

Daniel 8:13-14 Diametric "Wrong Condition" at Apostate Bethel Since 1944—It's Future Fulfillment and Implications

1. How Daniel 8:12-14 Unright Condition Has Been Developed by the Profane Governing Body of Jehovah's Witnesses Since 1944;
2. How the 1944 "governing body" concept has been aligned with the "Theocratic Organization" "Watchtower Charter adjustments" that supposedly fulfilled the Daniel 8:14 prophecy, "bringing the sanctuary into the right condition" as if the "organization" is the "sanctuary";
3. Why Daniel 8:13-14 Fulfills in the Future as the now required Temple Judgment "trampling" for purification "right condition" and recovery for the ["second witness"](#) final Kingdom proclamation and final [global open salvation call](#);

But there are other problems with this shifting Bethel interpretation of this Daniel 8:11-14 prophecy in this overall post 1944 development. The irony is the modern Bethel Daniel 8:14 interpretation is actually part of the profanation development for the modern Jehovah's witnesses "unright state", to establish an illegal, 1944 founded, Governing Body ruled, fictional "Theocracy".

This study is concerning this prophecy of the coming Temple Judgment:

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?" 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition."

In this article, Daniel 8:14 is focused on in the whole Daniel 8:11-14 applicable sequence, because Bethel applies Daniel 8:14 to "Watchtower charter adjustments" in two versions of this interpretation to establish the "purification" meaning, while Daniel 8:13 is applied to, in the final version, now, World War 2 era events of worldly powers as the "transgressors" of Daniel 8:11-13.

In reality Daniel 8:13 "transgression causing desolation" developments in the "sanctuary" are what initiates the purification requirement in a final temple judgment which is what Daniel 8:13-14 actually is, as it is a continuum to be applied to the coming temple judgment.

The temple judgment phase of this coming fulfillment is timed and phased for future verification.

Ironically Bethel is now the main producers of the implied Daniel 8:13 "unright condition" now well founded within the "gradually given over" to full enemy subversion of the Jehovah's witnesses ministry. Bethel transgression is the real prelude of steadily introduced lawlessness that has led to this state of the Jehovah's witnesses ministry today.

(Daniel 8:11-12) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down. 12 And an army itself was gradually given over, together with the constant [feature], because of transgression; and it kept throwing truth to the earth, and it acted and had success.

(Zechariah 3:1-3) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand in order to resist him. 2 Then [the angel of] Jehovah said to Satan: "Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?" 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel.

(Note for this reading: Now if one considers the Jehovah's witnesses historic ministry as invalid and "Masonic" from inception from Charles Russell's day, then this analysis will have no meaning. But if one considers or believes the original Jehovah's witnesses ministry to be a valid anointed Christian ministry with the purpose of proclaiming God's Kingdom as prophecy fulfillments, while concurrently exposing the progressive prophecies of the opposing "8th King" World Government development live and real-time at the same time, then one will see the real meaning in this subversion. (Dan8:12))

What is really developing in this Governing Body dictatorially guided subversion process, is an illegal ministerial controlling authority development, and the idolization of the Jehovah's Witnesses Organization, *while concealing* the post 1990 3rd and future 4th United Nations continuum of prophecy as a UN 1-2-3-4 continuum to World Government, while concurrently endorsing the Wildbeast System as UN NGO.

Conjuring Up the "Governing Body" and "Organizational Theocracy"

This draft analysis will demonstrate that the general idea of the Watchtower Bible and Tract Society (WTBTS) "Theocratic Organization" was to, in time, radically expand and also be aligned with the *parallel* "Governing Body" development since its first

"governing body" mention of 1944. Both of these developments of ministerial identity and structure were to later converge into the concurrently developing Daniel 8:13-14, 1958 to post 1982, interpretations as the "purified" fully "Theocratic Organization" claims of those interpretations merged with the parallel Governing Body concept, and development to fully empowered entity convergent as one whole, as the Governing Body dictatorship capstone emerged with the whole of that "Pyramid of Theocracy".

Both the "theocracy" and the "governing body" are but cloaking terms for what is now a man controlled organization of Jehovah's witnesses and its corporations as one ministerial whole of "gradually given over" profanation and subversion from the original ministerial objective with complete focus shifted to the "Governing Body of Jehovah's Witnesses" progressive establishment, and its complimentary "Worldwide Organization of Jehovah's Witnesses" idolatries as now ever complicating distractions from the real progress of modern prophecy and the original Kingdom of God objective.

14, 15. What organizational adjustments were made in the 1970's, and how have they proved beneficial?

14 Over the years, the older ones in our midst have personally experienced some of the **organizational adjustments that have increased the beauty of the earthly part of Jehovah's organization**. They remember when congregations had a congregation servant rather than a body of elders, when countries had a branch servant rather than a Branch Committee, and when direction was given by the president of the Watch Tower Society rather than by a **clearly established Governing Body of Jehovah's Witnesses**. Although all these devoted brothers were supported by faithful assistants, one person was basically responsible for making decisions in the congregations, at the branch offices, and at world headquarters. During the 1970's, adjustments were made to put the responsibility for oversight on groups of elders rather than on individuals.

15 Have these adjustments proved beneficial?

Yes, and logically so. Why? Because the adjustments were based on increased knowledge about the pattern set in the Scriptures. Instead of having the influence of one individual dominate, the composite good qualities of all the "gifts in men" whom Jehovah has provided benefit the organization.—Eph. 4:8; Prov. 24:6.

In reality a "composite of subversion" by a "rule by committee" dictatorship is what has formed in 70 years since 1944.

General Outline

Aiding the purpose of the whole development is a post 1944 fabricated WTBS "prophetic" history in which the "Governing Body" progressively plays a central dictatorial role as if ever present in the Jehovah's Witnesses ministry since 1884, now "clearly established", and then ever present in the overall Christian history since the first century, as fraudulently applicable to Acts 15. (The Acts 15 "catch all" locale to conjure up a supposed "governing body" entity that Christendom has used to define and maintain every clergy of their system for centuries, thus unique in no way to the WTBS. Instead it is the same "steering committee" that also was used to subvert Christendom's many "organizations" as well.)

The general development went like this, 1-4:

1. Version 1 "Theocracy" "Purification"

The Daniel 8:13-14 "interpretation" has slid off the Jehovah's witness radar, in general, while the 1944 instituted Governing Body has used it to seal their own "clearly established" apostate priesthood as if the prophetic and Biblical "Supreme Council of Divinely Appointed Overseers" of the then also "purified" "temple arrangement" since after 1944, by WTBS "Charter adjustments". This "prophecy" stays "off the radar" for most Jehovah's witnesses, because it is flimsy (and complicated), yet behind the scenes it is a foundational "theocratic" part of the "prophetic basis" for the existence of the "Governing Body" dictatorship over the WTBS "Theocratic Organization".

A. Even Fred Franz said "IF we accept this as fulfilling the prophecy..."; because the Bethel interpretation always has had major problems (in addition to trying to explain a prophecy that has not yet fulfilled.) In the meantime, Bethel has "gradually" morphed it all to fit the "Governing Body" convergent agenda of "top down" total control, by use of the "theocracy" cover it provides.

"If we accept this as fulfilling the prophecy of the "transgression that causeth appalment" or "that makes desolate," when is it that the sanctuary should be "victorious" (JP), "vindicated" (Ro), "justified" (Le), "cleansed" (AS, AV, LXX), or "be restored to its rightful state" (RS)?" (Your Will Be Done chapter 9, pg. 244, par. 44; (also at Watchtower 1959 10/1 p. 600 par. 44))

So Fred Franz had doubts; (and with good reason hindsight has now revealed.)

B. There are now two versions of the Daniel 8:14 timeframe of this prophecy as taught by Bethel, the 1958-1981 (1926-1932 2300 days) "Version 1", and the 1982-1999 to present (1938-1944 2300 days) "Version 2".

C. But what is referred to in the first version, is the 1938 "Organization" article to form the "Theocratic Organization" restored theme in 1932 in version 1, and in 1944 in version 2, as their respective "end of the 2300 days". This will come up later as the new, Version 2, Daniel 8:14 timing shifted to 1938-1944 as will be examined in this article—while retaining all the compounding "organizational adjustments" along the way;)

*** Watchtower 1959; 10/15 p. 632 par. 49 Part 24—"Your Will Be Done on Earth" (Your Will Be Done 1958; ch. 9 pg. 215 par. 49)***

""That was **only a right beginning, for the sanctuary had to be made theocratic in all respects**. Six years later The Watchtower published the article "Organization," Part 1 in its issue of June 1, 1938, and Part 2 in its next issue of June 15.""

The gist is a "Theocratic Organization" was thoroughly founded to fulfill the Daniel 8:14 purified "right condition" in 1932 as the end of the "2300 evenings and mornings" of Daniel 8:14; Version 1 (1958-59), 1926-1932. (first 2300 days timeframe application);

2. Version 2 "Theocracy" "Purification"

But post 1982 to now, [the timeframe for Daniel 8:14 "2300 days"] has shifted forward, but the idea remains the same: supposed "True Theocracy" "fulfilled!"—**this time in 1944**—as all "organizational adjustments" from the first round, have been retained for this second round, but the date slid forward for interesting reasons.):

A. The "adjusted" version in the "Pay Attention to Daniel's Prophecy" (1999) book slides the date into the WW2 period (1939-1945), from the first version's 1926-1932 (old version) to the 1938-1944 second version, but the revision retains the same "Organizational Theocracy" restored idea and claims, as well as the former "adjustments" to the organizational charter.

(The parallel "Governing Body" progress and supporting "organizational theocracy" ideas were further prepared in Watchtower 1971 12/1 Bringing the Holy Place into Right Condition and Watchtower 1982 9/15 pp. 16-17 The Kingdom and "a Holy Place", to end up condensed for the Daniel 8:14 final "interpretation" application in the book "Pay Attention to Daniel's Prophecy" 1999, chap. 10 pp. 177-179 Who Can Stand Against the Prince of Princes?)

3. Governing Body Parallel Development

And while the new rationale shifted forward in timeframe (1938-1944), it also conveniently brings Jehovah's witnesses to a **very very important date: 1944** (important for the organization, mostly unknown to Jehovah's witnesses at large), the 1944 year of the first mentioning of the "governing body" term itself.

