

# Understanding Why God's Prophecy REPEATS

## Repeating Prophecy Aids Retention and Future Understanding

Basically there is a sequence of timed prophecies in Daniel's prophecy, which fulfilled in 1914-1926 first cycle, which set a pattern for the future final prophecy cycle, in a repeating final cycle multi-year final sequence of final fulfillment.

<b>Notes</b>			
The 1914-1919 first global and spiritual pattern-cycle is the basis of the final cycle because the same events and meanings repeat in the future into final entities.			

1. Thus, the first affirmed timed prophecy pattern of Daniel 12's first cycle of 1914-1926 was a preview **which repeats in the future** all the way to World Government and the Christ arrival it will trigger.

A. All those original 1914-1918 (Dan12:7), 1919-1922 (Dan12:11), 1922-1926 (Dan12:12) timed prophecies were previews of the basic meaning of the sequential periods which allows us to understand for the future culmination **before** it manifests in the future.

**In fact, without the 1914-1926 first Daniel 12 prophecy cycle, we could not understand the final future prophecy cycle before it fulfills, which will be necessary for the final 1260 days ministerial summary of the future.**

2. And because Daniel's timed prophecies are cross-registered in their 1260 days, "time, times, and half a time", "42 months", [parallel] time signatures [for also the future], the Daniel 7:25, Daniel 12:7, Revelation 11:2, Revelation 11:3, Revelation 12:6 (1914-1918 only), Revelation 12:14, and Revelation 13:5 parallel 1260 days prophecies have all the required spiritual and world event cycle details in them already, to know how the final 1260 days [replication of fulfillment] will lead to completed "8th King" "King North" World Government to complete by Daniel 12:11's 1290 days beginning.

3. And thus we know when it is [in Daniel 12:11](#) that Christ "second coming" is to occur, after world government completes, in a "salvation parousia" to extract the global sheep to security before he conquers and destroys the world government final rival, and abysse Satan and the demons shortly thereafter.

A. The purpose of this logic is that repeating spiritual and world events are described in **repeating prophecy** because the main cyclic means and purposes of the events remain the same. The final cycle will have to contain the same cyclic features as did the first cycle of 1914-1918, 1919-1922, 1922-1926.

B. Thus when the next **repeating world cycle** begins (Rev13:3), it will contain a framework defined by many already historic repeating elements to form one whole future outcome which can thus be known before it activates fully. (Dan11:42-43)

C. Thus, there is a good reason why God used Daniel 12's **repeating sequential timed prophecy** like sand in an hour glass to the Christ arrival in the future. The Christ arrival will actually become globally indicated well *before* he arrives, as the **final repeating-prophecy progression** steps over these timed periods that to massive universal scale event of the future.

4. Revelation 8-11 spiritual temple judgment to recovery events also repeat with Revelation 15-16 in this time complete sequential form convergent with the above Daniel 12 final cycle timed prophecies of Daniel 8:14, Daniel 12:7, Daniel 12:11, and Daniel 12:12.

## Apostasy to the Temple Judgment REPEATS

For an example of a [repeating element] from the first cycle that we see today in Jehovah's witnesses corrupted ministry and organization, is the final apostasy aberration which undermines the ministry and discredits important first cycle prophecies.

The final apostasy foretold in prophecy becomes recognizable in time. And as it does we know an apostasy of this well foretold severity (Dan8:11-14; Dan11:30-35; 2Thess2:1-12; Zech3:1-9), always leads to an epic scale judgment from God (Dan8:13-14;

Rev8), and that on his own "house" first.

**(1 Peter 4:17) For it is the appointed time for the judgment to start with the house of God.**

1. Thus, when God decimates His own apostate "house" first in the then multi-year prophecy mapped process starting there first (Dan8:13-14), it eventually forms a "we are here" signal to "put together" where the rest of the then repeating final timed prophecy sequence is heading.

			<b>Messianic Kingdom Millennium Begins</b>

A. That is, the Jehovah's witnesses [foretold apostate downfall](#) is **the first event** of the future final cycle prophecy activation cycle of Revelation 8-11 parallel. (1Pet4:17; Dan11:41)

B. The entire multi-year Revelation 8-11 final Revelation and Daniel 12 final fulfillment cycle will have but begun with the destruction of the Jehovah's witnesses apostasy and "man of lawlessness" as timed in Daniel 8:13-14 for future verification.

**It will not be "the end" "of the world", it will be "the end" of the apostasy and its globally visible headquarters for the historically seen prophecy benchmark, the rest of the prophecy will continue to repeat and unfold in the same manner as the first cycle, but this time to World Government in full.**

**Because Daniel 8:14 timing can be 1150 days or 2300 days to become verifiable after the fact, we have to pay attention to dates and events which mark the apostate Jehovah's witnesses global downfall in its ministerial and organizational dissolution event benchmarks for the prophecy timing verifications later.**

**The Timed Prophecies of 1260 Days, 1290 Days, 1335 Days REPEAT**

1. This is why we have timed prophecies for the final cycle. They are in order sequentially, and they will step along [sequentially] year over year and period over period as Daniel 8:14 (temple judgment) starts the final cycle, unto Daniel 12:7 (final ministry), unto Daniel 12:11 (world government and Christ arrival), unto Daniel 12:12 (Christ conquest), **ALL REPEATING IN FINAL FORM**, [in the future].

A. Now Daniel 8:14 is a unique one time only timed temple judgment inception period of the future, but the temple judgment on the apostasy which it foretells is a repeating principle.

2. This is because we know the temple judgment timing begins the final cycle. (Dan8:13-14=Rev8) And once that Daniel 8:14 temple judgment events and timing is affirmed, the multi-year process for the Daniel 12:7 (Rev11:3) final ministry 1260 days, and the Daniel 12:11 1290 days World Government triggered Christ arrival salvation period, will each become affirmed as they also fulfill later in sequence, and it takes SOME YEARS to step through all of the rest of the Daniel 12 repeating events and prophecy markers.

3. Yet, every element in that entire spiritual and world event final prophecy cycle process of the future, will have all occurred before a number of times now, and ALL of them will also REPEAT in the future.

<b>Cycle 4 Repeats Cycle 1 Events</b>	1260 days (past) + 1260 days (future)	BTG Deposed (aids sheep salvation)	Messianic Kingdom Millennium

4. Thus, the basic logic here is the **repeating nature of prophecy** is what to understand before this final cycle begins. And as it begins in the future, it can also be understood fully, **because each step will repeat** as it did before to aid people's awareness of where it is most certainly going to lead, in time.

**It will be leading one timed prophecy step at a time to "8th King" World government complete, functional (Dan11:45, Rev17:8-18) and "world peace" stated (1Thess5:1-3; Dan12:11), and the Christ "second coming" it shall trigger, not before, but AFTER World Government completes, as a huge world signal.**

**That takes several more years.**

**(Isaiah 6:9) And he went on to say: "Go, and you must say to this people, 'Hear again and again, O men, but do not understand; and see again and again, but do not get any knowledge.'**

5. And THAT is why **God repeats prophecy** so this final time we can understand.

6. The whole final prophecy and world event cycle **REPEATS and steps into the future** upon the same original prophecy **then repeating** in the same world event steps of the original Daniel 12 1914-1918 (Dan12:7), 1919-1922 (Dan12:11), and 1922-1926 (Dan12:12), first Revelation world cycle fulfillment of the past.

7. In the future, all along the way of those last several years **SPIRITUAL AND GLOBAL MILESTONES WILL COMPOUND IN AWARENESS** every step of the way to aid the salvation of many people. (Hag2:7; Joel2:30-32) In time, the whole [world is to become aware](#) Christ is "present". (Rev1:7; Matt24:30; Rev14:6-7)

## I. Repeating Super Cycle

A. It is said "history repeats itself". Human events and earthly cycles are what repeat as new history is made which comes to resemble other times "in history". Thus, prophecy also "repeats itself" in like manner, for the world events it foretells in their own times.

1. Thus, when "repeating history" happens to involve entities nationalist-to-globalist, which God's prophecy has been tracking for centuries in its national development (Dan2; Rev13), the "prophecy will repeat" too.

2. In areas of prophecy tracked national progress, and prophecy marked identities and events, which use common cycles to produce new world powers in prophecy and the world, repeating prophecy will manifest with the repeating cycle of world events which have a common repeating character and thus seem to be "history repeating itself".

B. World wars are a "history repeats itself" type of global event as seen in WW1, WW2, and Cold WW3, and each time a United Nations globalist-system "image" made a presentation to cap of those sword-stroke cycle peace phases.

### Basic Repeating World Pattern-Cycles

Event	Context 1	Context 2	Context 3
<b>1. World War 1</b>	Sword Stroke	Resolution	Present Image (League of Nations)
	Tribulation	Recovery "Healing"	World Peace
<b>2. World War 2</b>	Sword Stroke	Resolution	Present Image (United Nations)
	Tribulation	Recovery "Healing"	World Peace
<b>3. Cold World War 3</b>	Sword Stroke Threat	Resolution	Present Image (United Nations)
	Tribulation	Recovery "Healing"	World Peace
<b>4. Future</b>	Sword Stroke (Crisis)	Resolution	Present World Government and Image
	Tribulation	Recovery "Healing"	World Peace

1. Thus, in the most reliable information which is in God's prophecy, God uses repetition for a number of reasons and purposes including tracking national powers to World Government finality. God's prophecy even identifies the "causes desolation" phase of the sword-stroke as a repeating element they use to further their World Government goal.

C. Thus, many principles in the world and in prophecy have a cyclic repeating character. God uses repeating principles as well. Being "reborn" is a principle of repetition. Christ's "second coming" is a principle of a repeat event. The Matthew 19:28 Re-Creation, or "Genesis Again" of the physical creation "all things made new" [again] (Rev22:1-5), is a principle of repetition. Numerous Biblical prophetic "temple judgments" in Israel repeated their apostasy to desolation judgment cycles by Assyria, Babylon, and Rome.

1. God using Israel's "Mosaic Covenant" then using the "New Covenant" now including the use of the gentile nations to spread His "good news" is a repeating principle. Both entities displaying periods of noted apostasy in their own times, is a repeating principle. God judging apostasies to allow further progress and to mark an active prophecy is a repeating principle. World powers resisting God's will is a repeating principle.

D. Thus, after knowing of or seeing enough of these things repeat, the repetition aids learning from the events and it aids recognizing a milestone prophecy then in [repeating] fulfillment in modern times, to know where the world is in God's prophecy timeline.

E. God's judgments of nations and apostasies, as with Israel's "repeating history of apostasy", all have elements of repetition.

F. Now, when we see Jehovah's witnesses terminal matured apostasy, we KNOW a temple judgment from God is now required to REPEAT, and it leads to a "final witnessing" which is plainly stated to have to REPEAT in Revelation 10:11.

**(Revelation 10:11) And they say to me: "You must prophesy again with regard to peoples and nations and tongues and many kings.**

**Thus, by now, also expecting the "8th King" World Government final "sword stroke" "causes desolation" cycle is something of a "no brainer" because these kinds of cycles have been repeating since WW1, WW2, and Cold WW3 even in modern times!**

## **Jehovah's witnesses REPEAT the Red Flag of the Final Apostasy!**

A. Thus, it should by now be a "red flag" to see Jehovah's witnesses once progressive and farsighted "anointed Christian" claimant ministry of the past, apostatize into a worship and fear of man show and Circus of Apostasy, now well known in global news with its Fraud Charity, Pedophile Paradise and UN NGO Scarlet Ferris Wheel distractions.

1. Jehovah's witnesses stall in prophecy study, their wildbeast allied UN NGO, their codified lawless WTBTs policies which abuse children, people, families, and the congregations, should be seen as serious transgressions against God. (Dan8:12) But, not to Jehovah's witnesses, to them it is business as usual, just another Kingdom "away day".

**(Luke 19:43-44) Because the days will come upon you when your enemies will build around you a fortification with pointed stakes and will encircle you and distress you from every side, 44 and they will dash you and your children within you to the ground, and they will not leave a stone upon a stone in you, because you did not discern the time of your being inspected."**

2. Now when Jehovah's witnesses enforce the Watchtower Bible and Tract Society's (WTBTs) own "law covenant" and beat, expel, condemn, and continue to then slander battered innocent "sheep", who "sigh and groan" and try to issue a valid warning criticism, it should be seen as serious and found in the [repeating] prophecy context, indicating more to come: such as the sure judgment.

**(Matthew 24:48-51) But if ever that evil slave should say in his heart, 'My master is delaying,' 49 and should start to beat his fellow slaves and should eat and drink with the confirmed drunkards, 50 the master of that slave will come on a day that he does not expect and in an hour that he does not know, 51 and will punish him with the greatest severity and will assign him his part with the hypocrites. There is where [his] weeping and the gnashing of [his] teeth will be.**

**The Jehovah's witnesses apostasy should be seen and will be exposed to completion in time, because:**

B. These "man of lawlessness" apostate traits are now repeating in final form, which means Daniel 8:11-12 and Daniel 11:30-35 have been active and covered up by the Jehovah's witnesses leadership apostates and impostors. (Dan11:32a)

C. An apostasy this serious will be fully noted in the prophecy; (Dan8:11-14; Dan11:30-35; 2Thes2:1-12; Zech3:1-9)

D. An apostasy this severe and at a point of prophecy progress this advanced in the now apostate ministry, will receive an epic scale temple judgment next, and it too will be in the same apostate prophecy continuum and context (Dan8:13-14), to provide a verified prophecy signal for the final cycle.

E. Thus, the Jehovah's witnesses based apostasy is an indication of an entire final cycle of Revelation 8-11 and all the Daniel 12 timed prophecies it must REPEAT with, but in final fulfillment. (Dan8:14 (temple judgment); Dan12:7 (1260 days final ministry); Dan12:11 (1290 days Christ arrival); Dan12:12 (1335 days))

**Given the gutter Jehovah's witnesses leaders have dragged the prophecy through, the temple judgment accounting desolations will be required to cleanse the temple to the Daniel 8:14 "right condition" first, well before any truly prepared, rectified, and approved final ministry could even hope to manifest. (Rev11:3)**

## **Why God Teaches by Repetition: The Future**

A. By the 1914-1926 previous master pattern cycle, the final cycle can be known before it fully activates. (Rev1:1)

1. By a number of previous repetitions of known elements within that WW1 context first cycle, and through two more world wars including the Cold WW3, the final cycle milestone features can be known before it fully activates. (Rev1:1)

B. In the multi-years process of the final Revelation fulfillment cycle of the future, there are a number of milestone repetitions of previous principles to fulfill, and as they continue to fulfill into the apostate Jehovah's witnesses judgment and a recovery aftermath, these milestones start to compound in certainty all the way to the Christ arrival.

C. With those final milestone repetitions to fulfill and keep fulfilling to the already known and forecasted completion, recognizing this as a certain continuum can aid faith that the rest will also continue to come true all the way to World Government, the Revelation 14:1 Christ arrival it triggers, and the final completions Christ will be performing in that Daniel 12:11 1290 days period to its completion.

**Now we can review the past prophecy events, cycles, and the 1914-1926 master pattern to see how those repetitions will repeat in the future.**

## **Why God Teaches by Repetition: The Past**

A. We can find many examples in the Bible prophecy of world cycles and spiritual cycles which have been repeating now for thousands of years, such as the rise and fall of national powers in prophecy from Babel and Egypt to today.

B. Many developmental processes and events repeat in now known cycles by the very nature of how the human national systems expand and operate. Human systems co-developing in natural systems of Earth have societal, religious, academic, and governmental phases which repeat.

1. Tribal states evolved by cycles into national government which evolve in cycle to eventually the final evolution of global government, the cycles are repetitive to the completion.

2. Thus, God's prophecy repeats as human developments repeat. God's prophecy which foretells the most important events, repeats in fulfillment principle as one prophecy can have a number of fulfillments in principle or actuality.

**Even a unique prophecy like Daniel 11:42-43, will have repeating principles which have been maturing to that outcome the whole time.**

**(Daniel 11:42-43a) And [King North] (Globalist-System) will keep thrusting out his (globalization) hand against the (King South national-system) lands; and as regards the (7th King/King South national-system capitol symbol) land of Egypt, she (subservient King South, 7th King fall) will not prove to be an escapee. 43a And [King North] ("8th King" Globalist-System) will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (of former "King South", then fallen "7th King" assets globally)**

C. Human nations repeat the same developmental elements all the time from millenniums ago. Thus, God describes the most important and identifying traits of world power cycles, and the techniques nations have used to try to expand power.

D. Thus, when nations "try the same old tricks" again and again, those cycles and events repeat in the real world and manifest in the steps of a prophecy, when it is a world power development God foretold for a reason.

E. For example, the history-structured symbology in Revelation 13 and Revelation 17 "seven headed wildbeast", God tracked the nations from Egyptian "first world power" over Assyria, Babylon, Medo-Persia and Greece, to the Roman "sixth world power", then to the Anglo-American "seventh world power". Now, we can see all those steps equate to a whole "seven headed wildbeast" in eventual future "whole beast" World Government.

**(Revelation 17:12-13) "And the ten horns that you saw mean ten kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the wild beast (as world government). 13 These have one thought (global-scale sovereignty), and so they give their (national-system) power and authority to the wild beast (world government).**

F. Now, by nations repeating the same old desires (Dan11:27; Rev17:17) and that "one thought", the whole national evolution and progress is now working together for a whole "8th King" World Government, Scarlet Wildbeast meaning, by many repeating cycles of national sovereign attempts since the time of Egypt.

G. God has been tracking the national powers in prophecy since Babel and Egypt, as the first mapped prophecy of national governmental evolution appeared in Daniel 2's "Immense Image". This is because national power evolution will be leading to and overcome in the end by the eventual future "8th King" World Government.

1. Speaking of repeating traits, world government itself, has been a repeating theme since Genesis 6 in the Noachian era demon world government and after the flood in Genesis 10-11 in Nimrod's world government attempt. (Gen11:1-8) It is obvious from scripture, that Satan is always trying to erect rival world rulerships to defy God's will.

2. The means by which Satan opposes God also repeat, they are limited, thus he has to repeat the effort a number of times. And Satan's goal has always equated to a world government attempt as in the days before the flood, and at Babel by Nimrod as focused on the Tower of Babel.

**Though God sunk the Genesis 6 demon world government, and delayed the Babel attempt in the days of Nimrod, world government of the future is still the Devil's goal.**

H. God uses repetition because it promotes comprehension, because things that have happened a number of times already, are easier to then understand as the next repetition cycle manifests, when it all starts happening again, like in the future.

### Revelation 11's TWO [Repeating] Witnesses

A. There are two Revelation 8-11 fulfillment cycles, past and future, which will have TWO witnessings as the Revelation 11 "two witnesses" ministries past and future.

1. And that is the teaching principle in the Two Witnesses.

B. One witnessing will not do it, so Christ arrives as a repeating Kingdom arrival of the future, too, does he not?

C. Then, the same it will be again, with the Revelation 11 Two Witnessings which both will have preceded the Christ arrival in their own times of 1914-1918, and the future.

[1.] The Christ arrival to God's Kingdom for divine coronation in the 1914-1918 cycle, was only the first Christ Kingdom event.

[2.] Christ must also come to be coronated King of kings of the future matured and completed Messianic Kingdom, which was but "born" in 1914, then incomplete.

D. Thus, BOTH of those Christ Kingdom events from God, must both have their own 1260 days "witnessing" "Kingdom Proclamation" event as Revelation 11:2-3, **past and future**.

E. The future REPEATS Revelation 11:3 as the final 1260 days anointed Christian ministry to then precede the Christ arrival of Revelation 14 parallel Revelation 11:11-12.

**TWO 1260 days events, TWICE, past and future, will equate to 2520 days or "seven times" of the Revelation 11 "appointed times".**

Revelation 11 TWO Witnessing Cycle Past and Future			
Event	Context	Seven Times Completion Equation	Outcome
<b>First Cycle WW1</b>			
1914-1918	1914-1918: 1260 Days	1260 days Past	
Temple Judgment/"First Witness" Ministry	Christ God's Kingdom Coronation		
	Proclamation		
<b>(Final Cycle) Future "Sword-Stroke" Cycle</b>			
Future	Future: Kingdom Ministry 1260 Days	1260 Days Future	Seven Times Total Completed
"Last Witness" Ministry	Christ Messianic Kingdom Proclamation	1260 days (past) + 1260 days (future)	Christ arrival enabled to cease Revelation 11:2
	"King of kings" announcement	2520 Days Total	and Luke 21:24 "gentile trampling" permanently.

	2520 Days "Seven Times" Completion	Final "Seven Times" completes	Full divine "seven time" allowance expires.

F. God will REPEAT the "witnessing" of the "two witnesses" because of several things which also REPEAT [in the future] with the repeating "seven trumpet" and parallel "seven plagues" of Revelation.

**(Revelation 10:11) And they say to me: "You must prophesy again (1260 days more) with regard to peoples and nations and tongues and many kings."**

G. Plainly stated, the first witnessing of 1914-1918 happens "again"; it REPEATS in the future for a final 1260 days summary ministry for this time Christ's Messianic Kingdom completion events of the future.

## The Final Global "Sword-Stroke" Cycle of the Future

A. The rival world sovereign **also repeats** its use of sword-stroke "causes desolation" cycles, so God repeats the prophecy application as they **repeat** this formulaic "world-war-to-world-government" cycle one last time in the future, as the Bible's final Revelation 13:3 "sword-stroke"-to-"wildbeast" presentation cycle.

B. And because God already identified since even Rome (Dan9:26) that the "disgusting thing which causes desolation" uses cycles of "desolation", we know it is the rival-sovereign who "causes desolation" and this last cycle can be known before they use it for the last time, to produce the "8th King" World Government "ascension" of the future of Revelation 17:8-12.

1. This is because the "causes desolation" global-crisis "sword-stroke" cycle they inspire and repeat the use of, resolves peacefully and "heals" by design, in time. And that highly relieving global "peace" hopefulness is the opportune time to then present the counterfeit kingdom of world government from men and demons.

**(Revelation 13:3) And I saw one of its heads as though slaughtered to death, but its death-stroke got healed, and all the earth followed the wild beast with admiration.**

2. In Revelation 13:3 that "causes desolation" is the repeating "sword-stroke" cycle.

3. That global "sword-stroke" cycle is what the 8th King [designate] "image of the wildbeast" system has already used in WW1, WW2, and Cold WW3 cycles to present three United Nations related global presentations with those three "sword-stroke" "tribulation" cycles so far.

**(Revelation 17:8) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss, and it is to go off into destruction. (Rev17:14) And when they see how the wild beast was, but is not, and yet will be present, those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world.**

C. The cyclic technique to formulaically present the "admirable" World Government representing United Nations "image" entity, comes with the peace phase of the concluding global "sword-stroke" cycle. That is why the global effect as aided by the hopeful peace recovery is one of admiration for the "wildbeast" World Government entity, when in final form especially in the future as World Government.

