Secondly I was deceived by the also clever mental association this well named, and well pictured and presented "governing body" had with spiritual developments and writings actually developed and written by individuals well prior to the "lifting themselves over everyone" Governing Body move of 1976 - as much developed by all Jehovah's Witnesses as it was by the "Governing Body" of that global congregation;

But in fact anointed Christian leaders in Charles Russell, Joseph Rutherford, and Fred Franz are who had to be enlightened by God through Christ to continual clarifications, to write down the landmark spiritual clarifications of all sovereign Kingdom and temple prophecy for the 1914 era enlightenment forward into the
initial prophetic pattern of Daniel 12 fulfilling with Revelation 6, 8-11, 15-16, identifying the sovereign Kingdom of God developments; The anonymity of the vast body of works after Joseph Rutherford's time only aided the illusion, by giving the Governing Body an automatically anonymous body of work to take credit for by association - not by any actual work from those frauds - as if they had any more to do with that spiritual development than all Jehovah's Witnesses combined - if they take credit, like Acts 15:1-33, so should the whole congregation;

(Acts 15:22) Then the apostles and the older men together with the whole congregation ...

They do not and they did not, - it is all an illusion - they ended up instead being Bethel's new papal political "movers and shakers" merely isolating a position of factional leverage to seize power once the first Revelation awareness was completed and published by 1969 in the completed commentary of Revelation as a signal of that plateau development, as a split commentary over two books from 1963, Babylon the Great Has Fallen to 1969, Then is Finished the Mystery of God book, later combined and edited into the 1988 Revelation Grand Climax book;

Meaning by and large, by 1969 JWs had gone as far as we were going to go up to that time in spiritual insight; Shortly after that opportune time, the GB hopped onto the Bethel throne, and into the WTBTS control room to assume all credit, and to slip under the "holy man chosen of God" veneer and assumptions to found the illusion many of us grew up enveloped in, with no true re-examination of Acts 15:1-33 - as well, the 1976 GB power tripping Popes under Torquemada Schroeder designs, soon implemented the 1980's Bethel Inquisition to make sure no one chiseled them out of the log (Zech3:2) - by threat of eternal banishment now, and cursed exile unto Gehenna later; (THEN is when Revelation 2:2 needed to be exercised by JW "Ephesus");

The whole thing had gradually turned Neo-Catholic, and no one knew anything because the Bethel anointed were being corrupted to some degree (Dan11:30), the massive 1920s to 1970 momentum was like a truth tidal wave, the Hawk Fred Franz was doing the best he could to keep an eye on the place and develop new material, yet in 1976 the JW flagship engines were essentially cut, the ship veered but a degree off course, and the rest is just pushed way off course now by that inertia of the past under Captain GB JW Titanic navigation, a truth also now a dated and tainted illusion (Rev8:10-12) - it is no longer a "spiritual paradise", but a GB "Igor" worldwide spiritual morgue and 8th King landfill; The Bethel museum wax dummies are merely clothed in 2000 dollar suits, minimum, everything else is canned smoke and mirrors; Even the lights are old; The GB are NOT 12 "Taze Russells", they are ONE "man of lawlessness";

Well, anyways, by a few years after that "Revelation—Its Grand Climax at Hand!" book, after having read all the major prophetic commentaries of Frederick Franz and others (some a number of times), I started to notice the truth of the 1990s being seemingly over-simplified in a manner I felt personally was a little too simplistic, with very little in-depth review of what was obviously anointed Christian works of great initial insights provided by God through Christ (Rev1:1) in the past, THAT SHOULD BE DRILLED INTO CHRISTIANS for absolute complete familiarity and expertise in understanding the foundational cycle, since it was a divine miracle and a feat just to get these understandings; (2Pet1:19-21);

Instead the pretty pictures and flowery parrot talk took precedent; JWs began to look like a "CEO" Church... and lost all studious expectations for a "already made it, all done!" complacency, now a severe coma and GB sleepwalk routine as all actual meeting hours, testing, and depth of instruction has been steadily diminished;

Why all of a sudden get lazy now? It was getting more and more and snore obvious the GB was indeed spiritually lazy; (It was getting obvious an acting objective, NOT holy spirit, was what was motivating this produced Bethel play);
My rationale, at that time, was they were simplifying the ministerial method to bring in and teach sheep faster; Little did I know at that time, the JW growth rate was actually spiraling downward (from pre GB 15% high, to current GB less than 1% lows), Bethel had joined the United Nations, and things were merely being produced to aid a deep subversion operation with masterful expert subterfuge; (No wonder the actual blessing magnitude also plummeted);

At the time I thought it was a strategic simplification to maybe be picked up with more depth in subsequent books after the "Greatest Man" book which I thought was a fine work that I feel now, must have been "lifted" from a previous anointed work of a deceased anointed - may be Fred Franz... Like the Isaiah commentary as well, all filed manuscripts plagiarized by Bethel wordsmith GB directed cannibals; It certainly cannot actually be written by UN rogue agents that inhabit the GB, duped "other sheep" and expert external wordsmiths merely plagiarize and cannibalize former anointed works, over and over again to extend the charade into 8th King trap time;

Nothing is beyond the wiles of the Governing Body to continue to try to conceal their role as modern, final fulfillment, FINAL "man of lawlessness" and their sinister final objective;

In any event a year turned to a decade, say 2000 or so, and I felt as if something was wrong, but was not quite sure what it was, or if it was;

General "opposer" theological focused arguments of "apostate" material made no difference in my overall examination, because the 1914-1926 Daniel 12 cycles were too well explained upon a sovereign progression of human kingdom that was no longer prophecy but human history (Dan2,7,8,11) - I knew we Jehovah's witnesses had very real Messianic Kingdom divine pronouncements as the priority of what it all meant - God was indeed giving Daniel and Revelation historically benchmarked affirmation, supported by a plethora of other prophecies, that THE KINGDOM OF GOD WAS TRULY ON THE WAY INTO EARTH'S AFFAIRS FOR A PERMANENT TENURE; (Matthew 6:10 will come true;)

It did not matter the size of the group making the Kingdom announcement, it is the magnitude of that Kingdom announcement's ultimate significance that matters; as many critics doubted the Bible Students fulfillments and could not suspend disbelief long enough to understand: THE KINGDOM OF GOD IS GOING TO DROP IN SOON; FOREVER... and ONLY one Christian group is saying so and what it means for ALL "government, authority and power"; (1Cor15:24-28; Dan2:31-45);

Plus no one can fake the real Revelation 13 "seven headed" wildbeast Daniel 2,7,8 historically benchmarked world power progression reality, now obvious understanding many others also understand, and the "two horned wildbeast" as linking to Daniel 2, 7, 8 and 11, that is now all world history; So, JWs are who God brought that understanding to the fore through;

No wonder the "man of lawlessness" also identifies the actual location of temple truth as he operates "in the temple" location to undermine this truth, as per prophecy in REQUIRED final phase significance; To the GB, everyone else is apostate and "man of lawlessness", to distract attention from their own operations and identity;

That Kingdom of God Messianic TRUTH could not be sidestepped by any opposer theological arguments because they all denied that Kingdom reality in their very quest to stumble over the Governing Body or other minutia, and exit responsibility whilst blaming someone else for the cop-out, and various stumbling stones and blocks peppered into the overall true Kingdom message by the rogues accomplishes these "exits" (Dan11:33-35) for some, others are unfortunately not seeing the "lawless one" is who is at work and are
actually being stumbled by outright lawless activity "in the temple"; Ironically, truth and "error" both filter out "weed" types, but many weak "wheat" sheep, and others with simply lack of knowledge are also being damaged spiritually by the rogue GB operations; Unfortunately, the Governing Body also purge "wheat" types as well - things are very messed up right now; (One has to stick to God and Christ and the Bible, crazy black days are going to fall on Bethel;)

God and Christ will recover lost sheep after temple judgment removes the fraud Governing Body and their 8th King undercovers;

I felt those errors were natural at that time - of course after seeing those stumbling blocks remain in place, greased by subsequent inaction of the Governing Body, it is apparent these "little things" are being "peppered in" like leaven, to sow seeds of doubt for perpetual web stumbling aid - kept in place at the time, by factional GB "lawless ones" as that "body" went into terminal override of lawless operatives at any and every locus of authority over the JW ministry's resource, finance, teaching and logistic foundations;

_The Governing Body wants to stumble people in a "truth" context for reproaches, but does NOT want to be discovered as, and connected prophetically to, the "man of lawlessness" "in the temple" IN that truth context as a prophetic requirement from God's signal 2Thessalonians 2:3 prophecy;_

See, that changes EVERYTHING, because it indicates temple judgment is near and enabled as per prophetic PREREQUISITE (2Thess2:3) - IT GUARANTEES TEMPLE JUDGMENT - that modern "man of lawlessness" "in the temple" as the Governing Body providing that "lawless one" "body", REQUIRES temple judgment purifications in fact ; (2Thess2:3-4 enables 1Peter 4:17 as Daniel 8:13-14 activating Revelation 8-11); and it turns GB scandal and debacle into FAITH BUILDING EVIDENCE the final cycle of prophecy is even activating now (2Thess2:1-4), as the Governing Body even exposes themselves, and is also exposed as "lawless one" by the very prophecies they subvert, and their sins and trends now seen over 30 years piling up;

Rather than reinforce the central Kingdom and temple developmental theme over and over and over again, we see the GB is instead slowly and steadily WEAKENING AND DIFFUSING that main Kingdom and temple theme with other things - yet always mentioning the "central theme of the Bible" and 1914, they do not actually review it in depth, mention it less and less, and instead distract away from it with organizational, therapeutic and personality distractions, and the little seeds of doubt in teaching, sowed in from the 1970s forward for the most part, are NEVER resolved in better logic or abandonment, if anything they are retained and made worse, in a purposeful way of engineered idiocy for reproach, such as the "generation teaching" waffling tactic;

(That "generation" NEVER should have been used as a technique to "know the day and the hour" by a stopwatch of death started at 1914; The entire use of the word "generation" in Luke and Matthew is OBVIOUSLY generic society in every context, except for this one particular one used as now a great stumbling block??? No, it is suspect...);

Things such as that example, OBVIOUSLY hanging around stumbling perpetually, that defy logic, are signals of worse developments; NO ONE actually anointed and Christian, is simply this stupid - something is up - and what "is up" is a GB placed stranglehold removing all anointed insight from the Bethel ministry gradually - filled in with enemy actors now fully saturated and in terminal condition;
When one writes it all down (literally, try it some time), the amassed actuality of evidence, forming the downward spiral statistically backed trends, indicates something is indeed wrong; This is far more than an "oversight"; What CEOs of secular corporations in the world at large, see their "market share" plummet from 15% to 1% under their tenure, and tell the stock holders: "everything is at apex!" "well done!!"; The GB CEOs, that's who;

What a bunch of shameful frauds I tell you! geeeeeeeeeeeeeze.

At the time of say 1992 or so, a great review of all sovereign Kingdom and temple truth 'woulda, coulda, shoulda' been accomplished as the United Nations placed a third time as "disgusting thing" after Cold War (WW3; Dan11:29) in 1990; Instead, the "Organization" book (Jehovah's Witnesses—Proclaimers of God's Kingdom) was released as a 700 page ultimately useless distracting behemoth steroid for idol organizational development and high-lime-lighting the GB Bethel "12 apostles" for celebrity status - what a sad day that is; We JW's bought it because? clapping at the convention release like trained seals because?? It kisses JW fanny with the big "Jehovah's Witnesses" title; It's a shill for the org idol con;

It is true, JWs used to be Jehovah's witnesses, not 8th King UN NGO witnesses, and did and do now in tainted form, proclaim God's Kingdom, that is not the point; Even an org reference work is fine, it is THE CRITICAL TIMING, and the MORE IMPORTANT PRIORITIES being bypassed, for what has indeed become "organizational" idolatry, that is at issue - not to mention the historical and Biblically non-existent "Governing Body" lies in that book; That book was a designed distraction and tool for idolatry for hours of misdirected individual JW time;

It was the grand diversion using organizational details and traditions, to parallel the prophetic diversion in full action from a Governing Body also overriding anything Fred Franz would have had to say about the USSR failure and disqualification from the Daniel 11:36 required "success" from 1990 to Fred's death, as that Governing Body had to be nearly, if not all, UN 8th King serving agents internally developed for even generations at Bethel getting ready to go UN NGO; In whatever way necessary, Fred could NOT be allowed to elucidate prophetic reality;

All the GB is undercover cover up frauds by now, pretending to be Christian, to divert Jehovah's Witnesses into massive UN NGO transgression and cover up by erred interpretations - and to set up the JW organization for an 8th King coup as the divinely permitted and required "trampling" of Daniel 8:13 and temple judgment (Dan8:13-14), made to look like "the end" and Armageddon prelude;

Although the United Nations had made a third world historic placement fulfilling Daniel 11:31b in 1990 after the unique "cold war" of Daniel 11:29, it was time to talk "organization of Jehovah's witnesses" insteadThat red flag is very ominous of Bethel reality;)

Although the Governing Body had adjoined all Jehovah's Witnesses as a UN field advertising agency co-proclaiming that 3rd UN placement as "disgusting thing" Bethel promoters, this was not a good time to tell EVERYONE about it - in fact to this day, the GB makes no official published comment on the UN NGO for ALL Jehovah's witnesses; (Instead 8th King news agencies released the UN NGO story, well timed with other globalist pretext development of Global War on Terror in the "911" World Trade Center attacks context; again, all innocent coincidence at Bethel - if we are "jotting this all down", we have about 10 weird red flags now - but there are a hundred and more);

By that evil ploy of making no official UN NGO announcement from Bethel for all JWs, some JWs have no
Final Temple Judgment and Jehovah's Witnesses

*idea Bethel is a UN organization; Can you believe that treachery in action right at the Bethel Kabuki?*

(Anyone discussing it privately is subject to banishment - thus the "man of lawlessness" has well planned and deployed methods of "inquisitional" auto-self-protection at all levels, to remain undetected "in the temple" as long as possible, utilizing the "holiest" of JW veneers and "body" to hide in, while running the JW org, and lulling JWs worldwide into an 8th King trap that will spring as the main event marking the final prophetic cycle commencement; The GB is like a self-protecting computer virus running like a "trusted program";

These are developments described in hindsight, yet I could swear at that time I felt the spirit of many congregations and conventions I attended was changing, but again I dismissed the deeper implications, but kept the feelings in the back of my mind; In fact, in retrospect, a full vacuum of holy spirit and divine blessing was created in God's withdrawal of that blessing since especially that UN NGO alliance, yet the GB 1976 lift up itself, and subsequent inquisitions and shunning, sheep abusing and killing tactics, obviously was developing an unclean spirit to fill that vacuum (Matt12:45) since 1976 in full action - aiding the current identification of "man of lawlessness" GB from that inception;

To even effect the 1976 coup, the GB and Bethel had to be impostor corrupted for a decade prior, or more;

By 2004 I had still not come across the UN NGO "news break", but the "pedophile files" was also another sign seen in GB Luke 21:25 "stars" that something was wrong at a higher and deeper level;

But again, I could not dismiss the sovereign Kingdom reality that was a temple truth of guaranteed developmental activity of God to announce the inevitable coming of the "day of Jehovah" as that Kingdom is not coming to share spoils with 8th King globalist technocrats, bankers, warlords, politicians and priests; (or the GB) And that was all developed by God and Christ utilizing Jehovah's witnesses - so what the heck was really going on here? I wondered at that time;

By 2008 I stumbled across the UN NGO reports;

Since I was a GB defender up to 2011 or so, I at first bought the "library card" excuse for a few years, but like a rock in my shoe, the very lack of Bethel produced 8th King globalist world government exposition articles and books, actual research evidence and commentary from Bethel and the GB lazy wonders made me wonder: "Do they even go to that UN library and ACTUALLY do any research and studying anyways????" If that is the "research paper" for 10 years "at the UN library, the GB and Bethel would be kicked out of the school with a grade of FFF; Triple FA

What gives you liars?

Who do those zombies think they are fooling???? Increasingly I realized a lazier bunch of frauds could not be found than the Governing Body, it was ALL just a CEO wardrobed and silver fork-tongued act of spiritual and literal embezzlement; Of course PROPHECY is what REALLY nailed them) They provided ZERO new UN insights as per prophecy, they cover up 8th King prophecy, they work for (worship) the UN - and instead they used the UN library for information to plug new UN book releases in the Watchtower and Awake! magazines - *they were selling UN products in other words, using JWs to be UN Avon ladies to spread the UN deals of the month door to door;*

These guys are simply shameless and incredible!

So, at that time I noticed, the GB have not developed even one in depth report, on say, UN backed world
globalization in government, finance and military as a basis of "scarlet wildbeast" 8th King final WORLD GOVERNMENT, above and beyond the 17 acre United Nations forum "image" clubhouse in extent, power and full world rulership formations and infrastructure in 200 nations, not just New York state and a few UN "field offices" like Bethel;

What gives?

Why was the Governing Body not keeping up with globalization developments and issues openly and voluminously available on the internet and public libraries and bookstores from secular researchers in mass quantities of even specialized globalism analyses in basic and advanced concepts and in depth research descriptions? Even the swap meet had potential of a more informative informal "library" to understand modern globalism, geo-politics and 8th King developments; Even 'smarty pants' grade schoolers were doing research papers on some of these topics;

Who could simply ignore "two horned wildbeast" and "scarlet wildbeast" ties to globalist elite central banking and massive trans-national corporatism slowly absorbing many nations' finances, injecting hundreds of trillions in massive debt, running a rigged fiat currency "monopoly game", and steering national regulatory direction to aid globalist high finance, monopolistic and investment objectives?

Who can ignore Global NATO as a UN potentially allied worldwide military system at worldwide proportions founded officially revealed in 1999?

Who can ignore the 2001 commenced ongoing "Global War on Terror" world wide positioning for World War 4 sucking out trillions from the national powers, go figure, to accomplish that feat?? (Joel 3:9-12); (Like the 1929 stock market crash and the wealth transfer to the European industrial theater for billions in WW2 "gravy train" preparations, also an approximate decade prior;)

Like two rocks in my shoe, also the very Bethel strategic stupidity of having ANYTHING to do with United Nations affairs whatsoever, much less adjoining and dedicating the WHOLE JW organization to such a potential worldwide reproach in the UN NGO promotionals, was astounding;

WHO is this stupid? Agent Milton Henschel? No, it has to be ingenious and on purpos

Now I was getting realizations there was a dead rat in the temple (Isa66:6), because this reproach alone has stumbled millions upon millions of people who may have considered Christian truth - and that VERY VERY REAL bloodguilt of say conservatively, 10 million people, that the Governing Body of Innocent Bloodlust willingly, purposely and gleefully bathes in, in hindsight, is splashing on the anointed and ALL Jehovah's witnesses as the GB splish splashes away - not a care in the world; (Zech3:3)

(Zechariah 3:3) Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel.

Is it any wonder really? Innocent BLOOD, and GB blood-money is also "befouling" those "garments" FOR REAL;

(Hosea 4:2) There are the pronouncing of curses and practicing of deception and murdering and stealing and committing of adultery that have broken forth, and acts of bloodshed have touched other acts of bloodshed.

As my own "ad hoc traveling overseer" unofficial multi-congregational involvement became sparser due to
personal circumstances, and withdrawn leadership, along with myself (no blames, it all turned out for more Bible study), the internet became my "territory" as also I could not understand why an emerging massive WORLDWIDE technology of COMMUNICATION was simply ignored by the GB - I could preach all I wanted; 24/7/365... Why couldn't they? Would Charles Russell and Nathan Knorr ignore such a HUGE "Two Chinas" sized greatest world field to open up in human history and be innovation-less brontosaurus slug fossils like the GB???

Again, what gives?? Somehow now the written word, like the Bible itself, is not "public declaration"? Yet the internet can carry all forms of human communication;

The GB ignoring the worldwide web and a revolution of communication device proliferation, at worldwide accelerated magnitudes, would be like Charles Russell ignoring "newspaper" and printing press technology of his time as "full of apostates and opposers"; It would be like J.F. Rutherford banning all radio and electronic means of communication to aid the ministry in his time;

But worse, the web is a 2 billion person "territory" now abandoned by the Governing Body in one way, as to a JW ministry, but instead 8th King op filled with evidence of Governing Body spiritually illegal activities in millions, upon millions, upon millions of web pages and thousands of domains dedicated to promotion of "man of lawlessness" ministerial activity of stumbling, division causing and goat spawning development - in the other way the GB supports a web goat ranching operation; (BUT NEVER is this engineered opposition identifying the GB as "man of lawlessness", for the most part, of course - and never connecting them to a final prophetic temple judgment cycle all the way to Armageddon - no, no, no!)

So the GB purposeful lawlessness, landmines the web with their dirty "inner garments" of secret and "befouled garments" sins ad infinitum, so they can direct JWs away from "apostates" that they are feeding to create this symbiotic effect on the internet of GB ingenious toxicity; The more GB filth that spews into cyberspace, the more "wise counsel" can be given to JWs to STAY AWAY FROM THE BIGGEST CHRISTIAN FIELD IN ALL HUMAN HISTORY;

The "revealing of the man of lawlessness" is one thing, connecting that to temple judgment at Daniel 8:13-14 igniting Revelation 8-11 over some years, is another thing;

Thus, the whole internet "apostates" population are GB pampered and fed goats with 8th King purpose in overall fulfillment of Daniel 11:30-35 climaxing; The Governing Body LOVES web based apostates stumbling people in organized or freelance form, that is why they rope off the JW sheep OUT of that goat territory aimed at 2 billion worldwide average Joes and Janes barraged ONLY by "man of lawlessness" goats; it is a "captive audience" to ruin the faith of;

In hindsight, in reality, the GB wants an internet "captive audience", with no organized JW ministry to offer hope and retort, to stumble as many of those 2 billion people as possible, with no alternative rationale offered, but by a handful of JWs "ignoring counsel", verging into the new global "territory"; The GB is utilizing the 2 billion person web for a personal kill campaign, and for spreading goat herds fed GB dirty laundry to spread world wide "stumble scat" as part of the 8th King anti-Christian campaigns;

Thus the "library card" excuse as well, in what was looking more and more to me like possibly *complex internal Bethel expert subversion operation (also described as exactly that in prophecy) is just a pretext for a monumental JW "transgression" so HUGE, it is also prophetic:

(Daniel 8:13-14) “How long will the vision be of the constant [feature] and of the transgression causing
desolation, to make both [the] holy place and [the] army things to trample on? 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

That "the transgression causing desolation", is the UN NGO "disgusting thing" Bethel dedications;

As carried out parallel with also complimentary fulfilling prophecy of God Almighty manifesting fully in 1990 event climax:

(Daniel 11:31) And there will be arms that will stand up (in infiltrative subversion operations), proceeding from him (King North as 8th King globalists); and they (8th King and GB) will actually profane the sanctuary, the fortress, and remove the constant [feature]：“And they will certainly put in place the disgusting thing that is causing desolation. (The 1990 UN 3rd placement and the 1991 UN NGO Bethel placement of co-support; (Awake! 9/8/1991);

Folks, it CANNOT get much worse for the JW actual spiritual condition requiring divine judgment, this is DEAD serious business that the demons in the GB are dealing, for them it is obvious Gehenna level purposeful transgressions - for others it remains to be seen (at temple judgment), because the GB wants to try to drag everyone to eternal divine condemnation with themselves; (Jude 11-13);

So JWs have a temple desolation due, due to UN NGO transgression and reproaches; (Not to mention a plethora of other serious GB led sins also in child abuse, and sheep abuse by organized means that the GB loves to use to stumble more people - and to stay prophetically isolated from their role in, and connection to:

THE FINAL MAN OF LAWLESSNESS REQUIREMENT OF PROPHETIC FULFILLMENT TO SIGNAL THE TEMPLE JUDGMENT;
THE FINAL MAN OF LAWLESSNESS REQUIREMENT OF PROPHETIC FULFILLMENT TO SIGNAL THE TEMPLE JUDGMENT;
THE FINAL MAN OF LAWLESSNESS REQUIREMENT OF PROPHETIC FULFILLMENT TO SIGNAL THE TEMPLE JUDGMENT;

But I digress a little; Basically, before this realization occurred for me, I was on the web preaching, defending the GB, explaining Bible details and truths in many forums, etc, when naturally globalist world developments plainly researchable on You Tube or Google, began to surface and were surpassing greatly, any information on these advanced globalism developments which was sorely lacking from Bethel; It became clear in just one year of heavy duty 8th King internet research (2011-2012) for me, that JWs were in a cave of 8th King darkness dating back to 1980; (And still are);

Though the world researchers, as also part of the Luke 21:25 "stars" in societal world "lights", with plenty of 8th King "signs", were not connecting the whole prophetic significance, they certainly were giving information that supported 8th King developmental evidence fulfilling or preparing to fulfill more prophecy in government, finance and military globalist developments, (Rev17:12-17; Dan11:42-43; Joel 3:9-12), as something active far beyond mere United Nations activities - in hundreds upon hundreds of articles, books and videos, I mean thousands upon thousands upon thousands of open world research documents, from many many national backgrounds, (for example www.globalresearch.ca), since especially also, that same 1990 United Nations "New World Order" announcements of George Bush Sr. from 9/11/1990 forward, searchable at the Bush web library website - and the Watchtower Library beginning with Awake! 9/8/1991 UN JW
world tour issue as UN NGO;

The gist of the matter is, why would even novice bloggers, rappers, people on the bus, homeless guys, high school seniors and college freshmen, (and Ron Paul, lol) know more about "New World Order" world government as a formative reality than the Governing Body?

Why would everyone and his mother be writing whole reports, whole websites, and even books and producing videos, movies and documentaries on nearly every aspect of UN website documented agendas (like Agenda 21), and globalist world government implementable initiatives, but the Governing Body seems to be oblivious to this voluminous reality of a virtual world wide wave of 8th King exposing activity, from secular researchers, expert and novice worldwide?

(We also see what most JWs are also missing in web information and alternative news worldwide, which ads to JW general globalism ignorance - thus 8th King ignorance of current developments - an 8th King JW lobotomy in progress);

Why was the world more knowledgeable than our own Governing Body of purposeful dodo birds? Why was NOTHING, ZERO, ZILCH of any post 1980 prophetic significance and insight being explained properly from Bethel?

No one is simply this stupid, not even me; there had to be a reason...

**Why all these weird anomalies? Because the Governing Body are UN affiliated intelligence and subversion agents, plain and simple:**

*In fact all of Bethel and the worldwide JW org are now factionally infiltrated with similar undercover agents posing as JWs under an easily assumable veneer of "spirituality"; They just have to look the part, that is as deep as JWs investigate the matter and claims, if it "looks" "anointed" it certainly must be, if it looks like informal or formal business attire with a bookbag, it must be Christian; (Rev2:2);*

We JWs FAIL the very first commendation of Christ to the congregations as a whole in Revelation 2-3:

*(Revelation 2:2) 2 ‘I know your deeds, and your labor and endurance, and that you cannot bear bad men, and that you put those to the test who say they are apostles, but they are not, and you found them liars.*

Or, in JW "Ephesus" form:

‘I know your UN NGO deeds, and your vain labor and complacency, and that you actually bear bad men, and that you do not put those to the test who say they are apostles, but they are not, and so you made them your Bethel Kings...

Hint, hint...

**Daniel 11 King North Trip to Reality**

Thus for me, it was time to review Daniel 11 very very very carefully; Remembering at that time, I was still deceived not yet in full awareness, not yet realizing the UN NGO was just the tip of the GB iceberg of operations internal to Bethel, directed by that "body", to aid 8th King cover up as regards critical prophetic
fulfillment since that covered above, taking place in 1990 UN NGO culminations;

EVERYTHING dubious and suspicious was now converging upon Bethel and their GB approved United Nations secret liaisons;

EVERYTHING spiritually related to this United Nations 3rd placement in world history is ALSO prophetically converging upon Bethel and it's lawless Governing Body;

EVERYTHING in all prophecy as regards the final signal of temple judgment, the "man of lawlessness" has in effect BECOME Bethel, by the activities of it's obviously UN compromised GB;

EVERYTHING IS POINTING TO AND CONVERGING WITH THE GOVERNING BODY AS MAN OF LAWLESSNESS:

The Governing Body are not the waffling stumbling dodo bird hypocrites that they want everyone to think they are - that is all for that exact purposeful effect - they are expert con men and agents, setting up a betrayal and attack, from internal positions inside Bethel.EVERYTHING IS CONNECTED FULLY TO PROPHECY THEY FULFILL, AS THE PROPHECY IDENTIFYING THEM, WHICH ARE THE EXACT SAME PROPHECIES THEY ARE COVERING UP AND DIVERTING ATTENTION AWAY FROM: (All coincidence?)

The UN final placements, the "man of lawlessness", the final apostasy, the temple judgment, and Kingdom final prophetic cycle, all converge upon Governing Body critical sins and covert activities of subversion; EVERYTHING equals resolving that Bethel UN GB "rat pack" - which is God's priority, right after we JWs pay the UN NGO desolation price; (Dan8:13);

This Daniel 11 "King of the North" interpretation could no longer be "trusted" to be elucidated properly, by a purposely dated and obviously extremely suspect Governing Body, suspect at that time, it had not all come together yet for me from God's eye opening abilities in His due time IF we are paying attention to His Word;

As a background, Daniel 11:27-45 was the mental trip to understand eventually the Daniel 12 required replication;

Once the USSR fantasy is removed from Daniel 11, and the 8th King is placed in properly as "King North" (KN) (Daniel 11:36 "success") connecting live and real-time to Daniel 12, Daniel 12 takes on new live significance as well;

The KN 8th King, in active development, forms a fresh mental awareness of this active and continual 8th King connecting to Daniel 12 in time, that the USSR error actually derails the awareness of, it stops the thinking, like the USSR also hit a "dead end" - so does contemplation of Daniel 11:30-45 hit the same, but psychological "dead end", hindering constant awareness of where Daniel 11:42-45 MUST lead;

KN must connect to Daniel 12 in live events, for the first time in human history in this actual live connection of opposing world government events, "during that time" (Dan12:1) as that final developmental period where Michael stands permanently; In Kingdom COMPLETION - forming over the timed periods of Daniel 12:7, 12:11, and 12:12 in some way again, for a prophetic replication paralleling Revelation 8-11, also replicating ;

That connection is being severed and concealed by the GB, by use of the USSR "dead end" of impossibility;
The thing to understand is an active and continuous KN connection is required:

(Daniel 11:36b) And he will certainly prove successful until [the] denunciation will have come to a finish because the thing decided upon must be done.

That "denunciation" is at Daniel 11:45 at Armageddon, thus KN MUST be active from at least Daniel 11:36 forward to "the end" at Daniel 11:45, no "drop out" USSR, to be filled in later by a GB deception for a premature "the end" scenario is possible - that is all a lie to keep JWs at Daniel 11:44 expectation prematurely advancing the "KN attack" prelude to Armageddon; (FYI, that attack is the 8th King inspired "trampling" of Daniel 8:13, NOT the end, but the beginning of both the temple judgment cycle and the final prophetic progression of Revelation 8-11 starting);

The thing to understand is an active, live, continuous KN connection KEEPS THE PSYCHOLOGICAL AWARENESS ACTIVELY CONNECTING TO DANIEL 12 ...

...as obviously a live KN development, as Daniel 11:36 GUARANTEES, unto a live Daniel 12 requirement "during that time" (Dan12:1), and "that time" is the time of live and real-time KN events of Daniel 11:42-45 the near future,

Thus an active 8th King KN leads to Daniel 12 live and real-time so Daniel 12 MUST have a replicating round of fulfillment with these finalizing world events unto Kingdom completion, just as Daniel 12 had a MINOR fulfillment at Kingdom birth to establish the KEY BENCHMARK of the prophetic TIMED PERIODS of Daniel 12:7, 12:11, and 12:12 as a sequential continuum to Christ's arrival, final sheep and goat separation and gathering, Kingdom and temple completion and the end;

Thus in reality also, 8th King finalizing eventually in full world view, amidst global intrigues of world war resolving for final UN world government placement, in whatever form they name and brand the thing, will ALSO MARK THE TRAJECTORY TO ARMAGEDDON as God's Messianic Kingdom "world government" ALSO IS COMPLETING FINAL PREPARATIONS for sheep separation, 144000 completion and the battle of Har-Magedon;

Therefore what the GB is covering up, is a critical continuum marked by a number of prophetic progressions currently being broken by that subversion group's oversight;

For example of another divine continuum in the making being covered up by the "lawless one" GB we have Daniel 12:7 "1260 days" that cross links to Daniel 7:25 (1260 days) and Revelation 11:2-3 (1260 days), Revelation 12:6,14 (1260 days) and Revelation 13:5 (1260 days); ALL those timed periods of the 1260 day replication cycle, must also replicate explicitly in timing IN A FINAL FULFILLMENT, in the principle of the first fulfillment, but obviously unto God's Kingdom completion and conquest LIVE AND REAL-TIME;

There is four UN related placements in Bible prophecy; (Rev13:11-15, 17:8-11 already fulfilling 1 and 2 placements) Daniel 11:31b is 3rd placement, Daniel 11:45 is fourth placement - THAT IS A VERY IMPORTANT CONTINUUM TO KEEP CONTINUOUS MONITORING OF; The GB ignores it, in fact breaks it, and conceals it;

A live King North, operative as "the king" of Daniel 11:36 in 1990 forward is actually "King North" as that 8th King "the king":

(Daniel 11:36) And the king will actually do according to his own will, and he will exalt himself and magnify
himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

As "the king" is the 8th King, live and operative since 1990, as defined in that Daniel 11:30-32 progression of the 1990 United Nations 3rd placement (Daniel 11:31b) and the Bethel infiltration and subsequent Daniel 11:32 "apostasy" of 2Thessalonians 2:3 "man of lawlessness" developments, it all naturally leads to Daniel 12 in an UNBROKEN CONTINUUM THE GOVERNING BODY IS ATTEMPTING TO TRUNCATE FOR USSR ERROR, to aid their 8th King objectives;

Also covered up is other 1990 related globalist world positioning developments as Daniel 11:40 is globalist world invasions since the 1990 Gulf War and 2001 "Global War on Terror", as uncommented on by the GB:

(Daniel 11:40) “And in the time of [the] end the king of the south (various worldwide generic national powers) will engage with him in a pushing, and against him the king of the north will storm with chariots and with horsemen and with many ships; and he will certainly enter into the lands and flood over and pass through. (Gulf War, GWOT, US-SOCOM operations, etc, all actually 8th King WW4 preparations and global pre-positioning expansions with Cold War as WW3 - ALL covered over by the GB; (Dan8:12b))

And part of that KN/8th King "invasion" is into Bethel in subversive infiltration "arms that stand up" to develop and utilize the "man of lawlessness" developing as the Governing Body from previous times, now usable internally at Bethel in the "high command", to place a Bethel version of the UN "disgusting thing" as UN NGO in 1991 - that MARKS this "invasion", by said "infiltration":

(Daniel 11:41) He (8th King/KN) will also actually enter into the land of the Decoration(Bethel and worldwide JW org), and there will be many that will be made to stumble. (from GB engineered sins, hypocrisy and reproach); (Which precedes the fourth and final UN placement of Daniel 11:45, as Daniel 11:41 parallels further developments of Daniel 11:32, 8th King/KN developed apostasy);

Thus that Daniel 11:41 Bethel condition is the actual point of the extent of Daniel 11 current state of fulfillment(Not Daniel 11:43 awaiting final Daniel 11:44 attacks, as per GB purposeful error setting up JW with premature and misleading expectations)

The Daniel 11:41 live fulfillments of "man of lawlessness" Bethel "invasion" at Daniel 11:41 is the current state of JWs and the Daniel 11 prophecy, NOT the future Daniel 11:43 error of misdirection by the rogue GB JW positioning and set-up deception that the USSR fulfilled Daniel 11:42-43 as "the ruler of gold", which of course is fully impossible in a USSR national bloc utter bankruptcy and failure - as Daniel 11:36 also FULLY disqualifies the USSR from anything specific in Daniel 11 as just another world war failure of national power in Daniel 11:27;

(Daniel 11:27) But nothing will succeed (like the USSR) because [the] end is yet for the time appointed.

And the "time appointed" begins as that UN 3rd placement marked "the king" as placed as "disgusting thing";

We see Daniel 11:40-41 "invasions" parallels in ways Daniel 11:30-32 UN "disgusting thing" world government forum placement events as marking the 8th King "the king";

And global 8th King expansions (into Bethel "territory" as well) are an 8th King objective, and parallels the "actually enter into the land of the Decoration" (Dan11:41) with the Bethel "those leaving the holy covenant"
(Dan11:30) and apostasy (Dan11:32);

That 8th King/KN apostasy is carried out by internal 8th King KN agents infiltrating Bethel with JW traitor assistance of Daniel 11:30, prior to that UN 3rd placement (1990) and the Bethel UN NGO (1991) profanation campaign of Daniel 11:31a, as a collusion of the UN KN (8th King) and Bethel working together- the "they" in this prophecy, working together, is the 8th King and compromised Bethel/Governing Body:

(Daniel 11:31b) “And they will certainly put in place the disgusting thing that is causing desolation. (United Nations 3rd global placement in 1990 in "new world order" initiative, and UN NGO 1991 at Bethel, are "their" "disgusting thing" placement);

The Truth

With that realization that all those world and Bethel United Nations "disgusting thing" manifesting and supporting events fit Daniel 11:30-41 and Daniel 8:11-13 far more precisely as highly significant actual prophetic fulfillsments than the current "Daniel's Prophecy" book of purposeful GB led deceptions of erred former interpretations, based on the original Daniel commentary in “Your Will Be Done” book in a time of temporary USSR "success", we can then re-examine EVERYTHING the Governing Body has been up to since 1976;

Those guys in the GB are neither Christian much less anointed; NO WAY can all this be coincidence and all USSR fantasies and other errors still apply, and the GB is approved of God, etc, etc; It is ALL an act;

The 1976 GB power coup at Bethel led to the 1990 UN NGO prelude events within 15 years, exposing the GB now as final fulfillment cycle "lawless one", soon to activate in temple judgment, as required temple profaners as "man of lawlessness" must be removed in time, whose "profanations" parallel 2Thessalonians 2:1-4 "revealing" with Zechariah 3 "befouled garments" at temple inspection, paralleled as well with Daniel 8:11-14 temple judgment "transgression causing desolation" as UN NGO;

That UN NGO "transgression causing desolation" is from the intrigues of 8th King "small horn" root activities of Daniel 8:11-13 "gradually given over" subversions parallel to the treason and profanation events of Daniel 11:30-32 as THIS IS TEMPLE JUDGMENT REQUIRED PURIFICATIONS by Daniel 8:14 timed prophecy timing, occurring WITH Daniel 11:30-32 inspired UN NGO transgression from impostor and JW traitor led events and developments since 1990 UN NGO climax, but with the prior foretold infiltrative developments to support this Christian ministry subversion and diversion campaign in this parallel prophecy:

(Daniel 8:11-14) 11 And all the way to the Prince of the army it (8th King root to full system) put on great airs, and from him (God) the constant [feature] was taken away (by Daniel 11:30-32 profanations at first), and the established place of his sanctuary was thrown down. (as an approved Christian ministry at first, leading to temple desolation);

12 And an (JW) army itself was gradually given over (to 8th King, to UN objectives) together with the constant [feature] (first by profanations, then to cease temporarily in temple desolation, because of transgression) and it kept throwing truth to the earth (cover up), and it acted and had success. (as can be seen in successful GB deceptions unseen by many JWs);

13 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing
desolation (UN NGO), to make both [the] holy place and [the] army things to trample on? (by first 8th King attack soon, as temple judgment context);

14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition’ (“right condition” of temple purification after that timed desolation - parallels Zechariah 3:4-5);

Thus in the continuum to the future, Daniel 8:23-25 then parallels 8th King activity at Daniel 11:40-45, and Daniel 8:25b, and Daniel 11:45 are both 8th King climax fourth and final UN placement at Armageddon - not two additional fronts of disjointed national powers as promoted by the GB to cover up these actual events and significance; King North, "small horn", King of Fierce Countenance are all 8th King -

**It ALL CONVERGES INTO ONE OVERALL MEANING: THE 8TH KING SCARLET WILDBEAST AT ARMAGEDDON:**

Thus everything the GB actually is doing is just a lulling act, as they await 8th King developments soon to erupt, NOT God's Kingdom developments;

EVERYTHING else is an imbalanced and overly focused distraction in endless gnat straining minutia, purposely overblown "door to door" priority, organizational and traditional ritual and idolatries developed to diffuse faith from God unto human sinner "bodies", as all things are intended to:

1. Distract from Kingdom reality in a final required fulfillment cycle of Daniel 12 and Revelation 8-11 parallel to Revelation16;

2. Distract from the Governing Body direct connection to the "man of lawlessness" fulfillment in final form as the 2Thessalonians 2:3 required prerequisite enabling temple judgment next;

3. Distract from the temple judgment reality of GUARANTEED desolation (and why: UN NGO), and tell JWs that desolation is "great tribulation" proceeding to Armageddon as an ending promoted in error and prematurely, when in fact it is JUST THE BEGINNING OF THE FINAL PROPHETIC CYCLE;

*The Governing Body is an 8th King agency of betrayal and misleading objectives to attempt to destroy the final, to be purified Christian ministry, before it even begins;*

**The Illusion is Aided by Distraction and Continuing Erred Interpretation**

**Betray the Kingdom**

1. Ignore the USSR failure and Daniel 11:36 - continue to promote the USSR error as a concealing distraction of the real 1990 climax United Nations events;

2. Become a United Nations affiliate organization as UN NGO fulfilling Daniel 11:30 portion as "those leaving the holy covenant", but also ignore and do not point out the significance of the third of four UN placements at Daniel 11:31, and the continuum of those four placements to the fourth and final UN world government placement at Daniel 11:45; - while co-promoting the UN in Awake! and Watchtower journals as that UN NGO partner;
Final Temple Judgment and Jehovah's Witnesses

Ignore Yet Profane The Temple

3. DO NOT connect and parallel the Daniel 8:11-13 temple "transgression causing desolation" to the Daniel 11:30-31, UN NGO "disgusting thing that causes desolation" and treasons of 1990-1991 incept; Do not connect the external 8th King engineered internal compromise of the JW "army" with the external 8th King engineered internal treason, infiltration and apostasy intrigues of Daniel 11:30-32; Keep promoting the 1938 WW2 period impossibility of minor JW org adjustments;

The Governing Body and Bethel misleading illusion is aided by simply ignoring the significance of the USSR national bloc collapse into failure, not only on the world scene of global domination contenders, but in the Daniel 11:27-45 overall progression that REQUIRES a constantly successful King North entity as per Daniel 11:36; The "the king" designation of Daniel 11:36 is a clean break in Daniel 11 into globalism as the basis of this actual 8th King system that will indeed "certainly prove successful until the denunciation" completes at Daniel 11:45 as Armageddon war;

That "the king" made a world United Nations third "disgusting thing" placement in 1990 in Daniel 11:30-32, in a teamed effort with "those leaving the holy covenant", to affirm in world and prophetic history just who "the king" is, because soon-to-be fully gelded "King South" (Daniel 11:42-43 feminized "Egypt") national powers as symbolized by "Egypt" will never "prove successful" and control the needed resource and power base for a true worldwide system of global domination;

8th King globalists, controlling in consolidating power approximately 200 nations progressively compounding in time, will "prove successful" at sustaining continuous world government drive into a dominant supra-national administrative governmental and legal system, and globalist worldwide scale finance and military (Global NATO and other war councils and coalitions) also utilizing the "cream of the crop" of nearly 200 nations and their leveraged resources (Dan11:42-43; Rev17:12-17);

Thus when the USSR went down, providing the handy post WW3 (Cold War) globalist world stage to present the third United Nations "placement" in "new world order" mode, the entire Daniel 11:27-45 progression needed to be reevaluated for accuracy, because due to required "effectiveness" of Daniel 11:28, 30, 39, and required continual "success" of Daniel 11:36, the USSR CANNOT simply hang at Daniel 11:43 as a fantasy "King of the Gold and Silver", or world wealth ruler, when they also failed at finance and economics;

The assumed entity either IS or IS NOT King North, it is not a world relay "baton", handed to another national failure - it is globalist 8th King continual developmental success all the way to Armageddon from that 3rd UN placement forward;

King North from Daniel 11:27-45 is not several "King Norths", but one successful GLOBALIST 8th King apex "north" formative world power system, in progress for three world wars so far, including the "cold war", as ALL THREE world wars were resolved for a UN related placement in 1919 (WW1), 1945 (WW2), and 1990 (WW3 cold war), all as per prophecy; (WW1: Rev13:11-15; WW2: Rev17:8-11; WW3: Dan11:31;...)

And by prophecy there will be a total of four "disgusting thing" placements, the third and fourth as Daniel 11:31 and Daniel 11:45 respectively; (Daniel 11:45 parallels final placement at Daniel 8:25, and Daniel 12:11);

Thus that 1990 United Nations event ignored in one way, was co-promoted instead by the Governing Body and Bethel in another way covertly as UN NGO (1991-2001), with nary a comment as to Daniel 11:30-31;
Thus a great diversion was set in place, further concealed by simply attempting to ignore the whole Daniel 11:27-45 prophecy, while promoting the misleading, 8th King and UN covering, former erred form perpetually, conveniently advanced to the premature Daniel 11:44 "attack" expectation, when in fact the Daniel 11:42-43 world wealth transfer completion and total globalist 8th King "rule over the gold and the silver" and national transferred ownership to 8th King globalists as "all the desirable things of Egypt" is yet for the future - the Daniel 11:41 Bethel infiltration "enter the Decoration" with great stumbling of many, is the current extent of Daniel 11 fulfillment;

(Daniel 11:40-41 parallels events in Daniel 11:30-31, as parallel prophecy, not strictly sequential; Gulf War and Global War on Terror are Daniel 11:40 fulfilling examples beginning in 1990 coalition deployment, eventually forming "Global NATO" 1999, and into GWOT 2001 as ultimately a WW4 set of world expansion positioning developments under convenient global pretexts, also bankrupting the national powers in massive debt, fueling the global WW4 expansion and other intrigues of Daniel 11:42-43 culminations with Revelation 17:12-18 events parallel in the future period of "tribulation of those days" leading to Matthew 24:29-31 events some years after temple judgment);

Along with this distraction, diversion and concealment and actual treason against God's Kingdom in Daniel 11 cover up and alternative Bethel 8th King UN NGO alliances by the Governing Body, is the distraction, diversion and concealment of temple profanation, judgment and purification prophecy of Daniel 8:11-14, also simply lump summed into imprecisely interpreted minor organizational events also in the entirely premature World War 2 period;

NEITHER erred prophecy has validity, since the USSR went down in an impossibility of Daniel 11 fulfillment entirely, in a failure that was not yet present in the original Frederick Franz analysis and commentary of the late 1950s, and the Daniel 8 premature timing of events for the 1938 interpretive attempt is premature, as "what will occur in the final part of the denunciation because it is for the appointed time of [the] end" (Dan8:19) thus cannot apply to merely 24 years (in 1938) into an approximate 100 year period since 1914 to now - amongst many other problems with that interpretational error from a period of time in the 1958 Daniel commentary requiring more time for verification;

These are errors sold off by the Governing Body to never be revisited again, and thus neither will the actual fulfillments be made known until the Governing Body of Frauds are removed from obstructing divine final truths when neutralized and removed by God and Christ also as per prophecy that will also be explained once the "man of lawlessness" is "done away with" when Christ finishes that initial purification obstruction removal in an advanced period of the temple judgment desolation as per Daniel 8:14 timed period; (2Thess2:8);

Actually this developed so quickly, you will find on this website articles of when I thought the GB was merely a little backward, needed help and would be recovered; They are NOT Biblical or prophetic but as the "man of lawlessness" FROM INCEPTION; They will not be recovered in the context of the claims they make to divine authority and Biblical precedent as a ruling "body" over the one and ONLY body in the Bible as the "body of the Christ"; They are NOT needed and should be dissolved and scrapped forever, for "Christ's body" to reassume final authority, now usurped by these cons; (Zech3:5);

World Recovery After World War 4 - Daniel 11:27-45 3rd and 4th Final United Nations Placements
Final Temple Judgment and Jehovah's Witnesses

Note: Daniel 11:29 shows the final King North (8th King) progression from 3rd (Dan11:31b) to 4th and final United Nations (Dan11:45) centered world government related placements has a unique final developmental quality of world war manifestation since the world wars 1 and 2 led to the Cold War (WW3) (and it's resolution and UN 3rd placement (Dan11:31b)) which unique nature (Dan11:29) may continue as the Global War on Terror (GWOT), or "World War" on Terror is itself a form of unique "world war" that can easily progress to, and is a decade globally pre-positioned for, a fourth world conflict at global scale in also a unique manifestation as Daniel 11:29 describes; (And GWOT is a notable 8th King continuation of Daniel 11:40, and Daniel 11:36-39 globalist power features that first activated in 1990 in the Gulf War as a globalist maturing operation connected to GWOT's worldwide theater of operations in part; (in Global NATO defined worldwide theater of operations);

(Daniel 11:29) “At the time appointed he will go back(time of the end of the last days) and he will actually come against the south (in world war orchestrations for the first time utilizing "south" national powers pursuing attempted global sovereign goals);(that all fail at national levels; Dan11:27) but it will not prove to be at the last (the final world war cycles are unique starting with the "cold war" (even the "global war" or "world war" "on terror" is a unique global and globally described conflict the same as at the first.(first two world wars as hot conflicts under globalist infancy and growing but not complete influence);

Meaning like the "cold war", a final world conflict may also not be described as an "official" "world war" term or be like world wars 1 and 2's "hot" intensity (but may include it in places and will be global in extent none the less), but a world tribulatory period will develop a final time as per prophecy and 8th King formulaic strategy (covered below), and tribulation in this 8th King world governmental presentation context is always accelerated and "aided" by war at global scale for maximum effects during and after the conflict for tribulatory developments resolved for "world peace";

(And all this actual 8th King development in Daniel 11:27-45, is shown in that prophecy and it's cross-references describing three world wars, including the "cold war" that already manifested a formulaic world war/tribulation resolution to present a third UN related world government in three initiatives so far of all these "world wars" since 1914, both making the final 8th King UN sequence and it's objectives "predictable" by logic, prophecy, and intuition explained in this article);

Since globalist 8th King advancements in predatory application of technological and financial advanced sciences and stratagems have been further developed since the Cold War, and planet Earth's national societies and economies have also expanded in complex inter-related ways, how the final engineered world tribulation cycle (Matt24:29; Matt24:21-22) develops into a global tribulatory condition, and what form of "world war" develops to be resolved for the fourth UN "disgusting thing" placement of the future is not fully known, but indicated in prophecy four times as much can be learned from the Bible prophecies foretelling all four 8th King world governmental UN related presentations, as the last of which in the near future completes as a full 8th King world government "scarlet wildbeast" (and it's "image") concurrently with the Messianic Kingdom completion (in all 144000 under King Christ) which final developments gauge the final progression to Armageddon triggered by that 8th King completion over some Bible gauged years;
Meaning the 8th King "world government" progress of the future is like a more and more noticeable world seen fuse hissing down to Armageddon as both "complete" simultaneously with the Messianic Kingdom (all 144000 under King Christ) also culminating for 8th King termination;

Repetitive World War Resolution to World Government Presentations

When we understand the "world war resolution to world government presentation" cycle is an 8th King globalist "world peace" formula defined by prophecy in the Bible and demonstrated in world history since 1914 upon a foretold four time replicating set of cycles of this engineered "world peace" formula, we see each time this formula has cycled with world wars, three times so far, a United Nations related "disgusting thing" "world government" initiative was globally presented as foretold after the world war is resolved;

This 8th King "world government" "solution" to the "world war" "problem" manifests now predictably (by prophecy and the repeating 8th King UN placement process described) after each world war "tribulation" has been resolved since the first 1914-1919 manifestation of the first world war (1914-1918) and it's 1919 "world peace" resolution presenting the world with the first United Nations related world governmental formula as World War 1 resolved to present the "League of Nations" international forum;

1. That incept 8th King League of Nations was the first of four renditions of the Biblical "disgusting thing" as the UN related "image" "of the wildbeast" presented at that time fulfilling Revelation 13:11-15, as intent of formative 8th King world government sovereignty defiant to God's Kingdom was demonstrated globally according to prophecy and the foretold world events in that 1914-1919 period - while God's Kingdom was also making a sovereign proclamation marked in 1914-1918 prophecy of Daniel 7, 12 and Revelation 11-13;

2. That in time led to World War 2 and the second of four United Nations related presentations in 1945 fulfilling Revelation 17:8-11 as the United Nations formed in place of, but related to, the defunct "League of Nations";

3. That World War 2 peace resolution quickly led to the "cold war" commencement as a unique "World War 3" (Dan11:29) also resolved in extended time in the third of four United Nations presentations in 1990, in a "New World Order" mode of initiative, fulfilling Daniel 11:31b;

4. And Daniel 11:31b and that 1990 3rd UN placement, soon leads to Daniel 11:45, in a continuous King North (8th King) prophecy (Dan11:36), as the fourth of four, final UN world government placement of the near future;

We have an easy to see continuum of Bible prophecy foretelling UN world events here, and an easy to see formulaic process of the UN related placement and world presentation process using world war as the stage of tribulation transitioned into the world seen "world peace" resolution highlighting the UN "disgusting thing" 8th King system as the world peace ensuring instrument after a world war of some form every time so far;

World war is the coercive shill for the 8th King world government con; (Rev13:16);

Now we see the importance of being aware of the prophetic and contextual developmental significance of this 1-2-3-4 maturing world government developmental formula which must soon climax as a now predictable world government presentation formula occurring 3 of 4 times in less than 80 years and a foretold prophetic and historic continuum as well in the Bible connecting all four of the globalist 8th King world government developmental peaks;
We now see the importance of keeping this continuum (Dan11:36-45) of 8th King world government development to Armageddon in mind, because the fourth and final UN world placement (Dan8:25; 11:45; 12:11) must soon manifest in the same formulaic pattern in the same prophetic continuum to the conclusion of this 1-2-3-4 world government formula and continuum as shown by Bible prophecy as a repetition that must lead as foretold to a complete 8th King world government final presentation and sovereign proclamation in the near future along this developmental timeline outlined in Bible prophecy;

Many prophetic clues of world developments are contained in this final Daniel 11:27-45 progression of prophecy to eventually lead to so far unfulfilled Daniel 11:42-45, and that continuity of "King of the North" 8th King culmination must unfold into Daniel 12 live and real-time in a literal way at that time soon, as the timed prophetic periods of Daniel 12:7, 12:11 replicate in final fulfillment and lead to this climax of all time to Armageddon, but provide a prophetically gauged progression to that climax;

That prophetic replication cross relates and links in the 1260 days timed period (Dan12:7) to Revelation 8-11 (Rev11:2-3) which cross-links and parallels Revelation 15-16, which replicates in parallel with Daniel 12 in the future, converging and registering all Kingdom sovereign prophecy of the whole Bible into this climax period progression. That final sequence of prophecy begins with the temple judgment of Jehovah's witnesses soon as a unique commencement and timed period of Daniel 8:14 begins the trajectory to Revelation 11 to unfold over some years; (1Peter4:17 is Daniel 8:13-14 as Revelation 8:2-5);

Daniel 11:41 is the current state of Daniel 11 fulfillment in 8th King control of the Governing Body of Jehovah’s Witnesses and Bethel paralleling developments explained below at Daniel 11:30-32 and 8:11-12 which fulfilled key features of those prophecies in 1990-1991; (Luke21:20; Matt24:15 UN NGO);

There are Four World Government "Disgusting Thing" Placements in Bible Prophecy as a Continuum to Armageddon

1 of 4; 1919; League of Nations

A. First World Government Cycle: World War 1 resolution leading to the League of Nations presentation in 1919;

2 of 4. 1945; United Nations

A. Second World Government Cycle: World War 2 resolution leading to the United Nations presentation in 1945;

B. Fulfilling Revelation 17:8-11;

3 of 4. 1990; United Nations "New World Order" Initiative
A. Third World Government Cycle: World War3 "Cold War" resolution leading to the United Nations presentation in "New World Order" initiative in 1990;

B. Fulfilling: Daniel 11:31b;

- 4 of 4 (Near Future); Final Scarlet Wildbeast World Government and United Nations International Globalist Forum

A. Fourth and Final World Government Cycle: WW4 resolution leading to the United Nations and 8th King world government total presentation in the relatively near future;

B. To finally fulfill Daniel 12:11 replicating as Daniel 8:23-25; Daniel 11:44-45 final 8th King world government; Replicating Revelation 11:7 with Daniel 12:11 as Daniel 11:45, post World War 4, 8th King attack mode grand finale in the fourth and final UN world government based "disgusting thing" placement in the near future

Daniel 11 Third UN Placement and It's Bethel Cover Up

Bethel and Jehovah's witnesses by Governing Body foretold subversion do not mention any of the following developments covered below, but maintain a USSR based inaccurate prophetic interpretation as a diversion of the following reality of this prophecy while they fulfill their role in jet Bethel as UN NGO 3rd United Nations presentation "disgusting thing" "placement" co-promoters worldwide in the foretold Bethel apostasy;

1. The Daniel 11:27-45 point in time and prophecy continuing the forecasting of world history through three world wars (Dan11:27 "nothing will succeed" (nationally) summarizes all three world wars) including the cold war incept (Dan11:29), where in time, world history, and prophecy, globalism becomes the underpinning power dynamic (Dan11:30-39) and successful (Dan11:36) world globalization philosophy and basis of world government developmental viability and sustainability (actual 8th King "King North") begins at Daniel 11:27;

A. This 1990 presented 3rd UN globalist milestone development on the world scene occurs from Daniel 11:30-31 forward, as Daniel 11:29 "cold war" unique WW3 is resolved as a globalist unification King North as 8th King UN system "scarlet wildbeast" manifests a third time after that world war conflict is resolved, as the 8th King is active now and over time since 1990, (Rev17:11-18; Dan11:36-41));

B. From especially 1990's UN milestone the 8th King develops progressively more powerful globally (Dan11:40) since that time, systematically expanding and positioning for controlling the worldwide national collective (Dan11:42-43; Rev17:11-17 to culminate soon) "wildbeast from the sea" (Rev13:1) by guidance of an independent mostly secretive "two horned wildbeast" Anglo-American based lead globalist elite world government and "image" engineering system (Rev13:11-15) forming the globalist unification 8th King "scarlet wildbeast" progressive totality in the process soon, towards the coming final 8th King placement (Dan11:45);

C. All that world government developmental history and advancement leading to ascendant 8th King globalist world governmental development (Dan11:30-32, 36), notably manifesting to end Daniel 11:27's national world war overview of national failure "nothing will succeed", and marking, defining and dividing "king north" and "king south" sovereign power systems along globalist "north" and nationalist "south" governmental systems, to and through WW3 "cold war", all reaches a 1990 globalist dominant advantage from this part of
the overall 8th King progression (Dan11:27-29) covering approximately 80 years time since 1914 and all three world wars including the "cold war" covered in these 3 verses' modern overview of this globalist ascendant dynamic of world power setting up:

(Daniel 11:27-29) "And as regards these two kings (globalist "north" and nationalist "south"), their heart will be inclined to doing what is bad, and at one table a lie is what they will keep speaking (The Psalm 2 "empty thing" and Revelation 17:11-17 "one thought" of sovereign domination But nothing will succeed (nationally everything fails - in the first three world wars including the cold war as WW3 and the USSR national bloc failure) because [the] end is yet for the time appointed. (a sole 8th King world government takes more time to consolidate and make the fourth and final world government sovereign proclamations worldwide as God "appoints" such timing; (1Thess5:1-3; Dan8:23-25; Dan11:44-45)) 28 "And he will go back to his land (globalist international domain after two world wars with a great amount of goods (from world war profiteering and globalist system consolidation and expansion) and his heart will be against the holy covenant. (intends to continue to defy the sovereign Kingdom of God since it's 1914 first Kingdom birth sovereign worldwide proclamation) And he will act effectively (unlike national powers, globalist 8th King as "King North" is continuously successful as per Daniel 11:36, all the way to Armageddon) and certainly go back to his land (globalist international domain; Anglo-American elite based system) (prepares for the cold war third cycle of world war resolution to world government presentation of Daniel 11:31b) 29 "At the time appointed he will go back (for globalist 8th King cold war orchestration) and he will actually come against the south (collective national powers and their lead nationalist Anglo-American lead "7th head" national system) but it will not prove to be (the same world war nature) at the last (WW3 "cold war" period and "cool" conflict which resolves in 3rd 8th King UN placement of 1990, which "as at the last" may include the entire final two world war cycles to world war 4 in some form and the fourth 8th King UN final placement) the same as at the first (first two "hot" world wars WWI and WW2);

Important: "At the time appointed" indicates the Daniel termed unique "time of the end" and related references at Daniel 8:17, 19 11:27, 35, 40 12:4, 9, only found in the book of Daniel, are a near completion period of the "last days" and culmination of the subject matter of those scriptural references meaning the "time of the end" of the "last days" is more specific than the entirety of the "last days" since 1914 and the "Lord's Day" of Revelation 1:10; Like the final awareness of the prophetic replication, other 1914-1918 era principles in Daniel and Revelation in minor form then, will complete to full major culmination of the actual developments and entities foreshadowed in 1914 era first fulfillments for eventual Armageddon finality of all the sovereign Kingdom prophecy (of the Adamic age) and all things; (Matt24:14); The "time of the end" is marked by this unique 1990 UN 3rd placement globalist 8th King period of irreversible advantage over national power requiring a final progression (Dan11:42-45) to seal 8th King world government full world domination;

2. That important Daniel 11:27 initial "north" "south" sovereign demarcation in prophecy and world power dynamics defined by budding 8th King "north" globalists embarking into World Wars 1 and 2 beginning in 1914, leads to the Daniel 11:29 identifying signal cold war, as a unique World War 3, commencing directly after World War 2, as a foretold unique global conflict (Dan11:29) at world war scale, but identified as a "cold" "war" in prophetic identifying nature and extended "cold" conflict between the USSR national bloc global defiance to the Anglo-American national alliance and allies, which after approximately fifty years of this engineered conflict and military system expansion since 1945, is resolved in 1990 as the USSR fails and falls (does not "succeed" and fails Dan11:36), creating the world stage for the presentation of the third placement of the United Nations forming world government forum "image" in it's "New World Order" mode of manifestation to again use a world war resolution, in the "cold war" culmination, to present itself in the UN "world peace" presentation as that global conflict concluded in that UN milestone which Daniel 11:27-29
defines and describes due to this very important critical feature of the 3rd UN placement. (currently ignored by Bethel as UN aligned impostors have usurped control, also foretold in this period described more later;)

A. Other unique features and co-developments identify were exactly in time in history this prophecy actually fulfilled and also it's feature of a co-developing spiritual apostasy with severe ramifications which continue to today, as the 3rd UN placement post "cold war" milestone is aided by apostate Christians cultured by 8th King/King North unique "consideration" in strategic subversion planning to develop what is to become also a signal apostasy in Jehovah's witnesses (Dan11:32 is 2Thess2:3) in time, especially identifiable since these 1990 developments climaxed at that time with Bethel's involvement - that means two great signals of great import are occurring here in UN 3rd placement intrigues involving Bethel's apostate compromise opening Bethel to 8th King infiltration:

Consideration of Those Leaving the Holy Covenant

(Daniel 11:30-32) And there will certainly come against him the ships of Kittim (comprehensive nationalist sovereign preserving resistance to globalization since 1914 continues, delays the 8th King system) and he (forming 8th King globalists) will have to become dejected. (through two world wars, and will need to regroup in another world war cycle, until three world wars (including the cold war) weaken the nationalist power system as the final globalist consolidation of world power assumes progressive control, as Daniel 11:42-43 parallels Revelation 17:11-18 accelerating Revelation 16:12-16 in the near future fourth world government cycle through a final also fourth world war cycle) “And he will actually go back and hurl denunciations against the holy covenant (will renew defiance to the Messianic Kingdom covenant with new resistance planning) and act effectively (will succeed in this planning; Dan8:11-13) and he will have to go back (after 1922 at the earliest and approximate WW1 minimum time point defined by prophecy and will give (unique strategic) consideration to those (anointed Bethel leaders) leaving (defecting from) the holy covenant, (as only anointed JWs are in the "holy covenant" after the 1919-1922 foundational temple judgment removing all of Christendom, as per temple foundation Bible prophecy; And logically the UN NGO eventual full compromise took some pre-positioning in Bethel to accomplish to develop to today's fully impostor Governing Body and critical Bethel infiltration of other 8th King back and directed infiltrators empowered by Bethel's former Christian now key leading apostates since years ago demonstrated in the 1976 Governing Body self-exaltation (2Thess2:3) and Bethel coup);

Infiltration and 3rd United Nations Placement

31 And there will be (spiritual) arms (of Kingdom defiance in infiltration by internal takeover as Daniel 11:41 Bethel is "invaded" by 8th King backed impostors; Daniel 8:11-14 JW "army gradually given over" to 8th King control internal to Bethel; Luke21:20 emerging that will stand up (deployed covertly into the Bethel Christian system worldwide from the top GB down by access through anointed Christian defectors) proceeding from him (originating with 8th King as King North powers and planners of this apostasy and eventual UN NGO treason (and eventual JW organizational desolation), aided by the Governing Body and Bethel leaders "leaving the holy covenant" in now purposeful core apostate defection) and they (8th King and Bethel partnership) will actually profane the sanctuary (introduce factional lawlessness affecting Christian anointed; Zech3:1-3) the fortress (spiritually pollute the Bethel JW organization "established place of the sanctuary" of Dan8:11-12) and remove the constant [feature] (polluting the Christian ministry, by profanation first, leading to 8th King "trampling" in temple judgment desolation of the parallel Daniel 8:11-14 "transgression" progression, later in time, as divine judgment soon, and the 8th King "trampling" first attack (Dan8:13) fully removes the JW "constant feature" worldwide soon at JW temple desolation time) “And they (8th King and Bethel by internal Governing Body lead) will certainly put in place the disgusting
thing that is causing desolation. (as UN 3rd placement of 1990 after "cold war"; co-promoted by Bethel in 1991-2001 as Bethel "placed" UN NGO "disgusting thing" identical to the Daniel 8:13 "transgression causing desolation" ensuring foretold temple judgment, desolation, purification and accounting; Matt24:15 emerges with Luke 21:20 "encamped armies" of Bethel infiltrators);

Signal Bethel Based Apostasy

32 “And those who are acting wickedly against [the] covenant (now factional throughout the JW Bethel progressive apostate system and Jehovah's witnesses worldwide (Rev8:10-12) he (8th King originating lead) will lead into apostasy (as the main designer of lawlessness and transgression to be masterfully imbibed into Bethel and it's teachings affecting all JWs; Dan8:11-12; 2Thess2:3) by means of smooth words. (identifying the 2Thess2:3-4 final Christian apostasy and modern final "man of lawlessness" based at Bethel with UN 8th King allied covenant and ties) But as regards the people who are knowing their God, they will prevail and act effectively. (The Governing Body "man of lawlessness" and company will fail; in time God removes the apostasy in temple judgment purification as Zech3:4-5 parallels Mal3:1-5 at 2Thess2:8 Christ temple entry after the "evening" darkness period of the Daniel 8:14 JW temple judgment and desolation to deliver a cleansed final "two witnesses" world Kingdom completion ministry successfully (Rev11:1-7));

3. That implied allied globalist UN "victory" over the failed USSR in an implied "cold" surrender to the UN Anglo-American globalist elites, marks the final national based power system defiance (USSR) with any true potential at that time to overturn Anglo-American globalist 8th King world domination, as all national powers (final King South) power base of finance and sustainability are in now perpetual decline into globalist financial and economic control, setting the progressive condition for the fulfillment of Daniel 11:42-45 the future;

4. And since it is a now recognizable engineered and controlled event of WW3 as "cold war", like the two previous world wars, for the climaxing "world peace" world government effect of presentation under favorable impressions globally, it has led to a globalist consolidative and systematically growing advantage so "successful" (Dan11:36) that now no national power or bloc of powers can possibly overcome the dominant leverage and sustainability of this globalist 8th King final progression to peak power now, now ready for the final cycle of consolidation; (Rev17:11-17);

(Notice: The Daniel 7 and 8 root "small horn" related progressions to matured 8th King globalism in time, are demonstrated in England's world empire "root" "small horn" as controlling 25% of the world by 1860 leading in a progressive maturing formula to the world wars of the 20th century and after; That is why the "small horn" shows up as an implied "8th horn" in Daniel 7; Daniel 7:820, 24 shows that of ten horns on that "fourth wildbeast" of Daniel 7:7-26, three fall, leaving the "small horn" as implied number 8 horn, relating in root form to the maturing 8th King entire scarlet wildbeast system development as it's "small horn" British origination and foundation in world and prophetic history:)

Thus the 1990 third of four foretold United Nation presentation marked a unique period of globalist 8th King ascendancy as the actual "the king" of Daniel 11:36 in prophecy indicates as well, no national power or bloc of powers can overcome 8th King globalist foretold "success" all the way from the 1990 globalist turning point of guaranteed globalist 8th King world domination to Armageddon at Daniel 11:45; (Rev17:11-17; Dan11:42-43; Rev16:13-16);

They are also successful at subverting Bethel's Governing Body and other JW leadership to continue to cover up this reality (Dan8:12b) in favor of an obvious USSR failure of the prophecy as a purposely erred diversion and deception that serves a number of 8th King objectives provided by this critical deception and it's timing;
Final Temple Judgment and Jehovah's Witnesses

Daniel 11:31-45 Foretells 3rd and 4th (Final) UN Placements in a Final Continuum to Armageddon

1. Daniel 11:31-45 contains the third (Dan11:31b) and final fourth UN world government placement at Daniel 11:45 in an 8th King (final King North) continuum (Dan11:36); This is why the foretold, co-developing and 8th King collusive Bethel and Governing Body (GB) defectors and impostors of the selfsame prophecy (Dan11:30-31; 8:11-13; 2Thess2:3-4) want to keep this actual Daniel 11:30-45 continuum covered-up as a broken USSR "dead end" continuum and diverted prophecy into purposeful error with a fraudulent "King North" interpretation as the USSR failure impossibility, because it is actually the active and successful globalist 8th King in Daniel 11:27-45 defining the final version of the "King of the North" from Daniel 11:27 to Daniel 11:45 in NON-STOP, CONTINUAL "success" as a requirement of valid final King North identification as per Daniel 11:36:

(Daniel 11:36) "And the king (UN 3rd placement defined globalist 8th King as final King North) will actually do according to his own will (after the USSR fall, no national bloc or power can overcome the globalist 8th King system, it is just a matter of time) and he will exalt himself and magnify himself above every god (in a superior apex progressive world domination system over all national philosophies and potentials worldwide); and against the God of gods he will speak marvelous things (will reaffirm 8th King sovereign defiance to God's Kingdom; Dan8:11) And he will certainly prove successful until [the] denunciation will have come to a finish (the real "King North" must be continuously operative and successful from Daniel 11:31b 3rd UN placement as 8th King to Daniel 11:45 fourth UN placement culmination at Armageddon) because the thing decided upon must be done. (a Kingdom of God conquest upon one sole 8th King globalist unification containing all national collective member nations (Rev16:13-16) in the defiance as a world defined and proclaimed (1Thess5:1-3) final human world government in the near future is required by God as "decided upon" divine judicial perfect strategy and purpose, as Daniel 11:45 fourth and final UN "placement" parallels Daniel 8:25 and Daniel 12:11 finale in Revelation 16:13-16 and Revelation 19:19-21 collective defiance to God's Kingdom sovereignty leading to Armageddon resolution as the Messianic Kingdom confronts ONE final human 8th King globalist world government containing them all converging all sovereign prophecy of Daniel 11:45 (King North); Daniel 8:25 (King of Fierce Countenance); Daniel 2:31-45 (Immense image); Revelation 17:11-17 (Scarlet Wildbeast); Revelation 16:13-16 (national "kings of the earth" gathering to Armageddon); Revelation 19:19-21 (Kings of the earth); Eze38-39 (Gog's congregation) into ONE defiant target: the fully globalized 8th King "scarlet wildbeast" overall sovereign finale defiance representing and containing them all in prophecy and final world development into climax defiance to God's Kingdom: The Divine Bulls-Eye of Armageddon);

Now we know Bethel and the Governing Body as foretold (Dan11:31b) United Nations UN NGO partners in this 1990 period fulfilling prophecy rather than explaining it will not divulge the truth (Dan8:12b) of Daniel 11 prophecy foretelling their partner 8th King UN developments marked by prophecy in Daniel 11:31-45 as the 3rd and 4th final UN 8th King placements in a continuum to Armageddon, but instead cover-up the true interpretation with USSR fictions which actually sets up JWs for a fall as the deception advances too far into the prophecy making JWs expect Daniel 11:44 next, which is not what is coming next, Daniel 11:42-43 is what is to fulfill next, soon; All this is to be explained fully below;

Importance of Daniel 11:27-45 Third and Fourth Final UN World Government Placements

1. Thus we see several patterns of actual live world government intrigues all coming to life (and converging to
climax) since 1990 retrospectively and even now, as the King North final identity must beglobalist 8th King power fully maturing and also forming a foretold signal Bethel defection (Dan11:32) concurrently, to cover up (Dan8:12b) this prophetic continuum which also foretells this Christian based defection (and impostor infiltration it allows) among very important 8th King developmental truths according to prophecy since 1990;

A. In addition to the Bethel apostasy, Daniel 11:30-45 also fully defines the prophetic and world developmental trajectory and prophetic timeline to Armageddon of the final two United Nations 8th King placements in a continuous, unbroken, "successful" progression to Armageddon aiding people's understanding of where it is all leading to very soon over this selfsame final prophetic timeline defined by this prophetic and historic unbroken continuum;

B. This means many unique features of this prophetic pattern and progression, and the "big picture" as well, are being concealed and yet fit the Bethel and United Nations post 1990 developmental conditions and Bethel anomalies far better than an old dated and erred expectation that the USSR could fulfill final King North world rulership apex domination (Dan11:40-45) or any other national power system for that matter;

C. We see the Bethel UN partnership as UN NGO of 1991, placing the "disgusting thing" even at Bethel is simply more astounding evidence of their apostate leanings to treasonous and spiritually prostitutional 8th King allegiance, and their fulfillment of the final Daniel 11:30-32 apostasy (also 2Thess2:3-4) to serve 8th King/King North goals and objectives, as it is all now clearly fulfilled by apostate Bethel since 1991 as UN NGO 3rd UN placement "new world order" co-promoters (Awake! 9/8/1991 inception for 10 years);

D. This cover-up of active significant 8th King prophecy as Daniel 11:27-45 "King North" finality and it's live implications guaranteeing a final prophetic connection to and replication of Daniel 12 and it's parallels to other connected prophecy in Revelation and other critical final prophecy conceals a detailed required finalizing prophetic replication, it's final meanings in climaxing sovereign and spiritual developments, and the required minimum years and nature of the final 8th King cycle and Kingdom completion phase;

E. This cover-up thus leaves Jehovah's witnesses and our global audience in the dark and vulnerable to expectations that are 8th King inspired engineered error also revealed in the prophecy with a signal final apostasy and it's implications of, and signal connection to, also a final temple judgment cycle beginning the whole process as it too can be covered up as long as possible, and it's divinely required desolation (Dan8:13) can now be made to appear as something entirely different and out of sync with the actual prophetic cycle it is activating making Jehovah's witnesses vulnerable and open for other 8th King objectives and operations falling quickly and at massive global magnitude upon a bedarkened spiritual group when the 8th King embarks upon the final "world war to world government" cycle in earnest in the near future;

Thus we have the incentive for this prophetic trajectory to be broken from awareness and covered up by apostate Bethel to aid 8th King objectives and all the "pieces" now fall into place in this foretold reality in a way to detailed and with too many anomalies as features of the prophecy to be random, but must fit the actual ominous Bethel condition of today;

2. That final trajectory to Armageddon and it's activation to the fourth and final UN 8th King placement, is also marked by concurrent God's Kingdom covenant details and final developments also coming forth from prophecy and activating to finality, with now the supporting God given prophetic SIGNAL detail of an internal "in the temple" apostasy "set in opposition" (2Thess2:3-4) as the prophetic modern "man of
lawlessness" final signal pattern is emerging fully matured as the foretold 8th King engineered Bethel defection (Dan11:30-35) is initially exposed on the world scene in the apostate Governing Body and Bethel revealed as the final "man of lawlessness" pattern and locale in this final Kingdom completion phase sequence of prophecy replicating;

A. This Bethel defection and purposely erred diversions of prophecy is aiding the prophetic concealing of a covert world developmental continuation and expansion of 8th King final world war and world tribulation developments which fulfill prophecy (Dan11:30-41 for now) markedly since 1990, uncommented on by apostate Bethel, as the 8th King is positioning for a final "world war" and engineered tribulation to be deployed in overdrive quickly and soon, to be resolved, again, for the fourth time here, to present UN 8th King world government for a total of four times, as now a prophetic, logical and intuitive continuum and formula of this 8th King sovereign defiance emerges from this understanding now seen, currently "truth thrown to the earth" (Dan8:12b) by the foretold Bethel and Governing Body 8th King allied UN NGO partners in crime, diversion and cover-up also setting up JWs to be tossed into this 8th King storm (Rev16) without a clue or spiritual compass worldwide;

Bethel Governing Body "Man of Lawlessness" Revealed Leads to Temple Judgment

1. Thus all the patterns of 8th King development towards the fourth and final placement, God's own Kingdom completion, and a prerequisite apostasy of Christian anointed (Dan11:31-32) allowing an infiltration of impostors (Dan8:11-13) into Bethel's controlling administrations through the spiritually alien and non-Biblical, anti-Christian Governing Body (1976), which soon developed into the full blown "man of lawlessness", all synergize and now identifies all the actual valid parallel features of Daniel 11:30-35, Daniel 11:36-39, Daniel 11:40-45 and Daniel 8:11-25 all fulfilled or fulfilling in a recognizable parallel of multi-faceted manifestations since especially 1990 prophetic 8th King benchmarks (aided by Bethel), that can be thoroughly prophetically identified with the Bethel apostasy as "man of lawlessness" meeting this temple judgment final phase prerequisite requirement now:

(2 Thessalonians 2:3-4) Let no one seduce you in any manner (such as the Bethel and GB deception), because it (1Peter4:17 as Daniel 8:13-14 temple judgment to world judgment) will not come unless the apostasy comes first and the man of lawlessness gets revealed the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god.

(Daniel 11:32) “And those (JWs) who are acting wickedly against [the] covenant, he (8th King apostasy planners) will lead into (Dan8:13-14 (1Pet4:17) temple judgment permitting prerequisite "apostasy" as per 2Thess2:3) apostasy by means of smooth words, (by "smooth" Bethel GB deceptions and masterful intrigues of 2Cor11:13-15 at Zech3:1-3 temple inspection timing now completing):

(Daniel 8:12) And an (Bethel worldwide JW) army itself was gradually given over (to apostasy by defection and progressive multi-generational Bethel infiltration to 8th King contra together with the constant [feature] polluted and deceptively altered) because of transgression (many Bethel sins leading to and after the key UN NGO compromise allow more 8th King agency impostor access as divine blessing is suspended); and it kept throwing truth to the earth (covering it all up and diverting attention) and it acted and had success. (Daniel 11:30b, is "effective" for a divinely permitted period to help identify the final "apostasy" and Bethel based "man of lawlessness" prior to Daniel 8:13-14 required temple judgment and removal of these trespassers (Isa66:6) and their deceptive obstacles all while fulfilling critical key signal prophecy);
Bethel "Set in Opposition" Apostasy Leads to Temple Judgment (and Purification) Affirming Final Prophecy

1. All this 8th King planned and led Bethel Governing Body (1976 Bethel coup defined GB usurpers) led masterful prophetic and ministerial subversion campaign "in the temple", since especially 1990 evidence, is manifesting in this period concurrent with 8th King Bethel "invasion" intrigues (Daniel 11:40-41), as they all cover up the prophecies (Dan8:12b) they are fulfilling, while they are fulfilling them all in every detail;

A. And all this spiritual dimension of critical key prophecy fulfilling by Bethel to aid 8th King covert world expansion (Dan11:40) in preparation for a logically required final world war cycle to present the fourth of four, and final 8th King "scarlet wildbeast" world government and it's United Nations "image" (Dan11:45; 12:11) in one comprehensive final defiance to God's Kingdom, is also aiding the ability to hide this reality, the required years it takes, and the prophetic continuum in prophecy proving it from JWs and the world ministerial audience worldwide;

B. Instead the Governing Body and Bethel 8th King rogues are misleading (Dan11:32a) and subverting JWs into UN NGO "disgusting thing" world co-promotions (Awake! 9/8/1991 incept) and advertising with the 8th King, polluting the Bethel system and the "constant feature" steadily and progressively in the process over many "gradually" applied years of this now fully foretold and mature apostasy guided by the Governing Body as the UN "drunkard" "evil slave" (Matt24:48-51) parallel to Isaiah 28 as the final Bethel spiritual drunks; (Hosea; Micah; Amos; Isaiah initial Israel judgment prophecies all apply to apostate Bethel now);

C. We also now fully understand why a temple judgment must begin in prophecy very soon (Dan8:13-14 is 1Pet4:17 and Rev8:3-5; Rev8 activation of Rev8-11) with tribulatory world events as context (Rev16 activation first four plagues), and why a divine superhuman temple purification (Zech3:1-9; Isa66:6) is needed, as the magnitude and masterfully deceptively deployed nature (2Cor11:13-15) of the foretold Bethel spiritual criminal apostate activity is fully recognizable meriting a JW worldwide organizational upheaval (Dan8:13; Rev8:5) as the context of "lawless one" expulsion (2Thess2:8), and how that will signal the final prophetic progression to Armageddon has begun in earnest - eventually made known to JWs in the Revelation 8 first four trumpets upon Revelation 9 "abyss" release from the temple desolation; (Hos6:1-3)

The Bethel based GB "man of lawlessness" himself signals (2Thess2:3) "the judgment", in fact is even beginning now, as we speak - the temple judgment itself, in earnest activation, will in time make sure (Rev8) all JWs also understand what is actually happening;

2. This means the awareness of the valid temple judgment final temple phase requirement component (Dan8:11-14) is also not being currently recognized by JWs; Nor is the divinely required temple desolation of Daniel 8:13 recognized as the first 8th King engineered "trampling" for the UN NGO "transgression causing desolation" that must be accounted for in the temple judgment;

3. Instead a temple desolation of Jehovah's witnesses is guaranteed by all these intrigues of compromise described thus far (and by prophecy), as this UN NGO "transgression causing desolation" shown below, has actually developed as a result of this Bethel based "man of lawlessness" connecting as a dire prophetic signal to the temple judgment as the prerequisite of "the judgment" (1Pet4:17), as the judgment "will not come unless
the (Bethel) apostasy comes first and the (Governing Body) man of lawlessness gets revealed” in that critical 2Thessalonians 2:3-4 modern final phase signaling prophecy, in the final fulfillment manifestation required to activate, activating now, leading to this initial temple judgment component (Dan8:14) of "the judgment" of 1Peter 4:17 as a timed prophecy aiding identification of the prophecy's fulfillment on Jehovah's witnesses later:

**Temple Judgment**

**(Daniel 8:13-14)** And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [polluted and removed by lawless apostasy at Bethel and eventual initial 8t King "trampling" and of the transgression causing desolation](UN NGO Daniel 11:31b "they will certainly place the disgusting ting that is causing desolation" as Daniel 8:13 "trampling" of temple judgment desolation to account for UN NGO treason at Bethel to commence soon), to make both [the] holy place (anointed temple and "established place") and [the] (JW worldwide ministerial) army things to trample on?" ("trampled" in temple desolation by 8th King intrigues worldwide, aided by the internal "in the temple" Bethel "man of lawlessness" defection and the UN NGO "transgression") 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; (see Dan8:26) and [the] holy place (Zech3:4-5) will certainly be brought into its right condition." (a timed temple judgment desolation unto temple purification "right condition" in this time period of 2300 "evenings and mornings" as initial temple desolation "evening" darkness of JWs leads to "morning" recovery enlightenment);

The overall world judgment "the judgment", MUST begin with Jehovah's witnesses temple judgment component first:

**(1 Peter 4:17)** For it is the appointed time for the judgment to start with the house of God.

**Great Bethel Hoax Setting JWs Up Like Sitting Ducks**

1. The Bethel and Governing Body apostates and impostors want Jehovah's witnesses to perceive, in error, this required temple desolation "trampling" of Daniel 8:13 temple judgment, which will come soon, as the "end of the world" instead, when in fact it is the temple judgment beginning of the 1Peter 4:17 overall divine "the judgment" final world cycle of prophecy;

A. That development must eventually lead to the beginning of the final prophetic cycle of Daniel 11:42-45 leading live and real-time to Daniel 12, at some point in this 8t King overdrive activation (Rev16), in a now logical live prophetic replication requirement as Daniel 11:42-45 are live events of the future actively connecting to Daniel 12 real-time, in time, soon;

2. Therefore cross-related Daniel 12 and Revelation 8-11 and Revelation 15-16 must replicate final parallel fulfillment as a live 8th King set of intrigues connects in time to Daniel 12:1 "during that time" of world events in this final prophetic replication; Revelation 8, as temple judgment parallel to Daniel 8:13-14 timed temple judgment, is the beginning (1Pet4:17) of this final continuum and final Kingdom completion cycle as Revelation 8 must then lead to Revelation 9 as the temple desolation JW "abyss" and purification to temple recovery as the "abyss" is "opened" by King "Exterminator" Apollyon Christ (Rev9:1-11), as the temple
Final Temple Judgment and Jehovah’s Witnesses

judgment must be timed according to the Daniel 8:14 timed period of marked temple judgment beginning and events which in time activate the rest of final prophecy;

A. The timed Daniel 8:14 temple judgment period aids verification of this reality for groggy JW’s and eventually the world to know what is activating with timed proof and massive events laying the JW worldwide organization low and ministerially desolated; (Hosea 6:1-3);

3. That Bethel based "transgression causing desolation" accounting in the temple desolation "trampling" is required in final temple judgment (Rev8; Dan8:13-14), to provide the 8th King first desolation context (Zech3:2) for purification (Zech3:4-5) and divine accounting (Dan8:13) for UN NGO transgression (Dan11:31b) for eventual ministerial recovery of approved JW’s (Rev9) as Daniel 8:13-14 timed temple desolation transpires and results in, and provides context of, that purified "right condition" (Dan8:14b) temple status before God and Christ;

A. That "cleansing" and truth clarification is required so that the Revelation 10 "little scroll" understanding and final commission (Zech3:6-7) can then be offered by God to an acceptable Christian "body of Christ" (Zech3:4-9), and results in the final "two witnesses" (Rev11) Christian ministry purified and cleanly deployed worldwide, with no Bethel subversions or GB "man of lawlessness" present, as the Revelation 11 final 1260 days (Rev11:2-3) is deployed as a final, final phase Kingdom completion warning;

B. The Exterminator (Rev9:11) guarantees this post-desolation temple recovery period will succeed against any 8th King destructive tricks until after the 1260 days completes in that final 1260 day warning as the main objective of this temple recovery to warn the world properly; (Rev11:7; Rev1:1);

4. That final "two witnesses" final 1260 day ministry is deploying while the 8th King is also in a world governmental world war/tribulation overdrive (Rev16) to be resolved again, over some years, as final "world peace" proclamation (1Thess5:1-3), aided by previously concealed prophecy by way of foretold Bethel deceptions being removed by Christ, as it leads to developments in Revelation 16 that resolve the "tribulation of those days" (Matt24:29) divine spiritual judgments (as JW temple judgment (first four plagues context leading to first four trumpets), to the 6th plague Babylon the Great sovereign (Rev17:15-18) and institutional deposition some years after the JW temple judgment) in this final period:

(Revelation 16:12-16) And the sixth one poured out his bowl upon the great river Euphrates (Parallels 6th trumpet), and its water was dried up, that the way might be prepared for the kings from the rising of the sun. (Babylon the Great being set-up for Revelation 17:15-17 parallel events by removal of human defenses (Rev17:15)) 13 And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. (complete 8th King globalist influence culminating) 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire inhabited earth (culminating in this final period) to gather them together to the war of the great day of God the Almighty (parallels Revelation 17:12-18 and Daniel 11:42-43 culminations into globalist 8th King power) 15 “Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness!” 16 And they gathered them (by Dan11:42-43 and Rev17:11-17 8th King wealth and power consolidations) together (into final 8th King globalist unification symbolized in completion by 4th UN "placement" and proclamations) to the place that is called in Hebrew Har–Magedon. (Joel 3:9-17);

A. All that world war and world tribulation accelerated final "world peace" resolution culminating manifesting greatly aids the final 8th King world government "world peace" effect of the fourth and final UN placement of
Daniel 11:45 parallel to Daniel 8:25 and Daniel 12:11 at the end of this final prophetic cycle eventually stretching in time across Revelation 8-11 over some years, to the final 8th King attack (Rev11:7) on the cleansed "two witnesses", as Revelation 11:2-7 progresses to Revelation 11:7-10 nearing full 144000 completion - over time but climaxing at the same approximate concurrent time!

B. This means the first 8th King attack of temple judgment for UN NGO transgression of Daniel 8:13 "trampling" concludes, but leads over this entire period (Rev8 incept) to the final 8th King attack on the temple purified "two witnesses" (Rev11:7), in the "tribulation of those days" spiritual judgment context ending upon Babylon the Great, providing the context for the final Daniel 11:44 8th King attack intrigues of Revelation 11:7 finale; It is all 8th King world intrigues and distractions between those two temple attacks as well;

5. Thus the 8th King engineered and divinely permitted and required JW temple desolation coming up soon in the first 8th King attack (aided internally by factional Bethel frauds and apostates) is just beginning the final world cycle to Armageddon - not at it's "end" yet - and must fully develop over some prophetic years starting with (1Pet4:17) the temple judgment of Jehovah's witnesses (Dan8:14), as the final world cycle culminates (Rev11:11-18; Rev16:12-18) some years after the temple judgment signal, which will activate soon to remove the lawless elements from Bethel and Jehovah's witnesses amidst 8th King final world intrigues designed to go on for some years (Rev16) activating in the JW temple judgment commencement or slightly before it as the temple's desolation global context;

A. And that development, guided by God through the temple judgment (Rev8), to desolation and purifications amidst massive global JW organizational upheaval, allows a clean final ministry to develop to climax as Revelation 9-11 also develops and fulfills over some years;

6. Revelation 16 divinely permitted and required concurrent world judgments in the bowls of plagues, provides the temple desolation and recovery context of Revelation 8-11, beginning with the divinely permitted temple desolation (1Pet4:17 as Dan8:13-14 as Rev8:2-5 in Rev 16 first four plagues context), which temple desolation and context, current apostate Bethel and the 8th King will deceptively introduce to JWs as events of Daniel 11:44, prematurely and deceptively applied as the final fraudulent decoy "King North" entity is filled for an actual world attack made to appear as prelude to Armageddon by Bethel interpretive deceptions and prematurely advanced positioning in Daniel 11, to promote "Daniel 11:44 next" in purposeful error, as the main set-up deception of JWs, which actually MUST develop some prophetic years after this first 8th King trampling of temple judgment desolation;

A. That decoy "King North" attack will NOT be activating Daniel 11:44 (which is the 8th King at Rev11:7 timing), but will begin or lead to a final world conflict and tribulation sequence as the context of Daniel 11:42-43 near future fulfilling culminations as it progresses; Any national, national bloc, and or religious based terror group can be placed into the waiting "King North" deception aided by the Bethel purposely erred-prophetic set-up;

7. The USSR has nothing to do with any actual Daniel 11:30-45 developments, nor will any other national, national bloc or terror group actually apply to this 8th King prophecy (but may be used for a number of objectives), and that set-up of JWs with false expectation of Daniel 11:44 way too soon, used to cover-up the temple desolation which will arrive on divine exact timing of Daniel 8:13-14, is made possible by the USSR "King North" deception as "on hold" at Daniel 11:43, as if the bankrupted USSR was actually some world apex "ruler of the silver and the gold";

Speculation: Instead Russia can possibly be deceptively "re-activated" as a decoy "King North" for a hoax Daniel 11:44, as in reality the 8th King prepares a final world war as the peace resolution stage to present
itself upon unto Armageddon, as Daniel 11:42-43 is what fulfills next in Daniel 11's progression after temple judgment or during it, in the actual developments coming;

1. The actual Daniel 11:44 attack paralleling Revelation 11:7 must come as WW4 is ending or ended by Daniel 11:45 time of Daniel 12:11 parallel prophetic developments for the UN "world peace" "freedom from care" "peace and security" effect - by that time minus Babylon the Great, and national sovereign threats, and the "two witnesses" all going down completely in the 6th plague timing, for varying purposes, in that final progression to 144000 completion, final "sheep and goat" separation, and Armageddon;

2. Thus two things are going on in the final progression and now, the actual 8th King King North world drive to fourth and final UN placement after a final world war, and the JW fictional version of pure misleading deception from the 8th King serving Bethel and Governing Body 'man of lawlessness' to be removed at the end of the desolation as God and Christ purify the temple by divine means;

Daniel 11:41 Fulfilling is Where Daniel 11 and JWs are At Now (Since 8th King infiltration to now, so far 9/2013)

Daniel 11:41 is the 8th King Bethel undercover and apostate invasion, and the current point of Daniel 11 fulfillment (Luke 21:20); Daniel 11:41 is from the Daniel 11:30-32 infiltration inception, led by 8th King/King North planners;

World Peace and "Freedom From Care" After World War 4 Resolution

1. In Biblical reality, that final 8th King attack of Revelation 11:7 is Daniel 11:44 "go forth" "in order to" "devote many to destruction" (including Babylon the Great and the "two witnesses"; parallels Dan8:25) some years after the temple judgment of the Daniel 8:13-14 timed period initiation, original fulfillment events and timing, that must in time be resolving the fourth world war (in some kind of unknown manifestation at this time) with a global tribulation resolving, as "tribulation of those days" also ending (Matt24:29-31) to all be resolved for parallel Daniel 8:25 "freedom from care" as a world peace and security fully believed, accepted and manifesting prior to that fourth UN placement of the future, or as it too is manifesting, (to aid it's believability; (Rev13:3; 17:8 "admiration" principle), but as the final world conflict is ending, or has ended aiding the "world peace" effect in the described formulaic manner;

2. That Daniel 8:25 "freedom from care" is then actually achieved by 8th King engineering of all these events since 1914 to this climax final sequence which includes this time of peace as "freedom from care":

(Daniel 8:25) And according to his insight (unique 8th King supra-national information, knowledge and intelligence systems, demon aid, etc)he will also certainly cause deception to succeed in his hand. (Dan11:36-39, as we can plainly see now even at Bethel)And in his heart he will put on great airs, and during a freedom from care (1Thess5:1-3, post WW4)he will bring many to ruin. (Rev11:7 context; which leads to Armageddon;) And against the Prince of princes he (8th King as King of Fierce Countenance) will stand up (in fourth UN placement of Daniel 11:45 and 12:11) but it will be without hand that he will be broken. (Armageddon; Dan11:45 parallel);

3. Which "freedom from care" developing into a finale world peace development must parallel the UN fourth world placement (Dan11:45; 12:11) world "peace and security" final actual manifestations after the final world war conflict is resolved, or being resolved in the fourth of four UN continuum placements, aiding this favorably perceived effect (Rev13:3 wildbeast "admiration" principle; also at Rev17:8), by providing a great
world recovery in peace, economic and financial "resurrection", and great worldwide hopefulness in the misled, that is actually misleading nations into their doom; (Hence why Satan and the 8th King want it to be very believable, in fact incredibly believable, the apex deception of all time since Eden);

4. This concurrent prophecy provides the final parallel connecting this worldwide "freedom from care" and ultimately the final destruction progression quickly activating at this time in prophecy, with the identical world "peace and security" progression accompanying the UN 4th world placement by this cross reference of Daniel 8:25 conditions and 1Thessalonians 5:1-3 - both prophecies having finality, "peace" and "destruction" elements present:

(1 Thessalonians 5:1-3) Now as for the times and the seasons, brothers, you need nothing to be written to you. 2 For you yourselves know quite well that Jehovah's day is coming exactly as a thief in the night. 3 Whenever it is that they are saying: "Peace and security!" then sudden destruction is to be instantly upon them just as the pang of distress upon a pregnant woman; and they will by no means escape.

World Institutional Realignment into 8th King World Power

1. Now we have to realize Babylon the Great is a specific empire-like institutional worldwide complex (Rev17:18 a religious sovereignty) specifically targeted by divine prophecy (and God; Rev18:8), but other institutions not specifically described but in general terms in the Bible prophecy (like mountains and trees symbols) will also be undergoing massive upheavals as well, as an entirely new climaxing supra-national 8th King world dictatorship and globalized sovereignty in uni-polar world power will now be re-arranging many aspects of many nations in some short and long range systematic fashion, and only the 8th King will be making the rules; (also shown in Daniel 7:25a and that parallel 1260 day period ending as the 8th King "will intend to change times and law" to meet globalist objectives, and will be in the apex position of global power to start to implement that "change" globally);

2. Thus any physical celestial manifestations of this actually symbolic depiction of this transition into globalist 8th King power shown here below, will pale in comparison to these actual world events on earth falling on the national powers, which must manifest as the "freedom from care" illusion is soon accompanied during a freedom from care" by the one sided 8th King deployments to re-align national "power and authority" components into world governmental directives logically extending beyond the meaning of the initial surrender of national sovereignty (Rev17:12-18) now in globalist 8th King uni-polar control - no wonder the "sun" goes black on the national powers of earth:

(Matthew 24:29) “Immediately after the tribulation of those days which must end with 6th plague Babylon deposition ending also the 1260 days deposition of the parallel "two witnesses" 8th King termination events of Revelation 11:7 paralleling attack of Daniel 8:25b and Daniel 11:44 actuality of uni-polar 8th King world power after a final world war of some manifestation resolves or is resolving; that "tribulation of those days" begins some years prior with the JW temple desolation covering all God's spiritual judgments that define this tribulation phase of great tribulation to climax in later events directly connected to this respite marking the "freedom from care" period final 8th King intrigues of Daniel 8:25 parallel to Daniel 11:44 attack as Revelation 11:7) the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. (symbols of national power eclipse as 8th King is actually in zenith, not eclipsed until Christ's manifestation of Matthew 24:30-31 will develop directly after the "tribulation of those days" in sequence, but may involve a period of delay implied in Revelation 11:11 to conclude the live gathering component (1Thess4:17) of final 144000 members in 7th plague and 7th trumpet advanced timing of those final Kingdom completion events);
Parallel prophecy:

(Revelation 6:12-17) And I saw when he opened the sixth seal, and a great earthquake occurred (symbolizing Kingdom completion; (Rev11:13, 19; 16:18 “earthquakes”; Rev8:5 “earthquake” is temple judgment) and the sun became black as sackcloth of hair, and the entire moon became as blood, 13 and the stars of heaven fell to the earth, as when a fig tree shaken by a high wind casts its unripe figs (parallels Matt24:29) 14 And the heaven departed as a scroll that is being rolled up, and every mountain and [every] island were removed from their places. (and like Revelation 8:9-19 and Rev11:10 (in Matt24:38-39 principle) we see many people are still present for this Revelation 1:7 parallel Matthew 24:29 event so it is not yet Armageddon, but the final "sheep/goat" separation preparations;) 15 And the kings of the earth and the top-ranking ones and the military commanders and the rich and the strong ones and every slave and [every] free person hid themselves in the caves and in the rock-masses of the mountains. 16 And they keep saying to the mountains and to the rock-masses: “Fall over us and hide us from the face of the One seated on the throne and from the wrath of the Lamb, 17 because the great day of their wrath has come, and who is able to stand?

3. From past 8th King formulaic principle and from prophetic details we see the final world war/tribulation resolution in some manner of world conflict resolved, as in the three previous world wars (including the "cold war"; (Dan11:29)), produces a world peace effect producing that final "freedom from care" amidst world "peace and security" final 8th King world rulership proclamations in 4th UN placement with the full "scarlet wildbeast" world government, but must lead to a final "King North", "King of Fierce Countenance" one-sided attack "during" that "freedom from care" as identical to the 8th King attack period of Revelation 11:7 (Dan11:44) after this "world peace" is resolved as part of a final full 8th King zenith uni-polar global campaign that includes Babylon the Great deposition (Rev17:15-16; Rev16:12) and the killing of the "two witnesses" (Rev11:7-13) resolved aiding the "freedom from care" world "peace and security" global effect;

4. Obviously many global national institutions are being modified, absorbed or removed in this massive 8th King first "new world" ordering, as Babylon the Great provides a clue, that must have theoretical planning to extend for some years at worldwide eventual scale, and that period is what develops into Matthew 24:21-22 terminal "great tribulation" "no flesh would be saved" globally at climax and it's ending "cut short" by God and Christ's also culminating Messianic Kingdom power in the 144000 completion and Christ final King-Priest unique coronation fully completing the temple and Messianic Kingdom in the 8th King face (Rev6:12-17; 11:7-14 parallels to Matt24:29-31), in the advancing period after the 1260 days ends (Rev11:7 "finished"), as Daniel 12:11 timed period (1290 days) is defined by the complete removal, by then purified "two witnesses" "constant feature", and the fourth and final UN "disgusting thing" placement (Dan8:25; 11:44; 12:11) approximately or concurrent, manifests as a full 8th King world government amidst massive world developments resulting from full 8th King power that must in time be ended by God;

A. The ending of the "tribulation of those days" is just the spiritual judgment component of the overall "great tribulation" beginning with the JW temple judgment and ending with the Babylon deposition accompanying this transition shown below at finale 7th plague timing indicated here as Babylon the Great is still present and being positioned for removal even in 6th plague timing of Revelation 16:12:

(Revelation 16:17-19) And the seventh one poured out his bowl upon the air. At this a loud voice issued out of the sanctuary from the throne, saying: “It has come to pass!” 18 And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great. 19 And the great city split into three parts, and the cities of the nations fell; and Babylon the Great was remembered in the sight of God, to give her the cup of the wine of the anger of his wrath.
Final Temple Judgment and Jehovah's Witnesses

B. Thus contrary to Bethel apostate deception, the "great tribulation" in the start of the "tribulation of those days" starts with JWs (1Pet4:17 as Dan8:13-14), not Babylon the Great who instead ends the "tribulation of those days" (Rev18:8) as all these finale scriptures indicate post 1260 day Kingdom completion events, sheep gathering and final 7th plague and 7th trumpet events all include Babylon the Great's destruction at that time deep in the 6th plague transition to 7th plague Christ "air" manifestations; (Rev17:15-16);

5. As we see from the continuation of Matthew 24:29 to Matthew 24:30-31, the final "sheep" separation and gathering must precede final world judgment, and the 144000 completion must precede that finalized earth sheep gathering for complete "Court" of Daniel 7:26 parallel to Matthew 25:31-46 and Revelation 14:14-20 Armageddon final prelude events; (Zech12:6-9);

A. And thus far more verifiable detail is in prophecy and it's replication (Dan12; Rev8-11; Rev15-16) currently diverted by Bethel deceptions, hence the removal of that obstacle is nigh;

Bethel Prophetic Diversion and Cover Up

1. What is being concealed by Bethel by use of the fraudulent USSR "dead end" "King North" Bethel fiction is the prophetic requirement that the fourth 8th King UN world government cycle of Daniel 11:42-45 must actually fulfill in the near future as 8th King developments (as globalist world power; not the USSR or anything else national), over some years in more prophetic timed periods fulfilling in the process (Rev11:2-3; Dan12:7; Dan11:11), which Daniel 11:27-41 fulfilled or is fulfilling continuously has led to this yet unfulfilled Daniel 11:42-45 requirement of development in the near future;

A. That whole Daniel 11:27-45 progression is continuously progressive actual 8th King developments leading to 1990 (Dan11:31b) in notable 8th King world expansions and positionings (Dan11:36-41), including the Bethel 8th King covert "invasion" of Bethel (Dan11:41; Luke21:20) resulting in the Bethel UN NGO developments (Dan11:31b; Matt24:15) and apostasy (Dan11:32-35), since that 1990 manifestation in the actual third UN placement of Daniel 11:31b leading to this climax non-stop over some years, which has been continuously broken and covered up by the apostate and impostor Governing Body and misled Bethel ministry "throwing truth to the earth" in cover-up as per Daniel 8:12b in the parallel Daniel 8:11-12 fulfillment to Daniel 11:30-35;

2. What is also covered up is the 1-2-3-4 continual prophetic sequence of world wars resolved for United Nations prophetic "disgusting thing" placements in that continuum leading non-stop from 1914, through three world wars (Dan11:29) so far, for successful UN related "placements" ((1.) Rev13:11-15; Dan12:11 (first fulfillment as Dan12:11 must replicate with Dan12) 1919 (2.) Rev17:8-11; 1945 (3.) Dan11:31b; 1990) following those world wars' peace resolutions to all lead soon to the grand finale 4th UN placement coming up at Daniel 11:45 as the fourth and final UN 8th King placement, after a final fourth world tribulation cycle setting the UN "world peace" stage, over some years gauged in prophecy (Dan8:14; Dan12:7; Rev8-11), to be globally marked by 8th King and Kingdom of God events enroute to Armageddon over some final years;

Though "the end" is close indeed, it is not as close as the GB promotes, because they want JWs to think the required JW unknown temple judgment and desolation is Armageddon prelude manifesting quickly, prematurely applied as Daniel 11:44 activating by Bethel deceptions, when actually Daniel 8:13 8th King "trampling" is what is occurring as temple desolation context; Instead a final prophetic cycle is starting as a final world warning; (Matt24:14), Daniel 11:44 manifests deep into the 6th plague well after temple judgment, and after a required Daniel 11:42-43 8th King world financial pawning of "Egypt" "King South" national powers finalizes prior to Daniel 11:44-45;
Prophetic Replication, Not the "End of the World" Yet...

1. The actual prophetic final development cycle now being made logical by God through Christ, indicates a finale of Daniel 12, Revelation 8-11, and Revelation 15-16 all unfolding parallel in the near future concurrently as a prophetic replication leading to Armageddon is mapped by God, that by prophetic requirement and guarantee must take some years (Dan8:14 first) and final prophetic periods of Daniel 12 replicating to fulfill (Dan12:7; 12:11) to completion of all sovereign diametric entities as 8th King the Messianic Kingdom;

2. Thus "the end of the world" that JWs are expecting next, is NOT next, but MUST be delayed for this final climax 8th King wealth and power consolidation cycle of Daniel 11:42-43 (8th King globalist) financial world coup aiding Revelation 17:12-18 (8th King sovereign world coup) "power and authority" transfer from national to globalist 8th King control, paralleling and eventually accelerating the final "gathering" of all the national powers into this 8th King globalized defiance as Revelation 16:12-16 is accelerated in this final world tribulation cycle;

A. It is accelerating through global war and tribulation to a unique period of world peace, not into immediate destruction but in limited ways in world tribulation (Rev18:9-19; Rev11:10; Matt24:38), that is temporarily resolved (Matt24:29) for the world peace and UN world government effect; After that "NO war or reports of wars", the end can come; (invert Matt24:6 logic); The UN 4th placement provides that no "reports of wars" as "peace and security" creating the time period of "during a freedom from care"; (1Thess5:1-3; Dan8:25);

3. That all must unwind in the near future, in the replication of Revelation 16 to commence in earnest soon leading to Daniel 11:42-43 8th King intrigues just described leading to Daniel 11:44-45 parallel to Revelation 11:1-7 in a forming parallel and concurrent Daniel 8:25 "freedom from care" (but with one-sided 8th King attacks as well, upon Babylon the Great (and the final "two witnesses") and other institutional upheavals implied globally) to develop after this final world war conflict in a fourth cycle, MUST resolve as the deceptive world "true peace and security" proclamations (1Thess5:1-3), to accompany the fourth 8th King UN world placement in that identical "freedom from care", to be made globally fully believable in the grandest fashion ever, by resolving a final world war for that effectwhile deposing Babylon the Great in the Revelation 16:12-16 and Revelation 17:12-18 process of this final UN 8th King "world peace" illusion, upon the selfsame "world war to world government" formula as the three previous world wars;

4. The "two witnesses", in the final, last 8th King attack "trampling" (Rev11:7 event) of Revelation 11:2-3 (well after initial temple judgment "trampling" of Daniel 8:13), are also being deposed, but under divinely favorable 144000 completing circumstances of required prophetic final fulfillment leading to Messianic Kingdom completion, and what that implies, in this final cycle progression;

5. And to aid the illusion, this post World War 4 worldwide financial super-recovery will be the greatest period of hope for the world at that time (and in all world history), as this is aided by Babylon the Great absorbed assets (Rev17:15-16), and an 8th King globalized financial system (Dan11:42-43) of the richest 8th King in all world history, in a great "freedom from care" (Dan8:25) of the world "peace and security" proclamations (1Thess5:1-3) of the final "scarlet wildbeast" 8th King completed world government system;

6. And with those basic Bethel cover ups and diversions, is the covered up Biblically established fourth time repeating principle that also a fourth world war, in some unique manner of development (Dan11:29), will be resolved for a great world recovery prior to and leading through the fourth and final 8th King placement, and what that means, in that the final world war itself is also not the "end of the world", but all engineered to, in the
end of that conflict and tribulation, present the final 8th King world government for maximum psychological "world peace" effects and believability - the ultimate deception actually leading to "the war of the great day of God the Almighty" instead;

A. That means the fear and terror of a "world war 4" (or whatever they call it, and however it may manifest), aided by this current JW ignorance, aided by "man of lawlessness" Bethel leadership, need not apply to what is ultimately to come from this final world tribulation, as an assured "world peace" illusion and actual optimism and massive 8th King resource based recovery aided by Babylon the Great hundreds of trillions in hard wealth, assets and properties (8th King controlled in world distribution to aid the development) is what is coming after a global, but ending world "tribulation of those days" period (Matt24:29-31), also not what JWs have had programmed into our minds by Governing Body and 8th King co-deceptions;

Thus knowingly or not, JWs are globally aiding an 8th King supporting fear and terror mindset based on these Bethel deceptions of "end of the world next" as Armageddon premature fear and WW4 impressions of a catastrophe that will be severe, but limited by the 8th King himself, as we JWs currently aid squelching actual Biblical prophetic insight into this final sequence of Adamic world history; (and that is exactly why the "man of lawlessness" operates "IN the temple", to deceive);

The Actual Final Progression to Armageddon After a Final World Conflict Resolves in "World Peace"

1. And all that MUST be culminating while God's Kingdom is also making final completion preparations amidst a final world warning campaign of Revelation 11:1-7 replication final fulfillment that must unfold with Daniel 11:42-45 "during" this time of Daniel 12:1 final fulfillment overview:

   (Daniel 12:1) “And during that time (of Daniel 11:44-45) Michael will stand up (into 144000 completion full Messianic Kingdom) the great prince who is standing in behalf of the sons of your people. And there will certainly occur a time of distress (world war 4; "tribulation of those days" and eventually terminal period of "great tribulation" of Revelation 7:1 (such as has not been made to occur since there came to be a nation until that time. (Matt24:21-22)) And during that time your people will escape, every one who is found written down in the book. (Dan7:26; Matt25:31);

2. Now that Daniel 12:1 "during that time" overview goes from the approximate time and circumstances of Daniel 11:42-45 8th King world developments through the 1260 days of Revelation 11:2-3 (Dan12:7) final "two witnesses" final world Kingdom completion warning parallel to this 1260 days of Daniel 12:7 parallel manifestation of the future, as all of Daniel 12 will now activate from this cross linking 1260 day timed period as it replicates in the near future:

   (Daniel 12:7) And I began to hear the man clothed with the linen, who was up above the waters of the stream, as he proceeded to raise his right [hand] and his left [hand] to the heavens and to swear by the One who is alive for time indefinite: “It will be for an appointed time, appointed times and a half. And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces (Dan12:11 as Rev11:7 final 8th King attack of Dan11:44) all these things will come to their finish.”

