In similar manner to tracking the national seven world powers as prophecy to history to the "8th King" eighth world power finality of world government, prophecy tracks the four "7th King"-to-"8th King" parallel United Nations related "image" events of the "place the disgusting thing" parallel development from WW1 to the future final sword-stroke cycle.

Now we can see how prophecy tracks these four UN cycles and its use of four "sword-stroke-to-healing" cycles as the cyclic principle to then resolve and "heal" the global-crisis "problem" for the intended world government "solution" all four times. WW1, WW2, and Cold WW3 already passed so that now the fourth cycle of the future can be predicted with or without prophecy.

### 1. World War 1 First "Sword-Stroke" Cycle to the League of Nations 1914-1919

Now the "disgusting thing" "that causes desolation" use of the WW1 sword-stroke "desolation" cycle principle was first set in 1914-1918 and WW1 to the 1919 "sword-stroke got healed" backed League of Nations "image of the wild beast" first presentation. (Revelation 13:3) And I saw one of its heads as though slaughtered to death, but its death-stroke got healed, and all the earth followed the wild beast with admiration.

This first Revelation and Daniel cycle will also set the pattern of repeating prophecy for the future final cycle upon these first cycle prophecies for the future.

And as WW1's "sword-stroke" "healed" and resolved peacefully that provided the positive and hopeful global atmosphere to present their first "place the disgusting thing" "image of the wild beast" as the Anglo-globalist League of Nations to become the Anglo-American United Nations after WW2.

(Revelation 13:3-8) And I saw one of its heads as though slaughtered to death, but its death-stroke got healed (WW1 sword-stroke cycle), and all the earth followed the wild beast (world government "image" as the League of Nations) with admiration. 4 And they worshiped the dragon because it gave the authority to the wild beast, and they worshiped the wild beast with the words: “Who is like the wild beast, and who can do battle with it?” 5 And a mouth speaking great things and blasphemies was given it, and authority to act forty-two months was given it. (Dan7:25; Dan12:7; Rev11:3; Rev12:14 future final cycle parallel) 6 And it opened its mouth in blasphemies against God, to blaspheme his name and his residence, even those residing in heaven. 7 And there was granted it to wage war with the holy ones and conquer them (1914-1918 Dan12:7; Rev11:7 parallel), and ("ascending" world government "image" of the UN) authority was given it over every tribe and people and tongue and nation. 8 And all those who dwell on the earth will worship it; the name of not one of them stands written in the scroll of life of the Lamb who was slaughtered, from the founding of the world.

Thus, the sword-stroke-to-healing cycle is a dialectic (which they repeat the usage of three more times, for four times total) from the negative "global problem" manifestation first, to the peaceful "healing" period resolution, to the eventual positive "global solution" finality of the cycle to then present the "image" and "wild beast" in a globally hopeful and positive highlighting intent.

(Revelation 13:11-15) And I saw another wild beast ascending out of the earth, and it had two horns like a lamb (the globalist-system private, secretive, and unseen "custom wildbeast"), but it began speaking as a dragon. 12 And it exercises all the authority of the first (national-system wildbeast from the sea) wild beast in its sight. And it makes the earth and those who dwell in it worship the first wild beast, whose death-stroke got healed. 13 And it performs great signs, so that it should even make fire come down out of heaven to the earth in the sight of mankind. 14 And it misleads those who dwell on the earth to make an image (to represent the world government in development and in completion of the future as the UN device) to the wild beast that had the sword-stroke and yet revived. 15 And there was granted it to give breath to the image of the wild beast (when it does become the global lawmaker and "ten horns" enforcer), so that the image of the wild beast should both speak and cause to be killed all those who would not in any way worship the image of the wild beast.

That first sword-stroke cycle resolution of WW1 is what arrived at the post 1260 days (Dan12:7; Rev11:3) parallel of Daniel 12:11 in 1919.

(Daniel 12:11 First Cycle 1914-1919) And from the time that the constant [feature] has been removed (Rev11:7; Rev13:5-7, post 1914-1918 1260 days first ministry cancelled 1918) and there has been a placing of the disgusting thing that is causing desolation (as the League of nations "image of the wild beast" "world government"), there will be one thousand two hundred and ninety days. (1919-1922)

That sets the master pattern for the future final repeating prophecy pattern to world government in the future fourth cycle.

First of Four United Nations Related "Image" Events

[1.] First UN Related Event: League of Nations 1919

As we will cover below, WW2's sword-stroke cycle will repeat the same pattern as WW1 for the first two UN-related "image" cycles.