*** Watchtower 1971; 12/15 pp. 755-756 A Governing Body as Different from a Legal Corporation ***

""In the year 1944 the Watchtower magazine **BEGAN TO SPEAK** about the governing body of the Christian congregation.""

A. Thus two parallel "theocracy supporting" developments are converging behind the scenes, one, the Daniel 8:14 "interpretation" as "theocratic organization" and two, the "Governing Body" development since 1944. Thus **1944 is the target date for BOTH developments**, and for a few important reasons now convergent in Jehovah's witnesses history, to tentacle and merge as one "theocratic" theme, superimposed upon the overall Bethel Daniel 8:14 modern fiction as if "prophecy fulfilled brothers!":

*** Daniel's Prophecy 1999; chap. 10 p. 178 par. 26 Who Can Stand Against the Prince of Princes? ***

"The Theocratic Alignment Today."

At the annual corporate meeting on October 2 (1944), the Society's charter was amended **in an effort to bring it as close to a theocratic arrangement** as the law would allow."

Note the Key 1944 Timing

B. During the diversion of WW2, 1944 was two years after Joseph F. Rutherford died, to even allow the 1944 "governing body" term to even be spoken in the ministry. This is because brother Rutherford already quelled a "board of directors" takeover attempt in 1917:

*** Jehovah's Witnesses in the Divine Purpose 1959; pp. 70-71***

""There he persisted in his efforts to persuade Rutherford to send him back to England so that he might make his position more secure. When Brother Rutherford refused, he sought assistance from the board of directors and finally persuaded four members to side with him in this issue by making it appear that Brother Rutherford was unfit to serve as president of the Society. Since the board of directors consisted of only seven men, this meant that now the majority of the board of directors had gone in opposition to President Rutherford, Vice-President Pierson and Secretary-Treasurer Van Amburgh. **This put the officers of the Society on one side of the issue and the directors who were trying to wrest administrative control from the president on the other side.**

TOM: How did they expect to do that?

JOHN: **Their idea was to make the president's position secondary to the board of directors and limit his authority to that of an adviser.** That would have meant making a change in the corporation's bylaws, and since it was a complete departure from the provisions of the original charter it warned of serious trouble ahead.

[which is exactly what the Governing Body accomplished in 1976]

Throughout the entire administration of Pastor Russell, the president and the other officers of the Society had been the ones to decide on new publications; the board of directors, as a body, WAS NOT CONSULTED. Brother Rutherford CONTINUED this same policy as he took up the new administration. ""

And that is why the "board of directors" about to transform into the "governing body" had to wait until 1944 to "begin speaking about" even the term "governing body" after brother Rutherford had died. WW2 also provided the distraction period for this key transition into the budding viral error of the "governing body" injection of eventual total dictatorial authority. And by 1971 they were further aligning the "GBeocracy" "Governing Body" framework to fit the coming Daniel 8:14 interpretation adjustments of 1982-1999.)

4. WTBS "Governing Body" Headed "Pyramid of Theocracy"

But on closer look, now in hindsight of seventy years, since after the 1944 Jehovah's witnesses real "history of the governing body" unfolded, it was the preparation (to the "interpretation") of the Governing Body "GBeocracy" of 1976, in reality. It actually set the "theocratic" "organizational" ground work for the "Governing Body" reigns of 1976 dictatorial power, to extend to all congregations under their supposed "theocracy" as "fulfilling prophecy everyone!", and then to be merged after 1982 into a new version of Bethel interpretation of Daniel 8:14.

A. First Round of "Theocratic Reorganizing"—Version 1:

*** Watchtower 1959; 10/15 p. 632 par. 49 Part 24—"Your Will Be Done on Earth" ***

That was only a right beginning, for the sanctuary had to be made theocratic in all respects. Six years later The Watchtower published the article "Organization," Part 1 in its issue of June 1, 1938, and Part 2 in its next issue of June 15. This article opened, saying: "Jehovah's organization is in no wise democratic. Jehovah is supreme, and his government or organization is strictly theocratic." This article also proposed a resolution for each congregation to adopt, the resolution recognizing that "God's government is a pure theocracy" and requesting "The Society" as his visible representative to organize the congregation for God's service and to appoint theocratically from the visible top the various servants of the congregation.—Part 2...

*** Watchtower 1959 10/1 p. 601 par. 45 Part 23—"Your Will Be Done on Earth" ***

How was Jehovah's "sanctuary" cleansed, vindicated or restored to its rightful state by that date? Examine the official journal of Jehovah's witnesses, The Watchtower, as of that date. Note page 319. That page sets out the Resolution adopted by the New York company of Jehovah's witnesses on October 5, 1932. It called for a cleansing of the congregational organization, a restoring of it to the rightful state of Jehovah's sanctuary class. How? By the ridding of the organization of "elective elders," or elders that had been elected to the office of eldership by the stretching out of the hands of the members of the congregation in a popular or democratic election, after the political style of the ancient Greek states and the democratic Anglo-American dual world power.

What was occurring in hindsight, in this "first round of reorganization" was loss of congregational independence, for a "theocratic organization" that equated to an eventual Governing Body ruled to corporate monopoly over the WTBS and the Jehovah's witnesses ministry, as the eventual "second round of reorganization" merely shifted the timeframe, while retaining the previous loss of autonomy at the congregational level.

*** Watchtower 1959 10/1 pp. 601-602 par. 48 Part 23—"Your Will Be Done on Earth" ***

This Resolution was adopted by congregations of Jehovah's witnesses throughout the earth. The announcement in the Watchtower magazine of October 15, 1932, at the end of 2,300 evenings and mornings was the official notification made by Jehovah through his visible channel of communication that his sanctuary of anointed "living stones" had been cleansed, vindicated and justified.

Hurrah! 1

Thus ends version 1 of that 2300 days first applied time frame.

B. Second Round of "Theocratic Reorganizing"—Version 2:

And thus 1982 begins the new applied time frame with the very convenient 1944 focus shift:

*** Watchtower 1982 9/15 p. 17 par. 20 The Kingdom and "a Holy Place" ***

""To that end, a rearrangement of the work and governing structure of Jehovah's Witnesses was initiated in 1944. The Watchtower of October 15, 1944, took as its theme "Organized for Final Work." This and other service-oriented articles of the same period showed that the "holy place" was again in its "right condition" from Jehovah's viewpoint.""

Hurrah! 2

For some odd reason, the Daniel 8:14 "2300 days" always ends on an October 15th, as a result of the but another "Historic Annual

Meeting" of the WTBTs Pyramid of Priests forming a profanation they then cultivated into the "Governing Body" as some sort of divine "cleansing" fulfilling Daniel 8:14—twice. (a blasphemous diametric opposite in reality, that is the irony of this profaning process!)

Governing Body "Theocratic" Pyramid

And the synthesis of all this error sold as "new light"?: a "theocratic" dictatorship run by the "Governing Body" "board of directors" atop the WTBTs Pyramid of "gradually given over" Jehovah's witness slavery to men and diametric UN agenda. (Dan8:12)

Congregational Body Pyramid Brick

*** Watchtower 1995 5/15 p. 22 par. 7 Part 2—Flashes of Light—Great and Small ***

The Watchtower of June 1 and of June 15, 1938, contained flashes of light showing that the servants in the congregation were to be, not elected, but appointed, that is, **appointed theocratically**. In 1971 another flash of light showed that each congregation was not to be directed by just one congregation servant. Rather, **each should have a body of elders**, or overseers, **assigned by the Governing Body** of Jehovah's Witnesses. So by the increasing light over some 40 years, it became evident that elders as well as deacons, now known as ministerial servants, **should be appointed by "the faithful and discreet slave," through its Governing Body.**

Branch Body Pyramid Brick

*** Proclaimers chap. 9 p. 109 Jehovah's Word Keeps Moving Speedily (1976-1992) ***

Starting January 1, 1976, all the activities of the Watch Tower Society and of the congregations of Jehovah's Witnesses around the earth had been **brought under the supervision** of six administrative committees **of the Governing Body**. In harmony with that arrangement, on February 1, 1976, changes had been put into effect in all branch offices of the Society around the earth. No longer was each branch supervised by one branch overseer, but **three or more mature men served as a Branch Committee**, with one member serving as the permanent coordinator. After the committees had been operating for some months, the Governing Body observed: "It has proved beneficial to have a number of brothers taking counsel together to consider the interests of the Kingdom work."

Or, in other words "Starting January 1, 1976, all the activities of the Watch Tower Society and of the congregations of Jehovah's Witnesses around the earth had been brought under the supervision of... the Governing Body.

What had formed was a top down GB ministerial "board of directors" dictatorship, gradually but steadily formed since 1944 and its "governing body" cloak and "theocratic" mission, which in time equated to more and more "top down" control (Dan8:12) sold to Jehovah's witnesses as "Theocracy" in "flashes of light", with a capstone of time delayed blasphemy:

*** Watchtower 2001 1/15 p. 16 par. 20 Overseers and Ministerial Servants Theocratically Appointed ***

In this time of spiritual prosperity and theocratic increase in the Kingdom-preaching activity, we are thankful that Jehovah is primarily responsible for the appointment of overseers and ministerial servants.

In reality men under the broad cloak of "Theocracy" and the specific "Governing Body" dictatorial entity are involved with the furtherance of the controlled transformation of the Jehovah's witnesses ministry since especially 1944, into a top down monopoly of misplaced Jehovah's witnesses' trust, faith and resources—and especially "obedience" to the "theocratic organization" and its top controllers.

*** Watchtower 2013 11/15; pg. 20, par. 17, #3): ***

“Elders who are reading this article can draw some useful conclusions from the account we have just considered:...

[And sandwiched into the admonishment:]

(3) At that time, the lifesaving direction that we receive from Jehovah's organization may not appear practical from a human standpoint. All of us must be ready to obey any instructions we may receive, whether these appear sound from a strategic or human standpoint or not.

We can emphasize again, that the terminus of the Bethel final Daniel 8:14 "2300 days" waffle version is the very year, 1944, that the parallel "governing body" term also emerges. From 1944 everything in parallel "Theocracy" WTBTs development, in time, converges into the "Governing Body" top of the modern JW Pyramid of Override. It is then converged and fused into Daniel 8:14, twice, for good measure, in a quagmire of a "Bethel interpretation" finally summed up in the 1999 "Pay Attention to Daniel's Prophecy" book, which most Jehovah's witnesses would rather, and thus do, ignore.