D. After the "desolation" phase resolves peacefully (1Thess5:1-3), and globally begins the "healing" process, with great global hope and optimism, then they spring their World Government "image" in the United Nations "only we can ensure world peace" effigy of globalized politics.

E. To further its objective to 8th King" World Government Scarlet Wildbeast, this time, again, a final "sword-stroke" cycle will be used.

1. By just studying the globalist techniques of engineered "causes desolation" global-cyclic usage, they have become predictable even without prophecy. But because prophecy is provided by God to warn us of the ramifications of this last 8th King" World Government, Scarlet Wildbeast rendition, it is certain now they will use a "sword stroke" for the final time in the future.

2. This final cycle has to be the most severe (Matt24:29), because like the others, they intend the sword-stroke to look like "the end of the world" until it resolves by design into the final "world peace" they will be proclaiming for their complete 8th King" World Government, Scarlet Wildbeast system of prophecy and thus world reality, at that time in the future.

F. In the final apostate religious world, especially in Jehovah's witnesses apostate "a system of things" (Matt13:36-39), the "sword-stroke" further amplifies their premature Christ arrival impressions and expectations, aiding the smokescreen deception of their own apostasy downfall.

**(2 Thessalonians 2:1-2) However, brothers, respecting the presence of our Lord Jesus Christ and our being gathered together to him, we request of you 2 not to be quickly shaken from your reason nor to be excited either through an inspired expression or through a verbal message or through a letter as though from us, to the effect that the day of Jehovah is here.**

G. Thus, "the presence of our Lord Jesus Christ and our being gathered together to him" and "the day of Jehovah" are falsely applied along with the "end of the world" delusional hoax which impression the "causes desolation" "sword-stroke" also inspires. That doomful impression, especially on those misled by the various Christendom apostasies of old, and the modern one in Jehovah's witnesses today, can be used to better control people because of that fearful and great uncertainty.

H. Jehovah's witnesses, for example, will also deploy their own "end of the world" smokescreen, so the enemy can destroy their ministry and liquidate their organization under a false-prophetic cover and exit strategy.

1. THAT is what not understanding the final sword-stroke cycle purpose will bring to Jehovah's witnesses, and it will take some time (Dan8:14) for them to really awaken to the reality of the situation, for the survivors.

2. That premature expectation complex, and its fake "end of the world" hype, also develops as aided by the apostasy.

I. This is because Satan has to apply false-prophecy and direct its fake fulfillment to highlight his counterfeit "Kingdom" entities first.

1. The Devil and the enemy system cannot wait for Christ to arrive, for then it would be too late, they have to subvert the prophecy BEFORE he arrives. They have to use their own apostasy aided false-prophecies (Dan11:32a) , for their own purposes **first**.

J. Now all of these future developments have repeated a number of times in world history and prophecy and that is also why it can be known beforehand that a final global crisis phase will be used, and why it must resolve globally and peacefully a last time (Rev13:3; Rev17:8), and how and what the final "sword-stroke" cycle is intending to highlight: "8th King" "King North" WORLD GOVERNMENT.

## II. Non-Stop Continuum of Growing Truth

A. There are principles to now understand **from repeating events** in the world context of spiritual judgments which have kept occurring for thousands of years.

1. From Abel to Noah, from Abraham through Israel to the Christian era to today, the truth of prophecy and the purpose of God in it becomes more and more understandable in spite of the desolations, setbacks, and confusions. (2Pet1:19-21) That principle **has been repeating** through every desolation and judgment cycle since Eden and then the flood, and on and on.

2. We come to understand why prophecy describes the exact purpose of the desolation phase of the overall "disgusting thing" cycle, because after enough times of seeing this we understand it is a cycle that has to be used over and over again. We now know why "the disgusting thing that causes desolation" is the desolation cycle instigator, because from every cycle the "disgusting thing" becomes stronger, and is now heading to full global World Government.

3. VERY IMPORTANT: Every time the "disgusting thing causes desolation" a serious apostasy is also active in cahoots with the "disgusting thing" as the next "desolation" cycle beings, but that same apostasy is deposed and exposed before it ends.

4. By enough prophecy examples in repeating principles like this parallel of apostasy and "disgusting thing causing desolation" cycles, we can now forecast the final cycle [before it unfolds], based on the number of **exact repeats** we have already seen in history, as will be explained more later.

B. The emerging truth is, both prophecy and the Devil's objectives it describes in his Globalist-System are now predictable from researched historic repeating patterns, and from **prophecy which must repeat** with the world events and spiritual judgments it foretells, we know the purpose of the outcome this time:

1. They want to try to destroy the current ministry which is now apostate anyways...

2. While they proceed to complete "8th King" World Government unexposed from prophecy, which should have been being tracked by the now apostate and diverted ministry. (Dan8:12b)

### Every Apostasy Leads to More Truth as it is Deposed or Exposed

A. As confusing and hypocritical as the Christian Babel events have become, they led to a distribution of truth with the error which later formed deeper Christian focus and understandings in repeating cycles of clarification. For example, to go from the Catholic apostasy through the Reformation questionings to more apostasies to the Adventist era clarifications to the International Bible Students clarifications for that whole 1000 year plus process, took time, but it did yield results at the time they were needed.

1. The time it was needed was as the 7th King Anglo-American system was to make its official global appearance in 1914. What we know today in spite of Jehovah's witnesses criminal leadership's attempt to conceal it all in prophecy was not only did the 7th King emerge as a nationalist alliance system in 1914-1918, the globalist-system "8th King" [designate] "image" also appeared in that 1919 League of Nations.

**As the League of Nations was to "ascend" from the "abyss-like" desolations of the WW1 first sword-stroke cycle, there was then enough Christian prophecy focus to nail Revelation 13:11-15 and Daniel 12:11 "place the disgusting thing" prophecy fulfillments to its head.**

2. And since Christendom was a system and apostasy far too large to depose at that time, it was exposed and received the warning of its eventual downfall with Babylon the Great of the future from 1919 forward. Since the prophecy truth that this is all leading to "8th King" World Government was not so clear at first as it is now, it is now that we know World Government, deep in the final cycle of the future, is when "harlot daughter" Christendom will bless World Government and then be deposed globally. (Rev17:12-17)

3. Christendom, as a global-corporate matrix of error, will just continue to jump on whatever pop-political bandwagon happens to round the bend, this time it will be World Government which they will have to spin into a false "prophecy fulfilled" blessing context.

**And that will be the end not of just Christendom, but all global corporate religion.**

4. Its ages long trajectory can now be mapped to that finality with certainty, because at no other time did "religion" prove faithful to God's Kingdom and purpose, and why on Earth would it now start a course of faithfulness, when World Government appears? That is how we can see that element of the final cycle before it happens, it has **repeated enough** to know it will **repeat again**.

5. That event we now know comes with the final cycle "place the disgusting thing" of Daniel 12:11 as World Government in the future, when as per Revelation 14 in the Christ salvation parousia of that Daniel 12:11 1290 days, Babylon the Great is deposed to free up some final God's "my people" (Rev18:4), for salvation. (Rev11:11-13)

B. The WW1 desolations of the "disgusting thing which causes" such "desolations" is to produce a formulaic global cycle for its own peaceful recovery phase to then highlight the need for its existence as the world "peace keeping" force in the League of Nations was presented, "en route to world government" much less forcefully explained, because at that time many nations, like America, were not eager to yet "give their power and authority" in national sovereign autonomy to that emerging wildbeast. (Rev17:12-13)

C. Even if it seems everyone now doubts that whole confused Christendom complex, an uncommon few from the past, have kept gleaning the truth out of the apostasies and upheavals, especially that of the extensions to today of what came out of the Protestant Reformation era. All that League of Nations identity and intent was first made public after the 1914-1919 events, in spite of Satan's attempts to divert every known Reformation era Christian ministry.

D. After being able to assess it as a big picture, all these at first hugely confusing events at the gateway for the next core truth

progress, eventually became explainable. And so it shall be **after** the Jehovah's witnesses apostasy implodes into itself very soon. (Dan8:13-14)

E. Thus, important pieces of the truth of the apostasies themselves allowed prophecy truth to be retained through the error and confusion as God uses Satan's strategies against him as he entered and controlled those many religious avenues to their various but sure dead ends. In fact, prophetic APOSTASY is the first sign of the next spiritual judgment cycle.

F. And as with WW1, the temple judgment comes with the global crisis "sword-stroke" as the world system also proceeds to its next world power progression, which this time will be "8th King" World Government.

G. After every world event cycle marked in prophecy has provided the divine judgment context, it becomes fully understandable afterwards. As the events compound in "repeating history", we see the same elements resurface in all the apostasies with the intent of diversion, discrediting, and reproach.

H. This is because the big events God maps in prophecy before they become history, do become history, and we have the record to study the prophecy and the judgment and the world event context to ascertain it.

## Every Apostasy in Prophecy is Deposed in Judgment as the Next Prophecy World Power Emerges

[1.] As an example, when Assyria came upon and sacked apostate Israel in the 720 BCE era first divine judgment foretold by God's prophets before it occurred, they also became the second world power of the Bible structured sovereign prophecy, as also recorded in history as the Assyrian middle eastern regional power rose and eclipsed Egypt's power and preceded Babylon's.

**A major emergent world event of the period was marked by a major spiritual event and apostate judgment of prophecy. (Hosea, Isaiah, Micah)**

[2.] Then came Babylon upon [apostate] Jerusalem's judgment, in the transitional 609-586 BCE period, to REPEAT the same world/spiritual parallel event pattern, as also foretold by God's prophets, as also now recorded world history. In prophecy, a divine temple judgment of "God's house first" was the principle which manifested **[as the next world power of prophecy becoming history ascended onto the world scene]** in relation to the effects it would have on God's people.

Thus began the Daniel 4 "appointed times of the nations" hour-glass flipped on Babylon's "gentile times" benchmark (607-537 BCE Babylon duration), while using the sovereign drama of Jerusalem (586-516 second temple event) as the draining sand. That 2520 years of sand would drain to 1914 for the initial [temporary] Christ's Kingship in God's Kingdom, until the future Messianic Kingdom completion, which the 1914 events pictured (Rev4-5), would become the permanent "Kingdom of the World" "Tree of Rulership" replacement under God's Kingdom (Rev11:15), in the future.

Yet, as in Daniel 4, it is based on the same "rootstock" of humanity renewed into Last Adam Christ, as Christ's rule "comes down from heaven" (Rev21:1-5) into also this planet's physical plane, as humans must participate in the Princedom of their own "kingdom prepared for you from the founding of the world". (Matt25:34)

[3.] Then came Rome in 70 CE to sack [apostate rejected] Jerusalem a second time in its apostasy judgment history. Again, at that time, all of God's Kingdom, Temple and Holy City prophecy symbolologies of the physical apostasies **and the next world power emergent world events** were revisited in a spiritual judgment, as now the Christ of the prophecy had also become integrally "involved".

[4.] Thus, in the 1914-1919 "disgusting thing [causing] desolation" cycle of WW1 and its League of Nations aftermath (Dan12:11 first cycle), the International Bible Students were exposing and would continue to expose "Christendom's apostasy" [as a foretold judgment of God], at the same time that the **"7th King" national alliance of Anglo-America rose in prominence on the world scene** from that judgment in 1919 forwards.

[5.] Now, with Jehovah's witnesses as the apostasy of prophecy (Zech3:1-3; 2Thess2:1-4), to expose and in this case to be deposed by God (Dan8:13-14), what was the League of Nations presentation of 1919, will in repeating but completed manner become the whole "8th King" World Government in the future, Daniel 12:11's final cycle "place the disgusting thing".

The final sword-stroke cycle is the final desolation cycle the "disgusting thing" globalist-system will use to then resolve the cycle peacefully, to be the global focused instrument of the global "healing" process. (Rev13:3; Rev17:8-12)

Thus, as Jehovah's witnesses apostasy also goes down in judgment, **as a new world power emerges on the scene** in the future, as in those four former judgments of the past, World Government will be that new emergent world power of prophecy.

This constant apostasy-to-next-world power repeating prophecy continuum based on a repeating world event cycle, has been stepping to the Christ conquest of the rival rulership the whole time.

Very, very slowly in that way of repetition this final cycle coming up, to actually complete that rival World Government, can be recognized in the slow motion trajectory it shall be taking into the very Jaws of the Lion of the Universe, the "King of kings" Christ, by that time. (Rev11:11-18)

### Jehovah's Witnesses Epic Apostate Global Downfall Judgment of God Marks the Final World Cycle Beginning

A. And as proof, the Jehovah's witnesses apostasy will culminate in its ruinous objective on the Jehovah's witnesses ministry and organization (Zech11; Hos1:4-7), as their final false prophecy "the end of the world" will fail (2Thess2:1-2), as they instead will become the temple judgment priority, **first** in the final judgment prophecy cycle schedule. (1Pet4:17; Rev8)

**Just as sure as there is Almighty God with His unstoppable purpose, and there is a Devil erecting his own plans, Jehovah's witnesses who carry God name, but now carry out the Devil's plans, will get the "visit to the temple" by Jesus Christ for some real justice, you can bet your life on that!**

1. As this next "disgusting thing" caused "desolation" sword-stroke cycle runs its course to global peaceful final resolution (Rev13:3), Jehovah's witnesses apostasy will be judged and deposed in that global crisis context. (Dan11:41-43)
2. When that time comes, Jehovah's witnesses will try to sell those downfall events and its world context to people as if "the end of the world", when it is just "the end" of their apostate run, and that desolation cycle will continue to run, and eventually resolve peacefully into the full ascension of the next world power coming: "8th King" "King North" World Government.
3. For the future timed event verification of the then completing temple judgment prophecy (Dan8:13-14; Rev8), the Jehovah's witnesses apostasy is to be deposed globally in timed manner as Daniel 8:13-14.

<b>Notes:</b>			
1. Sequence shown as approximate by main period purpose meaning, certain periods overlap and merge concurrently.			
2. Certain periods overlap and merge concurrently as parallel fulfillments to define world and spiritual pattern-cycle phases			

4. Then that final apostasy of this age will be exposed globally (Rev9) as the required final apostasy (Rev9-11), which indeed was UN NGO allied (Matt24:15) with the emergent World Government power system that will then have destroyed that apostate "a system of things" in physical means of prophecy obstruction. (Matt13:36-39; Matt25:1-13)

5. God, as in the past, repeats His method of destroying the apostasy by means of the next world power ascending on the world scene (Dan11:41), like He did with Assyria, Babylon, and Rome, in the past.

6. And this time God will depose the Jehovah's witnesses *apostasy* by the World Government [designate] globalist-system eventually into completion, later. "8th King" Scarlet Wildbeast World Government is the final cycle rival sovereign entity which is actually who will

have destroyed the Jehovah's witnesses apostasy, just as it is they as "King North" who led it. (Dan11:32a).

**(Daniel 11:32) And those who are acting wickedly against [the] covenant, [King North] (Globalist-System) will lead into apostasy by means of smooth words.**

7. That World Government "image" is also what first appeared in 1919's exposing judgment on Christendom. (Rev13:11-15; Dan12:11)

8. Like anyone else understanding these things, repentant Jehovah's witnesses will be purified and recovered for the final ministry use, but without any apostate affiliations as formerly known in their apostate ministry. How completely God destroys the corrupted Jehovah's witnesses organization will be ascertained as it is deposed. (Dan8:11; Dan11:41; Nah2:1)

B. But, a final 1260 days ministry has to summarize the meaning of all those events, and the danger of "8th King" World Government which will not last 4 years in total global rule. (Dan12:11; Rev17:12-17) But, it will be enough time to also then receive the Babylon the Great global corporate religious complex 666 World Government blessing, for "Babylon the Great" to then be destroyed globally, which downfall (Rev17:15-18), frees up some final people for the salvation of Christ. (Rev11:11-13; Rev14:6-8)

1. King of kings Christ, after securing all the global savable people (Rev14 via Dan12:11 timeframe), will destroy "8th King" World Government and its evil global aims to exterminate nations most certainly. But because Christ is saving nations (Matt24:21-22; Rev14:6-8), he will thus also "lengthen the life" of the "other beasts" also most certainly (Matt24:21-22), but under his "rod of iron" Messianic Kingdom rulership henceforth.

**(Daniel 7:11-12) I kept on beholding at that time because of the sound of the grandiose words that the (Globalist-System) horn was speaking; I kept on beholding until the beast was killed and its ("8th King" world government "fourth beast") body was destroyed and it was given to the burning fire. (Rev19:19-21) 12 But as for the rest of the beasts (the national system "rootstock" of Daniel 4), their rulerships were taken away, and there was a lengthening in life given to them for a time (in the Christ Dan12:7 1260 days, Dan12:11 1290 days, and Dan12:12 1335 days "appointed times" announcement to eventual full Kingdom protection) and a season. (the one thousand year "season" of Christ's Messianic Kingdom rule)**

C. Thus, God uses **repeating cycles of judgment**, repeating phases of desolations, which came forth with the new world power ascending on the spiritual and world scene in also repeating cycles of conquest and sovereign expansion. (Rev17:8-13).

1. Through all those desolations, God's word comes forth as the prophecies which foretold these events are also retained as a verifiable record of the events and their purpose, time and time again.

2. The purpose of a divine spiritual judgment of God is to fulfill the prophecy of course.

**(Daniel 8: 13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the constant [feature] and of the transgression causing desolation (UN NGO alliance and co-promotions fulfilling Daniel 11:31b), to make both [the] holy place and [the] (JW worldwide) army things to trample on?" So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition." (Temple purification completed in this time period parallel Zechariah 3:4-5, Revelation 8:1-5; 1150 days minimum or 2300 days probable);**

D. But, the spiritual purpose is to account for spiritual crimes, the "transgressions" which end up "causing desolation" to the temple (Dan8:13; matt24:15), while purifying His people or to conclude a covenant while purifying the next messengers. In the future, we will be able to see that above prophecy "come true" in the temple judgment of apostate Jehovah's witnesses of modern times.

E. For another example, when Rome destroyed Jerusalem in 70 CE it fulfilled the prophecy of Christ and his apostles who recorded it, and it set the stage for the Christian work in the era of the Roman 6th world power ascension, which by means of the Catholic apostate spiritual vehicle went well diverted into apostasy, again, for over a thousand years dissipating into all of Europe and beyond.

**(Daniel 9:26-27) And after the sixty-two weeks Messiah will be cut off, with nothing for himself. "And the city and the holy place the people of a leader that is coming will bring to their ruin. And the end of it will be by the flood. And until [the] end there will be war; what is decided upon is desolations. 27 "And he must keep [the] covenant in force for the many for one week; and at the half of the week he will cause sacrifice and gift offering to cease.**

1. The Christian ministry could expand with the Roman empire expansion in spite of its apostasy, even if the context always devolved yet again and again, into but more and more comprise and apostasies. It is why we are having this discussion today, the apostasy was always shattered by God.

F. Thus, the pattern of the "disgusting thing" involves "causing desolations" and using its effects for its own progressive purposes as Devil designed repetitive global cycles. The Devil advances his own world government by stepping objectives met in his own advancement into expanding sovereign power over mankind more and more completely, ultimately with a final World Government objective.

**(Revelation 13:3) And I saw one of its heads as though slaughtered to death, but its death-stroke got healed, and all the earth followed the wild beast with admiration.**

1. God allows this, because in the context God also advances the truth, as His purpose compounds in fulfilled prophecy understanding over the years of these events. This is why eight world powers are mapped in Revelation 13 and 17 in a seven headed wildbeast built from seven national powers based on the Babel nations of Genesis 10-11, which converge into "8th King" World Government in time, the "full body" of the WHOLE "scarlet wildbeast" itself.

2. "8th King" World Government is not "national", though to be comprised of all the nations "gathered" or "globalized to Har-Magedon" as in a worldwide state of "ten horns" global military power all in World Government control, in the future. (Rev16:13-16) "8th King" World Government is a globalized, globalism-based world power which is not sanctioned as permissible by God in Romans 13, as He did formerly tolerate the Genesis 10 national governments as permitted plural "superior authorities", as they evolved over time in "their relative position".

**How God's Completion Requirement Turns the Negative into the Ultimate Positive**

A. This is also why, after enough of these cycles, the final cycle can be seen and mapped BEFORE it activates this time, and there are some reasons for that foreknowledge.

1. There will be no post-fulfillment time in the luxury of hindsight, because this time World Government is completing and the warning concerning it must be known before it "ascends". (Rev17:8-13; Rev13:3; Rev11:7)
2. After enough maturity in understanding God's prophecy, as per Revelation 10:5-7 God promises by the Christ sworn oath, that the whole "sacred secret of the good news" will become known as empowered by God to make the "little scroll" the most complete and accurate ministerial summary of everything prophetic for the "last witness" 1260 days ministry which deploys and is eventually cancelled by complete or completing "8th King" World Government. (Rev11:7-10; Rev13:5-7)
3. In God's own "appointed time" for the "sacred secret" to be revealed fully before and as it is manifesting, that whole prophecy has to be known before it happens, so that as it does fulfill in timed and stepped manner to the Christ Arrival as triggered by "8th King" World Government, that Revelation 10:5-7 prophecy will become reality. World reality—as fully described by God stepping and timed into "reality becoming belief" for many people live and real-time; the accuracy of the prophecy and or the general global awareness of the seriousness of the situation, from God, can aid many people being saved. (Hag2:7; Rev14:6-8; Joel2:30-32)
4. The Worldwide Open Salvation Kingdom World Peace Terms, as carried out by Christ via Revelation 14:6-8 during the Daniel 12:11 final open salvation 1290 days period, must be known as to its guaranteed open salvation offer for ANYONE, friend, ignorant, or enemy, who chooses God and Christ's Kingdom over the then fully known "8th King" World Government "New World Order" impotent, cursed, and temporary counterfeit "666" farce. (Rev13:15-18; Rev14:9-11)
5. By that time, the simple choice will be well known in world reality, and for those not comprehending it yet, the angels and Kingdom of Christ will make it known to all savable human beings of planet Earth as in Revelation 14:6-7.
6. In addition, the whole Revelation 10 "little scroll", which also contains God's Kingdom Sovereign Ultimatum, must be known so that the rival global sovereignty knows the ramifications of their completed "8th King" World Government objective. (Rev17:14; Rev19:19-21; Rev6:12-17)

**As promised long ago with constant reminders, God will fulfill His Word to the infinitesimal detail and OPEN SALVATION is the final objective of God and Christ's Messianic Kingdom, because all the error, lies, miseries, and confusion, of the Babylon the Great religious complex and the world "lying in the power of the wicked one" means God's Salvation by Christ Jesus must be completely open FOR ANYONE, Kingdom of God GUARANTEED, to the greater degree than the negatives have worked against this truth of Revelation 14 and the truth of the Salvation Power in Christ's blood atonement.**

7. The fact is, God has used the negatives of Devil and human rule and religious utter failure for the ultimate positive for the human final period GUARANTEED salvation. ANY HUMAN BEING OF EARTH can be saved into everlasting life protected potential, by simply asking for it in the heart and mind (Joel2:30-32), and simply agreeing with the rule of Christ and his Kingdom as per Revelation 14:6-7.
8. THAT kind of salvation hugeness with the Immortal Kingdom GUARANTEE it will be honored, is God's solution to all the system and religious confusion which has painted God's salvation into a fearful "Doomsday Lie".
9. And as we see, the worse the human and demon system became to reproach God, the more confusions they doled out, and the HUGER did God's OPEN SALVATION PURPOSE AND GUARANTEE have to become to compensate for all these lies and miseries.
10. God uses confusion and sub-optimum "truth", to open the final salvation solution to worldwide scale and divine loving compassion in the completion. Even if a Romans 2:12-16 savable human did not know this and thought they were "disgusted with God and Christ" [due to the actions and records of religion] they MUST be saved due to that reproaching fact, regardless what conclusions they think they may have drawn.