That same "sword-stroke-to-healing-to-world-government" cyclic pattern then led in the same pattern to the 1946-1990 Cold WW3 cycle which begins the Daniel 8 and 11 tracking by the 1990 third UN event after the Cold War cycle ended (Dan11:31b; Dan8:23), to the eventual future fourth UN event with completed world
government. (Dan11:45; Dan12:11; Dan8:25)

That sets the Daniel 8 and 11 prophecy to complete the former two UN events of prophecy of 1919 and 1945, to the 1990 third UN event, to the future fourth UN-related "place the disgusting thing" "image" event for four total UN-related sword-stroke run cycles.

In the future the fourth and final UN event of Daniel 11:45 (Dan12:11 future final cycle) and Daniel 8:25 can complete into the Christ arrival that world government completion will trigger as the completed future Daniel 11 "King North" and Daniel 8 "King Fierce" are also Revelation 17 "8th King" World Government in future post-final-sword-stroke completion.

2. World War 2 Second "Sword-Stroke" Cycle to the United Nations 1939-1945

The same sword-stroke principle was used with WW2, as its "hot war" "causes desolation" was the effective literal and psychological stressor cycle to eventually peacefully resolve and be "healing" relieved with the fall of Nazi Germany in 1945. (A fake erred "King North" of the Jehovah's witnesses prophecy.)

The real King North Anglo-American globalist-system presentation of the "8th King" world-government-in-progress "image" is the finale of the cyclically used sword-stroke-to-healing cycle since WW1.

(Revelation 13:3) And I saw one of its heads as though slaughtered to death, but its death-stroke got healed, and all the earth followed the wild beast with admiration.

Now that the Anglo-American globalist-system had already partnered during WW1, the first cycle of Revelation and Daniel principles of the sword-stroke-to-healing cycle have been repeated in WW2.

That again leads to the post-sword-stroke "abyss" "ascension" of the 8th King designate system "in progress" as fronted by its League of Nations to United Nations "image of the wild beast" to "ascend" from the "abyss" principle as it did in WW1, also in WW2 as the United nations rebrand.

(Revelation 17:8-11) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss (Rev13:3 future "sword-stroke" effect), and it is to go off into destruction. And when they see how the wild beast was (United Nations), but is not (League of Nations is impotent to stop the WW2 "sword-stroke" global-crisis), and yet will be present (but comes back up (Rev11:7), for the second UN rendition to represent [World Government in progress] as aided by the 'miraculous recovery' and global "healing"), those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world. 9 “Here is where the intelligence that has wisdom comes in: The seven heads mean seven mountains, where the woman sits on top. 10 And there are seven kings: five have fallen, one is, the other has not yet arrived, but when he does arrive he must remain a short while. (7th King/King South is not destroyed but "remains a short while", it becomes a global national-system vassalized-state of "King North" world government; Dan11:42-43) 11 And the wild beast that was but is not, it is also itself an eighth [king], but springs from the seven, and it goes off into destruction. (fourth cycle future world government is the entity Christ will target for precision selective deposition and removal, a UN-related "image" and "disgusting thing" globalist-entity will continue to represent it, no matter how they may rename and rebrand it in the future in this future "abyss ascension" finality)

Second of Four United Nations Related "Image" Events

[1.] Past First UN Related Event: League of Nations 1919

Note: This is the point from 1945 exposure of the "image" as prophecy to 1990 when Jehovah's witnesses devolved into fully revealed apostasy as they cover up King North as the Anglo-American globalist-system entity which must equate to "8th King" world government in the end. Instead, Jehovah's witnesses adjoin the third United Nations event of 1990 as UN NGO co-promoters.

This reveals that their so-called "governing body" of the 1976 WTBTS illegal-coup must be in Daniel 11:32a direct collusion with the enemy-system to effect both the cover-up and the UN NGO "place the disgusting thing" also in their "holy place" ministry in that UN NGO illegal enemy-system "ride the wild beast" alliance.

(Daniel 11:32a) And those (Jehovah's witnesses) who are acting wickedly against [the] covenant, [King North] (Globalist-System) will lead into apostasy by means of smooth words. (from the Governing Body "King North" placed apostasy leadership of the WTBTS)

What was an error of prematurity for "King North as the USSR" error from 1958, is now the purposeful framing of "Russia as King North" for a national alliance entity which cannot be the globalist-system King North 8th King, as Russia will in time also end up under the real "King North" globalist-system "8th King" world government future authority.

