FULL. ZENITH OF POWER!

That is when Daniel 7:26, 1290 days period, will climax into this:

(1290 Days Christ Court

26 And the Court itself proceeded to sit (ALL 144000), and his own rulership they finally took away, in order to annihilate [him] and to destroy [him] totally.

And that is the finale of the Revelation 19:11-21 Final "Triumphant Entry":

(Revelation 19:11-16) And I saw the heaven opened, and, look! a white horse. And the one seated upon it is called Faithful and True, and he judges and carries on war in righteousness. 12 His eyes are a fiery flame, and upon his head are many diadems. DO NOT GO ANYWHERE THIS GB MAY TRY TO SEND YOU WHEN THIS HITS; THEY ARE NOT CHRISTIANS IN THE GB!!!!

The GB are covering over their 8th King partner's actual world developments since 1990, like 3rd UN placement 1990, Gulf War Pre-Global NATO 8th King war, Global NATO (1999), World War on Terror 2001 (Global War on Terror) and what it means (positioning for WW4);

ALL that fulfills prophecy! And ALL that is being swept under the rug as well by the GB; We already have a coup undercover; That WILL manifest fully soon, WITH a globalist 8th King world event; SOON

And that is just part of what this GB is concealing on purpose, that is why they will be removed in this massive temple judgment and cleanse SOON;
Why Even Jehovah's Witnesses are not Understanding the 2520 Day Decreed Final Replication of Temple Prophecy at the Kingdom and Temple Completion Cycle Soon to Unfold

The Importance of Paying Attention to Bible Prophecy NOW Fulfilling

1. The importance of God's Word to teach a person many things depends on paying attention daily to the Bible and world events with faith, prayer and holy spirit;

2. If people have no belief in modern prophetic fulfillment by not studying of the Bible, or like many Jehovah's witnesses, have stopped paying attention to the Word, then divine teaching of prophecy cannot occur as the Bible should be able to communicate;

3. None of this makes sense to these people understandably, there is no personal faith, or weakened faith that the Bible is God's living Word, they are subject to surprises of world developments;

4. The dumbing down of Jehovah's witnesses by a Governing Body in deep adulterous sins, stumbling millions and global reproach plainly seen since the 1991 United Nations relationship is not helping the matter at all;

5. Understanding the prophetic communication requires respect for and constant study of the Bible and God's approval by Christ's sacrifice, not our personal merit which is insufficient;

6. One of those things is the importance of the use of divine patterns in the Bible, and God's use of those patterns, over and over, to teach man what is to come next; A repeat of the primary patterns becomes "predictable" at key phases;

7. These repeats in prophetic manifestation happened to Israel, it happens in principles, it happens in all the core Biblical teachings; Even Last Adam, Jesus Christ, is another beginning recovered from that lost in Adam, a re-creation; (Matt19:28);

8. Jehovah's witnesses have an advantage due to a history of faithful development and teaching in God's Word that was based on explicit belief in some primary patterns of the Bible that are foundational; A Sovereign Master Pattern of God's Kingdom and a Temple pattern that parallels it with exactness, but specific to it's respective meaning is that foundational framework that will repeat;

The Master Guide Pattern - Christ is a King (Kingdom) and a High Priest (Temple); (Psalm 110; Psalm 2; Zechariah 6:9-15)

2. There are two covenants there, The "New Covenant" first secures the validity and divine sanctification of the individual members of the "Royal Family" 144000 by adoptive rebirth and the legal entry into the Messianic Kingdom Covenant by that God and Christ related virtue and familial relationship;

3. By that, as Temple of God High Priest, Jesus Christ can mediate the blood sacrifice atonement value and it's ultimate benefits of actual human sinlessness that can be achieved through that sanctification by faith and complete repentance, as mankind is transitioned out of dead Adamic paternity into that of the Last Adamic Christ Eternal Father in the 1000 year reign of the Messianic Kingdom with the "Bridal" 144000 logical "Eternal Mother"; (Isa9:6; 1Cor15:45)

4. There is no conflict of Christ's mediation, there are two types of mediation; Christ mediates a covenant (1) with 144000 to ensure a complete mediation and application of the perfect atonement sacrifice (2) to all mankind which Christ also mediates as High Priest;

5. The mediation is what differs, one mediation of the New Covenant between God and the 144000 to incorruptible perfection in actual first resurrection, and a sacrificial completed mediation to the 14000 for that purpose, and all mankind as that Royal Priesthood goes into action as Christ's Bride for human recovery under this perfect immortal High Priest of God according to that type of life power; (Hebrews 7:15-17)

6. The sacrifice is blood and perfect human body as a whole perfect man; (Heb8-10)

7. The sacrifice even applies as atonement now for all with faith in God through Christ prior to 144000 completion by Christ's interim power; It also applies to many who are ignorant of this provision sleeping in death; (1John2:2)

The Kingdom Pattern and the 2520 Days

1. The main Kingdom pattern fulfilled in the 2520 year "seven time" period of permitted Gentile rule over planet earth is how we know when the temple pattern also began to activate in prophetic history relative to earth and humans;

2. The main Temple pattern was the foundational "stone" of Jesus Christ's resurrection to immortality for the purpose of the Temple foundation in time to be laid officially in 1914 in heaven, for a temple inspection of the earthly temple in anointed in 1918-1919, to begin the subsequent construction work of the temple to a completion over time;

3. The actual foundational Christ "stone" is concurrent with the Messianic Kingdom birth in 1914, the actual first "living stones" (1Pet2:5) began to be "laid" at the transition of the initial 1260 days (Rev11:2-3; Dan7:25; Dan 12:7) to the 1290 day Christ Court (Dan7:26 is Dan12:11) in minor form as shown in Revelation 11:7-12 also in the first "two witnesses" minor form of 1914-1918;

4. That transitional initial "first resurrection" is in that "three and a half days" symbolic period of the "two witnesses" death state (Rev11:11-12) after the 1260 days were completed; (Rev11:7)

5. Both of those "time, times and half a time", "three and a half times" patterns must repeat to completion because of the "seven times" mandate principle that governs the trampling of the "holy city" in any form, which represents the Kingdom;

6. It is true the "seven times" of 2520 years have completed in the symbolic sense and signaled the beginning fo the 2520 days, split into two fulfillments, which is currently incomplete and in need of the final fulfillment mode of Kingdom/Temple completion concurrent;
The Final Holy City Jerusalem Trampling

1. Therefore there is another "holy city" symbol as shown in Revelation 11:2 that must also be fulfilled and completed according to the main pattern dimension already demonstrated in the "seven times" of 2520 years - but in 2520 days:

(Revelation 11:2) But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months.

2. That is three and a half times; 42 months, is 1260 days, or three and a half years time in each fulfillment; That is half of the divine requirement of "seven times" already laid out in the primary pattern in "seven times" as 2520 years;

3. The "holy city" of Revelation 11:2 must complete in "trampling" for "seven times" of 2520 days; That is accomplished in dual form separated by the final world ministry activated between these periods of temple foundation (1914) and temple completion (future);

Temple Phasing Pattern Guides The Final Kingdom Pattern Fulfillment

1. That "seven times" Kingdom pattern and the Temple "foundation" and "completion" phases are highly important, and should be easily recognized by Jehovah's Witnesses Biblically pertaining to Kingdom "seven times" timed dimension and the Temple phasing from start (1914) to finish (Future);

2. The reason the Kingdom pattern of "seven times" is split into a dual fulfillment, is that it also corresponds to the temple foundation and temple completion phases that must be divided over an unknown period of time;

3. That division is from the temple foundation work of 1914-1918 in Jesus Christ the chief cornerstone, over a period of temple construction (1918-1919+), to the temple completion phase in the near future upon the same pattern timed "three and a half times" but to culmination of both Kingdom and Temple at the same time completed;

A. In that way both patterns are honored perfectly;
B. The Kingdom conquest is later, in the 1290 day following period; (Dan7:26; Dan12:11)
C. An approximate but reliable prophetic map is provided for Jehovah's people, and will be evidence for the world of what is coming, with actual live events fulfilling, over a number of years to completion;

The Bible Is The Key

1. And that is why the Bible is important to continue to study and ponder; (1Tim4:15-16) Jehovah's Witnesses should recognize both kingdom and temple patterns and phases easily as Biblically shown and already demonstrated in the minor 1914 form;

2. Jehovah's Witnesses should also see that the "seven times" is not complete in "three and a half times" so far fulfilled of Revelation 11 in the 1914-1918 period - but must complete in the future as a replication of that timed period, but in major final form to completion;

3. Now for those who have not paid attention to the temple foundation pattern and phasing this will have no meaning, God's use of these plainly repeating patterns has no importance or divine information for them;

4. For those who have grown unfamiliar with it, such as many Jehovah's witnesses, we would need to refamiliarize ourselves with the Biblical pattern because that is going to be needed to see the importance of what the future holds concerning the Kingdom and Temple completion cycle;

5. To those who have paid close attention, this instantly makes sense, because it appeals to divine patterns and teachings clearly in the Bible for good reason, not to baseless human contrived assumption;

Seven Times is the Framework of Kingdom Completion

1. The "seven times" of 2520 years is the foundation of Jehovah's witnesses Kingdom teaching! Because it is the foundation "seven times" dimension of God's Biblical Kingdom reality; It ties sovereign progressions of Daniel to Revelation;

2. It is the divine "dimension" of the Bible's central Kingdom theme tied to the Lord's Prayer and sanctification of God's Name tied to that Kingdom arrival in full power;

3. It led to 1914 from at least three methods of calculation using the fall of Jerusalem 607 BCE date, Cyrus the Great's anointing coronation date (537 BCE), or Jesus Christ's baptism and anointing (29 CE);

4. The multi-millennial 2520 years ended, just as the "last days" 2520 days began!

Man of Lawlessness Cover Up of the Obvious

1. And now I see as a Jehovah's witness we are being misled by the apostasy led by the "man of lawlessness" in our midst; There is a great importance of trusting the Bible more than any invented "Governing Body" of not just fallen men, but shameless sinners who have lifted themselves up over everyone as a "Faithful and Discreet Slave" that yet ignores this foundational truth, teaching and replication of Revelation 11 which must take place to Kingdom and Temple completion;

And people think they are anointed?

2. Then why do they not teach THIS "new light" rather than a "new light" that exalts them before the determination is even made by Christ himself? And as bad, exalts a
secular worldly corporate synonym for a corporate "board of directors" as a "governing body" term that does not even appear in the Bible or Acts 15, it is a contrived mythology of control by an erred committee of corruptions; (With plenty of fruitage to substantiate this; Matt7:15-20)

A. Why no comment on the inevitable Temple completion of the 144000?

B. Because they are LIARS; They are actors living off of Jehovah's witnesses; They are the main corruption to be cleansed from the temple;

(Revelation 2:2) "I know your deeds, and your labor and endurance, and that you cannot bear bad men, and that you put those to the test who say they are apostles, but they are not, and you found them liars.

Time to Study the Bible In Depth

1. To Jehovah's witnesses that this makes no sense to, it is time to start reading your Bibles and get to fully understand our foundational teachings of the 1914-1918 and 1919-1922 initial temple periods, because the removal of the "lawless one" will be a severe time of temple judgment;

2. What is coming soon, is the real temple purification (Zech3) not a decoy event of the renegade fake "Governing Body" but of Daniel 8:11-14 future reality for a timed unique sequence of prophetic significance that STARTS the final patterns of temple completion phase in motion;

3. Without Bible knowledge a person is left with no understanding of these great events which will unfold soon, and when they do, they will proceed to Armageddon, and that is why God is providing these patterns to enlighten people from His Word and prophecy as world events and lawless events indicate how close it is by the Bible prophetic clues;

4. We cannot stop the fact that this will broadside most Jehovah's witnesses worldwide as a divine judgment convergent with an enemy attack in various forms led by the "man of lawlessness" with his 8th King owners, but we can tell as many as we can what the Bible shows is actually going down;

5. The Bible understanding is the only hope of seeing this for what it really is, and the recovery that WILL follow this clean out;

The Signal That It Is Already Repeating

1. The revelation of the "man of lawlessness" by his own mouth "publicly" "lifting himself" for terminal "sit down" "in the temple of the God" (November 11, 2012), means this temple judgment phase WILL begin anytime now;

2. This becomes possible because the prerequisite fulfillment is completed publicly as this initial replication of the minor pattern in this "revealing" of the modern final apostasy and it's "man of lawlessness";

3. And that is now undeniably present in major modern form is with the "lawless one" being revealed NOW in Jehovah's Witnesses organization (temple arrangement):

(2 Thessalonians 2:3-4) Let no one seduce you in any manner, because it (starts with the temple judgment and) will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god;

Coup De Grace of the Son of Destruction "Governing Body"

1. And as the Governing Body and lawless company "man of lawlessness" organization wide progresses to their "Judas" "Son of Destruction" phase soon, a destruction attempt upon the worldwide organization of Jehovah's witnesses plainly spelled out in the accurate interpretation of Daniel 8:11-14 is imminent;

Globalist 8th King Sins and Continuum

1. This convergence of judgment and betrayal is due to the gross sins of Daniel 11:31 and the subsequent Governing Body cover up of the third placement of the United Nations fulfilling that prophecy in 1990, and a placement of the "disgusting thing" also in the Bethel Temple in 1991 as Governing Body mandated "New World Order" co-promoters worldwide;

2. In that this blasphemous "Governing Body" of delusion action, the "nation" of the "Israel of God" was made a member of the United Nations organizational "family" by these men according to their own covert planning;

3. Though we cannot know how severe the globalist 8th King actions may become upon the Jehovah's Witnesses organization and corporations or with what kind of world event, as a secular "Governing Body" may or may not be possible due to circumstances, the spiritual masquerade of this fraud sinner entity as a Biblical and spiritual divine "Governing Body" deception will be put to an end by God; (Zech3:4-7; Rev8:2-5; Rev8:10-11);

4. The "Governing Body" is a lie, and is full of counterfeits and sinner infiltrators fulfilling needed prophecy for this final phase of the Kingdom and Temple major patterns;

5. The Bible exposes this development and why it is manifesting now;

The Basic Prophetic Timeline of Temple Completion Being Covered Up by the Governing Body of Jehovah's Witnesses Since 1990

Overview

1. The Governing Body is now exposed as a United Nations "man of lawlessness" agency diverting prophetic awareness for globalist 8th King United Nations objectives to mislead Jehovah's Witnesses and the world concerning modern Biblical temple judgment and 8th King prophetic fulfillment;
2. This Governing Body manufactured coverup concerns United Nations related temple transgressions foretold in Daniel 8:11-14 fulfilled in the Daniel 11:30-31 UNNGO affairs commencing in 1991;

3. This purposeful coverup of Biblical prophecy and Governing Body deceptions diverts the coming temple judgment awareness of Daniel 8:11-14;

4. This also conveys the Daniel 11:30-31 third United Nations "disgusting thing" placement in 1990 that was aided by the Governing Body of Jehovah's Witnesses in 1991 by continued false application to irrelevant World War 2 and Cold War intrigues that are not applicable;

5. The Bible exposes the Governing Body as the final temple phase "man of lawlessness" and what "he" is up to; (2Thess2:3-12; Zech3:1-3)

6. The Governing Body is concealing the fact that the entire temple and Kingdom foundation prophetic cycle of 1914 repeats to final completion starting with this "man of lawlessness" revealed and the Temple judgment of the Jehovah's Witnesses Temple anointed and earthling companions;

Prophetic Replication

1. The Temple foundation pattern of 1914 must have a Temple completion pattern in the near future that will replicate all the prophetic features of the 1914-1926 period;

2. This final prophetic cycle leads to Temple completion and Kingdom completion of the 144000 under Jesus Christ; (Dan12:7 is Revelation 11:2-7; Dan 7:25-26 is Matt24:29-31 as Dan7:25 is Dan12:7(1260 days) and Dan7:26 is Dan12:11 (1290 days))

3. That is why God founded the Temple foundation pattern with as much prominence as He did in that 1914-1918 (1260 days) and 1919-1922 (1290 days) beginning at Kingdom birth leading to Temple inspection, judgment, and cleansing of Christendom from the Temple "holy covenant" for the Temple foundation;

4. Daniel 12 is the main prophetic pattern sequence that must replicate in the near future; (Daniel 7:25-26 is Daniel 12:7 (1260 days) and 12:11 (1290 days))

5. Daniel 12's "time, times and half a time" (1260 days) links to the rest of the Christian Revelation prophecies regarding that "3.5 time" signature of this Temple completion phase and world manifestations at Revelation 11:2-3; Revelation 12:6, 14 and Revelation 13:5;

Unique Signal

1. Daniel 8:11-14 is a unique signal, a commencing timed segway (Dan8:14) In this final Temple judgment, cleansing and completion phase of this final prophetic cycle of the near future;

2. The Temple judgment timed cycle of 2300 "evenings and mornings" as 1150 days minimum Temple judgment period is provided leading to a subsequent "seven trumpet" sequence;

3. That is critical because that Temple judgment is the parallel event of Revelation 8:2-5 "altar fire" cleansing which links to the "seven trumpets" in a final replication sequence in order one through seven in the near future as this manifests;

4. That cleansing of Temple in judgment parallels the cleansing of the Temple priesthood of Zechariah 3:1-10;

5. That is all being covered up by the Governing Body of Jehovah's Witnesses;

Final Cycle Man of Lawlessness Revealed

1. The main temple profanation in this Temple impurity requiring clean-out is the "man of lawlessness" "in the temple of the God" "set in opposition"; (Daniel 11:30b)

2. That is due mainly to the Governing Body sanctioned United Nations related "disgusting thing" "transgression causing desolation" of Daniel 11:30-31 in the approximate 1990 period of that fulfillment;

3. This provides the covert compromise of the whole Jehovah's Witnesses organizational "Temple" system in Daniel 8:11-14 also shown in Daniel 11:30-31 in detail of the infiltration and transgression;

4. This was by a "harlot" Governing Body officially "blessed" United Nations organizational relationship with the Watchtower Bible and Tract Society (WTBTS) in 1991 as a United Nations Non-Governmental Organization for world promotional advertising purposes in the United Nations Department of Public Information;

JW "Israel Nation" Joins the United Nations

1. The Governing Body of Jehovah's Witnesses as the "governmental body" of the spiritual "Israel of God" made the Jehovah's Witnesses "nation" a member of the United Nations for 10 covert years starting in 1991;

2. In those ten years of official 8th King information spreading services and advertising the Governing Body of Jehovah's Witnesses promoted the 1990-1991 third "placement" of the United Nations in "New World Order" false-prophetic mode fulfilling Daniel 11:31ff;

3. This Governing Body covert action was unpublicized, covert and complimented a Watchtower United Nations "placement" by direct "New World Order" quotes from the world United Nations "placement" commencing in Awake! magazine September 8, 1991;

5. By this purposeful adulterous infiltrative treason the Governing Body fulfilled the "transgression causing desolation" of Daniel 8:12, 13 by the intrigues of Daniel 11:30-31 in tandem with the manifesting globalist "King North" 8th King United Nations system;

Prophetic Cover Up

1. Then the Governing Body continued to apply a failed USSR "King of the North" illusion that could no longer fulfill Daniel 11:36 or anything in Daniel 11 in regard to that Russia based national bloc of nations as any "King of the North";
2. Then the Governing Body continued to cover up that the "King of the North" is globalist 8th King systems that manifested as the third United Nations "placement" in 1990; (Dan11:31 is not WW2)

3. The Governing Body covers up the Temple profanations they are leading in Daniel 8:11-14 which are "transgressions" related to this United Nations WTBTS orgy in Daniel 11:31 that relate to the same globalist infiltrations of the Jehovah's Witnesses organization; (Dan11:30b is Daniel 8:12)

4. Instead the Governing Body promote the globalist "King of the North" "scarlet wildbeast" 8th King system commencing for 10 years in the Watchtower and Awake! when Fred Franz oversight was removed; (2Thess2:7)

5. The Governing Body shamelessly maintains their United Nations sins as needed for a UN "library card" to research the 8th King publications and support organizations they promoted from 1991 to 2001 searchable on the The Watchtower Library CD; (Search "new world order" for an example)

6. This Governing Body inspired series of deceptions severs the awareness of the final temple cycle, and the four stands of the "disgusting thing" that must manifest through this final phase; (See guaranteed "seven times" divine decree of "holy city" "trampling:"

7. Jehovah's Witnesses are mentally truncated in 1990 levels of prophetic understanding by the rogue Governing Body full organizational coup:

**Temple Judgment to Seven Trumpets**

1. The Governing Body (Zech3:1 "right hand") is the "head" system of the modern day "man of lawlessness" in the Jehovah's Witnesses "temple of the God" still "set in opposition" and still sinning in the organization misleading Jehovah's witnesses and the world concerning relevant 8th King developments since 1990 being covered up by this sham; (Zech3:1-3; 2Thess2:3-12))

2. The "man of lawlessness" prerequisite (2Thess2:3-4) has been publicly revealed by the Governing Body themselves (2Thess2:3-4) and will lead to the coming Temple judgment of Daniel 8:11-14 in the near future; (This may very well be complimented by an 8th King inspired global event series in the near future)

3. Daniel 8:11-14 signal Temple judgment prophecy is also covered up with an irrelevant World War 2 historical illusion that cannot apply to this prophecy to continue to conceal the real United Nations related Governing Body sins of 1990-1991;

4. Daniel 8:11-14 parallels Zechariah 3, Malachi 3:1-5 and Revelation 8:2-5 in modern fulfillment;

**Seven Trumpets to "Two Witnesses" Final Ministry and Armageddon**

1. That will in time, as this Temple judgment is completing, begin the first four trumpet heralds upon the enemy "man of lawlessness" system that was removed from internal influence in the Jehovah's Witnesses worldwide organization; (Zech3:4-7)

2. This will be traumatic and destructive to the divine degree mandated by God for this Temple transgression; The Governing Body is setting up Jehovah's Witnesses for 8th King objectives;

3. Trumpets five and six are the recovered world final ministry of Jehovah's witnesses that leads to the "little scroll" sovereign proclamation of God's Kingdom and Temple guaranteed coming completion as this develops in Revelation 10;

4. That is carried out in the final divine commission of the Revelation 11 second "two witnesses" final warning and invitation that leads to Temple and Kingdom completion and eventually to Armageddon as the 8th King system is also at zenith;

5. That is why this fraudulent 'Governing Body' is diverting attention away from this truth to falsehoods since 1990, to aid the development of the 8th King globalist system and the misleading of Jehovah's witnesses for a coup-de-grace event with their globalist 8th King owners;

6. That is why God must terminate the tenure of the Governing Body as the "man of lawlessness"; (Zech3:4-7; Hos1:4-7; 2Thess2:3-12)

**Key GB Prophetic Diversion and Coverup in Jehovah's Witnesses Organization: 3rd "Disgusting Thing" UN "Placement" (1990-1991) as UNNGO - Covered Up While it was Fulfilling and After;**

Here are the key principles to use to reason with others who may be able to comprehend that this is a great biblical development we are seeing with prophetic clues provided by God;

This is biblical prophetic detail that we can compare to a unique "symphony" of developments and conditions that cannot be simply "coincidental" at this critical 1990 point in also human history of the "disgusting thing" development also converging in a manifestation all at the same time;;

We have to keep in mind we have a truth framework that did not complete in 1990, truncated at that point to simply bypass a whole temple and kingdom completion cycle of prophecy to simply wander off to GT as per "man of lawlessness" misleading; MUCH has actually fulfilled in relation to the 8th King globalist "king north"
Prophetic Cover Up

1. We have a continuum of Kingdom and temple prophecy that must complete and is currently being bypassed by the XGB; BUT we also have a continuum of the rival defiant UN "kingdom" "disgusting thing" as well, that is being covered up as to it's fulfillment of key modern 1990 prophecy;

2. 1990 was critical in the continuation of the Bible's prophetic tracking framework of the rival kingdom, 8th King UN system continuum which relates to the divine kingdom-temple prophecy developments;

3. By that awareness of active prophetic development we would also be better aware of God's Kingdom and temple prophetic details as nearing significant developmental activation as well - the temple judgment would be understood by JWs rather than covered up by the UN XGB;

THAT IS WHAT THIS XGB DIVERSION IS ATTEMPTING TO SEVER THE AWARENESS OF;

Transgression Cover Up

1. By covering up the 8th King UN developments (Dan11:30-31) since 1990 this prophetic continuum has been severed temporarily;

2. We are being misled regarding the critical fulfillment of Daniel 11:30-31;

3. It is being subverted as if the following features of that actual 1990 UN fulfillment has no bearing on Daniel 11:30-31, by sticking to former USSR errors that the post Cold War developments have rendered inaccurate:
   A. Daniel 11:30-31a: An infiltration of the Jehovah's Witnesses organization by "spiritual arms" "standing up" "proceeding from him" (the 8th King UN system world planners) leads to temple profanations; (Also Daniel 8:12)
   B. Daniel 11:31b: The 1991 WTBTS/XGB 3rd United Nations "placement" of the "disgusting thing" is the key adultery and temple profanation;
   C. The XGB temple profaners are identified as a teamwork effort with the globalist rival "disgusting thing" UN engineers and supporters;

UN Disgusting Thing Cover Up

1. All that critical Daniel 8:11-14 and Daniel 11:30-31 fulfillment is bypassed as the Nazi Germany error, even though Nazi Germany had nothing to do with Anglo-elite world government (UN disgusting thing), and cannot fulfill a UN "placement" which they were non-existent for when it was placed in 1945, there was no Nazi Germany in power at that time;

2. This breaks this "disgusting thing" developmental continuum of the defiant 8th King modern UN system shown below from historical roots in modern history and Bible prophecy in actual continuum after two known UN related "placements" that are part of our prophetic truth framework being bypassed in purposeful error:

   Placement 1 of 4. Post WW1; 1919 - The League of Nations was placed as "disgusting thing"; (Fulfilled Revelation 13:11-15; Matt24:15; Dan12:11)

   Placement 2 of 4. Post WW2; 1945 - The United Nations was placed as "disgusting thing"; (Fulfilled Revelation 17:8-10 "abyss" rise)

The XGB are attempting to bypass this:

   Placement 3 of 4. Post Cold WW3; 1990 - The United Nations (New World Order directive) was placed as "disgusting thing"; (Fulfilled Daniel 11:31; See Awake! 9/8/1991 for UN General Assembly speeches placing this "disgusting thing" in the world AND the WTBTS Bethel "temple")

The Key Bypass Diversion

1. This third placement is what has been bypassed by the "lawless one" operatives in the XGB since it's 1990 fulfillment, WHILE they aid the placement of this "disgusting thing" in the "temple of the God" by affiliate UNNGO promotions;

2. As we see this deception truncates and covers-up the easy to see triple phased "disgusting thing" continuum over time and prophecy of the "disgusting thing" in modern times critical manifestation;

3. 1990 was a KEY manifestation of the United Nations after WW3 Cold War; It changes all of Daniel 11:27-45 understanding when that occurred as the USSR failed Daniel 11:36 fulfillment! That of course affects Daniel 11:30-31 because as the USSR went down, the 8th King "disgusting thing" stood up!

XGB Main Cover-up

1. This XGB wants to make people and Jehovah's witnesses believe that is of no consequence prophetically, that is not significant, onward with the USSR applied to Daniel 11:36-43!

XGB Shares Transgression

1. The XGB does this all WHILE they themselves support that 3rd UN rise, by promoting the 3rd "placement" of the UN themselves for 10 years - not saying a peep about this prophetic significance and fulfillment!

2. It is critical because this "disgusting thing" development is ongoing and this continuum of "disgusting thing" manifestations fulfilling prophecy is to be prophetically followed by a final "placement" in the future as per Daniel 8:25 "stand" and Daniel 11:45 "palatial tents placement";

3. THAT IS THE CONTINUUM THE XGB IS TRYING TO CONCEAL, BECAUSE IT LEADS TO MORE ENLIGHTENMENT - AS IT EXPOSES THE XGB AS 8TH KING OPERATIVES AS WELL;
In other words because of these gross sins the Jehovah's Witnesses ministry and sacrifice to God has progressively fallen under the control of the "small horn" globalist.

12a And an army itself was

That will apex soon, but even now the organization is also rejected by God due to spiritual profanations supporting in fulfillment Daniel 11:30

11b and the established place of his sanctuary was thrown down.

That will apex soon, but even now the organization is also rejected by God due to spiritual profanations supporting in fulfillment Daniel 11:30-31 and Zech3:1-3;

12a And an army itself was gradually given over, together with the constant feature, because of transgression;

In other words because of these gross sins the Jehovah's Witnesses ministry and sacrifice to God has progressively fallen under the control of the "small horn" globalist.
12b and it kept throwing truth to the earth, and it acted and had success.

This operation is successful, and the cover-up is stifling the truth by bypassing the actual Biblical fulfillment now clearly seen in historical developments of this transgression in blatant operations in the Governing Body of Jehovah's Witnesses since 1990 and the UN NGO "adulteries" and profaning infusion into Jehovah's Witnesses sacrifices worldwide;

13 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking; “How long will the vision be of the constant feature and of the transgression causing desolation, to make both the holy place and the army things to trample on?”

This trampling and "desolation" will also apex due to this "transgression", but is currently since 1990 manifested fully performed initially covertly by rendering Jehovah's witnesses in the "befouled garments" at the current temple inspection court of Zechariah 3:1-3; (Mal3:1-5)

14 So he said to me: “Until two thousand three hundred evenings and mornings; and the holy place will certainly be brought into its right condition.”

That is a timed divine period to attain temple purity by divine discipline of allowing the "established place of the sanctuary" to be "thrown down" to a fullness of the divine allowance;

(Daniel 11:30b-32)

30b “And he will actually go back and hurl denunciations against the holy covenant and act effectively;

This "lawless one" infiltration and manifestation of temple transgressions will be successful as it has been from incept;

30b and he will have to go back and will give consideration to those leaving the holy covenant.

At this time in prophecy those in the "holy covenant" cannot be Christendom, so this is a globalist intelligence consideration of Jehovah's witnesses anointed who left the "holy covenant" by transgressions and disloyalty to God, Christ and the Kingdom of God;

31a And there will be arms that will stand up, proceeding from him;

These arms "proceed from" globalist King North powers into the Jehovah's Witnesses organization by covert "invasion" as spiritual "arms that stand up" in the Jehovah's Witnesses temple; (This fulfills also Daniel 11:41) And this has a progressive apex of operations as per Daniel 8:23 "transgressors act to a completion”;

31a and they will actually profane the sanctuary, the fortress, and remove the constant [feature].

That i first by sins and cover-up and infusing "wormwood" and error into the Jehovah's Witnesses teachings; That too is progressive to a culminative climax;

31b “And they will certainly put in place the disgusting thing that is causing desolation.

The "disgusting thing" was placed before the UN General Assembly as a third world placement of the United Nations in 1990; In 1991 the XGB "lawless ones" also placed the "disgusting thing" in the Jehovah's Witnesses organizational temple;

32 “And those who are acting wickedly against [the] covenant, he will lead into apostasy by means of smooth words.

And that indicates this XGB led apostasy has progressively spread organization wide in Jehovah's witnesses:

Spread the News, the XGB is Targeted for Removal by God after their coup-de-grace "GT Hoax" attempt on the JW org and JWs soon with the next globalist world event cycle (Hos1:4-7)

Kingdom Patterns and Principles

Divine Kingdom Sovereign Conquest

These are the basic temple patterns and there are more detailed patterns in these prophecies provided by the prophets; The main framework of prophetic timeline and historical benchmark structure is Daniel FIRST - Revelation last; The prophets like Isaiah and Zechariah, all of the prophets add the various intra-framework components and details to this Daniel and Revelation timeline framework;

Rival World Sovereign Foundation
Daniel 2, 7, 8, and 11 give four prophetic progressions of various detail from the Babylonian third world power forward, that head of gold in the overall "dreadful image" of Daniel 2; Babylon is a hub that links the previous Egyptian and Assyrian powers to Babylon's historic point in 607 BCE climax event of destruction of God's Kingdom representation in Jerusalem, to the Medo-Persians, Greeks, Romans, Anglo-Americans and Globalists to follow;

**THAT IS VERY IMPORTANT!**

THAT is what the whole Bible's sovereign rival system all the way to Armageddon is based on; Daniel by God backs this up with names, benchmark dating clues, developmental highlights leading to the climax confrontation with God's Kingdom power that this progression WILL lead to;

That keeps God's people informed; Up to 1990 that is;

**Daniel's Divine Complete Rival Sovereign Framework and Overview**

Since Egypt's and Assyria's interaction with Israel is recorded leading to the final Babylonian destructive judgment of Jerusalem in 607 BCE, connecting those two world powers to Babylon's rise is also recorded in the Bible;

By God, by Daniel linking and naming the world power progression's key characters in Babylon, Medo-Persia and Greece, we have an important continuum; These world powers are identified by name and their key progressive developments in regard to God's people and the rival sovereign progression to Armageddon;

From this we can easily identify the Roman world power's connectivity in time, that is in power in the time of The Revelation prophecy, and is solidly linked to all four Daniel progressions furthermore;

By that we can identify where we are in the stream of time in regard to the arrival of the national powers of England and the United States of America, and their eventual full union by 1914 as the seventh world national power partnership, a dual world power based on national power systems; (Rev13:1-8)

**It is Very Important to Understand the Progressive Concept of National Power Leading to Final Globalist Power**

Revelation 13:1-8 is a progressive national power based seven headed wildbeast;

But that is not the final world power that Daniel ALSO reveals in time as Revelation 13 and 17 give extended details as well on this final globalist 8th power system in development (Rev17:11-17);

This reveals the main globalist unification of a collective multi-national world system is in "image form" first; That has manifested since 1919's League of Nations in a "disgusting thing" "image" (Rev13:11-15), a world forum of global domination that precedes this actual fully developed globalist 8th King total world kingdom;

Revelation 13:11-15 and Revelation 17:7-11 are a progressive globalist focused "image" not yet the whole 8th King world power, but an "image" of it;

Revelation 17:11-17 is a progressive globalist unification world government actual worldwide system (more than an "image") as the seven headed globalist "scarlet wildbeast" of Revelation 17:3;

That globalist unification "scarlet wildbeast" is based upon and will fully control the national collective seven headed wildbeast of Revelation 13:1;

(Daniel 11:42-43 is Rev17:12-18 climaxing in this final cycle)

**Full Final Rival World Power 8th Kingdom**

That is a full bodied, worldwide "scarlet wildbeast" which will be far more powerful than the 17 acre United Nations "image" complex in New York;

The WHOLE "dreadful image" of the "man" in Daniel 2, the WHOLE thing, is also this 8th King comprehensive world rulership to arise with the "image" in the final world war cycle;

That "man" is standing at Armageddon "place"; That "man's" number is 666;

**1990 Coverup and Diversion**

Time cannot be stopped, this is what Satan and the rival systems are attempting to sever in 1990 level of Jehovah's Witnesses awareness;

They are covering over the culmination of globalist power as more than just an "image" but a worldwide multi-nationally combined globalist unified 8th King world power apex defiance to God's Kingdom in the near future; (Rev16:13-16)

And that has important globalist 8th King details shown in Daniel 8 and 11 that are being covered in national irrelevant distractions up to 1990;

Those purposeful interpretive errors are being misapplied to Daniel 8:11-25 and Daniel 11:27-45 interrelatedness;

Those CRITICAL Bible progressions in Daniel 8:11-25 and Daniel 11:27-45 involve greatly significant temple and kingdom modern developments of BOTH God's sovereign recovery Kingdom timeline and the rival contender's world kingdom culmination as globalist power under Satan that are NOT being taught relevant to 8th King globalization;

Daniel 8:11-25 and Daniel 11:27-45 are being diverted into national intrigues of World War 1 and 2 that are irrelevant to the actual far more important globalist 8th King developmental realities NOW manifesting since 1990 leading to this final cycle in world history;

Basic Temple Pattern Prophetic Replication
http://templelijah.wordpress.com/basic/basic-temple-pattern-prophetic-replication/

**Temple Patterns and Principles**

1. There are typical patterns in Israel's ancient Kingdom and Temple history that repeated in Christ's master pattern;

2. Both of these Temple/Kingdom master pattern types provide the divine patterns and principles for the final overall Temple cycle from the 1914-1922 “Temple foundation” to the near future “Temple completion”;

3. This completes to aid the full warning as well of this Kingdom and Temple completion for it must lead finally to the Armageddon sovereign prophetic climax of the completed and conquering Kingdom of God by the appointed Messianic Kingdom of Christ; (Psalm2:110; Daniel 2:31-45; Rev16:13-16; Rev19:11-21)

4. THAT is why God is providing a finale Temple/Kingdom pattern manifestation upon all these Biblical histories and patterns we should now fully respect and understand;

**Divine Two Temple Pattern**

1. The main pattern in dual/split form is an original Temple and completion (1034 BCE -1026 BCE), was followed after Temple judgment destruction by a second rebuilt Temple (536 BCE to 515 BCE); The pattern is two Temple constructions over a period of time and judgment;

   A. Both Temples were destroyed by divine judgements split over time in 607 BCE by the Babylonian world power and in 70 CE by the Roman world power;

   2. Christ was the spiritual replacement in the pattern of the Temple becoming spiritual that this was all leading to at that time; (John2:13-22)

   A. Christ was the “Temple” pattern destroyed and raised again; (John2:18-22);

   3. The 1914 “Temple foundation” significance with inspection, judgment (Christendom's removal; 1919-1922) and cleansing (designation of a potential faithful slave) is repeating the concept of this dual Temple phase in prophetic the final prophetic cycle (replication) clearly shown in Israel's ancient time and Christ's time;

   A. The future Temple completion will be the great finale of this dual phased cycle;

**Temple Inspection and Judgment**

1. Christ made two Temple visitations in his time with a visitation and cleansing (John2:13-17) in 30 CE and in 33CE;

   A. In 33CE the Temple visitation fulfilling Malach3:1-5 was a finale of the fleshly Jewish period of significance;

   B. That Temple visitation was with an inspection, cleansing and final judgment in three separate visits over three days, leading to the midpoint of the final week of Christ's life to the Passover in 33 CE in Jerusalem; (Matt21:12; Mark 11:15; Luke19:45-46) (See The Greatest Man Who Ever Lived, Chapters 101-133)

   2. That pattern repeated in 1914-1922 with a preliminary spiritual Temple visitation and cleansing judgment that relates to Christ's first Temple visit of 30 CE;

   3. That pattern will replicate in the near future with a final spiritual Temple visitation, inspection, judgment and cleansing finale phase that relates to Christ's final Temple visit of 33 CE;

   A. That will extend over a known prophetic cycle of Revelation 8-11 over six trumpets leading to the seventh which is the grand finale Temple and Kingdom completion of all time ushering in the 1000 year Messianic Kingdom Reign of Jesus Christ;

   4. That is what ALL this has been leading to, hence the use of divine simple teaching patterns from the Bible from God through Christ the Word of God;

   (Details such as these are also what the current apostasy is covering up and distracting Jehovah's witnesses away from with less important minutia and recycling.)

**Temples and Construction**

1. Israel's first Temple was built in the 1034 BCE (foundation) -1026 BCE (inauguration) period of Solomon's Reign in an approximate 7 year Temple construction period, the components were created and fitted offsite, (1 Kings 5:1-10:29) and assembled on the Jerusalem Temple site later;

   (See Insight on the Scriptures Volume 2 p. 1076 Temple; All Scripture Is Inspired of God and Beneficial; p. 65 par. 8 Bible Book Number 11—1 Kings)

2. Israel's second physical Temple was begun after the release from Babylon in 537 BCE, with foundation completed by 536 BCE; A 16 year cessation of construction occurred due to enemy opposition to the Temple construction (another pattern that will repeat);

   A. Jehovah raised up two prophets in Haggai and Zechariah to motivate the people by divine pronouncements that the Temple would be completed by God's spiritual backing; (Zechariah 6:9-15; Ezra3-6) The Temple was completed in the face of the enemies in 515 BCE;

   (See Insight on the Scriptures Volume 2 p. 1078 Temple; The Temple Built by Zerubbabel.; Paradise Restored To Mankind—By Theocracy!; Chapter 10 p. 175; Satan’s Failure in Resisting the High Priest; Chapter 11 p. 192 Not by a Military Force, Nor by Power, But ——)

   (On Herod's Temple - See Insight on the Scriptures Volume 2 p. 1079 Temple
The Temple Rebuilt by Herod. "This temple is not described in any detail in the Scriptures. The primary source is Josephus;"

"Because of hatred and distrust of Herod, the Jews would not permit him to rebuild the temple, as he proposed, until he had everything prepared for the new building. For the same reason they did not consider this temple as a third one, but only as a rebuilt one, speaking only of the first and second temples (Solomon’s and
Zerubbabel’s)."

Therefore this has nothing to do with the divine pattern, and if anything it typifies part of the profanations that the Jews were bringing to a full by the time of Christ, furthermore with a fully illegal non-Levitical priesthood and progressively corrupted teachers and sects as well;

The Pattern is Already Repeating

Like that time, today’s Governing Body is also profaning and attempting to minimize and denude these prophetic realities also leading to Christ in full manifestation;

Therefore the pattern is already beginning to replicate and it WILL continue to temple judgment through this failed inspection now manifesting the “man of lawlessness” as the prerequisite is publicly met for the temple judgment to begin anytime; (2Thess2:3-4)

Most Jehovah’s witnesses, like Israel in ancient times, and Israel in Christ’s time, is unaware of this reality or in denial, or in opposition to it’s revelation;

Suddenly Christ will make the final visitation which will catch most Jehovah’s witnesses asleep and or in gross sins relating to the “disgusting thing” of Daniel 11:30-31 as the main “man of lawlessness” temple transgressions and profanations leading to the temple judgment of Daniel 8:11-14;

(Malachi 3:1) “Look! I am sending my messenger, and he must clear up a way before me. And suddenly there will come to His temple the [true] Lord...

Basic Kingdom Pattern Prophetic Replication

The Basic Reconnection to Valid Prophetic Continuum Lost in 1990 by Governing Body Deceptions and Treason

Final Warning and Invitation

1. Firstly for your overview, there is a complete temple completion cycle prophetic replication in the near future;

2. In this final fulfillment mode replication the proclamation of the “two witnesses” “little scroll” is a final divine Sovereign Ultimatum and a Temple Proclamation prior to Armageddon that leads through the final period to the Kingdom-Temple completion of the 144000 with Christ set as King-Priest Temple Coronation; (Zech4; Zech6:1-15; Psalm 110 finality; Rev10-11)

3. It is a final divinely empowered global announcement (Zech4:6-9) to the world’s sovereigns and peoples in invitation and final warning of the guaranteed completion of the Kingdom and Temple divine powers as sovereign and priestly authority respectively in all 144000 under Christ the Messianic Kingdom King of kings;

4. The battle of Armageddon is what follows this final proclamation resolving the issue of sovereignty on planet earth forevermore;

Judgment Starts with the House of God

1. This will be backed as 1Peter4:17 has been activated, completed and fulfilled in the preliminary temple judgment period of Daniel 8:14, 26, after the current inspection (Mal3:1) to a temple cleansing; (Jer25:29; Eze9:6; Mal:3:1-5; Zech3)

2. This Daniel 8:11-14 signal temple judgment will provide assured preliminary evidence the final kingdom/temple completion cycle has begun over a number of years;

3. This entire temple judgment and cleansing commencement is Revelation 8:2-5 in "altar fire" cleanse as per Isaiah 6 cleansing of Isaiah prior to his commission; (Ex30:1-10; Eze10)

Recovery to Final World Ministry

1. In this period the "seven trumpets" of Revelation 8-11 activate in order over time progressively from and through this temple judgment to herald judgment and enlightenment to Jehovah's witness priority first then to the world as the seven bowls of Revelation 15-16 parallel this series;

2. This results in the divinely cleansed Jehovah's witnesses "temple" anointed and extended ministry to the world in a final series;

3. This temple recovery is progressive over six trumpets with full divine enlightenment leading to the final "little scroll" full "intake" (Rev10) and the final world Christian ministerial commission through Jehovah Almighty God and Christ Jesus as the second "two witnesses" 1260 day cycle of Revelation 11;

4. Thus leading to the "seventh trumpet", the Messianic Kingdom of God under Jesus Christ in completion and absolute universal power; (Rev11:15-18)

5. The Temple is also completed in Christ Jesus over a completed 144000; (Rev11:11-12, 19)

1. That leads from temple judgment (Dan8:14 2300 "evenings and mornings") over an unknown recovery period of six trumpets; (Rev8:6-13; Rev9:1-21), to the "little
2. This will complete the divinely decreed "seven times" in 2520 days (seven times 360 days) from 1914-1918 with this additional 1260 day period; (Rev11:2-3; Dan7:25; Dan 12:7)

3. This means all places with that "time, times and half a time" (3.5 time) "signature" also repeat to the divine mandated "seven times" explicitly or in principle related to the original context shown in Daniel 7:25; Daniel 12:7; Revelation 11:2-3; Revelation 12:6, 14; Revelation 13:5;

**Temple and Priesthood Required Purification**

1. Daniel 8:11-14 is a temple judgment and cleansing related to the Zechariah 3:1-10 temple priesthood temple court judgment and cleansing that must occur as in Malachi 3:1-5 before final commission as also pictured in Revelation 8-11 (parallel to revelation 15-16);

**Governing Body of Jehovah's Witnesses Modern Man of Lawlessness in the Final Temple Cycle**

1. This inspection, judgment and preliminary arrival is to clear the Jehovah's witnesses "temple of the God" of "lawless ones" and of the "befouled garments" of real sins that the "man of lawlessness" has been committing in the Jehovah's witnesses organization for 20 manifested years in United Nations official organizational relationships; (Matt13:41; Zech3:1-3; 2Thess2:3-12; 2Cor11:13-15)

2. Many compounding and spreading actual willful sins of adultery, reproach, stumbling, transgression of commandments and covert slander and blasphemy have been committed by the Governing Body of Jehovah's Witnesses in covert globalist 8th King operations to support the "scarlet wildbeast" United Nations "disgusting thing";

3. They have led an infiltration pictured in Revelation 8:6-12 "1/3" symbology of the entire Jehovah's Witnesses worldwide organization that resulted in a massive temple inspection, judgment and cleansing removal of the core purposeful profaners and transgressors working undercover in the Governing Body and throughout the Jehovah's Witnesses worldwide organization; (2Cor11:13-15; Zech3:1-7);

4. The awareness by Jehovah's witnesses of this entire prophetic continuum has been severed also at the 1990 period of United Nations related adulterous transgressions;

**Governing Body Led Coverup and Lawless Fulfillment of Key Prophecy**

1. Instead of noting the “transgression causing desolation” in that 1991 UN-NGO affair relevant to the temple transgressions and Jehovah's witnesses "army" compromised (Dan8:12; Dan11:30b) to 8th King control in Daniel 8:11-14 by that United Nations aiding third placement of the "disgusting thing" in the world and Bethel "temple" sacrifices fulfilling Daniel 11:30-31, the Governing Body of Jehovah’s Witnesses covered up these self-incriminating and highly significant prophecies, while working for (worshiping) the "wildbeast" system for ten secretive years of covert profanation;

2. They do this by continuing the erred illusion that Nazi Germany fulfills Daniel 8:11-14 and Daniel 11:30-31; But it is the Governing Body and the Watchtower Bible and Tract Society (Bethel) with the United Nations 8th King powers that fulfills those scriptures;

3. All of Hosea foretells these developments in modern day Bethel heavy transgressions as the "established place" of the "man of lawlessness" "sitting down" "in the temple of the God";

**Actual Biblical Fulfillments Since 1990 United Nation Third Placement**

1. Nazi Germany was inoperable by May 1945 before the October 1945 placement of the United Nations so cannot be included in the Daniel 11:30-31 progression;

2. The Russians (or USSR) did not create the concept of the Anglo- American engineered "United Nations" globalist elite world governmental "image" (Rev13:11-15) so cannot as well be involved in it's placement in 1945 allegedly fulfilling Daniel 11:30-31;

3. That was all fulfilled in 1990 in the 3rd United Nations world "placement" in "New World Order" proclamations by the two-horned wildbeast as it's 8th King system as both comprise the actual globalist "King of the North"

4. Daniel 8:11-25 thus parallels this Daniel 11:30-45 progression as globalist 8th King "scarlet wildbeast" zenith progression, not the current Governing Body illusions of national powers in World War 2;

**Governing Body Works United Nations Goals**

1. The Governing Body are the tandem partners with the 8th King United Nations as "they will certainly place the disgusting thing that causes desolation" (Dan11:31b) as they did in 1990 in the world placement and 1991 in the Governing Body aided initially covert Bethel temple placement that went public with the 911 world events;

2. Thus the Governing Body of Jehovah's Witnesses covertly and internally aids the globalist 8th King powers to create this sin complex in Jehovah's Witnesses organization;

3. Thus the Governing Body of Jehovah's Witnesses lead the cover up of the actual prophecies being fulfilled since 1990 regarding globalist 8th King world developmental significance leading to Armageddon;

**Actual Temple Judgment Near**

1. The rectification of Daniel 8:11-25 and Daniel 11:30-45 will be accomplished when the Governing Body is neutralized in the coming temple judgment of Daniel 8:11-14 on Jehovah's Witnesses "established place of the sanctuary" in the worldwide organization of Jehovah's witnesses; (Hos1:4-7; Zech3:4-7)

Seven Times is a Divine Decree of Great Importance

Seven Times is a Divine Decree of Great Importance

Also at: http://templelijah.wordpress.com/basic/seven-times-must-complete/

1. A point of reasoning is in the "seven times" decree of Daniel 4:16, 23, 25, 32 as a Divine requirement that must be completed as seven full "times";

2. The Divine purpose of this prophecy is to identify God's sovereign anointed selection and the Divine decree of timing as the angels carry this out as "watchers":

   (Daniel 4:23-24) ...until seven times themselves pass over it." 24 this is the interpretation, O king, and the decree of the Most High (Almighty Sovereign Lord Jehovah);

   A. This is NOT optional; This is required;

   (Daniel 4:16-17)...let seven times pass over it. 17 By the decree of watchers the thing is, and [by] the saying of holy ones the request is, to the intent that people living may know that the Most High is Ruler in the kingdom of mankind and that to the one whom he wants to, he gives it and he sets up over it even the lowliest one of mankind."

3. In the ultimate case it is Christ based on the Daviadic Covenant Jerusalem is the symbol of this Sovereign appointment;

   The point is the "seven times" are very important to respect as a divine decree and an identification indicating God's appointed sovereign agency in time as this completes;

Reasoning Point 1

1. The times of Daniel 7:25, 12:7 and Revelation 11:2-3 is 3.5 times fulfilled so far;

   A. That is only half of the divine requirement;

   B. That is only half the divine decree purposed and promised;

2. Revelation 11:2-3 makes certain that time period applies to Jerusalem in the final fulfillment meaning:

   (Revelation 11:2-3) But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. (3.5 times) 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days (3.5 times) dressed in sackcloth."

   The point of reasoning and logic is:

   1. That period of trampling must complete as "seven times";

   2. That "seven times" completion must and will occur in the near future;

   3. That "holy city" of Revelation 11:2 is symbolic of Jerusalem and God's Sovereign appointed agency;

   4. Christ makes that connection for the Daniel 4:16-32 "Jerusalem" "seven times";

   5. This is determined by prophecy and history as 7 (="times") multiplied by 360 days per lunar year for a total 2520 units;

   6. That 2520 units are 2520 years since the destruction of Jerusalem in 607 BCE to the end of the "appointed times of the nations" in 1914 CE; (Eze4:6-7)

   (Luke 21:24) Jerusalem will be trampled on by the nations, until the appointed times of the nations are fulfilled.

   7. That connects to this "holy city" in final fulfillment:

   (Revelation 11:2-3) ...they will trample the holy city underfoot for forty-two months.

   A. That occurred in the 1914-1918 initial minor fulfillment;

   That Divine prophetic period MUST replicate to completion;

Reasoning Point 2

1. The 2520 years "seven times" ended in 1914 CE at the approximate beginning of the "3.5 times" in 1260 days of Revelation 11:2-3 in the 1914-1918 World War 1 persecution;

   See that signal transition?

   That is an important connection in prophecy;
2. That means the 1260 days already fulfilled in 1914-1918 as a world signal must complete as 2520 days in the future;

3. A complete "seven times" of "holy city" "trampling" as symbolic of God's anointed brothers of Christ is the Divine decree;

4. That start point of 2520 days, was signaled by the ending of the 2520 years in 1914;

5. Thus the 2520 year "appointed times" period ended as the 2520 day FINAL warning period began;

That is the Kingdom Sovereign Foundation Proof from the Bible

1. That foundation of divine truth of prophecy and the beginning of the final decreed "times" of warning in days is the basis of the Divine world ministry of the "two witnesses" first fulfillment, intervening Sovereign warning and invitational period, and last fulfillment of the near future which is the completion of God's Kingdom and universal conquest;

2. This foundation of Divine decree prophetic proof is the basis of the foretold divine sovereign proclamation of God's Kingdom to the entire world by Jehovah's Christian Witnesses;

3. That "seven times" and FINAL Sovereign Proclamation of God's Kingdom will complete the final 1260 days required SOON;

4. 1260 days plus 1260 days as 2520 days decreed by God for a full "seven times" 2520 days FINAL WARNING PERIOD in the Lord's Day of Revelation 1:10 beginning in 1914 and ending soon is what this means;

This cannot be obstructed from full completion and what it implies; The end of the world of the rival sovereign humans and demon systems; Rev19:11-21; Rev20:1-3;

Obviously the current GB is not only not teaching this truth, they are covering it up since their 1990 union with UN globalists as operatives as "man of lawlessness" that ALSO must manifest in the second cycle of prophecy at Kingdom completion and final temple inspection;

2Thess2:3-12 is Zech3:1-3 is this fraud "governing body" coup fulfilling Daniel 8:12 truth suppression in the Daniel 11:31 UN placement at Bethel and subsequent cover-up;

They are now being revealed prior to temple judgment Dan8:11-14;

Part 2

Temple 144000 - Final Fulfillment Cycle Soon; Some Elements That Must Repeat

The Implication is a Prophetic Temple Completion Replication Cycle Activates Soon

1. This prophetic temple replication cycle of the near future in the guarantee of "seven times" (See here; Seven Times Must Complete) implies all former prophetic elements of the 1914-1918 initial temple foundation cycle fulfillment must also repeat in a final fulfillment mode of temple completion in the near future;

These Features Also Repeat to Finality

Divine Final Inspection and Judgment

1. The FINAL temple inspection, judgment and cleansing repeats soon to temple completion finality;

2. That starts with this unique temple judgment signal of desolation on Bethel and Jehovah's Witnesses worldwide organization; (1Pet4:17; Dan8:11-14; Zech3:1-6)

3. 1Peter 4:17 is the priority of judgment activation FIRST upon Jehovah's witnesses;

Temple Inspection and Befouled State

1. This developing temple priesthood finality of the 144000 completing is preceded by the final repeat fulfillment of the temple court inspection and judgment of Zechariah 3:1-3;

2. This surprise covert temple inspection of Jehovah's Witnesses anointed finds a current "befouled garments" state upon the Christian anointed "temple priesthood" due to transgression; (Zech3:1-3 Parallels Mal3:1-2);

3. This temple is in inspection now;

Temple Cleansing Requirement
1. The required cleansing of the "temple priesthood" is indicated at 1Peter4:17 starting judgment cycle as per Zechariah 3:4-6 purification;

2. The "temple transgression" of this initiating temple inspection/judgment cycle is identified at Daniel 8:11-12;

3. Those crimes are in relation to developments "in the Temple of the God" (2Thess2:3-4) identified at Daniel 11:30-31 as purposeful adulterous profanations of Jehovah's witnesses in 1990 approximate time;

4. These transgression were performed by the Governing Body of Jehovah's Witnesses;

**Man of Lawlessness Repeats**

1. The "man of lawlessness" temple polluting infiltration (Dan8:12; 11:30; 11:41) repeats as well in this replication cycle now activating;

2. This "lawless one" is now being revealed prior to this temple judgment carried out; (2Thess2:3-4) and is the main target of removal from God's temple in this replicating final pattern to perform temple purification;

3. That has already occurred by the Governing Body "lifting himself up over everyone" as the Governing Body of Jehovah's Witnesses now claiming the pre-approved sole "Faithful and Discreet Slave" title to the exclusion of all anointed;

**Governing Body as United Nations Ambassadors to the World**

1. The Governing Body also placed the "disgusting thing that causes desolation" in 1991's Awake! September 8th United Nations issue as world promoters of the United Nations, supporting organizations, and books;

2. The Governing Body acted as a United nations Non-Governmental Organization as Department of Public Information ambassadorship and agents for world proclamation of the United Nations 3rd world placement starting in 1991;

3. The Governing Body continued this covert relationship for 10 years in their other official global journals of their partisan support of the United Nations third "placement" in history in 1990, and at Bethel in 1991; (This fulfills Daniel 11:30-31 explicitly)

4. The Governing Body of Jehovah's Witnesses then joined the Watchtower Bible and Tract Society as the main "governmental body" legislative unit of the "Israel of God" as an organization of the United Nations;

**Governing Body Diversion and Coverup**

1. The Governing Body of Jehovah's Witnesses then covered up that fulfillment of Daniel 11:30-31 in 1990-1991, concealing that they are part of in the "transgression causing desolation" of Daniel 8:11-14 by interpretive subterfuge;

2. Although the dissolution of the USSR after the "cold" World War 3 invalidated their fulfillment as King of the North in Daniel 11:32-43, the Governing Body continued to teach this ignored error to cover up their union with the United Nations;

3. Temple Inspection has Revealed the Duplicitous and Deceptive Activities of the Governing Body of Jehovah's Witnesses

**Governing Body Indicted**

1. And there you have the main actions and sins identifying the "man of lawlessness" in final fulfillment temple judgment cycle that will require Daniel 8:11-14 to fulfill 1Peter4:17 as a Divine temple judgment;

2. This is the final clean-out upon the "established place of the sanctuary" as the Bethel worldwide organization of Jehovah's Witnesses takes a timed desolation as per Daniel 8:14 to account for these developments and to fulfill guaranteed prophecy upon a demonstrated former pattern in 1914-1918;

**Final Prophetic Replication of the 1260 Days to Completion**

**The Final 7 Trumpets and Kingdom/Temple Completion Follow**

1. Thus the final temple judgment cycle will fulfill parallel to Revelation 8:2-5 "altar fire" cleanse;

2. That will activate four trumpets to Jehovah's witnesses as we are plunged into the Revelation 9:1-4 abyss of Divine judgment by globalist attack worldwide; (Hos1:4-7)

3. The recovery of Jehovah's witnesses in temple purification after the Daniel 8:11-14 1150 day minimum timed cycle is the fifth and sixth trumpets of the final temple drive (Rev9:1-21) and world ministry leading to the final divine commission of the "two witnesses"; (Rev10-11)

4. That is the final 1260 day replication as the final world warning and Sovereign proclamation period of God's Kingdom to guaranteed completion prior to Armageddon;

5. The globalist 8th King "King of the North" system will be in a parallel development as in 1914-1918 in this continuum to Armageddon;
Final Thoughts

The Red Pill

As Jehovah's witnesses the BIBLE must be the basis of TRUTH; If we lose that ability to reason from the Bible, then problems will arise, BIG problems are coming;

====

The Bible Logic

On careful examination it is obvious the USSR cannot "be successful until the denunciation will have come to a finish" and cannot fulfill Daniel 11:36, or the rest for that matter; (Your Will be Done addressed this while the USSR was active, the Daniel Prophecy book bypasses this sentence entirely in Daniel 11:36; chap. 16 pp. 275-276)

They bypass this very important line of prophecy because the USSR cannot fulfill it, but they want JWs believing it is all valid, it is a diversion of what Daniel 11:30-43 is REALLY about, globalist King North activities since 1990)

And that just happens to be the 3rd placement of the UN "disgusting thing" after the cold WW3 as well;

(Who can ignore these things? ONLY purposeful operatives playing dumb with a further agenda, that is who ignores the 3rd placement of the UN in 1990; (Awake! 9/8/1991))

That is because the King North is the globalist 8th King system that the GB is covering for, and is also the main development of the "small horn" in the Daniel 8:11-14 temple transgression as infiltrators as an "army (of JWs) is gradually given over" to globalist control as per Daniel 11:30; (Dan8:12 is also Daniel 11:41, and that is progressive to final coup soon;

Same Sovereign Container = 8th King "North" Apex Globalists

They are all the same progression, Daniel 11:30-45 is also Daniel 8:11-25 relevancy of the globalist final 4th placement in world history at Daniel 8:25 and 11:45;

There is NOT going to be "four fronts" of JW attack as per Dan8:25; 11:45; Rev19:19-21 and Eze38;

Those are ALL the same globalist 8th King attack with Gog as King of the North Sovereign Juggernaut of all time that Christ wipes out in one sovereign defiant container;

Temple Judgment in Final Completion Progression

What is coming is NOT the end, but the beginning of the next globalist 10 years world development cycle through WW4 to depose BTG and national sovereignty worldwide;

And THAT is why they want to retire the JW world organization, so no one sees all four stands of the UN globalist system, in 1919 WW1, 1945 WW2, 1990 WW3 and the final stand a number of years from now;

That is why the keep JWs hanging at Daniel 11:43, which has NOT fulfilled in the USSR, they want to coup the JW system in the next HUGE globalist world cycle of terror and war developments to create the WW4 stage for the final UN 4.0 placement as image AND as world sovereign global government;

But God has already outlined what will actually take place after the GB are purged as well, in this final desolation, with their infiltration operation;

What is coming on the JW org is a temple judgment, NOT the end of it all, but the beginning of the final replication cycle leading to the Revelation 11 second witnessing of the "two witnesses";

Hence, TWO "witnesses"

It must equal "seven times" as 2520 days in Revelation 11 completion; The 1260 days must replicate as 3.5 times again, completing "seven times" as per divine decree;

====

Divine Update After Desolation

This respects our 1914-1918 foundation of temple, and merely continues at 1990's imposter GB diversion point, and updates JWs to reality through this desolation drive that God cuts off after Dan8:14 runs it's course as Zech3:4-7 purifications at Hosea 1:7 angelic covert strike on these globalists attacking JWs from within and without;

SOON!

Keep an open mind there and spread the REAL news!!! This will hit soon, and it's going to hit HARD;
Temple 144000 - Final Fulfillment Cycle Soon; Some Elements That Must Repeat

The Implication is a Prophetic Temple Completion Replication Cycle Activates Soon

1. This prophetic temple replication cycle of the near future in the guarantee of “seven times” (See here; Seven Times Must Complete) implies all former prophetic elements of the 1914-1918 initial temple foundation cycle fulfillment must also repeat in a final fulfillment mode of temple completion in the near future;

These Features Also Repeat to Finality

Divine Final Inspection and Judgment

1. The FINAL temple inspection, judgment and cleansing repeats soon to temple completion finality;
2. That starts with this unique temple judgment signal of desolation on Bethel and Jehovah's Witnesses worldwide organization; (1Pet4:17; Dan8:11-14; Zech3:1-6)
3. 1Peter 4:17 is the priority of judgment activation FIRST upon Jehovah's witnesses;

Temple Inspection and Befouled State

Temple Cleansing Requirement

1. The required cleansing of the “temple priesthood” is indicated at 1Peter4:17 starting judgment cycle as per Zechariah 3:4-6 purification;

4. These transgression were performed by the Governing Body of Jehovah's Witnesses;

Man of Lawlessness Repeats

1. The "man of lawlessness” temple polluting infiltration (Dan8:12; 11:30; 11:41) repeats as well in this replication cycle now activating;
2. This “lawless one” is now being revealed prior to this temple judgment carried out; (2Thess2:3-4) and is the main target of removal from God's temple in this replicating final pattern to perform temple purification;
3. That has already occurred by the Governing Body "lifting himself up over everyone” as the Governing Body of Jehovah's Witnesses now claiming the pre-approved sole “Faithful and Discreet Slave” title to the exclusion of all anointed;

Governing Body as United Nations Ambassadors to the World

1. The Governing Body also placed the “disgusting thing that causes desolation” in 1991's Awake! September 8th United Nations issue as world promoters of the United Nations, supporting organizations, and books;
2. The Governing Body acted as a United nations Non-Governmental Organization as Department of Public Information ambassadorship and agents for world proclamation of the United Nations 3rd world placement starting in 1991;
3. The Governing Body continued this covert relationship for 10 years in their other official global journals of their partisan support of the United Nations third "placement” in history in 1990, and at Bethel in 1991; (This fulfills Daniel 11:30-31 explicitly)
4. The Governing Body of Jehovah's Witnesses then joined the Watchtower Bible and Tract Society as the main "governmental body” legislative unit of the “Israel of God” as an organization of the United Nations;

Governing Body Diversion and Coverup

1. The Governing Body of Jehovah's Witnesses then covered up that fulfillment of Daniel 11:30-31 in 1990-1991, concealing that they are part of in the "transgression causing desolation” of Daniel 8:11-14 by interpretive subterfuge;
2. Although the dissolution of the USSR after the "cold" World War 3 invalidated their fulfillment as King of the North in Daniel 11:32-43, the Governing Body continued to teach this ignored error to cover up their union with the United Nations;

3. Temple Inspection has Revealed the Duplicitous and Deceptive Activities of the Governing Body of Jehovah's Witnesses

Governing Body Indicted

1. And there you have the main actions and sins identifying the "man of lawlessness" in final fulfillment temple judgment cycle that will require Daniel 8:11-14 to fulfill 1Peter4:17 as a Divine temple judgment;

2. This is the final clean-out upon the "established place of the sanctuary" as the Bethel worldwide organization of Jehovah's Witnesses takes a timed desolation as per Daniel 8:14 to account for these developments and to fulfill guaranteed prophecy upon a demonstrated former pattern in 1914-1918;

Final Prophetic Replication of the 1260 Days to Completion

The Final 7 Trumpets and Kingdom/Temple Completion Follow

1. Thus the final temple judgment cycle will fulfill parallel to Revelation 8:2-5 "altar fire" cleanse;

2. That will activate four trumpets to Jehovah's witnesses as we are plunged into the Revelation 9:1-4 abyss of Divine judgment by globalist attack worldwide; (Hos1:4-7)

3. The recovery of Jehovah's witnesses in temple purification after the Daniel 8:11-14 1150 day minimum timed cycle is the fifth and sixth trumpets of the final temple drive (Rev9:1-21) and world ministry leading to the final divine commission of the "two witnesses"; (Rev10-11)

4. That is the final 1260 day replication as the final world warming and Sovereign proclamation period of God's Kingdom to guaranteed completion prior to Armageddon;

5. The globalist 8th King "King of the North" system will be in a parallel development as in 1914-1918 in this continuum to Armageddon;

====

Final Thoughts

The Red Pill

As Jehovah's witnesses the BIBLE must be the basis of TRUTH; If we lose that ability to reason from the Bible, then problems will arise, BIG problems are coming;

====

The Bible Logic

On careful examination it is obvious the USSR cannot "be successful until the denunciation will have come to a finish" and cannot fulfill Daniel 11:36, or the rest for that matter; (Your Will be Done addressed this while the USSR was active, the Daniel Prophecy book bypasses this sentence entirely in Daniel 11:36; chap. 16 pp. 275-276)

They bypass this very important line of prophecy because the USSR cannot fulfill it, but they want JWs believing it is all valid, it is a diversion of what Daniel 11:30-43 is REALLY about, globalist King North activities since 1990)

And that just happens to be the 3rd placement of the UN "disgusting thing" after the cold WW3 as well;

(Who can ignore these things? ONLY purposeful operatives playing dumb with a further agenda, that is who ignores the 3rd placement of the UN in 1990; (Awake! 9/8/1991))

That is because the King North is the globalist 8th King system that the GB is covering for, and is also the main development of the "small horn" in the Daniel 8:11-14 temple transgression as infiltrators as an "army (of JWs) is gradually given over" to globalist control as per Daniel 11:30; (Dan8:12 is also Daniel 11:41, and that is progressive to final coup soon;

Same Sovereign Container = 8th King "North" Apex Globalists

They are all the same progression, Daniel 11:30-45 is also Daniel 8:11-25 relevancy of the globalist final 4th placement in world history at Daniel 8:25 and 11:45;

There is NOT going to be "four fronts" of JW attack as per Dan8:25; 11:45; Rev19:19-21 and Eze38;

Those are ALL the same globalist 8th King attack with Gog as King of the North Sovereign Juggernaut of all time that Christ wipes out in one sovereign defiant container;

Temple Judgment in Final Completion Progression

What is coming is NOT the end, but the beginning of the next globalist 10 years world development cycle through WW4 to depose BTG and national sovereignty worldwide;
And THAT is why they want to retire the JW world organization, so no one sees all four stands of the UN globalist system, in 1919 WW1, 1945 WW2, 1990 WW3 and the final stand a number of years from now;

That is why the keep JWs hanging at Daniel 11:43, which has NOT fulfilled in the USSR, they want to coup the JW system in the next HUGE globalist world cycle of terror and war developments to create the WW4 stage for the final UN 4.0 placement as image AND as world sovereign global government;

But God has already outlined what will actually take place after the GB are purged as well, in this final desolation, with their infiltration operation;

What is coming on the JW org is a temple judgment, NOT the end of it all, but the beginning of the final replication cycle leading to the Revelation 11 second witnessing of the "two witnesses";

Hence, TWO "witnesses"

It must equal "seven times" as 2520 days in Revelation 11 completion; The 1260 days must replicate as 3.5 times again, completing "seven times" as per divine decree;

Divine Update After Desolation

This respects our 1914-1918 foundation of temple, and merely continues at 1990's imposter GB diversion point, and updates JWs to reality through this desolation drive that God cuts off after Dan8:14 runs it's course as Zech3:4-7 purifications at Hosea 1:7 angelic covert strike on these globalists attacking JWs from within and without;

SOON!

====

Keep an open mind there and spread the REAL news!!! This will hit soon, and it's going to hit HARD;

Jehovah's Witnesses UN NGO Significance to Temple Purification Soon

Lawless Trends, Why?

What do unaddressed trends of lawlessness indicate for the Jehovah's Witnesses temple future and modern activating prophecy?

1. Jehovah's witnesses (JW) have the truth, but are not actually with the truth any longer (Rev8:10-12), because they have a leadership problem of willful, but continual and covert lawlessness (2Cor11:13-15) that requires accounting from God. (Zech3:1-3 is 2Thess2:3-4)

A. This is a former truth ministry whose "lawless one" manifestation is prophetic; (Zech3:1-3)

B. It is a prerequisite guaranteed signal; the Bible shows more will follow this revelation in action now, very soon; (2Thess2:3-4)

2. This mean Jehovah's Witnesses are in spiritual compromise in a masterful subterfuge from within, from the top;

The Temple is Polluted

1. This means the Jehovah's Witnesses temple system is in inspection and is polluted by it's trusted leadership; (Zech3:1-3) who merely deny all allegations of willful wrongdoing (Dan8:12b) while they spread the sins like leaven on all Jehovah's witnesses; (Rev8:10-11) as per prophecy; (2Thess2:3-12)

The Prophetic Fuse to the Bethel Bomb; (Daniel 8:11; Daniel 11:30)

1. When that comes true soon, progressively, but with known major visible start events, so will the rest of the prophecy that must follow this set of developments (1Pet4:17 is Rev8:2-5);

A. The "man of lawlessness" manifested in the Governing Body (GB) guarantees this "fuse" has been lit; (2Thess2:3-4)

2. It doesn't take a prophet to know we are talking a HUGE event on Bethel proper that must occur soon, that provides the context of Revelation 8:2-5 hit the JW temple "established place"; (Dan8:12)
3. That will put the JW world organization into the "abyss" state of the desolation of Daniel 8:11-14 in Revelation 9:1-2;

**Temple Timed for a Reason**

1. ALL timed prophecy leads somewhere; In the case of Daniel 8:14 and the minimum 1150 days, it does not dead end to nowhere as JWs teach currently about Daniel 8:14 in 1926/1932/1938 error that aids coverup of the current temple profaned state; (Dan8:12b)

2. That is why it can be described now, before it happens, in enough detail, so many can consider it all later, when this activates soon, and to know it takes a number of known years to resolve the JW problems of Revelation 8:10-11 lawless profaning effects on all JWs worldwide and the anointed reputation of "befouled garments"; (Zech3:1-3)

**Lawlessness In Jehovah's Witnesses is an Ominous Red Flag**

1. Obviously this "lawlessness one" sin development in Jehovah's witnesses organization by covert engineered means indicates this prophecy is in the bible in two rounds (1914 and the future finale);

2. And obviously JWs are NOT being told the whole story, because the GB are not Christian nor anointed, but developed and lead a trend of lawlessness manifested fully since 1990, in shocking degree of severity, to the point of aligning JWs with the UN organizational membership by it's central government body, the "governing body";

**Active JW Infiltration**

1. The GB (and others) are externally placed operatives in an operation over 50 years old, that required gradual, subtle and steady subversion for the reasons now manifesting publicly worldwide; (2Thess2:3-4) as an ominous prerequisite itself of what will soon follow in temple judgment first; (1Pet4:17);

(Daniel 8:12) And an army itself was gradually given over (to globalist powers), together with the constant [feature], because of transgression; and it kept throwing truth to the earth, and it acted and had success.