3. Which 1260 day timed period parallels these identically timed 1260 day periods, all concurrently unfolding:

   (Revelation 11:2-3, 7) But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city
underfoot for forty-two months. 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth.” (Which must lead to this Daniel 11:44 (Dan8:25) final 8th King attack parallel:) 7 And when they have finished their (1260 day) witnessing, the wild beast that ascends out of the abyss (into fourth UN placement out of WW4 "abyss" as "peace and security" and "freedom from care") will make war (Dan11:44; 8:25) with them and conquer them (Dan12:11) and kill them.

4. Which also parallels this 1260 day timed period linking them all to the same final world warning progression:

(Daniel 7:25) And he (8th King) will speak even words against the Most High, and he will harass (Rev11:1-7) continually the holy ones themselves of the Supreme One. And he will intend to change times and law (full 8th King globalization override) and they will be given into his hand for time, and times and half a time. (as Rev11:7 and Dan12:7 after 1260 days successful "two witnesses" final world warning);

5. As the Daniel 12:1b "And during that time your people will escape, every one who is found written down in the book" is a "book" finalized during this "court" period that follows Daniel 7:25, 1260 days period, as when that "book" of final judgment is being finalized in this post 1260 days period:

(Daniel 7:26) And the Court itself proceeded to sit (all 144000 under Christ) and his own rulership (8th King) they finally took away, in order to annihilate [him] and to destroy [him] totally (at Armageddon);

6. Which Daniel 7:26 must then also be the Daniel 12:11 sequential 1290 day timed period that follows the Daniel 12:7 1260 days timed period in Daniel 12’s final progression that links all these prophecies to this next timed period of world judgment, but under full Messianic Kingdom power at or very near completion:

(Daniel 12:11) “And from the time that the constant [feature] has been removed (in the Rev11:7 final 8th King attack) and there has been a placing of the disgusting thing that is causing desolation (for the fourth and final UN "placement" of Daniel 11:45 "palatial tents" and Daniel 8:25 last "stand") there will be one thousand two hundred and ninety days.

7. Which "Court" and "book" is this determination of final "sheep" and "goat" status and separation prior to "they finally took [8th King] rulership away" at this now identifiable post 1260 day finale prior to Armageddon finality, as the final sheep and the goat separation finalizes soon after Matthew 24:29-31 angelic "gathering" here:

(Matthew 24:29-31) “Immediately after the tribulation of those days (concluding spiritual judgments at Rev16:12-16; Rev17:15-16 on Babylon the Great that began with the JW temple judgment of Dan8:13-14) the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. (the real Daniel 8:25, 11:44 8th King, post WW4, "attack" "tribulation" (2Thess1:6-10) will begin as 8th King has all power) 30 And then the sign of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation (Rev1:7) and they will see the Son of man coming on the clouds of heaven with power and great glory. (Rev6:12-17) 31 And he will send forth his angels with a great trumpet sound (7th trumpet; Rev11:7-18 parallels Rev16:12-18) and they will gather his chosen ones together from the four winds (of Rev7:1 terminal "great tribulation") from one extremity of the heavens to their other extremity (earth and anointed "sheep" totality of Matthew 25:31-46);
8. Which leads directly to, and encompasses this final judgment and separation event parallel to Daniel 7:26 and Daniel 12:11:

(Matthew 25:31) 31 "When the Son of man arrives in his glory (Matt24:29-31 as Rev6:12-17) and all the angels with him (Jude14), then he will sit down ("And the Court itself proceeded to sit") on his glorious throne. (in Daniel 7:26 "Court" and world rulership of Christ);

The 1260 Days That The Temple Judgment Timed Period of Daniel 8:14 Leads to in an Unknown Transition Links All 1260 Day Related Periods

1. Now we see this 1-2-3-4 world war to world government progression also provides a context related to the 1914-1918 initial prophetic fulfillments during a first world war resolving for the first round of this 1-2-3-4 cycle;

2. All the principles in these 1260 day linked prophecies below must also repeat as the final world war/tribulation also provides a world distraction away from Kingdom completion phase reality, as World War I world tribulation also distracted the world from the Kingdom birth phase reality and proclamation of that time, so will these time periods all concurrently unfold in a final world war/tribulation cycle with their own unique context replicating and providing a unique principle for final fulfillment meaning:

A. Wildbeast authority to eventually empower Revelation 11:7 and Daniel 11:44:

(Revelation 13:5) And a mouth speaking great things and blasphemies was given it, and authority to act forty-two months was given it.

This principle repeats in the final world war/tribulation cycle in final form as now the globalist 8th King in Revelation 17:11-18 culmination of the future, dictates national powers as the Revelation 13:1 national collective wildbeast to perform ultimately 8th King serving duties as part of the power basis of the globalist "scarlet wildbeast" unifying them all (Rev16:13-16) for this final operation;

B. Parallel of "two witnesses" persecution in final 8th King attack as Gog of Magog (Satan and the demons) also aids the final defiance and resistance of God's Kingdom completion against the anointed:

(Revelation 12:6) And the woman fled into the wilderness, where she has a place prepared by God, that they should feed her there a thousand two hundred and sixty days.

(Revelation 12:14) But the two wings (1914 and future deliverance) of the great eagle (Christ) were given the woman, that she might fly into the wilderness to her place; there is where she is fed for time and times and half a time away from the face of the serpent.

C. The parallel to Satan's ouster from heaven in the 1914-1918 Messianic Kingdom birth period "hurled down to the earth", is his "descending" again from the "place" he was cast to, as Gog of Magog must "come from your place" which is "from the remotest parts of the north" or universal realms (Eph6:12) that he has been restricted to with the demonic angels since that heavenly eviction of Revelation 12:7-12 in 1914-1918 culmination of Messianic Kingdom birth;
Gog's manifestation is thus the Satanic parallel to 1914 Satanic manifestation in the World War 1 period;

D. This must also culminate in that 1260 period replication of the future and after to Armageddon climax as Satan "arrives" from his "remote" "north" "place", paralleling Satanic events of initial fulfillment Revelation 12 in the 1914-1918 period:

(Ezekiel 38:15) And you will certainly come from your place, (since the removal from heaven is "neither was a place found for them any longer in heaven" (Rev12:8), this new "place" is outside of heaven in: from the remotest parts of the north (Eph6:12 "heavenly places"), you and many peoples with you (Rev19:19-21), all of them riding on horses, a great congregation, even a numerous military force. (Eze38:7);

(Ezekiel 39:2) And I will turn you around and lead you on and cause you to come up from the remotest parts of the north and bring you in upon the mountains of Israel.

E. Thus Gog's unique manifestation, whatever it is, from "remote north" "place", parallels the Satanic casting from heaven that accompanied the 1914-1918 1260 days, now finalizing as Gog also goes into heightened activity to "guard" the 8th King;

(Ezekiel 38:7) ""Be ready, and let there be preparation on your part, you with all your congregation, those congregated alongside you, and you must become their guard.

3. And since a world war four (in whatever form it actually manifests; (Dan11:29)) implies an ineffective United Nations must go impotent in "peace" power, again, (for maximum effect afterwards mind you), the United Nations must again go into an "abyss" of impotence (even if remaining semi-operable as a globalist international forum), by formulaic design, on purpose, we see, this principle also replicates a final time:

(Revelation 17:8) The wild beast (globalist 8th King) that you saw was, but is not, and yet is about to ascend out of the abyss (Rev11:7), and it is to go off into destruction. (Dan11:45) And when they see how the wild beast was, but is not (as engineered WW4 erupts), and yet will be present (for fourth and final UN placement as world government), those who dwell on the earth will wonder admiringly (the desired 8th King effect as in all the historic UN related placement processes; see Rev13:3 related "sword stroke" recovery effect that must also replicate as a final world conflict is resolved for maximum "world peace" effect), but their names have not been written upon the scroll of life from the founding of the world. (provides a final judgment cue); (And that will relate to the Revelation13"sword stroke got healed" world recovery principles for maximum final 8th King world "admiration" effect (Rev 13:3; 17:8) shown in Revelation 13 parallel as well, also replicating in a great world recovery hope after a final world conflict/tribulation resolved, presents the UN fourth and final manifestation as per prophecy also repeating.);

4. Which final "abyss" rise of Revelation 11:7 preceding the final "killing" of the "two witnesses" and final "constant feature" removal sign (Dan12:11), fully fits all this prophetic detail in final fulfillment with the final Revelation 11:7 "abyss" "ascension" of the final and fourth UN 8th King "scarlet wildbeast" world government in this second prophetic fulfillment in this replication of prophecy soon paralleling the identical final "attack" phase of Daniel 11:44 and Daniel 8:25:

(Revelation 11:7) And when they have finished their witnessing (1260 days), the wild beast (globalist 8th King) that ascends out of the abyss (of world war 4, so must be while or after WW4 concludes) will make war with them and conquer them and kill them.
5. Which final 8th King attack provides the final context of the final removal of the "constant feature" as "two witnesses" parallel ministry here, as the UN world government places it's fourth and final time in this Daniel 12:11 key replication in final fulfillment linking it all together into this post 1260 day period:

(Daniel 12:11) “And from the time that the constant [feature] has been removed and there has been a placing of the (4th UN) disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days, (1290 day period follows 1260 day period as in 1914-1918 (1260 day) and 1919-1922 (1290 day) initial pattern.);

All things are finalizing finally final...and...

It's ALL Repeating

1. Thus not just the "world war to world government" "world peace" formula is being replicated over and over, but too, the worldwide distraction caused by this world war/tribulation away from Messianic Kingdom reality, now also the replicating Kingdom principle (in birth) and prophecy Kingdom completion is also a common feature of 8th King world intrigues being used one last time to massively divert attention away from Kingdom completion reality in all 144000 being fully "gathered" under King Christ - a truly complete "kingdom"; Revelation 14:1; When that completion of 144000 takes place, everything changes for all sheep as the Kingdom is complete and fully protective prior to 8th King annihilation; (Zech12:6-9; Zech9:8-9);

A. The current Bethel prophetic diversion since 1990 in full operation shows distraction by error is also now operating at massive JW scale in our foretold profaned ministry to conceal the 3rd and 4th UN placements as an 8th King continuum of this cycle since the 1990 3rd UN placement (Dan11:31b) leading in time over this whole prophetic cycle all replicating to Daniel 11:45, 4th and final UN world government placement in non-stop, continual fashion (Dan11:36), as distraction and deception aids 8th King effectiveness - and Bethel is providing that entrenched spiritual deception complex to purposely attempt to mislead all Jehovah's witnesses and our world audience with a retained USSR "King North" Daniel 11 purposeful misleading error; (eventually Bethel fails; Dan11:32b);

2. In fact ALL the elements in world events and the sovereign Bible prophecy foretelling them, of the comprehensive prophetic continuum, are all replicating a final time, in all aspects of sovereign development in God's Kingdom and the 8th King developments in concurrent overdrive, as the 8th King again attempts to distract the world away from the Messianic Kingdom completion inevitability (Matt6:10), concurrently climaxing like prophetic divine cosmic clockwork, all culminating in final and fully matured and completing forms of development globally comprehensive in impact, setting the stage over some years for the Har-Magedon showdown as the cosmic clock of prophecy ticks away soon "heard" by the world, marked by 8th King and Messianic Kingdom coming milestones leading to the climax;

3. Included in this final fulfillment replication is all the spiritual elements of the 1914-1922 period of Daniel 12 initial minor fulfillment also manifesting in final major form, like the UN aligned "man of lawlessness" now as the fraud Governing Body of Impostors, and the misled Bethel apostasy follows in Christendom's footsteps in alliance similar to the UN (League of Nations) aiding 1919 alliances with the 8th King and Christendom but in final form as 8th King and Bethel as UN NGO, in the 3rd UN placement co-promotions (1990-1991), and as the foretold prophetic subverters aiding the 8th King fully since 1990 for internal compromise of Bethel and set-up positioning of Jehovah's witnesses, the JW worldwide organization, and even our world audience is misled into these dangerous Daniel 11 misinformation errors that psychologically aid the 8th King use of fear and uncertainty that will develop in the temple judgment desolation as the climax of the dirty work of the Governing Body's 1976 incept usurpation of the Bethel ministry into foretold final "official" JW apostate
corruptions and the final "man of lawlessness" "embodied" in that Governing Body;

**Final Touches**

1. A logical 8th King goal is thus to accelerate the world tribulation in engineered and controlled means to get as far as possible, as fast as possible towards that fourth and final placement of the United Nations based world government with the world clueless as to where it is all leading and what is actually going on while Jehovah's witnesses are derailed and as backward as today concerning this world and prophetic reality while the temple is pounded into desolation to continue to silence prophetic reality concerning the 8th King and Daniel 8 and 11 valid prophecy exposition and all that effects in all prophecy, aiding 8th King deceptions;

2. Since the last approximate 20 years has been the "man of lawlessness" full-blown culturing of this illusion and diversion in Jehovah's witnesses, by well planned and deployed means to aid ignorance now and bewilderment later, the use of the impostor Governing Body and controlled Bethel system will be possibly extended as long as possible into the temple judgment "evening" (Dan8:14) to continue the deception as deep as possible into the temple judgment, to aid internal 8th King intelligence, and to deploy some final deceptions to attempt to bewildered and eventually stumble Jehovah's witnesses as long as possible into the temple judgment desolation, still made to appear as a prelude to an Armageddon that will not manifest at this time; (by Dan11:44 error promoted by Bethel);

3. Thus as long as possible the internal Bethel deceptions, more false-prophecy and final deceptions will be the 8th King objective until the temple purge is completed by God and Christ eventually some years into the Daniel 8:14 "evening" period, which begins the temple judgment in "evening" developments (Dan8:14,26), as these Bethel infiltrators will not leave voluntarily it appears; (In fact keeping the renegade Governing Body and Bethel system as is would be JW doom, that alone is bad, blasphemous and deceptive enough to fully ruin the Kingdom ministry - but required 8th King world developments will bring it all to a head soon.);

4. At which time of completion of internal temple divine purges (Isa66:6), continuing external means of Jehovah's witnesses suppression, ministerial seizure and reproach will then be the only 8th King option as the then angelically protected temple environment will not be accessible to 8th King internal subversions as indicated in prophecy (Hosea9:16; Zech9:8), nor will it form again, and this now fully external secondary target of 8th King anti-JW operations fits the pattern of the reason why also divine holy angelic "field extensions" against these 8th King specific anti-JW externally extended operations, are prophetically certain (Hos1:4-7) to covertly counter-attack anti-temple 8th King global operations (Isa31:8-9) to protect those JW "targets", in by that time an 8th King attack overextension of the divine judgment decree of Daniel 8:13-14 will be ceased by God's angels to the degree of ensuring a temple recovery will transpire as per prophecy; (This is also why "The Destroyer" is involved with Revelation 9 temple desolation completion and recovery, some 8th King anti-JW operations must be angelically ceased by divine means covertly, to most peoples' awareness unknown.);

5. In any event leading to that time, the 8th King will want to silence the final ministerial Kingdom clarifications permanently and fully destroy or severely cripple and delay the entire Kingdom ministry through the desolated JW worldwide organization as the top priority of the spiritual assaults of that time, because all sovereign Kingdom truth coming forth for the final ministry is what is at stake to expose 8th King final developments as per prophecy leading to Armageddon, and to reveal the Kingdom of God guaranteed completion and final conquest continuum of prophecy replicating, which will affect human life and spiritual survival and why the "man of lawlessness" now with the 8th King, and later only by the 8th King external resistance, is doing all they can to conceal and subvert this final truth;
6. That action of covertly hitting 8th King external operations by foretold angelic means to end the temple desolation fully as it's appointed time (Dan8:14) expires and the 8th King goes into worldwide overextensions against as many Jehovah's witnesses as possible, may be used to delay the entire 8th King system development to meet the divinely appointed time of finale, as a number of years is then needed, shown and required in unchangeable prophecy, to reach the final 8th King attack divine allowance of Revelation 11:7 (Dan11:44) after a complete 1260 day final world ministry and Kingdom sovereign ultimatum is successfully and fully given to all earth's powers and many people; (Rev10:11) after the temple judgment period (Dan8:13-14); And that final 8th King attack (Rev11:2, 7) some years after the temple judgment commencement, is in an overall approved, accurate and purified JW ministerial second and final "two witnesses" condition as a result of the temple judgment and first 8th King "trampling" of Daniel 8:13 divine judgment unto temple purification leading to a successful final world ministry in order to aid completion of the 144000 as well, sealing 8th King doom permanently;

In any event, God dictates the length of the 8th King tightrope over the "lake of fire" and at what point on that rope of time he slips and topples in with a shove from Christ, it is not the 8th King's determination; All things will proceed as foretold by God, becoming clearer as it progresses;

(Luke 16:16-17) “The Law and the Prophets were until John. From then on the kingdom of God is being declared as good news, and every sort of person is pressing forward toward it. 17Indeed, it is easier for heaven and earth to pass away than for one particle of a letter of the Law to go unfulfilled.

The Armageddon Formula

1. The Bible has a main sovereign framework of national identities that have over history affected God's people in their history since Egypt; That framework is benchmarked in Daniel 2, 7, 8 and 11 in various symbolic ways such as wildbeasts in various forms and the "immense image" of Daniel 2, in a national developmental continuum since Egypt, Assyria and Babylon periods onward to 8th King globalism; Daniel also benchmarks the national identities of Babylon, Medo-Persia and Greece by name, which can be historically reliably registered into their locations in the Daniel 2 and 7 forming defiant structures into the then future national completions of Rome and Anglo-America (Rev17:10-11) as national empires and powers, to the not yet fully complete final globalist system symbolized in the 8th King "scarlet wildbeast" that summarize the whole sovereign trek of defiance to God, since Genesis 11 recorded the first human "embryonic globalist" project of defiance in the "tower of Babel" at Babel that forms the origins of the rest of the development from the patriarchal roots of the seventy nations at Genesis 10;

2. Thus the globalized United Nations concept revisits the same concept of original globalism of Genesis 11’s City of Babel and it's "tower" centralization as a basis of a final world government based on a national collective unification actually present in Genesis 11 under Nimrod's guidance which concept finally completes in the fourth and final placement of the 8th King "scarlet wildbeast" world government and it's United Nations base "image" international forum of globalist unification of a worldwide national array of nations;

3. The "tower of Babel" project of defiant globalism in embryonic form, globalized based forming world government met with a divine intervention in the confusion of the languages to "break up" the project, as will the final 8th King world government finality also trigger a divine intervention at Armageddon, and the eventual "resetting" of the human language back to a single linguistic system; (Zeph3:8-9);

4. Thus the final 8th King "placement" foretold in prophecy for a fourth and final presentation with worldwide sovereign claims will summarize and contain the entire national collective defiance against God's Messianic
Final Temple Judgment and Jehovah's Witnesses

Kingdom of Christ as an 8th King, United Nations based, complete globalist unified "Scarlet Wildbeast" final world sovereign symbol of an actual 4000 year old developing earthly final world government development consolidating the entire sovereign defiance and it's world and Biblical history as Bible prophecy also becomes that world history written in advance by God's inspiration for this purpose;

*All prophecy will become world history;*

**Final Globalist Unification of the 8th King**

1. This "gathering" will finally unify all the nations into this 8th King final world government placement of the fourth United Nations worldwide placements after a final world tribulatory drive is completed (Matt24:29-31) to create the world stage of the presentation this is leading into prior to Armageddon:

(Revelation 16:12-16) And the sixth one poured out his bowl upon the great river Euphrates (Parallels 6th trumpet), and its water was dried up, that the way might be prepared for the kings from the rising of the sun. (Babylon the Great being set-up for Revelation 17:15-17 parallel events) 13 And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet (complete 8th King globalist influence) 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire inhabited earth, to gather them together to the war of the great day of God the Almighty. (parallels Revelation 17:12-18 and Daniel 11:42-43 culminations into globalist 8th King power) 15 “Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness.” 16 And they gathered them together to the place that is called in Hebrew Har-Magedon. (Joel 3:9-17);

2. The power and wealth consolidating progressions of Revelation 17:12-17 and Daniel 11:42-43 will intensify this final national collective alignment and gathering into the 8th King world super-sovereignty of Scarlet Wildbeast symbolized "full bodied" complete power mature and full enough to make a final world government worldwide infrastructure as complete as necessary and accompanying 8th King world sovereignty statements after these prophecies below culminate into Revelation 16:12-16:

(Revelation 17:11-18) And the wild beast that was but is not, it is also itself an (globalist) eighth [king], but springs from the seven, and it goes off into destruction. 12“And the ten horns that you saw mean ten (national) kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the (globalist) wild beast. 13 These have one thought (sovereign expansion and or preservation), and so they give their (national based) power and authority to the (globalist apex forming) wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so]. 15 And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns (national powers) that you saw, and the wild beast (globalist power), these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire, (absorbing religious sovereignty and assets) 17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their (national based) kingdom to the (globalist ascendant) wild beast, until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth.” (the target religious sovereignty);

3. That sovereign "power and authority" transfer in the above prophecy, of power from national control of
autonomous sovereignty surrendered, "given to" 8th King globalist world government worldwide control will be aided by an 8th King (King North) globalized world financial consolidation transferring national wealth and assets into globalist 8th King "rulership" and control of a globalized financial and economic complex for post WW4 recovery as also a result of this progression of the near future:

(Daniel 11:42-43) And he (8th King/King North) will keep thrusting out his hand against the(national) lands; and as regards the land of Egypt (collective national powers; King South "capital"), she (feminized King South) will not prove to be an escapee. (captured by globalist power intrigues of first a financial nature:) 43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (Thus 8th King/King North rules the world wealth, wealth system and all "desirable things" of national "Egypt" "King South" powers in full globalist progressive ownership);

The Armageddon Formula: Daniel 11:42-43 + Revelation 17:12-18 = Armageddon

Thus Daniel 11:42-43 + Revelation 17:12-18 = Revelation 16:13-16 as Armageddon, is the formula for Armageddon to catalyze to culmination in the near future;

The Bible also identifies a couple other parallel collective national gatherings maturing into full globalization aiding Revelation 16:13-16 culmination...

The Armageddon Definition

1. Since the Hebrew compound word Har-Magedon (Rev16:16) denotes a "mountain" (har) of the "military establishment" (magedon) in the two root words combined into "Har-Magedon", from the Hebrew words "Har" and "Magedon" as Har describes a "mount" or "mountain" plus the Hebrew word "magedon" meaning a military "garrison", "base of troops", "garrison", "war fortress" or "military establishment" and such military connotations similar in meaning, it too is a symbol of a culmination of a consolidated globalized military unification system as part of the collective national basis of "power and authority", in the military realm of power eventually fully controlled by the 8th King world government;

2. In history and prophecy we have a foundational Global NATO of 1999 inception based on NATO but with a globalized military theater presence defined by Global NATO aligned with the United Nations concept of a globalization hub of many other military alliances supporting the globalist military establishment into national levels of application to expand into every nation on earth aligning or to be aligned into this system;

3. Thus the "mountain" symbolizes a "kingdom" as well, known in Bible symbology (Isa2:1-4), we know this "military establishment's" is an 8th King military kingdom which location is "earth", also described in connection with the "mountain" at Ezekiel 28:12-14; It is logical "Har" symbolizes a globalist 8th King military "kingdom" component based on planet Earth "mountain" worldwide, assembled for final Messianic Kingdom defiance ultimately;

4. In the Joel 3:9-17 prophecy of just such a globalized unified collective of all the nations' military systems soon leading in Joel 3:13-17 to a Revelation 14:17-20 parallel of Armageddon judgment and battle, we have another Biblical prophecy becoming world history of globalist 8th King developments now also culminating with the "Armageddon Formula", as no doubt part of the implication here below is a globalization of world militaries into a centralized globalist 8th King military administration based on earth and in space, and is not
going to be inexpensive to develop, maintain, and deploy to a suitable completion to meet God's 8th King taunt (Joel3:9) with His holy angelic "powerful ones" "army" to get the thing complete for settling the Har-Magedon score once and for all with the Messianic Kingdom:

( Joel 3:9-11) "Proclaim this (an 8th King proclamation in the Revelation 16:13 "inspired utterances" gathering the national powers to Armageddon as described above) you people, among the nations (worldwide climax), 'Sanctify war! Arouse the powerful men! Let them draw near! (advance into "holy city" proximity for Revelation 11:7 final 8th King attack (Dan11:41; Luke 21:20 parallel to Matt25:41-46) Let them come up (in Rev19:19-21 attack period of Rev16:13-16 at climax) all the men of war! 10 Beat your plowshares into swords and your pruning shears into lances. (implying a massive expense sacrifices world sustenance for globalist 8th King military build-up worldwide; compare Isa2:1-4; Micah4:1-4) As for the weak one (8th King), let him say: "I am a powerful man." (let the "super power" illusion drive the nations to think they can even take on God Almighty and Christ at Armageddon) 11 Lend your aid (national powers foot the actual bill for this project aiding the debt, national bankruptcy and financial implosion set-up for Daniel 11:42-43 financial consolidation into 8th King control as the "master creditor" and "land lord" of planet earth; (Dan11:39) accelerated and distracted by a final world war cycle to apex 8th King consolidated power and control) and come, all you nations round about, and collect yourselves together:" (Revelation 16:13-16) To that place (called in Hebrew Har-Magedon; Rev16:16), O Jehovah, bring your powerful ones (the holy angels and the full Kingdom of God) down. (to planet Earth as the "Har" "mountain" of the "magedon" "military establishment" in apex form);

( Joel 3:12-17) "Let the nations be aroused (by Revelation 16:13-16 developments) and come up to the low plain of Jehoshaphat (a symbol of divine judgment; for there I shall sit (Messianic Kingdom completion; Matt25:31) in order to judge all the nations round about. (in their final 8th King globally unified collective defiance) 13 "Thrust in a sickle, for harvest has grown ripe. Come, descend, for [the] winepress has become full. The press vats actually overflow; for their badness has become abundant (Revelation 14:14-20 parallel) 14 Crowds, crowds (of "the goats" as judged in the separation of Matthew 25:31-46 are in the low plain of the decision (ready for the divine judgment "decision" of Rev14:17-20 and Matt25:31-46 to be carried out), for the day of Jehovah is near in the low plain of the decision. 15 Sun and moon themselves will certainly become dark, and the very stars will actually withdraw their brightness. (parallels Matt24:29-31 and Rev6:12-17 events of Rev1:7) 16 And out of Zion Jehovah himself will roar, and out of Jerusalem he will give forth his voice. And heaven and earth certainly will rock; but Jehovah will be a refuge for his people, and a fortress for the sons of Israel. 17 And you people will have to know that I am Jehovah your God, residing in Zion my holy mountain. And Jerusalem must become a holy place; and as regards strangers (the 8th King and his "crowds" as Eze38 "congregation" of Gog of Magog), they will no more pass through her.

(Zephaniah 3:8-9) "Therefore keep yourselves in expectation of me; is the utterance of Jehovah, 'till the day of my rising up to [the] booty, for my judicial decision (Dan11:36 "the thing decided upon") is to gather nations, for me to collect together kingdoms (God allows 8th King to do this "gathering") in order to pour out upon them my denunciation (Dan11:36 "denunciation" as Armageddon at Daniel 11:45), all my burning anger; for by the fire of my zeal all the earth will be devoured. 9 For then I shall give to peoples the change to a pure language, in order for them all to call upon the name of Jehovah, in order to serve him shoulder to shoulder? (and humans surviving are "reset" into a "pure language" as the lingual effect of Genesis 11 divine intervention in the confusion of the languages is reversed, also a divine clue connecting this final 8th King globalization culmination to it's root attempt of Genesis 11 "tower of Babel");
The Overall "Great Tribulation" and "The Tribulation of Those Days"

1. Since we can now see the entire 8th King progression since 1914's World War 1 is all well engineered to create a final outcome of a world war resolution for an "admirable" (Rev13:3; 17:8) "world peace" effect to hoist the "disgusting thing" human 8th King UN world government up for all mankind to admire and worship as the "only hope of mankind" as the United Nation related presentation "solution" always follows the world war/world tribulation "problem" for such a global presentation and effect of this 8th King "solution"; (Rev13:3 Rev 17:8); Three times this has occurred since 1914;

2. As shown this is a 1-2-3-4 progression with three "world war to world peace" formulas cycled for this world government presentation in three world wars resolved so far completed, including the "cold war" (Dan11:29) which provided the 1990 3rd United Nations presentation (Dan11:31b) as a "new world order" initiative;

A. Incidentally that UN 3rd placement was "no news" at Bethel in relation to Bible prophecy, but was hailed in co-promotional world advertising by Bethel as UN NGO designate of 1991 in Awake!'s September 8th 1991 UN doting, quoting and promoting first issue, and others for 10 years as covert Bethel UN NGO; (Dan11:30-31; Matt24:15); Thus "they", the 8th King and Bethel in a foretold treasonous alliance including the UN NGO, certainly did "place the disgusting thing causing desolation" in that 1990 transition into the 3rd UN placement of Daniel 11:31b after WW3 as the unique Cold War; (Dan11:29); The Governing Body has it's own mini-version of the UN "disgusting thing" placed at Bethel as that UN NGO "Baal" annex since 1991;

3. But anyways, the "great tribulation" is also an 8th King controlled event that accompanies world wars in "hot" or "cold" intensities, and is not designed to consume the 8th King who will be the richest and most powerful globalist group on Earth in all human history since 1914's foretold 8th King world war cycle inception to enrich the 8th King (Dan11:30) throughout all the world wars and into the final prime conditions for this final 8th King master "checkmate" of all the nations; (Dan11:42-43; Rev17:11-17; 16:13-16);

Great Tribulation of "Earth" (Human) Origination

(Revelation 7:1) After this I saw four angels standing upon the four corners of the earth, holding tight the four winds of the earth...

1. The "great tribulation" is from the "four winds of the earth" in Revelation 7:1, so it is of the same origin as the "two-horned wildbeast from the earth" (Rev13:11) as well:

(Revelation 13:11) And I saw another wild beast ascending out of the earth, and it had two horns like a lamb, but it began speaking as a dragon.

2. The entire "great tribulation" is an 8th King engineered world process aided by the foundational basis of national "power and authority" in regulatory governmental systems, finance systems and military and martial systems applied in a complex orchestrated strategy as a world tribulation methodology, from national levels, empowered by the former three spheres of power upon billions of people in various and complex national societies subject to this power triad as it heads into total 8th King control;

3. That "tribulation" effect in social, economic and military realms affecting nations in various ways, accompanies world wars in "hot", and "cold" deployments as military wars, financial wars, currency wars, trade wars and corporate wars (and others) of 8th King globalist consolidation entities progressively absorbing
the power and authority of all national systems deployed on all sides of the national systems in these "wars" as classically being processes in apex profiteering and absorption in and after world war cycles ultimately enriching 8th King globalists;

A. As stated earlier a worldwide military system and it's supporting technological developments is not cheap, and this is why the globalists milk the nations for their world governmental projects, and world war is their main high volume, high profit and capital expanding "gravy train";

4. World war cycles accelerate the process because all national resources and labor power are directed towards national defense in an intensified manner whose conduits of profiteering and capital accumulation and expansion are in governmental, financial and industrial institutions who channel the resource windfall to international points unknown, unknown to national powers, which by design consolidate into globalist protected and well engineered reservoirs of power and wealth accumulation in the process internationally, in repeating ever stronger and 8th King consolidating world war cycles;

5. The globalist 8th King and globalist elite "two horned wildbeast" system overseeing that consolidation is well above and beyond national scope of sovereignty and power, as globalist intelligence understands the complex nature of all the national powers that are being milked and indebted, and providing the manpower for this systematic operation; That is the basic concept of how the globalist 8th King behind the control of government and industry, and international finance and markets, all deploying massive military administration; has accumulated such wealth and power by use of a complex system scarcely even seen or recognized by the national powers who are distracted by every sort of philosophical, national and or religious distraction during the war itself;

6. Thus as the global tribulation effect accelerates world war repeated 8th King consolidations of power at scales and complexities requiring reliable global information real-time, and advanced intelligence and enormous computer/satellite systems to process it in complex algorithms of predatory absorption to design, deploy, administer and track it, now for a good century of development towards the apex centralization of all global "power and authority" (Rev17:11-17), the globalist "north" system gets stronger in every cycle expanding into (Dan11:40) national "south" powers in a perpetual decline, more and more debt, finance and capital dependence on this globalist 8th King master creditor and chief project manager of this operation that has cycled three times since 1914, and is set for a fourth and final cycle of final consolidation;

7. In between these world wars, smaller versions of the process are played out over and over in national and regional wars on down to the street level as someone must finance and arm all these groups, and that war pyramid of providers is all ultimately wired into 8th King globalist dealers of information and technology, in all forms of advancement, that facilitates globalist profiteering while the nations are weakening and dividing themselves by tearing each other to pieces, at which time, as after world wars, the globalists and national providers also have a profiteering cycle in reconstruction "aid" that leaves those receiving such billions and millions in "aid" perpetually enslaved by more now post-war debt ultimately springing from the 8th King master creditor who also provides the pre-war debt; Thus before, during, and after wars of all kinds, upon both "winners" and losers, the 8th King globalists know how to milk the blood money for their own 8th King power consolidation and expansion; (Hab2:12) over, and over and over, and over again; By now it is a super-computer aided predatory science at all levels and scales, especially the international versions of this algorithmic matrix of predation and power and wealth absorption catalyzed by many forms of conflict, not just military;

8. Like world war, or war sciences in general, the generic overall "Great Tribulation" is thus a related "great" complex of 8th King engineered multi-component development of tribulation as a power and profit catalyst,
just as "the judgment" of 1Peter 4:17 also contains sub-judgments comprising the whole world judgment progression, and how military wars can scale from global to street gangs, it is more complex than commonly perceived and has phases or components; And in that complexity, expert, "state of the art of war" 8th King "insight" and deception rules as "the king" (Dan8:23-25; Dan11:36-39) because they are the masters of all these sciences and their technological developments, by aid of also demonic intelligence which is the ultimate "cerebral" complex (Rev12:3; Eph6:12) "seven head" mirroring and driving this whole development to Armageddon by the angelic capability of overseeing the "project" for millennia since Genesis 11 after the deluge of Noah's day, as humans come and go and have severely limited understanding and access to reliable information since especially pre-flood Genesis 3 time of the Eden sin;

Great Tribulation

1. This is the overall "great tribulation" paralleling Revelation 7:1 "four winds" meaning:

( Matthew 24:21-22) for then there will be\textit{great tribulations} such as has not occurred since the world's beginning until now, no, nor will occur again. 22 In fact, unless those days were cut short, no flesh would be saved; (implying an extinction mode is possible if not ceased but on account of the chosen ones those days will be cut short.

(Daniel 12:1) "And during that time Michael will stand up, the great prince who is standing in behalf of the sons of your people. And there will certainly occur a\textit{time of distress} such as has not been made to occur since there came to be a nation until that time.(great tribulation parallel);

(Revelation 7:14) "These are the ones (great crowd of human saved ones) that come out of the\textit{great tribulation}, and they have washed their robes and made them white in the blood of the Lamb.

2. We see this "tribulation of those days" spiritual judgment component of the overall "great tribulation" ends prior to Armageddon, but this is not the end of the overall whole "great tribulation" at Armageddon yet:

(Matthew 24:29-31) "Immediately after the tribulation of those days\textit{(the end of the spiritually related judgment)} the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. (a symbolism of all national power in an "eclipse" of power also exacerbated by globalist 8th King apex developments) 30 And then the sign of the Son of man will appear in heaven (like Rev12:1 "great sign" this is known by Christian before the Rev1:7; 6:12-17 globally seen event, shown here:) and then all the tribes of the earth will beat themselves in lamentation (Rev1:7), and they will see the Son of man coming on the clouds ("cloud" of Rev11:11-12) of heaven with power and great glory. 31 And he will send forth his angels(Jude14) with a great (7th) trumpet sound, and they will gather his chosen ones together from the four winds(also "the four winds" of the great tribulation in addition to all planet Earth)from one extremity of the heavens to their other extremity. (denoting also the comprehensive final gathering of anointed and earthly sheep);

The Divine Tribulation

(2 Thessalonians 1:6-8) This takes into account that it is righteous on God's part to repay tribulation (divine tribulation on specific targets making tribulation triggering this divine response to those (tribulation engineers) who make tribulation for you, (showing the ultimate tribulation is man made as 8th King engineered) 7 but, to you who suffer tribulation,(the great tribulation)relief along with us at the revelation of the Lord Jesus from heaven(Matt24:30) with his powerful angels 8 in a flaming fire
destructive component as Rev14:17-20), as he brings vengeance upon those...

1. That final selective tribulation is from God on the 8th King and company (Amos9:1-3 final phase of two);

Tribulation of Those Days Component

Jehovah's Witnesses

1. Thus the whole overall complex of global tribulation begins with the temple judgment desolation of Jehovah's witnesses beginning the "tribulation of those days" soon, which is a tribulation on spiritually related "religious" entities starting with Jehovah's witnesses in this 1Peter 4:17 and Revelation 8:3-5 parallel divine decree of the temple judgment:

(Daniel 8:13) “How long will the vision be of the constant [feature](profaned then temporarily removed and purified in the process; Dan11:31a)and of the transgression causing desolation(UN NGO), to make both [the] holy place and [the]/JW) army things to trample on?” (by the 8th King first attack providing temple judgment context as Rev16 first four plagues are active or activate at this JW temple desolation);

Babylon the Great

1. And in time the "tribulation of those days" ends with Babylon the Great's (BTG) spiritual judgment (Rev18:1-8; Rev16:12-16) in 8th King and national "ten kings/horns" deposition and destruction of BTG (Rev17:15-16), late in the world judgment process (6th plague) of Revelation 16's seven plagues as the well advanced 6th plague event set-up contains the BTG final positioning and cross-links BTG's presence to the Revelation 17:11-18 globalist 8th King world sovereignty consolidation as BTG is shown in each progression of Revelation 16 and 17's finale 8th King "gathering" and "power and authority" consolidation in the 6th plague:

(Revelation 16:12) And the sixth one poured out his bowl upon the great river Euphrates (BTG defense system), and its water (Rev17:15) was dried up (inoperably depleted of human support) that the way might be prepared for the kings from the rising of the sun (God and Christ ultimately rendering the BTG judgment through human 8th King and national "ten horns");

2. Which cross-links BTG events here:

(Revelation 17:15-16) And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns that you saw, and the wild beast, these will hate the harlot and will make her(J) devastated and naked, and (2) will eat up her fleshy parts and (3) will completely burn her with fire.

3. Which parallels the 6th trumpet sequence as the 5th trumpet/6th trumpet cross-links this 6th trumpet Euphrates event with 6th plague Revelation 16:12 and 17:15 "waters" and Babylon the Great asset pillage (stripped and devoured) prior to Babylon the Great total institutional and sovereign (Rev17:18 sovereignty) destruction:

(Revelation 9:13-15) And the sixth angel blew his trumpet. And I heard one voice(happens one time in final fulfillment of this replicating prophecy of Rev8-11 continuum repeating in the near future in a final sequence to 144000 completion and Armageddon) out of the horns of the golden altar that is before God
(in God's will, irreversible) 14 say to the sixth angel, who had the trumpet: “Untie the four angels that are bound at the great river Euphrates.” 15 And the four angels were untied, who have been prepared for the hour and day and month and year, to kill a third of the men.

Final Two Witnesses

1. As also the "two witnesses" are being "killed" in this 5th and 6th trumpet parallel (containing the two witnesses lead-in and final ministry) that is the symbolic symbol and basis of that world ministry deployed (Rev9:3-21) as the "little scroll" (Rev10) content of the "two witnesses" Kingdom completion message:

(Revelation 11:7) And when they have finished their witnessing (1260 days of Rev11:2-3), the wild beast that ascends out of the abyss of WW2 (Rev17:8-11) and now WW4 as Daniel 12:11 replicates) will make war (Dan11:44) with them and conquer them and kill them. (Dan12:11 "constant feature" removed fully)

2. Which places that finality at this final fulfillment 144000 completion event parallel to the events of Matthew 24:29-31:

(Revelation 11:11-13) 11 And after the three and a half days (a short unknown period after the constant feature is removed in the death of the "two witnesses") spirit of life from God entered into them (completing 144000 in that transition) and they stood upon their feet (Rev14:1), and great fear fell upon those beholding them. (Rev1:7; Rev6:12-17 timing) 12 And they heard a loud voice out of heaven saying to them: “Come on up here.” And they went up into heaven in the cloud (of Matt24:29-31 "clouds") and their enemies beheld them. (in the completed 8th King face; Ps110) 13 And in that hour a great earthquake occurred (Rev16:17-18 total 144000 completion at Christ 7th plague "air event" as IThess4:17 preceding IThess5:1-3), and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven. (final earthling "sheep" salvation effects);

3. We can note as well that Babylon the Great deposition aids the 8th King psychological "world peace" effect as the final world war and that tribulatory effect must also be ending to symphonize the whole world "peace and security" effect in it's greatest form ever, leading into the final placement of the UN "disgusting thing" also as the "two witnesses" "constant feature" is removed first:

(Daniel 12:11) “And from the time that the constant [feature] has been removed (1st event; Rev11:7) and there has been a (2nd event) placing of the disgusting thing (4th and final UN placement) that is causing desolation, there will be one thousand two hundred and ninety days.

4. Thus the "little scroll" message is part of the "reports that will disturb" the 8th King identical to the final "King of the North", triggering the Revelation 11:7 attack context as part of the overall 8th King final destructive operations are linked in time and events in prophecy:

(Daniel 11:44-45) “But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. (provides Rev11:7 8th King attack context) 45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; (plural palatial "tents" as earthly symbolism of UN world government in 4th placement as counterfeit of God's Kingdom and at God's Zion "location") and he will have to come all the way to his end (Armageddon denunciation of Dan11:36), and there will be no helper for him. (Satan goes down as Gog "guard" (Eze38:7) "from the remotest parts of the north" as well
as Rev19:19-21 leads to Rev20:1-3);

(Daniel 8:25) And according to his (globalist unique) insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs (world rulership of all power and authority definitions) and during a freedom from care (peace and security of 1Thess5:1-3) he will bring many to ruin. (an independently deployed 8th King one-sided attack) And against the Prince of princes he will stand up (in fourth and final UN placement and proclamations) but it will be without hand that he will be broken. (destroyed by God's Kingdom at Armageddon; Dan2:31-45);

5. All those attacks are as World War 4 is ending because that world war resolution creates the context of these identical final and fourth placements of the UN world government and these attacks are on various resistors or depopulation targets; Thus these phases of "annihilate and to devote many to destruction" and "he will bring many to ruin" and "make war with them and conquer them and kill them" are all independent 8th King one-sided operations utilizing anything now in their power as apex 8th King ruler;

6. The final form of ascension of that globalist wildbeast 8th King out of the "abyss" of inactivity (Rev11:7) caused by the final world war of the future, as was the case after the second world war produced the United Nations as the result of the first ascension (Rev17:8-11), also indicates a world war four of some form will also be resolving or resolved when the "two witnesses" are warred with as the Christians wage a spiritual warfare also on the 8th King to escalate to spirit form annihilation of the 8th King in full Messianic Kingdom power as that final spiritual war aids 144000 completion; (Rev14:1; 17:14);

7. Thus we see to it is a selectively applied tribulation as also a "freedom from care" is also active in this finale period "during" a freedom from care final attack also being deployed by the uni-polar, post WW4 8th King, as this complex worldwide variable condition ebbs and flows as those closest to globalist power live in luxury and celebration (for a time) (Rev11:10) while those furthest away and in opposition to such power suffer from the 8th King engineered oppression; (2Thess1:6-10);

A. The "great tribulation" is not upon the whole world, it is orchestrated for various 8th King purposes as God also uses it for four plagues of Revelation 16 world judgments to "rock the nations" (Hag2:7) in final form to effect repentance and the final judgment determinations; The divine tribulation repayment of 2Thessalonians 1:6-10 will be worldwide (at 1Thess5:1-3 UN 4th placement timing), but also selective only God's enemies; (Duet7:9-10; Rev14:14-16; Matt25:31-46), and it will end the "great tribulation" by full Messianic Kingdom power that will have separated and secured the final "great crowd" of "sheep" to witness it: "to be regarded in that day with wonder in connection with all those who exercised faith"; (2Thess1:10; Rev7:9-17);

**Final World Judgment**

1. Inverting the meaning of Jesus Christ's clue also shows that while war or world war is active, the end will not arrive yet:

(Matthew 24:6) you are going to hear of wars and reports of wars; see that you are not terrified. For these things must take place, but the end is not yet.

A. But as the 8th King fourth UN world government places it's final time, resolving all war but its own against God (Babylon the Great and various national prey; (Matt24:29; Dan8:25b)), the "wars and reports of wars" between nations will have ceased in that world "peace and security" period (1Thess5:1-3) of an actual "freedom from care" and then the end can actually come as also shown in prophecy by Christ's clue inverted, because now all war "power and authority" is in 8th King hands and that sole 8th King consolidation of power
utilizing a globalist unified national collective of all the nations (Rev16:13-16) is finally the true and full "Har-Magedon" global situation and condition of a consolidated globalist controlled worldwide military system God and Christ are targeting in it's unified and final form in apex final sovereign defiance to a Messianic Kingdom power now completed and ready for "the war of the great day of God the Almighty";

(Matthew 24:6 inverted) you are going to hear of [NO] wars and [NO] reports of wars [as final 8th King "peace and security" proclamation; see that you are not [misled]. For these things must take place [first], [and then the end will come]...

(Matthew 24:14) And this good news of the kingdom(completion) will be preached (Rev10:11 "again" as final "two witnesses" to Rev11:7 completion) in all the inhabited earth for a witness to all the nations(as second and final "two witnesses"), and then the end will come.

2. That is why the Matthew 24:6, 14 "the end" comes after this final UN world government "placement" and it's sovereign worldwide claims of world rulership in "peace and security" providing the "freedom from care" brief, but well perceived period aiding the overall "world peace" effect of the final UN world government placement:

(1 Thessalonians 5:1-5) Now as for the times and the seasons, brothers, you need nothing to be written to you. 2 For you yourselves know quite well that Jehovah's day is coming exactly as a thief in the night. 3 Whenever it is that they are saying (multiple apex proclamations): “Peace and security!” then sudden destruction is to be instantly upon them (the ones "saying" world peace, hence not great tribulation (which they engineer as "those who make tribulation") but divine tribulation and and final annihilation) just as the pang of distress (of divine tribulation) upon a pregnant woman; (birthing final 8th King UN entity) and they will by no means escape. (this final "peace and security" proclamation round accompanying the final UN placement is the end in this "freedom from care" parallel segway to Armageddon) 4 But you, brothers, you are not in darkness, so that that day should overtake you as it would thieves, 5 for you are all sons of light and sons of day. We belong neither to night nor to darkness.

3. Which 1 Thessalonians 5:1-5 prophecy is just preceded by this "Lord in the air" prophecy of that parallels Revelation 16:17 as implying the 144000 completes from live members of Christ's body:

(1 Thessalonians 4:17-18) 17 Afterward we the living who are surviving will (through this near end of the great tribulation), together with them, be caught away in clouds to meet the Lord in the air; (Rev16:17) and thus we shall always be with [the] Lord. 18 Consequently keep comforting one another with these words.

4. In the "Lord in the air" event:

(Revelation 16:17) And the seventh one poured out his bowl upon the air. At this a loud voice issued out of the sanctuary from the throne, saying: "It has come to pass!"

5. Being gathered in this final gathering parallel to Matthew 24:29-31 (Mark13:4-27) events:

(Luke 17:34-37) 34 I tell you. In that night(of great tribulation near ending as "eclipse" of "sun. moon and stars" of world societal "lights" of Matt24:29 and Rev6:12-17)two [men] will be in one bed; the one will be taken along, but the other will be abandoned. 35 There will be two [women] grinding at the same mill;
the one will be taken along, but the other will be abandoned.” (final separation of Matt25:31-46) 36 ——
37 So in response they said to him: “Where, Lord?” He said to them: “Where the body (main Christ body "gathering" "shall be changed" (1Cor15:51-52 as 1Thess4:17 "we who are surviving" as spirit form anointed completing 144000 in the "air" with Christ is, there also the eagles(anointed; Rev8:13) will be gathered together.” (2Thess2:1 "gathered");

(Mark 13:24-27) “But in those days, after that tribulation(identical to "the tribulation of those days") the sun will be darkened, and the moon will not give its light, 25 and the stars will be falling out of heaven, and the powers that are in the heavens will be shaken. (Rev6:12-17; Matt24:29) And then they will see the Son of man coming in clouds with great power and glory. (Rev1:7) 27 And then he will send forth the angels and will gather his chosen ones together from the four winds, from earth’s extremity to heaven’s extremity. (Jude14-15);

6. And Enoch’s prophecy indicates God can "gather" the final 144000 by Christ in supernatural ways as Enoch’s clue is provided in his parallel prophecy to this great event as he was "transferred" before this event below, he foretold by God’s spirit parallel to this final angelic gathering just described, also paralleling the final fulfillment meaning of 1Thessalonians 4:17 parallel to 1Corinthians 15:50-51 principles:

(Jude 14-15) Yes, the seventh one [in line] from Adam, Enoch(prophesying leading to also a world judgment context of Noah’s day), prophesied also regarding them, when he said: “Look! Jehovah came with his holy myriads, 15 to execute judgment against all, and to convict all the ungodly concerning all their ungodly deeds that they did in an ungodly way, and concerning all the shocking things that ungodly sinners spoke against him.”

Messianic Kingdom Complete in the Face of an Also Complete 8th King World Sovereign Contender

1. The purified temple condition (Daniel 8:14 parallels Zechariah 3:4-5) results in the Revelation 10 "little scroll" re-commission (paralleling Zechariah 3:6-8) as "two witnesses" final Christian ministry which main import is Kingdom completion and all these final replication developments in prophecy and world events being described by the prophecy all culminating and included in the "little scroll" "report":

(Revelation 10:5-7) And the angel that I saw standing on the sea and on the earth raised his right hand to heaven, 6 and by the One who lives forever and ever, who created the heaven and the things in it and the earth and the things in it and the sea and the things in it, he swore: “There will be no delay any longer; 7 but in the days of the sounding of the seventh angel, when he is about to blow his trumpet, the sacred secret of God according to the good news which he declared to his own slaves the prophets is indeed brought to a finish.”

2. Which deploys into a 1260 day (Rev11:2-3) Kingdom completion sovereign ultimatum and final warning, enveloped by the temple recovery 5th and 6th trumpet truth "invasion", eventually "disturbing" and prophetically fully exposing the completing 8th King system to finally regroup and be "disturbed" for a second attack on the now pure temple which actually seals the 8th King fate by aiding the completion of the 144000 (in this element of Rev6:9-11) and the final events leading into live pre-Armageddon final "sheep and goat" separation and the "war of the great day of God the Almighty", which 144000 completion in final fulfillment is symbolized in this final progression of the Adamic era:

(Revelation 11:7-14) And when they have finished their(1260 days of) witnessing, the wild beast that ascends out of the abyss(as final world peace 8th King ascension into 4th UN placement)will make war
with them and conquer them and kill them. 8 And their corpses will be on the broad way of the great city which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled. 9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days, and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another, because these two prophets tormented those dwelling on the earth. (thus some humans at that time are not in a tribulatory, but "freedom from care" condition) 11 And after the three and a half days (s symbolic final transition to 144000 completion) spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: "Come on up here." And they went up into heaven in the cloud (same cloud as Matt24:30 "clouds") and their enemies beheld them. (in the 8th King’s face as Rev6:12-17) 13 And in that hour a great (temple/Kingdom completion) earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven. (effects some final repentance); 14 The second woe is past. Look! The third woe is coming quickly. (leads to 7th trumpet finalization of full Messianic Kingdom conquest of the earth (Rev19:19-21) and the universe from Satan and the demons (Rev20:1-3);

3. Which results in Christ and the Messianic Kingdom final conquest at 7th trumpet timing:

(Revelation 11:15-19) And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: “The kingdom of the world did become the kingdom of our Lord and of his Christ, and he will rule as king forever and ever.” 16 And the twenty-four elders who were seated before God upon their thrones fell upon their faces and worshiped God, 17 saying: “We thank you, Jehovah God, the Almighty, the One who is and who was, because you have taken your great power and begun ruling as king. 18 But the nations became wrathful, and your own wrath came, and the appointed time for the dead to be judged, and to give [their] reward to your slaves the prophets and to the holy ones and to those fearing your name, the small and the great, and to bring to ruin those ruining the earth? 19 And the temple [sanctuary] of God that is in heaven was opened, and the ark of his covenant was seen in his temple [sanctuary]. And there occurred lightnings and voices and thunders and an earthquake and a great hail.

4. Which 7th trumpet finality must follow this Christ "air event" as he arrives in full power in that "air" to complete the 144000 to aid the final separation of the sheep and the goats and final Armageddon events also culminating in this finality, such as Babylon the Great fully judged in the 6th to 7th plague transition as the 8th King is deposing Babylon the Great to aid the fourth United Nations world government 8th King "scarlet wildbeast" "placement":

(Revelation 16:16-18) And they gathered them together to the place that is called in Hebrew Har–Magedon. 17 And the seventh one poured out his bowl upon the air. At this a loud voice issued out of the sanctuary from the throne, saying: “It has come to pass!” 18 And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great.

(Revelation 16:19-21) And the great city split into three parts, and the cities of the nations fell; and Babylon the Great was remembered in the sight of God, to give her the cup of the wine of the anger of his wrath. 20 Also, every island fled, and mountains were not found. 21 And a great hail with every stone about the weight of a talent descended out of heaven upon the men, and the men blasphemed God due to the plague of hail, because the plague of it was unusually great.
This is the final full manifestation of Christ at this time, also shown in preliminary form at Revelation 6:1, now finalized:

(Revelation 6:1-2) And I saw when the Lamb opened one of the seven seals, and I heard one of the four living creatures say with a voice as of thunder: “Come!” 2 And I saw, and, look! a white horse; and the one seated upon it had a bow; and a crown was given him, and he went forth conquering and to complete his conquest.

"To complete his conquest":

(Revelation 19:11-21) And I saw the heaven opened, and, look! a white horse. And the one seated upon it is called Faithful and True, and he judges and carries on war in righteousness. 12 His eyes are a fiery flame, and upon his head are many diadems. He has a name written that no one knows but he himself, 13 and he is arrayed with an outer garment sprinkled with blood, and the name he is called is The Word of God. 14 Also, the armies that were in heaven were following him on white horses, and they were clothed in white, clean, fine linen. 15 And out of his mouth there protrudes a sharp long sword, that he may strike the nations with it, and he will shepherd them with a rod of iron. He treads too the winepress of the anger of the wrath of God the Almighty. 16 And upon his outer garment, even upon his thigh, he has a name written, King of kings and Lord of lords. 17 I saw also an angel standing in the sun, and he cried out with a loud voice and said to all the birds that fly in midheaven: “Come here, be gathered together to the great evening meal of God, 18 that you may eat the fleshy parts of kings and the fleshy parts of military commanders and the fleshy parts of strong men and the fleshy parts of horses and of those seated upon them, and the fleshy parts of all, of freemen as well as of slaves and of small ones and great.” 19 And I saw the wild beast and the kings of the earth and their armies gathered together to wage the war with the one seated on the horse and with his army. 20 And the wild beast was caught, and along with it the false prophet that performed in front of it the signs with which he misled those who received the mark of the wild beast and those who render worship to its image. While still alive, they both were hurled into the fiery lake that burns with sulphur. 21 But the rest were killed off with the long sword of the one seated on the horse, which [sword] proceeded out of his mouth. And all the birds were filled from the fleshy parts of them (Eze37:17-19);

(Revelation 20:1-3) And I saw an angel coming down out of heaven with the key of the abyss and a great chain in his hand. 2 And he seized the dragon, the original serpent, who is the Devil and Satan, and bound him for a thousand years. 3 And he hurled him into the abyss and shut [it] and sealed [it] over him, that he might not mislead the nations anymore until the thousand years were ended. After these things he must be let loose for a little while.

It all STARTS with the temple judgment of Jehovah's witnesses indicated now by the Bethel apostasy and Governing Body "man of lawlessness" Kingdom completion phase prerequisite;

Be Careful What We Ask For - We Just Might Get It;
Case in Point: "Let God's Kingdom Come..."

The modern activation of divine Messianic Kingdom completion signaling prophetic fulfillment from God and Christ will activate and progress simultaneously with the rival globalist world government "8th King" also maturing over some years as per paralleling prophecy manifesting worldwide over Biblically marked prophetic periods all the way to Armageddon Divine War final global sovereign resolution. (Revelation 16:13-18 is
Final Temple Judgment and Jehovah's Witnesses

Revelation 19:11-21 is Joel 3:11-17 is Revelation 14:14-20 at Ezekiel 38-39 timing);

This should prove to be quite astounding for a number of reasons;

1. It is compulsory Kingdom completion and sovereign conclusion prophecy that must complete; (Matthew 5:17-18; Matthew 6:9-10; Revelation 10:5-7)

2. It is not surprising that a prelude final sovereign divine warning and invitational salvation announcement would be made known prior to the final inevitable "Kingdom Come" completion guided by God and Christ as foretold; (Revelation 10-11; Zechariah 4, 8, 9; Psalm 110)

3. The western world (and others), having prayed in the "Lord's Prayer": "Let Your Kingdom Come" (Matt6:9-10) - for approximately 2000 years in Roman and European "Kingdom" developments related to Christianity and Christendom - which makes this actual 'Kingdom of God' manifestation presumably expected and not really surprising for some people, being what has been asked for of all those centuries of that prayer being prayed with this specific Kingdom request;

4. Eventually the human world governmental 8th King globalist developments will activate and progress concurrently with God's Kingdom and must mimic the final true Kingdom of God manifestation claiming to be it as both head for apex sovereign power conflict at the same time reliably mapped by modern final prophetic fulfillment in a final replication fulfilling while it is all occurring; (Daniel 2:31-45; Daniel8:11-25; Daniel 11:40-45, 12:1-12; Daniel 7:25-26 is Daniel 12:7 is Revelation 11:2-7);

5. All world history and sovereign Kingdom prophecy will symphonically converge in a summary battle prelude synergy of final fulfillments over a number of years marked by great signal activations such as:

A. The full revelation and expulsion of the modern fulfillment "man of lawlessness" "in the temple of the God' in Jehovah's Witnesses (JW) Governing Body (GB) based and led apostasy; (2Thessalonians 2:1-12; Zechariah 3:1-3); GB modern revealed "Man of Lawlessness" (MOL);

B. The completion of foretold final temple inspection and the judgment of Jehovah's Witnesses temple arrangement; (Daniel 8:11-14; Revelation 8:1-13; Zechariah 3:1-10; Malachi 3:1-5);

These are just some of the features that make this coming ominous and hopeful unfolding period unique identified by divinely mapped reliable prophecy as Daniel 11:27-45; 12:1-12 converges with Revelation 8-11 paralleling Revelation 15-16 pulling in all prophetic principles from the other prophets as this culminates to the completion over a number of years in marked signal periods and worldwide significant events;

The Competitive "Kingdom" Mimic is Required

The parallel diametric dual sovereign government developments in globalist world government and God's Kingdom Messianic agency are concurrent in final developmental progressions to completion;

Terminal prophecy is soon to activate fully upon foretold features of respective objectives in simultaneous progressions, and are identifiable because of a great Kingdom and Temple prophetic framework that is fulfilling concurrently while these events develop over prophetically marked phases. This critical prophetic replication fully describes the main features of comprehensive developments of both vying world kingdom (Rev11:15-18) powers and their culmination towards eventual conflict at Armageddon; (Revelation 16:13-16;
The following categories of foundational world power components in diverse forms based in national spheres will undergo foretold globalist consolidations to a sole world sovereignty; This uni-polar globalist 8th King power will be above and beyond any national or national bloc scope of power present in world history. This globalist world government unification is to be effective by utilizing the foretold subservient transformation of "power and authority" (Rev17:11-17) basis in many nations towards globalist interests of world government in totality; (Daniel 11:42-45; 8:23-25);

These spheres of foundational national "power and authority" in government, military and finance will consolidate (Rev17:11-17 at Daniel 11:42-43 progressions) into globalist world control in progressive globalization of an apex:

1. World Government

A. Daniel chapters 2, 7, 8 11-12 benchmarked prophetic progressions will culminate in one "full bodied" world wide globalist world government as per parallel climax progressions of Revelation 16:13-16, 17:12-18 leading to Revelation 19:19-21; (Ezekiel 38-39);

B. This is pictured by the whole human "dreadful image" in full in Daniel 2:1-45 which must be "standing" (Dan2:31) at Armageddon in this completed ultimate form symbolic depiction of world government apex in 8th King (scarlet wildbeast) meaning.

2. World Military

A. The globalist world military system must consolidate apex power to provide the competitive globalized basis of resistance to God's Kingdom as foretold at Joel 3:9-17 as the "gathering to Armageddon" of Revelation 16:13-16 progresses with these comprehensive "power and authority" components (government, military, finance) transferred from national collective spheres of divided nations into a unified globalist consolidation of world sovereignty;

B. Globalist self-credited war operations since 1990 (Gulf War) provided the expansive basis of Global NATO (1999) readied for further global expansion in the "Global War on Terror" (2001) as a preparatory positioning for final world war eventualities all fulfilling Daniel 11:40 (and other prophecies) progressively.

C. These are all globalist developments fulfilling prophecy uncommented on by the Governing Body of Jehovah's Witnesses internal globalist infiltration running Bethel and the JW worldwide organization to further globalist developmental secrecy as this GB led apostate Bethel "invasion" is Daniel 11:30-32 noted in Daniel 11:41fulfilling in the Governing Body (GB) modern "man of lawlessness" (MOL) factions as well; (Daniel 8:11-14 "(UN NGO) transgression causing (JW org signal timed) desolation");

3. World Finance

A. World national financial debt intrigues, engineered worldwide economic implosions and massive globalist finance investment con games will aid the receivership of whole nations financial infrastructures to globalist master credit and logistic systems as foretold in the "Egypt" "King South" becoming subservient to globalist world wealth "rulership" at Daniel 11:42-43 yet to finalize;

B. None of these Daniel 11:36-43 developments could be fulfilled by the fallen USSR (see Daniel 11:36) as
the compromised Governing Body of Jehovah's Witnesses is promoting in purposeful error to cover-up and divert attention from actual globalist 8th King (King North final) United Nations (UN) developments made certain in 1990 as *third of four total* "disgusting thing" world proclamation after world "Cold War" was made (with GB aid); (World war 3 (Cold War) of a different nature; Daniel 11:29);

4. World Religion

A. Terminal deposition of "Babylon the Great" (BTG) world religious sovereignty; (Rev17:14-16, 18) at point of apex globalist world "power and authority" consolidation;(Rev17:12-18) is shown in Revelation 16 6th bowl/plague concurrency just prior to Armageddon full "global situation" (Rev16:12-16);

B. This means BTG is actually present to the near conclusion of all power by God's Kingdom as a handy globalist 8th King deposed prop; (Rev17:12-18) to aid the world "peace and security" illusion at "freedom from care"; (Dan8:25) timing of 1Thessalonians5:1-3;

C. Jehovah's Witnesses, not Babylon the Great, are the first to undergo globalist national proxy aided divinely permitted and decreed "siege" of complex sorts worldwide as signal temple judgment marked time period of Daniel 8:14; (1Peter4:17 is Daniel 8:13-14 is Zechariah 3:1-6);

The Real Thing

God's Kingdom is also making announcement during the above globalist progressive world government drive concerning:

1. Guaranteed universal and world conquest as per active prophecy in fulfillment;

2. Kingdom impending completion;

3. Temple completion;

4. Final ministry of "two witnesses" final sovereign warning and Messianic Kingdom ultimatum;

5. Final war with God and Christ at Armageddon;

Final Ministry

All these features and much more related world developmental and prophetic detail will be going into climax culmination in both God's Kingdom and 8th King globalist world government at the same time as foretold over the final prophetic sequence fulfilling while it is being proclaimed;

This truth becomes the convincing basis of the actual final Jehovah's Witnesses (JW) Christian ministry after "man of lawlessness" temple judgment and purifying expulsion of that "1/3" criminal element in Jehovah's Witnesses organization; (Revelation 8-11; Zechariah 3)

Unmistakable Signal
The entire final sequence begins with the JW "house" judgment signal indicating a divine prophetic replication has begun; (1Peter4:17);

The starting signal "temple judgment" period is timed as a temple purification divinely marked event so remaining recovering JWs and others can start understanding Bible and world reality that centers on this initiation of Daniel 8:14 timed period of 1150 days minimum temple "evening" to "morning" development and where it is leading progressively;

Revelation 8:1-5 is temple purification (Zech3:4-6) unto divine recovery (Zech3:7) enlightenment; Revelation 8:6-13 is the temple judgment alarm signals paralleling Daniel 8:13-14 in ways to be revealed at that inevitable time.

The Revelation 16:1-9 first four plagues on the worldwide system (Haggai 2:7) must parallel and be concurrent in some ways with the first four trumpets and temple JW "earth" events of Revelation 8:1-5; Revelation 8-11 parallels simultaneously with Revelation 16 to complete culmination of "all things written";

Why Are Jehovah's Witnesses 23 Years Behind Reality?

The modern "man of lawlessness" "lifted up" and "seated" at Bethel, represented by the Governing Body globalist installed cabal; (Dan11:30-32, 41), has been impeding truth awareness (Dan8:12b) to aid globalist 8th King UN covert interests as prophecy must fulfill centered on JWs and MOL developments leading to this wake up call JW judgment first; (Zech3:1-3; 2Thess2:1-3; 1Peter4:17);

Prophecy is active real-time even now in GB MOL "in the temple of the God" and the JW Bethel based worldwide apostasy of JWs (Dan11:32 is 2Thess2:3 signal) to a limited but severe degree indicates this "temple inspection" phase is active and nearing completion; (Zechariah 3:1-3; Malachi 3:1-5; 2Thessalonians 2:1-3);

Man of Lawlessness foretold diversions and cover up is why:

1. Jehovah's Witnesses are unaware and misled anticipating a simplified and premature "end all" expectation that is untrue;

2. Jehovah's Witnesses are in severe intensifying apostasy now with the MOL "Governing Body";

3. That truth subverting lawless element must be divinely removed amidst massive JW organizational turmoil; (Daniel 8:13-14 creates Revelation 9:1-4 conditions for JWs);

4. That will be in tangent with other 8th King globalist world events activating with worldwide effects to take advantage of the misled, apostatizing and downed JW ministry to proceed unexposed by prophecy to foretold apex conditions that will lead to all-out divine super-war (Armageddon; Rev16:12-16) with the "Kingdom of Heaven", the "Kingdom of Christ" True Universal Supra-Power; (Also, as shown, completing at the same time: Revelation 11:7-19 is Matthew 29:31-46 is Revelation 6:12-17 is Daniel 7:26 is Matthew 25:31-46 final "sheep and goat" separation at Revelation 16:17-18 time; Revelation 10:6-7)
Man of Lawlessness Revealed Now

This is why the self-invented celebrity "Governing Body" "Man of Lawlessness" is identified in preliminary form now (2Thess2:3) and is the target of divine removal (Zech 3:4-6) after a permitted and prophetically timed (Dan8:14) climax period of foretold temple "established place" desolation signaling the start of an irreversible prophetic cycle (Dan8:11-14; Daniel 8:13-14 is Revelation 8:1-13 activating - soon) that continues to Armageddon over more detailed prophecy which the Daniel 8:14 timed "temple judgment" period connects into; (Revelation 9-11; Revelation 16)

This is why JWs are in perpetual 1990 retrograde fossil spirituality and not discerning the masterful lawless charade (2Cor11:13-15) being carried out by the "Governing Body" "Man of Lawlessness" as guided and connected to 8th King central control for this purpose as foretold in detail; (Daniel 11:30-32, 41; Daniel 8:11-13);

Governing Body "Man of Lawlessness" Engineered Diversion

Erred prophetic interpretation continually promoted by MOL GB (Dan8:12b) is why JWs are unaware Daniel 8:11-14 and Daniel 11:30-32, 41 are active in Bethel globalist infiltration right now, notably since the 1990 United Nations Department of Information partnerships (UN NGO). The objective of that alliance is for promoting 8th King world government United Nations 1990 3rd world placement (Daniel 11:31b) by door to door publicity campaigns and organizational ministerial production unbeknownst to the average JW as individual members or associates of the Watchtower Bible and Tract Society Non Governmental Agency of the United Nations globalist world governmental developers;

It is Scarlet Wildbeast 8th King free advertising agency (JWs) campaigning with the "New World Order" initiative of the 3rd placement United Nations post Cold War worldwide proclamation fulfilling Daniel 11:31;

The Governing Body of Jehovah's Witnesses lead infiltration unit ("man of lawlessness") is fulfilling signal prophecy NOT explaining it.

They are covering it up with expulsion threat tactics and parroting the now dated JW prophetic past among other devices to mislead and divert JWs into a surprise temple judgment played off by the enemy GB as "great tribulation" terminal Armageddon leading "end all" event to further confuse JWs;

But in fact this is the foretold temple judgment purifications which activate the beginning of the final multi-year cycle of prophetic periods and events leading to Armageddon, not the end of the cycle -but the beginning of the final cycle. This is fraud GB error which is promoted to add to JW confusion and delay as the 8th King system embarks on the final world drive to complete full bodied "scarlet wildbeast" world government over a number of years of culminating prophetic fulfillment in modern form simultaneously with God's Kingdom completion drive.

The globalist and Governing Body cover-up and deception objective is to attempt to make sure none of these truths are known to aid their 8th King covert goals and objectives.

JW Reality Check
Final Temple Judgment and Jehovah's Witnesses

After the JW organization is desolated to the divine degree to effect massive changes by purification by divine intervention - what actually has to take place is:

8th King Culmination Developments Foretold - Finalizing globalism in three 8th King consolidating components of world "power and authority" by transferring national sovereignty to globalist uni-polar sovereignty has to complete - which takes some years; (Revelation 17:11-13, 17 during Daniel 11:42-43 culmination);

All these forms of current national dominant "power and authority" shown below are transferring in Revelation 17:11-13, 17; Daniel 11:42-43 progressions accelerated by engineered world events to globalist control over this final prophetic and developmental period:

1. World Government
2. World Military
3. World Finance

That culmination of power to globalist centralism requires more time for progressive consolidation of power worldwide.

This coming apex 8th King manifestation, years after JW organizational foretold desolation (and Rev9 recovery), will be far more extensive and powerful than the "United Nations" proxy forum "wildbeast" "image" (Rev13:11-13), it will be the real complete "scarlet wildbeast" actual world government totality (Revelation 17:11-17)

A final recovered (Rev8-9) Jehovah's witnesses ministry in Revelation 10-11, where temple judgment of Revelation 8-9 leads, must be completed; (Revelation 11:1-7);

That leads to temple and Kingdom 144000 completion and the full manifestations of God Messianic Kingdom with Jesus Christ temple coronation; (Zechariah 6:9-15; Zechariah 4:6-10 at Matthew 24:29-31; Revelation 6:12-17; Revelation 16:16-18 time);

Eventually 8th King Resistance of JW Ministry Aids Prophetic Identification

For now the 8th King globalists have JWs duped by agents in the GB and Watchtower Bible and Tract Society and related supports in top down fashion.

But that condition is actually going to reverse and become the foundational basis of worldwide exposé and of the temple purification which will become full global news identifying the Governing Body as a MOL "man of lawlessness" modern operation from 1976 incept that took years to manifest it's true evil character unmistakably; (2Thess2:3).

In 2Corinthians 11:13-15 principle of transformation and demon aided deceptive mastery this compromise is very well disguised under a formerly valid and still prophetic JW world ministry in order to attempt to destroy that potentially 8th King revealing world ministry in a dynamic final coup "checkmate" move along with
globalist 8th King world intrigue aid; (Hosea; Hosea 1:4-7);

Dual Globalist Attack

Actually two globalist attacks are foretold with an unknown duration interim recovery period between them for the final JW ministry recovery and recommission as Revelation 10 is Zechariah 3:7 leading to Revelation 11 final world JW ministerial warning;

This is how the Bible future unfolds:

1. Round 1 Globalist Attack

A. Man of Lawlessness Originates with Globalist Planning

B. Foretold JW Infiltration Development Provides "Apostasy" of 2Thessalonians 2:3 as Daniel 11:32;

C. JW Gradual Apostate Development as a Whole Fulfills in Daniel 8:11-13;

D. JW Gradual Apostate Development as a Whole Fulfills is "1/3" Wormwood Effects of Revelation 8;

E. JW Gradual Apostate Development as a Whole Fulfills "Befouled Garments" of Zechariah 3:1-3;

2. Recovery

These apostate infiltration led developments result in final temple judgment and "established place" climax desolation as the tribulatory context of MOL removal and temple purification fulfilling Zechariah 3:1-10 progressively from this "befouled" state (Zech3:1-3);

A. This Parallels Revelation 8:1-5 "altar fire" as Zechariah 3:2 "fire" and Malachi 3:1-5 refinement over four trumpet events of Revelation 8:6-13;

B. Globalists are removed from the temple (Zechariah 3:4-6) and neutralized in the field (Hosea 1:4-7; Isa66:6) in stealth angelic operations foretold;

C. World JW recovery and ministry proceeds over 6 trumpets and plagues providing known segway (Rev8-9) and prophetic bridges to the final 1260 day final "two witnesses" (Rev10-11) Kingdom proclaiming ministry; (Revelation 8-11 parallels Revelation 15-16);

3. Round 2 Globalist Attack

A. This results in a successful final 1260 day final warning campaign and then the final globalist attack (Rev11:7 is Daniel 11:440-45 timing) on the JW temple ministry as per Revelation 11:2-3 culminating at Revelation 11:7 around Revelation 16:10-18 approximate timing;

This references explicitly or by principle the finalizing 3.5 times (1260 days) to complete 7 times requirement of "holy city" trampling as 2520 days in a number of key prophetic progressions: Daniel 7:25-26; Daniel 12:7; Revelation 12:6,14; Revelation 13:5, connecting elements of these initial fulfillments to the final cycle leading to God's Kingdom completion and final judgment of the "sheep and the goats" as Daniel 7:26 is Matthew
Final Temple Judgment and Jehovah's Witnesses

25:31-46 at Revelation 6:12-17 time as Revelation 14:14-20; (That is activating at temple/kingdom completion time of Revelation 11:11-19 as the "measured" temple (Rev11:1) of 144000 must complete prior to Armageddon conquest;)

The globalist 8th King is also culminating at the same time providing the unified uni-polar Armageddon "loser" entity to receive the full reaction of Christ's Kingdom come response in Armageddon total "War with God"; (Over Daniel 7:26, 12:11 timing)

====

Other Globalist Inspired "False prophetic" Mimics

====

Since unique climax progressions are plainly seen foretold and developing from globalist world governmental developments seen worldwide, the appearance of a divine competitive "mimic" final false proclamation (1Thess5:1-3; Dan8:23-25) is guaranteed to also develop in greater intensity from soon further divinely bedarkened globalist camps; (Rev16:10) this further guaranteed as the true divine "Kingdom Come" certainty will naturally become clearer and clearer to those paying attention to BOTH Bible prophecy and world events; (2Peter1:19-21);

The final warning and divine sovereign ultimatum will also get clearer as "little scroll" (Rev10-11) delivered full "reports"; (Daniel 11:44-45);

Since this unique culmination of God's Kingdom development and power conquest finalizing is guaranteed to intensify as time goes on and to become unmistakably prophetically verified, the 8th King world distraction and mimic system is an obligation of that doomed power's contingency planning to effect the illusion of it's own world rulership validity to the greatest degree possible prior to inevitable complete annihilations;

Many features of this "false prophetic" deceptive front are Biblically foretold and or logical from former globalist world government modes of operation and deception since 1914's use of World War 1 and the handy "hopeful" "League of Nations" that gave "birth" to;

This is the same pattern was used as World War 2 resolution (1945) and the United Nations panacea was conveniently being presented as "world peace" champ, and after Cold World War 3 as United Nations "New World Order" initiative "grandiose words"; (Daniel 7:11,20; Daniel 11:29-31)

They will be repeating the same formulaic globalist engineered pattern for the FOURTH time; They are predictable now even by plain logic;

But it is the trustworthy Bible prophecies that show the following ideas and claims will be presented by the "false prophet" mode of the 8th King engineering "two horned wildbeast"; (Revelation 16:13-16);

Interesting False Prophetic Devices Timed for Maximum Effect

A nationalistic serving utilization of both these potentially false-prophetic concepts of "Zion" and "God's Kingdom" have been used upon gentile (Christendom) and Israeli peoples (Judaism) for centuries and
potentially cab unite in the end for a common maximum deceptive purpose in use of the elite powers of the
globalist "head" main engineering "two horned wildbeast" Anglo-American globalist power center to place
over 8th King oversight (Central control: seventh head; globalist "scarlet wildbeast") as all nations are drawn
into the apex forming world government super theatric;

Expect potential eventual claims of divine authority from globalist and national/religious representatives of
these globalist controlled world elements as world religion (Babylon the Great) is "asset absorbed" and fully
deposed as an independent worldwide sovereign (Rev17:12-18) and the eventual post fourth global conflict is
resolved in an illusory "freedom from care" (Dan8:23-25) for world "peace and security" (1Thess5:1-3)
finalized proclamations from the "placed" world government with persuasive renewed "peace making"
credibility due to this engineered world recovery (financial element globalizing) and world religious deposition
unto sole 8th King "scarlet wildbeast" world government;

These elements are popular through history of the use of Biblical concepts to further human "Kingdom"
objective:

1. Kingdom of God (Christendom element)

Pay attention for a potential blasphemous "God's Kingdom" mimic utilizing Christendom's traditional
"Kingdom of God" statements of "prophecy fulfilling" in non-divine human entities as represented in
culmination by the 8th King world government;

2. Israel "Zion" Complex (Israel element)

Pay attention for the formerly called "State of Israel" to be a final world theater prop to be presented in a new
United Nations formal national definition subservient to only the globalist world order as a deceptive
validation of "fulfilling prophecy" Bible prophetic claims of Anglo-American and Israeli elite globalist
dispersed governmental entities keeping this "Israel" "nation" prop for the finale period maximum effect;

This culminates the Hebrew scriptural "Zion" prophecies utilized for false prophetic purpose of this mimic
diversion;

3. World Peace and Security

Combined, the above false-prophetic global associations to historic Biblical "Kingdom" prophecy can climax
in former Christendom and Judaic world centers for full global effect serving globalist mimic "Kingdom"
world rulership credibility as "fulfilling prophecy";

Since this is speculative and not directly outlined in prophecy but by "false prophet" principle and globalist
methods of the past, we need to stay alert and pay attention over these years; We can expect the counterfeit
globalist "Kingdom of God" to make all the claims in "false prophet" mode, that only God's actual Messianic
Kingdom will effect to complete the final 8th King blasphemies prior to divine Armageddon** "ground zero"
with Jehovah God, Jesus Christ, billions of holy angels, and the 144000 actual anointed agency of world
rulership. (Revelation 19:11-21; Revelation 20:1-3; Ezekiel 38-39; Joel 3:9-17; Daniel 11:44-45; Daniel 7:26;
Daniel 8:23-25);

( Joel 3:9-12) “Proclaim this, you people, among the nations, Sanctify war! Arouse the powerful men!
Let them draw near! Let them come up, all the men of war! 10 Beat your plowshares into swords and
your pruning shears into lances. As for the weak one, let him say: “I am a powerful man.” 11 Lend
your aid and come, all you nations round about, and collect yourselves together."

To that place**, O Jehovah, bring your powerful ones down.

12 “Let the nations be aroused and come up to the low plain of Jehoshaphat; for there I shall sit in order to judge all the nations round about.

Rear View Mirror: The Main JW Cover Ups

And so all the mimic orchestrations made to appear beneficial and of national concerned scope are ultimately globalist utilized developments aided by secrecy until the proper time for presentation and JWs aid that secrecy since 1990 in full MOL operations by becoming backward minded proponents of a past that is being updated by God to His current will (Eph5:17) while JW GB MOL led ultra-conservatism aids the deception and blindness creating 23 years of JW stagnation;

We JWs are now involved in covering up critical world developments in the progression towards full globalism and the Divine Kingdom completion as well; Since the 1990-1991 stand of the United Nations "disgusting thing" in a "new world order" initiative fulfilling Daniel 11:31, the Governing Body has been making a co-proclamation for that globalist UN initiative since the September 8, 1991 United Nations Awake! issue rather than expound this critical third placement of the "disgusting thing" after Cold War fulfilling Daniel 11:29-31 as a third world war (cold war) different than the others;

Jehovah's Witnesses are NOT explaining the following as Bible prophecy fulfilling events and critical progressions in our time or as guaranteed to finalize in the final sequence initiating unmistakably soon: In fact the final temple and Kingdom completion sequence itself is unknown to JWs now as shown with other areas of critical misunderstanding of modern prophetic guaranteed fulfillment;

Here is what we JWs are NOT explaining and or are covering up the actual Biblical and world developmental meanings of:

1. Globalism: Full Globalization as World Government Basis;

2. Globalist Complete World Government (in addition to the UN "image") Progressions in Prophecy;

3. Detailed Features of Great Tribulation Phases;

4. Final Kingdom and Temple Completion Prophetic Replication;

5. Actual 144000 Completion;

Simplified Premature Expectations

To aid this diversion upon mostly unsuspecting JWs and our audience, the Governing Body leads a campaign of simplistic over generalization as if all prophecy has "fulfilled to the smallest detail"; (WT 6/15/2012). In fact a final cycle of the entire prophetic framework of the 1914-1922 era is about to unfold repeating that message
after the Governing Body and MOL counterparts "in the temple" in JWs are neutralized and purged;

**Foretold JW Unique Final Ministry**

Firstly, these developments to come will repeat the initial 1914-1918 1260 day (3.5 times) pattern of the initial minor 1914 prophetic set completing in another 1260 days (3.5 times) in the near future which completes the "holy city" "trampling" of Revelation 11:2 as "seven times" or 7 years as 2520 days;

That is why it is "two" "witnesses" as a verb; The ministry repeats; occurs two times;

The "seven times" completing is a well known concept to Jehovah's witnesses as a divine truth of God's "seven" time completing decree and principle which applies ultimately to the "holy city" 144000 and associated ministry of Jehovah's witnesses "those worshipping in it" (Revelation 11:1-4) as 2520 days split, divided over temple/kingdom foundational and completion phases separated by the well know Jehovah's Witnesses world ministry of roughly 1914-2014; (Daniel 4:16,23,25,32; Luke 21:24; Revelation 11:2);

It is not coincidental that the 2520 days started as 1260 days in 1914 as the 2520 years from 607 BCE - 1914 CE ended; One ending began the other "holy city" symbolic ultimate spiritual cycle of the final anointed gathering (to complete 144000) as last of the "first fruits" along with earth sheep "final fruits" of the "harvest of the earth" set for delivery through Great Tribulation and Armageddon by this Kingdom family arrangement in "measured" completion of full 144000; (Rev11:1); (Revelation 7:9-17; 14:14-20);

**More unique identifying features of the final JW ministry:**

1. Unlike 1914 this ministry is explaining prophecy accurately before, during and after the fulfillments are in pre-described live real-time astounding fulfillment in all sovereign final foretold features both sovereign governments making final claim to planet earth;

2. The JW temple judgment signals the beginning of the final cycle activation (1Peter4:17) as MOL is completely revealed in retrospect and connected to globalist infiltration intrigues responsible for co-MOL placements in Jehovah's Witnesses' organization; (Daniel 11:32, 41; Daniel 8:11-13);

3. All these features above, also present in minor foregleam form in the 1914-1918 and 1919-1922 initial cycles will be replicated soon in final climax form while JWs conclude the final ministerial 1260 day period as foretold explaining it all; (Revelation 11:7);

The very nature of the topics covered above is astounding in symphonic convergence of sovereign climactic systems reaching diametric apex toward Armageddon war with God and Christ. But the nature of the temple judgment coming upon JWs is also astounding in the "unusual" nature of this divine strategy (Isa28) to get JW attention, world attention and globalist attention at the same time with the same series of events guaranteed to continue to progress as foretold in the great prophetic replication that is actually activating irreversibly.

This temple judgment signal fulfilling over a marked initiating timed prophetic period will doubly mark this verification for JWs to be shown over that timed period of Daniel 8:13-14, 26 fulfilling Revelation 8:1-13.

Unlike the erred current guesswork on Daniel 8:11-14, this timed prophetic signal period (Dan8:14) leads to the first four trumpets and bowls concurrently activating, further ensuring by divine illustration in Revelation,
heightened JW and world attention progressive over divinely controlled timing, as that progressively leads to
critical developments of the fifth and sixth trumpets and plagues (Rev16:10-18) as this all deepens and
progresses with 8th King rival world kingdom progressions during and through a final world war conflict of
some sort;

Like the three world wars (including the cold war) prior to this final world governmental "stand" and
"disgusting thing" "placement" in totality of "image" and "scarlet wildbeast" full world government (8th King),
this final "stand" of the 8th King is prophetic and formulaic for globalist device of presenting their "world
peace" device after a world war "tribulation" is resolved highlighting the "world peace" for 8th King
governmental effect.

As in:

1. WW1 resolution 1919 (League of Nations);
2. WW2 resolution 1945 (United Nations);
3. Cold War (WW3) resolution 1990 (UN in New World Order initiative) after the three prior world wars
   (including the "cold war";)
4. The fourth cycle is foretold at Daniel 8:23-25, Daniel 11:44-45 as "stands" and "placement" of final
   "disgusting thing" world government idol and actual world government; Daniel 12:7,11 repeats;

Ultimate Symphonic Conclusion of Adamic Period

In summary, the final trek of Adamic human rebellion which began in Eden 6000 years ago (Gen3:1-17) will
be wrapping up. The final prophetic replication will emphasize all the elements of the rebellion in a unified
worldwide rival Kingdom arising from rival "seed" (Gen3:14-17) progressively affecting world developments,
mapped the whole time in Bible prophecy; (Dan2, 7, 8, 11-12), to culminate in a far more comprehensive and
 consolidated fashion as a full world government (Rev17:11-17) apex "King North" 8th King system far more
powerful than just the United Nations forum "image" on a 17 acre "clubhouse" in New York state;

Daniel 2, 7, 8 11-12 all connect rival sovereign development to Revelation 13 and 17 with explicitly named
earthly power benchmarks in time and history

This rival world government against God's Kingdom will network fully globalized governmental, military,
financial and technological world government power defining the ultimate "scarlet wildbeast" "full bodied"
final development prior to Armageddon.

The parallel development throughout Bible recorded history as prophecy is climaxing as both power systems
make their final developmental world formations and global announcements effectively summarizing all
sovereign developmental human history to the ultimate Armageddon showdown as one unified human rival
government versus the Kingdom of Heaven;

This final phase is completing all the elements that accompany, support or resist the Kingdom of God; it is
summarizing all human, Biblical and prophetic history while it is climaxing in prophetically identified and
clearly defined phases (repeating) aiding the credibility of God's final warning proclamation period to all
mankind to the divine degree purposed prior to final world judgment; (Revelation 11:15-18; Matthew
Final Temple Judgment and Jehovah's Witnesses

It's the end of the story, but the final chapter describes itself live and real-time as it unfolds over years beginning with God and Christ allowing "bulldozing" of Jehovah's Witnesses worldwide organization, in some unknown fashion for now, to judge the wayward temple (again, but this is final) and remove the entire modern "man of lawlessness" infrastructure now controlling the Watchtower Bible and Tract Society from within, as foretold, stemming from the "Governing Body" "lifted up" inception (1976) as a non-biblical factionally controlled "germ cell" secret MOL "man oh lawlessness" operative "committee" which has reached terminal unanimity of "evil slave" operations with globalist affiliations as also foretold; (Zechariah 3:1-10; 2Thessalonians 2:1-12; Daniel 8:11-14; 11:30-32, 41; Malachi 3:1-5; Revelation 8:1-13; Matthew 24:48-51);

The preceding described commencing temple judgment development will become an unmistakable signal to Jehovah's witnesses of the veracity of this analysis of modern activating Bible prophecy fulfilling as a great replication describing temple and Kingdom completion processes. These prophecies further unfold after this divine alarm wake up call "trumpet blast" in all JW ears worldwide. (This Daniel 8:11-14 activates Revelation 8:1-5 in context of the first four trumpets (Rev8:6-13) paralleling Revelation 15:1-8; 16:1-9 (first four plagues) as Revelation 8-11 parallel full Revelation 16 developments as this leads to the final "little scroll" understanding and the final "Two Witnesses" 2.0 second and final world ministry.

Revelation 8-11 and 15-16 fulfill concurrently, parallel, in simultaneous form;

The trumpets are an alarm, a call to action with divine angelic aided enlightenment (Rev8:5; Zech3:4-6) from God through Christ to JWs specifically to eventually describe the concurrent world plagues as the live "rock the nations" repentance call (Hag2:7) in the worldwide system accompanying globalist engineered tribulations to lead to 8th King world government over time.

Eventually the JW ministry must begin speaking current truth not globalist engineered stalling ear ticklings and purposeful error from central "governing body" fraud management - also fulfilling repeating signal prerequisite prophecy;

Kingdom/Temple Final Prophecy to Activate Soon

Temple Prophecy in Jehovah's Witnesses from Man of Lawlessness at Temple Inspection to Temple Judgment and Purification

The basic summary of modern fulfillment prophetic events and approximate sequential timeline indicated in prophecy is described in sections below.

This outline describes prophetic and evidentiary features of modern temple conditions in the ministry and congregations of Jehovah's Witnesses (JW) from current and live "temple inspection" (Mal3:1) now revealing the "man of lawlessness" (MOL) operations "in the temple" (2Thess2:3; Zech3:1-3) being exposed as the 2Thessalonians 2:3 prophetic prerequisite exposition prior to "temple judgment" (Dan8:14) - indicating "temple judgment" is near as "temple inspection" must end shortly.
The "temple judgment" prophetic sequence taken from various books of the Bible is described below including the prophetic "lawless one" characteristics of infiltration of Jehovah's Witnesses (Dan8:11-14; 11:30-32, 41) organization which is the basis of the "temple cleansing" requirement (Zech3:4-6) by God and Christ as per prophecy (Zech3:1-7) which context of "temple judgment" will be unmistakable (Daniel 8:11-14; Rev8:1-13; Isa66:6) and will indicate the final prophetic sequence has begun in earnest and will continue to unfold irreversibly to Armageddon (Rev16:13-16) over years as per guiding prophetic sequences to follow guaranteed.

Jehovah's Witnesses are currently misled and deceived (Dan8:12a) as to this final prophetic sequence in lieu of an over simplified, "man of lawlessness" engineered, "instant end" scenarios based on purposeful falsehood by the masquerading Governing Body of Jehovah's Witnesses; (GB); (2Cor11:13-15; 2Thess2:1-3);

This GB led, compromised JW mental positioning is to undermine the final prophetic sequence from being understood by JWs and to heavily impede and confuse and try to destroy the final ministry amidst premature expectations.

(See "What The Governing Body is Attempting to Cover Up" section at the end of this article.)

Therefore this analysis will not be fully accepted or made officially available to Jehovah's Witnesses in the traditional ministerial arrangement until divine judgment accounting, cleansing and repentance are effected by the "temple desolation" (Dan8:11-14; 11:30-32, 41) permitted by God to allow the positive elements of the "temple judgment" to take place for JW recovery and the final purified "two witnesses" recommission (Rev11; Zech3:4-7; Matt24:45-47) and complete "little scroll" (Rev10) understanding for the remaining brief but powerful final Kingdom sovereign invitational and warning proclamation ministry; (Two witnesses 2.0); (Daniel 11:44-45 is Revelation 11:7).

I. Overview of the Modern Prophetic Temple Sequence

1. There is going to be a modern prophetic replication of fulfillment of key Kingdom and temple completion prophecy;

(In simple terms: as human 8th King world government completes and makes sovereign world rulership claims over this final prophetic cycle, so will God's Kingdom simultaneously make Sovereign universal rulership claims including planet Earth, will complete all 144000 under "King of kings" Jesus Christ (Rev11:12-19; Rev16:17-18) and will depose the globally unified rival 8th King system at that time as all this prophetic replication leads progressively to the Armageddon worldwide condition triggering divine Messianic Kingdom all-out final war; (Revelation 16:13-18; Revelation 19:19-21; Daniel 2:31-45);

A. This prophetic replicationsignal commencement "temple judgment" (Dan8:14) will lead sequentially (Rev8:1-13) to the final warning period of the second "two witnesses" (Rev11:2-3) 1260 days ofmajor prophetic repetition based on the pattern and principles of the 1260 dayinitial sequence of the 1914-1918 minor fulfillment as foundational truth to be re-emphasized infinal completion form by God prior to Kingdom total earthly and universal conquest. (Revelation 11:1-7; 11:15-19);

B. A signal "temple judgment" of 1150 days minimum divine timed requirement (Dan8:13-14, 26) will precede the final warning ministry of the Revelation 11:2 1260 days with an unknown interim period of JW recovery ministry; (Rev9:1-21; Rev10);
C. This judgment begins with Jehovah's witnesses "house" soon; (1Peter 4:17);

2. All Biblical 1260 day (42 month; 3.5 times) references in the Bible replicate explicitly or in principle*:
   A. Daniel 7:25-26;
   B. Daniel 12:7;
   C. Revelation 11:2-3;
   D. Revelation 12:6, 14*;
   E. Revelation 13:5;

Divine Seven Times Must Complete as 2520 Days

1. This final "two witnesses" repeat of 1260 days (Rev11:2-3) will complete the divine decreed "seven times" 2520 day required full completion cycle of modern symbolic "holy city" trampling. (Revelation 11:2; Daniel 4:16, 23, 25, 32; Luke 21:24);

2. This is split over approximately 100 years in actual fulfillment to accompany first kingdom birth/temple foundation phase (1914-1918) and lastly the Kingdom and temple completion phase of the near future;

3. A "temple judgment" period of minimum 1150 days (Dan8:14) will be divine signal preceding and initiating the prophetic developments progressing over more prophetic fulfillment to the final 1260 day divine warning ministry proclaiming assured Messianic Kingdom completion - again -, but this leads to the actuality;

4. All phases from that Jehovah's Witnesses "temple judgment" leading sequentially to Armageddon are noted in prophecy with reliable Biblical information to arrange an approximate sequence over time with astounding world developments as proof;

II. Temple Judgment Prerequisite Signals and Conditions (Temple Inspection)

1. The beginning of this final prophetic sequence is marked by a judgment on Jehovah's witnesses "temple" arrangement as per prophecy; (1Peter4:17 is Daniel 8:13-14);

2. Lawless and apostate temple conditions of impurity - the prerequisite of "temple judgment" - are found to exist in the official JW organizational ministry from the top controlling "governing body" on down, as a prerequisite identification (2Thess2:1-3) of the official JW "apostasy" (Dan11:30-32; Dan8:11-13) and the modern "man of lawlessness" within the temple arrangement undermining it purposely (Dan8:12b) and misleading others to do so (Dan11:32) by gradually developed effective deceptions maturing over decades; (Zech3:1-3; 2Cor11:13-15);

3. This leads to a divinely permitted JW temple "established place" signal desolation for a marked period of "temple judgment" prophecy (Dan8:14) to the divine degree necessary to remove the "man of lawlessness" (2Thess2:3-9; Zech3:1-3), account for crimes against God and Christ; (Rev8:6-13; Isa66:6), and to rectify these lawless developments for ministerial recovery all as per prophecy; (Rev8:1-13; Dan8:14; Zech3:4-7; Malachi 3:1-5);
III. The Basic Pattern of the Final Prophetic Sequence

1. Temple Inspection; (Malachi 3:1; Zech3:1-3);

2. Temple Judgment; (Daniel 8:13-14; Revelation 8:1-13); (1150 Days Minimum);

3. Temple Purification; (Daniel 8:14; Zechariah 3:4-7; Malachi 3:2-4; Revelation 8:1-5; Begin Trumpets/Plagues (First 4));

4. *Temple Recovery; (Revelation 9:1-21; Zechariah 3:7);

5. *Final Ministry; (Revelation 10-11); (1260 Days);

6. *Temple/Kingdom Completion; (Revelation 11:11-14);

7. *Final Separation Judgment; (Daniel 7:25-26; Matthew 25:31-46; Revelation 14:14-20);

8. *Armageddon; (Revelation 16:13-16 at 11:15-19 time);

(Note: There are 8th King globalist developments also going into completion mode over this cycle marked with prophetic events relating to that globalist world government climax. Therefore both the "scarlet wildbeast" "8th King" "King North" system and God's Messianic Kingdom of Christ will be completing at the approximately same period in human history and that completion leads to final "war of the great day of God the Almighty" at Armageddon; (Revelation 16:13-18; Revelation 19:11-21);

* Described in the next articles.

IV. Temple Features in Prophecy

1. Temple Judgment Priority Begins Upon Jehovah's Witnesses:
   A. 1Peter 4:17;
   B. Ezekiel 9:6c;
   C. Jeremiah 25:29;
   D. Malachi 3:1;

2. Prerequisite Lawless Temple Condition Revealed - "Man of Lawlessness" "in the temple of the God":
   A. 2Thessalonians 2:1-3;

3. Befouled Priesthood Identity;
   A. Zechariah 3:1-3;
   B. JW General "Apostasy" of 2Thessalonians 2:3 is "apostasy" of Daniel 11:32 and "given over" of Daniel 8:12a;
4. Therefore the requirement of purification in a great final "temple cleansing" is justified;

A. Daniel 8:11-14;
B. Malachi 3:2-4;

IV. Temple Cycle to Temple Cleansing Purification Requirement

I. Temple Inspection

1. Malachi 3:1 Overview - Prophecy principles of divine inspection:

A. Zechariah 3:1-10;
B. Malachi 3:1-5;
C. 2Thessalonians 2:1-3;
D. 1Peter 4:17;

2. "Befouled" temple and anointed priesthood condition found at judicial inspection:

A. Zechariah 3:1-3;

B. The Zechariah 3:1-3 inspection prophecy records Jerusalem temple construction post temple foundational period (536 BCE to 520 BCE as Temple completed in 515 BCE); This means the major modern fulfillment principle of the "befouled garments" condition is also "post foundational", after the 1914-1918 and 1919-1922 kingdom and temple respective birth and foundational periods;

C. This means the "befouled garments" identity of the anointed Christian priesthood and by extension all Jehovah's witnesses, God and Christ (in GB led reproaches by lawless conduct) is the state of Jehovah's witnesses temple arrangement today at temple inspection which has proceeded for the most part "as a thief in the night" unbeknownst to most Jehovah's witnesses and the world;

3. "Befouled garments" condition indicates the Governing Body shelled "Man of Lawlessness" "in the temple" is now at maturity of "evil slave" activities (Matt24:48-51) "as the transgressors act to a completion" (Dan8:23) approximate timing;

A. 2Thessalonians 2:1-3;
B. Matthew 24:48-51;
C. Matthew 25:1-13;

4. The Revelation 8:10-11 symbolic "1/3" "wormwood" compromise of the "fallen" "star burning as a lamp" is due to the "wormwood star" "evil slave" "governing body" "man of lawlessness" collective progressive effects culminating on the whole JW ministry to the symbolic "1/3" degree "earth" symbology of all JWs;

A. Revelation 8:1-13;
B. Revelation 8:1-5 "altar fire" events is the "temple judgment" and "temple purification" of Daniel 8:13-14;
C. B. Revelation 8:1-5 "altar fire" is the Zechariah 3:2 "fire" of desolating divine judgment;
D. Isaiah 6:6-7 "altar fire" is the purification meaning of Revelation 8:1-5;
5. This indicates the "temple purification" cycle is required to complete "temple judgment" in a "temple desolation" "fire" "desolation" context; (Rev8:2-5; Zech3:2) divinely permitted and limited, allowing enemy globalist agency to subvert and attack the Jehovah's Witnesses temple "established place"; (Dan8:11-14);

**Two Globalist Attacks in Final Cycle**

1. The Assyrian Israel/Samaria/Bethel attack of 740 BCE, and Bible prophecy concerning that attack, prefigures this initiating first attack on Jehovah's Witnesses; (Isaiah 37:1-29; 2Kings 19:20-28);

2. Like the Assyrian attack on Israel, this serves as a signal to Jehovah's witnesses that in time leads to the final Revelation 11:7 8th King final attack separated by a recovery and final ministerial 1260 days; (Isaiah 28; Hosea (whole book); Hosea 1:4-7; Micah; Amos; Joel);

3. The 607 BCE Babylon "head of gold" (Daniel 2:31-45) attack on Jerusalem prefigures the second and final globalist attack of Revelation 11:7, 11:2 "holy city"; (Daniel 11:44-45; 8:23-25 is parallel with this final attack prophecy);

**II. Temple and Priesthood Purification Required**

1. Malachi 3:2-4 -Final Temple Judgment Guaranteed;
   
   A. 1Peter 4:17; (JW Priority);
   B. Malachi 3:5;
   C. Daniel 8:13-14 (Timed signal);

2. This "temple desolation" puts JWs in "abyss" of Revelation 9:1-4 nearing "sackcloth" readiness for Revelation 11;

3. This will require the divine recovery of Revelation 8:5 and Revelation 9:1-21 (Ezekiel 37; Zech3:7) (Temple recovery to final ministry and Armageddon o be covered in another article.);

**V. Temple Lawlessness in Daniel Prophecy**

1. The JW "Temple" is infiltrated by external enemy operations placing internal GB and organizational agents leading a gradually developed (Dan8:12a) JW internal apostasy that culminates over time:
   
   A. Daniel 11:30-32;
   B. Daniel 8:11-14;
   C. Daniel 11:41;
   D. 2Thessalonians 2:3;

2. The agents of lawlessness within the controlling Governing Body MOL headquarters cover up prophetic meaning to aid this operation:
   
   A. Daniel 8:12b;
   B. Daniel 11:32;
   C. 2Thessalonians 2:9-10;
VI. Concurrent Dual Nature of Apostate JW Developments

The operation of the modern-day active "man of lawlessness" in Jehovah's Witnesses worldwide organization is shown by the Bible to be directed by external agents directly connected to 8th King globalist powers to influence covenanted Jehovah's witnesses to infect the worldwide Christian congregation and progressively subvert the current and final ministry "effectively" covering globalist world government developments in Bible prophecy in modern times since 1990 explicitly;

1. Description of infiltration in prophecy:

(Daniel 11:30b-32) “And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature]: “And they will certainly put in place the disgusting thing that is causing desolation. “And those who are acting wickedly against [the] covenant, he will lead into apostasy by means of smooth words. But as regards the people who are knowing their God, they will prevail and act effectively.

2. Explanation:

(Daniel 11:30b) “And he (King North globalists) will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant. (anointed Christian Jehovah's witnesses)

A. This shows the King North (8th King) globalists operate successfully at what they intend to accomplish - "act effectively" - and are the ones targeting "those leaving the holy covenant" to influentially access the JW temple arrangement internally by "smooth words" (Daniel 11:32);

B. Since 1919-1922 Christendom cannot be considered in the "holy covenant" legally as expelled as the "man of lawlessness" in the initial minor 1914-1922 cycle; so Christendom members cannot apply to those who must first be actually legally "in the holy covenant" to actually be able to "leave the holy covenant"; (e.g. anointed Jehovah's witnesses)

C. These must be anointed Jehovah's Witnesses deceived by King North (8th King) apostasy development operations;

(Daniel 11:31a) And there will be arms that will stand up, proceeding from him; ("him" = King North globalists) and they (now a unified team effort) will actually profane the sanctuary, the fortress, and remove the constant [feature]. (Zechariah 3:1-3 "befouled" conditions);

A. These "arms that will stand up" are internal infiltration agents in the JW temple arrangement as foretold in parallel development here:

(Daniel 11:41) He (King North globalists) will also actually enter into (infiltrate; Jude4) the land of the Decoration (JW temple arrangement), and there will be many [lands (people)] that will be made to stumble.

Note: Daniel 11:27-32; 11:33-35 11:36-39 and 11:40-45 have parallel features to each other's fulfillment, not sequential - they are fulfilling concurrently in certain features such as infiltration and invasion of JW Bethel by
externally allied 8th King agents;

(Daniel 11:31b) “And they will certainly put in place the disgusting thing that is causing desolation.