The same sword-stroke principle was used with the Cold War for the third time, for the third UN event of 1990 to come with the end of the Cold WW3 cycle, as prophecy.

The unique difference of the Cold WW3 cycle is noted in Daniel 11:29. The Cold WW3’s "cold sword-stroke" cycle had the "cold war" with its "atomic doomsday" scare as the effective psychological stressor as military expansion, not destruction, was the global goal of the Anglo-American globalist "King North" system.

**Daniel 11:29** At the time appointed he will go back, and (globalist-system) [King North] will actually come against the south ("King South" national-systems); but it will not prove to be at the last (post-1945 Cold WW3 cycle to 1990) the same as at the first (WW1, WW2, hot world war cycles 1914-1945).

The same globally positive effect of the "cold" "sword-stroke got healed" principle was effected with the fall of the USSR to present the next “image” rendition, that 1990 third UN presentation, in hopeful global light which was achieved as the "USA vs. USSR" "atomic doomsday" scare was to be globally relieved with the fall of the USSR in 1990.

**Revelation 13:3** And I saw one of its heads as though slaughtered to death, but its death-stroke got healed, and all the earth followed the wild beast with admiration.

Now the real King North Anglo-American globalist-system victor of the Cold War Cold WW3 cycle completed by a "cold victory" was present for its third cycle since WW1, and WW2.

Daniel 8 and Daniel 11 then continue to track the third and fourth UN events after the first two UN-related events of WW1 and 1919, and WW2 and 1945.

There are two "place the disgusting thing" events in Daniel 11-12 at Daniel 11:31b and Daniel 12:11. Those two "place the disgusting thing" prophecies of Daniel 11:31b and Daniel 12:11 parallel the two "King Fierce stand" events of Daniel 8:23 and Daniel 8:25.

Those two "place the disgusting thing" prophecies of Daniel 11:31b and Daniel 12:11 which parallel the two "King Fierce stand" events of Daniel 8:23 and Daniel 8:25 will be the 1990 third UN event and the future fourth UN event with completed world government in the future.

That parallel is the "King Fierce" first "stand" of Daniel 8:23 is Daniel 11:31b in 1990's third UN event.

The King Fierce second "stand" of Daniel 8:25 is the future Daniel 12:11 "place the disgusting thing" of the future completed Daniel 11:45 world government presentation and its fourth and final UN "image" rendition.

1. The first "place the disgusting thing" event for modern times after WW1 with Cold WW3’s conclusion, is at Daniel 11:31 of 1990, as the third UN event of 1990.

2. The second and last "place the disgusting thing" event is at Daniel 12:11 of the future cycle to world government of Daniel 11:45. Therefore Daniel 11:41-45 of the future will converge into Daniel 12's final timed prophecy cycle in the future.

A. Those final two UN events of Daniel 8 and 11 will extend the former two UN related events of 1919 and 1945 into the future by the 1990 third UN event to the future fourth UN event as a completed foretold UN1-2-3-4 totality to world government of the future.

B. That fourth and final UN event is with completed world government of Daniel 11:45 (Dan8:25) in the future with its final UN rendition "image" of Daniel 12:11 is the whole final world government event which triggers the Christ arrival.

3. Thus, there are also two "place the disgusting thing" parallels in Daniel 8:23-25's two "stands" of King Fierce. Daniel 8:23-25 is the same world government in progress fulfilling since 1990 and the Cold WW3 cycle prophecy continuum (Dan8:23; Dan11:31b) to complete in the future as the final world government entity as Daniel 8:25 parallels Daniel 11:45 and Daniel 12:11 into completed world government.

A. Daniel 8:23 first King Fierce "stand" is the first Daniel 11-12 "place the disgusting thing" parallel of 1990, as the third UN event parallel of Daniel 11:31b.

B. The Daniel 8:25 second and final "King Fierce" "stand" is the future "King North" parallel of Daniel 11:45 and Daniel 12:11 as completed world government "8th King" of the future as the fourth UN event cycle completion of prophecy, UN 1-2-3-4.

C. Note that Daniel 12:11 (first cycle) is also where the first UN-related event "place the disgusting thing" manifested in 1919 with the League of Nations after the first sword-stroke cycle resolved with WW1. That is the manner in which Daniel 12 (final cycle) repeats in final fulfillment in the future upon the same prophecies and prophecy principles all set in WW1.

The first "place the disgusting thing" in Daniel 11-12 is the post Cold War 1990 United Nations third presentation of Daniel 11:31. That is the third United Nations related event of 1990 overall since (1) WW1's 1919 League of Nations presentation, and (2) WW2's 1945 United Nations presentation, for then the UN-1-2-3 first three cycles of four total by that time of 1990.