2. That prophecy is about control of Jehovah's Witnesses gradually towards another covert purpose and agenda while appearing as if nothing is out of the ordinary by "gradual" introduction of lawless policies and partnerships over years with various masterful strategies of progression and coverup; (Dan11:30-31);

**Interpretational Cover Up;**

1. The current GB/JW interpretation now given concerning Daniel 8:11-14; is IMPOSSIBLE to apply in 1926, 1932, or 1938 to minor organizational refinements;

   Daniel 8 Future JW Temple Cleanse Basic Proofs
   http://templelijah.wordpress.com/dan8/daniel

2. That error taught by the "man of lawlessness" is a diversion for this reason of setting up the JW organization for planned desolations by globalist intrigues soon, aided by the GB which is all prophecy activating;

**United Nation's Organization 1991**

1. That is not the whole story either; This Daniel 8:11-14 temple transgression and infiltration has a parallel at the same 1990 key period;

2. The 1990 United Nations (UN) world tour led by George Bush Sr. as two-horned-wildbeast (Rev13:11) globalist spokesman after the cold war with Russia's surrender in effect to the UN powers is the 3rd stand of 4 of the UN system "disgusting thing" (DT) in world history; [1]

   Placement 1. After WW1, Rev13:11-15 stand 1, 1919;
   Placement 2. After WW2, Rev17:8-11 stand 2, 1945;
   Placement 4. After WW4, Dan8:25; 11:45, stand 4, future;

3. That is what Daniel 11:30-31 prophecy is all about, the 1990 3rd placement/stand of an ominous United Nations continuum to Armageddon, that the traitor Governing Body is aiding the coverup of;

4. No wonder the GB rogues of that time silenced Fred Franz and he soon died; (2Thess2:7-8) and they keep this all mum today playing dumb, as if the failure of the USSR still fulfills Daniel 11:36 - which it cannot;

**Sequence is Foretold**

1. Each of the four "disgusting thing" globalist world governmental stands has one prophecy foretelling it, except for the final fourth stand which is foretold twice, concurrent at Daniel 8:25 and Daniel 11:45 as the same event accompanying the destructive period foretold there; (Dan8:25; 11:45);

2. That is all the SAME 8th King UN related world power, the same world event (Matt24:21-22 after WW4), the 8th King/ KingNorth UN total globalist world system by that time; (Rev19:19-21);

**GB Covering Up Awareness of this Continuity**

1. THAT is what all this continuum the GB is severing on purpose is all about, n misleading JWs, and misleading the world as to how far we are getting to the final stand of the UN system; (Expect a new name, IMO, as well as this progresses over 7 to 14 years; That timing is not opinion, it is Biblical certainty;)
2. Now that the GB says NOTHING about that reality, that Revelation 13:11-15 foretold the first stand in 1919, Revelation 17:8-11 foretells the second stand in 1945, and Daniel 11:31b foretells the third stand in 1990, this coverup of course breaks the 4 placement continuum of the UN system;

3. Now the GB has successfully severed the continuum from League of Nations 1919, to UN 1945, to UN in NWO mode of proclamation 1990 (Awake! 9/8/1991 co-proclamation), to the final 8th King placement event that this is leading to over the final prophetic replication;

**Principles Being Ignored**

1. Each world governmental “disgusting thing” stand is after a world war; Cold world war 3 was the one ”different the last time than at the first”; (Dan11:29);
2. Each stand has a separate prophecy about it, the last stand has two as noted;
3. There are 4 placements in world and Bible prophetic history;

What is Being Covered Up by Implication

1. What this means is another world war will develop, and it will be resolved;
2. AFTER that world war is the ”freedom from care” of Daniel 8:25; Daniel 11:44-45 final drive;
3. It is parallel to the final 1Thessalonians 5:1-3 "peace and security" they are the same thing, that "peace and security" is "freedom from care";
4. And importantly that is not next, that will take a number of years to develop;

**Patience**

1. Be patient is what this means, and consider this rationale carefully as this progresses to the Bethel desolation that will develop as the STARTING event; Read 1Peter4:17, THAT is what is coming on the JW system of worship, the ”established place” of Daniel 8:12-13, the ”fortress” of Daniel 11:30 is set for desolation; SOON;
2. We will know positively when this develops, that is why Daniel 8:14, a prophecy that is 1Peter4:17 related, is a TIMED prophecy; 1150 days minimum using 2King16:15 principle of evening and morning sacrifice counting as 2 sacrifices; hence 2300/2 is 1150 days of temple cleanse of Daniel 8:13-14; Zech3:4-7; Mal3:1-5

**GB Silence**

1. The GB should be explaining all this;
2. There are reasons why they are not;
3. They are the top system of an organization wide ”man of lawlessness”, PUBLICLY self-revealing as prerequisite at 2Thessalonians 2:3-4 of the temple judgment phase that begins with Jehovah's witnesses NOT "Babylon the Great" as JWs are being misled to believe;
4. This ”governing body” will not remain in the position of lawless masquerade past the Daniel 8:14 timed period, but will be removed with angelic assistance; (Zech3:4-7; Hos1:4-7);

***

**Beyond Coincidence**

1. Now that is very important to know, and that is also what the GB is covertly in the process of covering up;
A. No way is these four developments all coincidental and random:
1. Missing the UN 3rd stand prophetic fulfillment significance 1990;
2. Joining the UN as an official support organization; 1991-2001 (and still covert);
3. Covering it all up continually with the USSR illusion which fails Daniel 11:36 and all applied prophecy to them;
4. Misleading JWs for a vulnerability for a hoax, with a HUGE globalist 8th King world intrigue, like a multi-nuclear super-911 worldwide; (As an example that what is coming will be big, somehow; This is not over;)
2. The GB are globalist intelligence agents, no way can all this just be a big coincidence or spiritual oversight;

**Infiltration**

1. And THAT is the JW ”army gradually given over” to globalist control; (Dan8:11-12; Dan11:30, 41), and the ”transgression that causes desolation” (Dan8:13) related to the ”disgusting thing that causes desolation” (Mark13:14) that has been placed as a UN idol at Bethel since 1991;
A. THAT is very dangerous, and JWs are fooled for the most part as to what it means;
B. That will get the JW org desolated to a world known divinely permitted full degree of Daniel 8:14; It will be a signal event;
C. Then people will begin to wonder;
D. Then people will begin to be told what that means by four trumpets; (Rev8:2-12)
"Established Place" Desolation to Temple Purification

1. That means Daniel 8:11-14 is the "altar fire" temple cleanse of Rev8:2-5; And that means the JW org desolation will remain for 4 trumpets of herald to JWs while being desolated to the Rev9:1-2 "abyss" state for a number of years;

A. Obviously we all will know when that happens;

B. In my opinion the Watchtower will literally loose circulation in the process;

2. I am talking a huge covert operation to target the core of WTBTS finances and reputation, while operating undercover from within Bethel, as long as they can, directing a worldwide set of kill, and cripple events on the Bethel organization globally, for as long as possible; (Host1:4-7) until stopped;

3. They cannot get it all, but they are sure going to try; (Hosea1:4-7; Zech3:4-7); Hosea, the ENTIRE book, is about Bethel today, in final fulfillment;

Cleanning Period

1. And after that Daniel 8:14 timed period has expired, and the cleansing of the lawless ones is completed, with covert angelic aid (Zech3:4-7), that is when JWs will be recovered (YEARS from now, 3 years + 70 days (1150 days) minimum after the first known big hit that can and will be marked for this reason - it will be noticeable by all);

2. Purged over this period will be the GB's false authority as spiritually significant (actually core "man of lawlessness" (MOL), as they are MOL in final modern fulfillment "IN the temple of the God"; (2Thess2:3-9)

3. But we will know for certain, at least, who is the "temple of the God" as the temple anointed priesthood is also cleansed parallel with this temple judgment; (Zech3:1-7);

Kingdom Sovereign Reminder is Next

1. People forget easily that God's Kingdom has made a claim to planet earth, since 1914, with plenty of warning, and this development is the drive of God and Christ to make good on all this sovereign claim;

A. BUT they are giving an extended warning, and hanging JWs out to dry as the signal event;

Seven Appointed Times Again

1. Revelation 8-11 is a continuum in Revelation that leads from temple cleanse (Rev8:2-5) to the "little scroll" sovereign proclamation a second time; (Rev10), by the "two witnesses" a second time as well(Rev11)

2. JW's know 2520 units is required for "seven times" of "holy city" "trampling"; (Rev11:2-3) BUT this is 2520 DAYS, 1260 DAYS in 1914-1918,

3. They cannot get it all, but they are sure going to try; (Hosea1:4-7; Zech3:4-7); Hosea, the ENTIRE book, is about Bethel today, in final fulfillment;

The Prophetic Map to Armageddon

1. God is giving the world YEARS of forewarning the 8th King will ALSO be apexing the defiant Kingdom of Gog Satan at the same time, just like in 1914 in World War 1, but this final drive will be far more extensive and powerfully destructive in a scientifically and technologically engineered manner of deployment;

2. After Temple cleanse in this precursor Daniel 8:14 period, THAT is when the real "Faithful and Discreet Slave" designate is selected at Zechariah 3:7, and THAT is what is next, not the big Great Tribulation (GT) deep drive of post WW4 (Dan8:25; 2Thess1:6-10; 1Thess5:1-3) that JWs are being misled to believe is next;

JW Set Up for Global Coup De Grace

1. Obviously JWs are being setup, with false information, to be coup-de-graced in the next world event as much as the MOL can aid the 8th King to accomplish; JWs are number 1, on the 8th King hit list;

2. That the GB is aiding globalist intrigues is nothing new, they did it in 1990 (UN NWO proclamations and coverup), they did it in 2001 (UN NGO news release), and they will do it a final time, and God will have to be the one who delivers the JWs, or we would be toast; (Zech3:2);

GB Cover Up Aids JW Bethel Pawning

1. This implanted GB is also using this cover-up, to create an illusion that Daniel 11:44-45 is what is next; That prophecy is after WW4, it cannot be next; (It parallels Daniel 8:25 which also cannot be next)

2. In fact Daniel 11:40-41 must progress, as it is in action in globalist wars since 1990, Global NATO (1999), Global War on Terror (2001), and the global positioning following with preludes to WW4 in time.

A. Daniel 11:41 is the active globalist infiltration of Bethel that also must climax; (Dan8:12-13; Dan11:30b);

Daniel 11:42-43 Climax to and Through World War 4

1. What still must develop, that the USSR obviously cannot fulfill is Daniel 11:42-43 parallel development of full financial and sovereign control in the Revelation 17:12-18 parallel absorption of Babylon the Great (BTG) assets, and pawning of national sovereignty completely;

A. Daniel 11:42-43 parallels Revelation 17:12-18 which climaxes years from now;

2. And that will all take one more world war to accomplish the final push of the national powers and BTG; (Hence in final fulfillment BTG is 6th bowl timing at Revelation 16:12:)
Prematurely Advanced JW Mindset

1. But we see, this erred illusion will be convenient for globalist deception on Jehovah's Witnesses to potentially use Russian national intrigues again, for part of the opposing powers of WW4;

2. Possibly China, as well, because Asia also has to be crippled to impede astounding development to artificially allow the Anglo globalist elite system to go into attempted global uni-polar power, and that will take some doing;

3. That is why this takes another 7 to 10 years, to truly hit Daniel 11:44-45 apex with Revelation 10-11 final 1260 day final warning development after the first 6 trumpets and parallel bowls;

JWs Being Misled

1. THAT is what JWs are NOT being told, that can easily be proven in concept from the former fulfillments of these patterns and meanings in minor form;

2. Armageddon is a war between a FULL 8th King "scarlet wildbeast" (Rev17:11-17) total world power infrastructure utilizing 200 nation base of collective operations (Rev13:1), under one controller (Rev13:11) and God's Kingdom; (Rev19:19-21);

3. This finale we are heading to, is far beyond the power of just the United Nations hub system; (Rev13:11-15), but the national collective powers that will end up being panned in Revelation 17:12-18 parallel to Daniel 11:42-43 are all employed at Revelation 19:19-21, which is timed concurrent with Daniel 8:25 parallel to Daniel 11:44-45 and Ezekiel 38 - and all that is after the final world conflict (WW4) is resolved to even allow the fourth and final placement of the globalist world government; [1]

4. That takes a number of years;

GB Man of Lawlessness Must Go

1. And God will remove MOL GB and the works (Rev8:10-11) to remove these obstacles to truth, to make all this known in His timing, it cannot be reversed;

2. It has a previously demonstrated fulfillment pattern (1914-1918), in minor form to lay it all upon in major finale development; (Rev11:2-3 is Daniel 7:25-26: 12:7)

3. See, God wants to save people WHILE this is progressing

A. The GB wants to kill Jehovah's Witnesses and the organization while this is progressing;

4. Therefore God will get explicit as to what is up, after the JW system goes down for a timed desolation (Dan8:14), because God and Christ DO NOT buy the UN NGO "library card" excuse, and obviously this is the only way to make that emphatically clear to all JWs that they are not in agreement with a two-timing organization lodging lawless pretenders in the Governing Body and elsewhere (The symbolic "1/3" negative spiritual effects and pollutants of Rev8:6-12, in final fulfillment);

Choices

1. We are either God's organization, or the United Nation's organization, not both;

2. And THAT is what this fraud GB has led us JWs into;

3. BUT it fulfills prophecy, so we know where we are in the stream of prophetic time;

4. It is pretty close to the end of it all, even if 7 to 17 years for it all to unfold, that is approximate, after the temple hit; That approximation is from temple "established place" "thrown down" to the foretold desolation; (Dan8:11-13)

Temple Judgment Signal to Full Temple Prophetic Replication Final Fulfillment

1914 Initial Prophetic Temple Fulfillment and the Future Final Fulfillment Temple Purification to Completion

1. Daniel 7:25-26, 12:7 provides the base Kingdom prophetic patterning that is prophetically connected to Revelation 11:2-3;

2. The initial minor fulfillment of those scriptural prophecies was in the 1914-1926 period in three timed prophetic sequences of Daniel 12:7; Rev11:2-3 (1260 days; 1914-1918); 12:11 (1290 days; 1919-1922) and 12:12 (1335 days; 1922-1926);

3. This prophetic pattern will repeat in the future for "seven times" fullness, replicating the entire initial minor prophetic sequence in final major fulfillment of Kingdom and Temple completion;

Temple Significance

1. The temple significance was the temple judgment period actually is affirmed after the 1260 day "trampling" test (Rev11:2-7) to the anointed resurrection symbology (Rev11:11-12), to the commencement of the 1290 days;
2. The temple inspection of the whole worldwide house of professed "Christianity" had to take place in that critical 1914-1918 period of world war tests and tribulations;

3. 1919-1922 was the official temple judgment period finalized, and great enlightenment came upon the anointed; Charles Russell and the anointed did not at the time of temple inspection understand Revelation 10-11;

4. This is why World War 1 was a key Satanic distraction marking this period as well; as Christendom was in an unfaithful state while in inspection in THAT period and after;

5. Later in 1919 and after Christendom endorsed the League of Nations; which commenced the 1290 approved "slave" designate recovery period for the world herald that commenced in 1914 by the first "two witnesses" ministry;

6. Christendom's rejection was made known by God and Christ in the periods to follow this minor "court" session; (Dan7:26)

Kingdom Significance

1. The "woman" assumes her "crown" as shown in Revelation 12:1 prior to "birthing" the Messianic Kingdom in October 1914; (Rev12:1-6)

2. God announces the ending of the 2520 years of Gentile "appointed times of the nations" divinely permitted unobstructed rulership of planet earth for "seven times" of seven 360 day lunar years, (7 x 360 "days" of years) equaling 2520 years; (Dan4:13-25; Luke21:24)

3. As that period began in 607 BCE at the overthrow of the earthly throne of David in Jerusalem and expired in 1914 CE, the 2520 day "seven times" period, began in 1914, in 1260 initial days, and ran it's 1260 day course as foretold from December 1914 to June 1918;

2520 Days "Seven Times"; (Revelation 11:2)

That 1260 day prophetic period replicates in the near future;

1. The 2520 days is divided in half over time for two periods of 1260 days (1260 + 1260 = 2520 days).

2. This fulfills as 1260 days one time for the temple foundation and the final time for the temple completion phase, which fulfill 2520 days as "seven times" in 1914-1918's 1260 days and in the future 1260 days climax;

3. Between these two 1260 day periods is the intervening divine world ministry of Jehovah's Witnesses which officially announced this truth to the world since 1914 in prophetically marked commission from God through Christ Jesus also as per prophecy;

Significant Initial Sovereign Ultimatum

1914-1918 was an initial sovereign warning by God through Christ and his earthly brothers to this world's ruling powers and peoples;

1. This is a global invitation and warning of Messianic Kingdom birth and what it will mean as it matures to completion in all 144000 is progressively, climaxing in this final repeating 1260 day period;

2. As the rival world powers are informed that their world sovereign lease ended in 1914 they are instead creating a defiant global government system for earth's rulership;

3. God is giving in the "Lord's Day" (Rev1:10) of this progressive last warning, a final 2520 day period in two world witnesses, the last 1260 days of which leads to absolute Messianic Kingdom completion to climax this intervening initial warning period;

Time Signature Significance

1. Daniel 7:25 and Daniel 12:7 is the foundational 1260 day "time, times and half a time", "3.5 time" time signature period that the whole Kingdom birth and temple foundational prelude announcement cycle is based on;

2. Revelation 11:2-3 is the time signature pattern of "42 months" and "1260 days" that is the "time, times and half a time" link to Daniel 7:25 and Daniel 12:7 like time signature;

3. Revelation 12:6, 14 and 13:5 also correspond to this time period linkage and fulfill with it;

4. The Christ foundation temple "stone" was laid in his coronation as King of God's Kingdom;

5. Technically the coming to the temple is upon the Christ foundation "stone" relevance of 1914-1918, for the subsequent "construction" officially commencing after the 1260 day "temple inspection" ended;

6. This was when the "3.5 days" death state of the "two witnesses" ended (Rev11:7-12) after the 1260 days commencing the 1290 day Daniel 12:11 timed cycle, which is Daniel 7:26 "Christ Court" in minor initial fulfillment;

World Warning Significance

1. This 1914-1918 prophetic period is the foundation of the truth of the progressive ultimate divine Biblical meanings that were announced to the world commencing in this 1914 period regarding God's sovereign guarantee of Kingdom and Temple completion to world conquest and universal conquest;

2. No one else on earth since then or now is expounding the actual divine warning and invitation significance of the Kingdom of God realities and implications as Jehovah's witnesses are commissioned to do;

3. But there is a final inspection cycle, and Jehovah's witnesses today are not seeing this replication pattern because of things that have developed "in the temple of the God" also foretold for the climax temple completion and kingdom conquest period additionally; (2Thess2:3-12)

Final Temple Prophetic Replication of the Near Future

Unique Jehovah's Witnesses Temple Judgment Soon

Daniel 8:11-14 has information regarding the temple judgment sequence (Dan8:14) that will be a world and Jehovah's witnesses prophetic signal towards updated reality:

1. Daniel 8:14 provides a timed period that eventually leads to full temple cleansing and purification in the near future;

2. Daniel 8:11-13 shows that an infiltrative progressive profanation has been in the works in the "temple of the God" in Jehovah's witnesses organization;
   A. This affirms the Daniel 11:30-31 temple profanation events in the same "temple" "transgression" context as Daniel 8:11-12 at the same time (1990);

3. This temple "transgression" is through an internal covert compromise in Jehovah's Witnesses organization for a number of years that finally emerged in a massive adulterous fornication with the United Nations in the 1991 UN-NGO scandal and subsequent 2001 world exposed;

A. This relates prophetically to the third United Nations "placement" in "disgusting thing" history foretold in Daniel 11:31b in 1990 in the world scene; (The third UN "placement" leads to the 4th final stand;[Dan8:25; Dan11:45]; That is why they want JWs in dark respecting this continuum and what it implies;)

B. That has a supporting "Government Body" agreement in 1991 with the Watchtower Bible and Tract Society's partnership with the United Nations as "they" promoted this world UN placement with the "two-horned-wildbeast"; (Dan1:31b; "they will certainly place the disgusting thing")

4. The Governing Body of Jehovah's Witnesses did this while saying nothing of the biblical prophecy it fulfilled in Daniel 11:30-31 or the "transgression causing desolation" that this profanation is in Daniel 8:11-14;

5. This temple judgment coming up is to remove the "man of lawlessness" that centers in the Governing Body of Jehovah's Witnesses as they also culminate the 8th King aided "desolation" on the Jehovah's Witnesses organizational "established place of the sanctuary" with their "two-horned-wildbeast" and 8th King partners to climax soon; (Dan8:11)

6. By now this infiltration of Daniel 8:12 and Daniel 11:30(Dan11:41) is worldwide in the Jehovah's Witnesses organization and is designed to destroy the final ministerial understanding and final commission of Jehovah's witnesses for the final phase of temple and kingdom prophecy;

7. Dan11:30-35; Dan1:36-39; Dan11:40-45 overlay parallel with unique information, not sequential, all globalist "King of the North" related 8th King developments; Not Nazi Germany or the USSR national powers;

Jehovah's Witnesses in the Dark

1. This infiltration is designed to keep Jehovah's Witnesses in retardative development in 1990 levels of prophetic understanding;

2. The Governing Body lead frauds do this by covering up important 8th King globalist world developments that have been fulfilling major prophecies in Daniel and Revelation since 1990 - like this third United Nations "placement" that eludes JW awareness;

3. The Governing Body of Jehovah's Witnesses is concealing globalist 8th King developments "throwing truth to the ground" in Daniel 8:12 by coverup, diversion, purposeful gross sin and misleading with well established and networked 8th King globalist intelligence operations in the Jehovah's Witnesses worldwide organization;

Governing Body and 8th King Partner to Fulfill Critical Temple Judgment Prophecy

(Daniel 8:11-14) And all the way to the Prince of the army [8th King UN globalists] put on great airs, and from him (God) the constant [feature] was taken away, and the established place of his sanctuary was thrown down. (by profanation first) 12 And [the Jehovah's Witnesses] itself was gradually given over [to the 8th King UN globalists], together with the constant [feature], because of transgression [in UN adultery]; and [The Governing Body] kept throwing truth to the earth [with coverup and deceptions], and [the whole infiltration] acted and had success.

And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?" 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be [purified by God's judgment as this ordeal climaxes];

(Daniel 11:30b-31) "And [8th King UN globalists] will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to [Governing Body] leaving the holy covenant.

And there will be [infiltrative internal] arms that will stand up, proceeding from [8th King UN globalists]; and [8th King UN globalists and the Governing Body] will actually profane the sanctuary, the fortress, and remove the constant [feature].

31b "And [8th King UN globalists and the Governing Body] will certainly put in place the disgusting thing that is causing desolation, [Which is the United Nations third world placement in 1990 and the Bethel placement in 1991 in the Jehovah's Witnesses worldwide "constant feature" for public world promotions of the United Nations "New World Order"]

Temple Purification Scriptural Parallels

1. 1 Peter 4:17 is Daniel 8:11-14 climax;

A. Daniel 8:11-14 fulfills after the "man of lawlessness" is revealed "publicly showing himself" "lifted over everyone" as the Governing Body did on November 9, 2012 as the worldwide, self-appointed, high and mighty, sole "Faithful and Discreet Slave" of all time! (2Thess2:3-12; Zech3:1-3)
B. Daniel 8:14 will be a critical signal period for Jehovah's Witnesses of divine temple judgment reality as the Jehovah's Witnesses organizational "established place" goes into the Revelation 9:1-4 "abyss" "thrown down" for all or part of the 2300 "evenings and mornings"; (Dan8:11-12)

C. Daniel 8:11-14 temple judgement and cleansing is parallel with Zechariah 3:1-10 temple priesthood judgment and cleansing;

D. Daniel 8:11-14 precursor is actually when the "faithful and discreet slave" designate in major form is judged and purified for finality to follow; (See Zech3:7 if-then statement)

E. Daniel 8:11-14 parallels Revelation 8:2-5 "altar fire" cleanse (Isa6:6-7); Malach 3:1-5 fire cleanse; Zechariah 3:2 fire "log" snatch;

F. Revelation 8-11 7 trumpets parallels Revelation 15-16 7 bowls;

Seven Trumpets Commencement

1. Therefore Daniel 8:14 temple cleansed "right condition" (Rev8:2-5) will herald the beginning of the 7 trumpets in final fulfillment mode;

Final Daniel 12; Revelation 11 1260 Days

1. These post-temple-judgment first six heralding trumpets and plagues in sequence will lead to the final 1260 day second "two witnesses" world ministry as the 5th and 6th trumpets lead into Revelation 10 and 11; (Rev8-11; Rev15-16);

2. This final 1260 days (2520 total "seven times") leads to the temple completion of Jesus Christ full manifestation over a fully gathered anointed remnant completing the 144000; (Matt24:29-31; Rev6:12-17; Rev11:15-19; Rev16:17)

3. That period commences the 1290 days of the Christ Court of Daniel 7:26 (Matt25:31-46) and Armageddon can occur anytime (unknown when) as the 8th King also zeniths the world climax rival global system against God and Christ's Kingdom for the final showdown of Armageddon; (Rev19:19-21; Eze38; 39:1-7; 17-23; Dan 8:25; Dan11:44-45)

Important Temple Signal to Jehovah's Witnesses

That is why this initial "temple judgment" world signal that Daniel 8:11-14 will erupt into is important; (1Pet4:17)

1. God's judgment on the Jehovah's Witnesses "established place" (Dan8:11) and "priesthood" (Zech3:1-7) converges as the hijacked xGB partners of the globalists create a world event to destroy Jehovah's Witnesses in the world "coupe-de-grace" "hoax GT" that this is obviously prepared to climax to soon; (Hos1:4-7)

2. Bethel will be deposed with a fully misled overall Jehovah's Witnesses population in bewilderment in 230 lands, as a massive world event(s) explodes on the JW ministry (and the world) to compliment the internal fraud Governing Body's operations aided by globalist 8th King created external events, orchestrated to progressively wipe out the JW final world ministry before it starts;

Global Bethel Titanic

1. Jehovah's witnesses have to be aware a massive temple judgment, not the actual "great tribulation" is what is coming on the profaned Jehovah's Witnesses organization; The judgment STARTS with Jehovah's witnesses; (1Pet4:17; Eze9:6)

2. Though most JWs are unaware of this, and we still have the divine truth up to 1990, "sheep" intake is still a priority, but know that this temple judgment will converge with a covert designed final operation converging on the Jehovah's Witnesses organization worldwide;

DO NOT GO ANYWHERE THE FAKE GB TRIES TO SEND YOU OR THE DUPED ELDER BODY;

3. God will allow this because we Jehovah's Witnesses, by Governing Body agreements, have been "in bed" with the UN for 20 years and that sin will have to be accounted for; (Dan8:12-13; Dan11:31)

4. The GB worships (works for) the UN powers as part of the "false-prophet" internal operations, so they will in time need to be removed by angels and "circumstances" in whatever way that occurs as this reaches the divine limit; (Zech3:4-7; Isa66:6; Isa12; Jer30:11)

5. This will be a hugely tribulatory period (but not "great tribulation" yet) on Jehovah's witnesses and the organization because the global context of the scale of this planned assault will have to be enormous to instantly or progressively bankrupt and seize up the Jehovah's Witnesses organization;

Some of What to Expect

1. Expect a massive betrayal of as many Jehovah's witnesses as this "son of destruction" "Judas" Governing Body can herd up at this time period; And that is why they want Jehovah's Witnesses believing "great tribulation" is what this is, but it is temple judgment;

A. That is why the Governing Body want Jehovah's Witnesses "obedience" to herd Jehovah's Witnesses to internment and prison;

2. Expect Bethel worldwide to cease operations at some point with massive WTBTS corporate financial compromises;

3. Expect the Governing Body and ZO (10 Zone Oversight) to orchestrate operations intended to destroy, imprison, cripple and scatter Jehovah's Witnesses in as many of the 230 lands as they have penetrated reinforced by a huge globalist inspired world event cycle in the approximate 2014 time frame;

4. Expect "abyss" confusion and mayhem on Jehovah's witnesses until God terminates the power of the evil in, and the Governing Body of Jehovah's Witnesses as per prophecy as a non-biblical "man of lawlessness" "body", the progressively developmental cover group of lawless operatives since 1976 and Fred Franz "restraint"
removal around 1992; (Zech3:4-7; Hos1:4-7; 2Thess2:7)

5. This initial event series will forever change the Jehovah's Witnesses organization and the world's trajectory as well, to try to conceal the final phases to Kingdom/Temple completion and Armageddon all prophetically laid out already in the initial fulfillment cycles of 1914-1922 like a map to the end of the world - Jehovah's Witnesses temple judgment will begin the final phase; (1Pet4:17)

**Temple Judgment Period to Purification**

We all will know when this hits, mark your Daniel 8:14 “2300” (1150 day minimum) calendar at that time;
The first four trumpets and bowls will come as this progresses to the final “two witnesses” by a divine recovery and overhaul of Jehovah's Christian Witnesses;

**Why Final Cycle of Temple Prophecy is Important**

Demonstrates the Fulfillment of Prophecy Live and Real-Time Over a Known Interlinked Sequence for a Number of Years

1. This is important because it gives the world a full Biblical warning over years of world manifestations and spiritual events foretold precisely from prophecy that are occurring in front of everyone's faces while this is being heralded when this activates soon;

2. This builds peoples faith that the rest of the cycle will also fulfill, and that God is willing to accept repentance through this final invitational and world warning sequence for the identified years in this FINAL prophetic sequence for salvation;

**Marks The World End Cycle With The 2300 Unit Unique Time Signature**

1. A unique foretold activation signal is provided in time; (Daniel 8:11-14), with enough subsequent development after a significant signal event to be understood before, during and after the fact of fulfillment; (Dan8:11-14 is Rev8:2-5 which activates Rev8:6-12 which goes to and through Rev9:10-11)

2. The temple judgment begins this entire final sequence and starts the judgment with God's own house for a world signal as the signal to God's people as well; (1Peter4:17)

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God.

3. That will activate Daniel 8:14;

**The Prophetic Context and Meaning Summarizes Who, Why, What, Where, When**

Who: The Pre-Requisite Activation of Man of Lawlessness Revelation; (2Thess2:3-4)

This so-called "Governing Body" is the main profanation source spiritually polluting the temple (Dan8:11-14) and priesthood (Zech3) and people (Rev8:2-5) that needs to be cleaned out and accounted in the temple judgment;

Why: This "befouler" "Governing Body" is the main reason why this prophetic temple judgment purification event activates in God's temple first; (1Pet4:17 is Dan8:11-14 is Mal3:1-5 is Rev8:2-5)

What: The nature of the temple sin is treasonous United Nations "disgusting thing" partisanship as foretold, with coverup, worship services, and aiding the oppositional world rulership; (Daniel 11:30-31 is the context of sinner infiltration and "disgusting thing" "placement" that is the main "transgression causing desolation" of Daniel 8:11-14)

Where: That was at Bethel by the Governing Body main governmental council of Jehovah's Witnesses "nation" adjoining the "Israel of God" to the United Nations in 1991 in support of the world third placement of the United Nations after the Cold War in 1990;

When: At this time in 1991 manifested, the Governing Body's main directive was promoting the United Nations in their public sacrifice of publications, and covering up the fulfillment of Daniel 11:30-31 that they took part in as "those leaving the holy covenant" for partisanship with the globalist 8th King United Nations;

**Assured Bethel Judgment**

1. Thus a fire purification of temple (Dan8:14; Zech3:2) and priesthood (Zech3:1-7; Mal3:1-5) is required soon removing the frauds from Jehovah's witnesses including the "man of lawlessness" "Governing Body" as the main source and directors of the spiritual pollution in Jehovah's temple;

2. This will be as the JW Bethel system is given to the globalist 8th King system it is serving to be desolated as per Daniel 8:11-14;

**Very Important Prophetic Connection**

This Prophetic Sequence Connects Temple Purification Altar-Fire Event of Temple Judgment with Revelation 8:2-5 Event
That Connects the Temple Purification Judgment of Daniel 8:13-14 to the Final Prophetic Sequence of Human History in Revelation 8-11 Activating:

**A Prophetic Replication of 1914-1918 is Occurring in Temple Completion Final Fulfillment Mode**

1. Revelation 8:2-5 has a cleansing altar fire event foretold that parallels the meaning of Daniel 8:14 and Zechariah 3 purifications; (This "fire" differs from the "fires" of Revelation 8:7-8)

A. This fire judgment foregleam at temple court scene of inspection (now):

**Zechariah 3:1-2** And he proceeded to show me Joshua the high priest (anointed priesthood) standing before the angel of Jehovah, and Satan standing at his right hand (Governing Body) in order to resist him. 2 Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?”

B. Is due to this "right hand" Governing Body "befouled" status of gross sin:

**Zechariah 3:3** Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel.

Which results in this divine judgment as all these are parallel to the main temple purification activating for Daniel 8:14 time frame:

**Revelation 8:3-5** And another angel arrived and stood at the altar... 5 But right away the angel took the incense vessel, and he filled it with some of the fire of the altar (purification fire; Isa6:6-7) and hurled it to the earth. (Symbolic of Jehovah's Witnesses) And thunders occurred and voices and lightnings and an (JW communal) earthquake. (Through purification, enlightenment will come for Jehovah's witnesses approved)

**Zechariah 3:4-5** Then he answered and said to those (angels) standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.” 5 At that I said: “Let them (angels) put a clean turban upon his head.” And they (angels) proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by.

**Daniel 8:14** So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right (purified) condition.” (1150 days minimum)

**Final Progression of Both Rival Kingdoms for World Sovereignty over 7 Trumpets Laid Out**

1. From that temple event Jehovah's witnesses must go into the "abyss" of Revelation 9:1-4, to be recovered after the four trumpets herald the meaning of the judgment to Jehovah's witnesses; (And eventually the world will know why Jehovah's witnesses were punished big time)

2. The "1/3" symbology of the whole Jehovah's Witnesses "earth" system of Revelation 8-9 is the symbolic magnitude of the sins and pollutions inspired by the non-biblical "Governing Body" - an 8-headed "golden calf" Bethel Frankenstein of Neo-Papal Pied Pipers; (Rev8:10-11 fallen "great star burning as a lamp")

A. As the Governing Body of the "men of lawlessness" for 20 full years of covert sinner control these United Nations serving operatives fulfilled Daniel 11:30-31; Daniel 8:11-13 temple transgressions in 1991 that brought this temple judgment to a head soon;

B. These compounding brazen sins, masterfully presented, include but are not limited to Bethel based; UN worship, org idolatries, regular blood desecration, non-priestly sacrificial services and officiation, multiple teachings in progressive error and blasphemy that stumble millions and massive worldwide reproachable hypocrisy; (2Pet2:1-3; 2Thess2:3-12; 2Cor11:13-15; Rev8:10-12)

3. All this will be explained and laid out after temple judgment, over 6 trumpets and 6 bowls;

A. This is on Jehovah's witnesses first to a world invitational and warning prelude ministerial recovery heralded all the way to the "end of the world" of rival powers as shown in Revelation 8-11;

4. This Temple purification is for Jehovah and Christ to recover the Jehovah's Witnesses "temple system" of actual genuine anointed (Rev9:1-4; Zech3:4-7) to commission in a cleansed ministerial state (Zech3:7) for the final Kingdom and Temple of God Sovereign Ultimatum to the world by God and Christ as the final "two witnesses"; (Revelation 10 "Little Scroll"; Revelation 11 "Two Witnesses")

**The 7th Trumpet Connects to the Final 1260 Day Witnessing Period**

1. Overlays the Former Prophetic Pattern and Meanings of 1914 with Live Prophetic Fulfillment

2. Timelines the Temple Cleanse and Temple Completion Cycles with Reliable Timeframes

3. Provides 12 Major Sequentially Concurrent but Overlapping Signal Heralds (6 Trumpets) and World Plagues (6 Bowls) Between Temple Judgment/Cleansing and The 7th Trumpet Temple Completion to Armageddon Climax;

Final Temple Prophecy

The Sin of 1990

(Daniel 11:30-32) “And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature]. “And they will certainly put in place the disgusting thing that is causing desolation. 32 “And those who are acting wickedly against [the] covenant, he will lead into apostasy by means of smooth words.

Systemic Profanations

(Daniel 11:31a) And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary (anointed), the fortress (organization), and remove the constant [feature] (by sinful secret profanations).

Continued Infiltration

(Daniel 11:32) “And those who are acting wickedly against [the] covenant, he will lead into apostasy by means of smooth words.

United Nations Organization

(Daniel 11:31b) “And they (UN and Governing Body) will certainly put in place the disgusting thing that is causing desolation. (United Nations 3rd placement of 1990)

1. The Governing Body joined the United Nations as the government of the Jehovah's Witnesses;
3. The Governing Body conceals prophecy that foretold all these events;

Coverup and Diversion

1. This diverts awareness of the prophetic connection of these sinful events to the temple transgression and required temple judgment and cleansing of Daniel 8:11-14; (Zech3:1-10) with false interpretation;
2. This diverts awareness that Daniel 11:30-45 is all globalist King of the North 8th King activities since 1990, not the USSR in 1945;

United Nations Operatives

1. This proves that the Governing Body have been compromised for globalist 8th King objectives in this 1990 manifestation:
   A. They squelched Fred Franz commentary,
   B. They joined the United Nations
   C. They promote United Nations Organization, support organizations, books, and activities since 1991 covert and overtly;
   D. They subvert and coverup the actual prophetic truth that the Governing Body aided the fulfillment of prophecy with the United Nations rather than expound the truth of these developments; (Daniel 11:30-31; Daniel 8:11-14);

Man of Lawlessness Revealed

1. By these actions obviously the Governing Body are the "man of lawlessness” control center that are the leading temple profaners, "in the temple of the God" that must be removed from Jehovah's witnesses as per prophecy and temple judgment-cleansing; (Zech3:1-3; 2Thess2:3-12)
2. Which leads to the temple judgment and priesthood cleansing which they are diverting attention away from; (Daniel 8:11-14; Zech3:1-10; Rev8:2-5; Mal3:1-5)

The Temple Judgment

(Daniel 8:11-14) 11 And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down. 12 And an army itself was gradually given over, together with the constant [feature], because of transgression; and it kept throwing truth to the earth, and it acted and had success. 13 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

Parallel Daniel 11:30 Profanations

(Daniel 8:11) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down.
Describes the Infiltration

(Daniel 8:12a) And an army itself was gradually given over, together with the constant [feature], because of transgression;

Describes the Coverup

(Daniel 8:12b) and it kept throwing truth to the earth, and it acted and had success.

Describes the Transgression

(Daniel 8:13) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation (connected to the "disgusting thing that causes desolation"); to make both [the] holy place and [the] army things to trample on?"

Prescribes a Timed Temple Judgment and Cleansing Period

(Daniel 8:14) So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition."

Parallel Fulfillment

Thus Daniel 11:30–31 and Daniel 8:11-14 are explicitly connected to the same set of Governing Body led actions, coverup and continued diversions to meet 8th King goals commencing in 1990 with the United Nations third world placement;

The Governing Body is diverting attention away from all this by continuing the illusion that the USSR in 1945, rather than 8th King UN globalists in 1990, are the genuine "King of the North";

That conceals from the world and Jehovah's witnesses critical globalist world developments that fulfilled prophecy in 1990, and continue to fulfill prophecy that will severely affect Jehovah's witnesses in the required temple judgment that the Governing Body are also concealing as UN operatives;

Seven Times Must Complete

Open Letter to Bethel, Anointed, and Jehovah's Witnesses Worldwide Concerning God's Precursor Temple Judgment Soon

The JW Governing Body of the United Nations

Well we are now figuring out that the last JW visionary, Frederick Franz, by Jehovah's enlightenment through Christ and Word, had provided the last wave of insight for Jehovah's Witnesses; That framework of divinely backed understanding continuing the Russell and Rutherford line of work with the worldwide Christian anointed of God from prior and contemporary times, , was done by 1960; Officially speaking from the Watchtower Bible and Tract Society "channel of communication";

This Russell to Franz "light wave" prior to the genuine Temple Judgment (Daniel 8:11-14; Zech3:1-3) which precedes all the final near future prophetic temple cycles (1Pet4:17; Eze9:6) has now been undermined by a counterfeit "governing" "body" taking credit for this work;

But in actual reality the "Governing Body" is a 1976 self-promoting mythology that quickly from that time and before, understood the value of slipping under Fred Franz's skin as masquerade; they are merely corporate administrators, contribution bean counters, earth sheep writing and research editors, architects of stumbling block policy and a glorified "Xerox" worldwide printery merely rewording and disseminating the work of genuine anointed well before them;

They recycle minuita, produce no actual prophetic insight or vision, and play Christ, just like the Popes in that role prior to them; (2Cor11:13-15) their biblical "forefathers"(;2Thess2:3-132) A total act and production riding the credibility of genuine anointed God given visionaries before them;

In fact this "GB" since Milton Henschel's tenure has had zero "new light" in 20 years since they entered a covert relationship as United Nations approved affiliate advertisers. Since that time they have grown dim; (Zech11:7) weak in enlightenment and strong in formulaic acting appearances to idolatrous proportions complete with visual eye-service, organisaic silver tongue smooth talk in verbal and written form - and plenty of grandiose deceptive claims of authority to add to this illusion and subterfuge upon poor misled Jehovah's Witnesses worldwide;

Jehovah's witnesses actually believe these men are of the caliber Christian visionary anointed as Charles Russell, Joseph Rutherford and Fred Franz, by over-extended appreciation upon this rogue pretenders;

The XGB are all an act projecting upon themselves the work of the past light, to shine upon themselves - they had nothing to do with it but distribution, administration and fulfilling the blatant "man of lawlessness" from babyhood of 1976 power struggles with the lead visionary;

Jehovah's witnesses were founded upon strong sole spiritual visionaries like Fred Franz employed by God through Christ for foundational prophetic truth , not a committee squethyl squad mixed group of busy body plagiarists acting as if they had this enlightenment - they did not;

Today's "Governing Body" is 100% fraud and completely spiritually dead awaiting the removal work of God at Zech3:4-7; Daniel 8:11-14; Hosea 1:4-7;

That past era and wave of real light is done and so is the riding of it's credibility as a lawless masquerade of today, because the Governing Body purpose is not good, but will fulfill critical "Lawless One" prophecy as prerequisite to a judgment that they have guided Jehovah's Witnesses and Bethel into; (2Thess2:3-12; Zech3:1-3; Hosea2:5)

It's all just an act, Bethel! How do you condone these men?
Governing Body Son of Destruction

These post 1990s Governing Bodies are blatant free loading lawless UN worshiping frauds self revealed after the death of Fred Franz and the removal of his and other anointed restraint on the lawlessness of Milton Herschel and like minded counterfeits; (Dan1:30-32; 2Thess2:6-7); This current Governing Body is purposely riding the inertia of former spiritual eras for diametric purposes aided by demons to control Jehovah's Witnesses for a future set of destructive events; (Jude4; Zech3:1)

The 1990 era United Nations related Non-Governmental Organizations Department of Public Information services, promotions and purposeful ongoing cover up of the actual Daniel 11:30-31 significance is how we know we have a lawless infiltration and history of transgressions now matured for removal by divine judgment; (Zech3:4)

That actual Daniel 11:31 post cold WW3 1990 globalist "disgusting thing" "placement" fulfilled in tangent with planning and actions of the Governing Body and Watchtower Bible and Tract Society; (WTBTS);

They first aided the UN 3rd placement of the United Nations "Disgusting Thing" as New World Order mode of the Two-Horned-Wildbeast in 1991 in official commentary in Awake!, the Bethel "UN Baal" Placement - and secondly they covered up the actual 1990-1991 fulfillment of Daniel 11:30-32 that they are involved in;

Scarlet Handed

This "Governing Body" inspired UN globalist government "wildbeast image" promotional campaign began in September 8, 1991 Awake! featuring the "New World Order" mode objective of the 3rd Placement of the United Nations "image";

This UN special issue to commenced ten undercover years of UN promotional and publicity campaigning after this kick-off extravaganza supporting George Bush Sr.'s "Two-Horned-Wildbeast" promotional world tour 1990;

Anyone can view the verbatim quotes of George Bush Sr. from the then and now infiltrated Governing Body (XGB), as they proclaimed the 3rd stand of the United Nations, after the Cold War, as Russia "surrendered" conveniently joining the UN Anglo elite globalists forum, proclaimed in September of 1990 before the United Nations General Assembly (the world placement fulfilling Daniel 11:31);

Just search the Watchtower Library CD for the term "new world order";

XGB Joins United Nations

Like Russia, the XGB also joined the United Nations as a "Government Body" of the Jehovah's Witnesses, and echoed, supported and joined in the worldwide proclamation of the United Nations and the New World Order for their globalist handlers; (The XGB operations are part of the "they" in "they will certainly place the disgusting thing" of Daniel 11:31b)

XGB Covers Up Biblical Prophecy "Throwing Truth to the Earth"

And they did this while covering up these monumental prophetic truths in modern live fulfillment of the 3rd UN "placement" fulfilling Daniel 11:31,

And they did this while covering up that this UN "Bethel Baal" perpetration is also the "transgression causing desolation" committed purposefully by the XGB at this 1991 WTBTS "placement" fulfilling the serious willful sins that will lead to the divine judgment of Daniel 8:11-14 soon;

NONE of those prophecies of Daniel 8:11-14 or Daniel 11:30-31 concern Nazi Germany or WW2 and 1945 when Nazi Germany was obviously non-existent and could not be part of the "they" "will certainly place the disgusting thing";

But someone does fulfil the globalist parties of the "they" in Daniel 11:30-31, the globalist King North 2Horn-Wildbeast and 8th King United Nations powers and the Governing Body of Jehovah's Witnesses;

That is what this Governing Body is covering up and condoning and that will bring the divine judgment of Daniel 8:11-14; Hosea 1:4-7; Zechariah3:1-10; Revelation 8:2-5;

The XGB Purposely Ignore and Cover Up Key Modern Daniel Prophecies They Aid the Fulfillment Of

This coming real temple judgment (not the XGB decoy series) is exacerbated and made necessary by this XGB 666 supporting action and known relationship worldwide as Fred Franz was muffled and lay dying;

The USSR, Fred Franz and the real "New Light" all died at the same time;

All simply astounding coincidence?

The Actual New Light of Daniel 8 and 11

There was absolutely no comment as to the actual significance of Daniel 11:36, and hence Daniel 11:30-31 and hence Daniel 8:11-14 as the WTBTS Governing Body sinner infiltrations and spiritual adulterers for the King North (KN) NWO globalist intelligence operations were injected fully into the Jehovah's Witnesses organization "fortress", "constant feature" "sacrifice" and ministerial "army";

(Daniel 11:31) And there will be (infiltrator) arms that will stand up, proceeding from (globalist KN NWO intel sources); and (GB traitors and KN NWO) will actually profane the sanctuary, the fortress, and remove the constant [feature], (by spiritual profanation, diversions, and cover ups rendering it disapproved by God)

And to cap it all off:

"And they (GB traitors and KN NWO) will certainly put in place the disgusting thing (3rd UN 1990-1991 post Cold WW3 UN proclamation and Bethel placement and UN/NGO relationship) that is causing desolation [*x*].
Onward you JW lemmings! obey the GB and you’ll be OK; in your mind the prophetic former temple cycles, extend endless vegetables, milk without any “new light” in 20 years, to lead you to a planned globalist disaster soon

true meaning of this prophecy and others), and it acted and had success. (As can be seen in today's "lawless one" so-called Governing Body and the "coop de grace"
to come upon the JW worldwide organization and Bethel by divine judgment allowing this globalist "desolation")

And this temple judgment and time period will be a JW signal event of temple and JW anointed, JW purifications:

(Daniel 8:13-14) "How long will the vision be of the constant [feature] and of the (UN 3rd Placement) transgression causing desolation [x^4], to make both [the] holy place and [the] (JW) army things to trample on?"

(Daniel 8:14) So he said to me: “Until two thousand three hundred evenings [and] mornings; (1150 days; Minimum) and [the] holy place will certainly be
brought into its right condition. (Purified as per Zechariah 3:1-10 temple priesthood parallel judgment (v1-3) and cleansing; (v4-9))"

More Obvious XGB Engineered Prophetic Cover Up

The XGB are not dummies, they are highly intelligent "CIA", a generic term used here to meaning a globalist backed fake-JW infiltration group worldwide in scope
that is subtly and masterfully subverting and diverting the Jehovah's Witnesses ministry of Jehovah Almighty God and Jesus Christ to create massive sins on the JW
flock - and to set the JW organization up for a fall;

Who can sit at the "GB" table for 20 years and ignore this single Daniel passage that disqualifies the USSR from Daniel 11:36–43?

(Daniel 11:36) “And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the
God of gods he will speak marvelous things. And he will certainly prove successful until the denunciation will have come to a finish; because the thing
decided upon must be done.

The USSR failed; The USSR cannot "certainly prove successful until the denunciation will have come to a finish";

Easily seen there in one sentence, the current XGB cover-up of this prophecy must be on purpose, this is clear as day that ONLY KN globalists can fulfill this as 8th
King powers successful all the way to Armageddon when God and Christ stop them; (Daniel 11:44–45 is Daniel 8:25);

The XGB are covering for their globalist interests any biblical connectivity of globalist world government and Daniel 11:30–45; (And they do this regularly)

They also aid the infiltration of the core financial and legal operations of the WTBTS corporations and are placed to guard, control and have intelligence on the
complete Jehovah's Witnesses worldwide congregational logistics to use all this knowledge and unquestioned control and obedience of the flock against Jehovah's
Witnesses to support yet another globalist world event series in the near future;

The Bible is what identifies big problems with the Governing Body of Jehovah's Witnesses that are actually fulfilling key prophecies that the XGB are
"throwing truth to the ground" and covering up - purposely as the "man of lawlessness" completely self-reveals' publicly showing himself"; (2Thess2:3–4)

XGB are 'Lawless One' Globalist Team Players

The XGB will again work with a globalist worldwide development in the near future for a third and final time;

As in 1991 (1) and as in 2001 (2), the Governing Body of Jehovah's Witnesses perpetrated actions that supported the lead globalist developments in the world at that
time with the 3rd global placement of the "Disgusting Thing" United Nations (1990-1991), the cover up the significance of that event in Daniel 11:31 and Daniel 8:11-
14, and the conveniently timed release “news break” in 2001 of this UN/NGO to support the confusions on the Jehovah's Witnesses with the general 911 World
Trade Center events;

This allowed the subsequent Global War on Terror to slip under the prophetic JW radar soon after; The very significant globalist operations and events fulfilling
prophecy of Daniel 11:40-41, as the invasion of the world and the JW "Land of Decoration" was now plainly public from October 2001 forward;

Now even more prophetic significance is covered up, and the JW work with the globalists in symphonic obvious teamwork;

The XGB doesn't utter a peep, but continues to dumb down Jehovah's Witnesses in the 1990 shell of thought as if everything is all done, and nothing at all happened
between 1991 and 2001 with any biblical prophetic significance;

The XGoverning Body did all this, while covering up the globalist significance of globalist King North in plain active live development in 1990-2001 in Daniel 8 and 11
and Revelation 17 in a declared global world war on terror (GWOT), with a declared globalist 1999 revealed Global NATO UN associated worldwide military
system; (Dan11:38; Joel33:9; aid Rev16:13–16)

To this "CIA" XGB these watershed global developments in biblical prophecy are of no importance whatsoever; (Rev16:13–16; Joel3:9-12; Rev17:11-18; Daniel
11:40–43)

Who can deny this Bethel? You are dreaming to doom;

XGB Implied Quotes

"JWs!... just keep towing the erred interpretation line of Daniel 11:27–45 while we recycle the real work of genuine anointed from the eras past, water down and fade
in your mind the prophetic former temple cycles, extend endless vegetables, milk without any "new light" in 20 years, to lead you to a planned globalist disaster soon -
obey the GB and you'll be OK";

Onward you JW lemmings!
"We the XGB non-Christian non-anointed will continue the charade and masquerade and present ourselves as anointed Christians, while we fill The Watchtower and Awake! with errors and blasphemies to continue as the newly fully revealed "man of lawlessness"; Until we are removed..."; (Zech3:4-7; Hos1:4-7) (2Cor11:13-15);

"We are plainly "in the temple of the God", now "sitting down publicly revealed" while "lifting ourselves over everyone" - and perform our UN and globalist subversion duties to undermine the final ministry of Jehovah's Witnesses that would expose all this, while we expound no prophecy to indicate this must take place soon;" (2Thess2:3-4)

"The Evil Slave is the Faithful Slave, the Faithful Slave is the Evil Slave, if you don't like it, scam you need!"

**XGB are Plainly Men of Lawlessness**

That was **all finalized worldwide** on 11/9/2012 as the XGB judges themselves as the "Faithful and Discreet Slave", finding it no longer important to include the "least of these my brothers" of Christ but now it is just the Brooklyn Neo-Papacy globalist infiltration (Dan11:30) that need apply to this position of self-exultation;

*Although they never have had any light, not so much as a photon, in 20 years;*

Even though they have not developed a single photon of actual light in 20 years but are total slip in plagiarists, who can't write a single page of anything actually spiritual, they still have the brazenness to pull this stunt; while they enlist deceived earth sheep to assist their massive writing and material needs to extend this illusion like a bunch of globalist intel actors that they are - editing as needed, dumbing down the JW mind, and getting ready to lead them to Zechariah 11;

And most importantly, it all fulfills prerequisite prophecy for the final temple completion cycle, the "lawless one" must be revealed, and has self-revealed before that can actual temple judgment can proceed, and now he has right in the Bethel throne of the GB globalist popes;

Bethel, you have Hosea 1:4-7 coming on you, in fact we have the whole book of Hosea coming on Bethel of the Jehovah's Witnesses to account for 20 years of willful **Bethel UN Baal** worship;

Indeed, prophecy has **started to repeat**, but not the way the **XGB deceptively** is claiming;

Now the judgment of God upon the Bethel works and Jehovah's Witnesses "established place" of **Daniel 8:11-14** can take place soon, while JWs continue to be **mised to believe** that scripture applies to a Nazi failure, but it is actually the XGB and NWO KN; While in fact it is successful and effective according to prophetic criteria, and it is in these XGB operations;

And **that is why** it was **very convenient** that Fred Franz **never spoke** on these issues; Daniel by God **foretold this exact infiltration** to the T for traitors;

The XGB subversives can now present this globalist attack, as a **hoax GT**, complete with a 2014 temple decoy, and attempt to "throw down" the "established place of the sanctuary" worldwide, and JWs will believe this divine judgment, is a premature Great Tribulation, when in fact it is only the beginning of the final temple completion cycle, with this prerequisite temple cleansing for real, to eventually purge all this actual "lawless one" operatives from the JW temple;

----------

**Bethel and Anointed: Expect God's Judgement Very Soon**

This is the reality that is coming on Bethel, and all Jehovah's Witnesses worldwide

There is only so much time to spread this truth of the bible actual prophecy around - but Jehovah's judgment cannot be reversed upon an arrogant and proud, unrepentant JW overall anointed flock openly condoning a plainly lawless Governing Body;

And this includes a plainly lawless cover-up of key prophecy, a plainly lawless support of Jehovah's enemy globalist UN system without confession, repentance or remorse, and a sham XGB masquerade to keep feeding this to Jehovah's witnesses worldwide as we spread these deceptions to the world now, all printed up and directed by the core Bethel JW "Baal Group";

With a fine XGB idol, Slave idol, and Org idol to go along with this spiritual travesty UN idol;

**Jehovah's Witnesses Must be Cleansed of the Dirty XGB and Company (Zech3:3-7) - For the Final Divine Commission (Revelation 10-11)**

The JW organization is due for the **fire assault** of the cleanse of Rev8:2-5 altar fire, and the **globalist flames** of the Zechariah 3:2 fires of befouled sins;

That will be stopped before it goes worldwide on the JWs 100% as per Hosea 1:4-7;

JWs and the temple anointed will be cleansed (1150 days), then recovered after this Daniel 8:11-14 event, for the progression over time to the final 1260 days **final "two witnesses"** portion of Revelation 8-11 paralleling Revelation 15-16, as the final 7 trumpets and 7 bowls of God's angels deploy for the final time over planet earth; (Zech3:4-7)

**Seven full times** (2520 days; Rev11:2-3; Dan12:7) is the divine requirement, and JWs should understand this quite easily;

This NOT the GT end Jehovah's witnesses, this is the **great temple completion** of the 144000 final **prophetic cycle beginning**; It is NOW activating in it's initial "man of lawlessness" and "Bethel" "Israel" sins in replication; (2Thess2:3-12; Zech3:1-3)

Let us open our eyes and repent from the XGB sin circus act, it is **already beginning** to repeat;

**Prophetic guaranteed temple judgment can begin any time now;**
The Basic Prophetic Timeline of Temple Completion Being Covered Up by the Governing Body of Jehovah's Witnesses Since 1990

Overview

1. The Governing Body is now exposed as a United Nations "man of lawlessness” agency diverting prophetic awareness for globalist 8th King United Nations objectives to mislead Jehovah's Witnesses and the world concerning modern Biblical temple judgment and 8th King prophetic fulfillment;

2. This Governing Body manufactured coverup concerns United Nations related temple transgressions foretold in Daniel 8:11-14 fulfilled in the Daniel 11:30-31 UN NGO affairs commencing in 1991;

3. This purposeful coverup of Biblical prophecy and Governing Body deceptions diverts the coming temple judgment awareness of Daniel 8:11-14;

4. This also conceals the Daniel 11:30-31 third United Nations "disgusting thing” placement in 1990 that was aided by the Governing Body of Jehovah's Witnesses in 1991 by continued false application to irrelevant World War 2 and Cold War intriguers that are not applicable;

5. The Bible exposes the Governing Body as the final temple phase "man of lawlessness” and what "he” is up to; (2Thess2:3-12; Zech3:1-3)

6. The Governing Body is concealing the fact that the entire temple and Kingdom foundation prophetic cycle of 1914 repeats to final completion starting with this "man of lawlessness” revealed and the Temple judgment of the Jehovah’s Witnesses Temple anointed and earthling companions;

Prophetic Replication

1. The Temple foundation pattern of 1914 must have a Temple completion pattern in the near future that will replicate all the prophetic features of the 1914-1926 period;

2. This final prophetic cycle leads to *Temple completion* and Kingdom completion of the 144000 under Jesus Christ; (Dan12:7 is Revelation 11:2-7; Dan 7:25-26 is Matt24:29-31 as Dan7:25 is Dan12:7 (1260 days) and Dan7:26 is Dan12:11 (1290 days))

3. That is why God founded the Temple foundation pattern with as much prominence as He did in that 1914-1918 (1260 days) and 1919-1922 (1290 days) beginning at Kingdom birth leading to Temple inspection, judgment, and cleansing of Christendom from the Temple "holy covenant" for the Temple foundation;

4. Daniel 12 is the main prophetic pattern sequence that must replicate in the near future; (Daniel 7:25-26 is Daniel 12:7 (1260 days) and 12:11 (1290 days))

5. Daniel 12’s “time, times and half a time” (1260 days) links to the rest of the Christian Revelation prophecies regarding that “3.5 time” signature of this Temple completion phase and world manifestations at Revelation 11:2-3; Revelation 12:6, 14 and Revelation 13:5;

Unique Signal

1. Daniel 8:11-14 is a unique signal, a commencing timed segway (Dan8:14) In this final Temple judgment, cleansing and completion phase of this final prophetic cycle of the *near future*;

2. The Temple judgment timed cycle of 2300 “evenings and mornings” as 1150 days minimum Temple judgment period is provided leading to a subsequent "seven trumpet" sequence;

3. That is critical because that Temple judgment is the parallel event of Revelation 8:2-5 “altar fire” cleansing which links to the "seven trumpets" in a final replication sequence in order one through seven in the *near future* as this manifests;

4. That cleansing of Temple in judgment parallels the cleansing of the Temple priesthood of Zechariah 3:1-10;

5. That is all being covered up by the Governing Body of Jehovah's Witnesses;

Final Cycle Man of Lawlessness Revealed

1. The main temple profanation in this Temple impurity requiring clean-out is the "man of lawlessness" "in the temple of the God” "set in opposition"; (Daniel 11:30b)

2. That is due mainly to the Governing Body sanctioned United Nations related "disgusting thing” "transgression causing desolation” of Daniel 11:30-31 in the approximate 1990 period of that fulfillment;

3. This provides the covert compromise of the whole Jehovah's Witnesses organizational "Temple” system in Daniel 8:11-14 also shown in Daniel 11:30-31 in detail of the infiltration and transgression;

4. This was by a "harlot" Governing Body officially "blessed” United Nations organizational relationship with the Watchtower Bible and Tract Society (WTBTS) in 1991 as a United Nations Non-Governmental Organization for world promotional advertising purposes in the United Nations Department of Public Information;

JW "Israel Nation" Joins the United Nations

1. The Governing Body of Jehovah's Witnesses as the "governmental body" of the spiritual "Israel of God” made the Jehovah's Witnesses 'nation’ a member of the United Nations for 10 covert years starting in 1991;

2. In those ten years of official 8th King information spreading services and advertising the Governing Body of Jehovah's Witnesses promoted the 1990-1991 third "placement” of the United Nations in “New World Order” false-prophetic mode fulfilling Daniel 11:31b;

3. This Governing Body covert action was unpublicized, covert and complimented a Watchtower United Nations "placement” by direct "New World Order” quotes from the world United Nations "placement” commencing in Awake! magazine September 8, 1991;

5. By this purposeful adulterous infiltrative treason the Governing Body fulfilled the "transgression causing desolation" of Daniel 8:12, 13 by the intrigues of Daniel 11:30-31 in tandem with the manifesting globalist "King North" 8th King United Nations system;

**Prophetic Cover Up**

1. Then the Governing Body continued to apply a failed USSR "King of the North" illusion that could no longer fulfill Daniel 11:36 or anything in Daniel 11 in regard to that Russia based national bloc of nations as any "King of the North";

2. Then the Governing Body continued to cover up that the "King of the North" is globalist 8th King systems that manifested as the third United Nations "placement" in 1990. (Dan11:31 is not WW2)

3. The Governing Body covers up the Temple profanations they are leading in Daniel 8:11-14 which are "transgressions" related to this United Nations WTBTS orgy in Daniel 11:31 that relate to the same globalist infiltrations of the Jehovah's Witnesses organization; (Dan11:30b is Daniel 8:12)

4. Instead the Governing Body promote the globalist "King of the North" "scarlet wildbeast" 8th King system commencing for 10 years in the Watchtower and Awake! when Fred Franz oversight was removed; (2Thess2:7)

5. The Governing Body shamelessly maintains their United Nations sins as needed for a UN "library card" to research the 8th King publications and support organizations they promoted from 1991 to 2001 searchable on the The Watchtower Library CD; (Search "new world order" for an example)

6. This Governing Body inspired series of deceivers severs the awareness of the final temple cycle, and the four stands of the "disgusting thing" that must manifest through this final phase; (See guaranteed "seven times" divine decree of "holy city" "trampling")

7. Jehovah's Witnesses are mentally truncated in 1990 levels of prophetic understanding by the rogue Governing Body full organizational coup;

**Temple Judgment to Seven Trumpets**

1. The Governing Body (Zech3:1 "right hand") is the "head" system of the modern day "man of lawlessness" in the Jehovah's Witnesses "temple of the God" still "set in opposition" and still sinning in the organization misleading Jehovah's witnesses and the world concerning relevant 8th King developments since 1990 being covered up by this sham; (Zech3:1-3; 2Thess2:3-12)

2. The "man of lawlessness" prerequisite (2Thess2:3-4) has been publicly revealed by the Governing Body themselves 2Thess2:3-4 and will lead to the coming Temple judgment of Daniel 8:11-14 in the near future; (This may very well be complimented by an 8th King inspired global event series in the near future)

3. Daniel 8:11-14 signal Temple judgment prophecy is also covered up with an irrelevant World War 2 historical illusion that cannot apply to this prophecy to continue to conceal the real United Nations related Governing Body sins of 1990-1991;

4. Daniel 8:11-14 parallels Zechariah 3, Malachi 3:1-5 and Revelation 8:2-5 in modern fulfillment;

**Seven Trumpets to "Two Witnesses" Final Ministry and Armageddon**

1. That will in time, as this Temple judgment is completing, begin the first four trumpet heralds upon the enemy "man of lawlessness" system that was removed from internal influence in the Jehovah's Witnesses worldwide organization; (Zech3:4-7)

2. This will be traumatic and destructive to the divine degree mandated by God for this Temple transgression; The Governing Body is setting up Jehovah's Witnesses for 8th King objectives;

3. Trumpets five and six are the recovered world final ministry of Jehovah's witnesses that leads to the "little scroll" sovereign proclamation of God's Kingdom and Temple guaranteed coming completion as this develops in Revelation 10;

4. That is carried out in the final divine commission of the Revelation 11 second "two witnesses" final warning and invitation that leads to Temple and Kingdom completion and eventually to Armageddon as the 8th King system is also at zenith;

5. That is why this fraudulent "Governing Body" is diverting attention away from this truth to falsehoods since 1990, to aid the development of the 8th King globalist system and the misleading of Jehovah's witnesses for a coup-de-grace event with their globalist 8th King owners;

6. That is why God must terminate the tenure of the Governing Body as the "man of lawlessness"; (Zech3:4-7; Hos1:4-7; 2Thess2:3-12)

**Key GB Prophetic Diversion and Coverup in Jehovah's Witnesses Organization: 3rd "Disgusting Thing" UN "Placement" (1990-1991) as UNNGO - Covered Up While it was Fulfilling and After;**
Here are the key principles to use to reason with others who may be able to comprehend that this is a great biblical development we are seeing with prophetic clues provided by God;

This is biblical prophetic detail that we can compare to a unique "symphony" of developments and conditions that cannot be simply "coincidental" at this critical 1990 point in also human history of the "disgusting thing" development also converging in a manifestation all at the same time;;

We have to keep in mind we have a truth framework that did not complete in 1990, truncated at that point to simply bypass a whole temple and kingdom completion cycle of prophecy to simply wander off to GT as per "man of lawlessness" misleading; MUCH has actually fulfilled in relation to the 8th King globalist "king north" system since 1990;

Prophetic Cover Up

1. We have a continuum of Kingdom and temple prophecy that must complete and is currently being bypassed by the XGB; BUT we also have a continuum of the rival defiant UN "kingdom" "disgusting thing" as well, that is being covered up as to it's fulfillment of key modern 1990 prophecy;

2. 1990 was critical in the continuation of the Bible's prophetic tracking framework of the rival kingdom, 8th King UN system continuum which relates to the divine kingdom-temple prophecy developments;

3. By that awareness of active prophetic development we would also be better aware of God's Kingdom and temple prophetic details as nearing significant developmental activation as well - the temple judgment would be understood by JWs rather than covered up by the UN XGB;

THAT IS WHAT THIS XGB DIVERSION IS ATTEMPTING TO SEVER THE AWARENESS OF;

Transgression Cover Up

1. By covering up the 8th King UN developments (Dan11:30-31) since 1990 this prophetic continuum has been severed temporarily;

2. We are being misled regarding the critical fulfillment of Daniel 11:30-31;

3. It is being subverted as if the following features of that actual 1990 UN fulfillment has no bearing on Daniel 11:30-31, by sticking to former USSR errors that the post Cold War developments have rendered inaccurate:

A. Daniel 11:30-31a: An infiltration of the Jehovah's Witnesses organization by "spiritual arms" "standing up" "proceeding from him" (the 8th King UN system world planners) leads to temple profanations; (Also Daniel 8:12)

B. Daniel 11:31b: The 1991 WTBTS/XGB 3rd United Nations "placement" of the "disgusting thing" is the key adultery and temple profanation;

C. The XGB temple profaners are identified as a teamwork effort with the globalist rival "disgusting thing" UN engineers and supporters;

UN Disgusting Thing Cover Up

1. All that critical Daniel 8:11-14 and Daniel 11:30-31 fulfillment is bypassed as the Nazi Germany error, even though Nazi Germany had nothing to do with Anglo-elite world government (UN disgusting thing), and cannot fulfill a UN "placement" which they were non-existent for when it was placed in 1945, there was no Nazi Germany in power at that time;

2. This breaks this "disgusting thing" developmental continuum of the defiant 8th King modern UN system shown below from historical roots in modern history and Bible prophecy in actual continuum after two known UN related "placements" that are part of our prophetic truth framework being bypassed in purposeful error:

Placement 1 of 4. Post WW1; 1919 - The League of Nations was placed as "disgusting thing"; (Fulfilled Revelation 13:11-15; Matt24:15; Dan12:11)

Placement 2 of 4. Post WW2; 1945 - The United Nations was placed as "disgusting thing"; (Fulfilled Revelation 17:8-10 "abyss" rise)

The XGB are attempting to bypass this:

Placement 3 of 4. Post Cold WW3; 1990 - The United Nations (New World Order directive) was placed as "disgusting thing"; (Fulfilled Daniel 11:31; See Awake! 9/8/1991 for UN General Assembly speeches placing this "disgusting thing" in the world AND the WTBTS Bethel "temple")

The Key Bypass Diversion

1. This third placement is what has been bypassed by the "lawless one" operatives in the XGB since it's 1990 fulfillment, WHILE they aid the placement of this "disgusting thing" in the "temple of the God" by affiliate UNNGO promotions;

2. As we see this deception truncates and covers-up the easy to see triple phased "disgusting thing" continuum over time and prophecy of the "disgusting thing" in modern times critical manifestation;

3. 1990 was a KEY manifestation of the United Nations after WW3 Cold War; It changes all of Daniel 11:27-45 understanding when that occurred as the USSR failed Daniel 11:36 fulfillment! That of course affects Daniel 11:30-31 because as the USSR went down, the 8th King "disgusting thing" stood up!

XGB Main Cover-up

1. This XGB wants to make people and Jehovah's witnesses believe that is of no consequence prophetically, that is not significant, onward with the USSR applied to Daniel 11:36-43!

XGB Shares Transgression
1. The XGB does this all WHILE they themselves support that 3rd UN rise, by promoting the 3rd "placement" of the UN themselves for 10 years - not saying a peep about this prophetic significance and fulfillment!

2. It is critical because this "disgusting thing" development is ongoing and this continuum of "disgusting thing" manifestations fulfilling prophecy is to be prophetically followed by a final "placement" in the future as per Daniel 8:25 "stand" and Daniel 11:45 "palatial tents placement";

3. THAT IS THE CONTINUUM THE XGB IS TRYING TO CONCEAL, BECAUSE IT LEADS TO MORE ENLIGHTENMENT - AS IT EXPOSES THE XGB AS 8TH KING OPERATIVES AS WELL;

   **Placement 4 of 4.** Post WW4; Future - the United Nations (under whatever name it may be called at that time) will place as "disgusting thing" "image" and final 8th King zenith world government "king north" upon the multi-national subservient "king south" collective of 200 nations; (Daniel 11:42-43 is Revelation 17:12-18 (Rev16:13-16) apex development resulting in this super-sovereign globalist "scarlet wildbeast" world power zenith;)

   4. It is also critical because anyone supporting this obvious truth by cover up is obviously lawless traitors like the Governing Body vessel of the "man of lawlessness" right in "the temple of the God" live and real-time;

   5. THAT is a key signal of temple judgment to come! (2Thess2:3-4)

(2 Thessalonians 2:3) 
Let no one seduce you in any manner, because it (judgment; starts with temple) will not come unless the apostasy comes first and the man of lawlessness gets revealed

**A. NOW BOTH conditions are fulfilled in initial form publicly;**

(2 Thessalonians 2:4) He is set in opposition and lifts himself up over everyone who is called “god” or an object of reverence, so that he sits down in the temple of The God, publicly showing himself

**Temple Transgressors**

1. In these multiple cover-ups and XGB allegiance to the United Nations, the temple "transgression causing desolation" (Dan8:13) is fulfilled by this now obvious XGB based "man of lawlessness" in "the temple of the God" in modern fulfillment in the temple completion cycle;

*The XGB associated the "Israel of God" as a United Nations member organization;*

A. That continuum to the revealing of the "lawless one" "in the temple" is also being bypassed by the XGB;

B. The Bible foretells EVERY placement of the "disgusting thing that causes desolation", **all four "stands"** of this defiant kingdom to apex finale; (1)Rev13:11-15; (2) Rev17:8-10; (3) Daniel 11:31; (4)Daniel 8:25;11:45

C. The Bible foretells the nature of the "temple" "transgression" as also "causing desolation", connecting it to the UN "disgusting thing" by the desolating effects it will have soon to climax and JW temple judgment amidst 8th King planned attacks worldwide on the "established place" in the near future; (Dan8:11; Zech3:2; Isa12);

D. We see the XGB "man of lawlessness" is seated "in the temple of the God" profaning the temple system and priesthood as per Daniel 11:30-31; Daniel 8:11-14; Zechariah 3;

2. THAT is what these rogues in the XGB are covering over, subverting and fulfilling as they "throw truth to the earth" - in cover-up and diversion of Jehovah's witnesses *and* our world audience; (Daniel 8:12)

3. And we see from that globalist "small horn" Anglo-American maturation in Daniel 8:11-25, and Daniel 11:30-31 as an inclusive "they" (XGB and UN) in *they* will certainly place the disgusting thing that causes desolation", that the "man of lawlessness" originates from globalist sources of infiltration and *works in tangent with them* from inside the "temple";

*The XGB UN rats are in the temple now working globalist 8th King objectives;*

**The Main Symphony of Diversion**

1. The XGB is NOT interested in Bible prophecy to expound, but to fulfill the "lawless one" goals and JW temple transgression by actions in 1991 in support of the UN "wildbeast" "disgusting thing" placed and infused into the the written "constant feature" of the Awake! and The Watchtower for world ministerial promotions of the United Nations "New World Order" since 1991;

2. The XGB is not going to expound the meaning of Daniel 8:11-14 or Daniel 11:30-31 because they are incriminated in those fulfillments;

3. Adding to this dynamic is covering over prophetic significance they well know they are taking sinister part in;

4. And this all converged as Fred Franz was incapacitated and died; The rest of the genuine anointed were shut-up as this progressed fulfilling 2Thess2:7's removal of divine placed "restraint" from the lawless one's operation sin the Jehovah's Witnesses organization;

*The XGB of today is 100% lawless operatives;*

**The Actual Fulfillments**

(Daniel 8:11-14)

11a And all the way to the Prince of the army it put on great airs, and from him the constant feature was taken away,
That has been taken away by being rejected by God do to these pollutions;

11b and the established place of his sanctuary was thrown down.