A. These spiritual temple profanations culminate in the 1990-1991 United Nations "New World Order" (NWO) initiative being co-promoted by the Governing Body of Jehovah's Witnesses at critical third "placement" of the UN "disgusting thing" after the "cold war" in the 1990-1991 timing fulfilling Daniel 11:31b at that time;

B. The Governing Body as the governmental agency within Jehovah's Witnesses also joined the United Nations (UN) organizations as a "non-governmental organization";

C. Jehovah's Witnesses are a spiritual "nation" of anointed "Israel" identity (Gal6:15-16) with a "Governing Body" spiritual/corporate government, so the Jehovah's Witnesses "organization" is governmental in itself in God's Kingdom association; thus joining the United Nations in anyway for any reason is a treasonous "lawlessness" with no valid excuse just plausible cover-up reasons; (e.g. "library card" excuse);

D. The "non-governmental" aspect is irrelevant to the reality of the Governing Body compromise "leaving the holy covenant"; In fact many Governing Body members now may not even be Christian but globalist intelligence agents in a duplicitously effective act to mislead actual JWs; (Daniel 11:32; Daniel 8:12; 2Cor11:13-15);

E. In hindsight the "governing body" has been factionally compromised from incept to be a lawless globalist infiltration unit to mature as the "man of lawlessness" since the January 1, 1976 effective corporate "lift up" of that "body" to supreme organizational authority by their own desire for such position not existent until that coup; (This is why both Nathan Knorr and Fred Franz were not in agreement with that power grasping development of the "Governing Body".);

F. Within approximately 15 years after 1976 (1991) the Governing Body had joined the United Nations family of organizations as well as founded many stumbling devices under a veneer of "God's chosen" hyper-piety with plausible but deceptive reasoning to create and enact policy with malleable application and perpetually spiritually damaging effects causing the stumbling of millions of people; (Daniel 11:41; 2Peter 2:1-3; Jude4);

G. The GB joined the UN, joined the UN NWO proclamations (Awake! 9/8/1991 incept), rather than explain the real meaning of Daniel 11:30-32 modern UN "disgusting thing" fulfillment and the USSR removal of "King North" possibility; (See Daniel 11:36);

In effect, the Governing Body of Jehovah's Witnesses has placed the UN third manifestation "disgusting thing causing desolation" at Bethel since 1991;

Teamwork: External Globalist 8th King Instigation with Governing Body and Others

(Daniel 11:32) “And those who are acting wickedly against [the] covenant (governing body, etc), he (King North globalists) will lead into apostasy (2Thess2:3) by means of smooth words. (2Thess2:9-10) But as regards the people who are knowing their God, they will prevail and act effectively. (The truth will not be covered up indefinitely.);

The Daniel 11:32 prophetic description of apostate JW development shows a lead operation in "King North"
globalist camps is leading this development and is used to persuade further apostasy from JWs "acting wickedly against the covenant" which is in this developed progressive context is not exclusive to "those in the holy covenant" in this context implying it includes anyone in Jehovah's Witnesses, covenanted or not, actual Christian, predator or external agent who is "gradually given over" to apostate development in Jehovah's witnesses active publishing ministry or "slip ins" (Jude 4) with bad intentions to begin with; (Not GB constantly pushed and emphasized external "apostates" used to distract JW awareness away from where the true apostasy has developed "in the temple");

The point is we have misled JWs, JWs gone bad, masquerading freelance predators, globalist and nationalist intelligence agents and genuine Christians all active in this final phase "in the temple" in the Christian worldwide congregation, all looking like devout "Jehovah's Witnesses" - all indicated by divine prophecy and evidentiary developments in trends, associations and statistics made clearer over the last 20 years as lawless developments with negative effects on the Christian ministry; (2Peter 2:1-3);

**King North is Globalist 8th King Powers**

1. The USSR did not "prove successful until the denunciation" would conclude at Armageddon:

   **(Daniel 11:36b)** ... And he (King North globalists) will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

   A. Thus the UN 8th King "King North" powers are the actual "King of the North" who will be "successful" all the way to Armageddon at Daniel 11:44-45. The USSR cannot fulfill this required criteria to be "King of the North" continuously from at least Daniel 11:36 to the complete "denunciation" of Daniel 11:45;

   B. The prophecy requires non-stop continuous success from at least Daniel 11:36 all the way to the completed denunciation of Daniel 11:45 so no "new King of the North" to answer "who will be the King of the North?" can just pop in as the former "King North" fails Daniel 11:36 continuous "success" prophetic criteria;

   C. Upon further investigative analysis Daniel 11:27-45 is all "King North" UN 8th King globalist activity as "King South" assumes the national sphere of "Egypt" in meaning and subservience to globalist "King North" progressively and successfully;

   **(Daniel 11:42-43)** And he (King North globalists) will keep thrusting out his hand against the (national) lands; and as regards the land of Egypt (national powers), she (feminized in subservience) will not prove to be an escapee. 43 And he (King North globalists) will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (national powers);

   A. Daniel 11:42-45 has yet to fulfill and is not applicable to the bankrupted USSR for this interpretation; That USSR error was revealed when the USSR was dissolved in 1990;

   B. The Governing Body will not update the obvious erred former interpretation here because this now purposeful deception aids globalist cover-up objectives by JWs being misled concerning Daniel 11:27-45 entirely, and thus JWs and the world gets no reliable information regarding terminal 8th King globalism's prophetically well described trek to Armageddon fulfilling modern significant prophecy since 1990 onwards.

   C. Daniel 11:42-43 fulfills as Revelation 17:11-17 progresses to Revelation 16:13-16 global conditions
leading to human 8th King "scarlet wildbeast" "image" and actual world government - the whole "scarlet wildbeast" is the 8th King; the whole "dreadful image" of Daniel 2:31-45 is the 8th King "standing" at Armageddon;

D. The MOL Governing Body objective is to cover-up and minimize this comprehensive consolidation of world sovereignty (Rev17:11-17) and that development taking a number of years to complete - it is not the Governing Body proffered "end of the world" which is coming next, but the "temple judgment" desolation;

E. The MOL GB wants to make JWs believe the "temple desolation" is "Great Tribulation" unto Armageddon, when in fact it is just the beginning of the final cycle; It will be tribulatory, just not the final terminal phase of the "great tribulation" to develop years later at 8th King globalist world government completion - not at their initial world drive to completion which this is;

F. This is why this development of 8th King world government progressive completion parallels God's Kingdom completion as well, concurrently, as both require a final completion phase over some years that must have parallel events and diametric features developing progressively;

VII. Connection of Lawlessness Prophecy (Daniel 11:30-32) to Timed Temple Judgment Prophecy (Daniel 8:11-14)

This will connect Daniel 11:30-32, 41 (Section VI.) to Daniel 8:11-14 temple parallels;

This GB engineered "profanation" and "constant feature" pollution is connected in prophecy further to the prophetic key Daniel 8:12-13 "transgression causing desolation" linking this JW transgression to the UN "disgusting thing that causes desolation" (Daniel 11:31b) alliances and supporting operations; (Dan8:12a);

That full "desolation" in JW "established place thrown down" is yet to come on the JW organization to a divine completion for these offenses and to fulfill connecting "temple judgment" timed prophecy;

1. Parallel infiltration description in prophecy:

(Daniel 8:11-14) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down. 12 And an army itself was gradually given over, together with the constant [feature], because of transgression; and it kept throwing truth to the earth, and it acted and had success. 13 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking:“How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.

2. Explanation:

(Daniel 8:11) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down.

A. This "established place" "thrown down" applies to initial profanation effects of Daniel 11:31a and progresses from imbibed sins to "temple desolation" of the UN 1991 "transgression causing desolation" of
Daniel 8:13-14;

B. The "throw down" continues to a climax event as per MOL GB and 8th King finale objectives soon;

C. This connects Daniel 11:30-32 developments to Daniel 8:11-14 developments parallel;

(Daniel 8:12) And an (JW) army itself was gradually given over, together with the constant [feature], because of transgression; and it kept throwing truth to the earth, and it acted and had success.

A. The "an army itself was gradually given over" has to be given over to something. The context of Daniel 8:11-14 is globalist "small horn" operations which connect in prophecy to globalist 8th King developments; This "gradual" subversion is of Jehovah's Witnesses ministry by globalist originating operations for sinful effects of "transgression causing desolation";

B. "it" (GB and 8th King globalists) "kept throwing truth to the earth" means the real prophetic interpretation and real lawlessness are not expounded as fulfilling prophecy but kept in past interpretational errors which cannot apply given the real evidence the Governing Body is a fraud subversion group foretold to signal the final "temple judgment" sequence has actually begun to manifest in revealing JW "apostasy" and JW "man of lawlessness"; (2Thessalonians 2:3)

(Daniel 8:13) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?"

B. That connects the Daniel 11:31b "disgusting thing" "that causes desolation" (Matt24:15) to this "transgression" which is UN related promotionals and alliances of the UN NGO agency of Jehovah's Witnesses in 1990.

(Daniel 8:14) So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition. ("right condition - temple cleansing);

A. This timed signal of "temple cleansing" purification is 1150 days minimum where both "evenings" and "mornings" add to the 2300 count individually, not as an implied "day";

B. The "evening" period is first because JW misled "darkness" prevails first in the consequences of lawlessness and the "temple judgment" overall bewilderment due to GB deceptions;

C. The "morning" of Daniel 8:14, 26 is the Revelation 8:5, 9:1-21 eventual JW recovery by divine means to divine enlightenment "lightnings" of Revelation 8:5;

D. Thus this timed "temple judgment" prophecy, like all the other timed prophecies, must lead somewhere; (It cannot simply hang in limbo like the current erred Daniel 8:11-14 JW interpretation of 1938-1944 timing, leading nowhere;

E. This timed prophecy leads to the first four "trumpets" and "plagues" activating on JW's "earth" (Rev8) and the world "earth" (Rev16) respectively, bridging in time to the final "little scroll" ministry of the Revelation 10-11 second "two witnesses" recommission (Zech3:7 is Matt24:45-47 designate) culminating in the final 1260 day long Kingdom proclamation of Jehovah's witnesses and unto Armageddon final developments over time;
F. The actual "faithful and discreet slave" designation is appointed at Zechariah 3:6-7 ultimatum time after the "evil slave" Governing Body MOL and entourage are neutralized and fully purged from the temple arrangement by divine means; (At Zech3:4-6 timing);

Final Globalist 8th King Attack

1. This culminates in a second globalist attack (Revelation 11:7; Daniel 7:25-26; Daniel 12:7) as the "little scroll" must provide part of the "reports" sparking the Daniel 11:44-45 final globalist 8th King attack which parallels Daniel 11:44-45 with Revelation 11:7 after the 1260 days completes;

A. This is why Daniel 7:25 1260 days (3.5 times) leads to Daniel 7:26 "temple completion" full "court" final judgment of mankind just prior to full Armageddon conquest;

2. This parallels the events of Revelation 11:7-14 to temple completion of the 144000 (implied in full court of Daniel 7:26) as Christ "Head Stone" (Zech4:6-8) must "coronate" (Zech6:9-15) an obviously required complete 144000 full temple;

Conclusion

And therein is Biblically described the main "apostasy" operations (2Thess2:3) of the modern "man of lawlessness" at "temple inspection" now, to "temple judgment" next, soon; The "man of lawlessness" in modern final completion cycle fulfillment is represented by the Governing Body of Jehovah's Witnesses, but in teamed effort with external 8th King globalists who are controlling a JW temple-wide operation (Daniel 11:32) to further 8th King objectives:

The "coup de grace" part of this operation is to desolate the JW world ministry as grand finale (Daniel 8:13-14) while deceiving JWs to position them for the coup with erred prophetic interpretations since the 1990 critical GB MOL compromise effected it's main objective of UN alliances as co-promoters of the "wildbeast" third global placement of 1990 UN NWO proclamations; (See Awake! 9/8/1991 United Nations articles and search the Watchtower Library for over 70 1991 to 2001 "new world order" citations;)

The "temple cleansing" will result in the removal of these trespassing fraud entities embedded in the top echelons of the JW worldwide organization to actually highlight the prophetic truth while connecting it all to actual 8th King and MOL Governing Body operations (Rev8:6-13) conclusively fulfilling prophecy that foretold such signal events would develop as "temple judgment" approached;

Temple recovery, recommission and final "two witnesses" proceeding to temple completion, Kingdom conquest and Armageddon will be covered in the next article to finish the sequence described from "temple inspection" "man of lawlessness" revealed all the way to Armageddon in non-stop prophetic guide;

What The Governing Body is Attempting to Cover Up

1. There are four progressive stands of the "disgusting thing" in Bible prophecy towards full world
government and final "image of the wildbeast"; the last "stand" "placement" of which is at Armageddon as "image" and full world governmental "scarlet wildbeast";

A. Placement 1 - 1919; Post World War 1; Revelation 13:14-15; (Daniel 12:11)
B. Placement 2 - 1945; Post World War 2; Revelation 17:8-11;
C. Placement 3 - 1990; Post Cold World War 3; Daniel 11:31b; (Covered Up);
D. Placement 4 - Future; Post World War 4; Daniel 8:23-25 is Daniel 11:44-45 globalist 8th King entity;

2. The Governing Body wants to truncate JW Bible realization at the cover up of the third "placement" of the "disgusting thing" (UN NWO initiative 1990; Daniel 11:31b) so that the quadruple sequence of guaranteed 1-2-3-4 progressive foretold world government producing "placements" is not understood;

A. Thus the logical flow to a fourth "placement" (Daniel 11:45) requiring a final prophetic cycle of Daniel 12 replicating (timed periods; Final Messianic Kingdom "stand") is not understood by JWs or presented as Bible truth to the world;

B. This is because the GB wants to position JWs for a "temple desolation" setup which will be permitted by God to appear as the "great tribulation" terminal Armageddon leading event which will desolate the JW world ministry but leave JWs in utter confusion in a critical attempt to destroy or delay the JW ministry long enough for 8th King developments to proceed covert until final presentations of world government;

3. The Governing Body wants to cover up the magnitude of final 8th King "scarlet wildbeast" actual world government consolidative global power;

A. This actual "full bodied", whole "scarlet wildbeast" totality is far beyond the United Nations "image" (Rev13:11-15) in function and progressively forming multi-national collective subservience to a globalist unification actual uni-polar world government as described in prophecy foretelling it's worldwide developments in progress since 1990;

B. The Governing Body wants to conceal the elite super governmental management system in globalist "two-horned wildbeast" (Rev13:11) as also above and beyond the national power it is based in in the Anglo-American world power partnership; The "two-horned wildbeast" is a "stand alone" wildbeast, an independent globalist elite sub-governmental control center that guides 8th King completion;

C. The Governing Body does not want to describe any of these globalist elite developments as detailed in prophecy or as progressive in world developments now as far as modern prophetic fulfillments, future guaranteed fulfillments and Biblical characteristics being manifested in current events which should be made official JW public ministerial record;

4. The simple final developmental fact of rival world government against God's Kingdom is that rival symbolic entities at Daniel 8:23-25, 11:44-45, Revelation 16:13-16, 19:19-21 are all the same 8th King globalist world government unification apex entity versus God's Kingdom;

A. There are no dominant national powers that do not become subservient by the time Daniel 11:42-43 delivers financial globalist coup of the nations aiding the national sovereign deposition unto globalist world sovereignty described at Revelation 17:11-17, which accelerates and finalizes the "gathering" of the nations at Revelation 16:13-16 to Armageddon global unification climax conditions;
5. The GB and 8th King globalists together want to muddle up the clearly provable Biblical apex globalist 8th King development identification with distracting national intrigues of irrelevance that they can play with their 8th King partners to keep JWs and the world in diverted confusion to try to obstruct simple convergent truth being known worldwide from Bible prophecy:

A. By the time the 8th King world government completes so will God's Kingdom complete as well and the human choice will be globalist 8Th King "New World Order" world government or God's Kingdom;

B. Nations and national proxy deceptions will exist but their national leaders will have all "sold out" (Daniel 11:42-43) their national sovereign autonomy (Revelation 17:11-17) to globalist world sovereignty;

C. This is all mapped in terminal sovereign prophecy in detail and requires a final period of a number of years for both God's Kingdom and 8th King "scarlet wildbeast" respective world governments to complete for final sovereign resolution battle (Armageddon);

5. The post "man of lawlessness" "governing body" purged and purified final recovered JW world ministry of Revelation 10-11 must and will (by God, Christ and prophecy) explain actual Bible truth regarding comprehensive globalist 8th King world government driving over this final period to final completion along with God's Kingdom likewise completing as both have prophetic fulfillment features in marked Bible and world historical reality since 1990 fulfilling BOTH respective world government system features that must climax at Armageddon;

A. The Governing Body explains NONE of these features;

B. The Governing Body will not connect their own lawlessness to live/real-time modern "man of lawlessness" prerequisite fulfillment ushering in their removal amidst massive JW worldwide organization "temple" "established place" "desolations"; (Zech3:4-6; Isa66:6; Hos1:4-7);

6. God and Christ are making one final appeal for salvation to the world with very convincing Biblical and world developmental evidence that God's Kingdom will manifest directly after the 8th King full world governmental completion of globalized "palatial tents" of Daniel 11:44-45 fulfill in "placement";

7. In the end period it is simple convergent truth: allegiance to God's Kingdom or 8th King world government - the national leaders "kings of the earth" will have already chosen or be compelled to accept globalist sovereignty over their own. (Revelation 17:11-17; 13:16-18); -

God is putting the issue of Universal Sovereignty to an individual choice of allegiance in a final Kingdom proclamation and separation judgment work that precedes absolute 8th King annihilations with complete information regarding ALL these events as per God's infallible perfectly fulfilling trustworthy Word in the Bible; (Daniel 7:25-26; Revelation 6:12-17; 14:14-20; Joel 3:9-17; Matthew 25:31-46; Daniel 12:7-12)

Final Note

In reality God cannot "end the world" now because:

1. For 20 years the Jehovah's Witnesses world ministry has been critically compromised with misleading error concerning 8th King developments in Daniel 11:27-45 which affect the commentary on globalist world government activities which must lead to sovereign battle with Christ's Messianic Kingdom; People have been misled and we Jehovah's witnesses are partly responsible and have mitigating reparations to effect as this
climaxes; Since 1990 the ministry is fully subverted in the GB diversion described above;

2. Prophecy indicates a final grand finale Christian ministry final cycle (Rev10-11) is purposed by God for final, explicit, highly detailed, convincing Sovereign Kingdom of God warning and "11th hour" invitational salvation work to spare and SAVE ANY HUMAN who wants to give allegiance to God, Jesus Christ and the all powerful Messianic Kingdom True Universal World Government over everything else;

3. BOTH God's Kingdom and 8th King world government have a completion cycle that takes more time to complete (as per prophecy and logic), which developmental events and climax are concurrent, simultaneous and parallels perfectly (as per prophecy) unto full on final battle at Armageddon;

Prophetic Replication: Seven Bible Chapters

There is essentially seven chapters of the Bible that lay the prophetic replication framework based on the Daniel 12 timed progressions, in two fulfillments in the 1914-1926 period, and in the near future paralleling Revelation 8-11, and 15-16 also replicating; that is seven chapters;

- Daniel 12 (replicates);
- Revelation 8-11 (replicates);
- Revelation 15-16 (replicates);

The temple judgment begins the final prophetic fulfillment cycle unto the replication;

- Daniel 8:13-14 is a unique, one time only temple judgment and purification prophecy in priority of fulfillment as per 1Peter 4:17;
- Daniel 8:13-14 temple judgment is paralleled by Revelation 8 "altar fire" JW "earth" judgments and purifications;
- Zechariah 3:1-5 is the temple inspection, judgment and purification sequence paralleling the temple judgment;
- Malachi 3:1-5 is the Christ temple entry of purification;

That series of temple judgment prophecy begins Revelation 8 replication fulfilling, as Revelation 8-11 is a continuous replicating fulfillment over temple judgment (Rev8), purification, recovery (Rev9), and final recommission (Rev10) of the cleansed "two witnesses"; (Rev11);

Revelation 15-16 is a preliminary world judgment series of seven plagues paralleling Revelation 8-11's seven trumpets leading to final world judgment also replicating with Revelation 8-11;

Sovereign Progression: Six Bible Chapters

The full sovereign Kingdom and temple progression merely adds additional unique detailing in six additional chapters of Daniel and Revelation; Daniel lays the sovereign foundation that Revelation builds upon for both God's Kingdom completion and the defiant progression of world powers to 8th King completion concurrently;
Daniel 2, 7, 8, and 11 lay the sovereign progression of human world power in 4 symbolic world power themes, benchmarking times and national names in Babylon, Medo-Persia and Greece that previous (Egypt, Assyria) and subsequent (Rome, Anglo-America, 8th King globalist unification) world power developments spring from and can be "registered" into;

Revelation 13 and 17 continue from the Roman world power period (Rev17:10), the base named world powers of Daniel thus are present as a historic benchmark, also present in the seven headed wildbeast progressions of those Revelation chapters to 8th King globalist unifications of all national powers into an apex world sovereign world government and representing image 8th King world power;

Both Daniel and Revelation outline the entire world power progression from the national powers of (1) Egypt, (2) Assyria, (3) Babylon, (4) Medo-Persia, (5) Greece, (6) Rome, (7) Anglo-America, as national powers unifying into a collective unification (United Nations) of ALL the world powers as nations in the 8th King globalist unification final world power; (8); (This is the 8th King entity the Messianic Kingdom will war with as a collective whole symbol representing ALL world power);

Then one can cross reference other prophetic details from other prophets and Bible portions into this timeline and framework - but the basic 13 Daniel and Revelation chapters of those prophecies are the basis of it all in structured prophetic progressions that for the most part are prophecies that are now world histories;

So there is not much to actually read to review the framework of the dual progression of God's Kingdom and 8th King world power that parallel to Armageddon, because most of the Bible is supporting information to give extra detail to the main prophetic framework; The actual base Kingdom and temple framework is but a few pages of the Bible;

**Symphonic Convergence of All World Power into Sole 8th King**

The key principle being bypassed by the Governing Body of Deceptions is that it all converges into a massive world power sovereignty containing ALL the world powers and all the nations in the overall world system as the 8th King; Which is an world government and "image" representation totality not present in the "image" fronting forum as the United Nations alone, this final "disgusting thing" placement is the WHOLE 8th King world governmental globalist unification of all nations against the Kingdom of God;

The 8th King is the "scarlet wildbeast" and it's globalist "seventh head" "two horned wildbeast" elite master guidance system; It ends up being based upon the Revelation 13:1 "wildbeast from the sea", absorbing all it's "power and authority" as per the Revelation 17:11-18 progression to uni-polar globalist world sovereignty; (Supported by financial and wealth domination in the power consolidation of Daniel 11:4-43); That is how the "scarlet wildbeast" is more than just the United Nations, and ends up controlling all the national powers collectively, in an 8th King globalist unification system;

"King North" globalist world power pawns and absorbs "King South" "Egypt" national powers at Daniel 11:42-43; Thus King North is identical to the 8th King, also at Armageddon at Daniel 11:45;

The "small horn" actual "8th Horn" implied in Daniel 7:20, 24 (ten horns, three fall, small horn is 8th to appear, related to 8th King), progressing to Daniel 8 in two accounts with extra detail, is the globalist Anglo root system, that matures into the "King of Fierce Countenance", as a sovereign container identical to the 8th King, also at Armageddon at Daniel 8:25;
The Daniel 2 "immense image" is also a symbolic WHOLE "image" in final 8th King power representation;

**Key Governing Body Deceptions**

Thus the Governing Body is working 8th King objectives by not completing the logical prophetic convergence of all national world power into a final sovereign world government collective container BEYOND United Nations "image" extent, it IS the "scarlet wildbeast" full world government that the UN "image" merely pictures and represents; and that is the final 8th King world government that requires a final cycle of prophecy and time to complete;

Hence, the Governing Body wants to extend a JW illusion that "everything is all done", "the end is next", so the 8th King can embark full blast on this final prophetic progression (activating Revelation 16 first four plagues), for the final world drive to 8th King completion, complete with world "tribulation of those days" (which ends; Matt24:29-31), and a final world war "problem" to birth the 8th King world government total "solution" some years AFTER temple judgment, outlined fully in prophecy, all that as JWs are plunged into Revelation 9 "abyss" of Revelation 8 (Dan8:13-14) temple judgment desolation, with no idea what is really going on, once "Armageddon" fails to manifest;

The Governing Body is aiding an 8th King first temple attack intrigue (Dan8:13), by making the guaranteed divine temple judgment desolation (Dan8:13-14), for UN NGO "transgression causing desolation" (Dan 11:31; 8:13), LOOK LIKE the final 8th King attack of Daniel 11:44-45 (Dan8:25) leading to Armageddon;

**But the temple judgment is NOT leading to Armageddon immediately** it activates Revelation 8 (temple judgment), unto Revelation 9 (temple recovery), Revelation 10 (ministerial cleansed recommission) and Revelation 11 (final world ministry for 1260 days) over some years - obviously NOT "the end" but the BEGINNING of the final prophetic cycle to eventually herald Kingdom and temple completion warnings of Revelation 10-11;

Thus the Governing Body decoy hoax, is designed to derail JWs into this final period of 8th King engineered tribulations, with no clue as to what is really going on, by making temple judgment desolation appear as terminal "great tribulation" leading to Armageddon, making an 8th King attack, actually of Daniel 8:13 "trampling" look like Daniel 11:44 final 8th King attack of Revelation 11:7, actually some years AFTER the temple judgment;

Final Temple Judgment and Jehovah's Witnesses

- Bethel infiltration effects UN NGO; (Daniel 8:11-13 parallels Daniel 11:30-32);
- MOL and apostasy of Daniel 11:32 develop in JWs; 2Thessalonians 2:1-4 developed by 8th King and Governing Body;
- 3rd of 4 United Nations "placements" fulfills Daniel 11:31b in 1990 after Cold War (Daniel 11:29);

**Temple Judgment (Daniel 8:13-14; 2Thessalonians 2:8; Revelation 8):**
- Desolations unto temple purification; (Zechariah 3:2; Revelation 8; Daniel 8:11-14);
- Revelation 8-11 activates as a prophetic replication of 1914-1918 minor fulfillments;
- Revelation 8 temple judgment parallel activates first 4 trumpets;
- *Temple judgment timed period of "2300 evenings and mornings" must transition into the 1260 days of Revelation 11:2-3 with an unknown transitional time period, if any, between those timed periods;*

**8th King First Temple Attack; (Dan8:13; 2:8; Revelation 8):**
- Activates Revelation 16 first four plagues; (Revelation 16:1-9);
- Internal GB/Bethel aided "holy place" attack terminated at temple purification timing by God and Christ; (Isa66:6; Zech3:4-5, 9)
- 8th King external attack extension halted by God and Christ in the field in covert angelic actions to create temple recovery period; (Hosea 1:4-7; Isa31:8-9; Rev9);

**Two Witnesses deployed - 1260 Days Begins - Revelation 11**
- Final "little scroll" ministry develops "disturbing reports" for 8th King; (Revelation 11; Daniel 11:44);
- 1260 Days completes as 8th King "disturbed" second attack finalizes or near finalization, prior
- 8th King continues global tribulatory and distractionary intrigues away from God's Kingdom completion reality;
- World War 4 "tribulatory" "pangs of distress" to "deliver" 8th King final placement world government - like three previous world wars ending in 1919, 1945, 1990; resulting in UN related "placements";
- Kingdom distractions and decoys developed and deployed by Satan and 8th King;

- 8th King world tribulatory drive resolving in "peace and security" for 4th placement United Nations fronted full 8th "scarlet wildbeast" world government world presentation; (Revelation 16:12-16 nearing completions);
- Revelation 5th and 6th plagues affected by 5th and 6th trumpet ministerial truth developments;
- Babylon the Great setup for asset transfer and

**Bethel infiltration effects UN NGO;**
- (Daniel 8:11-13 events parallel Daniel 11:30-32 transgressions and apostasy);
- Governing Body becomes Man of Lawlessness (MOL) Override; (2Thessalonians 2:3-4);
- JW organizational apostasy "gradually" develops; (2Thess2:3 is Daniel 11:32);
- Prophetic Cover Up by MOL (Silencing Fred Franz at incept diversion campaign of 1990); (Daniel 8:12b);
- United Nations alliance (UN NGO; 1991) official; (Daniel 11:31b effected by 8th King and Governing Body as "transgression causing desolation" of Daniel 8:13);

**8th King First Temple Attack; (Dan8:13; 2:8; Revelation 8):**
- Activates Revelation 16 first four plagues; (Revelation 16:1-9);

Final Temple Judgment and Jehovah’s Witnesses

- to, or during final "disgusting thing" placement; (Revelation 11:7 parallels Daniel 11:44; 8:25a; 12:11; 1Thess5:1-3);
- Final "two witnesses" timed period of 1260 days must transition into the 1290 days of Daniel 12:11 with an unknown transitional time period, if any, between those timed periods;
- destruction; (Revelation 16:12 parallels Revelation 17:12-18);

(Note: this is not strictly a sequential listing, some events overlap, and actual event commencement timing is unknown for now, thus the whole period overall will contain these elements in an unknown order and overlap)

1290 Days Begins as Kingdom Completes (Killed Two Witnesses)

- Kingdom completion and "great crowd" final gathering parallel 1290 days extended period; (Dan12:11)
- World judgment;
- Sheep and goats finalize; (Matthew 25:31-46 parallels Revelation 14:14-20; Matthew 24:29-31; and Daniel 7:26 "court");

8th King Second Temple Attack (Revelation 11:7)

- Babylon the Great sovereign deposition and destruction resolved (or resolving concurrently); (Revelation 16:12 parallels Revelation 17:12-18; 9:13-15);
- National sovereign subservience completed or completing; (Daniel 11:42-43 parallels Revelation 17:12-17);
- 8th King of the World world "peace and security" proclamations at "freedom from care" timing of Daniel 8:25; 11:44-45 parallel 1Thessalonians 5:1-3);
- Final Gog of Magog events; (Ezekiel 38-39 parallel Revelation 19:19-21);
- Full Armageddon national gathering as nations under 8th King control; (Revelation 16:13-18; 14:14-20 parallels Joel 3:9-17);
- Fourth and final Disgusting Thing placement; (Daniel 11:45 parallels Daniel 8:25; 12:11)

(Note: the Satanic manifestation “from the remotest parts of the north" as a unique Gog of Magog symbology, may denote demonic extremely heightened supernatural activity meant to aid the 8th King "christ" arrival illusional distractions for climax deception;)

Prophetic Temple/Kingdom Phases of the Near Future

1. Temple Inspection; (Zechariah 3:1-3 implied leading to Malachi 3:1-2);

1. The temple inspection in action now in Jehovah's witnesses (currently 2013) is the "court" scene of Zechariah 3:1-3:

(Zechariah 3:1-3) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?” 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel.

2. Which reveals spiritual profanation and the source of the spiritual fouling "in the temple":

(2 Thessalonians 2:3-4) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called “god” or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god.

3. Satanic operations are implied as Zechariah 3:1 "resistance" is 2Thessalonians 2:9 "operation of Satan";

4. These profanations are a result of Daniel 8:11-13 and Daniel 11:30-32 fulfillments developing these conditions and the "man of lawlessness";

2. Temple Judgment; (Zechariah 3:3 evidence; Daniel 8:13-14; Revelation 8:2-6; 1Peter4:17);

1. The temple judgment portion of the overall "the judgment" begins with Jehovah's witnesses:

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God.

2. It is parallel to the timed prophecy of temple judgment "due to transgression" leading to temple purification over this timed period:

(Daniel 8:13-14) “How long will the vision be of the constant [feature] and of the transgression causing desolation (UN NGO), to make both [the] holy place and [the] army things to trample on? 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition”

3. It is the Christ temple entry event:

(Malachi 3:1) “Look! I am sending my messenger, and he must clear up a way before me. And suddenly there will come to His temple the [true] Lord, whom you people are seeking, and the messenger of the covenant in whom you are delighting. Look! He will certainly come! Jehovah of armies has said.

4. Which carries out purifications by divine means:
Final Temple Judgment and Jehovah's Witnesses

(2 Thessalonians 2:8) Then, indeed, the lawless one will be revealed (temple inspection; Zech3:1-3 "befouler"), whom the Lord Jesus will do away with by the spirit of his mouth and bring to nothing by the manifestation of his presence.

Timed Temple Judgment Verification

1. The timed period of "2300 evenings and mornings" may indicate a minimum 1150 days counting each "evening" and "morning" unit for 2300 units, two units per day equals 2300 units in 1150 days as a possible minimum judgment period unto purifications;

2. 2300 days is also possible with 1150 days of "evening" and 1150 days of "morning" denoting temple desolation "darkness" unto temple recovery "morning" of enlightenment, or temple desolation "abyss" state of Revelation 9:1-3 "darkness" in that "abyss" of inactivity temporary removal of constant feature; Daniel 8:11-14; Daniel 11:30-31) unto temple recovery "abyss" release into a period of full enlightenment by purifications (Mal3:1-4) unto the "little scroll" full understanding and awareness and acceptance of that ministerial mission as "two witnesses"; (Revelation 9; 10; 11);

3. In any event, that period will be made known as it transpires upon the JW temple arrangement;

4. The transition period to the 1260 days commencement of Revelation 11:2-3 completely prepared "two witnesses" is unknown;

5. This indicates by prophetic cross reference that the Revelation 8 trumpets and Revelation 16 plagues will activate in some way before (plagues) or at temple judgment (plagues/trumpets) as trumpets must be after Revelation 8:1-6 temple judgment overview, and the plagues are the 8th King world intrigues permitted by God as God uses the 8th King attack as the context for His own judgments being carried out in those trumpets and plagues - thus the first four plagues provide temple judgment desolation contextual world intrigues;

3. Temple Desolation; (First 8th King Attack; Governing Body aided; Activates Revelation 16 first four plagues);

1. The Daniel 8:13-14 temple judgment parallels the Revelation 8 temple purification as a Christian "earth" symbol as Daniel 8:13-14 "trampling" desolations activate Revelation 8 providing the context of temple judgment and purification:

(Revelation 8:2-6) 2 And I saw the seven angels that stand before God, and seven trumpets were given them. 3 And another angel arrived and stood at the altar, having a golden incense vessel; and a large quantity of incense was given him to offer it with the prayers of all the holy ones upon the golden altar that was before the throne. 4 And the smoke of the incense ascended from the hand of the angel with the prayers of the holy ones before God. 5 But right away the angel took the incense vessel, and he filled it with some of the fire of the altar and hurled it to the earth. And thunders occurred and voices and lightnings and an earthquake. 6 And the seven angels with the seven trumpets prepared to blow them.

2. In a similar pre-commission "altar fire" purification principle:

(Isaiah 6:6-8) At that, one of the seraphs flew to me, and in his hand there was a glowing coal that he had
taken with tongs off the altar. 7 And he proceeded to touch my mouth and to say:‘Look! This has touched your lips, and your error has departed and your sin itself is atoned for.’ 8 And I began to hear the voice of Jehovah saying: “Whom shall I send, and who will go for us?” And I proceeded to say: “Here I am! Send me.” ( picturing "two witnesses" recommission cleansing);

3. Temple judgment requires a desolation for the "transgression causing desolation" (Dan8:13) in United Nations alliances and promotions (and cover ups; Dan8:12b) carried out by Bethel and the Governing Body as UN NGO agents of the 8th King system internal to Bethel;

4. The temple desolation of the Zechariah 3:2 "fire" is the Revelation 9 "abyss" that JWs are thrown into in temple judgment "evening" of Daniel 8:14, 26;

4. Temple Purification; (Zechariah 3:4-5; Daniel 8:14b);

1. Christ's divine temple action:

(2 Thessalonians 2:8) Then, indeed, the lawless one will be revealed (temple inspection; Zech3:1-3 "befouler"), whom the Lord Jesus will do away with by the spirit of his mouth and bring to nothing by the manifestation of his presence.

2. Is this temple entry:

(Malachi 3:1) “Look! I am sending my messenger, and he must clear up a way before me. And suddenly there will come to His temple [the true] Lord, whom you people are seeking, and the messenger of the covenant in whom you are delighting. Look! He will certainly come,' Jehovah of armies has said.

3. Which divine temple action provides the temple purification:

(Malachi 3:2-3) “But who will be putting up with the day of his coming, and who will be the one standing when he appears? For he will be like the fire of a refiner and like the lye of laundrymen. 3 And he must sit as a refiner and cleanser of silver and must cleanse the sons of Levi; and he must clarify them like gold and like silver, and they will certainly become to Jehovah people presenting a gift offering in righteousness.

4. As the temple priesthood is also purified:

(Zechariah 3:4-5) Then he answered and said to those standing before him:“Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state’ 5 At that I said: “Let them put a clean turban upon his head.” And they proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by.

5. Resulting also in a recommissioning divine ultimatum to Christian anointed:

(Zechariah 3:6-7) And the angel of Jehovah began to bear witness to Joshua, saying: 7“This is what Jehovah of armies has said, ‘If it is in my ways that you will walk, and if it is my obligation that you will keep, then also it will be you that will judge my house and also keep my courtyards; and I shall certainly give you free access among these who are standing by.’
5. Temple Recovery; (Zechariah 3:8-9; Revelation 9; Ezekiel 37);

1. The effects of the Daniel 8:13-14, Zechariah 3:3-4, Malachi 3:1-4 judgments and purifications outlined in detailed Revelation 8 first four trumpet heralds, begins the recovery of Christians from the temple judgment desolations "abyss":

(Revelation 9:1-3) And the fifth angel blew his trumpet. And I saw a star that had fallen from heaven to the earth, and the key of the pit of the abyss was given him. 2 And he opened the pit of the abyss, and smoke ascended out of the pit as the smoke of a great furnace, and the sun was darkened, also the air, by the smoke of the pit. 3 And out of the smoke locusts came forth upon the earth; and authority was given them, the same authority as the scorpions of the earth have.

2. A recovery timing relates to Daniel 8:14 timed period:

(Hosea 6:1-2) “Come, you people, and do let us return to Jehovah, for he himself has torn in pieces but he will heal us. He kept striking, but he will bind us up. 2He will make us alive after two days. On the third day he will make us get up and we shall live before him.

3. The transition period from the temple judgment timed period of "2300 evenings and mornings" completion, to the official commencement of the 1260 days final "two witnesses" is apparently an unknown at this time;

4. In any event the temple judgment timed period expiration must lead to the final 1260 days of final Kingdom/temple completion warning quickly, and is "bridged" into that 1260 day period by active trumpets and plagues spanning into and over the 1260 days period;

6. Temple Recommission; (Zechariah 3:6-7; Revelation 10-11);

1. After clarifications of God and Christ to a purified divine final sovereign truth (symbolized in "little scroll" "opened"), the final Kingdom and temple completion world warning and Sovereign Ultimatum of God Almighty will go forth from God upon acceptance of that Kingdom completion proclamation mission (the "little scroll" "eaten") paralleling this divine ultimatum to the "two witnesses":

(Zechariah 3:6-7) And the angel of Jehovah began to bear witness to Joshua, saying: 7“This is what Jehovah of armies has said, ‘If it is in my ways that you will walk, and if it is my obligation that you will keep, then also it will be you that will judge my house and also keep my courtyards; and I shall certainly give you free access among these who are standing by.’

2. Which Kingdom completion mission acceptance parallels this prophecy:

(Revelation 10:8-11) “Go, take the opened scroll that is in the hand of the angel who is standing on the sea and on the earth.” 9 And I went away to the angel and told him to give me the little scroll. And he said to me: “Take it and eat it up, and it will make your belly bitter, but in your mouth it will be sweet as honey. 10 And I took the little scroll out of the hand of the angel and ate it up, and in my mouth it was sweet as honey; but when I had eaten it up, my belly was made bitter. 11 And they say to me: “You must prophesy again with regard to peoples and nations and tongues and many kings.”

Page 615
3. Leading directly to the final 1260 days Kingdom completion warning period:

**(Revelation 11:1-3)** And a reed like a rod was given me as he said: “Get up and measure the temple [sanctuary] of God and the altar and those worshiping in it. 2 But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth.”

4. Therefore Messianic Kingdom birth and temple foundation phase of 1914-1922 had a worldwide witnessing period and Kingdom completion and temple completion will also have a final worldwide witnessing period in the near future in effect two witnessings by "two witnesses" as each 1260 day period combines as 2520 days of "seven times" completion of the "holy city" required final trampling in a spiritual state:

5. That final "seven times" completing in 2520 days of 8th King final "trampling" (Rev11:7) is thus leading to Kingdom completion and Kingdom conquest at Armageddon as that final 1260 days expires in "two witnesses" killed (and thus "gathered" as all 144000), as the constant feature finally removed in Daniel 12:7, 11 commencing the 1290 "Court" period of Daniel 7:26 as the 8th King world government makes fourth and final placement as per Daniel 12:11, 11:45; 8:25;

6. The expiration of that 1260 days "two witnesses" warning period leads to the Daniel 12:11 replicating 1290 final "court" period of Daniel 7:26 in an unknown time period of transition between the 1260 days period and the 1290 days period commencement, in any event, it is a brief transition if not immediate;

7. **Temple Final 8th King Attack; (Revelation 11:1-7);**

1. As the 1260 days of "their witnessing" is ending, the greatly disturbed and divinely doomed 8th King carries the final temple attack to completion:

**(Revelation 11:7)** And when they have finished their witnessing, the wild beast that ascends out of the abyss will make war with them and conquer them and kill them.

**(Daniel 12:11)** “And from the time that the constant [feature] has been removed (Rev11:7 attack result) and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days.

**(Daniel 11:44)** “But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction.

**(Daniel 8:25)** And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

2. This advanced plague period is at the timing of also Babylon the Great's final setup, asset transfers and destruction at a period of national subservient "gathering" to full Armageddon state by sovereign transfer of national power into 8th King globalist unification also shown with Babylon the Great developments in this accelerated and intensified period of development:
(Revelation 16:12-16) And the sixth one poured out his bowl upon the great river Euphrates, and its water was dried up, that the way might be prepared for the kings from the rising of the sun. 13 And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire inhabited earth, to gather them together to the war of the great day of God the Almighty. 15 “Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness. 16 And they gathered them together to the place that is called in Hebrew Har–Magedon.

(Revelation 17:12-18) 12 “And the ten horns that you saw mean ten kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the wild beast. 13 These have one thought, and so they give their power and authority to the wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so].” 15 And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns that you saw, and the wild beast, these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire. 17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their kingdom to the wild beast, until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth.”

(Revelation 9:13-15) And the sixth angel blew his trumpet. And I heard one voice out of the horns of the golden altar that is before God 14 say to the sixth angel, who had the trumpet: “Untie the four angels that are bound at the great river Euphrates.” 15 And the four angels were untied, who have been prepared for the hour and day and month and year, to kill a third of the men.

3. The collective national "power and authority" surrender to full 8th King "scarlet wildbeast" globalist unification world government is shown to take place as Babylon the Great is being positioned for final destruction in these 8th King final intrigues leading to Armageddon, as the "Euphrates" "waters" also link Revelation 9:13-15 "second woe" events to Revelation 16:12 final pre-invasion "drying" of those "waters" for complete "ten kings" national, and "scarlet wildbeast" globalist access to Babylon the Great's entire sovereign system, (1) pillaged in stripping desolation, (2) absorbed in "devouring of her fleshy parts" and (3) destroyed as an independent sovereignty in "kingdom over the kings of the earth" in "completely burn her with fire" global religious institutional destruction;

8. Temple Completion; (Zechariah 12:6-9);

1. Temple completion takes place at the final separation and global comprehensive sheep gathering after the "tribulation of those days" and 1260 day portion or totality of that period ends:

(Matthew 24:29-31) “Immediately after the tribulation of those days the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. 30 And then the sign of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven with power and great glory. 31 And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones together from the four winds, from one extremity of the heavens to their other extremity.

2. Which parallels these prophetic events:
(Revelation 6:12-17) And I saw when he opened the sixth seal, and a great earthquake occurred; and the sun became black as sackcloth of hair, and the entire moon became as blood. 13 and the stars of heaven fell to the earth, as when a fig tree shaken by a high wind casts its unripe figs. 14 And the heaven departed as a scroll that is being rolled up, and every mountain and [every] island were removed from their places. 15 And the kings of the earth and the top-ranking ones and the military commanders and the rich and the strong ones and every slave and [every] free person hid themselves in the caves and in the rock-masses of the mountains. 16 And they keep saying to the mountains and to the rock-masses:“Fall over us and hide us from the face of the One seated on the throne and from the wrath of the Lamb, 17 because the great day of their wrath has come, and who is able to stand?”

3. As the post 1260 day 8th King attack "kills" the symbolic “two witnesses" final ministry completed:

(Revelation 11:7-13) And when they have finished their witnessing, the wild beast that ascends out of the abyss will make war with them and conquer them and kill them. 8 And their corpses will be on the broad way of the great city which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled. 9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days, and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another, because these two prophets tormented those dwelling on the earth. 11 And after the three and a half days spirit of life from God entered into the them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud, and their enemies beheld them. 13 And in that hour a great earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven.

4. Which period of Christ arrival in full forming power culminates as this identical parallel event with approximate Matthew 24:30-31 timing:

(Matthew 25:31-33) “When the Son of man arrives in his glory, and all the angels with him, then he will sit down on his glorious throne. 32 And all the nations will be gathered before him, and he will separate people one from another, just as a shepherd separates the sheep from the goats. 33 And he will put the sheep on his right hand, but the goats on his left.

5. Which begins the post Daniel 7:25 1260 days in full Christ Court:

(Daniel 7:26) And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [him] and to destroy [him] totally.

6. Which must also follow the Daniel 12:7 1260 days ending at some point immediate or briefly elapsed as this time period marks the final "court" timing:

(Daniel 12:11) “And from the time that the constant [feature] has been removed and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days.

7. Which contains final "sheep" and "goat" world judgment events as Matthew 25:31-46 is paralleled by these final judgment symbolisms as the identical period of world judgment of the final "sheep" and "goat" separation, gathering and judgment:

(Revelation 14:14-20) And I saw, and, look! a white cloud, and upon the cloud someone seated like a son of man, with a golden crown on his head and a sharp sickle in his hand. 15 And another angel emerged from the
temple [sanctuary], crying with a loud voice to the one seated on the cloud: ‘Put your sickle in and reap, because the hour has come to reap, for the harvest of the earth is thoroughly ripe’. 16 And the one seated on the cloud thrust in his sickle on the earth, and the earth was reaped. 17 And still another angel emerged from the temple [sanctuary] that is in heaven, he, too, having a sharp sickle. 18 And still another angel emerged from the altar and he had authority over the fire. And he called out with a loud voice to the one that had the sharp sickle, saying: ‘Put your sharp sickle in and gather the clusters of the vine of the earth, because its grapes have become ripe’. 19 And the angel thrust his sickle into the earth and gathered the vine of the earth, and he hurled it into the great winepress of the anger of God. 20 And the winepress was trodden outside the city, and blood came out of the winepress as high up as the bridles of the horses, for a distance of a thousand six hundred furlongs.

( Joel 3:13-17 ) “Thrust in a sickle, for harvest has grown ripe. Come, descend, for [the] winepress has become full. The press vats actually overflow; for their badness has become abundant. 14 Crowds, crowds are in the low plain of the decision, for the day of Jehovah is near in the low plain of the decision. 15 Sun and moon themselves will certainly become dark, and the very stars will actually withdraw their brightness. 16 And out of Zion Jehovah himself will roar, and out of Jerusalem he will give forth his voice. And heaven and earth certainly will rock; but Jehovah will be a refuge for his people, and a fortress for the sons of Israel. 17 And you people will have to know that I am Jehovah your God, residing in Zion my holy mountain. And Jerusalem must become a holy place; and as regards strangers, they will no more pass through her.

8. Culminating in Har-Magedon:

(2 Thessalonians 1:6-10) This takes into account that it is righteous on God's part to repay tribulation to those who make tribulation for you, 7 but, to you who suffer tribulation, relief along with us at the revelation of the Lord Jesus from heaven with his powerful angels 8 in a flaming fire, as he brings vengeance upon those who do not know God and those who do not obey the good news about our Lord Jesus. 9 These very ones will undergo the judicial punishment of everlasting destruction from before the Lord and from the glory of his strength, 10 at the time he comes to be glorified in connection with his holy ones and to be regarded in that day with wonder in connection with all those who exercised faith, because the witness we gave met with faith among you.

9. As this period's "peace and security":

(1 Thessalonians 5:1-3) Now as for the times and the seasons, brothers, you need nothing to be written to you. 2 For you yourselves know quite well that Jehovah's day is coming exactly as a thief in the night. 3 Whenever it is that they are saying: “Peace and security!” then sudden destruction is to be instantly upon them just as the pang of distress upon a pregnant woman; and they will by no means escape.

10. Relates to this "freedom from care":

(Daniel 8:25) And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

11. Relating that "bring many to ruin" with this "devote many to destruction":

(Daniel 11:44-45) “But there will be reports (including "little scroll" report) that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. 45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.
12. Which entire sequence from Christ arrival and Kingdom completion to Armageddon is this final attack sequence of the Messianic Kingdom:

(Revelation 19:11-21) And I saw the heaven opened, and, look! a white horse. And the one seated upon it is called Faithful and True, and he judges and carries on war in righteousness. 12 His eyes are a fiery flame, and upon his head are many diadems. He has a name written that no one knows but he himself, 13 and he is arrayed with an outer garment sprinkled with blood, and the name he is called is The Word of God. 14 Also, the armies that were in heaven were following him on white horses, and they were clothed in white, clean, fine linen. 15 And out of his mouth there protrudes a sharp long sword, that he may strike the nations with it, and he will shepherd them with a rod of iron. He treads too the winepress of the anger of the wrath of God the Almighty. 16 And upon his outer garment, even upon his thigh, he has a name written, King of kings and Lord of lords. 17 I saw also an angel standing in the sun, and he cried out with a loud voice and said to all the birds that fly in midheaven:“Come here, be gathered together to the great evening meal of God, 18 that you may eat the fleshy parts of kings and the fleshy parts of military commanders and the fleshy parts of strong men and the fleshy parts of horses and of those seated upon them, and the fleshy parts of all, of freemen as well as of slaves and of small ones and great.’ 19 And I saw the wild beast and the kings of the earth and their armies gathered together to wage the war with the one seated on the horse and with his army. 20 And the wild beast was caught, and along with it the false prophet that performed in front of it the signs with which he misled those who received the mark of the wild beast and those who render worship to its image. While still alive, they both were hurled into the fiery lake that burns with sulphur. 21 But the rest were killed off with the long sword of the one seated on the horse, which [sword] proceeded out of his mouth. And all the birds were filled from the fleshy parts of them.

(Revelation 20:1-3) And I saw an angel coming down out of heaven with the key of the abyss and a great chain in his hand. 2 And he seized the dragon, the original serpent, who is the Devil and Satan, and bound him for a thousand years. 3 And he hurled him into the abyss and shut [it] and sealed [it] over him, that he might not mislead the nations anymore until the thousand years were ended. After these things he must be let loose for a little while.

13. Which "Kingdom come" begins this period:

(Revelation 21:1-6) And I saw a new heaven and a new earth; for the former heaven and the former earth had passed away, and the sea is no more. 2 I saw also the holy city, New Jerusalem, coming down out of heaven from God and prepared as a bride adorned for her husband. 3 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” 5 And the One seated on the throne said:“Look! I am making all things new.” Also, he says: “Write, because these words are faithful and true.” 6 And he said to me: “They have come to pass! I am the Alpha and the Omega, the beginning and the end.

Seven Times Proof

"3.5 times" is an incomplete number as is the final Kingdom ministry also incomplete at this point, as that 3.5 times must duplicate in a final Kingdom completion ministry of the near future as "7 times" wholeness of the
Final Temple Judgment and Jehovah's Witnesses

divine "holy city" trampling period, in the spiritual state, after the 2520 years "seven times" expired in 1914, as the 2520 days began in approximate timing with the first 1260 day Kingdom witnessing period of 1914-1918;

All these 3.5 times (42 months; 1260 days) identical periods must also replicate in the near future explicitly and in principle of initial fulfillment but in final fulfillment of major final events leading to Messianic Kingdom completion:

(Daniel 7:25-26) And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time 26 And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [him] and to destroy [him] totally.

(Daniel 12:7) And I began to hear the man clothed with the linen, who was up above the waters of the stream, as he proceeded to raise his right [hand] and his left [hand] to the heavens and to swear by the One who is alive for time indefinite:"It will be for an appointed time, appointed times and a half And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish.”

(Revelation 11:1-4) 11 And a reed like a rod was given me as he said:“Get up and measure the temple [sanctuary] of God and the altar and those worshipping in it. 2 But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot forforty-two months. 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth.” 4 These are [symbolized by] the two olive trees and the two lampstands and are standing before the Lord of the earth.

(Revelation 12:6) 6 And the woman fled into the wilderness, where she has a place prepared by God, that they should feed her there athousand two hundred and sixty days.

(Revelation 12:14) But the two wings (two deliverances) of the great eagle (Christ) were given the woman, that she might fly into the wilderness to her place; there is where she is fed for time and times and half a time away from the face of the serpent.

(Revelation 13:5) And a mouth speaking great things and blasphemies was given it, and authority to act forty-two months was given it.

There is thus a Kingdom birth phase 1260 day witnessing and a Kingdom completion phase 1260 day witnessing, for a total combined 1260+1260 = 2520 days "seven times" of "two witnessings" amidst final fulfillment Revelation 13:5 wildbeast final "trampling" of the "holy city"; Actually two witnessings of the "two witnesses" take place; TWO witnesses;

The Revelation 12 Satanic casting from heaven in 1914 resulting in intensive persecution of the "woman", by extension her "seed" (Gen3:15) in te 1914-1918 period, is paralleled in the near future by the unique Gog of Magog Satanic manifestation (Eze38-39) from the place of that original casting into "the remotest parts of the north" (Eze38:6, 15; 39:2), from where Satan will manifest with the demons as "guard" (Eze38:7) of the final 8th King attack sequence paralleling the 1260 days in Gog’s final actions prior to abyss; (Eze38-39; Rev19:19-21; 20:1-3);

Repeating 8th King Formula and Patterns
Since the wildbeast "disgusting thing" places four total times, as three times have been:

1. 1919; after World War 1; as League of Nations fulfilling Revelation 13:11-15 at Daniel 12:11 timing;

2. 1945; after World War 2; as United Nations fulfilling Revelation 17:8-11

3. 1990; after World War 3 (Cold War) as United Nations "New World Order" initiative fulfilling Daniel 11:31b;

The Daniel 11:27-45 globalist "King North" sequence as 8th King contains the third UN placement at Daniel 11:31 and the intrigues leading over time from 1990 to the fourth "disgusting thing" final UN placement of Daniel 11:45 some years later; (as Daniel 12:11 replicates);

4. Future; after World War 4; as full UN "image" representation and the reality of complete, whole, total "scarlet wildbeast" world government;

**Some Final Related Repeating Patterns**

Thus we can expect even the "abyss" related inaction of the United Nations coming up, replicates Revelation 17:8-11 due to another world war (World War 4), to be resolved in "peace and security" and "freedom from care" for full effect of UN "disgusting thing" placement identically foretold at Daniel 11:44; 8:25 and Daniel 12:11; as that "scarlet wildbeast" arises from abyss a second time to complete Revelation 11:7 full meaning of "the wildbeast that ascends out of the abyss" and final attack phase on the "two witnesses" involuntarily aiding temple 144000 completion;

Again providing a related period of wildbeast authority (Rev13:5), as in WW1, due to an 8th King engineered world war and tribulatory intense but purposely temporary period to distract from God's Kingdom completion, and to create the world war resolution into world "peace and security" highlighting the UN world government "champions of world peace" doomed final world order;

And that context allows Revelation 13:5 wildbeast related " authority to act forty-two months was given it" and Revelation 12:6, 14 1260 day principle of anointed persecution parallels to also replicate in this final world tribulatory, world war period as the 8th King uses world war global tribulation "problem", to be resolved for the United Nations world government completing 8th King "solution" as "disgusting thing" placement upon a "world peace" stage of world war resolution, a formula used consistently in it's three UN related placements since 1919 - as in the three previous times using this 'world war to world peace' process - expecting a fourth cycle of the UN "world tribulation" to present "world government peace" formula is intuitive;

The dissolution of Babylon the Great in this 6th plague end sequence aids the overall illusions of actual "world peace" and security, as Revelation 16:13-16 and Revelation 17:12-18 are parallel progressions with Babylon the Great setup (Rev16:12) and destruction (Rev17:15-16) mixed into both those final intrigues cross linking their climax culminations;

(This, by the way, is the sequential 1-2-3-4 UN formulaic process and progression of "disgusting thing" placements in prophecy (four times), leading to an obvious full world government and Armageddon in the fourth and final "placement", which easy to see and verify sequence the Governing Body is covering up to aid their 8th King partners secrecy as to their 8th King (King North) prophetic fulfillments since the 1990 third
UN "disgusting thing" placement after Cold War at Daniel 11:31b for a USSR "King North" erred illusion;

Instead, the Governing Body and Bethel became a UN allied UN NGO supporting organization, co-promoting and co-fulfilling that Daniel 11:31 third United Nations "disgusting thing" placement in New World Order campaigning; The Awake! 9/8/1991 issue contains third UN "disgusting thing" world placement ceremony and key placement quotes, as the Governing Body also placed the "disgusting thing" at Bethel in 1991 as UN NGO co-promoters (Matt24:15) after a different kind of "world war" (Dan11:29);

(Daniel 11:31) “And they [8th King and GB] will certainly put in place the disgusting thing that is causing desolation.

The Governing Body and Bethel are partisan in that "they" partnership and team effort with the United Nations;

Prophetic Replication: Seven Bible Chapters

There is essentially seven chapters of the Bible that lay the prophetic replication framework based on the Daniel 12 timed progressions (Dan12:7, 11, 12), in two fulfillments in the 1914-1926 period, and in the near future paralleling Revelation 8-11, and 15-16 also replicating; that is seven chapters;

- Daniel 12 (replicates);
- Revelation 8-11 (replicates);
- Revelation 15-16 (replicates);

The temple judgment begins the final prophetic fulfillment cycle unto the replication;

- Daniel 8:13-14 is a unique, one time only temple judgment and purification prophecy in priority of fulfillment as per 1Peter 4:17;
- Daniel 8:13-14 temple judgment is paralleled by Revelation 8 "altar fire" JW "earth" judgments and purifications;
- Zechariah 3:1-5 is the temple inspection, judgment and purification sequence paralleling the temple judgment;
- Malachi 3:1-5 is the Christ temple entry of purification;
- 2Thessalonians 2:8 is the Christ temple entry of purification;

That series of temple judgment prophecy begins Revelation 8 replication fulfilling, as Revelation 8-11 is a continuous replicating fulfillment over temple judgment (Rev8), purification, recovery (Rev9), and final recommission (Rev10; Zech3:6-7)) of the cleansed "two witnesses"; (Rev11);

Revelation 15-16 is a preliminary world judgment series of seven plagues paralleling Revelation 8-11's seven trumpets leading to final world judgment (7th plague/7th Trumpet) also replicating with Revelation 8-11 seven trumpets;

Sovereign Progression: Six Bible Chapters
The full sovereign Kingdom and temple progression merely adds additional unique detailing in six additional chapters of Daniel and Revelation; Daniel lays the sovereign foundation that Revelation builds upon for both God's Kingdom completion and the defiant progression of world powers to 8th King completion concurrently.

Daniel 2, 7, 8, and 11 lay the sovereign progression of human world power in 4 symbolic world power themes, benchmarking times and national names in Babylon, Medo-Persia and Greece that previous (Egypt, Assyria) and subsequent (Rome, Anglo-America, 8th King globalist unification) world power developments spring from and can be "registered" into;

Revelation 13 and 17 continue from the Roman world power period (Rev17:10); the base named world powers of Daniel thus are present as a historic benchmark, also present in the seven headed wildbeast progressions of those Revelation chapters to 8th King globalist unifications of all national powers into an apex world sovereign world government and representing image 8th King world power;

Both Daniel and Revelation outline the entire world power progression from the national powers of (1) Egypt, (2) Assyria, (3) Babylon, (4) Medo-Persia, (5) Greece, (6) Rome, (7) Anglo-America, as national powers unifying into a collective unification (United Nations) of ALL the world powers as nations in the 8th King globalist unification final world power; (8); (This is the 8th King entity the Messianic Kingdom will war with is a collective whole symbol representing ALL world power);

Then one can cross reference other prophetic details from other prophets and Bible portions into this timeline and framework - but the basic 13 Daniel and Revelation chapters of those prophecies are the basis of it all in structured prophetic progressions that for the most part are prophecies that are now world histories;

So there is not much to actually read to review the framework of the dual progression of God's Kingdom and 8th King world power that parallel to Armageddon, because most of the Bible is supporting information to give extra detail to the main prophetic framework; The actual base Kingdom and temple framework is but a few pages of the Bible;

**Symphonic Convergence of All World Power into Sole 8th King**

The key principle being bypassed by the Governing Body of Deceptions is that it all converges into a massive world power sovereignty containing ALL the world powers and all the nations in the overall world system as the 8th King; Which is an world government and "image" representation totality not present in the "image" fronting forum as the United Nations alone, this final "disgusting thing" placement is the WHOLE 8th King world governmental globalist unification of all nations against the Kingdom of God;

The 8th King is the "scarlet wildbeast" and it's globalist "seventh head" "two horned wildbeast" elite master guidance system; It ends up being based upon the Revelation 13:1 "wildbeast from the sea", absorbing all it's "power and authority" as per the Revelation 17:11-18 progression to uni-polar globalist world sovereignty; (Supported by financial and wealth domination in the power consolidation of Daniel 11:42-43); That is how the "scarlet wildbeast" is more than just the United Nations, and ends up controlling all the national powers collectively, in an 8th King globalist unifications system;

"King North" globalist world power pawns and absorbs "King South" "Egypt" national powers at Daniel 11:42-43; Thus King North is identical to the 8th King, also at Armageddon at Daniel 11:45;

The "small horn" actual "8th Horn" implied in Daniel 7:20, 24 (ten horns, three fall, small horn is 8th to
appear, related to 8th King), progressing to Daniel 8 in two accounts with extra detail, is the globalist Anglo root system, that matures into the "King of Fierce Countenance", as a sovereign container identical to the 8th King, also at Armageddon at Daniel 8:25;

The Daniel 2 "immense image" is also a symbolic WHOLE "image" in final 8th King power representation;

**Key Governing Body Deceptions**

Thus the Governing Body is working 8th King objectives by not completing the logical prophetic convergence of all national world power into a final sovereign world government collective container BEYOND United Nations "image" extent, it IS the "scarlet wildbeast" full world government that the UN "image" merely pictures and represents; and that is the final 8th King world government that requires a final cycle of prophecy and time to complete;

Instead the Governing Body teaches a disjointed "climax" of Daniel 8:25 and Daniel 11:44-45 as national powers, on two fronts, when in fact God is judging ALL the nations, on one Armageddon front, in ONE 8th King globalist unification TOTALITY of sovereign defiance in one sovereign system container; (By Armageddon time, national powers will be subservient to 8th King power, individual national powers, as implied by the GB at Daniel 8:25 and the hoax of Daniel 11:44 "fill in" King North, are not the focus of Messianic Kingdom conquest, ALL of them are targeted for removal; (Daniel 2:44); The GB uses this national distraction, to divert and derail the final culmination meaning to serve 8th King subterfuge, and to conceal the final developmental and prophetic cycle which must yet fulfill over some years;

Hence, the Governing Body wants to extend a JW illusion that "everything is all done", "the end is next", "all prophecy has fulfilled to the smallest detail" (WT 6/15/2012); so the 8th King can embark full blast on this final prophetic progression (activating Revelation 16 first four plagues), for the final world drive to 8th King completion, complete with world "tribulation of those days" (which ends; Matt24:29-31), and a final world war "problem" to birth the 8th King world government total "solution" some years AFTER temple judgment, outlined fully in prophecy, with NO prophetic exposure, and all that as JWs are plunged into Revelation 9 "abyss" of Revelation 8 (Dan8:13-14 "evening") temple judgment desolation, with no idea what is really going on, once "Armageddon" fails to manifest;

*The Christian ministry will actually be derailed fully for a temporary period, and the Governing Body aids this anti-Christian activity;*

**Critical GB Hoax**

The Governing Body is aiding an 8th King first temple attack intrigue (Dan8:13), by making the guaranteed divine temple judgment desolation (Dan8:13-14), for UN NGO "transgression causing desolation" (Dan 11:31; 8:13), LOOK LIKE the final 8th King attack of Daniel 11:44-45 (Dan8:25) leading to Armageddon - which it will not be - which 8th King attack is the *first* in a series of two attacks ((1) Dan8:13; (2) Rev11:7; Dan 11:44), NOT the Daniel 11:44 attack phase yet;

As well now, in over twenty years of GB teachings after 3rd placement UN events of 1990, when a clarification of temple judgment desolation and Armageddon judgment final events could have been distinguished, the GB instead promote an ambiguous "the end" perpetually, to aid the cover up of their role in Daniel 8:11-13 and Daniel 11:30-32 fulfillments of the 1990 UN NGO culmination, instead setting up JWs with premature "the end" expectations by applying all judgment prophecy to that "end" in Watchtower commentaries, rather than distinguish first 8th King temple attack desolation judgment "ending" "a system of
things" in Bethel apostate operations, from the finale world judgment events at the actual "end" (Matt 24:14) of Armageddon world judgment ending "the system of things" as prophecy does distinguish these meanings;

Notice the use of "a system of things" and "the system of things" here, in a segway of Christ's prophecy spanning temple judgment to Armageddon judgment:

(Matthew 13:37-40) 37 In response he said: "The sower of the fine seed is the Son of man; 38 the field is the world (and JW Rev8 "earth" "all the green vegetation was burned up" "weeds") as for the fine seed, these are the sons of the kingdom; but the weeds ("man of lawlessness" final fulfillment "system" at Bethel promoted apostasies as lawless JWs) are the sons of the wicked one, 39 and the enemy that sowed them is the Devil. (Zech3:1; 2Thess2:9) The (temple judgment) harvest is a conclusion of a system of things (at Bethel as apostate "system of things") and the reapers are angels. (at temple purification of Zech3:4-5) 40 Therefore, just as the weeds are collected and burned with fire, so it will be in the (final world judgment) conclusion of the system of things. (Showing a final "sheep and goats" separation and judgment application worldwide, external to the temple environment "separation" which takes place first in temple judgment purifications some years prior to final world judgment, to produce a cleansed ministry to give final Revelation 10-11 warning of that final world judgment and Kingdom completion);

Thus temple judgment desolation resulting in a purge of that JW a system of things" is distinguished from final world judgment at Armageddon ending "the system of things";

The Governing Body will not make this distinction, but promotes a simplistic and ambiguous "end" expectation "any day now" to be used in the first 8th King attack of Daniel 8:13 "trampling" of the temple judgment desolation, to make it appear as "the end" of the whole "the system of things", when in fact it will just be "the end" of "a system of things" (Isa66:6), run by this "man of lawlessness" currently operating these deceptions "in the temple";

Of course this will leave JWs believing GB deceptions fully bewildered and in a sequence prophetically guaranteed to last for some years as Revelation 16 first four plagues in replicating final fulfillment is what is actually BEGINNING, not ending;

Instead, in Reality...

The temple judgment is NOT leading to Armageddon immediately it activates the final prophetic replication fulfillments activating irreversibly Revelation 8 (temple judgment), unto Revelation 9 (temple recovery), Revelation 10 (ministerial cleansed recommission) and Revelation 11 (final world ministry for 1260 days) over some years - obviously NOT "the end" but the BEGINNING of the final prophetic cycle to eventually herald Kingdom and temple completion warnings of Revelation 10-11;

Thus the Governing Body decoy hoax, is designed to derail JWs into this commencing final period of 8th King engineered tribulations, with no clue as to what is really going on, by making temple judgment desolation appear as terminal "great tribulation" leading to Armageddon, making a first 8th King attack, actually of Daniel 8:13 "trampling" look like Daniel 11:44 final 8th King attack of Revelation 11:7, actually some years AFTER the temple judgment;

Obviously this is why temple judgment context of purifying desolation will culminate in the removal of the Governing Body and the Bethel apostasy permanently, as from that time of temple judgment to purity, Christ is divinely slated for first post 1260 day manifestation (Matt24:29-31) in approximately seven years timing after temple judgment begins, maybe less, as Daniel 8:14 timing maximum 2300 days, plus the final
Revelation 11:2-3 1260 days, and a possible brief unknown transition period between those two timed periods, is all that is left, from temple judgment commencement to the Matthew 24:29-31 initial Christ manifestation to wrap up the 144000, separate those saved as "sheep", and so on, to the absolute end;

**Jot It Down on a Calendar**

The temple desolation on Bethel worldwide will be marked by God, so make a note of it when you see it to gauge the Daniel 8:14 timing from noticeable temple desolation intrigues and events;

[12:20 PM 10/6/2013]
The Man of Lawlessness (MOL) Revealed - Models of Lawlessness in Jehovah's Witnesses

Outline Notes: The Final Cycle of World Developments to Unfold for Years Upon Prophecy is About to Begin

Since we do not know the exact concurrence of the prelude event or events that lead into or even begin the temple judgment component of this overall world development JWs need to be aware that the temple judgment is timed and has an "evening" and "morning" period described in the prophecy at Daniel 8:13-14 and reiterated for a reason by God by Gabriel at Daniel 8:26;

Jehovah's witnesses now beginning to recognize the divine prophetic and actual preliminary revealing of the modern-day final temple cycle "lawless one" as the "man of lawlessness" operative "in the temple" through the Governing Body of Jehovah's Witnesses NEED to be aware of the timed significance that this prerequisite revelation plainly present in Jehovah's Witnesses now:

(2 Thessalonians 2:3) . . .Let no one seduce you in any manner, because it (final cycle/temple judgment onward) will not come unless the apostasy COMES FIRST AND the man of lawlessness gets revealed, the son of destruction.

Leads to this timed cycle which must connect further to more prophecy as this timed period expires:

(Daniel 8:13-14) . . .And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation (UN NGO; Daniel 11:31b; 1991), to make both [the] holy place and [the] (JW) army (Rev9) things to trample on?" 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition." ("right condition" = temple purification of Zechariah 3; Malachi 3:1-5);

Timed period minimum 1150 days as ["evening" + "morning"] counts equal 1 unit, but may have also a meaning to each darkness (evening) and enlightenment (morning) period in sequence from JW bewilderment and confusion "evening" to recovery by divine "morning" enlightenments; (Rev8:5);

(Daniel 8:26) . . ."And the thing seen concerning the evening and the morning, which has been said, it is true. . . .

And that is this initial event furthering the full final cycle:

(1 Peter 4:17-18) . . .For it is the appointed time for the judgment to start with the house of God.

IMPORTANT FOR JW REFERENCE:

This entire period marks the beginning of the final world cycle;

From "man of lawlessness" revealed and overlapping into the temple desolation features (Zech3:2; Rev8:1-13) of the divine temple judgment to a limited degree controlled by God to the expulsion of the "man of lawlessness" in "son of destruction" mode, over timed phase;

That beginning of temple “trampling” of Daniel 8:13-14 NEEDS to be marked by us JWs, because it proceeds for the time indicated at Daniel 8:14 to the completion of Zechariah 3:4-5 angelically assisted temple purification events;

That removal of "befouled garments" (Zech3:3) leaves "Joshua" (anoited priesthood) "naked" for a brief period as divinely approved "robes of state" (Zech3:4) replace the "befouled garments" besmirched by today's Governing Body unto their removal with all their internal temple trespassers and sinners (Isa66:6) by ANGELIC means in whatever way that
The Man of Lawlessness

covet operation unfolds unknown to us now;

The temple judgment event will be marked by God, how it unfolds with or after world events creating the context for this peripheral temple event is yet to be determined; it may be at the same time, in the same event commencement, or delayed and in a few events in sequence over an unknown period of time - so JWs understanding this need to stay awake and pay attention from when the event(s) start to manifest and God will make sure this is recognizable to some JWs;

I. Overview of Man of Lawlessness Development

Notes: Jehovah’s Witnesses have administered the information concerning prophetic and Biblical truth in an acceptable manner relating to God’s Kingdom initial sovereign proclamations and the worldly and spiritual features and events that mark the prophetic fulfillments as true up to pinnacle 1969 development of the understandings of Daniel and Revelation and other supporting prophets and apostles;

In 1990 the dissolution of the USSR disqualified Russia or any other nation or bloc of national powers from fulfilling the King of the North required continual success from atleast Daniel 11:36 to Daniel 11:45:

(Daniel 11:36b) ...And he (King North) will certainly prove successful until [the] denunciation will have come to a finish (Daniel 11:45); because the thing decided upon must be done.

In plain and simple terms and criteria of the prophecy the USSR CANNOT fulfill that prophetic requirement, but the UN 8th King system can and will fulfill that requirement;

We know now in 1990 the United Nations 3rd "disgusting thing" placement of Daniel 11:31b, after the "cold war" (Dan11:29) is the clue to also the developmental reason why Jehovah’s Witnesses no longer preach a complete prophetic truth since that time:

(Daniel 11:31) . . .And there will be arms that will stand up, proceeding from him (King North); and they will actually profane the sanctuary, the fortress, and remove the constant [feature].

"And THEY* will certainly put in place the disgusting thing that is causing desolation. (UN 3rd placement and world proclamation; 1990; Bethel UN; UN NGO co-promotions 1991-2001;)

THEY* have effectively been truncating all Biblical awareness of globalist 8th King development fulfilling critical prophecy since the 1945 United Nations 2nd placement as the "disgusting thing" (Rev17:8-11);

THEY* are the Governing Body "man of lawlessness" internal Bethel network and 8th King - King North globalist planners;

This severs modern prophetic commentary at the point of development of commentaries of Revelation in 1963 and 1969 levels of globalism understanding in relation to Revelation prophecy relating explicitly to Daniel prophecy regarding 8th King - King North globalization developments fulfilling prophecy continually since 1990;

The "Revelation - It's Grand Climax at Hand" (1988) took globalism understanding as the
The Man of Lawlessness

basis of 8th King world governmental apex developmental power (King North) no further than
the 1969 Revelation commentary (Then is Finished the Mystery of God) it was based on, or
related parts in the 1963 "Babylon the Great Has Fallen" portion of Revelation commentary;

The globalists with the aid of an "infiltrator" Governing Body and JW organizational
embedded agents to unknown but significant degrees has effectively derailed the JW
ministry's full power of truth relating to modern globalization developments of 8th King world
government since especially 1990 heading to climax completion development in marked
manner uncommented on and diverted by the Governing Body in full subversion in 1990 UN
developments covered over for inapplicable USSR fantasies of distraction in Daniel 11;

The resistance to the truth in "there will be arms that will stand up, proceeding from him"
(King North); is the infiltrator source of the strategic development of the "man of
lawlessness" operating through the head "Governing Body" device as this developed by 8th
King intelligence upon "those leaving the holy covenant" which at that time could not apply to
Christendom as already disqualified from "holy covenant" contention in 1919-1922
significance of temple purifications during temple foundation era fulfillments (Dan11:30);

Thus this "invasion" of Bethel (Dan11:41) is making internal Bethel compromise possible as
foretold in the same Daniel 11:30-32 prophetic segway to continued 8th King North prophetic
fulfillments purposely covered up by the Governing Body (Dan8:12b) to develop the lack of
Biblical awareness of the continuum of four "disgusting thing" placements, the fourth and
final of which is just prior to all out Armageddon divine war;

Covering up the 3rd placement of the UN "New World Order" proclamations of 1990, and in
1991 at Bethel (Awake! 9/8/1991) breaks the prophetic continuity leading to further
guaranteed developments and eventually Armageddon from being explicitly known in the JW
ministry in detail;

Thus the Governing Body is a masquerading enemy infiltration agency of centrally installed
Bethel intelligence development for worldwide control and subversion of the JW ministry;

And this development basically is the source of the "profanations" of the "temple" and
"constant feature" removal in unacceptability to God to a divinely permitted climax in the near
future; (Dan8:13-14), now "wormwood" embedded in JW Governing Body 8th King
engineered interpretive doctrines of Daniel 11:27-45 in purposeful misleading errors and lies
as part of the JW ministerial "truth"; (Rev8:10-12);

We have a great signal now "in the temple"; (2Thessalonians 2:1-4);

Very Important Commencing Signal of Divine Prophecy Activating in Modern Fulfillment

It must and will be stressed here that the "man of lawlessness" development in Jehovah's
Witnesses modern ministry is not a "stand alone", "disconnected", "isolated" event but
instead is a critical connective signal of impending temple judgment proceedings which can
come only after the "lawless one" is identified conclusively and revealed - it is a prophetic and
world event prerequisite for serious developments to follow:

(2 Thessalonians 2:1-5) However, brothers, respecting the presence of our Lord Jesus Christ
and our being gathered together to him, we request of you 2 not to be quickly shaken from
your reason nor to be excited either through an inspired expression or through a verbal
message or through a letter as though from us, to the effect that the day of Jehovah is here.
3 Let no one seduce you in any manner, because it will not come unless the apostasy comes
first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in
The Man of Lawlessness

opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god. 5 Do you not remember that, while I was yet with you, I used to tell you these things?

It is also a prophetic fulfilling initial development that explicitly connects to a whole series of prophecy replicating in continuous marked manner all the way to Armageddon from this first "man of lawlessness" revelation of JW organized apostasy;

The "man of lawlessness" revealed is the first step in a number of stages explicitly identified in the prophecies of temple judgment, purification, recovery and completion that this activating "man of lawlessness" prophecy will lead to guaranteed for even more incredible fulfillments to come;

That is why the revealing of the "man of lawlessness" and the apostasy he leads (2Thess2:3; Dan11:32) in Jehovah's Witnesses is extreme in importance; Essentially the "end" cycle has already begun with little fanfare and must proceed in assured fashion over some years to far more visible manifestations of Armageddon prelude prophetic developments involving God's temple, kingdom, and the rival 8th King globalist system;

Repetition

Repetition is used throughout this development for prophetic and important principle emphasis is a key feature of critical developments being described here which are all repeating comprehensive prophecies and prophetic components and principles which have greater significance with each cycle and replicate connectively in prophecy repeating to final Armageddon significance, situation and event;

Linked Continuity Framework of Prophecy

A prophetic framework of sequential continuity is being established as activating with key initiating signal features (like the "man of lawlessness") which lead to more guaranteed prophetic manifestations over time (like temple judgment) connecting completely to the final Armageddon resolution (and after) as described here over a a number of years of other marked events;

Comprehensive Matrix of Connected Parallel and Sequential Developments

This creates a reliable Bible based underlying framework of continuity of sovereign Kingdom and temple completion progression that creates a scripturally cross referencable matrix of true features of linked and inter-related periods, sequences, events and critical significant features manifesting towards completion and Armageddon full sovereign world rulership resolution as this all unfolds over some years;

Prophetic Replication

Key timed periods of that progressive structured framework of prophecy already fulfilled once in minor form in the 1914-1918 and 1919-1922 periods;

This identifies developmental features and principles in comprehensive aspects of both the sovereign Kingdom temple significance and significant features of the rival "8th King" system "world government" completion as both manifest marked unmistakable major features described in prophecy in detail paralleling concurrently thus verifying the replicating fulfilling prophetic structured sequence as true while it is manifesting live and real-time towards God's Kingdom completion and Armageddon;
The Man of Lawlessness

That ends up becoming the main subject matter reinforcing the Messianic Kingdom final sovereign warning and invitational final witness of the "two witnesses" fully understood "little scroll" final world ministry;

Developmental Comprehensive Prophetic Harmony Completing

In this climax symphonic prophetic activation with massive spiritual and world events it is foretelling and sequencing is a completion of sovereign world rulership developmental information with great inter-related detail in comprehensive magnitudes so vast and yet harmonious so as to be incontrovertible convincing evidence of where it must lead over approximately timed periods and connective scriptural sequences like the seven trumpets and plagues paralleling;

The Most Ominous Signal Prerequisite Development of Modern Times as of Now (2012 - June 2013)

Thus the "Governing Body" centered "man of lawlessness" revelation and evidentiary patterns of systematic lawlessness are a great required signal identifying temple inspection of Jehovah's Witnesses is completing;

This ominous signal of lawlessness creating progressive JW apostasy gradually to terminal conditions is guaranteeing the final temple judgment must activate to target this symbolic "1/3" profaned and lawless temple and anointed Christian priesthood condition for divine purifications and signal events marking the final fulfillment cycle of all prophecy prior to and leading to Armageddon Kingdom conquest of God Almighty and "King of kings" Jesus Christ;

Temple Judgment Can Proceed; Prerequisite Met

The modern Gday Governing Body of Jehovah's witnesses "man of lawlessness" identified and revealed in initial form indicates temple judgment can now proceed as this one development of purposeful "lawlessness" connects to more prophetic developments;

This modern "lawless one" "mystery" solved links directly to a highly significant period of prophetic events on Bethel and Jehovah's Witnesses worldwide organization "established place" that will irrefutably signal and mark the temple judgment and temple purification cleansing for future reference as it leads to even more guaranteed prophetic activations in sequence intensifying as this develops in earnest;

The Final Cycle of World Developments to Unfold for Years Upon Prophecy is About to Begin

Since we do not know the exact concurrence of the prelude event or events that lead into or even begin the temple judgment component of this overall world development JWs need to be aware that the temple judgment is timed and has an "evening" and "morning" period described in the prophecy at Daniel 8:13-14 and reiterated for a reason by Gabriel at Daniel 8:26;

Jehovah's witnesses now beginning to recognize the divine prophetic and actual preliminary revealing of the modern day final temple cycle "lawless one" as the "man of lawlessness" operative "in the temple" through the Governing Body of Jehovah's Witnesses NEED to be aware of the timed significance that this prerequisite revelation plainly present in Jehovah's Witnesses now:
(2 Thessalonians 2:3) . . . Let no one seduce you in any manner, because it (final
cycle/temple judgment onward) will not come unless the apostasy COMES FIRST AND the
man of lawlessness gets revealed, the son of destruction.

Leads to this temple judgment timed cycle which must connect further to more prophecy as
this timed period expires:

(Daniel 8:13-14) . . . And I got to hear a certain holy one speaking, and another holy one
proceeded to say to the particular one who was speaking: "How long will the vision be of the
constant [feature] and of the transgression causing desolation (UN NGO; Daniel 11:31b;
1991), to make both [the] holy place and [the] (JW) army (Rev9) things to trample on? 14
So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy
place will certainly be brought into its right condition." ("right condition" = temple purification
of Zechariah 3; Malachi 3:1-5);

Timed period minimum 1150 days as ["evening" + "morning"] counts equal 1 unit, but may
have also a meaning to each darkness (evening) and enlightment (morning) period in
sequence from JW bewilderment and confusion "the evening" to recovery by divine "the
morning" enlightenments; (Rev8:5; Rev9:1-4);

(Daniel 8:26) Gabriel: "And the thing seen concerning the evening and the morning, which
has been said, it is true . . .

And that is this initial event furthering the full final cycle:

(1 Peter 4:17-18) . . . For it is the appointed time for the judgment to start with the house of
God.

IMPORTANT FOR JW REFERENCE:

This entire period marks the beginning of the final world cycle;

From "man of lawlessness" revealed and overlapping into the temple desolation feautures
(Zech3:2; Rev8:1-13) of the divine temple judgment to a limited degree controlled by God to
the expulsion of the "man of lawlessness" in "son of destruction" mode, over timed phase;

That beginning of temple "trampling" of Daniel 8:13-14 NEEDS to be marked by us JWs,
because it proceeds for the time indicated at Daniel 8:14 to the completion of Zechariah
3:4-5 angelically assisted temple purification events;

That removal of "befouled garments" (Zech3:3) leaves "Joshua" (anointed priesthood)
"naked" for a brief period as divinely approved "robes of state" (Zech3:4) replace the
"befouled garments" besmirched by today's Governing Body unto their removal with all their
internal temple trespassers and sinners (Isa66:6) by ANGELIC means in whatever way that
covert operation unfolds unknown to us now;

The temple judgment event will be amarked by God, how it unfolds with or after world events
creating the context for this peripheral temple event is yet to be determined; It may be at the
same time, in the same event commencement, or delayed and in a few events in sequence
over an unknown period of time - so JWs understanding this need to stay awake and pay
attention from when the event(s) start to manifest and God will make sure this is
recognizable to some JWs;
A. Priority of Temple Inspection

Notes: This signal prophetic activation cycle begins with Jehovah's Witnesses (1Peter4:17); and leads to a monumental final temple replication cycle of timed and sequential prophecy that is the underlying framework for identifying all final Bible completing sovereign Kingdom progression details and the key features of the prophetic and actual development of the globalist rival world government to be placed into this continuum from "man of lawlessness" revealed to temple judgment to Armageddon in approximate time and significance of all key events prophetically backed by world events manifesting as foretold while the final ministry is forming from JW recovery AFTER the signal temple judgment; (Rev8 is Dan8:13-14, Rev9 is the recovery phase);

The modern temple inspection/arrival (Mal3:1) identifies purpseful internal temple profanations and lawlessness (apostasy) which are the divine targets of the temple purification events that activate after the main cause of these profanations is identified in the modern day "man of lawlessness" "in the temple of the God"; (Malachi 3:2-5; 2TheSS 2:3; Zechariah 3:1-3);

The "man of lawlessness" masterfully deceptive and divinely permitted internal sinning activities are the main causitive agents and conditions that trigger the Divine "temple judgment" prophetic timed cycle fulfillemnt sign that eventually leads to temple purification (Dan8:14) and priesthood purification (Zechariah 3) by "man of lawlessness" removal and the cleansing judgment of Jehovah's witnesses; (Daniel 8:13-14 activates with Revelation 8:1-13);

And all this is a number of years prior to the final warning ministry of Revelation 10-11 that leads to Armageddon as Rev8-11 paralell Revelation 16; And all this is during a simultaneous 8th King world government completion drive also fully marked sequentially by divine prophecy - in effect God's Kingdom completion and the 8th King "world government" completion are concurrent and require this final marked cycle concealed from Jehovah's Witnesses by this foretold signal prerequisite apostasy; (2TheSS 2:3; Dan11:32);

Thus the "man of lawlessness" revealed and the apostasy he leads are not isolated occurrences but a connecting signal, an important prophetic prerequisite that must occur prior to, and connect to the impending temple judgment commencement which connects to a critical sequence of temple prophecy from judgment to purification to recovery and final ministry prophecy that the temple judgment then links to - all the way to Armageddon in sequential defined prophecy of these phases fulfilling continuously en route to Armageddon;

The "man of lawlessness" revealed starts an irreversible chain
reaction in time, and prophecy activating irreversibly; Even his revealing now in preliminary but comprehensive manner indicates the cycle is active in latent form, and that must itself lead to more explicit manifestations;

That activation of a number of fulfillments to follow towards Armageddon is upon a former pattern of prophecy illustrating temple and kingdom principles in the initial minor fulfillments of the 1914-1918 and 1919-1922 Daniel 12:7 (7:25) and 12:11 (7:26) respective timed periods and significance to Kingdom birth (1914-1918) and temple foundation verification inspection (1919-1922), and the worldwide temple judgment of that period; (Those timed periods in the 1260 days 1914-1918 significance link to other scriptures that also replicate explicitly or in important principles*; Revelation 11:2-3; 12:6,14*; 13:5)

This modern-day temple judgment goes in sequence with a unique Daniel 8:13-14 segway timed prophetic fulfillment resolving and connecting the whole Daniel 8:11-14 and Daniel 11:30-32 modern apostate conditions fully active in Jehovah's Witnesses today;

This links the "apostasy" requirement identified and exposed in the 2Thessalonians 2:1-3 prerequisite criteria to the "gradual" developments of subversion and apostasy in respective Daniel 8:11-13 and Daniel 11:30-32 prophetic descriptive progressions in parallel 1990 climax UN NGO sins and alliances;

Daniel 11:30-32 describes the apostasy development and the "transgression causing desolation" of Daniel 8:11-14 in the JW temple by UN NGO alliance and co-promotions, as Daniel 8:11-14 gives more infiltrative subversion details of Daniel 11:30-32 context events parallel; (Also Daniel 11:41 initial "invasion" prior to Daniel 11:44-45 final assault (Rev11:7);

We even know what the "man of lawlessness" is up to, and where he originates in the rival system as purposeful infiltrators by divine prophetic detailing infallible when the accurate application is described;

Thus identifying and exposing the Governing Body of Jehovah's Witnesses apostate developments, origination, purpose and influences is divinely identified and not a stand alone condition but leads to and signals a prophetic cycle that progresses continuously over other foretold events and phases all the way to Armageddon and connects to every critical world developmental detail of 8th King globalism before, during and after it all fulfills over marked time periods as developmental 8th King "scarlet wildbeast" full "world government" en route to Armageddon and God's own Kingdom completion in approximate concurrent fashion to terminate the rival globalist system and arrayed national supports permanently as foretold;

With an extended warning leading to that eternal resolution; (Revelation 10-11)
It is an important developmental awareness of crucial prophetic relationships and replications of fulfillment guaranteed that the "man of lawlessness" intends to cover up indefinitely (Daniel 8:12b; Isaiah 66:6; 2Thess2:1-9);

The "man of lawlessness" ultimately fails and instead fulfills prophecy aiding the full final revelation as a benchmark of defiance obliterated by divine covert means of temple cleansing long before the final Armageddon war adding credibility with these developments to the final revelation of prophetic understanding (Rev10) by God through Jesus Christ and genuine anointed relations on earth for all Jehovah's witnesses Christians (Rev8-9) and mankind as it must progress as foretold guaranteed to complete the final warning and Kingdom proclamation climax ministry (Rev11:7) replicating Revelation 10 and 11 unto actual Armageddon "war of the great day of God the Almighty";
(Revelation 16:12-18; 11:15-19; 19:19-21; Eze38-39; 2Thess1:6-10; Joel 3:9-17)

1. Signal Prophecy

Notes: The identity of the "man of lawlessness" and the "gradually given over" (Daniel 8:12) "apostasy" (2Thess2:3 is Daniel 11:32) he develops in Jehovah's witnesses in just a few decades is a signal prerequisite feature of the prelude to the temple judgment prophecy (Dan8:14) which is a far more visible feature in temple "established place" desolations that these sins lead to in the temple judgment to come from these developments; (Daniel 8:13-14)

Both developments in "man of lawlessness" connecting to "temple judgment" manifested are signals of irreversible prophetic events guaranteed to follow this signal activation.

The Final Cycle of World Developments to Unfold for Years Upon Prophecy is About to Begin

Since we do not know the exact concurrence of the prelude event or events that lead into or even begin
The Man of Lawlessness

the temple judgment component of this overall world development JWs need to be aware that the temple judgment is timed and has an "evening" and "morning" period described in the prophecy at Daniel 8:13-14 and reiterated for a reason by God by Gabriel at Daniel 8:26;

Jehovah’s witnesses now beginning to recognize the divine prophetic and actual preliminary revealing of the modern day final temple cycle "lawless one" as the "man of lawlessness" operative "in the temple" through the Governing Body of Jehovah’s Witnesses NEED to be aware of the timed significance that this prerequisite revelation plainly present in Jehovah’s Witnesses now:

(2 Thessalonians 2:3) . . . Let no one seduce you in any manner, because it (final cycle/temple judgment onward) will not come unless the apostasy COMES FIRST AND the man of lawlessness gets revealed, the son of destruction.

Leads to this timed cycle which must connect further to more prophecy as this timed period expires:

(Daniel 8:13-14) . . . And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation (UN NGO; Daniel 11:31b; 1991), to make both [the] holy place and [the] (JW) army (Rev9) things to trample on?”

14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.” (“right condition“ = temple purification of Zechariah 3; Malachi 3:1-5);

Timed period minimum 1150 days as ["evening" + "morning"+] counts equal 1 unit, but may have also a meaning to each darkness (evening) and
enlightenment (morning) period in sequence from JW bewilderment and confusion "evening" to recovery by divine "morning" enlightenments; (Rev8:5);

(Daniel 8:26) . . . "And the thing seen concerning the evening and the morning, which has been said, it is true. . . .

And that is this initial event furthering the full final cycle:

(1 Peter 4:17-18) . . . For it is the appointed time for the judgment to start with the house of God.

IMPORTANT FOR JW REFERENCE:

This entire period marks the beginning of the final world cycle;

From "man of lawlessness" revealed and overlapping into the temple desolation features (Zech3:2; Rev8:1-13) of the divine temple judgment to a limited degree controlled by God to the expulsion of the "man of lawlessness" in "son of destruction" mode, over timed phase;

That beginning of temple "trampling" of Daniel 8:13-14 NEEDS to be marked by us JWs, because it proceeds for the time indicated at Daniel 8:14 to the completion of Zechariah 3:4-5 angelically assisted temple purification events;

That removal of "befouled garments" (Zech3:3) leaves "Joshua" (anointed priesthood) "naked" for a brief period as divinely approved "robes of state" (Zech3:4) replace the "befouled garments" besmirched by today's Governing Body unto their removal with all their internal temple trespassers and sinners (Isa66:6) by ANGELIC means in whatever way that covert operation unfolds unknown to us now;

The temple judgment event will be marked by God, how it unfolds with
The Man of Lawlessness

or after world events creating the context for this peripheral temple event is yet to be determined; It may be at the same time, in the same event commencement, or delayed and in a few events in sequence over an unknown period of time - so JWs understanding this need to stay awake and pay attention from when the event(s) start to manifest and God will make sure this is recognizable to some JWs;

2. Temple Site Identity

Notes: We Jehovah's Witnesses and others know the Kingdom birth (1914) and foundational temple (1919) prophetic manifestations of 1914-1918 (Dan12:7) and 1919-1922 (Dan12:11) are valid foretold foundational truth events marking Messianic Kingdom critical sovereign warning and divine legal claims to planet earth in the now well known worldwide Messianic Kingdom proclamation of Jehovah's Christian Witnesses;

That initial Messianic Kingdom of God sovereign proclamation unfolded into World War 1 commencing and after that "Great War's" resolution in the first human forum dedicated to "world government" in the League of Nations since the Babel centralization at the "Tower of Babel"; (Genesis 10-11);

Thus it was a highly significant event period for BOTH human world government proclamations and God's Kingdom proclamations concurrent in development;

Thus this "Kingdom of God" "Messianic Kingdom" sovereign proclamation and the prophetic
context foretelling it as the "appointed times of the nations" (Luke 21:24) expired is an important event with a dynamic character assured of further developments in time as the rival human kingdom simply ignores and resists the initial warning of God's Kingdom; (Matthew 24:36-42; Revelation 11:15-18);

But worse, this progressively globalizing power system symbolized in the Daniel 7, 8, 11 and Revelation 13 "beasts" and "wildbeast" human systems of systematic predation for power and profit attack the Kingdom reality in the final warning cycle being described further here; (Revelation 11:7-19; 16:13-18; 19:19-21);

Daniel 8:11-14 and 11:30-32 shows purposeful Jehovah's Witnesses organizational apostasy is externally supported by elements of the opposing world government producing system which influence covenanted members of the "holy covenant" to defect; (Daniel 11:30b) which results in temple profanations of Daniel 11:31; (Parallel 11:41), gradually developing Daniel 8:12 style;

This prophetically foretold progressive development thereby creates a systemic effect of gradually intensifying lawless activities and embodies an increasingly obvious "man of lawlessness" "mystery" element "in the temple" in Jehovah's Witnesses official organization and ministry identifiable after years of slow but steady spiritual abuses (Dan11:31) with significant major event nodes marked by critical prophetic fulfillment in the progression; (Dan11:31b)

This purposeful external-to-internal subversion activity is all Biblically foretold and historically marked and logical in sufficient detail to be connected to "small horn" "King of the North" 8th King United Nations supporting planning and assistance;
The Man of Lawlessness

Thus globalist supporting and promoting activities by the Governing Body of Jehovah's Witnesses shown in prophecy as at least factionally infiltrated assistance with globalist aligned agents throughout the Watchtower Bible and Tract Society whose

That is why the "man of lawlessness" is "in the temple" to attempt to subtly but effectively discredit all these events as significant;

Therefore one positive feature of the "man of lawlessness" is he identifies the true temple location as he must be "in the temple" doing his sinning and subversion works progressively over time to impede and subvert important accurate truths and to install an atmosphere of doubt and uncertainty around the true message of inevitable Messianic Kingdom conquest and accompanying divine warnings of that reality;

3. Prelude Warning to Awake JWs

Notes: As being demonstrated here, just the Governing Body "lawless one" mystery solved is in itself a prophetic fulfillment signaling far more disruptive events divinely guaranteed to follow a critical path of prophecy manifesting all the way to Armageddon over marked prophetic time periods and well known prophetic sequences;

But the consequences of this lawless activity will also lead to a far more recognizable manifestation of divine temple judgment foretold for signal reference (Daniel 8:11-14, 26);

And it is a timed prophecy in Daniel 8:11-14 because it leads somewhere further in the prophetic final developments and is a verifiable proof for doubting Jehovah's witnesses and others when this manifests and completes on the
The Man of Lawlessness

divine signal schedule;

The temple judgment of Daniel 8:13-14 which results in a temple cleansing to a "right condition" of Daniel 8:14 and anointed priesthood purification of Zechariah 3:4-7 also parallels several other key scriptures and significance;

In "altar fire" purification meaning, Daniel 8:13-14 is the Revelation 8:1-5 events which are eventually heralded in trumpet alarming call to action to a Jehovah's witnesses "earth" congregational system;

As more events verify the prophetic record and significance, Jehovah's witnesses move from and "evening" state to a "morning" state as indicated in Daniel 8:14, 26;

The purpose is the "wake up call" of Matthew 25:1-13 amidst a very real temple judgment that connects further in prophecy to Revelation 8:1-13 in four initial trumpets;

That "earth" context as applied to Jehovah's witnesses in Revelation 8, has a counterpart "earth" in Revelation 16 that applies to the world that must provide the contextual world developments in which both Revelation 8-9, and Revelation 16:1-9 first four plagues parallel into fulfillment for real amidst the JW temple "established place" "throw down";

Now Daniel 8:13-14 paralleling Revelation 8 events connects the whole Revelation 8-11 sequence of events to the whole Revelation 16 sequence of events concurrent in manifestations in ways for now unknown, but guaranteed to develop;

This must also climax over time and world events over now two minimum timed periods of Daniel 8:13-14 (1150 day minimum) commencement period of temple judgment connecting to the 6 trumpets which is leading to the 1260 days of
The Man of Lawlessness

Revelation 11:2-3 (Daniel 12:7);

This sequence is guaranteed to replicate the whole prophecy with an unknown Revelation 9 JW recovery period bridging into the final 1260 day final warning and invitational ministry of the second "two witnesses" replicating, fulfilling a second time;

4. Prophetic Principle Fulfilled

Notes: Temple Inspection Finds Spiritual Profanations

Malachi 3:1

2Thessalonians 2:1-3

Zechariah 3:1-3

2Thessalonians 2:3 "apostasy" is developed at Daniel 8:11-13 and Daniel 11:30-32 (Dan11:32 "apostasy") parallel developments in Jehovah's Witnesses also identifying the internal "man of lawlessness" origination and globalist external development of this "man" and magnitude of profaning objectives prophetically marked in the 1990-1991 United Nations "Non Governmental Organization" alliances promoting the third global placement of the United Nations Disgusting Thing in "New World Order" initiative;

These Governing Body led actions supporting "wildbeast" world promotions and prophetic cover-up of critical prophecy (Dan8:12b) are lawless treasonous actions profaning the temple, temple priesthood, constant feature sacrificial ministerial offerings as also shown at Zechariah 3:1-3;

Thus the Malachi 3:1 "temple inspection" implication of divine awareness of these developments
(Zech3:3) and determination of the resolution of them (Zech3:4) must be completing if now even humans are being made aware of Governing Body purposeful and terminal UN related, but not limited, apostasy and that CRITICAL CONNECTION to an entire terminal phase of Bible fulfillment as a DIVINE SIGNAL DEVELOPMENT, not an oversight, random set of events, or of isolated meaningless insignificance;

Jehovah’s Witnesses are in SERIOUS trouble and communal sins by extension of purposeful lawlessness orchestrated, led and concealed by the Governing Body of Jehovah’s Witnesses that will have massive divine implications of temple judgment soon;

The Governing Body is creating an atmosphere of misinformation concerning the true nature of the coming Bethel "temple" seizures, coups and "desolations" as part of the terminal "great tribulation" phase leading to Armageddon (which is a deception with greater purpose later), NOT as a divine temple judgment instead, which is what is BEGINNING (not ending), leading to the temple cleansing and removal of the Governing Body and their whole "1/3" affecting and embedded operation by divine means;
(Zechariah 3:4-5; Revelation 8:1-13)

5. Significance of This "Strange Deed" (Isaiah 28);

Notes: God foreknew the spiritual condition Jehovah's witnesses would be gradually brought to, thus self-righteousness, disfellowshipping Christians actually speaking the truth, disparaging the anointed to sixth class citizens, pomp and ceremony, dull discernment, rusty Bible in-depth exercise and practice, beating and fleecing the sheep and Israel-like
The Man of Lawlessness
doubt and blindness are proof Hosea in it's entirety applies to the Bethel and congregational system of today in Revelation 8 "1/3" corruptions and profanations which are now accepted, protected policy and practice and standard operating procedure in the Jehovah's Witnesses organization all aided by the Governing Body main role model;

If the "revealing of the lawless one" now operating in the "Governing Body" as a "lifted up" affront to God's anointed worldwide as the "God chosen" "seated" "body" of truth competing with the anointed "body" of Christ in brazen, rogue, lawless and in-the-face fashion, "set in opposition" to God and Christ themselves is not enough, God has more convincing developments:

TEMPLE JUDGMENT.

If Jehovah's witnesses doubt the revelation of the lawless body in the "Governing Body" is the pre-requisite temple judgment development of JW official apostasy and revealing of these rogues at 2Thessalonians 2:1-3, then maybe the temple judgment desolation for the UN NGO "transgression causing desolation" commencing the final phase will get JW attention;

If some still doubt, the timed period of Daniel 8:14 is provided by God as a verification and a link to more continuous prophecy that the temple judgment MUST lead to;

If still these things cannot penetrate the JW mental and spiritual smoke and fog, the first four trumpets blaring in JW specific "ears" from God's angels activated in heightened empowerment WILL get through to JWs who can be cleansed and approved by repentance in "sackcloth and ashes" for the final phase of commission after the required purifications such as removal of the
core septic source of anti-spirituality in the Governing Body "man of lawlessness" and his JW orgwide entourage; (Rev8:1-13; 8:10-11);

That is where the eventual Revelation 11:3 "sackcloth" attitude comes from as JWs are pulled from the Revelation 9:1-4 "abyss" state this temple judgment will put us in; That recovery and subsequent enlightenment to reality will be recognized by Jehovah's witnesses remaining at that time to fulfill divine prophecy of the Daniel 8:14 "morning" recovery amidst the Zechariah 3:1-5 cleansing of the temple priesthood and temple condition of Jehovah's Witnesses worldwide to the "right condition" of Daniel 8:14b;

At some point all this use of Jehovah's Witnesses negative "lawless one" developments will be also made known to the world to signal with proof, which started upon Jehovah's witnesses, that the final cycle of all Kingdom sovereign and temple completing prophecy has begun;

In fact all these developments must become part of the basis of the final ministerial warning record of guaranteed prophetic fulfillments, in progress, that must and will lead to further great prophecy fulfilling live and real-time, WHILE the final ministry of Revelation 10-11 is in preparation of Revelation 9 recovery, all the way to actual Armageddon, WHILE the 8th King system is also in world developmental overdrive of globalist worldwide government progressions to completion;

What is developing upon a Governing Body setup and positioned JW congregational and organizational system is an 8th King attack in incomplete world governmental state of development pictured in the Bible by the Assyrian attack mode of 740 BCE on Israel, which in time led to
The Man of Lawlessness

the Babylonian attack mode of 607 BCE on Jerusalem;

This attack and further delay tactic gives the globalist 8th King a "head start" in an accelerated world government developmental drive taking place with no prophetic exposure being explained in the JW ministry since 1990;

This attack is ended in covert angelic assistance as per Hosea 1:4-7 as it extends beyond the Bethel system which will be given to the consequences of the Daniel 8:13-14 "transgression causing desolation" in United Nations aiding co-promotions of the 3rd "disgusting thing" placement in 1990, after the Cold War (Dan11:29) fulfilling Daniel 11:31a;

The Governing Body succeeded in this setup of extreme lawless treason and spiritual fornications in the covert United Nations NGO relations and alliances commencing in 1991 after who knows how much preparatory "loose conduct" on the part of the Governing Body UN "escorts" prior to this UN NGO partnership;

That resulted in the transgression leading to desolations on the JW organizational "established place" and "holy place" trampling of Daniel 8:12-14;

This first "unusual work" 8th King originating attack also provides the Zechariah 3:2 "fire" context of the Zechariah 3:1-5 and Revelation 8:1-5 ("altar fire") temple purifications and the removal in timed prophecy of the Governing Body core blasphemy and "man of lawlessness" "set in opposition" to the anointed "body" of Christ; (Isaiah 28);

This provides a divinely produced respite for the temple recovery as that Revelation 9:1-4 "abyss" release of a "smoking" downed JW ministry resulting from these Daniel 8:12-14 "desolations" is also effected amidst
the first trumpet alarms being fully comprehended by Jehovah's witnesses;

That leads to the full temple cleansing to Daniel 8:14 "right condition" of Christian spiritual purity, and the enlightenment of the "little scroll" final ministerial meanings and significance for the worldwide "body" of Christ's brothers and sisters to fully comprehend as that leads to Revelation 11:2-3 final, second, "two witnesses" 1260 day, "seven time" completing (2520 day) final world warning Kingdom guaranteed completion global proclamation of divine sovereign ultimatum;

Revelation 11:7 is the second globalist full 8th King world governmental attack, a number of years therefore from the start of the temple judgment of Daniel 8:13-14 paralleling Revelation 8 and into the continuum of recovery to Revelation 9, 10 and 11 in sequence for the final fulfillment mode replication of this prophetic continuum to Armageddon;

The 8th King world government and God's Messianic Kingdom of Jesus Christ are thus in a parallel, concurrent, simultaneous co-development drive outlined in prophecy to completion for head on complete resolution, in complete respective world governmental form and power at Armageddon, the destination of the trajectory of this development currently being hidden by the evil slave Governing Body moles;

That is why their revealing is signal of their expulsion which is necessary to let the truth forth and will serve several divine objectives as the whole development highlights the beginning of the final prophetic fulfillment cycle in all Adamic human history;

(Colossians 2:15) . . .Stripping the governments (Governing Body) and the (Bethel defective) authorities
bared, he exhibited them in open public as conquered, leading them in a triumphal procession by means of it.

(2 Corinthians 2:14-17) . . . But thanks be to God who always leads us in a triumphal procession in company with the Christ and makes the odor of the knowledge of him perceptible through us in every place! 15 For to God we are a sweet odor of Christ among those who are being saved and among those who are perishing; 16 to the latter ones an odor issuing from death to death, to the former ones an odor issuing from life to life. And who is adequately qualified for these things? 17 [We are;] for we are not peddlers of the word of God as many men are, but as out of sincerity, yes, as sent from God, under God's view, in company with Christ, we are speaking.

What makes the final prophetic cycle and final ministry unique:

1. It will replicate the full 1914-1918 Kingdom proclamation pattern unto the 1919-1922 temple preparation;

This time the Kingdom is completing to full universal power and the temple 144000 is completing upon Christ foundation stone and coronating King-Priest "Head Stone" culminating after the sequential fulfillment of the 1260 day (Rev11:2-3; Dan7:25; 12:7) period unto the Daniel 12:11 (Dan7:26) 1290 day period with accompanying rival world government system parallel completion; (Foundation stone: Psalm 118:22; 1Peter2:7; Coronation stone: Zechariah 3:8-9; 4:6-8; 6:9-15);

Logically and scripturally all 144000 must be "between" the foundation and capping coronation head stone; Temple completion is Kingdom completion and court (Dan7:26) completion in all 144000;
The Man of Lawlessness

2. All Revelation 8-11 will replicate and manifest in exact sequential ascending order of the seven trumpets;

This "order" was somewhat reversed in the 1914 initial minor fulfillment for a trumpet and plague period "foregleam" six trumpet proclamation of prophetic meanings of Revelation progressively from 1922 forward which must fulfill in full major final form, which followed, rather than led to, the 7th trumpet announcement of Kingdom proclamations of sovereign certainty in the 1914 cycle;

3. The full symphonic timeline of ALL Kingdom, temple, and rival world government developmental phasing converges in a prophetic framework fully provable, completely harmonious upon and with the original pattern and unfolding in sequence into the final reality WHILE it is all coming true over years marked in prophecy with specific world events foretold coming true while the ministry is in action in also progressive intensity into the final 1260 days of that final warning of Revelation 11:2-3; Linked from temple judgment by seven trumpets and seven plagues parallel to temple completion - Armageddon Kingdom completion and conquest;

4. The full "little scroll" meanings will be fully revealed in official Christian ministerial capacity for a short (hence "little" scroll") but powerful final Kingdom ultimatum and proclamation unto guaranteed completion in the face of the enmy system also completing for battle at Armageddon;) (Revelation 10-11);

5. A temple judgment unique one time only timed prophetic temple purification period will initiate the final cycle upon Daniel 8:13-14 events and timing clearly affecting Jehovah's witnesses in judgment, purification and recovery prior to the final phase;
6. The "man of lawlessness" as revealed initially now will continue as prerequisite to the temple judgment and complete revelation of the "lawless one" and removal of those parties from within the Christian ministry they are subverting through the Governing Body of Jehovah's Witnesses;

7. The final cycle of the final prophetic fulfillment will begin with the temple judgment to be explained through the events of that prophetic segway to the timed events it leads through (Dan8:14) and to (Rev11:2-3) for a number of years leading in unbroken fulfillments in full detail and live world manifestations to Armageddon;

Simple Truths

1. The United Nations "New World Order" producing world government must go into a multiple year completion cycle which parallels God's Kingdom final developments - thus the completion of human world government will lead to Armageddon after completions of both diametric world rulership entities in 8th King world government and the Messianic Kingdom;

2. A temple judgment on Jehovah's witnesses (1Pet4:17) and candid exposure of lawless Bethel and Governing Body developments will commence the final prophetic cycle as a signal to Jehovah's witnesses (Rev8) and in time the world will receive the full exposition of the final prophetic cycle and it's guaranteed implications and finalities to come over a number of years;

B. Modern Day Man of Lawlessness (MOL)

Notes: Is a signal of prerequisite leading to temple judgment indicating temple inspection is completing; (2Thessalonians 2:1-4)
The Man of Lawlessness

Is a prerequisite revelation of JW organized and systematic apostasy (Daniel 11:32) led by the "man of lawlessness" Governing Body signaling the final temple judgment can proceed commencing the final cycle on Jehovah's Witnesses first; (1Peter 4:17);

Is the profanation main source requiring temple cleansing purifications by the removal of the "man of lawlessness" and the spiritual deposition of the fraudulent "Governing Body" rogue unauthorized "authority" permanently in any divine claim to such authority;

1. Modern Significant Prophetic Linkages

Notes: The "man of lawlessness" and scriptural context connects 2Thessalonians 2:3 prerequisite JW apostate developments in official organized fashion to developments at Daniel 11:32 and the "befouled garments" condition of Jehovah's Witnesses at Zechariah 3:1-3;

The "Governing Body" can be seen as the central "man of lawlessness" control council symbolically identified as the "right hand" of "Joshua" in that Zechariah 3:1-3 segway:

(Zechariah 3:1-3) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then [the angel of] Jehovah said to Satan: "Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?" 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel.

This connect Governing Body divine resistance efforts to Satanic operations, as Satan is the key actual resister in Zechariah 3:1, connecting to this prophetic detail:

(2 Thessalonians 2:9-10) But the lawless one’s presence is according to the operation of Satan with every
The Man of Lawlessness

powerful work and lying signs and portents 10 and with every unrighteous deception.