**Daniel 11:30-31a** "And [King North] (Globalist-System) will actually go back and hurl denunciations against the holy covenant and act effectively; and [King North] (Globalist-System) will have to go back and give consideration to those leaving the holy covenant (among JWs). 31 And there will be arms that will stand up, proceeding from [King North] (Globalist-System); and they (apostate JWs) will actually profane the sanctuary, the fortress, and remove the constant [feature].

**Daniel 11:31b** And they (all) will certainly put in place the disgusting thing that is causing desolation. (King North globalist
We have the prophecy clue the Cold WW3 sword-stroke cycle would be unique.

(Daniel 11:29) At the time appointed he will go back, and (globalist-system) [King North] will actually come against the south ("King South" national-systems); but it will not prove to be at the last (post-1945 Cold WW3 cycle to 1990) the same as at the first (WW1, WW2, hot world war cycles 1914-1945).

And that is how we know Daniel 11:31 is the 1990 post Cold War third UN presentation presentation overall as the parallel of Daniel 8:23’s first stand of "King Fierce".

That 1990 third UN event continues the first two United Nations related events of (1) WW1’s 1919 League of Nations presentation, and (2) WW2’s 1945 United Nations presentation for a UN1-2-3 total cycle tracking prophecy.

Daniel 8 and 11 complete the "sword-stroke"-to-"world government" "wild beast" "image" prophecy for the third and fourth UN related events of Daniel 11:31 (UN 3; 1990), and then Dan12:11 (UN 4; future) paralleling with Daniel 8:23 (UN 3; 1990) and then Daniel 8:25 (UN 4; future).

That is how we know the two placements of Daniel 11:31b and Daniel 12:11 (as Daniel 11:45’s parallel) later, would be the third and fourth United Nations events of 1990 and the future as completed world government as the UN1-2-3-4 prophecy quadruple cycle would eventually complete in the future.

Now Daniel 8:23-25 also has the third (1990 Dan8:23 stand) and fourth UN events (future Dan8:25 stand) in its continuum.

(Daniel 8:23-25) “And in the final part of their kingdom, as the (temple; Dan8:11-14) transgressors act to a completion, there will stand up a (globalist-system, 1990 3rd UN presentation; Dan11:31b) king fierce in countenance (king fierce "stand" 1 as UN event 3, 1990) and understanding ambiguous sayings. 24 And his power must become mighty, but not by his own power. And in a wonderful way he will cause ruin, and he will certainly prove successful and do effectively. And he will actually bring mighty ones to ruin, also the people made up of [the] holy ones. (Rev11:7; Rev13:5-7; Dan12:7) 25 And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a (world government announced world peace) freedom from care he will bring many to ruin. And against the Prince of princes [King Fierce] will stand up (king fierce "stand" 2 as UN event 4, future) (in completed world government; Dan12:11), but it will be without hand that he will be broken.

That is how we know Daniel 8:23-25 will parallel Daniel 11:31 (Dan8:23) and Daniel 12:11(Dan8:25) since 1990 and into the future, on the same prophecy and world event pattern set in 1914’s WW1 first sword-stroke cycle, repeating in final form in the future.

A. Daniel 8:23 parallels Daniel 11:31b of 1990’s third UN event.

B. Daniel 8:25 will parallel Daniel 11:45 as Daniel 11:11’s final "place the disgusting thing" parallel as future completed world government "King Fierce"="King North"="8th King" finality.

Now that two UN related presentations had already been defined from 1919 (1) in the League of Nations, to 1945 in the United Nations (2), Daniel 11-12 and Daniel 8:23-25 have the third and fourth UN presentations in their prophecies applicable since 1990.

Daniel 8 and 11’s continuums complete the UN1-2-3-4 trajectory with the Cold WW3 benchmark of 1990 for the third UN event and the future finality of "8th King"="King North"="King Fierce" world government as the fourth and final UN and world government event of the future.

Third of Four United Nations Related "Image" Events

[1.] Past First UN Related Event: League of Nations 1919

[3.] Third UN Event 1990: Daniel 8:23's "stand" of King Fierce is the 1990 third UN event of the Daniel 11:31b "place the disgusting thing" to define Anglo-American globalist-system fully since 1990.