That will apex soon, but even now the organization is also rejected by God due to spiritual profanations supporting in fulfillment Daniel 11:30-31 and Zech3:1-3;

12a And an army itself was gradually given over, together with the constant feature, because of transgression:

In other words because of these gross sins the Jehovah's Witnesses ministry and sacrifice to God has progressively fallen under the control of the "small horn" globalist operatives organization wide

12b and it kept throwing truth to the earth, and it acted and had success.

This operation is successful, and the cover up is stifling the truth by bypassing the actual Biblical fulfillment now clearly seen in historical developments of this transgression in blatant operations in the Governing Body of Jehovah's Witnesses since 1990 and the UNNGO "adulteries" and profaning infusion into Jehovah's Witnesses sacrifices worldwide;

13 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant feature and of the transgression causing desolation, to make both the holy place and the army things to trample on?”

This trampling and "desolation" will also apex due to this "transgression", but is currently since 1990 manifested fully performed initially covertly by rendering Jehovah's witnesses in the "befouled garments" at the current temple inspection court of Zechariah 3:1-3; (Mal3:1-5)

14 So he said to me: “Until two thousand three hundred evenings and mornings; and the holy place will certainly be brought into its right condition.”

That is a timed divine period to attain temple purity by divine discipline of allowing the "established place of the sanctuary" to be "thrown down" to a fullness of the divine allowance;

(Daniel 11:30b-32)

30b “And he will actually go back and hurl denunciations against the holy covenant and act effectively;

This "lawless one" infiltration and manifestation of temple transgressions will be successful as it has been from incept;

30b and he will have to go back and will give consideration to those leaving the holy covenant.

At this time in prophecy those in the "holy covenant" cannot be Christendom, so this is a globalist intelligence consideration of Jehovah's witnesses anointed who left the "holy covenant" by transgressions and disloyalty to God, Christ and the Kingdom of God;

31a And there will be arms that will stand up, proceeding from him;

These arms "proceed from" globalist King North powers into the Jehovah's Witnesses organization by covert "invasion" as spiritual "arms that stand up" in the Jehovah's Witnesses temple; (This fulfills also Daniel 11:41) And this has a progressive apex of operations as per Daniel 8:23 "transgressors act to a completion";

31a and they will actually profane the sanctuary, the fortress, and remove the constant [feature].

That i first by sins and cover-up and infusing "wormwood" and error into the Jehovah's Witnesses teachings; That too is progressive to a culminating climax;

31b “And they will certainly put in place the disgusting thing that is causing desolation.

The "disgusting thing" was placed before the UN General Assembly as a third world placement of the United Nations in 1990; In 1991 the XGB "lawless ones" also placed the "disgusting thing" in the Jehovah's Witnesses organizational temple;

32 “And those who are acting wickedly against [the] covenant, he will lead into apostasy by means of smooth words.

And that indicates this XGB led apostasy has progressively spread organization wide in Jehovah's witnesses;

Spread the News, the XGB is Targeted for Removal by God after their coup-de-grace "GT Hoax" attempt on the JW org and JWs soon with the next globalist world event cycle (Hos1:4-7)
Deceptions and Treason

Final Warning and Invitation

1. Firstly for your overview, there is a complete temple completion cycle prophetic replication in the near future;

2. In this final fulfillment mode replication the proclamation of the "two witnesses" "little scroll" is a final divine Sovereign Ultimatum and a Temple Proclamation prior to Armageddon that leads through the final period to the Kingdom-Temple completion of the 144000 with Christ set as King-Priest Temple Coronation; (Zech4; Zech6:1-15; Psalm 110 finality; Rev10-11)

3. It is a final divinely empowered global announcement (Zech4:6-9) to the world's sovereigns and peoples in invitation and final warning of the guaranteed completion of the Kingdom and Temple divine powers as sovereign and priestly authority respectively in all 144000 under Christ the Messianic Kingdom King of kings;

4. The battle of Armageddon is what follows this final proclamation resolving the issue of sovereignty on planet earth forevermore;

Judgment Starts with the House of God

1. This will be backed as 1Peter4:17 has been activated, completed and fulfilled in the preliminary temple judgment period of Daniel 8:14, 26, after the current inspection (Mal3:1) to a temple cleansing; (Jer25:29; Eze9:6; Mal3:1-5; Zech3)

2. This Daniel 8:11-14 signal temple judgment will provide assured preliminary evidence the final kingdom/temple completion cycle has begun over a number of years;

3. This entire temple judgment and cleansing commencement is Revelation 8:2-5 in "altar fire" cleanse as per Isaiah 6 cleansing of Isaiah prior to his commission; (Ex30:1-10; Eze10)

Recovery to Final World Ministry

1. In this period the "seven trumpets" of Revelation 8-11 activate in order over time progressively from and through this temple judgment to herald judgment and enlightenment to Jehovah's witness priority first then to the world as the seven bowls of Revelation 15-16 parallel this series;

2. This results in the divinely cleansed Jehovah's witnesses "temple" anointed and extended ministry to the world in a final series;

3. This temple recovery is progressive over six trumpets with full divine enlightenment leading to the final "little scroll" full "intake" (Rev10) and the final world Christian ministerial commission through Jehovah Almighty God and Christ Jesus as the second "two witnesses" 1260 day cycle of Revelation 11;

4. Thus leading to the "seventh trumpet", the Messianic Kingdom of God under Jesus Christ in completion and absolute universal power; (Rev11:15-18)

5. The Temple is also completed in Christ Jesus over a completed 144000; (Rev11:11-12, 19)

1. That leads from temple judgment (Dan8:14 2300 "evenings and mornings") over an unknown recovery period of six trumpets; (Rev8:6-13; Rev9:1-21), to the "little scroll" understood and "eaten" for the divine ministerial commission of the 1260 days final fulfillment mode of the "two witnesses";

2. This will complete the divinely decreed "seven times" in 2520 days (seven times 360 days) from 1914-1918 with this additional 1260 day period; (Rev11:2-3; Dan7:25; Dan 12:7)

3. This means all places with that "time, times and half a time" (3.5 time) "signature" also repeat to the divine mandated "seven times" explicitly or in principle related to the original context shown in Daniel 7:25; Daniel 12:7; Revelation 11:2-3; Revelation 12:6, 14; Revelation 13:5;

Temple and Priesthood Required Purification

1. Daniel 8:11-14 is a temple judgment and cleansing related to the Zechariah 3:1-10 temple priestly temple court judgment and cleansing that must occur as in Malachi 3:1-5 before final commission as also pictured in Revelation 8-11 (parallel to revelation 15-16);

Governing Body of Jehovah's Witnesses Modern Man of Lawlessness in the Final Temple Cycle

1. This inspection, judgment and preliminary arrival is to clear the Jehovah's witnesses "temple of the God" of "lawless ones" and of the "befouled garments" of real sins that the "man of lawlessness" has been committing in the Jehovah's witnesses organization for 20 manifested years in United Nations official organizational relationships; (Matt13:41; Zech3:1-3; 2Thess2:3-12; 2Cor11:13-15)

2. Many compounding and spreading actual willful sins of adultery, reproach, stumbling, transgression of commandments and covert slander and blasphemy have been committed by the Governing Body of Jehovah's Witnesses in covert globalist 8th King operations to support the "scarlet wildbeast" United Nations "disgusting thing";

3. They have led an infiltration pictured in Revelation 8:6-12 "1/3" symbology of the entire Jehovah's Witnesses worldwide organization that resulted in a massive temple inspection, judgment and cleansing removal of the core purposeful profaners and transgressors working undercover in the Governing Body and throughout the Jehovah's Witnesses worldwide organization; (2Cor11:13-15; Zech3:1-7);

4. The awareness by Jehovah's witnesses of this entire prophetic continuum has been severed also at the 1990 period of United Nations related adulterous transgressions;

Governing Body Led Coverup and Lawless Fulfillment of Key Prophecy

1. Instead of noting the "transgression causing desolation" in that 1991 UN-NGO affair relevant to the temple transgressions and Jehovah's witnesses "army" compromised (Dan8:12; Dan11:30b) to 8th King control in Daniel 8:11-14 by that United Nations aiding third placement of the "disgusting thing" in the world and Bethel "temple" sacrifices fulfilling Daniel 11:30-31, the Governing Body of Jehovah's Witnesses covered up these self-incriminating and highly significant prophecies,
while working for (worshiping) the "wildbeast" system for ten secretive years of covert profanation;

2. They do this by continuing the erred illusion that Nazi Germany fulfills Daniel 8:11-14 and Daniel 11:30-31; But it is the Governing Body and the Watchtower Bible and Tract Society (Bethel) with the United Nations 8th King powers that fulfills those scriptures;

3. All of Hosea foretells these developments in modern day Bethel heavy transgressions as the "established place" of the "man of lawlessness" “sitting down” in the temple of the God;”

**Actual Biblical Fulfillments Since 1990 United Nation Third Placement**

1. Nazi Germany was inoperable by May 1945 before the October 1945 placement of the United Nations so cannot be included in the Daniel 11:30-31 progression;

2. The Russians (or USSR) did not create the concept of the Anglo-American engineered "United Nations" globalist elite world governmental "image" (Rev13:11-15) so cannot as well be involved in it's placement in 1945 allegedly fulfilling Daniel 11:30-31;

3. That was all fulfilled in 1990 in the 3rd United Nations world "placement" in "New World Order" proclamations by the two-horned-wildbeast as it's 8th King system as both comprise the actual globalist "King of the North"

4. Daniel 8:11-25 thus parallels this Daniel 11:30-45 progression as globalist 8th King "scarlet wildbeast" zenith progression, not the current Governing Body illusions of national powers in World War 2;

**Governing Body Works United Nations Goals**

1. The Governing Body are the tandem partners with the 8th King United Nations as “they will certainly place the disgusting thing that causes desolation” (Dan11:31b) as they did in 1990 in the world placement and 1991 in the Governing Body aided initially covert Bethel temple placement that went public with the 911 world events;

2. Thus the Governing Body of Jehovah's Witnesses covertly and internally aids the globalist 8th King powers to create this sin complex in Jehovah's Witnesses organization;

3. Thus the Governing Body of Jehovah's Witnesses lead the cover up of the actual prophecies being fulfilled since 1990 regarding globalist 8th King world developmental significance leading to Armageddon;

**Actual Temple Judgment Near**

1. The rectification of Daniel 8:11-25 and Daniel 11:30-45 will be accomplished when the Governing Body is neutralized in the coming temple judgment of Daniel 8:11-14 on Jehovah's Witnesses' "established place of the sanctuary" in the worldwide organization of Jehovah's Witnesses; (Hos1:4-7; Zech3:4-7)

**Seven Times is a Divine Decree of Great Importance**

Also at: http://templelijah.wordpress.com/basic/seven-times-must-complete/

1. A point of reasoning is in the "seven times" decree of Daniel 4:16, 23, 25, 32 as a Divine requirement that must be completed as seven full "times";

2. The Divine purpose of this prophecy is to identify God's sovereign anointed selection and the Divine decree of timing as the angels carry this out as "watchers": (Daniel 4:23-24) ... until seven times themselves pass over it.” 24 this is the interpretation, O king, and the decree of the Most High (Almighty Sovereign Lord Jehovah);

A. This is NOT optional; This is required;

(Daniel 4:16-17) ... let seven times pass over it. 17 By the decree of watchers the thing is, and [by] the saying of holy ones the request is, to the intent that people living may know that the Most High is Ruler in the kingdom of mankind and that to the one whom he wants to, he gives it and he sets up over it even the lowliest one of mankind.”

3. In the ultimate case it is Christ based on the Davidic Covenant Jerusalem is the symbol of this Sovereign appointment;

*The point is the 'seven times' are very important to respect as a divine decree and an identification indicating God's appointed sovereign agency in time as this completes;*

**Reasoning Point 1**

1. The times of Daniel 7:25, 12:7 and Revelation 11:2-3 is 3.5 times fulfilled so far;
A. That is only half of the divine requirement;

B. That is only half the divine decree purposed and promised;

2. Revelation 11:2-3 makes certain that time period applies to Jerusalem in the final fulfillment meaning:

(Revelation 11:2-3) But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. (3.5 times) 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days (3.5 times) dressed in sackcloth.”

The point of reasoning and logic is:

1. That period of trampling must complete as "seven times";

2. That "seven times" completion must and will occur in the near future;

3. That "holy city" of Revelation 11:2 is symbolic of Jerusalem and God's Sovereign appointed agency;

4. Christ makes that connection for the Daniel 4:16-32 "Jerusalem" "seven times";

5. This is determined by prophecy and history as 7 ("times") multiplied by 360 days per lunar year for a total 2520 units;

6. That 2520 units are 2520 years since the destruction of Jerusalem in 607 BCE to the end of the "appointed times of the nations" in 1914 CE; (Eze4:6-7)

(Luke 21:24) Jerusalem will be trampled on by the nations, until the appointed times of the nations are fulfilled.

7. That connects to this "holy city" in final fulfillment:

(Revelation 11:2-3) ...they will trample the holy city underfoot for forty-two months.

A. That occurred in the 1914-1918 initial minor fulfillment;

That Divine prophetic period MUST replicate to completion;

Reasoning Point 2

1. The 2520 years "seven times" ended in 1914 CE at the approximate beginning of the "3.5 times" in 1260 days of Revelation 11:2-3 in the 1914-1918 World War 1 persecution;

See that signal transition?

That is an important connection in prophecy;

2. That means the 1260 days already fulfilled in 1914-1918 as a world signal must complete as 2520 days in the future;

3. A complete "seven times" of "holy city" "trampling" as symbolic of God's anointed brothers of Christ is the Divine decree;

4. That start point of 2520 days, was signaled by the ending of the 2520 years in 1914;

5. Thus the 2520 year "appointed times" period ended as the 2520 day FINAL warning period began;

That is the Kingdom Sovereign Foundation Proof from the Bible

1. That foundation of divine truth of prophecy and the beginning of the final decreed "times" of warning in days is the basis of the Divine world ministry of the "two witnesses" first fulfillment, intervening Sovereign warning and invitational period, and last fulfillment of the near future which is the completion of God's Kingdom and universal conquest;

2. This foundation of Divine decree prophetic proof is the basis of the foretold divine sovereign proclamation of God's Kingdom to the entire world by Jehovah's Christian Witnesses;

3. That "seven times" and FINAL Sovereign Proclamation of God's Kingdom will complete the final 1260 days required SOON;

4. 1260 days plus 1260 days as 2520 days decreed by God for a full "seven times" 2520 days FINAL WARNING PERIOD in the Lord's Day of Revelation 1:10 beginning in 1914 and ending soon is what this means;

This cannot be obstructed from full completion and what it implies; The end of the world of the rival sovereign humans and demon systems; Rev19:11-21; Rev20:1-3;

===

Obviously the current GB is not only not teaching this truth, they are covering it up since their 1990 union with UN globalists as operatives as "man of lawlessness" that ALSO must manifest in the second cycle of prophecy at Kingdom completion and final temple inspection;
Part 2

Temple 144000 - Final Fulfillment Cycle Soon; Some Elements That Must Repeat

The Implication is a Prophetic Temple Completion Replication Cycle Activates Soon

1. This prophetic temple replication cycle of the near future in the guarantee of "seven times" (See here; Seven Times Must Complete) implies all former prophetic elements of the 1914-1918 initial temple foundation cycle fulfillment must also repeat in a final fulfillment mode of temple completion in the near future;

These Features Also Repeat to Finality

Divine Final Inspection and Judgment

1. The FINAL temple inspection, judgment and cleansing repeats soon to temple completion finality;
2. That starts with this unique temple judgment signal of desolation on Bethel and Jehovah's Witnesses worldwide organization; (1Pet4:17; Dan8:11-14; Zech3:1-6)
3. 1Peter 4:17 is the priority of judgment activation FIRST upon Jehovah's witnesses;

Temple Inspection and Befouled State

1. This developing temple priesthood finality of the 144000 completing is preceded by the final repeat fulfillment of the temple court inspection and judgment of Zechariah 3:1-3;
2. This surprise covert temple inspection of Jehovah's Witnesses anointed finds a current "befouled garments" state upon the Christian anointed "temple priesthood" due to transgression; (Zech3:1-3 Parallels Mal3:1-2);
3. This temple is in inspection now;

Temple Cleansing Requirement

1. The required cleansing of the "temple priesthood" is indicated at 1Peter4:17 starting judgment cycle as per Zechariah 3:4-6 purification;
2. The "temple transgression" of this initiating temple inspection/judgment cycle is identified at Daniel 8:11-12;
3. Those crimes are in relation to developments "in the Temple of the God" (2Thess2:3-4) identified at Daniel 11:30-31 as purposeful adulterous profanations of Jehovah's witnesses in 1990 approximate time;
4. These transgression were performed by the Governing Body of Jehovah's Witnesses;

Man of Lawlessness Repeats

1. The "man of lawlessness" temple polluting infiltration (Dan8:12; 11:30; 11:41) repeats as well in this replication cycle now activating;
2. This "lawless one" is now being revealed prior to this temple judgment carried out; (2Thess2:3-4) and is the main target of removal from God's temple in this replicating final pattern to perform temple purification;
3. That has already occurred by the Governing Body "lifting himself up over everyone" as the Governing Body of Jehovah's Witnesses now claiming the pre-approved sole "Faithful and Discreet Slave" title to the exclusion of all anointed;

Governing Body as United Nations Ambassadors to the World

1. The Governing Body also placed the "disgusting thing that causes desolation" in 1991's Awake! September 8th United Nations issue as world promoters of the United Nations, supporting organizations, and books;
2. The Governing Body acted as a United nations Non-Governmental Organization as Department of Public Information ambassadorship and agents for world proclamation of the United Nations 3rd world placement starting in 1991;
3. The Governing Body continued this covert relationship for 10 years in their other official global journals of their partisan support of the United Nations third "placement" in history in 1990, and at Bethel in 1991; (This fulfills Daniel 11:30-31 explicitly)
4. The Governing Body of Jehovah's Witnesses then joined the Watchtower Bible and Tract Society as the main "governmental body" legislative unit of the "Israel of God" as an organization of the United Nations;
Governing Body Diversion and Coverup

1. The Governing Body of Jehovah's Witnesses then covered up that fulfillment of Daniel 11:30-31 in 1990-1991, concealing that they are part of in the "transgression causing desolation" of Daniel 8:11-14 by interpretive subterfuge;

2. Although the dissolution of the USSR after the "cold" World War 3 invalidated their fulfillment as King of the North in Daniel 11:32-43, the Governing Body continued to teach this ignored error to cover up their union with the United Nations;

3. Temple Inspection has Reveled the Duplicitious and Deceptive Activities of the Governing Body of Jehovah's Witnesses

Governing Body Indicted

1. And there you have the main actions and sins identifying the "man of lawlessness" in final fulfillment temple judgment cycle that will require Daniel 8:11-14 to fulfill 1Peter4:17 as a Divine temple judgment;

2. This is the final clean-out upon the "established place of the sanctuary" as the Bethel worldwide organization of Jehovah's Witnesses takes a timed desolation as per Daniel 8:14 to account for these developments and to fulfill guaranteed prophecy upon a demonstrated former pattern in 1914-1918;

Final Prophetic Replication of the 1260 Days to Completion

The Final 7 Trumpets and Kingdom/Temple Completion Follow

1. Thus the final temple judgment cycle will fulfill parallel to Revelation 8:2-5 "altar fire" cleanse;

2. That will activate four trumpets to Jehovah's witnesses as we are plunged into the Revelation 9:1-4 abyss of Divine judgment by globalist attack worldwide; (Hos1:4-7)

3. The recovery of Jehovah's witnesses in temple purification after the Daniel 8:11-14 1150 day minimum timed cycle is the fifth and sixth trumpets of the final temple drive (Rev9:1-21) and world ministry leading to the final divine commission of the "two witnesses"; (Rev10-11)

4. That is the final 1260 day replication as the final world warning and Sovereign proclamation period of God's Kingdom to guaranteed completion prior to Armageddon;

5. The globalist 8th King "King of the North" system will be in a parallel development as in 1914-1918 in this continuum to Armageddon;

Final Thoughts

The Red Pill

As Jehovah's witnesses the BIBLE must be the basis of TRUTH; If we lose that ability to reason from the Bible, then problems will arise, BIG problems are coming;

====

The Bible Logic

On careful examination it is obvious the USSR cannot "be successful until the denunciation will have come to a finish" and cannot fulfill Daniel 11:36, or the rest for that matter; (Your Will be Done addressed this while the USSR was active, the Daniel Prophecy book bypasses this sentence entirely in Daniel 11:36; chap. 16 pp. 275-276)

They bypass this very important line of prophecy because the USSR cannot fulfill it, but they want JWs believing it is all valid, it is a diversion of what Daniel 11:30-43 is REALLY about, globalist King North activities since 1990)

And that just happens to be the 3rd placement of the UN "disgusting thing" after the cold WW3 as well;

(Who can ignore these things? ONLY purposeful operatives playing dumb with a further agenda, that is who ignores the 3rd placement of the UN in 1990; (Awake! 9/8/1991))

That is because the King North is the globalist 8th King system that the GB is covering for, and is also the main development of the "small horn" in the Daniel 8:11-14 temple transgression as infiltrators as an "army (of JWs) is gradually given over" to globalist control as per Daniel 11:30; (Dan8:12 is also Daniel 11:41, and that is progressive to final coup soon;

Same Sovereign Container = 8th King "North" Apex Globalists

They are all the same progression, Daniel 11:30-45 is also Daniel 8:11-25 relevancy of the globalist final 4th placement in world history at Daniel 8:25 and 11:45;

There is NOT going to be "four fronts" of JW attack as per Dan8:25; 11:45; Rev19:19-21 and Eze38;

Those are ALL the same globalist 8th King attack with Gog as King of the North Sovereign Juggernaut of all time that Christ wipes out in one sovereign defiant container;
Temple Judgment in Final Completion Progression

What is coming is NOT the end, but the beginning of the next globalist 10 years world development cycle through WW4 to depose BTG and national sovereignty worldwide;

And THAT is why they want to retire the JW world organization, so no one sees all four stands of the UN globalist system, in 1919 WW1, 1945 WW2, 1990 WW3 and the final stand a number of years from now;

That is why the keep JWs hanging at Daniel 11:43, which has NOT fulfilled in the USSR, they want to coup the JW system in the next HUGE globalist world cycle of terror and war developments to create the WW4 stage for the final UN 4.0 placement as image AND as world sovereign global government;

But God has already outlined what will actually take place after the GB are purged as well, in this final desolation, with their infiltration operation;

What is coming on the JW org is a temple judgment, NOT the end of it all, but the beginning of the final replication cycle leading to the Revelation 11 second witnessing of the "two witnesses";

Hence, TWO "witnesses"

It must equal "seven times" as 2520 days in Revelation 11 completion; The 1260 days must replicate as 3.5 times again, completing "seven times" as per divine decree;

Divine Update After Desolation

This respects our 1914-1918 foundation of temple, and merely continues at 1990's imposter GB diversion point, and updates JWs to reality through this desolation drive that God cuts off after Dan8:14 runs it's course as Zech3:4-7 purifications at Hosea 1:7 angelic covert strike on these globalists attacking JWs from within and without;

SOON!

Keep an open mind there and spread the REAL news!!! This will hit soon, and it's going to hit HARD;

Temple 144000 - Final Fulfillment Cycle Soon; Some Elements That Must Repeat

http://templelijah.wordpress.com/basic/temple-elements-that-must-repeat/

The Implication is a Prophetic Temple Completion Replication Cycle Activates Soon

1. This prophetic temple replication cycle of the near future in the guarantee of "seven times" (See here; Seven Times Must Complete) implies all former prophetic elements of the 1914-1918 initial temple foundation cycle fulfillment must also repeat in a final fulfillment mode of temple completion in the near future;

These Features Also Repeat to Finality

Divine Final Inspection and Judgment

1. The FINAL temple inspection, judgment and cleansing repeats soon to temple completion finality;
2. That starts with this unique temple judgment signal of desolation on Bethel and Jehovah's Witnesses worldwide organization; (1Pet4:17; Dan8:11-14; Zech3:1-6)
3. 1Peter 4:17 is the priority of judgment activation FIRST upon Jehovah's witnesses;

Temple Inspection and Befouled State

1. This developing temple priesthood finality of the 144000 completing is preceded by the final repeat fulfillment of the temple court inspection and judgment of Zechariah 3:1-3;
2. This surprise covert temple inspection of Jehovah's Witnesses anointed finds a current "befouled garments" state upon the Christian anointed "temple priesthood" due to transgression; (Zech3:1-3 Parallels Mal3:1-2);
3. This temple is in inspection now;
**Temple Cleansing Requirement**

1. The required cleansing of the "temple priesthood" is indicated at 1Peter4:17 starting judgment cycle as per Zechariah 3:4-6 purification;

2. The "temple transgression" of this initiating temple inspection/judgment cycle is identified at Daniel 8:11-12;

3. Those crimes are in relation to developments "in the Temple of the God" (2Thess2:3-4) identified at Daniel 11:30-31 as purposeful adulterous profanations of Jehovah's witnesses in 1990 approximate time;

4. These transgression were performed by the Governing Body of Jehovah's Witnesses;

**Man of Lawlessness Repeats**

1. The "man of lawlessness" temple polluting infiltration (Dan8:12; 11:30; 11:41) repeats as well in this replication cycle now activating;

2. This "lawless one" is now being revealed prior to this temple judgment carried out; (2Thess2:3-4) and is the main target of removal from God's temple in this replicating final pattern to perform temple purification;

3. That has already occurred by the Governing Body "lifting himself up over everyone" as the Governing Body of Jehovah's Witnesses now claiming the pre-approved sole "Faithful and Discreet Slave" title to the exclusion of all anointed,

**Governing Body as United Nations Ambassadors to the World**

1. The Governing Body also placed the "disgusting thing that causes desolation" in 1991's Awake! September 8th United Nations issue as world promoters of the United Nations, supporting organizations, and books;

2. The Governing Body acted as a United nations Non-Governmental Organization as Department of Public Information ambassadorship and agents for world proclamation of the United Nations 3rd world placement starting in 1991;

3. The Governing Body continued this covert relationship for 10 years in their other official global journals of their partisan support of the United Nations third "placement" in history in 1990, and at Bethel in 1991; (This fulfills Daniel 11:30-31 explicitly)

4. The Governing Body of Jehovah's Witnesses then joined the Watchtower Bible and Tract Society as the main "governmental body" legislative unit of the "Israel of God" as an organization of the United Nations;

**Governing Body Diversion and Coverup**

1. The Governing Body of Jehovah's Witnesses then covered up that fulfillment of Daniel 11:30-31 in 1990-1991, concealing that they are part of in the "transgression causing desolation" of Daniel 8:11-14 by interpretive subterfuge;

2. Although the dissolution of the USSR after the "cold" World War 3 invalidated their fulfillment as King of the North in Daniel 11:32-43, the Governing Body continued to teach this ignored error to cover up their union with the United Nations;

3. Temple Inspection has Revealed the Duplicitous and Deceptive Activities of the Governing Body of Jehovah's Witnesses

**Governing Body Indicted**

1. And there you have the main actions and sins identifying the "man of lawlessness" in final fulfillment temple judgment cycle that will require Daniel 8:11-14 to fulfill 1Peter4:17 as a Divine temple judgment;

2. This is the final clean-out upon the "established place of the sanctuary" as the Bethel worldwide organization of Jehovah's Witnesses takes a timed desolation as per Daniel 8:14 to account for these developments and to fulfill guaranteed prophecy upon a demonstrated former pattern in 1914-1918;

**Final Prophetic Replication of the 1260 Days to Completion**

**The Final 7 Trumpets and Kingdom/Temple Completion Follow**

1. Thus the final temple judgment cycle will fulfill parallel to Revelation 8:2-5 "altar fire" cleanse;

2. That will activate four trumpets to Jehovah's witnesses as we are plunged into the Revelation 9:1-4 abyss of Divine judgment by globalist attack worldwide; (Hos1:4-7)

3. The recovery of Jehovah's witnesses in temple purification after the Daniel 8:11-14 1150 day minimum timed cycle is the fifth and sixth trumpets of the final temple drive (Rev9:1-21) and world ministry leading to the final divine commission of the "two witnesses"; (Rev10-11)

4. That is the final 1260 day replication as the final world warming and Sovereign proclamation period of God's Kingdom to guaranteed completion prior to Armageddon;

5. The globalist 8th King "King of the North" system will be in a parallel development as in 1914-1918 in this continuum to Armageddon;

Divine Update After Desolation

This respects our 1914-1918 foundation of temple, and merely continues at 1990's imposter GB diversion point, and updates JWs to reality through this desolation drive that God cuts off after Dan8:14 runs it's course as Zech3:4-7 purifications at Hosea 1:7 angelic covert strike on these globalists attacking JWs from within and without;

SOON!
Interpretational Cover Up;

"gradual" introduction of lawless policies and partnerships over years with various masterful strategies of progression and coverup; (Dan11:30)

2. That prophecy is about control of Jehovah's Witnesses gradually towards another covert purpose and agenda while appearing as if nothing is out of the ordinary by keeping truth to the earth, and it acted and had success. (Daniel 8:12)

And an army itself was gradually given over (to globalist powers), together with the constant [feature], because of transgression; and it manifesting publicly worldwide; (2Thess2:3)

1. The GB (and others) are externally placed operatives in an operation over 50 years old, that required gradual, subtle and steady subversion for the reasons now active.

Lawlessness In Jehovah's Witnesses is an Ominous Red Flag

1. Obviously this "lawlessness one" sin development in Jehovah's witnesses organization by covert engineered means indicates this prophecy is in the bible in two rounds (1914 and the future finale);

2. That prophecy in Daniel 8:14 is timed because it leads to a critical progressive sequence of the first 4 trumpets (Rev8:6-12) after the events of Revelation 8:2-5 hit the JW temple "established place"; (Dan8:12)

3. That will put the JW world organization into the "abyss" state of the desolation of Daniel 8:11

The Prophetic Stopwatch to Temple Purity

1. The start of this JW judgment (1Pet4:17) will be known because it parallels a timed temple purification prophecy in Daniel 8:14 that is also activating parallel with Revelation 8:2-5 when 1Peter4:17 manifests soon;

2. It doesn't take a prophet to know we are talking a HUGE event on Bethel proper that must occur soon, that provides the context of Revelation 8:2-12 to activate in final fulfillment which is the starting temple event of 1Peter 4:17; HUGGE it will be, for a reason to be marked in time;

The Prophetic Fuse to the Bethel Bomb; (Daniel 8:11; Daniel 11:30)

1. When that comes true soon, progressively, but with known major visible start events, so will the rest of the prophecy that must follow this set of developments (1Pet4:17 is Rev8:2-5);

2. That prophecy in Daniel 8:14 is timed because it leads to a critical progressive sequence of the first 4 trumpets (Rev8:6-12) after the events of Revelation 8:2-5 hit the JW temple "established place"; (Dan8:12)

3. That will put the JW world organization into the "abyss" state of the desolation of Daniel 8:11-14 in Revelation 9:1-2;

Temple Timed for a Reason

1. ALL timed prophecy leads somewhere; In the case of Daniel 8:14 and the minimum 1150 days, it does not dead end to nowhere as JW's teach currently about Daniel 8:14 in 1926/1932/1938 error that aids coverup of the current temple profaned state; (Dan8:12b)

2. That is why it can be described now, before it happens, in enough detail, so many can consider it all later, when this activates soon, and to know it takes a number of known years to resolve the JW problems of Revelation 8:10-11 lawless profaning effects on all JWs worldwide and the anointed reputation of "befouled garments"; (Zech3:1-3)

Lawlessness In Jehovah's Witnesses is an Ominous Red Flag

1. Obviously this "lawlessness one" sin development in Jehovah's witnesses organization by covert engineered means indicates this prophecy is in the bible in two rounds (1914 and the future finale);

2. And obviously JWs are NOT being told the whole story, because the GB are not Christian nor anointed, but developed and lead a trend of lawlessness manifested fully since 1990, in shocking degree of severity, to the point of aligning JWs with the UN organizational membership by it's central government body, the "governing body";

Active JW Infiltration

1. The GB (and others) are externally placed operatives in an operation over 50 years old, that required gradual, subtle and steady subversion for the reasons now manifesting publicly worldwide; (2Thess2:3-4) as an ominous prerequisite itself of what will soon follow in temple judgment first; (1Per4:17);

(Daniel 8:12) And an army itself was gradually given over (to globalist powers), together with the constant [feature], because of transgression; and it kept throwing truth to the earth, and it acted and had success.

2. That prophecy is about control of Jehovah's Witnesses gradually towards another covert purpose and agenda while appearing as if nothing is out of the ordinary by "gradual" introduction of lawless policies and partnerships over years with various masterful strategies of progression and coverup; (Dan11:30-31);

Interpretational Cover Up;
2 King 16:15 principle of evening and morning sacrifice counting as 2 sacrifices; hence 2300/2 is 1150 days of temple cleanse of Daniel 8:13

2. We will know positively when this develops, that is why Daniel 8:14, a prophecy that is 1 Peter 4:17 related, is a TIMED prophecy; 1150 days minimum using SOON.

1 Peter 4:17, THAT is what is coming on the JW system of worship, the "established place" of Daniel 8:12

1. Be patient is what this means, and consider this rationale carefully as this progresses to the Bethel desolation that will develop as the STARTING event; Read 1 Thessalonians 5:1-3 "peace and security" they are the same thing, that "peace and security" is "freedom from care";

3. There are 4 placements in world and Bible prophetic history;

4. And importantly that is not next, that will take a number of years to develop;

2. After that world war is the "freedom from care" of Daniel 8:25; Daniel 11:44

1. What this means is another world war will develop, and it will be resolved;

Sequence is Foretold

1. Each of the four "disgusting thing" globalist world governmental stands has one prophecy foretelling it, except for the final fourth stand which is foretold twice, concurrent at Daniel 8:25 and Daniel 11:45 as the same event accompanying the destructive period foretold there; (Dan8:25; 11:45);

2. That is all the SAME 8th King UN related world power, the same world event (Matt24:21) concurrent at Daniel 8:25 and Daniel 11:45 as the same event accompanying the destructive period foretold there; (Dan8:25; 11:45);

GB Covering Up Awareness of this Continuity

1. THAT is what all this continuum the GB is severing on purpose is all about, n misleading JWs, and misleading the world as to how far we are getting to the final stand of the UN system; (Expect a new name, IMO, as well as this progresses over 7 to 14 years; That timing is not opinion, it is Biblical certainty;)

2. Now that the GB says NOTHING about that reality, that Revelation 13:11 foretold the first stand in 1919, Revelation 17:8-11 foretells the second stand in 1945, and Daniel 11:31b foretells the third stand in 1990, this coverup of course breaks the 4 placement continuum of the UN system;

3. Now the GB has successfully severed the continuum from League of Nations 1919, to UN 1945, to UN in NWO mode of proclamation 1990 (Awake! 9/8/1991 proclamation), to the final 8th King placement event that this is leading to over the final prophetic replication;

Principles Being Ignored

1. Each world governmental "disgusting thing" stand is after a world war; Cold world war 3 was the one "different the last time than at the first"; (Dan11:29);

2. Each stand has a separate prophecy about it, the last stand has two as noted;

3. There are 4 placements in world and Bible prophetic history;

What is Being Covered Up by Implication

1. What this means is another world war will develop, and it will be resolved;

2. AFTER that world war is the "freedom from care" of Daniel 8:25; Daniel 11:44-45 final drive;

3. It is parallel to the final 1 Thessalonians 5:1-3 "peace and security" they are the same thing, that "peace and security" is "freedom from care";

4. And importantly that is not next, that will take a number of years to develop;

Patience

1. The current GB/JW interpretation now given concerning Daniel 8:11-14; is IMPOSSIBLE to apply in 1926, 1932, or 1938 to minor organizational refinements;

2. The "transgression causing desolation"; (Dan8:13) is far more serious and modern, and relates to the "disgusting thing causing desolation" (Matt24:15) and that is standing in, and desolating on the JW organization first, not Babylon the Great until much later, (Rev16:12; Rev17:12-18)

3. That error taught by the "man of lawlessness" is a diversion for this reason of setting up the JW organization for planned desolations by globalist intrigues soon, aided by the GB which is all prophecy activating;

United Nation's Organization 1991

1. That is not the whole story either; This Daniel 8:11-14 temple transgression and infiltration has a parallel at the same 1990 key period;

2. The 1990 United Nations (UN) world tour led by George Bush Sr. as two-horned-wildbeast (Rev13:11) globalist spokesman after the cold war with Russia's surrender in effect to the UN powers is the 3rd stand of 4 of the UN system "disgusting thing" (DT) in world history; [1]

Placement 1. After WW1, Rev13:11-15 stand 1, 1919;

Placement 2. After WW2, Rev17:8-11 stand 2, 1945;

Placement 4. After WW4, Dan8:25; 11:45, stand 4, future;

3. That is what Daniel 11:30-31 prophecy is all about, the 1990 3rd placement/stand of an ominous United Nations continuum to Armageddon, that the traitor Governing Body is aiding the coverup of;

4. No wonder the GB rogues of that time silenced Fred Franz and he soon died; (2 Thess2:7-8) and they keep this all mum today playing dumb, as if the failure of the USSR still fulfills Daniel 11:36 - which it cannot;

1. That is the whole story either; This Daniel 8:11-14 temple transgression and infiltration has a parallel at the same 1990 key period;

2. The 1990 United Nations (UN) world tour led by George Bush Sr. as two-horned-wildbeast (Rev13:11) globalist spokesman after the cold war with Russia's surrender in effect to the UN powers is the 3rd stand of 4 of the UN system "disgusting thing" (DT) in world history; [1]

Placement 1. After WW1, Rev13:11-15 stand 1, 1919;

Placement 2. After WW2, Rev17:8-11 stand 2, 1945;

Placement 4. After WW4, Dan8:25; 11:45, stand 4, future;

3. That is what Daniel 11:30-31 prophecy is all about, the 1990 3rd placement/stand of an ominous United Nations continuum to Armageddon, that the traitor Governing Body is aiding the coverup of;

4. No wonder the GB rogues of that time silenced Fred Franz and he soon died; (2 Thess2:7-8) and they keep this all mum today playing dumb, as if the failure of the USSR still fulfills Daniel 11:36 - which it cannot;

Sequence is Foretold

1. Each of the four "disgusting thing" globalist world governmental stands has one prophecy foretelling it, except for the final fourth stand which is foretold twice, concurrent at Daniel 8:25 and Daniel 11:45 as the same event accompanying the destructive period foretold there; (Dan8:25; 11:45);

2. That is all the SAME 8th King UN related world power, the same world event (Matt24:21-22 after WW4), the 8th King/ KingNorth UN total globalist world system by that time; (Rev19:19-21);

GB Covering Up Awareness of this Continuity

1. THAT is what all this continuum the GB is severing on purpose is all about, n misleading JWs, and misleading the world as to how far we are getting to the final stand of the UN system; (Expect a new name, IMO, as well as this progresses over 7 to 14 years; That timing is not opinion, it is Biblical certainty;)

2. Now that the GB says NOTHING about that reality, that Revelation 13:11-15 foretold the first stand in 1919, Revelation 17:8-11 foretells the second stand in 1945, and Daniel 11:31b foretells the third stand in 1990, this coverup of course breaks the 4 placement continuum of the UN system;

3. Now the GB has successfully severed the continuum from League of Nations 1919, to UN 1945, to UN in NWO mode of proclamation 1990 (Awake! 9/8/1991 co-proclamation), to the final 8th King placement event that this is leading to over the final prophetic replication;

Principles Being Ignored

1. Each world governmental "disgusting thing" stand is after a world war; Cold world war 3 was the one "different the last time than at the first"; (Dan11:29);

2. Each stand has a separate prophecy about it, the last stand has two as noted;

3. There are 4 placements in world and Bible prophetic history;

What is Being Covered Up by Implication

1. What this means is another world war will develop, and it will be resolved;

2. AFTER that world war is the "freedom from care" of Daniel 8:25; Daniel 11:44-45 final drive;

3. It is parallel to the final 1 Thessalonians 5:1-3 "peace and security" they are the same thing, that "peace and security" is "freedom from care";

4. And importantly that is not next, that will take a number of years to develop;

Patience

1. Be patient is what this means, and consider this rationale carefully as this progresses to the Bethel desolation that will develop as the STARTING event; Read 1 Peter 4:17, THAT is what is coming on the JW system of worship, the "established place" of Daniel 8:12-13, the "fortress" of Daniel 11:30 is set for desolation; SOON;

2. We will know positively when this develops, that is why Daniel 8:14, a prophecy that is 1 Peter 4:17 related, is a TIMED prophecy; 1150 days minimum using 2 King 16:15 principle of evening and morning sacrifice counting as 2 sacrifices; hence 2300/2 is 1150 days of temple cleanse of Daniel 8:13-14; Zech3:4-7; Mal3:1-5
GB Silence

1. The GB should be explaining all this;

2. There are reasons why they are not;

3. They are the top system of an organization wide "man of lawlessness", PUBLICLY self-revealing as prerequisite at 2Thessalonians 2:3-4 of the temple judgment phase that begins with Jehovah's witnesses NOT "Babylon the Great" as JWs are being misled to believe;

4. This "governing body" will not remain in the position of lawless masquerade past the Daniel 8:14 timed period, but will be removed with angelic assistance; (Zech3:4-7; Hos1:4-7);

===

Beyond Coincidence

1. Now that is very important to know, and that is also what the GB is covertly in the process of covering up;

A. No way is these four developments all coincidental and random:

1. Missing the UN 3rd stand prophetic fulfillment significance 1990;

2. Joining the UN as an official support organization; 1991-2001 (and still covert);

3. Covering it all up continually with the USSR illusion which fails Daniel 11:36 and all applied prophecy to them;

4. Misleading JWs for a vulnerability for a hoax, with a HUGE globalist 8th King world intrigue, like a multi-nuclear super-911 worldwide; (As an example that what is coming will be big, somehow; This is not over;)

2. The GB are globalist intelligence agents, no way can all this just be a big coincidence or spiritual oversight;

Infiltration

1. And THAT is the JW "army gradually given over" to globalist control; (Dan8:11-12; Dan11:30, 41), and the "transgression that causes desolation" (Dan8:13) related to the "disgusting thing that causes desolation" (Mark13:14) that has been placed as a UN idol at Bethel since 1991;

A. THAT is very dangerous, and JWs are fooled for the most part as to what it means;

B. That will get the JW org desolated to a world known divinely permitted full degree of Daniel 8:14; It will be a signal event;

C. Then people will begin to wonder;

D. Then people will begin to be told what that means by four trumpets; (Rev8:2-12)

"Established Place" Desolation to Temple Purification

1. That means Daniel 8:11-14 is the "altar fire" temple cleanse of Rev8:2-5; And that means the JW org desolation will remain for 4 trumpets of herald to JWs while being desolated to the Rev9:1-2 "abyss" state for a number of years;

A. Obviously we all will know when that happens;

B. In my opinion the Watchtower will literally loose circulation in the process;

2. I am talking a huge covert operation to target the core of WTBTS finances and reputation, while operating undercover from within Bethel, as long as they can, directing a worldwide set of kill, and cripple events on the Bethel organization globally, for as long as possible; (Hos1:4-7) until stopped;

3. They cannot get it all, but they are sure going to try; (Hosea1:4-7; Zech3:4-7); Hosea, the ENTIRE book, is about Bethel today, in final fulfillment;

Cleansing Period

1. And after that Daniel 8:14 timed period has expired, and the cleansing of the lawless ones is completed, with covert angelic aid (Zech3:4-7), that is when JWs will be recovered (YEARS from now, 3 years + 70 days (1150 days) minimum after the first known big hit that can and will be marked for this reason - it will be noticeable by all);,

2. Purged over this period will be the GB's false authority as spiritually significant (actually core "man of lawlessness" (MOL) , as they are MOL in final modern fulfillment "IN the temple of the God"; (2Thess2:3-9)

3. But we will know for certain, at least, who is the "temple of the God" as the temple anointed priesthood is also cleansed parallel with this temple judgment; (Zech3:1-7);

Kingdom Sovereign Reminder is Next

1. People forget easily that God's Kingdom has made a claim to planet earth, since 1914, with plenty of warning, and this development is the drive of God and Christ to make good on all this sovereign claim;

A. BUT they are giving an extended warning, and hanging JWs out to dry as the signal event;

Seven Appointed Times Again
1. Revelation 8-11 is a continuum in Revelation that leads from temple cleanse (Rev8:2-5) to the "little scroll" sovereign proclamation a second time; (Rev10), by the "two witnesses" a second time as well.(Rev11)

2. JWs know 2520 units is required for "seven times" of "holy city" "trampling"; (Rev11:2-3) BUT this is 2520 DAYS, 1260 DAYS in 1914-1918, and 1260 DAYS in the near future, AFTER the temple cleanse 3,194 years, AFTER 6 trumpets of herald;

### The Prophetic Map to Armageddon

1. God is giving the world YEARS of forewarning the 8th King will ALSO be apexing the defiant Kingdom of Gog Satan at the same time, just like in 1914 in World War 1, but this final drive will be far more extensive and powerfully destructive in a scientifically and technologically engineered manner of deployment;

2. After Temple cleanse in this precursor Daniel 8:14 period, THAT is when the real "Faithful and Discreet Slave" designate is selected at Zechariah 3:7, and THAT is what is next, not the big Great Tribulation (GT) deep drive of post WW4 (Dan8:25; 2Thess1:6-10; 1Thess5:1-3) that JWs are being misled to believe is next;

### JW Set Up for Global Coup De Grace

1. Obviously JWs are being setup, with false information, to be coup-de-graced in the next world event as much as the MOL can aid the 8th King to accomplish; JWs are number 1, on the 8th King hit list;

2. That the GB is aiding globalist intrigues is nothing new, they did it in 1990 (UN NWO proclamations and coverup), they did it in 2001 (UN NGO news release), and they will do it a final time, and God will have to be the one who delivers the JWs, or we would be toast; (Zech3:2);

### GB Cover Up Aids JW Bethel Pawning

1. This implanted GB is also using this cover-up, to create an illusion that Daniel 11:44-45 is what is next; That prophecy is after WW4, it cannot be next; (It parallels Daniel 8:25 which also cannot be next)

2. In fact Daniel 11:40-41 must progress, as it is in action in globalist wars since 1990, Global NATO (1999), Global War on Terror (2001), and the global positioning following with preludes to WW4 in time.

A. Daniel 11:41 is the active globalist infiltration of Bethel that also must climax; (Dan8:12-13; Dan11:30b);

### Daniel 11:42-43 Climax to and Through World War 4

1. What still must develop, that the USSR obviously cannot fulfill is Daniel 11:42-43 parallel development of full financial and sovereign control in the Revelation 17:12-18 parallel absorption of Babylon the Great (BTG) assets, and pawning of national sovereignty completely;

A. Daniel 11:42-43 parallels Revelation 17:12-18 which climaxes years from now;

2. And that will all take one more world war to accomplish the final push of the national powers and BTG; (Hence in final fulfillment BTG is 6th bowl timing at Revelation 16:12.)

### Prematurely Advanced JW Mindset

1. But we see, this erred illusion will be convenient for globalist deception on Jehovah's Witnesses to potentially use Russian national intrigues again, for part of the opposing powers of WW4;

2. Possibly China, as well, because Asia also has to be crippled to impede astounding development to artificially allow the Anglo globalist elite system to go into attempted global uni-polar power, and that will take some doing;

3. That is why this takes another 7 to 10 years, to truly hit Daniel 11:44-45 apex with Revelation 10-11 final 1260 day final warning development after the first 6 trumpets and parallel bowls;

### JWs Being Misled

1. THAT is what JWs are NOT being told, that can easily be proven in concept from the former fulfillments of these patterns and meanings in minor form;

2. Armageddon is a war between a FULL 8th King "scarlet wildbeast" (Rev17:11-17) total world power infrastructure utilizing 200 nation base of collective operations (Rev13:1), under one controller (Rev13:11) and God's Kingdom; (Rev19:19-21);

3. This finale we are heading to, is far beyond the power of just the United Nations hub system; (Rev13:11-15), but the national collective powers that will end up being panned in Revelation 17:12-18 parallel to Daniel 11:42-43 are all employed at Revelation 19:19-21, which is timed concurrent with Daniel 8:25 parallel to Daniel 11:44-45 and Ezekiel 38 - and all that is after the final world conflict (WW4) is resolved to even allow the fourth and final placement of the globalist world government. [1]

4. That takes a number of years;

### GB Man of Lawlessness Must Go

1. And God will remove MOL GB and the works (Rev8:10-11) to remove these obstacles to truth, to make all this known in His timing, it cannot be reversed;

2. It has a previously demonstrated fulfillment pattern (1914-1918), in minor form to lay it all upon in major finale development; (Rev11:2-3 is Daniel 7:25-26; 12:7)

3. See, God wants to save people WHILE this is progressing

A. The GB wants to kill Jehovah's Witnesses and the organization while this is progressing;
4. Therefore God will get explicit as to what is up, after the JW system goes down for a timed desolation (Dan8:14), because God and Christ DO NOT buy the UN NGO "library card" excuse, and obviously this is the only way to make that emphatically clear to all JWs that they are not in agreement with a two-timing organization lodging lawless pretenders in the Governing Body and elsewhere (The symbolic "1/3" negative spiritual effects and pollutants of Rev8:6-12, in final fulfillment);

**Choices**

1. We are either God's organization, or the United Nation's organization, not both;

2. And THAT is what this fraud GB has led us JWs into;

3. BUT if it fulfills prophecy, so we know where we are in the stream of prophetic time;

4. It is pretty close to the end of it all, even if 7 to 17 years for it all to unfold, that is approximate, after the temple hit; That approximation is from temple "established place" "thrown down" to the foretold desolation; (Dan8:11-13)

**Temple Judgment Signal to Full Temple Prophetic Replication Final Fulfillment**

**1914 Initial Prophetic Temple Fulfillment and the Future Final Fulfillment Temple Purification to Completion**

1. Daniel 7:25-26, 12:7 provides the base Kingdom prophetic patterning that is prophetically connected to Revelation 11:2-3;

2. The initial minor fulfillment of those scriptural prophecies was in the 1914-1926 period in three timed prophetic sequences of Daniel 12:7; Rev11:2-3 (1260 days; 1914-1918); 12:11 (1290 days; 1919-1922) and 12:12 (1335 days; 1922-1926);

3. **This prophetic pattern will repeat in the future** for "seven times" fullness, replicating the entire initial minor prophetic sequence in final major fulfillment of Kingdom and Temple completion;

**Temple Significance**

1. The temple significance was the temple judgment period actually is affirmed after the 1260 day "trampling" test (Rev11:2-7) to the anointed resurrection symbology (Rev11:11-12), to the commencement of the 1290 days;

2. The temple inspection of the whole worldwide house of professed "Christianity" had to take place in that critical 1914-1918 period of world war tests and tribulations;

3. 1919-1922 was the official temple judgment period finalized, and great enlightenment came upon the anointed; Charles Russell and the anointed did not at the time of temple inspection understand Revelation 10-11;

4. This is why World War 1 was a key Satanic distraction marking this period as well; as Christendom was in an unfaithful state while in inspection in THAT period and after;

5. Later in 1919 and after Christendom endorsed the League of Nations; which commenced the 1290 approved "slave" designate recovery period for the world herald that commenced in 1914 by the first "two witnesses" ministry;

6. Christendom's rejection was made known by God and Christ in the periods to follow this minor "court" session; (Dan7:26)

**Kingdom Significance**

1. The "woman" assumes her "crown" as shown in Revelation 12:1 prior to "birthing" the Messianic Kingdom in October 1914; (Rev12:1-6)

2. God announces the ending of the 2520 years of Gentile "appointed times of the nations" divinely permitted unobstructed rulership of planet earth for "seven times" of seven 360 day lunar years, (7 x 360 "days" of years) equaling 2520 years; (Dan4:13-25; Luke21:24)

3. As that period began in 607 BCE at the overthrow of the earthly throne of David in Jerusalem and expired in 1914 CE, the 2520 day "seven times" period, began in 1914, in 1260 initial days, and ran it's 1260 day course as foretold from December 1914 to June 1918;

**2520 Days "Seven Times"; (Revelation 11:2)**

That 1260 day prophetic period replicates in the near future;

1. The 2520 days is divided in half over time for two periods of 1260 days (1260 + 1260 = 2520 days).

2. This fulfills as 1260 days one time for the temple foundation and the final time for the temple completion phase, which fulfill 2520 days as "seven times" in 1914-1918's 1260 days and in the future 1260 days climax;

3. Between these two 1260 day periods is the intervening divine world ministry of Jehovah's Witnesses which officially announced this truth to the world since 1914 in prophetically marked commission from God through Christ Jesus also as per prophecy;
Significant Initial Sovereign Ultimatum

1914-1918 was an initial sovereign warning by God through Christ and his earthly brothers to this world's ruling powers and peoples;

1. This is a global invitation and warning of Messianic Kingdom birth and what it will mean as it matures to completion in all 144000 is progressively, climaxing in this final repeating 1260 day period;

2. As the rival world powers are informed that their world sovereign lease ended in 1914 they are instead creating a defiant global government system for earth's rulership;

3. God is giving in the "Lord's Day" (Rev1:10) of this progressive last warning, a final 2520 day period in two world witnesses, the last 1260 days of which leads to absolute Messianic Kingdom completion to climax this intervening initial warning period;

Time Signature Significance

1. Daniel 7:25 and Daniel 12:7 is the foundational 1260 day "time, times and half a time", "3.5 time" time signature period that the whole Kingdom birth and temple foundational prelude announcement cycle is based on;

2. Revelation 11:2-3 is the time signature pattern of "42 months" and "1260 days" that is the "time, times and half a time" link to Daniel 7:25 and Daniel 12:7 like time signature;

3. Revelation 12:6, 14 and 13:5 also correspond to this time period linkage and fulfill with it;

4. The Christ foundation temple "stone" was laid in his coronation as King of God's Kingdom;

5. Technically the coming to the temple is upon the Christ foundation "stone" relevance of 1914-1918, for the subsequent "construction" officially commencing after the 1260 day "temple inspection" ended;

6. This was when the "3.5 days" death state of the "two witnesses" ended (Rev11:7-12) after the 1260 days commencing the 1290 day Daniel 12:11 timed cycle, which is Daniel 7:26 "Christ Court" in minor initial fulfillment;

World Warning Significance

1. This 1914-1918 prophetic period is the foundation of the truth of the progressive ultimate divine Biblical meanings that were announced to the world commencing in this 1914 period regarding God's sovereign guarantee of Kingdom and Temple completion to world conquest and universal conquest;

2. No one else on earth since then or now is expounding the actual divine warning and invitation significance of the Kingdom of God realities and implications as Jehovah's witnesses are commissioned to do;

3. But there is a final inspection cycle, and Jehovah's witnesses today are not seeing this replication pattern because of things that have developed "in the temple of the God" also foretold for the climax temple completion and kingdom conquest period additionally; (2Thess2:3-12)

For JW Anointed: JW Temple Judgment Soon with Global Bethel Titanic Sink

Final Temple Prophetic Replication of the Near Future

Unique Jehovah's Witnesses Temple Judgment Soon

Daniel 8:11-14 has information regarding the temple judgment sequence (Dan8:14) that will be a world and Jehovah's witnesses prophetic signal towards updated reality;

1. Daniel 8:14 provides a timed period that eventually leads to full temple cleansing and purification in the near future;

2. **Daniel 8:11-13 shows** that an infiltrative progressive profanation has been in the works in the "temple of the God" in Jehovah's witnesses organization;

   A. This affirms the Daniel 11:30-31 temple profanation events in the same "temple" "transgression" context as Daniel 8:11-12 at the same time (1990);

   B. This temple "transgression" is through an internal covert compromise in Jehovah's Witnesses organization for a number of years that finally emerged in a massive adulterous fornication with the United Nations that the prophetic cycle started 1991

3. This temple "transgression" is through an internal covert compromise in Jehovah's Witnesses organization for a number of years that finally emerged in a massive adulterous fornication with the United Nations with the Watchtower Bible and Tract Society's partnership with the United Nations as "they" promoted this world UN placement with the "two-horned-wildbeast";

4. The Governing Body of Jehovah's Witnesses did this while saying nothing of the biblical prophecy it fulfilled in Daniel 11:30-31 or the "transgression causing desolation" that this **prophation is in Daniel 8:11-14**;

5. This temple judgment coming up is to remove the "man of lawlessness” that centers in the Governing Body of Jehovah's Witnesses as they also culminate the 8th King aided "desolation" on the Jehovah's Witnesses organizational "established place of the sanctuary" with their "two-horned-wildbeast" and 8th King partners to climax soon; (Dan12:11)

6. By now this infiltration of Daniel 8:12 and Daniel 11:30 (Dan11:41) is worldwide in the Jehovah's Witnesses organization and is designed to destroy the final ministerial understanding and final commission of Jehovah's witnesses for the final phase of temple and kingdom prophecy;
Jehovah's Witnesses in the Dark

1. This infiltration is designed to keep Jehovah's Witnesses in retardative development in 1990 levels of prophetic understanding.

2. The Governing Body lead frauds do this by covering up important 8th King globalist world developments that have been fulfilling major prophecies in Daniel and Revelation since 1990 - like this third United Nations "placement" that eludes JW awareness.

3. The Governing Body of Jehovah's Witnesses is concealing globalist 8th King developments "throwing truth to the ground" in Daniel 8:12 by coverup, diversion, purposeful gross sin and misleading with well established and networked 8th King globalist intelligence operations in the Jehovah's Witnesses worldwide organization.

Governing Body and 8th King Partner to Fulfill Critical Temple Judgment Prophecy

(Daniel 8:11-14) And all the way to the Prince of the army [8th King UN globalists] put on great airs, and from him (God) the constant [feature] was taken away, and the established place of his sanctuary was thrown down. (by profanation first) 12 And [the Jehovah's Witnesses] itself was gradually given over [to the 8th King UN globalists], together with the constant [feature], because of transgression [in UN adultery]; and [The Governing Body] kept throwing truth to the earth [with coverup and deceptions], and [the whole infiltration] acted and had success.

13 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?" 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be purified by God's judgment as this ordeal climaxes;

(Daniel 11:30b-31) "And [8th King UN globalists] will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to [Governing Body] leaving the holy covenant. 31 And there will be [infiltrative internal] arms that will stand up, proceeding from [8th King UN globalists]; and [8th King UN globalists and the Governing Body] will actually profane the sanctuary, the fortress, and remove the constant [feature].

31b "And [8th King UN globalists and the Governing Body] will certainly put in place the disgusting thing that is causing desolation, [Which is the United Nations third world placement in 1990 and the Bethel placement in 1991 in the Jehovah's Witnesses worldwide "constant feature" for public world promotions of the United Nations "New World Order"]

Temple Purification Scriptural Parallels

1. Daniel 8:11-14 climax;

A. Daniel 8:11-14 fulfills after the "man of lawlessness" is revealed "publicly showing himself" "lifted over everyone" as the Governing Body did on November 9, 2012 as the worldwide, self-appointed, high and mighty, sole "Faithful and Discreet Slave" of all time! (2Thess2:3-12; Zech3:1-3)

B. Daniel 8:14 will be a critical signal period for Jehovah's Witnesses of divine temple judgment reality as the Jehovah's Witnesses organizational "established place" goes into the Revelation 9:1-4 "abyss" "thrown down" for all or part of the 2300 "evenings and mornings"; (Dan8:11-12)

C. Daniel 8:11-14 temple judgement and cleansing is parallel with Zechariah 3:1-10 temple priesthood judgment and cleansing;

D. Daniel 8:11-14 precursor is actually when the "faithful and discreet slave" designate in major form is judged and purified for finality to follow; (See Zech3:7 if-then statement)

E. Daniel 8:11-14 parallels Revelation 8:2-5 "altar fire" cleanse (Isa6:6-7); Malachi 3:1-5 fire cleanse; Zechariah 3:2 fire "log" snatch;

F. Revelation 8-11 7 trumpets parallels Revelation 15-16 7 bowls;

Seven Trumpets Commencement

1. Therefore Daniel 8:14 temple cleansed "right condition" (Rev8:2-5) will herald the beginning of the 7 trumpets in final fulfillment mode;

Final Daniel 12; Revelation 11 1260 Days

1. These post-temple judgment first six heralding trumpets and plagues in sequence will lead to the final 1260 day second "two witnesses" world ministry as the 5th and 6th trumpets lead into Revelation 10 and 11; (Rev8-11; Rev15-16);

2. This final 1260 days (2520 total "seven times") leads to the temple completion of Jesus Christ full manifestation over a fully gathered anointed remnant completing the 144000; (Matt24:29-31; Rev6:12-17; Rev11:15-19; Rev16:17)

3. That period commences the 1290 days of the Christ Court of Daniel 7:26 (Matt25:31-46) and Armageddon can occur anytime (unknown when) as the 8th King also zeniths the world climax rival global system against God and Christ's Kingdom for the final showdown of Armageddon; (Rev19:19-21; Eze38; 39:1-7; 17-23; Dan 8:25; Dan11:44-45)

Important Temple Signal to Jehovah's Witnesses
1. God's judgment on the Jehovah's Witnesses "established place" (Dan8:11) and "priesthood" (Zech3:1-7) converges as the hijacked GB partners of the globalists create a world event to destroy Jehovah's Witnesses in the world "coep-de-grace" "hoax GT" that this is obviously prepared to climax to soon; (Hos1:4-7)

2. Bethel will be deposed with a fully misled overall Jehovah's Witnesses population in bewildment in 230 lands, as a massive world event(s) explodes on the JW ministry (and the world) to complement the internal fraud Governing Body's operations, aided by globalist 8th King created external events, orchestrated to progressively wipe out the JW final world ministry before it starts,

Global Bethel Titanic

1. Jehovah's witnesses have to be aware a massive temple judgment, not the actual "great tribulation" is what is coming on the profaned Jehovah's Witnesses organization; The judgment STARTS with Jehovah's witnesses; (1Pet4:17; Eze9:6)

2. Though most JWs are unaware of this, and we still have the divine truth up to 1990, "sheep" intake is still a priority, but know that this temple judgment will converge with a covert designed final operation converging on the Jehovah's Witnesses organization worldwide;

DO NOT GO ANYWHERE THE FAKE GB TRIES TO SEND YOU OR THE DUPED ELDER BODY;

3. God will allow this because we Jehovah's Witnesses, by Governing Body agreements, have been "in bed" with the UN for 20 years and that sin will have to be accounted for; (Dan8:12-13; Dan11:31)

4. The GB worships (works for) the UN powers as part of the "false-prophet" internal operations, so they will in time need to be removed by angels and "circumstances" in whatever way that occurs as this reaches the divine limit; (Zech3:4-7; Isa66:6; Isa12; Jer30:11)

5. This will be a hugely tribulatory period (but not "great tribulation" yet) on Jehovah's witnesses and the organization because the global context of the scale of this planned assault will have to be enormous to instantly or progressively bankrupt and seize up the Jehovah's Witnesses organization;

Some of What to Expect

1. Expect a massive betrayal of as many Jehovah's witnesses as this "son of destruction" "Judas" Governing Body can herd up at this time period; And that is why they want Jehovah's Witnesses believing "great tribulation" is what this is, but it is temple judgment;

A. That is why the Governing Body want Jehovah's Witnesses "obedience" to herd Jehovah's Witnesses to internment and prison;

2. Expect Bethel worldwide to cease operations at some point with massive WTBTS corporate financial compromises;

3. Expect the Governing Body and ZO (10 Zone Oversight) to orchestrate operations intended to destroy, imprison, cripple and scatter Jehovah's Witnesses in as many of the 230 lands as they have penetrated reinforced by a huge globalist inspired world event cycle in the approximate 2014 time frame;

4. Expect "abyss" confusion and mayhem on Jehovah's witnesses until God terminates the power of the evil in, and the Governing Body of Jehovah's Witnesses as per prophecy as a non-biblical "man of lawlessness" "body", the progressively developmental cover group of lawless operatives since 1976 and Fred Franz "restraint" removal around 1992; (Zech3:4-7; Hos1:4-7; 2Thess2:7)

5. This initial event series will forever change the Jehovah's Witnesses organization and the world's trajectory as well, to try to conceal the final phases to Kingdom/ Temple completion and Armageddon all prophetically laid out already in the initial fulfillment cycles of 1914-1922 like a map to the end of the world - Jehovah's Witnesses temple judgment will begin the final phase; (1Pet4:17)

Temple Judgment Period to Purification

We all will know when this hits, mark your Daniel 8:14 "2300" (1150 day minimum) calendar at that time;

The first four trumpets and bowls will come as this progresses to the final "two witnesses" by a divine recovery and overhaul of Jehovah's Christian Witnesses;

Why Final Cycle of Temple Prophecy is Important

Demonstrates the Fulfillment of Prophecy Live and Real-Time Over a Known Interlinked Sequence for a Number of Years

1. This is important because it gives the world a full Biblical warning over years of world manifestations and spiritual events foretold precisely from prophecy that are occurring in front of everyone's faces while this is being heralded when this activates soon;

2. This builds peoples faith that the rest of the cycle will also fulfill, and that God is willing to accept repentance through this final invitational and world warning sequence for the identified years in this FINAL prophetic sequence for salvation;

Marks The World End Cycle With The 2300 Unit Unique Time Signature

1. A unique foretold activation signal is provided in time; (Daniel 8:11-14), with enough subsequent development after a significant signal event to be understood before, during and after the fact of fulfillment; (Dan8:11-14 is Rev8:2-5 which activates Rev8:6-12 which goes to and through Rev9-10-11)

2. The temple judgment begins this entire final sequence and starts the judgment with God's own house for a world signal as the signal to God's people as well; (1Peter4:17)

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God.
3. That will activate Daniel 8:14;

The Prophetic Context and Meaning Summarizes Who, Why, What, Where, When

Who: The Pre-Requisite Activation of Man of Lawlessness Revelation: (2Thess2:3-4)

This so-called "Governing Body" is the main profanation source spiritually polluting the temple (Dan8:11-14) and priesthood (Zech3) and people (Rev8:2-5) that needs to be cleaned out and accounted in the temple judgment;

Why: This "befouler" "Governing Body" is the main reason why this prophetic temple judgment purification event activates in God's temple first; (1Pet4:17 is Dan8:11-14 is Mal3:1-5 is Rev8:2-5)

What: The nature of the temple sin is treasonous United Nations "disgusting thing" partisanship as foretold, with coverup, worship services, and aiding the oppositional world rulership; (Daniel 11:30-31 is the context of sinner infiltration and "disgusting thing" "placement" that is the main "transgression causing desolation" of Daniel 8:11-14)

Where: That was at Bethel by the Governing Body main governmental council of Jehovah's Witnesses "nation" adjoining the "Israel of God" to the United Nations in 1991 in support of the world third placement of the United Nations after the Cold War in 1990;

When: At this time in 1991 manifested, the Governing Body's main directive was promoting the United Nations in their public sacrifice of publications, and covering up the fulfillment of Daniel 11:30-31 that they took part in as "those leaving the holy covenant" for partisanship with the globalist 8th King United Nations;

Assured Bethel Judgment

1. Thus a fire purification of temple (Dan8:14; Zech3:2) and priesthood (Zech3:1-7; Mal3:1-5) is required soon removing the frauds from Jehovah's witnesses including the "man of lawlessness" "Governing Body" as the main source and directors of the spiritual pollution in Jehovah's temple;

2. This will be as the JW Bethel system is given to the globalist 8th King system it is serving to be desolated as per Daniel 8:11-14;

Very Important Prophetic Connection

This Prophetic Sequence Connects Temple Purification Altar-Fire Event of Temple Judgment with Revelation 8:2-5 Event

That Connects the Temple Purification Judgment of Daniel 8:13-14 to the Final Prophetic Sequence of Human History in Revelation 8-11 Activating;

A Prophetic Replication of 1914-1918 is Occurring in Temple Completion Final Fulfillment Mode

1. Revelation 8:2-5 has a cleansing altar-fire event foretold that parallels the meaning of Daniel 8:14 and Zechariah 3 purifications; (This "fire" differs from the "fires" of Revelation 8-7-8)

A. This fire judgment foreglimpse at temple court scene of inspection (now):

(Zechariah 3:1-2) And he proceeded to show me Joshua the high priest (anointed priesthood) standing before the angel of Jehovah, and Satan standing at his right hand (Governing Body) in order to resist him. 2 Then [the angel of] Jehovah said to Satan: "Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?"

B. Is due to this "right hand" Governing Body "befouled" status of gross sin:

(Zechariah 3:3) Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel.

Which results in this divine judgment as all these are parallel to the main temple purification activating for Daniel 8:14 time frame:

(Revelation 8:3-5) And another angel arrived and stood at the altar... 5 But right away the angel took the incense vessel, and he filled it with some of the fire of the altar (purification fire; Isa6:6-7) and hurled it to the earth. (Symbolic of Jehovah's Witnesses) And thunders occurred and voices and lightnings and an (JW communal) earthquake. (Through purification, enlightenment will come for Jehovah's witnesses approved)

(Zechariah 3:4-5) Then he answered and said to those (angels) standing before him: “Remove the befouled garments from upon him,” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.” 5 At that I said: “Let them (angels) put a clean turban upon his head.” And they (angels) proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by.

(Daniel 8:14) So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right (purified) condition.” (1150 days minimum)
Final Progression of Both Rival Kingdoms for World Sovereignty over 7 Trumpets Laid Out

1. From that temple event *Jehovah's witnesses must go into the "abyss" of Revelation 9:1-4, to be recovered after the four trumpets herald the meaning of the judgment to Jehovah's witnesses*; (And eventually the world will know why Jehovah's witnesses were punished big time:)

2. The “1/3” symbology of the whole Jehovah's Witnesses "earth" system of Revelation 8-9 is the symbolic magnitude of the sins and pollutions inspired by the non-biblical "Governing Body" - an 8-headed "golden calf" Bethel Frankenstein of Neo-Papal Pied Pipers; (Rev8:10-11 fallen "great star burning as a lamp")

   A. As the Governing Body of the "men of lawlessness" for 20 full years of covert sinner control these United Nations serving operatives fulfilled Daniel 11:30-31; Daniel 8:11-13 temple transgressions in 1991 that brought this temple judgment to a head soon;

   B. These compounding brazen sins, masterfully presented, include but are not limited to Bethel based; UN worship, org idolatries, regular blood desecration, non-priestly sacrificial services and officiation, multiple teachings in progressive error and blasphemy that stumble millions and massive worldwide reproachful hypocrisy; (2Pet2:1-3; 2Thess2:3-12; 2Cor11:13-15; Rev8:10-12)

3. All this will be explained and laid out after temple judgment, over 6 trumpets and 6 bowls;

   A. This is on Jehovah's witnesses first to a world invitational and warning prelude ministerial recovery heralded all the way to the "end of the world" of rival powers as shown in Revelation 8-11;

4. This Temple purification is for *Jehovah and Christ to recover the Jehovah's Witnesses "temple system"* of actual genuine anointed (Rev9:1-4; Zech3:4-7) to commission in a cleansed ministerial state (Zech3:7) for the final Kingdom and Temple of God Sovereign Ultimatum to the world by God and Christ as the final "two witnesses"; (Revelation 10 "Little Scroll"; Revelation 11 "Two Witnesses")

2. Timelines the Temple Cleanse and Temple Completion Cycles with Reliable Timeframes

Question

*Just a question. I see you re-configuring prophecy through the prism of the JW doctrine/world. You seem to have some form of timeline in mind for the prophecy. I believe you are sincere in your belief. But, if your prophecy does not unfold as you feel it should- will you make a total break with the JW organization mind set or will you just begin to remodel your beliefs like Harold Camping and others?*

Man of Lawlessness and Jehovah's Witnesses Judgment and Temple Purification

Please read this entire rationale, because there are things that will be affirmed soon; I want to show that what is developing is a signal event of temple profanations and purification that precedes the final Biblical progression of Adamic human history to the end, over a number of years over prophetic patterns that have already fulfilled once;

Firstly, Jehovah's Witnesses do have a Biblical "property" that makes great sense; I am using almost everything we already know is true, up to the 1990 point of engineered diversion;

The USSR errors could not be commented on until after the USSR failed, and Fred Franz was not given that opportunity;

And that is where the JWs were hijacked;

But rather than let it stumble us, as this news and evidence does to millions of people, who do not understand this is a great signal of "man of lawlessness" and what it means, we see it is the "man of lawlessness" and we can then have faith that everything prophesied related to that "lawless one" is also about to activate a second time in modern human history!!!