The profanations carried out by the Governing Body leadership thus results in 2Thessalonians 2:8 purifying removal:

(2 Thessalonians 2:8) Then, indeed, the lawless one will be revealed, whom the Lord Jesus will do away with by the spirit of his mouth and bring to nothing by the manifestation of his presence.

Which connects to the temple anointed priesthood purifications of Zechariah 3:4-6:

(Zechariah 3:4-5) Then he answered and said to those standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.” 5 At that I said: “Let them put a clean turban upon his head.” And they proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by.

The modern significance of the "man of lawlessness" developments in Jehovah’s Witnesses therefore ties directly to temple judgment and this timed temple judgment and cleansing to bring the temple to the "right condition":

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?” 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be
The Man of Lawlessness

brought into its right condition."

Thus the "man of lawlessness" now revealing leads to significant prophetic events events in time in direct signaling relationship to them as also the target of divine removal; (Isaiah 66:6)

2. MOL Modern Anatomy Overview

Notes: The Governing Body of Jehovah's Witnesses is shown to be the central "man of lawlessness" control and infiltration unit internally placed as anti-Christian globalist operatives who effect defection of actual anointed Christians "in the holy covenant" (Daniel 11:30-31) in the process of "smooth word" apostate masterfully deceptive corruptions that infect all Jehovah's Witnesses (Daniel 11:32) in 2Corinthians 11:13-15 style mode of operations;

It is a complex mix of frauds and apostate Jehovah's witnesses amidst genuine Christians; (Revelation 8:7-12)

In greater reality part or all of the Watchtower Bible and Tract Society and the organizational and corporate infrastructure must be critically and terminally compromised with purposeful, not simply misled globalist allied 8th King operatives - the Governing Body is just the main puppet committee visible and influentially idolatrous steering council;

That "governing body" concept was the scripturally plausible but fraudulently developed central control group whose "body" formation allowed factional infiltration and gradual subversion to progress to full control of the Watchtower Bible and Tract Society and all Jehovah's
The Man of Lawlessness

Witnesses "gradually given over" to "small horn" allied operations in systemic and now terminal compromise for United Nations promotions and objectives of prophetic cover-up of all this fulfilling a number of critical globalist and apostasy prophecies which lead to temple judgment directly relating to the profanations requiring divine cleansing from the temple;

The 1990-1991 "UN NGO" debacle of the Governing Body sanctioned world advertising promotionals for the United Nations third "placement" in world and Bible history fulfilling Daniel 11:31 at that time is the critical sign of the "man of lawlessness" "in the temple" connection to globalist 8th King activities en route to Armageddon;

a. Who

Notes: The Governing Body is the Zechariah 3:1 "right hand" controller representing the "man of lawlessness" in the Jehovah's Witnesses worldwide organization;

But logically the "in the temple" criteria of this modern and knowingly purposeful "man of lawlessness" as anti-Christian operatives infiltrating the temple must spread to some degree of this same purposeful subversion objective throughout the entire organized Jehovah's Witnesses ministry;

As such the "lawless one" compromised key corporate logistical systems in finance and
management certainly can extend down the "chain of command" through Zone Oversight to Districts Overseers, Circuit Overseers and into local congregational positions of "elder" and "ministerial servant" authority and even supporting masquerading "sheep" in the congregational Christian community;

This means many operatives in this infiltration work are knowingly performing their sinning duties, they are not misled or actual Christian or Christian defectors; Their work supports that secondary actual "apostate" effect on defecting anointed and other Christian Jehovah's witnesses;

b. What

Notes: Revelation 8's symbolic depiction of the comprehensive Jehovah's Witnesses worldwide organizational and community "earth" congregation system is affected to a "1/3" symbolic degree of profanations and serious sin led by "man of lawlessness" internal operations supported from external enemy positions at the highest levels of 8th King power and resources to undermine the truth ministry and fulfill signal prophecy as God
The Man of Lawlessness

sets them up to highlight globalist origins and connections after this is divinely resolved long before Armageddon;

There are a number of lawless features to be covered in this report that cover conceptually a comprehensive outline of serious developments in Jehovah's Witnesses modern ministry and the organization now used to proliferate these subversion and diversion effects by purposeful engineered means managed by the Governing Body of Jehovah's Witnesses as representatives of a far larger operation in supporting personnel, resources and planning;

c. Where

Notes: Worldwide emanating from "man of lawlessness" (MOL) Governing Body of Jehovah's Witnesses headquarters at Bethel of the Watchtower Bible and Tract Society - and distribution worldwide;

d. When

Notes: Daniel 11:30-32 identifies a "holy covenant" targeted infiltrative subversion operation that had to develop after Christendom was expelled from the "holy
Thus this Daniel 11:30-32 event must be after that 1922 time period and can only apply to Jehovah's witnesses in anointed Christian "holy covenant" going into defection progressively, but led by an antichristian "man of lawlessness" who are externally installed internal agents of globalist support origins;

(Daniel 11:30-32) "And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature]. "And they will certainly put in place the disgusting thing that is causing desolation. 32 "And those who are acting wickedly against [the] covenant, he will lead into apostasy by means
of smooth words. But as regards the people who are knowing their God, they will prevail and act effectively.

e. Why

Notes: Ultimately this fulfills prophecy and is permitted by God for a greater use later;

As far as the "man of lawlessness" the main objective is to discredit and impede the final Kingdom sovereign warning and proclamation to effect doubt of the entire Jehovah's Witnesses prophetic work and undermine the primary initial 1914-1918 Kingdom and temple foundation truths which are purposed for replication to completion;

Thus undermining the initial minor form guide pattern for future Christian awareness is a critical objective of the "man of lawlessness" to impede final understanding of this crucial prophetic replication;

Sins and lawlessness of every sort are also slyly, subtly and gradually introduced into Jehovah's witnesses with every form of accepted idolatry developing;

Critical to this is alignments and alliances that serve and

This is a complex multi-level subversion operation carried out and positioned for ultimate effects for years;

The GB Experiment has Failed

BUT, we Jehovah's Witnesses allowed the formation of this completive "body" from incept of the allowance of the plausibility, but unreality of an Acts 15:1-33 "governing body";

We JWs have not recognized the most critical feature of being "set in opposition" that this "governing body" implies when we already have the "body of Christ" which the "body of governors" is clearly in diametric competition with as a contrived human council that does NOT have divine authority to "lord it over" the anointed of God;

The ONLY divinely approved individual leader is Jesus Christ; By divine guidance
from God Almighty, Jesus Christ selected the twelve apostles as a divine group to which the Son of God was the anointed counselor in divine delivery of communications of God;

That divine counsel was to undertake shepherding and spearhead ministerial work after Christ left, which Christ trained them to accomplish in advance, and later guided them by holy spirit to form the Christian base ministry of the first century Christian congregation;

From this work other divinely anointed individuals formed the "body of Christ" to whom the Christian apostles and disciples wrote the various letters to be shared with all disciples and form the final part of inspired holy Scriptures that was a divine "Word of God" communication to the whole world with truths to open fully in time (Rev1:1);

By hierarchy in divine arrangement as relatives to Christ (Heb2:14) in the holy spiritual adoption and rebirth in spirit (John 1:11-13) as a pattern of a reality into Christ, by God, the "body of Christ" is the remaining "body" of authority, distributed globally, guided by Christ's spirit of truth for God's will
and purpose, and has no other "body" of any authority to which it ultimately answers en route into the Kingdom of Heaven upon faithful service and faith in God and Christ ALONE;

Into this relationship of the "body of Christ" as Christ's "bride" with God and His Son, the Governing Body is inserting itself between God's genuine children anointed and God Himself; As God appointed and anointed Jesus Christ as "the head of the congregation", that direct connection to the "bride", the worldwide "body of Christ" is being adjusted to accommodate an inserted, self-installed Governing Body of pimps who think they are the head of the "body of Christ" and can command the "bride" to accept a UN orgy of sacrifice which the Governing Body undertook by it's own authority as UN NGO;

And we JWs are the ones wo initially allowed the implied "governing body" to insert even the implied terminology "governing body" into the Bible at Acts 15:1-33 where no such term exists, glorifying a mundane contrived "board of directors" of Jerusalem as above the twelve apostles at that time, and the "body of Christ" later;
Now in hindsight it is clear not only is there no such "governing body" in Acts 15:1-33, or Revelation 2-3 or in ANY Christian Greek scripture letter, but in fact these men are doing damage to the Christian anointed and extended identity (Zech3:1-3), have NO Biblical or divine right of authority, and are on a trajectory of conflict with God himself, as willful unrepentant brazen arrogant sinners and deceivers and have formed the germ cell origination in this error in discernment by all Jehovah's Witnesses and now has developed into a full bodied "man of lawlessness" in Jehovah's witnesses Christian congregation operating "in the temple" and "set in opposition" in it's most fundamental but important conflict of interest against the "body of Christ", against Christ, against God - and this is why the Governing Body is against the truth;

BUT, like permission of Judas Iscariot into Christ's group of 12 apostles, as the original pattern of the "son of destruction", the "man of lawlessness" Governing Body "sons of destruction" are permitted by God to develop and exist, in divine permission (but not approval) to even form based on JW voluntary errors of
discernment and foresight from Governing Body incept in the 1970s SO THAT PROPHECY WILL BE FULLY FULFILLED concerning these devils "in the temple" as a great signal (2Thess2:1-3) to Christians awake to the significance of the Governing Body record and course of spiritual profanations and lawlessness at magnitudes of the greatest severity of spiritual sins and natural opposition to the actual divine arrangement in the "body of Christ" with ZERO remorse, apology, public confession or adjustment in course;

In fact the opposite is true in Governing Body CONTINUED sinful lawless practices hidden under veneers of ministerial mimicry and constant retarding redundancy of the past with critical post 1990 prophetic errors and cover up of prophecy being fulfilled while stating:

Watchtower 2005; 2/1 p. 32 "Keep on the Watch" ***

"Likewise, for over 125 years now, this journal, The Watchtower, has passed on Jesus’ encouragement to "keep on the watch.” How? As stated on page 2 of this magazine, "It keeps
watch on world events as these fulfill Bible prophecy," "

But there has been ZERO comment on world events fulfilling prophecy since the days of Fred Franz; The Governing Body does "keep watch on world events as these fulfill Bible prophecy", BUT they SAY NOTHING about it;

Examples:

But in fact the third placement of the United Nations "disgusting thing" global "new world order" proclamations after the Cold War in 1990, fulfilling Daniel 11:31b are NOT commented on;

The UN NGO Governing Body and Bethel participation with these historic United Nations proclamations of 1990-2001 is also not commented on as globalist infiltrators "invade" Bethel fulfilling Daniel 11:41, 11:30-32, Daniel 8:11-14;

Neither was the first globalist military coalition deployment "first test of our mettle" 1990 Gulf War commented on in fulfillment of progressions in Daniel 11:40;

Nor was there any comment on the formation of a globalist
The Man of Lawlessness

8th King world military system in "Global NATO" in 1999, fulfilling parts of the consolidative progressions of Joel 3:9 and Revelation 16:13-16;

Nor was there any "bible prophecy" commentary on "Global War on Terror" in 2001 onwards, as further progression of Daniel 11:40 as it utilizes a self-described "world war on terror" global positioning of the worldwide Global NATO expansion in an additional 800 approximate global military bases;

All this as the US and EU go hundreds of trillions in unfunded liabilities and massive national debts leading to Daniel 11:42-43 accelerating Revelation 17:11-18 in the future of this engineered financial compromise at worldwide scales;

Governing Body Speak No Evil - Say NOTHING

In fact the Governing Body will NOT enlighten anyone as to globalist developmental activity on the world scene, "as these fulfill Bible prophecy", since 1990 as these developments are forming the basis of full world governmental 8th King "scarlet wildbeast" "world government" system beyond the scope and power of the United Nations "image"
- the Governing Body aids the secrecy and unexposed Biblical significance of their 8th King partner's world developments at such astounding scale and critical importance covered up (Dan8:12b) as to be only possible by purposeful will and awareness for the 22 years this has been in operation in full openness;

And these Governing Body developments ALSO fulfill Bible prophecy;

The Governing Body Blind Man Act

In fact since 1990 as an example, the world itself has millions of books, documentaries, web sites, web and print pages of globalist activity researched and documented in the progressive globalization of supra-national government, military, financial, technology, transnational corporatism and communications systems, to a name but a few categories of globalizing developments with multiple volumes and books written on these subjects, as these systems align into globalized worldwide systems beyond the management power of national governments with technological capabilities of managing national
governments, resources and peoples at a global scale;

Globalism rises on the decline of national government's abilities to manage anything effectively; (Luke 21:25-26);

In other words no one can simply "fall this far behind" in understanding well known world developments in relation to elementary and advanced globalism sciences as the Governing Body has except by design; Even the world is explaining the implications of globalization far more in depth in secular terms than the Governing Body 8th King installed hoodwinkers;

And that "design" is to stall the development of the JW worldwide ministry's ability to actually enlighten JWs and the world audience to understand actual fulfilling prophecy and the true nature of the globalism base developments leading to a final culmination of the critical completion cycle of God's Kingdom AND 8th King world government simultaneously;

The Governing Body is subverting and diverting truth (Dan8:12b) as these are base world government developments foretold
live and real-time in the final prophetic cycle NOW activating by exposure of the Governing Body of Lawlessness at Bethel as the modern-day "man of lawlessness" "in the temple of the God"; (2Thess2:1-4);

And this has all been in full provable development since that 3rd Biblical "disgusting thing" placement of the United Nations in "New World Order" objective proclamations in 1990 fulfilling Daniel 11:31b, as the third of four world government presentation and proclamation prophecies leading from 1919 post World War 1 League of Nations, to 1945 post WW2 United Nations, to 1990 post Cold War WW3 (Dan11:29) United Nations "New World Order" to the last "placement" triggering Armageddon some years into the final prophetic cycle unto God's Kingdom full 144000 "body of Christ" completion likewise;

The Governing Body is thus attempting to subvert the final actual developmental 8th King world government awareness as these are foretold in Daniel and Revelation in critical detail of development far beyond the subversive over-simplification errors the Governing Body is using to divert

a number of years;

2. Fornicatively adjoin Jehovah's Witnesses to the United Nations organizations in cover-up and diversion services to the 8th King by concluding covenants with the United Nations technocracies and elite systems and subtly promoting these developments in JW journals aided by the door to door UN plugging and advertising campaigns; (Unbeknownst to most JWs);

3. Set up Jehovah's
Witnesses and the JW
organization for a final
worldwide coup
attempt to destroy and
or seize the means of
public ministration
aided by premature
expectations in erred
prophetic diversions
especially since 1990;

4. And a final
involuntary "goal" of fulfilling critical signal prophecy as "man of lawlessness" in final modern form as the key profanation element of temple purification requirements leading to the final temple judgment cycle which begins the prophetic Kingdom and temple completion progression to Armageddon in unbreakable and irreversible activation marked by all these events and more to come in this divine guaranteed continuum to the actual end over a number of years;

(The reality unfolding now is NOT the JW misled "armageddon" "slam dunk" mentality and spiritual retardations proffered by today's "lawless one" Governing Body and compromised Bethel ministry; (Daniel 8:11-13), as these fulfill critical lawless developmental prophecy ever since the inception in 1976 of this ILLEGAL competitive "governing body" and accompanying fictions against the anointed "body of Christ", Christ, God and all creation;)

This is why, in retrospective analysis of JW and Governing Body/Bethel trends, statistics, policy and alliances (like the UN NGO) since the "Governing Body" went into "supreme power and authority" in 1976,
The Man of Lawlessness

the Jehovah's Witnesses ministry has been in perpetual decline spiritually ever since that time in progressive "bad to worse" form, hidden by veneers and claims of the Governing Body "man of lawlessness" development in plain "lifted up" assumption of power since that first January 1, 1976 official seizure of Bethel authority by brazen rogue means - NEVER has the "Governing Body" had God's approval or blessing, from incept it is a body of blasphemy naturally "set in opposition" from day one by it's very existence and definition - but permitted by God, like the traitor Judas Iscariot, to signal the final prophetic fulfillment cycle;

The "Governing Body" embodies these final developments of prophecy at today's "temple inspection":

(2 Thessalonians 2:1-4)...However, brothers, respecting the presence of our Lord Jesus Christ and our being gathered together to him, we request of you 2 not to be quickly shaken from your reason nor to be excited either through an inspired expression or through a verbal message or through a letter as though from us, to the effect that the day of Jehovah is here. 3 Let no one
The Man of Lawlessness

seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called “god” or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god.

(Zechariah 3:1-4)

And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?” 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to those standing before him: “Remove the befouled garments from upon him.”

And that will be the end forever of the so-called "Governing Body" and their accomplices “in the temple”, signaling that the final kingdom and temple cycle (Daniel 8:13-14; 1Peter4:17; Revelation
The Man of Lawlessness

8-9) has begun in earnest as God and Christ purify the temple (Zech3) upon Governing Body and accomplice removal and exposure of origination fully (Rev8:6-11; Dan 8:11-13; 11:30-32, 41) as this leads to the temple recovery of Revelation 9, and on to the final "two witnesses" final world warning and completing Kingdom of Christ global proclamations some years after temple judgment in Revelation 10-11 and on to Armageddon;

C. Foretold Prophetic Compromise

Notes: The key source of information in this expose' is the Bible and prophecy itself which provides explicit and logical clues as to developmental features, objectives and origins of this "man of
The Man of Lawlessness

lawlessness" operation;

Without the Bible it would all be "conspiracy theory", but in fact God has known about these frauds coming into existence since long before any of them existed as He has dealt with their root system for centuries setting them all up for final neutralizations and termination at divine appointed times they arrive at;

Thus God nails them and tells them about it long before His judgment arrives guaranteed with reliable accurate information of the truth of all these developments;

Thus God through Christ reveals all things and gets all the credit for making this all known in a timely manner that was all already written and described just waiting for the divine appointed time to reveal it prior to the great manifestations it promises from GOD;

Evidence and Trends

But the developments stemming from the 1976 Governing Body corporate and spiritual power grasp add the evidentiary features, actions, alliances, policies, trends and effects that become significant when viewed in retrospect of decades of subtle but continuous development - and when inspected in totality, it becomes obvious what is up aided by prophetic clues;

Eventually when these trends and statistics and questionable decisions and affiliations of the Governing Body are all listed, categorized and placed in timelines one can then compare the logical patterns and significant associations to the rival nature of external entities directly allied with, such as the United Nations in 1990-1991 by Governing Body covert sanction;

Then the prophetic clues and patterns have substance in Governing Body actual recorded and historic developments and inter-relate explicitly to other features in those Daniel 8 and 11 prophecies regarding forming 8th King world government and the real Governing Body objectives begin to take on undeniably horrendous aspects of treason, idolatry and sins so severe as to verge on, if not into, sins against the holy spirit given the magnitude of Governing Body awareness as to God's Kingdom and the actions they are engaged in against it;

It is mind boggling, which also aids the subterfuge as many just want to deny it all due to the enormity of sins on the "GB account";

No discerning anointed Christian would be caught dead in the positions the Governing Body has actually engineered themselves into by purposeful planning and actions in spite of the reproach these relations have had on God's name, Son and Kingdom truth;

It becomes so brazen as to only be equated with purposeful
The Man of Lawlessness

Satanic agents, fully aware and uncaring in the things the Governing Body is involved with developmentally and actively protects and promotes - while concealing it all with smiling faces, suits and ties and pretty pictures and buzzwords;

So shocking are the revelations from external sources, such as the UN NGO, which the Governing Body makes no actual comment on in print for all Jehovah's witnesses, that when innocent well meaning Jehovah's witnesses actually see the magnitude of the implications, one has to go into instant denial, bewildering internal rationalization and time released confusions because it is as if the Devil is right within the Governing Body given the seriousness of their actions and their brazen rogue disdain for acknowledging any responsibility whatsoever;

In time it becomes obvious it is not an oversight or accidental;

The very scale of the seriousness of the Governing Body activities itself aids it's concealment it is simply too big to see at first and if admitted in entirety one has to then see Satan and the demons embodied in the Governing Body, their actions are that purposeful, brazen, and enormous in implications to divine judgment;

But in fact with prophecy we see the Governing Body is not at all thoughtless, they are purposely undermining the Jehovah's Witnesses ministry from and for enemy camps and objectives plainly shown in Daniel 8:11-14 parallel Daniel 11:30-32 developments clearly describing the 2Thessalonians 2:3 Governing Body "man of lawlessness" and his purposeful, fully planned and aware JW apostasy he is leading;

After this is accepted upon mountains of lawless evidence backing prophecy and vice versa, the rest begins to fall into place and many little contradictions and anomalies found at congregational levels in the holy spirit resulting vacuum become logical, and add to the exposition of the "lawless one" and many misled by him right inside the Jehovah's witnesses ministry from top to bottom as per Daniel 8:11-13 and 11:32;

No one could hide this indefinitely as the decades revealed undeniable trends and statistics of terminal sin and spiritual and productive decline;

Now what must follow also becomes much clearer also from God in prophecy - temple judgment.

1. Prophetic Principle
Fulfilled

a.
Comprehensive Mode of Operations

Notes: This report can only contain a bare minimum of corrupting complex of developments perpetrated by the Governing Body of Jehovah's Witnesses in a masquerade operation whose origins go out to fully funded and resourced globalist sectors of external 8th King and Two-horned wildbeast power;

This is just the tip of the iceberg of what this lawless cabal is doing under cover of hyper-piety and primadonna urban CEO visuals, mock buzzwords and other deceptions of authenticity to be accepted like celebrity by the congregational masses of Jehovah's Witnesses, but despised by the world to which their lawless antics are pipelined and broadcast on the internet to their personal 2 billion person stumbling field - no Jehovah's witnesses allowed - for sinister reasons not the plausible pretext;

Actually the Governing Body is the main apostate cowboy on the web;

And thus is one formula
of the mode of operation of the Governing Body, whose very presence in this storm of reproach is itself one of the biggest distractions from the Kingdom of God message;

And the principle of the idolatry that creates this distraction is now embedded in every organizational supporting entity and "body" in all Jehovah's witnesses, even the field ministry has become an imbalanced distraction away from deep Bible study and "staying awake" to current event for exercises in remedial effectiveness aimed at new believers to be the perpetual focus - while God's will escalates to a new transitional point (Eph5:17) unbeknownst to most JWs;

Thus only a portion, but a significant part of the complex operations of the "man of lawlessness" are covered here;

This operation effects every part of Jehovah's Witnesses from top to bottom, inside and out, and required extensive planning and patience to develop to today's degree of total internal "man of lawlessness" coup undercover;

b. External Origin
Notes: The "man of lawlessness" development originates from the opposing world governmental power system of the Two-horned wildbeast and 8th King globalist camps to undermine the final prophetic understanding of the final Messianic Kingdom warning ministerial climax;

Daniel 8:11-14 and Daniel 11:30-32 clearly connect officially sanctioned JW apostate developments as connected to the globalist symbolic entities that are the subject of the resistance described in "small horn" Anglo-American root globalism interests in Daniel 8:11-13 and "King of the North" globalist shell system of Daniel 11:27-45 (8th King scarlet wildbeast system) which includes the treasonous and apostate developments described at Daniel 11:30b-32 very explicitly fulfilled in 1990 in Daniel 11:31b "disgusting thing" third global placement aided by the Governing Body;

The Governing Body and JW Bethel system by extension is part of the "they" in this prophecy in 1990-1991:

(Daniel 11:31) And there will be arms that will stand up, proceeding from him; and they will actually
profane the sanctuary, 
the fortress, and 
remove the constant 
[feature]. "And they 
will certainly put in 
place the disgusting 
thing that is causing 
desolation.

And that is this 
paralleling 
development:

(Daniel 8:11-14) And 
all the way to the 
Prince of the army it 
globalist small horn 
development) put on 
great airs, and from 
him the constant 
[feature] was taken 
away, and the 
established place of his 
sanctuary was thrown 
down. 12 And an army 
itself was gradually 
given over, together 
with the constant 
[feature], because of 
transgression; and it 
kept throwing truth to 
the earth, and it acted 
and had success. 13 
And I got to hear a 
certain holy one 
speaking, and another 
holy one proceeded to 
say to the particular 
one who was speaking:
"How long will the 
vision be of the 
constant [feature] and 
of the transgression 
causing desolation, to 
make both [the] holy 
place and [the] army 
things to trample on?"
14 So he said to me: 
"Until two thousand 
three hundred evenings 
[and] mornings; and 
[the] holy place will 
certainly be brought 
into its right condition."
c. Internal Placement and Apostasy

Notes: The criteria of the "man of lawlessness" is that he must be "in" "the temple of the God" operating within Jehovah's Witnesses organizational infrastructure worldwide:

(2 Thessalonians 2:3-4) Let no one seduce you in any manner, because it will not come unless the apostasy* comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god.

This apostasy: "unless the apostasy* comes first" from 2Thessalonians 2:3 is this "apostasy" going terminal since 1990 in Governing Body United Nations relations and dubious policy development:

(Daniel 11:32) "And those who are acting wickedly against [the] covenant, he will lead into apostasy* by
The Man of Lawlessness

means of smooth words.

In effect Governing Body "man of lawlessness" corruption potentially spreads to genuine Christians also "in the temple";

d. Progressive Effects

Notes: This apostasy development is gradual:

(Daniel 8:12) And an army itself was gradually given over, together with the constant [feature], because of transgression; and it kept throwing truth to the earth, and it acted and had success.

The key "transgression" is related to the "transgression causing desolation:

(Daniel 8:13) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?"

That key transgression is the UN NGO alliances and promotional activities carried out by the Governing Body
The Man of Lawlessness

"man of lawlessness";

They cover this up successfully:

(Daniel 8:12b) and it kept throwing truth to the earth, and it acted and had success.

It is a team effort of a larger operation:

(Daniel 11:30) "And he (King North globalists) will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant. (First defective Governing Body and WTS members of anointed class);

Note that two entities, globalist King North and "those leaving the holy covenant" are involved in this development;

e. MOL Self Revelation

Notes: The January 1, 1976 effective Governing Body power grasp to supreme organizational authority was in retrospect the first "lifting themselves up" manifestation on 2Thessalonians 2:3-4;

Subsequent idolatrous conditioning of Governing Body worship developed in rampant but plausibly subtle style under various holy pretexts after the Governing Body coup was complete;

So the development to brazen idolatry in that body, and wildbeast associations of that group took decades to mature after the first 1976 manifestations so the "man of lawlessness" aspect was not easily seen at that time and developments had plausible pretexts to hide under with reprisal based silencing techniques of a neo-inquisition at congregational to Bethel levels also being implemented by the Governing Body neo-popes in order to protect and conceal their key lawless location

and operations;

D. Overview of MOL Operation

Notes: In order to carry this lawlessness proliferating operation out in Jehovah's Witnesses central leadership all the way to the successful point of even joining Jehovah's Witnesses to the United Nations family of organizations, with no internal censure from Jehovah's witnesses in any form, takes a synergy of masterfully effective techniques, subtle steady development and a veneer of divine authority as the main plausible pretext for the operational lifetime;

It takes a demonic miracle; (2Thessalonians 2:9; Zechariah 3:1);
And God has to allow it for greater purposes and as the basis of temple purification in a prophetic continuum to be identified prior to the final ministry recommission (Zech3:6-7; Rev10) and the actual Armageddon end; (2Thessalonians 2:1-12; Zechariah 3:1-10);

There also has to be in the "man of lawlessness" network, internal and external objectives with truth diversions and subversions, reproach, idolatry, treason and bloodguilt inducing sin and lawlessness to accompany the development over years upon a mentally isolated distracted home audience of Jehovah's witnesses while lawless accounts are being distributed to every
corner of the earth via the internet based worldwide web to literally billions of people accessible in hundreds of websites in just a few keystroke "keywords" and mouse clicks;

And all this must be done while claiming to fulfill beneficial divine prophecy when in fact disastrous "lawless one" fulfillment is actually what is taking place, the "evil slave" must claim to be faithful and discreet to cap off the intended blasphemous actual developments;

The point is to push the sin envelope to the limit to actually sinning against the holy spirit of God by the core "lawless one" men and women purposefully engaged in this operation in full knowledge of the actuality of the Kingdom truth entrusted to Jehovah's witnesses that is being targeted for discredit;

The hope is to spread that sin to as many actual Christians as possible (Daniel 11:32), stumble multiple millions of people perpetually (2Peter 2:1-3), increase the loss and turn-over rate of Jehovah's witnesses, while reducing the growth rates to less than 1%, while pretending to be carrying out God's Kingdom ministry to apex as busy GBees - when in fact lawlessness and stumbling developments are what are at an all time high;

These trends and statistics must be ignored by lawless high command, replaced by back patting talks and conventions claiming otherwise with a form of statistical context but not given in overall relative terms of decline, NOT increase;

Thus masters of disguise, smooth talkers and great actors are required with sufficient or exceeding intelligence, outstanding "sincerity" and expert training to continue undetected whole decades and lifetimes while undermining the Christian ministry the whole time and producing horrendous trends and statistics like no other time in the history of Jehovah's Witnesses;

This required divine permission to fulfill prophecy first, because as negative as the successful "man of lawlessness" globalist rooted operation is, the final divine outcome of prophecy exposure is far from what the "man of lawlessness" expects to achieve permanently;

In fact the final effect is the exact opposite of what these "lawless ones" hoped to achieve;

This now negative development of lawless catastrophe in Jehovah's Witnesses in fact will put the critical sovereign issues and globalist 8th King shadow camp involved on the world stage spot-lighted by unmistakable prophetic activation of a trillion candle power "lights" of exposure that makes the "man of lawlessness" comprehensive irrefutable secrets a central component of the divine retort of that part of the final worldwide warning ministry backed by God and Christ to develop from this after the temple judgment it is leading to;
The Man of Lawlessness

(This is identified in prophecy identifying where this is leading to over years, after recovery from the horrendous temple desolation which the "lawless one" is successful at effecting as per prophecy temporarily; (Daniel 8:13-14; Revelation 8:1-13;)

In addition, the prophetic chain-reaction tripwire this "man of lawlessness" revelation sets off continues like a Bible prophecy domino effect with even greater fulfillsments concurrent with the divine sovereign Kingdom final warning actually backed by these manifesting proof verifications, live and real-time for years, proving valid prophecy fulfilling in unmistakable prophetically foretold fashion as God's breath starts to steam up the back of the demon and globalist wildbeast neck for real - there will be no question where this is leading by that time;

And the sheer accuracy of the prophetic forecast completing daily, over years, gives divine assurance so strong only fear based total denial is a remedy against believing it all, because it is fulfilling right in front of everyone's face, one day at a time, as globalist 8th King world government tribulatory world conflict, final development and completion and final 8th King sovereign global rulership proclamation must trigger the also completing, Messianic Kingdom response as the promised fiery retort to that pinnacle rival development as well, also known as Armageddon for the globalist 8th King and company; (2Thess1:6-10; Revelation 19:11-21)

But rest assured this develops to climax with plenty of highly detailed divine warning and live/real-time fulfilling prophecy;

Thus the "man of lawlessness" adds a level of initiating credibility to divine prophetic accuracy once fully exposed, that aids the convincing nature of this final appeal of the Bible by the sheer magnitude of the lawless operation and it's having been allowed by God to also highlight where his actual truth temple is, that the "man of lawlessness" was "in" for decades operating prior to angelic and situational expulsion as prophesied in detail; (Zechariah 3:4-5; Isaiah 66:6)

Knowing the horrendous Governing Body hypocrisy is actually foretold prerequisite "lawless one" development exposed signaling irreversible JW temple judgment builds faith in prophecy and the guaranteed divine response promised to manifest after this revelation in a continuity of prophecy all the way to Armageddon; (Isaiah 66:6); (2Peter 1:19-21)

Rather than letting the Governing Body spiritually septic prolific lawlessness stumble us, we convert it's presence and "mystery" now fully known from required prophecy and prophetic clues into faith strengthening evidence that the final prophetic sequence of the Adamic rebellion is about to ignite leading to the permanent solution to all lawless unrepentant human and demon activity on earth - with plenty of warning for those desiring salvation which this negative development described in prophecy actually aids the truthful awareness of;
And with even more - years of divine warning and fulfilling prophecy as God offers any human salvation based on faith and allegiance to God and Christ alone as man decides between God's Messianic Kingdom of Christ or the United Nations "New World Order" soon to be a colossal botch of catastrophic error globalist attempted "world government" shoved upon the world; (Rev13:16-18);

Let us leave world rulership to God and Christ's eternal power and wisdom not terminally mortal and severely impotent and limited so-called "elites" and their sinking flagship globalist 8th King world government of infamy, monumental bloodguilt and guaranteed failure unto divine euthanasia at Armageddon; (Daniel 11:44-45; Revelation 16:17-18)

1. JW Deceived Mindset

Notes: There are two primary features of how JWs are misled and distracted;

1. One is based on trusting a "divine authority" that is not divine nor an actual approved authority from God, but exactly the opposite - the "man of lawlessness" is the main teacher in the JW temple now and has to be masterful and use deceptive techniques directed by the Governing Body and external accomplices;

This trusted authority is diverting actual awareness of divine prophecy which manifested as globalist developmental "world government" developments unmistakably in 1990 fulfilling Daniel 11:30-32 in marked fashion;

This cover up is aided by the broken record style parroting of an approved past understanding over and over again to achieve a delay while sounding authoritative as 20 years of globalist prophetic manifestations in Daniel, Joel, Revelation and other prophecies proceed uncommented on
in lieu of the distracting echoes from the past;

2. The second main distraction technique utilizes elements of God’s will in the preaching and teaching work in an imbalanced misprioritized system of mentally distracting "door to door" and organizational busy-body over kill of misprioritization and time consumption;

Again this has valid applicability but is imbalanced and used to distract away from deep Bible study and open discussion of critical modern events of the last 20 years affecting prophecy which the MOL GB simply ignores purposely appealing to a past now in error regarding Daniel 11:27-45 with threats of inquisitional reprisal to anyone questioning the infallible central GB MOL popes;

The effect is using a truth of some former period of JW history to perpetually smokescreen and occupy JWs with minutia, fear and stagnation to cover up massive globalist third global placement UN "disgusting thing" 1990 commencing activities that fulfill critical prophecy and aid 8th King world positioning goals with the aid of the purposely distracting, diverting and subverting Governing Body;

The chances of conclusively detecting and exposing the MOL GB are reduced by these and other techniques of deception and altered focus covered in more detail in this report; The entire purpose of the distraction is to cover up actual prophecy and avoid "man of lawlessness" detection "in the temple" and it's connection to the final prophetic sequence unfolding for some years;

All the other reasons are secondary to lawless concealment and mere pretexts to control the awareness of Jehovah’s witnesses stuck in a past era of time, and now filled with erred
interpretations of critical
developments in Daniel 8 and 11
affecting all sovereign kingdom and
temple prophecy while covering over
globalist 8th King prophecy fulfilling
activities globally since 1990;

a. All Done

Notes: One technique
of stagnating modern
dynamic activation of
crucial prophecy is
giving JWs the
impression all is
complete, just waiting
for Armageddon;

In effect MOL GB is
exposing themselves in
a subtle way by being
of this group of
seducers:

(2 Thessalonians
2:1-5) However,
brothers, respecting
the presence of our
Lord Jesus Christ and
our being gathered
together to him, we
request of you 2 not to
be quickly shaken from
your reason nor to be
excited either through
an inspired expression
or through a verbal
message or through a
letter as though from
us, to the effect that
the day of Jehovah is
here. 3 Let no one
seduce you in any
manner, because it will
not come unless the
apostasy comes first
and the man of
lawlessness gets
revealed, the son of
destruction.
The Man of Lawlessness

In effect the Governing Body are those "as though from us" who are saying Armageddon will go into effect next although the final temple inspection "man of lawlessness" has not been revealed;

They are seducing JWs "in this manner" to believe Armageddon is next when in fact plainly the final apostasy has to be revealed as Christendom "man of lawlessness" was revealed 100 years ago and sufficient time has elapsed for God to logically have to make a complete final inspection of the specific Jehovah's Witnesses "house" because indeed, "men of lawlessness" are running Jehovah's Witnesses as per this exact prophecy;

The Governing Body is using overly simplified myths to attempt to bypass divine prophetic prerequisites for a premature "great tribulation" for a purpose of delaying the final awareness of prophetic replication and taking advantage of JW ignorance of this fact to aid a final coup de grace on the ministerial work when the globalist 8th King goes into final developmental phasing;

d. Doctrinal Isolation

Notes: The keys for doctrinal stagnations is to go no further than where the approved ministry of Jehovah’s Witnesses had been taken by God’s aiding insight through Jesus Christ - in fact try to denude the foundational truths and go backwards as subtly, but effectively as possible over years of deprogramming from the time the
lawless faction in the GB appeared to the time it assumed total control.

Another key is to overcomplicate the doctrinal and organizational minutia, while simplifying the most important things to near non-existence, while focusing on the feet and wings of the gnat scale minutia of protective overkill which is just a mental distraction for JWs to reduce the chances of detecting the "man of lawlessness" running through the GB;

One, it eats up time and energy, and two it keeps the GB inquisitional fear mode in action with the associative guilt complex the "man of lawlessness" uses on others to paralyze their actual spiritual advancement in lieu of an organizational code of visuals and works, snooping and suspicion, and dissecting matters best left to conscience in certain gnat scale matters;

A clue is that while the self styled "governing body" self glorified "board of directors" uses Acts 15:1-33 to fraudulently establish the divine credibility, they also ignore the actual injunction that resulted from that situation in Acts:

(Acts 15:28-29) 28 For
the holy spirit and we ourselves have favored adding no further burden to you, except these necessary things, 29 to keep abstaining from things sacrificed to idols and from blood and from things strangled and from fornication. If you carefully keep yourselves from these things, you will prosper. Good health to you!”

Instead Jehovah's Witnesses are buried in a scalable distributed congregational level GB protecting inquisition which uses organizational burdens, hoops and mountains to effect self and group approval which all distracts attention away from the actually most important issues of the ministry and reduces the probabilities of identifying the MOL GB;

All this actually keeps Jehovah's Witnesses at 1969 level of understanding which hit the wall of 1990 and simply repeats that year now 22 times covering up the actual fulfillment of Daniel 11:30-32 paralleling Daniel 8:11-13 as the "man of lawlessness" Governing Body can no longer delay exposure as the main required temple judgment target of divine removal to result from all this Governing Body led sin and illusion;
All post 1969 "new light" was predominantly confusion aiding "wormwood" Governing Body factionally MOL designed to raise doubt and or "new light" used to increase the level of blasphemy "in the temple" such as this "evil slave" GB MOL now masquerading as the "lifted up" sole "faithful and discreet slave" in terminal "sit down in the temple", pre-approved and self approved even before temple judgment in lawless absurdity;

Even the timing of such an event is premature in the context of the accurate understanding of temple prophetic replication that is required to complete the final cycle;

globalist world developments
that even the world is studying and commenting on;

The plausible context of stalwart concerned protectionism of "doctrinal unity" is just a pretext of mock hyper-piety to fossilize JWs further in the 1980s level of world government detailed understanding in lieu of "USSR" national intrigues that were impossible to
apply to Daniel 11:27-45 after the USSR dissolved, and in some cases even while it was active;

This guilt primed doctrinal and prophetic interpretation protectionist pretext is just another effective ruse, backed by a disfellowshipping and banishment inquisition used by the GB to retard JW spiritual mentality in Daniel and Revelation interpretive error concerning

continuing the Daniel 11:36 disqualified USSR illusion to cover up this crucial prophetic development as the UN related globalist 8th King world government placement progression has four total manifestations;

Effectively the JW awareness is severed at two "disgusting thing" placements ending after World War 2 and the United Nations presentation of that time in 1945;
The Man of Lawlessness

(Revelation 17:8-11)

JWs are unaware that there was a third United Nations presentation in the "new world order" initiative in 1990 fulfilling Daniel 11:31b, also "placed" as UN NGO "disgusting thing" at Bethel in 1991 in Awake! 9/8/1991 issue and promotional articles for 10 years covert;

The final world drive of the globalist
The Man of Lawlessness

8th King, to activate soon, will result in the fourth and final presentation of the "image of the wildbeast" and globalist world governmental "scarlet wildbeast" as per Daniel 8:23-25 parallel to Daniel 11:44-45;

The JW atmos-fear has successfully clouded and concealed these developments giving further evidence of GB "man of lawlessness" activities "in the
The Man of Lawlessness

temple" arrangement of Jehovah's witnesses using a number of methods to squelch the truth (Dan8:12b) and avoid "man of lawlessness" detection to prophetic connections it leads to;

2. Main Objectives

Notes: When one does personal research into the voluminously available aspects of and information on worldwide globalization examples that obviously are globalist influenced and natural phenomena of the evolution of globalism itself as a basis of world organization at the highest level aided by the highest forms of intelligence, technology, government, finance, computing, satellite and communications technology that it itself advances and utilizes simultaneously, one wonders exactly what cave it is at Bethel that the "Governing Body" lives in?

Who can watch the 1990 post cold war United Nations third global placement at "new world order" initiative victory speeches of George Bush Sr., and others, the Gulf War, the formation of Global NATO, the Global War on Terror and other
 events explicitly fulfilling 8th King
world government prophecy (Daniel
11:40; Joel 3:9) that would aid the
understanding of the nature of the
Armageddon trajectory and grand
finale and say NOTHING?

Who can sit back and watch full
worldwide financial globalism forming
in the storm clouds of national
finance in trillions upon trillions in
national debts and unfunded liabilities
worldwide, cushioned by hundreds of
trillions in derivatives bets, papered
over with globalist central bank fiat
currencies, steroided with trillions
upon trillions in more consumer,
commercial, institutional and student
debt, aided by globalist technocrats
injected into tens of national
governments' top think tanks and
guiding a hundred others and not say
a word about it?

Well it has to be obvious by now, the
Governing Body of Jehovah's
Witnesses has to keep this silence
purposely, no one is simply this
sheltered, isolated, backward and
blind, no one can simply be "this
dumb" - it has to be purposeful and
actually backed by smarts to also
guide Watchtower commentaries and
Jehovah's Witnesses public ministry
to not just dumb down and
dementalize Jehovah's witnesses into
that same backwardness, but for
real, but to also affect the vision of
the world concerning Bible prophecy
and scripturally foretold features of
8th King progressive control of
globalization as the basis for final
actual world government as not only
foretold, but fulfilled in prophecy
fulfilling en route to this climax
condition since 1990 in stunning
marked fashion simply purposely
ignored by the Governing Body;

And covered up as well; (Dan8:12b)

The result is a 1990 mentality and
worse in Jehovah's Witnesses as a
whole; Not only does the Governing
Body cover up fulfillment as it
The Man of Lawlessness

happens, and years after and silence any commentary exposing their
globalist masters, they also divert attention to erred forms of Daniel
prophecy to aid the subterfuge and have a program of mentally
conditioning Jehovah’s witnesses in the past to keep the ominous
prophetic reality actually at work unknown;

Jehovah’s Witnesses are in a spiritual la-la land concerning globalist 8th
King terminal prophecy;

It could be bad enough just letting the organizational status quo be
Jehovah’s witnesses own worst enemy as is, to just proceed in the
now delusional falsehoods as the deepest parts of the public ministry,
since it now includes purposeful lies and error concerning Daniel and
Revelation and actual active terminal globalism in a masterful diversion
plan full of fiction which is the JW standard teaching on Daniel 8:11-25
and 11:27-45;

And all this is heading JWs (and our global audience) for an overly
simplistic “understanding” of climax Bible prophecy to be prematurely
perceived as an impending “great tribulation” that will actually be the
final world developmental drive of 8th King world government deploying far
beyond the power of just the United Nations “image” “of the wildbeast”
over a number of years of timed and sequential prophecy;

Now we see what the Governing Body as obvious “man of lawlessness” is pushing is not the
“end all” reality they are claiming, but the beginning of the final cycle that will find JWs in a 20 and 30 year
dated mindset of “reality” to be further bewildered and delayed when this initial tribulatory period actually
hits in earnest as just beginning, not ending for years;

And that is exactly what this
Governing Body globalist agency cabal wants, to delay, paralyze, misdirect and destroy the actual final worldwide proclamations of God's Kingdom and the final prophetic interpretive truth which describes every stage in this current developmental JW darkness from today's Governing Body "man of lawlessness" to the final temple judgment, to the desolation of Jehovah's Witnesses worldwide "temple established place" organization, to the recovery for the final world ministry of the final warning repeating "two witnesses" and unto Armageddon as the 8th King world government and God's Messianic Kingdom of Christ complete and head to Armageddon war simultaneously;

A whole lot of Bible foretelling a whole lot of world developments is yet to unfold, JWs are mentally positioned to be globalist bowling pins to mow over from inception of this final cycle, thinking it is "the end" to further the confusions from the subsequent actuality unfolding for years;

The main objective of the Governing Body imposters, in addition to development of serious sins and lawlessness, is to cover up the truth of the final prophetic fulfillment cycle which is actually contained in the Bible in great detail including describing the actual nature of the Governing Body "man of lawlessness" infiltration origination and purposes in enough detail to connect them back to the United Nations 8th King home;

May God send them there with all the blood money they can carry to secure a good hiding place (Amos 9:1-3; Revelation 6:12-17) and count their final decade of existence with a nice celebration party - may they eat drink and be merry for tomorrow God's angels will hunt them up...

But for now their exposure will aid
the convincing nature of more prophecy to come from that first domino;

a. Overview

Notes: The Governing Body is just the tip of a complex iceberg of planned and organized sinning, reproach, diversion, subversion and infiltrative objectives being fully carried out as fully foretold in signal prophecy and permitted by God in Jehovah's Witnesses "temple" to provide a required foretold signal of impending temple judgment of the "1/3" lawless JW house - first; (2Thess2:1-3 then 1Peter 4:17 which is Daniel 8:13-14 unto Zechariah 3:4-5 purifications)

As Daniel 8:13-14 "trampling" activates the first four trumpets of Revelation 8:6-12, the Revelation 8:1-5 "altar fire" purifications summary applying Isaiah 6:6-7/Ezekiel 10:1-2 "fire" cleansing symbolic principle of Zechariah 3:2 "fire" will complete Zechariah 3:4-5 temple purifications;

Meaning over a period the "lawless one" Governing Body and entire infiltration entourage must be fully removed from "in the temple" were this lawless corruption is shown in Revelation
8:10-12 as well as the prerequisite criteria of all final prophetic activations of 2Thessalonians 2:1-3,(Zech3:3);

A work such as that will completely altar the Jehovah's Witnesses temple arrangement from this profaned state of operations and is far from an easy task or usual kind of work for God (Isaiah 28) as it will be amidst a massive JW temple and world event cycle and will require angelic assistance from Christ to complete - or JWs would remain Zechariah 3:2 "fire" toast, but it is snatched:

(Zechariah 3:1-5) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand (governing body) in order to resist him. 2 Then [the angel of] Jehovah said to Satan: "Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?" 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to those standing before him: "Remove the befouled garments from upon him.” And he went on to say to
him: "See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state." 5 At that I said: "Let them put a clean turban upon his head." And they proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by.

The lawless Governing Body developments are to say the least just the beginning of JW troubles to come, the "evening" of Daniel 8:14:

(Daniel 8:12-14) And an (JW) army itself was gradually given over, together with the constant [feature], because of transgression; and it kept throwing truth to the earth, and it acted and had success. 13 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation (UN NGO), to make both [the] holy place and [the] army things to trample on?" 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right
That "trampling" of "holy place" and "army" is Isaiah 28 Bethel judgment that God is permitting the intruder Governing Body to aid the operations of to attempt to destroy or permanently delay the final understanding ministry "little scroll" from taking place - as the Governing Body has already covered up 22 years worth of globalist 8th King activities that have been fulfilling critical prophecy concerning that forming world government.

If not for the original initial fulfillment patterns in the 1914-1922 era of Kingdom sovereign proclamations none of this could be understood now to be guaranteed of a replication of all of Revelation 8-11, 15-16 and Daniel 12;

Therefore the Governing Body will covertly undermine that teaching foundation applied to current developments and deprogram the principles of those 1260 day (Daniel 7:5; 12:7; Revelation 11:2-3) and 1290 day (Daniel 12:11) patterns from the collective JW mind as much as possible, while referring to piecemeal "repeating" elements to apply to the Governing Body
(like the faithful and discreet slave application) to give an illusional air of divine credibility to conceal themselves to coup de grace attempt on the temple when in fact the "evil slave", "befouled garments" and "man of lawlessness" required manifestations is what the Governing Body actually is; (Matthew 25:48-51; 2Thess2:1-3; Zech3:1)

And since the Daniel 8:12b cover up that the Governing Body is engaged in aids 8th King covert world developments to slip under the Bible prophecy "radar" of fulfillment public exposition via the JW global ministry, covering up past, present and future prophecy as much as possible is a key objective of this rogue Governing Body cabal;

Embedding serious lawlessness along with tis for global reproach, stumbling and confusions also results from this complex "lawless one", Governing Body led operation of "evil slave" at apex;

b. Cover Up of Actual Prophecy
Notes: What use is a JW ministry that teaches lies concerning Daniel 8:11-14 and Daniel 11:27-45 ultimately?

Well it is a ministry of importance to new sheep that it true, but is also a ministry aiding the concealment of globalist 8th King world activities leading to a final world governmental development drive misrepresented in deeper contexts of JW prophetic teachings, and this critical 1990 diversion into UN NGO falsehood to cover up actual 8th King "King North" activities is why;

That fulfilled Daniel 11:31b along with that third global" placement" of the UN "disgusting thing" with the Governing Body as part of the "they" in "they will certainly place the disgusting thing that is causing desolation" of the Daniel 8:11-14 "transgression causing desolation" significance as the Governing Body placed their own version of the Bethel UN NGO "disgusting
thing" in Jehovah's Witnesses acting as globalist UN high priests of the JW wildbeast temple promoters;

(Daniel 11:31) And they will certainly put in place the disgusting thing that is causing desolation.

The Governing Body is not going to simply expose themselves as fulfilling key lawless "disgusting thing" prophecy in UN NGO purposeful treasons and fornications as all of Hosea applies to modern-day Bethel as well;

But the most significant aspect of this cover up is concealing the truth that there are four world placements of the "disgusting thing" in Bible prophecy, and the 1990 post Cold War (Daniel 11:29) United Nations proclamations of that time of the USSR dissolution was the third placement (of four total) after a third world war (cold war) of unique character:

(Daniel 11:29) "At the time appointed he will go back, and he will actually come against the south; but it will not prove to be at the last the same as at the first.

In this context the "south" is national powers being used by
globalist level "king north" planners to create world wars and global desolations or intrigues as the "tribulation" context to be resolved later, to present, at the end of the cycle the ideas and "image" of human 8th King world government as the necessary "world peace" solution to what just transpired in world conflicts of hot or cold nature;

1. That formula was used first fulfilling Revelation 13:11-15 as the "League of Nations" was presented as a world governmental forum after World War 1 in 1919;

2. Then that formula was used fulfilling Revelation 17:8-11 as the United Nations was "placed" after World War 2 in 1945 as another rendition of the same world governmental forum of the Anglo-American elites;

3. And that is where the Governing Body wants to sever prophetic Biblical reality by covering up this third placement of United Nations related proclamations following a third world conflict of cold war in 1990, as the UN "New World Order" initiative was proclaimed globally fulfilling Daniel 11:31b at that time;

4. And that leads to a
required fourth and final United Nations "4.0" world forum and complete world governmental system after a fourth world tribulatory period provides the "desolation" stage of shock, fear and exhaustion to present the ever so convenient, lo and behold - "world peace and security" solution! of the 8th King UN New World Order globalists according to a formula predictable even without Bible understanding as the exact same thing is happening for the fourth consecutive time - also as foretold;

But the Bible clearly foretells this fourth "placement", "stand" and "palatial tents" worldwide at Daniel 8:23-25, 11:44-45 and Daniel 12:11; Daniel 12:11 in final replication;

Now we realize the easy to see and prove final quadruple sequence that the "lawless one" Governing Body based JW organization-wide operation is attempting to bypass for a deceptive premature "great tribulation" terminal Armageddon event, that will in fact be instead this final world drive of the 8th King to complete their own world government using the same formula implemented three previous times since
1914 detailed in Bible prophecy;

JW truth and ministry can then be delayed, confounded and buried as JWs enter that multi-year cycle to 8th King world government, thinking "Armageddon", getting the foretold temple desolation instead, and wondering just what in the heck is actually going on as this goes on for years and God and Christ do NOT arrive in the form expected to lay all enemies low in the final conquest;

Instead God allows the 8t King globalists to lay JWs and Bethel low which of course is not what JWs expected, and so the Governing Body globalist 8th King serving "man of lawlessness" objectives of an attempted "coup de grace" on the JW "holy place" is then completed while JWs have been misled to believe it was the "end all", when in fact it was the BEGINNING of the final prophetic cycle;

Governing Body prophetic cover-up, misinformation and diversion aids this whole illusion; But it also signals impending temple judgment, the deposition of the fraud Governing Body unit and it's entire JW organizational subversion operations amidst prophetic
fulfillment that reliably leads to the grand finale in a sequential series of inter-related prophecy that this human cabal of darkness in the Governing Body is trying to conceal;

While the globalists and Governing Body "man of lawlessness" try to subvert all this by great planning, patient decades long efforts and wiley intrigues they thereby are ensuring God will use that context of exposed infamy and it's Daniel 11:30-32 and Daniel 8:11-14 globalist connections to broadcast this truth worldwide in His own timing using the angelically impaled Governing Body (Zech3:4-5; Hos1:4-7) as a pyre of lies purged by God and Christ as exactly foretold aiding the illumination of the actual truth and this critical final sequence of prophecy they themselves are activating and signaling as prerequisite manifestation of 2Thessalonians 2:3 in Governing Body and the apostasy they lead;

c. Undermine the 1914-1918 Foundational Pattern

Notes: Plain and
simple God's Kingdom is coming and the impact of that will be devastating to God's enemies and those not found repenting so as to be part of the Kingdom domain rather than those against it;

So the Messianic Kingdom sovereign proclamation of impending conquest first fully defined as real and certain in 1914-1918 prophetic significance is extremely serious information that God and Christ back as foundational truth of the Kingdom birth and temple foundations itself - it is the divine truth upon which all the rest of prophecy interrelates and in fact replicates that final 1260 day period again unto actual final Kingdom warning, completion, final judgment of sheep and goats and complete universal conquest;

It is not a light matter of truth of inevitable confrontation with all human systems opposed to that Kingdom, so God will repeat the proclamation in spite of the best efforts of the enemy world government and "man of lawlessness" to impede this crucial understanding from being the basis of the final ministerial warning (Revelation 10-11) and life saving
invitational final
Kingdom ministry of all
time;

The principles
contained in the
comprehensive
fulfillments and events
of that epic period of
World War 1
competitive "world

No man or demon can

So the "man of

BUT they also want to
keep JWs focused on

simplistic disconnected way to distract JWs with truth itself as a distraction from that truth's greatest meanings; They want JWs thinking 1914-1918 was the end of those prophecies to create an apathy towards continuing to study the Bible in depth but to also utilize certain features to apply to the Governing Body for fraud concealing credibility purposes to continue the idolatrous control of Jehovah's Witnesses;

d. False Prophecy

Notes: Since Daniel 11:30-32 parallel with Daniel 8:11-13 apostate infection and infiltration developments links internal Governing Body operations "in the temple" to external opposing centers of 8th King globalist opposition, the Governing Body is actually a related partial element of the Revelation "false prophet" with ties to elite Anglo-American interests of public deception regarding Biblical details of globalization leading to 8th King world government actuality;

As such the false prophetic work this "lawless one" Governing Body directs
and engages in is comprehensive in nature to effect diversionary deceptions to cover up globalist development, events and activities fulfilling key signal prophecy and also breaking crucial continuity that leads to needed understanding; (Such as the Biblical four total "placements" or "stands" of the "disgusting thing" starting in 1919 fulfilling Revelation 13:11-15 leading to two more successful "placements" in 1945 (Rev17:8-11) and 1990 (Dan11:31b) as per prophecy which leads to the fourth and final placement in this final Daniel 8:23-25 and Daniel 11:42-45 world drive about to begin;)

As the ultimate "evil slave" of all time, the rogue, could care less, Gehenna bound Governing Body promotes ultimate blasphemy in many ways embodied in themselves publicly, privately and implied to effect the defection of genuine Christians at all levels by their masquerade in 2Corinthians 11:13-15 modes of transformation fulfilling 2Thessalonians 2:1-4;

But there is more Bible detail on this apostate and infiltrator Governing Body's external connections and ultimate reasons
why this cover up is in effect amidst these lawless developments in Jehovah's Witnesses:

(Daniel 11:30) "And he (King North globalists) will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those (Jehovah's witnesses) leaving the holy covenant.

(Daniel 11:32a) "And those who are acting wickedly against [the] covenant (a far broader potential mix), he (King North globalists) will lead into apostasy by means of smooth words. (From the Governing Body);

Thus the silver tongue serpents in the fine "superfine apostle" suits of the Governing Body masquerade are globalist connected, successful as foretold, and interested in spreading their wormwood sins and purposeful deceptions to as many genuine Christian Jehovah's Witnesses as possible linking their "evil slave" actuality to many more scriptural prophetic fulfillments in modern form:

(Revelation 8:10-11) And the third angel blew his trumpet. And a great star burning as a lamp fell from heaven, and it fell upon
a third of the rivers and upon the fountains of waters. 11 And the name of the star is called Wormwood. And a third of the waters turned into wormwood, and many of the men died from the waters, because these had been made bitter.

And now since 1980 approximately with the apparent globalist Milton Henschel and Albert Schroeder directed intensifying apostasies through the Governing Body "1/3" of the total JW ministry in time has been tainted:

(Revelation 8:12) And the fourth angel blew his trumpet. And a third of the sun was smitten and a third of the moon and a third of the stars, in order that a third of them might be darkened and the day might not have illumination for a third of it, and the night likewise.

Further fulfilling:

(Daniel 11:31) And there will be (infiltrative; Dan11:41) arms that will stand up, proceeding from him (globalist King North camps); and they (together with apostate GB) will actually profane the (JW) sanctuary, the fortress, and remove the constant [feature]. (By profanation and worse
soon) "And they will certainly put in place the disgusting thing (UN 1990, UN NGO 1991) that is causing desolation**.

Parallel with:

(Daniel 8:11-14) .And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his (JW) sanctuary was thrown down. 12 And an (JW) army itself was gradually given over (to infiltration and control), together with the constant [feature], because of transgression**; and it kept throwing truth to the earth (cover up and deceptions), and it acted and had success. (Dan11:30a)

Temple effects:

13 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation**, to make both [the] holy place and [the] army things to trample on?" 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition."
The Man of Lawlessness

Instead of expounding these actual accurate meanings, the Governing Body "evil slave" "wormwood star" joined the UN initiatives of 1990 and now claims to be the sole "faithful and discreet slave" on earth as a "seating" of this prophecy below "lifted up" over now everyone on earth including the actual anointed "least of these my brothers":

(2 Thessalonians 2:3-4) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god.

The Governing Body "son of destruction" element will climax in "the transgression causing desolation (UN NGO), to make both [the] holy place and [the] army things to trample on..." when they aid the temple final attempted "coup de grace" of that coming initial trampling of the temple judgment divinely permitted JW organizational desolations to unfold upon a marked period of time:

(Daniel 8:13-14) "How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?" 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its (purified; Zech3:4-5) right condition."

e. Retard Globalism Understanding

Notes: Micro Focus on Prophetic Symbolic Parts

Aside from trying to make JWs believe all prophecy of Daniel and Revelation "has fulfilled to the smallest detail"
(WT 6/15/12) - when in fact the final replication and completing prophecies concerning full 8th King world government are soon to manifest, as per prophecy - the Governing Body does a diversionary distraction of JWs and the world in micro-focus of the individual components of symbolic images that actually have a "big picture" comprehensive significance greater than the sub-components making it all up;

For example, the whole "dreadful image" of Daniel 2's symbolic depiction of a multi-metallic "man" is greater than the sum of it's parts of gold, silver, copper, iron, and the amalgam mix of iron and clay making it up - the whole image is completed human world government "standing" at the symbolic Armageddon "place";

The WHOLE thing has symbolic meaning of the final globalist world unification of the 8th King world government final system triggering divine war at Armageddon;

The Governing Body focuses on everything but the big picture;

And the same principle of distraction with elements of the truth itself is in the
commentaries on the seven headed wildbeast in Revelation 17 "scarlet wildbeast" apex developmental stages; The Governing Body says something like "no new heads shall appear", which is true, seven heads are the total of heads on the wildbeast;

But the WHOLE wildbeast, the ENTIRE "scarlet wildbeast" not any single head, but the whole thing is the 8th King comprehensive world government at globalist world unification utilizing a subservient collective array of national powers aligned in this final world government;

The Governing Body focuses on the "image of the wildbeast" as represented by the forum of the United Nations as if that is the extent that globalist world rulership will progress too; But the fact is in prophecy the whole "scarlet wildbeast" is a full world government in climax form far far beyond the scope and power of the UN "image" which was the hub of it's worldwide development in that form since 1919 and the League of Nations;

Again, these are obvious concepts that no actual "full time Bible studiers and trackers of world
The Man of Lawlessness

events" would simply ignore for 1980s level dated commentary on the "United Nations" as any actual pinnacle world government of actual worldwide governmental, military, financial, communications and technological ACTUAL global infrastructure embedded and over 200 nations providing the collective basis of that globalized world unification power;

Stall JW Mentality

The Governing Body does this to keep JWs backward minded, frozen in the dated era of the main GB UN NGO diversion, and unaware of actual globalist world government developments which also aids the world darkness concerning the trek of full globalization unto the Armageddon globalist triggered event;

The GB speaks about globalization, but never connects the voluminous examples of it's application to the main components of 8th King transitioning world "power and authority" from the national spheres which is being positioned for progressive full consolidation into 8th King globalist full control in world government sub-components of power as shown in the
Revelation 17:12-17 progression to full Armageddon Revelation 16:12-16 apex development;

Therefore JWs live in a spiritual state of the past in 1990, diverted into purposeful interpretive error at that time, and remaining there for over 20 years while in fact globalist world development has reached the point of commencing it's final world overdrive, as per prophecy, into a final multi-year developmental apex phase unto full world government progressively over some years marked in prophecy, through another engineered global tribulatory and global scale war phase to accelerate the globalization of world debt into a globalist complete world wealth control (Daniel 11:42-43) that aids the final consolidative transfer of power (Revelation 17:12-17) in the inevitable impending trajectory to Armageddon full conditions of global unification against God's Kingdom; (Rev16:12-18);

Isolate JW Exposure to Reality

Plenty of research, writings, documentaries,
doctoral thesis and the like exist on every imaginable subject and science of globalism as applied to every facet of human government and culture; But the Governing Body wants Jehovah's Witnesses as unaware as a spiritual Rip Van Winkle of what as actually been going on in the world for the last 20 years;

But the world research sources and alternative news centers have kept up on the globalization process for those who have missed it and those interested in the reality of the national evolution into a globalization of world government as the main center of global control;

In reality now Luke 21:25-26 shows even worldly sources of "light" would begin to explain the deeper issues and evolutionary realities of worldwide terminal globalism progressively affecting every part of the logistics of nations as they are fitted into the web of 8th King engineered globalization;

The "anguish of nations" aids the recourse to globalist solutions to these problems, problems that then globalists have a ready solution for in many parts of the overall "world government" concept
The Man of Lawlessness

becoming reality;

But JWs, purposely isolated away from the web and real-time information sources of all sorts, far more diverse than commercial television, cable and satellite programming, have no exposure to globalist developmental realities from those external alternative news and specialized research sources as they happen liev and real-time;

And the Governing Body provides only hollow visuals and dated hypnotics of the past echoes like a parrot on a broken record, over and over and over again, with misinformation messages embedded with purposeful error, subtle subversions and wildbeast promotionals and diversions, so JWs have no source of real light from the globalist Governing Body 8th King internal annex satellite system at Bethel;

In effect the Governing Body act and show is just tickling ears as directed by te 8th King controllers and serving "wormwood" sugar plums to JWs programmed to feel self-righteously approved, just like our "governing body" amidst an actual storm of divine disapproval and judgment sure to be a consequence for
The Man of Lawlessness

devotions for 20
years of explicit
apostasies, all as per
prophecy being missed
by JWs and purposely
buried by the
purposeful enemy
rogues in the
Governing Body;
(Daniel 8:12b)

Objective

But as another recap,
all this is not
developing without
complete globalist
understanding of what
they want to
accomplish in the initial
activations to the final
world drive using the
partner Governing Body
to achieve their goals
on Jehovah’s
Witnesses, which even
aids the deceptive
effect of fear and
anxiety on the world;

And thus you have an 8th King and Governing Body that full well know a final, extremely intensive developmental final period of a number of years is required to bring in full world government controlling 100 plus formerly dominant nations completely; (Dan11:42-43);

When the superset of events and developments that lead into this hit the world and JW Bethel proper JWs can be further delayed and confused and derailed into the grand canyon of the Revelation 9:1-4 abyss, while the world is equally confounded and confused, and the 8th King system will have a world head start to final world government and no one is the wiser as that applies to the final prophetic replication, in full swing as well already describing all this fully hidden from JW awareness;

JW Bethel and company goes in "evening" "abyss" darkness (Dan8:14; Rev9) for the required period of accounting and cleansing of temple judgment (1Peter4:17 is Daniel 8:13-14), while JWs think it is all terminal "great tribulation", only to be left perplexed as years of globalist world developments unfold on top of JWs, and the Governing Body can lead it all further down the tubes while the "evening" of Daniel 8:14 completes to attempt to ruin all JW credibility, reputation and operations - while derailing JWs to eternal misled oblivion;

And that is just what will happen to the divine degree required, and then in stealth fashion, as promised, God, Christ and angelic anointed must fully enter their own temple amidst this chaos as foretold; (Revelation 8:1-13) Now you do not want to be the Governing Body, "in the temple of the God", when they arrive at Isaiah 66:6 time of Zechariah 3:4-7 of Malachi 3:1-5 cleansing;

All the rest of what is to follow, how it got to the above, and where it is going is already fully described in a prophetic continuum JWs are missing "due to transgression" and the misleading "man of lawlessness" Governing Body and associated JW organization wide cabal supports fully operative "in the temple of the God";
f. Treason and Betrayal

Notes: The treason is using JWs to promote prophetic cover-up and diversion error now and to promote historic 1990 United Nations third "placement" information as "non governmental organization" in the UN advertising "department of public information", while explaining none of the significance of any of that development as prophetic;

Instead the Governing Body purposely promotes USSR illusions that clearly fail the Daniel 11:36b criteria of continuous King North success all the way to Armageddon (Daniel 11:45);

(Daniel 11:36) "And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.
The Man of Lawlessness

Obviously the USSR did NOT prove "successful until the denunciation will have come to a finish" at Daniel 11:44-45; Nor was the USSR "the king" of special note here in Daniel 11:36a, because the King North 8th King globalists are in effect the final world rulership completing "the king" meaning as apex globalism based world government in progressive consolidation of power (Rev17:12-17) and resources (Dan11:42-43);

The betrayal is only preliminary for now; The Governing Body is doing all this while knowing full well the problems the dissolution of the USSR creates for Daniel 11:27-45 application to them, or Nazi Germany, neither have the required element of perpetual success all the way to Armageddon;

It is not just JWs being betrayed, if the Governing Body was actually Christian, God and Christ would also be betrayed, but this appears to be a purposeful assault and confidence building deception to compromise the totality of the organizational ministerial work, to imbibe it with error and set JWs up for an "end all" expectation that is really just the
beginning of the final developmental drive of the 8th King to full controlling globalization based world government amidst a final prophetic fulfillment cycle of temple judgment also just beginning;

Whatever it is on the 8th King world development and prelude event near future agenda, it will be big enough to make JWs think it is the "great tribulation" unto the "end of the world);

No doubt it will be temple tribulation instead, but not the terminal post Matthew 24:29-31 (Rev6:12-17) events JWs are being misled to expect prematurely, it is the foretold temple desolation "because of transgression" specifically the main "transgression causing desolation" to the JW organizational "established place" in the United Nations NGO alliances and promotional services since 1991; (Daniel 8:11-14);

And that sets up the ultimate betrayal by the Governing Body of all Jehovah's Witnesses being fed into an engineered globalist worldwide attack phase in forms unknown for now, permitted by God to allow "desolation" due to serious transgression - while
JWs think it is the "end" of the Biblical cycle in "great tribulation", it is the beginning of the temple judgment pase amidst the beginning of the final 8th King drive to full world government over a number of years as outlined in final fulfillment prophecy being covered up;

g. Internally Aided External Planned Resistance

Notes: Just to reiterate, this Governing Body was a factionally controlled purposely placed undercover infiltration unit with an objective of existence in itself that took years of preparation under a veneer of authenticity of it's factional members who originate from external globalist related intelligence quarters;

Prophecy plainly describes a gradual (Dan8:11-13) progressive effect of a teamwork of globalists and Governing Body infiltrators directed by external world government promoting groups related to pinnacle globalist "king North" "8th King" development whose chief development is
The Man of Lawlessness

explicitly shown in prophecy at Daniel 11:30-31 resulting in the UN NGO alliance while the UN system manifested for the third foretold time, of four, in post Cold War "New World Order" initiative proclamations;

From there the silencing of Fred Franz would be necessary so as to continue the USSR illusion of fulfillment which failed when the USSR failed and failed fulfilling Daniel 11:36, or any other applied prophecy to them as "King of the North";

The actual active system from Daniel 11:27-45 will be 8th King apex "King North" world government rulers in progressive development;

Concurrent with the effectiveness of this USSR illusion covering up actual developments, the Governing Body would also not comment on any other globalist 8th king related world developments like Gulf War (1990), Global NATO (1999) or Global War on Terror (2001) and a host of other world globalization positioning developments relating to current events of the last 22 years in governmental, military and financial transformations preparing for worldwide terminal
globalism as the basis of the final human world government that progresses to completion as God's Kingdom also manifests signs of completion in progress for the ultimate showdown at Armageddon;

The Governing Body's job is to effect sins and alliances explicitly related to 8th King world government compromise "in the temple" arrangement of Jehovah's Witnesses to effect divinely mandated desolation for that criminal activity, implicate all JWs, while severing the demonstrable continuity of critical prophecy from JW and world awareness;

This is covering up a clear prophetic continuum that has manifested from prophecy and world government activity and rampant top down JW lawlessness in the Governing Body "man of lawlessness" and will continue to verify and prove itself in accurate forecast all the way, continuously, to Armageddon;

Of course JWs and people need to know all this and have it thoroughly explained to them in explicit detail - and that is what the Governing Body does not want;

The Governing Body,
with actual external interests opposed to God's Kingdom, completely "set in opposition", seeks to impede the divine prophecy that this truth will be seen through by God and Christ (Rev10) to complete the final world ministry (Rev11) as also foretold in this continuum of an irreversible, unbreakable continuous prophetic framework and timeline guaranteed to sequentially continue to where it indicates (Armageddon);

This will irreversibly and continuously progress in prophecy and world events from commencing revelation "man of lawlessness" initially revealed (2Thess2:1-3; Zech3:1-3) to his divine expulsion from JWs (Zech3:3-4; 2Thess2:8) amidst a JW organizational foretold divine temple judgment "established place" desolation (Dan8:11-14) and divine preliminary "1/3" filtration (Rev8:1-13) as the first fulfillments of the final cycle (1Pet4:17; Mal3:1-4);

And that all will come and continue progressing continuously over years unto the actual climax "Kingdom Come" end at Armageddon over a number of prophetically marked timed periods (Dan8:14; Rev11:2-3), sequential events
(Rev8-9, 16) and years of finalizing development and manifestations of astounding world events fully foretold exactly as they are occurring - before, while and after they are occurring;

This is all the basis of the final JW world ministry of Kingdom sovereign ultimatum of God and Christ to result after the desolation, purifications, recovery and recommission of JWs who are approved for this work, and anyone else becoming a believer who wants to join the final ministry of the Kingdom of Heaven on earth all the way to it's arrival after the Revelation 11:7 final attack on this cleansed Christian final 1260 day ministry;

h. Infiltration and Positioning

i. Impede the Anointed

Notes: There has not been a genuine anointed voice at Bethel since the death of Frederick Franz;

The actual developmental milestones aided by God through Jesus Christ (Rev1:1) have been developed not by
some supreme council of celebrity personalities as a "governing body," but by individual spearhead apostle-like men who developed channels of understanding individually aided by God building and refining on the work of previous Christians;

Charles Taze Russell carried ideas gaining attention in his own age into a clearer understanding of the most important issue facing mankind as a whole, the actual arrival of God's Kingdom in full power and the power of the saving sacrifice of Jesus Christ before and at that time as only it will deliver from the annihilations God's Kingdom must carry out; (Daniel 7:25-26)

Kingdom birth and Temple foundational issues were founded in the basic pattern of the truth of God's Kingdom's sovereign claim to this planet and universe it is in and the prophecies containing that communication (Daniel 2, 7, 12; Revelation 6-16, 17, 19-22) to be unveiled by God, not by human but through them, as the time of Kingdom and temple completion neared; (2Pet1:19-21)

What became the Jehovah's Witnesses worldwide ministry exclaiming that valid truth developed from
those most important issues being understood, and the proof of the developmental timelines of God's Kingdom and the opposing seven headed wildbeast, 8th King system as they both paralleled in various developments heading for terminal conflict and final war at Armageddon upon a prophetic trajectory increasingly backed by real world events related to key features and events of these climax developments now heading for the final stage periods;

Joseph Rutherford and Frederick Franz continued the refinement of fast opening understandings from God through Christ (Eph5:17) upon an organizational expansion motivated by a visionary innovator in Nathan Knorr;

Everything was fine and functioning smoothly in the hands of capable anointed men aided by God through Christ as spearheads of this Kingdom work culminating the Daniel commentary in 1958 and the Revelation commentary in two parts in 1963 and 1969, along with Ezekiel and Zechariah and portions of other key sovereign Kingdom detailing prophets like Isaiah, Jeremiah, Micah and others;
Then the worst single experiment, the worst mistake of all JW history formed in retrospect. The "Governing Body" fantasy...

This fantastic flagship of Kingdom truth, in clean approved insightful overdrive by 1970 apex understandings was handed to a "Governing Body" cabal, a soon to be "lawless" germ cell of spiritual megalomaniacs in factional presence, jumping on the controls of this complete system to increasingly control it, complicate it and take credit for these works;

This illusion of authority and actual insight and works was effected by sliding under the veneer of the anonymity of these spiritual insight and logistical developments of Russell, Rutherford, Knorr and Franz' predominant respective individual influence and "lifting themselves", the Governing Body headed into the limelight of JW attention - they seized control and built a plausible scriptural mythology to further their own credibility soon to become the CEO primadonnas of the greatest idolatry of personality and celebrity distraction known to any religion other than the Catholic Papacy;
They made themselves famous, photographed the promotional portraits for global distribution and placed themselves above, over and beyond all other anointed claimants of "holy covenant" in spite of Fred Franz and Nathan Knorr's condemnation of the development of such a glamorized group;

Within 5 years of that January 1, 1976 corporate coup, this Governing Body had built an over complicated inquisitional overkill diversion system to protect their own positions by threat of a reprisal that did not even spare its own Governing Body and Bethel members if need be, to send the fear or else message out to others of lesser or equal prestige - who in retrospect were persons who would begin to put 2 and 2 together and see in hindsight progressively from that time, we had the budding baby "man of lawlessness" on our hands in that "governing body" factionally at that time, complete with implied ego, infallibility, reactionary arrogance, squarely "seated in the temple" and self exalted "lifting themselves up" over everyone from incept;

Within 15 years of that
January 1, 1976 Bethel power grasp, the Governing Body up and privately, covertly joined Bethel and all the "nation" of Jehovah's Witnesses "Israel" and "Jerusalem" to the United Nations family of "non governmental organizations" all in time to co-promote, as "UN NGO" agents, the third global placement of the "disgusting thing" of the 1990 post Cold War Victory celebration as the UN "New World Order" initiative fulfilling Daniel 11:31b as the Governing Body set-up their own version of the UN NGO "disgusting thing" right at Bethel in 1991;

All with nary an official word on the UN NGO, to this day, to Jehovah's Witnesses in this now spiritually prostituted and fornicating UN "Nation"; (Hosea) To this day some Jehovah's witnesses still do not know about this UN allied affair;

And thus begins the spiritual downward spiral of Jehovah's Witnesses from divine approval to divine guaranteed judgment as the Governing Body 8th King globalist serving shenanigans of Daniel 11:30-32 just so happens to provide the transgressing actions and compromised alliances of the "transgression causing
desolation", and the infiltrative take over of Jehovah's Witnesses "army" also described in parallel concurrent fashion with Daniel 11:30-32, with added detail in Daniel 8:11-14's temple judgment prelude prophecy foretelling the same 1990 events and their context and their consequences;

The Governing Body has changed the spiritual course of the JW flagship since 1976, renamed it Bethel Titanic, hit the midnight covertly navigated iceberg, and is heading JWs for a divine Niagara Falls that they want to sell off as "great tribulation" under approved conditions as all doom coming on the organization highlights the persecutions on the approved "faithful and discreet slave", when in fact it will be God permitting UN 8th King planned desolations on the JW organization to cleanse the temple amidst an active temple judgment to fulfill Daniel 8:13-14;

And the revelation of the prerequisite 2Thessalonians 2:1-3 "man of lawlessness" and the apostasy he leads to be revealed prior to 1Peter4:17 activating as Daniel 8:13-14 has also been exposed in preliminary description in the process of analyzing
The Man of Lawlessness

the downward spiral of trends and statistics whose mathematical and logical epicenter is?

1976...

Since the Governing Body went into self-exalted sole supreme power, the JW organization has plummeted from all time spiritual and productive highs of the 1960s, to the all time lows of the 2010s, amidst mountains of lawlessness, scandal and controversy that has effectively stumbled more people than there ever has been Jehovah's witnesses;

We are talking about millions upon millions of stumbled humans here;

The Governing Body not only sleeps with the UN in spiritual fornications, claiming to be God's organization and a UN organ at the same time, they never do actually tell Jehovah's witnesses about it in the official main journals of Jehovah's Witnesses, everything must drift in from the web like a disturbing tangle of miry seaweed and GB UN prophylactics to those JWs happening on the official, but peripheral Bethel excuses and responses to the UN NGO debacle amidst the barrage of
2Peter2:1-3 reactions from opposers and everyday Joes the world over building their own blogs and websites with their own take on the UN NGO matter;

And thus millions have stumbled on this and other policies, alliances and attitudes emanating from the GB experiment gone terribly, horrible wrong; Now we Jehovah's witnesses are sharing in sins not just of anti-kingdom idolatries in many forms like the UN NGO and GB cult of worship, but of human beings stumbled, in danger of losing life, BLOODGUILT in the millions with this rogue and brazen cabal called the "Governing Body", capitalization theirs'.

Does it end there? No.

The Governing Body is also dragging genuinely deceived JWs into sins against the anointed of God, which is as good as sinning against Christ and God themselves; The Governing Body masquerades as "anointed", not "professing anointed" but certain anointed, when in fact their anointing is of wormwood star prophecy as the "evil slave" - because what anointed in their right mind would be dragging themselves
The Man of Lawlessness

and every JW on earth to a potential Gehenna level judgment like this?

These men are not anointed, and have had zero anointed insight, but the opposite, Satanic guidance since 1976 manifested evidence climaxed in 1991 UN NGO treason and blasphemy, and onto a long list of other purposeful crimes of lawlessness;

And that is why no anointed insight or valid prophetic commentary will ever come from JWs until the Governing Body is removed from unauthorized fraudulent oversight of actually the “man of lawlessness” network they are directing;

3. Gradual Comprehensive Lawlessness

Notes: (Daniel 8:9-14) . . .And out of one of them there came forth another horn, a small one, and it kept getting very much greater toward the south and toward the sunrising and toward the Decoration. 10 And it kept getting greater all the way to the army of the heavens, so that it caused some of the army and some of the stars to fall to the earth, and it went trampling them down. 11 And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down. 12 And an army itself was gradually given over, together with the constant [feature], because of transgression;
and it kept throwing truth to the earth, and it acted and had success. 13 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

(Daniel 11:30-32) . . . “And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature]. “And they will certainly put in place the disgusting thing that is causing desolation. 32 “And those who are acting wickedly against [the] covenant, he will lead into apostasy by means of smooth words. But as regards the people who are knowing their God, they will prevail and act effectively.

a. Activate
Final Temple Prophecy
Commencement

Notes: This is going to be the result: the temple judgment marked period (Dan8:14) for all things described here culminating later, these are details of the 1Peter4:17 final "house" judgment to
commence the whole temple cycle final temple completion phase after "man of lawlessness" and his "apostasy" are revealed as that exposure continues in Revelation 8 which contains this activation below in Daniel 8:13-14, in Revelation 8:2-5:

(Daniel 8:13-14) "...How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?"

14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.” (temple purification);

This is revealing now in Jehovah’s Witnesses “temple” in the primary form of the “Governing Body of Jehovah’s Witnesses”:

(2 Thessalonians 2:1-4) However, brothers, respecting the presence of our Lord Jesus Christ and our being gathered together to him, we request of YOU 2 not to be quickly shaken from YOUR reason nor to be excited either through an inspired expression or through a verbal message or through a letter as though from us, to the effect that the day of Jehovah is
The Man of Lawlessness

here. 3 Let no one seduce YOU in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called “god” or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god.

(Daniel 11:32) "And those who are acting wickedly against [the] covenant, he will lead into apostasy by means of smooth words. But as regards the people who are knowing their God, they will prevail and act effectively.

(Zechariah 3:1-3) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?” 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel.

(1 Peter 4:17) For it is the appointed time for
the judgment to start with the house of God. Now if it starts first with us, what will the end be of those who are not obedient to the good news of God?

(Malachi 3:1-4) “Look! I am sending my messenger, and he must clear up a way before me. And suddenly there will come to His temple the [true] Lord, whom YOU people are seeking, and the messenger of the covenant in whom YOU are delighting. Look! He will certainly come," Jehovah of armies has said. 2 "But who will be putting up with the day of his coming, and who will be the one standing when he appears? For he will be like the fire of a refiner and like the lye of laundrymen. 3 And he must sit as a refiner and cleanser of silver and must cleanse the sons of Le′vi; and he must clarify them like gold and like silver, and they will certainly become to Jehovah people presenting a gift offering in righteousness. 4 And the gift offering of Judah and of Jerusalem will actually be gratifying to Jehovah, as in the days of long ago and as in the years of antiquity.

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the
The Man of Lawlessness

particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?”

14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

b. Sin

c. Stumbling

d. Reproach

4. Repeating Principles

Notes: Man of Lawlessness 1.0 - (Christendom Clergy)

The root of the original "man of lawlessness" (Circa, 300 CE) in the Catholic papacy traditions, teachings and general anti-spirituality disguised in a mock system of "Christianity" simply echoed a hidden Babel system of the past to be revisited again in modern forms throughout those centuries;

In time the entire "Christendom" world system was based on that "man of lawlessness" spliced "DNA" of Babylon of olds "mystery religions" in many auto-mutating forms of spiritual "genetic" virus that ended up after 1919, aligned with the League of Nations initiatives henceforth,
The Man of Lawlessness

rather than the clearly manifesting
divine prophecy indicating the initial
manifestation of God's Messianic
Kingdom of Christ at that
simultaneous "temple foundation"
period of inspection and decision
leading to a required cleansing of
nominal Christian elements in
allegiance to systems other than
God's Sovereign Kingdom;

That principle of treason was
established;

That Messianic Kingdom
proclamation was being announced in
initial form in the 1914-1918
Messianic Kingdom birth exposition of
divine prophecy in fulfillment of
Daniel 12:7 (7:25; Rev11:2-3) to be
ascertained in far greater detail in
retrospective periods of continued
world developments leading to World
War 2 and the United Nations
manifestation of Revelation 17:8-11
sealing that final Revelation pattern
with a verified world event and
globalist entity affirming the whole
Revelation 13, 17 symbolic
"wildbeast" patterns;

That 1914-1918 phase of Kingdom
birth and progressive announcements
over time led to the temple
inspection/foundational verification
period of 1919-1922 in Daniel 12:11
(7:26) timed significance;

At that 1919 League of Nations
Daniel 12:11 fulfilling manifestation
of the "disgusting thing" fulfilling
Revelation 13:11-15, the clergy
system of Christendom had chosen
allegiance from various centers of
global authority to the globalist world
power system as the "expression of
God's Kingdom on earth" attributed
by the clerics in authorized council to
that globalist world forum of
progressive governmental
globalization;

The same allegiance of Christendom
and scattered factions of varying
awareness to the United Nations
system in 1945 was another
repeating treason principle of a system now fully in "Babylon the Great" well identified religions of falsehood "riding the wildbeast";

That United Nations "placement" was the second of four Biblical manifestations of the "disgusting thing" representing globalized world government in progression to completion in those (1.) 1919 League of Nations and (2.) 1945 United Nations manifestations of fulfilled prophecy of (1.) Revelation 13:11-15 (Dan12:11) as the League of Nations after World War 1 and as (2.) Revelation 17:8-11 as the United Nations after World War 2;

Modern Man of Lawlessness 2.0 Repeats UN Related Treason

Now we had the third of four manifestations of "disgusting thing" placement in Daniel 11:31b in a third world war of unique character and form of deployment (Daniel 11:29) in the Cold War conclusion and resolution manifesting as the United Nations in "New World Order" initiative in 1990;

Rather than note this prophetic certainty in a quadruple sequence of 1-2-3-4 leading to the final placement of the "disgusting thing" prior to Armageddon (Dan8:25; 11:45) in a clear trajectory in Daniel 11:31-45, now with this third UN related manifestation of 1990, Bethel and the Governing Body of Jehovah's Witnesses instead JOINS the United Nations;

The Governing Body and Bethel ministerial center became a co-promotional "non-governmental" organization in 1991 to team up with the globalist world power (King North symbol of 8th King), co-proclaim "New World Order" initiatives of the United Nations and misinform JWs and the world of this Daniel 11:30-32 sequence that the Governing Body now joined in fulfillment of by placing their own version of the "disgusting
The Man of Lawlessness

thing" at Bethel in 1991;

(Daniel 11:31b) . . ."And they
(Governing Body and UN/King North
globalists) will certainly put in place
the disgusting thing that is causing
desolation. (World placement, 1990;
UN NWO objective; Bethel
Placement, 1991, UN NGO
coplayers)

Thus an identifying feature of the old
"man of lawlessness" in the 1919
Christendom treasons against Christ's
Kingdom at Temple Foundational
inspection, is repeating in the modern
"man of lawlessness" Governing Body
"clerics", at Temple Completion
phase temple inspection criminal
activity commencing in 1990 treasons
against God's Kingdom in more
United Nations related globalist
affiliations, alliances and team
promotions now utilizing deceived
Jehovah's Witnesses in covert
fashion, and in subsequent plausible
deniability, to distribute globalist
United Nations "New World Order"
information officially allied but
coverly administered by the
Governing Body from 1991 to 2001,
worldwide;

Note: This means only actual holy
covenant members in Jehovah's
Christian Witnesses could be
applicable to Christian neutrality
requirements which the violation of
forms part of the basis of the
transgressions foretold in the
prophecy of Daniel 11:30-31;

This can only apply to Jehovah's
witness defectors:

(Daniel 11:30) . . ."And he (King North globalists) will actually go back and hurl denunciations against the holy covenant
and act effectively; and he will have to go back and will give consideration to those (JWs) leaving the holy covenant.

Which results in this infiltration as "arms" against the "holy covenant":

(Daniel 11:31a) . . .And there will be arms that will stand up, proceeding from him; and they will actually profane the
sanctuary, the fortress, and remove the constant [feature].

Which parallels this development as Daniel 11:40 activates in 1990 in a progressive dynamic of globalist King North
actions:

(Daniel 11:41a) . . . He (King North globalists) will also actually enter into the land of the Decoration, and there will be many [people] that will be made to stumble.

*New World Translation [lands] inserted word;

The Daniel 11:31a profanations parallel this prophecy in an unacceptable "constant feature" progressing to more severe "removal" in time soon:

(Daniel 8:11) . . . And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down.

And the infiltrations of Daniel 11:31a, 11:41a result in the compromise of the JW "army" partly serving globalist world government objectives of misinformation and promotions:

(Daniel 8:12) . . . And an (JW) army itself was gradually given over (subverted), together with the constant [feature], because of transgression; (UN NGO core sins) and it kept throwing truth to the earth (cover ups/misinformation), and it acted and had success. ("act effectively" Daniel 11:30);

More Repeating Principles

(Hosea 2:5) . . . For their mother has committed fornication.

And that is amidst an entire Jehovah's Witnesses "Israel" condition also repeating old Israel Bethel idolatry and blindness, deception and misled purposes as recorded in those judgments of God in 740 BCE (Assyria) on Israel/Bethel/Samaria, 607 BCE (Babylon) on Jerusalem, and 70 CE (Romans) on Jerusalem, now as the entire Kingdom and temple final prophetic series is also replicating - for related offenses against God;

The elements in Isaiah, Hosea, Micah, Joel and Amos pertaining to the Israel 740 BCE Assyrian judgment apply in repeating principles on the Bethel state of Jehovah's Witnesses today leading to the initial judgment of the temple purification context of 1Peter4:17 as Daniel 8:13-14;

Basically and in complex detail everything is repeating as we speak, but Jehovah's witnesses are in a state of oblivion to it all; It all applies to the past as far as we are concerned! Thus the Governing Body is "acting effectively" at fully blinding the "nation of Israel" in Jehovah's witnesses as thoroughly as the corrupted priesthood of 800 BCE in Israel, 700 BCE in Jerusalem and the corrupted Pharisees of 1BCE;

The "man of lawlessness" is currently subverting the "nation" of Jehovah's Witnesses, while JWs live in illusion and disregard any warnings of impending temple judgment, protecting the subverters throughout the congregational and organizational system with an inquisitional protocol, in the misled belief that our modern Pharisaic Governing Body is approved and upright in conduct, when they in fact never have been an approved priestly council, nor a Biblically divine entity from incept, and they are lawless in operations with greater purpose;

That is why this must come out now with proof from the Bible; to provide the 2Thessalonians2:1-3 pre-temple judgment requirements;
The Man of Lawlessness

And all that replication of principles, realities, Kingdom features, and temple features unto completion is described in full
detail in a prophetic final repeating cycle yet to fully activate in the near future;

That great repeating final prophetic continuum is fully based on the initial form of this prophetic Kingdom and temple
framework in the 1914-1918 and 1919-1922 patterns;

Soon this will repeat again, amidst an atmosphere of things already repeating towards this great prophetic replication as
Revelation 8-11 (Parallel Revelation 16) also repeats with Daniel 12 and elements of Daniel 7, 8, Revelation 12, 13 also
replicating as God's Kingdom and rival globalist 8th King world government also go into the final stage toward worldwide
completion;

[Note: Jehovah's Witnesses are unaware of this temple judgment period having to replicate in the temple completion
phase; JWs are setup to accept the temple desolation required for UN NGO transgressions as the "end of the world",
when it is actually the START of the final prophetic cycle catching JWs way off guard and in premature expectation of the
end;]

God's Kingdom and the 8th King globalist world government which the Governing Body is subverting knowledge of must
complete in parallel, concurrent, simultaneous foretold fashion also replicating principles in the 1914-1922 League of
Nations presentation after that first world war conflict that created the stage for that first human world government
placement in "image" form, not complete yet at that time;

And that guaranteed prophetic continuity is what the Governing Body of Jehovah's Witnesses has been diverting with
misinformation since 1990 extending a USSR "King North" error that cannot fulfill Daniel 11:36 as a continuous "King
North" entity all the way to Armageddon at Daniel 11:45;

Thus the easy to prove and establish Biblical continuum of four "disgusting thing" placements is severed at "placement" 2,
in 1945 as the United Nations, while it's 1990 third placement goes uncommented on and instead co-placed by the
Governing Body at Bethel and in official JW journals as UN NGO;

Derailing that 1G2G3G4 "disgusting thing" progressive expansion of "power and authority" to full world government at the
second "placement" is a serious disinformation campaign proving the Governing Body is in purposeful anti-Christian
actions to promote this illusion to JWs and the world to conceal the Biblical awareness that a fourth and final placement
will trigger Armageddon after a final developmental "world government" drive as Daniel 11:42-45 has yet to be fulfill by
King North 8th King globalists culminating Revelation 17:11-18 to full world government unifications of subservient
nations as per Revelation 16:12-18;

5. Prophetic Principle
Fulfilled Summary

E. MOL Methods

Notes: The ingenuity of this deception exists in the veryfineline
in which the duality of lawlessness operates; In order to extend
subversion operations a semblance of the divine ministry and a
limited intake of believers had to be maintained while at the
same time creating lawless conditions and stumbling, in time,
more people than are coming into the true Christian
congregation;

The gradual development over decades allows a very subtle
transformation of the Christian personality to be modeled upon
The Man of Lawlessness

the lead examples:

(2 Corinthians 11:12-15) . . .Now what I am doing I will still do, that I may cut off the pretext from those who are wanting a pretext for being found equal to us in the office of which they boast. 13 For such men are false apostles, deceitful workers, transforming themselves into apostles of Christ. 14 And no wonder, for Satan himself keeps transforming himself into an angel of light. 15 It is therefore nothing great if his ministers also keep transforming themselves into ministers of righteousness. But their end shall be according to their works.

Even the lead examples (Governing Body) had to undergo the developmental transformation noted in principle in the above, and the use of a "pretext" under which to hide this development while that transformation was taking place;

The "pretext" is the organizational assumptions, ritual traditions and procedures in which a duality can develop and has developed in ingenious fashion over time;

And this very development becomes one of the clues to Christians staying awake, and seeing through the pretexts now blinding Jehovah's witnesses in an illusion of past approval;

The gradual nature of the subversive transformations is prophetic:

(Daniel 8:12a) . . .an army itself was gradually given over, together with the constant [feature], because of transgression . . .

Covering up the modern fulfillments of Daniel 8:11-13 with impossible 1932 applied interpretations aids the illusion that nothing is wrong, but that too is no surprise for the "lawless one" now fully developing:

(Daniel 8:12b) . . .it kept throwing truth to the earth, and it acted and had success.

Obviously none of the oppositional forces against the Christian ministry in the 1930s or 1940s "had success"; They acted, but not with the sustained success of today's lawless developments in the Governing Body of Jehovah's Witnesses affecting the entire spiritual state of the Christian organization, ministry and priestly standing:

(Daniel 11:31) . . .they will actually profane the sanctuary, the fortress, and remove the constant [feature].

(Zechariah 3:1-3) . . .And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?” 3 Now as for Joshua, he
The Man of Lawlessness

happened to be clothed in befouled garments and standing before the angel.

And ow this Governing Body taint, in development since the arrogant seizure of power in 1976 has literally now affected "1/3" of the Jehovah's Witnesses ministerial development in actual time from 1914 to 2014 approximately 40 years in progressive lawlessness getting worse consistently:

(Revelation 8:12) . . .And the fourth angel blew his trumpet. And a third of the sun was smitten and a third of the moon and a third of the stars, in order that a third of them might be darkened and the day might not have illumination for a third of it, and the night likewise.

And those are the "lights" of the Jehovah's witnesses Revelation 8 "earth" communal and congregational system ministerial history now "1/3" profaned in spiritual "1/3" darkness.

And we have a lead "star" in those "lights" that is our Wormwood Governing Body and the symbolic results of gradual profanations of teachings with unjust and hypocritical slyly "smooth worded" policies:

(Revelation 8:10-11) . . .And the third angel blew his trumpet. And a great star burning as a lamp fell from heaven, and it fell upon a third of the rivers and upon the fountains of waters. 11 And the name of the star is called Wormwood. And a third of the waters turned into wormwood, and many of the men died from the waters, because these had been made bitter.

Which is all prophetic as Daniel 8:11-14 "transgressions" parallel Daniel 11:30-32 developments of "holy covenant" defector's compromise in Jehovah's Witnesses:

(Daniel 11:30-32) ...and he will have to go back and will give consideration to those leaving the holy covenant..."And those who are acting wickedly against [the] covenant, he will lead into apostasy by means of smooth words. . . .

Thus the real King of the North in 8th King globalists is who is aiding the Governing Body and vice versa for te pinnacle transgression together:

(Daniel 11:31) . . ."And they will certainly put in place the disgusting thing that is causing desolation.

Which was the UN NGO United Nations aiding co-proclamation (Awake! 9/8/1991) of the Governing Body promoting the "New World Order" initiative on the global scene with then President George Bush Sr., after the cold war in the 1990-1991 inception of that transgression;

Which is this "transgression causing desolation" obviously related
The Man of Lawlessness

to "the disgusting thing that is causing desolation" of Daniel 11:31b:

(Daniel 8:13-14) . . . And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?" 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition."

And that is the temple judgment unto temple purification yet to come soon upon Jehovah's Witnesses;

Therefore first of priority is a temple judgment prophecy prelude conditions:

(2 Thessalonians 2:3) . . . Let no one seduce YOU in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed. . .

That had to be permitted by God to have allowed demonic intelligence and mastery of deceivers to have accomplished this feat, from an incept "governing body" concept that is not Biblical and competes in an affront of authority with the anointed "body" of Christ members as the implied group after the apostles left the scene that would retain an actual spiritual relationship and legal authority from God, anointed as chosen vessels unknown to men for various works in the Christian final ministry;

The "Governing Body" actually has no such authority or anointing as the "mystery" of their lawlessness is revealed by God to allow the temple judgment prophecy to fulfill fully with the "man of lawlessness" as the primary target of removal from "in the temple" where the expertise of deception exists;

(2 Thessalonians 2:7-10) . . . True, the mystery of this lawlessness is already at work; but only till he who is right now acting as a restraint gets to be out of the way. 8 Then, indeed, the lawless one will be revealed, whom the Lord Jesus will do away with by the spirit of his mouth and bring to nothing by the manifestation of his presence. 9 But the lawless one’s presence is according to the operation of Satan with every powerful work and lying signs and portents 10 and with every unrighteous deception...

That principle and manifestation must repeat in the manner of the temple foundational inspection period from 1914-1922 also in the temple completion phase and final temple inspection prior to "delivery" and "acceptance" by God after a massive temple purification event, which also aids the verifiable and convincing nature guaranteed for a final ministerial work leading to the final 1260 days;

At this critical juncture, with the Governing Body squarely seated and lifted up "in the temple", adored and worshiped like Popes by many Jehovah's witnesses, and in a fully shrouded thick illusion of righteousness and divine authority aided by demonic angels and
The Man of Lawlessness

expert intelligence, God will also deploy His own angels to assist the removal of the deceivers, the deceptions and the spiritual profanations:

(Zechariah 3:4-5) ...Then he answered and said to those standing before him: "Remove the befouled garments from upon him." And he went on to say to him: "See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state." 5 At that I said: "Let them put a clean turban upon his head." And they proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by.

Thus the actually spiritually filthy "Governing Body" "turban" is also scrapped as aided by angels;

And yet the illusion is so complete, most Jehovah's witnesses would be simply "beside themselves" if they knew this to be divine truth from prophecy and from evidenced trends of lawlessness from Bethel and the Governing Body;

And yet that is reality, and why this is a shocking and unusual period of Jehovah's Witnesses history we are now in, as a masterful "lawless one" attempts to fully ruin and derail the final revelations of God through Christ and the Bible of the final temple cycle, the final Kingdom of God phase, and the completion of 8th King actual full bodied worldwide globalist governmental "scarlet wildbeast" - all at the same time!

(Isaiah 28:1-4) ...Woe to the eminent crown of the drunkards of Ephraim (Governing Body and Bethel "clerics"), and the fading blossom of its decoration of beauty that is upon the head of the fertile valley of those overpowered by wine! 2 Look! Jehovah has someone strong and vigorous. Like a thunderous storm of hail, a destructive storm, like a thunderous storm of powerful, flooding waters, he will certainly do a casting down to the earth with force. 3 With the feet the eminent crowns of the drunkards of Ephraim will be trampled down. 4 And the fading flower of its decoration of beauty that is upon the head of the fertile valley (Bethel) must become like the early fig before summer, that, when the seer sees it, while it is yet in his palm, he swallows it down.

(Isaiah 28:21) ...For Jehovah will rise up just as at Mount Perazim, he will be agitated just as in the low plain near Gibeon, that he may do his deed-his deed is strange-and that he may work his work-his work is unusual.

1. Governing Body
Main Role Model of Lawlessness
Notes: The Governing Body itself is the main idolatrous organizational distraction stealing sanctification for itself from God; (Zech5:1-4); That strange feat of idolatrous development was founded in the January 1, 1976 Governing Body power coup of that time upon scriptural contrived plausibilities of Acts 15:1-33; (Isaiah 28; Hosea, whole book, ch. 1-14)

The Governing Body speaks more by implied communications, deed and example than by direct word in certain developmental manifestations of lawlessness, that end up influencing certain other men seeking power in the JW org, and gives them the same "holy man" "doing God's will" veneer to hide that ambition under; (1Cor15:33-34; Cor11:13-15; 2Pet2:1-3);

I note that most Jehovah's witnesses are in a state of terminal misled deception with a purposeful enemy infiltration operating to use this JW temple condition mindset for attempted climax destructive purposes amidst the final 8th King globalist world government developmental drive; (Daniel 11:30-34; 8:11-14);

It is a masterful demon aided deception permitted by God on by and large fooled JWs;

JWs are influenced in varying degrees by the implied Governing Body collective "personality" that has developed in time into a figurative "person", a personified "body" of terminal pride and arrogance, disdainful unapologetic lack of remorse, infallible self righteousness and presumed approval of God developing into a competitive Bethel idol as the implied "head" of the anointed congregation in opposition to Christ by it's fundamental definition as "governing" "body";

It is a subtle, but ominous defiance in
it's very existence as a body in addition to te "body of Christ" acting as "lord" of the all anointed "body of Christ";

This idolatry and puffed-up "lord it over" personality type the Governing Body implicitly and explicitly perpetually suggests and projects by self-exalted example, creating the largest celebrity neo-papacy of modern-day pomp and personality and remote-control, exalted aloof detachment, and reproachful fame - infamy - to affect an organized Christian titled religion since the Catholic Popes of the Catholic Church, is the main role model to "those taking the lead" and thus affects all Christians in this subtle corruptive power;

And by that, the self-justified reproaches affect all mankind subject to impartial exposure to Governing Body and increasingly JW "antics"; (2Pet2:1-3);

The Governing Body also wields it's own scalable authority from Bethel to congregational level "Inquisitions" as well, quickly implemented in the early 1980s right after the assumption of supreme JW Governing Body power (1/1/1976) to ultimately protect against the "lawless one" being exposed in connection to prophecy by use of influenced and misled "neo-Jesuit"-like elder bodies as sub-governing-body robotic filters of any dissension;

This is accomplished under veneers of plausibility claiming other goals in the congregational spiritual interest;

Except the actual apostate center is the Governing Body itself using illusion and self-righteousness to further seat and protect it's own lawless operations;

Thus the Governing Body and subsequent organizational veneer of "spiritual concern and responsibility", shiny mock super-piety, distinctive
garb in dress and grooming codes and fine suits and plenty of illusion aiding pretty pictures, with plenty of divine claims, is all a hollow yet effective front and pretext to distract from a far louder and uglier actual "spirituality" that emanates from this spiritual carcass called the Governing Body;

A carcass the WHOLE WORLD is smelling, while JWs have perfume and spiritual "potpourri" pumped through the Kingdom and assembly hall "air conditioning" conduits straight from rosy Bethel;

It is all an act intended to create this one effect in JWs and on JWs and a wholly other effect, an evil duality, upon the world's general perception of GB criminal hypocrisies, rehearsed hubris and infectious self-righteous hyper-holiness; (2Pet2:1-3);

At the same time the Governing Body wants no critical exposure in the final temple completion cycle's CONNECTION of them to the final REVEALED "man of lawlessness" PREREQUISITE requirement of exposure in prophecy AND ACTUAL BETHEL DEVELOPMENTS prior to the full activation of the final temple and kingdom cycle of GUARANTEED prophecy;

Connecting The Governing Body to "Man of Lawlessness" Modern Prophecy

This gradual but terminal corruption in the Governing Body cascading spiritual leaven infection into many Jehovah's Witnesses Christians and congregations beyond this center of criminality at Bethel is not accidental or an oversight;

It is planned and it is SIGNAL prophecy fulfilling LIVE AND REAL-TIME in this corrupted "Governing Body";

Many people in general and believers in specific are stumbled and
damaged spiritually seeing the obvious worldwide lawlessness in the Governing Body's actions and policies and it's organization-wide "wormwood" effects of injustice;

The KEY PROBLEM is, many are not CONNECTING the whole entire lawless development to the Bible signal modern "man of lawlessness" (MOL) required final "in the temple" revelation (2Thess2:3) and the inevitable worldwide chain reaction (Dan8:13-14 is Rev8:1-13 sequence) this will trigger in prophecy activating in truly universal proportions once this really gets rolling (Rev8-11) in full divine temple judgment amidst Bethel desolations in unknown manner and severity for now, but all setup and aided internally by these GB moles;

BUT NOW THE CONNECTION OF THE GOVERNING BODY AND THE MAN OF LAWLESSNESS IS UNDENIABLY BEING MADE;

In other words this is a dead serious development, significantly prophetic and actually faith strengthening for it marks a commencement stage and a continuum of prophecy in the nearing arrival of full Kingdom power and reverses the stumbling effects of the Governing Body MOL with this awareness of inescapable temple judgment truth, into stronger faith and standing firm effects of waiting patiently for God to extricate these smoothly presented and spoken spiritual parasites and predators from the temple permanently; (Isaiah 66:6)

But it will be amidst a Bethel upheaval foretold and signaled by this very "man of lawlessness" in modern development, operations and exposure; (1Tim5:24-25);

We know now, the Governing Body of Lawlessness is SUPPOSED to hurt and stumble people while betraying
Jehovah's Witnesses - it is ALL prophetic as the cross hairs of God affix to the Governing Body "head";

The Governing Body wants to establish this duality and walk it's fine line as long as possible: a Dr. Jekyll Pope "good guy" for JWs, and a Mr. Hyde Judas spiritual psychopath criminality for the world; two billion people on the web alone, watching the Governing Body personality of reproach proliferate it's "bad news" in this purposeful and well engineered for-now-disconnected "man of lawlessness" production - developing both views, at the same time, while avoiding clear "man of lawlessness" connections to required prophecy and that prophetic connection to the final prophetic temple cycle it will signal and begin in time soon;

This purposeful "man of lawlessness" wants to be seen as "lawlessness" and hypocrisy to many, but not to be connectible in identity to the very real "evil slave" (Matt24:48-51), "befouled garments" (Zech3:1-3) and "lawless one" "son of destruction" (2Thess2:3-4) the Governing Body actually is, as well as how those prophecies lead to temple judgment (Dan8:14; Rev8) to temple purification (Zech3:4-5) to approved final worldwide ministry (Rev10-11) in temple recovery (Zech3:6-7) unto temple completion (Rev11:7-19) and Armageddon; (Rev19:11-21);

It took time for the "lawless one" evidence to mount in unmistakable alliances, trends and statistics of JW productive decline over roughly 20 years since 1990 key operations went into full GB MOL control; And that first developmental period from 1976 to 1990 was amidst an illusion already setup in us Jehovah's Witnesses even accepting the falsehood that Acts 15:1-33 ever contained a "governing body", as none is even mentioned in direct terms, or an elevated spiritual
divinely appointed authority as a supreme council, as the apostles were the only council of that sort in a clearly divinely mandated group; (Why have two????)

So we JWs were duped, by duping ourselves from incept in ignorance of the eventuality of this decision and theological teaching, even prior to the MOL seizure of January 1, 1976; There is no "governing body" named or implied in Acts 15, Revelation 2-3 or the Bible, period, it was merely plausible and, in hindsight, a horrible experiment in pretextual group authority gone terribly terribly wrong;

The twelve apostles were (are, Revelation 21:14) the divine human group appointed by Christ, unto the anointed congregation by extension (Rev7:1-8; Rev14:1) next, both of which a "governing body" fiction of non-existent divine authority would diametrically oppose in the very spirit of its existence and self-appointed purpose as "head" of the "body of Christ" which ONLY Christ Jesus is ALONE;

(2 Thessalonians 2:4) . . .He is set in opposition and lifts himself up over everyone . . .

We know how the Governing Body is fundamentally, from incept, "set in opposition" to the actual "body of Christ" worldwide;

Thus this development of error in Jehovah's Witnesses will aid the "1/3" symbolic purifications and filtrations of Revelation 8:1-13 in principle concerning the "man of lawlessness" error here:

(2 Thessalonians 2:8) . . .Then, indeed, the lawless one will be revealed, whom the Lord Jesus will do away with by the spirit of his mouth and bring to nothing by the manifestation of his presence. (At temple judgment long before Armageddon; Rev8:1-13 manifestations of Daniel 8:13-14;
1 Peter 4:17)

(2 Thessalonians 2:9-12) But the lawless one’s presence is according to the operation of Satan with every powerful work and lying signs and portents 10 and with every unrighteous deception for those who are perishing, as a retribution because they did not accept the love of the truth that they might be saved. 11 So that is why God lets an operation of error go to them, that they may get to believing the lie, 12 in order that they all may be judged because they did not believe the truth but took pleasure in unrighteousness.