Yet now the actual parallel development of this modern "operation of error" is of great significance! (2Thess2:11-12)

(2 Thessalonians 2:11-12) So that is why God lets an operation of error go to them, that they may get to believing the lie,

12 in order that they all may be judged because they did not believe the truth but took pleasure in unrighteousness.

Magical—Yet Nearly Secret—1944, and the Bethel Transformation

Now let us see the post 1944 trek to an Illegal Governing Body Dictatorship since 1944 first mentioning of the term among Jehovah's witnesses:

1. "Theocracy Restored" 1944!!

*** Daniel's Prophecy 1999; chap. 10 p. 178 par. 26 Who Can Stand Against the Prince of Princes? ***

""With the publication of clarified Biblical requirements, [theocratic organization was soon more fully installed](#) in the congregations of Jehovah's Witnesses."" (1932-44)

*** Watchtower 1982 9/15 p. 17 par. 20 The Kingdom and "a Holy Place" ***

""To that end, [a rearrangement of the work and governing structure of Jehovah's Witnesses was initiated in 1944](#). The Watchtower of October 15, 1944, took as its theme "Organized for Final Work." This and other service-oriented articles of the same period showed that the "holy place" was again in its "right condition" from Jehovah's viewpoint.""

Now here is the fully shifted condensed modern Bethel 1999 version of the timing of the 2300 days:

*** Daniel's Prophecy 1999; chap. 10 pp. 177-178 par. 26 Who Can Stand Against the Prince of Princes? ***

""For "the holy place" to be "brought," or restored, to what it should be, the 2,300 days must have begun when it previously was in the "right condition" from God's standpoint. At the earliest, this was on June 1, 1938, when The Watchtower published part 1 of the article "Organization." Part 2 appeared in the issue of June 15, 1938. Counting 2,300 days (6 years, 4 months, and 20 days on the Hebrew calendar) from June 1 or 15, 1938, brings us to October 8 or 22, 1944. On the first day of a special assembly held at Pittsburgh, Pennsylvania, U.S.A., on September 30 and October 1, 1944, [the Watch Tower Society's president spoke on the subject "The Theocratic Alignment Today."](#) At the annual corporate meeting on October 2, [the Society's charter was amended](#) in an effort to [bring it as close to a theocratic arrangement as the law would allow](#). With the publication of clarified Biblical requirements, [theocratic organization was soon more fully installed in the congregations](#) of Jehovah's Witnesses.""

To read the full detail of the (publicly known) changes of "Round 1" (1926-1932), it starts in chapter 9 on page 188 of the "Your Will Be Done" book, or WT Library (WT 1958-1961 "Your Will Be Done" Part1-40 series; Part 23-24):

<http://www.strictlygenteel.co.uk/yourwill/1958YourWill.pdf>

(Recall, Fred Franz was applying the 2300 days from 1926 to 1932. (As we see it shifted to 1938 to 1944, in the 1982 Watchtower and the eventual 1999 Daniel book, to align with WW2 events to make it all more "real looking", as they still retained the "organizational adjustments" that emerged in 1932-1938.

The WW2 event and era provided a well known context in which to couch and stall all of Daniel 8 and 11 which is actually Cold War era 3rd United Nations emergent prophecy of Daniel 8:11-14; 23-25, and Daniel 11:30-40 that culminated in the 1990 3rd United Nations global presentation in their "New World Order" campaign;

To see what resulted in Round 2 (1938-1944), keep reading, as the "Governing Body" is then made more and more and more prominent since its 1944 first peep of the very word "governing body" at Bethel and in the Jehovah's witnesses ministry.

Since that Watchtower of December 1971 was preparing the "Governing Body" capitalized and soon-to-be dictatorial term for this nice "transition" to full "theocracy" ruled by the Governing Body, we now see the convergence of it all, to highlight their eventual illegal dictatorship as if that was a "purified sanctuary" based on a mundane corporation and its various "charter adjustments" to aid "theocratic alignment today".

2. Slick "Already Waiting" 1944 Governing Body Term Connection; More "Adjustments"

*** Watchtower 1971 12/15 pp. 755-756 A Governing Body as Different from a Legal Corporation ***

""The official magazine of Jehovah's Christian witnesses is The Watchtower Announcing Jehovah's Kingdom. In the year 1944 the Watchtower magazine **BEGAN TO SPEAK about the governing body** of the Christian congregation.""

Now if we pay attention to the shift to 1938-1944 "rationale", and this WTBT's "adopted six resolutions amending its charter" event of 1944 as previously now connected to Daniel 8:14 "Round 1" "cause and effect", we see the "governing body", ready since 1944, was to take on more and more meaning in time.

A. 1971 was the time to capitalize their title to "Governing Body" and properly position for the 1976 Bethel coup **AND** to make more

"organizational adjustments" as if Daniel 8:14 fulfilled (again), recently enabled by that said Daniel 8:14 timeframe shift forward to 1938-1944, since that first 1932 justified period, also using the "Daniel 8:14 "right condition", AGAIN, as the justification rationale for this second round of application.

***** Watchtower 2001 1/15 p. 28 How the Governing Body Differs From a Legal Corporation *****

""A Historic Annual Meeting

At the annual meeting held on October 2, 1944, in Pittsburgh, the members of the Pennsylvania corporation adopted six resolutions amending its charter. The charter had provided that voting shares be issued to contributors of funds to the Society's work, but the third amendment eliminated that provision. A report on that annual meeting noted: "Membership in the Society will be limited to not more than 500 Each one chosen must be a full-time servant of the Society or a part-time servant of a company [congregation] of Jehovah's witnesses and must show the spirit of the Lord." **Thereafter, directors of the Society were to be voted into office by individuals who were fully devoted to Jehovah, irrespective of the amount of money that they contributed to advance the Kingdom work.**

That is now MORE control over the organization, to build upon the 1932 "adjustments". (And who knows about the "charter adjustments" and "amendments" that are not mentioned in print.)

B. That was also the time, 1944, when the word "governing body" was even uttered at Bethel, for the first time:

""The official magazine of Jehovah's Christian witnesses is The Watchtower Announcing Jehovah's Kingdom. In the year 1944 the Watchtower magazine *began to speak* about the governing body of the Christian congregation.""

***** Watchtower 1990 3/15 p. 17 par. 9 Cooperating With the Governing Body Today *****

There were legal requirements involved in publishing magazines and other Bible study aids. Hence, the Watch Tower Bible and Tract Society was set up and registered in the state of Pennsylvania, U.S.A. For years (*actually since 1944-1976*), **the visible Governing Body came to be identified with the seven-member board of directors of this corporation established to publish the Bible study aids needed and used by the Lord's people earth wide.**

C. And now the imagined "line" between the "Governing Body" and the "Board of Directors" was blurred, though up to that point they were in fact the very same entity. Now Bethel divined two terms, one to fit the top of their "Governing Body" headed "Pyramid of Theocracy", and one for the same "Board of Directors", though they were the same thing:

***** Watchtower 1971 12/15 p. 755 A Governing Body as Different from a Legal Corporation *****

At this meeting a question came up and was discussed from the platform. It was as to what the relationship is between the Board of Directors of the Society as a legal corporation and the Governing Body of Jehovah's Christian witnesses. Are they the same, identical, or are they different? Such questions were due to the fact that it has been published in print that the Governing Body of Jehovah's witnesses at headquarters is associated with the Board of Directors of the said Society. How did this come about, and **does this make the Board of Directors the same as the Governing Body of Jehovah's witnesses all the earth around?**

Of course the question "How did this come about" will not be fully answered.

And in just 27 years, between 1944 and 1976, from the first "governing body" concept and term uttered in the Jehovah's Witnesses ministry, to 1971, the "board of directors" (the original cell and locale of all prior WTBS insurrections; 1897; 1917), now merged into the "Governing Body of Jehovah's Witnesses" dictatorial setup for 1976, *as if they were always there* in that form of dictatorial authority.

By the time of at most 2001, the "Theocracy" included many "Shadow Boards" unknown to most Jehovah's witnesses:

***** Watchtower 2001 1/15 p. 31 A Special Announcement *****

Brother Barr told the audience that recently certain members of the Governing Body of Jehovah's Witnesses who had been serving as directors and officers voluntarily stepped aside from the **boards of directors of all the corporations** used by "the faithful and discreet slave" in the United States. Responsible brothers of the other sheep class were elected as replacements.

3. 1944 to 1976 Places the Governing Body as the "Theocracy"

***** Proclaimers chap. 9 p. 109 Jehovah's Word Keeps Moving Speedily (1976-1992) *****

Starting January 1, 1976, all the activities of the Watch Tower Society and of the congregations of Jehovah's Witnesses around the earth had been brought **under the supervision of six administrative committees of the Governing Body.** In harmony with that arrangement, on February 1, 1976, changes had been put into effect in all branch offices of the Society

around the earth. No longer was each branch supervised by one branch overseer, but three or more mature men served as a Branch Committee, with one member serving as the permanent coordinator. After the committees had been operating for some months, the Governing Body observed: "It has proved beneficial to have a number of brothers taking counsel together to consider the interests of the Kingdom work.

So what we have is The Governing Body DICTATORSHIP 1944-1971 and the filling of its cascading "Tool Box" of "Theocratic Organization" authority, that was being well prepared for 1976, by full preparatory install in the WT charter since 1932 and 1944, by a circuitous route that then converged with the "Theocratic Organization" "purification" "right condition" of Daniel 8:14's interpretive mythology of Bethel, all magically equating to the handy 1944 date from the hand of Bethel's various purpose alchemists and error misled associates. (Dan11:32a)

Then they take those polluting and idolatrous changes and claim they are "bringing the sanctuary into the right condition" every time, by this "new arrangement" of ministerial management, that eventually then led to the 1976 GB Bethel Dictatorship, to "fulfill Daniel 8:14" as fully reworked from 1971 Governing Body and the "1944" preparation for the 1982 to 1999 "Pay Attention to Daniel's Prophecy" book final version of this fiction. The whole GB Burrito is now all amalgamated into one utterly profaned JW-Org Super Taco, sold to Jehovah's witnesses as the "right condition", yet again:

*** Daniel's Prophecy 1999; chap. 10 p. 179 par. 29 Who Can Stand Against the Prince of Princes? ***

""The enemy's vicious attempts to desolate and destroy "the holy place" **had failed completely**. Indeed, the remaining "holy ones" on earth, along with their companions of the "great crowd," had come off victorious. (Revelation 7:9) And the sanctuary, **in its rightful theocratic state**, now continues to render sacred service to Jehovah.""