**The simple truth is, God's "good news" has to actually be "good news", the Revelation 14:6-7 "everlasting good news".**

**(Revelation 14:6-8) And I saw another angel flying in midheaven, and he had everlasting good news to declare as glad tidings to those who dwell on the earth, and to every nation and tribe and tongue and people, 7 saying in a loud voice: "Fear God and give him glory, because the hour of the judgment by him has arrived, and so worship the One who made the heaven and the earth and sea and fountains of waters." 8 And another, a second angel, followed, saying: "She has fallen! Babylon the Great has fallen, she who made all the nations drink of the wine of the anger of her fornication!"**  
(Rev17:15-17; Rev11:11-13; Rev16:17-20)

## **Things Which Have Been REPEATING, Which Must REPEAT in Final Form**

A. God can use confusing beginnings to build very focused ends, because His prophecy states the purpose of the desolations, and their main principles, so they do not remain confusing.

1. That is how we know why the "sword-stroke" always "heals" peacefully in these cycles as a positive global atmosphere forms to then highlight their own "disgusting thing" wildbeast presentation as if it is the solution to all mankind's ills they so willingly served up in the previous desolation phase of the cycle.
2. That is how we know by Daniel 11:42-45 and Revelation 17:8-12 in parallel, that world wealth control and ownership precedes World Government as it is transferred from "King South" national governmental authority to "King North" globalist-system world authority.

B. Those are core principles in God's prophecy exposing Satan's World Government birthing and maturing principles.

1. The "disgusting thing" "causes desolation" as the designed chaos phase from which they later form the "healing" phase, to complete the whole "sword-stroke" cycle. That "healing" phase forms later, from the doomful appearing previous "sword-stroke" desolations "problem" phase (Rev13:3), which all resolves peacefully and "miraculously" to then present their counterfeit "solution" in positive and hopeful global recovery. Thus, the "causes desolation" events further the Devil's eventual order of things unto his ultimate goal of World Government, after the final "sword-stroke" of the future.

2. In this way we can see the prophecy steps in history and modern times to World Government and thus we can see the lit fuse which will summons, triggers, and brings in the Christ Ultimate Warrior and ultimate confounder and conqueror of all rival rulership.

C. THAT is where this world's so-called "progress" is leading as its history books are splattered with the blood of the desolations in which it marches to its World Government "one thought" goal of Revelation 17:11-17.

D. Thus, as "history repeats itself" so to speak, the principles of prophecy foretelling the main cycles repeat again and again, because the Devil has to repeat his same strategy and desolation cycles again and again.

E. And that is why we know the future final cycle will repeat a "sword-stroke" again, to then present the "disgusting thing" again, from that final desolation phase when it resolves peacefully by design, but this time in Christ triggering complete World Government form. (Rev17:8-13; Rev13:3; Dan12:11)

### III. Witness 1

A. Now in 1914, as everything "fell together" for the 7th King national alliance inception in Anglo-American "world power" progress, a summarized ministerial development was also going to define the period meanings and world power symbolic entities of the whole prophecy in a preview form which would also set the "master pattern" basis for the final cycle of the future.

1. Now the first cycle of Daniel 12:7's (1260 days), Daniel 12:11's (1290 days), and Daniel 12:12's (1335 days) first continuum of fulfillment in 1914-1926 had spiritual period meanings for the prophecy periods which became fully known and globally published after 1914 and into the 1920s and after by progressive means of understanding.

2. The key errors the Governing Body and WTBTs now retain and promote to discredit the 1914 era prophecy cycle, will be rectified after God purges them from "in the temple" which they also pollute in this process. (2Thess2:1-4; Zech3:1-3; Dan11:30b-31a; Dan11:32a; Matt24:15; Isa31:8-9)

#### Principle of Repetition

A. Now the principles of why God uses prophecy repetition along with the repetitive cycles of new world power systems forming became recognizable. Now if some cycle had already occurred a number of times, it stood to reason it will also occur a final time. The prophecy and the world system, after enough repetitions, started to "explain themselves".

B. Thus, expecting this repeating but modern apostasy in Jehovah's witnesses to lead to a repetitive temple judgment (Dan8:13-14; Rev8), into a repeating global "sword-stroke" crisis forming (Dan11:41-43), to again recover a final ministry from (Rev9; Rev11:3; Dan8:14), as the sword-stroke crisis eventually resolves peacefully and "heals" again (Rev13:3) into a final "8th King" fourth step to finally completed World Government (Rev17:8-12), it is then "predictable" on its own, even without prophecy which also affirms it.

1. It is not that amazing, because it already happened many times in history (Dan9:26), and three times previously since 1919 with WW1, WW2, and Cold WW3! As stated, though the prophecy fully maps this to the Christ triggering outcome after World Government is ruling (Rev17:12; Dan12:11), it has become predictable in even historic repeating manner which actually reinforces the prophecy showing the same patterns, it merely required paying a little attention since 1914's first cycle usage in WW1.

#### Known Period Purposes

A. Now we know the post Adventist clarification phase from the 1840s was leading to enough Christian awareness for God to produce a modern temple judgment cycle to form a timed prophecy period of known "Kingdom proclamation" import for Daniel 12:7 parallel 1260 days in 1914-1918, which would eventually be fully understandable with a little hindsight.

B. Now we know the spiritual recovery for the 1919 Daniel 12:11 1290 days was afforded by God by means of the "temple purification" of 1914-1918, and it would continue that then cleansed and commissioned "last days" ministry, "witnessing one" of the "TWO witnesses" of Revelation 11.

C. By the time the Daniel 12:12 1922-1926 1335 days period had begun it was to be an irremovable ministry and that "first witnesses" of the two of Revelation 11, manifested and completed successfully, as we are discussing this even today, in spite of Jehovah's witnesses now wallowing in a foretold repeated apostate gutter with their WTBTs billionaire ministerial "man of lawlessness" leaders. (Dan11:32a)

D. Thus, after that "first witness" met its purpose, lo and behold, a new apostasy, with new criminal "temple rogues" CEOs, with a new Babel "religious identity", with all the high falutin "holy man" "walking on water" claims, has now developed to terminal in Jehovah's witnesses. Now it is Jehovah's witnesses "led into apostasy" (Dan11:32a), who are now "set in opposition" to the "body of the Christ" and that "first witnessing" to discredit it by massive reproach, lawlessness and criminal UN NGO alliances. (2Thess2:3-4; Zech3:1-3)

E. Do you really think after 2000 years of this same kind of repeating criminal lawless apostate override, even since the days of Israel, that this "holier than thou" camouflaged Jehovah's witnesses UN NGO wildbeast ride and total apostate and "weed" anomaly is just coincidence, random, and accidental?

F. No, it was the unique aspects in former IBSA and Jehovah's witnesses prophecy advancement, with nearly a complete preview understanding to final understanding, which only required this small final "World Government Chapter" left unsaid as a result, which has targeted Jehovah's witnesses for this critical apostate coup.

G. But now because Jehovah's witnesses "religion" is unreformable and so serious so as to require a final temple judgment based Divine Demolition by Foretold Desolations globally (Dan8:13-14), that event can be timed in prophecy to mark but the beginning of the final cycle! (1Pet4:17; Rev8)

### IV. Return

**(Malachi 3:7) Return to me, and I will return to you," Jehovah of armies has said.**

A. One of the "big epiphanies" to result from the Reformation era was the need to "return to first century Christianity" basics. The Restorationist goal was also more consolidated in the Adventist influenced preachers and overall movement than anything before it.

And that is why Christian advancement in the 1800s was carried out by "religiously independent" Bible study groups some of which wanted no religious or "organizational" affiliations as many were increasingly suspicious of "Christian religion" and the manner in which it was perpetually "managed" into stalled comatose apostasy.

1. It never was supposed to be so complicated in dramas yet simpleton in Bible understanding as "the churches" had become.

**(Acts 15:28-29) For the holy spirit and we ourselves have favored adding no further burden to you, except these necessary things, 29 to keep abstaining from things sacrificed to idols and from blood and from things strangled and from fornication. If you carefully keep yourselves from these things, you will prosper. Good health to you!"**

2. What should have stayed very simple even if with a giant Kingdom message to proclaim, soon become muddled by people who sought to use the truth of Christ to advance state "goals of Caesar", which is how Catholicism was born into "state religious" capacity. Very quickly their "fruitage" was evident and it was controlling and bloody "grapes" which were just laden Viper Venom Snacks of Thistly Poisoned Cactus factories.

B. And it was these dramas which revolved around Christian lawless compromises which directed energy into the drama and its blowback reactions rather than into increased Bible understanding free of spiritual and often secular criminal activities. In fact, the 70 year snapshot of the Jehovah's witnesses ministerial "religious" "Case Study in Apostasy Development" is a picture which can be analyzed in great detail.

1. The entire devolution of Jehovah's witnesses from the IBSA "great start" in even advanced prophecy understanding and mapping can be derived from their own published records. In the "Snapshot of Jehovah's Witnesses Apostasy" we can see how the "religion" label, and then the "busybody" corporate "board of directors", all became cloaked in high-falutin spiritual disguises and terminology from 1944 forward.

2. And it was no accident the "Spiritual Leaven Injection" took place after brother Joseph Rutherford had died in 1942, because he already knew the danger in "religion" and the problems the "board" could cause, when they power grasped for authority and control under his watch, which occurred in 1917.

a. The pattern repeated in 1944 in the WTBTs again, after Rutherford died (1942), just at it first manifested after Charles Russell died in 1916.

b. But, since Charles Russell also quelled a coup-attempt in 1897, even 1917 was a repeated board aberration, again.

c. In other words, everyone before 1944 was on to rogue power-tripping board coups. They had to wait until Rutherford died in 1942, to start to pull their [1944 borne stunts](#) just beginning, for had Rutherford been there and seen the nightmarish vision of today's so-called WTBTs "Governing Body", they all would have all got the full grip of double-fisted fifths of Rutherford's Old Crow Kentucky Straight Bourbon Whiskey right in their "offsprings of vipers" faces, no joke.

3. By 1944, Jehovah's witnesses were being taught that there really was a "governing body" in Jerusalem as if some secondary "body" was of higher authority than the apostles of Christ as the first members of the "body of the Christ".

C. Christ's apostles were not "the first members" of some mythical made up "governing body", which was man contrived, of Babel and corporate origins, and responsible for the Jerusalem controversies in the first place.

**(Acts 15:23-24) The apostles and the older men, brothers, to those brothers in Antioch and Syria and Cilicia who are from the nations: Greetings! 24 Since we have heard that some from among us (some so-called "governing body" is what that would be) have caused you trouble with speeches, trying to subvert your souls, although WE did not give them any instructions...**

1. And thus we see the WE, with the authority, is the apostles and leading disciples like James and Barnabus, not some "governing body" which is never mentioned anywhere in the Bible. After Jehovah's witnesses ate the "true religion" [of Babel] lie, and then they ate the "governing body" lie, and then they accepted its 1976 power-grasp, it was all over.

D. Now we see the leading apostles and disciples, in the context of this situation, had selected chosen MEN, not some "governing body", to resolve this issue, and THEY are who made the decision of Acts 15:28-29 on how to resolve the issue by focusing on the simple requirements.

**(Acts 15:25-27) WE (the apostles and disciples with the authority) have come to a unanimous accord and have favored choosing men to send to you together with our loved ones, Barnabas and Paul, 26 men that have delivered up their souls for the name of our Lord Jesus Christ. 27 We are therefore dispatching Judas and Silas, that they also may report the same things by word.**

1. Thus, in 1944 Jehovah's witnesses had implanted in their heads the idea of a "governing body", which could in the 1970s, be the term to cloak the WTBTs "board of directors" within, to aid the seizure of the 1976 based illegal ministerial authority, exactly how some foreign "body" had usurped the apostles authority in Acts 15.

E. And now the spiritual ruin of Jehovah's witnesses, which all the world now sees and smells and which will become catastrophically worse in time (Zech11), has been the result of empowering apostates and rogue "weeds" in the WTBTs leadership capacity of the Jehovah's witnesses ministry, and it will get much much worse in the future. (Dan8:13-14)

1. In fact, that illegal rogue tyrant "Governing Body of Jehovah's witnesses" will cancel the ministry illegally and attempt to destroy the resource basis in assets and human beings, which now comprise the now apostate Jehovah's witnesses ministry. (Dan8:11; Dan11:41)

F. And though that will be in the "King North" Globalist-System "causes desolation" context of Daniel 11:41-43 then activating, the Governing Body will continue to frame "Russia as King North" as they tell Jehovah's witnesses, well over-advanced in the prophecy, "brothers, Daniel 11:44 has activated", "it is now the end of the world time" "so, grab your hard hitting judgment message Watchtower last issues and torment your neighbors now, and may we start Armageddon in the process!".

Pure Worship of Jehovah—Restored At Last! chap. 18

**19 Sometime after false religion is devastated, Jehovah may well [have his people deliver a hard-hitting message](#), one that**

the book of Revelation likens to a hailstorm in which each hailstone weighs about 45 pounds (20 kg). (Rev. 16:21, fn.) This message, **possibly a declaration that the political and commercial system is about to end**, torments the hearers to such a degree that they blaspheme God. Likely it is this message **that provokes the nations into making an all-out assault on God's people**, to silence us once and for all. They will think that we are defenseless, an easy target to destroy. What a mistake that will be!

The mistake will be believing that lie.

## Non 'Religious'

A. If anyone has ever done a little research as to what inspired the Reformation, they know just how burdensome and intrusive the Catholic leadership had become by that time, after centuries of such abuses of power based purely on belief and misperception.

1. If you see today what the Jehovah's witnesses congregations have to endure under a smaller scale, but similar grandiose tyranny, of their own super-rich WTBS "Papacy", the similarities in that religious-nightmare are striking, and the end results of apostasy based reproaches are the same. Thus, the apostasy cycle and effects are notably repeating in Jehovah's witnesses religious brand of apostasy, merely modified for their own scale, beliefs, and modern timeframe.

2. That is why all the early Reformation dissenters, and the Adventist era progressives and the International Bible Students, which the Reformation eventually led to were non-religiously non-affiliated when they all first began, when they first began to question apostasy and error of their day, and exit some former religion they were "in". They were just your average Christians "sighing and groaning" over the organized apostasies and glaring errors they all had to deal with in their own times.

B. So, they just split and said "religion is a snare and a racket" and denounced all **religion**-labeling games. They were just bible students. Then Rutherford died, and so also died the anti-religion stance of Jehovah's witnesses, once the busy-body "weeds" sprouted.

\*\*\* The Watchtower 1951 3/15 p. 191 Questions From Readers \*\*\*

**In the past we regarded "religion" as anything that was against God's will. Now many brothers are using the expressions "true religion" and "false religion" to make a distinction. Is this advisable?—D. D., California.**

**The brothers are correct in using the qualifying adjectives "true" and "false" respecting religion, so as not to be misunderstood, especially by those outside the organization. In the past we have had to do so much needless explanation and extricating of ourselves from embarrassing positions by not being specific on this. The footnotes of the New World Translation show the early use by Latin-speaking Christians of the term religio as the equivalent of the Greek term threskeia. It simply means "form of worship", of which there can be a true and a false kind.**

1. The truth is WTBS corporatism based "religion" is now just another Babel "religion" which never can be made "true" no matter how you spin it, just look at Jehovah's witnesses modern "embarrassing position" now.

C. From this final bout with the now terminal [apostasy promoting] Jehovah's witnesses version of WTBS-Vatican "Pope" and "Papacy", by their very effectively cultured apostate-models of "Governing Body" and its fake "JW Vatican" "Theocracy", which that apostate body "governs theocratically", we know the final ministry to eventually emerge from this apostasy, then gone, will also have to be restored to **non-religious identity**.

1. The truth once again will be that no "corporate religious label" can compete with the God known and Christ headed "congregation of the firstborn" or "body of the Christ". And God has used covenants and "the faith of Jesus" (Rev14:12), not later developed corporatized "religion" vehicles which always devolve into these same kinds of apostasies.

2. And now no "man of lawlessness" self-appointed "governing body" fraud authority can remain "set in opposition" to the "body of the Christ" forever. (2Thess2:1-9) And because of the dreadfully serious nature and direct illegal alliances (Matt24:15) of the "Jehovah's witnesses" "operation of error" and their UN NGO mega-transgression all hidden under that "true religion" glossed label, we do not even know if anything in that organization's identity or apostate and corrupted ministerial reality will actually remain on Earth, after God lets the globalist-system real "king North" loose on it. (Dan8:13-14)

D. Due to the "Jehovah's witnesses [religion's]" corruptions, unreformable record, and "bad association" attitudes, it appears God is going to have to wash it away. (Isa28:21; Matt13:36-39; Matt22:1-14)

**(Isaiah 28:20-22) For the couch has proved too short for stretching oneself on, and the woven sheet itself is [too] narrow when wrapping oneself up. 21 For Jehovah will rise up just as at Mount Perazim, he will be agitated just as in the low plain near Gibeon, that he may do his deed—his deed is strange—and that he may work his work—his work is unusual. 22 And now do not show yourselves scoffers, in order that your bands may not grow strong, for there is an extermination, even something decided upon, that I have heard of from the Sovereign Lord, Jehovah of armies, for all the land.**

1. We will have to wait and see. (Dan8:13-14) Now the only way to get past the Jehovah's witnesses so-called "true religion" and apostate obstacle is to bulldoze it out of the way globally. (Dan8:13-14) And as you know anyone "sighing and groaning" and trying to blow a whistle on this dangerous apostasy in a congregation, is quickly expelled, condemned, and slandered later into total removal and silence.

E. Like Israel before them, the Jehovah's witnesses organization has "safeguards" in place to protect their apostate leaders, and "use the Bible" to enforce their ejections and condemnations, all actually spiritually illegal.

**(Matthew 24:48-51) But if ever that evil slave should say in his heart, 'My master is delaying,' 49 and should start to beat his fellow slaves and should eat and drink with the confirmed drunkards, 50 the master of that slave will come on a day that he does not expect and in an hour that he does not know, 51 and will punish him with the greatest severity and will assign him his part with the hypocrites. There is where [his] weeping and the gnashing of [his] teeth will be.**

1. But, that typical reaction to being outed by prophecy for WTBS codified lawlessness and spiritual apostasy, also already

REPEATS the apostasy "sheep beating" inquisition pattern of reaction before it.

2. What we do know is corporatized religious "organization" is the repeated means by which all these ministries devolve into enforced apostasy, as they first start to idolize themselves, their "star personalities", group mythologies, and other totally mundane objects and irrelevant ideas using valid prophecy which will indeed "come true" as the sleight of hand veneer, then completely hi-jacked and rearranged for their criminal enterprise.

**(Revelation 18:5) For her sins have massed together clear up to heaven, and God has called her acts of injustice to mind.**

F. After that first set of errors passes the gullet, like in Jehovah's witnesses "true religion" dumpling, the sky is the limit as to how far they will then go into apostasy. (Dan11:32a) And the truth that this is a divine covenant backed faith, not of human mundane origin or requiring a corporatized "religious" identity, is soon fully eclipsed.

**(Revelation 14:12) Here is where it means endurance for the holy ones, those who observe the commandments of God and the faith of Jesus."**

G. "Gradually given over" (Dan8:12), the apostasy leaders soon place themselves for veneration and respect instead of God, as they place themselves as the divine mediatorial judge, instead of Christ. (2Thess2:3-4) Since the FAITH of Jesus is the faith in God Almighty, and neither are a "religion", the Revelation 11:3 very short final ministry has to return to "the faith", and its only reality: God and Christ.

1. Only God and Christ know the individual identity and distribution of the anointed "body of the Christ" and they will guide the final ministry of Revelation 10-11, as the Temple Judgment of Daniel 8:13-14 includes the "evening" desolation phase of this apostasy as the purifying Revelation 8 prophecy descriptions and exposures, which helps prepare the final ministry from the "abyss recovery" of Revelation 9, **all repeating** once again.

2. In time, the "morning" phase of that Revelation 9 recovery of the Daniel 8:13-14's Temple Judgment "right condition" will form the final recovery and enlightenment phase which is also the Ezekiel 37 parallel of Revelation 9, in future final form. That has to form to complete before the final commission of Revelation 10:5-11 is given, and before it can deploy in its final 1260 days mission. (Rev11:3; Rev13:5-7; Rev12:14; Dan7:25; Dan12:7)

H. That Daniel 8:14 attained Temple "right condition" recovery forms unto the accurate, clarified, and purified "temple" basis of the Revelation 10 final "little scroll" commission, which when deployed BY GOD (Rev10:11; Rev11:3), will form the "last witnessing" of the Revelation 11:3 "TWO witnessings" of the "two witnesses" then approved final anointed-body symbol.

**(Revelation 11:3) And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth."**

1. Those Revelation 11 TWO "witnesses" are thus "two witnessings" (Rev10:11), in the 1260 days "witness 1" from 1914-1918, and that final "witness 2" 1260 days of the future.

**(Revelation 11:2) But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months.**

2. That will complete the required Revelation 11:2 "appointed times of the nations" to "trample the holy city" in this final ministerial form for "seven times" as **2520 DAYS**.

**(Revelation 10:11) And they say to me: "You must prophesy again (1260 days, final witnessing) with regard to peoples and nations and tongues and many kings."**

3. Both "two witnesses" ministries will have completed with the future 1260 days "last witness" combining with the past "first witness" 1260 days of 1914-1918.

I. Now, we do not know exactly how God will recover and deploy this "final witness", but we know He will. (Rev10:11; Rev11:3) Now, IF that ministry does use mundane physical tools to produce hard copy or digital information or to direct a final ministry, the organized aspects of it cannot be idolized, it cannot claim to be "God's organization", or any other kind of human-deified attention claim; and it will have to be non-religious in identity, as the downfall of Babylon the Great global-religion will also be contained in that final "little scroll" announcement.

## **No "Beyond the Things Written" Manmade Rules (Creeds) Acts 15**

A. Now the entire Jehovah's witnesses WTBTTS Corporate Law Covenant of Apostasy has to also be scrapped entirely, to focus on the "little scroll" message and the clarified "everlasting good news" of the true openness and friendliness of the Christ arrival.