And that scripture, in temple completion phase fulfillment progressing to temple judgment, applies to specifically defected Jehovah’s Witnesses, but repentance will be available in temple judgment as per Revelation 8-9, to regroup in a divine recovery for the final ministry of Revelation 9-11 as all this is replicating a known JW cycle in major form, temple and Kingdom completion final mode of fulfillment;

The Governing Body MOL

In fact this connection of Governing Body and lawlessness "in the temple of the God" must manifest fully as a required exposure to be the prophetic catalyst for the prophetic temple judgment of truly prophetic proportions - in fact this marks the single largest continuity of guaranteed multi-prophetic, universally comprehensive fulfillment of signal globalist exposing prophecy and Kingdom/temple prophecy in all human history, this is the beginning of the final cycle; (Revelation 8-11 parallels Revelation 16 and includes features from temple inspection (Mal3:1-2; Zech3:1-3), judgment (Dan8:13-14), desolation, cleansing (Dan8:14; Zech3:4-5), recovery (Rev9) and recommission
The Man of Lawlessness

(Zech3:6-7; Rev10) to final ministerial warning (Rev11) Armageddon finality; (Rev11:15-18; 16:12-18; 19:19-21);

The Governing Body sinner "man of lawlessness" development signals this fact in rampant scandal and sins seen worldwide outside the "JW box", but does not want the connection to be made to the prophetic signal "man of lawlessness" actual prophecy in live and real-time fulfillment;

Subconsciously or consciously, explicit or implicit, this is the "personality" now influencing all Jehovah's witnesses in cascading top down fashion continually;

Thus the Governing Body as the now easily seen center of operations of the "man of lawlessness" in Jehovah's Witnesses worldwide ministry now, now "in the temple" is the most ominous sign of current modern times (2Thess2:1-4), regarding the divine final phase temple judgment (Dan8:14) to fall on Jehovah's Witnesses mostly unseen and unaware - truly like a "thief in the night" to most Jehovah's witnesses on the Governing Body sleeping pill;

This temple judgment whole cycle (Daniel 8:13-14) will precede terminal Armageddon developments by some years for preparatory final Kingdom and temple work;

It will be "tribulatory", but not the final "great tribulation" phase Jehovah's Witnesses are misled to think is manifesting;

a. Distraction from Truth

Notes: Now the Jehovah's Witnesses worldwide organization of human origination in development is aligning
itself in identification with the 144000 organization of divine origin; (John 1:11-13; 1John3:9-10; 1Peter1:22-25 Revelation 14), by Governing Body purposeful development of terminal idolatries and treasons promoted globally through that former human organization now reproaching the latter divine reality in completion trajectory of all 144000;

Plainly put, the worldwide organization of Jehovah's Witnesses physical infrastructure and corrupted administrations are not of permanent durability, and in positive or negative manifestations, in any event, is replaced by the Kingdom of Jehovah Almighty God's Messianic Kingdom of Jesus Christ sovereign universal agency with Jesus Christ as appointed and anointed Divine King over a 144000 Kingdom body;

That Kingdom and temple 144000 completion truth reality of God's immortal organization of eternal spirit power is currently distracted away from towards the earthly Jehovah's Witnesses organization personalities, administrations, traditions, mundane super-structure and compromised "legal
This is carried out by a non-anointed, fraudulent "Governing Body" through a stagnated "never completing" air of perpetual illusion which places focus on organizational systems in an earthly, imperfect and perishable form by use of JW media, pictures, graphics and associated written and recorded accolades from the "man of lawlessness" to utilize the former divine approved use of this ministry to conceal it's truly lawless and idolatrous proportions of today;

And from that core compromise against God's anointing and holy spirit anointed children through Jesus Christ's sacrificially empowered adoption to spiritual rebirth, the entire Jehovah's witnesses ministry and congregational network worldwide is being led into similar, but unknowing, sins against God, and Christ, and God's truth in the Holy Bible by a Governing Body fully in complete awareness of the criminal spiritual operations they are undertaking knowingly and purposely to gradually undermine the whole truth and attempt to subvert and ruin the whole JW Christian ministry approaching a transition into it's final
The Man of Lawlessness

phase;

Obviously God is not going to permit this to be fully successful, nor will He tolerate it beyond His own appointed times of permission to fulfill signal prophecy; (2Thess2:1-4; Zech3:1-3 activating 1Pet4:17 as Dan8:13-14 in due time);

2. Progressive Development and Setup

Notes: Scripturally a clue of this "lawless one" development is gradual subversion of a target "army" to the control of the external globalist 8th King "small horn" at an apex developmental cycle of Daniel 8:11-25:

(Daniel 8:11-12) . . . And all the way to the Prince of the army it (globalist 8th King powers) put on great airs, and from him the constant [feature] was taken away (profaned "sacrifices" as per Daniel 11:31), and the established place of his sanctuary was thrown down. (comprehensive profanation of Daniel 11:31) 12 And an (JW) army itself was gradually given over (to UN promotions), together with the constant [feature] (in which UN promotions appeared Awake! 9/8/1991 for ten years), because of transgression (UN NGO); and it kept throwing truth to the earth (cover up and misinformation concerning Daniel 8 and 11), and it acted and had success. ("act effectively Daniel 11:30b);

That is a "gradually given over" meaning of a subversion resulting in internally applied temple profanations permitted by God "because of transgression" of the UN NGO
alliances and scandals and the eventual climax “transgression causing desolation” as JWs are adjoined to the United Nations global network of organizations which will require a temple desolation:

(Daniel 8:13) . . .And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation (UN NGO "disgusting thing"), to make both [the] holy place (temple "established place" Bethel system) and [the] army (JW) things to trample on?” (in Revelation 8:1-13 desolation judgments)

Which will result in the future in the temple purification with a timed prophetic period of darkness and enlightened recovery for JW future reference as the Governing Body is deposed of subversive and ministerial power; (Zech3:4-5):

(Daniel 8:14) . . .So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

And that temple desolation the traitorous Governing Body wants to make look like the final cycle of Daniel 11:44-45, when in actuality it is the beginning of the final Kingdom and temple cycle parallel with 8th King culminations at Daniel 11:42-43 that accelerates the national sovereign deposition of power unto globalist 8th King world sovereignty at Revelation 17:11-17;

This power dynamic of world wealth control by globalist 8th King:

(Daniel 11:42-43) . . .And he will keep thrusting out his hand against the lands; and as regards the land of Egypt, she will not prove to be an escapee. 43 And he will actually rule
The Man of Lawlessness

over the hidden treasures of the gold and the silver and over all the desirable things of Egypt...

Could not have been fulfilled by a bankrupted USSR failure; It is yet to come leading to and paralleling this:

(Revelation 17:12-18) . . . "And the ten horns that you saw mean ten (national powers) kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the (globalist 8th King) wild beast. 13 These (national powers) have one thought (to preserve sovereignty), and so they give their (national powers) power and authority to the (globalist 8th King) wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him (will do so)." 15 And he says to me: "The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns (national powers) that you saw, and the (globalist 8th King) wild beast, these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire. 17 For God put [it] into their hearts (collective action) to carry out his thought (Revelation 16:12 judgment), even to carry out [their] one thought by giving their (national powers) kingdom to the (globalist 8th King) wild beast, until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth."

And that "these will hate the harlot" and "battle with the Lamb" places that above progression to full globalist 8th King world sovereignty here:

(Revelation 16:12-16)
The Man of Lawlessness

(parallel Revelation 17:15-16): 16:12 And the sixth one poured out his bowl upon the great river Euphrates (Babylon the Great "security"), and its water was dried up (defenseless state), that the way might be prepared for the kings from the rising of the sun.

(parallel Revelation 17:12-13,17): 16:13 And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the (globalist 8th King) wild beast and out of the mouth of the (globalist) false prophet. 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire inhabited earth, to gather them (into globalist 8th King climax unification) together to the war of the great day of God the Almighty.

(parallel Revelation 17:14): 15 “Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness.” (parallel Revelation 17:17): 16 And they gathered them together to the place that is called in Hebrew Har-Magedon.

This places the Babylon the Great deposition of sovereignty (Rev17:15-16, 18) "make her devastated and naked" "will completely burn her with fire" and "wealth transfer" of resources "will eat up her fleshy parts" to globalist 8th King power at the Revelation 16:12-18 cycle to aid full globalist 8th King unification all in the 6th Plague of Revelation;

That leads to the prelude to 7th plague activation: "These will battle with the Lamb" (17:14) and "Look! I am coming as a thief" (16:15) with the appearance of Christ and full kingdom power at Revelation 16:17-18 (Rev11:15-19) unto Armageddon;
The Man of Lawlessness

That entire phase the Governing Body is attempting to bypass in JW awareness to set-up premature expectations for "Armageddon" "end" that is actually the temple judgment cycle beginning;

The Governing Body, by misinformationalizing Daniel 8:11-26 and 11:27-45 with erred World War 2 era interpretations that cannot apply at that time or to those era's national scale entities, is aiding the cover up of critical 8th King (King North) world developments in continuum of prophecy to the final developmental drive of the 8th King to full world government and unto God's parallel Kingdom completion unto Armageddon in a prophetically gauged "timeline";

Therefore breaking the prophetic continuity for a premature end scenario misinformation campaign upon JWs, squelches important information by Governing Body subversion operations for "truth thrown to the earth" (Dan8:12b) results to aid their home system globalist 8th King developers needed period of secrecy in connection to Bible prophecy and worldwide distributed information explaining these prophecies and their connection to further Daniel and Revelation meanings;

Thus critical globalist apex era (1990 forward) 8th King development is not applied to the actual prophecies tracking 8th King intrigues live and real-time as Daniel 11:27-45; 8:11-25 is doing, especially since 1990 key developments marked by UN activities with internal intelligence agency "Governing Body" and Watchtower Society aided world promotions of that UN placement in 1990-1991 while silencing the actual meaning of these developments;

In the period of "as the transgressors act to a completion" which collectively refers to the temple transgressors and the "small horn" globalists in Daniel 8:23, Jehovah's Witnesses will be effectively setup for an "armageddon end" hoax aided by premature expectations when in fact the final developmental cycle is gearing up to roll us over;

The globalist ops in the Governing Body and external planners will have also truncated the climax actual 8th King "world government" meaning in the totality of the "scarlet wildbeast" (Rev17:11-17) and the "dreadful image" of the metallic man in Daniel 2:31-45 as merely the United Nations "image" as the climax development - when in fact full world government is what the 8th King will become, not merely the United Nations forum "image" but what that image ultimately represents in by then an actual full bodied "scarlet wildbeast";

And that final actual full world government developmental global drive requires more time and prophecy as God's Kingdom also requires more time and prophecy for BOTH to complete at virtually the same time, for battle at the same place in globalized Armageddon warfare with the Kingdom of Christ;

The Governing Body wants to stifle the understanding of that parallel diametric "world government" dual developmental climax period in concurrent completion drives simultaneously in irreversible trajectory to converge, logically, in full head on battle at Armageddon to settle the sovereign rulership of planet Earth issue permanently upon the bones and ashes of the 8th King as the defiant globalist elite system is fed to the jackals of the field and the fowls of heaven;

(Ezekiel 39:17-21) "And as regards you, O son of man, this is what the Sovereign Lord Jehovah has said, 'Say to the birds of every sort of wing and to all the wild beasts of the field: 'Collect yourselves together and come. Gather yourselves together all around to my sacrifice, which I am sacrificing for you, a great sacrifice on the mountains of Israel. And you will certainly eat flesh and drink blood. 18 The flesh of mighty ones you will eat, and the blood of the chieftains of the earth you will drink, rams, young male sheep, and he-goats, young bulls, the fatlings of Bashan all of them. 19 And you will be certain to eat fat to satisfaction and to drink blood to drunkenness, from my sacrifice that I will sacrifice for you.'" 20 "And you must get satisfied at my table on horses and charioteers, mighty persons and all sorts of warriors," is the utterance of the Sovereign Lord Jehovah. 21"And I will set my glory among the nations; and all the nations will have to see my judgment that I have executed and my hand that I have placed among them.

(Revelation 19:17-21) I saw also an angel standing in the sun, and he cried out with a loud voice and said
to all the birds that fly in midheaven: “Come here, be gathered together to the great evening meal of God, 18 that you may eat the fleshy parts of kings and the fleshy parts of military commanders and the fleshy parts of strong men and the fleshy parts of horses and of those seated upon them, and the fleshy parts of all, of freemen as well as of slaves and of small ones and great.” 19 And I saw the wild beast and the kings of the earth and their armies gathered together to wage the war with the one seated on the horse and with his army. 20 And the wild beast was caught, and along with it the false prophet that performed in front of it the signs with which he misled those who received the mark of the wild beast and those who render worship to its image. While still alive, they both were hurled into the fiery lake that burns with sulphur. 21 But the rest were killed off with the long sword of the one seated on the horse, which [sword] proceeded out of his mouth. And all the birds were filled from the fleshy parts of them.

a. Gradual Development

Notes: What is really at work, as outlined in key details in prophecy as covered in this report, is a pre-positioning in the Jehovah’s Witnesses core organizational top level Bethel administrations that led to the further formation of the 1976 Governing Body corporate spiritual coup, after valid truthful well intentioned individual spiritual development of Charles Russell, Joseph Rutherford, Nathan Knorr and Frederick Franz had basically
completed the work up to that time for such a takeover to be opportunely advantageous and deployed at a key period of organizational complete logistical functioning;

We do not know how long this initial positioning was implemented by purposeful undercovers in Jehovah's witnesses, but this development has to occur after the 1919-1922, 1922 removal of Christendom religions from aspects of "holy covenant" membership no longer valid after the initial temple foundation cycle of that time also cleansed out globalist allied "League of Nations" serving Christendom trying to make an appearance of serving God's Kingdom while engaged in alliances with human world government forming kingdoms simultaneously;

Of course no one fools God, as the Governing Body is also up to the same trick;

This means this scripture can begin fulfilling in initial form after 1922 anytime - for now unknown to us - but not before 1922 in context of the eventual developments this "give consideration to those leaving the holy covenant" led to in United Nations NGO partnerships, since now
this "holy covenant" had to be among Jehovah's Christian Witnesses NOT Christendom at this time:

(Daniel 11:30) . . .And he (King North globalists) will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant.

It is unknown exactly when the Christians in the International Bible Students were being infiltrated for this subversive operation in Daniel 11:30, or if it developed in the time of the transition to the "Jehovah's Witnesses" identity in the 1930s;

In any event by the 1970s, 1976 was a good time for a pre-positioned parasitic factional "Governing Body" cabal to now jump into the completed JW organizational fully functional controls even more fully then to invent a central command, "supreme council" of a self-glorified "board of directors" that never did actually exist in Bethel or the Bible (Acts15:1-33) as a "Governing Body" in any Christian history;

From this the undercovers basically
operate a factional control at that time, to progressively full control infiltration over time and covert to slowly, very smoothly (Dan11:32), slowly and subtly enact policies and make alliances from Bethel "central command" that would eventually spiritually bankrupt JWs in progressive steady fashion with key events of greater magnitudes peppered in covertly or by force unto the final operation from 1976 to 2010 approximation still active today unto the REAL temple clean-out; (Dan8:14; Rev8:1-13; Zech3:4-5);

And thus the 1976 "Governing Body" central cabal, resisted vehemently by Frederick Franz, Nathan Knorr and others for now obvious reasons, went into vampiric "by night" control in apparently factional form, and immediately installed an anti-man-of-lawlessness-exposing Inquisition to minimize the chances that deep Bible study, in light of current events, inciting open discussion would form;

This all went into place instantly after the 1976 corporate seizure of spiritual authority by these Governing Body spiritual vamps, led by globalist fed "insiders" like "Henschel and Schroeder" in

Hence we never heard
another word from
Fred Franz;

In fact no prophetic
fulfillment connection,
whatsoever, to Daniel
11:30-31 was
discussed by the Governing Body, then, after, now, or ever; (God will make this known upon the notoriety of the Governing Body expulsion amidst a massive temple intrigue soon, but taking a timed period to complete the purification; Dan8:13-14; Zech3:4)

And this 1980 incept Governing Body designed Bethel "inquisition", soon to spread out to the "neo-jesuit" elder body aided the silencing of any Daniel 11:27-45 discussion of now obvious globalist 8th King fulfillments as "King of the North" from any dispersed Christians with insight of the significance of the 1990 United Nations "placement" as a third "disgusting thing" manifestation fulfilling a key event of a prophetic continuum to Armageddon, now broken in awareness by the Governing Body applied coma of spiritual non-development for 8th King purposes;

And so the United Nations placed a third time in Bible prophecy at Daniel 11:31b in 1990 as the "disgusting thing" after a Cold World War 3 (Dan11:29) implied "cool" victory over the USSR, with zero anointed JW comment in print officially, no big
The Man of Lawlessness

deal, it's just Bible prophecy in a continuum unto Armageddon fulfilling live and real-time ever since then, 1..2..3.. and soon 4...;

No biggie!

Instead the Governing Body traitors with UN purpose went on a allied supporting United Nations 3.0 "New World Order" co-proclamation worldwide campaign of their own, at this critical diversion from actual prophecy being made known to JWs;

The UN NGO Governing Body campaigned from Bethel for 10 covert years in secretive United Nations liaisons and covert fashion as the Bethel "supreme parliament" of the "non governmental organization" of Jehovah's Witnesses Christian "nation" now joining the UN and prostituting UN articles "door to door" starting with the Awake! 9/8/1991 United Nations issue;

(This is the JW "army given over" in Daniel 8:12a to globalist control, and the Daniel 8:12b Governing Body cover up "throwing truth to the earth");

And these UN NGO JW unaware and misled "escort services" continued in this fashion for 10 more years to bust a reluctant scandalous UN NGO "press release" at the convenient World Trade Center 911 event timing for world exposure in October, 2001, of the whole sordid UN NGO debacle - while never mentioning the scandal officially to JWs in any way shape or form in official JW journals; or it's prophetic implications.

The sheer magnitude and dubious tapestry of convenient intrigues is just astounding, and still? IGNORED; There is no way all this is simply random occurrence and oversight;

The 1976 initial operations fulfilling Daniel 11:30-32 and Daniel 8:11-13 in initial manifestation of "man of lawlessness" Governing Body gradual "army given over" apostate development (Dan8:12), connected to 8th King globalist interests now paid off in one bold development (UN NGO) like no other and continues on to more globalist activities positioned for "timed release" globalist use from within Bethel and it's Parliament Governing Body and Watchtower Society mole nests;

Expect more intrigue from the GB MOL;

The Total Illusion that Fooled Us All

Now, operating full blown but still hiding under the veneer of anonymity, while taking credit for all the work in CEO celebrity "faithful and discreet slave" fashion, the "evil slave" Governing Body merely plagiarizes and shuffles the past works of Fred Franz over and over, edits and wordsmiths them with aid of talented but misled "other sheep" "Governing Body aids" and other "insiders", and proffers the erred past Daniel 8 and 11 now cover-up smokescreen interpretations as if none of these United Nations 1990 3rd placement Bible and world "disgusting thing" proclamation events ever happened;

Thus the Governing Body moles are maintaining the further goals of the operation for a now a setup of Jehovah's witnesses for an obvious final "coup de grace" against the "temple" while seated and operating "in the temple" as it's "supreme council" and leadership - while using that parrot commentary of an irrelevant USSR "King North" past to smokescreen JWs now and seed a premature end mindset to take advantge of later - very soon;

We JWs are in far worse trouble then we are realizing here; It is not a completed operation yet as well...(Daniel 8:23);

The Ominous Parallel of Daniel 11:30-32 Intrigues to Daniel 8:11-14 Temple Transgression

Page 164
Now as the Governing Body transgressions of UN NGO fornecions of Daniel 11:30-31 climax UN NGO of 1991 are actually paralleling in time and significant nature with the Daniel 8:11-13 foretold transgressions and events of temple judgment "transgression causing desolation" (parallel Zechariah 3:1-3 "befouled garments", at temple inspection) and the required gradual infiltrative positioning and takeover of the JW ministry for "small horn" (8th King) globalist purposes for decades (Daniel 8:12a), we see why the 2Thessalonians 2:3-4 "man of lawlessness" and "apostasy" manifestations prerequisite revelations definitely signal an impending modern temple judgment and temple cleansing event of JW monumental worldwide proportions (Revelation 8:1-13) developing unbeknownst to JW proper worldwide divinely targeting the Governing Body and supporting frauds "in the JW temple";

It's adding up to one doozy of a coup-de-grace attempt on the JW worldwide org and ministry;

Most Jehovah's Witnesses haven't the slightest idea what is really transpiring and being setup, distracted by every sort of error, minutia and organizational time and mind swallowing quagmire known to JW org man, focused in robot mode on a door to door ministry now "1/3" error regarding globalist prophetic reality; (Rev8:10-12);

And now the Governing Body cabal is mentally positioning Jehovah's Witnesses for an "it could end any day now" attitude of premature over simplified fiction, rigid in past error aiding this cover-up;

And now the globalists can spring a final world cycle (Daniel 11:42-43) planned for years of climax development and JWs will think it is "Armageddon!!" until it becomes obvious something is not right as a year rolls by then two, and that delay also aids 8th King objectives - hence the set up of the JW bowling pins is ingenious we must admit;

But We Have the Required Thumbs Up Signal for Temple Judgment

The Governing Body are "set in opposition" (2Thess3:4) to the truth they resist (Dan8:12b) completely contrary to the fact they themselves as "lawless one" signal an entire foretold and logical final phase of prophecy over years of fulfillment;

(2 Thessalonians 2:3) [temple judgment] will not come unless the apostasy comes first and the man of lawlessness gets revealed...

The Governing Body fulfills that scripture in modern final form;

What is actually coming with temple judgment is the final globalist 8th King world overdrive phase of completion laid out in an entire framework of replicating prophetic sovereign prophecy beginning it's final phase of completion as shown in the Bible as both God's Kingdom and the 8th King develop to concurrent climax completion to Armageddon, while fulfilling further live and real-time from this initiating "man of lawlessness" "temple judgment" connection to Kingdom completion final prophecy;

One More Time: But JWs are expecting a "great tribulation" to "break out" next!!??!!;

What the Governing Body is doing is laying a "kill shot" trap to make the final 8th King world drive of development and world war preluding intrigues look like terminal phase "great tribulation" unto an Armageddon scenario to waylay JWs in total confusion and derail this final understanding as long as possible;

In fact this is the temple judgment beginning of the "tribulation of those days" cycle coming up, not the terminal end "great tribulation" unto Armageddon years later after much required prophecy fulfills, including the deposition and expulsion of the Governing Body and full "man of lawlessness" network burrowed in at Bethel worldwide removed by divine means foretold; (Zech3:4-5; Hos1:4-7);

The Governing Body wants to use mutually known and co-planned 8th King globalist and GB engineered attacks and seizures on the JW organization, in many possible ways worldwide, to manifest during the next globalist world developments towards the final "disgusting thing" stand years later (Dan11:44-45; 8:25), to make the whole hoax look like an attack on "God's organization" and "God's holy men", and it's "the end of the world";

But this coming up is not actually that JW expected and GB fed illusionally contrived scenario.
They full well know it is a temple judgment (Dan8:13-14) due to the UN NGO transgressions (Dan11:30-31) and lawless apostasy (2Thess2:3; Dan11:32) they developed with globalist 8th King assistance and origination to open this opportunity for a JW organizational "coup de grace" like no other - and it is all foretold and fulfills prophecy;

In time this scenario of deceit fulfilling critical signal prophecy will be used against the originators of it for a final world ministry exposing this feature first, as "man of lawlessness" revealed and fully described as per prophecy and real modern events and developments begins the cycle that began the bigger temple cycle that had to start with the JW house; (1Peter4:17; Mal3:1-4)

That is why the Governing Body promotes spiritual catatonics and purposeful stagnation, to extend this illusion as if nothing is wrong all the way into the globalist coming "game day" world shaking events to take advantage of the divine judgment against Bethel, and the misled JW mindset expecting a premature end, giving the 8th King a head start on JWs and the world to proceed with no Biblical exposure as to true significance of all this;

They can wobble and confuse JWs as shown in Daniel 8:13-14 and Revelation 8-9 for years of this confusion (Dan8:14), and no one will be able to explain this is a trajectory to irreversible Armageddon that the forming apex "New World Order" UN 4.0 is heading the world to, while JWs will be stunned, amazed and temple-judged wondering what the heck is really going on? Where is God? Where is Christ and 100 billion angels and the Messianic Kingdom? What's going on!

Well that is ALL coming, with a required completed Kingdom as well, with all 144000 blazing mad "sons of God" ready to settle Sovereignty once and for all with Christ and God and billions of angels (Joel3:9-17) when the "New World Order" 8th King completes his final world governmental consolidations and the final fourth placement of the "disgusting thing" as per Daniel 8:23-25, 11:44-45 and Daniel 12:11 as fourth United Nations in 4.0 world government mode finale;

It cannot happen until all that completes - which is news to JWs now...

In spite of the best efforts of the globalist aligned Governing Body, the whole truth will come out, ironically fully aided in exposure power by their own matrix of intrigues to make it the most believable and convincing ministry of all time prior to and leading to the full Armageddon "war of the great day of God the Almighty" some years later, as exactly mapped and foretold from start to finish in the Word of God, the Bible;

That "Prophecy Map to Armageddon" the Governing Body is trying to burn, but in time the flames get turned on them by God and Christ; (2Thess2:8; Zech3:2); 'Touche'...

b. Duality and Plausibility

Notes: Even if we had a "God's chosen" council, humility and truthfulness would be the rule; Instead we have an air of arrogance covering up gross sins en masse in a self lifted "supreme council" now claiming to be "God's Chosen" in the face of God who
chooses His anointed ones, who are subject to discipline:

(Hebrews 12:4-8) . . .

In carrying on YOUR contest against that sin YOU have never yet resisted as far as blood, 5 but YOU have entirely forgotten the exhortation which addresses YOU as sons: “My son, do not belittle [the] discipline from Jehovah, neither give out when you are corrected by him; 6 for whom Jehovah loves he disciplines; in fact, he scourges every one whom he receives as a son.” 7 It is for discipline YOU are enduring. God is dealing with YOU as with sons. For what son is he that a father does not discipline? 8 But if YOU are without the discipline of which all have become partakers, YOU are really illegitimate children, and not sons.

The very undisciplined brazenness of the Governing Body to declare themselves alone the pre-approved “faithful and discreet slave” and to set up a congregational attitude that disparages genuine anointed is telling to the extreme, and so telling is it, it is hard to hear for many;

This rogue operation is so bold, brazen and in broad daylight in certain aspects of it's operations it is actually
The Man of Lawlessness

hard for some to see,
because it’s
implications are hard
for many to accept;
Yes, we have Satan
and the demons
embodied in the
Governing Body
(2Thess2:9; Zech3:1),
we need not beat
around the Bethel bush
about to burn;
(Zech3:2);

But when we see it is
an ominous signal of
Divine "ignition"
prophecy leading to
guaranteed temple
judgment which divine
law exercise, from
Christ, the Governing
Body will not be able to
transcend with their
own mythology:

(Isaiah 28:18-19) . .
And YOUR covenant
with Death will
certainly be dissolved,
and that vision of
YOURS with She’ol will
not stand. The
overflowing flash flood,
when it passes
through-YOU must also
become for it a
trampling place. 19 As
often as it passes
through, it will take
YOU men away,
because morning by
morning it will pass
through, during the day
and during the night;
and it must become
nothing but a reason
for quaking to make
[others] understand
what has been heard.”

Then the purpose even
now, for those
"understanding what
has been heard", is
that the Governing Body fulfillment of 2Thessalonians2:1-4 is a signal of far more serious days of justice to come first upon the Jehovah's Witnesses "house" (1Pet4:17 = Dan8:13-14), and ultimately is from God and Christ to build faith; (2Pet1:19-21);

By making this affirming DIRECT connection of Governing Body directed self-exalted hubris and purposeful compounding sin to the "man of lawlessness" "in the temple" in modern final temple phase fulfillment, then the entire objective of their sin and stumbling hidden campaigns is transformed into FAITH and guaranteed divine judgment igniting the entire final phase of Kingdom and temple prophecy all the way to Armageddon over years detailed in the prophecies to which 2Thessalonians2:3 MUST connect:

[temple judgment] "will not come unless the apostasy comes first", and it has in official tainted JW practice of prophetic error covering over 8th King developments, "and the man of lawlessness gets revealed", which is exposed in the Governing Body record of sin and opposition to actual divine truth (Dan8:12b; 2Thess2:4) and prophecy fulfilling in marked 8th King
developmental fashion since 1990 - covered up by the Governing Body; (Dan11:30-32; 8:11-13);

Thus the final JW temple judgment - initiating the final cycle - can indeed come, because now the apostasy and core GB apostates are all revealed, all rolled into one rotten Bethel burrito "IN the temple", being fed as "spiritual food" to Jehovah's Witnesses but profaned as per prophecy in Daniel 11:30-31 and Revelation 8:10-11 prior to the full trumpet blast to develop simultaneously with the Daniel 8:14 actual temple judgment and desolations to the divine degree necessary and permitted by God;

The Governing Body is responsible for the "1/3" impurifications in the JW "earth" world congregation forming the symbolic "1/3" basis of the Revelation 8 temple judgments in final fulfillment mode of that Revelation 8-11 progression commencing over years that the Governing Body of sinners is signaling even now;

A point also is, the very existence of a "Governing Body" "lifting themselves over everyone", which term "Governing Body" occurs not in the Bible,
is in itself an affront to the ones actually anointed, chosen by God through Jesus Christ for the final ministry; The governing "body" is now in addition to the "body" of Christ as self-appointed rulers, governors;

It is a natural diametric conflict of interest - Christ will resolve it by removing the "body" of spiritual disguised disease also known as the "Governing Body", "set in opposition";

Really, the genuine anointed do not need a "Governing Body" of non-anointed pretenders who think nothing of joining the United Nations as long as they got something out of it, a "library card" with which no globalist 8th King research has even been accomplished by the aid of that library card and library - Jehovah's witnesses are stunted 20 years in 8th King understanding of fulfilled prophecy (Dan11:30-31), even behind the general world realization of world government as an evolitional reality that is a real forming power system far beyond the United Nations in global development, infrastructure and worldwide forming governmental, military and financial "power and authority"; (Rev17:11-18);
What the Governing Body is creating is the ultimate duality, to act like "God's chosen" but to actually be chosen by the 8th King to subvert and divert critical prophecy at key points of development and events since 1990; (Daniel 11:31b);

(2 Corinthians 11:12-15) ...Now what I am doing I will still do, that I may cut off the pretext from those who are wanting a pretext for being found equal to us in the office of which they boast. 13 For such men are false apostles, deceitful workers, transforming themselves into apostles of Christ. 14 And no wonder, for Satan himself keeps transforming himself into an angel of light. 15 It is therefore nothing great if his ministers also keep transforming themselves into ministers of righteousness. But their end shall be according to their works.

And here we have the "Governing Body"; The resisting "right hand" of the "Joshua" class anointed:

(Zechariah 3:1-4a) ...And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right
hand in order to resist him. 2 Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?” 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to those standing before him: "Remove the befouled garments from upon him.

The Governing Body is the septic spiritual source of this befouled condition of Jehovah's witnesses today; If this was spoken at a congregation, the person would be disfellowshipped, thus the congregations are also impeding and resisting the actual anointed revelation of the Governing Body of Lawlessness;

But as we see above, a divine cleansing is coming to blast away the Governing Body veneer:

(Zechariah 3:4-5) . . ..” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.” 5 At that I said: “Let them put a clean turban upon his head.” And they proceeded to put the
clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by.

Which is this "altar fire" purification event:

(Revelation 8:3-6) . . .

. . . And another angel arrived and stood at the altar, having a golden incense vessel; and a large quantity of incense was given him to offer it with the prayers of all the holy ones upon the golden altar that was before the throne. 4 And the smoke of the incense ascended from the hand of the angel with the prayers of the holy ones before God. 5 But right away the angel took the incense vessel, and he filled it with some of the fire of the altar and hurled it to the earth. And thunders occurred and voices and lightnings and an earthquake. 6 And the seven angels with the seven trumpets prepared to blow them.

In this pre-commission cleansing principle:

(Isaiah 6:6-9) . . . At that, one of the seraphs flew to me, and in his hand there was a glowing coal that he had taken with tongs off the altar. 7 And he proceeded to touch my mouth and to say: "Look! This has touched your lips, and your error has departed and your sin
itself is atoned for.” 8 And I began to hear the voice of Jehovah saying: “Whom shall I send, and who will go for us?” And I proceeded to say: “Here I am! Send me.” 9 And he went on to say: “Go, and you must say to this people...

And as we see in Zechariah 3 and Revelation 8 angels are involved when the actuality activates here at the temple judgment:

(Daniel 8:13-14) . . . And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

And that "right condition" is Zechariah 3:4-5, which leads to this purified commission ultimatum:

(Zechariah 3:6-7) . . . And the angel of Jehovah began to bear witness to Joshua, saying: 7 “This is what Jehovah of armies has
The Man of Lawlessness

said, 'If it is in my ways that you will walk, and if it is my obligation that you will keep, then also it will be you that will judge my house and also keep my courtyards; and I shall certainly give you free access among these who are standing by.'

That is the actual "faithful and discreet slave" designate commission opportunity in the "right condition" cleansed "robes of state" dependent upon: "IF it is in my ways that you will walk, and IF it is my obligation that you will keep, THEN..."

And that is all AFTER the Governing Body and JW organizational infiltrators and defectors are all gone by the divine means implied in Zechariah 3:4-5;

That clean-out of temple is this event:

(2 Thessalonians 2:8) . . .Then, indeed, the lawless one will be revealed, whom the Lord Jesus will do away with by the spirit of his mouth and bring to nothing by the manifestation of his presence.

At this temple judgment parallel event to all the above temple prophecies:

(Malachi 3:1-3) . . ."Look! I am sending my messenger, and he
must clear up a way before me. And suddenly there will come to His temple the [true] Lord, whom YOU people are seeking, and the messenger of the covenant in whom YOU are delighting. Look! He will certainly come," Jehovah of armies has said. 2 "But who will be putting up with the day of his coming, and who will be the one standing when he appears? For he will be like the fire of a refiner and like the lye of laundrymen. 3 And he must sit as a refiner and cleanser of silver and must cleanse the sons of Levi; and he must clarify them like gold and like silver, and they will certainly become to Jehovah people presenting a gift offering in righteousness.

Which is also the purifications of Daniel 8:14 and Zechariah 3:4-5;

(Malachi 3:4) . . .And the gift offering of Judah and of Jerusalem will actually be gratifying to Jehovah, as in the days of long ago and as in the years of antiquity.

(Malachi 3:5) 5 "And I will come near to YOU people for the judgment, and I will become a speedy witness against the sorcerers, and against the adulterers, and against those swearing
falsely, and against those acting fraudulently with the wages of a wage worker, with [the] widow and with [the] fatherless boy, and those turning away the alien resident, while they have not feared me,” Jehovah of armies has said.

The "come near to you people for the judgment" is the fact that this is all some years prior to the finale of Armageddon, this is not the end, but the temple judgment; as this cleansing here of Governing Body removal in these profanations:

(Revelation 8:10-11) . .
And the third angel blew his trumpet. And a great star burning as a lamp fell from heaven, and it fell upon a third of the rivers and upon the fountains of waters. 11 And the name of the star is called Wormwood.
(Governing Body) And a third of the (JW) waters turned into wormwood, and many of the men died from the waters, because these had been made bitter.

Is some years (Dan8:14) prior to Revelation 11 final "two witnesses", the second of the "two" witnessings of Jehovah's witnesses after a cleaned up temple judgment divine.
operation leads to this recovery:

(Revelation 9:1-3) . . .
And the fifth angel blew his trumpet. And I saw a star that had fallen from heaven to the earth, and the key of the pit of the abyss was given him. 2 And he opened the pit of the abyss, and smoke ascended out of the pit as the smoke of a great furnace, and the sun was darkened, also the air, by the smoke of the pit. 3 And out of the smoke locusts came forth upon the earth. . .

Which is the JW "abyss" of the temple desolation here, to a limited degree permitted by God:

(Daniel 8:13) . . .:
"How long will the vision be of the constant [feature] and of the transgression causing desolation (UN NGO), to make both [the] holy place and [the] army things to trample on?"

That is how the recovery and commission of Zechariah 3:4-7 leads to the "little scroll" full understanding and the final Revelation 11 final commission

(Revelation 10:8-11) . . .And the voice that I heard out of heaven is speaking again with me and saying: "Go, take the opened scroll that is in the hand of the angel who is standing on the sea and on the earth." 9 And I went away to the angel and told him to give me the little scroll. And he said to me: "Take it and eat it up, and it will make your belly bitter, but in your mouth it will be sweet as honey." 10 And I took the little scroll out of the hand of the angel and ate it up, and in my mouth it was sweet as honey; but when I had eaten it up, my belly was made bitter. 11 And they say to me: "You must prophesy again with regard to peoples and nations and tongues and many kings."
And a reed like a rod was given me as he said: "Get up and measure the temple [sanctuary] of God and the altar and those worshiping in it. But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth."

The "measurement" ensures full 144000 completion;
(Rev11:11-12, 19)

On the other hand we have the overly simplified 22 year long Governing Body stall, and "it can end any day now" lie; The Governing Body is an act that has stalled the JW ministry for 22 years now, upon a plausibility of a "governing body" actuality in Acts 15:1-33 that we all bought by that plausibility, but now we see is not present and in fact this very cell of duality in this "Governing Body" is the viral incept controlling device of Jehovah's Witnesses today by the "man of lawlessness" in a gradual development
since 1976, in a masterful mode of deception - through the "Governing Body" center of control;

This is why no actual anointed insight since Frederick Franz has come from Bethel in approximately 20 years, instead Satanic anointed in the Governing Body are lying to Jehovah's Witnesses in a purposeful action to set up the temple for a desolation made to appear as an Armageddon leading event to further stall and ruin the JW world ministry;

And every critical key detail is already sitting there in prophecy exposing the Governing Body just waiting for years to pile up the evidence, trends and statistics to show we have a purposeful cabal of ruination, lawlessness and treasons in full operation from Bethel led by the Governing Body of Error;

(2 Thessalonians 2:7-9) True, the mystery of this lawlessness is already at work; but only till he who is right now acting as a restraint gets to be out of the way. 8 Then, indeed, the lawless one will be revealed, whom the Lord Jesus will do away with by the spirit of his mouth and bring to
nothing by the manifestation of his presence. 9 But the lawless one’s presence is according to the operation of Satan with every powerful work and lying signs and portents 10 and with every unrighteous deception...

And it is a signal revelation of more to come in temple judgment:

(2 Thessalonians 2:3-6) . . . Let no one seduce YOU in any manner, because [temple judgment] will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called “god” or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god. 5 Do YOU not remember that, while I was yet with YOU, I used to tell YOU these things? 6 And so now YOU know the thing that acts as a restraint, with a view to his being revealed in his own due time.

What is actually coming after this "man of lawlessness" revelation is the cleansing of the "apostasy" affecting "1/3" of the JW "earth" of Revelation 8:1-13;
The Man of Lawlessness

That activates 4 trumpets of alarm and notification to JWs aided by angelic means from God through Jesus Christ;

The context of those first four trumpets is in the first four plagues of Revelation 16, in a four-square symbolic "earth" comprehensiveness to their respective "earth" meanings, trumpets to JWs, plagues to the world system as its own kind of special divine wake-up call to consider repentance now:

(Haggai 2:7-9) . .

"'And I will rock all the nations, and the desirable things of all the nations must come in; and I will fill this house with glory,‘ Jehovah of armies has said.

With the Divine truth, compare Daniel 11:42-43:

8 ‘'The silver is mine, and the gold is mine,’ is the utterance of Jehovah of armies.

And that the temple completion cycle is the finale:

9 ‘'Greater will the glory of this later house become than [that of] the former,’ Jehovah of armies has said.

The temple completion phase is far greater then even the temple
The Man of Lawlessness

foundational phase of 1914 era temple leading events;

The first four plagues of Revelation 16 are judgments by God in context of globalist 8th King world intrigues that also provide the context of the temple judgment for "transgression causing desolation" (Dan8:13), so the JW organizational "desolation" is guaranteed for the UN NGO transgressions;

None of this is Armageddon yet, but a great Kingdom preliminary manifestation of prophecy leading to it guaranteed and irreversibly, so the purpose is to provide a continuity of great proofs and events to aid the final warning ministry that Revelation 8-9 trumpets paralleling Revelation 16:1-16 plagues is overlapping into Revelation 10-11 7th trumpet as Revelation 8-11 parallels Revelation 16 in a manifestation over some years, gauged and spiritually "calibrated" to the sevens of those trumpets and plagues;

The next set of formulaic world intrigues to produce the 8th King world governmental serving "problem" of global tribulations for the final
"scarlet wildbeast" solution to progress to completion and world presentation of final proclamations and power will begin the first four trumpets and bowls;

The Revelation 8 trumpets will proceed upon the JW temple worldwide "earth" system in an orchestrated intensifying context, aided by the Governing Body "man of lawlessness", that will be severe enough to reinforce the illusion in the JW minds that the terminal phase of the "great tribulation" has started, with decoy "faithful and discreet slave" and JW worldwide organization as the target, fulfilling prophecy;

The JW organization will be the target, this will be the initial tribulatory commencement, not the end events, but the "evil slave" is what will actually be operative in the Governing Body of Jehovah's Witnesses using this hoax and duplicitous context to damage the organization as much as possible and further confuse JWs to exit as "man of lawlessness" (2Thess2:8) amidst even greater confusion, turmoil and eventual reproach, and further stall and delay the actual awareness of the final prophetic temple cycle's actual
The Man of Lawlessness

beginning of fulfillment that goes on for marked periods of some years and the sequential seven trumpet and plagues bridging Daniel 8:13-14 (2300 units, 1150 days minimum) to Revelation 11:2-3 final "two witnesses" 1260 day final warning;

Whatever is coming will be massive and deceptive enough to make JWs think "the end" has arrived, but in fact the beginning of the temple judgment to temple completion final prophetic phase is what is commencing the series, not ending it, the "man of lawlessness" Governing Body will have set up JWs for a worldwide super-coup destabilization and neutralization final event attempt during these event(s) aided by 8th King external and internal planning and supporting resources and expertise with the actual objective of proceeding to 8th King world government completion, that will take some years, as JWs are derailed globally and have no idea what is actually going on;

c. Trends and Statistics

Notes: When a growth rate goes from a 15% all time high to around 1% and .8% all time lows consistently maintained now, over approximately 40 years of directly relative Governing Body "guidance" the shocking numbers should and do speak for themselves;

The Governing Body never actually explains the true model of severe ministerial effective decline present in these numbers - like a "board of directors" driving a company down purposely, the Governing Body paints a rosy picture that ignores the reality purposely creating an air of illusion - in spite of the compiled stats;

To think CEO level men of intelligence would see these statistics and yet blow the horn of "ministry at apex" is absurd; And yet that is exactly the kind of productivity illusion the Governing Body is promoting upon their cave dwelling JW and world audience - yet
verifiable growth statistics in severe decline amidst rampant lawless notoriety creates a model of synergistic ministerial ruin attributed in just the numbers alone to the years of Governing Body oversight and the negative effects of their brazen lawlessness publicized to billions of people online, not to mention the adverse effects on the ACTUAL all time low sink of spirituality in Jehovah’s Witnesses;

These statistics are researchable on the web and at libraries as well as recreatable from JW yearly records; The point is in part, 20 years ago these trends and statistics had not yet formed into a clear model of decline - a big red flag - the last 20 years provide an evidentiary record of appalling accumulation of statistically proven productivity decline that is covered up with growth numbers that seem impressive but are not related to actual growth potential which has been cut to well over half of past projections;

Literally more people have been stumbled by Governing Body lawless engineering than there are Jehovah’s Witnesses;

An average 800 people baptized every day
The Man of Lawlessness

seems impressive, until we note 2000 to 3000 or more people baptized every day average, is what could be realistically expected from the JW ministry if it were in a clean context - meaning over 1000 people a day are being stumbled due to rampantly expansive "apostate" internet canvassing, maybe more - all backed by the Governing Body of lawlessness; Those are the credits and kill numbers the Governing Body will not relate as this unit of subversion is the one supporting the external internet apostasy, as well as the systematic internal apostasy of Jehovah's witnesses internally all fulfilling key prophecy identifying the "man of lawlessness" (2Thess2:3) and the "apostasy" he leads (Daniel 11:32) and his origin of operations (Dan11:30-31; 8:11-13), and locale "in the temple", live and real-time in the Governing Body;

There is a direct connection in the progressive development of both these apostate conditions internal and external as the external internet based main overload of negative and actual well documented Governing Body spiritual criminal activity encourages JWs in denial to avoid the web altogether thus
The Man of Lawlessness

reducing the chances an actual valid expose' is understood by JWs connecting the Governing Body to the foretold lawlessness (and apostate core development), creating the primary developmental group of lawless ones targeted by God, as per prophecy, for temple purification purposes activating the final temple judgment cycle;

Then the sheer global scale magnitudes of negative press and scandals publicized, being used to undermine faith disconnected from the actual "man of lawlessness" prophetic connection, by the "man of lawlessness" networks themselves, aid concealment of actual valid prophetic and evidentiary exposure of the "lawless one" in the thousands of pages of useless stumbling commentaries. The sheer volume of dead ends in millions upon millions of "apostate" web pages increases the time that would be necessary to dig the actual truth from that dispersion, reducing again the probabilities of the "man of lawlessness" being fingered and identified in modern form;

Thus external apostasy promotions in free-for-all style, aid the internal official apostate JW conditions
The Man of Lawlessness

of progressive
development due to
protective support
given to the lawless
engineers of it all in the
Governing Body while
the whole development
is concealed furthering
the Governing Body
apostate agenda; The
synergy of apostasy
protectionism
supporting apostasy
expansion is even more
complex, but for now
this illustrates they are
related and originate
from the same
strategists, it is not as
random and
"free-for-all" in it's
Governing Body fronted
center of development,
it is engineered and
well planned and
deployed progressively
utilizing the expansion
of the web for apostasy
and against a JW
preaching field of over
2 billion people;

While the Governing
Body of scandal has
spawned an external
"apostate" viral spread
commensurate with the
internets own growth
rate, they have
curtailed completely the
use of that same
technological
worldwide expansion
for actual preaching
innovations on a billion
communication devices
and more; Even the
"new and improved"
"man of lawlessness"
JW website broke all
links to a 10 year
established linking
network to articles that
simply are broken links
sent to the homepage
jworg site;
The Man of Lawlessness

Thus while looking like they are improving with technology, they are also severing the ministerial web base target destination articles of JWs who did use the web to distribute links to relevant articles which have all now been broken;

Therefore in spite of massive technological expansions worldwide with web based communications, improved preaching and teaching techniques and materials, worsening world conditions with "signs" of things to come in plain alternative news and research information centers (Luke 21:25-26), JW actual ministerial productivity has plummeted in inverse proportion to the massive increase in stumbling effectiveness this same technology applied to external oppositional and stumbling strategies is producing daily at geometric rates;

This entire complex of web based exponentially expanding negativity, fueled by verifiable Governing Body led scandal and hypocrisy for decades in perpetuity of new debacles strategically introduced regularly has effectively killed the Christian ministerial potential while appearing to JWs to be
The Man of Lawlessness

a pinnacle work at an all time zenith - when in reality the exact opposite is the case, the stumbling ministry is what is at zenith and still rising as long as the killer Governing Body remains in murderous undercover power;

The very presence of the lawlessness at the magnitudes the Governing Body is responsible for is in itself the initial fulfillment of final temple phase 2Thessalonians 2:1-4 prerequisite "man of lawlessness" exposure requirements leading to temple judgment which activates Revelation 8 which continues in 7 trumpet fulfillment cycles over some years to the final cleansed warning ministry in Revelation 9-10-11's progression to Armageddon;

Obviously this "evil slave" Governing Body will and has attempted to cover up this ever clearer DIRECT connection of the "Governing Body" WITH "lawless one" and "mystery" activities "in the temple" because it reveals more ruinous objectives they must have, also revealed in prophecy, linked DIRECTLY to this initial revealing, which the "apostasy" they are the leaders of in all forms internal and external is merely a component of - they have more goals
The Man of Lawlessness

of far greater climax magnitudes;

We may well wonder where have the 1970 projected 7 to 12 million lost JWs-to-be gone? It may have been as many as 21 million JWs under clean and honest conditions utilizing technology and Knorr-like innovations properly;

They have been stumbled with another multi-million kill count by such scandals as the UN NGO, Pedophile Paradise Databasing aiding and abetting of congregational predators, stone cold shunning policies and so on;

THAT IS THE KIND OF BLOODGUILT THESE GOVERNING BODIES ARE TRYING TO SMEAR ON ALL JWS...

What is actually at "apex", is the goat development on the web, and the stumbled sheep count;

And like this complex apostasy development now being revealed by decades of accumulation of many strange trends, ominous statistics and evidence of massive lawlessness merely covered up with presumed claims to the contrary - also ALL as per prophecy - ALL of the supporting lawless policies and practices, like the general
apostate signals, are tied into to grander schemes of ruination as the Governing Body must also fully manifest as "Son of Destruction" as well, en route to their own hanging and vacating of their office of oversight; (Acts 1:15-22; John 17:12; 2Thess2:1-4);

The Governing Body and their Bethel internal lawless factional networks must fulfill the destructive elements of their prophecy to a climax form, which involves all these developments being described here as merely pieces of a far larger and greater overall mission of embezzlement and other ruinations upon the final ministry of God through a soon to be cleansed JW ministry;

They fail (Dan11:32b; Zech3:4-5), but a "transgression causing desolation" (Dan8:13) has already been committed by Governing Body UN NGO compromise and treasons, so that will aid the basis of JW temple "established place" desolations - also as per prophecy - it is a divine judgment - to the divine degree necessary to account for this severe transgression and to remove the current lawless networks that now oversee the entire JW world ministry;
Obviously this will be a large scale fully recognizable commencement of temple judgment as per Daniel 8:13-14 activating as more detailed fulfillments of 1Peter 4:17, further detailed as activation of Revelation 8:2-5 "altar fire" purifications parallel to temple judgment leads to the first four trumpets in the JW global ear;

(And the temple judgment is a TIMED prophecy in Daniel 8:14 for further verification for a doubter JW "earth" severely misled, in denial and in deep prophetic error in regard to Daniel 8:11-25, 11:27-45 in regard to 8th King world governmental progressions since 1990 fulfilling key modern prophecy uncommented on and covered up by the Governing Body of Jehovah's Witnesses);

==

Now we have a general atmosphere of decline aided by worldwide expanding technology with a captive audience fed Governing Body dirt for endless goat inspired iterations and commentaries, while Jehovah's witnesses are robotically stuck in an increasingly inefficient ministerial technique of door to door work;
Instead of open-mindedly and honestly developing a ministry that grew with the web worldwide daily expansions, which could take advantage of a 24/7/365 availability internet field, nearly for free, with worldwide reach of over 2 billion people, aided by an innovative base system geared to grow with this technological potential - instead JWs are retarded in development and regressing away from the field with an installed and GB conditioned web phobia;

Now, the “man of lawlessness” actually has JWs FLEEING from this great ministerial field which flight is empowered by Governing Body lawless conduct being recounted endlessly on the web, in a worldwide goat-development field - now the "man of lawlessness" has JWs contracting efforts to penetrate this field, discouraged to do so, while the oppositional development is exploding, while no counter argument and rationale is being provided by any official JW ministry on the internet in any truly innovative expansive strategy, just the "man of lawlessness" single web "branch office" fossil of compounding
error in an online field as big as TWO Chinas;

In general the stumbling work backed by Governing Body record of sins is creating a perpetual general impression with specific examples of lawlessness of why Jehovah's witnesses do not have the truth, no - never did;

That very anti-truth attitude is why the "lawless one" is "in the temple" because real sins and lawless trends, now plainly manifest in statistics of decline, are far more effective and dynamic when performed from within the internal temple arrangement, with real dirt and evidence, rather than the hearsay alone, from the top down;

Now the man of lawlessness, who really has only affected the foundational truths since the 1970s - but in full diversion since 1990, has the general public considering the entire framework of temple and Kingdom foundational truth from solid divine prophetic patterns of Kingdom sovereign development since 1914 is all bunk like the Governing Body;

Now that "lawless one" center of viral negativity, lies and anti-christ strategies is undermining the entire
The Man of Lawlessness

Kingdom proclamation since 1914 which is as real as the "Let your Kingdom come" inevitability of Jesus Christ's prayer being answered fully at Armageddon;

That Kingdom invitation to life and warning to enemy systems and the unaware is very real and well founded in the ONLY ministry on earth demonstrating the prophetic and divinely legal reasoning in why the Kingdom of God is taking over planet Earth - but now the lawless Governing Body is also undermining that believability by diverting awareness of 8th King co-developments contrary to the Messianic Kingdom interests fulfilling in striking manner since the 1990 UN "New World Order" form third "disgusting thing" placement fulfilling Daniel 11:31b which the Governing Body is subverting attention of with a UN NGO "disgusting thing" placement of their own at Bethel in 1991, and the continuation of the USSR fictional "King of the North" misinformation to aid this distraction;

This is why a fully successful overturning of temple foundations and Kingdom truth from 1914-1918 prophetic fulfillments will not be permitted by God and Christ much
longer, and why the Governing Body has entered the divine bulls-eye of "man of lawlessness" eradication to ensure they are terminated from performing the full ruination they are attempting; (The removal of the "turban of filth" at Zechariah 3:4-5 pictures the termination of the Governing Body sham "head" authority of befouled actual reproaches;)

This occurs soon (in timed prophecy; Dan8:14), while their own lawless record of conduct reinforces their own key identification in the "man of lawlessness" role that leads to temple judgment as the first divine signal of the prophetic "laser dot" revealed by Christ in initial form for now, NOW on the Governing Body 666 "man of lawlessness" forehead (Isa66:6) and all this while their globalist 8th King partners (Dan11:30-32) provide the context of the first four trumpets and plagues in parallel activation in temple desolation as the situational developments in which the Governing Body are removed from oversight; (Rev8 parallels Rev16 in final fulfillment mode);

As negative the reality that the JW temple condition has...
The Man of Lawlessness

developed into by Governing Body leaven and deceptions, it also provides the context of a final prophetic cycle whose "man of lawlessness" activities will be fully exposed by God to guarantee also the temple judgment the "lawless one" connects to, will also connect to the rest of the final Kingdom and temple phase cycle all the way to Armageddon;

That is why the CONNECTION of the Governing Body lawlessness to the "man of lawlessness" prophecy DIRECTLY, ALSO CONNECTS that revealing of the "lawless one" "IN the temple" to the temple judgment that Paul was explaining this prerequisite required signal is CRITICAL and NECESSARY prior to final judgment:

(2 Thessalonians 2:3) . . .it (final judgment phase) will not come unless the apostasy comes first and the man of lawlessness gets revealed . . .

That is why the revealing of the Governing Body spiritual criminal activity AND the prophetic cycle they signal, now builds faith in damaged and hurt sheep formerly being confused by this duality at the "pinnacle" of the organizational ministry, which has clues not all
that surprising how the Governing Body accomplished such a masterful subterfuge to the point JWs would "gouge out their eyes" to protect the predator "in the temple":

(2 Thessalonians 2:9) . . .the lawless one’s presence is according to the operation of Satan . . .

So this is demon superhuman intelligence at work, not mere predatory spiritual con men, and it is permitted by God to allow key prophetic SIGNAL fulfillment to Christians seeing all this and being made aware of what this means:

(Zechariah 3:1,3) . . .And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him....Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel.

That filthy condition is JW world reputation and actual Governing Body lawlessness at work before the Zechariah 3:4 temple priesthood cleansing paralleling the Daniel 8:14 temple cleansing;

Thus the Governing Body is not some oversight and common
dodo birds wrecking a once approved ministry, these men are demonically guided fully intelligent and capable agents of 8th King and Satanic deception and they are good, GREAT, at the filthy and deceptive works they perform while wiping JW smooches of their fine suits and made-up faces and rings; They are a "master of illusion" operation in our own time, by Satanic experts of their craft, world class undercover lifer infiltration professionals aided by supernatural guiding powers; (You can bet they are tidying away fine nest eggs of blood money from JW coffers while this is all going on; Eze7:22; It is doubtful as to the benefit they can possibly derive from such profits, the curse is certain to follow any surviving "man of lawlessness"; Amos9:1-3; Jer29:18-19)

(That is also why God and Christ have to break out superior angelic forces to also rout these deeply rooted worms and termites from the Bethel brainworks permanently as revealed in a number of "angel loaded" prophecies of the temple judgment like Zechariah 3, Revelation 8 and Ezekiel 9-10 prefiguring the initial temple cleanse of Daniel 8:13-14 as
The scale of the Governing Body deceptions and the scale of the JW worldwide organizational desolation that deception has aided which must soon develop to the fullness of the divine permission (Dan8:13-14) is the same worldwide magnitude of realization and full awareness that this full development will allow to be made fully known to those who can respond in the aftermath of this temple cleansing development as the real truth emerges from God and Christ ironically using the resulting Governing Body "funeral pyres" to aid enlightenment;

What will be known, which Governing Body "sinanigans" actually aids in well documented trends and evidence fulfilling prophecy, is that this is the real temple judgment final cycle activating and it's implications towards an abrupt change in world ruling power (Rev8:8-9) is where it will most assuredly will lead to in Armageddon development as well over time, in the same manner of guaranteed fulfillment as the revealing of the
The Man of Lawlessness

Governing Body as the modern final "man of lawlessness" frauds was fully manifested initially that began this final cycle, to unwind over a number of years of GUARANTEED irreversible prophetic fulfillment in every detail of Kingdom AND 8th King completions to final resolution in Divine war;

The Governing Body is attempting to cover over critical 8th King completions fulfilling prophecy beyond "United Nations" "image" in a world government global totality of the WHOSE complete "scarlet wildbeast" as a whole worldwide 8th King and the WHOSE Daniel 2 "immense image" of a metallic man as the symbolic completion of that whole 8th King globalist unification world government in uni-polar form;

These finalizing developments have been active in Daniel 11:30-31 and forward in that prophecy since 1990, which indicates by connectivity live and real-time to Daniel 12 "during that time", that a final cycle of culmination developments is required, which bags the whole "King of the North" apex system of Messianic Kingdom defiance in one big divine Kingdom of God bulls-eye worldwide to settle the issue of
world rulership once and for all time at Armageddon;

The Kingdom of God will ALSO be requiring a final developmental completion cycle simultaneously with the "8th" soon-to-be conquered "King" system completions;

Derailing JWs without this critical realization and prophetic detailed awareness aids that final 8th King world developmental completion drive as JWs are on the sidelines (Rev9:1-4) wondering what is going on amidst a desolated Bethel unholy city actually in temple judgment NOT Armageddon yet, as promoted in error by the Governing Body 8th King deceivers;

The Governing Body sinner wolf pack in the temple is actually a signal of the end unfolding over years upon guaranteed divine final prophetic fulfillments all the way to Armageddon in a continuous form from temple judgment (Dan8:13-14) and cleansing (Rev8) over 6 trumpets (Rev9) to final world ministry of 1260 days (Rev10-11) to the 7th trumpet Armageddon ready Kingdom completion of all 144000 temple pillars under Jesus Christ the King with no rivals once this fully completes; (Revelation...

What the following is explaining is a
prophetic super-pattern in Bible
recorded histories that has unfolded
from the days of Noah after the flood
of Genesis 6, recording the 70
national root groups from Ham,
Shem and Japheth's genetic lineage;
In short that Biblically illustrated super-pattern form is a "loop" from Genesis embryonic centralized "globalism" symbolized by the city and "Tower of Babel" to Revelation apex "scarlet wildbeast" worldwide globalism as the basis of an actual final world government (8th King) that must complete prior to Armageddon finalities; It must be far more than just the "United Nations" "image";

[What the following is also explaining is the Governing Body attempt to break the "loop" of this required closure of that prophetic logic and reality in the near future from JW and global awareness as outlined in critical final prophecy unfolding over a number of marked periods and years to the Armageddon resolution of the sovereign rulership of planet earth permanently;]

The global benchmark that led to all sovereign progressions of nations symbolized in Biblical illustrations begins in Genesis with names and important histories that lead in time to entities symbolizing linear temporal progressions of human kingdoms in a continuum to Armageddon;

(Such as the Egypt, Assyria, Babylon, Medo-Persia, Greece, Rome and Anglo-American world power trajectory to the final destination: 8th King worldwide government and Armageddon)

These historic and developmental progressions in the Bible record explicitly connect human kingdoms and national groups in Genesis and Exodus to illustrated progressions symbolized in Daniel 2, 7, 8, 11 whose pattern, marked continuum and named national components becomes the basis for explicitly relative symbology of sovereign progressions and events in Revelation 13, 17, 19 in a marked continuum to Armageddon based on actual world
The Man of Lawlessness

history and events;

This prophetic and world historical timeline is marked by prophetic descriptions that describe real world events related to God's Kingdom and temple spiritual features and the development of the human sovereign system rival development as both head to climax progressive completion simultaneously;

What was "subjective interpretation" in prophecy in the past becomes analytical, logical and empirical proven fact as the real world pattern of names, events and development matches prophetic patterns that describe exact features and events identifying real world powers progressively developing into two "Kingdoms" (God's and man's) in climax conflict for sole earthly sovereign rulership and ownership;

The ultimate convergence of these foretold entities is a human globalized unification "world government" in complete worldwide form versus God's Messianic Kingdom of Christ in complete universal form at Armageddon worldwide battleground for final resolution of this developed dispute, where both sovereign systems meet in time and completion; (Daniel 2:31-45; 7:9-27; 8:11-25; Revelation 17:11-18; 19:11-21; Rev16:12-18)

The sovereign progression of the development of the rival world kingdom over human history is thus limited to a relatively small amount of information relative to the complete Bible record and is easy to map from the information in the Bible in Daniel and Revelation;

Babel Circa 2000 BCE: The First Globalized City

This all begins in continued in progression from the first demonstrated objective of centralized globalization basis in the first civilization of Genesis 10 at Babel
becoming the first center of embryonic globalism to attempt a centralization of mankind based on a single language and system of governmental, religious and military principles;

This attempt met with divine intervention - and so will the last progression to an attempt of related globalization objectives in a worldwide scale globalist 8th King "world government", but this one will not be "non-destructive" at Armageddon as it was on the Shinar plains of Mesopotamia;

This Governing Body infiltration and apostate disinformation operation, in one of it's objectives, is attempting to undermine a number of key truths of the final world developmental drive to Armageddon:

1. The Governing Body is attempting to conceal and minimize the difference between the United Nations "image of the wildbeast" (Rev13:1-15) and the full "scarlet wildbeast" actual 8th King "world government";

The UN "image" is a mere skeletal hub, a collective forum framework of membership based on globalization principles when compared to the actual "full bodied" "scarlet wildbeast" complete worldwide multi-national infrastructure and apex actual "world government";

The difference between these entities and the time required to form the final world governmental form is what the Governing Body is not defining properly to aid 8th King development;

2. The Governing Body is attempting to conceal the final guaranteed prophetic progression and extended developmental time and events required to actually complete that 8th King "world government" beyond UN "image" scale, magnitude of power and full actual worldwide reach of
authority to go above and beyond national sovereigns deposed into this global uni-polar sovereign finale; (Revelation 17:8-17; Daniel 11:42-43);

This progression to full world government is mapped in 4 progressive sequential "placements" of the "disgusting thing" which climaxes in the fourth and final placement as a complete 8th King world government;

Three placements have already occurred in prophecy and world events (1.) after WW1, 1919, League of Nations, Revelation 13:11-15, Daniel 12:11; (2.) after WW2, 1945, United Nations, Revelation 17:8-11, and (3.) after WW3 (Cold War), 1990, United Nations "New World Order" initiative, Daniel 11:31b; which third UN "placement" on the world scene the Governing Body is currently not commenting on and covering up the prophetic fulfillment it effected;

(Instead the Governing Body joined that "they will certainly place the disgusting thing" (Dan11:31b) as co-proclaimers of the 8th King UN NWO system, Awake! 9/8/1991 incept for a decade as covert United Nations Non-Governmental Organization (UN NGO) Department of Public Information promoters;)

Those 3 world placements lead to the fourth placement in the future in a 1-2-3-4 logical sequence the GB is subverting awareness of;

3. The Governing Body is attempting to conceal the prophetic truth that God's Kingdom will also be engaging in a final developmental completion drive and final ministerial warning campaign all marked in a final prophetic fulfillment sequential continuum requiring some years to carry out to guaranteed completion simultaneously with that fourth final 8th King "world government" completion drive to the fourth and

That 8th King world government completion, world proclamations and other events will trigger the all out Armageddon war shortly after this climax event; (Daniel 8:25, Daniel 11:45, Revelation 16:12-18; 19:19-21)

And this identifiable continuum the Governing Body seeks to break, and divert attention away from with engineered subversions amidst a modern live fulfillment of prophecy as the "man of lawlessness" whose divine resolution over the initiating "temple judgment" is now irreversibly guaranteed to result from this "revealing" as the first signal of far more prophetic fulfillment to come; (2Thess2:3-4 leads to 1Peter4:17 as Daniel 8:13-14);

[The full exposure of Governing Body purposeful opposition and lawless symbolic entity in a decades long progressive infiltration of the JW "temple" will be fully exposed by God and Christ (Mal3:1-5; 2Thess2:1-12; Zech3:1-4) and the Governing Body will be removed and deposed from any spiritual authorized authority past, present or future, as per prophecy by divine powers beyond human as required;]

Overview: From Genesis Globalism to Revelation Globalism Climax

It all begins in Genesis 10-11 with the basic embryonic globalist Babel and "Tower of Babel" developments which gave a basic pattern of organization, the first post Deluge of Noah's day religion, first dynasty of kings utilizing a priesthood as managers of advanced spiritual and cultural technologies;

The Babel development was also the first attempt at a world unification (globalism), centered in a base city
The Man of Lawlessness

and religious edifice (Tower of Babel), and the first post Noah era flood divine intervention in Biblical history to thwart that effort by non-destructive means;

The confusion of the human language into multiple languages; (Genesis 11:5-9);

That ensured the dispersal of the national groups would be accelerated minus a central hub of unification under Satanic control under a dominant king for years after; (Gen10:8-10)

All this basis of national dispersal history led to Abram, Isaac and Jacob (Israel), the twelve tribes of Israel and Joseph's involuntary and indirect expulsion by some of the sons of Israel (Gen37) into the land of Egypt; (Gen38-41)

Everyone knows of Joseph's activities with Egyptian Pharaoh (Gen41) and that progression in time to the situation of Exodus;

Egypt was firmly in the Bible matrix of the national powers opposing God's will to meet in time with divine powers of intervention to accomplish God's will in spite of human and demonic efforts to resist it;

The accounts of Egypt and Assyria are easy to track to the Babylonian world power of that time in dominant conquest of the region in those days of post Egyptian domination;

The connection from Egypt to the dream image of a man in Daniel 2 and of Babel to the "gold head" of that "dreadful image" in Babylonian world power of that time is easy to establish with ease in actually limited accounts in the Bible;

The sovereign progression symbolized in that image from the Babylonian "gold head" on down
The Man of Lawlessness

through time to Medo-Persian "silver" "breasts and arms" and Greek "copper" "belly and thighs" is affirmed in those respective powers all being named and further described in Daniel 7 and 8;

That also connects these world powers to further symbolization principle in "beasts" used in the Bible to depict the rival world powers who in time as a whole, again, confront Christ's Kingdom to be deposed permanently of earthly world power;

These Daniel 2, 7, 8 accounts give a reliable nationally named historic benchmark to track this progression in human history and connects back to Egypt and in fact to terminal globalist final world power development re-unifying all planet earth in the principle of the first globalist unification of Genesis 11;

This progression to that condition is all further backed in Bible and world history in Christ's time to place the "iron" "legs" Roman world power (Rev17:9-10) into the progression symbolized by the symbolic image of Daniel 2;

That leads to the last progressive component in "feet and toes" to complete the basis of that image and the whole image itself is what is destructively affected by a "stone" striking that final progression's feet to destroy the entire image at it's terminal point;

To identify the next globalist forming world power in nationally partnered Anglo-America becomes merely an exercise in world history from after the fall of the Roman empire to the rise of Britain to European domination and colonial expansion and control of 25% of earth by 1860;

That is all further reliable mapped as Revelation 13 "seven headed wildbeast" perfectly overlays the
sovereign progression from Egypt to Assyria to Babylon to Medo-Persia to Greece to Rome to Anglo-America to the whole globalist full bodied national basis of the "scarlet wildbeast" (Rev17:1-18) in the collectively unified national wildbeast of Revelation 13:1 being GLOBALIZED into the meaning of the "scarlet wildbeast" actual whole human world government;

To understand that globalist formation must go beyond the mere forum of the "United Nations" unto an actual world rulership is simply logical in the evolution of globalism itself;

It is also present in the entire image of Daniel 2 having a comprehensive symbolic meaning; It is also present in the terminal "scarlet wildbeast" totality described separately from the Revelation 13:1 "wildbeast from the sea" because it is a whole wildbeast image symbolizing apex globalism as a whole unit, not an individual head, or even the array of heads, but the entire full bodied wildbeast symbolizes climax globalization as the basis of an actual world government;

The Bethel Purposeful Cavemen

Now to get to the purposely theologically fossilized and strategically truncated Governing Body.

The Governing Body of Jehovah's Witnesses could easily spell out in explicit detail with far greater examples from modern history and geo-political sciences of 1000 universities explaining this terminal globalist forming progression in modern times and Bible prophecy, because it is also contained in even more detail in Daniel 11 AND the world current globalist news and research itself regarding the globalization and unification of all world power into a final world government as foretold rivaling God's
The Man of Lawlessness

Kingdom for sovereign supremacy of planet earth leading unto Armageddon "war of the great day of God the Almighty";

The World Itself is Beyond Jehovah's Witnesses Awareness

Even elementary, middle and high school students are righting reports and research papers on various developmental features of globalism concepts including the George Bush Sr. popularized "New World Order" of world government of his September 11, 1990 speech before the Joint Session of Congress of the United States of America;

Globalism in general and in specifics is described in detail by world researchers from novice to expert without prophetic commentary as the objective, in voluminous world research sources detailing the evolution of globalism as a basis of actual globalization of managing (governing) many power systems of the world, from government in globalist form, to finance and economics in globalist international form, to a globalist military system hubbed in Global NATO and beyond, on to industrial and technological management, communications and on to environmental and agricultural issues and developments and the like, even entertainment and arts commentary, in various levels of analysis of a geo-political science openly taught and discussed at advanced universities worldwide - in objective and subjective means;

Globalization development is not "conspiracy theory", yet of course something must be guiding it, it is not as random as it appears, it is a complex dynamic system of development, at worldwide scale including the upper atmosphere, space and the most advanced energy sciences known and unknown to mankind; Globalism is plainly discussed by many scientists,
professors, world technocrats, various elites and specialized experts in such volume, the information itself is global in scale and beyond a single human being capable of reading it all in 10 lifetimes;

The general commentary "out there" is describing an organizational evolitional reality taking place worldwide, live and real-time, in the inter-relationship of national arrays of management and resources into globalized levels of complex systems of management of multiple nations and their resource magnitudes, beyond the power, intelligence and resources of single nations;

The very basis of the real-time intelligence and information systems is well beyond national governments whose hands are already full of national issues, trillions in debts, declining (US) or expanding (China) infrastructure and other progressively complicating developments exacerbated and accelerated exponentially by global developments;

Many national politicians are so busy, they have missed globalization reality like many others, and are now obstacles unto the full development of globalist systems because they do not actually perceive the broader issue beyond their scope of management, because it took time and extra research and awareness to keep up with this reality, and this reality will require faster adaptation than some backward nationalists are capable of understanding;

This globalism dynamic reality, being missed by many, developed like computer technology dynamics also being missed by many, either people voluntarily or involuntarily kept or tried to stay abreast with these developments steadily and continually, or they fell 100 years behind in a single decade or two due to the exponential and cumulative
nature of the knowledge building upon itself - FAST - at worldwide scales of applied talent and expansion - every day, every hour, every minute of the progression continuing;

As an example, many national governments have members in for an abrupt and brutal wake up call when the globalization reality snowball really gets rolling soon in exponential fashion accelerated by massive world events and it's own exponential nature;

(More on this inevitable "wake up call" amidst massive world developments accelerated and the Governing Body role in the coma and slumber effect later;)

And this shock will arrive, it is actually also a natural evolutionary development in the same consolidation dynamic that even made tribes into states, and states unified further into nations, national groups and blocs, likewise this natural organizational dynamic propelling nations into inevitable globalist unification is still active unto it's climax conditions; (Revelation 16:13-16; 17:11-17);

It has everything going for it's continued development and is being "pushed" naturally and artificially, thus both developmental forces are ensuring that progressive globalized progress and consolidation worldwide will continue;

Globalization and the basis of it's development (the sciences) and the basis of it's manifestation and expansion (forming world government) is a very real world governmental development and dynamic that describes and designs worldwide infrastructural and logistic super-systems in theory and in varying stages of development to completing development projected over the decade that are becoming
felt as actual reality now;

Hundreds of the world's most advanced research institutions and academic centers like specialized research foundations and universities aid the sciences and advanced research and technological development that create the means to apply and expand globalism as applied principles and systems; Even academics and research has a globalization process aiming that talent and resource world knowledge base towards globalization interests;

And globalism's applied expansion is global in complexity, this is no "theory" alone, it was theory alone in the 1700s and 1800s; The globalization dynamic is both purposeful, engineered, and guided, and NATURAL as well;

In fact a clear early understanding of that natural "globalizing" dynamic process of organization and consolidation of power and resource management capability, scientifically and in theory, from even before the 1700s advancing to today, aided the world's top globalization centers and powers developmental ability and understanding of how to guide it;

Globalists in many forms are now utilizing that multitudinous set of specialized scientific knowledge applications and direction for forming or installing globalist organizational "technocratic" aids into and over every imaginable aspect of "power and authority" (Rev17:12-17) and cultural component of the basis of "civilization"; (Like world finance and wealth control: Daniel 11:42-43)

Aiding this sort of "revolution by night" awareness for the man on the street (with internet access sure helps) are many researchers, former and current government officials, academics, journalists, scientists, nationalists and globalists themselves, in fact every discipline
and facet of human national existence has a globalism commentary of some form that can be found on the web, videos/documentaries or in libraries as every facet of world power and resource management is being affected by the globalization process at work as we speak;

"Google" and "You Tube" are the genius seeding system of today, as mainstream media is playing a similar role as the Governing Body in a similar form of selective information filtered by a sole globalist filtration campaign in media relying on illusion and pleasures to continue commercially success of that media system as the priority;

With commercial TV, cable and satellite, globalism information simply does not aid the sale of tampons, soft drinks and potato chips the way a sitcom or talk show can, because, for examples, globalism is not a well known subject and it easily verges into esoteric regions of information and into subjective tangents and unpleasurable implications;

"Three and a half men", or whatever, does not verge into this territory, but away from it; It is more profitable for that media to dumb-down the audience into time absorption, distractions and pleasures that aid commercial sales of this and that - as one of the reasons why globalist development has few if any TV shows dedicated to globalism, no one wants to put their commercial in that programming slot, people change the channel, etc;

Plus a certain level of a lack of awareness of the reality of 8th King Revelation proportion "world government" is needed in order to present the near complete reality of that "New World Order" AFTER it is near completion, rather than have it potentially obstructed by people, groups and nations motivated by the
knowledge and awareness of where the trajectory of that "world government" is going to land, when prophecy is used to elucidate globalist world developments and specifically name the destination of that 8th King "New World Order" trajectory;

The Bible calls that place "Har-Magedon", and the Bible maps that world developmental progression unto terminal 8th King over time and marked events since 1990 and in the future guaranteed to the 8th King "scarlet wildbeast" completion in striking detail of how it hits head-on with God's Kingdom as BOTH complete their "infrastructural" power system AT THE SAME TIME; The Bible explains all this in little words; The Governing Body does not;

The Governing Body is a "12 and a half men", or whatever, spiritual sitcom-tragedy related disinformation and misinformation media apparatus to entertain JWs (and our audience) with an illusion of the past AND to purposely avoid all relevant commentary on advanced modern globalization examples of forming world government in prophetic light, and as these developments since especially 1990 UN third placement (Dan11:31b) are fulfilling prophecy as we speak;

Something is Clearly Suspect with a Governing Body Appearing to be so "Dumb"

Then why is the Governing Body global scale CEOs, and thus not so unintelligent or disconnected to understand all this, why are they ACTING like it is 1980 over and over again?

Why are they covering up shocking statistics and trends of a Jehovah's Witnesses ministerial and organizational productive and effective decline in the 100s upon 100s of percent relative magnitude?
Why is the Governing Body covering up the obvious global terminal progression of the national powers conditions and resources, being engineered by globalist means into an infrastructure of interdependency that will require a world government, also fulfilling prophecies repeatedly and obviously, and not saying anything about it's significance beyond 1960s JW understanding?

Why is the most astounding set of "current events" and "world developments" in all human and prophetic history NOT the center of prophetic analysis explaining all this in detail since even 1990 UN events (fulfilling Daniel 11:31b) being ignored and covered up by this obviously purposely comatose Governing Body?

These are almost rhetorical questions - the Governing Body IS an 8th King globalist apparatus also installed in a "national government" of Jehovah's Witnesses, through it's "governmental body" for globalist objectives, but indulge the article please, let us continue anyways....

Why are world researchers, politicians and finance technocrats saying more about terminal globalism's dynamic evolution into already formed world governmental globalization aids already being installed in nations through the specialized cabinets and councils of their national governments led by globalist technocratic experts?

The why and how of this plainly stunning retardation process are different, but how is it Jehovah's Witnesses are not seeing all this develop as plain as day in front of our faces that we have a Governing Body that does see all this (since everyone else does), is intimately knowledgeable of the dynamic and magnitude of globalism, but CHOSES to play ignorant;
This is because cover up of general knowledge of globalization in JWs aids another development that actually aids the globalist developmental agenda worldwide, as Jehovah’s Witnesses worldwide voice in every country on earth is ALSO now selling dementialization of prophetic understanding of world globalization clearly foretold and symbolized in the Bible in its trajectory to a final human 8th King world government and Armageddon over a final cycle;

The whole "JW message" has been derailed into a cul-de-sac in 1990, going round and round and round and round....

This means the general discussion of globalization getting too detailed in The Watchtower, Awake! and JW publications would naturally verge into PROPHETIC details of those EXACT developments in a real-time fashion of expose';

The Governing Body is not just covering up the monumental third United Nations "disgusting thing" placement in 1990 fulfilling Daniel 11:31b with Governing Body and Bethel assistance - "THEY will certainly place the disgusting thing..., they are also covering up every possible supporting detail of globalist world development in every aspect of human culture and national development that is being affected or absorbed into the globalization process also directly or indirectly fulfilling critical prophetic progressions actually indicating the final phase of development; (Daniel 8:12b)

In Other Words: the Governing Body are an 8th King Globalist World Government Serving Agency;

The magnitude of all this interrelated sampling covered here alone, cannot simply be "missed" and develop
The Man of Lawlessness

accidentally, by oversight, modern day Rip Van Winkles, overly cautious, "wait on Jehovah", etc.

If school children and high schoolers have blogs explaining various "new world order" ideas and developments, if rappers make whole concept albums dedicated to "New World Order" rapped commentaries, if innercity "gangbangers" x-out globalist symbology on walls and sidewalks with black and red paint, if many teens know the developmental basic philosophies of "New World Order" culture - how it is the Governing Body misses it all, the all wise, full time Bible studiers "paying attention to world events as they fulfill prophecy"?

Who can even possibly be this ignorant without it being on purpose? Not even school children with Wikipedia, You Tube and Google;

NO ONE ON EARTH IS SIMPLY THIS DUMB!

Because it is all, ALL planned, engineered and on purpose with the goal of also setting up Jehovah's Witnesses to be plowed over, bewildered and bamboozled when the globalism snowball starts to really role in the next massive set of world events;

And that is the great temple judgment unfolding on Jehovah's witnesses NOT the Governing Body misinformation of "the end of the world any day now"; That is setting the trap by the misled JW mindset to perceive the final 8th King developmental world drive intrigues as Armageddon, when it is the beginning, not the end, of the final prophetic cycle all conveniently covered up by the central cabal in the Governing Body;

And that purposeful "stupid lawless hypocrites" Governing Body collective personality is exactly what this "man of lawlessness" "Governing Body"
The Man of Lawlessness

wants to project because it undermines the believability of the Bible Kingdom prophecy and communication to all mankind from God and Christ, makes the whole organization and history of Jehovah’s Witnesses look like a backward thought supporting reproach and falsehood, and that stumbles would be Bible believers, in the millions and millions from the web, from responding to the offer of God for FREE everlasting life based on the desire for allegiance to God and Christ ALONE - period;

The Organization is it's Own Worst Enemy

The Governing Body is a purposeful masquerade who is Jehovah’s witnesses, the Jehovah’s Witnesses worldwide organization and the Bible truth’s worst enemy temporarily permitted unto termination of authority and the "man of lawlessness" theatric production - and that is a required prophetic signal as Zechariah 3:1-3 results in 2Thessalonians 2:3-4 prerequisite revelation of the "man of lawlessness" "in the temple" and the apostasy he produces; (Daniel 11:32);

Masters of Disguise and Deception (2Corinthians 11:13-15; 2Peter2:1-3)

There are techniques by which Jehovah’s Witnesses are deceived continually by the Governing Body with divine permission for it’s development for more significant reasons to sequentially unfold later in time as this development is sure to have divine and globalist ramifications converging; (Daniel 8:13-14)

The entire truth diversion and theatric production effects the JW world audience understanding of current events in relation to live prophetic fulfillment given the global JW Bible information distribution -
and that is why "the temple of the God" is the target of the enemy system and it's disinformation objective;

[The JW world Bible information distribution is an important target for globalist 8th King disinformation because it is a massive worldwide readership by JWs, regular readers and new readers so an easy to explain final globalist 8th King progression would be well known by now;

Instead, JWs are set up for a premature "the end" expectation that can be channeled into the beginning of the final worldwide 8th King development phase to derail the JW ministry with a JW "the end" expectation that takes more prophetic years to develop, prophetic years JWs and the world JW audience are now unaware of;

The Governing Body accomplishes this by using the truth up to 1990 against JW understanding by seizing up post 1990 globalist 8th King development information, and continuing the illusion in order to build that premature expectation in the JW mind upon incomplete 8th King developmental understanding that actually has been progressing worldwide since that diversion time of the Governing Body cover up operations going into full control as Fred Franz left the scene;]

That diversion into error contrary to modern Daniel 8 and 11 accurate understanding allows bridging developments of globalist 8th King world government since the United Nations post Cold War 3rd placement of the "disgusting thing" (Daniel 11:31b) of 1990 as per prophecy to continue to fully develop to the final phase unexposed as per prophetic significance as to were it leads after it's final period of climax developments;
The Man of Lawlessness

It also indicates a final developmental "super phase" of world intrigues in needed to accelerate the final 8th King "image" into a full "world government" not in full world power through the United Nations, but far beyond it in scope and worldwide actual world government infrastructures based in many nations to be made fully subservient during this final drive;

The length of the 8th King developmental drive, and it's not ending yet at "Armageddon" will leave JWs fully off course, derailed and in utter confusion and bewilderment, and that aids the 8th King developmental needs of secrecy until it's own revelation as "world government" and potentially hints along the way that the "New World Order" is the only solution to the tribulatory developments used to accelerate the process and to weaken national sovereign power at a scale never seen before in human history;

Sovereign Symphonic Reality

That condition will be paralleled by also Kingdom of God developments outlined fully in prophecy being covered up now, as God's Kingdom likewise embarks on a bridging final period, as per prophecy, also leading to the completing phase of the Messianic Kingdom and Temple reality, also in FULL power;

That is all contained in a unique prophetic framework of inter-related prophecy that:

1. Underlies all globalist 8th King developments of critical importance;

2. Identifies the final sequence of Divine Kingdom and Temple development linking a number of prophecies inter-relatedly fulfilling in sequence defining the final Kingdom and temple progression to Armageddon;
3. Identifies the dynamic gradual development of today's compromised "Governing Body" as the required "man of lawlessness" as the first revealed manifestation leading to the rest of the prophetic sequences fulfilling over timed periods and some years all the way to Armageddon in connected sequential prophetic overlapping irreversible relay;

How the Governing Body pulls off this duplicity so effectively can be reverse engineered now to examine in a little detail next, and throughout this report; Fear not! God now has his angelic laser dot on the Governing Body temple rats and all the worldwide pack;

a. Main Techniques of the Illusion

Notes: The amazing aspect of this illusion performed from the central Governing Body puppet show of Bethel distraction theater unto the many congregational sideshows is the effectiveness of the deception upon us Jehovah's witnesses, for so long, while at the same time proliferating the lawless stumbling evidence of actual criminality in a spiritual sense and on other ethical moral grounds to the entire world for a perpetual oppositional goat development and stumbling field in the multiple millions like a GB killer bee swarm and isolated buffalo hunt online;
All outfitted and armed by the Governing Body engines of very real, well evidenced scandal, lawlessness, sins, treasons and crimes;

The spiritual and at times literal kills accountable to the Governing Body internal "JW" tacticians is at expansive magnitudes growing faster in stumble kills and opposer creation than the JW growth rate which is in constant decline since the Governing Body increasingly negatively effected core spirituality and the world reputation of Jehovah's witnesses, thereby reproaching God and Christ and the Bible truth in increasingly negative and perpetual fashion in serious gross sins and viral reproach - for ongoing years, of mounting dubious trends, exponentiated on the worldwide web; (Zech3:1-3; 2Pet2:1-3);

The effect was to produce easy to detect and hard to miss brazen hypocrisy and lawlessness for outside observers of Bethel antics worldwide (like on the internet), while cloaking the whole thing on the inside, for JW tunnel vision in a perpetually echoing traditional assumption of divine approval of the past, camouflaged with fancy do-gooder
The Man of Lawlessness

visuals, overly hyper holy boasting and snobbery, overloaded with every manner of org overkill and bean counts, burdened with a conditioned "easy stumble" overly sensitized "weak conscience" (1Cor8:7; Acts15:28-29), further spiked with guilt tactics and fear and reprisal inquisitional techniques all emanating from a hyper-pious, well rehearsed, well dressed role playing expert acting troupe in a gleaming wolf pack Governing Body of innocence pretending to be something they full well KNOW they are not; (Zeph3:1-5);

It still boggles the mind!

The Unusual Suspects:
Governing Body = Man of Lawlessness Line Up

The lawlessness is easy to see when digging for it, connecting the Governing Body to the prophetic signal prerequisite "man of lawlessness" is what has been very difficult to do given the sheer deceptive depth and expertise of duplicitous development;

Many unspecifically exposed the Governing Body of lawlessness for years, with varied motives themselves, while they possibly stumbled themselves from Bible truth in
many cases, or opposed the organization aiding the indirect damaging of the faith of themselves and others with bitterness, frustration and disappointment in the predictable misguided reactionary, but often well intentioned, process of opposing and exposing the Governing Body and the organization of Jehovah's Witnesses;

It became futile, the whole truth and ministry was lump summed as as bad or worse than the Governing Body themselves, as their reproach spread to everything in their reach like gangrene leaven; (2Pet2:1-3; Gal5:9; Matt16:5); (Those little old lady Christian sisters are NOT at fault, but we are all dragged into this by extension;)

As we plainly see now this exact sheep-reaction scenario just described is a purposeful sheep-trap of evil ingenuity and this effect is engineered into the algorithm of lawlessness, this slippery stumbling effect is why the "man of lawlessness" is "in the temple" of truth;

This very effect of natural sometimes good-intentioned resistance, disconnected from
prophetic awareness of the requirement of this lawlessness (2Thess2:3), is what the GB desires to achieve and is effective because the connection to the "man of lawlessness" modern prophecy was not being thoroughly made with Biblical understanding of where this lawlessness being revealed is irreversibly leading and unbreakably connected to;

In time this very development is irreversibly connected to GUARANTEED temple judgment ACTIVATING, as 2Thess2:3 leads to 1Peter4:17 as Daniel 8:13-14 link live and real-time, and on to more subsequent chain reaction prophecy in a domino effect of "Biblical proportions" effecting even more prophecy as temple judgment results in Zechariah 3 temple purifications (Rev8) and that leads (Rev9-10) to the final cleansed JW ministry (Rev11) and the final warning and Kingdom completion proclamation to Armageddon;

For now, Jehovah's Witnesses have pretty much all missed the temple inspection phase now wrapping up aided in part by the Governing Body show and blinding effects of their viral sins;
The Man of Lawlessness

And to think, these pretty "CEO" smiling and shiny snow white scoundrels are not even through with the totality of damage they intend to do to the worldwide ministry and the JW organization worldwide;

In actuality they are preparing to burrow in deeper, pipeline the loot, seize the properties and capital, betray the JWs, and in time they must be exited from the temple by divine means timed (Dan8:14) to mark a milestone of prophetic activation;

And that leads to a subsequent chain reaction of prophecy over years all the way to Armageddon that will hunt the rest of the cabal camp bound fleeing surviving men of lawlessness down to their globalist homes as God finishes the job they began, but on them instead - guaranteed; (2Thessalonians 2:8-12; Amos 9:1-3; 2Thessalonians 1:6-10; Revelation 8; Isaiah 66:6);

So the presence and detection of the core highest level lawless cell as per prophecy as the "man of lawlessness" amidst a masterful JW now organized "standard procedure" apostasy is very significant as to what it indicates prophetically;
To those seeing the guaranteed nature of the temple judgment and required purification this exposed development makes necessary, Governing Body stumbling evidence becomes faith building signals of doom for this liar clique in the Governing Body and throughout the JW org as per Revelation 8 revisited big time a last time, live and real-time; The lawlessness actually builds faith when one has the certainty of faith that it is temporary and permitted by God for greater purposes (2Pet1:19-21) to land on the Governing Body head and their origination as time goes by upon guaranteed preliminary judgment prophecy all the way to Armageddon in an irreversible sequence of fulfilling prophecy every step of the way; (1Peter4:17);

God allows this development of modern day "Judas" Governing Body just as he allowed the primary Judas (Iscariot) to also develop among Jesus Christ's original 12 apostles;

As negative as the development is while it is manifesting to
maturity the prophecy is also being verified in fulfillment, and that leads to the negative condition ultimately used by God for His purpose upon the enemy system in due time for positive effects highlighting God's will for those intended to learn from the experience:

(John 17:12) . . .When I was with them I used to watch over them on account of your own name which you have given me; and I have kept them, and not one of them is destroyed except the son of destruction, in order that the scripture might be fulfilled.

The now deceptively effective Governing Body is no different;

The Governing Body "man of lawlessness" head representation ultimate manifestations as "son of destruction" in a developmental repeating principle is based in the Judas symbol of treasonous activities, self exposure, and self-destruction amidst a divine curse;

Ultimately they signal a prophetic activation in our time:

(2 Thessalonians 2:3) . . .Let no one seduce you in any manner, because it (final temple judgment cycle unto
The Man of Lawlessness

final developments) will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction.

Also fulfilling this signal connection in our time in final fulfillment:

(Zechariah 3:1-3) . . .And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then [the angel of ] Jehovah said to Satan:“Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire? 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel.

Which leads to this purification of the temple priesthood and identity:

(Zechariah 3:4-5) Then he answered and said to those standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.” 5 At that I said: “Let them put a clean turban upon his head.” And they proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by.

At this timed temple purification action in our time:

(Daniel 8:13-14) “How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

Because the Governing Body and whole “man of lawlessness” network is now operating for a permitted time in the temple:

(2 Thessalonians 2:4) He is set in opposition and lifts himself up over everyone who is called “god” or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god.

And those foretold profanations now manifest in the JW organization systemically result in the commencing action anytime now, now that the “man of
lawlessness” and the apostasy he leads is being fully exposed prior to this activation:

(1 Peter 4:17a) For it is the appointed time for the judgment to start with the house of God.

And that "start" is the activation of Daniel 8:13-14 of also divinely permitted final actions of the Governing Body in "son of destruction" mode climaxing to the ultimate purpose of this complex of operations against the temple and God's Kingdom proclamations;

The Governing Body proceeded from plausible, to bad to worse in a transformation applying this well known principle:

(2 Corinthians 11:12-15) Now what I am doing I will still do, that I may cut off the (illusion) pretext from those who are wanting a pretext for being found equal to us (genuine anointed) in the office of which they boast. (Governing Body Superfine Apostles) 13 For such men are false apostles, deceitful workers, transforming themselves into apostles of Christ. 14 And no wonder, for Satan himself keeps transforming himself into an angel of light. 15 It is therefore nothing great if his ministers also keep
transforming
themselves into
ministers of
righteousness. But their
end shall be according
to their works.

And Satan ultimately is
involved as the primary
mastermind behind the
development of the
"man of lawlessness" in
our time:

(2 Thessalonians
2:9-10) But the lawless
one's presence is
according to the
operation of Satan with
every powerful work
and lying signs and
portents 10 and with
every unrighteous
deception .

The effective demon
aided Governing Body
"illusion" adds to the
mystery now being
explained prior to
judgment:

(2 Thessalonians
2:7-8) True, the
mystery of this
lawlessness is already
at work; but only till he
who is right now acting
as a restraint gets to
be out of the way. 8
Then, indeed, the
lawless one will be
revealed, whom the
Lord Jesus will do away
with by the spirit of his
mouth and bring to
nothing by the
manifestation of his
presence.

And all that is shown in
this report to be a
number of years prior
to Armageddon to
effect the temple purification, to allow the final ministerial recovery of Jehovah's witnesses approved at that time to proclaim the final warning of God's Kingdom completing amidst a final developmental drive of the 8th King system to completing rival world government for the Armageddon resolution by divine worldwide (Rev19:11-21) and universal war. (Rev20:1-3);

The difference (Haggai2:7) with this final ministry (Rev11) is that it will be coming true WHILE it is all being carried out in unmistakable irreversible fashion as to where it is all leading: God's Kingdom conquest at Armageddon; after a complete and thorough final warning of convincing evidence in a once in a lifetime, first time in human history symphonic apex of convergence of prophetic climax fulfillment describing real world events unfolding live and real-time towards Armageddon for real; (John 16:8)

(1)
Plausible Scriptural Authority
The Man of Lawlessness

Notes: Plain and simple, we Jehovah's witnesses invented the "body", the "egg cell" for the embryonic "man of lawlessness" to inhabit and possess progressively as time went by, by accepting the mythology of a "governing body" in Acts 15:1-33 in the first place;

No such animal exists, the apostles where the ONLY "governing body" and they were decentralized and scattered knowing full well the fate of Jerusalem foretold by Jesus (Luke21), and the disadvantages of having a central council in a city destined for divine destruction;

No "governing body" is addressed in Revelation 2-3 seven congregational assessments by Christ, never again is any such "governing body" ever referred to in the Bible, in fact it NEVER was referred to in te Bible, but inferred to in the Bible as "older men" somehow became the Watchtower Bible and Tract Society "board of directors" in neo-papal fashion by self inference, invented plausibility, and self appointment the we JWs swallowed hook, line and sinker - and now we are going to pay for letting those Bethel popes run the place into the ground;

The apostles met in part with the "older men" (no such "governing body" term exists in the Bible) and the WHOLE congregation in Jerusalem to settle issues that originated from that supposed central body, not the central body alleviating the issue, but causing it by lack of oversight and discernment prompting the apostles to hold an emergency session to fix what the "older men" and congregation were allowing to manifest;

The final resolution in unanimous fashion no doubt, was proffered by the Apostle James, not some "governing body";
(Acts 15:12-22)

Another result was:

(Acts 15:28-29) For the holy spirit and we ourselves have favored adding no further burden to you, except these necessary things, 29 to keep abstaining from things sacrificed to idols and from blood and from things strangled and from fornication. If you carefully keep yourselves from these things, you will prosper. Good health to you!

And we have also another clue from that scripture abode...

The Governing Body of Jehovah's Witnesses ignores that injunction of simplicity for an over complicated Pharisaic-like burdened (top heavy) organizational Bethel Titanic, tradition and ritual overkill and thick perfumed smokescreen with subtle but steady injections of sneaky yet brazen lawlessness that helps conceal the intensifying evidence of their lawless actuality;

The first technique was assuming this plausible but non-existent "body" of authority that is in itself in error and assumption and furthering that illusion as the "governing body" supreme council of all Jehovah's Christian witnesses on January 1, 1976 at an opportune time of organizational and theological maturity up to that time period;

Then organizational inquisitions (1980) were founded to curtail any scriptural debate on any subject not approved by the central cabal with threat of expulsion to banishment; Again, plausibly presented as a spiritual protection, but actually a device to minimize exposure of a now forming "man of lawlessness" to further maturity and acts of lawlessness, sin, unreasonableness and treason; (Mark7:20-22; Eph5:17)

Now open minded discussion and actual reasonableness were lobotomized from the JW organization in lieu of a one-sided council, capable of factional control then, who could covertly and overtly inject sinful practices and alliances into the ministry at will, such as the UN NGO developments of the 1990s;

That allowed the appearance of authority as the vehicle for even more strategic techniques to isolate JWs in the forming illusion stuck in the perpetual past "rear view mirror", for that critical 1990 diversion into wildbeast promotions (UN NGO), while continually still using former interpretive well meaning attempts of interpreting Daniel 11:27-45 which was invalidated at the fall of the USSR (Dan11:36) officially unadjusted but rigidly continued in spite of impossibility of application to the "king of the North" to cover up globalist 8th King 1990 manifestations as the real "king of the North" would be the one "successful until the denunciation will have come to a finish" in the way the USSR failed to manifest;
From this central council of then apparently factional compromise, by 1990 a full compromise and undercover infiltration must have been operative to effect the United Nations alliances and still continue with no official comment or apology for a scandal that just in itself has stumbled maybe 10 million or more people via the scale of the worldwide web;

From this central authority we now see nearly every questionable policy is a two-edged sword accommodating an appearance of benefit to the congregations, while also providing serious lawless sins to be "standard operating procedure" and or providing a pretext or protocol to reduce the probabilities and chances of detection as the purposeful "man of lawlessness";

And this strategy is so thorough, refined and complex in scale of operation as to afford, if time permitted, an entire book reverse engineering some of the probable techniques of deep mental deception, behavior control and creation of illusional confidence veneering, like a demon chamaeleon, an actual body of years of horrendous engineered and purposeful criminality against Biblical principles, God, Christ, the Kingdom, the congregations and all humanity;

A central council to guide this evil machination internally with absolute authority was absolutely necessary to remove the organizational course from the navigation of an individual responsible professed anointed guide, such as Fred Franz for that tenure, into the hands of a disguised cabal with bad intentions well hidden in this cell of iniquity skinned in effective "holy" superficialities for the true evil vacuum under it all to operate for years in this spreading terminal spiritual tumor throughout the now comatose JW organizational and congregational body worldwide;

All this was timed just too conveniently as all the theological development of Fred Franz had apexed in the 1960s, with the Revelation full commentary proof across two books on 1963 and 1969, and a full Daniel attempted commentary in

1958;

The point being, ZERO spiritual prophetic insight has been developed as actual significant "new light" since the days of Fred Franz, and his highpoint of understanding was complete by 1969;

The Governing Body had nothing to do with that actual spiritual insight of Fred Franz - God did;

And that condition and weakness of actual anointed was targeted in various ways in retrospect;

Temple Inspection
Lack of JW Awareness

As even now the "man of lawlessness" in
The Man of Lawlessness

modern terminal form "in the temple" being revealed fully with the JW organized apostasy he leads, signals such a final prophetic cycle has already begun, it is fully missed due to "man of lawlessness" distractions;

Jehovah's witnesses have missed the final temple inspection phase which must be active now, to have begun revealing details of
"befouled garments" (Zech3:1-3) of this "right hand" "man of lawlessness";
That temple inspection will end soon activating the temple judgment cycle in earnest as this "man of lawlessness" is a scripturally provided clue of such developments to come;

That is why the central body of darkness in the Governing Body keeps a backward 1914 focus
The Man of Lawlessness

on the one hand, but on the other hand slowly denudes the explicit and detailed features of that 1914-1918 and 1919-1922 base initial pattern which is the basis of the final prophetic replication cycle that temple judgment leads to as this progresses to temple desolation and the final recovery towards the final warning ministry of all
time, which the 8th King installed Governing Body is working against even the awareness of;

Note: This is not to say the Governing Body actually sees the big picture replication now activating, but that any true significance that would have come from an accurate commentary on the 8th King system since 1990, manifesting as "the
The Man of Lawlessness

King" (Daniel 11:36), that is globalist 8th King guaranteed "King of the North" (Dan 11:36) from Daniel 11:27-45 is concealed for now as is the "King North" trajectory to Daniel 12 "during that time" (Dan 12:1) REQUIRING a repeat fulfillment "during the time" of this final globalist ascendancy to full governmental world power opposed to God's Kingdom in

The Pharisees
of Bethel

The Governing Body
have become the modern day Pharisees as the supreme "Lords of the Faith" to install a fear and guilt complex that also distracts Jehovah's witnesses from daily, in depth Bible study and complete familiarization with foundational Kingdom
The Man of Lawlessness

prophecy like the back of our hand;

That GB Pharisaic technique utilizes a veritable swarm of gnat minutia, from a contrived GB "role model" of presumed righteousness, who can bed with the United Nations "camel" for a decade and continue the prostitutinal cover-up, and yet act as if to worry about inactivity in the ministry;
The Man of Lawlessness

(Matthew 23:23-24);

This installed "publisher" air of guilt and looming perpetual unworthiness based on performance numbers in competitive organizational hoops and "back patting" accolades, titles and medals, which are not divine gauges of actual spirituality or divine approval, is promoted anyways in such fashion to keep JWs focused on themselves with works in mind rather
The Man of Lawlessness
eclipsing the undeserved kindness, to steal hours of actual deep Bible study time that add up to years of contemplation of the progressive Bible clues and prophecies now revealing the true nature of the Governing Body amidst mounting evidence and globalizing world events fulfilling prophecy markedly since 1990;

This "gnat straining" mentality, whilst gulping down
the UN NGO "camel" herd is all an act that plays the conscience and perception of vulnerable sheep to reduce the chances of any of them detecting and exposing the actual lawless cabal at work in our organization, not theirs;

Web Implied Taboo

Notes: The way the implied web taboo works is to heavily load the internet with "apostate" information, which is just organized to freelance opposition work that relies on Governing Body constant feeds of...
ACTUAL lawlessness, scandals and illegal policies and partnerships among many legitimate works to look authentic but actually to support the web stumbling ministry;

Most information has one intent - to stumble people completely from all truth, not to expose the connection of the Governing Body to a critical prophetic sequence signaled by their revelation as
the
"man
of
lawlessness",
for
that
is

In any event, the JW engineered web phobia is bolstered by a web now loaded with wave upon wave of JW oppositional work with more than one applicability to aid hiding the "man of lawlessness" a while longer in the sheer volume of information, and to minimize JW familiarity with 8th King globalism
concepts fully discussed by thousands of sources on the web;
(Luke21:25-26)

It also focuses "the apostasy" to external sources in incredible quantities on the web and outside the JW organization distracting attention from the actual "apostate central" at Bethel in the Governing Body;

The web continues the mock apostate protectionism policy started back in
1981, and extends it to the web as an implied off limits and negatively applied research tool due to "dangerous stumbling apostasy" and the Governing Body concern for the spiritual welfare of the "sheep";

In fact amongst all that enemy stumbling work based on real Governing Body lawlessness, is the chance of an actual Christian
exposure of the "evil slave" Governing Body fulfilling critical signal prophecy and activating a final cycle of a horrendous temple judgment the "evil slave" "man of lawlessness" revealed is actually signaling; (2Thess2:1-3; 1Tim5:24-25;)

Keeping JWs off the web:

1. Reduces the chances of the "man of lawlessness" actually being exposed and a Christian
The Man of Lawlessness

JW seeing the rationale of a Christian JW actually concerned with their spiritual welfare and actually revealing the final prophetic cycle with tons of proof of which the Governing Body as "man of lawlessness" is only one fully verifiable proof of the temple judgment cycle due to Governing Body heavy duty sins and 8th King operations
"in the temple of the God";

2. Minimizes self education in information on voluminous 8th King globalization subjects in millions of websites and alternative news sources on the internet; (See Luke 21:25-26) whose overwhelming activity fulfills various 8th King prophecies, and indicates the Governing Body is purposely ignoring what everyone else and his mother
The Man of Lawlessness

has complete websites and blogs about in globalization details of modern developments and current events related to 8th King globalism;

This also helps aid the concealment of plainly active developmental prophetic details of the 8th King world government as the Governing Body keeps all prophetic commentary regarding 8th King globalism connected realities at 1960s level
The Man of Lawlessness

- of understanding
- meaning
- nothing goes beyond the "United Nations" in insight
- even though the world itself has documented developmental histories and research that are beyond the UN in worldwide scope of the components and resource management devices of world government in formation;

This frozen and backward prophetic commentary was effectively permanently squelched and
filtered in that backward loop mode in 1990, amidst the Governing Body joining the 8th King openly (but secretly at the time), of which they had to be shadow partners before the UN NGO for such a development to have ever occurred in the first place;

Thus keeping Jehovah’s witnesses off the web helps keep
JWs in the 1980s mentally regarding the United Nations development into an actual worldwide globalist super-government;

The Governing Body of globalists wants the focus on the United Nations (as that cannot be concealed since 1945 among JW prophetic commentaries that are accurate; (Rev17:8-11) to create the JW impression the United Nations is the "end all"
8th King development, not as only part (image) of an entire globalist network of expanding globalization, fulfilling prophecy in many ways uncommented on and unexposed in prophecy, affecting all world "power and authority" progressively; (Rev17:11-17);

This keeps JWs thinking the United Nations, which is just the "image" of a guaranteed far greater "world government" "scarlet
The Man of Lawlessness

wildbeast" development, is as far as the 8th King will develop, all done! Armageddon next!

What is being concealed from Jehovah's witnesses is that UN "image" is also co-developing with the "scarlet wildbeast" reality of which it is the "image" of an actual worldwide governmental globalist world government "scarlet wildbeast" far beyond the United Nations
The Man of Lawlessness

17 acre New York complex scope of deployment;

And that obviously is going to take a final accelerated development cycle and a prophetic one at that parallel with God's Kingdom final developments to also completion (144000) concurrently with the globalist 8th King contender; and that timed period of development required the GB also wants to
The Man of Lawlessness

conceal from JW awareness to take advantage of that truncated prematurely advanced mindset for the time when that final world drive actually activates in earnest, for a number of years, while JWs sit stunned and amazed, confused and bewildered for some of those years wondering just what the heck is actually going on;

What is
The Man of Lawlessness

actually going on is a divinely permitted temple judgment and limited but serious "temple desolation" for UN NGO lawlessness and temple purification purposes prior to the actual final JW ministry some years later over marked prophetic fulfillments in a replicative final temple sequence;

And that delay in JW and world understanding and accurate public proclamation
The Man of Lawlessness

aids the 8th King world developmental climax drive's initial secrecy as to Bible fulfillments which are actually highly detailed prophecies in interconnected sequential frameworks describing foretold completion (of both 8th King world government and God's Kingdom) some years later for a full world government and "image" completed presentation "disgusting thing" as per Daniel 8:25 and 11:44-45,

with
valid
rationale;

Priority
1:
JWs
Must
Help
Hide
the
Man
of
Lawlessness

Shunning therefore aids continued concealment of the "man of lawlessness" from chance exposure and is an inquisitorial tool of fear and reprisal to also keep the sheep silent and in line for the initial 8th King "round up" when the "man of lawlessness" turns into the betrayer "son of
In the meantime it is viewed as ludicrous by the world in general (2Pet2:1-3) when applied lump sum, to any kind of sin regardless of severity and is often the final result of a reactionary squad of increasingly "useless shepherds" and their foretold "implements" of sheep beatings and killings as the "Governing Body";
collective icy and arrogant "inquisition" personality is imbibed to some degree (Rev8:10-11) into the elder body "neo-Jesuits" after years of subtle, smoothly worded conditioning to those frigid temperatures and cold techniques of frozen policy giving full leverage to some heartless killers now disguised as shepherds like their GB masters, to some degree of operations in many,
The Man of Lawlessness

if not all, congregations where this brand of predatory wolf resides;

(2 Peter 2:3) But as for them, the judgment from of old is not moving slowly, and the destruction of them is not slumbering.

And the awareness of the preliminary start of that judgment (1 Peter 4:17 is Dan 8:13-14), is also what shunning tactics are
helping to ensure remains unknown to Jehovah's witnesses, who like Israel in similar repeating circumstances of judgment amidst rationalized lawlessness, must be caught "nodding off" for this phase as well (Matt25:1-13) due to Governing Body regularly administered spiritual "sleeping pills" and Bethel brand "laughing gas";

This is all accepted by us JWs as well intentioned
organizational policy designed to protect congregations from spiritual damage, while the main Governing Body Pied Pipers of Doom direct the works from Bethel mandating such handy and "caring" protection protocols;

Thus the JW "sheep" are deceived to actually aid the "wolves" in devouring other "sheep" and keeping their bleeps silenced, prodded by the fear of
falling

the
same

if
one

Needless

beneficial
for
him
to
have
hung

See to it that you do not despise one of these little ones; for I tell you that their angels in heaven always behold the face of my Father who is in heaven.