(Daniel 8:23-25) “And in the final part of their kingdom (national zenith complete to Daniel 11:42-43 sovereign fall of the future), as the (temple; Dan8:11-14) transgressors act to a completion (temple apostates; Dan8:11-14; Dan11:30-35), there will (1) stand up a (globalist-system, 1990 3rd UN presentation; Dan11:31b) king fierce in countenance (king fierce "stand" 1 as UN event 3, 1990) (world government announced world peace; "8th King", "King North") and understanding ambiguous sayings.

[4.] Fourth UN Event Future: Daniel 8:25's last "stand" of King Fierce is the future world government "placement" of Daniel 11:45 parallel with Daniel 12:11’s final fulfillment cycle of the future.

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a (world government announced world peace) freedom from care (post-sword-stroke "healing" into1 Thess5:1-3 "world peace"; Isa41:1) he will bring many to ruin (Dan11:44; Rev13:15-18). And against the Prince of princes he will (2) stand up (king fierce "stand" 2 as UN event 4, future) (in completed world government; Dan12:11), but it will be without hand that he will be broken.

The same sword-stroke principle will be used in the future a final time, it will be the last one.

How that unfolds for the effective psychological and probably literal stressor "tribulation of those days" global-crisis final sword-stroke cycle of the future, to be relieved in eventual "world peace" global "healing" is to be determined in the future.

World Government "8th King" "King North" "King Fierce" is the Anglo-American globalist-system present since WW1, WW2 and the Cold WW3 former sword-stroke cycles.

(Revelation 13:3) And I saw one of its heads as though slaughtered to death, but its death-stroke got healed, and all the earth followed the wild beast with admiration.

This first Revelation and Daniel cycle set the pattern of repeating prophecy for the future final cycle.

Now the whole sword-stroke" cycle and "42 months" parallel of the future final ministerial 1260 days will repeat all the way to Revelation 13:15-18 and completed world government including its final United Nations "image" rendition of the future.

(Revelation 13:3-8) And I saw one of its heads as though slaughtered to death, but its death-stroke got healed (any global-crisis "global problem" coming in the future, will instead run its course and peacefully resolve and globally "heal" to highlight world government as the "admirable" "global solution": Rev17:8 parallel), and all the earth followed the wild beast (world government) with admiration. 4 And they worshiped the dragon because it gave the authority to the wild beast, and they worshiped the wild beast with the words: “Who is like the wild beast, and who can do battle with it?” 5 And a mouth speaking great things and blasphemies was given it, and authority to act forty-two months was given it. (Dan7:25; Dan12:7; Rev11:3; Rev12:14 future final cycle parallel) 6 And it opened its mouth in blasphemies against God, to blaspheme his name and his residence, even those residing in heaven. 7 And there was granted it to wage war with the holy ones and conquer them (Dan12:7; Rev11:7 parallel), and ("ascending" world government) authority was given it over every tribe and people and tongue and nation. 8 And all those who dwell on the earth will worship it; the name of not one of them stands written in the scroll of life of the Lamb who was slaughtered, from the founding of the world.

Though the Anglo-American globalist-system secretive "two horned wild beast" already set up the "image" in the League of Nations WW1 sword-stroke cycle in 1919, that pattern repeated to the 1945 United Nations WW2 sword-stroke cycle. It was a sword-stroke cycle to be repeated in "cold form" also in the Cold WW3 phase ending in 1990.

By that time it was then three sword-stroke-cycle completions by 1990, UN1-2-3. Now the fourth sword-stroke cycle will repeat the principle to world government completion in the future, upon this same principle in prophecy overall since 1914, as UN1-2-3-4.

(Revelation 13:11-15) And I saw another wild beast ascending out of the earth, and it had two horns like a lamb (the globalist-system private, secretive, and unseen "custom wildbeast"), but it began speaking as a dragon. 12 And it exercises all the authority of the first (national-system wildbeast from the sea) wild beast in its sight. And it makes the earth and those who dwell in it worship the first wild beast, whose death-stroke got healed. 13 And it performs great signs, so that it should even make fire come down out of heaven to the earth in the sight of mankind. 14 And it misleads those who dwell on the earth, because of the signs that were granted it to perform in the sight of the wild beast, while it tells those who dwell on the earth to make an image (to represent the world government in development and in completion of the future as the UN device) to the wild beast that had the sword-stroke and yet revived. 15 And there was granted it to give breath to the image of the wild beast (when it does become the global lawmaker and "ten horns" enforcer), so that the image of the wild beast should both speak and cause to be killed all those who would not in any way worship the image of the wild beast.

This time in the future, world government is to go into full final "666 marking" and world controlling authority worldwide which never did occur in WW1, WW2, or the Cold WW3 cycles.