And the GB wants people stumbling of course, BUT NOT knowing this truth, because no longer do people stumble, now we know what temple the man of lawlessness is in; He MUST be "IN the temple of the God", not external to it, for the final temple purification and completion cycle;

We are seeing prophetic reality actually in active fulfillment that must lead to far greater events, to that Kingdom also completing on stated divine schedule, all programmed ALREADY, into the Bible map;
But obviously JWs also have some very serious problems that are developing behind the GB facade, doing most of the damage through the 2 billion person web, worldwide, while JWs have little idea of the stats and trends that prove something not good, has developed in the JW top administrations;

And that is lawlessness, and multi-million person perpetual stumbling, on valid sinful policies and partnerships, and those are blood guilt of all JWs, these are spiritual murders, backed covertly by polluting practices very cleverly undertaken by the Governing Body;

Actually so well done is this covert "attack" from within, when reverse engineering it one finds such a number of subtle amazing details, that it had to require in-depth strategic intelligence to carry this out, with this mastery of subterfuge, and such an effectiveness as to cut JW numbers in half, or into 1/3 of what JWs could have been, had no sins of this magnitude, and no killers of this expertise and demonic guidance been at Bethel for years of preparations;

All that in 20 years of manifested climax effects; 10 years peaking on the web stumbling front; And we JWs are none the wiser in general;

These guys are NOT doo birds, like they make out to stumble even more in the world, these guys are EXPERTS at subversion and covert tactics and techniques of multiple layers of progressive control; (Dan8:12; Dan11:36) from corporate to individual, while carrying on a ministry that appears to the causal observer and even attentive JW inside the org, to be busy and productive;

But it is busy and productive on another front as well; Sin and MURDER in the spiritual sense is also at work 24/7/365; "sons of destruction"; (2Thess2:3-4) And that is going to have an apex development IN the JW organization in time;

This cannot just go on forever like this, and they know that;

But this will all reinforce prophecy, tell Jehovah's witnesses what is really going on, and reiterate the message of Sovereign certainty of God's Kingdom powers to be;

The core message is STILL is a Kingdom from beyond the celestial universe, has MADE A PUBLIC CLAIM to planet Earth; That is what 1914 is all about; The human lease has expired, time for eviction, and in that process salvation for those surrendering now to this power;

And for non-destructive final objectives; And to exterminate a human progression on planet earth that is easily shown to be a slow death for the planet; (Rev15:11-18);

And upon timed prophecy before, during and after - not at all is God a "mystery" at Rev1:1; He is plainly spelling out what is really going on, and for the reason it is up to each human to decide for themselves, God takes no prisoners like that, nor does He force obedience as his rivals do;

And being a fair Kingdom and a very very powerful group, these guys are giving a FULL AND FAIR WARNING to the planetary leaders of planet Earth, from the top down, to an acceptable degree, that can actually be completed by the power system itself upon arrival and after for a timed period of "Court" (Dan7:26 for Dan12:11 timing approximate), so the JW ministry is not the only witness the world will get in the end, and innocent lives are to be evaluated according to divine criteria for salvationary goals, not destructive if that can be avoided;

Meaning only evil and mean predatory people are to be tagged for termination; (Hence the "mark" of the wildbeast, which is basically a symbolism of a predatory system, that produces predatory humans, of all orders of predatory types, as much as possible; BUT, it is not systemic, and there is a way out of the termination; (Christ's sacrifice, 1, repentance, 2;) (God can obviously use that sacrifice even on some not in full knowledge of what is going on., as per Matt24:31-46 for those judged to salvation)

That is all biblical, but being covered up as well, for a fossil view that began in 1976, in order to retard JWs slowly, so that today, 1990 is has been repeating 1970 for 20 years, and JWs are repeating 1990 twenty more;

This is because God will not open actual "new light" to a lawless bunch of rogues in the "board of directors" who are NOT what they claim to be; And they have done this progressively for years, to the 100% coup that developed by 2000, to today's all fake GB actors;

That is why JWs get no "new light" that is actually new light, lawless sin, from central command, has God only backing new sheep intake for salvation purposes, setting up the GB for extermination of power, and setting up the final leg of prophecy over years to explain all this when this blackhole GB obstacle is removed from a spiritual authority not ever found in the Bible accept in the 12 apostles, NOT some mythical "board of governors";

THAT was allowed by God, to give the "man of lawlessness" an inch, so he would take a mile, and they will hang themselves soon, as all "son of destruction" does this self-revelation and ruination, and the GB is no different; That is why they are patterned on Judas, not on Christ truth;

So...

The foundational truth is biblical, that is the 1914-1918 pattern that is pretty easy to demonstrate the Bible students rationale;

The JW organization of today is a leadership that also is prophetic;

Unfortunately, and fortunately, it is BAD prophecy that they are fulfilling;

What is unfortunate is that it will have very serious effects on the WTBBTS and JW org and reputation;

What is fortunate, is that when it hits, it will be UNDENIABLE, we will not be discussing past prophecy, we will be discussing a series of fulfillments in LIVE and Real-Time activation:

1. Man of Lawlessness will be fully revealed and eventually purged; With no question the GB was a part "CIA” and globalist intel operations externally engineered to oppose news of God's final Kingdom proclamation prior to completion and conquest - and to attempt to stop the final warning period of Rev10-11; (2Thess2:3-4 is fulfilling as we speak, with the MOL GB as the evil in the JW system (Rev8:10-11))

2. So Temple and priesthood must be purified from these liars and effects; (1Peter4:17 is Rev8:2-5; is Dan8:14 is Zech3:4-7 is Mal3:1-5 in final fulfillment activation);

3. And that leads to the activation of the 6 trumpets from Rev8:2-5 temple events; to their herald of judgment and meaning (Rev8:6-13);

4. That eventually recovers JWs from a very real desolation and judgment, free of GB sinners and orgwide sinners;
5. And that leads to final commission of again, the LAST, the FINAL time God and Christ are going to give the world 1260 days final warning and full notification of what is coming after that 1260 days completes; (Rev11:2-7; Rev11:15-18);

And that Rev8-11 cycle parallels the final cycle of Rev15-16 as well; And that is the end, but it takes temple judgment, 6 trumpet/bowl parallel1 earth shaking developments, 1260 days final warning, then the 7th bowl and trumpet and Kingdom completion;

And still, it is not done!

But we will see also a completed 8th King world government far beyond UN scale of operations, the end of Babylon the Great, a final world conflict, and many other events that had a minor foregleam in the 1914-1918, 1919-1922 periods, but this time to the big finale of Armageddon;

So you, me, and many others, will actually SEE this all take place over 7 to 14 years, plus/minus, after the temple purification begins;

Since it is just a prophetic fulfillment that is repeating, that can be affirmed and proven every which way but loose, it is not if it will come true, it is when;

I bet my life, we all will see this unfold because it is prophecy repeating. God is giving the world a very thorough, kind, fair, and totally complete and patient warning, and all one has to do is surrender to God Almighty's Christ to be saved, because there will NOT be another 100 year ministry when this hits;

This is the complete transition to full 144000 Kingdom and Temple completion power under Christ, and even if the world kills them, and it will - IT ONLY MAKES THEM STRONGER!!!! (Like Christ himself)

The 8th King is damned if he does, damned if he don't, and that is what it is about, taking planet earth (Rev19:11-21), by a full Christ Court of 144000 immortal warriors; (Dan7:25-26) ready to settle accounts with the earth predators, rivals and slave drivers, warlords, greed bankers and politicians once and for all, AFTER FULL AND COMPLETE OPPORTUNITY and warning AND EVEN PLEADING TO SURRENDER has completed; (Rev11:2-19)

That is why this will complete; The warning of God's Kingdom to planet earth is no joke or insanity, we need to get ready to see this unfold patiently, but through massive world events EXACTLY where God said it was going and how and when, to enough degree to choose life, over death;

This is just the second and final Kingdom announcement gearing up, with plenty of formerly covered over evidence of what it means - earth is getting the new and final owner, and the world leaders are getting the final warning announcement;

The rest will sort of prove itself, starting with the JW org going into desolations, for the Dan8:14 timing, after the MOL is now revealed, and will be terminated by God as per a prophetic signal that it is starting for real; (1Pet4:17)

This is the course MOL has taken JW's to in the UN NGO that is a big signal something aint right in our JW land Bethel:

Jehovah's Witnesses UN NGO Significance to Temple Purification Soon
http://www.topix.com/forum/religion/jehovahs-witn/9CIQO71Q

So, I believe the future will convince you, and others, and give you and others the opportunity to really choose life with full assurance of what is coming next, over a number of years, NOT like a kill-switch; (Although the globalist world events that mark certain places in this progression, WILL be like kill-switch, fast and brutal events - those guys do not mess around, those guys are done; And God is telling them to their face very respectfully, they are tagged for termination at the end of the process, or they can surrender like anyone else;

JWs are being hung out to dry as the first signal that this is all real; You will see that in time; Not much time at that, so just make a note, that is all I ask anyone, just jot it down, it will come;

Jehovah's Witnesses Temple Purification Event Timed Period

Question

I don't understand the application of 2Kings 16:15 to Temple purification of Daniel 8:14 timed period of 23000 evenings and mornings?

Reply

See this timed prophecy has 2300 evenings AND mornings in the count!:

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant feature and of the transgression causing desolation, to make both the holy place and the army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings and mornings; and the holy place will certainly be brought into its right condition.” (Purified condition)

Some say 2300 days is implied by "evening and morning" as a logical day;

But if both portions add to the count like this:

(2 Kings 16:15) And King Ahaz went on to command him, even Urijah the priest, saying: “Upon the great altar make the burnt offering of the morning smoke, also the grain offering of the evening..."

Then each day has two "sacrifices" or the 2300 has two units deducted for each "evening and morning", meaning 1150, or 2300/2, days of cleansing actions minimum;

But Daniel 8:26 reaffirms a symbology:

(Daniel 8:26) "And the thing seen concerning the evening and the morning, which has been said, it is true.
Which means the darkness of 1150 days possibility to cleansed state of "right condition" may be followed by an enlightening "morning" of possibly also 1150 days; So the whole prophecy may be 3,194 years + 3,194 years (6.38 yrs) of total judgment, to evening "abyss", to morning "enlightenment" as Revelation 8:2-5 shows a climax of "voices and lightnings", which are known to be from former fulfillment, explanations and enlightenment; tied into this altar fire cleanse as per Isa6 principle:

(Revelation 8:5) But right away the angel took the incense vessel, and he filled it with some of the fire of the altar and hurled it to the (JW) system earth. And thunders occurred and voices and lightnings and an earthquake.

And that is what information empowers the trumpet heralds that follow here:

(Revelation 8:6) And the seven angels with the seven trumpets prepared to blow them.

And four of those go off, leading to the 5th and 6th abyss recovery, which implies the first four trumpets are being made known to JWs first, while in a desolated state, enlightening us all to what is really going on, as angels aid this recovery - and that may mean another period of "the morning" timed (another 1150 days), not sure, but as it unfolds, that aids the bewildered state of "the evening", as Daniel 8:14, 26 puts the "evening" first, the darkness due to the actual situation, then the "morning" in the overall meaning of JW's being in the full darkness as to what is happening that time, for 1150 days, then they are enlightened, and the trumpets "prepare to blow" to fully aid what those heralds mean in temple judgment, and what the "1/3" implies in Rev8:6-12, 9:13-15 (v. 15b, 1/3), for the whole JW system that is recovering, but in a completely cleansed state;

And that will of course proceed to what this all means, Rev9 to 10, 11, 1260 days some unknown period of time while this is developing;

That is why I say, for now, the 2300 evenings and mornings total timing is yet to be revealed, in my opinion, while it is happening, so I am speculating, but I feel there is a valid possible rationale to it;

Jehovah's Witnesses Being Set Up - How?

Comment

MOL (the man of lawlessness; 2Thess2:3-4) has been concealing the identity of the King of the North (Dan11:30-45) part in an attempt to cover it's own infiltration in among Jehovah's people (Jehovah's Witnesses), we JW's have taken lightly the serious consideration of bible prophecy having complete fulfillment. Like it's okay to accept partial fulfillment of prophecy and only bits and pieces of it.

Reply

Yes, the Governing Body "man of lawlessness" fulfill this clever development, subtle but steady for years:

(Daniel 8:12) [Infiltrative subtle/steady subversion and control:]

12 And an army itself was gradually given over, together with the constant [feature], because of transgression; [cover up and lies:] and it kept throwing truth to the earth, and it acted and had success.

So they use that hyper-pious, conservatively rigid stance, to hold on to the USSR interpretive inertia, as if that was all there was to say about Daniel 11:32-43, and WW2 for Daniel 11:30-31, when none of it is any of that but all 1990 3rd UN stand in a 3 out of 4 continuum, that is now unseen by JWs and the world, as we now aid globalist developments to remain secretive to biblical prophecy, and people at large, by teaching a USSR illusion that failed when the USSR failed, and that is why they could not let Fred Franz even scribble the truth on a napkin;

They are now sauve bullshitters, towing an erred party line of USSR KN fulfillment, with much momentum of the past; WHILE the GB aided also the proclamation worldwide of the UN 3rd placement to fulfill Dan11:30-31, and Dan8:11-12 in 1990-1991 progressively, so they would be self incriminating if they say anything (Dan11:30, for example, traitors MUST be present since 1990 and before);

They are DEVILS!!! Under a veneer of mock anointed, retardng it all, subverting and diverting for globalist objectives;

READ THIS VERY CAREFULLY:

So, when JWs should be waiting for Daniel 11:40-41 to continue in progressive development, in progress also since 1990 (Gulf War, 1999 Global NATO, to 2001/911 GWOT), to climax as per Dan8:11-14 context events of another globalist world development, to usher in, progressively, over years, the Daniel 11:42-43 pawnning of national powers, by Revelation 17:12-18 intrigues of Babylon the Great (BTG) and national sovereign transfer, in this next globalist chess move, to develop over years, JWs are here, prematurely by this current setup, INSTEAD (prematurely advanced to the wrong portion of Daniel):

(Daniel 11:44-45) “But there will be reports (Actually Rev10-11 timing, years from now) that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction.

[4th UN placement and world government:]

45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

And that places JWs at the final fourth placement TOO SOON!!! HOAX!!!

That Daniel 11:44-45 progression is well after Daniel 11:42-43 in this overall development; Because Daniel 11:44 is "reports" that are partly, if not all, "little scroll" sovereign Kingdom proclamation climaxing as the 1260 days is ending YEARS after temple judgment, which is actually what is next!!!;

BUT JWs think that Daniel 11:44 is next, then GT and Armageddon;
BUT, in fact, temple judgment is next! Due to the infiltration of Daniel 11:41; and then the progressive developments of Daniel 11:42-43 King North super-pawn of national powers is what this next world war cycle will bring about;

Daniel 11:44-45 will be at Daniel 8:25 time, AFTER even BTG is gone by the 6th bowl, years later than JWs are thinking now, being set-up to be pawned during these preliminary events by this purposeful "oversight" as well;

Daniel 11:44-45 will be YEARS from when JWs are expecting it next; That sets up the JW mindset for a fall, and a trap! JWs actually have to still go through the apex developments of Daniel 11:40-41, that lead the world through Daniel 11:42-43, that is what is to develop next in 8th King development as King North;

And that is why the "man of lawlessness" Governing Body is sticking to the failed USSR illusion, to keep JWs thinking that what will develop next will be the prelude to Armageddon by Great Tribulation, but it will not be that development;

It will be tribulatory on the Bethel organization, but it will be a temple judgment that is foretold, not Great Tribulation yet; In fact the JW organization will go down to a divine degree before Babylon the Great developments; (Rev16:12)

See what that simplification and premature advance is doing?

They are setting up JWs for an "end of the world" hoax (with a divinely permitted temple judgment that WILL provide a tribulation alright, but NOT the one JWs are expecting), that is only the globalist intrigues and prelude to the next world war, whenever that develops from where this is going, to the BTG coffers 6 bowls into that time frame, after the temple judgment, after 5 bowls and trumpets;

JWs will think they are at Armageddon (bowl 6 and 7), but this is the beginning of bowl 1, trumpet 1 after the "established place of the sanctuary" is thrown down to climax "due to transgression"; (Dan8:11-13)

JWs are MISSING all that prophetically REQUIRED development, so KN 8th King powers can use this illusion against JWs and pawn Bethel and as many JWs in the world system as they can for 1150 days approximately, because JWs will be "GT" and "Armageddon" mentally primed, but the desolation is actually divinely permitted Daniel 8:14, Rev8:2-5, ONLY THE BEGINNING of the last cycle NOT the end of it!!!!!

Thus this illusional mindset makes the JW organization and JWs extremely vulnerable to various attacks they will think is the end, when it is a punishment for the UN NGO affairs, and a temple judgment period that must occur to remove the "man of lawlessness"; So it will be a biggie, no doubt;

BUT IT IS A TRAP!!!!!!!!!!!

SINISTER!!!

Jehovah's Witnesses Temple Judgment 2014...

1. This diverts awareness of the prophetic connection of these sinful events to the temple transgression and required temple judgment and cleansing of Daniel 8:11-14; (Zech3:1-10) with false interpretation;

2. This diverts awareness that Daniel 11:30-45 is all globalist King of the North 8th King activities since 1990, not the USSR in 1945;

United Nations Operatives

1. This proves that the Governing Body have been compromised for globalist 8th King objectives in this 1990 manifestation:
   A. They squelched Fred Franz commentary,
   B. They joined the United Nations
   C. They promote United Nations Organization, support organizations, books, and activities since 1991 covert and overtly;
   D. They subvert and coverup the actual prophetic truth that the Governing Body aided the fulfillment of prophecy with the United Nations rather than expound the truth of these developments; (Daniel 11:30-31; Daniel 8:11-14);

Man of Lawlessness Revealed

1. By these actions obviously the Governing Body are the "man of lawlessness" control center that are the leading temple profaners, "in the temple of the God" that must be removed from Jehovah's witnesses as per prophecy and temple judgment- cleanse; (Zech3:1-3; 2Thess2:3-12)

2. Which leads to the temple judgment and priesthood cleansing which they are diverting attention away from; (Daniel 8:11-14; Zech3:1-10; Rev8:2-5; Mal3:1-5)

The Temple Judgment

(Daniel 8:11-14) 11 And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down. 12 And an army itself was gradually given over, together with the constant [feature], because of transgression; and it kept throwing truth to the earth, and it acted and had success. 13 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?" 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

Parallel Daniel 11:30 Profanations

(Daniel 8:11) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down.

Describes the Infiltration

(Daniel 8:12a) And an army itself was gradually given over, together with the constant [feature], because of transgression;

Describes the Coverup

(Daniel 8:12b) and it kept throwing truth to the earth, and it acted and had success.

Describes the Transgression

(Daniel 8:13) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation (connected to the "disgusting thing that causes desolation", to make both [the] holy place and [the] army things to trample on?”

Prescribes a Timed Temple Judgment and Cleansing Period

(Daniel 8:14) So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

Parallel Fulfillment

Thus Daniel 11:30-31 and Daniel 8:11-14 are explicitly connected to the same set of Governing Body led actions, coverup and continued diversions to meet 8th King goals commencing in 1990 with the United Nations third world placement; The Governing Body is diverting attention away from all this by continuing the illusion that the USSR in 1945, rather than 8th King UN globalists in 1990, are the genuine "King of the North";

That conceals from the world and Jehovah's witnesses critical globalist world developments that fulfilled prophecy in 1990, and continue to fulfill prophecy that will severely affect Jehovah's witnesses in the required temple judgment that the Governing Body are also concealing as UN operatives;

Some Final Success Stories National King North Does Not Sustain

Fred Franz Files

Why The NWO Replaces the USSR in Daniel 11

Wrong Place at the Right Time

1. Frederick W. Franz went incapacitated and died at a critical point in modern political history as being tracked prophetically in Daniel 11's King of the North progression of the Union of Soviet Socialist Republics (USSR); It was also a critical point in prophetic analysis based on that historical outcome;

2. The dissolution of the USSR made it inconsistent with certain features of Daniel's prophecy that must be present with the actual final King of the North as a planter of "palatial tents" and other successes leading to that futility; (Daniel 11:45)

3. Fred Franz and the USSR went incapacitated and died about the same time, 1991-1992; Therefore Fred Franz could not comment on these final USSR "King North" developments which no doubt would have affected the current interpretation at that time; The dissolution of the USSR and ending of the "Cold World War" added critical clues as to Russia's limited role as a national King North, with a national coalition in the USSR and it's prophetic limits;

4. The ending of the "Cold War" was also a critical event and cross roads for world government as a national or globalist based entity in human history for world rulership, as the utter failure and inability of the development of a mammoth national power system as a means to dominate the world became illustrated again in the USSR's fall as this article will show the significance of related to the Daniel 11 prophecy;

5. That Fred Franz could not comment on these significant developments in world history at full mental capacity, in fact at all as far as we know, is a critical feature of these crucial developments being ignored today still, twenty years later, by Jehovah's Witnesses "Governing Body" lead administration as they pertain to important prophecy since 1990;

Geico Body Cave Dwellers

It is like the Governing Body of Jehovah's Witnesses lives in a 1990 cave on purpose, as if they never have read Daniel 11 again since 1990 and the fall of the Soviet Union; It is like they are purposely prophetically "brain dead"; We may ask why? And in fact the Daniel 11 prophecy answers the question;

CSI: Earth - King North Daniel Forensics

1. The dissolution of the USSR and the implied loss of the "Cold War" provided key clues in that "failure" noted in Daniel 11 generically and specifically, that logically and historically updates the meaning of all the national "King North's" in Daniel's prophecy as one set of failures (Dan11:27)

2. It also answers why, in part, the USSR and or the others do not progress successfully, but in principle, much past Daniel 11:27 in any real finality of fulfillment, in this noted portion of the prophecy;

3. The USSR is one that "will not succeed" seen in hindsight since 1991, and why he (and others) have failed is noted in part:

(Daniel 11:27) “And as regards these two kings, their heart will be inclined to doing what is bad, and at one table a lie is what they will keep speaking. But nothing will succeed, because [the] end is yet for the time appointed.

Birds of a Feather

1. But there are general commonalities here that do apply. All these kings have a common inclination towards "badness", a common "table" and a common "lie" and a common failure as "nothing succeeds"; Nationalism fails as a means to rule the world noted here, seen in hindsight as compared to the prophetic progress (and success noted) of globalist world government; ("the king"; Dan11:36)

2. That verifiable dynamic is also shown now more clearly in the prophecy to be a final globalist King of the North by various unique clues that cannot apply to indebted and limited national powers, but requires their orchestration in a multi-national array of power controlled by one locus of "power and authority" beyond their national scope of power and intelligence; (Rev17:11-17)

3. That implied comparative failure, in fact sums up every national power struggle between national rulerships attempting to broadcast sovereign power beyond their own national borders successfully to eventual world domination; It won't happen because it is yet for the end time for one, and these single nations and coalitions are too limited in resources and insight as history proves time and time again;

4. But the prophecy provides the logical comparative framework of prophetic sustainable "success", a requirement that will emerge with one able to meet it, according to prophecy and globalist international power (8th King) that will utilize many nations to reach a globalist world rulership objective successfully to the end; Daniel 11:30, 11:36, 11:39, 11:43;

The signal attribute to determine ultimate King North is success or failure in the end time progression with a final sustainability by that final king;

1. No national based "King North" has ever sustained this success, and neither did the USSR, thus the USSR cannot be applied to these sustained final successes of the Daniel 11 prophecy - but he may apply in principle momentarily by his intent and temporary effectiveness;

2. The final globalist King North will on the other hand, be sustained in successes as shown in prophecy in a number of places; (Including Daniel 8:23-25 which is a globalist world power, NOT the national Anglo- American system, for reasons covered in this analysis;)

Some Final Success Stories National King North Does Not Sustain
Globalist KN Success 1

(Daniel 11:30) "And he will actually go back and hurl denunciations against the holy covenant and act effectively";

Ultimately Nazi Germany and the USSR had no effect on the holy covenant, and even their limited effectiveness is debatable; They made JWs grow in fact, and fulfilled prophecy furthering that growth;

Globalist KN Success 2

(Daniel 11:36a) "the king will actually do according to his own will";

The definitive clue that the USSR is summed up in prophecy in the collective national failure of Daniel 11:27 "nothing will succeed", albeit with great world power inertia, is that the final globalist King North is successful to the very end;

And that success proceeds after the fall of the USSR who did not even enter the "time of the end" of the "last days", and this is the greatest clue as to the longevity of the final King of the North precluding all national powers who by now lack resourceful consolidative power required, eliminating all potential power players here, but ascendant globalist power;

Globalist KN Success 3

(Daniel 11:36b) "And he will certainly prove successful until the denunciation will have come to a finish";

No national King North ever was the apex fulfillment of this scripture, but globalist King North will be:

Globalist KN Success 4

(Daniel 11:39) "And he will act effectively against the most fortified strongholds";

Bankrupted USSR and Russia certainly were not enthroned on the rulership of all earthly wealth even capturing the "King South" domain of "Egypt" treasures:

Globalist KN Success 5

(Daniel 11:43) And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt.

USSR Not the Final King of the North Well Before Even Daniel 11:36

1. The USSR was now defined as part of that collective national and national-coalition failures, part of the "nothing will succeed" from WW1 to Cold War;

2. That failure of Communism/Socialist theory applied to national governmental and social systems disqualifies the USSR and Russia from the finality of the prophecy due to that manifest complete ideological failure;

3. Though the USSR national "King North" can apply in principle, it is not sustained successfully as the prophecy requires for final fulfillment as the globalist King North (8th King system) is accomplishing NOW and will complete as per prophecy; The USSR was just a national "King North" tool of the ultimate globalist King North for ultimate globalist objectives;

4. The national "King of the North" USSR (and the rest of the national powers) do not "act effectively" in any sustainable way; They are NOT the final fulfillment of these scriptures, even if they applied temporarily in principle; (Daniel 11:30, 11:36, 11:39, 11:43:)

5. This failure of the succession of national "King North's" from WW1 (Germany under Kaiser Wilhelm) to WW2 (Nazi Germany) through Cold War (USSR) was "because" the "end is yet for the time appointed" and strategic/resource limitations;

6. This means that none of those national Kings North as manifested through that approximately 60 year period from 1914 actually entered the "time of the end" of the "last days" as this is a complete end period that does have an active "King of the North" and he is a globalist power development;

7. The Daniel "time of the end" is not all of the "last days", but the end of them; All these national kings participated in only "last days" in the "Lord's Day" since 1914 of Rev 1:10, yet before the "time of the end"; The USSR is included in these verse 27 failures in the Daniel 11 prophecy and never did enter the "time of the end" of the "last days" which is another signal feature removing the USSR from final fulfillment possibility of Daniel 11:28-36;

8. Other prophetic clues compared to the history of this USSR final failure provide several other Daniel 11 provided identifiers of the final apex "King North" that prove the USSR is not delineated in Daniel 11 in any finality other than just a generic national "King North" that fails;

9. The Russian King North does not play a prominent role in the prophecy as his own "over-rated" presence seemed to dictate in the 1958 to current JW "understanding" where he is the star to verse 43; But the hindsight fact is, the USSR does not make it past verse 27 but in principle, and that one that does not sustain success;

10. The USSR does not apply in any finality to Daniel 11:30, 11:36, 11:39, and 11:43; In fact then, the USSR cannot apply to anything relating to final apex, currently operative globalist King North. Like Nazi Germany, the USSR just adds to the "world war" puppet show diversions and intrigues as a national King North puppet tool and distractive "bogeyman" to what is really going on in the world power globalist game;

Globalist King North Master of Puppets

1. Daniel 11:27-45 will be in final fulfillment primarily applied to the globalist King North control of both the national "King North" and "King South" puppet show "players" for world distraction as the apex "king" of all human history, the finale;

2. Even "King South" becomes a subservient feminine symbol by Daniel 11:43:
(Daniel 11:42) And he will keep thrusting out his hand against the lands; and as regards the land of Egypt (King South domain), she will not prove to be an escapee.

3. Another national, religious or ideological "King North" can still be utilized by the globalist powers, but it will be only illusory "bogey man" sucker's bait given power; No national power could ever out compete the globalist Global NATO 50% plus global war potential;

Daniel 11:27 is a Key Scripture to Understand a Key Paradigm Shift to Globalism in this Prophecy

1. This prophetic segway is defining a crucial new paradigmatic view of consolidative globalism versus divided nationalism that Fred Franz was not able to elucidate, and for reasons to be discussed here, this crucial paradigmatic understanding still eludes JWs.

2. To understand this final section of Daniel 11, one has to view this with both nationalistic King North puppets and histories in mind and the globalist King North puppet master and his history in mind;

3. In time the King North "Puppet Master" must take over the whole show at the appointed time of the end;

(Daniel 11:27) “And as regards these two kings, their heart will be inclined to doing what is bad, and at one table a lie is what they will keep speaking. But nothing will succeed, because the end is yet for the time appointed.

Similar Attitudes

1. Both "national versus national", and globalist influencing and controlling national "king" "badness" can be shown in history and prophecy in this statement;

"And as regards these two kings, their heart will be inclined to doing what is bad, and at one table a lie is what they will keep speaking."

2. There is a common "badness" in all parties this can be applied to as nationalistic or globalist entities;

3. There is a common earthly "table" that applies to the aspirations of all powers that have gone to war in any form to expand territory to the limitations of their power;

Globalism is attempting to use all nations to achieve it's own "table" of final world control;

4. They all speak the same "lie" and have the same related "one thought"; (Rev17:11-17) and that is a sovereign world rulership preservation and expansion whether of nationalist or globalist mindset acquired and maintained by any means possible;

Globalist Becoming

1. Globalism is a powerful theory of power logic and operations that can be applied to everything that defines national "power and authority", like finance, government and military, but applied to globalist international focused power reality, rather than internal national resource management; (Rev17:12-18)

2. This is applied by complex progressive domination by superior insight, resources and computer/satellite aided intelligence power with an effective formulaic application of consolidation principles consistently over time; (Dan8:23-25)

3. Yet from WW1 to Cold War, through three national "kings" of the "north", even the globalist "King of the North" in progressive power consolidation does not fully realize his objective until the appointed time of the end;

4. Nothing succeeds in the interim until the finality of their kingdom power apexes in the near future; Yet the globalist power is never an utter complete failure, it is always growing in power for the next phase (Dan8:23-25)

5. But nothing will succeed in the meantime nationally, because the end is yet for the time appointed, based on sustained successes of globalist power consistently, and the natural decline of national power due to these dynamics bent to globalist consolidation of resources;

Master of Illusion

1. Therefore the actual historic truth is that no national power, "King North" or otherwise, becomes financially actually rich from war. All the national powers end up with war debt and usually reparations debt as well that is shifted to the masses and takes years to "pay off";

2. That is how globalists use national powers against themselves by limited understanding of the real world rulership objective and the source of the big financing center that funds both sides of the war, to profit from both sides industries, while administering incredible debt in the aftermath;

KaChing North

1. These "resources" or "goods" must end up, and have ended up in the globalist progressive power camp in a progressively expanding and consolidative fashion over time.

(Daniel 11:28) “And he will go back to his land with a great amount of goods, and his heart will be against the holy covenant. And he will act effectively and certainly go back to his land.

2. The one who pocketed 250 billion dollars in established industrial capital and actual profits in WW1, and 5 trillion in WW2 and 40 trillion in the Cold War was the globalist King North forming above the shells of divided nationalism during this entire period to the end of the Cold War;

This next scripture could apply to WW1 in principle, but in a fuller sense it is the climax of a whole developmental period starting with WW1 and ending at the Cold War end, as will be shown:

(Daniel 11:29) “At the time appointed he will go back, and he will actually come against the south; but it will not prove to be at the last the same as at the first.
A Significant Evolution in Globalist Ascension upon National Decline

1. But in fact WW1, in hindsight, was an engineered and planned commencement of a progression to Cold War, not a random event as is commonly taught and imagined;

   The Cold War conclusion was the signal decline of national power in principle and the signal ascendency of the "New World Order" globalism upon that
dynamic vacuum of power.

2. The globalist self-made and self-appointed "victors" placed their "disgusting thing" (DT) in spirit and principle as well in 1991 in NWO style, affirming a triumph of
the United Nations concept and principles; This implied victory was by the USSR catastrophic failure marked in implied triumph by the DT-NWO public world
proclamation "placement" after this "cold world war" conflict was resolved in the Cold War ending;

   (That is a common world war "problem" to eventual finale globalist world governmental "solution" presentation to the world formula;)

3. That was "different than the first time" of any previous war cycle; It certainly did not "prove to be at the last the same as at the first" in this drawn out progression to a
sub-climactic "fade out" ending of the Cold War.

   Also hugely significant was an actual symbolic rise of globalization "image as a victor for the first time", not just a global UN government forum as in 1945; Russia
conveniently surrendered to the UN by joining it; The NWO showed up in Berlin with jackhammers and champagne to "tear down the wall!"; the Berlin Wall came
crashing down as the curtain of the great puppet show ending;

4. Much more was being said and done there than meets the eye or ear, and that is partly due to no significant actual JW commentary on this significant development; It
was to the Governing Body as if nothing at all happened prophetically, while they promoted the same "new world order" mantra in the Watchtower and Awake! for 10
years on the public record promoting the "new world order" with George Bush Sr., honorary GB;

Some Key Differences from "First" Time to "Last "Time

1. The very nature of the Cold War itself was different than the beginning of the world war process of intense hot warfare as in WW1 and WW2;

2. The Cold War had periods of scattered "hot wars", but the overt declaration or identification of "world war" was not present but implied;

3. The Cold War was extended for many years longer than both world wars combined, with far less intensity of application over that period;

4. The "Cold War" birthed a new kind of "disgusting thing" (DT) manifestation as the "new world order" (NWO) a new globalist ethereal mantra of grandiosity; Not
clearly understood it is true, but significant then and now for anyone researching the objective and other details surrounding this false prophecy as proclaimed by it's
"prophets" as a "dream" and "objective";

5. Globalism itself entered a new era of global operations and apex power formation also not clearly seen by the world, but in operation none the less;

Globalism is Also What is Totally Different

1. The climax awareness is the pre-birth of proclaimed "New World Order" with globalization as the worldwide "life blood" presented through unique globalist
orchestration of world war and it's resolution;

   That is the greatest feature of globalist actual ascendant power being recognized (by some) behind all world wars and how it did "not prove to be at the last the same as
at the first", even in understanding this reality behind world war;

2. For those paying attention to the prophecy of Daniel from God that was a key difference in realization of the true world "locus of power" being an actual globalist
engineered system, not some "conspiracy", but an actual world governmental power in formation; For those also paying attention to the development of geo-political
current affairs after this event, globalism is the basis of the United Nations development efforts, but that must have an effect on the actual way national powers are ruled
above their own nations;

   Meaning the 17 acre "image" of the "wildbeast" United Nations is not the only part of an actual worldwide power system that is forming upon 200 national powers in a
multi-national unified array for world rulership;

3. Globalization is the heart and body of a new world order, not nationalism, which is just a piece in the globalist puzzle;

   That is a key understanding also shown in this critical point in Daniel's prophecy, where the USSR no longer applies, but NWO globalist King North does
apply fully, from Daniel 11:36 forward, and in climax final fulfillment of the principle features of Daniel 11:27-32 as applied to globalist King North, not the
USSR that failed before the "time of the end";

   In effect JWs need to swap the USSR out, and put the NWO in to that final Daniel 11 progression;

4. The "last" of that world war cycle for this phase before the "time of the end" (to 1991), "hot" or "cold", was indeed completely different than the beginnings and
pretexit objectives of any world war cycle previous to this event or in national limited wars before World War 1, or in the two world wars that followed;

5. The "cold war" was the more significant unique war application and globalist actual objective of fast-tracked nuclear, weapons, missile, satellite and computer
advanced technological development, among other globalist applied emergent systems maturing and expanding in this period after WW2;

6. Even the presentation of the "disgusting thing" (DT) was unique as a false-prophetic proclamation of the "False-Prophecy's" main mantra of the "new world order"
prophecy; "the dream of a new world order"; George Bush Sr. (9/11/1990)

7. Globalism as a world theory of rulership also became better known after this 1991 period of "new world order" campaigning initiated by George Bush Sr., before
the U.S. Congress on September 11th, 1990;
The Scripted Obligatory "Dejection"

(Daniel 11:30a) And there will certainly come against him the ships of Kittim, and he will have to become dejected.

That "dejection" was and is a standard part of the world war show (all of them in principle), as well as the resistance of nationalistic powers who were not willing or able to be dominated fully by globalist sovereign control yet. (Revelation 17:12-17 shows the eventual transfer of sovereignty to globalist powers)

For national significance, in hindsight, the national King North "puppet" always goes down, as the Anglo-American national world power King South "puppet" always arises victorious along with the globalist "image" it is connected to in the presentation of the League of Nations (1919) and the United Nations (1945) and the "New World Order"; (1991) (Obviously, the UN-NWO fell off the JW radar very conveniently in 1991)

In hindsight, this is all part of the standard WW script; "Dejection", or defeat of the national "King of the North" (nKN) is a required element of the globalist victory formula to present the principally triumphant or newly applicable globalist world government "solution" as the "only hope for mankind" and "Kingdom of God on earth" in the most appealing and complimentary victorious light possible;

This globalist "world peace" "solution" all just happens to come around, 3 times now, after a great engineered world war "problem" desolation and conflict is conveniently concluded for this very effect; Create the horrible "problem" for which the beautiful "solution" is ready to be presented next to "save the day", or take credit for the victory;

This process is obviously, in hindsight now, all formulaic, the predictable intended climax for "image of the wildbeast" positive presentation which is engineered and presented by elements in the globalist King North (gKN) formative power system, namely the Two-Horn-Wildbeast as globalist elite engineers of this whole "war and peace" process and blasphemous "peace product" presentation on the massive yet globalist contrived world stage show;

Multiple Applications by Principle to Pinnacle Fulfillment

1. This updated interpretation still honors the previous JW interpretation as applied to WW1's "dejection" of the nKN, and WW2 had a similar "dejection"; The same principle always applies in an obligatory formula such as Daniel is exposing from God; What changes is the "ships", if one rendered them literally; But the "ships" and "Kittim" are symbolic; Yet that still honors the condition of WW1's nKN "dejection"; Yet applies to the successive global wars (hot and cold) as well;

2. The "ships of Kittim" is a symbology of many "vessels" of nationalism that are thrown against the national "King of the North" to produce this engineered "dejection" over time, for the above noted effect of birthing world government as a highly desirable means of "world peace and security" AFTER the convenient war cycle and the concluding "dejection";

3. So that honors the previous JW interpretation and still leads to a climax fulfillment anti-type that must take it all further; all the way to and through the "time of the end"; (Daniel 11:36)

4. WW2 and Cold War also had "holy covenant" "denunciators", "profanation" attempts (Nazi and Soviet infiltrators in the JW org) and obstructive attacks on Jehovah's "fortress" (organization) and "constant feature" (ministry) in all theaters of nKN influence in WW2 and Cold War;

5. This shows this is a formulaic principle of these operations regardless of context, but these WW2 and Cold War events were not the final fulfillment; Yet these can still be applied to this prophetic description, but not to the full - BUT that did come as will be shown more here;

6. None of the former operations (1914-1945) had an ongoing success of true "effectiveness" which is needed in the prophetic feature to a recognized apex of fulfillment; (Dan8:23-25 has the same principle of a similar development)

7. In 1991 there was a sustained "effectiveness" of DT "placement" that manifested in a dual significance, in two different "places" of the same DT manifestation, a huge fulfillment; (Daniel 11:32 description and prophecy);

Great Dual Significance

The greatest significance of this period is the parallel dubious performance of the WTBTS along with this world manifestation of the "disgusting thing", in NWO form, at the end of this Daniel 11:30-32 description and prophecy;

All the "kings" are against the "holy covenant", so WW2 and Cold War nKN are not the apex final fulfillment; But one does become the climactic apex in time and it was manifesting before this time of public and private revelation as well in 1991; The apex enemy of the "holy covenant" is globalist King North (8th King + 2HWB globalists) it's most formidable rival for the rulership of the earth by God's Messianic Kingdom; (Rev 11:7; 13:7)

Though of no account as a threat to God's Kingdom power in reality, globalist King North is the main engine of the "disgusting thing" as a defiant "world peace idol" and an actual multi-national globalist unification against God's Messianic Kingdom sovereign power;

That globalist King is the one with the most significant denunciations against God himself by collective and authoritative effect; That globalist King is the one with the most significant comprehensive collective power forming to climax; That globalist King is the one with the most significant effective affects upon Jehovah's witnesses even now in covert fashion manifesting to undeniable;

(Daniel 11:30b) "And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant.

Clues of Greater Significance

1. This period transpires from after WW1 and after the rejection of Christendom in 1919 as part of the "holy covenant" even in former JW interpretation; These intrigues noted in verse 30b begin to develop after the first attack on the "holy covenant" and the "holy ones" after the 1914-1918 period of attack;

2. Therefore these leaving the "holy covenant", that the gKN "gives consideration to" are IN the "holy covenant" after 1919 as described here, which cannot be Christendom any longer by this time; What they actually are is former Jehovah's witnesses who turned infiltrator traitor to work internally in the JW worldwide organization from unknown periods after WW1, through WW2, to manifest more clearly and brazenly later; (Zech3; 2Thess2:3-12)
3. The other clue that this has greater globalist significance than Nazi Germany and Christendom as is currently interpreted by JWs, is that this King North is the driving force of the “disgusting thing” (DT) itself in this verses 30-32 sequence;

4. This King North initiates the progression that results in the DT placement again; Neither Nazi Germany, the USSR or any King North national power is the main engineer of the DT; They all fight the King South DT national champion Anglo-Americans; This King North is ultimately a King North who is involved with the origination, developmental engineering and various placements of the DT such as this one;

5. This King North is globalist world power actually at work since even WW1, to accomplish this “world government” feat, presented after each successive world conflict from WW1, to WW2, to the Cold War in one form or another;

**Double Whammy**

The greatest final application of what follows below is all applied to globalist King North resources and planning to an action of global significance in the world system, and in the JW organization progressively to a key signal climax;

*(Daniel 11:31a) And there will be arms that will stand up, proceeding from him;*

Those “arms” have stood up in the JW organization in spiritual warfare from way back, but manifested in time; They are why none of this information is being examined as regards the USSR inability to fulfill this prophecy after the downfall of that symbolic national King of the North and other implications covered in this report;

These “arms” are in spiritual war, proceeding from globalist King North:

*(Ephesians 6:12-13) we have a wrestling, not against blood and flesh, but against the governments, against the authorities, against the world rulers of this darkness, against the wicked spirit forces in the heavenly places. 13 On this account take up the complete suit of armor from God*

With dubious negative effects in time progressively to the climax signal result:

*(Daniel 11:31b) and they will actually profane the sanctuary, the fortress, and remove the constant feature.*

This is the “befouled” (Zech3:3) internal effect these “transgressors” (Dan8:11-14) have progressively had on the JW organization since this operation began to manifest more and more features of sins originating from within the JW system itself; “In the temple of the God”; (2Thess2:3-12 in 2Cor11:13-15 stealth “transformation”)

The temple now has a “man of lawlessness” forming to a full revealing from this infiltration, as this evidence points to as well; Currently this group is in a masterful infiltrative “transformation” as “ministers of righteousness” recycling JW minutia and playing the part of a “GB”; (2Cor11:13-15)

The organizational “fortress” by now is compromised with these operators and corruptions as well, and that effects the overall JW “sacrifice” being polluted in more compounding ways manifesting after the UN/NGO relationship: We are talking over 100 anomalies easily compounding since 1991;

That WTBTS UN/NGO Department of Public Information (DPI) relationship was the pinnacle “adulterous” transgression, because it mirrored globalist DT proclamation in the JW temple system of the DT “new world order” campaigning that was ALSO manifesting in the world system in the 1991 “stand” of the “False Prophet” parallel ing it in the WTBTS writings, as if planned; (It was planned, that is what a UN-DPI agent does, provide public information about the UN to it's demographic globally unique audience)

**Temple DT Idol Placed**

1. Thusly this has a significant and officially sanctioned placement in the WTBTS and the JW temple system publicly now from it's own “Governing Body of Jehovah's Witnesses” adjunct UN "ad agency" services in covert to overt fashion:

*(Daniel 11:31c) *“And they will certainly put in place the disgusting thing that is causing desolation.*

2. The rogue xGB members behind this did place the “disgusting thing” in the JW temple at this time of 1991 by official sanction which became world news and active scandalous reproach ongoing in 2001 (10/6/2001) approximately timed with the 911 WTC events, as this UN/NGO/DPI relationship spontaneously was "exposed”;

**U.N. Henschel Baby**

This was all carried out as Fred Franz went incapacitated and died; From that point forward, no comment whatsoever has materialized in print from the Governing Body of Jehovah's Witnesses upon very obvious features of the prophecy that can no longer be finally applied to the USSR and Russia in the capacity of any truly significant King of the North manifestation;

**Sleight of Hand**

1. But there is a greatly significant globalist King of the North manifestation in progress NOW and yet to form to worldwide apex in this prophecy that can only apply to globalist King North after the USSR national "King North" went down;

2. Thereby globalist King North himself, and other clues are also missed in the misapplication of this prophecy to the USSR in final fulfillment and the resistance and apparent lack of Biblical attention to adjusting this huge oversight by continued JW "sideshow distractions" from the xGB;

3. And that being for 20 years, a development that would not have occurred had Fred Franz been able to comment on these prophetic developments in light of the USSR's final collapse as retired national King North puppet, rather than Milton henschel, the globalist stooge, running the place into coma, continued by Gerrit Loesch's and globalist Co. in purposeful continuation of JW coma for future coup on the JWs;

4. And as we see developmental inconsistencies here, the Governing Body still fails to update the obvious problems that the fall of the USSR created as applied to Daniel 11:36 forward. This also affects the final fulfillment applicability of Daniel 11:27-35 which neither Nazi Germany or the USSR as national King North manifestations could fulfill in a sustained manner of success.

**Globalist Operations Continue**
The globalist King North has fulfilled this section of prophecy, and must continue all the way to the finality of the judgment to come in time; (Dan11:36b; Dan8:11-14), all the way into even the JW temple system, as the infiltration is obviously now affecting all Jehovah's witnesses prophetic awareness by outdated errors that could be fixed by careful examination of historical developments since 1990;

That is how successful this globalist King North effects on the truth have become, a temple cleansing is what must result from this dangerous seizure of the JW "established place" by these transgressors within the JW top hierarchies from the Governing Body across the JW system; (Dan8:11-14)

No one could just accidentally overlook these developments for 20 years, with timed anomalies that parallel huge globalist world events in 1991 and 2001;

And Daniel by divine inspiration informs us after this event, the infiltration would expand and continue to grow, even as some JWs went prophetically comatose in 1990 levels of erred understanding in regard to Daniel 8 and 11, the truth would come out in time (with a judgment; 1Pet4:17; Dan8:14);

Irreversible

But as noted this scriptural application takes place all the way to the "time appointed" "time of the end" which is the finality of the whole sequence and links all this to Daniel 8:11-25 "transgressors" as well:

(Daniel 11:32) “And those who are acting wickedly against the covenant, he will lead into apostasy by means of smooth words. But as regards the people who are knowing their God, they will prevail and act effectively.

As was shown in principle in the case of Nazi Germany and the USSR, the effects of this stumbling can apply to any "harassment" period in the fulfillment of this prophecy in minor or major final form and in principle; (Dan7:25) Some of the final effects described partially in this prophecy will be seen in the "trampling" of the "established place thrown down" in disciplinarian actions from God as per Daniel 8:11-14 when Jehovah requires the foretold accounting of this "transgression causing desolation";

This Segway is a Continuum

So this has multiple valid application and a final cycle:

(Daniel 11:33) And as regards those having insight among the people, they will impart understanding to the many. And they will certainly be made to stumble by sword and by flame, by captivity and by plundering, for some days.

And more questionable infiltrator “growth” will continue:

(Daniel 11:34) But when they are made to stumble they will be helped with a little help; and many will certainly join themselves to them by means of smoothness.

But a refining results and this is a continuum through to the "time of the end";

(Daniel 11:35) And some of those having insight will be made to stumble, in order to do a refining work because of them and to do a cleansing and to do a whitening, until the time of the end; because it is yet for the time appointed.

That is where this sequence takes a clean break to globalist fulfillment;

Without Fred Franz JWs Fail to Make This New Truth Known from 1991 Incept to Today

Since Fred Franz died in this period as well, this has not been noted by any updated JW prophetic exposition since 1958-1991 saw the USSR in progress to a then unknown outcome until final failure;

Why?

Instead, the WTBTS became an adjunct promotional for the "new world order" proclamation of the "False-Prophet" and the UN disgusting thing, which is a term that appeared over 70 times in the Watchtower and Awake! of the 1991 to 2001 period of worldwide promotional services for the "new world order";

====

Globalism as a world theory of rulership also became known after this 1991 period in "new world order campaigning"; In fact, the WTBTS also went public with this proclamation; Not exposing the prophetic meaning, but by being public information agents in the United Nations Non-Governmental Organizations, as Department of Public Information adjunct promotional advertising agents by subtle means for 10 years from 1991 to 2001, referring to the "new world order" 79 times in those ten years in the Watchtower and Awake! magazines;

That "NWO" began to be formalized in 1914 in union (two-horn-wildbeast) and operations (finance and world war) and global governmental "image" presentation as the League of Nations after WW1 and the United Nations after WW2 and the False-Prophet mantra "New World Order" after the Cold War;

Now it is in the WTBTS "temple"; (Daniel 8:11-14 MUST resolve this soon)

UN/NWO Swaps in as USSR Drops Out

Daniel 8 Unique Future Fulfillment and World Signal Event

Historic and Logical Discrepancies with Daniel 11:30-31 in JW Current Interpretation:

This Daniel 11:31 “disgusting thing” placement could not have fulfilled in WW2 with Nazi Germany as we Jehovah's witnesses have in our prophetic fossil record, which logically would affect the modern, updated interpretation of Daniel 11:30-31 as per historic reality and simple logic;

The Discrepancies

"He" in this context cited below is Nazi Germany, presumed to be a national “King of the North” in this scriptural interpretation by JWs:

(Daniel 11:30-31) . . . “And he (Nazi Germany KN) will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they** will actually profane the sanctuary, the fortress, and remove the constant [feature]. “And they** will certainly put in place the disgusting thing that is causing desolation.

Nazi's were Not Pro English-Elite World Government Fans

1. But we all know Germany was not fond of Anglo governmental and financial slavery to the English elites through the League of Nations through the "Paris Peace Pipe", and for no reason therefore, would Hitler or Germany endorse the "disgusting thing" UN that was yet to be placed in 1945, or be more willing to accept that elite forged yoke in that form far worse than the LON;

Then how could "they" place the DT?

2. The Germans of that time had NOTHING (directly) to do with the League of Nations/United Nations creation or promotions, therefore in WW2 would rather destroy the English spawned "disgusting thing" if power could be sustained, rather than "place" it in the world again as their master system to be in league with it as this scriptural interpretation of us JWs would imply;

Then why would "they" place the DT?

Then in no way can Nazi Germany be part of the "they" here:

31b And they will certainly put in place the disgusting thing that is causing desolation.

And that "they" above, is this "they" below of "King North" and the "arms that proceed from him", "him" being KN, "they" working in unison:

31a And there will be arms that will stand up, proceeding from him (KN); and they (KN and "arms") will actually profane the sanctuary...

3. Nazi Germany did NOT "act effectively";

Then why accept this interpretation STILL in the supposed "bible studying" GB?

4. "Those leaving the holy covenant" in alleged WW2 time could not be Christendom anytime after 1919-1922 as their covenant was revealed to be Babylon the Great harlotries, not even valid participants in the "holy covenant";

So, who did leave the holy covenant?

5. And last but not least, Nazi Germany was not an existent entity in power in 1945 when the UN "disgusting thing" was actually placed in that year; so that "they" has a phantom in it according to JW interpretation and plain logic;

Then who was KN at this time? Was it even at this time of WW2?

JW UPDATE TO MODERN REALITY

The Globalist King of the North

What is actually operable since WW1 is a formative globalist King North that engineers the whole desolation of the "World War" production;

As Jesus said, the "disgusting thing" is what causes the desolation, it is the root cause; NOT national powers as many believe, but globalist KN "masters of intrigue";

(Dan8:23-25)

The globalists of the 2Horn-Wildbeast (Rev13:11) engineered the WW1 event to create a global war desolation "problem" for which they could present their "world peace" idol "solution" on that engineered world stage of WW after the conflict ended;

The effect of the presentation of "disgusting thing" world government is the climax to the whole event; (Rev13:11-15)
World War 2 followed a similar world war desolation theater script; World “war problem”, with the handy globalist world governmental UN “peace solution”; World War 3, the Cold War, also had the same formula with a similar world war nuclear holocaust potential “problem”, with handy globalist world governmental NWO peace “solution”;

Daniel 11:31 DT is UN in NWO Mode of Proclamation 9/11/1990

And that is the UNDT third placement in world history here official before the US Congress on 9/11/1990 (World placement) and 1991 (WTBTS placement as UN/NGO PR service):

(Daniel 11:30-32) “And he (globalist KN; (gKN)) will actually go back and hurl denunciations against the holy covenant and act effectively (in the JW org, etc); and (gKN) will have to go back and will give consideration to those (JWs) leaving the holy covenant [in the WTBTS].

And there will be (infiltrative) arms that will stand up (in spiritual warfare; Eph6:12), proceeding from (gKN); and they (gKN and JW traitors) will actually profane the (JW) sanctuary (by UN/NGO services), the fortress (JW Org), and remove the constant feature. (Pollute JW sacrifices from then on;

“And they (gKN and JW traitors) will certainly put in place (In world and WTBTS) the disgusting thing (UN in NWO mode) that is causing desolation. (And that parallels the “desolation transgression” of Dan8:11-14 in 1991 in the WTBTS xGB sanctioned adulteries)

32 “And those who are acting wickedly against the covenant (more WT traitors), (gKN) will lead into apostasy by means of smooth words. (So, the infiltration continues, expands, and is present in the JW org today;)

And that is why the 1991 cover up of the significance of Daniel 11 (and Daniel8), timed with the death of Fred Franz, is significant in the WTBTS “transgressions” as regards the dubious conduct of the rogue xGB;

Rather than update this scriptural segway as the USSR dropped out of contention for Daniel 11:36 forward, by surrender to the UN in the end of the Cold War, by Russia joining the UN, the WTBTS and xGB instead became in 1991 to 2001 official, albeit covert, promoters of the UN/DT 3.0 NWO placement in the JW sacrifices of the Watchtower and Awake! worldview, with 79 "new world order" references, including parts of George Bush Sr.’s address before the UN Security Council as UN-DT 3.0 NWO was “placed” in the world, and in the WTBTS Awake! UN sycophancy article of 9-8-1991;

Many more UN promos and NWO plugging-parties followed in WT and A;

To this day the globalist UN affiliated undercover ops controlled xGB says NOTHING; They left the "holy covenant": They worship the wildbeast; (Isa66:6)

So, we JWs should expect a heavy judgment soon, as the xGB is purged in the REAL temple cleansing of Daniel 8:11-14 traumatic "fire" of Zech3:2, not this fake temple cleansing performed by the neo-papal xGB “neo-Inquisition” in the near future as God's infallible “Faithful and Discreet Slave” frauds, but actually the fully manifested “man of lawlessness” IN “the temple of the God”; (2Thess2:3-12 in 2Cor11:13-15 mode of deceptions)

The anointed priesthood is also cleansed in this period as per Zechariah 3;

JWs, KNOW that a judgment is coming that will commence the full final cycle of all prophecies that fulfilled in the 1914-1918 and 1919-1922 temple foundation phase, in temple completion phase;

The Daniel 11:36 USSR Invalidity Test the Governing Body Purposely Ignores for Subterfuge of Globalist UN 8th King Development

1. The basic test that reveals the Governing Body are teaching deception regarding globalist 8th King developments since 1990 is this scripture - a single line in it:

(Daniel 11:36) “And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

The Bypass Coverup

1. You see that line in their allegedly applied to the USSR by the GB?

A. “And he will certainly prove successful until [the] denunciation will have come to a finish;”

2. That cannot apply to the USSR because they failed and were dissolved long before the “denunciation will have come to a finish” which is Rev16:17, Rev11:15-18 and Armageddon;

3. In other words the “denunciation” is the world conquest upon a “King of the North” who will be active from at least Daniel 11:36;

4. In fact the Governing Body took special efforts to bypass a commentary on this line of Daniel 11:36 in the Daniel Prophecy book chap. 16 pp. 275-276 (1999);

5. There the commentary completely ignores "and he (KN) will certainly prove successful until the denunciation will have come to a completion" as far as commenting on it's meaning in regard to a failed USSR that CANNOT fulfill this prophecy;

8th King Ignored by GB

1. Someone does, 8th King globalists will be present and successful at Armageddon;

GB Treason in Broad Daylight

1. And it just so happens the Governing Body entered a promotional relationship as a United Nations organization at the same time that this prophecy fulfilled fulfilling Daniel 11:30-31 with the “King North” 8th King globalists of the UN;
2. That was a 3rd United Nations related globalist world governmental "image" "disgusting thing" that the Governing Body is purposely ignoring;

3. We know it is purposeful because it does not take a prophet to easily see that::

"And he will certainly prove successful until [the] denunciation will have come to a finish;"

CANNOT apply to the Soviet Union; Nor can they be involved with Anglo elite world government placement in the United Nations as that is what the Cold War was all about, staying out of the yoke of American and English globalist slaveries;

The Actual Fulfillment and Meaning: UN 3rd World Placement 1990

1. THIS is what actually happened in 1990 that the Governing Body must be purposely ignoring as a globalist serving operation:

(Daniel 11:30b-31) “And [8th King UN globalists] will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to [Governing Body] leaving the holy covenant.

31 And there will be [infiltrative internal] arms that will stand up, proceeding from [8th King UN globalists]; and [8th King UN globalists and the Governing Body] will actually profane the sanctuary, the fortress, and remove the constant [feature].

31b “And [8th King UN globalists and the Governing Body] will certainly put in place the disgusting thing that is causing desolation, [Which is the United Nations third world placement in 1990 and the Bethel placement in 1991 in the Jehovah's Witnesses worldwide "constant feature" for public world promotions of the United Nations "New World Order"]

Governing Body of the Man of Lawlessness

The Governing Body:

1. Fulfills the infiltration and treasons of the "man of lawlessness" in league with the United Nations objectives at 3rd world placement "disgusting thing" in 1990-1991, for 10 years as covert world promoters;

2. Covers up the actual prophetic meaning of Daniel 11:30-31 (Daniel 8:11-14 transgression) with an invalid Nazi and USSR subterfuge that cannot apply;

3. Persists in this lying illusion while setting up the Jehovah's Witnesses worldwide organization for a coup-de-grace with the next set of globalist world developments leading to the 4th United Nation globalist world government placement as per Daniel 8:25; 11:45;

Daniel 8:11-14 Temple Cleansing Prophecy in the Near Future; (Not 1938)

(Daniel 8:11-19) And all the way to the Prince of the army it put on great airs, and from him the constant feature was taken away, and the established place of his sanctuary was thrown down. 12 And an army itself was gradually given over, together with the constant feature, because of transgression; and it kept throwing truth to the earth, and it acted and had success, 13 ... “How long will the vision be of the constant feature and of the transgression causing desolation, to make both the holy place and the army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings and mornings; and the holy place will certainly be brought into its right (cleansed) condition.”

17 And he proceeded to say to me: “Understand, O son of man, that the vision is for the time of the end.”... 19 And he went on to say: “Here I am causing you to know what will occur in the final part of the denunciation, because it is for the appointed time of the end.

Organizational Disruption

"the established place of his sanctuary was thrown down"

1. The "established place" (Jehovah's Witnesses Organization) has never been thrown down since 1914-1918's temporary attempt; The Nazi attempt failed as per Daniel 11:27 "nothing will succeed", since the scripture indicates this prophecy requires a "transgressor" that actually "acted and had success" only the near future can provide the "act to completion"; (Dan8:23) to the divine degree purposed for the temple cleansing; (Jer30:11);

This cannot apply therefore to Nazi Germany, and will actually fulfill in the near future as part of the revealing of the "man of lawlessness" in the Jehovah's Witnesses Organization factional infiltration;

Sacrificial Profanation

"from him the constant feature was taken away"

1. By the UN/NGO sins and other xGB unscriptural policies designed to stumble millions of people covertly, the JW "daily sacrifice" is already profaned in God's eyes in the JW Org since MOL started operating to "UN-Baal" apex in 1991 (so far);

Speculation: This "constant feature was taken away" may extend in the near future to the first actual disruption fully, of the Watchtower as a "continual offering", when "the transgressors act to a completion" soon actually "throwing down" the Jehovah's Witnesses worldwide organization "established place"; (Dan8:11-14)

Nazi Failure

1. Even the Daniel's Prophecy book by the WTBTS shows the obvious contradiction in it's text in attempting to apply a failed attempt by Nazi Germany "actions" to this prophecy's "acted and had success" as the Daniel's Prophecy text on Daniel 8:11-12, disproves itself plainly;

2. Here is the prophetic requirement of "action" and "success":
3. Here is the xGB engineered erred interpretation:

Daniel's Prophecy (1999) Chap. 10 Pg. 179 Par. 29 Who Can Stand Against the Prince of Princes?

"The enemy’s vicious attempts to desolate and destroy “the holy place” had failed completely. Indeed, the remaining “holy ones” on earth, along with their companions of the “great crowd,” had come off victorious. (Revelation 7:9) And the sanctuary, in its rightful theocratic state, now continues to render sacred service to Jehovah."

4. Thus in plain English the xGB “updated” interpretation from the 1958 "Your Will Be Done" interpretation of the 2300 "days" diametrically contradicts the actual prophecy itself, which indicates the profanation/infiltration "acted and had success" until the temple cleansing of Daniel 8:14 is completed;

5. Nazi Germany "acted" in a limited sense, but did not have "success" so cannot be the subject "transgressors" of this prophecy;

6. In reality, due to MOL xGB successful profanation actions and success (Dan11:30) by infiltration, the text should be updated to read: "the sanctuary, in its polluted MOL infiltrated state, now continues to render profaned undercover services to Satan in blatant blasphemy, throwing truth to the ground daily as regards this important prophecy...", (Zech3:1,3; 2Thess2:3-12; 2Cor11:13-15)

Infiltration "Arms"

"And an army itself was gradually given over, together with the constant feature, because of transgression; and it kept throwing truth to the earth, and it acted and had success."

1. The Common English Bible gives the infiltrative flavor of Daniel 8:12:

(Daniel 8:12) In an act of rebellion, another force will take control of the daily sacrifice. It will throw truth to the ground and will succeed in everything it does.

2. The "transgression", "rebellion" and the "arms" are shown in prophecy here:

(Daniel 11:30-31a) And he (globalist King North) will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those (JW anointed) leaving the holy covenant. 31 And there will be (spiritual warfare) arms (Dan8:12) that will stand up (act), proceeding from him; (globalist King North); and they will actually profane the sanctuary (anointed identity; Zech3), the fortress (The JW Org), and remove the constant feature. (Profanation and maybe more in time)

The Main Transgression

1. And the “transgression” example in Awake!, September 8, 1991 "United Nations” issue, the first of a 10 year series of UN "Disgusting Thing" third stand, in "New World Order” proclamation mode after the Cold War (WW3) fulfilled this prophecy below in covert significance (at Bethel) to be revealed 10 years later timed with the 911 event:

(Daniel 11:31b) “And they (xGB and globalist King North operatives) will certainly put in place the disgusting thing that is causing desolation.

2. That phrase “an army” (Dan8:12) is infiltrators and differs from the JW "the army” (Dan8:13) that is given to "trampling” in the JW org "throw down” event of this culmination of God's temple judgment soon when the globalist pull their “coup de grace” with fraud xGB MOL aid (as usual, as per 1991, 2001);

Prophetic Cover Up

1. That for 20 years the xGB plays dumb on this easy to prove "glitch" in prophetic interpretation (and on Daniel 11:30-31 as well), and continues to foster an illusional false-teaching, is but an example of prophetic fulfillment;

"throwing truth to the earth, and it acted and had success”

1938 Was Too Soon

And he proceeded to say to me: “Understand, O son of man, that the vision is for the time of the end.”

1. Obviously in hindsight now, just 24-30 years after 1914, the 1938-1944 fulfillment proffered by the xGB is premature, only being at best not quite 30% even into the last days;

I am causing you to know what will occur in the final part of the denunciation, because it is for the appointed time of the end.

2. Certainly 30% into the continuum to final temple judgment prior to the temple completion final cycle of prophecy is not the "the final part of the denunciation";

3. Daniel 8:11-14 is the culmination of divine temple judgment of the transgression of the infiltrators and actions of the Daniel 11:31; Both prophecies are a result of actions culminating in the 1991 xGB WTBTS United Nations advertising and promotional campaigning of the "new world order", as can be searched on the Watchtower Library CD to return many references from 1991 to 2001;

The Real Zechariah 3 "Befoulers" to be Cleansed from Jehovah's Temple SOON

The "man of lawlessness" xGB and JW Org infiltrators are playing dumb, and just pretending, to deliver JWs to a hoax GT, that is instead, this needed temple cleansing
real divine judgment of Daniel 8:11-14 prior to the final Revelation 11 second cycle in final fulfillment mode to 7 full times trampling of the "holy city" in the actual "time of the end", the last days of the "last days";

This temple cleansing will result in the divine recovery of Jehovah's Witnesses (Zech3:2-9) for the final commission of the second and final world warning of the Revelation 11 "two witnesses" prior to actual divine temple completion of the 144000 under Christ;

Daniel 8 Temple Profanation: Nazi vs. xGB Fulfillment Test

Daniel 8:11-14 Nazi Germany (1938-44) versus JW Infiltration xGB (1991-Present) Prophetic Fulfillment Test

Fulfillment of Prophecy Basic

In order for a prophecy to fulfill, the claimed fulfillment must manifest ALL the conditions of the prophecy itself;

If we test Nazi Germany's attempted destruction of Jehovah's Witnesses and their German national presence of the organization and Christian ministry, we see Nazi Germany actually did not prove successful at fulfilling this prophecy for a number of reasons demonstrated here;

We will answer if it was possible for Nazi German attackers to have fulfilled the various elements of the prophecy one by one;

Universal Test: Fail

Instant Germany Disqualification

1. In this whole prophecy, the pronoun "It" is related to the "small horn" of Anglo elite globalists maturing to completion in the Anglo-American world system elite globalist governance "body" (2Horn-Wildbeast), so "it" cannot be Nazi Germany in the entire context of this prophecy as "it" is related to England and the subsequent Anglo-American partnership national and globalist; (Dan8:9-10)

2. The source of the main "transgression" perpetration is therefore already identified by prophetic context as Anglo and American "horn" developments; this is also as per the parallel "transgression" context identified at Daniel 11:30-32 as a globalist "King North" Anglo-American elite rulership development "profane the sanctuary, the fortress, and remove the constant [feature]";

3. "It", a "small horn" Anglo direct relation, must be the source of this "temple profanation" action, success and subsequent spiritual compromised "army" of Jehovah's witnesses anointed and earthling organization and ministry also shown in Daniel 11:30-31 as Anglo-American globalists "give consideration to those leaving the holy covenant. With infiltrative "arms that will stand up", "proceeding from him", being "it", the Anglo-American globalists; - Nazi Germany cannot be "it";

Test for Nazi Germany (1938-1944)

(Daniel 8:11)

a. And all the way to the Prince of the army it put on great airs,

1. Yes. Nazi Germany, like Nimrod before them, and many after, blasphemed God.;

b. and from him the constant [feature] was taken away,

1. Yes. In Germany and areas in Europe with Nazi domination in force, the formal Christian ministry of Jehovah's Witnesses was outlawed;

2. No. The discontinuation of the of the Jehovah's Witnesses Christian ministry was not global in extent;

c. and the established place of his sanctuary was thrown down.