But the Daniel prophecy states they are successful at this profanation action:

(Daniel 8:12) And an army itself **was gradually given over**, together with the constant [feature], because of transgression; and it kept throwing truth to the earth, and **it acted and had success**.

So the SUCCESS is Jehovah's witnesses accepting this gradually developed and applied "new arrangement" action, as if "the enemy's vicious attempts to desolate and destroy "the holy place" had failed completely". They merely have SUCCESSFULLY INFILTRATED the Jehovah's witnesses ministry for now, under such an effective subterfuge. "Utterly failed" is not the true state of the diversion operation inside of the Jehovah's witnesses ministry now "gradually given over" to a successful full subversion at this late stage of maturity.

And [Daniel 11](#) provides the parallel and source of this organized "theocratic" wrapped profanation process:

(Daniel 11:30-31) "And he (8th King/King North) will actually go back and hurl denunciations against the holy covenant **and act effectively** (produces a successful operation Dan8:12b); and he (8th King) will have to go back and will give consideration to those leaving the holy covenant. (anointed core defection at Bethel aids internal 8th King access) **31** (Bethel subversion:) And there will be arms that will stand up (at Bethel; Dan11:41; Luke21:20), proceeding from him (8th King planners); and they (collusion) will **actually profane the sanctuary, the fortress, and remove the constant [feature]**.

(Daniel 11:32) "And those who are acting wickedly against [the] covenant (at Bethel), **he** (8th King/King North) **will lead into apostasy** by means of smooth words. (The Bethel "smooth words" and gradual subversion in the 8th King WT cover-up in the JW publications is part of the smoothly justified apostasy of modern Jehovah's witnesses);

===

So, the opposite "unright condition" is what formed since that 1944 milestone period of forming apostasy, now "adjusted" to fit Daniel 8:14 as well as a total blasphemous claim by the WTBS and its 1944-1976 Governing Body invention.

===

*** Watchtower 1982 9/15 p. 17 par. 20 The Kingdom and "a Holy Place" ***

"To that end, **a rearrangement** of the work **and governing structure** of Jehovah's Witnesses **was initiated in 1944.**"

Thus, in reality, the 1944 borne "governing body" profanation was also being born with enough time in the Jehovah's witnesses "gradually given over" ministry to appear as if "the way it always was" to today's Jehovah's witnesses. AS IF since 1884, in this 1946 statement:

*** Let God Be True 1946; ch. 17 ***

""In 1884 the legal servant body of this international association was incorporated under Pennsylvania law. That non-profit corporation, Watch Tower Bible and Tract Society, **and the governing body** of Jehovah's witnesses **have been inseparably associated ever since.**""

See how Bethel just slips it all "and the governing body have been inseparably associated" in, as if it was all always there, since 1884? In 1946 they pulled that trick, to present what is an up to then non-existent "governing body", by such smooth association to the "legal servant" "body" of the whole corporation.

"...AND the governing body of Jehovah's witnesses have been inseparably associated ever since [1884]"

Which is a TOTAL LIE. (Ironic the title of that book; "Let God Be True", and all men liars!)

(Romans 3:3-4) What, then, [is the case]? If some did not express faith, will their lack of faith perhaps make the faithfulness of God without effect? 4 Never may that happen! But let God be found true, though every man be found a liar, even as it is written: "That you might be proved righteous in your words and might win when you are being judged."

But after that sleight of hand had past, modern Jehovah's witnesses are now just shifted to the Acts 15 "governing body" fictional wrapper, as the ["first century governing body precedent"](#), which "slipped in" by these various diversions. (Jude 4-5)

All of Christendom's boards and synods do the same thing and use the same "governing body" generic controlling entity, device and "apostolic" rationale implied or explicit. But Acts 15:1-35 is where the modern cloaking rationale shifted after Bethel successfully pulled off that "since 1884" stunt, first. Now Jehovah's witnesses have totally forgotten the real reality of what actually formed in 1944, just two years after Rutherford's guard ceased in 1942, in his death.

(In fact the "Governing Body" concept basis and purpose goes all the way back to Babel:

""The Mystery Religions each had their secret councils which ruled them, and these councils themselves came under the guidance of a secret supreme Grand Council or Governing Body.""

<http://www.whale.to/b/sp/bl.html>

Thus the very core element of the Babel Religious System, is the very heart of the Jehovah's witnesses ministry now!)

Now the Bethel "Governing Body" Babel-Catholic DNA hierarchical sibling, starts to found its own rationalization of concealing the same kind of hierarchy that would spring up from these early 1940s roots and foundation of the same structure of ministerial domination:

*** **Theocratic Aid To Kingdom Publishers 1945 p. 299 Lesson 76** ***

The Rise of the Roman Catholic Hierarchy

""The organization and development of the Roman Catholic Hierarchy dates from the time of the launching of fusion religion by the Roman emperor Constantine in A.D. 325. It does not date from nor have its source in the [original governing body of the apostles](#). All such claims to apostolic succession and origin are false, and the Hierarchy's structure is grossly contrary to the original Theocratic organization as established by Christ Jesus.""

But Bethel makes the same claim by the same association:

*** **Watchtower 2013; 7/15 pg. 18, par. 12** ***

""The channel he used for spiritual feeding was clearly recognizable. [After all, the apostles—the original members of the governing body—could provide visible proof of heavenly backing.](#)""

Thus what did slip in was the "governing body" error itself (Jude4; 2Thess2:11-12), that the Christendom "hierarchy" has been using for centuries:

Pulpit Commentary (Acts 15:2)

""The apostles and elders. This phrase marks the constitution of the governing part of the Church of Jerusalem.""

Cambridge Bible for Schools and Colleges (Acts 15:2)

""These with the elders appear now as the governing body of the infant church.""

<http://biblehub.com/commentaries/acts/15-2.htm>

""In the beginning of Christendom, early Christianity was a religion spread in the Greek/Roman world and beyond as a 1st-century Jewish sect, which historians refer to as Jewish Christianity. It may be divided into two distinct phases: the apostolic period, when the first apostles were alive and organizing the Church, and the post-apostolic period, when an early [episcopal structure developed](#), whereby bishoprics were governed by bishops (overseers).""

https://en.wikipedia.org/wiki/Christendom#Early_Christendom

""The episcopate is the collective body of all the bishops of a church.""

https://en.wikipedia.org/wiki/Historical_episcopate

"The immediate governing body of each church was a college of presbyteri, who possessed the power of the priesthood only – not

that of the episcopate."

<https://books.google.com/books?id=0BZJAQAAMAAJ&pg=PA640&lpg=PA640&dq=%22The+immediate+governing+body+of+each+church+was+a+college>

Thus Bethel employs a modified version of cloaking terms and misapplied prophecy wrappers, with a quick diversion to "Christendom's clergy apostasy" when the "clergy" is defined by the same "governing body" concept, with the same false claims as Bethel's.

Yet all of it is just more mere claims of Bethel's "Governing Body's" own dictatorial development, with the very same basic justification concealing it all in both the Catholic and Bethel systems, which is what formed into Bethel's "clergy" distraction, when Bethel is now the same hierarchical clergy under a different naming and "theocratic" rationale cover—same thing, same subversion reached today.

Except Bethel also uses prophecy to parallel their hierarchy's justification, and has had a massive momentum of modern truth in which to couch their [error to modern lie development](#) (2Thess2:11-12) based on an original error in much the same manner, and by the same "governing body" device, as Christendom's own prior devolution into apostasy and compounding error.

Ultimately it is now completely the same apostate objective overall.

*** Theocratic Aid To Kingdom Publishers 1945 p. 334 Lesson 85 ***

The Hierarchy's Organization Structure

""The Roman Catholic Hierarchy today stands as the most powerful single religious structure in the earth. In its **internal re-organization** since the staggering blow of the Protestant Reformation four centuries ago, the Roman Hierarchy has **welded together** the world's most autocratic organization. Now this **formidable body** is making its all-out twentieth-century bid for universal **domination**. It is **pushing for recognition** as a **spiritual overlord** and **super ruling organization** over the nations of the earth. What is its **modern structure**? Is this colossus built upon Christian foundations? Is its organization Theocratic, God-ruled?

From the very founding of Catholic fusion religion the **Theocratic form of organization** was abandoned for episcopal and **hierarchic priest rule**. The rock foundations of true Christianity, Jehovah God and Christ Jesus, were quickly set aside for the sands of Babylonish traditions. Jesus' principles, "all ye are brethren" and "one fold", were ignored **in favor of a priesthood** along pagan lines, thus **creating a ruling class and a ruled class**. Thus has come into existence the "Catholic population". They have no voice in ruling matters, nor are they even counted members of the Catholic Church organization. They are merely the supporters of a **gigantic clergy ruling organization**.""

It is all sounding the same today among Jehovah's witnesses:

The Bethel Hierarchy's Organization Structure

""The Jehovah's Witnesses Hierarchy today stands as a powerful religious structure in the earth. In its **internal re-organization** since 1944, the Bethel Hierarchy has **welded together** the world's most "theocratic" organization. Now this **formidable body** is making its all-out twenty-first-century bid for Jehovah's witnesses **domination**. It is **pushing for recognition** as a **spiritual overlord** and **super ruling organization** over the nation of Jehovah's witnesses. What is its **modern structure**? Is this colossus built upon Christian foundations? Is its organization Theocratic, God-ruled?

From the very founding of Bethel corporate fusion religion the **Theocratic form of organization** wording was adopted in lieu of episcopal and **hierarchic priest rule** terminology. The rock foundations of true Christianity, Jehovah God and Christ Jesus, were quickly set aside for the sands of Christendom's corporate hierarchical traditions. Jesus' principles, "all ye are brethren" and "one fold", were ignored **in favor of a priesthood** along corporate structural lines, thus **creating a ruling class and a ruled class of Jehovah's witnesses**. Thus has come into existence the "JW population". They have no voice in ruling matters, nor are they even counted members of the Bethel "Watchtower Society" organization. They are merely the supporters of a **gigantic clergy ruling organization**.""