**(Acts 15:28-29) For the holy spirit and we ourselves have favored adding no further burden to you, except these necessary things, 29 to keep abstaining from things sacrificed to idols and from blood and from things strangled and from fornication. If you carefully keep yourselves from these things, you will prosper. Good health to you!"**

1. There is the final requirement ministerial "law", plain and simple.

B. Once the Jehovah's witnesses apostate ministry self-cancels as its corrupted organization dissolves-globally from the world scene in judgment, not any "end of the world", so will go down their fancy fraud Governing Body Billionaire Law Covenant and "gnat swarms" for their own "kingdom now". That will aid the freeing simplification required, because there will be no Jehovah's witnesses authority to "beat the sheep" any longer.

C. And though the finality of the stumbling for refinement of Daniel 11:32-35 climaxes in Daniel 11:41 with the JW downfall in the future, and its final failed "end of the world" "prophecy fulfilling" "hard-hitting judgment message" joke (fake Dan11:44), the stumbling for refinement will have produced people to be recovered for the final ministry understanding.

**(Daniel 11:32-35) And those who are acting wickedly against [the] covenant (in all WT/GB "loyal" JW-apostates now) , [King North] (Globalist-System) will lead into apostasy by means of (WTBTTS/GB many) smooth words (and rationalization excuses for the UN NGO). But as regards the people who are knowing their God, they will prevail and act effectively. 33 And as**

regards **those having insight** among the people, **they will impart understanding to the many**. And they will certainly be made to stumble by sword and by flame, by captivity and by plundering, for [some] days. (concludes in Dan11:41, Dan8:14) **34 But when they are made to stumble they will be helped with a little help**; and many will certainly join themselves to them by means of smoothness. (the whole XJW exodus is involved, but for varying reasons) **35 And some of those having insight will be made to stumble, in order to do a refining work because of them and to do a cleansing and to do a whitening, until the time of [the] end; because it is yet for the time appointed.** (Dan8:13-14 timing seal)

1. Since Jehovah's witnesses will "stumble", we can also repent and get with the actuality of the situation (Hos1:4-7), as the recovery by temple purification, is for those who can repent, as it is also part of the temple judgment purpose. (Zech3:4-5; Mal3:1-4)

D. There will not be time for another "corporate law covenant" hyping "organized religion", or anything like the quagmire of the idolization and fear of man and the installation of the "conscience of the Governing Body" which Jehovah's witnesses "over-organization" became, to help blind them and busy them with useless minutia.

1. If there was time, it is now shown us in this final apostasy REPEAT exactly where the Adamic character would again devolve.

**(Revelation 10:6-7) he swore: "There will be no delay any longer; 7 but in the days of the sounding of the seventh angel, when he is about to blow his trumpet, the sacred secret of God according to the good news which he declared to his own slaves the prophets is indeed brought to a finish."**

2. But, there will not be that time any longer, "there will be no delay any longer".

E. That is why preparing for the actual power, who can actually guide human development perfectly, in God Almighty and Jesus Christ, is what the whole temple judgment to final ministry is to focus on for its short duration "little scroll" but with the final huge final "good news" message.

F. It will not be long after the 1260 days "final witness" completes that Christ arrives. (Rev11:10-12) Thus, the short but large in impact "little scroll" ministry has no real time to "apostatize" again, and it is protected for its 1260 days mission as well. (Rev11:5; Isa31:8-9; Zech9:8)

G. But, "when they have finished their [1260 days] witnessing", that final "witnessing" will be allowed by God to be ceased by forming or official World Government "ascending" (Rev11:7; Rev13:5-7), when that rival "8th King" sovereign completes, to mark the Daniel 12:7 "dash the power of the holy ones to pieces" milestone completed. (Rev11:7-10; Rev13:5-7; Dan12:7; Dan12:11)

**(Daniel 12:11) And from the time that the constant [feature] has been removed (Rev11:7; Rev13:5-7, post 1260 days final ministry cancelled) and there has been a placing of the disgusting thing that is causing desolation (as world government with its final UN-related rendition "image"), there will be one thousand two hundred and ninety days.**

H. Not long after that set of events defines Daniel 12:11 in BOTH its criteria complete at the same time, (1) in a ceased final ministry AND (2) in the final "place the disgusting thing" of complete World Government, Christ arrives into his Messianic Kingdom co-completion period of Daniel 12:11 via Revelation 14, for his ministry and salvation completing salvation parousia (Rev14:6-7; Rev11:11-13), for that whole Daniel 12:11 timed period.

## V. Summary Revelation10:5-7

A. Revelation is the prophecy of prophecies, because it's framework adds the final details and gauged continuums (Rev8-11; Rev16) to Daniel 2's, and **Daniel 4's** sovereign framework prophecy, and it spans all the final timed periods of the 1150 or 2300 days timed Daniel 8:14 (Rev8-9), and the timed Daniel 12:7 (Rev11:3; Rev12:14; Rev13:5; Dan7:25), and timed Daniel 12:11 (Rev11:11-12; Rev14; Rev16:17; Dan7:26), and the timed Daniel 12:12 finality. (Rev19:1-9)

B. Revelation also converges all Bible prophecy for final meaning and summarizing, and its "seven trumpets" and "seven plagues" parallel in stepped meaning and future fulfillments over the final timed prophecies beginning with the temple judgment (Dan8:13-14; Rev8), as a live and real-time timeline of the final milestone indications leading to World Government (Rev17:8-17), and then the Christ arrival (Rev17:14; Rev14; Rev16:17; Rev11:11-13) and the eventual physical world conquest (Rev19:11-21; Rev11:15-19) and the spirit world and universal conquest. (Rev20:1-3).

**(Revelation 1:1) A revelation by Jesus Christ, which God gave him, to show his slaves the things that must shortly take place.**

C. Thus, the "second witness" of the Revelation 11 "two witnesses" of the future will explain the whole prophecy while it is fulfilling:

**(Revelation 10:5-7) And the angel that I saw standing on the sea and on the earth raised his right hand to heaven, 6 and by the One who lives forever and ever, who created the heaven and the things in it and the earth and the things in it and the sea and the things in it, he swore: "There will be no delay any longer; 7 but in the days of the sounding of the seventh angel, when he is about to blow his trumpet, the sacred secret of God according to the good news which he declared to his own slaves the prophets is indeed brought to a finish.**

D. By then (Rev10; Rev11:3) the Revelation 8 (Dan8:13-14) temple judgment downfall of the apostasy of Jehovah's witnesses will already have verified Daniel 8:13-14 events and Daniel 8:14 verification timing, however it matches its 1150 days or 2300 days duration. Revelation 8-9 is the whole "evening" (desolation to purification) and "morning" (recovery to final commission) Daniel 8:14 temple judgment phasings, respectively.

**Daniel 8:13-14 will have begun the Revelation 8 temple judgment "desolation" "evening" phase of Daniel 8:13-14. Revelation 9 "abyss release" of that temple judgment desolation is in the "morning" symbol of Daniel 8:14 as what the prophecy fulfilling means will become known prior to the final 1260 days ministry it is leading to.**

1. Revelation 8 is the temple judgment parallel of the temple desolation "evening" as the purification process of God as Revelation 8:1-7, in the first trumpet judgment meaning which encapsulates the whole temple judgment meaning on Jehovah's witnesses apostate "earth" symbol.

2. Trumpets 2-4 complete the apostasy indictment of why the temple was desolated, and the effects the apostasy had.

3. The second trumpet UN NGO, and the third trumpet apostate anointed Christian "wormwood star" apostate-symbol as led by the "man of lawlessness" Governing Body are pictured.

4. Revelation 8:12 trumpet four, is the literal "1/3" of the duration of the whole ministry since 1914, which was in darkness as a result of this final apostasy.

E. The temple recovery proceeds with Revelation 9 as Jehovah's witnesses apostasy must now be exposed as Christendom's had been in 1919.

### **"Sacred Secret" "Brought to a Finish" as a Summary Live and Real-Time into its Actual Reality**

A. Thus, by the time all that news makes it to the Revelation 10 final ministerial "little scroll" commission of the then temple judgment approved heavenly-anointed Christians "five discreet virgins", a major verification portion of prophecy will have been affirmed.

1. Thus, the rest of the news to come out with the actual 1260 days "final witnessing" ministry will be very credible as to its guaranteed forecast of World Government soon to come to "ascend" to cease that final ministry after it completes its 1260 days requirement. (Rev11:7-10; Rev13:5-7; Dan12:7; Dan12:11)

2. Thus, before, and as the prophecy is fulfilling to completion, the "little scroll" news of the prophecy starts to become milestone marked reality.

B. Though it starts as a summary of "what must shortly take place" in prophecy (Rev1:1), as forecasted in the "good news" of the "sacred secret" then fully revealed beforehand, in time, that "the sacred secret of God according to the good news which he declared to his own slaves the prophets is indeed brought to a finish" becomes live and real-time Christ arrived reality, the very thing it will have been warning of.

C. And because Christ completes his own ministry in the salvation gathering of all savable people first, that "good news" can become helpful for people's faith, because it will have revealed the "[everlasting good news](#)" true nature and intent of Christ's arrival to save ANYONE agreeing to God and Christ Kingdom rule over their lives, as in the Revelation 14:6-7 command and salvation offer as Christ and his angels complete a worldwide ministerial sweep for salvation.

**(Revelation 14:6-7) And I saw another angel flying in midheaven, and he had everlasting good news to declare as glad tidings to those who dwell on the earth, and to every nation and tribe and tongue and people, 7 saying in a loud voice: "Fear God and give him glory, because the hour of the judgment by him has arrived, and so worship the One who made the heaven and the earth and sea and fountains of waters.**

### **Revelation 11 "Second Witness" Affirms "First Witness" Total Meaning**

A. Thus, the "second witnessing" (Rev10:11; Rev11:3) affirms the "first witnessing" meanings forming before, and as, the final prophecy unfolds in its final Revelation 8-11 fulfillment form to the completion of Revelation 10:5-7 sworn oath of Christ.

B. Taking several years, as did the 1914-1926 master pattern fulfillment, the final cycle replicates the same period meanings, but to total global completion. Though the temple judgment had to be timed separately as the Daniel 8:14 timing this time, to prepare and lead to the final 1260 days later, there are several reasons why this occurred.

1. The Jehovah's witnesses nap (Matt25:1-13) was so severe, their prophecy retention so retarded, and the transgression and Governing Body criminal apostasy effects so serious, a significant separate temple judgment event had become necessary to remove the deeply entrenched obstructions in the ministry which the global desolation context of the Jehovah's witnesses ministry and organization allowed, before the final ministry could fully rectified, clarified, and commissioned.

2. As in 1914-1918's aftermath, Daniel 8:13-14 provides a TIMED temple judgment event to help awaken and motivate the recovery to final ministry process.

Rather than the fake JW promoted "end of the world" and premature Christ arrival (2Thess2:1-2), the sword-stroke, though looking very serious for a while (Rev13:3), has to by prophecy, recovery peacefully, as it did in WW1 in repeating manner, so that complete "8th King" World Government can be presented in that highly hopeful global "healing" phase of the final cycle instead.

Thus, what was the League of Nations "place the disgusting thing" of 1919 after WW1 in Daniel 12:11's first cycle, will now be officially complete World Government and whatever final form the United Nations may be branded as, after this fourth and final "sword-stroke" cycle completes into Daniel 12's future final cycle.

Revelation Master Sequence (1914-1926) Repeats in the Future

## **Appendix: God's Prophecy REPEATS and 607 BCE Babylon Benchmark Proof**

### **Basic Master Pattern Already Set**

The Revelation 11 "two witnesses" will be two witnessing periods of 1260 days each, 1914-1918 and the future for a total 2520 days as "seven times".

**(Revelation 10:11) And they say to me: "You must prophesy AGAIN (1260 days more) with regard to peoples and nations and tongues and many kings."**

**(Revelation 11:3) And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in**

**sackcloth.** (past "witness" and future "witness")

Keep in mind that in the final apostasy now operative for a few decades in Jehovah's witnesses now subverted ministry, the 1914 prophecy date is being undermined with a known lie concerning the 586-587 BCE Jerusalem destruction date. The WTBTs claimed date+event is 607 BCE, which is a globally-known error.

In the future, the final "witness" will prove the actual Babylonian ascension period of 609 BCE to 605 BCE. That will rectify that purposeful 1914 subverting error of the Jehovah's witnesses apostasy upon a "gentile" times benchmark on the gentile Babylon period.

That will come from God (Rev10:11; Rev11:3) after the final apostasy in Jehovah's witness goes down in the Daniel 8:13-14 [epic temple judgment downfall globally](#), as this final world-crisis cycle begins. (Dan11:41-43)

**1914-1918**

1. The first witness cycle manifested with a world cycle "sword-stroke" of WW1 (Rev13:3), which resolved into the League of Nations "image" of the wildbeast world government in its first step of progress. (Dan12:11; Rev13:11-15)
2. The first witness cycle of 1260 days from 1914 to 1918 (Dan12:7; Rev11:3), was ceased by legal means in 1918, to come into recovery in 1919 as Daniel 12:11's first cycle was defined.

**(Daniel 12:11 First Cycle) And from the time that the constant [feature] has been removed (Rev11:7; Rev13:3-11, post 1260 days first ministry cancelled) and there has been a placing of the disgusting thing that is causing desolation (as the League of Nations "image"), there will be one thousand two hundred and ninety days.**

**Future**

1. The final witness cycle will manifest in the future world cycle "sword-stroke" (Rev13:3), of for now unknown severity (Dan11:41-43), which will also resolve into the United National final "image" of the wildbeast along with completed "8th King" World Government in its last step of progress. (Dan12:11; Rev13:11-15)
2. The final witness cycle in the future 1260 days (Dan12:7; Rev11:3), will be ceased by legal means in the future, to lead into the Christ arrival via Revelation 14 (Rev11:11-13), in the Daniel 12:11 final cycle 1290 days as defined by the same related criteria as the first cycle.

**(Daniel 12:11 Final Cycle) And from the time that the constant [feature] has been removed (Rev11:7; Rev13:5-7, post 1260 days final ministry cancelled) and there has been a placing of the disgusting thing that is causing desolation (as world government with its final UN-related rendition "image"), there will be one thousand two hundred and ninety days.**

**The 1914-1926 Daniel 12 Master Pattern Repeats**

The first complete prophecy and spiritual cycle of 1914-1926 and the world cycle it manifested with in the "sword-stroke" global-crisis "time of distress" principle laid out the exact same prophecy pattern, as the assured master pattern of the final future cycle.

**There had to be a preview of minor fulfillment cycle first. The Daniel 12 prophecy and world event master pattern of 1914-1926 , is the only way the future prophecy can be known [before] it fulfills this time. This time the prophecy must be known before it fulfills because it will be giving the warning of what completed world government will be triggering: the Christ "second coming", for the global sheep gathering phase first.**

Unlike other prophecy periods which had to be ascertained after the fact, there will not be that luxury of extra time in the future. Just as Charles Russell was able to forecast the Daniel 4 "gentile times" to 1914, before it happened, this time the whole prophecy will be known with the same sovereign-time-limit message for the rival world government, this time, in completed form as well. (Rev10:5-7)

# The 607 BCE Babylon Ascension to 586 Jerusalem Destruction to 516 BCE Second Temple Completion Gentile Times Rectification

Now that the WTBT centered apostates have fully discredited 1914 with a real 607 BCE Jerusalem destruction **fiction**, this explains how Babylon's actual "gentile" ascension marks the 609-605 BCE prophecy benchmark era.

## 607 BCE Babylon-Based Timed Prophecy Fix

(Excerpt from coming article: Daniel and Revelation Repeating Prophecy Basis Primer for Understanding)

A. Dating 607 BCE to the 609 BCE era of the foretold Babylonian world power ascension under the dynasty of Nebuchadnezzar from king-designate (607 BCE) to King of Babylon by 605 BCE, will base the "seven times" on an actual "gentile time" in verifiable history;

[1.] [The Daniel 4 Super Tree and Gentile Times Rectified Reference with All Final Prophecy Cycle Tables](#)

[2.] [The Daniel 4 Gentile Times 607 BCE Babylon Ascension Benchmark Proof and Purpose](#)

1. The Isaiah 45 foretold divine-anointing of Cyrus indicates the 537 BCE date is certain to mark the end of the seventy years "seven times" as the beginning of the 2520 years "seven times" global will still encompass the 586 BCE Jerusalem true destruction date approximation.

a. The 607 BCE Babylon benchmark is the dating basis, which will parallel with the "seven times" sovereign "trampling" intrigues on Israel, as will be shown, with all of its "seven times" connections.

b. This is why this prophecy and its benchmark "gentile times" dating is targeted by the modern apostasy operation effects for discrediting; it makes the divine time limit and 1914-era warning seem invalid.

2. The Babylonian ascension (609-605 BCE) is historically documented from the emergence of Babylon's beginning defeat of Egypt/Assyria in [609 BCE at Megiddo](#), and the subsequent defeat in [605 BCE at Carchemish](#).

a. Nebuchadnezzar's "King designate" crown-prince period of co-regency is thus 607 BCE-based, to his full Babylonian Kingship in 605 BCE as also marked by the victory at Carchemish.

**Nebuchadnezzar is first mentioned in 607 BC, during the destruction of Babylon's arch-enemy Assyria, at which point he was already crown prince.**

[https://en.wikipedia.org/wiki/Nebuchadnezzar\\_II](https://en.wikipedia.org/wiki/Nebuchadnezzar_II)

3. Either by (1) the meaning of the crown-prince designation as assured King of Babylon in [607 BCE](#), or by (2) the average 607 BCE dating from the 609 BCE to 605 BCE timeframe, or by (3) the Cyrus 537 BCE benchmark date of prophecy, the 607 BCE Gentile Times Prophecy Benchmark can be established based on historically provable "gentile time" histories.

a. The 609-539 BCE (defeat of Babylon) to the 607-537 BCE (Cyrus decree) as both divinely indicated "seven times" as seventy years, is also then established by either the 539 BCE Babylonian defeat by Medo-Persia or the 537 BCE decree of King Cyrus which emancipated Israel officially as also benchmarked fully in "gentile times" history.

b. Israel's defeat by Egypt at Megiddo in 609 BCE, and [King Josiah's death](#) which resulted, mark the true beginning of the "gentile trampling" of Israel's divine-king rule. It was between 609 BCE and 605 BCE when Israel's last five Davidic-lineage kings transitioned from "gentile" Egyptian to "gentile" Babylonian domination during the vassal-reign of King Jehoiakim.

* Approximate Dating							
1. Dating shown is within accepted variance of calendar dating issues.							
2. Dating shown harmonizes with accepted global Biblical chronologies and "gentile" history.							
3. Dating shown rectifies and removes erred JW fantasy dating issues which affects all pre 537 BCE dates in JW research.							

c. From kings Josiah to Zedekiah all these kings were deposed by, placed by, or vassals of, the "gentile" world powers of prophecy of Egypt and or Babylon. From kings Jehoahaz to Zedekiah all Judean Kings were disapproved by God as noted in the Bible. From King Jehoiakim's partial reign forward from 605 BCE, Babylon was the dominating "gentile" nation of prophecy and reality.

**Therefore: BABYLON is the "gentile times" actual 607 BCE defining Gentile Times Benchmark nation of prophecy.**

4. By this actual "gentile times" world history, the 586 BCE Jerusalem and temple destruction date is affirmed removing the former discrediting effect;

5. The "seven times" is affirmed from 607 BCE to 537 BCE, the 2520 years to 1914 CE is affirmed;

6. The very important third "seven times" period of this prophecy, from 586 BCE temple destruction to its 516 BCE temple completion is demonstrated for the Haggai and Zechariah prophecy connections to Revelation 11 and its own final 2520 days "seven times" future completion based on the future **repeating prophecy** certainty;

(Revelation 11:2-4) But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth." 4 These are [symbolized by] the two olive trees and the two lampstands and are standing before the Lord of the earth

(Zechariah 4:14) 14 Accordingly he said: "These are the two anointed ones who are standing alongside the Lord of the whole earth."

And its future Christ Temple completion certainty:

(Zechariah 4:6-7) Accordingly he answered and said to me: "This is the word of Jehovah to Zerubbabel, saying, "Not by a military force, nor by power, but by my spirit," Jehovah of armies has said. 7 Who are you, O great mountain? Before Zerubbabel [you will become] a level land. And he will certainly bring forth the headstone. There will be shoutings to it: "How charming! How charming!""

7. Daniel 4 is to be explained accurately and fully in the 1260 days recovered ministry, which will also complete that **final Revelation 11 "seven times" as 2520 days** total "witnessing" in two periods past and future, unto the Christ future Temple completion of Revelation 14:1;

### Revelation Master Sequence (1914-1926) Repeats in the Future

#### The 1914-1918 (Dan12:7), 1919-1922 (Dan12:11), 1922-1926 (Dan12:12) Past Patterns

As [covered elsewhere](#) in more structured manner, it is important to understand the 1914-1926 first Revelation fulfillment cycle, because every element of that first Revelation 8-11 and Revelation 15-16 cycle will REPEAT in final form in the future. That cycle manifested with the first Daniel 12 fulfillment cycle, which shall also repeats in the future. (Dan7:25; Dan12:7; Rev11:2-3; Rev12:14; Rev13:5)

The 1914-1926 prophecy fulfillment cycle formed our first **[timed prophecy verifications]**, the **[prophecy period purposes]**, the **[target prophetic entities]**, and the **[world event markers]** which all summarized to form the main **[prophecy meaning summary]** as one harmonious whole and fulfillment sequence.

That was all previewed in the 1914-1926 prophecy fulfillment cycle. The foretold co-development of diametric sovereign entities in world cycle events and timed spiritual events world seen development in simultaneous manner has all been foretold for the Revelation and Daniel first cycle master pattern fulfillment.

That **[prophecy meaning summary]** is marked by the 1914-1926 prophecy fulfillment **[master pattern of the main repeating prophecy cycle]**, which was fully set in the 1914-1926 prophecy and world event super-cycle.

This is being reviewed here so that the **repeating nature** of the Revelation "two witnesses" prophecy and past and future 1260 days cycle. This prophecy master pattern purpose is being explained as the "second witness" [of the future] is now necessary to reaffirm the "first witnessing" first Kingdom of God announcements of 1914-1918, but in fully summarized and finally clarified form (Rev10:5-7) before that final cycle begins.

God repeats prophecies and patterns for several reasons to be covered in this report. But, the main reason is to teach and inform people of the future by the use of repeated exposure to the same types of repeating events, but this time in final prophecy form. Now, as an example of a repeating principle in prophecy and real world foretold spiritual compromise, now manifesting, the **repeating apostasy** in Jehovah's witnesses has fulfilled and shall lead to the final but repeating temple judgment fulfillment, first in the future. (1Pet4:17; Dan8:13-14)

That Temple Judgment event is foretold in the unique Daniel 8:13-14 timed prophecy which parallels Revelation 8, **as it repeats in fulfillment in the future**, as the temple judgment parallel which begins the final multi-year full replication fulfillment of Revelation 8-11. (1Pet4:17; Zech3:1-9; Mal3:1-4; 2Thess2:1-12)

Now we can review the elements that comprise the 1914-1926 **Master Pattern of the Main Repeating Prophecy Cycle**.