14
Likewise
it

These ideas and scriptures are not Governing Body favorites;

The "Shunning Policy" is ultimately:

1. A Governing Body device to aid "man of lawlessness" concealment by squelching and filtering potential sources of exposure;

In
any event, the Governing Body suppresses truth purposely; (Romans 1:18);

Additionally, JWs are isolated away from alternative sources of much accurate developmental news on the internet in many aspects of globalization setups, such as much research showing financial setups that ensure the national powers will go into worldwide debt receivership like a collective national foreclosure

Corporate Positioning

Notes:
The alliances formed in rogue independent fashion by the Governing Body in covert developments which led to the United Nations Non-Governmental Organizations membership of the Watchtower Bible and Tract Society as a Bethel unit of the Department of Public Information to disseminate "wildbeast" news worldwide is
The Man of Lawlessness

a key clue of how this operation effects critical positioning with nary a consultation with anyone but 8th King intelligence technocrats headquartered at Bethel;

Bethel and all Jehovah's Witnesses were basically setup as a spiritual advertising agency for the United Nations 3rd global proclamation tour utilizing the footwork of millions of Jehovah's Witnesses to this

The Governing Body and other "corn fed" Bethel elites and expert predatory parasites are not simply going to pull up the picnic tent, close the expense accounts, skip a meal and leave of their own volition;

Now imagine
that Bethel system strategically targeted by enemy intelligence infiltration from decades ago, all playing the contrived canned JW role, with expert planning and unlimited resources to effect the finale of this trap, and the years of setup and positioning it has taken to get to this JW org condition;

We can expect every level, part
and every property of the JW organizational system is in planned positioning for seizure attempts in some way as the coup will be successful but not absolute;
The depth and systemic penetration of the viral leaven of the Bethel elite and governance system (Rev8:10-12) will require an upheaval to foundational temple levels because this "Bethel" edifice
The Man of Lawlessness

is not actually "God's organization" which is ultimately the genuine remaining, soon to be fully sealed if not now, anointed "body of Christ" that must assume the vacuum the expulsion of the Bethel parasites and predators will leave open; (Zechariah 3:4-5);

Even the "inner garments" of the Governing Body of secret sins will not escape
this preliminary temple judgment on ALL of Bethel fulfilling Hosea in entirety in final form, God is demolishing Bethel to the foundational level of purity to finish the temple and it's proclamation ministry; (Isaiah66:6);

And that will require quite the set of events to befall the Jehovah's Witnesses worldwide organization "established place" in unmistakable fulfillment
of Daniel 8:13-14 as Revelation 8:1-13 as 1Peter4:17 commencement;

It will also take quite the set of events to wake up JW's with four trumpets amidst the removal of the symbolic "1/3" of all Jehovah's witnesses in compromised, defector and fraud "Jehovah's Witness" form;

No wonder most Jehovah's Witnesses will take the Governing Body

Financial Positioning

Notes: Well it does not take a prophet to understand the JW ministry is dependent on financial resources to carry out the global ministry, and is controlling perhaps billions in these resources, capital and properties, and all of it is in "lawless one" hands for 40 documented years of progressive positioning for a finale of engineered events;

It is also common knowledge in world financial news that large scale investment is increasingly subject to international scales of globalized legal jurisdiction beyond national governmental authority and abilities to police or manage;
The Man of Lawlessness

And that is the globalist finance "basket" Bethel has had it's "nest egg" put into by Governing Body secret reorganization specifics;

If the Bethel defection parties and the Governing Body do not peep a word on the UN NGO "affair" officially, even after full world planned exposures for a decade, following a decade of covert alliances and co-promotionals, are they going to tell Jehovah's Witnesses that the entire financial and capital infrastructure of Bethel worldwide and the global maze of corporations, assets, properties and specialized management has been reorganized and aligned into globalist scale devices for controlling that empire's coup-de-grace absorption into globalist coffers and controlling quagmires aided by globalist technocratic consultation inside and outside of the Bethel networks overseen by the Governing Body central intelligence and other 8th King agents?

Of course not.

And that is the basic concept of the deployment of a "legal" network of organized crime in the Governing Body intelligence operations setting up trap-systems like these at scales and complexities that whole law firms could be assigned to, and research volumes could be written on, if anyone had the years to untangle this treacherous web of masterminded strategies, deceit and confidence gaming led by the clearly UN NGO "befouled", 8th King allied Governing Body; (Zech3) It is far bigger than can be or need be documented here to get the gist of what is being accomplished by experts of concealed lawlessness; (Lam 1:10); given full run of Bethel internals worldwide for decades;

It's the making of the financial desolation of the temple "treasury" and the attempted bankruptcies and seizures of securities of the worldwide Christian ministry being clearly set-up by matured internal compromise of the Bethel corporate network worldwide;

Now all JW expertise and system devices of logistics, banking, investment and "risk management" is vulnerable in decades of covert "inside job" setup operations on easy-to-fool actual JW brothers - not the most suspicious guys on the planet nor the wily likes to deal with masterminded expert cons installed all over Bethel financial and legal operations well hidden in JW superficialities - that is like handing multiple millions in JW money right into the globalist financial baskets of the 8th King "investment casino" network just waiting for the proper event to waltz off with those millions (Eze7:22), lock up millions more in properties backing those device securities in tangled trans-national legalities, at a scale of worldwide webworks and an international convoluted legal jurisdiction maze that can tie up the ministry for literally decades of critical delay legally applied for that purpose;

Then imagine all this with absolutely complete understanding of the entire worldwide organizational logistic system of Jehovah's Witnesses currently administering these resources, aided by mixed in operational implants from Governing Body levels, to Zone Oversight, districts, circuits on down to fraud elders and fake "sheep" in congregations to an unknown degree also in the same act - waiting for the proper event(s);

And all aided by national "powerful governments" as well, puppeted by higher level globalist mastery of intrigues to ruin and or seize up the entire worldwide ministry of Jehovah's witnesses - even before final enlightenments; (Dan8:23b; 8:25a; 11:39)

No wonder legal and finance savvy rat and snake killers like Charles Russell and Joseph Rutherford had to guard the early ministerial organization from spiritual con men already targeting the organization at that time; Now the Governing Body and other boards of lawlessness appointed their own savvy insider rats and snakes to run the advanced technocratic systems in this worldwide ministry, mixed in with the easily dupable and naive genuine brothers hoodwinked beyond all get out - further misled by Governing Body interpretive myths of Daniel 8:11-25 and 11:27-45, and further persuaded by the threat of banishment from the "Popes" in the Governing Body and their misled inquisitional elder networks of various sycophants and puffed up do gooders, all misled and providing a Revelation 8 "1/3" symbolic degree of actual defection while remaining in positions of oversight;

Maybe a couple brothers at Bethel or the satellite systems are putting a couple pieces together by now and even seeing personally dubious and questionable secreted Bethel activities; No need to resist except to level of personal conscience, because this has to run the full course of Revelation 8 and other prophecies that cannot be sidestepped or diverted from FULL manifestation;
The Man of Lawlessness

In any event, the ministry has multiple ways of being fully confounded or systematically seized up or ruined, stalled, delayed and derailed; whether by destructive or physically non-destructive means, the actual prophetic truth can be potentially (but impossibly) delayed from JW awareness for enough time for the 8th King to proceed to "New World Order" "scarlet wildbeast" world government - over the final development phase of a number of years outlined in prophecy - with no prophetic exposure in official capacity, rendering the entire JW ministry as FAILED;

That is what the 8th King technocrats and their Governing Body moles would love to accomplish, but must fail for God's own checkmate move; (Daniel 11:32b)

And all this critical derailing and organizational diversion while the prophecies explicitly identify a continuum of these EXACT developments in detail, as JWs are now unaware, due to the master deceivers in the "man of lawlessness" network "in the temple" fronted by the visual appearances, "cult of personality", ritual overkill and "smooth word" confidence unit in the contrived "Governing Body" "lifted up"; "seated"; "set in opposition" "JW" hoodwinkers running the operations;

In other words, as per prophecy, the Christian ministry will need a preliminary divine intervention to be saved; (Zech3:4-5; Hos1:4-7; Isa66:6); albeit in covert, but guaranteed effective fashion;

Had this Governing Body simply remained in it's present purposely comatose grand parasitic rooted form, the ministry would be ruined even while apparently functioning - all awareness of any prophetic reality concerning globalist 8th King world government developments fulfilling prophecy after 1945 would be lost at the 1990 crossroads, as JWs were diverted down "man of lawlessness" street, led completely off course in UN NGO alliance and related prophetic cover ups by the fraudulent now fully 8th King controlled Governing Body;

But that attempt is not successful (Dan11:32b), as ALL of this as per prophecy, all of these developments manifesting into a complete cycle of final prophecy, including the renegade Governing Body of globalist operations "man of lawlessness" (2Thess2:1-4) is used for the Divine Purpose in the final prophetic progression and awareness signaling more to come, as their "check" of the JW ministry is the "check mate" of God's King, Christ coming into power with FULL warning AIDED BY THESE DEVELOPMENTS, over a number of years and timed prophecy periods((1) Dan8:14 (1150 days minimum) to (2) Rev11:2-3 (1260 days final warning)) upon the first enlightenments of the angelic laser dots now covering the "Governing Body", as fully exposed "man of lawlessness" in initial form, from head to toe, becoming more and more complete unto their expulsion as the main temple profaners (2Thess2:8; Zech3:3-5); that help trigger the final temple judgment; (Dan8:13-14; 1Pet4:17)

God ensures the Governing Body, and all JWs involved or not, at some point of time in this development (Dan8:14;
The Man of Lawlessness

Rev 8), get full warning prior to and into temple purifications aided by angelic powers which WILL be successful in the full expulsion and continuing expose' of infamy of the "Governing Body of Lawlessness" - and it marks the beginning of the final temple prophetic cycle in a progressively heightening profile manner guaranteed by GOD to develop
as this goes into recovery (Rev 9), minus the Governing Body rogues and their supporters from Bethel down the chain of the judgments of Revelation 8 paralleling the Daniel 8:14 timed period of 1Peter 4:17 temple judgment initiation;

Prophecy promises this as the entire "lawless one" circuits are terminated and or neutralized out of the temple in

(2 Thessalonians 2:8-10)

. . . .Then, indeed, the lawless one will be revealed, whom the Lord Jesus will
do away with by the spirit of his mouth and bring to nothing by the manifestation of his presence. 9 But the lawless one’s presence is according to the operation of Satan with every powerful work and lying signs and portents and with every unrighteous deception. And thus God aids Jehovah’s

Witnesses with also super-human aid as foretold to clear a respite into and after Governing Body stealth removal and or intrigues here and there, but everywhere, to squelch this first globalist check move on the temple;

The first Assyrian attack of 740 BCE on Israel provides this initial pattern repeating in Betel sins and divinely
permitted desolations (Dan8:13-14):

(Hosea 1:4-7)
.
.
And Jehovah went on to say to him: "Call his name Jezreel, for yet a little while and I must hold an accounting for the acts of bloodshed of Jezreel (Bethel administrations and proper) against the house of Jehu (Modern day Samaria: Bethel), and I must cause
of the house of Israel to cease. (Governing Body)

5 And it must occur in that day that I must break the bow of Israel (Dan8:13-14) in the low plain of Jezreel." 

6 And she proceeded to become pregnant another time and to give birth to a daughter. And He went on to
say to him: "Call her name Lo-ruhamah, for I shall no more show mercy again to the house of Israel (Bethel), because I shall positively take them away. (Dan8:13-14) 7 But to the house of Judah (worldwide JW distribution with anointed) I shall show mercy (Zech3:4-9), and I will save them by Jehovah their God; but I..."

We must now see the Governing Body is just a well performed "superfine apostle" act and production; No one has to honor them as any sort of lords or leaders, certainly not divinely approved but condemned guaranteed, and certainly
not holy but leaders of spiritual subversions of the greatest magnitude since the Pharisees of Jesus Christ's time, they are "peas" in the same traitor faithless hypocrite "pod", plain and simple, devils in disguise -
do not be misled or fooled by sham appearances and grandiose claims of these sinners in the Governing Body, their accomplices
and misled supporters;

That is why this temple judgment is going to be in the context of events at Biblical proportions as no other way exists to get through to, and recover, the lost Jehovah's Witnesses led by these "GB" Pied Piper Vipers;

The "fire" of the Governing Body pyres of ouster (Zech3:2), and

just beginning to really manifest globally and will proceed in marked prophetic manner all the way to Armageddon (over some years) for final destruction of the globalist 8th King world governmental system and all comers against God's Kingdom some years
The Man of Lawlessness

after this temple judgment purification to final sovereign resolution at Armageddon:

(Rerevelion 19:19-21)

. And I saw the wild beast and the kings of the earth and their armies gathered together to wage the war with the one seated on the horse and with his army. 20 And the wild beast was caught, and
along with it the false prophet that performed in front of it the signs with which he misled those who received the mark of the wild beast and those who render worship to its image. While still alive, they both were hurled into the fiery lake that burns with sulphur. 21 But the rest were killed.

.
.
.For
Jehovah will rise up just as at Mount Perazim, he will be agitated just as in the low plain near Gibeon, that he may do his deed—his deed is strange—and that he may work his work—his work is unusual.

That "rise up" is the Isaiah "666" removal scripture, Isaiah 66:6: divine covert wipe out
of internal globalists trespassers scattered "in the temple" as a God given "private message" from Christ for a personal "globalist preview" of things to come at a far greater scale after Revelation 8 progresses (over some years) to and through Revelation 11:7 final 8th King globalist attacks of parallel Daniel 11:44 and Daniel 8:25 identical, parallel
globalist 8th King final attacks that end in Armageddon operations, at some unknown time in Daniel 12:11 timed period (1290 days) of Daniel 7:26 as Matthew 25:31-46, Matthew 24:29-31, Revelation 6:12-17, post 1260 day (Rev11:2-3; Dan7:25; 12:7) timing of the Revelation 11:7 final globalist 8th King attack;

...But to any man upon whom there is the mark do not go near, and from my sanctuary you should start." (1Peter 4:17) So they (angels) started with the old men
The Man of Lawlessness

(Governing Body) that were before the house.

The first four trumpets and parallel first four bowls/plagues provide the context of all this, and an intensified fulfillment of this prophecy as Revelation 8:1-13 and Revelation 16:1-9 activate in full symbolic "four square" worldwide activations:

(Haggai 2:7-9) . . . "And I will rock all the
nations, and the desirable things of all the nations must come in; and I will fill this house with glory,’ Jehovah of armies has said.

8 “The silver is mine, and the gold is mine,’ is the utterance of Jehovah of armies.

9 “Greater will the glory of this later house become than [that of] the
former,’ Jehovah of armies has said. “And in this place I shall give peace,’ is the utterance of Jehovah of armies.”

Notes: As repeatedly shown throughout this report:

Team Effort with 8th King Purposes

1. The Governing Body is working with 8th King globalist world event planners and they share mutual intelligence and objectives;

This is shown by details in Bible prophecy in two globalist prophetic progressions in Daniel 8 and 11 that include temple developments that manifest during the details of these prophetic accounts progressions over time; Both Daniel 8:11-25 and Daniel 11:30-35 are developments taking place over definable time periods;

The prophetic descriptions in accurate interpretation leading to 1990 events and climax conditions after that time connect globalist maturing developments of world government climax to general and specific Jehovah's Witnesses manifesting temple transgressions, progressive infiltration and progressive spiritual compromise (Daniel 8:11-13; 11:30; 11:41);

The prophecies clearly describe multi-party (globalist and internal globalist "JW" agents) teamed efforts from external, internal and defector Christian developments to climax the specific apex transgression related to the Governing Body and Jehovah's Witnesses and United Nations Non Governmental Organizations (UN NGO) 1991 developments (Daniel 11:31b);

The prophecies also describe a 2Thessalonians 2:3-4 supporting JW organized internal temple apostate condition with a resultant comprehensive apostasy in Daniel 11:32; well hidden and disguised to Jehovah's Witnesses internally (2Cor11:13-15) but easily seen on closer inspection from external impartial assessment of cumulative evidence, trends and statistics of marked decline over 20 and 30 years of gradual compromise led by purposeful lawlessness proliferating operations from top down leadership center of corruptions, applied with expert techniques and intelligence, to aid globalist world government developmental final objectives as per prophecy;

Governing Body Cover Up

2. These provable prophetic descriptions are not commented on
The Man of Lawlessness

by the Governing Body although former interpretations are invalid for numerous reasons, and these erred but promoted beliefs on these critical prophetic realities in Jehovah's Witnesses today aids cover-up (Dan8:12b) of actual prophecy and the lawless condition now the Bethel standard operating procedure fully accepted by most Jehovah's Witnesses fully deceived;

JW Trap Setup

3. This interpretive error also leaves JWs prematurely hanging at an invalid Daniel 11:42-43 USSR fictional completed fulfillment awaiting the final fulfillment of Daniel 11:44-45 King North attack and the end drive to Armageddon amidst this "King North" attack:

(Daniel 11:44-45) "But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. 45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

Obviously this mental belief positioning has the potential to severely mislead JWs in the event of a world event that may be perceived as "King North" attack. (As shown, Daniel 11:44-45 is not the next development on the actual globalist King North agenda leading to matured full world government that will take a number of additional years of world developments to complete, all foretold in prophecy ignored or silenced by the Governing Body.);

Jehovah's witnesses are mentally primed and misled to believe that "great tribulation" "end all" development is next, when actually Daniel 11:42-43 is globalist world financial takeover of national debt and ownership that is yet to enter climax development concurrent with sovereign "power and authority" transfer from national deposing sovereignty to globalist apex sovereign 8th King systems in Revelation 17:12-17 paralleling Daniel 11:42-43;

By those and other methods therefore JWs are expecting "the end" any day now and that leaves JWs misled and vulnerable for engineered events meant to fully derail and bewilder JWs for years as the actual end is not next, and the final developmental 8th King world drive takes years to complete through another global tribulatory complex of governmental, military and economic conflicts;

How to Set-Up JWs Like 8th King Sitting Ducks
Prophecy Indicate a Final Developmental Drive is Needed

4. By prophecy and developmental logic of the needs of actual full world government (8th King), what is actually starting is the foretold final globalist world developmental drive that takes years to reach full Armageddon conditions of full "scarlet wildbeast" 8th King complete actual world government;

What is happening by this purposeful misinformation application from the compromised Governing Body is Jehovah's Witnesses are being set up for an obvious potential hoax event created by globalist massive world events to create the context for this lengthy world drive to full power that the Governing Body can aid the "end of the world" perception of, to pull off an orchestrated coup-de-grace on the JW ministry, while JWs think it is the actual end in the process;

And that aids the globalist world confusions also intended to intensify in this period leading to the "world government" solutions of the 8th King in as persuasive and compulsive a fashion as possible to lead to full Revelation 16:12-16, 19:19-21 world collective unification conditions; (Rev13:16-18);

The end is not next (temple judgment is next) and prophecy, globalists and the Governing Body know it is just the beginning of the final developmental cycle amidst that judgment on JWs first;

This is not the terminal "the end" as other major prophecies - in an entire signal and replicative sequential framework - must fulfill concurrent with this final development and foretell in detail it's main features and approximate unfolding timing for a number of years (Dan8:14 + Rev11:2-3), including this first foretold modern "lawlessness" engineered development deep "in the temple" and the conclusive exposure of the "man of lawlessness" network braincenter Governing Body who is that connective prophetic signal of an important criteria indicating NOW more fulfillments must follow this scriptural prerequisite clearly shown at 2 Thessalonians 2:3:

...it (the final terminal comprehensive judgment sequence) will not come unless the apostasy comes first and the man of lawlessness gets revealed...

Man of Lawlessness Governing Body Revealed Signal

5. And now the Governing Body and the whole organizational compromise is being exposed as connected to critical prophetic signal development not to stumble more people (like the GB uses disconnected random sin to accomplish), but to connect the Governing Body and their purposeful lawless agenda to the terminal final sequence;

This awareness actually builds faith and explains from the Bible
why the Governing Body broadcast masterful lawlessness, while remaining deeply concealed, allowing no one to make the important connection to this ominous reality actually signalling temple judgment, temple desolation, and temple purification for GB sins and by extension the whole JW "official" apostasy they founded;

This "evil slave" "son of destruction" "the Governing Body" wants to take advantage of this misconception and mistimed expectation in JW minds, and the guaranteed "desolating" conditions of the temple judgment which will be massive, and make JWs believe it is instead "the end" to perform a final extended bewildering, seizing and "desolating" coup de grace on the worldwide organization and ministry of Jehovah's Witnesses to aid covering up and misinformationalizing the actual 8th King world governmental extended overdrive run to full world government over foretold final engineered global conflicts and tribulations that will unfold for years after this temple judgment activates;

Temple Judgment Misconception

6. Obviously JWs will be utterly lost in the current misled "it's the end" mindset unaware these adverse effects and temple tribulation are permitted by God, from globalist camps, to account for UN NGO and other sins, NOT some divine deliverance to eternal picnic petting zoos, volleyball games, and resurrection parties - yet; (That will come, but not at this time)

Big World Events Coming

7. Whatever it is that kicks off this final "8th King" "King North" world government completion cycle will have to be big enough for JWs to think the end is here and "great tribulation" has begun;

THAT is what will develop next, soon;

In fact that development provides the Revelation 8 and 16 initial four trumpet and bowls context of the foretold temple judgment desolation for UN sins among other lawlessness;

In any event, JW will believe for the most part Armageddon is next, great tribulation has begun, and they will be in that state, amidst an actual temple judgment (1Peter4:17) and multi-year 8th King overdrive event to full world government that will take marked timed prophecy and some years to climax, and none of what they expect will materialize, except for the temple desolation (but for completely different reasons);

But the context of the temple desolation is not the final Daniel 11:44-45 attack at Revelation 11:7, it is to fulfill the judgment of God at Daniel 8:13-14 BEGINNING Revelation 8-9, long before Revelation 10-11 at JW recovery after temple purification - so in effect, JWs are completely lost as to world developmental and Bible prophetic reality;
The Man of Lawlessness

Governing Body "Seated" (2Thessalonians 2:3-4)

And that is exactly what the MOL GB and globalists want;

8. The Governing Body intends to remain as long as possible to direct the mayhem, while playing God's chosen, while being protected and worshipped by their victims;

In fact we do not know how the temple hit will exactly transpire as Jehovah's Witnesses are a large worldwide organization, meaning methods may vary;

In any case, the Governing Body remaining as is, amidst any conditions, will be bad enough because a delay of the final ministry for years in the current condition it is in is serious enough;

Theoretically amidst the actual unannounced temple judgment initial event, the Governing Body can just direct the confusions into more "false prophetic" public reproach amidst an Armageddon development that will not come for years, until AFTER the fourth and final "placement" (Daniel 8:25; 11:45) of the "disgusting thing" (Dan12:11) and full "scarlet wildbeast" world government years after the divinely permitted temple desolation which would, in this scenario of delay, still be unknown to JWs and the final ministry would never materialize;

Governing Body Removed

9. But according to prophecy such a long delay overextended beyond the Daniel 8:14 appointed time will not take place, this is hypothetical to point out that a "desolation" does not have to be physically destructive to achieve the "holy place" being "trampled" and the "established place of the sanctuary" being completely thrown down; (Daniel 8:11-13);

Temple Desolation May Vary

10. Although it may include such developments of destruction physically, any kind of seizure, of capital, properties, people, the ministry itself can "desolate" the ministry and fully remove even the tainted current "constant feature" and any chance of the actual truth going forth;

Even a delay, in an attempt to cover-up all the prophetic truth all the way until this 8th King is complete would be spiritually disastrous for true Christian Jehovah's witnesses who would utterly fail the final ministry of Revelation 10-11, and likewise, disaster for those who would make up the now empty "great crowd" of survivors, some of which "lost sheep" would have responded to that now failed final ministry; (Matt25:31-46; Rev7:9-17);

Therefore any continued "Governing Body" in the "man of lawlessness" network presence would be damaging in any
The Man of Lawlessness

context - therefore it is divinely guaranteed by temple and priesthood purification prophecy, that at the appointed extent of time known to God in whatever way needed, the Governing Body will be terminated from power and possibly existence in part or in whole;

Temple Recovery after Purifications Guaranteed

11. The timing of the temple purification of Zechariah 3:4-5 has to achieve the temple and ministerial recovery of Revelation 9;

That development is after the temple judgment and desolation of Daniel 8:13-14's adverse "evening" period which parallels Revelation 8 "1/3" JW "earth" judgment and removal events amidst the first four trumpets alarming wake up call to JWs obviously heading for the "abyss" state of Revelation 9:1-4 "desolated" recovery context amidst full temple cleansing;

God's First Message to Globalists

12. The point is, when those Zechariah 3 "befouled garments" are angelically removed, it is the end of the "man of lawlessness" in Jehovah's witnesses (2Thess 2:8);

Those GUARANTEED events are covert angelic stealth sorties according to divine perfect prophecy and direction that enables the Revelation 9 full, cleaned recovery of JWs and the truth, (it is not the end) and the Zechariah 3:6-7 ultimatum is also enabled in a pure condition, which when accepted by anointed Christian Jehovah's Witnesses is the "little scroll" ultimatum of God, it's full understanding and mission acceptance leading to the final 1260 day Revelation 11 repeat of the second "two witnesses" final world warning unto full Messianic Kingdom;

Of course divine prophecy and God and Christ cannot be foiled by mere mortal limited globalists and Governing Body Bethel fat cat actors and agents of the 8th King, or demons or Satan (Zech3:1-3), so this will proceed guaranteed successfully inspite of the potential 100% ruination or total delaying seizure of the JW ministry in erred impotence;

The field missions of the globalists against JWs will also be terminated or neutralized at approximately this time (Hos1:4-7) by apparently "circumstances" under angelic control, and covert operations by the heavy duty angelic heightened presence of Zechariah 3, Revelation 8/16 to:

1. Create the temporarily harassment free recovery period of Revelation 8-9 unto Revelation 10-11 final commission and final ministry;

2. Finalize Isaiah 66:6:

(Isaiah 66:6) There is a sound of uproar out of the city, a sound out of the temple! It is the sound of Jehovah repaying what is deserved to his enemies. (That is temple cleansing, not the "end of the world" of rival sovereignty)
The Man of Lawlessness

Paralyze or reverse globalist anti-JW field operations:

(Hosea 1:7) But to the house of Judah (JWs external to Bethel, in field) I shall show mercy, and I will save them by Jehovah their God; but I shall not save them by a bow or by a sword or by war, by horses or by horsemen.”

3. Let the "man of lawlessness" network know it is time to leave or be vaporized by angels, for those still alive and present in JWs CANNOT remain, and power beyond human WILL cleanse and purify the "temple";

4. Let the globalist camp know, by "private message" in preliminary stealth angelic "encounters" of unknown severity - but limited to specific targets covert to the world, plainly seen by the enemies - that God and Christ are in THEIR temple, so you know were to find them for Revelation 11:7 time;

God's Taunt of Globalists for War

13. And for the globalist global military system to get Joel 3:9 "ready" (Eze38:7) for all out war with the Kingdom of Christ SOON; (That is a well known Divine taunt intended for globalist ears, and made very real when the prophetic mini-events described here neutralize various globalist anti-JW operations as a signal, not the end, but a message to the rival 8th King personally from God and Jesus Christ to GET READY for Armageddon - this is real.)

Close Encounters of the Angel Kind

14. That is why some of the Governing Body, some of the undercovers in JWs, and some globalists will meet angelic encounters and worse for some, so the surviving eye-witnesses can take the news back to their elite handlers of what TRULY will be waiting for them at the appointed time and where the real temple is, and they can repent and surrender like anyone else and live, because this angelic encampment of God in stealth form will aid the final ministry as per Revelation 8-11, 16 and Zechariah 3, this will just be a sampling of things to come;

Lord Archangel Michael's neutralization of the 185,000 Assyrians attempting to extend operations from Bethel and Samaria to Jerusalem is the pattern of what these angels deployed in this period are capable of for similar reasons - to let the current human kings know the days are numbered and to give it their best shot for the grand finale, or surrender, the choice is theirs;

First of God's Final Warnings

15. And God gives real and fair warning and invitation for salvation even to His current enemies to effect repentance for life; But like Pharoah of Egypt, many just can't seem to humble
The Man of Lawlessness

themselves, so God does it for them in His appointed hour;

If not He tells them the real story of what is "in store";

Final 8th King Globalist Attack

16. From there the temple purification will be complete, the ministerial recovery will be in progress and will proceed through the final trumpets and plagues (5 and 6) to the final Revelation 11 1260 day "two witnesses" (completing the full "seven times" as 2520 days including 1914-1918) and unto Revelation 11:7 second and final globalist 8th King attack as they are assuming or have assumed full power (and heard the Kingdom warning), this takes an unknown interim period - but the 1260 days completes fully as guaranteed by God and Christ, the ultimate "two witnesses", as per Revelation 11:7;

(Revelation 11:7) . . .And when they have finished their witnessing, the wild beast that ascends out of the abyss will make war with them and conquer them and kill them. (This anointed destruction aids the completion of the 144000 Kingdom "royal family" for the divine retort with full Messianic Kingdom power)

Armageddon

17. Then things go into the absolutely final period of Daniel 12:11, Daniel 8:25, Daniel 11:44-45 fulfillments, final "sheep and goat" separation, and onto Armageddon and the complete conquest of God, Christ and the Messianic Kingdom of God forever;

(Daniel 11:44 should be the final "disturbed" response from the globalist world government and supports to the "good news" in those final "little scroll" impending Sovereign Kingdom of God "reports" paralleling Revelation 11:7 final attack on JW "two witnesses", and "then the end will come"; Daniel 11:45 at Revelation 19:11-21)

The "good news" will have been completely preached for real;

(Revelation 10:6-7) ...he swore: "There will be no delay any longer; 7 but in the days of the sounding of the seventh angel, when he is about to blow his trumpet, the sacred secret of God according to the good news which he declared to his own slaves the prophets is indeed brought to a finish."

(Revelation 16:17-18) And the seventh one poured out his bowl upon the air. At this a loud voice issued out of the sanctuary from the throne, saying: "It has come to pass!" 18 And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great.

In effect, the entire Governing Body and 8th King "man of
The Man of Lawlessness

lawlessness operation adds to the credibility of the final prophetic sequence beginning with the progressive full exposure of that operation and its removal amidst a very real temple judgment and temple cleansing prior to Armageddon for accurate information to empower a convincing final warning ministry of the inevitable 144000 completion of the Messianic Kingdom of God and Christ, with Christ as King of kings, NOT THE 8TH KING GLOBALIST NEW WORLD ORDER;

1. Prophecy

2. Objective

3. Divine Recovery Period

Notes: (Zechariah 3:1-5) . . . And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?” 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to those standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.” 5 At that I said: “Let them put a clean turban upon his head.” And they proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by.

(Hosea 1:4-7) . . . And Jehovah went on to say to him: “Call his name Jez’rê-êl, for yet a little while and I must hold an accounting for the acts of bloodshed of Jez’rê-êl against the house of Je’hu, and I must cause the royal rule of the house of Israel to cease. 5 And it must occur in that day that I must break the bow of Israel in

the low plain of Jez′re·el.“ 6 And she proceeded to become pregnant another time and to give birth to a daughter. And He went on to say to him: “Call her name Lo·ruha·mah, for I shall no more show mercy again to the house of Israel, because I shall positively take them away. 7 But to the house of Judah I shall show mercy, and I will save them by Jehovah their God; but I shall not save them by a bow or by a sword or by war, by horses or by horsemen.”

(Malachi 3:1-5) . . . “Look! I am sending my messenger, and he must clear up a way before me. And suddenly there will come to His temple the [true] Lord, whom YOU people are seeking, and the messenger of the covenant in whom YOU are delighting. Look! He will certainly come,” Jehovah of armies has said. 2 “But who will be putting up with the day of his coming, and who will be the one standing when he appears? For he will be like the fire of a refiner and like the lye of launderymen. 3 And he must sit as a refiner and cleanser of silver and must cleanse the sons of Le′vi; and he must clarify them like gold and like silver, and they will certainly become to Jehovah people presenting a gift offering in righteousness. 4 And the gift offering of Judah and of Jerusalem will actually be gratifying to Jehovah, as in the days of long ago and as in the years of antiquity. 5 “And I will come near to YOU people for the judgment, and I will become a speedy witness against the sorcerers, and against the adulterers, and against those swearing falsely, and against those acting fraudulently with the wages of a wage worker, with [the] widow and with [the] fatherless boy, and those turning away the alien resident, while they have not feared me,” Jehovah of armies has said.

4. Dual Attack Mode in Prophecy
Notes: Two Globalist Attacks in Final Prophetic Cycle Pictured in Assyrian (740 BCE) Attack and Babylonian (607 BCE) Attack;

Temple Judgment Background – Governing Body Covers Up “King of the North” Actual 8th King Meaning

Temple Judgment – The Prophets in Details of the Final Prophetic Cycle

The prophetic principle of the coming judgment dual cycle of 8th King attack periods incept and final are already in prophecy.

1. The Assyrian
Israel/Samaria/Bethel attack of 740 BCE, and Bible prophecy concerning that attack, prefigures this initiating first attack on Jehovah's Witnesses at the temple judgment of Daniel 8:13-14 (1Peter4:17); (Isaiah 37:1-29; 2Kings 19:20-28);

2. Like the Assyrian attack on Israel, this serves as a signal to Jehovah's witnesses that in time leads to the final Revelation 11:7 8th King final attack separated by a recovery and final ministerial 1260 days; (Isaiah 28; Hosea (whole book); Hosea 1:4-7; Micah; Amos; Joel);

3. The 607 BCE Babylon "head of gold" (Daniel 2:31-45) attack on Jerusalem prefigures the second and final globalist attack of Revelation 11:7, 11:2 "holy city"; (Daniel 11:44-45; 8:23-25 is parallel with this final attack prophecy);

These attacks are separated by the recovering ministry of Revelation 9 of an unknown duration proceeding after the temple judgment as Daniel 8:13-14 parallels Revelation 8
judgment events on JWs; That temple purification will lead to Revelation 10-11 and the cleansed final warning ministry the second "two witnesses" and the actual final attack of Revelation 11:7 after that 1260 day ministry concludes;

This period is therefore in the future at least the amounts of the timed temple judgment (Dan8:14; minimum 1150 days) and this final 1260 days of Revelation 11:2-3 concluding here:

(Revelation 11:7) And when they have finished their (1260 day) witnessing, the wild beast that ascends out of the abyss will make war with them and conquer them and kill them.

That leads to temple completion symbolized here:

(Revelation 11:11-13) And after the three and a half days spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud, and their enemies beheld them. 13 And in that hour a great earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven.

Their enemies beholding them and the "clouds" symbol is this event and post 1260 day timing:

(Matthew 24:29-31) "Immediately after the tribulation of those days the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. 30 And then the sign of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they
The Man of Lawlessness

will see the Son of man coming on
the clouds of heaven with power and
great glory. 31 And he will send forth
his angels with a great trumpet
sound, and they will gather his
chosen ones together from the four
winds, from one extremity of the
heavens to their other extremity.

And here:

(Revelation 6:12-17) . . . And I saw
when he opened the sixth seal, and a
great earthquake occurred; and the
sun became black as sackcloth of
hair, and the entire moon became as
blood, 13 and the stars of heaven fell
to the earth, as when a fig tree
shaken by a high wind casts its
unripe figs. 14 And the heaven
departed as a scroll that is being
rolled up, and every mountain and
[every] island were removed from
their places. 15 And the kings of the
earth and the top-ranking ones and
the military commanders and the rich
and the strong ones and every slave
and [every] free person hid
themselves in the caves and in the
rock-masses of the mountains. 16
And they keep saying to the
mountains and to the rock-masses:
"Fall over us and hide us from the
face of the One seated on the throne
and from the wrath of the Lamb, 17
because the great day of their wrath
has come, and who is able to stand?"

And since sheep separation in
Matthew 24:31 is slightly before
Armageddon finality as Matthew
25:31-46 final sheep and goat
judgment (separation), the sovereign
Kingdom court is this one:

(Daniel 7:26) . . . And the Court itself
proceeded to sit, and his own
rulership they finally took away, in
order to annihilate [him] and to
destroy [him] totally.

As that is after this parallel 1260
days:
The Man of Lawlessness

(Daniel 7:25) . . . And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time.

And after this 1260 days also concurrent and replicating the 1914-1918 pattern to finality:

(Daniel 12:7) . . . And I began to hear the man clothed with the linen, who was up above the waters of the stream, as he proceeded to raise his right [hand] and his left [hand] to the heavens and to swear by the One who is alive for time indefinite: "It will be for an appointed time, appointed times and a half. And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish."

And that "finishing of the dashing of the power of the holy people to pieces" is Revelation 11:7 at this parallel timing of that final clean "constant feature" being removed:

(Daniel 12:11) 11 "And from the time that the constant [feature] has been removed and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days.

That final fourth "disgusting thing" placement is these events:

(Daniel 8:25) . . . And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

(Daniel 11:45) . . . And he will plant his palatial tents between [the] grand sea and the holy mountain of
Decoration; and he will have to come all the way to his end, and there will be no helper for him.

That "freedom from care" is this final official 8th King world government proclamation:

(1 Thessalonians 5:1-3) . . .Now as for the times and the seasons, brothers, you need nothing to be written to you. 2 For you yourselves know quite well that Jehovah's day is coming exactly as a thief in the night. 3 Whenever it is that they are saying: “Peace and security!” then sudden destruction is to be instantly upon them just as the pang of distress upon a pregnant woman; and they will by no means escape.

That is the divine destruction with no escapees, so is after the "tribulation of those days" after the 1260 days final ministry as shown by cross reference;

The "little scroll" ministry which has to be repeated in this final 1260 day final warning period:

(Revelation 10:11) . . .And they say to me: “You must prophesy again with regard to peoples and nations and tongues and many kings.”

That "prophesy again" is for this timed period:

(Revelation 11:2-3) . . .But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth.”

That leads to this second final 8th King attack:

(Revelation 11:7) And when they have finished their (1260 day)
witnessing, the wild beast that ascends out of the abyss (8th King) will make war with them and conquer them and kill them.

Because those "little scroll" sovereign messages are this disturbance leading to that attack:

(Daniel 11:44) . . ."But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction.

Which to reiterate is this parallel globalist attack "against the Prince of princes he will stand up":

(Daniel 8:25) . . .And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

Which is the terminal tribulation after the judgment "tribulation of those days" brought on with 8th King origin here:

(2 Thessalonians 1:6-10) . . .This takes into account that it is righteous on God’s part to repay tribulation to those who make tribulation for you, 7 but, to you who suffer tribulation, relief along with us at the revelation of the Lord Jesus from heaven with his powerful angels 8 in a flaming fire, as he brings vengeance upon those who do not know God and those who do not obey the good news about our Lord Jesus. 9 These very ones will undergo the judicial punishment of everlasting destruction from before the Lord and from the glory of his strength, 10 at the time he comes to be glorified in connection with his holy ones and to be regarded in that day with wonder in connection with all those who exercised faith, because the witness we gave met with faith among you.
And that is this 7th trumpet event finalizing:

(Revelation 11:15-18) . . . And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: "The kingdom of the world did become the kingdom of our Lord and of his Christ, and he will rule as king forever and ever." 16 And the twenty-four elders who were seated before God upon their thrones fell upon their faces and worshiped God, 17 saying: "We thank you, Jehovah God, the Almighty, the One who is and who was, because you have taken your great power and begun ruling as king. 18 But the nations became wrathful, and your own wrath came, and the appointed time for the dead to be judged, and to give [their] reward to your slaves the prophets and to the holy ones and to those fearing your name, the small and the great, and to bring to ruin those ruining the earth."

Effecting this final judgment:

(Revelation 14:14-20) . . . And I saw, and, look! a white cloud, and upon the cloud someone seated like a son of man, with a golden crown on his head and a sharp sickle in his hand. 15 And another angel emerged from the temple [sanctuary], crying with a loud voice to the one seated on the cloud: "Put your sickle in and reap, because the hour has come to reap, for the harvest of the earth is thoroughly ripe." 16 And the one seated on the cloud thrust in his sickle on the earth, and the earth was reaped. 17 And still another angel emerged from the temple [sanctuary] that is in heaven, he, too, having a sharp sickle. 18 And still another angel emerged from the altar and he had authority over the fire. And he called out with a loud voice to the one that had the sharp sickle, saying: "Put your sharp sickle in and gather the clusters of the vine of the earth, because its grapes have become ripe." 19 And the angel
The Man of Lawlessness

thrust his sickle into the earth and
gathered the vine of the earth, and
he hurled it into the great winepress
of the anger of God. 20 And the
winepress was trodden outside the
city, and blood came out of the
winepress as high up as the bridles
of the horses, for a distance of a
thousand six hundred furlongs.

And that Revelation 14:14-15
"harvest of the earth" is this
deliverance:

(Revelation 7:9-14) . . . After these
things I saw, and, look! a great
crowd, which no man was able to
number, out of all nations and tribes
and peoples and tongues, standing
before the throne and before the
Lamb, dressed in white robes; and
there were palm branches in their
hands. 10 And they keep on crying
with a loud voice, saying: “Salvation
[we owe] to our God, who is seated
on the throne, and to the Lamb.” 11
And all the angels were standing
around the throne and the elders and
the four living creatures, and they fell
upon their faces before the throne
and worshiped God, 12 saying:
“Amen! The blessing and the glory
and the wisdom and the thanksgiving
and the honor and the power and the
strength [be] to our God forever and
ever. Amen.” 13 And in response one
of the elders said to me: “These who
are dressed in the white robes, who
are they and where did they come
from?” 14 So right away I said to
him: “My lord, you are the one that
knows.” And he said to me: “These
are the ones that come out of the
great tribulation, and they have
washed their robes and made them
white in the blood of the Lamb.

Since the temple completes here:

(Revelation 11:18-19) . . . But the
nations became wrathful, and your
own wrath came, and the appointed
time for the dead to be judged, and
to give [their] reward to your slaves
the prophets and to the holy ones
and to those fearing your name, the small and the great, and to bring to ruin those ruining the earth.” 19 And the temple [sanctuary] of God that is in heaven was opened, and the ark of his covenant was seen in his temple [sanctuary]. And there occurred lightnings and voices and thunders and an earthquake and a great hail.

The delivered "harvest of the earth" "sheep" of the "great crowd" are therefore able to be "in the temple" because it's "tents" are over earth as Kingdom and "throne" has come to earth:

(Revelation 7:15-17) 15 That is why they are before the throne of God; and they are rendering him sacred service day and night in his temple; and the One seated on the throne will spread his tent over them. 16 They will hunger no more nor thirst anymore, neither will the sun beat down upon them nor any scorching heat, 17 because the Lamb, who is in the midst of the throne, will shepherd them, and will guide them to fountains of waters of life. And God will wipe out every tear from their eyes.”

Which is also this event commencing, Kingdom "holy city" New Jerusalem (144000 Bride element), same "tent“:

(Revelation 21:2-4) . . .I saw also the holy city, New Jerusalem, coming down out of heaven from God and prepared as a bride adorned for her husband. 3 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

(Revelation 21:9-11) . . .And there
The Man of Lawlessness

came one of the seven angels who had the seven bowls which were full of the seven last plagues, and he spoke with me and said: “Come here, I will show you the bride, the Lamb’s wife.” 10 So he carried me away in [the power of the] spirit to a great and lofty mountain, and he showed me the holy city Jerusalem coming down out of heaven from God 11 and having the glory of God.

(Revelation 22:1-3) . . .And he showed me a river of water of life, clear as crystal, flowing out from the throne of God and of the Lamb 2 down the middle of its broad way. And on this side of the river and on that side [there were] trees of life producing twelve crops of fruit, yielding their fruits each month. And the leaves of the trees [were] for the curing of the nations. 3 And no more will there be any curse. But the throne of God and of the Lamb will be in [the city], and his slaves will render him sacred service;

G. Temple Judgment Parallel Events

Notes: The truth of the Kingdom of God has boiled down to a ten year trajectory**, approximately, maybe less, that will be upon a very simple progression of events foretold fully by prophecy and is the simple logic in analytical form, that is objective proof in undeniable foretold details of modern-day manifestations of fulfillment, that is the framework of a continuum of truth that is the "man of lawlessness" target of this entire cover up of the final progression to Armageddon;

[**There is at least the timed periods of Daniel 8:14 and Revelation 11:2-3; Daniel 7:25, 12:7 that must run from temple judgment (Dan8:14; 1150 days minimum) to the final worldwide ministry proclaiming this prophetic framework (Rev10-11; 1260 days) which leads to Armageddon as Daniel 12 replicates as Daniel 11:40-45 in 8th King fulfillments progressively leads to a certain Daniel 12 prophetic replication of timed periods in that
The Man of Lawlessness

prophecy;

Although this prophetic framework continuity and timed periods is approximate in actual fulfillment timing of Revelation 8-11, it is much more accurate than the overly simplified Governing Body "man of lawlessness" brainwash with which they are setting JWs up for a premature expectation to attempt to bypass the awareness of this entire continuum of guaranteed prophetic fulfillments as God's Kingdom and the 8th King "new world order" attempt both complete simultaneously for inevitable battle at Armageddon;

Not only is the final progression easy to explain and prove now, in conceptual form, that the completion of human 8th King world government signals the end (and is paralleled by God's Kingdom completing all 144000), but it is also upon a framework of fulfillment that already came true in minor form as the "master pattern", in the 1914-1922 foregleam periods (Dan12:7; 12:11) as the first globalist governmental forum (League of Nations) came into world proclamations since the days of the Tower of Babel WHILE God's Kingdom was also making a unique proclamation of Sovereign inevitability - during a global conflict in World War 1 as a tribulatory distraction that must also repeat at larger scale in more complex ways in the final fulfillment REPEATING ALL these principles and ultimate meaning;

(The WHOLE pattern and significance to world rulership in BOTH God's Kingdom and League of Nations governmental globalism is already there in the 1914-1922 progression - and made known worldwide by Jehovah's Witnesses;)

A significant dynamic is for example, the Babel globalization in embryonic form 4000 years ago triggered a divine response we may recall, at that time non-destructive - but this time a little more is needed and the League of Nations of 1919 is a form of governmental globalization as a forum of it's development - red flag!!!!; (Gen10-11; Rev16:12-18);

These kinds of developments are not insignificant nor static, they MUST progress to the culmination of it all at Armageddon and BOTH of these diametric "kingdoms" will be the climax forms of world rulership to go into final world proclamations and then final battle at Armageddon;

Very simply put:

1. As the 8th King world government begins final developments so will God's Kingdom;

2. As that 8th King world government in progress makes sovereign announcements at it's own timing, so will God's Kingdom make sovereign announcements in it's own timing;

3. As that world government completes, and attempts a final suppression of this truth, God's Kingdom will also complete and
The Man of Lawlessness

proceed in final judgment in the period after Matthew 24:29 "tribulation of those days";

That tribulation of globalist engineered intrigues at worldwide scale in the near future, like 1914, will also provide the context of divine judgments (Rev8; Rev16 first four trumpets and plagues) that BEGINS with the "house" judgment of 1Peter 4:17 on Jehovah's witnesses;

That continues over the trumpets and plagues and culminates a sovereign consolidation in the sixth plague judgment on Babylon the Great (Rev16:12) in finality upon the final vestiges of the last wealth reserve left for national pillage for globalist applied financial recovery leading to final "peace and security" statements paralleling in significance the League of Nations first placement as world governmental forum; (Daniel 12:11; Dan8:23-25; 1Thess5:1-3);

That recovery upon world religious asset stores is the "freedom from care" period that must form a final actual world "peace and security" claim by globalized government, military and finance in central form for distributed world rulership through the 8th King system "scarlet wildbeast";

And that recovery and persuasion aids the final "gathering" of the "kings of the earth" as the national powers are aligned into a globalist unification totality in claims and actuality against the Kingdom of God; (Revelation 16:13-16; 17:12-18; Daniel 11:42-43;)

And that is the full human image of Daniel 2:31-45 standing at Armageddon in final defiant form ushering the Armageddon universal war; (Rev19:19-21; 20:1-3; Eze38-39);

And that continuum trajectory of prophecy begins with exposure of the modern-day "man of lawlessness" in the Governing Body of Jehovah's Witnesses as the core profanation (Zech3:1-3; 2Thess2:3) triggering the temple judgment (Dan8:14; 1Pet4:17) and fire purifications (Zech3:2; Rev8:1-6) of the temple cleansing to clean out Jehovah's witnesses to prepare the purified ministry for the final world proclamations and final prophetic reality;

occurred a hail and fire
mingled with blood,
and it was hurled to the
earth; and a third of
the earth was burned

angel blew his trumpet.
And something like a

with fire was hurled
into the sea. And a
third of the sea became
blood; 9 and a third of
the creatures that are
in the sea which have
souls died, and a third
of the boats were
wrecked. 10 And the
third angel blew his
trumpet. And a great
star burning as a lamp
fell from heaven, and it
fell upon a third of the
rivers and upon the
fountains of waters. 11
And the name of the star is called Wormwood. And a third of the waters turned into wormwood, and many of the men died from the waters, because these had been made bitter. 12 And the fourth angel blew his trumpet. And a third of the sun was smitten and a third of the moon and a third of the stars, in order that a third of them might be darkened and the day might not have illumination for a third of it, and the night likewise.

J. Comprehensive Transition in JW History

Notes: Cover how this transition ends on phase, begins a final
The Man of Lawlessness

one, and summarizes and repeats the entire foundational principle.

1. 100 Year Initial Phase Ends

2. Final Phase Begins

Notes: Well for the many genuinely misled Jehovah's witnesses out there in retrospect this will definitely embody this prophecy in initial Bethel strike significance:

(Isaiah 28:21) For Jehovah will rise up just as at Mount Perazim, he will be agitated just as in the low plain near Gibeon, that he may do his deed—his deed is strange—and that he may work his work—his work is unusual.

Although this entire divine operation is strange indeed, it is culminated as implied above by the extermination or neutralization of the Governing Body and their whole embodied "man of lawlessness infiltrator and defector entourage:

(Isaiah 66:6) There is a sound of uproar out of the city, a sound out of the temple! It is the sound of Jehovah repaying what is deserved to his enemies.

(2 Thessalonians 2:8) Then, indeed, the lawless one will be revealed, whom the Lord Jesus will do away with by the spirit of his mouth and bring to nothing by the manifestation of his presence.

This is all the stealth angelic actions by Christ's lead of the temple purification:

(Zechariah 3:3-5) 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he
answered and said to those standing before him: "Remove the befouled garments from upon him." And he went on to say to him: "See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state." 5 At that I said: "Let them put a clean turban upon his head." And they proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by.

Thus for doubting and resisting JWs now doubting the Governing Body represents the modern "man of lawlessness" more developments towards temple judgment and through it may start to convince JWs something is terribly wrong;

Maybe the temple desolation will then get through to duped JWs;

(Daniel 8:13-14) . . .And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?" 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition."

And it is timed in a transition from "evening" darkness of bewilderment to the "morning" of Revelation 8:1-5 summarized recovery enlightenment which will honor the sort of cryptic "two thousand three hundred evenings [and] mornings" reiterated to assure JWs it is important and leads to further developments:

(Daniel 8:26a) "And the thing seen concerning the evening and the morning, which has been said, it is true.

If all that still doesn't get through to a
JW, then maybe the recovery from that "abyss" of "holy place" desolation will:

(Revelation 9:1-3) And the fifth angel blew his trumpet. And I saw a star that had fallen from heaven to the earth, and the key of the pit of the abyss was given him. 2 And he opened the pit of the abyss, and smoke ascended out of the pit as the smoke of a great furnace, and the sun was darkened, also the air, by the smoke of the pit. 3 And out of the smoke locusts came forth upon the earth.

In any event we are seeing just why JWs are in "sackcloth" by the time Revelation 9 leads to full recovery of Revelation 10 "little scroll" understanding and commission (Zech3:7) preparatory for the final "two witnesses" 1260 day final warning ministry;

By this time of foretold, completely described and signalled (lawless one) JW desolations in organizational power undermined by the soon to be purged Governing Body "man of lawlessness" and all the accompanying symphony of prophetic evidence these developments can even start to convince unbelievers that something of "Biblical proportions" is activating;

God is doing His own purposed replication of prophecy, over astounding foretold events, marked by Biblical time periods (Dan8:14) and the final sequences of trumpets and bowls over years of fulfillment to convince people of where it is leading and now would be a good time to repent and get ready for Kingdom come to earth in power;

But more is also activating in this progression over years; While all this mentioned above is occurring live and real-time as outlined in prophecy - the 8th King world government is also creating the obligatory world
engineered tribulation "problem" (and possible final global conflict) for which their "scarlet wildbeast" full "king north" apex "king of fierce countenance" final human world government "new world order" is the obvious "solution";

And that culminates in the Daniel 8:23-25 final "stand" with the parallel Daniel 11:44-45 global "palatial tents" of the final "disgusting thing" "placement" of Daniel 12:11 which of course triggers Divine war for the actual final rulership of planet Earth as per Revelation 19:11-21 (20:1-3) and Revelation 11:15-19 at Revelation 16:13-18 Armageddon climax time;

The point made by an extended propetic replication is, long before that final climax Armageddon conflict and unto it, God will be providing years of warning that began with the undeniable revelation of the modern replication "man of lawlessness" "in the temple" and the commencing temple judgment of Jehovah's witnesses "house" first that that led to, as per 1Peter4:17 final judgment prophecy, to purify that temple condition of years of Governing Body spiritual profanations and lawless abuses undercover of a complex of plausible pretexts, fine acting with visuals and lies and error deployed in masterfully effective and deceptive fashion detailed in fulfilling prophecy;

The final world governmental drive of God's Kingdom and the 8th King are concurrent over some years of final preparations and development "milestones", and as the 8th King United Nations fronted "new world order" actual full world government becomes established and globally proclaimed and known, so will God's Kingdom do likewise in proclamations, and a full 144000 completion shortly after that climax event of final "disgusting thing" placement of Daniel 12:11 - all marked with plenty of prelude
The Man of Lawlessness

prophetically outlined events in the progression unto the final "disgusting thing" "placement" including the removal of the Governing Body "men of lawlessness" and company, the JW temple judgment, the recovered ministry, the 1260 days of "two witnesses" final Kingdom proclamation and the final Revelation 11:7 8th King attack on that ministry after the 1260 days completes;

Final Temple Judgment and Jehovah's Witnesses
1914 JW Ministerial Foundation Identifies World Rulership Issue in Dual Kingdom Completions - 8th Kingdom and Messianic Kingdom

The 1990 UN NGO Ministerial Diversion and the Final Apostasy Now Operating at Bethel

What Used to Make Jehovah's Witnesses' Prophecy Tracking Unique

A Biblical Structure of Prophecy and It's World Power History

A feature of the earlier Jehovah's witnesses' Christian development of prophetic understanding that is unique and important is it's structured Kingdom of God theme. That affirmable framework is backed by a historical sovereign progression outlined in prophecy across the Bible from Genesis to Revelation. That Bible teaching ministry of Jehovah's witnesses explained formerly unfulfilled prophetic portions in modern terms of that time from 1914 to 1919 (League of Nations meaning of Revelation 13:11-15).

This reliable structure across time and Genesis national histories (Gen10-11) to the prophecies of God's prophets to follow in this continuum with descriptions of the future hidden in divinely transmitted symbologies was the overall basis of the framework to unfold as centuries turned to millenniums. Tracing the Genesis 3:15 "seed" arrival of who became to be known as Jesus Christ as the agent of the restoration of the lost blessing (Gen1:26-28; Gen12:3; 22:17-18) turned to death curse in the Edenic sin (Gen3:14-17) also weaved through the national histories.

Israel's interaction with Egypt, Assyria, Babylon, Medo-Persia, Greece and Rome and the Christian era interaction with Rome, and the Anglo-American national alliance as marked world powers became the context of the developing "seven headed" structure of Revelation's wildbeasts to end up as a globalized 8th King world government totality, based on it's "image" "of the wildbeast", in time. Thus this prophetic structure revived from the dead past as Christendom's various prophecy dead-ends were brought to life as relevant to the modern times from which Jehovah's witnesses formed and would continue to be so, explained like no other religion on earth.

Now the continuum of prophecy of what became world history had a modern historical set of benchmarks anyone could use to see prophecy unlocked after it fulfilled and one could logically understand the national-to-globalist progression would continue past the national powers to a Revelation 16:13-16 consolidated globalization in that worldwide final "gathering" to Har-Magedon.

Now the world government attempt of King Nimrod and his Babel and Nineveh city complex (Gen10:8-12) governmental center and it's "tower of Babel" (Gen11:1-9) religious priesthood is connected to the modern 8th King globalization of world government and the final attempt at another world government completion upon the same defiant theme. (Zecp3:8-9);

This provides understanding of the Bible prophetic truth in world histories and spiritual continual timelines
with real meanings and parallels in a structured cohesiveness that ties the whole Bible together from cover to cover. This prophetic exposition and modern information connects prophecy to a dynamic world power progression that is continuing in further United Nations developments that must in time have the foretold global sovereign climax at Armageddon between the completed 8th King and the completed Messianic Kingdom diametric world governments. (Rev17:11-18 + Dan11:42-45 = Rev16:12-19 Armageddon final sequence);

No other "religion" on earth explained that final guaranteed sovereign confrontation as not only a real trajectory marked by modern world events, but as also mapped in the Bible over world and spiritual developments concurrent and continuous in world history and modern history since 1914's World War 1 event. The true meaning was explained in the League of Nations world government foundational global presentation that arose in 1919 with the Messianic Kingdom birth announcement of 1914-1918 to develop in time in clearer details, from the same period and concurrent events of that significant time in world and spiritual history.

No other Christian group made such a valid ministerially globally promoted explanation connected to modern world events proven to be fulfilling key sovereign prophecy in continuous trajectory to Armageddon.

That prophetic timeline as a sovereign structure proving that all prophecy is to eventually become world history combined with also the unique personal identification of Jehovah Almighty God (Ps83:18) and His Son Jesus Christ (John17:3), then focuses attention on their actual personal unique role in their unified purpose of Kingdom rulership of planet Earth; (Gen1:26-28; Matt6:10);

The guaranteed Messianic Kingdom universal rulership becomes far more real and solidly defended due to these explanations that no other religious group was or has given but Jehovah's Witnesses. The truth of that Kingdom's sovereign conquest to come (Dan2:31-45; Rev19:19-21) became very real to Christian Jehovah's witnesses (JW) and others positively affected by them as it was all backed by real world events fulfilling prophecy in striking ways since 1914.

Faith Aided By Histories of Prophetic Fulfillments

Faith was given a foundation in historical facts of progressive prophecy fulfilling and describing world events coming true that could not remain static in signaling God's Kingdom coming to Earth to resolve the issue of the sin in Eden and it's sovereign rebellion now spread to all the nations worldwide. Early Jehovah's witnesses named names, explained prophecy in historical meanings as well as in up-to-date modern world events up until around 1970, and proved the Messianic Kingdom manifestation would parallel a world rival 8th King development as a parallel progression to settle the earthly sovereign issue permanently at Har-Mageddon.

The progression of national power from the days of Babel (Gen11) and Egypt (Exodus), across Daniel 2,7,8,11 sovereign bridges to Revelation 13 and 17 modern times, to the final globalized world power unification to come under the Revelation 8th King was solidly laid out for people to understand by faith aided by known history. That 8th King "world government" was being previewed in his "United Nations" (UN) "image", and was becoming very real in development at one time to Jehovah's witnesses as the early JW ministry progressed and deepened in world sovereign meaning along with UN developmental evidence and progress from 1919 to 1945 in the first two UN "disgusting thing" "placements". (Rev13:11-15; Dan12:11; Rev17:8-11);

It became clear the 8th King and Messianic Kingdom world develop to completion side by side all the way
Why Tracking All Four UN Placements is Important

to Armageddon (Dan11:36), and paying attention to these developmental signals would aid understanding of the arrival of the actual Armageddon final world developments and final the prophetic sequence describing it all in needed detail.

Two Kingdom Rivals Plainly Identified for Earth's Rulership Finality

In that defendable prophetic structured framework identifying Bible timelines connected to world developmental timelines of both the Messianic Kingdom and the 8th King maturing development, people since 1914 could watch prophecy become world government foundational history before their very eyes. That was all solidly backed by historical proof of a dual world government development that must also complete to climax and become a complete world history foretold by more prophecy to fulfill after 1945. (Dan11:27-45; Dan8:9-25);

It was no coincidence that God's Messianic Kingdom of Christ "birth" was concurrently proclaimed leading to the League of Nations globalist world governmental "image" "birth" proclamation as well in that 1914-1919 period. In short time Jehovah's witnesses (first as IBSA) fully explained Revelation 13:11-15 as that League of Nations manifestation after the World War 1 (WW1) "sword-stroke" of the Revelation 13 prophetic context as also a clear world development of unique world war. That paralleled the first UN related "disgusting thing" placement of Daniel 12:11 initial fulfillment in 1919 parallel League of Nations meaning;

**Jehovah's Witnesses Were Tracking and Explaining Prophecy Live and Real-Time**

Into such a Bible truth framework foundation, across a now progressively explained irreversible sovereign continuum from Genesis to Revelation 22 all prophetic details of the prophets including Jesus Christ now fell into proper place in a defendable structured framework of both history and prophecy. And the sovereign rival birth of the League of Nations also progressed to it's post World War 2 (WW2) United Nations (UN) manifestation in 1945 fulfilling more sovereign 8th King prophecy; (Rev17:8-11); The importance of this reliable reference structure is the ability to cross relate other prophecy and event sequences with means of cross verification in the Bible itself as well as significant world histories.

Jehovah's witnesses were also exposing all the core elements of Babel religious influence of error aiding rival 8th King world government development (Gen11) and cover up by confusion, diversion and misinterpretation. The world system's political and social error dividing nations for eventual 8th King conquest (Dan11:36-45; Rev17:11-18; 16:12-16) was also being fully explained by Jehovah's witnesses up to that time. Accordingly it was the truly most informative Christian ministry of all time in a context of supporting developmental world signals fulfilling prophecy beyond mere coincidence in it's timely concurrence of multiple significant events.

**Very Important: Jehovah's Witnesses were now tracking BOTH of the first two United Nations manifestations as prophecy fulfilling to and for some time after 1945.**

No other Christian group of that era or after made this expose' of Revelation and Daniel prophecy as the League of Nations (1919; Rev13:11-15) to United Nations (1945; Rev17:8-11) designate "world government" continuum as highly significant world event meaning that fulfilled key prophecy as the core rival 8th King world government system opposing the Messianic Kingdom earthly rulership in God's King Christ divine designate to arrive upon their dual completion at Armageddon's culmination.

Everything was now being given even more proof of prophecy as significant world events in the world national powers' progression to aglobalizing 8th King unification, This eventual 8th King world government completing meaning reflected in the global "United" Nations international forum as the "image" was being
shown logically and prophetically to progress even further to it's complete world government rulership "scarlet wildbeast" objective. That 8th King world government totality would thus be completing upon that existent UN "nucleus" and "image" "of the wildbeast".

Though the United Nations was just an "image" of world government, as a "picture" of the 8th King world government not yet complete but in the making, the trajectory of it's clear development to that completion to come, as prophecy and ongoing globalist world developments, was now solidly demonstrated in it's first two UN developmental world presentations.

**World War to World Government Formula Recognizable**

The 8th King formulaic use of world war "tribulation" was also being seen as the primary form of "desolation" the "disgusting thing*that causes* desolation" was using to present it's world governmental forum in developmental progress. After these two world wars were resolved, now two times after WW1 and WW2 peace resolutions, a respective UN related world government themed presentation and world "peace" objective statement took place as the world war finale development. Now the world war "problem" clearly led to the globalizing elite world government "solution" as also beyond mere coincidence.

*That 8th King principle of presenting world government renditions formulaically through an engineered world war context and it's "world peace" resolution is also important to understand, and it repeated again, after the Cold War WW3 and it's world peace resolution into the 3rd UN presentation of 1990.*

**Important World Power Principles Implied**

**Bible Sovereign Symbols Have a Whole Meaning of World Government**

1. This Biblical and world historical development of national power's progression in seven key national lineages of world power in (1) Egypt, (2) Assyria, (3) Babylon, (4) Medo-Persia, (5) Greece, (6) Rome and the (7) Anglo-American national alliance outlined in both Daniel (Dan2,7,8; Dan2:38; Dan8:20-21) and Revelation (Rev17:8-11), springing from Genesis 10's 70 nations*is not the entirety of the final progression of human world power in those seven national ascensions.* There is an 8th King and a final form of world power beyond national power: *globalized* world power.

A. The globalist type United Nations international forum "image" of world government is a schematic and guiding charter/blueprint of world governmental concepts and collective planning but is itself not a world government, nor a complete true 8th King in and of itself. It is just an international/globalist form "image" of world government that has yet to form to a completion as a comprehensive global world government. The Bible's Daniel 2, 7, 8 and 11 and Revelation 17 final symbolically pictured sovereign entities based on the national powers also have a meaning in those whole symbols as a complete picture of world power beyond the scope of it's parts.

B. For example the Daniel 2 "immense image", though composed of various national parts, also has a whole "image" meaning of the totality of the symbol representing the totality of human world power it represents. The whole thing has meaning as do it's parts. The Revelation 13 and 17 "seven headed" wildbeasts also have a total meaning, though in seven heads as parts, the total picture of the whole being greater than the sum of it's parts is of a whole world rulership system. The whole thing has meaning as do it's parts.
C. All those symbols as a whole, composed of smaller parts, progressing over time in national meaning, are all globalist type world power consolidation totalities as a whole, as the whole meaning identical to the whole 8th King "scarlet wildbeast" meaning of full comprehensive world government. In the end the 8th King is the UN "image" center and a functioning actual world government as a whole. as a totality of final global sovereign power completion. The whole thing has meaning beyond the various parts.

**National Government and Global Government are Different**

2. National power systems and global world power systems are not the same form of government. Though national powers and alliances of multi-national power have demonstrated aspirations of world rulership it has all been a failure to realize. (Dan11:27 "nothing will succeed"); Instead the wars and world wars that extended these national power aspirations from local to regional to extra-national invasions and colonial-like occupations have only enriched the globalist power system while indebting the national powers in preparation, deployment and reparation debts related to these wars and world wars. Globalized world government is different than national government.

A. Globalist world power objectives are inter and intra-national in scope to control national powers whose focus must remain internal to the nation but must eventually be guided by a supreme global super-sovereign power understanding the inter-dynamics of all the nations. National powers do not have access to this kind of intelligence and information power globally, and national powers cannot do two forms of rulership, national and global, at the same time. Globalist world power is what a final world governmental evolution will be based on in this human developmental experiment in self rulership founded in the Edenic sovereign rebellion from God's sovereignty.

**God's Kingdom and the United Nations are not the Same Thing**

3. God's Kingdom and the United Nations and it's eventual 8th King world government are not the same thing and are diametrically opposed to one another. Jesus Christ's Messianic Kingdom earthly sovereign agency is not the United Nations. Jesus Christ is not coming to join the UN and split global booty with a bunch of money and power seeking technocrats, financiers, warlords, politicians, academics and priests, he is coming to remove their world rulership attempt.

The problem is at this time JWs consider the United Nations "image" as the pinnacle of world power when in fact UN world government 8th King is yet to complete that apex of sovereignty over a fourth and final required world tribulation/war cycle. And that 3rd cycle ending, that led to the 3rd UN placement of 1990 (Dan11:31), marks the final two UN placements in their final trajectory (Dan11:30-45) to Armageddon as the third (1990) of four (future) UN placements total in Bible prophecy and world history.

Now just as that 1990 Post Cold World War 3 (Dan11:29) 3rd UN rendition cycle ended and the 3rd UN placement occurred, and the recognizable process to present world government was now in three renditions, Bethel went mum. Now as the above implications could have been made manifest clearly by Bethel, Bethel said nothing.

In effect, up to that time in the JW ministry everything was being tracked properly and consistently...

**Then Everything Changed - The Bethel Ministerial Exit 1990 and**

Page 5
Why Tracking All Four UN Placements is Important

the Loss of the UN Tracking Assignment

After 1945 in Jehovah's witnesses ministry everything was right on track, everything was unfolding perfectly upon prophecy and world events in this irreversible sovereign progression to Armageddon - and JWs were telling the world all about it! Then something eventually happened that changed everything not only in the spiritual Christian status of Jehovah's witnesses, but in the validity and relevance of it's soon to be out-dated sovereign prophetic tracking assignment of United Nations developments soon to be derailed; fully ignored and covered up by Bethel as policy.

Soon after 1945 the Jehovah's witnesses Christian ministerial accuracy and UN tracking work was to be diverted and it's global ministerial exposition was to be affected by error as the JW ministry was to effectively stall in 1945 2nd UN placement exposition and explained meaning. This loss of UN tracking was accomplished by treating the 1990 3rd UN manifestation in the post Cold War (Dan11:29-31) resolution period as of no account - prophetically, globally and historically. And even more was to unfold as evidence of severe ministerial departure.

Out of the blue it seemed, Jehovah's witnesses were instead adjoined to the 8th King UN "image" by their Bethel leaders and it's "Governing Body" as a United Nations Non-Governmental Organization (UN NGO) - yet at the same time saying nothing regarding the significance of that 3rd United Nations world presentation! (Dan11:31);

That fateful UN covenant with Bethel's endorsement and the detrimental effect it had on it's global JW ministerial arm as it's promotional "UN Department of Public Information" UN NGO global agency, occurred in approximately the 1990 time period as the then modern 3rd United Nations (UN) placement was occurring in the post Cold War (Dan11:29) resolution amidst the USSR dissolution (Dan11:30b-32a).

That significant UN post Cold War "peace" resolution provided the world stage for that latest UN world event of that third of four United Nations world presentations (UN 3: Dan11:31, 1990; UN 4: Dan11:45, Future). That 3rd UN placement occurred as the 1990 United Nations "New World Order" initiative. (Soon thereafter the term "new world order" appeared over 70 times in Bethel publications from 1991 to 2001 starting in UN NGO Awake! 9/8/1991 magazine as part of this Bethel backed UN world promotional campaign);

Now the UN 8th King prophetic and world history tracking work was totally derailed in the JW ministry.

Bethel and Jehovah's Witnesses Have Changed

Now it was not just Daniel 8 and 11 being subverted but so was the whole Messianic Kingdom commentary that could have been developed as these 8th King world events made clear signals of it's diametric purpose opposed to God's Kingdom. Now all live and real-time prophetic enlightenment aiding valid commentary of world sovereignty events plainly in the making was also ceased.

Instead Bethel echoed the seemingly endless past and fully subverted the once live response to 8th King world events that also squelched Jehovah's witnesses former foresight and insight as to what these events really mean. Instead today's backward minded Bethel ministry, in both historical and spiritual dimensions of retardation, is what Jehovah's witnesses try to pass off as live truth, valid commentary and accurate prophetic exposition.

Today's Jehovah's witnesses by this core Bethel subversive influence are nothing like the 1920's and 1940's Christian's exposing 8th King current events and developments as prophecy live and real-time to the
Why Tracking All Four UN Placements is Important

Today's Bethel is a spiritually catatonic yet hyper-piously reactionary distraction designed to make themselves and organizational issues, hypocrisy, doctrinal wafflings and critical lawlessness the highlight of the ministry rather than reacting live and real-time to live world developments with spiritual and intelligent commentary on active 8th King globalization-to-world government developments plainly known to even the world now. (Luke21:25); This total departure of the entire prophetic tracking ministry and all it's live relationship to Messianic Kingdom objectives, for an endless stagnation in a distant past, in major transgression and error (Dan8:11-13; Dan11:30-32), is made painfully obvious since 1990 and the Bethel purposeful if not totally thoughtless United Nations UN NGO covenant.

But by the prophecies we need to be paying attention to live and real-time, it is shown the now active Bethel events and their ramifications now and to come are themselves prophecy fulfilling! In fact the Bethel apostasy is already the main signal repeating principle (2Thess2:1-4) indicating the entire 1914-1918 Daniel 12 and Revelation 8-11, 15-16 main prophecy is also about to repeat with an 8th King set of commencing world events as the context of the temple judgment of Jehovah's witnesses first to mark this critical final activation of final fulfillment prophecy to Kingdom come. The Bethel apostasy and it's "man of lawlessness" center of organized operations indicates the final cycle of prophecy will soon fully activate.

The 8th King first cycle leading to the League of Nations in 1919, will repeat upon the same Daniel 12 pattern leading in final form to the 8th King world government 4th UN placement to also arrive at Daniel 12:11 live and real-time in the future at the end of this final 8th King and Messianic Kingdom completion cycle. (Matt24:29-31; Rev6:12-17; Rev11:7-13)

As the news of the United Nations "image" and it's 8th King world government completion reality progresses to full globalized unification of all the nations (Rev17:11-18) so will the main trigger of Armageddon also manifest in that event and period. Thus 8th King completion news is a gauge to the actual arrival of Christ to come for a concurrent Messianic Kingdom 144000 completion himself, with God. (Rev16:13-16; Zech14:5; 1Thess4:17; Mark13:24-27);

Bethel Subversion Example 1 - The Matthew 24:15 UN NGO Signal

(Matthew 24:15-16) “Therefore, when you catch sight of the (UN NGO; Dan11:31) disgusting thing that causes desolation, as spoken of through Daniel the prophet (modern Dan11:31 "disgusting thing that causes desolation" as parallel of Dan8:13 "transgression causing desolation"; standing in a holy place in the JW "constant feature" ministry as UN NGO) (let the reader use discernment,) 16 then let those in Judea begin fleeing to the mountains. (Because the JW Bethel desolation judgment for that UN NGO "transgression causing desolation" is near; 1Pet4:17; Dan8:13-14; Rev8:3-5);

In hindsight of that covert Bethel UN NGO revelation coming out from the world press in late 2001, the developing earlier trend of internal Bethel control enabled by the "Governing Body" dictatorial Bethel coup of 1976 becomes obviously suspect in this calamitous spiritual development. The evidence is the UN 3rd placement was to manifest just 14-15 years later in 1990 with the 1991 Bethel "UN NGO" global co-promotions of that 3rd UN placement. (Dan11:31);

That Bethel internal compromise (Dan11:30-31) from 1976, and soon thereafter it's signal UN endorsement (Matt24:15) all climaxed into that UN NGO 8th King prophecy fulfilling now as a Bethel publicly known spiritual compromise - as they, the 8th King and Bethel, fulfilled prophecy together - and as expected Bethel says nothing about it. (Dan8:11-13; Dan11:30-32a);
Why Tracking All Four UN Placements is Important

(Daniel 11:30-31) (3rd UN placement 1990:) “And they (team effort) will certainly put in place the disgusting thing that is causing desolation.(3rd UN placement, 1990; UN NGO, 1991, at Bethel; Matt24:15; Dan8:13 "transgression causing desolation");

In addition to that UN NGO spiritual adultery the prophetic tracking of the 8th King was also now lost by JWs as now Bethel policy significantly marked by these concurrent UN related 1990 events.

Bethel Subversion Example 2 - Modern King North as 8th King Connection Concealed

Now the Bethel JW ministry did not develop an up-to-date commentary of Daniel 11 (Daniel 11:27-45) to accurately reflect that "King North" 3rd UN manifestation, for a third time as prophecy at Daniel 11:31, was an undeniable 8th King world event connection. Furthermore, to Bethel the 3rd UN placement was not even a significant world event worthy of insightful commentary, but rather "new world order" global placement quotes from George Bush Sr. was the new Watchtower and Awake! commentary.

Instead Bethel leadership covered up (Dan8:12) the King North as 8th King reality and the 1990 3rd UN placement meaning (Dan11:31) proving it. What developed at Bethel was instead a distracting ministerial facade echoing the JW past, embellishing it with many pretty pictures and other teaching diversions, as Bethel proceeded with a global UN promotions operation in a decade long "UN NGO" world advertising campaign (Awake! 9/8/1991) highlighting the UN "New World Order" objective in the JW world ministerial publications.

In this way the JW "constant feature" was now terminally polluted with 8th King propaganda as Bethel policy - for the "library card" as a purposefully ridiculous excuse to add insult to injury.

All this 8th King cover-up is carried out to this day while Bethel provides ever more subterfuge sampled from the past JW ministry, as now a foretold JW prophetic diversion campaign and apostasy is still active (Dan11:32a), in addition to the UN NGO transgression (Dan8:13) and Bethel's covert UN concealing missions now Bethel's ongoing official policy.

In other words, Bethel went globally apostate publicly as also foretold and in fulfillment at the same time as it is all covered up at Bethel. In hindsight this critical JW ministerial diversion has developed in the "Governing Body" managerial experiment and trended development for nearly 40 years progressing "gradually" (Dan8:12) from bad to worse and into more error, stumbling (Dan11:32-35, 41) and cover-up in the process; (2Thess2:1-4; Zech3:1-3; 2Pet2:1-3); Thus a modern "man of lawlessness" in the Governing "Body" and Bethel leading clerics is being revealed with their apostate production.

(2 Thessalonians 2:3-4) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone...

(Daniel 11:32) “And those who are acting wickedly against [the] covenant(at Bethel), he (8th King/King North) will lead into apostasy by means of smooth words. (The Bethel "smooth words" 8th King cover-up in the JW publications is part of the smoothly justified apostasy);
Why Tracking All Four UN Placements is Important

Bethel Subversion Example 3 - Worldwide Globalization Understanding Uncommented by Bethel as Further Objective Obscuring Final 8th King World Government Cycle

Now all modern historical details of the globalist world government development in the 8th King and UN relationship, and its globalization process understanding, now readily available in voluminous worldwide analyses and research, were completely concealed explicitly by Bethel since 1990 in marked fashion. After over twenty years in that trended Bethel subversion development since 1990, we now see Bethel's globalization ignorance campaign amongst JWs is also aiding 8th King UN developmental secrecy as to uncommented world globalism research and prophetic exposure leading to retarded 8th King world government understanding among modern Jehovah's witnesses.

As further evidence of Bethel's purposeful 8th King cover up, Bethel's clerics will not discuss or teach even now well known basic globalization or geo-political understandings supporting the better understanding of world government developmental trends and developments increasingly globally seen since 1990.

Today's Jehovah's witnesses, by Bethel policy, have no idea about globalism basics as being the fundamental 8th King world government global power consolidation dynamic now active all over the world. Jehovah's witnesses have no idea about globalization as an ongoing development related to the Revelation 16:13-16 8th King international "gathering" phenomena that is aided by globalization consolidations. JWs have no inkling globalization maturation leads to the complete 8th King world government administrative components progressively, because Bethel will not discuss anything that exposes further 8th King world developmental evidence in world geo-political sciences, globalism sciences or in modern prophecy fulfilling. (Dan11:30-41);

The JW collective mind is therefore now living in a perpetual 1970 level of world and spiritual awareness regarding 8th King world government. The entire UN tracking ministry of Jehovah's witnesses is now derailed and effectively defunct; The final required 8th King globalization-to-world-government phase is now unknown to the backward collective JW mentality.

Rather than 8th King globalization (Rev16:13-16) - culminating into a required global government super-sovereignty (Rev17:11-18) - over a future final 4th UN phase of 8th King prophecy (Dan11:42-45) - JWs think "it can end any day now brothers!". Though the final phase is about to begin as Daniel 11:42-45, JWs think instead, by Bethel delusions, that it is all over.

JWs are fully stalled, derailed, deluded and misled and expecting a fully premature "end of the world". The logical UN 1-2 manifestation from 1919 to 1945 leading in prophecy (Dan11:30-45) to a UN 1-2-3-4 conclusion with the 3rd UN placement of 1990 and 4th UN placement of the future is unheard of to JWs.

This sets up JWs for mass bewilderment when that Daniel 11:42-45 final 8th King phase begins soon.

Now JWs, together in the well advanced Bethel purposeful deception production, live an engineered delusion of a former ministry in constantly plagiarized and repeated details. Now JWs are immersed psychologically in a complete Bethel/8th King allied stalling act and the Bethel engineered cover-up under a deceptive ministerial veneer.

Modern Bethel and JWs are therefore acting as if a UN 3rd placement (Dan11:31; 1990) is not part of the 8th King final world governmental non-stop progression to lead to the final UN presentation (Dan11:45) with full world government in the future Armageddon climax 4th UN placement of Bible prophecy:
(Daniel 11:45) And he (8th King/King North) will plant his palatial tents (4th UN placement as world government) between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end (Armageddon), and there will be no helper for him.

**JWs cannot even tell that "King North" is the 8th King in a final prophecy sequence!**

It is obvious from the get-go only the 8th King can and will fulfill that Daniel 11:45 portion of the global prophecy of "palatial tents" as world government worldwide as the end of the Daniel 11:42-45 final 8th King phase of the future. But now JWs have lost the 1990 3rd UN placement connection (Dan11:31) to that 4th UN placement (Dan11:45) as a required continuum:

(Daniel 11:36) “And the king (8th King marked in 3rd UN placement of Dan11:31) will actually do according to his own will, and he will exalt himself and magnify himself above every god (including the USSR); and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish (non-stop "success" to Armageddon) because the thing decided upon must be done.

And now the proper modern Daniel 11 fulfillment position in Daniel 11:41, in current Bethel 8th King compromise, is also lost (Luke21:20), and the reason why JWs have lost direction and lost the UN tracking assignment of BOTH the 3rd and 4th UN placement meanings:

(Daniel 11:41) He (8th King) will also actually enter into the land of the Decoration (infiltrates the Bethel ministry internally) and there will be many [people] that will be made to stumble. (Matt24:15; Luke21:20 signal development present now at Bethel; Stumbling people is also the lawless Bethel subversion goal.);

Now the Jehovah's witnesses' Christian ministry is fully misdirected, compromised and profaned as per prophecy; (Dan8:11-14; Dan11:30-35; Rev8:10-11). And now the important progression of prophetic certainty proven by world events foretold in such now lost modern detailed 8th King developmental connections, is also now broken as a continuum (Dan11:36) of concurrent 8th King and Messianic Kingdom culminations. (Dan12:11);

That the 8th King and Messianic Kingdom completions require a final developmental phase in the near future commencement, that the 3rd UN placement (1990) must lead to as a final UN placement of the future (Dan11:45), as a continuous 8th King "will certainly prove successful" continuously to Armageddon is now lost upon JWs. (Daniel 11:30-45);

Now the first two UN placements properly explained by Jehovah's witnesses as prophecy (Rev13:11-15; 17:8-11) cannot be connected to the last two UN placements of Daniel 11:30-45 as a UN 8th King 1-2-3-4 guaranteed continuum to Armageddon due to this Bethel truncation and diversion of prophetic and 8th King reality.

**By all this the JW ministry has lost the 3rd and 4th United Nations 8th King placement meanings and it's global ministerial exposition- and that aids the final 8th King world government development with now JW aided error and misinformation in the worldwide ministry regarding the 8th King as King North of Daniel 11:30-45, and the final Daniel 11:42-45 8th King required globalization completion cycle to full world government to begin soon.**
Overview: The Importance of the First Two UN Placements
Prophetic Tracking Continuum From 1919 to 1970 and the 1990
Bethel Signal Apostasy UN Diversion Campaign

A. JWs Laid The "Kingdom Come" Issue as a Framework of Logic

The International Bible Students (IBSA), by God's aid through Christ, laid a unique Christian ministerial theme that focused on the Kingdom of God as the source of the universal earthly rulership that would deploy as the Messianic Kingdom agency. That the Messianic Kingdom was to soon be the earth focused world rulership under Jesus Christ as God Almighty's anointed King of kings right on planet earth was made known globally. (Zech4:6-9; Dan2:31-45; Rev19:11-21; Rev21:1-5);

The prophetic sovereign theme of that Jehovah's witnesses Kingdom of God ministerial deployment, as a foretold (Dan7:25; Dan12; Rev10-11), developed in the 1914 era foundational ministry that soon developed to far greater detail by 1930. In that progress in understanding, more information came forth affirming much Daniel and Revelation underlying prophetic meaning in important timelines, modern world event meanings and required continuums of 8th King and Messianic Kingdom co-development towards Armageddon's foretold resolution of the sovereign world rulership issue now backed by marked world events after 1914.

_Messianic Kingdom prophecy and 8th King UN world events were now inseparable as both developing concurrently enroute to Armageddon as a reliable continuum and affirmable trajectory backed by more prophecy foretelling more UN 8th King world events as time progressed._

Thus a prophetic thread of certainty was also explained as an interlinked framework and continuum outline that was mapping the Kingdom of God manifestation in preview form over time, in it's Kingdom proclamation concurrent with also 8th King developments as a significant timed gauge in sovereign warning in a prophetically timed manner backed by world events marking the prophecy. In basic terms _when the 8th King completes world government, the Messianic Kingdom final sovereign response will be triggered after that event;_ (Dan12:11; Matt24:29-31; Rev6:12-17);

That logical progression to required 8th King sovereign completion as world government, prior to and enabling the final Messianic Kingdom completion and reaction is fully unheard of to JWs todayAnd that Bethel engineered ignorance aids the JW premature "end of the world" delusion.

First Two United Nations Placements Explained Properly by JWs Live and Real-Time

The original 1914 JW Kingdom ministry made clear that a League of Nations globalist world government foundation was also laid and proclaimed at that time that led to the second United Nations related manifestation. That is now foundationally beyond question in the 8th King's concurrently developing diametric rivalry to the Kingdom of God, which Kingdom of God made it's own sovereign proclamation of that 1914-1918 prophetically marked period concurrently.

That Jehovah's Christian witnesses identified that 1919 first League of Nations (Rev13:11-15; Dan12:11) prophecy, and the subsequent 1945 second (Rev17:8-11) United Nations prophecy and placements as marked prophetic fulfillments is very important. It is an example of the Jehovah's witnesses' concurrent UN tracking assignment of explaining sovereign meaning in prophecy fulfilling in also the rival 8th King world
Why Tracking All Four UN Placements is Important

government system parallels with the Messianic Kingdom "birth" announcement progressing over time as expected. And that tracking and up-to-date commentary needed to be maintained as significant as time proceeded past the 1945 2nd UN placement.

That timed proof of prophecy was marked by the overall sovereign significance based on the Jerusalem sovereign deposition of 607 BCE linked to the Israel/Judah/Davidic Kingdom covenant of God as the "appointed times of the nations" ending in 1914. (Dan4:16,23,25,32; Luke21:24); The initial fulfillment of Daniel 12 smaller scale timed prophetic periods (Dan12:7; 12:11; 12:12) marking significant Kingdom meanings from 1914 and 1926 ministerial manifestation was also developed starting in 1914.

Thus the end of the 2520 years "appointed times" led to the initial Messianic Kingdom "birth" ministry deployed as per solid prophecy - with 8th King related world events also marking it's significance. An overall framework was thus defendable in a progression of developmental features of the Messianic Kingdom agency from Daniel 12's timed periods initially fulfilling and underlying the applicable Kingdom ministerial Revelation 8-11 prophecy. (Dan7:25; Dan12:7; Rev11:2-3; Rev12:6,14; Rev13:5 parallels);

That comprehensive and proven timed framework and it's sovereign milestones and meanings, it's dual "kingdom" theme and it's manifested features, also provided a reliable linking of Daniel and Revelation structured sovereign prophetic outlines. Now Daniel and Revelation were also progressing together to Armageddon upon marked global events. By the theme and timing in the first fulfillment of Daniel 12:7 1260 days of 1914-1918's time signature, the Revelation 11-13 cross relation was solidly established as that co-related parallel prophecy fulfilling.

That Kingdom hub of real meaning created a far greater sovereign picture into which other supporting prophecy could then be linked reliably from all the prophets. When that prophetic structured framework, with real world events of 1914-1919, became backed even further in the 1945 2nd UN placement meaning, it became even more pronounced as valid when compared to the out-dated interpretations and disconnected nature of Christendom's theology. Though that from such context the IBSA separated, the overall difference is astounding to those understanding the now big "world government" picture that now was surfacing.

That an 8th King designate "birth" also appeared in globalist diametric form as an intended human world rulership in an international forum "nucleus" of the 8th Kingdom "image" of world government as the League of Nations, with the Messianic Kingdom announcement, at roughly the same period of time, is of course in retrospect beyond coincidence.

Thus an 8th King and Messianic Kingdom completion parallel was thoroughly founded in prophecy and backed by world events in 8th King world government development. That foundation provided a continual live and real-time responsibility for Jehovah's witnesses to track prophecy continually. Jehovah's witnesses also were required to explain the supporting world events correctly as prophecy when they appeared on the world scene in applicable fashion. Thus Jehovah's witnesses were to be constantly providing the key meanings of prophecy and it's described world events which were guaranteed to continue to fulfill and to describe future 8th King and Messianic Kingdom developments beyond 1945; (Dan11:27-45; Dan8:9-25; Rev16; Rev17);

B. Earthly Purpose of God Fully Explained

The purpose of God to fulfill the Genesis 1:26-28 (Gen12:3; 22:17-18) Edenic blessing on earth as God's "will done on earth" (Matt6:10; Eph1-3) by means of Christ to circumvent the Edenic sin and sovereign rebellion issue was also made far clearer than the Christendom scenario of a mass exodus from earth to heaven or hell. And the manifestation of the 8th King and Messianic Kingdom required final agencies' respective
proclamations claiming to be the world power to fulfill God's "will done on earth" also appeared at the same 1914-1919 timing and were noted as concurrent yet diametrically opposed as to which world government would rule planet Earth.

This focused the reality of Christ and the Kingdom of God coming to earth (Matt6:10) as a real anticipated event among true Christians, and what it would mean for the rival 8th King sovereignty was explicitly stated. (Dan2:31-45; Rev19:19-21) Jehovah's witnesses used to make it clear God's Kingdom is not a globalist elite UN "expression of God's Kingdom on earth" and Jesus Christ is not coming to join the United Nations and that more than implied a sovereign global war with God, which was made clear in the JW ministry like no other ministry on earth.

Now that ministerial tracking work has ended up as a foretold Bethel ministerial diversion endorsing the UN as UN NGO, as many again are unaware of the true sovereign issue in dynamic development here currently swept under the Bethel rug.

C. Kingdom Issue Fully Explained

Thus the Kingdom issue and world rulership issue was clarified fully in forms explained clearly to become final world government entities that resolve that sovereign issue in a final conflict related to the Armageddon meaning.

D. God's Supreme Unique Identity Fully Explained

A clear distinction between God and His Son Jesus Christ was clearly made in Jehovah God's Name describing the definitive unique Almighty God as an individual person.

E. Jesus Christ's Role in God's Purpose Fully Explained

Jesus Christ's role as God's Word, messenger, anointed servant and King to carry out God's will was also clearly defined from various Christendom confusions.

F. The Christian Ministerial Responsibility Fully Explained

The Kingdom and ministerial responsibility of Christian exclusive devotion and exclusive worship of God alone, by access through Jesus Christ's sacrifice as the only two persons to receive faith and trust was also clarified. As Christendom joined the League of Nations endorsement and true Christians endorsed God's Kingdom, the distinction was made clear. (To be noted later, because that distinction was clear, but obscured in recent times as the 1990 Bethel 3rd United Nations endorsement as UN NGO is now the modern JW "two masters" status. (Dan11:31b; Matt6:24; 24:15);

G. Prophetic Rival System Sovereign Progression Nearly Fully Explained

Thus what is a required tracking of Messianic Kingdom developments and 8th King developments in prophecy and world events and developments to lead to a climax period of human history was set as an early Christian ministerial theme of the Jehovah's Christian witnesses. (But now noted as derailed in modern Bethel loss of the 3rd UN meaning in prophecy in 1990 - thereby losing the required focus of tracking those two kingdom developments in modern world events fulfilling prophecy and their parallel developments.)

Page 13
H. World Rulership Conflict Principle Fully Explained

Thus two diametric "kingdom" sovereignties, side by side concurrent development, was identified as was the assured global location of that sovereign resolution. (Rev16:12-18);

The Final Climax Concept Not Fully Explained

That this kingdom and world rulership dual development would progressively lead to the Armageddon climax in time was shown in conceptual form in the initial fulfillment pattern of Daniel 12 and Revelation 8-11 parallels up to the understanding of that period. That understanding is now suffering a loss of focus due to Bethel's diversion campaign and organized signal apostasy. (2Thess2:3; Dan11:30-31; Dan11:32a; Zech3:1-3);

Now since 1976 and nearly forty years of "gradually given over" (Dan8:12) internal Bethel compromise, led by the Governing Body method of factional-to-full control, the JW ministry has warped with the Christian ministerial focus. This resulted in time, "gradually", in the UN NGO covenant and all it implies in 8th King aiding promotion, deception and cover-up and further resulted in the last twenty full years of missing Biblical commentary at Bethel regarding 8th King developments clearly fulfilling more prophecy since 1990 and the 3rd UN placement of that time. (Dan11:31; Dan8:11-14, 23);

Thus it is not JWs "moving ahead" or in danger of "pushing ahead" but rather JWs having falling far behind at least 20 years. JWs are now fully behind the Biblical and world times as far as 8th King development amidst a Bethel spiritual lawlessness and stumbling campaign actually fueled by this Bethel spiritual criminal activity and it's public record spread globally by the internet.

In effect of the full 37 years since 1976 of this "Governing Body" centered subversion and transgression (Rev8:10-11), really that whole time period (Rev8:12) is now a reflection of the JW progressive subversion into now full apostasy. Thus now full JW communal apostasy is enabled by Bethel's organized means of administering it and concealing it to some, but not to all, at the same time as they develop and deploy it.

Accordingly the 8th King tracking in it's significant events since 1990 and the growing globalization-to-world-government awareness even in the world's research is all concealed issues by Bethel policy. In that purposeful Bethel engineered 8th King developmental ignorance among JWs, JWs are also incapable of explaining or proving the final phase of 8th King development of the future (Dan11:42-45; Rev17:11-18), or it's signal development as the Daniel 11:30-41 continuum since 1990. JWs have been fully derailed with a modern ministerial irrelevance now stalled in 1970 perpetually.

Thus JWs are incapable of explaining prophecy in final fulfillment properly and are in actual Bethel engineered error regarding Daniel 11:27-45 (King North as 8th King) and Daniel 8:9-25 ("small horn", "King of Fierce Countenance" as 8th King) as an identical 8th King final phase of world rulership development in those parallel prophecies. Now all sovereign prophecy of King North and the King of Fierce Countenance are globalized world government meaning fully transcending Bethel's national defined dead-end fictions, now both converging into their identical globalist 8th King world government meanings and their final development and placement sequences.

Temple Judgment Unknown to JWs

The coming timed temple judgment of Daniel 8:11-14 as consequence of the Daniel 8:13 UN NGO as that "transgression causing desolation" of Daniel 11:31b placing of the "disgusting thing" as Bethel UN NGO, as
co-developing with these lawless Bethel subversions, is also unknown to Jehovah's witnesses.

That Daniel 8:13-14 activates as 1Peter 4:17 as parallel of Revelation 8:3-5 final fulfillment commencing the final Revelation 8-11 final cycle parallels is also unknown to modern Jehovah's witnesses. All these prophetic certainties are covered up with WW2 era fictions by the Bethel apostate leaders. That Bethel has killed the real-time prophetic understanding so have they paralyzed the JWs understanding prophecy continues to fulfill and in fact it must all replicate in final form in the near future as a live and real-time final set of marked years and 8th King final world government cycle currently hidden by this purposeful Bethel "theological" coma.

That the final judgment cycle starts upon Jehovah's witnesses in the final 8th King cycle context of Daniel 11:42-45 is also unknown to Jehovah's witnesses. JWs think instead all prophecy of Daniel and Revelation has fulfilled "to the smallest detail"; (WT 6/15/2012 Article: JEHOVAH IS A REVEALER OF SECRETS ’)

**JWs are now sitting ducks, set up by apostate Bethel, for the 8th King first "trampling" of Daniel 8:13-14 coming soon as the JW temple judgment significance; (1Pet4:17);**

Now Bethel and the 8th King can present that temple desolation of Daniel 8:13 to JWs as premature Daniel 11:44 "the end of the world starting brothers!" premature "attack on Babylon the Great"and most JWs will be none the wiser for quite some time; (Dan8:14; Hos6:1-3; Isa37:30);

**Current JW Status: The Final 8th King and Temple Judgment Cycle is not Fully Explained**

Though the final cycle of prophecy and world events is contained in the first Kingdom and 8th King cycle of Daniel 12 of 1914-1926, merely repeating in final form in the near future, with unique prophetic signals of:

1. Daniel 8:13-14 temple judgment of Jehovah's witnesses and;

2. Daniel 11:42-45 final 8th King phase of global intrigues activating;

JWs are fully unaware of this reality.

Bethel subversion has created this spiritual retardation. Thus we have a loss of the 8th King UN tracking assignment by Bethel that developed after the 1945 2nd UN placement was explained properly, leading to a now complete cover-up of the 1990 3rd and future 4th UN placements by Bethel subversion.

**CSI Bethel - The Unusual Suspect**

Thus sometime after 1945 and a successful tracking of two UN prophetic developments the third UN placement of 1990 was concealed and ignored with a signal UN NGO Bethel endorsement. (Dan11:31; 8:13; Matt24:15); That apostasy finally surfaced in 1990 from an internal Bethel development predating that time in positioning (Dan8:11-13), empowered by foretold 8th King aided anointed defection and infiltration (Dan11:30b-35, 41), as in time a Bethel subversion developed to the point of endorsing the UN 8th King as UN NGO by 1990.

Covering up the Daniel 8 and 11 relative prophecies of that development, and covering up the King North (and King of Fierce Countenance) identity as only possible in the 8th King in Daniel 11:30-45 and Daniel
Why Tracking All Four UN Placements is Important

8:11-25, all co-developed with this now ominous internal Bethel UN NGO development.

We therefore ask: What happened to the JW ministry here?

As we put 2 and 2 together the "unusual suspect" in this case, to develop at Bethel between 1945 and 1990 approximately, is of course the 1976 Bethel dictatorial coup by the "Governing Body" dictatorial development that sprung up and seized Bethel control in this interim period.

That internal Bethel "cell" of unique and timely development was the new, potentially factionally controlled, and non-Biblical scripturally super imposed "rule by committee" "Governing Body" method of Bethel JW ministerial guidance. That timely development amounts to a self-glorified, self-appointed and specialized corporate "board of directors" - not a mythical divine supreme council - that went into group control after the Bethel ministry was in full successful operation formerly led by individual anointed Christian guidance in Charles Russell, Joseph Rutherford, Nathan Knorr and Fred Franz.

This new type of "committee" "guidance" at Bethel was therefore also unique in all JW history since 1914, but was sold off as an existing divine entity dating back to the days of the apostles, and the early IBSA ministry - which is not the truth. (Acts 15:1-33 and Revelation 2-3 do not mention any mythical "governing body" of apostolic "popes"; 2Thess2:1-4; 2Cor11:13-15); The "governing body" is not a Biblical term or entity as well and had to be super-imposed and implied by human rationale upon the one time Jerusalem Acts 15:1-33 emergency circumcision clarification meeting to even install such an idea in the mass JW mind in error. (2Thess2:11-12).

In hindsight this experiment in Governing Body catastrophe is the single worst failure of JW history from it's inception of this "divine body" that led to even more serious transgression and eventual full departure from the Christian ministry in time "gradually given over". (Dan8:11-13); The "governing body" invention and it's Bethel installation by intrigue as a "supreme council" - or Bethel's modern Papal-like "Lords of the Faith" - is unique to 1976 and after in Jehovah's witnesses, and that is telling for the critical developments that soon followed. It's method of group rule and it's dictatorial style was also unique to that fateful 1976 inception and after as prior to that time the "body of the Christ" was recognized as the only divine entity identified by God, Christ and the Bible.

There simply is no such thing as the "governing body", all divine authority is in Jesus Christ by God's appointment and thus secondarily to his "body" of anointed of which the 12 apostles were the first members upon faithful continuation of the responsibility by faith and obedience. When one defected a replacement was selected by God and in time that apostolic body ceased in existence as the "body of the Christ" continued the work by also God's selection. The "Judas" "Governing Body" picture is all Bethel is indicating (2Thess2:3-4). This is because never has and never will God place an intermediary authority between Christ and his own "body" as the Governing Body has assumed and "lifted themselves" into. God certainly will not set a group of UN servicing Bethel lawless ones over anointed Christians, instead Bethel's apostasy and "lawless one" shall fully fulfill the signal apostasy towards it's temple purification expulsion signaling a final temple judgment cycle. (Zech3:1-5);

Thus the "governing" "body" is actually a manmade additional body added later, whose very existence is naturally "set in opposition" (2Thess2:4) to the "body of the Christ" which the so-called "Governing Body" claims to be the supreme authority of. Thus Bethel is now a neo-papal system in reality, merely modified to fit the Bethel urban CEOs of the modern Bethel corporations.
The Main Target of 8th King Coming First Trampling (Daniel 8:13-14)

And this is why modern Jehovah's witnesses are the last point of Christian and world truth already diverted now, that is also the target of a full global ministerial removal attempt indicated in the very apostasy active internally at Bethel. If the 8th King leads an internal Bethel apostasy as per prophecy (Dan11:32a), with great evidence of critical compromise and transgression, then we can know he is not going to remain static, but is Bethel tool of lawlessness has a coup-de-grace intention also indicated in more prophecy such as the whole book of Hosea, Micah, and most of Isaiah's prophecy.

(The "man of lawlessness" is also the "son of destruction" in Bethel's cleric system, a betrayer manifestation climax in that symbolic meaning. Zechariah 11 "flock meant for the killing" is now all JWs to be under the 8th King divinely permitted "trampling" desolation of Daniel 8:13 that the UN NGO has sealed in the JW organization; Daniel 8:13 "transgression causing desolation");

This article will further explain the initial valid progressive sovereign description and framework and it's importance classically developed in JWs up to the appearance and progressive gradual diversion centered in the Governing Body in 1976 and after in the Bethel signal apostasy. (Dan11:32a; 2Thess2:3);

That valid ministerial theme based on a Kingdom proclamation and it's globally explanatory ministry paralleling two known UN placements as the co-developing rival 8th King world rulership system has a point of known departure to also be explained further.

Jehovah's witnesses were a valid Kingdom ministry until this modern Bethel diversion, now matured (Dan8:23), derailed the modern JW ministry with great evidence of the 1990 period total departure from the former Jehovah's witnesses Christian Kingdom ministry.

First Two United Nations 8th King Explanations - Live and Real-Time

1. League of Nations 1919 as Revelation 13:11-15 Fulfilling

The initial Kingdom ministry of Christian clarification deployed in the 1914-1918 WW1 period forming. This world development and ministry led to a dual manifestation situation as not only did God's Kingdom make a sovereign proclamation, but soon a concurrent rival 8th King system also made a sovereign presentation and proclamation too.

That was fully explained in prophecy as the1919 League of Nations "image of the wildbeast" by firstly and only the International Bible Students (IBSA):

(Revelation 13:11-15) And I saw another wild beast ascending out of the earth, and it had two horns like a lamb, but it began speaking as a dragon. 12 And it exercises all the authority of the first wild beast in its sight. And it makes the earth and those who dwell in it worship the first wild beast, whose death-stroke got healed. 13 And it performs great signs, so that it should even make fire come down out of heaven to the earth in the sight of mankind. 14 And it misleads those who dwell on the earth, because of the signs that were granted it to perform in the sight of the wild beast, while it tells those who dwell on the earth to make an image to the wild beast that had the sword-stroke and yet revived.
Why Tracking All Four UN Placements is Important

15 And there was granted it to give breath to the image of the wild beast, so that the image of the wild beast should both speak and cause to be killed all those who would not in any way worship the image of the wild beast.

(Revelation 13:11-15) And I saw another wild beast ascending out of the earth (from the established national systems) and it had two horns like a lamb, but it began speaking as a dragon. (the Anglo-American globalist elite guidance system developing 8th King world government) 12 And it exercises all the authority of the first wild beast in its sight (the Rev13:1 national wildbeast progression of Dan2,7,8) And it makes the earth and those who dwell in it worship the first wild beast (the nationalism primary worship distraction) whose death-stroke got healed. (from WW1 recovery and League of Nations political and financial oversight from 1919; Rev17:8 "admiration" principle reinforced by this first recovery as a formulaic principle of UN presentation acceptance) 13 And it performs great signs, so that it should even make fire come down out of heaven to the earth in the sight of mankind. 14 And it misleads those who dwell on the earth (distracts mankind from the Messianic Kingdom certainty) because of the signs that were granted it to perform in the sight of the wild beast, while it tells those who dwell on the earth to make an image to the wild beast (League of Nations world government nucleus, blueprint and international developmental forum) that had the sword-stroke and yet revived. (the world war resolution "revival" hope aids the world government presentation in that world-war-to-world-government formulaic effect) 15 And there was granted it to give breath to the image of the wild beast (the world government "picture" begins to be painted, a world government begins to be built according to it's "image"); so that the image of the wild beast should both speak (Anglo-American globalist elite voice begins shaping world destiny towards world government; Rev16:13-16) and cause to be killed all those who would not in any way worship the image of the wild beast. (in time this UN related "image" development must evolve into world government in four UN cycles foretold in prophecy);

Today many Christians besides Jehovah's witnesses understand that prophecy can only be the 8th King designate as League of Nations initial manifestation after the WW1 period was resolved to highlight the need and validity of that foundational world government organization. The sovereign certainty of Daniel and Revelation prophecy of what that 1914-1918 period meant and was leading to was also affirmed in hindsight of what a League of Nations really means as a sovereign rival world rulership - a true "new world order" concept and attempt.

Thus a major piece of required sovereign prophecy popped into reliable place after 1919 in the sovereign theme of progressive development towards Armageddon. It was made clear more fully after that time in what is seen now by some as the first unmistakable symphony of the initial Kingdom proclamation ministry with a world war scope tribulation, and an 8th King rival world governmental birth presentation all in the same approximate four years of development. (Thus for more than prophetic reasons, 1914-1919 is a well marked milestone in all human history for more reasons than just prophecy fulfilling.);

2. United Nations 1945 as Revelation 17:8-11 Fulfilling - The Initial Sovereign Picture is Fully Founded in Revelation Meaning

Thus by the time the second United Nations (UN) presentation manifested in 1945 after WW2, that event fulfilling prophecy could be seen in foresight as well as hindsight, and that set the initial era of JW development of sovereign prophetic explanation upon a great verification of Revelation 13 and 17 prophecy with two great forming world government presentations after two world war periods were resolved as the formulaic process of such UN presentations was also becoming obvious.
(Revelation 17:8-11) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss, and it is to go off into destruction. And when they see how the wild beast was, but is not, and yet will be present, those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world. 9 “Here is where the intelligence that has wisdom comes in: The seven heads mean seven mountains, where the woman sits on top. 10 And there are seven kings: five have fallen, one is, the other has not yet arrived, but when he does arrive he must remain a short while. 11 And the wild beast that was but is not, it is also itself an eighth [king], but springs from the seven, and it goes off into destruction.

(Revelation 17:8) The wild beast that you saw was (League of Nations globalization form; scarlet) but is not (went down in 1939 and WW2), and yet is about to ascend out of the abyss (ascends as United Nations 1945 after WW2) and it is to go off into destruction. (Daniel 11:30-45; 8th King presents world government renditions after a world war is resolved for maximum positive "peace" and recovery effect) 9 “Here is where the intelligence that has wisdom comes in: The seven heads mean seven mountains (national power peaks over time) where the woman sits on top. 10 And there are seven kings: five have fallen (Egypt, Assyria, Babylon, Medo-Persia, Greece) one is (Rome), the other has not yet arrived (Anglo-American national power) but when he does arrive he must remain a short while. 11 And the wild beast that was but is not, it is also itself an eighth [king] (globalist world power), but springs from the seven (national power progression of Rev13:1; Dan2,7,8) and it goes off into destruction (after 4th UN placement as full 8th King world government; Dan11:45; Dan8:25; Dan12:11 final fulfillment);

That also defined the central theme of the opposing 8th King power system for the JW ministry after 1945 UN events for an initial valid ministry, well backed by world events continuing the Kingdom ministry and it's reliable UN tracking prophetic awareness. It also connects Daniel 2, 7, 8 and 11 sovereign progression from a national "seven headed" wildbeast formation to it's totality as 8th King globalization leading to world government.

Thus the globalized nature of the 8th King beyond the mere UN "image" meaning and function with in time additional worldwide scope of world government is a critical final detail of final 8th King development over a required fourth and final phase. And this whole post 1990 UN development is also what Bethel covers-up in addition to covered up prophecy, with also a non-existent globalization commentary related to final 8th King world government development evidence. Anything and everything 8th King and world government related is all concealed by Bethel with no public commentary to the point of an engineered globalization ignorance so great and so long held it must be purposeful.

This is why examining JW developmental details after 1945 is so important, because the 3rd UN manifestation after a unique WW3 Cold War was resolved in 1990, is now not tracked by the Bethel ministry. And worse, they joined that 3rd UN manifestation as UN NGO, a Bethel official UN co-promotional organization. And worse still, they cover up Daniel 8 and 11 8th King parallel fulfilling developments for various forms of the Bethel WW2 era fictions, all at the same time. That Bethel also fulfills these critical apostasy co-developments live and real-time with this 8th King cover-up is now required in the manifestation itself.

A major problem has developed internal to the JW organization and it's Kingdom ministry now defunct. Thus post 1945 JWs, who used to expose UN development as prophecy must contain the clues of the modern full Bethel diversion of that Kingdom ministry by 1990. It will be shown by such subversion the final two of four
Why Tracking All Four UN Placements is Important

UN placements are being purposely concealed by the Bethel organized apostates.