3. No. The Nazi's never achieved a global "throw down" of the Jehovah's Witnesses worldwide organization;

(Daniel 8:12)

a. And an army itself was gradually given over,

1. No. The Nazi's never achieved a controlling infiltration of covert compromise of the Jehovah's Witnesses;

b. together with the constant [feature],

1. No. The Nazi's never were able to pollute or globally discontinue the daily "sacrifice" of Jehovah's Witnesses;
c. because of transgression;
1. No. The Nazi's were not in the "holy covenant" so could not "transgress" any Christian covenant requirements;
2. Since the Daniel 11:30-31 "arms" and "profanation" "transgression", is also this transgression, this context of both prophecies cannot apply to anyone outside of the "holy covenant" as this is a transgression against God by apostasy of those actually in the "holy covenant"; (Daniel 11:30b; "those leaving the holy covenant")

d. and it kept throwing truth to the earth,
1. Yes. The Nazi's resisted the divine truth;
2. No. The Nazi's did not stifle, subvert and retard progressive prophetic truth and meaning;

e. and it acted
1. Yes. The Nazi's "acted";
2. No. The Nazi's failed;

(Daniel 8:13)
a. And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking:
b. “How long will the vision be of the constant [feature]
1. No. This "constant feature" then cannot apply in this duration to any Nazi intrigues or this time period;
c. and of the transgression causing desolation,
1. No. The Nazi's are not involved with an inner covenantal transgression since they were not Christians recognized by Almighty God as in this "holy covenant";
d. to make both [the] holy place
1. No. The Nazi's never did perform a global action against Jehovah's Witnesses "sanctuary";
e. and [the] army things to trample on?"
1. No. The Nazi's never did perform a global action against Jehovah's Witnesses ministerial army; (Rev9:7, 16)

(Daniel 8:14)
a. So he said to me: “Until two thousand three hundred evenings [and] mornings;
1. No. Since Nazi Germany is disqualified from fulfillment of this prophecy, this time period is for the future as this prophecy never has fulfilled as of yet;
b. and [the] holy place will certainly be brought into its right condition.” (cleansed condition)
1. No. The Jehovah's Witnesses "holy place" never was successfully profaned by the Nazi's to the scale and severity of this prophecy; The "holy place" was clean at that time of Nazi operations, the profanation must result later in time;

Test for Nazi Germany (1938-1944) = FAIL

Test for Globalist Controlled xGB (1991-Present)
(Daniel 8:11)
a. And all the way to the Prince of the army it put on great airs,
1. Yes - The xGB claims to now be God's sole "servant" on earth;
b. and from him the constant [feature] was taken away,
1. Yes. The xGB has profaned the main sacrificial Christian documents with UN compromise and promotionals for the "new world order" objectives;
2. Yes. The "profaned" discontinuation of the JW Christian ministerial "sacrifice" is global in this approved sense since 1991;
3. This can progress to far worse conditions 'as the transgressors' of the xGB and infiltrators "act to a completion" soon, with their globalist controllers as per Daniel 8:23;
c. and the established place of his sanctuary was thrown down.
1. Yes. This "throw down" of the "established place" will be permitted by God; (Zech3:2) and is yet to come in this "temple cleanse" phase of God that this will commence, permitting this globalist action to completion; (Dan8:23); and revealing the "lawless one" in the xGB control infiltration for removal (cleansed);
a. And an army itself was gradually given over,
1. Yes. The xGB has achieved a controlling infiltration of covert compromise of the Jehovah's Witnesses and worldwide organization; (Rev8:10-11)

b. together with the constant [feature],
1. Yes. The xGB were able to pollute and will soon globally help discontinue the daily "sacrifice" of Jehovah's Witnesses;

c. because of transgression;
1. Yes. The xGB are in the "holy covenant" so could "transgress" that covenant requirement;
2. Since the Daniel 11:30-31 "arms" and "profanation", is also this transgression, it can apply to those in the "holy covenant" as this is a transgression against God;

d. and it kept throwing truth to the earth,
1. Yes. The xGB resist the divine truth;
2. Yes. The xGB do stifle, subvert and retard progressive prophetic truth and meaning;

e. and it acted
1. Yes. The xGB "acted";

f. and had success.
1. Yes. The xGB has and will be successful until divine neutralization; (Zech3:4; Hos1:7)

(Daniel 8: 13)
a. And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking:

b. “How long will the vision be of the constant [feature]
1. Yes. This "constant feature" then can apply in this duration to any xGB (and supports) intrigues;

c. and of the transgression causing desolation,
1. Yes. The xGB are involved with an inner covenantal transgression since they are professed Christian anointed recognized in this subverted role by Almighty God;

d. to make both [the] holy place
1. Yes. The xGB did perform, and do still perform global subversive actions against Jehovah's Witnesses;

e. and [the] army things to trample on?"
1. Yes. The xGB did and do perform global actions against Jehovah's Witnesses ministerial army, and will continue to "completion"; (Dan8:23); (Rev9:7, 16)

(Daniel 8: 14)
a. So he said to me: “Until two thousand three hundred evenings [and] mornings;
1. Yes. The xGB qualifies for fulfillment of this prophecy, this time period of 1150 days is for the future as this prophecy fulfills completely soon;

b. and [the] holy place will certainly be brought into its right condition.” (cleansed condition)
1. Yes, the Jehovah's Witnesses "holy place" is still in spiritual UN related pollution and other transgressions since 1991, perpetrated by the Governing Body of Jehovah's Witnesses, the target "befoulers" and "lawless ones" have been initially revealed thoroughly; (Dan11:30-32; 2Thess2:3-12; Zech3:1,3)

Test for Globalist Controlled xGB (1991-Present) = PASS;

The x-Governing Body of Jehovah's Witnesses is the "Man of Lawlessness" infiltration administrators requiring a divine clean-out as per this prophecy soon;

xGB/Globalists Universal Test: Pass

Globalist xGB? Yes!
1. In this whole prophecy, the pronoun "It" is related to Anglo-American elite globalists, so "it" can be an xGB undercover development from globalist power and expertise in the entire context of this prophecy;

2. The source of the main perpetration is "proceeding from" Anglo-American globalist interests as per Daniel 11:30-32 globalist King North; the xGB also fulfills that "disgusting thing" transgression, the core polluters and pollution of the Jehovah's Witnesses "Bethel" and "temple" system;
3. "It" must be the source of this "temple profanation" action, success and spiritual compromise so the xGB springs from this lawless control center for many infiltrated years prior to the 1991 main sin manifestation; (2Thess2:7; Dan11:32);

Conclusion:

Nazi Test - Affirmative = 4; Negative = 11
xGB Globalist Test - Affirmative = 15; Negative = 0

The Governing Body of Jehovah's Witnesses are infiltrator frauds and actors with globalist root objectives fulfilling prophecy for this commencement of their revelation as "man of lawlessness" (Zech3:1; 2Thess2:3-12) and the catalyst of the final temple cleansing and judgment cycles of:

1. **1150 days** (2300 units; Dan8:14);
2. The 1260 days to temple completion; (Rev11:2-12; 15-19) and;
3. The 1290 day Christ Court phase to final judgment and Armageddon total universal conquest (Rev19:19-21; Rev20:1-3; (Dan7:25-26; Dan12:11; Rev11);

The fraud Governing Body of Jehovah's Witnesses leads the modern day "great apostasy" foretold to be revealed prior to the final prophetic replication of all 1914-1922 temple and kingdom prophetic time periods in final fulfillment mode finale;

The anointed Christians of Jehovah now expose the Governing Body of Jehovah's Witnesses and their Revelation 8-9 "1/3" symbolic infiltration of the whole worldwide organization of Jehovah's Witnesses as apostate pretenders with a great sinister goal against Jehovah's people to destroy **the final ministry**;

JW_UN_NGO_Temple_Purification_Soon.pdf
The Final Temple Cycle as Simple as Possible

1. Temple Judgment leads to Temple cleanse, leads to 6 trumpets, leads to final little scroll commission, leads to 1260 days final "two witnesses" world warning, leads to 7th trumpet and Kingdom and Temple completion;

Timed Prophecy 1 - Daniel 8:11-14

1. Temple Judgment leading to purification is a timed prophecy at Daniel 8:11-14 for 1150 days minimum (Dan8:14) cleansing judgment of Jehovah's witnesses temple;
2. Daniel 8:13-14 activating is 1Peter4:17 "house" judgment commencement in the final cycle as the same event;
3. Daniel 8:11-14 parallels Zechariah 3 temple priesthood purification and Malachi 3:1-5 final temple visitation;
   A. The "man of lawlessness" must also be removed as this judgment runs it's timed course; (2Thess2:5-12)
4. Daniel 8:11-14 parallels and activates Revelation 8:2-5 "altar fire" cleanse of Jehovah's witnesses "earth";

Intervening 6 Trumpets

5. Revelation 8:2-5 leads to the first four trumpets (judgment targets, "earth", "sea", GB "lamp", "lights") heralded upon Jehovah's Witnesses; (Rev8:6-13);
6. That leads to the 5th and 6th trumpet recovered ministry of Jehovah's witnesses in a cleansed state;
7. The first four trumpets are heralded to Jehovah's witnesses globally as we are in the "abyss" state of this desolation in Revelation 9:1-2;

Time Prophecy 2 - Revelation 11:2-3; Daniel 12:7; 7:25

8. That leads to the official Revelation 10 "little scroll" final commission of the second "two witnesses" that leads to the second repeating 1260 day timed prophecy of Revelation 11:2-3; (Revelation 10-11)
9. That leads to the 7th trumpet Kingdom/Temple completion of Revelation 11:15-18;

Final Showdown at Armageddon

10. That temple completion (144000 under Christ) precedes Armageddon as the 8th King "scarlet wildbeast" is also apexing the rival sovereign rulership for the ultimate confrontation at Armageddon; (Zech4; 6)

The Main Temple Sin

1. The main sins are the 1990 Governing Body supporting actions of the third UN placement that they proclaimed for 10 years as UN NGO and covered up the meaning of Daniel 11:30-31 that "they" are a party to with King North "scarlet wildbeast" globalist powers in that fulfillment;
2. That Daniel 11:30-31 fulfillment parallels the transgression s and infiltrations of Daniel 8:11-14 and leads to JW organizational desolations of Daniel 8:11-14;
3. These sins compound over time into other sins; (Hos4:2)
4. This continuum of prophetic truth is what the Governing Body is covering up in fulfillment of Daniel 8:12 "throwing truth to the earth";

Live Signals of Prophecy Repeating

1. The "man of lawlessness" being publicly revealed is **actually the beginning** of the final temple cycle repeating NOW activating as 2Thessalonians 2:3-4 is initially fulfilled;
2. This "man of lawlessness" is being exposed by evidence of the many Governing Body of Jehovah's Witnesses purposeful and planned lawless practices (such as the UN NGO; 1991; Daniel 11:30-31);
3. They are also self-exposed by their own "lift up" self exaltation "publicly" as "above everyone" on earth as the pre-approved, self-appointed "faithful and discreet slave” blasphemy; (Public and official as per "new light", 2012 annual meeting, faithful and discreet announcement and website world proclamations;)
4. This is a well known signal prophecy at 2Thessalonians 2:3-4 as a temple judgment prerequisite completing;

Temple Judgment Signal

1. That MUST lead to the temple judgment cycle activating fully as well, as Daniel 8:11-14 culminates in adverse desolation effects on the Jehovah's Witnesses worldwide "established place" organization; (Dan8:11-14)
2. That will signal the beginning of what has been previously shown in prophetic sequence above, over a number of years, and two timed prophetic cycles with 6 trumpets and bowls of significant meaning paralleling between those timed prophetic periods leading to the culmination;

GET READY TO TAKE PART IN THE ADVENTURE OF YOUR
The signal attribute to determine ultimate King North is success or failure in the end time progression with a final sustainability by
that final king;

1. No national based "King North" has ever sustained this success, and neither did the USSR, thus the USSR cannot be applied to these sustained final successes of the Daniel 11 prophecy - but he may apply in principle momentarily by his intent and temporary effectiveness;

2. The final globalist King North will on the other hand, be sustained in successes as shown in prophecy in a number of places; (Including Daniel 8:23–25 which is a globalist world power, NOT the national Anglo-American system, for reasons covered in this analysis;)

Some Final Success Stories National King North Does Not Sustain

Globalist KN Success 1

(Daniel 11:30) "And he will actually go back and hurl denunciations against the holy covenant and act effectively";

Ultimately Nazi Germany and the USSR had no effect on the holy covenant, and even their limited effectiveness is debatable; They made JWs grow in fact, and fulfilled prophecy furthering that growth;

Globalist KN Success 2

(Daniel 11:36a) "the king will actually do according to his own will";

The definitive clue that the USSR is summed up in prophecy in the collective national failure of Daniel 11:27 "nothing will succeed", albeit with great world power inertia, is that the final globalist King North is successful to the very end;

And that success proceeds after the fall of the USSR who did not even enter the "time of the end" of the "last days", and this is the greatest clue as to the longevity of the final King of the North precluding all national powers who by now lack resourceful consolidative power required, eliminating all potential power players here, but ascendant globalist power.

Globalist KN Success 3

(Daniel 11:36b) "And he will certainly prove successful until the denunciation will have come to a finish";

No national King North ever was the apex fulfillment of this scripture, but globalist King North will be:

Globalist KN Success 4

(Daniel 11:39) "And he will act effectively against the most fortified strongholds";

Bankrupted USSR and Russia certainly were not enthroned on the rulership of all earthly wealth even capturing the "King South" domain of "Egypt" treasures:

Globalist KN Success 5

(Daniel 11:43) And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt.

USSR Not the Final King of the North Well Before Even Daniel 11:36

1. The USSR was now defined as part of that collective national and national-coalition failures, part of the "nothing will succeed" from WW1 to Cold War;

2. That failure of Communism/Socialist theory applied to national governmental and social systems disqualifies the USSR and Russia from the finality of the prophecy due to that manifest complete ideological failure;

3. Though the USSR national "King North" can apply in principle, it is not sustained successfully as the prophecy requires for final fulfillment as the globalist King North (8th King system) is accomplishing NOW and will complete as per prophecy; The USSR was just a national "King North" tool of the ultimate globalist King North for ultimate globalist objectives;

4. The national "King of the North" USSR (and the rest of the national powers) do not "act effectively" in any sustainable way; They are NOT the final fulfillment of these scriptures, even if they applied temporarily in principle; (Daniel 11:30, 11:36, 11:39, 11:43;)

5. This failure of the succession of national "King North's" from WW1 (Germany under Kaiser Wilhelm) to WW2 (Nazi Germany) through Cold War (USSR) was "because" the "end is yet for the time appointed" and strategic/resource limitations;

6. This means that none of those national Kings North as manifested through that approximately 60 year period from 1914 actually entered the "time of the end" of the "last days" as this is a complete end period that does have an active "King of the North" and he is a globalist power development;

7. The Daniel "time of the end" is not all of the "last days", but the end of them; All these national kings participated in only "last days" in the "Lord's Day" since 1914 of Rev 1:10, yet before the "time of the end"; The USSR is included in these verse 27 failures in the Daniel 11 prophecy and never did enter the "time of the end" of the "last days" which is another signal feature removing the USSR from final fulfillment possibility of Daniel 11:28-36;

8. Other prophetic clues compared to the history of this USSR final failure provide several other Daniel 11 provided identifiers of the final apex "King North" that prove the USSR is not delineated in Daniel 11 in any finality other than just a generic national "King North" that fails;

9. The Russian King North does not play a prominent role in the prophecy as his own "over-rated" presence seemed to dictate in the 1958 to current JW "understanding" where he is the star to verse 43; But the hindsight fact is, the USSR does not make it past verse 27 but in principle, and that one that does not sustain success;

10. The USSR does not apply in any finality to Daniel 11:30, 11:36, 11:39, and 11:43; In fact then, the USSR cannot apply to anything relating to final apex, currently
operative globalist King North. Like Nazi Germany, the USSR just adds to the “world war” puppet show diversions and intrigues as a national King North puppet tool and distracting “bogeyman” to what is really going on in the world power globalist game;

**Globalist King North Master of Puppets**

1. Daniel 11:27-45 will be in final fulfillment primarily applied to the globalist King North control of both the national "King North" and "King South" puppet show "players" for world distraction as the apex "king" of all human history, the finale;

2. Even "King South" becomes a subservient feminine symbol by Daniel 11:43:

   (Daniel 11:42) And he will keep thrusting out his hand against the lands; and as regards the land of Egypt (King South domain), she will not prove to be an escapee.

3. Another national, religious or ideological "King North" can still be utilized by the globalist powers, but it will be only illusory "bogey man" sucker's bait given power; No national power could ever out compete the globalist Global NATO 50% plus global war potential;

---

**Daniel 11:27** is a Key Scripture to Understand a Key Paradigm Shift to Globalism in this Prophecy

1. This prophetic segway is defining a crucial new paradigmatic view of consolidative globalism versus divided nationalism that Fred Franz was not able to elucidate, and for reasons to be discussed here, this crucial paradigmatic understanding still eludes JW's.

2. To understand this final section of Daniel 11, one has to view this with both nationalistic King North puppets and histories in mind and the globalist King North puppet master and his history in mind;

3. In time the King North "Puppet Master" must take over the whole show at the appointed time of the end;

   (Daniel 11:27) “And as regards these two kings, their heart will be inclined to doing what is bad, and at one table a lie is what they will keep speaking. But nothing will succeed, because the end is yet for the time appointed.

**Similar Attitudes**

1. Both "national versus national", and globalist influencing and controlling national “king” "badness” can be shown in history and prophecy in this statement;

   "And as regards these two kings, their heart will be inclined to doing what is bad, and at one table a lie is what they will keep speaking."

2. There is a common "badness" in all parties this can be applied to as nationalistic or globalist entities;

3. There is a common earthly "table" that applies to the aspirations of all powers that have gone to war in any form to expand territory to the limitations of their power; Globalism is attempting to use all nations to achieve it's own "table" of final world control;

4. They all speak the same "lie" and have the same related "one thought"; (Rev17:11-17) and that is a sovereign world rulership preservation and expansion whether of nationalist or globalist mindset acquired and maintained by any means possible;

**Globalist Becoming**

1. Globalism is a powerful theory of power logic and operations that can be applied to everything that defines national "power and authority", like finance, government and military, but applied to globalist international focused power reality, rather than internal national resource management; (Rev17:12-18)

2. This is applied by complex progressive domination by superior insight, resources and computer/satellite aided intelligence power with an effective formulaic application of consolidation principles consistently over time; (Dan8:23-25)

3. Yet from WW1 to Cold War, through three national "kings" of the "north", even the globalist "King of the North" in progressive power consolidation does not fully realize his objective until the appointed time of the end;

4. Nothing succeeds in the interim until the finality of their kingdom power apexes in the near future; Yet the globalist power is never an utter complete failure, it is always growing in power for the next phase (Dan8:23-25)

5. But nothing will succeed in the meantime nationally, because the end is yet for the time appointed, based on sustained successes of globalist power consistently, and the natural decline of national power due to these dynamics bent to globalist consolidation of resources;

**Master of Illusion**

1. Therefore the actual historic truth is that no national power, "King North" or otherwise, becomes financially actually rich from war. All the national powers end up with war debt and usually reparations debt as well that is shifted to the masses and takes years to "pay off";

2. That is how globalists use national powers against themselves by limited understanding of the real world rulership objective and the source of the big financing center that funds both sides of the war, to profit from both sides industries, while administering incredible debt in the aftermath;

**Kaching North**

1. These "resources" or "goods" must end up, and have ended up in the globalist progressive power camp in a progressively expanding and consolidative fashion over time:
In effect JWs need to swap the USSR out, and put the NWO in to that final Daniel 11 progression;

USSR that failed before the "time of the end";

apply fully, from Daniel 11:36 forward, and in climax final fulfillment of the principle features of Daniel 11:27

That is a key understanding also shown in this critical point in Daniel's prophecy, where the USSR no longer applies, but NWO globalist King North does

3. Globalization is the heart and body of a new world order, not nationalism, which is just a piece in the globalist puzzle;

Globalism is Also What is Totally Different

1. The climax awareness is the pre-birth of proclaimed "New World Order" with globalization as the worldwide "life blood" presented through unique globalist orchestration of world war and it's resolution;

That is the greatest feature of globalist actual ascendant power being recognized (by some) behind all world wars and how it did "not prove to be at the last the same as at the first", even in understanding this reality behind world war;

2. For those paying attention to the prophecy of Daniel from God that was a key difference in realization of the true world "locus of power" being an actual globalist engineered system, not some "conspiracy", but an actual world governmental power in formation; For those also paying attention to the development of geo-political current affairs after this event, globalization is the basis of the United Nations development efforts, but that must have an effect on the actual way national powers are ruled above their own nations;

Meaning the 17 acre "image" of the "wildbeast" United Nations is not the only part of an actual worldwide power system that is forming upon 200 national powers in a multi-national unified array for world rulership;

3. Germany surrendered to the UN by joining it; The NWO showed up in Berlin with jackhammers and champagne to "tear down the wall!", the Berlin Wall came crashing down as the curtain of the great puppet show ending;

The Cold War conclusion was the signal decline of national power in principle and the signal ascendancy of the "New World Order" globalism upon that dynamic vacuum of power.

A Significant Evolution in Globalist Ascension upon National Decline

The Cold War had periods of scattered "hot wars", but the overt declaration or identification of "world war" was not present but implied;

2. The one who pocketed 250 billion dollars in established industrial capital and actual profits in WW1, and 5 trillion in WW2 and 40 trillion in the Cold War was the globalist King North forming above the shells of divided nationalism during this entire period to the end of the Cold War;

This next scripture could apply to WW1 in principle, but in a fuller sense it is the climax of a whole developmental period starting with WW1 and ending at the Cold War end, as will be shown:

(11:28) "And he will go back to his land with a great amount of goods, and his heart will be against the holy covenant. And he will act effectively and certainly go back to his land."

6. Much more was being said and done there than meets the eye or ear, and that is partly due to no significant actual JW commentary on this significant development; It was to the Governing Body as if nothing at all happened prophetically, while they promoted the same "new world order" mantra in the Watchtower and Awake! for 10 years on the public record promoting the "new world order" with George Bush Sr., honorary GB;

Some Key Differences from "First" Time to "Last "Time

1. The very nature of the Cold War itself was different than the beginning of the world war process of intense hot warfare as in WW1 and WW2;

2. The Cold War was extended for many years longer than both world wars combined, with far less intensity of application over that period;

2. The Cold War was extended for many years longer than both world wars combined, with far less intensity of application over that period;

3. That was "different than the first time" of any previous war cycle; It certainly did not "prove to be at the last the same as at the first" in this drawn out progression to a sub-climactic "fade out" ending of the Cold War.

Globalism is Also What is Totally Different

1. The climax awareness is the pre-birth of proclaimed "New World Order" with globalization as the worldwide "life blood" presented through unique globalist orchestration of world war and it's resolution;

That is the greatest feature of globalist actual ascendant power being recognized (by some) behind all world wars and how it did "not prove to be at the last the same as at the first", even in understanding this reality behind world war;

2. For those paying attention to the prophecy of Daniel from God that was a key difference in realization of the true world "locus of power" being an actual globalist engineered system, not some "conspiracy", but an actual world governmental power in formation; For those also paying attention to the development of geo-political current affairs after this event, globalization is the basis of the United Nations development efforts, but that must have an effect on the actual way national powers are ruled above their own nations;

Meaning the 17 acre "image" of the "wildbeast" United Nations is not the only part of an actual worldwide power system that is forming upon 200 national powers in a multi-national unified array for world rulership;

3. Globalization is the heart and body of a new world order, not nationalism, which is just a piece in the globalist puzzle;

That is a key understanding also shown in this critical point in Daniel's prophecy, where the USSR no longer applies, but NWO globalist King North does apply fully, from Daniel 11:36 forward, and in climax final fulfillment of the principle features of Daniel 11:27-32 as applied to globalist King North, not the USSR that failed before the "time of the end";

In effect JWs need to swap the USSR out, and put the NWO in to that final Daniel 11 progression;
4. The "last" of that world war cycle for this phase before the "time of the end" (to 1991), "hot" or "cold", was indeed completely different than the beginnings and pretext objectives of any world war cycle previous to this event or in national limited wars before World War 1, or in the two world wars that followed;

5. The "cold war" was the more significant unique world war application and globalist actual objective of fast-tracked nuclear, weapons, missile, satellite and computer advanced technological development, among other globalist applied emergent systems maturing and expanding in this period after WW2;

6. Even the presentation of the "disgusting thing" (DT) was unique as a false-prophetic proclamation of the "False-Prophet’s" main mantra of the "new world order" prophecy; "the dream of a new world order"; George Bush Sr. (9/11/1990)

7. Globalism as a world theory of rulership also became better known after this 1991 period of "new world order" campaigning initiated by George Bush Sr., before the U.S. Congress on September 11th, 1990;

**The Scripted Obligatory "Dejection"**

(Daniel 11:30a) And there will certainly come against him the ships of Kittim, and he will have to become dejected.

That "dejection" was and is a standard part of the world war show (all of them in principle), as well as the resistance of nationalistic powers who were not willing or able to be dominated fully by globalist sovereign control yet. (Revelation 17:12-17 shows the eventual transfer of sovereignty to globalist powers)

For national significance, in hindsight, the national King North "puppet" always goes down, as the Anglo-American national world power King South "puppet" always arises victorious along with the globalist "image" it is connected to in the presentation of the League of Nations (1919) and the United Nations (1945) and the "New World Order"; (1991) (Obviously, the UN-NWO fell off the JW radar very conveniently in 1991)

In hindsight, this is all part of the standard WW script; "Dejection", or defeat of the national "King of the North" (nKN) is a required element of the globalist victory formula to present the principally triumphant or newly applicable globalistaffect upon Jehovah's witnesses even now in covert fashion manifesting to undeniable;

**Multiple Applications by Principle to Pinnacle Fulfillment**

1. This updated interpretation still honors the previous JW interpretation as applied to WW1’s "dejection" of the nKN, and WW2 had a similar "dejection"; The same principle always applies in an obligatory formula such as Daniel is exposing from God; What changes is the "ships", if one rendered them literally; But the "ships" and "Kittim" are symbolic; Yet that still honors the condition of WW1's nKN "dejection"; Yet applies to the successive global wars (hot and cold) as well;

2. The "ships of Kittim" is a symbology of many "vessels" of nationalism that are thrown against the national "King of the North" to produce this engineered "dejection" over time, for the above noted effect of birthing world government as a highly desirable means of "world peace and security" AFTER the convenient war cycle and the concluding "dejection";

3. So that honors the previous JW interpretation and still leads to a climax fulfillment anti-type that must take it all further, all the way to and through the "time of the end"; (Daniel 11:36)

4. WW2 and Cold War also had "holy covenant" "denunciators", "profanation" attempts (Nazi and Soviet infiltrators in the JW org) and obstructive attacks on Jehovah's "fortress" (organization) and "constant feature" (ministry) in all theaters of nKN influence in WW2 and Cold War;

5. This shows this is a formulaic principle of these operations regardless of context, but these WW2 and Cold War events were not the final fulfillment; Yet these can still be applied to this prophetic description, but not to the full - BUT that did come as will be shown more here;

6. None of the former operations (1914-1945) had an ongoing success of true "effectiveness" which is needed in the prophetic feature to a recognized apex of fulfillment; (Dan8:23-25 has the same principle of a similar development)

7. If 1991 there was a sustained "effectiveness" of DT "placement" that manifested in a dual significance, in two different "places" of the same DT manifestation, a huge prophetic signal that can be demonstrated. This globalist profanation "success" will continue all the way to Daniel 8:11-14 removal of this effect; That is how successful this is, and why it is the final fulfillment of this scripture as will be described here;

**Great Dual Significance**

The greatest significance of this period is the parallel dubious performance of the WTBTS along with this world manifestation of the "disgusting thing", in NWO form, at the end of this Daniel 11:30-32 description and prophecy;

All the "kings" are against the "holy covenant", so WW2 and Cold War nKN are not the apex final fulfillment; But one does become the climactic apex in time and it was manifesting before this time of public and private revelation as well in 1991; The apex enemy of the "holy covenant" is globalist King North (8th King + 2HWB globalists) it's most formidable rival for the rulership of the earth by God's Messianic Kingdom; (Rev 11:7; 13:7)

Though of no account as a threat to God's Kingdom power in reality, globalist King North is the main engineer of the "disgusting thing" as a defiant "world peace idol" and an actual multi-national globalist unification against God's Messianic Kingdom sovereign power;

That globalist King is the one with the most significant denunciations against God himself by collective and authoritative effect; That globalist King is the one with the most significant comprehensive collective power forming to climax; That globalist King is the one with the most significant effective affects upon Jehovah's witnesses even now in covert fashion manifesting to undeniable;
(Daniel 11:30b) “And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant.

Clues of Greater Significance

1. This period transpires from after WW1 and after the rejection of Christendom in 1919 as part of the "holy covenant" even in former JW interpretation; These intrigues noted in verse 30b begin to develop after the first attack on the "holy covenant" and the "holy ones" after the 1914-1918 period of attack;

2. Therefore these leaving the "holy covenant", that the gKN "gives consideration to" are IN the "holy covenant" after 1919 as described here, which cannot be Christendom any longer by this time; What they actually are is former Jehovah's witnesses who turned infiltrator traitor to work internally in the JW worldwide organization from unknown periods after WW1, through WW2, to manifest more clearly and brazenly later; (Zech3; 2Thess2:3-12)

3. The other clue that this has greater globalist significance than Nazi Germany and Christendom as is currently interpreted by JWs, is that this King North is the driving force of the "disguising thing" (DT) itself in this verses 30-32 sequence;

4. This King North initiates the progression that results in the DT placement again; Neither Nazi Germany, the USSR or any King North national power is the main engineer of the DT; They all fight the King South DT national champion Anglo-Americans; This King North is ultimately a King North who is involved with the origination, developmental engineering and various placements of the DT such as this one;

5. This King North is globalist world power actually at work since even WW1, to accomplish this "world government" feat, presented after each successive world conflict from WW1, to WW2, to the Cold War in one form or another;

Double Whammy

The greatest final application of what follows below is all applied to globalist King North resources and planning to an action of global significance in the world system, and in the JW organization progressively to a key climax signal;

(Daniel 11:31a) And there will be arms that will stand up, proceeding from him;

Those "arms" have stood up in the JW organization in spiritual warfare from way back, but manifested in time; They are why none of this information is being examined as regards the USSR inability to fulfill this prophecy after the downfall of that symbolic national King of the North and other implications covered in this report;

These "arms" are in spiritual war, proceeding from globalist King North:

(Ephesians 6:12-13) we have a wrestling, not against blood and flesh, but against the governments, against the authorities, against the world rulers of this darkness, against the wicked spirit forces in the heavenly places. 13 On this account take up the complete suit of armor from God

With dubious negative effects in time progressively to the climax signal result:

(Daniel 11:31b) and they will actually profane the sanctuary, the fortress, and remove the constant feature.

This is the "befouled" (Zech3:3) internal effect these "transgressors" (Dan8:11-14) have progressively had on the JW organization since this operation began to manifest more and more features of sins originating from within the JW system itself; "In the temple of the God"; (2Thess2:3-12 in 2Cor11:13-15 stealth "transformation")

The temple now has a "man of lawlessness" forming to a full revealing from this infiltration, as this evidence points to as well; Currently this group is in a masterful infiltrative "transformation" as "ministers of righteousness" recycling JW minuita and playing the part of a "GB"; (2Cor11:13-15)

The organizational "fortress" by now is compromised with these operators and corruptions as well, and that effects the overall JW "sacrifice" being polluted in more compounding ways manifesting after the UN/NGO relationship; We are talking over 100 anomalies easily compounding since 1991;

That WTBTS UN/NGO Department of Public Information (DPI) relationship was the pinnacle "adukterous" transgression, because it mirrored globalist DT proclamation in the JW temple system of the DT "new world order" campaigning that was ALSO manifesting in the world system in the 1991 "stand" of the "False-Prophet" parallel ing it in the WTBTS writings, as if planned; (It was planned, that is what a UN-DPI agent does, provide public information about the UN to it's demographic globally unique audience)

Temple DT Idol Placed

1. Thusly this has a significant and officially sanctioned placement in the WTBTS and the JW temple system publicly now from it's own "Governing Body of Jehovah's Witnesses" adjunct UN "ad agency" services in covert to overt fashion:

(Daniel 11:31c) "And they will certainly put in place the disgusting thing that is causing desolation.

2. The rogue xGB members behind this did place the "disgusting thing" in the JW temple at this time of 1991 by official sanction which became world news and active scandalous reproach ongoing in 2001 (10/6/2001) approximately timed with the 911 WTC events, as this UN/NGO/DPI relationship spontaneously was "exposed";

U.N. Henschel Baby

This was all carried out as Fred Franz went incapacitated and died; From that point forward, no comment whatsoever has materialized in print from the Governing Body of Jehovah's Witnesses upon very obvious features of the prophecy that can no longer be finally applied to the USSR and Russia in the capacity of any truly significant King of the North manifestation;

Sleight of Hand

1. But there is a greatly significant globalist King of the North manifestation in progress NOW and yet to form to worldwide apex in this prophecy that can only apply to globalist King North after the USSR national "King North" went down;

2. Thereby globalist King North himself, and other clues are also missed in the misapplication of this prophecy to the USSR in final fulfillment and the resistance and apparent lack of Biblical attention to adjusting this huge oversight by continued JW "sideshow distractions" from the xGB;
3. And that being for 20 years, a development that would not have occurred had Fred Franz been able to comment on these prophetic developments in light of the USSR's final collapse as retired national King North puppet, rather than Milton henschel, the globalist stooge, running the place into coma, continued by Gerrit Loesch's and globalist Co. in purposeful continuation of JW coma for future coup on the JWs;

4. And as we see developmental inconsistencies here, the Governing Body still fails to update the obvious problems that the fall of the USSR created as applied to Daniel 11:36 forward. This also affects the final fulfillment applicability of Daniel 11:27-35 which neither Nazi Germany or the USSR as national King North manifestations could fulfill in a sustained manner of success.

Globalist Operations Continue

The globalist King North has fulfilled this section of prophecy, and must continue all the way to the finality of the judgment to come in time; (Dan11:36b; Dan8:11-14), all the way into even the JW temple system, as the infiltration is obviously now affecting all Jehovah's witnesses prophetic awareness by outdated errors that could be fixed by careful examination of historical developments since 1990;

That is how successful this globalist King North effects on the truth have become, a temple cleansing is what must result from this dangerous seizure of the JW "established place" by these transgressors within the JW top hierarchies from the Governing Body across the JW system; (Dan8:11-14)

No one could just accidentally overlook these developments for 20 years, with timed anomalies that parallel huge globalist world events in 1991 and 2001;

And Daniel by divine inspiration informs us after this event, the infiltration would expand and continue to grow, even as some JWs went prophetically comatose in 1990 levels of erred understanding in regard to Daniel 8 and 11, the truth would come out in time (with a judgment; 1Pet4:17; Dan8:14);

Irreversible

But as noted this scriptural application takes place all the way to the "time appointed" "time of the end" which is the finality of the whole sequence and links all this to Daniel 8:11-25 "transgressors" as well:

(Daniel 11:32) “And those who are acting wickedly against the covenant, he will lead into apostasy by means of smooth words. But as regards the people who are knowing their God, they will prevail and act effectively.

As was shown in principle in the case of Nazi Germany and the USSR, the effects of this stumbling can apply to any "harassment" period in the fulfillment of this prophecy in minor or major final form and in principle; (Dan7:25) Some of the final effects described partially in this prophecy will be seen in the "trampling" of the "established place thrown down" in disciplinarian actions from God as per Daniel 8:11-14 when Jehovah requires the foretold accounting of this "transgression causing desolation";

This Segway is a Continuum

So this has multiple valid application and a final cycle:

(Daniel 11:33) And as regards those having insight among the people, they will impart understanding to the many. And they will certainly be made to stumble by sword and by flame, by captivity and by plundering, for some days.

And more questionable infiltrator "growth" will continue:

(Daniel 11:34) But when they are made to stumble they will be helped with a little help; and many will certainly join themselves to them by means of smoothness.

But a refining results and this is a continuum through to the "time of the end";

(Daniel 11:35) And some of those having insight will be made to stumble, in order to do a refining work because of them and to do a cleansing and to do a whitening, until the time of the end; because it is yet for the time appointed.

That is where this sequence takes a clean break to globalist fulfillment;

Globalism "The King" of Daniel 11:36; See: Daniel 11-12 in Globalist Mode

-------------

Without Fred Franz JWs Fail to Make This New Truth Known from 1991 Incept to Today

Since Fred Franz died in this period as well, this has not been noted by any updated JW prophetic exposition since 1958-1991 saw the USSR in progress to a then unknown outcome until final failure;

Why?

Instead, the WTBTS became an adjunct promotional for the "new world order" proclamation of the False-Prophet and the UN disgusting thing, which is a term that appeared over 70 times in the Watchtower and Awake! of the 1991 to 2001 period of worldwide promotional services for the "new world order";

===

Globalism as a world theory of rulership also became known after this 1991 period in "new world order campaigning". In fact, the WTBTS also went public with this proclamation; Not exposing the prophetic meaning, but by being public information agents in the United Nations Non-Governmental Organizations, as Department of Public Information adjunct promotional advertising agents by subtle means for 10 years from 1991 to 2001, referring to the "new world order" 79 times in those ten
That "NWO" began to be formalized in 1914 in union (two-horn-wildbeast) and operations (finance and world war) and global governmental "image" presentation as the League of Nations after WW1 and the United Nations after WW2 and the False-Prophet mantra "New World Order" after the Cold War;

Now it is in the WTBTS "temple"; (Daniel 8:11-14 MUST resolve this soon)

Daniel 8 Unique Future Fulfillment and World Signal Event
http://templelijah.wordpress.com/the-end/daniel-8-unique-future-fulfillment-and-world-signal-event/

Historic and Logical Discrepancies with Daniel 11:30-31 in JW Current Interpretation:

This Daniel 11:30 "disgusting thing" placement could not have fulfilled in WW2 with Nazi Germany as we Jehovah's witnesses have in our prophetic fossil record, which logically would affect the modern, updated interpretation of Daniel 11:30-31 as per historic reality and simple logic;

The Discrepancies

"He" in this context cited below is Nazi Germany, presumed to be a national "King of the North" in this scriptural interpretation by JWs:

(Daniel 11:30-31) . . . "And he (Nazi Germany KN) will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they** will actually profane the sanctuary, the fortress, and remove the constant [feature]. “And they** will certainly put in place the disgusting thing that is causing desolation.

Nazi's were Not Pro English-Elite World Government Fans

1. But we all know Germany was not fond of Anglo governmental and financial slavery to the English elites through the League of Nations through the "Paris Peace Pipe", and for no reason therefore, would Hitler or Germany endorse the "disgusting thing" UN that was yet to be placed in 1945, or be more willing to accept that elite forged yoke in that form far worse than the LON;

Then how could "they" place the DT?

2. The Germans of that time had NOTHING (directly) to do with the League of Nations/United Nations creation or promotions, therefore in WW2 would rather destroy the English spawned "disgusting thing" if power could be sustained, rather than "place" it in the world again as their master system to be in league with it as this scriptural interpretation of us JWs would imply;

Then why would "they" place the DT?

Then in no way can Nazi Germany be part of the "they" here:

31b And they** will certainly put in place the disgusting thing that is causing desolation.

And that "they" above, is this "they" below of "King North" and the "arms that proceed from him", "him" being KN, "they" working in unison:

31a And there will be arms that will stand up, proceeding from him (KN); and they (KN and "arms") will actually profane the sanctuary..." And they** will certainly put in place the disgusting thing that is causing desolation.

3. Nazi Germany did NOT "act effectively":

Then why accept this interpretation STILL in the supposed "bible studying" GB?

4. "Those leaving the holy covenant" in alleged WW2 time could not be Christendom anytime after 1919-1922 as their covenant was revealed to be Babylon the Great harlotries, not even valid participants in the "holy covenant";

So, who did leave the holy covenant?

5. And last but not least, Nazi Germany was not an existent entity in power in 1945 when the UN "disgusting thing" was actually placed in that year; so that "they" has a phantom in it according to JW interpretation and plain logic;

Then who was KN at this time? Was it even at this time of WW2?

JW UPDATE TO MODERN REALITY
The Globalist King of the North

What is actually operable since WW1 is a formative globalist King North that engineers the whole desolation of the "World War" production;

As Jesus said, the "disgusting thing" is what causes the desolation, it is the root cause; NOT national powers as many believe, but globalist KN "masters of intrigue";

(Dan8:23-25)

The globalists of the 2Horn-Wildbeast (Rev13:11) engineered the WW1 event to create a global war desolation "problem" for which they could present their "world peace" idol "solution" on that engineered world stage of WW after the conflict ended;

The effect of the presentation of "disgusting thing" world government is the climax to the whole event; (Rev13:11-15)

World War 2 followed a similar world war desolation theater script; World "war problem", with the handy globalist world governmental UN "peace solution";

World War 3, the Cold War, also had the same formula with a similar world war nuclear holocaust potential "problem", with handy globalist world governmental NWO peace "solution";

Daniel 11:31 DT is UN in NWO Mode of Proclamation 9/11/1990

And that is the UN/DT third placement in world history here official before the US Congress on 9/11/1990 (World placement) and 1991 (WTBTS placement as UN/NGO PR service):

(Daniel 11:30-32) “And he (globalist KN; (gKN)) will actually go back and hurl denunciations against the holy covenant and act effectively (in the JW org, etc); and (gKN) will have to go back and will give consideration to those (JWs) leaving the holy covenant [in the WTBTS]. 31 And there will be (infiltrative) arms that will stand up (in spiritual warfare; Eph6:12), proceeding from (gKN); and they (gKN and JW traitors) will actually profane the (JW) sanctuary (by UN/NGO services), the fortress (JW Org), and remove the constant feature. (Pollute JW sacrifices from then on;)

“And they (gKN and JW traitors) will certainly put in place (In world and WTBTS) the disgusting thing (UN in NWO mode) that is causing desolation. (And that parallels the "desolation transgression" of Dan8:11-14 in 1991 in the WTBTS xGB sanctioned adulteries)

32 “And those who are acting wickedly against the covenant (more WT traitors), (gKN) will lead into apostasy by means of smooth words. (So, the infiltration continues, expands, and is present in the JW org today;)

And that is why the 1991 cover up of the significance of Daniel 11 (and Daniel 8), timed with the death of Fred Franz, is significant in the WTBTS "transgressions" as regards the dubious conduct of the rogue xGB;

Rather than update this scriptural segway as the USSR dropped out of contention for Daniel 11:36 forward, by surrender to the UN in the end of the Cold War, by Russia joining the UN, the WTBTS and xGB instead became in 1991 to 2001 official, albeit covert, promoters of the UN/DT 3.0 NWO placement in the JW sacrifices of the Watchtower and Awake! worldwide, with 79 "new world order" references, including parts of George Bush Sr.'s address before the UN Security Council as UN-DT 3.0 NWO was "placed" in the world, and in the WTBTS Awake! UN sycophancy article of 9-8-1991;

Many more UN promos and NWO plugging-parties followed in WT and A;

To this day the globalist UN affiliated undercover ops controlled xGB says NOTHING; They left the "holy covenant": They worship the wildbeast: (Isa66:6)

So, we JWs should expect a heavy judgment soon, as the xGB is purged in the REAL temple cleansing of Daniel 8:11-14 traumatic "fire" of Zech3:2, not this fake temple cleansing performed by the neo-papal xGB "neo-Inquisition" in the near future as God's infallible "Faithful and Discreet Slave" frauds, but actually the fully manifested "man of lawlessness" IN "the temple of the God"; (2Thess2:3-12 in 2Cor11:13-15 mode of deceptions)

The anointed priesthood is also cleansed in this period as per Zech 3;

JWs, KNOW that a judgment is coming that will commence the full final cycle of all prophecies that fulfilled in the 1914-1918 and 1919-1922 temple foundation phase, in temple completion phase;

UN/NWO Swaps in as USSR Drops Out
Also at: http://templejehah.wordpress.com/257-2/

At Daniel 11, verse 36 there is the definitive prophetic removal of the USSR from fulfilling this scripture:

(Daniel 11:36) “And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful UNTIL [the] denunciation will have come to a FINISH…

==
KEY: Russia or the USSR did not "certainly prove successful until the denunciation will have come to a finish";
==

In fact they never reached the denunciation which STARTS with the judgment of God's house FIRST:

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God. Now if it starts first with us, what will the end be of those who are not obedient to the good news of God?

And as Peter under inspiration implies the signal denunciation of God's house is followed by the completion of the judgment on BTG, the world, and the final 8th King ascendant world power and all his and Gog's crew; (Rev19:19-21; 20:1-3; Eze38-39; Dan11:44-45)
TRUTH:
Fred Franz had he lived and was not incapacitated while this unfolded in prophecy would have noted the USSR could not fulfill Daniel 11:36;

If the USSR could not fulfill verse 36, it could not fulfill anything afterwards either, the USSR was just another failure summed up here:

(Daniel 11:27) But NOTHING WILL SUCCEED, because the end is yet for the time appointed.

The USSR did not even enter the "time of the end" of the "last days", because they mark the end time; the "last days" of the "last days" are marked by Russia's USSR fall;

UN-NWO Disgusting Thing Stands (1) - 1990

This is because the "disgusting thing" high priests stood up as the "False-Prophet" and uttered their triumphant entry mantra "the dream of a new world order" main false-prophecy as George Bush Sr's "5th Objective" before the US Congress on September 11th 1990;

George Bush Sr. 9/11/1990: Address Before a Joint Session of the Congress -
We stand today at a unique... moment,... Out of these troubled times, our fifth objective -- a new world order -- can emerge: a new era... Today that new world is struggling to be born, a world quite different from the one we've known...This is the first assault (Iraq Kuwait Invasion) on the new world that we seek, the first test of our mettle. (Gulf War)... in defense of principle and the dream of a new world order.

Update Obviously Needed
Now obviously Jehovah's witnesses have not been officially updated on this obvious revision to Daniel 11:27-45, because the DT we see in the UN-NWO surrender of the USSR, and Russia joining the UN by 1991 was not able to be commented on by Brother Fred Franz; (The DT's FIRST implied victory stand, not just a UN forum of "hope", but the Victor of the Cold War - very significant!!!)

GB Speaks
But the Governing Body and the WTBTS did make an announcement, and rather than expose the UN/NWO meaning in Daniel 11:30-32, they joined in the promotions of the "new world order", as per prophecy in v. 30-32 with 79 quotes and references in 10 years (1991-2001) as the UN/NGO Department of Public Information spreaders, adjunct "ad agency" for the UN DT "NWO" mantra and objectives;

Rather than expose it, in The Watchtower and Awake!'s massive global distribution, they joined the NWO "False-Prophet's" proclamation;

And still, they play dumb, because we no longer have brothers in the GB, but those who leave the "holy covenant" in Daniel 11:30-32, which leads to this simultaneous parallel stand of the DT in world history known by all:

UN-NWO Disgusting Thing Stands (2) in JW Temple by GB Sanction - 1991

TRUTH:
Fred Franz would not have let this slip in;

This leads to the full "denunciation will have come to a finish" in Daniel 8:11-14, and another update of prophetic meaning to come forth in Daniel 8:11-25; (Also conveniently covered by the rogue xGB) See [1]

So from the fullest final fulfillment meaning, the NWO swaps in at Daniel 11:28 and continues the trek of prophecy of what was formerly mistakenly believed to be fulfilled by the USSR (or Nazi Germany; just another failure of Dan11:27);

The USSR is barely mentioned in Daniel 11, just a part of "nothing will succeed"; that is the container of the USSR national King North = Just Another Failure based on Nationalism;

The REAL "King of the North" is globalist 8thKing+globalist-2Horn-Wildbeast, as all apex globalist power on earth, the full 8th King super-system (FULL bodied "scarlet wildbeast"; Rev17:3, 11-17) to come soon, as another final world power, King number 8, as also shown in the "King of Fierce Countenance" as well; (Dan8:23-25) The FINAL Kingdom of Adamic Mankind;

The judgment on the JW temple; (Zech3; Dan8:11-14), will lead to this awareness fully, will be traumatic, will lead to a cleansing and to the final fulfillment 7 times (2nd 1260 days = 2520 days) of the 2witnesses as Rev8-11 has a final cycle; (Rev11:2-3 will repeat to ACTUAL Kingdom and Temple completion; Rev11:15-19; Rev11:11-12)

And that's all she wrote;

If the rogue GB was legit, they would have pointed this out in 1991, rather than "place the disgusting thing that is causing desolation" which is the "transgression that causes desolation" in the JW temple as apostate globalist adjunct operatives;

(Daniel 11:30-32) "And he (globalist KN; (gKN)) will actually go back and hurl denunciations against the holy covenant and act effectively; and (gKN) will have to go back and will give consideration to those leaving the holy covenant [in the WTBTS]. 31 And there will be arms that will stand up (spiritual warfare), proceeding from (gKN); and they (gKN and traitors) will actually profane the sanctuary (by UN/NGO), the fortress (Org), and remove the constant feature. (Pollute JW sacrifices)
“And they (gKN and traitors) will certainly put in place the disgusting thing (UN in NWO mode) that is causing desolation. (And that parallels the desolation transgression of Dan8:11-14)

32 “And those who are acting wickedly against the covenant (more WT traitors), (gKN) will lead into apostasy by means of smooth words. And THAT is still going on in the WTBTS until Zech3/Dan8:11 clean out the "men of lawlessness" SOON; (Zech3:4; 2Thess2:3-12)

GUARANTEED; (Isa66:6)

Daniel 11 Foretells JW Org Infiltration
http://templelijah.wordpress.com/ffm/daniel-11-foretells-jw-org-infiltration/

The Daniel 11:36 USSR Invalidity Test the Governing Body Purposely Ignores for Subterfuge of Globalist UN 8th King Development

1. The basic test that reveals the Governing Body are teaching deception regarding globalist 8th King developments since 1990 is this scripture - a single line in it:

(Daniel 11:36) “And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

The Bypass Coverup

1. You see that line in their allegedly applied to the USSR by the GB?

A. "'And he will certainly prove successful until [the] denunciation will have come to a finish;''"

2. That cannot apply to the USSR because they failed and were dissolved long before the "denunciation will have come to a finish" which is Rev16:17, Rev11:15-18 and Armageddon;

3. In other words the "denunciation" is the world conquest upon a "King of the North" who will be active from at least Daniel 11:36;

4. In fact the Governing Body took special efforts to bypass a commentary on this line of Daniel 11:36 in the Daniel Prophecy book chap. 16 pp. 275-276 (1999);

5. There the commentary completely ignores "and he (KN) will certainly prove successful until the denunciation will have come to a completion" as far as commenting on it's meaning in regard to a failed USSR that CANNOT fulfill this prophecy;

8th King Ignored by GB

1. Someone does, 8th King globalists will be present and successful at Armageddon;

GB Treason in Broad Daylight

1. And it just so happens the Governing Body entered a promotional relationship as a United Nations organization at the same time that this prophecy fulfilled fulfilling Daniel 11:30-31 with the "King North" 8th King globalists of the UN;

2. That was a 3rd United Nations related globalist world governmental "image" "disgusting thing" that the Governing Body is purposely ignoring;

3. We know it is purposeful because it does not take a prophet to easily see that:

"'And he will certainly prove successful until [the] denunciation will have come to a finish;''"

CANNOT apply to the Soviet Union; Nor can they be involved with Anglo elite world government placement in the United Nations as that is what the Cold War was all about, staying out of the yoke of American and English globalist slaveries;

The Actual Fulfillment and Meaning; UN 3rd World Placement 1990

1. THIS is what actually happened in 1990 that the Governing Body must be purposely ignoring as a globalist serving operation:

(Daniel 11:30b-31) "And [8th King UN globalists] will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to [Governing Body] leaving the holy covenant.
31 And there will be [infiltrative internal] arms that will stand up, proceeding from [8th King UN globalists]; and [8th King UN globalists and the Governing Body] will actually profane the sanctuary, the fortress, and remove the constant [feature].

31b "And [8th King UN globalists and the Governing Body] will certainly put in place the disgusting thing that is causing desolation. [Which is the United Nations third world placement in 1990 and the Bethel placement in 1991 in the Jehovah's Witnesses worldwide "constant feature" for public world promotions of the United Nations "New World Order"]

**Governing Body of the Man of Lawlessness**

The Governing Body:

1. Fulfills the infiltration and treasons of the "man of lawlessness" in league with the United Nations objectives at 3rd world placement "disgusting thing" in 1990-1991, for 10 years as covert world promoters;

2. Covers up the actual prophetic meaning of Daniel 11:30-31 (Daniel 8:11-14 transgression) with an invalid Nazi and USSR subterfuge that cannot apply;

3. Persists in this lying illusion while setting up the Jehovah's Witnesses worldwide organization for a coup-de-grace with the next set of globalist world developments leading to the 4th United Nation globalist world government placement as per Daniel 8:25; 11:45;

**Daniel 11:27-45 Foretells JW Infiltration**

This will show how an infiltration has been prophesied which developed AFTER WW1.

1. Though this has fulfilled with [national] kings north (N-KN) and south (KS), this commentary focuses on [globalist] King North (G-KN) operating in the 2Horn-wildbeast (2HWB) main engineers of the "scarlet wildbeast" 8th King (SWB8K) "disgusting thing" (DT) as it developed from League of Nations (LN) to United Nations (UN) identity (Rev13:11-15); (globalist KingNorth = 2HWB + SWB8K globalists)

2. A point is this prophecy has a progression with [national] significance, at the same time [globalist] significant operations are revealed which lead to a [globalist] finale King of the North (GKN) by Daniel 11:40-45 fully manifest now and progressing in power on the world scene;

3. This is a [globalist paradigm] commentary on infiltration of Jehovah witnesses organization since after WW1 (1919+);

(Daniel 11:30-32)

**Infil-traitors:**

"And he (GKN) will actually go back (after WW1) and hurl denunciations against the holy covenant (Jehovah's anointed (JA)) and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant."

[A point is here, the GKN already had Christendom in it's pocket as puppets; This "will give consideration to those leaving the holy covenant" was concentrated on Jehovah's witnesses (then International Bible Students Association members of professed JA)

**Manifested Globalist King North Objective Completed:**

31 And there will be arms that will stand up (spiritual warfare in this covert action), proceeding from him (GKN); and they (with infiltration in JWs) will actually profane the sanctuary (1991), the fortress (JW Org), and remove the constant feature (Pollute the top level ministry (GB)). "And they will certainly put in place the disgusting thing that is causing desolation. (UN-ngo-DPI affair)

**And more Infil-traitors: Now that the apostasy is in place, "aids" can be positioned as agents;**

32 "And those who are acting wickedly against the covenant, he will lead into apostasy by means of smooth words. But as regards the people who are knowing their God, they will prevail and act effectively.

See how apostate traitors and potential agents are mentioned before AND after the "disgusting thing" injection? In this case covert and secretive, before and after the main action (1991) under Milton Henschel;

Well, yes, that had a fulfillment in Christendom and WW2 true, BUT it has more meaning NOW IN the JW temple related to globalist infiltration and objectives to pollute worship of Jws from the top (GB); (Zech3:3-1).

= **Rationale:**

1. After WW1, the real globalist GKN system came to realize, the more you attack and frontally assault JWs, the bigger and stronger they become, the more they spread, that is a futile strategy. It does NOT work, the globalists figured this all out in the WW1 period trying to war on JWs.

2. The time for globalist "Plan B" was logical after WW1 lessons were learned;

3. The globalist GKN powers of the 2HWB faction, that runs the 8th King "scarlet wildbeast" ALL making up the globalist "King of the North" REALIZED they needed a NEW STRATEGY INSIDE THE JW ORG to be more effective over time they;

4. GKN globalists, as per prophecy "give consideration to those leaving the holy covenant" in the JW org.

(At that time after WW1, from 1919 forward.. This has logical extended relevance because they were ALREADY using the Christendom frauds since even before WW1, these are different ones "leaving the holy covenant" given consideration, this is focused on and in JWs and the org;)
Same Reason

1. Christendom apostasy is not completely effective. Christendom can only create frontal assaults and persecution - that only makes JWs grow faster. What the globalists needed was INSIDE infiltr-traitors (InJW) inside JWs and the org, to do a new strategy, far more spiritually damaging from inside - and that kind of infiltration and planning takes time - but the planned near-future "wham" is BIG and Daniel by God says it was brewing since after WW1.

2. Daniel 11:30-32 implies that after WW1, the globalists started planning to get INTO the JW org, by infiltration means, from within, and they did, BUT they did not act in a major way immediately; it took time, until "he who acts as a restraint", Fred Franz, Knorr's right hand man, then Franz himself became president and lead GBer, when he was "put out of the way", incapacitated at 98 years of age blind in 1991, died by 12-1992 - then the "InJW" made the big move in 1991 UN debacle sin.

3. In that state is when they pulled fast moves immediately - the UN NGO-DPI relationship and wildbeast campaign in the Awake! and Watchtower for 10 years of "new world order" quotes - just search the WT-Library CD to see them;

THAT is when, a second fulfillment, a covert fulfillment, of Dan11:31 manifested, after planning and infiltration:

(Daniel 11:31) And there will be (infiltration) arms (in spiritual warfare against the brothers, from the globalists) that will stand up (become active in the JW org), proceeding from him (globalist KN); and they will actually profane the sanctuary, (with the UN relationship and sins - 1991-2001) the fortress (the JW org), and remove the constant feature. (JW top-down worship became "befouled" (Zech3:1-3 "fools" activated))

"And they will certainly put in place the disgusting thing ( that is causing desolation. The UN became linked to the JW temple, INSIDE it, by the UN NGO affair being initiated and still condoned and justified)

= Second Prophecy of JW Infiltration

1. Now Daniel 11:36-41 is an alternative recap of Daniel 11:27-32, it too, get this, shows the "disgusting thing" infiltrators as "entered" into the "land of decoration" (JWs) two times v. 41 (covert 1) (this may manifest overt)) and final DT placement (2) (v. 45):

(Daniel 11:40-45) (Since after WW1) "And in the time of the end the king of the south will engage with him in a pushing, and against him the king of the north will storm with chariots and with horsemen and with many ships; and he will certainly enter into the lands and flood over and pass through."

1. Notice this FIRST "land of Decoration" entered in v. 41? Then AFTER this, there is a second "Decoration" location in v. 45 later, the final one in the future** That implies TWO actions regarding "Spiritual Israel" (The Decoration);

(Daniel 11:41) He will also actually enter (with infiltrators) into the land of the Decoration (1), ( in other words, infiltration UN NGO) and there will be many [lands] that will be made to stumble. But these are the ones that will escape out of his hand, Edom and Moab and the main part of the sons of Ammon. (Those escapees "Edom, Moab, Ammon" are classic enemies of Israel in the bible, they are the traitors in this covert mode of prophecy, that is happening at the initial fulfillment leading into, and underlying, the final fulfillment in overt mode in progress)

1. Well "many [lands] that will be made to stumble", [lands] is an inserted word, it can read "many that will be made to stumble" due to this action of hypocritical entry of UN NGO "into the land of the Decoration". That could just be as easily "many [people] that will be made to stumble".

2. That "entry" into "decoration" (JWs), was the UN NGO in 1991 AND the infiltrators ("arms that will be made to stand") that manifested it (and are still in the org until the "lawless one" is revealed and cleaned out in final fulfillment).

3. Now true, this will all have in final fulfillment mode, an overt, visible world known event as Dan11:42 until the "lawless one" is revealed and cleaned out in final fulfillment).

4. BUT, in covert stealth mode, this does apply to the secret infiltration operation begun in Daniel 11:31-32 "infiltr-traitor" planning on "those leaving the holy covenant" as defined among JWs now well defined "temple of the God" (2Thess2:3 after WW1, and results in the same thing, in v. 35 and 41, after that secret offense went public (10/6/2001): mass, perpetual "stumbling" off of the web:

= (Daniel 11:35) And some of those having insight will be made to stumble (after the DT as the UN NGO) (Well, in 10 years of scandal press, millions have now stumbled on the UN debacle;) BOTH Daniel DT and infiltr-traitor "entry" prophecies have evidence in the JW org, and traitors are connected to the infiltration at Dan11:30-32 developed by the real, globalist, GKN powers centered in the 2HWB;

= (Daniel 11:42-43) And he will keep thrusting out his hand against the lands; and as regards the land of Egypt (KS), she (now subservient) will not prove to be an escapee. (Rev17:12-17) 43 And he (GKN) will actually rule over the hidden treasures of the gold and the silver (World wealth power) and over all the desirable things of Egypt (World globalist ownership). And the Libyans and the Ethiopians will be at his steps. (Everyone else [national] is poised to be sucked in as well)

= Temple Cleansing Required Soon

1. These v. 44 "reports" CANNOT happen until AFTER the temple cleansing, because those "reports" are from information in the "little scrolls", sovereign doom information for GKN, which this infiltrated GB is NOT delivering; They are KN "hand-maidens" and implanted agents instead - the infiltr-traitors are in there and they will NOT be approved to deliver these messages, they do not want to even identify globalist GKN;

= (Daniel 11:44) "But there will be reports (little scroll) that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. (Dan8:25; Rev19:19-21; Eze38)

The final DT stand after the 1260 day period of the second "two witnesses":

**(Daniel 11:45) And he will plant his palatial tents between the grand sea and the holy mountain of Decoration (2); and he will have to come all the way to
his end, and there will be no helper for him.

JW Temple Still Unclean; (Zech3:1)

1. So, we see two separated “land of decoration” entries described in the above, that can apply to the very real events of the future, BUT also apply to the secret events since after WW1 and manifested in 1991 in the UN “disgusting thing” STILL housed in the Watchtower “temple” in v. 41 (That has fulfilled in this covert meaning);

2. What is worse, these infiltrators may have cut off the official UN/NGO-DPI relationship in 2001, BUT the real relationship continues on and on, and that is where also the “proflane the sanctuary” is active since 1991 to today, even if they cut off the UN relationship officially, unofficially it is still an active infiltration to keep the DT in the JW temple; hence “befouled garments” (Zech3:1,3) all over the place: “Joshua” anointed, the temple, the "fortress" org, the land (all JWs), the "constant feature" is befoiled, it is all polluted by this development that is STILL active;

3. No wonder this GB has not had "new light" in 20 years, in spite of the greatest globalist prophetic activations in ALL human history! They are purposefully stagnant;

4. Of course in time Jehovah MUST clean them out; They are in so deep and so effectively they need to be removed by God as per 2Thess2:3-9 parallel to Zech3:2-9; Mal3:1-5;

Prophetic Modes That Repeat Prophecies to Progressive Finale

Great Temple Completion Phase and Finality: World Conquest

(Revelation 11:15) And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: “The kingdom of the world did become the kingdom of our Lord and of his Christ, and he will rule as king forever and ever.”

Great Events Dates in World History

1. Creation of Man; Rebellion of Satan; Fall of Man (4000 BCE Approx.)
   Righteous "seed" promised universally by God to destroy evil "seed" of Satan; (Gen3:15)

2. Arrival of Seed; Jesus Christ Anointed; Sacrifice; Covenants Secured by Christ; (33CE)

3. Messianic Kingdom Birth; Great Temple Foundation; Christ Stone Laid (1914 CE)

4. Greatest Future Event in Adamic Human History
   Messiah Kingdom Completion; Temple 144000 Completion Prior to Armageddon World Conquest of Jehovah and Jesus Christ; (Rev10-11; Zech4:6-9; Dan2:31-44; Psalm2)

Completion of New Jerusalem and Bridal Body 144000

This Biblical prophetic final fulfillment cycle is the most important of all Jehovah's witnesses' history.

In this fantastic final sequence every Kingdom and Temple prophecy fulfilled in the minor fulfillment of 1914 will absolutely repeat in the near future with universal and worldwide final permanent impact; (Dan2:44)

Malachi 3 and Zechariah 3 Perfectly Parallel in the Near Future

The Malachi 3 cycle is fulfilling now in precursory Temple inspection of Jehovah's witnesses professed anointed and Temple of Jehovah worldwide system of worship and sacred service.
(Malachi 3:1) “Look! I am sending my messenger, and he must clear up a way before me. And suddenly there will come to His temple the true Lord, whom you people are seeking, and the messenger of the covenant in whom you are delighting. Look! He will certainly come,” Jehovah of armies has said.

(Rest of 2 Thessalonians 2:3-5) Let no one seduce you in any manner, because [temple completion; Day of Jehovah] will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called “god” or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god. 5 Do you not remember that, while I was yet...
As in Zechariah 3:1 "Satan standing", this modern "lawless one" is also a parallel Satanically inspired operation:

(2 Thessalonians 2:9-10) But the lawless one's presence is according to the operation of Satan with every powerful work and lying signs and portents and with every unrighteous work...

The removal of Brother Fred Franz's organizational oversight and spiritual discernment, one acting as a restraint, is when this all developed in the then forming imposter GB in 1991-1992:

(2 Thessalonians 2:6-8) And so now you know the thing that acts as a restraint [Fred Franz], with a view to his being revealed in his [GB imposters] own due time. 7 True, the mystery of this lawlessness [JW Org infiltration] is already at work [for 20 years]; but only till he [Fred Franz] who [was] is right now acting as a restraint gets to be out of the way. 8 Then, indeed, the lawless one will be revealed [as an imposter GB infiltration], whom the Lord Jesus will do away with... [as per Zechariah 3:2-9 final fulfillment in a little while]

Revelation of Lawlessness will Trigger Further Final Fulfillment Cycle Manifestations

The existing or subsequent organizational infiltration must also be revealed in the great trigger prophecy of Zechariah 3:2-4 initiating in Jehovah's temple system among Jehovah's witnesses worldwide. The way this will manifest is not known, that it will be a signal event in Jehovah's organization of the commencement of this final fulfillment mode will be unmistakable.

This "lawlessness" in the GB and JW Org, also now parallels with the final fulfillment mode of Revelation's applicable prophetic cycles to activate soon with this developmental news in final fulfillment mode:

Revelation 8 Final Fulfillment Mode

The major cycle of Revelation 8 must activate live and real-time with this new focus: 144000 Temple completion.

Revelation 9 Bridge Ministry to Final Two Witnesses Final Fulfillment Mode

The perpetual ministries of the Revelation 9:1-12 Fifth Trumpet anointed "locusts" and Revelation 9:13-19 Sixth Trumpet "other sheep" "cavalry" also must bridge and merge into the official final "two witnesses" ministerial focus in the near future 1260 day ministry.

This bridges in time connecting a ministerial continuum of Jehovah's witnesses from the initial "two witnesses" of 1914-1918 1260 day ministry that commenced this ministry (Rev9) to the second "two witnesses" final Sovereign Ultimatum of God invitation and warning to all mankind backed by divine prophecy.

Star Burning as a Lamp in Jehovah's Witnesses Infiltration

Another parallel is to be proclaimed after this revelation of the "man of lawlessness" modern day thief and betrayer "son of destruction" within the GB and Org infiltration is fully and officially exposed aided by divine prophetic intervention; (Zech3:2-4):

(Revelation 8:10-11) And the third angel blew his trumpet. And a great star burning as a lamp fell from heaven, and it fell upon a third of the rivers and upon the fountains of waters. 11 And the name of the star is called Wormwood. And a third of the waters turned into wormwood, and many of the men died from the waters, because these had been made bitter.

That "lamp" parallels Satan per Job 18, and his ministry of deception in this final "man of lawlessness" infiltration work in the Jehovah's witnesses organization:

(2 Corinthians 11:13-15) For such men are false apostles, deceitful workers, transforming themselves into apostles of Christ. 14 And no wonder, for Satan himself keeps transforming himself into an angel of light. 15 It is therefore nothing great if his ministers also keep transforming themselves into ministers of righteousness. But their end shall be according to their works.

That modern day revealing of the "man of lawlessness" fraud "ministers of righteousness" now infiltrated and developed in Jehovah's "temple" system after the Christendom clean-out of 1919 will be exposed as Revelation 8 completes the actual finale of the "seventh seal" final ministerial truth full refinement and completion prior to the end.

Unlike 1914's minor fulfillments and foregleams, warnings and prophesying, this is all the climax final manifestations of the 7 trumpets and the 7 bowls that will have worldwide and universal total impact upon all defiant mankind and celestial angels (demons) permanently; (Rev19:19-21; Rev20:1-3)

The Big Parallels to Develop Soon in Jehovah's Witnesses

This creates certain biblical parallels with a judicial inspection (Mal3:1; Zech3:1; 1Pet4:17; Rev11:1-4), the detection of an infiltration (Zech3:1-3; 2Thess2:3-9), it's exposure and clean out (Mal3:2-5; Zech3:3-9;2Thess2:6-9), a new fully approved (Zech3:4; Mal3:4) divine state of responsibility (Zech3:6-7) with an extending "sit as a refiner" divine refinement of truth details after the initial clean-out judgment; (Mal3:3; Zech3:8-9)

This development in Jehovah's witnesses guaranteed by final fulfillment mode prophecy, will demonstrate that indeed this "mode" of final fulfillment exists and has begun, and will explain the subsequent "replications" of prophetic final fulfillment which must follow this trigger event of Zechariah 3:2-4.

Final Fulfillment Mode of Prophetic Paradigm Revision

This includes the final fulfillment round of the all temple and kingdom prophetic cycles, but in major final fulfillment, where applicable to the new "paradigm shift" of divine understanding in a final fulfillment cycle leading to Armageddon's final war with God.

Sampling of Some Prophecies Having a Final Fulfillment Cycle in the Future Based on an Initial 1914 Cycle of Minor Fulfillment

Please note that in some cases, only applicable sections of these prophecies must apply to a final manifestation of Kingdom completion and conquest development as well as final rival developments of the apex 5th King world system and all it controls to the Revelation 16:13-16 worldwide unification of Har-Magedon defiance and the climax that will encounter in the future; (Rev19:19-21; Dan11:42-45):
Sovereign Kingdom and Defiance Enemy System

Daniel 7-8, 11:40-12:12; Revelation 6:1-12; 13; 15-16; Joel 3:9-12; Psalm 2; Psalm 110

Temple 144000 Completion (versus 1914 Foundation)

Zechariah 2-13; Malachi 2-3; Revelation 8-11; 14

8th King Globalist Mode of Prophetic Paradigm Revision

Another "paradigm shift" must occur in explaining "globalism" as a basis for apex world rulership in defiance to God's Kingdom. This will occur in the explanation of the 8th King power system existent but through its' 1914-1919 initial manifestation. This heightened level of understanding must become the expository focus of these final fulfillments in relation to the 8th King sovereign rival system in the King of the North parallel symbol.

8th King Anatomy and Dissection Details

This prophetic analysis must include a "globalist" overview of the 8th King's influence over all sovereign prophecy depicting already fulfilled in this defiant rival system devised by the Dragon Satan since global incept after 1914 as well as how that must manifest in the final future fulfillment climax to head on collision with God's Kingdom in full completion mode.

8th King Must Have a Final Fulfillment

These details are currently being stalled and diverted by the current imposter GB. [1]

Revelation 11; The Ultimate Completion Prophecy

This will all lead to the great Revelation 11 final worldwide proclamation of all the completion directly stated in that prophecy relating to the Messianic Kingdom and Temple 144000 completion, and the implied "New Jerusalem" and Bride completion. This is what makes Revelation 11 so special in Bible prophecy; it is the only book that summarizes the completion of all the symbolic 144000 realities under Jesus Christ in Messianic Kingdom completion and total conquest, in Temple completion, and the finality of "New Jerusalem" which is the Bride.

This then relates to the "Kingdom of the World", the Kingdom the human sheep are delivered into after all this completion and conquest, in that Christ Court period of Daniel 7:26, in final fulfillment mode of Matthew 25:31-46, paralleling the 144000 aided judgment from the "temple" of Revelation 14:14-16 for the "sheep", and Revelation 14:17-19 for the "goats".

That is the "temple" in earth's direct influence at that time, that the "great crowd" of Revelation 7:9-17 are taken into as per Psalm 45:14-15.

In final fulfillment mode of Revelation, the word "temple", as accurately translated in the New World Translation, is used only when the 144000 are complete in periods before Armageddon as in Revelation 3:12; 7:15; 11:19; 14:15; 14:17; Revelation 11:1-2 pertain to the temple system on earth prior to and into the great tribulation.

Revelation 11 Must Have a Final Fulfillment

(Revelation 11:1-3) And a reed like a rod was given me as he said: “Get up and measure the temple sanctuary of God and the altar and those worshiping in it. 2 But as for the courtyard that is outside the temple sanctuary, cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth.”

The "rod" means also disciplinary action and shepherding will be present in this exposé. The "measurement" means this is certain to fulfill to the smallest detail. This second phase of 1260 days, will complete two phases of this duration significant in being an "appointed times of the nations", 2520 days, in relation to this "holy city" symbolized in Revelation 11.

Sackcloth means a dire message and a humbled state of Jehovah's witnesses worldwide.

(Revelation 11:4) These are symbolized by the two olive trees and the two lampstands and are standing before the Lord of the earth.

This relates Revelation 11, after the modern fulfillment of Zechariah 3, which leads to Zechariah 4, which is the sister prophetic prophecy to Revelation 11's "two witnesses". This means Zechariah 3 "cleansing" will lead to, and be before, this final ministry of Jehovah's witnesses.

(Revelation 11:5-6) And if anyone wants to harm them, fire issues forth from their mouths and devours their enemies; and if anyone should want to harm them, in this manner he must be killed. 6 These have the authority to shut up heaven that no rain should fall during the days of their prophesying, and they have authority over the waters to turn them into blood and to strike the earth with every sort of plague as often as they wish.

After that 1260 day period of this final world warning of the irreversible completion of God's Kingdom and conquest of planet earth, this finality of the "two witnesses" will occur in final fulfillment mode. This will over lay the great tribulation commencement at some point, and implies an unknown period of time AFTER this completes and the 1290 period of Daniel 12:11 (Dan7:26) begins:

(Revelation 11:7) And when they have finished their witnessing, the wild beast that ascends out of the abyss will make war with them and conquer them and kill them.

That wildbeast, in final fulfillment, is the globalist "scarlet wildbeast" system which arose from abyss fronted by the United Nations AFTER 1945, indicating a final fulfillment AFTER 1945 is necessary to complete the "two witnesses". That "abyss" rise is in Revelation 17:8.

(Revelation 11:8-10) And their corpses will be on the broad way of the great city which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled. 9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days, and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another, because these two prophets tormented those dwelling on the earth.

This means a final conquest of the "two witnesses" anointed of Jehovah. This ushers in an assured completion of the 144000 in glorified reality.

(Revelation 11:11-12) And after the three and a half days spirit of life from God entered into them, and they stood upon their feet, and great fear fell
upon those beholding them. 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud, and their enemies beheld them.

(Revelation 11:13) And in that hour a great earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven.

(Revelation 11:14) The second woe is past. Look! The third woe is coming quickly.

That 144000 completion also completes the Messianic Kingdom of God through Christ:

(Revelation 11:15-18) And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: “The kingdom of the world did become the kingdom of our Lord and of his Christ, and he will rule as king forever and ever.” 16 And the twenty-four elders who were seated before God upon their thrones fell upon their faces and worshiped God, 17 saying: “We thank you, Jehovah God, the Almighty, the One who is and who was, because you have taken your great power and begun ruling as king. 18 But the nations became wrathful, and your own wrath came, and the appointed time for the dead to be judged, and to give their reward to your slaves the prophets and to the holy ones and to those fearing your name, the small and the great, and to bring to ruin those ruining the earth.”

That 144000 completion also completes the Kingdom Temple of God through Christ:

(Revelation 11:19) And the temple sanctuary of God that is in heaven was opened, and the ark of his covenant was seen in his temple sanctuary. And there occurred lightnings and voices and thunders and an earthquake and a great hail.

That is why it is the last woe, and the 7th trumpet, it aligns after Revelation 16:17 seventh bowl upon the air:

(Revelation 16:16-21) And they gathered them together to the place that is called in Hebrew Har–Magedon. 17 And the seventh one poured out his bowl upon the air. At this a loud voice issued out of the sanctuary from the throne, saying: “It has come to pass!”

18 And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great. 19 And the great city split into three parts, and the cities of the nations fell; and Babylon the Great was remembered in the sight of God, to give her the cup of the wine of the anger of his wrath. 20 Also, every island fled, and mountains were not found. 21 And a great hail with every stone about the weight of a talent descended out of heaven upon the men, and the men blasphemed God due to the plague of hail, because the plague of it was unusually great.

And that is the end, ushering in the 1290 day final separation of the sheep and goats of Matthew 25:31–46, which parallels Revelation 14:14-19 as per Daniel 7:26.

(Daniel 7:25-26)

1260 Days:

25 And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time.

1290 Days:

26 And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate him and to destroy him totally.

That is how Zechariah 3 leads to 4, and that leads to Revelation 8:10-11 exposé, bridging and extending Revelation 9 to the final “little scroll” of Revelation 10, and the final fulfillment second “two witnesses” of Revelation 11.