Of course, in modern reality of Bethel's "creating a ruling class" and the Jehovah's witnesses "ruled class" corporate and ministerial hierarchy, it is now the same thing, a "hierarchic priest rule" under updated terminology to fit apostate Bethel's apostate-cloned agenda. The new cloaking terms include the supposed "Theocracy", the collective "Governing Body" as the cloak for a collective "Pope" "papal body", and various labels and justifications any religion can use to give credibility to their own "[governing bodies](#)", "papacies" and "synods".

Along with this neo-papacy came the Bethel 1976 version of a New Inquisition, in which a JW system of excommunication overkill was designed ultimately to protect the Governing Body forming power of 1976 and to silence any feedback from expelled former "members of the congregation". It also served the distracting goals of focusing Jehovah's witnesses life around fear and guilt, gnat straining minutia, arbitrary rules and uniformity directives equating to a Bethel Law Covenant, to go along with their Korah "Moses" Governing Body priesthood. It also developed to ridiculous proportions of Enforced Shunning to even disrupt familial ties, isolate, eject and ultimately muffle "weak sheep", while becoming a global stumbling device of global infamy.

The ultimate goal? Protect the Governing Body dictatorship and minimize any possible exposure of the real takeover development to external congregation information development that could have disrupted this dictatorial development. Yet the worse stumbling policies, such as harboring and concealing pedophiles in their midst, all developed with the Governing Body method of "oversight". Like a chili produced by 7 to 18 cooks in the "Committee of Chefs", the JW "truth" has now been tainted by ingredients only palpable to those who have been eating the mess the longest.

(Revelation 8:10-11) And the third angel blew his trumpet. (temple judgment alarm explanations) And a great star burning as a lamp fell from heaven (those leaving the holy covenant at Bethel. Dan11:30-32), and it fell upon a third of the rivers and upon the fountains of waters. (Bethel's teachings are polluted, profanation of Daniel 11:31a, Dan8:12, Zech3:1-3) 11 And the name of the star is called Wormwood. (the whole "evil slave" "man of lawlessness" Bethel and Governing Body misled JW "earth" system and ministry) And a third of the waters turned into wormwood, and many of the men died from the waters, because these had been made bitter. (the effects of the Bethel apostasy are spiritually toxic);

(2 Peter 2:1-3) However, there also came to be false prophets among the people, as there will also be false teachers among you. These very ones will quietly bring in destructive sects and will disown even the owner that bought them, bringing speedy destruction upon themselves. 2 Furthermore, many will follow their acts of loose conduct, and on account of these the way of the truth will be spoken of abusively. 3 Also, with covetousness they will exploit you with counterfeit words. But as for them, the (real Daniel 8:13-14) judgment from of old is not moving slowly, and the destruction of them is not slumbering.

The Governing Body is fulfilling prophecy alright! Apostasy prophecy.

But in fact because there is a foundational truth to expose [prophetic World Government development by the 8th King King North final global power system](#), this [Circus of GB Clowns](#) has arisen in time, to attempt to subvert the ministry (as [explicitly foretold in Daniel 8 and 11](#)) and to seed in stumbling and "abusive talk" in the anti-JW global context of controversy developing. All of it [eclipsing the former Jehovah's witnesses and anointed Christian ministry](#) and true spiritual progress all in retrograde decline.

The entire nature and focus of the Jehovah's witnesses ministry has now been morphed into the Governing Body Show diversion into scandal, confusions, contradictions and real criminal activity, as well as spiritual crimes piling clear to heaven.

In this case, the Bethel version of a Modern Neo-Papacy is nominally modified to install the same hierarchy under that wording cover. Then, further, uniquely prophetically couched to fit the modern WTBS version of the same top down controlling entity ruling from the same generic authoritarian corporate and ministerial hierarchical basic structure now "created" for Jehovah's witnesses by this overall GB Abomination.

Then came the obedience directives early on as the "organization" slips in beside and then over God and Christ as an "authority" Jehovah's witnesses must be "in proper submission thereto" and "subject to" as a "refuge":

***** Organizations Instructions For the Kingdom Publisher Effective October 1, 1945 *****

""For dispensing this knowledge to the spiritually hungry ones Christ Jesus, on coming to the temple for judgment in 1918, appointed a tried "faithful and wise servant". (Matt. 24: 45-47) This servant is "The Society", that is to say, the association of all the remnant of Christ's anointed body members, which association acts through its visible governing body under Christ Jesus, the Head of the "servant" or "Society". The Society is Theocratic, because subject to its Head Christ Jesus and guided by the spirit which Jehovah God poured out upon it by Christ Jesus, and also because it acts and decides through its visible governing body. (Col. 1:18; Acts 2: 17, 18) The Society is the visible part of Jehovah's Theocratic organization under Christ Jesus, and the Lord's "other sheep" take refuge under that Theocratic organization and are subject to it. They assist in the work of the visible part of the organization, in proper submission thereto. (Isa. 61: 5, 6) Recognizing the forward movement of Jehovah's Theocratic organization, his faithful servants upon the earth want to keep apace with it by making greater proclamation of the glorious Kingdom by letting their light shine. — Matt. 5: 14-16, A.S.V.""

Which "glorious Kingdom" might that be? What Kingdom has this all morphed into? The "Organization" perhaps?

***** Watchtower 2015; 7/15 p. 9 par. 13 Work to Enhance the Spiritual Paradise *****

""Regardless of how long we have been in the truth, we must tell others about Jehovah's organization.""

And as we see in 1982-1999, they then fully aligned it all with Daniel 8:14, as if the "Theocracy Ruled by the Governing Body Illegal Priesthood" is now the Daniel 8:14 purified "right condition" met; when the exact opposite condition is what was forming at that time and since 1944 as the "Governing Body" concept and entity is actually the core cell of spreading profanation and "gradually given over" ministerial corruption. (Dan8:12; 2Thess2:3-4)

***** Watchtower 1982; 9/15 p. 17 par. 20 The Kingdom and "a Holy Place" *****

""The Watchtower of October 15, 1944, took as its theme "Organized for Final Work." This and other service-oriented articles of the same period showed that the "holy place" was again in its "right condition" from Jehovah's viewpoint.""

And it is also now the "holy place", everything spiritual and of actual Biblical and divine meaning has now converged into the mundane and profaned "Theocratic Organization" idol of faith diversion.

(Exodus 32:1) Meanwhile the people got to see that Moses was taking a long time about coming down from the mountain. So the people congregated themselves about Aaron and said to him: "Get up, make for us a god who will go ahead of us, because as regards this Moses, the man who led us up out of the land of Egypt, we certainly do not know what has happened to him."

(Numbers 16:1-3) And Korah the son of Izhar, the son of Kohath, the son of Levi, proceeded to get up, together with Dathan and Abiram the sons of Eliab, and On the son of Peleth, the sons of Reuben. 2 And they proceeded to rise up before Moses, they and two hundred and fifty men of the sons of Israel, chieftains of the assembly, summoned ones of the meeting, men of fame. 3 So they congregated themselves against Moses and Aaron and said to them: "That is enough of you, because the whole assembly are all of them holy and Jehovah is in their midst. Why, then, should you lift yourselves up above the congregation of Jehovah?"

Well now the Korah Governing Body and their Bethel "Golden Calf" is "Organized for Final Work" alright, the work of foretold apostasy and "throwing the established place down". (Dan11:41; Dan8:11) Might as well add one more centerpiece of idolatry to the Bethel pantheon: The UN NGO, before they go.

4. 1990 UN NGO

And of course it did not take long after 1976, just 15 years, to get to Fred Franz' death (1992), and the well timed [1991 UN NGO](#) catastrophe, while concealing the meaning of that [1990 3rd United Nations event](#) of Daniel 11:31b, Daniel 8:23a at the same time.

Now [Daniel 8 and 11 continue to be bypassed](#) by the context of the WW2 fictions used to form the above transformation to a Governing Body of Apostasy ruled, supposedly still anointed Christian, now fully derailed Jehovah's witnesses and anointed Christian ministry.

This entire subversion was then fully concreted in by the 1993 Jehovah's Witnesses—Proclaimers of God's Kingdom book of 1990 diversion; 750 pages of pure "Organizational Idolatry Bible" to distract Jehovah's witnesses from the post 1990 global developments regarding the United Nations 3rd presentation.

Not to mention a fabrication of actual Jehovah's witnesses ministerial history to fit this post 1944 agenda.

The 1999 "Pay Attention to Daniel's Prophecy" book finalization of the take over was then released so that Daniel prophecy would not be revisited as the fall of the USSR would dictate the need to do, as Jehovah's witnesses fully IGNORE Daniel 8 and 11 reality as it merely continues the 1958 version of premature errors.

In reality Matthew 24:15 is present in this [UN NGO "sighting" placed at Apostate Bethel](#) in the [1990 period of the 3rd United Nations global presentation](#):

(Matthew 24:15-16) "Therefore, when you catch sight of the (UN NGO; Dan11:31) disgusting thing that causes desolation, as spoken of through Daniel the prophet (modern Dan11:31 "disgusting thing that causes desolation" as parallel of Dan8:13 "transgression causing desolation"), standing in a holy place (in the claimant anointed Christian "constant feature" ministry as UN NGO), (let the reader use discernment,) 16 then let those in Judea begin fleeing to the mountains. (Because the JW Bethel desolation judgment for that UN NGO "transgression causing desolation" is near; 1Pet4:17; Dan8:13-14; Rev8:3-5);

5. Final "Seating Themselves" as Lifted Up" Modern "Man of Lawlessness"

(2 Thessalonians 2:3-4) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god.

In October of 2012, at the WTBS Annual Meeting, the "Governing Body is the "faithful and discreet slave"" pinnacle SIGNAL blasphemy of this whole folly finally emerged publicly, before the globe, as the [modern "man of lawlessness" sign](#):

*** Watchtower 2013; 7/15 p. 22 par. 10 Who Really Is the Faithful and Discreet Slave? ***

""Who, then, is the faithful and discreet slave? In keeping with Jesus' pattern of feeding many through the hands of a few, that slave is made up of [a small group of anointed brothers who are directly involved in preparing and dispensing spiritual food during Christ's presence](#). Throughout the last days, the anointed brothers who make up the faithful slave have served together at headquarters. In recent decades, that slave has been [closely identified with the Governing Body](#)

of Jehovah's Witnesses.""