### Unique Parallel Repeats 1914-1919

Major World and Spiritual Event Parallels						
Year	1914	1915	1916	1917	1918	1919
<b>Spiritual Event</b>

<b>World Event</b>

League of Nations						

Notably, the WW1 first cycle world-crisis "tribulation" principle period manifested with all the foretold spiritual developments to announce a God's Kingdom message as the world Anglo-American globalist-system also produced their own rival world government "image" presentation after WW1 resolved peacefully along with their own "new world order" and world peace claims.

Even without prophecy that massive world war event and these simultaneous and diametric "kingdom" developments are striking. But, it is all fulfilled prophecy for a first-cycle master prophecy pattern which is the only way to know beforehand that the final cycle of the future will repeat the same pattern, but to the global finale completion already foretold in the prophecy.

**(Revelation 11:15) And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: "The kingdom of the world did become the kingdom of our Lord and of his Christ, and he will rule as king forever and ever."**

By the Revelation and Daniel 12 first world cycle and its prophecy master pattern of the final future cycle, we know how and that, the "last witness" of the Revelation 11 "two witnesses" 1260 days must manifest in the future.

2. Final prophecy and world event cycle based on 1914-1922 first cycle master pattern.				
3. Completes Revelation "seven times" connection as 2520 days, 7 times, 84 months;				
March 2020				

Now by certain future repeating world and spiritual events we can know "the things which must shortly take place". (Rev1:1)

Now that the first world cycle exhibited all of the world power and spiritual power developments foretold for "two witnessing" periods of Revelation 8-11 and all of the Daniel 12 repeating prophecy we can see that the now present and **foretold apostate compromise** in Jehovah's witnesses is already beginning the repetition of the final prophecy fulfillment cycle by the presence of this repeated apostasy manifestation.

And now that must lead first-in-the-cycle (1Pet4:17), to the [global downfall of that apostasy obstacle](#) first for the unique Daniel 8:13-14 now required temple judgment, which will also provide the future's first verified timed prophecy fulfillment of the final world cycle.

The temple judgment events and timing of Daniel 8:13-14 will fulfill first, then become full time and even verifiable for a signal, to then lead into the soon to be activated Daniel 12 final fulfillment cycle over several final years, as the world developments of Daniel 11:41-45 must merge into Daniel 12, in the future, as they emerge and mature.

## I. Timed Prophecy Verifications

A. The 1914-1918 era [timed prophecy verifications] of Daniel 12:7's 1260 days parallel, and the 1919-1922 phase of Daniel 12:11, and the 1922-1926 phase of Daniel 12:12, all fulfilled sequentially as their prophetic period meanings and purposes became ascertainable in time.

1. The first Daniel 12 fulfillment cycle of 1914-1926 also manifested in a foretold world-crisis as the WW1 defined "sword-stroke" of Revelation 13
2. That "sword-stroke" cycle resolved peacefully into its global "healing" phase for the world event of the "image of the wildbeast" presentation (Rev13:11-15), which eventually manifested to the Daniel 12:11 "place the disgusting thing" completion as Revelation 13:11-15's parallel event.
3. That all fulfilled the prophecy as the God's Kingdom anointed Christian ministerial "two witnesses" events and its own diametric Kingdom proclamation also unfolded at the same time.

The Daniel 12:7 1260 days paralleled the "time, times, and half a time" and "42 months" identical real-time verification timings of Daniel 7:25, Revelation 11:2-3, Revelation 12:6,14 and Revelation 13:5 with their respective cross-referenceable prophecy contexts.

Those parallel and concurrent prophecy fulfillments of 1260 days timed marked duration, in parallel form in 1914-1918, gave expanded prophecy detail and real-world meaning to the prophecy as its entire world and spiritual context, and the two rival sovereign entities are connected in the WW1 period in those prophecies, as will be explained in more detail below.

That 1914-1918 WW1 cycle and its 1919 League of Nations presentation period manifested massive "world events" matching "symbolic prophecy criteria" which helped identify also the timed [prophecy period purposes] and the main sovereign [target prophetic entities] by way of God's Kingdom and the rival-sovereign League of Nations "image of the wildbeast" of those critical Revelation and Daniel 12 prophecy first fulfillments.

The unique WW1 global "sword-stroke" cycle context of 1914-1918 provided the unmistakable [world event markers] of the prophecy's global fulfillment context (Rev13:3), along with the global "sword-stroke" phase and its "image of the wildbeast" League of Nations Anglo-American-Globalist presentation outcome. That fully defined the ever important global-cycle and the [prophecy

meaning summary] as an identifiable [master pattern of the main repeating prophecy cycle] before it was known how it would repeat again (WW2 cycle), and again (Cold WW3 cycle), in the future after 1914.

Now the spiritual temple judgment cycle context for the parallel world event context for the spiritual ministerial prophecy cycle identification became fully recognizable.

## The Unique World Power Progression from Nationalism to Globalism Based World Governance

1. Now from that 1914-1919 cycle phase we know the Anglo-American [national governmental] "7th King" "King South" entity first appears as official on the world scene, as it continued as such in Anglo-American based national power for two more "sword-stroke" cycles in WW2, and the Cold WW3 unique cycle of Daniel 11:29 note.

The Revelation 13 base national system "wildbeast" now had its "seventh head" "7th King" identity manifested, and from the Anglo-American "globalist elite" sector of the "two horned wildbeast" power system (Rev13:11-15), the "image of the wildbeast" was presented in the 1919 League of Nations event as a supra-national globalist forming world governance "image" entity.

Thus, the "8th King" representing "image of the wildbeast" also emerged in the world scene in 1919 as what is now the fully globalism-based world governance model also to be maturing from this same WW1 marked timeframe of 1914-1919, as part of the world process also part of the prophecy forecasted fulfillment.

Thus, at the same time the "7th King" was manifesting in national power and prophecy, the globalism-based "wildbeast" development (Rev17:8-11 related), was also manifesting. But, that globalism-based "wildbeast" was only first manifesting in its Revelation 13:11-15 League of Nations "image" form in post-WW1 1919.

But, now we know the global-crisis world war cycle "sword-stroke" is an integral part of the global cyclic formulaic process to then complete the cycle into that globalism-system "image" presentation which only needs to complete in the future cycle as the same "image" along with finally completed "8th King" World Government in the future.

Now we know that "7th King" nationalism-based development has become notable in prophecy since that first 1914-1918 world and prophecy cycle.

We also know from prophecy nationalism-based governance is not to be the pinnacle "7th King" "King South" basis of all future world power. Globalism-based "8th King" "King North" world government in final future maturity is to become the Christ-triggering final form of rival world sovereignty against God's Kingdom.

**(Revelation 17:8-11) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss** (Rev13:3 future "sword-stroke" effect), **and it is to go off into destruction.** And when they see how the wild beast was (United Nations), but is not (UN impotent to stop the coming "sword-stroke" global-crisis), and yet will be present (but comes back up (Rev11:7), for the final UN rendition to representing the World Government 'miracle' "healing"), those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world. 9 "Here is where the intelligence that has wisdom comes in: The seven heads mean seven mountains, where the woman sits on top. 10 And there are seven kings: five have fallen, one is, the other has not yet arrived, but when he does arrive he must remain a short while. (7th King/King South is not destroyed but "remains a short while", it becomes a global national-system vassalized-state of "King North" world government; Dan11:42-43) 11 And the wild beast that was but is not, it is also itself an eighth [king], but springs from the seven, and it goes off into destruction. (world government is the entity Christ will target for precision selective deposition and removal, a UN-related "image" and "disgusting thing" globalist-entity will continue to represent it, no matter how they may rename and rebrand it in the future in this future "abyss ascension" finality) 12 "And the ten horns that you saw mean ten kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the wild beast (as world government). 13 These have one thought (global-scale sovereignty), and so they give their (national-system) power and authority to the wild beast (world government).

As plainly stated the "7th King" is not destroyed, it is specified as "remaining a short while" in rule, as it must be superseded by "8th King" world government which is nominally the last world power of the Revelation progression, which is specified to end in the destruction of its also short symbolic "one hour" of rule. That will occur with the Daniel 12:11 final period as that "place the disgusting thing" in final form is that same "8th King" world government of the future of Daniel 11:44-45 future note.

And now the required 7th King national-system future downfall in national-system predominance of Daniel 11:42-43 "King South" note, will be carried out as the Daniel 11:45 parallel "8th King" globalist "wildbeast" "ascends" from the final world cycle in the future as complete World Government. But in 1919, that globalist-system of forming world government was only first manifesting in its League of Nations "image" post-WW1 presentation of 1919.

2. Now as the Anglo-American-Globalist "8th King" "King North" internationalized globalization-system of world governance was developing in the background, it develops to future maturity with the "7th King" "King South" nationalism-based system progressing fully recognizable since 1914.

Now from those 1914-1919 first world-crisis based master pattern cycle context inception events, we now know the "8th King" [designate system] develops with the "7th King" national system aid as fully recognizable since that first 1914-1919 sword-stroke cycle ran.

Now, in the future, this is why the "7th King" nationalism-based sovereign system must fall in national system global predominance during the next "sword-stroke" cycle.

And that national-system fall of the future (Dan11:42-43), is also the global context of the future "rise" of the "8th King" World Government. (Dan11:44-45; Rev17:8-13; Rev11:7)

That final "sword-stroke" cycle of the future will end the "old world order" nationalism-based phase of world governance by many national powers worldwide (Rom13), for the "rise" of the "8th King" globalized World Government "new world order" system to be based on a united national complex (Rev16:13-16), as assembled by the Globalist Globalism model and development around the United Nations "image" and political international hub of World Government.

That is how the "7th King" "remains a short while" nationalism-based governments "give their" sovereignty "power and

authority" to the globalist-system world government fully, in the future.

That is how in Daniel 11:40-43 "King South" is overcome; the sovereignty "pushing" between King South nationalism and King North globalism does have a victor: King North Globalism; and that for completed "8th King" "King North" World Government of the future.

**(Daniel 11:42-43a) And [King North] (Globalist-System) will keep thrusting out his (globalization) hand against the (King South national-system) lands; and as regards the (7th King/King South national-system capitol symbol) land of Egypt, she (subservient King South, 7th King fall) will not prove to be an escapee. 43a And [King North] ("8th King" Globalist-System) will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (of former "King South", then fallen "7th King" assets globally)**

That national-system based "King South" (7th King) "Egypt" symbolized world-system, "does not prove to be an escapee" from the King North (8th King) Globalization-System and World Government, in the future.

And [all of the "King South" "Egypt domain" [nations] end up "giving their power and authority" (Rev17:12-13,17) to the globalist-system "8th King". That "7th King" nationalism-based power was formerly defined by autonomous national sovereignty, which sovereign "power and authority" becomes transferred to the Globalist World Government final foretold [unipolar] world sovereign system.

Thus, God identifies clearly in Daniel 11:42-43 that economic and financial compromise of "King South" will greatly undermine the national-systems in the future, as the 8th King global sovereignty ends up owning them, all their "desirable things" assets and all the global gold and silver reserves as per Daniel 11:42-43, as aided by the economic stressing of the future final "sword-stroke" cycle.

All of those final cycle principles [for the future], were fully demonstrated in preview form in the 1914-1919 first world and prophecy cycle and its history. The WW1 cycle but began the fiscal undermining process of the nations at global scale by the globalist-system use of its controlled world war financing means.

THAT is how God uses repetition to teach people where His prophecy is now going. As the Christ Kingdom power is the co-developing theme and reality, who it is that that complete, forewarned, and ready World Government will be summoning (Rev1:7-8; Matt24:29-31; Rev16:17), for the Christ Arrival, is also known. (Dan7:11; Dan7:25-26)

Now the prophecy outlined future final world cycle must become marked by huge future world and spiritual milestones anyone can then understand the final meaning of, very simply, non-religiously, and very personally. (Rev14:6-8; Joel2:30-32; Hag2:7)

**This whole time since 1914 and WW1, nationalism-based world power has been evolving in world reality and in the prophecy that forecasts it into finally "8th King" completed globalism-based final world government global-sovereignty, already fully foretold in the the then whole convergent prophecy of God.**

## II. 1914-1926 Timed Prophecy Period Purposes

A. The [prophecy period purposes] all became known:

### 1. 1260 Days: Temple Judgment with First Witnessing 1260 Days Period Meaning

**Past:** The first cycle "first witnessing" 1260 days ministry was deposed as the 1919 League of Nations "image" of world government-in-progress was to be presented in 1919. The WW1 first "sword-stroke" cycle resolved peacefully to aid that first world government designate presentation as Daniel 12:11 first cycle and Revelation 13:11-15.

**Future:** The final cycle "last witnessing" 1260 days ministry will be deposed into then completed "8th King" world government manifesting. (Rev11:7) Then the final global "sword-stroke" cycle will also resolve peacefully to aid that final world government and United Nations "image" presentation. That will all be the same Daniel 12:11 prophecy but in its final cycle fulfillment, with the completed Revelation 13:11-18 world government final presentation of the Revelation 17:8-

**13 parallel, with its "wildbeast" "666" global-marking campaign completion in the future.**

The prophecy timed period of Daniel 7:25, Daniel 12:7, Revelation 11:2-3, Revelation 12:6,14 and Revelation 13:5 manifested parallel for 1260 days as a modern temple judgment prophecy of the first modern Christian anointed ministerial period to end in 1918. That was the first-cycle of the Revelation 11 "first witnessing" 1260 days period of the Revelation 11 "two witnesses" and its "little scroll" God's Kingdom Proclamation meaning, which was also established for future reference.

**God made a temple judgment determination from 1914-1918, as to which anointed Christian ministry, then non-religious, would be used for the future ministerial work.**

Thus, the completion of the Christian Protestant Reformation intent had been met not religiously, but by clarifications it led to by the mid 1800s, which were understood in basic Christian purpose and teachings meaning.

**Thus, as that led to the spiritual freedom to actually start to look at prophecy beyond the basics of God's will and purpose in the Bible, when the events of 1914 erupted, the prophecy aspect was ready to be applied to the next world power development on the world scene, therefore already described in the prophecy.**

**Future: That 1260 days period is half of the final completing Revelation 11 2520 days "seven times" equation of the "two witnesses" happening twice, once past in 1914-1918 and once in the future to complete the warning and open salvation offer completion.**

Revelation 11 TWO Witnessing Cycle Past and Future			
Event	Context	Seven Times Completion Equation	Outcome
<b>First Cycle WW1</b>			
1914-1918	1914-1918 (1260 Days)	1260 days Past	
Temple Judgment	Christ God's Kingdom Coronation		
	Proclamation		
<b>(Final Cycle) Future "Sword-Stroke" Cycle</b>			
Future	Future Kingdom Ministry (1260 Days)	1260 Days Future	<b>Seven Times Total Completed</b>
Recovery to Commission	Christ Messianic Kingdom Proclamation	1260 days (past) + 1260 days (future)	
		2520 Days Total	
	2520 Days "Seven Times" Completion	Final "Seven Times" completes	

Thus, the future Revelation 11 "two witnesses" final ministry of the "last witnessing" of the "two witnesses" is for 1260 days in the future, "again" as in Revelation 10:11, will complete the final "seven times" of the Revelation 11 "holy city trampling" requirement (Rev11:2), as then 2520 days total "witnessing".

**(Revelation 10:11) And they say to me: "You must prophesy AGAIN (1260 days more) with regard to peoples and nations and tongues and many kings."**

That final ministerial "little scroll" witnessing repeats the former ministerial 1260 days timed prophecy duration (Rev11:3), and Kingdom message import. But that final ministry of the future is in the final pre-Christ arrival form, as Christ must arrive after the "8th King" World Government completion.

**There are TWO Revelation 11 "witnessings" in the symbolic "two witnesses", because there are TWO God's Kingdom kingdom events in the prophecy, God's Kingdom and the Messianic Kingdom of Christ.**

1. 1914-1918's 1260 days "first witnessing" announced the God's Kingdom focused Christ coronation and rulership purposed event;
2. The future 1260 days "final witnessing" will announce the Messianic Kingdom future-completion focused Christ "King of kings" coronation and rulership purposed event;

Thus, the final future 1260 days deploys into completing World Government "ascending from the abyss" (Rev11:7) of the final "sword-stroke" cycle of the future (Rev13:3), unto its required peaceful global resolution (1Thess5:1-3), which is the optimistically positive global recovery atmosphere World Government is presented into. (Rev17:8) That global "healing" which highlights the context of the final World Government presentation.

The final 1260 days "witnessing", which precedes this, will also have been forewarning the World Government entity in that 1260 days process, before World Government ceases that final ministry as in Revelation 11:7-10, Revelation 13:5-7 and Daniel 12:11, in the future final prophecy fulfillment cycle.

That final 1260 days and 1290 days "seven times" of forming World Government "42 months" of authority and then official ruling presentation is the "seven times" limit of their permission to "trample" the divine "holy city" entity from its Christian human form, unto its certain Immortal Kingdom of Christ power.

**Thus, in the future, both the "8th King" World Government and the Messianic Kingdom of Christ (Rev14) will be co-developing to co-completion together at the same exact final timeframe (Ps110:2), for the eventual total completion of both sovereign-entities for the final co-sovereign conflict that co-development will be leading to.**

That 1260 days and 1290 days seven years approximate is also the "week" of open salvation as per the Daniel 9:27 principle application. (Gen7:4) It is also the 1290 days 3.5 years completion of Christ's "seven times" as seven years total ministerial duration on Earth for the Adamic age, since his first earthly arrival ministry of 29-33 CE.

Thus, as in Revelation 14 via Daniel 12:11 final 1290 days of the future, Christ secures the global savable humans first (Matt24:31), and he must also offer his own "world peace" covenant with the full divine guarantees beforehand, and at that time.

**That Kingdom offer as stated now at Revelation 14:6-7 is that ANYONE on Earth can accept that Messianic Kingdom terms of peace, and be saved, as the Kingdom angels of Christ will complete that Kingdom peace offer worldwide.**

**(Revelation 14:6-8) And I saw another angel flying in midheaven, and he had everlasting good news to declare as glad tidings to those who dwell on the earth, and to every nation and tribe and tongue and people, 7 saying in a loud voice: "Fear God and give him glory, because the hour of the judgment by him has arrived, and so worship the One who made the heaven and the earth and sea and fountains of waters."**

## **Future Final Cycle Temple Judgment Unique Requirement**

**(Daniel 11:32) And those (Jehovah's witnesses) who are acting wickedly against [the] covenant, [King North] (Globalist-System) will lead into apostasy by means of smooth words. (from the Governing Body "King North" placed apostasy leadership of the WTBS)**

Due to the severe terminal apostasy in Jehovah's witnesses (Dan11:32a), and much prophecy damage by discrediting, purposeful prophecy disinformation, outdated applications, and retained errors, the final cycle MUST begin with the Daniel 8:13-14 *Timed* Temple Judgment:

1. To judge the temple while desolating it into the purified "right condition" of Daniel 8:14, for eventual ministerial recovery;
2. To provide the temple judgment verification timing of Daniel 8:14, to help establish ministerial inception credibility;
3. To then expose the Jehovah's witnesses apostasy and Governing Body "man of lawlessness" as prophecy;
4. To form the recovery ministry to rectify all prophecy errors, fix dating errors, and update all prophecy to the globalization completion objective of completed world government in the future; (Rev10:5-7)
5. To then make the Revelation 11:3 "final witnessing" 1260 days Christ Messianic Kingdom completion announcement.

## **2. 1290 Days: The Judgment Approved Ministerial Purification, Recovery and Global Commission Period Meaning**

**Past: The 1919-1922 1290 days Daniel 12:11 first cycle manifested with the first 1260 days ministry cessation (Rev11:7; Dan12:7 first cycle) into the "League of Nations" 1919 "wildbeast" World Government designate "image" first presentation period as the Christ "parousia" arrival was for the God's Kingdom coronation of 1914, as the good news parousia period continued for the 1260 days through the 1290 days recovery, and after, FOR ANYONE accepting Christ's God's Kingdom salvation power for assured salvation.**

**Future: That 1290 days final Daniel 12:11 cycle is to manifest with the final ministerial cessation (Rev11:7; Dan12:7) into the completed "8th King" World Government "scarlet wildbeast" final presentation period (Dan21:11 final cycle), which triggers the Christ Arrival for a Kingdom Guaranteed Open Salvation Parousia period to be carried out during that entire Daniel 12:11 1290 days FOR ANYONE to accept and or summons the Christ Kingdom powers for assured salvation. (Rev14:6-7; Joel2:30-32)**

The most important principle for this period meaning is the principle of the Christ "temple arrival" of the post Temple Judgment 1918 to 1919 transition, as his 1914 era God's Kingdom Coronation was also an important feature of the "first witness" developing from 1919 onwards, even if they ascertained its full import later.

The prophecy timed period of Daniel 12:11 (Dan7:26) 1290 days was fulfilled in 1919-1922 for the awakened ministerial recovery phase to mark the prophecy and the 1919 marked official divine rejection of Christendom's corporatocracy and defector-anointed leadership by prophetic temple judgment indications, for further clarifications of the future clarified ministry.

Christ and the Messianic Kingdom powers of holy angels and spirit being anointed will confront every savable human being of planet Earth as per Revelation 14:6-7. The Christ arrival import principle of the original 1290 days inception, is now repeated for his Salvation Parousia (Matt24:31) operating to completion by angelically gathering all savable humans of Earth (Matt25:31-40; Rev14:14-16), *before* he conquers World Government.

Christ is thus in parousia mode "subduing in the midst of his enemies" (Ps110:2), while World Government is officially stated and exercising its "one hour" (Rev17:12) of permitted global rule for the 1290 days (Dan12:11), prior to global conquest.

Christ completes his own ministry in that period (Matt24:14) in full global scope, and in a manner unstoppable by any opposer means man or demon, as the human ministry could not and was not sanctioned to make this global completion coverage. (Matt10:23)

When the 3.5 years of Christ first arrival ministry are combined with the Daniel 12:11 3.5 years of his second arrival ministry the final "seven times" as "seven years" is completed as applied to Christ ministerial completion mission. Then he will indeed conquer and destroy the rival World Government (Rev19:19-21), and abyss Satan and the demons. (Rev20:1-3)

## **3: 1335 Days: The Judgment Marked "Happy State" Divine Commission Sealed Period Meaning**

**Past: The Daniel 12:12 1335 days first cycle sealed the recovered ministry for the rest of the "first witnessing" continued "good news" purpose, until in the "delay of Christ" the final apostasy development has repeated manifestation in Jehovah's witnesses now defunct and prophecy information suppressing ministry.**

**Future: The Daniel 12:12 1335 days final cycle is the Christ Messianic Kingdom conquest to seal the "great crowd" into deliverance for the preparation of the "Marriage of the lamb" as the "everlasting good news" ministry of Christ proceeds through the one thousand year reign to complete the recovery of planet Earth as Revelation 21-22 unto the human immortality purpose of Revelation 22:14 and Revelation 21:22-27.**

A. The prophecy timed period of Daniel 12:12 and its 1335 days was fulfilled as the inception period for the divine marked global furtherance of the International Bible Students "first witness" anointed Christian ministry aftermath as a divinely approved, caused (Rev11:3), and assured global ministry which would continue, guaranteed.