(Revelation 13:15-18) And there was granted it to give breath to the image of the wild beast (UN global-political "executive branch" sector of world government), so that the image of the wild beast (world government) should both speak and cause to be killed all those who would not in any way worship the image of the wild beast. ("666" marked by world government acceptance and allegiance) 16 And it puts under compulsion all persons, the small and the great, and the rich and the poor, and the free and the slaves, that they should give these a mark in their right hand or upon their forehead, 17 and that nobody might be able to buy or sell (Dan11:42-43) except a person having the mark, the name of the wild beast or the number of its name. 18 Here is where wisdom comes in: Let the one that has intelligence calculate the number of the (world government) wild beast, for it is a man's number; and its number is six hundred and sixty-six.

That world government "666 marked" world government worship, allegiance, and acceptance goal is the same world government "666 allegiance" present at the Revelation 14 Christ arrival sequence of the future. Thus, Christ "arrives" into the completed 8th King ruling world government system final phase of Daniel 12:11.

(Revelation 14:9-12) And another angel, a third, followed them, saying in a loud voice: “If anyone worships the wild beast
and its image (world government and its international UN "image"), and receives a mark on his forehead or upon his hand, 
10 he will also drink of the wine of the anger of God that is poured out undiluted into the cup of his wrath, and he shall be 
tormented with fire and sulphur in the sight of the holy angels and in the sight of the Lamb. 11 And the smoke of their 
torment ascends forever and ever, and day and night they have no rest, those who worship the wild beast and its image, and 
whoever receives the mark of its name. 12 Here is where it means endurance for the holy ones, those who observe 
the commandments of God and the faith of Jesus.”

The final “8th King” cycle to world government will complete Revelation 17:8-18 in full, in the future, just as Revelation 13:3-18 also 
manifests in full under then completed world government.

(Revelation 17:8-11) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss (Rev13:3 
future "sword-stroke" effect), and it is to go off into destruction. And when they see how the wild beast was (United Nations), 
but is not (UN impotent to stop the coming "sword-stroke" global-crisis), and yet will be present (but comes back up (Rev11:7), 
for the final UN rendition to representing the World Government' 'miracle" "healing"), those who dwell on the earth will wonder 
amingly, but their names have not been written upon the scroll of life from the founding of the world. 9 “Here is where 
the intelligence that has wisdom comes in: The seven heads mean seven mountains, where the woman sits on top. 
10 And there are seven kings: five have fallen, one is, the other has not yet arrived, but when he does arrive he must 
remain a short while. (7th King/King South is not destroyed but "remains a short while", it becomes a global national-system 
vasalized-state of "King North" world government; Dan11:42-43) 11 And the wild beast that was but is not, it is also itself an 
eighth [king], but springs from the seven, and it goes off into destruction. (world government is the entity Christ will target for 
precision selective deposition and removal, a UN-related "image" and "disgusting thing" globalist-entity will continue to represent 
it, no matter how they may rename and rebrand it in the future in this future "abyss ascension" finality)

(Revelation 17:12-14) “And the ten horns that you saw mean ten kings, who have not yet received a kingdom, but they do 
receive authority as kings one hour with the wild beast (as world government). 13 These have one thought (global-scale 
soverignty), and so they give their (national-system) power and authority to the wild beast (world government). 14 These will 
battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called 
and chosen and faithful with him [will do so].”

(Revelation 17:15-18) And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds 
and nations and tongues. (Rev16:12-16) 16 And the ten horns that you saw (national-systems), and the wild beast (world 
government globalist-system), these will hate the harlot and will make her devastated and naked (global-religion pillaged and 
exposed), and will eat up her fleshy parts (depose and absorb her religious corporate identity and leadership) and will 
completely burn her with fire. (complete global outlawed corporate deposition of global religion, under completed world 
government) 17 For God put [it] into their hearts to carry out his thought (Rev18:8), even to carry out [their] one thought by 
giving their (national-system) kingdom to the (world government) wild beast, until the words of God will have been 
accomplished. 18 And the woman whom you saw means the great (global-corporate-religious) city that has a kingdom over 
the kings of the earth.”

Now that two UN related presentations are already defined from 1919 to 1945, Daniel 11-12 and Daniel 8:23-25 have the third and 
fourth UN presentations in their prophecies in their continuums which will complete on the same repeating pattern in the future.