This a noteworthy *global public event* "publicly showing himself" in self-glorification because every former "anointed class" from the apostles to 1919 is demoted for the Governing Body's own self approving "judgment" of "lifting themselves over everyone", premature of the final divine determination (Matt24:45-51; [Matt25:1-13](#)), which all of this subverting profanation is actually and logically leading to. (1Pet4:17; [Dan8:13-14](#)) The Governing Body are now "seated" on the "Throne" of their own "Bethel Kingdom".

In reality this marks the final "lifting themselves over everyone" self glorification stunt to mark this modern apostate Bethel signal portion of what is a finalizing Governing Body "seated" global-public blasphemy among a claimant anointed Christian "Temple" "of the God" "locale" and ministry in globally public manner. It was so globally public, the world made the GB=FDS "big announcement" in October of 2012 from "another historic Annual Meeting" before the general Jehovah's witnesses population was informed in July of 2013! JW's were the last to know of this "no light" sold as "new light".

Thus for them to also cover up real UN prophecy in final stages of world government development is part of their overall subversion objective as [the real apostasy to trigger a major prophetic temple judgment is in the leadership](#). And to add to the suspense and smokescreen of distraction, Bethel also employs their own prelude "end of the world" deception of premature expectation, to cap this all off as undeniable:

(2 Thessalonians 2:1-2) However, brothers, respecting the presence of our Lord Jesus Christ and our being gathered together to him, we request of you 2 not to be quickly shaken from your reason nor to be excited either through an inspired expression or through a verbal message or through a letter as though from us, to the effect that the day of Jehovah is here. (premature of reality)

That is why their apostasy is what is revealed, judged and fully globally exposed well before even World Government, thus well before [Christ arrival for final gathering purposes first](#) and thus well before the real end. The [premature "end" delusion](#) is [Bethel's main JW delusion of modern usage](#).

(2 Thessalonians 2:3-4) 3 Let no one seduce you in any manner (such as apostate Bethel), because it will not come unless the (final) **apostasy (Dan11:32a) comes first and the man of lawlessness gets revealed, the son of destruction. (nowpresent at "disgusting thing" partnered Bethel) 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god. (not only is the "Governing Body" 1976 coup a "lift up"; their current "we alone are the faithful slave" fiasco is the pinnacle of such "lifted up" blasphemy "in the temple" association.)**

And that apostasy, is this apostasy parallel at "King North" led Bethel:

(Daniel 11:32) "And those who are acting wickedly against [the] covenant (at Bethel), he (8th King/King North) will lead into **apostasy by means of smooth words. (The Bethel "smooth words" 8th King cover-up in the JW publications is part of the smoothly justified apostasy, such as that shown here in this article);**

Reality Check: Turn On the Bethel Apostasy Prophecy Radar

And now the Bethel "Governing Body" "all seeing eye" of "light" has the blasphemous audacity to claim all this subversion and illegal authority is what has "purified" the "sanctuary" to its "right condition" to cap of Daniel 8:13-14 for Jehovah's witnesses, as if "all fulfilled brothers!"

In addition to all the profaning, God, Christ and Christian demoting activities of a diversion that spotlights and gives service and ultimate authority to a pyramidal style "Governing Body" cascading over an enslaved "Egypt" style "nation of Jehovah's witnesses", as the WTBS "Theocratic Organization" "JW Org Sphinx" idol has formed in the process; there is something worse, as built by this self same "Governing Body" Pharaoh Pyramid Architects—the **United Nations of Non Governmental Organizations** "non-kingdom" membership of the WTBS Bethel system in that 1991 Capstone of Apostasy for the global record. (Matt24:15; Matt13:36-42)

Thus what Bethel claims is the "purified" "right condition" of Daniel 8:14 is the diametric opposite apostasy forming domination structure of the modern "UNright condition" (Dan11:32a) which is what is now required to be "cleansed" in a yet to come final divine action that will fulfill the real Daniel 8:13-14 decree and timed Temple Judgment of modern times in the future.

How God does the true "right condition" development is unknown in detail, but that He will is certain (Dan11:41; Zech3:1-5; Mal3:1-5; Dan8:13-14; Rev8:3-5). Why, is now getting more and more obvious to Jehovah's witnesses paying close attention to especially the latest GB stunts and waffle jobs.

[In reality the modern Temple Judgment of Daniel 8:13-14 is yet to come](#)

This [modern Temple Judgment](#) phase ([Rev8, final fulfillment](#)) will be timed (Dan8:14) and phased (Dan8:26) for future full verification far more precise and of far greater shaking context (Dan11:41) than the supposed "purifications" Bethel and its Governing Body

Sausage of Pyramidal "Theocracy". It will be of truly "Prophetic Proportions".

How the UN NGO is the Real Daniel 8:13 "Transgression Causing Desolation" to Bethel, Soon

The [1990 3rd United Nations](#) post Cold War global presentation of the Daniel 11:31b "disgusting thing *that causes desolation*" is connected in more than wording to the "transgression *causing desolation*", [here, in the below section, is how it connects to Bethel's UN NGO](#) "disgusting thing" placement version. ([Matt24:15](#))

(Daniel 8:13) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the (profaned) constant [feature] and of the *transgression causing desolation* (UN NGO alliance of Daniel 11:31b), to make both [the] holy place (temple "established place"; Dan8:11) and [the] (JW worldwide) army things to trample on?" (first 8th King "trampling" "attack" defining the spiritual meaning of the "tribulation of those days" beginning);

In reality, while "theocratic organization" was being set in stone as actually "rule by a powerful [Masonic] priesthood" forming since 1944, which was to in time be filled by the Governing Body title capitalization of 1971 to the assumed full Bethel Governing Body led dictatorship of 1976 first notable full "lift up", that profanation would lead in time, just fifteen years, to the 1991 3rd United Nations "New World Order" sponsoring WTBT UN NGO, sealing of the deal.

And now in hindsight, the changes that did occur actually were in time used to strengthen the Bethel iron fist grip as if "theocratic organization" upon the individual congregational hierarchical appointments in a "gradually given over" form of progressive steps to span the whole organizational control structure from the congregations, to the branches, to Bethel and the WTBT Governing Body total control. (Which WTBT "charter adjustments" (to aid the "Governing Body" parallel maturation), you can research in connection with the history of the Bethel attempt to "interpret" Daniel 8:13-14 to cloak the takeover steps.)

Now if we see what happened in 1976 as a third "board of directors" challenge of the authority of the president (1897, Russell; 1917, Rutherford; 1976, Knorr), as all Watchtower presidents up to and including Knorr were challenged for WTBT and ministry control, successful against Knorr (1976), then the progressive dictatorial additions of those 1932 and 1944 "charter adjustments" were then used to further the eventual full top down parallel Governing Body dictatorial agenda, as finally the "board of directors", aka the "governing body" to "Governing Body" (1971), seized control for good, in 1976.

That then led to the UN NGO of 1991. All coincidence?

Now the real UN NGO "transgression causing desolation" epicenter of judgment, and the real required "right condition" context (Dan11:41) of coming Daniel 8:13 "trampling" developments, can be met in final Governing Body coup events to come in the future on the "Worldwide Organization of Jehovah's Witnesses", that the GB and Bethel will play off to Jehovah's witnesses, for the "trampling" and "invasion" phase, as "the end", [Gog](#) and [King North, as if Daniel 11:44](#), way too soon.

But in reality of that global JW organizational "trampling" activating Daniel 11:41 (Dan8:11) final phase beyond just infiltration, that will instead create the global temple judgment context of the true purification events, by the Daniel 8:13-14 "trampling" to come, for all this progressive to terminal apostasy at Bethel, now fully "installed in the congregations of Jehovah's witnesses" from the apostate Bethel top tier of apostasy.

Bethel will be the visible target and epicenter of the judgment starting there. (1Pet4:17) But it is really an [overall anointed Christian judgment en route to "8th King" world government](#) in [7th King required downfall](#) as well, which these visible high profile temple judgment events will aid the explanation of later.

King North's Bethel Capstone Development

What all this Bethel control and JW subversion development is, is actually [foretold King North implanted infiltration](#), from way back, to invent the modern Jehovah's witnesses "Theocracy" which is now actually a Governing Body ruled total profaned abomination totally foreign to anything Christian before its 1944 first budding cell of cancer:

(Daniel 11:30-31) "And he (8th King/King North) will actually go back and hurl denunciations against the holy covenant and act effectively (produces a successful operation Dan8:12b active for quite some time in preparation); and he (8th King) will have to go back and will give consideration to those leaving the holy covenant. (anointed core defection at Bethel aids internal 8th King agent internal infiltration access in time) 31 (Bethel subversion:) And there will be arms that will stand up (inside of Bethel; Dan11:41 (Dan8:11) initial phase; Luke21:20), proceeding from him (8th King planners); and they (collusion) will actually profane the sanctuary, the fortress, and remove the constant [feature]. (3rd UN placement 1990:) "And they (team effort) will certainly put in place the disgusting thing that is causing desolation. (3rd UN placement, 1990; UN NGO, 1991, at Bethel; Matt24:15; Dan8:13 "transgression causing desolation");

(Daniel 11:32) "And those who are acting wickedly against [the] covenant (at Bethel), he (8th King/King North) will lead into apostasy by means of smooth words. (The Bethel "smooth words" 8th King cover-up in the JW publications is part of the smoothly justified apostasy);

These developments parallel Daniel 8:11-12 subversion developments inside of Bethel, for eventual WTBT JW organization coming total coup. This is an "army" subversion prophecy:

(Daniel 8:11-12) . . . And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place (Bethel JW worldwide organization) of his sanctuary was thrown down. 12 And an (JW worldwide) army itself was gradually given over (to 8th King infiltrative control), together with the constant [feature] (imbibed with disinformation), because of transgression; (UN NGO and other sins permits allowance of the compromise by removed divine blessing and discernment while fulfillment of prophecy is effected for greater future purpose); and it kept throwing truth to the earth (cover up, disinformation), and it acted and had success. (Dan11:30 "act effectively" parallel, completely successful unlike anything World War 2 produced in ultimate failure when compared to this post 1944 8th King engineered intelligence and subversion operation deployed through the eventual "Governing Body" and installed Bethel agents);

Daniel 8:13 Prelude to Daniel 8:14

And that is why Bethel tries, but fails to connect Daniel 8:13 real clues of TEMPLE TRANSGRESSION, that they are actually fulfilling, to the need for the Daniel 8:14 coming purification of the future:

(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?" 14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition."