1. That ministry eventually became known as Jehovah's witnesses for the time period it remained in approval, now it is a WTBS, Governing Body and UN NGO "witnesses" apostate ministry, as foretold. (Dan11:31b; Matt24:15; Dan8:13; Dan11:32a)

In time, we now see how Jehovah's witnesses devolved into the foretold modern final apostasy and that now this entire world and spiritual super-cycle with the prophecy foretelling it all, REPEATS Christendom's former apostate judgment theme, in now the modern Jehovah's witnesses apostate aberration of modern times.

That severe modern apostasy is what makes the Daniel 8:13-14 (Rev8) Timed Temple Judgment cycle necessary again, as it also repeats the divine judgment principle to remove the current obstacle of apostasy, while cleansing the temple (Dan8:14; Zech3:4-5), to help prepare the final 1260 days ministry. (Mal3:1-4; Rev10:5-7; Zech3:6-9; Rev11:3)

B. Because the IBSA ascertained the whole Revelation first cycle meaning by the 1920s, this 1922-1926 period was further assured in new and unique prophecy understanding that it was a divine "last days" ministry. That is why like a miracle, 99% of Charles Russell's erred attempts at prophecy interpretation were scrapped over night, so to speak, while most of his ever important Christian purpose basics were retained.

**But, it must be noted the Daniel 4 "Gentile Times" Grand Slam of All Prophecy was retained, because in that regard Russell and others had derived the Daniel 4 Mother of All Prophecy Sovereign Framework of all prophecy, and that was no accident either; and that too will be reaffirmed in the final witnessing 1260 days of the future.**

1. Even if they did not understand that the whole super-cycle of apostasy would be repeating with a final temple judgment and sword-stroke cycle unto 8th King World Government in the future, that initial 1914-1918 "first witness" laid out everything prophecy cycle and world cycle related that we need to know about the final cycle.

**That first prophecy cycle sure to repeat is what makes possible now understanding the final prophecy before it happens this time. (Rev1:1)**

Daniel 12:12 will be the post Christ conquest global preparatory period and final prophetic timed period for the Marriage of the Lamb, and its official divine Messianic Kingdom ruling event preparation. The Marriage of the Lamb (Rev19:1-19), activates the final [World Peace Covenant](#) which all saved human beings will have entered via Revelation 14, as adopted "children of the lamb" to become full "Children of the Eternal Father" Christ as aided by the Isaiah 54 Eternal Mother "Bride of Christ" immortal spirit-entity during the human perfection process of the thousand year reign of Christ.

Ultimately, the final purpose of the atonement based perfection obedient humans will attain (Rev22:1-3), is for "stand alone" final [human immortality](#) (Rev21:22-27) "on Earth, as in Heaven" (Matt6:10), to be granted by God for those humans who conquer post-abys released Satan and the demons (Rev22:14) by their own obedient merit and perfect performance, after Satan and the demons are abyss released after the thousand year reign of Christ completes. (Rev20:3b,7-10) .

<b>Notes:</b>					
1. 1914-1918 is the "first witnessing" cycle of the "TWO witnesses" modern ministerial witnessing missions					
2. The three timed periods form the "master pattern" for the final cycle understanding which repeats the future "last witness" 1260 Days "witnessing" mission.					
3. The 1914-1919 WWI Cycle to the 1919 League of Nations forms the future "master pattern" for rival sovereign development and its use of a "sword-stroke" global-crisis phase to resolve peacefully into their "image of the wildbeast" presentation as the international forum and representation of world government in-progress.					
4. The future global-crisis "sword-stroke" "tribulation of those days" will also run its global course and resolve in time, peacefully into the final "image of the wildbeast" United Nations-related presentation [along with] the complete and official "8th King" World Government "Scarlet Wildbeast" "King North" "King Fierce" final fulfillment terminus in Daniel 12:11.					
5. In the period of the global-crisis sword-stroke approximate parallel, the 1260 days final ministry "last witnessing" of the Revelation 11 "TWO Witnesses" will complete as 2520 days "seven times" when combined with the first witnessing 1260 days of 1914-1918.					
6. "8th King" future World Government is the fully Revelation 16:13-16 globalized convergence of all national power "gather the nations" into that final global rival sovereignty which triggers the Christ Arrival.					
7. Jehovah's witnesses apostate ministerial "cancellation" and organizational downfall as the timed temple judgment of Daniel 8:13-14 (parallel Revelation 8) will precede the final "witnessing" of the "two witnesses" 1260 days to emerge after the temple purification events (Dan8:14; Rev8; Zech3:4-5) desolate the UN NGO cursed JW ministry as in Daniel 8:13, Matthew 24:25.					
8. The final 1260 Days leads into the global context of the final "sword-stroke" resolving peacefully and "healing" globally into said World Government to cease the final approved ministry (Rev11:7-10; Rev13:5-7) and to present the Christ triggering World Government permitted to rule for the Daniel 12:11 1290 Days the 1260 Days leads to when completed.					
9. The Christ Arrival "Parousia Mode" for the Global Open Salvation Offer and global sheep gathering rounds out the 1290 Days as a counter-kingdom offer made known in the 1260 days final witness final ministry is taken forth globally by Christ and his Kingdom Holy Angels to every human of Earth as Christ completes his own ministry as also "seven years"="seven times".					
10. The Christ Arrival "Parousia Mode" for the Global Open Salvation Offer and global sheep gathering 1290 Days is a Global Open Salvation Offer period of Revelation 14:6-7 which is open for ANYONE to accept Christ Kingdom over NOW World Government, and it completes in that final Daniel 12:11 period before Christ conquers the rival "8th King" world government fail.

## Unique Future Daniel 8:13-14 Temple Judgment of the Coming Final Prophecy Cycle

Now, due to the "sleeping" (Matt25:1-13), and totally apostate and spiritually scattered status of anointed Christians as a ministerial force (Dan11:32-35) as greatly aided by the modern apostasy of Jehovah's witnesses, which will get worse in the future before it is recovered (Zech13:7-9; Zech11), the Daniel 8:13-14 timed temple judgment must precede the repeating fulfillments of Daniel 12:7's future 1260 days, and then Daniel 12:11's 1290 days and then the final Daniel 12:12 1335 days total completion.

THAT Daniel 8:13-14 Temple Judgment unique one time only prophecy of the future, for initial timed verification and cleansing "right condition" preparation is the only unique preparatory feature of the final cycle, which also manifests with the unique one time only Daniel 11:41-45 final fulfillment developments to completed world government of the future.

The future temple judgment must run its full timed course of Daniel 8:14, **before** the 1260 days, 1290 days, and 1335 days sequence can begin. The temple judgment principle itself must repeat (Rev8-9; Zech3:1-9), but upon the future-verifiable one time only unique Daniel 8:13-14 **timed** temple judgment prophecy of the future.

Thus, the Daniel 8:13-14 Temple Judgment verification timed events and phasing, as that timed prophecy aids ministerial proof and motivation, is the parallel of the final Revelation 8-9 fulfillment meaning of the future. Revelation 8 is the Temple Judgment "evening" (Dan8:14,26) "trampling desolation" accounting phase, and Revelation 9 is the Temple Judgment purified "right condition" "morning" recovery phase.

Both of the Temple Judgment "evening" desolation and "morning" preparatory cleansed recovery phases, and full Daniel 8:14 timing, must fully complete [before] the final 1260 days is commissioned (Rev10:5-11; Zech3:6-9), and then deployed by God. (Rev11:3)

Thus, the Revelation 8-11 (Rev15-16) and Daniel 12:11 final fulfillment cycle of the future begins with Daniel 8:13-14 temple judgment events and eventual verified timed prophecy fulfillment.

**Thus, a new verifiable timed prophecy inception event begins for the final ministerial motivations (Rev11:3), just as the 1914-1926 timed prophecy verifications helped motivate that ministerial aftermath in the past.**

1. Temple Judgment event and principle, REPEATS: Unique Daniel 8:13-14 1150 or 2300 days judgment to temple cleansing, begins parallel Revelation 8-9 repetition fulfillment as Revelation 8-11 activates for a multi-year "seven trumpets" spiritual cycle duration over several final years, as parallel with the world context "seven plagues" of Revelation 15-16.

2. The FINAL MINISTRY, REPEATS: Daniel 12:7 1260 days parallel of Revelation 11:2-3, Revelation 12:14, Revelation 13:5-7 and Daniel 7:25;

3. The CHRIST ARRIVAL PERIOD, REPEATS: Daniel 12:11 1290 days parallel of Daniel 7:26 and Revelation 14;

4. The DELIVERANCE SEALED, REPEATS: Daniel 12:12 1335 days Christ full rulership inception phase;

**Future: In the future, after securing all the global "sheep" and savable people of the "great crowd" in the preceding 1290 days of Daniel 12:11, God, Christ and all combined Immortal Kingdom Powers will conquer, defeat, and depose the "8th King" World Government rival sovereignty as the inception event to begin Daniel 12:12.**

But once the Temple Judgment runs its timed 2300 days or 1150 days "evening" desolation AND its "morning" enlightening ministerial recovery phases for the temple accounting and purification purposes, to prepare the "right condition" for the final "last witnessing" ministry, the Daniel 12:7 1260 days will manifest with its Revelation 11:3 "final witnessing" deployment parallel.

When the 1260 days completes, Christ will arrive soon thereafter in the the Daniel 12:11 1290 days period which will have begun as marked by the final cessation of that final ministry the then "ascending" or officially "placed" World Government.

**(Daniel 12:11) And from the time that the constant [feature] has been removed (Rev11:7; Rev13:5-7, post 1260 days final ministry cancelled) and there has been a placing of the disgusting thing that is causing desolation (as world government with its final UN-related rendition "image"), there will be one thousand two hundred and ninety days.**

1. Sequence shown as approximate by main period purpose meaning, certain periods overlap and merge concurrently.			
2. Certain periods overlap and merge concurrently as parallel fulfillments to define world and spiritual pattern-cycle phases			

### III. Target Prophetic Entities

A. The main [target prophetic entities] became fully prophecy identifiable since 1914-1918's first cycle.

**Past:** Clearly, a Kingdom of God Proclamation and prophecy proof emerged 1260 days concurrent (into cessation of the first Rev11:7, Dan12:11 cycle) with the League of Nations globalist counter-kingdom "image of the wildbeast" entity presentation of 1919 for the first Daniel 12:11 cycle, after the first "sword-stroke" cycle of WW1 ran its course into its globally peaceful resolution, from 1914-1918, to that 1919 League of Nations "embryonic world government" presentation.

**Future:** In the future, the Messianic Kingdom Completion Proclamation and prophecy proof will emerge for 1260 days concurrent (into cessation of the final Rev11:7, Dan12:11 cycle) with the final United Nations globalist counter-kingdom "image of the wildbeast" and its "8th King" completed World Government entity presentation for the final Daniel 12:11 cycle after the final "sword-stroke" cycle of the future runs its course into its globally peaceful "world peace and security" resolution, as in 1914-1918, but in the future, to that final world government presentation, which will trigger the Christ arrival.

1. Thus, the two main [target prophetic entities] in (1) God's Kingdom, and the "7th King" final national-power-based alliance world power of prophecy became known, but it is the (2) "8th King" "image" which represents the true rival target entity of God's Kingdom.

Now even the "8th King" "image" [designate] system also became identified with the Revelation 13:11-15 and Daniel 12:11 first cycle prophecies.

2. And now we know that those two **[target prophetic entities]** now extend into the God's Kingdom related (1) Messianic Kingdom "stone" (Dan2:31-44), and the Messianic Kingdom 1914-Born "child" (Rev12:1-6) prophecy identified target entity, as well as the (2) future "8th King" World Government completed final rival sovereign target entity meaning for their future respective required completions and their finale final global sovereign conflict.

Now, the spiritual **[target prophetic entity]** was identified in Christendom's apostasy status as a long Catholic system to post Reformation apostasy process in the making. But, the approved Christian anointed "witness" was also an identified **[target prophetic entity]** and it was non-religious in nature when it began and completed that first 1260 days commission, composed of an independent Christian Bible study group.

Thus, in the worldly context of sovereign power development and in the spiritual context of judgment for approved Kingdom of God representatives, all the main **[target prophetic entities]** were fully identified in the real world context events and in the Revelation and Daniel 12 timed prophecy foretelling it all.

## IV. World Event Markers

A. The **[world event markers]** all harmonize with prophecy.

**Past: Now the WW1 defined world "sword-stroke" cycle context for the concurrent spiritual apostasy judgment event (then on the "Christendom apostasy"), all became known with the global scale of the first cycle and the prophecies of Revelation 8-11, Revelation 15-16, and Daniel 12 foretelling it. (First cycle: Dan7:25-26; Rev13:5-7; Rev11:3-10; Rev12:6,14)**

**Future: Now the final world "sword-stroke" cycle context will manifest for the concurrent spiritual apostasy judgment event (now upon "Jehovah's witnesses apostasy"), all to become known with the global scale of the final cycle and the final fulfillment cycle prophecies of Revelation 8-11, Revelation 15-16, and Daniel 12 then repeating to global completion. (Final cycle: Dan7:25-26; Rev13:5-7; Rev11:3-10; Rev12:14)**

Basic Repeating World Pattern-Cycles			
Event	Context 1	Context 2	Context 3
1. World War 1	Sword Stroke	Resolution	Present Image (League of Nations)
	Tribulation	Recovery "Healing"	World Peace
2. World War 2	Sword Stroke	Resolution	Present Image (United Nations)
	Tribulation	Recovery "Healing"	World Peace
3. Cold World War 3	Sword Stroke Threat	Resolution	Present Image (United Nations)
	Tribulation	Recovery "Healing"	World Peace
4. Future	Sword Stroke (Crisis)	Resolution	Present World Government and Image
	Tribulation	Recovery "Healing"	World Peace

Now with the WW1 "sword-stroke" the whole cycle served as a global distraction "time of trouble" (Dan12:1), to try to bury this first ministerial prophecy cycle meaning and Kingdom proclamation of 1914-1918 concurrency.

1. In addition, the "doomsday-like" global crisis "sword-stroke" period of WW1 also resolved peacefully to globally "heal" for the League of Nations presentation and its "only we can provide world peace" cycle-capping positivity pitches, to all mark prophecy by a global scale cycle marked by massive milestone events in worldly and spiritual prophetic concurrency.

2. As an example that this is an assured global **[world event marker]** and cycle meaning in prophecy, in WW2 the same pattern REPEATED with the WW2 "sword-stroke" cycle to its intended global peace resolution for the second United Nations "image" related presentation of 1945 to fulfill the first cycle of Revelation 17:8-11.

3. As an further example that this is an assured global **[world event marker]** and cycle meaning in prophecy, in the Cold WW3 cycle the same pattern REPEATED with the the "Cold War" cold "sword-stroke" cycle of "atomic war" fear, to its intended global peace resolution for the third United Nations "image" related presentation of 1990 to fulfill the then fully recognizable "King North" globalist-system prophecies of Daniel 11:31b and Daniel 8:23.

Four 8th King UN World Pattern-Cycles to World Government - 1919-Future

4. By just those three "sword-stroke"-to-"image" global presentation cycles we can "predict" the same pattern of world events and related prophecy **will repeat in the future** for the final global sword-stroke" cycle and its finally completed "8th King" "King North" World Government presentation finale to trigger the Christ arrival, in the future.

Thus, all the prophecy marking **[world event markers]** were set in the 1914-1918 first world and spiritual cycle and prophecy fulfillment cycle of Revelation 8-11 and Daniel 12, and further reinforced by the WW2 cycle for the same type of world context for the rival sovereign designate United Nations "image" presentation of 1945, while that 1914 prophecy based ministry still explained the prophecy properly.

**Note: Now when Jehovah's witnesses should have pointed out this same type of related global cycle which ended in 1990 (Dan11:29), but in the unique Cold WW3 "possible nuclear war" "cold" sword-stroke fear cycle conclusion, into the *third* United Nations presentation and Globalist-System "King North" manifestation to recognition (Dan11:31b; Dan8:23), they concealed it (Dan8:12b) and made the UN NGO covenant with it, as misled by their UN NGO toting WTBTS apostate and impostor leadership. (Dan11:32a; Matt24:15)**

<b>Notes</b>				
The 1914-1919 first global and spiritual pattern-cycle is the basis of the final cycle because the same events and meanings repeat in the future into final entities				

## V. Master Pattern of the Main Repeating Prophecy Cycle Affirmed: Prophecy Meaning Summary

A. Now the entire [prophecy meaning summary] for both the world power system development and the spiritual advancement by judgment could be known and summarized as one required parallel of the first cycle prophecy continuum of milestones and their meaning, which we now know also REPEATS to its finality in the future.

1. That prophecy fulfillment preview of 1914-1926's period allows the entire [prophecy meaning summary] to be explainable for the future, because the future cycle will be a repeat of the 1914 cycle, but in final form.

That first prophecy fulfillment preview of 1914-1926's marked prophecy fulfillment periods allows all this to be known today for the future repetition of this prophecy in completed, final form, unto "8th King" completed World Government. There has to be a final 1260 days ministry completion (Rev11:3), for the human Christian requirement. (Matt10:23)

The truth is, Revelation 11's "TWO Witnesses" are to be TWO witnessing phases of 1260 days each, **(1)** 1914-1918 1260 days and in the **(2)** future 1260 days finality, to make TWO Kingdom of God announcements (God's Kingdom and the Messianic Kingdom of Christ), for 2520 days total "seven times" completion meaning.

It is no accident a now REPEATING prophetic apostasy is what indicates the temple judgment is coming for the Jehovah's witnesses [**target prophetic entity**] of this modern final apostasy phase.

The [**world event marking**] developments of 1914-1918's first global cycle eventually matured by the 1920's to become a recognized "God's Kingdom Proclamation" "witnessing" with its Christ "God's Kingdom" Coronation and "Messianic Kingdom birth" prophecy events of 1914 as the supporting explanation. After that period passed the [**target prophetic entities**] of God's Kingdom and the "image of the wildbeast" "League of Nations" continued to be known as they both progress into today and the future final cycle.

**Note: This prophecy truth is what the "evil slave" Governing Body "man of lawlessness" farce is trying to undermine with all their lawless policies, illegal alliances, and other hypocrisy laden reproaches they have misled Jehovah's witnesses into, in their power trip since 1976. (Dan11:32a; 2Thess2:3-4; Zech3:3) But, those WTBS apostate and impostor temple rogues are also foretold (Dan11:30-35; Dan8:11-14), and that is how we know this Jehovah's witnesses apostasy ends in top priority judgment, first (1Pet4:17), and that will but begin the final prophecy cycle of Revelation 8-11 in the future. (Rev15-16)**

## Dual Kingdom Claims

1. It is now known the Globalist-System, by first use of that "League of Nations", is to be forming to fully complete "8th King" World Government in the future.
2. And it is no accident in the first cycle of 1914, the God's Kingdom Proclamation emerged at the same exact time period from 1914-1919 to also give "good news" proof that:
  - A. Christ had assumed [temporary] Kingship in God's Kingdom;
  - B. The final "last days" ministry was being deployed by Christ; (Rev6:1-2)
  - C. And the 1914-Born Messianic Kingdom is what would mature to completion later, to eventually conquer that "8th King" rival World Government after it completes in the future, to take over Earth forever. (Dan2:31-45)

Now both sovereign rival entities merely require a **final repeating global cycle** [of the future] to complete their respective power systems for war. (Rev16:13-16; Rev17:14; Rev19:19-21; Joel3:9-17)

**Incidentally, the simplicity of this "plot" climax is what the Jehovah's witnesses apostasy covers up and discredits.**

**That is why the current temple rogue apostate and weed impostors have assumed corporate control of the Jehovah's witnesses ministry to try to keep this simple news a big secret. (Dan8:12b) At the same time, they discredit the whole prophecy with Jehovah's witnesses lawlessness, spiritual hypocrisies, known errors, and illegal alliances like the UN NGO. (Matt24:15)**

By carrying out this lawless stumbling campaign (Dan11:32-35), many people think the whole prophecy is now invalid and that the 1914 era prophecy warning of the sovereign divine time limit on human rulership of Earth no longer applies.

That is also why the "witness" has to be repeated (Rev10:11), to reaffirm the Kingdom appeal as well with all of its Kingdom benefits and offers to all mankind (Rev14:6-7), to be fully guaranteed and realized at the future Christ "second coming".

**That coming apostasy, to temple judgment, to an emergent final ministry aftermath, into a final sword-stroke global crisis which heals into world government will REPEAT the same pattern as in 1914-1926. But this time, "8th King" World Government is what will manifest to trigger the Christ arrival not in heaven for God's Kingdom, but on Earth to complete the Messianic Kingdom (Rev14:1), and its global salvation offer (Rev14:6-7; Dan12:11), and then the conquest of the rival world government.**

Since the first prophecy cycle of 1914-1919, both of these [target prophetic entities] became identified in prophecy. They both [began] to make known globally their "kingdom claims" (Dan2:44; Dan7:8,11,20), and they are both known in prophecy to be diametrically opposed global sovereign enemies who shall [both] complete and meet in complete battle, in time. (Dan7:23-26; Rev19:19-21; Rev17:14)

1. They are ultimately universal enemies if we include the "seven headed dragon" rulership of Satan and the demons which guides the [scarlet] "seven headed wildbeast" world government development as fully seen since that WW1-to-League 1914 timeframe and in its "image" "placement" understanding. (Rev12; Eph6:12; Rev13:5-11)

2. After WW2 the same pattern repeated (Rev17:8-11) in the 1945 United Nations presentation.

3. After the unique (Dan11:29) Cold WW3 cycle resolution manifested with the fall of the USSR in 1990, the **same pattern repeated** to present the THIRD United Nations "image" announcement presentation. (Dan11:31b) Now after a third "sword-stroke", with highly fearful "nuclear doomsday" possibilities passed (Rev13:3), the THIRD United Nations "place the disgusting thing" came about, UN1-2-3.

As had happened after every world war cycle, "hot" and now "cold", before, the master pattern [world event marking] development of the "world-war-to-world-government" [required global cycle], as had occurred in 1914-1919, is now shown to be a reliable **repeating world pattern**.

4. Thus, to expect a fourth and final "sword-stroke" cycle in the future to complete this process after that [future] "global crisis" based cycle also resolves peacefully, but this time into the final presentation of completed "8th King" World Government (Rev17:8-17), **actually now suggests itself [UN1-2-3-4]** for the future, as the prophecy "explains itself" as well. The enemy system [formulaic world cycle] use is now predictable, even without the highly detailed supporting prophecy which also exposes it fully.