Mail to:
Now this analysis is heavy duty Jehovah's witness bible prophecy. Heavy duty, if you are not a bible buff, you will need to become one to follow this logical progression to Armageddon laid out here. One needs to understand the basic temple completion prophecies in the bible at a minimum. (Overall this pattern has already been fulfilled 3 times in the bible, in 515 BCE, 39-36 CE, 1914 CE in minor ways. It will have a temple completion finale cycle in the near future. GUARANTEED)

Temple Foundation is Done

This analysis agrees entirely with our base truth of Jehovah through His witnesses well established in the 1914-1926 prophetic minor cycles of Daniel, Revelation and Zechariah and other supporting prophecies in that MINOR temple FOUNDATION series of prophecy - (3) timed cycles. (Dan7:25; Dan12:7 (Rev12:6,14; Rev13:5) Mal3:1-4/Rev11:1-4/Zech3-4; Dan12:11; Dan7:26)

1914 is over.

The temple system which emerged from that period, must be inspected, judged, cleaned-out and completed in the near future (Zech4:6-9).

Jehovah's witnesses are IN inspection right NOW, like a "chief in the night", Jehovah and Christ have started in the GB bedrooms and most JWs are dimly aware the imposter GB is headed for divine guillotine of Zech 3:4.

Temple Completion is Due

This Biblical prophetic analysis will point out from the Bible there MUST be a major final fulfillment "temple completion" sequence in the near future that accompanies the far greater temple completion 144000 culmination, just as these minor fulfillments accompanied and proved the minor temple foundation in 1914.

Total Harmony with All Jehovah's Witnesses Sovereign Prophecy

This final "temple completion" cycle, in the near future, will honor the original prophetic temple minor patterns and events of 1914-1926 BUT with worldwide scale and impact and universal finality of the Messianic Kingdom of God completed, and in full conquest of planet Earth and this universe; (Rev19:19-21; Rev20:1-3) The Temple completion, is the Messianic Kingdom completion as well; (Rev11)

Temple Completion is VERY Important and Will Have an Great Global Announcement Soon

The great point here is that that entire sequence of Kingdom and Temple completion prophecy MUST have, of course, a final fulfillment round at the great TEMPLE COMPLETION EVENT of the 144000 culmination in the face of the enemy systems of this world in the near future BEFORE Armageddon full war conquest of God and Christ.

This imposter GB wants to ignore this, and focus witnesses prematurely on great tribulation, for a reason, covered later. Make a mental note of this tactic, it is very very important.

Red Flag: The GB is NOT mentioning final fulfillment mode certainty.

Red Flag: The GB is not mentioning Temple 144000 completion certainty.

Red Flag: This GB has been infiltrated fully since 1991

A Great Prophetic Trigger Event Will Signal the Rest of the Temple Completion Cycles as Per 1914-1918, 1919-1922, 1922-1926 in the Near Future

This set of already well established (1914) cyclic events will follow a commencing segway prophecy event like 1914, the full identifying interpretation and fulfillment of Zechariah 3 and an exposure of a final "man of lawlessness" (2Thess2:3; Dan7:25) - this time right within Jehovah's witnesses Governing Body "temple" infiltration works.

This demonic and globalist inspired infiltration "virus" also has a 20 year subsequent JW organizational infection of a globalist infiltration that has struck God, and now He will return a small blow; (Zech3:4), to let them know where He is, and that indeed they are messing with the Living God, the Living Christ and REAL Holy angels in the organization of Jehovah's witnesses.

Jehovah will use that momentum to expose these globalist GB infiltrators, and to expose globalism as the basis of globalist actual real world power systems of the "full bodied" globalist two-horn-wildbeast (2HWB) and the globalist unification 8th King "scarlet wildbeast" - the very news the imposter GB is attempting to stall.

Jehovah will also get the worldwide attention of ALL Jehovah's witnesses and secretdisciples!

===

And now God is going to move on the globalists and imposter GB, globally, from within their own "set up".

This is the whole point of the Bible up to Armageddon!!! God pawning His enemies, with their own intent and moves! LOL.

GB a Little Fishy? Smell a Rat?

So, if you are anointed, or an earth sheep, or "secret disciple" of the Bible truth, paying attention to prophecy daily, you may be seeing the tell-tale signs that the Governing Body of Jehovah's Witnesses has some suspicious anomalies and serious ongoing sin problems, all under the illusion of the past righteousness of the Fred Franz era and preceding Governing Bodies - They are NOT in the same league!!!!!!!.
Imposter GB Anomalies, Just a Sampling by the Way...

1. This weird GB, since 1991, has a record of 20 years of zero significant "new light" in the face of the greatest prophetic preparatory development in human history in the completion of the Temple and Kingdom 144000 under Jesus Christ as we are far past "temple foundation" and Christendone phases now, almost 100 years in the past. There is plenty to cover...

The GB? In the dark on purpose...

2. This imposter infected GB has also 20 years of zero significant "new light" in the face of the greatest development in human history of 8th King globalist, and two-horned-wildbeast (2HWB) worldwide activity and developments in 1991, and 2001 (911) and proceeding daily to the third great globalist orchestrated world event, in an approximate 10 year stepping progression.

The GB? Purposely avoiding such "enlightenment", hold the 1990 course, 20 more times y'All!!

3. This fraud GB has MASSIVE questionable negative press and global reproach of Jehovah's name, regardless of the excuses and justifications they grease forth, in the UN/NGO-DPI "new world order" promotions campaign of 1991-2001, in 79 NWO references and quotes in 10 years in The Watchtower and Awake! magazines, searchable on the Watchtower Library CD.

Rather than an exposé of the UN globalists worldwide actual worldwide super-structures, the "bodies" themselves, in that 10 year "library research project", in bringing forth greater detail of Revelation 13:11-15 (2HWB), and Revelation 17:11-17 (Scarlet Wildbeast (SWB)), the GB are press agents for the NWO, those "bodies" do not exist, as far as this fraud GB is concerned. No news is good news, and no news came from 10 years of UN library research.

[Note: GB and 2HWB have same directive: The 2HWB does NOT promote worship of itself, only of the national collective wildbeast1 of Revelation 13:1, and it's 17 acre UN complex "image" of the "wildbeast" idea. The 2HWB wants to be a big global secret as to the reality of it's worldwide operative "body". The GB wants to keep the globalist secret as well. The 2HWB also does NOT promote worship of the formative dynamic "full bodied" actual 'scarlet wildbeast'; just the "image" - it ALSO wants that very real power system to ALSO be a big global secret.

The imposter GB, since 1991, ALSO wants all this to be a big secret as well, there is no such thing as a globalist 8th King actual world order super-sovereign worldwide power system forming as we speak. Only a declining nation-state wildbeast (Rev13:1) blinding shell game, and a UN forum auditorium of guys in suits up at the powerless "image" of the UN, a 17 acre complex of dilapidating buildings on the New York East River bank. Nothing to be alarmed about folks. Examples of GB diversion in The Watchtower [1] The imposter GB and globalists share the same goal.[See [1]

4. That is all coupled with 100 million to 1 billion people stumbled and negatively affected by this "undercover" GB/UN promo hypocrisy, and easily 4 to 20 million people utterly stumbled over 10 years. So we are talking a "Governing Body" who is carrying Adolph Hitler level bloodguilt, though not direct murder, but spiritual secret stumbling "kills" on the internet of around 6 million people minimum over 10 years of this imposter GB fed and exposed scandal.

And not so much as a peep from an apology from the neo-papal GB.

5. Instead we have an over protective, GB developed, "elder body" neo-Inquisition protecting (and thus sharing in) this clearly dubious, reproachful and bloodguiltiness of purposeful willing sins, sanctioned and blessed by the GB secret set of initial developments with the UN-DPI advertising campaigns that set ALL this in motion. The GB then butter their own mirror kissing "elder" syco-paths by scaring everyone like they aint globalist sinners headed for Gehenna, but must be respected as if they were Christ on earth - yet they are our mirror black and scarlet red dripping with heavy sins compounding and spreading orgwide, year over year.

6. This has created a perpetual shower of volcanic apostate web attack and stumble herding, the "Sam Herd" of the internet, that created a "symbiosis" where perpetual attack of the JW org bodies of the "GB", "Slave" and "Org", is responded to by perpetual idolization of those "bodies" year over year, to the point the "GB" and "Slave" steal sanctification regularly from Jehovah, with no credit to Jehovah at times, and no one seems the wiser but us awake Christians. (The JW "frog" is "slow boiled" subtly.... 

The imposter GB are thus also idol makers, they are a self-infallible, self-steroded Sacred Cow Golden Calf, well protected by dumbed down and rabid congregational Inquisitors, all incidentally, sharing in this sin fest, in every compounding gross sin in the spiritual book as briefly outlined here.

Let's All Face Reality Here

So let's not be imposter GB tards here, that UN thing is serious business, and yanked Jehovah's light and blessing immediately from this clearly globalist directed Satanically infiltrated GB (Eze16:27; Zech11:17), and that is all according to a repeating prerequisite of "lawless" prophetic development that also accompanied the 1914 ministry of Jehovah's witnesses (unofficially named) as the International Bible Students Association in the midst of Christendone's cleric system - that is, a "lawless one" revealed globally, at work in Christ's "house" and the "temple of the God" at that time.

And today, these imposter GB globalist tards provide the fodder of another, but final "lawless one" Biblical fulfillment of this exact same required prophetic segway to further FINAL Biblical progressions of prophecy and to their own destruction soon - in temple completion mode.

It MUST fulfill prophecy!

Now we clearly have the modern fulfillment "man of lawlessness" GB ALSO in the newly defined final "temple of the God" system in Jehovah's witnesses, that ALSO will kick off this final round of prophetic cycles, but all the way to Temple 144000 completion and Armageddon "War of God".

The imposter GB are the ever so silent bell, that God will ring, that will ding the first round heard round the world, to the final rounds and the full fight with God at Armagedon, and they will provide the catalytic basis of the next ministerial finale of ALL Jehovah witnesses worldwide, exposing them (and all their sordid plans beyond these), and the globalist power system they work with as well, to the whole world endlessly, until they are ALL annihilated by God's Kingdom.

They and the globalists trying to hide with them, will be exposed in the final "two witnesses" global campaign (Rev10-11), which Revelation 8-9 will lead to with this information in full detail expanded, when Zechariah 3:2-9 fulfills parallel with Malachi 3:1-4 and 2 Thessalonians 2:3-9 in front of everyone's face in the very near future.
Imposter GB JW Extermination Agenda

Jehovah's Witnesses Beware!

Judas GB Betrayer: This will be spoiling the imposter GB final JW "extermination party" global phase 3, that they had planned, to be symphonic with the next globalist worldwide fear orchestration in the next BIG globalist world strike soon. In that massive multi-911-like worldwide event after 2012, at some point in the future unknown, in which Jehovah's witnesses were going to be made to think "great tribulation" was breaking out, the GB had been preparing to lead JWs to the "promised land" internment systems, instilling such trust constantly for 20 years for this very reason, but in fact they plan to "Sam Herd" JWs to internment, prison and incarceration worldwide - to extermination, in one HUGE globalist event.

Judas GB Thief: That is what the big finale murderous "coup de grace" imposter GB objective is, in part, along with a huge, multi-million dollar swindle of the WTBTS.

The ultimate goal, is to shut up Jehovah's Witnesses forever, to rip the org off blind, and to position the whole thing for global exterminations, debalancing, and other events in a planned 10 year trek, approximately, to real great tribulation and globalist finale.

This next event is a preparatory hoax, "world tenderization" set of events coming up with symphonic GB assistance as usual supporting the globalist lead move. This is step 3 since 1991 step 1, and 2001 step 2, to provide a "world war" and or "world tribulation" event, which like WW1 and WW2 is a globalist engineered "world war problem" for which of course, the "disgusting thing" UN "image" is the very handily presented "world peace solution" provided by the 666 engineers of the whole event.

Like we're all a bunch of idiots.

After 2 rounds of this, these guys are predictable now. The imposter GB is their globalist puppeted hand maidsen of murder, which the previous 2 phases set up the machinations of for a big grand slam on the JWs worldwide.

Jehovah: King Me!

But instead, Jehovah is going to use all their globalist GB mice work momentum, for:

1. His OWN global announcement of "two witnesses" delivered Sovereign Ultimatum; ("little scroll" "reports"; Dan11:44-45) of guaranteed completion conquest of Kingdom and Temple (Rev11:15-19)...

2. Along with the prerequisite full revelation of the imposter GB globalist backed "lawless one"; (2Thess2:3-9), full identification of the globalist "King of the North" container of the Satanic anointed "illuminated" ones of the 2HWB (Rev13:11) and their ring of national elite puppets in the globalist "Scarlet Wildbeast" sole 8th King world power system of the globalist attempted "new world order"; (Rev17:11-17)...

3. As they pawn the world national systems worldwide parallel with Daniel 11:42-43 (Rev17:11-17), culminate the national gathering to worldwide Armageddon; (Rev16:13-16) and get everyone opposing God turned to dog food with themselves; (Rev19:17-21; Joel3:9-12) and Gog will be their too; (Rev20:1-3; Eze38)

So, the imposter GB will provide the reluctant means for one final world promotion!

 Well Laid Plans of Globalist GB Mice

All this sequence of sinner GB actions adds up to a final event and lots of communal JW sins in broad daylight.

Action 1 - 1991

GB: Massive Global Sin Complex Sanctioned and Carried Out for Globalists

Spiritual Fornication and Adultery - After the ever so vigilant and restraining; (2Thess2:3-9) on this globalist swill "man of lawlessness" faction in the GB, Fred Franz was incapacitated. THEN, ever so conveniently, this Milton Henschel globalist cabal went into action (1991-1992), secretly committing God's "Virgin Daughter of Zion" to worldwide adultery and fornication with the 2HWB boys and their wildbeast UN "image" worldwide with "NWO" promo JW demographic "escorts".

Re-Action 1

New Light is yanked, top level blessing is removed, the GB is in gross sin.

Action 2 - 2001

GB: Massive Global Sin Complex Exposed for Globalists 911 Timing

Worldwide Reproach and Apostate Fortification - A planned exposure of this little UN GB "mind sex" impropriety would be presented in well arranged time with the 9/11 globalist event on October 6, 2001. This would complete phase 1 (10 years), "Action 1", and extend this little foray for phase two to follow from 2001 forward to today (10 years), to the third "coup de grace" event, that all this would weaken the JW org for.

Sam's Herd Assault and Stumble - GB led apostate "flocks" would be perpetually fueled and fed by the imposter GB "actions" with plenty of real ammo to assault JW Org "bodies", from the web for endless stumbling in stealth mode - just ignore it, it aint real, while 100s everyday stumble.

Re-Action 2
Org Idol Creation - This handy assault created the impetus for the GB to make sure plenty of Org steroids and bandages were constantly applied to themselves, the “Slave” and the Org, diffusing faith to these fallible human bodies for future uses. The GB are ‘JW Cow Traffic Controllers’ now. Org idolatry is now endemic, people are dipped in Org “blood”, songs celebrate the “Slave”, Jehovah and Christ take a backseat to the GB.

Re-Action 3

Fear Mode - DO NOT Discuss the Bible Without the Imposter GB's Approval - The neo-inquisitional "elder body" is all uptight and frightful of any "apostate talk", and ill equipped to assess any argument unless they can visually perceive the source as "well dressed" with "plenty of preaching hours"; the globalist agents move in like well trained, well dressed, well rehearsed in JW formalisms termites, like actors all over the place. The real concerned Christians are disfellowshipped, discussion is strangled, eggshell walks prevail, the imposter GB remains hidden in plain sight.

Action 3

Isolate the Sam Herd on the Web - Make sure that the 2 billion people on the web has only an organized, GB sanctioned, apostate ministry to hear the "truth" from, make sure JWs DO NOT enter that greatest human territory in all human history in 2 billion people in any organized fashion. Provide the apostates with a 2 billion person, one sided story, imposter GB field day, captive audience.

Action 4

Spread the Bloodguilt - make sure all JWs are sharing in this travesty for years whether they realize it or not.

The Imposter GB is Protecting it's Rotten Presence by These Tactics

Why? How?

No Scriptural Speculation or Conversation - By making sure ANY chance of biblical identification of them is minimized, in tangent with this massive evidence squeched by various organizational pre-programmed reactions to NOT discuss the bible, and to treat as "apostate" any JW with concerns that have a valid basis in much truth, actual GB sin fests, and a ton of evidence.

Operate Under Cover of Former Righteous GBs

Give no indication of any impropriety in the press ministry, talks or conventions, by simply diffusing and shuffling standard teachings, and endlessly recycling the past, with many pretty pictures. Look busy. Look very busy. Buzzwords, appearances and formalisms and ritual cover the imposters well. This ensures the illusion everything is "business as usual".

The goal is sinning and stumbling in stealth mode perpetually fueled, and stalling the truth of final fulfillment details, by keeping everything in old light of 1990 over and over and over again, and backward "tunnel visioned" "end all" 1914 - forever.

JW coma.

Keep Bible Discussion Turned OFF

So this congregational fear mode reduces the possibility that the Bible itself should expose this sinner GB "man of lawlessness" infiltration - as it is shown here so doing.

They don't want even accidental random exposure.

Of course no "new light" will be provided in this direction either. BUT, keep in mind, as a possible "last resort" ploy as they realize they ARE being detected, right before the "coup de grace" event, they may release a photon or two to make JWs "trust" them for being "Sam Herded" to extermination.

The fraud GB implants want no "new light", for real, to expose their globalist handlers, or themselves, and NO "Sherlock Homes" anointed or assertive Scripturally studious "other sheep" exposing this huge list of GB sanctioned willful sins worldwide for 20 years - spiritual "befouled garments" too big to see, hidden in plain sight.

But, by this, the poor fools, they fulfill prophecy even more candidly, go figure! LOL Just can't beat Jehovah and Christ can you?

Jehovah will plop the news on their desk.

Imposter GB: Temple Must NEVER Complete - Pay Attention to Great Tribulation!!

The imposter GB also want to squelch ANY referral to "Temple Completion" prophetic reality of a repeating prophecy final fulfillment cycle, which by prerequisites, demonstrated in 1914, a "man of lawlessness" rat, MUST be revealed in temple completion mode soon - in the very temple of the God. (2Thess2:3-9)

So, as shown here, they are being revealed, because they have to be, they are in prophecy, and there they are, the imposter GB "rat nest" globalist termites "lawless one" providing Jehovah's organization the "befouled garments" of lawless activity and reputation fulfilling Zechariah 3:1 since 1991 with these many crimes. And in that scripture, as in 2 Thessalonians 2:3-9, Satan is now resisting and accusing the anointed on earth, with actual sins provided by these imposter GB globalist handled criminal puppets.
Why is King North Identified the Missing Bridge Piece?

1. Because Daniel 11:42-45 has ONLY one completion, and that MUST be in the near future.

2. Once this King of the North is officially IDd as a globalist sovereign symbol of ultimate defiance to God's Kingdom way beyond national power, in 2HWB (Rev13:11) and SWB 8th King globalists; (Rev17:11-17; Dan11:42-43), then that "missing link" in the "Bridge to Michael" Daniel12:1 is?

COMPLETED - The Link to the Prophetic Future is Complete - ONWARD!

The "King of the North" apex globalist system, regardless of their national KN puppet diversions, has been revealed to Jehovah's TRUE anointed, NOT to the impostor GB fakes who want to hide this reality from all, they are revealed as the "lawless one" that must ALSO be officially revealed to all the world by Jehovah's witnesses after Zech3:2-9 fulfills and a "new clean turban" guides Jehovah's organization, not a criminal fake GB any longer.

NOW THAT GREAT MENTAL PROPHETIC BRIDGE "KING NORTH" CAN BE CROSSED

THEN we know who gets the "catalytic" "reports" (Dan11:44-45) and the globalists know it too. That "King of the North" CANNOT remain a mystery, that "King" (globalist "north") will be identified and given "reports" of the FINAL Sovereign Ultimatum of Jehovah and Christ to their face as per Revelation 10-11.

3. Logically that "King of the North" identification, globally revealed, will "bridge" live and real-time to Daniel 12:1.

4. Logically that full world conquest "stand" of Michael must also progress through but after the rest of Daniel 12, as it did in 1914 in minor fulfillment, but with an apex "King of the North" enemy system identified, laser dotted, and warned to actually annihilate finally (Dan7:26) after Daniel 12:1 progresses to Daniel 12:11.

5. That means obviously, Daniel 12 also has a future final fulfillment mode, that this "King of the North" identity and activation MUST lead to from Daniel 11:44-45 to Daniel 12:1 and so on.

6. That means Daniel 12:7-1260 day period MUST repeat in this final KN activity on earth.

7. That parallels that KN with the "scarlet wildbeast" 8th King full bodied entities it is container of, for that 1260 day period in also Revelation 11:1-7 assault on the anointed remnant.

8. That links to Daniel 12:7 and Daniel 7:25 (1260 day), as KN "enraged" by this news "reports" goes into active attack in time worldwide - linking all this to final fulfillment mode guaranteed to conquest completion of God's Kingdom. KN must be drawn out with Gog for their annihilation. And they will be.

9. That Revelation 11:2-3 1260 day "time stamp", means there MUST be a second and final "two witnesses" global campaign, and that scarlet wildbeast attack of Revelation 11:7 parallels also Daniel 7:25 all the way to Daniel 7:26 final Christ Court annihilation of KN and the rest as per Revelation 19:19-21.

10. Now, in this massive "can of worms" of bible prophecy exploding worldwide, the poor "King of the North" "secret" globalist system exposé, imposter GB aided rather than retarded now, has now even dropped in Daniel 12:11, with the parallel destruction of the "constant feature" of Revelation 11:7 (Dan7:25/Dan12:11) That culminates after the 1260 days, with an unknown interim period, into the Daniel 12:11 1290 day Christ Court (Dan7:26) segway after the 1260 day final "two witnesses".

11. Well lo and behold! This transitional of epic proportions in KN and Kingdom history and manifestation connects the Daniel 7:26 full "Christ Court", with the completion of the 144000 temple in Revelation 11:11-12, and the final angelically aided "gathering" of Matthew 24:29-31; Mark13:24-27; Luke17:34-37.

12. This drags all those holy angels that arrive with Christ in personal presence over earth, to aid this "gathering", with Matthew 25:31-46 final judgment period of the "sheep and goats" to enter this "Kingdom prepared from the founding" of Revelation 11:15 "Kingdom of the World". Now that Sovereign Christ Court 1290 period hubs all this global activity, right in KNs face.

(That has to also include the angels of Jude 14 and Joel 3:9 significance - in other words, soon after this event, KN is toast... But in the meantime)

14. That leads that final "temple system" 144000, under Christ "top stone" finale completion (Zech4:6-9), from where the final judgment angels emerge for "harvest" work, of salvation "earth harvest" of Revelation 14:14-16 and the "vine of the earth" "goat" destruction of Revelation 14:17-19, from a completed 144000 temple system in Revelation 14:1 final fulfillment mode.

15. That is the same "temple" that the "great crowd" of earblings walk into in Revelation 7:9-17, for it is over earth in this period of conquest, "in the air" of Revelation 16:17 and I Thessalonians 1:6-10 as Zechariah 12:7-9 ultra-protective 144000 annihilate the enemies of God's earbling "sheep", eg; KN and company; (Rev19:19-21). That links that segway together well.

[To restate; this sequence, the 144000 temple completion under Christ, connects to Kingdom completion in Revelation 11:15-18 which Revelation 10:7 shows precedes the final fulfillment mode "Seventh Trumpet" (also at Matt24:31).

This means that the "Seventh Bowl" "it has come to pass" of Revelation 16:17 is also the Christ "air event" linking Revelation 16:17 to 2 Thessalonians 1:5-10 which completes "in connection with his holy ones", 1 Thessalonians 4:17 of those anointed "who are surviving" BEFORE the finality of Armageddon conquest "war of the great day of God the Almighty" - The final fulfillment mode Seventh Trumpet BLAST!!! Total conquest and destruction to the globalist "new world order" into "new world out of order", BUT, at Christ's leisure - it is not stated in that 1290 day "Christ Court" exactly when this commences or completes; (Amos 9:1-3; Rev6:12-17; Rev16:17-21).]
16. This relates the 144000 "temple completion" of Zechariah 4 prophetic guarantee (two witnesses Rev11 parallel principle), which in typical Jerusalem also completed in the face of Israel's enemies (515 BCE), in this anti-typical case the apex application of the flattened "O great mountain who are you?"; (Zech4:17), is the annihilation of the KN resistance even as this imposter GB tries to shut down the "good news" of this completion!

17. And as Zechariah and Haggai typify, the news of completion in that case, and in this one, MUST precede the reality, so this "O great mountain" GB cabal, and all imposters with it, WILL be flattened, they ALL connect to 8th King, 2HWB globalists attacking Jehovah's organization from the inside, with far more sinister final objectives.

18. So as Revelation 11 parallels Zechariah 4 in final fulfillment mode, the final "two witnesses" will actually, in part, be giving global worldwide testimony of this truth, and the imposter GB is part of the globalist infiltrator fraud story that is revealed that leads to all this, before it takes place, aiding the final warning!

So the scheme of the fraud GB globalist agents, who couldn't refute any of this biblical truth and logic with guaranteed final sequence and progression after this revelation of these frauds, has not only failed, it adds to the momentum of the global pronouncement and conviction of these fakes, AND their globalist world power system they are trying to conceal as long as possible.

Man, look what happens when you try to fork God, LOL!!!

He forks you! Checkmate you imposer GB frauds.

**Imposter GB Must Cover For Globalist Identities**

This also explains why this GB cabal, will never go past 1990 enlightenment, unless it is for a final little "trust injection" to keep duped sheep duped for extermination phase soon. This GB will not go into depth on the "seed of the serpent", and his anointed in this modern period, because some of them are in the org now, and want no connection to this "seed line" being the top level anointed of Satan of the 2HWB system, which also houses the escaped "fake Jewish" Revelation 2:9 and 3:9 "Synagogue of Satan", now well "housed" in the Anglo (angel) earthly system.

That cabal goes back to the betrayal of Christ in that John 8:44 "seed of Satan" exposure of Jesus Christ of this element in that "house" system at that time. No way Satan allowed that core nest to perish with physical Jerusalem, and those duped Jews. They ended up with the Romans, and on to Anglo Britain over time, and to other locations in Satan's strategic plan.

Now it is getting time for Jehovah to fry that "third" out of his org. Yet in prophecy we do not fully know if that third is saved, or purged, so we do not know the real level of this infiltration. We know they will be the brunt of the Revelation 8 global pronouncements, linked to globalist "seed of Satan" operations as the final scale of the "burning mountain" issue man will be devoured by in due time in real GT; (Matt24:21), a GT of globalist extermination, engineered and at some point held back by God until the final 144000th is sealed; (Rev7:1-3)

By now the dumbest of anointed would be light years beyond the progress of this imposter GB, even the world, as per Luke 21:25-28, is showing "signs" of strange globalist activity well exposed in many research exposés, that though of little biblical connectivity, the 2HWB can be demonstrated in the general theories that do align with biblical details of their actual existence as a power "body" that is very real; (Rev13:11; Rev17:3, 11-18).

This is why this imposter GB will not explain globalization as a basis of very real, beyond just "image", world rulership super-structure now being injected with 100s of trillions of dollars in global expansion easily statistically certain since 9/11 in a modern day globalist "King of the North" surge of Dan11:40 and onward. Even the dumbest "Sherlock Holmes" at the Kingdom Hall is putting this together.

The GB is playing dumb, in fact they are more than just playing dead.

**Imposter GB Prophetic Pawns for God's Next Move**

Well, this brings us to a great realization of why this "garments befouled" GB; (Zech3:3) MUST be revealed FIRST as the "man of lawlessness" "mols" they are.

They are merely prophetic pawns! They MUST fulfill prophecy, and like Judas at Bethany, they expose themselves as also thieves and betrayers. The former pattern of 1914 had a similar revelation. It MUST repeat at temple completion mode.

This divinely backed exposed leads off, in grandest of all fashion and infamy and notoriety globally, the parallel LIVE fulfillment of Zechariah 3:1-10, upon the Malachi 3:1-4 "temple inspection" of Jehovah and Christ - starting off in the globalist GB drawers - producing the infiltrator vermin culprits right in the imposter GB "man of lawlessness" mole nest (2Thess2:3-9), now traced all the way back to the Milton Henschel globalist spies of 1939 pasted to unsuspecting Brother Knorr to pick information, but fully manifested in 1991 as UN globalist agency when Fred Franz left the earthly scene as a restraint on them, only to laugh at them from the heavenly one! LOL!

I mean, what irony.

*Like Judas, these globalists in the GB expose themselves first.*

**But More Irony Awaits**

When this exposé of the imposter GB infiltration "friedit" from the "log" of Zechariah 3:2, is fully revealed by God, after Zech3:2-4 fulfills possibly concurrent with the great globalist event the imposer GB plan to be a complimentary part of, (as usual like 1991, and 2001), then this is the preparatory event of the "Seven Trumpets" of Revelation 8 final fulfillment mode as well, by full understanding of the "side two" of the now fully opened "Seven Sealed Scroll".

That divine understanding is complimentary to the "opened", that is, fully understood "little scroll" of Revelation 11, which this preliminary fully understood "Seven Sealed Scroll" First Trumpet blast in final fulfillment mode, leads to:

**Full Globalist Exposure, Courtesy the Fraud GB Globalist Implants! "History" Repeats Itself!**
Firstly all patterns that applied to the 1914 Christendome "lawless one" cleric system exposé, will now apply to the imposter GB "fallen lamp" wormwood "older men" infiltrators; (Rev8:10).

All judgment and exposé patterns of formerly 1914, will now scale to globalist as well, rather than former national shells. The imposter GB and their globalist 8th King agency roots, will be the basis of the coming worldwide finale Jehovah's witness ministry.

This great "globalist paradigm" realization is of the "earth" system meaning of Revelation 8:7 first trumpet, in globalist world order operatives as the source attack of the infiltration of Jehovah's earthly organization, (Earth symbol in judgment; Rev13:11; Rev7:1-3; Rev8:5-7; Rev16:2). NOW Jehovah is attacking back! But lightly, with full exposure of the globalist roaches at work, with real "new light".

This fake GB can't hide forever.

The significance is that globalization as a basis of globalist 8th King actual world systems, MUST be applied to the final fulfillment modes and understanding of Daniel 7, 8 and 11, and Revelation 13 and 17 to fully explain the globalist root "8th horn" meaning of Daniel 7-8 (in final fulfillment mode), and the globalist sovereign container system of the "King of the North" final manifestation and global identification.

Globalist world government "interpretive paradigm" affects the overall revelation of the actual "full bodied" power systems of the 2HWB and the "scarlet wildbeast" as globalist in focus and scale, not national, not a "special role" of a nationalist 7th King [1], but a super-sovereignty planning to wreak havoc over planet earth; (Mat24:21-22; 2Thess1:6-10)

The imposter GB has long sought to keep this globalist paradigm a secret from Jehovah's witnesses understanding of final fulfillment mode prophecy and the obvious identity of the globalist "King of the North" system, upon pawned "King southern" national systems; (Dan11:42-43; Rev17:11-17) This directive of secrecy is from the imposter GB globalist handlers attempting to remain concealed behind nationalism and the "image" of the wildbeast national collective of Revelation 13:1.

By their own actions, these globalists corrupting the GB and the organization to the degree permitted by God, this maturing globalist "earth" system is solidly and completely exposed as the base system of the 2HWB and that very globalist actual power system main controller is also the source of the coming pre-planned global extermination events symbolized as under divine suppression (at some unknown point in time) in Revelation 7:1-3 "four winds of the earth" until the final 144000th is sealed.

That seal to final 144000th, must progress to completion in this continuum of Revelation 8 to Revelation 10 in this final cycle of fulfillment.

(Revolution 8:3) And another angel arrived and stood at the altar, having a golden incense vessel; and a large quantity of incense was given him to offer it with the prayers of all the holy ones upon the golden altar that was before the throne. So this exposé itself will not indicate the actual timing of God in this final fulfillment first trumpet blast, the sealing will also be unknown possibly to humans, and apparently the final fulfillment "little scroll" will be "eaten" by a complete 144000 remnant to the 144000th. The actual start of the final 1260 days of the second "two witnesses" will also be at God's timing.

Either way, it is obvious this globalist attack on Jehovah's organization will lead to events that will be terminal for these operative and the whole globalist house of cards. ALL the 144000 final "stones" will be ready to shine; (Dan12:3; Zech9:16; Matt13:43) And stomp 8th King elite globalist face FOREVER soon hereafter.

Globalist Advertising

By this globalist exposé in the JW GB lead attack by infiltrative invasion everything they are trying to hide by this current imposter fraud GB, becomes the entire basis of the first four (earth square) worldwide trumpet blasts of Revelation 8 in final fulfillment!

They used Jehovah's organization in 1991 to promote their "new world order" kingdom, now He is using them to promote His own Kingdom and Temple Sovereign Ultimatum worldwide!

O, the irony!

In final fulfillment mode of this prophetic sequence inter-relating in the near future, as with Christendome in 1914-1922, these GB rats and their source globalist "earth" nesting, spawn, and "father" system becomes, together as a whole, the very basis of Revelation 8 finale!

This parallels Daniel 11 apex globalist "King of the North" enemy target system being identified by Jehovah God Almighty and Jesus Christ - God's laser dot is on their known and IDd head globally - and He tells them so.

This is "round two", final fulfillment mode, the Revelation 8-9 expanded information segway worldwide ministry of Jehovah's Witnesses that will lead to the following finalities, courtesy the handy divinely overridden GB globalist start-up momentum:

Newer Good News

1. The final 144000th seal, while holding back the maturing 8th King/2HWB globalist devised world annihilation system for depopulation "winds" cycles of Revelation 7:1-3.

2. The "eating" of the "little scroll" of Revelation 10 in full understanding of the total final "two witnesses" mission of proclamation of Revelation 11's Sovereign Ultimatum and guaranteed Kingdom and Temple completion sequence to unfold real-time in the face of this parallel enemy system. (Parallel in marked prophetic fashion since 1914)

3. The global proclamations, by Jehovah's witnesses, of the guaranteed extermination of the full rival enemy system as per Rev16:13-16 meeting up with Revelation 19:19-21, parallel with Daniel 11:42-45 and Gog of Magog of Ezekiel 38 and 39 POW incarceration as per Revelation 20:1-3 "demon freezer" abyss.

4. The FINAL reminder to Satan, the demons and the globalists to "be ready"; (Eze38:7) because they are going to need more weapons and technology, with greater power, and better and more personnel than they currently can command.

5. Joel3:9-12 will be reiterated for real, in Divine Challenging Berating Taunt of God and Christ. This wake up and get ready slap will be reminded to them, to have
more to offer when the "powerful ones" of God's angels (Joel3:9) come to look them in the face in the Daniel 12:1 final confrontations over an unknown period of time (Dan7:26) when mayhem (Zech14:12), confusion (Zech14:13) and tech failure (Zech14:15) plague the globalist war machine until they are exterminated at full blown worldwide Armageddon.

6. Now with this full exposé of all these sneaky globalist megalomaniacs, who Satan wants to toast as well before he goes to abyss, a true "fighting spirit" as per Roy Batty will be instilled into the globalist camps by Jehovah, to finally, truly, enrage these globalist "King of the North"; 8th King. 2HWB toads BEFORE they hit the frying pan of God, "at least make it a fight for your own sakes" in the "reports" (Dan11:44-25) to get them to finish off the "holy city", setting their own "patial tents" which must precede their own dark days of total doom.

This allows the globalists to generally trigger the arrival of Christ in time, with enough approximation for Jehovah's final perfect timing for complete temple 144000 glorification in their face; (Zech14:6-9; Matt24:29-31) to complete the final live gathering of the final remnant 144000 "who are surviving", as per Luke 17:37 - and after that perfect symphonic divine event. Gog and the globalists and their whole "crowned congregation" worldwide and in space will be neutralized and totally annihilated at Christ's Kingdom leisure; (Dan7:26).

The Imposter GB "Man of Lawlessness" Connection to Revelation 8

As with Christendone's exposure and termination of that 1914-1922 "temple" "inspection" and "judgment" of Malachi 3:1-5 back then, this GB far more "intimate" imposter cabal will be shown in league with Satan and the globalists as well. They will go down forever into human history interlinked and pawned by God.

Here is the link as to the operations core instigator Satan:

(2 Thessalonians 2:3-10) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness [imposer GB] gets revealed, the son of destruction. 4 [imposer GB] is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god. 5 Do you not remember that, while I was yet with you, I used to tell you these things? 6 And so now you know the thing that acts as a restraint [Fred Franz], with a view to [imposer GB] being revealed in his own due time. 7 True, the mystery of this lawlessness is already at work; but only till he who is right now acting as a restraint gets to be out of the way. 8 Then, indeed, the lawless one will be revealed, whom the Lord Jesus will do away with by the spirit of his mouth [Zech3:4] and bring to nothing by the manifestation of his presence. 9 But the lawless one’s presence is according to the operation of Satan [Zech3:1] with every powerful work and lying signs and portents 10 and with every unrighteous deception

Satan is implicated in the above, and in Zechariah 3:1

(Zechariah 3:1) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him.

Satan is a light of these “illuminated” anointed for this task of deception:

(2 Corinthians 11:13-15) For such men are false apostles, deceitful workers, transforming themselves into apostles of Christ. 14 And no wonder, for Satan himself keeps transforming himself into an angel of light. 15 It is therefore nothing great if his ministers also keep transforming themselves into ministers of righteousness. But their end shall be according to their works.

As in 1914, this "lamp" is parallel with Satan's fall in Isaiah 14:12:

(Isaiah 14:12-14) “O how you have fallen from heaven, you shining one, son of the dawn! How you have been cut down to the earth, you who were disabling the nations! 13 As for you, you have said in your heart, ‘To the heavens I shall go up. Above the stars of God I shall lift up my throne, and I shall sit down upon the mountain of meeting, in the remotest parts of the north. 14 I shall go up above the high places of the clouds; I shall make myself resemble the Most High.’

(Revelation 8:10-11) And the third angel blew his trumpet. And a great star burning as a lamp (imposter GB) fell from heaven, and it fell upon a third of the rivers and upon the fountains of waters. 11 And the name of the star is called Wormwood. And a third of the waters turned into wormwood, and many of the men died from the waters, because these had been made bitter.

Satan is also prefigured to "power down" in Job 18:

(Job 18:5-6) The light also of wicked ones will be extinguished And the spark of his fire will not shine. 6 A light itself will certainly grow dark in his tent, And in it his own lamp will be extinguished.

This extinguishing is to be fully realized at Satan's destruction 1000 years approximately after his ouster from earth's influence shortly; (Rev20:1-3), with his "seed of Satan" extermination in the earthly realm; (Gen3:14-15; Num24:17; Isa27:1)

Father of Imposter GB DNA Identified

That is how this GB imposer "ministers of righteousness" will connect in the exposé of Revelation 8 "great star" parallel with Satan in final fulfillment, which will lead to the continuation of Revelation 9, which commenced after the first two witnesses' ministry of 1914–1918 1260 days. But the continuation of Revelation 9, will now be fortified with true "new light" of the final meaning of Revelation 8-11, and the guaranteed final fulfillment mode of all sovereign Kingdom and temple completion prophecy.

In this unique way, Revelation 9's ministry will connect BOTH "two witnesses", 1914 and near future, for a total 2520 day "appointed times" completion and final expiration into the full sovereignty of Jehovah God through the Messianic Kingdom of Revelation 11:15-18 in "kingdom of the world" conquest.

In this unique way, Revelation 9's global ministerial continuum since 1919 will connect into the final two witnesses" divinely determined second 1260 day period in the near future, which will lead to the 1290 day following period (Dan12:11), and full Armageddon conquest of God. Maybe this is why, over 50 words in Revelation 9, unlike any other book in the bible, repeat as per "two witnesses", twice. It is also why the "seven sealed scroll" is two sided; (Rev5:1; Zech5:3; Eze2:10)

They will help signal the greatest ministerial event in all human history (Rev10-11) while attempting to stifle this very proclamation and hide their own identity and that were before the house.

The Third Globalist Timed Strike on JWs (The Kill Shot)

We know the imposter 8th King wants to cripple, debalance and destroy the Jehovah's witnesses final ministry.

1. We can see the imposter GB wants Jehovah's witnesses doing whatever they say and going wherever they want, obey, obey, obey... and this is for a reason that they have cultivated such distorted trust and self-idolatry in and of themselves.

Symphonic Globalist Lead Event has GB Complimentary Move Twice in 20 Years

2a. We also see in the 1991 "new world order" manifestations of the 8th King with the engineered collapse of the big USSR "boogey man", the imposter GB, in full post Fred Franz control now, timed a complimentary UN-DPI "two" campaign of their own in the pages of the Awake! and Watchtower.

2b. We see this was all very conveniently "breaking news" with the 9/11 event. All a little too well timed in that imposter GB "press release" of 10/6/2001. All perfectly symphonic with the lead globalist event.

2c. So to expect a third grand finale event from the globalist 8th King engineers, and the imposter GB for a coup-de-grace is not far fetched, it also follows a ten year progression merely offset by the awkward timing of the US globalist run elections, after which, expect another major 10 year kick-off cycle.

GB Purposeful Diversion

3. Now we see the imposter GB simply wants to by-pass the prophetic final fulfillment cycle covered here and head straight for "great tribulation", and that they program into the average JW head constantly, with them as trustworthy leaders to the "promised land". Why?

Fake Great Tribulation Intended to Herd Jws

4. Since we know the imposter GB already knows, from their globalist handlers, that there will be a huge post 2012 8th King globalist massive event worldwide in the near future, and a set of world cycles rippling from that event, they can create an artificial "great tribulation" with the sole purpose of "sam herding" JW's on multiple continents to wherever they want to send them, such as prison camps and internment - and the JWs will show up by their own rides voluntarily. All the GB has to do is send the word out to the duped "elder" "body" and all the "cows" will be sent to prison lickily split around the world timed with this world event (as usual), all GB "trust puppets" of exposed willful sinner men.

5. This is more likely the kind of "kill event" this murderous imposter GB betrayal has in mind as the 2 Thessalonians 2:3-9 "man of lawlessness” must parallel the chief character of the "Judas" "son of destruction", including self-exposure beforehand (as briefly covered here), of that "lawless one” class they must define as prerequisite of final prophetic cycle fulfillment activation.

When Will Zechariah 3:4 Intervene?

How far will Jehovah God let them carry out this plan? Up to the point of the "log" fire-snatch of Zechariah 3:2 as it is fulfilled in Zechariah 3:3–9 real-time, as Jehovah counts His own coup on the imposter GB vipers and uses the subsequent platform, seen by the world, for His own final ministerial development.

That set of events, divine and globalist GB, may well converge for an outworking that will be noticed in some capacity by all involved in it, for angels are involved in the fulfillment of Zechariah 3:4, and follow up work.

In any event, it is Jehovah, Christ and angels who will become known in stealth manner to the globalists and the Jehovah's witnesses who put this together after it has fulfilled, as to their presence in their organization. This may very well allow a massive financial event to hit the JW organization worldwide as well, as the "thief" of the "Judas" character is also manifest in these fake JW traitors and imposters aligning the org for a massive blow.

But as we see, Jehovah is purposely setting these GB clowns up for His own move known and told in the bible well beforehand and His guaranteed prophetic final fulfillment cycle signal event and re-clarifying what Jehovah's witnesses are supposed to do in the final "two witnesses” mission.

Globalist Exposé of Revelation 8 (Coming Soon)

The point to develop here is that Revelation 8 will now apply in the 1/3 judgment upon Jehovah's witnesses to expose elements that were operating in that "fallen great star" "burning as a lamp", the infiltration of the Governing Body of Jehovah's witnesses after it is exposed and purged of the frauds.

Then the rest of Revelation 9 proceeds, in final fulfillment climax, with REAL Jehovah's witnesses to Revelation 10 and 11 final fulfillment. Revelation 8-9 will lead to the final and second "two witnesses” final world warning by Jehovah's witnesses.

But First The Tribulation Cycle Explained

The imposter GB is setting up for Jehovah, involuntarily, a grand worldwide exposure of themselves and their owners in the globalists trying to count coup on Jehovah God and His prophetic Almighty, indomitable irresistible Word. But as will be drafted here, it merely finishes up, and expands all prophecy to the final globalist worldwide scale of what is to follow in prophetic analysis, and eventual fulfillment, of what these imposters and globalist elites are truly up to.

They will help signal the greatest ministerial event in all human history (Rev10-11) - while attempting to stifle this very proclamation and hide their own identity and...
devious murderous planning for world extermination to suit their own "new world order" of things from a Satanic chaos they engineer for him.

Globalist Idol Prep Tribulation vs. Great Tribulation World Extinction Mode

This means the detailed biblical clues as to the true nature of this tribulation progression will also be expounded more accurately to Jehovah's witnesses, by logic and scripture. (Right now the imposter GB wants it all "ambiguous" to suit their own hoax potential for JW herding worldwide at the next globalist world terror events.)

In fact the Great Tribulation will NOT start with BTG, that is "the tribulation of those days"; (Matt24:29-31) The worst "extinction mode" is on the blackout sequence of Matt24:29 of the "sun, moon and stars" national, state and local planned exterminations by superior weapons and technologies applied from a central globalist system worldwide which Jesus also arrives and manifests to disrupt as per Matt24:29-31; Rev16:17-21; Rev6:12-17.

As Jesus said:

(Matthew 24:6) you are going to hear of wars and reports of wars; see that you are not terrified. For these things must take place, but the end is not yet.

Tribulation Problem Engineered for the World Peace Solution

So even this potential world war 3 "tribulation" progression to be activated by the globalists soon, is not the end yet, it is more globalist "disgusting thing" tribulation and terror, fear and confusion intended to present themselves as global sovereigns of "true peace and security" in their own grand illusions inspired by Satan who intends to roast them as well, before he heads to abyss. In the meantime, they will lift up their world peace idol as duped fools "of the first division" themselves.

The globalists are just as duped as the next guy, they are just tools and knobs that provide Satan with an extermination machine as fully developed and centralized as it can be before Gog hops on board in the Babylon the Great vacated seat upon the "scarlet wildbeast", BUT with actual control, NOT a drunken harlot wobbler ride; (Eze38-39)

War Machine Apex Is Not Cheap

In the massive capital preparation of the global war machine expansion of Joel 3:9 guanteed dynamic progression, the globalists are diverting a huge amount of global capital, and gathering nations in that vortex as per Revelation 16:13-16, both these "gatherings", end up at the same worldwide condition of things, Har-Magedon. (Also where the Daniel 2 "image" is standing when annihilation arrives)

BTG Target for National Multi-Trillion Dollar Debt Kings

This allows the globalist world financial system master creditors to position the multi-trillion dollar indebted national powers to be directed to BTG's capital reserves in hard assets and wealth worldwide, the only place the national powers will find any "financial salvation" capital to deal with the globalist creditors in the coming days as Daniel 11:42-43 "pawning" progresses to the full national subservience to globalist financial coup checkmate as per the dynamic in Revelation 17:12-18 parallel to this set up of the national powers as "globalist owned". (Driven by their own "one thought" of preserving their national power, eg, totally conned)

Capital BTG Body Parts Feed national Kings

In that sovereign vanquishing of BTG's sovereignty of Revelation 17:18, a handy capital transfer will be available to fuel the final nation-state cycle - that is why the national desperate debtors must be aimed at BTG's capital to begin the legal devastation of her reserves soon into this initial plunge of prep "tribulation". Another mode of operation in this phase is applying the 666 "credit worthiness" stamp of approval on all the national powers and masses.

Limited and Engineered Preparatory Tribulation

The "great tribulation", "tribulation of those days" is only a tribulation on BTG in this phase and other weakened social classes. The kings, merchants and others are shown to be fully operable while this is taking place; (Rev18:9-19; Matt24:38; Rev11:10). In fact this capital infusion of BTG assets into the broke and indebted nation-state system, can actually provide a period a great revival, a new financial outlook with the globalists, and a period of truly "peace and security" seeming set of circumstances finally developing; (Dan8:25; 1Thess5:1-3)

World War and BTG will seem finalized and over as engineered in this globalist propped illusion for this exact effect - just like in WW1 and WW2 - now these guys are predictable as to what is next.

Two Sovereign Birds, One Globalist Stone

The national powers will be vanquishing the BTG world sovereignty in the Revelation 17:12-18 progression for the globalist elite "scarlet wildbeast" 8th King system, while delivering all those BTG quadrillions in assets worldwide ultimately to their globalist owners. Daniel 11:42-43 also culminates in the "power and authority" transfer of the nation-state system into full globalist control in reality. Their national sovereign reality is also now just an illusion, they are pawned, the "King of the South" "he" has become the Daniel 11:42 "she".

By that time KS will be all the national powers shelled into the 7th King "model" finance system. KS will be "national" powers, KN will be globalist.

All the while the national conned men "kings" believe they are ensuring their own national sovereignty, the key motive of the "one thought" of Revelation 17:12-18. But it is all an illusion. Their "one hour" with the globalist scarlet wildbeast is all they get, it is up, they too are pawned sovereigns - never to see sovereign power again; (Rev17:12)

In that illusory national sovereign quest, BTG was the final hope of financing this independent "sovereignty" extension, that is how BTG is in the bullseye, it is either the national kings future, or BTGs. This is why the globalists align national powers into massive national debt; BTG has to be the final "bank" to rob.

8th King World Fiesta

For the 8th King globalists this will be a period of world celebration!

They will be the richest they have ever been in human history, acquiring the whole world from the many duped national powers. They will also be the best prepared group on planet earth, to survive years in luxury, mobility, bunkers and globalist citadels, while they plunge the "sun, moon an stars" national, state and local power
systems into the "blackout" of global engineered exterminations as the Mathew 24:29-31 BTG tribulation intensifies into global true great tribulation of Matthew 24:21-22 in full "blackout" "world extinction" mode.

How long will Gog get on that joystick? Long enough.

**Pit Stop BTG Last Fueling**

So that period between BTG's extermination, the capital infusion into the national illusion, and this globalist engineered national death plunge of Matthew 24:21-22 (Matt24:29) parallel to the "four winds of the earth" of Revelation 7:1-3, is the time for a true global "peace and security" statement preceding that reality.

This would come from the lead globalists main "false-prophet" 2HWB, that the world will totally believe at this period, as BTG capital infusion aids national "creditworthiness" to globalist master creditors for "new loans" and "mods", offers hope of a new world financial system, finances a future with the globalists, and allows the nations to actually fuel their own final illusion and final demise; (Daniel 8:25 final fulfillment)

**Engineered "Peace and Security" after Engineered Prop Tribulation**

This is why the globalists, as in WW1 and WW2, produce their prize "world peace" offering for public consumption and 666 marking worship after a huge tribulatory preparatory world event, after a globalist engineered world war cycle, NOT before it. Though they may announce their existence (such as the BTG strike itself), and make an initial stand as the "disgusting thing" before it, a "peace and security" statement then may also be proffered, but cannot be as fully believed and absorbed for total effect as after the preliminary tribulation is past, as with WW1 and WW2 resolved.

**Extinction Mode of the Devil**

This time they plan to also get the national powers off their back as well, global depopulation in the billions over a period of time - maybe a short period depending on tech capability at that time.

But this is just an illusion to position the nations for a final assault and depopulation so severe, Christ said at Matthew 24:22 "if the days were not cut short, no flesh would be saved". This is why Christ appears in this period (Matt24:29-31), to throw a big axe into the globalist extermination machine with a huge global event of his own as per Revelation 6:12-17; 16:17-21 parallel with Amos9:1-3; Zephaniah 1:14-18; Isaiah 24:1. This is to break up the plans of the globalists, and drag them to their own doom, while saving "sheep" as Matthew 25:31-46 parallels Revelation 14:14-19 in 2 Thessalonians 1:6-10 mode of final conquest.

That too may be a period of time, no need for it to be instant, Christ will be in total command and can exterminate globalists and enemy systems in many many ways.

**GB Purposely Ambiguous to Aid Globalist Agenda**

The point is, all this is purely logical even if speculative it is beyond what this impostor GB will ever attempt to explain in any greater logical detail of modern times. This progression is laid on out a Biblical "registry" that confirms key nodes and events, objectives and intensity. Currently the impostor GB knows they have this shuffled in 1990 level understanding, and that serves their JW globalist kill shot agenda. They do not want JWs to see the big temple completion round MUST occur in a final fulfillment cycle.

It is NOT over, it is really just beginning into the JW climax ministry through this period of BTG extermination; (Rev11 final fulfillment).

What they are cultivating is a GT dumbed down mentality to be able to use prophetically premature "GT" hoax events and massive terror events to herd JWs to extermination and prisons all over the world in the coming phases of globalist final operations.

This is also why the instill a self-idolatrous trust and distorted infallibility in themselves to be "Jw Cow Traffic Controllers" for these events. Merely send the word out to the doped "elder" round up cowboys and one could herd 5 million witnesses to extermination with just 40 or 50 "911" like events worldwide. All you need is people rushing to a "safety zone" to facilitate this, and a "GT" inspiring engineered terror hoax is then the cattle prod the globalist impostor GB can use when these events begin to manifest after 2012, for the next 10 years of planned globalist worldwide "NWO" activates.

Jehovah can also act symphonic operations (Zech3:2-4) "fire snatch" in this period as well, for His interests, not the globalist mice. Either way, JWs will be in "sackcloth" for the final ministerial mission that MUST have these final fulfillment cycles.

The current fake GB of Jehovah's witnesses must be purged for a clean "turban" soon, as per Zechariah 3 guaranteed trigger event. No way can Jehovah let this 20 year trajectory of rotten globalist impostor GB influence continue another 10 years, or that JW "log" of Zechariah 3:2, would stay in that "fire".

Expect big events soon.

GB Cover Up: United Nations Third World Placement 1990 (Dan11:31)

The Governing Body of Jehovah’s Witnesses is covering up the third United Nations placement in prophecy and world history as the "disgusting thing" fulfilling Daniel 11:31 in 1990 as Cold World War 3 ended; (See Awake! 9/8/1991 Issue)
The Governing Body says nothing about this event because they are UN operatives as "man of lawlessness" as "they will certainly place the disgusting thing" partisans of Daniel 11:30-31; (2Thess2:3-4)

Instead, at this very moment in history in 1990-1991, the GB became United Nations official organized NWO promoters to over 100 million people in their world audience demographic; The 3rd UN placement was all hush hush as prophecy, but all trumpets and scarlet red carpet at Bethel;

1. This coverup severs the Bible continuum of 4 biblical United Nations 8th King related "disgusting thing" placements at number 2 UN placement of 1945 from the continuation and importance of this 3rd UN placement in 1990 (Dan11:30-31) en route to Armageddon's 4th "disgusting thing" placement of Daniel 8:25; 11:44-45 in the future;

2. This obscures the Biblically laid out 1-2-3-4 globalist world government continuum to Armageddon finale as these four stands of the "disgusting thing" in Bible prophecy and modern world history lead to world war 4 and the final 4th placement of the UN 4.0 of Daniel 8:25;

Kill the JW Org Worldwide; Wipe Bethel Off the Map...

1. This sets up Jehovah's Witnesses for a hoax GT kill shot "coup de grace" globalist backed hitjob appearing as the end sequence of Daniel 11:44-45;

A. In reality this is actually the beginning of the temple judgment phase with years to temple completion over 3 known prophetic periods of Daniel 8:14; Rev8-9 (6 trumpets) and Revelation 10-11 1260 days to 7th Trumpet finale;

B. This transpires as the globalist 8th King goes to and through "World War 4" for 4th world placement of global government at apex after WW4 is conveniently resolved for this world government presentation as in 1919 (Rev13:11-15); 1945 (Rev17:8-11) and 1990 (Daniel 11:31); (Fourth placement: Daniel 8:25; 11:45; Rev19:19-21)

That is why this quadruple phased UN continuum is important to understand in the Bible!

GB Smoke Screen to Hide Bible Reality

1. This obscures the Governing Body as the "man of lawlessness" infiltrator anti-christian sinners fulfilling the modern Daniel JW temple transgression series in 1990 as UN "lover" "sinergy" as that United Nations' 3rd placement was mirrored at Bethel (Awake! 9/8/1991 as UNNGO adjunct promoters for 10 years) by this fraud Governing Body "lawless one" legacy of today's UN posers;

2. While the Governing Body got on all fours for the UN they are in service to, these lawless purposeful frauds fulfill live and real Revelation 8:14/Zech3/Rev8:2-5 (Daniel 11:41) as God hands the JW organization to the globalist UN powers for desolations due to this "transgression causing desolation". (Dan8:13)

This will be a world signal event of the beginning of the end of the world;

USSR and Nazi Lies and Delusions

1. The Governing Body covers this up by sticking to the USSR Daniel 11 erred interpretation of the past made impossible as the USSR collapsed around 1990 invalidating Daniel 11:56; 11:42-43 from Soviet fulfillment hence all USSR is invalid in Daniel 11;

King North is NOT the Soviet failures (Dan11:27b), King North is apex 8th King globalism and elite globalist world government;

2. Daniel 8 cannot apply to world war 2 as well for a number of reasons; There is no reason why God would time (Dan8:14) an insignificant Watchtower org chart modification (in 1938) as if that was the "transgression causing desolation" when the JW org was not desolated like it is going to be in this next hit;

God times Daniel 8:14 2300 units because it leads to the 6 trumpets in final fulfillment cycle of Revelation 8-11 (And eventually the end of the world of the 8th King)

Too Many Anomalies

The Governing Body of globalist infiltrators in the JW org use these flimsy smokescreens to work their mass sinner magic at Bethel now for at least 20 solid undercover years fulfilling Zech3:1-3 "befouled garments" in tangent with 2Thessalonians 2:3-12 "man of lawlessness" final temple judgment phase revelation of these frauds as per the final temple prophecy sequence;

This was all as Fred Franz was shut up, and the Milton Henschel GB Circus went into power as globalist UN lovers; This is TOO MANY convenient UN friendly GB coincidences to be random and accidental coincidence;

The GB are fraud globalist intel ops, plain and simple;

I. Daniel 11-12 Final Fulfillment Mode in Globalist Power Paradigm

Daniel 11-12 Final Fulfillment Mode in Globalist Power Paradigm
http://templelijah.wordpress.com/frm/daniel-11-12-final-fulfillment-mode-in-globalist-power-mode/
1. There are two modes of Bible prophecy in the "last days" period that Jehovah's witnesses will be made familiar with. Jehovah's witnesses are already familiar with one mode, the minor fulfillment cycle of this prophetic progression that corresponded to Messianic Kingdom birth and temple foundation in 1914.

2. There must also be a familiarity now with the final fulfillment mode "temple completion" cycle of the near future which will replicate this fulfillment cycle to grand finale of Messianic Kingdom and Temple completion;

3. That includes in final fulfillment, the initial fulfillment preparatory period leading to the well known triple sequence that fulfilled between 1914 and 1926 upon three prophetically defined time periods. Those periods fulfilled in (1) 1914-1918, (2) 1919-1922, and (3) 1922-1926, and all periods had biblical definition as to the events and meaning that defined those periods upon scripturally identified time lines and kingdom and temple significance.

Now or Later

4. Jehovah's witnesses must understand both initial fulfillment and final fulfillment mode;

5. Jehovah's witnesses must comprehend the difference also between national power paradigm and globalist power paradigm;

A. Three Time Periods of Daniel and Revelation (See [2])

1. Those three Bible time lines commenced with the 1260 day well known "time, times and half a time" of bible prophecy and that corresponded to the 1914-1918 minor initial fulfillment. (December 28, 1914 to June 21, 1918)

2. The second Bible time line followed with a short gap to the 1290 day time period of Daniel 12:11 in bible prophecy that corresponded to the 1919-1922 minor initial fulfillment. (January 18, 1919 to September 9, 1922)

3. The last (third) Bible time line followed with a very short gap to the 1335 day time period of Daniel 12:12 in bible prophecy that corresponded to the 1922-1926 minor initial fulfillment. (September 14, 1922 to May 9, 1926)

All those time periods must fulfill again in a major final fulfillment to temple completion and complete Messianic Kingdom conquest at the War of Armageddon;

B. The Differences Between 1914 Fulfillment and the Final Fulfillment Cycle

Intimate Temple Inspection

1. The "temple" worship system will be focused upon Jehovah's witnesses world wide, and all persons professing or secretly developing discipleship (secret disciples; John19:38) as professed anointed and "other sheep" all pursuing true Christianity in identity in either heavenly or earthly hope.

Globalist World Power Paradigm

2. The other difference will be the scope and magnitude of the final 8th King globalist power system and the scale of it's attempted global domination opposed to the Messianic Kingdom and God's Christ Universal King; By this time approaching in bible prophecy, this worldwide globalist power system will contain all globalist wildbeasts in the globalist modal paradigm of the globalist "King of the North" sovereign defiant symbol of Daniel 11 at it's zenith;

C. Globalism: The Final World Power is Coming

1. Though these globalist use national scale and national bloc "King of the North" puppets, the real power behind this theater of deception is the globalist 2Horn-Wildbeast (2HWB) that engineered the globalist unification "image of the wildbeast" and that in time became a very real, multi-national power system as the 8th King of Bible prophecy, the full-bodied globalist unification "scarlet wildbeast" - the final rival world power of Bible prophecy; (Rev13:11-15; Rev17:11-18)

D. Globalism is an Important Concept for Jehovah's Witnesses to Comprehend

1. Globalism as a basis of world government and domination is a very important concept for Jehovah's witnesses to understand. Globalist world government is not national in scale but worldwide in magnitude, and is the ascendant and final world power beyond the 7th King national power system. All the national powers will serve the globalist world order soon by being owned and pawned by it; (Dan11:42-43);

2. This globalist system consolidates the pyramidal powers of approximately 200 nations worldwide to achieve a "scarlet wildbeast" actual worldwide super-structural system far more powerful than the globalist forum UN "image";

3. It is also centrally consolidating more powerful and globally extensive authority in progressive formation than any individual nation or national union; this 8th King is the sole power of the whole thing - the whole wildbeast.

4. ALL the nations are being gathered to Armageddon, under this sole locus of power; (Joel3:9-12) That is the difference between the national 7th King Anglo-American world power, and the globalist worldwide power that has pawned the 7th King for globalist "King of the North" (8th King; 2HWB globalists) purposes; (Rev 17:11-18 is Daniel 11:42-43)

= II. Daniel 11 in Final Fulfillment since 1914 and the Near Future Cycle

A. Remember this Dynamic: Nationalist versus Globalist

1. In 1914 and the initial fulfillment, and it's subsequent interpretation, God well knew this deception utilizing national puppets and mind enveloping shells of nationalism would conceal the globalists who are actually operating World War to capture nations progressively over time by debt and industrial controlling power (ownership);
2. This initial pattern (1914 to 1990) is therefore seen through national power paradigm understanding, as is fully applicable in this mode of prophetic forecast development during this first world war and afterwards; In fact it must be valid from God, or the foundational truth of the pattern, and what it provides as the basis for the final fulfillment, would be useless without a valid initial pattern framework of prophecy;

3. But now we have to see the bigger globalist paradigm picture, and the fact that this globalist "disgusting thing that causes desolation" and the globalist locus of power (2Horn-Wildbeast) that engineered that "disgusting thing" world peace forum "image of the wildbeast", is really the power that orchestrates the whole world war scenario since 1914;

4. The globalist "disgusting thing" world presentation pattern is simple; They create a huge world war "problem" for which they present the world peace "solution" after the "tribulation" and "desolation".

5. Predictable now, they did this after WW1 with the League of Nations in 1919, and after WW2 with the United Nations in 1945 "problem then solution" strategy.

6. In the interim war, the overall globalist funded investment and industrial complex makes trillions in actual profit and capital expansion, and indebts nations in trillions for decades thereafter controlling the next cycle;

7. The nations are fully duped in national minded shells while the real "world war" is between globalists pawning these nations for a worldwide controlling super-sovereignty to manifest from these cycles to this third and last cycle coming up; (Dan8:23,25)

8. World war between nations never was going to result in one nation ruling the world; a globalist power super-structure is the only way to achieve the level of power and control to sustain such a scale of domination;

6. That means the domination of all the nations individually is the goal; and world war, aids the enslavement of national powers to globalist finance, technological and geo-political technocrats of the 2Horn-Wildbeast (Anglo-American globalist elites) and the UN "image" all these worldwide nations' elites scurry to to preserve their own sovereignty.

7. These "scarlet wildbeast" national elites are being once removed from the strategic reality for which they are drawn into the "scarlet wildbeast"; The national powers are twice removed from this reality; The masses are totally in the dark, three times removed from globalist world order reality;

8. All the while, this is where all of them are being gathered: Har-Magedon; (Rev16:13-16 via Rev17:11-18);

B. The Dynamic to Remember: It All Harmonizes in Multiple Modes

1. Therefore we have an initial cycle of fulfillment with prophetic symbols representing national powers;

2. We also have a globalist world power that is setting up positions and developments that will manifest during this cycle from 1919 to now, but will require this understanding to recognize in this prophecy in globalist influence.

3. This will then lead to a final fulfillment cycle as this initial cycle begins to manifest the objectives of the globalists who empowered the national world war engine to achieve a further reaching goal of national control, from a globalist centrally consolidated locus of power;

4. In final fulfillment mode, all these prophetic sequences will ALL harmonize because ultimately it is describing the workings of the globalist "King of the North" through national powers that took on the role of national "Kings" "of the North" and "King of the South";

5. Ultimately all national "kings" will be pawned into the globalist world order power system represented by the ultimate meaning of the "King of the North" as apex globalist power ascending under Gog as even Babylon the Great will be deposed of global sovereign power;

6. Revelation 17:11-18 is a sovereign power transfer of all national "power and authority" to globalist super-sovereign finality;

7. All this will effect the following commentary in final fulfillment mode revealing globalist influence and manifestation as final "King of the North";

III. Daniel 11 in Globalist Power Paradigm

1. In Final Fulfillment Mode (FFM) and in Globalist Power Paradigm (GPP) this is the point in Daniel 11 we can apply the final fulfillment mode and actually apply it to this globalist "King of the North" sovereign defiant development from inception to the final part of the final denunciation cycle leading to Armageddon.

A. In Final Fulfillment Mode

(Daniel 11:27) "And as regards these two kings, their heart will be inclined to doing what is bad, and at one table a lie is what they will keep speaking. But nothing will succeed, because the end is yet for the time appointed.

1. The "two kings" here in Daniel 11:27, are now globalist (north) and nationalistic (south) power struggles on the planet earth "one table" that develop in spite of the fact the national powers do not realize they are being pawned by globalist designs reaching fruition of intended effects;

2. It is good to realize that since this time, a national "king of the north" has always been erected by a globalist actual "king of the north" greater sovereign power in operation;

3. Thus whether the German Weimar Republic (ca. 1919-1933), or German Third Reich Nazi's (ca. 1930s) under Hitler, or the USSR (ca. 1950s) "Kings" "of the North", these were all erected under a larger umbrella of globalist power for huge military-industrial multi-lateral expansion and worldwide finance, market and investment capitalization and profits;

4. The source of the funding, and profit and planning at that multi-national level is the true "king of the North" globalist power benefiting from this "gravy train" of illusion and human sacrifice;
5. Jesus indicated the "disgusting thing", a globalist world power system, is the chief cause of "desolation". In spite of the national illusions, the real "world war" is between globalist (north) and national (south) focused power and locus of operations;(Matt24:14; Dan11:31);

6. Some organized grouping was planning, enabling and funding this whole thing on all combatant sides and it wasn't the former paupers Stalin, Hitler or Mussolini; all required a far larger finance network to prepare for world war, much less deploy it in multi-billions (WW1) and multi-trillions (WW2) in profit potential conveniently leaving the combatant nations powers in similar scale public and national debt for decades;

   a. General Smedley Butler told the truth; War is a Racket.
   
   http://en.wikipedia.org/wiki/War_Is_a_Racket

   http://www.ratical.org/drville/CAH/warisaracket.html

7. All the national Kings of the North fail up through the USSR; "Nothing shall succeed" - That is a clue as to the final identity of the King of the North who will succeed until stopped at the "end of the denunciation"; The USSR did not fulfill Daniel 11:36;

8. The entire prophecy's main fulfillment is a globalist King of the North power system in formation from Daniel 11:27-45, to his end; (Daniel 11:45)

(Daniel 11:28) "And he will go back to his land with a great amount of goods, and his heart will be against the holy covenant. And he will act effectively and certainly go back to his land.

1. As stated, it is never the public coffers (national economies) that are filled with profits, it is the globalist coffers and their puppets who amass astronomical piles of blood-money from these massively industrially engineered conflicts. From 1700 to 1900 this was becoming a science in the industrial finance and investment networking engine through which huge war profits are channeled in these conflicts;

2. The less the national masses and politicians know of this network of power, the better for the networks profitable operations above the scenes, funding and profiting from both sides of these conflicts that led to the science of world war deployed at a scale never seen before in human history. The profits and progressive industrial expansion and capability were also at a relative scale of enormity;

(Daniel 11:29) "At the time appointed he will go back, and he will actually come against the south; but it will not prove to be at the last the same as at the first.

1. That this is called "the south" is a subtle reference to the national world collective (Egypt symbol) in this final fulfillment mode. And yes, in final fulfillment mode, in principle of globalism versus nationalism as completely different philosophies of power, this is the unique period in human history co-developing with national cloaked world war. But in reality, the globalist power is what was increasing power and consolidation, through a national collective system that was being indebted and perpetually made weaker subtly for years;

2. That covert reality is how globalism "north", has been coming against the national collective "south";

(Daniel 11:30a) And there will certainly come against him the ships of Kittim, and he will have to become dejected.

1. Though this is symbolic in principle, as national "islands" and "ships" (Kittim symbol) in the human "seas" of global humanity resisted total subservience to globalist interests naturally or on purpose, whether they knew it or not, the elite system was indeed "dejected" into having to formulate new strategies and financial intrigues to control nations progressively, and multi-national infiltrations of puppet politicians to align regulation progressively to serve globalist interest with a further reaching goal;

2. If a huge national bloc of power could not rule the world or itself effectively, such as the Soviet Union, then neither would a bunch of globalists be able to use pure force to capture the world system - it would take time and progressive development;

3. An infiltrative development supporting subtler intrigues was needed based in stealth progressive financial domination, aided by national politicians and elites allowing regulations that would mature into the globalist overall interest. War itself was such a symphony of profitable intrigue;

4. A similar realization was at work in removing religious obstructions. Though World War 1, a surprise surfaced for the globalist and world system, and that was Jehovah's witnesses. It was a shock that such a small group, could carry such a powerful message of prophetic divine doom to the globalist and nationalist powers - and not be merely "shut off";

5. It was a shock as well that these could not be removed by force, instead it made them grow ever faster instead. World War 1 and subsequent developments after that period, made the globalist elite powers, and their national puppets realize banning, burning, firing and killing this group would not work;

6. In BOTH these cases, national and religious, a new form of strategic objective was needed, inside control of both nations and religions to more effective degrees;

7. But this effect of this development applies today since after World War 1. Globalists attempting to infiltrate religions to do stealth surveillance and corruptive damage subtly is common, not a "conspiracy" but a reality. As seen, Christendom was fully infiltrated and subservient to "Caesar" even during World War 1. Governments and organizations are regularly spied on and infiltrated worldwide;

8. Jehovah's witnesses, more so than the rest, would need to be "attacked" in a similar internal way, but the penetration would NOT be as easy as it was with corrupted Christendom;

9. That is why the globalist "King of the North" "will have to go back" to the drawing board of strategy and "will give consideration to those leaving the holy covenant" as Jehovah's witnesses anointed and associates, and that means those who can be controlled from the inside of the Jehovah's Witnesses organization. This developed after World War 1 with total globalist focus;

10. "Dejection" is also part of the world war "problem" to globalist world government "solution" formula; At some point national "Kings of the North" had to be retired for the effect of that defeat would have on the positive light thrown upon the globalist world "solution" to be presented shortly after these global conflicts; WW1, WW2 and the Cold War so far;

(Daniel 11: 30b) "And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant.
1. Now a key understanding here, is the “King of the North” setting up the “disgusting thing”. According to initial fulfillment interpretation, that is a “King of the South” entity engineered by the 2Horned-Wildbeast Anglo-American world power system, NOT the “King of the North” national powers; (Rev13:11-15)

2. Well that is still in harmony with reality, but this King North is shown intimately connected to the placement of the “disgusting thing”, which Nazi Germany had no interest in presenting to the world, if this is applied to the 1945 United nations global presentation after WW2; (But it is not, for these inconsistencies shown)

3. It will be shown, a globalist King North, in far more modern times, is who this prophecy is applying to, not Nazi Germany, but the UN/NWO presentation after the Cold War made official by George Bush Sr. before a Joint Session of Congress on September 11, 1990;

4. That King of the North is involved with the UN “disgusting thing” and the UN False-Prophet's main mantra of “the dream of a new world order”;

**B. Reminder Again: Think Multi-Modal**

A point developing here is that:

1. Even in national paradigm of initial fulfillment as interpreted by Jehovah's Witnesses since 1914, the globalist “King of the North” main locus of power was operative since 1914 in marked finance and planning fashion; God in prophecy understands that humans would not comprehend this dynamic until the final fulfillment cycle, as globalization came more into focus on the world scene of world government actuality;

Therefore the initial fulfillment is valid in national scope of fulfillment with national players as "Kings" “North” and “South” only in principle, the reality is globalist in scope;

2. This means that in this representative round of initial 1914 commencing prophecy, in key applicable areas, the globalists will have a 1914 fulfillment in the national puppetry of the various "King of the North" national identities since 1914, as well as their own globalist intrigues applicable to the final round of prophecy in a continuum of effects with the initial fulfillment;

This would not be ascertained until globalist orchestration was better understood after 1990;

3. And this formula will still repeat in applicable fashion, from the effects of all these developments on the world scene progressively, for the final fulfillment of the near future when the globalist 8th King and the overall sovereign symbolic container he is within (KN), will attempt to manifest for total world domination at the Armageddon final worldwide conflict with God's Kingdom forces; (Daniel 8:23-25)

4. In Daniel 11:28-32 and beyond, this all developed around the "consideration of those leaving the holy covenant" for effects in the JW organization, that did in fact parallel the world presentation of the 1991 "New World Order" of the UN "disgusting thing" (DT);

= **C. Think BIG - REAL BIG!**

1. In Final Fulfillment Mode, in Globalist Power Paradigm, this globalist 2Horned-Wildbeast is part of the globalist "King of the North" and so is it's globalist world project; (Rev13:11-15), the globalist "scarlet wildbeast" 8th King is also part of the “King of the North" globalist sovereign apex symbol.