And that diversion climaxing in 1990 conceals the UN 1-2-3-4 guaranteed development continuum in prophecy to Armageddon, thus losing track of that importance renders the modern JW ministry now invalid, in fact misleading - yet still fulfilling key prophecy now as signal Bethel apostasy and the final modern "man of lawlessness" revealing in direct connection with the 8th King.

Final 8th King Cycle Connection

Understanding Revelation 17:8-11 as second UN placement is crucial because it leads to a progressive finale development in time to climax from the 3rd UN placement to the 4th UN placement as this culmination:

(Revelation 17:12-18) “And the ten horns that you saw mean ten kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the wild beast. 13 These have one thought, and so they give their power and authority to the wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so].” 15 And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns that you saw, and the wild beast, these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire. 17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their kingdom to the wild beast, until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth.”

(Revelation 17:11-18) And the wild beast that was but is not, it is also itself an globalist eighth [king], but springs from the seven, and it goes off into destruction. 12 “And the ten horns that you saw mean ten (national) kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the (globalist) wild beast. 13 These have one thought (sovereign expansion and or preservation), and so they give their (national based) power and authority to the (globalist apex forming) wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so].” 15 And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns (national powers) that you saw, and the wild beast (globalist power), these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire, (absorbing religious sovereignty and assets) 17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their (national based) kingdom to the (globalist ascendant) wild beast, until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth.” (the target religious sovereignty);

Which sovereign 8th King climax parallels this finale consolidation of international globalized world power:

(Revelation 16:12-16) And the sixth one poured out his bowl upon the great river Euphrates, and its water was dried up, that the way might be prepared for the kings from the rising of the sun. 13 And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire

inhabited earth, to gather them together to the war of the great day of God the Almighty. 15“Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness.” 16 And they gathered them together to the place that is called in Hebrew Har-Magedon.

(Revelation 16:12-16) And the sixth one poured out his bowl upon the great river Euphrates (Parallels 6th trumpet), and its water was dried up, that the way might be prepared for the kings from the rising of the sun. (Babylon the Great being set-up for Revelation 17:15-17 parallel events by removal of human defenses (Rev17:15)) 13 And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. (complete 8th King globalist influence culminating 14 They are, in fact, expressions inspired by demons and perform signs (globalization is the main "gathering" principle and development to lead to world government m power consolidation), and they go forth to the (national) kings of the entire inhabited earth (culminating in this final period) to gather them together (globalization to world government) to the war of the great day of God the Almighty. (the earthly sovereign resolution, parallels Revelation 17:12-18 and Daniel 11:42-43 culminations into globalist 8th King power as world government 15 “Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness.” 16 And they gathered them (by Dan11:42-43 and Rev17:11-17 8th King wealth and power globalization consolidations together (into final 8th King world government globalist unification symbolized in completion by 4th UN "placement" and proclamations; parallel Dan11:45; Dan8:25) to the place that is called in Hebrew Har-Magedon. (Joel 3:9-17; Zeph3:8-9; Dan2:31-45);

Thus those progressive developments with plenty of specialized research now available to illustrate financial, military and government evolutions supporting globalization as a progressive process leading to world government "crystallization" are now also concealed from Bethel teaching. That purposeful retarding of JW world globalization understanding further aids concealment of 8th King world governmental development since 1990, and it's final stages of globalization as a process requiring a final phase of development to also be shown foretold by prophecy - and logical in four total UN developments in world history.

Accordingly that diversion of JW understanding, in marked manner since 1990, has also truncated the JW awareness of the final 3rd and 4th UN placement continuum of Daniel 11:30-45 that provides the developmental background since 1990 of those final consummations as evidenced in globalization developments in many sectors of world power. It also disconnects the progressive first two UN placements from this required continuum (Dan11:36) that could be easily recognized as four UN placements foretold in Bible prophecy. ((1) 1919 Rev13:11-15; Dan12:11 (first) (2) 1945 Rev17:8-11; (3) 1990 Dan11:31; (4) Future Dan11:45; Dan8:25; Dan12:11 (final));

The final 4th UN world developmental drive to full world government of Daniel 11:42-45 is also concealed as to modern and future significance by this Bethel based subversion aided by erred theological interpretation of Daniel 8 and 11 as WW2 era and USSR misapplications as the primary smokescreen to conceal the 1990 3rd UN placement significance in prophecy and world globalization developments that followed.

Worldwide Financial Compromise

Thus as multi-hundred-trillion dollar worldwide national debt and unfunded liabilities set-up a global financial meltdown of some sort aiding the Daniel 11:42-43 8th King wealth globalization process soon to activate, Bethel says absolutely nothing regarding this obvious connection of modern national debt compromise and future prophetic meaning in that straightforward 8th King prophecy.
(Daniel 11:42-43) And he (8th King/King North) will keep thrusting out his hand against the (national) lands; and as regards the land of Egypt (collective national powers; King South "capital"), she (feminized King South) will not prove to be an escapee. (captured by globalist power intrigues of first a financial nature;)

43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (Thus 8th King/King North rules the world wealth, wealth system and all "desirable things" of collective global national "Egypt" "King South" powers in full globalist progressive ownership);

All these developments must occur in that Daniel 11:42-45 future final portion fulfilling in the overall Daniel 11:30-45 3rd and 4th UN placement continuum now concealed by apostate Bethel.

Critical Diversion Point in 1990 Third United Nations Placement Time Period

This prophecy actually leads to the 1990 3rd UN placement and the apostate Bethel background development with 8th King (King North) connections:

(Daniel 11:30-31) “And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature]. “And they will certainly put in place the disgusting thing that is causing desolation.

(Daniel 11:30-31) “And he (8th King/King North) will actually go back and hurl denunciations against the holy covenant and act effectively (produces a successful operation Dan8:12b); and he (8th King) will have to go back and will give consideration to those leaving the holy covenant. (anointed core defection at Bethel aids internal 8th King access) 31 (Bethel subversion:) And there will be arms that will stand up (at Bethel; Dan11:41; Luke21:20), proceeding from him (8th King planners); and they (collusion) will actually profane the sanctuary, the fortress, and remove the constant [feature]. (3rd UN placement 1990:) “And they (team effort) will certainly put in place the disgusting thing that is causing desolation. (3rd UN placement, 1990; UN NGO, 1991, at Bethel; Matt24:15; Dan8:13 "transgression causing desolation");

The key clues are as identified by the Bible prophecy itself by prophetic details able to be compared to the accurate world events to reveal the actual fulfillment that fits ALL the prophetic criteria of Daniel 11:27-45; This diversion point and it's 1990 timing is critical in understanding the internal Bethel JW ministerial subversion operation and will be described in detail supporting the rationale covered above;

Main Bethel Apostate Signal Development Details - The Diverted Prophecy Describes it's Own Transgressors Live and Real-Time

This identification is helped by the fact that the prophetic truth the Governing Body are originally diverting attention away from in purposeful error also contains the prophecy of the diversion itself - in addition to several other informative details explicitly related to 8th King developmental covered up by the Governing Body in joint operations with the 8th King
(Daniel 11:30-31) “And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature].

This key to identifying the Bethel subversion operation features and evidence is in the Daniel 11 divine prophecy itself, identifying:

(1.) Where the apostasy originates and the interests it serves; (2.) How the diversion and transgression develops; (3.) What it is doing in serious transgressions while the prophecy is being fulfilled and why; (4.) and who and why; prophetic details Identify ALL THREE parties of the transgression and the diversions as acting TOGETHER while in fulfillment:

(Daniel 11:30b) . . . (1) “And he (8th King/King North globalists) will actually go back and hurl denunciations against the holy covenant and act effectively (continual success - see Daniel 11:36b; Dan8:12b); (2) and he will have to go back and will give consideration to those (JW Christian anointed defectors) leaving the holy covenant. (anytime developing after 1919 determination of holy covenant location); (3) And there will be (infiltrator subversion) arms that will stand up, proceeding from him; (8th King/King North globalists) and (4) they (team effort with the Governing Body network) will actually profane the sanctuary (temple arrangement internally compromised; 2Thess2:3-4) the fortress (JW organization internally compromised) and remove the constant [feature]. (Truth profaned first, as covered here in this Governing Body misinformation campaign;)

The climax of that 8th King developed "consideration" and pre-positioning internal to Bethel results in the Bethel UN NGO at the same time as the third UN placement of 1990:

The UN 3rd Placement of 1990-1991

(Daniel 11: 31b) “And THEY (8th King and Bethel collusion) will certainly put in place the disgusting thing (8th King and Bethel collusion) will certainly put in place the disgusting thing that is causing desolation. (Placed in world as United Nations "New World Order" objective, 1990; placed at Bethel as UN NGO in 1991; Matt24:15);

2 Thessalonians 2:3 Parallel Apostasy Connection

And that development continues to compound as actual "King of the North" (8th King) strategists lead a gradual (Dan8:12) and compounding Bethel apostasy through this core anointed defection headed by the Governing Body, leading to the Bethel and factional subversion development:

(Daniel 11:32a) “And those who are acting wickedly against [the] covenant (which can be any JW now), he (8th King/King North) will lead into apostasy (2Thess2:3) by means of smooth words... (modern Watchtowers are a good example of "smooth worded" error);

(2 Thessalonians 2:3-4) . . . Let no one seduce you in any manner (such as Bethel), because it (temple judgment signal to start the overall judgment; 1Pet4:17) will not come unless the apostasy (2Thess2:3) comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition. (and at Bethel)
in apostasy, and in modern form as the Governing Body "man of lawlessness" composite, that prerequisite is now fully met, and a global reproach; (2Pet2:1-3; Zech3:1-3))

Modern Final Temple Judgment Parallel

Thus the temple judgment the Bethel apostasy is signaling is the Daniel 8:11-14 developmental parallel to Daniel 11:30-31 events:

(Daniel 8:11-12) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down. 12 And an army itself was gradually given over, together with the constant [feature], because of transgression; and it kept throwing truth to the earth, and it acted and had success.

(Daniel 11:30) "act effectively" completely successful unlike anything World War 2 produced in ultimate failure when compared to this 8th King engineered intelligence and subversion operation deployed through the Governing Body and installed Bethel agents;

(Daniel 11:31b) “And they will certainly put in place the disgusting thing that is causing desolation. (United Nations in New World Order mode 1990; Bethel UN NGO 1991); (Compare Daniel 8:13 "transgression causing desolation" to this termed "disgusting thing that is causing desolation" and it is obvious they are related in Bethel transgression (Dan11:31b) leading to Bethel desolation (Dan8:13-14) soon as judgment permitted for this transgression);

Accordingly all those developments lead to a required judgment and purification in modern final form.

Modern Temple Judgment

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition’

Temple Indictment as UN NGO "Transgression" Related (Matt24:15);

(Daniel 8: 13) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the profaned and subverted constant [feature] of JW ministerial offerings and of the transgression causing desolation (UN NGO alliance and co-promotions fulfilling Daniel 11:31b) to make both [the] holy place (temple "established place"; Dan8:11) and [the] (JW worldwide) army things to trample on?” (in 8th King "attack" aided
Why Tracking All Four UN Placements is Important

temple desolation "fire" of Zechariah 3:2 and Revelation 8:3-5);

Timed Temple Judgment Period

(Daniel 8: 14) So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition’ (Temple purification completed in this time period parallel Zechariah 3:4-5, Revelation 8:1-5);

If each "evening" and "morning" unit apply to the 2300 unit count individually this is 1150 days minimum temple judgment period; If this is 2300 "days" as "evening and morning", half of it may very well be in "evening" further bedarkened condition (Hos6:1-3), leading to "morning" recovery of that symbol of "constant feature" sacrifice removed in this 2300 day period completing the temple judgment objective; (This activates Revelation 8 as temple judgment parallel);

UN 1-2-3-4 Prophecy Tracking Broken

That diversion described above allows this 8th King progression prophecy of the near future activation to fall from the UN tracking ability since 3rd UN placement (1990; Dan11:31) for the current deceptive USSR truncation and fiction concerning all of Daniel 11:30-45 actual 8th King developments:

(Daniel 11:42-45) And he will keep thrusting out his hand against the lands; and as regards the land of Egypt, she will not prove to be an escapee. 43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. And the Libyans and the Ethiopians will be at his steps. 44 “But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. 45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

And thus the whole UN continuum of development after 1945 is lost:

Preached by JWs:

UN 1. Placement 1 - 1919; Post World War 1; Revelation 13:14-15; (Daniel 12:11; first fulfillment)
UN 2. Placement 2 - 1945; Post World War 2; Revelation 17:8-11;

Not Known or Preached by JWs:

UN 3. Placement 3 - 1990; Post Cold World War 3; Daniel 11:31b; (Covered Up as Daniel 11:3-45 continuum);
UN 4. Placement 4 - Future; Post World War 4; Daniel 11:44-45 8th King entity parallel Daniel 8:23-25 as Daniel 12:11 final fulfillment);

Thus while in deception JWs expect a premature "end of the world", an overly advanced and premature Daniel 11:44 activation in some King North form of Bethel misapplication, and an out-of-sync bypass of the final 8th King globalization process itself, instead a final 8th King-to-world-government globalization culmination cycle towards world government in a final phase of world developments and prophecy is about to be just beginning.

JWs are now set up for a full bewildering total derailment and ministerial destruction attempt in that final cycle.
Next: The Final 8th King World Government Phase
Commencement of Daniel 11:42-43 World Finance Globalization Process

The next set of 8th King world intrigues is now unknown to JWs and the ministerial global audience:

(Daniel 11:42-43) And he (8th King/King North) will keep thrusting out his hand against the (national) lands; and as regards the land of Egypt (collective national powers; King South "capital"); she (feminized King South) will not prove to be an escapee.(captured by globalist power intrigues of first a financial nature:) 43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (Thus 8th King/King North rules the world wealth, wealth system and all "desirable things" of national "Egypt" "King South" powers in full globalist progressive ownership);

That wealth and power sovereign certainty in time leads to the Daniel 11:44-45 8th King world government culmination.

Final 8th King World Government Completion

(Daniel 11:44) . . . “But there will be reports (little scroll recovered ministry messages) that will disturb him (8th King going into world government totality) out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction (Dan8:25 "bring many to ruin during a freedom from care" parallel of also 1Thess5:1-3 world "peace and security" period of 8th King world government placement (Dan12:11 final fulfillment):

As is the fact this can only be an 8th King final world governmental event globally:

(Daniel 11:45) And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; (plural palatial "tents" as earthly symbolism of UN distributed world government in 4th UN placement; parallel Daniel 12:11 final fulfillment) and he will have to come all the way to his end (Armageddon denunciation of Dan11:36), and there will be no helper for him. (King North as 8th King deposed (Dan7:26; 8:25);

(Daniel 12:11) “And from the time that the constant [feature] has been removed (in second two witnesses deposition of Rev11:7) and there has been a placing of the disgusting thing that is causing desolation (in fourth and final 8t King UN world government placement; Dan11:45; 8:25) there will be one thousand two hundred and ninety days.

Apostasy and Lawlessness Now Identified as Cause of JW Ministerial Subversion - A Required Divine Judgment and Ministerial Truth Recovery is Signaled

Accordingly from that actual prophetic sequence notable since 1990 with great evidence of Bethel subversion
the formerly accurate and valid JW ministry tracking two UN prophetic developments up through 1945, parallel to the Kingdom ministry, is derailed fully in 1990 diversion by Bethel purposeful error and cover up

**Temple Judgment Requirement Now Understood**

This final apostasy indicates the final cycle is already started in that signal dimension in hidden ways that will lead to the final temple judgment phase. That temple judgment will start the final prophetic cycle to Armageddon, identifying the milestones enroute, the judgment timing, and the temple purification meaning of a ministerial clarification to result from the temple judgment desolation and recovery. (1Pet4:17; Dan8:13-14; Rev8:3-5; Mal3:1-5; Zech3:1-5; 2Thess2:8);

**Ministerial Recovery**

Since the Bethel apostasy is successfully diverting (Dan11:30b-31; Dan8:12) the former valid exposition of Messianic Kingdom and 8th King UN parallel development as prophecy and world events with modern developmental progressive fulfillment ignored and covered-up (Dan8:12b), such as the apostasy itself (Dan11:32a; 2Thess2:3-4), Bethel's UN NGO alliance (Dan11:31b; Dan8:13; Matt24:15) with key UN and globalization milestones (Dan11:36-39; Dan40-41) and a historic 3rd UN placement marker, that Christian ministry must be recovered.

Accordingly a temple judgment desolation (Zech3:2; Rev8:3-5; Dan8:13) will provide a purification (Dan8:14; Zech3:4-5) of the ministry by an anointed Christian judgment marked (1Pet4:17) and timed in prophecy (Dan8:14) to become a commencing signal and world event upon the Bethel "established place" associated environment of that former valid ministry to remove the apostasy and to clarify the final truth.

**Final Warning to Develop**

In the ministerial recovery to eventually explain the very things the Bethel subversion is concealing will come forth the final prophetic framework that must progress to the Messianic Kingdom and 8th King approximate concurrent completions for final sovereign resolution as in time a final 1260 day final warning period marked enroute and afterwards by more 8th King and Messianic Kingdom milestones prior to Armageddon.

The important objective is to establish the 8th King developmental progression of the final two UN placements in prophecy as reconnecting to the point of the first two UN placements formerly tracked properly by the JW worldwide ministry. That UN 1-2-3-4 progression is crucial since the 4th and final UN progress and placement is what marks the world trajectory to Armageddon.

The final warning recovery period will also deploy an accelerated and progressive final Messianic Kingdom completion phase sovereign proclamation, into a world tribulatory period developing again, but in final form, leading to the 4th UN placement as in the 1914-1918 Christian Kingdom birth phase ministerial deployment, into WW1, that arrived at the first UN related placement of 1919 as the League of Nations fulfilling Revelation 13:11-15 as Daniel 12:11's first fulfillment.

Accordingly the final recovered Kingdom ministerial period will replicate the 1914-1918 Daniel 12 pattern and the initial fulfillment of the applicable Revelation prophecies concerning sovereign Kingdom completions in final form. The Daniel 8:13-14 JW temple judgment, meaning and timing is the final prophetic cycle commencement signal by events to initiate Revelation 8-11's progressive fulfillment.
Key Issues of World Rulership as Final Globalization Process to Become Primary Issue

Now the very 8th King and globalization developmental issues leading to 8th King world government, now being covered up by the Bethel apostate subversion by purposeful operations shown in prophecy, will become the main focus of those prophetic clarifications. Thus the 8th King completing world government certainty and the Messianic Kingdom completion certainty again will be the primary focus of that part of the clarification to emerge from the temple judgment purification.

Revelation 8-11 Final Fulfillment - Revelation 8 Final Fulfillment is Temple Judgment and It's Eventual Divine Pronouncements in First Four Trumpet Meaning

The import and logic that 1914-1918's fulfillment period and afterwards did not produce a final fulfillment reality of Christ's absolute world and universal rulership, but a warning preview of it, means a final fulfillment manifestation of the same prophecies will now occur.

Temple Judgment

Thus the initial inspection and temple judgment on all of Christendom of the 1914-1919 period fulfillment of Revelation 8 to identify the anointed body of that time to come forth progressively from it's broader context, will now apply to the far more focused anointed Christian temple in a required final fulfillment temple judgment. That will repeat the prophecy to clear out modern "weed" developments and thus prepare the truth clarification for the final phase alarms and heralded explanations (four trumpets into the next two) to the actual Messianic Kingdom completion (seventh trumpet) after the temple judgment desolation and purification timed event parallel of Daniel 8:13-14.

(Revelation 8:1-6) And when he opened the seventh seal, a silence occurred in heaven for about a half hour. (final phase preparation)2 And I saw the seven angels that stand before God, and seven trumpets were given them. (not the herald yet, but the preparation)3 And another angel arrived and stood at the altar, having a golden incense vessel; and a large quantity of incense was given him to offer it with the prayers of all the holy ones upon the golden altar that was before the throne. 4 And the smoke of the incense ascended from the hand of the angel with the prayers of the holy ones before God.(the temple judgment and purification meaning; Dan8:13-14 parallel:)5 But right away the angel took the incense vessel, and he filled it with some of the fire of the altar (the temple purification purpose meaning) and hurled it to the earth. (fire purification symbol of judgment; Zech3:2; Isa6:6-8; Mal3:1-3; Eze10) And thunders occurred and voices and lightnings and an earthquake. (the temple judgment signal)6 And the seven angels with the seven trumpets prepared to blow them.(eventually the true explanation goes forth in the first four trumpet temple judgment explanations):

First Trumpet - Comprehensive Temple Judgment Meaning of Purification

The first parallel is that all judgment "wheat" sifting and purges of "weeds" meanings in initial fulfillment period is soon to be a JW "earth"-wide temple purification with final meanings preparatory for the final ministerial recovery:
(Revelation 8:7) And the first one blew his trumpet. And there occurred a hail and fire mingled with blood, and it was hurled to the (JW temple specific) earth; and a third of the earth was burned up (symbolic of comprehensive judgment), and a third of the trees was burned up, and all the green vegetation was burned up.

Thus the signal prelude judgment of JWs well before Armageddon must replicate the meaning of all the illustrations formerly applied to the Christendom judgment period of 1914-1919. Thus the "wheat and weeds", the "ten virgins" (Matt25:1-13), the marriage garment frauds and other illustrations of judgment determinations take place upon Christian anointed, and the whole JW "earth" system first, well before recovery, and the final ministerial warning, co-completions and Armageddon.

Zechariah 3 parallel of temple purification:

(Zechariah 3:1-5) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?” 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to those standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.” (Dan8:14 temple and priesthood "right condition") 5 At that I said: “Let them put a clean turban upon his head.” And they proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by.

Second Trumpet - Key World Government Issue

The 8th King/King North identity in Daniel 11:30-45 at the heart of the progressive concealment of key 8th prophecy and required unbroken continuation (Dan11:36) now the primary subversion target of the Bethel apostates thus becomes the primary subject matter of part of the temple judgment explanatory announcements:

(Revelation 8:8-9) And the second angel blew his trumpet. And something like a great mountain burning with fire was hurled into the sea. (The 8th King cover-up and world government issue is revisited in the JW system) And a third of the sea became blood; 9 and a third of the creatures that are in the sea which have souls died, and a third of the boats were wrecked. (All 8th King internal operations in Bethel and the JW "earth" "sea" are purged out as core apostasy and it's effects in the JW ministerial communal "sea");

Accordingly the very globalization development and world government issue now concealed and it's clear historical outline since Governing Body "lifting themselves over everyone" in 1976 to the UN 3rd placement and 1990 period UN NGO and the continued effective diversion and stumbling campaign becomes known in accurate interpretation within the very prophecies of Daniel 8:11-14 and Daniel 11:30-45 now concealed as parallel fulfillments that already explained the 8th King progression and the apostasy as forming in collusion.

In this way the first two UN placement tracking accuracy of the former valid JW ministry now broken, will be reconnected to the 3rd and 4th UN placement progression of Daniel 11:30-45 active fully since 1990 in marked 3rd UN placement and Bethel UN NGO manner as it's fourth UN placement final approaches as Daniel 11:42-45 proceeding over time to merge into Daniel 12 "during that time" of final 8th King world government global intrigues and development.
Third Trumpet - Modern Final Apostasy

The core Bethel subversion source development of apostasy (Dan11:32a) and the modern "man of lawlessness" (2Thess2:1-4) Governing Body representation of required leading apostates and impostors is also part of the final temple judgment exposition in full explanation connected to this apostasy and it's effects on the modern JW Kingdom ministry:

(Revelation 8:10-11) And the third angel blew his trumpet. And a great star burning as a lamp fell from heaven (Bethel associated symbol of now defector anointed as represented by the "Governing Body" concept and "body"; Dan11:30b), and it fell upon a third of the rivers and upon the fountains of waters. (Bethel teachings profaned to a significant, but not total degree 11 And the name of the star is called Wormwood. (The true Governing Body nature) And a third of the waters turned into wormwood, and many of the men died from the waters, because these had been made bitter (the apostasy, in time progressively, negatively affects the JW teachings and policies in a symbolic "1/3" degree stumble people and aid the killing of sheep by organized "smooth words" lawlessness);

The co-developing injustice and stumbling affects are also implied in the prophecy describing the Bethel progressive center of compromise finally judged and exposed.

Fourth Trumpet - Negatively Affected Kingdom Ministry

Now the unique nature of the Bethel apostasy as a gradual development (Dan8:12) of a unique 8th King related internal "consideration of those leaving the holy covenant" is seen in the overall affect it has gradually achieved in the JW Kingdom ministry:

(Revelation 8:12) And the fourth angel blew his trumpet. (the fourth trumpet of four as a comprehensive JW "earth" foursquare judgment pronouncement from God) And a third of the sun was smitten and a third of the moon and a third of the stars, in order that a third of them might be darkened and the day might not have illumination for a third of it, and the night likewise (the entire JW ministry of an approximate century affected for nearly 40 years of "Governing Body" method of guidance and resulting progressive gradual (Dan8:12) apostasy and lawlessness affects the approximate "1/3" of the JW overall Kingdom ministry negatively as also "1/3" profaned.);

Thus the Revelation 8 temple judgment (Rev8:1-6) and exposure in first four trumpet overview already and will further interlink the meanings of the Daniel 8:11-14 temple developments leading to judgment (Dan8:13 UN NGO "transgression causing desolation") that are the Daniel 11:30-35 parallel 8th King collusion events of the Bethel apostasy leading to the UN NGO covenant at the 3rd UN placement (Dan11:31) subsequently concealed (Dan812b) from JW and world audience awareness.

It will take a timed temple judgment desolation "evening" of Daniel 8:14 prophetic description to enable the ministerial recovery period.

Revelation 9 Final Fulfillment is Temple Recovery Fifth and Sixth Trumpets' Meaning of Ministerial Recovery Deployments Merging into Revelation 10-11
Fifth Trumpet Temple and Anointed Ministerial Recovery

The anointed pattern of the first fulfillment of Revelation 9 now takes on final temple judgment recovery and final anointed meaning:

(Revelation 9:1-4) And the fifth angel blew his trumpet. And I saw a star that had fallen from heaven to the earth, and the key of the pit of the abyss (of temple judgment desolation as Dan8:14 "evening" darkness phase on all JWs) was given him. (The angel of the covenant) 2 And he opened the pit of the abyss (Dan8:14 "morning" recovery phase), and smoke ascended out of the pit as the smoke of a great furnace, and the sun was darkened, also the air, by the smoke of the pit. (the world sees the JW desolation and eventually it's ominous meaning becomes known) 3 And out of the smoke locusts (judgment is on anointed as primary temple target) came forth upon the earth; (a prelude ministerial recovery deployment takes place to merge into Rev10-11) and authority was given them, the same authority as the scorpions of the earth have. 4 And they were told to harm no vegetation of the earth nor any green thing nor any tree (judgment approved JWs being recovered), but only those men who do not have the seal of God on their foreheads. (fraud anointed judgment proceeds in news of overall judgment certainty);

Sixth Trumpet Temple and Comprehensive Ministerial Recovery

A comprehensive final ministerial deployment now includes all approved Christians joining globally into the final Kingdom completion proclamation as per the original fulfillment meaning:

(Revelation 9:13-16) And the sixth angel blew his trumpet. And I heard one voice out of the horns of the golden altar that is before God 14 say to the sixth angel, who had the trumpet: “Untie the four angels that are bound at the great river Euphrates!” (parallels by that time the Revelation 16:12 sixth plague in "Euphrates" connection) 15 And the four angels were untied, who have been prepared for the hour and day and month and year, to kill a third of the men. (the temple trespassers continued accounting) 16 And the number of the armies of cavalry was two myriads of myriads: I heard the number of them. (earth sheep join the final ministerial deployment merging into Revelation 10-11);

This temple ministerial recovery will thus span the Daniel 8:14 timing in whatever way it manifests in timing to lead into the Revelation 10 full ministerial commission preparing to deploy as God's final 1260 day timed period. The sixth trumpet therefore contains all pre-seventh trumpet events and meanings of Revelation 9-11 that eventually deploys the final "two witnesses" worldwide Kingdom warning as the final Kingdom sovereign pronouncement of certain Kingdom completion and conquest of the "little scroll" final ministerial meaning.

Revelation 10 Final 1260 Day Ministerial "Little Scroll" Commission

The Messianic Kingdom completion certainty is to be fully explained prior to it's seventh trumpet event:

(Revelation 10:5-7) And the angel that I saw standing on the sea and on the earth raised his right hand to heaven, 6 and by the One who lives forever and ever, who created the heaven and the things in it and the earth and the things in it and the sea and the things in it, he swore: “There will be no delay any longer; (Messianic Kingdom completion directive warning) 7 but in the days of the sounding of the

seventh angel, when he is about to blow his trumpet (not yet heralded into Kingdom completion) the sacred secret of God according to the good news which he declared to his own slaves the prophets is indeed brought to a finish.” (the entire prophetic truth framework is completed in understanding and heralded to the conclusion of final 1260 day warning period to manifest into actual Messianic Kingdom completion as the main "little scroll" subject matter);

The short "little" but powerful final ministry as "little scroll" is commissioned and delivered by God through Christ for the final Kingdom completion sovereign warning as eventually the import of the "two witnesses" final Kingdom ministerial period of 1260 days:

(Revelation 10:8-10) And the voice that I heard out of heaven is speaking again with me and saying: “Go, take the opened scroll that is in the hand of the angel who is standing on the sea and on the earth.” (the final ministerial commission and accelerated full understanding is given to the "two witnesses" symbolic apostle John class) 9 And I went away to the angel and told him to give me the little scroll. (Zech3:6-7) And he said to me: “Take it and eat it up, and it will make your belly bitter, but in your mouth it will be sweet as honey.” 10 And I took the little scroll out of the hand of the angel and ate it up, and in my mouth it was sweet as honey; but when I had eaten it up, my belly was made bitter. (final Kingdom ministerial mission accepted);

That "two witnesses" is actually two witnessing of Kingdom sovereign meaning is certain:

(Revelation 10:11) And they say to me: “You must prophesy again (a second time of two witnesses deployment as prophecy) with regard to peoples and nations and tongues and many kings” (a second "two witnesses must be deployed into another world tribulation for 1260 days as final Messianic Kingdom completion warning progressing into a final 8th King world government final UN placement.);

Zechariah 3 final ministerial commission parallel:

(Zechariah 3:6-7) And the angel of Jehovah began to bear witness to Joshua, saying: 7 “This is what Jehovah of armies has said, 'If it is in my ways that you will walk, and if it is my obligation that you will keep, then also it will be you that will judge my house and also keep my courtyards; and I shall certainly give you free access among these who are standing by.’ (Matt24:45-47 "faithful and discreet slave” designate parallel)

Revelation 11 Final Deployment of 1260 Day Messianic Kingdom Sovereign Final Warning

This final 1260 days of Messianic Kingdom completion final warning completes the "seven times" 2520 day related ministerial period:

(Revelation 11:1-4) And a reed like a rod (guaranteed completion in disciplinary signal) was given me as he said: “Get up and measure the temple [sanctuary] of God and the altar and those worshiping in it. (guaranteed completions of Rev7 temple and sheep groups) 2 But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months (final "3.5" "appointed times" must complete full "seven times" as 2520 days) 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth.” (second witnesses forms two witnessing to completion as final warning period) 4 These are [symbolized by] the two olive trees (second "oil" surge) and the two

**lampstands** *(second enlightenment period)* and **are standing before the Lord of the earth.** *(Rev 11 "two witnesses" connects to Zechariah 4 temple completion as Rev 11:19 certainty;)*

Zechariah 3 final world portent of Messianic Kingdom completion:

**(Zechariah 3:8-9)** “Hear, please, O Joshua the high priest, you and your companions who are sitting before you, for they are men [serving] as portents; for here I am bringing in my servant Sprout! 9 For, look! the stone that I have put before Joshua! Upon the one stone there are seven eyes. Here I am engraving its engraving, is the utterance of Jehovah of armies, ‘and I will take away the error of that land in one day.’

Zechariah 4 final world portent of Messianic Kingdom completion and the "two witnesses" parallel:

**(Zechariah 4:6-9)** Accordingly he answered and said to me: “This is the word of Jehovah to Zerubbabel, saying, “‘Not by a military force, nor by power, but by my spirit,’ Jehovah of armies has said. 7 Who are you, O great mountain? Before Zerubbabel [you will become] a level land. And he will certainly bring forth the headstone. There will be shoutings to it: “How charming! How charming!”’” 8 And the word of Jehovah continued to occur to me, saying: 9 “The very hands of Zerubbabel have laid the foundation of this house, and his own hands will finish [it].

**(Zechariah 4:14)** Accordingly he said: “These are the two anointed ones who are standing alongside the Lord of the whole earth.”

**Final Trampling Completes**

That "little scroll" is part of these disturbing reports that provoke the final 8th King reaction in his completion drive:

**(Daniel 11:44)** . . . “But there will be reports *(little scroll recovered ministry messages)* that will disturb him *(8th King going into world government totality)* out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction*(Dan 8:25 "bring many to ruin during a freedom from care" parallel of 1 Thess 5:1-3 world "peace and security" period of 8th King world government placement (Dan 12:11 final fulfillment);)*

Which 8th King final resistance aids 144000 completion and this event marking Daniel 12:11 required features of "constant feature" removal and the final 8th King placement as world government in this ascension from the abyss of another world tribulation resolved:

**(Revelation 11:7)** And when they have finished their witnessing *(1260 days completes)*, the wild beast that ascends out of the abyss *(UN world government ascension from tribulatory cycle of Matt 24:29 meaning)* will make war with them and conquer them and kill them. *(final ministerial warning ceased as 8th King final "trampling"; "appointed [seven] times" completes as 2520 days; Christ can arrive for final sheep separation and conquest, final warning has expired;)*

This "constant feature" removal in the "two witnesses" deposition is part of the Daniel 12:11 1290 day marking feature along with the 4th UN 8th King world government placement:

**(Daniel 12:11)** “And from the time that the constant [feature] has been removed in second two witnesses deposition of Rev 11:7 and there has been a placing of the disgusting thing that is causing desolation in fourth
Why Tracking All Four UN Placements is Important

and final 8th King UN world government placement; Dan11:45; 8:25) there will be one thousand two hundred and ninety days.

This "two witnesses" death state is the final transition to 144000 completion by Christ symbolized in the "3.5 days" death state:

(Revelation 11:8-10) And their corpses will be on the broad way of the great city (Babylon the Great must still be existing as is Christendom annex "broad way") which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled. (outside the city) 9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days, and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another, because these two prophets tormented those dwelling on the earth.

Since the "two witnesses" are deploying into a tribulation that must resolve (Matt24:29) into concurrent 8th King world government world "peace and security" statement period and the "enjoy themselves, and they will send gifts to one another" as a global "freedom from care", this ministry leads to the fourth UN placement as world government totality. This final cycle along Daniel 12:7 1260 day timing ending is a parallel to the initial 1914-1918 1260 days that led to the first UN placement as the League of Nations "image" in 1919 as the initial Daniel 12:11 fulfillment of that period as the Revelation 13:11-15 "disgusting thing" parallel of that time.

In final fulfillment Daniel 12:11 repeats with the final cycle of prophecy in final fulfillment replication as Revelation 11:7 final fulfillment parallels and merges into Daniel 12:11 1290 days starting as the 8th King achieves world government along with it's UN "image" as a whole world rulership and stated world sovereignty; (1Thess5:1-3); In this way Daniel 12:11 is arrived at in final form by the 4th UN placement as Daniel 11:45 and Daniel 8:25 parallels of that "disgusting thing" placement final event.

Therefore the 8th King completion timing just precedes Christ's Messianic Kingdom completion and provides the completed 8th King rival sovereignty for God and Christ's Kingdom conquest. That 8th King must complete logically prior to Christ's Kingdom conquest as the finally fully existent and stated target of that conquest. (Rev19:11-21);

Dual Kingdom Completion

Christ arrives to complete the 144000 heavenly group remnant "gathering" symbolized in the seventh trumpet finale meaning of Revelation 11:7-13. This Messianic Kingdom completion allows Christ's final King-Priest coronation event as Messianic Kingdom King of Zechariah 4:6-9 meaning parallel Zechariah 6:9-15. Prior to total Messianic Kingdom conquest Christ secures all the earth sheep under Kingdom protection before the final divine war phase; (Matt24:29-31 parallels into Matt25:31-46; Rev14:14-20 meaning of sheep separating judgment);

This Messianic Kingdom completion will be in the Daniel 12:11 1290 day period started by "constant feature" removal of Revelation 11:7 and the fourth UN 8th King world government placement concurrence of Daniel 11:45 as Daniel 12:11 "disgusting thing" placement event. The "3.5" day death state of the symbolic "two witnesses" must proceed into that 1290 days for an unknown duration to the actual 144000 completion:

Messianic Kingdom

(Revelation 11:11-13) And after the three and a half days spirit of life from God entered into them, and
they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud, and their enemies beheld them. 13 And in that hour a great earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven.

(Revelation 11:7-14) And when they have finished their (1260 days of) witnessing, the wild beast that ascends out of the abyss (as final world peace 8th King ascension into 4th UN placement) will make war with them and conquer them and kill them. 8 And their corpses will be on the broad way of the great city (BTG still present as final "great city" overall; Rev16:19-20) which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled. 9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days, and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, because these two prophets tormented those dwelling on the earth (thus some humans at that time are not in a tribulatory, but "freedom from care" condition). 11 And after the three and a half days (a symbolic final transition period to 144000 completion) spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud (same cloud as Matt24:30 "clouds") and their enemies beheld them. (in the 8th King's face as Rev6:12-17) 13 And in that hour a great (temple/Kingdom completion) earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven. (effects some final repentance) 14 The second woe is past. Look! The third woe is coming quickly. (leads to 7th trumpet finalization of full Messianic Kingdom conquest of the earth (Rev19:19-21) and the universe from Satan and the demons (Rev20:1-3);

8th King World Government

The 8th King completes world government just prior to the Christ arrival. Christ's Messianic Kingdom completion and the 8th King completion is required prior to Christ's conquest because now complete global sovereigns will be fully complete.

This final 8th King identical "King of Fierce Countenance" event is that fourth and final UN world government placement:

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. (an independently deployed 8th King one-sided attack) And against the Prince of princes he will stand up (in fourth and final UN placement and proclamations) but it will be without hand that he will be broken. (destroyed by God's Kingdom at Armageddon; Dan2:31-45);

This final 8th King identical "King of the North" event is that fourth and final UN world government

placement:

(Daniel 11:44-45) “But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

(Daniel 11:44-45) “But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. (provides Rev11:7 8th King attack context) And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; (plural palatial "tents" as earthly symbolism of UN world government in 4th placement as counterfeit of God's Kingdom and at God's Zion "location") and he will have to come all the way to his end (Armageddon denunciation of Dan11:36), and there will be no helper for him. (Satan goes down as Gog "guard" (Eze38:7) "from the remotest parts of the north" as well as Rev19:19-21 leads to Rev20:1-3);

This final 8th King identical "disgusting thing" event is that fourth and final UN world government placement:

(Daniel 12:11) “And from the time that the constant [feature] has been removed and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days.

(Daniel 12:11) “And from the time that the constant [feature] has been removed (two witnesses killed; Rev11:7) and there has been a placing of the disgusting thing that is causing desolation (4th UN placement as world government), there will be one thousand two hundred and ninety days.

Thus in final fulfillment the completed 8th King also arrives over Daniel 12:7 final developmental 1260 days of Revelation 13:5 principle to Daniel 12:11 final "disgusting thing" placement events as 8th King world government.

(Rest of text continues)
Almighty. 16 And upon his outer garment, even upon his thigh, he has a name written, King of kings and Lord of lords. 17 I saw also an angel standing in the sun, and he cried out with a loud voice and said to all the birds that fly in midheaven: ‘Come here, be gathered together to the great evening meal of God, 18 that you may eat the fleshy parts of kings and the fleshy parts of military commanders and the fleshy parts of strong men and the fleshy parts of horses and of those seated upon them, and the fleshy parts of all, of freemen as well as of slaves and of small ones and great.’

Sheep Separation

(Matthew 25:31-33) ‘When the Son of man arrives in his glory, and all the angels with him, then he will sit down on his glorious throne. 32 And all the nations will be gathered before him, and he will separate people one from another, just as a shepherd separates the sheep from the goats. 33 And he will put the sheep on his right hand, but the goats on his left.

(Revelation 14:14-20) And I saw, and, look! a white cloud, and upon the cloud someone seated like a son of man, with a golden crown on his head and a sharp sickle in his hand. 15 And another angel emerged from the temple [sanctuary], crying with a loud voice to the one seated on the cloud: ‘Put your sickle in and reap, because the hour has come to reap, for the harvest of the earth is thoroughly ripe’. 16 And the one seated on the cloud thrust in his sickle on the earth, and the earth was reaped. 17 And still another angel emerged from the temple [sanctuary] that is in heaven, he, too, having a sharp sickle. 18 And still another angel emerged from the altar and he had authority over the fire. And he called out with a loud voice to the one that had the sharp sickle, saying: ‘Put your sharp sickle in and gather the clusters of the vine of the earth, because its grapes have become ripe.’ 19 And the angel thrust his sickle into the earth and gathered the vine of the earth, and he hurled it into the great winepress of the anger of God. 20 And the winepress was trodden outside the city, and blood came out of the winepress as high up as the bridles of the horses, for a distance of a thousand six hundred furlongs.

Armageddon

(Revelation 19:19-21) And I saw the wild beast and the kings of the earth and their armies gathered together to wage the war with the one seated on the horse and with his army. 20 And the wild beast was caught, and along with it the false prophet that performed in front of it the signs with which he misled those who received the mark of the wild beast and those who render worship to its image. While still alive, they both were hurled into the fiery lake that burns with sulphur. 21 But the rest were killed off with the long sword of the one seated on the horse, which [sword] proceeded out of his mouth. And all the birds were filled from the fleshy parts of them.

(Zephaniah 3:8-9) ‘Therefore keep yourselves in expectation of me,’ is the utterance of Jehovah, ‘till the day of my rising up to [the] booty, for my judicial decision is to gather nations, for me to collect together kingdoms, in order to pour out upon them my denunciation, all my burning anger; for by the fire of my zeal all the earth will be devoured. 9 For then I shall give to peoples the change to a pure language, in order for them all to call upon the name of Jehovah, in order to serve him shoulder to shoulder.’

(Daniel 2:31-36, 44-45) ‘You, O king, happened to be beholding, and, look! a certain immense image. That image, which was large and the brightness of which was extraordinary, was standing in front of you, and its appearance was dreadful. 32 As regards that image, its head was of good gold, its breasts and its arms were of silver, its belly and its thighs were of copper, 33 its legs were of iron, its feet were partly of iron and partly of molded clay. 34 You kept on looking until a stone was cut out not by hands,
and it struck the image on its feet of iron and of molded clay and crushed them. 35 At that time the iron, the molded clay, the copper, the silver and the gold were, all together, crushed and became like the chaff from the summer threshing floor, and the wind carried them away so that no trace at all was found of them. And as for the stone that struck the image, it became a large mountain and filled the whole earth.... 44 “And in the days of those kings the God of heaven will set up a kingdom that will never be brought to ruin. And the kingdom itself will not be passed on to any other people. It will crush and put an end to all these kingdoms, and it itself will stand to times indefinite; 45 forasmuch as you beheld that out of the mountain a stone was cut not by hands, and [that] it crushed the iron, the copper, the molded clay, the silver and the gold. The grand God himself has made known to the king what is to occur after this. And the dream is reliable, and the interpretation of it is trustworthy.

Christ's 1000 Year Reign Begins
All Four United Nations Presentations are Foretold in Bible Prophecy

Gods’ Kingdom Previews as Globalized World Power Emerges

Seeing as the United Nations system was foretold early on in the Jehovah’s witnesses ministry by two foretold placements as Bible prophecy indicates we should expect the final two placements will also be in the Bible for they are significant in meaning in relation to Messianic Kingdom power, as all the UN renditions have been.

It is also the rival system to appear in the original Kingdom proclamation of Jehovah's witnesses in the 1914-1922 initial fulfillments of Daniel 12. (Dan12:7, 12:11; 7:25); It is also a unique form of world government in the making.

In fact it is Daniel 11 that outlines the 3rd and 4th United Nations placements in a required continuum (Dan11:36) from Daniel 11:31b 3rd UN placement to it’s 4th Un world government finality of Daniel 11:45 that clues us in on the four United nations prophetic forecasts.

The globalized form of international world government architecture, as a blueprint, or “image”, in the League of Nations and progressing to the United Nations, is also unique in human history as well as important in prophecy. Everyone is now familiar with the evolution of national power and it's alliances in attempts at extending sovereign power over other nations, especially in world wars where multiple nations are aligned to attempt or resist this expansion. A world power polarity has formed around these vying national alliances.

Globalism Versus Nationalism as Forms of Government

But behind the scenes, not so apparent at first, another polarity between national and global power was also forming. The national alliances and their influential divisive polarities highlighted in the world wars that formed around mainly political and economic ideologies, aided concealment of the globalist power that expanded as these wars played out. People became distracted by national intrigues as the globalist system matured unseen globally.
But now many recognize a *globalizing* form of world power exists and it’s final ascension is based on the decline of the nation-state systems globally. Globalist power is the power that expands in every world war cycle.

Thus globalist world power, and it’s first formal presentation as the League of Nations, is also unique, and is also more recognizable today as an actual applied dynamic of world power than it was in past decades. Globalism applied theory as a basis of world power is an international globalization development (Rev16:13-16) whose final purpose is “gathering” national powers worldwide to become conglomerated into a world union as a functioning world government superceding all former national sovereignties, but utilizing their subservience to the greater global sovereignty.

This is how the Revelation 17 globalist “scarlet wildbeast” shares the same structure as the Revelation 13 national “wildbeast from the sea”, but is a globalist world government super-structure defined separately in prophecy, yet must absorb the national sovereign structure of the national wildbeast. (Rev17:11-18). That dynamic is also present in actual globalist world sovereign development that also must absorb the nation-state system, making it subservient to the greater overall super-sovereign 8th King system.

Globalization and global power is not static in development, but dynamic, and world war has always aided it’s expansion, power consolidation and even it’s concealment, but also provides the cyclic evidence of what is really forming overall. This world war and world government relationship also became clearer over time.

This is why the League of Nations foundational presentation of 1919 is so significant in prophecy and world history as a globalizing agency that must cyclically develop, leading in time to full world government upon complete globalization from that first manifestation of Revelation 13:11-15.

The League of Nations was the first formal attempt at an international conglomeration of global national powers in concept at first, to achieve a world peace administration by uniting all the nations in this effort. Every time so far, the world war “problem” provides the world war resolution stage for the world government “solution” presentation. EVERY time, three times thus far. And this is no anomaly or accident, it is by design. A fourth cycle is now intuitive, logical, and to be historical and prophetic in time.

Therefore tracking and studying these interrelated globalizing world developments, with now 100 years of developmental history at this late stage, provides clues as to what is really going on, Bible prophecy further affirms it, for God foretells the entire trek of mankind to the grand finale at Armageddon, where world government must lead. (Rev16:13-16; 17:12-18; Dan11:45; 12:11);

*All four United Nations renditions are contained in Bible prophecy.* (See the UN 4 Cycles List or Graphic)

**Globalism Versus Nationalism in the Bible**

The Bible has been tracing national power since a type of global conglomeration was attempted in Genesis
Around 4000 years ago, from the Genesis 10, “70 nations” national roots in the Babel “Tower of Babel” account. (Gen10-11) A divine intervention was triggered by that first world government attempt as God scattered the nations by means of a language confusion. It is good to keep in mind, globalizing and centralizing world power has always sparked a divine reaction in time. (Gen11:1-9; Zeph3:8-9)

God has been tracking that sovereign development in the scattered nations after that event in a continuum through Daniel and Revelation. That continuum is outlined in enough detail to fully identify the subsequently maturing national world power players since Babel and Egypt. The Bible has formed a national power progression of prophecy that is now mostly also world history.

In time, upon those structured prophecies, the Anglo-American seventh world power of national alliance significance has been identified fully as the terminus of the [national] based progression. (But that is not the end of the sovereign escalation.)

The national power tracking of the Bible is complete in these seven world powers as the “seven heads” of the wildbeast as national powers, but another form of world power, globalized world power, is also shown in the completed sovereign symbols of Daniel 2, 8, 11 and Revelation 13 and 17. The whole respective Biblical symbol has globalist sovereign meaning greater than the sum of it’s national parts.

Thus national power is not the end of the world power development, a complete conglomeration of ALL the nations also is to develop, and globalization aids that conglomeration. Thus we are at a critical period of Bible prophecy and world history as globalization must proceed to world government.

Distinguishing this climactic difference in world power and it’s potential global scale is important.

The known seven world power national lineage traced in Daniel and Revelation as (1) Egypt, (2) Assyria, (3) Babylon, (4) Medo-Persia, (5) Greece, (6) Rome and the (7) Anglo-American alliance is now not difficult to substantiate in world history patterns matching prophetic patterns.

By Daniel’s identifying Babylon, Medo-Persia and Greece by name (Daniel 2, 8:20-21), and the Roman world power being identified in the national context of the Apostle John’s time in Revelation 17, the sovereign extension to the Anglo-American national alliance world power has been fully established from those historic benchmarks.

(Revelation 17:10) And there are seven kings: five have fallen, one is (6: Rome in John’s day), the other has not yet arrived (7: Anglo-America), but when he does arrive he must remain a short while.

By showing the seventh world power has a short life span, John raises a question as to who then is the 8th King? Why 8th in the progression? If there are only seven heads on the wildbeast, how is an 8th world power also to become present?

(Revelation 17:11) 11 And the wild beast that was but is not, it is also itself an eighth [king], but springs from the seven, and it goes off into destruction.

So an 8th world power is in line, related to the seven, but final in this ascension.
We know the 8th King “springs from” the seven world powers previously stated. In fact the 8th is the globalized combined power of all seven, all the nations of earth are eventually congregated into the 8th King totality of world government. (Rev16:13-16) The WHOLE “scarlet wildbeast”, not a mere “head”, is the 8th King and that is how there is an 8th world power, it is a combine of ALL of the base national powers.

That is also why there is not an eighth “head”, the whole “scarlet wildbeast” is the whole 8th King.

Daniel 2, 7, 8 and 11 can thus be mapped into place in the overall sovereign progression connecting to Revelation 13 and 17 by knowing these seven national world powers to arise are now easily identified on the world scene now, and that they have a final conglomeration destiny in this final globalization culmination. By this extension Daniel's sovereign progression is aided by the final clues in Revelation 17.

By understanding the totality of globalization as the 8th King basis of comprehensive world power conglomeration, ALL the sovereign symbols' total picture also takes on an ultimate whole meaning of the globalized wholeness of the entire symbolic entity.

The whole King North is the 8th King. The whole “King of Fierce Countenance” is the 8th King. The whole Daniel 2 “immense image” is the 8th King. The whole “scarlet wildbeast” is the whole 8th King!

8th King Sovereign Completion Unclear

It is the 8th King designate, whose well known “image of the wildbeast” first appeared as the League of Nations, that has been in globalization progress, but is still at a point of incompletion in a number of ways.

(Revelation 13:11-13) And I saw another wild beast ascending out of the earth, and it had two horns like a lamb, but it began speaking as a dragon. 12 And it exercises all the authority of the first wild beast in its sight. And it makes the earth and those who dwell in it worship the first wild beast, whose death-stroke got healed. 13 And it performs great signs, so that it should even make fire come down out of heaven to the earth in the sight of mankind.

(Revelation 13:14-15) And it misleads those who dwell on the earth, because of the signs that were granted it to perform in the sight of the wild beast, while it tells those who dwell on the earth to make an image to the wild beast that had the sword-stroke and yet revived. 15 And there was granted it to give breath to the image of the wild beast, so that the image of the wild beast should both speak and cause to be killed all those who would not in any way worship the image of the wild beast.

The incompletion is that a world government is not complete at this time as a true King 8 fully deposing the national powers in global sovereign authority (Rev17:12-18), because the required globalization process is also incomplete. Therefore true world government is not complete.

In a similar manner of incomplete understanding of this process, Jehovah's witnesses and others are not comprehending the difference between the 8th King “image” and it's full functioning world government to complete around that “image” as the complete “scarlet wildbeast” and full 8th King global super-sovereign.
An “image” and a world government are NOT the same thing.

Jehovah’s witnesses do not grasp the meaning of globalization culminating into world government, and the requirement of that completion, and the implied years it takes to culminate. By that Jehovah’s witnesses also do not comprehend the certainty of a final cycle needed to produce a complete world government.

The “image” precedes world government as a picture of it. Thus Jehovah’s witnesses are not completing the globalization aspect outlined in prophecy (and globalist dynamics), and how it completes the 8th King as world government. All these developments require a final cycle for completion. (Rev10:6-8).

The United Nations in itself is but the “image” of the wildbeast that must complete over that final cycle as a full bodied global government. That has not occurred yet, nor will it happen over night.

The United Nations is not a complete rival sovereignty yet, but just the international forum of it’s progressive development whose UN charter is only the conceptual blueprint of it’s design into eventually and actual full world government. It’s full completion and implementation must require a final cycle of development, and that is all in the prophecy already. An 8th King world government will include, but surpass the UN scope of power and global presence.

As before, some type of global tribulation aids the process. Jehovah’s witnesses are not realizing this final tribulation cycle births full world government as shown in the three previous UN presentation cycles after the world war phase resolves. Contrary to JW delusions it does not lead directly to a premature end of the world, just the end of nation-state sovereign autonomy.

For this reason of 8th King incompletion, in effect a non-existent full 8th King as of now, for Jehovah’s witnesses to be expecting a return of Jesus Christ to also complete the Messianic Kingdom portion of his earthly sovereignty, is also premature. Christ cannot arrive upon an incomplete 8th King rival, they are not ready yet. (Joel 3:9-12; Eze38:7); Christ cannot arrive to depose a non-existent complete rival sovereignty.

A complete (Dan11:45; 12:11), functioning (Rev17:12-18) and stated (1Thess5:1-3) 8th King world government must fully exist before Christ can arrive to depose a then completed rival sovereignty, as foretold.

Christ cannot arrive to depose a mere “image” of world government.

And in that incompletion of prophecy and plain logic, Jehovah’s witnesses are now in a pickle. Instead of a final cycle of prophecy and 8th King worldwide development to completion of the whole, Jehovah’s witnesses expect the world to "end any day now". Of course given the state of incomplete prophecy, incomplete 8th King, and incomplete Messianic Kingdom 144000, that is impossible.

This is why the Bible, on the other hand, fully describes all four 8th King key “placement” developments, including the final cycle of a number of final years of this 8th King world government completion process of the future.

Why Are Jehovah’s Witnesses in this State of Deluded Incompletion?
In effect Jehovah’s witnesses do not understand a final 8th King world government cycle is required to form that 8th King world government completion, and it is all foretold and mapped in prophecy – also unknown to Jehovah’s witnesses.

3rd UN Placement Diversion

*Jehovah’s witnesses are not understanding the significance of the fourth UN placement and its fourth and final cycle of the future, because Jehovah’s witnesses are unaware of the 3rd UN placement of 1990, and that it was also foretold in prophecy (Dan11:31b, 8:23a), as were the first two UN placements foretold in prophecy.*

In effect Jehovah’s witnesses, and the ministerial audience affected by them, are unaware of the 3rd UN (Dan11:31b) and 4th UN (Dan11:45) placements that have begun the final Daniel 11:30-45 continuum to 8th King world government in 1990 3rd UN placement, because Jehovah’s witnesses, by Bethel diversion, have missed the significance of that 3rd UN placement of 1990. (That diversion is also foretold);

*Jehovah’s witnesses have no idea the UN has four cycles and that all of them are in guaranteed prophecy.*

Jehovah’s witnesses are also unaware the Daniel 11:27-45 King North can only be the 8th King, and that his success is required by the prophecy from Daniel 11:30 to Daniel 11:45 as ONE continuous King North identity for the final two manifestations:

(Daniel 11:36) “And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

USSR Must Also Fail as King North

When the USSR dissolved and Russia “cold” “surrendered” in UN membership capitulation, that Daniel 11:36a “the king” was defined in the 3rd UN placement – NOT the USSR failure. Only 8th King power could be collectively involved in that 1990 3rd UN placement:

(Daniel 11:31) And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature]. “And they will certainly put in place the disgusting thing that is causing desolation.

*Thus since 1990, King North can only be the 8th King made clear at their 3rd UN placement of 1990, after the Cold War resolution.*

Bethel Strikes Out

1. And this is also the point Bethel diverged from commenting on United Nations activity that fulfilled critical prophecy.
2. This is also when globalization was deemed by Bethel as insignificant to explain as a world government forming process in action in notable manner since 1990.

3. This is also when Bethel joined the UN as UN NGO and instead secretly engaged in a 3rd UN placement “New World Order” co-proclamation for a decade covert (Awake! 9/8/1991), while concealing the meaning of the Daniel 11 King North prophecy with USSR fiction.

**Bethel Joins the “New Word Order” Campaigning**

In those ten years of Bethel UN NGO articles are 3rd UN placement global proclamations quoted for the effect of placing the “disgusting thing” at Bethel and in the anointed Christian “temple” (Matt24:15) and associated ministry now profaned by this collusive Bethel “operation of error”. (2Thess2:1-4);

Covering up prophecy at Bethel also continued as the 3rd UN placement prelude developments, key UN placements, and apostasy developments of Daniel 8:11-25 and Daniel 11:30-35 parallels were purposely interpreted with now invalid WW2 era meanings to conceal reality. The delusion national power is the “end all” of the Bible sovereign progression was also maintained.

This is why Jehovah’s witnesses do not perceive the significance of the 3rd UN placement. By that diversion the 3rd and 4th foretold UN placements in Daniel 11:30-45 and Daniel 8:23-25 are unknown in actual significance to Jehovah’s witnesses.

Jehovah’s witnesses do not comprehend the UN has four foretold manifestations.

**The World War to World Government Presentation Pattern**

But from the Cold War resolution at global scale that provided the presentation stage of this 3rd UN placement in 1990, we see another striking pattern has emerged:

*World war resolves into a world government presentation, now three times.*

The United Nations used a world war resolution to again, a third time, present a UN world government rendition in 1990, and all of them have been foretold in prophecy as world war is also a feature leading to each UN presentation:

   A. International Bible Students Association (IBSA) explained as prophecy;

2. 1945 – Rev17:8-11 as United Nations after WW2;

   A. Jehovah’s Witnesses (JW) explained as prophecy;

*Unknown to Jehovah’s witnesses:*

3. 1990 – Daniel 11:31b as United Nations “New World Order” Initiative after WW3 (Cold War)
A. Covered up by Bethel as UN NGO, not explained as prophecy by any religious group, including Jehovah’s witnesses;

A. Not currently explained by Bethel in lieu of a premature “end of the world” deception.

B. To be explained after the JW temple judgment desolation, purification and removal of lawless Bethel engineered subversion (2Thess2:1-4; Dan11:30-31; Dan8:11-13);

(See included image for a graphic of the significance of these 4 UN cycles);

Bethel Apostasy Aids Concealing the Final Two UN Placements

But as we see not all of those United Nations placements have been explained by Jehovah’s witnesses, only the first two. In reality the Jehovah’s witnesses ministry really only has validity up to 1945 prophetic meaning. And the final period of the ministry is fully deluded and enabling a Bethel hoax of an interpretation that will only cause dire confusion in Jehovah’s witnesses when this final cycle begins in earnest.

Apostasy is the only way such a critical UN tracking assignment could have been lost so thoroughly in Jehovah’s witnesses.

Indeed the same key prophecies Bethel covers up now with fiction, also include the very details of their apostate activity, 8th King compromise, and 8th King final developments all manifesting concurrently in prophecy and history. All that covered up 8th King activity develops with this foretold Bethel apostasy and it’s critical locale in the Kingdom ministry, subverting it – and the prophecy already describes it. (Dan8:11-14; Dan11:30-35);

Both Daniel 11:30-31 leading to the 3rd UN placement (Dan11:31b) with Bethel’s UN NGO collusion, and Daniel 8:11-14 leading to the UN NGO indictment (Dan8:13) and the Bethel subversion allowing it (Dan8:11-13), to result in the temple judgment of Daniel 8:13-14, all reveal Bethel’ true condition, how it formed, and it’s foretold UN alliance. Critical final 8th King developments are also explained by the prophecy concurrent with that Bethel apostasy in those now well concealed prophecies. (Dan8:12b);

For Bethel to simply ignore the 1990 3rd United Nations global presentation as insignificant, after no UN activity of special note fulfilling prophecy since 1945, is also suspect. That Bethel joined the UN “New World Order” proclamation is of course an astounding red flag of apostasy of serious magnitude internal to Bethel.

*The Bethel UN NGO is not a random coincidence simply “for a library card”. It is part of the prophecy at Daniel 8:13 “transgression causing desolation” as the parallel Daniel 11:30-31 Bethel 8th King collusion and Daniel 11:32-35 continued Bethel stumbling apostasy. It is at Bethel where the UN NGO “disgusting thing” is “standing” as per discernment of Matthew 24:15.*
Like the world’s lack of perception of the three world wars already, including the unique “Cold War” (Dan11:29), as being connected to a greater world government objective, forming a 1-2-3 continuum of world war in some form since 1990, that all resolved into a UN presentation all three times, Bethel adds to the misinformation and truncation of this important cyclic feature of globalist development.

Bethel also helps conceal the basic dynamic that led to a world government presentation in all three world war cycles, and the use of the cycle for that purpose.

Now the Global War on Terror, as another unique but stated world war (Dan11:29), a FOURTH, also falls out of public perception as now a fourth world war cycle in unique form for the second time after WW2, is present in this now 1-2-3-4 continuum of world war.

Now the world war cyclic repetition is also 1-2-3-4. All that is missing is it’s possible escalation and then resolution into the 8th King world government fourth and final presentation. The United Nations 1-2-3-4 cycles to world government will follow the world war 1-2-3-4 cycles to development and resolution ending in world government. Clearly it is not “the end” yet.

**Daniel 11 Unique World War Marker**

Now we see what the Daniel 11:29 clue is really describing with regard to 8th King King North mode of development employing now unique world war forms to facilitate the final two UN renditions, of which the “Cold War” is notably unique:

*(Daniel 11:29)* “At the time appointed he will go back, and he (8th King/King North) will actually come against the south (national power system); but it will not prove to be at the last the same as at the first.

The last phase of the overall world war formula cycles has two final world wars of now unique deployment. Ultimately, they all resolve the same way; into a UN presentation. The final cycle will produce the final world government emergence (Dan11:45; 12:11) as the final global tribulation/war period resolves in the future as per Matthew 24:29.

Thus the final cycle (Dan11:42-45), and it’s key 8th King dynamics, are present in prophecy.

**Globalism Versus Nationalism – The Ultimate “North” and “South” Polarity**

Daniel 11:27-45 is actually now the simplified understanding the true world power development and global scale bi-polarity to be aware of is national power and globalized power as the final and actual global polarity of the end of Daniel 11.

Now the Kings “north” and “south” “locations” meanings have simplified into the two main polarities of world power, as national and globalist, but at global scale. As the basic polarity simplifies, it’s global scale and magnitude of impact goes worldwide.
The global “king” “south” national collective, now under 7th King national Anglo-American semi-domination worldwide, and the apex “the King” (Dan11:36a) as “king” “north” of globalized power, now assumes the globalist form of world power that will consolidate and conglomerate all of the national sovereignties into globalist super-sovereign world government.

Logically Daniel 11:27-45 ends into a world conglomeration of all the “King South” national powers into globalist 8th King “King North” totality of sovereign power worldwide. The “south” literally declines as the basis of the “north” final ascension.

As of now, neither King South or King North assume total world dominion. King South Anglo-American nation-state systems will not achieve this pinnacle “north” of globalist world power. Instead they will be the chief national entities to become subservient to total globalist power, into which conglomeration all the nations must follow suit as King South “lands” and sovereign domain. (Rev16:12-16; Rev17:12-18); In no way will anything less than ALL the “united nations” form the pinnacle of “north” world power as globalization culminates into world government. Scattered national powers and limited alliances of national powers such as the USSR and the Anglo-American national alliance, will never assume the height of “King North” global power as the globalist 8th King world government and it’s collective unified base of all the nations will. Neither will any national power, like Russia or China, achieve this totality of globalized dominion, they will instead become subservient to it by globalization. (Rev17:11-18; 16:12-16);

It is divine prophecy that is actually finalizing the understanding before it occurs in relation to known globalization dynamics of the world system. And this is how the four of four United Nations foretold placements aid that awareness. It takes four cycles to eventually achieve full world government. It is also the Biblical “four square” principle of earthly completion at work in these four cycles.

This is why the United Nations four cycles leading to that apex completion of the future, and it’s required final cycle is so important to understand now.

**Bethel’s Main Daniel National Delusions and Smokescreens**

This is also why apostate Bethel is plainly exposed as attempting to represent this globalist final super-sovereignty as limited and incomplete national based alliances in the USSR (Dan11:31-43) and the Anglo-American national based limited world power (Dan8:23-25) in those respective prophecies.

Instead, in world reality, those Daniel 8 and 11 prophecies are actually foretelling the globalized culmination of 8th King world government development and completion and it’s final cycle also foretold in the process as Daniel 11:42-45 and Daniel 8:25.

**Bethel is merely the King North compromise of Daniel 11:41 as the matured developments of Daniel 11:30-35, and Daniel 8:11-13. (Matt24:15); Daniel 11:41 at Bethel is as far as Daniel 11 has fulfilled.**

Bethel further exposes this illogic and inconsistency in attempting to tell the world the United Nations “image” is a finalized 8th King ruling global super-sovereignty, which the UN “image” alone is not the complete picture of global government in that international forum alone.
Bethel is also promoting the delusion the 7th King and the 8th King rule concurrently. In fact, in world reality of national versus globalist power they cannot rule at the same time.

It is the 8th King who must end up dominating the global national sovereign powers in decline (Dan11:42-43) to meet this purpose as the 7th King (and the global nation-state system) is deposed (Rev17:11-18) into the 8th King conglomeration (Rev16:13-16) at global scale, not destroyed, but in ultimate subservience to the globalist super-soverignty.

In world reality the 8th King will truly be the 8th and last “King” of human and dragon origin. (Rev12-13, 17);

The first three phases of the United Nations “image” cyclic development (Rev13:11-15) into finally a world government nucleus with eventually a full fledged world government true 8th King “scarlet wildbeast” worldwide super-soverignty, is not an immediate completion of world government. The fourth cycle will achieve that world government completion.

Hence the UN “image” alone is not a complete 8th King but only it’s “designate” foundational system in development and this is why it is called simply “the image” “of the wildbeast”, it is not fully that “scarlet wildbeast” globalist world government totality, just a central portion of it’s required completion.

The full 8th King global sovereignty is yet to come, as is his fourth and final cycle of development towards that world government objective.

In it’s formative state neither the UN or the various vying national alliances form a complete world domination but only a now recognizable bi-polarity of that forming power process. The real super-sovereign 8th King domination comes at the end of the fourth cycle.

Globalist World Developments Hard to Detect

In the first two UN cycles (1914-1945) globalization is scarcely evident to most people. By the the time that three (of 4) UN cycles (1914-1990) complete and after, the globalizing power center becomes more evident as a forming supra-national world power system in itself. That globalist development has been cloaked for decades to many peoples’ and nations’ awareness by all the world war national and ideological/religious distractions in the national intrigues that distract the nations’ attention in those periods and between them.

This is why the world government “image” architects in the globalist “two horned wildbeast” do not draw attention or worship to themselves (Rev13:11-15). They are secretive and hard to detect at first. The “two horned wildbeast” are globalist Anglo-American elite supra-national powers and operate in highly secretive methods of development. (see Dan8:23-25, Dan11:36-39);

In the erecting of the “image of the wildbeast” only the “image”, the national (Rev13:1) “wildbeast from the sea”, and the globalist “scarlet wildbeast” UN representation (and eventually world government itself) (Rev17:1-18), draw worship directed to the dragon. (Rev13:2,4,11-15)

The globalist “two horned wildbeast” remains concealed as long as possible. Bethel, obscuring that true globalist identity with distracting national interpretive insignificance, also aids this
concealment and it’s world government developmental secrecy is also concealed as to prophecy and world developments right from Bethel’s engineered Daniel 8 and 11 “theology”.

In effect the national historic minutia and ideological/religious global divisive influence form the overly busy distraction of what is actually nationalism versus globalism as the final basis of world government and global power. The divided national kingdoms are thus set for a united globalist sovereign conquest drive in a final UN cycle, but the conquest is the final conglomeration of all the nations into that 8th King super-sovereignty. (Rev13:16-18; Rev16:12-16; Rev17:11-18);

This is how in Daniel 11:40 these two “north” and “south” polar world power kings – as national based “south” and globalism based “north” power systems – engage in a “pushing” not complete domination, but by Daniel 11:42-43 it is the King North globalists who assume the global wealth consolidation control leading to Daniel 11:44-45. (Daniel 11:30-35, 11:36-39, 11:40-45 are roughly concurrent, not fully sequential);

Thus the sheer magnitude of the coming 8th King final world power drive and it’s guaranteed consolidative success means a number of final years are involved in this final cycle as outlined in Daniel 8:14 unique fulfillment and Daniel 12 final fulfillment timed periods. From 8th King final cycle activation as Daniel 11:42-43 to it’s conclusion, as Daniel 11:44-45 must converge with Daniel 12:11 final fulfillment meaning, the fourth United Nations 8th King completing cycle is already in prophecy, as were the previous three.

The final cycle must begin in the near future as Daniel 11:42-45 activation. The Daniel 11:41 Bethel internal condition will result in the first 8th King “trampling” of Daniel 8:13 as enabled by the UN NGO “transgression causing desolation”. In that coming judgment of Daniel 8:13-14, the final cycle will be marked with the judgment first upon Jehovah’s witnesses (1Pet4:17) to signal the start of that final cycle in the spiritual dimension.

Thus it will be unmistakable in the final cycle features of the prophecy as to when the final cycle has begun.

Daniel 12 Final Prophetic Cycle Images and Graphics

Daniel 12 Final Prophetic Cycle Images and Graphics

Graphical Schematics of Daniel 12 Final Fulfillment and Related Prophecies

These graphics depict prophetic frameworks to fulfill in a final fulfillment cycle that basically repeats the first Jehovah’s witnesses (IBSA) ministerial meaning as a Kingdom proclamation deployed into WW1 (tribulation principle) which tribulation resolved into the first 8th King designate League of Nations foundational presentation.

The 1914-1918 (Dan12:7), 1919-1922 (Dan12:11), and 1922-1926 (Dan12:12) phases will repeat in a final fulfillment cycle and respect their original sovereign meanings enroute to 8th King “image” culminating into full “scarlet wildbeast” world government in a final cycle of Revelation 17:8-18. It is not just the “image of the wildbeast”, but full 8th King world government that will emerge from this final cycle of prophecy outlining the final cycle of Adamic world history.

That basic Kingdom pattern of the 1914-1918 preview meaning, through a global tribulation resolved (Matt24:29, as was WW1), leading to a final 8th King world government presentation, will repeat Daniel 12 and Revelation 8-11 in also final completing form.

The prophecies (and graphics) do NOT identify exact dates, but they do identify significant timed periods and their ministerial and or sovereign meaning leading through these final events.

Repeating the prophecy towards the same overall meaning as the first fulfillment is a technique to affirm beforehand the meaning of this final cycle of human history before Christ’s final full arrival. (Matt6:10); Affirmation of this final fulfillment meaning will come early on, and is already present in the Bethel apostasy signal, as that foretold subversion “operation of error” attempts to cover all this up.

First Signal: Temple Apostasy and Temple Judgment

The Daniel 8:13-14 timed temple judgment will signal the initial tribulational context event to signal the rest of the Daniel 12 periods must also fulfill in this replication from that unique temple judgment event on Jehovah’s witnesses whenever it is Daniel 11:42-45 begins merging into Daniel 12:7 1260 days.

That convergence must be some time period as Daniel 8:14 after the temple judgment meets it’s purification and clarification objective. The signal of the event will be unmistakable, it’s judgment meaning will also emerge in time. (Rev8);

Therefore to assist visualizing these fulfillment events as they unfold, these graphics depict the timed phases (not exact dates), and general order of Daniel 8:14 and Daniel 12:7, 11, 12 in this final prophetic cycle to activate in the JW temple judgment first (1Pet4:17), WITH a global tribulation sequence beginning as Daniel 11:42-45 must converge into Daniel 12’s final fulfillment.

Keep in mind Daniel 11:42-43 is the 8th King world event sequence set to activate next, not “Daniel 11:44 next” as promoted in purposeful error by the current Bethel hoax supporting “interpretation”.

Thus the logic Daniel 11:42-45 must lead into Daniel 12 live and real-time becomes obvious.

The Awareness That It All Merely Repeats is the Real Aid to Understanding

In this way the first 1914-1922 cycle of preview fulfillment, well explained in the Jehovah’s witnesses ministry upon Daniel 12:7 and 12:11, can be laid out in a final fulfillment cycle upon the same pattern and sovereign meanings – but in final form and all completions. (Rev10:6-8);

This final cycle of prophecy will result in the same Kingdom and 8th King entities, to emerge from the “tribulation of those days” resolved (Matt24:29) into a United Nations foretold world “peace and security” (1Thess5:1-3; Dan8:25) as 8th King world government completes the required sovereignty (Dan11:45; 12:11) for Messianic Kingdom deposition. The initial preview cycle laid out the meanings and sequence in those events unfolding in Daniel 12’s first fulfillment.
In this way the 1914-1922 preview fulfillment resulting in incomplete sovereign entities, but in foundational form at that time, will culminate into the foretold completions of the two final "Kingdom" rivals in the 8th Kingdom and the Messianic Kingdom for the rulership of planet Earth. In this way a final warning cycle will be achieved, upon a repeating well known prophecy and meaning, rather than the current Bethel apostate hoax of a premature end.

The Bethel apostasy and hoax, now concealing this final cycle truth, is why a JW organizational desolation (1Pet4:17) and UN NGO accounting (Dan8:13) must begin the cycle, to clear out the current 8th King allied obstacles in the Jehovah’s witnesses ministry. In this way the purification symbols in Daniel 8:13-14 will align with the Revelation 8:1-6 temple judgment parallels as the Revelation 8-11 seven trumpets must overlay the Daniel 8:14 and Daniel 12 timed periods for further sequential gauging of events that will be active globally.

Revelation 8-11 seven trumpets in temple “earth” context upon Jehovah’s witnesses and Revelation 15-16 seven plagues in global context upon the world, will parallel in symbolic meanings to activate in the global tribulation to resolve not only into 8th King “world peace”, but in the 144000 Messianic Kingdom completion allowing Christ’s final “Kingdom of the World” (Rev11:15-19) King-Priest full coronation (Zech4:6-9; 6:9-15) event of the seventh plague (1Thess4:17; Matt24:30-31) leading to the seventh trumpet Kingdom conquest upon a then completed 8th King sovereign rival. (Rev19:11-21; Dan2:31-45);

What Used to Make Jehovah’s Witnesses’ UN Prophecy Tracking Valid

1914 JW Ministerial Foundation Identifies World Rulership Issue in Dual Kingdom Completions – 8th Kingdom and Messianic Kingdom

The 1990 UN NGO Ministerial Diversion and the Final Apostasy Now Operating at Bethel

What Used to Make Jehovah’s Witnesses’ Prophecy Tracking Unique

A Biblical Structure of Prophecy and It’s World Power History from National to Globalist

A feature of the earlier Jehovah’s witnesses’ Christian development of prophetic understanding that is unique and important is it’s structured Kingdom of God theme upon proven prophetic fulfillment over centuries. That affirmable framework is backed by a historical sovereign progression outlined in prophecy across the Bible from Genesis to Revelation. That Bible teaching ministry of Jehovah’s witnesses explained formerly unfulfilled prophetic portions in modern terms of that time from 1914 to 1919 (League of Nations meaning of Revelation 13:11-15). The meaning was a cycle of final prophecy was proven to be active from that time upon a historical framework of Bible prophecy and world history formerly established.

This reliable structure across time and Genesis national histories (Gen 10-11) to the prophecies of God’s prophets to follow in this continuum with descriptions of the future hidden in divinely transmitted symbologies was the overall basis of the framework to unfold as centuries turned to millenniums after Noah’s day.

Tracing the Genesis 3:15 “seed” arrival of who became to be known as Jesus Christ as the agent of the restoration of the lost blessing (Gen1:26-28; Gen12:3; 22:17-18) that was turned to death curse in the Edenic sin (Gen3:14-17) also weaved through these national histories. This provided a Kingdom of God progressive development to also be trackable that paralleled the rival national sovereign system leading to a globalized forum of world government in the 8th King League of Nations signal manifestation.

Thus the whole comprehensive sovereign progression of the 8th King world government system and the Kingdom of God Messianic Kingdom agency became solidly identified by Jehovah’s witnesses. This was a ministerially revealed significant global signal of the also very real trajectory to global Armageddon where these two eventually completed kingdoms would meet for sovereign resolution over now reliably mapped prophecy.

Israel’s interaction with Egypt, Assyria, Babylon, Medo-Persia, Greece and Rome and the Christian era interaction with Rome, and the Anglo-American national alliance as marked world powers became the context of the developing “seven headed” structure of Revelation’s wildbeasts to end up in the final period as a globalized 8th King world government totality, based on it’s international unification “image” “of the wildbeast”, in time. Thus this prophetic structure revived from the dead past as Christendom’s various prophecy dead-ends were brought to life as relevant to the modern times from which Jehovah’s witnesses formed and would continue to be so, explained like no other religion on earth.

Globalized World Government Forming

Now we also have a logical basis of seeing historical national collective progress over many years becoming unified in United Nations “image” concept first to form a progressive globalization theory to also be applied into an actual world government. Now this globalized 8th King of also a unique international government type, built upon a national collective international foundational system forming upon national components worldwide, is also now seen being clearly identified in this world evolution.

Now in Jehovah’s witnesses detailed ministry the continuum of prophecy of what became world history had a modern historical set of benchmarks
anyone could use to see prophecy unlocked after it fulfilled and one could logically understand the national-to-globalist progression would continue past the national scope of power to a Revelation 16:13-16 consolidated globalization in that worldwide final “gathering” to Har-Magedon. (Rev17:8-18; Dan11:47-45);

*Genesis to Revelation Governmental Theme Continuum* – Now the initial post Noachian deluge world government attempt of King Nimrod and his Babel and Nineveh city complex (Gen10:8-12) governmental center and its “tower of Babel” (Gen11:1-9) religious priesthood is connected to the modern final 8th King globalization culmination of actual functioning world government. By that underlying objective of four thousand years of human rulership evolution the final attempt at another world government completion upon the same defiant theme as developed in Genesis 10-11 is clearly identified. (Zec3:8-9);

Thus what was broken up in a divine intervention in Genesis 11 as an initial world government attempt is also headed for a future world governmental completion that again will trigger a final divine intervention for the Adamic era at Armageddon at worldwide scope.

**A Unique Sovereign Progression is Made Known Worldwide**

Thus the Jehovah’s witnesses initial world ministry provides understanding of the Bible prophetic truth in world histories and spiritual continual timelines with real meanings and parallels. Thus the overall sovereign theme is established in the Bible understanding in this structured cohesiveness of time, world history, and prophecy that ties the whole Bible together from cover to cover. Now Genesis and Revelation have a foundational theme of rival world government co-development that must climax in the near future in the form of God’s Messianic Kingdom of Christ and 8th King concurrent completions. (Rev19:11-21; 20:1-3);

This prophetic exposition and modern information backing this overall sovereign theme connects prophecy to a dynamic world power progression that is continuing in further United Nations developments after 1945 that must in time have the foretold global sovereign climax at Armageddon between the completed 8th King and the completed Messianic Kingdom diametric world governments. (Rev17:11-18 + Dan11:42-45 = Rev16:12-19 Armageddon final sequence);

No other “religion” on earth explained that final guaranteed sovereign confrontation as not only a real trajectory marked by modern world events, but as also mapped in the Bible over world and spiritual developments concurrent and continuous in world history and modern history since especially marked in 1914’s World War 1 event and subsequent League of Nations manifestation.

The true meaning of Revelation 13 prophecy was finally explained in retrospect, in the League of Nations world government foundational global presentation that arose in 1919 with the Messianic Kingdom birth announcement of 1914-1918. That ultimate meaning present in foundational form of both world governments manifesting upon the world scene in the same brief time period, to develop in time in clearer details and concurrent events of that significant time in world and spiritual history was being made known henceforth live and real-time by Jehovah’s witnesses.

*No other Christian group made such a valid exposition, ministerially globally promoted and explained, all connected to modern world events proven to be fulfilling key sovereign prophecy in what i actually a continuous trajectory to Armageddon.*

That prophetic timeline as a sovereign structure proving that all prophecy is to eventually become world history combined with also the unique personal identification of Jehovah Almighty God (Ps83:18) and His Son Jesus Christ (John17:3), then focuses attention on their actual personal unique role in their unified purpose of Kingdom rulership of planet Earth; (Gen1:26-28, Matt6:10); The entire true Bible meaning was becoming much clearer.

The guaranteed Messianic Kingdom universal rulership of God and His Christ becomes far more real and solidly defended due to these explanations. No other religious group was or has given this valid exposition worldwide but Jehovah’s Christian Witnesses. The truth of that Kingdom’s sovereign conquest to come (Dan2:31-45; Rev19:19-21) became very real to Christians as Jehovah’s witnesses (JW) and others whose faith was positively affected by them as it was all backed by real world events fulfilling prophecy in striking ways since 1914 and after.

**Faith Aided By Histories of Prophetic Fulfillments**

Now faith was given a foundation in historical facts of progressive prophecy fulfilling and describing world events coming true that could not remain static in signaling God’s Kingdom coming to Earth (Matt6:10) to resolve the issue of the sin in Eden and it’s sovereign issue and rebellion now spread to all the nations worldwide. From the same Bible that Christendom makes no sense of, Jehovah’s witnesses were identifying simple fundamental issues of universal and global proportions in those same scriptures. Early Jehovah’s witnesses named names, explained prophecy in historical meanings in up-to-date modern world events up until around 1970, and proved the Messianic Kingdom manifestation would parallel a world rival 8th King development as a parallel progression to settle the earthly sovereign issue permanently at Har-Magedon.

The guaranteed national power from the days of Babel (Gen11) and Egypt (Exodus), across Daniel chapters 2,7,8,11 sovereign bridges to Revelation 13 and 17 modern times, to the final globalized world power unification to come under the Revelation 8th King was solidly laid out for people to understand by faith aided by known history while it was taking place in it’s final sequence. That 8th King “world government” was being previewed in it’s “United Nations” (UN) “image”, and was becoming very real in development at one time to Jehovah’s witnesses as the early JW ministry progressed and deepened in world sovereign meaning along with UN developmental evidence and progress from 1919 to 1945 in the first
two UN “disgusting thing” “placements”. (UN 1. Rev13:11-15; Dan12:11; UN 2. Rev17:8-11);

It became clear the 8th King and Messianic Kingdom world develop to completion side by side all the way to Armageddon (Dan11:36), and paying attention to these developmental signals would aid understanding of the arrival of the actual Armageddon final world developments and the final prophetic sequence describing it all in needed detail.

Two Kingdom Rivals Plainly Identified for Earth’s Rulership Finality

In that defendable prophetic structured framework identifying Bible timelines connected to world developmental timelines of both the Messianic Kingdom and the 8th King maturing development, people since 1914 could watch prophecy become world government foundational history before their very eyes. That was all solidly backed by historical proof of a dual world government development that must also complete to climax and become a complete world history foretold by more prophecy to fulfill after 1945. (Dan11:27-45; Dan8:9-25);

It was no coincidence that God’s Messianic Kingdom of Christ “birth” was concurrently proclaimed leading to the League of Nations globalist world governmental “image” “birth” proclamation as well in that 1914-1919 period. In short time Jehovah’s witnesses (first as the International Bible Students Association; (IBSA)) fully explained Revelation 13:11-15 as that 1919 League of Nations manifestation after the World War 1 (WW1) “sword-stroke” of the Revelation 13 prophetic global context. Now also a clear world development of world war “tribulation” was identified as unique to form first in this period of time and prophecy fulfilling. (Dan 2:1); That paralleled the first United Nations (UN) related “disgusting thing” placement of Daniel 12:11 initial fulfillment in 1919 parallel League of Nations meaning;

Thus a significant multifaceted set of world events and a unique Kingdom ministry marked this period as special in Bible prophecy and world history.

Jehovah’s Witnesses Were Tracking and Explaining Prophecy Live and Real-Time

Into such a Bible truth framework and foundation being revealed, across a now progressively explained irreversible sovereign continuum from Genesis to Revelation 22, all prophetic details of the prophets including Jesus Christ now fell into proper place in a defendable structured framework of both history and prophecy. And the sovereign rival birth of the League of Nations also progressed to it’s post World War 2 (WW2) United Nations manifestation in 1945 fulfilling more sovereign 8th King prophecy; (Rev17:8-11);

The importance of this reliable prophetic reference framework explained by Jehovah’s witnesses is the ability to cross relate other prophecy and world event sequences with a reliable means of cross verification in the Bible itself against significant world historic “registrations” where only one set of world developments can accurately match the prophetic features. The establishment of using this principle to verify further prophetic fulfillment periods was also now a rule of Jehovah’s witnesses prophetic analysis and exposition.

Jehovah’s witnesses were also exposing all the core elements of Babel religious influence of error aiding rival 8th King world government development (Gen11) and cover up by confusion, diversion and misinterpretation. Christendom was identified as a foretold agency of prophetic confusion and darkness. The world system’s political and social error dividing nations for eventual 8th King conquest (Dan11:36-45; Rev17:11-18; 16:12-16) was also being fully explained by Jehovah’s witnesses up to that time.

Accordingly it was the truly most informative Christian ministry of all time in a context of supporting developmental world signals fulfilling prophecy beyond mere coincidence in it’s timely concurrence of multiple significant events. It could be said certainly the “last days” were in progress from 1914 forward.

Very Important: Jehovah’s Witnesses were now tracking BOTH of the first two United Nations manifestations of 1919 and 1945 as prophecy fulfilling to and through 1945.

No other Christian group of that era or after made this expose’ of Revelation and Daniel prophecy as the League of Nations (1919; Rev13:11-15) to United Nations (1945; Rev17:8-11) designate “world government” continuum as highly significant in world rulership meaning that fulfilled key prophecy as the core rival 8th King world government system opposing the Messianic Kingdom earthly rulership in God’s King Christ divine designate.

The culmination of this critical sovereign issue was to arrive upon that dual completion of opposing world governments at Armageddon’s culmination.

Everything was now being given even more proof of prophecy as significant world events in the world national powers’ progression to a globalizing 8th King unification, This eventual 8th King world government completing meaning reflected in the global “United” Nations international forum as the “image” of human world government was being shown logically and prophetically to progress even further to it’s complete world government rulership “scarlet wildbeast” objective. That 8th King world government totality would thus be completing upon that existent UN “nucleus” and “image” of the wildbeast” but must be a distinct actual world government entity in the end.

Though the United Nations was just an “image” of world government, as a “picture” of the 8th King world government not yet complete but in the making, the trajectory of it’s clear development to that completion to come, as prophecy and ongoing globalist world developments, was now solidly demonstrated in it’s first two UN developmental world presentations.
It was appearing that every foretold UN manifestation was a progressive maturation towards world government.

World War to World Government Formula Recognizable

The 8th King formulaic use of world war “tribulation” and “desolation” was also being seen as the primary form of that “desolation” the “disgusting thing that causes desolation” was using to present it’s world governmental forum in developmental progress after world wars were resolved for this purpose in part. After these two world wars were resolved, now two times after WW1 and WW2 peace resolutions, a respective UN related world government themed presentation and world “peace” objective statement took place as the world war finale development. Now the world war “problem” clearly led to the globalizing elite world government “solution” formulaically as also a dynamic beyond mere coincidence.

That 8th King principle of presenting world government renditions formulaically through an engineered world war context and it’s “world peace” resolution is also important to understand, and it repeated again, after the Cold War WW3 and it’s world peace resolution into the 3rd UN presentation of 1990. (Dan11:29-31); Now three times a form of world war resolved led to an updated UN manifestation.

(Note: It is this progress of prophetic awareness and globalization understanding that the Jehovah’s witnesses’ ministry stopped making in that 1990 period to be covered here in more detail below. Many of the following principles in actually three UN placements to date in 1919, 1945 and 1990, and the globalization-to-world-government progressive understandings, known by many world authorities and researchers, are also not taught by Bethel or Jehovah’s witnesses; the causes of this negligence in prophetic tracking of live world events is also to be explained more below).

Important World Power Principles Implied

Bible Sovereign Symbols Have a Whole Meaning of World Government

1. This Biblical and world historical development of national power’s progression in seven key national lineages of world power in (1) Egypt, (2) Assyria, (3) Babylon, (4) Medo-Persia, (5) Greece, (6) Rome and the (7) Anglo-American national alliance outlined in both Daniel (Dan2,7,8; Dan2:38; Dan8:20-21) and Revelation (Rev17:8-11), springing from Genesis 10’s 70 nations, is not the entirety of the final progression of human world power in those seven national ascensions. There is an 8th King and a final form of world power beyond national power: globalized world power – 8th King world government.

A. The globalist type United Nations international forum “image” of world government is a schematic and guiding charter/blueprint of world governmental concepts and collective planning but is itself not a world government, nor a complete true 8th King global sovereignty in and of itself. It is just an international/globalist forum “image” of government that has yet to form to a completion as a comprehensive global world government.

B. The Bible’s Daniel 2, 7, 8 and 11 and Revelation 17 final symbolically pictured sovereign entities based on the national powers also have a meaning in those whole symbols as a complete picture of globalized world power beyond the scope of it’s national parts. The distinction of national and global government power as different is for a reason and is not lost upon Bible prophecy in the final phase of Adamic human history.

C. For example the Daniel 2 “immense image”, though composed of various national parts in Babylon, Medo-Persia, Greece, Rome and Anglo-America, it also has a comprehensive whole meaning in that “image” as the globalized totality of that “image” symbol representing the totality of human world power it represents in it’s final “standing” culmination. (Rev16:16): The whole thing has meaning – globalist – as do it’s parts – national.

D. The Revelation 13 and 17 “seven headed” wildbeasts also have a total meaning, though in seven heads as parts, the total picture of the globalist whole being greater than the sum of it’s national parts is of a whole world rulership system. The whole thing has meaning as do it’s parts. The globalized meaning is the final form, the ultimate 8th King culmination based on national progression.

E. All those symbols as a globalized whole, composed of and based on smaller national parts, progressing over time in national meaning, are all globalist type world power consolidation totalities as a whole, as the whole meaning identical to the whole 8th King “scarlet wildbeast” meaning of full comprehensive world government. In the end the 8th King is the UN “image” center and a functioning actual world government as a whole as a totality of final global sovereign power completion. The whole symbol has greater meaning beyond the various parts.

National Government and Global Government are Different

2. National power systems and global world power systems are not the same form of government. Though national powers and alliances of multinational power have demonstrated aspirations of world rulership it has all been a failure to realize. (Dan11:27 “nothing will succeed”); Instead the wars and world wars that extended these national power aspirations from local to regional to extra-national invasions and colonial-like “empire” occupations have only enriched the centralized globalist power system while indebting the national powers in preparation, deployment and reparation debts related to these wars and world wars.

A. Globalized world government is different than national government, and so is the scale of it’s operation in events like world war and systems like
world finance and commerce.

B. Although not formally stated or visible, globalized components of maturing world government power have already been operating in the world system along with the national power systems mostly unaware of this dynamic.

C. Globalist world power objectives are inter and intra-national in scope to control national powers whose focus must remain internal to the nation but must eventually be guided by a superior global super-sovereign power understanding the inter-dynamics of all the nations. National powers do not have access to this kind of intelligence and information power globally, and national powers cannot do two forms of rulership, national and global, at the same time. Globalist world power is what a final world governmental evolution will be based on in this human developmental experiment in self rulership founded in the Edenic sovereign rebellion from God’s sovereignty.

This is why globalized world government is a natural evolution to finalize in this final period of prophecy now not understood by Jehovah’s witnesses.

God’s Kingdom and the United Nations are not the Same Thing

3. God’s Kingdom and the United Nations and it’s eventual 8th King world government are not the same thing and are diametrically opposed to one another. Jesus Christ’s Messianic Kingdom earthly sovereign agency is not the United Nations. Jesus Christ is not coming to join the UN and split global booty with a group of globalist money and power seeking technocrats, financiers, warlords, politicians, academics and priests, he is coming to remove their world rulership attempt permanently with full fair warning prior to that sovereign event.

A. The problem is at this time JWs consider the United Nations “image” as the pinnacle of world power when in fact UN world government 8th King is yet to complete that apex of world government sovereignty over a fourth and final required world tribulation/war cycle all already outlined in Bethel diverted prophecy. And that 3rd cycle ending, that led to the 3rd UN placement of 1990 (Dan11:31), marks the third of he final two of four UN placements in their final trajectory (Dan11:30-45) to Armageddon as the third (1990) and fourth (future) UN placements total in Bible prophecy and world history.

Now just as that 1990 Post Cold World War 3 (Dan11:29) 3rd UN rendition cycle ended and the 3rd UN placement occurred, and the recognizable process to present world government was now in three renditions of world war in some form (Dan11:29), Bethel went mum. Now as the above implications could have been made manifest clearly by Bethel since that highly significant 1990 3rd United Nations manifestation, Bethel said nothing. To this day Bethel acts as if the 3rd UN placement has no significant meaning.

In effect, up to that time in the JW ministry everything was being tracked properly and consistently...

Then Everything Changed – The Bethel Ministerial Exit 1990 and the Loss of the UN Tracking Assignment

After 1945 in Jehovah’s witnesses ministry everything was right on track, everything was unfolding perfectly upon prophecy and world events in this irreversible sovereign progression to Armageddon – and JWs were telling the world all about it!

Then something ultimately happened that changed everything not only in the spiritual Christian status of Jehovah’s witnesses, but in the validity and relevance of it’s soon to be out-dated sovereign prophetic tracking assignment of United Nations developments soon to be derailed, fully ignored and covered up by Bethel as ongoing policy.

Soon after 1945 the Jehovah’s witnesses Christian ministerial accuracy and UN tracking work was to be diverted and it’s global ministerial exposition was to be affected by error as the JW ministry was to effectively stall in 1945 2nd UN placement exposition and explained meaning. This loss of UN tracking was accomplished by treating the 1990 3rd UN manifestation in the post Cold War (Dan11:29-31) resolution period as of no account – prophetically, globally and historically.

And even more was to unfold as more evidence of severe ministerial departure.

Out of the blue it seemed, Jehovah’s witnesses not only ignored the foretold 3rd UN placement but were instead also covenantally adjoined to the 8th King UN “image” by their Bethel leaders and it’s “Governing Body” as a United Nations Non-Governmental Organization (UN NGO) – yet at the same time saying nothing regarding the significance of that 3rd United Nations world presentation! (Dan11:31);

That fateful UN covenant with Bethel’s endorsement and the detrimental effect it had on it’s global JW ministerial arm as it’s promotional “UN Department of Public Information” UN NGO global agency, occurred in approximately the 1990 time period as the then modern 3rd United Nations (UN) placement was occurring in the post Cold War (Dan11:29) resolution amidst the USSR dissolution (Dan11:30b-32a).
That significant UN post Cold War “peace” resolution provided the world stage for that latest UN world event of that third of four United Nations world presentations (UN 3: Dan11:31, 1990; UN 4: Dan11:45, Future) in 1990. That 3rd UN placement occurred as the 1990 United Nations “New World Order” initiative. (Soon thereafter the term “new world order” appeared over 70 times in Bethel publications from 1991 to 2001 starting in UN NGO Awake! 9/8/1991 magazine as part of this Bethel backed UN world promotional campaign);

Now the UN 8th King prophetic and world history tracking work was totally derailed in the JW ministry.

Bethel and Jehovah’s Witnesses Have Changed

Now it was not just Daniel 8 and 11 prophecy exposition and meaning being subverted but so was the whole Messianic Kingdom commentary that could have been developed as these 8th King world events made clear signals of it’s diametric purpose opposed to God’s Kingdom in marked progress. Now all live and real-time prophetic enlightenment aiding valid commentary of world sovereignty events plainly in the making was also ceased by Bethel and Jehovah’s witnesses.

Instead Bethel echoed the seemingly endless JW past and fully subverted the once live response to 8th King world events that also squelched Jehovah’s witnesses former foresight and insight as to what these events really mean. Instead today’s well engineered backward minded Bethel ministry, in both historical and spiritual dimensions of retardation, is what Jehovah’s witnesses try to pass off as live truth, valid commentary and accurate prophetic exposition.

Today’s Jehovah’s witnesses, by this core Bethel subversive influence, are nothing like the 1920’s and 1940’s Christian’s exposing 8th King current events and developments of their time as prophecy live and real-time in both the first and second UN placements. To the contrary, in effect today’s Bethel is a UN annex of co-promotions. Today’s JW ministry is a UN aiding misinformation diversion.

Today’s Bethel is a spiritually catatonic yet hyper-piously reactionary distraction designed to make themselves and organizational issues, hypocrisy, doctrinal wafflings, endless minutia and critical lawlessness the highlight of the ministry rather than reacting live and real-time to live world developments with spiritual and intelligent commentary on active 8th King globalization-to-world government developments plainly known to even the world now. (Luke21:25); This total departure of the entire prophetic tracking ministry of Jehovah’s witnesses, and all it’s live relationship to Messianic Kingdom objectives, for an endless stagnation in a distant past, in major transgression and error (Dan8:11-13; Dan11:30-32), is made painfully obvious since 1990 and the Bethel purposeful if not totally thoughtless United Nations UN NGO covenant.

But by the prophecies we need to be paying attention to live and real-time, it is shown the now active Bethel apostasy events and their ramifications now and to come are themselves prophecy fulfilling! In fact the Bethel apostasy is already the main initial signal and repeating principle of apostasy and lawlessness (2Tess2:1-4) indicating a divine judgment is near.

In fact the entire 1914-1918 Daniel 12 and Revelation 8-11, 15-16 main prophecy is also about to repeat with an 8th King set of commencing world events as the context of the temple judgment of Jehovah’s witnesses first to mark this critical final activation of final fulfillment prophecy to Kingdom come. The Bethel apostasy and it’s “man of lawlessness” center of organized operations led by the rogue “Governing Body” indicates the final cycle of prophecy will soon fully activate with that signal judgment first on Jehovah’s witnesses.

As the news of the United Nations “image” and it’s 8th King world government completion reality progresses to full globalized unification of all the nations (Rev17:1-18) so will the main trigger of Armageddon also manifest in that event and period. Thus 8th King completion news is a gauge to the actual arrival of Christ to come for a concurrent Messianic Kingdom 144000 completion himself, with God. (Rev16:13-16; Zech14:5; 1Thess4:17; Mark13:24-27);

Accordingly this entire signal phase and final 8th King cycle is fully unknown to Jehovah’s witnesses and the world ministerial audience, and Bethel itself is the source of this “operation of error”.

Bethel Subversion Example 1 – The Matthew 24:15 UN NGO Signal

(Matthew 24:4-15) “Therefore, when you catch sight of the (UN NGO; Dan11:31) disgusting thing that causes desolation, as spoken of through Daniel the prophet (modern Dan11:31 “disgusting thing that causes desolation” as parallel of Dan8:13 “transgression causing desolation”), standing in a holy place (in the JW “constant feature” ministry as UN NGO), (let the reader use discernment,) 16 then let those in Judea begin fleeing to the mountains. (Because the JW Bethel desolation judgment for that UN NGO “transgression causing desolation” is near; 1Pet4:17; Dan8:13-14; Rev8:3-5);

In hindsight of that covert Bethel UN NGO revelation coming out from the world press in late 2001, the developing earlier trend of internal Bethel control enabled by the “Governing Body” dictatorial Bethel coup of 1976 becomes obviously suspect in this calamitous spiritual development. The further evidence is the UN 3rd placement related UN NGO was to manifest just 14-15 years after that Governing Body coup. In 1990 the UN 3rd
That Bethel internal compromise (Dan11:30-31) from 1976, and soon thereafter it’s signal UN endorsement (Matt24:15) all climaxed into that UN NGO 8th King prophecy fulfilling now as a Bethel publicly known spiritual compromise – as they, the 8th King and Bethel, fulfilled prophecy together – and as foretold and expected Bethel says nothing about it. (Dan8:11-13; Dan11:30-32a):

(Daniel 11:30-31) (3rd UN placement 1990:) “And they (team effort) will certainly put in place the disgusting thing that is causing desolation. (3rd UN placement, 1990; UN NGO, 1991, at Bethel; Matt24:15; Dan8:13 “transgression causing desolation”);

In addition to that UN NGO spiritual adultery the prophetic tricking of the 8th King was also now lost by JWs as now Bethel policy significantly marked by these concurrent UN related 1990 events.

Bethel Subversion Example 2 – Modern King North as 8th King Connection Concealed

Now the Bethel JW ministry did not develop an up-to-date commentary of Daniel 11 (Daniel 11:27-45) to accurately reflect that “King North” 3rd UN manifestation, for a third time as prophecy at Daniel 11:31, was an undeniable 8th King world event connection. Furthermore, to Bethel the 3rd UN placement was not even a significant world event worthy of insightful commentary, but rather “new world order” global placement quotes from George Bush Sr. was the new Watchtower and Awake! commentary.

Instead Bethel leadership covered up (Dan8:12) the King North as 8th King reality and the 1990 3rd UN placement meaning (Dan11:31) proving it. What developed at Bethel was instead a distracting ministerial facade echoing the JW past, embellishing it with many pretty pictures and other teaching diversions, as Bethel proceeded with a global UN promotions operation in a decade long “UN NGO” world advertising campaign (Awake! 9/8/1991) highlighting the UN “New World Order” objective in the JW world ministerial publications.

In this way the JW “constant feature” was now terminally polluted with 8th King propaganda as Bethel policy – for the UN “library card” as a purposefully ridiculous excuse to add insult to injury.

All this 8th King cover-up is carried out to this day while Bethel provides ever more subterfuge sampled from the past JW ministry, as now a foretold JW prophetic diversion campaign and apostasy is still active (Dan11:32a), in addition to the UN NGO transgression (Dan8:13) and Bethel’s covert UN concealing missions now Bethel’s ongoing official policy.

In other words, Bethel went globally apostate publicly, as also foretold and in fulfillment at the same time as it is all covered up at Bethel. In hindsight this critical JW ministerial diversion has developed in the “Governing Body” managerial experiment and trended development for nearly 40 years progressing "gradually" (Dan8:12) from bad to worse and into more error, stumbling (Dan11:32-35, 41) and cover-up in the process; (2Thess2:1-4; Zech3:1-3; 2Pet2:1-3); Thus a modern “man of lawlessness” in the Governing “Body” and Bethel leading clerics and administration is being revealed with their apostate production and signal UN NGO endorsement of the 8th King.

(2 Thessalonians 2:3-4) Let no one (including Bethel; Rev2:2)seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone...

(Daniel 11:32) “And those who are acting wickedly against [the] covenant (at Bethel), he (8th King/King North) will lead into apostasy by means of smooth words. (The Bethel “smooth words” 8th King cover-up in the JW publications is part of the smoothly justified apostasy);

Bethel Subversion Example 3 – Worldwide Globalization Understanding Uncommented by Bethel as Further Objective Obscuring Final 8th King World Government Cycle

Now all modern historical details of the globalist world government development in the 8th King and UN relationship, and its globalization process understanding, now readily available in voluminous worldwide analyses and research, are completely concealed explicitly by Bethel since 1990 in marked fashion. After over twenty years in that trended Bethel subversion development since 1990, we now see Bethel’s globalization ignorance campaign amongst JWs is also aiding 8th King UN developmental secrecy as to uncommented world globalism meaning and the prophetic exposure aiding retarded 8th King world government understanding among modern Jehovah’s witnesses.

As further evidence of Bethel's purposeful 8th King cover up, Bethel's clerics will not discuss or teach even now well known basic globalization or geo-political understandings supporting the better understanding of world government developmental trends and developments increasingly globally seen since 1990.

Today’s Jehovah’s witnesses, by Bethel policy, have no idea about globalism basics as being the fundamental 8th King world government global power consolidation dynamic now active all over the world. Jehovah’s witnesses have no idea about globalization as an ongoing development related to the Revelation 16:13-16 8th King international “gathering” phenomena that is aided by globalization consolidations. JWs have no inkling globalization maturation leads to the complete 8th King world government administrative components progressively, because Bethel will not discuss anything that exposes further 8th King world developmental evidence in world geo-political sciences, globalism sciences or in modern
prophecy fulfilling. (Dan11:30-41);

The JW collective mind is therefore now living in a perpetual 1970 level of world and spiritual awareness regarding 8th King world government. The entire UN tracking ministry of Jehovah's witnesses is now derailed and effectively defunct; The final required 8th King globalization-to-world-government phase is now unknown to the backward collective JW mentality.

Rather than 8th King globalization (Rev16:13-16) — culminating into a required global government super-sovereignty (Rev17:11-18) — over a future final 4th UN phase of 8th King prophecy (Dan11:42-45) — JWs think “it can end any day now brothers!”. Though the final phase is about to begin as Daniel 11:42-45, JWs think instead, by Bethel delusions, that it is all over.

JWs are fully stalled, derailed, deluded and misled and expecting a fully premature "end of the world". The logical UN 1-2 manifestation from 1919 to 1945 leading in prophecy (Dan11:30-45) to a UN 1-2-3-4 conclusion with the 3rd UN placement of 1990 and 4th UN placement of the future is unheard of to JWs.

This sets up JWs for mass bewilderment when that Daniel 11:42-45 final 8th King phase begins soon because it takes a number of final years to complete into full 8th King world government.

Now JWs, together in the well advanced Bethel purposeful deception production, live an engineered delusion of a former ministry in constantly plagiarized and repeated details. Now JWs are immersed psychologically in a complete Bethel/8th King allied stalling act and the Bethel engineered cover-up under a deceptive ministerial veneer of former validity.

Modern Bethel and JWs are therefore acting as if a UN 3rd placement (Dan11:31; 1990) is not part of the 8th King final world governmental non-stop progression to lead to the fourth and final UN presentation (Dan11:45), with full world government in the future Armageddon climax 4th UN placement of Bible prophecy:

(Daniel 11:45) And he (8th King/King North) will plant his palatial tents (4th UN placement as world government) between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end (Armageddon), and there will be no helper for him.

JWs cannot even tell that “King North” is the 8th King in a final prophecy sequence!

It is obvious from the get-go only the 8th King can and will fulfill that Daniel 11:45 portion of the global prophecy of “palatial tents” as world government worldwide as the end of the Daniel 11:42-45 final 8th King phase of the future. There cannot be two human world governments in the end, only the 8th King, called King eight for this reason. But now JWs have lost the 1990 3rd UN placement connection (Dan11:31) to that 4th UN placement (Dan11:45) as a required continuum:

(Daniel 11:36) “And the king (8th King marked in 3rd UN placement of Dan11:31) will actually do according to his own will, and he will exalt himself and magnify himself above every god (including the USSR); and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish; (non-stop “success” to Armageddon) because the thing decided upon must be done.

Daniel 11:41 Current Point of Daniel 11 Progress as Apostate Bethel Fulfillment

And now the proper modern Daniel 11 fulfillment position in Daniel 11:41, in current Bethel 8th King compromise (Luke21:20), is also lost as the reason why JWs have lost direction and lost the UN tracking assignment of BOTH the 3rd and 4th UN placement meanings:

(Daniel 11:41) He (8th King) will also actually enter into the land of the Decoration (infiltrates the Bethel ministry internally), and there will be many [people] that will be made to stumble. (Matt24:15; Luke21:20 signal development present now at Bethel; Stumbling people is also the lawless Bethel subversion goal. Parallels Daniel 8:11-13 and Daniel 11:30-35 events and meaning);

Now the Jehovah's witnesses' Christian ministry is fully misdirected, compromised and profaned as per prophecy; (Dan8:11-14; Dan11:30-35; Rev8:10-11). And now the important progression of actual 8th King prophetic certainty proven by modern world events foretold in such now lost modern detailed 8th King developmental connections, is also now broken as a continua (Dan11:36) of concurrent 8th King and Messianic Kingdom continuities. (Dan12:11);

That the 8th King and Messianic Kingdom completions require a final developmental phase of some years (Dan8:14 + Dan12:7), in the near future commencement, that the 3rd UN placement (1990) must lead to as a final UN placement of the future (Dan11:45), as a continuous 8th King “will certainly prove successful” continuously to Armageddon, is now lost upon JWs. (Daniel 11:30-45);

Now the first two UN placements properly explained by Jehovah's witnesses as prophecy (Rev13:11-15; 17:8-11) cannot be connected to the last two UN placements of Daniel 11:30-45 as a UN 8th King 1-2-3-4 guaranteed continuum to Armageddon able to be extended from 1990 marked 8th King events. Due to this Bethel truncation and diversion of prophetic and 8th King reality the formerly valid JW ministry is now fully diverted.
By all this the JW ministry has lost the 3rd and 4th United Nations 8th King placement meanings and it’s global ministerial exposition – and that aids the final 8th King world government development with now JW aided error and misinformation in the worldwide ministry regarding the 8th King as King North of Daniel 11:30-45, and the final Daniel 11:42-45 8th King required globalization completion cycle to full world government to begin soon.