The enemy sovereign has a time limit from God, so expect the future global sovereign showdown, which was the basic "little scroll" message of the 1914-1926 cycle. (Zeph3:8)

## Messianic Kingdom Birth Newborn "Kingdom" Being "Set Up"

**(Daniel 2:44-45) And in the days of those kings the God of heaven will set up a kingdom that will never be brought to ruin. And the kingdom itself will not be passed on to any other people. It will crush and put an end to all these kingdoms (then in "8th King" world government), and it itself will stand to times indefinite; 45 forasmuch as you beheld that out of the (1. God's Kingdom) mountain a (2. Messianic Kingdom) stone was cut not by hands, and [that] it crushed the (world government "immense image" of) iron, the copper, the molded clay, the silver and the gold. The grand God himself has made known to the king what is to occur after this. And the dream is reliable, and the interpretation of it is trustworthy."**

In addition, at the same time of the "first witnessing" 1260 days and aftermath the International Bible Students Association, and then that (IBSA)-to-Jehovah's witnesses ministry present today, announced the 1914 "birth" of the Christ Messianic Kingdom in that same period.

Being a "newborn" "kingdom" (Rev12:1-6), it is logical that Kingdom entity must also mature to completion in the future. (Rev7:1-4; Rev14:1)

**(As you may be aware Jehovah's witnesses will not complete this simple logic as they attempt an abortion of the Kingdom truth instead. (Dan8:12b))**

Thus, we have logically two Kingdom events (Dan2:31-45) in prophecy with one "God's will done on Earth, as in Heaven" divine "eternal purpose" of the future millennial completion.

In the future, that "Messianic Kingdom of Christ" must also mature to completion and receive the "last witnessing" of the final 1260 days "final witnessing" to precede the Messianic Kingdom guaranteed completion.

**(It will be shown in the prophecy timeline that Messianic Kingdom shall co-complete [after] "8th King" World Government has also completed first. (Rev17:8-17; Dan7:23-26; Dan8:25; Dan11:45))**

But, in this time of the 1260 days future finality, instead of arriving at the 1919 "League of Nations" "image", this time it will arrive into "8th King" completed World Government (Rev17:8-12), with its final "image" completed as well in the final "United Nations"-related entity. (Dan12:11 final fulfillment phase)

**And that must manifest upon the same basic prophecy master pattern already set in 1914-1918 for Daniel and Revelation's foundational prophecies.**

But like last time, there will be a distraction as in WW1, in the future. Like last time, there will be a "time of trouble" (Dan12:1), "tribulation of those days" global-scale "sword-stroke" phase, which does not "end the world" (Rev13:3; Rev17:8), but recovers peacefully (1Thess5:1-3; Isa41:1), into that final world government presentation.

## Revelation 11 2520 Days "Seven Times"

Into that final "global-crisis" "tribulation" of the future the final "two witnessings" ministry requirement of Revelation 11 emerges and "seven times" completes as 2520 days with **(1)** the 1260 days of 1914-1918, combined with the **(2)** final 1260 days of that future

[required] completion.

That completes all the "time, times, and half a time" prophecies (Dan7:25; Dan12:7; Rev12:14) as they repeat that timeframe for "seven times" completion, whether as "1260 days" (Rev11:3) or "42 months" (Rev11:2; Rev13:5) timed period parallels. (Dan7:25; Dan12:7; Rev11:2-3; Rev12:6,14; Rev13:5; Dan7:26; Dan12:11)

As an example, those "cross referenceable" **[timed prophecy verifications]** "time, times, and half a time" prophecies and their 1260 days and 42 months parallels and world event prophecy contexts can combine to form a large amount of required final world event information about that future prophecy timed period leading to world government to trigger the Christ "second coming".

It is into that **[context of all completions]** that Christ arrives for the final sheep gathering phase first (Rev14; Dan12:11; Matt24:29-31), just as he "arrived to the temple" in 1918. But, this will be the full "second coming of Christ" in its initial Messianic Kingdom and Holy Temple completion requirement.

That is all ascertainable from the 1914-1918 and 1919-1922 first period patterns of the 1260 days and 1290 days **[timed prophecy period purpose meanings]**, which will repeat in final fulfillment in the future. (Dan7:25; Dan12:7; Rev11:2-3; Rev12:6,14; Rev13:5; Dan7:26; Dan12:11)

### Future Temple Judgment Prophecy Start point

1. This time the Daniel 8:14 temple judgment begins the timed prophecy sequence with the **[world and spiritual event markers]** of Daniel 8:13-14 (Rev8), as 1150 or 2300 days.

2. Daniel 8:14 future **first [timed prophecy verification]** will completely run its temple judgment timed course as those Jehovah's witnesses judgment and downfall events and timing will lead to Daniel 12:7 as the Revelation 11:3 final ministry "witnessing" period. (Dan7:25; Rev11:2; Rev12:14; Rev13:5)

3. That "final witness" ministry will complete and also be ceased as in 1918. (Rev11:7; Dan12:7; Dan12:11) When world government is complete and the final witnessing is ceased (Rev11:7-10; Rev13:5-7), at the same time, Daniel 12:11's 1290 days phase will begin and then result in the Christ Arrival shortly thereafter. (Rev11:7-10)

4. After the 1290 days results in all sheep secured (Rev14:6-7; Matt24:31), Babylon the Great deposed (Rev14:8; Rev17:12-17), and then world government deposed in its finality with Satan abysed, then Daniel 12:11 expires into Daniel 12:12's final timed prophecy phase of 1335 days.

### Daniel 12:12 is the global inception phase of the full universal rule of Christ's Kingdom with world government deposed and Satan and the demons abysed, all completed.

This study will show how we have to explain "again" (Rev10:11) the final prophecy and re-affirm the "first witnessing" message of 1914-1918 at the same time as the "second witness" reaffirms it for "two witnessings".

#### That is why there are TWO "witnesses" in Revelation 11.

And this time, rather than "expose the apostasy of Christendom" which is now completed, the final witnessing must instead "expose the apostasy of Jehovah's witnesses" in prophecy, in the same manner.

This is possible because Jehovah's witnesses REPEAT the same illegal alliance (UN NGO) import of the "worship the wildbeast" "transgression causing desolation" of Daniel 8:13 note to signal Matthew 24:15.

**(Matthew 24:15-16) Therefore, when you catch sight of the (JW UN NGO) disgusting thing that causes desolation, as spoken of through Daniel the prophet (Dan11:31b), standing in a holy place, (let the reader use discernment,) 16 then let those in Judea begin fleeing to the mountains.**

Jehovah's witnesses also repeat the same stumbling effect and its same "beat fellow slaves" effects (Dan11:32-35) caused by their spiritual and secular criminal lawlessness, as did Christendom before them.

### Prophecy Sequence Cross Registration Examples

The purpose of this study is to demonstrate how **[world event markers]** in prophecy can be cross-referenced, by actually doing it to the main prophecy scriptures as an example developed at the same time, in this study. The **[world event markers]** mark the timed **[prophecy period purposes]** and the main **[target prophetic entities]** or symbols the events are related to.

As the event-cycle passes it forms the **[timed prophecy verifications]**, which will be examined here, because we have the former example to know what the **[prophecy period purposes]** meant for the whole **[prophecy meaning summary]**.

Since all the Daniel 12 prophecy period purpose sequences are timed, in sequence, and can be known beforehand, there are no disconnected events. All events will be sequential in the future relating to one of the Daniel prophecy foretold four final timed periods

we will be tying together.

1. Daniel 8:13-14 1120 or 2300 days judgment to temple cleansing.
2. Daniel 12:7 1260 days parallel of Revelation 11:2-3, Revelation 12:14, Revelation 13:5-7 and Daniel 7:25.
3. Daniel 12:11 parallel of Daniel 7:26 and Revelation 14.
4. Daniel 12:12 Christ full rulership inception phase.

## Prophecy Fulfillment Cross-Reference Check

As stated earlier, the future completion of all the "time, times, and half a time" prophecies (Dan7:25; Dan12:7; Rev12:14) repeat that "3.5 times" timeframe for then "seven times" completion, in the future.

Thus, the future "1260 days" (Rev11:3) and "42 months" (Rev11:2; Rev13:5) timed period "time, times, and half a time" parallels (Dan7:25; Dan12:7; Rev11:2-3; Rev12:6,14; Rev13:5; Dan7:26; Dan12:11) will become affirmed the final time in one global final fulfillment cycle.

Those "cross referenceable" "time, times, and half a time" prophecies and their 1260 days and 42 months parallels will combine respectively, and fulfill in a large amount of required stepping final **[world and spiritual event markers]** which in prophecy will lead to and through the final "sword-stroke" to again resolve peacefully into "8th King" world government and the Christ "second coming" it will indeed trigger.

1. **[World event markers]** in prophecy are marked by historically known sovereign world power developments which eventually also lead to significant events which together will have prophecy descriptions that can thus be recognized and applied.

A. The **[spiritual event markers]** in the same prophecies unfold in fulfillment with the global context of the prophetic **[world event markers]** as both fulfillment features are verifiable **[at the same time]**, to the required total global completion maturity of the future.

2. In these cases the **[target prophetic entities]** are the national-system powers, globalist-system powers, and the divine-system Kingdom developments developing and maturing in parallel manner.

3. The prophecy and Bible "plot" we already know will define the **[prophecy period purposes]** which is the:

A. Temple judgment, accounting and recovery temple cleansed "right condition". (Dan8:14)

B. Final Christian Commission and its Final Ministry 1260 days; (Dan7:25; Dan12:7; Rev11:2-3; Rev12:6,14; Rev13:5)

C. World Government signaled Christ Arrival Messianic Kingdom co-completion and global sheep-sweep mission first priority. (Dan12:11; Dan7:26; Rev14)

D. Messianic Kingdom ruling inception phase; (Dan12:12)

4. As the fulfillment occurs this time the final **[timed prophecy verifications]** will manifest for instant recognition as they proceed in

sequential order, because this time we know from the 1914 master prophecy pattern first fulfillment what we are looking for.

## Spiritual Context Mapping

1. By this prophecy cross-checking method we can step through the final prophecy cycle from the modern final apostasy in Jehovah's witnesses, to its temple judgment, to the temple cleansed purpose for the final commission and the final 1260 days ministry.
2. From the final "witnessing" 1260 days we can map that ministry's cessation (Rev11:7-10; Rev13:5-7; Dan12:7; Dan12:11) into world government forming or formed in some manner to trigger the Christ "second coming" and his own completing final ministerial announcement (Rev14:6-7) and "gathering" mission (Matt24:31; Rev14:14-16; Matt25:31-40), which we also [double-check in the same manner](#).

The Christ Arrival is in a "Salvation Parousia" in Revelation 14 in the Daniel 12:11 1290 days period where we can prophecy-check the global sheep-gathering purpose to gather the "affirmation sealed" approved heavenly-anointed to complete the "Messianic Kingdom" first (Rev7:1-18; Rev14:1), to render the rest of the final judgments for this age, which results in all earthly savable humans "gathered" for forming the "great crowd", "harvest of the earth" "sheep".

We will examine those last judgments in detail as we progress.

**But, keep in mind that world-and-spiritual pattern in the above, fulfilled in preview form already in 1914-1926. That "first witnessing" provided the future completion warning and the previewed "warm up" Daniel and Revelation basic-understanding which would develop to completion in the future.**

**When we recognized Jehovah's witnesses are now our new but final apostasy for this age, now the events which began in 1914 to expose Christendom's apostasy later, will now repeat in final form as Jehovah's witnesses are now "the apostasy" that needs to be exposed and disclosed.**

**But, unlike Christendom whose time for destruction was not yet, and whose scale was too large to depose at that time, Jehovah's witnesses apostasy will be deposed LITERALLY, and that first in the cycle. (1Pet4:17) That is the temple judgment of Daniel 8:13-14. It is to become the global signal of the final cycle starting (1Pet4:17; Rev8) and it will serve as a "smoking warning" (Rev9:1-4) of what is also coming for Christendom, indeed all Global "Babylon the Great" Religion come World Government completion time. (Rev17:12-17)**

God's prophecy of the judgment of BTG must complete in every sequenced detail;			
<b>8. Babylon the Great Cannot be "Globalized"</b>

God frees up His final "my people" "stuck in Babylon" religions, to aid the salvation of many;			Rev11:13

## World Context Mapping

In the global context we can cross-reference the [future] national system downfall coming. The "7th King" falls into subservience to the "8th King" Globalist-System in a global-crisis **[world event marker]** period.

But, that "tribulation of those days" "time of distress" final "sword-stroke" cycle resolves peacefully into "8th King" world government. Into that **[world event marked context]** the post-temple-judgment (Dan8:14) final 1260 days ministry emerges into that context.

After the final 1260 days completes with that final "witnessing" ministry (Dan12:7), it is to be finally ceased and deposed (Rev13:5-7) by completing or "ascending" world government (Rev11:7; Rev17:8-12), in some for now unknown form of authority complete or completing.

That all comes after the apostate-JW downfall, events, and timing, have fully run its timed prophetic course to Daniel 8:14 completion.

Though every applicable prophecy can be "cross-referenced" into this timeline continuum actually structurally present in the main prophecy framework as a whole, the purpose here is demonstrating the most important prophecy connections and the meanings of the timed periods and the global context of the main world events of the future.

From the simplest examples to more complete ones, it can also be shown how principles in parables can also be cross-referenced to the "event nodes" they relate to, for example.

An example is the temple judgment prophecies of Daniel 8:13-14 and Zechariah 3 which do have a Matthew 25:1-13 "Ten Virgins" Parable parallel of the future judgment for approval or rejection among heavenly-anointed Christians of today.

Once we see the prophecy progress is older than, and independent of "religion" we can understand the current Jehovah's witnesses "religious" obstacle will be removed in judgment in time, and it has to mark the "start-up timed prophecy" as it is removed. No apostate religion or anything else will stop God's announcement of the arrival of the King of kings [designate] as he takes the Messianic Kingdom to completion for the end of this age and its final signal "8th King" world government rival.

### Prophecy Future Timeline by Cross-Registration Method

First, we will examine how the prophecy arranges itself when all purposes are already understood from the first fulfillment cycle. It is best to see the future reality laid out in valid prophecy explanation first, before examining how the modern errors in apostate Jehovah's witnesses stalled this realization.

After the future prophecy reality is timelined and explained then we can examine some common errors and why they led the interpretation into various detours, loops, and dead-ends.

We can also examine errors with a directly modern foretold evil purpose, such as with WT leadership and their UN NGO wildbeast services contracts (Dan11:32a) as prophecy being re-arranged for purposes of destroying the Jehovah's witnesses ministry in the future, undercover of a handy "end of the world" smokescreen. (2Thess2:1-2) By identifying these key errors we can also know what to rectify (see table [below](#)), and that the whole prophecy interpretation from the past is not in error.

That is, some errors are just old "on auto pilot", while the "operation of error" in Jehovah's witnesses has direct demonic involvement (Zech3:1; 2Thess2:9) for cover-up now of key prophecy meanings (Dan8:12b), with more serious catastrophic evil purposes for later. (Matt24:15; Zech11)

It is of modern prophecy fulfillment note that the Jehovah's witnesses apostasy is in prophecy in general (Zech3:1-3; 2Thess2:1-12), and in historic detail with the third United Nations event of 1990 after the unique Cold WW3 cycle ended. (Dan11:29; Dan11:30-35; Dan8:11-14,23)

# Square One: The Modern Apostasy in Jehovah's Witnesses Benchmark

It does not take a "master detective" or "a prophet" to know the Governing Body "WTBTS takeover" anomaly of 1976 is the key apostasy control center development this is all connected to, which is now in terminal evil "man of lawlessness" and "evil slave" maturity. For an honest person, honest in admission with ourselves, it is now a "no brainer".

In this history in the public record the WTBTS [itself has produced](#), we also have an illegal authoritative "body" to define the modern "man of lawlessness" in that mythical and illegal ministerial "Governing Body" farce.

Now the Jehovah's witnesses based and misleading "evil slave" "apostasy body" is prophecy connectible to all former apostasy in Christian development since the first century in general form. It is just the same general apostasy prophecy fulfilling, but in final form. (2Thess2:1-12)

Jehovah's witnesses and the corrupted leadership which misleads them are thus a completion of the entire apostasy fulfillment, purpose and public record. (Dan11:32a; Dan8:12; Dan11:30b) Jehovah's witnesses ministry exemplifies the final apostasy for "the last days".

**(Daniel 11:30-31) "And [King North] (Globalist-System) will actually go back and hurl denunciations against the holy covenant and act effectively; and [King North] (Globalist-System) will have to go back and will give consideration to those leaving the holy covenant (among JWs). 31 And there will be arms that will stand up, proceeding from [King North] (Globalist-System); and they (apostate JWs) will actually profane the sanctuary, the fortress, and remove the constant [feature]. And they (all) will certainly put in place the disgusting thing that is causing desolation. (King North globalist 1990 3rd UN placement, JW UN NGO, 1991)**

**(Daniel 11:32) And those who are acting wickedly against [the] covenant, [King North] (Globalist-System) will lead into apostasy by means of smooth words.**

By knowing that criminal and apostate WTBTS leadership has indeed "profaned the temple" into a very severe apostasy based "wrong condition", we can recognize the "temple judgment of God" is indeed coming to resolve this apostasy, and on that particular "Jehovah's witnesses" "apostate house" first. (1Pet4:17; Matt24:15)

Thus, with a fully-foretold "apostate body" hi-jacking the ministry to apostasy now "in the temple" (2Thess2:3-4) to pollute it (Dan11:31a; Dan8:12, Zech3:3), we know:

1. What **[apostate target entity]** to identify for the divine reaction "bull's eye" in the temple judgment, for the future Daniel 8:13-14 prophecy to start as Revelation 8.
2. Where the **[target location]** for the desolation judgment will come: on the Jehovah's witnesses ministry and organization globally;
3. Why the apostasy is defined by the former WT Christian anointed defectors (Dan11:30b), from the initial Governing Body WTBTS Coup of 1976 to their UN NGO of 1991 evidence, to today's sordid criminal zenith "in the temple"; (2Thess2:3-4)

**(2 Thessalonians 2:3-4) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god.**

4. By who, what, why, when, where, and how, the UN NGO became the globally seen "catch sight" of the "place the disgusting thing" (Matt24:15; Dan11:31b) among apostate Jehovah's witnesses as a WTBTS wildbeast promotional global-services covenant in connection with that 1990 third United Nations event and prophecy now being covered-up by the apostasy leaders;

**(Daniel 8:11-12) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place (corrupted JW worldwide organization) of his sanctuary was thrown down. 12 And an (JW worldwide) army itself was gradually given over (to 8th King infiltrative control), together with the constant [feature] (laced with profanations), because of transgression; (UN NGO and other sins); and it kept throwing truth to the earth (cover up, misinformation), and it acted and had success. (Dan11:30 "act effectively" by the apostate subversion operation deployed through the Governing Body and WTBTS);**

5. Why criminal lawlessness (Dan8:12), and prophecy cover-up (Dan8:12b), in many forms is now "Watchtower policy" with apostatized Jehovah's witnesses. (Dan11:32a; 2Thess2:3-4);

**Thus, we know why Jehovah's witnesses will go down in their own "end of the world" of the WTBTS and JW Org reality, without any real "doomsday" to manifest. (Rev13:3) What will manifest instead, is the final global "sword-stroke" cycle being explained as prophecy here.**

## Square Two: The Temple Judgment of Jehovah's witnesses Apostasy

The temple judgment is a well known event in all apostasies from the past.

Very importantly in prophecy, the temple judgments of the past **IN ALL CASES**, manifested with the new world power also emerging on the scene:

Temple Judgments with New World Power Emergence Details				
Judgment Period	Prophecy World Power	Apostate Target	Power Transition	Date
<b>1. Assyrian Ascension</b>	<b>2nd King</b>	<b>Israel/Samaria</b>	<b>Egyptian to Assyrian</b>	<b>720 BCE</b>
<b>Description</b>				
When [Assyrian world power transitioned in] upon [apostate] Israel in the 8th century BCE, Assyria sacked prophecy identified apostate Israel in Samaria and Bethel cities [as a divine foretold judgment marker] of Hosea 1:4-7 and Isaiah 28 (among other warning prophecy); this apostasy-to-judgment-to-new world power emerged for the 1st time.				
<b>Prophecy</b>				
Isaiah, Hosea, Micah, Amos all record that apostasy and judgment announcement as prophecy.				
<b>2. Babylon Ascension</b>	<b>3rd King</b>	<b>Judea/Jerusalem</b>	<b>Assyrian to Babylonian</b>	<b>586 BCE</b>
<b>Description</b>				
When [Babylonian world power transitioned in] upon [apostate] Jerusalem in the 7th century BCE, as a [prophecy foretold judgment marker] God required and allowed an eventual total destruction of Jerusalem in 586 BCE; this apostasy-to-judgment-to-new world power emerged for the 2nd time.				
<b>Prophecy</b>				
Jeremiah and Ezekiel fully document the apostasy and the warning in their prophecies from God.				
<b>3. Roman Ascension</b>	<b>6th King</b>	<b>Judea/Jerusalem</b>	<b>Greek to Roman</b>	<b>70 CE</b>
<b>Description</b>				
When [Roman world power transitioned in] upon [apostate] Jerusalem in the first century CE, and sacked Jerusalem in 70 CE as a [divine foretold judgment marker]; and this apostasy-to-judgment-to-new world power emerged for the 3rd time.				
<b>Prophecy</b>				
Now we know Daniel outlined this judgement downfall briefly at Daniel 9:26 and Daniel 11:22. But Christ, all the apostles and 1st century Christians were warning of this judgment.				
The SIGNAL APOSTASY of the time, SEEN BY SOME, WARNED IN PROPHECY and from some, ALL develop [[with]] [a major world power transformation and TRANSITION into a new world power also as marked in prophecy].				
<b>Modern Period</b>				
<b>4. Anglo-American Ascension</b>	<b>7th King</b>	<b>Christendom</b>	<b>Anglo-American National</b>	<b>1919 CE</b>
<b>Description</b>				
As the [Anglo-American "7th King" "King South" world power transitioned in fully] and [as the "8th King" "image" of the world-government-designate system in progress was first presented] BOTH began emerging with and after WW1 The Christendom [apostasy] was furthering its				

Reformation basis as being exposed as one corporate-based apostate whole from 1914-1919 forward.

## Prophecy

That is no coincidence, and by then it was a common pattern upon common repeating prophecy patterns because apostasy has common traits and effects. It took them a little time to recognize the specific world power transformation emerging as official in Anglo-American [nationalist] alliance, AND the [globalist] developmental nucleus of world government in that League of Nations presentation.

## Future—World Government:

**5. World Government Ascension** | **8th King** | **Jehovah's Witnesses** | **Globalized Government** | **Future**

## Description

As the globalization process must complete into "8th King" "King North" World Government in the future as it emerges from one more "sword stroke" cycle (Rev13:3; Rev17:8-12; Rev1:7) as in WW1, WW2 and Cold WW3 the apostasy of modern Jehovah's witnesses is NOW emerging towards that signal epic "temple judgment" requirement. (Dan8:13-14; Rev8; Zech3; 1Pet4:17)

## Prophecy

This NOW CERTAIN apostasy-to-judgment-to-new world power will now emerge for the fifth time into 8TH KING WORLD GOVERNMENT along with the sacking of now apostate Jehovah's witnesses ministry and organization as all apostasy prophecies now repeat in the JW signal apostasy of our time.