2. And they have been positioning for a prophetically identified infiltration of Jehovah's witnesses since after World War 1. That is the gist of the developments that precede the placement of the DT;

3. What is happening here is part of the infiltration. This prophecy applies in principle to 1919 in the "League of Nations" first manifestation as world governmental peace forum. But this placement is the last in the series so far in human history on the world stage as the UN "New World Order" as proclaimed by George Bush Sr., first on 9/11/1990, and others subsequently; This occurred as the USSR fell, and Russia "surrendered" to the UN by joining it in 1991;

4. Parallel to this event, this is also the first manifestation in 1991 (UN/NGO) of the "disgusting thing" in the Jehovah's witness "temple" system as defined since 1919 free of Christendom corruptions, so Christendom cannot be those “leaving the holy covenant”;

(Daniel 11:31) And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant feature. “And they will certainly put in place the disgusting thing that is causing desolation.

1. This is the UN/NGO infiltration “profanation” of the anointed "temple", the subsequent "befouling" of that "Joshua" class "identity" as per Zechariah 3:1-3, and the spread of this corruptive infiltration and sinful effects subtly throughout the "fortress" of the JW organization;

2. This is how a truly approved "constant feature" has been greatly affected since the Milton Henschel era globalist backed compromise after Fred Franz was incapacitated and died. Brother Fred Franz was the 2 Thessalonians 2:3 parallel with 1945 United nations global presentation after WW2; The NWO mode of the DT is what is in place, empowered by globalist King of the North NOT the USSR as previously held;

3. That is why in final fulfillment mode, this "lawless one" development in the Jehovah's Witnesses organization continues until divine revealing of the "man of lawlessness" and his removal by God as per Zech3:2-9 parallel with 2Thessalonians 2:3-9 and Revelation 8:1-5;

4. As we see, none of this was noted after 1991 and the fall of the USSR, though that greatly impacts the interpretation based on the USSR's success, but in fact it failed, "nothing will succeed" (Dan11:27) is where the USSR ended up; The NWO mode of the DT is what is in place, empowered by globalist King of the North NOT the USSR as previously held;

5. This infiltration continues to Revelation 8 "1/3" penetrative effects in final fulfillment mode:

(Daniel 11:32) “And those who are acting wickedly against the covenant, he will lead into apostasy by means of smooth words. But as regards the people who are knowing their God, they will prevail and act effectively.

1. In final fulfillment mode, there will be some in the Jehovah's witnesses "temple" system that will become the "lawless one" identified, and they are already active; (2Thess2:3-9) Prophecy reveals in a number of ways this must occur; (This information being stifled is evidence for 20 years;)
2. It aids a refining work as shown in Malachi 3:1-5 and Zechariah 3 in final fulfillment mode at temple completion complimentary to the initial pattern at temple foundation of 1914-1918+;

(Daniel 11:33) And as regards those having insight among the people, they will impart understanding to the many. And they will certainly be made to stumble by sword and by flame, by captivity and by plundering, for some days.

And more infiltration continues:

(Daniel 11:34) But when they are made to stumble they will be helped with a little help; and many will certainly join themselves to them by means of smoothness.

1. A preliminary cleansing leading to final fulfillment of Zechariah 3, Malachi 3:1-5; and Rev8:1-5 progresses to and through the full of Daniel 8:11-14 "temple cleansing" in the "time of the end";

(Daniel 11:35) And some of those having insight will be made to stumble, in order to do a refining work because of them and to do a cleansing and to do a whitening, until the time of the end; because it is yet for the time appointed.

1. That time appointed will "spark" (Rev8) the final round of prophecy we are discussing here all the way through these established patterns, now repeating with the "man of lawlessness" through the rest of the Daniel and Revelation 1260 day, 1290 day and 1335 day finale progressions;

2. This continues to total temple clean-out, final world ministry of the "two witnesses", the completion of the 144000 after the "holy city" is fully trampled, and on to the final separation of the "sheep and the goats" to Armageddon;

IV. Daniel 11:36 - The Clean Break to Globalism [1]

A. Globalist King of the North is Ultimate Meaning

1. Although Jehovah's witnesses can try to apply these next verses to the USSR as the national "King of the North", certain features, in FFM, identify this power system, as leading to the manifestation of the globalist "King of the North" as completely unique on the world scene in his final manifestation world drive to Armageddon;

2. Keep in mind another global "boogey man" national, or national coalition "King of the North" may very well arise, but certain qualities of power will NEVER be attainable to national power (nothing will succeed for them), blocs or coalitions to the degree of consolidation NOW present and getting more powerful in the globalist world order actual globalist "King of the North" symbolic complex of globalist wildbeasts, 2Horn-Wildbeast and scarlet wildbeast;

3. Jehovah's witnesses are not "wrong", it is that we did not know where to stop with the USSR application in national bloc perspective of the initial fulfillment. The globalist perspective of the applicable portion of Daniel 11, in final fulfillment will also apply, but most fully since this will climax in that "King of the North" "palatial tents" opposed to spiritual Israel which will result in full Armageddon "war of the great day of God the Almighty";

4. The USSR could not fulfill this requirement: "And he will certainly prove successful until the denunciation will have come to a finish"

5. Keep in mind we are speaking final fulfillment applicability in globalist "King of the North" paradigm;

(Daniel 11:36) “And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until the denunciation will have come to a finish; because the thing decided upon must be done.

1. Well all national power megalomaniacs do "according to their own will" and exalt themselves and magnify themselves. BUT globalism as a basis of world power IS above every national power complex "god" of the nations, it IS the final world power type and scope, so this megalomania is extreme based on this reality;

It is also successful;

2. The USSR did not exactly "prove successful" very long. But this "King of the North", in final fulfillment, in globalist scale "will certainly prove successful until the denunciation will have come to a finish", and that denunciation is Daniel 11:45 total obliteration by God's Kingdom;

3. This globalist "King of the North" must fulfill prophecy to the utter detail "because the thing decided upon must be done", and this is 'decided upon' by God Almighty and therefore cannot be stopped, stalled or reversed from occurring fully it "must be done";

4. There is a finality of prophecy here that was not fulfilled at the scope the globalist "King of the North" will progress "successful" to total destruction, and permanent conquest of God's Kingdom over this sovereign rival at worldwide apex beyond any national power or coalition in human history;

(Daniel 11:37) And to the God of his fathers he will give no consideration; and to the desire of women and to every other god he will give no consideration, but over everyone he will magnify himself.

1. Globalism is the unique and powerful governmental application that truly leaves all national "gods" and national minded objectives way behind; This is true potential world rulership to 100%, not limited mad fantasies of men like Adolph Hitler who could not sustain even their own sphere of national power much less a whole world.

2. Globalism is an advanced science that affect all "power and authority": that formerly defined the national power system, but applied in advanced ways to an entire collection of nations and a whole world;

1. This ascendant Globalism "god" is the foremost development of the "god of fortresses" as Joel 3:9-12's global militarization prophecy fulfills parallel with the needed "gold" and "silver" and "desirable things" control of Daniel 11:42-43;

2. This continues progressively climaxing as that development intensifies Revelation 17:11-17 "power transfer" from national to globalist which climaxes the final
3. Without that actual wealth and capital infusing power (worldwide), this scale of global power would not be possible, and this power, rather than national "power" with multiple trillions in debt and unfunded liabilities is what separates globalist power from national illusions of power which are actually in decline due to this dynamic; (Rev 17:12-18);

4. The only hope the national powers have, is Babylon the Great assets to infuse a "recovery" and their final death throes to completion as this unwinds for real.

(Daniel 11:39a) And he will act effectively against the most fortified strongholds, along with a foreign god.

1. And so globalism is this "god" foreign to the normal thinking of all nation-state and national powers of the former millennium of development to that national apex, now in decline for ascendant globalism;

(Daniel 11: 39b) Whoever has given him recognition he will make abound with glory, and he will actually make them rule among many; and the ground he will apportion out for a price.

1. Since this power is now engineering and running the globalist "image" "of the wildbeast", the UN, that is where the globalist elites dote out recognition, "one hour" of power and glory, and allow them to rule national pyramids of the "many" for globalist benefit.

2. Debt slavery of whole nations to fiat currencies based on digital accounts and worthless paper, with huge credit bubbles and multi-trillions in debt is how the national ground, that these powers used to own, is apportioned out to them for a price, a national "mortgage" of debt slavery.

3. And this is how the globalist financial intrigues devised since before 1914, have infiltrated these unquestioning nations, and "pawned" them without a shot fired. In extreme cases, and for more war profit, global military application is also a form of "pawning" national properties, into globalist ownership.

4. Slowly but surely the globalist powers have amassed over 50% control in all aspects of what defined "power and authority" in the national realm, and the nations are focused on the walls of nationalism not perceiving the king that is pawning them and controlling them to Armageddon;

5. Aiding this progression, was the developments after the 911 event.

(Daniel 11:40) "And in the time of the end the king of the south will engage with him in a pushing, and against him the king of the north will storm with chariots and with horsemen and with many ships; and he will certainly enter into the lands and flood over and pass through.

1. That "pushing" is national powers being devoured; Notice how "him" in "and against him the king of the north will storm" becomes a "her" by verse 43 "Egypt (King South national systems); she will not prove to be an escapee";

2. This invisible globalist invasion in Daniel11:40 applies to the "Global War on Terror" and the many special operations and military expansions that accompanied that "war" for the last 10 years.

3. Though it can apply to the USSR in initial fulfillment, in final fulfillment mode it goes to complete rulership of global wealth and finance system (gold) and "desirable war" for the last 10 years.

4. Slowly but surely the globalist powers have amassed over 50% control in all aspects of what defined "power and authority" in the national realm, and the nations are focused on the walls of nationalism not perceiving the king that is pawning them and controlling them to Armageddon;

5. Ultimately this applies to the actual world owners in progressive and dynamic operation; globalist power.

(Daniel 11:41) He will also actually enter into the land of the Decoration, and there will be many lands that will be made to stumble. But these are the ones that will escape out of his hand, Edom and Moab and the main part of the sons of Ammon.

1. That again hints at the infiltration "entry" of the Jehovah's witnesses, and can also apply to the final actual initial and final placement of the global "disgusting thing" in the near future in harmony with the final objective. The "entry" "into the land of Decoration" is the corrupting "lawless one" infiltration of Jehovah's witnesses organization worldwide now in operation awaiting final temple clean-out by God; (Zech3:4);

2. The "escapes" are symbolized by the known biblical enemies of God's people in classic Edom, Moab and Ammon - these are the traitors and infiltrators operating undercover in the Jehovah's witnesses today;

(Daniel 11:42) And he will keep thrusting out his hand against the lands; and as regards the land of Egypt, she will not prove to be an escapee.

1. Now, in final fulfillment mode, the "King of the South" is the whole Anglo-American nationally controlled and influenced systems of earth (Egypt) that have succumbed to that finance and operations model for years now;

2. The national powers are all debt pawned, and that leads to property and power pawning of eventual progressive globalist receivership, ownership and control of all their national lands and organizational powers worldwide in "the lands" symbol;

(Daniel 11:43) And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. And the Libyans and the Ethiopians will be at his steps.

1. As a result globalist power, not national power, possess the majority global bullion;

This also represents the very basis of world wealth physically and by design of the system, the globalist finance network to administer that "wealth" as debt and currency worldwide;

3. Everyone else left over, the smaller less assimilated nations, the "Libyans and the Ethiopians" will be sucked into globalism as well in time, if time kept going on for this system;

4. The temple cleansing of Jehovah's witnesses must activate before Daniel 11: 44, because those "reports" are part of the "little scroll" of Revelation 10 and that can
only be commissioned to a clean "robes of state" identity in God's eyes for "Joshua", the anointed remnant (Two Witnesses) in the Zechariah 3 "befouled garments" purge to manifest soon.

5. That "befouled" identity on Jehovah's witnesses, has been aided by the aforementioned infiltration and it's "disgusting thing" infecting purposes manifested in 1991 when Fred Franz "restraint" was out of the way in his incapacitation and death;

6. That purge commences at Revelation 8:1-5, and that leads in the "seven trumpets" global heralds to Revelation 9, 10 and 11; the final "two witnesses" global ministry which will deliver these ever so "disturbing" "reports" to the completely identified and exposed globalist "King of the North" entities;

(Daniel 11:44) "But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction.

1. That enraged response leads to Revelation 11:7 and the final removal of the "constant feature" of Jehovah's anointed ministry and sacred service. That leads to Revelation 11:15-18, and that is the end manifestation of God's Kingdom and Temple completed, while the "king of the North" is in world celebration thinking he rules the world;

2. So the globalist "King of the North" total world power system sets up the final "disgusting thing" and his own world sovereign "palatial tents"; This aligns with Gog's final attack, they all end up at the same place with the whole world at Revelation 19:19-21 (Gog/Satan Rev 20:1-3), and that is the end;

(Daniel 11:45) And he will plant his palatial tents between the grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

1. The globalist KN Kingdom and God's Kingdom zenith at the same approximate time in human history; For the King of the North, it is the wrong place to be (Armageddon global) at the wrong time;

2. This one time portion of Daniel in 11:44-45, leads to Michael's conquest and Kingdom power real-time, and that indicates the whole Daniel 12 cycle also has a final fulfillment replication leading to this period of time;

3. Daniel 12:7 aligns with the 3.5 times of Revelation 11:2-3, and that has to have a final fulfillment completing "7 times" of 2520 days in two world deployed ministries of the "two witnesses" in 1914, and in the near future;

4. The whole Daniel 12 sequence must repeat in the near future due to Daniel 11:44-45 leading their in real-time fulfillment;

V. Daniel 12 - Final Fulfillment Mode

A. Michael's Universal Conquest Sequence

(Daniel 12:1) "And during that time Michael will stand up, the great prince who is standing in behalf of the sons of your people. And there will certainly occur a time of distress such as has not been made to occur since there came to be a nation until that time. And during that time your people will escape, every one who is found written down in the book.

1. In FFM, this is Universal conquest; Michael is used in context when vanquishing Satan; Gog will be the universal component of the King of the North:

(Ezekiel 38:15) And you will certainly come from your place, from the remotest parts of the north, you and many peoples with you... [The King of the North and all controlled by him; (Rev19:19-21); Gog "with no helper" as well; (Rev20:1-3)]

2. This is total Universal conquest of heavens and earth;

(Daniel 12:2) And there will be many of those asleep in the ground of dust who will wake up, these to indefinitely lasting life and those to reproaches and to indefinitely lasting abhorrence.

A projection to Revelation 11:15-18 resurrection amongst other prophecies foretelling this in the 1000 year reign of Christ's Kingdom;

(Daniel 12:3) "And the ones having insight will shine like the brightness of the expanse; and those who are bringing the many to righteousness, like the stars to time indefinite, even forever.

1. This is also an allusion to the final gathering glorification of the anointed in this finale period:

(Matthew 13:43) At that time (Jude 14) the righteous ones will shine as brightly as the sun in the kingdom of their Father.

(Daniel 12:4-6) "And as for you, O Daniel, make secret the words and seal up the book, until the time of the end. Many will rove about, and the true knowledge will become abundant." And I saw, I Daniel, and, look! there were two others standing, one on the bank here of the stream and the other on the bank there of the stream. Then one said to the man clothed with the linen, who was up above the waters of the stream: "How long will it be to the end of the wonderful things?"

Now the angel gives time periods that must have two fulfillments one at kingdom/temple birth/foundation, one at kingdom/temple completion and final conquest. (See [2])

B. The 1260 Days (Holy City Trampling Phase)

(Daniel 12:7) And I began to hear the man clothed with the linen, who was up above the waters of the stream, as he proceeded to raise his right hand and his left hand to the heavens and to swear by the One who is alive for time indefinite: "It will be for an appointed time, appointed times and a half. And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish."

1. Parallels of 1260 Time Signature:
And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time.

But as for the courtyard that is outside the temple sanctuary, cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth... And when they have finished their witnessing, the wild beast that ascends out of the abyss will make war with them and conquer them and kill them.

Now as for me, I heard, but I could not understand; so that I said: “O my lord, what will be the final part of these things?”

And he went on to say: “Go, Daniel, because the words are made secret and sealed up until the time of the end.

Many will cleanse themselves and whiten themselves and will be refined. And the wicked ones will certainly act wickedly, and no wicked ones at all will understand; but the ones having insight will understand. (Rev1:1)

C. The 1290 Days - 144000 Temple Completion Phase

And all the angels were standing around the throne and the elders and the four living creatures, and they fell upon their faces before the throne and worshiped God, saying:

And they will keep on crying with a loud voice, standing before the throne and before the Lamb, dressed in white robes; and there were palm branches in their hands. And they keep on crying with a loud voice, and they will see the Son of man coming on the clouds of heaven with power and great glory. And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones together from the four winds, from one extremity of the heavens to their other extremity.

And as for you yourself, go toward the end; and you will rest, but you will stand up for your lot at the end of the days.

After these things I saw, and, look! a great crowd, which no man was able to number, out of all nations and tribes and peoples and tongues, standing before the throne and the Lamb, dressed in white robes; and there were palm branches in their hands. And as for you yourself, go toward the end; and you will rest, but you will stand up for your lot at the end of the days.

Happy is the one who is keeping in expectation and who arrives at the one thousand three hundred and thirty-five days!
References

“He will act effectively against the most fortified strongholds, along with a foreign god. Whoever has given him recognition he will make abound with glory, and he will actually make them rule among many; and the ground he will apportion out for a price.” (Daniel 11:39) Trusting in his militaristic “foreign god,” the king of the north acted most “effectively,” proving to be a formidable military power in “the last days.” (2 Timothy 3:1) Those who supported his ideology were rewarded with political, financial, and sometimes military support.

Three Time Periods of Daniel and Revelation

1. The 1260 Day Period - Initial Fulfillment: 1914-1918

A. This "time (1), times (2), and half a time (.5)" prophetic time signature corresponds to a "time" being a linear time measure that contains 360 units in the lunar year. Therefore this 3.5 times equals 1260 (3.5 times x 360 units) units which may represent years or days;

B. This prophetic time signature is described as the Biblical "time, times, and half a time"; (3.5 times), "forty two months" (30 x 42 = 1260 days) and "one thousand two hundred and sixty days" (3.5 x 360). The "month" measure is a lunar month of 30 days; This can correspond to years or days in prophecy depending on context;

C. With initial minor fulfillment completed and the final major fulfillment in the near future, these will all total the "seven times" of Bible prophecy in 2520 units; (7 x 360 = 2520);

D. In the continuous 2520 years "seven times" there was no need to break down the "appointed times of the nations" into two fulfillments, it was a continuous "7 times" of year units from 607 BCE to 1914 CE in years, 2520 years;

E. The replication of prophecy with an interim ministerial period breaking up the continuity is why these periods are described in 3.5 time segments, because they fulfill twice separated by a time period, not continuous; But after the final fulfillment periods elapse, this will equal also the spiritually perfect designated "seven times";

(1) Daniel 7:25-27 And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time. 26 And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate him and to destroy him totally. 27 “And the kingdom and the rulership and the grandeur of the kingdoms under all the heavens were given to the people who are the holy ones of the Supreme One. Their kingdom is an indefinitely lasting kingdom, and all the rulerships will serve and obey even them.”

Parallels:

(Daniel 12:7) And I began to hear the man clothed with the linen, who was up above the waters of the stream, as he proceeded to raise his right hand and his left hand to the heavens and to swear by the One who is alive for time indefinite: "It will be for an appointed time, appointed times and a half. And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish."

Relation to "Appointed Times of the Nations":; Luke21:24; Dan4:25

(Revelation 11:2-3) But as for the courtyard that is outside the temple sanctuary, cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth.”

At Kingdom Birth 1914

(Revelation 12:5-6) And she gave birth to a son, a male, who is to shepherd all the nations with an iron rod. And her child was caught away to God and to his throne. 6 And the woman fled into the wilderness, where she has a place prepared by God, that they should feed her there a thousand two hundred and sixty days.

(Revelation 12:13-14) Now when the dragon saw that it was hurled down to the earth, it persecuted the woman that gave birth to the male child. 14 But the two wings of the great eagle were given the woman, that she might fly into the wilderness to her place; there is where she is fed for a time and times and half a time away from the face of the serpent.

Parallel Period:

(Revelation 13:4-6) And they worshiped the dragon because it gave the authority to the wild beast, and they worshiped the wild beast with the words: “Who is like the wild beast, and who can do battle with it?” 5 And a mouth speaking great things and blasphemies was given it, and authority to act forty-two months was given it. 6 And it opened its mouth in blasphemies against God, to blaspheme his name and his residence, even those residing in heaven.

2. The 1290 Day Period - Initial Fulfillment: 1919-1922

(Daniel 12:11) “And from the time that the constant feature has been removed and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days.

3. The 1335 Day Period - Initial Fulfillment: 1922-1926

(Daniel 12:12) 12 “Happy is the one who is keeping in expectation and who arrives at the one thousand three hundred and thirty-five days!

Daniel 8 Unique Future Fulfillment and World Signal Event

This article will explain exactly why Daniel 8:11-25 will fulfill in the near future, and why it has never fulfilled so far as Jehovah’s witnesses imagine; This will also explain why the JW temple cleansing action will signal the coming total world judgment as per 1Peter 4:17’s initial judgment of the temple; That Kingdom continuum to God’s Kingdom planetary conquest of Earth at Har-Magedon, similar to Daniel 8:14 - 2300 "evenings and mornings", is set in relatively sequential prophetic time periods; unlike the unique one-time 2300 units, the final prophetic triple periods to follow have already fulfilled one time from 1914-1926 in 3 time sections in minor fulfillment; That makes four prophetically identified time periods, the first two of which lead to temple purification and completion of the 144000 some time after the 1260 days of Revelation 11:2-3; Dan7:25; 12:7;

The causes and outcome of the near future JW "temple" judgement and cleansing, and where it must lead will be explained around this prophecy of Daniel 8:11-25, as will why Jehovah’s witnesses are not being given this light through our current administration who must and will be purged (to whatever degree necessary; Zech3:5) as a result of this judgment paralleling Zechariah 3:1-10;

This prophecy is the "starting gun" to awaken Jehovah’s witnesses worldwide and to begin a sequence of interlinked prophecy that cannot be reversed and that will end in the complete change in rulership of this universe and this planet Earth;

It is ALL in this Daniel 8 prophecy! Please read Daniel 8:8-27 a few times, or refer to it at the end of this page;

I. Small Horn Nationalism to Brief Globalist World Domination

This describes the prophetic progression from Anglo national development from the "Small Horn" British root, to globalist world kingdom zenith and end covered in Daniel 8;
A. Two Prophetic Small Horn Progressions Described

1. Two Visions of the Small Horn

If we wonder why in the world would God inspire two visions to Daniel separated by a few years, of the same "Small Horn" progression from its origins?, it is a good question. Why twice? (Dan7:1; Dan8:1)

2. Some Reasons:

a. Certain general and specific information duplicates concerning the "Small Horn" and its origin and progression over time, and certain information is unique in Daniel 7 versus Daniel 8;

b. Daniel 8 has more small horn information, as Daniel 7 contained more Messianic Kingdom information; This is to be investigated more carefully from these extra clues, because Daniel 8 provides more details regarding the "Small Horn" progression in the "time of the end" related to God's "temple" and people;

c. The "temple" and "priesthood" "sacrificial" details are more specific in Daniel 8 with regard to the final prophetic signal, a very important signal marked by actions upon the "established place" and the "army" in the near future that can be proven to apply to the "time of the end" of the "last days" themselves; (Not the pre-midpoint as is currently taught in error);

d. A unique "end time" period is identified and isolated in Daniel 8, ONLY found in Daniel 8 and 11 as this term "time of end";

e. The causative reason for near future judgment and cleansing "temple" actions regarding Jehovah's witnesses is also revealed in significant details;

What follows is a draft listing of many of the details contained in Daniel 8:11-25;

B. King of Fierce Countenance

1. Comprehensive Context

Daniel 8:11-14 also details the context of events in its unique prophetic "end time" that expand in details of "trampling" on the JW "temple" in comparing Daniel 7 and 8 in relation to the "temple", "holy ones", implied "priesthood", and the "established place" of the "sanctuary";

2. Evolution of Globalist Power

This cleansing "trampling" permitted by God is set in the "end time" context of finale globalist developments that transpire progressively through this initial "trampling" prophetic signal to the emergence and apex of the globalist "King of Fierce Countenance" final 8th King;

3. National Power Cannot Dominate the World

Contrary to Jehovah's witnesses current error in exposition of this prophecy, the Anglo-American national world power system is not a "King of Fierce Countenance" that ends up ruling the world at Armageddon for real; That is the 8th King;

4. Globalist Power Can Dominate the World

The "King of Fierce Countenance" is not an indebted declining national power but a globalist zenith system set in the "final part of their kingdom" not in the 1944 midpoint of "their kingdom" as per current JW error;

5. Two World Power Types Pictured

Daniel 8 identifies that the "King of Fierce Countenance" comes after the "Small Horn" has gotten "greater", as will also be proven here, so we have TWO world power evolutions distinguished by the vision of Daniel 8:11-25, and it's "end time" progression to a finale climax trajectory to Armageddon; (Small Horn>> grows into dual power>> King of Fierce Countenance globalism)

6. Complete Final Sequence of Adamic Human Government

Daniel 8 isolates this "Small Horn" power progression all the way to globalist 8th King ("King of Fierce Countenance") zenith as it progresses through this JW "established place" desolation and divine "temple" cleansing progression of Daniel 8:11-14 all the way to the "freedom from care" "peace and security" final "sneak" assault upon the world system and apex defiance to the Kingdom of God of Daniel 8:23-25; (1Thess5:1-3; Dan8:25; Dan11:44-45)

7. Premature JW Interpretation has Major Inconsistencies

This also shows why the 1944 explanation of this prophecy is premature, and anti-climactic as related to the "final part of the denunciation", the "transgressors" completion in the JW org "lawless" activities and zenith globalist world power (8th King); In 1944 the "disgusting thing" UN itself was not even standing as an "Image" (1945) much less as a globalist world power system in "the final part of their kingdom";

8. Enlightenment Guaranteed

Jehovah's witnesses will have this explained by God through Christ in the mornings after the evenings of this cleansing prophecy manifestation soon;

C. Globalist Final Evolution

1. National Power Limited

The "Small Horn" of singular "Britain" is a clue that the Anglo-American national dual-power coalition formed officially by 1914, through military-industrial-finance pact, synthesis, and bloodline relations, is not the end of the progression of Daniel 8:11-25;

2. Globalist Power Logical
Globalist embryonic developed to matured power is the "final part of their kingdom" and is fully described at apex in Daniel 8:23-25 that parallels the events of Daniel 7:25-26 and other key climax Bible prophecies of Armageddonic proportions;

3. Daniel 8:11-25 Has Not Fulfilled Yet

Daniel 8:11-25 must therefore have a future fulfillment, not the misplaced current interpretation of Jehovah's witnesses that cannot apply to that 1938 time period;

4. Two Manifestations of Globalist Power Stand

In effect, the first "standing" of the "King of Fierce Countenance", after the JW "established place" judgement has begun and after, will lead to a globalist initial manifestation while this period is transpiring; (Dan8:23) and to a final manifestation after the "freedom from care"; (Dan8:25) in TWO "stands" of the "King of Fierce Countenance";

D. Two-Horn Wildbeast Mastermind (Dan8:23 "Master of Intrigue" Main Engineer)

1. Connect to 8th King

By this connection of the "Small Horn" British Anglo system origin to the modern forming "King of Fierce Countenance" as an apex globalist power under Anglo-American elite globalist control, we logically and prophetically arrive at the "Scarlet Wildbeast" "8th Kingship";

2. 8th King in New Light

This is the Anglo-American globalists greatest feat of political engineering, seen in Daniel 8 in new light regarding key commencement events of the final prophetic world cycle and it's attack on the JW "established place" to initiate this event and the final connected prophecies it will trigger in time all the way to the total end; (1Pet4:17; Dan7:25; Rev11:2-3; Dan12:11; 12:12)

a. The Anglo-American globalist centric "Two-Horned-Wildbeast" (Rev13:11) as an elite globalist power system is the powerful "seventh" head of the "Scarlet Wildbeast" globalist unification, the main "master of intrigues" and "insight" that engineers and controls that comprehensive globalist 8th King; (Rev13:11-15)

b. Note: The "Two-Horned-Wildbeast" (Rev13:11) "head" origin began with the 7th head of the [national collective] Wildbeast of Rev13:1 and ends in the globalist unification "Scarlet Wildbeast"'s "7th head" [globalists];

c. That is a "mastermind" of comprehensive, "full-bodied", "Scarlet Wildbeast" whole power worldwide as a sole 8th King finale - the WHOLE thing, the whole "Scarlet Wildbeast" globalist unification upon climaxing multi-national control of 200 nations approximately; (Rev13:1-15; Rev17:3, 11-17)

d. That is of course far more than a UN "Image" of the "Wildbeast" but an actual worldwide super-structure of world domination based on globalist objectives beyond the many national powers they will pawn over time; Dan11:42-42 parallels Rev17:11-17 intensifies Rev16:13-16)

e. That to must climax for real, so there is an 8th world power to come, just not a "national" power, but a globalist one;

E. Unique End Time Location for Interpretation

1. Transgression Darkness

As will be shown, the current "transgression that causes desolation" in the JW "sanctuary" on earth NOW and the subsequent organizational "established place" positioning of this "transgression's" effects is why this exact prophetic truth cannot apply to the 1932 or 1938-1944 premature guessworks;

a. Those 1930's minor JW organizational adjustments that are attributed to this prophecy as finally modified in the 1999 "Daniel's Prophecy" book to 1938-1944 "2300 days" cannot constitute a "transgression" that brings God's "denunciation"; ("2300 days" in the 1926-1932 time period was the interpretation in the "Your Will be Done" Daniel commentary book of 1958; Also invalid in the context of this climax prophecy:)

b. "Their kingdom"; (Dan8:23) was not in it's final stage, nor was the transgression presently manifested in 1932-1938 or 1938-1944;

c. The entire prophetic sequence of Daniel 8:11-14 is described by the angel Gabriel in Daniel 8:15-19 also in the "end time" of the "last days" unique to Bible terminology as the "time of the end" for this reason; Daniel 8:23-25 places the further finale "final part" and "completion" features;

F. Daniel 8:10 Not Fulfilled in the Future

1. Temple Cleansing Biblical Cross References

Therefore Daniel 8:11-25 must have a future fulfillment as described here in some detail with important cross-referencing to Zechariah 3:1-10 "befouled" cleansing and "fire" event of Zechariah 3:2;

2. Revelation Reference to Temple Cleansing

Revelation 8:2-5 will also be connected to this "temple" "fire" "cleansing"; (Dan8:11-14) as preparation for Revelation 8-11 full blown final fulfillment to Armageddon itself in notable prophetic time sequences of 1150 days (unique), 1260 days (duplicated), 1290 days (duplicated) and 1335 days (duplicated) in the same order as the minor 1914-1926 fulfillment commencing with the 1260 days at that time; with unknown transitional periods of time between these four prophetic periods;

G. 2300 Evenings and Mornings Possible Meanings

1. Important Time Period

The prophetic time period of this JW interpretative attempt as 2300 days also needs to be examined further since this is a key activation period that will be known by all mankind paying attention and all Jehovah's witnesses for a reason; It leads to the 144000 completion, the conquest of God's Kingdom and Christ, the "end of the world" as the rival sovereigns knew it; (Rev16:13-16; Rev19:19-21; Rev20:1-3)
2. Important Prophetic Signal

We have to place ourselves into the prophetic mindset as per Jehovah's witness Bible truth revealed by God through Christ; This time period is CRUCIAL, because it leads to the 1260 days (3.5 times) of Revelation 11:2-3 and Daniel 7:25; 12:7 that must fulfill completed as "seven times" period totality;

a. That Revelation 11 period "two witnesses" final commission is a clean state of Jehovah's witnesses which results from this 2300 evening/morning "trampling" and "cleansing";

b. This is the Zechariah 3:2-9 "robes of state" cleansing rather than Zechariah 3:1, 3 "befouled garments" of the current JW "temple" "priesthood" "befouled" standing in that prophetic judicial scene prior to 2300 "temple" completion;

c. Therefore this 2300 evening/morning count will lead to that cleansed state, and proceed in an unknown transitional period to the 1260 days, which leads to the 144000 completion and the commencing 1290 days, "Christ Court" of Daniel 7:26 from the replicated 3.5 times, to 7 times completion of Daniel 7:25, which is Revelation 11:2-3, which connects to the 3.5 times requiring also 7 times completion of Rev12:6, 14 and Revelation 13:5;

3. 1150 Days

a. 1150 days is a possibility; 2300 counts of 1150 "evenings" and 1150 "mornings" add to the "2300" count, but as 1150 days at 2 units per day of (1) "evening" and (2) "morning"; (1150 days / 360 days (Lunar year) = 3.194 years of "trampling" to "temple" "cleansed" state; 38.33, 30 day months; 3 years, 2 months, 10 days;

4. 2300 Days

a. 2300 evenings and 2300 mornings is also a possibility equaling 6.38 years as 2300 days; 76.66 30 day months; 6 years, 4 months, 20 days

5. Evening and Morning

a. The meaning of 2300 "evenings and mornings" in that specific order noted prophetically, would be 1150 "evenings" as half the total time most Jehovah's witnesses will be in the "dark" regarding what is happening for 3.194 years;

b. That concept of darkness and enlightenment from what will definitely catch most JWs "like a thief in the night" and need divinely backed "enlightenment" (Rev8:5) can apply to any time period this 2300 day pattern may actually manifest as;

c. The "darkness" of this "trampling" disciplinary action of God permitting globalist "throwing down of the established place" JW worldwide organization would be a possible meaning;

d. This obstruction is also what those "transgressors" in the "temple" as "men of lawlessness" being revealed; (2Thess2:3-9) would have as an objective of shutting down the worldwide preaching work which must carry this updated news forward to mankind, as the current state of Jehovah's witnesses' understanding is stuck in 1990 levels;

e. This would be followed by 1150 "mornings" of enlightenment resulting from this cleansing and God's renewed spiritual flow of real "new light"; (Rev8:5) and give great impetus to the final ministerial commission;

f. That would be a total 3.194 year "trampling" to "cleansed" "temple" state, followed by a 3.194 year "enlightenment" state leading to the 1260 days divinely cleansed and approved commissioning of the final "two witnesses" worldwide final sovereign ultimatum, invitation and warning to all mankind;

6. Harmonizes with Other Prophecy and Timing

a. This would put the "two witnesses" in "sackcloth" while in approved "robes of state" after this period in either scenario of the 2300 meaning;

b. This would initiate the judgment on God's "house" as the precursor event to all the subsequent prophetic fulfillments to follow to Armageddon finale and Christ's 1000 year Kingdom; (1Pet4:17)

c. Jehovah's witnesses are attacked in a "gradually given" progression well before the Babylon the Great attack according to the timing of this prophecy in the overall context of the final prophecies;

d. No doubt the powers orchestrating this attack on the JW "established place" worldwide are also the same ultimate powers interested in vanquishing BTG's world sovereignty and seizing her wealth as well; This is in the near future before the attack on Babylon the Great, though related in the progression it is leading to:

i. (Daniel 8:11-12) And all the way to the Prince of the army it put on great airs, and from him the constant feature was taken away, and the established place of his sanctuary was thrown down. 12 And an army itself was gradually given over, together with the constant feature, because of transgression; and it kept throwing truth to the earth, and it acted and had success.

II. Time Periods are Identified

A. General End Time Period

1. The End Time

The vision given Daniel in chapter 8 from verse 11 forward is described in time as "the vision is for the time of [the] end;" (Dan8:17);

a. Now this divinely identified "appointed time" "end" Gabriel is describing twice; (Dan8:17-19), is the "end" of the "last days" with more prophetic precision to the actual "conclusion", the described appointed end period of the "system of things"; It is an "appointed time of [the] end"; (Dan8:17,19)
b. That cannot be 1914, the beginning of the "Lord's Day" (Rev1:10) or 1938-1944 which is 24 and 30 years into the "last days", since now the "last days" have been in progress approximately 100 years, placing 1938-1944 before even the "mid point" of the "last days" far less than the "time of the end";

c. That "appointed time" relates to the 2520 days of Revelation 11:2-3 completed in the final, second fulfillment of the near future; All "3.5 times" in prophecy of 1260 days, 42 months, "time, times and half a time" must complete in final fulfillment as "7 times"; (Dan7:25; 12:7; Rev11:2-3; 13:5; 12:7,14)

d. It cannot signify the "last days" that began in 1914 as the "Lord's Day" (Rev1:10), because this is also in the "final part" of both the "denunciation" (from God; Dan8:19) and "their kingdom"; (Dan8:23);

e. Note The unique term "the time of end" occurs 6 times in the Bible in Daniel 8 (2) and 11 (4) in the New World Translation of the Holy Scriptures, therefore it is uniquely detailing more than the "last days"; The "time of end" is the "last days of the last days" - the final progression to "the end"; (Matt24:6, 14);

B. Transgression Completion Time Period

1. Required Synergy

In the related "transgression" also "completing" in the "final part of their kingdom"; (Dan8:23) in both relations to the "disgusting thing" of globalist world rulership idolization, and the "transgression causing desolation"; (Dan8:13) in the "established place of the sanctuary" itself this was not present in both systems in 1944, which was a middle development, certainly not the "final part of their kingdom";

2. Transgression is Disgusting Thing Centered

The "transgression" is related to both the "transgressors" in their globalist world rulership idol "Image" representing the becoming of a real world rulership "stand" of Daniel 8:25b (8th King) in the near future and to the "transgression causing desolation" in the JW "sanctuary" that embraced that idol as the UN/UNO in 1991 well after 1944;

a. This is the true gross sin that will cause the "established place" to be "thrown down"; (Zech3:2)

3. Top Level "Priesthood" Transgression

This "UN" "relationship" included the promoting of the UN presence, UN support organizations, globalist activities and policy publicity, and even plugging new books and slogans from the United Nations to the JW unique worldwide demographic coverage and audience for 10 years of covert UN related "advertising";

a. This is what the United Nations "Department of Public Information" does; Worldwide globalist promotions through "non-governmental organizations" to advertise and support UN activities, organizations, publications and projects worldwide to unique audiences to support the Wildbeast's "mental presence" globally;

D. Four Final Periods Identified

1. Zenith Period of Human and Prophetic History

This is therefore a matured period, a final part, an apex climax for four different prophetically identified components in this prophecy which identify this prophecy for the near future "time of the end" now, not in 1938-1944; 1938 was the pre-beginning of the Wildbeast UN "abyss" rise, and the 1940's was in the middle on this "kingdom" development, NOT the "final part of their kingdom";

a. (1) The "last days" "end" in the "conclusion of the system of things" final phase is identified; (Dan8:17, 19)

b. (2) The final part of globalist world government development and "stand" is identified; (Dan8:23-25)

c. (3) The finality of the "denunciation" of God on the "temple" system to be cleansed, and the rival kingdom is identified; (Dan8:19)

d. (4) The completion of the transgression is identified; (Dan8:23)

E. The Maturity of the Rulership is Identified

1. Required Synergy

(Daniel 8:23) And in the final part of their kingdom, as the transgressors act to a completion;

a. This is identified AS the transgression is climaxing, being more specific in the end timing of the "final part" of globalist kingdom manifestation finale;

b. This can apply to the transgressors within the JW organization and or the world system "disgusting thing" development to this initial manifestation of Daniel 8:23 "there will stand up a king fierce in countenance;"

F. A New Progression of Globalist Rulership (8th King) is Identified

1. Initial Stand is Unique

(Daniel 8:23 And in the final part of their kingdom, as the transgressors act to a completion, there will stand up a king fierce in countenance;

2. Final Stand is Unique
Daniel 8:25) And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

a. In Daniel "stand up" means an ascension into a sovereign power for real; (Daniel 12:1; 7:17; 8:22,23,25; 11:3,7;

G. One Time Fulfillment at Climax End Period

1. Unique One Time Fulfillment

This prophecy is a unique one time fulfillment that will signal great changes in the Jehovah's witness "established place" and "sanctuary" as "temple" "cleansing" preparation and completion in a 1150 day time period;

2. Prepares Cleansed Jehovah's Witnesses for Another Trampling

a. This parallel Zechariah 3:1-10 "temple" and "priesthood" cleansing is for the final world ministry ("two witnesses" 2.0) prior to another "trampling" 1260 day time period that is not a disciplinary action from God (Rev11:1-3);

b. That second "trampling" of Revelation 11:2-3, 7 is the final completion of the "holy city" "two witnesses" prophecy and the actual prelude to the total and real end of the world of rival sovereignty against God's Messianic Kingdom; (Rev11:1-19)

H. Two Trampling Types Identified

1. 1150 Connects to 1260

The Daniel 8:11-14 "trampling" and the Revelation 11:2-7 "trampling" are different in time, purpose and outcome; The 1150 days of Daniel 8:14 will lead to the 1260 days of Revelation 11 in an unknown transitional time period between the two periods for the final replication of all "3.5 time" related prophecies in actuality (Dan 7:25; 12:7; 11) or principle; (Rev12:6, 14; Rev13:3-7)

I. Commences Dual Split Fulfillment

1. Seven Times Requirement

a. This replication of split-prophecy is for a purpose and must complete "seven times" fullness of the divine decree; (Dan4:16, 25) which progresses with these prophecies in days, in the Lord's Day since 1914; (Rev1:10)

2. Seven Times Completes in Final Fulfillment

a. Each manifestation of the 1260 day prophecy is 3.5 times, that doubles in the future, to 7 complete divine times;

b. The 1150 days of this final progression to the 1260 days is a unique commencement period in final fulfillment for the finale final cycle 1260 days required temple cleansing;

III. The Transgression

A. The Nature of the Transgression is Identified

1. JW Transgression Causes Desolation

(Daniel 8:13) "How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?"

2. Desolation Connection to Disgusting Thing

(Matthew 24:15-16) "Therefore, when you catch sight of the disgusting thing that causes desolation, as spoken of through Daniel the prophet, standing in a holy place, (let the reader use discernment,) 16 then let those in Judea begin fleeing to the mountains.

a. Yes, the reader's discernment here is that this covert "disgusting thing" (DT) stand, now manifested in the JW "holy place" as the UN/NGO relationship with 10 years of covert developmental promotions still condoned is the DT "standing in a holy place" in the significance of this sin as it parallels greater prophetic reality;

b. That "transgression" will progress upon the JW "established place" from this selfsame DT globalist infiltration for this very foretold purpose; "because of transgression" by Jehovah's witnesses top administration Governing Body (GB); (Daniel 11:41) allowing this development to occur and complete;

c. This relates the Jehovah's witnesses top administration Governing Body sanctioned "transgression causing desolation" with the "disgusting thing that causes desolation"; the coming desolation used by God for disciplinary action and temple cleansing aided by angels will be the proof, and signal the rest of the prophetic cycles of the 1260 days and the 1290 days MUST following in approximate transitional time this 1150 day desolation period;

d. The "transgression" is therefore by the JW "priesthood" itself, not by the "Wildbeast" directly, though the globalist infiltrators are involved in this sinful development, that has now spread upon all Jehovah's witnesses anointed and will be dealt with as per prophecy with multiple purposes; (Zech3:1-3)

B. The Effects of the Transgression is Identified

1. Sacrificial Profanation

(Daniel 8:11) from him the constant [feature] was taken away.

a. This has occurred since the "one who actes as a restraint", Fred Franz, was incapacitated and died an earthly death "put out of the way" with an ultimate divine
strategic view of "revealing the lawless one" that manifested fully observable some years after Fred Franz died, as the GB was taken over by more and more "men of lawlessness";

b. The ultimate act of "lawlessness" was a covert relationship with the United Nations (UN) as publicity agents for the "Department of Public Information" (DPI) which is why full library access is given for Non-Governmental Organizations (NGO) acting in this capacity; The objective plainly researchable of the UN/DPI is worldwide promotions to targeted demographic audiences that an NGO can provide unique psychological access for the UN, it's sub-organizations, support organizations, slogans and publications; This can all be shown by simple research on the Watchtower Library CD in the 1991 to 2001 period; 79 references to "new world order" pop out in this decade of covert promotions paralleling George Bush Sr.'s post USSR, "end of the cold war" "New World Order" campaigns begun on September 11, 1991 in an "Address Before a Joint Session of the Congress".

c. The second profanation of the "constant feature" was the GB sanctioning of non-priestly classes of Christians and who knows what else, to prepare "spiritual food", that is produce "sacrifices of the lips" in written form to God through Christ, for the anointed, "other sheep" and the worldwide masses contrary to the priestly decree of Matt24:45 and common sense regarding the anointed priesthood of God on earth;

d. The UN/NGO/DPI set of "sexual sins" in which the Virgin Daughter of Zion was compromised and prostituted by a handful of men in the GB for "Wildbeast" use has led to a compounding of many sins, including a perpetual reproach upon Jehovah, Christ, the anointed, and all Jehovah's witnesses worldwide as well as the stumbling of millions of potential sheep;

e. The continued cover up and tacit approval by the xGB means the UN relationship is still active and condoned in the "sanctuary" by these globalist led administrators "in the Temple of the God" it is just again in covert activity upon new strategies;

f. That strategy is covering up prophetic fulfillment details as the globalist Two-Horned-Wildbeast and 8th King systems have been manifesting the greatest amount of prophetic activation in human history since 1991 and 2001 into even a "world war", a "Global War on Terror", with no comment from the GB how this affects the fulfillment of globalist King of the North identifiability and the progression of Daniel 11:40, the "entry" into the JW system of Daniel 11:41, and the pawning of all national "King of the South" "Egypt" powers in Daniel 11:42-43;

g. Now the whole administrative "priesthood" of the GB spreads these sins and spiritual effects like leaven throughout the "established place" and the "sanctuary" "temple" as per 2 Thessalonians 2:3-12;

2. New Light is Unplugged for Twenty Years

(Daniel 8:12) it kept throwing truth to the earth, and it acted and had success.

a. The current xGB makes sure nothing progresses past 1990 levels of understanding,

b. The current xGB does not comment upon the greatest globalist prophetic activations in human history in 1991 "New World Order" "False-Prophet" campaigning, 1999 Global NATO and 2001 World War on Terror;

c. The xGB condones and tacitly approves the 10 years of UN/NGO GB sanctioned promotions and continues to stifle any exposition of prophecy concerning globalist world governmental developments;

3. Organizational Desolation

a. (Daniel 8:11) "the established place of his sanctuary was thrown down."

b. Therefore it is little wonder that this prophecy will apply to the Jehovah's Witnesses worldwide organizational "established place" in the near future, as this globalist infiltration positions the whole org, and all Jehovah's witnesses for a worldwide "coup de grace" event, or series of events to again align with the globalist strategic world move as in 1991 (UN/NGO) and 2001 (911 timed release of that UN/NGO "news break"

c. (Daniel 8:13) "...make both [the] holy place and [the] army things to trample on;"

d. This will occur as a signal event that the cleansing will be in process in some form gradual, with a series of abruptions worldwide for 1150 days of the 2300 "evenings and mornings" of this cleansing desolation "fire" of Zechariah 3:2;

4. Temple Cleansing

a. (Daniel 8:14) "[the] holy place will certainly be brought into its right condition."

b. This "purification" is the ultimate purpose by God, because the Jehovah's witnesses final global ministry heralding the Kingdom and Temple full completion of the near future guaranteed in a new affirmation (Rev11:1) must be divinely commissioned (Rev10) and carried out (Rev8-9) by a clean "priesthood" (5th trumpet) and accompanying ministerial "army" (6th trumpet);

c. The approved Jehovah's witnesses MUST have full awareness of what this all means to total 100% completed bible truth for this end period of Adamic history and the "little scroll" total meaning "opened" fully regarding guaranteed Kingdom and Temple 100%, 144000 completion under Christ (Zech4:6-8) to total world and universal absolute conquest of ALL rival systems; (Re:19:19-21; Rev20:1-3); ALL 144000 prior to Armageddon War; (Zech14:5b)

d. Since this is really the final segway to the actual "end of the world" the Kingdom and Temple completion of Revelation 11 is BIG "good news" that the world must here to make it's final decisions regarding it's allegiances;

e. This 1150 day "trampling" and obvious "earth shaking" events (Rev8:5) to hit the JW "established place" is quite a worldwide signal for Jehovah's witnesses to "get up" (Rev11:1) from spiritual slumber (Zech4:1) and get ready for this final ministry of 1260 days and "seven trumpets" overlap in official divine capacity of the final, second "two witnesses" that must follow this 1150 day prelude "wake up call" discipline from God;

IV. Final Globalist Rulership Implications (8th King)

A. The Globalist "Transgressor" Connection to the JW "Transgressors" is Identified
1. Transgressors Without and Within

(Daniel 8:23) And in the final part of their kingdom, as the transgressors act to a completion...

a. That "completion" is in the JW organization "first" as the manifestation of this transgression matures as shown here from sin, to revelation to perpetrators to effects full blown; (Zech3:1-2),

b. The first objective is polluting the "constant feature" in a number of ways as discussed here; and that is by no means the full extent of it; This affects the blessing upon the Jehovah's witnesses top administration while miraculously maintaining new sheep intake in spite of this 10:2; 11:4, 7, 15-16 "Valueless Shepherd" top JW admin (GB) curse Zech11:17; (No "new light" in 20 years since Fred Franz death)

c. The "transgressors" "lawless one" is identified and revealed as per prophecy (2Thess2:3-9; Zech3:1-3),

d. In time this set of sins by the top globalist handled xGB creates a divinely permitted and foretold "established place" organizational "desolation", the "established place of the sanctuary" is thrown down;

e. This development has to root back to it's globalist origin planning worked out fully upon the JW "established place" and subsequently in the world system globalist camps that inspired this infiltration as a global desolation >after< this one upon the JW org;

f. The "disgusting thing that causes" desolation leads the world to Armageddon; (Rev16:13-16) by financial and military intrigues (Dan11:42-43; Joel3:9-12 compare Dan8:23-25 "ambiguous sayings" "master of intrigue" "insight for deceptions")

B. This Covert Infiltration Principle is Present in Daniel 11:30-32

1. Transgression Planned Long Ago

The globalist's "Two-Horned-Wildbeast" prepared an infiltration agenda to target Jehovah's Witnesses worldwide organization. An infiltration was planned after WW1, deployed and placed by WW2 (M. G. Henschel 1939 WTBTS President Nathan Knorr's "secretary").

2. Two Disgusting Thing Manifestations

The Daniel 11:30-32 prophecy has a literal manifestation (UN placement) and a covert operational significance that manifested later; It also applies to a national "King of the North" (KN) "puppet" manifestation in German Nazi's and an actual globalist "King of the North" operative throughout this national world war theater in progressive manifestation;

3. Globalist King of the North Clue

We will consider the globalist KN manifestation as a planned infiltration places the "disgusting thing" in the JW "temple":

a. (Daniel 11:30) “And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he (Globalist KN) will have to go back and will give consideration to those leaving the holy covenant.

C. Infiltration of Apostates and Globalist Operatives

1. Unique Internal Apostasy Indicated

These are not Christendom "apostates" already disqualified for "holy covenant" inclusion since 1919; This must be another "consideration"; This is a "consideration" of developing JW apostates in key leadership positions and placing infiltrators in the JW worldwide organization after WW1;

a. Note: This is not a foreign concept to Jehovah's witnesses:

[Pay Attention to Daniel's Prophecy! Chap. 16 Pg. 274 Par. 9
The Contending Kings Near Their End

""The infiltrators caused some faithful ones to fall into the hands of the authorities."""]

b. But it appears a far grander "infiltration" was present not just nationally, but globally in the JW organization from the same time period;

D. Apostasy Manifests

1. Milton Henschel Very Suspicious

Milton Henschel's placement (1939) and subsequent activities in regard to the UN/NGO (1991) as WTBTS President and lead GBer during and after Fred Franz's incapacitation and death is dubious in light of subsequent developments;

2. Literal Meaning

In literal significance this was a military action (WW2) that led to the placement of the UN out of the "abyss" of inaction in 1945;

3. Hidden Meaning

In covert significance these "arms" are in "spiritual warfare" as the transgressors began operations with the JW worldwide organization not fully manifesting until 1991, and revealed in 2001;

E. Spiritual Warfare

1. Profanation Invasion
(Daniel 11:31) And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant feature. “And they will certainly put in place the disgusting thing that is causing desolation.

a. The sanctuary profanation described prophetically above is the UN/NGO adulterous "sex scandal" that the GB placed God's "daughter", Christ's anointed remnant "bride" into;

b. The literal significance is the placement of the "disgusting thing" UN in 1945;

c. The covert significance related to xGB factional progressive undercover apostasy is the placement of the UN/NGO "DT" in the JW "established place of the sanctuary" with xGB blessing and continued cover-up and official approval;

F. Sacrificial Pollution

1. Constant Feature Removed Since 1991 in Covert Significance

Since 1991 the "constant feature" of clean "sacrifice" has been profaned by the approved actions of the GB and the allowance of the anointed class:

a. Again, this is not a foreign concept to Jehovah's witnesses:

[Man’s Salvation Out of World Distress at Hand! Chap. 12 Pg. 207 Par. 5
Christendom and Judaism Now Facing Desolation

"the enemy came by night when men slept and oversowed the same field with weed seed, or bearded darnel seed, so later on, when baptized professing Christians did not keep awake and on the watch against the invasion of error and pretenders"]

G. Progressive Leaven of Infiltration Spread

1. The Infiltration Goes Systemic

And more "infiltrators" are brought in over time:

a. (Daniel 11:32) “And those who are acting wickedly against the covenant, he will lead into apostasy by means of smooth words.

b. Daniel 11:31 "disgusting thing" is sandwiched on both sides (verse 30, 32) by infiltrator apostates and supports;

H. The Effect This has in Prior Covert Manifestations is Foretold

1. Stumbling and Questionable Shenanigans Permitted by God

Daniel 11 verses 32b to 35 show a prevailing of some anointed and "other sheep" in spite of these sins, and the continual stumbling effect this has manifested over the years since WW2, with divine permission, for a refining work in the Jehovah's Witnesses; This makes the '1975' debacle and subsequent 'stumbling' also noteworthy as potential action of the infiltration;

I. By the "Time of the End" this Infiltration is Manifest

1. Profanation Invasion Identified Again in Prophecy

(Daniel 11:40-41) “And in the time of [the] end the king of the south will engage with him in a pushing, and against him the king of the north will storm with chariots and with horsemen and with many ships; and he will certainly enter into the lands and flood over and pass through. 41 He will also actually enter into the land of the Decoration, and there will be many * that will be made to stumble...

a. Inserted word *[lands] removed for fuller effect of meaning; The "entry" into the "land of Decoration" is this JW infiltration manifested fully after 1991, but active prior to that time:

2. Modern Day One Who Acts as a Restraint

a. (2 Thessalonians 2:7-8) True, the mystery of this lawlessness (transgression) is already at work; but only till he (Fred Franz and honest anointed) who is right now acting as a restraint gets to be out of the way. 8 Then, indeed, the lawless one will be revealed (sinner xGB and company), whom the Lord Jesus will do away with...

(As per Zech3:1-4 and Dan8:11-14 temple clean-out of the JW remaining organization "temple" after 2300 "evenings and mornings").

V. The JW Organization Judgement Prerequisite; (1 Peter 4:17)

A. Prophetic Priority Starts with Jehovah's Witnesses

1. Judgment Must Start with Jehovah's Witnesses

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God.

(Ezekiel 9:6) from my sanctuary you should start.

a. It's common knowledge in modern and former prophetic periods that the judgment of God always STARTS with His own temple and house;

b. The current dilemma of JW teachings is expecting only a Gog attack after all these periods of 2300 and 1260 transpire, which leaves JWs expecting GT, when in fact this is a house judgment that is coming and this is not opportune thinking;

c. The current thinking of JWs in the dark about all this opens them to be led and misled by the imposters in time of global, national or local emergencies that are orchestrated by the third globalist world move which can manifest at anytime catching many JWs asleep and in the dark;
d. From this exact condition well developed for 20 years of zero "new light" we can see the JW transgressors in the top levels of the organization want as dumbed down a JW crew as possible;

e. The "lawless one" is clearly becoming noticeable in the JW org by evidence, darkness and dubious trends;

B. The Things Affected and How Are Identified

1. The Sacrificial Purity is Affected

(Daniel 8:11) the constant [feature] was taken away, ...

2. Truth is Stifled

(Daniel 8:12) it kept throwing truth to the earth, and it acted and had success.

3. Transgression is Real

(Daniel 8:12) And an army itself was gradually given over, together with the constant [feature], because of transgression;

4. Organizational Desolation is Guaranteed

(Daniel 8:11) the constant [feature] was taken away, and the established place of his sanctuary was thrown down.

(Daniel 8:13) both [the] holy place and [the] army things to trample on

a. The Jehovah's Witnesses worldwide organization, the acceptable ministerial "constant feature", the "holy place" and all Jehovah's witnesses "army" will feel the impact of this commencement judgment;

b. But it is for disciplinarian and cleansing effects to bring about an approved final worldwide warning work through Jehovah's witnesses as God's people to the end;

c. This is a wake-up call; (Rev11:1; Zech4:1; Mat25:1-12)

C. The Desolation and Purification Time Period is Identified

1. Desolation and Purification Has a Limit

(Daniel 8:14) "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition."

a. This is a 1150 day, or 2300 "evenings and mornings" judgment period in the near future;

D. Future JW Temple Cleansing Fits into the Prophetic Timeline as a Great Commencement Signal Guaranteeing Prophetic Things to Come

1. Prophetic Map to the End of the World (of rival sovereigns)

http://templelijah.wordpress.com/the-end/end-prophetic-map/

VII. Final World Ministry

A. Worldwide Exposition of this Covert Operation and it's Globalist Governmental Organizational Origin

1. Blessing in Disguise

a. An amazing aspect of this Biblical prophetic fulfillment cycle is that it will touch off far grander ramifications in time and become a central basis of the Jehovah's witnesses global ministry to be cleansed and commissioned out of this seeming disaster.

b. Jehovah's witnesses will come to understand the globalist and infiltrator implications in Revelation 8:7-13's 4 trumpet heralds, and that leads to an enlightened reinvigoration of the Revelation 9 5th and 6th trumpets of JW anointed and "other sheep"

c. That understanding will lead to full knowledge of the "open little scroll" (Rev10) and the final second commissioning of the second round of the "two witnesses" (Rev11) completing the divine "seven times" of that "holy city" "trampling" (Rev11:7; Rev13:7) which must occur to complete the Kingdom and Temple 144000 under Jesus Christ by Jehovah Almighty God prior to all-out Armageddon war;

d. This commences a known prophetic starting point unique to this 1150 days of Daniel 8:14, as that leads to the 1260 days of the final "two witnesses";

e. Jehovah's witnesses will have emphatically proven to them that a final fulfillment cycle is purposed for Revelation 8-11 that parallels Revelation 15-16 concurrent "sevens" in trumpets and bowls in final fulfillment, tying all the applicable temple/kingdom Daniel, Zechariah, and other prophecies into this repeating sequence of 1260, 1290 and 1335 days; (1260: Dan7:25-26; 12:7; Rev11:2-3; Rev12:6, 14; Rev13:5; 1290: Dan12:11; 1335: Dan12:12)

http://templelijah.wordpress.com/the-end/end-prophetic-map/

f. The 1150 described here will commence these other three cycles soon;

2. Globalist Exposé
a. What the globalist "Governing Body" apostasy since 1991 to total takeover is trying to cover up, stall and stagnate by staying stuck in 1990 thinking, will not only be exposed as to its origination of operations (globalist powers), it will be connected to the first four trumpets of Revelation 8's global prophetic heralds, as Revelation 8:2-5's foretold cleansing of the JW "earth" (Eze38:12b; Isa1:2; Isa 6:3) progresses to "evening to morning" understanding; (Rev8:5; Dan8:14)

3. First Four Trumpets in Final Fulfillment

a. Globalist identity must be made known to Jehovah's witnesses and to the world, as to where it will take mankind at Armageddon as this "burning issue" of "kingdom" (mountain) progresses over time to zenith;

b. The "first trumpet" describes effects the "disgusting thing" JW "transgression" has on the symbolic "1/3" "desolation" on the JW "established place" "earth" organization detailed in Daniel 8:11-14;

c. This "desolation" "because of transgression" (Dan8:12) affected the Jehovah's witnesses ministerial "temple" worship negatively as heralded by the "first trumpet" after divine discipline and "temple cleansing";

d. This repeats at a grander global scale of world "desolation" in the parallel "first bowl" of Revelation 16:2 about all inhabitants of earth, in a "desolation" to manifest from the same "disgusting thing" origins of divine disfavor and operations of the globalists;

e. The Revelation 8:8 "second trumpet" heralds "something like a great mountain burning with fire was hurled into the sea" it is globalism as a basis of world rulership; Nationalism is just a tool, as pointed out in the 1914 progression to the end of national power as any real basis of world rulership;

f. Again, the Revelation 16:2 "second bowl" parallels this revelation, but at global scale of effects on all mankind worshiping the "Wildbeast" in any form nationalistic or globalist;

g. Revelation 8:10-11 "third trumpet" heralds the poisonous "wormwood" apostate effects this sinner xGB infiltration betrayal had on the JW "water" by stagnation and purposeful errors;

h. This is paralleled by the larger worldwide context of globalist and nationalist poison in the worldwide waters of mankind; (Rev16:4-7)

i. The "fourth trumpet" heralds the "1/3" darkness the JW temple system and worshippers have been subjected to, for 20 years of this fraud xGB influence on JW teachings regarding prophetic fulfillment and globalist world government development and application covered over and hidden as the xGB continued in the 1990s for decades purposely retarding JWs in 1990 prophetic exposition perpetually;

j. The Revelation 16:8 "fourth bowl" has continuing negative nationalist strategies to control the masses intensified by globalist influences;

B. Globalist World Government Paradigm

1. The globalist paradigm of world power development is very important for Jehovah's witnesses to understand, because it affects all prophetic exposition regarding the climatic world governmental developments which are beyond "national" and "Image" concepts, proportions and actuality;

2. The "Scarlet Wildbeast" as a globalist multi-national unification is an actual worldwide super-structure composed of actual nations and their "power and authority" in it's control, not merely a 17 acre globalist UN "social club" on the East river of New York which only represents all this in "Image" idolization;

3. What is coming is the real thing, not only in globalist world power domination attempt, but in God's Kingdom as well;

Daniel 8:8-27

Background Development of Small Horn

(Daniel 8:8-10) And the male of the goats (Greece), for its part, put on great airs to an extreme; but as soon as it became mighty, the great horn was broken (Alexander), and there proceeded to come up conspicuously four instead of it, toward the four winds of the heavens. (His Four Generals' Domains) 9 And out of one of them there came forth another horn, a small one, (Britain) and it kept getting very much greater toward the south and toward the sunrising and toward the Decoration. 10 And it kept getting greater all the way to the army of the heavens, so that it caused some of the army and some of the stars to fall to the earth, and it went trampling them down.

Temple Cleansing Set-Up

(Daniel 8:11-14) And all the way to the Prince of the army it put on great airs and to extreme; but as soon as it became mighty, the great horn was broken (Alexander), and there proceeded to come up conspicuously four instead of it, toward the four winds of the heavens. (His Four Generals' Domains) 9 And out of one of them there came forth another horn, a small one, (Britain) and it kept getting very much greater toward the south and toward the sunrising and toward the Decoration. 10 And it kept getting greater all the way to the army of the heavens, so that it caused some of the army and some of the stars to fall to the earth, and it went trampling them down.

End Time Period Identified for Daniel by Angel Gabriel

(Daniel 8:15-19) Then it came about that, while I myself, Daniel, was seeing the vision and seeking an understanding, why, look! there was standing in front of me someone in appearance like an able-bodied man. 16 And I began to hear the voice of an earthling man in the midst of the Ulai, and he proceeded to call out and say: "Gabriel, make that one there understand the thing seen." 17 So he came beside where I was standing, but when he came I got terrified so that I fell upon my face. And he proceeded to say to me: "Understand, O son of man, that the vision is for the time of [the] end," 18 And while he was speaking with me, I had become fast asleep on my face on the earth. So he touched me and made me stand up where I had been standing. 19 And he went on to say: 'Here I am causing you to know what will occur in the final part of the denunciation, because it is for the appointed time of [the] end.'

Interpretive Recap

(Daniel 8:20-22) "The ram that you saw possessing the two horns [stands for] the kings of Media and Persia. 21 And the hairy he-goat [stands for] the king of Greece;
and as for the great horn that was between its eyes, it [stands for] the first king. 22 And that one having been broken, so that there were four that finally stood up instead of it, there are four kingdoms from [his] nation that will stand up, but not with his power.

The Armageddon Progression of the Final Globalist 8th King (Globalist King of the North)

(Daniel 8:23-24) “And in the final part of their kingdom, as the transgressors act to a completion, there will stand up (1) a king fierce in countenance and understanding ambiguous sayings. 24 And his power must become mighty, but not by his own power. And in a wonderful way he will cause ruin, and he will certainly prove successful and do effectively. And he will actually bring mighty ones to ruin, also the people made up of [the] holy ones.

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up (2), but it will be without hand that he will be broken.

Many people and world powers are insightful and deceptive; This is a climax statement of a pinnacle "master mind" "kingship"; It also makes certain no single national power is isolated in the finality of Armageddon though they are identified in one way or another; (Two-Horned-Wildbeast, Small Horn, ten kings)

In fact a globalist unification symbology contains them all in all the sovereign symbols at Armageddon climax given in the Bible;

1. The "King of the North" as globalist apex worldwide power ends up containing the 8th King globalists and the Two-Horned-Wildbeast globalist mastermind engineering system in one defiant symbol; (Daniel 11:27-45)

2. The "Scarlet Wildbeast" 8th King itself has a 7th head that contains the Two-Horned-Wildbeast "mastermind" of globalist control of the approximately 200 national powers in it's multi-national collective base system of the national Wildbeast of Revelation 13:1; (Rev17:3, 11-17)

3. The "King of Fierce Countenance" is another progressive symbol of this globalist unification of all the national powers to stand against God's Kingdom at Armageddon; (Daniel 8:23-25; Rev16:13-16; Dan2:31-44)

4. All these symbols provide a conclusive globalist unification rivaling God's Kingdom for planet earth, and even Gog can be shown in universal defiance as the greatest "King of the Remotest Parts of the North" also having "no helper" in the end; (Dan1:1:44-45; Eze38-39; Isa14:12-14)

(Daniel 8:26) “And the thing seen concerning the evening and the morning, which has been said, it is true. And you, for your part, keep secret the vision, because it is yet for many days.”

As with the "evening and morning" of the creative days of Genesis, this period will also be enlightening to those involved in it's progress and those who become familiar with it as it progresses.

(Daniel 8:27) And as for me, Daniel, I felt exhausted and was made sick for [some] days. Then I got up and did the work of the king; but I kept showing myself numbed on account of the thing seen, and there was nobody understanding [it].

When one considers Daniel's whole experience here now under Belshazzar's reign, we must recall he just lived through one Jerusalem city and temple desolation kicking off the Gentile "appointed times of the nations" (Dan4:16; Luke 21:24), and was no doubt at times exhausted and traumatized by the years and the whole set of events he lived through;

And now to hear about another temple desolation? What!!! All this stunning information delivered by angels to Daniel's face? When the effects of the first desolation were not even completed yet? Exhausting! "I felt exhausted and was made sick for days..." - no wonder.