Fourth of Four United Nations Related "Image" Events

[1.] Past First UN Related Event: League of Nations 1919

[3.] Past Third UN Event 1990: Daniel 8:23's "stand" of King Fierce is the third UN event of the Daniel 11:31b "place the disgusting 
thing" to define Anglo-American globalist-system.

[4.] Fourth UN Event Future: Daniel 8:25's last "stand" of King Fierce is the future world government "placement" of Daniel 11:45 
parallel with Daniel 12:11’s final fulfillment cycle.

In the future the already completed third United Nations placement in the post Cold War period of Daniel 11:31, leads to the final "King 

(Daniel 11:44-45) “But there will be reports (Rev10:11; Rev11:1-7) that will disturb [King North] (Globalist-System), out of the 
sunrising and out of the north (from God and Christ), and [King North] (Globalist-System) will certainly go forth in a great 
rage in order to annihilate and to devote many to destruction. (Dan8:25 "during a freedom from care" as world peace "and 
security" phase of 1Thess5:1-3, under world government) 45 And [King North] (Globalist-System) will plant his (World 
Government global) palatial tents between [the] grand sea and the holy mountain of Decoration (fraud "Jerusalem" claims of 
Zion and God's Kingdom); and he will have to come all the way to his end, and there will be no helper for him. (Dan8:25b, 
Rev19:19-21; Rev11:15)

That King North placed "8th King" world government completion, is the Daniel 12:11 future final prophecy completion parallel.

(Daniel 12:11) And from the time that the constant [feature] has been removed (Rev11:7; Rev13:5-7, post 1260 days final 
ministry cancelled) and there has been a placing of the disgusting thing that is causing desolation (as world government with
And that is how the WW1 first sword-stroke cycle which also manifested in Daniel 12 and Daniel 12:11 can repeat in final completion form in the future. It can now repeat and complete upon the same Daniel 12 prophecy and pattern in final future form.

But this time, it repeats and completes through the cessation of the final witnessing 1260 days (Rev11:3-10), during the final sword-stroke cycle (Rev13:3), to also globally "heal" peacefully, into this time completed world government and the final UN related "image" presentation as one whole completion.

Thus, the real 1 Thessalonians 5:1-3 "peace and security" prophecy is the progressive "world peace" mantra of completed world government of the future to form with the final sword-stroke cycle healing phase.

Like 1914-1918 and its "first witnessing" Kingdom ministry, the future final 1260 days "last witnessing" ministry also manifests in the future sword-stroke active, it completes its ministry mission (Rev11:3-10), and it is ceased as world government is completing or complete this time. (Rev11:7; Rev13:5-7 repeat)

(Daniel 12:7) And I began to hear the man clothed with the linen, who was up above the waters of the stream, as he proceeded to raise his right [hand] and his left [hand] to the heavens and to swear by the One who is alive for time indefinite: "It will be for an appointed time, appointed times and a half. And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish."

Thus when the "final witness" of the future 1260 days completion is ceased and that occurs as officially completing (or completed) world government is "placed" Daniel 12:11 readiness for final 1290 days activation as also the Christ arrival timeframe of the future.

Now the Cold WW3 United Nations presentation 3 (Dan11:31b), to the future world government and "image" placement 4 of the future fourth sword-stroke cycle to resolution (Dan11:45; Dan12:11), is the same events as the Daniel 8:23 "stand" 1 of King Fierce as 1900's third UN parallel, for the eventual future final sword-stroke phase resolution for "King Fierce" "stand" 2, which is the final and fourth United Nations cycle with completed world government of the future.

(Daniel 8:23-25) "And in the final part of their kingdom (national zenith complete to Daniel 11:42-43 sovereign fall of the future), as the (temple; Dan8:11-14) transgressors act to a completion (temple apostates; Dan8:11-14; Dan11:30-35), there will (1990 3rd UN) stand up a (globalist-system, 1990 3rd UN presentation; Dan11:31b) king fierce in countenance (world government "8th King, "King North") and understanding ambiguous sayings. 24 And his power must become mighty, but not by his own power. (by capture of national sovereignty worldwide; Dan11:42-43; Rev17:11-13) And in a wonderful way he will cause ruin, and he will certainly prove successful and do effectively. And he will actually bring mighty ones to ruin, also the people made up of [the] holy ones. (Rev11:7; Rev13:5-7; Dan12:7) 25 And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a (world government announced world peace) freedom from care (post-sword-stroke "healing" into 1Thess5:1-3 "world peace"; Isa44:1) he will bring many to ruin (Dan11:44; Rev13:15-18). And against the Prince of princes he will (UN 4 future) stand up (in completed world government; Dan12:11), but it will be without hand that he will be broken. (Rev19:19-21)

enforce), so that the image of the wild beast should both speak and cause to be killed all those who would not in any way worship the image of the wild beast.