Watch how, in 1982, they shift that Daniel 8:13 prelude forward to a totally disconnected WW2 war persecution "transgression", totally disconnected from the rationale of the then emerging 1944 GB ruled "theocratic organization" that purifies the "profanation", in their following Daniel 8:14 total "spin" of "organizational adjustments" "fulfilling prophecy". It is fulfilling prophecy alright, apostasy prophecy not anything "purified" about it, but the diametric opposite.

So then there is no real connection, in Bethel's fictional version except to the needed 1944 year. The REAL reality between the real temple "transgression" of Daniel 8:13 and the COMING Daniel 8:14 temple purification is totally bypassed and severed and set in fossilization in Jehovah's witnesses "theology". This below, is Bethel's strange new rationale, now shifted up in time to fit a nice WW2 scenario, to make it all "look real", yet it is totally unconnectable to the following Daniel 8:14 Bethel claims.

So notice how Bethel shifts the "transgression" to the worldly powers during WW2, and the "right condition" to these modern Governing Body based abominations we have been outlining:

***** Watchtower 1982; 9/15 pp. 16-17 pars. 19-21 The Kingdom and "a Holy Place" *****

[It begins with a memorable persecution phase on some Christian Jehovah's witnesses during WW2, applied to Daniel 8:13:]

""Well, what was the experience of faithful Bible students—Jehovah's Witnesses—during World War II? Intense persecution! This amounted to a "transgression," an effort to desolate God's "sanctuary" class, and so take away from Jehovah the "constant feature" of daily public worship. It started in Nazi-Fascist countries. But soon 'truth was being thrown to the earth' throughout the vast domain of the 'small horn whose power became mighty.' The "army" of kingdom proclaimers and their work of preaching kingdom truth was banned in almost all of the British Commonwealth. When these nations conscripted their manpower they refused to grant exemption as ministers to Jehovah's Witnesses; they showed no respect for their theocratic appointment as ministers of God. Mob violence and other indignities were heaped upon Jehovah's faithful servants in the United States.

[Then they shift Daniel 8:14 to the "Theocracy restored" and GB glorifying waffle they have since mixed and spun for modern Jehovah's witnesses:]

20 However, according to Daniel 8:13, 14, after a period of 'twenty-three hundred days' (six years, four months and twenty days), the "holy place" would be brought again "into its right condition," or would "emerge victorious" (New English Bible). Indeed, Jehovah's Witnesses had been fiercely persecuted because of their insistence on 'obeying God as ruler rather than men.' (Acts 5:29) But during the closing months of World War II they reaffirmed their determination to magnify Jehovah's rulership and to adhere to it within their organization. To that end, a rearrangement of the work and governing structure of Jehovah's Witnesses was initiated in 1944. The Watchtower of October 15, 1944, took as its theme "Organized for Final Work." This and other service-oriented articles of the same period showed that the "holy place" was again in its "right condition" from Jehovah's viewpoint.

[Then they make this statement in outright contradiction of the prophecy of "acted and had success" (Dan8:12b) itself:]

21 The enemy's vicious attempt to desolate and destroy the "holy place" completely had failed. The remaining "holy ones" on earth, along with their companions of the "great crowd," had come off victorious. The kingdom of the Supreme One, Jehovah, and of his Christ, had triumphed! What would follow, according to Jehovah's prophetic word? We shall now see.""

Previous to that Daniel 8:14 concoction to make the Governing Body of Theocracy look real, now the Daniel 8:13 "transgression" gets blamed on the worldly powers (when in reality it is a temple transgression and "unright" state (Zech3:3), "IN the temple" (2Thess2:1-4, 11-12)). But in reality Daniel 8:13-14 are all totally connected to modern Bethel based temple transgression and its coming timed

judgment verification of Daniel 8:14, and phasing of "evening" to "morning" of Daniel 8:14,26.

Reality: 1944-1976 Governing Body of the 1990 UN NGO and UN Prophecy Cover Up

In reality the 1991 UN NGO is what that 1944 emergent-to 1976 "Governing Body" Dictatorship brought in as well, as the real "transgression causing desolation":

(Daniel 8:13) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the ((profaned) constant [feature] and of the *transgression causing desolation* ((UN NGO alliance of Daniel 11:31b)), to make both [the] holy place ((temple "established place"; Dan8:11)) and [the] ((JW worldwide)) army things to trample on?" ((first 8th King "trampling" "attack" defining the spiritual meaning of the "tribulation of those days" beginning));

And those above temple profanation developments, and that above decree connects explicitly to the required *future* temple judgment purification yet to come:

(Daniel 8:14) So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition." ((Temple judgment purification completed in this timed period parallel Zechariah 3:4-5, Revelation 8:1-5));

Thus that is how it is actually connected, and how the truly illegal "Governing Body" is the main profaning instrument "in the temple" (2Thess2:1-4), ALSO connected in quite another manner, to actually the final apostasy, in that same overall development, now clearly seen active since 1944 in "gradually given over" manner.

And so after over 70 years of this "gradually given over" (Dan8:12) reality in Jehovah's witnesses whole ministry since 1944, and 40 years under the 1976 Governing Body Tyranny foisted upon total fictions since 1944, the "operation of error" in modern form is the same development, but in *generalized* form here:

(2 Thessalonians 2:11-12) So that is why God lets an operation of error go to them, that they may get to believing the lie, 12 in order that they all may be judged because they did not believe the truth but took pleasure in unrighteousness.

Whereas Daniel 8:11-14 and its Daniel 11:30-35 parallel is the *details* of this "operation of error" "gradually" developing, that has now become a full blown lie and total ministerial "temple" "profanation. (Zech3:3) So in it being an "error" first, the 1944 developments that came after Rutherford had died, can be considered an error as some anointed Christians, at least all of those at Bethel in 1944, were in agreement with the "governing body" concept, the first "error", [not yet a total lie](#).

But later in 1971, the "error" is capitalized "Governing Body" and on to form today's full blown "Theocratic Lie" of a UN NGO governing, Governing Body illegal entity and authority "in the temple", a total dictatorship since 1976. That being the case, we have this symbolic character now "in the temple", in its *general* form and principle, also still applicable to Christendom's many "governing body" overridden ministries, which Bethel has also adjoined to for the same purposes:

(2 Thessalonians 2:3-5) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god. 5 Do you not remember that, while I was yet with you, I used to tell you these things?

And [Bethel ALSO has a PREMATURE "end of the world" diversion](#) to ALSO mesmerize and further distract the modern Jehovah's witness' mind from reality:

(2 Thessalonians 2:1-2) However, brothers, respecting the presence of our Lord Jesus Christ and our being gathered together to him, we request of you 2 not to be quickly shaken from your reason nor to be excited either through an inspired expression or through a verbal message or through a letter as though from us, to the effect that the day of Jehovah is here. (well premature of reality);

Daniel 8:13-14 Means The Modern Temple Judgment

Now the global "JW Organization" "trampling" of Daniel 8:13, *of the future*, is the only way to account for this real "UNright condition" in a once valid anointed Christian ministry, and free [Jehovah's witnesses trapped in and by](#) this totally mature error-to-lie, post 1944, development of full blown anti-Christian based apostasy *inside* the administration of the Jehovah's witnesses worldwide ministry.

Soon [the real Daniel 8:13-14 will begin](#), and it is timed in two phases for future verification, 3.19 years minimum, or 1150 days, but possibly the whole 2300 days as 6.38 years of judgment to purified recovery. (Dan8:14,26) That being the possibility, it may be an 1150 day "evening" darkness phase of temple "trampling" desolation and an 1150 day phase of "the morning" of enlightening recovery to full "right condition.

Daniel 8:14 cryptic wording means we need to pay attention to this prophecy when major notable actions come against Bethel and or the Jehovah's witnesses profaned "constant feature", such as the cancellation or illegal transformation of the Jehovah's Witnesses ministry into a ["hard hitting judgment message" of "the end"](#) which will not manifest, but leave Jehovah's witnesses in prophetic error

and confusion for [three years of "evening"](#) darkness of judgment developments:
*** Watchtower 2015; 7/15 pg. 16, par. 9 Your Deliverance is Getting Near ***

9 This will not be the time to preach the "good news of the Kingdom." That time will have passed. The time for "the end" will have come! (Matthew 24:14) No doubt God's people will proclaim a hard-hitting judgment message. This may well involve a declaration announcing that Satan's wicked world is about to come to its complete end.

And it is phrased as reiterated here:

(Daniel 8:26) And the thing seen concerning the evening and the morning, which has been said, it is true. And you, for your part, keep secret the vision, because it is yet for many days.

Final Notes

Now if you per chance can ever ask a Jehovah's witness elder to give the modern Jehovah's witnesses interpretation for this complicated flip-flop of the "Pay Attention to Daniel's Prophecy" 1999 version (pgs 165-179), that slid up the events to match WW2 (aiding the Daniel 8:11-13 "interpretation" "details"), from the Fred Franz era "Your Will Be Done on Earth" Daniel book of 1958 (pgs 188-219), you will find out few of them, if any, can explain the thing.

(After you read both Daniel 8:13-14 sections, you will understand why, but that the prophecy has problems, and in reality has yet to fulfill, is also why no one can explain this properly at Bethel. They ARE the "unright condition" now present.)

This is because it is not a "cornerstone" teaching of Jehovah's witnesses because it has major inconsistencies—but to Bethel's apostate engineers it is the foundation and capstone developmental connection to prophecy as blasphemy. It implies WTBS "charter adjustments" were what brought the "temple" into the "right condition" of "theocratic organization". Which is of course ridiculous, when in hindsight it brought the whole under a complete Governing Body dictatorship called a "Theocracy", a blasphemy, "gradually given over" from 1944 to today. (the real Dan8:12)

(Daniel 8:12) [a Jehovah's witnesses] army itself was gradually given over [to the rival system by subversion].