In that engineered and overridden error, JW expectations can be overly advanced to “expect Daniel 11:44 next” in a deceptive “King North” entity as a premature “attack on Babylon the Great empire of false religion” concealing the actual temple judgment desolation events (Dan8:13 unique temple judgment signal as Rev8:2-5 final fulfillment) with an engineered JW “self fulfilling prophecy” created by Bethel for bewildering effects in that final cycle commencement period.

This truncation of a former tracked UN continuum, and the apostate context of it’s development at Bethel has now allowed further interpretive error to be developed and used to aid a final coup attempt on the JW ministry before the final clarification can be explained. The 1990 diversion away from UN 3rd placement explanation has allowed this delusional atmosphere to develop instead of a proper explanation of the real meaning of that 3rd UN placement of Daniel 11:30-31 as 8th King King North progress.

Overview: The Importance of the First Two UN Placements Prophetic Tracking Continuum From 1919 to 1970 and the 1990 Bethel Signal Apostasy UN Diversion Campaign

A. JWs Laid The “Kingdom Come” Issue as a Framework of Logic

The International Bible Students (IBSA), by God’s aid through Christ, laid a unique Christian ministerial theme that focused on the Kingdom of God as the source of the universal earthly rulership that would deploy as the Messianic Kingdom agency upon it’s 144000 completion. (Rev14:1); That the Messianic Kingdom was to soon be the earth focused world rulership under Jesus Christ as God Almighty’s anointed King of kings right on planet earth was made known globally. (Zech4:6-9; Dan2:31-45; Rev19:11-21; Rev21:1-5); Prophecy fulfilling in a final continuum was to mark the progress to “Kingdom come”. (Matt6:10);

The prophetic sovereign theme of that Jehovah’s witnesses Kingdom of God ministerial deployment, as a foretold (Dan7:25; Dan12; Rev10-11), developed in the 1914 era foundational ministry that soon developed to far greater detail by 1930 and after. In that progress in understanding, more information came forth affirming much Daniel and Revelation underlying prophetic meaning in important timelines, modern world event meanings and required continuums of 8th King and Messianic Kingdom co-development towards Armageddon’s foretold resolution of the sovereign world rulership issue now backed by marked world events after 1914.

Messianic Kingdom prophecy and 8th King UN world events were now inseparable as both developing concurrently enroute to Armageddon as a reliable continuum and affirmable trajectory backed by more prophecy foretelling more UN 8th King world events as time progressed.

Thus a prophetic thread of certainty was also explained as an interlinked framework and continuum outline that was mapping the Kingdom of God manifestation in preview form over time, in it’s Kingdom proclamation concurrent with also 8th King developments as a significant timed gauge in sovereign warning in a prophetically timed manner backed by significant world events marking the prophecy.

In basic terms, when the 8th King completes world government, the Messianic Kingdom final sovereign response will be triggered after that event; (Dan12:11; Dan11:45; Dan8:25; Matt24:29-31; Rev6:12-17);

That logical progression to required 8th King sovereign completion as world government, prior to and enabling the final Messianic Kingdom completion and reaction is fully unheard of to today’s JWs. And that Bethel engineered ignorance aids the JW premature “end of the world” delusion that aids that deception.

First Two United Nations Placements Explained Properly by JWs Live and Real-Time

The original 1914 JW Kingdom ministry made clear that a League of Nations globalist world government foundation was also laid and proclaimed at that time that led to the second United Nations related manifestation of 1945 as all prophecy fulfilling events leading to “the end”. (Matt24:14); That is now foundationally beyond question in the 8th King’s concurrently developing diametric rivalry to the Kingdom of God, which Kingdom of God made it’s own sovereign proclamation of that 1914-1918 prophetically marked period concurrently and also ongoing.

That Jehovah’s Christian witnesses identified that 1919 first League of Nations prophecy (Rev13:11-15; Dan11:12), and the subsequent 1945 second United Nations prophecy (Rev17:8-11) as foretold “disgusting thing” placements as marked prophetic fulfillments is very important. It is an example of the Jehovah’s witnesses’ concurrent UN tracking assignment of explaining sovereign meaning in prophecy fulfilling in also the rival 8th King world government system parallels with the Messianic Kingdom “birth” announcement progressing over time as expected. And that tracking and up-to-date commentary needed to be maintained as significant as time proceeded past the 1945 2nd UN placement.
That "seven times", 2520 year timed proof of prophecy was marked by the overall sovereign significance based on the Jerusalem sovereign deposition of 607 BCE linked to the Israel/Judah/Davidic Kingdom covenant of God as the "appointed times of the nations" ending in 1914. (Dan4:16,23,25,32; Luke21:24); The initial fulfillment of Daniel 12 smaller scale timed prophetic periods (Dan12:7; 12:11; 12:12) marking significant Kingdom meanings from 1914-1918, 1919-1922, and 1922-1926 ministerial manifestation was also developed and explained starting upon 1914 Kingdom proclamation events.

Thus the end of the 2520 years "appointed times" led to the initial Messianic Kingdom "birth" ministry deployed as per solid prophecy – with 8th King related world events also marking it's significance. An overall framework was thus defendable in a progression of developmental features of the Messianic Kingdom agency from Daniel 12's timed periods initially fulfilling and underlying the applicable Kingdom ministerial Revelation 8-11 prophecy. (Dan7:25; Dan12:7; Rev11:2-3; Rev12:6,14; Rev13:5 parallels);

Revelation 8-11 had Revelation 15:16 parallels of seven trumpets and seven plagues in a preview of events that must have a final fulfillment cycle to culmination in the future. Accordingly a prophetic replication of Daniel 12 and that Revelation "seven" sequence parallel was also being potentially, but not fully revealed.

That comprehensive and proven timed framework and it's sovereign milestones and meanings, it’s dual “kingdom” theme and it’s manifested features, also provided a reliable linking of Daniel and Revelation structured sovereign prophetic outlines. Now Daniel and Revelation were also progressing together to Armageddon upon marked global events in initial form. By the theme and timing in the first fulfillment of Daniel 12:7 1260 days of 1914-1918's time signature, the Revelation 11-13 cross relation was solidly established as that co-related parallel prophecy fulfilling. (Revelation 11:2-3, Revelation 12:6,14 and Revelation 13:5 all have a 1260 day time reference to Daniel 7:25 and Daniel 12:7);

That Kingdom hub of real meaning created a far greater sovereign picture into which other supporting prophetic details could then be linked reliably from all the prophets for various applicable details. When that prophetic structured framework, with real world events of 1914-1919, became backed even further in the 1945 and UN placement meaning, it became even more pronounced as valid when compared to the out-dated interpretations and disconnected nature of Christendom's theology. Though from that overall context the IBSA separated, the overall difference in understanding is astounding to those perceiving the now big "world government" picture that now was surfacing.

That an 8th King designate "birth" also appeared in globalist diametric form as an intended human world rulership in an international forum “nucleus” of the 8th Kingdom “image” of world government as the League of Nations, with the Messianic Kingdom announcement, at roughly the same period of time, is of course in retrospect beyond coincidence. Thus an 8th King and Messianic Kingdom completion parallel was thoroughly founded in prophecy and backed by world events in 8th King world government development. That foundation provided a continual live and real-time responsibility for Jehovah's witnesses to track prophecy continually. Jehovah's witnesses also were required to explain the supporting world events correctly as prophecy when they appeared on the world scene in applicable fashion. Thus Jehovah's witnesses were to be constantly providing the key meanings of prophecy and it's described world events which were guaranteed to continue to fulfill and to describe future 8th King and Messianic Kingdom developments beyond 1945; (Dan11:27-45; Dan8:9-25; Rev16; Rev17);

B. Earthly Purpose of God Fully Explained

The purpose of God to fulfill the Genesis 1:26-28 (Gen1:23; 22:17-18) Edenic blessing on earth as God's "will done on earth" (Matt6:10; Eph1:3) by means of Christ to circumvent the Edenic sin and sovereign rebellion issue was also made far clearer than the Christendom scenario of a mass exodus from earth to heaven or hell. Thus the reality of the Messianic Kingdom guaranteed sovereign agency to fulfill that will of God also became clearer as an earth centered requirement to eventually confront the sovereign problem stemming from the Edenic sovereign rebellion by sin.

Now the manifestation of the 8th King and Messianic Kingdom required final agencies' respective proclamations claiming to be the world power to fulfill God's "will done on earth" also appeared at the same 1914-1919 timing and were noted as concurrent yet diametrically opposed as to which world government would rule planet Earth. Thus the 8th King diametric will was set in complete opposition to the will of God clearly explained by Jehovah's witnesses amidst a Christendom endorsement of the globalist League of Nations as an "expression of God's Kingdom on earth".

This clearly focused the reality of Christ the King and the Kingdom of God coming to earth (Matt6:10) as a real anticipated event among true Christians, and what it would mean for the rival 8th King sovereignty was explicitly stated. (Dan3:31-45; Rev19:19-21). Jehovah's witnesses used to make it clear God's Kingdom is not a globalist elite UN "expression of God's Kingdom on earth" and Jesus Christ is not coming to join the United Nations and that more than implied a sovereign global war with God, which was made clear in the JW ministry like no other ministry on earth.

Note: Now that ministerial tracking work has ended up as a foretold Bethel ministerial diversion endorsing the UN as UN NGO, as many again are unaware of the true sovereign issue in dynamic development here currently swept under the Bethel rug aided by a dated prophetic exposition. Now the original key feature of 8th King endorsement of the "man of lawlessness" in the adulterous Christendom cleric system of the initial fulfillment identification amidst a divine judgment is repeating in final form in the Bethel United Nations endorsement as UN NGO indicating a repetition of the initial cycle in final form.

C. Kingdom Development and the Universal Sovereign Issue Fully Explained

Thus the Kingdom of God progressive development in marked fulfillment and the world rulership issue was clarified fully in forms explained clearly
to in time become final world government entities progressively that resolve that sovereign issue in a final conflict related to the Armageddon meaning with a final extended yet short warning period also identified at that time and after.

D. God’s Unique Supreme Identity Fully Explained

A clear distinction between God and His Son Jesus Christ was clearly made in Jehovah God’s Name describing the definitive unique Almighty God as an individual person.

E. Jesus Christ’s Role in God’s Purpose Fully Explained

Jesus Christ’s role as God’s Word, messenger, anointed servant and King to carry out God’s will was also clearly defined from various Christendom confusions.

F. The Christian Ministerial Responsibility Fully Explained

The Kingdom and ministerial responsibility of Christian exclusive devotion and exclusive worship of God alone, by access through Jesus Christ’s sacrifice as the only two persons to receive faith and trust was also clarified. As Christendom joined the League of Nations endorsement and true Christians endorsed God’s Kingdom, the distinction was made clear. (To be noted later, because that distinction was clear, but obscured in recent times as the 1990 Bethel 3rd United Nations endorsement as UN NGO is now the modern JW “two masters” status. (Dan11:31b; Matt6:24; 24:15);

G. Prophetic Rival System Sovereign Progression Nearly Fully Explained

Thus what is a required tracking of Messianic Kingdom developments and 8th King developments in prophecy and world events with marked developments to lead to a climax period of human history was set as an early Christian ministerial theme of the Jehovah’s Christian witnesses. But now it is being fully identified as a derailed Christian ministry in modern Bethel loss of the 3rd UN meaning in prophecy since 1990 – thereby losing the required focus of tracking that dual kingdom co-development in modern world events fulfilling prophecy and their parallel developments.

In that way the whole Biblical prophecy of final sovereign consolidation and the 8th King world developments to culminate in a final UN cycle towards world government is not fully explained by this now fully diverted Jehovah’s witnesses’ ministry for the last twenty years.

H. World Rulership Conflict Principle Fully Explained

Thus two diametric “kingdom” sovereignties, in side by side concurrent development, was identified as was the assured global “Har-Magedon” situational global location of that final sovereign resolution. (Rev16:12-18);

The Final Sovereign Climax Continuum Not Fully Explained

That this kingdom and world rulership dual development would progressively lead to the Armageddon climax in time was shown in conceptual form in the initial fulfillment pattern of Daniel 12 and Revelation 8-11 parallels up to the understanding of that 1914-1918 period explained later. That understanding is now suffering a loss of focus due to Bethel’s diversion campaign and organized signal apostasy. (2Thess2:3; Dan11:30-31; Dan11:32a; Zech3:1-3);

Now since 1976 and nearly forty years of “gradually given over” (Dan8:12) internal Bethel compromise since then, led by the Governing Body method of factional-to-full control, the JW ministry has warped with the Christian ministerial focus lost. This resulted in time, “gradually”, in the UN NGO covenant and all it implies in 8th King aiding promotion, deception and prophetic cover-up and further resulted in the last twenty full years of missing Biblical commentary at Bethel regarding 8th King developments clearly fulfilling more prophecy since 1990 and the 3rd UN placement of that time. (Dan11:31; Dan8:11-14, 23);

Thus it is not JWs “moving ahead” or in danger of “pushing ahead” but rather JWs having fallen far behind for at least 20 years. JWs are now fully behind the Biblical and world times as far as 8th King development amidst a Bethel spiritual lawlessness, organizational distraction and a worldwide stumbling campaign actually fueled by this Bethel spiritual criminal activity and it’s public record spread globally on the internet. (2Pet2:1-3);

In effect of the full 37 years since 1976 of this “Governing Body” centered subversion and transgression (Rev8:10-11), really that whole time period (Rev8:12) is now a reflection of the JW progressive subversion into now full apostasy. Now the full JW communal “earth” (Rev8) apostasy is enabled by Bethel’s organized means of administering it and concealing it to some, but not to all, at the same time as they develop and deploy it. It’s connection to prophetic apostate signals was thereby delayed as long as Bethel could achieve. (1Tim5:24-25);

Accordingly the 8th King tracking in it’s significant events since 1990 and the growing globalization-to-world-government awareness even in the world’s research is all concealed understanding by Bethel policy. In that purposeful Bethel engineered 8th King developmental ignorance among JWs, JWs are also incapable of explaining or proving the final cycle of 8th King development of the future (Dan11:42-45; Rev17:11-18), or it’s signal development as the Daniel 11:30-41 merging continuum since 1990. JWs have been fully derailed into a modern ministerial irrelevance now stalled
in a perpetual 1970 merely parroted over and over again.

Thus JWs are incapable of explaining prophecy in final fulfillment properly and are in actual Bethel engineered error regarding Daniel 11:27-45 (King North as 8th King) and Daniel 8:9-25 (“small horn”, “King of Fierce Countenance” as 8th King) as an identical 8th King final phase of world rulership development in those parallel prophecies. Now all sovereign prophecy of King North and the King of Fierce Countenance are actually globalized world government meaning fully transcending Bethel’s national defined dead-end fictions, now both converging into their identical globalist 8th King world government meanings and their final development and placement sequences – and Jehovah’s witnesses are none the wiser and neither is the global ministerial audience.

**Temple Judgment Unknown to JWs**

The coming timed temple judgment of Daniel 8:11-14 as consequence of the Daniel 8:13 UN NGO as that “transgression causing desolation” of Daniel 11:31b placing of the “disgusting thing” as Bethel UN NGO, as co-developing with these lawless Bethel subversions, is also unknown to Jehovah’s witnesses.

That Daniel 8:13-14 activates as 1Peter 4:17 as parallel of Revelation 8:3-5 final fulfillment commencing the final Revelation 8-11 final cycle parallels is also unknown to modern Jehovah’s witnesses. All these prophetic certainties are covered up with WW2 era fictions as dated interpretations by the Bethel apostate leaders. That Bethel has killed the real-time prophetic understanding so have they paralyzed JWs understanding that prophecy continues to fulfill and in fact it must all replicate in final form in the near future as a live and real-time final set of marked years as the 8th King final world government cycle currently hidden by this purposeful Bethel “theological” coma.

That the final judgment cycle starts upon Jehovah’s witnesses in the final 8th King cycle context of Daniel 11:42-45 is also unknown to Jehovah’s witnesses. JWs think instead all prophecy of Daniel and Revelation has fulfilled “to the smallest detail”; (WT 6/15/2012 Article: JEHOVAH IS “A REVEALER OF SECRETS”)

JWs are now sitting ducks, set up by apostate Bethel, for the 8th King first “trampling” of Daniel 8:13-14 coming soon as the JW temple judgment significance; (1Pet4:17);

Now Bethel and the 8th King can present that temple desolation of Daniel 8:13 to JWs as premature Daniel 11:44 “the end of the world starting brothers!” as the further deceptive premature “attack on Babylon the Great”, and most JWs will be none the wiser for quite some time; (Dan8:14; Hos6:1-3; Isa37:30);

**Current JW Status: The Final 8th King and Temple Judgment Cycle is not Fully Explained**

Though the final cycle of prophecy and world events is contained in the first Kingdom and 8th King cycle of Daniel 12 of 1914-1926, merely repeating in final form in the near future, with unique prophetic signals of:

1. Daniel 8:13-14 temple judgment of Jehovah’s witnesses and;
2. Daniel 11:42-45 final 8th King phase of global intrigues activating;

JWs are fully unaware of this reality.

Bethel subversion has created this spiritual retardation. Thus we have a loss of the 8th King UN tracking assignment by Bethel that developed after the 1945 2nd UN placement was explained properly, leading to a now complete cover-up of the 1990 3rd and future 4th UN placements by Bethel subversion.

**CSI Bethel – The Unusual Suspect**

Thus sometime after 1945 and a successful tracking of two UN prophetic developments the third UN placement of 1990 was concealed and ignored with a signal UN NGO Bethel United Nations 8th King endorsement manifesting concurrently; (Dan11:31; 8:13; Matt24:15). That apostasy finally surfaced in 1990 from an internal Bethel development predating that time in positioning (Dan8:11-13), empowered by foretold 8th King aided anointed defection and infiltration (Dan11:30b-35, 41), as in time a Bethel subversion developed to the point of endorsing the UN 8th King as UN NGO by 1990.

That UN NGO slick deception was then concealed until 2001 when exposed by an external news source conveniently timed with the 911 events prior to that UN NGO exposé.

Covering up the Daniel 8 and 11 relative prophecies of that development, and covering up the King North (and King of Fierce Countenance) identity
as only possible in the 8th King in Daniel 11:30-45 and Daniel 8:11-25, all co-developed with this now ominous internal Bethel UN NGO development.

We therefore ask: What happened to the JW ministry here in this brief time period?

As we put 2 and 2 together the “unusual suspect” in this case, to develop at Bethel between 1945 and 1990 approximately, is of course the 1976 Bethel dictatorial coup by the “Governing Body” dictatorial development that sprung up and seized Bethel control in this interim period.

That internal Bethel “cell” of unique and timely development was the new, potentially factionally controlled, and non-Biblical scripturally super imposed “rule by committee” “Governing Body” method of Bethel JW ministerial guidance. That timely development amounts to a self-glorified, self-appointed and specialized corporate “board of directors” – actually just a mythical “divine” “supreme council” – that went into progressive anti-Christian group control after the Bethel ministry was in full successful operation formerly led by individual anointed Christian guidance in Charles Russell, Joseph Rutherford, Nathan Knorr and Fred Franz.

This new type of “committee” “guidance” at Bethel was therefore also unique in all JW history since 1914, but was sold off as an existing divine entity dating back to the days of the apostles, and the early IBSA ministry – which is not the truth. (Acts 15:1-33 and Revelation 2:3 do not mention any mythical “governing body” of apostolic “popes”; 2Thess1:1-4; 2Cor11:3-15); The “governing body” is not a Biblical term or a divine entity as well and had to be super-imposed and implied by consistently applied human rationale upon the one time Acts 15:1-33 Jerusalem emergency circumcision clarification meeting to even install such an idea in the mass JW mind in error over decades. (2Thess2:11-12).

What began as an error is now the central root “the lie” of 2Thessalonians 2:11-12 as that very “governing” “body” concept itself by which more lies entered the Christian ministry of that time to compound to today’s Bethel full blown “operation of error” apostate ministry.

The real “apostasy” is in Bethel not outside, hence Bethel’s use of external opposers fueled by their own brazen lawlessness helps to distract the actual location of the apostasy “in the temple” at Bethel’s associated public locale of the JW ministry central administration.

In hindsight this experiment in “Governing Body” catastrophe in progress is the single worst failure of JW history from the inception of this “divine body” that led to even more serious transgression and eventual full departure from the Christian ministry in time “gradually given over”. (Dan8:11-13).

The “governing body” invention and it’s Bethel installation by intrigue as a “supreme council” – or Bethel’s modern Papal-like “Lords of the Faith” – is unique to 1976 and after in Jehovah’s witnesses, and that is telling for the critical UN supporting developments that soon followed. It’s method of group rule and it’s dictatorial style was also unique to that fateful 1976 inception and after, as prior to that time the “body of the Christ” was recognized as the only divine entity identified by God, Christ and the Bible.

There simply is no such thing as the “governing body”, all divine authority is in Jesus Christ by God’s appointment and thus secondarily to his “body” of anointed of which the 12 apostles were the first members upon faithful continuation of the responsibility by faith and obedience. When Judas Iscariot defected a replacement was selected by God and in time that apostolic body ceased in existence as the continuing “body of the Christ” continued the work by also God’s selection.

The modern-day “Judas” “Governing Body” picture is all Bethel is actually indicating (2Thess2:3-4). This is because never has and never will God place an intermediary authority between Christ and his own “body” and sheep as the Governing Body has assumed and “lifted themselves” into such an illegal intermediation with devastating results. God certainly will not set a group of UN servicing Bethel lawless ones over anointed Christians, instead Bethel’s apostasy and “lawless one” shall fully fulfill the signal apostasy towards it’s temple purification expulsion signaling a final temple judgment cycle. (Zech3:1-5; 2Thess2:3-4, 8);

Thus the “governing” “body” is actually a manmade additional body added later, whose very existence is naturally “set in opposition” (2Thess2:4) to the “body of the Christ” which the so-called “Governing Body” claims to be the supreme authority of. Thus Bethel is now a neo-papal system in reality, merely modified to fit the Bethel urban CEOs of the modern Bethel corporations.

The Main Target of 8th King Coming First Trampling (Daniel 8:13-14)

And this is why modern Jehovah’s witnesses are the last point of Christian and world truth already diverted now, that is also the target of a full global ministerial removal attempt indicated in the very apostasy active internally at Bethel. The Daniel 8:1-14 prophecy guarantees an organizational signal desolation of Jehovah’s witnesses.

If the 8th King leads an internal Bethel apostasy as per prophecy (Dan11:32a), with great evidence of critical compromise and transgression (Dan8:13; Dan11:31), then we can know that strategic operation is not going to remain static, but this Bethel tool of lawlessness has a coup-de-grace intention also indicated in more prophecy such as the whole book of Hosea, Micah, and most of Isaiah’s prophecy.

(The “man of lawlessness” is also the “son of destruction” in Bethel’s cleric system, a betrayer manifestation climax in that symbolic meaning,
Zechariah 11 “flock meant for the killing” is now all Jehovah’s witnesses to be under the 8th King divinely permitted “trampling” desolation of Daniel 8:13 that the UN NGO has sealed in the JW organization; (Hos1:4-7); The UN NGO is the Daniel 8:13 “transgression causing desolation”.

This article will further explain Jehovah’s witnesses initial valid sovereign description and progressively unfolding framework and it’s importance classically developed in the JW worldwide ministry up to the appearance of and progressive gradual diversion centered in the Governing Body in 1976 and after in the Bethel signal apostasy. (Dan11:32a; 2Thess2:3);

That valid ministerial theme based on an ongoing Kingdom proclamation and it’s globally explanatory ministry paralleling two known UN placements as the co-developing rival 8th King world rulership system has a point of known departure nearly concurrent with the operation of this Governing Body dictatorship to also be explained further.

Jehovah’s witnesses were a valid Kingdom ministry until this modern Bethel diversion, now matured (Dan8:22), derailed the modern JW ministry with great evidence mounting especially from the 1990 period total departure from the former Jehovah’s witnesses Christian Kingdom ministry.

This is why the coming temple judgment coming upon Jehovah’s witnesses and the Bethel organizational center of transgression and globally known ministerial claimant Christian anointed association, by the same 8th King planners who have guided this apostasy as foretold by factional Christian anointed defection and infiltration at Bethel (Dan8:11-13; Dan11:30-35) allows a UN NGO accounting, signal organizational “desolation” and the context of the foretold divine removal of these apostates permanently from the final JW ministry.

In this way the coming 8th King planned “trampling” of Daniel 8:13 activation soon will allow 8th King intrigues to attempt to disrupt the JW ministry while God uses that context by Christ (2Thess2:8; Zech3:1-5; Mal3:1-5) to cleanse Jehovah’s witnesses amidst that judgment fulfilling in final signal form. In this way the Revelation 8 replication of the temple judgment meaning, starting the final prophetic cycle, will have to make known (first four trumpets) the 8th King collusion and apostasy issues the Bethel ministry is attempting to hide, to bring those hidden issue out for global exposure in the process of Daniel 8:13-14 timing of 1150 days or 2300 days of the temple judgment “evening” of desolation (Rev9 “abyss”) and it’s “morning” recovery phase.

In this way the Jehovah’s witnesses organized apostasy once matured and in coup-de-grace mode will instead work for the exposure of the 8th King and it’s 3rd and 4th UN placement meaning being made fully known in the process of a final divine warning activating towards Har-Magedon’s final sovereignty resolution.

In this way the explained JW apostasy and it’s 8th King relationship forms the first chapter of the “little scroll” final Kingdom warning record to be globally known in time after the temple judgment produces a valid ministerial clarification recovery. This is why the Bethel apostates must be removed by divine means fulfilling the commencement of final signal prophecy as a final cleansing temple judgment in the final 8th King fourth UN world government phase of Daniel 11:42-45.

Jehovah’s witnesses may be fooled by the “picture perfect” grinning and acting Bethel and Governing Body “superfine apostles”, but God is not. (2Cor11:13-15; Rev2:2; Zech3:1-3); It is a divine judgment and divine means of power, not human, that will account for and remove the Bethel apostasy amidst a signal development of “prophetic proportions” coming on Jehovah’s witnesses first. (1Pet4:17).

Contrary to JW delusions, Babylon the Great’s religious institutional judgment does not start the final judgment cycle, it is at it’s end; (Rev16:12-19; Rev17:11-18); Because Jehovah’s witnesses have stopped analyzing prophecy and world intrigues of modern times they have accepted the Bethel engineered delusion and for this reason the prophecy describing the judgment and it’s context is now unknown to snoozing and overly busy Jehovah’s witnesses. In this way the temple judgment will hit JWs like a “thief in the night”. (Matt25:5);

First Two United Nations 8th King Explanations – Live and Real-Time 1919-1945

1. League of Nations 1919 as Revelation 13:11-15 Fulfilling

The initial Kingdom ministry of Christian clarification deployed in the 1914-1918 WW1 period forming. This international world development and worldwide Kingdom ministry led to a dual manifestation situation as not only did God’s Kingdom make a sovereign proclamation, but soon a concurrent rival 8th King system also made a sovereign presentation and proclamation too culminating as the League of Nations globalized world governmental “image”.

That was fully explained in prophecy as the 1919 League of Nations “image of the wildbeast” by firstly and only the International Bible Students (IBSA) in the time period of clarification after 1914-1918 events:

(Revelation 13:11-15) And I saw another wild beast ascending out of the earth, and it had two horns like a lamb, but it began
speaking as a dragon. 12 And it exercises all the authority of the first wild beast in its sight. And it makes the earth and those who dwell in it worship the first wild beast, whose death-stroke got healed. 13 And it performs great signs, so that it should even make fire come down out of heaven to the earth in the sight of mankind. 14 And it misleads those who dwell on the earth, because of the signs that were granted it to perform in the sight of the wild beast, while it tells those who dwell on the earth to make an image to the wild beast that had the sword-stroke and yet revived. 15 And there was granted it to give breath to the image of the wild beast, so that the image of the wild beast should both speak and cause to be killed all those who would not in any way worship the image of the wild beast. (in time this UN related “image” development must evolve into world government in four UN cycles foretold in prophecy;)

Today many Christians besides Jehovah’s witnesses understand that prophecy can only be the 8th King designate as that League of Nations “image of the wildbeast” initial manifestation after the WW1 period was resolved to highlight the need and validity of that foundational world government organization. The sovereign certainty of Daniel and Revelation prophecy of what that 1914-1918 period meant and was leading to was also affirmed in hindsight of what a League of Nations really means as a sovereign rival world rulership – a true “new world order” concept and attempt manifesting in final form. (Gen10-11;)

Thus a major piece of required sovereign prophecy popped into reliable place after 1919 in the sovereign theme of progressive development towards Armageddon in that key Revelation 13 fulfillment. It was made clear more fully after that time in what is seen now by some as the first unmistakable symphony of the initial Messianic Kingdom “birth” proclamation ministry, with a world war scope tribulation (WW1; Dan12:1), and an 8th King rival world governmental “birth” presentation as the League of Nations initial international forum of globalization of world power all in the same approximate four years of development. (Thus for more than prophetic reasons, 1914-1919 is a well marked milestone in all human history for more reasons than just prophecy fulfilling;)

More 8th King developments requiring exposition and prophetic explanation was to soon follow.

2. United Nations 1945 as Revelation 17:8-11 Fulfilling – The Initial Sovereign Picture is Fully Founded in Revelation Meaning

Thus by the time the second United Nations (UN) related presentation manifested in 1945 after WW2, that event fulfilling prophecy could be seen in foresight as well as hindsight, and that set the initial era of JW development of sovereign prophetic explanation upon a great verification of Revelation 13 and 17 prophecy within about three decades (1945-1975), with two great forming world government presentations after two world war periods were resolved into desired “world peace” statements and world recovery periods (Rev13:3; Rev17:8) as this world-war-to-world-government cyclic and formulaic process, used by the forming 8th King for such UN presentations, was also becoming obvious.

(Rulevation 13:11-15) And I saw another wild beast ascending out of the earth (from the established national systems), and it had two horns like a lamb, but it began speaking as a dragon. (the Anglo-American globalist elite guidance system developing 8th King world government) 12 And it exercises all the authority of the first wild beast in its sight. (the Rev13:2 national wildbeast progression of Dan2,7,8) And it makes the earth and those who dwell in it worship the first wild beast (the nationalism primary worship distraction), whose death-stroke got healed. (from WW1 recovery and League of Nations political and financial oversight from 1919; Rev17:8 “admiration” principle reinforced by this first recovery as a formulaic principle of UN presentation acceptance) 13 And it performs great signs, so that it should even make fire come down out of heaven to the earth in the sight of mankind. 14 And it misleads those who dwell on the earth (distracts mankind from the Messianic Kingdom certainty), because of the signs that were granted it to perform in the sight of the wild beast, while it tells those who dwell on the earth to make an image to the wild beast (League of Nations world government nucleus, blueprint and international developmental forum) that had the sword-stroke and yet revived. (the world war resolution “revival” hope aids the world government presentation in that world-war-to-world-government formulaic effect) 15 And there was granted it to give breath to the image of the wild beast (the world government “picture” begins to be painted, a world government begins to be built according to it’s “image”), so that the image of the wild beast should both speak (Anglo-American globalist elite voice begins shaping world destiny towards world government; Rev16:13-16) and cause to be killed all those who would not in any way worship the image of the wild beast. (in this time this UN related “image” development must evolve into world government in four UN cycles foretold in prophecy;)

(Rulevation 17:8-11) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss, and it is to go off into destruction. And when they see how the wild beast was, but is not, and yet will be present, those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world. 9 “Here is where the intelligence that has wisdom comes in: The seven heads mean seven mountains (national power peaks over time), where the
woman sits on top. 10 And there are seven kings: five have fallen (Anglo-American national power), but when he does arrive he must remain a short while. 11 And the wild beast that was but is not, it is also itself an eighth [king] (globalist world power), but springs from the seven (national power progression of Rev13:1; Dan2,7,8), and it goes off into destruction. (after 4th UN placement as full 8th King world government; Dan1:45; Dan8:25; Dan12:11 final fulfillment);

That also defined the central theme of the opposing 8th King power system prophetic exposition for the JW ministry after 1945 UN events for an initial valid ministry, well backed by world events continuing the Kingdom ministry and it’s reliable UN tracking prophetic awareness. It also connects Daniel 2, 7, 8 and 11 sovereign progression from a national “seven headed” wildbeast formation to it’s totality as 8th King globalization leading to world government.

National and globalist forms of government were being distinguished in this globalized formation of world government foundations.

More 8th King developments requiring exposition and prophetic explanation after 1945 was to soon follow by 1990 – and this is when JWs aborted the UN tracking ministry.

Third United Nations Placement Falls of JW Radar

Thus the globalized nature of the 8th King beyond the mere UN “image” meaning and world government “nucleus” function, to in time form into an additional worldwide scope of international based world rulership and world government, is a critical final detail of final 8th King development over a required third and fourth and final phase as the 8th King would not remain static in 1945 United Nations levels of development.

And this whole post 1990 third UN development to eventually come in that 8th King progress is also what Bethel covers-up in addition to covered up prophecy – and that breaks this awareness of required continuum. Bethel also deploys a dumbing-down campaign in the form of a non-existent globalization commentary related to final 8th King world government development evidence.

Since 1970-1990, anything and everything 8th King and world government related is all concealed by Bethel with no public commentary to the point of an engineered globalization ignorance so great and so long held among now fully backward minded Jehovah’s witnesses it must be purposeful – In fact it is prophetic as well.

This is why examining JW developmental details after 1945 is so important, (Rev2:2) because the 3rd UN manifestation (Dan1:31b) after a unique WW3 Cold War (Dan1:29 unique world war) was resolved in 1990, is now not tracked by the Bethel ministry. And worse, they joined that 3rd UN manifestation as UN NGO, a Bethel official UN co-promotional organization. And worse still, they cover up Daniel 8 and 11 8th King parallel fulfilling developments for various forms of the Bethel WW2 era fictions, all at the same time. That Bethel also fulfills these critical apostasy co-developments live and real-time with this 8th King cover-up is now required in the manifestation itself.

A major problem has developed internal to the JW organization and it’s Kingdom ministry now defunct. Thus post 1945 JWs, who used to expose UN development as prophecy must contain the clues of the modern full Bethel diversion of that Kingdom ministry by 1990. It will be shown by such subversion the final two of four UN placements are being purposely concealed by the Bethel organized apostates.

And that diversion climaxing in 1990 conceals the UN 1-2-3-4 guaranteed development continuum in prophecy to Armageddon, thus losing track of that importance renders the modern JW ministry now invalid, in fact misleading – yet still fulfilling key prophecy now as signal Bethel apostasy and the final modern “man of lawlessness” revealing in direct connection with the 8th King.

Final 8th King Cycle Connection

Understanding Revelation 17:8-11 as the expected second UN placement is crucial because it leads to a progressive finale development in time to climax to the 3rd UN placement – prophetically, logically and historically. In time of the near future that JW unknown 3rd UN placement of 1990 as Daniel 11:31b must lead continuously (Dan11:36) to the now covered up 4th UN placement of Daniel 11:44-45 as this culmination below, of Daniel 11:42-45 and Revelation 16:12-16 parallel final 8th King sovereign consolidation developments, culminates into 8th King world government at the end of that future cycle:

(Revelation 17:12-18) “And the ten horns that you saw mean ten kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the wild beast. 13 These have one thought, and so they give their power and authority to the wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so].” 15 And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns that you saw, and the wild beast, these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire. 17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their kingdom to the wild beast, until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth.”
(Revelation 17:11-18) And the wild beast that was but is not, it is also itself an (globalist) eighth [king], but springs from the seven (national power progression), and it goes off into destruction. 12 “And the ten horns that you saw mean ten (national) kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the (globalist) wild beast. 13 These have one thought (sovereign expansion and or preservation), and so they give their (national based) power and authority to the (globalist apex forming) wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so].” 15 And he says to me: “The waters that you see, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns (national powers) that you saw, and the wild beast (globalist power), these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire. (absorbing religious sovereignty and assets) 17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their (national based) kingdom to the (globalist ascendant) wild beast, until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth.” (the target religious sovereignty);

Which sovereign 8th King climax parallels this finale consolidation of international globalized world power as the parallel final progression to Har-Magedon:

(Revelation 16:12-16) And the sixth one poured out his bowl upon the great river Euphrates, and its water was dried up, that the way might be prepared for the kings from the rising of the sun. 13 And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire inhabited earth, to gather them together to the war of the great day of God the Almighty. 15 “Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness.” 16 And they gathered them together to the place that is called in Hebrew Har–Magedon:

(Revelation 16:12-16) And the sixth one poured out his bowl upon the great river Euphrates (Parallels 6th trumpet), and its water was dried up, that the way might be prepared for the kings from the rising of the sun. (Babylon the Great being set-up for Revelation 17:15-17 parallel events by removal of human defenses (Rev17:15)) 13 And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. (complete 8th King globalist influence culminating) 14 They are, in fact, expressions inspired by demons and perform signs (globalization is the main “gathering” principle and development to lead to world government in power consolidation), and they go forth to the (national) kings of the entire inhabited earth (culminating in this final period), to gather them together (globalization to world government) to the war of the great day of God the Almighty. (the earthly sovereign resolution, parallels Revelation 17:12-18 and Daniel 11:42-43 conclusions into globalist 8th King power as world government) 15 “Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness.” 16 And they gathered them (by Dan11:42-43 and Rev17:11-17 8th King wealth and power globalization consolidations) together (into final 8th King world government globalist unification symbolized in completion by 4th UN “placement” and proclamations; parallel Dan11:45; Dan8:25) to the place that is called in Hebrew Har–Magedon. (Joel 3:9-17; Zeph3:8-9; Dan2:31-45);

And all that final 8th King world power consolidation to result in actual 8th King world government including but not limited to the United Nations core “image” will culminate in the coming Daniel 11:42-45 final King North/8th King UN cycle of the near future.

Thus those progressive developments with plenty of specialized research now available to illustrate financial, military and government evolutions supporting globalization as a progressive process leading to final world government “crystallization”, are now also concealed from Bethel teaching. That purposeful retarding of JW world globalization understanding further aids concealment of 8th King world governmental development since 1990, and it’s final stages of globalization as a process requiring a final phase of development to also be shown foretold by prophecy – and it is logical in now four total UN developments in world history and in prophecy. Jehovah’s witnesses do not explain the United Nations will have had four total developmental presentations the last of which will be over a fourth and final cycle as 8th King complete and stated world government. (Dan8:25; 11:45; 12:11; 1Thes5:1-3);

Accordingly that diversion of JW understanding, in marked manner since 1990, has also truncated the JW awareness of the final 3rd and 4th UN placement continuum of Daniel 11:30-45 that provides the developmental background since 1990 of those final two UN developments to culmination as evidenced in globalization developments in many sectors of world power.

It also disconnects the cyclic first two UN placements of 1919 and 1945 from this required connection to Daniel 11:31, as a required continuum from 3rd to 4th placement (Dan11:36) that could be now easily recognized as four UN placements foretold in Bible prophecy. ((1) 1919 Rev13:11-15; Dan12:11 (first) (2) 1945 Rev17:8-11; (3) 1990 Dan11:31; (4) Future Dan11:45; Dan8:25; Dan12:11 (final));

The final 4th UN world developmental drive to full world government of Daniel 11:42-45 (over a number of final years) is also concealed as to modern and future significance by this Bethel based subversion aided by erred theological interpretation of Daniel 8 and 11 as WW2 era and USSR misapplications as the primary smokescreen to conceal the 1990 3rd UN placement significance in prophecy and world globalization developments that followed as actually 8th King events.

Worldwide Financial Compromise
Thus as multi-hundred-trillion dollar worldwide national debt and unfunded liabilities set-up a global financial meltdown of some sort aiding the Daniel 11:42-43 8th King wealth globalization process soon to activate with this modern evidence in global statistics, Bethel says absolutely nothing regarding this obvious connection of modern national debt compromise and future prophetic meaning in this straightforward 8th King prophecy:

(Daniel 11:42-43) And he (8th King/King North) will keep thrusting out his hand against the (national) lands; and as regards the land of Egypt (collective national powers; King South "capital"), she (feminized King South) will not prove to be an escapee. (captured by globalist power intrigues of first a financial nature.) 43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (Thus 8th King/King North rules the world wealth, wealth system and all “desirable things” of collective global national “Egypt” “King South” powers in full globalist progressive ownership);

All these developments must occur in that Daniel 11:42-45 future final portion fulfilling in the overall Daniel 11:30-45 3rd and 4th UN placement continuum now concealed by apostate Bethel.

Now even modern current financial developments and events globally reported and seen (Luke21:25) have no meaning to Bethel’s purposely dated 8th King and globalization commentary. A worldwide national finance and monetary meltdown opens the way to an 8th King globalized financial “solution” implied in Daniel 11:42-43 explicit meaning yet Bethel has “no comment” on these kinds of now obvious matters.

Critical Diversion Point in 1990 Third United Nations Placement Time Period

This prophecy contains Bethel apostasy developmental details that actually lead in time to the 1990 3rd UN placement as the apostate Bethel background development that has also obvious 8th King (King North) planning connections and strategy to cover-up this UN progress from prophetic exposure on the world scene in the JW ministry:

(Daniel 11:30-31) “And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature]. “And they will certainly put in place the disgusting thing that is causing desolation.

(Daniel 11:30-31) “And he (8th King/King North) will actually go back and hurl denunciations against the holy covenant and act effectively (produces a successful operation Dan8:12b) and he (8th King) will have to go back and will give consideration to those leaving the holy covenant. (anointed core defection at Bethel aids internal 8th King access) 31 (Bethel subversion:) And there will be arms that will stand up (at Bethel; Dan11:41; Luke21:20), proceeding from him (8th King planners); and they (collusion) will actually profane the sanctuary, the fortress, and remove the constant [feature]. (3rd UN placement 1990:) “And they (team effort) will certainly put in place the disgusting thing that is causing desolation. (3rd UN placement, 1990; UN NGO, 1991, at Bethel; Matt24:15; Dan8:13 “transgression causing desolation”);

The key clues are as identified by the Bible prophecy itself by prophetic details able to be compared to the accurate world events the prophecy is depicting to reveal the actual fulfillment that fits ALL the prophetic criteria of Daniel 11:27-45, or any portion of it like Daniel 11:30-31; This Bethel ministerial diversion point and it’s 1990 timing is critical in understanding the internal Bethel JW ministerial subversion operation and it’s 8th King concealment objective and will be described in more detail in this article supporting the rationale covered above;

Main Bethel Apostle Signal Development Details – The Diverted Prophecy Describes it’s Own Transgressors Live and Real-Time

This Bethel apostate root identification is helped by the fact that the prophetic truth the Governing Body are originally diverting attention away from in purposeful error also contains the prophecy of the diversion itself – in addition to several other informative details explicitly related to 8th King developmental covered up by the Governing Body in explicitly described joint operations with the 8th King;

(Daniel 11:30-31) “And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature].

This key to identifying the Bethel subversion operation features and it’s matching evidence is in the Daniel 11 divine prophecy itself, identifying:

(1.) Where the apostasy originates and the interests it serves; (2.) How the diversion and transgression develops; (3.) What it is doing in serious transgressions while the prophecy is being fulfilled and why; (4.) and by who and why the apostasy is developed – prophetic details Identify ALL THREE parties of the transgression and the diversions as acting TOGETHER while in fulfillment:

(Daniel 11:30b) . . .(1) “And he (8th King/King North globalist) will actually go back (in the three world war cycles) and hurl denunciations against the holy covenant (only in Christian anointed among Jehovah’s witnesses at this post 1919 time) and act
Accordingly all those developments lead to a required judgment and purification in modern final form.

The climax of that 8th King developed Bethel internal apostasy “consideration” and pre-positioning internal to Bethel results in the Bethel UN NGO at the same time as the third UN placement of 1990:

**Modern Final Temple Judgment Parallel**

Thus the temple judgment that the Bethel apostasy is signaling is the Daniel 8:11-14 developmental parallel to Daniel 11:30-31 events – also being covered up by Bethel in this process with the same WW2 era erred interpretive diversion:

**Modern Temple Judgment**

2 Thessalonians 2:3 Parallel “Apostasy” Connection

And that development continues to compound as actual “King of the North” (8th King) strategists lead a gradual (Dan8:12) and compounding Bethel apostasy through this core anointed defection headed by the Governing Body apostate guidance front group, leading to the Bethel and factional subversion development:

**2 Thessalonians 2:3-4**...

Let no one seduce you in any manner (such as Bethel), because it (temple judgment signal to start the overall judgment; 1Pet4:17) will not come unless the apostasy** comes first and the man of lawlessness gets revealed (signalling the final judgment cycle), the son of destruction. He is set in opposition... (and at Bethel in apostasy, and in modern form as the Bethel/Governing Body "man of lawlessness" composite – that prerequisite is now fully being met, and a Bethel engineered global reproach campaign is also part of the signal apostate development; (2Pet2:1-3; Zech3:1-3));

And there will be (infiltrator subversion) arms that will stand up (internal to Bethel; Dan11:41; Luke21:20), proceeding from him; (8th King/King North globalists) and (4) *they* (team effort with the Governing Body network) will actually profane the sanctuary (temple arrangement internally compromised with UN NGO pollutions; 2Thess2:3-4), the fortress (JW organization internally compromised), and remove the constant [feature]. (Truth profaned first and “removed” as acceptable to God, as covered here in this Governing Body misinformation campaign; This must become a literal event of JW ministerial cessation of the first 8th King “trampling” of Dan8:13);

The UN 3rd Placement of 1990-1991

(Daniel 11:31b) “And THEY (8th King and Bethel collusion) will certainly put in place the disgusting thing (8th King and Bethel collusion) will certainly put in place the disgusting thing that is causing desolation. (Placed in world as United Nations “New World Order” objective, 1990; placed at Bethel as UN NGO in 1991; Matt24:15);

2 Thessalonians 2:3 Parallel “Apostasy” Connection

And that development continues to compound as actual “King of the North” (8th King) strategists lead a gradual (Dan8:12) and compounding Bethel apostasy through this core anointed defection headed by the Governing Body apostate guidance front group, leading to the Bethel and factional subversion development:

(Daniel 11:32a) “And those who are acting wickedly against [the] covenant (which can be any JW now), he (8th King/King North) will lead into apostasy** (2Thess2:3) by means of smooth words... (modern Watchtowers are a good example of “smooth worded” error – this scripture connects the 8th King to Bethel’s systemic apostate development.)

(Daniel 11:32a) “And those who are acting wickedly against [the] covenant (which can be any JW now), he (8th King/King North) will lead into apostasy** (2Thess2:3) by means of smooth words... (modern Watchtowers are a good example of “smooth worded” error – this scripture connects the 8th King to Bethel’s systemic apostate development.)

(Daniel 11:32a) “And those who are acting wickedly against [the] covenant (which can be any JW now), he (8th King/King North) will lead into apostasy** (2Thess2:3) by means of smooth words... (modern Watchtowers are a good example of “smooth worded” error – this scripture connects the 8th King to Bethel’s systemic apostate development.)

Modern Temple Judgment Parallel

Thus the temple judgment that the Bethel apostasy is signaling is the Daniel 8:11-14 developmental parallel to Daniel 11:30-31 events – also being covered up by Bethel in this process with the same WW2 era erred interpretive diversion:

**Modern Temple Judgment**

And that development continues to compound as actual “King of the North” (8th King) strategists lead a gradual (Dan8:12) and compounding Bethel apostasy through this core anointed defection headed by the Governing Body apostate guidance front group, leading to the Bethel and factional subversion development:

(Daniel 11:32a) “And those who are acting wickedly against [the] covenant (which can be any JW now), he (8th King/King North) will lead into apostasy** (2Thess2:3) by means of smooth words... Modern Temple Judgment Parallel

Thus the temple judgment that the Bethel apostasy is signaling is the Daniel 8:11-14 developmental parallel to Daniel 11:30-31 events – also being covered up by Bethel in this process with the same WW2 era erred interpretive diversion:

(Daniel 8:11-12) And the all way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down. 12 And an army itself was gradually given over, together with the constant [feature], because of transgression; and it kept throwing truth to the earth, and it acted and had success.

(Daniel 8:11-12) ... And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place (Bethel JW worldwide organization) of his sanctuary was thrown down. 12 And an army (JW worldwide) army itself was gradually given over (to 8th King infiltrative control), together with the constant [feature] (imbibed with misinformation), because of transgression; (UN NGO and other sins permits allowance of the compromise by removed divine blessing and discernment while fulfillment of prophecy is effected for greater future purpose); and it kept throwing truth to the earth (cover up, misinformation), and it acted and had success. (Dan11:30 “act effectively” completely successful unlike anything World War 2 produced in ultimate failure when compared to this 8th King engineered intelligence and subversion operation deployed through the Governing Body and installed Bethel agents);

(Daniel 11:31b) “And they will certainly put in place the *disgusting thing that is causing desolation*. (United Nations in New World Order mode 1990; Bethel UN NGO 1991; (Compare Daniel 8:13 “transgression causing desolation” to this termed “disgusting thing that is causing desolation” and it is obvious they are related in Bethel transgression (Dan11:31b) leading to Bethel desolation (Dan8:13-14) soon as judgment permitted for this transgression);

Accordingly all those developments lead to a required judgment and purification in modern final form.
Daniel 8:13-14 And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?” 14 So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.”

Temple Indictment as UN NGO “Transgression” Related (Matt24:15);

Daniel 8: 13) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the (proffaned and subverted) constant [feature] (of JW ministerial offerings) and of the transgression causing desolation (UN NGO alliance and co-promotions fulfilling Daniel 11:31b), to make both [the] holy place (temple “established place”; Dan8:11) and [the] (JW worldwide) army things to trample on?” (in a first 8th King “trampling” “attack” aided temple desolation “fire” of Zechariah 3:2 and Revelation 8:3-5 starting the final prophetic cycle);

Timed Temple Judgment Period

Daniel 8: 14) So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.” (Temple purification completed in this time period parallel Zechariah 3:4-5, Revelation 8:1-5);

Obviously a temple judgment and explicit purification “right condition” is a far more major event than the Daniel 8:11-14 1930’s (1958 Daniel commentary) or 1940’s era (Daniel 1999 commentary) minor organizational adjustments applied to this significant major prophecy. Even Bethel waffles on the meaning of this prophecy between 1958 and 1999 indicating the current “interpretation” is an engineered smokescreen developed along with the Daniel 11:27-45 Germany/Nazi Germany/USSR “King North” fiction.

Temple Judgment Timing Verification

If each Daniel 8:14, 26 “evening” and “morning” unit apply to the 2300 unit count individually this is 1150 days minimum temple judgment period; If this is 2300 “days” as “evening and morning” defined day, half of it may very well be in “evening” further bedarkened condition (Hos6:1-3), leading to “morning” recovery of that symbol of “constant feature” sacrifice removed, cleansed, and recovered, in this potential 2300 day temple judgment period completing the temple judgment objective; (This activates Revelation 8, as Revelation 8-11 as temple judgment parallel);

UN 1-2-3-4 Prophecy Tracking Broken

That JW ministry and prophecy exposition diversion described above allows this 8th King progression prophecy of the near future activation, cited below, to fall from the UN tracking of Jehovah’s witnesses’ ministry since the 3rd UN placement (1990; Dan11:31) for the current deceptive USSR “King North” truncation and fiction concerning all of Daniel 11:30-45 actual 8th King developments:

Daniel 11:42-45) And he (8th King as King North) will keep thrusting out his hand against the lands; and as regards the land of Egypt, she will not prove to be an escapee. 43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. And the Libyans and the Ethiopians will be at his steps. 44 “But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. 45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

And thus the whole UN continuum of development after 1945 is lost:

Preached by JWs:

UN 1. Placement 1 – 1919; Post World War 1; Revelation 13:14-15; (Daniel 12:11; first fulfillment)
UN 2. Placement 2 – 1945; Post World War 2; Revelation 17:8-11;

Not Known or Preached by JWs:

UN 3. Placement 3 – 1990; Post Cold World War 3; Daniel 11:31b; (Covered Up as Daniel 11:3-45 continuum);
UN 4. Placement 4 – Future; Post World War 4; Daniel 11:44-45 8th King entity parallel Daniel 8:23-25 as Daniel 12:11 final fulfillment);

Thus instead, while in deception by this diversion, JWs expect a premature “end of the world”, an overly advanced and premature Daniel 11:44 activation in some King North form of Bethel misapplication, and an out-of-sync bypass of the final 8th King globalization process itself to develop next. Instead, in reality, a final 8th King world-tribulation-to-world-government globalization culmination cycle is starting to progress to world government in a final phase of world developments and prophecy just beginning, not ending, as per the current Bethel JW delusion.

JWs are now set up for a full bewildering, total derailment, and ministerial destruction attempt in that final cycle that must go on for some years, certainly not the “instant end of the world” JWs are misled to anticipate next.

The next set of 8th King world intrigues is now unknown to JWs and the ministerial global audience:

(Daniel 11:42-43) And he (8th King/King North) will keep thrusting out his hand against the (national) lands; and as regards the land of Egypt (collective national powers; King South “capital”), she (feminized King South) will not prove to be an escapee. (captured by globalist power intrigues of first a financial nature.) 43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (Thus 8th King/King North rules the world wealth, wealth system and all “desirable things” of national “Egypt” “King South” powers in full globalist progressive ownership);

That wealth and power financial globalization sovereign certainty in time leads to the Daniel 11:44-45 8th King world government culmination.

Final 8th King World Government Completion

(Daniel 11:44) . . . “But there will be reports (Rev10-11 “little scroll” recovered ministry messages) that will disturb him (8th King going into world government totality), out of the sunrising and out of the north, and he will certainly go forth in a great rage (Dan8:25; Rev11:7) in order to annihilate and to devote many to destruction. (Dan8:25 “bring many to ruin during a freedom from care” parallel with 1Thess5:1-3 world “peace and security” period of 8th King world government placement (Dan12:11 final fulfillment);

As is the fact this can only be an 8th King final world governmental event globally:

(Daniel 11:45) And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; (plural palatial “tents” as earthly symbolism of UN distributed world government in 4th UN placement; parallel Daniel 12:11 final fulfillment) and he will have to come all the way to his end (Armageddon denunciation of Dan11:36), and there will be no helper for him. (King North as 8th King deposed (Dan7:26; 8:25);

(Daniel 12:11) “And from the time that the constant [feature] has been removed (in second two witnesses deposition of Rev11:7) and there has been a placing of the disgusting thing that is causing desolation (in fourth and final 8t King UN world government placement; Dan11:45; 8:25), there will be one thousand two hundred and ninety days.

Thus the final 8th King world government placement, the selective destruction phase, and the final “two witnesses” ministerial cessation are all interlinked as 8th King fourth and final cycle climax events to unfold at the end of the final cycle in some concurrent fashion. And this awareness to be revealed prior to Armageddon is why the JW “temple” system is to be judged, desolated and purified first in the process.

Bethel Foretold Final Apostasy and Lawlessness Now Identified as Cause of JW Ministerial Subversion – A Required Divine Judgment and Ministerial Truth Recovery is Signaled

Accordingly from that actual prophetic sequence notable since 1990 with great evidence of Bethel subversion the formerly accurate and valid JW ministry tracking of two UN prophetic developments from after 1919 and up through 1945, parallel to the ongoing Kingdom ministry, is now derailed fully. From former apostate supporting positioning, to the 1990 Bethel led diversion becoming more obvious over time through more and more Bethel purposeful error and cover up, the original Christian ministry now derailed must be divinely re-connected to the 3rd and 4th UN placement reality we are now actually in.

Temple Judgment Requirement Now Understood

This final apostasy at Bethel indicates the final cycle is already started in that signal dimension in hidden ways being revealed more clearly that will lead to the final temple judgment phase as a further signal activation. The apostasy now, and the temple judgment later, are and will continue forming global signals of the final cycle activation.

That coming temple judgment on now a JW ministry in clear apostasy requiring a final purification will start the final prophetic cycle to Armageddon, identifying more prophecy and world event milestones enroute to final world judgment, the temple judgment timing (Dan8:14) and overall timing (Dan12:7; 12:11), and the temple purification meaning (Rev8) of a ministerial clarification and recovery (Rev9-10) to result from the temple judgment desolation and final pre-Armageddon cleansing. (1Pet4:17; Dan8:13-14; Rev8:3-5; Mal3:1-5; Zech3:1-5; 2Thess2:8);
Kingdom Ministerial Recovery Required and Guaranteed by Prophecy

Since the Bethel apostasy is successfully diverting (Dan11:30b-31; Dan8:12) the former valid exposition of Messianic Kingdom and 8th King UN parallel development as prophecy and world events with modern developmental progressive fulfillment ignored and covered-up (Dan8:12b) a ministration recovery is needed and foretold as such. Examples of subversion, such as the Bethel apostasy itself (Dan11:32a; 2Thess2:3-4) concealed, Bethel’s UN NGO alliance (Dan11:31b; Dan8:13; Matt24:15) concealed, key UN and globalization milestones (Dan11:36-39; Dan4:0-41) ignored, and a historic 3rd UN placement marker of 1990 concealed, that Christian ministry must be recovered prior to Armageddon for a valid final warning and final Kingdom completion proclamation.

Thus Bethel's foretold serious apostasy signals the final temple judgment and cleansing cycle.

Accordingly a temple judgment desolation (Zech3:2; Rev8:3-5; Dan8:13) will provide a purification (Dan8:14; Zech3:4-5) of the now diverted Kingdom ministry by an anointed Christian judgment marked (1Pet4:17) and timed in prophecy (Dan8:14), to become a commencing signal and world event final cycle (Dan1:14-45; Rev8:11; Rev16) as the global context of the final 8th King cycle. Into that world changing period beginning, not ending yet, the Bethel “established place” associated temple environment of that former valid ministry is to be judged as the 8th King final cycle is beginning to remove the apostasy and it’s core deceptions while creating a great world signal preceding Armageddon.

This initial desolating event (Dan8:13; Rev8:3-5; Zech3:2) of the JW organizational and currently profaned and deceptive ministry is to clarify the final truth prior to the final warning (Rev9-11) officially deploying as the final 1260 day Kingdom proclamation and warning of Revelation 11’s repeating “two witnesses” final world ministry.

Final Warning to Develop

In the ministerial recovery, to eventually explain the very things the Bethel subversion is concealing, will come forth the final prophetic framework completion that must progress to the Messianic Kingdom and 8th King approximate concurrent completions of the future for their final sovereign resolution at Armageddon. In time a final 1260 day final warning period, marked enroute and afterwards by more 8th King and Messianic Kingdom milestones prior to Armageddon, will be fully described live and real-time accurately after the temple judgment. The temple judgment explanation as prophecy starts the final exposition of Kingdom clarification.

A related important objective of this clarification is to establish the 8th King developmental progression of the final two UN placements in prophecy from 1990 UN 3rd placement event meaning as reconnecting to the point of the first two UN placements to 1945 formerly tracked properly by the JW worldwide ministry. That UN 1-2-3-4 progression to be created properly from this update is crucial since the 4th and final UN progress and placement is what marks the world trajectory to Armageddon and will be in progress as the final Kingdom warning deploys.

The final warning recovery period will also deploy an accelerated and progressive final Messianic Kingdom completion phase sovereign proclamation (Rev10-11 “little scroll” sovereign proclamation of judgment), into a world tribulatory period developing again (Dan12 repeating), but in final form, leading to the 4th UN placement (Dan1:42-45) as in the 1914-1918 Christian Kingdom birth phase ministerial principle that deployed at that time into WW1, and that arrived at the first UN related placement of 1919 as the League of Nations fulfilling Revelation 13:11-15 as Daniel 12:11’s first fulfillment.

That main pattern that manifested finally as the League of Nations in 1919 will simply repeat and manifest finally into the 8th King 4th UN placement as complete world government and it’s United Nations “image of the wildbeast” together in final complete 8th King form (and final “world peace” sovereign statement and claims; 1Thess5:1-3) upon the Daniel 12 timed periods formerly demonstrated in the original Kingdom ministry of 1914-1918 (Dan12:7) and 1919-1922 (Dan12:11);

In the unique final cycle completion as Daniel 11:42-45, those developments must emerge as final unique 8th King events into Daniel 12 replicating in final form “during that time”. (Dan12:11);

Accordingly the final recovered Kingdom ministerial period will replicate the 1914-1918 initial Daniel 12 pattern and the initial fulfillment meaning of the applicable Revelation prophecies (Rev8-11; Rev16) concerning sovereign Kingdom completions in also final form. Revelation 8-11 and Revelation 15-16 also must replicate in fulfillment in the same principle of final completion.

8th King World Sovereignty and World Peace Must Come Before Armageddon Divine War

Rather than an “end of the world” next as per the Bethel cleverly engineered delusion, the 8th King will use world tribulation to be resolved a final time into a believable, admirable (Rev3:3; 17:8), and actual world peace, “freedom from care”, and international worldwide recovery period of 8th King world government as fully globalized world “power and authority” culminate into actual world government. (Rev17:11-18; Isa41; Dan8:25; 1Thess5:1-3);

And that final multi-year prophetic cycle to result in a 4th world tribulation and recovery, as per the 8th King formulaic use of world war to resolve into world government “disgusting thing” placement, is what Bethel endeavors to conceal as long as possible even into the beginning of this final cycle in the temple judgment desolation period timed in Daniel 8:14.
The Daniel 8:13-14 JW temple judgment (Rev 8 parallel), meaning, and timing is the final prophetic cycle commencement signal to be seen by these foretold events to initiate Revelation 8-11′s progressive fulfillment.

In this way the final few years of the world system final development to 8th King world government can provide the worldwide context of a full final divine Kingdom warning. In basic terms as the United Nations begins making final world government statements of intent to the final form of world “peace and security” sovereign statement period (1Thess5:1-3), such globally seen developments can gauge Christ’s actual arrival before Armageddon. (Matt24:29-31; Rev6:12-17 manifest into that 8th King “world peace” period as Daniel 12:11 commencement and final progression to Armageddon.);

Christ cannot arrive to complete the Messianic Kingdom 144,000 until after the required 8th King global; sovereignty has completed and stated itself as “king of the world”. At which time God and Jesus Christ will depose the 8th King permanently. (Dan7:25-26; Dan8:25; Dan11:44-45; Rev19:11-21; Dan2:31-45);

Key Issues of World Rulership as Final Globalization Process to Become Primary Issue

Now the very 8th King and globalization developmental issues leading to 8th King world government, now being covered up by the Bethel apostate subversion by purposeful operations shown in prophecy, will become the main focus of those prophetic clarifications. Thus the 8th King completing world government certainty and the Messianic Kingdom completion certainty again will be the primary focus of that part of the clarification to emerge from the temple judgment purification (Dan8:13-14 as Rev8-9) as a global 1260 day final warning commenced and timed by God. (Rev10-11; Dan12:7);

Examining Revelation 8′s final temple judgment and initial trumpet meanings aids understanding the temple judgment meaning and it’s explanation in that final warning period of 1260 days; (Dan12:7 and Rev11:1-7 repeating in final form);

Revelation 8-11 Final Fulfillment – Revelation 8 Final Fulfillment is Temple Judgment and It’s Eventual Divine Pronouncements in First Four Trumpet Meaning

The import and logic that 1914-1918′s fulfillment period and afterwards did not produce a final fulfillment reality of Christ’s absolute world and universal rulership, but a warning preview of it. This means a final fulfillment manifestation of the same prophecies will now occur as the initial fulfillment preview meanings of Revelation’s applicable repeating prophecies activates in final fulfillment actuality over the final fulfillment final invitation and warning period. Noting the dual fulfillment of Revelation 8-11 and Revelation 15-16 occurring over Daniel 12′s similar replication aids understanding this final cycle.

The unique temple judgment meaning and timing of Daniel 8:13-14 is what activates Revelation 8 in final fulfillment. This must occur in the actual final 8th King a King North phase of Daniel 11:42-45 of the near future merging into Daniel 12 “during that time” of this final 8th King cycle to world government. Thus Revelation 8 first four trumpets must reveal the temple judgment meaning to Jehovah’s witnesses for fifth and sixth trumpet deployment for the world’s explanation of the final cycle of prophecy that has activated in that temple judgment and final 8th King cycle. That fifth and sixth trumpet recovery from the “abyss” of the temple desolation for the UN NGO “transgression causing desolation” (Dan8:13-14) must eventually merge into and absorb the Revelation 10 “little scroll” Messianic Kingdom sovereign proclamation as God marks the official “two witnesses” final 1260 day world warning ministry in an accurate and clarified final prophetic explanation.

Thus all initial fulfillment Christian ministry meaning of 1914-1918 (Dan12:7; Rev11:2-3), 1919-1922 (Dan12:11) and 1922-1926 (Dan12:12) and it’s Daniel 12 timings and Revelation preview meanings gauged over seven trumpets and seven plagues will finalize in final form by a prophetic replication that reaffirms the foundational truth and Kingdom ministry of Jehovah’s witnesses by occurring again to final forms of both the 8th King and the Messianic Kingdom to resolve exactly who it is who will rule planet Earth.

Thus a final warning cycle marked by the temple judgment of Jehovah’s witnesses first (1Pet4:17) and extending for the final years of 8th King and Messianic Kingdom final developments will provide an extensive final warning context globally and a unique time period of some years for all this to unfold over. Cleansing the “operation of error” from Jehovah’s witnesses is required to form a final ministerial group to carry out the final warning with accurate information including the Bethel apostate development revealed, admitted and rectified to begin the ministerial proof from conditions judged in Jehovah’s witnesses now derailed Christian ministry.

Temple Judgment Replicates in Final Form

Thus the initial inspection and temple judgment on all of Christendom of the 1914-1919 period first fulfillment of Revelation 8 to identify at that time the Christian anointed body location (Matt24:28) to come forth progressively from it’s broader profaned Christendom context in purified condition in progress (Mal3:1-5), will now apply, in repeating form, to the far more focused anointed Christian temple judgment, in the context of Jehovah’s witnesses, repeating in a required final fulfillment temple judgment in the same principle, but in final form – to again form a clarified final ministry but also in final form.
That will repeat the prophecy to clear out modern Bethel “weed” developments in the now JW “earth” system (Rev8; Matt13:36-42 paralleled), and thus prepare the truth clarification (Mal:1:5; Zech3:1-5) for the final phase alarms (Rev8-9) and heralded explanations (first four trumpets meaning deployed into fifth and sixth trumpets’ ministerial re-commission) to the actual Messianic Kingdom completion (seventh plague/trumpet) after the temple judgment desolation and purification timed event parallel of Daniel 8:13-14 as Revelation 8:1-6.

(Daniel 8: 13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the (profaned and subverted) constant [feature] (of JW ministerial offerings) and of the transgression causing desolation (UN NGO alliance fulfilling Daniel 11:31b), to make both [the] holy place (temple “established place”; Dan8:11) and [the] JW worldwide army things to trample on?” (in a first 8th King “trampling” “attack” aided temple desolation “fire” of Zechariah 3:2 and Revelation 8:3-5 starting the final prophetic cycle); So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition.” (Temple purification completed in this time period.)

Revelation 8:1-6 pictures that temple judgment above. It also pictures in final fulfillment the preparation of the seven trumpets and an overview of the whole temple judgment purification “fire of the altar” event for required pre-commission cleansing; (Isa6:6-8; Zech3:2; Eze10); That temple cleansing overview picture in Revelation 8:2-5 is Daniel 8:13-14 temple “right condition” forming judgment purification parallel.

(Revelation 8:1-6) And when he opened the seventh seal, a silence occurred in heaven for about a half hour. (final phase preparation) 2 And I saw the seven angels that stand before God, and seven trumpets were given them. (not the herald yet, but the preparation of final prophetic cycle alarms) 3 And another angel arrived and stood at the altar, having a golden incense vessel; and a large quantity of incense was given him to offer it with the prayers of all the holy ones upon the golden altar that was before the throne. 4 And the smoke of the incense ascended from the hand of the angel with the prayers of the holy ones before God. (the temple judgment and purification meaning; Dan8:13-14 paralleled:) 5 But right away the angel took the incense vessel, and he filled it with some of the fire of the altar (the temple purification purpose meaning) and hurled it to the (temple specific) earth. (fire purification symbol of judgment; Zech3:2; Isa6:6-8; Mal:3:1-3; Eze10) And thunders occurred and voices and lightnings and an earthquake. (the temple judgment signal) 6 And the seven angels with the seven trumpets prepared to blow them. (eventually the true explanation goes forth in the first four trumpet temple judgment explanations);

First Trumpet – Comprehensive Temple Judgment Meaning of Purification

The first four trumpets must make temple judgment alarm explanations after the temple judgment allows the “morning” enlightenment of Daniel 8:14 to affect misled Jehovah’s witnesses after the “evening” darkness (Rev9:1-2) of the divinely permitted and required desolation.

The first trumpet meaning and parallel is that of the temple JW communal “earth” purification being achieved amidst the temple desolation of Daniel 8:13 8th King first “trampling” due for the “transgression causing desolation” (UN NGO). All pre-Armageddon judgment illustrations such as the “wheat” sifting and “weeds” purge meanings, in initial fulfillment period is soon to be a JW “earth”-wide temple purification with final meanings preparatory for the final ministerial recovery:

(Revelation 8:7) And the first one blew his trumpet. And there occurred a hail and fire mingled with blood, and it was hurled to the (JW temple specific) earth; and a third of the earth was burned up (symbolic of comprehensive judgment amidst “1/3″ JW profanations), and a third of the trees was burned up, and all the green vegetation was burned up. (all the “weeds” are removed);

Thus the signal prelude judgment of JWs, well before Armageddon, must replicate the meaning of all the illustrations formerly applied to the Christendom judgment period of 1914-1919. Thus the “wheat and weeds”, the “ten virgins” (Matt25:1-13), the marriage garment frauds and other illustrations of judgment determinations take place upon Christian anointed, and the whole JW “earth” system first, well before recovery, and the final ministerial warning, co-completions and Armageddon. The repeating temple judgment repeats the illustrations picturing that initial judgment, but in final form; (Matt24:45-51), including a final “faithful and discreet slave” determination, designation and re-commission; (Zech3:6-9);

Zechariah 3 parallel of temple purification:

(Zechariah 3:1-5) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then [the angel of] Jehovah said to Satan: “Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?” 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. 4 Then he answered and said to those standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.” (Dan8:14 temple and priesthood “right condition”) 5 At that I said: “Let them put a clean turban upon his head.” And they proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by.

Malachi 3 parallel of temple purification also in final fulfillment:

(Malachi 3:1-4) “Look! I am sending my messenger, and he must clear up a way before me. And suddenly there will come to His temple the [true] Lord, whom you people are seeking, and the messenger of the covenant in whom you are delighting. Look! He will certainly come,” Jehovah of armies has said. 2 “But who will be putting up with the day of his coming, and who will be the one standing when he appears? For he will be like the
fire of a refiner and like the lye of laundrymen. And he must sit as a refiner and cleanser of silver and must cleanse the sons of Levi; and he must clarify them like gold and like silver, and they will certainly become to Jehovah people presenting a gift offering in righteousness. And the gift offering of Judah and of Jerusalem will actually be gratifying to Jehovah, as in the days of long ago and as in the years of antiquity.

Second Trumpet – Key World Government Issue

The 8th King/King North identity in Daniel 11:30-45 at the heart of the progressive concealment of key 8th King prophecy and the awareness of the required unbroken continuation (Dan1:36), now the primary subversion target of the Bethel apostates, thus becomes the primary subject matter of that part of the temple judgment explanatory announcements:

(Revelation 8:8-9) And the second angel blew his trumpet. And something like a great mountain (8th King world government issue) burning with fire was hurled into the (JW) sea. (The 8th King cover-up and world government issue is revisited in the JW system) And a third of the sea became blood; and a third of the creatures that are in the sea which have souls died, and a third of the boats were wrecked. (All 8th King internal operations in Bethel and the JW “earth” “sea” are purged out as core apostasy and it’s effects in the JW ministerial communal “sea” are judged and removed);

Accordingly the very 8th King globalization development and world government issue now concealed by Bethel and it’s clear historical outline since Governing Body “lifting themselves over everyone” in 1976 (and 2012 “faithful and discreet slave” blasphemy), to the UN 3rd placement and 1990 period UN NGO and the continued effective diversion and stumbling campaign. That whole subversion becomes known in accurate interpretation within the very prophecies of Daniel 8:11-14 and Daniel 11:30-45 now concealed explained properly as parallel fulfillment details of Revelation 8 profanations. Those prophecies that have actually explained the 8th King progression and the apostasy as forming in collusion are now a central issue of the final exposition and final warning forming,

In this way the first two UN placement tracking accuracy of the former valid JW ministry now broken after 1945, will be reconnected to the 3rd and 4th UN placement progression of Daniel 11:30-45 active fully since 1990 in marked 3rd UN placement and Bethel UN NGO signal (Matt24:15) as it’s fourth UN placement finale approaches as Daniel 11:42-45 proceeding over time to merge into Daniel 12 “during that time” of final 8th King world government global intrigues and development.

Third Trumpet – Modern Final Apostasy

Now the Bethel source of the profanations and cover-up of the first two trumpet meanings explained is also revealed in the third trumpet as connected to the overall development of temple transgression. The core Bethel subversion source development of apostasy (Dan11:32a) and the modern “man of lawlessness” (2Thess2:1-4) Governing Body representation of required leading apostates and impostors (Zech3:1-3; 2Cor11:13-15) is also part of the final temple judgment exposition in full explanation connected to the key Bethel apostasy and it’s effects on the modern JW Kingdom ministry:

(Revelation 8:10-11) And the third angel blew his trumpet. And a great star burning as a lamp (the Bethel spiritual fall as symbol of the Christian ministerial diversion described here) fell from heaven (Bethel associated symbol of now defector anointed as represented by the “Governing Body” concept and fraudulent and illegal “body”; Dan1:30b), and it fell upon a third of the rivers and upon the fountains of waters. (Bethel teachings profaned to a significant, but not total degree) And the name of the star is called Wormwood. (The true Bethel “lawless” and unjust policy and Governing Body concept) And a third of the waters turned into wormwood (Many JW teachings are now spiritually toxic), and many of the men died from the waters, because these had been made bitter. (the apostasy in time progressively and negatively affects the JW teachings and policies in a symbolic “1/3” degree stumble people and aid the killing of sheep by organized Bethel “smooth words” lawlessness);

The co-developing injustice and stumbling effects are also implied in the prophecy describing the Bethel progressive center of compromise finally judged and exposed as Daniel 11:30-35, 41 and Daniel 8:11-14 parallels and parallels of the profaned ministry judged and exposed in Revelation 8.

Fourth Trumpet – Negatively Affected Kingdom Ministry

Now the unique nature of the Bethel apostasy as a gradual development (Dan8:12) of a unique 8th King related internal “consideration of those leaving the holy covenant” (Dan1:30-31) is seen in the overall affect it has gradually achieved in the JW Kingdom ministry over it’s approximate 100 year official duration thus far:

(Revelation 8:12) And the fourth angel blew his trumpet. (the fourth trumpet of four as a comprehensive JW “earth” foursquare judgment pronouncement from God) And a third of the (JW) sun was smitten and a third of the (JW) moon and a third of the (JW) stars, in order that a third of them might be darkened and the day (the whole JW ministry) might not have illumination for a third of it, and the night likewise. (the entire JW ministry of an approximate century affected for nearly 40 years of “Governing Body” method of guidance and resulting progressive gradual (Dan8:12) apostasy and lawlessness affects the approximate “1/3” of the JW overall Kingdom ministry duration negatively as also “1/3” profaned.);

Thus the Revelation 8 temple judgment (Rev8:1-6) and exposure in first four trumpet overview (Rev 8:7-12) already does and will further interlink the meanings of the Daniel 8:11-14 temple developments leading to judgment (Dan8:13 UN NGO “transgression causing desolation”) that are the
Daniel 11:30-35 parallel 8th King collusion events of the Bethel apostasy leading to the UN NGO covenant at the 3rd UN placement (Dan11:31; 1990) subsequently concealed (Dan8:12b) from JW and world audience awareness.

It will take a timed temple judgment desolation “evening” of Daniel 8:14 prophetic description to enable the ministerial recovery period. (Dan8:14, 26); The is how the first four trumpets reveal and explain the modern JW condition, what it is covering up, who is covering it up and it’s ministerial effects that trigger the temple judgment and why it is required to remove this “operation of error” now housed at Bethel. (2Thess2:1-4, 11-12);

That purification enables Jehovah’s witnesses being released from the temple desolation “abyss” of Revelation 9, to again (Rev10:11) carry forth now an accurate and fully updated Kingdom ministry all the way to Armageddon finality.

Revelation 9 Final Fulfillment is Temple Recovery Fifth and Sixth Trumpets’ Meaning of Ministerial Recovery as Final Christian Deployments Merging into Revelation 10-11 Final Sovereign Proclamations

Post Temple Judgment – Fifth Trumpet Temple and Anointed Ministerial Recovery

The anointed pattern of the first fulfillment of Revelation 9 now takes on final temple judgment recovery and final anointed meaning as it repeats in the future leading into the final 1260 day Kingdom warning proclamation (Rev11:3) and final salvation invitation of Revelation 10-11 final Messianic Kingdom completion “little scroll” sovereign warning which the fifth and sixth trumpets must merge into and absorb.

This is the release from the temple judgment desolation into a fast-tracked purified worldwide ministry:

(Revelation 9:1-4) And the fifth angel blew his trumpet. And I saw a star that had fallen from heaven to the earth, and the key of the pit of the abyss (of temple judgment desolation as Dan8:14 “evening” darkness phase on all JWs) was given him. (The angel of the covenant; Mal3:1-3) 2 And he opened the pit of the (JW temple judgment desolation) abyss (Dan8:14 “morning” recovery phase), and smoke ascended out of the pit as the smoke of a great furnace (Zech3:2), and the sun was darkened, also the air, by the smoke of the pit. (The world sees the JW desolation and eventually it’s ominous meaning becomes known) 3 And out of the smoke locusts (judgment is on anointed as primary temple target) came forth upon the earth; (a prelude ministerial recovery deployment takes place to merge into Rev10-11) and authority was given them, the same authority as the scorpions of the earth have. 4 And they were told to harm no vegetation of the earth nor any green thing nor any tree (judgment approved JWs being recovered), but only those men who do not have the seal of God on their foreheads. (fraud anointed judgment proceeds in news of overall judgment certainty);

Sixth Trumpet Temple and Comprehensive Ministerial Recovery

A comprehensive final ministerial deployment now includes all approved Christians joining globally into the final Kingdom completion proclamation as per the original fulfillment meaning. Since the judgment has removed the symbolic “1/3″ rejected Jehovah’s witnesses in part and the Bethel error complex completely in it’s symbolic “1/3″ profanation, this final call will go out to the whole Christian, “Babylon” and world field worldwide for a final warning and invitation:

(Revelation 9:13-16) And the sixth angel blew his trumpet. And I heard one voice out of the horns of the golden altar that is before God 14 say to the sixth angel, who had the trumpet: “Untie the four angels that are bound at the great river Euphrates.” (parallels by that time the Revelation 16:12 sixth plague in “Euphrates” connection) 15 And the four angels were untied, who have been prepared for the hour and day and month and year, to kill a third of the men. (the temple trespassers continued accounting) 16 And the number of the armies of cavalry was two myriads of myriads: I heard the number of them. (earth sheep join the final ministerial deployment merging into Revelation 10-11);

This temple ministerial recovery will thus span the Daniel 8:14 timing in whatever way it manifests in timing to lead into the Revelation 10 full ministerial commission preparing to deploy as God’s final 1260 day timed period. The fifth and sixth trumpets therefore contains all pre-seventh trumpet events and meanings of Revelation 9-11 that eventually deploys the final “two witnesses” worldwide Kingdom warning as the final Kingdom sovereign pronouncement of certain Kingdom completion and conquest of the “little scroll” final ministerial meaning.

Thus the temple purification allowing the UN NGO accounting and the final clarification of truth leads to the deployment of a final Kingdom ministry deployed worldwide explaining everything the current Bethel apostasy has subverted.

Revelation 10 Final 1260 Day Ministerial “Little Scroll” Commission

The Messianic Kingdom completion certainty now clarified from the Bethel “operation of error” judged and removed is to be fully explained prior
to its seventh trumpet Messianic Kingdom completion event:

(Revelation 10:5-7) And the angel that I saw standing on the sea and on the earth raised his right hand to heaven, 6 and by the One who lives forever and ever, who created the heaven and the things in it and the earth and the things in it and the sea and the things in it, he swore: “There will be no delay any longer; (Messianic Kingdom completion directive warning) 7 but in the days of the sounding of the seventh angel, when he is about to blow his trumpet (not yet heralded into Kingdom completion), the sacred secret of God according to the good news which he declared to his own slaves the prophets is indeed brought to a finish.” (the entire prophetic truth framework is completed in understanding and heralded to the conclusion of final 1260 day warning period to manifest into actual Messianic Kingdom completion as the main “little scroll” subject matter);

The short “little” but powerful final ministry as “little scroll” is commissioned and delivered by God through Christ for the final Kingdom completion sovereign warning as eventually to become the main sovereign import of the “two witnesses” final Kingdom ministerial period of 1260 days of Revelation 11:2-3 (Dan12:7):

(Revelation 10:8-10) And the voice that I heard out of heaven is speaking again with me and saying: “Go, take the opened scroll that is in the hand of the angel who is standing on the sea and on the earth.” (the final ministerial commission and accelerated full understanding is given to the “two witnesses” symbolic apostle John class) 9 And I went away to the angel and told him to give me the little scroll. (Zech3:6-7) And he said to me: “Take it and eat it up, and it will make your belly bitter, but in your mouth it will be sweet as honey.” 10 And I took the little scroll out of the hand of the angel and ate it up, and in my mouth it was sweet as honey; but when I had eaten it up, my belly was made bitter. (final Kingdom ministerial mission accepted);

That the past and coming Revelation 11 “two witnesses” is actually two witnessings of Kingdom sovereign meaning is certain:

(Revelation 10:11) And they say to me: “You must prophesy again (a second time of two witnesses deployment as prophecy) with regard to peoples and nations and tongues and many kings.” (a second “two witnesses must be deployed into another world tribulation for 1260 days as final Messianic Kingdom completion warning progressing into a final 8th King world government final UN placement.);

Zechariah 3 final ministerial commission parallel:

(Zechariah 3:6-7) And the angel of Jehovah began to bear witness to Joshua, saying: 7 “This is what Jehovah of armies has said, 'If it is in my ways that you will walk, and if it is my obligation that you will keep, then also it will be you that will judge my house and also keep my courtyards; and I shall certainly give you free access among these who are standing by.’ (Matt24:45-47 "faithful and discreet slave" designate parallel);

Thus contrary to Bethel purposeful error, the actual “faithful and discreet slave” designate “body of the Christ” in “five wise virgin” approval is determined by God and Christ (Mal3:1-2; 2Thess2:8) after a divine judgment, not before it, as in the former prophetic pattern and principles of the past, but now in final form.

**Revelation 11 Final Deployment of 1260 Day Messianic Kingdom Sovereign Final Warning**

A number of principles at work in final fulfillment meaning indicate a final cycle of Revelation 11 is guaranteed. For example this final 1260 days of Messianic Kingdom completion final warning completes the “seven times” 2520 day related ministerial period in a second “3.5 times”, 1260 day, final warning period:

(Revelation 11:1-4) And a reed like a rod (guaranteed completion in disciplinary signal) was given me as he said: “Get up and measure the temple [sanctuary] of God and the altar and those worshiping in it. (guaranteed completions of Rev7 temple and sheep groups) 2 But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. (final “3.5” “appointed times” must complete full “seven times” as 2520 days) 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth.” (second witnesses forms two witnessings to completion as final warning period) 4 These are [symbolized by] the two olive trees (second “oil” surge) and the two lampstands (second enlightenment period) and are standing before the Lord of the earth. (Rev11 “two witnesses” connects to Zech4 temple completion as Rev11:19 certainty);

Zechariah 3 final world portent of Messianic Kingdom completion:

(Zechariah 3:8-9) “Hear, please, O Joshua the high priest, you and your companions who are sitting before you, for they are men [serving] as portents; for here I am bringing in my servant Sprout! 9 For, look! the stone that I have put before Joshua! Upon the one stone there are seven eyes. Here I am engraving its engraving,’ is the utterance of Jehovah of armies, ‘and I will take away the error of that land in one day.’

Zechariah 4 final world portent of Messianic Kingdom completion and the “two witnesses” parallel:

(Zechariah 4:6-9) Accordingly he answered and said to me: “This is the word of Jehovah to Zerubbabel, saying, “Not by a military force, nor by power, but by my spirit,” Jehovah of armies has said. 7 Who are you, O great mountain? Before Zerubbabel [you will become] a level land. And he
will certainly bring forth the headstone. There will be shoutings to it: "How charming! How charming!" 8 And the word of Jehovah continued to occur to me, saying: 9 "The very hands of Zerubbabel have laid the foundation of this house, and his own hands will finish [it].

(Zechariah 4:14) Accordingly he said: "These are the two anointed ones who are standing alongside the Lord of the whole earth."

Thus the incomplete "time, times and half a time", 3.5 times period must complete as a full seven times. That principle of the 2520 years as "seven times" that expired into this 2520 days final "seven times" starting in 1914-1918 is a principle Jehovah’s witnesses should be able to recognize the principle of. The fact the "appointed times of the nations" (Dan4:16; 23, 25, 32; Luke 21:24) ending in 2520 years in 1914, as now starting a final 2520 days related principle of full final allowance of God also starting in 1914 extends the Kingdom warning meaning in two fulfillments. The first fulfillment in the Messianic Kingdom “birth” phase for 1260 days of 1914-1918, and a final period as the Messianic Kingdom 144000 “completion” phase as a final 1260 days of the future will equal 2520 days in the end of the cycle.

And that 2520 days ending will result in full sovereign expiration for the rival sovereigns of earth as also then fully globalized and unified into a UN based 8th King world government completion. Now the final sovereign 8th King completion will allow Christ to conquer all the kingdoms of planet earth in their final 8th King “scarlet wildbeast” rival unified sovereign container. Thus the “King of the North” and the “King of Fierce Countenance” are identical with that globalized 8th King world government and it’s “image of wildbeast” United Nations nucleus of world rulership.

Final Trampling Completes

That “little scroll” final Messianic Kingdom sovereign proclamation is part of these disturbing “reports” that provoke the final 8th King reaction in his completion drive:

(Daniel 11:44) . . . “But there will be reports (little scroll recovered ministry messages) that will disturb him (8th King going into world government totality), out of the sunrisings and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. (Dan8:25 “bring many to ruin during a freedom from care” parallel of 1Thess5:1-3 world “peace and security” period of 8th King world government placement (Dan12:11 final fulfillment);

Which 8th King final resistance aids 144000 completion and this event marking Daniel 12:11 required features of “constant feature” removal and the final 8th King placement as world government in this ascension from the abyss of another world tribulation resolved:

(Revelation 11:7) And when they have finished their witnessing (1260 days completes), the wild beast that ascends out of the abyss (UN world government ascension from tribulatory cycle of Matt24:29 meaning) will make war with them and conquer them and kill them. (final ministerial warning ceased as 8th King final “trampling”; “appointed [seven] times” completes as 2520 days; Christ can arrive for final sheep separation and conquest, final warning has expired);

This “constant feature” removal in the “two witnesses” deposition is part of the Daniel 12:11 1290 day marking feature along with the 4th UN 8th King world government placement:

(Daniel 12:11) “And from the time that the constant [feature] has been removed (in second two witnesses deposition of Rev11:7) and there has been a placing of the disgusting thing that is causing desolation (in fourth and final 8th King UN world government placement; Dan11:45; 8:25), there will be one thousand two hundred and ninety days.

This “two witnesses” death state is the final transition to 144000 completion by Christ symbolized in that “3.5 days” death state:

(Revelation 11:8-10) And their corpses will be on the broad way of the great city (Babylon the Great must still be existing as is Christendom annex “broad way”) which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled. (outside the city) 9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days, and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another, (functioning world system) because these two prophets tormented those dwelling on the earth.

Since the “two witnesses” are deploying into a tribulation that must resolve (Matt24:29) into concurrent 8th King world government world “peace and security” statement period (1Thess5:1-3) and the “enjoy themselves, and they will send gifts to one another” as a global “freedom from care”, this ministry leads to the fourth UN placement as world government totality. This final cycle along Daniel 12:7 1260 day timing ending is a parallel to the initial 1914-1918 1260 days that led to the first UN placement as the League of Nations “image” in 1919 as the initial Daniel 12:11 fulfillment of that period as the Revelation 13:11-15 “disgusting thing” parallel of that time.

In final fulfillment Daniel 12:11 repeats with the final cycle of prophecy in final fulfillment replication as Revelation 11:7 final fulfillment parallels and merges into Daniel 12:11 1290 days starting as the 8th King achieves world government along with it’s UN “image” as a whole world rulership and stated world sovereignty; (1Thess5:1-3); In this way Daniel 12:11 is arrived at in final form by the 4th UN placement as Daniel 11:45 and Daniel 8:25 parallels of that “disgusting thing” placement final event.

Therefore the 8th King completion timing precedes Christ’s Messianic Kingdom completion and provides the completed 8th King rival sovereignty for God and Christ’s Kingdom conquest. That 8th King must complete logically prior to Christ’s Kingdom conquest as the finally fully existent and
The principle of a Kingdom ministry deploying into a world war/tribulation for eventual “world peace” resolution as an 8th King world government presentation was present in the first 1914-1919 ministerial period. That same principle and progression of the same world conditions, meanings and key entities in 8th King and Messianic Kingdom, and their concurrent proclamations, repeats in the future along the same framework of Daniel 12, but now soon to finale.

**Dual Kingdom Completion**

Christ arrives at that 8th King completion timing to complete the 144000 heavenly group remnant “gathering” symbolized in the seventh trumpet finale meaning of Revelation 11:7-13. This Messianic Kingdom completion allows Christ’s final King-Priest coronation event as officially divinely crowned Messianic Kingdom King of Zechariah 4:6-9 meaning parallel Zechariah 6:9-15. Prior to total Messianic Kingdom conquest Christ secures all the earth sheep under Kingdom protection well before the final divine war phase; (Rev6:12-17 and Matt24:29-31 parallels into Matt25:31-46; Rev14:14-20 meaning of sheap separating final judgment);

This Messianic Kingdom completion will be in the Daniel 12:11 1290 day period started by “constant feature” removal of Revelation 11:7 and the fourth UN 8th King world government placement concurrence of Daniel 11:45 as Daniel 12:11 “disgusting thing” placement event. The “3.5” day death state of the symbolic “two witnesses” must proceed into that Daniel 12:11 1290 days for an unknown duration to the actual 144000 completion.

The six trumpets and the temple judgment that enabled that exposition to go forth accurately ultimately lead to the Messianic Kingdom completion event it is warning of. The symbolic parallel of the 144000 completion (Rev14:1) of the Messianic Kingdom completion is outlined here as an actual event to manifest in the final fulfillment:

**Messianic Kingdom**

(Revelation 11:11-13) And after the three and a half days spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud, and their enemies beheld them. 13 And in that hour a great earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven.

(Revelation 11:14-15) And when they have finished their (1260 days of) witnessing, the wild beast that ascends out of the abyss (as final world peace 8th King ascension into 4th UN placement) will make war with them and conquer them and kill them. 8 And their corpses will be on the broad way of the great city (BTG still present as final “great city” overall; Rev16:19-20) which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled. 9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days, and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another, because these two prophets tormented those dwelling on the earth. (thus some humans at that time are not in a tribulatory, but “freedom from care” condition) 11 And after the three and a half days (a symbolic final transition period to 144000 completion) spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: “Come on up here.” And they went up into heaven in the cloud (same cloud as Matt24:30 “clouds”), and their enemies beheld them. (in the 8th King’s face as Rev6:12-17) 13 And in that hour a great (temple/Kingdom completion) earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven. (effects some final repentance); 14 The second woe is past. Look! The third woe is coming quickly. (leads to 7th trumpet finalization of full Messianic Kingdom conquest of the earth (Rev19:19-21) and the universe from Satan and the demons (Rev20:1-3);

**8th King World Government**

The 8th King completes world government just prior to the Christ arrival. Christ’s Messianic Kingdom completion and the 8th King completion is required prior to Christ’s conquest because now complete global sovereigns will be fully complete and in diametric opposition.

This final 8th King identical “King of Fierce Countenance” event is that fourth and final UN world government placement:

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

(Daniel 8:25) And according to his (globalist unique) insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs (world rulership of all power and authority definitions), and during a freedom from care (peace and security of 1Thess5:1-3) he will bring many to ruin. (an independently deployed 8th King one-sided attack) And against the Prince of princes he will stand up (in fourth and final UN placement and proclamations), but it will be without hand that he will be broken. (destroyed by God’s Kingdom at Armageddon; Dan5:31-45h)
This final 8th King identical “King of the North” event is that fourth and final UN world government placement:

(Daniel 11:44-45) “But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. 45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

(Daniel 11:44-45) “But there will be reports (including the “little scroll”) that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. (provides Rev11:7 8th King attack context) 45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; (plural palatial “tents” as earthly symbolism of UN world government in 4th placement as counterfeit of God’s Kingdom and at God’s Zion “location”) and he will have to come all the way to his end (Armageddon denunciation of Dan11:36), and there will be no helper for him. (Satan goes down as Gog “guard” (Eze38:7) “from the remotest parts of the north” as well as Rev19:19-21 leads to Rev20:1-3);

This final 8th King identical “disgusting thing” event is that fourth and final UN world government placement:

(Daniel 12:11) “And from the time that the constant [feature] has been removed and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days.

(Daniel 12:11) “And from the time that the constant [feature] has been removed (two witnesses killed; Rev11:7) and there has been a placing of the disgusting thing that is causing desolation (4th UN placement as world government), there will be one thousand two hundred and ninety days.

Thus in final fulfillment the completed 8th King also arrives over Daniel 12:7 final developmental 1260 days of Revelation 13:5 principle to Daniel 12:11 final “disgusting thing” placement events as 8th King world government placement.

(Revelation 13:5-8) And a mouth speaking great things and blasphemies was given it, and authority to act forty-two months was given it. (repeating as final 1260 day parallel to Daniel 12:7; Rev11:2-3; Dan7:25) 6 And it opened its mouth in blasphemies against God, to blaspheme his name and his residence, even those residing in heaven. 7 And there was granted it to wage war with the holy ones and conquer authority, and it was given it over every tribe and language and tongue and nation. 8 And all those who dwell on the earth will worship it; the name of not one of them stands written in the scroll of life of the Lamb who was slaughtered, from the founding of the world.

The initial rise of the United Nations after a World War 2 rendered the League of Nations impotent in “abyss” is a principle to repeat in the final cycle as 8th King world government arises from a final potential world tribulation and global war cycle forming even as the “global war on terror”:

(Revelation 17:8-11) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss, and it is to go off into destruction. And when they see how the wild beast was, but is not, and yet will be present, those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world. 9 “Here is where the intelligence that has wisdom comes in: The seven heads mean seven mountains, where the woman sits on top. 10 And there are seven kings: five have fallen, one is, the other has not yet arrived, but when he does arrive he must remain a short while. 11 And the wild beast that was but is not, it is also itself an eighth [king], but springs from the seven, and it goes off into destruction.

Which leads to the final sovereign consolidation cycle of 8th King world government absorbing the national sovereignties through that final cycle:

(Revelation 17:11-18) And the wild beast that was but is not, it is also itself an (globalist) eighth [king], but springs from the seven (national power progression), and it goes off into destruction. 12 “And the ten horns that you saw mean ten (national) kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the (globalist) wild beast. 13 These have one thought (sovereign expansion and or preservation), and so they give their (national based) power and authority to the (globalist apex forming) wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so].” 15 And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns (national powers) that you saw, and the wild beast (globalist power), these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire. (absorbing religious sovereignty and assets) 17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their (national based) kingdom to the (globalist ascendant) wild beast, until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth.” (the target religious sovereignty);

Which results in the final sovereign showdown events of the Adamic age. The entire final cycle of co-completions sets the stage long before it occurs.
(Matthew 6:9-10) “Our Father in the heavens, let your name be sanctified. 10 Let your kingdom come. (God’s Kingdom power establishes Messianic Kingdom finality) Let your will take place, as in heaven, also upon earth. (Rev21:1-5; Rom8:18-22; Matt19:28; Gen1:26-28);

(Revelation 19:11-18) And I saw the heaven opened, and, look! a white horse. (Rev6:1 in final Messianic Kingdom form) And the one seated upon it is called Faithful and True, and he judges and carries on war in righteousness. 12 His eyes are a fiery flame, and upon his head are many diadems. He has a name written that no one knows but he himself, 13 and he is arrayed with an outer garment sprinkled with blood, and the name he is called is The Word of God. (John 1) 14 Also, the armies (angelic Kingdom of God and anointed Messianic Kingdom) that were in heaven were following him on white horses (indomitable warriors by divine right of conquest), and they were clothed in white, clean, fine linen. 15 And out of his mouth there protrudes a sharp long sword (as opposed to the Rev6 “bore” for up close and personal divine final warfare), that he may strike the nations with it, and he will shepherd them with a rod of iron. He treads too the winepress (Rev14:17-20) of the anger of the wrath of God the Almighty. 16 And upon his outer garment, even upon his thigh, he has a name written, King of kings and Lord of lords. (Fully Kingdom of God King and complete Messianic Kingdom King-Priest) 17 I saw also an angel standing in the sun, and he cried out with a loud voice and said to all the birds that fly in midheaven: “Come here, be gathered together to the great evening meal of God, 18 that you may eat the fleshy parts of kings and the fleshy parts of military commanders and the fleshy parts of strong men and the fleshy parts of horses and of those seated upon them, and the fleshy parts of all, of freemen as well as of slaves and of small ones and great.” (Eze 39:17-19);

Sheep Separation

Securing the sheep from the final Har-Magedon sovereign battle-zone worldwide is Christ’s first mission of completing the ministry himself (Matt10:23), that he began on Earth for God. The sheep securrenct in the Daniel 12:11 1290 day period in progress is accomplished prior to the final divine war “and finally took [8th King] rulership away” of Daniel 7:26.

Christ’s first goal of sheep judgment is completing the 144000 from the anointed Christian remnant “surviving” to that event timing. (1Thess4:17; Rev16:17-19). That post 1260 day period (Dan7:25; Dan12:7; Rev11:2-3) Messianic Court (Dan7:26) is the official final Messianic Kingdom judgment council under Jesus Christ (Zeph4:6-9; 6:9-15) that then completes the “great crowd” of the earth sheep group. For Christ to “sit down on his glorious [Messianic Kingdom] throne” requires a completed 144000 Kingdom royal “body”. (Rev14:1; Rev11:11-15, 19); Therefore this final gathering of sheep, as Christ is upon a completed Messianic Kingdom throne and completed priesthood as full King-Priest, means the final sheep gathering is all of the earthly group of final sacrificial offering.

(Matthew 25:31-33) “When the Son of man arrives (for Messianic Kingdom completion of 144000) in his glory (Matt24:29-31), and all the angels with him (Jude4:15), then will he sit down on his glorious throne. (Zech6:9-15) 32 And all the nations will be gathered before him (Rev16:13-16), and he will separate people one from another (Rev14:14-20), just as a shepherd separates the sheep from the goats. 33 And he will put the sheep on his right hand (salvation “location” of the separation), but the goats on his left. (destruction “location”).

That sheep judgment event as a divine living sacrifice of the “harvest of the earth” is paralleling this Revelation 14 prophecy:

(Revelation 14:14-20) And I saw, and, look! a white cloud, and upon the cloud someone seated like a son of man, with a golden crown on his head and a sharp sickle in his hand. 15 And another angel emerged from the temple [sanctuary] (all 144000 under Christ completion; Rev4:1 finality), crying with a loud voice to the one seated on the cloud (symbol of Christ’s arrival; Matt24:30-31; Rev11:11-12): “Put your sickle in and reap, because the hour has come to reap, for the harvest of the earth is thoroughly ripe.” 16 And the one seated on the cloud thrust in his sickle on the earth, and the earth was reaped. (the sheep judgment and separation) 17 And still another angel emerged from the temple [sanctuary] that is in heaven, he, too, having a sharp sickle. 18 And still another angel emerged from the altar and he had authority over the fire. And he called out with a loud voice to the one that had the sharp sickle, saying: “Put your sharp sickle in and gather the clusters of the vine of the earth, because its grapes have become ripe.” (the goat judgment and separation) 19 And the angel thrust his sickle into the earth and gathered the vine of the earth, and he hurled it into the great winepress of the anger of God. 20 And the winepress was trodden outside the city (Jerusalem 144000 complete and in spirit form), and blood came out of the winepress as high up as the briddles of the horses, for a distance of a thousand six hundred furlongs.

Thus the entire expanded salvation message to result from the JW temple judgment and cleansing will be affirmed by God’s judgment and rejection of the current ministry and hierarchical clerisy system of the modern Bethel apostasy and the Jehovah’s Witnesses current organizational abomination that gradually was subverted from an approved accurate ministry;

Since modern Bethel and Jehovah’s Witnesses have a severely limited, lawless and profaned ministerial environment the true sacrificial focus of God’s Jesus Christ provided undeserved kindness is aborted for an organizational “sanctification” of various works that aided the overall distraction of Jehovah’s Witnesses and the ministerial loss of focus. That condition creates a deceptive illusion of organizational based “law covenant” approval which is not the actual basis of human salvation by Christ’s perfect human sacrifice. This is why the JW temple abomination and “1/3” symbolic profanation is judged and cleared first; (1Pet4:17);
Making the sheep side of that coming judgment must be the priority of the clarified Christian final “little scroll” message. That sheep and goat judgment and separation will precede final Armageddon divine war phase and that is why the temple judgment clears up these obstacles well prior to Armageddon to explain the final cycle meaning while it is in progress.

Armageddon

(Revelation 19:19-21) And I saw the wild beast (globalist unification world government complex) and the (national globalist) kings of the earth and their armies (globalized 8th King military system) gathered together to wage the war (for sovereign rulership) with the one seated on the horse and with his army. (Rev17:14) 20 And the wild beast was caught, and along with it the false prophet (globalist two-horned wildbeast) that performed in front of it the signs with which he misled those who received the mark of the wild beast (8th King world government) and those who render worship to its (UN nucleus) image. While still alive (in complete operation), they both were hurled into the fiery lake that burns with sulphur. (destroyed by Christ) 21 But the rest were killed off with the long sword of the one seated on the horse, which [sword] proceeded out of his mouth. And all the birds were filled from the fleshy parts of them.

(Zephaniah 3:8-9) “Therefore keep yourselves in expectation of me,’ is the utterance of Jehovah, ‘till the day of my rising up to [the] booty, for my judicial decision is to gather nations (allows the globalist final unification 8th King completion for this sovereign final target), for me to collect together kingdoms, in order to pour out upon them my denunciation, all my burning anger; for by the fire of my zeal all the earth will be devoured. 9 For then I shall give to peoples the change to a pure language, in order for them all to call upon the name of Jehovah, in order to serve him shoulder to shoulder.’ (Reverts the lingual confusion effects of the Genesis 11 first divine intervention also triggered by a first “world government” attempt at Babel and the Tower of Babel 400 years ago);

(Daniel 2:31-36, 44-45) “You, O king, happened to be beholding, and, look! a certain immense image. (the whole “image” is the whole 8th King “scarlet wildbeast” world government and UN “image” meaning); That image, which was large and the brightness of which was extraordinary, was standing (at Armageddon) in front of you, and its appearance was dreadful. 32 As regards that image, its head was of good gold, its breasts and its arms were of silver, its belly and its thighs were of copper, 33 its legs were of iron, its feet were partly of iron and partly of molded clay. 34 You kept on looking until a stone (Messianic Kingdom) was cut out not by hands, and it struck the image on its feet of iron and of molded clay (point of Anglo-American ascendency to globalized world government; Rev17:12-18) and crushed them. (Messianic Kingdom final conquest over complete 8th King as the whole “immense image” as world government) 35 At that time the iron, the molded clay, the copper, the silver and the gold were, all together, crushed and became like the chaff from the summer threshing floor, and the wind carried them away so that no trace at all was found of them. (human world government is removed) And as for the stone (Messianic Kingdom) that struck the image, it became a large mountain and filled the whole earth…. 44 “And in the days of those kings (climaxes as Daniel 11:42-45 soon) the God of heaven will set up a kingdom that will never be brought to ruin. And the kingdom itself will not be passed on to any other people. It will crush and put an end to all these kingdoms, and it itself will stand to times indefinite; 45 forasmuch as you beheld that out of the mountain (God’s Kingdom) a stone (Messianic Kingdom) was cut not by hands, and [that] it crushed the iron, the copper, the molded clay, the silver and the gold. The grand God himself has made known to the king what is to occur after this. And the dream is reliable, and the interpretation of it is trustworthy.”

Christ’s 1000 Year Reign Begins

Why Temple Judgment is Required

Cleansing and Error Removal Need

Now we see exactly where the Bethel diversion made a marked departure from prophetic tracking reality for a UN concealing course of deception and “the lie” cell of the “operation of error” (2Thess2:11-12) in the “Governing Body” development that preceded this spiritual downfall. The truth is now diverted by Bethel purposeful error. Now the Bethel internal “man of lawlessness” and the apostasy Bethel leads is the divinely permitted “operation of error” and the whole “the lie” complex that enables a full Christian anointed temple judgment context and the gradually developed conditions requiring such an event.

Recovered Trajectory

The post 1990 3rd UN placement and future 4th UN placement world government as a continuum of Daniel 11:30-45 is eventually reconnected to the exposition of truth currently concealed by the modern Jehovah’s witnesses ministry.

Approximate 10 years Ministerial Update Versus Former 100 Year JW Ministry – (Isaiah 60:22
Now the JW ministry of approximately 100 years is to undergo an abrupt change in course. What formerly took 100 years to eventually devolve into error is to be desolated, purified, overhauled and updated to a fast tracked finality into an approximate final ten year projection of the final warning overall period. The Daniel 8:14 timing of temple judgment activating into Daniel 12:7 and Daniel 12:11 final timed periods as the Revelation 8-11 seven trumpet developments leading to Christ's actual arrival will span a very short period of time with great evidence to come forth as to where it is all really leading.

The clarified final ministry is a replication of the first 1914-1918 and 1919-1922 cycle of Revelation and Daniel 12 but now in final form upon the same continuum and principles. Thus the advantage of awareness of major prophecy repeating to finality affirms the first Kingdom ministerial foundation of Jehovah's witnesses. The clarification of Daniel 8:11-25 and Daniel 11:30-45 temple judgment and 8th King meaning is the only update taking place to the currently diverted JW ministry as far as prophecy subversion is related.

### Prophetic Replication Principles

That all these judgment types have been repeating in principles since Noah's day, Babel, Egypt, Israel and others as temple and national judgments, the principle of repetition used by God is crystal clear. By now Jehovah's witnesses should understand a judgment in their "house" is a principle that STARTS the final judgment cycle:

(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God. Now if it starts first with us, what will the end be of those who are not obedient to the good news of God?

The judgment starts on Jehovah's witnesses as a warning of what is coming on the world as the final cycle of prophecy continues over a few final years with a verification in the unique JW judgment that starts that final cycle.

That a final temple judgment is divinely foretold and required upon a final prophetic replication activating in earnest at that time (1Pet4:17) is now more obvious as indicated in Bethel's subverted ministry also fulfilling prophecy as shown earlier. The lawlessness and denial, the organized apostate Pharisee-like Bethel “organization”, and the Jehovah's witnesses collective blindness are the same principles repeating that preceded a divine judgment in times past now also repeating in final form.

The Revelation 11 "two witnesses" portion occurs two times (Rev10:11), hence TWO "witnesses" are two Kingdom witnessings at Kingdom birth phase of 1914-1918 and the Kingdom completion phase of the near future final 1260 days final warning.

The incomplete 3.5 times “time, times and half a time” 1260 days must replicate as another 1260 day period of “3.5 times” as 1260 days to complete a 2520 day “seven times” “appointed timed” completion.

That the original Christendom cleric system “man of lawlessness” formed a “disgusting thing” League of Nations (1919) and eventual United Nations (1945) endorsement marking the first judgment cycle of 1914-1919 is now repeated in Bethel's 1990 period 3rd United Nations “disgusting thing” placement and “disgusting thing” UN NGO endorsement leading to a final judgment cycle. (Matt24:19);

The modern Bethel hierarchical cleric system as the final “man of lawlessness” and it's “Governing Body” main guiding "body" of this present JW apostasy, being revealed in initial form, is in itself an indication it is even now all repeating the same principles of the former judgment and the final prophetic cycle has actually already started repeating in that apostate signal element “in the temple”. (2Thess2:1-4; Zch3:1-3; Rev8:10-11; 2Cor11:13-15);

The concept of 8th King completion requiring a final world phase of world government development is now obvious to globalization and geopolitical researchers. That the Messianic Kingdom 144000 completion element also requires a final cycle to announce the climax that will result from this dual completion is also logical as well as prophetic in the repetition of final prophecy.

That signal judgments of Israel's time came in pairs is also founded in ancient Israel's history and in the time of Christ. The 740 BCE judgment of Israel by Assyria as a warning to the Jews led 133 years later to the 607 BCE judgment of Jerusalem by Babylon deposing the Davidic monarchy. That overall first cycle of two judgments led to the 70 CE judgment of Jerusalem by the Romans preceded by the period of Christ's ministry as the final warning for that "system of things". Therefore a 1914-1922 Christian judgment period leading to a final Christian judgment warning of final world judgment of the near future prior to Armageddon forming an accelerated final warning is also now intuitive, logical, and historically and prophetically indicated.