## Notes

1. In ALL cases, the world power coming in, sacks the apostate system.
2. BETHEL APOSTASY IS NOW THE FINAL SIGNAL OF THE SAME PATTERN. The modern world power engineers behind the UN NGO, the 8th King world government planners, is who will also sack Bethel in the future, hence Daniel 8:13.
3. In that final global transition period, the 8th King will "ascend" into the next global power system as official World Government which Jehovah's witnesses now conceal as they "ride the wildbeast" in full global record as UN NGO and modern world government lobbyists.
4. The JW Apostasy is the 2Thessalonians 2:3-4 related development that has to be globally judged, "revealed" in full global exposure, BEFORE the real "day of Jehovah" can fully manifest.
5. Jehovah's witnesses promote the 2Thessalonians 2:1-2 premature delusion of that "day of Jehovah", which Bethel now uses to divert the JW mind with over excitement as if "the end of the world is next brothers!"
6. THAT IS the CENTRAL JW DELUSION AT BETHEL, that is the 2Thessalonians 2:1-2 warning Paul was giving by inspiration, to NOT be fooled by this hype; BECAUSE the APOSTASY AND MAN OF LAWLESSNESS AT BETHEL, has to be revealed first, THEY are the source of that KEY SIGNAL subterfuge.
7. This final signal apostasy is now ALL the same prophecies, REPEATING again, and so the final prophecy will also repeat in final fulfillment.
8. And it will eventually emerge as the "last witnessing" open salvation offer and Kingdom warning as all the main prophetic details again manifest. This is why Revelation 10:11 eventually will emerge as the final "TWO witnesses" "you must prophesy AGAIN" with regard to the final summary of prophecy of Revelation 10:5-7.

Thus, it also reinforces the [prophecy repetition basis] reality and the basic concept which all apostasies "in God's temple" lead to: **A HUGE SIGNAL JUDGMENT OF GOD, AS PROPHECY.**

1. Thus, the "Temple Judgment" has a HUGE SIGNAL PURPOSE to wake up those in spiritual slumber and those in the apostasy itself, to get readied for repentance and to become prepared for the final leg of the future Christian Kingdom Mission.
2. Thus, the "Temple Judgment" has a HUGE SIGNAL PURPOSE to verify **the first timed prophecy step as Daniel 8:13-14 of the future**, of the whole final cycle timeline of final fulfillment.

By such a well known "repeating prophecy" history from the past, we know now the entire prophecy itself will repeat.

**Revelation 8 is the temple judgment parallel of Daniel 8:13-14. Thus, the whole future final cycle fulfillment of Revelation 8-11's final "seven trumpets" continuum will just be beginning as Revelation 8-9 with the JW apostate downfall judgment!**

1. Thus, Revelation 8-11 will become activated in the Revelation 8 **JW Org marked global downfall events** for a visible location and mundane physical target marker for the "temple trampling" "desolations" of Daniel 8:13-14.
2. Revelation 8-11 is the final continuum timeline as the registered "seven trumpet" basis of all the resulting timed prophecies to unfold with it, which underlays the entire Daniel 8:13-14 convergence (Dan11:41) into Daniel 12's final sequential timed prophecy cycle.
3. The Revelation 8 temple judgment events will be verifiable as the **INCEPTION TIMED PROPHECY FULFILLMENT** of **Daniel 8:13-14**, as that temple judgment on apostate Jehovah's witnesses runs its complete "evening" phase and "morning" phase course for 1150 or 2300 days.

All the other prophecies, principles, and parallel-parable principles will also manifest and fulfill in final form over the whole Revelation 8-11 "seven trumpet" cycle to world government and the Christ Arrival.

**"Trumpets" are a Biblical prophecy symbol of the SPIRITUAL ALARM SIGNALS FOR ACTION!**

Thus this time, the prophecy fulfills to the completion which the first prophecy fulfillment identified in the 1914-19126 first cycle of Daniel 12 and Revelation's applicable repeating prophecies.

The **spiritual pattern** is a temple judgment manifests to cleanse the temple to produce a final ministry to lead to world government and the Christ arrival it shall be triggering as all warned of in that final ministry.

The **world pattern** is a global-crisis cycle to accelerate the coming change in world power with the prophecy required "7th King" "King South" sovereign downfall (Dan11:42-43; rev17:12-13), for a new world power: this time it is the "8th King" "King North" World Government". World Government is what will emerge from the next and final global-crisis phase which resolves peacefully, as usual, for that final world government presentation. (1Thess5:1-3)

This, only world government proclaimed "world peace and security" is the real 1 Thessalonians 5:1-3 future great signal prophecy fulfillment.

**(1 Thessalonians 5:1-3) Now as for the times and the seasons, brothers, you need nothing to be written to you. 2 For you yourselves know quite well that Jehovah's day is coming exactly as a thief in the night. 3 Whenever it is that they are**

saying: "Peace and security!" then sudden destruction is to be instantly upon them just as the pang of distress upon a pregnant woman; and they will by no means escape.

**Any future "peace and security" which may emerge prior to the final sword-stroke cycle resolving "world peacefully" into completed world government, will be a premature deception.**

The spiritual and world context pattern runs concurrently to the foretold terminus: "Scarlet Wildbeast" World Government "8th King" "King North" completion, which then triggers the Christ Arrival. When Christ arrives, the final Messianic Kingdom co-completion and following final missions begin with Christ then gathering all the global sheep, first in his "second coming" and "salvation parousia" process. (Rev14:14-16; Matt25:31-40; Matt24:31)

And as the final ministry is ceased by world government (Rev11:7-10; Rev13:5-7; Dan12:7), and world government is "disgusting thing" "placed" with its final UN rendition "image", when both Daniel 12:11 criteria are present [at the same time], Daniel 12:11's 1290 days will be activated for the Christ arrival shortly thereafter. (Rev11:11-13; Rev16:17; Matt24:29-31; Rev14)

**(Matthew 24:29-31) Immediately after the tribulation of those days (Rev11:7-10 1260 days and final sword-stroke cycle completed) the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. (because Christ's "stars" will also be around earth and coming to it for the salvation invasion) 30 And then the sign of the Son of man will appear in heaven (the Rev10:5-7 prophecy will be completing fully), and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven (Rev14, Dan12:11 1290 days parousia mode, first) with power and great glory. (post 1290 days final fully conquest glory mode, last; Rev19:11-21) 31 (priority one:) And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones together from the (Rev7:1-4) four winds, from one extremity of the heavens to their other extremity. (Rev14:6-8; Rev14:14-16; Matt25:31-40)**

In that final timeframe of the 1290 days begun, Revelation 14's Christ Arrival final sequence activates with Revelation 16:17-20, Revelation 11:11-13 and Revelation 17:12-17 parallels for the "Open Salvation Parousia" of the Revelation 14:6-7 final global Kingdom offer.

Christ completes his own ministry (Matt24:14), and that worldwide as guaranteed by the holy Angelic Kingdom Air Force (Rev14:6-7) to then complete "seven times" as seven years of Christ's then completed earth-focused ministry. As that 1290 days "3.5 years" is combined with Christ first arrival 3.5 years, that required "seven times" finality is completed by Christ himself.

**As completed Messianic Kingdom "King of kings" at that time, in the Immortal Mighty God form, with cosmic waves of billions of celestial angelic warriors (Joel3:11), Christ will complete the global savable human "great crowd" gathering and then complete the conquest of the rival "8th King" World Government.**

"King North" "King Fierce" "8th King" so-called "new world order" World Government in the entire Scarlet Wildbeast will be conquered and destroyed ONLY after all the sheep are secured for the spectacle of their lives. Get a good seat, plenty are to be "available". (Rev14:6-7)

These lists of seven sequential spiritual events and world events as future parallels, are for explanatory purposes. They do not correlate (as a prophecy) in this lists "sevens" with the seven trumpets spiritual event steps and meanings and the seven plagues world event steps and meanings. But, these parallel seven future event parallels will unfold with the seven trumpets of Revelation 8-11 and the seven plagues of Revelation 15-16 whose meanings will be related to those prophecies. The Daniel 8:14 timed temple judgment and then the Daniel 12:7, Daniel 12:11, and Daniel 12:12 final timed prophecies of the future will unfold with the seven trumpets and plagues, as Daniel 11:41-45 merges into Daniel 12.

### 1. Apostasy

The modern apostasy provides prophecy fulfillment benchmark to indicate temple judgment event is next.

The modern apostasy evidence starts the repetition of the final apostasy prophecy.

The modern apostasy crimes "in the temple" forms the "desolation trampling" accounting requirement for Daniel 8:13-14.

### 2. Temple Judgment

The temple judgment forms a "wake up" signal for eventual "temple" ministerial recovery and action.

The temple judgment events, phasing, and timing forms the verification of the first prophecy to fulfill in the final prophecy and world context cycle.

The temple desolation events account for all the crimes and provides the temple cleansing "fire" context.

The purpose of the temple judgment is for the temple cleansing "right condition" of Daniel 8:14 to recover the valid prophecy continuum explanation as the required preparation for the final commission of the final ministry.

The temple judgment allows God to approve the final anointed Christian body for the final ministry to also affect all awake Christians.

### 3. Final Ministry

The 1260 days final ministry is the prophecy completion for the human sector of the ministry to announce the Messianic Kingdom completion which will come with the world government "8th King" completion phase.

The "little scroll" Sovereign Ultimatum of God's Kingdom provides all Messianic Kingdom completion claims and global benefits to

counter every world government "grandiose words" claims of sovereignty and global benefit.

The true purpose of the Christ final arrival is explained before he arrives with the Messianic Kingdom Global Peace Terms, to be carried out in Revelation 14 at the Christ arrival into the complete world government period.

The Guaranteed Open Salvation Offer is made known before Revelation 14:6-8 manifests with the Christ Arrival for the sheep gathering first mission.

The 1260 days final ministry mission completed provides the final affirmation "sealing" for all approved anointed Christians to ready the Messianic Kingdom completion "body" for the Christ Arrival.

The "first witness" of 1914-1918 "two witnesses" 1260 days is completed with the future "last witness" of also 1260 days completed to complete 2520 days as the Revelation 11 "seven times" completion of the entire "appointed times of the nations" prophecy of Daniel 4 and Luke 21:24.

#### 4. Christ Arrival

Christ arrives to perform the final completions and judgments which have to be rendered under completion Messianic Kingdom authority as it completes first in this process.

With the prophecy completed in fulfillment up to the Christ arrival by that time, the "sign of the Son of Man" completes as Christ is present in a "salvation parousia" mode for the Revelation 14 sequence which unfolds fully in the Daniel 12:11 1290 days timeframe which follows the 1260 days final ministry completion.

#### 5. Global Open Salvation Sheep-Sweep

Mission One of the Christ Arrival is to gather all sheep as the heavenly sheep gathering is completed first to complete the Messianic Kingdom.

God can then crown Christ "King of kings" as all the final savable humans are gathered as the earthly-anointed sheep and the "great crowd" which has many humans in that process as a global mix of many saved human beings.

#### 6. Final Judgments

The Messianic Kingdom "Court" in 100% completion renders the four final world system judgments.

[1.] After Babylon the Great "rides" world government "scarlet wildbeast" in completed form of both "harlot" and "wildbeast" world government entities by blessing and endorsing it as divine the illegalization of global religion will proceed to liquidation and complete deposition as judged by God (Rev18:8) through Christ's authority as carried out by the "ten horns" globalized military and martial systems of world government.

[2.] The World Judgment completes as all savable humans are gathered out of the final battlezone areas of planet earth prior to the conquest upon world government by "King of kings" Christ.

[3.] World government's rejection is finalized as Christ completely deposes the rival World Government.

[4.] Satan and the demons are captured and imprisoned in the abyss.

#### 7. Messianic Kingdom Rule Inception by Global/Universal Conquest

The above events are unfolding concurrently with the world context developments of prophecy becoming reality and history below.

#### 1. National Sovereign Fall

In prophecy the 7th King who "remains a short while" (Rev17:10) falls by loss of national sovereignty. The "sword-stroke" cycle is what catalyzes this collapse before world government "8th King" can "ascend" as "the global solution" with that national-system sovereignty downfall process by complete loss of national sovereignty.

The 7th King is the King South global national-system which is also shown in prophecy to fall in financial and economic dysfunctions (Dan11:42-43), which aids the national-system subservience to King North World Government "8th King" at global scale in the future.

The doomsday appearing global-crisis "sword stroke" is the global developmental cycle which is designed to resolve peacefully in time (Rev13:3; 1Thess5:1-3), which global hope and positivity is then used to highlight the positive world government final presentation as it "ascends" on the world scene as foretold. (Rev17:8-12)

#### 2. Global-Crisis to World Peace Cycle

The "tribulation of those days" is defined by the future "sword-stroke" which resolves peacefully into world government. Even if it appears "as though slaughtered to death" to give the "end of the world" "doomsday" impression for a while in the peak "sword-stroke" phase, it will pass as per prophecy into the world government highlighting peaceful resolution and "global healing" recovery. (Rev13:3; Isa41:1)

This kind of "world-war-to-world-government" cycle is a common formulaic global-cycle as used in WW1, WW2, and Cold WW3, to present United Nations related "image" entities after the phase resolves peacefully. It is unknown how the "sword-stroke" of the future will manifest and be defined just as the unique "Cold" WW3 cycle was different (Dan11:29) that the first two "hot" world war cycles. But, every "sword-stroke" cycle resolves peacefully to highlight the United Nations related presentation of its prophecy timeframe.

As with the first ministry context of 1914-1918 the "sword-stroke" cycle forms a global distraction to divert attention from the prophecy actually in fulfillment while it defines the "time of distress" "tribulation" (Dan12:1) context of prophecy note.

It is into this context the temple judgment desolation of Jehovah's witnesses apostate ministry and eventually the valid and approved final ministry must emerge.

The nature of the "chaos to order" global-effect of the cycle, as also shown in prophecy (Rev13:3; Rev17:8), becomes a signal prophecy milestone marker as the world government objective becomes known by all people as the process runs its full course to the required world government completion. (Rev17:8-12; Dan11:45; Dan8:25)

The "great tribulation" has two phases as defined by the "sword-stroke" phase of the "tribulation of those days" "time of distress" first phase which resolves in the Matthew 24:29-31 transition as Revelation 13:3 into the world government ruling phase of the "four winds" final phase of the "great tribulation". The "four winds" must occur under completed world government rule with 100% global system and military power. That is the most dangerous phase (though in the "during a freedom from care" "healing" recovery phase (Dan8:25; Dan11:44)) which Christ must "cut short the days" of. (Matt24:21-22)

### 3. Peaceful Resolution

The real "world peace" "and security" process (1Thess5:1-3) of the future has to come under the final completion process of world government to "ascend" with the "sword-stroke" "healing" recovery for the Daniel 8:25 "freedom from care" parallel of that highly hopeful world "peace and security" signal milestone development [under completed world government].

Thus, the sword-stroke cycle completing in global peace recovery mode (Rev13:3; Isa41:1), rather than "the end of the world" is the prophecy milestone which precedes full blown "8th King" world government. Completing "scarlet wildbeast" World Government "ascends from the abyss" (Rev11:7; Rev13:5-7; Rev17:8) which "abyss" is defined by the final sword-stroke global-crisis conditions.

The "image of the wildbeast" United Nations "8th King" [designate] again "disappears" (Rev17:8) in effectiveness to be re-presented with world government in Revelation 17:8-12 final process in complete form to define part of the Daniel 12:11 repeating prophecy then in final form.

When the final ministry is ceased as well (Rev11:7-10; Rev13:5-7), and world government is officially present globally, the 1290 days of Daniel 12:11 activates and Christ arrives shortly thereafter in "salvation parousia" mode first. (Rev11:11-12; Rev16:17; Matt24:29-31)

The peaceful global resolution from the serious "sword-stroke" phase begins to create the "world peace effect" to be capitalized on by the globalist-system "King North" powers to present "8th King" world government under very hopeful global conditions forming in that foretold global upswing.

### 4. Present World Government

8th King World government complete, functional (Dan11:45, Rev17:8-18) and "world peace" stated (1Thess5:1-3; Dan12:11), triggers Christ's arrival, not before, but AFTER it completes.

Though the "world peace effect" will be naturally manifesting with the peaceful global resolution of the "sword-stroke" phase conclusion, it is after "Babylon the Great" global religion is outlawed, condemned, deposed and liquidated for hundreds of trillions in assets.

Thus, religion must "ride in" and be set up by world government "scarlet wildbeast" for its final function.

### 5. Babylon the Great Signal

Blessing: Thus, the Babylon the Great "world government blessing" endorsement must be received by that "harlot" complex to seal the final fate of global religion in prophecy and reality.

Destruction: Babylon the Great will bolster the "world peace effect" by the blessing of 666 World Government for that audience effect. It will also bolster the "world peace effect" for others by the deposition of the global religious "war mongering" system which completes the process.

### 6. World Peace Signal Period

When all those milestones complete in the final signal MILESTONE final period, then the full world government completion, full Babylon the Great downfall completion, and the final "world peace" development will complete as one whole.

Thus, the prophecy provided "sign of the Son of Man" in the actual completion of that whole prophecy is the signal for salvation also completed globally, as people with faith or acquiring it can get ready to be saved come the Revelation 14:6-8 guaranteed open salvation offer process which goes global from God, Christ and the Kingdom Angels.

### 7. World Government 666 Campaign of Allegiance

And all that world government highlighting completion in deceptive "world peace" positivity (1Thess5:1-30, final ministry cessation (Rev11:7; Rev13:5-7; Dan12:7,11), and the religion-system deposition (Rev17:12-17), is all part of the "666 marking" campaign of completed world government.

World Government will be attempting to effect allegiance and "worship of the wildbeast" counterfeit system from everyone, to whatever degree God allows overall and individually. (Rev13:15-18; Rev14:9-11), which must run for the rest of the Daniel 12:11 activated 1290 days period.

By then, the simplest choice will be made clear. One can choose Christ Kingdom in the Revelation 14:6-7 offer period and live forever, or they can choose 666 "New World Order" "8th King" World Government "Scarlet Wildbeast" and go down with it.

When the "one hour" of world government (Rev17:12; Dan12:11), and its permitted "hour of test" (Rev3:10), and the "hour of the judgment" on global-religion (Rev18:8-10), has expired Christ will conquer the rival sovereign system of 8th King world government. Christ then completes the "hour" of the world judgment (Rev14:7) and the salvation. (Rev14:15)

1. The manner in which the seven noted spiritual and world events/periods actually manifest is not known in exact parallel detail of concurrency. This is their respective prophecy timeline order of the future, how it unfolds in the future will be seen live and real-time.			
2. The seven spiritual and world milestones are not a prophecy number categorization, but are only used to identify the major prophecy milestones parallels and completion requirements in a fairly simply stepping continuum.

## C. Terminus of all Prophecy for this "Age"

### Messianic Kingdom Millennial Inception: The Marriage of the Lamb

When all enemies are conquered the human salvation "crowd" will be the "invited ones" of the "Marriage of the Lamb" (Rev19:1-9;

Dan12:12) which covenant of marriage adopts these delivered and saved human beings.

The "great crowd" are the "new children" (for eventual perfection (Rev7:9-17; Rev22:1-3) and immortality potential. (Rev22:14)) then "adopted" as the "rebirthing in progress" in the Christ True "World Peace" Covenant activated (Eze34:25; Eze37:26; Isa54:10), as then fully consecrated by the completion of that "marriage".

Thus will conclude all the "appointed times" of God which define this approximate 6,000 year long "age" of Adamic sin and rebellion brought to a foretold conclusion in Christ's arrival.

## End of the Age, NOT "End of the World" Meaning

To clarify, the Greek word [aion](#), and aionos term means an "era" or "age"; a cycle of time. In prophecy it is used in the context of the end of the God appointed time, NOT "the world".

**(Matthew 24:3) As Jesus was sitting on the Mount of Olives, the disciples came to him privately. "Tell us," they said, "when will this happen, and what will be the sign of your coming and of the end of the age?"**

When used in prophecies of "the end" it is the end of the "appointed time" of this Adamic "age", NOT "the end of the world".

And though the "system of things" rulership then in world government will end, even the "system of things" is merely transferred and perfected by Christ in his one thousand year Messianic Kingdom rule. Even that translated phrase "end of the system of things" is not completely accurate.

Thus, by the mistranslation of the Greek "aionos" [an age], as the doomful "the end of the world" and even "the end of the system of things", a needless doomful impression was given to these greatly hopeful and positive final prophecies of God's and Christ's globally friendly arrival (Rev1:7-8; Rev14), with a million billion friendly holy angels.

(True, the holy angels will not treat evil sovereign rival systems, people and demons with friendly love, not everyone is such a failure, and those who are not will be confronted by angels of Christ in very saving and friendly terms.)

The prophecy states it is just the "end of the age" of God's "appointed times" fully completing the Adamic era as Christ arrives to literally perform this completion.

**(Matthew 24:3) While he was sitting upon the Mount of Olives, the disciples approached him privately, saying: "Tell us, When will these things be, and what will be the sign of your presence and of the conclusion of the system of things?"**

King James Bible

**(Matthew 24:3) And as he sat upon the mount of Olives, the disciples came unto him privately, saying, Tell us, when shall these things be? and what shall be the sign of thy coming, and of the end of the world?**

This is the more accurate and appropriate meaning:

New International Version

**(Matthew 24:3) As Jesus was sitting on the Mount of Olives, the disciples came to him privately. "Tell us," they said, "when will this happen, and what will be the sign of your coming and of the end of the age?"**

Thus, many doomful "religious translations" have marred the truth that the Christ Arrival is actually "The Start of the World" in its new beginning (Mat19:28; Rom8:18-22) to project it into its God purposed and willed everlasting future eternity for all time and all "ages" to come.

**(Revelation 21:1-4) And I saw a new heaven and a new earth; for the former heaven and the former earth had passed away, and the sea is no more. 2 I saw also the holy city, New Jerusalem, coming down out of heaven from God and prepared as a bride adorned for her husband. 3 With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."**

Christ is only getting rid of the problem: 8th King World Government, hurtful predatory people and its evil demon leaders who form the temporary obstacle for that new beginning of the "new earth" for "all things made new" in God's assured eternity of "god's will done on Earth, as in Heaven".

**(Revelation 21:5-6) 5 And the One seated on the throne said: "Look! I am making all things new." Also, he says: "Write, because these words are faithful and true." 6 And he said to me: "They have come to pass! I am the Alpha and the Omega, the beginning and the end. To anyone thirsting I will give from the fountain of the water of life free.**

If we are not "part of the problem" which hatred inspires, there is nothing to fear in God and Christ's friendly arrival as the best friends this universe and all creation of Earth will ever have.