Only divine temple judgment can now rectify the true condition of the Jehovah's witnesses apostatized and stalled ministry, and those coming events will be the real Daniel 8:13-14 in the context of Daniel 11:41 gone full blown on the "JW Organization" central idol of distractions and error.

This Apostate "Jerusalem" Generation

That being the case, then the [apostate] "Jerusalem judgment" pattern in Matthew 24, Luke 21 and Mark 13 as seen here:

(Matthew 24:32-36) "Now learn from the fig tree as an illustration this point: Just as soon as its young branch grows tender and it puts forth leaves, you know that summer is near. 33 Likewise also you, when you see all these things, know that he is near at the doors. 34 Truly I say to you that this generation will by no means pass away until all these things occur. 35 Heaven and earth will pass away, but my words will by no means pass away. 36 "Concerning that day and hour nobody knows, neither the angels of the heavens nor the Son, but only the Father.

which Bethel has turned into a slippery banana peel of modern Bethel waffling Stumble Works, is really "this generation" that has seen all these post 1944 Governing Body takeover of Bethel, and its apostate developments from inception to maturity. Now the modern Temple Judgment Generation of anointed Christians, dispersed in the Jehovah's witnesses ministry, cast out, out of action or stumbled, or fled outside of this modern "Jerusalem" apostate parallel are the overall generation in that prophecy.

And since the temple judgment comes first, well before "the end", this prophecy is not intended to be an "hourglass" to track the health of old anointed Christians to know "how close" "the end" is. Instead apostate Bethel has used this diversion to instead hype the premature "the end" among Jehovah's witnesses, and stumble people as they flip the "hour glass" yet again and again.

Another clue is the use of the "generation" word as a general meaning of the apostate Jerusalem generation that developed in the time of Christ and saw that phase of the prophecy of the judgment come true in all details applicable to that time. The examples in Matthew 11:16, Matthew 12:38, Matthew 12:45, Matthew 16:4, Matthew 17:17, Matthew 23:36, show that the "generation" of Matthew 24:34 is a general description of Christ's overall mostly apostate Jerusalem population of Israelites and others who saw all those things applicable to the Jerusalem judgment culminating in 70 CE.

Hence the reason to now flee the Bethel "organizational" "apostate Jerusalem" global-locale when one "catches sight" of the general or specific context of Bethel's UN NGO climax modern apostasy signal, because a heavy judgment, the one in Daniel 8:13-14 is coming soon on that "a system of things" (Matt13:36-42; Matt25:1-13):

(Matthew 24:15-16) "Therefore, when you catch sight of the (UN NGO; Dan11:31) disgusting thing that causes desolation, as spoken of through Daniel the prophet (modern Dan11:31 "disgusting thing that causes desolation" as parallel of Dan8:13 "transgression causing desolation"), standing in a holy place (in the claimant anointed Christian "constant feature" ministry as UN NGO), (let the reader use discernment,) 16 then let those in Judea begin fleeing to the mountains. (Because the JW Bethel desolation judgment for that UN NGO "transgression causing desolation" is near; 1Pet4:17; Dan8:13-14; Rev8:3-5);

The Question is Can Bethel Repent?

It certainly has real problems of terminal apostasy in its leadership, such as a UN NGO sponsoring deal. (Dan11:31; Matt24:15)

Unfortunately, the Governing Body Show has given some Christians actual valid reasons for leaving. (Matt24:15) Not all but some. There are GB based hypocrisies and truly anti-Christian policies and alliances that are dubious to the point God has to have also seen these MAJOR PROBLEMS, as some Christians with true Kingdom awareness have. For example, joining the United Nations of Organizations, is NOT in God's approval, no matter how Bethel spins it, it IS Matthew 24:15 as Daniel 11:30-32a, and Daniel 8:12.

(The Daniel 8:13 Temple "TRANSGRESSION causing desolation" to the temple "established place" of Daniel 8:11.)

In fact men who claim infallibility between the lines, and set up a self protecting illegal Bethel Inquisition Judiciary to condemn men, brothers even in the GB and Bethel system for years, to a spiritual death of Gehenna in their own over-extension of well "beyond the things written" authority, are always exposed in time, BY GOD, just like the Pharisees.

This JW Reformer's article is very telling in this matter, in a very simple manner:

Jehovah Blesses Obedience
by Meleti Vivlon Sep 25, 2015

<http://meletivivlon.com/2015/09/25/jehovah-blesses-obedience/>

""We are reaping what we have sown, and the reproach we were hoping to avoid has been magnified 100-fold by our failed hypocrisy.""

Contrary to Popular Belief, Bethel and its Governing Body are Subject to Divine Requirements and Judgment Like Anyone Else

Now the point is, to God, LEADERS are not given "Special License to Sin", which they ALL claim between the lines, like the GB. The LEADERS are given TOP ATTENTION from God when He inspects a ministry. (Zech3:1-3; Isa1-12; Hosea; Micah; Amos)

And when God gets to exposing and judging REAL CRIMINAL ACTIVITY in a Christian LEADERSHIP, that itself is based on a Babel and Christendom "governing body" concept—as if divine, no questions asked—when it is not Biblical in the least, it will be completely revealed in time—as is the case of HOW Bethel devolved into an illegal idolatry. [1]

==
AND THIS IS BECAUSE JEHOVAH GOD AND JESUS CHRIST HAVE INDEED BEEN USING JEHOVAH'S WITNESSES MINISTRY SINCE 1914 BY DIVINE DECREE. THAT IS THE TRUTH!
==

So it is not that Jehovah's witnesses "never had the truth", it is that they DO have the truth, and so God WILL deal with the problem: The Governing Body of Apostasy and their UN NGO covenant with the UN, involving God's people. (Daniel 8:13-14 as Daniel 11:41; Revelation 8:3-5)

It WILL get serious, it is no light matter, and it will PROVE this is Jehovah's anointed Christian house (1Pet4:17), merely using a mundane ministerial resource "established place" (Dan8:11) "organized ministry", that He WILL create ENORMOUS Judgment event upon FIRST, to wake up BOTH Jehovah's witness and those paying attention.

"The Organization" and its so-called "Governing Body" have become one of these illegal idols in God's eyes, and it does NOTHING to minimize, but only to promote, such a lofty place in Jehovah's witnesses eyes. They even had the blasphemous audacity to declare themselves the "faithful slave", playing seated "God's", in God's temple arrangement by their OWN approval, rather than God and Christ's by judgment first. (2Thess2:3-4)

And they have the premature "it can end any day brothers!" distraction well in place as well (2Thess2:1-2), to smokescreen final prophecy that can be explained in light of globalization development to culminate into 8th King World Government, to "ascend" and "heal", upon the REQUIRED 7th King fall and "sword stroke" coming. (Rev13:3; Dan11:42-43; Isa41:1; Rev17:8-13; Rev11:7)

Most Everyone is in Denial in Their Own Way

Now true most JWs and most JW critics alike, do not want this to be the real reason why these Days of Jehovah's Judgment are coming on Jehovah's witnesses and the now idolized and UN profaned organization and ministry. (Zech3:1-5)

1. JWs want to think it is in the "right condition" since 1944. (Dan8:14)

2. Many JW critics want to excuse themselves from overall divine responsibility as Christians, so they want JWs to be invalid and the sovereign warning of 1914 off their backs, and to just do their ministry the way they want, particularly to its main sovereign message, getting lax on the UN reality as the Wildbeast forming to World Government—they want to deny that will come, and that that will trigger

Christ.

And all of this is NORMAL for Adamic humans, especially when a Christian ministerial leadership becomes the hypocritical problem aiding the doubt!

And by the events Jehovah Almighty God by Christ will bring on this derailed ministry, and its GB Kings of Bethel, JWs can be freed and updated, and both groups can be awakened to the revived, updated and clarified final ministry that WILL form AFTER the Bethel Apostasy is dealt with in GLOBAL MANNER as decreed by God at Daniel 8:13-14.

Bethel CLAIMS the Daniel 8:14 "RIGHT CONDITION" of the anointed "Temple" has been present SINCE 1944 [3], by a historic process of "organizational adjustments" that brought the congregations, branches and all of Bethel under the dictatorial rule of a "Governing Body" that went into Rogue Tyranny in 1976, against Nathan Knorr's and Fred Franz's wishes and stern advice! ON THE RECORD at Bethel and elsewhere.

1. THEY REBELLED in 1976 against the God set INDIVIDUAL ministerial spearheads since 1870.
2. They first peeped the "governing body" term in 1944, to a title in 1971, to a full dictatorship in 1976, to UN NGO in 1991, to today's major GB based apostate problem with UN ties.
3. NOW the process they claimed was instituted under the post 1944 "right condition" is actually what has formed the WRONG CONDITION in the anointed Christians ministry!

It IS what it IS: Foretold Christian Leadership Apostasy! The Daniel 8:14 diametric "Wrong Condition".

===

Face the Music—The Temple Judgment

NOW the real Daniel 8:13-14 must come on Bethel, because it is PLAIN AS DAY what the Governing Body Experiment in so-called "Theocratic Organization" has led to: The DOWNFALL of the Jehovah's witnesses ministry, temporarily, in apostasy, UN alliance and total spiritual drunken slumber. (Matt25:2)

And now, in time, Bethel AND Jehovah's witnesses will have to face, and give an account of the real Daniel 8:13-14, and Bethel's false claims it has all been already in the "right condition", as engineered by historic "organizational adjustments", culminating in that 1944 "right condition" claim, in the 1999 Pay No Attention to Daniel's Prophecy book. [3]

The 1970s final changes brought the whole JW ministry and corporate complex under Governing Body dictatorial, no questions asked, infallible, unapologetic, rigid authority, to the point they found it advisable to even join the United Nations of Non Governmental Organizations, rather than explain the Outreach UN NGO Division's true UN objective: Get all global organizations acceptable and willing to adjoin to the UN as well!

NOW the REAL Daniel 8:13-14 is coming on Bethel's head.

Will Bethel repent in public full disclosure?

Or will they continue in blind denial?

Will God even offer Bethel repentance at this point in the development after the accounting "trampling" is completed?