The first Daniel 12:11 cycle also fulfilled with the 1914-1918 first sword-stroke cycle as the "first witness" ministry was deposed in 1918, into the 1919 League of Nations "image" presentation in a parallel prophecy continuum. (Daniel 12:11) And from the time that the constant [feature] has been removed (Rev11:7; Rev13:5-7, post 1260 days final ministry cancelled 1918) and there has been a placing of the disgusting thing that is causing desolation (as League of Nations with its first UN-related rendition "image"), there will be one thousand two hundred and ninety days.

(1.) First UN Related Event: League of Nations 1919
That is how in the future Daniel 11:45 "King North" = "8th King" world government will also "place the disgusting thing" as Daniel 12:11 in repeating but final form in the future.

This master prophecy pattern sets the repeating prophecy basis for the future final cycle upon the same prophecies but to the finality of all entities.

(Revelation 13:3-8) And I saw one of its heads as though slaughtered to death, but its death-stroke got healed, and all the earth followed the wild beast with admiration.

WW2 repeated the "sword-stroke" cycle principle for the second usage. (Revelation 17:8-11) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss (Rev13:3 future "sword-stroke" effect), and it is to go off into destruction. And when they see how the wild beast was (United Nations), but is not (UN incompetent to stop the coming "sword-stroke" global-crisis), and yet will be present (but comes back up (Rev17:7), for the final UN rendition to representing the World Government "miracle" "healing"), those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world. 9 "Here is where the intelligence that has wisdom comes in: The seven heads mean seven mountains, where the woman sits on top. 10 And there are seven kings: five have fallen, one is, the other has not yet arrived, but when he does arrive he must remain a short while. (7th King/King South is not destroyed but "remains a short while", it becomes a global national-system vassalized-state of "King North" world government; Dan11:42-43) 11 And the wild beast that was but is not, it is also itself an eighth [King], but springs from the seven, and it goes off into destruction. 1945's United Nations was the second "image" related and "place the disgusting thing" related event of the "8th King" world government in progress designate from the Anglo-American globalist-system.

In 1990 the third UN event defined the third "place the disgusting thing" principle in that UN presentation.

(Daniel 11:31b) And they (all) will certainly put in place the disgusting thing that is causing desolation. (King North globalist 1990 3rd UN placement; JW UN NGO, 1991)

Now the Anglo-American globalist-system was identifiable as "King Fierce" and "King North" as "8th King" world government in progress in 1990's third UN event prophecy and world event.

(Daniel 8:23-24) "And in the final part of their kingdom (national zenith complete to Daniel 11:42-43 sovereign fall of the future), as the (temple; Dan8:11-14) transgressors act to a completion (apostates; Dan8:11-14; Dan11:30-33), there will stand up a (globalist-system; 1990 3rd UN prophesy; Dan11:31b) king fierce in countenance (world government "8th King, King North") and understanding ambiguous sayings. 24 And his power must become mighty, but not by his own power. (by capture of national sovereignty worldwide; Dan11:42-43; Rev17:11-13) And in a wonderful way he will cause ruin, and he will certainly prove successful and do effectively. And he will actually bring mighty ones to ruin, also the people made up of [the] holy ones. (Rev11:7; Rev13:5-7; Dan12:7)

[1.] Past First UN Related Event: League of Nations 1919
[3.] Third UN Event 1990: Daniel 8:23's "stand" of King Fierce is the third UN event of the parallel Daniel 11:31b "place the disgusting thing" to define Anglo-American globalist-system.

[We are Here...]

It can be noted this is the third United Nations event which identifies the Anglo-American globalist-system as "King North" since 1990. Jehovah's witnesses leadership covers up this final completion phase, as they cover up "King North" as if Russia as the decoy, as they adjoint that third UN event global prophecy cycle as UN NGO apostates also fully identified in League with the enemy system. (Dan11:32a; Matt24:15-16)

After the Jehovah's apostasy goes down in judgment as Daniel 8:13-14 first and next, the rest of the prophecy they undermine will become completed for the final 1260 days "last witnessing" ministry declaration to emerge with the final "sword-stroke" cycle of the future.

What is also significant since 1990 is that the Jehovah's witnesses "UN NGO allied" apostasy is proven prophecy in the same third United Nations event cycle of 1990 and its contextual world history.