Note:

As has been shown, the current "transgression that causes desolation" in the JW top leadership sanctions with the United Nations "Department of Publicity" as a Non-Governmental Organization, and the subsequent organizational positioning of this "transgression" and the infiltrator "transgressors" for "desolating" effects is why this exact prophetic truth is NOT being revealed to Jehovah's witnesses until AFTER the cleansing trampling it "causes" by permission of God is fulfilled in 1150 days to a sanctuary cleansing completion;

The globalist controlled "rats" and their "droppings" MUST be removed from the "temple" (Zech3:4-5), as the transgressors "act to a completion" (Zech3:1-6) in regard to sovereign kingdom and temple completion this leads to;

That which will kick off a series of known prophetic time periods and further events centered on Jehovah's witnesses to the end of the world guaranteed for the rival sovereignties they are under divine commission approved and cleaned shortly to warn all worldwide concerning this Kingdom of God assured climax with mash prophetic truth unique and replicative upon former minor patterns already preached for over 100 years;

I. Daniel 8 Unique Future Fulfillment and World Signal Event

This article will explain exactly why Daniel 8:11-25 will fulfill in the near future, and why it has never fulfilled so far as Jehovah's witnesses imagine; This will also explain why the JW temple cleansing action will begin the coming total world judgment as per 1Peter 4:17's initial judgment of the temple; The causes and outcome of that JW temple judgement, and where it must lead will be explained, as will why Jehovah’s witnesses are not being given this light through their current leadership who must and will be purged as a result of this judgment paralleling Zech3:1-10; This prophecy is the "starting gun" to awaken Jehovah's witnesses worldwide;

It is ALL in this Daniel 8 prophecy! Please read Daniel 8:8-27 a few times, or refer to it at the end of this page;

A. Two Prophetic Small Horn Progressions Described
I. If we wonder why in the world would God inspire two visions separated by a few years of the same "small horn" progression from it's origins; it is a good question. Why twice? (Dan7:1; Dan8:1)

a. Certain information duplicates concerning the "small horn" and it's progression while certain information is unique in Daniel 7 and 8;

b. We can investigate more details regarding the "small horn" progression in the "time of the end"

c. A unique "end time" period is identified in Daniel 8

d. The causative reason for near future "temple" actions regarding Jehovah's witnesses is also revealed;

Note The term "the time of end" occurs 6 times in the Bible in Daniel 8 (2) and 11 (4) in the NWT, so it is detailing more than the "last days", but the "last days of the last days";

B. King of Fierce Countenance

1. It also details the context of events of the "temple" in comparing Daniel 7 and 8 in relation to the "holy ones" "priesthood", and the "established place" of the "sanctuary" regarding finale globalist developments that transpire over time to climax "trampling";

2. Daniel 8 identifies that the "king of fierce countenance" comes after the "small horn" and it's "end time" progression to a finale climax which parallels Armageddon;

3. Daniel 8 isolates this "small horn" progression to globalist 8th King ("king of fierce countenance") zenith to the end assault on all the world, as it progresses through this "established place" desolation and divine temple cleansing progression of JWs;

C. Globalist Final Evolution

1. The "small horn" of singular "Britain" is a clue that the Anglo-American national dual-power coalition formed officially by 1914, through military-industrial-finance pact, synthesis, and bloodline relations, is not the end of the progression;

2. Globalist embryonic and matured power is the "final part of their kingdom";

D. Two-Horn Wildbeast Mastermind (Dan8:23 "Master of Intrigue" Main Engineer)

1. By this connection of the "small horn" British Anglo system of old, to the modern "King of Fierce Countenance" as an apex globalist power under Anglo-American elite globalist control, we arrive at the "scarlet wildbeast" "8th Kingship";

a. The Anglo-American globalist centric "two-horned-wildbeast" (Rev13:11) as a globalist power system is the "seventh" head of the "scarlet wildbeast"; (Rev13:11-15)

b. The "two-horned-wildbeast" (Rev13:11) 'head' origin began with the 7th head of the [national collective] wildbeast of Rev13:1 and ends in the globalist unification "scarlet wildbeast's" '7th head' [globalists];

c. That is of course far more than an "image" of the "wildbeast" but an actual worldwide super-structure of world domination based on globalist objectives; Dan11:42-42 parallels Rev17:11-17 intensifies Rev16:13-16

E. Unique End Time Location for Interpretation

1. As will be shown, the current "transgression that causes desolation" in the JW "sanctuary" on earth NOW is why this exact prophetic truth cannot apply to the 1932 or 1938;

a. That 1938 period's minor organizational adjustments that are attributed to this prophecy as finally modified in the 1999 "Daniel's Prophecy" book to 1938-1944 "2300 days" cannot constitute a "transgression" that brings God's "denunciation"; ("2300 days" in the 1932-1938 time period was the interpretation in the "Your Will be Done" Daniel commentary book of 1958; Also invalid in the context of this climax prophecy:)

b. "Their kingdom"; (Dan8:23) was not in it's final stage, nor was the transgression presently manifested in 1932-1938 or 1938-1944;

F. Daniel 8 Must Fulfill in the Future

1. Therefore Daniel 8:11-25 must have a future fulfillment;

2. Revelation 8:2-5 will also be connected to this "temple" "fire" "cleansing"; (Dan8:11-14) as preparation for Revelation 8-11 full blown final fulfillment to Armageddon itself in notable prophetic time sequences of 1150 days (unique), 1260 days (duplicated), 1290 days (duplicated) and 1335 days (duplicated);

II. Time Periods are Identified

A. General End Time Period

1. The vision given Daniel in chapter 8 from verse 11 forward is described in time as "the vision is for the time of [the] end;" (Dan8:17);

a. That "appointed time" relates to the 2520 >days< of Revelation 11:2-3 completed in the final, second fulfillment of the near future; All "3.5 times" in prophecy of 1260 days, 42 months, "time, times and half a time" must complete in final fulfillment as "7 times"; (Dan7:25; 12:7; Rev11:2-3; 13:5; 12:7,14)

b. It cannot signify the "last days" that began in 1914 as the "Lord's Day" (Rev1:10), because this is also in the "final part" of both the "denunciation" (from God; Dan8:19) and "their kingdom"; (Dan8:23);

B. Transgression Completion Time Period
1. In the Dan8:23 "transgression" also "completing" in the "final part of their kingdom"; (Dan8:23) in both "disgusting thing" (DT) meanings of globalist DT idolization, and the "transgression causing desolation"; (Dan8:13) in the "established place" itself was not present in both systems in 1938-44;

2. The "transgression" is related to both the "transgressors" in their globalist world rulership idol "image" representing the becoming of a real world rulership "stand" of Daniel 8:25b (8th King) in the near future and to the "transgression causing desolation" in the JW "sanctuary" that embraced that idol as the UN/NGO in 1991 well after 1944;

3. This is the true DT related gross sin that will cause the "established place" to be "thrown down"; (Zech3:2)

4. This "transgression" was by the Jehovah's Witnesses' "Governing Body's" (GB) sanctioned United Nations Non Governmental Organizations Department of Public Information (UN/NGO/DPI) official promotions supporting the newly presented "false-prophet" (Rev13:11) in a "new world order" sloganeering campaign;

C. Transgression Information

1. This "UN" "relationship" included the promoting of the UN presence, UN support organizations and even plugging new books and slogans from the United Nations to the JW unique worldwide demographic;

2. This is what the United Nations "Department of Public Information" does; Worldwide globalist promotions through "non-governmental organizations" to advertise and support UN activities;

D. Four Final Periods Identified

1. This is therefore a matured period, a final part, an apex climax for four different prophetically identified components in this prophecy;
   a. (1) The "last days" "end" in the "conclusion of the system of things" final phase is identified; (Dan8:17, 19)
   b. (2) The final part of globalist world government development and "stand" is identified; (Dan8:23-25)
   c. (3) The finality of the "denunciation" of God on the "temple" system to be cleansed, and the rival kingdom is identified; (Dan8:19)
   d. (4) The completion of the transgression is identified; (Dan8:23)

E. The Maturity of the Rulership is Identified

1. (Daniel 8:23) And in the final part of their kingdom, as the transgressors act to a completion; (This is identified AS the transgression is climaxing, being more specific in the end timing of the "final part" of globalist kingdom manifestation finale;)

F. A New Progression of Globalist Rulership (8th King) is Identified

1. (Daniel 8:23 And in the final part of their kingdom, as the transgressors act to a completion, there will stand up a king fierce in countenance;
2. (Daniel 8:25) And against the Prince of princes he will stand up, but it will be without hand that he will be broken.
   a. (In Daniel "stand up" means an ascension into a sovereign power; (Daniel 12:1; 7:17; 8:22,23,25; 11:3,7)

G. One Time Fulfillment at Climax End Period

1. This prophecy is a unique one time fulfillment that will signal great changes in the Jehovah's witness "established place" as "temple" "cleansing" preparation and completion in a 1150 day time period;
   2. This parallel Zechariah 3:1-10 "temple" and "priesthood" cleansing is for the final world ministry ("two witnesses" 2.0) prior to another "trampling" 1260 day time period that is not a disciplinary action from God;

H. Two Trampling Types Identified

1. The Daniel 8:11-14 "trampling" and the Revelation 11:2-7 "trampling" are different in time, purpose and outcome; The 1150 days of Daniel 8:14 will lead to the 1260 days of Revelation 11 in an unknown transitional time period for the final replication of all "3.5 time" related prophecies (Dan 7:25; 12:7; 11; Rev12:6, 14; Rev13:3-7)

I. Commences Dual Split Fulfillment

1. This replication of split-prophecy is for a purpose and must complete "seven times" fullness of the divine decree; (Dan4:16, 25) which progresses with these prophecies in days, in the Lord's Day since 1914; (Rev1:10)

2. Each manifestation of the prophecy this leads to was/s 3.5 times, that doubles in the future, to 7 complete divine times;

III. The Transgression

A. The Nature of the Transgression is Identified

1. (Daniel 8:13) "How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?"
2. (Matthew 24:15-16) "Therefore, when you catch sight of the disgusting thing that causes desolation, as spoken of through Daniel the prophet, standing in a holy place, (let the reader use discernment,) 16 then let those in Judea begin fleeing to the mountains.
a. Yes, the reader's discernment here is that this covert "disgusting thing" (DT) stand, now manifested in the JW "holy place" as the UN/NGO relationship with 10 years of covert developmental promotions still condoned is the DT standing in a holy place because of transgression by Jehovah's witnesses top administration infiltrated Governing Body (GB); (Daniel 11:41)

b. This relates the Jehovah's witnesses top administration GB sanctioned "transgression causing desolation" with the "disgusting thing that causes desolation"; the coming desolation used by God for disciplinary action and temple cleansing aided by angels will be the proof, and signal the rest of the prophetic cycles of the 1260 days and the 1290 days MUST following in approximate transitional time this 1150 day desolation period;

c. The "transgression" is therefore by the JW professed "priesthood" itself, not by the "wildbeast" directly, though the globalist infiltrators are involved in this sinful development; (Zech3:1-3)

B. The Effects of the Transgression is Identified

1. Sacrificial Profanation
   (Daniel 8:11) from him the constant [feature] was taken away.
   a. This has occurred since the "one who acts as a restraint", Fred Franz, was incapacitated and died an earthly death "put out of the way" as the GB was taken over by more and more "men of lawlessness";
   b. The ultimate act of "lawlessness" was a covert relationship with the United Nations (UN) as publicity agents for the "Department of Public Information" (DPI) which is why full library access is given for Non-Governmental Organizations (NGO) acting in this capacity; This can all be shown by simple research on the Watchtower Library CD in the 1991 to 2001 period; 79 references to "new world order" pop out in this decade of covert promotions paralleling George Bush Sr.'s post USSR, "end of the cold war" "New World Order" campaigns begun on September 11, 1991 in an "Address Before a Joint Session of the Congress".

2. Organizational Desolation
   a. (Daniel 8:11) "the established place of his sanctuary was thrown down."
   b. Therefore it is little wonder that this prophecy will apply to the Jehovah's Witnesses worldwide organizational "established place" in the near future;
   c. (Daniel 8:13) "...make both [the] holy place and [the] army things to trample on;"
   d. This will occur as a signal event that the cleansing will be in process in some form gradual, with a series of abruptions worldwide for 1150 days of the 2300 "evenings and mornings" of this cleansing desolation "fire" of Zechariah 3:2;

3. Temple Cleansing
   a. (Daniel 8:14) "[the] holy place will certainly be brought into its right condition."
   b. This "purification" is the ultimate purpose by God, because the Jehovah's witnesses final global ministry heralding the Kingdom and Temple full completion of the near future guaranteed in a new affirmation (Rev11:1) must be divinely commissioned (Rev10) and carried out (Rev8-9) by a clean "priesthood" (5th trumpet) and accompanying ministerial "army" (6th trumpet);
   c. The approved Jehovah's witnesses MUST have full awareness of what this all means to total 100% completed bible truth for announcing Kingdom and Temple 100%, 144000 completion under Christ (Zech4:6-8) to total world conquest of ALL rival systems; (Rev19:19-21; Rev20:1-3); ALL 144000 present prior to Armageddon War; (Zech1:45b)
   d. Since this is really the final segway to the actual "end of the world", the Kingdom and Temple completion of Revelation 11 is BIG "good news" that the world must here to make it's final decisions regarding it's allegiances;
   e. This 1150 day "trampling" and obvious "earth shaking" events (Rev8:5) to hit the JW "established place" is quite a worldwide signal for Jehovah's witnesses to "get up" (Rev11:1) from spiritual slumber (Zech4:1) and get ready for this final ministry of 1260 days;

IV. Final Globalist Rulership Implications (8th King)

A. The Globalist "Transgressor" Connection to the JW "Transgressors" is Identified

1. (Daniel 8:23) And in the final part of their kingdom, as the transgressors act to a completion..
   a. That "completion" is in the JW organization >first<; (Zech3:1-2),
   b. The first objective is polluting the "constant feature"; (No "new light" in 20 years since Fred Franz death)
c. The "transgressors'" "lawless one" is identified and revealed as per prophecy (2Thess2:3-9; Zech3:1-3),

d. In time this set of sins by the top globalist handled xGB creates a divinely permitted and foretold "established place" organizational "desolation", the "established place of the sanctuary" is thrown down;

e. This development has to root back to it's globalist origin as a global desolation >after< this one upon the JW org;

f. The "disgusting thing that causes" desolation leads the world to Armageddon; (Rev16:13-16) by financial and military intrigues (Dan11:42-43; Joel3:9-12 compare Dan8:23-25 "ambiguous sayings" "master of intrigue" "insight for deceptions")

B. This Covert Infiltration Principle is Present in Daniel 11:30-32

1. The globalists "two-horn-wildbeast" prepared an infiltration agenda to target Jehovah's Witnesses worldwide organization. An infiltration was planned after WW1, deployed and placed by WW2 (M. G. Henschel 1939 WTBTS President Nathan Knorr's "secretary").

2. The Daniel 11:30-32 prophecy has a literal manifestation (UN placement) and a covert operational significance that manifested later; It also applies to a national "King of the North" (KN) "puppet" manifestation in German Nazi's and an actual globalist "King of the North" operative throughout this national world war theater in progressive manifestation;

3. We will consider the globalist KN manifestation as a planned infiltration places the "disgusting thing" in the JW "temple":

(Daniel 11:30) "And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he (Globalist KN) will have to go back and will give consideration to those leaving the holy covenant.

C. Infiltration of Apostates and Globalist Operatives

1. These are not Christendom "apostates" already disqualified for "holy covenant" inclusion since 1919; This must be another "consideration"; This is a "consideration" of developing JW apostates in key leadership positions and placing infiltrators in the JW worldwide organization after WW1;

   a. Note: This is not a foreign concept to Jehovah's witnesses:

   [Pay Attention to Daniel’s Prophecy! Chap. 16 Pg. 274 Par. 9
   The Contending Kings Near Their End
   "The infiltrators caused some faithful ones to fall into the hands of the authorities."]

   b. But it appears a far grander "infiltration" was present not just nationally, but globally in the JW organization from the same time period;

D. Apostasy Manifests

1. Milton Henschel's placement (1939) and subsequent activities in regard to the UN/NGO (1991) as WTBTS President and lead GBer during and after Fred Franz's incapacitation and death is dubious in light of subsequent developments;

2. In literal significance this was a military action (WW2) that led to the placement of the UN out of the "abyss" of inaction in 1945;

3. In covert significance these "arms" are in "spiritual warfare" as the transgressors began operations with the JW worldwide organization not fully manifesting until 1991, and revealed in 2001;

E. Spiritual Warfare

1. (Daniel 11:31) And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant feature. "And they will certainly put in place the disgusting thing that is causing desolation.

   a. The sanctuary profanation described prophetically above is the UN/NGO adulterous "sex scandal" that the GB placed God's "daughter", Christ's anointed remnant "bride" into;

   b. The literal significance is the placement of the "disgusting thing" UN in 1945;

   c. The covert significance related to GB factional progressive undercover apostasy is the placement of the UN/NGO "DT" in the JW "sanctuary" with GB blessing and continued cover-up and official approval;

F. Sacrificial Pollution

1. Since 1991 the "constant feature" of clean "sacrifice" has been profaned by the approved actions of the GB and the allowance of the anointed class:

2. Again this is not a foreign concept to Jehovah's witnesses:

   [Man’s Salvation Out of World Distress at Hand! Chap. 12 Pg. 207 Par. 5
   Christendom and Judaism Now Facing Desolation
   "the enemy came by night when men slept and oversowed the same field with weed seed, or bearded darnel seed, so later on, when baptized professing Christians did not keep awake and on the watch against the invasion of error and pretenders"]

G. Progressive Leaven of Infiltration Spread

1. And more "infiltrators" are brought in over time:
a. (Daniel 11:32) “And those who are acting wickedly against the covenant, he will lead into apostasy by means of smooth words.

b. Daniel 11:31 “disgusting thing” is sandwiched on both sides (verse 30, 32) by infiltrator apostates and invading supports.

H. The Effect This has in Prior Covert Manifestations is Foretold

1. Daniel 11 verses 32b to 35 show a prevailing of some anointed and "other sheep" in spite of these sins, and the continual stumbling effect this has manifested over the years since WW2, with divine permission, for a refining work in the Jehovah's Witnesses;

I. By the "Time of the End" this Infiltration is Manifest:

1. (Daniel 11:40-41) “And in the time of [the] end the king of the south will engage with him in a pushing, and against him the king of the north will storm with chariots and with horsemen and with many ships; and he will certainly enter into the lands and flood over and pass through. 41 He will also actually enter into the land of the Decoration, and there will be many * that will be made to stumble... . . .

a. Inserted word *[lands] removed for fuller effect of meaning; The "entry" into the "land of Decoration" is this JW infiltration manifested fully after 1991, but active prior to that time:

b. (2 Thessalonians 2:7-8) True, the mystery of this lawlessness is already at work; but only till he (Fred Franz and honest anointed) who is right now acting as a restraint gets to be out of the way. 8 Then, indeed, the lawless one will be revealed (sinner xGB and company), whom the Lord Jesus will do away with... (As per Zech3:1-4 and Dan8:11-14 temple clean-out of the JW remaining organization "temple").

V. The JW Organization Judgement Prerequisite; (1 Peter 4:17)

A. Prophetic Priority Starts with Jehovah's Witnesses

1. (1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God.

B. The Things Affected and How Are Identified

1. (Daniel 8:11) the constant [feature] was taken away, and the established place of his sanctuary was thrown down.

2. (Daniel 8:12) it kept throwing truth to the earth, and it acted and had success.

3. (Daniel 8:12) And an army itself was gradually given over, together with the constant [feature], because of transgression;

4. (Daniel 8:13) both [the] holy place and [the] army things to trample on

a. The Jehovah's Witnesses worldwide organization, the acceptable ministerial "constant feature", the "holy place" and all Jehovah's witnesses "army" will feel the impact of this commencement judgment;

b. But it is for disciplinarian and cleansing effects to bring about an approved final worldwide warning work through Jehovah's witnesses as God's people to the end;

c. This is a wake-up call; (Rev11:1; Zech4:1; Matt25:1-12)

C. The Desolation and Purification Time Period is Identified

1. (Daniel 8:14 “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

a. This is a 1150 day, or 2300 "evenings and mornings" judgment period in the near future;

D. Future JW Temple Cleansing Fits into the Prophetic Timeline as a Great Commencement Signal Guaranteeing Prophetic Things to Come

Prophetic Map to the End of the World (of rival sovereigns)

VII. Final World Ministry

A. Worldwide Exposition of this Covert Operation and it's Globalist Governmental Organizational Origin

1. Blessing in Disguise

a. An amazing aspect of this Biblical prophetic fulfillment cycle is that it will touch off far grander ramifications in time and become a central basis of the Jehovah's witnesses global ministry to be cleansed and commissioned out of this seeming disaster.

b. Jehovah's witnesses will come to understand the globalist and infiltrator implications in Revelation 8:7-13's 4 trumpet heralds, and that leads to an enlightened reinvigoration of the Revelation 9 5th and 6th trumpets of JW anointed and "other sheep"

c. That understanding will lead to full knowledge of the "open little scroll" (Rev10) and the final second commissioning of the second round of the "two witnesses" (Rev11) completing the divine "seven times" of that "holy city" "trampling" (Rev11:7; Rev13:7) which must occur to complete the Kingdom and Temple 144000 under Jesus Christ by Jehovah Almighty God prior to all-out Armageddon war;

d. This commences a known prophetic starting point unique to this 1150 days of Daniel 8:14, as that leads to the 1260 days of the final "two witnesses";
e. Jehovah's witnesses will have emphatically proven to them that a final fulfillment cycle is purposed for Revelation 8-11 that parallels Revelation 15-16 concurrent "sevens" in trumpets and bowls in final fulfillment, tying all the applicable temple/kingdom Daniel, Zechariah, and other prophecies into this repeating sequence of 1260, 1900 and 1335 days; (1260: Dan7:25-26; 12:7; Rev11:2-3; Rev12:6, 14; Rev13:5; 1290: Dan12:11; 1335: Dan12:12)

http://templelijah.wordpress.com/the-end/end-prophetic-map/

f. The 1150 described here will commence these other three cycles soon;

2. Globalist Exposé

a. What the globalist "Governing Body" apostasy since 1991 to total takeover is trying to cover up, stall and stagnate by staying stuck in 1990 thinking, will not only be exposed as to it's origination of operations (globalist powers), it will be connected to the first four trumpets of Revelation 8's global prophetic heralds, as Revelation 8:2-5's foretold cleansing of the JW "earth" (Eze38:12b; Isa1:2; Isa 6:3) progresses to "evening to morning" understanding; (Rev8:5; Dan8:14)

B. Globalist World Government Paradigm

1. The globalist paradigm of world power development is very important for Jehovah's witnesses to understand, because it affects all prophetic exposition regarding the climax world governmental developments which are beyond "national" and "image" concepts, proportions and actuality;

2. The "scarlet wildbeast" as a globalist multi-national unification is an actual worldwide super-structure composed of actual nations and their "power and authority" in it's control, not merely a 17 acre globalist UN "social club" on the East river of New York which only represents all this in "image" idolization;

3. What is coming is the real thing, not only in globalist world power domination attempt, but in God's Kingdom as well;

Daniel 8:8-27

Background Development of Small Horn

(Daniel 8:8-10) And the male of the goats (Greece), for its part, put on great airs to an extreme; but as soon as it became mighty, the great horn was broken (Alexander), and there proceeded to come up conspicuously four instead of it, toward the four winds of the heavens. (His Four Generals' Domains) 9 And out of one of them there came forth another horn, a small one, (Britain) and it kept getting very much greater toward the south and toward the sunrising and toward the Decoration. 10 And it kept getting greater all the way to the army of the heavens, so that it caused some of the army and some of the stars to fall to the earth, and it went trampling them down.

Temple Cleansing Set-Up

(Daniel 8:11-14) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down. 12 And an army itself was gradually given over, together with the constant [feature], because of transgression, and it kept throwing truth to the earth, and it acted and had success. 13 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

End Time Period Identified for Daniel by Angel Gabriel

(Daniel 8:15-19) ... And he proceeded to say to me: “Understand, O son of man, that the vision is for the time of [the] end.” 18 And while he was speaking with me, I had become fast asleep on my face on the earth. So he touched me and made me stand up where I had been standing. 19 And he went on to say: “Here I am causing you to know what will occur in the final part of the denunciation, because it is for the appointed time of [the] end.

The Armageddon Progression of the Final Globalist 8th King (Globalist King of the North)

(Daniel 8:23-24) “And in the final part of their kingdom, as the transgressors act to a completion, there will stand up (1) a king fierce in countenance and understanding ambiguous sayings. And his power must become mighty, but not by his own power. And in a wonderful way he will cause ruin, and he will certainly prove successful and do effectively. And he will actually bring mighty ones to ruin, also the people made up of [the] holy ones.

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up (2), but it will be without hand that he will be broken.

(Daniel 8:26) “And the thing seen concerning the evening and the morning, which has been said, it is true. And you, for your part, keep secret the vision, because it is yet for many days.”

As with the "evening and morning" of the creative days of Genesis, this period will also be enlightening to those involved in it's progress and those who become familiar with it as it progresses.

Note: As has been shown, the current "transgression that causes desolation" in the JW top leadership sanctions with the United Nations "Department of Publicity" as a Non-Governmental Organization, and the subsequent organizational positioning of this "transgression" for "desolating" effects is why this exact prophetic truth is NOT being revealed to Jehovah's witnesses until AFTER the cleansing trampling it "causes" by permission of God is fulfilled in 1150 days to a sanctuary cleansing completion;
That will kick off a series of known prophetic time periods and further events centered on Jehovah's witnesses to the end of the world guaranteed for the rival sovereignties they are under divine commission approved and cleaned shortly to warn all worldwide concerning this Kingdom of God assured climax with mash prophetic truth unique and replicative upon former minor patterns already preached for over 100 years;

A Preview UN/NWO Stand and 2014 Centennial Temple Decoy and Great Tribulation xGB Hoax?

Daniel 8:11-25

On globalist world government revelation and the Governing Body of Jehovah's Witnesses converging for one great JW hoax event around 2014;

This is speculative, but based on interesting evidence in light of biblical prophetic patterns soon to activate in a final cycle; Details in here may inadvertently be reinforced or updated by xGB objective mental priming in the coming months;

This examines the temple judgment reality and the King of Fierce countenance dual "stand" potential timing of Daniel 8:11-25, and concurrent globalist activity that may manifest; (Dan8:23) along with an xGB engineered premature "temple decoy" period now apparently being prepared by the xGB;

This may be possibly part of a greater "GT hoax" production that will have to converge with Daniel 8:11-14, Zechariah 3 at some point, but with a true significance of Bible prophecy different from xGB deceptive claims being projected by the xGB for globalist purposes;

Potential Dual Stand of Globalist Power in the Temple Judgment Period Coming

First notice two "stands" of "King of Fierce Countenance":

(8:23-24) “And in the final part of their kingdom, as the transgressors act to a completion, there will stand up (1) a king fierce in countenance and understanding ambiguous sayings. 24 And his power must become mighty, but not by his own power. And in a wonderful way he will cause ruin, and he will certainly prove successful and do effectively. And he will actually bring mighty ones to ruin, also the people made up of [the] holy ones. (Dan7:25-26; Dan12:7, 11; Rev11:7)

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin; (Compare Dan11:44-45; 1Thess5:1-3) And against the Prince of princes he will stand up (2), but it will be without hand that he will be broken. (Armageddon finality by the Christ and Kingdom of God)

Some Possibilities

1. Note there are two KFC "stands";
2. Note it is marked in timed significance with "in the final part of their kingdom, as the transgressors act to a completion"

Just how long into that "act to" a "completion" this extends, which fully began manifesting in the 1991 UN DT 3rd "stand" actions, seems unknown at present;

Was this stand of Daniel 8:23 in 1990?

Why then is it after the Daniel 8:11-14 "transgression causing desolation" that definitely is manifested full in 1991 in the WTBTS, by xGB sanction in Daniel 11:30b's infiltrative revelation, to the actual v. 31b;

"And they will certainly put in place the disgusting thing that is causing desolation."

Compromise and Infiltration Planning with Success

(Daniel 11:30b-31a) And he (globalist KN) will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and give consideration to those leaving the holy covenant, 31 And there will be arms that will stand up, proceeding from him; and they* will actually profane the sanctuary, the fortress, and remove the constant [feature].

The Climax Objective

(Daniel 11:31b-32a) “And they* will certainly put in place the disgusting thing that is causing desolation. 32 “And those who are acting wickedly against [the] covenant, he will lead into apostasy,. (It continues after this event)

Possibility 1

1. Maybe it is after Daniel 8:11-14 because it could be that Daniel 8:23-25 is an alternative snapshot of more detail of Daniel 8:11-14, a parallel, not sequential account;
2. Since Daniel 8:23-25 details are after a descriptive summary in Daniel 8:15-22, that does break the Daniel 8:11-14 sequence to summarize the whole sequence again in parallel rather than linear progression;

Possibility 2

Or it could be this speculation examined below; please bear with me here, recalling this is speculative, but bears on a few interesting details we can think about in light of recent developments and evidence;
In this "dual-stand" speculation, it is possible that as noted at other times in scriptural places, Jesus and Daniel indicate "stands" before and after "Jerusalem" targeted events respectively; In Matthew 24:15 Jesus gives the hint of a "stand" as a signal of coming desolation - a stand of the "disgusting thing";

Christ; Before Desolation:

(Matthew 24:15) “Therefore, when you catch sight of the disgusting thing that causes desolation, as spoken of through Daniel the prophet, standing in a holy place, (let the reader use discernment);”

Daniel; After Desolation

(Daniel 12:11) “And from the time that the constant [feature] has been removed and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days.

And the 3.5 times; 1260 Days Leading to that Final Stand:

(Daniel 12:7) “It will be for an appointed time, appointed times and a half, ** And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish.”

(Daniel 7:25) And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, **and they will be given into his hand (Rev11:7) for a time, and times and half a time.

Which is KFC Destruction Meaning:

(Daniel 8:25b) And against the Prince of princes he will stand up (2), but it will be without hand that he will be broken. (Dan7:26; Dan11:45)

Initial Stand of Daniel 8:23

(Daniel 8:23b) “And in the final part of their kingdom, as the transgressors act to a completion, there will stand up (1) a king fierce in countenance...

Could this initial "stand" have a minor (covert) and major (overt) dual significance of DT related "stand" in this initial event?

1. This "stand" could apply to the covert stand of the UN/NGO xGB services (1991-2001) and covert UN/NWO "placement" in the WTBTS from 1991 forward;
   A. But few see this covert "stand", few "catch sight of the disgusting thing" as in the context of an easy to see signal warning of Matthew 24:15; Some do, but not many; yet it is still true, it will cause a desolation;

   But is it the final major meaning?

   Will there be an initial stand more pronounced soon? In time with the "transgressors acting to a completion” soon as well?

DT "Stands” Before Two "Desolations", Separated in Time, which May Vary in Manifestation

Will King of Fierce Countenance (KFC) be in this Pattern?

Before "Desolation" 1 - Temple Judgment (Dan8:11-14)

1. This "stand" of UN DT in NWO mode (3rd in WW history), (1990 (world "stand"); 1991 (WTBTS "stand")) is preceding a preliminary divine temple judgment limited "desolation" in Daniel 8:11-14 related to the sins of "transgression causing desolation" (Dan8:13) foretold in details in Daniel 11:30-31's UN/NGO actions; (And world significance);

2. It can refer to a later situation in the near future possibly, where during this coming initial temple judgment "throw down" of the "established place of the sanctuary";
   (Dan8:11), we just might get a preceding or concurrent "preview" “stand” of the 8th King system as "King of Fierce Countenance"; “AS the transgressors act to a completion” in a symphonic event significance;

3. Also since this KFC is a final development of the "small horn" progression in time here, appearing later in the sequential development of the prophecy and this world domination system, a second "king", KFC, is in the sequence after this "small horn" of Britain:

   (Daniel 8:9) out of one of them there came forth another horn, a small one, and it kept getting very much greater...

   Globalist KFC's development is shown in "the final part of the denunciation"; (Dan8:19), meaning the "stand" manifestation may be unique and a globally seen preview in the near future in this coming temple cleansing event; ("stand" 1; Dan8:23);

   4. Then this "stand" may be in the near future as a paralleling prelude in which Jesus words will apply before (or in process) of the "throw down” "desolation” of that "temple cleansing" signal and event possibly, no matter how that may actually manifest (financial intrigue, covert ops, etc), in Daniel 8:11-14's reality soon:

   (Daniel 8:23-24a) “And in the final part of their kingdom, as the transgressors act to a completion, there will stand up a king fierce in countenance and understanding ambiguous sayings.

And that effective power is successful:
24a And his power must become mighty, but not by his own power. And in a wonderful way he will cause ruin, and he will certainly prove successful and do effectively.

(Which incidentally is not a national power in history; they all fail as per Daniel 11:27 "but nothing succeeds").

In time after the temple cleansing this KFC "effectiveness" leads to the 1260 day "holy city" "desolation" (Rev11:2-7) after this initial "stand" and after that 2300 unit judgment period of Daniel 8:14, thus extending through the preliminary divine temple cleansing judgment, towards the foretold completion extending over all this through and after the 1260 days;

(Revelation 11:7) And when they have finished their (1260 day) witnessing, the wild beast that ascends out of the abyss (scarlet wildbeast globalists) will make war with them and conquer them and kill them.  

Which Parallels*:

(Daniel 8:24b) And he will actually bring mighty ones to ruin, *also* the people made up of the holy ones.

(But note the Daniel 8:11-25 sequence is a one time fulfillment that will apply to the final part (after 1260 days) of a dual fulfillment of Revelation 11:2-7 to a completion of 2520 days.)

And that quick summary in 24b, would actually be occurring just prior to the final "stand" of the KFC system in Daniel 8:25b, but after Revelation 11:7 conquest over the holy ones, after that 1260 days of "when they have finished their witnessing, the wildbeast that ascends from the abyss will conquer them";

That event leads to this final DT stand with KFC "kingship" as one, the final "stand" Daniel covers from the removal of the constant feature and "dashing the power of the holy ones to pieces", which extends to the complete "peace and security" of "freedom from care" that logically could be climactic part of this apex event:

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

Possible DT "Image" to Full Power System 8th King (KFC Globalists) Comprehensive Progression to the Total End

1. In effect that Daniel comprehensive overall "stand" progression (both; 23, 25b) is possibly concurrent with the preliminary "temple cleanse" "established place" desolation of Daniel 8:11-14 as a concurrently manifesting, globally proclaimed or seen accompanying globalist event;

2. In that case, Daniel 8:23 is an "image" stand, not in full power yet, leading to Daniel 8:25b zenith, which would be both the "image" and the apex world globalist KFC rulership together; A finale totality of the "image" and the "full bodied" multi-national 200 nation array worldwide, in globalist unification 8th King domination and world proclamation of this state of claimed power;

3. In this scenario speculation, a comprehensive overall DT/KFC "stand" would extend in defiance over the 1260 day continuum "two witnesses" clean "commission" to apex globalist defiance;

4. This would extend through to the completion of the KFC 8th King totality of system (Image and real 8th Kingship (KN) power "stand" at this climax time);

5. Also paralleling the completion of the 144000 Kingdom/Temples after that general post 1260 day timeframe that would also be progressing to finale;

6. Placing that climax event convergence of both KFC and the Christ Kingdom 144000, some time in the 1290 days unknown, as "and finally they took away" "his own rulership", which is officially in apex defiant stance after the final "stand" of Dan8:25b;

Quick Summary:

The somewhat complicated thing, speculatively, is that the Daniel 8:23 stand may precede the 2300 units temple judgment, but that KFC "first stand" proclaimed presence will extend through to the 1260 day (and after) to the final wave of Revelation 11:7 on the approved "holy city" to fulfill this prophecy in a God approved cleansed state for JWs, and the 1260 days completing, and transitioning also to the 144000 Temple completion in the 1290 days period that will be commencing;

Then Dan8:25 "final stand" is just the culmination of this whole period from, speculatively, a fully recognizable initial stand prior to, or with, the coming temple judgment of Daniel 8:14's 2300 units, possibly 1150 days, and an unknown recovery transition to official 2W2 through whatever kind of globalist event may develop along with this sequence of prophecy;

With all these potential great parallels possible, from real prophetic events to deceptive counterfeits paralleling, that brings me to this temple judgment event coming up in the near future, and the possible globalist world event orchestration that will potentially go along with it, in light of 2014 approaching;

And the role the xGB could consider playing;

The XGB Great 2014 Decoy Temple Centennial GT Hoax on JWs

Given These Great 2014 Potential Temple Parallels, The Question Is...

Is a 2014 Centennial Temple Decoy and GT Hoax Event in the Works by the MOL xGB?

We know the "man of lawlessness' has been covertly operating in the xGB for quite a while, that is now a no-brainer in overt bad-fruitage by evidentiary examination of xGB UN worship, cold-hearted stumbler policies and spiritual-predator propagation by smug self-righteous attitudes that are now xGB core example broadcast across the JW landscape; The elder body is now many xGB influenced 66 spiritual IQ drones;

And a JW judgment MUST come from this as per Daniel 8:11-14 real "temple cleanse" for the Daniel 11:30-31 xGB UN-NWO-Baal worship and sin festival and subsequent deep JW org and sacrificial profanation; (Hosea)
But given this heavy duty 2300 unit period that must bust forth on the JW org from God allowing a globalist world coup on the JW org, will the xGB use it for traitorous, thieving and murderous opportunity as “son of destruction” xGB as well?

You Betcha!

1. What if this MOL xGB operation attempts to mimic an +/- October 2014 centennial timing as a decoy temple event leading to a hoax GT event to use against JWs?

2. What if this MOL xGB tries to use the prophetic temple replication pattern, advancing it prematurely (like they are now), causing the actual divine judgment, possibly timed with another globalist world event, (Dan8:11-14) to appear like “Great Tribulation” commencement?

3. Will the xGB continue to prime the JW mind for premature GT hoax, while now weaving in a “temple cleanse” hoax, and centennial 2014 temple decoy event?

4. And, given the mental effect 1914 has on the JW mind, what if they try to mirror it upon a 2014 Temple Centennial that is only a strategic decoy?

5. Will this potential hoax event, be timed with another globalist world move that may have a preliminary DT placement as per Daniel8:23?

This is an xGB premature bypass diversion decoy, when in fact a whole actual divine temple replication series only begins with this event (Dan8:11-14; Zech3): And that actual period of JW judgment progresses for an approximate 10 years duration through the real “tribulation of those days” and Revelation 11: 1260 days of final global witness from God: (Matt24:29), with identified prophetically significant periods - rather than this xGB crude simplification!

Well, to say the least, something in the xGB is MOL suspect, priming JWs for a "premature" GT; That much IS revealing! GOD warns of such developments from MOL xGB:

(2 Thessalonians 2:1-3) However, brothers, respecting the presence of our Lord Jesus Christ and our being gathered together to him, (Matt24:29-31); we request of you 2 not to be quickly shaken from your reason nor to be excited either through an inspired expression or through a verbal message or through a letter as though from us (anointed, but actually from a fraud xGB), to the effect that the day of Jehovah is here. (Such as Hoax GT by xGB) 3 Let no one seduce you in any manner, (not even the xGB frauds mental pump priming and predictive programming!), because it (the REAL temple judgment) will not come unless the apostasy (In the JW org) comes first AND the man of lawlessness (xGB and Co.) gets revealed...

(ALL THIS REVELATION FIRST: ALL Prerequisite for the rest of JW history - xGB has to be purged by actions they themselves initiate by God's covert angels - Zech3:4-7; Hos1:4-7; The xGB is "toast in time"!)

Keep Awake Spiritually to the Bible

Being about two years out from that 2014 potential date benchmark; (10/4-5/1914 to 10/4-5/2-14), we will have to consider closely, the deceptive and scripturally misapplied words that no doubt will continue to come forth from the MOL xGB, as they blasphemously start to begin setting up more decoy props, more mental priming, more "predictions" with more calls to temple scripture deceptively applied to their own hoax "temple cleansing" procedures;

Out of nowhere, after 20 years of "no light", the xGB will get much "new light" that is all hoax credibility bait;

We can keep an eye out for possible "predictive programming" as 2014 approaches, knowing full well the globalist world planners already have a world operation in the works, and being with xGB historically demonstrated aid to compliment the main globalist world move, they can set up a scenario for the intended effect, knowing they can produce the world event whenever needed to give credibility to the hoaxed production;

They can cue it right on October 4th 2012 if they want!

Keep an Eye on All of Them

1. We will just have to see what xGB claims may come forth in this possible, speculative lead-in period, to an actual temple judgment that they of course are not giving accurate details of concerning Daniel 8:11-14; Zechariah 3 actual foretold divine cleansings;

2. Nor are they expounding the solid self-incriminating evidence as to the real meaning of Daniel 11:30-31, in light of the secularly downplayed, and xGB covered up, 3rd "stand" of the UN "False-Prophetic" NWO in 1990, after Cold World War 3;

Globalist Symphonc Supports Again?

1. The "Disgusting Thing" DT has moved along with a concluding world war presentation stage at completion of the WW sequence three times so far; ((1.) 1919, WW1, LON; (2.) 1945, WW2, UN; (3.) 1990, WW3, UN NWO;

Will "Global War on Terror" "resolving" or "intensifying" allow a preliminary opportunity to fulfill Dan8:23?

2. The xGB has been supporting this 3rd UN DT NWO mode significance in actions, not in revelation of prophetic reality, since 1991;

Will "temple hoax" allow another preliminary preparation for xGB final wildbeast worship rituals?

XGB Historic Globalist Supporting Actions

1. The "new world order" appears 79 times in both those WTBTS journals in ten years from 1991, beginning with the quoted proclamations of George Bush Sr.
fronting the 2Horn-wildbeast before the UN Security Council in September 1990;

2. This was a "new world order" series begun on September 11th, 1990, by President George Bush Sr. before a Joint Session of the US Congress;

(Readable from the Bush on-line library and WT Library CD in directly related significance to Daniel 11:30-31 transgression calling for the Daniel 8:11-14 temple, and Zechariah 3 temple priesthood cleansing by God, foretold in divine prophecy.)

**Required xGB Prophetic Cover-up:**

A. **The xGB says nothing** about the significance of a 3rd UN-DT stand in NWO mode in relation to Daniel 11:30-31 fulfilled in 1990-1991 climax "disgusting thing" event of v. 31b;

B. **The xGB says nothing** about the relationship of that transgression to the divine temple cleansing now called for, due to that sin, of Daniel 8:11-14;

**II. October 2001** - The xGB then provided 10 years worth of adulterous scandal as an evidentiary "news break" nearly paralleling the 911-WTC event in timing;

All just coincidental again? Please...

1. This involved the officially sanctioned WTBTS (GB) relationship as one of the United Nations Non-Governmental Organizations, providing the approved UN promotional capacity for that agreement in the Department of Public Information;

2. The handy "library card" aided WT provided "information" as an "adjunct UN advertising agency", a planned UN/UN Support Org/Media information disseminator to the worldwide Jehovah's Witnesses ministerial audience and unique demographic through the Watchtower and Awake!: This was all exposed for a timed maximum effect along with a notable world event which became the globalist "World War on Terror" soon there after;

3. The xGB remains mum on prophetic significance and condoning of this reproachful DT scandal, still covertly involved with globalist objectives obviously now for years;

4. The pattern is, the xGB supports massive globalist inspired events with control of the whole Jehovah's Witnesses worldwide organizational logistics capabilities;

**Required Globalist Significance Cover-up:**

A. The xGB says nothing about the significance of a "Global War on Terror", a declared "world war" as pertaining to Daniel 11:40 and Joel 3:9-12;

B. The xGB says nothing about the formation of Global NATO in 1999 as a globalist military system supporting UN globalist (not national) objectives as this relates to Revelation 16:13-16 and the "power shift" of Revelation 17:11-17;

**III. Future - Globalist and xGB Coup De Grace** - To expect a finale climax event from the globalists as a third strike, possibly tied into 2014's JW psychological significance with 1914's "centennial" and "temple cleanse" hoax potential (now underway), all "coincidentally" supported by the xGoverning Body of Jehovah's Witnesses is not paranoid, it is logical;

1. This provides the perfect potential context for a hoax "Great Tribulation" on JWs as well, to herd JWs hither and thither, at xGB command, in 230 'isolated from JW communications' lands;

2. Yet, that overall effect is not dependent on the 2014 Centennial Temple timing, but sure would have a great effect on the worldwide organization of Jehovah's Witnesses if indeed this does manifest in this way;

3. Either way, the xGoverning Body of Jehovah's Witnesses is up to no good; They are the self-revealing "man of lawlessness" that must manifest before any of this activates in actual, not hoax, prophetic significance and fulfillment of Daniel 8:11-14;

Please share this news with as many Jehovah's witnesses and others as possible; Lives can be affected by the truth of the matter as outlined in the Bible for this very purpose to be wary of the xGB's claims - they are NOT good men, they are pretenders and fake-brothers;

**Daniel 8:11-14 Temple Cleansing Prophecy in the Near Future; (Not 1938)**

(Daniel 8:11-19) And all the way to the Prince of the army it put on great airs, and from him the constant feature was taken away, and the established place of his sanctuary was thrown down. 12 And an army itself was gradually given over, together with the constant feature, because of transgression; and it kept throwing truth to the earth, and it acted and had success. 13 ... "How long will the vision be of the constant feature and of the transgression causing desolation, to make both the holy place and the army things to trample on?" 14 So he said to me: "Until two thousand three hundred evenings and mornings; and the holy place will certainly be brought into its right (cleansed) condition.

17 And he proceeded to say to me: “Understand, O son of man, that the vision is for the time of the end.”... 19 And he went on to say: “Here I am causing you to know what will occur in the final part of the denunciation, because it is for the appointed time of the end.

**Organizational Disruption**

"the established place of his sanctuary was thrown down"

1. The "established place" (Jehovah's Witnesses Organization) has never been thrown down since 1914-1918's temporary attempt; The Nazi attempt failed as per Daniel 11:27 "nothing will succeed", since the scripture indicates this prophecy requires a "transgressor" that actually "acted and had success" only the near future can provide the "act to completion"; (Dan8:23) to the divine degree purposed for the temple cleansing; (Jer30:11);

This cannot apply therefore to Nazi Germany, and will actually fulfill in the near future as part of the revealing of the "man of lawlessness" in the Jehovah's Witnesses Organization factional infiltration;
Sacrificial Profanation

"from him the constant feature was taken away"

1. By the UN/NGO sins and other xGB unscriptural policies designed to stumble millions of people covertly, the JW "daily sacrifice" is already profaned in God's eyes in the JW Org since MOL started operating to "UN-Baal" apex in 1991 (so far);

Speculation: This "constant feature was taken away" may extend in the near future to the first actual disruption fully, of the Watchtower as a "continual offering", when "the transgressors act to a completion" soon actually "throwing down" the Jehovah's Witnesses worldwide organization "established place"; (Dan8:11-14)

Nazi Failure

1. Even the Daniel's Prophecy book by the WTBTS shows the obvious contradiction in it's text in attempting to apply a failed attempt by Nazi Germany "actions" to this prophecy's "acted and had success" as the Daniel's Prophecy text on Daniel 8:11-12, disproves itself plainly;

2. Here is the prophetic requirement of "action" and "success":

(Daniel 8:12) ...and it kept throwing truth to the earth, and it acted and had success.

3. Here is the xGB engineered erred interpretation:

Daniel's Prophecy (1999) Chap. 10 Pg. 179 Par. 29 Who Can Stand Against the Prince of Princes?

"The enemy's vicious attempts to desolate and destroy "the holy place" had failed completely. Indeed, the remaining "holy ones" on earth, along with their companions of the "great crowd," had come off victorious. (Revelation 7:9) And the sanctuary, in its rightful theocratic state, now continues to render sacred service to Jehovah."

4. Thus in plain English the xGB 'updated' interpretation from the 1958 "Your Will Be Done" interpretation of the 2300 "days" diametrically contradicts the actual prophecy itself, which indicates the profanation/infiltration "acted and had success" until the temple cleansing of Daniel 8:14 is completed;

5. Nazi Germany "acted" in a limited sense, but did not have "success" so cannot be the subject "transgressors" of this prophecy;

6. In reality, due to MOL xGB successful profanation actions and success (Dan11:30) by infiltration, the text should be updated to read: "the sanctuary, in its polluted MOL infiltrated state, now continues to render profaned undercover services to Satan in blatant blasphemy, throwing truth to the ground daily as regards this important prophecy..."; (Zech3:1,3; 2Thess2:3-12; 2Cor11:13-15)

Infiltration "Arms"

"And an army itself was gradually given over, together with the constant feature, because of transgression; and it kept throwing truth to the earth, and it acted and had success."

1. The Common English Bible gives the infiltrative flavor of Daniel 8:12:

(Daniel 8:12) In an act of rebellion, another force will take control of the daily sacrifice. It will throw truth to the ground and will succeed in everything it does.

2. The "transgression", "rebellion" and the "arms" are shown in prophecy here:

(Daniel 11:30-31a) And he (globalist King North) will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those (JW anointed) leaving the holy covenant. 31 And there will be (spiritual warfare) arms (Dan8:12) that will stand up (act), proceeding from him; (globalist King North), and they will actually profane the sanctuary (anointed identity; Zech3), the fortress (The JW Org), and remove the constant feature. (Profanation and maybe more in time)

The Main Transgression

1. And the "transgression" example in Awake!, September 8, 1991 "United Nations' issue, the first of a 10 year series of UN 'Disgusting Thing' third stand, in "New World Order" proclamation mode after the Cold War (WW3) fulfilled this prophecy below in covert significance (at Bethel) to be revealed 10 years later timed with the 911 event:

(Daniel 11:31b) "And they (xGB and globalist King North operatives) will certainly put in place the disgusting thing that is causing desolation.

2. That phrase "an army" (Dan8:12) is infiltrators and differs from the JW "the army" (Dan8:13) that is given to "trampling" in the JW org "throw down" event of this culmination of God's temple judgment soon when the globalist pull their "coup de grace" with fraud xGB MOL aid (as usual, as per 1991, 2001);

Prophetic Cover Up

1. That for 20 years the xGB plays dumb on this easy to prove "glitch" in prophetic interpretation (and on Daniel 11:30-31 as well), and continues to foster an illusional false-teaching, is but an example of prophetic fulfillment;

"throwing truth to the earth, and it acted and had success"
1938 Was Too Soon

And he proceeded to say to me: “Understand, O son of man, that the vision is for the time of the end.”

1. Obviously in hindsight now, just 24-30 years after 1914, the 1938-1944 fulfillment proffered by the xGB is premature, only being at best not quite 30% even into the last days;

I am causing you to know what will occur in the final part of the denunciation, because it is for the appointed time of the end.

2. Certainly 30% into the continuum to final temple judgment prior to the temple completion final cycle of prophecy is not the "the final part of the denunciation";

3. Daniel 8:11-14 is the culmination of divine temple judgment of the transgression of the infiltrators and actions of the Daniel 11:31; Both prophecies are a result of actions culminating in the 1991 xGB WTBTS United Nations advertising and promotional campaigning of the "new world order", as can be searched on the Watchtower Library CD to return many references from 1991 to 2001;

**The Real Zechariah 3 "Befoulers" to be Cleansed from Jehovah's Temple SOON**

The "man of lawlessness" xGB and JW Org infiltrators are playing dumb, and just pretending, to deliver JWs to a hoax GT, that is instead, this needed temple cleansing real divine judgment of Daniel 8:11-14 prior to the final Revelation 11 second cycle in final fulfillment mode to 7 full times trampling of the "holy city" in the actual "time of the end", the last days of the "last days";

This temple cleansing will result in the divine recovery of Jehovah's Witnesses (Zech3:2-9) for the final commission of the second and final world warning of the Revelation 11 "two witnesses" prior to actual divine temple completion of the 144000 under Christ;

Daniel 8 Temple Profanation: Nazi vs. xGB Fulfillment Test

**Daniel 8:11-14 Nazi Germany (1938-44) versus JW Infiltration xGB (1991-Present) Prophetic Fulfillment Test**

Fulfillment of Prophecy Basic

In order for a prophecy to fulfill, the claimed fulfillment must manifest ALL the conditions of the prophecy itself;

If we test Nazi Germany's attempted destruction of Jehovah's Witnesses and their German national presence of the organization and Christian ministry, we see Nazi Germany actually did not prove successful at fulfilling this prophecy for a number of reasons demonstrated here;

We will answer if it was possible for Nazi German attackers to have fulfilled the various elements of the prophecy one by one;

Universal Test: Fail

Instant Nazi Germany Disqualification

1. In this whole prophecy, the pronoun "it" is related to the "small horn" of Anglo elite globalists maturing to completion in the Anglo-American world system elite globalist governance "body" (2Horn-Wildbeast), so "it" cannot be Nazi Germany in the entire context of this prophecy as "it" is related to England and the subsequent Anglo-American partnership national and globalist; (Dan8:9-10)

2. The source of the main "transgression" perpetration is therefore already identified by prophetic context as Anglo and American "horn" developments; this is also as per the parallel "transgression" context identified at Daniel 11:30-32 as a globalist "King North" Anglo-American elite rulership development "profane the sanctuary, the fortress, and remove the constant [feature]"

3. "It", a "small horn" Anglo direct relation, must be the source of this "temple profanation" action, success and subsequent spiritual compromised "army" of Jehovah's witnesses anointed and earthling organization and ministry also shown in Daniel 11:3031 as Anglo-American globalists "give consideration to those leaving the holy covenant. With infiltrative "arms that will stand up", "proceeding from him", being "it", the Anglo-American globalists; - Nazi Germany cannot be "it";

**Test for Nazi Germany (1938-1944)**

(Daniel 8:11)

a. And all the way to the Prince of the army it put on great airs,

1. Yes. Nazi Germany, like Nimrod before them, and many after, blasphemed God;
b. and from him the constant [feature] was taken away,

1. Yes. In Germany and areas in Europe with Nazi domination in force, the formal Christian ministry of Jehovah's Witnesses was outlawed;

2. No. The discontinuation of the of the Jehovah's Witnesses Christian ministry was not global in extent;

c. and the established place of his sanctuary was thrown down.

3. No. The Nazi's never achieved a global "throw down" of the Jehovah's Witnesses worldwide organization;

(Daniel 8:12)

a. And an army itself was gradually given over,

1. No. The Nazi's never achieved a controlling infiltration of covert compromise of the Jehovah's Witnesses;

b. together with the constant [feature],

1. No. The Nazi's never were able to pollute or globally discontinue the daily "sacrifice" of Jehovah's Witnesses;

c. because of transgression;

1. No. The Nazi's were not in the "holy covenant" so could not "transgress" any Christian covenant requirements;

2. Since the Daniel 11:30-31 "arms" and "profanation" "transgression", is also this transgression, this context of both prophecies cannot apply to anyone outside of the "holy covenant" as this is a transgression against God by apostasy of those actually in the "holy covenant"; (Daniel 11:30b; "those leaving the holy covenant")

d. and it kept throwing truth to the earth,

1. Yes. The Nazi's resisted the divine truth;

2. No. The Nazi's did not stifle, subvert and retard progressive prophetic truth and meaning;

e. and it acted

1. Yes. The Nazi's "acted";

f. and had success.

1. No. The Nazi's failed;

(Daniel 8:13)

a. And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking:

b. "How long will the vision be of the constant [feature]"

1. No. This "constant feature" then cannot apply in this duration to any Nazi intrigues or this time period;

c. and of the transgression causing desolation,

1. No. The Nazi's are not involved with an inner covenantal transgression since they were not Christians recognized by Almighty God as in this "holy covenant";

d. to make both [the] holy place

1. No. The Nazi's never did perform a global action against Jehovah's Witnesses "sanctuary";

e. and [the] army things to trample on?"

1. No. The Nazi's never did perform a global action against Jehovah's Witnesses ministerial army; (Rev9:7, 16)

(Daniel 8:14)

a. So he said to me: "Until two thousand three hundred evenings [and] mornings;

1. No. Since Nazi Germany is disqualified from fulfillment of this prophecy, this time period is for the future as this prophecy never has fulfilled as of yet;

b. and [the] holy place will certainly be brought into its right condition." (cleansed condition)

1. No. The Jehovah's Witnesses "holy place" never was successfully profaned by the Nazi's to the scale and severity of this prophecy; The "holy place" was clean at that time of Nazi operations, the profanation must result later in time;

Test for Nazi Germany (1938-1944) = FAIL

Test for Globalist Controlled xGB (1991-Present)
a. And all the way to the Prince of the army it put on great airs,
1. Yes - The xGB claims to now be God's sole "servant" on earth;

b. and from him the constant [feature] was taken away,
1. Yes. The xGB has profaned the main sacrificial Christian documents with UN compromise and promotionals for the "new world order" objectives;
2. Yes. The "profaned" discontinuation of the of the JW Christian ministerial "sacrifice" is global in this approved sense since 1991;
3. This can progress to far worse conditions "as the transgressors" of the xGB and infiltrators "act to a completion" soon, with their globalist controllers as per Daniel 8:23;

c. and the established place of his sanctuary was thrown down.
1. Yes. This "throw down" of the "established place" will be permitted by God; (Zech3:2) and is yet to come in this "temple cleanse" phase of God that this will commence, permitting this globalist action to completion; (Dan8:23); and revealing the "lawless one" in the xGB control infiltration for removal (cleansed);

(Daniel 8:11)

(Daniel 8:12)

a. And an army itself was gradually given over,
1. Yes. The xGB has achieved a controlling infiltration of covert compromise of the Jehovah's Witnesses and worldwide organization; (Rev8:10-11)

b. together with the constant [feature],
1. Yes. The xGB were able to pollute and will soon globally help discontinue the daily "sacrifice" of Jehovah's Witnesses;

c. because of transgression;
1. Yes. The xGB are in the "holy covenant" so could "transgress" that covenant requirement;
2. Since the Daniel 11:30-31 "arms" and "profanation", is also this transgression, it can apply to those in the "holy covenant" as this is a transgression against God;

d. and it kept throwing truth to the earth,
1. Yes. The xGB resist the divine truth;
2. Yes. The xGB do stifle, subvert and retard progressive prophetic truth and meaning;

e. and it acted
1. Yes. The xGB "acted";

f. and had success.
1. Yes. The xGB has and will be successful until divine neutralization; (Zech3:4; Hos1:7)

(Daniel 8:13)

a. And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking:

b. "How long will the vision be of the constant [feature]
1. Yes. This "constant feature" then can apply in this duration to any xGB (and supports) intrigues;

c. and of the transgression causing desolation,
1. Yes. The xGB are involved with an inner covenantal transgression since they are professed Christian anointed recognized in this subverted role by Almighty God;

d. to make both [the] holy place
1.Yes. The xGB did perform, and do still perform global subversive actions against Jehovah's Witnesses;

e. and [the] army things to trample on?"
1. Yes. The xGB did and do perform global actions against Jehovah's Witnesses ministerial army, and will continue to "completion"; (Dan8:23); (Rev9:7, 16)

(Daniel 8:14)

a. So he said to me: “Until two thousand three hundred evenings [and] mornings;
1. Yes. The xGB qualifies for fulfillment of this prophecy, this time period of 1150 days is for the future as this prophecy fulfills completely soon;

b. and [the] holy place will certainly be brought into its right condition.” (cleansed condition)
1. Yes, the Jehovah's Witnesses "holy place" is still in spiritual UN related pollution and other transgressions since 1991, perpetrated by the Governing Body of Jehovah's Witnesses, the target "befoulers" and "lawless ones" have been initially revealed thoroughly; (Dan11:30-32; 2Thess2:3-12; Zech3:1,3)

Test for Globalist Controlled xGB (1991-Present) = PASS;

The x-Governing Body of Jehovah's Witnesses is the "Man of Lawlessness" infiltration administrators requiring a divine clean-out as per this prophecy soon:

xGB/Globalists Universal Test: Pass

Globalist xGB? Yes!

1. In this whole prophecy, the pronoun "It" is related to Anglo-American elite globalists, so "it" can be an xGB undercover development from globalist power and expertise in the entire context of this prophecy;

2. The source of the main perpetration is "proceeding from" Anglo-American globalist interests as per Daniel 11:30-32 globalist King North; the xGB also fulfills that "disgusting thing" transgression, the core polluters and pollution of the Jehovah's Witnesses "Bethel" and "temple" system;

3. 'It' must be the source of this "temple profanation" action, success and spiritual compromise so the xGB springs from this lawless control center for many infiltrated years prior to the 1991 main sin manifestation; (2Thess2:7; Dan11:32);

Conclusion:

Nazi Test - Affirmative = 4; Negative = 11
xGB Globalist Test - Affirmative = 15; Negative = 0

The Governing Body of Jehovah's Witnesses are infiltrator frauds and actors with globalist root objectives fulfilling prophecy for this commencement of their revelation as "man of lawlessness" (Zech3:1; 2Thess2:3-12) and the catalyst of the final temple cleansing and judgment cycles of:

1. 1150 days (2300 units; Dan8:14);
2. The 1260 days to temple completion; (Rev11:2-12; 15-19) and;
3. The 1290 day Christ Court phase to final judgment and Armageddon total universal conquest (Rev19:19-21; Rev20:1-3); (Dan7:25-26; Dan12:11; Rev11);

The fraud Governing Body of Jehovah's Witnesses leads the modern day "great apostasy" foretold to be revealed prior to the final prophetic replication of all 1914-1922 temple and kingdom prophetic time periods in final fulfillment mode finale;

The anointed Christians of Jehovah now expose the Governing Body of Jehovah's Witnesses and their Revelation 8-9 "1/3" symbolic infiltration of the whole worldwide organization of Jehovah's Witnesses as apostate pretenders with a great sinister goal against Jehovah's people to destroy the final ministry.

I. Revelation 8-11 Parallels Revelation 15-16 to Kingdom and Temple 144000 Completion

6. This will also focus on their globalist source system from which this infiltration and apostasy developed over the years to fulfill prophecy in such a manner regarding the final manifestation of the "lawless one" cleaned out of Jehovah's temple prior to final completion.

7. The replication of this divine pattern of prophecy preceding the end of the world of rival sovereigns is divine brilliance for allowing a reliable pattern for Jehovah's witnesses in this final phase to initiate soon.

8. This also provides a reliable set of actual world and temple developments fulfilling prophecy again, upon an established former pattern for people in doubt to repent and find salvation even in this final period of time.

II. Parallel 1 - Heavenly Court (Revelation 8:1-6 and Revelation 15:1-8)

(Revelation 8:1) And when he opened the seventh seal, a silence occurred in heaven for about a half hour.

1. And addition to the official interpretation of 1914, when these seals were opened once in heaven, is not just so the prayers of the holy ones could be heard, but to of course read the now opened, dual sided scroll, fully opened for the first time.

2. Opening this scroll was the entire operation of the 7 seals being cracked, so this finale seal has much information in it, it two renditions of fulfillment, hence a scroll written on both sides opened by the Lamb Jesus Christ.

(Revelation 8:2) And I saw the seven angels that stand before God, and seven trumpets were given them.

1. Reminds us of other angels positioned for divine service in final fulfillment; (Zechariah 3:1; Isaiah 6; Ezekiel 1)

(Revelation 8:3) And another angel arrived and stood at the altar, having a golden incense vessel; and a large quantity of incense was given him to offer it with the prayers of all the holy ones upon the golden altar that was before the throne.

1. This is an 8th angel in the count, "another angel";
2. "All" the holy ones may indicate a condition of full sealing is near or completed;
3. What is prompting this prayerful activity?

(Revelation 8:4) And the smoke of the incense ascended from the hand of the angel with the prayers of the holy ones before God.

1. Now God recognizes reception of these communications;

(Revelation 8:5) But right away the angel took the incense vessel, and he filled it with some of the fire of the altar and hurled it to the earth. And thunders occurred and voices and lightnings and an earthquake.

1. And a relatively fast divine response is activated relative to the prayers being heard;
2. This is a cleansing that results in "new lightnings" and "voices" of true explanations shaking the "earth", the Jehovah's witnesses community in this section of Revelation. The relationship to this cleansing by altar fire and Isaiah 6 and the cleansing of Isaiah with his commission is reliable for this final commission of Jehovah's witnesses and cleansing from the "lawlessness" being presented from within the organizational head administration.
3. Zechariah 3:1-10 reveals a similar cleansing activity, associated with another form of fire; (Zech3:2) that results in a divine ultimatum and commissioned "robes of state" with a new clean "turban" for the "high priest" system of earth in the temple of Jehovah's witnesses anointed prior to Revelation 11's temple completion phase that this must lead to.
4. The ramifications will roll like thunder through the JW organization in whatever way this may manifest soon.

(Revelation 8:6) And the seven angels with the seven trumpets prepared to blow them.

1. The interim time period to the first trumpet activation is unknown.
2. We see angels in preparation, meaning this is not an instantaneous activation of the rest of Revelation 8 and the official 7 trumpets beginning to be blown, with angelic assistance.
3. Angels are also present in aid in Zechariah 3:2-9

(Revelation 15:1) And I saw in heaven another sign, great and wonderful, seven angels with seven plagues. These are the last ones, because by means of them the anger of God is brought to a finish.

1. The full meaning of this "another sign" is now being revealed to the anointed of Jehovah; This parallels with Revelation 8's preparatory court setting; (This development parallels Zechariah 3:1-4 "cleansing");.

(Revelation 15: 2) And I saw what seemed to be a glassy sea mingled with fire, and those who come off victorious from the wild beast and from its image and from the number of its name standing by the glassy sea, having harps of God.

1. This indicates the presence some anointed "eagles" (note "eagles" later in Rev8:13) in heaven and the conquest over the "wildbeast" that they performed following Jehovah and the Lamb (Christ) in complete faith and faithfulness; (Rev1:7,11) This does not indicate they are complete in 144000, because some anointed must be on earth for Revelation 16's parallel events with the parallel seven trumpets all the way to the seventh bowl of Revelation 16:17's "air event"; (1Thess4:17; Jude14).

(Revelation 15: 3) And they are singing the song of Moses the slave of God and the song of the Lamb, saying: “Great and wonderful are your works, Jehovah God, the Almighty. Righteous and true are your ways, King of eternity.
1. This is a song of assured conquest, fitting for what is to follow on the world scene, for Temple completion is also Kingdom completion in full 144000 "holy ones" under The King Christ "Head Stone"; (Zechariah 4:6-9)

(Obviously a cupping "head stone" is not "set" upon an incomplete temple; Christ is "foundation stone" initiation (1Peter 2:6) and "head stone" completion; (Ps118:22; Zech4:6-8))

2. The big question of sovereign allegiance and totality of future domination of the nations by God is stated:

(Revelation 15: 4) Who will not really fear you, Jehovah, and glorify your name, because you alone are loyal? For all the nations will come and worship before you, because your righteous decrees have been made manifest."

1. That the "temple" is still in "tent" of incompleteness is indicated here:

(Revelation 15: 5) And after these things I saw, and the sanctuary of the tent of the witness was opened in heaven,

1. In Hebrews 8-9 Christ offers sacrifice in the "tent", for the 144000 "temple" are not completed at that time, and this illustration of this fact is present here as well; The 14400 are still incomplete in heavenly existence.

2. The "tent" is transformed into the final Temple of Jehovah (Rev3:12) after this period of Revelation 15's setting, henceforth it is called "temple" at Revelation 11:19, Revelation 7:15 and Revelation 14:16-20 after temple completion of all 144000, which replaces the "tent", termed "temple" for all those Biblical sequences in final fulfillment due to 144000 completion in those prophecies in final fulfillment in the near future.

(Revelation 15: 6) and the seven angels with the seven plagues emerged from the sanctuary, clothed with clean, bright linen and girded about their breasts with golden girdles.

1. This is obviously where the Revelation 8:2 "seven angels that stand before God" are also commissioned.

(Revelation 15: 7) And one of the four living creatures gave the seven angels seven golden bowls that were full of the anger of God, who lives forever and ever.

1. This parallels the preparation of the angels with the seven trumpets at Revelation 8:6 - everyone is ready for deployment in an unknown interim period after preparation as Jehovah's witnesses are also being prepared for the final ministry.

(Revelation 15: 8) And the sanctuary became filled with smoke because of the glory of God and because of his power, and no one was able to enter into the sanctuary until the seven plagues of the seven angels were finished.

1. No one is entering the "tent" because the 144000 must be completed in this process of the 7 trumpets and the 7 bowls; Then everyone will be present at kingdom, city and temple completion; (Heb12:22-24)

2. This whole period then parallels with the preparations we see in Revelation 8:1-5.

3. Both the seven angel groups, with seven trumpets and seven bowls, will deploy in the same period of activity (in final fulfillment round in the near future).

4. A refined and upgraded understanding and message of Jehovah's witnesses must be proclaimed in continuum from 1914/1919 forward, but in final fulfillment mode in the near future. (The "little scroll" understanding will be assimilated as well as will be shown as it overlaps with the 5th and 6th trumpets to the 7th trumpet)

5. This worldwide proclamation goes parallel to both the 1/3 target of Revelation 8 (The whole JW temple system affected by infiltrative "lawless one" manifestation) and the whole world system in Revelation 16

6. This proclamation will be upgraded in awareness to a finality of the full climax in view of the 144000 temple completion which aligns Revelation 11 with events in Revelation 16.

7. This is the final worldwide warning leading to the final, second "two witnesses" ministry; (2520 days totaled with 1914-1918); As in Haggai and Zechariah time (520 BCE to 515 BCE), proclamation of temple completion precedes the finale.

III. Parallel 2 - First 4 Trumpets and Bowls (Revelation 8:7-12 Revelation 16:1-9)

A. Seven Angels and Seven Trumpets Deployed

JW "Man of Lawlessness" Infiltration and Globalist World Government Propellant for Final Ministry

1. Now we can identify the "earth" as Jehovah's Witnesses, in final fulfillment mode of Revelation 8:7, in principle of 1914 and Christendom's 1/3 of a total world system. Now Jehovah focuses on the "temple" system, the "footstool" or "courtyard" "earth" (Isa1:2; 6:3) as the foundational "temple" system among Jehovah's witnesses and "those worshipping in it" that is receiving results of the inspection cleansing; (Rev8:1-5; Zech3; Mal 3:1-5).

2. A 1/3 is identified that is also affected by the "lawless one" (2Thess2:3-9) who is being revealed in this modern day temple cleansing fulfillment (Zech3:1-4), and the effects he has had to a limited extent, a symbolic 1/3, of the Jehovah's witness organizational system; (Compare Rev12:4)

3. Revelation 8 and 16 is the extended divine judgment's actual proclamation (trumpets) and manifested effects (bowls) that this activation of the seven trumpets and bowls in parallel deployment will accompany in due time. This is because the source of the "lawless one" infiltration of Jehovah's witnesses must have a source interested in obstructing and destroying the ministry - and that source too must be exposed.

4. That source is also the locus of future world government of earth; globalist power, interests and operatives associated with the globalist 2Horn-Wildbeast; (Rev13:11) and the 8th King "scarlet wildbeast" globalist unification system "image" (Rev13:11-15);
5. These include now the actual "full bodied" multi-national power system, the progressively globally empowered "scarlet wildbeast" world system of Revelation 17:11-17 parallel to Daniel 11:42-43's globalist symbolic "King of the North" prophetic financial intrigue leading to full globalist control of all the national powers.

B. Divine Angelic Deployment

(Revelation 16:1) And I heard a loud voice out of the sanctuary say to the seven angels: “Go and pour out the seven bowls of the anger of God into the earth.”

1. Now, unlike 1914 onward, these trumpets and bowls will begin to have real-time actual effects on earth far more pronounced than the foregleam warnings of the former ministry of Jehovah's witnesses since 1914 or the world developments of that time forward.

2. This is NOW the real thing, in tandem with a global ministry of Jehovah's witnesses, in whatever form needed and eventual "sackcloth" mode (Rev11) as "rocking the nations" (Hag2:7) progresses from a prophesying ministry, to a ministry and an actuality - people will SEE these things coming true concurrent with this final ministry.

IV. Seven Trumpet Parallels to Seven Bowls

A. First Trumpet - First Bowl

Jehovah's Witnesses: Infiltration Target and Source Revealed

(Revelation 8:7) And the first one blew his trumpet. And there occurred a hail and fire mingled with blood, and it was hurled to the earth; and a third of the earth was burned up, and a third of the trees was burned up, and all the green vegetation was burned up.

1. Now the first judgment herald identifying the strategic origin attempting to corrupt and stall, then bankrupt and destroy Jehovah's Witnesses ministry will be revealed and actually affect this "lawless one" being extricated from among Jehovah's "temple" in "clean out", and others affected by this corruption are called to repentance as this develops.

World System: Still Exposed as Wildbeast Worshipers

(Revelation 16:2) And the first one went off and poured out his bowl into the earth. And a hurtful and malignant ulcer came to be upon the men that had the mark of the wild beast and that were worshiping its image.

2. The world system has similar globalist and nationalistic expose affecting it as regards it's system of wildbeast worship in various forms, from elites to the man on the street.

B. Second Trumpet - Second Bowl

Predatory Globalism Affects All

(Revelation 8:8-9) And the second angel blew his trumpet. And something like a great mountain burning with fire was hurled into the sea. And a third of the sea became blood; and a third of the creatures that are in the sea which have souls died, and a third of the boats were wrecked.

1. That "great mountain" is now more specific than just human generic national government issues, but a specific kind of human government based on globalism theory in all aspects of rulership worldwide;

2. This "great mountain" is also affecting national masses, "seas" worldwide, because they are being pawned and are feeling the effects of this "power transfer" from national to globalist systems, as per Revelation 17:11-17;

3. This source of infiltrative corruption in the JW "temple" system, has a similar counterpart development in the national systems of earth. These are also being progressively infiltrated by globalist interests at all levels and forms of national scale government, finance, commerce, and military with the objective of further compromising nation-state sovereignty to globalist super-sovereign domination from within of all the nations;

4. By the climax of Revelation 16:13-16 we see where this guiding domination at many levels progressively consolidating to globalist realms is leading - "the war of the great day of God the Almighty".

World: Death Business as Usual

5. On the world scene parallel to the second trumpet, it is merely a progression of the same effects intensifying to climax "woe to the earth" (Rev12:12), more sins and errors leading to more bloodguilt, misery and terminal death being exposed so humans can escape destruction by heeding the warning of Jehovah's witnesses:

(Revelation 16:3) And the second one poured out his bowl into the sea. And it became blood as of a dead man, and every living soul died, yes, the things in the sea.

C. Third Trumpet - Third Bowl

Man of Lawlessness in the Jehovah's Witnesses Organizational Infiltration

Now rather than a Christendom's cleric system worldwide corrupting envelopment of true anointed Christians as in 1914's "revealing of the man of lawlessness", this is much more intimate and is an inner infiltration instead:
(Revelation 8: 10-11) And the third angel blew his trumpet. And a great star burning as a lamp fell from heaven, and it fell upon a third of the rivers and upon the fountains of waters. And the name of the star is called Wormwood. And a third of the waters turned into wormwood, and many of the men died from the waters, because these had been made bitter.

1. The "great star as a lamp" that "fell from heaven" is the infiltrated and corrupted Governing Body (GB) as the root of negative operations and trends fully manifesting since after Brother Fred Franz was incapacitated and died. Brother Franz was the "one who acted as a restraint" for a solid 50 years and more in full Christian maturity and farsighted insight, watching over Jehovah's organization; (2Thess2:3-9; 1Cor11:13-15; Zech3:1)

2. The globalist "lawless one" "slipped in" and manifested in 1991 with Milton G. Henschel's reign of stealth corruption in the Governing Body, very subtle corruption with masterful intrigues to drag JWs into deep and very real sins for years, while believing everything was normal; (1Cor11:13-15)

3. No wonder after Fred Franz, the Governing Body of Jehovah's Witnesses has had no real significant "new light" in 20 years, in spite of intensive marked globalist prophetic fulfillment in world activities of the 2Horn-Wildbeast and scarlet wildbeast actual bodies worldwide in these two decades.

4. One could fall over details and prophecy being fulfilled in these last 20 years of globalist heightened activity, but the GB remains purposely deaf, blind and mute;

5. It is revealed now the modern imposter GB are "lawless one" puppets of globalists sources whose objective is to remain prophetically stagnant, stalled, sinning, stumbling and silent and to position Jehovah's organization for a "coup de grace" attempted event or cycle of events with the next globalist world event(s).

World: Anti-Wisdom Business as Usual

6. On the world scene, parallel to this revelation, it is merely a progression of the same effects intensifying under human systems of erred "wisdom" and understanding:

(Revelation 16: 4) And the third one poured out his bowl into the rivers and the fountains of the waters. And they became blood.

7. And the outcome is a reaping of what is sown, a justice (Hab2:12; Gal6:7):

(Revelation 16: 5) And I heard the angel over the waters say: “You, the One who is and who was, the loyal One, are righteous, because you have rendered these decisions, because they poured out the blood of holy ones and of prophets, and you have given them blood to drink. They deserve it.”

(Revelation 16: 7) And I heard the altar say: “Yes, Jehovah God, the Almighty, true and righteous are your judicial decisions.”

D. Fourth Trumpet - Fourth Bowl

(Revelation 8:12) And the fourth angel blew his trumpet. And a third of the sun was smitten and a third of the moon and a third of the stars, in order that a third of them might be darkened and the day might not have illumination for a third of it, and the night likewise.

1. No "new light" in 20 years. Need we say more?
